**Police Radio**  
(Continued from Page 1)

Although not imminent, another factor eventually will affect the existing Grosse Pointe radio station. During the war a large-scale planning effort for postwar radio allocations was begun in Washington. It took the form of a series of conferences between the Interdepartmental Radio Advisory Committee, representing the government agencies that use radio and the Federal Communications Commission, which administers non-government radio.

Early in 1945 the Federal Communications Commission announced the proposals for the part of the radio spectrum above 25 megacycles, where a major part of the emergency and police services are located. According to those who have been advised of these proposals, a great many of the police radio stations will have to be replaced or rebuilt in order that they will be suitable for operation on the higher frequencies to which they will be assigned.

At present the Grosse Pointe transmitter is assigned a frequency below 25 megacycles and although reallocations are to be made for this portion of the spectrum, they have not yet been announced. Since in the frequencies below 25 megacycles are included those that travel the longest distances, these allocations can be finally binding only on a world conference, and such is not scheduled until 1947.

There is doubt, however, that police operation on the frequency assigned at Grosse Pointe will be authorized following these conferences, since the state of the art is such that short distance emergency broadcasts can be far more efficiently handled with frequency modulation equipment, operating in the high frequency portions of the radio spectrum.

The Michigan Municipal League report recommends that a change be made in the radio system because the present system is obsolete and expensive to operate. Since reallocation will eventually force a change in the type of equipment, and require replacement of the equipment completely, there is little reason why changes should not be made at the present time. Frequency assignments are now being made in the portions of the spectrum where police systems will ultimately operate, equipment is available, and the villages would be able to show a saving over the present cost. It is probable that the City of Grosse Pointe would be willing to enter into such a revamped system, and thus all of the communities would have a unified police system.

There are two plans that could be followed to set up a unified police system. One transmitter could be located either at the present building, or in one of the present police stations (the Farms police station is very near the center of the area to be served). Leased lines would be required as at present, and a console would be required at each police desk. The desk officer would put the

call on the air directly, turning on the transmitter through his console, and talking to the cars himself.

When he completes his message the equipment de-energizes itself automatically. Operators are not needed with such equipment on a 24-hour basis as they are with the present transmitter.

An alternate plan for such a radio system would be to operate a smaller transmitter in each police station. This would eliminate both the need for a station site, and the consoles. Each of the five communities would have its own complete station, operating on the same frequency. All cars thus would be able to hear all broadcasts as at present. The leased lines would be unnecessary; and in common with the first suggested plan, operators are unnecessary except as explained below.

Although there are advantages to both plans, the second has more to recommend it. It has the advantages of equal or slightly lower cost, an annual saving of approximately \$1,000.00 in leased telephone lines and the added reliability of five transmitters instead of one, so that if one failed, the affected department could have emergency communication through one of the other departments, using land telephone communication to link the two. It would be possible to keep spare parts at low stock levels, even with five stations, if the several communities cooperated and employed the same technical help, a common location for spares, a shop, and repair facilities.

At the present time the Township employs four licensed operators and a supervisor, to maintain a 24-hour continuous watch at the transmitter. This is a necessity due to the type of equipment and the method which must be used to operate it. Since with the proposed equipment each desk officer could talk directly to the mobile units, no dispatcher is needed at the stations; and because the transmitter controls are not accessible, no licensed operator is needed on a full time basis.

Few if any of the emergency services such as are operated by the Michigan State Police, the Detroit Edison Company, and others maintain a 24-hour watch of operators when using the newer types of equipment. It is sufficient to have an operator on call for emergencies and to have him available for routine inspection, installation and service work. Some idea of a typical work load for an operator can be had from the Michigan State Police frequency modulated service. At the present time they have 53 fixed stations and 300 cars and for those employ nine field engineers. These men are trained in electronic maintenance and are licensed radiotelephone operators. Each thus has a work load of six stations and 33 cars. A Grosse Pointe operator would have a load of five stations and 19 cars which one man should be able to handle easily. The City of Grosse Pointe has been able to keep an operator on a call basis, and pays about \$100.00 annually for this service. If each of the Grosse Pointe municipalities could find such service, the operator problem would

be inexpensively solved; however, with a unified system such as these communities should have, it would be better to have one licensed operator on a salary basis to service and maintain the equipment.

Estimates on the cost follow:

FIRST COST	
15 Watt Main Stations.....	\$ 3,150.00
5 Antennas.....	1,000.00
5 Transmission Lines and Accessories.....	530.00
10 Mobile Units.....	11,400.00
Test Equipment.....	300.00
Installation Labor.....	1,000.00
<b>Total.....</b>	<b>\$17,500.00</b>

ANNUAL COST (For 5 Municipalities)	
Operator's Salary.....	\$ 3,300.00
Parts, Supplies and Misc.....	1,000.00
Electricity, Building Rent, Test Etc. (See Note).....	0.00
Leased Lines (See Note).....	0.00
<b>Total.....</b>	<b>\$ 4,300.00</b>

NOTE: This new equipment is small and each police station could locate the equipment on the police desk. While there would be an increased consumption of electricity, it would be from existing lines in the police building, and billed directly to the community. As was fully explained, leased lines are not necessary with individual transmitters.

An interesting possibility would be for two contiguous communities to use one transmitter, stringing their own telephone line on existing utility poles. This would save both the cost of a transmitter, and still not require an annual charge for leased lines. Such might be possible for Grosse Pointe Shores and Grosse Pointe Woods.

In view of the modern compact equipment now available, it does not seem economically wise to continue with the present radio setup. The first cost of new equipment can be saved in less than two years, and the annual leased line charges can also be liquidated. Grosse Pointe would have a new police radio system, located in the radio spectrum where such services are ultimately to be.

It has been suggested that police radio in this area be administered by a committee composed of the several chiefs of police, with a communication engineer consultant. Matters of policy and operation of the radio would then be in the hands of those most interested in it, and the recommendations of the committee could be directly acted upon.

This report has been prepared at the request of the council of the Village of Grosse Pointe Shores, in order that the information in the report on city incorporation regarding radio be amplified and made more available.

THOMAS K. JEFFERIS, Superintendent Village of Grosse Pointe Shores (Registered Electrical Engineer No. 5498).

**Mabley Honored For Sinking Sub**

Cdr. Louis Christopher Mabley, USNR, of 57 Meadow Lane, Grosse Pointe Farms, Mich., husband of Mrs. Margaret Lathrop Mabley, has received a permanent citation for the Gold Star Medal from the Secretary of the Navy James Forrestal, for the President.

Cdr. Mabley, currently serving with the Pacific Fleet, earned the award while serving as Commanding Officer of the USS Hubbard, attached to an Atlantic Fleet Anti-Submarine Task Unit, operating against the enemy in the North Atlantic.

During the war, citations were temporary, or incomplete, for security reasons.

Text of the complete citation is as follows:

"For meritorious achievement as Commanding Officer of the USS Hubbard, attached to an Atlantic Fleet Anti-Submarine Task Unit, operating against enemy in the North Atlantic, April 26, 1945. Participating in two attacks against an enemy submarine, Cdr. Mabley contributed directly to forcing the vessel to the surface where it was sunk by gunfire. His devotion to duty was in keeping with the highest traditions of the United States Naval Service."

**James Montante Seeks Judgeship**

James Montante, who during the war, served as a captain in the OSS, has announced that he will be a sticker candidate for Circuit Court Judge in the February 17 Primary.

Montante, a practicing attorney in Detroit for 17 years, returned to his law practice after serving nearly three years with the Office of Strategic Services in Italy. While overseas Montante was attached to the Secret Intelligence Division in Italy and also served as Trial Judge Advocate.

In 1941 Montante was nominated in the Circuit Court Primary race and, although he had not previously engaged in political activity, polled over 50,000 votes.

Fixing the fault is better than fixing the blame. It's more fun, too.

**HE ADDED YEARS TO YOUR LIVING**

This man who was born one hundred years ago this week spent most of those years working to make our lives easier. Today, we are apt to take his achievements for granted—to forget the wondrous changes he made in our daily lives. The stenographer little realizes the drudgery of office routine without typewriter or duplicating machines; the saleswoman can hardly imagine a busy day without gummed wrapping tape.

The list of his achievements is long and varied, but most of us have some special obligation to Thomas A. Edison. Every worker who finds his lunch-time sandwich fresh in its waxed-paper wrapping—every G.I. who crossed an ocean safely with the aid of radar and submarine detection devices—can thank Mr. Edison.

But these specific contributions of the man become small and insignificant alongside his other gifts to all mankind. For every one of us who sends a telegram or rides a street car—everyone who enjoys a radio, a phonograph or a movie—can thank Mr. Edison.

Some of these gifts have made our lives safer. Some have given us more pleasure. Most have made our tasks easier. But all are eclipsed by his gift of electric light. For with that one invention he, in a very real sense, added years to our living. Those years are made up of thousands of evenings... and since Mr. Edison's invention of electric light, evenings—with their hours of relaxation, of reading or games or good companionship—have become the best part of our lives.

Evenings have also become a time for study. Men and women today, fired by the example of Thomas A. Edison, are using them to continue his research for even better ways of living.

### Serious Financial Problem Confronts Municipalities As Well as State Itself

Sigler's Program to Keep More of Sales Tax Would Force Cities and Villages to Overhaul Tax Structure

The financial results for the cities and villages of the state will be serious if Governor Sigler's program for the repeal of the recent authorization by the voters for a one-third allocation of the sales tax, is carried out.

This was the subject of earnest discussion at the City Managers' meeting in Lansing on Feb. 6-7. The managers had many heart-to-heart discussions with the members of the legislature and quickly discovered that the state law makers were in almost as much of a dither over the state's revenue problem as were the managers over those of their own communities.

The picture was made pretty plain that the state is confronted by tremendous commitments and that it is a particularly unfortunate time to have to part with any of its accustomed revenues.

The soldiers' bonus of \$270,000,000 with necessary provision for its financing is of course the biggest hurdle. The legislators said that if the state was now compelled to part with this big chunk of the sales tax there would be no recourse but to withhold other moneys from the municipal subdivisions which they now get from the state. Among these would be for example, in the Park, an item of \$2.20 per capita which it gets from the state on the liquor revenue and \$1.15 from the tax on intangibles. Putting this against its population of 13,000 the loss of \$40,000 to \$45,000 a year is apparent.

All of the cities' and villages' elaborate programs for local improvements following the war period have been predicated in varying degrees on this state-originate revenue.

These are merely isolated instances of the direct impact of the state's tax program on local units.

The whole subject was treated in detail by Manager Lane's report to the Board of Commissioners on Monday night.

Governor Sigler is so alarmed over the situation that he has already asked for the repeal of the sales tax amendment as quickly as possible.

Whether done or not there is in the offering a likelihood of the necessity of either the state or its municipal subdivisions overhauling the whole basis of their tax structure.

### Car Messed Up By Guard Rail

Mrs. James E. Atkinson of 1011 Buckingham, while driving on 14th street on Wednesday, Feb. 5, lost control of her car at S. Bagley and struck the guard rail. The car was not driveable after the accident. She was ticketed on a reckless driving charge.

Mrs. Atkinson was said to have received "internal injuries" but refused aid. Myrtle Atkinson, aged 20, a passenger in the car, was also injured but the nature of her injuries was not made known.

### Aerial Fixer Gets Himself In Bad Fix

Park Firemen and Police Rescue Young Mechanic from Lofly Perch

A message from an anxious father came into the Park police station at 4:18 o'clock Thursday afternoon, Feb. 6. His son, Linden, aged 13 was "on the roof of the house and in a most perilous situation."

The combined talent of the light truck crew from the fire department and of Officers Ingersby and Del Place of the police department extricated the rising young acrobat from his dangerous perch.

It is reported there was a touching PC (parent-child) meeting following the rescue that was a blend of thankfulness and stern parental discipline.

The principals in the harrowing scene were Mr. Babcock of 1417 Balfour and his son, Linden. The young man's explanation of his predicament was that his radio aerial had been broken and he went aloft to fix it.

### Mystery Woman Sought by Police

The Detroit police asked the Park police Friday to locate a woman giving her name as Alaud Allen at 1016 Kensington in the Park.

A hurried on-the-spot investigation by Detective Enders revealed there was no such number on Kensington, nor did a patient inquiry among the residents in that vicinity disclose knowledge of anyone by the name of "Alaud Allen" ever having lived in the neighborhood.

The interest of the Detroit police in the party was not revealed.

### Shores Sewer Plans Progress

At the meeting of the village trustees in Grosse Pointe Shores Monday night, February 10, Mason Brown and Sons, engineers for the village, reported that the plans for the new sewer system are 70 per cent completed. They will be finished before April 1 and soon thereafter submitted to the Council for consideration.

If the plans are approved the council will immediately take up the question of financing. It is presumed the work will call for an expenditure of upwards of \$250,000.

### Pointes Get Tax Checks

County Remits Shares of 1946 Weight and Gasoline Assessments

Leroy C. Smith, County Highway Engineer, announced on Feb. 7 that a check in the amount of \$880.23 was mailed to the City Treasurer of Grosse Pointe City, which makes a total of \$13,168.21 Grosse Pointe City received as its share of the 1946 Weight and Gasoline Tax Collections.

This amount constitutes the apportionment of weight and gasoline tax moneys Grosse Pointe City is entitled to under Public Act No. 302 of Michigan. Mr. Smith pointed out that this money is earmarked for specific expenditures in the following order of priority:

A—Payment of Grosse Pointe City's share of State Trunkline and Federal aid maintenance costs.

B—Payment of Grosse Pointe City's obligations on highway projects undertaken by it jointly with the State Highway Commissioner.

C—The improvement, repair or maintenance of streets and highways or the construction and maintenance of bridges or grade separations, or general street or highway purposes.

D—Payment on bonds, interest on bonds or other obligations issued or incurred by Grosse Pointe City for the cost of widening, opening or improvement of any street or highway or for bridge or grade separations within Grosse Pointe City.

E—Retaxing without interest to the taxpayers of Grosse Pointe City all or any portion of a special assessment or assessments levied in Grosse Pointe City for the cost of opening, widening or improving any State trunkline, highway or any other thoroughfare located within Grosse Pointe City, which was levied as a special assessment.

Mr. Smith pointed out that the penalty for failure to comply with the above order of priority of any municipality to devote the funds to the above purposes is the forfeiture by such municipality of its share in the Weight and Gasoline Tax return for one year.

At the same time announcement was made that checks had also been sent to Grosse Pointe Park, Grosse Pointe Farms, Grosse Pointe Woods and Grosse Pointe Shores. The amounts of these checks and the totals for 1946 follow:

Park, \$1,801.49 and \$26,950.59; Farms, \$1,028.08 and \$15,380.10; Woods, \$399.58 and \$5,077.78; Shores, \$114.12 and \$1,707.17.

### "Incumbents" Slightly Mixed

Through some fancy juggling in an advertisement which appeared in the NEWS of February 6, the status of various candidates for election in the Village of Grosse Pointe Farms was confused.

Five of the candidates running on March 10 are incumbents. The advertisement listed all the candidates, and there were the proper number of "incumbents" in the final column. But some of them had lodged themselves opposite the wrong names.

President James J. Watkins and Trustee William F. Connolly, Jr. are incumbents as the advertisement stated. William G. Kirby, candidate for trustee, is also an incumbent. His appellation had slipped down opposite the name of Russell A. Labadie, candidate for assessor, who is not an incumbent.

Alonso J. O'Connor, incumbent, lost his "incumbent" to Francis J. Hock, who is not an incumbent. Harry Furton, candidate to succeed himself as clerk, is an incumbent as everyone knows, and as the advertisement stated.

### Hoodlums Active At Voting Booth

Exasperated by the repeated depredations of a gang of miscreants on the voting booth at Somerset and St. Paul, Township Supervisor Carl Schweikart recommended to the Township Board Monday night that a reward of \$50 be offered for information that would lead to the arrest and conviction of the culprits. His recommendation was approved and there is a chance for some bright eyes to pick up an easy \$50.

On the last instance on the night of Feb. 6, the hoodlums pried off a heavy wire screen that could only have been removed by a crowbar or similar heavy iron instrument. Then to top off the job they broke six windows.

Pointe Shores. The amounts of these checks and the totals for 1946 follow:

Park, \$1,801.49 and \$26,950.59; Farms, \$1,028.08 and \$15,380.10; Woods, \$399.58 and \$5,077.78; Shores, \$114.12 and \$1,707.17.

### Ice Sends Cars To Curb-Jumping

Walter Kowalske of 4720 Moran, Detroit, driving west on Jefferson at 11 o'clock Thursday, Feb. 6, in trying to avoid hitting a car driving north from Trombley, skidded on the icy pavement, went over the curb and knocked down a street sign.

His car was considerably damaged but the other one, driven by Charles Kellett of 3929 Haverhill, Detroit, was not hurt. Both drivers got tickets.

Another curb-jumping operation occurred in front of 778 Rivard on the afternoon of Feb. 5. James Rivara of 2578 Anderson, Detroit, skidded on the ice and not only jumped the curb but hit a tree with a resounding bump. There was no personal injury but considerable damage to his car.

### Stalled Car Hit; Woman Injured

Thomas R. Millen of 24280 Rosebud, East Detroit, developed motor trouble in his car at 2 a.m. Feb. 10, on Mack just east of Three Mile. While trying to get it started he was struck in the rear by a car owned and driven by Charles T. Martin of 5275 Farmbrook avenue, Detroit.

The rear of Millen's car was seriously damaged and the front of Martin's Mrs. Virginia Martin, a passenger in the Martin car, was removed to Bon Secours hospital with a bad contusion over her left eye. She was held for observation. Martin was given a ticket for not having his car under control.

NEW CANCER CENTER With the opening this week of two new cancer Detection Centers, the number of such projects in the Metropolitan area was increased to seven.

# Mary, Mary, quite contrary

by  
Mary Madison

Jumping from the new Noel Coward play "PRESENT LAUGHTER" one night to the new Maxwell Anderson play, "JOAN OF LORRAINE" is a dramatic distance as divergent as a non-stop flight from the North to the South Pole—or what is slightly farther, from a Mayfair cocktail party to a Park Avenue political party.

Maxwell Anderson is bitterly Social Unconscious. Noel Coward is blithely Social Unconscious.

You pays your money and you takes your choice. Joyeux Noel—except in his rare sentimental sagas—is probably the most deeply insincere of our current comedy playwrights. Yet none who admire him (and as one who toled the turkey and plum pudding to a Cleveland opening we may be tarred as a hardened admirer), would wish him to develop a social conscience. On him it would be like a jumping toothache on a marooned yacht. Never so ruthlessly as in "Present Laughter" has Noel slashed into the sophistry of the idols of Mayfair and Mayfairies. In this feathery comedy of the London star beset by predatory women, he strikes while the irony is hot. In so doing, he sums up the world weary actor's flimsy code—to wit, to woo: We quote:

"You're all just as badly behaved as I am really; in many ways a great deal worse. You believe in your lacrymose amorous hang-overs, whereas I at least have the grace to take them lightly. You wallow and I laugh, because I believe now, and I always have believed, that there's far too much nonsense talked about sex. . . . To me the whole business is vastly over-rated. I enjoy it for what it's worth and fully intend to go on doing so for as long as anybody's interested, and when the time comes that they're not, I shall be perfectly content to settle down with an apple and a good book."

It is only fair to say that Noel the playwright bears no resemblance, except purely co-incidental, to Noel the person. He can be charming, disarming, alarming and heart-warming as an English today in Tottingham. And when he hit New York last week he came in like a lamb to be lioned.

Maxwell Anderson, at the other pole, is perhaps the most shrewdly sincere of our playwrights. His is the Voice of the

Social Conscience, and when the critics don't agree he calls them "the Jukes family of journalism."

The critics agree about Joan of Lorraine. They love it. In this new interpretation of Joan of Arc, the star is Ingrid Bergman herself in the fabulous flesh, and they are not only standing but standing on tiptoe to see her.

In this play, Maxwell Anderson has used an engrossing device of construction. What might be called, in distinction to the flash-back, the flash-forward. That is, the play is built up scene by scene with rehearsals, interludes, and action. First you see the actors in street clothes, then in rehearsals, and finally as the play progresses, in a full blown costume performance.

This method provides the Conflict of the play. And since everybody knows the story of Joan of Arc, the device serves as an adroit suspense, since the conflict is between Bergman as Joan and Sam Wanamaker as the director, on how the play should end. It also provides the megaphone for Maxwell Anderson to become interpreter, narrator and arbiter of the voices of his social conscience. Somewhere along the line, Mr. Anderson gets the faith of Joan mixed up with that of Lincoln and Roosevelt. One has the feeling of hearing not the Voices of "Joan of Lorraine" but the Voices of Maxwell Anderson. When he says and we quote:

"I believe in democracy, and I believe the theatre is the temple of democracy. A democratic society needs a church without a creed—and that's what the theatre is—though it's sort of dwindling down to a side-chapel here lately."

When he lapses in these asides, you just know he is getting something off his chest and on your chest. And rubbing it in like mustard on the critics.

The one disquieting thing to Maxwell Anderson, in this huge success of "Joan of Lorraine" may be that it is known on the Rialto not as the Anderson play but the Bergman show. And it's the Bergman show that is tying up the traffic around the Alvin Theatre these days. Were it not for Ingrid Bergman's commitments to go back to Hollywood in May, "Joan of Lorraine" might run forever.

## Kid Bits

By Mary Prevo

Those of you who don't believe in miracles, please dwell on the fact that the following column grew from approximately two slim tid-bits of news!!!

About two months ago, the Monterey docked in New York harbor and brought with it the RICHARDSON family. JUDITH and BOB had never seen snow until their arrival in the United States from Sidney, Australia. Now living on Prestwick here in the Pointe, Bob is attending Trembley school, and Grosse Pointe High School claims the pretty, blond Judy.

January 31 was the date that MARILYN BOWER'S toboggan party took place on the Detroit University School polo field. Whizzing along with Marilyn was Bruce O'Neill, with Marilyn Mathewson was Dave Thompson, and Carol Briggs was with Add Spart. Others were Peggy McCarten and Ernest Moeller, Janis Woodruff and Harry Mack, Marianna Larson and Ken Vanderbush and Barbara Gregory and Hugh Dill. BUT—after Jack Frost had nipped them all so they were never frozen, they dashed back to Marilyn's Kenwood court abode for hot dogs and games and dancing.

That stupendous BOAT CLUB DANCE drew many Saturday night dates on the 8th. Many of the couples dined at the club and then wended their way down to the Masonic temple to witness the first light opera of this season, FIREFLY. The dance was sort of a wind-up for the whole evening! One couple dining at a flower-set table was Mary Waterfall and Vic Hughs, who, incidentally, was celebrating Vic's 17th birthday. Joan Wilde was there with Jim Hollerbach, Peggy Best with Bill Martiner, Joan Young with Hunter Stair—and on and on!

There was a genuine open house at 758 Westchester on February 7! CAROL STEWART played hostess at this post basket ball game affair. Just a few who dropped in for refreshments and the fun always had at the Stewart parties, were Gloria James, Jerry Webster, Sallie Hoyt, Stuart Ward, Pat Martin, Renee de Leon, Ted Laitner, Janet VanOsdal, Jeanne Jorstad, Sandy Malcomson, Sally Smith,

## Club Will Make Pads For Cancer Society

The Southeastern Woman's Club will meet in St. Mark's Methodist Church on Monday, Feb. 17, at 11 a. m., for sewing under the direction of the social

service chairman, Mrs. Ray Williams. Additional pads will be made for the Cancer Society.

A regular meeting at 1:30 will follow the sewing session. Federation reports will be given. Hostesses will be Mrs. Joseph Robinson, Mrs. George Morse and Mrs. William Snell.

## ANOTHER BRACELET

Warren Winstanley reported to the Park police that sometime between 8 and 10 p. m. on February 3 someone stole the ring ornament off the hood of his 1947 Buick car while it was parked in front of his home.

How many little BTUs have you in your home?

YOUR HOME, and everybody else's, needs BTUs... the more, the better. Because it's these little BTUs (British Thermal Units, if you want to be formal) that heat your home. They're the only thing that can heat it, for they're the international measuring stick that determines how much heat is being produced by your heating plant.

Luckily for the people of this area, 90% of its homes are heated by COAL, which produces more BTUs than less satisfactory fuels. To satisfy yourself on this important point—especially if you are considering conversion from coal to some other fuel—do this: Ask your coal retailer what the normal output of BTUs is for your present furnace or stoker. Then ask the salesman who is urging you to convert to his system whether it can match the number of BTUs you are getting from coal. And make him prove it.

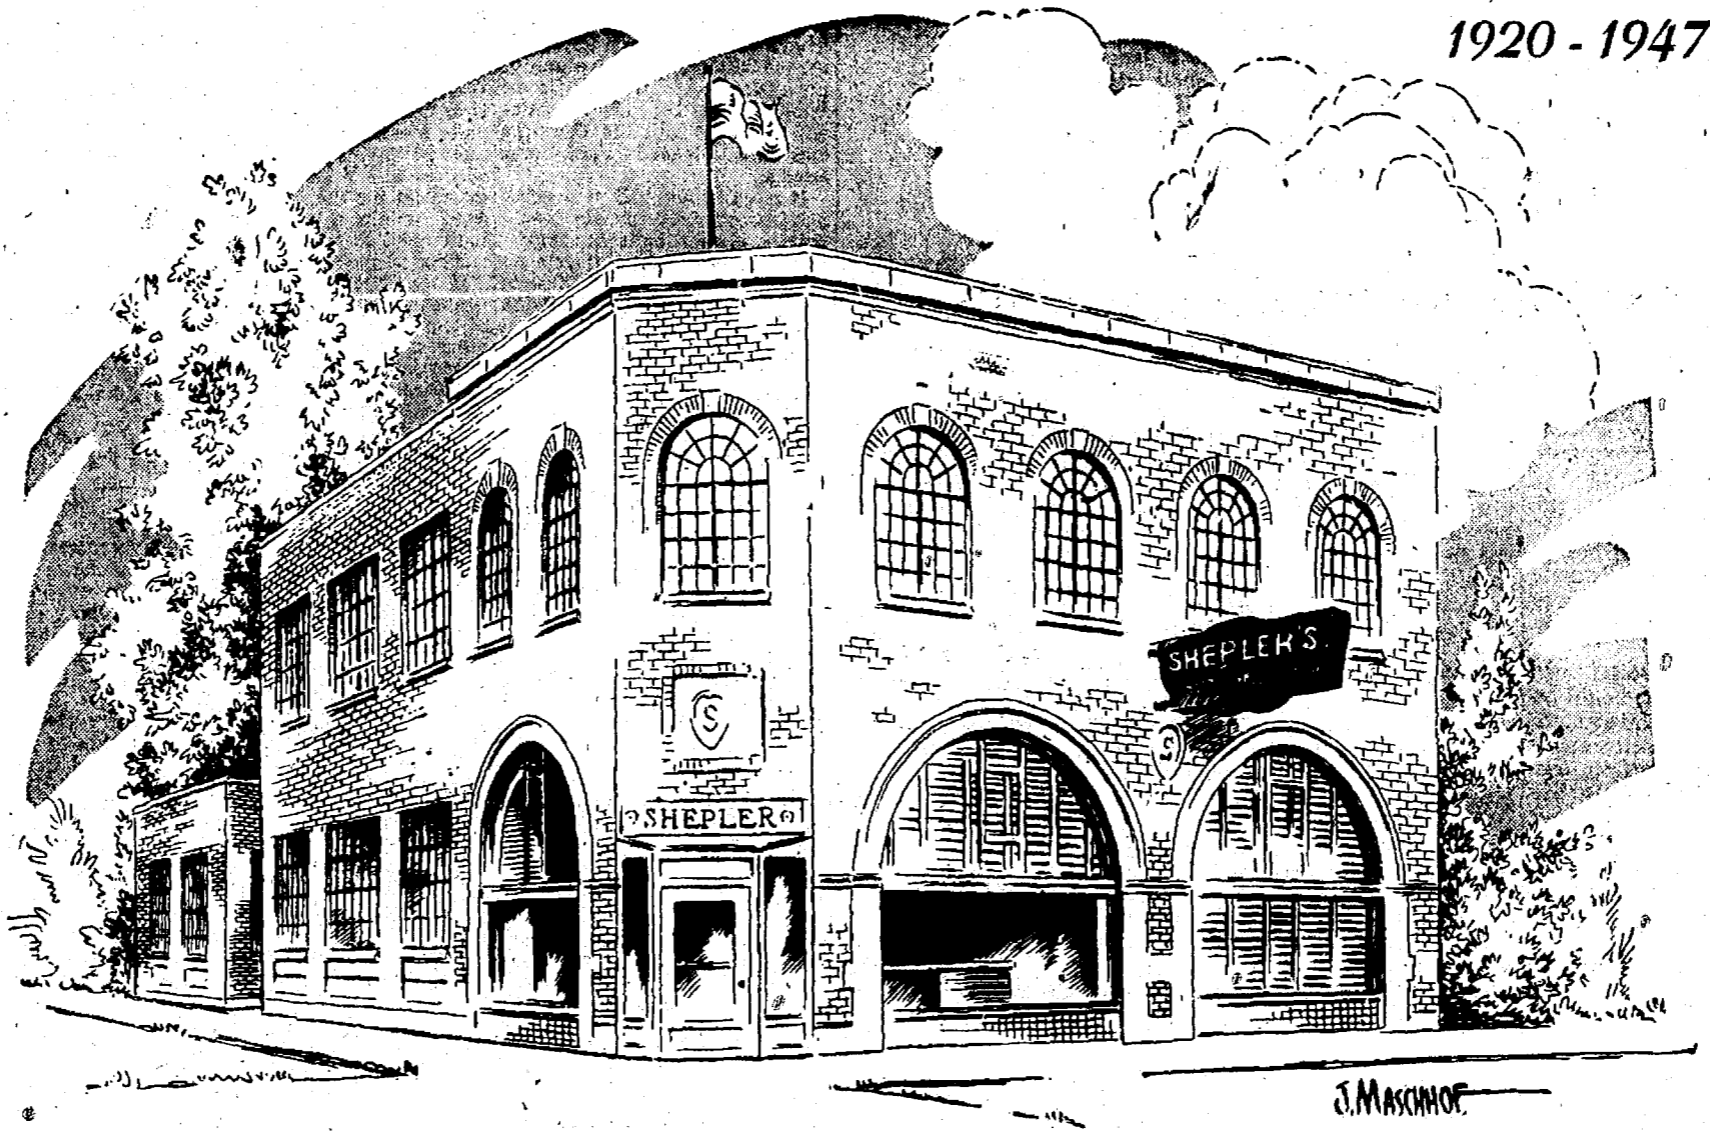

We think that your conclusion will be that, as always, coal is the most satisfactory fuel, by this yardstick as by all the others. And here's a valuable tip: to get even more BTUs from your present plant, take advantage of the modern developments in heating aids, such as stokers and new heat control devices. Also plan on getting your furnace or stoker cleaned this spring. You'll find that BTUs thrive and multiply with a little attention and encouragement.

Another shaker party is that of Mr. and Mrs. H. Sanborne Brown, of Meadow Lane, who have on their guest list Mr. and Mrs. George McBride, Mr. and Mrs. Malcolm Denise and Mr. and Mrs. Max F. Brown.

Out on Berkshire road, Dr. and Mrs. Leland B. Hewitt will have as their guests Dr. and Mrs. James T. Walker, Dr. and Mrs. F. M. Townsend, Mr. and Mrs. Harold J. Husbands, and Mr. and Mrs. Fred J. Flonn.

At the Wallace C. Temples' party on Fisher road will be Mr. and Mrs. John Kolb, the Walter Hedleys, Mr. and Mrs. Emil Dauch, Mr. and Mrs. Arthur Neef and Mr. and Mrs. F. Theodore Harrington.

The Robert C. Winters of Lakeland avenue will be cocktail hosts to the Bernard Whitneys and the Robert H. Pattersons. And Mr. and Mrs. Leslie P. Young of Harvard boulevard will fete Mr. and

## Preparing for Masquerade

—Picture by E. L. Noid.

THE DETROIT TURNERS will hold their 94th Masquerade Ball on Saturday, February 22, in their East Jefferson avenue clubhouse. Busy preparing costumes for the annual event are, left to right: MRS. HENRY PFEIFFER of Haverhill, Mrs. ELTON NOLD of Maryland avenue, Mrs. MAX HAMMER of Lincoln road, and Mrs. DALLAS METCALF of Guilford.

## Katherine Kennedy Brown Houseguest of C. A. Deans

Katherine Kennedy Brown, Republican National Committee member from Ohio and one of the four vice-presidents of that organization, was the guest this week of, Mr. and Mrs. Charles A. Dean, Jr., of Lewiston road, Grosse Pointe Farms.

Mrs. Brown, a resident of Dayton, was here to address the Lincoln Day meeting of the Women's Republican Club of Wayne County, held Tuesday afternoon in the Book Cadillac Hotel.

Mrs. Dudley Hay, Michigan National Committee Woman, was hostess at a luncheon honoring Mrs. Brown in the Book preceding the meeting. Guests included the presidents of the various women's Republican clubs in the county.

## Famous Persons Back "Y" Drive

Mrs. Wendell Willkie and Walter Reuther have been recently added to the list of endorsers of the YWCA Round-the-World Reconstruction Campaign. Mrs. Harper Sibley, Clare Booth Luce, Ingrid Bergman, Mrs. Eleanor Roosevelt, and other world-famous personalities, including William Green of the AFL, have gone on record as approving the program of the YWCA in 30 countries overseas. The intention of the YW is to provide leadership and some rebuilding of YW facilities in war-torn areas all over the world.

Mrs. George A. Schemm, chairman of the district campaign, has stated that a maximum of 20 per cent of the funds collected will be used for rebuilding purposes. In the main, the money will be used to train new leaders, and refresh old ones. "A Self-help program is what we are hoping to provide," added Mrs. Schemm. She pointed out that Detroit's quota is \$66,000, while nationally the YWCA is asking for \$2,100,000.

## Woods SCF Unit to Meet in C. A. Patterson Home

Mrs. C. A. Patterson, of 1984 Anita avenue, will be hostess to the Grosse Pointe Woods Unit, Save the Children Federation, at the group's monthly sewing meeting next Thursday, Feb. 20.

## Forum Will Give Valentine Dance

Friday night is the date set for the Valentine dinner dance to be given by the Sunday Morning Forum of Grosse Pointe Memorial Church at the church house.

Wallace Temple is chairman of the affair. Working on committees for the dance have been Mrs. Temple, Mrs. Irving Winkler, Mrs. Kenneth Coleman and Mrs. Dean Sellers.

Burt Warren is in charge of reception, and other committee heads include Kenneth Coleman, entertainment; Mrs. Watson Ford, decorations; Mrs. B. G. I. Rich, refreshments; Norman Boehm, music; and B. G. I. Rich, purchasing.

Bill Raleigh's orchestra will play for the dancers.

## Matinee Musical Plans Annual Tea

Matinee Musical's Annual Artist Day Tea, February 20th will be held in the YWCA on Withereil. The artists are both new to Detroit, but their ability deserves recognition.

Mary Lee Eliasou, cellist now residing in Detroit has just returned from a six month tour in Europe with a USO Concert Unit. Mary Lee was a music major at Michigan State College under Alex Schuster and also under Carl Sterns of the New York Philharmonic Symphony. At present she is a student of Georges Miquelle. She has also been soloist with the New York Symphony.

The second artist is Jvonne Maxwell, a member of Matinee Musical, better known in Iowa, her home state. She was an artist pupil and received her master degree with Rudolph Reuter of the American Conservatory of Chicago, and has been soloist with the Symphony of this school and many other symphonies. Jvonne was one of the faculty members of Drake University in Iowa.

Mrs. Charles Eisenhauer, president of Matinee Musical, chose Mrs. C. L. Douglas as program chairman and Mrs. W. E. Magnus, with Mrs. H. S. Knight in charge of the tea which will follow the program.

## Archconfraternity Plans Valentine Card Party

A Valentine card party, sponsored by the Arch confraternity will be held at St. Clare of Montefalco, Grosse Pointe, on Friday, February 14 at 8:30 p.m. Mrs. L. L. Smith is chairman.

## From Another Pointe of View

by Jane Schermerhorn

Transatlantic telephone calls . . . Perky pin-up girls . . . The ski trails at Gaylord . . . And the approaching Red Cross Drive . . . Flanked by a little Garden Club news . . . all made for society chatter this week at the Pointe . . .

### HOLIDAY IN LONDON

The telephone call came from Manchester, England . . . it was Mrs. Melville Cooper (the lovely Liza Sutherland) . . . calling her cousin Jack Navin . . .

To say that England is being charming to Melville's (or George's, as she calls him) appearance in "Gypsy Lady" . . . And that they'll be moving on to London before their return to the United States in late April . . .

### MANHATTAN JAUNT

Jack . . . who has moved his Deigh-Navin studios from the East side to downtown offices, now (and we hear they're wonderful looking) . . .

Is planning a quick jaunt down to Manhattan this week . . . He'll be back before the end of February . . .

### THE POINTE'S ANNIE

Annie Sullivan . . . sister of Dick Sullivan of Grosse Pointe . . . and protegee of the chic Mrs. Harley Earl . . . Is going famously with her commercial modeling down in New York . . .

Mrs. Earl urged button-cuts Annie . . . who has been posing for color ads since she was a wee tot (Post Toasties . . . Campbell's Soup . . . Heinz Soup . . . etc. in her pigtail days) . . .

To continue her career in the East . . . and already she has carved herself a marvelous position with one of the largest department stores . . .

### STUDYING LANGUAGES

Not the GOOLamor Girl type . . . Annie is fresh and wholesome looking . . .

She does more for junior fashion than the entire salesforce. We see her pert face bobbing up on the pages of the New Yorker . . . Harper's Bazaar (Junior) . . . Mademoiselle, etc. . .

And it's always refreshing to find her . . . Besides her modeling, Annie is spending her evenings in the study of languages . . .

She and Mrs. Earl are faithful correspondents . . . and there's a large circle of Annie Sullivan fans at the Pointe . . . who keep up to the minute tab on the progress of her career . . .

### SKI ENTHUSIASTS RETURN

Returning from Gaylord this week-end . . . will be a feminine party which went up to the Northern skiing resort over Lincoln's birthday . . .

The ski fans included: Mrs. Alvan Macauley Jr. . . . Mrs. John B. Hartzell . . . Mrs. David Wallace . . . and Mrs. David Rust . . .

In late March . . . we understand that Mrs. Macauley will leave for Phoenix, Arizona . . .

Where she'll spend her daughter Mary's Spring vacation with her . . .

Mary attends the Brownmoor School at Phoenix . . .

### RED CROSS DRIVE

Mrs. Forman Johnston . . . who annually does an elegant job for the Red Cross as chairman of general solicitations in Grosse Pointe . . .

Again this year heads that important committee . . . She tells us there is serious need of Pointe men and women to aid her committee in solicitation for Red Cross Campaign funds . . . and asks that all Grosse Pointe News Readers join this great cause . . . and call the chairman in charge of their particular areas to volunteer their help . . .

The chairman, their addresses and telephone numbers are: Grosse Pointe Park, Mrs. Frederick C. Ford, 1032 Bishop road, Nl. 2630 . . .

Last Thursday LOIS MURPHY left for Washington, and a visit with DOTY LOOKER, who went down there last December. Lois will stay until time to join her father, CHARLES R. MURPHY, for a trip to Phoenix, Ariz., where they'll stay at Paradise Inn.

More travel notes: MR. AND MRS. WENDELL W. ANDERSON of Vendome road, will leave next week for Cat Cay. Mrs. A. will stay until April, but the head of the house can only spare a few weeks. JOHN and WENDELL ANDERSON will join Mrs. Anderson for two weeks in March, during their spring vacation from Yale.

MR. AND MRS. WILLIAM P. BONBRIGHT II are also headed for Cat Cay. They will be the guests there of Mrs. Bonbright's mother, MRS. DAVID M. WEIR of Steubenville, O.

The CLYDE ADAMS family on Merriweather road this week are catching up on each other's doings. BETTY ADAMS is home from New York, where she has been visiting her sister, SUSAN, and arrived just in time to greet CLYDE JR., vacationing from Massachusetts Institute of Technology.

MRS. WYLIE W. CARHARTT of Grosse Pointe Boulevard has a Washington address these days—she's visiting her son and daughter-in-law, MR. AND MRS. PAUL STEPHEN STRASBURG and their small son, MARK in the capitol.

Home from Fort Lauderdale are the tanned MRS. GEORGE W. CHRISTIANSEN, and her daughter and son, CELIE and DUDLEY. They motored down for the midsemester vacation from Wayne University.

GEORGE P. CAULKINS JR. paid his parents, MR. AND MRS. GEORGE P. CAULKINS of Rivard boulevard a flying visit last week. He's at Harvard Business School.

A farewell dinner for the GEORGE VAWTER'S, who left today for Fort Lauderdale, was given at the DAC on Saturday. Hosts were MR. AND MRS. EDWARD C. STARK. Guests were MR. AND MRS. PAUL A. SHIPMAN, MR. AND MRS. HENRY EARLE and JOSEPH PARSONS.

MR. AND MRS. LEONARD FACKNER JR. of Merriweather road have a Cleveland house guest, MR. R. R. SQUIRE. She arrived on Friday for a 10-day stay.

MRS. BINGHAM D. EBLEN has embarked upon a tour which will take her points west and

points south, and an exciting itinerary it is: Mrs. E. left last week for Tucson, Ariz., where she met her daughter, VERAMAE ADAMS, studying at the University of Arizona there. Together

they'll fly to Mexico City for a tour of the country thereabouts. Then it's Yucatan they'll visit, and after that Guatemala City. Windup will be Florida, where Mr. Eblen will join them.

Patricia's brother, George Michael Sawyer, gave her in marriage. Her gown was of ivory satin with a dropped shoulder effect formed by a narrow band of the material. The yoke was of illusion, and the skirt fell over modified hoops.

A cap of antique rosepoint lace held her fingertip-length veil in place. She carried a prayer book with a spray of white orchids.

The bride's only attendant was her sister, Mrs. Joseph F. Spehar, who wore a gown of taffeta striped in blue and silver. Long blue gloves and a wide velvet ribbon in her hair completed the costume and her flowers were red roses in a frilled nosegay.

John J. Shanahan was best man and seating the guests were Albert J. Berres III, brother of the bridegroom; William J. Carell and Glenn P. Williams.

The wedding breakfast for immediate families was held at the Detroit Club immediately after the ceremony. Mrs. Berres received in a burgundy gown and soft rose hat. Her flowers were pink camellias.

In the afternoon a reception was held in the Wardell Sheraton, after which the young couple left on their wedding trip. The bride's traveling ensemble included a gray suit with matching hat and brown accessories. Her corsage was of white orchids.

Between semesters at Bradford Junior College spells "skiing" to Pointers-in-residence, MARJORIE BULL, AMY EVANS and BEVERLY BROWN. They spent the interval with a group of their schoolmates at the Eastern Slopes Inn and the Hans Schneider Ski School at North Conway, N. H.

MRS. STEWART BAXTER presided at the Detroit Boat Club on that chilly last week women committee members chose for their first meeting of the year.

California-bound are MRS. C. HAROLD WILLS and her niece, MRS. BOOK BAKER of Meadow Lane, who left for San Francisco on Tuesday. They plan to spend six weeks there, and in La Jolla and Palm Springs. From there, the two will go to Los Angeles, where they'll be joined by Mary Jane's parents, the FRANK P. BOOKS of University Place, and their daughter, PEGGY. Young BILL BOOK will round out the family gathering there on his two-weeks' . . .

The HENRY L. NEWMAN home in McKinley place was filled with members of the younger set on Saturday, when the Newman's niece, JUDY BOSSON, gave a dinner there for her friends. Guests of honor were MR. AND MRS. CLEVELAND THURBER JR., home on Cleveland's vacation from Williams College. Rest of the parties were MR. AND MRS. LYLE DEVLIN JR., MR. AND MRS. AMES HOWLETT and ESTHER and LONGYEAR PALMER. Longyear came in from Ann Arbor for the weekend.

Those hardy skiers up in the Laurentians have been encountering record cold for their sport, according to Weather Bureau rumors. But it doesn't seem to daunt MRS. HARRY LEDYARD and her son, ALLEN; MRS. EDWARD C. PARKER and her children, HELEN and TEDDY; or PEGGY FLINN and ANN HIGBIE, all of whom are staying at St. Adele, P. Q. for two weeks.

MR. AND MRS. MATTHEW CAREY will observe Valentine's Day by attending the dinner dance of the Cornell Club of Michigan at the Wardell-Sheraton tomorrow evening.

MR. AND MRS. HAROLD BREIDENBERG and their daughter JO ANNE of Hampton road left Thursday for a vacation in Florida.

The WILLIAM G. CURRANS will be able conversationalists on the subject of winter—the hot and cold of it—after they return from Palm Beach and Cat Cay next month. They've been getting in shape for their Southern

## Barbara Ann Baxter Weds Julius H. Beers

Dr. Frank Fitt Performs Ceremony in Memorial Church Couple Leave for Honeymoon in Palm Beach, Fla.

Barbara Ann Baxter became the bride of Julius Hannah Beers in a Saturday ceremony at Grosse Pointe Memorial Church. Dr. Frank Fitt officiated. The bride is the daughter of the Harold A. Baxters of Vendome road; the bridegroom is the son of Mrs. Julius L. Beers of Traverse City and the late Mr. Beers.

For her wedding Barbara chose a gown of ivory satin fashioned with a sweetheart neckline, draped bodice, full skirt and sweeping train.

Her heirloom veil of Duchess lace was held in place by a Juliet cap, and her bouquet was white orchids and stephanotis.

Matron of honor was Mrs. Bert D. Reedy of Gull Lake, who wore an aqua gown trimmed with matching sequins, and carried a shower bouquet of yellow daffodils.

The bridesmaids were gowned alike in beige accented with gold sequins. They carried yellow daffodils and purple iris. They included Mrs. Frank D. Lathrop of Wellesley Hills, Mass., the bride's sister; Mrs. Maxwell L. Crandall of Traverse City, sister of the bridegroom; and Anr Schuermacher of Westfield, N. J.

Röbert Straub of Traverse City was best man, and ushers were Maxwell L. Chandall, Harry C. C. Patterson, Thomas H. Hewlett, Thomas E. Wilson, E. E. Rothman and William A. McHattie.

The reception was held in the Lochmoor Club, and following it the young couple left for Palm Beach, Fla. The new Mrs. Beers wore a tailored brown gabardine suit with matching hat and bag. Her corsage was of white orchids. The Beers will live in Traverse City.

## Marie Dossin Weds Joseph Vinton Wade

### Young Couple Leave for Florida Honeymoon Following Ceremony in Home of Bride's Parents on Vendome Road

In a quiet home ceremony, Marie Henrietta Dossin became the bride on Saturday evening of Joseph Vinton Wade. The Rev. Walter Kutch officiated. Marie is the daughter of the Walter Joseph Dossins of Vendome road. Joe is the son of Mrs. M. Coy Wade of Chicago.

The bride wore a street-length dress of aquamarine silk, with bustled back and slim, fitted skirt. Her feather hat matched the dress, and she carried a bouquet of orchids.

Marie's only attendant was her sister-in-law, Mrs. Donald J. Dossin. She was dressed in a gray silk gown with high neckline and a draped skirt with front fullness. Her gray felt hat was decorated with satin ribbons, and her flowers were pink camellias.

The bridegroom asked Morrison T. Waldo to be his best man.

Mrs. Dossin chose a field gray dress trimmed with black beading and a matching hat for her daughter's wedding. She wore an orchid corsage, as did Mrs. Wade, who was in a black gown with pink accents. She wore a black hat with pink feathers.

The reception was held in the bride's home following the ceremony, after which the young couple left for a Florida honeymoon.

The new Mrs. Wade chose a traveling outfit of turquoise in wool suit and hat, with which she wore a mink coat and an orchid corsage.

When they return from their wedding trip, the newlyweds will make their home with the Dossins, temporarily.

Out-of-town guests here for the wedding included Mr. and Mrs. George O'Neil of Pelham, N. Y.; Mr. and Mrs. George O'Neil, Jr., also of Pelham; Mr. and Mrs. Joseph Murphy of Long Island City, N. Y.; and the Mau-

rice Honickmans of Philadelphia. Others were Mr. and Mrs. A. T. Phillips of Toledo, Dr. and Mrs. Henry Brown of Ottawa Hills, Ohio; and Lois Phillips and Jason Swartzbaugh, also of Toledo.

## Pointer Heads Nurses' Group

Mrs. Lorraine D. Bradley of 939 Lakepointe, Grosse Pointe Park, is chairman of the Industrial Nurses Section of the Michigan State Nurses Association. Besides this office, she is the newly elected president of the Detroit Industrial Nurses Association.

A business and luncheon meeting of the Industrial Nurses Section of M.S.N.A. was held in the Detroit-Leland Hotel, Sunday, February 2. Miss Kathleen Young, president of Michigan State Nurses Association, was speaker at the business meeting, over which Mrs. Bradley presided.

The speaker at the luncheon meeting was Dr. W. A. Dawson, Chief of Medical, the Ford Motor Company. Seventeen Medical Directors from many large industrial plants in Detroit, were guests of the nurses at their luncheon, attended by over 200.

Blaming others is the real opiate of the people.

## Visiting Nurses Elect Pointers

New president of the Visiting Nurse Association is Mrs. Gilbert B. Pingree, who was elected at last week's meeting of the organization in Alger Center. Another Grosse Pointe woman, Mrs. James K. Watkins, was named treasurer.

Mrs. Fred T. Murphy was guest of honor at the combined tea and business meeting. Mrs. Murphy has been a board member since 1910, and has twice served as president.

Among Pointers in attendance at the meeting were Mrs. J. Milton Robb and her guest, Mrs. Harold Carter; Mrs. Carl B. Grawn and Mrs. Carlton Higbie.

## Ragan Lide Auxiliary To Hear Tony Weitzel

Tony Weitzel will be the speaker at the next meeting of the Ragan Lide auxiliary of the American Legion, to be held in the Woman's City Club on Monday, February 17.

Mrs. Archibald McKay, president, will preside over an important board meeting which will precede the regular meeting. Annual Poppy Day plans will be discussed.

## Red Cross Needs Sweater Knitters

The Production Department of the Detroit Red Cross is appealing to Detroit knitters to help fill a 2,000 sweater quota.

Mrs. Archibald McAlpine, chairman of knitting, says the wool will be assigned Mondays through Fridays on the fourth floor of Chapter House, 153 East Elizabeth, from 10 a. m. to 4 p. m. One thousand of the sweaters will go to veterans in the hospitals, and the remaining thousand will be sent to needy children overseas.

## Model Grosse Pointer

This perky young lady is ANNIE SULLIVAN, who before Grosse Pointe friends urged her to continue her commercial modeling career in Manhattan, was a popular member of the local young set. She's the sister of Mr. and Mrs. Richard Sullivan of Grosse Pointe and the daughter of Mr. and Mrs. James E. Sullivan of Oxford, Mich.

## Valentines Tell Of Engagement

Valentines, traditional harbingers of romance, served their turn when they announced an engagement on Grandmont road this week. Principals are Joyce Brown and James Rowley Stevenson.

Joyce is the daughter of Col. and Mrs. Arthur E. Brown; Jim's parents are the R. M. Stevensons of Washington road.

The bride-to-be is a graduate of Hillsdale College, where she was affiliated with Pi Beta Phi. Her fiance attended Tabor Academy, Marion, Mass., before studying at Hillsdale.

## Pointers Attend Ormandy Concert

When Eugene Ormandy conducted the Philadelphia Orchestra Monday evening at Masonic Auditorium, many Grosse Pointers were in attendance.

Among music lovers present were Dr. and Mrs. Fred T. Murphy, Mr. and Mrs. Paul T. Gard and their daughter and son-in-law, Mr. and Mrs. Henry Kinsey; Mrs. Richard Macauley, who was there with Mrs. Edwin W. Baker, Sally and Edwin Jr.; and Mrs. Alfred H. Whittaker.

Mr. and Mrs. Alger Shelden were the guests of Mr. and Mrs. Warren S. Booth at a Detroit Club dinner before the concert.

Others included Dr. and Mrs. Duncan A. Campbell, Mrs. Julius H. Haass, Mrs. Harry C. Bulkeley and her son-in-law and daughter, Mr. and Mrs. John G. Garlinghouse and Dr. and Mrs. Herbert C. Allison.

## WCTU TO HEAR REVIEW

The WCTU will hear a book review of "The Farmer Takes a Wife," given by Mrs. Henry W. S. duettes, at 8 p. m. on February 25 in St. Mark's Methodist Church.

## Betrothals Disclosed At Cocktail Parties

### Peggy Kirchner and Bette Cowan Become Bride-Elect of Howard T. Keating, Jr. and David T. Keena Respectively

Last week-end brought news of two Pointe engagements and added the names of Peggy Kirchner and Bette Cowan to bride-elect lists.

Peggy's engagement to Howard T. Keating, Jr., was announced on Sunday and the news was a surprise feature of a cocktail party in honor of her house guest, Patricia Morgonroth of Shaker Heights, Ohio. The pretty Peggy is the daughter of Mr. and Mrs. Arthur G. Kirchner of Balfour road, and Howard is the son of Mr. and Mrs. Howard Keating of Chicago boulevard.

A photograph of the betrothed couple, in the center of a large heart, told the guests the tidings. For her announcement party, Peggy wore a black crepe skirt with red-and-white striped blouse, and a corsage of white orchids.

She attended the Convent of the Sacred Heart in Grosse Pointe and Kenwood Sacred Heart in Albany, N. Y. Peggy's colleges were Georgetown Visitation in Washington and the University of Detroit.

Howard is a U. of D. graduate and had three years Army service.

Bette Cowan and David T. Keena are planning a late summer wedding, cocktail guests at the Jack F. Cowan home in McMillan road, learned Saturday. Dave is the son of Mrs. James T. Keena of Rivard boulevard and the late Mr. Keena.

Bette and Dave chose the "cat out of the bag" method of breaking the news—the cat in the case being black, and the bag yellow satin. Around the feline's neck was a necklace of tiny hearts spelling the names of the principals.

Bette's gown was a champagne

## March 29 Picked By Marion Potter

March 29 is the date set for the wedding of Marion Potter and Dick Franzen, and Grosse Pointe Memorial Chapel will be the place.

Marion is the daughter of Mr. and Mrs. John H. Potter of Moross road, and Dick's parents are the Tore Franzens of Nottingham road. Their engagement was announced during the Christmas holidays.

Sally Potter, sister of the bride-elect will be home from Endicott Junior College in Boston to be maid of honor. Dick's sister, Irene Franzen, will be a bridesmaid, with Gloria Ford.

Tore Franzen will be his brother's best man, and Dick will announce his ushers later.

The reception will be given by Marion's grandmother, Mrs. W. Howie Muir in her Ridge road home.

## EDISON SYMPHONY

Detroit Edison Company will sponsor a series of Tuesday evening broadcasts of the Detroit Symphony Orchestra which will begin Feb. 11 under the baton of Walter Poole. The broadcasts will be from 7:30 to 8:00 p. m. over Station WWJ.

## SAKS FIFTH AVE NEWS

SECOND AT LOTHROP

### SPRING SUITS SHOULD BE SEEN AND NOT HERDED

— an SFA proverb which accounts for the amazing variety in our Designer Collections. This season's jackets range anywhere from 14" (bolero) to 37" (tunic); skirts are tubular or full, longer or no longer than before. But all our top tailor-designers recognize one truth as old as Adam and Eve: a woman looks her best dressed as a woman—even in a tailored suit. Material evidence: Monte-Sano's deft handling of a pique-collared cutaway, 145.00; Morris Kraus' boxy new shape in tweed, 155.00; Mangone's elegantly elongated jacket, 155.00.

Consider these in the light of the thirties, which offered you your choice of a mannish suit (double-breasted) or a mannish suit (single-breasted) and you see why we say again, gratefully, that

**Auto, Taxi, Pole, Figure in Crash**

Last Sunday Maurice De Vuyst, of 643 St. Clair, driving east on Fairfax, collided with a cab of the Pointe Cab company, going north on Westchester. The cab struck a light pole at that point and knocked it down.

Robert L. Oleson, driver of the cab, received bruises on the left arm and right knee, but refused medical attention. Both cars were considerably damaged and both drivers received tickets.

**\$50 Damage Caused When Cars Collide**

Two cars were damaged in an accident at Beaupre and Merriweather roads on the afternoon of February 1.

Arthur Brownell of 1312 Hawthorne road, Grosse Pointe Woods, was driving his family's Chevrolet north on Merriweather when he collided with another car, going west on Beaupre and driven by Arthur J. Lack of 3450 Holbrook, Hamtramck.

Lack acknowledged the accident, which did a total damage of about \$50 to both cars, was his fault, and he agreed to pay. No tickets were issued.

**Ford Truck and Buick Tangle on Charlevoix**

A Buick and a Ford panel truck were badly mangled when they figured in an accident at Charlevoix and Touraine at 4 p. m. on February 7.

David Brideau of 85 Cambridge road was driving the truck and Mrs. J. S. Hudson of Lothrop road was the driver of the Buick. Damage to the Buick was estimated at \$300, and to the truck, \$200.

**Pointe Community Lectures To Present Mexican Movies**

Robert Friers, with this new "Mexican Holiday" colored travelogue, will be presented on Sunday afternoon, February 16 at 3 p. m. in the John D. Pierce auditorium, Kercheval near Balfour, by the Grosse Pointe Community Lecture Series.

"Mexican Holiday" is considered one of the most outstanding travelogues of the past decade. Everywhere that Robert Friers has presented this picture it has been acclaimed by the press. Many national publications, such as "Life," "American Weekly," "The National Geographic" and "Readers Digest" have carried feature articles about "Mexican Holiday."

Some of its major sequences include Acapulco, Patzcuaro, Guadalajara, The Rain Dancers, Bull Fights, Taxco, Oaxaca, Pyramids, Floating Gardens, and the latest scenes of the terrifying Parcutin Volcano.

Robert Friers narrates the film with a whimsical humor. Single admission ticket reservations may be made by calling the Grosse Pointe Board of Education, Niagara 2000, Extension 25.

**W. R. Witwer Appointed To Medical Committee**  
 W. R. Witwer, of Grosse Pointe Park, has been appointed by E. F. Sladek, M.D., chairman of the Council of the Michigan State Medical Society, to membership on the Committee on Rural Medical Service.

This committee reviews the problems of rural folk in obtaining adequate and proper medical care. It consults with the various rural organizations in determining the need which exists in certain rural areas and advises ways and means whereby this need can be best met.

**Unitarian Church Director Visitor**

The Grosse Pointe Unitarian Church is entertaining Miss Frances Wood, Assistant Director of Religious Education of the American Unitarian Association, with headquarters in Boston. Miss Wood is stopping on her way home from attending the National Institute of Religious Education being held in Grand Rapids.

Miss Wood will be the guest of the Church on Sunday and Monday, February 16 and 17. She will make a survey of the Church School on Sunday morning, and will speak on Sunday afternoon at the Family Tea on "The Church as an Educational Institution."

Thomas E. Montgomery, organist for WWJ, will give an organ recital on the Hammond organ which is being purchased as a memorial to Dr. Augustus P. Reccord.

The tea is in charge of Mrs. Thomas P. Henry, Mrs. Theodore A. Jacob, Mrs. Ross Wilkins Jr., Mrs. George C. Arvedson, and Mrs. William G. Montgomery.

Miss Wood will speak on Monday afternoon at a tea for Cradle Roll mothers and mothers of young children and their friends. Mrs. Raymond B. Baer and Mrs. Richard J. Wilkinson will be hostesses and Miss Wood will speak on "Religion in the Home."

Miss Wood will meet with the members of the Church School faculty on Monday evening, at which time she will discuss curriculum and projects.

**CAR CATCHES FIRE**  
 Damage estimated at \$10 was done by a small fire in the car of Mrs. N. Sudwick of 5250 Lakeview, while it was in front of 252 Kenwood court on February 6. It was extinguished by Farms of Mrs. N. Sudwick of 5250 Lakeview firemen.

**IT'S FOUNDER'S WEEK AT**

**LET US SHOW YOU HOW MUCH MORE YOUR FOOD DOLLAR BUYS AT A&P** *Come! Share! Save!*

Starting today... it's Founder's Week at A&P. Founder's Week is our way of honoring the memory of A&P's founder whose common-sense business policy was simple and sound: "Only one quality—high... only one price—low." Fifty-two weeks a year we live up to the strict letter of this policy on every item of food we sell. One week a year we pay tribute to our founder who made that policy a fact. And the best tribute we know is the prices on this page. They prove how A&P keeps faith with you and the founder. All of the values listed here are outstandingly typical of A&P's everyday low prices. Be sure to visit your nearest A&P during Founder's Week. You will see how A&P helps stretch your precious food dollars!

### Permanent Citation Given Joy for Part in Invasion

Lt. Cdr. Richard Pickering Joy, Jr., of 60 Renaud road, Grosse Pointe Shores, husband of Mrs. Mary Reynolds Joy, has received a permanent citation for his Bronze Medal from Secretary of the Navy James Forrestal, for the President.

Lt. Cdr. Joy, who has been released to inactive duty, received the award for his performance in action against enemy forces during our amphibious invasion of Southern France.

During the war, citations were temporary, or incomplete, for security reasons.

Text of the complete citation is as follows:

"For meritorious service as Commander of an Identification and Control Unit of a Naval Task Force during the Amphibious Invasion of Southern France on Aug. 15, 1944. Expertly disposing his units in the anti-submarine screen of a landing craft convoy, Lieutenant Commander Joy carried out his escort assignment which brought the assault units to the proper position off the enemy coast. Establishing his units in

the correct reference points to mark the approach channels to the designated beaches while fully maintaining the element of surprise, he contributed materially to the successful launching of the assault and to the early establishment of the beachhead. By his professional ability, determination and devotion to duty, Lieutenant Commander Joy upheld the highest tradition of the United States Naval Service."

### Brabb to Teach Course in Radio

A course in the fundamentals of radio will be offered at the Grosse Pointe High School starting Wednesday evening, February 19, at 7:30.

John H. Brabb, practicing attorney, will be the instructor. Mr. Brabb is a graduate of Dartmouth and the Detroit College of Law. Mr. Brabb has been active in amateur radio since 1922 and holds a commercial radio telegraph license. During World War II, Mr. Brabb served three years as a Navy Airborne Electronics Officer. For 14 months he was Chief Electronics Officer aboard the U. S. S. Shangri-La.

The course will include A. C. and D. C. fundamentals, resonant circuits, vacuum tubes, radio receivers, wave propagation, antennas, radio transmitters and transmission lines.

If you are interested in joining this group, call the Grosse Pointe Board of Education, Niagara 2000, Extension 25.

There's nothing like being at the end of the rope to get you back on the line.

### "Stolen" Watch Found On Gymnasium Floor

Loss of a watch and a pair of fur lined gloves was reported to the Farms police on February 4 by the mother of Robert Wurm of 591 Copeland, who said they had been stolen from his locker the night before while he was playing basketball at St. Paul's School.

The following day when the police called her to get further information on the theft, they were told that the watch had been returned. A friend of Robert's said he had found it on the gymnasium floor.

### Private Sewer Permit Denied

The request which Walter Knapp made of the Park Council to construct a separate sewer serving his property at the northwest corner of Lakepointe and Jefferson, at the previous council meeting, was denied by council, at the Monday night meeting. The Knapp property has 50 feet fronting on Jefferson and is 350 feet deep on Lakepointe. He contemplates selling the rear of the property, which has an apartment house located on it, which is now served by a sewer running under the property fronting on Jefferson. This situation, he claimed, might lead to trouble when the property is lodged in separate ownership.

The Council's decision was that if he wanted to furnish the labor and material for the work the village would have it done under its own supervision. Two other similar circumstances were cited in the village where this course had been pursued.

### Joanne Robbins February Bride

After a Chicago honeymoon, Mr. and Mrs. Charles Noel Richardson Jr. will make their home in Detroit. The bride is the former Jeanne Ellen Robbins, daughter of Mr. and Mrs. William R. Robbins of Haverhill road.

The bridegroom's parents are the Charles N. Richardsons of Cameron avenue.

The ceremony was held Feb. 11 in Grosse Pointe Memorial Church, with Dr. Frank Pitt officiating. A dinner for members of the family was given at the DAC following the ceremony.

Jeanne chose a gray wool suit for her wedding, with which she wore a small black straw hat with a tiny veil. Her corsage was of white orchids. Phyllis Richardson, sister of the bridegroom, was maid of honor. Best man was Marilyn G. Bibbee.

### Gari Strohs Entertain At Home in Metamora

One of the nicest parties (the type envied by those who have to spend the winter in the North) was given last weekend by Mr. and Mrs. Gari Strohs at their house near Metamora.

Among the weekend guests who joined in the fun of sledding, skating, playing games and just relaxing near the fireplace, were Mr. and Mrs. George O. Johnston, Mr. and Mrs. Chisholm N. Macdonald and Dr. and Mrs. John B. Hartzell.

### Neighborhood Club Grateful for Gifts

The Board of Trustees of the Neighborhood Club wishes to acknowledge with appreciation the many contributions that have come in to Mrs. James Turner for the direct relief work done by the club's Social Service Department.

**CHRIST CHURCH**  
The Combined Choirs of Christ Church, 61 Grosse Pointe boulevard, will sing Dubois' setting of "The Seven Last Words of Christ on the Cross" at the 8 o'clock evening service, Ash Wednesday, Feb. 19, under the direction of Charles Allen Rebstock, organist and choirmaster. They will be assisted by Reva Reatha, harpist.

### Memorial Group Holds 55th Tea

Historic Memorials Society of Detroit gave its fifty-fifth annual Lincoln Day tea yesterday at Newberry House. In charge of the party were the club officers, Mrs. Louis Gascoigne, Mrs. Alfred G. Wilson and Mrs. Charles Horton Metcalf.

Mrs. Henry B. Joy is head of the society's reception committee. Patronesses for the tea included Mrs. Henry Ford, Miss Mercy J. Hayes, Mrs. J. Harvey Maxwell, Mrs. Alvan Macaulay, Mrs. Cyrenius A. Newcomb Jr., Miss Harriet E. Raymond, Mrs. Mark B. Stevens, Mrs. Harry Thatcher, Mrs. Homer Warren and Mrs. Edgar B. Whitcomb.

### Zelznik Seeks Post of Justice

Robert Zelznik of 1226 Whittier boulevard, candidate for Justice of the Peace of Grosse Pointe Township, has been a resident of the Pointe for the last 20 years.

He is a graduate of Grosse Pointe High School, attended Detroit Institute of Technology and took his degree at the Detroit College of Law. He attends the Grosse Pointe Unitarian Church.

### Express Charges Bring Complaint

The Shores village is trying to come to some understanding with the Railway Express Agency whereby the residents north of Oxford road can have express delivery without paying an extra charge.

Village Manager Jefferis has had several contacts with E. J. Hardesty, superintendent of the Express Agency. He says that the general average extra cost of delivery to Grosse Pointe is more than the ordinary express charges. To partially protect itself against this, the agency some time ago drew an arbitrary line at Oxford road beyond which the extra charge would go on.

In Macomb county just across the north village line the residents get express delivery without charge. Delivery is made there from Mt. Clemens which is the collection depot for express delivery in that area.

### Ibex Club Members To Tour Music Hall

The Ibex Club will hold its monthly meeting at 2 p. m. on Friday, February 21. The members will be taken through Music Hall and will hear a talk on the aims and future plans of the musicians.

### Annual Meeting Planned By Lutheran Auxiliary

The Lutheran Charities Women's Auxiliary will hold its annual meeting on February 18 in Hope Lutheran Church.

The Ladies' Guild and Missionary Society of Faith Lutheran Church will meet on Wednesday, February 19 with luncheon at 12:30 p. m. and a business meeting and social hour at 1:15 p. m. Miss Pauline Warnke will give a short topic discussion and there will be a movie on the book "World of Tomorrow," by the Detroit Bible Society.

A World Day of Prayer will be held on February 21 beginning at 1:30 p. m. at Faith Lutheran Church, Philip and E. Jefferson avenues.

### Pointers Enjoy Skiing On Otsego Club Slopes

Skiing at the Otsego Club at Vanderbilt, Mich. during the week-end were Cynthia Wade, Judy Frost and Betty Lou Giv-

ans, chaperoned by Edward Wade. Another pair of skiers were Edward Hammond, Sr. and his son Teddy. Also seen on the slopes were Mimi Thompson and her mother.

**Dr. Leland Tower Suicide Victim**

Dr. Leland H. Tower of 552 Lincoln road, committed suicide at 1:35 o'clock Wednesday afternoon in the basement of his home by shooting himself in the mouth with a .38 calibre revolver.

Dr. Tower had been in failing health with a heart ailment for several years and had retired from the active practise of medicine in 1944. He formerly had offices in the Francis Palmis Bldg. in Detroit.

He was born Sept. 9, 1880 in Union City, Michigan. He is survived by his wife Blanch, and two daughters, Helen Marie Tower and Virginia E. Andres.

**James Boynton Seeks Office**

James Boynton, an attorney with offices in the Penobscot Building, today announced he would be a "sticker candidate" at the primary election, Monday, Feb. 17, to succeed Circuit Judge Sherman D. Callender, who is retiring.

Mr. Boynton is married, has one child and resides at 7704 East Jefferson.

An old one-cylinder motor such as those used on scooters or lawnmowers was fished from Lake St. Clair east of Morosa, by George Dufour of 3921 Nefl, on January 26. He turned it over to the Farms police the following day.

### Youngster Darts In Front of Car

Little Daniel Stephan, aged 6, of 1434 Wayburn, ran from between parked cars on Chalmers a few feet north of Charlevoix at 3:30 p. m. on Friday, Feb. 7, in front of a car being driven by Henry J. Marvel of 9239 Devonshire, Detroit.

The child was running after some school papers that had blown out of his hands. He suffered only a badly bumped head and was taken home in a Detroit police car. There was no evidence of improper driving by Mr. Marvel and no ticket was issued.

Ideas worth dying for are what makes life worth living.

TURNER MOTOR SALES

To merit your lasting friendship—to merit your lasting goodwill—we operate our service business in accordance with the following principles:

### OUR SERVICE PLEDGE

- We will accurately diagnose—to the best of our ability—the repairs needed on your car. If you request it, we will give you in advance our analysis of the work to be done.
- We will write up your order clearly, completely and legibly, and secure your authorization to do the work before starting.
- We will notify you in advance of any additional work we think should be done, and secure your approval before proceeding.
- We will perform all the work on your car as efficiently and as economically as possible. We will replace only those parts which in our judgment need replacing.
- We will road-test your car after the work is done and before we return the car to you, if the nature of the work requires it.
- We will endeavor to have your car ready on time. If the work takes longer than we estimate, we will advise you as far in advance as possible.
- We will provide you with an itemized bill showing exactly what work was done and exactly what it cost. We will gladly explain any item or items that are not clear to you.
