election to the State Legislature. The booth at Merriweather road and Kercheval avenue in the Farms was reported to closely resemble a three-ring circus at one point during the morning.

A well known young matron appeared, accompanied by a child and a dog. The child accompanied the mother into the voting booth. When she attempted to turn in her five ballots, none of them folded, it was almost too much for the election officials.

She will speak on the subject of higher education for women in a troubled world. ### Goulette Calls 'Vandalism' Unintentional Kids' Stuff

Urges Parents to Impress on Youngsters Under Eight Years Importance of Staying Out of New Houses

Agreeing with other Pointe law-enforcement officials that "the kids deserve a lot of credit for their behaviour on Halloween," Woods Police Chief Walter J. Goulette however had a plea for parents.

He urged that they impress on their youngsters 7 and 8 years and younger the importance of not playing around new houses under construction.

The chief pointed out that it was his opinion that most of the new-home "vandalism," of which his Village is apparently the greatest sufferer due to its large building program, isn't really vandalism at all.

**Don't Realize**  
In most cases, he declared, the damage is caused by these youngsters, who don't realize the trouble they're causing by playing in the new buildings.

While Halloween was comparatively quiet in the Woods as in the rest of the Pointes, the police were literally "run ragged" chasing down complaints during the days immediately preceding. "It's always that way," the chief remarked.

Too numerous to report were the many cases of ripe tomatoes

and other vegetables being tossed about, soaped windows, barricades erected by the more industrious and ropes stretched across sidewalks.

**Obviously Malicious**  
A few obviously malicious cases reported prior to Halloween, he chalked up to plain "meanness," not Halloween mischiefousness.

One obvious case of maliciousness, he said, was that reported Oct. 27 by a builder at 1110 South Oxford who said that he found someone had poured sand in the gas tank, crankcase and breather pipe of his cement mixer during the previous night.

There also was one case of a rock being thrown through a window, which had a parallel in the Shores the same night, that Goulette said appeared obviously to be the work of one malicious crew.

The event, which will be held in the Unitarian Church at East Jefferson and Rivard, will help raise funds for the Grosse Pointe War Memorial.

### Simple Halloween Prank Outgrows Expectations

An intended simple Halloween prank almost backfired for three partying friends last Saturday night.

Before things finally were settled, police, neighbors and sundry others were involved.

Homer W. Froelich, of 4893 Lakepointe, Detroit, William Aull, of 21151 Country Club, Gratiot Township, and Al Prynecht decided to have some fun with John R. McDonald, of 21191 Country Club, a neighbor of Aull.

When McDonald left one party, attended by all four, to visit another at 1808 Hampton road, the aforementioned three followed in Froelich's automobile.

**Apparently Scared Off**  
The near "backfire" resulted when Woods Patrolmen Wilbert LeDuke and Walter O'Dell were called by Mrs. Anthony Kern, of 1777 Hampton, who reported some men apparently were trying to steal tires from an auto.

Mrs. Kern told the officers that she saw one man jacking up the rear wheel of a late model car parked in front of 1808 Hampton while two others waited in a car parked nearby with the lights out.

She said they apparently were scared off but she gave police the license number and a police radio alarm was broadcast.

**Left on Jack**  
The late model car was left jacked up, its brand new cushion-style tires intact. The auto turned out to be McDonald's.

The mystery was cleared the next day when Woods Chief Walter J. Goulette located the three pranksters through the license number supplied by Mrs. Kern.

They told Goulette they merely were jacking up the wheel so that when McDonald went to start his car he would be non-plussed when nothing happened as he engaged the motor.

They weren't scared away but

**FIRST MEETING**

merely had left when they had accomplished their purpose. Neither did they intend any theft, they told the chief.

It was strictly a prank, that went haywire, was Goulette's verdict after investigation disclosed all three were respectable businessmen with reputations beyond reproach.

Goulette also complimented Mrs. Kern on her alertness.

### Rotary's Feather Party Scheduled for Nov. 22

The annual feather party given by the Grosse Pointe Rotary Club, for funds for community projects will be held at the Neighborhood Club at 8 p.m. Monday, Nov. 22.

This party has always been well-attended and prospects are that attendance will be large this year, according to the chairman.

Tickets are available from club members and various business places throughout the Pointes. Signs will be on display where tickets can be purchased.

### Business Group To Hear Talk by High School Head

Walter R. Cleminson, principal of Grosse Pointe High School, will be the guest speaker at the regular monthly meeting of the Grosse Pointe Business Men's Association tonight, Thursday, November 4.

The meeting will be held in Harvard House, 17016 Mack avenue.

Cyril Paye will present the speaker. Mr. Cleminson has completed 24 years in the teaching and administrative branches of public education. He has been a high school principal for 22 years.

An unusually large attendance is anticipated in view of the speaker's knowledge of the Pointe, the enlarged membership and enlightened interest in the work of the association.

### Alert Residents Thwart Burglary

A possible burglary was thwarted Oct. 27 when Woods Patrolmen Henry Marchand and Don Coats answered a call to the 1700 block on Manchester.

Residents told the officers that two men in a coupe stopped and one of them got out, apparently to "case" the houses. The man on foot went into driveways of several houses, the auto keeping always abreast.

Finally, just before arrival of the police, the man on foot ran to the car and they sped west on Manchester. Descriptions were vague.

### Discover Woman Dead in Bathtub

The Coroner is awaiting reports on laboratory tests before ruling on the cause of death of Mrs. Lucille Eurich, 44, of 777 Roslyn road, who was found dead in a bathtub half full of water last Friday afternoon.

Artificial respiration by Woods Patrolman Richard Prietz and Shores Patrolman Earl Wakely, who lives nearby and was first called, failed to revive Mrs. Eurich.

She was discovered when her daughter and a friend called for a visit. They became alarmed when unable to get any response and hailed Wakely who was just returning from his Shores duty. He gained entry by forcing an upstairs window.

According to the police report, Mrs. Eurich had been ill for some time. The initial autopsy report showed water in the lungs, indicating possible drowning but nothing else to point to a cause for drowning.

### 'Optimism and Leadership' Is Slogan for Next Week

"Optimism and Leadership." This slogan highlights the preparations now under way by the members of the Grosse Pointe Optimist Club for the 12th annual celebration of Optimist Week, scheduled next week, according to Dr. Tuttle, club president.

"This week, we went to the polls to choose our leaders for the next few years," said Dr. Tuttle. "However, we of the Optimist organization are even more concerned with the leadership that this country will have 20 or 30 years from now."

"The boys of today will be the leaders of tomorrow, and if we are to have good leadership, we must be sure that our boys have been trained and guided in the paths of good citizenship."

"This is the task that we have set for ourselves, and this is the guiding ideal of our organization."

More than 50,000 Optimists in the United States and foreign countries will join forces for the annual observance of the week in which the aims and purposes of the Optimist movement are brought to the attention of the general public, Dr. Tuttle said.

The week locally will wind up with a big games party at 8 p.m. Saturday, Nov. 13, at the Neighborhood Club.

### Variety Show To Aid Choirs

A Variety Show is being held at the Grosse Pointe Unitarian Church, East Jefferson at Rivard, this Friday night, November 5, at 8:00 o'clock. The event is being given for the benefit of the choir and to promote a junior choir.

The choir members will be heard in mountain songs, Negro spirituals and modern swing. "This is America" is the title of a series of sketches on Americana to be presented. The Harmony Boys will perform and the Pointe's operatic tenor, John U'Ren, will sing a group of classics.

Mrs. Mary Omanski is directing, with Mrs. Clarence Messner as chairman and Mrs. Richard Wilkinson accompanying.

### Newest Additions to Village Shopping Center

The newest addition to The Village Shopping Center in Grosse Pointe will become activated when the A. S. Beck Company opens its beautiful new shoe store in this building at 16844 Kercheval avenue, with the new Winkelman store in the greater Detroit area in the other half of the new structure.

The ultra modern, one-story store incorporates many new architectural and decorating features and has been designed not only to make it an attractive addition to the community but to afford customers maximum shopping comfort and convenience. The Beck store will carry shoes for both men and women. Saul Schiff of New York is president of the firm.

**Glamorous Inside and Out**  
The exterior of the store employs the country-style charm of natural white brick, a rustic beamed roof and fieldstone trim as a frame for the large inviting windows and wide-swinging glass doors. Charles Agree, who has been designing the A. S. Beck stores in Detroit for many years, is credited with this newest addition. To the far-flung Beck chain of 120 stores which stretch from New York to Miami, including all the principal cities in the east and south, Emil Van Sile, of Detroit, is the contractor.

Stepping through the entrance one is impressed at once by the beauty of the interior decor. Grey-toned knotty pine is used to panel the walls and showcases, creating a handsome background for the comfortable chairs upholstered in turquoise blue leatherette and the matching carpet which runs from wall to wall. Overhead, a soft, rose-grey ceiling is illuminated with indirect cove lighting which casts a subtle diffused glow over the whole interior and provides ideal lighting for customers to see colors and detail in the exciting new shoes and accessories. Along the back wall, there is a special Slipper Bar which features a wonderful assortment of tailored and frou-frou slippers.

A lavish use of mirrors and recessed wall displays give the impression of a perpetual fashion show of the latest styles, and a preview of Beck's comprehensive collection promises Grosse Pointe residents many wonderful surprises in styles and values. It is truly a treat in these high-cost-of-living days to see such fine quality, beautifully styled merchandise carrying such considerable price tags.

**Special Men's Section**  
The new Beck store also includes a separate department devoted exclusively to shoes for men. Here, Beck will cater to every taste with a selection that is as varied as it is quality-wise, ranging from super-weight "luffies" to styles inspired by the best custom bootmakers and all priced exceptionally low.

### Infant Topples Into Leaf Fire

Little Dewey Conrad, aged 21 months, lost his balance while toddling around in front of his home at 101 Mapleton road on the afternoon of October 29, and toppled into a leaf fire.

Before he was pulled out he had burned both of his hands and his left knee. The burns were not serious.

Dewey is the son of Mr. and Mrs. Robert A. Conrad. He was named, not after the new President-elect, but after the hero of the Spanish-American War, Admiral George Dewey.

#### LITTLE DAMAGE

A fire originating in the chimney of the W. L. Lynn home, at 1404 Balfour, at 3:20 p. m. Oct. 23 was extinguished by the Park firemen before serious damage was done.

The Grosse Pointe Winkelman store, located on the south side of Kercheval avenue and east of Cadieux, has a 32-foot frontage and a depth of 110 feet. The building is a departure from the traditional Winkelman store in so far as it follows a suburban type of construction. The front of the building is finished in Crab Orchard Stone. The spandrel between the pilaster is finished in Tree Bark Brick in earth color. There is a projecting trellis type coping finishing off the front of the building. The open trellis work and the signs on the building are finished in Ditzler Purser green.

The interior follows the traditional layout of other Winkelman stores. However, the fixtures are done in honey-maple with a planked wainscoting. The portion of the fixture above the wainscoting is finished in blue. The interior is a combination of Early American with a modern interpretation.

The newest modern direct and indirect, fluorescent and incandescent lighting will be used. Holliphane designed the ceiling fixtures. The air conditioning has been made and installed by Carrier. Charles N. Agree is the architect. The store fixtures were designed and executed by the Cadillac Show Case Company. The carpeting will be of brown and white Clearflax and the color scheme will be carried out with beige drapes. The walls will be green. A modern lounge for Winkelman employees has also been provided.

The store was leased by the Kercheval Corporation. The ready-to-wear salon for coats, suits, dresses and furs includes twelve fitting rooms. A new type of sportswear and casual department has been provided. The accessory department will feature all items to complete a wardrobe. The millinery department is designed to give individual try-on service and in addition a hat bar for serve-self millinery.

In addition to the 16 stores in the Greater Detroit area there are Winkelman stores in Grand Rapids, Saginaw and Port Huron.

## From Another Pointe of View

by Jane Schermerhorn

All's fair . . .  
And there the sentence can end . . . unless you want to add Grosse Pointe . . . for these are the days of annual Holiday Fairs . . .  
In fact . . . tomorrow . . . Friday . . . the Women's Association of Grosse Pointe Congregational Church is holding its fair . . . in the gym of Grosse Pointe Memorial Church . . .  
No, don't go back and read that last sentence over . . . you DID understand it . . . GP Congregational Church is holding its fair at another church . . . because the very funds raised by the event . . . will go to build a church for those of this faith at the Pointe . . . to date, it doesn't have a permanent church . . . Now even Mr. Dewey couldn't ask for more unity than that!

### CONGREGATIONAL FAIR FRIDAY

Mrs. C. Benjamin Rush and Mrs. Lloyd Weed have been giving us glowing accounts of what fun is in store for those who visit the Congregational Fair tomorrow . . .  
One of the most unique booths we've had at any holiday fair . . . will be an important part of tomorrow's . . .  
It's the Senior Sixteens' Booth (the Senior Sixteens are a group of lovely ladies 60 years of age and over) where all manner of interesting merchandise will be for sale . . . including a wonderful patch work quilt! . . .  
Christmas colors will decorate the gym . . . and Mrs. Leonard Slowin and Mrs. J. Edward Schutte are in charge of this important phase . . .

### FUN AT THE FAIR

Children will adore the fish pond . . . [didn't you!] . . . which has been planned by Mrs. Charles E. Kirk and her committee . . .  
Cookie jars . . . gaily painted boxes and trays will be found at the booth where Mrs. James E. Cunningham and her helpers will preside . . . while Mrs. Harry W. Crooks Jr. is chairman of the handwork booth (fingertip towels, pillow cases, etc.) . . .  
Aprons, practical and pretty . . . for a hostess . . . or a maid . . . are an important part of holiday fairs . . . and those Mrs. Harold W. Beattie and her committee have been stitching on all summer long . . . are particularly lovely . . .  
Another summer-long task . . . has been the jam, jelly and pickle booth . . . as famed "cooks" of the Association put up their own fruits and pickles this summer . . . they made extra jars for the church fair . . . Mrs. George Waldboff and Mrs. Adam Cook will have all these goodies for sale . . .

### MRS. DREW IS CHAIRMAN

It's high time . . . that we mentioned the leading lady of all this activity . . . is Mrs. Verne M. Drew, general chairman . . . with first assistants Mrs. J. Edward Schutte . . . and Mrs. Glenn E. Wilkerson . . .  
The dolls and doll clothes (wardrobes as exquisite as those owned by real live babies) are in charge of Mrs. Harry V. Wado and her aides . . .  
Then the Congregational Women's Association bazaar . . . will have the always popular White Elephant Booth . . . Mrs. Earl R. Genthe is its chairman . . .  
Still other booths and their chairmen include:  
Mrs. Rex Regan, baked goods with special emphasis on Christmas cakes . . . Mrs. Homer Wyckoff, plants and flowers . . . and Mrs. Paul L. Kolvoord, knitted specialties . . .

### TEA FOR SHOPPERS

There'll also be tea served at the fair . . . which opens at 10 a. m. . . and goes on till the wee small hours of the evening . . . Mrs. Glenn E. Wilkerson, doubling her duties at the fair . . . is in charge of the tea . . .  
And the Men's Club is helping out . . . by presiding over the evening Snack Bar . . . where guests will be able to get sustaining hot dogs, turkey sandwiches and coffee . . .  
Do remember how very much good your patronage will do at the Congregational Holiday Fair . . .

## Flower Show Opens In Tuller Tomorrow

Garden Center Event, Sponsored by Detroit Iris Society, Scheduled 11 a. m. to 11 p. m. Through Sunday

"Our Country—In Flowers" is the theme of the unusual Detroit Garden Center flower show which begins tomorrow in the Tuller Hotel under the auspices of the Detroit Iris Society.

Planners have combined a flower show and country fair for the theme of the three-day program.

Entries in the various classes will be on display from 11 a. m. to 11 p. m. tomorrow, Saturday and Sunday.

Funds will go to the Detroit Garden Center building fund. Since the number of garden clubs and garden lovers who use the facilities of the little White House on Belle Isle has increased greatly, larger quarters are greatly needed.

General chairman for the event is Mrs. Ernest V. Knoblock. Mrs. C. W. Naas and Mrs. Longyear Palmer are co-chairmen on the flower arrangement schedule.

Mrs. Job Mitton is handling flower arrangement staging and Mrs. Hunter Williams, publicity. On Saturday evening, Nov. 6, members of the Men's Garden Club of Detroit will present an original skit in which they will fashion hats of fruits, flowers, and vegetables which will immediately on completion be modeled by young women members of the club.

On Sunday night, the closing night of the fair, the Detroit Historical Society will sponsor a Fashion Show of the Gay Nineties. Costumes once worn by famous beauties of old Detroit will be modeled, with music accompaniment by Mrs. Doty Worcester, and a group of Gay Nineties songs sung by Mrs. Harold Knight. Mrs. Henry Newman is chairman of entertainment.

Flower arrangements are scheduled for display at the fair all three days and evenings, with a change in entries every day. The original and decorative arrangement classes include compositions of flowers and plant material depicting weather, the coloring of precious stones, geometric designs; arrangements suitable for church altars, for old American farmhouses, in containers from the United States only, of glass, metal and ceramic, modern or antique.

There will also be table settings representing a variety of American holidays and featuring some famous and historical table linens and glassware. Arrangements will not be judged but will be entered for display purposes only, offering the public a unique presentation of "Our Country—In Flowers," which is the theme of the fair.

Among those who have entered the arrangement classes to date are: Mesdames Arthur Sutherland, John S. Newberry, Rolhe Fair, H. D. Wilson, Longyear Palmer, Hurst Montee, Watson Beach, Harold Tyree, Thomas Mann, George Villerot, Alexander Wiener, Robert Conder, L. R. Tower, Reginald McArthur, William Denler, Lloyd Hooker, F. W. McMillan, W. K. Wheelock, H. Hunter Williams, Alan Beebe, and Bayard Johnson.

The Gothic Room of the Tuller Hotel will be set aside as a small art gallery during the fair, where well known flower and landscape paintings by Michigan artists will be sold. Miss Jessie Talmage, an art connoisseur and a founder of the Progressive Art Club in this city, will be in charge. She states the collection will include paintings by the famous Detroit primitive painter, Fred Papsdorf, and ceramics by the nationally known Kay Harrison will also be on display and for sale.

Various sales booths, featuring garden and flower arranging equipment and flower filled containers, will be operating at the fair, proceeds from which will go to the building fund of the Detroit Garden Center.

You can keep a boy enjoying recreation at the Boys Club for 12 days by donating only \$1 to the Red Feather drive.

# He's not your son—

# Why Worry?

Why worry—when other people's kids run wild?

Why worry—when teen-agers at the rate of a thousand a day are getting into jams with the law?

Why worry—when right here in this county youngsters are being brought to court charged, not with pranks of mischief, but with robbery, assault, prostitution, rape and murder?

And it's getting worse! Last year, arrests of boys under 21 increased 10.5% over the year before. Arrests of girls under 21 were 30% higher than before the war. And more than half (55.7%, to be exact) of all persons charged with robbery—as well as 72% of those accused of stealing autos—were under 25 years of age!

So you and every other citizen jolly well OUGHT to worry. Because it is your community. Because juvenile delinquency spreads like plague . . . one mind influencing another . . . one kid foolishly trying to "follow the leader."

Records show that an unhappy home life is often responsible for most youthful crime. And that's just one place your Community Chest dollars can work practical wonders through the Red Feather services that offer family counsel . . . treatment of physical and mental illness . . . child guidance . . . family rehabilitation. And through helping provide the right places to play . . . gyms . . . craft workshops . . . clubs . . . neighborhood centers.

Few of your dollars ever had a chance to work harder for this community AND FOR YOU YOURSELF than the dollars you'll give to our Community Chest this week!

Remember—one pledge covers many Red Feather services. Because we have a well-managed Community Chest uniting many appeals, you are called on only once a year for all of them. So when you give, GIVE ENOUGH . . . enough for ALL Red Feather services . . . enough for a FULL year.

Everybody benefits . . . Everybody gives

Pointers Pile Up 25-0 Score Despite Many Substitutions

History Made as Tractors Are Trampled by Vastly Superior Eleven; Coach Wernet Holds Down Tallies

By FRED RUNNELLS
History was made in the huge, well lighted Fordson stadium before a large home coming crowd last Friday night, October 29. Coach Ed Wernet's Grosse Pointe Blue Devils unleashed a powerful, lightning-like attack against the once powerful Fordson Tractors to score a 25 to 0 football victory.

Lash year the Blue Devils squeezed out a 3-0 victory on "Piggy" Flaughter's field goal in the last three minutes of the game to give Grosse Pointe its first win over the Tractors in fifteen years.

If Coach Wernet had not opened the "gates of mercy" after the Pointers had scored their fourth touchdown early in the third quarter and substituted on a wholesale basis, the score could have very easily been twice as large. Every one of the thirty-six players who made the trip got into the history making game.

The Blue Devils' first score came before the game was two minutes old. On the first play from scrimmage Shinsky flipped a pass intended for George Stephenson, who barely touched the ball.

Four line plays produced the first touchdown. Coleman went over left tackle to score without a hand being laid on him. Brogan's kick for the extra point was blocked.

Shinsky again took Follis' kick off on his own 15 yard line and raced back to the Tractor 25. Three line plays lost fifteen yards.

On fourth down Frank "Pepper" Palazzolo, Blue Devil right guard, broke through to block Shinsky's punt and the Pointers recovered on the Fordson 8 yard line.

Fordson dug in and stopped four line plays and took over the ball on its own 1 yard line. On first down Shinsky punted out of danger from his own end zone to Brogan on the Fordson 38 who ran the ball back to the Tractor 28.

The Blue Devils began to roll toward pay dirt again out a 15 yard holding penalty and a fumble by Cal Purdy on the Fordson 26 yard line halted the threat.

The fast charging Blue Devil forward line stopped Fordson in its tracks and Shinsky was forced to punt from his own 15 yard line to Coleman on the Pointers 48. Coleman brought ball back to the Tractor 47.

Again a 15 yard pushing penalty thwarted a Blue Devil threat. Early in the second quarter Hill Pierce blocked Shinsky's punt and recovered on the Fordson 22 and set up the second Blue Devil score.

Coleman skirted his own left end for two yards and then Follis smashed through center for a first down on the Fordson 13. On the same play Follis went to the 8 yard line. Coleman added two more yards before Follis slid over right tackle into the end zone to put the Pointers out in front, 12-0. Brogan's kick was wide of the uprights.

Grosse Pointe's magnificent line held Fordson at bay throughout the remainder of the second period. Costly Penalty The most spectacular play of the game came as the whistle

Tiny Band of Loyal Rooters Sees Blue Devils in Victory
The little band of 200 loyal Blue Devil followers that traveled to Dearborn last Friday night, October 29, was well rewarded for their trouble when they witness the most lopsided Grosse Pointe victory over the Fordson Tractors in sixteen years.

Each Blue Devil touchdown Friday was cause for great rejoicing in the Pointe stands and one fan set off red smoke flares after each score. It was Fordson's homecoming game and gala festivities before the game and during the half time intermission gave the crowd of 4000 fans plenty to cheer. The Homecoming queen brought down the house when she kissed acting Blue Devil captain Ted Laitner.

Reserve 11 Plays Second Tie Contest

Blue Devils Hold Wyandotte Scoreless While Failing to Tally

Grosse Pointe High's Blue Devil reserves played their second tie game of the season Thursday in a 0-0 game with Wyandotte at the Grosse Pointe field. Earlier in the year the Pointers tied Fordson, 6-6.

The game was a story of fumbles, intercepted passes, punts and poor blocking. The only serious threats, one by each team, were halted by fumbles. Grosse Pointe fumbled on the Wyandotte eight and Wyandotte's scoring threat was stopped at the 11.

Wyandotte moved to the Grosse Pointe 32 in the first quarter but an intercepted pass by Norm Harden halted the drive. Grosse Pointe's only serious drive in the first half was stopped at the Wyandotte 34.

A recovered fumble by Grosse Pointe on its own 48 set up a drive to the eight. Bray picked up 7 yards and a first down on the 31. Another run by Bray made a first down on the 19.

Hugh Bevier caught a pass for the third successive first down, moving the ball to the eight. A fumble ended the drive.

Wyandotte marched from the Grosse Pointe 45 in the fourth quarter to the 11. Grosse Pointe took over after recovering a fumble within one minute and 40 seconds left but could not score.

Thursday the Pointers will travel to Monroe for the last game of the season.

Fumbles Cost DUS Victory Over Grosse Ile Eleven

Halfback Bill Hamilton's 65-yard touchdown scamper late in the last period of the Detroit University School - Grosse Ile football game, played before a meager Alumni crowd at Edsel Ford Field last Friday afternoon, October 29, salvaged a 6-6 tie for the fumbling DUS squad.

But for frequent fumbles DUS could have beaten its bigger, more powerful red shirted opponents by two touchdowns. On two occasions fumbles halted DUS as it knobbled on the touchdown door.

The first damaging fumble came early in the first period when Bill Hamilton cracked over center and broke into the open. With nothing but green grass and blue sky between him and the goal line 35 yards away he dropped the ball and Grosse Ile recovered on the 30 to halt the threat.

With the score board still showing a scoreless ball game, late in the second quarter, Hamilton intercepted Theodorovich's pass on the Grosse Ile 43 yard line and picked his way through a maze of red shirted would-be tacklers and rambled to the 3 yard line where he was brought down from behind with a beautiful desperation tackle by Theodorovich.

It was here that DUS fumbled away another scoring opportunity. A bad pass from center caused Hamilton to fumble back on the

10 yard line after Grosse Ile had stopped a first down DUS attempt at the line. On third and fourth down an end run and a pass into the end zone failed and Grosse Ile took over on its own 10 yard line.

Early in the third period Grosse Ile threatened when it put together a sustained drive from its own 11 yard line to the

DUS 19 yard line where the local boys dug in and took over the ball on downs.

The drive was featured by two beautiful passes and a 35 yard end around run by Degree, which put the ball on the DUS 19 yard line.

Grosse Ile started its touchdown drive when Leroy recovered Hamilton's blocked quick kick on the Grosse Ile 47 yard line.

Three line plays netted seven yards and on a fourth down gamble Sisman smashed his way to the Grosse Ile 40 for a first down. DUS was then penalized five yards for taking too much time in the huddle.

Neither team threatened in the final five minutes remaining in the game although both teams threw caution to the winds in an attempt to break the tie.

Grosse Ile was the better team both on the ground and in the air but DUS was the opportunist and capitalized on every Grosse Ile mistake.

Flyers Come From Behind To Beat St. Mary's, 13-7

St. Paul's Eleven Scores Deciding Tally After Needing 70 Yards to Chalk Up First Down; Fumble Turns Trick

By JOE FROMM
St. Paul Flyers came from behind in the second half with two touchdowns to offset a disputed first half touchdown by St. Mary's of Mt. Clemens Friday night and to triumph, 13-7, at the Mt. Clemens gridiron.

St. Mary's touchdown was scored after the official time of the first half had run out. Ray Rickett plunged over from the one-yard stripe. The play started with one second remaining in the half. After a long discussion between the officials the play was allowed and St. Mary's held a 7-0 lead at half time.

St. Paul came back in the second half and tallied twice on runs of five and eight yards by seat back Bob Berg. The first touchdown climaxed a long sustained march. Pete Belanger's attempted line plunge fell short of the goal for the extra point.

St. Paul's final and deciding tally came through unusual circumstances. The local squad was

St. Ambrose Eleven Takes Fourth Victory of Season

By ROB PHILLIPS
St. Ambrose gridders collected their fourth win of the season Sunday afternoon when they blanked a St. Bernard eleven, 12-0, in the local's last league tilt of the season.

The initial score came after a rather lazy first quarter which seemed to be lacking in spirit and teamwork. St. Ambrose was forced to punt from the midstripe when they four downs gave out deep in their opponent's territory.

The two teams returned to the gridiron after the half seemingly more spirited and wide awake. The play during the third period seemed a little tighter and it began to look something like real football.

## Hawthorne House Ripped by Blast

A blast caused by the igniting of an accumulation of gas, ripped through the Hawthorne House restaurant, Kercheval near Fisher, at 5:55 a. m. on October 29.
