Rev. Johnson To Be Here in May

Reverend Marcus W. Johnson, present pastor of the First Congregational Church, Indianapolis, Indiana, has accepted a call from the Grosse Pointe Congregational Church at Chalfonte and Lothrop. He will begin his ministry here in May.

Mr. Johnson was born November 28, 1903, in Rhinelander, Wisconsin. In 1928 he received his B.A. degree from Beloit College in Beloit, Wisconsin. He then entered Chicago Theological Seminary, where he received his Bachelor of Divinity degree in 1931 and was ordained the same year.

Becomes Army Chaplain

After his ordination, he was called to the Glenview Congregational Church, Glenview, Illinois, where he remained for five years. The next three years he was minister of the Plymouth Congregational Church at Omaha, Nebraska, followed by two years at the First Congregational Church in Norfolk, Nebraska; this pastorate being terminated by call to duty with the U. S. Army.

He served as Army Chaplain from early 1941 until November 1945; three years of this time in Australia and New Guinea, part of which was spent on Battle Station Duty. He was returned to Civilian status and accepted a call to the First Congregational Church in Indianapolis, where he has remained for the last six years.

Dean of Youth Camps

The influence of Reverend Johnson has extended beyond the limits of his own congregation and his denominational services have been exceptionally wide and important. He has served very ably as the President of the Board of Directors of the Indiana Conference of Congregational Christian Churches, Dean of the Indiana Youth Conference Camps in 1950; Trustee of Defiance College, Defiance, Ohio—a Congregational Church College—and co-chairman of the Indianapolis Roundtable of Christians and Jews.

The other members of the Johnson family include Mrs. Johnson and their two sons, David Mitchell, age 17 and Douglas Michael, age 7. Mrs. Johnson is an able minister's wife with an active interest in the work her husband is doing. She has a gracious manner that wins for her many warm friendships.

Last Meeting at Town Hall

The last meeting of the Club Women's Town Hall for the season will be held March 13th at the Federation Clubhouse.

The Art Division will present Mr. Guy Palazzola, an able and popular young artist and teacher. His paintings have been exhibited nationally. Last November, he was awarded the Detroit Museum of Arts Founders Society prize for his painting "Black Knight."

The International Relations Division will have a student panel of Americans from Wayne University.

The luncheon will be prepared and served by the Wayne University Home Economics Department also. Reservations must be in by Tuesday noon, March 11.

In the afternoon, the Literature Drama Division will present Mrs. Harris Snider. Her specialty is Personality and Charm Development, and Beauty Consultancy.

Mrs. Snider was born in San Francisco and she established a Charm School there for the Board of Education which is still running successfully.

Her subject will be "Spring and Your Personality," after which she will hold a question and answer period. There will also be favors and door prizes for those who attend.

Methodist Open Lent Services

The Grosse Pointe Methodist Church, 211 Moross Road, will open the first of its series of Lenten Wednesday evening programs on March 12, having as guest speaker the Rev. Dr. Verner S. Mumbulo, pastor of Nardin Park Methodist Church.

The public is invited to hear the Rev. Dr. Mumbulo, who has served churches in the Wyoming, Genesee, Ohio, and Detroit Conferences.

Special Reception

A special reception for new members will follow the service. This will be sponsored by the "Fellowship Committee" of the church to acquaint recently made members with the rest of the congregation.

Cavanaugh Wins Honors

Walter R. Cavanaugh, 1431 Oxford Road, Grosse Pointe Woods, who conducts the W. R. Cavanaugh and Associates Insurance Agency, has been honored by being named the leading producer of the North American Life Insurance Company during 1951.

Cavanaugh produced more than \$1,000,000 of new paid for insurance last year, a record he has maintained for the past five years. He has inspired a membership of 5,000 women, an unprecedented feat in itself.

Through a variety of projects, the Fontbonne Auxiliary has raised in four years a total of \$70,000 which they turned over to the Sisters of Saint Joseph to assist in the furnishing of Saint John Hospital.

Named for Mother Fontbonne

Organized in December, 1947, the auxiliary was named in honor of Mother Saint John Fontbonne, who in 1807 restored the Congregation of the Sisters of Saint Joseph which had been dispersed during the French Revolution. Mother Saint John

Food Shopping Hints for Working Women

Homemakers of the after-working-hours type, who must watch their budgets, will do well to compare frozen, fresh, and canned vegetables to find the best bargain, warns Emma DuBord, a home demonstration agent.

Miss DuBord said one home-maker did comparison shopping in her community markets, finding peas 29¢ a pound fresh and 26¢ for a pound frozen. Counting the 50% wastage on the fresh peas, obviously the frozen peas were far more economical.

Homelike Wards Include Phones

A homelike atmosphere is considered so important to the well-being of the patients of Saint John Hospital, each patient room has its own telephone jack and radio.

Paint colors are harmonized to built-in architectural features to aid in creating the suggestive mood of home comfort. Each room and its adjoining private bathroom are duo-toned. While the walls of the patient room may be a warm Denver gray, the ceiling reflects the same turquoise of the bathroom's walls and ceiling.

Fontbonne Auxiliary Aids Sisters' Funds

Splendid nominees for Women of Achievement are the members of the Fontbonne Auxiliary of Saint John Hospital. Especially their leader, Mrs. Arthur D. Kerwin, who has inspired a membership of 5,000 women, an unprecedented feat in itself.

Through a variety of projects, the Fontbonne Auxiliary has raised in four years a total of \$70,000 which they turned over to the Sisters of Saint Joseph to assist in the furnishing of Saint John Hospital.

Statue, Symbol Adorn Hospital Entrance Rm.

A beautiful stone frame containing carved blocks depicting the symbols of the Corporal Works of Mercy surrounds the front entrance of Saint John Hospital's main building.

The keystone of the arch shows the Pelican, symbol of atonement. On either side are Cloak—Clothe the Naked; Broken Man—Rehabilitate the Captive; Open Door—Harbor the Harborless; Book—Instruct the Ignorant; Bread and Knife—Feed the Hungry; Ewer and Cup—Drink to the Thirsty; Fruits and Flowers—Visit the Sick; and Coffin and Spade—Bury the Dead.

Holy Cross Loses To Boston College

Tournament bound Holy Cross lost its first game to Boston College in 27 years Sunday night, which is only their fourth loss of the 1951-52 season. Boston College waited a long time to pull the upset, but it came at an opportune moment since Holy Cross was nominated to the NIT only last week.

Holy Cross had recently knocked off a couple of strong quintets before they Waterloo at the hands of B.C. Eagles. But they are not the only team of national ranking to "lose face" to mediocre squads this season, as St. Bonaventure lost two in a row after racking up 18 consecutive victories. Last Saturday night Villanova, recent conqueror of St. John's and Duquesne, got a basketball lesson from little Connecticut University. The latter never has been considered a big time power in cage circles, so shows to go you that every now and then the "little fellow" can rise up and smite down the "giant."

Neighborhood Basketball Playoffs Creating Interest

Verdonck's Bakery came through with two straight triumphs last week to earn a position in the playoffs of the Neighborhood Club's Senior Basketball League. The regular season ended with three teams, E. & S. Ford, Metropolitan Club, and Sirdbad's Bar in a deadlock for first place and the remaining three, namely, Verdonck's, Tom Boyd Ford, and Tracy Motors all tied up for the fourth position. Since only the top four teams are eligible for the playoffs, an elimination series was necessary to determine which of the latter three teams would take over the fourth position. In the drawing, Verdonck's was matched with Tom Boyd while Tracy drew a bye. The game between these two teams was played on Monday evening, Feb. 25, in which Verdonck's came out on the long end of a lopsided 76 to 29 score. Dick Gallo was high point man for the winners with seventeen, followed by Dick Minewasser with fifteen. This defeat eliminated Tom Boyd and it became Tracy's turn to try to upset the high scoring Bakers. However, Tracy's hopes were

FAMILY AFFAIRS—Brooklyn Dodger, help-faced "elder statesman" Foe Wee Reese shows his wife, Dorothy, and their daughter, Barbara, how to cover shortstop, during a training session at Vero Beach, Fla. Reese, at 32, is the oldest active Dodger player in point of service, the only survivor of the 1941 Brooks who played the Yankees in the World Series that year. He has seen more World Series action than any player in Brooklyn history.

Mooney Will Officiate at Dedication

A Blessing and Dedication of His Eminence, Edward Cardinal Mooney, will highlight the opening of the new five million dollar Saint John Hospital at 22101 Moross Road on March 9 at 9:30 p.m.

The 17 acre site on the northeast side of Moross at Linville Avenue was built by the Sisters of Saint Joseph with the help of friends and such groups as the Fontbonne Auxiliary of Saint John Hospital.

The dedication ceremony will begin in the Chapel but will continue in the Main Lobby. A public address system will carry the entire ceremony to the people in the auditorium and off the lobby.

Obstetrics Only

The fourth floor's chief function is for obstetrical cases, having four delivery rooms, six labor rooms, two preparation rooms, and nurseries in the ell.

The nurseries, arranged in pairs with eleven bassinets, is separated by inner corridors, and each is piped for oxygen. They are done in such colors as peachblow and apple green, and jonquil yellow with water-fall blue.

In the formula rooms, slip-ups have been made impossible by having the bottles and other equipment sent through the sterilizer from the non-sterile side of the room and reappear on the sterile side.

Open House

Open house for friends of Saint John Hospital and the Sisters of Saint Joseph will continue two weeks from 2 to 4 p.m. according to the following program:

Tuesday, March 11: Clergy of the Archdiocese-Advisory Board, Saint John Hospital.

Thursday, March 13: Doctors and their wives.

Saturday, March 15: Saint John Hospital Guild-Fontbonne Auxiliary.

Tuesday, March 18: Hospital Administrators-Administrative Staff.

Thursday, March 20: Friends of the Hospital.

Saturday, March 22: Religious of the City.

Reduces Nervousness

All X-ray rooms are painted in soft pastels to relieve nervous tension in patients and personnel.

Opening off the parking area also, the Radiological department has three-ray units, including a complete diagnostic unit, a versatile radiation therapy unit and a urological unit.

Treatment time will be shortened with their new X-ray therapy unit for malignant radiation therapy. It is of the constant potential type rather than intermittent rays, with a larger output.

First 'n Plan

This is the first hospital completed under the Greater Detroit Hospital Plan, and will be headed by Dr. Charles J. Jentgen, Medical Director.

On the Advisory Board are: The Right Rev. John C. Vismar, D.D. of St. Catherine Parish; Rev. Thomas J. Carroll of Annunciation Parish; Hugh J. Ferry, president Packard Motor Co.; A. D. Three Buildings

The Hospital is to be constructed as to be three buildings, hospital, boiler house, and laundry, connected below grade at basement level by service tunnels containing piping and conduits, and service passageways.

The Hospital building has five stories and basement, and later will have the addition of chapel, cafeteria, and sisters' refectory.

The first floor contains the lobby, waiting room, and admitting department with private waiting and interviewing rooms. This includes business offices, medical records department, medical staff lounge and lockers, patients library, medical library, pharmacy, internes' rooms and lounge, the radiography and basal metabolism rooms, tissue and general laboratories, and the X-ray department.

Harmonizing Colors

Reflecting the modern avoidance of institutionalism in hospital decoration, the Hospital has a complimentary balance of four predominating colors to produce a unified whole without creating monotony.

Maintaining problems have been kept to a minimum with the installation of roll-up screens stored in the casement, terrazzo floors, stainless steel trimming and covers in kitchens and dumbwaiter walls, and apple green chair or cart rails throughout corridor walls.

The adjoining kitchen is entirely independent of the main kitchen.

Paneled in birch, the Barber Shop and Gift Shop are also on the ground floor, as are ante and dining rooms; temporary Chapel; meeting room; physiotherapy; and therapeutic facilities; emergency entrance and observation ward; fracture room and emergency operating room.

Norway Songsters at Masonic

The famed European choir, the Singing Boys of Norway, will appear at Masonic Auditorium, Monday, March 10, with Ragnvald Bjarne conducting.

Touring America from the first time, the "Olavsguttene," as they are called in their native Scandinavia, made its official American debut this winter in New York's Carnegie Hall. They will sing in ... as part of the ... 25th anniversary ...

The choir has enormous repertoire of songs in seven languages ranging from Bach to Palestrina, through the romantic composers to Greg, contemporary Norwegian song, English songs, and even Negro Spirituals.
The group will be conducted by Ragnvald Bjarne, who organized the group in 1927, making it the first of any major importance in Scandinavia. Since then, they have toured all Europe, singing more than 2,000 concerts in cathedrals, churches and in concert halls.
The entire choir includes 75 boy sopranos, and altos, and 25 tenors and basses in the 19-25 age group. In this tour the group is composed of 35 boy singers and 13 first and second tenors and basses.

Friday Is Ladies' Night at Wrestling Bouts at Local Arena; 'Ghost' on Fast Card

BERT RUBY

Again it's ladies' night at Chesterfield Arena, Gratiot near 10-Mile road, when an extremely fast four-bout wrestling card will be presented. Clip this article and present it at the ticket office where each lady accompanied by a paid adult admission will be admitted for tax charges only.

A double feature will be presented with the "Ghost," the well-built hooded character, grappling handsome Stanley Hollick and the barefoot boy with the educated toes, Bert Ruby, against Jan Gotch. Ruby uses his toes to good advantage to pull the ears and hair of an opponent to get out of holds and this never ceases to be a source of amusement for the crowd. The local promoter, ... the "Ghost" is even ... mask by being defeated, Hollick is the pretzler-twister who can do it.

The balance of the topnotch card pits Scotty McWilliams vs. Johnny (Rough-and-Ready) Gates and Russ Bishop vs. Steve Zold.

Kalamazoo Aims For 14th Straight Championship

The big question on everyone's mind today is, can Kalamazoo Central make it four straight Class A basketball championships? That is one of the most important questions too, because ... other Class A team has ever ... and have no real individual star, although Bud Stufbergen is the ... of this year's squad. He is ... top rebounder and scoring ... and able field general. It ... a big "H" but the Kalamazoo ... might just be able to go all the way again this year.

The chief threat to them is Highland Park high which lost a real thriller to them in the finals last year, and looms as the most able team to dethrone them. Cass ... would be considered the real competition if a ruling of the Detroit Metropolitan didn't prevent them from playing post season games. Therefore it is up to the Parkers to carry the banner of Detroit into this year's basketball tournament. Besides Highland ...

Fashion Contest Still Going On

The Fashion Design Contest in cooperation with Artona of Detroit has not been discontinued despite the disappearance of the entry blank in the Review's last issue.

More Prizes

Because of this and other delays the scheduled appearance of fashion hint articles by the judges and illustrations by Claire Kelly will be unable to be started until next week, the Review regrets to state.

However, there has certainly been no delay in interest in the contest, and more prizes are still being added by generous merchants in the fashion field.

One beautiful prize is a costume jewelry accessory which can be worn with either suit, dress, or even sportswear. Alice Dunn, the Shop For Your Fashion Accessories, on Kercheval, is contributing one of the latest styled chain bracelets which the winner can select after the contest by visiting the Shop which features hats, bags, costume jewelry, casual separates, and cottons.

Contest entrants, don't forget, can enter one or all of the three divisions for suits, dresses, sportswear. But each entry must be accompanied by a Contest entry blank to be eligible. And all entries must be received on or before the April 3 deadline.

The first of the Grosse Pointe celebrations will be a potluck dinner for all "tween-agers," seniors and their leaders at the Grosse Pointe Congregational Church on March 10 from 5:30 to 9 p.m.

Committees of girls from all the troops have made all the plans, under the guidance of Mrs. Edward Kay. The program includes singing and skits by the Scouts.

parents are invited. A committee of Scout leaders planned this event with Mrs. C. R. Sutton.

\$2,000,000 Raised by Sisters for St. John Hospital

By Doris Milatz
The Sisters of Saint Joseph—may their trust in Divine Providence remain fruitful and long lasting! It has impelled these Sisters to raise, from their own small earnings, enough to purchase the \$2,000,000.00 site of Saint John Hospital in hope that friends will augment the remaining \$3,000,000.00 cost of the hospital.

These Sisters, who have been doing hospital work in southern Michigan for 63 years, have always been known for their work with people in need.

When called into existence 300 years ago in Le Puy in southeastern France to care for the poor sick in homes and hospitals, they also cared for orphaned and dependent children, and later, taught schools for the poor.

They came to Michigan in 1889, eleven in number. They were invited to come from Watertown, New York, to start a hospital in Kalamazoo by the Right Reverend Bishop Borgess, D.D., then Bishop of Detroit.

Since then, their Borgess Hospital was twice enlarged on its original site, then rebuilt, only to expand three times its original size. It includes the St. Camillus School of Nursing.

They also operate the 300 bed St. Joseph Hospital in Flint; 60 bed St. Joseph Mercy Hospital in Monroe, and the 30 bed Lee Memorial Hospital in Dowagiac, Mich.

Conduct Schools
The Sisters' foundation center is Nazareth, a suburb of Kalamazoo, where they also conduct the young women's Nazareth College; the girls' Nazareth Academy; Barbour Hall Junior Military School for boys; Villa Saint Anthony for younger girls from kindergarten to junior high school; and Camp Woodland, in Comstock, Mich.

And they work as teachers in parochial schools in Detroit, Van Dyke, St. Clair Shores, East Detroit, Highland Park, Lincoln Park, Ferndale, Ecorse, Grand Rapids, Saginaw, Lansing, and Chicago.

They have their own schools, too, in Anchorville, Algonac, Marysville and Pontiac, Michigan.

Richard PTA Meets Thurs.

The Richard School Parent Teacher Association has a very informative program arranged for its patrons on Thursday, March 13, 1952 at 8:00 p.m. The speaker will be Miss Margaret Casteel, a member of the staff of the Grosse Pointe High school. She will speak on the topic, "Experience of An Exchange Teacher in England."

Miss Casteel has been a member of the social studies staff of our high school for a number of years. Two years ago she was an exchange teacher in England at which time Miss Lynch, from England, took over Miss Casteel's work here. While spending the year in Britain Miss Casteel had many rich experiences in observing the British people in action, educationally, socially, economically and politically. It is these experiences which she will relate to us. The exchange teacher program is a national project which has for its basic purpose the building of international understandings and friendships through teaching, visitation and study.

Besides this interesting talk there will be a showing of a short film titled, "Survival Under Atomic Attack." This film is being recommended by Civilian Defense authorities as one of the very best in the instruction of our citizenry relative to their safety in case of attack.
