follow the Georgian style of architecture, making it conform to the architectural scheme followed out in the beautiful High School building which now occupies the other end of the large school property extending all the way from the Boulevard to Kercheval

Mr. Derrick has created a very beautiful entrance. This would be enclosed by plate glass doors and in it a perpetual light would burn making the interior of the entrance—clearly visible day or night. It is in this place that the

names of the 112 dead of Grosse Pointe would be seen with the names of the more than 3,000 service men and women of the Pointe suitably displayed.

To the left of the main entrance would be a room which would be set aside for the preservation of the articles of a memorial character associated with the war and the part played in it by the sons of Grosse Pointe.

It has already been suggested that in this room would be displayed the portraits of those who died in the war.

It is hoped that within a short time these plans, as thus far developed, will be on display for public inspection.

### Brownell Pupils Presenting Plays

Dramatic Groups of Brownell Junior High School will present an Evening of Plays in the High School auditorium on Friday night, April 16.

The Mime Players will contribute "Junior's Mustache." The Eighth Grade group will present "Wildcat Willie's Lucky Number." The Seventh Grade group will give a pantomime, "The Tale of the Sacred Caterpillar," between the other two plays.

### St. Paul Gives Awards To Business Students

the day after his election Mr. Schweikart was in a reminiscent mood. He called attention to the birth of the township on April 1, 1848. Prior to that it has been a part of Hamtramck township which then extended from Belle Isle north and east to the county line. Later on what was left of the old Hamtramck Township changed itself into the present city of Hamtramck.

Mr. Schweikart said that he doubtless owed his election to the fact that a few years ago the Board of County Supervisors, conscious of the fact that Detroit men had been monopolizing the chairmanship for many years, passed a resolution that hereafter at least once in every five years the chairmanship

should go to some member of the Board who did not reside in Detroit. This resolution, coupled with a little pressure from influential men in the Pointe, resulted in his election last Tuesday.

### George Lackey Dies Suddenly

George E. Lackey died early Tuesday morning, April 6, at Pinehurst, North Carolina, on his way home from a winter vacation at Clearwater, Florida. Surviving, in addition to his wife Helen H. Lackey and his son Joseph Hurt Lackey now doing graduate work in the Law School at Ann Arbor, is his mother-in-law, Mrs. Mary E. Hurt. The Lackey home is at 254 Touraine road, Grosse Pointe Farms. Also surviving are two sisters, Mrs. Lander Chisolm and Mrs. Ralph E. Dudley of Earlington, Kentucky.

Mr. Lackey had just started his 16th year as General Agent in Detroit for the Massachusetts Mutual Life Insurance Company, having come here on April 1, 1933 from Oklahoma City where he had opened the territory for his company upon his discharge from the Army in 1919 at the close of World War I. As a First Lieutenant he had served as Insurance Officer, 101 Division, and conducted the training school for the Insurance Division of the Army at Camp Upton, N. Y.

A native of Kentucky, born at Hopkinsville, November 18, 1888, he had joined the Massachusetts Mutual as a supervisor in the Louisville Agency in 1916. He was highly regarded within his company appearing frequently on the annual convention programs of both the General Agents and the Field Forces. He had just been appointed chairman of two important committees in preparation for the Massachusetts Mutual's 100th Anniversary in 1951.

One of the most prominent men in life insurance circles in both the United States and Canada, he shared with only one other man the unique distinction of having been at the head of all three of the largest organizations in life insurance field activities. In 1929 he was chairman of the Million Dollar Round Table, and was a life member of that organization; in 1931 he became president of the National Association of Life Underwriters and Honorary Vice-President of the Canadian Life Underwriters Association; and just six years ago he became president of the American Society of Chartered Life Underwriters, which is the group of men and women holding the C.L.U. (Chartered Life Underwriter) designation granted by the American College of Life Underwriters.

In Michigan he helped organize and became the first president of the Michigan State Association of Life Underwriters and was instrumental in organizing the Life Leaders of Michigan (qualification for membership

being \$250,000 or more of volume each year.)

He often called himself "a lawyer by profession and a life underwriter by choice" and was always active in the liaison work between the National Association of Life Underwriters and the American Bar Association. Only last month after he left the office for Florida the final ratification was made by the two parent organizations of a new Statement of Principles which he had helped to produce as Co-chairman of the National Conference Group, composed of five representatives from the Bar Association and five from the Life Underwriters.

As General Agent here in Detroit he was at the head of one of the largest and oldest of the Massachusetts Mutual Agencies, servicing over 20,000 policyowners who held over \$100,000,000 of life insurance and annuities.

Mr. Lackey was treasurer of the Grosse Pointe Memorial Church. He was a member of the Businessmen's Advisory Council of the School of Business Administration of Wayne University, and belonged to the Detroit Athletic Club, the Grosse Pointe Yacht Club and the Country Club of Detroit.

Funeral services were at 2:30 p. m. Thursday, April 8. Burial was at Woodlawn.

The Navy has sold a total of 419 combatant vessels for scrap or for conversion to peacetime pursuits.

### Shift in Health Authority Also Considered by Park

Requests Information From County on What Services Could Be Expected if it Took Over Job Now Handled by Township

On April 5 Village Manager Lane of the Park addressed a letter to County Director of Health Littlejohn asking him categorically what specific service his department could render the Park in the event of an arrangement being made between his department and the village for taking over the village's health service. This request for information covered 1) the examination and abatement of nuisances, 2) the inspection of restaurants and their personnel handling food, 3) the examination of fish, game, milk and meat and all perishable foods exposed for public sale, 4) the regular examination of the water supply, 5) the examination of the swimming pool and continued supervision over it to determine its safety at all times for public swimming, and 6) the general supervision of the public health including the methods of collection and disposal of garbage and all matter affecting the public health conditions affecting the public.

The reply received from Dr. Littlejohn left several matters to be further clarified. The Commissioners passed a motion directing the Manager to request Dr. Littlejohn to attend the Council meeting on April 26 for a further discussion of the matter. This move is identical with one pursued by the Farms a month ago. At that time Dr. Littlejohn spoke at length before the Farms council. He said that it would be impracticable for his department to take over the health service for the Farms alone. He mentioned that it would be 25 miles removed from the operating headquarters of his department. He suggested that if all, or the more important part of Grosse Pointe, should desire the County to take over the health service, it would probably result in the county establishing a division headquarters in this neighborhood from which the service could be directed for this area.

There seems to be no question of the right of municipal subdivisions of the county demanding and getting this service from the county health authorities. The law says it must give such service in all communities where the citizens have not already set up a public health service of their own. Whether or not the fact that Grosse Pointe already has such a local health service would stand in the way of the county taking over does not seem to have been clearly answered.

The cities of Detroit, Hamtramck, Highland Park and Dearborn, with Grosse Pointe Township, now manage their own health service. All of the rest of the County is under County jurisdiction. The queries that have already been addressed to the County by the Farms, the Park and Grosse Pointe Shores all are looking forward to the time when they may withdraw from the township and the need for themselves as cities taking over this service or having it done for them by the County will face them.

It is said that some time ago the Shores formally passed a resolution addressed to the County health people asking them to do this work. Manager Jefferis is complaining that he has received no acknowledgement thus far from them.

### Assessors Call Personal Property Tax "Nuisance"

Would Do Away With Collection As Required By State Law; Officials Have Fun Recalling Experiences

Some local officials were discussing their adventures by land and sea, as well as day and night, in their efforts in making assessments on personal property in the Pointe. The many beautifully furnished homes in this area are a potential source of sizeable revenues via the personal property tax, but inasmuch as there is no desire to "soak the rich" and it is a form of property extremely difficult to evaluate and often times to even get to for a looksee, the taxing process has been loosely applied.

One day a couple of these officials made a call at one of the more elaborate homes here and were given dignified greeting by the butler. They stated their errand and were grudgingly given access to the house. Spying an especially beautiful oriental rug on the floor of one of the more spacious rooms one of them in a spirit of mischief said "Why I wouldn't use such a rug as that in my automobile."

The British butler didn't catch the humor at all. Bristling up he said with much asperity, "I would have you know, sir, that Mr. X..... paid \$38,000 for that rug." The kindly assessors were certainly on the spot.

Appropos of this same theme the assessors have long regarded this form of taxation as more of a nuisance than a source of revenue to the public treasury. This view was reflected at a recent state meeting of assessors who passed a resolution recommending that it be done away with.

Catching the enthusiasm of the idea the Board of Park Commissioners went on record as heartily in favor of such action and virtually told the local assessors to look the other way whenever visiting either the "cottage of the rudest peasant or ancestral homes whose crumbling towers speaking of the past unto the present...."

Since then however the Honorable Board of Commissioners Foot Slips Off Brake; Car Slips Into Truck

Because P. E. Spowart, of Parker avenue in Detroit, stepped on his accelerator instead of his brake as he was turning into the Grosse Pointe Garage on Jefferson on Friday afternoon, he rammed into a pickup truck belonging to the garage, that was parked in its own driveway. Spowart said his foot slipped off the brake and onto the accelerator. He got a ticket from the police for reckless driving.

In Park Traffic Court on April 7 Judge Victor H. DeBake disposed of the following cases: Edward R. Barton, of 1270 S. Oxford road, G. P. Woods, for improper starting from a parking position, involving an accident, was fined \$15 and \$5 costs. Ivar A. Pierson, of 7331 Dove street, Detroit, for approaching an intersection without due care and caution, involving an accident, was fined \$15 and \$5 costs. George A. Gardella, of 1352 Balfour, for driving without due care and caution, involving an accident, paid \$15 and \$5. Larimie Brown, of 92 Hague, Detroit, for driving into moving traffic at Charlevoix and Cadieux, involving an accident, paid \$10 fine and \$5 costs.

### Reckless Drivers Fined in Court

Three Grosse Pointe High School students have been chosen to be members of the All-State band and orchestra which will present a Michigan Night program in the Masonic Temple on Wednesday, April 21, during the Music Educators' National Conference. The local students who will be members of the band are Paul Terbruggen, Lee Walker and Leroy Johnson.

If we don't build a new world ourselves, someone else will do it for us and it won't be one we like.

### Police Settle Driving Dispute

Two rather well known young men of Grosse Pointe got in a heated argument in front of the Alger Club at 1 o'clock on Monday morning over which one of them should run the car.

The older one, about 21, thought his friend, about 18, was in no condition for safe driving. He wasn't; in fact he was exceeding drunk, sepultus vino. The altercation aroused the neighbors and the police were called. They escorted the disputants around to the Maumee police station, where a paternal discussion was held. In the end everything was sweet and lovely again and the young men departed arm in arm. They had always been warm friends, and are again.

### Report B. and E. At Merkel Home

A breaking and entering which occurred at the home of Dr. Charles C. Merkel, 130 Kenwood road, sometime between April 2 and April 5, was reported to the Farms police on April 7 after the family returned to the Pointe. There was evidence that someone had gotten through the milk chute into a pantry, but the pantry door was locked from the opposite side and further progress was halted. No larceny or damage was reported.

### Need \$358,000 To Run Woods

Philip F. Allard, Village Clerk of the Woods Village, submitted a tentative draft of the budget for 1948 to the Council on April 6. It was to be taken up for consideration at a special meeting on April 13. Clerk Allard's estimate of total expenditures for the coming year is approximately \$358,000. Against this are the receipts from water service and other items which reduce the amount to be raised by taxation to about \$225,000. The servicing of the public debt will take \$61,145. The increase in this item is accounted for by the recent bond issues. Mr. Allard called attention to the fact that the building operations in the village during the year, Jan. 1, '47, to Jan. 1, '48, totaled 320 new houses valued at \$3,798,648.

If these properties should be assessed on only a 50 percent basis it would provide an additional \$1,899,000 of assessable property, substantially reducing the increase that would otherwise lodge against the taxable real estate. It is not expected there will be any marked increase in the millage over last year.

### Runs Into Car

Donna Jeane Mumford, 10, of 278 McKinley road, was slightly injured when she ran into the side of a car on her way home from Richard School on April 8. The car, driven by Mrs. Allen of Piper boulevard, was backing out of the driveway at 220 McKinley when the accident occurred.

### Anti-Pollution Bill Sidetracked

A resolution "deploring the fact that the Special Session of the State Legislature has not been given an opportunity by Governor Sigler to consider much needed anti-pollution legislation" was passed by representatives of the 17 sportsmen's clubs in Wayne County affiliated with the Michigan United Conservation Clubs, meeting at the Fort Shelby Hotel.

The Governor has indicated that he has changed his mind as to presenting a bill amending the present act prepared by the MUCC pollution committee, the attorney general and the executive head of the Stream Control Commission.

When the sportsmen some months ago asked the Governor to open the Special Session to anti-pollution legislation he said that he would do so and suggested the action that resulted in the preparation of the bill.

Further action on the Governor's decision to delay legislative action on stream pollution until the next regular legislative session in January is expected when the MUCC board of directors meets at Kalamazoo the weekend of April 17-18.

Lee Smits, radio commentator and well known conservationist from the Gazo Sportsmen's Club and Vic Bercford, secretary of the Wayne County Sportsman's

### Park Fire Alarm Box 162 Mangled

Fire alarm box No. 162 on Essex in the Park was tampered with on Saturday night. The door of the box was bent but the mechanism was found to work all right after a test call was sent in to headquarters.

Apparently some youth had started to send in a false alarm, but after mangling the box gave it up as a bad job.

### Clinic Planned By Camera Club

Photographic print clinic will be held by the Grosse Pointe Camera Club on Tuesday evening, April 20, according to an announcement made by Howard Riley, president of the club.

The clinic will be in charge of a group of nationally noted photographers who will take the various prints submitted, fully analyze them as to composition, print quality, subject matter, development, printing time and all matters pertaining to the making of good prints.

There will also be suggestions as to what should be done in the technique in order that the same might be improved. The members have been requested to submit any print they wish that they feel needs improvement and attention.

The program is part of the club's educational series. At the last meeting the evening was devoted to making of good negatives. Messrs. Thomas, Ketterer and Kenn co-operated in the lecture.

Mr. Riley issued an invitation to the interested public to attend the meeting which will be held in the Neighborhood Club in Grosse Pointe.

### Scouts to Hear "Bo" McMillin

Announcements that Bo McMillin, Coach of the Detroit Lions, and Clare Cummings, nationally famous magician, are participating in Scouting's two "Adventure Trail" rallies this Saturday, April 17, are causing great excitement and enthusiasm among the 3,000 Scouts and Leaders who have been invited to attend.

Said Amos R. Shields, Council Executive, to members of his Staff this week, "I've just been to a large service club meeting, where Coach McMillin was guest speaker. He's tops—and I hope that both of the two large auditoriums will be filled with our Scouts next Saturday, to hear this outstanding sports celebrity."

The morning rally is in Denby High School, at 10 o'clock; and the afternoon rally is scheduled for 2:00 o'clock at Mackenzie. Every Troop in this community has been invited to send at least four Second Class Scouts and the Scoutmaster. Troops without Second Class Scouts may substitute members of other ranks. Adventure Trail souvenirs will be distributed at both rallies.

The Scouts who attend, will be designated as "Trail Blazers" for their respective Troops, with the responsibility of encouraging their fellow members to make one new advancement between now and October 31. All those Scouts who achieve new ranks during that period will have their names listed on a huge Honor Roll to be displayed at Scouting's Exposition in Convention Hall early next December.

### Cass Town Hall Lists Speakers

For the 20th season of Friday morning lectures at the Cass Theatre, Town Hall announces nine of its 14 speakers on national and international affairs.

Dr. Walter H. Judd brilliant and dynamic Republican member of Congress from Minnesota, will return to the Town Hall platform in November. Rebecca West, one of the great British novelists and author of "The Meaning of Treason," has just received the International Award in Journalism. She is booked for Town Hall on December 3. John Mason Brown, America's leading dramatic critic and associate editor of Saturday Review of Literature, will give his 10th annual review of Current Plays and Books.

Friedelind Wagner, author of "Heritage of Fire," is the talented, charming granddaughter of Richard Wagner and the daughter of Siegfried Wagner. Through the help of Arturo Toscanini she escaped from Germany in 1941 and is today an American citizen. The subject of her lecture is "Twilight and Dawn Over Germany."

## How to shorten a mile (and stretch a gallon)

Come in—learn how Packard "safety-sprint" power gives you wonderful new gasoline economy!

You'd naturally expect Packard owners to marvel at the turbine smoothness of the new '48 Packards. (And they do.)

You'd expect them to praise Packard's new "safety-sprint" power—the new kind of reserve power that breezes them around other cars and fast highway buses... into the clear. (And they do.)

But the big surprise—the advancement that excites these owners most of all—is the way these Packards get extra mileage out of every gallon!

For these big, precision-built Packard Eights—with all their luxurious roominess and increased roadweight—are actually delivering up to 10% more miles per gallon!

Worth looking into? It's a "must" story for every prospective fine car buyer. You'll find the cold facts, and a warm welcome, at your nearest Packard dealer's showroom!

Out of this world... into your heart... **Packard**

### Pre-Nuptial Parties Honor Brides-Elect

Eleanor Costello, Jane Howarth and Annabel Danhof Feted at Series of Showers, Breakfasts and Luncheons

Spring brides-elect and their fiances are being feted at the usual round of pre-nuptial parties in the Pointe. First on the list, because their wedding is only a few days away, are Eleanor Costello and Paul B. Allen, Jr.

Since Eleanor and "Jack" met as attendants at the wedding of their daughter, Virginia, to Edwin B. Henry, Jr., last April, Mr. and Mrs. William E. Shoemaker were hosts Saturday evening at a bar shower for the couple, transforming one of the rooms into a "Gay Nineties" barroom for the party.

Guests included Mr. and Mrs. Paul B. Allen, the Walter Costellos, Mr. and Mrs. David Neil O'Day, the Vernon Geigers, Mr. and Mrs. Rudolph Lofell, Mr. and Mrs. James H. Allen, Mr. and Mrs. Hal Cornelius and the Donald R. Brockers.

Others present were Bernard A. Clark, Jr., Pat Seymour, William Baubie, Ruth Beckbisinger, Mary Jane Seymour and C. A. Dean III. Sunday morning, Barbara

Weeks of Oxford road gave a breakfast party to honor Jane Howarth and Bill Hibbard, whose wedding day will be April 24. Gloria Ford, Ward Detwiler, Jr., Mary Louise Hurley, Clarence J. McLeod, Jr., Joan Stringer, Bob Taylor and Tom Armstrong were at the breakfast.

Also gathered around the table were Kay Sherman, Dick Jerome, Ted Hibbard, the William Hurleys, Mr. and Mrs. Courtney Rankin and Mr. and Mrs. Lyle Devlin, Jr.

Annabel Danhof, daughter of Mr. and Mrs. John J. Danhof of Stratford road, will be honor guest at a series of parties preceding her May 8 marriage to Samuel A. Hess.

On Saturday, Evelyn Lough will give a luncheon and kitchen shower for Annabel. Mrs. Wen-

dell C. Wilcox has issued invitations to a dessert bridge and paper shower on the following Saturday, April 24.

A Tuesday tea on May 4 will be hosted by Mrs. H. J. Deller, in honor of the bride-elect. Mrs. Robert Mount has planned a luncheon for May 5.

Annabel's fiance is the son of Mr. and Mrs. Samuel P. Hess of Merriweather road. Brewster Congregational Church will be the scene of the wedding.

### To Hold Display Of Hooked Rugs

Pupils of Marjorie Hanford, well known authority on hooked rugs, will exhibit their handicraft at the Grosse Pointe Board of Education, Wednesday, April 21 from 2 to 4 p.m.

There have been many requests for a class in rugmaking in this community and it is hoped that this exhibit will lead to such a class. Any woman interested in rug making is invited to attend the exhibition. One may obtain further information by calling Niagara 2000, Extension 25.

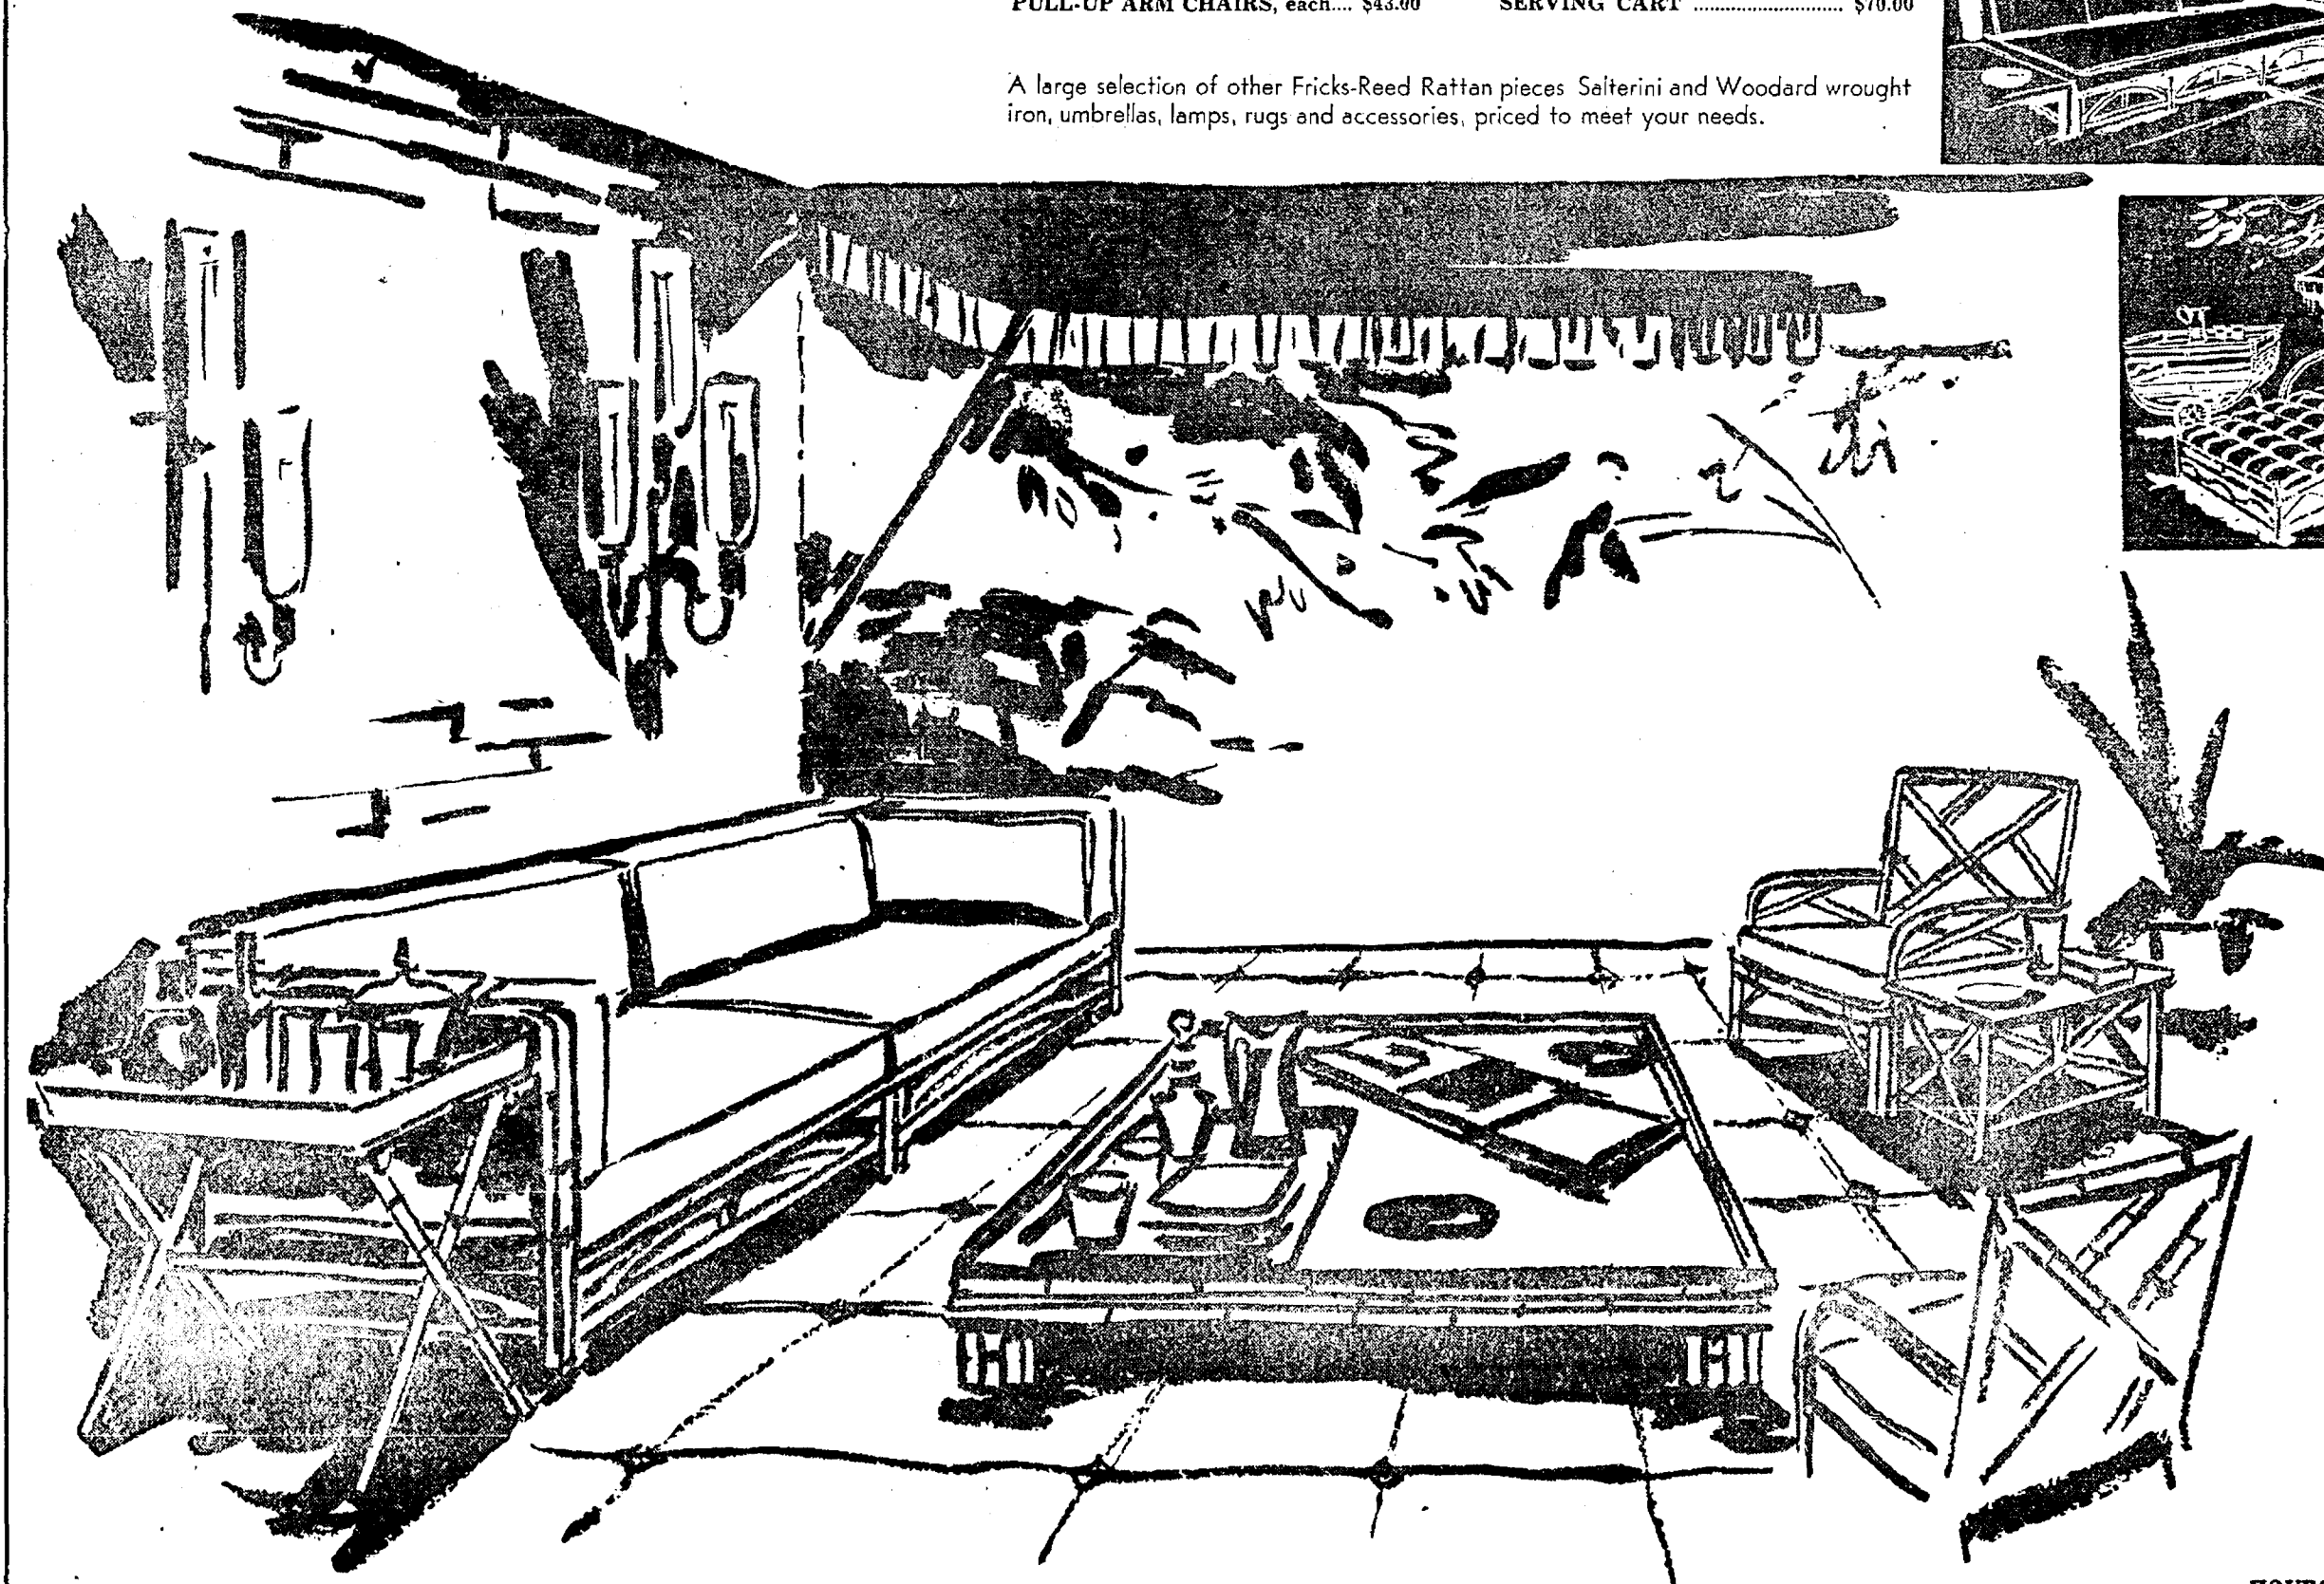

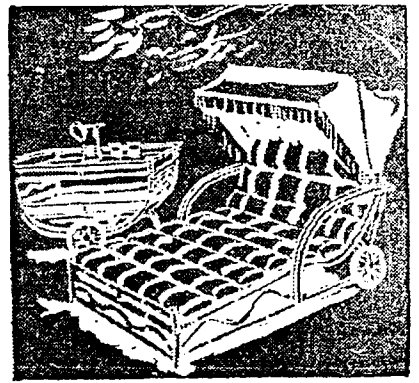

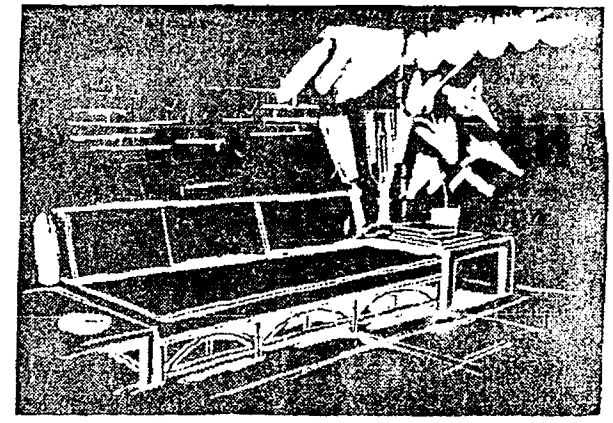

## Summer is the time for terrace living with Ficks Reed rattan Furniture

The terrace is the living room of your summer life. There's where you breakfast on lazy Sunday mornings; relax outdoors, shielded from sun or rain by its awning; entertain your guests in the cool hours of dusk. Your terrace should reflect in an informal way, the comfort and beauty of an indoor room. Happily, Ficks Reed is the kind of furniture that creates this atmosphere. There's comfort in the easy sofas, chairs and chaises—good utility in the versatile tables. There's beauty in the exotic contrast of tangerine fabrics against the natural tropical Rattan. House & Garden shows this unusual furniture in the April issue.

- Be sure to see it in our Lower Floor Terrace Room.

### Drive Chairman Back in Pointe

Alger Sheldon returned on April 8 from a brief vacation spent at his cottage at Palm Springs, California. While there his two sons flew out to spend a part of their Easter vacations with their parents.

Mrs. Sheldon did not return with him but will be back in the Pointe again in a short time.

Mr. Sheldon says that his rest did him much good physically in preparation for the strenuous Memorial Library campaign which will soon be under way. Immediately on his return he met with Owen Skelton who will head the drive campaign, and arranged for a meeting with Mr. Skelton and the other assistants in the drive in his office on Tuesday afternoon.

and Janet Wideman; Sue Spurrier and Sue Cruikshank.

OPEN JUMP: Judy McKeil, Dick Fruehauf, Gloria Roberts, Carol Stewart.

The sixth and final of the series of schooling shows will be held Sunday, May 9. Winners of high points for the entire series will receive championship awards which will be presented during the June Show.

### Robert N. Hess Marries Josephine Wells in Ohio

Mr. and Mrs. Samuel P. Hess of Merriweather road, traveled to Wyoming, O., recently for the marriage of their son, Robert N. Hess, to Josephine Wells, daughter of Mrs. Josephine Wells, of Wyoming.

The afternoon rites were solemnized in the Wyoming Episcopal Church. Samuel Hess, who has his brother's best man, and

his fiancée, Annabel Danhof, were among the Detroiters who attended.

The couple will reside in the Ohio town.

### Juniors at Hunt Club Stage 5th Indoor Schooling Show

Juniors of the Grosse Pointe Hunt Club staged the fifth of their series of six indoor schooling shows Sunday in preparation for the big 37th annual show in June. About 200 members and guests watched the show and remained for the supper following the exhibition.

Scoring was close in all classes and riders and horses showed the results of the intense schooling they have undergone since the New Year's Day show. Juniors will be competing for several fine trophies in the June show, the first day of which is exclusively for juniors from all over the country. Juniors also compete in the regular classes against senior riders, including professional riders brought here by famous stables.

Winners in the various classes were:

NOVICE HORSEMANSHIP: Susan Mulford, Joan Alcie Hill, Virginia McLucas.

HACK CLASS: Hunter division, Nancy Ruedemann, Sue Essington, Gloria Roberts, Dick Fruehauf; saddle division, Sue Carson, Peggy Hatch, Jeanne Vance.

Opening of New Parcels School Delayed Until Fall

Opening of the new Parcels School on Vernier road near Mack avenue will be delayed until September, according to an announcement from the office of the superintendent of schools, John R. Barnes.

School authorities had hoped to occupy the new building early in the present semester. While the building itself is essentially complete at the present time, necessary grading, sidewalks and playground areas cannot be finished for several weeks.

"Less than ten weeks of the current school year remain," said Superintendent Barnes in announcing the postponed opening. "It is our carefully considered judgment that it would be contrary to the best interests of the children to transfer them to a new school building this late in the school year. This is particularly true in view of the fact that conditions outside the Parcels building are such as to make it extremely difficult to operate the school without serious inconvenience and even danger to the children."

Mr. Barnes indicated that the Board of Education and professional staff have from the beginning of the Parcels project been handicapped by conditions in the construction industry over which they had no control. Materials shortages, strikes, labor shortages and low productivity of labor have all interfered with normal progress on the building.

Jacqueline Kay Honored At Luncheon in Canada

Peggy Van Loon was hostess at a recent luncheon and linen shower at Beach Grove Golf Club, Tecumseh, Ont., which honored bride-elect Jacqueline Kay, daughter of the Sylvester P. Kays of Three Mile drive. Jacqueline will become the bride of William Bass on May 1.

Shower guests included Mrs. Eldred Bass, Mrs. Sylvester Kay, Mrs. Robert Bacon, Mrs. Arthur Bodeau, Marion Wilberding, Mrs. Sydney Terry, Mrs. Richard Schrage, Jan Savery, Betty Bass, Pat O'Keefe, Mrs. Bernard Schroll and Mrs. John Bailey.

Tea Will Honor New York Guest

Mrs. Zola Woodford Schroeder opened her home in Bishop road to an afternoon tea Tuesday, given by the Detroit Federation of Women's Clubs, of which she is president.

Mrs. William A. Hudson is general chairman for the tea. Ticket chairman is Mrs. John Collins.

Busy Spring Vacation For Betty Ann Beaufait

The Easter holidays were very exciting for Miss Betty Ann Beaufait who spent four days in Havana. Betty Ann made the trip on the S. S. Florida with Romayne Schloss of Cleveland and Gloria McPhillips of Memphis, also a student at Barry College in Miami. While in Havana the girls stayed at the beautiful Hotel Nacional.

Returning to college, Betty Ann was busy getting ready for the Water Ballet which was held April 8 in the pool on Barry College Campus.

# Society News Gathered from All of the Pointes

## From Another Pointe of View

by Jane Schermerhorn

A letter in our mail . . . Asks us if we don't think 1948 has been a tough year on heireses . . .

Having special reference to the domestic difficulties of local girls whose divorces have been shot out over the wire services since the first of the year . . .

Namely . . . Frances Dodge who received her divorce from Jimmy Johnston last week in Pontiac . . .

Peggy Seyburn . . . reported to be in Reno . . . dissolving legal ties with Eddie McIlvain . . .

And Anne Kresge . . . who was granted a divorce on the West coast this week from Jimmy Breckenridge . . .

LOOK ABOUT YOU

Judging from the news stories . . . we can easily conclude . . . that it hasn't been a particularly happy year for the "heireses" . . .

But a chronicler of life in the rare-fied regions of High Society . . .

Can only hope . . . that maybe the three girls named will return to Detroit to make their homes . . .

All were exceedingly popular here . . . and all make very good copy . . .

THE DOCTOR SAYS . . .

We re-print from Time magazine . . . for your digestion: "Social climbing is something the doctors specifically warn against: 'We have been able to show that among patients with chronic diseases in general, with duodenal ulcers and with thyroid disorders there is an unusual number of social climbers and strainers, that is, persons who want to improve their social status.' Duodenal ulcers . . . it isn't worth it!"

IT'S MAY PARTY TIME

Always at this time of year . . . society finds itself concentrating on likely young women . . .

One of whom will win the single honor of leading the grand march for Miss Annie Ward Foster's annual May Party . . .

It is tradition, too . . . to keep us in suspense for a time . . . for we have no doubt that Lady Anne knows right this second . . . just which Darling of Society will own this social plum . . .

And prominent participants will be members of the senior classes of Grosse Pointe High School . . . Grosse Pointe Country Day . . . Liggett . . . the Sacred Heart Convent . . . and Kingswood . . .

A MAY QUEEN

All of which reminds us that one of the best known "May Queens" was a senior at Liggett School . . .

When she was the graceful first figure of the thrilling march . . . We mean . . . Mrs. Edsel Ford . . .

Who was then Eleanor Clay . . .

PALESTRINA PATRONS SOUGHT

You'll find much talk at the Pointe this week . . . about the Palestrina Institute . . .

And that's because a number of Pointers have been asked to become patrons of the school at Sacred Heart Seminary on West Chicago . . . where for the past five years . . . lads have been trained to become organists and choir directors in the Churches of the Archdiocese of Detroit . . .

His Eminence, Edward Cardinal Mooney, founded the Institute which is directed by Father Edward J. Majeske . . .

Mrs. Otis U. Walker of Balfour road heads the Grosse Pointers who are helping to enroll patrons for the school (a reed organ is needed and thus the fund campaign) . . . Margaret Daly is another Pointer hard at work . . .

Incidentally . . . the first graduating class . . . will be heard in recital at the Art Institute Auditorium on the evening of April 22 . . .

Other members of society who are aiding this worthy cause include:

Mrs. Philip A. Hart . . . Mrs. A. J. Bopp . . . Miss Mary Rudd . . . Mrs. Lawrence Kroha . . . Mrs. Eugene Gargaro Jr. . . and Miss Patricia McCarthy . . .

DR. and MRS. J. STEWART HUDSON of Lothrop road arrived home Saturday from Palm Springs, Calif.

Her daughter, MRS. ALBERT CRAIG, JR. (Sybil Smart) of New York, and granddaughter, LEE, are guests in the Roosevelt place home of MRS. LEWIS LEE SMART. Sybil will be maid of honor Saturday when SALLY DUFFIELD marries MORTON MCGINLEY.

Jacksonville, Enterprise and Orlando, Fla. are marked for stops by MRS. ELWOOD BAYNE of Harvard road and her sister, MRS. ALPHA KLING, of New York, who left together Friday.

MRS. EDWARD GRAY of Bedford road, accompanied by ANNE MCGUIGEN, also of Bedford road, left Monday for California.

The birth of a son, JOHN CARSTEN, JR., on April 5 is announced by MR. and MRS. JOHN C. CHAPIN (Jane Deacon) of Ford court.

DOROTHY DUNCAN left her home in Elm Court Sunday to return to music school classes at the University of Michigan.

Christ Child Society members have scheduled an April 30 donation tea, to be held in the Lincoln road home of MRS. E. LLWYD ECCLESTONE. Co-chairmen will be MRS. JAMES CAMPBELL and MRS. FREDERICK CAMPBELL.

MR. and MRS. CHARLES B. CROUSE of Provençal road are in Utica, N. Y., as guests of Mr. Crouse's mother, MRS. WILLIAM B. CROUSE. The Pointers returned home with the senior Mrs. Crouse, who had been visiting them for a 10-day period.

From Venice, Calif., has come MRS. ROBERT W. STANDART, who will spend part of the next month with her son-in-law and daughter, MR. and MRS. DAVID M. WHITNEY, JR., of Muskoka road.

LOUISE FLETCHER has gone back to classes at Briarcliff Junior College, after spending the spring holidays with her parents, the CHARLES H. FLETCHERS of Vendome road.

MRS. C. HASCALL BLISS of Beverly road and her daughter, BETTY, a student at Briarcliff Junior College, spent the week-end together in New York. MR. BLISS is in Baltimore, Md.

While they were in Florida, MR. and MRS. H. MURRAY NORTHROP of Three Mile drive made a point of getting over to Miami Beach for a week-end with the HARVEY C. FRUEHLAUFES.

MRS. ROBERT O. ARTNER of Kerby road acted as hostess Monday, when members of the Junior committee of Louisa St. Clair Chapter, DAR, met in Newberry House.

With her daughter, JOAN, MRS. THOMAS W. NORMILE of Devonshire road spent a week at the Hotel Greystone in the Great Smokies.

Back from two weeks at Vero Beach, Fla., are MR. and MRS. A. J. WETTLAUFER of Lincoln road, and their daughter, CAROL.

MR. and MRS. CHARLES GETTLER of Whittier road had as their house guests for two weeks their son-in-law and daughter, MR. and MRS. PHILIP C. MAN-KER, of Chicago, Ill.

MR. and MRS. JOHN H. FRENCH of Lake Shore road are home after an extended stay in Florida, which included stops at Miami Beach and Ormond Beach.

Enroute to her Edgemont Park home from a two months' stay at the Deep Well Ranch at Palm Springs, Calif., MRS. LEAVITT JAMES BULKLEY made a stop in St. Louis to visit her son-in-law and daughter, MR. and MRS. WILLIAM W. WOTHERSPOON.

Among the Pointe contingent home after Fort Lauderdale vacations are MR. and MRS. CARL STEBBINS of Moran road and the ARTHUR J. PEACOCKS of Cadieux road.

Guests of the GEORGE M. HOLLEYS in the Provençal road home last week were their daughter, MRS. PHILIP G. KUEHN, and her two children. MR. KUEHN came from Milwaukee on the week-end to escort his family home.

MRS. EMMETT F. CONNELLY, of Ridge road and her daughter, MOLLY, are enjoying the memories of their recent 10-day motor trip through Virginia, Maryland and Washington.

## Nancy Macpherson To Wed Robert Gray

Other Pointers Make Spring Romantic News; Robert Behr to Marry Margery Ann Peters; Kathleen Badertscher's Betrothal Told

Spring and engagement rings are strolling hand in hand through Grosse Pointe, as new names are added each week to the list of brides-to-be. Latest troth told was that of Nancy Macpherson and Robert M. Gray.

Nancy's parents, Mr. and Mrs. A. D. Macpherson of Meadow Lane revealed the engagement Saturday night at a party in their home. Robert is the son of Mrs. John W. James, of New Philadelphia, and the late William F. Gray.

Announcement is made by Mrs. Eleanor Peters of Kirby avenue east of the betrothal of her daughter, Margery Ann, to Robert M. Behr, whose parents are Mr. and Mrs. Fred A. Behr of Colonial road.

Mr. Behr, who graduated from the University of Michigan, was a member of Delta Kappa Epsilon fraternity. The couple have made plans for a May 22 wedding.

Kathleen Badertscher is the bride-elect of Walter Karkenko, her parents, Mr. and Mrs. Paul G. Badertscher of Madison road, have revealed. He is the son of Mrs. Julia Karkenko of Burnside avenue.

Mr. and Mrs. E. E. Gieche of Notre Dame avenue have announced the engagement of their daughter, May Elizabeth, to Harold E. Grunewald, son of A. C. Grunewald of Fisher road.

Mr. and Mrs. Lester Woerfel of Seyburn avenue announce that June 12 is the date of the coming marriage of their daughter, Lois Olive, to Allan Frank Meissner. Mr. Meissner is the son of Mrs. Franz Meissner of Bishop road.

### Sally Duffield Honored at Tea

Bride-elect Sally Duffield was honor guest last week at a tea and kitchen shower given by Mrs. Charles H. Hodges, Jr., and her daughter, Mrs. E. Scott Rumley, in Mrs. Hodges' Kenmore road residence. Sally will marry Morton McGinley, of Baltimore, on Saturday.

Mrs. George Bethune Duffield, Mrs. Frederick Duffield and Mrs. Henry Duffield were among the shower guests. Others present were Helen Posselius, Betty Claire Plaggemeyer, Mrs. Edward J. Posselius, Mrs. Harry W. Plaggemeyer, Mrs. Seaborn R. Livingston and her daughter, Helen.

Also present were Mrs. Longyear Palmer, Mrs. Cleveland Thurber, Mrs. Wilfred V. Casgrain, Mrs. Lewis L. Smart, Mrs. Richard M. McKean, Mrs. Wylie W. Carhart, Jr., and Mrs. John S. Sweeney.

### Cleveland Thurber, Jr.'s Daughter Christened

Cleveland Thurber, Jr., arrived home from Williams College at Williamston, Mass., last week for the christening of his baby daughter, Elizabeth-Mary King Thurber, at St. Paul's-on-the-Lake.

Father Joseph Bohr officiated at the ceremony and Mary Louise Hurley was godmother. Elizabeth-Mary was born on March 17.

The baby's grandfather, David O. Hamilton, was host at tea for members of the family in his Beverly road home following the ceremony. Until Mr. Thurber graduates in June, Mrs. Thurber with Cleveland III and the new baby, will remain with Mr. Hamilton.

### Fords to Give Cocktail arty

Celebrating their fifth anniversary on April 17, Mr. and Mrs. Frederick S. Ford, Jr., of Balfour road will entertain about 150 friends at a cocktail party in the Windmill Pointe drive home of his parents, Mr. and Mrs. Frederick S. Ford.

Mrs. Ford's parents, Mr. and Mrs. Ernest Brier, and her sister, Dede, will be among the guests. Members of the wedding party who will be present include Carrie Jane Hubbell, Mrs. Hugh Martin, Jr., and Bud Potter.

**Dog Objects as Child Chases Him from Yard**

As seven-year-old Daniel Korte, of 1440 Maryland, was driving a dog out of his yard on April 8 the animal turned on

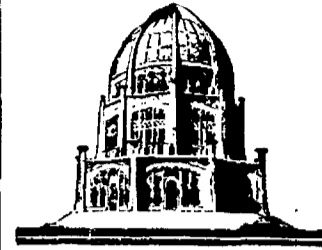

him and bit him severely on the hand. The dog looked like a part German police dog. It was found by the police to belong to a family residing at 1434 Wayburn. The child's parents were asked to take him to a doctor and report later to the police.

### Reroute Traffic For Wider Mack

The NEWS, in a talk with J. L. Wehmeyer, Safety and Traffic Engineer with the County Road Commission on Monday regarding the reported blocking of a part of Mack avenue during the road widening operations, obtained the following authoritative information:

There will be no ingress or egress from Rivard to Mack as had been previously stated. Instead Mack will be blocked off from Neff to Washington.

Buses will be routed from Mack on Neff to Charlevoix, thence east on Charlevoix to Washington and back to Mack. Private vehicles, i.e. all except buses, will leave Mack at Cadioux to Charlevoix, thence east on Charlevoix and turning back to Mack at Lincoln or some street farther on.

An alternative route for private traffic will be to turn north on Cadioux into Detroit through to Warren and thence on Warren to Mack near Kerby. This routing is made necessary because the entire pavement will have to be torn up between these points from curb to curb. The driveway will be two 36 feet paved roads separated by a parkway varying from 6 to 10 feet.

Answering a query as to how long this road blockage would continue, Mr. Wehmeyer said the contractor had promised to have this portion of the pavement finished in 30 days, barring accidents or floods.

It was obvious from his conversation however that he thinks

Some of them have stated it will practically put them out of business for the duration of the blockage.

A group of businessmen so affected intend to start proceedings for an injunction, it is reported.

it will be nearer six weeks than four before the pavement is finished.

There has been much discontent expressed by business men on the Detroit side of the avenue who are seriously affected by this disruption of the street.

### Park Approves Softball Field

Fifteen residents living in the neighborhood of the city-owned plot at the foot of Thyme Mile drive between Grand Marais and Bedford, petitioned the Park Council on April 12 to provide two baseball diamonds on the plot.

The plot is owned by the Park Village, via State Tax Land Board sales for unpaid taxes. It is a substantial plot with about 450 feet frontage on Essex and with a depth of about 1000 feet.

There is ample room for two diamonds for the local youngsters. The petitioners obviously wanted it for their children.

The petition led to a lively discussion by the Board. President Fritsch expressed the opinion that he would think the residents thereabouts would prefer to have the village subdivide the tract making it available for attractive homes rather than to be used for a couple of noisy baseball diamonds.

It was finally decided to provide one soft ball diamond. It was the consensus that a hard ball diamond would constitute a threat to all of the plate glass in the neighborhood. The soft ball diamond moreover will be provided only on a temporary basis, subject to recall at any time.

Meanwhile a committee has been named to look into the disposal of the tract, presumably for residential development. The committee consists of Commissioners Goddard and Gillett and Village Attorney Heftler.

**For Summer Beauty and Comfort**

Summer days will soon be here again—days when, rain or shine, you'll be spending most of your leisure on that porch or terrace. Your outdoor living quarters should have all the comfort and beauty of an indoor room. Ficks Reed rattan furniture, now at Haydon House on Kercheval, has the happy faculty of creating just such an atmosphere. There's beauty too in the new tangerine fabrics against natural tropical bamboo. Be sure to stop in at Haydon House and view the displays in its lower floor terrace room.

## Haydon House Offers Answer For Gracious Outdoor Living

Haydon House has grabbed the spotlight in the Detroit Metropolitan area for fine summer furniture. This Pointe concern, quartered in its beautiful new building at Kercheval and St. Clair, is mentioned in the April issue of House and Garden as an outstanding center for "musts" for gracious summer living.

A visit to the magnificent display of terrace, lawn, porch and yard furniture and appurtenances, being shown in the lower floor Terrace Room of Haydon House, will convince any prospective buyer that he has at last found the place to fill his needs and fulfill his fondest wishes.

The Pointe is just coming into its finest season of the year. Just ahead are the months when Pointers spend most of their time outdoors. Beautiful and useful furniture multiplies the enjoyment of the summer months.

Whether the need is for furniture and accessories for lawn, porch, terrace or beside the swimming pool, Haydon House has the answer. Among its outstanding offerings this spring is the complete line of famous Ficks Reed rattan furniture. There is comfort in the easy sofas, chairs and chaises, utility in the lovely tables and beauty in the exotic contrast of tangerine fabrics against the natural tropical rattan.

Now is the time to get ready for those lazy Sunday breakfasts on the terrace or the lawn, those cool hours at the close of the day. Americans have come a long way in developing the art of gracious outdoor living. Haydon House offers new inspiration for its complete enjoyment.

In addition to the Ficks Reed furniture, this establishment carries every conceivable accessory for comfort and pleasure in the open. Lounge hammocks, lawn chairs, barbecues, portable bars, sunning pads, tables for every use in every location, lawn umbrellas, glassware, hooded chairs and chaises, serving trays, are but a few of the seemingly endless display of summer things in the Terrace Room.

There are wrought iron creations, lamps, porch rugs, aquaria, aluminum accessories, consoles, sectional pieces, picnic tables, gliders, bamboo blinds, plant brackets, lauhala matting, wood-weave screens and many, many fabrics for slipcovers and hangings.

For an eye-opener on what is new for summer living, drop in at Haydon House.

### PROPOSAL TO AMEND BUILDING ZONE ORDINANCE

#### Notice of Public Hearing

The Village Commission of the Village of Grosse Pointe Park has proposed certain amendments to the Building Zone Ordinance; the text thereof is set out below. The Commission will meet Monday, May 3, at 8:00 p. m. in the Municipal Building at 15115 E. Jefferson for the purpose of holding a public hearing on these proposals, with a view to adopting the same, subject to such changes (limited to the same subject matter) as may be developed at the hearing.

William G. Stamman,  
Village Clerk.

#### TEXT OF PROPOSED AMENDMENT

1. Section III of said Building Zone Ordinance is proposed to be amended by adding at the end thereof a new paragraph (H) to read as follows:

(H) Except as expressly permitted in this paragraph, no business, trade or occupation shall be considered as an accessory use incidental to a residence, or shall be carried on in a residence district. Subject to the following limitations, a doctor, dentist, architect, engineer, lawyer, or similar professional person, may maintain an office in his home, as an accessory use of residence, and carry on the practice of his profession in a residence district provided that: (1) No other person assists in such practice (except that a doctor or dentist may have one nurse or one receptionist); (2) The professional activity is limited to an office for usual office work and for consultation with clients, and, in the case of doctors or dentists, out-patient treatment; (3) The floor area set aside for such activity shall not exceed more than 400 square feet nor more than 20 per cent of the total useable floor area of the residence; and (4) The activity shall not be carried on in a structure separate from the residence, nor in a wing of the residence unless at least one-third of the wall of such wing is common to the remainder of the residence.

2. Said Building Zone Ordinance is proposed to be amended by adding a new section titled Section III (1), Off-Street Parking Facilities, to read as follows:

#### SECTION III (1) OFF-STREET PARKING FACILITIES

(A) GENERAL PRINCIPLE. In order that the streets may serve their primary purpose of affording a means of travel, the owners or occupants of property shall provide off-street parking facilities adequate to meet the parking demand generated by the use to which the property is put. Such parking facilities shall conform to the standards prescribed in the following paragraphs.

(B) PARKING FACILITIES IN CONNECTION WITH DWELLING USES. Property used for dwelling purposes shall have provision for off-street automobile parking facilities as follows:

- (1) In the Residence A District, there shall be provided on the premises; a minimum of two parking spaces per family.
  - (2) In districts other than the Residence A District, there shall be provided on the premises; a minimum of one parking space per family.
- Such parking facilities shall be in the form of drive-ways, garages, or a combination thereof, and shall be located on the premises. The parking facilities shall be located in back of the required front yard, or, if in a district where no front yard is required, then ten feet back of the front lot line.

(C) PARKING FACILITIES IN CONNECTION WITH NON-DWELLING USES. Property used wholly or

partly for non-dwelling purposes shall, unless determined otherwise by the Board of Appeals, have provision made for free off-street parking facilities as follows:

- (1) Where the use involves a building, off-street parking space for employees and patrons in area equal to two-thirds of the ground coverage of the building shall be provided.
- (2) Where the use does not involve a building, the required off-street parking space shall be an area equal to one-third of the area devoted to that use.
- (3) Theatres, auditoriums and the like shall provide parking space adequate to accommodate one automobile for every five seats.
- (4) Churches shall provide parking space adequate to accommodate one automobile for every ten seats.
- (5) Where a combination of uses is involved, the required parking space shall be determined by prorating on the foregoing basis.
- (6) Parking lots required under this paragraph shall be provided where possible, on or adjacent to the premises, and in any case shall be within four hundred feet thereof. Required parking lots may be provided jointly by separate users. Where possible, access shall be provided from minor streets and alleys.
- (7) Parking lots shall have a ten foot set-back from the front lot line, except that where the parking lot abuts or is in a residential district, the set-back shall conform with the front yard of such residential district. Where a parking lot is in or abuts a residential district, it shall have a buffer strip of not less than ten feet. Where not occupied by buildings, such buffer strip and residential front yard shall be landscaped with permanent material to provide a suitable screen.
- (8) Parking lots shall be bounded by a low masonry wall, shall be properly drained, shall be surfaced with dustless, non-glare material and shall be adequately but unobtrusively lighted.
- (9) Commercial buildings or uses shall provide off-street parking facilities for loading and unloading of commercial and service vehicles adjacent to service entrances and to permit passage of vehicles in the alleys.
- (10) Uses existing on April 12, 1948 and not then having parking facilities equal to that required above, shall not be required to provide parking facilities in order to continue such existing use. If the building is enlarged or the use extended, parking facilities shall be provided doubly commensurate with the amount of enlargement or extension involved until thereby the parking facilities required for the entire use have been provided.

#### (D) MODIFICATION OF PARKING REQUIREMENTS.

The standard set forth in paragraph (C) above shall be a prima facie requirement. The Board of Appeals may reduce or eliminate the parking requirements of paragraph (C), or may do so subject to appropriate conditions, in any case where the Board of Appeals determines after a hearing that such requirements are clearly excessive or unduly burdensome for any of the following reasons: the use of the property will generate relatively little parking demand; public owned parking facilities have been provided nearby; suitable arrangements have been made for sharing parking space by two or more users whose parking demands occur at different hours; no economic use of the property can otherwise be made and no other property is available nearby for the provision of parking space. The decision of the Board of Appeals shall be final. Where the Board of Appeals reduces the parking requirements, such decision shall automatically lapse if the building is not under way within six months after the date of the decision or if the building, once under way, is not diligently prosecuted to completion.

#### (E) DESIGNATION AND MAINTENANCE OF PARKING FACILITIES.

Parking facilities shall be clearly shown on the plans filed with the Village. Such parking facilities shall be constructed and maintained as shown in the plans and shall not be discontinued unless the parking requirements are reduced by the Board of Appeals in the manner provided in paragraph (D). Where the parking facilities are not on the same premises as the use to which they pertain, or are under different ownership, or where one parking facility serves two or more uses, the Village may require appropriate recordable instruments whereby third parties will have notice that the property is committed to parking facilities under this Ordinance.

#### 3. Section IV, paragraph (F), of said Ordinance is proposed to be amended to read as follows:

(F) AREA. In a Residence A District no dwelling shall be erected or used on any lot having an area of less than 7200 square feet for each family housed thereon; except that this shall not prevent the use for one family of any lot existing and of record on February 27, 1928, and having an area of less than 7200 but not less than 5000 square feet.

#### 4. Section V, paragraph (A), of said Ordinance is proposed to be amended to read as follows:

- (A) USES. In a Residence B District no building or premises, except as otherwise provided in this Ordinance, shall be erected or used except for one or more of the following specified purposes:
  - (1) Any use permitted in a Residence A District.
  - (2) Two-family dwellings including two-family terraces.
  - (3) Public hospitals, schools (other than public schools), and convents, homes, dormitories and other multiple dwellings of like character occupied or to be occupied more or less permanently by not more than twenty persons (but not including penal or correctional institutions, hospitals other than public hospitals, institutions for the care of the feeble minded or insane), only when

permitted by the Board of Appeals as specified in Section VII (F).

- (4) Community garages when permitted by the Board of Appeals as specified in Section VII (F).
- (5) Accessory uses customarily incident to any of above permitted uses, and including private garages, signs, and dwellings for domestic employees as specified in Section IV A (4).

5. Section V, paragraph (G), of said Ordinance is proposed to be amended to read as follows:

(G) For the purpose of fixing minimum lot areas, the Residence B District is divided into a sub-district west of Trombley Road and a sub-district east of Trombley Road; the minimum lot area in each of the sub-districts is as follows:

- (1) In that part of the Residence B District east of Trombley Road no single family dwelling shall be erected or used on any lot having an area of less than 5000 square feet, and no two-family dwelling shall be erected or used on any lot having an area less than 7200 square feet.
- (2) In that part of the Residence B District west of Trombley Road no single family dwelling shall be erected or used on any lot having an area of less than 3000 square feet, and no two-family dwelling shall be erected or used on any lot having an area of less than 5000 square feet; except that this shall not prevent the use for a two family dwelling of any lot existing and of record on April 12, 1948 and having an area of less than 5000 square feet, but not less than 4000 square feet.
- (3) Convents, homes, dormitories and other multiple dwellings of like character when permitted in the Residence B District shall have a minimum lot area on the basis of 3000 square feet per family; each five persons intended to be housed therein shall be deemed the equivalent of one family.

6. Section VI, paragraph (A), of said Ordinance is proposed to be amended to read as follows:

(A) USES. In order that the Village may remain strictly a suburban residential community, business and commercial uses of property are limited to those inoffensive, non-congestive uses which directly support residential activities and demands, and which by reason of necessity or great convenience must be located within or close by dwelling areas which they serve—all as more specifically set forth below:

- (1) USES PERMITTED.—In the Business District no building, structure or land shall be used, and no building or structure shall be hereafter erected or structurally altered for other than the following uses:
  - (a) Uses permitted in the Residence B District, provided that the limitations of that district are observed.
  - (b) Public buildings, properties and facilities.
  - (c) Public service, telephone, telegraph and passenger transport buildings, but not including storage facilities.
  - (d) Schools, hospitals, medical and dental clinics, convents, and dormitories or similar dwellings.
  - (e) Parish houses, community buildings and clubs.
  - (f) The executive or administrative offices or departments of professional, philanthropic, commercial or other lawful activities. Real estate offices.
  - (g) Theaters and other places of amusement and recreation conducted primarily for the residents of the locality.
  - (h) Mercantile establishments for the sale of goods at retail, conducted primarily for the residents of the locality.
  - (i) Neighborhood bakery.
  - (j) Bank or financial institution.
  - (k) Barber or beauty shop.
  - (l) Business or Commercial School or College.
  - (m) Catering establishment.
  - (n) Conservatory or dancing academy.

- (o) Dressmaking or millinery establishment.
- (p) Electrical repair shop.
- (q) Dyeing, cleaning or laundry establishment primarily for local service.
- (r) Club or lodge hall.
- (s) Messenger or telegraph service station or telephone exchange.
- (t) Florist shop.
- (u) Painting and decorating shop.
- (v) Parking lot for passenger automobiles.
- (w) Plumbing shop.
- (x) Post Office.
- (y) Print Shop.
- (z) Public garage for auto sales, service and repair, or automobile service station where 200 ft. or more from a school, hospital, church, or community building. Such garage or service station shall be primarily for the residents of the locality.
  - (aa) Restaurant or cafe.
  - (bb) Sales or show room.
  - (cc) Shoe repair shop.
  - (dd) Studio.
  - (ee) Tailor shop.
  - (ff) Undertaking establishment.
  - (gg) Upholstering shop.
  - (hh) Tin shop.
  - (ii) Electric shop.
  - (jj) Speedy car wash (if set back 25 ft. from public thoroughfare).
  - (kk) Health studio.
  - (ll) The repair, conversion, alternation, finishing, assembling, servicing, fabrication otherwise processing or storage of goods primarily as a custom service to residents of the locality or for sale at retail on the premises, provided the foregoing are incidental to the retail function when not a custom service. There shall not be in connection therewith any operation of machinery or the conduct of any process or activity, the display or storage of goods or facilities in such a manner as to be noxious or offensive by reason of odors, fumes, dust, smoke, waste, vibration, noise, sparking, lighting, advertising or manifest unsightliness.

(mm) Uses similar to those above enumerated, provided the Board of Appeals shall have made a finding, that such use is in fact similar.

(2) USES GENERALLY PROHIBITED. No uses which are principally manufacturing, warehousing or commercial use principally for consumption outside the community, or related uses will be permitted in this district.

(3) USES SPECIFICALLY PROHIBITED. None of the following types of uses nor any similar thereto shall be permitted: storage yards, stone yard or monument works, construction contractors plant or storage yard. Carting, express, or dray storage yard. Public storage garage or repair garage established primarily for automobile body or fender repair shop. Commercial storage yard. Open display uses, including unenclosed garden, fruit, nursery and similar open air markets. Machine shop. Ice plant or storage house. Wholesale laundry or cleaning establishment not primarily a local service. Bottling works. Wholesale distribution center based on truck terminal facilities. Any type of manufacture or treatment other than the manufacture or treatment of products clearly incidental to the conduct of a permitted retail business conducted on the premises.

7. Section VI, Paragraph (G) of said Ordinance is proposed to be amended to read as follows:

(G) AREA.—In a Business District no dwelling shall be erected or used on any lot having an area of less than three thousand square feet for each family housed thereon.

The common purpose of Unitarians is the constant search for those spiritual truths that set all men free. Unitarianism is the religion of faith in man, or the kingdom of heaven upon earth. Unitarians believe that one's church should concern itself with getting Heaven into men, not men into Heaven. The Unitarian Church does this.
