FREE FARMS TRUSTS TO BE HELD

Block Leaders Badly Needed By War Clubs

The War Clubs division of the O. C. D. is having difficulty in getting enough block leaders. More leaders are needed in the Park and the Farms, while Gratiot Township is scarcely represented at all.

The block leaders are probably the most important link in the War Club work. Without them the agencies which are to be organized in the neighborhoods, and the assistance in civilian work is solicited and friendly assistance develops their adaptability for special lines of work.

The Little War Clubs, first suggested by the Government in 1941, are now being organized in the city. In the spirit of the war, they have brought directly to the homes of the land.

The War Clubs organization recently urged that the men and women of the Pointe, hundreds of whom have deserted their homes to do some worthwhile work, will give need to this call.

Shunned by Police and Drug Store

This happy little group posing obligingly with police escort, is a part of a much larger crowd that was present shortly before the photographer arrived, which was refused entrance to the drug store at Kercheval and Fisher Wednesday afternoon. The buses of the Lake Shore Coach Line also refused to stop and pick them up.

Funds Needed For Sendoffs

Small Celebrations for Men Entering Army Require Modest Amounts

At the Municipal Officials' Section Group meeting Wednesday there was a discussion of a matter of providing the funds for the farewell celebrations for men entering the army.

These expenses, while not too great, are nevertheless a substantial sum as presented by the expense. Thus it has been found that for a single number of private parties, many of them are club members.

The Home Front committee estimates it understood that there is nothing in the way of funds contemplated. The necessities of the war are so great that it is necessary to have sympathy with these families for the boys who are contributing towards the cost of their contributions will be gratefully received.

Valuable Coat Still Missing

Since the Italian Somaliland guard skin coat belonging to the Zedler was stolen from the back room of the Country Club Detroit, the Farms police have been actively at work in trying to run down the case.

Descriptions of the coat, which is of an unusual variety, have been sent throughout this region and the theft has been broadcast on the telephone to all regional police departments.

The coat was a federal relic and as such a national function in progress. A social visit was given as the check room, but the approach many guests sent themselves at one time sent their garments, and when it is unable to accommodate them as promptly as they desire, they frequently go into the room to help themselves to their own garments.

This practice afforded the opportunity which some thief needed to take the coat. The coat was held at \$100.

Police Firemen Are Plagued By Epidemic of Field Fires

"Field Fires," as the local police call them, which might be termed the suburban counterpart of the forest fires which devastate the region have developed into a major nuisance in this area in recent days.

As soon as the snow disappears for a day or two, they begin to appear all over the Pointe. The field fires are extremely inflammable and the firemen are being called to the region have been quick to discover this.

The fires are in both the Park and the City and these fires are not caused by the careless throwing of cigarette butts, but are due to the fires started by a miscreant.

In many cases the fire department is called out, always when the anxious neighbors adjacent to the fires fear danger to their properties. This is not only an ex-

Good Gardens Dependent on Labor Supply

Attention of Victory Gardeners Focused on Help They Can Get; Eye Students

The increasingly serious food situation is focusing the attention of the people on the labor available here in the Grosse Pointe community to get the maximum production from the gardens to be cultivated this season.

Last year the Victory Garden Labor Battalion made up of boys and girls of High School age volunteered with considerable enthusiasm but never attained the numbers that it needed. With the greater seriousness of the food situation now it is necessary that this agency be greatly increased.

Could Do Big Job

There are a large number of very able-bodied boys in the Grosse Pointe area whose work (Continued on Page 3)

Uncle Sam Wins; Thief Is Loser

Prostration might have been the fate of the thief who stole Mrs. Katherine Rush of 475 Belanger a lot of money this week, and lost a thief's similar amount of cash.

While the Rush home was unattended Monday night, someone, presumed by the police to be a youngster or youngsters, ransacked the upstairs and made good his escape with a considerable sum of cash which included a diamond ring.

Mrs. Rush had on hand to pay her income tax.

Mrs. Rush had been intending to put this money in the safe, but had postponed the operation on several occasions, with the result that when the thief called, it was still hidden elsewhere in the house. The thief also overlooked a diamond ring.

Farms police believe entrance was gained via milk chute after which the back door was unlocked. No one was home until Mrs. Rush returned from her work at 10:20 p. m. She says the robbery was committed very shortly before she arrived home. If the police can make a lead from a tip of amateur detective work.

Her dog and cat, though out, were still warm, she says, leading to the assumption that whoever was in the residence did not leave until just before she arrived at the scene.

Officers Higdon and Boyington of the Farms police are investigating the case.

If the thief was a youngster, he must have had a key or some other means of entry. The safe weighed about 25 pounds, and 75 silver dollars have sufficient weight to make a strong man round-shouldered.

Honest Neighbor Finds Valuables

The running board of an automobile is a poor place as a repository for valuables, especially when they don't get their own way. Mr. T. called the police to report a loss in cash.

No one under sixteen was allowed in the store—and what with the buses flying in and out, it was quite a group collected under the drugstore awning by 5 o'clock.

Mr. T. told us he really felt sorry for the poor kiddies and thought he ought to help them by providing a shelter where they could wait for the bus in inclement weather.

Fears for Shelter

One of the policemen said that the shelter would probably be built there for no charge. He said that, for further questioning, he would probably be called out by the police and if found it was not burned down suddenly it was even finished. Evidently, he knows wherever he speaks!

We haven't an idea in the world as to what will happen next—unless the High School moves to some wilderness, where, when the children leave school, they can walk in their happy little natures to their parent's car and not have to put up with the teachers' convention.

(Continued on Page 3)

Help of All Needed In Red Cross Drive

House to House Canvass is Tough But Success of Most Important Campaign in History Depends on Its Results

The first million is the easiest. From now until March 31 are the crucial days in the Red Cross 1943 War Fund Campaign. Detroit and Wayne County's quota of \$3,000,000—a 50 per cent increase over last year's—loomed pleasantly near when the drive opened on March 1, as a flood of special gifts and large donations from individuals and corporations soon brought the Fund to the million dollar mark.

But from now on, points out Mrs. Dudley C. May, chairman of the house-to-house canvass, the quota will be reached only by the unflagging efforts of these tireless men and women who will plod from door to door (and many of the doors are far apart in the outlying districts) making a concentrated canvass for donations.

This house-to-house canvass is aimed directly at the housewife, who must be reminded that, also, must give what she can, totally apart from anything her husband may have given at any place of business. It is this place throughout the country that all the will obligations of the Red Cross can be accomplished.

The \$97,000 who gave to the Red Cross in Wayne County last year did so chiefly because earnest volunteers who know the importance of the work of the Red Cross on the battle front sent on the home front. It is this earnestness that is needed for the success of this heart-warming incident in the life of one of these volunteers, however. But the success of this drive depends on the help of all.

There is the woman, for instance, who resigned her job at the home front to go to the work of the Red Cross War Fund Campaign, without remuneration, to help the men at the front. It was the least she could do, she shrugged, when she has three sons in the army.

Then there is an auto worker who gave \$15 out of his small earnings.

There is the man who said "I couldn't give less if it would help the soldiers who are out there doing so much for me."

On Every Front

We are on the battle front only in spirit. But we can be represented there in a very real way. The Red Cross field directors. They are on every front with American troops, serving our troops as a link of communication between the military man and his family at home.

Red Cross women workers in military hospitals at home and in the hospitals on every foreign front serve our troops as a result of your contribution to this important cause.

Deming Slate Is Victorious In Elections

James Watkins Beats Joseph Sney To Become New President Of Village

The Municipal elections in the Pointe at a Monday touched off the Park, Farms and Woods. The City holds its municipal election on the first Tuesday in November, and the Shores which operates under a special charter, has its election in May.

Chief interest in the local elections Monday centered in the Farms where a little feud carried on for the past three or four years, hovering on the border line between friendly and fierce, was decided.

Former Village President Deming and Trustee Max and Joe were the main contestants. They expressed it in a few weeks of resignation to work with the best interests of the municipality.

In the primary election on Feb. 23, Deming was elected. He obtained a victory that ran from 2 to 1 to 24 to 1. This election was slightly revised in the election Monday.

Came To 1200 Vote

The vote, which totaled close to 1200, was distributed as follows:

President: James K. Watkins, 625; Joe Sney, 575.

Trustee: William F. Conroy, Jr., 624; R. Gervoy Gentry, 596; Max Deming, 567; J. W. Walker, J. Sturtevant, 567; Neil S. McPherson, 513; Hoyt P. Spitzer, 478.

Three elected comprised the slate backed by the Deming vote. James Watkins the President elect.

Trustee Joseph Sney, the losing candidate for a Monday, has another year to serve as trustee and will automatically revert to the office as trustee if not re-elected without opposition.

Harry Furton, for Clerk, Alton O'Connor for Treasurer and Francis Beazley for Auditor were re-elected without opposition.

Merleand Is Winner

Down on the Park where they elected three Commissioners, the only upset was in the election of the Board of Health. Arthur Deming 210 to 171. Arthur Deming with 203 votes and Kenneth Cunningham with 159 votes were re-elected.

Clerk William G. Stameran was re-elected.

(Continued on Page 2)

Civic Leaders Hold Meeting

Gardens, Home Front and Book Drive Hold Lightheaded Discussions

The Municipal Officials' Lighthouse Group held its monthly Wednesday meeting at the Hotel Savoy on March 10. This group is composed of the salaries executives of all the Pointe municipalities.

Among those present at the meeting Wednesday were: Henry Luhrs, clerk of the Township; Mrs. E. A. Barnes, chairman of the meeting; Norbert Neff, Hugh Fitzsimmons, Adolph Furman, George DeBoer, Edward Beckman, Karl Schwelker, Dawson E. MacMurphy, W. Smith, Walter Coe, George Danbury, Theodore Beazley, Mrs. E. Barnes and Harold Hudson.

Helps Home Front

The township club observes the practice of paying for the lunch on every even money, and the change left over is turned over to the expense fund of the Home Front committee to help defray the expenses in the sendoffs given to the men as they march away to combat service.

Harry Furton, clerk of the Farms, announced that this far this year has distributed as follows:

One Scholastic supervisor of the Township, called attention to the amendment to the state constitution which will be on the ballot at the election on April 5. This will extend the term of the elected officers from one to two years. It will result in a substantial saving in election expenses to the township of approximately \$1000 a year.

Want More Books

Norbert Neff, clerk of the City, spoke of the Victory Book Drive which through official termination on March 6, would still welcome continued book donations. Each through official termination far below its goal which was set at 20,000 volumes. The collection this year was probably not more than 20% of that of last year.

There was a discussion of the vital need for food production in the Pointe area. All of the municipal officials recognized the alarming situation which had been accentuated by the introduction of the gas rationing system and the death of labor for food production.

As much as many families (Continued on Page 2)

Area Suffers Dog Scourge

The Pointe area is suffering from a severe case of dog trouble. It is impossible to say how many dogs are in the area because of the delinquent owners are being increasingly reported in the Pointe area because of the trouble comes from persons not keeping their dogs on their own premises.

The increased activity of the police in enforcing the stray dog ordinances which are common to all the Pointe area accounts for much of the dog trouble, but not all of it.

Last Friday little Miss Vicki Wadsworth of 1118 Grayton was bitten in the calf of the leg by a dog owned by St. Morgan of 1215 Grayton.

The Morgans have two dogs and both of them attacked St. C. O. Grayton's dog. The dog was on the left side of the house that morning.

Morgans was served with a writ to show cause for a hearing before the court on Wednesday morning and the dogs were held for a hearing.

Down on St. Clair Mrs. Janette Wadsworth of 1118 Grayton was bitten in the calf of the leg by a dog owned by St. Morgan of 1215 Grayton.

The Morgans have two dogs and both of them attacked St. C. O. Grayton's dog. The dog was on the left side of the house that morning.

Morgans was served with a writ to show cause for a hearing before the court on Wednesday morning and the dogs were held for a hearing.

Pointe Experiences Genuine Earthquake with Equanimity

Some slept through it and some didn't notice it even when awake, but nevertheless Grosse Pointe experienced a Monday night about 11:27 o'clock.

It was a very slight tremor lasting only about 10 seconds, but clearly perceptible to persons who were sitting quietly and undisturbed by happenings at the moment.

Many reported the sensation as a slight, rapid vibration lasting only a few seconds, but unmistakable as an abnormal motion of some sort. There were a number of instances reported through the Pointe of delicately poised articles falling down.

One lady living on Lincoln road called the turn exactly and insisted there was an earthquake which she was too thick for any members of the company present remarked they could know for a certainty whether it was by taking the time which would be reported with exactness if there were any.

The gentleman's earthquake record indicated perfectly with nothing giving the time graph at the University of Michigan at Ann Arbor.

The tremor experts there also knew that the center of the disturbance was in the neighborhood of Grosse Pointe, Michigan.

The police received a number of inquiries between 11:20 and midnight, but as far as known these were merely curiosity calls.

There was no report of any personal injury or even of a property damage.

No! This is not a forewarning of some serious shock to follow. For as far as recorded time goes we are distinctly not in an earthquake belt. Besides our crust is too thick for any subterranean pressure to break through at some less fortunate place.

Would-Be Thief Mauls Locks In Esquire Block

A thief who either lacked the technique of his profession or got faint-hearted, or maybe even heard a noise before the completion of his job, paid a visit to the "Esquire Block" 15313 East Jefferson and tampered with the lock of the office of Doctors E. J. Tamblin and Hugh Stalker.

The entrance was not ganged but the locks were well maulled. The potential B and E was reported to Detective Wardner who is working on the case.

Two Schools to Administer Tests for Training in Navy

On Friday, April 2, Grosse Pointe High School will administer qualifying tests for the Navy College Training Program, known as V-12.

High school seniors, high school graduates, and college students who appear to have potentialities for ultimate selection as officers will be chosen through these tests for college training. This college training will be carried on while men are on active duty. They will be in uniform, receiving pay, and under general military discipline.

The test used for the preliminary selection of the men, will be given in the Grosse Pointe High School cafeteria to all boys in this vicinity, at 8:45 a.m. Applications forms may be secured at the high school office.

The following groups are eligible:

(a) High school and preparatory school graduates who will have attained their 17th but not their 20th birthdays by July 1, 1942, regardless of whether they are now attending college.

(b) High school and preparatory school seniors who will be graduated by July 1, 1943, provided they will have attained their 17th but not their 20th birthdays by that date.

(c) Students who have attained their 17th but not their 20th birthdays by July 1, 1943, who do not hold certificates of graduation from high school but who are continuing their education in an accredited college or university.

The applicants must not be married, and agree to remain unmarried until commissioned. They must give evidence of potential officer qualifications, including appearance and scholarship records.

Men having enlisted in any branch of the armed services, including V-1, V-5, V-7, reserves on inactive status, are not eligible to take this test.

has enlisted the cooperation of about 30 professional gardeners, each of whom will be allotted to a particular district. These gardeners will have general supervision over the gardens in their district and will be available to give valuable advice and suggestions to the garden planters and workers.

A model garden is to be maintained on the Farms on the Village land at Beaupre and Kerby. This will be set up by the Grosse Pointe and Eastern Michigan Horticultural Society. There will be another similar garden on the other side of the Pointe, probably along Cadieux.

There are many residents of the region who have sizeable plots in their back yards and the Victory Garden committee is very anxious that these be developed this year to the maximum. The committee desires that all gardens of this class be reported. The committee will furnish signs

Good Gardens

(Continued from Page 1)

in gardens would constitute an extremely valuable contribution to the war effort in this coming spring and summer.

Last year considerable confusion resulted in the Labor battalion through private parties bidding against each other for these youngsters. The rate of pay was fixed at 25c to 35c per hour, depending on the rating the boy or girl was given for work. This year the rate has been fixed at 25c to 50c an hour.

William Mann, Superintendent of Play Grounds, is the contact agent between the high school students and the Victory Letter Battalion organization, and boys and girls who wish to help in this work this year can make arrangements through him putting themselves in the way to such service.

Professionals Are Help

To assure more efficient gardening in the region this year the Victory Garden committee

to be hung up in such gardens proclaiming them as segments of the national war garden work and extending to a semi-government protection.

Cooperation Is Needed

The Victory Garden committee earnestly asks for the cooperation of the citizens who employ boys and girls this season. Sincere cooperation by these holders of community plots or maintaining backyard gardens in the rear of their homes will avoid much of the confusion in "labor piling" that existed last year.

The Victory Garden committee stresses most earnestly the supreme importance of this work for food production this year. We are warned, it states that much of this coming winter's food supply will depend on the amount that can be won from the soil by the patriotic efforts of the people themselves.

Expert advice on garden planting, cultivation, vegetable canning and all of the angles of the problem, can be obtained from the committee, the AWWIS and the school officials in charge of personnel.

Laying the Leaf at New News Office

Photo by Leckenbach

The Grosse Pointe News has expanded into newer and larger quarters. As this picture was taken the sign man was just starting to apply the gold leaf for the new sign on the window at 19 Kercheval avenue, right next door to the Punch and Judy theatre. The ground floor location and enlarged office will be much more convenient for News readers and advertisers. No more stair climbing for our customers. The best news of all moves out of the hall.

Animal Lovers Are Sought To Serve as Raid Wardens

Animal lovers who are seeking a chance to help the war effort were urged this week to apply to the Office of Civilian Defense for possible assignment, after a course of training, as animal-welfare wardens or monitors.

Adults are needed as well as Girl Scouts, Boy Scouts and high school students not affiliated with these organizations.

The Grosse Pointe Area animal welfare setup was established last year. Last weekend meetings have been held to the armed services or through registrations encouraged by families moving from the region.

Persons interested in furthering this important branch of the protective services are urged to apply either at the OCD headquarters in the Neighborhood Club (corner Niagara 4759) or to Dr. Julius F. Purss, 17133 Mack Avenue (Niagara 2202), animal care coordinator for the area.

Applicants will receive class training in the care of horses, dogs, cats and birds. They will be taught first aid for animals and their proper treatment will conduct census cards on these creatures and know and will help to advise owners about the care of animals during the war.

Next Tin Pickup To Be Saturday

American soldiers, 1,500,000 of them, are serving overseas, far from home and family. And a lot of them may go hungry unless Americans cooperate in the salvaging of tin cans.

Here's why: A great deal of the food shipped to our fighting men must be in tin cans. And tin is scarce, and getting scarcer. So, unless you save used tin cans, unless you prepare them for salvage, there may not be enough tin available for packing food for the Americans who are fighting your war, overseas.

The next tin can salvage collection drive takes place this Saturday, March 13. Have every used can on that salvage pile. The tin drive may save a relative, a friend, or a neighbor boy, from hunger in a foreign land.

With the Boys in the Service

ROBERT HURLEY, son of Mr. and Mrs. William Bedford Hurley of N. Ward boulevard, left last Saturday for Fort Custer. A student at the University of Michigan, Bob was affiliated with the Delta fraternity there.

PRIVATE CHARLES F. GEORGI, son of Mr. AND MRS. F. M. GEORGI of Lake Shore road, is home on a 12-day furlough from Fort Riley, Kansas.

The Pointe Parade

ROBERT KUNDINGER, son of Mr. and Mrs. E. A. Rudinger of Bevanville Road, enlisted in the U. S. Marine Corps last Saturday. Bob, who is only 17, graduated from Grosse Pointe High School and was attending Cornell University prior to his enlistment in the Marines.

Bob's brother, Elmer, is also in the service, serving with the Coast Guard on convoy duty.

Ban Students

(Continued from Page 1)

A lot of stuffy people who think it's unfunny to smear your clean windows, throw stones through the plate glass and ruin your goods and your business, in general.

Maybe the school will be generally interested in their education, to erect a shooting gallery in their basement so that 14, 15 and 16-year boys who STILL play with B-B guns, will have an outlet for their little minds. Hi-ho!

New Class in First Aid Handy for Grosse Pointe

A class in First Aid will be started on Thursday, March 18, at Guiton School on Marlborough and Kerby, and will be in session every Thursday from then on from 1 p. m. to 3 p. m.

Mr. Kessler will conduct the classes which are sponsored by the Victory Aids. For registration, please telephone Mrs. Earl G. Gress, Murray 7583. The school is just a half block from the Chalmers bus line, so that Grosse Pointers wishing to attend the class, will find it most convenient.

or I wish I had a dime for every time I've heard people rave about MRS. HAROLD R. BOYER . . .

or I wish I had time to write a personal letter to all the BOYS IN THE SERVICE who have written to thank us for the Grosse Pointe News . . .

'Bring Own Food' Parties Popular

"Bring your own food" parties have been started by a group of Grosse Pointers as the answer to rationing system. Each guest contributes one article of food—and if the hostess is lucky, someone might bring a roast of beef—and then again, some one might not. These informal parties are fun and in these servanless days everyone enjoys 'pitching in' to help the hostess. One of these parties was given on Saturday evening by Mr. and Mrs. Cecil Hobbs of Vendome road. Among the guests were: Mrs. Butler Higbie, Mr. and Mrs. Paul Wendell, Mr. and Mrs. Mason Runney, Mr. and Mrs. Wylie Carhart, Mr. and Mrs. Howard Bennett and the William K. Williams.

A woman tube moulder in a war plant perfected a process in making power tubes that saves valuable material and 400 man hours annually.

BUILD YOUR MENUS around things available!

A STEAK KNIFE cuts through a hind quarter of beef. On one side are the "fancy" rib roasts and tenderloin steaks, on the other the thick ribs and flank steaks.

There is no difference in nutrient values on either side of the cut. On both sides of the knife, the meat is rich in proteins, minerals, vitamins—iron, phosphorus, thiamine, niacin. You don't have to buy expensive cuts of meat to secure these needed food values. These cheaper cuts actually pay you dividends: They are just as healthful, but they cost much less and you save money on your meat bill.

And remember: If you have an electric range or electric cooker in your kitchen, electric cooking makes even cheaper cuts of meat tender. Some of these cheaper cuts may not always be available. But, when you can buy them, they make appetizing and patriotic dishes: BEEF: Round Bone Chuck Roast—for pot roast with vegetables; Flank—bake and stuff, or use for Swiss Steak; Ox Joints—braise with vegetables; VEAL: Breast—bone and roll, or pocket and stuff for baking, or use for stew; LAMB: Shoulder—roast or pot roast; Breast—stuffed and baked, or use in stew; PORK: Spare-ribs, with sauerkraut; Pork Feet—cooked in water, baked or served with vegetables; Hocks—cooked in water with cabbage.

Poultry, fish and seafood (scallops, clams, oysters, shrimp, crab) are excellent for adding variety to your menu. Consult your cook book for dozens of ways of using them. The Detroit Edison Company.

MR. AND MRS. FRANK REBER at the three children, formerly of University place, have moved to their new home on Whitcomb road.

LIEUT. BERNARD A. KOETTER, USNR, who spent the weekend with his wife and children at their home on Meadow Lane, has returned to Chicago, where he is stationed.

MRS. MARTIN E. FARR of Cityview road, will return to her home the end of this month after spending two months at Fort Lauderdale, Florida.

MRS. EDWARD A. WISHPROPP formerly of Kenwood court returned from San Diego and is visiting her mother, MRS. FRANK BREUCKMAN of East Jefferson avenue.

MRS. JOHN VECH of Lakeland avenue has returned from a three week visit in Miami where she was the guest of Mr. and Mrs. Clifton H. Briggs.

ELEANOR BRIDGE, daughter of Mr. and Mrs. OWEN F. BRIDGE of Devonshire road, returned Sunday to Denison University, where she is a student.

MRS. MASON P. RUNNEY and her daughter BARBARA, of University place, left today, Thursday, to spend ten days in Chicago visiting Estlin and Mrs. Henry T. Gage, the former Frances Runney and Lieut. Guy E. Conrath, Barbara's fiancé, who is also stationed in Chicago.

DR. AND MRS. JOHN R. MARSHALL of Lincoln road, are planning a dinner party for March 20, to honor CAPT. AND MRS. F. RHEAM Audubon road. Capt. Rahn, who is stationed at Camp Breckenridge, is expected home on March 15.

The new officers elected are: president, Mrs. Alfred W. Masmick; Recording Committee, and Iley G. Johnson; recording secretary, Mrs. Ellen P. Warburton; corresponding secretary, Mrs. James D. McCrum; and treasurer, Mrs. Fred C. Purcell.

Mrs. Masmick entertained the club luncheon preceding the meeting.

WOODS COMMUNITY CLUB Sponsors Sewing Club

The Grosse Pointe Woods Community Club is sponsoring a sewing group on Thursday mornings from 9:30 to 12 o'clock in the club building at the Parkview apartment house at Ridgeman, under the direction of Mrs. Hugh Jackson and Mrs. William Wood.

Any woman who wish to sew for war causes are cordially invited to join the group on Thursday mornings, beginning March 11.

Unitarian Church Pointe's Club Entertained at Party

Brownell Broadstreet, Jay and Frederic Currie were co-hosts at a supper Sunday evening at the latter's home, 357 Lewiston road, to the members of the Pointe's Club of the Grosse Pointe Unitarian Church and their guests.

The Reverend Merrill Otis Baines, pastor of the church, led a discussion on City Post War Planning.

Ration Board Party Held for Servicemen

100 Turn Out for Event in Neighborhood Club

Zero Temperatures and Mizzards; Many Guests Stay in Place

By BARBARA H. FITCH

The gymnasium of the Neighborhood Club became a veritable red, white and blue Ration Board Saturday night, when the Grosse Pointe Hostess Corps took over its latest Servicemen's Party. The guests signed up for sugar and coffee and were directed to three tables set up in the gym where they matched their coupons with those of the ration board.

In spite of Saturday's blizzard and zero temperature, the men plopped through snowbanks to reach the Neighborhood Club in time for the affair and about 100 were on hand to start the Ball rolling.

The dance committee for this party was an impressive one. It included Robert Wood, chairman, as chairman and Rosemary Heenan, Mary Lou Kerrigan, Natalie McNetney, Barbara Fitch and Alma Hohns her assistants. With the help of Mrs. Pauline Mask of the Club, the committee dreamed up a variety of clever mizzards and games to make the evening one of the most festive the Hostess Corps has yet sponsored.

A definite high spot of the party was the fiber show put on by a group of High School students, including Robert Wood, Crowley and Bruce Peterson, Tom M. Ceed II to perfection. His troupe included Robert Wood, who gave out with some rugged boogie woogle in a piano, two vocalists, Fred Frederic, a vocal trio including Bonnie Ewert, Virginia Collins and Mollie Bester, and some clever ballroom face puff by Jean Loring and Pat Genesman. Not to be outdone by the local talent, several brave servicemen leaped onto the stage at M.C. Crowley's suggestion that they walk around a table with the hostesses—who this time turned out to be an ultra-trendy foursome of Donald, Bill Cook, Bert Siskin and Bob Dougherty.

There was food aplenty, too, spread forth on the graining board by Mrs. Maurice Marr, Mr. and Mrs. Ben Marr, Mrs. George Spickard, Miss Elvina Gros, Miss Jess Lailley and Margaret Knowles.

Mrs. Arthur Hill, chairman of the Devotions Committee, and her assistants, Mrs. Harry Phillips and Mrs. H. M. Quackenbush came through with flying colors.

Collection of household wares throughout the country the month of December, 1941, needed five million pounds of new record but only about third of the goal set in the facts campaign.

Neighborhood Club News

Grosse Pointe Girls' Basketball League: Results of games played Thursday, Feb. 18: Wolves 21, St. Ambrose 16; Gremlins 2, Bantams 0 (forfeit). Results of games played Thursday, Feb. 25: Gremlins 20, St. Ambrose 16; St. Paul 21, Bantams 2; Wolves bye. Thursday, Mar. 4: St. Paul 24, Wolves 22; St. Ambrose High 19, Bantams 9; Gremlins, bye.

Standing of teams:

W	L	Pct.
Gremlins	2	0 1.000
St. Paul	2	0 1.000
Wolves	1	1 .500
St. Ambrose Hi	1	2 .333
Bantams	0	3 .000

Victory Sports Dance: The girls' teams of the Grosse Pointe Basketball League are sponsoring a dance for the club on Friday, March 12. Tickets may be obtained from girls on the various teams or at the club. Don't forget the date, Friday, March 12, 8:30-12:30.

Classes for Girls: Some interesting classes are underway at the club especially for girls including handcraft, sewing, gym and tap classes. Schedules are available at the club.

Theatre Party: A varied program of entertainment was presented at the club on Friday night, Feb. 25, with Don Shirk singing as emcee. The Camp Fire Girls presented a shadow play, a play was put on by Alice Taylor and a pantomime sketch was given by Lois Holtz and Patricia Trombley.

The Junior tap class exhibited its routine with fine ability and the senior tap girls performed a very good soft shoe tap. Lois Banta, with her mother at the piano, sang "A Baby's Prayer at Twilight" and Don Shirk sang "Home on the Range". Edgar Sanders, Leroy Guaresimo, Richard Van Tien and Paddy Haas gave an excellent exhibition of tumbling.

The boys, Don Shirk, Edgar Sanders, Leroy Guaresimo and Richard Van Tien and Paddy Haas, decided the proceeds of the theatre party should go to the American Red Cross.

A.O.C.'s: The A.O.C.'s had quite a turnout at their Supper meeting last Thursday night and were delighted to welcome back Theresa Lewis Eichburg, who has been on the West Coast with her husband, and Dorothy Bregnick and Sophie Gruzik. These meetings are held every Thursday night and membership is open to Business girls. Come out and meet the girls.

Women's Knitting and Sewing Group: Calling all women interested in knitting and sewing who would like to join this group every Wednesday morning. To date this group has completed 12 afghans, 2 Red Cross Lap Robes and 50 Air Raid Warning Hats, and one of the members, Mrs. Huber, knitted 100 sweaters. Anyone interested in contributing their efforts to this worthwhile group are requested to call Mrs. Donald Corey, NI, 2572 or the Neighborhood Club, NI, 4600.

Dr. and Mrs. Edmund J. Lee Are Guests From Virginia

Dr. and Mrs. Edmund J. Lee is the headmaster of Chatham Hill in Virginia, arrived on Monday to be the house guests of Mr. and Mrs. Raymond Dykema of Lakeside avenue, for the weekend.

Mrs. Dykema invited a number of the alumnae of the school and their parents, for tea on Monday afternoon. That evening, Mr. and Mrs. Halldoran Elmie honored the guests at a dinner in their home on Ellahi place.

Tuesday, before the Lees left, Mrs. John G. Mateer gave a small tea in her home on Maurice road.

Her Engagement Announced

MISS JANE CHAMBERLAIN, daughter of Mr. and Mrs. George E. Chamberlain of Hillcrest road, whose engagement to Glenn Arthur Kendall, son of Mr. and Mrs. H. H. Kendall of Birmingham, has been announced.

Restricting the use of iron and steel about 22,000 tons of the steel in wood furniture is saved for war use annually.

Pork Shanks on Week's Menu

By BETSY NEWMAN

If it is pork time in your neighborhood, meaning that there is more pork than other meat, try a cheap cut of pork—pork shanks. Cook them according to the recipe I'm giving you today.

Today's Menu

- Braised Pork Shanks
- Scalloped Sweet Potatoes and Apples
- Raw Vegetable Sticks
- Canned Corn
- Wafers
- Chocolate Jelly
- Cocoa
- Braised Pork Shanks
- 2 pork shanks
- Water
- Hat fat

Simmer in water for about 45 minutes and remove skin. Brown in hot fat in heavy kettle or baking dish, add 1 or 2 cups water, season, cover and cook in medium oven for about 2 hours or until tender. Serves 4.

Scalloped Sweet Potatoes and Apples:
3 medium sized sweet potatoes
1/2 cup sugar
1/2 teaspoon salt
4 medium sized apples
3 tablespoons margarine
Cook sweet potatoes in boiling water until tender, skin. Cut potatoes and apples into slices, and place in alternate layers in greased baking dish; sprinkle each layer with sugar and salt, and add a little water. Bake for 30 to 45 minutes, or until apples are soft and top layer is brown. Serves 6.

War-time Need of Home Curfew

By Garry Cleveland Meyers, Ph.D.

On various occasions in this column and from platforms throughout the country I have urged parents to establish in the home a strictly enforced curfew law, to the end that every child up to fourteen or fifteen shall make a bee-line for home as soon as the street light appears.

I have said that if in every community all parents of educational and economic opportunity would effect such a home curfew, the less privileged parents of the world would soon emulate them and juvenile delinquency would decrease rapidly.

Delinquency Increasing

I doubt however whether many parents have taken this proposal seriously. In the meanwhile, juvenile delinquency is skyrocketing. Can you imagine the kind of country we will have if matters go on at the present rate? Will our community and nation be worthy of our sons and fathers when they return victorious? Is it fair to our heroes?

Establish a Curfew

Therefore, I believe the time is at hand for stern measures. Let every hamlet, every town, every city in our land establish and rigidly enforce a curfew law to the end that any youngster under fifteen found on the street after dark unaccompanied by an

adult must have an excuse from his parents.

No use, of course, to have a curfew law until there is sufficient sentiment in the community for its enforcement.

Community Protection

In any event, if the children are to be protected and juvenile delinquency and crime checked, good parents, members of churches, P.T.A.'s and civic clubs are primarily responsible for setting the example by effecting a curfew law in their own homes.

We parents should consider ourselves unpartisan unless we make this contribution to the character and citizenship of our children, community and nation.

Solving Parent Problems

Q: My little girl three years old won't sit still long enough for me to read to her.

A: Keep trying. Show her the beautiful pages of a well-illustrated story book. While she looks at them, read about what the pictures say. Also soon as she loses interest, close the book and put it away but bring it back later. Keep patiently at this. You may have a selected list of books to read to the baby or young child by writing me in care of this paper enclosing a self-addressed envelope with a three-cent stamp on it.

Two Madison, Wis., daily newspapers have abolished their Sunday comic sections in order to save paper.

America, as well as Grosse Pointe, can well be proud of this four-year-old girl, whose outstanding patriotism should be an inspiration to all young women.

Last April, she joined the A.W.S., and worked about five days at all summer at the Jefferson Beach Hanger, recruiting for the Air Corps. Weekends, she never signed up less than 200 men for Army. In November, she started working at general office girl at Briggs Manufacturing Company—and during her lunch hour, sold stamps and bonds to the workers, who hadn't time to buy any other way.

About two weeks ago she enlisted in the WAACS and was in on Tuesday, March 9. She expects to leave for duty sometime in the next two weeks.

She attended Grosse Pointe High School and belongs to the Clair dramatic club of G. P. The theatre is one of her favorite times and she has taken parts in many of the plays produced by clubs.

She loves all outdoor sports, rides, plays badminton, and fences. Her favorite subject of conversation is her fiancé—Capt. Edwin A. of St. Louis. Capt. Doss has participated in fifty flights—has 2 years of age and a graduate of Randolph High. Last week, she heard word that her fiancé was one of six Americans who received Distinguished Flying Cross while in Australia. She doesn't know he is now, but they expect to be married when the war is over. He is the son of the Rev. and Mrs. H. W. Doss.

She is proud of the fact that she passed her physical test for WAACS—one hundred percent—and believes it is due to the fact that she has always been active in outdoor sports. She doesn't "fancy" clothes and is very happy in the uniform which she is so used of and which she wears so well.

She is Miss Lorraine Rethorst of Nuff Road—and we're all proud of her.

P. S. "Good luck, Lorraine—to you and Capt. Doss!"

CAT TALES

For generations, people have been arguing about I. Q. of cats, who are frequently described as less intelligent than dogs. It is supposed to be the result of their long eyes and their ears, which are supposed to be the front of their lack of mental ability.

Now, however, it has been proved that cats are as intelligent as dogs. How that is, the fact is that we have been asked to do a series of tests on the intelligence of cats. The results are as follows: cats are as intelligent as dogs, but they are not as intelligent as cats to those who favor the dog.

It is known that cats are intelligent and amusing stories about them are plentiful. If you are interested in reading about them, you will find them in the following book: "The Cat" by the author of "The Dog" at the cat—if possible.—The Kitter

MR. DICKENS

Mr. Dickens, or rather, Mr. Dickens, arrived at the home of his owner, Mrs. Theodor D. Bush, during the first week in December. Mr. Dickens was ten weeks old and the gift of Ethel Linden, who is the flower shop next door to the house. He has a beautiful coat of white with a beautiful red bow around his beautiful neck.

Mr. Dickens is not very old. He hasn't yet caught on to the knack of keeping himself as he as he really is—but it is that he will learn, because that is the food of water—as his first food of water—as his first food of water—as his first food of water.

Mr. Dickens is not very old. He hasn't yet caught on to the knack of keeping himself as he as he really is—but it is that he will learn, because that is the food of water—as his first food of water—as his first food of water.

DESERVED!

RICHLY DESERVED by employees, foremen and superintendents of the Ford Motor Company Aircraft Engine Division, is the Army-Navy "E" that will fly most high at Dearborn Friday.

DESERVED by the men and women of the employee staff for their attainment of excellence in very delicate and demanding work.

DESERVED by the supervisory staff for unceasing work in ironing out the endless problems that arise in every new and formidable undertaking.

The Ford Aircraft Engine Division makes engines that put American airmen into the air; it trains Army Air Force technicians to service those engines and keep our airmen in the air.

The work that passes through this Division goes directly into military combat service throughout the world.

It must be good. It must be safe. And it is. It must go out to our airmen on time. And it does.

Because of this achievement by our workers, foremen and superintendents, the Army-Navy "E"—awarded for excellence—waves above their heads.

One of the greatest success stories of 1942

About a year ago, America was being asked to increase, substantially, its investment in War Bonds.

And no one knew, definitely, just what America's answer to that plea would be. Today, America's answer is clear—written down in black and white for any one to read. And the reading makes as heart-warming and inspiring a story as anything that has come out of this war. Here are some highlights...

In December 1941, there were 3½ million Americans who owned War Bonds. Today, there are over 50 million. A year ago that figure would have seemed fantastic. There is nothing in all history to match that record. Never before have so many people owned such a tremendous stake in their nation and its government.

In December 1941, some 700,000 people were investing about four and one-half percent of their earnings in War Bonds

through the Pay-Roll Savings Plan. Today, the 700,000 has swelled to 26 million—the four and one-half percent to nine percent. The MONTHLY investment in War Bonds through the Pay-Roll Savings Plan has grown, in one year, from 8 to 400 million dollars.

Figures like that need little comment. They tell, better than any words, what happened when a free people decided among themselves to lend their government money. Money to help pay for fighting equipment—money to help keep prices down—money to insure peacetime goods and peacetime jobs and a generally decent world to which our fighting men can return.

Peacetime goods and jobs? A decent world? Think what 12 BILLION dollars' worth of War Bonds owned by Americans *right now* can mean in buying power to be released in the years after the war is won. Buying power that can set factories

full of men to making millions of cars and radios and washing machines. Buying power that can set multitudes of other men to building a million new homes for impatient owners. Buying power that can mean better, richer living for every one of us.

And that 12 billion dollars is only a beginning.

For what we have done in '42 to win this war will not be enough to do in '43. Our whole war effort must be expanded. Not a one of us but knows that in the year ahead we must send more men—we must do more fighting—we must build more planes, more ships, more guns—more everything.

And to do this, we must buy *more and more* War Bonds.

Enough more so that when the record is in for 1943, America's War Bond buying will once again be one of the greatest success stories of the year.

You've Done Your Bit  Now Do Your Best!

Among Pointe's Beautiful Buildings

The Grosse Pointe Memorial Church on Lake Shore road is equally beautiful in summer with its vine-clad walls as it is in winter when there is snow on the ground. The church boasts a membership of over 1700 persons and an Honor Roll of 132 men and two women. W.A.C. and a W.A.V.E. The Rev. Dr. Frank Pitt has been the pastor of the church for the past ten years. The edifice was dedicated in May 1927.

News From Pointe's Elementary Schools

MASON SCHOOL
The Boys' Safety Patrol has been recognized this semester. Some replacements and revisions were made necessary by the 6A class going to the junior high school in February. The retiring leaders of the patrol were: Jack Rowe, captain, Dick Nightingale, co-captain, William DeFave, 1st lieutenant, and Wallace Swayne, 2nd lieutenant. Newly elected officers this semester are: Kenneth Kroll, captain, Gary Morehouse, 1st lieutenant, Burl von Allmen, 2nd lieutenant, and Bruce Harrington, lieutenant of the Schoolground Patrol. The Schoolground Patrol is a new organization operating under the Regular Safety Patrol. The duties of these boys consist of assisting on the playground during recess and noon. New members of the patrol are Donald Wallace, Teddy Stahl, Gerald Bell, Jack DeWitt, John Gallagher and Roger Maire.

In their recent study of the art of beauty as a contribution to a better and richer way of living, Mr. Hick's 8A pupils invited five visitors to the classroom who talked on different phases of this unit. Mr. William Watkins, director of music, made a very interesting talk to the class on the subject, "How to Appreciate Music." The class also invited Mr. Donald Horton, director of the Point Players at the Grosse Pointe High school, to explain how the stage and theatre had contributed to our appreciation of beauty. Mrs. Alice Gittins, instructor of art at Mason School, gave a short talk on "The Value of Art in the Appreciation of Beauty." Mr. Clarence J. Messner, principal of Richard School, talked to the class on the topic of "Beauty in Nature." Miss Ethel Tucker, principal of Mason

Principal of Trombley, stated, "The Cubs of Pack 84 and the Puck Committee that provided the impetus for the campaign are to be highly commended for rendering an unselfish service to their country and to their fellow-men."

DEFEER SCHOOL
The mothers of new students in Defer School were the guests of honor at a tea to be given by the P.T.A. on Tuesday, March 9, 1932. Assisted by the room mothers, the teachers held open house from 1:30 until 2 p. m. The program for the afternoon followed immediately in the school gym. Through the generosity and interest of Mrs. Charles Lau of Berkshire road, some interesting movies taken in Old Mexico were shown. Also on the program was another talented member, Mrs. Joseph Hunter of Brys Drive, who sang several selections. Arrangements for the program and tea were under the direction of Mrs. John Leverenz, Mrs. Donald Hollister and Mrs. Wallace Lamb.

RICHARD SCHOOL
The next meeting of the Richard School P. T. A. comes on Tuesday evening, March 16, Forest Hall, the program chairman, has provided an excellent program. Mr. Welsh of the Automobile Club will speak on "Unforgettable Things, Persons and Places over the United States" and Mr. Elliot will show slides of our national parks. Parents are invited to visit the rooms from 7:30 to 8:15. The Junior Red Cross, under the able directorship of Elsiea Nealt, is now getting ready for its annual campaign of raising money. The date is March 22. School was closed on Friday, March 4, in order to enable the teachers to attend the Tri-City Institute. This teachers' meeting, which has been an annual affair for several years now, is participated in by Highland Park, Hamtramck and Grosse Pointe. Marjorie Norris of Richard is chairman of the afternoon session.
