MEMORIAL CENTER PLANS PUSHED

HEADLINES of the WEEK

As Compiled by the Grosse Pointe News

Thursday March 24

The New Carnegie Steel Corporation was incorporated on this day in 1909. Former President William H. Taft proposed on this day in 1919 that the Monroe Doctrine be incorporated into the League of Nations' Covenant. Cardinal James Gibbons of Baltimore died, 1921. Patton's men stormed over the Rhine in 1945.

THE SENATE yesterday passed a "home rule" bill to extend rent controls 12 to 15 months and allow some rent increases up to 10 per cent by a vote of 68-10. Michigan's two Senators voted for the bill in its final form.

NINE OF MONROE'S Nudist Colony, men and women from Ohio and Michigan, were found guilty of indecent exposure yesterday by a Monroe jury of farmers and business men in a 70-minute session. Verdict carries a maximum penalty of \$500 fine and a year in prison.

THE VETERANS' pension bill is riddled by drastic changes in the House.

WINSTON CHURCHILL, just arrived in this country with his wife and married daughter, gives "whole hearted support to the Atlantic Pact" but expresses himself reservedly on America's foreign policy. He will dine tonight in Washington with President and Mrs. Truman.

THE UNITED STATES agrees to Polish demand for withdrawal of Czech and American troops from our embassy in Warsaw.

AN ASSOCIATED PRESS survey of the House Ways and Means Committee today indicates the committee will turn down President Truman's proposal for direct Federal help for all needy persons.

Friday, March 25

"General" Jacob B. Coxey headed his "Army" on this day in 1894 for Washington to protest against hard times and unemployment. The American Army, well beyond the Rhine, started its drive on this day in 1945 across Germany. The Russians left Iran in 1946 and the UNO was much relieved.

THE MOST RECENT of Russia's shifts in the top commands places Marshal Alexandr Vasilevsky in charge of all the armed forces, succeeding Marshal Nikolai A. Bulganin.

COST OF LIVING figures fall for the fifth consecutive month. Practically all of the increases that had occurred in 1948 have now been wiped out.

BY THE NARROW margin of 208 to 207 the House sends the Veterans' Pension bill back to the Veterans' Affairs Committee "for further study." It is believed to end the pension increase issue for this session.

EIGHT DETROIT auto plants were yesterday forced to lay off 33,000 workers as the result of three strikes. A strike of 2,600 at Midland Steel Products Corporation compels Chrysler to lay off 24,700.

A STATEMENT in the British Medical Journal that a virus definitely is the cause of cancer may lead to the biggest advance in cancer research in many years.

LAURENCE OLIVIER, for his work in the role of "Hamlet," and Jane Wymen for her part in "Johnny Belinda" win the Academy Award this year.

Saturday, March 26

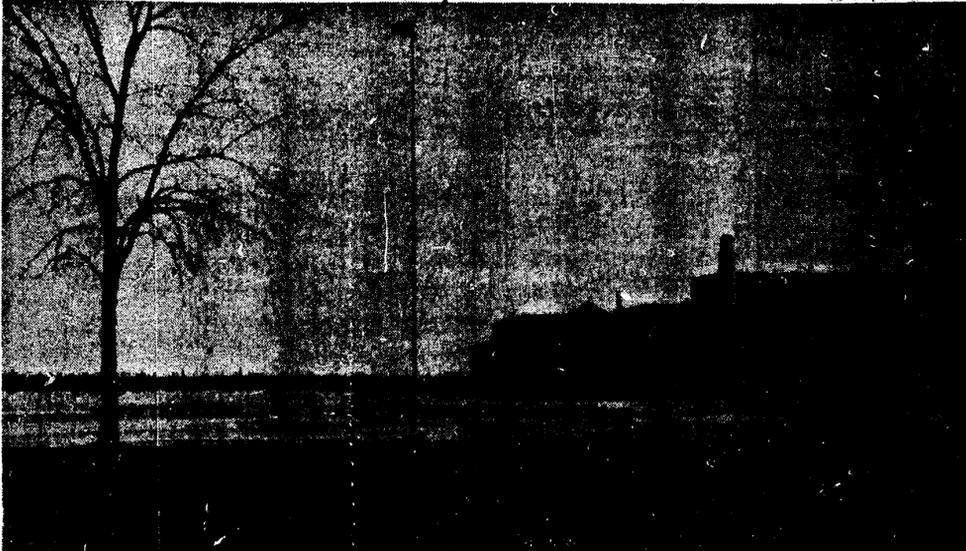

Three American armies were 40 miles beyond the Rhine, on this date in 1945.

A SERIES OF RAIDS by the Vice Squad of the Detroit police claimed to have broken up nuttural ring doing a business of \$1,000,000 a year. Nineteen persons arrested.

MILK PRICES in the Detroit area will drop a cent a quart on April 1.

(Continued on Page 2)

Lake St. Clair Waters Sink to Abnormally Low Level

SAND BARS REAR THEIR UGLY HEADS at the Grosse Pointe Shores municipal beach next to the Yacht Club where there is generally plenty of water for swimming. Absence of snow and rain this winter has resulted in the lake level falling between two and three feet below the normal height for this time of year.

Issues Plea To Cut Down Grass Fires

Burning Destroys Soil, Endangers Nesting Birds and Ties Up Fire Departments

With the field fire season here again, a plea for their prevention is voiced by Dr. Hugh Stalker of East Jefferson avenue. A flurry of blazes during the last week adds importance to his admonitions.

Field or grass fires start in a number of ways. Often they spread from burning rubbish. Just as often they are started by boys who simply like to watch the blaze. And in many cases, owners of grass plots intentionally start the fires because they think it will improve the next growth.

Belief Disproven The belief that burning improves grass has been disproven. Burning destroys organic matter in the top soil and impoverishes it. The blaze also often kills wild life which is living in these uncultivated areas, such as ground-nesting meadowlarks, killdeer and pheasants.

In addition to these arguments against starting grass fires, there is the matter of keeping the fire department busy putting out the minor blazes when it might be desperately needed at a serious fire.

Stop Destruction The destruction done by these fires can be reduced by avoiding burning plots intentionally; teaching youngsters not to start them, and reporting and helping put out fires that start in your neighborhood.

In the Farms alone during the last week, field fires were reported at Allor and Mack, 403 Touraine road, 269 Mt. Vernon, Beacon Hill and Grosse Pointe boulevard, and at Kercheval and Vendome.

MORE VANDALISM

The radiator ornament on a Packard owned by K. R. Parker of 20 Roslyn road, was broken while the car was parked in Grosse Pointe boulevard between McKinnin place and Fisher road on the night of March 23.

Art Work of Much-Sought Check Passer Appears Again

An old check passing customer of the Park police is on the job again.

On March 23 Gerald Mitchell, of the Salerno hardware store at 15128 Mack avenue, reported that he had cashed a check made out by Frank Moore, payable to Richard Moore, that had come back from the Grosse Pointe Bank marked "No Account".

The check looked strangely familiar, even to the photocopied lettering in red which had been carefully printed in with a pen.

Fishing through the files, the police found a check made out

Lake St. Clair's Low Water Dame Nature's Toll for Fine Winter Pointe Has Enjoyed

City Rushes to Take Advantage of Abnormal Situation by Driving Trucks into Wading Pool for Thorough Cleanup Job Before Season Opens

The unusually mild winter which the Pointe has enjoyed, with practically no snow and very little rain, may exact its toll during the summer months. Lake St. Clair has fallen between two and three feet below its normal level for this time of year and lovers of water sports may be handicapped during the coming outdoor season.

Walking Encyclopedia

To get information for a story on the unusual situation, the NEWS went to Norbert Neff, city clerk, who is a walking encyclopedia on all matters pertaining to the Pointe. Mr. Neff offered to produce government charts to produce government charts on water levels during the past century, but cold-figures would probably just confuse the readers as much as they would the writer. The story was obtained in general terms.

Back in 1928 and 1929 the level of Lake St. Clair rose to such a height that there was a definite threat to the whole lakefront. Shore property suffered great damage. By 1930 the waters had started to recede and there was a gradual lowering of the height of the lake until 1935, when it reached its lowest point. Since then it has been gradually rising again, until this year. The mark is now between two and three feet below the average for all the years since the low mark of 1935.

Scuffs at Legends

There are legends about the height of the lake running in cycles. Some say a high and low are reached every seven years. Other oldtimers maintain the cycle is an 11 year one. This year Dame Nature, appears to have rolled a craps.

Mr. Neff sticks to the theory that there is no basis for such beliefs in any related cycles. Abnormal conditions produce abnormal results. He recalls, one year when the level of the Detroit river fluctuated more than three feet in 24 hours, when the waters were lashed by gale winds which came from every point on the compass at some time or another during the day.

Seizes Opportunity

The City is looking on the brighter side of the low water situation and is taking advantage of it right now. The children's wading pool at the municipally owned beach park is being diked. Normally there are three feet of water on the deep side.

City employes have been rushed in to clean out the pool and the job is being accomplished with the greatest of ease. It has been possible to drive trucks right down into the pool to remove all the accumulated silt and leaves and replace them with bright new sand. This situation has occurred but once since the pool was built in 1930.

Farms Takes Advantage

At the Farms council meeting on March 28, Clerk Furton announced that the very low water in the lake this winter and spring due to small precipitation and an ice blockage in the St. Clair river had permitted extensive repairs to be made economically on the pier there. They had been able to replace 40 piles which had rotted out and do certain other long needed work.

To continue with this work he recommended that authorization be given for the purchase of certain additional tools, including an electric saw, drill, vise and bench grinder. The cost will be about \$300. The authorization was granted.

Rains May Come

Rains may raise the lake level before the swimmers and boat owners put themselves and their craft in the water. If the storms don't come, it will be necessary to go a little further from shore to avoid a scraped belly or bottom.

Cabbie Captures Hit-Run Driver

A taxi cab driven by John Subok was run into at 2:29 a.m. on March 26 in front of 852 Beaconsfield, by a car driven by John A. Dickerson, Jr. 19, of 904 Beaconsfield.

Dickerson did not stop after the accident and Subok took after him, and caught him before he got to the end of the block. The police took charge of Dickerson and his car.

LUMBER THIEVES AT WORK

A quantity of 2x10 lumber was stolen from a gas station under construction at Mack avenue and Fisher road on the night of March 22, the Farms police were informed.

Committee Heads Picked By Connolly

List of Appointments Disclosed by New President of Grosse Pointe Farms

President William F. Connolly Jr., who took office on Monday night, March 28, as President of Grosse Pointe Farms Village, announced his committee appointments for the ensuing year.

These are in a sense interim appointments, pending the adoption of a fully established form of City Government which was voted by the Farms voters on March 14.

Automatic Retirement

In the event that a City should eventuate during their terms, these appointees would automatically retire and be succeeded by another set of officers brought into being by the City structure. Otherwise these will hold for their complete yearly term.

President Connolly's appointments were:

President Pro Tem, Richard L. Maxon.

Chairmen of Standing Committees: Finance, Henry H. Hubbard; Police and Fire, George L. Schlaepfer; Public Works and Buildings, William G. Kirby; Recreation, Neil McEachin.

Special Committee on Drainage: Henry H. Hubbard, Trustee; Richard L. Maxon, Trustee; E. P. Wright, citizen; I. E. Skeith, citizen; H. G. Goebel, citizen.

Members of Board of Review: Paul Franseth, T. Raymond Jeffs and the Village Assessor, ex-officio.

Imbibers Sent Home in Taxi

As Officers Barclay and Dean of the Park police were cruising near the Toddle House on Jefferson at 8:45 a.m. March 26, they observed a car making a reckless U turn. They stopped the car for warning and observed the occupants, a man and a woman, were under the influence of drink.

The car, a new Hudson being driven by the woman, was taken away from them and held at the Station. The occupants were permitted to leave in a taxicab.

STEAL RUBBER TILE

A roll of rubber tile was taken from a house being built at 27 Edgemoor road for Mrs. H. F. March 25.

Vote Monday

Don't fall to go to the polls next Monday, April 4. By voting the straight Republican ticket you will rebuke the pressure groups now attempting to take over the educational system of the State of Michigan.

Parley on Pollution Called as Another Swim Season Nears

Pointe and Macomb County Officials To Meet On April 12 With Authorities From State Stream Control Commission

A twice-postponed meeting to discuss pollution of Lake St. Clair will be held on April 12, it was announced Monday night at a meeting of the Farms trustees. The gathering of Pointe and Macomb county officials was first scheduled for March 22 and then was postponed to April 5.

Representatives from the State Stream Control Commission will also be on hand to discuss a program to keep pollution out of the lake. The approaching swimming seasons lends importance to the conclusions to be arrived at.

Difference of Opinion

It is reported the authorities from southern Macomb county would like permission to turn their drainage directly into the lake excepting during the four summer months when the lake is warm enough for swimming. The Pointe officials and the Stream Control authorities are not at all satisfied with this proposal.

The latter want Macomb to use the interceptor sewer whenever possible, which would be at all times excepting when a storm is so severe that the drainage cannot be handled by the interceptor and it is necessary to turn it into the lake to prevent flooding.

During the last two swimming seasons Macomb County has done everything in its power to keep all drainage out of the lake. At times this has meant the expenditure of large sums of money, as Macomb must pay the Farms for pumping all the drainage that comes down through the interceptor.

There have been but one or two minor interruptions in the season when heavy storms have forced Macomb to discharge into the lake and pollution has followed for a few days.

Death Car Driver Must Face Trial

Richard Seymour, driver of the car which figured in an accident on Lake Shore road last January 21, killing Jerry Scott, will probably not be tried until next fall or winter. He has been bound over to circuit court for trial on a charge of negligent homicide. The crowded court calendar is the cause for the delay.

Young Seymour was driving his car west on Lake Shore road at 1:55 a.m. so fast that he could not negotiate the curve at the Edsel Ford estate. Three other passengers were injured in varying degrees when the car jumped the curb, somersaulted and rolled over and crashed into a tree.

Accident Caused By Sign Ignorer

As Salem A. Smith, of 4734 Maryland, was driving north on Berks road on March 25 he failed to stop for Charlevoix and struck a car being driven on Charlevoix by Harry DeBaeke of 16119 Novara.

DeBaeke's car was knocked over the curb, went 42 feet and turned over. Miraculously nobody was hurt. Smith was ticketed.

ACCESSORY THEFT

A hubcap and a white sidewall disc were taken from an Oldsmobile owned by Robert DeCaire of 329 Grosse Pointe boulevard, on the afternoon of March 27.

Another War Hero Arrives For Reburial

Services for Lieut. William Mills, Naval Flier Killed in Pacific, Set for Today

Another Pointe hero of World War II is being laid to final rest this afternoon. Reburial services are being held at 4 o'clock at the Pingree mausoleum in Woodlawn cemetery for Lieut. (j. g.) William J. Mills, son of Mr. and Mrs. Wilson W. Mills of Woodlawn place.

Lieutenant Mills enlisted in the Naval Air Corps in December 1942. He was killed off Wake Island in the South Pacific on May 27, 1944. He was buried on Wake in a naval cemetery that is now being discontinued by the government. His body was returned to this country recently.

The funeral services were attended by members of the immediate family only. Survivors besides the parents include a brother, Capt. David N. Mills; and the former widow of the flier, now Mrs. William Lidgerwood, living in Switzerland.

Five Stop Signs Request Heard

Seven residents in the vicinity of the junction of Williams, Moran and McMillan presented a petition to the Farms Council on March 28 asking for the erection of five stop signs to compel all vehicles entering the intersection to stop.

The matter was referred to the police committee. When Chief of Police Walter Hoyt was asked for his opinion of the matter, he remarked somewhat dubiously that in a somewhat similar spot there had been only one accident for a long time. But when the place was flooded with stop signs, four accidents had happened in quick succession. "There can be such a thing as too many stops," he said.

Honest Newsboy Finds Lost Cash

Paul West, of 572 St. Clair, was delivering his papers late in the afternoon of March 23, when he found a grey cloth bag in front of 272 Washington road. Inside the bag was a black leather purse which contained a \$20 bill and various miscellaneous papers.

He turned it into the Maumee police station where it was identified as belonging to Melster Luice of 5549 Springfield, Detroit. Through the police it was returned to its owner.

\$3,152,000 Spent for New Buildings in Farms in 1948

Building activity continued at a boom pace in Grosse Pointe Farms throughout the municipal fiscal year which ended on February 28. Total permits for all classes of construction numbered 244, involving an expenditure of \$3,152,000. Of these 160 were for private dwellings costing \$2,817,000.

The remaining 84 permits, representing building costs of \$335,000, were divided among 7 commercial places, 2 non-assessable properties, a church and a school, and 75 miscellaneous. The latter item represented alterations, and repairs, garages, etc.

Leaders Lose No Time In Tackling Job

To Make Recommendations to Directors at Meeting Called for April 7

The Committee of Fifteen of the Grosse Pointe War Memorial Fund, had a meeting on Monday evening, March 28, at the Neighborhood Club, at which a widely ranged discussion of the whole project resulted in the decision to make certain definite recommendations to the Board of Directors of the Fund at a meeting to be called at the Neighborhood Club for April 7.

Would Reduce Board

Among the recommendations to be made is one that the present board of directors, which has been a somewhat loosely created group, be reduced to smaller proportions and converted into a more compact and workable body.

It will also be recommended at this meeting that certain committees be set up for the administration of the property. No details were decided upon for this committee structure, but it will be urged that a committee on Planning and another one to be known as the House Committee be set up at once.

Would Return Gifts

It was also decided to recommend at the April 7th meeting that the subscriptions of those who had signed up for the Memorial Library project and who had expressed their unwillingness to let their subscriptions be applied to the Community Center, be returned to them, either their cash returned or subscriptions cancelled, as the case might be.

It was also announced at the meeting that the Detroit Trust company will continue to attend to the supervision and upkeep of the property until the moment when the Memorial Fund takes over as a fully functioning body.

Would Speed Action

It was agreed that this time be advanced as soon as possible. Arthur P. Bricadeau, the Assistant Fire Chief of Grosse Pointe Farms and Mrs. Bricadeau, are already living on the property and looking after it.

To Move Names

It was also decided to recommend that the names on the temporary memorial shrine at the corner of Kercheval and Fisher, which was moved when the library campaign was on, be removed and placed in Alger House and that this be done on Memorial Day as a patriotic gesture of the main purpose of the Community Center development.

This removal and placing of the names will be attended with appropriate ceremonies.

These will not be the permanent names that will be in the House. These will be replaced by ones of permanent character later.

Motorcycle, Car, Tangle on Mack

Lawrence Hathaway, aged 19, of 4669 Haverhill, was driving a motorcycle east on Mack on March 25. He had stopped behind a car at Wayburn going in the same direction. When the car ahead started the motorcycle started also and ran into a car going north on Wayburn, owned and driven by Clifford Ouellette of 1093 Chalmers.

Hathaway suffered bruises on face and head and was taken to Bon Secours Hospital for emergency treatment, after which he was discharged.

Both were given tickets by Detective Hennig and Patrolman Hoyer who happened to be on the spot and witnessed the accident. Ouellette got his for going into moving traffic and Hathaway for passing an intersection without due care and caution.

CARS CRASH IN PARK

A two-car crash occurred at Pemberton and Fairfax at 5 p.m. on March 22 between cars driven by Theodore Trefzer of 809 Pemberton and Nancy Pierce of 582 Lincoln. There was considerable property damage but no personal injury.

PRIVATE PAPERS OF THE late General "Billy" Mitchell, father of American air power, are, presented to the Library of Congress as a gift to the nation by his widow, now Mrs. Thomas Bolling Byrd, of Boyce, Virginia. Mrs. Byrd was formerly Miss Elizabeth Trumbull Miller of Grosse Pointe.

DR. ERNEST REUTER, Lord Mayor of Berlin, who is touring the U. S. under special arrangements made by General Lucius D. Clay, is Detroit's guest today... says he doubts Russians will start an aggressive war but will continue their tactics of political battles and peace offensives... says Stalin, whom he considers Germany's No. 1 enemy, has learned the lessons of past dictators.

An oyster can produce 114,000,000 eggs during its lifetime.

Methodists Plan Kenn to Talk to Camera Club

The public is invited to a showing of "Beyond Our Own," produced by the Protestant Film Commission, at 8 p.m. on Friday, April 1, in Maire School, sponsored by the Grosse Pointe Methodist Church. This film is the first full length feature picture produced by the Commission in Hollywood using professional talent. There is no admission charge. At 6:30 that evening, immediately preceding the showing of the picture, the Methodist Church will have the last of its Lenten Family Suppers. Mrs. Charles E. Shanks is in charge of dinner arrangements. There will be movies before and after the supper for the children.

Kenn to Talk to Camera Club

"How to Standardize Your Negatives" will be the subject of the lecture to be given by Stanley Kenn before the Grosse Pointe Camera Club, on Tuesday evening, April 5. Mr. Kenn, through years of experience in the commercial photographic world, has learned the need of being able to make standard negatives in order to get the best possible prints. He has been conducting classes during the winter months on his favorite subject and promises that when he has finished his talk before the club members, they will be able to know and recognize the faults. He has worked out a practical demon-

stration to accompany his subject, which shows each step in negative standardization and how to properly procure it. Dr. Gordon Aldrich, president of the club, has also arranged for Major Dennis Glen Cooper, well known explorer, to appear on May 17 and have a showing of his well-known colored film of Michigan's beautiful Isle Royale.

Of Interest To Veterans

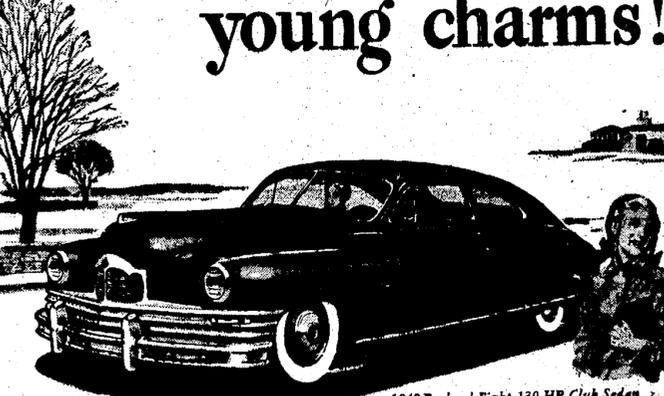

Veterans planning to attend summer school under the G.I. Bill should begin now to make necessary arrangements for Veterans Administration certificates of eligibility, VA advised this week.

A veteran already in school under the G.I. Bill who intends to continue his education this summer in a different school should apply as soon as possible for a supplementary certificate of eligibility. VA pointed out that veterans now in school under the G.I. Bill must have these supplementary certificates before they can be admitted to new schools or courses.

If a veteran is not presently in training, but holds an unused certificate of eligibility issued before September 1, 1948, he should obtain a new certificate if he plans to attend school this summer. If he has no certificate of any kind and plans to enroll in a summer school, he should make application for a certificate at his nearest VA office.

A book dictated by Marco Polo in prison was the most popular source of European knowledge of the far east for three centuries.

Such enduring young charms!

1949 Packard Eight, 130-HP Club Sedan

Proof: Penny-accurate service records, submitted by all Packard dealers, show that the service needs of the new Packard Eight are the lowest in Packard history!

That's another important reason why the demand for new Packards is at an all-time high.

Naturally... today's buyers are impressed by the styling and appointments of this luxurious motor car. They're delighted with its "limousine" ride—and astounded by its spectacular gasoline mileage!

But most of all (at the prices all cars are carrying today), they want

Suggest Community Council For Coordinating Activities

Committee Preparing Recommendation to Be Presented at Family Institute Sessions Scheduled to Be Held in Pierce School April 21 and 22

The Community Council Committee to plan a session during the Family Life Institute on April 22, met in the home of Mr. and Mrs. George R. True on Moran road Wednesday night, March 23, to investigate the possibility of a Grosse Pointe Community Council to coordinate activities of many of the existing organizations, and to answer the needs of the Grosse Pointe youth.

Among those present were Mrs. Sylvia King, Norbert Neff, Chief Thomas Trombly, Mrs. Lloyd Weed, Mrs. Frank K. Seydler, Rev. and Mrs. Geffert, Mrs. Thomas Mann, Mrs. C. Q. Swenson, Mr. R. Hammel, Bill Anderson and Grant Armstrong.

Study Their Councils
The group inquired into the non-political councils existing in Highland Park and East Grand Rapids. These councils have been very instrumental in bringing about a community spirit and furthering constructive projects to improve conditions within their respective cities. It was felt by all those present that such a council would fill a need in the Grosse Pointe area. In the state of Michigan over 20 such councils already exist with forward-looking plans for the improvement of their communities.

Projects Proposed
Some of the proposed projects discussed Wednesday evening were: a Grosse Pointe Hobby Day, a Water Festival, organized recreation for the youth, a date-clearing center, a lecture series for adults, a Grosse Pointe chorus, projects of the Grosse Pointe Community Theatre, a plan to beautify the vacant lots in the Pointe.

The group plans to meet Thursday, April 7th, to draw up final recommendations for presentation at the Family Life Institute to be held April 21 and 22, the full program of which will appear in a later issue of this paper.

Take Part in High School Fashion Show

"FASHIONS FOR THE BUSY MISS" was the title of the home economics show held in the High School auditorium last Thursday afternoon. Miss Dorothy Hostetter, head of the Home Economics Department of the High School presented Miss Adeline Heinz, educational stylist of New York, who used students for models in a performance featuring girls getting home economic career positions. The show was sponsored by the Simplicity Pattern Company. Left to right are: CAROL FREDERICKS, GLORIA CLYMA, NANCY KASER, and MARY ANN SCHMIDT. Kneeling for a measurement is DORTHA ONSTWEDDER. —Photo by Fred Runnells

Plan Program On Water Safety

Movies and a demonstration of water safety will be shown in the Grosse Pointe High School from 8-9:30 p.m. on Monday, April 4. The public is invited to attend. There will be no admittance charge.

Ernie Goetz, director of the water safety program of the Red Cross for the Detroit area, will show the movies in the auditorium at 8 o'clock. There will be pictures of boat handling, life saving and swimming. Following the movies, Mr. Goetz will take a canoe into the swimming pool and demonstrate the correct way to get in and out, how to sit safely and how to handle a paddle.

The program is being sponsored by the Canoe Club of Michigan and the Adult Education Department of the Grosse Pointe Public School system.

Large Flock of Rare Swans Visits Pointe on Trip North.

An unusual sight greeted the early morning risers along the lakefront in the Bishop Road-Ellair place area on Wednesday morning, March 23. A flock of more than 100 wild swans were swimming around about 200 yards off shore. It has been many years since a flock of that size has settled on Grosse Pointe waters.

Some of the big birds were sleeping as they floated with their heads tucked under their wings. Others were bobbing up and down apparently catching small fish or feeding on vegetation in the shallow waters.

City Clerk Norbert P. Neff, who is somewhat of an authority on the wildlife of the Great Lakes, said they were of the trumpeter variety of swan, the largest of the species. They are much larger than wild geese.

At one time these swans were very plentiful in our central continental waters, but pot hunters and indiscriminate slaughter reduced the flocks until they became almost extinct. Since they were placed under year-round protection they have multiplied noticeably and now good sized

flocks are occasionally seen in the flats areas around the Clinton river and several other spots to the north of the Pointe.

The birds are strong flyers, often cruising steadily for many hours in formation at the rate of 40 to 60 miles per hour. They are now in flight from their winter quarters in the Caribbean and Northern South American areas and will not settle down for the summer until they get to Labrador or in the lakes and feeding grounds of Northern Canada.

CHAPTER P.E.O. TO MEET
Chapter A.O. of P.E.O. will meet at 8 p.m. on April 4 in the home of Mrs. J. M. Merwin, 707 St. Clair. Mrs. Jane Simich will be co-hostess.

Youngster Runs Into Path of Car

Mrs. Hester Stalker of 677 Middlesex reported to the police at 5:20 p.m. on March 25 that she had struck a small boy with her car in front of 910 Beaconsfield. The boy was Master Bobby Lucey, aged four, of 910 Beaconsfield, who had run out from behind a parked car in front of

Mrs. Stalker's car. The police took him to Dr. Jodar's office for examination but Bobby was suffering from nothing more serious than a small bump. Fortunately Mrs. Stalker was driving very slowly at the time.

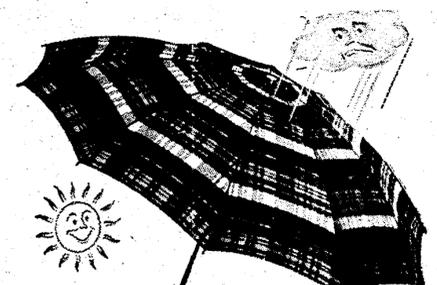

Giraffes grow as tall as 18 feet.

Tells Required Procedure Before Farms Becomes City

Village Attorney Henry Maurer Says Charter Commission Must Have Draft Ready Within 90 Days of Being Elected; Governor Must Approve Charter

Following the Farms Council meeting on March 28, Village Attorney Henry Maurer explained briefly the procedure followed towards becoming a fully operating city.

The Charter Commission must meet within ten days of the date of its election. It must bring in its draft of the City Charter within 90 days of its first meeting.

Governor's Job Advisory

This must then be submitted to the Governor for his examination. The Governor's function in this procedure is advisory. If he approves the proposed charter it is ready for submission to the voters for their approval or rejection.

If he criticizes certain provisions in it, his objections must

be spread upon the minutes of the Council.

His objection however does not necessarily prevent its submission for the voters' approval. The presumption however is that if the Governor cited objections that are clear violations of State Constitutional provisions the Attorney General could institute legal proceedings which would prevent its submission to the local voters.

Must Be Certified If the Citizens approve the

charter, this fact is duly certified at Lansing and from that moment the municipality becomes a fully operating City. This becomes the official birthday of the new city. At the same election at which the voters have approved the Charter they will also elect a set of City officials, as provided in the charter.

If the charter is defeated by the voters, the candidate receiving the highest number of votes for Mayor, or whatever the chief executive officer might be called, becomes an officer of the municipality.

If within ten days after the charter election a petition signed by at least 300 qualified electors of the municipality is presented to the said official requesting the creation of a new Charter Commission, he must make arrangements for the election of such a Charter Commission and this Commission when elected shall proceed with the framing of a new charter.

Would Be Reconvened

If, however, no such petition is filed with the officer of the municipality, he shall request the old charter commission to reconvene and prepare a new charter, which in turn will again be subject to approval by the electors.

If no charter is adopted within two years the municipality reverts to its old status as an incorporated village.

Student Struck By Passing Car

As Mrs. Vera Cooper, of 223 McMillen, was discharging her daughter, Carol, aged 15, from her car in front of the Maire School at 7:23 p.m. on March 24, Carol stepped from behind her mother's car and was struck by a car driven north on Cadieux by Donald A. Johnson, of 22802 David avenue, E. Detroit.

Carol was taken to Bon Secours hospital for treatment of a badly bruised right leg. She was kept there over night for observation and discharged the next day when no more serious injuries had developed.

Another Small Cave-in Reported by Alert Boy

A wide-awake school boy, Robert McCormick, aged 11, of 1104 Kensington, reported to the Park police at noon on Mar. 25 there was a cave-in at the corner of St. Paul and Bishop. It was attended to by the village employees.

These caves, which seem to be frequent in the Pointe, usually come from leaks in the water pipes or sewers. There have been several such in recent months on Neff north of Maumes.

Daughter Born on Coast To Former Nancy Robinson

Linda Lee Sneed was born February 21 to Mr. and Mrs. James W. Sneed of 285 Hampden Terrace, Alhambra, California. Mrs. Sneed is the former Nancy Robinson of 586 St. Clair, Grosse Pointe, daughter of Dr. and Mrs. George Cooper Robinson.

Dr. Robinson left for California last week, joining his wife and new granddaughter. Mrs. Robinson has been there since February. They will return the first of April.

Farms Makes Payments On Pump Station Work

Partial estimate payments on the sewer pumping station at Chalfonte and Kirby were authorized at the Farms council meeting on March 28.

The Triangle Electric company was paid \$21,600 and Louis G. Scherf, doing the plumbing work, was paid \$19,186.

An additional \$278 was allowed Triangle company for disconnecting switches need in addition to the other electric equipment.

In the United States, petroleum was first produced commercially in 1859.

Center of Pointe Population Steadily Shifting Eastward

By Joel Margeneau
Grosse Pointe High School Journalism Student
In the past eight years a marked shift of population has occurred in Grosse Pointe. The population increase has been continual, but the center of the population has changed decidedly.

The Board of Education considers Grosse Pointe as divided into two areas, the west end and the east end. The west end includes the municipalities of Grosse Pointe Park and the City of Grosse Pointe from the Detroit City Limits to the middle of Fisher road. The east end includes the area from the middle of Fisher road to the Macomb County line. These "ends" are used for the comparison of population and school trends.

The population in 1940 was 19,173 in the west end and 11,861 in the east end. In other words the west end represented more than three-fifths of the total population.

By 1942 the census showed the east end had an increase of 3,487 while the west end had gained only 166. Approximately sixty-nine per cent of the east end's increase was in Grosse Pointe Woods.

Last year's census shows that in the eight-year period, 1940-1948, the east end gained 6,885. During this same span of time the west end increased only 158. Again the greatest growth was in Grosse Pointe Woods, where the population increase mounted to 164 per cent.

One of the basic reasons for the tremendous growth in Grosse Pointe Woods was the opening of many new subdivisions in that area. Then too there is the Federal Housing Authority. This gives people a chance to build homes of their own and pay for them over a long period of time at low interest rates. There was also the war. The war meant employment for all and good wages, which have resulted in increased home ownership all over the country.

In view of the amount of building going on in the west end since the war, the increase in population there seems terribly small. There is an explanation. Before the war the multiple dwellings in the City and Park allowed children. Since and during the war, however, landlords changed their viewpoint. When tenants moved out families with no children replaced them. This naturally decreased the population.

The figures show that in 1948 the population of the west end exceeded the east end by only 1,585. This means the center of the Grosse Pointe population has shifted from the west end to almost the division line on Fisher Road. It is evident this shift will continue for some time so that the center of the population in Grosse Pointe will continually move to the east end.

The elementary school enrollment in Grosse Pointe Schools reflects this same trend only to a greater extent. In a ten-year period, 1938-1948, the elementary enrollment in the west end decreased 12.6 per cent while the east end increased 204.1 per cent. This information is vital to the Board of Education in the planning of facilities to educate Grosse Pointe children.

FENCE CATCHES FIRE
Farms firemen extinguished a fence fire at 242 Provençal on March 29.

Everyone Takes Crack at Steve

Steve Klaczek is finding the going mighty tough these days. After being held in jail for nearly four days on suspicion of robbery, he was tried in the Farms police court Monday night, fined \$25 and \$5 costs on a disorderly conduct charge and then promptly re-arrested by the State Police.

Klaczek was picked up by the Detroit police last week when he was suspected of another robbery, but was let go when insufficient evidence was obtained against him. Farms Detective Sergeant Elmer Labadie and Detective George Champine were on hand to arrest him in connection with the theft of an electric razor from the Titus drug store in January. Klaczek's fingerprints were found in the store following the robbery.

The Farms police were also unable to produce sufficient evidence to pin the razor robbery on him, but the State Police feel they will do better. They are reported to have witnesses who saw him leaving a store with stolen property.

Justice Victor H. DeBaekle was the presiding officer at the Farms trial. Klaczek, 28, gives his address as 5251 Tarnow, Detroit.

JOAN KRAUSMAN BUSY
Joan Krausmann, daughter of Mrs. Joseph A. Krausmann, 1409 Kensington, Grosse Pointe Park, is on the publicity committee of a variety show, "Revue of '52," which her class is giving at 4:30 p.m. April 5 in the college auditorium. She is a graduate of St. Paul High School.

Rainbows can be formed by moonlight.

Two Hurt as Car Crashes into Bus

Samuel Smith, of Houghton Lake, Mich., was driving south on Lincoln road in mid-afternoon on March 25 when he failed to stop at Goethe and ran into a D&R bus. Both Mr. Smith and his wife, the only other passenger in his car, were taken to Bon Secours hospital.

Mrs. Smith is still confined with a fractured rib and shoulder. He was discharged the next day. The automobile was badly damaged.

Scouts Ask Help In Paper Drive

Trombly School Cub Scout Pack No. 86 will turn out Saturday, April 2, for another waste paper collection. Dads will drive for crews which hope to visit every house from Jefferson South and Whittier East.

Proceeds from the sale of the paper are used to buy new equipment and help finance pack activities.

Similar drives are planned for the first Saturday in each month. Those who will not be at home are asked to have a neighbor direct the Scouts to their paper pile or mail a card to Cub Scout Pack 86, Trombly School, telling when collection may be made.

FARMS TO BUY TRUCK

The Farms Council on March 28 authorized advertising for bids for a new garbage truck. The cost of the truck is estimated to run from \$4500 to \$5000.

Farms Studying Financing Plans

The advertisement for bids for the Chalfonte avenue water main have been postponed pending the working out of the financing plan.

A discussion arose at the Farms Council meeting on March 28 over the possibility of combining the municipal garage project in the same bond issue.

The legal impossibility of doing this was pointed out by village attorney Henry Maurer. The water main project he said was a self liquidating job which would be paid for out of a special allocation of funds derived from water receipts, while the garage project must come out of general obligation bonds.

The financing details of the two projects were turned over to the Village Attorney.

The Chalfonte water main project will hook up the water service on several intersecting cross streets which are now dead ends.

Swiss guides often insist on silence when crossing dangerous spots because noise can loosen masses of ice and snow.

Oil Truck, Cab, Figure in Crash

An oil truck and a taxicab figured in a collision at Merriweather road and Kercheval avenue at 10:15 a.m. on March 25, the cab suffering damage of \$175 and the truck none.

Walter M. Lawlis of 8180 Chalfonte, driver of the truck, making a left turn into Merriweather from Kercheval, failed to see the taxi being driven east on Kercheval by Theodore E. Fiehn of 1361 Lakeview, Detroit. Mrs. L. Slater of 127 Muir road was a passenger in the cab. There were no personal injuries.

Danger Averted as Ball Players Reverse Field

Boys playing ball in a vacant field across from the terrace in the 16900 block on St. Paul alarmed the occupants of the terrace by batting balls in its direction.

When the police came in response to complaint the boys just reversed the lay of their diamond and the game proceeded with the benediction of the law.

Ask Holiday Pay For Employees

A communication from Lawrence Piercy, business agent of the A. F. of L. Municipal Employees' Union, was passed up without action at the Farms Council meeting on March 28.

The opinion was expressed that Mr. Piercy had probably written the letter, which was dated March 22, before he had learned of the action of the Council's Labor Committee which had made a report at the same time. Mr. Piercy's letter requested attention to wage and salary increases and asked for regular pay on holidays without being required to work.

High School's Senior Band Takes Honors at Festival

The Grosse Pointe High School Senior Band, directed by Mr. Dewey Kalember, received a first division rating at the Southeastern Michigan Band and Orchestra Festival which was held Saturday at Ypsilanti. This entitles the band to compete in the state contest to be held in Ann Arbor on April 23.

The band received a first division rating from all three judges in concert playing and a second from the sightreading judge.

A first division represents the best conceivable performance for the event in the class of participants being judged and worthy of the distinction of being recognized as a first place winner. A second division represents an unusual performance in many respects, but not worthy of the highest rating due to minor defects

in performance, but not worthy of the highest rating due to minor defects in performance, or ineffective interpretation.

The other bands competing in the class "A" division were Ann Arbor, Ferndale, Van Dyke, Pontiac, Royal Oak, and Hazel Park.

The required number for these bands was the "American Folk Rhapsody" by Clare Grundman. Besides this the band played "American Legion", a march by Charles Parker and "Spaxico" by Herbert Fred.

A greyhound bus adorned with banners made by some of the students carried the band to and from Ypsilanti. The musicians returned in time to tell the departing players the good news.

The last time they played in Ypsilanti three years ago the band also received a superior rating.

Written by Alice Schnepfer, member of Tower staff.

Hollywood Sidelights Heard By Motion Picture Council

Mrs. Roy Riddle, guest speaker at the March meeting of the Grosse Pointe Motion Picture Council, described, with amusing sidelights, how the decline of British and other foreign markets for movies has caused strict economies in Hollywood, and told of the effects of those economies in recent motion pictures production.

Mrs. Riddle has followed the film industry for many years as member and vice-president of the Greater Detroit Motion Picture Council. She said that Hollywood, to its own surprise, recently has discovered that it can turn out excellent films at low cost that meet with even greater box office appeal than some of the more lavish, high-budget films. She cited "State of the Union" as a striking example.

Some of the more interesting stories Mrs. Riddle told concerned well-known Hollywood stars lining up for unemployment compensation, and slashes in costume features from \$2,000 to \$2. She also told how the British public, after high taxes virtually had stopped importation of American films, begged for more of the Hollywood products. As a result, Parliament has relaxed its restrictions.

The tedious and costly process of making animated-cartoon mo-

ovies was discussed by Mrs. Riddle, who described the work of such experts as Walt Disney and Max Fleischer. "Gulliver's Travels" Fleischer's first full-length feature, took two million artistic man-hours to produce, she said, and Disney's "Bambi" took his studio eight years to make.

Twenty-one members of the Grosse Pointe Motion Picture Council visited the Juvenile Court of Probate Judge D. J. Healy during the month. Judge Healy had spoken at the preceding council meeting and had invited them to attend.

Mrs. Daniel Hembel, president of the Council, reported that five more sound motion picture films have been added to the collection of the Grosse Pointe Public Library from funds previously provided by the Motion Picture Council. These films are available free to Grosse Pointers on a library card for use during any 24-hour period.

CONSTRUCTION THEFT
A wheelbarrow wheel and tire were stolen from the basement of the new church under construction at Chalfonte and Lothrop on the night of March 24.

Male and female ostriches take turn sitting on their eggs, males working the night shift.

Woman Alarmed By Phone Call

A resident of the Farms notified the Farms police on the night of March 27 that his wife had just received a strange telephone call which had frightened her.

The call was from Walkerville, Canada, and presumably was from a man she had known long ago but had not seen in years. She and her husband had heard that he had acquired a criminal record. He questioned her about her two children in a manner which alarmed her.

The call was reported also to the F. B. I.

Rat Executioner Lets One Escape

Donald Miller, aged 10, of 558 Washington road discovered three rats in a rubbish bag in the garage on March 25, and not believing in the existence of rats under any circumstances, he proceeded to choke them to death with his hands.

The executions proceeded satisfactorily until he reached No. 3. This one bit him severely in the index finger of his right hand. He was taken to Cottage Hospital for treatment. Rat No. 3 got away.

Modern sealing wax contains no wax.

\$200 Bail Set In Morals Case

The Park police picked up on March 17 a man giving the name of John C. Young, aged 55, of 1707 N. Washington, Royal Oak. Information was furnished the police by a resident, charging Young with gross indecency.

The Prosecutor's office demurred at issuing a warrant on the gross indecency charge. They amended it to "contributing to the delinquency of a minor" and then issued a warrant.

When the hearing was held on March 23 before Justice John Potter, he was so impressed with the gravity of the case that he noll prossed the case on the minor charge and directed that the police re-apply for a warrant for the gross indecency charge. He telephoned the Prosecutor's Office to this effect and that same afternoon the office issued the warrant.

On the hearing on this warrant that same night Young was held for examination under \$200 cash bail.

A number of years ago Young was the pastor of a church in Royal Oak but subsequently lost his pulpit.

The wearing of pendants as jewelry is derived from the primitive practice of wearing wild-animal teeth, stones, or shells around the neck with magical intent.

Pontchartrain Chapter Committee Meets April 1
Mrs. Albert E. Cooney, of Merriweather road, will open her home to members of the Service Committee of Pontchartrain W. Sack, Mrs. Ray W. Covey, Chapter, Daughters of the American Revolution on Friday, April 1, at 12:30 o'clock.

Co-hostesses for the luncheon and bridge will be Mrs. Harold W. Sack, Mrs. Ray W. Covey, Mrs. Ernest G. Harris and Mrs. Henry G. McCabe.

Grosse Pointe Drug Invites you to Attend the

20th YEAR ON THE SAME CORNER

of its Newly ENLARGED Store Friday - Saturday - Sunday

Keeping pace with the ever growing Pointes, Grosse Pointe Drug is pleased to announce the opening of its new addition. We have found it necessary to enlarge our facilities in order to maintain the same fine standard of service you have grown to expect of this organization. More and more, people are turning to Grosse Pointe Drug for their medical, cosmetic and toiletry needs . . . and excellent fountain and luncheonette service.

Souvenirs for All

There will be flowers and trial size cosmetics for the ladies, candy for the children and cigarettes for the men. Come help us celebrate our Spring Opening. Everyone Welcome!

Fine Prescription Service

A competent registered pharmacist is always on hand to carefully compound your prescriptions, using only the most reliable products of the most noted names in medicine.

Toiletries — Cosmetics

We feature the cosmetics of Marie Earle, Richard Hudnut and Mary Dunhill for women . . . and a vast collection of the most exquisite perfumes. For men we have the famous Alfred Dunhill and Courtley lines of toiletries.

Fountain — Luncheonette

At our new fountain we feature breakfasts and luncheons. You'll find a wide variety of ice creams to choose from . . . even to quantities for your deep freeze.

Society News Gathered from All of the Pointes

From Another Pointe of View

by Jane Schermerhorn

Time tables and travel plans are order of the day at the Chisholm Macdonald menage on Mirabeau place this week-end . . .

For there's a general leave-taking . . . Spring holidays are over for the youngsters of the family . . . and today finds son Ross returning to St. Paul's in Concord, N. K. (with Pointe classmate George O. Johnston, Jr., traveling with him) . . .

And practically on the next train . . . sub deb Mary . . . becomes a traveler . . . returning to her studies at Westover in Middlebury, Conn. . . .

Western Junket

With the children back in school . . . Mrs. Macdonald is getting ready to leave also this week-end . . . for a Spring holiday in the West . . .

She'll visit friends in Tucson and Phoenix for a few days en route to Palm Springs . . . to be with her mother, Mrs. Noble C. Banks at the latter's home . . .

Then there's to be a visit in Pasadena . . . with her brother-in-law and sister . . . Mr. and Mrs. Orton Elbert . . . Before returning again to the Pointe . . .

By Popular Demand

This week finds Jack Navin on the open road down East . . .

On a motor trip dedicated to find interesting objects d'art for a glamor manor he's "doing" over on the Northend of town . . .

Jack is combining his elegant photographic business with designing and executing interiors . . . after outright demand on the part of his friends . . .

The Pointe's menfolk are being forced into "sidelines" these days . . . for we hear, too, that Fred Colby's hobby . . . those divine copper ash trays that are baked with clay and designed as you want 'em . . . is now on production basis . . .

It's really a hobby . . . but friends have turned it into a business, they're ordering so many of them . . .

Special to Roosen Fans

The many, many Pointers who have learned not to trumpet partner's aces and to play excellent games of contract by Russell Roosen at the Grosse Pointe Club . . .

Will be delighted to know that Russ has opened his own bridge club . . .

It's a long way from the Pointe . . . but Roosen fans are of a quality that think nothing of distance . . .

It's called the Northwest Bridge Club . . . located at 18677 Livernois (near Seven Mile road) . . . and besides afternoon and evening rubber bridge . . . and a special schedule of duplicate games . . . there's t-e-l-e-v-i-s-i-o-n . . .

Three Generations

Stopping to admire a pretty three generation picture in the Statler Terrace Room the other noon . . .

We found another custom changed with the time . . . When we were a little girl . . . long about the time horses were first invented . . . Mr. Demmer used to tie a balloon on our chair when we were taken to the Statler for lunch . . .

1949's child is presented with a footlong horn-like instrument at the end of which is a novelty balloon . . . which the child inflates . . . dangerously near the face of the person across the table . . . but then it's the atomic age . . .

(Continued on Page 9)

Short and to the Pointe

Cruising Down the River

MR. and MRS. JAMES N. MOTSCHALL of Merriweather road enjoy the scenery on their recent trip to New Orleans. They made their headquarters at the International House.

MRS. LEO McCLARTY of Three Mile drive entertained alumnae of Theta Phi Alpha at a dinner in her home Thursday evening. MRS. HENRY GILDNER and GERTRUDE McGRAIN assisted the hostess.

MIMI ROHN with her date, GUS DAVIS, entertained at a progressive dinner in her Rivard boulevard home Friday evening before Liggett's junior prom. Guests were JULIE DICKSON, PHIL DROLL, PHYLLIS CHILDS and POST FORDON. CARTER SALES, assisted by JIL GERARD, also gave a dinner party in his East Jefferson avenue home. SUE ESSINGTON and JACK CORIDEN were among the guests.

PEGGY BARIE, vacationing from Michigan State College, is here with her parents, MR. and MRS. ROBERT BARIE, JR., of Lincoln road.

MRS. ALFRED WHITTAKER of East Jefferson avenue was in Washington last week for a brief visit.

Home after a ten-day trip to St. Petersburg, Key West and Cuba, are MRS. WILLIAM HARTS of Deming lane and her daughter, DIANNE.

Spring recess from classes meant a family reunion for the HAROLD R. BOYERS of East Jefferson avenue this past week. FRANNIE flew home from Stowe, Vt., where she is studying home economics in a private school; MARY came from Dobb's Ferry, and HAROLD from Hatch School in Dexter, Me.

En route to their New York home after a trip to San Francisco, MR. and MRS. CHESTER C. DAVIS stopped here last week to spend a few days with Mrs. D's parents, MR. and MRS. DEXTER M. FERRY, JR., of East Jefferson avenue.

MR. and MRS. ROBERT A. HACKATHORN are again at home on Hawthorne road, following their trip to Fort Lauderdale, Fla.

Visitors in the home of the HUGH LOUDS on Hall place have been MR. and MRS. STEWART LOUD, of Oscoda.

The betrothal of LILLIAN OLENZEK to NORMAN ARTHUR STENZEL is announced by her parents, the FRANK OLENZEKS of Burns avenue. Norman is the son of MR. and MRS. ARTHUR STENZEL, of Colorado Springs, Colo., formerly of McKinley road.

Guests this week in the RALPH THOMAS home on Merriweather road are the Thomases' son-in-law and daughter, MR. and MRS. SWIFT GODSHALK, of Wellesley, Mass.

MRS. ALFRED A. GRIFFITHS of Edgemere road arrived home Thursday after a trip to Washington and New York. In the latter city, she was joined by her daughter, MRS. GEORGE A. ARMSTRONG, of Princeton, N.J.

MR. and MRS. EDWARD B. CAULKINS, JR., of Pemberton road have returned from their mid-winter holiday on the west coast.

The HOWARD LEWIS FRENCHES of Kerby road, who have been wintering in Miami since early January, are back in their Pointe home.

On Friday, KAY CURTIS arrived to spend her vacation from Bennett Junior College with her parents, MR. and MRS. WILLIAM GALE CURTIS, JR., of Harvard road.

On their recent New York trip, the CHARLES B. KEMPS of Harvard road met their daughter, PENNY, who attends Wellesley College, for a joint celebration of her birthday.

On Apr. 2, the THOMAS F. WILMORES, JR., of Lakeland avenue and their small daughter, LEIGH, will leave for a Florida visit.

During their stay at Williamsburg Lodge, DR. and MRS. CHARLES PEABODY of Washington road have been touring Williamsburg, Va.

MR. and MRS. ANDREW MALOTT of Oxford road and their daughter, MARY, have returned from a three-months' motor trip to the west coast.

MRS. CHARLES B. DUCHARME has returned to her Tryon, N.C., home, following a visit with her son and daughter-in-law, the CHARLES A. DUCHARMES II of University place.

MR. and MRS. JOHN K. BUSCH and son, JOHNNY, of Lochmoor boulevard are leaving Saturday for a month's vacation at Carmel-by-the-Sea, Cal.

MR. and MRS. DONALD WARTENA of Edgemont Park, Grosse Pointe Park, flew to Mexico City and Acapulco on March 30 for a three week's vacation.

MR. and MRS. ROBERT T. BOLO have returned to their Lochmoor boulevard home after an extended trip through California and Arizona, and a month at the Kenilworth Hotel in Miami, Fla.

The ROY FRUEHAUFS of Windmill Pointe drive have been vacationing at the Town House in Los Angeles.

MRS. LOTTA MARTZ of East Jefferson avenue has left for Los Angeles, Santa Barbara, and San Diego for two months, visiting friends and relatives.

DR. and MRS. LAWSON B. COULTER of Audubon road are expected home today after spending six weeks in Fort Lauderdale, Fla.

The HOWARD LAWRIES have returned home to Rivard boulevard following a trip to California. En route, they stopped in Denver, Colo., to visit their daughter MARY, who is teaching there.

MERREDITH and PETER STEWART arrived home respectively from Westover School in Middlebury, Conn., and Fessenden School in West Newton, Mass., to spend the spring holidays with their parents, the EARL W. STEWARTS of Provencal road. JULIE CAMP, of Waterbury, Conn., and ELLEN GRIMES, of Providence, R. I., came as Merredith's guests. JIM FRANCIS, of New York, accompanied Peter for the vacation.

The WILLIAM M. JOYS of Cloverly road returned home last weekend after two weeks with Mrs. J.'s sister, MRS. LEDYARD MITCHELL, JR., of Kenwood road, who has taken a house at Sea Island, Ga., for a month. Mrs. Mitchell, with her two daughters, DEBBIE and MARYJO, will return to town around April 15.

MISS JACKIE MONTEE, daughter of MR. and MRS. W. H. MONTEE, of McMillan road, a junior at Greenbrier College, Lewisburg, West Virginia, arrived home March 26 to spend spring vacation with her parents. Miss Montee attended a formal dance given by the cadets of Greenbrier Military School in Lewisburg, Saturday evening, March 19.

MR. and MRS. FORD BALANTYNE of Lake Shore road have been enjoying a vacation at the Inn at Rancho Santa Fe in California.

MR. and MRS. HARRY W. FROST, JR., of Village lane and their daughter, HELEN, are vacationing in Boca Raton, Fla., for three weeks. FRANCES FROST will join her parents and sister during her spring recess from classes at Bennett Junior College.

(Continued on Page 17)

Away-From-Pointe Pointers Betrothed

Mary Duval Lawrie and Charles C. Stewart Come From Denver To Attend Announcement Party; Dr. Mary Dykema Ely Plans Summer Wedding

Weekend betrothal news involved the names of two Pointers who have been working out-of-town. Mary Duval Lawrie's engagement to Charles C. Stewart and the betrothal of Dr. Mary Dykema Ely to Dr. Laurie Craig Dickson, Jr., were both announced.

From Denver, Colo., where she is a first grade teacher in one of the public schools, Mary Lawrie and her fiance, who attends the Colorado School of Mines, came home for the announcement party. Mr. and Mrs. Richard M. Kimbrough, Mary's brother-in-law and sister, hosted a Sunday afternoon cocktail fete for 50 young people.

The bride-elect, daughter of the Howard H. Lawries of Rivard boulevard, attended Grosse Pointe Country Day, graduating from Liggett and from Bennett Junior College. She is a member of Tau Beta and the Junior League.

Charles, son of Charles C. Stewart, of Ventura, Calif., and the late Mrs. Stewart, served in the armored tank division in the Pacific theater during the war.

No wedding date has been set. Mr. and Mrs. Raymond K. Dykema of Lakeland avenue announced the engagement of their daughter, Dr. Mary Dykema Ely, of Baltimore, Md., to Dr. Dickson, also of Baltimore, Sunday at a cocktail party at the Elkridge Club in Baltimore.

The bride-elect, who is resident psychiatrist at Seton Institute, Baltimore, was graduated from Chatham Hall, Vassar and Johns Hopkins Medical School. Dr. Dickson, whose parents are Mr. and Mrs. Laurie C. Dickson, of Charlotte, N. C., was graduated from Johns Hopkins University and Medical School and took his residency in medicine.

Woman's Page . . . by, of, and for Pointe Women

Republican Meeting Addressed by Cleary

State Committee Chairman Plays CIO-PAC and Governor In Citing Importance of Turning Out Big Vote On Monday

One of the most largely attended and earnest gatherings of Republican women that ever assembled in Grosse Pointe met in the home of Mrs. Fred T. Murphy of Jefferson Avenue on Monday afternoon, March 28.

The meeting was frankly political and was brought together by the deep interest in the issues of the campaign this year, and in no small degree by their enthusiastic espousal of the candidacy of Vera Burridge Baiter, one of their fellow townswomen, for re-election to the office of Regent of the University of Michigan.

The meeting was attended by more than 400 women, among whom were large delegations from the Indian Village Women's Republican Club and the Highland Park Women's Republican Club.

Owen J. Cleary, chairman of the Michigan Republican State Central Committee, was the principal speaker.

Mr. Cleary handled the issues and the candidates without gloves. Rarely has such a forthright, plain spoken discussion of candidates and issues been heard in the Pointe.

He laid special emphasis on the attempt of the C.I.O. Political Action Committee to take over

in this state, with special eye on control of the educational system, and their attempt to pressure certain Democratic Senators who would not go along on the Governor's appointment of Paul L. Stanchfield as director of the Michigan Unemployment Compensation Commission.

Cleary directly tied up the Governor with an attempt to sovietize the government of this state through his political brotherhood with the PAC elements in organized labor.

The officers of the Women's Republican Club of Grosse Pointe are: president, Mrs. James McEvoy, Jr.; first vice-president, Mrs. Frederic Sloan Ford; second vice-president, Mrs. David Wallace; recording secretary, Mrs. Bert Wickling; assistant recording secretary, Mrs. Frank Wilton; corresponding secretary, Mrs. Harrison Watson; assistant recording secretary, Mrs. George Vawter; treasurer, Mrs. William Klensk; assistant treasurer, Mrs. Fred Pearce.

AAUW to Hold Banquet April 7

The Grosse Pointe Branch of the American Association of University Women will hold its general meeting on April 7 at 6:30 p.m. in the form of a banquet in the Grosse Pointe Memorial Church. Following the dinner, Earl Brink will show some of his latest colored movies of Holland and Norway.

Husbands are cordially invited to this affair, and reservations must be made by Saturday, April 2, by calling Mrs. Kenneth Beardslee at TU. 2-6523 or Mrs. Sibbert at TU. 2-9712.

Mrs. Bayard Johnson is chairman of the banquet, and members of her hostess committee are Mrs. Paul Baldwin, Mrs. Kenneth Beardslee, Mrs. Ben Beyer, Jr., Mrs. John Foley, Mrs. Arthur Erickson, Mrs. Edward Matson and Mrs. C. Q. Swenson.

Sally Whitehead Has Full Spring

During her current holiday from Connecticut College for Women, Sally Whitehead is completing plans for her marriage to James Clarke Murphy, Jr., on Saturday, June 25.

Sally, daughter of the J. Frazer Whiteheads, Jr., of Cloverly road will be married less than a fortnight after her graduation. Her fiancé is the son of Mr. and Mrs. J. C. Murphy, of Baltimore, Md.

On Tuesday, Carolyn Taylor entertained for Sally at a table-top shower in her home on Grosse Pointe boulevard. Today, Gertrude Whelden and Margaret McKean will be joint hostesses at a luncheon and round-the-clock shower at the Country Club.

Planning Fall Wedding

Mr. and Mrs. Tom Sellars of Hampton road, Grosse Pointe Woods, announce the engagement of their daughter, JEANETTE to Fred A. Fromm, son of Mr. and Mrs. Charles Fromm of Kerby road, Grosse-Pointe Farms. Fred attends the University of Detroit and is affiliated with Alpha Gamma Upsilon fraternity. A fall wedding is planned.

Fair Will Build Hospital Wing

Grosse Pointe women who plan to sponsor a fair for Bon Secours Hospital on the hospital grounds on June 9, met last week to name committee heads and booth chairmen. Money raised will be used in the construction of a new wing.

Mrs. Clarence A. Kramer and Mrs. William Imhoff were named co-chairmen for the project. Mrs. R. C. Connelly, Mrs. Charles Sullivan and Mrs. M. T. Cumiskey will assist them. Mrs. William J. Cronin will handle the sale of tickets.

Chairmen of booths include Mrs. Edwin Karrer, flowers; Mrs. Bryant Joyce and Mrs. Arthur Sherman, refreshments; Mrs. Emmett Tracy, jewelry and white elephants; Mrs. William Keane, aprons; Mrs. H. C. Joos, books and toys; Mrs. Evan Bayne, needlework; and Mrs. William Faber, baked goods.

Macomb Chapter Plans 16th Birthday Party

The sixteenth birthday of Gen. Alexander Macomb Chapter, U.S. Daughters, of 1812, will be observed at the meeting on Wednesday, April 6, in Newberry House. Mrs. Louis Gascoigne will be hostess chairman for the 12 o'clock luncheon. Reservations are required by noon, Monday, April 4.

On the anniversary program, greetings will be extended by the Organizing President, Mrs. Lloyd DeWitt Smith. An original poem, celebrating the chapter's birthday, will be given by Mrs. Francis C. McMath.

Mothers' Club Plans Big Scholarship Tea

Annual Event to Aid Worthy Students Will Be Held in High School on April 29; Card Party and Bake Sale Will Be Features of Program

The annual spring card party sponsored by the Mothers' Club of Grosse Pointe High School for the benefit of the Scholarship Fund will be held on Friday, April 29, at 1:30 o'clock, in the school.

Tea will be served from 3:00 until 4:30, and there will also be a bake sale. Tickets which will go on sale next week, will be headed by Mrs. C. Taylor Obold.

General Chairman for the benefit is Mrs. Watson Ford. Her committee includes besides Mrs. Obold, tea chairman, Mrs. J. F. Purvis; bridge tables chairman, Mrs. Watson Beach; bake sale chairman, Mrs. Harold Davis;

door prize chairman, Mrs. Cecil Watson; table prizes chairman, Mrs. Frank Judson; and publicity chairman, Mrs. H. Hunter Williams.

The Committee issues a cordial invitation to all women interested in Grosse Pointe High School and its scholarship fund, to attend. A really big turnout, with fun for all, will result in sending worthy students to the colleges of their choice.

High School Girls' Fashion Show Has Theme "Sew and Be Smart"

Twenty girls from the Household Arts Department of Grosse Pointe High School, under the direction of Miss Dorothy Hosteller, presented a fashion show of Simplicity clothes, Tuesday, March 24, after school.

Miss Adeline Hienz, an educational stylist for this pattern company, selected the girls to model the spring wardrobe which she carries with her on tour. Miss Hienz accented two color

combinations as especially popular this spring in light weight materials.

The 300 fashion conscious girls and mothers chose the basic dresses with a variety of accessories as their favorites at the end of the show.

"Sew and Be Smart" was the theme of the show. Miss Hienz wanted to stress the point of having the girls sew better and making them more interested in sewing.

From Another Pointe of View

(Continued from Page 8)

The three generation picture was composed of Mrs. Rex Jacobs . . . daughter Mrs. Alfred J. Fisher, Jr. . . . and the latter's little daughter . . . all Spring like in chic pastel costumes . . .

Grandmama Stars

Grandmama-Grandchild relations are fine at the Pointe . . .

Mimi Gage . . . five year old daughter of Mrs. Rumney Gage . . . couldn't skip gracefully . . . but that's all changed now . . .

And the one who gets the credit is Mimi's lovely grandmother . . . Mrs. Mason P. Rumney . . . who took matters in her own hands . . . and skipped right along with Mimi till she learned . . .

Mrs. Edsel Ford's favorite tea time guests are the Henry Ford II's school age daughters . . . Charlotte and Anne . . . who at every opportunity have nursery tea in Mrs. Ford's Lake Shore road home . . . with grown-up tea time chat and all . . .

Parley Planned By Garden Clubs

Mrs. Wendell K. Wheeler, general chairman, has announced the coming meeting of the Federated Garden Clubs of Michigan, Inc., to be held in Detroit on May 18 and 19. Charles F. Kettering will be among the guest speakers on the program.

Mrs. Harold Tyree, Mrs. Sherwood Reekie and Mrs. Henry P. Williams are committee members already at work on plans for the meeting.

Others include Mrs. Charlton Newborn, Mrs. Cash Talbot, Mrs. Frederick Schumann, Mrs. George Villorot, Mrs. A. L. Waite, Mrs. Philip I. Worcester, Mrs. Clarence W. Avery, Mrs. Jack Lefebvre, Mrs. K. W. Vance and Mrs. C. Bayard Johnson.

Catholic League Holding Sale to Benefit Missions

The Maryknoll missions will benefit this afternoon, when the Thursday Club of the League of Catholic Women sponsors a sale of dressed dolls and hand made articles in the English Lounge of the League Building.

Dinner will be served, after which board members will model spring hats. Mrs. Edward J. McHugh is chairman of the program.

Mrs. Toncray to Preside At DAR Chapter Meeting

Mrs. Millard H. Toncray of Buckingham road will preside as regent Thursday morning at the business meeting of Louisa St. Clair chapter, DAR, at Newberry House. Officers and directors for the coming year will be nominated.

Mrs. S. Wright Bellanger and her committee will handle luncheon and a book shower for the American Merchant Marine Library Association.

Mrs. Oscar F. Keydel and Mrs. Harry S. McQueen will be hostesses for the day.

Plan Many Parties For Shirley Eschrich

Pre-Nuptial Event Will Honor Bride-Elect Before Her Marriage To John Herdegen in St. Clare de Montefalco Church On May 7

Shirley Marilyn Eschrich, who will become the bride of John McKnight Herdegen at a May 7 ceremony in St. Clare de Montefalco Church, is being feted these days at a series of pre-nuptial parties.

Mrs. Vincent B. Adams has scheduled a lingerie shower for Shirley for Apr. 10, and Mrs. John R. Ball and Sue Schlaff will entertain Apr. 24 at an around-the-clock shower.

Parties have already been given by Mrs. C. M. Verbiest of Bal-four road and her daughter, Mrs. Richard Kelly, and by Mrs. Robert T. Herdegen, mother of the bridegroom-elect, and her daughter, Elizabeth.

Jean Hubbard of Audubon road will be hostess at the spinster dinner. Mr. and Mrs. Herdegen will give the rehearsal dinner at the Country Club.

Shirley, daughter of Mr. and Mrs. Joseph J. Eschrich of Bedford road, has asked Jean Hubbard to be her honor maid. Sue Schlaff, Mrs. Vincent B. Adams, Mrs. Richard J. Kelly and Mrs. John R. Hall are to be bridesmaids. Martha Jane Herdegen, small niece of the prospective bridegroom, will be flower girl.

John will be attended by Donald Galvin as best man; Robert T. Herdegen, Jr., John P. Frazer, Jr., John Keogh and Andrew Tarnowski, ushers. He is the son

Critics Praise Pointe Artist

New honors came to Mrs. Eva Worcester of Sunningdale drive with her recent exhibit of paintings at the Copley Society Galleries in Boston. Critics praised Mrs. Worcester's paintings as the most outstanding among the six exhibits shown by women artists. The other five exhibitors were New England women.

While in Boston, Mrs. Worcester was the guest of Mrs. L. B. Rantoul of Chestnut Hill. She also stopped in New York, staying at the Cosmopolitan Club, and as the guest of Mr. and Mrs. John Kieran.

Fete Bride-Elect At Linen Shower

Mrs. Henry Kopping and her daughter, Vivienne, entertained bride-elect Bonnie Jean Lang at a linen shower in their home in Grayton road on Friday, March 25.

Mrs. George Lang, the bride-elect's mother, and Mrs. Mary Lang, the bridegroom-elect's mother, attended.

Bonnie Jean and Roy R. Lang have set the nuptial date for April 23. It will be a candlelight service in Christ Church in Grosse Pointe boulevard, with the Reverend Edgar Yeoman officiating.

Marilyn Cousins has been chosen as Bonnie's maid-of-honor, and bridesmaids will be Vivienne Tocco of Grosse Pointe and Gloria Werner of Daytona Beach, Florida.

The bridegroom's attendants will be his brother, Robert Lang, and Bill Scanton of Baldwin avenue, and William Konders of Vassar, Michigan.

League to Help Crippled Children to Meet April 8

The regular monthly meeting of the Michigan League for Crippled Children will be held on Friday, April 8, at 2 p. m. in the YWCA. The speaker for the day will be Rev. G. Paul Musselgan of Mariner's Church. His subject will be "Juvenile Court."

The luncheon will be in the cafeteria at 12:30. The board will meet at 10:30 a. m. Mrs. Alfred W. Bender, president, will preside at the meetings.

Pointe Women Elected By Delta Zeta Sorority

At the recent annual meeting of the Detroit Alumnae Chapter of Delta Zeta Sorority, five Grosse Pointe women were elected to the group's executive board.

They are: President, Mrs. Robert Oliver of McKinley road; vice-president, Mrs. Donald Wartena of Edgemont Park; Panhellenic representatives, Mrs. Norman Lasca and Mrs. C. H. Morrison, both of Fisher road; Lamp editor, Mrs. Joseph Thompson of Somerset road.

Parcells P.T.A. Meets April 7

The Parcells P.T.A. will hold its regular bi-monthly meeting on Thursday, April 7.

Following parent visits with teachers in classrooms and a short business meeting, Dr. Walter Bergman, of Detroit Board of Education, will speak on "Germany Revisited." Dr. Bergman made several trips to Germany in his work, with UNRRA.

Refreshments will be served during the "social hour" to follow.

Create Unusual Flower Exhibits

Pointers who have entries in the garden club arrangement section of the Convention Hall Flower Show, which will continue through April 3, are offering many startling displays. Their flower arrangements depict individual paintings in mood, color and form.

Mrs. William D. Laurie, Jr., arranged lavender, purple and white anemones before an abstract painting entitled "Cats." Mrs. John M. S. Hutchinson interpreted in vivid flowers a sad-faced clown in bright costume, and Mrs. George B. Hefferan depicted three fantastic giraffes by Michael Getsoff.

Alexander Girard used a mass of vivid blooms in white metal cornucopias to represent a Haitian carnival scene. Mrs. Vincent De Petris, Mrs. Charles Wright, Jr., Mrs. Richard W. Jackson, Mrs. Hansel D. Wilson, Mrs. Richard P. Joy, Jr., and Mrs. John S. Newberry were others who created outstanding flower displays.

VANDALS AT WORK

Richard Durant, of 619 Lake Shore road, who recently purchased the property at 425 Lincoln and is having painting and repair work done on the place, complained to the police on March 26 that someone had broken several panes of glass in the house. He requested that it be placed on the watch list.

Camp Fire Girls Draw 350 to School Program

The St. Joan of Arc Camp Fire Girls group wishes to express its appreciation to those present at the Mason School program Monday night. The program was a huge success, with 350 tickets being sold.

Mr. Welch, the "Old A.A.A. Traveller," Mrs. Reva Weatherford of the North American Indian Club and the Indians were all very happy to have such a receptive audience, according to Mrs. William Gmeiner, in charge of the program.

Woods Community Club To Hold Pinochle Party

The Grosse Pointe Woods Community Club will hold its monthly pinochle party at 8 p. m. Saturday, April 2, in the clubhouse at 20833 Mack avenue. Mrs. Alex Marshall and Mrs. Walter Reeg will be co-hostesses.

Reservations can be made by calling Mrs. Doyle Billups at TU 2-12095.

Considerable ivory is obtained from vast stores of mastodon and mammoth tusks found in Siberia and elsewhere.

Goodwill Industries Holds Spring Drive for Discards

Goodwill Industries of Detroit recently held its annual meeting and election of board members. John D. Benfield of Grosse Pointe was named to fill a vacancy on the board of directors.

This meeting was the first activity to be held in the beautifully appointed dining room of the Boulevard-Brush building of Goodwill Industries. This room to serve the many handicapped people working in the building was made possible through the efforts of the Junior Group of Goodwill, headed by Mrs. C. Bradford Hitt of Lincoln road, Grosse Pointe.

Many Pointe residents are interested in the spring drive for home discards. These discards are the raw materials that provide pay envelopes for the nearly 300 aged and handicapped people depending upon Goodwill Industries for security and rehabilitation.

Clothing, shoes and household articles are restored to a useable state and resold in the Goodwill store. This process of restoration is the means of training and em-

ployment for many unable to compete in regular industry because of physical or mental disability.

The waiting list of handicapped seeking aid from Goodwill Industries is greater than at any other time and the need for filled Goodwill bags urgent.

Paddle Tennis Tourney Attracts Many to Club

A paddle tennis tournament at the Country Club last weekend attracted no small number of Pointers.

Among those who competed were Mr. and Mrs. Forbes Howard, Mr. and Mrs. Dan R. Simmons, Mr. and Mrs. William C. Ford, the Woodruff B. Crouses and Mr. and Mrs. Howard E. Smith, Jr.

Other entrants included A. Fred Kammer, Jr., Merrill McClintock, Clifford Ford, William J. Croul, Andrew W. Barr, Harley C. Higbie, Frederick S. Ford, Jr., Walter B. Ford and George Caulkins, Jr.

Maintenance of Blood Bank Important Duty of Hospital

(Editor's note: This is one of a series of "inside views" showing what modern hospital care means to the individual patient and to Grosse Pointe. The Greater Detroit Hospital Fund is beginning a campaign to assemble \$19,720,000 to help enlarge 10 leading hospitals and build four new ones in this metropolis. The over-all program includes the addition of a new wing to Cottage Hospital.)

Like every other modern, well-equipped hospital, Cottage Hospital constantly combats a mysterious malady known as "shock." Until a comparatively few years ago, many deaths were caused by shock following injuries which were not serious in themselves, or following otherwise successful surgical operations. Now at any good hospital blood plasma saves

many lives that might otherwise be lost.

Authorities agree that an important factor in the condition of shock is a decrease in the volume of the fluid part of the blood, the plasma. The isolation of plasma from whole blood, developed during the war, makes it possible to maintain the amount of plasma at a safe level. At Cottage and other modern hospitals, plasma is frequently administered prior to an operation to increase the patient's resistance to possible shock.

Useful as is plasma in today's treatment of the sick, it cannot be substituted entirely for whole blood. Transfusion of whole blood, which contains the red cells absent in plasma, is necessary to combat great loss of blood and certain forms of anemia. An adequate supply of both plasma

Support Asked By Leadbetter

Archie Leadbetter, present chairman of the Wayne County Board of Auditors, is seeking reelection April 4 on the Republican ticket to this three-man board of business managers for Wayne County, which is now the only one of the 12 largest counties in the United States to be completely debt-free.

Mr. Leadbetter has pledged himself to continue firmly in support of the "Pay As You Go" policy for Wayne County on all of the new major improvement projects scheduled for the future.

These include the joint City-County office building on the Riverfront, Civic Center site, additions to Eloise Hospital and the Juvenile Home and dock and freight terminal facilities for the downriver area in anticipation of ocean freighters traveling to the Great Lakes via the St. Lawrence River.

By Leadbetter Support Asked

In Park Police Court on March 23 Justice John Potter disposed of the following cases:

George E. Green, of 69 Mapleton, for failing to stop at St. Paul on February 20, was fined \$20 and \$5 costs.

Milton Brooks, of 1131 Chalmers, Detroit, for driving without due care and caution on March 9, causing an accident, was fined \$10 and \$5 costs.

Alberic V. DeCocker, 17431 Clearview, for cutting into moving traffic on March 2 on Mack east of Three Mile, causing an accident, was fined \$5 and \$5 costs.

Otis V. Baker, 793 Kitchener, for car not under control at Barrington on March 5, causing an accident, was fined \$30 and \$5 costs and had his license suspended for six months.

Helen Pappa, of 1245 Lakepointe, for driving into moving traffic in front of 1147 Maryland on March 6, was fined \$5 and \$6.10 costs.

Gordon Wilson Rose, 441 E. Grand Blvd., for failure to stop at Charlevoix February 22, was fined \$5 and \$5 costs.

George Joseph Haezebrouck, 2914 Lemay, for reckless driving on Lakepointe on February 26, was fined \$15 and \$5 costs.

James Clayton Farlow, 11135 Warden, for reckless driving in School zone on March 21, on Kercheval between Nottingham and Rivard, was fined \$75 and \$5 costs.

Richard Allen Laney, 4811 Radnor, for driving without due care and caution on February 24 on Kercheval at Wayburn, was let off with payment of \$5 costs.

Jean Kindra, 19296 Rockcastle, Detroit, for speeding on Charlevoix on February 25, paid costs of \$5.

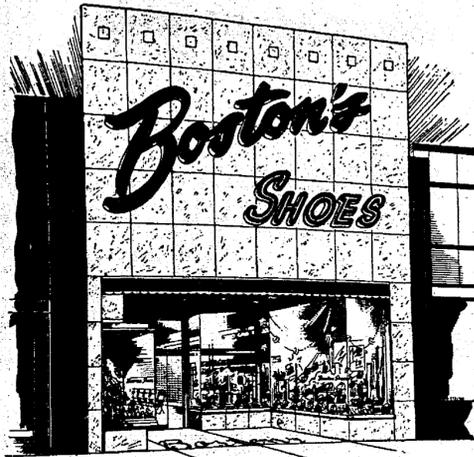

Marvin Lewis Weaver, 306 McKinley, for entering intersection without due care and caution at St. Paul and Three Mile on Feb. 20, paid \$20 fine and \$5 costs.

Edward C. Grant, 486 Alter road, for failure to have car under control in front of 1157 Maryland on March 6, was fined \$15 and \$5 costs.

William Henry Goodge, 2933 Townsend, for failure to stop at St. Paul on February 26, forfeited a posted cash bond of \$10.

Gordon William Krausman, 1071 Maryland, for driving without due care and caution on St. Paul on February 26 paid \$5 fine and \$5 costs.

On Pointe's Miracle Mile

This beautiful new store for the Boston Shoe Company, on Mack avenue near Moross, will stage its grand opening tomorrow, Friday, April 1. Company officials have extended an invitation to all to attend and inspect the ultra modern features entailed in the construction of the new shop.

Farms Engineer Given Help to Prepare Plans

Request was made of the Farms Council on March 23 by the Village Engineer's Office for authorization to employ a part time draftsman to work in the office for the next eight or ten weeks, during the period of active preparations for work for the coming season.

A man had already been tried out for this work and found acceptable. He could be obtained for a pay of \$48 per week.

The council granted the request.

Ocean waters contain billions of tons of gold.

Dominican High Mothers To See Technicolor Film

In keeping with the Lenten tradition at the next meeting of the Dominican High Mothers Club, to be held in the auditorium of the school, on Wednesday evening, April 6, at 8 o'clock, the program will be a technicolor film on the Mass, entitled "The Perfect Sacrifice."

Mrs. Basil Cunningham, of Bishop road, president of the club, will preside at the business meeting, and Mrs. Leon Verhaeghe, of Buckingham road, chairman for the bridge party to be held in April, will report on the activities of the various committees working on this affair.

and whole blood is kept constantly available at Cottage. Experiments in the transfusion of blood date back as far as the 15th Century. Consistently successful techniques in its administration are comparatively recent, however. With the perfection of the blood bank system of storing whole blood and plasma, it is now possible for every person to be sure that the correct type of blood will be available for him at any hour of the day. Availability of whole blood and plasma is particularly important for emergency treatment when even minutes spent in locating a donor and testing his blood might endanger a patient's life. By keeping blood and plasma available for emergency, a hospital adds to the security of every person in the vicinity. This is only one of the many reasons why the voluntary hospital system of Greater Detroit must be expanded to meet the needs of a growing population. As a result of the campaign now getting under way for a \$19,720,000 Greater Detroit Hospital Fund, a new wing will be added to Cottage Hospital, and its facilities will be enlarged, for which \$750,000 has been allocated. Two million dollars will also be made available to complete a \$4,000,000 fund for the construction of the new 200-bed St. John Hospital, near Grosse Pointe, at 22101 Seven Mile Road, East.

Capt. Bert West Taken by Death

Captain Bert E. West, aged 79, died in his home at 1451 St. Clair avenue on March 21. He was born in Grosse Pointe.

Captain West was for many years a captain in the merchant marine on the Great Lakes. He was also the Captain of the first fire boat in Detroit, from 1893 to 1901. He was a charter member of the International Ship Masters' Association and was a past president of the Licensed Tugmen's Association.

He is survived by daughters Mrs. Virginia Wilcke and Mrs. Evelyn Hutting of Detroit and Mrs. Phyllis Roehrig of Grosse Pointe Woods, and two sons, Howard West and Burton West, both of Detroit.

The funeral was held on Friday, March 25, in the Church of

the Annunciation on Parkview avenue and burial was in the Mt. Olivet Cemetery.

Funeral Services Held For Mrs. Mae Bayer, 62

Mrs. Mae Bayer, aged 62, of 1333 Balfour road, died in the Providence Hospital on March 22 after a brief illness.

Mrs. Bayer was born in Detroit. She is survived by her husband, Oscar J. Bayer and a daughter, Mrs. Mary Jean May of Grosse Pointe. She also leaves two brothers, Walter Goodman of Brewster, O., and Frederick Goodman of Detroit.

The funeral services were held on Saturday, March 26, in the St. Clare de Montefalco church and burial was in Mt. Olivet cemetery.

The first newspaper straw poll was conducted in Harrisburg, Pa., in 1824.

An Old Landmark Grows Up

Time works no hardship on Lochmoor's first business structure, the old "Spaghetti House"

The growing pains which are today swelling population in all the Grosse Pointes is also doing a great deal for the physical appearance of its main arteries and old landmarks.

An example of these changing times can be seen in artist Joe Petrick's accompanying sketch of the colonial-style structure which houses the Grosse Pointe Clinic at 20825 Mack Avenue in Grosse Pointe Woods.

Lucien Bouttegiier, a building contractor of 1364 Beaconfield avenue, who has that certain flair for making pen and paper dreams come true, is rightly proud of this latest example of his building craftsmanship. Recently when the latest wing of the building was completed Mr. Bouttegiier explained that the structure, the first of a business nature to rise in what was then Lochmoor Village, was originally built to serve as a wayside spaghetti house. In fact it was known as "The Spaghetti House." Later a new owner turned it into an electrical appliance store.

Doctor Buys Site

Originally only the central portion of the present building occupied the site. The decorative cast-stone masonry of the original structure has been preserved in the changes and additions that have been effected.

Dr. Clifford Loranger who purchased the property more than a decade ago, moved his offices to the building in 1944 and constructed its first wing in 1945 to provide accommodations for Dr. Delbert Bradley, a dentist. A year later Dr. Charles Rivard, who had practiced in neighboring St. Clair Shores for some fifteen years, returned from military service and opened an office in the building. By then the new clinic was well under way.

The community saw great growth at this period and again the builder was called in and another wing was designed. Construction on this addition started in 1948 and was only recently completed. Dr. Ray Schirack, a pediatrician who had been located further down Mack, at Three Mile Drive, joined the group of doctors early this year and now occupies a portion of the new wing. There is still another suite available for a physician.

Has 22 Rooms

The clinic has a total of 22 rooms. The dental section alone occupies 5 rooms. Then there are well-appointed private offices,

examination and treatment rooms for the staff physicians. There are also complete x-ray and clinical laboratory facilities, with the traditional white-snow decorative scheme prevailing throughout. And, so today the old spaghetti house is a right proud companion to the many other fine local structures serving the people of one of America's finest residential communities.

Farms Trustees' Bonds Shortened

The newly elected Board of Trustees of the Farms Village held their first meeting on March 28. New President William F. Connolly, Jr. presided.

The personnel of the board elected on March 14 is the same as that of last year, excepting that Mr. Connolly moved up to take over the presidency vacated by James K. Watkins, and John H. M. Hutchinson was elected to fill the vacancy on the board.

Clerk Harry Furton announced that all the trustees and newly elected officials had been sworn in and were duly qualified to function.

Mr. Furton also said that new bonds for the officials had to be provided, but he recommended that these be on a one-year basis inasmuch as the pending new charter might make alterations in the official structure of the municipality. This recommendation was approved by council.

Funeral Services Held For Mrs. Chronowski

Mrs. Antonina Chronowski, of 1251 Three Mile, died at her home on March 22 after a brief illness.

Mrs. Chronowski was born in Poland 68 years ago.

She is survived by her husband, Joseph Chronowski; a son, Alois J., and two daughters, Mrs. Eleanor Hendrykowski and Bernice, all of the Detroit area.

The funeral was held on Friday, March 25, at the St. Clare Church at 10 o'clock.

Burial was in Mt. Olivet cemetery.

Church to Give Lenten Cantata

The Senior Choir and soloists of St. James Lutheran Church, McMillan near Kercheval, will present the beautiful "Lenten Cantata 'Olivet'" by Daniel Protheroe on Wednesday, April 6, at 8 p.m.

Alumnae of Pi Beta Phi To Meet in Fisher Home

The Grosse Pointe alumnae of Pi Beta Phi will meet at 8 p.m. on April 4 in the home of Mrs. F. L. Fisher of Bedford road. There will be a display of handicraft articles from the Pi Beta Phi settlement at Gatlinburg, Tenn., shown by Mrs. Charles A. Pavay.

Miss Lotta Broadbridge will show movies of Camp Bryn Afon. Hostesses will be Mrs. David Meeker, Mrs. Robert Hendricks and Mrs. H. J. Fleming.

Dramatic Background Found Behind New English Class

The High School is conducting an English class for foreign born each Tuesday evening from 7:30 to 9:30 o'clock. A casual look-in on this class discloses the effort that is being made all over this country to prepare these persons for early and favorable incorporation into the citizenry of America.

As a climax of nearly 42 years of association with Wayne University, Dr. William E. Keane, 1007 Harvard road, Grosse Pointe Park, former professor of urology at the University, has been appointed "Emeritus Professor of Urology" by the Detroit Board of Education.

Dr. Keane, who is now serving as a consultant for Providence Hospital, joined the Wayne faculty in 1906. He served as professor and head of the department of urology for 17 years. Recently the staff of Providence Hospital presented the Wayne College of Medicine with a portrait of Dr. Keane, which is to be displayed at the College.

The members of the class are from 19-30 years old, although there was one case of a matured woman, a Swede, who "graduated" and left the class.

At present there are two Belgian boys, two Belgian girls, a Romanian girl, a Ukrainian boy, two Swedish girls and a Spanish woman in the group. Most of them have dramatic and often dangerous experiences in their backgrounds. One of them, John Jachimec, a Ukrainian, 24 years old, endured the hardships of detention camps in Germany. He is now living temporarily with an uncle and aunt in the Pointe.

Forest Geary, Director of Community Services for the Board of Education, who organized this class, says the progress made by these young people is remarkable. They are all avid to get a working knowledge of the English language as soon as possible and take full advantage of their

opportunity. Mrs. Shirley Paterson is teaching the group.

Favorite Quintet Eliminated In Club Basketball Playoffs

St. Clare And East Side Gear Teams To Meet In Finals Of Major Division; Motors Outfit Scores Win On Pierce's Basket In Final Two Seconds

By Fred Runnells

Hil Pierce's basket in the last two seconds of play gave Tracy Motors a 35 to 33 victory over the Tom Boyd team in the first game of a triple header program in the Neighborhood Club's basketball playoff tournament on Monday, March 28th.

The victory was the first notched by Tracy over Tom Boyd this season. During the regular season the Boyd quintet trounced Tracy twice, which established Tom Boyd as the tournament favorite.

Eliminated
The Tracy victory was the second defeat for Tom Boyd in as many starts which is par for the course and the losers dropped from competition.

The Swishers handed Tom Boyd its initial defeat on Tuesday, March 22, to the tune of 29 to 23. Clare Weaver paced the Swishers attack with ten points.

In the Major Division St. Clare moved into the finals against East Side Gear by edging Hanson Chevrolet, 45 to 41, in the final minute of play in the second game of the March 28 program.

Brick Eliminated
It was just a week ago, Tuesday, March 22, that Hanson won a thrilling 41 to 39 overtime victory over Old Brick Inn which, eliminated Old Brick from the tournament.

The way the Major Division

has shaped up to date it appears that East Side Gear will walk off with the top honors because the Gears whipped St. Clare 41 to 28 in the opening round of the playoffs.

In the Grade School playoff tournament Bob Mobarfiro dropped a bucket with less than five seconds remaining to play to give St. Clare a surprise victory over the Jets.

These two teams will meet for the title in the finals.

PLAYOFF STANDINGS (As of March 28)

Three Teams Share Top in St. Paul Loop

All Aggregations in League Still Have Mathematical Chance to Take Laurels

Statisticians for the St. Paul's Men's Bowling League have it all figured out that there is still a mathematical possibility that all teams in the loop could tie for first place. As matters stand, only three of the 16 aggregations are sharing the top spot.

Honors for top individual average for the season are also shared. L. Brecht and Harry Furton both having 173. Furton's team shares the league lead with the J. Sweeney and F. Dansbury outfits.

Last Thursday night's bowling saw some fine scores, those rolling 200 or better including: Schepka, 232; Verbrugge, 223; Manino, 218; Kerby, 209; Brecht, 224; Ruprich, 222; Frazier, 215; Jablonski, 205; Labadie, 204; Champine, 202.

Local Lightning Skipper Named District Commodore

George C. Cossaboom of Crescent Sail Yacht Club, No. 51, was elected Commodore of the Michigan District of the Lightning Association at a meeting at the Toledo Yacht Club on Sunday, March 20.

Wesley Wedrick of Bayview Yacht Club, Fleet No. 83, was elected District Secretary at the same time.

Split Old District

The purpose of the meeting was to split up the Michigan District into two or more new districts.

The new Michigan District's boundaries are the State of Michigan, Ohio and Indiana.

The District Regatta will be held at Devil's Lake on July 9

and 10 with the Devil's Lake Yacht Club being the host club. Trophy will be sailed for on alternate years at Buckeye Lake, Ohio and Devil's Lake, Michigan. The 1949 dates are October 14 and 15 on Buckeye Lake.

Includes 200 Boats

Ten-two new districts include seventeen fleets in which there are approximately 200 boats.

The two new districts include Squadron composed of the Crescent Sail Yacht Club Fleet; Bayview Yacht Club Fleet and The Detroit Yacht Club Fleet.

These three fleets include approximately 40 boats.

Robert H. Dodd is Squadron Captain and George Cossaboom its secretary.

Londos Wrestles Carnera Friday

Once again the eyes of the wrestling world will be focused on Detroit's Olympia Stadium where Matchmaker Louis Marydas has paired Jim Londos, the champion, and Primo Carnera, the outstanding challenger, in a heavyweight title match Friday night, April 1. The semi-final bout of an all-heavyweight wrestling card will introduce Antonia Rocca, South American heavyweight champion, to North American grappling fans. He debuts against the skillful Han Kampter.

Londos, supreme ruler of the big fellows since 1938, is rated a slight favorite to defeat Carnera. The Italian will enjoy a tremendous advantage height and weight but lacks Londos' experience and ring guile. Significantly, Londos won the championship from Bronco Nagurski, a giant whose physical measurements closely paralleled Carnera's massive bulk.

Londos will carry into the Olympia ring with him the valuable diamond-studded belt that was awarded to him the night he pinned Nagurski to regain the crown he had lost the year before to Danno O'Mahoney. The Golden Greek says he will present Carnera with the trophy after the match providing, of course, the Italian dethrones him.

ANOTHER CAR MOLESTED

The rear view mirror was stolen and a front door pried open so it wouldn't close properly on the 1949 Ford of Jerome Marantette of 327 Grosse Pointe boulevard, while it was parked in Muskoka road on the night of March 23.

Pointers Win Hockey Awards at Taft School

Five Pointe lads received recognition recently when the Taft School Athletic Association announced annual hockey awards. Horace Ford, son of the Frederick S. Fords of Windmill Pointe drive, and Hal Smith, son of the Hal H. Smith, Jr., of Rivard boulevard, were among those who received varsity letters for hockey.

Benjamin Chapman, son of Mr. and Mrs. Charles G. Chapman of Provincial road; Samuel Sherer, son of the Joseph S. Sherers of Ridge road; and Henry Caulkins, son of Mr. and Mrs. George B. Caulkins of Rivard boulevard, also received awards.

Bill Casteel Starring At Studies and Sports

William Casteel, who was graduated from Grosse Pointe High School in June 1944, has been initiated into Phi Eta Sigma, high scholastic honor society for freshman men at Albion College.

To be eligible for membership in this organization a student must have an honor point average of 2.5 or better. In his first semester at Albion Bill earned an average of 2.6. He received B's in biology and English, and A's in French and two different history courses.

Bill, who played varsity tennis in both singles and doubles for three years during high school, served for two years in the Marine Corps after graduation. He is at present number 1 tennis player at Albion College.

Bill is the son of Mr. and Mrs. Carl Casteel, 1021 Maryland.

Two Teams Share Top Spot In Rotary Bowling League

The race for leadership in the Rotary Club Bowling league continues and the winning team may not be known until the last game has been bowled on May 6—six weeks hence.

Houston Bros., Inc. all set for a comeback, couldn't stop Monday Clegners, who brushed past them with a 3-1 win. Art Runkis came through with another fine series, duplicating his performance the week previous, when he collected 576. His team mate, Jay June, inserted a 227 middle game for 548; still Houston lost three.

Middle Atl. Transp. Co., leading the league by two points, tussled with Earl Holzbaugh but came out on the short end, the "flivvers" winning, 3-1.

Kopp's Pharmacy, who dropped a 4-pointer to Farms Mkt. the week before, came back with a slam over Harrison Carpets.

Farms Market won two close ones to get an even break with G. P. Review.

Auto Club and Motor City Tires also were deadlocked at the close of their session. Devlieg (Auto

Club) 222 in 572, Bob Smith (Motor City) 543.

Hume's Hopeful's were on the rampage again; this time it was Forrest Piche and his "white coats" who were the victims. Score sheet read: Punch & Judy Cocktail Lounge 4, Piches Barber Shop 0. Bob Gross shot 585 and Forrest Piche 547 for the losers. "Jake" Wilson on the winning team, had 544.

It just so happens that the first six teams in the standing will cross alleys with the last six teams when bowling is resumed tomorrow night at the Woods Recreation.

AAU Basketball Tournney Preliminaries Start April 5

Extra Fancy Games Expected To Be Seen In Contests To Be Played In Neighborhood Club; Three Point Outfits Entered

By Fred Runnells

The Neighborhood Club will be the scene of some plain and fancy basketball April 5 through 8 when the Michigan State A.A.U. Basketball Tournament gets underway.

Top notch independent basketball teams from the Detroit area will vie for the State Championship. After preliminary rounds will be played at Hackett Field House.

Three Pointe Teams

Grosse Pointe will be represented by Hanson Chevrolet, St. Clair Shores and St. Clair (CYO).

Robert Colegrove, Jr. Early Baseball Victim

Robert Colegrove, Jr., of 410 St. Clair, was accidentally hit on the head with a bat while playing ball at the Mair School on March 23. He was taken home by Patrolmen Johnston and Keller of the City station.

His parents took him to Bon Secours Hospital for x-ray examination for possible skull fracture. These disclosed no serious injury and after being kept quietly at home for a few days he was allright again.

Other teams already listed in the Neighborhood Club schedule are: Architectural Construction; Arlington Motors; Pride of Michigan; St. Stanislaus (C.Y.O.); Bailey's, and Harry Sufferin.

Next Year's Tech Team

Arlington Motors quintet is made up of players which will be Lawrence Tech's varsity team next season.

Admission is 65 cents for adults and 35 cents for students.

SERVICE BEACON OF GRATIOT AVENUE at 1 2 7 4 0

Have you noticed, when driving on Gratiot between Outer Drive and 6 Mile, how the red glow of Chief Pontiac stands out like a beacon on the east side of the avenue? You see it for a full 6 to 8 blocks just above the line of utility poles and wires—the red reflection by day—the sparkle of the red neon by night.

To the owners of Pontiacs (or any G. M. car) this prominent sign means more than just a landmark. Actually it symbolizes an outstanding service and repair center where work is done honestly and well.

When you try us the first time, you will understand exactly why so many Pontiac owners agree that here they get "the treatment folks like to receive." So drive in and let us prove it to YOU. Women are especially welcome and our people are anxious to please them. All work is done by factory trained mechanics, using factory developed tools and equipment and factory engineered parts. You can make convenient monthly payments by using the GMAC low cost budget plan.

NANCY VOORHEES

The Pointe Players Club at Grosse Pointe High presented "Life With Father," last Wednesday, Friday and Saturday nights, under the direction of Mr. Frederick B. Nelson. It is heard there was a sellout for all three nights. Following tradition, former Pointe player alumni try to attend the "cast and crew circle," where they give short speeches, and wish the actors the best of luck. On the last night of the play, there is always a "cast and crew" party at one of the players' homes, and this year, BOB BOLO, who played the title roll of Clarence Sr., held the party in his home.

Some of the alumni who attended the plays were Nancy Hodges, Ann Hammond, Herb and Bruce O'Neil, Dale Stevenson, Nancy Byrum, Dave Pennington, Johnny Butterfield, Mary Ellen Antrim, Dave Thompson, Gayle Robinson, and Clare Shirik.

We also saw GINNY GRANSE, who played the part of mother, CAL PURDY, who played Clarence Jr. JIM REINDEL, who was another red-headed son called John, SANDY FORSYTH, as Whitney, and JOHN PURVIS, the youngest son, who played the part of Harlan. MARLENE HUTTON and JOAN SEABRIDGE took the parts of the two lady guests who came to visit the DAY family, and Rev. Dr. Lloyd D. Humphreys, and Dr. Somers.

were played by HERB BROWN, CLIFF AMMON, and ALLAN BRYANT, respectively. The maids, dressed in their black and white uniforms, were played by POLLY WILTON, JOYCE WIEK, JOANNE JOHNSON, DIANE THOMPSON, and CHARLOTTE SMITH.

Taking part in the distribution of the food, which consisted of baked ham, beans, milk, cake, etc., we saw Janet Gregory, Lois Holtz, Jeanne Smith, Sarah Weed, Bill Pierce, Fred Leinemann, Gail de Gue, Bonnie Reitz, Dick Lord, Marti Watkins, Jim Mast, Alice Savage, Clarence O'Dell, Peg Dicken, Russ Deising, Bill de Grau, Pat Underwood, Bob Martin, Dave Cornell, Marianne Trombley, Bob Martin, Jean Parfitt, Bobbie Boothe, Marcia Boothe, Sue Spurrier, Janet Holtz, Carroll Grylls, Bob Hansen, Carolyn Smith, Judy Richardson, Vince Shock, Adele Huebner, Janet Weinhammer, Bob Striker, Norma Neeb, Sue Riggs, Bob Evans, Pat Hammond, Jim Fenske and ever so many more.

Everybody did such a wonderful job on the play this year, many of them who will be graduating in June. A clap of the hand should go to BOB HARBISON, technical director, DAVE CONNELL, stage manager, MARTI WATKINS, business manager, prop chairman, JANET GREGORY, make-up chairman, ALICE ANNE SCHLER, costumes chairman, HARRY R. GOODRICH, programs chairman, ADELE HUEBNER, and publicity chairman, MARIANNE TROMBLEY.

Over Washington road way, "Butch" Edger held a "be-bop" session for several of his friends. Beginning early Friday evening Phil Robinson, Jim Semon, Bill Carothers, Clare Weaver, Jim Barker, Sparky Farquhar, Ted Fuger, Bill McCauley, Danny Burke, Joe Mannino, Fritz Bloy, and "Chubs" Lawler played "bop."

records and cut recordings until early Saturday morning.

To surprise George Preston on his seventeenth birthday, his parents gave him a party at the D. A. C. Friday night. Among those who were on hand to wish George a happy birthday were Eldon Marwede, Marcia Alen, Dick Smart, Phyllis Frank, Larry McMillan, Carol Stuart, Pete Van Osdel, Mary Stover and George's date, Nancy Maynard.

Dan Bolo, Marty Ogge, and their dates Gloria Clyma and Gretchen Kleeharner enjoyed themselves at Dick Castle's home before returning to the Bolo abode to greet the members of Pointe Players. Dick and his date, Pat Murphy joined them there.

Party to Honor Engaged Couple

Ann Stahl of Merriweather road will give a breakfast and tabletop shower Sunday, April 3, for her brother, Harry Stahl, and his fiancée, Florence Michie. Mr. and Mrs. Harlow Stahl of Merriweather road are the parents of the prospective bridegroom. Florence is the daughter of Mr. and Mrs. Alexander Michie of Mapleton road.

The pair will be married on June 25.

Pointers Busy With "Y" Drive

Mrs. Waldo Grasse, 1101 Whittier, is active on the YWCA Membership Committee. Members of the Metropolitan Board of Directors who are working on Membership Month plans include: Mrs. John J. O'Brien, 486 Kercheval, past president; Mrs. John R. Watkins, 364 University place; Mrs. James L. Dickson, 1323 Kensington road, treasurer; Mrs. Kins Collins, 757 Westchester road, first vice-president; Mrs. George A. Schemin, 18845 Maumee, president.

Mrs. Benfield Entertains Fortnightly Bridge Club

Mrs. John D. Benfield of Lake Shore road entertained members of her fortnightly bridge club at a recent luncheon at the Grosse Pointe Yacht Club. Included in the group which has been meeting regularly for the past eight years were Mrs. J. Crawford Frost, Mrs. John Roney, Mrs. George B. Martin, Mrs. Gordon S. Cochran, Mrs. John Veech, Mrs. Thornton E. Waterfall and Mrs. Richard T. Purdy.

Tau Beta Plans Benefit Concert

The Tau Beta Association has announced plans to present pianist John S. Sweeney III in a benefit concert for a scholarship fund for music students from the Tau Beta Community House.

Thursday evening, Apr. 21, is the date chosen for the concert which will be given at 8:30 o'clock in the auditorium of Pierce Junior High School.

Two Parties Celebrate Patty Baker's Birthday

Patty Baker, daughter of Mr. and Mrs. Robert E. Baker of Radnor circle celebrated her eighth birthday on St. Patrick's Day. Her mother gave a dinner party in her honor. Her guest list included both her grandparents, Mr. and Mrs. Joseph A. Baker of Lakepointe and Mr. and Mrs. Bernard M. Lewis of Sherbeck drive.

The following Saturday afternoon Patty entertained a few of her friends at luncheon followed by numerous games. Among those present were: Michael Cavanaugh, Mary Donohue, Patty Dingeman, Barbara Guerrero, Christopher Gentile, Ellen Houlihan, Claire Huebner, Penny Mayer, Judy Moxley, Janie Rueger, Joseph Thibodeau, Danny Yacklin and Bobby and Ricky Baker.

Junior Directors Give Tea at Williams House

Mrs. Jerome Howard of Moran road was chairman of party arrangements Friday for the tea given at Williams House by the Junior Board of Directors.

New books for the recently created reading room of the House were admission tickets to the tea.

Mrs. Hibbard and New Son Feted at Baby Shower-Tea

Mrs. William B. Hibbard and her one-month-old son, John Winslow Hibbard, were feted recently at a tea and baby shower given by Ann Brown in her home in Washington road.

Among the guests were Mrs. Cleveland Thurber, Jr., Barbara Weeks, Mrs. Charles F. Hibbard, Mrs. John J. Brown, Mrs. Lyle A. Devlin, Jr., Mrs. William L. Hurley, Mrs. Charles H. Fletcher, Jr., Mrs. Randolph Babcock, Mrs. Benjamin Jayne, Mrs. Frederick M. Sibley, Jr., Mrs. William J. Young, Jr., Mrs. Winslow Howarth, Elsie Marschner and Leslie Weary.

FULLY REPORTED
W. G. Turney of 408 Fisher road told the Farms police four hubcaps were stolen from his car while it was parked at Brush and Winder in Detroit on the night of March 22. He said he had reported it to the Detroit police first and had been advised to inform his local officers.

In New Store Julius Happy

Julius Stork, affiliated for many years with the police and public works departments of the City of Grosse Pointe, until his retirement early in March, has taken over the Alter Road Hardware, located at Kercheval and Alter road, which he will personally operate.

"This is what I've long wanted to do, I'm happy as a lark in my job of weighing up nails and tossing around the big bags of Milorgante", Stork said early this week. The store is one of the best known hardware in the whole Pointe area.

Miami Alumni To Hold Banquet

Saturday evening at the Detroit Yacht Club the Detroit Alumni Association of Miami University will have its annual spring banquet. Mary Ambrose Shields, 582 Neff road, Grosse Pointe, is president of the local association.

The Detroit area alumni of this 140 year old Ohio institution are to be honored with the presence of Miami's 15th president, Dr. Ernest H. Hahne, and John E. Dolbois, alumni executive secretary. Dr. Hahne was chosen to assume the presidency of Miami on April 1, 1948. Prior to this he held a professor's chair in economics at Northwestern University.

Play to Benefit Girl Scout Fund

The Wayne University Theatre will present "Cinderella," a stage play, at the Pierce Junior High School Auditorium on April 2. There will be two performances, one at 10:30 a.m. and the other at 1:30 p.m. The Grosse Pointe Girl Scout Council is sponsoring this play for the benefit of its camping fund.

Tickets may be procured from any Girl Scout leader or from Mrs. Henry Walker, Tuxedo 2-0610, or from Mrs. Sidney Morgan, NI. 3740.

There are 10 soda fountains in the United States to every one in Europe.

Hold Discussion On World Peace

Following a tea in the home of Mr. and Mrs. Floyd Munson of Fisher road on Sunday, March 27, three Grosse Pointers presented plans for world peace.

LeGrand Thurber, discussing the World Federalist plan, said that it was a political pressure group with the purpose of getting the General Assembly of the United Nations to meet to remodel the charter. This proposed change would give the United Nations added strength to insure world peace.

George R. True described the Bahai Plan for World Peace which is already accepted by people in over 91 countries of the world, from over 31 racial groups, and representatives from all the existing religious backgrounds. This plan, he stated, was the same in all these countries, and included world federation, unification of the world's religious systems, racial harmony and economic justice.

Roger McNaughton stated that the University of Chicago's proposed World Constitution was printed in last year's edition of Common Cause. This constitution was presented as a possibility for ratification by a world legislature.

Lenten Service To Feature Film

At a Lenten Service of the Grosse Pointe Congregational Church to be held tonight in Maire School at 6:30, the audience will have the opportunity of seeing a sound color film photographed in Foochow, China, by the International Film Foundation, "A Letter From China."

Members of the C'n'c group, the Junior Hi's, will lead the worship service preceding the film.

Potluck supper will be under the chairmanship of Mrs. Edward Schutte of Group III of the Women's Association.

For reservations call Mrs. Charles Haynor, TU. 2-5494, or Mrs. Lloyd Weed, TU. 1-3697.

Ink normally accounts for three to five per cent of total printing expenses of newspapers.

Fashions Shop Opens in Woods

Announcement of the opening of the new Woods Fashions Shop at 20856 Mack Avenue, near Hampton Road, is being made today.

Miss Albertine Verbrugge of Roslyn road, graduate of Grosse Pointe High School and a former student at the University of Miami, is owner of the new shop, which rates well with Grosse Pointe's other fine specialty shops.

Women's apparel will be featured exclusively, including suits, coats, blouses, dresses, hosiery and lingerie.

Fine Furniture Sold at Auction

An auction sale of fine furniture begins today, Thursday, March 31, at Gagnon's "The House of Fine Furniture," located at 22266 Michigan avenue, Dearborn.

John Gagnon, Proprietor and well known lecturer on the sub-

ject of beautiful furniture, says: "I'm not going out of business, but I am reducing a too-big inventory of my Jamestown, Rockford and Grand Rapids stock." The store has a 14-room model home and a special "House of Color" display which will be open during the auction sale.

PERSONAL APPEARANCES

MRS. MANCOURT T. CUMMISKEY proving again that blondes should wear red, was glimpsed in a trimly tailored jacket of red wool worn over a crisp white silk blouse. Her pencil slim skirt was black wool and she completed her costume with a small black felt cloche.

PILFERINGS

Don't chide your young hopefuls for late-rising. They may be embryo stage stars or playwrights. The latest riser among playwrights is said to be Ferenc Molnar who authored "Liliom" and "The Swan." Molnar rarely opens his eyes before one in the afternoon. Once he was summoned as a court witness in Budapest. When he saw that the case was to be heard at nine in the morning he almost collapsed. Two servants finally got him out of bed, dressed him on court day. As he left the house at 8:30 a.m., crowds of working people were passing on their way to their offices. "Good heavens," blinked Molnar, "are ALL these people witnesses in that fool case?"

On one of his visits to New York between pictures, Monte Woolley gave a party for his old friends. It was a very formal affair and Woolley didn't consider it amusing at all when Cole Porter showed up with a bearded lady from the circus as his escort. Porter listened to Woolley's remonstrances for a moment, then turned to the bearded lady and remarked, "Madam, your son has atrocious manners."

Newman Levy, author of Opera Guyed, has a 13 year old daughter, who spends endless blissful hours at the movies. "How did you enjoy the picture this afternoon?" he asked her one Saturday. "It was simply awful," she replied. "I could hardly sit through it the second time."

Arthur Kober, who wrote "Having Wonderful Time," adores his mother and loves to tell stories on her. He sent her to a hotel in the Catskills for a vacation, but she didn't like it very much.

She wrote home to her son:
 "The food here is plain poison. And such small portions!"

Pointer of Interest

MRS. McCORMICK GOODHEART of UNIVERSITY PLACE
By Kitty Carney

The wealth of tradition that goes with Old English pewter and pottery can be found right here in the Pointe. One need only step inside Mrs. Goodheart's home in University place to see many specimens.

Mrs. Goodheart and her son, Leander, were visiting in the United States in 1939 when war broke out between England and Germany. This, of course, prevented their return to their home on the Island of Jersey; not until late in 1947 was Mrs. Goodheart able to return.

Stored in Banks
 She found the family silver and Sheffield plate stored in three different London banks. Finding her Crown Derby china, Staffordshire pottery and linens was more difficult. Probing about in Jersey, she found much of it packed in attics above several shops which the Nazis had taken over to stable their horses.

"I think I was very lucky to find so many of my valuables after ten years' absence," Mrs. Goodheart says.

A full tea and coffee service for 12 in Crown Derby china is among the treasures which she brought intact to her Pointe home. The white and green dishes have a raised gold trim even to the "stop bowl," in which

English tea leaves are emptied. Dainty cups have handles of gold.

40 Years of Collecting

Mrs. Goodheart began collecting old Staffordshire about 40 years ago. Modern Staffordshire is "dainty stuff," she explained, while most of the crude older pieces are more than 200 years old. "Riding to Market" is one of the more famous pairs in her collection.

A pottery piece to commemorate an entente, with crudely labeled figures representing England, France and Turkey, centers the mantel, and other Staffordshire pieces are about the living room. One noted specimen is Mrs. Goodheart's Rob Roy, a figure in a rich blue jacket with orange cape and an orange dog at his side. The clays available in those earlier days, according to Mrs. Goodheart, gave the potters little chance to procure a variety of colors.

Inscribed Beer Mugs

While Staffordshire pieces stand atop the drapery cornices in the living room, old English Pewter mugs and platters hold the same position in the Goodheart dining room. Each of the old fashioned pewter beer mugs, which used to hang in the corner pubs, has the owner's name inscribed upon it.

While many of her Staffordshire and pewter dishes were lost during the Nazi occupation of Jersey, Mrs. Goodheart does not waste time in vain regrets. She is much too grateful that any parts of her collection were spared by the war.

CHURCH SUBMITS PLAN

The St. Paul Lutheran Church proposed at Chalfonte and Lothrop has submitted a plot plan, it was announced at the Farms Council meeting on March 28. The plan provides for parking space for 80 vehicles, which conforms to the zoning regulations as indicated for the needs of a congregation of 400 persons.

Good Taste

Favorite Recipes of People in The Know

DATE PUDDING

Contributed by Mrs. William Rossiter

1 cup English walnuts chopped
 1 cup dates chopped
 1/2 cup sugar
 1 tsp. baking powder.
 2 tbs. flour
 2 eggs

Beat eggs and add sugar. Mix flour and baking powder, and add to egg mixture.

Flour fruit and nuts, adding to above mixture. Stir well.

Bake in a moderate oven for about 20 minutes or more. This pudding may be served with whipped cream or lemon sauce. Serves four.

(This can be made the day before, if necessary.)

Recruit Training Ends For Patricia Schroeder

Completing her Wave recruit training at the Naval Training Center, Great Lakes, Ill., Patricia C. Schroeder, hospital apprentice, WAVE, USN, daughter of G. A. Schroeder of 192 Fisher road, Grosse Pointe, is scheduled to report to the Hospital Corps School, Great Lakes, Ill., on March 31.

During the period of 10 weeks in which the new Wave underwent recruit training, she received instruction in Naval history, Naval organization and administration, military courtesy, traditions and discipline, physical training and military drill.

Before entering the Naval service, Miss Schroeder was graduated from Grosse Pointe High School.

Original street lights were fiber torches.

Pointe Counter Points

By JANE

Toniest thing in town is the made to order collection now being shown by Mrs. William Rust Pierce in the custom shop of WALTON PIERCE located on the ground floor of Women's City Club. The collection by Mrs. Pierce, one of America's most distinguished designers, has long been awaited by the Pointe's best dressed and now daily fashionable leddies are sighing over the Pierce magic. The theme of the collection is the complete ensemble, with every costume made to order for just you alone. We won't attempt a description of this super chic but do urge you to see it for yourself! Out Grosse Pointe way WALTON PIERCE has introduced Waltham precision-fit hosiery, elegant in orchid colored boxes! Nylon-crepe, in permanent (and we do mean permanent) dull finish, these stockings mark a new advance in hosiery. The Spring shades will entrance you . . . named for birds they include: Lark, Thrush and Nightingale. For those who think they have to order from New York for the most flattering hosiery, this is really Big News.

Nothing is tider than one's Winter collection of handbags and gloves and that is why JACOBSON'S has filled the shelves with Spring Notes in these two costume essentials. Something vaddy 1949 is the ribbonette bags (can be bought to match Jacobson's lush ribbonette dresses) in blue, navy or brown. The bags are handled in the same ribbon braid with tops and sides banded in gold, and a gold snap at the opening. On hand are the always smart Nat Lewis fallie bags . . . dressy and in many shades: red, royal, brown, black beige and gray. Of course there are the classic leather bags, too. Wonderful shortie gloves, you'll want many pair! have stitched detail up each finger and are "musst" with Spring suits. They are available either in the traditional gloving material (toned in white, pink, navy and chamais) or in string material. The latter type are to be had in white, yellow and gray.

If mirror, mirror on the wall sez you are still the fairest of them all but adds a nasty little note about maybe you're looking just a shade tired . . . and isn't there just a suspicion of puffiness under your beautiful eyes and perhaps it is time to look for something that helps to brighten, clear the skin, correct and firm the contours of your lovely face . . . dash for GROSSE POINTE DRUG CO! For Marie Earle's new contour corrective cream has just arrived Once, available only in the famous Earle New York salon but now it's yours in a bottle . . . to be applied daily before your dressing table. It helps to correct all those nasty things the mirror's been telling you. The special formula of blended astringents and oils is applied with cotton. And watch the old mirror change it's tune after a week!

HUBCAP STOLEN
 Mrs. George Pink of 69 Cloverly road, told the Farms police a hubcap was stolen from her 1948 Cadillac while it was parked near the Punch and Judy theater on the night of March 23.

KIDS FIRE TREE
 The Farms fire department extinguished a fire in a tree on the High School property at 6:30 p.m. on March 25. They reported the blaze had been started by two 7-year-old children.
