

LAWYERS STUDY MEMORIAL ISSUE

HEADLINES of the WEEK

As Compiled by the Grosse Pointe News

THURSDAY, DEC. 9
Birthday in 1594 of Gustavus Adolphus, the military genius of his age... birthday in 1608 of John Milton, author of "Paradise Lost"... Italo-Ethiopian war started this day in 1934.

THE MICHIGAN BELL settles with its employees (communication workers), on the basis of \$4 and \$6 wage increase, the reinstatement of 22 employees suspended for work stoppage and a no-strike clause in the contract... company to seek a new rate hike.

FOLLOWING POLICE COMMISSIONER TOY'S request for 1,200 more policemen for Detroit staff writer for the Free Press delves into police-population statistics for the nation's seven largest cities... says Detroit now equals New York in having 23 policemen for every 10,000 of population and exceeds all of the others... With the increase asked for it would have 30 policemen for every 10,000... ratio in other cities is each 10,000: Washington 21, Baltimore 21, Chicago 20, Cleveland 17, New Orleans 15... Los Angeles comes next highest with 22, but has 448 square miles of territory to cover compared with Detroit's 137... Detroit now has 4,218; Toy wants 5,445.

THE MICHIGAN LEGISLATURE by raising its own pay and that of Supreme Court Justices and all elective officials, has added \$300,000 annually to the State's payroll.

THE STOLEN STATE DEPARTMENT DOCUMENTS found in the Whitaker Chambers cache relate to secret trade agreements with Nazi Germany in 1937-38 and show that we backed Neville Chamberlain's appeasement policy... believed that knowledge of the American-German trade agreements prompted Russia to enter into her non-aggression pact with Germany in August '39 now generally agreed to have had a powerful influence on Germany to start the war.

Friday, Dec. 10
On this day in 1824 Marquis de Lafayette, on a visit to the United States, was welcomed to Congress by Henry Clay. Lafayette College given his name... Death in 1896 of Alfred Bernhard Nobel, founder of Nobel endowment for peace... In 1898 treaty of peace with Spain was concluded which marked end of Spanish-American war. We paid Spain \$20,000,000 for certain ceded areas in West Indies and Philippines... President Theodore Roosevelt awarded Nobel prize for securing peace between Japan and Russia, 1906... General Patton in an automobile crash which resulted in his death a few days later in 1945.

THE SQUABBLE BETWEEN THE Department of Justice and the House un-American Activities committee looks like a case of "cover up" vs. "tear off the lid"... spy versus spurn President's hush, hush plea.

IN THE CELEBRATION OF THE 100,000,000th automobile Charles F. Kettering says the future of the automobile is "as limitless as man's imagination."

BURGLARIES IN DETROIT have gone up three-fold, says a researcher on the Free Press; results in huge property losses and high insurance rates.

MADAM CHIANG, coming to this country with her request for help for her Generalissimo husband, is courteously and not enthusiastically received, as on the occasion of her previous visit... has tea with the President... on her other trip addressed a joint session of Congress.

SIGNS MULTIPLY that all is not well in the communist camp in Russia; gripped by fear of sabotage in Berlin.

SECRETARY OF COMMERCE Charles Sawyer, assures American business that it will not be (Continued On Page 22)

At Work to Make Christmas Merry for Orphan Boys

MEMBERS OF THE CAMPFIRE GIRLS and BLUEBIRDS of the St. Joan of Arc School have been busy filling stockings for the boys of the St. Francis Home and Sigma Gamma Orthopedic Hospital. This bevy of young beauties is representative of the more than 75 girls of seven groups who have been participating in the activity. Left to right are: THELMA MUIRHEAD, SHARRON KELLY, MARIETTA LOURCH, SUSAN BIGLIN, SUSAN GMEINER and DENISE DODGE.

High School Helps Santa Spread Cheer

Students Busy Soliciting Food and Clothing for Yule Distribution

The All-School Drive being conducted by the students of Grosse Pointe High to spread Christmas cheer throughout the Pointe, Detroit, and to the far corners of the earth, has been held open until Monday to give all Pointers so wishing, a chance to participate in the movement.

The Student Association is directing the big campaign to get articles for the needy. Clothing, supplies such as soap, towels, washcloths, etc., canned goods and games and toys are being solicited.

Collections are being taken to the homes of the students. Pickups will be made at any home wishing to make a contribution. This can be arranged by calling Niagara 8023.

All the clothing and supplies will be turned over to CARE to be distributed wherever that internationally operating agency decides they will do the most good.

The canned goods and toys will remain in the Pointe-Detroit area. The students have contacted various social agencies here and a list of needy families has been furnished. The students will take care of the distribution before Christmas.

Police Car Hit On E. Jefferson

One of the Farms police cars figured in a minor accident in Detroit on the afternoon of Dec. 9.

Detective Sergeant Elmer Labadie and Detective George Champlain, driving east on Jefferson, had stopped for the light at Dickerson. Their car was rammed in the rear by one driven by Joyce Sanchez of 340 N. Dragoon, Detroit.

Damage to the police car was estimated at about \$20.

Help Needed to Bring Yule Joy to Dead Heroes' Kids

Pointers have a chance to participate in bringing Christmas joy to the children of deceased war veterans when the annual yule party is given for them on Sunday, Dec. 19.

The event will take place in the G.A.R. Building, Grand River at Cass, from 3 to 6 p.m. It is expected more than 100 of the youngsters will be present to see movies and await the visit from Santa Claus. Luncheon will be served following the movie. The Gold Star Wives of Metropolitan Detroit sponsor this annual event which means so much to the children and widows of the dead war heroes. Many of these families are desperately in need of help and donations are most gratefully received.

Pointers wishing to send money, toys or children's clothing are urged to get them to Mrs. Henrietta Nee of 175 Muir road, telephone TUxedo 1-5322.

Farms Voters Will Ballot On Question of Conversion To City at March Election

Special Committee's Report Covering Long Study Unanimously Approved at Meeting of Village Board of Trustees

The residents of Grosse Pointe Farms will be asked to vote at the village elections on the second Monday of March on the question of whether they wish to change their municipal form of government from that of an incorporated village to a city.

The way was cleared last week for putting the question to a vote by all qualified electors. The board of trustees of the village met on Thursday night, December 9, and unanimously approved a resolution accepting a recommendation of the Special Committee on City Government Plan that the subject be placed on the ballot in March.

Unanimous Opinion
The committee unanimously recommended to the citizens of the village, through the village council, that it petition the council to put the question to a vote. The committee is composed of William F. Connolly, Jr., chairman; Harry Dey, Henry H. Hubbard, Joseph R. Parker, Remington Purdy and Renville Wheat.

Mr. Connolly and Mr. Hubbard are members of the village board of trustees. The others are citizens asked to serve on the special committee.

Long, Long Study
The committee has held many meetings since it was formed last April and has made a most extensive study of the question. It has given careful attention to a report submitted by the Michigan Municipal League to Grosse Pointe Park and Grosse Pointe Shores, at the request of these villages, on the advantages of city versus village government. Also studied was a revised report of the league, dated September 1948.

No New Question
The question is not a new one in the Farms. As far back as 1939 another committee submitted a report to the council in which the adoption of a city form of government was recommended. This first committee was comprised of Cleveland Thurber, John S. Sweeney, Jr., Ben O. Shepherd, George D. Bailey and Selden S. Dickinson, chairman.

In helping the committee arrive at its conclusions Mr. Parker corresponded with the mayors of a great many Michigan municipalities which have changed from the village to city form of government. His replies showed that 95 percent of the mayors, including Mayor Ralph B. Nettling of the City of Grosse Pointe, believed the change had brought (Continued on Page 2)

Goodfellows Raise \$6000

Annual Sale of Newspapers in Pointe Again Outstanding Success

Up to the close of banking hours on Tuesday night, December 14, the National Bank of Detroit, which is the depository for the Goodfellows' Christmas collection in the Pointe, reported that the Pointe collections thus far totaled slightly over \$5800.

Still Coming In
There were a number of reports still to come in and Willard Hosking of the bank, who is special tabulator for this collection, was confident the total would run over \$6,000. This would equal or slightly exceed the collection last year.

The sale of newspapers on the Pointe streets was again carried on by the Grosse Pointe Lions Club, with the help of all the firemen and policemen of the community.

Men's Night Again Breaks All Records

Swarms of Males Invade Village to Enjoy Annual Shopping Spree

Another Grosse Pointe "Men's Night" has gone down into history accompanied by peans of praise for the merchants who have banded together to make Christmas shopping a joyful event for the males of the community.

The third annual observance of this custom which has become a much-cherished Pointe institution, saw all records broken for attendance and volume of sales on Monday night, December 13.

100 Per Cent Masculine
The city police said they hadn't seen such a crowd in the three block section of Kercheval between Cadieux and Neff roads since the Halloween street party in 1941. And this crowd was 100 per cent masculine.

The majority of the store owners and proprietors reported Tuesday that they couldn't have done any more business. The sales staffs, wrapping departments and cashiers were taxed to capacity throughout the three-hour session from 7 to 10 p.m.

Went Prepared
The women didn't send their men out completely unprepared. Most of them carried shopping lists which had been carefully edited by their better halves to avoid errors as to size, color, etc.

The lingerie departments did a landoffice business with pretty girls galore to help with the selections. Cosmetic and costume jewelry counters also were swamped.

Models Helpful
Many of the stores hired extra models to help put ideas (about gifts), into the heads of the shoppers. Cigarettes were on the house and some of the establishments had refreshments to help stave off any signs of weariness.

One old gentleman who had obviously spent most of his time in the refreshment departments, was seen standing on the curb, apparently trying to make up his mind where his next stop would be. A chauffeur-driven car pulled up alongside and a matron struck her head out of the window to announce: "You've shopped long enough. Get in!" He got... and another "Men's Night" had ended for him.

Many Reunions
Many were the reunions that took place in the stores and all up and down Kercheval. Friends who apparently hadn't seen each other for months, stopped to visit between purchases or while waiting for gifts to be wrapped.

"This is a terrific idea," said John Chapin of 1815 Ford court. "Why hasn't someone gotten me down here before?"

Dr. John M. Murphy of Lewiston road, who just moved to the Pointe last January, thought the event had all the pleasant aspects (Continued on Page 8)

\$750,000 Addition To Cottage Hospital Part of Vast Plan

Campaign to Raise \$19,720,000 to Increase Facilities in Whole Detroit Area Announced by Fund President, James B. Webber, Jr.

The capacity of Cottage Hospital will be doubled as part of the Greater Detroit Hospital Fund's \$19,720,000 program to strengthen the voluntary hospital system of the metropolitan area, it was announced this week by James B. Webber, Jr., of Lothrop road, Grosse Pointe Farms, president of the Fund.

A \$750,000 allocation will make possible the construction of a new wing at Cottage, increasing the number of beds for patients from 51 to 101, and expanding laboratory and surgical facilities. The laundry and heating plant will also be enlarged.

One of 14 Projects
Mr. Webber said the Cottage Hospital project is one of 14 included in the Fund, four involving the construction of new hospitals and ten representing expansion and modernization of existing physical plants. More than 1,500 additional beds for adults and child patients, and corresponding additions in technical and service facilities, will be supplied through these 14 building projects.

In launching the fund-raising phase of the program, Mr. Webber emphasized that a single, federated campaign, largest and most comprehensive of its kind ever undertaken in the United States, is to be conducted to obtain the \$19,720,000 and is expected to be completed by (Continued on Page 4)

Coach Lines Raise Wages Of Employees

Increase of 7 1/2 Per Cent Provided in New Contract Effective Jan. 1

The Lake Shore Coach Lines, Inc., has executed a contract with its employees covering wages for the coming year. It goes into effect on January 1, 1949.

The contract was executed by A. F. of L. Local No. 1376 on behalf of the men on Friday night, December 10. It provides for a straight across-the-board increase for all employees of 7 1/2 percent, or, as applied to the drivers and mechanics, 10c per hour.

At the conference held several weeks ago between President Walter Schweikart and representatives from the five Pointe municipalities, Mr. Schweikart stated that an increase in wages would have to be provided for the employees and said he was heartily in sympathy with their request.

Needs More Revenue
The ability of the bus company to pay any increase would depend on the company getting more revenues. He had invited the representatives of the Pointe to meet with him to discuss this matter.

His proposition was that the basic fares should not be disturbed but that the use of the 10-ticket books should be abolished. Those sections of the Pointe where books had been used at the rate of ten rides for \$1.85 would pay the straight fare of 20c and where the books were sold at ten rides for \$1.35 the fare would be a straight 15c.

Would Net \$17,000
He calculated that this change would net the company about \$17,000 a year additional revenue. The increase in the wages of the employees and other charges to which the bus Company was committed would be about \$23,000 a year. They hoped for additional business to bridge this gap after the wage agreement and the straight fares matter had been settled.

The general consensus of the municipal representatives at this meeting was that if the bus company signed a contract with its men there need be no opposition to the straight fare plan proposed.

Woods Acts First
The Woods Council took action at the meeting on Dec. 7 not to oppose the proposed increase in fares on the information that the coach company had consummated a contract with the employees which gave the men increased pay.

The change in fare for the Woods residents means that they will no longer be able to buy the book tickets of 10 rides for \$1.85 but will pay a straight 20c per ride.

Happy Days

The Grosse Pointe Schools close for the holiday vacation with the end of the school day on Wednesday, Dec. 22, and will open on Monday, January 3.

Two Thugs Grab Checkbook But Miss Victim's Wallet

Ernest Sevenser of 1032 Waynurn was strong-armed by two young men in front of St. Ambrose Church shortly after 10 o'clock in the evening of December 10.

He had left his bank for a brief errand and was aware that two men who had just passed him were following him. They grabbed him violently from the rear and threw him to the sidewalk. He lay still and one of them told him to hand over his money. He said he had no money and one of them said "you are a liar."

With that they went through his pockets and took a book of blank checks which was in a case strongly resembling a pocket book. With that they ran east on Hampton and disappeared.

The joke on the highwaymen was that they got something that was utterly worthless to them and overlooked his real wallet. The Detroit police reported two holdups that same night by two young men who followed the same technique of turning suddenly and throwing their victim from the rear.

The men who held up Sevenser were apparently 20-22 years old. They wore overcoats but no hats. This also answered the description of the Detroit robbers.

Alger Heirs Wait Finding Of Attorneys

Township's Proposal to Take Over Property Launches Legal Probe

A quick answer to the War Memorial-Alger House questions will probably not be forthcoming, developments this week indicated. However, progress is being made toward a solution of the issues that have been hotly debated in the Pointe during the past three weeks.

When the School Board rejected the offer of Alger House as a War Memorial Library, the Township Board came forward and offered to take over the property. It unanimously passed a resolution at a special meeting on December 7, asking the Alger heirs to turn over Alger House to it, to be used for the benefit of all the residents of the Pointe as a war memorial.

Study Legal Angles
The transfer of the property to the township would involve a number of legal angles, which are now the subject of an intensive study being carried on by Julius Berns, township attorney, and members of the board.

There appears to be no doubt that the township has the legal right to accept Alger House. The legal process of assuming its maintenance as a war memorial appears entirely feasible, but there are mechanics which have to be worked out. These are now being undertaken.

Want No Repetition
Alger heirs, having just been subjected to a most unfortunate experience in having the property turned down by the School Board, would naturally be most loath to lay themselves open to a repetition of such an occurrence. It is understood the Alger heirs feel there is no great rush about committing themselves.

Tremendous support was given to the idea of having Alger House for a war memorial following the revelation that the School Board had turned it down as a library. Many close friends of the family have urged them to let the property be used as a War Memorial Community Center, if the legal technicalities can be satisfactorily solved.

The status of the issue now appears to be that the family is awaiting the findings of the township attorneys before announcing its decision about the disposal of the property.

Woods Approves Sale of Bonds

The Woods Council at the meeting on Tuesday, December 7, authorized the sale of its \$81,000 bond issue to H. V. Sattley and Co. Inc., and McDonald, Moore and Company.

The proceeds are to be applied to the purchase of new fire apparatus, \$20,000; for improvements and enlargement of the fire and police quarters in the municipal building, \$20,000; and for the construction of three concrete bridges across Milk river and for the cleaning out of the sludge and refuse in a part of the channel of the river, \$41,000.

This latter item is covered by drainage bonds. Following the authorization of the sale of the \$41,000 of drainage bonds the Council let the contract for the construction of the three concrete bridges over Milk river at Hampton, Roslyn and Hawthorne to John C. Westphal for \$29,000.

House Ransacked In N. Oxford Rd.

The members of the W. J. Fricker family of 801 N. Oxford road left the home at 3:45 p. m. on Dec. 11 and returned at 1:30 a. m. on Dec. 12 to find the house ransacked.

Thieves had gotten in by breaking a rear window in the kitchen. They stole an International Sterling silver set, bearing the monogram "F.", a large assortment of table linen, a Zenith portable radio, a portable typewriter, a large aviation traveling bag, a platinum wrist watch and a platinum wedding ring. The total value of the articles taken was over \$1,000.

Thus far the police have obtained no clues.

Democracy must be successfully lived before it can be successfully proclaimed.

Farms Voters to Ballot on Conversion to City

(Continued from Page 1) many advantages and has been a very good move.

In Same Position
The Park and Shores are also considering asking for a vote on the same question. Whether it will be on the ballots on these villages this year has not been announced. The Park voted on the question in 1942 and turned down the proposal.

Farms Village Clerk Harry Furton stated that only 100 signatures are needed on the petitions to get the question put on the ballot. These petitions are now being circulated.

At the same election the residents will be asked to pick a charter commission of nine members to draw up a charter for the city, should the recommendation for conversion be approved. If the voters turned down the proposal of course there would be no need for a charter commission.

Would Start Big Job
If the proposal is accepted the charter commission would then start the task of framing a charter. The commission members would receive no pay, but would undoubtedly hire an expert consultant to work with them on drawing up the charter.

The final charter, as adopted by the commission, would have to be approved at another vote of the qualified electors of the village before it could be legally adopted. The permission of the Governor would also have to be given for an election on the charter adoption.

The full report of the special committee as approved by the board of trustees follows:

The Report

December 1, 1948

To The Village Council:

Your committee respectfully submits the following final report in the above matter.

On May 1, 1948, the committee issued an interim report advising that the members of the committee had thoroughly studied the comprehensive report prepared for the Village of Grosse Pointe Park by the Michigan Municipal League in October, 1947 entitled: "Study of City Incorporation," and subsequently discussed and analyzed further important factors and points pertinent to the subject of incorporating the village as a city.

The committee at that time issued the following statement:

"The committee has not prepared its final report on the question of the adoption of a city form of government for the village of Grosse Pointe Farms, but it has not found any valid argument against a favorable report."

The committee also made the following recommendations to the Council:

1. That the Council recommend to the adjoining Grosse

Pointe municipalities that immediate steps be taken to place police radio in the control of the village or city government, and that these communities join in the installation of a radio system to be jointly operated."

2. "That the village council notify the authorities of the township of Grosse Pointe to withhold any major capital expenditures for equipment to change over the present radio station to FM unless requested to do so jointly by the municipalities."

The committee was subsequently advised that the Council had acted favorably on the recommendations.

Subsequent to the above report, the Village Clerk obtained copies of a special publication dated September 1948, prepared by the Michigan Municipal League on the advantages of city versus village government, also a report dated November 23, 1938 prepared by a committee of citizens in which the adoption of the city form of government was recommended, as well as other information to aid the committee's work.

On November 22, 1948, the committee met in the Village Hall, Mr. John Iglauer, assistant director of the Michigan Municipal League, was present on invitation.

Mr. Parker reported that following the last meeting of the committee, he had written a number of municipalities which have changed from village to city government asking for a report on operations under the city plan as compared to village. He said that 95 per cent of all communities reported a more favorable operation under the city plan of government.

The committee carefully reviewed all factors involved in changing to a city plan of government and its study was aided by Mr. John Iglauer who has been active in promoting good government of all types in Michigan for many years.

The committee offers the following brief summary of advantages in changing from village to city government.

1. Village residents in Michigan live under and support two local units of government, the village and the township. All other residents live under and support only one local unit, either a city government or a township government outside of a vil-

lage. Thus, the people of Grosse Pointe Farms support two overlapping governmental structures. The village, after its incorporation as a city, could provide complete governmental services, thereby eliminating duplicating costs which presently exist in the operation of two governments.

Changing, reduced to its simplest terms, merely means withdrawing from the township, continuing to provide through the new city government the local municipal services presently provided by the village, and adding whatever necessary and non-duplicating functions presently carried on by the township.

2. By home rule city government:

(a) Duplicate property assessments and duplicate boards of review will be eliminated. At present the village has an assessor and the township has an assessor and both provide boards of review.

(b) Residents will receive and pay all bills through one local office, thus avoiding present confusion in tax bills.

(c) Duplicate sets of voting registration records will be eliminated. At present the village and township maintain separate systems.

(d) Voting precincts could be arranged for the best advantage and citizens would vote in the same place for all elections.

(e) The city will have direct representation on the Board of County Supervisors. The village does not elect or appoint its supervisors to represent it, but representation is had only through the township.

(f) The judiciary will be elected by voters of the city community from its own citizens.

3. Other advantages in the adoption of a city form of government are as follows:

Simplification of government. As village residents, citizens are a part of two local governments. They are governed by two governing bodies, one for village purposes and one for township purposes, and the township government is only partly responsible to the village citizens because it serves a much larger area.

It may not be a major problem to deal with two local governments, but it is an unnecessary inconvenience, annoyance, and waste of time, and the net effect is a lack of interest in and control of the "second" or township

government. As a city, all local affairs are managed by one government, organized by citizens of the urban area, and responsible only to them.

Removal of partisan element in local affairs. Township elections are on a partisan basis (candidates appear on the ballot as Democrats or Republicans.) Most municipal charters provide for non-partisan elections, because it is generally accepted that local issues may be brought more clearly into focus if they are devoid of county, state and national politics.

No change in character of community. It should be emphasized that calling a municipality a "city" instead of a "village" produces no change whatsoever in the social and economic character of the community or the people living in it.

No change in school districts, health or welfare. Health and welfare are administered and financed either on a county-wide basis, or by townships and cities; therefore the city taxpayers would simply continue to pay for such services through the city. School districts in Michigan are separate and distinct from municipalities and there would be no change in the size or organization of the school districts in a new city.

Automatic charter revision. The procedure in becoming a city requires that a charter commission be elected to draft a municipal charter; the existing village charter cannot automatically apply to the new city. This compulsory preparation of a new charter usually results in modernizing and improving the form of government.

4. Improving organization. In addition to the advantages of city incorporation which arise from separation from the township, there is also the important possibility of improving the organization of the local government itself. The village operates under the General Village Law of the State of Michigan, passed 53 years ago. This out-of-date law does not provide the flexibility or the self-determination of form of government provided in the Home Rule Act for cities. Operating as a "Home Rule City" permits an up-to-date and efficient form of governmental organization with a modern city charter adapted to the peculiarities of the community.

Health Called Greatest Gift

It's part of the American Christmas spirit—to give the greatest gift of all... health, life itself.

It began in 1907, this idea of buying Christmas Seals with the double-barred cross in red to overcome tuberculosis... and each Christmas since, the crescendo has swelled. Last year, it reached a mighty chorus of more than 15,000,000 American families.

You were probably included, and your local TB and Health Society thanks you again and again. If not, join in. Add even a tiny remembrance to the bottom of this year's Christmas list.

Send your contribution to the TB and Health Society, 153 E. Elizabeth, Detroit 1, Michigan. If you didn't receive seals which carry the double-barred cross in red and wish to have some, just call the TB and Health Society, Cadillac 1697.

You and your friends are cordially invited to visit the new home of

Inter-Municipal Radio Plan Formally Approved by Park

Commissioners Are First to Act Officially on Proposal to Take Police Broadcasts Away From Township

The proposal to set up a Grosse Pointe Inter-Municipal Police Radio Service was formally approved by the Board of Commissioners of Grosse Pointe Park at their meeting on December 13.

This proposal has been under consideration for a long time. The action of the Park was the first affirmative action by any of the Pointe municipalities.

The plan is to take over the police radio function now carried on by the township for the four villages. The city has had its own radio service for a long time. The hope of the proponents of the plan is that the city will go along with the plan. The city's only commitment to the plan is that it will give it careful con-

sideration after the plan has been perfected. The city is loath to give up its present system, for which it has its own channel.

Plan Central Station
The plan is that a central station will be set up in the Farms, which will be maintained and operated by that municipality and it is to be compensated by the other municipalities on some equitable pro rata basis. The system is represented to be wholly automatic and will do away with the necessity of a central control channeling station as it is now done at the station on Vernier.

The plan has been worked out by experts and it is claimed by its proponents to be both more efficient and cheaper to operate. Each one of the five police stations would broadcast and in addition each police patrol car would be able to broadcast and receive.

Township's Argument
The Township's contention has been that the central manually operated system is the only method to prevent confusion and a jamming of the service. The township's service has been costing the four villages about \$20,000 annually.

It's not "Be your age." It's "See your age"—and then grow up.

Their Labors Gave Pointe New Church

The Building Committee of St. James Lutheran Church, whose beautiful new edifice in McMillan road was dedicated on December 5. Left to right, are ERNEST MOELLER, SR., DR. AUSTIN NEEB, WARREN WRESSELL, EDWARD BAUMAN, chairman, FRED WUEBOLD and FRED HOLMES.

\$500 Big Story Award Won By Keeping Faith in Santa

It has taken Santa Claus a little while to square the score, but John Wagner, who wouldn't let even one little lost girl lose her faith in the genial gentleman, is to receive the \$500 Pall Mall award for outstanding journalism on "The Big Story" program over NBC Wednesday, December 22, at 10 p.m.

Mr. Wagner lives at 1314 Hampton road in Grosse Pointe Woods. He is assistant city editor of the Detroit Free Press.

Radio actor Martin Wolfson is to portray Mr. Wagner in the factual story written for the columns of the Free Press. Child radio actress Joan Lazar also has an important role in the dramatization. All names of characters except Mr. Wagner's have been fictionalized.

Mr. Wagner, like many newspapermen, had to work one Christmas Day. There was more of the spirit of Scrooge in the almost deserted city room than St. Nick could have dispelled in a week of hard work.

Then came the faint thread of a story when a little girl was picked up wandering the streets looking for the Santa Claus with the little bell and the bucket on a tripod.

Christmas human interest fea-

ture on a dull news day? Well, yes... but not the usual thing with policemen buying lollipops and posing with wide grins for the photographers.

This became a big story... and assistant city editor John Wagner made it happen with the help of the oddest collection of deputies Santa Claus ever swore in for any occasion.

Canine Voices Protest Over Happy Gathering

A dog barking persistently within the house at 861 Whittier at 1:30 a.m. on November 28 led the occupants to phone the police in the belief there was a burglar within the house.

The police learned that the dog barking was only a canine protest against a particularly happy party in progress in the neighborhood.

SLINGSHOT SUSPECTED

Farms police were notified on Dec. 13 that someone had broken a window in the car of G. Marselle of 335 Moross road, while it was parked in his garage the night before. Mr. Marselle said he thought it had been broken with a slingshot.

Report of Fire Logical Error

A phone message was received at the Woods fire station at 11:20 a. m. on December 8 that smoke was pouring from a house at 1993 Country Club drive.

When the firemen arrived they found that a man was steaming off the old wall paper and what the informant took to be smoke pouring out of the windows was steam.

Pedestrian Hit On Fisher Road

Osie Robinson, 35, of 7404 Cameron avenue, Detroit, escaped serious injury when he was struck by a car on Fisher road near Grosse Pointe boulevard at 5:48 p.m. on December 10.

According to the report of Farms police officers Allor and Seelow, Robinson ran across Fisher from the west toward the east curb, in the path of a car being driven north on Fisher by Charles Saccety of 11520 Wayburn.

The front bumper struck Robinson on the knee knocking him to the pavement. He was treated at Cottage Hospital for scratches of the forehead and left hand.

There are many little things that we can do alone but magnificent things that we can do together.

Big Hospital Addition Planned

(Continued from Page 1) pected to continue until the summer of 1950.

Growing Demand
"Through the allocation of \$750,000, it will be possible to enlarge Cottage Hospital to the point where it can meet the growing demand for hospital care in the Grosse Pointe area," the Fund president said, "and at the same time operate with increased efficiency and economy."

Webber's report on increased facilities planned for this area was made as the Fund executive committee approved recommendations submitted by an admissions and allocations committee which, under the chairmanship of William J. Norton, developed the community-wide program for integrated hospital expansion.

Norton and Dr. Bruce H. Douglas, Detroit's health commissioner and member of the admissions committee, also were present when the announcement was made.

Four New Hospitals
The four new hospitals included in the master plan, and the Fund allocation for each, are: a 200-bed general hospital in western Wayne County, \$3,000,000; Jewish hospital, with 222 beds, in Northwestern Detroit, \$2,500,000; St. John Hospital, with 200 beds, on Detroit's east side, \$2,000,000; and a 200-bed general hospital in southern Oakland County, \$3,500,000.

Existing hospitals to be expanded, and their respective allocations, are: Children's, \$750,000; Cottage, \$750,000; Detroit Osteopathic, \$200,000; Florence Crittenton, \$570,000; Grace Northwestern, \$1,250,000; Harper, \$500,000; Mt. Carmel Mercy, \$1,000,000; Providence, \$550,000; St. Joseph Mercy (Pontiac), \$650,000; and Woman's, \$1,500,000.

To Cost \$28,000,000
The total construction cost of the 14 projects is estimated at \$28,000,000, of which approximately \$8,000,000 is on hand, as a result of campaigns previously conducted by individual participating hospitals, or anticipated from other sources.

Norton stressed the committee's approval of the decision to conduct a single federated campaign for \$19,720,000. The more than 30 individual hospital building programs contemplated before the Fund was formed would have cost more than \$60,000,000, he said. Such a long series of unrelated campaigns would have been too costly to succeed, in most instances, and would still have resulted in bed shortages in some areas, the committee's findings indicated.

Four Big Problems
The Fund program is designed to correct four pressing hospital problems now confronting Greater Detroit residents, the committee chairman reported.

1. The additional 1,500 beds and the new facilities will permit admission of 40,000 more patients annually, relieving present overcrowded conditions in the hospitals of the metropolitan area.

2. Modern accommodations and facilities for diagnosis and treatment will supplant obsolete structures not suitable for the medical practice of today.

The four new hospitals and expanded existing ones will bring service to neighborhoods now without hospital facilities. Hospital care will be within easy reach of every resident of Greater Detroit, Norton remarked.

4. Enlargement of all participating hospitals to a capacity of more than 100 beds each, and most to at least 200, will result in greater efficiency and economy and will supply increased facilities for a much-needed broadening of advanced training programs for young physicians and surgeons.

Made Year-Long Survey
Dr. Douglas, chairman of the Detroit Regional Hospital Survey Committee, pointed out that the master plan is based on the findings of a year-long survey of hospital needs and existing services in tri-county Detroit.

Referring to the admissions committee report, he said hospital admissions have almost doubled in the past decade and the percentage of babies born in Detroit hospitals in that period has jumped from 68.3 to 97.7.

Other statistics in the report show that 15 percent of existing hospital accommodations are

in structures considered obsolete, and that 70 percent of the area's hospital facilities are concentrated in the heart of Detroit, with only 30 percent serving outlying sections.

Better Distribution
The health commissioner expressed emphatic approval of the aims "to relieve dangerous overcrowding, to correct uneven distribution of hospital facilities, to modernize our hospitals and to enlarge them to optimum size."

This \$19,720,000 program of the Greater Detroit Hospital Fund is realistic in its scope and objective," Dr. Douglas said. "When it is completed, we can expect a voluntary hospital system here that will meet the demands of the community for a long, long time."

Only voluntary, non-profit hospitals were eligible for inclusion in the Fund program, according to the report of the admissions committee, and government mental hospitals, traditionally built with tax funds, were not considered for participation. Projects not contemplated before the formation of the Greater Detroit Hospital Fund also were not considered.

To Set Up Reserve
In addition to the allocations made to each hospital, a reserve item of \$1,000,000 is included for contingencies, campaign expenses and shrinkage in collection of pledges.

Approval of the master plan was voted by the Fund's executive committee, consisting of Webber as chairman; Edwin J. Anderson, Irving Babcock, George D. Bailey, John S. Coleman, Dr. Warren B. Cooksey, Marvin E. Coyle, B. J. Craig, Dr. Douglas Donald, Health Commissioner Douglas, Raymond Dykema, George R. Fink, Charles T. Fisher, Jr., Henry Ford II, John B. Ford, Jr., Mrs. Carl B. Grawn, B. E. Hutchinson, E. F. Johnson, Ernest Kanzler, Thomas N. Lacy, Walter C. Laidlaw, Robert H. MacRae, Frank X. Martel, Neil C. McMath, Peter J. Monaghan, J. Norton, James W. Parker, W. Dean Robinson, August Scholle, Nate S. Shaper, Joseph A. Vance, Jr., James K. Watkins, Oscar Webber, George Walsh, Melville S. Welt, R. Roy Williams, Mrs. William R. Yaw and Mrs. Benjamin E. Young.

The admissions and allocations committee, which developed the program, includes: Mr. Norton, chairman; Dr. E. Dwight Barnett, Martin Butzel, Mark N. Beach, Reverend Mother Carmelita, Dr. Cooksey, Dr. Douglas, John B. Ford, Sr., Robert E. Geoghegan, Hon. Henry S. Hubbert, Laidlaw, MacRae, McMath, Monaghan, Parker, Isidore Sobeloff and Stuart E. Walker.

Parties to Precede Yale Club's Concert

Many Patrons Listed for Gala Event to Be Held in Music Hall Saturday Night; League Transfers to Hold Dinner

Parties galore will be given Saturday evening, Dec. 18, both before and after the appearance of the Yale Glee Club at Music Hall. The Transfer Club of the Junior League has planned a dinner party at the Country Club preceding the concert.

Mrs. Robert H. Shaw is chairman of the party, assisted by Mrs. Albert Jaehle, Jr., president of the Transfer Club. Among those at the dinner will be Mr. and Mrs. John M. S. Hutchinson, Mr. and Mrs. James McEvoy, Mr. and Mrs. Daniel W. Goodenough and Mr. and Mrs. Harold Beaty.

Patrons for the Yale Glee Club's appearance here, who will be at the performance, include Mr. and Mrs. William Reeve

Many to Attend DAR Conference

Louisa St. Clair Chapter D.A.R. will be well represented at the forthcoming state conference to be held in Flint. An imposing number, attending ex-officio, will accompany the regent, Mrs. Millard H. Toncray.

Among these will be Mrs. Henry B. Joy, honorary vice-president general; Mrs. Arthur Maxwell Parker, honorary state regent; Mrs. Walter C. Pomeroy, state first vice-regent.

State officers Mrs. William F. Streit and Mrs. Sterling Sanford will be with this group.

Delegates elected are: Miss Eloise O. Goddard, Mrs. Harold M. Hastings, Mrs. Frank Scott Clark, Miss Elizabeth Coolidge, Mrs. Roy DeHart, Mrs. Sidney C. Probert, Mrs. William D. Lent-Koop, Mrs. Raymond Berry, Mrs. Walker Graham, Mrs. Charles Lewis and Mrs. Hansel Dwight Wilson.

Alternates elected are: Mrs. S. Wright Bellingher, Mrs. Zeben R. Peterson, Mrs. James Reid, Miss Ella R. Lyons, Mrs. Charles Warner, Mrs. Charles Horton Metcalf, Mrs. Harold H. Albinson, Mrs. Robert L. Kerr, Mrs. Dorman Rogers and Mrs. Herman E. Grant.

Mrs. Melvin H. Humphrey and Mrs. Stirling Martin will represent the Junior Group. Mrs. Robert O. Artner will be page chairman.

Mrs. Robert June will escort this year's group of high school "pilgrims" selected for awards through reports of meritorious conduct and good citizenship in their localities.

New members welcomed into the chapter at its recent meeting by the regent, Mrs. Millard Toncray, were: Mrs. Wells T. Bray, Mrs. Glenn D. Curtis, Mrs. Jack Melvin Deetz, Mrs. Theodore J. Gardner, Mrs. Albert A. Griffiths, Mrs. Tracy Kane Hastings, Mrs. Charles S. Johnson, Mrs. Paul A. Lang, Mrs. Lafe E. McKittrick, Mrs. A. William Orr Jr.

Also Mrs. Edwin A. Snyder, Mrs. Ira Steinsulz, Mrs. Henry E. Wenger, Mrs. Lee M. Corless, Mrs. Robert L. Wright, Mrs. Cyril E. Fites, Miss Peggy Lou Toncray, Miss Irene Steinsulz, Miss Alice S. Crabb, Miss Mary Cobane and Miss Elsa Albinson.

Sorosis to Fete Mrs. Williams

Mrs. G. Mennen Williams, wife of the governor-elect and an active member of the Detroit Alumnae of Collegiate Sorosis, will be honored on Dec. 19, when that group holds its holiday tea in the home of Frances Walker.

June Retzlaff, general chairman, will be assisted by Mary Caroline Wade and Carol Evans. Mrs. Thornton E. Waterfall, Mrs. Ward A. Detwiler, Mrs. James A. Lafer and Mrs. Harold M. Hastings will alternate at the tea table.

Postage Stamps Can Save Lives

About dinner time on a holiday evening last year a radio announcer broadcast a message something like this:

"If you are driving to a party this evening here's an easy way to make sure you'll get home safely—and it costs only three cents. The three cents is for a postage stamp. Paste it on a self-addressed envelope. On the other end of the envelope paste a picture of your young son or daughter. When it's time to go home

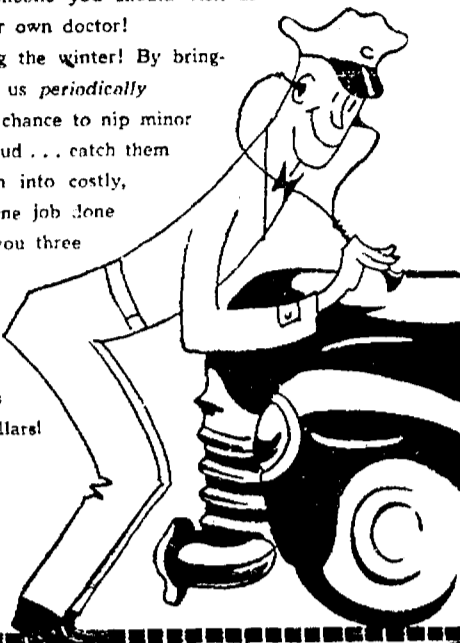

after the party, put the key to your car in the envelope, seal it and drop it in the nearest mailbox. Then go home in a taxi or street car."

In other words... **IF YOU DRINK, DON'T DRIVE!**

It's a fact that on both Christmas Eve and Christmas Day—the happiest holidays of the year—two or three times as many people are killed per day in traffic accidents as on an average day for the year.

MAKE THIS MAN A HABIT ... THIS WINTER

This man is someone you should visit as regularly as your own doctor! Especially during the winter! By bringing your car to us periodically you give us the chance to nip minor troubles in the bud... catch them before they turn into costly, major repairs. Fails to Deliver Promised Rubble

The Woods Council thought it was going to acquire 200 loads of concrete rubble for retaining wall purposes on its beach front park, but apparently it will be disappointed.

It had agreed to pay a contractor, who was breaking up a concrete floor for the United States Rubber company, \$2.50 per load for the material.

Council was informed however at the meeting on Dec. 7 that the concrete man had never showed up. "Possibly somebody offered him \$3.00 a load on the way out," remarked Clerk Phil Allard.

Library to Hold Two Story Hours

Two Christmas story hours will be held at the Grosse Pointe Public Library on Thursday, December 23.

At 10:30 a.m. Christmas stories will be told at the City Branch Library at 695 Notre Dame. At 2 p.m. the same stories will be related at the Main Library, 15430 Kercheval.

All children are cordially invited to attend these story hours, which are an annual event.

Driver's Caution Looks Suspicious

Henry Schmitt Diel of 1442 Nottingham thought he had discovered a case of car tampering in front of his home at 2 a.m. on December 13 and called the police. He had seen a man crawling on his hands and knees, approaching a car parked there.

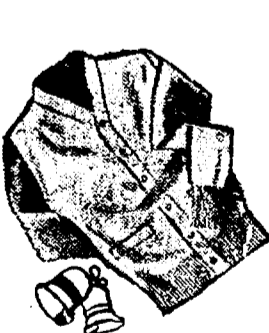

When the police arrived neither car nor man were in sight. The police theory was that the driver of the car had too much Christmas cheer aboard and found it more convenient to reach his car on four supports than on two. There was no report of a stolen car, so the presumption was that he was handling his own property.

CDS, DUS Plan Yule Programs

Detroit University School and Grosse Pointe Country Day School will present their Christmas programs on Thursday evening and Friday morning for parents and friends.

On Thursday evening Country Day School will present "The Shepherd's Star" by Janet K. Smith, directed by Lee Yeager and Henrietta Nadal, musical director. The Glee Clubs of Country Day School and Detroit University School will present their Christmas Concert preceding the play.

At Detroit University School on Friday morning at 9 o'clock the Glee Clubs will again give their Christmas Concert, followed by a play, "The Christmas Pie," by Rowena Bennett. Lee Yeager, head of the Drama Department and Henrietta Nadal, director of music for the schools will direct the concert and play.

The Nursery School will give their Christmas program Friday morning at 10 o'clock in the Nursery School.

The Lower School of Grosse Pointe Country Day School will present their program in the auditorium at 9:15 a.m., which will include carols and a Christmas tableau.

At 10 o'clock grades 4, 5, and 6 will entertain parents and friends

with the play, "The Christmas Flowers," by Esther W. Bates. Lee Yeager is directing. Rae Garber a stagecraft student has designed the mobile sets for this play and for the Upper School presentation.

Also on Friday morning at 11 o'clock the combined Glee Clubs will again give their Christmas concert, which will be followed by the Country Day School play, "The Shepherd's Star."

At noon on Friday, December 17, Detroit University School and Grosse Pointe Country Day School begin their Christmas vacation. Classes for all grades will resume on Wednesday, January 5.

Church to Give Yule Musicales

The Adult Choir of the Christ the King Lutheran Church will present its second Christmas Musicales at 7 p.m. on Sunday, December 19.

The Grosse Pointe High School brass sextet will play Guntzel's "Voluntary". There will be choral and solo numbers, and organ-piano duet and congregational singing. The program will be under the direction of Dewey Kalember.

Refreshments will be served following the music. The public is invited to attend.

Men's Night

(Continued from Page 1)

pects of stag night at a medical convention.

City Well Represented
 Harry Turner, genial Buick dealer, found time to select a few items for himself in the midst of his Christmas buying. Mayor Ralph Netting and Treasurer Theodore Osius of the city were spotted among the throngs, both laden down with purchases. Reginald MacArthur and John Kenower had plenty of free advice for their pals.

Many of the owners and advertising managers of chains which have Pointe branches in The Village were on hand to see how the "Men's Night" idea works. They were delighted with the popularity of the event.

Plenty of Music
 A German band and male Christmas carolers added much to the gaiety of the occasion. All that was missing was a snow-storm such as graced the event two years ago.

The city police reported that not a single untoward incident had occurred. "It couldn't have gone off smoother or been a nicer gathering," was the consensus of opinion.

LOSES POCKETBOOK
 Mrs. William Croul of 588 Lincoln reported to the city police on Dec. 10 that her sister had lost her pocket book. It contained no money but several checks made out to Mary Palmer.

CONTEST WINNER
 Chuck Liddle of 2048 Fleetwood drive in Grosse Pointe Woods won a Schwinn deluxe bicycle equipped with a portable radio for naming a puppy in a recent contest.

Society News Gathered from All of the Pointes

From Another Pointe of View

by
Jane Schermerhorn

Tried and True Recipe for the Merriest of Christmases . . . Of course we mean taking an active part in the Protestant Children's Home annual Christmas Appeals . . . Making it possible for little children to live in a healthful and loving home . . . that has been stretching welcoming arms to less fortunate tots since 1836 . . .

You know where the Home is . . . down there on East Jefferson . . . where since 1893 in this site . . . a real home has awaited children from broken homes . . . where only one or no parent remains and there is no provision for adequate care . . . some children are wards of the court through neglect of a parent . . . some are unable to adjust to other foster homes . . .

Wherever these little children come from . . . whatever the circumstances . . . they are welcomed to the Protestant Children's Home . . . and there remain as long as help is required . . .

Some of these children have left the home . . . returning years later . . . to have their weddings in the parlor . . . for it is the only home they have known . . . and to all it is a real and beautiful home . . .

A CHRISTMAS APPEAL

This year as always . . . one of the children has written the Christmas Appeal letter . . . your response to which actually makes it possible to continue . . .

There are many prominent women who for years have included the Home in their philanthropic donations . . .

Even if you don't receive one of the appeal letters . . . which go mostly to friends who have contributed before . . . won't you mail a Christmas check today to the Protestant Children's Home . . .

At this season of the year . . . when our own homes seem dearer than almost any other time . . . do take part in helping to provide a Home for the orphaned children of today . . . and tomorrow . . .

THE SPIRIT OF CHRISTMAS TIME

Mrs. Edward C. Parker heads this year's Christmas Appeals committee . . .

Officers of the home include: Mrs. Albert A. Griffiths, second directress . . . Mrs. Ernest Brier, third directress . . . Mrs. Edward P. Wright, treasurer . . . Mrs. Edgar A. Guest Jr., corresponding secretary . . . Mrs. E. Olney Jones, recording secretary . . .

Directors are Mrs. Standish Backus . . . Mrs. Wallace MacKenzie . . . Mrs. Ford Ballantyne . . . Mrs. Don M. Dickinson . . . Mrs. Harry W. Frost Jr. . . . Mrs. David B. Hinchman . . . Mrs. Earl Holley . . . Mrs. Charles A. Kanter . . . Mrs. John MacKay . . .

Somewhat there's nothing of organized charity in the work of these women . . . it's one of the few old fashioned good works remaining in our swiftly-paced existence . . .

And the modesty of its requests (only at Christmas and in late May when the Camp Appeals are asked to help defray operating costs of the Home's Camp (which was the gift of Mrs. Horace Dodge) does the Home organization turn to you) . . .

You will make it a Merrier Christmas by sending a generous donation today, won't you? . . . It is such a true way to celebrate the birthday of the Bethlehem baby . . .

CLARKS MOVE TO MUSKOGON

Jacqueline Ewing Wed To Stanley W. Lamer

Ceremony in Pointe Memorial Church Followed by Reception in Grosse Pointe Yacht Club; Couple to Live in Kansas

Motoring through the South are Mr. and Mrs. Stanley Willis Lamer, who were married Saturday evening at a ceremony in Grosse Pointe Memorial Church. Dr. Frank Fitt officiated at the nuptial rites, assisted by the Rev. H. B. Lamer, Jr., a brother of the bridegroom.

Before her marriage Mrs. Lamer was Jacqueline Gertshore Ewing, daughter of Dr. and Mrs. C. H. Ewing of University place. The bridegroom's parents are Mr. and Mrs. H. B. Lamer, of Hays, Kansas.

Jacqueline wore a gown of heirloom Alencon lace over ivory satin. It had a regal neckline, full sleeves gathered at the wrist and back drapery falling into a circular train edged in Alencon lace. A coronet of rosepointe lace held in place her fingertip illusion veil.

Mary Lou Ewing, maid of honor, was gowned in green taffeta. She carried a muff of red carnations and wore the same flowers in her hair.

Junior League Membership Dance Subscription List Is Completed

The membership dance of the Junior League of Detroit which will take place on Saturday evening, Dec. 18, at the Country Club, has completed its subscription, it was revealed by the dance chairman, Mrs. Henry S. Reynolds, at the Junior League monthly board meeting held Monday at the League office on Kercheval Avenue.

D'Arlene Brink Feted at Party

Mrs. William Brink invited guests to "Holiday Farm", Lake Orion home of Mr. and Mrs. J. L. Cote, Wednesday evening for a spinster dinner honoring her sister-in-law, D'Arlene Brink. On Saturday, D'Arlene will become the bride of Linus William Llewellyn, son of Mrs. Carl P. Llewellyn, of Chattanooga, Tenn., and Palm Beach and the late Mr. Llewellyn.

The bridegroom-elect and his mother will arrive Friday morning from Palm Beach. D'Arlene's parents are Mr. the Earl B. Brinks of Berkshire road.

Members of the bridal party and out-of-town guests will attend the rehearsal dinner which Mr. and Mrs. Brink will give Friday at the DAC. Mrs. Gertrude Rapp, of New York; Mrs. Glenn H. Brink, of La Jolla, Calif., and Mr. and Mrs. Maurice T. Groen, of New York, will be out-of-town arrivals.

Luncheon Given For Judy Bosson

Judy Bosson, niece of Mr. and Mrs. Henry L. Newnan, was guest of honor Thursday at a luncheon given by Mrs. Frederic M. Sibley, Jr., in her St. Clair avenue home. Judy and James Elliott Gibson will be married Sunday, Dec. 19.

Luncheon guests included Mrs. Ames Howele Howlett, Mrs. William J. Young, Jr., Mary Lou Hurley, Mrs. William L. Newnan, Mrs. Herbert W. Mason, Jr., Mrs. Cleveland Thurber, Jr., Mrs. Richard Barrows, Mrs. George Miller, Mrs. Thomas Willmore, Jr., Mrs. Stanley Renaud, Mrs. William P. Herbert and Jane McClure.

Nathan Van Osdol, Jr., who is to serve as best man, will entertain tonight at the bachelor dinner in his home on Yorkshire road.

Disclose Engagements In Holiday Settings

Barbarann Gardella to Marry Dean Frederick Conway; Mardee Martin Shankwiler to Be Bride of Ohioan

Holiday settings predominate these days at parties announcing Pointe engagements. Blue ornaments inscribed with "Barb" and "Dean" on twin white Christmas trees told cocktail party guests Saturday that Barbarann Gardella and Dean Frederick Conway were betrothed.

Mr. and Mrs. George A. Gardella of Balfour road gave their daughter's betrothal party at the DAC. Barbara was graduated from Ladywood in Indianapolis and Barmore in Manhattan.

Her fiance, son of Mrs. Elmer A. Conway, of Grosse Ile, and the late Mr. Conway, is a graduate of Georgetown University.

A second betrothal revealed Saturday was that of Mardee Martin Shankwiler, daughter of Mrs. Holmes Ripley Martin of the Cadieux road, and the late Mr. Martin, to James Arthur Dillian,

Jr. Mrs. Martin entertained at a cocktail party in her home for the couple.

Mardee, a graduate of Liggett School, attended Mary Baldwin in Staunton, Va.

Mr. Dillian, the son of Mr. and Mrs. James A. Dillian, of Akron, O., is a lieutenant junior grade in the U. S. Coast Guard, stationed in Washington. He was graduated from the Hilder School in Washington and the Coast Guard School at New London, Conn.

Party Planned By Gottfredsons

Christmas greens will deck the Colonial court home of Mr. and Mrs. Lawrence Gottfredson, Jr., tomorrow evening, Dec. 17, when they entertain at a cocktail party.

On the guest list are Mr. and Mrs. Jordan Schanbeck, Mr. and Mrs. John C. Holley, Mr. and Mrs. J. Frazer Whitehead Jr., Mr. and Mrs. Daniel Simmons, Jr., Mr. and Mrs. Gordon Wood, Elizabeth Robb, William Baubie II, Frederick C. Ford, Jr., Charles A. Dean III, William Gage, Jr., and Mr. and Mrs. Joseph Parker.

Others invited are Mr. and Mrs. Traver Smith, Mr. and Mrs. Harvey Smith, Mr. and Mrs. William F. Connolly, Jr., Mr. and Mrs. Benson Ford, Mr. and Mrs. Edward I. Book, Mr. and Mrs. Edgar Lee Fink, Mr. and Mrs. Lyle A. Devlin, Jr., Mr. and Mrs. Charles R. Backus and Mr. and Mrs. Berrien C. Eaton, Jr.

More are Mr. and Mrs. Lansing Pittman, Mr. and Mrs. Courtney B. Rankin, Mr. and Mrs. William G. Lerchen, Jr., Mr. and Mrs. Jerome DuCharme, Mr. and Mrs. Charles Wright III and Mr. and Mrs. Clarkson C. Wormer III.

Her Engagement Announced

Mr. Robert Lockhart Wilbur of Provençal road announces the engagement of his daughter, CYNTHIA, to Benjamin Rush Drayton, son of Mrs. William W. Battles of Philadelphia, and the late John W. Drayton. Cynthia is a member of the Junior League and Tau Beta. She made her debut in September, 1946 at a reception given by her grandmother, Mrs. Lewis H. Jones. Mr. Drayton served with the Signal Corps of the U. S. Army during the war.

Holiday Debuts Fill Calendar

Barbara Bloom arrives Friday from Los Angeles, Calif., with her parents, Capt. and Mrs. John Bloom, to join the ranks of Pointe winter debuts. They will be Christmas guests of Mrs. Paul Weadock of Lewiston road.

Mrs. Weadock and Mrs. Butler Higbie will give a Country Club luncheon Sunday, Dec. 19, in Barbara's honor. Capt. and Mrs. Bloom will present their daughter Wednesday, Dec. 22, at a dinner at the Country Club. On Tuesday, Dec. 28, Mrs. Wyle W. Carhart will hostess another luncheon in honor of the young debut.

Suzette Alger, daughter of Mr. and Mrs. Frederick M. Alger, Jr., and Annette Sheldon, daughter of the Henry Sheldens, will share honors at a dinner which Mrs. Roy D. Chapin will give Tuesday, Dec. 21.

Annette and Nancy Pierson will be honored Monday, Dec. 27, at a small dinner hosted by Mr. and Mrs. Alger Shelden at their Provençal road home. Suzy Alger's dance at the Alger home will be held the same evening.

Two Pointers' Betrothals Told

Mr. and Mrs. Chester S. Ricker of Lincoln road announce the engagement of their daughter, Madeline, to Richard R. Arnold. Mr. Arnold is the son of Mrs. Dorothy D. Arnold of Delaware avenue, Detroit, and the late Mr. Roy E. Arnold.

Another recently announced troth is that of Bette Fenelon and John B. Harris of McKinley road. The bride-elect is the daughter of Lt. Col. and Mrs. Charles Fenelon of Rockcastle avenue.

Madrigal Club Presents Annual Yuletide Program

The Madrigal Club of Detroit, under the direction of Dr. August Maekelberghs, presented its annual Christmas program Tuesday afternoon at Grosse Pointe Memorial Church.

Mary Lewis, Cynthia Rose, Patricia Kelly, Mary Day, and Esther Benson were soloists. Tea was served after the concert.

Pointer Takes Bride In Eastern Wedding

Cammann Newberry Marries Marie LeMoyné Stevenson in Beverly Farms, Mass.; Couple to Live in Washington

Marie LeMoyné Stevenson became the bride of Cammann Newberry Saturday. The couple pronounced their vows before the Rev. Abbott Hastings and Rev. F. W. Stride Hamilton at St. John's Episcopal Church in Beverly Farms, Mass.

The bridegroom is the son of Mrs. John S. Newberry of Lake Shore road, and the late Mr. Newberry. Mrs. Henry Lee, of Beverly Farms, is the bride's mother.

Miss Stevenson, given in marriage by her brother, T. G. Stevenson, Jr., of Hamilton, Mass., was gownned in ivory satin with round neckline and a bertha of heirloom Aiencon lace. She carried a bouquet of bouvardia orchids and stephanotis.

Mrs. T. G. Stevenson, Jr., was the only attendant. She wore a dark green velvet gown and carried pink camellias.

Cammann asked his brother, John S. Newberry, to be his best man. John N. Lord, of Grosse Pointe, Beverly Bogert, of Newport, R. I.; James Rousmainere and George Whitney, Jr., of New York City, and Sewell Gardner, of Lake Forest, Ill., were ushers.

Also seating the guests were Myron A. Wick, Jr., of Greenwich, Conn.; Henry Lee, Jr., stepbrother of the bride, Christian A. Herter, Jr., and Alexander W.

Williams, all of Boston; Robert S. Wolcott, of Hamilton, Mass.; George Cheston, of Philadelphia, and George D. Aldrich, of Beverly Farms.

Following their California honeymoon, Mr. and Mrs. Newberry will reside in Washington, D. C., and spend weekends at Beverly Farms, where they also have a house.

Marian Chapin Has Part In Joint Yule Cocnet

Miss Marian Chapin, daughter of Mrs. Roy D. Chapin, of 457 Lake Shore road, Grosse Pointe Farms, took part in the Christmas Concert which the Briarcliff Junior College Chorus gave jointly with the Princeton University Freshman Glee Club on the evening of December 11 at the Briarcliff High School.

Miss Chapin, who is a freshman at Briarcliff, also served as hostess at an informal dance which followed the concert in the college gymnasium.

From Another Pointe of View

(Continued from Page 10)

Vernier road . . . celebrated their fortieth wedding anniversary last April . . .

And now . . . after thirty years (during which time Dr. Clark has taught at the Medical School of Wayne University) . . . the Clarks feel life is really beginning . . .

For Dec. 23 they'll move into their new home on John street in Muskegon where Dr. Clark will be director of the laboratories at Hackley Hospital . . . on such a nice schedule that he'll be able to lunch with Mrs. Clark every day in their home . . . just three blocks from his work . . .

The Pointe is sorry to lose such nice residents . . .

PAMELA SHEPHERD HONORED

This has been Entertaining Season for the hospitable George Brett Shaeffers of Lakeland avenue . . .

Last Saturday . . . Mrs. Shaeffer entertained over 200 members of the sub deb crowd . . .

In honor of that cutie . . . Pamela Shepherd, daughter of the Benjamin O. Shepherds . . .

At a tea-dansante from 4 to 7 o'clock . . .

Candy canes and Christmas greens were everywhere about the beautiful home . . . while jingle bells on colored ribbon helped partners find each other . . . to dance to everyone's favored records . . .

Mrs. Shaeffer wore an Henri Bendel gown of lustrous black and pinned green orchids at her shoulder . . . while the mother of the sub deb also chose a chic black gown and affected the same flowers . . .

The honored sub deb wore mistletoe green taffeta . . .

Pointers Attend Walkers' Party

A number of Grosse Pointers were guests at the large pre-Christmas party given by Mr. and Mrs. George W. Walker, of Pleasant Ridge, at the Detroit Athletic club on Dec. 10.

Noted at the fete, dining and dancing in the silver and white setting, were Mr. and Mrs. Charles Getler, Mr. and Mrs. Harry R. Fruehauf, Mr. and Mrs. Leo Fitzpatrick, Mr. and Mrs. Everett E. Lumberg, the George Vawters, Mrs. Clarence E. Bleicher, the Clifford M. Sorensens, the George P. Hoopers, Mr. and Mrs. Richard Haynes and the S. Clifford Merrills.

Another event which drew many Pointers to the D.A.C. was the club's annual Edgar A. Guest Night which presented a dinner and program in the club's main dining room, last Sunday, Dec. 12.

The honored Mr. Guest, poet and humorist, read from his works and the assisting artist was Doreen Wilson. Miss Wilson will sing the leading role in "Song of Norway" with which Detroit Civic Light Opera Association will open its season Christmas night at Masonic Temple.

Attending this festivity were Mr. and Mrs. Fred L. McCarthy, Mr. and Mrs. Charles L. Palms Jr., Mr. and Mrs. S. Clifford Merrill, Mr. and Mrs. Ben Marsh, Mr. and Mrs. Reynold W. Semmler, the Clifford A. Britts, the George M. Suliburks, Mr. and Mrs. Earl Holzbaugh, Mr. and Mrs. A. C. Scott and the J. H. Bensons.

Southeastern Woman's Club Plans Yule Meeting

The Christmas meeting of the Southeastern Woman's Club will be held December 20 in St. Mark's Methodist Church at 1:30 p. m.

A fine musical program has been arranged by the program chairman, Mrs. G. B. Morse.

Do you educate your children to fit into the world or to make the world fit to live in?

We have seen that nations either voluntarily choose teamwork or voluntarily are forced under tyranny.

Selects Feb. 5 As Wedding Day

Jane Coleman has chosen Feb. 5 as the day for her marriage to Charles Leroy Teach, Jr., formerly of Long Beach, Calif., now of Washington, D. C., son of the late Mr. and Mrs. Charles L. Teach. Dr. Frank Pitt will officiate at the afternoon service in the McMillan road home of the bride-elect's parents, Mr. and Mrs. Leroy A. Coleman.

Katherine Cowan will be the only bridal attendant.

Shortly after Jane arrives home from William and Mary College Dec. 20, Mrs. Alfred Scott of Buckingham road and her

daughter, Catherine, will be hostesses at a tea and handkerchief shower. On Dec. 28, Mrs. Donald Russell and her daughter Barbara will give a tea and personal shower in their home on Bishop road.

A linen shower has been planned for Dec. 29 by Mrs. Jack Cowan and her daughter, Mrs. David Keena. Mr. and Mrs. Henry Bokram will entertain at the rehearsal dinner at the DAC on Thursday, Feb. 3.

Dinner Honors Mrs. Schlotman

Celebrating Mrs. Schlotman's birthday, Mr. and Mrs. Joseph B. Schlotman entertained Saturday evening at a dinner party in their home on Lake Shore road.

Among the guests were Mr. and Mrs. James A. Humphreys, Mr. and Mrs. John B. Ford, Jr., Mr. and Mrs. Frederick S. Ford, Mr. and Mrs. Frederick S. Ford, Jr., Mr. and Mrs. Ledyard Mitchell, Jr., Mr. and Mrs. William M. Joy and Mrs. Richard P. Joy.

Others were Mr. and Mrs. William F. Torrey, Mrs. Harry N. Torrey, Mr. and Mrs. John Shallcross, Mr. and Mrs. Ford Ballantyne, Mr. and Mrs. Ford Ballantyne, Jr., Mr. and Mrs. Emory M. Ford, Mr. and Mrs. Howard P. Ballantyne, Mr. and Mrs. Carroll T. Ballantyne and Howard P. Ballantyne, Jr.

We get burned up about all that's wrong but do not always burn to put it right.

MR. and MRS. CHARLES W. GAUSS II of Whittier boulevard have returned after a month at Fort Lauderdale, Fla. Their two children, BARBARA and BILL, accompanied them on the trip.

The birth of a son, THOMAS ROBERT, JR., on Nov. 21, is announced by MR. and MRS. THOMAS R. SWEGLES of Bishop road. Mrs. Swegles is the former MARGARET MOORE, of Chatham, Ont.

The OWEN R. SKELTONS of Ridge road have already made plans to leave on Feb. 1 for their annual stay at The Breakers in Palm Beach, Fla.

MR. and MRS. WILLIAM J. BOOK will come from Hollywood, Calif., and the KENNETH HUBERS from Chicago, Ill., to spend Christmas with the FRANK P. BOOKS of University place.

MR. and MRS. CHESTER J. MARRS of Wayburn avenue announce the birth of a daughter, SALLY ANN, on Dec. 5. Mrs. Marrs is the former EVELYN PLATTE.

WILBUR B. BRUCKER, JR., is due home for his two-week vacation from Princeton Dec. 18. Another visitor in the Vendome road home of former GOV. and MRS. WILBUR B. BRUCKER has been their nephew, WILBUR ROBERT BRUCKER, of Meridian, Miss., who is an Army Air Force captain.

Following their marriage in Christ Church on Saturday, Dec. 18, W. T. S. DIGBY-SEYMOUR, of England, and his bride, ROSALIE PACKARD, daughter of the EDWARD COPE SMITHS of Washington road, will spend three months in London before making their home at Malvern in Worcestershire County.

MR. and MRS. ALOYSIUS CADIEUX of Moran road, with their two daughters, DONA MARIE and MARGI, have left Grosse Pointe to live in Algonac, Michigan.

MRS. S. R. SCOTT of University place entertained at a reception Friday honoring her grandmother, MRS. MARGARET LAMBERG on her 90th birthday. Mrs. Lamberg's five children, four grandchildren and seven great-grandchildren attended the party.

MR. and MRS. THOMAS T. PETZOLD are at home in Edgemont Park, after a trip to Manchester, N. H., where they were guests of her father, WILLIAM F. HARRINGTON.

The LANSING M. PITTMANS and MR. and MRS. JOHN C. HOLLEY were joint hosts at a party in the Pittman home in Three Mile drive Friday evening. Guest of honor was MRS. HARVEY M. SMITH, JR., who was leaving for California.

MRS. WILLIAM A. BAKER of Somerset road entertained 10 guests Tuesday at a birthday dinner for MRS. WALTER E. BAUMAN of Berkshire road.

MEGS VIERLING, a student at Duke University, will arrive Sunday, Dec. 19, to spend the holiday season with her parents, MR. and MRS. M. J. VIERLING of Edgemere road. The following day, Mrs. Vierling's parents, the L. C. WAREHAMS, will come from Calumet, Mich., to remain in Grosse Pointe for the holidays.

The C. HENRY BUHLS of El-lair place returned to the Pointe early this week after an extended weekend in New York.

MRS. A. B. HILTON, of Beverly Hills, Calif., is visiting her parents, MR. and MRS. WILLIAM T. BENALLACK of Moran road. On Sunday the THEODORE D. BUHLS of Ridge road entertained at a luncheon honoring the visitor.

LARRY HIGBIE went to Manhattan last weekend to celebrate his birthday. His mother, LAURA B. HIGBIE, and his two brothers, BUD and FRED, accompanied him.

Enjoying a Friday night get-together in St. Paul's gym were MARY JO TROMBLY, SALLY VALADE, PHYLLIS VAN BACE-LAERE, ANN MARTZ, JACK LEMIEUX, BILL MURPHY, DICK GALLAGHER, JERRY MARSHALL, LEO KENNEDY and JIM KELLER.

The Pointe contingent who will entertain from Smith College Sunday, Dec. 19, includes MARY WATERS FALL, ELEANOR BUELL, LEE McMAHON, BETTE-BURR MEADER, BETSY WHELDEN, SARA TIEDEMAN, JOYCE STEINBACH, DOROTHY WALTON, JOAN SATTLEY and PAT JEROME.

MR. and MRS. MARION K. ZWOLINSKI feted 30 guests at a cocktail and buffet supper party in their home in Lochmoor boulevard Sunday evening.

GINNIE WIELAND was hostess at a slumber party Friday eve following the Grosse Pointe High basketball game. Her guests were SUE ARMSTRONG, BARBARA MENSING, SALLY BROWNE, MARGARET WEAVER, SUE FENEF, CYNTHIA NETTING, LOU ANN BORDEN, ANN WATSON, GRAECHEN BECKER, JOYCE JUDSON, CAROL FORD and DONNA GEORGI.

Friends of MR. and MRS. FREDERICK PARKER, JR., have received invitations to attend an open house in their Washington road home from 5 to 7 o'clock on Dec. 18.

The JOHN L. DRUMMYS' of Yorkshire road have invited 70 friends to a cocktail pour at their home on Dec. 23.

Christmas plans of MR. and MRS. HAROLD D. BAKER of Lincoln road revolve around a visit with their son-in-law and daughter, MR. and MRS. HARRY S. LEYMAN, JR., in Cincinnati.

Enjoying a two weeks' stay in New York and New Jersey is MRS. HARRY SNEADER of Bishop road.

MRS. JOHN J. O'BRIEN opened her Kercheval avenue home Thursday to a meeting of the Garden Club of Michigan. Fairfield Osborn's movie series on "The Living Earth" were shown and tea was served.

For the next five months, MR. and MRS. J. BELL MORAN of Windmill Pointe drive will be in Pasadena and Palm Springs, Calif. They'll see much of their son and daughter-in-law, the CHARLES V. MORANS, in San Morino, and their son-in-law and daughter, MR. and MRS. SCHMIDT, JR., in Bel-Air.

DR. and MRS. JOHN G. MA-TEER of Maumee road will give a small cocktail party Sunday in honor of their daughter, MRS. WILLIAM RANDALL, of Baltimore, who is visiting them with her small son, WILLIAM, JR.

MR. and MRS. GEORGE E. LANG, of Whittier boulevard, announce the engagement of their daughter, BONNIE JEAN, to ROY R. LANG, son of MRS. JOHN LANG of St. Clair Shores. The wedding will take place in the early spring in Christ Church, Grosse Pointe.

JOSEPH J. DODGE and his son, Jamie, came from Glen's Falls, N. Y., this week to spend Christmas with his parents, MR. AND MRS. JOSEPH DODGE of Washington road.

Catholic League Board to Meet

Because of Christmas week, the Governing Board meeting of the League of Catholic Women will be advanced to Friday, Dec. 17, at 1:30 p.m. Mrs. Frederick S. DeGalan will preside. Mrs. Clune J. Walsh, associate director of the Volunteer Bureau of the Council of Social Agencies, will be guest speaker. A social hour will follow.

Mrs. DeGalan has appointed the following on the nominating committee to bring in a slate of candidates for the Board of Directors and Officers for the coming year: Mrs. Hanley Dawson, chairman; Mesdames Francis H. Bourke, Edward Command, Charles N. Reichling, and Miss Mildred Feely.

RIVERSIDE KIWANIS

Riverside Kiwanis Club will be hosts to a group of children from the Bellevue School at a Christmas party to be given at the Hannan YMCA on Thursday, December 16, at noon. Dr. Charles Moore is in charge of the event.

Briarcliff Girls Due Home for Yule Holidays

Marian Chapin, daughter of Mrs. Roy Chapin of Lake Shore road, and Cara Louise Fletcher, daughter of Mr. and Mrs. Charles B. Fletcher of Vendome road, are returning this week from Briarcliff Junior College at Briarcliff Manor, N.Y., to spend the Christmas holidays with their families.

Many with high ideals achieve only a low level of living.

Trombly School Rewarded For Traffic Safety Program

Trombly school was among 79 Michigan schools cited for their outstanding traffic safety education programs during the 1947-48 school year when Automobile Club of Michigan presented it with the Traveling Safety Cup award at 9:15 a.m. on Monday, December 13.

Presentation of the award was made by Arden Danforth, Auto Club safety supervisor, to Mrs. E. J. Cowe, principal.

Praising Trombly school for its well-balanced safety education program, Ernest P. Davis, Auto Club safety and traffic director, in a written message singled out the teachers of Trombly for special mention.

"Ignorance and misjudgment

which cause most fatal traffic accidents in all ages are especially subject to correction in elementary and high school children."

Fractures Back In Freak Mishap

William Bauer, aged 62, of 1684 Littlestone, Grosse Pointe Woods, while removing a septic tank on his property, fell into the excavation on December 9 and broke his back.

He was removed to the Deaconess Hospital by members of his family the next morning. The Woods police did not learn of the accident until they were notified by the Detroit police a day later during a routine exchange of such information by the neighboring police.

Mr. Bauer's condition was reported at the hospital on Monday as fair.

Abandoned Street Given to Church

The abandonment of Goethe for the half block between Maryland and the alley paralleling Maryland and Lakepointe, which has been under hot discussion before the Park Council for the past two and one-half years, was acted upon affirmatively on December 13 by the Board of Commissioners.

The First Christian Reformed Church, which owns all of the property on both sides of the one-half block, and desired the land for playgrounds, and additional facilities for their school, had asked the council to abandon the street. It was platted as a public highway in the village but was scarcely ever used.

There were only two persons who opposed the abandonment by the village. These claimed it would hamper their ingress and egress to and from their properties.

This objection was compromised by the church agreeing to donate an additional five feet for the benefit of these parties.

The Church, as the sole owners on both sides of the half block, will fall heir to the abandoned street and can legally incorporate it into its property.

CHRISTMAS IN PANTOMIME

The children of the Millin School will entertain their parents and friends by presenting the First Christmas in pantomime, song and story at the Civic Center, 24800 Jefferson Ave., St. Clair Shores, on Friday, December 17, 1948 at 10:15 in the morning.

he said. "Michigan's teachers are taking advantage of that fact by doing a splendid education job which is helping keep child accidents at such a low level. The assistance of student safety patrol members is also a great accident-deterrent."

With traffic volumes increasing all over the state, it is vital that the elementary work and high school driver-training be carried into every Michigan school, Davis added. Auto Club figures show that Michigan is still leading the nation in teaching its youngsters how to drive, with 207 schools now offering complete courses.

Shubert Books "The Drunkard"

One of the most pleasant surprises of the current theatrical season, arrived at the Shubert-Lafayette Theatre on Sunday, December 12 for one week only is Brian Doherty's all Canadian Company in "THE DRUNKARD" which has been shattering all recent attendance records in Toronto, Montreal, Ottawa and Hamilton.

The most popular features of "THE DRUNKARD" are the

amusing 19th Century songs and sketches of the period. Matinees are on Wednesday and Saturday and popular prices will prevail. The whole atmosphere of "THE DRUNKARD" is strictly informal. The audience joins in the singing, hisses the villain, and cheers the hero.

Legal Action Threatened To Curb Alleged Nuisance Caused by Woods Dumping

Reinstein Renews Complaints at Village Council Meeting; Is Also Seeking Help From Board of Health

Frederick K. Reinstein of 971 Lakeshore road who had much to say about an alleged dumping nuisance in the rear of his property in the Woods, is far from satisfied with the disposition made of the matter. Some time last summer he appeared before the Woods council at which time the council rescinded its permit for dumping, on the advice of Dr. Thomas S. Davis the Township Health Officer. Dr. Davis declared it to be his opinion that the dumping then in progress constituted a nuisance.

Later the Woods council rescinded its previous 'rescind' and dumping has since been resumed with only a couple of weeks interruption, Mr. Reinstein says.

Claim Filing Necessary
The owners of the land, Johnstone and Johnstone, Realtors, claim that the filling is necessary to bring the property up to the level of the surrounding land and to do this they have sold the dumping privilege to the City of Detroit, charging them a small fee per cubic foot for the dumping privilege.

Mr. Reinstein claims the filling would have been less necessary if the owners had not taken off from 18 inches to 2 feet of the top soil which they sold to dealers in this valuable commodity.

When the dumping was stopped by the Woods Council last summer it was charged that Detroit was dumping not only rubbish but that the rubbish contained a nuisance proportion of vegetable and animal matter. It was the collection from the alleys in Detroit.

Promised Cleaner Rubbish
When the permit to resume dumping was given by the Woods it was stated by the Woods officials that the Detroit people had agreed to use a larger proportion of ashes in their rubbish material which would make a better quality of fill, and also were to cover this over with at least six inches of clean earth as fast as practicable.

Reinstein's contention is that this has not been done and that the nuisance continues as before. He says that it has attracted large numbers of rats. When the case was under discussion last summer Dr. Davis said that there were many flies about the place but that he did not see any rats.

Mr. Reinstein said at the Woods Council meeting on December 7 that if he did not get relief from that quarter he would take it up with the Township Health Board at their next meeting and if no relief was forthcoming there, he intended to institute legal action.

Rats Seeking Shelter With Winter's Arrival

The cold weather is driving the rats to seek shelter and warmth in the basements of houses or any place where they can get under cover.

Several complaints from residents along Cadieux road were received by the police immediately following the first cold snap on Dec. 10.

As long as the weather is enduring outside the rodents prefer to remain where the foraging is better, but the cold weather drives them to shelter in warmer spots.

Drunken Drivers Target of Drive

A program to rid the streets of drunk drivers is underway.

Traffic Court Judges George T. Murphy and John D. Watts this week said they would hand down straight jail sentences to any motorist found guilty of drunk driving during the holiday season.

To supplement this warning, the Traffic Safety Association of Detroit has prepared 6,100 posters bearing the caption: DRUNK DRIVERS GO TO JAIL.

Five thousand of the posters now are being placed by police safety officers in every bar in the Metropolitan Detroit area. The remaining 1,100 posters, starting Monday, will be placed on street-side standards throughout the city as direct warnings to motorists. The latter posters have been treated with beaded glass which reflects light from automobile headlights back to the source, thus insuring 24-hour effectiveness.

Traffic Court records show that cases involving drunk drivers increase sharply each December. The festivities of the holiday season generally account for this. The volume of alcoholic beverages being consumed this year is at an all-time peak. December is always the month that shows the greatest volume of sales.

Judges Murphy and Watts said that the drunk driver is the greatest menace on the streets of Detroit at any time, but an even greater menace during this period of the year when we have shorter days, bad weather conditions and heavy traffic.

"In the hands of the drunk driver, the automobile becomes a deadly weapon," the judges declared in a joint statement. "Drinking and driving do not mix. Every motorist convicted of drunk driving will automatically receive the following two penalties:

"A straight jail sentence.

"Loss of his driver's license for at least 90 days."

Traffic Court records show that in the first 11 months this year, 181 drivers were given straight jail sentences for drunk driving and that they spent a total of 1,840 days in jail, or an average of approximately 10 days each.

Pointers Candidates For Degrees at MSC

Three Pointe students are among the nearly 450 who have been announced as candidates for degrees at the end of the fall quarter, Dec. 17, at Michigan State College.

Local candidates for bachelor degrees are Phyllis LaParl, Carol Sanford and Donald C. Wood.

Home Owners Being Bilked By Repair Racket Artists

Farms Police Chief Walter Hoyt suggests that Pointe residents be on their guard against a new racket which is becoming commonplace in this area.

Fly-by-night operators are making personal calls at residences informing the occupants that their roofs, storm windows,

gutters, etc. are obviously in need of repair, and offer to do the necessary work then and there.

Chief Hoyt says that these "fixers" invariably do very bad and incomplete repair jobs and charge exorbitant prices for their work.

It is his suggestion that home owners hire only established firms to do such work. It will save money and will eliminate the necessity of calling the police to lodge complaints against the gyp artists.

Donald Melvilles to Give Cocktail Party on Sunday

Colony Town Club members and their families will be guests Sunday afternoon at a cocktail party in the Edgemont Park home of Mr. and Mrs. Donald Melville. Mrs. Melville is president of the club.

Mr. and Mrs. Gayard F. Lafter are chairmen for the annual party. They will be assisted by Mr. and Mrs. Frank Kubn, Mr. and Mrs. Matthew A. Vander-Kloot, Mr. and Mrs. Philip C. Baker, Mr. and Mrs. Walter E. Simmons, Dr. and Mrs. Ira G. Downer, Dr. and Mrs. Herman D. Scarney, Mr. and Mrs. Walter J. Hatten, Mrs. F. Koestlin and Mr. and Mrs. Joel Leete.

Mrs. G. W. Zanger Taken by Death

Mrs. G. W. Zanger died suddenly on December 8 at the home of her daughter, Mrs. Neil McMillan, Jr., of 287 Hillcrest road, Grosse Pointe Farms.

She was born in Grosse Pointe in the old Woodbridge home on Lake Shore road. The former Julia S. Woodbridge, she was the third daughter of Dudley B. Woodbridge and Martha Lee Woodbridge.

She married Charles H. Moving of Boston and had one daughter, Juliana. After having lived away from Detroit for a considerable time she returned and later married Gustav W. Zanger, again taking up her residence in Grosse Pointe.

In addition to her husband and daughter who survive her are two sisters, Mrs. Charles H. Metcalf and Mrs. Winthrop F. Victor, both of Detroit. Burial was at Woodlawn.

Kid Bits

NANCY VOORHEES

The Blue Devils did it again Friday, Dec. 3, when they beat Hazel Park on the former's home court. Seen at the game were Marcy Wetterbee, Janet Hobson, Bob Hansen, Ted Laitner, Bill Beardslee, Cal Purdy, Pat Hammond, Twig Wright, Margo Gessler, Marti Watkins, Alice Anne Sichter, Ardyth Fahl, Lois Holtz, Fred Leineman, John Weed, Jim Mast, Jim Goebel, Katie Wieland, Mary Stover, Bob Striker, Tim Leach, Alice Savage, Joyce Wick, Tim Taylor, Peg Dicken, Carolyn Smith and many, many more.

Soon after the game, DANNY BARRETT gave a strictly stag party for Jerry Streck, Chuck Ghesquiere, Bruce Johnstone, Al Zarnick, Don Landis, George Turnbull, John Mack, Dick Gunther and Jack Schmitke.

Sixteen candles decorated MARILYN SMITH'S birthday cake at the Detroit Yacht Club Friday, Dec. 3, when she invited Sally McKernan 'n Jan Drake, Pat Gant 'n Al Schweitzer, June Allard 'n Bob Slade, Al Cleon 'n Mary Ann Burlingame, and her date ROB BERRY to share some birthday celebrating. After having a wonderful dinner at the club, everyone returned to MAHLYN'S for some dancing and a midnight snack.

Carrying out the coming winter theme, the decorations supervised by JAN WALKER, at the "Jingle Bell Jump" Saturday night consisted of a Santa and his reindeer, snowmen, bells, and a window display of Christmas decorations. TED LAITNER was in charge of the dance held in the girls' gym while MARCY WETHERBEE took care of the invitations. DANNY MARONY took charge of the refreshments, and the music for dancing was supplied by JOHNNY TITUS and his orchestra.

Dancing under the winter scenes were Pat Martin 'n John Corfield, Marian Rennie 'n Bill Joop, Jerry Webster 'n Gloria James, Meg McKenzie 'n Frank Schwartz, Margo Gessler 'n Bill Duffy, Alice Savage 'n Clarence O'Dell, Sarah Weed 'n Cal Purdy, Carroll Grylls 'n Bob Hansen, Judy MacMahon 'n Ted Laitner, Marcy Wetterbee 'n Dick Forden, Mary Stover 'n Bob Striker, Jean Morrison 'n George Turnbull, Sue Kilson 'n Barry Monroe, Kathy Greig 'n Paul Williams, Peg Dicken 'n Jack Reich, Joanie Rollings 'n Bob Basset, Pat Underwood 'n George Davis, Sharon Ericson 'n Tony Labadi, Eleanor Jackel 'n Wally Swayne, Al Singley 'n Kay Sutton, Marilyn Walters 'n Jerry Ewart, Meeky Van Zanen 'n Dick Redmond, Katie Wieland 'n Chuck Wagner, Marti Watkins 'n Dick Lord, Jim Goebel 'n Betsy Waldholt, and loads more.

Come one—come all. To the "Snowball Stomp" at the Unitarian Church, Rivard and Jefferson, Christmas caroling from 7:30 to 9:30. Dancing from 9:30 to 12:00. Refreshments will be served. Wear snow suits or jeans. Remember the date—Dec. 23rd.

Racing out to Hazel Park to spur on their favorite basketball team on Friday night, when the Blue Devils played their first game of the season, were Twig Wright, Patti Peronne, Shelia McCrae, Carroll Grylls, Jean Dooser, Merry Bauman, Ginny Granse, Marlene Hutton, Barb Orphal, Norma Webb, and oodles more. It was a close game, but we won.

Eighteen birthday candles adorned PAT MARTIN'S cake after the game, when Jack Corfield, and Nancy Gabriel 'n Ted Laitner, Katie James 'n Dave

Ramsey, Pat Liddle 'n Bob Shaw, Gloria James 'n Jerry Webster, and PAT'S sister Sue and Tom Auch, all pepped in to wish PAT a Happy Birthday, and to gift her with a lovely blue sweater. After having a big snack, the couples merrily tossed the platters on the vic for some dancing.

Cocktail and poptail parties galore were the scene of many a happy gathering before the JUNIOR PROM Sat., Dec. 4.

BEVERLY MARTIN entertained Janet Zurschmeid 'n Dave Donnelly, Nancy Maynard 'n Skip Downey, Dot Olsen 'n Bert Wicking, Jackie Climie 'n Howie Clark, Dick Smart 'n Char Smith, Eddie Beevee 'n Nancy Wetterbee, Chris Mansky 'n Pat McKinney, and her date BOB RUCK, with pre-dinner music and refreshments before going on to the Lochmoor Club for dinner as the guests of JANEET ZURSCHMEID.

It was off to FRED REINSTEIN'S for Hots d'Oeuvres and punch for his date, BETTY GRAY, Polly Wilton 'n John Mac Intyre, Rose Leitke 'n Bob Green, Janie Lundgren 'n Dick Lord, Gladys Ostermann 'n Wally Brae, and Meeky Van Zanen 'n Dick Redmond, also before the prom. At 7 p.m. sharp a progressive dinner party began over on Washington Road at DIANE SCHLIECHER'S home where she served poptails to her date, RUSTY WHITE, Sally Shepler 'n Don McKinnon, Judy Richardson 'n Art Beck, Carolyn Smith 'n Al Robertson, Lila Binney 'n Ralph Hawk and Mary Ellen Heiner 'n Art Meissner. The same crowd went on to SALLY SHEPLER'S where she and JUDY RICHARDSON served a wonderful dinner. Then on to CAROLYN SMITH'S for dessert before attending their own prom. After the prom, LILA BINNEY entertained the preceding and also Barb Turrill 'n Dave Struthers, for a midnight snack.

BOB SLADE invited his date, JAN WALKER, Barb Otto 'n Marilyn Smith 'n Bob Hollar, Jim Brenner, and Al Schweitzer 'n Sally McKernan over for a small informal dinner party.

At the same time, MARCY WETHERBEE asked her date JIM STOVER, Pat Hammond 'n Tom Fenske, and Joyce Culehan 'n Ed Karrer, to join in on some pre-prom feasting.

After the prom, the same group went over to PAT HAMMOND'S for some refreshments and more dancing.

DICK GUNTHER entertained NANCY GEORGI, Rob Phillips 'n Marilyn Smith, and Bob Shaw 'n Pat Liddle, for dinner at the Yacht Club preceding the prom.

Tiny diplomas marking places on a gold Tarleton tablecloth brought out the blue and gold theme at KATIE JAMES' house before the prom, when she gave a dinner party for her date, BOB SMITH, Marilyn Worblis 'n Tom Follis, Gloria James 'n Jerry Webster, Dick Nightengale 'n Joan Lyons, Nancy Gabriel 'n Ad Smart, Pat Martin 'n Jack Corfield, and Carol Stuart 'n Dave Ramsey.

DON DE KAISER also asked his date GRETCH KLEEHAMMER.

MER, and Nancy Doherty and Joe Fromm over for dinner before the prom.

Over Torrey Road way, JIM PENSKE entertained his date, DIANE THOMPSON, Dave Connel 'n Marianne Trombly, Jim Swift 'n Ardyth Fahl, Bob Evans 'n Susie Riggs, Tommy Auch 'n Sue Martin, and Marti Watkins 'n Sherb Brown for a formal buffet dinner. After dinner, before the prom began, they watched television.

When about twelve midnight rolled around, SUE WHEELLOCK held an open house for TOM ANTON, Sarah Weed 'n Cal Purdy, Carroll Grylls 'n Bob Hansen, Marilyn Worblis 'n Tom Follis, and several other couples until the wee hours of the morning.

Silhouettes of boys and girls skating around the walls decorated the boy's gym and carried out the "Snowball" theme. Park benches were scattered around the floor, and tiny glasslike crystals emphasized the highlights on the murals. Bob Coleman's orchestra provided the sentimental swing for all the dancers.

Dancing to the music of rustling iridescent taffeta and hoop skirts were Barb Orphal 'n Sparky Farquhar, Myrna Troden 'n Terry Thomas, Eleanor Jackel 'n Wally Swayne, Phyllis Rush 'n Jamie Hollister, Sally Andrus 'n Bill Joop, Janet Lowery 'n Milton Setzer, Sarah Weed 'n Cal Purdy, Carroll Grylls 'n Bud Hansen, Marian Ortolf (who did such a splendid job on the decorations 'n George Preston, Barbara Sutton 'n Rudy Snyder, Gerry Jacobson 'n Joel Margeau, Donna Lee Davenport 'n Ron Foulds, Joan Howard 'n Larry Deeley, Marilyn Walters 'n Jerry Ewart, Peg Dicken 'n Jack Reich, and loads more.

Everything from soup to nuts decorated the table at BARB OTTO'S house soon after the last dance. Seen sipping cokes were Diane Thompson 'n Jim Fenske, Meeky Van Zanen 'n Dick Redmond, Eldon Marwede 'n Mary Ann Waggoner, Alice Savage 'n Clarence O'Dell, Joanie Rollings 'n Bob Basset, Ardyth Fahl 'n Jim Swift, Nancy Doherty 'n Joe Fromm, Gretchen Kleehammer 'n Don de Kaiser, Shelia McCrae 'n Vince Shoeck, Alice Anne Sichter 'n Bill Isbey, and Bob Slade 'n Jan Walker.

Materialism is the mother of all "isms." Don't point a finger, lend a hand.

THE ANGLIA
2-DOOR SEDAN
The lowest priced English-made car in America

THE PREFECT
4-DOOR SEDAN
Priced to compete with America's least expensive motor cars

Ford's famous English-built economy cars... now available for immediate delivery

Now, for the first time, selected Ford Dealers bring you the Anglia and the Prefect—in England, the most widely sold cars in their price class. It's easy to see why they're so much in demand. While their traditionally shorter English wheelbase in no way detracts from their riding comfort (plenty of leg- and head-room) it does make them delightfully easy to handle in traffic or to park, and it results in amazing gasoline and oil economy. The Anglia and the Prefect are made with typical English craftsmanship, traditional English dependability. They are built to last. They are designed especially for American requirements, with left-hand drive, standard gearbox, chrome trim and other features. See these distinctive cars today and you'll see why during this postwar period, the Anglia and the Prefect are the largest selling low-priced cars in England. The Thames Truck—now available to satisfy an increasing American demand. 1/2 ton and 3/4 ton. Built in England.

SERVICE FOR ANGLIA AND PREFECT CARS AVAILABLE AT EVERY FORD DEALER. Selected Ford Dealers carry a complete supply of parts and Ford Dealers everywhere will be glad to service your Anglia or Prefect Car.

"Look! ...an Electric Blanket!"
JUST WHAT I'VE ALWAYS WANTED!"

"Right you are, Sis," says Dad. "Electric blankets give real, honest-to-Morpheus sleeping pleasure. Automatic controls adjust to meet temperature changes—without disturbing your comfort!"

Mother's as pleased as Punch about the practical luxury of electric blankets. "One takes the place of three old-fashioned blankets—cuts down on bedmaking, storage space and laundry bills. That's real saving!"

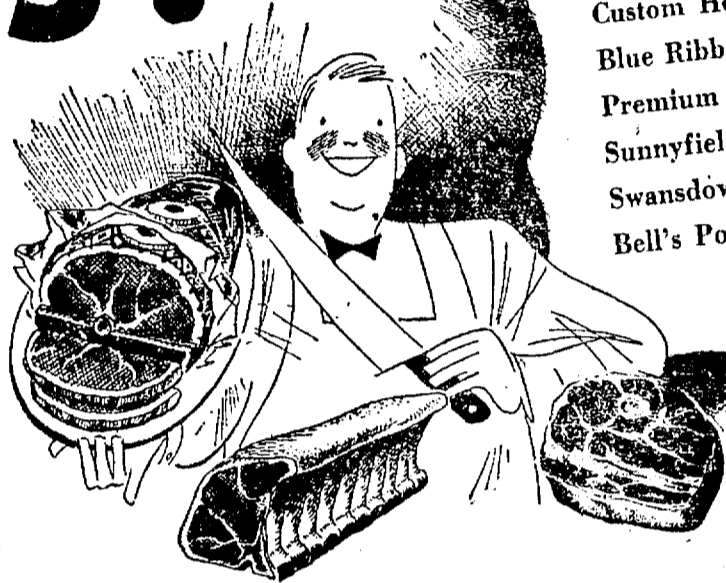

"These slumber-numbers are fool-proof, too," says Brother. "They're constructed like electrically-lined flying suits—they're built to last for years. Make mine an electric blanket next Christmas!"

Beautifully made of virgin wool, bound with satin, electric blankets are available in many pastel shades at your favorite appliance shop or any Edison office.

Christian Science Lecture by George Channing, C. S. B.

Given Under Auspices of the First Church Edifice, Monday, December 6, 1948

A Lecture on Christian Science

Entitled Christian Science: Practical Religion

by George Channing, C.S.B. of San Francisco

Joyously she set to work to do as her Father had so aptly instructed her healing works. Understandingly she applied herself to the use of the spiritual laws which dawned upon her, until in 1866, the 45th year of her human experience, the time she reckoned as her final discovery of the Principle of the master Christian's works, and revealed his method to the world. Her discovery was coincident with her own healing of a physical condition, induced by a fall on the ice, which had been expected to end her earthly life. She applied the Principle, as it had been unfolding to her, and she found that it worked. She lived 44 years afterward to crowd her days with the development of ways and means for making mankind the beneficiary of her discovery. She named her discovery Christian Science.

Christ Jesus, you will remember, did not elucidate the method, or the special rules, which he employed. That was among the things that had to come later. He had many things to tell his followers, according to the record in John's gospel, but they could not hear the things. He came to do the things which the Father, God, shall give you another Comforter, that he may abide with you for ever (John 14:16). "The Comforter," writes Mrs. Eddy in Science and Health (p. 155), "is understood to be Divine Science."

Well might she regard the discovery of Christ Jesus as the fulfillment of the Master's prophecy of the coming of the "Comforter," that "Spirit of truth," which guides into all truth. For she, too, had approached God in the light of Christ Jesus' demonstration and found Him as the practical help in trouble in the same way that Jesus had. She paralleled the practically which distinguished Jesus. When she was appealed to by a man with shattered digestion she called on Christ Jesus for the spiritual thing; she healed the man of his indigestion. When she was called to help a woman with consumption, who choked for breath when the wind was in a certain direction, she again did the practical thing; she restored the woman to health and enabled her to breathe freely no matter what the direction of the wind. When carious bones and arkylosed joints subjected her to Christianly subjective ministrations, it was the practical thing that was accomplished; the bones and joints were made whole and normal. When a woman of eighty-five years of age, whom Mrs. Eddy knew, was touched by Christ Jesus, she, too, was benefited in a practical way. When a man, confined to his bed with a decaying bone in his hip, received Mrs. Eddy's ministrations, although the death dew was already on his brow, he became the beneficiary of what must certainly be classified as practical results: the death pallor left him, his suffering disappeared, he arose, dressed, and took a meal with his family, and in about two weeks went back to his work.

All of these healings, and many more, accomplished through the application of Mrs. Eddy's discovery, are recorded in the great textbook of the religion, "Science and Health with Key to the Scriptures," which contains the authoritative and complete statement of Christian Science. This book was written by Mrs. Eddy under divine guidance, following her own healing and her years of consecrated verification of the spiritual rules which had been revealed to her. In this book Mrs. Eddy has set forth the whole basis of Christian Science, its mighty implications, and the entire superstructure of laws, rules and procedure, which enable the reader, who is spiritually minded, enough to understand what he reads, to reproduce the works of Jesus.

PROPHETIC FULFILLMENT

Christ Jesus, you will remember, did not elucidate the method, or the special rules, which he employed. That was among the things that had to come later. He had many things to tell his followers, according to the record in John's gospel, but they could not hear the things. He came to do the things which the Father, God, shall give you another Comforter, that he may abide with you for ever (John 14:16). "The Comforter," writes Mrs. Eddy in Science and Health (p. 155), "is understood to be Divine Science."

Well might she regard the discovery of Christ Jesus as the fulfillment of the Master's prophecy of the coming of the "Comforter," that "Spirit of truth," which guides into all truth. For she, too, had approached God in the light of Christ Jesus' demonstration and found Him as the practical help in trouble in the same way that Jesus had. She paralleled the practically which distinguished Jesus. When she was appealed to by a man with shattered digestion she called on Christ Jesus for the spiritual thing; she healed the man of his indigestion. When she was called to help a woman with consumption, who choked for breath when the wind was in a certain direction, she again did the practical thing; she restored the woman to health and enabled her to breathe freely no matter what the direction of the wind. When carious bones and arkylosed joints subjected her to Christianly subjective ministrations, it was the practical thing that was accomplished; the bones and joints were made whole and normal. When a woman of eighty-five years of age, whom Mrs. Eddy knew, was touched by Christ Jesus, she, too, was benefited in a practical way. When a man, confined to his bed with a decaying bone in his hip, received Mrs. Eddy's ministrations, although the death dew was already on his brow, he became the beneficiary of what must certainly be classified as practical results: the death pallor left him, his suffering disappeared, he arose, dressed, and took a meal with his family, and in about two weeks went back to his work.

All of these healings, and many more, accomplished through the application of Mrs. Eddy's discovery, are recorded in the great textbook of the religion, "Science and Health with Key to the Scriptures," which contains the authoritative and complete statement of Christian Science. This book was written by Mrs. Eddy under divine guidance, following her own healing and her years of consecrated verification of the spiritual rules which had been revealed to her. In this book Mrs. Eddy has set forth the whole basis of Christian Science, its mighty implications, and the entire superstructure of laws, rules and procedure, which enable the reader, who is spiritually minded, enough to understand what he reads, to reproduce the works of Jesus.

MIND AND MANIFESTATION

The divine Mind must have its perfect manifestation. That is a fundamental law of being. "This is the doctrine of Christian Science," declares Mrs. Eddy in her textbook, "that divine Love cannot be deprived of its manifestation, or object; that joy cannot be turned into sorrow, for sorrow is not the master of joy; that good can never produce evil; that matter can never be created by a fall on the ice which had been expected to end her earthly life. She applied the Principle, as it had been unfolding to her, and she found that it worked. She lived 44 years afterward to crowd her days with the development of ways and means for making mankind the beneficiary of her discovery. She named her discovery Christian Science.

The answer to the question, How to pour in truth? is: Be spiritually minded; accept the divine Mind as your Mind. Mind, infinite and divine, enthroned as controller and governor, must be manifest in the right state of consciousness; and the right state of consciousness belongs to man, who is the reflection, the image and likeness of the divine Mind. To see man and the universe as such is the object of all prayer. The attainment of this object constitutes the evidence that man, or God, is enthroned as the source and Principle of being. The right state of consciousness is never material. It is consciousness. It may appear to human sense symbolically, and must so appear, as improved experience, but it is always the consciousness of good and always appears as such to the spiritual sense.

Metaphysics is above physics, as the root meaning of the word indicates. And, diving metaphysics has no taint of earth. Since the true spiritual consciousness is in God, man's right way is to remain and express that consciousness, which God bestows, this consciousness of man has no taint of earth or imperfection. It can no more be lost nor destroyed than God, from whom it proceeds.

CHURCH

Not content with the great achievement of discovering Christian Science and proving, as Leader of the religion, that it is so practical, Mrs. Eddy, the First Church of Christ, Scientist, in Boston, Massachusetts, applied and applied this idea with regenerating results and is offering their ministry today in practically every community in the civilized world and does bless every suppliant who comes.

To nurture and support the continuous unfolding of this founding work, she wrote, under divine direction, a remarkable Manual to govern The Mother Church. The authority embodied in the Manual is rendered practical and kept functioning by The Christian Science Board of Directors, created by her, which is the governing body of the church, each in its own way, the identity of Christian Science and the practicality which distinguished Jesus. "Go ye into all the world and preach the gospel to every creature," said the founder of Christianity, Mrs. Eddy has, by modern means, implemented that command.

Not the least of the ways in which she provided for the preaching of the gospel throughout the world, are the church services in every city and village, and in branches. At these services a Lesson-Sermon, composed of carefully chosen selections from the Bible and the Christian Science textbook are read, with healing effect upon the hearts of all who hear. The subjects for the Lesson-Sermons were also chosen by Mrs. Eddy.

At the Wednesday evening meetings selections from both books are read by one Reader, and the members of the congregation are invited to express their gratitude for the practical, healing effects of Christian Science which they have witnessed in their own experience or in the experience of others. The purpose of these testimonies is given in the Church Manual where Mrs. Eddy says (p. 42): "Testimony in regard to the healing of the sick is highly important. More than a mere rehearsal of blessings, such testimonies of praise and gratitude, and the demonstration of Christ, 'who heal eth all thy diseases' (Psalm 103:3)."

Another practical means provided by Mrs. Eddy for the preaching of the gospel is The Christian Science Board of Directors, appointed by The Christian Science Board of Directors, come to communities where branch churches have invited them to state publicly the nature of Christian Science, its beneficial effects, and the honest and selfless motives of its Discoverer and Founder.

Yet another practical method, which Mrs. Eddy has provided for preaching the gospel, is through the Committees on Publication, one of whom is located in every city and village of the world. These Committees, headed by a manager of Committees on Publication in Boston, have the responsibility of arranging for the printing and distribution of Christian Science, either by replying publicly to misleading statements that have been uttered publicly, or by publishing original material to correct false impressions before they are publicly disseminated.

Another agency for the practical preaching of the gospel, is The Christian Science Publishing Society which issues the strictly religious periodicals of the movement and the great daily newspaper, The Christian Science Monitor, founded by Mrs. Eddy, which carries on the publishing of the world's news, and in publishing the advertising of merchants and others. This newspaper is generally acclaimed as a brilliant beacon in the field of journalism. The Publishing Society also publishes, from time to time, books and pamphlets whose content within the scope of its functioning and are approved by The Christian Science Board of Directors.

Mrs. Eddy also provided practically for the perpetual availability of all her works and for the enjoyment of her revelations by publishing them. She did this by creating a Board of Trustees under her will which, through its direction of its Publishers' Agent, discharges the responsibilities involved.

And the most important, the most effective method of preaching the gospel is through the testimonies of every individual Christian Scientist. It is stated or implied in every line, as it were, of her writings. It is so to live the religion in sincerity and fidelity that, to paraphrase the great prophet, Jesus, men may see our good works and glorify our Father in heaven.

Relation to Other Churches

Christian Science does not differ from other Christian denominations in purpose. It differs only in its concept of the importance of truth, and in the results, which Christ

others the perfect man. He acknowledged God, divine Spirit, or Love, as his Father, his true parent. Love, too, need to recognize God as the only creator, as the Father-Mother of man. It is precisely this truth which is the saving idea of Christ, which frees man from the so-called laws of inharmonious, human heredity.

The Christ, therefore, was not and is not confined to Jesus. Jesus illustrated the Christ for you and me. You and I can illustrate the Christ, the right idea of God and man, by employing this right idea to heal and save others, as well as ourselves. That is again the practical aspect of Christian Science. It is attested by thousands of Christian Scientists who have accepted and applied this idea with regenerating results and are offering their ministry today in practically every community in the civilized world and does bless every suppliant who comes.

WARFARE AGAINST SIN

To the Christian Scientist, sin is any unspiritual thought. In the last analysis, there is but one God, God before the one true God, or having another Mind than the divine Mind. Sin is the lying suggestion that there is a state of consciousness not created by divine Mind, and thus which divine Mind is not controller and governor. Christian Science is metaphysics. It is spiritually mental, not material. The metaphysics of Christian Science resolves all seeming materiality into false mental concepts of men and material things. The truth we know and express, means their annihilation.

Progress Evident

Progress is being made. The magnitude of this revolution, of which so many have committed and are re-committing themselves, must necessarily be objective in substantial steps toward decreasing man's materialism in the experience of men and material things, the expressing of divine qualities is the only effective method of warring against war. It has an exalting effect. The Discoverer of Christian Science has said that "the warfare of men against man is not the warfare ever cease until the Mind of Christ in us has compelled unconditional surrender of all that opposes Him."

In view of the practical purpose and power of Christian Science, it is highly pertinent to speak of religion as a man's need. Never has mankind needed restoration of cherished ideals and trustworthy objectives more than now. It would be both unchristian and unworthy to say or think that satisfying religion cannot be made. The function of Christianity is to be practiced, is to restore. In the Gospel according to Matthew (17:11) Jesus declared: "Elias truly shall first come, and restore all things." And in the Christian Science textbook Mrs. Eddy defines "Elias" as "Prophecy; spiritual evidence opposed to material sense; Christian Science, with which can be discerned the spiritual fact of what ever the material senses behold; the basis of immortality." Elias, or Christian Science, the restorer, reverses the claims of war's destruction, as seen by the material senses, and discerns the spiritual facts which will cure and destroy these claims. The more able to contemplate the outlook of the material senses, the more brilliant and substantial the spiritual fact which, by reversal, appears, in other words, as Mrs. Eddy states it in another place in Science and Health (p. 388): "The greatest wrong of a supposititious opposite of the highest right."

WARFARE AGAINST SIN

To the Christian Scientist, sin is any unspiritual thought. In the last analysis, there is but one God, God before the one true God, or having another Mind than the divine Mind. Sin is the lying suggestion that there is a state of consciousness not created by divine Mind, and thus which divine Mind is not controller and governor. Christian Science is metaphysics. Overseas Parcel Rates Changed

A further reduction from 10 cents to 6 cents per pound will be made on U. S. A. Gift Parcels addressed for delivery in Great Britain and Northern Ireland, Italy, San Marino, and the Vatican City State effective December 15, 1948. Postmaster Roscoe B. Huston announced.

This is made possible by the waiving of the terminal credits normally charged the Post Office Department by the countries named.

Effective at once the postage rate on all parcels addressed to the Soviet Zone of Germany, including the entire city of Berlin, is increased to 17 cents per pound.

The rate on U. S. A. Gift Parcels addressed to the British, American, and French Sectors of Berlin is increased from 10 to 13 cents per pound. Parcels other than those endorsed "U. S. A. Gift Parcels" addressed to the American, British or French Sectors of Berlin will be subject to the 17 cents per pound rate.

War does not cause tragedy; it is tragedy that causes war. The tragedy of permitting ourselves to be deceived into accepting material-mindedness as a necessary source of some, or all, of our thinking. To paraphrase Patrick Henry, gentlemen may cry peace, but there is no peace so long as the human race, with its double standards, remains unchallenged and therefore unformed.

PROGRESS EVIDENT

Progress is being made. The magnitude of this revolution, of which so many have committed and are re-committing themselves, must necessarily be objective in substantial steps toward decreasing man's materialism in the experience of men and material things, the expressing of divine qualities is the only effective method of warring against war. It has an exalting effect. CHRISTIAN SCIENCE HEAL?

The disappearance of organic and functional disease, as well as of trouble in other forms, is continually recorded among those who have turned to Christian Science for help.

The method of such overcoming of difficulty is prayer—a spiritually scientific manner of thinking based on the teaching of Christ Jesus.

What this prayer is and how anyone can understand it and use it effectually in accordance with his need are fully explained in the Christian Science textbook, **SCIENCE and HEALTH with Key to the Scriptures** by Mary Baker Eddy. This remarkable book, other works by Mrs. Eddy, and all other authorized Christian Science literature may be read, borrowed, or purchased at the Christian Science Reading Room, 4830 Cass Ave. Detroit

Open to the public at the following hours: 10:00 a. m. to 9:00 p. m.

XMAS PARTY
The Neighborhood Club is inviting all the children of the Community to their Annual Christmas Party which will be held on Saturday, Dec. 18, at 2:00 p.m.

GIRLS BASKETBALL
Betty's Deadeys will meet St. Paul Fr. at 7:30 tonight, Dec. 16, in the first game of a double-header in the club's girls league.

Marygrove Students Busy With Plans for Holidays

Marygrove College students are busy with pre-holiday activities, including their annual Christmas drive, through which food, clothing, household goods, toys and gifts will be provided for 40 needy Detroit families this year.

Other Marygrove pre-Christmas events include a junior class party, held December 14, and a formal dinner for residents, followed by a freshman party, to be given December 16.

ARMY JEEP CATCHES FIRE

Fire which broke out in an Army jeep from Fort Wayne in front of 409 Kercheval avenue at 3:55 p.m. December 11, was extinguished before the Farms firemen arrived on the scene.

Park Will Build Comfort Station

The Park village provided for a public comfort station at the beach park at the council meeting on December 12.

Facilities will be provided in the proportion of one to each hundred park visitors.

Construction of the station will begin at once so that it will be completed and ready for use at the opening of the summer season.

Assumes Blame In Sideswiping

Two cars were slightly damaged in an accident in McKinley place near Lake Shore road at 7:45 a. m. on December 12.

A car being driven south on McKinley by Michael Schwaber of 83 Meadow Lane, sideswiped one being driven north by Edward Batchelor of 69 Moran road.

The Schwaber car suffered damage estimated at \$35 and the Batchelor car, \$15. Mr. Batchelor assumed the blame for the crash and no tickets were issued.

CAROLS AT KALAMAZOO

Miss Loraine Hewitt, 1222 Berkshire, Grosse Pointe, a Freshman at Kalamazoo College, was a committee member for the annual college Christmas Carol Service which was presented in the Stetson Chapel, Saturday evening, December 11.

The feature of the service was the singing of carols, old and new, by a 70-voice girls choir. Miss Hewitt is a graduate of Grosse Pointe H. S.

Swimmers Win 33rd Meet in Row

Sports

Blue Devil Tankers Down Hazel Park and Wyandotte

Disqualification Only Thing That Keeps Pointers From Scoring Grand Slam in Meeting With Parkers

By Fred Runnells

Coach Frank Banach's two time Border Cities League swimming champions extended the Blue Devil's winning streak to 32 straight meets without a defeat by swamping Hazel Park, 67-17, on Tuesday December 6, and followed up with a 59-25 victory over the Wyandotte Bears.

The Blue Devils had a "grand slam" within reach in the non-league meet against Hazel Park in the Parkers' home pool when they scored first and second in every event except the 100-yard breast stroke. The Punkte swimmers finished one-two in this event but Wicking was disqualified for not touching the end of the pool with both hands.

Opening League Meet

Three days later the Blue Devils entertained Coach Jerry Henderson's Wyandotte Bears in the opening Border Cities League meet for both teams. The Blue Devils wasted little time in clinching their 32d consecutive victory, scoring eight first places, four seconds and three thirds for their 59 points. The winning points were scored in the 120-yard individual medley event when veteran Jerry Nay and rookie Jay Cape finished one-three for six points.

The highlight of the meet was the second attempt by Bob Jenks and Chuck "Bubbles" Machris in the 100-yard free style event. Jenks won but missed by four-tenths of a second, tying Bill Kildow's record 55.9 set in 1947.

One other record attempt was made by the 160-yard speed relay team of Machris, O'Connell, Murphy and Jenks. They missed tying the 1:18.2 record set in 1946 by one-tenth of a second.

The Blue Devils in their first

1948 league meet looked just as strong as they did when they won the B. C. L. championship for the second consecutive time last year.

Has Good Reserves

Coach Banach always seems to have a large selection of powerful reserves to throw into the spots vacated by graduation and other coaches around the league can't figure where Banach gets his material. They all think that because Grosse Pointe's live right on Lake St. Clair, our youngsters have a definite advantage in being able to swim all summer long. If they only knew the truth.

If the truth were known Coach Banach's present swimming team is made up of youngsters who have been under Banach's watchful eye and supervision since they entered Brownell Junior High. That's where the endless supply of reserve strength comes from.

Streak May End

Grosse Pointe's consecutive winning streak could very easily come to an abrupt end when the Royal Oak Acorns do their splash in the local pool on Friday, December 17.

Royal Oak gave the Pointers a scare last Spring but narrowly missed victory when the Blue Devil reserve strength annexed those all important second and third place points to make victory possible and keep the string intact.

Every team in the league is out to beat the Blue Devils and Royal Oak is one of three teams given a good chance of turning the trick.

The meet starts at 4 p. m.

310 Fathers and Sons Attend Annual DUS Football Banquet

The Detroit University School held its annual Fathers' and Sons' football banquet Friday evening, December 10, under the sponsorship of the Student Council.

Officers of the Student Council include: President, Richard Kuhn; vice-president, Warren Babcock; secretary-treasurer, Guthrie Davis. Class Representatives are: Grade 12, Jack Dunan and Howard Kay; Grade 11, John Wood; Grade 10, Ted Sedwick and Dick Langs; Grade 9, Joe Luttmich; Grades 7 and 8, Henry Earle; Grades 4, 5 and 6, Sandy Wiener.

A record number of 310 fathers and sons attended the banquet in the dining room and first floor classrooms, which were gaily decorated with Christmas trees and greens.

Master of ceremonies for the evening was Post Fordson, a member of the senior class.

G. M. Garrett welcomed the guests, following which the team coaches presented the letter awards.

L. Yeager presented letters to the following members of the Varsity; W. Babcock, H. Bingham, T. Brandt, T. Browning, W. Cudlip, G. Davis, P. Droll, J. Duncan, W. Foster, W. Hamilton, F. Johnston, R. Kratzel, R. Kuhn, T. Sedwick, W. Sisman, G. Smart, K. Spaulding, J. Weigle, and J. Wood.

Sandy Wiener, captain of the Middlets, surprised the audience by presenting Mr. Armstrong with a signed scroll and gift from the Middlets in appreciation of his inspiration and the successful season.

Guest speaker for the evening was Don Robinson, Assistant Coach of the University of Michigan football team. Coloring his talk with many inside stories of Michigan players, Mr. Robinson told the fathers and sons what he felt made a successful season for any ball team.

He spoke of the striving for a common goal, the school spirit, preparation needed for a win, and the sacrifice necessary for a common team effort. He felt that at Michigan the watchword is, "Are you willing to pay the price?"

To conclude the evening Mr. Robinson showed movies of the Ohio State-Michigan football game.

Neighborhood Club Court Loop Opens Another Season

The fast growing Neighborhood Club Basketball League made history on its 1948 opening night, Monday, December 13, when basketball fans were treated to a tripleheader program.

Tom Boyd, formerly the Apaches and 1947-48 minor division champion, was swamped by Tracy Motor Sales, a newcomer to the league, 30-17.

Allen Bryant Stars Allen Bryant, who played with the champions last year, turned in a beautiful job under the backboards for Tracy and was the boy most responsible for Tracy's victory.

Clark McPhail saved the Boyd team from being whitewashed in the first half when he scored on a foul shot.

Ted Schroder of Tracy's captured the scoring honors with 9 points.

Old Brick Inn shellacked Russo's 44-18, in the second game of the night.

At half time Old Brick held a commanding 44-18 advantage and coasted through the remaining two quarters.

Lisabeth High Scorer Vic Lisabeth of Old Brick annexed individual scoring honors

with 13 points. Getenschlager was high for the losers with 7 points.

Probably the "foulest" game of the young season was played at 9 p. m. when Hanson Chevrolet swamped Jefferson Nash, 69-32.

A total of 43 personal fouls were called in this game with 20 being called on Hanson and 23 on Jefferson Nash.

Bob Messmer and Glenn Holt led the Hanson attack with 14 points each.

Numerals Won by DUS Graduate at Dartmouth

Of local interest is news from Dartmouth College. Jack Foster, a graduate of Detroit University School, has received his numerals in football.

Jack was considered one of the outstanding players on the freshman team. In both the Army-Dartmouth and Harvard-Dartmouth games Jack was instrumental in scoring Dartmouth's only touchdowns.

Jack is the son of Dr. and Mrs. Daniel Foster of 2702 Glynncourt, Detroit.

New Commodore Takes Over

FRED SCHELTER, second from right, was elected commodore of Crescent Sail Y. C. at the club's annual election meeting Tuesday, December 7, and will be head man of that organization for the 1949 season. Schelter is shown receiving the gavel from out-going commodore BOB HARRIS of 801 Fisher road as vice-commodore, GENE WEST of 826 Neff and rear-commodore KEN WRIGHT (extreme right), look on. West has been an official in the Inter Lake Yachting Association for the past several years and Ken Wright is a member of the Detroit River Star Fleet. The new commodore is quite a sailor himself, being a consistent winner in the snipe class before the war and a worthy competitor in the huge Lightning Fleet in the Detroit area.

From Joe To You

by Joe Fromm

Bob Olson, former Grosse Pointe basketball star, is a member of the University of Michigan cage squad. He played in the season's opener two weeks ago against Michigan State and scored two points. At the present, however, he is on the injured list with a sprained ankle.

Look for a basketball star by the name of Ed Wernet in about 15 years. Young Edward, junior, the one-and-a-half year old son of varsity coach, was at the Royal Oak basketball game Friday with his proud pop. During the reserve game he amused the spectators sitting in his vicinity with his great attraction for a basketball, around which he could hardly get his little arms.

Fordson, Grosse Pointe's opponent Friday, is regarded as having the tallest team in the state. Of the 11 members on the squad 10 are over six feet tall. The tallest is a center, from last year's reserve squad, at 6' 5".

Frank Webb, the friendly Lake Shore Coach bus driver, is again the mascot of the basketball squad. Frank drives the team to all away games and is on hand for all home games.

Leroy Peplinski, Blue Devil guard, played the Royal Oak game with a badly blacked-eye. Barry Munro, starting guard in the first two games, did not dress because of a back injury. The injury was suffered in football and has bothered him ever since.

Grosse Pointe has a very bad free throw average of 42.3. For high school, 500 is considered good. One consolation is the fact that all three opponents combined have an average of 39.6.

A Grosse Pointe reserve player sank a basket for Hazel Park in the game Dec. 3. He took a rebound off the Hazel Park backboards. According to the rules, the captain of the team gets the credit for the basket.

Royal Oak and Fordson basketball coaches were among the spectators in the Hazel Park game Friday night. Both were busy at their pads of paper during the game. With the Fordson coach was Kennedy, junior guard on the starting quintet.

A chartered bus load of some 60 GPHS girl rooters plus several carloads of others arrived at the Hazel Park game after the "Standing-Room-Only" sign had been posted. At first Hazel Park was not going to let them in, but finally they let two rows of people sit along the sidelines and used a smaller set of sidelines.

Among the spectators watching the Lions-Beers game played Dec. 5 at Briggs Stadium were: Mr. and Mrs. Russel White, Rusty White, Ted Laitney and Bob Hanson.

Pointe Girl Competing in Big Shooting Match

Janet Weinheimer of 1355 Somerset road, an IIA student in Grosse Pointe High School and a member of the State Junior Girls Championship Rifle Squad, is shooting in a Challenge match December 16 at the National Guard Armory against the National Champions of Oakmont, Pa.

Blue Devil Quintet Stumbles To Victory Over Royal Oak

Grosse Pointe opened its 1948-49 Border Cities League basketball season last Friday night, December 10, on the local court with a sloppy 27-17 victory over the Royal Oak Acorns.

The score doesn't give a true picture of one of the most raggedly played games your reporter has ever seen a Grosse Pointe quintet play.

Fight to Bitter End The outcome of the game wasn't decided until the last four minutes of play when the Pointers found themselves for a few brief moments to notch their margin of victory.

Grosse Pointe grabbed an early two point lead which it never relinquished but through no fault of its own. A basket by Bayard Johnson and two foul shots by Spike Quirk enabled the Pointers to hold a one point margin at the end of the first quarter, 4-3.

The Blue Devils were just as impotent in the second period, scoring only five points. A basket and foul shot by Vince Schoeck and foul shots by Bill Isbey and "Peep" Peplinski gave the Pointers a 9-7 margin at half time.

Johnson, Quirk and Schoeck kept the Blue Devils out in front in the third quarter with one field goal each and increased the Pointers' lead to a meager four point, (15-11), advantage going into the final period.

In the first three minutes following the automatic time-out in the last quarter, Schoeck, Johnson and Rydberg found the range for field goals to give the Blue Devils their biggest lead of the game up to that point. Schoeck and Rydberg scored on charity tosses in those final four minutes also, with Rydberg getting the last point of an extremely uninteresting game.

Vince Schoeck captured individual scoring honors with 10 points mainly because he was what basketball players term

"hungry" which means he tried to score every time he got his hands on the ball regardless of the fact that his teammates would have had better shots if he had passed the ball instead of shooting.

Johnson Off Form

The usually reliable Bayard Johnson was far off form and repeatedly missed easy layup shots that this reporter has seen him make with ease in games last season.

Arterburn of Royal Oak was the boy that kept the outcome of the game in doubt, scoring at crucial moments and keeping his team within striking distance throughout the contest. He scored seven big points. The Blue Devils much concern in the second half and at one time one of his baskets made the score read, 15-13, in Grosse Pointe's favor. He netched five points.

Meet Fordson Friday

The Blue Devils will meet Fordson Friday night, December 17, in their second league start. The Tractors' starting five towers six feet or better and pre-season statistics label them as the team to beat. However, Fordson dropped its opening game to Coach Middleworth's Wyandotte Bears, 33-30, last Friday night, December 10.

Highland Park annihilated the Monroe Trojans, 52-34, and served notice on the rest of the league that the Polar Bears will be a strong contender for their first Border Cities League crown.

Two Games Scheduled The Grosse Pointe-Fordson game will start at 8:15 p. m., following the reserve game which starts at 6:45 p. m.

Reserve seats for adult Blue Devil followers are being handled in the same way as they were during the past two seasons. The reserve section will be held open for adults until 8 p. m.

By Fred Runnells

Houston Pinmen Win Alley Duel

Houston Bros., Inc., tied last week for the lead in the Grosse Pointe Rotary Club Bowling League, turned back the fast stepping Auto Club quintet in what may well be the standout match of the season. They won the first game by 3 pins, the next one by 12 and the last game by a scant 2 pins.

Art Runkis with a scorching 500 series, topped the Houstonites, with three other teammates hitting over the 500 mark. It was a tough series to lose for the Auto Club as they were in a winning streak and were well up in the win column. Houston now enjoys a 3-point edge.

Holzbaugh Wins Kopp's Pharmacy lost a valuable series to Earl Holzbaugh, 1-3, enabling the Fordsters to get back in the running. Earl's boys missed a sweep when they dropped the middle game by 3 pins.

Mondry Cleaners split with Grosse Pointe Review, 2-2 and tied Kopp's Pharmacy for second.

Middle Atlantic Transport Co. jumped two notches in the standings when they took a 3-1 decision from the Punch & Judy Cocktail Lounge. Mill rolled a 220 single and Curtis Pike contributed a 549 cluster to aid the hill climbers in their win. The Judy's best efforts were McCarron's and Jackie's identical 511s.

Harrison Stops Piche Harrison Carpets, going like

wild now, smothered Piches Barber Shop, 4-0, to halt the barbers in their steady climb, which had seen them emerge out of tenth place to within 3 points of first, up until last week's bowling. Jack Pagel again coming through with a nifty 559 series for the "Magic Carpenters." Leo Litza's 543 and Bob Schonherr's surprising 544 (the most he ever bowled in his life), were contributing factors in Harrison's victory.

Motor City Tires, deserving a better fate, lost four to Farms Market. A one-man show put on by Howard Ewald did the trick, a 234 middle game in a 569 series.

Standings table with columns Teams, W, L, including entries like Houston Bros. Inc., Kopp's Pharmacy, etc.

USE OUR CLASSIFIEDS THEY BRING RESULTS!

High School Reserves Win Third in Row

By Joe Fromm

The Grosse Pointe Blue Devil basketball Reserves captured their third successive basketball victory of the season Friday night with a lopsided 53-22 win over Royal Oak. The local reserves downed Hazel Park and Mt. Clemens in earlier tilts.

The Punkte quintet seized a lead of 13-3 at the end of the initial quarter and set the pace for the remainder of the game. Coach Harold Fisher started a veteran team of Larry Marr, Frank Schneider, Glenn Coury, DuWayne Peterson and Alex Mann. As the Pointers went into the lead Coach Fisher replaced the starters with less experienced tenth grade players.

Pace Opening Quarter

Grosse Pointe was paced in the opening period of play by Schneider, Marr and Coury. Royal Oak's three points were on a basket and free throw by Zickel.

The Blue Devils, sparked by Bruce Allen and Peterson, increased the score to 24-6 at half time. Royal Oak made three out of four free throws for its second period scoring.

A combination of guard Pat Brogan and center Ben Bray in the fourth period highlighted the Pointers' scoring in the second half. Brogan passed the ball to Bray in the pivot spot, who returned it to Brogan as he broke. Brogan netted seven points and Bray four in the period.

Eleven players participated in the scoring for Grosse Pointe. Marr was high man for the locals with 10, followed by Allen with 9, and Brogan with 8. Zickel, from Royal Oak, was high man of the night with 11.

Grosse Pointe made 9 out of 25 free throws while Royal Oak made 6 out of 17.

St. Paul Cagers Beat Visitation

By Rob Phillips

St. Paul's Varsity cagers brought home their first win of the season Friday night when they opened the year by defeating Visitation 23-17. At the half, the Flyers held a 14-8 edge, and at the end of the third stanza they were in front, 18-16.

High-scoring honors went to Pete Belanger, former gridiron star for St. Paul. Coach Ed Lauer is very fortunate to have a complete line-up of veterans from last year to strengthen the squad. The major part of the varsity group is made up of senior boys, and Lauer expects that he may have some trouble replacing men like Jimmy Law, Belanger and several others.

D.U.S. will supply the opposition for the local athletes next Friday afternoon. The game is scheduled to start at 3. Last year St. Paul had some trouble defeating the formidable laddies from the Cook Road school. The game went into over-time with St. Paul edging them out, 23-22.

In the second game of the home-and-home series, D.U.S. clamped down and came through with a win.

Congratulations go to Jimmy Law, who played a bang-up game Friday night and is considered by Coach Lauer to be "one of the nicest ball-handlers I've seen in a long time."

Legion Honors Baseball Clubs

By Rob Phillips

Baseball players from four local clubs were feted by Grosse Pointe's American Legion Post at a banquet early last week. The four clubs represented the Optimists, 1948 champions; Kiwanis Club; Lions Club; and the Metropolitan Baseball Club.

Celebrations were led by Bill Mason. Guest speaker of the evening was former Detroit Tiger Billy Rogell. Rogell brought up a few stories of the "old days" — some ninety years ago, — as well as leaving a message with the boys about what baseball can do for each individual.

Highlighting the evening was the presentation of the championship trophy to the captain of the Optimists Club, Ted Barnes. Ted said: "Although they presented the trophy to me, I feel that all the boys in the League deserved the same honor."

After the banquet, the players were invited to see the game between the clowning House of David five and Jerry Lynch, local quintet.

Suspicion A naturalist and four assistants are setting out on an expedition to Africa next month to search for a new member of the gnu family. There is a suggestion that a syndicate of crossword compilers may be behind it.

—Punch

Hanson Subdues Old Brick In Savage Basketball Tilt

Lynch All Stars Down House of David Court Team in Other Half of Double-Header at Neighborhood Club

By Fred Runnells

Pointe basketball fans who failed to attend the double header basketball exhibition at the Neighborhood Club on Tuesday, December 7, missed one of the most savagely fought games this reporter has seen in a good many seasons when Hanson Chevrolet whipped Old Brick Inn, 33-27, in the final two minutes of the preliminary game.

Neither team had anything at stake but from the opening whistle they fought with the viciousness of a couple of strange bulldogs and as the result the referees had difficulty keeping the game under control.

Old Brick Leads In the first half the lead changed hands repeatedly and at half time the score stood at 19-18 in favor of Old Brick Inn.

The second half was also savage and at times the near capacity crowd had difficulty determining whether they were watching a football or basketball game. At one point in the fourth quarter during a scramble under the Old Brick Inn basket only one player remained upright, the rest were sprawled on the floor battling for the ball. From here on in tempers flared.

Twenty-seven personal and one technical fouls were called in the game, sixteen against Hanson and twelve against Old Brick, one of these being the technical foul, it was Hanson's accuracy at the foul line that paid off.

Bob Messmer of Hanson and Red Mason of Old Brick tied for individual scoring honors with eleven points each.

Both teams are entered in the Major Division of the Neighborhood Club League and will meet at least twice more in league competition before next spring.

In the second game of the night the Jerry Lynch All Stars clipped the famous, clowning House of David aggregation, 47-36.

GPMS Varsity-Alumni Game Scheduled for December 28

Members of Championship 1946-47 Team Ready to Oppose Present Court Aggregation; Big Turnout Expected for Battle

By Fred Runnells

The date is set and interest is growing by leaps and bounds for the Grosse Pointe Varsity-Alumni game announced in last week's News. Principal Walter Clemenson has set Tuesday, December 28, for the first scheduled Varsity Alumni basketball game to be played in the high school's history.

Since the announcement of the game your reporter has received numerous phone calls and letters from Grosse Pointe Alumni wanting to know if they are eligible to play on the Alumni team.

At first it was thought that members of the 1945-46 and 1946-47 teams would compose the Alumni team but since so many of the alumni are anxious to play against the Varsity it was thought best to limit the eligibility to members of the 1946-47 team. It was this squad that gave the Blue Devils their first Border Cities League basketball championship in ten years.

It was also Coach Ed Wernet's first basketball team since returning to his alma mater as a coach.

The 1946-47 team was composed of the Three Musketeers, Johnny Rummel, Bob Olson and Paul Grubbs along with Ed Isbey, Tom Willson, Leroy Guaresimo, Herb Gerhard, Jerry Allen, George Mantho and Dick Wuerker.

It was pointed out to Mr. Pile that with the latest bit of engraving the trophy is completely filled.

It was suggested that the league assess each school twenty-five dollars and purchase a large trophy which would be emblematic of sports supremacy in the league.

Mr. Pile assumed me he would call each principal of the BCL schools and see what could be done before the first of the year.

Most trophies, without a deed of gift, which are won three times consecutively are usually retired to the organization turning the trick.

HONEST BUS DRIVER Johnny Amoz, driver of a Lake Shore Coach Line bus, turned into the Maumee police station on Dec. 10 a purse he had found in his bus. The contents showed it belonged to Anna Bushy of 1321 Maryland. The purse was returned to its owner that same day by the City police.

MALE CHORUS CONCERT The Detroit Lutheran Male Chorus, with Vera Loeber conducting, will present its second annual Christmas Concert at St. Marks Lutheran Church, East Grand boulevard near Forest on Wednesday, Dec. 22 at 8 p. m. A second performance will be given at Emmanuel Lutheran Church, Dearborn, located on Military at Morley on Dec. 26 at 8 p. m.

Children to Share Honors Lighting Detroit Yule Tree

Judges for the double-barred cross Christmas Seal Boy Contest include Harvey Campbell, Walter F. McLucas, T. Melville Rinehart, Monsignor Wm. P. Schulte, Dr. Henry Steinbach, and Fred M. Zeder, and Mayor Van Antwerp as Honorary Judge, the TB and Health Society announced today.

The judges will meet December 17 to select from eight boys the one most resembling the boy on the 1948 double-barred cross Christmas Seal.

Children's homes participating include Evangelical Home for Orphans, Baptist Children's Home, Methodist Children's Home, Sarah Fisher Home, Chil-

dren's Aid Society, Lutheran Charities, and Protestant Children's Home.

Traditionally, each year, a little crippled girl from a Michigan's Children's Convalescent Home lights Detroit's Christmas tree on Christmas Eve. This year, the little girl selected will be assisted by the winner of the double-barred cross Christmas Seal Boy Contest.

It was felt that a youngster from a broken home should share in this exciting event and so, two desiring to children will bring Christmas to Detroit this coming December 24 as, together, they turn on the lights of the giant tree in front of the city hall.

Court Rule Puts Fowler on Spot

By Rob Phillips Sport fans who have already seen basketball games this season may have been startled by some changes in the 1948-49 rules.

The officials must have been feeling devilish when they devised that one about a personal foul. Whenever a player fouls another, the criminal must raise his hand above his head for the benefit of the scorer, announcer, and spectators. This hand-raising is usually accompanied by either complete indifference, or attempt at same, or a bad-boy complex resulting in the emotional upset of the player for the remainder of the game.

Seriously though, the most aggressive athletes, that is, the ones who foul the most, say it's not bad after the first few times and occasionally the lifting of the guilty player's paw comes with ease.

The more timid boys are having a nothing-but-serious problem with the new ruling. We're wondering if some husky youth, tipping the scales at 215,

out on the gridiron next fall if he does something naughty. The other change is rather a minor one. All jump-balls are to be started in either free-throw circle or the center circle. This rule is backed by the reasoning that it will keep the game going without quite as many interruptions if the play is kept as far away from the sidelines as possible.

Good Breakfast Very Important

Are you feeling down in the dumps? Chances are you didn't eat a good breakfast. That's what the Michigan Department of Health says.

What DID you eat? Breakfast, the most important meal in the day, is the most neglected meal, especially among women and children, Mrs. Alice Smith, Chief Nutritionist of the Department, said today. Nine poor breakfasts are eaten for every good breakfast in the state.

A good breakfast includes: 1) fruit or fruit juice, preferably citrus, 2) whole grain or enriched cereal or bread, 3) milk, and 4) butter or fortified margarine. None of these four items should be omitted from any breakfast, and in addition, growing children need eggs, bacon, sausage or other breakfast meat.

Breakfast neglect is most common among children, particularly teen-agers, among office workers, among plant and factory workers and among housewives, especially the mothers of little children. It reveals itself in irritability, fatigue, poor morale, lowered efficiency and ability to concentrate, less care with work, poor work performance, nervousness, accidents — and even wrinkles, Mrs. Smith said.

The time between dinner at night and breakfast the following day is the longest interval between meals. The human mind and body need refueling for efficiency and smooth operation during the morning and early afternoon hours.

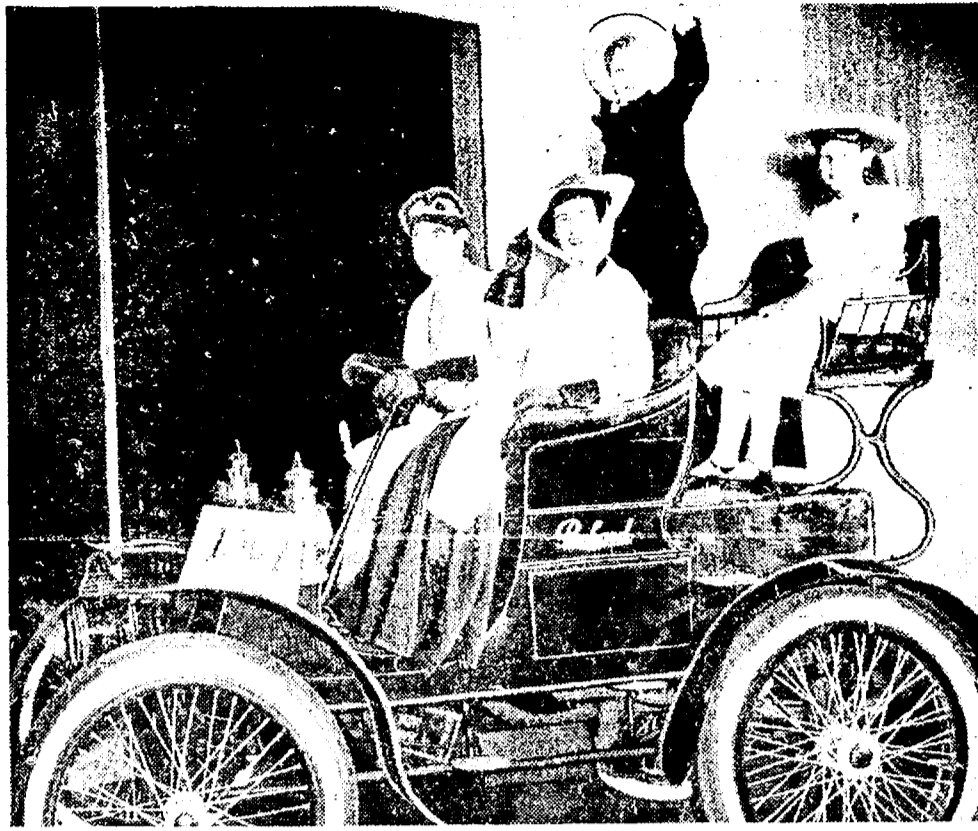

The U. S. Bureau of Human Nutrition has found that those who skip breakfast get less done in the first working hour and become less efficient as the morning hours progress. A wartime study showed that most industrial accidents occurred between 11 and noon — to those who had little or no breakfast.

Brian Flanagan to Get Doctor's Degree Dec. 19

Brian P. Flanagan, of 853 Beaconsfield Avenue, Grosse Pointe Park, will have an M.D. degree conferred upon him by the Bowman Gray School of Medicine of Wake Forest College, Winston Salem, N. C., on December 19.

Flanagan took his pre-medical training at Vanderbilt University. He is accepting a 1st Lieut. commission in the Army and will serve his internship at Letterman General Hospital in San Francisco, Calif.

Carrying On Old Traditions

At the formal opening of McMillan Packard, Inc., 8500 Woodward Avenue, MR. and MRS. JAMES McMILLAN and their two children, SANDY and VIRGINIA, dressed the part as they posed in the single cylinder 1901 Packard. This car, one of the first "C" series built, made a striking contrast beside the streamlined 1949 models. Mr. McMillan, a Grosse Pointe Park Village Commissioner, is carrying on the family association with the Packard Motor Car Company. His great-grandfather, Senator James McMillan, was one of the founders of Packard. His grandfather, William McMillan, and father, James Thayer McMillan, were also active in the Packard Management.

Making of Christmas Cookies Traditional Part of Festivities

The tantalizing aroma of baking cookies is a cherished part of the exciting pre-holiday atmosphere. It's due more to the thoughts of the fun we'll be sharing with our family and friends than the actual consumption of the food itself.

Every family includes certain kinds of cookies in their holiday baking year after year. They vary with different groups depending on the country from which their ancestors came. Sometimes they're retained more for sentimental reasons, than because they are so good in themselves.

Many cookies which are relatively new deserve a place among the traditional varieties. Those which are rich in fruits, and nuts can be made a week or more ahead of Christmas if they are stored in tightly closed glass or metal containers after they are thoroughly cooled.

Most of us overlook the health value of food during the holiday season, but wise parents know that overindulged tummies don't add to the joy of the occasion for either themselves or their children.

For this season they'll have some simple sweets which children can eat without getting upset along with the richer ones. The Nutrition Service of the American Red Cross suggests cookies cut into fancy shapes with miniature cutters as the best bet for these confections.

Make them decorative by topping with a little brightly colored sugar, silver dragées, or slivers of candied fruit or rind. If they are gay enough in appearance, they are gay enough in regard to their nutritive value.

MARSHMALLOW RICE CRISPS: One-fourth cup butter or enriched margarine, 1/2 pound marshmallows, 1/4 teaspoon vanilla, 1 package crisp rice cereal (5 1/2 ounces).

Cook butter or margarine and marshmallows over hot water until thick and syrupy. Add vanilla and beat thoroughly. Put rice cereal in large greased bowl and pour marshmallow over top, stirring briskly. Press into greased, shallow 9 x 13 inch pan. When cool cut into squares, fancy shapes, such as stars, miniature Christmas trees or circles, or press between hands into small balls. Make Christmas wreaths by decorating circles with bits of candied red and green cherries. If liked, the balls may be rolled in colored sugar or finely chopped nut meats. Make 24 2 1/4 inch squares.

CARAMEL PECAN COOKIES: One and one-half cups sifted all-purpose flour, 1/4 teaspoon salt, 1/2 cup shortening, 1/2 cup sugar, 1 egg slightly beaten, 1 teaspoon vanilla, pecan halves.

Sift flour and salt together. Cream shortening, add sugar gradually, beating until light. Add egg and vanilla. Blend in dry ingredients gradually. Shape into small, round balls and place on greased baking sheet. Flatten with fork or spatula to 1/2 inch thickness. Top each cookie with 2 or 3 pecan halves. Bake in moderate oven, 375 degrees F., for 10 to 20 minutes. Makes about 36 cookies.

DATE NUT BARS

One cup sifted all-purpose flour, 1/2 teaspoon baking powder, 1/4 teaspoon salt, 1/4 cup melted butter or fortified margarine, 1 cup sugar, 3 well beaten eggs, 1 cup dates, cut fine, 1 cup nut meats, chopped.

Sift flour, baking powder and salt together. Mix melted fat, sugar and eggs until well blended and stir in dry ingredients. Add fruit and nuts and blend well. Spread in an 8 x 14 inch pan which has been lined with waxed paper. Bake in moderate oven, 350 degrees F., for 15 to 20 minutes. Cut into miniature bars and roll in powdered sugar while still warm. Makes about 36 small bars.

NUT CRISPS

One cup shortening (use at least half butter or fortified margarine), 1/2 cup powdered sugar, 2 cups sifted cake flour, 1/2 teaspoon vanilla, 1/3 teaspoon almond extract.

Cream fat and sugar together until light. Add nuts, vanilla and flour and blend well. Chill Form into small balls. Place on ungreased baking sheet. Bake about 20 minutes in moderate oven, 350 degrees F. Roll in powdered sugar while still warm. Makes about 4 dozen cookies.

CINNAMON CRUNCHES

One cup sifted enriched all-purpose flour, 1/4 teaspoon salt, 1/4 teaspoon cinnamon, 1/3 cup shortening, 1/2 cup sugar, 1 egg yolk, 2 tablespoons milk, 1/4 teaspoon vanilla, 1 egg white, 3 tablespoons sugar, 1 teaspoon cinnamon, 1/4 cup slivered blanched almonds.

Sift flour, salt and first amount of cinnamon together. Cream shortening and first amount of sugar gradually and cream thoroughly. Add egg yolk, milk and vanilla and blend. Add dry ingredients gradually, stirring until well blended. Spread mixture evenly in ungreased 7 x 11 inch pan. Beat egg white slightly and spread over surface of dough. Mix second amount of the sugar and cinnamon with the almonds and sprinkle evenly over top. Bake in moderate oven, 350 degrees F., for 30 minutes. Cut into bars or squares while still warm. Makes about 24 bars.

Cheese Dishes Good Any Time

Cheese is a favorite with all good cooks at any season of the year, but it is especially popular during the winter months because foods prepared with it require comparatively little time for cooking. It is likely to appear often on Grosse Pointe dinner tables at the present time not only for this reason but because it's such an excellent meat alternate.

Pound for pound cheese is more expensive than many cuts of meat but it's so concentrated and every bit of it is edible so it goes much farther. Because it is almost invariably combined with other foods a pound of it can be counted on to make from eight to 12 servings.

The muscle-building protein in all cheese is of the highest quality and when the milk it has vitamin A in it too in generous amounts. Cheddar cheese, commonly called store cheese, is rich in calcium needed for strong bones and teeth.

Cheese is lacking in iron, one of the elements needed for red blood cells. For this reason the Nutrition Service of the American Red Cross suggests serving generous amounts of fruits and vegetables in the same menu with it. They're perfect partners for cheese from the standpoint of palatability too.

Here are some easy summer menus planned around cheese:

MENU I
Tuna Cheese Pie
Broiled Tomatoes
Cantaloupe
Milk
Tea or Coffee

Three tablespoons flour, 3 tablespoons butter or margarine, 1 1/2 cups liquid (milk or liquid from cooked vegetables or liquid evaporated milk), 1 teaspoon salt, 1/4 teaspoon pepper, 3 hard-cooked eggs, sliced, one 7-ounce can tuna fish, 2 cups cooked peas green beans or carrots, 1 tablespoon chopped parsley.

Make a sauce with fat, flour and liquid, cooking until smooth and boiling, stirring all the time. Add seasonings. Arrange eggs, tuna and cooked vegetables in shallow baking dish and sprinkle with parsley. Cover with sauce. Top with cheese biscuits. Bake 20 to 25 minutes in hot oven, 425 degrees F. Serves 6.

CHEESE BISCUITS: Make your favorite baking powder biscuits, adding 2/3 cup grated cheddar cheese to dry ingredients before stirring in milk. Roll out 1/2 inch thick and cut into rounds. Use some to top pie and bake the rest separately to serve with butter or margarine.

Do you ever wonder what goes on at a Girl Scout troop meeting? Well, here is what Charlotte Klein, scribe of Troop 579 at St. Paul, says:

"We are now working on the Good Grooming badge. A representative from Beauty Counselor discussed the use of make-up, and at another meeting a Fullerton came to talk about the care of hands, hair, and complexion. For our Red Feather awards, we are studying about the Community Chest, its different centers and the ways in which it helps Boy Scouts and Girl Scouts. Mrs. Marick gave us a quiz on its history, how it works and how it helps us. We also had a talent show in which we told jokes, sang songs and recited poems."

Another scribe, Mary Jo Giroux, says: "The Brownies of Troop 304 at Kerby School visited the Detroit Art Institute and saw a film about armor and looked at the armor and Steuben glass exhibit. Also we took a hike to Pine Woods to make use of the trail signs we have learned. We have been acting out skits about Scout laws."

Brownie Troop 424 at Parcels School has been busy completing five European clothing kits. They joined with Scout Troop 793 and Brownie Troop 612 for a big hay-ride and wiener roast at Finley's Stable.

Mrs. Pascoe Dies In Woods Home

Mrs. Florence Pascoe, aged 44, of 915 Roslyn road, Grosse Pointe Woods, died in the basement of her home some time between the evening of December 10 and the morning of December 11.

The word was brought to the Woods police early in the morning by her 18 year old son, who found the body of his mother in the basement.

The youth was in such a hysterical state that the police had some difficulty in getting his story.

Mrs. Pascoe was the mother of six children, the oldest one in college and the youngest five. She had been killed by a discharge from a sixteen gauge shot gun.

Baptists to Hold Special Services

The Christmas season at the Jefferson Avenue Baptist Church will be marked by the observance of a number of special services. On Sunday, December 19 at 11 in the morning the combined choir will sing special festival music and Rev. J. P. Hendershot will bring the Christmas message. At 7:30 in the evening the annual Christmas Candlelight Service will be observed.

The combined choirs of more than one hundred voices will present the story of the "Little Christ Child" in carol, anthem and scripture. This service will be directed by Grace Samson, minister of music.

The musical observance will close with two special services on Sunday, December 26. Combined Choral and Young Peoples choirs will sing at both services.

Church School To Give Pageant

The Church School of the Grosse Pointe Methodist Church will present its annual Christmas pageant and party on Sunday evening, December 19, at 6 p.m. in the Kerby School.

The pageant this year, which is under the direction of Mrs. David McKee, will be "The Coming of Christ," which is the Christmas story told in living pictures.

The Junior Choir of the church under the direction of Mrs. Fred Asmus, will present all the music for this production. After the pageant there will be a community Christmas Carol Sing and Santa Claus will pay a visit with something for each child.

Traffic Violations Increase As Yule Buying Rush Starts

The City police have been issuing an unusual number of tickets recently for overtime parking and double parking and other offenses which interfere with the free movement of traffic, particularly in the shopping area on Kercheval.

The growing congestion in this section makes it important that residents should exercise their parking and traffic privileges with care so as to cause the least possible interference with the rights of others.

Reserves Down Hazel Park Five

A veteran Grosse Pointe High reserve squad captured the initial game of the new basketball season on December 3 with a 36-22 victory over Hazel Park at the Parker's court.

The starting quintet of Larry Marr, Frank Schneider, Glenn Courty, DuWayne Peterson and Alex Mann all played on the reserves last year.

Both teams were very bad in the free throw department. Grosse Pointe held a slight edge with four out of fifteen to Hazel Park's four out of eighteen.

Remember, when you point your finger accusingly at someone else, you've got three fingers pointing at yourself.

from Detroit north of the Grosse Pointe area. The growing number of these cases will be evident with the advancing Christmas buying season. fourth quarter Coach Fisher used every player. Grosse Pointe had very little trouble with the Hazel Parkers in the opening quarter and held an 8-0 lead as the second quarter opened. Hazel Park found itself in the second period and scored 10 points to the Pointers' 12. The half time score was Grosse Pointe 20, Hazel Park 10.

Both teams were limited in point production in the third quarter. Grosse Pointe scored four points on baskets by Bruce Allen and Glen Courty. The Parkers connected for five points.

Pointers Boost Lead Grosse Pointe increased the lead in the final period with twelve points as six players took part in the scoring.

Glenn Courty led the scoring parade with 11 points on five baskets and one charity toss. Larry Marr held down second place honors with eight points.

Both teams were very bad in the free throw department. Grosse Pointe held a slight edge with four out of fifteen to Hazel Park's four out of eighteen.

You Have Remember, when you point your finger accusingly at someone else, you've got three fingers pointing at yourself.

Dangerous Accident Months Are Now Facing Motorists

Forty-five persons will be killed in traffic accidents in Detroit during November and December, the two most dangerous months of the year traffic accident-wise.

In addition, 2,898 persons will be injured in traffic, perhaps crippled or maimed, between now and the end of the year.

These stark chilling figures are the predictions of the Traffic Safety Association of Detroit, based on an analysis of fatal and injury accidents in November and December during the past 10 years.

Of the persons killed, 34 will be the pedestrians. Injured pedestrians will number 968.

Most of the pedestrians will walk to their deaths at night. In fact 15 of them will be struck down during the first three hours of darkness between 5 and 8 p.m.

Two out of three of the pedestrians will be over 40 years old. The majority will be persons who have never driven automobiles, and their unfamiliarity with

Six Kinds of Starches for All Laundry

There were only two kinds of laundry starches not so very long ago — cooked and cold. But now you have your choice of half a dozen.

"Cooked starch is the standby of the veteran housekeeper. Where there's a big family wash it is the most economical method. Beginners sometimes fail to cook it to the proper stage of clarity. Then the iron may stick, starch spots show."

"This is our method: mix 1/4 cup of solid (lump, cube or powder) starch with 1/4 cup cold water. Add 1 quart boiling water gradually. Cook until mixture boils and clears; stir constantly. Cool tightly covered to prevent scum forming. Use undiluted for cuffs and collars; diluted with 2 to 4 parts water for medium to light starching jobs."

"Cold starch used to be your only other choice. When in a hurry you mixed solid starch (lump, cube or powder) with cold water and ironed garment still wet. Ironing was difficult, finish was stiff."

"Hot water starch. Use only powdered starch with an equal amount of cold water. Then add boiling water. Cooking not needed."

"Liquid starch. Just add water. "Dehydrated starches and crystalline starches are made the same easy way and are soon to appear."

Thumb Sucking By Child Held Normal Habit

Your child sucks his thumb because it means security and comfort to him. Is it advisable for you parents to deprive him of this satisfaction?

The answer to this age-old question is in the negative.

Many parents feel that thumb-sucking by one, two and three-year-olds is no cause for alarm. Babies are born with a need to suck which comes to be associated with a pleasant, warm, full, comfortable feeling. It is no wonder that these young children turn to thumb sucking when things become difficult for them.

Many children under three years of age turn to thumb sucking when they are tired, hungry, excited or afraid. As children become older they find new sources of security and become better able to stand stresses and strains.

It is better to steer away from the gadgets guaranteed to end thumb-sucking—the bitter medicine, bandages, cuffs and guards. If your child is finding security and comfort in his thumb, it is too bad to invest money in a device that takes away his security. Devices don't always work.

The more you try to stop thumb sucking directly, the more it is likely to continue. The child turns to his thumb to ease him over some period of strain. If you try to stop him you just increase the strain for him and along with it you develop increased anxiety in yourself.

Tomato and Meat Popular

Sometimes the flavor of one food is particularly good with that of another. For instance, the piquant flavor of tomatoes goes well with the satisfaction of meat.

This combination is age-old but its goodness is proven by its popularity and by the fact that there are many new ways to combine the two flavors.

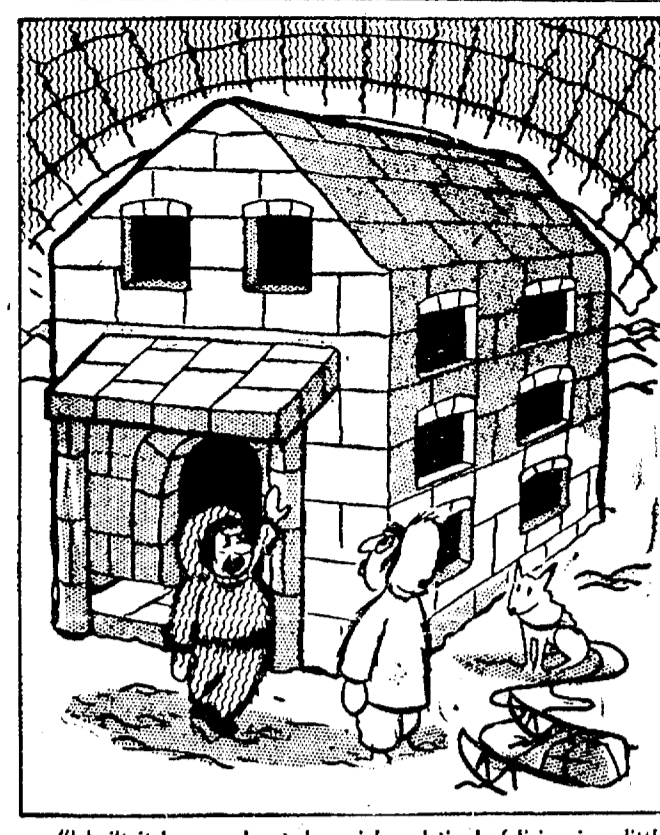

Swiss-style steaks and pot-roasts are an example of one combination that has stood the test of time. In fact, all braised dishes cooked with tomato juice or tomato pulp have an especially good flavor. A new idea, for many homemakers, in preparing meat dishes with tomato flavor is to use fresh tomatoes. The tomatoes cook down, releasing their juice and fresh flavor to the meat; and when the meat is done the cooking liquid is usually seasoned with salt and pepper and thickened for gravy.

Broiled whole or half tomatoes or those baked in a hot oven are delicious as a meat accompaniment. An unusual touch is added by topping the tomato with an onion ring and brushing it with Worcestershire sauce.

Potatoes Need Smoking Fat

Important point to remember is there should be plenty of hot, smoking fat in the pan before you start cooking potatoes. Potatoes will absorb all the fat they need, but no more, no less.

Watch for puffs of steam rising here and there in your frying potatoes. This means they're browning nicely. If they look dry during cooking time, add more fat.

"I built it because I got darn sick and tired of living in a little room one—that's why."

Eating Sweets Major Cause Of Teeth Decay in Children

Eating sweets is the major cause of tooth decay among Michigan children. That is what Dr. Fred Wertheimer, Director of the Bureau of Public Health Dentistry of the Michigan Department of Health said recently in reviewing current dental research.

He said also that the decay is occurring many times more rapidly than the dental profession can provide corrective treatment.

Dr. Wertheimer urged parents and teachers to attempt to cut down on children's use of gum—including the bubble variety—candy, pop, and chocolate syrup drinks, cookies, cake, pie, jam, jelly and sugar.

Research has shown, he said, that decay is started by acids resulting from the action of bacteria on refined sugars and starches in the mouth.

"Brushing the teeth or washing the mouth immediately after eating sweets would help some," he said.

Research has shown that caries activity will decrease in direct proportion to the extent sugar is cut from the diet. This change has been observed in as little as two weeks time in studies conducted at the University and in several years in European countries where sugar was extremely short during the war.

Caries, Dr. Wertheimer said, is the chief cause of loss of teeth among people under 30 years of age.

New Look for Old Paint Jobs

Porcelainize your BUICK'S body

Stop—look—it glistens! That's any Buick, old or new, after Porcelainizing. This patented body treatment is a real face-lifter for old paint jobs, and a face-saver for new finishes.

Porcelainizing smoothes out the microscopic rough spots in the paint—gives your car a hard, level-surfaced finish that sheds dust, dirt and grime. Your car looks younger—longer—with Porcelainizing.

Come in today and treat your car to the new look...

age. Principal hope of saving these teeth lies in more general use of the sodium fluoride treatment. Swabbed over children's teeth, sodium fluoride can reduce tooth decay 40 to 50 per cent, even when the sugar intake has not been cut.

Other agents are being developed to counteract the harmful effect of sugar, but until these agents are in more general use, parents can save their children's teeth by cutting down on the sweets each child is permitted to eat.

Dumplings As Mother Made

Remember the dumplings mother used to make? They went into a good old-fashioned dish—round white dumplings simmering in the juices of a rich savory stew. Well, here's an easy modern way to make those tender dumplings. And of course, one of the best reasons for the popularity of dumplings these days is the way they stretch meats!

Cereal Dumplings
1/2 cup milk
1 tablespoon shortening
1/2 teaspoon salt
Dash of pepper
1 egg, well beaten
2 1/2 cups 40% bran flakes, finely crushed
Scald milk and add shortening. Remove from heat. Add salt, pepper, and egg, mixing well. Add bran flakes and onion, and mix thoroughly. Shape into 1-inch balls. Drop dumplings into simmering meat stew, cover, and simmer 15 minutes. Makes 15 dumplings.

PERSONAL APPEARANCES

Twice a month, all through the year the Grosse Pointe Songsters Group meet for the sheer joy of "making music" . . . This Monday will mark the second anniversary of the group which includes nine attractive and tuneful ladies. The birthday is being marked by a luncheon, a carol fest, Christmas gifts and a special contribution to the Veterans' Hospital at Dearborn from Songsters. All this will take place at the Berkshire road home of MRS. L. B. STEGGMAN, who'll be assisted by her daughter, Mrs. Joseph Brenner.

MRS. STEGGMAN will greet her guests in a deep, rich brown crepe frock, cocktail length and with the briefest of sleeves. Gay gold and brown sequins trim the neckline of the gown and the same note is repeated on the sleeves. There'll be lovely brown and creme orchids at her shoulder.

Another Songster, who let us see the charming frock she'll wear to the birthday party was tall and lovely MRS. C. D. MACPHERSON. Her royal blue crepe costume, falling to the fashionable cocktail length, will boast a slight peplum jacket, the revers of which are trimmed in Oregon holly. Royal blue sequins sparkle on the gown which has a cowl neckline and very short sleeves.

MRS. JULIUS H. HAAS who seems to have a secret that makes her prettier every time we see her, was glimpsed the other afternoon in a smart black crepe frock designed with soft, sweetheart neckline and elbow length sleeves. Neckline and cuffs brighten the frock. Below the neckline a strip of pale blue silk ribbon is embroidered in jet beads. The cuffs are banded in double rows of blue and the same pale blue, also embroidered richly. She chose black suede slippers with pert suede bows on them.

PILFERINGS

Milton Berle tells about the young mother who came to the door of the nursery and saw her husband standing over the baby's crib. Silently she watched him as he stood looking down at the sleeping infant. In his face she read rapture, doubt, admiration, ecstasy, incredulity, wonder. Deeply touched and with her eyes glistening, she tip-toed over and slipped her arms around him.

"A penny for your thoughts," she said tenderly. "Startled into consciousness, he blurted, "For the life of me, I don't see how anybody can make a crib like that for \$3.49."

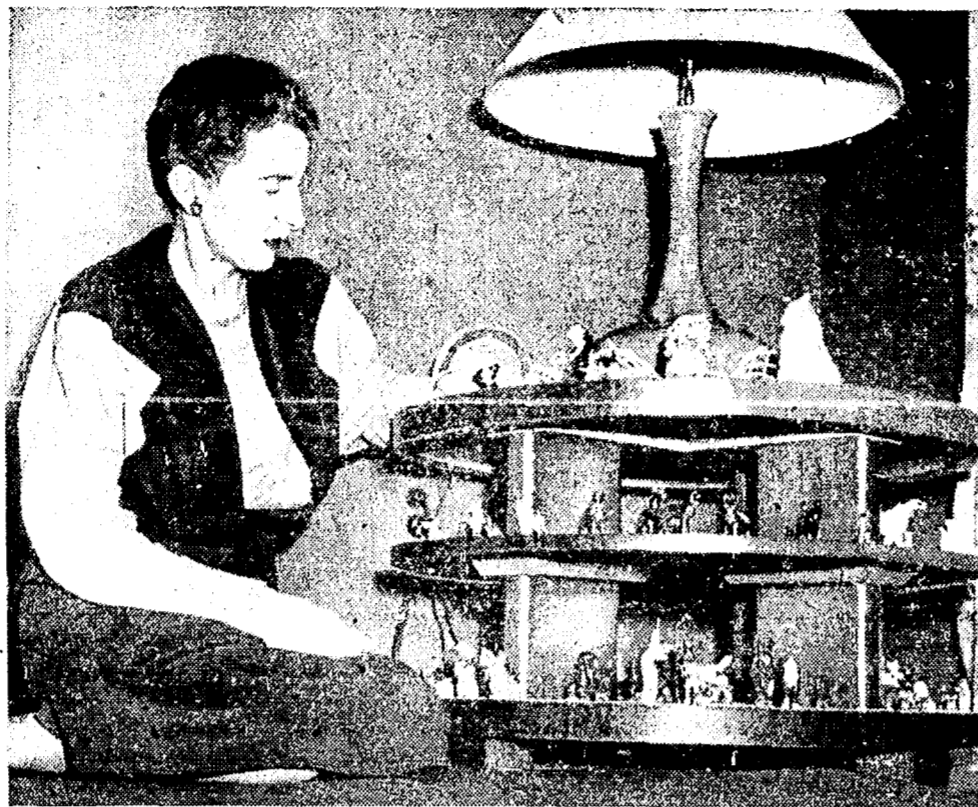

The same Berle's Dictionary of Definitions:
 Accordian: A musical instrument with one advantage—teaches you how to fold up a road map.
 Ambition: A yearning capacity.
 Automobiles: Like drama critics. The less substantial they are, the more knocking they do.
 Bachelor: A man who never makes the same mistakes once.
 Bacteria: Rear of cafeteria.
 Beet: Potato with high blood pressure.
 Blotter: Something you look for while the ink dries.
 Bore: Fellow who talks on a boat to boast book-ship.
 Boy: Like the canoe, he's handled more easily if paddled in the rear.
 Businessman: One who talks golf all morning at the office and business all afternoon on the links.
 Censor: Man who knows more than he thinks you ought to.
 Civilization: A system under which a man pays a half buck to park his car so he won't be fined two dollars while he eats a thirty cent meal. Prices subject to revision this year.
 Confetti: Stuff which is used to honor today's celebrities, made from newspaper articles about yesterday's celebrities.
 Critics: People who go places and boo things.
 Darling: A husband's maiden name.
 Dieting: Triumph of mind over platter.
 Diplomacy: To do and say the nastiest thing in the nicest way.

Pointer of Interest

MRS. BASIL CRIST OF TORREY ROAD
by Kitty Carney

Mrs. Basil Crist can point to 75 or 100 dog figurines as evidence of her fondness for canines. Sizes of individual dogs in her collection vary from three-quarters of an inch to five inches in height.

In the living room of the Crist home, a three-tiered round coffee table, large enough to display the animals adequately, serves as a kennel for Mrs. Crist's toy canines. Atop the table is Mr. Crist's favorite from the collection, a smart-looking Pekinese. The other dogs circle the lower tiers of the table.

The purchase of four china Scottie pups started Mrs. Crist on her hobby about 14 years ago. Today, she points to those first specimens as evidence that it takes time before the collector learns to look for detail and finer points in making his purchases.

Scotties Favored
Scotties, incidentally, have always been favored in the Crist collection in deference to their own Scottie pup which went to doggy heaven a year ago. There are Scotties of various sizes, descriptions and materials—from the china ones to a pair in metal, and several ebony specimens.

A mournful-looking leaded glass Scottie pup, its upturned black face streaked with white, is Mrs. Crist's favorite dog. Also in the collection are a handsome metal bulldog, stately china collie, long-haired terriers hand carved in Italy, and small carved wooden

figures of hounds, pekes, bulldogs and many other types.

All Breeds Included
Vieing in interest are the bronze pointer, collie, cocker, and Welsh terrier, not to mention a doberman, dachshund, greyhound, beagle hound, and a copper bulldog from a copper mine in the Upper Peninsula.

To continue in this vein sounds like reading a page from a dog bulletin, but it gives some idea of the extent of Mrs. Crist's collection. The figures are of wood, plaster of Paris, metal, and even glass. Two of the collector's smallest prize canines disappeared from the table some time ago, causing her no end of concern.

Friends, in their travels, have always been alert to find new and different dogs for Mrs. C. "It's amazing," according to Mrs. Crist, "how many varieties and all together different types you can find once you've started a collection."

Dinner at Club Honors Wilber Robert Brucker

Mr. and Mrs. Frank Kuhn of McKinley place were hosts at a dinner party at the Country Club on Tuesday evening, Dec. 14, in honor of Wilber Robert Brucker. Mr. Brucker is the nephew of former Gov. and Mrs. Wilber Brucker, and is visiting in the Pointe from the Philippines, where he is treasurer and general manager of Trans-Asiatic Air Lines.

Guests were: Gov. and Mrs. Wilber Brucker, Mr. and Mrs. Robert A. Kuhn, Mrs. Robert Kuhn, Mrs. L. R. Lilley, Miss Ann Lilley, Mr. and Mrs. Archibald McKay, and Miss Airielle Kuhn.

BANANA BREAD

Contributed by Mrs. Edward J. Hickey III

1 cup sugar
1/2 cup butter
2 cups flour
2 eggs
3 crushed bananas
1/2 cup sour cream with 1 tsp. of soda added.

Cream butter and sugar. Mix ingredients like for any cake. Pour mixture into well-greased loaf pan. Let rise for 30 minutes, then bake in a slow oven for 1 hour.

(Keep in icebox—the older this gets, the better it is.)

Two Clubs Sponsoring Young People's Dance

The Country Club and Grosse Pointe Club are sponsoring a joint dance for the young people of both clubs, to be held in the Country Club on Tuesday night, December 22.

Bill Gail and his orchestra will play for dancing from 8:30 to 12:30. Admittance will be limited to those 19 years old and under.

Boat Club Getting Set For New Year's Party

The Detroit Boat Club is taking reservations from its members for the big party planned for New Year's Eve.

Jack Oakie's orchestra will play for dancing in the ballroom. The Mark Otis Trio will provide music in the cocktail lounge and Charlie Savage will be heard on his hot piano in the Oak Room.

Breakfast will be served from 1 to 3 a.m.

CAR RIFLED IN GARAGE

Frank Cooley of 1127 Beaconsfield, reported to the police that his car was rifled on the night of Dec. 10 while in his own garage. The thieves took everything they could carry away with them, chiefly glove compartment accumulators.

Pointe Counter Points

By JANE

These are the days you can't get your best friends to make sense . . . they're frantic with last minute shopping . . . but take a tip from this Shop Hound . . . though the days before You Know What are just a few . . . the shops at the Pointe are all prepared to help you through your list . . . even at this late date . . . you'll retain your sanity and even take on pride about the "cuties" you're going to bestow!

There's JACOBSON'S for instance . . . just a stone's throw from home . . . and aglitter with the most dazzling and desirable gifts for all those you want to remember. Big gifts galore here . . . right down to tiny remembrances which can be charming. All the items we'll tell you about today are below five dollars and none have federal tax! The Personal Butler is one of the newest gifts to be found this year. It's a little gold ash tray, less than two inches square, clasps like a small change purse when not in use. It fits into Her handbag when she's visiting and never leaves her at a loss to WHERE to put these annoying ashes which are growing longer and longer on her cigarette and she can't find an ash tray in the room! Wonderful for meetings where smoking is permitted, etc. The bobby pin cases are marvelous gifts for the young set. Two gold bobby pins top the round gold box which is lined in green corduroy. The Neat-Nests make toward efficient living, too. She can clamp it to her purse and it's a small leatherette case holding three gold tubes which look like lipsticks. Really one is for lipstick, one for perfume and the third is a cigarette lighter! The Squeeze-Me cigarette holder is teddibly cute . . . simply squeeze the front and the top pops open. There are myriad gold key chains and one we saw was a combination, with tiny gold needle and thread kit attached! All these Christmas Wonders at JACOBSON'S.

Santa's Helpers are certainly alert at SCHEITTLERS on Fisher road! Those ob-so-masculine toiletries that He buys for himself can be found on the swank shelves here. Alfred Dunhill, Old Spice and Yardley's. If you groan at the confusion when she opens her handbag, be sure to give her one of the snappy little plastic kits (they come in red or navy) containing lucite brush and comb and tiny but competent clothes brush. The kit fits easily into a lady's handbag and the Deb Doud simply adds compact, lipstick and busfare and breezes off sans any other purse! Max Factor's plastic make-up kits are at SCHEITTLERS, where all the famous and glamorous perfumes and colognes also are to be found.

'Twas the Night before Christmas but the house was so beautifully dressed with greens and holiday plants that even Santa sat down for a good look-see. Of course the proud blossoms all came from GROSSE POINTE FLORISTS on Kerby road. We have just come from a lovely visit admiring their traditional Christmas plants . . . holiday greens . . . the most beeeautiful wreaths . . . ropings for the great houses . . . and of course the gay poinsettias. There's still time to call NE. 3000 and let GROSSE POINTE FLORISTS make your home headquarters of Christmas beauty!

The deb whose every dance is taken . . . the deb who makes the headlines as Society's Newest and Most Dazzling Darling . . . will be the deb whose pretty locks have been coiffed at ANTHONY'S in that new and alluring short bob . . . then softly and deftly curled by the NEW Anthony permanent, which is exclusive to this fashionable salon. And the Mama who looks, during the hectic holidays, as if all this is simply lovely and delightful and she isn't the least bit tired . . . is the Mama who has made her appointment at ANTHONY'S for precisely the same holiday loveliness.
