LAUNCH CLEAN-UP WEEK PLANS

POINTE PARAGRAPHS

Three residents of Grosse Pointe have just been named to the Dean's list at Albion college, in recognition of their high scholastic standing during the first semester of the college year. They are the following: William Casteel, son of Mr. and Mrs. Carl Casteel of 1021 Maryland, a senior at Albion; James Hearst, son of Mr. and Mrs. John E. Hearst of 609 University, a junior; Marlene Hesse, daughter of Mr. and Mrs. Arthur Hesse of 330 Moran road, a sophomore.

Pvt. Ralph H. Wedyke, 18, son of Mr. and Mrs. T. Wedyke, 2118 Roslyn road, Grosse Pointe Woods, is completing his AF basic airman indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women, headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School.

Rae Garber, daughter of Mr. and Mrs. John T. Garber, Grosse Pointe, has been elected president of the Student Government Association at Lake Erie College in Painesville, Ohio.

Miss Garber, a junior at Lake Erie, has been active on the Student Government Board since her freshman year at college. This year she served as secretary of the Board. In addition Miss Garber has held college post such as president of the sophomore class in 1950-1951, and president of the Humanities Club in 1951-1952. She is a member of the college Chess Club and Choir.

Miss Garber will assume her job as president following the two-week Spring vacation which ends April 15.

The Alma College Drama Club will present the three act play "Death Takes a Holiday" by Alberto Casalla on Monday and Tuesday April 7 and 8. The play will be under the direction of Professor William Gregory, Director of Drama, Alma College.

The cast of the play announced by Mr. Gregory includes Stuart Friesma, and Janice Bleil from.

Two students from the Grosse Pointe area are among the 530 undergraduate students named to the Duke University Dean's List for the Spring semester, it was announced today.

They are: Noel Melville, son of Mr. and Mrs. Donald Melville of 911 Edgemont Park, Grosse Pointe Park and Martha Jen Watkins, daughter of Mr. and Mrs. Charles O. Watkins of 420 McKinley avenue, Grosse Pointe Farms.

How many Pointers know that the proceeds from the sale of donations to the Neighborhood Thrift Shop on Waterloo go to the Summer Camp Fund of the Neighborhood Club?

Your donations of discarded, usable apparel will help some Grosse Pointe youngster who would otherwise stay home enjoy a summer camp vacation.

Due to the great popularity of square dancing amongst teenagers in Grosse Pointe, all the tickets for the party at Grosse Pointe Memorial church on March 28th have been sold. Consequently there will be no tickets on sale at the door.

Lakepointe to Mark 4th Birthday

There's a birthday party coming up Friday (March 28) for members of Lakepointe Country Club. They're celebrating the club's fourth anniversary with a dinner-dance at their clubhouse on Masonic Boulevard, cocktails at 7, dinner at 8:30, according to President Louis G. Palmer.

In addition to four years of existence, with the club fast developing into one of the leaders in the metropolitan area among private organizations, the members have something else to celebrate.

Members will find that workmen have been busy at their modern ranch-style clubhouse throughout the winter, making some changes in the interior and decorating. One of the principal changes was converting the dining terrace into an all-year room, adding a service and snack bar. Adjoining the main dining room, the two now provide accommodations for 350 diners.

Both rooms have been completely paneled in solid oak. So has the new ladies lounge and bridge room. For the men, there is a new bar and grill room. Other improvements include a 50 per cent enlargement of the pro shop, new caddy house and 350-auto capacity parking lot.

Jack Geitz has been installed as manager. Previously he managed Birmingham Country Club six years after being at Detroit Yacht Club and Detroit Golf Club.

Pointers In UM Pledges

New fraternity pledges at the University of Michigan numbered 275 at the close of the spring rushing period March 2.

Approximately two-thirds of the new pledges are freshmen, bringing the total of freshmen in fraternities to almost 40% of the male freshman enrollment, according to University officials.

Among Grosse Pointe pledges are Bruce B. Allen, 656 Lincoln Rd., Chi Psi; Lee E. Allgood, 949 Vernier Rd., Kappa Sigma; George Beauchamp, 1676 Stanhope, Phi Delta Theta; Ralph E. Cross, 37 Roslyn, Phi Kappa Psi; Eugene Halbrook, 894 Beaconsfield, Phi Gamma Delta.

James A. Lafer, Jr., 53 Oxford Rd., Delta Kappa Epsilon; Robert D. Law, Jr., 1357 Maryland Rd., Chi Psi; Alex W. Mann, 365 Rivard, Phi Gamma Delta; James R. Stewart, 569 Fisher, Theta Xi; William Winkler, 35 Grosse Pte. Blvd., Phi Gamma Delta; John C. Kolb, 61 Grosse Pointe Blvd., Chi Phi.

Newcomers Mystery Trip

A "mystery trip" was enjoyed by the members of the Grosse Pointe Newcomers' Club, Friday evening, March 21.

The trip which required about an hour permitted time for cocktails, picnic fashion prior to having dinner at the Canadian destination. Dancing completed the entertainment for the evening.

Mr. and Mrs. Karl Van Gallow of Ridgmont road were chairmen of the party.

Newcomers to the Grosse Pointe area who are interested in the club may obtain further information by phoning the membership chairman Mrs. J. S. Vaughan, TUxedo 1-8912.

Assn. Names Mr. Motschall

H. Gordon Wood, president of Grosse Pointe Property Owners Association has appointed Anthony Motschall, of Lake Shore Road, Chairman of the Publicity and Public Relations Committee for the Association. Mr. Motschall will head a committee which will formulate and execute a plan to sustain the membership of the Association.

Mr. Motschall, Mr. Wood, and Mr. Thibodeau, Executive Secretary of the Association, have met and worked out preliminary plans for the membership program. These plans will be announced in the near future.

Hope Reborn

THIS YEAR, April 13 is Easter Sunday. Whether beneath the vault of a sunrise sky or that of a church, religious services will devoutly observe the Resurrection of Christ from the dead, and re-birth of hope in the hearts of men.

THERE will be, too, (for this land is free), those traditional superficial symbols which date back to the ancient Anglo-Saxon rites for Ostara or Eastre, legendary goddess of Spring: the eggs and the rabbits which denoted life's reproduction, the first flowers of reburgeoning Earth, projected today into new fancy and hats.

IN THESE bright tokens, however, the deep and holy significance of Easter should not be lost. Neither should we forget, in marking the Resurrection, that there is something out of country and all who cherish it stand today greatly in need of a spiritual re-birth, a national regeneration of morals and men.

Executive Is Chairman Of Cancer Control Month

Leonard N. Simons, well-known Detroit advertising executive, has been named chairman of the 1952 Cancer Crusade in Detroit during April, it was announced today by Dr. Harry M. Nelson, president of the Southeastern Michigan Division of the American Cancer Society.

Simons, who is a partner in the advertising firm of Simons-Michelson, has been interested in the cancer control program for many years and helped secure for Detroit the unique Cancer Center at John R. and Hancock.

Simons revealed that Cancer Control Month, designated each year by Presidential Proclamation and Act of Congress for the month of April, will be observed in Wayne, Oakland and Macomb counties by an intensive educational Crusade.

Education is a major phase of the national Cancer Control program. "Through widespread public education to the facts of cancer, the cancer death toll can be greatly reduced," Simons said.

Cancer Control Month climaxes the year-round education program of the American Cancer Society. "During April we will attempt to reach every individual in this area with a life-saving cancer message through utilization of every available medium," Simons said.

The 1952 Crusade chairman was regional chairman of Brotherhood Week, sponsored by the Detroit Round Table of Catholics, Jews and Protestants earlier this month.

L. N. SIMONS

He is a member of the Board of Directors of the United Foundation, and of United Community Services, the Wayne County chapter of the National Foundation for Infantile Paralysis, Temple Beth El, Sinai Hospital, Jewish Home for the Aged, Detroit Grand Opera Association, Detroit Historical Society, and is a member of the Board of Fellows of Brandeis University.

Simons, who lives at 19005 Parkside, Detroit, is president of the Franklin Hills Country Club, and vice-president of the Detroit Historical Commission; an honorary member of the Board of Jewish War Veterans; and on the advisory committee of Wayne University School of Business Administration.

Assn. Names Mr. Motschall

Appointments of committee chairmen for the Cancer Crusade will be announced later this week, the Crusade Chairman said.

To Show Movie

The annual guest program of the Matinee Musicale will be held at the home of Mrs. Robert Lamb, 275 McKinley, on April 1 at 8 o'clock.

Mrs. A. E. Benson is program chairman. Following the musical program, Mr. and Mrs. Richard Palmer will show movies of their European trip with the Scandinavian Orchestra.

Comedy Writer To Lecture at Camera Cl.

"Evaluating your own print" will be the subject to be lectured upon by Dr. C. J. Marinus, well known amateur photographer and writer, at the Grosse Pointe Camera Club at its meeting on Tuesday evening, April 1, 1952.

Dr. Marinus, who has appeared before many of the local clubs as well as the PSA, will explain to his audience how they can analyze their own photographic pictures, its subject, interest, composition and technique. The speaker, who is an expert critic, will show the principle of dominance of pictures. Years of experience in this particular field of endeavor, will make the talk of the lecturer of great interest to all photographers.

Mr. Wayne Donaldson, President of the Club, has notified the members that following the program, there will be a judging of prints submitted by them. Dr. Marinus will act as critic, after a panel of judges have made the awards.

The meeting will be held at the Neighborhood Club commencing at eight o'clock. The public has been invited.

Stamp Club Holds Spring Exhibition

The Michigan Stamp Club's Spring Exhibition and Bourse will be held Saturday and Sunday, March 28-29, at the Sheraton-Cadillac Hotel, Detroit.

The exhibition will feature many fine exhibits, such as C. Turner Nearing's Stamps on Music and Dr. William Winokur's collection which won an award at the last American Philatelic Congress, and many other notable collections.

In addition to the regular exhibition they will have a one frame exhibit with a special trophy to the best.

Special Exhibition labels have been prepared and will be sold by Dr. V. L. Koran, 972 Macabees Bldg., Detroit—three colors for 25c.

John Jackson and Allen Lichtig are co-chairmen of the Exhibition, and Richard Koerber, 693 Port Dr., Detroit, will be in charge of the Bourse.

Michigan Stamp Club meets the first and third Monday evening at the Sheraton-Cadillac Hotel, Detroit, and is open to all collectors. They are a branch club of the APS, SPA, PSPS, and the NFSC.

Show Features Chrysler Models

As a special feature of the Detroit Flower Show, the Chrysler Corporation will present a behind-the-scenes exhibit of the engineering triumphs of the modern automobile.

More than 70 living models and demonstrations will be on display in the Coliseum and Agriculture Building at the Michigan State Fair Grounds. The Detroit Flower Show opens March 29th, and runs through Sunday, April 6th.

More than 3,500,000 persons have inspected Chrysler's "New Worlds in Engineering" show in New York, Boston, Pittsburgh, Dallas, Salt Lake City, San Francisco, Los Angeles, Chicago and Kansas City. The show vividly demonstrates what has made Chrysler Corporation vehicles safer, more dependable and more comfortable.

Highlight of the "New Worlds in Engineering" show is a woman car illustrator who will present a glimpse into the styling of cars as she sketches models of the future.

Military Ball

"Detroit's Own" 425th Infantry Regiment, Michigan National Guard, will hold its second annual military ball Friday, April 4 at 9 p.m. in the main ballroom of the Sheraton-Cadillac Hotel.

Tickets for the ball, which is open to the general public, may be purchased from the officers and men of the 425th Infantry Regiment, or at the Infantry Armory, 285 Piquette Avenue.

Red Cross to Extend Drive, Increase Goal

To aid victims of the worst tornado in a decade, which devastated sections of Arkansas and five other southern states last weekend, the Detroit Red Cross fund campaign has been extended beyond the original closing date, April 3, and the goal increased by \$165,000, it was announced today.

"The extra \$165,000 is Detroit's share of the \$5,000,000 increase in the national goal of \$85,000,000 announced by President E. Roland Harriman," said Fund Chairman William E. Essery. "It means our chapter must raise \$46,000 to supplement the \$1,452,000 contributed in the Torch drive last October instead of the \$381,000 originally scheduled.

"Our executive committee has accepted this added responsibility without hesitation as a neighborly service to fellow Americans in the stricken areas. Detroit has always been quick to respond in such emergencies and will respond now. Thousands of Detroiters have relatives in the area and we have already cleared many inquiries about the safety of loved ones.

"Now we must do more. We must help provide the means of restoring homes that were destroyed and get these homeless families back to normal living. It is no more than they would do for us if we found ourselves in a similar plight."

Chapter Chairman Alvan Macaulay, Jr., is inviting 200 business and industrial leaders to a breakfast meeting at 8:30 Friday morning in the chapter canteen at 153 E. Elizabeth to discuss Detroit's participation in this national emergency.

New TV Show

The international air, typical of Detroit, will be emphasized on "Polka Inn," a new Detroit television show to begin 10:30 P.M. Monday, March 31, on WXYZ-TV (channel 7). Carrying the theme will be a Bavarian restaurant setting, Alpine costumed Stan Wisnisch and his band and the traditional folk dances and costumes of many lands. The half-hour show is sponsored by the Michigan distributors of Motorola and Deepfreeze products.

Urge Dads to Attend Course

Another parent-child education advanced class opens on Monday, March 31, at St. John Berchman Center, Lakeview and East Warren Avenues, conducted by Sr. Mary, IHM, of Marygrove College, reputed one of the nation's leading psychologists.

The course treats on teen-age problems, however, the basic methods employed may be applicable to all ages. There is a \$2 fee per family. All are cordially invited to attend, especially the fathers. Classes run for a period of 6 weeks, from 7:30 to 9:30 p.m.

Art Institute to Present Great Religious Film

"St. Matthew Passion," powerful film combining great music, art and literature, will be presented at the Detroit Institute of Arts auditorium for six days starting Sunday evening, March 30, under the sponsorship of the Detroit Museum of Arts Founders Society.

Called one of the most impressive films ever made, "St. Matthew Passion" traces the Passion of Christ and is extremely appropriate to the pre-Easter season. It represents the last work of the late Robert Flaherty, great maker of documentary films and combines the music of Johann Sebastian Bach's St. Matthew oratorio with masterpieces of religious art photographed in museums of Rome, Florence, Munich, Vienna and London.

The music was recorded in Vienna by the Vienna Philharmonic Orchestra, the choir of the Vienna Singverein, the

Members of Pointe Garden Club Groups to Head Committies

Spring has rolled around once again and with it the plans for the increasingly successful "Clean-Up Week" sponsored by the Grosse Pointe Garden Club Council. Mrs. Donald C. Stevenson, Council President, has met with her chairmen for this project and the groundwork has been completed for launching this campaign to be held early in May.

As in previous years the various chairmen are contacting the five Grosse Pointe municipalities, the Board of Education, the Scouts and neighborhood groups, the merchants and other organizations, for the whole-hearted cooperation that results in real pride and responsibility in every resident in the community to "spruce up, slick up and shine up" his own home and neighborhood.

This year most of the chairmen of the many necessary committees, are enthusiastic and valuable members of the Grosse Pointe Garden Club groups. Mrs. Bert L. Lindzey will act as clean-up chairman, assisted by Mrs. Bert H. Wicking. Mrs. Frederick Schumann is advisory chairman, while Mrs. James Ogden is budget and finance chairman.

Among the many other committee heads who will give time and effort to this important civic affair are: Mrs. Oscar Buhn, Mrs. Matthew Houghton, Mrs. Sigurd Wendin, Mrs. Thomas Mann, Mrs. H. Ray Will, Mrs. Arthur Fleming, Mrs. Kenneth McColl, Mrs. George Duffield, Mrs. Kenneth Beardside, Mrs. Paul Sutherland, Mrs. Paul Rowe, Mrs. Charles B. Warren, Jr., and Mrs. Harold Bailey.

TB Patients Wait Beds At Hospital

More tuberculosis patients are waiting for beds at Herman Kiefer Hospital now than at any previous time, Dr. Joseph G. Molner, commissioner of health, said today. The number of patients waiting for beds this morning was 294 and many of them are very sick. The greatest number of patients are men, although there are both men, women and children who need hospital care and must wait for it until a bed becomes vacant for them.

Hospital care for patients who have active tuberculosis is an important protection for the patient's family and for the public because the sick person is isolated at the time when he could give the germs to those around him. It is important to the patient because it greatly increases his chances of living.

In all probability, no drug will ever be developed, which will cure tuberculosis without the use of a long period of bed rest and, in some cases, surgery. One of the most important weapons for the control of tuberculosis is finding cases early and getting them in the hospital under treatment. In 1951 there were 3,260 new cases of tuberculosis discovered in Detroit and 484 deaths.

Family Life Discussion

Educational and family organizations' authorities and leaders will highlight the annual meeting of the Michigan Council on Family Relations to be held at the Union Building, Michigan State College, on April 1, 1952, according to Dr. Stephen W. Mamchur, Wayne University, secretary of the Council. The meeting is open to all interested.

In recognition of the work done in family life education in the schools and other services performed by statewide organizations, the meeting will feature speakers on the theme "Working Together for Effective Family Living."

Catholic Program

Every Sunday afternoon Bishop Sheen's program, "Life Is Worth Living," will be carried in Detroit by WJBK-TV (Channel 2) at 5:30 p.m.

At this time Bishop Sheen is also the speaker on the Catholic Hour series which is broadcast on the radio over Station WWJ (950 kc) at 2:00 p.m. each Sunday. His subject on this program is "The Life of Christ."

Pointe Girls Swim in Show

"City in Silhouette" is the theme of the water show which the Synchronized Swimming Club of Oberlin College will give on the evening of March 27, 28, and 29 in Crane Pool.

Miss Alice Schlaepfer and Miss Emma Corey, both of Grosse Pointe, daughters of Mr. and Mrs. G. L. Schlaepfer of 251 McMillan and Mr. and Mrs. Donald Corey of Kenwood Court, are sophomore and freshman in the department of arts and sciences of Oberlin College respectively. Both will swim in the show.

The show will have ten numbers, all composed by members of the club. These "glimpses of a city after dark" include a night shift in a factory, a carnival, a cabaret, an evening at the theatre, shadows of the night (an underwater routine), an evening of dancing, a comedy number, a midnight church service, the arrival of dawn, and the finale.

Thirty students will take part. The swim show is an annual event sponsored by the Women's Athletic Association. Miss Elizabeth Wagner, of the department of physical education, is the faculty adviser.

Auxiliary Meets

The Christian Brothers Auxiliary will hold their monthly meeting at De La Salle Collegiate on Wednesday, April 2nd at 1:00 p.m.

Nat'l Boys' Club Week Observed by Local Clubs

"Twelve years ago our only assets consisted of the opportunity to help boys. Today our organization maintains four completely equipped club buildings with a potential membership of 6,000 boys."

George L. Nankervis, newly-elected president of the Boys' Clubs of Detroit made this statement concerning the Boys' Club phenomenal growth at the opening of National Boys' Club Week March 31-April 6.

Now beginning its second quarter-century of operation the Boys' Club, a Red Feather service, in the last decade or more has made tremendous strides in the expansion of its services to the boys of Detroit. The organization, established in 1926, utilized a former factory building at Michigan and 35th Street as a clubhouse. After 10 years occupancy the club was forced to move and used the facilities of the Ellis Public School for about two years.

In 1939 the Howard B. Bloomer Building at 3910 Livernois was opened to the members. Ten years later the Philadelphia Avenue Building at Byron and Philadelphia Avenues was secured through a grant by the Youth Activities Fund. Two additional buildings secured through similar grants by the Youth Activities Fund will be available to boys in the near future. They are the Quincy Avenue building at Quincy near Boston Boulevard and the newly-acquired Boulevard Building, the former International Institute at East Grand Blvd. and Dubois.

Over 19,000 different boys have been members of the Boys' Club

since its establishment. Through the encouragement of club leaders they have been aided in developing strong bodies, they have acquired hand skills, desirable attitude of behavior, fair play and an understanding of the rights of others.

In cooperation with more than 325 Boys' Clubs from coast to coast, Boys' Clubs of Detroit are joining over 350,000 other club members in a special observance of National Boys' Club Week. Included are an Open House for parents, a Stratosphere Festival for members and pals, a Mother of the Year contest and a Pet Show.

The Boys' Club of Detroit is a Red Feather service supported by the Torch Drive.

St. James Choir Gives Cantata

The choir of St. James Lutheran Church, directed by Carl Munzel, will present the Cantata "The Crucifixion" by John Stainer at the Lenten service, Wednesday, April 2, at 8 p.m. Soloists will be Paul Winkelmann, tenor, and Peter Stutzman, bass.

Walter Matthes, organist of Bethany Lutheran Church, will accompany the choir. Rev. George E. Kurz, pastor of St. James, will preach a sermonette on "God, Why?" from the Lenten sermon series on "Christ's Battle for Freedom." The church is on McMillan near Kercheval, and visitors are most welcome.

Club Plans Get-Together

The Conservation Club of Grosse Pointe High School is celebrating its 15th anniversary this month. The present club members along with Mrs. Myrtle A. Wagner, club sponsor, are anxious to have a "get-together" with all past members of the club on Tuesday evening, April 1, from 7:30 to 10 p.m. in room 124 of the High School.

Mrs. Wagner, or "Maw" as she is known to her students, asks that all past members of the Conservation Club who will be able to attend call her evenings at ED. 1-7577 or contact Mary Cobane at TU. 5-7934.

UM Juniors

The junior women at the University of Michigan gave their annual student play on March 21 and 22. Written, directed, and produced by the coeds, "Heavenly Days" is a humorous portrayal of life on the campus from 1870 to present time.

In 1904 six coeds produced a skit, which has grown to be the work of hundreds of junior women, combining artistic talent with their executive ability.

Because the play is held in honor of the graduating seniors, opening night is attended solely by senior women. Preceded by a farewell dinner, the graduating coeds reminisce about their own junior play as they heckle and applaud the juniors.

Among the girls participating from Grosse Pointe were: Maryanna M. Larson of 512 Pemberton; Gloria D. James of 726 Westchester; Virginia E. Grange of 1101 Whittier; and Shirley A. Griggs of 971 Washington road.

Guest Day Tea

The Mid-Century Toastmistress Club held a Guest Day Tea Tuesday, March 18, at the Northeastern YMCA, Mrs. John Wallace, winner of the recent speech contest, was chairman for the occasion. Mrs. Matry Thomas was toastmistress.

Formal speeches were given by Mrs. David Blake, Mrs. Martin Gorman, Mrs. William Pishalski and Mrs. Viola Swin. An interlude of piano music was presented by Mrs. Lloyd Gardiner. Mrs. George Darling, president of Mid-Century Toastmistress Club, and Mrs. C. E. McCormick, chairman of Council No. 4 of International Toastmistress lubs, presided at the tea table.

Film Program

Mount Vernon in Virginia, the story of life on this great plantation at the end of the eighteenth century, is the first of three films to be shown at the Rackham Memorial on Tuesday, April 1. Others are George Washington and Alexander Hamilton. The weekly film program, scheduled for 3:45 and 5:45 p.m. each Tuesday are presented by the University of Michigan Extension Service. They are free to the public.

Society Names Delegates to Annual Meet

At the annual meeting of Daughters of Colonial Wars, State of Michigan, held last week, delegates and alternates were elected to represent Michigan Daughters at the annual meeting of the National Society, to be held at the Mayflower Hotel in Washington. The National Council will convene Friday April 11, with the national president, Mrs. Charles R. Curtis, of Joliet, Ill., presiding. A reception and tea on Sunday afternoon, April 13, will conclude the meeting.

The president of Michigan Daughters, Mrs. Hugh W. Glover, of Midland, will attend by right of her office. Delegates chosen were: Mrs. Henry B. Joy, and Mrs. Harold M. Hastings, both past national officers. Mrs. Albert L. Hart, of The Whittier, and Mrs. Sidney C. Probert, of Kensington Road, are the other two delegates.

Mrs. Hoyt E. Whelan, of Tecumseh, was named the alternate for Mrs. Glover, the president; and Mrs. L. E. McKittrick, (of Manderson Road), alternate for the vice-president, Mrs. William H. DeGraff, of Birmingham.

The remaining four alternates include: Mrs. Orville W. Laidlow, of Tecumseh; Mrs. Frank A. Rose, of Haverhill Rd.; Mrs. O. D. Heavenrich, of Jackson (past state president); and Dr. Nelle G. C. Deffenbaugh, of Wildemere Avenue.

NSN&W Names Representatives

National Society of New England Women, Grosse Pointe Colony, at their meeting last week, elected delegates and alternates to represent the Colony at the 39th annual Congress of the National Society, to take place May 11-14, at the Cavalier Hotel, Virginia Beach, Virginia. The President-General, Mrs. Arthur C. Dyer, of Brooklyn, N. Y., will conduct all sessions.

Attending by right of office will be Mrs. Lloyd DeWitt Smith, of Grand Marais Boulevard, G. P., a Director-General of the National Society; and Mrs. Charles B. Warner, president of Grosse Pointe Colony.

First delegate is Mrs. Edward J. Savage, of Yorkshire Road, a national chairman. The other nine delegates are: Mrs. W. Arthur Batten, of Balfour Road; Mrs. Henry B. Joy, Mrs. Clifford A. Neville, of Bishop Road; Mrs. Wilfred J. Campbell, of Fisher Road, G. P. Farms; Mrs. Kenneth Landis, Mrs. Russell P. Tripp, of Nottingham Road; Mrs. Frank G. Horton, Mrs. George W. Moore, of Lakepointe Road, and Mrs. J. Cullen Kennedy, of St. Clair Ave., G. P.

Alternate to the president, Mrs. Warner, will be Mrs. George S. Guy. Other alternates include: Mrs. Albert C. Pasini, of Bedford Road; Mrs. H. B. Bogrette, Mrs. Charles F. H. Crathern, of Oak Drive; Mrs. Charles W. Holden, Mrs. Henry S. McQueen, Mrs. Louis Gascoigne, Mrs. James W. Reid, Mrs. Arthur A. Rubly, Mrs. George Hendrie Savage, of Lakepointe Road, and Mrs. William B. Hanford, of Grayton Road.

Noonday Series

Dr. Ralph W. Loew, pastor of Holy Trinity Lutheran Church, Buffalo, New York, and president of the Buffalo Council of Churches, will be the speaker at the Detroit Council of Churches' Noonday Lenten Service for the week beginning March 31st.

The services are held daily, Monday through Friday, at Central Methodist Church, Woodward at Grand Circus Park, from 12:10 to 12:50 p.m. Prominent Detroit religious leaders, both laymen and pastors, will preside at the services.

Chesterfield Card

Man Mountain Dean Jr., 340-lb. wrestler meets Stan Hollek Friday at 8:30 p.m. in a feature bout at Chesterfield Arena, Gratiot near 10-Mile road. Louie Klein mixes with the "Ghost" in the co-feature. Two other bouts fill out the card.

Tie For First In Rotary Bowling

Middle Atlantic Transportation Co. finally gave up sole possession of first place in the G. P. Rotary Club's Bowling League. There was quite a bit of excitement on alleys 1-2-3 and 4 as here is where the four top teams were rolling a little series of their own. Kopp's Pharmacy, tied for third place, pulled out a 3-1 verdict over the Middle Atlantic Transportation Co. team, who have held on to that top rung for quite a long time.

On the other pair of alleys, right next to them, Village Wine Shop was trying their utmost to gain a little of that paydirt but as we mentioned before, this P & J Cocktail Lounge outfit is mighty hard to beat when the chips are down. Village Wine did manage to win the middle game by 12 pins to avert a complete shutout. Jack Jeakle, who has been going great up until now, gave up the burden to Ovesen and Carman who carried him with plenty to spare. Bob Carman's 604 series kept the Judges in front most of the evening.

Peplinski didn't have a 600 series but his 594 came in mighty handy in defeating Piches Barber Shop, 3-1. Nick Schubeck and Forrest Piche excelled on the barber team with 576 & 548. Charley Blay who has been carrying the "clippers" finally bogged down. Believe it or not, Earl Holzbough's Motors, who have been often referred to as a soft touch, came through with another 4 bagger. Motor City Tires accepted their defeat most graciously, however Russ Piche gained a little solace by trimming Strittmatter on a little side bet on total pins... he does it every time.

It was given and take as Monday Cleaners met Steiner Ford and that was the way it ended, each won two, Billy Williams' 570 was high on this pair of alleys. Tomorrow night should bring on a few cheers here and there as Kopp's Pharmacy take on P & J Cocktail Lounge. The Judges have the edge on season play, winning 7 and losing only 1 to Kopp's... Middle Atlantic holds a slight edge over Piches Barbers, won 5, lost 3... Monday Cleaners and Village Wines have blanked one another and may split, who knows. Holzbough vs. Wolvenines... Steiner vs. Auto Club and Motor City Tires vs. Farms Market round out the schedule.

STOP Flooded Basements!
GET A... **FLOOD CONTROL VALVE**
SIMPLE TO INSTALL! NO CEMENT TO BREAK! ABSOLUTE PROTECTION!
IF Your Furnace GOES OUT SOILED WATER IMPREGNATES BASEMENT WALLS, WASHERS, TILED FLOOR OR FURNITURE ARE DAMAGED
YOU NEED THE FLOOD CONTROL VALVE
Registered U. S. Patent Office
No cement to break, simply insert into standard cleanout opening in basement floor. Protection of discomforts and expenses from damage by flooded basements due to spring thaws, heavy summer rains or floods.
This new type of valve is installed by the individual or plumber and when used properly offers protection against flood waters backing up through the sewer and into the basement. The Flood Control Valve remains permanently in position, ready for use when needed.
The Flood Control Valve is not a Backwater Valve nor Float Valve that fits in floor drain. Small particles of debris will not interfere with its operation.

SEE BETTER LIVE BETTER
EASIER TO SEE—EASIER TO SHAVE
Speed your razor on its way with good lighting... enjoy a faster, smoother shave. You're much less likely to leave patches of stubble when light is even on both sides of your face and neck. With good lighting you see what you're doing all the time, so you're through in practically no time.
To enjoy the advantages of good lighting place a wall fixture on each side of your mirror and a ceiling fixture above it. See your electric lamp and fixture dealer.
FOR FULL INFORMATION... SEE YOUR DEALER or Detroit Edison
FREE Write in Detroit Edison for your copy of this amazing booklet. It features lighting recipes that can bring new comfort, enjoyment, and eyeight protection to your home.

Inmates Assist Park Work

Use of prisoners in state park and recreation areas in permitting much maintenance and other work to be done which has not been touched since CCC days. Five of the seven prison camps now operating are in lesser developed southern recreation areas. Plan of the corrections and conservation departments is to expand to 12 camps in the 1952 fiscal year.

Michigan Mirror

Phillips Resigns from Fair Board

With Washington in such a hubbub, even investigating its investigators, the quiet turmoil of Michigan politics is restful as a June zephyr. But even here there are hints of corruption. With the resignation, under fire, of Sidney Phillips of Charlotte is president of the board of managers of state fairs, Michigan look another look at itself. Phillips, charged with accepting a \$300 bribe from a concessionaire at the state fair, faced impeachment proceedings when he threw in the towel.

MEANWHILE THE legislature was literally working day and night to meet its new deadlines. Committees burned the midnight oil to get their bills on the floor. Under rules adopted last session, all bills other than taxation and appropriation measures must be out of committee 21 days after introduction or they were dead.

ONE BILL CAME in again this year in revised form. It is a new type of "used car tax." The measure, differing from the Higgins bill defeated twice before, would impose a 3 per cent specific tax on the sale of used cars through licensed dealers. Thus, it would exempt so-called isolated sales—those between individuals—a feature of the previous measure.

ANOTHER RUMOR is extant that Gov. Williams again is keeping an eye on the vice-presidency. Observers swear on a stack of government manuals that the governor's ears are getting caulked from keeping them to be ground—especially if Kefauver gains in strength. But, such observations are still—just rumors.

SOMETHING MORE tangible in the political world was the death of Arthur E. Summerfield of Flint, national GOP committeeman. He held a 45-minute peace-making session with a group of rebellious legislators over his reputed hostility to the U. S. senatorial candidacy of John E. Martin, Jr., auditor general.

Summerfield emerged from a loose Republican grip on the party reins still secure. Said Summerfield, apparently smooth-

ing down the ruffled hackles of the 28 Republicans, "I never have taken the position that any candidate is unacceptable, including Mr. Martin."

STATE TREASURER D. Hale Brake recently blistered the "Little Hoover" commission, which has advocated more power for the governor. In reply to Loren B. Miller, research director for the commission, who had called the governmental set-up a "hodge-podge, a Chinese puzzle stemming from fear of the executive," Brake said flatly, "Miller has read too darn many books. I have known too many governors."

Prof. C. R. HOGLUND, MSC agricultural economist, believes it is possible by 1955 to raise Michigan milk production by 10 per cent, red meat production by 8 per cent and poultry and turkey meat production by 15 per cent over the 1950 level. He says better cropping practices could boost production of feed grain by five per cent along with a 10 per cent rise in hay and pastures.

Prof. Hoglund also sees a possibility for a 10 per cent rise in corn yields and production gains of 10 to 25 per cent for other crops if Michigan farmers make more extensive use of fertilizer.

FORD MOTOR Company's present defense contracts total \$1,800,000,000. The company expects to employ 40,000 workers and use 11,000,000 square feet in defense work alone.

OIL AND GAS operators plan to drill 711 new wells in Michigan in 1952, compared with 476 wells completed in 1951. The forecast is based on drilling schedules of oil companies and individual operators and show that the new wells will be divided into 345 wildcats, seeking new pools, and 366 developed wells in known fields.

Last year, of the 746 completed wells, 223 were successful in finding oil, 20 hit natural gas, 46 were sunk as service wells in older fields and 457 were dry.

THE MICHIGAN Inter-Industry Highway Safety committee has given Michigan State college \$10,000 for salary and expenses of a professor in driver education, the first in the country, who will give special courses to high school driver education teachers throughout the state.

Dr. Arthur Bromage, University of Michigan political science professor who became an Ann Arbor alderman to test his theories, reviews his experiences in a new book, "A Councilman Speaks."

Trout Stretch Still Paradise

"Old Man's stretch" of the Au Sable River on the north branch from the north line of Crawford County through Lovells will remain a fly fisherman's paradise. Once a flat stretch of water, with poor habitat for trout, the stretch was bulldozed down the middle to provide a channel and equipped with wing dams and other devices for stream improvement. Today it is considered one of the best fishing waters in northern Michigan.

The State Conservation Commission renewed the regulation banning bait fisherman from the stretch and setting the trout size at 10 inches. Because of abundant food trout grow so fast they must attain that size to spawn.

Other purchases will follow soon. The area is composed mainly of marsh and brush territory and may be partially flooded for waterfowl breeding grounds. It contains rabbits, squirrels, raccoons and some pheasants.

Postponed for consideration was the proposal to set up a 6,000-acre state game area near Sharonville in Jackson County. The State holds options on 1,180 acres at \$41 to \$48 an acre. The Jackson County Conservation League protested that the price was too high, and asked the State to improve habitat in the Waterloo Recreation Area in Jackson County before it makes new commitments. The Recreation area is open to public hunting.

WASHINGTON—The Veterans Administration said today that about 1,500,000 World War II veterans were training under the GI Bill of Rights at the end of 1951. This compares with 1,700,000 veterans at school or taking on-the-job training at the end of 1950.

When to Paint
It isn't hard to tell when the outside of your house needs painting. If the surface is glossy and smooth, you may be sure that your house is well protected against the constant attacks of the elements.

But if the gleam has gone out of the paint, if the surface is dry and chalk-like and there are places where the coating has been washed off altogether, it's high time to call for the painter.

Plant on Dark Days
Cloudy, overcast days are always best for planting and transplanting. Direct sun dries out the seedbed and wilts freshly set plants, making the job of becoming established especially hard on the plant. If placed in the garden on a dark day, all types of plants have a chance to recuperate from the shock of moving more easily. Growth and bloom are unhindered.

Tips on Touring

I know a couple who swear that the best way to enjoy a skiing week-end is not to ski. Like many people, they prefer quiet relaxation to strenuous sports, and they have found that easily and inexpensively.

To begin with, the surroundings are always beautiful and exhilarating. And whether you choose the \$17 week-end plan offered by American Youth Hostels or stay at a more luxurious lodge, you'll find a unique camaraderie plus infectious high spirits.

Such non-imb-shattering pastimes as ice-skating, tobogganing or snow-shoeing are usually available for those who want a breath of winter air. There's sleigh riding, too, complete with jingle bells.

An exciting candid camera and scenic shots make a ski resort a camera-addict's paradise.
After dark, square dancing.

A MISSISSIPPI Flyway council has been organized. Composed of Michigan and 13 other states, it is designed to gear closer the shooting season and bag limits to the annual harvestable duck surplus. This will be the first time representative sportsmen and conservation officials will be meeting regularly to consider duck problems on an entire flyway basis.

The state senate affairs committee has killed a bill which would have required Michigan State college and the University of Michigan to televise home sports contests.

Drive for Fire Fighters

A new campaign to enlist auxiliary firefighters has been opened by the Detroit Office of Civil Defense and the Fire Department.

ABOUT 2,000 auxiliaries have been trained but 8,000 more will be needed, said Fire Chief Edward J. Blohm.

Blohm asked all auxiliaries and regular members of the fire department to assist in the campaign to get new recruits.

Basic training for the auxiliaries consists of 12 weekly two-hour sessions comprising demonstration and practice with ladders hose and other types of equipment plus limited first aid training.

CAMERAS CATCH PICTORIAL NEWS OF INTEREST FROM ALL OVER THE WORLD

TWIRLED TOURIST TOGETHERS—Taking a tip from a reclining statue, a woman tourist puts aside her shoes to wiggle her toes in Paris' warm spring sunshine. She is sitting on the steps of the Palais des Arts Modernes along the Seine.

THREE BIG INDIANS AND CHIEF—Manager Al Lopez of the Cleveland Indians is keeping his fingers crossed, hoping his three top-notch hitters come through this season. The power boys, all infielders, are (left to right) Al Rosen, Bob Avila and Luke Easter. The fiery ex-catcher is determined to dethrone the New York Yankees this year.

PICCARD PLANS "LAST" TRIP—Professor and Mrs. Jean Piccard are shown squeezing through the porthole of a replica of the famous gondola they used in their world-famous stratosphere ascension of 1934, after he announced that he would make "just one more" trip. He has reached the University of Minnesota's compulsory retirement age of 68. His last ascension, upon which he plans to take his wife, is a projected 19-mile jaunt into the stratosphere for the purpose of studying cosmic rays and the lights from

WORLD TODDLING CHAMP—Twenty-month-old Karen Steinmetz of Bethlehem, Pa., doesn't seem too pleased as she is awarded the Max Hess trophy for winning the World Championship Toddling Race, sponsored by the donor of the cup. Forty tiny tots, riding kiddie cars and baby walkers, took part in the competition in Allentown, Pa.

AUTO TELEVISION—Mike Alonso, Havana correspondent for the United Press and one of Cuba's leading radio hams, tunes in his car television set. Alonso's car video is the first of its kind seen in Cuba and supposedly the second such model in the world. The other set is installed in the private car of Argentina's President Juan D. Peron. Alonso's set is an adaptation of a table model with a 13-inch screen.

SIDEWALK CRITIC—From the look on this youngster's face, he doesn't seem to be too impressed as he watches with a critical eye the work of pavement artist George Hurd, whose pitch is outside the National Portrait Gallery in London. Of course, young Albert Elliot's nose could be twitching.

EASTER MISS—Little Beverly Matthews of Miami Beach looks all set for the Easter season, wearing her brand-new bonnet. Just as ready are the tiny chicks she shelters in her hands, which will make for a complete enjoyment of the holiday.

KITTY'S RETURN—High on a hill in Montmartre, a two-year-old cat, Chatounet, lived in terror for four days, wailing as it held tightly to a position it wished it had never gotten into. The young feline had climbed 70 feet up a tree and out on a branch, in pursuit of a pigeon. It couldn't get down by itself, so a Park Department worker was sent to aid Chatounet, bringing relief to the kitty, to its owner, and to the entire neighborhood.

EVERYBODY UP!—As if carried up by a high wind, five Scotch and English ballplayers shoot from the ground in unison in what looks like a ballet rehearsal gone wrong. Soccer goalkeeper Jim Ritchie (center, unnumbered shirt) punches the ball clear from two English opponents (background), helped by his captain, left-back Tommy Stewart (3) and center-half Bobby Caldwell (5), during the Amateur Soccer International at Wembley.

LEUKEMIA VICTIM—Three-year-old Marjorie Jean Edin of North Tonawanda, N. Y., incurably ill of leukemia, plays with her animal friends while her neighbors work to build her a new home before she dies. Marjorie is one of the eight children of Mr. and Mrs. Walter Edin.

Vet Rates Private Showing

A patient at the Veterans Administration Tuberculosis Hospital, Queen, N.C., is the only person in the audience as a Red Cross volunteer runs off a movie in his room. A monthly average of 22,100 Red Cross volunteers gave hospitalized veterans 2,186,300 hours of service last year.

SHOWS EARLY STRENGTH—Sen. Estes Kefauver, Tennessee Democrat, clasps his hands above his head in prize-fighter fashion after showing surprising strength in New Hampshire's Presidential primary, initial test in the 1952 Presidential contest. Senator Kefauver said his victory over President Truman "would indicate that there is demand for fresh ideas and new vigor in the Democratic party."

"TAKE MY PICTURE, MISTER?"—Another United Press photographer catches Bill Purdom, U.P. lensman, as he busies himself photographing Korean youngsters at a milk station in Kumchang. The lads and lassies, no longer shy about having the camera trained on them, crowd around the cigar-puffing Purdom.

BLOOD DONOR CHAMP—Just as his human friends give their blood for the armed forces, 15-year-old Brownie donates eight liters of his blood (about two gallons) which will be processed as tetanus antitoxin. During his seven-year stay at the Biological Laboratories of Wyeth Inc., Philadelphia pharmaceutical firm, Brownie has contributed more than 2,000 pounds of blood, enough antitoxin to complete over 350,000 prophylactic packages.

OFF TO FAST START—Although occupied with his duties as NATO supreme commander, Gen. Dwight D. Eisenhower overwhelmed Sen. Robert A. Taft in the New Hampshire race for delegates to the Republican national convention in Chicago, where the Presidential nomination will be made.

SEW! SEW!—Snip, snip and a new hat is designed by two youthful admirers for Ernie Bushmiller, creator of the NANCY comic strip, at the annual Toy Fair in New York. The hat kit was accepted as an educational toy, which is an indication of the trend playthings will take for the next Christmas season.

BUSTLING ALONG—Lovely Joy Bennett sports a bathing suit that's a combination of the new and the old, at a swimming pool in Las Vegas. The bustle is right out of the Gay 90's, but the streamlin' ing. and Joy, are strict 1952.
