## Key Figures at War Memorial Rally

ALGER SHELDEN, left, and former GOV. WILBER M. BRUCKER, at the organization meeting for Grosse Pointe's War Memorial Library campaign, in the High School Library last Thursday night. Mr. Sheldon president of the Grosse Pointe Honor Roll Association and chairman of the War Memorial Study Group, introduced Governor Brucker, who delivered the keynote address.

## Expect Over 8000 Pointers To Have Been X-Rayed When Survey Ends Here Saturday

Dr. Thomas S. Davies, Grosse Pointe Health Commissioner, is confident that the x-ray examination goal set for Grosse Pointe will be passed when the Pointe campaign winds up on Saturday night. When the survey was first planned for this region it was estimated that out of our population, estimated at slightly over 38,000 there would probably be about 8,000 who would take the test. Only those 15 and over are eligible for the present survey.

Up to Monday night about 7,000 had been taken, but the campaign has progressed the interest has been stepped up. Today, Thursday, the unit is operating at the Mason School on Vernor road. Tomorrow, Friday, it will be in the Kaiser-Frazer show room on Mack, opposite Oxford road. The unit will wind up its tour at the Woods Municipal Building on Mack opposite Anita on Saturday.

Up to Thursday of last week, on the basis of about 5,000 examinations to that time, only 46 cases of suspected tubercular infection had been sent to their private physicians for further observation and continued examination. There were also 55 other cases which were sent back to their private physicians for discovered malformations such as heart and spinal trouble and a varied assortment of complaints.

## Freak Accident Traps Victim In Garage With Leg Broken

Mrs. John A. Marshall of Merriweather road was injured in a freak accident at her home on Thursday, March 4. She suffered a broken bone in the leg near the ankle and will have to wear a cast for a month or more. But she considers herself fortunate not to have been more seriously injured.

The sudden fall of heavy wet snow on that day caused the accident. Both overhead doors on the Marshall's detached garage in the rear of their home had been left open, and the protruding portions of them took on a heavy burden while Mrs. Marshall was out shopping.

When she returned and put her car in the garage she pulled the rope to close the door on that stall. The weight of the snow brought the door down with a crash that shook the whole building. The vibration caused the second door, under which she was standing, to drop with a thud.

## Records Set As Electors Crowd Polls

Farms Municipal Building experiences its busiest day; Traffic jammed

The Grosse Pointe Farms Municipal Building did a land-office business Monday as all election records were broken. A total of 2060 votes were cast, totally eclipsing the previous mark for a village election, 1493 in 1943.

While a steady stream of voters cast their ballots from the time the polls opened at 7 a. m., by far the biggest rush occurred in the late hours. More than 1,000 votes were cast in the last two and half hours and more than 200 in the final 20 minutes.

Keby road, one of the narrowest streets in the Pointe, was jammed with cars. What might have happened had a fire alarm been turned in during the rush is anyone's conjecture. The apparatus had been pulled out of the fire house, where the polls were, and parked on the corners in LaSalle place across the street.

There were 81 absentee voters' ballots cast. Between 80 and 100 residents were refused ballots because they had neglected to register. How many failed to vote because of the traffic jam which kept them from parking within blocks of the polls is not known.

The total registered vote of the village is a little more than 4,000. Monday's turnout for a straight village election is considered most gratifying.

The Township conducts the national elections and voting is scattered over many precincts throughout the village, so the concentration is far less than was experienced on Monday.

## Policemen Car Found Abandoned

Harold Husband, of 15161 Vernor Highway, reported to the police that a car had been parked in front of his home for an unusually long period on March 5, and thought it should be investigated.

Park officers Crandall and Van de Ginst found the Dodge sedan, reported by the Detroit police as stolen from Harper and Eastman the night before. The car is the personal property of Lieut. Victor Van Cavage, of the Detroit Police Department.

## Hot Election Fight Won By Incumbents

Watkins' Slate Scores Clean Sweep; Ghesquiere Again Victorious in Woods

Voters of three Pointes went to the polls on Monday in regular village elections to choose presidents and other governing officials. Two incumbents, James K. Watkins and Alois A. Ghesquiere, were reelected as heads of the Farms and Woods respectively. In the Park, where President Howard P. Parshall did not run to succeed himself, Senior Commissioner Homer Fritsch was elected to the presidency.

Hottest election fight was in the Farms, where a battle royal was staged between the administration and the Grosse Pointe Farms Better Government Association. A record turnout of 2,060 voters cast their ballots in the election which brought a decisive and sweeping victory to the administration slate headed by President Watkins.

Every incumbent with the exception of Assessor Russell Labadie was returned to office by wide margin. Labadie was endorsed by the Better Government Group and the administration had given its support to L. M. (Joe) Reeves, who was elected, making the administration's victory complete.

Clark Harry Furton polled the greatest number of votes of any candidate, 1,469 against his opponent's 560.

Both sides had been unusually active in the greatest campaign ever staged in the Farms. Charges and counter-charges were hurled from all angles as handbills were circulated to every home in the village and candidates' supporters waged an intensive telephone drive in addition to the newspaper campaigns.

This is the sixth straight victory for President Watkins. The Woods village had a spirited election, involving contestants for both village president and for the councilmanic posts.

The interest was further heightened by the fact that there were three proposals before the voters which had been recommended by the Board of Village Commissioners in recent weeks. The vote which totaled 1,307, showed President Alois A. Ghesquiere leading the ticket with 884 votes.

The proposal to pay a salary of \$600 a year to the village president and \$400 annually to each of the village commissioners was defeated by a vote of, Yes, 787; No, 482.

The proposed bond issue of \$40,000 for additions to the municipal building on Mack avenue was defeated by a vote of Yes, 524; No, 682.

The request by the village commissioners for authorization to sell the Mack avenue parksite was denied by a vote of Yes, 425; No, 799.

Ratchliffe, a newcomer, led the Commissioners with 719 followed (Continued on Page 2)

## Child Seriously Hurt by Truck

Eileen Moore, aged 8, a 3rd grade student at St. Ambrose School, whose home is at 1463 Lakepointe, was seriously injured by an automobile as she was walking across Vernor Highway from the southwest corner to the northwest corner of Lakepointe on the afternoon of March 2.

## Residents Handed Responsibility for Creating Memorial

Machinery Set in Gear for Campaign To Raise Funds for Erection of Library Honoring Servicemen and Women of World War II

The machinery for creating a Grosse Pointe War Memorial has been thrown into gear. From now on the component parts of that machine, the residents of the Pointe community, will determine whether success or failure comes out of the plan to fittingly honor those who served and those who died in World War II.

More than two years of labor, study and discussion have already been put into the project by the Grosse Pointe Honor Roll Association and the War Memorial Study Group. Last Thursday night the responsibility of carrying on was handed to the residents.

Approximately 100 persons attended the memorial rally held in the library of the High School to hear the campaign get officially started. Alger Sheldon, president of the Honor Roll Association and chairman of the Study Group, presided.

He explained the origin of the Memorial Library movement. When the Honor Roll Association was chartered, he said it was for the immediate purpose of providing a suitable display of the names of the men and women who were participating in the great war then in progress. It was then never in the thought of any of the proponents of this modest little sheltered roll that has stood on the southwest corner of the High school property for the past four years, that it was to be a permanent memorial. That larger and more enduring undertaking was to come later. He felt that that time had now arrived.

Mr. Sheldon reviewed at length the steps that had been taken to further this project thus far. A Study Group was named two years ago to determine, first, whether the people of Grosse Pointe were in favor of memorializing the dead and making recognition of those thus served, by the erection of a permanent memorial of some character. This question was answered in the affirmative early in their investigation. Not a voice was lifted in opposition to such an enterprise in any quarter. From then on there was a careful exploration of public sentiment as to the form this memorial should take.

Prizes were offered and paid for written suggestions; printed (Continued on Page 4)

## County Promises To Repair Roads

John E. Hiltz, engineer of the Highway Maintenance Division of the County Road Commission, has acknowledged the protest of the Grosse Pointe Park Board of Commissioners against the condition of the county roads running through the Park village.

He said in his letter that the severe winter had left the Road Commission with a major problem this year in road repairs, but that they were already working in this general neighborhood and expected to have their repair crews in the Grosse Pointe area fairly soon.

This work, however, he said would have to be timed with the opening of working weather with the advance of spring.

## Death Ends Long Friendship Of Mail Carriers and Cocker

Nipper, black and white cocker spaniel who was probably the Pointe's best known canine, died. Owned by Mr. and Mrs. Joseph Dodge of Washington Park, Nipper was found in Provençal road by the Farms police on Friday night. It is not known whether he was killed or died of a heart attack. There were no marks on him.

Nipper has been much publicized in story and picture as the ever-loyal friend and companion of Harvey the Madman. Every morning Nipper waited at the mailbox on Kercheval until Harvey arrived by bus to start his daily deliveries. Even on Sundays the faithful little animal waited until convinced that Harvey wasn't going to appear.

On the rare occasions when Harvey didn't work, Nipper accompanied George DeKrome, another well known Pointe mail carrier. He stayed right with the postman throughout their entire routes. They said that twice during the day's work he stopped long enough to drink water. When they got back on their bus, Nipper plodded home.

The little cocker was 10 years old. The Dodges acquired him in Charlevoix along with a brother, Turk, who they gave away to a son-in-law shortly after they brought the puppies to the Pointe. Mrs. Dodge said Tuesday that Nipper has been following the mails for at least eight years. Heavy are the hearts of Harvey and George who have lost the most loyal friend they ever had.

## Schweikart Set To Head Board

The out country supervisors at their meeting on March 4 at Colonial House on Telegraph road, selected Carl Schweikart as their candidate for the chairmanship of the Board of County Supervisors.

Under a procedure set up several years ago, the County Board of Supervisors binds itself to agree to electing as its chairman, at least once in every five years, a member of the Board from outside the City of Detroit.

This means that Mr. Schweikart's selection is equivalent to election. The election takes place on April 13 and the new chairman takes office immediately following his election.

A rumor persists that Schweikart's friends both in and outside the County Board are urging him to be a candidate for County Clerk at the next elections. He would run on the Republican ticket. Those in the know seem to interpret his selection as Supervisor chairman as the next rung up in his advance to the County Clerkship.

## Police Seeking Hit-Run Driver

A car belonging to Mrs. Irene Brown, owner of the Brown Market at 15126 Mack, was struck by a hit-run driver, as it was parked near the market on Saturday afternoon, Mar. 6.

The offending car got away before its full license number could be determined. Bystanders testified it was a dark green car, probably a Kaiser.

It is believed the driver had been a patron of the market shortly before the accident occurred.

Nothing is denied to well directed labor; nothing is to be obtained without it.

### Gambling Rackets Dragnet Makes Haul in G. P. Park

Detroit Police and F.B.I. Agents Trail Ohio Car and Pick Up Group at Licovoli Home in Balfour Road

The gambling rackets and mobsters dragnet which Police Commissioner Toy had combing the purlieus of Detroit in connection with the Tamer case, overflowed into the Grosse Pointe area on Monday night.

Detroit Hold-Up Squad Detectives Archie Richardson and William Stearla, with Lieut Ernest Johnson tailed a car outward bound from Detroit on Monday night. With them were three FBI men who "came along for the ride." The Ohio license plate and the direction made them suspicious. They stopped the car at Beaconsfield and Kercheval. It was driven by Frank Vitale, aged 42 of Cleveland, O.

Vitale, according to his own story was engaged in the worthy purpose of carrying invitations to his own wedding on April 3 to friends in Detroit. He was on his way to deliver the invitation to some of these friends in the Pete Licavoli home at 1154 Balfour.

The officers said they would complete the errand for him and went to the Licovoli home where they picked up several

others, all well known to the police in past and near past contacts.

These were Joseph "Long Joe" Bommarito, Joseph "Scarface" Bommarito, Frank Cammarat, Dave Feldman, Dominic Licavoli and John Licavoli.

"Scarface" Bommarito had \$3,347 loose change on his person but the others had only comparatively small sums, and none of them was armed.

The police named no particular charge on which the men were taken down town fatter than that the authorities were anxious to talk with them about their recent movements.

Production is not spurred by broadcasting fear of the future. It is hindered by our hopelessness about it.

### Goaded by Weather, Lake Rises in Wrath

THE ICE PILED HIGH on Lake St. Clair as winter neared its close and the fluctuating weather started breaking up the heavy sheath that has coated its waters since late last fall. This picture of some of the jams that have resulted was taken last weekend from Gaukler's Pointe.

### Shores to Vote On Benefit Plan

Grosse Pointe Shores will vote on May 18 on the adoption or rejection of a plan to pay disability benefits to its full time salaried employees. The plan exempts from retirement benefits hourly wage employees or employees such as the attorney or engineers giving professional services to the village, according to an amendment to the plan adopted by the council at the meeting on March 8.

Employees covered by the plan will be available for disability benefits when the disability is incurred in the regular line of their work, and to which they have not contributed by willful negligence. Disability benefits will also be paid in some cases where disability is not directly incurred as the result of their work.

The payments will be met by contributions from both the beneficiaries and the village itself.

### Better Mannered Pooches Object of Training Class

A class in Obedience Training of Dogs will start Wednesday Evening, March 17, in the gymnasium of the Richard School at 8 p. m.

Ray Lee of the Fisher Bob Corporation and Donald Dasher, Head of Research for Bunsy Tubing, both well known amateur dog trainers, will handle the instruction for this class. Both men are members of the Southern Michigan Obedience Training Club and have been pioneers in starting dog obedience training classes in Michigan.

The course will consist of a series of ten lessons, one each week. The first meeting will be devoted to a discussion of the psychology of dog training. Several members of the Southern Michigan Club will be on hand with their dogs to demonstrate to Grosse Pointers what can be accomplished in this type of class.

At this first meeting anyone interested in this type of work may attend, but only those enrolled in the class previous to the demonstration class will be able to take advantage of this class this spring term.

All breeds of dogs can be trained, regardless of age. No particular breed has an advantage over any other breed. The purpose of the training will be to make your dog a good citizen, in the home, in the yard or on the sidewalk.

To insure individual instruction, the class will be limited to 25. Already fourteen registrations have been made for the class, with the following breeds of dogs represented; Poodle, Fox Terrier, Irish Terrier, Boxer, Cocker Spaniel, Brittany Spaniel, Collie, Daschund and Springer Spaniel. The owners of the dogs already registered for the class are almost equally divided between men and women.

For enrollment or information, call Niagara 2000, extension 25.

### Seeking Owner Of Orphan Car

Dr. Walter C. Tuttle, of 1203 Wayburn, didn't like the idea of a car being parked in front of his place for more than three days.

He phoned the police, who found it listed to one Arthur Serafini, of 2600 E. Davison. A telephone message to that address brought out the information that Mr. Serafini had sold the car a short time ago to another party, but no one at the address seemed to know to whom he had sold it.

At last reports the police were trying to learn the present owner of the orphan car, but meanwhile the doctor has been relieved of its embarrassing presence. The car had seen better days.

### John Marshall Wins Art Prize

John A. Marshall of Merriweather road has been informed that an etching of his won first prize in an art exhibition and show which was held in the Yale Club in New York last month.

The etching, entitled "Three Trees" was made by Mr. Marshall in Senlis, France, near the point of the German's farthest advance in the First World War. Mr. Marshall's art is purely a hobby. He also does other black and white works in pencil, pen and ink and lithography. He designed the letterhead of the Grosse Pointe News after doing an original pen and ink drawing of the NEWS building.

### Hunting, Not Hunger, Prompts Dog to Prowl

A brown and white pointer dog raised a considerable rumpus in the 400 block of St. Clair avenue on Saturday afternoon by running about overturning garbage cans.

The police located his owner from his license number and suggested he keep him under cover, at least at feeding time. Knowing the owner, the police said there was no doubt but that the dog was well fed at home, and that it was more the hunting instinct than hunger that sent him forth.

## Responsibility of Building Memorial Handed Residents

(Continued from Page 1)  
forms were distributed at every door in the area whereon opinions might be given and a constant agitation and encouragement was given for the widest public discussion of the project.

These suggestions covered a fair range of subjects but chiefly resolved into two categories; those favoring a field house or some form of adjunct to the athletic life of the community, and for a memorial library. As the query progressed farther it was made clear that the great majority favored the library idea.

The Study Group was unanimous in its choice of the library. One thought in connection of the living memorial that was constantly in the minds of the Group was the maintenance of the memorial, which would be a permanent charge upon the community.

When officials of the Board of Education advanced the suggestion that if a library was decided upon, a site was already available on the present school property at the corner of Kercheval and Fisher, and that the upkeep could be legally provided out of school funds, as permitted under Michigan law, the group was quickly unanimous in recommending a library as the memorial for the Pointe.

There was a momentary check in the program when Mr. Murray Sales offered his home at the corner of Jefferson avenue and Lincoln road as a school library site. Mr. Sales was unaware at the time that a movement had been inaugurated for a memorial library to the war service men and women of the community.

Meanwhile the Sales property had been accepted by the School District, which now holds ownership to it.

Mr. Sales has now agreed to the sale of the homestead after his death and the devotion of the funds realized from it to the war memorial.

Former Governor Wilbur M. Brucker had been asked to make the keynote speech presenting the project to the audience. He spoke in a most inspiring and moving vein. He referred at some length to the cultural advantages accruing to every community in the possession of a fine library, but laid his chief stress on the obligation of the community to the young men and women who had served and in 111 cases, given their lives in their country's cause. The obligation to memorialize these should be accepted as a happy obligation by this fine community, he said.

With the conclusion of Governor Brucker's speech, on Mr. Sheldon's suggestion a committee was named from the floor

representative of veterans organizations, service clubs and public officials, who were asked to retire and prepare a resolution declaring their sentiment on the project and recommending organizations of the Pointe who should appropriately be represented on the executive committee which was to arrange and carry through the campaign for the raising of the funds necessary to build the library.

The library will have to be built entirely from the freewill contributions of the people of this community, less such funds as may be realized from the sale of the Murray Sales homestead, which might not eventuate for some time.

While the committee on organization was deliberating outside of the meeting Chairman Sheldon invited an expression of opinions from the floor on any matter pertinent to the project.

Florence Severs, the Pointe librarian, told of the great need for a larger library. The general rule obtaining among librarians in proportioning the size of a library to the population to be served, indicated that Grosse Pointe should have a public library of 80,000 volumes. Grosse Pointe's library contains but 20,000 volumes without shelf or stall room for expansion. She also mentioned the great need of a special children's department, for which she has hoped for a long time.

Kenneth L. Moore expressed great sympathy with the project but warned of the difficulties of raising money for any enterprise just now, following so closely on the heels of the current campaigns to which the people are called on to contribute. Robert Waldron, who had served on the Study Group, spoke earnestly in favor of the project and recited the efforts the Group had made to obtain the composite opinion of the people.

Other speakers, including Governor Brucker in his address, emphasized the fact that this was a Grosse Pointe enterprise, in and for Grosse Pointe alone, and that while this community has given millions to nation-wide and county-wide charity calls in the past, this project is our own, in honor of our own sons and daughters who had served and died for our country in the time of peril, and when once here would remain forever a contribution to the cultural life of the community and a living evidence of the patriotism of our people.

A practical slant was imparted

to the enterprise by the statement of Mrs. George True of the Grosse Pointe branch of the American Association of University Women which has already started to raise money for the library and already has a substantial sum in the bank for this purpose.

The honor of making the first contribution to the Memorial Library, however, still remains with the Grosse Pointe Library Club, which more than a year ago pledged itself, as an organization, to give \$2500 to the enterprise.

There will be a meeting tonight March 11, in the High School Library, of the committee recommended by the selection group, out of which a permanent executive committee will be named. It is possible also that by that time a permanent chairman will be selected to head the campaign.

The Honor Roll Association has a balance of some \$3,000 from the fund raised to erect the temporary shrine on the High School campus. This money will be turned over to the executive committee of the permanent memorial campaign.

The following organizations have been asked to appoint one representative each as a member of the executive committee, which was empowered in a resolution adopted last Thursday night to increase its membership as it sees fit, either from its own member organizations or from the community at large:

Veterans of Foreign Wars, Veterans of Foreign Wars' Ladies' Auxiliary, American Legion, American Legion Ladies' Auxiliary, Navy Mothers, Amvets, Ladies Auxiliary, Gold Star Wives, Rotary, Lions, Kiwanis, Optimists, Junior League, Metropolitan Club, Garden Club of Michigan, Grosse Pointe and Eastern Michigan Gardeners.

Grosse Pointe Historical Society, Grosse Pointe Friends of the Library, Grosse Pointe Camera Club, Grosse Pointe Association of University Women, Parent Teachers Council, University of Michigan Club, Grosse Pointe Brokers' Association, Dads Club, Neighborhood Club, Grosse Pointe Honor Roll Association, Grosse Pointe News, Grosse Pointe Review, Mothers Club of Grosse Pointe High School, Canadian Veterans of Grosse Pointe, Grosse Pointe Teachers Association, and Grosse Pointe Non-teaching Employees of the Board of Education.

## THE ABC'S THAT FEW PEOPLE KNOW

There's a new set of ABC's since you went to school. It's a shorter alphabet, but it is far more difficult to master than the one you learned in first grade. Instead of "A for Apple, B for Boy, and C for Cat," it goes "A for preventing certain eye disorders; B for certain types of loss of appetite, and nervous fatigue; C for certain diseases affecting the teeth and gums; and D for safeguarding against weak bones."

This is the start of the Vitamin Alphabet. With it you can spell better health for yourself and your family if you know which letters to use. It isn't easy, however. The infant, adolescent, the adult, the convalescent, and the woman expecting a baby have different vitamin needs and no one product fits them all.

Few adults know their vitamin ABC's well enough to use them properly... and so they depend upon their physician to advise and their pharmacist to supply them with exactly the product they need. Such products can't be bought as you would buy butter and eggs. In vitamins, as in all matters affecting your health and well-being, there is no substitute for professional guidance.

**Court Decision Pleases Clergy**

The decision of the United States Supreme Court, barring religious teaching in public schools, was received with great satisfaction by local clergy who have been interested in this legal battle. The following statement has been issued:

"The local Committee to Maintain the Separation of Church and State is of course very gratified with the decision of the Supreme Court. We feel that the First Amendment and the democratic processes are upheld. "It remains however, for the democratic citizenry to see to it that the law is complied with in every locality and in every public, tax-supported school." (Signed) Rev. Merrill Otis Bates, Chairman Detroit Chapter of the Committee to Maintain the Separation of Church and State. The Reverend Bates is the minister of the Grosse Pointe Unitarian Church.

THIS IS WHAT'S GOING on under the Pointe, these days. This is part of the addition to Detroit's sewage and drain system being constructed under the Park. All the materials have to be taken in, and the dirt removed through the openings at Kercheval and Nottingham and at Audubon and Fenor. The new sewer is 15 feet in diameter and lies 35 feet below the surface. The project will take about a year to complete.

**Permanent Health Group For Pointe Area Discussed**

At a Steering Committee meeting of the X-Ray Survey, headed by Dr. Thomas S. Davies, health committee members discussed the possibility of establishing a permanent Grosse Pointe Health Committee, composed of a group of lay-people. The purpose of such a committee would be to assist the local Health Department with community health problems and participate in programs such as the X-Ray Survey.

No formal action was taken but plans will be discussed in more detail at the next meeting of the Committee.

It was announced at that meeting that over 200 volunteers have taken an active part in the Grosse Pointe X-Ray survey which is being sponsored by the Wayne County Health Department and the TB and Health Society.

Sixty of the volunteers attending two meetings last week which were held by Neighborhood Chairmen in the Woods. Twenty-six were present for Mrs. Russell Baude's meeting and 34 attended a joint meeting held by Mrs. Audrie A. Megregian and Mrs. H. J. Christenson. Members of these committees have been making house-to-house calls during the past week to stimulate participation in the X-Ray survey as it completes its fifth and final week in Grosse Pointe.

The X-Ray Unit is now located in Grosse Pointe Woods and will remain there through Saturday, March 13.

Richard Slater, of 537 Ashland reported to the police that four chrome hub caps had been stolen from his 1928 Plymouth car while it was parked during the day on March 5, in the rear of 15025 Kercheval where he is employed.

**Three Car Crash Occurs in Park**

An accident involving three cars occurred on Kercheval east of Buckingham at 8:40 o'clock Saturday morning, March 6.

An International truck owned by the Detroit Terminal, of 17 Hancock, driven east on Kercheval by Walter L. White, of 1416 Perry, Detroit, collided with a '46 Chrysler coupe also going east driven by Grete H. Steiner, of 8100 E. Jefferson.

After hitting the Steiner car the truck then struck a Buick owned and driven, also east, by Harris O'Neal Twiss, of 5315 Devonshire.

There was no personal injury but the circumstances of the various collisions were such that the investigating officers decided that all three of the car drivers merited tickets.

The most practical plan lies often in the realm of the humanly impossible and seemingly absurd.

Everyone has a public-relations man—except the public. —Christopher Morley.

WHEN SECRETARY JAMES V. FORRESTAL RECENTLY CALLED IN THE LEADERS OF THE THREE mass publicity media—newspapers, radio-video and the movies—to sound them out on a voluntary peacetime supervision of news, he started the old chimera of censorship stalking through the news rooms. The publishers, led by Arthur Hays Sulzberger of The New York Times, while eager to do anything to preserve national security, were disturbed by the implications of anything verging on a peacetime censorship. He was joined in his opposition by Roy Howard, of the Scripps-Howard chain. News censorship was, obviously, necessary in wartime, but news restriction might result in censorship in peacetime.

Are we so shaken by jitters since peace broke out that The New York Times should edit its beloved motto, "All the News That's Fit to Print," to read "All the News That Prints to Fit"? The leaders of all three publicity media feel that this is not just a fight for the dear old Freedom of the Press—but a fight against the Freedom of the Suppress.

Now, contrarily enough, at the same time they're resisting censorship in any form, both the boys in the front offices and the boys in the back rooms are raising a hue and cry in the news agencies and radio stations about being too many biased Handouts by the potentates and politicians of the country, via their public and private relations men, especially in this election-minded year.

Washington reporters tell us that there are more lobbyists than lobbies to hold them. Time was when half the lobbyists wanted to get something into the papers and the other half wanted to keep something out of the papers—but NOW they want to do both at the same time. How, they ask, can one have any private opinions in the din of so many public opinions, provided by the fabulous flacks?

INDICATIVE OF THE SLICK TRICKS THAT MAKE THE film folks flack-happy is this too-true story of the "Scientific Demonstration" that recently turned into the Battle of Carnegie Hall.

In that Temple of the Muses were assembled a group of professional hypnotists, and a serious minded audience. Everyone in New York these days is either being analyzed, hypnotized or simply criticized.

other than Al Tamarin, the chief publicity man for United Artists.

Now United Artists, it seems, is about to release a new movie with hypnotic sequences, the film being called "Sleep, My Love." Tamarin had snooked up the whole stunt as a publicity promotion for the forthcoming picture.

So-o-o-o, anyone who thinks the Barnum Boys have retired need only recall the Carnegie Hallboys, Crime Marches On!

St. James Church To Give Cantata

The Lenten cantata, "Olivet", will be presented by the choir of St. James Lutheran Church at the annual Good Friday community service held in the Punch and Judy Theater at 1:00 p. m.

This cantata was written by Daniel Prothero. The text begins with Christ's suffering in the garden of Gethsemane, tells the Passion story and ends with His death and a short description of the darkness over the earth and

MISS MILDRED LITKE

the renting of the temple veil. During the service an aria dealing with Christ's trial before Pilate, "He was Despised and Rejected", from Handel's Messiah, will also be included.

The solos will be sung by Miss Mildred Litke, of Trombley road, soprano; Mrs. Irving Bopp, alto; Mr. Thomas Couser, tenor; Mr. Robert Schmitz, tenor; and Mr. William Fenske, baritone. Miss Evelyn Wessler, a teacher at East Bethlehem Lutheran School, will be the guest organist and Mrs. Robert Schmitz, the regular organist, will direct the choir.

Pastor Kurz will speak on "The Death of Jesus".

Party Benefits Legion Unit 334

A tea for the benefit of Antler Unit No. 334 of the American Legion was given by Mrs. Frank X. Nutto of 1121 Roslyn road on Thursday, March 4. The cloth used for the tea table was an exquisite hand-drawn one, brought from Mexico City by the Nuttos.

An arrangement of spring flowers in pastel shades were used as table decorations. The guests wore tiny identification tags in the shape of a teacup, designed and painted by the Ways and Means

Chairman, Mrs. Joseph Greytok. Mrs. Arthur W. McQuillen, president of Antler Unit, presided at the tea table. Assisting Mrs. Nutto were her sister, Mrs. Joseph Nutto, Mrs. Harry A. Hildebrandt, Child Welfare chairman and Mrs. J. J. Conway, Mrs. L. H. Roche, Mrs. J. H. Schunmer, Mrs. Harry Sutton and Mrs. J. LeRoy Weed, all of Grosse Pointe Woods.

Representing the Detroit Districts Association of the American Legion were Mrs. Arthur B.

Myr, president, and Mrs. Martin Neilson, Mrs. Mason B. Giberson, Jr. and Mrs. F. P. Sitter, vice-presidents.

Others present were Mrs. William Campbell, Mrs. Harold E. Wisner, Mrs. Gordon E. McCabe, Mrs. Russell Harkness, Mrs. T. B. Whittlesey, Mrs. Joseph Rhein, Mrs. Murray MacDonald, Mrs. Leo V. Harrison, Mrs. Norman A. Saylor, all of Grosse Pointe.

At history's bar the pioneer and all his critics are alike judged by their fruits.

## From Another Pointe of View

by  
Jane Schermerhorn

Pointers should take a special interest in a mystery book . . . which reaches the stores St. Patrick's Day . . . It's called . . . "Wilders Walk Away" . . . And the author is Herbert Brean . . . former member of the Detroit-Times staff . . . and a cousin of Mrs. C. Henry Buhl of Ellair place . . .

Herb is now an editor of Life magazine . . . and his first book is an elegant whodunit . . . with Vermont setting . . . a great deal of antique lore . . . Sherlock Holmes reference . . . and even a recipe for New England jokers, which we for one shall try in our own oven very soon . . .

### ON THE WING

Social Secretary Gypsies: Dr. and Mrs. J. Stewart Hudson . . . of Lothrop road . . . are in Palm Springs as we wade . . . through ice and slush . . . to press . . . They'll be gone a month . . .

And before their departure Mr. and Mrs. John T. Woodhouse gave a dinner party in their honor . . . Incidentally the petite Mrs. H. traveled in a brand new hair-do . . . very short and close to the head . . . looking like a small cap . . .

### HENRYS MOVE TO GULL LAKE

Friends who have visited them at Gull Lake, Mich. . . do report that the Pointers were all so loathe to lose . . . Mr. and Mrs. Edwin B. Henry . . .

Are adoring their "life in the country" . . . Until May . . . the Henrys are ensconced about 20 miles from town (Kalamazoo . . . so now, WE'VE got a gal there, too) . . .

In May however . . . they'll be house-hunting again but if the lovely Olive's luck runs true to form (she found the present house when all about her were bemoaning housing-shortage), they'll have an even grander home in the country . . .

Several of the Gull Lake folk . . . have already entertained for the Henrys . . . who are much at home in their new locale . . .

And not too far away . . . say their many friends . . . to drop in at the Pointe every now and then . . .

### WELCOME, THE BICKELS

Newcomers to the Pointe are Mr. and Mrs. C. E. Bickel . . . who have moved into one of the Terraces on Cadieux road . . .

Missie B. is a charmer . . . as the Pointe will soon find out . . . and has t-h-a-t many talents . . .

Not the least of which, to our way of thinking . . . was managing to have a dinner party in her new home . . . the same week she moved from the northside . . .

She can write a smooth radio script . . . collects cigarette lighters . . . doesn't think a thing of tackling a tailored coat if she can't find the one she wants in the shops (NOT that she'll have that trouble with our wonderful Grosse Pointe shops!) . . .

And has just about the most twinkling pair of blue eyes you've seen in many a moon . . .

### IT'S LIKE PULLING TEETH

It's been a long time since we have had any news of Louis D. Bolton . . .

We remember him . . . as the leading light of the local skeet shooters about a decade ago . . .

With enthusiasm sufficient . . . to make us pass up a free Sunday and instead "cover" a skeet shoot here at the Pointe . . .

He and Mrs. Bolton . . . moved some time ago . . . to Burge Plantation in Georgia . . . and there we lost track of him . . .

Until this week . . . we learned that whenever Mr. B. has to have a tooth pulled . . . does he entrust said surgery to the "Jawja" dentists . . .

Well, we should say not . . .

He comes right back to Detroit . . . to settle in his own dentist's chair . . .

### CAN YOU?

We can't imagine: Mrs. Henry B. Joy saying, "It's out of this world" . . . Herbert B. Trix . . . half-hearted . . .

Mrs. William McGiverin . . . skipping a story on women golfers in the sports section . . .

Countess Cyril Tolstoi in a kitchen (yet, she certainly stepped into a great big one as an instructor of pressure cooking preserving during World War II) . . .

A recent candlelight service in Grosse Pointe Memorial Church united in marriage WILMA JEAN HARRIS and HOWARD T. KAAKE, son of MRS. ARTHUR GRIEVES, of West Branch, and T. HOWARD KAAKE, of New Boston. MR. AND MRS. GARFIELD HARRIS of Roslyn road are the parents of the bride.

The EDWARD J. SCHOENHERRS and three children, JUDY, RICKY, and JOHN, are at home on Middlesex road after their Fort Lauderdale vacation. MRS. E. B. SCHOENHERR, Mr. S's mother, made the trip home with them.

Guests of MISS GAIL M. SMITH in her Touraine road home last week-end were MR. AND MRS. NAT BENDER, who are returning to Medford, Ore., together.

## Christiansen-Wormer Nuptials Solemnized

Celia Louise Christiansen and David Grover Wormer exchanged vows Saturday evening at a nuptial ceremony in Grosse Pointe Memorial Church. Dr. Frank Fitt officiated at the service. The bride's parents are Dr. and Mrs. George W. Christiansen of Middlesex road, and Mr. Wormer is the son of Mrs. Clarkson C. Wormer, Jr., of Ridge road.

The gown of candlelight satin worn by the bride was fashioned with collar and yoke of lace, long sleeves, and a long train. A tiara of heirloom lace held in place her full length veil of illusion. Her spray bouquet consisted of gardenias, camellias and Roman hyacinths.

Mrs. John Rode, as matron of honor, wore a period gown of American beauty faile. The white flowers in her bouquet matched those in her hair. A niece of the bridegroom, Dana Munroe, was gowned in pink marquisette over taffeta for her role as flower girl. She carried sweetheart roses with matching blooms in her hair.

Clarkson C. Wormer III was best man for his brother, Dudley Christiansen, brother of the bride, George Thomas, Robert B. Wood, Herbert V. Book, Jr., Francis Peck, Albert P. Teetzel, Jr., and Theodore M. Templeton seated the guests.

Mrs. Christiansen selected a cinnamon lace dress beaded with seed pearls for her daughter's wedding. Mrs. Wormer wore a gown of light blue faile. Following a reception at the Grosse Pointe Yacht Club, the newlyweds left on a wedding trip which will include a skiing expedition and tour of northern Michigan.

For the trip, the bride wore an aqua wool dress with matching jacket and brown alligator accessories. They will be at home in Lake Shore road upon their return.

MR. AND MRS. HARRY JOHN ADAMS of Rossmore avenue announce the birth of a son, JOHN JAY, on February 24. Mrs. Adams was the former MARY ELIZABETH COUILLARD.

## Nursing Association Observes Anniversary

Current Leader and Four Out of Six Past Presidents Are Residents of Pointe; 50th Birthday Celebrated In Alger Center

The current leader and four of six past presidents honored at the Fiftieth Anniversary party of the Visiting Nurse Association at Alger Center yesterday were from Grosse Pointe.

Mrs. Gilbert B. Pingree, who is beginning her second year as president of the Community Chest-supported agency, was in the receiving line with the other past officers.

Pointe presidents include Mrs. Fred T. Murphy, Mrs. James K. Watkins, Mrs. J. Milton Robb and Mrs. Carl B. Grawn. Mrs. Homer S. Ferguson and Mrs. Howard H. Robinson complete the past presidents' roster.

Improvements through the years, about which the officers reminisced, included establishment of the maternity delivery service in 1920, affiliation with Wayne University in 1931 to provide field experience for public health nursing students, inauguration of the occupational therapy program, and initiation of the practice of assisting in training practical nurses.

More recent innovations are extension of the Visiting Nurse Service to industrial firms, establishment of the Curative Work Shop as a separate agency, and inclusion of Livonia and Plymouth townships within the territory serviced by the visiting nurses.

## Even Terrific Inspirations Get Aired in School Forum

Grosse Pointe High School Journalism Student

By MARGE SCHULTE  
An absolutely terrific inspiration hit the brain of Teen-age Tommy one day while he was sitting in study hall twiddling his thumbs. Why couldn't the Student Association ban corsages from the New Year's Eve Dances?

Tommy hadn't had a date last New Year's Eve because he just simply couldn't afford to buy a flower for the girl of his choice. He had had to go out with the fellows and was still feeling bitter about the whole thing. Especially after his girl had gone to the dance with some better fleeced male member of the high school.

Absolutely positive that his inspiration would practically revolutionize the whole school (and assure him of having a date the next time New Year's Eve rolled around), Tommy went to his Forum representative and told him of his inspiration.

But could the voice of one student be heard by those higher officials of the Student Association?

tion? Could a matter of such colossal importance to all students be affected by the suggestion of one small insignificant eleventh grader like Tommy?

On Friday, January 9, 1948, at approximately 8:42 o'clock, Tommy's Forum representative was standing before the members of the Forum. "And so, Forum members, I ask you to consider this bill I have brought before you on the subject of banning corsages from the New Year's Eve Dances."

Then the president of the Forum asked for discussion on the bill. So many pros and cons were voiced that the forum members decided to ask their classmates about the matter. Each Forum representative went back to his homeroom for instructions from the electorate.

On the following Friday all the representatives reported their findings back to the Forum, and then the President took a vote. It was awfully close, but Tommy won by 28 votes. That is, he won in the Forum, for the bill still had to be passed by the Senate.

At the Senate meeting, the S. A. President explained the proposal to the senators from each grade and to the other three S. A. officers, and then put it to a vote. Six to four in favor of it! That was almost too close for comfort.

After the bill had been signed by the President of the S. A. and the President of the Forum, it was put on the principal's desk for the final approval.

Teenage Tommy, under a great nervous tension, anxiously awaited the fate of his inspiration. Once the news was out, it swept through the building like wild fire.

Teenage Tommy's terrific inspiration now stands as a permanent regulation of the Student Association. There will be no more corsages at the New Year's Eve Dances!

Thus the students at Grosse Pointe High School take an active part in their school government through the Student Association.

Every student is a part of the S. A. and has the right and privilege of taking action as did Teenage Tommy. For it is these students who elect their Forum representatives, their Senate representatives, and their S. A. officers. Through these representatives each and every student can be heard, no matter how small and insignificant he or she may feel.

## John Paul Jones Society To Conduct Joint Meeting

The John Paul Jones Society, Children of the American Revolution Junior and Senior groups, will hold a joint meeting Saturday, March 13, at 2:30 p.m. in the home of Charlotte Johanna and Mary Klein in their Lincoln road home.

The junior group will have a coloring contest in the playroom while the older group has its business meeting. The topic for the day's discussion will be Detroit's Civic Organizations and will be led by Miss Patricia Murphy, president.

Roger Williams will invite the group to attend the State Convention of the C.A.R. of which he is Jr. President, and will tell of the plans being made for it. The Convention will be held at the Rowe Hotel in Grand Rapids May 3. Delegates and alternates will be elected, also a page and color bearer.

At the close of the meeting the groups will join together to enjoy the refreshments being planned by the mother of the hosts Mrs. John Francis Klein.

## SUSPECTS BOYS

Mrs. Frank Lockman of 184 Moran road told the Farms police someone broke the glass in her front door while she was away on March 6. She said she suspected boys in the neighborhood.

## Kid Bits

By Mary Prevo

That sociable gal, PAT UNDERWOOD, brought out cokes and sandwiches for her crowd when she did some after-the-game entertaining in her home.

Janice Skillman, Mary Ann King, Wayne Plemmons, Doug Stanbury and Tom Stafford were there playing ping pong and chatting with Betty Strader, Muriel Kitchen, Al Parsons, Maurice Chase, Al Czarnack, Clair Kahler, Barbara Stevens, Tom Deguery, Jim Connelly, Joe Henion, Bob Hancock, Nancy Tossy, Sharron Erickson, Marilyn Breback and Joe Frato.

Can you imagine anything more fun than a game of Chinese bridge, a chicken a la king dinner, and then an exciting basketball game at G. P. H. S.?—Well, that is just what JANIS WOODRUFF and Pat Ford, Marilyn Bower, Sally Hubbard and Maryanna Larson did Friday. Jean Morris, Margo Kahl, Edith Waldbott, Peggy McCarten, Pat Rossiter, Mary Whitcomb, Barbara Gregory and Betty Adams were there.

We hear that the girls had a jolly time in the Woodruff home that evening!

PAT POTVIN thought up a clever theme for her recent party. The basement of her home was decorated circus style with balloons and streamers dangling from the ceiling and circus animals on the walls and in every corner. A huge doll at one end of the room was elected star of the show.

Dates for the affair were Pat and Jerry Nicholls, Myrna Troden and Doug Turnbull, Helen Reed and Bill Iler, Darleen Lee and Allan Smeltzer, Bernice D'Hondt and Paul Lane, Bev Dennis and Bill Harrison, Gloria Schiabe and Jerry Jevens, Pat Barr and Dan Schill, Helen Plash and Herman Klingelhoff.

Genial DAVE SHERWOOD expressed a hearty welcome when Tim VanAntwerp, Gerry Maroll, Jim Hoffmeyer, Peggy Vandenberg, Jim Reo and Sally Stickney

### Trend to Young Marriages Poses Important Problems

The trend to younger marriages shown by figures just released by the Bureau of the Census emphasizes the need for more child spacing services to make these marriages successful. Harry Y. Kasaback, M.D., obstetrician and gynecologist and clinician for the Maternal Health Clinic of the Detroit League for Planned Parenthood, stated, "Results of a nationwide sample survey announced this month by J. C. Capt, director of the Bureau of the Census," Dr. Kasaback said, "show that increases in the proportion of married persons in the United States have been greatest among young people, especially those in their twenties. Of the 12 million women in their twenties last year, 9 million had been married. This showed a 1 1/2 million gain in marital status for this age group since 1940, though the actual census count of all women of that age had increased by only a half million. Similarly, the 11 million young men in their twenties last year numbered only 50,000 more than the same group in 1940, but last year 6 million of them were married, though only 5 million in the same age group were married seven years ago.

### Club Members To Shoot Selves

Members of the Grosse Pointe Camera Club will act as models for their fellow members at the meeting on Tuesday evening, March 16. The "shooting session" has been worked up by Howard Riley, club president, so that everyone will have a chance to pose for his picture while the photographer will have ample opportunity to use his wiles and abilities in arranging the subject for good portraiture. The famous so-called "USO" lighting used by Dr. C. J. Marinus and Mr. William Bond, during the war, will be used during the evening and they have kindly consented to take charge of the flood and spot lights. All pictures taken during the evening will be finished and submitted to the club's judges for criticism at the first meeting of the club in April.

The usual display of print assignments will also be exhibited during the meeting. Mr. Riley invites all interested to attend the meeting, which will be held at the Neighborhood Club.

### Liggett School Students Plan Musical Program

On March 17, the day before Liggett School's Easter vacation begins, a dramatic and musical program will be presented. "The Three Marys" will be the Easter offering, with Grace Roehm, Susie Brossy, Georgia Tolle and Shirley Catherwood taking prominent roles. "Hallelujah Chorus," the "Cherubim Song," and "Jesu, Joy of Man's Desiring," will be sung by the upper school.

ness and pocketbook—and you will enhance family life in countless situations in this country. Dr. Kasaback cited the example of married G. I.'s in the postwar college program. "These student veterans are doing an outstanding job, both in the classroom and in married life," he said. "But in view of cramped quarters and lack of earning power, the control of child-bearing is of first importance to them. Planned Parenthood clinics are in some areas bringing a much needed service to these couples, but the need for making child spacing service more widely available is one of the 'musts' on our program."

### WHY THE RED CROSS NEEDS YOUR HELP IN 1948

Report on 1947: Miracles of mercy which never could be done without your dollars...

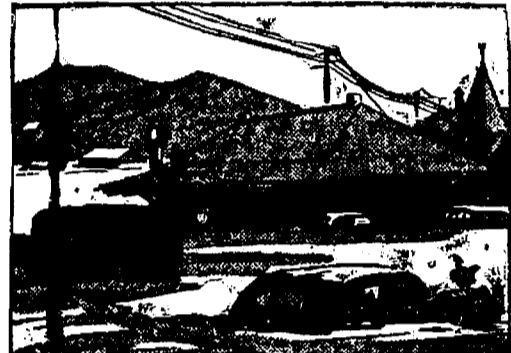

**3 REMEMBER THE HURRICANE?** Fifty-five wind storms required many millions of Red Cross dollars, all outright gifts to afflicted families for the restoring of homes, furnishings, clothing, even the means of livelihood for individuals made destitute by disaster.

**6 HOSPITALS NEEDED HELP.** 12,900 Nurse's Aides—all volunteers—lightened nurses' work in civilian hospitals, clinics, public health agencies and Red Cross blood donor centers. Red Cross Motor Service, too, made 668,000 calls, carrying convalescents, disaster workers.

**9 FIRST AID SAVED LIVES.** Over 11 million Americans have been trained in Red Cross emergency care, reducing immeasurably the terrible toll of accidents on our highways. Red Cross instruction in swimming and life saving, too, prevented innumerable drownings.

**1 REMEMBER THE FLOODS?** In 50 different floods, the Red Cross saved countless lives by helping to evacuate affected families, by sheltering, feeding, clothing, providing medical care and rehabilitation for thousands of stricken people.

**4 VETERANS HAD PROBLEMS.** The birth of a baby, death in the family, help needed to pay bills—2,029,007 cases for veterans and their dependents were handled by the Red Cross last year. For counsel, information, financial aid, the Red Cross advanced \$6,441,983.

**7 THE NEEDY WERE CLOTHED.** Red Cross volunteers produced 2,480,600 garments, 84,500 layettes, and quantities of surgical dressings. The articles were gratefully used in disaster areas, in community institutions, in civilian, military and naval hospitals.

**10 BLOOD SAVED LIVES.** Your Red Cross brought the miracle of blood to many of those in need. Now, a new Red Cross program is on the way—eventually to make blood and its derivatives available to all without cost for the product.

**2 REMEMBER THE FIRES?** The Red Cross aided 161 times at fires in forests, hotels, tenements, homes. It spent \$1,250,000 in one fire alone to ease the suffering, restore health through hospital care, medical care, provide shelter, revive hope for the homeless families.

**5 VETERANS NEEDED CARE.** In Veterans Administration offices, the Red Cross served 1,095,832 cases involving claims, dependents, personal problems. Over 12,000 Red Cross hospital volunteers cheered veterans with entertainment, companionship, instruction.

**8 THE SICK WERE CARED FOR.** Red Cross instruction in care of the sick, mother and baby care, and family health brought vital protection to countless homes in many communities. Over 2 million home nursing certificates have now been issued by the Red Cross.

SOMEONE near you, someone dear to you... perhaps you yourself... will benefit in 1948 from the humanitarian services of your American Red Cross.

There is no nobler aim of mankind than this... the never-ending task of solacing, healing, helping those in need.

There is no investment that pays you back so many times over... as your contribution to the 1948 Red Cross Fund.

Again this year, be proud... and grateful... to give what you can.

IT'S YOUR RED CROSS... KEEP IT GOING  Give Generously!

Failure in Meet Attributed To "Butterflies" and Errors

Favored Swimmers of Grosse Pointe High Finish Fifth In State Championship at Lansing; Jenks Captures Place In Finals

A series of unfortunate mistakes and a bad case of nerves butterflies cost Grosse Pointe's Border Cities League champions the State Class A swimming title at Ann Arbor last Saturday night March 5, and dropped the Pointers down to fifth place in the final tabulations behind Battle Creek, Monroe, Saginaw, Arthur Hill and Lansing Eastern.

Qualifying eight boys, one more than the Blue Devils, in the preliminaries, Battle Creek garnered 42 points to retain the title which it won a year ago at East Lansing. Monroe, a Border Cities League school, qualified only five boys but captured 23 points and tied for second place with Saginaw Arthur Hill which qualified six boys for the finals.

Lansing Eastern had nine boys in the finals but could do no better than fourth place with 22 points. Grosse Pointe finished with 17.

Chuck "Bubbles" Machris, a usually cool competitor, found the "butterflies" in his stomach too much to overcome in the first event, the 50 yard free style, and failed to qualify with a slow 26.4 seconds. Machris had previously turned in 24.7 for the event in dual meets and was counted on heavily to qualify.

The first Blue Devil mistake came in the 100 yard turn but at this point he misjudged his distance and executed his flip turn too soon and failed to regain his stride before his opponents had passed him. It was this mistake which cost him a place in the finals.

Again in the 150 yard medley relay the Blue Devils were plagued by mistakes. Beck missed his turn on the back stroke leg of the race and Bill McBride failed to touch out with both hands at the end of the breast stroke leg, and the team was disqualified.

In the 100 yard breast stroke event the Blue Devils were extremely lucky. Bob Jenks just squeezed into the finals by qualifying sixth.

There were only four bright spots in the entire meet for the Pointers. Jenks qualified second in the 150 yard free style; diver Walt Flanders won the first flight but was beaten by one tenth of a point by Arthur Hill's score for top honors in the preliminaries; and the Blue Devil 200 yard free style relay team finished second in that event in the preliminaries.

Grosse Pointe's only other qualifiers were Dick O'Connell and Burt Spurrier in the 100 yard free style event.

These were the boys who carried the hopes of a large band of Pointers students who made the trip to Ann Arbor and fairly shook the stands with their cheers a good half hour before the start of the finals.

Jenks placed the highest of the Blue Devils but had the misfortune to swim in the only event in which a record was broken, the individual medley relay.

Howell of Arthur Hill cracked the record of 1:41.6, held jointly by Friese of Ann Arbor and Brink of Grosse Pointe, with a blazing 1:40.2.

The old record was established by Friese in 1940 and equaled by Brink in 1943.

Bill Beardslee captured fourth in the 200 as did Spurrier in the 100. O'Connell placed fifth in the century event.

Tough Breaks Whip St. Paul In Tourney

Pointe Cagers Lose to Annunciation After Hitting Bad, Luck Streak

St. Paul's cagers dropped out of basketball competition for the season Friday night after they lost to Annunciation 57-47 in the second round of the St. Charles Class C district tournament.

The local team advanced to the second round automatically after drawing a bye in the first. Annunciation went on to capture the tournament by defeating St. Martin's Saturday night.

St. Paul was handicapped by three bad breaks. Foremost was the absence of Jerry Hollerbach from the game for the first half. Hollerbach ran into car trouble on his way to the game and did not get there until the second period.

Hollerbach has the job of guarding Annunciation's 6 feet 4 inch star, Joe Schaffner. Schaffner scored 13 points in the first half and only two in the second with Hollerbach guarding him.

The second bad break came when captain Jim Law was removed from the game in the third period because of fouls. He had collected 10 points before his removal.

In the final three minutes starting forward Chuck Wylie collided with someone's elbow and was knocked unconscious. He did not come to until 30 minutes later. Wylie had been playing a good game and had contributed eight points.

Annunciation came from behind after Chuck Wylie's opening basket, to lead all the way. They held a 30-18 advantage at half time and increased this to a 19 point lead in the third period.

St. Paul closed the gap somewhat to 46-52 with four minutes left. Schaffner topped the scorers with 15 points. Durourcher led St. Paul with 13.

Last Place Team Comes to Life

Last place Harrison Carpets are having the time of their lives tripping the so-called good teams in the G. P. Rotary Club League. Up until a few weeks ago this team was a pushover for most teams in the league. Last Friday night Harrison popped Farms Market, a very strong outfit, 4-0.

Page is the new spark on this team and is now tied with Peplinski, both having a 182 average, tops for the league.

Gene Groth's 211 in 549, helped Martin outboards to a 3-1 win over the league leading Houston Bros. The Martin boys moved to within one point of second place and are in a good position to move in on Middle All. Transp., the team they meet tomorrow night. Houston's Jay June has returned from his trip to the "Tropics" and his support in the lineup will be needed when the Fisher-Maumees boys aim to sew up the title in the next few weeks.

Second place Middle All. Transp. Co. dropped four points to the Punch and Judy Cocktail Lounge. Capt. Jack Jackie contributed 237 in the opener, Glayton Ovesen, 222 in the second and to top both of his team mates, Ray McCarroll, uncorked 241, in the closer.

Piche Barber Shop, having one of their good nights, drubbed the G. P. Review team, 3-1, despite Peplinski's 234, in 574 and Ernst Treadwell's 221, in 531. The Printers lost total pintail by one pin, the third week in a row that this team has lost out by one lonely pin.

Mondry Cleaners, going strong now, took the opener from Holzbaugh Motors, but Earl's mechanics won the next two by small margins and split with the Cleaners, 2-2. Bill Strittmatter, league secretary, helping to win the close ones with his 580 series.

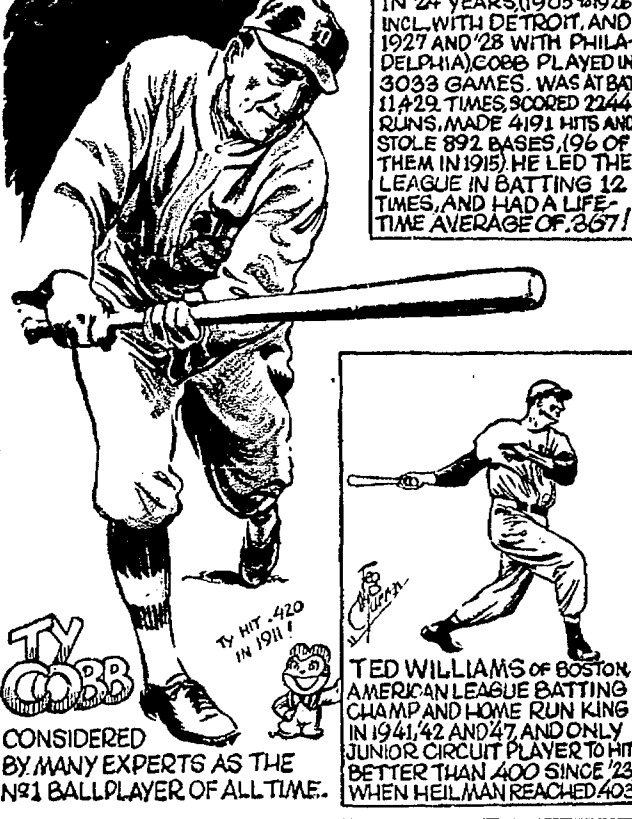

Table with 2 columns: Team Name and Score. Includes Houston Bros., Middle All. Transp. Co., Martin Outd. Motors, Holzbaugh Motors, G. P. Review, Piche Barber Shop, Punch-Judy Lounge, Mondry Cleaners, Wolverine Pot. Chips, Farms Market, Motor City Tires, Harrison Carpets.

Ice Throwers Elude Police at Restaurant

The police were summoned to the Francois restaurant on Fisher road at 10 o'clock on the night of March 5 to catch some boys who were throwing chunks of ice at the windows.

When the police arrived they found everything quiet on the street. The ice throwers were conspicuous by their absence and the boy and girl patrons of the place were streaming home in orderly fashion.

Apaches Take 10th Straight In Neighborhood Club Loop

The high flying Apaches quitted had little trouble in winning their tenth straight victory in as many starts when it swamped St. Paul, 42-26, Thursday, March 4, in the Neighborhood Club Basketball League.

Jim Swift lived up to his name and led the Apaches' attack with 15 points. Joe Sherwood paced St. Paul.

The Apaches followed this win four days later, Monday, March 8 with another lopsided non-league victory, 37-17, over the Huns. This game did not effect the standings.

Clark McPhail captured scoring honors with 12 points to pace the winners.

On Saturday, March 6, St. Clair No. 1 beat its stablemate, St. Clair No. 2, via the forfeit route when the number 2 team failed to floor five boys by game time.

St. Clair No. 1, with its league game safely tucked away, took on the Swishers in a non-league contest and won, 45-30.

Tom Von Arx racked up 22 points for scoring honors while Edsall led the Swishers with 10 points.

The Amvets kept hot on the trail of the league leading Hanson Chevrolet outfit by whipping St. Clair, 48-45, Tuesday, March 2, Charlie Doerner scored 21 points of the Amvets total to keep a firm hold on first place in the individual scoring race.

John Fushman and Ted Wild kept St. Clair in the game right up to the final minute with 12 points each for second place scoring laurels.

Gabriel Richard and St. Paul figured in the first forfeit game of the season in the Major division of the Neighborhood Club league Monday, March 8, when the injury-riddled St. Paul squad failed to floor five men. However, St. Paul used an ineligible player and whipped Richard, 31-

Lakepointe Golf Club Purchased

The Lakepointe golf course will be operated as a private club with membership open to desirable groups of Northeast Detroit, Grosse Pointe, Grosse Pointe Park and St. Clair Shores.

Purchase of the course located on Masonic boulevard near Harper, and new operational policy were announced by Louis G. Palmer, prominent Detroit businessman and sportsman. Palmer expects complete renovation of the clubhouse to be completed in June.

Renovation of the clubhouse includes modern dining room seating 200 persons, a larger, improved kitchen, locker room and showers for ladies, a service bar, picturesque fireplace and modern heating system. There will also be a completely equipped pro shop with professional and cad-die service.

The Lakepointe course is capable of any type of tournament play. It is a challenging, par 71 course with underground sprinkling, elevated greens, woods, traps and refreshing breezes from Lake St. Clair only three-quarters of a mile away.

Committees will operate the club and make rules and proposals.

THIEVES THWARTED

A Mr. Clapp, an employe at the Frederick Pearce and company, with offices in the Professional building at 15324 E. Jefferson reported to the Park police that thieves had apparently made an attempt to get in the offices some time the night before. There were deep dents made by a jimmy on the window sills, but as near as could be determined the thieves had not been able to gain entrance to the place.

TARGET FOR TODAY

William J. Mason of 455 Belanger road, was treated in Cottage Hospital on March 6, after being struck in the nose by a snowball while playing at St. Paul's School. It was feared his nose might be fractured by the blow.

St. Ambrose Court Team Wins Tourney

Cavaliers Capture Annunciation Event by Chalking Up Two Victories

St. Ambrose Cavaliers captured the Annunciation district basketball tournament with two victories last week. Thursday they downed St. Stanislaus, 47-40, and Saturday they won over St. Anthony, 37-27. St. Anthony reached the finals by defeating Nativity Thursday.

St. Ambrose will now play in the Regional tournaments at Ferndale Thursday, Friday, and Saturday. Teams are eliminated with one loss.

Champions from other districts around Detroit will also be competing. They will include St. Gregory, the Catholic School champions. Drawings for the first round were held after the NEWS went to press.

Dick Gallo led St. Ambrose in both games. He collected 12 points Thursday and 14 Saturday. St. Ambrose led St. Stanislaus 20-18 at the half and had Anthony 20-6 at the half.

From Joe To You

by Joe Fromm

The ever-dangerous, whispering Red Maison took the scoring honors with 10 points.

In the first game of Monday night's double header the Francis Bulldogs battled the league leading Hanson quintet to a standstill for the first three quarters, but faded fast in the final period to drop their fifth game of the season and the second to Hanson, 56-35. The half time score favored the Bulldogs 24-23.

The victory enabled Hanson to remain at the top of the league standings with eight wins and one loss. The defeat was administered by St. Paul the week previous.

Glenn Holt was Hanson's big gun with 24 points and Lee Guaresimo led the Bulldogs with 15 points.

League Standings table with columns: Team, W, L, Major, Minor.

Your reporter sat next to Ernie Buckholz, Mt. Clemens' football coach and athletic director, during the reserve game recently. As the Mt. Clemens reserve team trailed, Mr. Buckholz commented, "Well, we'll beat you in football next season." He pointed out that the Bathers will have 17 graders back last year they had only three and defeated Grosse Pointe 3-0 in the last game of the season.

Going back to that game last year Mr. Buckholz said, "If you had kept Flaucher (he pronounced it 'Floger') going through the line, you would have beaten us." Flaucher carried the ball in that game on most every play from about the 50 yard line to the three. A trap play over right tackle failed on fourth down and Grosse Pointe lost its only scoring chance.

Grosse Pointe's two smiling bus drivers, Frank Webb and Bill Halley are now regular Grosse Pointe sport fans. They drive the teams to all away games. When the local cagers play at home both of them come to the games and lend their vocal support.

The cheerleaders and fans gave Grosse Pointe's three departing cagers, Jerry Allen, Herb Gerhard, and Marv Weaver, rousing cheers during the Royal Oak game Friday night. It was their last games on the Grosse Pointe court. They will, however, be competing in the regionals this week.

Allen and Gerhard will graduate in June and Weaver will be ineligible late next November because of age.

Blue Devils End Regular Court Season With Victory

Beat Royal Oak Acorns, 40-37, to Tie For Second Place In Border Cities League Standings; Munro Stars Again

By Fred Runnells

Staving off a last period drive, Grosse Pointe captured its second victory over the Royal Oak Acorns, 40-37, on the local court last Friday night March 4, to wind up its Border Cities League schedule in a tie for second place with Fordson.

The game itself wasn't anything to write home about in the first three periods, with both teams playing ragged ball.

Grosse Pointe was kept in the contest through the fine efforts of its speedy little forward, Bayard Johnson, who popped in three field goals to outscore the entire Acorn team.

Marv Weaver and Herb Gerhard contributed one free throw each to give the Blue Devils an 8-4 margin at the end of the first quarter.

Royal Oak came to life, somewhat, in the second period and knotted the count at 12-all at the half time intermission, while the Blue Devils played discouraging ball.

Coach Wernet inserted Barry Munro into the lineup in the third quarter and that move seemed to hold the key to the whole problem. The entire team came to life and surged ahead of the Acorns on three baskets by Vince Schoeck and one each by Munro, Allen and Gerhard, to hold a 28 to 18 lead going into the final period.

Royal Oak stole the spotlight in the last period by scoring 19 points before the final whistle on

third period ended 26-16, Warren out front.

Warren poured on the steam in the last period making 11 points, D. U. S. only shooting 6. Moeller annexed 15 of the Warren markers.

This game marked the end of the basketball season for D. U. S. and the last game for Bill Fisher, Jack Foster, co-captains, and Tony Stever, veteran center.

Pointe High Gang Holds Reunion at Dartmouth

An informal Grosse Pointe reunion was held at Dartmouth college last week, when the Harvard freshman hockey team went up to Hanover to play the Big Green Yearlings. The game ended in an 8-8 tie.

Phil Clark played goalie for Harvard and on hand to greet him were Ed Isley, Earl Brabb and Frank O'Neil, all from the Pointe. Everyone was glad to know Grosse Pointe High won the swimming championship and they had a fine visit over old times in the Pointe.

The boys are all rabid Grosse Pointe sport fans and follow the games with much enthusiasm.

### Pointers Taking Big Part In Annual Red Cross Drive

Grosse Pointe's contribution to the current Red Cross campaign, unlike its area-designated donations to the Community Chest and its wartime bond purchases, it not directly credited to the Pointe.

For this reason some might gain the wrong impression that this area is not doing its share.

The quota mentioned of \$25,000 for the Pointe does not include any special gifts whatever and by far the largest part of the money given by Pointers comes under this classification.

The \$25,000 item mentioned is practically all raised by door to door solicitation by the canvassers who patiently comb the area, house by house.

This year the local committee

has decided to raise its self imposed quota by another thousand, and now points at a total of \$26,000, practically all from little donations.

The active work of house solicitations is done by a group of patient hard working women of the Pointe under the direction of Mrs. Foyman Johnston.

Alvan Macauley, Jr., another Pointer is heading the whole campaign for Detroit. The press release for March 8 also mentions another Grosse Pointer, Mrs. Henry B. Joy as making the largest single individual personal contribution to the campaign this far, \$3,000. The list of large donations is dominated by Pointe names.

The special gifts division is headed by another Grosse Pointer, Mrs. William K. Muir, who reports that 60 per cent of the quota of \$214,000, has already been raised.

### Bad Drivers Pay Fines in Court

In Park police court on Wednesday, Mar. 3, Judge Joseph Belanger disposed of the following cases:

Nathan Cook, of 1617 W. Euclid, Detroit, for driving through an intersection at Balfour and Vernor, causing an accident, was fined \$10 and \$7.10 costs.

V. Foster Hutchins, of 825 Neff, for failure to stop at the intersection at Bishop and St. Paul, causing an accident, was fined \$5 and \$6.10 costs.

The case of Tony Joseph Dinberno, of 1971 E. Forst, which had been under advisement for some time, involving charges of not having his car under control at the time of an accident, was finally dismissed, Dinberno having been adjudged not guilty.

### Rabbi Addresses Rotarians On Better Human Relations

The local Rotary Club was privileged to listen to a talk of unusual power and persuasion at its meeting last Monday in the Whittier when it was addressed by Dr. B. Benedict Glazer, Senior Rabbi of Temple Beth El, of Detroit. Temple Beth El is the oldest and largest Jewish congregation in Michigan and the fourth largest in the United States.

Dr. Glazer has been nationally identified with the Inter-Faith Movement and his talk to the Rotarians concerned the work with which he has been so prominently identified.

Speaking broadly on the subject of better human relations, his chief premise was that it is hopeless to strive for better international relations unless and until a new foundation for better human understanding is laid in the hearts of men.

This can be attained, he said,

only by a ceaseless war against emotional, spiritual and intellectual immaturity, which must be waged in the hearts and minds of the individual members of society. Tolerance, understanding and mutual respect and sympathy for the position and opinions of others is the cornerstone of better relations between men and nations. The growth of this spirit he said, is the hope for international goodwill and eventual world peace.

Dr. Glazer is an honored member of International Rotary.

### Car and Truck Tangle in Park

Lucien M. Snep, of 2657 Eastlawn, driving a '47 Chevrolet panel truck east on Avondale at noon on March 4, collided with a '47 Chrysler sedan driven south on Lakepointe by Beatrice E. Snethkamp, of 640 Lakepointe.

Both cars were considerably damaged. The Chrysler was able to be driven away under its own power, but the truck had to be towed off. Both drivers were given tickets for driving without due care and caution.

### Noted Designer Moves Quarters

Exactly 11 years to the day after he opened his first establishment on Kercheval avenue in the Village, Maurice Wood will move into his beautiful new headquarters in the Toles Building, Kercheval avenue at McMillan. The opening has been set for Monday, March 15.

Mr. Wood, prominent interior designer, came to this country from England. He has done many of the Pointe's finest homes and in recent years his genius has taken him to many other cities in this country and to foreign ports.

The Wendell Anderson home in Bermuda is entirely the work of Mr. Wood. Last year he did another place on Cat Cay for the Andersons, and one at the same place for John Fords. At present he is engaged in doing a whole new country club at Paget in Bermuda.

The new establishment in the Toles Building will provide additional facilities for the services Mr. Wood provides.

### GAS THIEF AT WORK

### Bill Takes Over As Bill Moves

The former home of Lieutenant William Rice of the Farms police force, at 144 Mapleton road, will be occupied by another officer, and another Bill.

William Newnan, whose war record with the Rangers was outstanding, has purchased the home and is remodeling prior to moving in with his bride.

Newnan was captured at Cisterna, Italy after many of his companions had been trapped behind the lines. He escaped to Rome, where he hid until the Americans arrived. He held the rank of lieutenant.

Lieutenant Rice, who was retired from the police department on March 1, is moving with his family to the country.

### Arthur Stock III Wins Contest at Taft School

Word has been received from the Taft School, Watertown, Connecticut, that a Grosse Pointe boy, Arthur Stock III, son of Mr. and Mrs. H. Thompson Stock of Moran Road, received the highest score in the entire school in a recent Time Magazine Current Affairs Test.

The boy in his class scoring next highest to Arthur was Gene Tunney, son of the famous prize fighter. Arthur was formerly a student at the Detroit University School.

### P.T.A. at Defer Meets March 16

The Defer P.T.A. will meet Tuesday, March 16 at 7:30 p. m. The speaker will be Dr. Lyndon Babcock, whose subject will be "Mental Hygiene of Parenthood." A question and answer period will follow and refreshments will be served.

### P.T.A. at Kerby Meets Mar. 16

There will be a meeting of the Kerby School P.T.A. on Tuesday, March 16, at 8 o'clock. The classrooms will be open at 7:30 to permit parents to visit their children's rooms and meet their teachers. B. Brink will speak and show his motion pictures of Switzerland at this meeting.

These movies, completed in the fall of 1947, include magnificent view of the majestic Matterhorn, grimmest sentinel in the Alps, and from those rebellious walls a thousand people have tumbled to their deaths. Also, the mighty Junfrau poses for a series of colorful scenes.

The fabled resort of St. Moritz, the unbelievable loveliness of Lake Lugano and its surrounding towns, the fairyland of Appenzell, the story book settings of Interlaken—these and countless other scenes of Switzerland's cities, towns, Alpine passes, quaint railroads, and charming countryside are included in this typical, complete, Brink tour of Switzerland's paradise. Colorful native costumes, quaint inns, the making of those famous hand-rolled Swiss handkerchiefs, and the herds of overly-friendly dairy cows with their ornate bells, will also be shown.

### Mary Virginia McKinnon Selects Her Wedding Date

The First Presbyterian Church will be the scene of the 3:30 ceremony April 3, when Mary Virginia McKinnon becomes the bride of James W. Standart, son of Mr. and Mrs. Joseph G. Standart of Lincoln road.

The Rev. Frederick Olet will read the vows, and a reception will follow at the Whittier.

Matron of honor for her sister will be Mrs. Charles Marshall Rogers, of Evanston. Joseph Standart will be his brother's best man. Marjorie and Charles Rogers, niece and nephew of the bride-elect, will also attend the couple.

Mary Virginia is the daughter of Mr. and Mrs. Donald Neil McKinnon, of Van Dyke.

## HOW LONG HAS IT BEEN....

### Since Your Starter Was Checked?

Starters have a way of working and working and then—all of a sudden—just stopping. The brushes can be worn, spring tension wrong or a number of things out of order, but it still works. Then something happens and it stops.

When this occurs it's a major job of repair, often demanding replacement of the starter. Automobile manufacturers recommend that starters be cleaned, checked, and adjusted once a year. For expert starter service Ray Whyte maintains an up to the minute electrical department. They're electrical specialists for automobiles.

Bring your car in for starter trouble prevention. Bring it in so you can go when you want to go. Ray Whyte starter service includes the following:

Remove starter.	Check for broken insulation.
Clean and surface commutator.	Clean and oil starter.
Adjust brushes and brush springs.	Replace, test.
Check short circuits.

Baha'i Meeting Set for Friday

As guest speaker at their first public meeting, to be held in Grosse Pointe on Friday, March 12, at 8:15, in the Richard School, the Baha'is of Grosse Pointe Farms will welcome Miss Pari Walzrah, youthful professor of Northwestern University, Chicago.

Her talk will precede the showing of colored slide films of the unique Baha'i House of Worship in Wilmette, Ill. Miss Walzrah was born in Iran, where the Baha'i Message was first announced a little over one hundred years ago.

From all over the world, too, people have come to Wilmette to marvel at the beauty and meaningfulness of the Baha'i Temple—a building conceived to be the first new firm in religious architecture since the cathedral-building days of the middle ages.

Indicative of the way this Teaching is bringing harmony and understanding between the peoples of the East and the West is the fact that funds were given by Orientals to an Occidental project for the first time in history.

The same colored slides shown at the House of Worship itself will be shown at the Grosse Pointe meeting.

There will be no charge nor collection at the meeting, and the public is cordially invited to attend.

Chapter A.O. of P.E.O. To Meet Monday Night Chapter A.O.-P.E.O. will meet at 8 p.m. on Monday, March 15 in the home of Mrs. G. A. Nicholson, Jr., at 1017 Cadieux road.

Schools to Give 1948 Varieties

Dusting off those old vaudeville routines when the curtain rises tomorrow night on the 1948 "Varieties" will be talented members of the student bodies at Grosse Pointe Country Day School and Detroit University School. The show will be given in the Country Day School Friday and Saturday nights and matinees.

Frank Wilton will act as master of ceremonies for the student production which has an all-out vaudeville theme. The committee behind the whole affair includes Bill Hamilton, Howie Kay, Frank Wilton, Peggy Hughes, Sally Foy, and Connie Woodall.

Roles in one of the acts will be played by Carol Brossy, Mickey Smiley, Jay Curtis, and Noel Melville. Joan Ziegler, Cecilia Breckenridge, Nancy Hester, Mary Louise Fitzsimons and Lee McMahon will be featured tap dancers.

Penny Kemp and Gertie Ford plan to combine forces for a "Four Leaf Clover" duet, and ninth graders Alden Edgar, Pat Tuscany and Ann Meeder have chosen several "Gay Nineties" numbers which they will render vocally.

Country Day-ers working on the annual program also include Florence Phelan, Mary Kate Worcester, Elise Hahn, Karen Von Ries, Sue Wheelock, Rae Garber, Jean Stever, Ann Brown, Julia Dickson, Sara Weed, and Judy Frost.

"Men behind the men" on stage at D.U.S. are Troy Browning, John Wigle, Jim DenUyl, Warren Babcock, Fred Fordon, Norman Johnston, David Johnston, Hank Caulkins, Myron May, Dick Cullup, Dick Sutherland, Post Fordon, Phil Droll and Merritt Jones.

### PERSONAL APPEARANCES

MRS. FREDERICK M. ALGER JR. . . . following her partner's intricate steps in a dancing gown of turquoise satin . . . wispy short sleeves . . . high neckline . . . and a voluminous skirt with tiny "shoe string" bows of the same material scattered all over the skirt.

MRS. JOHN B. HARTZELL . . . at one of her own smart dinner parties . . . choosing a frock combining jersey and taffeta . . . high necked tailored blouse of smoke jersey . . . and a long, full taffeta skirt in tobacco color . . . chic combination . . . The skirt had a small flaring detail around the hips.

MRS. RAY JOHNSON . . . terribly attractive in a black net evening gown . . . dotted with sparkling sequins . . . brief sleeves . . . low neckline . . . skirt fashionably full . . . Through the top of the frock, lush "Lena Horne" brown satin peeked through, and then the full skirt divided down the center, revealed an under-layer of the same satin . . . awfully good color team, "continental" looking.

MRS. EMORY MORAN FORD . . . goes to dinner parties in a black crepe evening dress, classically simple, with black silk fringe forming the short sleeves. A necklace neckline is embroidered in medallions of the same silk fringe.

MRS. WILLIAM RUST PIERCE . . . looking exactly as if she had j-u-s-t stepped off the plane from Paris . . . in a new Spring teatime dress of navy taffeta . . . much fullness at the bottom of the skirt . . . square neckline . . . and a simple, off-the-face hat trimmed in navy velvet bow and veil.

MRS. WILLIAM K. MUIR . . . wearing a "trying" hat and looking beautiful. It was a knitted cloche of tri-influence . . . a band of gray, middle band of scarlet . . . and face band of black. With this, a greige wool skirt and knitted belted tunic featuring vertical line pattern touched with white. Her only jewels, a strand of pearls.

### PILFERINGS

A famous undertaking establishment in New York adorns the walls of its offices with epitaphs dreamed up by celebrities for themselves:

NUNNALLY JOHNSON: "I thought there was a funny taste about that last one."

W. C. FIELDS: "On the whole, I'd rather be in Philadelphia."

LIONEL BARRYMORE: "Well, I've played everything but a harp."

FONTAINE FOX: "I had a hunch something like this would happen."

DEEMS TAYLOR: "Here lies Deems Taylor, under protest."

Fred Allen once introduced a character on his radio program as his "molehill man."

Explained Allen: "Every morning this fellow arrives at his office and finds a molehill on his desk. It's his job to make a mountain of it before 5 p.m. comes around."

We still like the war story about the pilot of an English bomber who had to parachute to safety over the channel. The pilot had long been prepared for just such an emergency, and as he had always worried about freezing, he never went up without tucking a bottle of brandy in his Mae West.

After an hour or so in the water, he was picked up by a destroyer—but not until he had consumed the entire bottle of brandy. As he climbed aboard the ship, the captain said, jokingly,

"Sir, you're dripping water all over my clean deck."

The pilot haughtily answered, "I never stay where I'm not wanted," and promptly walked overboard. It took them 15 minutes to fish him up again.

## Pointer of Interest

DEDE BRIER OF TOURAINE ROAD

By Kitty Carney

For the past three years Mary Elizabeth "Dede" Brier has been one of three women lawyers in the prominent New York law firm of Root, Ballantyn, Harlan, Bushby and Palmer. The phenomenon of obtaining that position among 80 men Dede explains with, "The war was a boon to lady lawyers whom law firms were not hiring prior to 1942."

A graduate of Liggett and Vassar, Dede decided just before graduation from the latter school, where she was an English major, in 1942, that a course in law "would be dull but good for me." She promptly enrolled at the University of Michigan law school, completed the course in two instead of three years under the accelerated program, and found delving into law comes far from dull. Here again, she was in the minority—one of four girls in 80 students.

The Hardest Step "I didn't go to law school because I thought I was going to like law, but because I thought it would be a good thing to know," she said. Getting used to reading the language of the law books is the first and hardest step, asserts this young lawyer, and after that, it's smooth sailing by comparison.

Dede was admitted to the Michigan Bar in 1944, but New York was her goal, and she boarded a train for that metropolis. Her application was approved by the numerous partners in the law firm, in which the senior partner is a son of the late Elihu Root, prominent lawyer and statesman in the early part of the century, and Dede settled down to her work. This consisted of writing

Extra-curricular highlights of her New York stay were the career stories which Mademoiselle and Junior Bazar magazines carried on the "business girl" lawyer form Grosse Pointe, and the "ink blot" test in which she was psychoanalyzed with three other business people and her soul laid bare before the nation on eight pages of Life Magazine.

Cultivation "Common sense and the ability for the original thinking are necessary for successful law work," Dede states. "But you ACQUIRE legal mind . . . there is no such thing as a born legal mind."

For this reason, the attractive Pointe brunette considers law a good field for women. "More ought to study law," she says emphatically. "For one thing, it helps you to understand more about business, taxes, insurance, banks, politics and the workings of Congress and the legislature."

Just being careful and accurate is the lawyer's most important duty," Dede stresses. "He or she simply CANNOT give bad advice." Dede, who points a laughing finger at the trials of her New York sojourn and takes her success easily, is a tall friendly miss in her mid-twenties. An avid reader, she is also partial to tennis and golf. She lives with her parents, Mr. and Mrs. Ernest Brier, in their Touraine road home. Her sister, Nancy is Mrs. Frederick S. Ford, Jr.

JANE SCHERMERHORN

How about your new Easter bonnet, leddy? Hottest news in the fashion whirl, is that everyone is buying "Paulette" like mad. Now, that may take a little translation . . . but it means a new line of bonnets being carried by WALTON PIERCE'S Grosse Pointe Branch on Kercheval.

Paulette is a famous Paris milliner . . . whose chapeaux can be had IN Paris for a hundred or a hundred and twenty-five dollars. Her dreamy hats have been expertly copied and WALTON PIERCE'S Grosse Pointe Branch has them EXCLUSIVELY . . . for only \$28 to \$38.

Now just picture yourself in the Paulette that is bonnet shaped . . . SO flattering . . . with black taffeta top, a facing of creamy pink straw, and a perky black taffeta bow at back!

OR, the French nun's bonnet of white Swiss hemp with a trim navy and white polka dotted scarf falling at the back. The scarf (rick-racked in stark white) tucks into the neck of your Spring coat.

Then . . . Paulette d-a-s-h . . . in scarlet straw bonnet with a polka dot red and white ribbon tied in bow . . . and a polka dot red veil.

It's a problem to decide which is going to be more popular . . . the French or American designer on this subject of hats 1948. WALTON PIERCE'S GROSSE POINTE BRANCH has equally enchanting models from the milliners of Hattie Carnegie. Lured the natural leghorn with dainty flowers around the crown, little scarlet bows dotting through every now and then.

Carnegie has concentrated on the jenne fille, too, this Spring. Recommended are the white straw clothes, rich with soft hued lilacs and rosebuds and trimmed by tulle veils.

Many of the Carnegie hats for the "young" are being worn over the left ear, the better to show off short, curly hair. For less dames there are sophisticated AND charming sailors, also worn on the side of the head. For instance: a natural yedda with russet striped French ribbon around the crown. A single daisy dreams from the chapeaux.

If anyone starts talking ice boxes to you, they've probably been browsing through the GROSSE POINTE HOME APPLIANCE SHOP at 15222 East Jefferson. A complete and new line of 1948 Frigidaires sparkles in the showrooms as we go to press.

To mention a few of the marvelous features you'll find in your new 1948 frigidaire:

MORE usable space on the new flat top. MORE frozen food storage in the big new Super Freezers. MORE room for keeping fresh or frozen meats. MORE space for leafy vegetables and fruits. MORE usable shelf space for other foods. MORE food storage capacity per dollar!

There are four styles for Frigidaires 1948. The Giant New Frigidaire 11, \$299.75; the Big New Frigidaire 9, \$269.75; The Popular Size Frigidaire 7, \$229.75 and the Big, Little Frigidaire 6, \$194.75.

You'll know the reason when you see the new GROSSE POINTE HOME APPLIANCE SHOP this week. She wants a new Frigidaire for Easter!

Specials in glamor can be found every day at SCHEITLER'S on Fisher road. Suggested as Easter gifts or just a nice little present to yourself—the Chanel perfumes, colognes and talcum powders now being shown.

The deservedly famous Chanel 5 perfume comes in three different bottles—\$10, \$17.50 and \$32.50.

The Chanel "Three Moods" set (and you SHOULD change your perfume to suit your mood, little lotus blossom), contains three scents: Chanel 5, Gardenia and Russian Leather. It is priced at \$12.

The light, refreshing colognes, with which you'll want to stock your dressing table now that Spring is coming, is to be found at SCHEITLER'S in all three Chanel scents . . . \$2.50, \$4.50 and \$7.50.

Sets of talcum and cologne in Chanel No. 5 may be had for \$8.50, \$6.50 or \$4.50 at SCHEITLER'S.

Spring 1948 is p-i-n-n-e-d to the Clothesline on Fisher road, and we'd suggest you dash over and take down some of the pretties shown for your wardrobe. Wonderful selections of suits and dresses in the \$79.00 "and well below" bracket as well as "name" creations for those who want to spend more.

In the "79.00 and below" we saw handsome plain tweed check suits and plaid checked worsteds with smart fitted jackets, full skirts. Dresses, in both navy and prints, were chic as anything. For instance a sheer wool navy taffeta featuring the long torso lines and a mitty collar; a two piece multi-toned print of pure silk boasting peplum, full skirt and three quarter length sleeves.

Among the "name" frocks that took our fancy were: a Hansen Bang showing a light blue crepe printed dress with a loose fitting need jacket in deeper blue; a smooth Nettie Rosenstein anemone red two piece gabardine, dressmaker style, with slick trim back cuffs; a Trigere (Pauline) smoke and white printed frock trimmed at neckline and waist in material boue; and a Pattullo (Jo Copeland) wool sheer coat type dress with trick two toned green insert of pure silk in the front of the skirt.

## Daughters of Colonial Wars Plan Buffet-Dinner

The Spring Meeting of the Society of Daughters of Colonial Wars, State of Michigan, will be a buffet-dinner at the Women's City Club, Tuesday evening, March 16, at 6:30 o'clock, followed by a business session and program.

Reservations for the dinner should reach Mrs. Charles L. Barlett of Whitmore road, corresponding secretary, by Sunday, March 14.

Mrs. Osmond D. Heavenrich, of Jackson, state president, will call the business session to order at 8 o'clock.

Guest speaker will be Mrs. Floyd Moore, whose subject will be "As the Dutch Twig Is Bent, so the New York Tree Is Inclined."

The East Side AAUW Section of the American Association of University Women will meet March 18 at 1:15 p.m. in the home of Mrs. T. A. Boyd, 1016 Harvard Rd., Grosse Pointe.

Mrs. Carl Nurnberger will give an illustrated talk on "Chinese Life Scenes." The speaker, a member of the AAUW, lived in China three years.
