

Pointers Killed When Car Crashes Train in Canada

Four Die in Tragic Accident Near Kincardine; Three Life-long Pals and Sarnia Girl Victims of Tragedy

Residents of Grosse Pointe were shocked Saturday morning, August 7, on learning of the tragic death of four young people living in this community or well known here, in an auto-railroad accident early that morning near Kincardine, Ontario.

They were Francis M. Slater, Jr., 23-year-old son of Mr. and Mrs. F. M. Slater, of 1347 Audubon; Daniel Leithauer, 21, son of Dr. and Mrs. D. J. Leithauer of 847 Whittier; Norma Ferguson, 19, of Sarnia, Ont., and Robert Pippier, 24, of St. Petersburg, Florida, a former Grosse

Pointer, who had been visiting the Slater family.

The exact details of the accident are not known as there were no survivors. Just who was driving the car when it crashed into the middle of a moving Canadian National Railway passenger train near Kincardine, about 150 miles north of Detroit, is not known. Skid marks showed the driver had tried frantically to stop before crashing into the train. The three youths, who made the trip often, were in the habit of spelling each other.

The party had left the Pointe about 5 Friday afternoon for Barrow Bay of Georgian Bay, and the summer home of Dr. and Mrs. John C. Porter of 966 Lincoln road, Grosse Pointe. Miss Ferguson was a friend of Dr. Porter's son, Jack.

Slater's wife, the former Patricia Sayles of Hamilton, Ont., whom he had married last fall, was waiting for him at the Porter cottage until 3 a.m., when she returned to her parents' home at nearby Lion's Head.

The young Slaters had had their wedding reception at the Porter cottage following their marriage last year.

The accident occurred shortly after 12 midnight, some 75 miles from their destination. They had been expected to arrive at the Porters' about 1 a.m. Dr. Porter checked with the provincial police shortly before 3, but the station he called had had no report of the accident.

It was not until after 7 Saturday morning that the Porters learned of the tragedy. The provincial police had notified the Michigan State police, who got in touch with the Grosse Pointe Park police. They contacted Mr. Slater here and he in turn notified Dr. Porter.

Dr. Porter told the NEWS that in 20 years of driving he had never seen a train on that spur track until last week. Only a couple trains per day use the track and the particular one

which the Pointe car struck was running late.

Dr. Porter described the crossing as a very dangerous one. It lies in a depression behind a knoll and the only warning is a crossarm which cannot be seen until a car is directly upon it. Another car which approached the crossing shortly after the accident, had to take to a ditch to avoid hitting the train. None of the occupants was seriously injured.

Three other persons had been killed at this same crossing at night last year, and there had been another previous fatal accident there, Dr. Porter told the NEWS.

Leithauer was driving when they left the Pointe, but the car developed motor trouble near Port Huron. After temporary repairs were made they decided to drive back to the Pointe and get Slater's car.

The three young men had been friends since early boyhood. Slater and Pippier were graduated together from Grosse Pointe High School. Leithauer was a graduate of Cranbrook Academy.

Slater served for three years as a paratrooper and was wounded in the landing at Leyte. Since his discharge from service he had been working as a salesman for his father's firm, the F. M. Slater Saw Co.

Leithauer was a veteran of the Italian campaign and served as a technical sergeant in radio. Pippier had been in the Navy.

Funeral services were held for young Leithauer at 10 Tuesday morning in St. Clare de Montefalco Church in Grosse Pointe Park. Burial was in Mt. Olivet Cemetery.

Services for Pippier were conducted at 10:30 a.m. Tuesday and burial was in Forest Lawn.

Services for Slater were held at 3 p.m. Tuesday and burial was in White Chapel Cemetery.

Lieut. Col. R. M. Lockhart In Training at Grayling

Lieut. Col. Ralph M. Lockhart of 1762 Allard road, Grosse Pointe Woods, has been training with the 103rd Infantry Division at Fort Riley, Kan., during July. He will also train with the 46th Infantry Division at Camp Grayling during August. He is a signal officer with the 21st Armored Division.

Police "Watch Lists" Show Summer's Exodus at Peak

Judging by the number of householders who are requesting the police to place their homes on the "watch list" while they are away from home, there is an unusual exodus of Grosse Pointers under way at this time.

The sergeant at the Park station put eight such places on the list in one forenoon last week and on August 6 the City police put ten on their list in a single day.

As the summer advances, this exodus increases steadily until about the last ten days of August, when there is a sudden drop among the vacation absentees. This does not include the annual mass exodus which takes place over the Labor Day weekend, which is the last fling at a short vacation for the year.

August seems to be the great vacation month. Many who had probably decided to forego a vacation during the summer by that time feel the need of a week or two of rest and leave for a suddenly unscheduled vacation.

Chief Louwers said that in the Park they have a daily average during the latter half of the summer of about 80 homes on their "watch list."

The police in all the Pointes make this supervision of vacant homes as thorough as possible. The experience is that the number of empty homes that are molested are a very small proportion of the total for which the police assume responsibility.

The police request that when the occupants return they promptly notify them. Too many neglect to do this thus adding to the police burden of this extra service.

Grosse Pointers are known for the wide range of their vacation

Park to Repair Many Streets

The Park is about to inaugurate an extensive program of seal coating a number of its streets. At the Council meeting on August 9 a contract was let, at the recommendation of Manager Everett Lane, to the Cadillac Asphalt Paving Company to do the work.

The streets covered by the contract are Windmill Pointe drive from Alter to Bedford; Middlesex from Essex to Windmill; Beaconsfield from Jefferson to Holly place; Balfour from Mack to Kercheval; Somerset from Mack to Vernor Highway; Bedford from Jefferson to Kercheval and Grayton from Bishop to Kercheval.

The total contract aggregates \$21,266.

Mr. Lane stated that in addition to the streets covered by this contract it was the intention of the village to treat and repair several other streets with the village's own labor. The extent of this work will depend on the funds available in the budget.

Woods Lifts Swim Ban

Council Approves Opening of Beach Waters; Health Officer in Charge

The Woods village council at the meeting August 3 voted to open the lakefront park for swimming the remainder of the season, provided that at all times the swimming privilege should be subject to the orders of the township health officer.

Dr. Davies has banned the beach swimming during most of the present season up to now, but it is understood that recently the water has been sufficiently cleared of pollution to make it safe for swimming.

This is the first time the Woods pool has been open to swimming since the plot was acquired from the Edsel Ford estate and formally dedicated as a municipal park.

Dr. Davies, Grosse Pointe Health Commissioner, has felt that continued pollution of the pool was too marked to officially declare it fit for bathing until this past week.

REVISED BANKING HOURS

ADDED WEEK-DAY BANKING HOURS :-: SATURDAY CLOSING

Effective Week of August 16, 1948

Mondays through Thursday 8:30 a. m. to 3:00 p. m.

Fridays 8:30 a. m. to 6:00 p. m.

Saturdays No Business Transacted

NATIONAL TREND **SATURDAY CLOSING** **MORE HOURS**

The increasing acceptance of Saturday closing by corporations and institutions throughout the country, including banks in many major cities, has been closely studied and the results analyzed by the banks in this area for the past several years.

With your cooperation, the Grosse Pointe Bank believes that the resumption of regular daily banking on Wednesdays (8:30 a. m. to 3:00 p. m.) and the extension of banking hours to 6:00 p. m. on Fridays will permit the discontinuance of Saturday banking. These changes will become effective for the week of August 16th and Saturday, August 21st will be the first Saturday closing.

We believe the adoption of this policy will be as satisfactory in Grosse Pointe as it has been in other cities throughout the country.

Pointe P. O. Gets Postage Meter

The Grosse Pointe postoffice installed a Pitney-Bowes postage meter on August 5. The machine is used for stamping packages and parcels, operating in the same manner as the ordinary stamping machine used by private business places for affixing postage to first class matter.

Mr. Lindow, the superintendent of the local office, says the machine will greatly expedite the mailing of parcel matter and will prove a boon to the office, especially during the Christmas rush of mail, when the Grosse Pointe office handles an enormous volume of outgoing packages.

Pointer Trains On Navy Carrier

Midshipman Richard Morley Flanagan, USNR, son of Mr. and Mrs. Daniel J. Flanagan, of 776 Trombley road, Grosse Pointe Park, is participating in the two month Naval Reserve Officers' Training Cruise aboard the aircraft carrier USS Princeton.

The midshipman reported aboard the carrier in San Francisco, Calif., and departed for the Hawaiian Islands, June 26. During the week spent en route to the islands for ten additional days the midshipman underwent intensive training.

True Hawaiian hospitality was extended to the visitors when Hawaiian bands and hula girls greeted the ship with "Alohas" and entertainment in port. Parties, dances and tours of the islands were conducted to provide a welcome break for the future reserve officers.

After departing from Pearl Harbor, the "Princeton" was to proceed to San Diego, Calif., to participate in amphibious operations and training exercises. The midshipman is scheduled to return to San Francisco, Aug. 21, and then to the colleges and universities from which they came.

Woods League To Hold Picnic

The Grosse Pointe Woods Civic League will hold its summer picnic on Thursday, August 12, at 4:30 p. m. at the Woods Lake Front Park.

This picnic has become an annual affair for the league's members, their families and guests. Each family will furnish its own lunch. Games and contests for all ages and sizes are planned. Prizes for the contests will add zest to the competition. The time from 4:30 to 6 p. m. will be devoted to games and contests for children. The picnic supper will be held at 6 p. m. The remainder of the evening will be planned to give everyone present an interesting time.

Ben Brothers is chairman and the following complete his committee: Arnold Dising, George Gardner, Rex Johnson, Bill Marr, Russ Stankrauff, Larry Westerville and Frank Dougherty. The committee cordially invites all league members, their families and guests to attend this get-together.

St. Paul Ushers To Hold Picnic

The St. Paul Ushers' Club will hold its annual excursion to Bob-Lo island park on August 17. The Ushers have invited everyone to come along and enjoy the day.

A baseball game between the youngsters and oldsters has been planned, as well as races, contests and games. Tickets may be purchased from any usher or at the pier before the departure of the first boat. Departure times are 10 a. m., 2 p. m. and 4 p. m.

More Pay Fever Infects Caddies

The "more pay" fever has infected the caddies at the Country Club, according to entries in the Farms police records.

On July 29 the Farms police had a call to the club and found a group of caddies who were loud in their protests that they would not work unless they received higher fees. They were told to go home and return the next day to discuss the matter with the caddy master.

On July 31 Patrolmen Backman and Sylvester returned to the club at the request of the caddy master. He complained about a group of three boys who had stationed themselves at Moross and Country Club lane and were attempting to induce the caddies to go on strike.

The police dispersed the agitators.

Finds Prowler Lurking on Roof

Mrs. L. B. Steggman, of 1342 Berkshire, was awakened at 1:30 a. m. on August 4 by a suspicious noise about her premises and investigation disclosed a man on the roof of the porch overlooking her bedroom, in the rear of the house. She phoned the police but by the time Patrolmen Mouton and Van Deginste of the Park police arrived, the prowler had gone.

There was no doubt of the presence of the fellow, however, as they found two garden chairs piled up as a ladder. They also found footprints. The only description Mrs. Steggman could give was that he seemed to be a large sized man, apparently dressed in light colored garments, and she thought that he might have been wearing shorts.

If every American is thrifty the nation is bound to thrive. Buy U. S. Savings Bonds.

Part of Caddy's Loot Recovered

Woods police were called to the Lochmoor Club on August 4 to investigate a larceny report by the caddy master. On inventory the thefts ran over \$350. Missing items included two sets of clubs, one valued at \$100 and one at \$60; a golf bag worth \$100; and odd clubs valued at \$50.

Number one police suspect was a 25-year-old Detroit caddy who had left for Canada. The man was known to have taken smaller articles, but had not been involved in grand larceny. When police checked his room more than \$175 worth of the missing articles were recovered. He had told his landlady that he was an engineer and belonged to a wealthy Wayne family.

On August 9 Detroit 5th precinct police picked up Gerald Hurt at 2:50 a. m. and held the suspect for Woods police. Hurt

admitted to police that he took part of the missing items. He was taken to the prosecutor's office and a warrant was sworn out. Arraigned before Judge George Beauchamp, Hurt pleaded not guilty. He was taken to the County Jail and his hearing was set for August 13. Bail was set at \$2000 with one surety.

SHERMAN says—
Food Prices Can Be Cut!

MEAT: Remove restrictions on purchase of Canadian and South American meat. Large quantities are available at low prices.

POTATOES: Stop government purchase and destruction of potatoes. Right now our government is buying millions of bushels to keep prices high.

EGGS: Stop government purchase and hoarding of eggs. Stop killing of egg-laying hens on government order. Some 5,000,000,000 eggs have been taken off the market in the last 18 months through government price support purchases. Many of these have spoiled in storage.

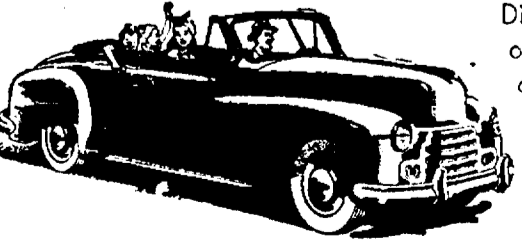

BREAD: Stop government purchase of grain crops to keep prices artificially high. Grain is plentiful—record world crops are predicted for 1948. Only government controls keep bread prices high.

INSTEAD OF GOVERNMENT-FOSTERED SCARCITY AND HIGH PRICES WE CAN AND SHOULD HAVE PLENTY AND LOW PRICES.

From Another Pointe of View

by Jane Schermerhorn

The Pointe was busy last week-end feting lovely Sue Hoppe of Warren, O. who'll marry Charles B. Crouse Jr. on August 28 in Warren.

Sue arrived last Friday to be the week-end guest of her bridegroom-elect's parents... Mr. and Mrs. Charles B. Crouse of Provencal road.

And Friday... Mrs. Crouse asked her friends to tea to meet her future daughter-in-law.

On Saturday evening... Mr. and Mrs. Seabourn R. Livingstone of Lake Shore road... were Sue's and Chuck's hosts... at cocktails and a dinner party.

And on Sunday... Chuck's uncle and aunt... the John Owens III of Stephens road... entertained the young couple at cocktails.

O'ne Hoppe will be her sister's maid of honor. Another sister, Helen Hoppe; Ann Seymour Crouse, sister of the prospective bridegroom; Ann Krieger and Betty Wilde, of Warren, will be bridesmaids.

Charles has asked his brother, Woodruff B. Crouse, to be his best man. Henry H. Hoppe II, Jack Anderson, Charles H. Hodges III, Hamilton R. James and R. E. Williams will seat the guests.

HOWARDS HOME FROM BERMUDA

Mr. and Mrs. Livingstone, incidentally... have just welcomed home their own "newlyweds"... Mr. and Mrs. Forbes Howard (Helen Livingstone).

After their Bermuda wedding trip...

The Howards returned to the United States... and motored to Boston to visit friends... then through the White Mountains...

Arriving at the Pointe last Saturday...

To occupy their home at 30 Moran road... on the estate of Mrs. Howard's grandmother... Mrs. Hugo Scherer...

RORRICKS TO VISIT POINTE

More news of the recently weds...

The Robert Rorricks (Julie Hudson) arrived in the Pointe last week.

They'd left Nantucket... where they went following their Pointe wedding... apartment-hunted in Hyannisport... and stopped in Haverford, Pa. visiting friends.

For the next few weeks... they'll be at Julie's parents' home... Dr. and Mrs. J. Stewart Hudson of Lothrop road... and at Perrysburg visiting the Senior Rorricks... until it's time for Bob to return to his studies at Trinity.

COLORADO HOLIDAY

In the meantime... Dr. and Mrs. Hudson are holiday-ing at Rio Blanca Ranch in Meeker, Colorado.

They had guests from home just recently... when C. Henry Buhl Jr... and Mackie Woodhouse... motoring to California... stopped off for a short visit.

Young Henry and Mackie have joined Mr. and Mrs. C. Henry Buhl and Lydia out in Los Angeles.

We understand the Buhls have decided to prolong their stay on the West Coast... and that they have taken a house on Stony Canyon road until early September.

OFF TO SCHOOL

At just about that time... it'll be school bells for Lydia and Henry.

She will study at Miss Hewitt's in New York City...

Peggy's fiance, Gordon Blair, will come from Chicago next week to be on hand Saturday, Aug. 21 for the cocktail party given by Lucie Nauman, Merrill McClintock and Betsy Cadwell.

The couple will be married on Sept. 4.

Although the Navy's submarine service had less than two per cent of the total Navy personnel, the submarine forces sank two-thirds of all Japanese ships accounted for by the Navy during World War II.

Full Schedule At Yacht Club

The Grosse Pointe Yacht Club offers a full schedule for young and old alike in August and September. The main event will be the Show Boat dinner dance on August 21 featuring Joey Stark and his orchestra.

August 7 is the date for a splash party and dancing in the evening. On August 8 a swimming meet between the Detroit Golf Club and the Grosse Pointe Yacht Club is scheduled.

The music of Jack Oakie will be featured on August 14 and on August 28 it will be Jack Qualey. The Harvest Moon Festival featuring Gene Feiby and Mill Carr's orchestra will take place on September 18. On August 20 the small fry take over the pool with a junior splash party followed by a junior juke box dance.

The "first ladies" bridge luncheon of the season will take place on September 28 with a fashion show as an added attraction. For September 25, the Blue Nose Regatta is scheduled.

A total of 138 World War II members of the Navy, Marine Corps and Coast Guard were awarded the Congressional Medal of Honor.

Club at High School Helps Students Appreciate Music

By MILTON SETZER Grosse Pointe High School Journalism Student

Music, varying from the complicated works of the masters to the lighter compositions of the semi-classicists, has become more deeply appreciated at Grosse Pointe High School as a result of the Music Appreciation Club, one of the largest extra-curricular groups at the high school.

In September, 1944, a music-loving civics teacher, Mr. Ralph N. Deal, took his place in the roster of Grosse Pointe High School teachers. In his first semester here Mr. Deal encountered in his classes ten students who were lovers of music also.

From the first meeting, almost five years ago, of the Music Club to the present time, the atmosphere of the meetings has always been strictly informal.

The meetings, held bi-weekly on Friday afternoons usually in the lounge of the Grosse Pointe Memorial Church, always prove satisfying to the 45 members of the organization. They include music suitable to any and all tastes.

A typical meeting may possibly be an all-Bethoven program (the Coriolanus Overture, the Symphony No. 5, and the Piano Concert No. 5) or a program consisting of compositions for solo piano and orchestra (Grieg's Concerto, the Concert No. 4, and the

Rhapsody on a Theme of Paganini, both by Rachmaninoff). The music is heard from authoritative recordings of present day artists.

In recent months a wire recording of a new symphony by the Russian contemporary, Alexander Gretchaninoff, was made from a radio broadcast. This recording has been played several times, to the enjoyment of the club members.

Explanations of the music always accompany every composition. Meetings are usually assigned to one or two members to prepare. Programs are arranged to last no longer than one and a half hours.

Many times during the year the club will go as a group to concerts.

The most popular events last year for the club members were the Major Symphony Series at Detroit's Masonic Auditorium. This series of concerts, including such world famous organizations as the Boston Symphony, Philadelphia Orchestra, Chicago Symphony, and Pittsburgh Symphony, was attended by over 25 members of the club.

More than 20 students also saw the opera Carmen last fall. Highly anticipated events next season include a concert by the Philharmonic Symphony Society of New York and other concerts by the major symphony orchestras of the United States.

The object of the Music Appreciation Club is to learn something about the construction and background of the music of the masters through the medium of records and then gain the emotional experience of hearing the same works played in the concert hall.

In the words of the sponsor, "We try to give pleasure to the students while at the same time trying to increase their emotional and cultural depth of understanding."

Marcia Ward Named Head Of Unit at Camp Cavell

Ten-year-old Marcia Ward, of 587 University Place, Grosse Pointe, has been elected "camp head" of Northwood unit at the YWCA's Camp Cavell on Lake Huron. The 150 girls at camp are divided into three units according to age and they elect their own camp heads.

This week with the other two unit heads, Marcia accepted a pennant from the YWCA camp of Buenos Aires, Argentina. It was presented by Dr. Luisa Albornoz, director of the Argentina camp, during her 10-day visit to Camp Cavell. This is the 35th season that the Detroit YWCA has operated Camp Cavell on Lake Huron for school girls.

Scavenger Hunters Also Dance at Watson Party

A scavenger hunt followed by dancing in the Harrison Watson home in Lincoln road was the order of entertainment Friday evening when Hap Watson invited in a group of his friends. Hap's date was Joan Kinnard. Guests included Leon Loagethas and Virginia Jacobson, Jim Brenner and Ruthie Brewer, Al Klem and Lila Binny, Al Schweitzer and Marilyn Smith, Bob Slade and Mary Lou Vernier, Bob Hollar and Mary Stover, Stewart-Froisima and June Allard and Doug Ramsey and Judy Richardson.

Park Refuses Permit To Itinerant Merchant

An itinerant merchant who tried to do business in Grosse Pointe Park on July 28 had a short mercantile career. The police brought in the man, who had an assortment of kitchen utensils. He was told that he would have to have a permit from the village clerk's office, which was refused him.

Clerk William G. Stammen says it is against the policy of the Board of Commissioners to permit canvassing in the village.

High School Projectionists Show 300 Films Each Year

By JIM FENSKE Grosse Pointe High School Journalism Student

One of the most helpful of the service activities at Grosse Pointe High School is the Projectionists Club.

The club is designed to instruct student members in the operation and care of various projectors and opaque and slide-visual aid machines. It also develops leadership, organizational ability

and co-operation. The club is open to any student who has some mechanical ability and average scholastic standing. Meetings are held once a week, after school.

Grosse Pointe High School has one 8mm, one silent and two sound 16mm projectors, and a slide and opaque machine. Each member is instructed in the operation of all these projectors. This instruction is supplemented with

actual experience in showing class-room movies.

Any time a teacher or organization requests that a film be shown, any Projectionists Club member who has a free hour at that time may be assigned to show the film. Each member has many chances to increase and demonstrate his knowledge and skill.

About 300 films are shown by the club each year, each film being shown on the average 5 times a day. From these figures one sees the enormous and tedious job this club has.

The members are rewarded in

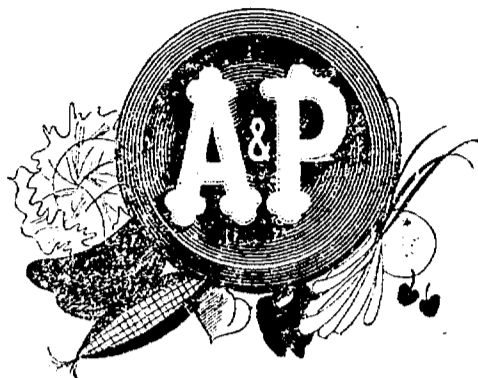

that they gain a knowledge which may prove very useful in later life. They may use it for their own entertainment in home movies, or as a background for a vocation, or in many other ways.

Outstanding members who have been in the club for two semesters are instructed in the special task of operating the two 35mm. projectors which are used to show feature movies during noon hours. The school has these films shown to provide entertainment for students during free time in their lunch hours, and projectionists often give up their own lunch time to show them.
