## PUSH PLANS FOR WAR MEMORIAL

### HEADLINES

of the WEEK

As Compiled by the Grosse Pointe News

Thursday, Feb. 12

(Lincoln's Birthday)

**GRAIN PRICES CONTINUED** TO fall in Chicago yesterday... stocks in New York rally and hold fast at close... fall in wholesale food prices beginning to be reflected in Detroit retail markets; roasts and steaks down 10c.

**DETROIT POLICE** stopped the weekly bingo game of the Society of Good Fellows in Moose Temple last night.

**PHILIP MURRAY** and the CIO are indicted by a Federal Grand Jury on charges of violating the Taft-Hartley act, based on union political activity... intended as a test case of that provision of the law.

**UNDER CONGRESSIONAL PRESSURE** Secretary of Agriculture Anderson reveals the name of Edwin J. Manard, as the party reputed to have made \$400,000 on the bear side of the grain market... Manard acknowledges the 'corn'... says he has been a trader in grain for thirty years, knows the market and uses his head... most of his information came from public statements of the Government available to all... prospects for a bumper grain crop in Europe this year, shortening our necessary food shipments to Europe, all factors in his decisions to sell... not the kind of 'inside' information the Congressional committee was sleuthing for.

**THE FALL IN COMMODITY PRICES** THE FASTEST ON RECORD, exceeding the rate of fall in 1929.

**KENNETH C. ROYAL**, Secretary of the Army's trip to Panama said to have been for the purpose of looking into the feasibility of building a second canal across Central America, to supplement the present Panama canal in time of war... says the question of whether we can build such a canal outside of the Zone, depends on the disposition of the country through whose territory we have to pass... The secretary may have overlooked the express permission given for such a ditch by Nicaragua to this country more than twenty years ago.

**JUDGE GEORGE B. MURPHY** pays his \$100 fine for drunk driving and quotes Benjamin Franklin on the lack of appreciation of statesmen until after they are gone.

**GANDHI'S** ashes are scattered on the Ganges and 2,000,000 Hindus witness the ceremony in a frenzy of religious and patriotic exaltation.

**Friday, Feb. 13**  
**GOVERNMENT ATTORNEYS** file a petition in Federal Court in Chicago asking that 2,700 eye documents throughout the nation be named as defendants in pending suits charging they accepted bribes from optical firms... seven Detroit firms named and thirty additional from out-state.

**RETAIL FOOD PRICES IN DETROIT** continue to fall, following the crumbling of prices in the wholesale markets... vegetables and soap products follow the downward procession... Detroit housewives are learning that their dollar goes farther.

**KAISER-FRAZER** forced to curtail production as the gas shortage grows.

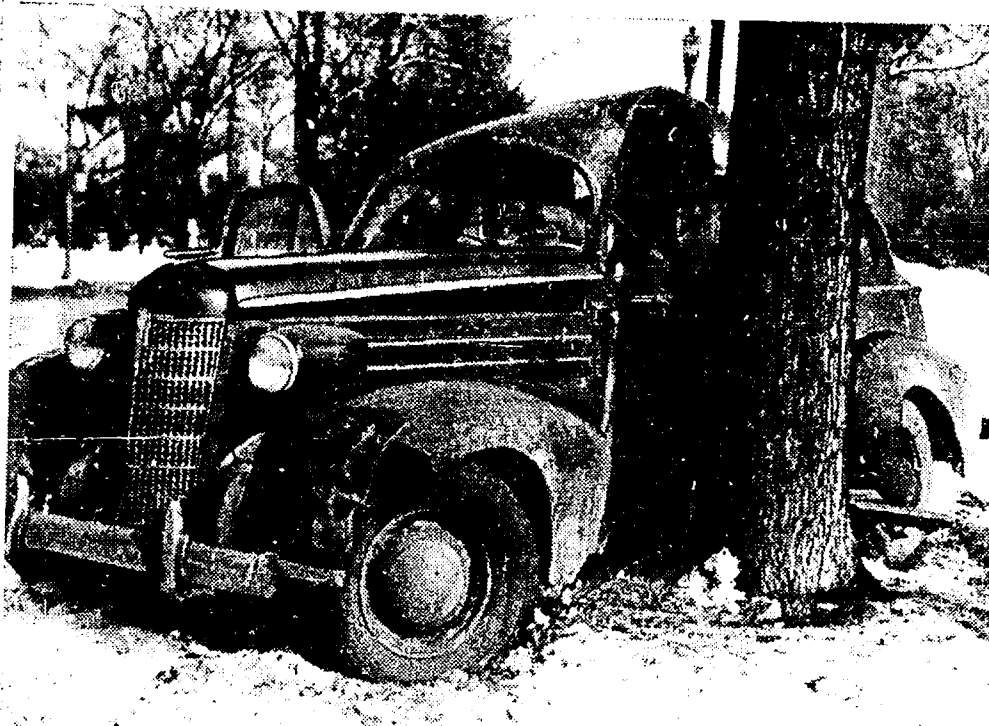

**GOVERNOR SIGLER WILL BE A CANDIDATE** to succeed himself... wants to 'finish the job'... will serve again even though the governorship of Michigan is 'the grimmest job in the United States.'

**ELLIOTT ROOSEVELT** reveals that his father, the late FDR, was writing a life of John Paul Jones, unknown to the family, at the time of his death.

**AN INVESTIGATOR FOR THE Detroit Free Press** says that present home building costs are up 110 per cent over pre-war costs.

**THE MICHIGAN CONSOLIDATED GAS COMPANY** announces it will supply gas to Detroit's industrial plants beginning next Tuesday and, looking un-

### Result of a Bad Combination

**ICY STREETS AND A RECKLESS DRIVER** who almost sideswiped them are blamed by the occupants of this car for what happened at East Jefferson and Park lane at 11:30 a. m. on Wednesday, Feb. 11. Allan R. Reed, of 216 Ashland, Detroit, driver, and William R. Bergey, of 230 Ashland, passenger, were both hurt. They were taken to Bon Secours Hospital for treatment and later Reed was removed to Jennings Hospital. It was feared that he might have suffered a fractured skull, but his condition was reported as favorable this week. Bergey, who suffered cuts about the face, said Reed swerved, attempting to miss being sideswiped by a car also going west on Jefferson. Reed's car went into a skid which ended against the tree.

### Woods President Ghesquiere Gives Pros and Cons of Big Issues Confronting Village

**Presents Arguments and Opinions on Matters That Must Be Decided by Voters at Election Scheduled for March 8**

President Alois A. Ghesquiere of the Village of Grosse Pointe Woods, has prepared a presentation of facts and opinions concerning various issues on which the qualified electors of the village will vote on March 8. His presentation follows:

In line with a policy adopted some time ago and through the courtesy of the Grosse Pointe News, I am presenting as much information as possible regarding some propositions being presented to the voters of Grosse Pointe Woods on March 8. The problems that the electors are being asked to decide are three as follows:

1. To give the Village Commission the authority to sell any part or all of the Municipal Building and Park Site on Mack avenue between Kenmore road and Huntington avenue.
2. To authorize the sale of \$40,000 worth of bonds to pay for the completion and furnishing of an addition to the Municipal Building on Mack avenue at Anita avenue.
3. To amend the Charter to provide for paying of a salary to the President of \$600 per year and to the Commissioners a salary of \$400 per year each.

Also in line with past practices I will list the "pros" and "cons" for each proposition and this time add a few comments about my personal feelings regarding these problems:

**Municipal Building and Park Site Sale:** This site was purchased in 1943 and has a frontage on Mack avenue of about 860 ft. between Kenmore road and Huntington avenue. It contains about 44 acres of which about 12 acres are in Gratiot Township. The site is quite well wooded. It was purchased to provide space for a new municipal building, fire hall, park site, playgrounds and possibly a swimming pool. The pool idea was a big factor at the time of its purchase because previously several unsuccessful at-

### Retiring Police Officer Honored

"Bill" Rice, retiring lieutenant of police in Grosse Pointe Farms, will take a gold police badge and goes to the country on March 1.

Tribute was paid the popular officer at the meeting of the village trustees on Monday night, Feb. 18. A resolution expressing the appreciation of the village for his work during the last 27 years was read by Village President James K. Watkins. Mr. Watkins presented the gold retirement badge.

Lieutenant Rice has bought a small farm at Armada, Mich. and he and Mrs. Rice will move there from their Mapleton road home after his official retirement.

### News Accepts Assignments To Act as Clearing House

The need for a clearing house of information concerning Grosse Pointe activities has been pointed out by Frederick S. Ford, of Windmill Pointe drive, who suggests that the NEWS perform this community service.

Mrs. Ford believes it would be a very great help to organizations sponsoring events or holding meetings, and to those wishing to attend, if such activities were listed chronologically in the paper each week. It was further suggested that a duplicate list be kept in the NEWS office for those wishing to phone in for this information.

Such a service will require the cooperation of all organizations wishing their events publicized. If they will get the information to the NEWS, this paper will gladly act as a clearing house.

Information for publication will have to be in the NEWS office by Monday noon to be included in the listings of that week's issue. The schedule kept in the NEWS office will be kept up to date as the information comes in.

### Farms Fire Loss \$175 in January

The fire loss in Grosse Pointe Farms during January was \$175, Chief George Danbury reported to the trustees on Feb. 18.

There were three residence fires, one auto fire and 26 emergency calls.

### State Okays Park's Pool Cleaning Plan

**Endorses Installation of Chlorination Equipment To Cure Pollution**

Village Manager Everitt B. Lane of the Park spent all day Wednesday, Feb. 11 in Lansing in consultation with officials of the State Health Department. They approved in general of the Park's plans for the treatment of the enclosed swimming pool. A few minor suggestions were made having to do with the installation.

The general idea of substituting chlorination of the water within the pool in the place of total filtration, possibly plus chlorination, they approved heartily where the municipality was unwilling or unable to install the more perfect method of filtration. It must be kept in mind however that it is not designed to treat the water for drinking purposes, although if some swimmers happen to get several swallows of the water it will do them no harm. Chlorination is guaranteed to keep out all of the bugs which are ordinarily encountered in polluted swimming water.

A large part of the expense of preparing the Park's pool, which is estimated will cost about \$8,000, will go towards the installation of many feet of iron piping used in the pumping and agitation of the pool water.

The pump and the chlorinator have already been ordered. It will take about twelve weeks for the delivery of this apparatus.

While the Park has an advantage over the other Pointe municipalities in already having a concrete swimming pool, it would be possible for the other municipalities to have a sheet piling enclosed pool at very much less initial expense. This method is similar to the device used in coffer dam work and can be installed so that it is sufficiently water tight to serve swimming pool purposes.

At the meeting in Lansing on Feb. 11 a representative of the Ohio State Health Department was deeply interested in the job the Park intends to install. He has in mind to recommend the same sort of installation in certain Ohio municipalities.

### Woods to Build Mole at Beach

At the Woods Council meeting on Feb. 3 approval was given to all of the preliminary work done at the beach front park by the Park Committee.

It was also decided to proceed at once with the preparation of plans for the erection of the mole on the south bank of the Milk river. This is the first step towards the control of the lake waters and their purification for swimming purposes.

The Woods Board of Village Commissioners agree unanimously that sanitary and safe swimming must be provided for the people of the village, as otherwise the primary purpose of acquiring a water front park will be lost. They have no confidence in the clearing up of the water by communities farther up keeping their sanitary sewage out of the lake. They regard this as a long ranged and almost hopeless view.

### Weather Slows Farms Building

Building Permits for construction totaling \$154,000 were issued in the Farms during January.

Building Inspector Theodore Beaupre said the permits covered seven residences to cost a total of \$77,000, one commercial structure valued at \$75,000, and three miscellaneous jobs totaling \$2,000.

Since the start of the village's fiscal year last March 1 there have been 206 permits issued for construction totaling \$2,501,000.

Mr. Beaupre reported that the extremely cold weather during the month was a definite factor in slowing up building activity. Builders indicate there will be a much increased program during 1948.

### TREED CAT FREED

Grosse Pointe Farms firemen used a ladder to get a cat out of a tree in front of 34 Mukokoa road on Feb. 12.

### Mobile X-Ray Unit Doing Land Office Business in Pointe

**Residents Turn Out in Drove to Take Advantage of Opportunity to Get Free Examinations for Detection of TB**

Pointers are responding in droves to the appeal of the free chest x-ray campaign for the detection of TB, which got under way on February 10. The mobile unit, furnished by the Michigan State Health Department, was located at Trombly School on Tuesday and Wednesday for the opening of the drive. A total of 600 x-rays were made there.

Not stopping for holidays, it transferred to a location in front of the police assembly room entrance at the Park Municipal Building on Thursday morning, Lincoln's birthday, where by 3:30 p. m. it had examined 375 more. At the first two locations 1400 adults received free examinations.

The first person to take the examination in the Pointe was Township Supervisor Carl Schweikart.

While the work was in progress during the afternoon of Feb. 12, a group of women and girls who are identified with the Pointe campaign, were assembled in the Council Chamber to make a wire recording for publicity purposes by Myrtle Labbit of CKLW. This was to be interspersed in CKLW broadcasts.

Among those brought together for the recording were Dr. Thomas S. Davies, Grosse Pointe Health Officer; Mrs. Alice Moody Sheaffer of the Grosse Pointe Board of Education; Mrs. Stanley Mackenzie of the Mothers Health Education Council of Grosse Pointe; Mr. Reinstein and Miss Howard of the Michigan State Health Department's TB Division; and Mesdames Goodrow and Wunsch of the Junior League.

In addition to those examinations already held, the schedule for the Park winds up there on Friday and Saturday, February 19 and 20, where it will be in the St. Clare School from 1 to 5 in the afternoon and from 6 to 8:30 in the evening.

The City's schedule opens on Tuesday and Wednesday, Feb. 24 and 25 at the Municipal Building on Maumee from 1 to 5 and 6 to 8:30 p. m. Thence it goes to the Neighborhood Club for Thursday and Friday, Feb. 26 and 27, 1 to 5 and 6 to 8:30 p. m. It winds up the city campaign at Jacobson's (Continued on Page 2)

### Parcel of Land Without Owner

There is a little parcel of ground with only 16.34 feet front on Notre Dame just north of Waterloo and running to a point at the rear lot line, the ownership of which has been a moot question for a number of years. This little irregular strip is carried on the City's maps as un-platted land.

The situation resulted from the fact that many years ago when that tract at the corner of Notre Dame and Waterloo was developed by the Pointe Land Subdivision for the southern part, the lot platting stopped at the bank of the then Black Marsh creek. Years later this creek was covered over and the land created thereon had no place to go.

At the City Council meeting on Feb. 16 the City Attorney was instructed to go into Court and ask the Court to indicate the just allocation of the undeveloped and unused property. The hope is that a decision can be made which will square off the property, turning over to the present owners of the adjoining lots their just proportion.

The present lots in this section are 125.71 feet deep in from Notre Dame.

### Icy Road Causes Crash on Mack

Icy roads caused an accident at Mack and Colonial court at 9:20 a. m. on Feb. 12.

Charles James Dillard, driving a pickup truck west on Mack, skidded into the path of a Chrysler driven east on Mack by Campbell Westbrough of 1322 Beaconsfield.

Westbrough was treated in Cottage Hospital for a bump on the head and injuries to a knee. Damage to the Chrysler was estimated at \$200 and to the truck at \$50.

### Youthful Scholar Carries Information Under Coat

Whether it was the thirst for knowledge inspired by the anniversary of the most distinguished self-sacrificed man in history, or just the desire to steal something, a thirteen-year-old boy was grabbed as a shop lifter by Miss Jean Seels, the manager of the Doubleday Book Shop, on Lincoln's Birthday.

The youngster had under his jacket, not a hair raising mystery and murder story, but of all things, a copy of the World Almanac.

Miss Seels phoned the police and they took the young scholar to headquarters, where Lieut. Van Broekhorst gave him a lecture on the right and wrong way to add to his mental treasure chest, then sent him home.

The youth said there were four other boys in the store with him when he had the Spartan bad luck to get caught. He and his four fellow admirers of John Kieran were instructed to appear at headquarters the following day for a further lecture by Chief Tom Trombly.

### Arrange Big Meeting to Start Drive

**Honor Roll Association Hopes to Have Money Raised by Memorial Day**

The Grosse Pointe Honor Roll Association held a meeting in the Little Club on Friday night, Feb. 13. It was the first meeting since the formal acceptance of the plan for a War Memorial Library by the Board of Education and the Association lost no time in getting down to a consideration of the launching of a campaign in the Pointe at an early date for the raising of the funds to erect the building.

### 594 Homes Built Here During 1947

The association decided to move the present temporary honor roll structure from its location on the High School campus at Fisher and Maumee to the corner of Kercheval avenue and Fisher road to publicize the spot where the new structure will be. Definite arrangements for its removal were made, with City Clerk Norbert Neff volunteering to handle the removal.

It was also decided to hold a meeting, probably within the next two weeks, in the High School library, or in the auditorium if necessary, to which will be invited the officers and heads of all organizations in Grosse Pointe. It is understood there are nearly 100 here and they include about every line of interest and activity with which residents of the Pointe are associated.

Chairman Alger Sheldon and Norbert Neff were named a committee to obtain a keynote speaker for the organization meeting. It is understood that they have obtained former Governor Wilber Brucker of Provençal road as the speaker and that the meeting will probably be held early in March.

Public officers of the municipalities and the Board of Education, Veterans organizations, Business associations, service clubs, social service bodies, cultural societies, the churches with all their wide organizational ramifications are urged to be represented at this meeting.

All residents who wish may attend this session.

Governor Brucker was suggested as a logical keynote to be requested to make a keynote address in which the whole purpose and appeal of the Memorial Library project will be set forth.

While the Honor Roll Association has taken the lead in all of the preliminary arrangements looking towards the War Memorial, it desires it understood clearly that it is not assuming sole responsibility for the success of the enterprise. It must be a community-wide effort, all present at the Friday meeting agreed. They were also of one mind in agreeing that no public movement with a wider appeal has ever been presented to the Pointe community.

The library will honor the more than 3000 young men and women who went out from this region to serve in the war, and will memorialize the more than 100 who lost their lives in the struggle. There is scarcely a family in the whole area which has not a direct contact with and interest in the project.

Out of the meeting it is expected that a permanent campaign executive committee will emerge and some prominent citizens will then be chosen as the chairman of the campaign.

There is a great deal of detail work to be done before the actual construction of the funds can start. A good many of the entire Pointe must be set up and the campaign workers recruited and organized into teams.

The Honor Roll Association is unanimous in feeling that the drive must be pushed to a successful conclusion as soon as possible and it is hoped that by Memorial Day it will be possible to announce that the Pointe has provided fitting honor for its servicemen and women and particularly for the dead of World War II.

### SKIDS INTO WALL

A car driven by David McCarron of 311 Kercheval road, went into a skid on Vendome at Charlevoix on Feb. 14 and ended up against a brick wall. Damage to his car was estimated at \$25. The wall was not hurt.

### Ghesquiere

(Continued from Page 1)  
sold for a high price for business frontage.

3. That the Village Commission should have the right to sell any part of it that may later be decided without the delay of waiting for an election to obtain permission. This they state would give the chance of taking advantage of the best market conditions.

Those against the sale of it say: 1. That the site should be kept in its entirety excepting possibly that portion lying in Gratiot Township, and be used for the purposes for which it has been purchased.

2. That this site is needed for

the use by those who can walk to it, especially those in the immediate vicinity and the people at the south end of the Village who may find it too far to travel to the Lake Front site.

3. That it is the only sizeable piece of ground within our own borders that is eminently qualified for a park, playground and municipal site both as to location and to beauty. Some few are still skeptical that the Lake Front site will ever be desirable for swimming because of the pollution problems and want to preserve the present Mack avenue site in case persons would be desired.

My personal feelings on the proposition, which are NOT in behalf of the Commission or any other organization or individual, are: That this whole matter has been too hastily presented without enough consideration being given to a great number of factors before the site is sold. Among the many, some of the most important are:

1. Our Park Commission has not had time to make a proper study or to submit a recommendation regarding its use or sale.

2. Time should be allowed to determine whether we should take the long view and leave a suitable site for municipal buildings, civic center, park and playgrounds as the Village develops further, or take the immediate view to get the property back on the tax roll quickly.

Time should be allowed to again study the whole character of Mack avenue and what type of structures that should be allowed in the area to be sold. I have had a strong feeling that the largest business developments will center at two points, at Moross road and Vernier road. That in the midway area we will have only small stores of indifferent size and character and that because of this and also because on the opposite of Mack avenue to this site, the property is all restricted to residences and the first unit of a goodly sized church is now nearing completion, that it might be well to restrict the

Mack frontage at this point to residence if it is to be sold or it is to be kept to use it for a Municipal building, civic center or even a library with the Park behind it.

In other words it might be well to have a sort of cultural interlude in this part of Mack avenue to provide a sort of spot of beauty in the center of the long stretch of commercial buildings.

If this proposition should be rejected at this time by the voters no great damage would result because the property was purchased at a very reasonable cost, (at less than \$1,000 per acre) and the tendency will be for values to increase rather than decrease as time goes on, especially in a rapidly growing community such as Grosse Pointe Woods.

Haste in selling will gain nothing. There are other elections coming and a special election could be called necessary on a more specific proposal.

Addition to Municipal Building: There is a desperate need for more room and working space in this building for all the services, the clerk's business office, the police and fire departments and in the commission meeting room. Some relief must be had soon. However, our thinking about this proposed addition must be governed by the decisions we make on the Mack avenue Park and Municipal Building site.

If we think the Mack frontage should be retained then we should not spend \$40,000 at the Anita and Mack location. We should try to get on for a few years on about \$12,000 to \$15,000 addition to the present rather cheaply constructed building. If the Mack frontages at the Park site is to be sold, then the \$40,000 should be approved for additions at the present location.

Salaries for the President and Commissioners: During the five years I served as a Village Commissioner and my nine years as President, I have often thought that it would be a nice gesture if some citizen or group of citizens would have sponsored a proposition to give these officials a slight nominal remuneration in appreciation for the great many hours spent by these men in the service of the community. This has never happened and it is somewhat regrettable that the proposal should be originated by the Commission, but the proposal is now there for the voters' decision.

Last year we held 35 official commission meetings of record, several informal meetings with the Park and Planning Commission and numerous committee meetings of parts of the commission and as mentioned in an editorial in The Grosse Pointe News, all these meetings are after the members have earned their living at their vocations elsewhere. These meetings are held at times these men would prefer to spend with their families or at social affairs.

I do not believe that the payment of a salary as proposed would have any bearing whatsoever on the calibre of the men the office would attract. The amounts involved, \$400 per year for the commissioners and \$800 per year for the president would not influence to any great degree any high caliber man who would be willing to serve his community and any individual who would just run for office to collect the salary would soon be discovered, especially in a community of our size where all the candidates are usually well known to the electorate. The decision is in your hands. A. A. Ghesquiere, Village President.

**Detective Outguesses Car Thief and Hit-Run Driver**

**Farms Sergeant Elmer Labadie Makes Smart Deduction When Machine Is Found Abandoned at Boys' Republic**

A youthful car thief who was involved in two hit-run accidents with the stolen vehicle, is held in the Juvenile Detention Home, thanks to some smart police work on the part of Detective Sergeant Elmer Labadie of the Farms.

George Grifford, 15, of 225 1/2 Muir road, an old, old acquaintance of the police, is the culprit in the case.

On Feb. 7, Richard Bartone of 2520 Lenox, Detroit, notified the Farms police that his 1948 green Ford convertible coupe had been stolen from the parking lot at Mack and Kerby. He had left it there with the motor running while he went into a restaurant to get a cup of coffee.

Shortly after the time of the theft, 5:40 p. m., the car was involved in a hit-run accident at Mack and Hunt Club drive in Grosse Pointe Woods. It struck a Lincoln driven by James R. Bennage of 60 Roslyn road.

Not much later a second hit-run accident occurred at Conlidge and 10 Mile road in Oak Park. The owner of the car hit there, Clatus Ehinger of 13640 Ludlow street, did not see the offending vehicle, but green paint matching that on the Ford, was later found on his car.

The following day state police found the stolen Ford, abandoned in the rear of the Boys' Republic in Farmington. As soon as Sergeant Labadie was informed where the car had been found, he made a very intelligent guess as to the identity of the thief.

George Grifford had served time in the institution and was then out on probation. It seemed logical to Labadie that George had wanted to go back and pay a visit to some old friends still incarcerated there, and had stolen the car to provide transportation.

The sergeant called at the Grifford home, but George was not in. Not wanting to scare him away before he could lay hands on him for questioning, Labadie told the family he wanted to talk to the boy about his failure to attend school. They promised to

George Champine. He was booked on a charge of unlawfully driving away an automobile and for investigation as a hit-run driver.

George is still under probation to Leonard Dembowski, a social worker for Boys' Republic. Dembowski and another social worker at the Republic, Earl Bostresser, were present at his hearing in Mr. Schooley's office in the Detention Home.

Authorities at the home were unwilling to release him to criminal court and he is slated to be tried by Referee Charles Baxter of Juvenile Court.

**Council Grants Three Licenses**

Two beer and wine licenses were granted by the City Council on Feb. 16 to the Cunningham Drug Store at 16940 Kercheval, and George Ammar at 683 St. Clair respectively.

The latter is the store formerly operated by the Dill Grocery store.

The council also granted a dance license to the Alger Club (VFW) on St. Paul.

**Icy Streets Pile Up Cars**

**Many Accidents Reported As Dangerous conditions Prevail Over Weekend**

The extremely hazardous condition of the Grosse Pointe streets the latter part of last week was responsible for a number of accidents.

At 7 o'clock on Friday night Orval J. Lehman, of Mt. Clemens, driving south on Bishop skidded on the ice into Vernor and struck a car owned and driven by Alfred E. McShea of 22330 Colony, St. Clair Shores that was going west on Vernor. Both cars were badly damaged but there was no personal injury. Lehman got a ticket for not having his car under control.

At 9:50 that same morning at Vernor and Edflore Stanley Kevasibarski of 1993 E. Hancock driving east on Vernor, struck a car driven by Paul Walker of 1211 Bishop, causing Walker's car to knock down a street sign. Walker got the ticket for driving through a stop sign.

On Saturday morning at 10:30 there was a three-car mixup on Kercheval between Audubon and Whittier. A Ward Baking company truck driving east on Kercheval, struck a Plymouth sedan owned and driven west on Kercheval by Arthur H. Smith of 1236 Newport. Following this a car also going east, driven by George Anderson of 260 Moran, struck the Smith car. The two passenger cars were damaged but not the truck.

Another mixup occurred the same day at Vernor and Balfour in which a car driven by Nathan Car of 1657 W. Euclid, tangled with a station wagon driven by George Banton of 316 Hillcrest resulting in considerable damage to both cars.

On Sunday noon in front of 15108 Kercheval, a car driven by George F. Walter of 1034 Alter road, struck a Buick coupe driven by Mary C. Moran of 212 Moran road.

When homes stop breaking up, peace conferences will stop breaking down.

**Woods Planners Ask Cooperation**

Balance of Vernier Road to be rezoned? The Planning Commission of Grosse Pointe Woods has petitioned to rezone Vernier road from the business frontage on Mack avenue, west to the village line.

The request is that this property be made the same as that east of Mack, which was recently rezoned for residences only. An open meeting is scheduled for Monday, February 23, where all interested parties will be heard in order that the commission may have the benefit of the thoughts of the property owners as well as of those owning adjacent property.

The hearing will be at 8:30 and all interested parties are requested to be present in the village hall.

### Disclose Plans to Improve Farms' New Athletic Field

Plans for the development of the new Farms athletic field on Kerby road were outlined by the recreation committee at a meeting of the village trustees on Feb. 16.

Because of the proposed sale of the present recreation park at Kerby and Chalfonte, the committee further considered its recommendations made in a report to the Village Council on November 17, 1947. As a result the general recommendations for 1948 have been more clearly defined as shown below.

(a) Hard ball infield to be graded and sodded.

(b) Erection of an adequate hard ball back stop.

(c) Layout of a soft ball field with back stop.

(d) Build cinder road and parking lot along east side of field for those using park.

(e) Run 2 inch water line across the park.

(f) Install a and connect two drinking fountains.

(g) Install a hose connection for sprinkling field.

(h) Provide separate toilets for men and women with sewer and water connections.

(i) Provide some players' and spectators' benches.

A plan of the proposed layout, prepared by the Engineer, is available for examination.

In order to make the field available for early use in the spring, approval to proceed must be given in advance of budget considerations. The Engineer has been asked to submit estimates of cost for the work at the March meeting.

Members of the recreation committee are: Neil McEachin, chairman; Henry Hubbard and William G. Kirby.

### 84 Chicken Pox Cases Reported

Chicken pox and mump cases dominated the January report of Dr. Thomas S. Davies, Health Commissioner of Grosse Pointe Township. There were 84 new cases of chicken pox reported during the month, and 33 new cases of mumps.

Other diseases included in Dr. Davies' report were measles, four cases; scarlet fever, six cases; pneumonia, four cases; and one case each of Vincent's angina and ring worm.

### Plan Open House At High School

Grosse Pointe High School's annual second semester open house will be held Friday evening, February 27, from 8 o'clock to 9:45, to enable parents to meet their children's new teachers.

The faculty will not necessarily be found in the rooms where their classes meet, but will be in their desk rooms. A directory given out by members of the Service Club will aid the parents in finding the teachers they wish to meet.

"The purpose of this open house is to set a time when all the teachers will be available to all the parents," said C. E. Saltzer, assistant principal and chairman of arrangements. "It will provide the open house is held under the auspices of the Mothers Club, and mothers will assist the homeroom teachers in receiving the parents."

Parents of all students who attend Grosse Pointe High School and Brownell Junior High School are urged to attend.

### City Authorizes Property Sale

Grosse Pointe City has authorized the sale of lot 590 at Chalfonte and Washington to Harry Cavanaugh for the price of \$2110. This is the last remaining remnant of the old pumping station property and has been owned by the City for many years.

Mr. Cavanaugh owns adjoining lot 591 and has already erected a house on it. He intends to build a house on the newly acquired lot. This was one of the conditions of the sale, as the City would not sell it to any person who intended to hold it for speculation. Mr. Cavanaugh will have a house completed on the lot by September 30, he stated.

### Transfer to Kenyon

### Pointer's Dad Quite A Guy

Feels "Fit as a Fiddle" After Undergoing Serious Operation at 99

Frank Lowmaster, of 711 Washington road, returned last week from the Hickory Lodge Gun Club in Virginia, where he was visiting his father, William T. Lowmaster, who recently underwent a serious operation.

Mr. Lowmaster, Senior, is a sprightly old gentleman of 99. A few years ago when he had sold a piece of property in Indiana, his former home, he surprised his two sons by informing them he had put the proceeds in ten years savings bonds. He was then 95 years old. He remarked that "a man is a damn fool who doesn't lay aside something for his old age."

Recently he had an operation for hernia and the doctors found a gangrenous condition in his intestines. In view of his advanced age they anticipated he would not survive.

To the surprise of all he insisted on sitting up the second day after the operation, and when his sons left him ten days later he was eating lustily of ham and eggs and consuming quantities of coffee. He said he felt, "as fit as a fiddle" and confidently looked forward to attaining a really "ripe old age."

### Sleepy Car Salesman Rests Before Delivery

An employee at the A. E. Barit home at 15366 Windmill Pointe drive, was disturbed by a suspicious looking car that was parked in a field at the foot of Harcourt. She phoned the police, who picked up nothing more suspicious than a sleepy salesman who was about to deliver a shiny new Chevrolet to a resident on St. Clair, and who had gotten drowsy before the delivery was made.

He had pulled off the road for a little much needed rest.

### CRASH ON JEFFERSON

When a car owned and driven by William K. Wilhem, of 4174 Courville, stopped on Jefferson at Kensington at 1 a. m. on Feb. 12 to make a right turn, it was struck in the rear by another owned and driven by Alwyn E. Wunderlich of 22428 Bayview, St. Clair Shores. A ticket was issued to Wunderlich for not having car under control. Some damage was done to both cars but there was no personal injury.

### STRENUOUS PLAYMATE

Complaint came from the teachers at the Maire School on Feb. 11 that a large Boxer dog was so strenuous in his play with the children that he frightened some of the smaller ones. The police gathered in "Duke" and his owner, R. Ward of 1175 Grayton was requested to withdraw him from circulation.

### Ida Sales Jones Taken by Death

The funeral of Mrs. Ida Sales Jones who died in Pasadena, Cal., on Feb. 12, was held from her late home, 41 Provencal road, Grosse Pointe Farms, on Tuesday afternoon, Feb. 17, at 2:30 o'clock. Burial was in Woodlawn Cemetery.

Mrs. Jones was the widow of the late Lewis H. Jones and is survived by her brother, Murray W. Sales, who was unable to return from Florida for the funeral.

She also leaves a daughter, Mrs. Frank E. Caulk, of Pasadena, a sister Mrs. James E. Granger of Duluth, four grandchildren and two great grandchildren.

### Charles H. L'Hommedieu Dies Following Stroke

Charles Hammond L'Hommedieu, aged 67, of 120 Kenwood court, died on Friday, Feb. 13 in the Cottage Hospital. He had had a stroke on February 8 and collapsed as he was leaving his home.

For years he had been one of the most prominent attorneys in the Detroit area. He was graduated at Yale in 1903 and in Law at the University of Michigan in 1906.

He was a member of the Detroit Club, Country Club of Detroit, University Club, Witanagamoto Club, Beaver Dam Club, The Players, Fine Arts Society, the Detroit Bar Association and a life member of the Detroit Boat Club. During World War I he served with the Michigan State troops.

He is survived by his wife, Winifred Batchelor L'Hommedieu and two sisters, Mrs. Philip B. Russel and Miss Alma, both of Detroit.

The funeral services were held on Monday, Feb. 16. Burial was in Woodlawn cemetery.

### Father and Son Banquet Being Given by Scouts

The Father and Son Banquet for the Cubs and Boy Scouts of Cub Pack 19 and Scout Troop 19 will be held in the Grosse Pointe Memorial Church tonight, Thursday, February 19, at 6 p.m.

Mrs. Harold Frederick, chief den mother of the pack is in charge of arrangements. Victor Wehmeier is the program chairman and George Mehling is the general chairman for the committee.

Don't give your mind to your work without giving your heart to your workers.

### Boys Paying Off On Overdue Bill

A group of six or seven boys who used to go down to the lakefront to swim in the latter part of August last summer, were accustomed to walk back in the rear of the High School building. On one of these trips home one of them conceived it would be lots of fun to knock out some of the windows in the school gym. The others thought it good sport too so the destructive game was played on three or four different occasions.

The school authorities desired to settle the matter themselves, without reference to the police and within recent weeks Assistant Principal Charles E. Saltzer has rounded up the bunch.

The cost of replacing the windows was \$112 and Mr. Saltzer has insisted that this must be paid for by the boys' own labor. He saw no lesson to be gained by having the parents foot the bill.

This is the wholesome program that is now being carried out. The boys' work after school and turn their earnings over to Mr. Saltzer.

### Hoyt Submits Police Report

Farms police answered a total of 227 calls during the month of February, according to the report of Chief Walter Hoyt.

The department collected \$159 in parking fines, \$21 for dog ordinance violations and \$160 in traffic court cases, for a total of \$340. There were 12 traffic accidents during the month, which caused damage estimated at \$2,245. Three persons were injured.

Three cases of breaking and entering were listed, with a total loss of \$2. One simple larceny case accounted for a loss of \$6.25.

There were seven prowler calls. The village police took 25 sick children home from their schools. Thirteen fire calls were answered and 139 chauffeurs' and operators' licenses were issued.

There were 30 calls concerning broken wires received by the department during the sleet storm of Jan. 1 and 2.

## Building

(Continued from Page 1)

sequently, approximately 300 additional pupils may be expected to enroll in the public schools of the area in the next six to 12 months period.

As most of the permits have been issued in the Kerby, Mason and Vernier school districts, these are the areas which will bear the brunt of the increased enrollment. In order to care for the growth in pupil enrollment which is bound to result from the construction of these new homes, and to care for the overcrowding which has existed for some time in the Mason, Kerby, and Vernier Schools, two new school buildings are now under construction.

The Board of Education had hoped and expected that the first wing of the new Parcels School, which is located at Mack and Vernier, would be ready for occupancy at the beginning of the second semester of this year. Due to poor weather conditions last winter, the carpenters' strike of last summer, and difficulties in securing adequate labor crews the building is not yet ready.

Excellent progress is now being made on the building, and the Board of Education feels confident that within a short time it will be ready for use. This building will not only take care of the pupils from the Mason District who are now being transported to the Trombly and Defer schools, but also of the sixth grade pupils from the Vernier School.

A new elementary school is also under construction in the Kerby School District, which it is hoped will be ready for use next September.

With the addition of these two new units the Board of Education believes that all pupils from the east end of the district can be adequately housed for at least a two or three year period. If home building continues at a comparable rate to that of 1947, additional school units will undoubtedly be needed in the next three to five years.

Bert H. Wicking, president of the Board of Education, said that every effort will be made to watch the trend in home building and to keep the public informed concerning the anticipated needs for additional school facilities as they are needed.

1920 - 1948

## 28th Year of Conscientious Service to Grosse Pointe and Detroit

### IT WAS IN THE EARLY SPRING OF 1920 . . . . .

The first World War had just closed, the boys were home again and Detroit was a busy, ambitious city. Everybody was bent on doing something worthwhile.

That was when sincere ambition and firm resolves of policy saw the launching of Shepler's Cleaners and Dyers by two brothers, Glenn, and Leo Shepler, in a small store on Navahoe Avenue at East Jefferson. (A third brother, Dallas Shepler, joined the firm eight years later.)

To render the finer type of cleaning was the first plank in the Shepler policy and punctuality was its second. To seek out the best means to insure constant improvement was the third plank. Since then these original men have remained close to the working rooms of the establishment and have steadfastly held to that original policy, they have seen to it that each of these planks has been maintained.

Today Shepler's serves many of the noted families of Grosse Pointe and Detroit and holds high rank in the cleaning industry. Sheplers are justly proud of the long way they have come and of the fine services they render.

Every member of this ever-growing establishment is keenly interested in the significance of each anniversary—the guide posts along the years.

It is a time when we review the firm's functions—its duty to customers in fine workmanship as well as in punctuality—traditional Shepler standards. And it is the time for resolving anew to maintain and, where possible, enhance the company's service to every old and new customer.

However, above all else it is occasion to say a word of appreciation to those whose patronage has made Shepler's growth continual through all of these years.

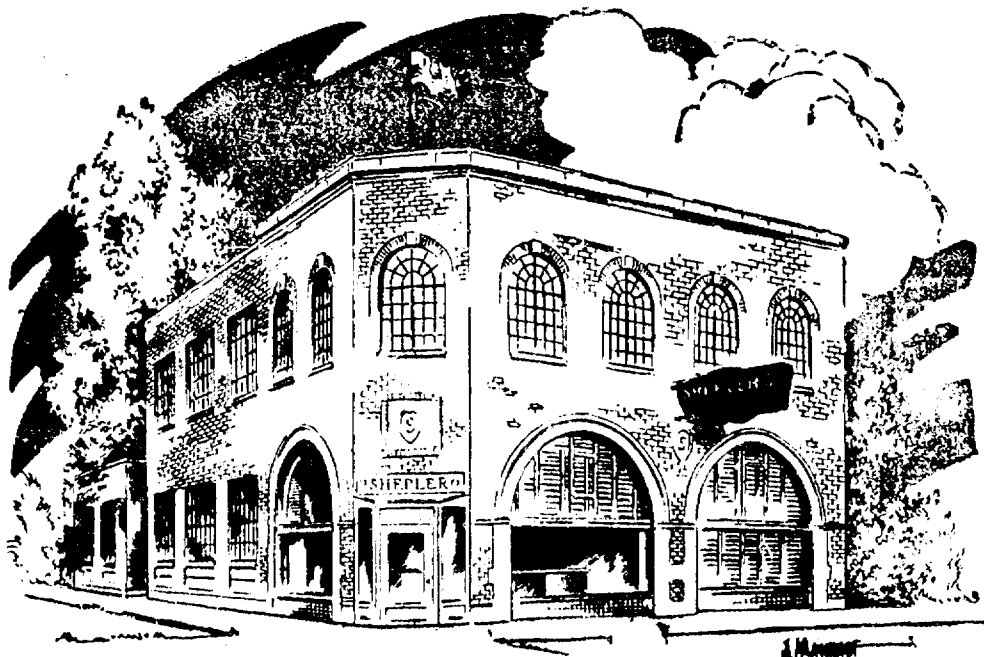

Each new milestone, therefore, is really very, very important to us.

### Ground-Breaking Planned For New Hospital March 8

More than 1,000 memberships have already been received from persons wishing to have a part in the erection of the new St. John's Hospital. Charter memberships must be in before March 8. It is hoped there will be 10,000.

The hospital will be located on Moross road fronting Chandler Park drive, and will be conducted by the Sisters of St. Joseph. Ground is to be broken March 8. Anyone interested can become a member of the Fontbonne Auxiliary of St. John Hospital by contacting Mrs. Gerald J. Sweeney, TYler 4-3393, and paying the yearly dues of one dollar. \$3,500,000 to \$5,000,000 is the

estimated cost of the hospital, which sum is being raised from the meager earnings of the Sisters, memorial gifts from friends and alumni of their schools, and from a general appeal for aid.

In addition to the 350 bed capacity for general cases, St. John's will also have maternity facilities with space for 64 bassinets, laboratories, solaria, nurseries, and convalescing rooms.

Among East side women working for the Fontbonne Auxiliary are the following: Mrs. Henry Schaldenbrand, Mrs. A. Neumann, Mrs. Homer Potts, Mrs. James Kennary, Mrs. Wilford Lysaght, Mrs. Wm. Peters, Mrs. A. Fleming, Mrs. Louis Schaldenbrand, Mrs. J. Madison, Mrs. J. E. ### Visiting Nurse Ass'n. Reelects Mrs. Pingree

The Board of Trustees of the Visiting Nurse Association re-elected Mrs. Gilbert B. Pingree president at their annual meeting Thursday at Alger Center. Mrs. Benson Ford was chosen to fill one of the board vacancies.

Mrs. Pingree, in her report to the board, asked that more cars be added to the Association's fleet. She pointed out that shortages and inflation had influenced the amount of service which the Visiting Nurses could give.

### Senior Gym Class Plans Luncheon, Fashion Show

A Fashion Show, Luncheon and Card Party will be given by the Senior Ladies Gym Class of the American Turner's in the club's main dining room on Thursday, March 4 at 12:30.

An orchestra will entertain during lunch and the entertainments.

Tickets may be obtained from chairman Mrs. DeMay or any of the committee.

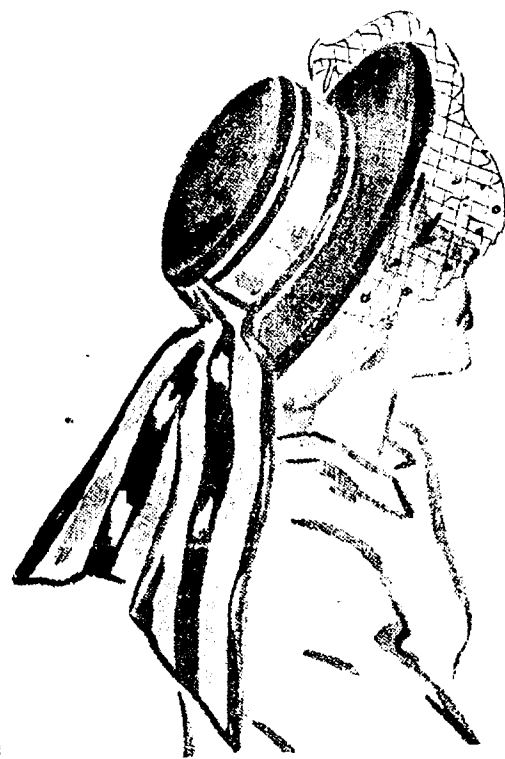

### Wayne President To Address Club

Dr. David R. Henry, president of Wayne University, will address the Mothers' Club of the Grosse Pointe High School, Monday evening, February 23. The meeting will be held in the Library of the High School at 8 o'clock. Mrs. Charles B. Lord, president, will preside, and Mrs. Daniel L. Beck will introduce the speaker.

Since Dr. Henry is a distinguished educator and will have a challenging message for both men and women, the fathers as well as the mothers of all Grosse Pointe High School and Brownell Junior High School students are cordially invited to attend.

The social committee, Mrs. Frederick W. Munro, chairman, will serve refreshments at the conclusion of the meeting.

### Pointe's Health Problems Aired

When the bill of the Township Health Board was presented at the City Council meeting on Feb. 18 there was some criticism of its size; \$4,300 for the year 1947. The bill was about \$200 more than last year.

The general consensus was however that inasmuch as the whole township structure may soon be resolved into City municipal units, there was small purpose in argument over the matter at this time. When and if the city structure is adopted by the four remaining villages in the township, it will be necessary for all of them to make definite arrangements for some common central health agency to take over the work heretofore performed by the Township Board.

There is much talk going about that the Board of Education should make provision for the supervision of the health of the school children. It is said that this department represents much the larger part of all the Health Board's functions.

With this work assumed by the schools, the municipal authorities seem to believe the arrangement for the rest of the health work would be a simple matter, Commissioner Dr. Thomas Davies or some other physician might be employed by all of the new cities to attend to it, or if this setup was too loose and lacked the overlying authority, it might be accomplished by creating a Grosse Pointe Health authority, with jurisdiction throughout the Pointe. This latter step might require a special act of the state legislature.

### 3-Act Comedy Presented By Fine Arts Society

The Fine Arts Society of Detroit presented "The Fatal Weakness," George Kelly's three-act comedy at the Players Playhouse last night. This was the group's third production of the 42nd season.

Chairman of the evening was Mrs. William J. Denres. In the principal roles were Mrs. David W. Stapleton, Miss Marian Getler, Miss Jane McClure, Mrs. C. G. Eden, Dallas Chapin and Leslie Putnam.

## From Another Pointe of View

by Jane Schermerhorn

Two indomitable spirits have long impressed us (and we're NOT thinking of that kind of spirit!) . . .

We've always admired the way the Colony Town Club members have stuck together . . . gone on as a club . . . even without a clubhouse to centralize their many interests and activities (but we've been a little miffed that the name was changed from "Colony Club" which assisted-up society columns ever so much) . . .

And then there's the spirit of the Red Cross worker . . . the real Red Cross worker . . . that makes many women-you-know trudge downtown on the bleakest days of Winter . . .

To aid this great organization . . .

### RED CROSS CAMPAIGNING

Up to their fashionable hub caps in slush . . . while enroute to town . . .

We saw several Pointers at Red Cross headquarters the other morning . . . getting ready to solicit special gifts in the 1948 Fund Campaign . . .

Mrs. William K. Muir . . . chairman of this division in the coming drive (it's to be held during the month of March and this year the quota is \$1,660,000) . . . was very much on hand . . .

Along with her assistant . . . Mrs. Charles Creedon . . . Campaign chairman Alvan Macauley Jr. . . who spends a great deal of time at headquarters these days . . . looked in on the busy workers . . .

### MEMBERS OF THE COMMITTEE

Later in the day . . . joining the chairman and co-chairmen . . . to work on committee plans . . .

Were Pointers:

Mrs. Edsel Ford . . . Mrs. Fred Colombo . . . Mrs. Lester Moll . . . Mrs. Carsten Tiedeman . . .

The indefatigable Mrs. Henry Joy senior . . . couldn't make the meeting because she was out of town . . . but she'll be on hand during the campaign as always . . .

We say . . . more power . . . to Pointers with spirit like theirs . . .

### WORKERS NEEDED

Your friend . . . former Pointer Mrs. J. Dwyer Kinnucan . . . tells us she needs many, many Grosse Pointe women . . .

To aid in the general solicitations division of the campaign . . . This is far from glamorous work . . . (little work connected with raising a large amount of money IS glamorous . . .)

It's tedious and drudgery but oh-so-important . . .

If you really want to give your services . . . where they're sorely needed . . . won't you call Mrs. Kinnucan at Red Cross . . . CA. 3900 . . . and offer to give some time to the Grosse Pointe section of the annual drive!

## Disclose Betrothals Of Two Pointe Girls

Diane Chaney to Wed Harry H. Kem, Jr. of Los Angeles; Margaret Mary Babcock to Be Bride of Gerald N. Murphy

Highlights of the Valentine week-end were announcements of two engagements which will interest Grosse Pointers. Capt. and Mrs. David Dwight Douglas of Rathbone place, revealed the betrothal of Mrs. Douglas' daughter, Diane Chaney, to Harry H. Kem, Jr., and the engagement of Margaret Mary Babcock to Gerald N. Murphy was told by her parents, the Charles W. Babcocks.

Miss Chaney and her fiancé are attending the Agricultural School of the University of California, where they are studying animal husbandry. They plan to operate a ranch after their marriage. (They'll be graduated in June and will probably set a wedding date in early July.)

Diane attended Ethel Walker School in Connecticut and U.C.L.A. before transferring to the Agricultural School.

Harry attended Webb School in California and served as a first lieutenant in the U. S. Army Air Force during the war. He is the son of Mr. and Mrs. Harry H. Kem of Los Angeles, Calif.

Miss Babcock and Mr. Murphy have made plans for a July wedding. The bride-elect was graduated from Marygrove College

and was a member of Iota Gamma Alpha.

Her fiancé, whose parents are Mr. and Mrs. Francis T. Murphy of Fisher road, attended the University of Detroit and the Detroit Institute of Technology.

Pointers are really on the go these days.

Bound for Fort Lauderdale, Fla., Mrs. Wilber M. Brucker of Vendome road left Sunday on the first lap of a six weeks jaunt. Enroute, she is stopping briefly to visit friends in Atlanta, Ga.

After a month in the sunny South, Mrs. Brucker will visit her nephew, Col. Wallace Brucker, and his wife. From there, she will go on to Princeton, arriving in time to accompany her son, Wilber, home for the spring vacation.

Also on the way to Fort Lauderdale are Mr. and Mrs. James C. Bolles of McKinley road, accompanied by their daughter, Nancy.

Acapulco, Mexico is the destination of Mrs. John H. Potter of Ridge road and Mrs. Phelps Newberry of Cloverly road, who left Monday.

Mrs. Harold R. Boyer of East Jefferson avenue and her mother, Mrs. Fred M. Murphy are spending two weeks in Boca Grande, Fla.

Tomorrow, Mr. and Mrs. Frederick Oilson of Cloverly road will depart for Palm Springs, Calif.

Suzanne Flattery Picks April 10 for Wedding

Suzanne Flattery, daughter of Mr. and Mrs. Thomas J. Flattery of St. Clair avenue, has set April 10 as the date of her wedding to Alvin G. Sherman, Jr.

The ceremony will be performed in St. Paul's on the Lake Shore.

The bridegroom-elect is the son of Mr. and Mrs. Alvin G. Sherman of Balfour road.

ROAD CAVES IN

A sewer repair job caved in on Lake Shore road east of Moross on the afternoon of Feb. 16. The Farms police barricaded the area and placed warning lights around the hole created by the cave-in.

## Friends of Library Back Memorial Plan

Mrs. Lloyd Hooker Hostess at Membership Meeting; Group To Sponsor Benefit Bridge Party on February 27

Since the decision that Grosse Pointe's war memorial was to be a library, built by Pointers' contributions, at the corner of Kercheval avenue and Fisher road, community groups have swung into action to begin a concentrated fundraising campaign.

Mrs. Lloyd G. Hooker of University place was hostess at the first membership meeting in her home yesterday afternoon. Present were members of the board of the Friends of the Grosse Pointe Library, wives of board members and women interested in the Memorial Library project.

Officers of the Friends of the Library board were on hand for the occasion. They are Mrs. H. J. Jert Goebel, treasurer; Miss Melitta Roemer, secretary; and Mrs. Andrew C. Janiss, corresponding secretary. Mrs. Hooker is board president.

Board members at the meeting and tea included Mrs. Frederick Clifford Ford, Mrs. Sterling S. Sanford and Miss Florence Sevors (Grosse Pointe librarian). Wives of board members present were Mrs. Charles Parcells, Mrs. Frank Pitt, Mrs. Edwin Owid, Mrs. Alfred H. Whittaker, Mrs. John R. Barnes, Mrs. Bert Harrison Wicking, Mrs. Kenneth L. Moore, Mrs. Alger Sheldon and Mrs. Marion K. Kellogg.

Mrs. Herbert Mandel, as chairman of the new membership committee for the Memorial Library, attended with some of her aides, among them Mrs. Paul W. Thompson, Mrs. Donald Stevenson and Mrs. Stuart Bates.

Mrs. Hooker also invited a number of women interested in the memorial, including Mrs. J. Dwyer Kinnucan, Mrs. Owen R.

## Elizabeth Brill To Wed in Fall

Mr. and Mrs. Karl D. Brill of East Grand boulevard, formerly of Grosse Pointe, announce the engagement of their daughter, Elizabeth, to Ralph Duane McIntyre, son of Mrs. Vivian VerValin McIntyre of Appleton, and the late Joseph McIntyre.

Elizabeth attended Kalamazoo College where she was affiliated with Kappa Pi Sorority. Mr. McIntyre attended Highland Park Junior College and the University of Manila and will attend Michigan State College in the fall. He was in the 86th Infantry Division under General Patton.

An early fall wedding has been planned.

## Pointe Couple Wed 56 Years

Mr. and Mrs. Victor Pomeroy of 1064 Wayburn avenue will celebrate their 56th wedding anniversary on February 25. Mr. Pomeroy is 77 years old and his wife is 74. Both were born in Manistee, Mich.

The Pomeroy's have been residents of the Pointe for the last three years. They lived in Marlborough avenue just below the Pointe limits for almost 20 years previous to moving into the Pointe.

There are nine living children, among them twin sons; 27 grandchildren and two great-grandchildren. Mrs. William R. DeBaeke of Nottingham road is a daughter.

## Silver Wedding Day Celebrated

Mr. and Mrs. Edwin K. Gough and family entertained 30 guests in their home at 1592 Hampton road, Grosse Pointe Woods in celebration of their 25th anniversary on February 7.

The guests included: Mr. and Mrs. Bob Davidson, Mr. and Mrs. Lou Thierry, Mr. and Mrs. Alex DeMay, Mr. and Mrs. Lawrence Lefevre, Mr. and Mrs. Walter Scrivens, Mr. and Mrs. Val Miller, Mr. and Mrs. Henry Kratz, Mr. and Mrs. Herman Meyer, Mr. and Mrs. Elton Kruger, Mr. and Mrs. Walter Jensen and Mrs. Helen Lefevre, all of Detroit. Also Mr. and Mrs. Gerald Mayben, Mr. and Mrs. Collier Y. Foffelt and Miss Barbara J. Glase of Grosse Pointe.

## Luncheon Boosts Symphony Fund

A pre-Valentine luncheon on Thursday benefitted the endowment fund of the Detroit Symphony Orchestra and, by the way, gave many of the women attending their first change to air new spring hats.

The Women's Association for the Symphony gave the luncheon, which was held in the grand ballroom of the Hotel Statler. Decorations were in the traditional Feb. 14 vein, with mirrors covered with large red hearts in the foyer, red-and-white balloons clustered about the walls and arrow-pointing cupid interspersed with gold musical notes over the ballroom entrance.

Mrs. Philip D. Dexter was general chairman of the luncheon, and Association President Mrs. Winfield S. Jewell Jr. was also on hand to welcome guests.

Mrs. C. William Palmer was responsible for the decorations; Mr. O. W. Pickard was in charge of table prizes; and Mrs. G. Leon Haywood and Mrs. Frank J. Bohan were posted at the ticket table.

Other workers were Mrs. Howard M. Wheeler, Mrs. H. Coyne Crosby and Mrs. Albert E. O'Neal.

## Barbara Dean Smith Weds Robert Harris

Young Couple Repeat Vows Before Dr. Frank Fitt In Memorial Church Before Leaving For Eastern Honeymoon

Honeymooning in the East for two weeks are Mr. and Mrs. Robert Palmer Harris who repeated their marriage vows Saturday afternoon in the Grosse Pointe Memorial Church. Dr. Frank Fitt read the nuptial rites.

Before her marriage Mrs. Harris was Barbara Dean Smith, daughter of the late Mr. and Mrs. Robert S. Smith. The bridegroom's parents are Mr. and Mrs. F. E. Harris, of Flint.

The bride's sister, Mrs. William M. Reber, of Buffalo, N. Y. was her only attendant. Edward Harris performed the duties of best man for his brother. Ushering were Alfred B. Moran and Arthur A. Olson, of Flint. Miss Smith was given in marriage by her aunt, Miss Charlotte M. Smith, of Akron, O.

For her wedding, the bride chose a powder blue crepe dress. Her sister selected dusty rose with matching felt hat and side trimming of lilacs and roses.

A reception was held at the home of Mrs. Doctor C. C. Eades, another aunt of the bride, on Rivard boulevard. The couple then left on their Eastern honeymoon.

## Parties Precede Yacht Club Ball

Mr. and Mrs. Anthony Mutschall invited friends to drop in at their home in Buckingham road Saturday night for one of the cocktail parties which preceded the Directors' Ball of the Grosse Pointe Yacht Club.

Among those who stopped at the Devonshire road home of the A. John Bloodworths before the dance were Mr. and Mrs. George Thom, Mrs. M. G. Brinkman, Mr. and Mrs. Joseph Hester, Mr. and Mrs. Clarence Kramer, and Mr. and Mrs. Clyde A. Buck.

Cocktail hosts of the Byron Phillips, William Bryens, and Frederick Olsons were Mr. and Mrs. Curtis P. Andrews of Sunningdale avenue.

## Couple Observe Golden Wedding

A Sunday afternoon open house celebrated the golden wedding anniversary of Mr. and Mrs. William Ellis, of Bishop Road. The reception was held in the home of their son-in-law and daughter, Mr. and Mrs. Ralph MacLellan.

The couple renewed their vows at a 9 o'clock mass of thanksgiving at St. Matthew's Church Monday, the date of their anniversary. Breakfast followed for members of the family.

Mrs. Ellis was born in Marquette, Mich., her husband in Rochester, N. Y. They have lived here for 37 years.

## Stefani Family Has Busy Week

There was lots of fun and excitement last week at the Stefani household on Devonshire road, with four daughters all having separate parties.

First to start the festivities was Mary Lou, an eighth grader at Pierce, who had an early Valentine gathering on February 7 for 23 of her friends.

Guests included: Susan Litchfield, Betsy Chesbrough, Ann Carter, Joyce Blashill, Colleen Horrigan, Eleanor Dahlen, Joan Smither, Eitel Ann McMillan, Cecile Bonbright and Connie Gualdoni. Also attending were Agnes Fetter, Janet Kopp, Bill Palm, Tom Weber, David Maguire, Mike Bem, Jim Helle, Jerry Davis, George Bashara and Coburn Martin.

A birthday celebration was next on the list for Judy, who was ten years old on February 10, and a fifth grader at Defer. She had 22 boys and girls as her guests.

On February 12, Joan, who is a Grosse Pointe High student, entertained a few of her friends. Last but not least, Jean, a Defer fourth grader, celebrated her ninth birthday on February 14 with a buffet luncheon in the same fashion as her older sisters, with all the trimmings.

A son, Andrew, is a pre-medical student at the University of Michigan.

An ounce of apology will dissolve a peck of trouble.

mary, mary, quite contrary Mary Madison

Hotel Georges Cinq, Paris, Franch.

Dear Mary Quite Contrary:

'What a Life! The franc is going down and the skirts are coming up! And all the fashion reporters and buyers here for the Paris Spring Openings are a very cross section of American visitors, trying not to double cross themselves. As one beaten but unbowed little buyer remarked, coming up in the hotel's golden-bird-cage elevator tonight, "There must be an easier way of rehearsing for a nervous breakdown."

The Big Word, of course, is that Christian Dior, who caused such a sensation two seasons ago by lowering skirts to the ankle has now raised skirts to fourteen inches from the floor. Not only that, but that pet of Paris designers has narrowed the skirts into a hobble glide. So the man who created the New Look makes a new bid for the attention of his admirers. BUT on the other hand—or foot, Schiaparelli, still secure in leadership, brings the daytime skirts in her collection down to ten inches, and the luxurious Lucien Lelong makes his models eight inches for town and ten for sports wear.

So you see what a whirl it is for a poor girl! It's enough to whack one out covering the openings without recovering from the Paris parties that smack you out again. Captain Edward Molyneux led off the galas with a large reception. Then Schiaparelli wooed the press and buyers at a huge champagne party in her sumptuous salon. This was followed Sunday by Christian Dior's festivities in his very artistic apartment. The main difference between these Paris parties and the fashion or literary shindigs in New York is that on Park Avenue so many of the women look overfed and overdressed, while over here so many look underfed and underdressed. One thing that still flows like the Seine is champagne. French cocktails always taste too much like an anesthetic and generally turn out to be one—but you can't beat their champagne and caviar.

There's no thermostat in this high ceiling, satin draped hotel room, but it's so chilly that we can't tell whether the typewriter keys or my fingers are stiffer, so we'll jump into a few highlights and lowdowns on four of the leading courtiers. We've selected two of the best known of the older maisons and two of the most successful of the new lines the long established designers being Molyneux and Schiaparelli and the new houses being Mad Carpentier and Christian Dior.

CHEZ MOLYNEUX. One hundred and twenty-nine mannequins showed the CHIC but conservative collection of this master of French design. Molyneux goes back to the 1860's for the theme of many of his models. These are Portrait Gowns, in the manner of Renoir and Manet. Interest centers on the draped

skirts with back fullness, topped by picturesque little jackets. Molyneux received great applause for these Renoir gowns, as well as for his revival of the picturesque Afternoon Gown which has long been his FORTE. The other significant Molyneux silhouette is a slinky, figure-revealing sheath which has one focal point of interest, such as a huge hip-bow and streamers, or a flattering skirt flounce.

The winning colors a CHEZ MOLYNEUX—as in many other shows—are yellow, smoky gray, pink with black, and lots of navy. CHEZ SCHIAPARELLI, the news centers in her big balloon sleeves. Shoulders are narrower, waistlines are slimmer and skirts are fuller than ever. Schiaparelli places flaring jackets above the hipline of these skirts.

The "Shocking" technique this year shows up in Schiaparelli's new "stunning" technique. Most of the models wore highly colored sheer stockings—especially a shade of "stunning" red hose to match her new lipstick, you've guessed it, called "Stunning." These red hose are not so violent looking as they sound, being so gossamer sheer the color casts only a rosy glow on the legs. Still, with all this "Stunning" technique all over the place, you couldn't help recalling the gag about the wily wolf who was asked if he didn't like stunning women—to which he replied he had never stunned one.

Schiaparelli's coats are so voluminous they're really tent-like. In one fur coat, she goes positively El Moroccoish, and uses Zebra stripes.

She names her silhouette, "Amazonas," calling for tall, womanly figures to carry all these clothes on their backs. And she dotes on dashing derbies, worn with her suave black suits. CHEZ MAD CARPENTIER, the collection is very young and DEGAAGE. While many of the HAUTE COUTURE show sheer wools—for a chilly Paris and a New York Fall—Carpentier gives a big play to cottons and beachwear. Even her play clothes have ankle length skirts. Lots of Picturesque percales and prints, many with the brilliant scarfs that pick up the high color of the prints.

Necklines are news here, being cut much lower, even on coats. Mad Carpentier clothes retain their typical Parisienne air of intricate detail to the point that they're sometimes known to the trade by that very descriptive adjective—"Busy Dresses." The evening models are divinely cut, full skirted and longer in back. Many are worn with elaborate beaded net headresses.

CHEZ CHRISTIAN DIOR, the Big Word is not only his fourteen inch from the floor skirts, but the fact that both dresses and suits show the "Hobble Skirt" influence. Dior's mannequins manage these short, hobbled skirts by leaving buttons open at the front or sides. With these skirts, the models wore hip-length little circular jackets or boxy coats.

Christian Dior, having been an artist before he was a fashion designer has a genuine feeling for feminine lines, shown especially in his celebrated "Dior Decolletages." These include necklines, cut in a deep plunge to the arms and curving over the bosoms. He also likes boat-shaped shoulder to shoulder necks and on his coats very flattering shawl shaped collars. There go the lights, pet! I don't know whether it's a short circuit or a short signal to save the current, I'll take my little searchlight and get this into the mail tonight. Love, etc. MAGGY.

Disconcerting Masterpiece

Joseph DeGrimme's wife, the beautiful Hildegrade, is known for things other than her beauty... namely the restoration of oil paintings, at which she excels. Recently, the lovely Hildegrade had a rather disconcerting experience, while working on an old job fresh out of someone's attic. The painting was covered with a congealed film so thick that it was difficult to see the subject. Hildegrade got to work on it, however, and soon found it to be quite an elaborate pastoral scene complete with cows and a dog or two.

During the process of restoration, Madame DeGrimme was impatiently perturbed over what looked like a dark brown cloud hovering too near one of the cows. After her work was finished, she decided that the lovely peaceful scene was marred by the dark cloud, so artist that she is, she doubled her efforts to eliminate the unattractive blot.

Time marched on and Hildegrade worked on. Soon, her efforts were rewarded... away came the blot and in its unpleasant place there appeared a very serious bull pictured in the process of a very serious act! The owner of the painting was delighted with its restoration... but is keeping his masterpiece under lock and key, to be viewed only by his closest MEN friends.

Authorities at the Detroit Institute of Arts, who saw the masterpiece both before and after Hildegrade had worked on it, expressed amazement at her skill.

Preceding the 1:30 o'clock meeting which the president, Mrs. Edward J. Savage, will conduct, will be at a 12:30 o'clock luncheon, for which reservations should be made with Mrs. Albert C. Pasini, of Bedford road, corresponding secretary, by Sunday evening, February 22.

Farms Prohibits Bar Expansion

The Farms trustees have refused to consider amending the present zoning ordinance to permit the Punch and Judy Bar on Kercheval avenue to expand into a proposed adjoining building.

The present ordinance prohibits the sale of beer, wine and liquors by the glass in that business district. The bar was built before this ordinance was adopted, so it is not affected by it, but the trustees have frowned on any expansion of the property.

Optimists Club Host to Ladies

The Grosse Pointe Optimists Club held its 2nd Annual Ladies night last Saturday evening. Novelties and funmakers accentuated the gala dinner and audience participation was high.

The baby contest was the big event of the evening. Among the babies were three Pointers who are the newest members of the club, Dr. Robinson, Preston Smith and Julius Stork. They selected their "Mamas" from the audience, Mrs. Arthur Coffe, Mrs. Larry Korte and Mrs. Paul Dionne.

Others who assisted in the merry-making included Chuck Eisler, Larry Korte, Mr. Reed, David Livingston, Dr. and Mrs. Tuttle, Mr. and Mrs. Zack Moyer and Mr. and Mrs. Snyder.

Happy Birthday to the Boy Scouts!

Troop 524, Maire, and their leaders, Mrs. H. G. Phelps and Mrs. A. F. Lippitt, attended the "Ali Baba" recently. The play was thoroughly enjoyed by the entire troop, all of whom expressed hope that a similar presentation will be given each year. Congratulations are due Mrs. Henry Walker, finance chairman, whose idea it was to present "Ali Baba," and who followed through to a successful conclusion.

Even though Jack Frost's breath has been plenty cold, Girl Scouts have been practicing the "OUT" in SCOUTING.

Troop 299 recently held an evening skating party at Farms Pier. Boys were invited. All ate refreshments of hot dogs, coke and potato chips. Adults included Mrs. Watson Ford, leader, Mr. Ford, Mr. and Mrs. William Browne.

Mrs. John Hammond and Mrs. Barney Bannon took their Brownie troop 319 skating, too. Refreshments were served afterwards at Mrs. Hammond's home.

Intermediate Troop 620 skated also, accompanied by leaders, Mrs. Lester LaBroski and Mrs. Marion Price. They cooked their hot dogs over a bonfire... outdoors... br-r-r.

Brownie Troop 84 recently entertained 18 girls who soon will form a new Brownie troop. Sound movies were shown and games played. Sally Whittingham, Karen Reuger, and Mary Ann Lynch were in charge of refreshments.

Leaders Mrs. Adam Cook and Mrs. Frank McKinnon were present. Also on hand were Mrs. Elton Forbes, Mrs. David Morgan and Mrs. Morris Roberts, who will lead the new troop when it is formed.

Troop 703 invested 23 girls in ceremonies held February 5 in Richard School. Movies of Camps Metamora and Holly were shown. Mrs. Joseph Henderson,

### Kid Bits

By Mary Prevo

The week of hearts and flowers will linger long in the memories of youthful Grosse Pointers.

A birthright valentine is BILL WEBB, for whom a dinner party was arranged before the High School S. A. dance on the 14th. CAROL SHARRER was the lovely hostess to Bill... her date, Maryanna Larson and Ken Venderbush.

Another Valentine celebration was enjoyed by Pat Underwood and Wayne Plommons, Ruth Arends and Ronald Sutton, Marilyn Breback and Don Venderbush, Jill Linderman and Tom Chase. MARIANNE KING welcomed the crowd at her house for supper and dancing.

The good saint whose feast day falls on February 14 was responsible for the theme of the red and white tea given by MARILYN QUIGLEY on Sunday afternoon. BETTY MITCHELL ably assisted Marilyn in greeting the 50 guests.

Among those who stepped in during the afternoon were Harriet Hunt, Joann Lyons, Gloria James, Lois Buck, Sallie Hoyt, Kay Foster, Joan Watkins, Ann Candler, Pat Hammond, Nancy Voorhees, Janice Skillman, Gladys Ostermann, Virginia Rose, Vicky Conway, Delores Deck, Mary Gretzer, Joan VanBeeleacre, Charlyn Salmon, Renee deLeon, Lois Holtz, Myrna Troden and Julie Ford.

#### OFFICES TO CLOSE

### Packard Elects Ferry Director

Election of Hugh J. Ferry of Neff road as a director of the Packard Motor Car Company was announced on Feb. 13 by Alvan Macauley, chairman of the board. Ferry, who joined Packard 38 years ago, has been the company's treasurer since 1926, secretary and treasurer since 1934 and a vice-president since 1945. He will serve on the board in addition to his other duties.

Macauley explained Ferry's election filled a vacancy in existence several months, and said, "certainly few figures in the financial world are more widely known and highly respected than Hugh Ferry. This recognition crowns his long and fruitful career at Packard, during which he has climbed steadily upward through the ranks. Now he will play an even more important part in Packard's future."

Other Packard directors, besides Macauley and Ferry, are Henry E. Bodman, George T. Christophere, James McMillan, Robert

B. Parker and Col. J. G. Vincent. Ferry started to work for Packard March 7, 1910 as a \$60-a-month cost accountant, studying financial subjects in night school. The following year, he became Packard's paymaster and personally paid 4,000 employees, most of whom called him by his first name. He was named assistant cashier in 1915 and assistant treasurer in 1919, prior to his promotions to the company's top financial positions.

Born December 14, 1884 at Grand Rapids, Michigan, Ferry moved with his parents at the age of three to Detroit's east side "Corktown." Less than a year later, his father was accidentally electrocuted, and his mother had to go to work to support her three sons and one daughter. As the children became older, each found employment to add to the family treasury.

Ferry literally came up the hard way, earning his first money at the age of ten by diving for

coins in the Detroit River. He worked in a butcher shop, was rejected by the Navy because he was too young, then started to drive a horse-pulled wagon for the Detroit News in the late 1800's. Two years later, the Detroit newspaper promoted him to journeyman pressman. He left to work for the United States daily at \$3.00 a day, but the then-new Detroit paper ceased publication three days later.

In the early 1900's, Ferry became associated with factory life for the first time, joining the Michigan Stove Works as time-keeper. He worked up to foreman of that company before leaving to organize, with a friend, the Michigan Metal Spinning Company. A judgment awarded an employee, who lost a hand through carelessness, forced Ferry to sell the company and mortgage his home. Then he learned of the \$60-a-month job at Packard.

The Ferrys now live at 314 Neff Road, Grosse Pointe. They have two children, Wilbur H. and Robert R., and six grandchildren.

### Parties Precede Dance at Club

Preceding the Saturday evening dance at the Grosse Pointe Country Club, Mr. and Mrs. Henry C. Bogle entertained friends at cocktails in their Lakeland avenue home.

The Thomas A. McGillivray of Toronto, who were week-end visitors of Mrs. Frederick Munro of Cadieux road, were among their guests.

Hosting another party before the dance were Mr. and Mrs. John Crawford Frost of Merrweather road. Among their guests were the George Endicotts, Mr. and Mrs. Theodore Osm and Mr. and Mrs. Simon Den-Uyl.

#### MAKES HONOR ROLL

Miss Norrie Schaefer, daughter of Mrs. Frank Schaefer of 594 Notre Dame, has been named on the Honor Roll of Weylister Junior College, Milford, Connecticut, where she is taking the secretarial course.

### Church Merger To Be Discussed

There will be a panel discussion on the merger of the Congregational Christian Church with the Evangelical and Reformed Church, a proposal to be voted on by the church members next month.

Taking part in the program will be Mrs. Joseph Henderson, Mrs. Fred Sherwood, Mrs. Dudley Smith, Mrs. Leonard Slowin, Mrs. George Williams and the Rev. Charles Scheid.

During 1947, the Naval Air Transport Association flew 495,393,175 passenger miles without a single fatality.

# How A & P Gives You Lower Food Prices

During the past week you have noticed lower prices on many important food items in your A & P Stores.

These prices are a direct reflection of the reductions in the market cost of the food to us. Many of our customers are amazed to find these price reductions going into effect so quickly at the retail level. They wonder how we do it. There is no mystery about it.

We are able to reflect these market reductions promptly because of three basic policies:

1. We endeavor to buy our food from primary sources of supply, such as farmers, meat packers and grocery manufacturers, and move it directly to our stores and warehouses. This keeps down the cost of distribution to us and the price to you at all times.
2. When the cost of food to us goes down we do not wait until we have exhausted supplies on hand, but endeavor to reflect reductions in our retail prices promptly.
3. We are food merchants, not food speculators. We do not build up great reserves of food at any time. We are in the market from day to day, buying food to meet our customers' day-to-day needs.

The lower prices you are finding in A & P stores, coming as they do at a time when all of us are concerned with the high cost of living, have prompted many of our customers to ask us what the food price outlook is. Are there going to be further price reductions in these and other foods?

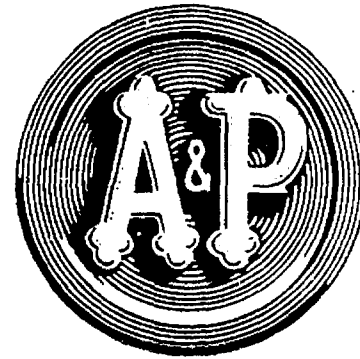

Frankly, it is impossible for anyone to predict future retail food prices without knowing whether the break in the commodity market is temporary or the beginning of a general trend. Grocers do not control the price they must pay for food. They can lower retail prices only to the extent to which they buy wisely, keep their own costs and profits down and pass along savings resulting from lower wholesale prices to their customers.

We base our retail price on the cost to us, plus our low cost of doing business, which includes our small profit of about 1 1/2 cents on each dollar of sales.

Therefore, we can say A & P prices will follow the market trend and that any further reduction in the cost of food to us, or in our costs of doing business, will promptly result in lower prices in our stores.

You can count on A & P to give you lower prices whenever and wherever it is possible. You can trust A & P to give you the most quality food for your money.

More Records Fall as Tank Stars Win Nos. 28 and 29

Art Beck Swims Sensational Race to Whip Unbeaten Luxmore of Wyandotte in 100-yard Backstroke Event

In a week of record breaking performances, Grosse Pointe High School's powerful swimming team clinched its second straight Border Cities League swimming title when it defeated the Monroe Trojans in their own pool last Tuesday, February 10, 44-40, and the Wyandotte Bears, 66-18, in the local pool on Friday, February 13.

The double victory extended the Pointers' consecutive winning streak to 29 straight. Grosse Pointe's last loss was administered by the Trojans in the middle of the 1947-48 season.

The highlight of the Monroe meet was the record breaking performance of Bob Jenks and Bill Beardslee in the individual events and the record-tying performance of the Blue Devils speed relay team of Machris, O'Connell, Mumford and Spurrier.

Jenks' first efforts broke the Monroe pool record in the 100 yard breast stroke event, formerly held by another Pointer, William Carlson. Jenks' new record of 1:08 clipped two seconds from the old mark which stood for several years.

Bob's blazing 1:27.6 in the 130 yard individual medley erased another Pointer's mark from the Monroe record books. Clarence Pinkston, considered by many as one of the best swimmers to come out of the local high school, established the old mark of 1:27.9 in 1945.

Bill Beardslee's record-smashing performance was somewhat astonishing when he clipped 3 tenths of a second off the mark of another former Pointer star, Bill Kidlow's 195 yard free style record of 2:08.

The speed relay team equaled the pool record of 1:27.6 set by Jackson High School.

The meet was one of the most exciting in several seasons in the B. C. L. inasmuch that neither team had more than a three point advantage at any time.

The Trojans jumped into an early lead by taking first and third in the opening event and held this narrow margin up to the diving event, which went to Walt Flanders with a comfortable 64.2 points. Bill Iler captured third place to give the Blue Devils a 33-30 lead.

Monroe's medley relay team of Seitz, McKenzie and Wallin barely touched out the Pointers to tie up the meet at 36-all going into the last event, the speed relay.

Not one event was a run-away affair for either team and in several cases the second place broke the old pool record too.

NUMBER 29 EASY Unlike the Monroe meet the Blue Devils had things pretty much their own way in swamping the Wyandotte Bears, 66-18, which was the closest the Pointers have come to swimming a perfect meet. A perfect score would be 70 to 14.

Grosse Pointe took every possible first place and missed in

Two Blue Devil Teams Win

The Grosse Pointe Blue Devil basketball team got back on the winning track Tuesday night, February 17, when it downed Hazel Park, 50-33, in a non-league contest on the Vikings home court.

The game was of the nip and tuck variety for the first half with the lead changing hands 12 times and the score being tied four times before the Pointe sharpshooters found the range in the second half and gained their comfortable winning margin.

The scoring was fairly well distributed with Vince Schoeck connecting for 11 points to annex high point honors of the night.

Blue Devil guard Jerry Allen tied for second place scoring honors with Hazel Park's Dave McIntyre at ten points.

The Grosse Pointe Blue Devil swimming team climaxed its second consecutive undefeated season Tuesday afternoon, February 17, in Royal Oak's pool by whipping the Acorns decisively, 51 1/2-33 1/2. The victory ran the Blue Devils' consecutive winning streak to 30 meets.

Bob Jenks and Bill Beardslee stole the spotlight for the second straight meet by cracking two and tying one Royal Oak pool record. Jenks clipped 2 and 8 tenths of a second off the 150-yard medley record, held jointly by Robinson of Royal Oak and Goodwin of Pontiac, swimming the distance in 1:49. Jenks' performance in the 100-yard breast stroke event equaled the pool record of 1:12.4.

Bill Beardslee clipped one and three tenths of a second off the 200-yard free style record with a blazing 2:07.2 in the exceptionally rough pool.

Hansen Keeps Slate Clean In Neighborhood Club Loop

The Hansen Chevrolet team was forced into the first overtime game of the season in the Neighborhood Club Basketball League last Monday night, February 16, when the ever-improving Amvet quintet knotted the score at 48-all at the end of the regulation game.

Bill Hansen reeked up his team's winning margin in the three minute overtime on a field goal and a foul shot. The victory gave Hansen his sixth straight win in as many starts.

Charles Defer of the Amvets kept his team in the game throughout the regulation time by scoring 27 points for high point honors. Hansen kept his record average up to 29 points per game.

The first game of the double bill pitted General Richard against the Judds Defer Cagers with Richard winning up on the long end of a 43-37 score. The win put Richard in a two way tie with the Amvets.

Higgins of Defer annexed individual scoring honors with 12 points while Verdonck and Mol-

Fisher Record and Turner Buick Outfits Battle to 1-1 Score

An aggressive Fisher Record team came from behind in the second period to tie Turner Buick in a Michigan A.A.U. hockey league game last week. Both teams are from Grosse Pointe.

Turner scored first on a close up shot by Ted Maude at 14:51 of the first period. Two Fisher players went after the puck behind their own nets and tripped each other when they got their skates tangled. Turner wing, George Clays, got the puck and fired it to Maude in front of the net.

George Bolton, Fisher's star, tied the score at 5:02 in the second period when he wacked at a rebound shot and knocked it past goalie Dale Ewart.

Don Miller of Fisher, who received fame on Grosse Pointe High's football team, received two penalties for fighting.

The game was the last of the regular season for both teams. Turner's finished in a tie for third place with 14 points and Fisher ended up in seventh place with 12 points.

Although Bob Hansen, Turner's center, was held scoreless by Fisher he captured the trophy for the leading scorer. Hansen finished with 27 points on 17 goals and 10 assists.

Ted Laitner and Wally Joachim, wings for Turner's on the same line with Hansen, finished fourth and tied for fifth respectively in the league scoring.

Sponsors Bowl In Rotary Loop

The sponsors of teams represented in the G. P. Rotary Club Bowling League, accepted invitations to appear in the lineup of their respective teams, last Friday night at the Woods Recreation. This preceded the league's "First Annual Stag Party" given later in the evening in the home of William Carless, on Lochmore boulevard.

Dave McCarron, league president, gave special thanks to those who worked so hard to make this affair a success to Edward Taube's deliciously prepared Smorgasbord which was complete in every detail, and to Andy from Farms Market, who helped serve.

Palmer Rolls 593 Top scoring honors went to Frank Palmer, sponsor for the Middle Atl. Transp. Co. He rattled off 593 with a 259 middle game. Sharing the limelight with Frank, was his son, Richard, who had to be content with a 213 close enough to take the league-leading Houston Bros. 3-1.

Motor City Tires, with Boyer their sponsor in the line-up, tipped their Martin Outboard Motors, 3-1. Barber's 533, plus Dave McCarron's 233 in 571, offset any chance the Mariners might have had.

Punch and Judy Cocktail Lounge couldn't match Monday Cleaner's 891 opener, but won the next two, to get a split decision. Led by Earl Smith and Ed Taube's 534 and 525, Farms Market pounced on the G. P. Review for four points, despite DeMars' 530 for the losers.

In last Friday's matches, five of the first six teams, either were blanked or on the short end of three to one victories. STANDINGS

Team Which Set Scoring Record

THE ST. AMBROSE HIGH SCHOOL BASKETBALL TEAM which set a new Detroit high school scoring record when it swamped St. Phillips 109 to 19 on February 5 in an East Side Class B. Parochial League game. The former record was 108 points. St. Ambrose has won 8 and lost 3 in league play and is in third place in the standings. Left to right (front row), INSELL, KORTE, BURNS, LANDRY, GALLO, HOWARD and VAN S LEM-BROUCK. Back row, COACH DICK VAN GOETHEM, MCFAYDEN, NAOUR, WILLS, GIAMBRUNO, BREN and VALDEZ, student manager.

Fordson's Towering Height Too Much for Reserve Five

Grosse Pointe High reserves lost their third straight game Friday night in a hard battle with Fordson, 41-37. The score stood knotted at 36-36 at the automatic time-out in the last three minutes of the game.

Fordson's towering height proved too much as their 6 foot 5 inch center, Leshok, scored a close up shot under the basket and Herman, the Fordson captain, sank one a minute later to put the game on ice.

Fordson wasted no time and rolled up a 25-13 lead at half time. Kachadoorian, Fordson forward notched nine points in that second period. Grosse Pointe made only three field goals in the first half, all in the second period.

Grosse Pointe cut the lead to 34-27 in the third period and pulled into a 36-36 tie just before the automatic time out. Dick Lowery, Grosse Pointe forward, led both teams in point laurels with 15. Leshok of Fordson contributed 14 points for

Typical Black Friday Menu Served Up to Blue Devils

The Fordson basketball team assumed the role of a flock of Lady MacBeths last Friday night, Feb. 13, and whipped up a deadly 35 to 34 basketball defeat for the Grosse Pointe Blue Devils on the local court before a capacity, awe-stricken, partisan crowd.

The loss virtually knocked the Blue Devils out of the Border Cities League race with a record of 3 wins as against 4 losses. The game was the all-important one for both teams in as much that a Blue Devil victory would have created a two way tie for second place with the Tractors one game better in the league leading Wyandotte Bears.

The Fordson victory has possibly narrowed the B.C.L. race down to a two team affair, Wyandotte and Fordson. Inability to connect from the foul line beat the Pointers who missed 8 out of 14 attempts while Fordson hit on 14 out of 18 tries. The Blue Devils outscored their opponents on field goals, 14 to 11.

Fordson jumped into an early lead and appeared headed for a lopsided victory before Bayard Johnson and Vince Schoeck collaborated to tie the count at 6-all with a little more than two minutes remaining in the first period.

Five of the Tractors first 9 points came on foul shots, which enabled them to hold a 13-9 first quarter lead. In the second period Fordson held on to its lead when it connected on 6 out of 6 foul shots and held a 21-15 half time lead.

It was in the last quarter the Pointers came to life and took the lead, 32-31, for the first time in the contest on Barry Munro's one handed push shot from side court. At this point Kennedy, the boy who beat the Blue Devils in the much discussed "time clock affair" a few weeks ago, connected on a long shot with one minute and 56 seconds remaining.

With this one point advantage the Tractors immediately went on the defensive and tried to freeze the ball. Hopton crossed up the Pointers when he took an unexpected pass under the Blue Devil basket and converted it into what proved to be the winning goal. Guard Jerry Allen scored the Pointers' last basket with 32 seconds remaining. The game ended as Marv Weaver fouled Sadock at center court while battling for the ball.

Vince Schoeck playing his second full game in varsity livery, annexed the individual scoring honors with 10 points. His teammate Bayard Johnson tied for second place honors at 8 points with Fordson's Sadock and Kennedy. Grosse Pointe's next Border Cities opponent will be the Monroe Trojans on Friday February 20 on the local court. Monroe served notice that it is a team to be reckoned with by handing the league leading Wyandotte Bears their first defeat two weeks ago, 31-20. DUMESNIL TO PLAY Maurice Dumesnil, eminent French-American pianist, lecturer and authority on Debussy, will present a conversational piano-recital "for young people from 8 to 80" at Music Hall on Saturday, February 28, at 3 p. m. This concert will conclude the series of programs sponsored by the Detroit Dunning Teachers Club, which was planned especially for the benefit of young people.

St. Ambrose Cagers Grab Two More Court Victories

Extend Winning Streak to Seven Straight in Downing St. Vincent, 39-34, and Then Conquering St. Bernard, 68-30

St. Ambrose basketballers extended their winning streak to seven straight games with two wins last week. Monday the local cagers won a close game from St. Vincent, 39-34, and Friday they rolled over St. Bernard 68-30.

Monday St. Ambrose took a 5-3 lead at the end of the first quarter. The scrappy St. Vincent five tied the score in the second period at 11-11 but St. Ambrose went into the lead again in the third period 24-22 and wound up ahead 39-34. Dick Gallo paced the local quintet with 16 points followed by Jim Burns with 11.

Friday St. Ambrose ended the first period in front 24-7 and increased the lead to 36-14 at the half. After the starting players rolled to a 54-24 score at the end of the third quarter Coach Dick VanGoethem put in the second string. Dick Gallo again captured point laurels with 25. Jack Howard ranked second with 12. Dick Korte with 10, and Jim Burns with 9.

St. Ambrose now has a record of eight wins and three losses in league competition. They have a chance to tie for first place if St. Charles and Annunciation each lose a game. Schaffner, to 10 points, his lowest of the year. Two days after the St. Paul game Schaffner set a Detroit scoring record of 65 points against St. Bernard. Schaffner leads all Michigan scorers with 310 points for the year. Jerry Hollerbach and Harry Hammond had Schaffner bottled up. He scored two baskets in each half and two free throws in the third period. Chuck Lotzar tied his teammate Schaffner for top points laurels with 10. Law and Dur-Rocher got nine and eight respectively for St. Paul. The reserves defeated St. Rose 15-13 and lost to Annunciation 35-17. They played without the services of Jack Carpenter, captain, in the latter game. Saturday St. Paul will meet St. Martin in the last league game of the season at the Grosse Pointe High court.

Second Half Phobia Beats St. Paul Five in Two Tilts

St. Paul cagers developed a case of "second half phobia" in two games last week. In each game the local boys led at the end of the first half but lost both games in the final half. Tuesday they led league-leading Annunciation until three minutes of play were left in the game, but still lost 36-28. Friday they led 15-14 at the end of the first half against St. Rose but lost 39-31.

Tuesday St. Paul led 12-10 at the end of the first quarter and 16-11 at the half. They held a 23-21 lead at the end of the third period and led 24-23 at the automatic time out in the last three minutes of the game. St. Paul held Annunciation to its lowest scores of the season in both games. They held Annunciation's 6 foot 4 inch star, Joe

Dell Billiet, Grosse Pointe High's night forman, ran into some overtime trouble last week. He made a friendly wager of a milk shake on Highland Park to beat Grosse Pointe but the game went into overtime and he lost his bet when Grosse Pointe won 46-43. On the same night he wagered on Wyandotte's beating Monroe but the game went into overtime and Monroe won 31-30. Four days later in a bowling match he tied in total pins at the end of ten frames and was forced into another extra frame that he lost.

Randy Zeeb, defenseman for Turner Buick's hockey team did a bit of fancy footwork in the game against Fisher Record last week. Zeeb had his stick knocked from his hand but he did not bother to go back and pick it up. He just continued down the ice kicking the puck along.

The Commando basketballers tied it at again between the halves of the Fordson game Friday night. Ed Karrer was just lifting himself up a little dizzy when Bruce Gray hit him with an uppercut, knocking out a tooth.

When the official blew the whistle ending the Fisher Record Turner Buick hockey game both teams complained vigorously. They wanted to continue playing as the score was tied at 1-1.

Boutin's Team Clings to Lead

Boutin's Service stayed on top in the Grosse Pointe Woods Business Men's Bowling League last week, showing one more win than the second place Turner-Buick team. Leto, who holds individual average honors in the loop with 186 in 21 games, rolled a high 239 in last week's matches. Mit-tendorf had a 229 and other high games were—Van Meerheighe, 224; Graham, 220; Pety, 214; Howe, 211; Ault, 209; McCaughan, 205; Bob Gilstorf, 205; and J. Lenzion, 201.

CUB SCOUTS PLAN SHOW The regular monthly Pack meeting of Grosse Pointe Woods Cub Pack 290 will be held on Friday, February 20, at Mason School. The boys will put on their annual style show.

Three Way Tie In P. O. League

The East Side Detroit Post Office bowling league now has three teams tied for first place. Desantis took four from Krajenke, who had been holding first place alone last week. Bob & Louis took four from Delodder to make first place standing a three way tie.

Team Standings table with columns W, L, PTS for teams like Krajenke Buick Sales, Clayton's Men Wear, etc.

League Standings table with columns W, L for Major and Minor Divisions.

Edsal took the individual scoring honors with 17 points and McPhail was high for the Apaches with 10 points. The game did not count in the standings but from all indications the unbeaten Apaches are in for a shellacking the next time they tangle with the Huns.

WOODS YOUTHS Enter Contest Two Grosse Pointe Woods boys are listed among youths from throughout the United States entered in the 1948 Fisher Body Craftsman's Guild competition for designing and building of model automobiles.

The local entrants are James Fenske, 1520 Torrey road, and Rudy Schneider, 1537 Roslyn.

The Craftsman's Guild is offering a total of \$65,000 in awards, including eight university scholarships, to the boys who design and build the best model cars this year. Entrants are between the ages of 12 and 20, and are divided into junior and senior divisions. The Points entrants will compete first for the 14 state awards offered in Michigan. The top junior and senior winners then will vie with other boys from neighboring states for regional honors, and 40 regional winners will receive free trips to the national Guild convention to compete for one of the eight university scholarships.

Deadline for shipment of models is July 1.

When money talks, wisdom is silenced.

The way out is up.

### PERSONAL APPEARANCES

MRS. HARLEY EARL, oblivious to the "8 above" weather, stepped neatly along the boulevard with her mink coat thrown over her shoulders. It gave us an excellent chance to admire her suit, in striking brown and white checked wool . . . 1-o-n-g skirt. A soft beige scarf was tucked-in at the throat of the jacket and she wore the briefest of deep brown velvet "beanies." Such a distinctive beanie, maybe we should call it a "Boston Beanie." Pearl and gold jewels sparkled at her ears and she affected a very tailored saddle leather shoulder bag (which was wide open but not spilling a thing at last view.)

MRS. WILLIAM O. EARL . . . and this IS keeping chic in the family . . . brought fashion interest to a recent meeting when she arrived in a stunning black wool frock buttoned on the bodice in black discs circled in gold. Her black felt chapeau was snappy with a jet-egret on one side. She wore a mink coat and carried the late Winter's most fascinating handbag. We understand that one must go to Greenwich Village to find the handbag. It resembles a large field glass case, done in coarse black leather, and the front is finished with dull brass blazonry.

MRS. WILLIAM MOORE JOY'S fine feathers were tall ones in red pepper red, emerald and chartreuse and they rose from a becoming brown felt hat, with upturned brim. Mrs. J. combined, but oh-so-successfully, the brown of her chapeau and mink coat, with a smart and simple light gray wool sport frock. Slippers and handbag were deep brown.

MRS. CHISHOLM MACDONALD checked a luncheon reservation list in a pencil slim suit of cinnamon tweed, interesting detail of handstitched xxxxxx's forming vertical lines in the material. Relieving the vaddy tailored suit was her feminine blouse of white, designed with round collar, opening to a deep V in front, with edge of minute embroidered scallops. Completing the costume was a poudre cinnamon felt chapeau with slender Winter white feather trim. For jewelry, Mrs. Macdonald chose a gold snake chain at her throat and golden barrel earrings.

### IMPRESSIONS

When you think of MRS. EDGAR GALLOWAY you think of:

Blush rose—brooks—white angora mitten—sapphires—poetry—organization with the feminine touch—"When Irish Eyes Are Smilin'" . . .

 'It is one of her jests  
 'To Trip up her guests,  
 'For she hates to keep gentlemen standing."

According to Arthur Bachrach, Manhattan silk cravat tycoon, we have no idea how far this new look business has gone. A listener suggested it went too far when the hems lowered over dimpled knees, but Bachrach was serious. Said he: "My sister does charity work. She runs a thrift shop on Third Avenue for poor people. Lately the thrift shop acquired hundreds of fine dresses from ladies who were changing wardrobes. But no matter how cheaply my sister prices these clothes, she scarcely makes any sales—because the coats and dresses do NOT have the new look."

MR. JOHN VOGT OF GRAYTON ROAD

"It's fun, it's interesting, it's educational, and above all—it's work!" sums up Grosse Pointe artist John Vogt in giving an account of his avocation. Although Mr. Vogt's paintings have traveled far, bringing back awards from various exhibitions, the most unusual of his many works are right in the living room of the Vogt home.

Ten large panels extending from ceiling to floor and including one over the fireplace contain landscapes by the artist member of the family. Painted in 1927, they look as fresh and natural now as the day that they came from the artist's brush.

### YEAR OF WORK

The paneling project took more than a year of intensive work, reminisces Painter Vogt, who put the scenes on canvas and then allowed the decorator to place them on the walls. From preliminary sketches Mr. Vogt made the two drawings around which he built the living room landscape

scheme. The deep blue of the skies, varying greens of the foliage, and rural scenes make the walls of the room vivid and attractive.

Still lifes of flowers and fruit and landscapes in gorgeous colors grace other walls of the Vogt home, and more unmounted pictures are stacked in the artist's workroom on the second floor. Mr. Vogt has also sold a number of landscapes which now hang above mantels in Grosse Pointe and Detroit homes.

A study of the paintings shows Mr. Vogt's love for nature; many of his drawings are forest and farm scenes, distinguished by their simple beauty and elegance as well as their vivid coloring. On drives through the countryside, this artist's pencil and sketch pad are always within reach. Scenes of natural beauty which he sketches upon sight, he often recaptures on canvas at a later date.

### FOUNDER - MEMBER

A founder member of the 10-year-old Grosse Pointe Artists' Association, Mr. Vogt has hanging in his workroom one country landscape which took first prize in a recent exhibition sponsored by that organization. Clippings and ribbons recall other honors which have come his way in the field of art.

The sole artist member of his family lives with his mother, Mrs. Julia Vogt. He was named for his grandfather, who settled here exactly 100 years ago as original owner of the Vogt farm, which extended from the lake

shore to Harper Avenue in length and was about a city block wide. From grade school days, this native Grosse Pointer dabbled in art. Since completing his education in Grosse Pointe public schools, he has attended art classes at the Detroit School of Design, University of Detroit, and the Crafts Guild.

### OTHER HOBBIES

Copies of the Art News, Stamp Journal, and Beekeepers Magazine lying on his work table are clues to the artist's favorite hobbies. Next to his love of painting, stamp collecting and working with bees rank close seconds. He is a member of the Michigan Beekeepers Association and the Detroit Audubon Club.

A stamp collector for the past 25 years, Mr. Vogt is justifiably proud of his stamp books which include foreign and United States specimens dating back for more than a century and a half. His love of beekeeping, (he has one hive in the backyard and others on his brother Joe's farm), he believes to stem from his father and grandfather's day on the farm.

Another project dear to Mr. Vogt's heart is the series of cartoons, featuring the antics of two mice-like creatures, which he has copyrighted. For a long time it ran regularly on the Young Writers' Page of the Detroit News.

Any time he can spare from his more serious painting, stamp collecting, and beekeeping, Artist John Vogt devotes to creating new ideas for his "Cheese and Crackers" comic strip.

## Youth Selects Wrong Target

Four Grosse Pointe youths, all beyond the juvenile age, made a feeble try at what some officers called an attempted hold-up on Lake Shore road at Oxford last Sunday afternoon at 1:50 o'clock. They made the tactical mistake of pointing their pellet gun at a passing car in which the man at the wheel happened to be a detective sergeant of the Detroit police department.

He took over the situation without any trouble whatever and herded the erstwhile desperadoes into the Grosse Pointe Shores police station.

They were obviously the most important prisoners the Shores station had had in a long time. Chief Ingelsby was deeply impressed with the magnitude of the case and helplessly non-committal as to their names, their present location, the nature of their offense and all other essential details of the incident.

Asked Monday what action was going to be taken in the case he mumbled in the scarcely audible tones of the Coue class in constipation, "maybe tomorrow."

From other sources the NEWS learned the youths were Bob Serge, of 324 Rivard, Peter Field, of Lochmoor boulevard, Roy J. Leinweber, of 696 Rivard and Alfred Wettlaufer of 514 Lincoln. Young Wettlaufer is said to have been the driver of the car and Field the one who pointed the glorified BB gun at the unaccommodating Detroit police officer.

Both cars were in motion at the time. The Detroit police officer, who is reported to have had his family out for an airing, just didn't like the notion of having a gun pointed at him.

The Prosecuting Attorney's office down town has regarded the incident as too trifling to warrant notice.

### HITS DUMP TRUCK

Harold J. Allor, of 105 Oak street, driving on Charlevoix at 1:35 a. m. on Feb. 12, struck a dump truck belonging to the Michigan Sewer Construction company which was going south on Cadieux. Alois J. Maes, driver of the truck got the ticket as being in the wrong. There was no serious damage to either vehicle, and no personal injury.

POINTE Juniors certainly can be the best dressed juniors in all the world by simply saying to mama's chauffeur, "To JACOBSON'S, James!"

JACOBSON'S have captured particular magic in a line by Carley of St. Louis and it's evident that Carley has cornered the market on chic for sizes 9 to 15 at prices that will please mama's pocketbook no end! (\$22.95 to \$39.95)

Detail usually found in far more expensive clothes distinguishes the Carley Juniors. Maternal pride will know no bounds once you have your sub deb charmer in a jaunty fille evening frock of navy taffeta. A ballerina skirt is full for youthful dancing and the bodice, of prim white eyelid embroidery, peeks from a short navy taffeta jacket. Tremendous dash is achieved in the scarlet taffeta sash and saucy bow at the waist.

EVERY young girl should have the Carley light gray sheer wool in her wardrobe. Skirt, straight in front and slightly gored at the back, is worn with a fresh white pique sleeveless top. Completing the outfit there is a wool bolero with a white pique great collar, a single silver button trimming one side.

And then a Carley sheer we admired at JACOBSON'S . . . worlds of wear in it and worlds of good looks—was a brown and white matchstick print. Two piece, with a brown faille peplum finishing the jacket. Brown faille is also used for a dear little collar and sleeves are very Spring 1948, three-quarter length.

We can't leave out the stardust print . . . navy blue background splashed in a heaven of olive, Chinese red and sapphire stars. Plain navy at the waist making it very slimy and a comet's tail of stars (held to the material by clever threads) across one shoulder. No wonder JACOBSON'S are proud as punch of their Carley fashions for juniors! And Carley makes you proud of your junior miss.

BEEN reading about automobile gas shortages in your daily newspapers, Madame? Thinking, too, that it's probably just a lot of bothersome exaggeration? Well, OUR authorities on all which pertains to the motor car, Doc and Ed at the KERCHEVAL-CADIEUX SERVICE STATION (NI. 9596) inform us that it's no joke, son . . . or daughter.

Gas IS scarce and that's all the more reason why your car should have a thorough TUNE-up today. When your car is functioning properly, it requires LESS gas. When it isn't hitting on all cylinders . . . and that mysterious thing called the carburetor is not at its best . . . you are WASTING gas. Your car will be called for, tuned up and delivered to you in JUST TWO HOURS if you call NI. 9596. Two hours . . . while your nails are drying, you might say. KERCHEVAL-CADIEUX STATION is at Your service from 7 a. m. to 7 p. m.

THE gourmets of the Pointe long ago "discovered" Siggan Sjunneson's fascinating Swedish Restaurant, The Stockholm, at 1014 East Jefferson. In true Swanson-Saarinens setting, here one enjoys authentic, delicious Smorgasbord (the salt of the sea—the fat of the land—the wings of the sky) as well as perfect American cuisine.

We didn't know until now that Madame Sjunneson has been hard at work on the second floor of the Stockholm (the old McMillan home), having it transformed by the talent of the famous artist, Nerman, into the most wonderful place for private parties, luncheons, dinners, banquets . . . accommodating from 20 to 200 guests.

THERE is a decided "off by yourselves" feeling to parties on the second floor to even a tiny, moderne Chinese red and warm gray cocktail bar for those who entertain there.

Three spacious rooms . . . one with Nerman wall murals of historic Swedish castles, all executed in misty blues and greens and golds . . . another with the characters of Swedish folklore emblazing the walls . . . and the third, enchanting with fairy tale legends of the country across the sea.

As we looked at the STOCKHOLM'S SECOND FLOOR the other evening we couldn't help but think what a perfect place for entertaining in a "different" way.

YOUR bridge or mah jong guests would love a session at THE STOCKHOLM and the elaborate Swedish kitchen is geared to prepare your own smorgasbord (equal to the magnificent first floor smorgasbord) in the private rooms.

The board of directors would get new inspirations if the gentleman of the house decided to call the next luncheon meeting at THE STOCKHOLM. Incidentally, dropping a couple of levels down from this elegant second floor at the STOCKHOLM, the establishment's cellars are vast and SOMETHING.
