# Net Tournery Sets Record For Entries

Former Grosse Pointe High Netters Dominate Play at Neighborhood Club

By FRED RUNNELLS  
The Grosse Pointe closed Tennis tournament, held recently at the Neighborhood Club, provided recreation and entertainment for 268 enthusiastic competitors, thus establishing a new record in the midwest for this type of tournament.

Miss Pat Kronner, of 17505 East Jefferson, a recreational student in college was the promoter of the event and was ably assisted by Sally Ware. It was Miss Kronner's first attempt at staging a tournament. Pat got the idea from Lawrence Westerville, tennis coach at Grosse Pointe High, who "staged" a tournament last summer at the high school courts.

Westerville was unable to hold his tournament this year because of other business and when Miss Kronner learned of this she decided it would be a good time to try her hand at promoting tennis in the Pointe.

The enthusiasm displayed by people in the Pointe has Miss Kronner toying with the idea of making her tournament an annual affair, because she believes Pointers want tennis in a big way and wants to do everything in her power to make Grosse Pointe one of the greatest tennis centers in the United States. If Coach Westerville takes heed we can have two great tournaments each year and possibly in the near future a tennis club can be formed. If this can be done, there is a possibility that Pointe officials will see what Pointe residents want and give a helping hand in that direction financially.

The Grosse Pointe Board of Education has taken preliminary steps in this direction by building four new courts on the high school athletic field this summer and more courts could be built if the public demanded them.

Former Grosse Pointe High School tennis players dominated the finals of Miss Kronner's tournament by winning three of the five events. "Butch" Skau and Jim Kennedy, both high school players, held their spectators spellbound while they battled it out in a five set match for the title of the Men's division. Skau won the first two sets, 6-3, 6-4, but Kennedy bounced back to take the next two sets, 6-1, 6-4, and even the match. The last set was one of perfect placements with Skau finally winning, 8-6.

Four members of this year's State Championship high school team from Grosse Pointe High were involved in the men's doubles title. Hank Kuhlman and Ernie Wagner dropped the first set, 6-1, to "Butch" Skau

and Jim Kennedy but turned on the pressure to take the next two sets, 6-4, 6-4, to win the doubles title.

The mixed doubles event created much interest, and provided spectacular play. Betsy Crane and Hank Kuhlman won this title by defeating Pat Kronner and Jim Kennedy in straight sets, 7-5, 8-6.

Tom Willson won two medals when he won the boys singles from Dan Guy, 6-4, 7-5, and then teamed up with Lloyd Murray to defeat George Kennedy and Dan Guy in the doubles, 6-3, 6-2.

Sue O'Leary duplicated Willson's feat by winning the women's division title defeating Dorothy Crane in three sets and then teamed up with Nancy Jones to trounce Joan Bergeaun and Virginia Beach in the women's doubles finals, 6-4, 5-7, 6-3.

# War Chest Needs More Volunteers

The Community War Chest needs volunteers to help with the annual campaign. Two kinds of campaign workers are especially needed: canvassers and team captains. Canvassers go from door-to-door and seek contributions from housewives, retired persons, small business places and the like. Team captains organize the canvassers, assign blocks, distribute campaign materials and make reports on progress of the campaign. All volunteers can work in their neighborhood.

Even though soliciting is not always easy, more than 20,000 Detroiters volunteer to do this type of work each year for the War Chest drive. Nearly everyone who works at it gets a feeling of satisfaction for having participated in a really worthwhile enterprise. It is also a way to meet your neighbors as well as fellow campaign workers.

# False Accident Alarm Finds Sailor on Spot

False fire alarms are fairly common in the Pointe, but false accident reports are something new.

The Farms police received a call early Sunday morning, advising them that there was an auto accident on Grosse Pointe boulevard.

An investigation uncovered a sailor in a car being pushed by another car. Just engine trouble. Or maybe it's an accident when a sailor gets into a car instead of a boat.

# FM Radio-Telephone Service For Boats Is Being Tested

The Michigan Bell Telephone Company today announced the inauguration of experimental FM ship-to-shore radiotelephone service at Detroit.

On the authorization of the Federal Communications Commission, tests will be made until the end of the navigation season to determine the possible advantages of FM service over the regular AM ship-to-shore operations. The latter service continues in operation while the experiment is in progress.

Results of the experiment will be reported to the FCC to help it determine the future uses of very high frequency broadcasting. Frequencies of 37,580 kilocycles are used with a range of about 50 miles. The regular service employs frequencies of 20,000 to 30,000 kilocycles.

Transmitting and receiving equipment is installed atop the Bell Building in Detroit. Similar equipment has been installed by telephone companies in Chicago and Lorain, O. The Lake Carriers' Association is equipping 30 ships to send and receive messages and the U. S. Coast Guard units at Detroit, St. Clair Flats, Port Huron, and Sault Ste. Marie also are cooperating in the experiment. The equipment can be connected with the land-line telephone network, the same as the existing service.

# Planned Parenthood Launches Big Drive

Campaign Being Conducted to Raise \$24,440; Many Pointe Women Taking Prominent Parts

The Annual Fund Raising Campaign of the Detroit League for Planned Parenthood opened Monday, September 10, when board members met at the League office, 401 Park avenue Building, Detroit, for their regular monthly meeting and for final discussion before solicitation begins.

Grosse Pointe women are prominently represented on the fund raising committee, which is headed by Mrs. Joseph B. Schlotman. Mrs. William K. Muir is chairman of special gifts and others on the committee include: Mrs. Chisholm Macdonald, treasurer; Mrs. H. Hunter Williams, publicity; E. P. Wright, auditor; and Mrs. J. Howard Stephenson, chairman of the state fund raising committee.

Other board members who will be soliciting funds include: Mrs. Harry W. Kerr, Mrs. Wallace M. Jensen, Mrs. J. Stewart Hudson, Mrs. Charles H. Symington, Mrs. Henry E. Bodman, Mrs. Harley Earl, Mrs. Emory M. Ford, Mrs. John Garlinghouse, Mrs. David Gillis, Mrs. Henry H. Hubbard, Mrs. Ledyard Mitchell, Jr., Mrs. John H. Potter, Mrs. Ross Wilkins, Jr.

\$24,440.00 is the goal of the Detroit League for Planned Parenthood, part of which will augment the running expenses needed by the Mich. League for Planned Parenthood, which is conducting its drive for \$48,763.32 in conjunction with that of the Detroit League and those of the eleven other cities throughout the state.

At the September ninth meeting of the Detroit League for Planned Parenthood, the Honorary Chairman, Mrs. James F. McEvoy, pointed out that the \$24,440.00 needed this year is double the amount contributed

last year. "This is because the program must be expanded to meet the problems of family adjustment which we face with the return of our service men," she said.

Mrs. William K. Muir reminded fellow solicitors that funds must be raised to maintain the Detroit League's three clinics at Harper Hospital, Women's Hospital and North End Clinic. A clinic report, read by Mrs. McEvoy showed that last year 1,148 married women made a total of 2,514 visits to these centers. Mrs. McEvoy pointed out that the Detroit League is also working with doctors, nurses, social workers, clergymen and other groups to make Planned Parenthood services an integral part of other local maternal health and welfare programs.

Mrs. Muir said, "The amount being sought in the Planned Parenthood campaign for 1945 includes maintenance of the League's Health Centers, but much that needs to be done must be done on more than a local basis. The state-wide work in educating the public, gaining co-operation of the medical profession, government health agencies and other groups, is also essential to what is being accomplished locally. It is hoped that those who receive this appeal will gauge their generosity to the greatness of the need."

# Neighborhood Club Seeking To Fill Need of Residents Of All Pointe Communities

Program Offered by Center Includes Activities for All Ages With Wide Range of Facilities

Neighborhood Club hopes to enroll every interested boy and girl in the Grosse Pointe Communities as a member of the Neighborhood Club. It wants you to belong; no matter what your age.

Membership for young children through 15 years of age is 25c a year. Young people from 16 years of age through 20 years of age membership is \$1.00 a year. Adults and all persons 21 years old and older pay \$3.00 a year for a membership.

Membership entitles the member to participate in all activities planned for the age group of the member. For small children there is the well equipped and supervised play ground with its swings, sand box, wading pool, teeter totters, jungle gym, and monkey bars. For older boys and girls there are five baseball diamonds, a football field, paddle tennis courts, and acres of play space. Older folk will enjoy the tennis courts as well.

Indoors members can enjoy badminton, basket ball, gym classes, ping pong, pool, billiards, showers, reading room, and games room.

Organized groups and classes will help the member enjoy handcraft gym, tap dancing, dramatics, Campfire Girls, Boy Scouts, social clubs, and other interesting activities such as evenings before the Club fireplace roasting hot dogs, popping corn, or making candy.

This year Neighborhood Club would like to be the meeting place and social center for married groups, returning service men, business women's groups, and all adults interested in using Neighborhood Club facilities. Adults can enjoy badminton,

tennis, basket ball, pool, billiards, cards, the gymnasium, showers, ping pong, and the reading room.

Miss Pauline Masak, Director of Group Activities, is always at the Club to help folks plan their programs, entertainment, or activities.

Miss Masak hopes to find enough adults interested in Square Dancing, Western Dances, and Folk Dancing, so that regular dances of this type can be held during the Fall and Winter. Anyone interested in participating in a group of this kind is asked to phone Miss Masak at Niagara 4600 and exchange ideas with her. Can you call a Square Dance? Do you want to learn how to Square Dance? Just get in touch with Neighborhood Club.

September 18, 1945 at 9:30 in the morning will be the beginning of the Fall Millinery Classes at the Neighborhood Club. This year the advanced group will meet in the mornings from 9:30 until 11:30, and the beginners' group will meet in the afternoons from 1 until 3.

Mrs. Irene Sutton of Grosse Pointe Woods will again be the instructor. Neighborhood Club is indeed fortunate to be able to offer its millinery classes the services of Mrs. Sutton.

Fall millinery styles are radically different this year so old hats will be remodeled and styled. Face contours will be studied and hats designed to bring out best features. Professional millinery stitches and methods will be taught.

### Maggy Makes Nice Haul Tom-Toms for Virgin Islands

by mary madison

#### MAGGY'S FIVE MINUTE DIARY

It seems I have five minutes between shooting pix for dear Gilbert Adrian out here in Girltown for the plush mags. So I thot I ought to shoot off my gold and diamond fountain pen again, that one of my Beau Bunnels gave me to write down everything that happens to her, or NEARLY everything.

Men, men, men. I thot I could read them like bankbooks, till I met this wonderful William Sea, planning out her from New York. And now I know that Harry Truman is right even is he is President when he says the things that count are what you learn after you think you know it all.

I mean this rugged rancher William Sea jumps on the plane at La Guardia Field looking more like Gary Cooper than Gary himself the last night I saw him in that midnight blue tuxedo at Mike Romanoff's. Mr. Sea's cowhide skin was battered up like his luggage which turns out some British explorer left in his ranch in Nova Scotia twenty years ago and never picked up so far. So William Sea borrows it to do some exploring himself. Because it seems the British government has struck uranium all over the ranch. So they up and buy it by giving William Sea most of the Bank of England as the first low down payment. Because it seems uranium is used in atomick bombs.

So William Sea says as how now he is one of those big biz typhoons TIME is always writing up. So it turns out one of his battered up cases is practically a flying bar. But as I only take soft drinks, I am sipping champagne like pop all the way out here. Well, when I tell William Sea I am coming to Beverley Hills to pose for fashion stills of Gilbert Adrian's new fall collection, why he asks can he pullease watch me pose and order the collection for his wife. So I ask what size would his wife be and he says just like me.

Dear Gilbert Adrian lets him on the set while I model all the gowns which knock out William Sea like one of his own atomick bombs. All the Beverly Hillbillies are mad, mad, mad about the gowns and all the press services, even the A. & P. carry the flash that Adrian is making LONG skirts and everything is STRICTLY Colonial. Only it is more George than Martha Washington with gold braided satin jackets and rakish tricorne hats like you see in the pix of the old masters and mattresses. And there are NO dolman sleeves and NO doll waistlines and NO carbon copies of Paris, because Gilbert Adrian is original-as sin.

So William Sea really goes off his rocker when I model the prize of the collection, a dream of a dress of pale gray chiffon that swirls around my curves like smoke and floats away below the ankles. So he tells dear Gilbert Adrian that if he can have that pix to remember me by as his Dream Girl why he will give Gilbert a check to remember him by.

Well, you could have knocked me over with a feather bed when he goes into a huddle with Adrian and shakes hands and walks off the set because dear Gilbert comes over to me and says, Well, baby, it's all yours. He's bought you the whole collection, hook, line and sinker. So then he hands me a note William Sea leaves for me and here is what I read.

Dear little Maggy, when you asked me what size my wife would be I sed just like you because she would if I had a wife which is one thing I have not got or has not got me. So you wear the Adrian clothes in her place, Maggy. And just before I bunk at night I will fill my pipe and see you in the smoke in that gray smoke gown. I am old enough to be your grandfather but I don't FEEL like your grandfather. I have just heard there are more than sixty million women in this country, and I will take the sixty million, even if I would rubber of bad you.

William Sea.

#### OMNIA ET TRIVIA

(Being All or Nothing at All)

ANENT our prophetic blurb that art, drama and letters are going in for the post bellum pursuit of happiness, The New Yorker heads its book review section with an article by John Lardner on that little Empty-Pocket-Books classic "Scarne on Dice" . . . and as we were scanning same in the interests of literature, we were caught by a fabulous little drummer in town en route to the Virgin Islands, where they're about to add publicity tom-toms to those of the natives, with millions of beautiful New York money . . . turning those isles into an American Bermuda. The first business being a change of the Virgin Islands chaste connotation, our suggestion was they get in touch with Noel Coward who did such a brisk job on Gertrude Lawrence's wedding with his cable:

Dear Mrs. A: Hooray, hooray  
At last you are deflowered,  
On this as every other day  
I love you—Noel Coward.

VOGUE does a vague summation of this season's college clothes by asserting the college wardrobe has "jelled". We thot it had "jammed" until the ballet theme, on which we'd been strumming a year, hit the kiddies so hard the sweater now becomes a ballet shirt and the kilties a rehearsal skirt . . . The spotlight is on legs, legs, legs. The only kick he'll get out of those new nylons is the kick you put in 'em!

### Eastern Girl to Marry Lt. Gage

Grosse Pointe prominents highlighted the week's romantic news with the announcement of the marriage of Frances Jackson Napier, of Chattanooga, Tenn., to Lieut. Henry Thurston Gage, USNR, son of Mrs. Alexander K. Gage, of Rivard boulevard, and the late Mr. Gage.

Los Angeles was the setting for the simple ceremony which united the young couple on Saturday, August 4. The bride will make San Francisco her temporary home while Lieut. Gage returns for duty in the Pacific.

Co-starring in the romantic headlines was Mrs. Theodora Teal Tufford, daughter of the late Mr. and Mrs. Frank Teal, who became the bride of Major Robert Kirkwood Whiteley, USA, at a 5 o'clock ceremony on Sunday afternoon.

The Rev. Francis Glazebrook read the service, which was witnessed by only the immediate members of the families, at the Lakeland avenue home of the bride. The bridegroom is the son of Mr. and Mrs. Eugene E. Whiteley, of Palo Alto, Calif.

Following the ceremony Maj. Whiteley left with his bride for Chicago where he has been stationed at Gardner General Hospital. Upon his imminent discharge from the Army, the Major and his wife will depart for an extended wedding trip throughout the West. They plan to return after a several months' visit to make their home in the Pointe.

### Miss Yale Weds Maj. Dan Bolger

When Mary Frances Yale received word that her fiance, Maj. Daniel Bolger, Jr., was enroute to the States from Patton's European army, it was the signal for wedding plans to start. Hence the young couple were married in Christ Church Chapel at 4 o'clock Saturday afternoon, with a small reception in the Whittier after the ceremony.

Mary Frances is the daughter of Mr. and Mrs. Frank Willis Yale, of Lakepointe avenue, and the major's parents are the Daniel I. Bolgers, of Philadelphia, Pa.

Tiny seed pearls adorned the bridal gown of white silk jersey. It was floor length, and with it she wore a small white hat and carried her mother's prayer book from which cascaded white orchids.

The maid of honor, Crystal Chapoton, was gowned in a gray crepe dinner dress with a matching hat. Her flowers were pink carnations and blue delphinium.

Ralph Roland came from New York City to be Maj. Bolger's best man.

After a few days in Northern Michigan, the newlyweds will continue their wedding trip East.

The major served in Europe for two years.

### Subscription Party Held by Servicemen

Punch and Judy Scene of Sunday Afternoon Party Planned by Captains Kinzie and Duffy and Lieut. Keane

Concurring leaves for three local army officers netted the Pointe its first large post-war party Sunday afternoon, when the Punch and Judy cocktail lounge overflowed with good-will and merriment.

Capt. Ken Duffy and Capt. Henry Kinzie, arriving home after three years Pacific duty, met up with their old friend, Lieut. Bill Keane, just back from Patton's European army, and the trio promptly put their heads together. To share their joy in the war's ending, they devised a subscription party with music and food and fellowship.

A contingent of 90 Pointers rallied to the festive suggestion, and the boys' dream overseas became a reality.

From 5 until 9 the frolickers kept time to the rhythm of a four piece orchestra hired for the party by Seaman John Park, recently discharged from the Navy.

The soldiers asked Mrs. Glenn Anderson to act as hostess and preside over the buffet luncheon.

### Anniversaries Aplenty At August Ledyard Home

There were gay goings out Lochmoor boulevard way last week at the August C. Ledyard home.

Early in the week, son Skipper was the man of the hour as he added another year to his momentous three.

Mr. and Mrs. Ledyard snatched the honors later in the week as they climaxed the week-end with a fete commemorating their fifth wedding anniversary.

The club resumes its regular semi-monthly meetings commencing with Tuesday Evening, September 18 at 8 p. m. in the Club Rooms at the Neighborhood Club. Because of the recent releases of film and photographic paper by the Government, it is expected that the forthcoming season will be the best ever experienced by the Club and its members.

### Kid Bits

By Katie Kalbfleisch

Hello peoples! How's every little thing these fine school days? Don't work too hard over the week-ends now!

Last Friday afternoon JOANIE WILLIAMS greeted her pals at a plenty nice coke party. Andy Klingbeil, Mary Jane Schafer, Louise Mohn, Mary Hudson, Joan Schmidt, Letty and Franny Kretschmar, and Joanie Cronin could all be seen milling around the Williams abode. Barbie Landis, Beth Klaver, Cecily Wade, Joan Wertz, Annie Davis, Janet Reid, Marilyn Smith, Sara Griffith, Mackey Macpherson, Mary Thorne and Markie Smith were likewise busying themselves with the eats and the gab.

Friday night ANNIE DAVIS entertained a few of her pals with a perfectly beautiful turkey dinner! (Who cares about the meat shortage?) Janet Reid, Caroline Orr, Joey Morrison and Marilyn Smith were the lucky little gals in on the eating!

PEGGY and JIM DUFFY hot-footed it into town last week from their new home in the East to stay with their aunt for a few days. CAROLYN TAYLOR had most of Peg's old Country Day classmates for lunch one noon, and ISEY BAXTER entertained for Jim.

JOHNNY WORCESTER and BOB FISHER arrived home last week-end just long enough to say hello and good-bye to the old gang before going back to the Navy grind.

Gals are running right and left getting off to college. TADA PENOYAR and LOIS GEHRIG pulled a fastie and left us last week for Denison. From the looks of things Western College in Ohio may be entirely G. P. gals. MOLLIE LESTER, JUDY STUCHELL, and ALICE CRABB are old timers down that way, but BIXIE MITCHELL, JANIE HERON, JOANIE TERRY and MARGE GRANSE are going through their freshman week.

KATHY STUART will be one of the Kalamazoo freshmen after Sunday, but JACKY BOWEN, MARY LOU GULLBERG and JOAN STUART will be around to lend a helping hand. LIZI MURPHY and MARY LOU McGRANE have shoved off for Stevens. PAT JEROME will haunt the halls of Smith with DOTTY WALTON and BETSY CRANE right there with her.

JAN McMILLAN still has her high school days to finish, but she's left the old homestead to do her school at Madiera. PEGGY BOOK, SALLY THOMAS and MARION WILBUR will start for Rogers Hall the first of next week.

BILL MURPHY and ROGER FITCH will settle out at Fountain Valley in Colorado again for their readin', writin' n' rithmetic.

### Girl Scout News

Well girls—how about getting those uniforms out of the closets, and polishing up your badges? It's time for the opening of our fall season, and September 17 is the date for Girl Scouting in Grosse Pointe to get under way. So far, most of us have only been acquainted with scouting during war-time. Now, we will have the opportunity to learn the tremendous job that Girl Scouting has in helping to build peace.

After next Tuesday, September 18, any Grosse Pointe leader will be able to tell you what's cooking. For on that day, at 11 o'clock, our troop leaders will gather at the foot of Grand Marais (courtesy of the Grosse Pointe Park Commissioners) for a leaders' cookout. Reflector baking and tin-can cookery will be emphasized, and the precise menu will include biscuits (baked in the reflector ovens), pancakes (cooked on tin-cans), pioneer drumsticks, angels-on-horseback, and for dessert, mock angle food cake, baked on sticks.

By the way, will all leaders who intend to be at the cook-out, please call Mrs. Lynn O'Brien, L.E. 3807, by September 17.

Home makers want floor coverings that are practical. Well, do they know that soil, wear and cleaning are hard on ordinary type of floor coverings?

From years of experience, we can truly say that Oriental Rugs are the only kind of floor coverings that can take the punishment they receive: Because they are made up of choice wool and dye; because they are woven by hand; because they are made with figured patterns; so they are made to endure. That's why they are luxuriously practical; that's why they retain lasting beauty and value.

### 55 Methodists At First Service

The Grosse Pointe Methodist Church held its first service in the Kerby School last Sunday. There were 55 present and great interest was manifested in the work of the church. Dr. J. Adolph Halmhuber brought the message

of the morning on "Beginning With God." The Rev. Hugh C. White, Minister, was in charge of the service.

This coming Sunday, the Rev. Hugh C. White will preach. The Sunday School Hour is at 10 o'clock for the older children, young people and adults. The worship service is at 11 o'clock during which time the beginner's and primary departments of the

Sunday School meet and a nursery is provided. The Methodist Church has acquired a building site on Moross between Kercheval and Ridge.

### Bergner Coming To Cass Theater

After captivating the hearts and imagination of Detroit theatre patrons last season, Elisabeth Bergner, the famous international stage and screen star, will again bring her noteworthy success, "The Two Mrs. Carrolls," to the Cass Theatre for six days beginning next Monday evening, September 17.

Presented by Robert Reud and Paul Czinner and written by Martin Vale, a nom de plume for the widow of the late Bayard Veiller, noted playwright and author of "The Thirteenth Chair" and "Within the Law".

"The Two Mrs. Carrolls" is a melodrama of attempted murder against a charming pre-war background (designed by Frederick Fox) in the South of France where Geoffrey Carroll, an English artist, and his second wife are occupying the Villa La Vista. It depends for its mounting suspense on the facility of the actors and the great skill of the stage director. Since Reginald Denham, an old hand at this sort of English drawing room horror story, directed it, Miss Bergner and her supporting company are truly excellent. "The Two Mrs. Carrolls" stirs up tremendous and suspenseful excitement over the plight of the second Mrs. Carroll before her ordeal is over.

The producers of "The Two Mrs. Carrolls" have equipped the play with two most attractive stage settings and have surrounded Miss Bergner with a company of more than ordinary excellence. It should prove one of the truly pleasing theatrical attractions of this city's present season.

The talent of success is nothing more than doing what you can do well; and doing well whatever you can do, without a thought of fame. Everybody finds out, sooner or later, that all success worth having is founded on Christian rules of conduct.

### Pointe Yacht Club to Stage Long Distance Race Sunday

Seventh Annual Running of Sailing Event Expected to Draw Big Entry List; First Boats Start at 11 a. m.

The Grosse Pointe Yacht Club will stage its seventh annual Long Distance race, "The Fresh Water Blue Nose", for the WJR trophies next Sunday, September 16.

The course will be triangular, with one marker located at approximately the center of the lake and the northerly one approximately one mile west of the entrance to the Old Channel at the Flats.

The WJR trophies will be for the 8 Meter, Racing Cruising and Cruising classes. Commodore Charles W. Beck has donated a trophy to foster interest in the 6 Meter class and the Manfred Burleigh silver bowl and tray will be for the yachts sailing under the Universal Rating.

V. C. Young, vice-chairman of the Race Committee, announces that it is felt this will be the last of the shorter races and that next year the club can go back to its original long distance course.

Tore Franzen is chairman of the race committee, with other members including Charles W. Beck, William Fors, Charles M. White, Jr., Ward H. Peck and T. W. Fredericks. Commodore Peck is also chairman of the judges. The races will get under way

between 11 and 11:20 a.m. and there is a time limit of 10 hours.

The man who's always watching the clock will never be the man of the hour.

LIEUT. CHET SAMPSON of 87 Hawthorne road is back in the Pointe after spending more than three years in the South Pacific theater of war.

Chet landed in New York on August 14, the first V-J Day, on the first boat to dock from the Pacific after hostilities ceased. He came in from Leyte Gulf in the Philippines, where he left on the day Admiral Halsey sailed with his fleet for the attack on Japan.

Lieutenant Sampson spent a year in Australia and a year in the Aleutians before going to the Philippines. He was in charge of furnishing entertainment for all troops in harbor and one of his most interesting experiences was

taking a troupe of sailor showmen into Mindoro to entertain guerrilla fighters with Japs only a few hundred yards away from the improvised stage.

After a 30-day leave in the Pointe, Chet will report to New York to take up an assignment organizing show troops among the sailors, to operate out of Naval bases and hospitals all over the country.

LIEUT. (j.g.) JOHN H. SHERMAN of 1027 Cadieux road, is on active duty with Service Squadron 10 in the Western Pacific. The squadron operates a fleet of supply and repair ships in sup-

months in the Pacific area, in the Hawaiian Islands, in New Guinea, on Morotai Island in the Netherlands East Indies and in Northern Luzon. Cpl. Pisano wears the Combat Infantryman's Badge, the Good Conduct Medal, the Asiatic-Pacific Theater Ribbon with two battle stars and the Philippine Liberation Ribbon with a battle star for Luzon.

PVT. ALBERT C. DICKSON, JR., of 383 Washington road, has finished his basic training in the Army Air Force at Sheppard Field, Tex., where he qualified for the study of cryptography in the communications division of the Intelligence Service.

While awaiting assignment to a cryptography school, he has been shifted to Fort Dix, N. J. for temporary duty and hopes to be able to get home on a three day pass this week-end.

On the USS Shangri-La in Tokyo Bay — LEONARD L. LENDZION, JR., aviation machinist's mate, third class, 1692 Severn road, Grosse Pointe Woods, Mich., is serving on this aircraft carrier, which is part of the powerful Pacific Fleet completing the first stages of the occupation of Japan.

Under the operational control of Admiral William F. Halsey, USN, the Shangri-La, with 10 other carriers, six escort carriers, 12 battleships, 20 cruisers and more than 290 other U. S. ships, is helping take over control of the Japs' big naval bases.

The Shangri-La had a prominent role in the air strikes against the Jap homeland just prior to the surrender.

On the USS Phoenix in the Pacific — STANLEY MARTIN, radio technician, third class, USN, 4992 LaFontaine, Detroit, Mich., is coming back to the United States.

He's a member of this fighting light cruiser which is returning home for overhaul and to give leaves to the crew.

The Phoenix escaped damage in the Pearl Harbor attack, then fought through the New Guinea, New Britain and New Georgia campaigns.

In the battle of Surigao Straits she was the closest heavy ship to the Jap fleet trying to steam through the passage and she shot

it out with the leading Jap battleship — without getting a scratch. At Leyte Gulf one of our destroyers went down and her torpedoes were released accidentally. Two passed ahead of the Phoenix, two astern — and none in the middle.

At Mindoro, the USS Nashville, next to the Phoenix, was hit by a Kamikaze, but not the Phoenix. On the way to Lingayen, two torpedoes and several Kamikazes just missed. At Corregidor and Balikpapan she was straddled several times by big shore guns.

Luckiest of all — after two years in the Southwest Pacific, the Phoenix was en route home when peace was declared.

ENS. GLENN FRIEDT, JR. is now a lieutenant (j.g.). He is the son of Mr. and Mrs. Glenn Friedt of Pemberton road.

ATLANTIC CITY, N. J. — 2ND LT. BRUCE K. BOCKSTANZ of 1320 Grayton road, Grosse Pointe, Mich., has reported to the AAF Redistribution Station No. 1 here after 13 months of service overseas in the European theater of war.

Lieutenant Bockstanz served as a navigator in eight combat missions. He wears the Air Medal.

Before he leaves the Redistribution Station, one of more than a score of AAF Personnel Distribution Command installations handling returned AAF veterans, the flyer will be examined by doctors and interviewed by personnel specialists. While here, he will have an opportunity to go golfing, fishing, and horseback riding and indulge in many other sports and recreational activities. In these surroundings he relaxes easily after his overseas tour and leaves here in top shape.

Lieutenant Bockstanz is the son of Mr. and Mrs. Sidney J. Bockstanz who reside at 1320 Grayton road, Grosse Pointe, Mich.

Entering the service on July 4, 1942 the officer underwent training at Sioux City, Iowa prior to his shipment overseas on May 30, 1944.

AT AN AMPHIBIOUS BASE IN THE PACIFIC — BREWSTER FRANK FAUSONE, seaman, first class, 1555 Wayburn, Grosse Pointe, Mich., is serving with this repair and training base which supplied troops and landing craft

for major invasions in the Marshalls, the Gilberts and at Okinawa.

Carrying a 24-hour, seven-day-week schedule, his unit maintained all types of landing and assault equipment and repair supplies. The base also trained personnel in amphibious communications, minesweeping and camouflage operations.

CAPT. ANDREW B. SPEED, son of Mr. and Mrs. Andrew A. Speed of 575 Lake Shore road, has forwarded his parents a Certificate of Merit, which was awarded him for "exceptional ability and devotion to duty."

Captain Speed, who has been stationed in England for the last two years, is in the Chemical Warfare division of the Army. The citation commended him for his work in supervising and administration in handling hundreds of thousands of reinforcement personnel.

ON THE USS SHANGRI-LA IN TOKYO BAY — LT. JOHN HUDSON BRABB, 1321 Berkshire road, Grosse Pointe Park, Mich., is serving on this aircraft carrier, which is part of the powerful Pacific Fleet completing the first stages of the occupation of Japan.

Under the operational control of Admiral William F. Halsey, USN, the Shangri-La, with 10 other carriers, six escort carriers, 12 battleships, 20 cruisers and more than 290 other U. S. ships, is helping take over control of the Japs' big naval bases.

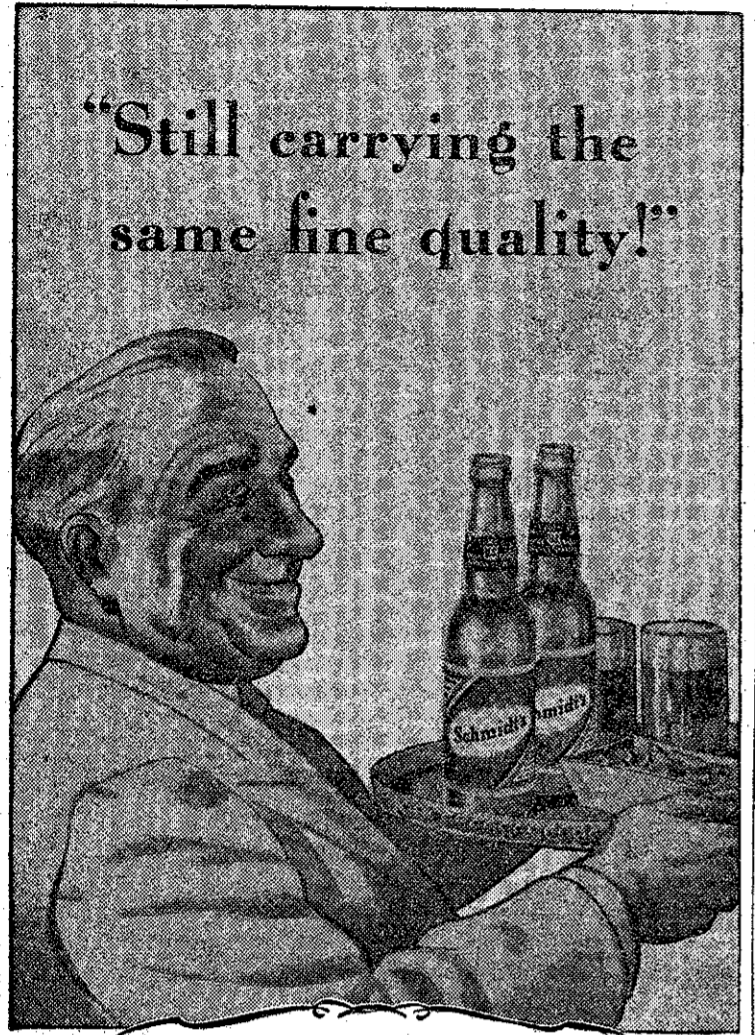

The Shangri-La had a prominent role in the air strikes against the Jap homeland just prior to the surrender.

EDWARD J. JONES, electrician's mate, first class, USNR, son of Mr. and Mrs. William C. Jones of 397 Kercheval avenue, Grosse Pointe Farms, is serving on the Destroyer-Transport Sims, now in Tokyo Bay. The Sims, in the Pacific since February, took part in the battle for Okinawa.

Don't shake your head and tell the other fellow his mistakes. Shake his hand and tell him yours.

The answer to unemployment is work. We can solve this problem of work for all if we all work at it.

port of the fighting fleet. Lieutenant Sherman's wife, Chelsea, is now living in Parkersburg, West Virginia.

Fifth Air Force Command, Philippines — M/SGT. WARREN W. WILSON, husband of Mrs. Eunice Wilson of 1264 Lakepointe avenue, Grosse Pointe Park, has returned to his home after serving 40 months overseas in the Southwest Pacific area. While overseas Sgt. Wilson was a member of an air service squadron and served as a chief clerk. During his service overseas, Sgt. Wilson served in Australia, New Guinea, Netherlands East Indies and Philippines.

Sergeant Wilson has been awarded the Asiatic-Pacific Theatre Campaign Medal with four campaign stars for service in New Guinea and Philippines. He has also been awarded the Philippine Liberation Ribbon with one campaign star for service in the Philippines.

MRS. JOSEPH F. MORRIS of Kingsville road has been notified that her son, SGT. FRANCIS J. MORRIS, will sail from France September 10, arriving home about September 20.

Sgt. Morris has been overseas three years and two months.

WITH THE 33RD DIVISION ON LUZON — T/5 ALBERT P. PISANO, son of Mr. and Mrs. Rosy Pisano, 472 Cloverly, Grosse Pointe Farms, Mich., has been promoted from the grade of private first class. He is a switchboard operator with a battalion of the 136th "Bearcat" Infantry Regiment of the 33rd Division.

Cpl. Pisano's duties with a telephone switchboard are of the highest importance to the operations of the infantry battalion for which he works. The modern infantry organization is tied together with a complex net of communications and the efficient operation of this net depends in a large part on the operators. Cpl. Pisano has also worked as a wireman for his battalion communications section.

He has served over twenty-five
