# Oxford Road Association President Takes Exception To Story on Woods Ruling

### W. L. Fricker Explains Property Owners' Group Protects Interests of Home Owners in Specific Subdivision

The article carried in the NEWS last week regarding the action taken by the Woods council in requiring that building plans which have been submitted to the village for building permits, and forwarded by the village to the property owners association of the particular subdivision concerned, must be returned by the association within 48 hours, has drawn the comment of the Oxford Road Property Owners Association.

W. L. Fricker, President of the Association, has explained at some length the relations of the Association to the development of the subdivision. There is no

great difference in the facts related by him and the article published in the paper, except that in the case of the Oxford Road Association these plans must bear the approval of three of the six committee members. It had been stated at the meetings of the village council that in many such associations the chairman or president was in the habit of assuming this authority alone. Mr. Fricker says not so with the Oxford Association.

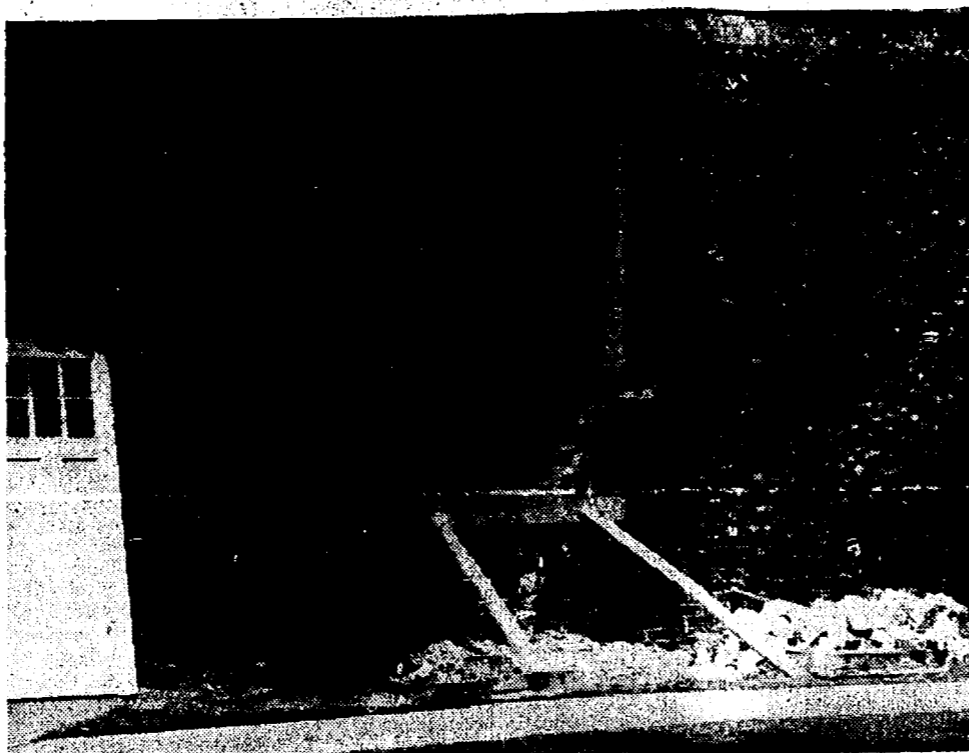

His letter which is herewith published is also most informing as to the efforts that have been made by the Oxford road group to get away from the unit value method of classification for dwellings to a cubic content classification, as the only just way of compensating for the widely varying building costs in different periods.

Mr. Fricker's letter reads:—  
August 12, 1947

Dear Mr. Edgar:—  
Confirming our recent phone conversation regarding the article contained in your paper of August 7th in connection with the action taken by the Woods Council in the issuance of building permits, we wish to state our position pertaining to the functioning of our Association.

The Oxford Road Property Owners Association, a voluntary association was organized in 1938. The Association is a duly qualified and organized body representing the property owners residing on Oxford Road. It is the specific purpose of this Association, as expressed in its articles, to take all necessary action directed to preserving the building and use restrictions applicable to the property on Oxford Road, and to prevent the violation and abuse thereof and to promote and protect the rights, common interests and general welfare of all owners of property located on Oxford Road. That membership in said Association is open to all persons owning a

# Farms Police Station Broken Into

BUT THE BREAKING was done by stone masons and carpenters hired by the village fathers to create a new entrance into police headquarters in the municipal building on Kerby road. No longer will residents having business with the department have to wind their devious way through hallways and locker rooms. The improvement is part of a big program which has transformed one of the two main rooms of the headquarters into a series of private offices. The other room has been completely re-arranged with new desks and counters and a much, much nicer place for the press to work.

residence or individual lots on Oxford Road; our membership is substantial and representative.

We have a Compliance Board consisting of six members who are elected by the membership, they serve a two year term, first year as Directors, and the second year as Officers. Their duties are to seek to obtain copy of plans of any proposed structure to be erected on the street prior to commencement of any work and examine same to see that the structure complies with the cubical requirements as expressed in its Articles of Association, compliance with the building code and zoning ordinance of the Village.

At least three members of the Compliance Board are required to examine the plans for approval; for rejection, all members of the Compliance Board are required to examine them. In any event, the prospective builder is promptly contacted by phone and is apprised of our findings; if for any reasons, the plans are rejected, we recommend to the builder that he sit down with us to determine some solution. Furthermore, our procedure has been when approving a plan, we

affix our signatures on same, thus enabling the builder to obtain his permit without delay, in addition, we follow up with a letter to the Builder with copy to the Village Clerk and the Subdivider. When a plan is rejected, a letter is promptly sent to the same parties in which our reasons for rejection are stated. However, we can advise that in most cases when we are given the opportunity to sit down with the new home owner and express our reasons for requesting him to alter or enlarge his proposed

dwelling so it may conform to the character and development of the street, they willingly cooperate.

When the Association was organized in 1939, they attempted to translate the applicable cost restriction into a cubical content basis, taking into account building costs as of the date the subdivision was platted, and to induce prospective home owners to build houses determined in this manner.

From careful investigation, we were advised from reliable

sources that 1928 and 1939 building costs are comparable, the Detroit Real Estate Board chart confirms this according to our interpretation. With the resumption of residential building, we are confronted with a serious problem in our attempt to maintain and preserve the harmonious development of our Subdivision, and to protect the investment of property owners who constructed their homes prior to the war. These cost restrictions contemplated building costs in effect, at time of platting the subdivision were considerably less than today's building costs. This necessarily means that a house built today might meet the dollar cost requirements of the recorded deed or plat involved and be a much smaller house than the ones located on adjoining lots constructed before the war, and fail to harmonize with the nature and character of the Subdivision. If this situation is permitted to proceed without any restraints, we could be faced with a situation that would result in the destruction of the values of homes constructed before the war and detract from the harmonious development of the Subdivision.

We also wish to refer to that item mentioned in your article

which states in part: "Courts decided only within the month that the \$12,000.00 house was permissible." This question was not passed upon by the Courts. The case involved only, the question of a Chimney Violation.

information you might wish, we would be most pleased to furnish it. We are.

Very truly yours,  
OXFORD ROAD PROPERTY OWNERS ASSOCIATION  
By W. J. FRICKER,  
President.

# Detroit Commercial College Re-opens September 8

A LIMITED number of seats are now available for high school graduates with high scholastic attainments; also for applicants who have attended literary colleges. Reservations close August 21.

The College specializes in training students for a business career and for positions as teachers of business subjects in private colleges. The College is chartered by the State as a non-profit educational institution.

The College yearbook, containing a syllabus of the course of study, may be obtained at the College offices, 602 Book Building, Washington Boulevard, or by calling RAndolph 3880.

## Park Merchants Win Fight To Keep Kercheval Open

(Continued from Page 1)  
No north and south streets would be choked off at any point.

The big shaft at Nottingham would be a short distance west of that street on Kercheval, but the merchants allege it would completely block all east and west travel past their places. Several of them stated if this condition continued for more than a year, as was indicated, it would mean the ruination of their business.

Attorney Drysdale said it was not the purpose of his clients to oppose the sewer. They recognized its necessity but were insistent that the work should be done in such manner as not to ruin their business.

At the Village council meeting at 5 o'clock Monday afternoon, the sewer project was the principal item of discussion. A considerable number of the Kercheval merchants were present, as was Mr. Drysdale. Attorney Julius L. Berns was also present, representing the Michigan Sewer Construction company.

Mr. Drysdale said his purpose in appearing at the Council meeting was to ask the village commissioners for a resolution stating that in their agreement with the Detroit authorities there was no permission given or implied of the right of the contractors to block off traffic on any thoroughfare.

This assurance was quickly given. In the argument before Circuit Court Judge Miller on Tuesday morning the restraining order was amended permitting the issuance of a consent order, agreed to by Attorney Drysdale on behalf of his Kercheval ave. merchant clients.

The order is addressed to the City of Detroit, the Village of Grosse Pointe Park, and the contractors. It will permit the prosecution of the work as originally planned provided that a two-lane highway is maintained at all times.

There was never any question of the right of the City of Detroit to lay its sewer under the village streets. That question was settled

in law generations ago. Damages arising from the work rests always on the visiting municipality and/or its agents, in this case the contractors doing the work.

This settlement effected by the consent order apparently settles the matter as far as the merchant complainants are concerned.

If in the course of the work the contractors fail to observe the strict letter of their agreement and the consent order the trouble will start all over again.

### Jean F. Luxan Returns From Duty on Okinawa

Miss Jean E. Luxan, of 1092 Beaconsfield, Grosse Pointe Park, a Staff Assistant of the American Red Cross, has recently left for return to the United States aboard the S. S. General Patrick, from Headquarters, Ryukyus Command on Okinawa.

Upon her arrival in San Francisco, she will report to the nearest ARC Port Military Liaison for further orders.

### Brass and GI's Praise Pointer

Sergeant Don Dannecker, just home from a most interesting tour of duty in Japan, was met on the West Coast by his parents, Mr. and Mrs. Arthur Dannecker of Cadieux road.

For the last 11 months prior to his leaving Japan he has been manager of Armed Forces Radio Station WLKI on the island of Kyushu. His station issued 18 hours of daily entertainment and he personally gained such popularity with the 15,000 GI Joes on Kyushu through the fun and entertainment he dished up to them during his operation of the station, that his fame and popularity preceded him to the west coast stations when he returned to America. He was an invited guest at all of the principal broadcasting stations on the lower coast.

When he left he received a citation from his commanding officer, Col. R. P. Todd, which read "Your unusual devotion to duty as regards radio entertainment and the assiduous manner in which you employed your knowledge of the diverse problems en-

countered in managing a radio station made you an invaluable contributor to the upward trend of morale."

He had a staff of fifteen under him at the station, six of whom were native Japanese technicians. He speaks highly of the devotion and skill of his native helpers.

### Citizenship Papers Restored to Loser

Tom Linton, of 1148 Wayburn, last Friday found the citizenship papers of John Conrad Schmid of 22030 Maxine, St. Clair Shores. Mr. Schmid had dropped them on Wayburn near the Linton residence.

He was notified of the recovery of the papers via the Park and St. Clair Shores police and called for them the next day.

### HURT AT PARK BEACH

Superintendent Brown at the Parks municipal beach park reported to the police on August 6 that a boy, Joseph La Bonty, aged 12, of 1320 Lakepointe had suffered a severe cut on the back of his head. He was treated by Dr. Neumann and taken home by the police.

### Hunt Club Hires Noted Horseman

The Grosse Pointe Hunt Club is congratulating itself on having acquired the services of Kenneth Fielding Carter as club manager. Mr. Carter has had a wide experience as a horseman and is especially interested in teaching.

He spent his childhood with his uncle, Whalen Borden, well known trainer of hunters, and as an adult he has ridden competitively on every continent in the world.

In Shanghai he rode with General Gelerof, formerly chief instructor of the Imperial Cavalry Academy in St. Petersburg. He bought 6,000 horses for the Chinese government for breeding and military purposes.

During the war Mr. Carter was a captain in the infantry serving in the Asiatic Theater and recently he has been manager of

the Midway Riding Club of Chicago. Mrs. Carter is also a great horse-lover. They have a daughter, Janet.

**INCINERATOR STARTS FIRE**  
There was a small fire at 876 Trombley on August 10, started sparks from an incinerator igniting the roof. Park firemen quickly extinguished it.

### Pointers Come And Pointers Go

Arrivals and departures are still in the news—with local heat at a new high, it's easy to understand.

A respite at Higgins Lake is on the agenda for Mr. and Mrs. William C. Roney of Provençal road. Spending the month with them there are their son-in-law and daughter, Mr. and Mrs. Walter Auch of Moross road.

Mrs. William H. Herbert and son Bill plan to leave Saturday for their cabin at Estes Park, Colo. They will be gone two weeks. The Pines at Colvitt, Cape Cod, Mass. will be the address for several weeks of Mrs. W. S. Markle of Whitmore road, who left last Monday.

Among the most recent returnees are Mr. and Mrs. John W. Mulford and their children who are back in their Provençal road home after a stay at their ranch at Billings, Mont. Mrs. Wood Williams of Stanton Lane and Mrs. Ralph Stoepel of Van Dyke road returned to the Pointe this week from the summer home of Mr. and Mrs. Edwin S. Harbour, of Lakeshore road and Harbor Point. Mr. and Mrs. Harold F. Ward, Zell returned Monday from a

weekend at the Fontinalis Club. Guests are also on the departure roster with Mr. and Mrs. Raymond S. Page Jr. returning to their Bloomfield, N. J. home after a three week visit with Mrs. Page's mother, Mrs. Earl I. Heenan of Bishop road. Mr. and Mrs. James K. Watkins of Cloverly road also said good byes this week to their son and daughter-in-law, Mr. and Mrs. George H. Watkins, of Gates Mills, O.

### Backs Car Out of Drive Into Farms Light Pole

When he backed out of the driveway at 957 Fisher road at 10 a. m. August 11, Arman Jones Kearfott of 177 Grove avenue, Highland Park, rammed his car into a light pole and knocked the top off.

Kearfott reported the accident to the Farms police immediately and left an address where he could be located. The Detroit Edison Company was notified.

It's easier to discuss change in our institutions than to even think of it in myself.

### Kid Bits

By Mary Prevo

Things were all a-stir at 1222 Yorkshire on August 6, for sweet 18-year-old JAN WALKER was honored by a gigantic surprise party. Jan's mother planned the affair with the help of NANCY LOHERTY and JEANNE SMITH. That day was full of excitement for the birthday gal! After school, Nancy and Jeanne met Jan and took her to lunch and to a show. THEN, when those three arrived at the Walker home, out popped the smiling faces of Joan Rolling, Alice Savage, Margo Gessler, Cathy Greig, Gretchen Kleehammer, Barb Otto, Joan Von Rosenberg, Joyce Wiek, Nancy Voorhees and Peg Dickens. (The Dickens gal was celebrating her birthday anniversary on the same day!)

When folks were filled to the brim with ham and potato salad, Mr. and Mrs. Ralph Cattell drove the crowd over to Welding Pictures studio to see movies. (Mr. and Mrs. C. gave Jan two lovely gardenias which looked charming on her pale blue cotton dress.)

Talk is running rampant about that jolly "bag session" put on last week-end by JOAN VAN-BECELAERE! What a time those gals had discussing vacation days as they played cards and ate. Harriett Goodrich was there with her houseguest, Barbara Wilson, and so were Barbara Robbins, Jane Stewart, Marie Maes, Nancy Voorhees, Joyce Wiek, Joan Watkins, Mary Stover and Phyllis Frank.

### Jean Gearing's Betrothal Told

An early autumn wedding is planned by Jean Alison Gearing, daughter of Mrs. J. V. Gearing of St. Paul avenue.

Jean's engagement to Frank Eddy Standish was announced last Thursday. Mr. and Mrs. W. Colburn Standish of Lakeland avenue, Frank's parents, returned from their fishing lodge at Loon Lake to be present at the announcement party.

Jean's schools were Liggett and Goucher College. Frank attended DUS, Stonybrook and Hamilton College. He is affiliated with Psi Upsilon fraternity. For 39 months during the war, Frank served as Navy quartermaster 1/c in the North Atlantic and South Pacific.

### MORE BUZZERS

More complaints of low-flying planes buzzing the Farms beach park were phoned into the police department on August 6 and August 10.

### John F. Boydells Hosts at Picnic

Mr. and Mrs. John F. Boydell of Kenwood court were Saturday's hosts at an outdoor, picnic-style party at their summer home in St. Clair Flats.

They invited 25 couples, as well as their children, and festivities began at 2 p. m., with supper set for 6 p. m.

Among the elders invited were the David Stapletons, Mr. and Mrs. J. Vernon Davis, Dr. and Mrs. Thomas Sage, the William H. Denlers, and Mr. and Mrs. George C. Candler Jr. Others included the Marshall E. Templetons, Mr. and Mrs. Harry R. Esling and Mr. and Mrs. William J. Young Jr.

### Barbara Wicking To Bow at Tea

A garden tea on Sept. 3 will be the setting for Barbara Wicking's bow to society.

The deb's mother, Mrs. Bert H. Wicking, will be hostess at the party in the family gardens on Trombley road. Mr. and Mrs. Webster E. Knight of Port Gray Haven will host a dinner dance at the DAC, following Barbara's presentation.

The deb-to-be and her sister, Buffy, recently returned from a stay at Manitoulin Island to make ready for the event. Shortly after her debut, Barbara will leave for Western College, Oxford, Ohio where she is to be a soph counselor and chairman of Hell Week.

### Couple Observing Silver Wedding

Dr. and Mrs. Hilton Otto von Rosenberg, of 481 Neff road, are celebrating their silver wedding anniversary today, Thursday.

A reception is being held in the home tonight from 7 to 10 p. m., with the following assisting in receiving the guests: their daughter, Joan von Rosenberg; Mrs. J. Harvey Maxwell, Mrs. Julius Huebner, Mrs. Graydon Walker, Mrs. David Mitchelson, Mrs. Ralph Whitley and Mrs. Howard Wolff.

'The Moby Dick', the Navy's powerful rocket motor, exceeds by more than one-third the thrust of German rockets used to bomb London.

### Davenport-Owen Wedding Aug. 23

Claire Davenport, daughter of Mr. and Mrs. Talmon A. Davenport Jr. of University place, has chosen Aug. 23 as the date of her wedding to Howard E. Owens.

Howard is the son of Mr. and Mrs. Ralph J. Owens of Wolcott, Ind., formerly of the Pointe.

The ceremony will be held in the afternoon at Grosse Pointe Memorial Church.

Mrs. John S. Burchenal will be Claire's matron of honor and the bridegroom's sister, Phyllis Owens, will be the only bridesmaid.

Howard has asked his brother, Robert J. Owens, to be best man and ushers will be William G. Bradford, of Evanston, Ill., Esauig Terry R. Rager of Oceana, Va., John S. Burchenal and John L. Emery.

The Burchenals will host the rehearsal dinner on Aug. 22 in their Moross road home.

Parties which have honored Claire have included a personal shower and bridge luncheon given by Mrs. Todd Fredericks at the Grosse Pointe Yacht Club; a kitchen shower and boating party given by Mrs. C. R. Bishop at her summer home on the Clinton

river; and a miscellaneous shower given by Mrs. Frank Kroner in her home in Dearborn.

Claire was a member of the

Sororians at Olivet College and Howard was a member of Phi Delta Theta Sorority at Indiana University.

**HOUSEHOLD HINT**  
When jelly has not set, add a few drops of lemon juice. This will often overcome the difficulty and also improve the flavor.

## Mary Jane Kennedy To Be Friday Bride

Marriage to Russel H. Nutter Set for August 15; Rehearsal Dinner in DAC Last of Pre-Nuptial Festivities

Last of the pre-nuptial festivities for Mary Jane Kennedy and Russel H. Nutter will take place this evening, Thursday, when Mary Jane's parents, Mr. and Mrs. Frank J. Kennedy of Ann Arbor, entertain at the rehearsal dinner at the Detroit Athletic Club.

The bridal couple will exchange their vows on Friday, Aug. 15, at Christ Church Grosse Pointe at 2 o'clock in the afternoon.

Guests at the rehearsal dinner will include Mrs. Augustin G. Nutter, mother of the bridegroom - elect; Peggy Toncray, Mark Schriver, of Baltimore; Mr. and Mrs. John E. Brink, D'Arleone Brink, Linus Llewellyn, of Palm Beach, Fla.; Patricia Blackwood and her fiancé, Walter Gowans; Bette Cowan and her fiancé, David Keena, and Peggy Erne with her fiancé, Robert Scott.

Others will be Hugh Nutter, John Park, Sally Cote, W. Beresford Palmer III, Joan Streeter, of LaGrange, Ill.; Joseph Jennings, Jr., Jane Hughes, Thomas Hatcher and Ray Wadleigh.

Joan Streeter arrived from her home in LaGrange, Ill. on Wednesday, Aug. 13, in time for the spinster dinner given that evening by Peggy Toncray in her home on Buckingham road. Joan is a former classmate of the bride-elect at Weylister College, Milford, Conn.

Mark Schriver, who is a Phi Kappa Sigma fraternity brother of Russel's, came on with the bridegroom-elect from summer studies at Cornell University, arriving here Aug. 8, to be a

### Classmates Entertained By Betty Ann Beaufait

Guests of Betty Ann Beaufait last week were Mary Clare Condon of Charleston, S. C., and Romayne Schloss of Cleveland, Ohio. Both were classmates of Betty Ann at Barry College in Miami, Fla.

Betty Ann and Mary Clare will be back at Barry in the fall. Romayne will be a student at Edgewood Park College in New York.

## Connie Arnoldy's Betrothal Told

Carolyn May Arnoldy is providing her family, the William Arnoldys of Neff road, with enough excitement and adventure to last a year.

Connie arrived home from a visit in Boston last Thursday just in time to be on hand for the announcement of her engagement to Charles Robert Butler of Manila, Philippines.

Charles is the son of Mr. and Mrs. Frank William Butler, also of Manila.

Saturday, Oct. 4 is the date of the noon ceremony which will unite the couple in marriage at St. Paul's-on-the-Lake. Connie and Charles will make their home in Manila.

Connie was graduated from Connecticut College and the groom-elect earned his BA at William and Mary and has just completed his graduate work at Massachusetts Institute of Technology.

## Jane Griffiths To Wed Sept. 4

Thursday, Sept. 4, is the date set by Jane Griffiths, daughter of Mr. and Mrs. Albert A. Griffiths of Edgemere road, for her marriage to George Alexander Armstrong Jr. George is the son of George A. Armstrong of Washington, D.C., and the late Mrs. Armstrong.

The ceremony will take place at Christ Church, with the reception in the Griffiths' residence.

Jane's attendants will be Mrs. William G. Lercen Jr., Mrs. Charles B. Johnson Jr., Mrs. Stephen Strasburg of Washington, Mrs. Stuart B. Stuphin Jr. of Cincinnati, and Mrs. Henry Braun of Pasadena, Calif.

Best man is to be Eustace W. Stewart of New York. On the usher list are John S. McAndrew, Oscar Nohowel of New York, Frederick J. Griffiths of Washington, and William E. C. Eustis of South Stratford, Vt.

Jane and her parents are spending the summer at Harbor Beach.

## Planning Fall Wedding

The engagement of MISS VERA CRICHTON and Paul Richard Vogt was announced recently at a dinner party given by her parents, Mr. and Mrs. William Crichton of Lakeview avenue, Grosse Pointe Park. Paul, son of Mrs. Robert F. Vogt of Milwaukee, Wis., and the late Mr. Vogt, formerly lived in the Pointe and is now a resident of Los Angeles, Cal. The young couple are planning an early fall wedding.

## Mrs. John Pear Attends Conference in Toronto

Mrs. John Pear, of Trombley road, is to be the delegate from the Grosse Pointe branch of the American Association of University Women to the first postwar conference of the International Federation of University Women in Toronto August 11-16.

This is the first time the IFUW conference has been held outside the continent of Europe, as well as the first time since 1939. Ordinarily, these conferences are scheduled at three year intervals.

## Mrs. McBride Benefit Hostess

Mrs. Nelson J. McBride gave a delightful luncheon-garden party on Thursday, August 7, in her home in Sunnydale drive for the benefit of Bon Secours hospital.

Mrs. McBride welcomed as her guests: Mrs. George Marsh, Mrs. Esther Phillipa, Mrs. Harold Frear, Mrs. John Witt, Mrs. Dalton Snyder, Mrs. Patrick Doherty, Miss Mildred Gahagan, Mrs. John Condon, Mrs. John Mitchell, Mrs. Edward Lynch, Mrs. F. R. Burns, Mrs. J. Gahagan.

Also: Miss Marguerite Dalton, Mrs. Edward McCoy, Mrs. A. Marschall, Mrs. H. W. Wise, Mrs. B. Carducci, Mrs. B. Suino, Mrs. W. P. Jatkoe, and daughter, Carol, Mrs. Carl Ranno, Mrs. Robert Hammel, and daughter, Dolores, Mrs. R. S. Littley and Miss Loretta Dalton.

### VISITOR BITTEN

Kenneth Hamilton, aged 12, of 2244 Holcomb, Detroit, was severely bitten on the left hip by a dog at 755 St. Clair avenue on August 9. The owner was instructed to keep the dog tied up for 12 days.

## Wedding Date Set By Esther M. Palmer

September 3 Selected for Her Marriage to William L. Newnan; Country Club Reception to Follow Ceremony in Memorial Church

Wednesday, Sept. 3 is the date set by Esther McGraw Palmer for her marriage to William Loring Newnan, son of Mr. and Mrs. Henry L. Newnan, of McKinley road. Esther is the daughter of Mrs. Longyear Palmer of Washington road and the late William Beresford Palmer Jr.

The Rev. Frank Pitt will hear the couples vows at an 8 o'clock ceremony in Grosse Pointe Memorial Church. A reception at the Country Club will follow the service.

First of the parties honoring the couple was the buffet supper Sunday, hosted by the Henry Vaughans at Mrs. Vaughans' parents summer home near Clarkston. An afternoon of swimming and riding for the guests preceded the event.

The future William Newnans will move into the apartment on University Place recently

vacated by the Vaughans when they took up residence at their new home on Van Antwerp road.

### RUSHED TO HOSPITAL

Mrs. Elmer Conry, of 1061 Maryland, phoned the police at 1 a. m. August 8 that her husband had been overcome by dizziness and had fallen and struck his head on the corner of a table. He needed quick medical attention. The police removed him to Bon Secours hospital.

## Engaged

Mr. and Mrs. William Lewis Schmidt of 1808 Roslyn road, announce the engagement of their daughter MAYREEN RUTH to Frank Leslie Mumford, Jr., son of Mr. and Mrs. Frank Leslie Mumford of 278 McKinley road. The wedding will take place October 18.

### BUSY LITTLE BEES

The Farms police have been notified that children have been doing considerable damage around the foundation for the new building of the St. James Lutheran Church, under construction on McMillan road between Kercheval and Ridge.

Intimate Apparel Shop

# Mary, Mary, quite contrary

by  
Mary Madison

Anyone who can television from a nightmare can see that The Infant Industry is having it's growing pains this summer—right out in public. And as one with such an eager and expectant interest in video that we were plotting sketches around something called Telecolor, we're beginning to feel not only as patient, but almost as old as Job—the biblical, not the financial Jobs. There will be plenty of good financial jobs in video, come perfection of the medium, but all the hard-going and grief is being taken, as always, by the pioneers. There'll be a lot more roughing-it before they start smoothing-it.

The television sets in the obviously more mechanically studios, where the technique is perfect, is less jumpy than the

television sets in every little crossroads cafe in the country from Bar Nothing to Bar Broadway. Most of these programs are so jumpy that one really wonders how they can ease and entertain the boys who get their only exercise with D.T's. Even in the more plush places, the screen not only makes the ball players look like midgets, but if you get off the coke, they are inclined to make the audience feel like midgets.

One of those revealing lights, in fact, that we've heard about these Video Shows is the fact that the press boys for television tell us that an amazing number of people still are under the impression that they're watching some sort of a film of a ball game or boxing match. They think television is a cross—or maybe even a double-cross—between the radio and the movies. And maybe they're not so far off, at that. At least, the boys in the back

room are going to sprain a brain, wondering how they can see a ball game without being there.

The answer from the trumpeters of television is that they're going to put on a big public relations campaign to educate the public regarding television, come this fall. To do this, they want to use their own medium, rather than radio or the press. But it's all a question of who knows whether the public wants to be educated on the subject when most of us are already living beyond our means, mentally. Everyone has a public relations these days.

As for radio, it's over its growing pains, but it's still having groaning pains—also right out in public. That Infant Industry just doesn't care to grow up. As The Peter Pan of the Air, it's sitting right on the pot of gold, and why should it grow up. The

boys who take the Crosby and Hooper ratings will tell you there are too few people living in Snobby Lobby to pay off those fabulous salaries for entertainers. It's the blessed morons that provide the loot—and how the radio boys love the illiter!

Radio's biggest headache, at the moment, is censorship, and interference from various government and trade commissions. The air is free—but just for the birds. And, incidentally, how do you suppose they feel about radio and television. There's one Four A. M. Announcement, outside our windows, that yips like the Walter Winchell of the Nutworks—and we wish someone would sign him up—preferably some alarm clock company.

The censorship interference comes from within and without the networks. The networks cut off cerebral comics like Fred Allen for childish intra-office

script squabbles. Outside agencies, such as the Federal Trade Commission are beginning to have requests against certain phases of broadcasting that bother the boys, as witness the warning issued by a Washington station that if the FTC moves in against the broadcast of horse racing as "an unfair trade practice," an extension of that philosophy would give the right to examine the content of every radio program. While stations have so far never been refused a license on the ground of horse-racing shows, the whole radio industry has a large stake in the controversy. And, as our Mutual Friend asks, what's the difference between printing and broadcasting race shows or results?

HIT-OR-MISS PARADE  
We ankle into Lillith of the

streamlined, dreamlined legs. She was out on a shopping binge, looking as she said for some "Sexy Shoes." That perfect phrase keeps haunting us, as the one we should have used when we were doing all that exclusive shoe advertising. . . . Elizabeth Arden suggests that you keep your creams and lipsticks in the refrigerator—preferably away from the Leiderscranz Cheese, we presume.

We were stopped in our tracks by two underscored signs in front of the City Hall, DO NOT FEED THE PIGEONS ON THE LAWN. Where do those pigeons want to eat, anyway—in The Mayor's Office?

If we hadn't already booked a holiday in Canada and The Big Town, we'd settle for the coolest, sweetest spot in town—the Safe Deposit Vaults of the National Bank. The climate is divine and there are NO radio or television sets in every vault. m.m.

## Hunt Club Show Second Largest

Figures recently released on the horse show held by the Grosse Pointe Hunt Club in June indicate that it was the second largest club show held in the United States, second only to Devon.

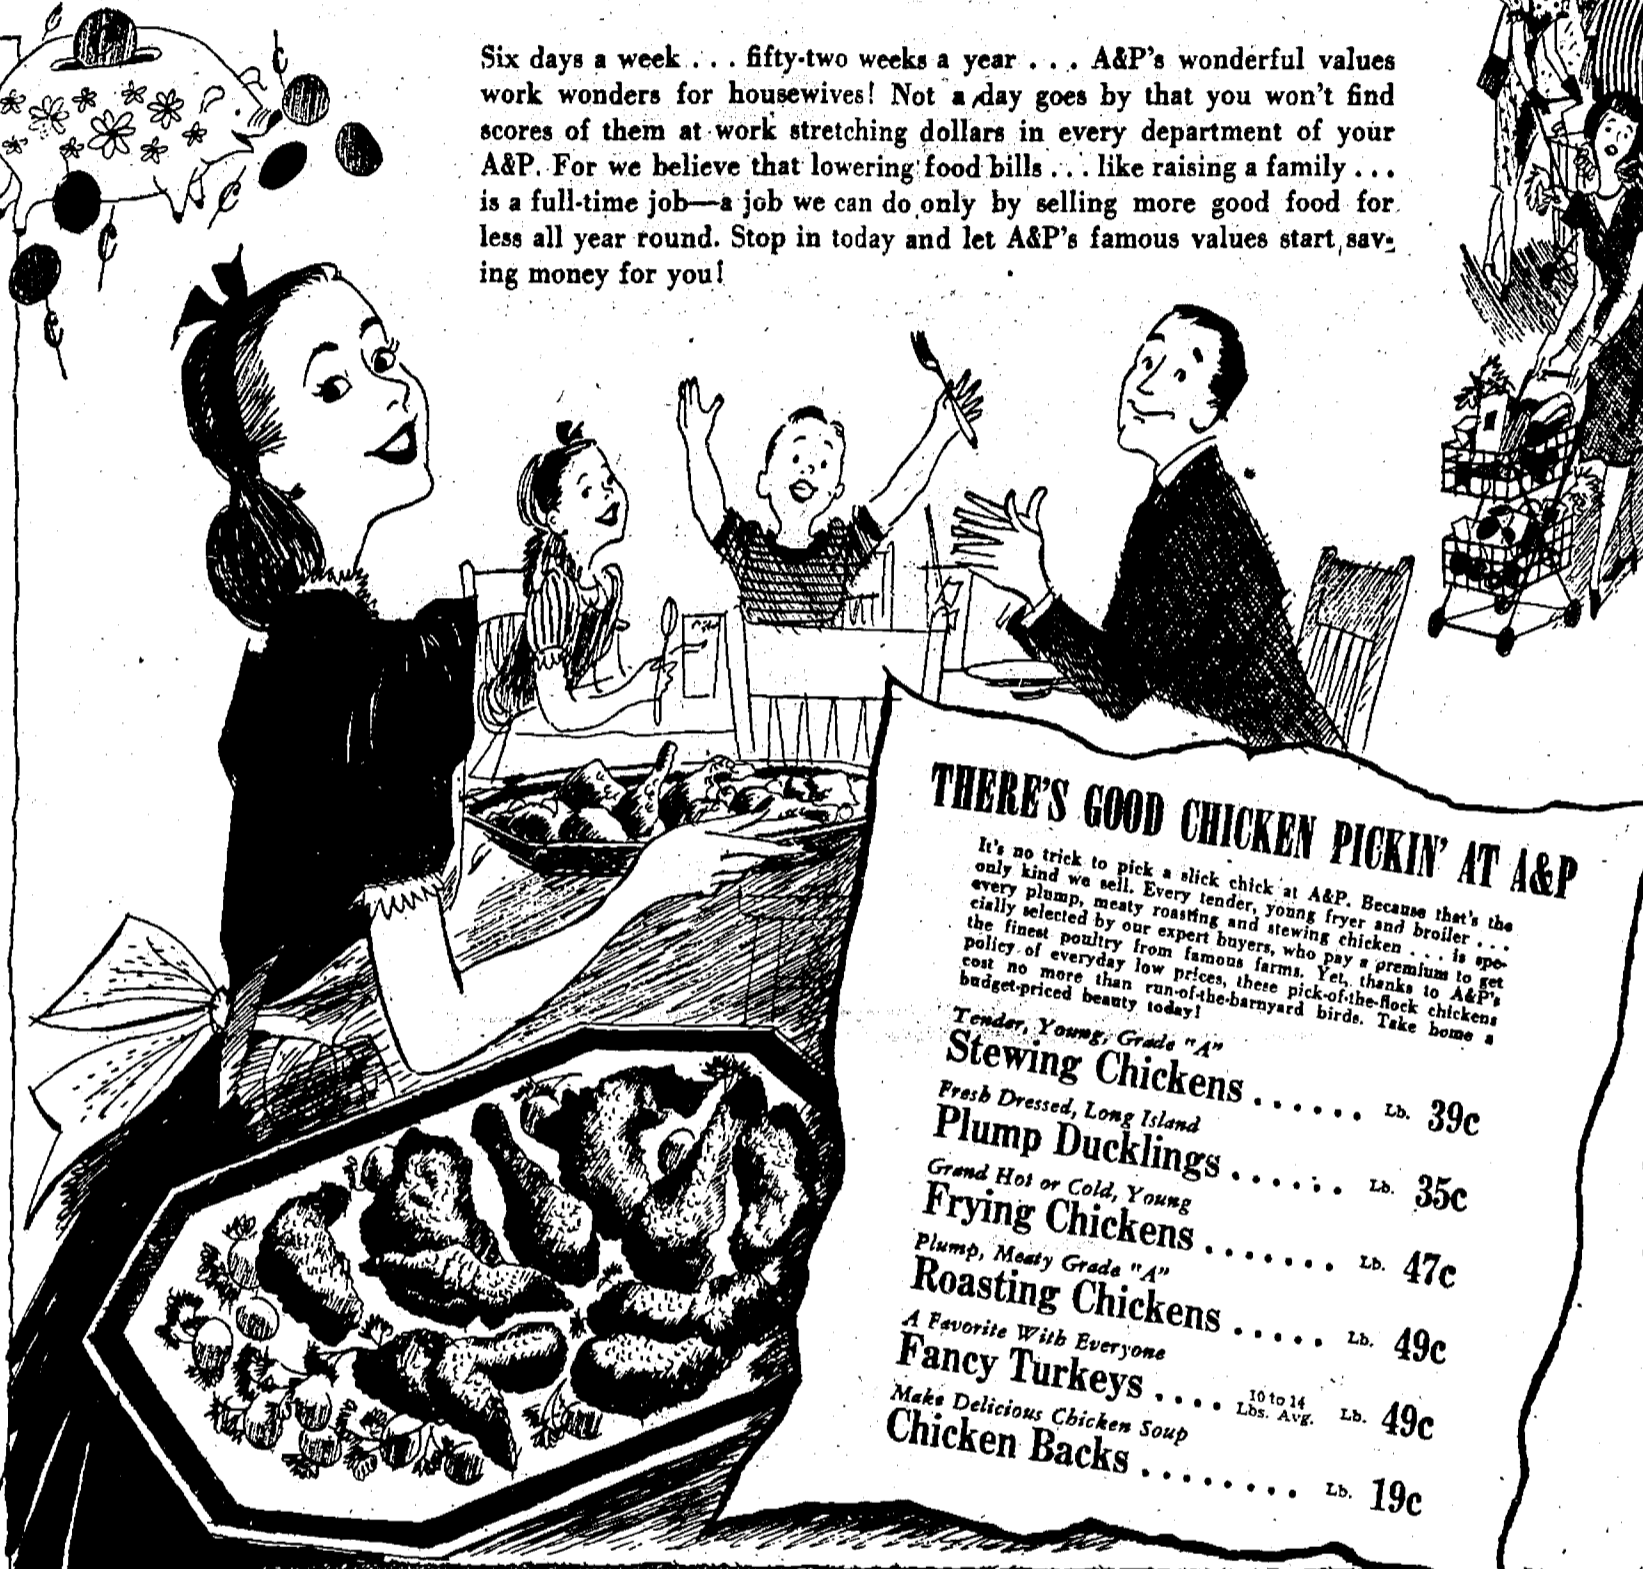

There were 1100 entries, representing a value of about a million in horseflesh. More than 300 of these horses were stabled at the club during the show.

Plans are being made to use the "substantial profit" made by the club through the show, for various improvements in the club facilities.

The U. S. Navy has released nearly 80 per cent of its war surplus.

### News and Tom Boyd Nines Start Three-Game Playoff

Winner of Post-Season Series Will Go to Dearborn; Al Bryant Reaches Peak of Career in Pitching No-Hitter

By JOE FROMM

Al Bryant, Grosse Pointe News pitcher, reached the pinnacle of baseball fame Saturday when he pitched his way to a 9-2 NO-HITTER against Tom Boyd. This game was a re-play of the 5-5 tie played on July 29 and put the NEWS team into a tie for first place.

Bryant pitched to only 15 batters in the first five innings. He walked a man in the first inning but he was picked off first base. Bryant walked another in the fourth but he was thrown out attempting to steal second base.

with Bob Hafer, NEWS pitcher, who collected a homer and three singles in four times at bat. George Kypros and Joe Hipfel got two hits.

Thursday marked the end of

#### Battle to Tie

Tom Boyd and the Grosse Pointe News played to a 1-1 deadlock Tuesday at Kerby Field to open the first of a two-out-of-three game knockout series to determine the league winner and the team that will travel to Dearborn for the State Class E championships, August 22, 23 and 24.

Bob Wallace of Boyd and Allan Bryant of the News hooked up in an eight inning pitcher's battle before darkness intervened. Each pitcher gave up five hits. Boyd scored his run in the first and the NEWS came back in the fourth.

Thursday they will play the second game and Saturday they will play off this tie contest and another game will be played Tuesday if necessary. All games will be played at Kerby Field.

In the seventh Coon bunted to Bryant, who threw to first baseman Sisman to beat Coon by a half a step. Sisman however dropped the ball and Coon was safe. Bryant walked four men and his teammates made four errors.

A great deal of pressure was on Bryant in the seventh with two men out and Ronny Knope at the plate. Knope ran the count up to 3-2, fouled off five pitches, and then missed a third strike to end the game.

Harper Auto made the Tuesday game close. Although this team finished fourth in the standings they had a good ball club and would have won more games with a few breaks.

All Bryant in this game played right field and pounded out a home run, a triple, and a double in four trips to the plate.

### League Leaders to Tangle in Two Games This Sunday

By JOE FROMM

The two leading teams in Class E of the Grosse Pointe Baseball League, Gragg & Scherer and Northeast Harper Merchants will battle in two games Sunday at Kerby Field.

Both teams continued their winning ways during the last week. Sunday both teams had to come from behind to win.

Harper Auto made the Tuesday game close. Although this team finished fourth in the standings they had a good ball club and would have won more games with a few breaks.

Every starting member of the winning team scored at least one run with Doc Roberts scoring four times and DePerno three times.

### Upton Trophy Changes Hands

DICK MILLER, (left), 1946 Michigan State Star Class Champion, turns over the Upton Trophy to BOB FERGUSON, (right), who won it last weekend during the state championship series held on Lake St. Clair off Crescent Sail Yacht Club. Bob's brother DICK, who crewed on the winning boat, smiles his approval as the trophy changes hands. The series was sponsored by the Detroit River Star Fleet. Next year the Gull Lake Fleet will be host.

### Pick Meek Nine To Win Playoffs

The final game of the Neighborhood Softball League will be played Tuesday on diamond 1. The winner of the Meek Coal and Supply-Saints game will play the winner of the Tire Service, Inc.-Turners contest.

Meek will be the favored team in the playoffs and the finals, having ended the regular schedule with top honors.

### Crescent Sail Yacht Club Prepares for Big Regatta

The biggest little club in the Detroit River Yachting Association is getting ready for what it hopes to be a record breaking regatta. Always in the past Crescent Sail Yacht Club has drawn the second largest entry in the Association and the flag officers of the club, Commodore Bill Phillips, Vice-Commodore Bob Harris and Rear Commodore Fred Schelter have high hopes that next week's annual regatta will surpass the all time high which Grosse Pointe Yacht Club established during its Fourth of July regatta with 164 entries.

During the regatta Miss Crescent will be chosen to represent the club during the D. R. Y. A's Race Week, August 23 through 29.

### Johnson Winner in All-Night Sail

O. A. "Cap" Johnson's Port Huron-Mackinac Race winner "Spookie" did it again last Saturday night when she danced her way around the Lake Erie course which took the boats from the foot of Sugar Island at the mouth of the Detroit River, around Middle Sister Island and the Monroe Light, thence back to the starting line. The race lasted all night.

The race was sponsored by the Grosse Ile Yacht Club and is an annual affair.

### Softball League At Season's End

The Playground Softball League sponsored by the Grosse Pointe Board of Education will end on Friday. All playoffs will have to be completed by then.

Two championship games will be played in Class D. The Cubs will play the Tornadoes and the Tigers will tangle with the Devils.

### Neighborhood Club Tennis Tournery Stalled By Heat

The current heat wave has thrown a monkey wrench into the Neighborhood Club Tennis Tournament and only three rounds in the men's singles, two rounds in the men's doubles and one round in the women's singles have been completed.

Pat Kaulitz, director of the tournament, said he had hopes of completing the event by the end of August.

### City Softballers Seeking Revenge

The Grosse Pointe City police and fire departments will be out in full force when they meet the "Old Timers of Grosse Pointe" Friday evening at Maire School.

Friday the City lost their fifth straight game 6-4, mostly on errors. Three errors by "Glass-arm" D'Hooghe netted several runs for the McClellan Station of Detroit.

### Metropolitan Club Nines in Hitting Spree

Total of 48 Runs Made in Four Games Played in League During Week

Hitting featured all four-baseball games played in the Metropolitan Club League last Wednesday and Friday. A total of 48 runs were scored in the four games. The closest contest was an 8-6 win by the Shores over the Farms on Wednesday.

Friday the Farms collected 12 hits to down the City 12-2. Bob Hafer was the winning pitcher. Billy Winkler, an infielder and catcher, came into the game for the City in the late innings and held the Farms to one hit, but the damage was already done.

Standings table with columns W, L, T for Farms, Woods, Shores, City, and Park.

### Tommy Sheehan Wins Golf Title

It was just nine years ago that Tommy Sheehan won the District Golf Association's championship at the Detroit Country Club. Last Saturday he returned to the same links to turn the trick again by defeating Ben Smith from Lochnore, 6-5.

Sheehan's most spectacular shot of the day came on the eleventh when his approach shot from the rough stopped eight inches from the pin.

### Water Polo Title at Stake

One of the biggest water sports programs ever to be presented in Detroit will take place this weekend at the outdoor pools in Rouge Park when the 1947 National AAU Men's Water Polo Championships are staged.

### Dick Miller Loses Sailing Crown to Gull Lake Skipper

Bob Ferguson Drifts His "Finesse" to Victory in Abbreviated Third Race of Championship Star Boat Series

By FRED RUNNELLS

Bob Ferguson, 20 year-old Gull Lake sailor, drifted his Star boat "Finesse" to a first place in the abbreviated third race of the Michigan State Star Class Championship series, held on Lake St. Clair off the Crescent Sail Yacht Club over the weekend of August 9 and 10, to garner 19 points.

Bob, sailing with his brother Dick as crew, dethroned the 1946 champion, Dick Miller, who finished fourth in the series with 28 points.

The final race of the series was sailed in a flat calm and forced the judges to shorten the 12 mile course to six miles. Despite this more-often of the 19 boats finished after dark.

The first race was sailed Saturday, August 9, and was won by Burdette Olson of Gull Lake in "Fleet Star III" with Bob Alward as his crew.

"Fleet Star's" victory made history in the event as it was the first time since the event was inaugurated in 1938 that a boat won four consecutive races. Dick Miller captured the 1946 Championship in "Fleet Star" with three straight victories.

Second place silver cups were awarded to Harry Day and his crew Lyon Day and third place cups were given to the skippers

HOW THE BOATS FINISHED IN THE SERIES table with columns Boat, Race, Points, Skipper, Crew, Fleet.

A record fleet of 19 boats hit the starting line in perfect order with defending champion Dick Miller second across in a beautiful weather position.

Olson in "Fleet Star" looked pretty much out of the running when he rounded the third mark of the first time around in seventh place.

The National Amateur to be played in California next month is the next stop on Sheehan's list.

Print your Name, Address and Style Number plainly. Be sure to state the sizes you wish. Include postal unit or zone number in your address. Address: PATTERN DEPARTMENT (Grosse Pointe News) 121 W. 19th St., New York 11, N. Y.

Public Speaking Courses Great Help to Students

By Dale Stevenson Grosse Pointe High Journalism Student The ability to speak well is an important asset to a high school graduate in college or business. Adequate expression in conversation or argument, any where and any time, is bound to be a helpful factor in anyone's life. Grosse Pointe High School has a course devoted entirely to speech training. This two-semester course is called Speech I-II. Speech I is an elective course giving English credit. It is open to juniors and seniors who wish to improve their ability in conversational and platform speaking. The program of work is arranged as far as possible to meet the needs of students, and all speaking opportunities in the school serve as activities in which the student may get speaking experience in a practical way. A recording is made of each student's voice at the beginning of the semester to be compared with a recording made near the end of the semester. The study covers the fundamental principles of good speech; methods of preparing and judging the long speech; problems of voice and diction with emphasis on pronunciation; conversation; speeches for special occasions; and radio and public address speaking. Beginning with impromptu speeches, the course branches out to extemporaneous speeches, round table discussions, debates, and study of parliamentary procedure. A ten-minute speech given at the end of Speech I is counted as part of the final exam. The second semester (Speech II) is designed to bring the skills of the students to a higher degree of efficiency. Special attention is paid to oral interpretation of speeches, voice projection and control, methods of preparing speeches, and self-evaluation of speaking ability. Interpretive readings in both prose and poetry, radio reading and an extensive study of the theatre is included in the course. Many recordings and several movies are used in connection with the study. A term of two-thousand words on some phase of the theatre is required. Although all students receive some speech training in the required English courses (English I-VI) this training is directed towards correcting faults in English rather than in speech. Throughout a student's high school life he is called on for oral-book reports, short speeches, and other assignments which give some experience in class-room speaking. But this training falls far short of the needs in later life. Although all juniors and seniors are eligible to take speech, only about fifteen per cent take advantage of the opportunity. If only fifteen per cent of each graduating class receives the necessary high school speech training, then many graduates will be handicapped by inadequate speech prowess. Two classes in adult speaking are held during the winter and the high interest shown illustrates a feeling of the citizens of this community of a definite lack of speaking skill. Communication with other people is, and will continue to be an important factor in the lives of students now in school and when they graduate. In the long run, the man who is better able to express himself clearly, pleasantly and effectively, will be a greater success than the man who is handicapped by his inability to express himself as he wishes. A change of climate may effect the heart but a change of heart is certain to affect the climate.

### Dr. Kroha Named Park Physician

Dr. Lawrence A. Kroha, of 15124 Kercheval, was named as examining physician representing the Park village in the retirement of policemen and firemen to pension status. He will be compensated on a per case basis. Under the present pension and retirement plan of the village

whenever one of the uniformed force applies for physical reasons to be transferred to the pension rolls, his own physician makes a report giving in detail his physical condition.

The village physician then examines him likewise and the findings of the two constitute the basis for his disposition by the pension board. In the case of failure to agree between the two physicians a third one may be called in.

### A. J. Berres, Jr. Taken By Death

Albert J. Berres, Jr., of 476 St. Clair, Grosse Pointe City, died at 8 o'clock Tuesday night, August 12 in the Harper Hospital where he had gone Sunday for examination and observation. Mr. Berres was 41 years old and had passed the last 15 years of his life in work with the Red Cross.

At the time of his death he was manager of the Detroit chapter of the Red Cross. He was born in Washington, D.C. and came to Detroit from Miami, Fla., where he had been summoned to take charge of Red Cross work following his outstanding service in disaster relief work in the South. He is survived by his wife, Mae, and two sons, John P. and Albert J. He was a member of the Detroit Club. Funeral arrangements will be announced later.

### Canning Classes To Be Featured At Harvest Show

An interesting section of the 31st Annual Flower, Fruit and Vegetable Show of the Grosse Pointe and Eastern Michigan Horticultural Society will be one devoted to home canning.

The show will be staged Saturday and Sunday, September 6 and 7 in the Neighborhood Club, 17145 Waterloov at St. Clair, City of Grosse Pointe.

The schedule committee for home canning is composed of Mrs. John Heslop, chairman, assisted by Mrs. Ernest Binning, Mrs. Roy G. Berry and Mrs. Ben Nankervis. First and second prizes will be awarded for the best collection of each of the following: Jelly, Jams, Marmalades, Preserves, Butters, Fruits, Pickles, Vegetables, Dried Herbs and Herb Vinegars.

Copies of schedules with details re-collections and rules governing same can be obtained from William P. Thomas, Ge. Show Secretary, 5231 Gateshead, Detroit 24 (phone TU. 2-4635) or from the Neighborhood Club.

### Ahead of Themselves

During the early weeks of the invasion of Tinian, in the Marianas, a group of Seebees were staking out an area with markers while the Marines continued their clean-up of the island. Next day the Leathernecks told the Seebees they had discovered the markers all through "no man's land." Unknowingly the Seebees had pioneered the way.

Battleships of the Iowa class have approximately 135,500 board feet of teak on their weather deck.

### Scots Preparing For Big Outing

Bob-Lo will be the mecca for all Detroit and visiting Scots on Thursday, August 21, when the St. Andrew's Annual Games and Highland events will be held. These games will have a very charitable appeal this year as St. Andrew's has voted 50 percent of the net proceeds for Scottish Relief. This money will be used to send food to needy Scots in Scotland.

Chairman James Allan has just returned from a tour of Scottish games in Canada and the United States with several new ideas, one of which will be a Bag Pipe Band Competition. The bands in Canada and the United States are enthused over the opportunity to come to Detroit in competition. The famous Canadian Legion Post No. 46 Band of Flint with its young girl pipers and dancers will be on hand. The Detroit Bag Pipe Band will also compete and there will be individual pipe competition as well. Bands from Hamilton, Toronto and Windsor, Ontario, will also be present. It is expected at least ten bands will compete.

The Highland Dancing and Athletic events under the direction of Field Secretary Judge David C. Vokes will be bigger and better than ever. Many new contestants will be entered this year and the Presidents' Tent will again be featured.

Two boats will leave foot of Woodward avenue at 10 a. m. Those wishing to avoid the rush at the box office may get advance tickets from the committee or at St. Andrew's Hall, 431 E. Congress, Detroit, 26, Michigan.

### To Hold Concert At Alger House

The fall musical season will be inaugurated at Alger House, Lake Shore road, when the Detroit Opera Founders Guild, Inc., presents an open-air operatic concert, at 8:30 p. m., Sept. 3.

Mrs. Jules Schneider and Mrs. Frank Burton, co-chairmen of the event, have arranged to seat the audience on the lawn between the Alger House terrace and Lake St. Clair, and the terrace itself will be floodlighted for the singers.

The concert will present opera in "streamlined" form, selecting arias and choruses well-known to the public. Soloists and a chorus of 60 voices will be directed by Stuart F. Piggins.

Alger House is the Grosse Pointe Branch of the Detroit Institute of Arts. "Ordinarily Alger House is not open to the public in the evening," Henry L. Mauer, Guild Chairman, declared. "However, the Alger House director, Miss Isabel Weadock, has kindly consented to open the first floor of the museum to the audience before the concert and during the intermission."

Transparent honesty would enable us to see our way through any problem.

### Of Interest To Veterans

As the result of recent legislation approved by President Truman—July 25, 1947, takes its place among the most important dates effecting government benefits to veterans of World War II. Known as Public Law 239 and effective July 25th, it provides:

1. GI Bill of education or training must be started within 4 years of that date, or date of discharge, whichever is later and the program ends in 9 years.

2. All Public Law 16 training ceases 9 years from July 25.

3. GI Loan guarantees remain available for 10 years after July 25.

4. Readjustment allowances may be claimed until 2 years after July 25 or date of discharge, whichever is later and the program ends 5 years from July 25.

Persons entering service after July 25 will not become eligible for G.I. Bill benefits, and any compensation awarded veterans and their dependents as a result of such service will be compensable at peace-time rates, instead of the higher war rates.

Those who served on active duty at any time during the period of September 16, 1940 through July 25, 1947 and are subsequently discharged under conditions other than dishonorable after at least 90 days total service (both war and peace-time) are entitled to certain GI Bill benefits. So are such veterans with less than 90 days service who were discharged for service-incurred disabilities.

Veterans with any war service at all may qualify for vocational rehabilitation training under Public Law 16 provided they have a compensable disability incurred during war service which results in a vocational handicap. The program includes both education and job training of a nature which will aid the veteran in overcoming his handicap. Maximum length of training is 4 years, except in special cases.

### HOUSEHOLD HINT

Plan your baking so one heating of the oven does several jobs. Bake as many things as possible at one time to save gas and electricity, and also in summertime to keep the house cooler.

The heavy cruiser USS SALEM, the 100th ship constructed at Quincy, Mass., since Pearl Harbor, is equipped with air-conditioning facilities to increase personnel efficiency in varying climates.

### Lane to Attend Parley on Coast

Manager Everitt B. Lane of the Park village is going to attend the meeting of the International

Association of City Managers in Coronado, California next October.

Mr. Lane intends to make his attendance at the meeting coincide with his annual vacation. He will drive out and back and be

absent about four weeks from the village. The commissioners voted him an additional \$250 towards his expenses.

To begin "Utopia" I must put "U" first.

**Wobbly Wheels Spell Trouble**

Unbalanced wheels and misalignment always cause serious wear and eventual expense. Few drivers can detect the signs except when they hear and feel a "pounding" tire or shimmy at certain speeds. Periodic checkup in our shop will prevent costly repairs. We have the special equipment and experience necessary to restore correct wheel balance and proper front end alignment.

Ample stocks of genuine Ford parts—tires and batteries

Expert Service on All Makes of Cars

**Ford**  
It's All a Matter of Balance

The front wheels of your car should be tested for balance at least twice a year. At the same time the front end alignment should be checked as these are critical parts affecting your driving safety and comfort.

For instance, the smallest "out of balance" is multiplied as speed increases. Ounces become pounds even at normal speeds and that is like driving with a brick fastened to one tire. No wonder some cars "shimmy" as the weighted tire pounds the road.

Crossing tires to equalize wear is a good practice, but only if all tires are balanced to their new positions.

Drive in for a thorough "balance" checkup. It will save your tires and avoid needless expense.

We emphasize our complete service facilities which enable us to correctly maintain the performance, safety and comfort of your car.
