### Psychologist Asks Pointers To Attend Parley on Health

Dr. Maria Fitz-Simons, psychologist of the Grosse Pointe Schools, this week urged Pointers women to attend a conference on mental hygiene, to be held in the Book-Cadillac Hotel next week.

In an address given before members of the women's committee of the Community Chest last spring, Dr. Fitz-Simons urged women to participate in the study of mental health in order to safeguard the personalities of their children.

At the joint annual conference of the Michigan Welfare League and The Michigan Society for Mental Hygiene which will take place at the Book-Cadillac Wednesday, Thursday and Friday, Oct. 8, 9 and 10, answers to many of the questions parents are asking will be discussed.

Dr. Fitz-Simons is chairman of the educational committee of The Michigan Society for Mental Hygiene, a voluntary organization of lay and professional people to promote interest and action in Michigan for the prevention of mental illness and the conservation of mental health.

One result of its work is the passing of the bill which provides for visiting teachers throughout the state and, specifically, Ruth Kempes in Grosse Pointe. Other Grosse Pointe members of the board of directors of the society are Mrs. Alger Sheldon, Dr. Leo H. Bartemeier, George E. Parker, Jr., and Kenneth L. Moore.

Since the society is supported by volunteer contributions, memberships are available to any who wish to help with its activities. Among other things, it helps to extend children's centers, the family boarding care program for patients, mental health clinics for adults and a psychiatric hospital for children. It helps encourage industrial mental health programs, initiates investigations and develops programs of interpretation on problems of alcoholism.

It helps to promote legislation relative to mental health resources. Non-members of the organization may attend the conference by registration and payment of a nominal fee which automatically gives them a year's membership.

Albert Deutsch, New York columnist and author, will speak on "A Community Challenge—Mental Health and Child Welfare" at the annual luncheon meeting Thursday noon, Oct. 9, in the grand ballroom of the Book-Cadillac. Louis C. Miriani, president of the Michigan Welfare League, and Dr. Charles L. Anspach, of Mt. Pleasant, president of The Michigan Society for Mental Hygiene, will preside.

Highlights of the conference include a talk Wednesday at 2:15 p. m. on "Building Emotional Stability in the Child," by Lawrence K. Frank, director of the Caroline Zachry Institute of Human Development in New York. At 4:15 p. m. Mrs. Marjorie Cosgrove of the Highland Park

schools will talk on "Education for Home and Family Living." Thursday morning Sybil Foster, director of the adoptions' division of the Children's Service bureau, will talk on "Current Trends in Adoption." Thursday afternoon, there will be a panel discussion on "Current Trends in Community Rejection of Children," with Dr. Charles M. Toy, of Muskegon, as moderator.

At 4 o'clock, there will be a discussion of the need for agreement between home and school in teaching self control.

W. E. Landis, industrial relations director, Briggs Manufacturing Co., will be chairman of a meeting on industrial human relations from 9:30 to 11 a. m. on Friday, Oct. 10. Speakers at this meeting will include: L. R. Green, supervisor of personnel services, Chrysler Corp.; H. S. Ablewhite, supervisor of the sociological section, Ford Motor Co., and W. E. Milner, personnel director, A. C. Spark Plug Division, General Motors Corp.

Bernice Moore, dean of girls of Pierce Junior High School, will speak Friday afternoon on "Emotional Growing Pains of Early Adolescents" at a meeting at which Raymond Fox, probate judge of Kalamazoo County will be chairman. Later, Mrs. Elizabeth Armstrong, executive administrator, Detroit Children's Center, will speak on "Case Work Approach to Deserting and Non-supporting Husbands."

A new feature of the conference will be the Conference Theater which will provide movies on health education work in Paris for H. Wednesday and Thursday afternoon from 3 to 6 and Friday from 1 to 2:30 p. m.

### Children's Work Topic of Parley

**Former Pointer Cited by Army**  
Esmond Avery, whom many Grosse Pointers will recall as a resident on Merriweather road before the war, was recently cited at Omaha, for the outstanding work he did as commandant of one of the air patrol bases the government maintained during the war along the Florida and Gulf coast.  
For the ceremony Brig. Gen. Lucius V. Beau, Jr., and Brig. Gen. Frederick Smith of the Air Forces flew out to Omaha from Washington.  
Avery was a major in the coast air patrol forces during the war when that body was one of our chief defenses against the German submarines which infested the coast preying upon our coast shipping.  
He now operates an air school of his own at Omaha where he is teaching GIs to fly at Government expense. Avery and his family are now residents of Omaha.

**Ex-Sport Star In Navy Course**  
Paul Grubbs, one of Grosse each with the fleet to South America and the Mediterranean. Upon graduation from the University of Michigan, he will receive a commission as ensign in the navy.  
Graduates of this program will be given equal rank, equal treatment and equal opportunities with graduates of the U. S. Naval Academy.  
The purpose of the new program is to provide a steady supply of well-educated junior officers for the line and staff corps of the regular navy and to build up a reserve of trained officers who will be ready to serve their country at a moment's notice in a national emergency.  
Of 50,000 youths who took the mental and physical examination throughout the nation, only 2,500 received scholarships. These young men have been assigned to 52 of the nation's leading colleges and universities.  
The University of Michigan has about 40 in this program.  
Paul captained the Blue Devil basketball team, which won the Border Cities League championship, in his senior year. He also was named to the Border Cities League All-Star basketball team and received mention in the state selections.  
Tennis was another of his favorite sports and, last spring, he teamed with Tom Willson to win the State Class A doubles championship at Kalamazoo in the state meet. He played varsity tennis at Grosse Pointe for three years. This coupled with two years of basketball, made him a five-letter man.

### Building

(Continued from Page 1)  
ance of this year, more than 550 permits will be issued for the year. If this is true, only the years of 1939, 1940, and 1941, when 718, 735, and 831 permits were issued respectively, will exceed the number of permits which will be issued this year.

"These data present a rather ominous picture for the Grosse Pointe Schools. Experience has shown that the public schools may expect one new child for every two new homes built in the district.

"On the basis of the permits issued so far this year, approximately 200 new pupils can be expected in the next six to twelve-month period. With the tempo of building on the increase, however, probably many more children than this can be expected.

"Evidence to show that the rate of the issuance of permits is on the increase is shown by the monthly summary of this year. For the first five months, there was an average of 30 permits issued per month, while for June, July, and August, the average was 75 per month.

"Other data to substantiate the fact that home building is rapidly increasing is provided by the building permit data of the past few years. With 377 permits issued so far this year, and an ultimate number which will probably exceed 550, the total for 1946 was 281, for 1945, 115, and for 1944, only nine for the entire year.

"Thus, while building conditions are still relatively uncertain and costs far above the 1940-41 level, every indication points to a continued high rate of home building in the Grosse Pointe area. The total valuation of the home building and other types including stores, garages, etc. as placed on the building permits by the building inspectors of the various Pointe municipalities exceeds four and a half million dollars so far this year.

"Due to the fact that there was little home building during the years of 1943, 1944, and 1945, public school enrollment remained relatively constant for these years. Now, however, with this great increase in home building, the schools are again faced with the tremendous task of keeping up in the race to provide adequate school facilities.

"The new school building which is now being constructed at Vernier and Mack and which the School Board hopes will be ready for occupancy by the second semester of this year, in addition to the present schools, will amply care for the elementary enrollment of pupils from the Woods, Shores, and Gratiot Town-

### Style Show by Jacobson's

A fashion show, presented by Jacobson's, will highlight the program for the 15th annual benefit bridge, sponsored by Delta Psi sorority at 8 p.m. Tuesday in the Grand Ballroom and Italian Gardens of the Book-Cadillac. In the picture, members of the Jacobson staff are shown selecting garments for the show. As in previous years, all proceeds from the event will go to the Old Newsboys Goodfellow Fund. This is the first fashion show the group has sponsored since before the War. Reservations may be made with the chairman, Miss Virginia Hensien of Townsend avenue or Mrs. Jerome Fitzgibbons of Wayburn avenue.

ship for possibly a two-or-three-year period.

"If the home building, however, at the present rate, continues for the next two-or three-year period, the Woods, Shores, and Gratiot communities may again be faced with a shortage of school rooms.

"As announced last week, the Board of Education has advertised for bids which will be opened on Oct. 24 for the first unit of the new Kerby School.

It is hoped by the Board of Education that satisfactory bids will be received at that time so that building operations may be started immediately and so that the building will be ready for occupancy, if possible, a year from now.

"With the completion of these two new schools, the Board of Education feels confident that the elementary school children in the eastern end of the school district will be well cared for at that

time. If the present rate of home building is continued, however, the Board of Education will be faced with the problem of providing still more classrooms for the pupils in this part of the district almost by the time these two new units are completed.

"Mr. Bert Wicking, President of the Board of Education, said that the board will give constant study to the trend in home building and that it will make every effort to keep the community informed on the anticipated needs for additional school facilities which are almost certain to come."

You can't set the world on fire if you don't burn for something.

**Wood-Campbell Vows Exchanged**

The new Mrs. Barton Cook Wood was Nancy Elizabeth Campbell, daughter of Mr. and Mrs. Grosvenor Phillips Campbell of Tuxedo avenue, before her marriage Saturday at Central Woodward Church.

Mr. Wood is the son of the Barton Dixon Woods of Rivard boulevard.

Dr. Edgar DeWitt Jones heard the couple's vows at the candle-light ceremony.

The bride chose a gown of ivory satin for her wedding dress. The traditional sweetheart

MRS. BARTON WOOD

neckline and fitted bodice were accented by the bustle back which extended into a full train. A cluster of orange blossoms held her full length veil of illusion and the cascade bridal bouquet was of white gladiolus and ivory foliage, centered with a white orchid.

Identical gowns of turquoise moire taffeta were worn by the three attendants. Honor maid Jean Brierley, a cousin of the bride, was in a deeper hue, and bridesmaids Joyce Shiffer and Shirley Hansen of Cleveland were a softer shade. The dresses were designed with square necklines and cap sleeves on the fitted bodices and full skirts sweeping into bustles at the back.

The maid of honor carried an arrangement of deep red flame-lilies and the maids' flowers were cascades of peach gladiolus and ivy vines. Garlands of the same flowers formed their headresses. Roger McNaughton served as best man and ushers included Hugh Mehlenbacher, Arthur Dannecker, John Duncan and James Stevenson.

Mrs. Campbell was in pale aqua crepe for her daughter's wedding. The floor-length skirt featured a graceful drape and an insert of lace softened the neckline. The bridegroom's mother chose a gown of blue trimmed in gold. Both of the mothers wore corsages of orchids.

The reception was held at the Detroit Club. The new Mrs. Wood wore an alabaster gray gabardine suit with wine accessories when the couple left on their wedding trip.

**Mrs. Thompson Married in East**

In West Newton, Mass., Mrs. Patricia Daley Thompson became the bride of John F. Moran Saturday. Mr. Moran is the son of the Thomas J. Morans of Whitmore road.

The ceremony took place in St. Philip Neri Church.

Mrs. Thompson is the widow of William B. Thompson who lost his life in the war.

Pointers who traveled east for the ceremony included the Thomas Morans, Mr. and Mrs. Daniel Henry, Mrs. Frank Thompson, Mr. and Mrs. Thomas J. Moran Jr., the Frank Morans, Kathryn Moran and Mrs. William J. McQuinn.

**THIS QUIZ BIZ IS A WHIZ!**  
 The head waitress was anking up to us—only come to think of it, she looked more like a sort of glorified MADEMOISELLE D'HOTEL in those couturier clothes she drapes the shape with—and eying our book with a gimlet glare.

"Look," she says, "do you know who wrote ANDY DICK?"

"No. We only know who wrote DIRTY EDDIE. Is that any help to you?"

"DIRTY EDDIE?" she looked hurt. This isn't a gag—

"Neither is Bemelman's book—DIRTY EDDIE is a sort of black sheep of a pig who became a top movie star."

"That's no help. I've gotta find out who wrote DANDY DICK to get that television set—"

"Why don't you call the library?" we suggested.

"Their lines got so jammed up, answering questions, you can't catch them. You'd think they'd put on the more switchboard girls. I guess the only thing to do is just up and go there."

So that's what's putting the Standing Room only sign on the reference rooms and files, we learned later in the day in the library. All those frenzied folks you see, fingering the files from A to Z and return aren't really researching in medieval history—they're out to get the answer to some radio mystery. As we were leaving the checking-out desk, a neat little white placard faced us with the words MARIE ANTOINETTE.

"What about MARIE ANTOINETTE," we ventured.

The lovely librarian shrugged her slim shoulders.

"Oh, she's the answer to something on Station ABCD. Poor MARIE ANTOINETTE, she's in the advertising business now. The whole country's in a tizzy with these quizzes. It's the prizes—they're simply fabulous!"

"The Prizes! That's the answer to this avid rush for information. And the formula behind this furore, carried to its logical conclusion, offers some gory little gems of thought. The whole low-down on higher education may lie in the fact that they aren't giving away enough radio sets, refrigerators, cosmetic kits or trips to South America with the examinations."

For instance, wouldn't more legal eagles pass the Harvard Law Exams if they'd get a \$4,400 town car for coming up with the right answers? And 'twould really be a cinch at French for the little girls who keep going to finishing and re-finishing schools if they tossed a diamond wrist watch for wrestling with

the French II test. Do they expect one to sprain the brain for a silly old report card?

Our friend, Fred Allen, says that on dank afternoons at women's clubs, they gang up and give a good going-over to radio comedians and drool over their divine commentators. But it seems to us that even in these hot spots of sophistry, this quiz Biz rates higher with the vultures of culture. Take the case of the dear little lady who came up with this method of making a monkey out of John Kieran.

"I'm sending in three questions to INFORMATION, PLEASE," she confided. "And they'll NEVER guess the answers. NEVER!"

"Why not?" we were intrigued.

"Because," she beamed, "There AREN'T any answers!"

Well, to strip-tease the truth, the only answer radio is really interested in is the \$64,000,000 they're making out of this mad, mad, mad, glad, it-can-be-had Quiz Biz.

SLAY 'EM WITH FLOWERS

Time was when a Flower Show was only that and nothing more. You just spent the summer de-budding your best roses and flit-gunning around the delphinium and, come the day of the flower show, you entered them and came away with Blue Ribbons. But a flower show we beamed through lately did the thing up with a new psychological twist.

One phase of the entries centered about the emotions, no less. One arrangement typified Love, another Jealousy, another Peace—and a prize that's been haunting us typified Hate. It featured some bloody looking dark red blooms, artistically arranged in a thicket of daggerish looking branches of thorns. Just the centerpiece, perhaps, for the night you have those awful guests from Goona-Goona. Or a double-edged little birthday thought in return for that barrel of both suits from the Men-of-Year-Nightmare.

Of course, if you're really going in for flights of fancy, you couldn't find anything neater or sweeter than the exhibit which showed two little china cherubs, huddling on a nest of greens in a conch shell, with the explanatory card:

**Sportsmen Plan Pheasant Night**

The October membership meeting of the Wayne County Sportsman's Club will be "Pheasant Hunter's Night" and the club will have as its guest speaker Harry D. Ruhl, chief of the game division of the state conservation department. The meeting will be held Wednesday evening Oct. 8 at the club's regular meeting place, the American Legion Memorial Home on Maple Street in Dearborn.

Ruhl will also be interviewed by secretary Vic Beresford on the radio program "Voice of the Sportsman" over WKMH, Dearborn, at 10:15 a. m. Sunday, Oct. 12.

The club's "Don't Shoot a Hen Pheasant" campaign and new farmer-hunter relationship plan, whereby the club gives its members introduction and identification cards to be given farmer-land owners assuring them that the WCSO will guarantee payment for any damage up to \$100, have gained wide acclaim throughout the state.

"One bright summer night, they stole out of sight."

Next time we say it-with-flowers, we're going to have to go through the Emotions as well as the Motions.

## Sallie Ellen Welsh Married in Illinois

## Jane Amelia Graul Speaks Bridal Vows

### Weds Woodward Henry Warrick at Candlelight Rites In Grosse Pointe Memorial Church

In a candlelight service at Grosse Pointe Memorial Church Friday, Jane Amelia Graul, daughter of Mr. and Mrs. Karl Engel Graul of Kensington road, became the bride of Woodward Henry Warrick, son of the Charles F. Warricks of Sherwood Forest.

Dr. Frank Pitt heard the couple's vows at 7 o'clock before an altar banked with all-white standards of roses and gladioli and graduated candelabra. Individual candles illuminated the aisle.

The bride chose a gown of candlelight satin, fashioned with an off-shoulder bertha and yoke of marquisette. The full skirt, gathered into the long-sleeved fitted bodice, was accented by the deep bustle and long oval train.

A tiara of minutely pleated illusion, trimmed in pearlized orange blossoms, held her long illusion veil. A spray arrangement of stephanotis centered by a white orchid formed the bridal bouquet.

Jane's five attendants wore moire of similar design to the bridal gown. The off-shoulder berthas formed tiny cap sleeves and the full skirts swept up to a side drape ending in a bustle at the back. They wore matching

moire mitts and halos of ostrich tips in their hair.

Mrs. Louis Paige, honor matron, and Marion Hickey, the maid of honor, wore the new lipstick shade and carried bouquets of pink fugi mums and red roses. Bridesmaids Helen Riley of Birmingham, Kay Murphy and Barbara MacPherson were in aqua and carried red roses and pink daisies.

John F. Lehrer of Allentown, Pa., served as best man and guests were seated by Charles Graul, the bride's brother, Richard Kell, James Strong and Curtis Seebald.

Huge standards and all-white flower arrangements decorated the Detroit Boat Club for the reception. Mrs. Graul received her guests there in a gown of royal blue crepe touched with sequins at the neck and bodice. With it she wore a matching hat of ostrich tips and a white orchid.

The bride's sister, Mrs. Eugene C. Yehle of Ann Arbor, attended as matron of honor. Louise Murphy, Jane Keller, Mary Lou Watson and Anna Martin of Charleston, W. Va., were bridesmaids.

## Barbara Ferry Wed At Candlelight Rites

Marries William David Johnson at Epiphany Church. Newlyweds to Reside in Chicago

In their new home in Chicago are Mr. and Mrs. William David Johnson, who were married at Epiphany Episcopal Church Saturday evening.

The Rev. Lawrence E. Midworth, assisted by the Rev. Gordon Matthews, united the former Barbara Bushnell Ferry, daughter of Mr. and Mrs. Newell Simmons Ferry of McKinley road, to Mr. Johnson, the son of the William Green Johnsons of Florence, S. C.

The candlelit altar was decorated with white chrysanthemums and tibetium ferns for the ceremony.

Hairloom lace formed the bodice of the bridal robes of deep ivory satin. The low oval neckline of the gown was accented by a collar repeating the line. The bride's only ornament was a strand of pearls.

The same lace edged the long veil of cream silk illusion, held in place by a wreath of orange blossoms. White Tugi and spider chrysanthemums were combined in the bridal bouquet.

Four attendants preceded Barbara to the altar. Marian F. Johnson was the maid of honor and the bridesmaids were Margaret Morgan, Sally Brown of Denver, and Doty Barnes of Evanston, Ill.

The maids wore identical gowns of coral crepe and the honor maid carried an arrangement of bronze red chrysanthemums and ivy. The same flowers formed a crown in her hair. Bouquets of pink chrysanthemums were carried by the bridesmaids.

The groom's father served as best man. Newell S. Gerry Jr. of Webster Groves, Mo., and Seneca Taylor Ferry of Royal Oak, both brothers of the bride, William Brackett of Florence, S. C., Arthur Van Atta of Oxford, O., and Henry Bestinger of Raleigh, N. C., acted as guests.

Mrs. Ferry received her guests at the Dearborn Inn in a gown of aqua crepe. Her hat was of pink ostrich tips and she wore a spray of pink orchids. Mrs. Johnson chose raspberry crepe for her son's wedding. Her hat was fashioned of velvet rosebuds and she wore a corsage of matching rosebuds.

The new Mrs. Johnson donned a sabbatine suit of soft gray for traveling. Her accessories were green and she wore a chrysanthemum corsage.

PERSONAL APPEARANCES

SPEAKING OF HATS

Have you seen the ever so smart chapeau MRS. ROBERT MARTIN is wearing with a "basic black" dress? It is a black felt, having a small off-the-face brim, which is split in the middle to give a winglike appearance—Pink satin ribbon bands the crown, and forms a bow, which peeks through the "wings" and the black aigret adds a note of savior faire to the ever so smart Mrs. Martin.

MRS. JOHN SHALLCROSS should be seen in the small off-the-face natural baku hat which she wears with a "basic black" gown. Irish green ribbon dances a jig around the crown and the matching green silk roses clustered on the side sing "Killarney"—Sis supplies the smiling eyes!

MRS. ALVAN MACAULEY, JUNIOR, has a head covering which she calls her "fun hat"—every year it has something taken from it and something added to it—and every year it looks like a brand new bonnet of the latest fashion. This year the pink felt is decorated with silk roses shading from a pale shade to a deep one, with a saucy note of pink peacock feathers added. The pink net face veil is as charming as its wearer and the black lace and crepe gown with which she wears it. The "fun hat" ought to insure the same for any party it attends!

Two musical comedy stars, who now are among the most famous in show business, tell this story of their early days in New York, when they first arrived and shared an apartment. They were rehearsing for their first show and had little money. They invested the remnants of their savings in the purchase of a Persian cat. When the town's wealthy gentlemen would come a-calling, they'd join the ladies in admiring the cat. "Yes, isn't he a darling?" the girls would say. "Too bad we have to send him back tomorrow. We never realized he'd cost so much".... The gentlemen were gentlemen and contributed.

Doris Duke revealed one phase of the Poor Little Rich Girl's Life, on the day she inherited 10 million dollars. This was only part of her total inheritance. On that day, she was at El Morocco where a party was given for her. "What a nice birthday gift," sighed one of the guests. "Yes, I did have a nice birthday gift," said Miss Duke, poo-pooing the 10 million dollars, "someone gave me a calf, and that's the gift which pleases me most—because the calf really loves me."

Pointers of Interest

Mrs. Fern Gregg and Mrs. Lloyd R. Walker, members of the Ceramics Class of the Adult Education Program of the Grosse Pointe Board of Education.

By Olive H. Henry

Mr. and Mrs. Walker became members of the ceramics class of the Adult Education Program of the Grosse Pointe Board of Education through their interest in art work. Their daughter had studied ceramics in her senior year at the high school and her enthusiasm for this subject and the tangible results of her work led them to compete with her efforts.

Mrs. Walker told me they enjoyed sharing common interests and both liked working with their hands, so the ceramics class offered an opportunity not to be overlooked. They thoroughly enjoyed the class and were much encouraged by their achievements.

Mrs. Walker completed a pair of twin vases for their mantel, two petal dishes, which could be used as ashtrays, (but not with Mrs. Walker's consent) several tulip bowls and a pair of candlesticks. Mr. Walker had lots of fun creating ash trays and vases with original raised patterns in which he could allow his imagination full play. The knowledge Mr. Walker had gained from painting in oil was of great value to him in working out his patterns.

Mrs. George Everson is one of the most enthusiastic members of the class with whom I talked. She spoke so highly of last year's instructor, Mrs. Marion Lampman, and said that she was so inspired by the lessons received that she had procured her own kiln and was like a child with a new toy. Mrs. Everson was modest about her work, insisting that she had just "tinkered," having made a few small objects, but that her ambition was to produce some creditable luncheon dishes.

Mrs. Everson received additional inspiration this summer while visiting Denmark, in seeing the craftsmen at work in the pottery factories. She said that it was so different from our American...

man system of assembly line and mass production. Each worker there was a complete craftsman and they were working with the clay just as they had for centuries, only combining modern scientific methods in their coloring and glazing.

Mrs. David Burnett enjoyed her first class last year so much that she was anxious to continue her study. She said that she had used the Pewabic pottery clay provided by the educational program, which fires at a low temperature and produces soft pottery when finished. Some of the students used the potter's wheel, particularly the men students, but others found it easier to mold with their own power.

The course allows the members to view the whole process from clay form to the finished product as an electric kiln is provided. The class used books from the main library which were of great benefit and are available to all Grosse Pointers.

Mrs. Burnett made cigarette boxes, ash trays and bowls and said that there was much to be learned as sometimes the product emerged from the kiln quite different than expected due to "warping" and great care had to be taken to prevent exploding. Mrs. Burnett explained that clay could be very temperamental but that was part of the fun, learning how to get the "feel" and how to work with it.

Miss Josephine Grahams first experience with ceramics gave...

her great pleasure and calls for a return engagement this year. She specialized in buttons, as sewing is one of her primary interests and she made earrings to match.

Mrs. Herbert Webb lived in Dayton until three years ago. She became interested in ceramics there and her first creation, a pair of figures, was exhibited in one of the shows of the Dayton Art Institute. Mrs. Webb had exhibited oil paintings many times in this show but was very grateful that her first ceramic effort was found worthy of being exhibited.

After that she made many figures for her own and friends' pleasure. Her most ambitious project was worked out in the class last year. She made tiles of fire clay to be used as a decoration for the fireplace in their new home, now being constructed. The unusual feature of these tiles is that the pattern is included on two sides, so that the design will appear four inches within the fireplace and four inches on the outside.

The tiles are glazed enamel, having an aqua background with a raised design of ivy leaves, stems and trailers in white. I feel sure that this novel fireplace will be a source of pleasure to all those privileged to enjoy it and may serve as an inspiration to other workers in ceramics.

The course consisted of a 10-week semester, meeting one night a week from 7:30 to 9:30. The classes are limited to 25 members to allow for individual attention and last year there were four classes of men and women. Those interested may get further information by calling the Board of Education at Niagara 2000.

Marilyn Ruth McKnight Weds Bert Harold Wiseman

Marilyn Ruth McKnight, daughter of Mr. and Mrs. Earl O. McKnight of Pemberton road, became Mrs. Bert Harold Wiseman in a candlelight ceremony in Christ Church.

Rev. Edgar H. Yeoman officiated at the double ring ceremony.

Ivory satin fashioned with a square neckline, fitted bodice and epaulets, of Venetian lace, over the long fitted sleeves formed the bridal robes. A matching lace cap held her fingertip illusion veil and the bridal bouquet was of white orchids.

Maribelle Horr of Wellington, O. was her former roommate's maid of honor. Her gown was of deep aquamarine faile draped in to a side bustled skirt. She carried a basket of pink gladioli and white daisies.

Carmen Johnston and Charlotte Parker, bridesmaids, wore dusty pink faile and carried maroon gladioli and white daisies.

Douglas E. Wiseman was his brother's best man. They are the sons of the Bert E. Wisemans of Dearborn. William Rose McKnight, brother of the bride, and Rodney C. Linton of Wayne seated the guests.

Mrs. McKnight received her guests at the home reception in a gown of aqua crepe with a matching hat. Her corsage was of white carnellias. Mrs. Wiseman chose dove gray crepe for her son's wedding. With it she wore a matching hat of oxford tips.

The couple are honeymooning in northern Michigan.

University of Minnesota Club Meets Tomorrow

Dr. and Mrs. Kenneth C. Costley will be hosts to the University of Minnesota Women's Club tomorrow evening in their Pemberton road home. Plans call for a smorgasbord supper for the members and their husbands.

New officers of the group will take over their year's duties at the meeting. They include Mrs. A. T. Mattison, Mrs. Wallace Solum, Mrs. Gordon Lindner, Mrs. Arthur Liddecko, Mrs. E. L. Drummond, Mrs. Howard Baer and Mrs. A. H. Malmstrom.

He braced with that last one. He tried again:

"I really would like to get acquainted with you, maybe you could show me around?"

"I was thinking I'd show him to the nearest exit but that wasn't what he meant apparently."

"You can't bowl just anywhere in Detroit, it's all teams, but do you dance?"

"Of course, I dance."

"Well, not everyone does," he corrected me.

"Of course not, I saw his point. For instance, imagine dancing with him!"

I feared for our fragile little friendship at Sandusky where I firmly refused a "double" with him, but when they finally called Cleveland, I thought I'd suffocate in my overwhelming relief! My little batman, however, insisted on carrying my bag up the ramp and, a little defeated, he said:

"No kidding, I hope I didn't bore you. I would have liked to have the opportunity of meeting you formally but I guess that opportunity will never present itself."

He could no longer keep up with me as I ran unchecked into Connie's arms. I was so glad to see them all. Four of them had come down to meet me and we had so many questions that I really hadn't seen my shadow right there beside me until they discovered him and then I looked up and laughed, I was so happy. I attempted an introduction:

"I don't even believe I know your name."

I felt all warm and sparkling, no chains of restraint.

"The name's Art," he said, "just call me Art," and bowed out, the opportunity having presented itself at last.

Junior League Scribblers' Column

By BARBARA SIMONDS

"Stick of gum? Just gotta keep the pipes wet!" I looked across the aisle to see who'd made the offer, and who knew so much about my "pipes." It was a complete stranger in a green, speckled suit. He had a face like Charlie McCarthy, and, like him, this one came complete with wooden head.

Had I known what was to follow, I'd have indicated lockjaw. I accepted the gum, however, and shortly he suggested that we take the next "double." Did he mean a double dip? A double-boiler? He explained:

"I mean we could sit together and you show me how you do that knitting—a stitch in time, you know!" Well, it was hardly that! I felt a little sickly about the next four hours.

"I hope you didn't think I had nerve," he hoped. "I never would have suggested it if I hadn't thought you were real sweet. I'm just a friendly, social type of guy that likes to bowl and dance like anyone else."

Who had said anything about bowling or dancing? Somehow, I'd not thought particularly about this trip—about Cleveland, yes—but on the trip down I wanted to bask in anonymity. Not that I dislike bowling or dancing, but this little guy was trespassing

with an unbecoming persistence. "I suppose," he went on, "I was just meant to be congenial, and well, working in Detroit, you just don't meet many girls—the right type, if you know what I mean. (I did). A young fellow like me naturally gets kind of lonesome in a big city."

I buried my head into my knitting and asked about the housing project where he worked. He needed no prompting and soon I knew how far he drove the company car from his room to work and, of course, back again. He volunteered a rather thorough record of his activities during and after the war.

"But how about you—working girl?"

Here we go, I thought, and I was right. This little peanut would pin me right down. With his help I found myself getting closer than I cared to—how long it took me to get to work and, of course, back again. I decided

to have a cigarette in the ladies' room and to stretch to my full height—that alone should cure him. I was gone a long time, and had to return some time, and did so, stealing quietly into my seat.

"Thought we'd lost you!"

Oh, we did, did we?

"No, no, goodness, no, here I am!"

"Someone meeting you in Cleveland?" he asked as he ran his fingers down the crease of his speckled pants. Why had I asked them not to meet me? Already I was planning to find the haven of the ladies' room in the terminal.

"Under what category do you come?"

What did he mean by that? Race? Color? Creed? Of course I knew what he meant and said, "Unattached," and added a loop-hole, "for the moment."

"Not married?"

"No, I'm giving that up for Lent."

"Well, I wish before you did," he braved, "you'd give me a chance, you'd be nice to come home to."

I forced myself to look at this little study in mediocrity, and he

Some say "it's hair today and gone tomorrow" but BLANCHE AND CYRIL say—"not if you'll give the hair proper treatment"—if your hair is showing the after-effects of too much sun or the dryness caused by salt water or the results of a summer spent in "letting yourself go"—now is the time to pull yourself together, invest in some reconditioning treatments, get a much needed "permanent," try a new "hair-do" and make a "Personal Appearance" which will be a credit to you and to Blanche and Cyril. Your hands and feet should not be overlooked—at least until you can have some work done on them—good grooming includes manicures and pedicures and so should you in your beauty schedule—BLANCHE AND CYRIL on Fisher Road make it easy for you.

THE GROSSE POINTE HARDWARE has an old idea which may be new to you—I say, old, because Johnson's Electric Waxer has been used by wise housekeepers for years and they say that after the initial expense of \$42.75 for the Electric Waxer, their only expense has been an occasional change of brushes, which last for years. As you know, your hardwood floors cost a great deal and it is good insurance to give them the protection of the hard gloss that only an Electric Waxer can give, and to bring out their beauty. The Johnson's Electric Waxer—(adv.) is light—handles as easily as a vacuum cleaner—think of the care you give your rugs—It is wise to start at the foundation and give the same care to your floors—the GROSSE POINTE HARDWARE will take care of this for you.

STOLEN CAR FOUND 853 Neff by Officer Keller of the City police. It had apparently been abandoned there by the thief.

'Lost' Car Found In Filling Station

A certain citizen of the Park got himself into a dither about dinner time Friday, Sept. 26 by getting himself separated from his car and forgetting where he had left it.

He had run it into the Sunoco gas station at Somerset and Mack and, after giving the usual order to fill'er up, said he had some shopping to do and would call for it later.

The "shopping" was apparently so intense that he forgot where he had left it. He thought it was at Nottingham and Mack.

With the help of a sympathetic neighbor, he called the police station and they quickly located the misplaced property.

A notation on the Park police docket says no teletype was sent out but the precaution was taken to notify the Mrs. who appeared soon after and drove the car home.

High School Open House To Be Held Friday Night

Invitations to the annual fall open house have been mailed by the Mothers' Club to the parents of all students attending Brownell Junior High School or the senior high school.

The open house will be held Friday evening from 8 to 10 at Grosse Pointe High.

Parents will be greeted in home rooms by representative home room mothers working under the leadership of Mrs. Clarence O'Dell. They will be introduced to the teachers who will instruct their children during the first semester.

The reception period will last from 8 to 9:30 o'clock, when a brief program will be presented in the auditorium. William Webb, president of the Student Association, will be in charge.

John R. Barnes, superintendent of the public schools, will speak on "The Changing Curriculum."

Walter R. Cleminson, high school principal, will also speak briefly.

The senior high school band will play "Minstrel Jubilee." Mrs. Henry Hubbard and Mrs. Frank McIntyre, co-chairman, and the membership committee will enroll interested mothers in the Mothers' Club.

An open house is arranged each semester at the high school to provide an opportunity for parents and teachers to become acquainted.

3 From Pointe Enroll At Chicago University

When the University of Chicago opened this week, three residents of Grosse Pointe were among the 1,300 new students.

They are Richard Harry Allen, 1215 Harvard; Kins Robert Collins, 757 Westchester, and George Randolph Morrison, 1411 Bishop.

Park Hearing

(Continued From Page 1)

The restrictions already existing between the subdivision and the land purchasers, superseded to a large degree the programs which planners might propose.

It is only when these restrictions expire by limitation that such programs might be invoked and applied.

In some cases, it will be many years before these subdividers' restrictions expire.

An instance of how this operates is seen in that section of East Jefferson avenue directly across from the Park municipal building. This plot is restricted to single family dwellings. It is high-priced land, held for a use which will never be applied.

This land would be very valuable for commercial properties conformable with the high type in the Pointe but it cannot be used for this purpose as it is part of a restricted subdivision extended far south of Jefferson avenue. This restriction does not expire by limitation until sometime in the 60s.

And meanwhile, this valuable piece of land lies out of reach for its natural and greatly needed use.

Farewell Dinner Fetes Renshaws

Mr. and Mrs. William Renshaw, who closed their Charles street home Saturday to take up residence in Barrington, Ill., were honored Saturday at a farewell dinner at the Detroit Athletic Club.

Cocktails at the home of Mr. and Mrs. James J. Trudell Jr. on Lincoln road preceded the dinner party.

Places were marked for Mr. and Mrs. Frederick Parker Jr., Mrs. Frank Boss, Mr. and Mrs. Alonzo C. Allen, the Farwell Maycocks, Mr. and Mrs. E. Lloyd Eccleston, Mr. and Mrs. Franklin C. Robinson, the William Leaches and Mr. and Mrs. Harry MacKay, in addition to the Renshaws and Trudells.

'Body' Seen on Walk, Police Find Bloodstains

A resident of the 1200 block on Grayton phoned to the Park police station at 7 a. m. Sunday that a man was "down" on the sidewalk nearby.

When the police arrived, the man was gone but there were large splashes of blood on the sidewalk. Whether the party, drunk, had fallen and cut his head or been slugged by some footpad is not known. The absence of further reports inclined the police to the first theory.

Dancing Classes Start In Playroom at Richard

Rita Roney has started her dancing classes in the playroom of the Richard school, for children from 4 to 6 years of age, on Monday afternoons. Classes for the 7 to 10 year old group will be on Tuesday afternoons. The program will be composed of tap, folk, square and ballroom dancing.

Among the children enrolled are Sally Fitzgerald, Mary Louise Bremes, Janet Carlson, Sally Lewis, Lynne Favorite, Nancy Freeman, Suzanne Phillips, Janet Donnelly and Susan Brown. On Oct. 28, there will be a masquerade party, and on Dec. 16 the usual Christmas party with Santa Claus in attendance.

**JUST OVERSIGHT**  
When Howard Hoffman of 848 Washington road arrived home on a Sunday evening, about 11 o'clock he found the house wide open. He phoned the police and Officers Teetart and Keller made a thorough examination of the premises. They found no evidence of thieving and Mr. Hoffman thought it possible that the last member of the family to leave the place had neglected to lock up.

**Provide Sewers At Subdivision**

The Lake Shore Lane Subdivision, which specializes in lots adapted to ranch type home development is stressing the fact that its lots are the only ones in Grosse Pointe Shores which rigidly conform to the new state health department requirements for separate storm water and sanitary sewers.

The voters of the Shores defeated a bond issue proposal several months ago of \$300,000 intended to be used in providing separate sewer and drainage facilities for the village.

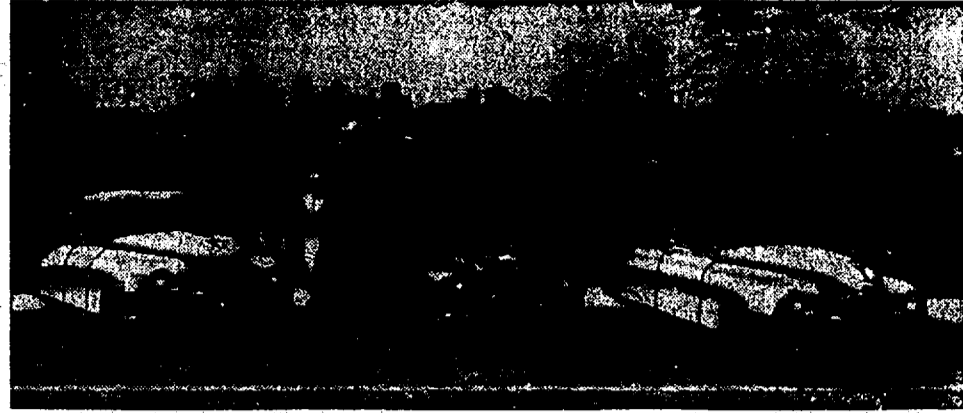

The Lake Shore subdivision people, however, aware of the new ruling of the state authorities, did not await the village's decision on the sewer issue and provided the separate systems at their own expense.

**Packard First With Complete '48 Line**

Packard has just become the first in the automobile industry to put into production a complete and all-new line of 1948 cars.

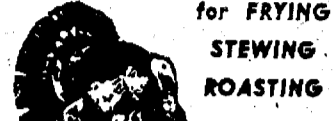

Left to right, against Detroit's skyline, they are the Eight (130 h.p.), Custom Eight (160 h.p.) and Super Eight (145 h.p.).

"Free flow" styled, a fresh approach in automotive design with no bumps nor protrusions, these three 1948 Packard Eights are powered by the industry's first brand-new engines to be developed since the war.

Built in 17 different body types mounted respectively on four new chassis, they have no rear fenders. The bodies extend in simple sweeps over the rear wheels.

George T. Christopher, Packard president and general manager, said the shift to 1948 models was made "without losing even one day's production, an industry precedent."

Junior society activities centered around three occasions last week-end—the 16th birthday of JULIE FORD, CRYSTAL HELIN's departure for Florida and the opening of Grosse Pointe High's football season.

The tea in the FORD home was planned to perfection and put on in the most elegant way possible on Sept. 28. JULIA and her two assistants, KATY JAMES and NANCY GEORGI, wore gardenias, and the table was decked with white gladioli. The hostess, in her usual charming way, greeted her guests, Ruth Jacques, Ann Candler, Sally Andrus, Barb Mann, Florence Erringer, Carol Briggs, Pat Perrone, Jan Skillman, Gail Wright, Marilyn Walters, Doris Dising, Suzie Johnson, Meg MacKenzie, Alice Sichter, Merry Bauman, Janet Johnstone, Jeanne Webb and on and on 'until we count 60.

On the evening of the 23rd close friends of CRYSTAL HELIN stopped in for tea and cookies and to hear all about The Casements where Cris now attends. Dodo Guimond, Evelyn Helin, Jan Blanchard, Jeanette BanBeelaere, Dotty Donnelly, Pat Gallagher, Gerri Downer, Nancy Schmidt and Joan Stiverson were there, all dressed up in their finest.

Crystal left on the night of Sept. 27, but the very final good-byes were said at a huge surprise party given in her honor the evening before.

"The crowd" dropped in at the JACOBSON home after Grosse Pointe's football victory for a cup of hot chocolate and to thaw the chill out of their bones. Gals arriving at 420 Touraine from the Ferndale field were Jan Walker, Peggy Dickens, Joan Rolling, Alice Savage, Margo Gessler, Jeanne Smith, Nancy Doherty, Joyce Wiek, Mary Stover, Alvie Ann Sichter, Cathy Grieg, Joyce Giller, Barb Otto, Gretchen Kleehammer and Ardith Fall.

THEN, on Saturday night was the FORWARD PASS, the first of the regular Student Association dances at G.P.H.S. The decoration scheme was well advertised beforehand—goal posts, schedules, spectators and, most important, the players.

Among the dancers were Antoine LaBodie with Joanne Broom, Jack McGrae with Buffy Wicking, Jack Wilson with Florence Erringer, Ken Venderbusch with Maryanna Larson, Dan Beck with Marge Simon, Bob VanHalteren with Meeky Van-

**Overseas Christmas Mailing Period to Begin on Oct 15**

Christmas parcels intended for members of the armed forces overseas or civilians employed overseas who receive their mail through A.P.O.'s or fleet post offices should be mailed between Oct. 15 and Nov. 15 to insure delivery before Christmas. Postmaster Roscoe B. Huston announced this week.

Parcels to be delivered in Japan, Korea and islands in the Pacific should be mailed not later than Nov. 1, in view of the distance involved. Patrons are urged to mail Christmas parcels at the earliest possible time if they wish to avoid disappointing their loved ones overseas.

Christmas greeting cards addressed to overseas members of the armed forces must be mailed in sealed envelopes and bear postage at the first class rate of 3 cents per ounce.

Parcel post packages must not exceed 70 pounds in weight nor 100 inches in length and girth combined. No perishable matter may be sent. Intoxicants, inflammable material, including matches and lighter fluid, poisons, etc. are not permitted.

Cigarettes and other tobacco products are prohibited transmission for delivery through A.P.O.'s in Germany, France and Austria and also navy numbers 913 and 963 in Germany. No parcels containing penicillin are permitted.

Great care should be taken in preparing packages for shipment overseas. Strong containers such as wood, metal, fiberboard or strong double-faced corrugated cardboard should be used. Parcels may be sealed with gummed tape provided they bear printed instructions giving postal authorities permission to open.

All parcels should be tightly packed with plenty of cushioning material, wrapped with a strong paper and tied with a strong cord. Unless parcels are strongly wrapped and tied they are likely to be crushed.

**Auto Cuts Up Lawns In Front of 2 Homes**

Simultaneously two reports came into the Park police station Saturday morning, Sept. 27 that, early that morning, some one had driven a car over lawns and done a job of sod cutting.

Examination by the police disclosed that the same car had done both jobs. The tire marks were identical. The reports were from 829 Westchester and 797 Trombley.

**Family Service Office Opened**

Clarence Pretzer, director of the Family Service Society of Metropolitan Detroit, announced this week the opening of a new east side office of the agency at 11063 Gratiot, near Outer Drive.

This unit was added in response to many requests for an office to serve the east side and Grosse Pointe.

The district staff, headed by Mrs. Edna Greig, will welcome calls from any person in the community who wishes to discuss a problem of family life. Appointments are arranged through Margaret Mary Scheuer at VE. 9-3800.

Pretzer said it was the experience of staff members that problems developed in families of all income groups. More people are beginning to recognize the need for professional family counselling while problems are still in an early stage. He said these people are turning to the family agency for help which is given through private and confidential interviews, he declared.

The society is a Red Feather service of the Metropolitan Detroit Community Chest.

Pointe Gridders Triumph Under Lights in First Tilt

16-Yard Pass Brings Initial Score in First Quarter, Anderson Smashes Over in Third Period

By FRED RUNNELLS

A 16-yard pass and a seven-yard plunge gave the Grosse Pointe Blue Devils a 13 to 0 football victory over Lincoln High of Ferndale in a nocturnal contest played on Ferndale gridiron last Friday night, Sept. 26.

It was the first game of the season for Coach Ed Wernet's "green team" and the second of the season for Lincoln High, which lost to Berkley, a class B school, a week earlier.

The first score of the game came with less than two minutes remaining in the first quarter. Grosse Pointe was in possession of the ball on the Ferndale 30-yard line. It was fourth down and nine yards to go for a first down when Ken Christianson faked back and tossed a beautiful pass, diagonally across the field, to End Matt Patterson on the 14-yard line.

Patterson side-stepped the only player near him and scampered the remaining 14 yards for the Pointers' first score.

"Piggy" Flaughter's attempt for extra point was blocked and the score remained, 6-0, in the Pointers' favor.

Flaughter kicked off to Ferndale as the gun sounded, ending the first quarter with the ball resting on the Ferndale 28-yard line.

Opening the second quarter, Ferndale threw a surprise pass which Crittendon hauled in and went to the Pointers' 30 before being dropped. This incidentally, was the deepest Ferndale penetration Grosse Pointe's territory all evening.

Flushed with its success on its first pass, Ferndale flipped another intended for Crittendon on the Grosse Pointe 14 but the play backfired when Tom Follis intercepted to stop the advance.

Herb Gerbard got off a booming 54-yard punt down to the Ferndale 28 to get the Blue Devils out of a hole.

Ferndale opened up again with a pass deep in its own territory which was intercepted by Tom Fenski on the Ferndale 39.

Jim Flom sparked another Blue Devil drive when he went 10 yards on a quarterback sneak to the Ferndale 29 and then skirled right end, behind some beautiful blocking, for 24 yards, down to the Ferndale 5.

Time was running out in the second quarter and the Blue Devils tried desperately to score but the gun sounded, ending the period with the ball still four yards from the goal line.

Ferndale drew two penalties in the first half because of an illegal backfield formation. This was due to the tricky formation Ferndale presented when it came out of its huddle before each play. The entire team would come up to the line of scrimmage in a compact group of three lines. At a given signal, the boys would scatter to their respective positions "ad du la bobo" the ball would be snapped back from center and the play would be underway.

This maneuver puzzled the Blue Devil line during the first half and found the forward wall out of position on several occasions. This could have been disastrous if it hadn't been for some fine play on the part of the line blockers who quickly deciphered the attack and stopped it cold as it reached the line of scrimmage.

Grosse Pointe kicked off to Ferndale to start the third quarter.

Ferndale attempted a pass on the first play from scrimmage which was intercepted by Grosse Pointe on the Ferndale 47.

Five plays moved the ball down to the Ferndale seven and a half yard line from which point Bill Anderson smashed over his own right tackle to score, putting the Blue Devils out in front, 12 to 0.

Flaughter's kick split the uprights, making the score read 13 to 0 in favor of the Blue Devils.

Ferndale tried desperately to avert a shutout in the final period by passing but, whenever they got beyond the middle field stripe, a fumble or interception would stall the attack.

Grosse Pointe had possession of the ball on the Ferndale 47 yard line at the end of the game.

Jim Flom and Bob Coleman turned in the longest runs of the night with 24 and 23 yards respectively.

Herb Gerbard turned in a dandy job in the kicking department, averaging 38.7 yards per try.

The blocking was far from good but, when the chips were down, the blockers carried out their assignments to perfection.

The Blue Devils outplayed their opponents in every department except one, that being yards gained by passing. Ferndale attempted 13 passes and completed only two but they were good for 78 yards. Grosse Pointe attempted 12 passes and completed five for a gain of 82 yards.

Grosse Pointe's next opponent will be the Royal Oak Acorns next Saturday afternoon, Oct. 4.

The game will open the Border Cities League season. Royal Oak played Hazel Park last Saturday and won, 6-0.

Statistics: 1st downs rushing 7, passing 1; 2nd downs 4; 3rd downs 1; 4th downs 1; Total first downs 13; Net yds. gained rushing 186; Net yds. gained passing 82; Total yards gained 268; Fumbles 1; Fumbles lost 0; Passes attempted 12; Passes completed 5; Passes intercepted by 2; Punt 1; Punt yardage 54; Yards lost on fumbles 0; Number penalties 6; Yards lost on penalties 33.

Friday night Wyandotte at Highland Park and Grosse Pointe at Royal Oak will be the only league games. Both Fordson and Monroe play non-league games. Fordson plays Flint Northern at Fordson Saturday.

LOST: A football tee at the Ferndale football game Friday night. When John "Pig" Flaughter, Grosse Pointe's place kicker, kicked off for Grosse Pointe after the first touchdown, he used a tee.

After the kick, the referee threw the tee to the sideline but he underestimated his own power and heaved it into the stands. Will the person who caught it return it to "Pig"? It is made of rubber and is red.

JUST RESTING: The report of a man either ill or drunk on Rivard near Kercheval Friday afternoon, phoned to the City police, turned up only an old man, 78, who had become tired and sat down on the curb to rest.

Grid Butterfinger Situation Solved?

Picture by Fred Runnells

Although the Blue Devil backfield men recovered all five of the fumbles they committed in the opening game against Ferndale last Friday, Coach Ed Wernet took to the glue pot during a practice session in an effort to teach his boys the importance of hanging onto the ball. Wernet had a merry time giving the boys a good pasting before the ball handling drills in preparation for the Royal Oak game. The Acorns invade the Pointe Saturday, Oct. 4, to open the Border Cities League season.

Hodges-Glancy Net Team Wins

By FRED RUNNELLS

The final match of the ladies' doubles tennis tournament for the 1947 club championship of the Country Club, postponed last week because of wet courts and cold weather, was finally played last Sunday.

The team of Mrs. J. C. Hodges and Mrs. E. T. Glancy, seeded number one, won the final match by defeating Mrs. W. G. Curran and Miss N. Tiedeman, 6-2, 6-4, to win the title.

The Hodges-Glancy combination reached the finals after drawing a bye in the first round, a courtesy awarded to seeded players. In the second round, the team of Mrs. H. Livingston and Mrs. Simmons fell by the wayside, 6-0, 6-2.

Mrs. A. Macaulay and Mrs. Williams were dropped from competition when they lost to the new champions in the third round, 6-2, 6-1.

The Curran-Tiedeman combination, seeded number two in the tournament, reached the finals by drawing a bye in the first round and then defeated Miss H. Owens and Miss M. Wilbur, 8-6, 6-0, in the second round. Miss C. Calkins and Mrs. W. B. Ford II lost out in the third round to the runners-up, 6-4, 6-2.

This closes the tennis tournament play for the season at the Country Club which has been a highly successful one under the expert supervision of Roland Gray, club professional. He will be bowing out of the tennis picture at the club Oct. 15. He will open a sports goods store on Kercheval this fall.

Gray has been connected with the club for 19 years and has tutored most of the club's players.

Prep Football Rule Changes

Several of the 1947 high school football rules were changed at a meeting of the rules committee rules deal with the free kick, substitution, and point after touchdown.

Only two players can enter a game at one time this year without reporting to the official while the ball is in play. If three or more enter while ball is in play, the team will draw an automatic 5-yard penalty. This happened to the reserves in their first game against East Detroit two weeks ago.

While time is out, a whole new team can enter without penalty. If, in attempting to kick for the point after touchdown, the ball is blocked, it becomes automatically dead. This happened at Ferndale when John "Pig" Flaughter's first kick was blocked and, in the St. Paul-St. Philip game Sunday.

The third important rule change is on the free kick. In order to call for a free kick, the player has to wave his hand above his head. Before all he had to do was raise his hand.

On a free kick, the player can only take two steps forward and has to stop. He calls for a free kick when he thinks a ball will bounce back and away. In Sunday's game between St. Paul and St. Philip, Jim Law, in the safety position, called for a free catch and then ran the ball. He was given a 5-yard penalty for delaying the game.

St. Paul Gridders Lose Second Tilt to St Philip

By JOE FROMM

St. Paul High School lost its second football game of the season Sunday afternoon to St. Philip, 13-0. The game was played at Grosse Pointe High.

St. Philip scored several minutes after the opening kickoff when quarterback Don Cataldo scored from the 4 on a quarterback sneak. Gus Tedesco intercepted a St. Paul pass in the second quarter on the 43 and scored without a hand being laid upon him.

St. Philip kicked off to the St. Paul 22. Don Williams reversed to DuRocher, who carried it to the 29. On the first play from scrimmage, DuRocher was a throw for a 10-yard loss. When he was hit, he fumbled and St. Philip recovered on the St. Paul 12.

On third down, Tedesco picked up 7 yards, placing the ball on the 4 from where Cataldo scored.

On the third chance for the extra point, the kick by Bob Damm was good. The first kick was not good but St. Paul was offside Cataldo passed complete to Muesenberg but St. Philip was offside.

In the second period with the ball on the St. Paul 41, DuRocher received the pigskin from center. He reversed the ball to Bob Berg, who fadded back and hurred a pass intended for DuRocher.

DuRocher was going out with his back to Berg. Defensive right halfback Gus Tedesco caught the ball on the 45 and scored. Not a St. Paul player came within 10 feet of him.

Play was sloppy on both sides. Each team fumbled three times. Other than the two breaks that St. Philip capitalized upon, play was between the 20 yard markers.

Gizmo Trophy Races Planned

The Gizmo Trophy Series, an outstanding sailing event of a year's history at the Grosse Pointe Club, will be held next week end.

Three of the Mackinac-famous boats, Clete Welling's Vitese, Ledyard Mitchell's Soubrette and Wilfred Meiner's Apache, have scrambled their crews for the two events on Saturday and two on Sunday.

Other members of the committee include Robert Kerr, Dave Davenport, Clare Jacobs, Charles McGregor, Kay Langford, Edward Wunsch, Paul Smiley, E. R. Coggin and Charles Davis and their wives.

The original trophy, procured by Mrs. Gmeiner at a rummage sale last year, has become damaged. This year she has purchased a more durable one to be passed from winner to winner from now on.

3 Sail Fleets End Season, 'Alert' Wins

Davenport Takes 1st Place in Luders Class, Roney Among Lightnings

The 1947 sailing season has drawn to a close—in three classes at least, the Stars, Luders, and Lightnings.

The Luders fleet was the first to close its season when the last of seven association races was sailed off Crescent Sail Y. C., the week-end of Sept. 21.

Bruce Davenport, sailing "Alert", captured the last race, beating Aaron Evans and four other skippers. The victory gave Davenport the fleet championship by a wide margin.

This was the first season the Luders fleet scheduled point score races to determine a champion.

Davenport also won the D. R. Y. A. Race Week trophy in this class, last August.

FINAL STANDINGS

Skipper Points  
Bruce Davenport 515  
Miss A. Lodge 429  
Harry Sisson 421  
Fred S. Ford 299  
Aaron Evans 284  
John Stroth 257  
John Brown 121  
Larry Slocum 76

Slocum only sailed in two of the seven races.

The fleet also awarded daily prizes for first, second, and third places in each of the seven races. The prizes were crystal glasses with the fleet insignia, place, skipper, date, and boat names inscribed on them.

The Lightning fleet decided three champions during the season, the last being Walter Roney who captured two first places last Sunday, Sept. 28, when the final two races of the season were sailed.

Roney's double victory gave him the Crescent Lightning fleet championship with a total of 49 points.

Gene Howard and Fred Schelter tied for second place with 47 points each.

It was Fred Schelter and Gene Howard who battled it out for the Cossaboom and Kerr trophies.

The Kerr trophy was won by Howard who amassed the greatest number of points in the D-R. Y. A. regatta races and the point score races combined.

Fred Schelter amassed the greatest total points in D. R. Y. A. competition which gave him the Cossaboom trophy.

Fifteen boats sailed in the point score series during the season. To be eligible for the fleet championship, a skipper must start and finish five of the nine point score races.

Alex Allardyce's "Thistle" and the writer's "Brat" came down to the final race of the season, in Detroit River Star Fleets point score series, with less than a point separating them.

Allardyce beat "Brat" in the final race of the season to capture the fleet championship by one and three-tenths of a point. It was one of the closest finishes for the championship in the 26-year old history of the Star fleet.

The point score series consisted of the "A" series, the "B" series, the "C" series and the world's championship elimination series.

The "A", "B" and "C" series were of three races each and the elimination series consisted of five races.

To be eligible for the fleet championship, a skipper must enter and finish 12 of the 14 races.

Allardyce won the "B" series trophy, Bob Williams "Fin" won the "A" series trophy and "Brat" won the "C" series trophy and the elimination series.

Trophies outside the Star fleet point score races are the Joy trophy which was won by Allardyce and the J. T. Wing trophy which was won by "Brat".

Complete box score standings for the fleets for the season will be published on the sports page of the News next week.

St. Ambrose Eleven Wins Contest with Annunciation

Foes Fumbles Help Grosse Pointe Team Triumph, 12-6, in Second Game of Grid Season

By JOE FROMM

St. Ambrose won its second football game of the season by downing Annunciation Sunday 12-6 at Waterworks Park, Annunciation's home field.

Ambrose took advantage of several misplays by Annunciation. Ambrose recovered four of eight fumbles by the losers and intercepted two of their passes.

Two Ambrose-recovered fumbles indirectly set up the St. Ambrose touchdown early in the second quarter.

Mazzalo recovered an Annunciation fumble near the middle field stripe in the late part of the first period. After little gain, Ambrose punted to Annunciation 37, where it was again fumbled, this time recovered by Ambrose captain Roosa. The period ended with no score.

Ambrose worked the ball to the Annunciation 11 before it was stopped. After an exchange of punts, St. Ambrose received possession of the ball on the Annunciation 23.

On third down, McFarland picked up seven yards. On the next play, he made a first down. Howard picked up four yards and then passed to Burns on the Annunciation one-yard stripe. McFarland scored.

Howard attempted to run the extra point over but failed to pick up the necessary yardage. Annunciation came back with a touchdown in the third period to tie the score at 6-6. It remained this way until the last five minutes.

Daley of Annunciation, on his own 28, threw a pass intended for Schaufner. McFarland intercepted and ran 28 yards for the score. Howard attempted to pass for the extra point but it was incomplete.

Annunciation Statistics: First Downs 9; Net yards gained rushing 120; Net yards gained passing 10; Total yards gained 130; Passes attempted 10; Passes completed 10; Passes intercepted by 4; Fumbles 23.5; Number penalties 4; Yards lost on penalties 35.

New Staff Takes Charge Of Pointe Reserve Team

The Grosse Pointe High School reserve coaching staff has changed hands since last year. Last year's coach, Charles Peterson, resigned for a production job at Budd Wheel.

In his place is Pat Kaulitz, mechanical drawing instructor. Kaulitz has been connected with football at Grosse Pointe High for 24 years. He has coached everything from varsity to intramural. Last year, he was with the intramural team.

Assisting Kaulitz part-time is Chuck Hanneman, a former Grosse Pointe High student. Hanneman graduated in 1932, one year before Edward Wernet, the varsity football coach.

Hanneman made 11 letters in high school, four in basketball, three each in football and baseball and one in track.

When Hanneman was graduated, he attended Michigan State Normal, where he played football three years. In 1935, he received all-American mention as an end. He was graduated in 1935.

From 1936 through 1942, he played professional football for the Detroit Lions. He finished the 1942 season with the Cleveland Rams.

In 1940, Hanneman was chosen for the all-pro football team. Hanneman does not work for the school but helps Kaulitz after his working hours.
