

Biggest Memorial Gift Refused by Board Most Disappointed

(Continued from Page 1)
 from public solicitation among citizens of the Grosse Pointe communities may be turned over to your Board of Education towards the accomplishment of the remodeling of the Alger House rather than have such funds and pledges used at the original proposed site of such a War Memorial Library at the corner of Kercheval and Fisher Avenues in Grosse Pointe Farms.

I do not have the authority to speak on behalf of my Board of Directors without calling a formal meeting in relation to this proposal dealing with the use of our funds and pledges. I can assure you, however, speaking only personally, that I feel that such a decision on the part of the Board of Directors of my Association would be most desirable, and that the utilization of the Alger House site would not only furnish the Grosse Pointe communities with the very best of library facilities, but would also greatly enlarge the plans and hopes which surrounded our original campaign to raise funds. I am also sure that it would stimulate the interest of other citizens in the Grosse Pointe communities to make new or additional pledges toward the ultimate project. I can assure you that I will call a meeting of my Board of Directors in the very near future to give consideration to this total proposal.

It is also my understanding that if you accept the gift of the Alger House and the Board of Directors of my association gives

approval to this proposed use of our funds and pledges, that it might entail a cancellation or an amendment of our formal relationship together as expressed through your formal Board records. I will also present this requirement to my Board of Directors.

Assuring you of my personal enthusiasm for these matters and my utmost desire to cooperate, I am

Sincerely yours,
 Alger Sheldon
 President Grosse Pointe War Memorial Library Fund.

The letter of the Detroit Trust Company addressed to the Board of Trustees confirming the tender by the Alger heirs was under date of November 17 and was as follows:

Detroit Trust Company
 Nov. 17, 1948
 Trust No. U-10164
 Mr. Bert H. Wickling, President
 Board of Education
 Rural Agricultural School District No. 1
 389 St. Clair Road
 Grosse Pointe, Michigan.

Dear Mr. Wickling:
 On behalf of the family of the late Russell A. Alger, Jr. it is my pleasure to advise you that Marion J. Alger (Mrs. Russell A. Alger, Jr.), Josephine Alger Douglas, Fay Alger Miller and Russell A. Alger III (now known as Russell A. Alger, Jr.) they being the family and all of the heirs at law and residuary beneficiaries of the late Mr. Alger, hereby offer to give your School District and to convey by proper quit claim deeds the Alger family home located on Lake Shore Drive, Village of Grosse Pointe Farms, Wayne County, Michigan, and generally known as Alger House.

For some time the Alger family has considered giving this property for some needed civic purpose and use. Recently they have been approached by a number of residents and groups of residents in the Grosse Pointe communities urging that their former home be given to your School District for use as a memorial library available to the public.

This matter has been discussed with several members of your Board, and as a matter of fact, has been discussed informally by your Board at its meetings, and the Alger family has been advised that you are completely in accord with the acceptance of this property for memorial library purposes, but that at this moment you are without the necessary funds to effect the changes which will be necessary for use of the building as a library.

You have further advised the Alger family in your opinion the acceptance of this property will find favor with citizens in the several Grosse Pointe communities, and that through public subscription and other means, the necessary funds can, in all probability, be provided. You have called the Alger family's attention to the fact that you are under the statutory duty to accept gifts only without limitation or condition, and that in all good faith there is the possibility, remote as it may be, that your Board might find itself unable, in the course of the next few years, to provide the funds necessary to convert this property into a working library, and consequently, if that should happen, the building might have to be devoted to some other purpose or perhaps even disposed of.

The Alger family understand these circumstances and the position which your Board must necessarily take, and while the establish-

ment of a memorial library is dear to their hearts, still they will impose no terms or conditions whatsoever precedent to the acceptance of this gift, nor do they ask that the Alger name be included in the library's name when finally decided on.

Should this proposal be acceptable to you and your Board, it is the desire of the Alger family that this matter be concluded as rapidly as possible, and speaking for the Alger family, we will be in a position to deliver to you the requisite quit claim deeds as soon as your formal acceptance is made known to us.

The Alger family will greatly appreciate your early action on this proposal.

Yours very truly,
 Selden B. Daume
 President.

When the question had been discussed by the Board of Trustees about the possible limitations or conditions attached to the Alger House gift and these questions were submitted to the Detroit Trust company the following letter written two days later was forthcoming from the Trust company. It will be observed that this tender was clear and unequivocal.

It reads as follows:
 Detroit Trust Company
 Detroit
 November 19, 1948

Trust U-10164
 Mr. Bert H. Wickling, President
 Board of Education
 Rural Agricultural School District No. 1
 389 St. Clair Road
 Grosse Pointe, Michigan.

Dear Mr. Wickling:

It is my understanding that at the meeting of the Board of Education on the evening of November 17, 1948, certain objections were voiced by members of the Board in connection with my letter to you dated November 17 written on behalf of the family of Russell A. Alger, Jr. proposing a gift of Alger House to the School District.

The letter in question was written with great care, and with the purpose of clarifying all issues that might in any way be controversial, and to clearly demonstrate that the Alger family was desirous of giving this property to the School District without condition or restriction and was motivated solely by a desire to benefit the Grosse Pointe communities.

It is most unfortunate that any other interpretation could possibly be placed upon their proposal, or that their intention should in any way be misunderstood.

In order that there may be no misinterpretation of the motives or objectives of the Alger family, permit me, on their behalf, to re-affirm that Alger House is offered to the School District without any limitations or restrictions whatsoever, either written or implied.

Yours very truly
 Selden B. Daume
 President.

Two opinions, both from professional employees of the Board of Education, which doubtless carried great weight in determining the adverse action of the Board, were those from Professor John R. Barnes, the Superintendent of Schools, and from Florence H. Severs, Librarian of the Grosse Pointe Library.

Professor Barnes' letter was read at the meeting on November 17 and is a matter of record with the Board of Education. The letter from Miss Severs was sent to

this newspaper and is published at her personal request.

Mr. Barnes' letter reads as follows:

November 17, 1948
 Board of Education
 Rural Agricultural School District No. 1
 Grosse Pointe Township, Wayne County, Michigan
 Mrs. Sheaffer and Gentlemen of the Board:

It is my understanding that a proposal will be submitted to you at your meeting on Wednesday November 17, 1948 which if accepted will transfer ownership of the property known as Alger House to the Grosse Pointe Board of Education. It is also my understanding that the gift would be made in contemplation of the development of this property as a combined central public library and War Memorial.

I feel very strongly that in fairness to the Board of Education and to myself that I should state in writing my reasons for advising the Board of Education against such course of action. I realize that such a statement may be neither helpful nor welcome and I therefore submit it with extreme reluctance. If I were not so completely convinced that acceptance of this property would be a grave error, I would say nothing. I hope the following statement will, therefore be accepted as a sincere attempt to discharge my duties as the professional advisor of the Board of Education and not as obstructionist or fault finding.

I advise the Board of Education against acceptance of the Alger property with a view to its development as a central public library for the following reasons, each of which could be developed at length if the Board wishes:

1. The expense of operating the Alger House as a central public library would be prohibitively high in terms of personnel and maintenance costs. I use the word prohibitively because of my analysis of our present financial situation in terms of the certain demands which will be made upon us within the next six months for increased levels of compensation for existing personnel.

2. A central library on the Alger property will not adequately serve the public library needs of the population of the central section of the Grosse Pointe School District due to its location in relation to that population and to business areas and transportation facilities. I am so thoroughly convinced of the soundness of this statement that I would advise the Board of the necessity of continuing to operate the present City branch on Notre Dame Avenue for an indefinite period if our central library were located on the lakeshore.

3. Alger House cannot be remodeled to provide adequate central public library facilities and adequate War Memorial features except at prohibitive costs. The sketches submitted by Derrick and Gamber which largely incorporate the ideas of the President of the War Memorial Association make no pretense of developing War Memorial features or of providing special facilities for veterans' records and meeting places.

4. Acceptance of Alger House for War Memorial library purposes seriously endangers existing public good will for the school district and the Board of Education. I make this statement because I am convinced that the Board of Education will fall heir to the unfavorable reactions of many donors to the War Memorial project, because I am convinced that the Village of Grosse Pointe Farms will object strenuously to the transfer of this property to non-tax status, and because I am fairly certain that

(Continued on Page 14)

(Continued from Page 1)
 that was rejected as nonsensical from the start. This plan called for storing books in the basement, which would require a very expensive air conditioning system to keep them from mildewing.

It was pointed out that the service wing of the house could be converted into stacks at a nominal cost. Yet as far as can be learned the only estimates on remodeling costs which were obtained were those on the plans which were rejected before estimates were asked.

Supporters of the Alger House plan pointed out that parking facilities, of which there are none at the Kercheval site, were already provided on the Alger House grounds.

It was stressed that there is a beautiful room in Alger House which would have been ideal for the use of the veterans themselves, equipped with beautiful fireplace and paneled walls. No suitable room was provided in the proposed new library on Kercheval avenue for the exclusive use of the veterans, even at the cost of \$525,000.

Ideal for Tablets
 It was pointed out that the magnificent fountain in the Alger House courtyard provided an ideal place for the erection of memorial tablets honoring the War Dead.

The desirability of the location, right on beautiful Lake St. Clair, was stressed. It was pointed out

that the site is just as handy to the High School, and even more accessible to St. Paul's High School and Grade School than is the Kercheval location.

Many of those who have heard of the decision wonder how the same Board of Education which accepted the gift of the Murray Sales residence can reconcile the rejection of the vastly more desirable Alger House.

It is understood the Alger House property will probably be sold by the heirs within a week, and it is rumored they will realize between \$75,000 and \$100,000 for it, a sum which under the unconditional terms of the offer, might have been added to the Grosse Pointe War Memorial Fund.

Discovers Drunk Enjoying Siesta

Mrs. Kelly of 1011 Maryland, was startled in mid-afternoon on Nov. 11 to find a man sleeping on the floor of her furnace room.

The police brought in a party giving the name of John Koworski, who gave his address at 12101 Lumpkin, Detroit.

The Detroit police said he had a record for drunkenness and the local police hustled him back to his native heath.

Woods Will Revise Zoning Laws, Adopt Pension Plan

Council Asks Planning Commission to Undertake Revamping of Ordinance With Help of Additional Number of Residents

Despite a bare quorum at the Woods Council meeting on Tuesday night, November 16, several important matters were decided. Commissioners Rowe and Deising were absent and also the Village Clerk and Attorney and Engineer were all out of the city.

The Council adopted a motion requesting the village planning commission to undertake a revamping of the present zoning ordinance. The big building program that has been underway in the Woods village for the past 18 months has raised many questions which were not adequately covered in the present zoning ordinance.

The motion also suggested to the planning commission that it associate with itself five or six qualified citizens to sit with it in working out the matters in the changed ordinance.

These citizens when they have been selected will be submitted to the Board of Commissioners.

that location. This opposition did not exist with respect to the Alger House location.

There was no opposition to the alteration of the Sales property to library uses. In fact library and school officials were quite enthusiastic on its adaptability.

When the Alger House proposition came along it was strenuously opposed by the professionals and their influence with the school authorities prevailed in its rejection at the meeting on November 20.

The location of the Alger property was bad, said these experts, but that of the Sales property, on the same avenue and less than 1,000 feet away, was good, they had previously opined.

No Worry At All

The cost of altering the Sales property would have been considerable but this did not worry the School Board or its professional advisers.

The expense of altering the Alger property would have been almost insuperable, said the Board and the professionals, although in both cases not any of the cost came from the School Board. They were to be provided out of the gifts of the community.

Where does the School Board go from here?

Will it drop the whole War Memorial plan, to which it so recently agreed enthusiastically?

Or, will it be willing to propose a bond issue to carry it through?

Does it want a public library at all? It is evident that the Memorial idea has appealed to it but little.

Is it ready to defend its adverse action on Alger House by concrete facts. Thus far not any have been presented.

Will Call Meeting

Alger Sheldon, president of the Grosse Pointe War Memorial Fund, has announced he will call a meeting of the 50 directors of the fund organization as soon as possible, to determine, if possible, "where we go from here."

He had no criticism for any member of the School Board, saying he was sure each had discharged his duty carefully and fearlessly and to the best of his ability.

He stressed the very urgent need of cooperation in the future if this community was to have a war memorial worthy of its heroes.

Walking Cyclist Struck by Car

Augustine Noto, aged 11, of 1405 Grayton, was pushing her bicycle across Mack from the Detroit side to the Park side at 6:11 p.m. on Nov. 16 when the bicycle was hit by a car driven by William Eugene Booth, of 2260 Overlake drive.

Brucker's Car Struck by Cab

Former Governor Wilbur M. Brucker, 54, who lives at 56 Vendome road, was delayed getting to his law office last Friday morning when his auto was involved in a traffic accident.

According to Farms police, Brucker's 1946 Buick suffered about \$40 damage to the side when it was struck by a taxicab driven by Herman V. Semande, 33, of 812 North Morrell, Detroit.

Brucker was driving on Grosse Pointe boulevard at about 8:30 a.m. when Semande's cab entered her lane.

Neither driver was ticketed, according to police, because both were covered by insurance and it is extremely unlikely that any conviction can be obtained in such cases.

Damage to the cab was listed as amounting to seven dollars.

Church Will Get Abandoned Street

At the Park Council meeting on November 22 another public hearing was held on the proposed vacating of that part of Goethe extending from Maryland to the alley parallel with Maryland and Lakepointe.

This was at least the third time the parties concerned had had a public hearing on this same issue. The abandonment was proposed at the request of the First Christian Lutheran Church which wanted this little used part of Goethe abandoned when it, as the sole abutting property owner on each side of Goethe would inherit it. The Church intended to use it for a play ground for its church school and for additional school facilities.

The apparent disposition of the Commissioners was to accede to the church's request. It is believed the next step will be the formal abandonment.

231 quota. The Shores chairman was Mrs. James A. Lafer.

Biggest dollar-wise total was that of the Farms, which gave \$132,307, or 94.8 per cent of its \$139,563 goal. Mrs. Harvey Kimberly was chairman.

Grosse Pointe City, chaired by Mrs. J. Arthur Mullen, gave \$56,265, or 96.1 per cent of its quota of \$58,540. The Park, led by Mrs. Frederick C. Ford, contributed \$24,060, or 89.4 per cent of its \$26,895 quota.

Painters Lead Way

The Woods, under the chairmanship of Mrs. Stephen Follin, raised \$3,743, or 85.6 per cent of its \$4,371 goal.

The only Community Chest unit to attain its goal this year was the Industrial Division, which was co-chaired by two Grosse Pointes, Richard W. Jackson and Benson Ford. It's \$2,747,000 was 100.2 per cent of its quota.

The Commercial - Professional Unit, whose co-chairman was Joseph R. Parker, also of the Pointe, made the second best dollar-wise record of the campaign, with \$1,927,624, or 97.4 per cent of its quota.

Hits Parked Car On Lake Shore

Genevieve Trimble, of Port Sanilac, was ticketed by Farms police for reckless driving after the auto she allegedly was driving struck a parked car at 431 Lake Shore road the evening of Nov. 16.

The collision caused damage estimated by Farms police at \$200 to her car and \$50 to the parked automobile, which belonged to Joseph D. Thomas, of Mt. Clemens.

Farms Collects \$587 in Fines

The Village of Grosse Pointe Farms was made \$587 richer during the month of October as a result of the police department's vigilance.

That was the amount collected as a result of 161 violations, including 14 court cases, according to the monthly police department report by Chief Walter R. Hoyt, to the Village Council at its last meeting.

There were 137 traffic and parking violations listed, of which 25 traffic and 84 parking tickets were paid, for a total of \$392.

Ten dog ordinance violations netted \$10 more. The department also disposed of five stray dogs and cats.

Five Are Acquitted

Of the 14 court cases, 11 were traffic and netted \$135. Five alleged traffic violations resulted in acquittals.

The other three court cases included two fines on larceny convictions and one for passing a bad check. These fines totaled \$50.

The report also listed 19 traffic accidents involving five personal injuries and \$2,759 property damage.

134 Other Cases

Also included in the report were 134 other relatively minor complaints and a total of 237 police calls answered.

The department also issued 133 operators' and chauffeurs' licenses.

Arrests in October included nine adults and 12 juveniles, most of whom were warned and released.

The one false fire alarm was by a child who climbed an alarm box pole. He was released to his parents.

Infant Slightly Hurt in Crash

A 22-months-old child was injured slightly when a truck backing into Mack at Oxford collided with a passing automobile Nov. 17, according to Woods Police Chief Walter J. Goulette.

The child, Douglass Clifford, was riding west on Mack with his mother, Mrs. Hazel B. Clifford, of 16031 Seven Mile, De-

troit, when the accident occurred. He bumped his mouth on the car door. He didn't require treatment.

The truck, driven by Thomas G. Davey, of 5370 Fairview, Detroit, was backing out at the Village Market, according to the report, and struck the right side of Mrs. Clifford's passing auto. Damage was estimated at \$50.

Mary, Mary, quite contrary

Mary Madison

It's Sensational, Boys and Girls! Strictly Sensational!! We mean the Mental Reducing Diet we've been on for four days now.

It all started with us on Sunday as we were trying to excavate ourselves from the debris of papers, magazines and books under which we seemed buried on the sofa.

it off THEIR chests and on OUR chest, how wrong they were!

Suddenly it came to us that while we are all concerned with physically streamlining the shape, we are mentally living off the fatheads of the land.

Obviously what is needed is to cut down on these flabby, starchy, saccharine books and magazines—and get on a sharp, lean, protein brain diet.

What is indicated is less thought for food, and more food for thought.

Reading all this mess production of printed matter is resulting in such a duplication of dull ideas that you're practically living on borrowed thought.

Oddly enough, it isn't only the women writers who are tossing off the starchy articles, stories and books. Many of the flabby historical novels, selling in the pound, are written by men.

Even such a subtle story teller as Somerset Maugham has earned up his new novel, "Catalina," so that it reads like some twice sold tale.

The two "Betty's"—Betty Smith and Betty MacDonald, who scored so dashing in "A Tree Grows in Brooklyn" and "The Egg and I" have come up with a couple of soggy stories.

Small wonder we found ourself falling back on a diet of spice, such as Evelyn Waugh's "The Loved One" with "the rich glint of lunacy in her eye."

Let's you think us too contrary, may we point out we're not the only one put out by the output. Jerry Wald, the current Wonder Boy of Hollywood blames the moronic mood of the movies on the writers.

There are, of course, some lean and protein books on the shelves. David Mearns "The Lincoln Papers" is worth its ten dollar price of admission.

Well, it was, as we said, on Sunday we went on the Mental Reducing Diet. On Monday noon, we hit the hotel dining room so late for luncheon, the waitress suggested the best thing left was the spaghetti luncheon so we'd have to eat it.

After all, we can always starve!

Thank Offering Presented By Congregational Women

At this season each year the membership of the Grosse Pointe Congregational Women's Association is asked to present a Special Thank Offering. This year's offering will go to the National Congregational War Victims and Reconstruction Committee to help rebuild a war-torn world.

The Thank Offering was presented on Nov. 16 at a gathering in the home of Mrs. Marcus Kalbfleisch of Lincoln road.

The program was a study of the Madonna in Art. There was a historical introduction with theological interpretations of Mary, the Virgin. The Correggio Holy Night Scene was enacted. The part of the Madonna was portrayed by Mrs. C. Benjamin Rush.

Guests were seated by candlelight while carolers sang "Holy Night." Colored slides presented the life of Mary, and the Christ Child from the time of the Immaculate Conception to the Assumption. Nine masterpieces of art were included, with spiritual and artistic interpretations.

The Scriptural readings were read by Mrs. Elmer Horman; the historical sketch by Mrs. Walter Zick; the art interpretations by

Rams Into Car Halted at Light

Because she allegedly lost control of her car last Saturday morning at Kercheval avenue and Moross road, Stella M. Bondy, 55, of 1427 McClellan, Detroit, faces a Farms reckless driving charge and possible damage liabilities totaling \$500.

According to Patrolman Harold Beaupre, Mrs. Bondy was driving west on Kercheval preparatory to turning right into Moross when she said she lost control and collided with a car which was stopped for the light on Moross.

The car facing south on Moross, owned and operated by Albert H. Trowbridge, of 326 Ridge road, suffered an estimated \$400 damage, according to Beaupre's report.

Damage to Mrs. Bondy's automobile was estimated at \$100. She was issued a reckless driving ticket by Beaupre.

Society News Gathered from All of the Pointes

From Another Pointe of View

by
Jane Schermerhorn

The Fair that took honors "Around the World" was Christ Church, Grosse Pointe's Christmas gala... headed by Mrs. Frederick C. Ford and a three star cast that made up one of the best result producing outfits we've seen in many a moon...

The Fair was fun... supper set a new pace for church suppers... the booths were beautiful... and manned by the kind of sales force department stores would give eye teeth for (this is cliché day)...

And all this spells success... We still keep thinking about: Mrs. Ben Paddock's personal conversations being charmingly and amusingly broadcast to the fair at large as she and her friends forgot the public address system at their side... nice, ladylike conversations that one listened to as one visited the booths nearby...

The deb crowd racing around Miller Hall... with quart milk bottles in their hands... dispensing cream from them to the pleased sippers...

The gentlemen who sat opposite us... and said that "even the scalloped potatoes were good" and that the rest of the fare wasn't at all like "home night suppers"...

CROWDS THROUGH FAIR

And: Mrs. James McMillan looking ever so delighted as her young son Jimmy won a glamor package from Julie's in the Christmas Surprise Tree Drawings... which were one of the Big Highlights of the Fair...

Rev. and Mrs. Francis B. Creamer... trying three times unsuccessfully to get supper at Miller Hall (the queue was like war-days only happy)... and then rushing over to the Little Club for quick supper...

Dan Buell... emerging from Miller Hall... taking a fast look at the long waiting line and declaring, "You won't like it!" in typical Bullish humor...

Everyone wanting to know where the wonderful plastic table cloths could be purchased... and wringing the hands of Mrs. Wood Williams and Mrs. Hiram Walker who headed supper committee...

ST. NICK WAS THERE

The Walter Buhl Fords shopping for their tots at the children's booth... she carrying one of those darling wicker basket handbags with curling gold chain trimming it...

Fran Rumney working in the doll booth... so fascinated by the marvelous dolls dressed by Mrs. Jack Grow... who was pleased because such "nice little girls" would own her works of art...

The Tom Loughrans joining the fun... working too as were Countess Cyril Tolstoi... the Harry Eslings... the James Lafers... the Harold D. Bakers... Mrs. Don Woodruff... the Charlie Creedons (he won the handbag from Irving's and an approving beam from Mrs. C)... Mrs. Emory Moran Ford... Mrs. Jewett Dwyer...

Harriet Hodges was another worker... joined in the evening by that beautiful little daughter, Harriet Davis, whose heart fell visibly when another took the bicycle from the Surprise Christmas Tree...

The Stuart A. Frasers... (more men than women at the evening fair, and they seemed to be having real fun)... the Harrington E. Walkers... Mrs. Tom Paddock, presiding in the Lost & Found Dept. where a big blackboard listed items at hand... among things found, according to the blackboard, was a chimney; which makes us believe that even Santa called at Christ Church that day...

THRIFT SHOP TOY DRIVE

You'll help Santa with his Christmas Eve rounds this year, if you'll make a point of collecting all the toys your own tots have tired of and donating them to the Thrift Shop's annual Toy Sale which got under way this past Monday...

The toys are sold "as is" so don't send old dogs... but toys which proudly can be part of some child's Christmas... If it isn't convenient for you to take the toys to the Thrift Shop... chairman of the drive, Mrs. William Gallery Jr. says a call to Tuxedo 2-1427 will bring a collector winging...

Those helping Mrs. Gallery on the drive include Mrs. Berrien Eaton Jr... Mrs. Charles Wright III... Rosalie Packard... Lowrie Jones... Dottie Bennett... Cynthia Wilbur... Mrs. Forbes Howard... Elizabeth Archer... and Marjorie Ann Smith...

\$6,810 PAID

A total of \$6,810 was paid in claims by the Farms Firemen's and Policemen's Pension Fund in the 1948 fiscal year, which began March 1, according to Village Clerk Harry A. Furton.

Newlywed Allards Now Florida-Bound

Marlborough Avenue Home Awaits Honeymooning Couple; Three-Week Motor Tour Follows Nuptials Saturday in Memorial Church

A home on Marlborough avenue awaits Mr. and Mrs. Earl Henry Allard upon their return from a three-week motor trip to Sea Island, Ga., and Ft. Lauderdale, Fla. They were married Saturday at a ceremony in Grosse Pointe Memorial Church.

The bride, Helen Jean Gramley before her marriage, was wearing a Victorian style gown of ivory satin. Illusion ruching and seed pearls in rosebud design trimmed the high collar.

The shoulder yoke and long pointed sleeves also carried the seed pearl motif. A coronet of aliencon lace held her illusion veil, and she carried white baby chrysanthemums, rose, and stephanotis centered with a white orchid.

Jane Hughes, Corinne Clements and Mrs. Albert Berres, III, were bridesmaids. Mary Tudor was maid of honor. The four attendants were in emerald green satin gowns styled with drop shoulder necklines, fitted bodices, long sleeves and full skirts.

Tucked coronets of matching material were their headpieces and they carried cascade arrangements of white baby chrysanthemums and roses.

Eugene Rogers, Patrick Dunn and Vern Lane seated the guests. George Kushner served as Earl's best man.

The new Mrs. Allard is the daughter of Dr. and Mrs. William Gramley, of Bedford road. The Thomas Allards, of Novara road, are the bridegroom's parents.

A reception followed in the home of the bride's parents. A beige gabardine suit was the bride's choice for her going-away ensemble. She wore a matching felt hat, black accessories and an orchid.

Church Club Will Present Hagedorn's Famed Narrative

The Fortnighters Club of Grosse Pointe Memorial Church will present a dramatic reading of Hermann Hagedorn's famous narrative, "The Bomb That Fell On America," Wednesday evening, December 1, at 8:15 p.m., in the gymnasium auditorium of the Church house. The general public is invited to attend and no admission will be charged.

The leading roles will be taken by the Reverend Paul F. Ketchum as The Narrator, and David Livingston as The Lord. Others in the cast include: Joan Clark, Mr. and Mrs. Ray Craver, Arthur Dannecker, Jr., George Gerow, Joan McCarahan, Virginia Schultz, and Donald Sickelstele.

Assisting with the musical setting are Arthur Neff and Richard Young. The dramatic version with the accompanying music was arranged by Marie Joy Curtis who is also directing the production. Stage assistants include Wallace Ehrlich, Charles Reno, John Duncan.

"The Bomb That Fell on America," deals with the problems confronting the United States and the World today. The first scene describes the creation of the atom bomb and the reactions of people to this greatest of all scientific achievements. In scene two the Narrator experiences a vision in which The Lord appears to him and shows him how people today—even the best citizens—are falling far

Seek to Speed Farms Project

Farms Engineer Murray M. Smith's suggestion for making the contractors legally liable if any damage results from their failure to complete work on the sewer station addition by the Feb. 15 deadline was referred to the village attorney and public works committee at the last Council meeting.

The Council approved the idea in general after Smith pointed out that verbal hints by himself to the contractors already had spurred them to action. However, specific methods of making such action legal was left to the legal minds.

Smith said the contract called for no financial penalty if the job

wasn't finished by the Feb. 15 date, nor was any bonus specified if it were done ahead of time.

However, he reported, checks by himself had indicated some of the pumps might not be delivered before May. He said he thought it merely was a matter of spurring the contractors.

Police Holding Unclaimed Keys

If many more lost keys show up in the Farms police station without any claimants, Detective Sgt. Elmer Labadie is afraid the place will start looking like a locksmith's shop.

Michael McCarron, 9, of 311 Kerby road, found two car keys on Nov. 17 and they're still lying in the police station at 90 Kerby road unclaimed.

According to Labadie they're keys to a lock made by the Hurd Lock Company and carry a tag with the inscription "FK-674." He reasoned this might be an

Ohio license number, since that state has such a series.

The find brought the total to three sets of keys now waiting claimants there. One set, for a 1947 Dodge, has been there since last May. Another set apparently is for a General Motors product.

STORE REPORTS ROBBERY

Mrs. Harold Beatty, part owner of the Clothes Line at 397 Fisher, reported to the police on Nov. 19 that sometime within the past four or five days a piece of costume jewelry valued at \$25 was stolen from the shelf in their store.

Flooded Streets Cause Accident

Between 10 o'clock and 11 o'clock in the evening of November 19 reports came into the City Police station on Maumee that the rain had flooded the streets at Kercheval and Cadieux, at Charlevoix and University and at Rathbone and Jefferson.

A three-car automobile accident occurred at the same time in front of 17440 Jefferson, also from flooded street conditions. Archibald Trowbridge of 4820 Ashland going west on Jefferson had stopped for a street flood when Donald B. Siegfried of 960 N. Oxford, also going west, attempted to pass the Trowbridge car and struck it in the left rear. A second later he had hit a car stopped on the south side of Jefferson and driven by Walter McKenzie of 611 Drexel. Mr. McKenzie had been halted by the same flood.

The damage to the cars was not important.

Liberated Boxer Returns to Fold

Mrs. Mary A. Ward of 1175 Grayton reported to the police late in the afternoon of Nov. 17 that someone had cut their Boxer dog loose from his tie rope. She considered him entirely too valuable to be running about unattended.

Before the police had fairly started their hunt she phoned again that he had returned. The police believe that the dog was turned loose by some juveniles.

Carl Schweikart has been named chairman of the Grosse Pointe Goodfellows for the coming year. This is the fifth successive year Mr. Schweikart has acted as chairman.

Burglary Scare Quickly Banished

Discovery of a broken pane in the glass rear door of his house at 33 Elm court by Charles T. Glasgow brought Farms Detective Sgt. Elmer Labadie, Sgt. Andrew Allard and Patrolmen Eugene Boylan and Vernon Sylvester on the double last Friday afternoon.

Lack of other evidence of a burglary was explained later when Glasgow called Allard to report the window had been broken by his 15-year-old daughter, who apparently had lost or forgotten her key. Anyway, she apparently was in a hurry to get in.

Pointe Windows Targets Again

The juvenile window smashers in the Pointe who a few short weeks ago were in the habit of making repeated visitation to the same property on their wrecking excursions, have indicated a resumption of the practice.

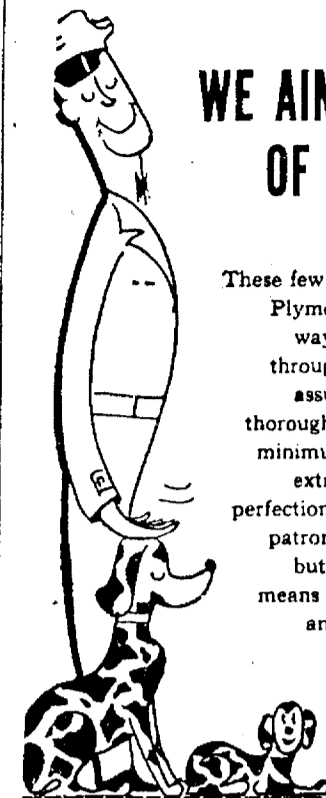

The Armstrong home at 617 Rivard had some windows broken on November 16. It was reported to the police and again on November 21, between 11 and 12 o'clock windows were smashed again.

The police announce they will have small patience with any resumption of the malicious mischief which was epidemic on the City and Farms recently. The echoes of that episode have not yet died down.

LIGHTS, WALKS OK'D
Requests for street lights on Lexington and Barclay roads and for sidewalks on the west side of Chalfonte avenue were approved by the Farms Council's public works committee at the last regular meeting, with the recommendation that installations be deferred until next spring so they can be included in the 1949 budget.

USEFUL FIREMEN!
A child locked in a bathroom at 311 Grosse Pointe boulevard, necessitated calling out the fire department the evening of Nov. 16. The firemen effected the rescue via a ladder and smashed a window.
