Blackened walls were all that remained of the Doubleday-Doran Book Shop on Kercheval avenue following a spectacular fire. During the height of the blaze, dense smoke from burning victrola records, books and toys lowered visibility to the near-zero point.

Mutt Show Scheduled For May 7

Gray's Sport Shop and News Again Sponsoring Big Event for Youngsters and Pets

Grosse Pointe's Second Annual Mutt Show, sponsored jointly by Roland Gray's Sports Shop and the NEWS, will be held, by popular demand, on Saturday, May 7, at 10 a.m. The multitude of queries received indicates the widespread interest in this event created last year and influenced the sponsors to stage a repeat performance.

Entries increased

Last year 100 dogs were bunched and many youngsters had to be turned down. The entry list has been increased to 125 this year and the first come, first served. Entries will be taken at Gray's Sports Shop, across from the NEWS, beginning next Monday, April 11. No entries will be accepted before that date.

This is the show in which every pooch has a chance to be a winner. There will be classes for the biggest dog, littlest dog, best-groomed dog, best trained, longest-tailed, etc. Breeding has nothing to do with carrying off the prizes.

Black To Be Chairman

Further details concerning the specific classes, judges, etc., will be made next week. It is expected the event will be held, as last year, in the field next to the NEWS office on Kercheval avenue.

George Black, Jr., who did such an efficient job last year as general chairman, has again agreed to act in that capacity. The sponsors hope that Farms Police Chief Walter (Tex) Hoyt will again take over the duties of chief judge.

Free Hot Dogs

Fran Lemmer, genial proprietor of Francois' Restaurant, has announced that his staff will be on hand again to dispense free hot dogs and ginger ale to the contestants.

Park Sues to Collect For Damage to Truck

Pierre V. Heftler, attorney for Grosse Pointe Park, started suit on April 2 to collect damages from Andrew Uch of 2450 Parker, Detroit.

Uch is alleged to have been responsible for damages to a village truck two years ago to the extent of \$160.00.

Spectacular Blaze Destroys Doubleday-Doran Book Store As Sabbath Crowd Looks On

Complete Loss Suffered by Publishing House; Dense Smoke Does Considerable Damage To Haydon-House And Walton-Pierce Establishments

One of the most costly fires that has visited Grosse Pointe in many years occurred on Sunday afternoon, April 3, in the Doubleday-Doran Book Shop at 17116 Kercheval avenue. Smoke was seen coming from the building at 4:10 p.m. by Donald Shell, of 4103 Bishop, Detroit. He ran across to the Miller Service Station and from there an alarm was turned in.

When the firemen arrived the blaze was well under way in the stock of highly inflammable materials within.

Farms Help Requested

Chief Ledger Chauvin summoned all available firemen and phoned to the Farms for additional help. He also notified the managers of the adjoining stores, Haydon House, Walton-Pierce and the A. and P. Store.

The single store was completely gutted. Peter Novelli, the manager of the Doubleday-Doran Book Shops in the Detroit area, estimated the loss at about \$75,000 equally divided between stock and equipment. He had no theories as to the origin of the fire.

Visited by Janitor

The janitor and his wife had been in the store less than an hour before the fire was discovered and they reported no smoke was apparent at that time.

The building was practically new, having been built less than two years ago by the James S. Holden Company. The book shop leased the store.

None of the adjoining properties suffered any fire damage, but Haydon House and Walton-Pierce, located west of the book shop, suffered considerably from the dense smoke which blew in their direction.

Upholstery Suffers

Harry Essling, one of the owners of Haydon House, said every upholstered piece of furniture in the store had to be replaced. The entire store had to be thoroughly washed and all non-upholstered pieces and appliances cleaned and polished.

Walton-Pierce reported that there was considerable smoke in the store, but no definite estimate of the damage has yet been made.

The A. and P. store, situated east of the book shop, escaped smoke damage due to the wind's blowing west.

Fine for Spectators

The fire was beautifully timed and the weather perfect from the spectators' standpoint. Thousands swarmed from all directions to watch the combined fire departments subdue the spectacular blaze.

Wrong Burglar Admits Theft

A good sleuth always turns up something worthwhile to the mills that grind slow but exceedingly fine.

Last Monday morning Detective Jim Flannagan of the City hid himself downtown for a little talk with Adam Sally, now in durance with the Detroit police for burglaries all over Grosse Pointe.

Jim wanted to see if Sally might have some hitherto unexplained association with recent Grosse Pointe City B. and Es.

So the obliging Detroit police introduced their fellow officer to "Sally" who talked freely of an escapee in the Pointe. He seemed to take special pride in a job he had pulled off at the Ames Howlett home at 27 Beverly road on March 30.

He was working then, (for one day only), for the Gold Cup Rug company. The company sent him out there to pick up a rug for cleaning and he had improved the shining hour by lifting a double strand of pearls.

At this interesting moment Flannagan learned that his pleasing conversationalist was not "Sally" at all, but Carmel Boyd Wheeler, aged 20, of 1074 Fairview, Detroit.

However, it was all grist to the mills of justice. Flannagan broke the interview with a good chuckle over his own case of mistaken identity. He quickly notified the Farms police of the confession he had obtained and they took over.

FIREMEN CALLED OUT

A bonfire at 117 Moran road was extinguished by the Farms firemen on the afternoon of April 3.

Pair Admit Robbery of Pointe Homes

Arrests Solve Number of Burglaries Here and in Detroit; Third Thief Being Sought

Arrests made by the Detroit 12th Precinct police on April 1 will result in the clearing up of many burglaries in Detroit and Grosse Pointe.

Detective Sergeant Stanley Enders questioned two prisoners and obtained confessions from them solving the B and E at the residence of V. P. Taylor, 1386 Buckingham road, on March 5, where entry was made by breaking in a rear French window.

Get Varied Loot

The burglars ransacked the house and stole a 45 blue steel automatic pistol, a woman's lapel gold watch, a pipe with carved ivory tip and other miscellaneous items. There were three men involved in this burglary. One still at large is believed to be in New York. These same two men have admitted to four B and Es in Grosse Pointe Farms.

The two arrested following questioning by Detective Sergeant Enders, are Frank Chasteen, aged 20 of 14554 Minok, Detroit and Adam Sally, aged 20, 5266 Grand River, Detroit.

The Detroit police say that many burglaries there will be traced back to this trio.

Admit Farms Job

Detective Sergeant Elmer Labadie and Detective George Champine of the Farms questioned the pair concerning a number of Farms robberies which had been unsolved.

Chasteen and Sally admitted they were responsible for burglaries at the Alex Park home at 253 Lewiston road on March 6, and at the Thomas E. Groehn home at 304 Merrivewather road, and Russell White home at 257 Mt. Vernon, both on March 18.

Articles Recovered

A number of articles stolen at these places have been recovered. Some of the more valuable pieces taken were pawned in Michigan avenue places, the pair told the police.

Take Pair for Ride

On Tuesday afternoon Sergeant Labadie and Detective Champine obtained permission to take Sally and Chasteen from the Detroit jail to the Farms to obtain further information on their activities there. The local officers spent most of the afternoon driving the

Recreation Committee Launches Survey to Obtain Statistics on Facilities and Make Recommendations at Gathering in Pierce Junior High School

The Recreation Committee of the Family Life Institute, augmented by members of four of the five Pointe councils, the School Board, the Mothers Club, the service clubs, the A.A.U.W., and the P.T.A. council, met on March 30 with William G. Robinson, recreation expert from the University of Michigan extension service, in the home of Mr. and Mrs. William M. Adams of University place.

Mr. Robinson explained the value to a community of a recreation program headed by a paid leader and described some of the activities which such a leader could institute in Grosse Pointe, and the benefits which would result.

The group discussed the difficulties involved in the local situation, but all agreed that there is a need for such a program and that a way could be found and put into action, once the need is recognized, and gains the support of Grosse Pointers.

Survey Approved

It was decided that a survey should be made under the direction of Mr. Robinson to discover the facts under five headings: facilities (indoors and out), program, direction, financing, and administration. In planning such a program, both public and private facilities such as schools, churches and recreation buildings, must be considered.

Such a survey, Mr. Robinson said, often results in better utilization of facilities at no increase in cost, better distribution of staff among groups needing assistance, better balance of activities offered, increased community spirit and friendliness, and a resulting improvement of family life and individual growth.

Gets Local Help

Most of those present at this meeting agreed to help with the survey, including Lawrence Marr and William Landis, both long active in recreation activities here. Clarence E. Pingleton has offered to undertake an Interpark Water Sports Contest during the summer.

This enlarged recreation committee will present these recommendations at the evening meeting of the Family Life Institute in the High School Auditorium on Friday, April 22. It is hoped that all persons interested in a well rounded recreation program for children, youth and adults will attend the meeting.

Those present at this special meeting included: Mr. and Mrs. Rex H. Johnston, Mrs. Alton Huntington, Shirley Johnson, Jack Williams, J. L. Newberry, Mr. and Mrs. S. H. Morgan, W. G. Kirby, Mrs. James Purvis, Mr. and Mrs. Fred Parker, Mrs. Robert King, Mrs. Morgan Sherman, W. E. Hurley, Chet Sampson, George Elworthy, Nathan Goodnow and Mr. and Mrs. William Adams.

Plans Completed

The final plans for the Institute of Thursday evening, April 21, and Friday afternoon and evening, April 22, are now fully made. Next week the complete program with the outline of the sessions and the speakers, will be printed.

The executive committee met on Thursday to check all details. On Friday at the Institute there will be an invitational dinner for presidents and chairmen of all civic groups and governing organizations. The Mothers' Club of the High School will act as hostesses for this event, under the guidance of Mrs. Charles Lord, president of the Mothers' Club.

Pointe's Own Vera Baits Leads Ticket

Importance of Issues Draws Twice as Many to Polls as in Election Two Years Ago

Despite the importance of the issues involved in Monday's State and County election nearly two-thirds of the qualified voters in the Pointe failed to go to the polls. Evidence of the interest in these issues, however, is demonstrated by the figures which show almost twice as many voted Monday as two years ago.

The increased turnout is taken as an indication of the resentment of Pointers over the intrusion by the CIO Political Action Committee into the election. The voters seem to have particularly resented the attempt of this group to take over a commanding position in the state's public education system.

Vote Almost Doubled

The awakened interest of the people was shown in the vote in the township which comprises four out of the five municipalities in the Pointe.

At the last State and County election in 1947 the township cast only 3103 votes. Monday there were 5953 cast or approximately a third of the entire registry.

The detail of the Township vote was —

REGENTS OF THE UNIVERSITY — Republican, Baits 4958, Connolly 4905; Democratic, Falk 663, Arsulowicz 705.

SUPT. PUBLIC INSTRUCTION — Republican, Thurston 4016; Democratic, Sherwood 701.

STATE BOARD OF EDUCATION — Republican, Nisbet 4863; Democratic, Bolan 418.

STATE BOARD OF AGRICULTURE — Republican, Armstrong 4827, Jones 4831; Democratic, Smith 677, Whetzel 677.

STATE HIGHWAY COMMISSIONER — Republican, Ziegler 4751; Democratic, McCarthy 755.

COUNTY AUDITOR — Republican, Leadbetter 4730; Democratic, Edgecomb 781.

JUDGES OF THE SUPREME COURT — Bushnell 4076, Sharpe 3571, Moore 1441, Rigney 915, Eden 353.

City Vote Better

In Grosse Pointe City, also, with 43 per cent of the total registration voting, the Republican candidates piled up overwhelming majorities. The Pointe's own Vera Burridge Baits, one of the two candidates for University Regent, also led the ticket in the City. Her vote was 1479. Tied for second place were Alfred B. Connable, the other Republican candidate for University Regent, and Lee M. Thurston, Republican candidate for State Superintendent of Public Instruction, with 1458 each.

One Progressive

The total vote cast in the City was 1623 out of a total registration of 3774. Of these 1394 were straight Republican and 101 straight Democratic. There was only one straight vote for the Progressive Party. In the Non-Partisan ticket for Justices of the Supreme Court George E. Bushnell led with 1195. Following in order were Edward M. Sharpe, 1045; Arthur E. Moore 409, Charles W. Rigney 248, and Morton A. Eden 70.

The combined vote of Grosse Pointe Township, including the Park, Farms, Woods and Shores, and of the City of Grosse Pointe, was —

REGENTS OF THE UNIVERSITY — Republican, Baits 6437; Connable 6363; Democratic, Falk 787; Arsulowicz 818.

SUPT. PUBLIC INSTRUCTION — Republican, Thurston 6374; Democratic, Sherwood 833.

STATE BOARD OF EDUCATION — Republican, Nisbet 6312; Democratic, Bolan 857.

STATE BOARD OF AGRICULTURE — Republican, Armstrong 6261, Jones 6268; Democratic, Smith 824, Whetzel 807.

STATE HIGHWAY COMMISSIONER — Republican, Ziegler 6200; Democratic, McCarthy 908.

COUNTY AUDITOR — Republican, Leadbetter 6179; Democratic, Edgecomb 931.

The total Grosse Pointe vote for Justices of the Supreme Court was — Bushnell 5271, Sharpe 4616, Moore 1850, Rigney 1163, Eden 423.

Water Explodes Burning Grease

Burning grease held under a faucet exploded and caused serious damage to the kitchen at the Eugene J. Fisher home at 1120 Devonshire on March 29.

Mrs. Fisher had a narrow escape from the flying hot grease. The kitchen curtains were destroyed before the firemen arrived but they prevented the blaze from communicating to other parts of the house.

Trapped Muskrat Freed by Police

Mrs. Carl A. Roesch of 758 Barrington reported to the Park police on March 28 there was a strange sort of animal perched on a window ledge of their basement. When the police investigated they found one of the largest muskrats they had ever seen, imprisoned in the window well.

They took him up to police quarters, where he was generally admired for his size and beautiful coat. Later he was carefully returned to the lakefront and released.

The police say there is a well populated nest of these animals at the Park municipal pier.

Muskrats, as valuable fur-bearing animals, are protected by law for a considerable period each year.

Arrests Solve Many Thefts Of Car and Boat Equipment

Police from the Park, cooperating with Detroit Police of the 5th Precinct, have arrested three youths and one juvenile on charges of larceny of accessories from parked cars and garages, and also boat equipment and auto parts from various garages in Detroit and Grosse Pointe.

The arrests mark the solution of the cases at the Earl J. Gosselin residence at 891 Beaconsfield on March 1; the theft of intake manifold and two Stromberg Carlson carburetors at the Carl Romano residence at 1216 York-

shire road on March 14; and the theft of two Firestone tires and 2 motorcycle gas tanks stolen from the rear of 15200 Kercheval on March 15.

Practically all of this property has been returned to the owners.

The arrested are Kenneth P. Brady, 19, of 1473 St. Clair, Detroit; John Griffiths, 17, of 485 Drexel, Detroit; Donald Hendricks, 17, of 2575 Harding, Detroit and a juvenile, name not disclosed.

Charges will be filed against these parties by Detective Sergeant Stanley Enders.

Flim Flam Artist Shows Easy Way of Making Money

D. C. Cory, proprietor of the drug store at 15000 Mack Avenue, phoned the police at 5:15 p.m. on April 1 to report that a flimflam artist had just pulled a fast one on one of his clerks.

A man went into the store and asked the young woman clerk if she would change a \$10 bill for him. She obligingly counted it out and passed it to him and then as he reached into his pocket, a well simulated blank look came over his face.

"Well I declare," he said, "I left my wallet on my dresser."

"It's all right, I live just around the corner; I'm a regular customer here; I'll send my son over right away with the bill."

With this he and the change were passing out of the store door.

Like McGinty who went to the bottom of the sea, the store "hasn't seen him since."

Stolen Cash Box Found in Hedge

Harry V. Cavanaugh of 808 Rivard reported to the police at 2:10 o'clock on Monday afternoon that he had found a bunch of keys thrown on his lawn and a cash box in his hedge. The cash box belonged to the DSR and contained a lot of unused transfers for March 31.

It was learned that the box had been stolen from a DSR box on March 31 while the driver was in a restaurant at the corner of Seven Mile and Mack.

Grosse Pointe War Memorial Heads to Meet Tonight

The officers of the Grosse Pointe War Memorial Center are very anxious that there shall be a good attendance of the directors of the Fund at the meeting to be held tonight in the Neighborhood Club.

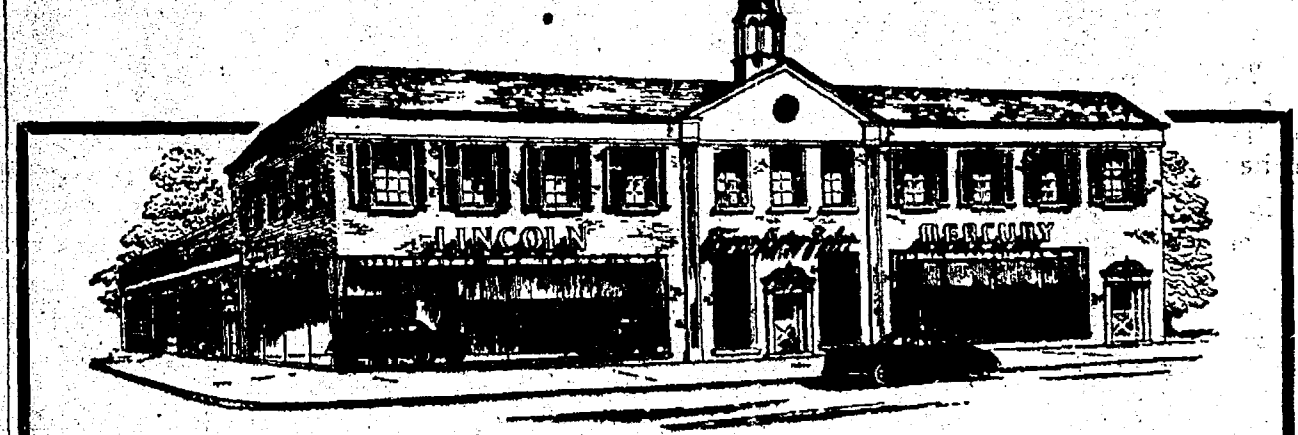

The meeting has been called specifically to hear the report of the Committee of Fifteen,

which has been exploring the setup for the administration of the property.

Among the matters to be considered is the recommendation that the board of directors, which is now a rather cumbersome body shall be reduced to probably 21 persons.

tors to the project will also be discussed, as well as other matters of like importance.

This Committee of Fifteen is enthusiastic with the progress that is being made towards providing for the taking over of the Alger House property, which has already been conveyed to the Fund by the Russel A. Alger heirs.

World Federalists Holding Meetings for Discussion

Six group discussion meetings are being held during April by the Grosse Pointe Chapter of United World Federalists, it has been announced by Mrs. Halde-man Finnie, chairman of the Public Education Committee. The meetings are intended to imple-ment the successful mass meeting held last month at the Grosse Pointe High School when Theo-dore Waller gave a highly in-formative and stirring talk. Wide-spread interest in the movement and a desire for further discus-sion was evidenced.

Harry Finkenstaedt, 6 Woodland Place; April 13, Mr. Greene Fen-ley, Jr., 499 University place; April 19, Mr. and Mrs. Courtney Rankin, 345 Ridge Road. All meetings start promptly at 8:00 o'clock in the evening. It is hoped that through the

medium of free and informal discussion that non-members will gain a clearer understanding of the principles and intentions of United World Federalists and that many of them will join the organization. Discussion of all pertinent topics and questions will be welcomed.

Persons desiring further in-formation concerning these meet-ings may contact members named above.

Pointe Police Join Battle Against Bad Brakes, Lights

The Police Departments of Grosse Pointe have joined over 200 other Michigan cities in a concerted effort to reduce traffic accidents by reducing the number of defective brakes and defective lights on vehicles being driven today according to the Chiefs of Police of Grosse Pointe.

"Grosse Pointe Police Officers will check the brakes and lights of the vehicle of each motorist they stop for a moving traffic violation and will stop all motorists driving at night with defective lights," they stated.

The Chiefs urged all motorists to have all of their safety equipment checked by their regular service man and repaired if necessary. Several of the local Grosse Pointe garages offer free brake and light inspection service during this period.

The Departments have conducted a special training school utilizing a uniform training manual prepared by the Safety and Traffic Committee of the Michigan Association of Chiefs of Police, so motorists are assured of uniform consistent treatment all throughout the State.

Emphasizing the importance of maintaining a vehicle in safe driving condition, the Chiefs state "A study of accident records shows that vehicle defects were reported in 13% of the fatal accidents in 1948 in Michigan according to reports received by Michigan State Police."

visory Committee composed of 69 organizations interested in safety.

Township Radio Offer Declined

The Farms sent a communication to the Township under date of March 30 formally declining the Township's offer to have the Farms take over the police radio at once.

The letter repeated the request of March 12 that the township should continue the service of the police radio service until June 15 at the Township's expense and later if found necessary. After that date the expense would be borne by prorating the cost between the several signatories to the Inter-Municipal Radio Service.

Township Supervisor Carl Schweikart says the Township would not think of leaving the Pointe without any radio service and will carry on as requested.

Pointe Visitor Charged With Reckless Driving

Patrolmen Slusser and A. Boone brought in Thomas L. Hopkins, aged 51, of 410 Navaho, Detroit, at noon on April 3 for reckless driving. They charged he was driving while intoxicated.

His car was taken away from him and he was sent home with a ticket for court appearance later.

Michigan Astronomer Tells Why Date for Easter Varies

The moon will hold the astronomical spotlight during April, according to Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan. Besides blacking out in a total eclipse, the moon will play its usual role in setting the Sunday to be observed as Easter. Dr. Losh reports a total eclipse is due Tuesday evening, April 12. The full moon on this same night is the factor that sets Sunday, April 17, as Easter, she points out.

The eclipse will start at 9:28 p.m. Eastern Standard Time, April 12 and continue until 12:45 a.m. on April 13. The total phase will extend from 10:28 p.m. to 11:54 p.m. Dr. Losh believes this might even be a more complete eclipse than normal. At 11:11 p.m., it is possible that most of the dull reddish or copper-colored light given off by the moon during an eclipse may disappear or be largely eliminated. This light is due to sunlight being deflected into the shadow by the earth's atmosphere.

The eclipse will take place because of a combination of factors, Dr. Losh reports. First essential is for the moon to be at full phase which means that the sun, earth and moon are lined up in that order. Next, and the important essential, is for the moon to be practically in the same plane as the earth and sun so that the moon will pass through the earth's shadow.

If you've wondered why the date for Easter varies, Dr. Losh has come up with a clear-cut reason. Away back in 325 A.D., the Council of Nicea came up with a definite method of reckoning Easter. She thinks the easiest way to remember the procedure is as follows: Easter occurs on the first Sunday after the first full moon following the arrival of Spring. Since the first full moon after the arrival of

Spring this year takes place April 12, Easter will be observed on April 17. This procedure causes wide variation in Easter Sunday. It will fall on March 25 in 1951 and April 21 in 1957.

Methodist Choir To Give Cantata

The choir of the Grosse Pointe Methodist Church will present John Stainer's cantata, "The Crucifixion" as the morning worship service on Palm Sunday.

Preceding the choir's presentation, Miss Jean Mastin will give a musical prelude of themes from the cantata. The service will begin at 10:45 a.m., in the Kerby School.

Members of the choir participating in this presentation are: Sopranos—Mrs. Fred Asmus, Mrs. Bryan Evans, Mrs. David H. McKee, Mrs. Vena Bouse, Mrs. J. Stokes Gillespie, Mrs. Thomas G. Colley, Miss Francis Hoxie; Altos—Mrs. Virgil L. Walling, Mrs. W. M. Montgomery, Mrs. Hugh C. White, Misses Marilyn Shanks and Shirley Shanks; Tenors—Norman Mooney, W. L. Montgomery, W. M. Montgomery, W. L. Symons, Hugh C. White; Basses—Claude Streb, Clarence Slocum, C. R. Wylie, Gilbert A. Burn, and Willis Bugbee. Mrs. Willis Bugbee is director and Miss Jean Mastin is accompanist.

The public is cordially invited to attend this service.

Congregational Supper Tonight

A 6:30 Smorgasbord Potluck Supper will be served in Mair School tonight, April 7, to members and friends of the Grosse Pointe Congregational Church. Arrangements for the supper are in charge of Mrs. Paul Blackburn and Group IV of the Women's Association.

Speaker for the Lenten service following the supper will be Rev. Charles F. Goudey of the Brewster Pilgrim Church of Detroit. Mr. Goudey will speak on "Growing in Grace".

Preceding the speaker the Youth Choir will sing. Members are: Mary Barnard, Christine Barty, Nancy Brier, Carol Cooper, Peggy Etling, Bonnie Glasgow, Judy Huntington, Susan Lindbery, Cynthia Martin, Paula Mathewson, Cheri McArthur, Mary Sue Morgan, Barbara Reed, Donna Mae Smith, Eleanor Treat, Sally Tripp and Nanette Hannon. Mrs. James Sagel of Touraine road is their director.

For supper reservations call Mrs. Paul Blackburn, TU. 1-2051 or Mrs. Edward Cooper, TU. 2-8714.

During World War II Navy mines accounted for almost 2,300,000 tons of Japanese shipping sunk or damaged.

Order Equipment For Police Radio

All of the Pointe municipalities, with the exception of the Woods, have now signed up for the Inter-Municipal Police Radio Service. The equipment has been ordered from the Motorola Equipment company and will be installed under the supervision of Mr. Hertz of the Detroit Edison company. It is hoped to have it in place and in operation by June 15.

The operating headquarters of the system will be in the Farms Municipal Building.

William Brown Fatally Stricken

William Murdock Brown, aged 71, who had been the Superintendent of the Grosse Pointe Park municipal park for many years, died of a heart attack at 9:55 p.m. on March 30 in his home.

Mr. Brown had suffered for some time from a chronic heart condition. When he had his last attack the doctor had just left him 20 minutes earlier and said he was in poor condition. Then the second attack occurred. The family phoned for the firemen with the inhalator but he was dead when the crew arrived.

Had he lived he would have gone on the employees' retirement rolls on June 15. He is survived only by his wife.

Mrs. E. F. Spitzer Taken by Death

Mrs. Eleanor F. Spitzer, of 887 St. Clair, Grosse Pointe, died on March 27 in the Ford Hospital, where she had been for the past nine days.

Mrs. Spitzer was born on the west side of Detroit 41 years ago. Her maiden name was Eleanor Borrusch.

She is survived by her husband, Edward F. Spitzer and a daughter Joyce Ann, aged 11.

The funeral was held on March 30 and burial was in Forest Lawn cemetery.

Clyde Harrington Dies at Age 62

Clyde M. Harrington died at his home at 1176 Bishop road on March 29 after a brief illness. He had been sick only from Saturday until Tuesday.

Mr. Harrington was born in Imlay City, Michigan, 62 years ago and had been a resident of the Detroit area since 1907.

He was survived by his widow, Agnes J., and daughters, Mrs. Virginia H. Snyder, Mrs. Shurley McGregor and Mrs. Betty H. Thomson, all of Detroit.

Funeral services were held on April 1 and burial was in Rose-land Park cemetery.

Mr. Harrington was the proprietor of the American Auto Service Company.

Veritable Circus Produced By Mixture of Age Groups

By JANET GREGORY
Grosse Pointe High School Journalism Student.

Grosse Pointe High School is running a two-ring circus. In Ring I are the 12-through-15-year olds, while in Ring II are the 15-through 18-year-old students.

Not Enough Space
Having these junior and senior high students under the same roof is perfectly fine... except that there isn't enough space and time for both groups to do their "acts" at the same time.

As Mrs. Ruth Flom, dean of girls, explained it, "There just aren't enough Friday and Saturday nights to go around."

The continual conflict for the auditorium, gyms, and swimming pool is only one of the numerous problems incurred by the two-fold program in the high school building.

Less Opportunity
"The opportunity for leadership is somewhat lessened for junior high students when they are combined with senior high boys and girls," commented Mr. W. R. Cleminson, principal.

Being a younger group, the Brownell Junior High students now in the Grosse Pointe High School building must leave the top leadership offices and jobs to the senior high students. The seventh, eighth, and ninth graders can't be "big wheels" in the student government, on student

publications, dances, and party committees.

Overshadowed
Indeed anything the junior high does is on small scale compared to the senior high. Even the junior high "Evening of Plays" and musical concerts are overshadowed by the more experienced senior group.

By separating the two groups as completely as possible the school tries to overcome this disadvantage. Schedules are arranged so that all junior high classrooms are in the same vicinity, and as far as possible the faculty is divided so that each teacher has only junior or senior classes. Teachers are trained in one age group or another, and can't be equally skilled with both.

Equipment Unsuitable
Often times the junior high must use equipment bought for the senior high and therefore not suitable for the junior high students. Almost everyone has seen a four-foot seventh grader sitting at a desk made for a six-footer!

But this works both ways as Grosse Pointe High students will know when they have to stoop to drinking fountains placed at the right height for junior high students.

The numerous complications of having a "two-in-one" school will vanish two years from now when, according to present plans the Grosse Pointe's second junior high building will open.

Farms Changing Street Surfacing

In preparation for this season's work on the Farms streets, Murray Smith, the village engineer, asked for and received authorization of the Council on March 28 to purchase 24,000 gallons of bituminous binder material.

He also told the Council that he favored the use of birdseye gravel for the finishing coat instead of the crushed limestone and slag which has been used heretofore.

He said that experiments with the slag and limestone top finish and the birdseye gravel had convinced him that the gravel, despite the rounded surfaces of the small particles used, afforded a firmer traction and less liability to skidding than the other materials, which bedded down into a dangerously smooth surface. The council approved the change.

Garage Prowler Steals Clothing, Ruins Light

George B. Poloskey of 1080 Beaconsfield reported to the police on April 3 that someone had entered his garage the night before and attempted to wrench the spotlight from his '49 Oldsmobile.

The prowler mutilated the spotlight and stole some clothing from the inside of the car.

Vanilla is made from dried and fermented pods of orchids.

Car, Bus Tangle On Kercheval Ave.

A bus and a car tangled at Kercheval and Stephens roads at 10:20 a.m. on March 31, with the driver of the car receiving a ticket for his appearance in court.

The bus, driven by Daniel McNulty, was struck in the rear by the car, driven by Jim Hennessee of 2174 Lycaste, Detroit. Both were going in the same direction. Hennessee's car had to be towed away from the accident. The Farms police reported his license had expired.

Robberies

(Continued from Page 1)

pair around the village. They were unable to find any homes in the Farms which they had actually entered, other than the Park, White and Groehn residences. They said, however, that they had attempted to enter at least a half dozen other homes but had been unable to get in. In perhaps a dozen other instances, they had approached homes with the intention of robbing them, but had been scared away by dogs, lights in the house, seeing persons within, and other reasons.

Dumped Big Box
They said they had taken a large leather hatbox from the Park home. In it they had a number of neckties, a bottle of liquor, some pottery, socks and some costume jewelry. Finding it too heavy to carry with them and not wishing to keep any of the contents, they said they had thrown it over a fence into a field.

The police believe the field was near the City pumping station, north of Chalfonte in the Lakeland area. The box was never reported as found.

Left Purse in Bus
They also said they had a purse with a number of pieces of costume jewelry and had left this in a bus. The police believe it was a DSR bus and no report was ever turned in that such a purse was found.

Other pieces of costume jewelry they reported were dumped into their own rubbish cans at home.

State May Help Instigate Bureau De-centralization

Our State of Michigan may be on the verge of bringing about a fundamental change in United States governmental policy. Eight legislators have joined in an unprecedented move to initiate a constitutional amendment that probably would slow-down the ever-increasing centralization of authority in Washington.

The 16-section proposal is quite complicated. Among other things it would distribute approximately 20 per cent (or about \$5,000,000,000) of all federal tax collections among the various states, mostly on a per capita basis.

It would also set aside approximately five per cent of federal income for payment of the national debt. In order to plug all loopholes, many restrictions are written into the proposal including limiting the number of new states that can be admitted to the union, placing a floor under the gold content of a dollar and specifying that a minimum deduction of \$600 be allowed for each individual and his dependents for

income tax purposes.

Purpose of the amendment is to put a stop to the procedure whereby the U. S. government collects tax money and distributes it back to local communities minus administrative expenses.

If the plan were in operation, Michigan would receive an estimated \$315,466,936 from federal sources, as opposed to the \$58,582,526 in federal-aid received last year. This would make a sizeable dent in the half-billion dollars now being spent by the State for all purposes.

Congress should not lose sleep worrying about this amendment taking effect over night. First, two thirds of the states must pass a resolution asking for a convention to consider the amendment and then three-quarters of the states must ratify.

Whatever the outcome of this drastic proposal, however, it will have the good effect of stimulating discussion on the vital issue of federal aid to states.

University Club Has Open House

The new and recently decorated club rooms in Kercheval place of the Grosse Pointe University Club were viewed by parents and friends at an open house from 2 to 8 on Sunday, March 27.

Members present to serve refreshments and greet the guests were Carol Diedrich, Bob Brinker, Leo DeSimpel, Tess Koslowski, Ann Leinweber, Tom Mercier, Mary Ann Staudt, Herb Ruhler, Joe Kaene and Joan Thibodeau. Also present to display the games room, equipped with newly acquired ping-pong tables, and to register the visitors were Hank and Nobyn D'Haene, Bob Frear, Doug Sutherland, Tom Kilbride and Chuck Rabaut. Jim Crowe found a minute to drop in before starting back to Notre Dame.

Last Saturday night members stopped in for cokes and dancing. Present were Marilyn Meier with Joe Padelt, Joan Roney with Bill Maas, Bill Queen with Marge Holland and Joanne Maas with Jim Dirkes, Bob Connelly, Paul Greening, Art Molitor, Bob Lewis and Phil Kieth were also there with their gates.

Romberg Plays Here April 18

On Monday, April 18, Detroit will again put out the welcome mat for an old friend, "An Evening with Sigmund Romberg". For on that date the beloved composer-conductor returns to Masonic Auditorium with his Concert Orchestra, and an array of outstanding soloists on the tenth of his country-wide tours, bringing to America the music America loves best.

Not content to rest on the laurels he was won as the man who has written many of America's favorite songs, and conducted some of the world's finest music, Mr. Romberg has become one of the country's finest showmen. "An Evening with Sigmund Romberg" is the best proof of that, for there are few evenings in the theatre to match it for warmth, friendliness—and sheer pleasure in music. Many a reviewer has wondered in print whether it was Mr. Romberg or the audience who were enjoying themselves most.

And yet, understanding this hands-across-the-footlights rela-

tionship is merely knowing Mr. Romberg's own philosophy of planning programs of the relaxing, melodious, "middle-brow" music with which his name has become synonymous. "Middle-brow" because it appeals to everyone—the lover of the classics, as well as the swing-happy bobby-soxer—especially to the great American public.

Surprise!

\$2,274.00*

At the prices all cars are carrying today, this luxurious 1949 Packard Eight Club Sedan is nothing less than a sensational surprise.

And here's why.

Only Packard has the distinctive, enduring styling that spells recognition-at-a-glance.

Only Packard has the triple-cushioned, "self-controlling" suspension system (complete even to a fifth shock absorber) that gives delighted owners a level-keeled "limousine ride."

Only Packard has the "free-breathing" engine design that is writing the year's big performance story in the fine car field.

What's more, gasoline mileage reports from owners provide conclusive proof that the new Packards are the *shriest* Eight's in Packard's 49 years of precision manufacturing.

So if you want to be pleasantly surprised—"for keeps"—the man to see is your nearby Packard dealer. The time is now!

Bazaar Planned By Girl Scouts

The Girl Scouts of Mrs. Alton Huntington's Maviner Troop 201 will hold a bazaar in the Turner Buick building at Kercheval and Maryland on Saturday, April 9, starting at 10:30 a.m.

The girls will have a rummage and bake sale, with many white elephant items also available. Homemade cakes and pies will be featured.

The money raised will be used to partly pay the expenses of a trip to Buffalo which the troop has planned.

Mr. and Mrs. David W. Roth

The former HELEN WALKER, daughter of Mr. and Mrs. Lee S. Walker of Bedford road, and the son of Mr. and Mrs. Peter Roth of Hazlewood avenue, Detroit, cut their wedding cake following their marriage in the rectory of St. Clare de Montefalco Church on Saturday morning, April 2. The wedding breakfast was held in the Whittier.

The bride's gown of navy blue taffeta had an insert of pink lace at the hips. Her hat of navy straw was trimmed with a pyramid of pink rosebuds. She carried an old fashioned bouquet of white rosebuds.

Miss Betty Palniau of Lochmoor boulevard was maid of honor. Her gown was navy trimmed with white pique and she wore a navy hat.

Paul Roth of Ann Arbor, brother of the bridegroom, was best man. The young couple are honeymooning in the Great Smokies. They will live in Ann Arbor, where both are juniors at the University of Michigan.

April 12 Meeting Planned By Congregational Women

The Grosse Pointe Congregational Women will meet Tuesday, April 12, at 12:30 in the home of Mrs. William M. Browne, 276 Lewiston road, for dessert.

Devotions will be under the direction of Mrs. William Adams. Mrs. Oliver E. Closson will be the guest speaker, and her subject, "Living with Poetry".

Helping Mrs. Browne will be seen Mrs. Clare Sober, Mrs. John Bell and Mrs. Earl Genthe.

June Parties Planned For Seven Debutantes

Additional Names Expected To Be On List Before Traditional Month To Make Social Bows Rolls Around; Joint Ball Planned By Two

At least seven Pointe debutantes will be presented to society this June, and more names will gradually be added to that number. Gertrude Ford will bow June 14 at a tea given by her parents, Mr. and Mrs. Burdette E. Ford in their home in Sunningdale drive. She is now vacationing from Wellesley College.

A Country Club tea June 17 will introduce Penny Kemp, daughter of Mr. and Mrs. Charles E. Kemp of Harvard road. The following week, Penny will go to Louisville, Ky., to attend the spinster Ball when that city's deb will bow.

June 10 has been chosen by Mr. and Mrs. Fred A. Hughes of University place for the tea at which their daughter, Peggy, will be presented. Peggy is a student at William and Mary College in Williamsburg, Va.

Ingrid Koebel, daughter of Mr. and Mrs. Charles J. Koebel of Cloverly road, and Sally Anne Waters, daughter of Mrs. John W. Finkenstaedt of Rivard boulevard, will make their joint debut at a ball at the Country Club June 28. Ingrid is a student at Garland School in Boston, Mass., and Sally attends Vassar.

Another ball late in June will introduce Edna Skelton, daughter of Mr. and Mrs. Owen R. Skelton of Ridge road, who attends Wellesley College, joins her parents in Palm Beach this week for the Spring recess.

Bette Burr Meader, daughter of Mrs. F. Rankin Weisgerber of Lincoln road, will make her debut at a tea in June in their home. Bette is attending Smith College.

Parties Honor Cynthia Gorham

Mrs. James E. Atkinson and Mrs. Walter G. Bernard entertained last week-end at a miscellaneous shower in the Atkinson home in Buckingham road for bride-elect Cynthia Adele Gorham.

Cynthia, daughter of Mrs. William J. Gorham of Marlborough avenue, and the late Mr. Gorham, will marry Harry L. Schmidt, Jr., on Saturday.

George Bigleys Awaiting August

Mr. and Mrs. George Bigley of University place are already looking ahead to Aug. 20, when their daughter, Martha, and Sally Loomis, of South Bend, Ind., will return from a year's study at the University of Geneva in Switzerland.

The two girls, after studying French for two years at Northwestern University, decided to gain experience by attending the famed Swiss university. They will return to Northwestern next fall for their senior year.

During their month-long spring vacation, the student pair traveled through Austria and Italy. They have also spent several weekends skiing in the Alps.

Mary Louise Morley Weds W.L. Schmidt, Jr.

Community Church in New Troy Scene Of Ceremony; Bridegroom Is Son Of William Lewis Schmidts Of Roslyn Road

William Lewis Schmidt, Jr., claimed Mary Louise Morley as his bride Saturday at a ceremony in the Community Church of New Troy. Mr. and Mrs. William L. Schmidt of Roslyn road are the bridegroom's parents.

Mary Louise, daughter of Mr. and Mrs. Dean Morley of New Troy, chose a period gown of ivory slipper satin for her wedding. The gown was styled with sweetheart neckline and bustle back. Her cathedral length veil fell from a Mary Queen of Scots cap and she carried an arrangement of stephanotis and a white orchid atop a white Bible.

The bride asked Mrs. Glenn Deibert to be her matron of honor. Bridesmaids were Mrs. Frank Mumford, Jr., and Nancy Schmidt. The three attendants wore aqua frocks and carried colonial bouquets of roses and ivy. James H. Barnes, Jr., performed the duties of best man for the bridegroom. William P. Kleidler and Dean H. Morley ushered the wedding guests to their places. A reception in Harbert, Mich., followed the ceremony.

CHAMPION CARGO

Miss America X, last winner of the International Flowerworth Boat Trophy and still the World Champion with a record of 134.86 miles per hour in competition, is making possibly her last public appearance. Gar Wood, owner of the boat, gave five nephews permission to take Miss America X out of storage in Algonac and display her at the 1949 Detroit Boat Show. Safe Delivery of the 38' prize vessel was entrusted to Best Transit Company with one of its fleet of Dodge Trucks and Trailers. Best Transit Company earned this confidence with its reputation for service and it has learned through many years of experience to rely solely upon Dodge Job-Built Trucks purchased from Raynal Bros. Peddler Ticketed By Park Police

The residents at 1217 Maryland phoned the police on March 30 that a man was distributing cans of liquid labeled "Star-a-lize" at each door along the street. He left word that he would be back later and if they decided to take his wares they could pay him 40c. The police stopped the itinerant merchant and gave him a ticket for peddling without a license.

Call to Police Foils Racketeer

A man appeared at 1333 1/2 Balfour on April 2, where a funeral service had just been concluded, and said he was sent around to collect the rental for the funeral seats. The residents were suspicious and called up the police. When the police arrived the "collector" had taken to the tall timbers. The police say this is a racket which is occasionally worked successfully. Not long ago a family on Trombly road was victimized in this way.

County Board Election Scheduled for April 12

The County Board of Supervisors will elect its new chairman for the year on April 12. Carl Scheweikart was honored last year by being the first chairman of the Board to be elected outside of Detroit in many years. The practice has been to name a Detroit man to the chairmanship with an occasional gesture to the out-county members by picking the chairman from their group.

Neyman Patrick Hurt In Accident in Home

Neyman Patrick of 893 St. Clair fell in his home on April 2 and sustained painful injuries to his back. He was removed to Bon Secours hospital by the City police, where after an examination by the hospital physicians it was determined that there was no injury to the spine, which was at first feared. He was treated for painful bruises and returned to his home.

Race for League Trophy Tied Up

Sports

Blue Devils and Bears Have Collected 62 1/2 Points

With Battle Half Over Wyandotte Appears To Have Best Chance To Dethrone Pointers After Reign Lasting For Three Years

Fred Bunnells

With the race for the Border Cities League All Sports Trophy half finished, Grosse Pointe and Wyandotte are tied for first place honors with 62 1/2 points.

The Blue Devils, winners of the trophy for the last three years, have a serious battle on their hands to retain the award with the greatest threat coming from Wyandotte.

Tennis Squad Intact

It is reported the Bears have their 1948 tennis squad, which gave both Monroe and Grosse Pointe tough battles last season, intact.

the number one boy in the 120 high hurdles.

Fred Duemling was outstanding in the mile event last season and with any sort of a break should be one of the best in the league this spring.

Courty, Quirk and Lowrey

Glenn Courty missed his letter last year as did Spike Quirk and Dick Lowrey but are back this spring.

Jerry Devroy and Bill Hollister lead the list of pole vaulters because of their experience.

Coach Banach has hopes for a few of the newcomers such as Ben Gray, Kirk Walsh, Pat Brogan and Dick Polen.

Tennis Picture Hazy

The tennis picture is still a little clouded but through the haze we can see the Blue Devils winning more meets than they lose.

Coach Pat Kaulitz has his entire 1948 baseball team back this spring in addition to two of the winningest pitchers in American Legion baseball last year.

Coach Frank Banach has only five returning lettermen around which to build his nineteenth team, but he has taken an optimistic outlook to the coming campaign because of the largest turnout of 97 aspirants.

Heading the list of returning lettermen is "Butch" Edgar, who was a big point getter for the Blue Devils last season in the broad jump event.

Jim Williams will be back for his specialty, the 100 yard dash, and Bill Pierce at this writing is

Loop Rejects Devils' Kick On Decision

Cleminson's Protest Over Fordson Basketball Game Goes For Naught

By Fred Bunnells

Grosse Pointe's protest of the Fordson-Grosse Pointe basketball game was unanimously voted down at a meeting of Border Cities League Principals on Tuesday, March 22.

The protest against Fordson was filed by Principal Walter Cleminson at the request of Coach Ed Wernet after the Blue Devils had dropped a one-point decision on the Tractors home court when Bayard Johnson's last second basket was ruled no good.

Conflicting Stories

League officials voted in favor of Fordson because of conflicting stories.

The protest denial forced Grosse Pointe to share second place with Fordson in the basketball standings.

Just a year ago these same men turned down another Grosse Pointe protest of incompetent work on the part of a Fordson timer. In that game the Blue Devils found themselves on the short end of a one-point decision which robbed them of a chance to tie for first place in the basketball standings.

To guard against another such occurrence the Principals passed a rule that all league games must have two official scorers and two official timers.

League officials should be commended for taking action to prevent shoddy officiating. From where your reporter sits they should have gone just a little further and passed a rule requiring the host school to provide a signal which would be loud enough to be heard above the din of the spectators' yells to end each period in a basketball game.

Probably the best signal is a gun, such as that used by the officials of the Pontiac Regional Basketball Tournament.

Possibly a way could be figured out to hook up a gun to the electric scoreboards which would be fired automatically. In that way the referees, scorers, timers and spectators could keep their eyes on the ball and still hear the signal at the end of each period.

This is just a suggestion from this corner but maybe it could be food for thought before next basketball season rolls around.

Leaders Ousted In Ladies' Loop

After weeks of holding first place in the St. Paul's Ladies Bowling League, Kopp's lost the top spot to Penathol Laboratories.

Sluggo Schoeck and Star Hurler Al Bryant Among Stars Returning; Royal Oak to Be Opponent Here in First Game of Season

By Johns Sanford

With the hope that springs eternal within the human breast the Grosse Pointe Sluggers and hurlers look forward to the 1949 baseball season.

With four wins out of their last five games, the Devils finished with an even 5 won and 5 lost record to land in a third place tie with Highland Park in the Border Cities League standing last year.

To Continue Policy

Coach Kaulitz is planning to continue his policy of using only those players who participated in summer baseball.

Vince Schoeck leads the Devil batting hopes by returning with a .320 batting average from last season.

On the pitching mound will be returning capable Al Bryant.

Practice is already underway and the team is looking forward to the first game with Royal Oak on April 26.

The schedule: April 26, Royal Oak, Here. April 28, Highland Park, Here. May 3, Wyandotte, There.

Behind the plate receiving Bryant's pitches will be Bayard Johnson who is rapidly developing into one of the best all-around

athletes for Grosse Pointe in many an age. Johnson is only in the 11A and already has two letters in basketball, one in football, and one in baseball.

Wayne Peterson and Jim Schoeck are expected to put on the best battle for a position when they both grapple for second base.

At Shortstop George Kypros is back for his third season. An excellent fielder but weak on hitting, Kypros will probably be spending many hours on Coach Kaulitz's new batting tee.

Out in the far open spaces of the outfield there are three veterans of last season.

Practice is already underway and the team is looking forward to the first game with Royal Oak on April 26.

The schedule: April 26, Royal Oak, Here. April 28, Highland Park, Here. May 3, Wyandotte, There.

Favorite Tracy Motors received quite a jolt when it dropped two games in a row to the fast moving Swishers and lost its strangle hold on the Optimist Club Trophy.

Under Dogs Win. The Swishers were strictly the underdogs in the March 29 game but came through in the clutch to win 30-28 which put the two teams on an even basis with two games won and one lost.

This set the stage for the final championship, winner take all game which the Swishers won handily 39-33.

Tie for Honors. Barker and Jackson racked up eight points each for the Swishers in the final game to tie for individual scoring honors.

The Grosse Pointe Optimist Club Trophy will be presented at a dinner at a date not yet decided upon at this writing.

Chuck Kernen, University of Detroit basketball great who completed his collegiate career recently, tossed 11 successful free throws in a row in his last two games with the Titans.

Coach Bill Codde accepted the trophy presented by the Neighborhood Club following the game.

Gray's Sport Shop Arranging Tennis Lessons for Beginners at Neighborhood Club

The Neighborhood Club will again hold a tennis clinic through the courtesy of Gray's Sport Shop.

This clinic is primarily for beginners. Entries can be made at Gray's Sport Shop and the Neighborhood Club.

For ages under 14, the class will be from 10-11 a.m.; ages 14 to 17, class will be from 11-12 noon.

The dates are Saturday, April 16; Saturday April 23, and Saturday, April 30.

St. Paul Girls Capture Title

Led by sharp eyed Lynne Henneck and Janet Hock, St. Paul's girls defeated St. Anne 15 to 14 to win the Parochial Grade School City basketball title on the C.Y.O. court on Wednesday, March 27.

The game was one of those see-saw affairs with the winner in doubt right up to the final whistle.

Lynne Henneck captured high point honors with 8 points and her teammate Janet Hock poured seven points through the hoop for runner-up honors.

Juliette Trombley was the main spring of the St. Paul attack with her fine passing and play-making, which gave her two scoring teammates ample opportunities.

At times during the contest St. Anne threatened to trample the St. Paul girls with a fast passing and running game but with the exceptional guarding of Kathryn Andre and Lou Ann Moxley, the St. Anne attack bogged down repeatedly when it got into scoring territory.

Intramural Court Quintet Compiles Amazing Record

By John Sanford

In running up a string of 38 straight victories in two seasons, plus two games of 63 points and over, the A205 team of the Grosse Pointe High Intramural League completely dominated the circuit.

The team, composed of Dave Terris, Jim Wade, Jerry Goebel, Clem Martin and Art Neff, is familiar to many local basketball fans through its exhibition playing during several half-time intermissions of varsity games the past season.

The two high total games were 83-1 and 64-4. The scores are even more sensational considering the games are usually only fifteen minutes or less in length, making an average of over four points a minute.

For the past season the boys have a record of 11 wins and one loss. The only blot on the team record was a close 12-11 edge midway in the season.

Entered in the eighth grade league, the point-happy boys have

been playing together since they entered the school last year. All are presently in the 8A. The league consists of six teams from four homerooms with A205 and 221 each supporting two teams.

The A205B team was the victim of the 64-4 pasting.

With the intramural season nearing its end and only the playoffs to go, the boys can look back on another sensational season.

The teams are organized on a homeroom basis and put into leagues according to their grades.

Coach Ed Wernet is in charge of the whole program which is run by the students during their lunch hours.

PARCELLS SCHOOL

Miss Ernest's 6A Group made history at Parcels, Tuesday morning, March 22, by giving the first Social Studies program ever to be given at this school. The program was a culmination of the study on "Science in Our Lives," and consisted of various skits and reports, depicting outstanding events in the history and development of Science. Tony Locricchio announced the following program: — a skit; "From Myth to Fact"—written by Nancy Clow, and featuring Elaine Scarles and Irene Fournier. A Playlet, "Progress in Map Making"—Co-authors, Richard E. Miller and Anthony P. Locricchio, and starring Richard E. Miller, Marvin Muckenfuss, Neal Hanson, James Ciresi, Jack Goodhand, James McMillan, Ann Blackwood, and Connie Eggle.

A Playlet, "Astrology: An Astronomy," written by Nancy Clow, and featuring Phil Wolfe, Gary Carless, Beverly Warren, Irene Fournier, Nancy Clow, Mary Cornwell, and Richard C.

Metzler. A report, "Thomas A. Edison," Nancy Clow and Betty Snell. "Quiz Kids' Program," Margaret Goodair, David Barkey, Richard C. Metzler, Jane Thompson and Ann Blackwood. (Program sponsored by "Non-Crackle Paper Company," who guarantee their paper will keep classrooms quiet and teachers happy!)

A Report; "Dr. Diesel" Karla Walke, Gwen Waite. A Playlet; "From Alchemy to Chemistry"—Authors, Richard Metzler, Anthony Locricchio, Michael Brown, featuring Richard Metzler, Michael Brown, Gary Carless and David Barkey. Incidental music played by Elaine Scarles, Connie Eggle and Jack Goodhand.

Spring has really arrived at the Parcels School. Miss Dorothy Wolfe's Science room is fairly bursting with signs of spring. A lovely yellow-orange crocus has blossomed to brighten the room. A beautiful, large cecropia moth emerged from its winter quarters. Tommy Haskett had brought the cocoon to school last fall. Mama and Papa Snail are very happy with their three baby snails, and, no doubt, will be busy training to assume their share of the responsibility in keeping the aquarium spotlessly clean.

Mr. and Mrs. Peter Hamster are the proud parents of nine healthy, frisky babies. Mother hamsters are very protective of their young, so Mother and her babies are being kept in a quiet, dark place for the first few weeks. But children and teachers are much interested in Miss Wolfe's daily reports on their welfare and are eagerly looking forward to the time when Mother Hamster will feel perfectly safe and free to display them.

Miss Ruth Switzer's 4A's also enjoyed watching a lovely cecropia moth come out of the cocoon that Lonnie Van Noy brought to school last September.

Popular Drive-In Cafe Opens

Richard's Drive-In, fashioned after the ultramodern and elaborate California style curb-service restaurants, has reopened for the season on Harper avenue, between 7 and 8 Mile roads.

Richard's captured the public's fancy last fall when it introduced for the first time in this area the famous, "California Twinburger". This double-decker hamburger, heaped high with all the trimmings plus a special sauce, has caused a sensation among the young and old alike. "And this season," according to operator Sidney Smith, "our twinburger will be bigger and better than ever."

Richard's Drive-In will be open 7 days a week, and will serve from 11 a.m. until 3 a.m. In addition to its regular menu of twinburgers, hot dogs, malts and sundaes, Richard's now serve crisp, Southern Fried Chicken in the Basket and Fried Jumbo Shrimp.

Next in popularity, to the twinburger at Richard's Drive-In were the brightly costumed, attractive girls who served the cars. With the advent of warmer weather, the girls will blossom out in new uniforms, specially designed for Richard's by a famous theatrical designer, Smith stated.

Camp Fire Girls News

A Committee of Awards meeting at which Camp Fire Girls in the Southeast District may pass their tests for Trail Seeker and Wood Gatherer will be held Tuesday evening, April 12, in the Parcels School in Grosse Pointe Woods.

The auditorium of the Mason School, Grosse Pointe Woods, could hardly hold the Blue Birds, Camp Fire Girls, Cub Scouts, Boy Scouts, Sea Scouts, their parents, and friends gathered Monday evening, March 28, to hear Mr. Welsh the "Old AAA Traveler" speak and to see the full blooded Indians who interpreted native dances and sang. Sea Scouts under the leadership of Mr. Byron Runde ushered.

Blue Bird and Camp Fire Leaders, assistants, and sponsors of the Southeast District met in the home of Mrs. John A. Holstein of Balfour road Tuesday, April 4, for their monthly meeting. Mr. Arthur Henry, District Executive of the Boy Scouts, and a member of the Camp Committee of the Detroit Council of Camp Fire Girls spoke on the need of a new dock at Camp Vathana, the Camp Fire Girls Camp, and urged the leaders to promote the annual Camp Fire Cookie Sale to be held in the Southeast District the last two weeks in April. Plans for the Mother-Daughter Tea to be held May 9 in the Grosse Pointe Memorial Church were completed.

Donna Dahlen Receives Honor on DePauw Campus

Miss Donna Dahlen, 253 McMillan road, Grosse Pointe Farms, has been elected to the senior board of the Association of Women Students on the DePauw University campus.

Daughter of Mr. and Mrs. T. Ailman Dahlen, Miss Dahlen is a junior in the School of Liberal Arts and is specializing in bacteriology. She is a member of Kappa Alpha Theta, national social sorority, of which she was recently elected social chairman. She is a member of the Women's Recreation Association, the Botany Club, and is on the staff of the Mirage, student yearbook.

Sorosis Club Hears Talk On Romance of Old Silver

Hazel Peckinpaugh Dunlop, well-known lecturer and authority on floral arrangements, table settings and gardens, was guest speaker for the Detroit Sorosis Club at 2 o'clock on Tuesday, March 29, in the home of Mrs. Fred A. Studer in Hampton road.

Mrs. Dunlop spoke on antique silver, covering antique English silver and old Sheffield, American silver and silversmiths. Her topic was, "The Romance of Old World Silver." Attractive place settings were arranged as a helpful and entertaining means of illustrating her discussion on where and how to use old silver.

Two Youths Questioned About Hubcap Thefts

A 20-year-old Detroit youth and a 21-year-old from the Pointe were picked up by Patrolmen Dhaveloose and Van Tiem of the Farms at 3:30 a.m. on April 2 and held for investigation of stealing automobile hubcaps.

They apparently were cleared of this charge, but their car registration was faulty, according to the police. They were finally released at 4:30 a.m., after a case containing 17 full bottles of beer was confiscated from their car.

The Red Cross this year has already spent hundreds of thousands of dollars in relieving misery in the blizzard-stricken Midwest and is preparing to wage total war against spring floods which are already beginning.

Governor Williams has written letter to governors of the 47 other states urging them to join in a petition to congress. He asks an extension of the deadline for payment of service men's adjustment allowances which unemployed veterans \$20 a week for as long as 52 weeks. Williams claims that veterans are the "first laid off and the last to return to work" because they lack seniority.

He also says many of them have not yet acquired enough employment experience to qualify fully for unemployment compensation benefits. More than 21 governors have replied that they would favorably consider action in their states to urge Congress to extend the program.

State's Traffic Deaths Hit New High In 1948

A new all-time high in motor vehicle mileage in Michigan in 1948 was accompanied by new highs in total number of accidents and persons injured, but although there were more fatalities than in any year since 1941, the death rate per 100 million miles of travel was the lowest on record.

This information is contained in the annual traffic accident experience report released by State Police Commissioner Donald S. Leonard.

There was a daily average of four persons killed, 112 injured, and 384 accidents.

Estimated motor vehicle travel exceeded 19.1 billion miles in 1948, the highest on record and nine per cent above 1947. The death rate of 7.86 per 100 million miles of travel was 22 per cent below the 10-year average and 41 per cent below the 1941 rate.

Incorporated communities accounted for 83 per cent of all accidents, 62 per cent of the injured and 35 per cent of the deaths. Rural areas reported 17 per cent of the accidents, 38 per cent of the injured and 85 per cent of the deaths.

Only three counties, Missaukee, Montmorency and Otsego, which had three per cent of the total registered vehicles, had no traffic deaths. Ten counties, with 84 per cent of the registered vehicles, accounted for 844 or 56 per cent of the deaths. Forty per cent of all deaths occurred on Saturdays and Sundays.

In seven out of 10 fatal accidents one or more of the drivers were reported as violating the traffic laws. In addition, 508 pedestrians killed in 1948, an increase of eight over 1947, seven out of 10 were violating the law or acting unsafely at the time. One-fifth of the pedestrians were children.

Vehicle defects were reported in 13 per cent of the fatal accidents. About one-third of the accidents occurred when the weather was cloudy, rainy, snowy, etc., and in almost one out of four the driver's vision was obscured in some manner.

A Peek at The Stars

By LYN CONNELLY
NWNH Radio-Cinema Editor

"MR. AND MRS." teams seem to have become a vogue in radio. Harry James and glamour wife Betty Grable are eyeing the possibility of such a team, as are Dinah Shore and hubby George Montgomery. "The producers of 'Blondie' have just given as a reason for letting Penny Singleton go after 10 years in the title role that she "wasn't the type". Radio is getting more like Hollywood every day. Vaughn Monroe has signed for a western picture to be made at Republic.

The following stars are officially bowing on video soon or making plans to be in the near future: Tony Martin, Mike Green, Connie Haines, Faye Cavannah and her sister and brother Johnson. The latter will have an hour-long show returned after their "Hellszapopp" number. CBS is set to air an hour-long amateur and professional talent audition show beginning in mid-April. Elliott Lewis is being bombarded with offers to do a "Frankie Bentley" show of his own, but his heart (and contract) belongs to Phil Harris.

Advice Offered On Care of Rugs

If you're one of the homemakers who believes that no electric cleaner should ever touch a new rug or carpet—here's news for you.

You can use a cleaner on your rug from the very first moment it's laid on your floor. There will be no ill effects, advises Ruth Peck, Michigan State college home economist. This information is based on recommendations from the American Institute of Carpet Manufacturers who have good reason to want you to be satisfied with the wear your rug gives you.

A new rug or carpet will "fluff" to a certain extent because there are short fibers left in the pile when the yarn is cut. These gradually work loose, but this does not injure the life or quality of your rug. It will stop as soon as the loose fibers have been removed.

Occasionally during the early life of your rug or carpet a tuft may protrude above the surface. Never try to pull this tuft out, as you may injure the fabric. Instead, clip the tuft close to the pile, with sharp shears.

Your new rug or carpet may also have a spot where several tufts are missing. Tufts may also be damaged or removed in service. When this happens, and when the areas are small, the tufts may be replaced by sewing in the proper colored yarns. The store from which you bought the rug will be glad to help you with this problem.

Traffic Judges Go To School

A one-day training institute for Michigan municipal traffic judges and justices of the peace will be one of the highlights of the 19th annual Michigan Safety Conference in Detroit May 17 through 20.

The Institute, to be held at the Book-Cadillac Hotel May 20, is part of the program of the MSC Traffic Court Division, which is taking part in the conference this year for the first time.

All municipal judges in the state are invited to attend the session, regardless of whether they are members of the Association of Municipal Judges.

Remember the time, temperature, water and flavor factors and choose your cooking equipment accordingly. Probably no one kind of equipment will suit all your cooking needs.

Home Makers are Spending

hundreds of dollars for cooking equipment these days with the purpose of cooking to save vitamins.

A few suggestions from Pauline Paul, foods researcher at Michigan State college, may help you decide what equipment you need to cook efficiently.

Nutritive value is not the only important factor in cooking. If your fresh or frozen peas turn out olive green and mushy and no one eats them, your family will not get those vitamins you tried to save.

There are two ways to lose vitamins from food. One is to leave food exposed too long to air or heat. The other way is to allow them to dissolve in too much cooking water and then to throw the water down the drain.

So there are three points to consider to save vitamins in cooking. Cook foods in the shortest possible time, at the lowest possible temperature and with the least water. Again you have to consider the food to be cooked.

If you cook strong flavored vegetables like onions, broccoli and rutabagas in too small an amount of water they will be too strongly flavored. More water will prevent it. If you cook peas in a closed dish they will turn olive green.

Good flavor is important in foods you serve your family. Only by eating the food because it is tasty and attractive can they get any vitamins at all.

You can see the real advantage in good heavy pans. You can cook with less water and

FROM OUR DAIRY OF MINUTE INTERVIEWS

MRS. FREDERICK M. ALGER told us: Her pet aversion was snakes... once she saw a snake and a mouse the same afternoon on a golf course and hasn't been the same since...

Her favorite food was shad roe... And Winston Churchill was her pet personality (and that was before the whole country joined his gallery of devoted admirers!)

MRS. BENSON FORD told us: That blue was the color she liked best for her wardrobe...

She wore Chanel No. 5 (it was a sensation that year)... Her fondest flower was a gardenia... She liked reefer coats and sailing... Key jinglers made her nervous...

We Said It Nine Years Ago and We Repeat EASY ON THE EYES

MRS. FORMAN JOHNSTON'S ankles... MRS. DEXTER M. FERRY in midnight blue lace evening gown...

A Grosse Pointe child arrived home from school one afternoon and announced: "Mother, Miss Foster has started a class in Social Defense and I want to join"...

The startled mama started a quick investigation... The class was in Social Grades... The child has joined... and today MISS ANNIE WARD FOSTER still conducts these same gentle classes...

PILFERINGS

Mark Beltaire's prize paragraph in the Free Press on The Pointe's Joseph de Grimme, art connoisseur: "Over the years customer after customer has irked art dealer Joseph de Grimme by asking in all innocence if he painted the old masters on display in his gallery. Other day he reached the boiling point. 'Yes,' he said with controlled fury, 'I painted that one in 1870, that one in 1812, but my best is the one over there which I did in 1769. Of course, I was very young.'"

In Elmira, H. K. Arthur persuaded a modest lady author to visit a nudist colony, assured her there was a story to be written about its survival. A member, noticing that she was fully dressed, inquired, "Are you one of us?" "Oh, no," the novelist assured her, "I'm only aghast."

Bennet Cerf sez the technical term for the transposition of letters or sounds in a word, or series of words, is metathesis, but the more familiar designation is "Spoonerism." The Rev. A. W. Spooner, Warden of New College, Oxford, achieved this dubious claim to fame when he announced to his congregation: "Let us now sing the hymn 'Kinquering congs' there titles take." Another time he caused a mild commotion in the church by demanding: "Is this pie occupewed?" A radio announcer created two classics of his own when he referred to New Guinea jungles instead of New Guinea jungles, and topped it with a slote flulo for flute solo, Emily Wedge of Baltimore's famous Enoch Pratt Library quotes a gentleman who declared, "My wife says I have had tee many martoonis, but I am not so much under the affluence of incohol as some pinkle theep. I mean thinkle peep."

Pointer of Interest

MRS. HENRY BOURNE JOY OF LAKE SHORE ROAD -Photo by Fred Runnells

By Kitty Carney

Mrs. Henry Bourne Joy is undoubtedly one of the most amazing persons in Grosse Pointe. Her unselfish interest and participation in 75 or more organizations of civic, cultural and national worth is sufficient to arouse respect. Her gracious manner and wonderful vitality have endeared her to thousands, at home and across the country.

"I inherited many of the jobs from my Mother," Mrs. Joy reminisces. Among these were her interest in Woman's Hospital and Thompson Home for Old Ladies. She is vice-president of the board for the Home.

Mrs. Joy was married in October of 1892. Returning home in December, she went on the Woman's Hospital board and has been active on it in the intervening 56 years. Probably her attraction to nursing is responsible for this work and her association with four other hospital boards.

Need for Hospital The Pointe's Cottage Hospital (of which Mrs. Joy is a trustee) was an outgrowth of World War I's flu epidemic. "I remember perfectly well," she recalls. "How Baroness von Kettler and I (as Red Cross nurse's aides) used to go in my little electric in the morning to visit flu-stricken homes... The neighbors were afraid of the deadly flu and we took care of the mothers and babies."

Inadequate hospital facilities during the epidemic made Mrs. Joy and others realize the need of a local hospital and led, eventually, to erection of the present structure.

Red Cross, with which Mrs. Joy has been actively associated for 46 years, is at the top of her list. She is an executive director of the Detroit Chapter. She served as a Gray Lady during World War II, and devoted much of her time to the Blood Bank.

Neighborhood Club One of the original founders of Neighborhood Club, Mrs. Joy was the only founder at the 1949 annual meeting. The purpose, which it has achieved through the years, was to furnish a community center where Grosse Pointe people could meet for interesting classes and amusements. In her own words, Mrs. Joy belongs to "quite a good many patriotic organizations." Why? Because she is interested in patriotic education, and these groups support national defense programs and strive to overcome subversive groups and propaganda.

System of Files How does Mrs. Joy manage to serve so many organizations so well? The rows of files in the large office of her home indicate a portion of the work which occupies her and her busy secretary. She rises early each day with every minute of that day planned carefully. Despite her busy schedule, Mrs. Joy likes to reminisce about earlier days when Grosse Pointe was such a distance from Detroit that the Pointe residences were

only summer homes... about the Sunday night sings when she spent the summers there as a child... about teaching Sunday night sings, gagging and abnegating school at Jefferson Avenue Presbyterian Church before the days of Grosse Pointe Memorial.

Also Loves Sports Side by side with her devotion to cultural and club work, Mrs. Joy has always loved swimming, skating, horseback riding and was among the first women to take up golf.

The vitality of this gracious lady and her zest for living are typified in the inscription which she read on a Cecil Rhodes statue during a world tour some years ago. "There is so much work to be done and so little time in which to do it."

WIN CULVER LETTERS Raymond J. Luax of 764 Lincoln Road and Newell B. Wallace, Jr. of 1033 Kensington were awarded their varsity swimming monograms by the Culver Military Academy.

ROLLS

Contributed by Mrs. Henry A. Bokram

- 1 cake compressed yeast
1/4 c. lukewarm water
2 tsp. salt
1/2 c. sugar
1/4 c. shortening (preferably chicken or pork chop drippings)
1 c. warm milk
2 eggs

approximately 4 c. sifted flour. Mix in order given. Place dough in well greased bowl and let rise warmed until double in bulk.

Then, cut in butter horns or any shape desired. CINNAMON ROLLS Roll out dough and divide in two parts. Spread with butter, cinnamon and sugar. Roll dough up like a jelly roll and cut into one-inch slices. Place in pans, in oven that has been slightly the bottoms of which have been well buttered, sugared, and sprinkled with pecans.

Bake for 30 minutes at 350 degrees. Remove from pans at once.

The thrill of a Parisian bonnet is as close to lucky Pointers as WALTER PIERCE is to the City Club. Custom chapeaux are made to order by WALTER PIERCE after the most distinguished French models. Dropping by to watch the fortunate ones carry off prized toppers at Walton Pierce, we saw a striking Hattie Carnegie navy straw to be worn swished over one ear, while curling feathers followed the same lines on the same side of the hat. A Dior model glimpsed was a perky sailor of imported plaid surah silk with bright navy band (plaid had daffodil yellow background) and two t-a-l-l bright navy feathers at one side. Still another tres gal Carnegie was citron colored shantung, rolled brim poke with wings in front on either side, veiled of course. Many of the Paris prints this year have velvet trim so Walton Pierce creates simple but unbelievably flattering classic black straws brimming in velvet for wear with the frocks. The toque is coming back, too, especially for cocktail and dinner year. One love had small purple violets and mauve lilacs covering a small bonnet. The long flowing veil tied under the chin in an enormous bow. Tubing straw bows at Walton Pierce this Spring (you haven't seen it for m-a-n-y years) and is fashioned into natty sailor hats. Last but not least, we learned that black hats are NOT being worn GROSSE POINTE BRANCH, advise mauve, pale pink and blue for wear with plain dark dresses.

With all this chatter of Spring bonnets, we cast a knowing eye on the smart parade headed toward ANTHONY'S SALON these days. The fashion wise know so surely that the bonnet is smart as the coiffure beneath it, for the unshaped and unruly locks can ruin the way a chapeau nestles on your pretty head. Ten Pointers nationally-noticed-for-their-chie, keep salon appointments twice a week. The consistent "rave notices" about their looks on the society pages and in the fashion magazines certainly make it well worth it!

Just the other day we sat in on an Admiration Society meeting of well known women who were praising the blossoms from DE PETRIS at the Pointe. It's fun to get flowers from a florist who prides himself on the freshness and perfection of each blossom that leaves his shop and this is the reputation of De Petris. The Easter flowers are just beginning to arrive and they're breathtakingly beautiful! Lilies, carnations, azaleas and all kinds of Spring poses. In the plants that give home an Easter dress, there are regal lilies, tulips, hydrangeas, lilies of the valley (pips of which are imported from Germany).

The young mawster comes into his own at JACOBSON'S these days. If he's sized two to six you'll adore the new Spring collection. Three piece corded cotton suits for the tinner fellow have white blouses, short sleeved with convertible collars. Eton jackets and short belted pants in vertical stripes complete the outfit. The Eton jacket has two patch pockets (which Heil love) and is trimmed in three bone buttons. Jacket and trousers come in blue and white stripes or brown and white stripes. These combinations are also available in sun suits, boxer shorts and boxer longies. The boxer longies have back hip pockets and two side pockets, real wealth! An outfit that made this department wash it were a little boy again was a four piece cotton knit suit - boxer shorts T shirt and anklets in pearl gray striped in green. This outfit also comes in brown, navy or maroon with contrasting stripes.
