Friday evening, Dec. 28, has been chosen as the date for the Winter Cotillion. Formal dance to be given by the Grosse Pointe War Memorial Center for the dancing classes sponsored by the center.

Colby Martin's orchestra will furnish the music for the dancing in the beautifully decorated rooms of the center. Christmas trees, holly wreaths, and mistletoe will lend holiday atmosphere for the dancers from 8:30 to 11:30.

Gala Season Climaxed by NY Dance

The sound of clattering pans, balloons, paper hats, confetti, and the familiar strains of "Auld Lang Syne" will fill the midnight air of December 31, when friends gather everywhere to bid farewell to the old year and welcome in the new. And Grosse Pointe High School students will enjoy their share of the excitement.

A capable committee, headed by Bill Rexford, chairman, and Hank Hubbard, co-chairman, has planned a New Year's Eve dance, to be held in the boys' gym as a thrilling climax to all the holiday festivities. Joe Buell is in charge of the refreshment committee, Maral Molyneux of publicity, and Donna Stearnod of entertainment during the intermission. Decorations in the gay holiday spirit are being fashioned by Ann Watson, Patsy Barrett and Nancy Thomas. The party will last from 9:30 o'clock p.m. until 1:30 o'clock a.m.

Couples will dance to the music of Roston Clark and his orchestra. It will be a dress-up dance, although formal dress is acceptable. Girls are not to wear corsages.

The New Year's Eve dance is open to Grosse Pointe High School students and their dates. First-year alumni and students who are planning to bring dates who do not attend the high school, may secure guest permits from Mr. Harvey Christensen.

College Set Plans New

New Year's Eve will be the time for college students to get together for one last fling before starting another year at their favorite alma mater. And what place could be more appropriate than the Grosse Pointe Memorial Center. Here you can sit around the brightly decorated Christmas tree or in front of the glowing fireplace and meet and talk with friends from your own school as well as other universities or renew your old high school friendships.

The semi-formal dance will begin at 10:00 p.m. with music provided by Ray Buck and his orchestra, and will continue until 2:00 a.m. of the following year. The New Year will be ushered in with noisemakers given to each couple at the door, and a midnight buffet supper.

Tickets are \$5.00 a couple. Be sure to make your reservations early by calling the Memorial Center, TUxedo 1-6030; Bob Boldt, TUxedo 2-3853, or Miit Setzer, TUxedo 1-9724.

Events for 1952 include an informal evening dance January 25, an orchestra dance February 22, a record dance March 29, an informal evening of dancing and movies May 23, a formal dance June 28, and a summer formal July 19.

Frosty Weather Fails To Halt Old Newsboys In Annual Paper Sale

In spite of biting winds, snow flurries, and a 3-below temperature, the Grosse Pointe Lions' 23rd Annual Goodfellows Day Newspaper sale came close to the highest amount ever raised by the Newsboys. Co-chairman James N. McNally and Dave Nagel announced that more than \$5,800 had been collected in the sale last Monday. This figure is the best record \$4,052 netted in 1947.

In addition to the more than \$5,800, the Lions expect an additional boost from those who usually mail their pledges and checks direct to the club. Their goal this year was \$4,000.

The chairman of the sale said that more than 100 baskets would be distributed among the needy families of the area for Christmas. The list was compiled by Lion George Elworthy, Lions Welfare Director. The balance will be put in the Lion's fund to be used on a year-round basis to help the needy, the blind and others who may need a helping hand.

The Lions Club extends its thanks to the good citizens of Grosse Pointe who make their charitable works possible through their generosity on Goodfellows Day, and to the loyal Lions police and firemen who braved the biting cold to assist in the sale.

Younger Set Celebrates Yule Season

This past week has seen numerous Christmas parties at the Grosse Pointe Woods Community Club where over 19 groups with children ranging in age from four to 14, prepared, planned and carried out with their leaders, arrangements for celebrating the Christmas season.

Younger brothers and sisters were the guests of the eight-year old Girls Club at a party Thursday. The children received gifts that the girls had made in club and the entertainment consisted of listening to the Christmas story and children's records, games and carol singing.

Gifts were exchanged between the members of the 10-12 Girls Club when they met Thursday. The highlight of the party was the members of the 10-12 Girls cooked and two large cakes.

The Thursday Night Cood Club of teenagers is planning a dance for Dec. 22, Saturday night, to which they are inviting guests. The program will consist of dancing, singing and a social hour.

POINTE PARAGRAPHS

By The Pointe:
Grosse Pointe's Henrietta Redycombe, accompanist and Lillian Beall Hicks, soprano, will present Ruth Skwyer's "Voyage of the Wee Red Coo" at the annual Tuesday Musical Christmas program to be presented December 18 in the Grosse Pointe auditorium. Also to be featured on the program will be the Tuesday Musicals Church Ensemble, under the direction of Marjorie Jewell and a two-piano team, Donna Beall and Marjorie Martin.

Mr. John E. Finch is director of the group.

A pint of blood to help save a life in Korea was given by S/Sgt. John J. McCormick, of Grosse Pointe, during a recent blood donor drive at a United States Air Forces base in Japan.

Sergeant McCormick was covering the blood donation program for the 6181st Air Base Wing Public Information Office, when he stopped a moment to give blood himself.

Husband of the former Barbara Molyneux, Sergeant McCormick joined other base personnel who gave more than nine gallons of the precious fluid in one day, which was sent at once to Korea. His parents, Mr. and Mrs. Joseph E. McCormick, live at 94 Dwight Ave., in Pontiac, Mich.

A graduate of the University of Michigan School of Journalism, Sergeant McCormick worked for a Cadillac, Mich., newspaper before his recall to active duty this year. He recently arrived in Japan.

Senators Gets Voters League

Letters to Michigan Senators Moody and Ferguson on the subject of the federal government's budget will express objectives of efficiency, economy and moral integrity in administration to justify recent tax measures. Pointe women's three months' study of the budget and related subjects concluded in discussion Dec. 12 at the home of Mrs. Taylor Seebor, 313 Merriweather, with 40 members of study units representing the local League of Women Voters of Grosse Pointe Park.

Individuals will register personal conclusions besides framing the message to go out above league signature.

Deficit financing resulting from the lag between the 70 billion-dollar budget and 60 billions in tax revenue was pointed out by panel leader Mrs. Seebor as the basic cause of inflation. Federal controls aimed at effects of inflation in high wage and price levels are powerless to eliminate this original source, according to Mrs. John Suter, Mrs. John J. Remillet evaluated the tax structure, reviewing suggested means of adding to the government's income such as Walter Reuther's spending tax and the manufacturer's excise tax. Mrs. H. L. Caverly described annual preparing of the budget six months in advance of the national fiscal year beginning in July.

On Dec. 26, at 8:15 p.m., Faith Lutheran Church will hold its annual dinner for its college students at the Hawthorne House. More than 30 students are expected to attend. Pastor C. H. Lange will be the main speaker.

"Yes, Virginia... There Is a Santa Claus"

It was only September, and 1897's Christmas was three months in the future. But Virginia O'Hanlon's concern was an important problem that, to her, knew no season. That was why she wrote her letter to the New York Sun.

The answer to Virginia's question, written in a moment of deep spiritual insight by Francis B. Church, stands even today as a testament expressing two thousand years of faith. It has been reprinted here because it always will deserve to be read again.

"Yes, indeed! Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age—they do not believe except what they see—they think that nothing can be which is not comprehensible by their little minds.

"All minds, Virginia, whether they be men's or children's, are little. "In this great universe of ours, man is a mere insect, an ant, in his intellect as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

"Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virgins. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

"Not believe in Santa Claus! You might as well not believe in fairies!

"You might get your papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus—the most real things in the world are those neither children nor men can see.

"Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there—nobody can conceive or imagine all the wonders that are unseen and unseeable in the world. "You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, or even the united strength of all the strongest men, that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside the curtain and view and picture the supernatural beauty and glory beyond.

"Is it all real?—ah, Virginia, in all this world there is nothing else real and abiding.

"No Santa Claus! Thank God!—he lives, and he lives forever—a thousand years from now, Virginia, nay, ten thousand years from now, he will continue to make glad the heart of childhood."

THE AMERICAN WAY

Why Inflation Runs Rampant

Library Spotlight

By Jean Taylor

How can there be "4000 years of Christmas," is the initial reaction to the book of that title by Earl W. Count.

The answer is that although Christmas, in reality, is not half that old, many of our ways of celebrating Christ's birthday have been borrowed from the early festival rites of the Druids, Romans, Babylonians and others.

"4000 YEARS OF CHRISTMAS" is an interesting little book of less than 100 pages. Earl W. Count is a professor of anthropology and qualified to write on this subject. There is nothing here which deflates in any way from the magnificence and truth of the Christmas story as told in the gospels.

The title of the author is "The Birth of the Son of a Missionary and eventually a man for whom the distinctively Christian meaning of Christmas is not lost in these other things but only emphasized by them. The books exhibits these varied contributions not for the deflation of Christmas but for its enrichment."

Music and Christmas are inseparable. Your library has recordings of Christmas hymns and carols and other appropriate music which you will enjoy having over the holiday. These records may be borrowed for the small charge of two cents a day for each record (six cents for long playing). Saturday, December 22, will be bargain day since the library will be closed the three days following and there will be no charge during this time.

If you are planning festivities during the holiday week, a number of 16 mm. sound films are available at the library.

For children's parties we suggest The Christmas Rhapsody, based on Hans Christian Andersen's story of The Little Fir Tree, Three Bruins in a Canoe and The Princess and Dragon.

Among the recent additions for adults are four films in color of ten minutes each. MODERN HAWAII, MODERN FRANCE, ALASKA, modern frontier and HOPI INDIAN ARTS AND CRAFTS. The last film is a re-

cord of the skill and patience required in the rapidly disappearing arts of the Hopi Indian.

ART AND LIFE IN ITALY is a ten minute black and white film. Also in black and white are TWO VIEWS ON SOCIALISM and ARE YOU READY FOR SERVICE. OF THE last two mentioned, the first is an important 18 minute film especially designed to stimulate an intelligent discussion on the differences between Socialism and Capitalism.

ARE YOU READY FOR SERVICE is in three reels of ten minutes each. Reel I, What it's all about—explains that military preparation does not necessarily mean war. Reel II, Your Plan—Students see how military service can be fitted successfully into the plans and preparations for the future. Reel III, Service and Citizenship—Students are shown how to correlate citizenship and service.

These films are made available to you through the generosity of the Grosse Pointe Motion Picture Council.

The new Branch Library in Grosse Pointe Woods will be opened for business, Monday, January 14 in the Mack wing of the Parcel's Junior High School.

The present branch will close at 6 o'clock Saturday, December 22. Miss Jean Mastin, Branch Librarian, tells us that additional time will be allowed for all books held during this interim. The dedication of this new library will be Saturday evening, January 12.

All Grosse Pointe Libraries will be closed Monday and Tuesday, December 24 and 25. A Merry Christmas to all our friends from the library staff.

Royal Oak Beats GPHS Two Teams

By GEORGE DENISON
GPHS Journalism Student

Trailing by 9 points at the end of three periods of play, the Blue Devil reserve team put on a desperate attempt, but fell short of the Royal Oak Acorns 38-35, last Friday, December 14.

Outstanding in the game, played at Royal Oak, were Lou Hribar and Rodney Haldeman of the Devils who dumped in 9 and 8 points, respectively. However, the scoring honors went to Drawbaugh of Royal Oak with 11.

In the final quarter, Grosse Pointe tightened its defense, allowing a good Acorn reserve team only 3 points while scoring 9 themselves. It was significant to note that, during the entire final stanza, Royal Oak was given only three foul shots.

With their ability to control the backboards being the dominant factor, the Royal Oak Acorns scored a 50-39 triumph over Grosse Pointe last Friday, December 14.

While a blizzard howled about the outside of Royal Oak High School's gym, inside the Grosse Pointe Blue Devils saw their early lead disintegrate in the hands of Jeff Winder, a lanky pivot man, whose backboard handy work enabled the Acorns to power their way to a commanding lead.

The Royal Oak "five," with a 3 point half-time lead to work with, finished 11 points in front. Topping the night's scorers was Bob Sharp of Royal Oak, with 11 points. A pair of Blue Devils, Jack Smith, who played ably on the attack, and Bob Warner, each contributed 10 points to the Devils' cause. Acorn ball-hawk Winder, and Devil center Jerry Goebel, dropped in 7 points apiece.

It was a dismal affair for Grosse Pointe fans. The team's passing was somewhat wild and the word, ragged, best described the kind of play.

DUS Wins Opener by One Point

By Nick Boos

On Friday night the D.U.S. quintet defeated a team from A. E. Smith in the closing seconds of the game. With Smith leading by one point Dave Rentschler dropped in the winning basket.

The game was hard fought from the very start. At the end of the first period D.U.S. led by the score of 14-13. In the second period D.U.S. opened the gap and at half time led 26-22. Smith staged a come back in the third period and led 42-40 at the start of the final period.

The fourth period was very thrilling with both teams taking the lead and then losing it. Then in the closing seconds Dave Rentschler brought his team home to victory.

The games scoring honors went to Bruce Garbutt of D.U.S., who dropped in 20 points for the home boys. Right behind Garbutt was Helderess, who dropped in 19 for the losers. The game was a very exciting one and a beautiful one for Coach Kimber's boys to win.

D.U.S. meets Smith later in the season and it should be an excellent game.

M Pucksters Take Two from Toronto

Michigan won its fourth hockey game of the season, and the second in a row from the University of Toronto. Last Friday the Wolverines gave the Canadians a businesslike 4-1 defeat, and Saturday night did it again with a 6-4 decision.

The losses gave Toronto three losses in four games. Michigan will meet the University of Denver tonight.

The medical profession, the official health agencies and the voluntary tuberculosis associations conduct an organized, never-ending campaign of TB prevention and control. Basic to their cooperation is understanding on the part of an informed public of what tuberculosis is and how it can be prevented. This public education is one of the major functions of the voluntary tuberculosis associations.

Your purchase of double-barred cross Christmas Seals is important in financing the health education and public information programs of the Tuberculosis and Health Society of Wayne County—the local affiliate of the National Tuberculosis Association. Airline to Lower Fare

Jack A. Tompkins, District Sales Manager, has announced that American Airlines is going to double its high-speed transcontinental DC-6 Blue Ribbon Aircoach Service, and that it is lowering its coast-to-coast fare from \$110 to \$99.

Tompkins said that in addition to doubling the service by March 23, 1952, the company is planning even more aircoach flights, as well as extension of the low-cost service to other cities not yet designated. These plans could well include the city of Detroit.

The new low fare which American plans to put into effect on January 10, 1952, is subject to the approval of the Civil Aeronautics Board. The airlines' plan, however, is in accord with the CAB's recent recommendations calling for more coach operations and reductions of coach fares below the current general level of 4½ cents a mile.

Pointe Women on Patron List for Triangle Show

Seventy-three ladies have accepted the invitation of the Princeton Club of Michigan to be patronesses for the January 2 showing of the Princeton Triangle Show, "Never Say Horses."

The ladies are wives or mothers of Princeton alumni, mothers of Princeton undergraduates or persons otherwise interested in Princeton. The show, acclaimed at its Princeton and New York openings as a great success, will be at Scottish Rite Cathedral, Masonic Temple, at 8:30 p.m. Proceeds benefit the Princeton Club of Michigan's scholarship fund.

After the performance, the Triangle Club members will be guests of honor at a subscription dance at the University Club. All persons attending the show are invited to the dance.

The show involves a colorful assortment of New York's Third Avenue personalities and features the country's only chorus line that shaves between numbers. A skit from "Never Say Horses" recently was seen by Detroit TV audiences as part of "Toast of the Town," a Sunday night feature of the air waves.

Advance ticket sales that indicate a highly successful turnout for the Detroit show are being attributed, to a great extent by James W. Lee, II, committee chairman, to a group of Grosse Pointe post-debs and young Princeton alumni. They have formed a special Promotion Committee to popularize and sell the show to the debutante and post-deb crowds in Grosse Pointe, Bloomfield, Grosse Ile and Detroit. Heading this Promotion Committee is J. T. Farley, aided by Sherman Fitzsimons, III, Laurence B. Higbie, Molly Moll, Ann Springer, Marian Chapin and Joanne Gay. Unusual stunts and some good, hard sales talk have been their weapons.

On the list of patronesses are: Mesdames B. A. Aikens, Grant E. Armstrong, Standish Backus, John K. Bagby, Andrew W. Barr, Harold Beatty, Edward B. Caulkins, Jr., Lester L. Colbert, Charles B. Crouse, Russell Dexter, John N. Failing, Jr., Dexter Ferry, George R. Fink, Haldeeman Finnie, James H. Flinn.

Deadline for Candidates in SA Election

By George Denison
GPHS Journalism Student
Grosse Pointe High School is now in the midst of its semesterly race for student office.

Each semester elections are held to determine the Student Association government for the next half year.

Today was the final day of a four-day period during which petitions were circulated by all candidates for the four major S. A. offices and the Senate.

Monday, January 7, is the date of the primary elections. On the following Friday the traditional campaign assembly, at which all finalists give campaign speeches, will be held in the boys' gym.

This assembly, with the entire school in attendance, is the scene of much waving of banners, loud vocal support of the candidates and parades. In general the assembly approaches the atmosphere of a national political convention.

On the next Monday, January 14, the final elections will take place.

Here is what the Student Association is and does: It acts as the students' voice in solving their own problems.

The Student Association sells an S. A. ticket to the students at the beginning of each year to raise funds for its various activities.

The school's Honor Court, which has jurisdiction over violators of student rules, and the Service Club, which enforces these rules (which are set up by the S. A.) are among the branches of the Student Association.

The four S. A. officers are: president, vice-president, secretary, and treasurer.

The duties of the president are to take overall authority, appoint the chief justice of the Honor Court, and to preside over meetings of the Senate.

The primary responsibility of the vice-president is taking charge of the Service Club.

The S. A. secretary must take minutes at all Senate meetings and act as the government's record keeper.

Handling the Student Association's financial problems, which include S. A. ticket sales and S. A. dance money, is the treasurer.

Ladies' Night Crowd to See Larry Chene-Bobby Wallis Rematch Friday on Mat Card

Flushed with the success of previous ladies' nights at wrestling matches at Chesterfield Arena, Gratiot near 10-Mile, local promoters have designated this Friday and next as ladies' nights. Each lady accompanied by a paid adult (either man or woman) admission, will be admitted to the arena.

Johnny Gates meets Laddy Hollick in the semi-windup. Both speedsters, this bout should be one of the most exciting on the card.

The Ghost, a weird character, complete with mask, will mix with Ferenc Sixsay in one preliminary and Jan Gotch will meet the talented Japanese, Tor Yamata in the other.

The program begins at 8:30 p.m.

For this Friday, the card, a four-bout affair, includes a rematch between Larry Chene and

Judies Hold Slim Lead in Rotary Loop

When the four top teams square off in league matches, the standings are bound to be affected especially when the race becomes very close. Last Friday night P & J Cocktail Lounge almost toppled from the top rung when Piches Barber Shop, having another good night, shaved the Judy's lead to only one point. Jack O'Brien's 222 game and Forrest Piches' 560 series turned the tide for the barbers while Don Kammer's 559 and Miner Wilson's 584, including a 234 game, earned one point for the Judies.

Village Wine Shop broke all league records the week before last, rolling a 967 game for high single and a 3-game total of 2883. This series was bowled against Kopp's Pharmacy and had put them in second place. Last Friday they bowled Middle Atlantic Transport Co. and started off by winning the first game but that was all as the Middies rallied and copped the rest, putting them in second place, one point out of first.

Looks like Farms Market have finally found themselves after repeatedly being on the losing end. Week before they took four from Monday Cleaners and last Friday they whitewashed Steiner Ford. Tsube, Ewald and Carless came up with big scores for the farmers.

Kopp's Pharmacy won a 3-1 decision from Motor City Tires who put up a good stand, although losing.

Wolverine Potato Chips and the Auto Club were more satisfied with their results, each took two points for their evening's efforts.

... COLLEGE CLIQUE ...

Sara J. Horn, daughter of Mr. Clarence A. Horn, 828 Westchester, a freshman student at Kalamazoo College, will take part in the annual Christmas Carol Service to be held in Stetson Chapel, Saturday evening, Dec. 22, it is announced by Mr. Henry Overley, director. The Christmas Carol Service is considered one of the outstanding events of the College year.

Gerald W. Thiede, Grosse Pointe senior at Michigan State College, has been initiated into the MSC chapter of Pi Tau Sigma, national honorary mechanical engineering fraternity.

Plans for decorations and refreshments are the vacation topics of conversation among Marygrove College students of this area as they prepare for their "Holly Hop," a semi-formal dance to be held at the college on December 28.

Margaret Slevin of 1132 Whittier, daughter of Dr. and Mrs. John G. Slevin, is a member of the publicity committee.

Committees formed from the entire student body, under the general chairmanship of senior Marilyn Frey, expect it to be the brightest event during the holiday season.

Silver trees, sprinkled with red ornaments, will fill Alumnae Hall on the Marygrove campus. Music for the evening will be provided by the orchestra of Johnny Titus. Serving as hosts and hostesses for the event will be the parents of the student council members and committee chairmen.

Leonard Smith, of Grosse Pointe, was among the eighty-five boys awarded letters and numerals for participation in varsity and junior varsity football and soccer by the Taft School Athletic Association.

Gives Tips on Pruning Evergreens

"If you enjoy evergreen trimmings for the holiday season you can kill two birds with one pruning, so to speak," says Joseph T. Cox, extension landscape specialist at Michigan State College. "You can combine pruning operations on your lawn plantings with your search for holiday greens," he explains. This is an ideal time for pruning ornamental evergreens, since the needed and broad-leaved types are dormant at this time.

Arborvitae or Cedar, Pfitzer Juniper, Japanese Spreading Yew, Canadian Hemlock, Silver Red Cedar, Canaert Red Cedar and Common Juniper are among plants that may be pruned now. Spruce, pines and firs should not be pruned unless you want to remove branches or correct the shape of the plant.

Are some of your Series E Government Bonds maturing this month?

Now they can earn more money for you!

NEW LAW PROVIDES TEN MORE INTEREST-EARNING YEARS FOR YOUR SERIES E BONDS...AND YOU NEED NOT DO A THING!

Are you one of those smart and patriotic Americans who began an automatic saving program with Series E Government Bonds in 1941? Then you're one of the lucky people who can profit by a new law now!

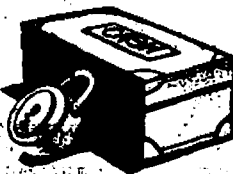

A bill recently passed by Congress now makes it possible for your United States Defense Bonds to continue earning interest ten years longer than was originally planned.

For example, a Series E Bond which cost you \$18.75 in 1941 will pay you \$25 in 1951. But if you hold that bond ten extra years, until 1961, it will pay you \$33.33, an average interest of 2.9% compounded annually. You get similar increases on United States Series E Bonds of every denomination.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But unless you really need the cash you're much better off to hold your bonds. For United States Defense Bonds are as safe as America itself.

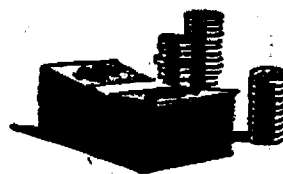

When you buy your bonds regularly and hold them they are steadily building a sum big enough to buy something really worth while—a home, a business, a retirement fund, an education for your children.

And bonds are safer than cash! If you lose or accidentally destroy cash it's gone for good. But when you have your cash in Defense Bonds, the U. S. Treasury will replace lost or destroyed bonds at no cost or loss to you.

So if some of your bonds are coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2 1/4% per year. For full details, ask at any Federal Reserve Bank.
