Lake Shore Landmark Escapes Destruction by Fire

Battle Blaze In Landmark On Lakefront

Residence of Mrs. Hugo Scherer Suffers Damage In Attic Fire

A fire, believed to have started in faulty wiring in the third floor, did damage estimated at \$12,000 to the residence of Mrs. Hugo Scherer at 205 Lake Shore road Monday afternoon. Firemen from both the Farms and City battled the stubborn blaze for more than three hours. The structure, located at the foot of Moran road is one of the best known along the lakefront, because of its many tall white pillars.

Only Hydrant Pressure The roof was ablaze in several places when the Farms equipment arrived on the scene. A hose was hooked up to the hydrant located in the center of the front lawn of the adjoining property. Because of the location of the hydrant it was impossible to hook up a pumper to the line and the Farms firemen were handicapped by a pressure so low that it would not reach to the second floor of the residence.

Get Pumper Working While they were getting ladders rigged to carry the hose to the blaze the City equipment arrived. A line with pumper attached was brought in from a hydrant located in Moran road near Grosse Pointe boulevard and this hose had sufficient pressure to do some good. A third small house line was also used in fighting the blaze.

Mrs. Scherer, who was home at the time the blaze was discovered, directed the fire fighters from a vantage point on the lawn. The fire equipment had Moran road blocked from the

Pooches and Young Owners To Strut Stuff in Second Annual Pointe Mutt Show

Gray's Sport Shop and News Collaborating to Make Event Scheduled for May 9 Better Than Last Year's Sensational Success

Plans are shaping up rapidly for the second annual Mutt Show, jointly staged by Roland Gray's Sport Shop and the Grosse Pointe News. Weather permitting, the event which attracted nearly 100 entries last year, will be held starting at 10 a. m. on Saturday, May 9. If rain intrudes, the show will be held at the same hour on Sunday, May 10.

Breeding Doesn't Count This is the dog show in which breeding does not count. Any kid's pet has a chance to walk away with a prize. There are classes for the best-groomed dogs, the largest dog and the smallest dog, the one closest to the ground, the pooch with the longest tail and the one with the shortest trailing appendage. There will be two prizes for the best-groomed class, one going to the big dog that looks the smartest and the other to the tiniest fellow who shows his master or mistress have given him the best beauty shop treatment.

Purvis to Talk Dr. J. H. Purvis, well known Pointe veterinarian, will give an introductory talk. Joseph V. McQuillen, who has been one of the prime movers in the obedience class which has been conducted at Grosse Pointe High for dogs and their owners, has promised to have some of the "outstanding graduates" of this class on hand for an exhibition.

Hoyt Chief Judge Farms Chief of Police, Walter (Tex) Hoyt has agreed to take on the "chores" of chief judge once again. He will be remembered for his outstanding work at last year's event. Other judges will be City Police Chief Tom Trombly, and Mark K. Edgar of the News

Committee Edward H. (Ned) Jewett, Paul Ameal, Roy D. Chapin, Jr., Carlton (Bud) Higbie, Wendell W. Anderson, Jr., John C. Chapin, William C. Ford, Ralph Dye, Alexander (Sandy) Wlener, James Armitage, Art Muller, George Niermel, Douglas McClure, Lansing Pittman, Daniel Simmons, Mr. and Mrs. Forbes Howard.

Entries Increased Because many youngsters were disappointed last year by failing to get their pets entered before the limit of 100 was reached, the show will be open to 125 entries this year. The first come, first served. Entries are being accepted at Gray's Sport Shop at 106 Kercheval avenue, across the street from the News office.

CAR AERIAL STOLEN A radio aerial was stolen from a car owned by Stanley B. Ainsley of 178 Muir road, while it was parked in Manor road south of Mack on the night of April 7.

Fighting Pheasants Exhibit Universal Urge of Spring

This is the season when we all refer to the "Young Man's Fancy," which lightly turns to thoughts of love. Some even will recall the deeper crimson on the robin's breast, the wanton waxing with his brand new crest and the livelier iris on the burnished dove.

It was the good fortune of residents along Bishop road last Monday morning however to observe how this spring fever has penetrated the ranks of the wild birds.

Two magnificent cock pheasants were deciding the favors of their lady loves right in the middle of the road near No. 1008.

Sleepy Driver Draws Audience

A resident of the 900 block of University place, phoned the police at 9:30 p. m. on April 5 that a man was slumped over the wheel of his car. The informer believed it was either a case of heart failure or too much drink.

On investigation the police found it was neither heart nor drink. The driver had just become so sleepy driving that he decided it the part of wisdom to catch a little cat nap before driving farther.

Parking Lot Real Mecca For Looters

Police Find Veritable Storehouse of Car Accessories After Arresting Youths

The biggest private parking lot in the state, which the Woods Theater people told the Woods Council they would build at the time negotiations were in progress for the permission for the development, is proving a mecca for car despoilers from far and wide.

On April 6 at 11:50 p. m. the Woods police picked up two boys, aged 16 and 18, whom they caught in the act of molesting cars on the lot.

Full of Loot At 5:15 a. m. on April 9, the police saw a car cruising around at Hampton and Marter, and halted it for investigation. It was well filled with the usual miscellany of car accessories. Three boys were in this car.

The two boys picked up on the lot were from St. Clair Shores, while the trio captured three days later, were all from Detroit.

Of all the four gangs that have been arrested thus far for car stripping on the lot, Chief Walter Goulette of the Woods says not any have proved to be local boys.

Implicate Pal The three picked up at Hampton and Marter were Noah Hart, 19, of 8222 Orchard, Van Dyke village, and James Davenport, aged 19 of the same address.

The third was William Stammel, aged 20, of 8107 Rivard, Base Line.

These boys, under a sweating process, implicated another boy, Henry Kuties, of 6008 Helen, Detroit.

Taking the three boys along, the police went to the Detroit Seventh Precinct and with a couple of officers from that station called at Kuties' home.

Spilled Gasoline Cause of Scare

Stores and residences on the north side of Jefferson between St. Clair and Cadieux complained on April 8 of a strong odor of gasoline.

When the highway crew investigated, they learned that an employe of the Grosse Pointe Garage had upset a drum of gasoline, and about nine gallons of it had escaped.

The small fire truck was sent around to flush out the sewer and the odor quickly subsided.

AIR GUN CONFISCATED Farms police confiscated a BB gun being shot in the Pine Woods on April 6 by Sig Wendin of 291 Cloverly road.

Plan Memorial Day Exercises at New Lake Shore Center

Directors Approve Recommendations For Revamping Organization Which Will Operate Community Project; General Meeting Set For May 2

Substantial progress towards the opening of Alger House as Grosse Pointe's War Memorial Community Center was made at a meeting of the board of directors of the Grosse Pointe Memorial Library Fund, held last Thursday night, in the Neighborhood Club.

A Memorial Day program honoring the dead of World War II is expected to be the first event to be held at the Memorial Center. Plans have been made to have the building cleaned and open by that time so the public may inspect it. Necessary decorations, alterations and furnishing are expected to start immediately after.

Reorganization Required With the acceptance of Alger House by the War Memorial Fund, a reorganization of the entire memorial movement was made necessary. Much of this work has been undertaken by the Committee of Fifteen and Thursday night's meeting was largely concerned with recommendations presented by Renville Wheat, attorney, in the form of proposed changes and amendments to the Articles of Incorporation and the existing by-laws.

James K. Watkins, vice-chairman of the Fund, presided in the absence of Chairman Alger Sheldon, who is vacationing in California. Mr. Watkins made it clear that whatever action the directors took on the proposed changes must be approved by the general membership of the organization, at a meeting set for May 2 in the Neighborhood Club.

Would Reduce Board The directors, through their action on Thursday night, recommended that the present board of 59 members be reduced to 15, with five required for a quorum. This smaller body would be the group that would be charged with the operation of Alger House as a War Memorial Center.

It was also recommended that the directors be empowered to create an advisory committee of 35 if they so desire.

The name of the organization would be changed to Grosse Pointe War Memorial Association and the official address would be changed from the Board of Education building in St. Clair avenue to the new center in Lake Shore road.

The term of the association would be changed from 30 years to perpetuity.

Young Burglars Put on Probation

Two youths who stole cash and merchandise from the Wayburn Drug Store at 15000 Mack avenue on July 28, 1947 and from the Aloma Theater on August 3, 1947, have been placed on probation until they are 19, and ordered to make full restitution to the owners. Both boys are now 17 each.

The theft from the drug store totaled \$154.94 and from the theater, \$40. A juvenile who also figured in the robberies has been left under the juvenile court division supervision.

Health Department to Hold Foodhandlers' X-Ray Drive

The Grosse Pointe Township Health Department has again obtained the services of chest x-ray equipment, operated by the Wayne County and State Department of Health, Dr. Thomas S. Davies, Township health officer has announced. The mobile x-ray trailer will be at the High School April 2 and 22 for x-raying students and the staff. On April 25 it will be located at the Municipal Building in the Park for x-raying foodhandlers.

This equipment which last year x-rayed nearly 10,000 Pointe residents, discovered many hidden abnormalities, Dr. Davies indicated. The program will again be sponsored by the above named agencies in cooperation with the Tuberculosis and Health Society and the Wayne County Medical Society.

"As we will not be able to give chest x-rays to the whole community again this year," Dr. Davies said, "we shall concentrate our efforts on special groups such as high school students, teachers and other board of education employes, and foodhandlers."

In stressing the importance of annual chest x-ray examinations for food handlers, Dr. Davies pointed out that Detroit requires a chest x-ray before issuing a food handler's certificate.

The nurses from the Grosse Pointe Health Department will soon be making calls on all food-handling establishments, Dr. Davies announced. They will leave food handlers' x-ray cards. All managers of these local establishments are urged to insure 100% participation by their employes.

School Board Planning to Issue Bonds

Taxpayers' Approval to Be Sought at Special Election May 9

A special school election on Monday, May 9 was called by the Grosse Pointe Board of Education in a formal resolution adopted at its regular meeting on April 6. Two propositions are to be voted upon. The first of these would, if approved, authorize the Board of Education to issue bonds up to a maximum total of \$4,000,000 for the purpose of completing the Parcels Junior High School and the New Kerby Elementary School, and building three additional elementary schools in the area north of Kerby road.

The Board of Education announced in a statement issued on April 8 that it will also use a portion of the proceeds of the bond issue, if authorized, to improve physical education facilities at the Grosse Pointe High School.

Would Boost Limit The second proposition to be acted upon by school electors is a proposed increase in the limitation on the total amount of taxes which may be assessed by the Board of Education during the period 1949-1968. The proposed increase would be from \$2.00 on each \$1,000 of assessed valuation over the present authorization. Beginning in 1951, when the present 3 1/2 mill Building and Site Fund authorization expires, the Board requests authorization to substitute a 4 1/2 mill levy for the purpose of providing a Debt Retirement Fund to pay off the bonds.

The proposed increase would be approved by the Board of Education on May 9. The requested excess millage authorization would run until 1968 unless all bonds are retired at an earlier date in which case the millage levy would cease.

PTA Endorses Plan Unanimous endorsement of both propositions was voted by the Grosse Pointe Council of Parent Teacher Associations in a special meeting held in the High School Library on Friday, April 8. Frederick Besmer, recently elected President of the Council, presided at the meeting. Plans were discussed for informing the voters in the school district of the need for the proposed program of school building construction. Special efforts will be made to insure that new residents of Grosse Pointe are registered and qualified to vote in May 19 election.

Outlines Program A statement issued by the Board of Education lists the new school construction which the School District proposes to undertake if the voters approve both propositions in the special election.

The first two projects involve completion of the Parcels Junior High School and the New Kerby Elementary School, first units of which have been built with funds voted by the people in March 1946. Greatly increased building costs made it impossible to complete these two buildings with the money made available from the 3 1/2 mill Building and Site Levy.

New Schools Planned The Board of Education has employed the architectural firm of O'Dell, Hewlett and Luckenbach to prepare preliminary sketches for a 600 pupil elementary school which will be erected at the earliest possible date on a 10 acre site on Cook Road recently acquired by the School District, if voters approve the bond issue and millage increase.

A second new elementary school will be erected on a site in the Grafton Township portion of the school district if funds are made available. Lane, Davenport and Meyer, an architectural firm which specializes in school building design, has been commissioned to prepare preliminary sketches for this new elementary school which would have a capacity of 350 to 400 children in the projected first unit.

Would Replace Vernier A new elementary school to replace the outgrown and otherwise inadequate Vernier School is proposed for construction on a site on Roslyn road which has been owned by the School District for many years.

Schools

(Continued from Page 1) School authorities estimate a need for 50 additional elementary classrooms in the area north of Moran Road in order to care for the 2800 children which the expected in Grades Kindergarten through Six by 1953-54. This estimate is based upon careful study of school census data, building permit data, and school records of mounting enrollments in the northern half of the school district in the past 15 years. The Board of Education points to the fact that only 12 elementary classrooms have been completed in the area north of Moran Road in the last 18 years during which time the school and general population has increased at a very rapid rate. The Mason Elementary School District alone will have a pupil enrollment of over 1200 children this coming September, according to school officials.

Must Register

Residents of the school district who are not registered for school elections may do so in any public school office or in the Board of Education offices at 399 St. Clair during regular office hours any day between now and Saturday, May 7. Special registration opportunities are also available in elementary school buildings from 3:00 p.m. to 9:00 p.m. on Saturday, April 23 and again on Saturday, April 30.

Only owners of taxable real estate in the Grosse Pointe school district may vote on the proposed bond issue. All qualified, registered voters may vote on the proposed excess millage propositions.

Memorial

(Continued from Page 1) The chairman was authorized to name a nominating committee to produce a list of candidates for the May 2 meeting.

Start Cleaning Grounds In view of the necessity for taking immediate action towards getting the property ready for the Memorial Day exercises, the present directors voted to go ahead with having the grounds cleaned up and put in shape. They also approved the moving of the temporary memorial shrine, now located at Kercheval avenue and Fisher road, to the grounds of the Center.

Steps will be taken to have permanent records of those who served and died installed in the Center, but until this can be accomplished, it was felt it would be better to move the whole shrine edifice to the property than to merely transfer the plastic names.

Would Make Summer House It was pointed out that the shrine is a replica of a Sir Christopher Wren summer house, and it would be in keeping with the property to convert it to a summer house after the permanent names have been installed in the main building at the Center.

Car Looters

(Continued from Page 1) Collection Depot This proved to be a veritable collection depot for stolen car accessories, as well as a wide variety of other merchandise.

The boys denied turning this stuff over to a fence and Kuties acknowledged that he was peddling it at retail, where he could find a customer.

The Chief said that out of this store a young couple could do a fair job of setting up housekeeping, from washing machine to electric iron. There was even an accordion for the musically inclined.

Mainly from Cars

Most of the stuff however was auto accessories, such as radios, mirrors, fender skirts, hub caps, tires and what not.

The boys were turned over to the Detroit police, Seventh Precinct.

Grosse Pointers who have suffered thefts in the parking lot can view the loot by contacting the Detroit police.

Moving Day Entails Major Maneuver

One way of solving the housing shortage was found by John I. Llewellyn, when he bought the house pictured and moved it from the back of Henry Ford II's Lake Shore road estate to 303 Ridgemont at a cost of approximately \$2,500.00. The moving operation caused much activity among the youngsters who live along the route which the house traveled April 6. Detroit Edison employees were on the job from start to finish to temporarily move wires which got in the way. The house moving concern is going to have to make some repairs to broken curbing and walks at Kercheval and Moross and Moross and Piche. It has promised to post a bond to take care of the damages.

101st Annual Meeting Held By Board of G. P. Township

Dr. Thomas Davies Re-elected Health Commissioner; Farms Asks That Health Service Be Continued; Meeting Time Changed

The Board of Grosse Pointe Township held its 101st annual organization meeting on Monday evening, April 11, in the Township offices in the Park Municipal Building.

Dr. Thomas S. Davies was re-elected Township Health Officer for the ensuing year and Julius L. Berns was re-elected Attorney. Don Goodrow was re-elected Township Clerk at the general election on April 4.

The township Board has changed the time of its meetings from daytime to night to provide more time for the consideration of business.

The meetings will be held twice a month on the second and fourth Mondays at 7:30 p.m.

A communication was read from the Farms stating it was the village's wish that Dr. Davies shall continue as village Health officer. When the Farms is finally definitely set up as a city it will compensate the township for his services in the same manner

as the City of Grosse Pointe has done for many years.

Quizzed by Letter

As soon as the Farms had voted in favor of a city charter, thereby withdrawing from the township automatically and no longer having claim on its services, the Township Board addressed a letter to the Board of Trustees stating it was necessary to know whether or not the Farms would desire to continue Dr. Davies' services, as a guide in setting up the township budget for the year. The letter was the answer to this query.

Attorney Berns was instructed to draw up a contract between the Farms and Township covering the agreement.

Exhibition of Masterpieces Set for April 23 to May 22

A small but highly selective exhibition of masterpieces of painting from the private collections of Detroit opens at the Detroit Institute of Arts on April 23 and will run through May 22. The purpose of the exhibition is to focus attention on the wealth of first-rate works of art which exist under private ownership in the city and to bring before the public, on the heels of the vastly successful exhibition held in Detroit last autumn of masterpieces from the Berlin museums, a more abbreviated selection of paintings, but of equally high quality, covering roughly the same periods and schools and by many of the same artists who were represented in the earlier show.

There will be works of the Italians, Botticelli, Guardi, Carravaggio, Pannini; and the painters of the Netherlands, Rogier van der Weyden, Hals, Hobbema, and Rubens. Such remarkable painters as Gobboli, Chirlandolo, Veronese, Murillo, Cuyt, Van Dyck, Degas, and Renoir, who were not found in the Berlin showing are now seen to best advantage in a representation of illustrious works.

Although only 36 paintings are included, compared to 96 in the Berlin show, the current exhibition is relatively richer than that of last autumn in the painting of the English 18th and the French 19th centuries, two fields in which Detroit collections are unusually abundant. A number of the paintings now shown have not previously been exhibited in public within our generation. Others have been acquired by Detroit collectors, notably Matisse's celebrated oil, entitled "Coffee," painted just before the first World War and originally in the collection of Mr. Stephen C. Clark and the Museum of Modern Art in New York, and the beautiful Rogier van der Weyden "Virgin and Child". The exhibition thus affords an ideal opportunity to study many exceedingly distinguished paintings which, because of the circumstance of their ownership, are not generally well-known to the public and the enjoyment of which the lenders have been most generous in sharing, by their participation in this exhibition, with visitors who will attend this most important and singular occasion.

The paintings for the present exhibition were by no means selected to represent all the private collections in Detroit, but rather to indicate by a cross-section the multitude of fine works of art in local possession and to offer a concise and, so to speak, bird's-eye survey of the range and development of painting of the chief European and American schools and periods from the 15th through the 20th centuries. By several of the artists such as Gainsborough, Hals, Hobbema, Hoppner, Romney, and Van Dyck, more than one work has been contributed not only to illustrate various phases of their evolution but because, in each case, many superlative examples by these preeminent painters belong to Detroit collectors.

The exhibition is also the happy occasion to announce the donation to the permanent collection of the museum two of the paintings included herein. One is the "Young Lady Seated in a Wood", by John Hoppner, as the generous gift of Mr. and Mrs. Alfred J. Fisher, an early masterpiece of the artist, painted between 1780 and 1790, and showing the most appealing fashion of children. The other equally welcome gift is the "Laughing Boy" by Frans Hals, presented by Mr. and Mrs. William A. Fisher. This droll and delightful picture must surely be one of the best studies of a mischievous child, no doubt a member of the artist's own family, that has ever been painted. At the close of the exhibition, these two distinguished acquisitions will take their appropriate places in the galleries of the museum and will certainly prove to be among the most popular works of art in the permanent collection.

Woods Residents Oppose Building

Residents living near the municipally-owned property on Marter road, were present at the Woods council meeting on April 5 to protest against the erection of a building 30 x 40 to be used for the storage of equipment by the highway department.

The Superintendent of Highways had intended to present his request for such a building and the nearby residents' learning of the contemplated action, came to the meeting armed with a petition protesting against it. They claimed it would depreciate the value of their residential property.

Council postponed action, pending a further examination of the project and the property owners' objection.

Garden Club Members Meet in Johnson Home

Members of the Grosse Pointe Garden Club met April 11 in the home of Mrs. Verne Johnson of Pemberton road.

Mrs. Glenn D. Curtis showed pictures of tropical flowers in Hawaii, which she and her husband took on their recent trip.

and Mrs. Edgar B. Whitcomb and several who have asked to remain anonymous.

Fairfield Osborn To Talk April 19

The conservation committee of the Garden Club of Michigan is sponsoring an invitational lecture by Fairfield Osborn on Tuesday evening, April 19, at 8:30 o'clock in the Pierce Junior High School auditorium.

Mr. Osborn, author of the Book-of-the-Month selection, "Our Plundered Planet," is also president of the Conservation Foundation and president of the New York Zoological Society. He will discuss man's destruction of life-supporting forces. Free tickets may be obtained from Mrs. Nell McMillan of Hillcrest road.

When the Garden Club of America holds its annual convention April 25 to 30, Mrs. Lynn McNaughton, Mrs. Allan Sheldon, Mrs. James McMillan, Mrs. John N. Lord, Mrs. Howard F. Smith, Mrs. Julian P. Bowen, Mrs. Joseph B. Schlotman, Mrs. Alger Sheldon and Mrs. Henry B. Joy, Jr., will attend. The progressive meetings will be held in Asheville, Knoxville, Chattanooga and Nashville, Tenn.

League to Give Play Saturday

With the performance at Pierce auditorium on Saturday of "Dick Whittington and his Remarkable Cat," the number of children to have seen this production of the Junior League Children's Theatre will pass the 2,000 mark. Already the group has trouped this play to two Detroit schools, with some half dozen more on the calendar.

Last fall's schedule set a mark to shoot for, when a total of 12,000 school children saw the League's production of "Rumpelstiltskin." Unlike this familiar fairy tale, the present play is a more realistic presentation of the well-known legend of the scullery boy who became mayor of London. The production is scheduled for Saturday, April 16, at Pierce Junior High School at 10:30 o'clock in the morning and 3 o'clock in the afternoon.

The morning production will star Mrs. William Herbert and Miss Elisabeth Robb as hero and villainess respectively, while in the afternoon performance these roles will be played by Mrs.

Charles Johnson and Mrs. Geiger Smith. General chairman for the group is Mrs. George T. Hall, while the play is being directed by Mrs. Louis Bambas.

Thief Returns Stolen Camera

A conscience stricken thief or a practical joker returned a \$100 camera which was reported as having been stolen from a desk in Grosse Pointe High School on April 5.

The camera is the property of Raimo Suontakanen of 180 Cloverly road. He said he left it on his desk in Room 206 and when he returned to the room it was gone.

Two days later Assistant Principal Charles Saltzer notified the Farms police that the camera had been returned to his, (Saltzer's), desk and had been restored to its owner.

'18th Century England' Seen In Exhibit at Country Day

Detroit University School and Grosse Pointe Country Day School have arranged a showing of the unique "Life" magazine showing "18th Century England," beginning April 7 and continuing through April 18. The exhibit is being shown at Country Day School this week, and at D. U. S. next week.

"18th Century England" is based on the article by that name which appeared in "Life's" History of Western Culture series. Much unpublished material has been added to the exhibition however

and the result is a colorful panorama of that age of contrasts. England of the 18th Century saw daily life turned into an "art" of great elegance, and at the same time saw the drab beginning of the age of industrialism. It calls to mind not only the gentlemanly precepts of Lord Chesterfield and the stables of country houses but also the ferment and squalor of London where a tenth of England's population lived.

From the distance of the 20th Century perhaps the heart of 18th Century England appears to have been that little section of London that is still dominated by the dome of St. Paul's Cathedral. Here lived and wrote Dr. Johnson, Alexander Pope, Dean Swift, Defoe and Field Sterne and Goldsmith and Sheridan. Here Chipendale, Hepplewhite and Sheraton designed their elegant architectural interiors; Hogarth and Rowlandson trained their ironic artist's eye; Reynolds and Gainsborough painted their noble portraits and intriguing landscapes; and Garrick and Mrs. Siddons ruled the world of theater. And here, at the center of imperial trade, Kings and Parliament directed the expanding powers of nation and empire.

"18th Century England" touches on all these subjects and includes some 50 pictures—reproductions of photography, paintings, drawings, and water-colors, some of which are in color. The exhibition and accompanying text were organized under the direction of Miss Margaret Scherer of the Department of Education, Metropolitan Museum of Art.

ATHLETE ROBBED

Charles L. Pollock of 23105 Elaine, St. Clair Shores, reported to the police at 10:20 p. m. on April 6 that he had been playing basketball in the Neighborhood Club and when he went to dress after the game he missed a wallet which he had left in a canvas zipper bag. The wallet contained \$29.

Ghesquiere Raps Buying Methods

The Woods council meeting on April 5 was the organization meeting of the new council for the coming year.

President A. A. Ghesquiere announced the new committees for the year as follows:

Police and Fire Committee, Paul W. Rowe, chairman; Park and Recreation Committee, Rex Johnston, chairman; Water and Sewer Committee, George Gardner, chairman; Building and Zoning Committee, Howard Wolff, chairman; Finance and Pension Committee, Leon Ratchiff, chairman.

President Ghesquiere spoke pointedly on the practice that has grown up among chairmen of committees, to often order the purchase of supplies and other articles, (where they know such are already provided for in the budget), without referring the matter to the Council for previous approval.

He said he desired that this practice be stopped. He asked that all contemplated purchases be first referred to a general meeting of the village council for approval.

A. C. Templeton Taken by Death

Alexander C. Templeton, of 1424 Bishop road, died in his home at 12:30 p. m. on Monday, April 11 after a protracted illness.

Mr. Templeton was born in Green Bay, Wisconsin 72 years ago and had been a resident of the Detroit area for 20 years, six of which were spent in Grosse Pointe.

He is survived by his wife, Alfa M. and three sons, Clarke A., Marshall E. and Theodore M., all of Detroit. He is also survived by a brother, Allen A. of Detroit and two sisters, Mrs. Robert L. Hatcher, of Chicago and Mrs. Frank Taylor, of New York City.

Mr. Templeton was identified with the auto parts manufacturing business.

The funeral services were held on Wednesday, April 13 at 1 p. m. in the Verheyden Funeral Home and burial was in the Acacia Park Masonic cemetery in Oakland county.

Churches Plan Special Service

The Grosse Pointe Ministerial Association in cooperation with other members of the Detroit Council of Churches in this area, is sponsoring a Community Good Friday service in the Woods Theater, Mack at Moross, from 1 till 2:30 p. m.

The speaker for this service will be Bishop Marshall R. Reed, Bishop of the Detroit Area of the Methodist Church. Bishop Reed served many pastorates in Detroit and is well known in local church circles.

The music will be supplied by the combined choirs of the cooperating churches which include the Grace Evangelical and Reformed Church, the Grosse Pointe Congregational Church, the Grosse Pointe Methodist Church, the Grosse Pointe Woods Presbyterian Church, the Redeemer Methodist Church, the Immanuel Evangelical and United Brethren Church, the Christ Methodist Church, the Hereford Avenue Evangelical and United Brethren Church, the Grosse Pointe Unitarian Church and the Faith Community Reformed Church.

Previous to the service, Miss Charlotte Jones, musical director of the Grace Evangelical and Reformed Church will play an organ recital.

The Rev. Hugh C. White,

pastor of the Grosse Pointe Methodist Church, is chairman of the arrangements committee for this year.

Society News Gathered from All of the Pointes

Short and to the Pointe

From Another Pointe of View

by Jane Schermerhorn

Grosse Pointe has a select family of adopted sons and daughters . . . and to this group surely belong the popular Stephen Royces of Pasadena, Calif., who spent a very Eastern week-end here . . .

They spiked the pre-Easter social tempo when they arrived Saturday, along with Mr. and Mrs. J. Allen Morphy to be houseguests of Mr. and Mrs. Harley G. Higbie of Lake Shore road . . .

As far as we can figure . . . a constant series of visits is exchanged between the Higbie and Royce families . . . for Mrs. H. just recently returned from a wonderful time with the R's out there on the coast . . .

Also with the visitors was Dan Royce, Hamilton College student . . . who made it a threesome with Higbie young men . . . Harley, Jr., and Hugo (the latter celebrated a birthday Sunday) . . .

Parties Galore

Eager hostesses started calling the Higbie home the moment the news was out about the visitors . . .

And that their days here were invited you to glance at their whirl:

Saturday evening . . . John Scripps Sweeney was host at a dinner party for the out-of-towners . . .

On Sunday . . . Mr. and Mrs. Theodore De Long Buhl of Ridge road were hosts at a luncheon . . . and later in the day Mr. and Mrs. Addison Holton gave a supper party in their Bishop road digs . . .

Motoring Back West

Monday evening was a full flavored Pointe evening . . . There were cocktails at the Seabourn R. Livingstones on Lake Shore . . .

Mr. and Mrs. Higbie feted their guests at a dinner party at the Country Club . . .

A nice pace in traveling was affected by the Californians . . . who arrived in the Pointe by all manner of transportation (Mr. Royce flying in nothing flat from California) . . . They motored back West . . . leaving Wednesday . . .

Skaters' Holiday

Mr. and Mrs. A. M. Lomax are probably cutting some mighty fancy figures on the ice out there in Colorado Springs.

Where they went to attend the National Figure Skating Championships at Broadmoor Ice Palace . . .

When they left their Maumee road home last week . . . their luggage was complete with their own skating costumes . . . for both are skating fans . . .

Traveling with them is Miss Beatrice Wurzer of Indian Village Manor . . .

Veddy White Gloves

The Eastern touch will be very evident at Miss Annie Ward Foster's May party in Crystal Ballroom of Masonic Temple come May 20 . . .

All the May belles . . . from Queen Buffy Wicking, who leads the Grand March, right down to the tiniest tot . . . will wear white gloves!

Dawn Osius Married To Herbert V. Book, Jr.

Reception At Home of Bride's Parents Follows Ceremony in Memorial Church; Young Couple Honeymooning in Nassau

Mr. and Mrs. Herbert V. Book, Jr. are honeymooning in Nassau after their wedding on Saturday in Grosse Pointe Memorial Church. A reception at the Washington road home of the bride's parents, Mr. and Mrs. Theodore G. Osius, followed the 4 o'clock ceremony.

Dawn Osius chose a satin gown of La France shadow blue satin fashioned on medieval lines. The drop shoulder bodice had a deeply pleated low collar, French val lace edged the neckline and the long pointed sleeves, and the skirt extended into a long train.

A coronet held Dawn's heirloom rose point lace veil and she carried a formal arrangement of stephanotis, gardenias and pale blue forget-me-nots.

Martha McClintock was honor maid, and Carolyn Taylor, Diane Dwyer, Sally Potter, Nancy Hughes and Peggy Duffy, of Guilford, Conn., were bridesmaids. The six attendants wore identical frocks of white Swiss eyelet, the full skirts worn over flapsburg blue taffeta petticoats. Their broad, brimmed hats of Swiss organdy were touched with blue.

Martha carried a bouquet of blue delphinium and white daisy centered with blue iris. The bridesmaids' bouquets were clusters of blue delphinium and white daisies.

Everard Book was best man for his brother. They are the sons of Mr. and Mrs. Herbert V. Book of Meadow lane. Ushers were David G. Wormer, Theodore G. Osius, Jr., Julian P. Bowen, Jr., Theodore Ewald, Richard McKinley, Ted Templeton and J. Bell Moran, Jr.

Mrs. Osius greeted guests in an angle length gown of beige taffeta, with which she wore matching taffeta gloves and veiled maline hat. A cluster of shattered white carnations was pinned to her beige bag.

Mrs. Book chose a gray lace and chiffon gown, blue satin hat with contrasting veiling and a corsage of bronze blue iris.

A gray-beige three piece gabardine suit was the new Mrs. Book's choice for traveling. Green veiling trimmed her matching straw hat and her accessories were green.

A meeting of the committee for the Garden Pilgrimages conducted by the Detroit Garden Center was held Tuesday, April 12, at the Women's City Club to discuss plans for the pilgrimages which will take place in Detroit and the outlying suburbs between May 21 and June 12.

Alger House Governors

Good progress was made at the meeting of the directors of the Grosse Pointe War Memorial Library Fund on March 7 in outlining the basic structure of the organization which will take over and administer the Alger House property. Their recommendations will be submitted to the members of the Fund at the annual meeting which will be held on May 2 in the Neighborhood Club.

Since the elimination of a public library as the memorial it was deemed better to give the organization a name more accurately descriptive of its functions and it will henceforth be known as the Grosse Pointe War Memorial Association.

This will more definitely describe the status of the project as a memorial to our war dead and to those who served without confounding it with the public library idea, which had to be abandoned.

The present Board of Directors of the Fund was a somewhat loosely constituted body, made up without too fine distinction of those who had been most actively identified with the project to date. It was the opinion of the directors that a much smaller group should be named on the well-founded premise that such a body would give closer supervision to the important work of material supervision of the property and applying its facilities to the service and enjoyment of the people of Grosse Pointe.

It was therefore decided to recommend a board of fifteen directors for terms of three years, the terms to be staggered so as to elect five each year.

It is on the wise selection of this board that the success of the project as a community institution will depend. It should be made as representative of the whole community as its limited numbers will permit. It should definitely have members who would be recognized as representative of those in whose honor the property is maintained.

It would be most appropriate that there be a representative of the family whose generosity has made the memorial possible, despite the modest disclaimer of the Alger family of any purpose to have its name perpetuated in the project.

But most important of all in the selection of this board of directors is that the nominating committee will not name any candidates who have not been interviewed in advance and agreed to faithfully carry on the active conscientious governorship of this splendid establishment.

If the right type of men and women are selected for this enterprise in its initiatory stages a pattern of administration can be set up which will make Grosse Pointe's War Memorial a monument noted throughout the land an agency for the cultural and civic betterment of this community carrying on through all the years to come.

Warning to Russia

Russia's charge in her protest against the Atlantic Security Pact, addressed to the countries which are its proponents, that it undermines the very foundations of the United Nations is one of the rarest pieces of international political luncheon that has been dished out in many a day.

Any human on this Earth capable of reading and able to get hold of something to read, or with ears to listen to a radio, if he has been permitted to listen, knows that the sole reason the United Nations has been stymied in its efforts to secure peace for the world has been due to the continuous, persistent, malicious and chronic opposition of Russia to its every move.

It will be recalled that Russia's nominal adherence to the United Nations was obtained in the first place only by its agreeing to the setting up a Security Council, and then by investing the members of this council with veto power. This was the reservation which brought Russia in. She knew when she joined up that this veto gave her the power to nullify every move the others might make. She has since used the veto power ruthlessly. Probably ninety per cent of all the vetoes recorded in the Security Council have come from her.

After Russia has maintained her studied opposition to every move which might have strengthened the U.N. as an agency for world peace, she lets out a great cry against its impairment.

As long as there was no visible evidence of unity against her she has persisted in her lone campaign of vilification and abuse of the nations which were her former allies in the time of her great peril. Now that she discovers that a number of the greatest powers in the world are not overawed by her and are taking steps to arrange for their common protection she is in a rage.

Churchill's blunt statement in Boston the other night that it had not been for the possession of the atomic bomb by the United States Russia would before now have started an open attack against the democratic world, should go far to satisfy the western nations of the wisdom of the precautionary steps they have taken.

It has been many years since the heart of America has been so moved as in the case of little Kathy Fiscus, imprisoned in the abandoned well near her California home.

The mental vision of this little tot, trapped so near and yet so far from instant human help, brought keen anguish to the minds of millions.

One resident told us his wife had not been able to sleep all the night before in keeping spiritual company with the anguished mother three thousand miles away.

When word of her death appeared in the morning papers on Monday many an unashamed tear fell over the tragedy.

It is unfortunate for the good name of the judiciary of Michigan that one of its members should have been haled for drunk driving and then again later another arrested for drunk and disorderly conduct.

Such unhappy instances find the front pages of the press

Grosse-Exaggerations

A. PRYOR

"A foolish little maiden bought a foolish little bonnet, With a ribbon and a feather and a bit of lace upon it; And that all the other maidens in the little town might know it She thought she'd go to meeting Easter Sunday just to show it."
(M. T. Morrison . . . and A. Pryor.)

Well, the Ringling Brothers' circus has opened at Madison Square Garden with the usual bang and the lack of taxi cabs apparently didn't keep the customers from jamming the place. A "first night" tells us the finale of the circus this year is a wow. . . no matter which ticket you voted. It starts by a mass of elephants being led into the centre ring where they promptly lie down and presumably go to sleep. After a great fan-fare and to-do, the real finale comes when the chorus girls climb the "web", pulling up as they go, an out-sized picture of President Truman that nearly reaches the entire height of the Garden. After the picture is in place, like ONE person, the elephants rise to their feet and point their trunks at the picture! On opening night, one elephant turned his back to the picture. No doubt a spy from G.O.P. headquarters.

Girls! Do you heave sighs of envy when you see those svelte models in Vogue and Harper's Bazaar and Town and Country? Do YOU long for the wasp waist? The invisible hips? The general aura of oomph that prevails in all the style pictures? Well, all is not what it seems. We too have purchased gowns seen on those models and in spite of our "skinny" physique, we never managed to look as "reedy" as the living models in the mags. So after wondering about it all these years, we got a pass to one of the studios where the pictures are made. BOY you'd be surprised. It wouldn't be cricket to give away trade secrets . . . but a few hints here and there . . . just so you gals won't be too discouraged.

That slim pencil line in the skirts, for instance, comes from pinning (from behind), a large safety pin through the skirt just behind the knees. And that "flowing" look in a chiffon evening gown skirt . . . you know, the one that looks as if a gentle zephyr was blowing the skirt out toward the back? THAT comes from yet another large pin that attaches a piece of the lower hem to a screen that is either out of camera shot or is blocked out in the final print.

Sooooo, if you will pardon our plunging neckline . . . we will get back to not giving a hang because we can't look like the models. After all, we COULD pin the hem of our dress to a screen . . . but WHO would follow us around all evening (carrying the screen at two paces), while we went about our business? Who indeed!

That fire on Monday at the Harley Higbies' on the Lake Shore turned out to be more of a headache for the family than a "mere" fire! The Higbies, who had four house guests and a dinner party planned for that night, never even batted an eyelash between them. They merely gathered up their food and drink and their guests and moved the party over to the Club, leaving the firemen to cope with the situation, which they did ably.

The guests, Mr. and Mrs. Steve Royce and Mr. and Mrs. Allan Morphy, all from Pasadena, were gaily toasted at the dinner and in return gave a few snappy toasts themselves. Mr. Morphy (whose wit and charm we could use in Grosse Pointe), toasted his hosts and added, "This is one time when the 'visiting firemen' got a chance to see the local firemen for a change." Steve Royce then proposed a toast to the good sportsmanship of his hosts and thanked them for the "warmest welcome" they had ever received.

Nothing is ever "funny" about a fire . . . but in this case, the sight of young son Hugo Higbie carrying vases of flowers out of the house to "save" them, was something well worth remembering!

For some reason or other, we have never been able to see the sense in a maid or butler in a house saying, when they answer the phone: "Mrs. Jabberwocky's residence!" In the first place, if we telephone Mrs. Jabberwocky, we KNOW it's her residence or are we crazy? In the case of a Doctor or a Hospital or the Police Department or the Fire Department, it is reassuring (in our excitement) to know that the number we called in such haste IS the number we want. But to get back to the first part of this tale, we were no end delighted one day recently when we called a very modest little woman and heard the hotty-toity maid say, "This is Mrs. . . ." and followed a dead silence. She couldn't think of the woman's name whose residence she was going to tell us it was! We helped her out by explaining we knew it was Mrs. Soandso's residence because Mrs. Soandso was the person we were calling. The maid thanked us prettily.

Pointers (who have seen it) are buzzing over a portrait of a local woman . . . a portrait her husband commissioned the artist to do right on the wall of their upstairs sitting room. That in itself is nothing to get excited about . . . unless of course, the ceiling sprinkles a leak sometime right over the portrait. What the buzz-buzz is all about is the fact that Madame is clothed in a scant bra and a fig leaf . . . even as Eve. Her beautiful long hair falls down over her shoulders and a few colorful fish swimming around in the vicinity of her bare feet are giving her the "fishy" eye! WHO SEZ there's nothing different under the Sun?

L. B. Taylor, painter and decorator and well known to News readers, died suddenly at his home, 1522 Montclair avenue, on April 6. He was 54 years old. A son, L. B. Taylor Jr., long associated with the business, now heads the firm.

The formal opening festivities of the new Woods Cockerill Lounge, 19144 Harper, near Morris, is scheduled for next Tuesday, Wednesday and Thursday, April 19-20-21. Special entertainment is planned.

The Woods branch of Bill's Bike Shop, 19583 Mack, one of the Miracle Mile stores, is just about tops in bicycle repairing as well as in the sale of new bikes. It was only recently acquired by its present owner, whose main store is at 14500 E. Jefferson at Marlborough.

A record business! That's what everybody says when they see the enlarged record department at the Perkins Radio and Television shop, Mack at Lakepointe. Miss Florence Caro Lindley who was at Grinnell's former Grosse Pointe store, and songstress of a few years' back, is in charge of the department.

It has been said that the shop of the King's Flowers, 14322 East Jefferson at Marlborough, has the largest refrigerated areas for flowers of any retail store in Michigan. This week the owners, Henry P. Kohl and Frederick F. Vogt, are announcing their brand new custom made refrigerator for cut flowers, which is

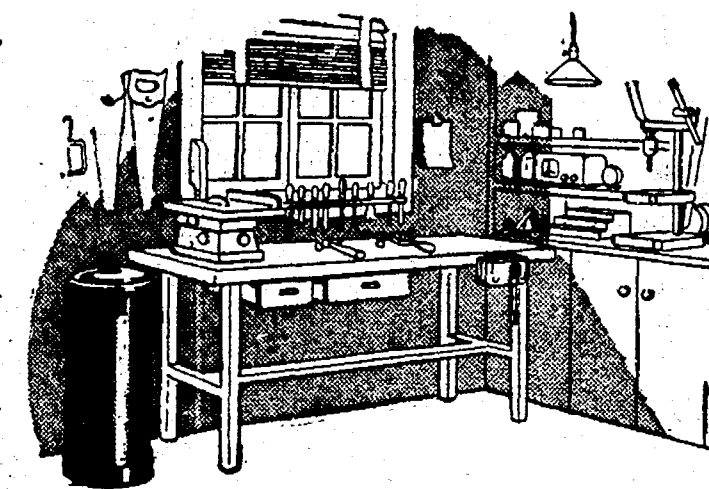

not only huge but exceedingly unusual in style. Believe it or not it has those swank all-glass doors and walls and you can walk right into it. The store this year marks its 35th year of continuous business at that same address.

Of course today one sees many splendidly trimmed windows in the fine shops of the Pointe, but there was a time back several years ago when the Peppet Linen Shop practically stood alone here, in finely-dressed windows and somehow, even to this day none ever exceed the sheer beauty of

a Peppet trim and what's more the Peppets do their own window trimming. All this rather explains why you often hear the remark, "I'd like to lie in Peppet's window!"

Bar Conducting Essay Contest

Frank H. Boos, of Lewiston road, president of the State Bar of Michigan, has announced that the annual State Bar Essay Contest will close on May 1.

The subject this year is "If I Were a Member of the Michigan Legislature."

The chairman for the Grosse Pointe area is Circuit Judge Miles M. Culehan.

Any student of any senior high school in Michigan may enter the contest.

Essays must be sent, on or before May 1, to Essay Contest, State Bar of Michigan, 412 Olds Tower, Lansing 8, Michigan.

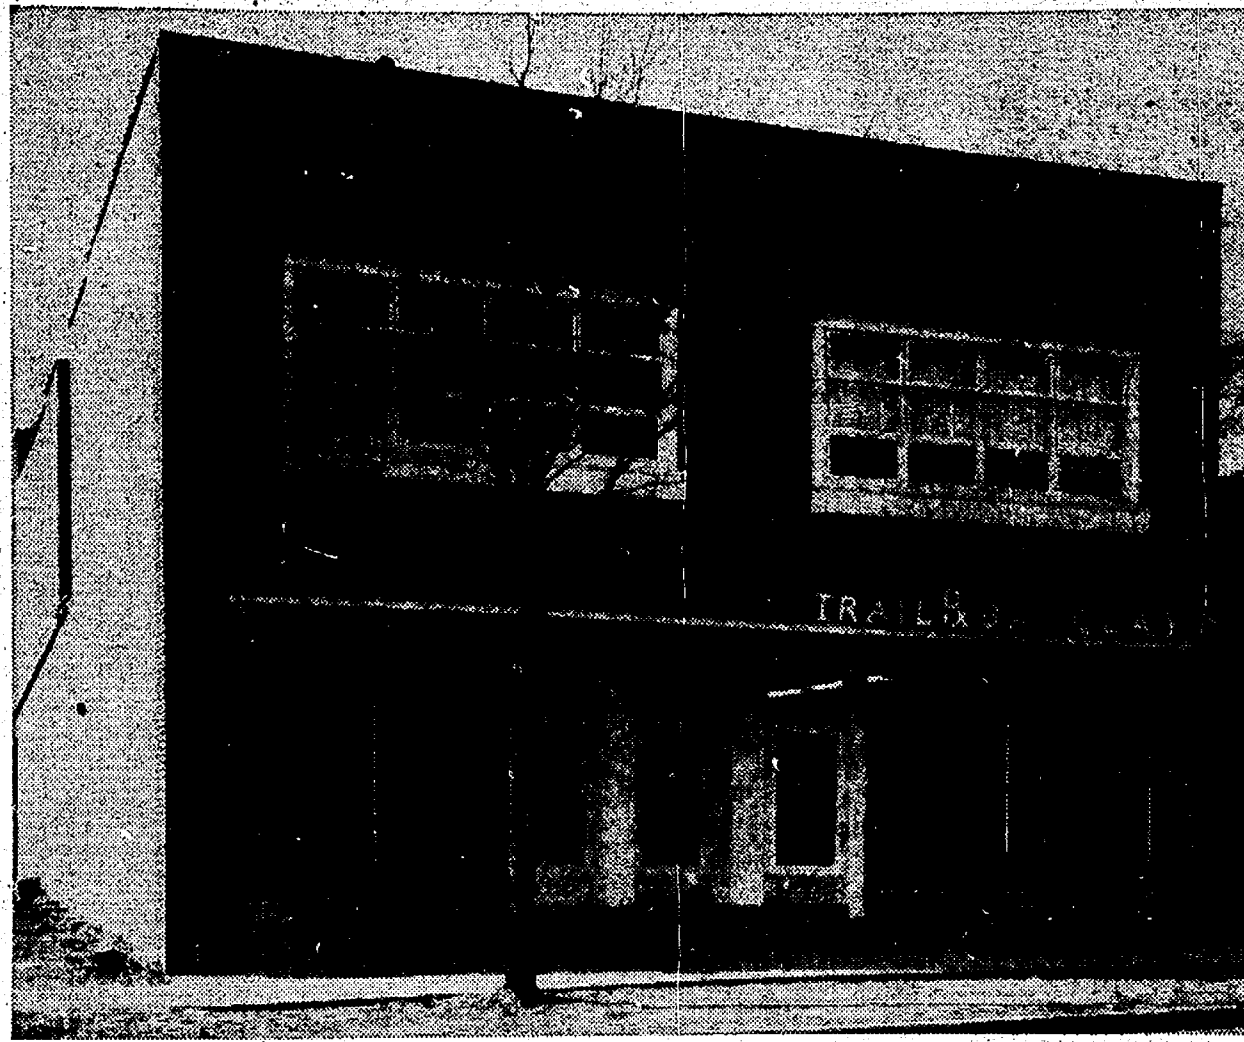

A prize of \$200.00 will be awarded to the writer of the

essay winning first place in the contest: \$100.00 to the writer of the essay winning second place; and \$50.00 to the writer of the essay winning third place. Prizes will be awarded at the annual meeting of the State Bar of Michigan in September, 1949.

In addition thereto, the writer of the winning essay in each Congressional District will be awarded a prize of \$15.00, and certain local bar associations will give prizes to winners in their respective counties.

New Drug Store Opens Here on Saturday

THIS BEAUTIFUL BUILDING in the Farms' "Kercheval Hill" shopping center, nears completion. Mr. Alvin G. Sherman of St. Clair avenue is owner. Two stories high, the structure houses stores and professional offices, including the new Trail-Barclay Pharmacy, whose Grand Opening is scheduled for Saturday of this week.

Trail-Barclay's New Pharmacy Opens Saturday

Barton F. Trail and James H. Barclay, who long held important posts with the Schettler drug stores, have scheduled the Grand Opening of their own new Trail-Barclay pharmacy, at 121 Kercheval for Saturday of this week.

The store is one of the finest in the Pointe area and will be staffed with a personnel known well to Grosse Pointers, since all have been with Schettler's Grosse Pointe stores. Mrs. Mabel Trail, a registered pharmacist and in charge of the cosmetic department of the Fisher Road store for more than 20 years will manage a similar department here in the new store, as will Miss Mary Graves, the cosmetician.

G. Sherman, of St. Clair avenue, has built in this new "Kercheval Hill" shopping center. A number of physicians already occupy the professional offices on the second floor. The westerly lower store has not yet been leased.

Beautiful Building

It is easily discernable that the owner spared little expense in erecting the building, since the construction is highly modern and of finest workmanship throughout. The huge foyer on the second floor, off of which the doctors' office lead, is in keeping with the trend in suite-office construction in modern buildings in the larger cities.

The Trails and Barclays have arranged special features for Saturday to mark their Grand opening.

Spina to Speak To Camera Club

"The Technique of a Newspaper Photographer" will be the subject of a talk to be given on Tuesday evening, April 19, by Tony Spina, Detroit Free Press photographer and formerly chief naval photographer.

Mr. Spina has earned a reputation by his ability to be at the right place at the right time and know what to do with his camera after he gets there. The lecturer will informally discuss the problems that confront him on such assignments and how the most can be gotten from a bad situation.

He will also show enlargements of some of his work. He recently gained further recognition in his field of endeavor by

Library Announces Receipt Of Congressional Almanac

The GrossePointe Public Library announces that the Congressional Quarterly Almanac for 1948 has just been received. It provides the story of the old Congress and presents source material on the new. The record of the 79th and 80th Congress provides background for today's issues and our Congressman's votes.

Congressional Quarterly is the only news bureau in Washington beamed exclusively on the Congress. A large staff reports on all Congressional votes and actions. The results of this expert analysis, written in simple terms, are available at the Grosse Pointe Public Library.

The staff of the library is prepared to help you find the information you want on a bill or a vote, material for a forum or class assignment. It will also show you how to discover where

your veterans' organization or union, Chamber of Commerce or trade association stands on the issues of the day.

Volumes 1945 through 1948 are now available and you may follow the current actions and votes in the weekly releases of Congressional Quarterly.

SHOOT OUT WINDOWS

The contractor in charge of building a new house at Ridgemont and Chalfonte reported to the Farms police on April 6 that boys with a BB gun had broken two windows in the basement and made two holes in a bathroom window on the second floor.

Two million engineering man hours were required to build two giant Navy transport planes like the Constitution.

Fine Progress Made on Construction of New Church

The above photograph taken on April 7 shows the progress that has been made in the construction of the Grosse Pointe Congregational Church, Chalfonte and Lothrop roads. The building program has been made possible by the pledges of 357 contributors. The estimated cost of the building and furnishings is \$178,000, not including the site.

The congregation which now numbers 404 has raised funds to within \$12,000 of its financial requirements to make the church ready for use. The entire offering received at the Easter Service, to be held in the Grosse Pointe High School auditorium, will be dedicated to the Building Fund. An important day in the history of this organization, which has

it will seat 425 persons and will be of Georgian Colonial architecture.

The basement which will house the kitchen, dining hall and church school departments has been enclosed by the supporting walls and the steel joists of the first floor. The steel skeleton rises to the roof level to form a part of the outline of the sanctuary. With the favorable weather, brick-laying has progressed to the first floor window level and portions of the stone niches which will adorn the front have been installed. Concrete flooring in the

side aisles of the sanctuary, the narthex, and the minister's study, located at the left rear, has been poured. At the right rear of the building the brick work of the primary department is rising to the top of the window frames. To the congregation which has increased from a group of eight adults in 1939 to its present number this construction, while no different physically from any other construction, represents cooperative planning and their church home, a church which will add beauty and character to the community.

Members of Lions Club Inspecting Submarine

The Grosse Pointe Lions' Club members are the guests today of Commander Leon Jacoby at the Naval Armory for the purpose of making a tour of the submarine anchored there.

There was no great enthusiasm among the Lions for being submerged in the sub. One of them said "I wouldn't trust those Navy chaps too far. They might pull a plug on us when they get us aboard."

Neighborhood Club News

NEED FOR LEADERS
The Neighborhood Club Summer Day Camp has become such a popular summer activity for boys and girls aged 7-14 that in order to accommodate the many children seeking adventurous and wholesome fun it is necessary to send out an S.O.S. for volunteer leaders. Some of the same leaders will be with us again this summer—however, many more are needed. From what the leaders of the past year tell us, they have as much fun as the children. College students or mothers find the experience not only enriching but most educational and profitable in solving their own teaching and home problems. The camp is held on Monday, Wednesday and Fridays from 9:30-3:30 starting June 27 and ending Friday, July 29. Please call Miss Masak, Niagara 4800 if you are able to be of assistance in the Day Camp.

JUNIOR GIRLS CLUB
The girls now forming a new group at the Neighborhood Club held their first meeting Wednesday, March 30.

Patricia Hoffman, 1225 Lakepointe, was elected president. Joan Rago, 1302 Marlborough, vice-president; Carol Ann Hoffman, 1225 Lakepointe, secretary and Mary Alice Noonan, 1298 Lakewood, treasurer.

Wetmashack was the name decided upon by the girls.

Miss Masak helped to organize the group.

ATTENDS SEMINAR IN SOUTH

Lieut. Guy L. Ireland of East Jefferson avenue, attended a Navy-Air Force seminar held in New Orleans and dealing principally with package and material handling problems. The group took four field trips to manufacturing plants in the area and held discussion panels on technical subjects.

To Hold Hearings On Pave Projects

The Woods council has authorized a public hearing on April 19 for a discussion of matters growing out of the paving of Huntington boulevard. The course of the boulevard is such that four lots which would be included in the assessment for the pave are off the street. A petition was presented at the Woods council meeting on April 8 by residents of Roslyn road, asking for the paving of that street for a distance of about 1800 feet west of Mack avenue, with a 24 foot concrete surface. The petition was accepted and a public hearing on this project was also authorized for April 19.

A novel touch to dramatize the much talked of drawback silhouette is the fish-tail slash. The slashing of the jackets of the suits serves two purposes: it accents the skirt fullness and at the same time makes for better line.

In faille and taffeta for more formal wear, the fish-tail slash is often combined with a close fitting bodice. It is also a popular and pretty touch on the box jackets so dearly loved by the younger set.

You'll be thankful with every tankful

When you first experience the thrilling performance of this husky, 130-HP Packard Eight, you won't even be thinking about such things as gas mileage.

You'll be marveling instead at its soothing smoothness . . . and the trigger-quick response of its "safety-sprint" reserve power.

The most pleasant surprise of all comes later—when you've breezed through a few score of restful miles and the fuel-gauge needle seems to be stuck at "Full"!

You'll know then, how Packard's "free-breathing" engine design is writing the year's big thrifty news in the fine car field!

Want specific figures? Just take a look at the chart at the right. Then, see your nearby Packard dealer. The sooner the thrifter!

Newest Double Duty Furniture To Be Displayed

Because of the miraculous strides made recently in design and construction of double duty furniture, Mrs. Housewife doesn't need an extra bedroom. She simply substitutes one of the new sofa beds or convertible sofas for her standard living room sofa and presto! she has a good looking lounge by day and a comfortable bed by night.

Next week is Sleep Show week and the bedding departments of many stores, including Roesch McKnight Furniture Company, 19435 Mack Avenue in the Woods, will have new double duty models on display for all to see. There will be jack-knife sofa beds in which the back drops down to a level with the seat to form the sleeping surface. There will be convertible sofas in which a one-piece innerspring mattress unfolds. Slipcovered mattresses and springs-on-legs and newly designed studio couches with twin units will be on parade, too.

Smooth, graceful lines, ease of operation, sound sleep comfort and a beautiful array of cover fabrics comprise the improvements in the once awkward double-duty beds. Sizes are love seat, standard sofa, or extra length and depth. Available in almost every style from classic to modern, today's sofa beds are an addition to any home from both eye appeal and convenience standpoints.

49 All-Star Five Picked by Sports Editor Runnells

Wyandotte Only School To Grab Two Berths; Fordson And Monroe Get One Each And Point's Bayard Johnson Is Awarded Spot

By Fred Runnells

This is the fourth annual Grosse Pointe News Border Cities League All Star Basketball Team. The players, were named in action by the writer at least twice during the 18-49 season in league competition and were selected for their scoring ability, sportsmanship, team play and defensive ability.

FRANK "CHEE CHEE" PALAMARA, Wyandotte — Five foot six inch guard and co-captain Wyandotte's B.C.L. champion team. Fast, aggressive, excellent ball handler and the mainstay of the Wyandotte attack. He scored 137 points in the league. He scored 137 points in the league. He scored 137 points in the league.

Has won four letters in basketball and is working on the fourth in baseball this spring at second base on the Bears team. Was selected on Detroit Times Border Cities League basketball team and received honorable mention on All State Team.

JOHN JACIUK, Wyandotte — Six-foot, three-inch center and co-captain led the League Champion Wyandotte team in scoring with 212 points for a .336 field goal average. Hit 48 out of 71 free throws for a .676 average in this department. Selection this year marks the third time chosen on B.C.L. team. Selected on Detroit Times B.C.L. and All Suburban teams and was picked on All State second team by Times, Free Press and News.

He was the most dependable performer on the Bears squad displaying an excellent hook shot from his pivot position which made him the center of action in the Bears attack. He is an excellent student in all subjects. Jaciuk has won nine varsity letters, four in basketball, two in football, three in baseball and no doubt will win his fourth award in baseball this spring before graduating in June.

Selection this year marks the third time he has won All-Star honors. DICK FULKERSON, Monroe — Six-foot, two-inch forward led the Monroe Trojans scoring attack with 207 points in 17 games which is the highest total scored by a Trojan player in the last 25 years of Monroe history. His 12.2 points per game placed him second in the Trojan record books. The leader is Bob Bentley who averaged 12.6 points in 1943 in nine

games played by the Trojans during the war year.

Fulkerson's performance gained for him the captaincy of the Trojans 1949-'50 team.

He played regular end in football and has the inside track for first base on the Monroe nine this spring.

BAYARD JOHNSON, Grosse Pointe—Six-foot regular forward and second highest scorer on the Blue Devil squad. Picked mainly for his defensive strength and great clutch playing in close ball games. Alternated captaincy with Vince Schoeck who was the Pointers' leading scorer.

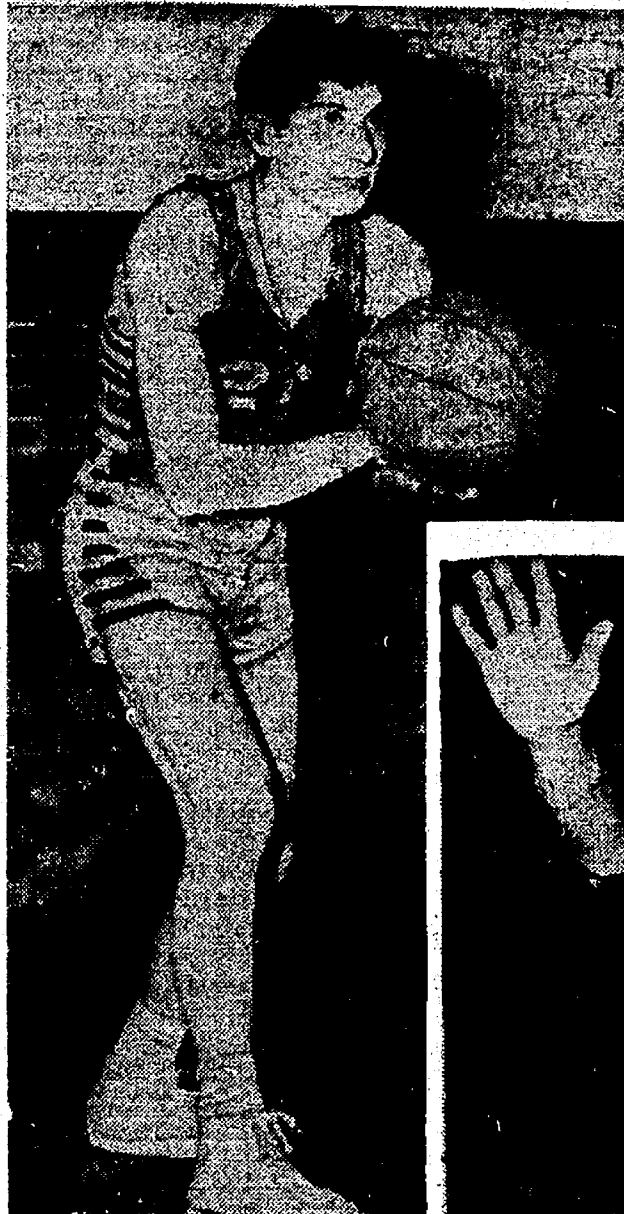

Johnson's floor play drew praise from all officials who saw him during season even in games, where he failed to score much. Defensively he was the best player in the league. Fast and aggressive he was regarded throughout the league as the Blue Devil's most dangerous threat and on several occasions flustered his opponents at crucial moments by stealing the ball and scoring on solo jaunts down the court.

Selection this year marks the second year in succession he has been picked on the All-Star team. Also has won letters as a center in football and a catcher in baseball.

DICK KENNEDY, Fordson — Bespectacled versatile six foot three inch senior alternated at all three positions of the Tractors quintet and established a new scoring record for Fordson's 25-year-old history. He scored 215 points in seventeen games for a 12.6 point average. The new record broke the previous record of 176 set by Ray Wiacek in the 1946-47 season.

A great competitor, Kennedy seemed to reach his peak at the crucial moments of a close game and on several occasions his last second baskets gave the Tractors the nod.

He has won two varsity letters as a high jumper on the track team and this spring will turn his talents to baseball. He has another half season of basketball left and should wind up his high school career with four basketball monograms.

Pointe Teams Beaten In State AAU Tourney

Hanson Chevrolet carried Grosse Pointe's colors into the semi-final round of the Michigan AAU State preliminary basketball tournament held at the Neighborhood Club April 5 to 8.

Hanson dropped its second game of the tournament to Ray Baker's quintet in a 33-31 thriller in the fading second-of the contest.

Grosse Pointe's other representative, St. Clare (CYO), second place winner in the Neighborhood Club Basketball League and in the post-season playoff tournament, bowed out of competition early by dropping its first two games.

After four nights of play at the Neighborhood Club three teams were still in the running for the State AAU title as they moved to Hackett Field House for the quarter finals. They were Schornac Architectural Construction and Pride of Michigan.

Postpone Ping Pong Meet Because of Lack of Entries

At one of the first meetings of the Recreational Committee of the Home and Family Life Institute, Chet Sampson presented a list (at the request of committee chairman Mrs. Morgan Sherman), of recreational facilities which Grosse Pointe should provide.

Ping pong was one of the subjects mentioned in Sampson's long list.

Two weeks ago the Neighborhood Club announced a ping pong tournament to be held Monday, April 11, at the club and requested entries. At this writing the list of entries numbered 17 persons. This includes four boys and five girls in the Junior Division, (ages 14 and under); four boys and no girls in the Intermediate Division, (ages 15 to 17), and two men and two women in the Senior Division.

Because of the lack of entries Director Bill Desrocher has been forced to postpone the tournament to Monday, April 18.

Apparently the Neighborhood Club is willing and able to sponsor ping pong tournaments but there are not enough interested persons to take advantage of the club's facilities.

Other positions throughout the standings seem pretty much established and any changes that may occur on the last night, April 14, seem remote but possible.

Betty Marshand Has 572 Series

The highest series of the St. Paul's Women's League was rolled by Betty Marshand last Wednesday night at the Woods Rec. Her three games, 175, 195 and 202 made a grand total of 572. Penathol Lab. now has the lead in standings by two points; followed by Farms Grill, Kopp's, leader for most of the season, have taken over third place with Kammer and Bassing.

Tom Boyd Again to Sponsor Team in Legion Ball Loop

Tom Boyd, local Ford dealer and enthusiastic sports fan, will again give Grosse Pointe a representative in American Legion Junior Baseball.

Frank Grader will be the team's manager and William Pierce will handle the coaching duties.

To be eligible to tryout for the team a player must be 17 or under and a student in Grosse Pointe High, St. Paul's or St. Ambrose; or any other boy not in school who has established legal residence in Grosse Pointe Township prior to February 15, 1949. A school boy must have been regularly enrolled in school prior to February 15, 1949.

The squad which will be known as the Grosse Pointe No. 303 American Legion Baseball Team will be open to all eligible boys and applications will be accepted at the American Legion Post headquarters, 18316 Mack avenue, S. tuesday morning, April 16, from 10 to 12 o'clock noon. Practice will start immediately.

The need for one or more volunteer assistant coaches is sorely needed. If you think you can fill the bill, contact Manager Frank Grader, NI. 5289; or Coach William Pierce, TU. 2-1050.

The regular playing season will open May 1 at Belle Isle and close Sunday, July 17.

Two Cars Tangle On Charlevoix

Two cars crashed at McKinley and Charlevoix at 9:37 a.m. on April 10 with resulting damage estimated at about \$100.

Maude French Campbell of 324 McMillan, driving her 1947 Buick north on McKinley, was struck in the middle of Charlevoix by a 1940 Buick driven east in Charlevoix by Joan Fitzsimmons of 1471 Seyburn, Detroit. Tickets were issued to both drivers.

Dansbury's Team In Driver's Seat

Dansbury Team Takes Lead With One Week Left In St. Paul Loop The Dansbury bowlers moved to the driver's seat in the St. Paul Bowling League with one week remaining of the season. Dansbury's boys grabbed a two point lead over the Furton and Allard aggregations who are currently tied for second place with 36 points.

The only other team in the league that has a mathematical chance of tying for first place honors is the Sweeney team, four points behind the leader.

Down on the other end of the standings the Ruprich team has a mathematical chance of getting out of the cellar if it can outscore the Gouin, Marsack or Smith teams, which hold a one, two and three point advantage, respectively, over the cellar dwellers.

Kopp's Bowlers Conquered In Important Alley Battle

Tie in Rotary League Broken When Middle Atlantic Transportation Keglers Come Through After Dropping Initial Game

Kopp's Pharmacy and Middle Atlantic Transportation Co. of the Grosse Pointe Rotary League put on one of the most exciting bowling matches seen in a long time at the Woods Recreation last Friday night. Tied for first place, these teams rolled their first game on about even terms and finally Kopp's emerged six pins in the van to win.

The Middies retaliated by shooting 866 to Kopp's 842, making it one apiece. With two points and sole possession of first place riding on the last game, both teams started out fairly well but erred repeatedly. The Middies finally won out by the narrow margin of 3 pins. They also wrapped up a point by taking total pins, 15 more than Kopp's.

Houston Bros. Inc., redeemed themselves this week by winning from Farms Market, 3-1. Art Runks combined 209-210 and 191 for 610, high man on the Houston team. Farms Market has bogged down in the last three weeks, only winning three points while losing nine.

Monday Cleaners smothered Earl Holzbaugh in the opener, rolling 887. The "Earls" came back to win the next two but fell short for total pinfall, Monday winning total by 15 pins. The Mertz brothers, Gene and Bill, rolled 540 and 535 for Monday while Frank Taylor and Bill Strittmatter rolled well for Holzbaugh, 520 and 525. Bill Strittmatter snared 227 in the closer. G. P. Review dropped the opener to Motor City Tires but came

back strong to win the next two and total for a 3-1 win. Russ Piche, always dangerous, failed to come through for the "tiremen."

Auto Club cashed in on one of the two sweeps of the evening, catching Piche's Barber Shop on an off night. "Trick Shot" Larson was high for the Auto Club, Forrest Piche high for the barbers.

Of interest to many followers of the Rotary Club League, Monday Cleaners and Farms Market clash on alleys 3 and 4. These teams are tied for third place and raring to go, at the Woods Recreation, come Friday night.

Tennis Clinic Offers Golden Opportunity for Beginners

There is still room for tennis aspirants who want to take advantage of the expert instruction to be offered in the annual tennis clinic which will be conducted at the Neighborhood Club on three successive Saturdays, April 16, 23 and 30. Entries should be made at the Neighborhood Club or Gray's Sport Shop, 106 Kercheval avenue, immediately.

The clinic is in charge of Mrs. Jean Hoxie, internationally known tennis coach from Hamtramck, and Roland Gray, former tennis professional at the Country Club. Mr. Gray has obtained the services of several prominent local players to help with the instruction.

The clinic is primarily for beginners. The entry fee is 35 cents and registration cards must be obtained before players will be able to participate. The classes will be from 10 to 11 a.m. for those under 14; and from 11 to noon for those from 14 to 17. Entries are limited to 35 in each group.

Mr. Carpenter flew to Chicago yesterday morning and expected to fly back late tonight.

Devil Netters Open With Win

By FRED RUNNELLS

Coach Merlin Schultz's Blue Devil tennis team chalked up its 19th consecutive victory at the expense of Dearborn High, winning 6 to 1 on Monday, April 11.

The Pointers lost only one of the four singles matches and swept the doubles matches.

The match was originally scheduled for April 27. The Blue Devils will entertain Ypsilanti on the local courts April 25.

Birthday Girl

A pre-Easter egg roll was one of the highlights of the birthday party Mrs. Thomas J. Hammond gave for her daughter Mary, who counted seven candles before huffing and puffing with all her might . . .

The birthday party brought to our attention the Hammonds now have a family of three beautiful little girls . . .

And we remembered back to the days just before the former Marion Zwolinski's marriage to John Hammond . . .

Marion was an only child . . . and she told us how thrilled she was that when she was Mrs. Hammond she would have acquired four brothers and two sisters . . .

Her eyes sparkling, she said: "Any ordinary meal at the Hammonds is just like a party. They have so much fun together!" . . .

It was once believed that living human beings placed in cornerstones would ensure the stability of a building.

RAF Ex-Flight Sergeant Visiting Relatives Here

Dr. Steven Harasymowicz, ex-Flight Sergeant of the Royal Air Force of England, is visiting his aunt and uncle, Mr. and Mrs. Louis Lech of Mapleton road.

He plans an extensive visit with his father, who now lives in Chicago and whom he has not seen for 30 years.

The expression "Uncle Sam" probably originated during the War of 1812, when all government property was stamped "U.S."

graduates of Carroll College of Waukesha. Miss Beer is a member of Beta Chi Theta. The bridegroom-elect is now attending McCormick-Theological Seminary in Chicago. He is a member of Tau-Kappa Epsilon.

Attend Patriotic Society Parleys

Mrs. Henry B. Joy, honorary national president of the National Society of Daughters of Founders and Patriots of America, heads Michigan's delegation to the society's fifty-first general court today at the Hotel Shoreham in Washington.

On Saturday and Sunday, Mrs. Joy, Mrs. George W. Moran and Mrs. Lloyd DeWitt Smith will be delegates from the Michigan Society to the annual meeting of the Daughters of Colonial Wars at the Hotel Mayflower. A tea will be given Easter Sunday at the Washington Club.

Patricia Peter To Wed June 23

Grosse Pointe Memorial Church will be the scene of the 4:30 o'clock service on June 23 at which Patricia Peter and Stewart McFadden exchange their nuptial vows.

Only immediate members of the family will be present for the ceremony and the small reception which will follow in the Vendome road home of the bride-elect's cousins, Mr. and Mrs. George H. Hammond.

Patricia, daughter of Mr. and Mrs. Julius C. Peter of Kerby road, has asked her sister, Emily, to be her only attendant.

The prospective bridegroom is the son of Mr. and Mrs. William McFadden, of Alma, Mich.

Former Pointer Wed in St. Paul

Mr. and Mrs. Victor L. Munson, former residents of Grosse Pointe, now residing in Rochester, Minn., announce the marriage of their daughter, June Elizabeth, to Harry Boranian, son of Mr. and Mrs. Paul Boranian of St. Paul, Minn.

The candlelight ceremony was performed on Saturday, March 26 in the chapel of the Congregational Church, Rochester.

Mrs. Stanley C. Hohl of Detroit, sister of the bride, attended the bride and Dickran Boranian, the bridegroom's brother, was best man.

Mr. and Mrs. Boranian are now at home in Minneapolis, where Mr. Boranian is attending the University of Minnesota. He is affiliated with the University Theatre and the University Radio Guild.

The bride attended Wayne University and was graduated from Carleton College, Northfield, Minn., last June.

In June, following Mr. Boranian's graduation, the couple will leave for Hawaii where Mr. Boranian was formerly business manager and associate director of the Plantation Playhouse at White Bear Lake, Minnesota. During the war he served 27 months in the South Pacific with the Army Transportation Corps.

Men's Shop Opens in Woods

Functional modern is the theme of the new Lloyd Davis Men's Wear shop opening tomorrow, April 15, at 9:30 a. m. in the Miracle Mile Shopping Center.

Inside and out, this store has been designed to facilitate shopping and make it a genuine pleasure. Full view displays and daylight lighting are just a few of the innovations to be found in every department . . . helping the shopper to make his choice with the utmost ease and convenience.

Visitors to the store will find masculine wardrobe needs amply provided for with complete selections of nationally advertised menswear. Among the famous lines the store will carry are: Cooper "Jockey" Shorts, Interwoven Hose, Champ Hats, Enro Shirts and Hickok leather accessories.

Free souvenirs will be given to all who attend the Grand Opening celebration Friday and Saturday, April 15 and 16.

Pointers Plan to Attend Wedding in Connecticut

Peggy Duffy, who came to Detroit last weekend to be a bridesmaid in the wedding party of Dawn Osius and Herbert V. Book Jr., will become the bride of Walter Carr Drayton at a May 7 ceremony in Christ Episcopal Church in Guilford, Conn.

The bride-elect is the daughter of Mrs. John Treble of Guilford, Conn., and James E. Duffy, of Bay City, Mich., and granddaughter of Mr. and Mrs. William T. Barbour of Lake Shore road.

A contingent of local attendants who will go to Guilford for the wedding include Carolyn Taylor, who will be maid of honor; Diane Dwyer, Mary Caroline Carter, Patricia Jerome and Mrs. Herbert V. Book, Jr.

The prospective bridegroom is the son of Mr. and Mrs. Charles O. Drayton, of Cowesett, R.I.

Strictly stags were admitted to TOM HOFFMAN'S home on Friday night when he invited: Bill Jackson, Don Ostburn, Don Kibbee, Hill and Bill Pierce, Spike Quirk, Kirk Walsh, Sparky Farquhar, Jim Williams, Chubs Lawler, Jim and Jack Swift, over for cards.

At the same time, PAT PERONNE invited several girls over for bridge and television. Pat entertained Shelia MacRae, Norma Neeb, Doris Deising, Janet Johnstone, Nancy Georgi, Sally Hillford, Merry Bauman, and Jeanne Dowzer.

BUNNY KITSON was certainly in for a surprise when her date, PHIL SKILLMAN, Norma Neeb 'n Buster Knope, Marcy Wetherbee 'n Bill Penoyer, and Mary Lou Gibbons 'n Bob Tobin, popped in and wished her a happy birthday Saturday night.

Sunday afternoon, JANE LUNDGREN asked Diane Fruehauf, Meeky Van Zanen, Polly Wilton, Rose Lietke, Betty Gray, and Gladys Osterman over to her house for cokes and sandwiches while they planned, and practiced humorous antics for the informal senior assembly at G.P.H. next month.

BETTY JEAN HOYT also gave a bag party on Saturday night. Listening to records, sipping cokes, and playing cards were Pat Savage, Molly Murphy, Sue Sibbert, Alice Robertson, and Donna Steenrod.

CLARENCE O'DELL asked his date, ALICE SAVAGE, and John Sanford 'n Mickey Walling over on Saturday night to watch television. Round about 11:30 cokes were served, and the rest of the evening was occupied with ping-pong and dancing. During spring vacation CLARENCE is traveling to Peoria, Illinois, with his parents and his sister BEVERLY.

Notice of Public Hearing

Village of
Grosse Pointe Woods
MICHIGAN

"NOTICE is hereby given, in accordance with the provisions of Act No. 207 of the Public Acts of the State of Michigan for the year of 1921, as amended, that a public hearing will be had at the Municipal Building, in the Village of Grosse Pointe Woods, Wayne County, Michigan, on the 3rd day of May, 1949, at 8:00 o'clock P.M. Eastern Standard Time, upon a proposed Amendment to Ordinance No. 34 of the Village of Grosse Pointe Woods, adopted June 18, 1940, which proposed Amendment is as follows:

"AN ORDINANCE TO AMEND ORDINANCE NO. 34 OF THE VILLAGE OF GROSSE POINTE WOODS, MICHIGAN, ADOPTED JUNE 18, 1940, ENTITLED:

'An Ordinance to regulate and restrict the location of trades and industries and the location of buildings designed for specified uses, to regulate and limit the height and bulk of buildings hereafter erected, to regulate and determine the area of yards, courts and other open spaces, to limit and restrict the maximum number of families which may be housed in dwellings hereafter erected or altered, and for said purposes, divided the Village into districts, to provide a method of administration, and to prescribe the penalties for the violation of its provisions."

"THE VILLAGE OF GROSSE POINTE WOODS ORDAINS:

Section 1. That Section 19 of Ordinance No. 34 of the Village of Grosse Pointe Woods, designated as "Description of Districts," Paragraph entitled "District 'B'", adopted on June 18, 1940, be amended so as to add the following paragraph:

"Provided, however, that due to the widening of Mack Avenue, certain business frontage on Mack Avenue is being replatted so as to provide the relocation of alleys west of Mack Avenue and the extension of 'District B', that the following property shall be deemed to be embraced with 'District B', to wit:

Arrests Solve Park Robberies

Chief of Police Arthur E. Louwers of the Park issued a statement under date of April 6 that through the collaboration of Detectives Dodson and Wrathell of the Detroit 12th Precinct and Detective Sergeants Enders and Hough of the Park Police in the B. and E. case against Frank Chastee and Adam Sally, many robberies in the Park have been cleared up.

The two men are in Detroit's custody. They have been arraigned and held under \$20,000 bond each.

A third party, believed to be in New York City now, is also being sought by the New York police.

The most recent cases in the Park were those at the V. P. Taylor residence at 1386 Buckingham road on March 6, at the residence owned by St. Clare Church, (Father Clark's home), on December 24, 1948, at the Dr. G. E. Frothingham residence at 1214 Berkshire road on March 16; and at the C. D. Miller residence at 1305 Berkshire on the same night.

Of Interest
To Veterans

Veterans training under the GI Bill—as well as their schools and training establishments—will have less paper work to do under a simplified reporting system which went into effect April 1. Veterans Administration announced.

Under the new system, VA no longer requires monthly progress reports for veterans in job-training establishments. Information previously furnished VA in these monthly reports will be incorporated in the report of earnings which veterans submit to VA every four months.

Schools below the college level also will report progress and conduct of veteran students on this VA report of earnings. As in the past, colleges and universities will not submit reports of conduct and progress, except to notify VA in cases of those students whose conduct or progress has been unsatisfactory.

VA emphasized that such schools and training establishments should continue to report promptly the discontinuance of any veteran from training. Veterans are urged to make certain the required reports of earnings reach the VA regional office handling their cases before the tenth of the month following the date the reports are due. Failure to submit reports in time may result in delayed subsistence checks, VA said.

As a result of this new and simplified reporting system, VA field offices will process at least five million fewer forms a year, with an appreciable savings in clerical work.

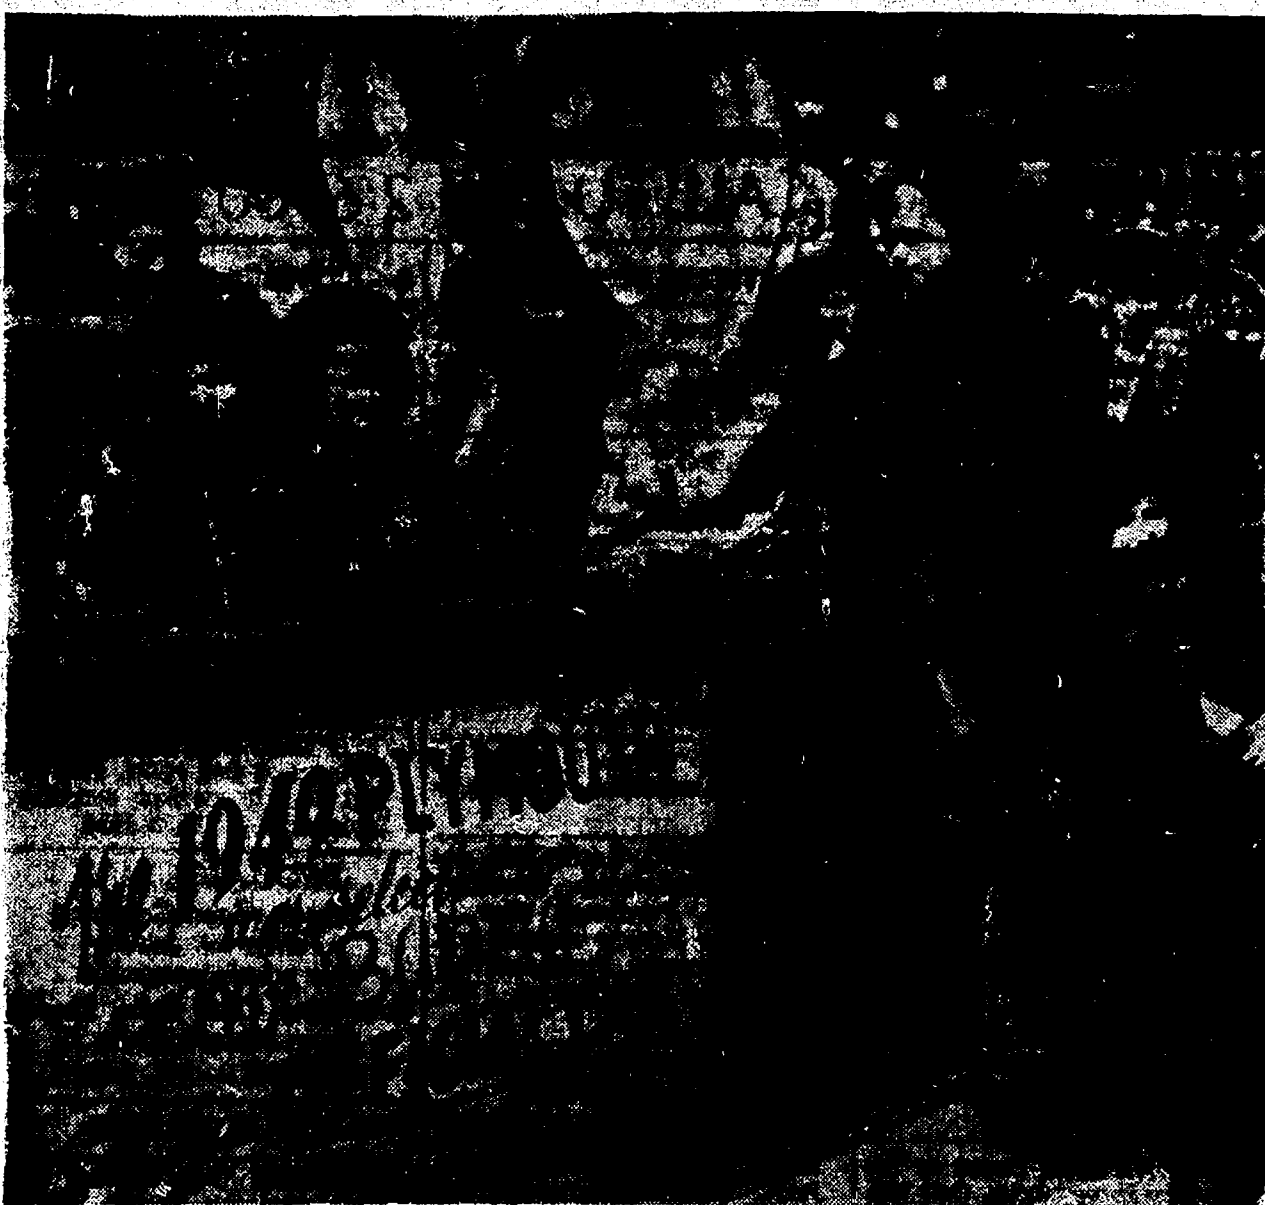

Questions and Answers
Q—I interrupted my training under the GI Bill and now would like to resume training at once although in a different school. May I go back to classes anytime?
A—Before you resume your interrupted training, you should get a supplemental certificate of eligibility from VA.

Q—As the widow of a World War I veteran, I desire to file my application for a widow's pension. Must I file it in the city where my late husband died?
A—No. The application may be filed through your nearest VA office.

Generally, veterans are eligible for G.I. Bill education and training if (1) they were in active military service some time between September 16, 1940, and July 25, 1947; (2) they served 90 days or more or were discharged before 90 days for a disability incurred in service, and (3) they were discharged under conditions other than dishonorable.

Oratorio Society Concert April 20

When the Detroit Oratorio Society presents Bach's B Minor Mass on Wednesday, April 20, in Scottish Rite Cathedral, it will have the best wishes of a good many Grosse Pointers.

Active on the board of the society, singing in the chorus and assisting the group with financial backing are many names well-known in the Pointe.

Mrs. Robert G. Hartwick, of Touraine road, and Dr. J. C. Tapert, of Devonshire road, are officers of the board of management. Eleanor Deuster, of Yorkshire road is corresponding secretary.

Julia Sturges of McKinley avenue, will be the contralto soloist at the concert. She made her first concert appearance in Detroit with this group last spring in the Bach St. Matthew Passion. Contributing members who will be boxholders the night of the concert are Miss Frances W. Sibley, Mrs. Arthur McGraw, Mrs. Jerome Remick, Mrs. John J. O'Brien, Mrs. Edsel Ford, James B. Webber, Jr., Mrs. Fred T. Murphy.

Others are Miss Christine Symington, John S. Newberry, Jr., Mrs. William R. Kales, H. M. Bingham and Wendell W. Anderson.

Arthur Gnaou, director of the Society, organized the group from an adult education class given in Grosse Pointe nine years ago. The course he offered in musical history proved interesting enough for the class members to want to learn more about choral music. The chorus resulted. Mr. Gnaou studied at the University of Michigan and Harvard. When in Paris he took theory from the famous Nadia

PILFERINGS

PLAY BALL—A high school baseball team received five dollars from a minister with the word that they were to use it for uniforms or in any way that would do the most good.

The dominie came out to see the fads win their first game. He was pleased, but expressed surprise that the team were not in uniforms, whereas the visiting players looked spick and span in their regalia.

"I was hoping to see you in your new outfits," he said to the captain. "What did you do with the money I gave you?" "Oh, you said to put it where it would do the most good," the leader explained, "so we handed it to the umpire."

"Hush-a-by baby, pretty one sleep,
Daddy's gone golfing to win the club sweep.
If he place nicely—I hope that he will—
Mother will show him her dressmaker's bill.
Hush-a-by baby, safe in your cot,
Daddy's come home and his temper is hot;
Cuddle down closer, baby of mine,
Daddy went round in a hundred and nine."

"Mother, where were you born?" asked little Edward.
"In Massachusetts, my dear."
"Where's father born?"
"In Connecticut, Edward."
"Where's sister born?"
"In New York."
"Where's I born?" asked Edward.
"In Michigan, my son."
"Gee, how'd we all get together?"

It is related that an enthusiastic Nimrod came wearily to the camp at the edge of evening and inquired if Bill had shown up.

"Yes, sir," the cook replied, "he has had his supper and is taking a nap."
"Jo been here?"
"Yes, sir, he's washing up."
"How about Tom?"
"He's cleaning his gun."
"Then, by thunder, I shot a deer!"

"I think a person lives according to the things she likes best," says Mrs. William Weed, "and everything I do has to do with art." Mrs. Weed's hobbies include the piano (she loves classical music), sculpture, clothes designing and gardening.

Piano playing was always her first love, but she could never play to suit herself, she says. She always felt that her rendition did not bring out the music exactly as it was. So she decided that sculpture, "the most quiet of the arts," would have to be her forte.

Did Full Size Figures

When she attended the Art Students League in New York some years back, Mrs. Weed enjoyed doing sculpture of full size figures. After her marriage and while daughter Sarah and son John were growing up, she put sculpture aside. Yet all the while,

she yearned to take it up once more.

Sometime ago it occurred to Mrs. Weed that she could do portrait heads right in her home. Her own children posed first (she expects three one-hour sittings) and then neighborhood boys and girls sat like statues and watched their heads take form as her skillful fingers moulded the clay. Mrs. Weed estimates that each portrait takes about a week of intermittent work.

Works Decorate Home

On either side of the living room mantel stands a portrait head of young Sarah and John Weed. About the home are other samples of Mrs. Weed's "sculpturing" . . . heads of varying sizes . . . small cherubs and angels which she fashioned for Christmas gifts . . . the shorn head of a surprised little lad who just had his first haircut. She took a turn at ceramics too and has several lovely figures, but the glaze doesn't interest her. Sculpture is her favorite, and someday she really intends to take a chisel and hammer to venture into stone sculpture.

"I like anything that has to do with color, harmony and line," Mrs. Weed remarks wistfully. "I could live nine lives and still have something to do."

Designs Own Clothes

She designs her own clothes and her daughter's, but brushes that aside as just something that has to be done. An interior decorating career would find favor with her, as the lovely color scheme of her own home shows. She is a member of the Grosse Pointe Artists Club and is on the

jury of the Detroit Artists' Market.

During the war, Mrs. Weed helped to organize Red Cross arts and skills classes for hospitalized veterans. Last year, when the artist at Christ Church fair did not have nearly enough time to do sketches of clamoring customers, Mrs. Weed invited him to her home to continue the work. By making Saturday appointments at the Weed home in the intervening period, he has since completed about 160 sketches.

How about doing any painting herself? "I haven't gotten to that yet," Mrs. Weed says with a smile. "I'll save painting for my old age."

Kiwanis Votes Aid for Student

Some deserving girl or boy from Grosse Pointe High School is going to be helped on the road to a higher education by the Grosse Pointe Kiwanis Club. The directors of the service organization have voted a fund of \$500 for this purpose. Details of the award will be worked out later. The club held a joint meeting last week with the East Detroit club, with President Steve Henderson of the East Detroit club presiding. George Heckendorn of the local club sang and the East Detroit club's barber shop quartet added to the program.

Cornelius Kuysken of the Pointe Club and Past District Governor Don Goodrow, a member of the Pointe aggregation, were among the speakers. Dirk Van Reyendam, Detroit architect, reported on the recent convention to Rio de Janeiro.

RAISIN AND ORANGE CAKE

Contributed by Mrs. Elmer G. Zeeb

- 1 cup sugar
- ½ cup shortening
- 2 eggs
- 2 cups pastry flour
- 1 tsp. baking powder
- 1 cup raisins
- 1 orange
- 1 cup sour milk
- 1 tsp. soda

Cream sugar, shortening and eggs. Sift baking powder, soda and flour together. Add sour milk to first mixture, alternating with flour.

Squeeze juice from orange and grind pulp and rind with raisins. Add to first mixture. Bake cake at 375° for about 30 minutes.

Add ½ cup of powdered sugar to orange juice and pour over top of cake when taken from oven.

We're Now
100 Years Old

Yes, we're very happy on this anniversary occasion! And we're very proud of Detroit, the city we grew up with. We want to go along with it through the years to come. That's why the McINERNEY policy is to always be young in spirit and modern to the minute!

We now occupy more than 25,000 square feet of space and we serve the fine families, fine hotels and clubs of the area with McInerney's own fresh poultry, wild rabbits, fresh eggs and butter.

BRANCH FOR POINTERS

Our new Jefferson Avenue branch, near Dickerson, is one of our centennial features. Cut-up chicken—ready to cook, is another feature. Our superb quality, economical prices and courteous service have been important factors in every year of our existence.

Easter Sunday meals always should take a festive air and the very best way to make anyone exclaim with delight over the food served is to season the goodies with the new Monosodium Glutamate, wonder salt to be found at HAMLIN'S. Such a dull name for such a magic ingredient but once you try it on everything (except fruit and dessert) you'll find food tasting SO much better. It's a 1949 salt that stimulates taste buds. HAMLIN'S have the always best variety of the Monosodium Glutamate . . . that put out by Spice Islands. Also at Hamlin's you will find other Spice Island herbs, spices, vinegars and aromatic seeds. These can be bought separately or in aluminum holders which fit inside the cupboard door.

Whether you are guest or hostess this Easter Sunday, WALTON PIERCE GROSSE POINTE BRANCH wants you to be pretty as pretty. In the Easter parade you'll want to wear a swishing, high styled taffeta coat! A fascinating black taffeta coat is waiting for you at Walton Pierce's. It has fagoting at the notched neckline, waist and bracelet length sleeves. Small covered buttons are used to the waist where the skirt flares into yards of material. Waistline is finished with tiny, material belt. It's really a coat dress, for it may be worn as a coat and/or as a frock. Walton Pierce suggests if you choose to wear it as a coat, you'll want a pure silk print dress underneath. One especially lovely one we saw was ivory and black print with ascot bow at the neckline. Your Easter picture is completed by a dreamy ivory straw chapeau, rimmed in black velvet, and upturned at one side to hold two black pom pom feathers. There are many handsome Spring prints at this shop, the materials are wonderful and the prints, dashing. Also, for Spring evenings, there are dazzling black taffeta dinner frocks and another that caught our eye: navy eyelet taffeta.

Flowers are a definite part of the Easter season and that Pointers are well aware of this is evident in the busy environs of GROSSE POINTE FLORISTS, whose posies are blossom perfect! Clip this item and leave it in plain view for those who remember friends and family in the loveliest way . . . flowers at Easter time. Call Niagara 3000 today to insure the loveliest flowers at Eastertime . . . GROSSE POINTE FLORISTS have a profusion of Easter lily plants, cut flowers, tulips (of all the glorious hues), geraniums (so Parisienne and perky) and snowball hydrangeas in many, many different colors.

All those who have been buying Easter lovelies at JACOBSON'S have been intrigued by the sophisticated and good looking two-piece cotton and rayon knit frocks. In beige, aqua and cherry, they are a coveted Spring wardrobe item. The classic skirts are worn with either turtle necked, cap sleeved top or square neck with short sleeves. Belts are narrow gold kid. There is also a marvelous supply of imported pure silk slipover sweaters at JACOBSON'S. They are cuffed at the waist and short sleeved and come in lush shades of coral, jade, gray, chartreuse or white. For the outdoor gals who are making the most of balmy days, tailored wool jackets are the answer. These are smartly tailored cardigan style and have insignia on one of the long sleeves. Colors are strong: green, navy, red or white. On the dresser side are JACOBSON'S woven ribbonette blouses which have flattering jewelry necklines, cap sleeves and back zippers that make them fit like all get out!

You can't be an Easter girl if you've been neglecting your beauty salon appointments lately. This came to mind as we watched the stream of fashionable gals tripping gaily up the stairs to ANTHONY'S SALON. We were passing when they emerged not long after . . . and their hair-do's were THAT becoming. They'll wear their Easter bonnets over the most beautifully coiffed heads. We noticed that much of the magic was in the superb shaping of their hair, the demphasis on frizz and curls, a hair-do so subtle that it didn't look "done," just natural and beautifully groomed!
