Section 41. Not later than the third Monday in March, the council shall, by resolution, adopt the budget for all municipal expenditures for the next fiscal year and such resolution shall provide for a levy of the amount necessary to be raised by taxation, which shall not exceed two per cent of the assessed valuation of all real and personal property in the city. The term of office of the councilmen to be elected at each regular city election shall be four years, provided, however, that the three councilmen elected at the first election hereafter, and receiving the least number of votes, shall be elected for terms of two years only, so that after the terms of such three councilmen shall have expired, three councilmen shall be elected, with the result that three councilmen shall be elected each two years thereafter. The councilmen shall take office from the Monday next following their elections. ## GIRL Scouts

Since the scribes are now proficient news-story and feature-story writers, they will try their hand at editorial-writing. Beginning next week each girl will take some rather serious idea and give her thoughts on the subject.

### By Marjory Saywood

The girl scout scribes of Grosse Pointe, accompanied by their two leaders, went through the Free Press Building escorted by one of the men of the Press.

First, he took them into the room where Editorials are written. The girls then went to a large room where they saw many great machines, the most important being the linotype.

They visited many different places but the girls thought the printing of the funny paper was just about the most interesting. First the paper is put in a regular printing press. Then it goes into a color press. From there it is highered into another large room where several men put the papers in piles of two hundred to go out to different places. The separate piles are then tied up with wire.

Next they were taken to the room where several men put the papers in pictures, and after that touch them up to make homely people beautiful. All in all it was very interesting, and the girls enjoyed it very much.

### Troop 85

Last week some of the girls received badges for the work that was done this year. Girls who received second-class badges were Eleanor Gagnier, Billie Clobridge, Pauline Schuman, Lorna Meecham, and Dorothy Maenhout. Pauline Schuman, Lois Hammond, Mary Lee Hammond, Zelma DePorre, and Mary Finnegan earned music badges. Maria McKnight received three badges which she had worked for at camp.

The girls who received music badges put on a musical play directed by Mrs. Meecham, who was very kindly helped the girls earn their music badges. Later a plant was presented to her, showing the troop's appreciation.

### Troop 128

Plans were carried forward for a visit to the flower show and lunch at Botsford Inn. Through popular vote it was decided that the troop would go on Saturday and would accompany another troop.

Grace Kline gave a report on the Girl Scout Troop, which meets every Monday after school at Christ Church. Caroline Innes and Ann Eldridge will visit another troop this week. Sewing on the baby clothes was continued.

### Troop 180

A St. Patrick's Day party was very much enjoyed by the members of Troop 180 last Monday afternoon. The party began at 3:45 by playing several games. Among those in charge of games and refreshments were Virginia Arnold, Adele Gillette, Ruth Osborne, Evelyn Osborne and Nancy Dalrymple.

Refreshments were served. The table was decorated with several small flags decorated with three-leaf clovers which were anchored by Irish potatoes. Ice cream and cake, embellished with green clovers, were served as an appropriate finish.

## Louisa St. Clair Chapter, D. A. R.

Many members of the Louisa St. Clair chapter, Daughters of the American Revolution, are planning to attend the 29th State Conference in Saginaw, March 29 to 31. The chapter regent, Mrs. Walter C. Pomeroy, will be honored at a luncheon at the Hotel Bancroft on March 29. The program for the conference highlights youth. Chairmen of Approved Schools and Motion Picture Chairmen will hold round tables, showing films appropriate to both committees.

The speaker of the evening at the opening of the main session of the Conference will be a young man from the Boy's Republic of New York City. The speaker, Mr. Mack Williams, is a former mayor of the Boy's Brotherhood Republic. The Republic is really a training school in our type of democracy. It has a five story City Hall and summer camp. Started seven years ago, it is growing vigorously. It is becoming more of an educational institution than a boy's club.

The truly significant thing about the BBR is that it does more than take boys off the streets and provide them with play space and games, it does more than aid in reducing juvenile delinquency and crime; it builds men of character and worth.

On the same program with Mr. Williams will be Roy Golze of Detroit who will speak on the Flag. Golze won the patriotic speech contest sponsored by the Louisa St. Clair chapter and was awarded a medal "for excellence in history."

Seventeen-year-old Robert Beerstecher of Detroit also has a place on this program. Beerstecher is interested in archeology; belongs to the Aboriginal Club, and has a most interesting collection of Indian relics.

The Conference marks the second year of Mrs. Bessie Howe Geagley, of Lansing, as State Regent. She will stecher of Detroit also has a place on ence. Mrs. Geagley has visited many chapters throughout the state during the past year, including those of the Upper Peninsula, and has endeared herself to the Daughters who have been so fortunate as to meet her.

The Saginaw chapter will be hostess at the Conference, assisted by the Anne Frisby Fitzhugh chapter of Bay City; Isabella chapter, Mt. Pleasant; Jean Torrence chapter, Alma and Ithaca; and John Alden chapter, Midland.

## Essay by Student Published in Scholastic

An essay by Viva Cossey, Grosse Pointe High School senior, entitled "The Tin Barn," which appeared in last spring's edition of Proem, school literary magazine, was recently published in a shorter version on the student writers' page of the Scholastic magazine.

"The Tin Barn," tells of Viva's childhood memories at her grandmother's farm.

'Hitler Exposed' In Film Show

Julien Bryan, ace cameraman and reporter is coming to Detroit on Thursday night, March 16, when he will present his remarkable motion picture "Hitlerism Exposed," a film taken "Inside Nazi Germany" and brought out of that country uncensored by any Nazi officials. It is the only film of documentary value ever shown in America and is drawing enormous crowds everywhere. In "German" Milwaukee recently the attendance records at the Public Auditorium were broken.

Julien Bryan will appear with his picture, in person, and during the running of the two-hour show he will tell his own story of just what is happening inside Nazi Germany today.

On December 27, Mr. Bryan was invited to the White House to show "Hitlerism Exposed" to the President and Mrs. Roosevelt and their official family, and it was favorably commented upon by Mrs. Roosevelt in her newspaper column "My Day" three days later.

'Hitlerism Exposed' inside Nazi Germany will be presented in the Masonic Auditorium Thursday night, "Matter" will be the subject of the

Mr. and Mrs. John G. Rumney, of Jefferson avenue, are going to entertain Mr. and Mrs. Zlatko Balokovic, of New York, for awhile. They will arrive in the Pointe some time tomorrow. Next Sunday they will be entertained at a tea to be given by Mr. and Mrs. Rumney in their home.

Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, March 19.

The Golden Text (Exodus 20:7) is: "Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain."

Among the Bible citations in this passage (Matthew 9:35): "And Jesus went about all the cities and villages, teaching in their synagogues, and healing every sickness and every disease among the people."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 227): "If God had instituted material laws to govern man, disobedience to which would have made man ill, Jesus would not have disregarded those laws by healing in direct opposition to them and in defiance of all material conditions."

Library Circulation Is Increasing Steadily

By BETTY GRANGER (High School Journalism Student). According to Miss Florence Severs, Grosse Pointe librarian, public library facilities have been more extensively used during the past six months than ever before.

"There has been a considerable increase over the same period for last year in the number of books borrowed. The largest gains are at the City Branch at 700 Cadieux road and at the new Lochmoor branch on Mack avenue. There is also an increase of 625 who have registered for cards."

The number of books borrowed increased by 7,292 between the months of July and December inclusively. An article in the American Library Association Bulletin for January declares, "Factors making for the increase (in the country as a whole) were said to be chiefly less employment in many cities and more books where library budgets have been raised." Miss Severs believes that including these two reasons, a third, the growth of population in Grosse Pointe, has also effected the reading increase here.

Favorite non-fiction titles included the importance of Living, by Lin Yutang; Horse and Buggy Doctor, by Hertler; With Malice Toward Some, by Halsey; Listen! the Wind, by Anne Lindbergh; Madame Curie, by her daughter; How to Win Friends and Influence People, by Dale Carnegie; My Battle, by Hitler; My America, by Adams; America's 60 Families, by Lundberg, and Alone, by Byrd. The Citadel, The Yearling, and My Son, My Son! were the most popular among the novels.

New Publication of High School Is "Hit"

By NANCY WORRELL (High School Journalism Student). A student publication with all the best features of the newest and most successful commercial magazines!

That's what the Grosse Pointe High School has succeeded in producing in its new View Pointe. A large all-school picture magazine—"Big as Life" is its slogan—with 98 photographs selected from hundreds submitted by school photographers. View Pointe made such an instant "hit" with the student body that 2,216 copies were sold in the advance sale when only 1,500 sales were hoped for!

The View Pointe is, so far as its founders know, unique among high school publications. Its appeal is far wider than that of an annual, a literary magazine, or a school picture magazine with photographs planned and posed by commercial photographers. It is a better souvenir of school days than an annual, as, in addition to the two pages which give the departing seniors all the sendoff their hearts could desire, it gives a wonderful composite picture of high school life as nothing else could.

The content of the magazine is uniformly interesting. Photography as a hobby has gained many adherents in the last few years. Even five years ago this magazine would have been impossible or at least impractical. Now, there are enough photographers in the school to make up the Camera Club, one of our largest clubs, to fill photography classes to overflowing, and best of all, to answer the new magazine's call for material with pictures of such caliber the expert sent by the engraving company to help on technical details was amazed.

Blue Devils Take Second Place in Down River Cagers League

Grosse Pointe High school cagers brought their regular schedule to a close last week with a pair of victories. They trounced Mt. Clemens last Friday 36-23 in a game played on the Bathers' court and gave Port Huron a beating on the home floor on Saturday by the score of 31-29.
