

## WAR DEAD HONORED AT MEMORIAL

### Beautiful Service on Lakefront Honors Pointe's War Dead

Few Pointers paused in their holiday recreation on Memorial Day long enough to remember that 122 young men from this community had given their lives in World War II. A scant crowd of 200-300 attended the services at Grosse Pointe's new War Memorial Center on Lake Shore road. The gift of this magnificent property to the people of the Pointe makes it possible for the community to have one of the finest memorial centers in the country. To achieve this will demand the cooperation of every resident. It is to be hoped that the membership of the War Memorial Association, which now numbers but a little over 3,000, will steadily grow until every man, woman and child has made a contribution, however small.

### Park Business Men Battle Village Over Raised Assessments

#### Hold Protest Meeting to Take Action Against Tax Increase Levied on Their Properties; James McNally Engaged as Legal Adviser

The Grosse Pointe Business Men's Association, at the request of many of its members who are business men in the Park, called a meeting last Thursday morning, May 26, to consider action against the recent hike in the assessment on business properties in that village.

The meeting was held in the Turner-Buick offices on Kercheval avenue.

**James McNally Adviser**  
Former County Prosecutor James McNally acted as legal adviser of the group and he brought to the meeting with him Kenneth V. McCarren, who was assessor for the city of Detroit for 19 years.

Among those present at the meeting were: Dr. R. K. O'Neil, F. E. Sweitzer, Otto H. Lange, H. A. Turner, Lorne Hagen, Jeanette Dohrman.

V. L. Buckeridge, James Dominic, Nelson B. Fisher and William Moir, president of the Business Men's Association.

**Carry Whole Load**  
The grievance of the business men was chiefly that the recent increase in the assessments have all been levied against the business properties. There was agreement that business places must carry a higher assessed value but they protested that whereas residential property in the Park was only assessed at about 33 percent of its real value, the business properties carried a much higher percentage of assessed value to real value. They claimed that this proportion on both classes of property should be approximately alike.

**Appeal Increase**  
The statement was made that assessed value on properties on Kercheval avenue had been raised \$100 a foot front. On appeal from this raise the Board of Review had reduced the interior lots to a \$70 increase but the \$100 had been retained on the corner properties.

It is an open secret that this raise is being prompted by the jump in the Park village budget from \$922,000 in 1948 to \$1,026,000 in 1949.

As explained by Village Manager Everett Lane before the public hearing on the budget on May 23, this increase was caused by several large non-recurring items.

**Lakefront Reduced**  
It is also known that recent reductions in the assessment of residential lakefront properties have

### Unveil Plaque For Naval Hero

A memorial plaque for Lt. Comdr. Wendell Osborn, USNR was unveiled Monday at the Broadhead Naval Armory, 7600 E. Jefferson.

Lt. Comdr. Osborn was killed near the Solomon Islands during enemy action aboard the cruiser USS Juneau. His wife, Mrs. Lena Osborn, of Portsmouth, Ohio and a former resident of Grosse Pointe was presented with a duplicate of the permanent plaque, which was presented to the Broadhead Naval Armory by the Naval Academy Alumni Association of Michigan.

Captain Leon J. Jacobi, Commanding Officer of the Naval Reserve and Michigan Naval Force, accepted the plaque for the Armory. Captain Jacobi resides on Fisher road.

### Park Policemen Capture Speeder

Park Patrolmen Dilloway and Miller, observing a car going at excessive speed west on Mack at 2:45 p.m. on May 28 took after it and overhauled it at Mack and Chalmers. They turned Joseph L. Crothers, aged 27, of 2601 Newport, over to the Detroit police. Officer Dilloway registered as a witness against him for Detroit Traffic Court.

### Committees Prepare Plans For Memorial Development

The residents who attended the Memorial Day exercises at the new lakefront center and afterward walked through the first floor rooms, were impressed with the fact that it will require a considerable amount of furniture and equipment to make it adaptable to the community uses for which it is intended.

Inquiring on this matter from some of the members of the Board of Directors, it was learned that the first thing on the agenda of the board is hearing the report of the Policy Committee which was set up at the last meeting of the board, to make a study and recommendation of the policy that should obtain in the administration and uses of the property.

It was felt by the directors that until this report was made and its subject matter definitely decided upon, it would be unwise to go ahead in the matter of furniture and equipment.

All appointments, decorations and furniture should be planned in harmony with the uses to which the property is to be put, is the general opinion of the directors.

### Service Held At New Site On Lakefront

#### Impressive Exercises Followed by Inspection of Magnificent Community Center

The rippling of the waves on the seawall and the glint of the bright sunlight on far sails lent nature's gentle serenity and lent own matchless lights and shadows to the solemn Memorial Day services on the lakefront side of Alger House last Monday morning.

It was Grosse Pointe's first attendance as a community at the noble site and structure which will henceforth be the living expression of its timeless memory of the brave souls who gave their lives to our country in the last and greatest war of history.

It was especially appropriate that the public's preview of this spot as a War Memorial should have been held on this day.

While the attendance was not as large as had been hoped for there was a thoroughly representative company of 200-300 of our townspeople present. In the group were many of the most prominent men and women of Grosse Pointe as well as a goodly number who came from the more humble walks of life, all brought together by a common urge to do reverence to their dead soldiers.

It was also an opportunity for many to refresh their memories with the names of the more than three thousand who served but were spared to return home.

Scores circled around the little Honor Roll that was brought down for the occasion and located on the lakefront, and read again the names that will be forever honored by Grosse Pointe. Unfortunately the names of the dead, of whom there are 122, and which had originally been designated in gold had dimmed somewhat with time but a sufficient distinction yet remained to set them apart from the living.

The services themselves were similar to the ones that have been held each Memorial Day around the Honor Roll since it was first erected on the southwest corner of the High School some five or six years ago. An exception was the presentation of the two flags by the ladies auxiliaries of the Alger Post F.V.W. and the Grosse Pointe Legion Post, and their acceptance by Alger Sheldon the President of the Grosse Pointe War Memorial Association.

Reverend Frank Fitt gave the invocation and Rev. Father James E. Clark pronounced the benediction. President William F. Connolly of Grosse Pointe Farms, read the names of those who had died in service.

As announced the main gate was opened at 10 o'clock and the residents of the Pointe were given an opportunity to walk around the grounds which had been placed in remarkably attractive condition by Gardens Chairman Vincent DePetris and his assistants, considering the lateness in the season for many of the blossoms. The formal gardens with the famous yew hedges originally imported from England, were especially admired. Many remarked that the pergola extending west from the main building would be one of the most attractive features of the Memorial when finally completed.

The lakeside of the structure with its seawall and shrubbery will obviously need some major beautification. There is a wealth of shrubbery on this which will get meticulous care for its preservation.

After the services the first floor of the building was open for a brief examination. Nothing had been done here except to give it a cleaning up for the day. As the crowds passed through the most commonly overhead expression was of its beauty and adaptability for the community uses to which it will ultimately be put.

### Blaze Damages Park Residence

A fire that started in the attic of the Thomas C. Cotter home at Harvard and Charlevoix at 6 p.m. on May 30 did considerable damage before it was extinguished by the Park firemen.

The damage has not yet been estimated and the cause of the fire cannot be definitely determined.

Starting within the attic, it is only known that it did not begin with embers falling on the roof.

### Body of War Hero Arrives For Reburial

#### Lieutenant William A. Fisher Was Shot Down in Raid Over Germany in 1944

The body of 2nd Lieut. William A. Fisher of the United States Air Force has arrived in this country. Reburial services will be held in Sidney, Ohio.

Lieutenant Fisher was the son of Mrs. Carrie L. Fisher of University place and Dr. O. O. Fisher of E. Grand Boulevard. He was first reported missing in action in an air raid over Germany on January 11, 1944. In March of the same year his parents received word that he had been killed in the raid. He was awarded the Purple Heart posthumously.

He was graduated from Grosse Pointe High School in June, 1939 and later attended Miami University in Oxford, O.

### Report of Stolen Property Makes Tale Less Plausible

Park Patrolmen A. Boone and Charles Slusser stopped a car on Saturday night, May 28, for examination and found in it two men and an assorted collection of more or less damaged hub caps and other items. One of the men volunteered the information that a friend of his had given them to him and he was taking them home to his boy, who was going to use them in patching up an old car.

The men appeared honest, and the story plausible enough and the police let them go. Some hours later a report came in of stolen property, answering the description of what they had seen in the car a little earlier.

At 3:15 the next morning they saw the same two men with a stranger coming out of the White Tower restaurant. They took them to headquarters for further examination. Convinced now that the stuff was stolen property, they locked them up and the next morning the police got a warrant.

The parties arrested were Charles W. Anderson, aged 24, of 229 St. Jean and Harry Peters, aged 25, of 1247 Philip. The third party was David R. Miller of 2126 Algonquin.

### Woods Budget of \$284,827 Aired at Public Hearing; Tax Rate Boosted to \$15.30

#### Pension System, New Police Radio and Higher Debt Service Responsible for Hiking Rate 45 Cents Per Thousand of Assessed Valuation

The Grosse Pointe Woods annual budget was presented to a Public Hearing on Tuesday, May 31. The amount of tax to be levied this year for the operation of the Village is \$284,827.00. The assessment roll had previously been approved and amounts to \$18,616,217.00 worth of assessable property both in real estate and in personal. This will make for a slight increase in the tax rate of 45 cents per \$1,000.00 assessed valuation. Last year the rate was \$14.85 per thousand and this year it will be \$15.30.

**Unavoidable Items**  
There are a number of unavoidable items that had to be included in the budget. They are as follows:

1. The Employees' Retirement Plan for which \$11,000.00 had to be included. This item alone had been expected to increase the rate by 70 cents per thousand but the Village was able to offset part of this by not replacing 4 out of the 5 employees who will be eligible for retirement.
2. The Police Radio, for which \$4,100.00 had to be included for new equipment and the addition of one Police Officer to assist with the extra work involved in broadcasting direct from the Village station. These items were formerly included in the Township Tax bill.
3. Increase in the Debt Service for which an additional \$5,000.00 had to be included. This increase has come about because of the sale of bonds during the past few years for the purchase of the Lake Park, the cleaning out of Milk River and rebuilding of Bridges, and the Purchase of a Fire Truck and Addition to Municipal Building.

Two other items which somewhat increased the budget were of about \$15,000.00 each, one for the dredging out of the Park beach and installation of a chlorination system and the other the installation of a new heating plant in and the rehabilitation of the old part of the Municipal Offices.

**Service Increases**  
Other items also included and which are the natural outcome of a rapidly growing community are increases in costs of garbage and rubbish disposal, highway equipment, site for Department of Public Works yard and general maintenance items.

Assessed valuation increased by over \$2,000,000.00 due to the great amount of building during the past year.

### Youths Confess Park Robberies

The burglaries that occurred at the Stuart Baits home at 1009 Bishop on May 16, and the Dr. Edward Sichter home at 881 Pemberton on April 18, have been cleared up and all of the property stolen, except the cash has been returned to the owners.

The Detroit police picked up four juveniles recently who are implicated in many burglaries in the 5th, 15th and 11th Detroit precincts.

On clearing with the Park police the local officers got confessions from them of the two Park burglaries and traced down the property. The amount of cash taken was not large. The boys are now in Juvenile Court in Detroit.

### Car Hits House On Kerby Road

A car went out of control at Charlevoix and Kerby road on the afternoon of May 29, rolled across two lawns and ran into the house at 248 Kerby. No damage was done to the house.

Irene Motoligin, 17, of 3557 Dickerson, was driving a car owned by Anthony Boscarino of 19408 Dresden. Attempting to turn onto Kerby from Charlevoix, she lost control. The car damaged the lawns at 248 and 252.

Miss Motoligin has no driver's license. She and Boscarino were both given tickets.

### Disclose Cost of Operating Police Radio

#### Approximate Figure of \$30,550 Includes Non-recurring Installation Items

The cost of operating the Inter-Municipal Police Radio service for the present year of 1949, which will presumably begin on June 15 and run to April 1, will be about \$30,550.

This cost however will contain many non-recurring items entailed in the installation of new equipment, made necessary in part by the conversion to frequency modulation made mandatory by January 1 by the Federal Communications Commission.

**Agreement Made**  
These figures of cost were set up in the agreement entered into by the five Pointe municipalities, which is the basis of the Inter-Municipal Radio Service.

The new system's proponents claim that when it pays for the conversion the regular cost of operation will be about half of the present Township radio cost.

**Individual Costs**  
The cost this year to each of the municipalities, most of whom have already set up the items in their current budgets, is as follows:

Park	\$11,000
Woods	4,100
Farms	7,000
City	5,000
Shores	3,450
<b>Total</b>	<b>\$30,550</b>

These figures may be somewhat exceeded, depending on whether or not it is found necessary after experience to hire more men than is now expected. The present much-discussed monitoring service could add appreciably to this total.

### Woods Community Club Conducts Annual May Festival for Members

Back in April of 1938 a group of mothers met in the home of Mrs. Edgar Hallead to plan for a playground for the children of the village. The desire for a playground was so strong they decided to form a club, the Lochmoor Community Club.

Mrs. Hattie Chene was kind enough to loan her lots on Mack at Ridgmont. Card parties were held to raise money to meet the first needs. The Michigan Garden Club donated \$15 for the first sand box and other outside equipment was obtained with the small amount of money the club had in the treasury.

On July 26 the playground was opened with a picnic. The chil-

dren were served hot dogs and lemonade while Mrs. Leopold Verbrugge donated soft drinks.

In the fall the men were invited to join the club. On Dec. 7, 1938 a constitution was accepted. The next spring another picnic opened the playground with additional equipment donated by Mrs. Ledgard Mitchell, a slide and swing. With the help of Mrs. Edith Bethel of Neighborhood Club and Forrest Geary of the Board of Education, it was possible to have an attendant at the playground afternoons and evenings. Miss Grace Sindhurst did a wonderful job considering there was no place to house equipment or meet on rainy days. That same

fall the village made a skating rink. A skating party was held on Jan. 20.

In the spring of 1940 the club had its third annual picnic. From this point a building seemed necessary. Mrs. Chene was asked to donate her land as a memorial to her family in whose possession the land had been for the past forty years. Mr. Paul Verbrugge invited the builders living in the village to help produce a Community House.

In the meantime Mrs. Chene gave a lease to the land with the promise to make provisions in her will for the club to receive the land at her death. Mr. Roy Huston offered to contact builders for donations. The Town News encouraged workers by offering half of each dollar subscription received. Two builders donated \$50 each while others donated material or labor.

In 1940 incorporation papers were drawn up. The first board of directors consisted of Mrs. Harold Gregory, Bert Sellers, Mrs. Katherine Iiams, Alois Ghesquiere and Mrs. Alice Hallead. After a meeting with the builders on Sept. 4, the final plans for starting the building were completed. On Sept. 7, with many men donating their time and labor, the actual work began.

Parties of various sorts were held at the Mason School to raise money for expenses. Splendid summer programs were developed with the aid of the workers from the Board of Education. Thus a dream became a reality through the tireless efforts of a group of active men and women and the generous donations of well wishers.

The building was officially opened on May 18, 1941, with a tea. Many prominent citizens from all the Pointes attended and offered their moral support. On August 9, the American Legion, Burns Henry Post 303, conducted a flag raising ceremony after donating an American flag. Thus a community center was established.

Since the building has been opened there have been classes in ballet, scout troops have used the building for their meetings, sewing and millinery classes have been available when the need arose. Nursery classes helped the pre-school child prepare himself for kindergarten. Basketball with a capable leader has been offered by the club. This sport has to be enjoyed at Mason School because the clubhouse is not large enough to handle the sport. However, wrestling and boxing and table tennis and other games are offered to the children.

At the present time, because of the lack of space the club has had to limit the age of the children using the building. Only those who have not completed their 18th birthday are eligible for child membership. During the day the building is used for "Day or Child care" play. For this care the club charges a small fee plus membership. From 7 until 9 or 9:30 school age children come in to use the Juke Box or play. At all times the outside equipment is available to all residents.

Two afternoons a week during the school year, the club offers classes in ballet and tap dancing. At the present time there is a very capable teacher who works with the four classes. On Saturday morning there are classes in baton. The fourth Wednesday of every month there are card parties. The proceeds from these parties go into the building fund. The club has long outgrown its

present building. There is a Pinocchio Club, consisting of members, both men and women, which meets the first Saturday evening of each month. This has been a huge success.

Because the club is a member of the Red Feather Agencies, all projects, except the play for school age children, must be self supporting. There is a small extra source of income from the rent of the building, renting out chairs and card tables. In renting the building it must be understood that only soft drinks or tea and coffee can be served.

At all times, the club follows the course set by the public schools regarding vacations. Child Care classes do not meet when the schools have vacation. At that time the building is opened for those not in school. Nor does the club keep the children out of the building to rent it or for adult meetings.

The last week in May there is an annual demonstration, called the May Festival which enables the club to let the general public know what it has accomplished. This year the event was on Tuesday, May 24 at Mason School. Mrs. Jose, the ballet teacher, presented her classes while the baton classes, under Miss Nancy Gregory, showed their accomplishments. Mr. Faulke, who has charge of the boys at Mason School each Tuesday night, directed some acrobatic displays, and the group of Child Care children were there to recite rhymes and play games.

### 15 Cases Heard In Traffic Court

Justice John Potter presided at a busy session of Traffic Court in the Park on Wednesday morning, May 25. The cases disposed of were as follows:

Alfred William Carter of 14709 Mayfield, Detroit, charged with driving while under the influence of liquor on May 13, pleaded not guilty, was found guilty and sentenced to one year probation, with no driving during that period. Fifty dollars is to be paid to the Wayne County Probation Department as costs and defendant to pay costs of patrolman's watch.

James Byron Rood of 22900 Kramer, St. Clair Shores, charged with driving without due care and caution, resulting in an accident on May 8 at Jefferson and Devonshire, was found not guilty and discharged.

Isabel S. Oldham, 1828 Hunt Club drive, charged with making improper turn at Kercheval and Maryland on April 19, was found not guilty and case was dismissed.

Glynn Withun of 1597, Montclair, charged with reckless driving on May 6 at Vernor and Whittier, pled not guilty and was found not guilty.

Della M. Phillips Compton of 1409 Huribut, Detroit, for making left turn into moving traffic on May 8 at Jefferson and Devonshire, was fined \$5 and \$5 costs.

Michael R. Cain of 1017 York-shire, charged with failing to stop at sign at St. Paul and York-shire, pled guilty and was fined \$5 and \$5 costs.

Francis Felix Gregorich of 16234 Turner, Detroit, pled guilty to reckless driving between Buckingham and Beaconsfield on May 15, and was fined \$70 and \$5 costs.

Steve Massey, Jr., of 7744 W. Jefferson for reckless driving causing an accident at Harvard and Jefferson on May 7, was fined \$10 and \$5 costs.

John M. Geml, 22803 Sanson court, St. Clair Shores, for reckless driving at Vernor and Balfour on May 21, was fined \$50 and \$5 costs and no driving for 30 days, or five days in the Wayne County Jail.

Walter Fletcher, 17124 Waveney, Detroit, for speeding 40 m.p.h. on Jefferson at Three Mile on May 2, was fined \$10 and \$5 costs.

Robert V. Serge, 324 Rivard for speeding 38 m.p.h. at Windmill point drive on May 3 pled

guilty and paid \$20 fine and \$5 costs.

Glady E. T. Johnson of 502 Pemberton, for failing to stop for stop sign at St. Paul and Balfour on May 3, was fined \$5 and \$5 costs.

Russell Emmett Behrens of 3956 Harvard, for reckless driving causing an accident at Whittier and Vernor on May 6, was fined \$10 and \$5 costs.

Angelo Texas of 1201 Grayton for reckless driving in front of 15123 E. Jefferson on April 27, causing an accident, was fined \$15 and \$5 costs.

Frank Anthony Cruciano of 18314 Buffalo, Detroit, for speeding 35 m.p.h. on Vernor and Kensington on May 5, was fined \$5 and \$5 costs.

### Scouts' Circus Set for June 18

An even bigger and better Cub Scout Circus is planned for this year by the Cub Scouts of District III, which comprises the lower eastern part of Detroit and Grosse Pointe. Saturday, June 18th, is set for the big Circus day, barring rain, and the Denby High School Athletic Field will be the scene of this gala affair.

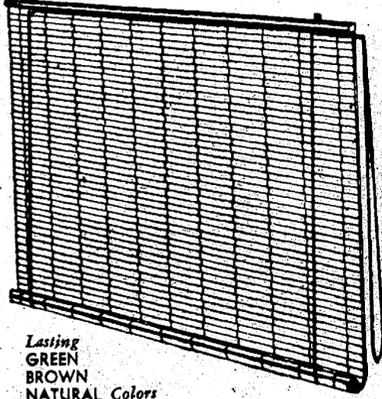

Twenty-five of the thirty-two Cub Packs in the area are expected to have side show exhibits and Main Ring acts, with from 1200 to 1500 boys actively participating. The giant Midway opens at 1 o'clock with its 100 side shows; the big Parade, led by an American Legion Band, marches in at 2:30, and the feature performance in the Main Ring starts off with a bang at 3 p.m.

Five thousand bleacher seats are provided this year to accommodate the large crowds which enjoy this annual show. Last year's 3000 seats disappeared quickly and "standing room only" was left for the latecomers. All sorts of refreshments and novelties for the children are priced at only five cents each.

Mayor Van Antwerp is expected to attend and many other prominent men have been invited, including Harry S. Toy, "Spike" Briggs, John Bugas, and Amos Shields. The District III Cub Scout Circus, originally a Denby Community project only, has grown to mammoth proportions; with this year's show being even larger than last year's sell-out show.

Officials of the Circus Committee are Ben Kushner, Chairman; H. D. Nixon, Ringmaster; Carleton Wyse, Treasurer; E. T. Anderson, Grounds Chairman; Francis Ferris, Refreshments. They extend a very cordial invitation to all East Siders and Grosse Pointers to attend.

### John Chandler, Jr., Named Headmaster at DUS and CDS

John Chandler, Jr., assistant dean of Yale College, has accepted the office of headmaster at the Detroit University School and Grosse Pointe Country Day School. Dean Chandler, who was born in Clinton, Massachusetts, is a graduate of Yale, and has received his Master's Degree from its Graduate School of Education. Before entering Yale, Mr. Chandler prepared at Groton.

During World War II Mr. Chandler served in the Naval Reserve, being discharged in November, 1945, as a Lieutenant (j.g.). He saw action in the Atlantic and Pacific areas. At the conclusion of the War, he was Executive Officer of a Destroyer in the Pacific. His war decorations

include the ATO ribbon, the Pacific ribbon with eight battle stars, the Philippine Liberation ribbon, and the one-star Victory Medal.

In 1942 Mr. Chandler married Fay Crocker Cogwill. Mr. and Mrs. Chandler and their three children will move into the Headquarter's Cottage on the Grosse Pointe Country Day School grounds during the summer.

### Ask Cooperation In Safety Drive

The Chiefs of Grosse Pointe today announced the results of the first six weeks of the accident prevention program aimed at reducing accidents due to vehicles being driven in an unsafe condition. They state that 751 traffic violators had been stopped and that checks by their men had turned up 48 cars with faulty brakes, and 118 with defective lights.

State-wide figures show 94,101 violators stopped; 6,942 cars with bad brakes; 22,533 with defective lights; and 5,957 with other defects, according to records received by the Michigan State Safety Commission.

The Chiefs called upon all motorists who have not yet had their cars checked during the last six weeks to take their cars to their regular service men for a thorough check-up. They emphasized the fact that the success of this accident prevention program depends very largely upon the cooperation of the public.

### Kiwanis to Give Show on June 2

The Riverside Kiwanis Club program committee announces the show "The Radio Schoolhouse Program," will be presented on June 2.

Fred Rivard and Harry Safford, members of Riverside, are in charge of the program.

The Radio Schoolhouse program will be presented at John D. Pierce School auditorium, Kercheval at Baulfour, Thursday evening, June 2 at 8 p.m. There will be a \$1.00 donation for each admission.

Tickets will be mailed upon receipt of your check or money order, or you may contact R. A. Cunningham at WA. 1-7500, 5555 Conner, zone 13.

### Winners of Rotary Club Scholarships

The Grosse Pointe Rotary Club at its last meeting announced the award of three scholarships of \$200 each, it is giving this year for deserving boys or girls of Grosse Pointe. The winners this year are Bruce Wolf, left, who will attend Wayne University to study pharmacy; Rudolph Schneider, center, who will study engineering at U. of D.; and Harry Hammon, right, who goes to Notre Dame for engineering. This is the first year the Rotary Club has awarded these scholarships. The funds for the scholarships come largely from the proceeds of the annual Party which the club holds in the Neighborhood Club each November. The scholarships are available to any boy or girl who is a graduate of a Grosse Pointe High School. The money is designed to pay student expenses but the allotment may be increased if the progress of the student indicates the desirability of doing so.

### Attempted Safe Robbery Solved

The attempted burglary of a safe in the Packard Sales and Service place at Lakepointe and Jefferson on April 13 has been cleared up.

On May 27 at 2:45 a.m. the Detroit 5th Precinct police dropped in on two burglars at work in the Roberts and Roberts cleaning establishment at 13225 Kercheval. One of the men got away after the police fired five shots at him, but they got the other, Robert Lanich, aged 50, of 2541 Lycaste, Detroit. Lanich is a professional burglar who specializes in safes. He just got out of Jackson on a three-year parole on Feb. 21 this year. He had been sent up for burglary.

Lanich has confessed to burglary of the safes in the Montith Library at 14100 Kercheval, and of the Carsten School library at 2592 Coplin. He also admitted breaking into the Butzell Library on E. Grand boulevard.

When the Detroit police got him they suspected he might have been the man wanted for the Packard case and notified the Park Police.

Detective Sergeant Enders went down and quickly got a confession from him.

It will be recalled the burglar failed to get into the Packard safe and he cleared up this by stating it was one of the toughest safe jobs he had ever tackled. Lack of time prevented him getting into it.

The police say Lanich will be taken out of circulation for a good many years; for breaking his parole and for the subsequent jobs to which he has confessed.

### Park Businessmen Battle Against Raised Assessments

(Continued from Page 1)

necessitated a quest for larger revenues on off-the-lake properties and the commercial establishments seem to have been the goats.

It has been the practice of the villages in the Pointe to take the township assessment as the basis for their village assessments. The township assessment is the basis for the Township, School, County and State assessments.

**Make Own Adjustments**  
In some cases the villages have accepted the township assessment as its own, in other cases they have added to it somewhat, as the Park has been doing, and in other cases reduced it, as for many years the Woods did up to a few years ago, where it assessed on a basis of seventy percent of the township figures.

The Park group decided to fight the raised assessment and will form a special committee within the Business Men's Association to carry on this particular fight.

They were to be represented at the final meeting of the Village Board of Review on June 1 in the Park Municipal Building between 8 a.m. and 8 p.m.

### Mother, Daughter Injured in Crash

Onofrio Mistretta of 5255 Wayburn, collided with a car driven by Charles Kennedy of 27 Radnor circle at the intersection of Buckingham and Charlevoix at 5:55 p. m. on May 29.

Mistretta's wife and daughter, Grace, aged 10, who were riding with him, suffered serious but not critical injuries and were treated at Bon Secours Hospital. He was given a ticket for reckless driving.

### Old Club Group Enjoys Holiday

Old Club members adjourned to their cottages at St. Clair Flats over the Memorial Day weekend to open the summer season officially. Mr. and Mrs. John W. Mulford took Mary Andrea and Susan with them.

The John T. Allmands took as their guests, Mr. and Mrs. Philip Kling of Neff road, and the Klings' guests, Mr. and Mrs. C. Lyman Emrich, of Evanston, Ill. A Friday evening dinner party, with the William J. Heils as hosts, and a Saturday cocktail party given by the Klings, honored the Illinois visitors.

Holiday weekend guests of Mrs. Henry B. Joy at the Old Club were Mrs. Francis C. McMath and Mrs. Wood Williams.

Mr. and Mrs. Henry Forster, Jr., dropped the anchor of their cruiser, Barbeth, at the Old Club. Mr. and Mrs. Bernard F. Powell accompanied them.

In their boat, the Celeste III, Mr. and Mrs. Ray M. Whyte had as passengers, the Arthur Rohdes and Mr. and Mrs. Robert Keller. They too, docked at the Old Club.

### FALLS OFF LADDER

William H. Sheppard, 64, of 281 McMillan avenue, fell off a ladder while working outside his home on May 27. Although he fell from the second story level to the porch, he did not suffer serious injuries. He was examined by Dr. Fuller, who said it was not necessary for him to be taken to the hospital. Farms police officers Van Tiem, Kerbrat and Jarrett used a stretcher to carry him upstairs to bed.

### Police Collar Collectors of Car Ornaments

Park Patrolman Crandall picked up a car with two boys in it at 6:35 a. m., May 28, on suspicion of larceny. Crandall's hunch was a good one as he found in the car ten swan ornaments usually found on Packard cars.

The boys were James H. Hernden, 17, of Misenor, Route No. 1, New Haven, Michigan, and Eldon Berry Phillips, aged 15 of 6630 Gratiot, Lennox township.

The boys had apparently specialized on Packard "swan" ornaments, as this was the only loot they had aboard.

The police know of several similar thefts in the Park and City and the boys have confessed to stealing four cars in the 5th and 15th precincts in Detroit.

The Park police as well as the Detroit police are very anxious that persons who have lost such ornaments shall make it known to them at once.

### Plans Completed For Rose Show

June 11 and 12 are the dates for this year's annual rose show. It is being held at the Goodwill Industries Building, 356 East Congress, across from the County Building. Admission is free from 3 to 10 p. m. Saturday, June 11, and 10 a. m. to 6 p. m. Sunday, June 12.

This is the annual show and competition put on by the Detroit and American Rose Societies. Competition is open to all amateur rose growers and prizes or awards will be given for the best blooms. Over 1000 specimen blooms will be exhibited in a bewildering display and fragrance.

Most of the older and many of the newer rose varieties may be seen as they have been grown outdoors to near perfection by the leading amateur growers in this area.

There will be entries from both backyard and estate size gardens, and classes for children, and novice and experienced exhibitors. There will also be sections of

roses in table arrangements, and non-competitive, educational, and commercial exhibits. Entries for all sections and exhibits must be in by 11 a. m. June 11.

## Program Gets Under Way For Michigan Aviation Week

Michigan Aviation Week, which the Aero Club of Michigan has been preparing for the past five months, will begin to unfold this week, and, by June 12, when the program closes, Michigan will have witnessed probably the world's greatest public interest aviation program.

Beginning with the arrival of the giant U.S. Navy Constitution, a 180-passenger transport, at the Grosse Pointe Naval Air Station on Wednesday, June 1, the entire program requires twelve

printed pages to explain all of the events of the week.

**"Constitution" Here**  
The "Constitution" opened for public exhibition beginning at 10:30, June 1, and will remain until 10 a.m., June 3. Meanwhile, on June 2, the final selection committee will meet to determine the winners of the Michigan High School Aviation Editorial, Photo and Poster contests.

Typical of the "Open House" is the gala event being planned for Detroit City Airport where 19 separate luncheon and service clubs have been invited to the airport for lunch on Tuesday, June 7. Along with the luncheon, the flight schools at the airport will give as many guest airplane rides as time permits.

**Plan Many Exhibits**  
Throughout the week at the Detroit City Airport there will be exhibits and demonstrations arranged by the University of Michigan, Wayne University and the University of Detroit including night fighter radar and instrument equipment and pulse jet demonstrations.

Col. Cass S. Hough, Chairman of the Michigan Aeronautics Commission; William M. Joy, President of the Aero Club; Thomas E. Walsh, Manager, Grand Rapids Airport; Jennings Randolph, Assistant to the President, Capital Airlines; S. A. Stewart, President, Chicago and Southern Airlines, are some of the long list of speakers for the week.

**Banquet at Book**  
On Thursday, June 9, the entire Aviation Week committee will gather at the Hotel Book Cadillac for the Aviation Week banquet, at which time many of the \$12,000 in prizes which are being awarded as part of the program will be presented by the Queen.

On June 10 the University of Michigan and Willow Run Airport will be hosts to Michigan high school students. Conducted tours are being arranged through Willow Run Airport.

**Elimination Contests**  
On the final day of the program, June 12, nine elimination contests have been scheduled by the Civil Air Patrol to qualify participants in the Michigan Flying championships, and the Detroit Glider Council will exhibit and demonstrate its entire fleet of Gliders at Joy Airport.

## Shop Lights

Mrs. Helen Peppet and her daughter Louise (of Peppet's Linen Shop) are vacationing in Bermuda.

Mrs. Rhoda Burke, who is always doing originals in her fine shop at 8100 East Jefferson, has struck upon an unusual idea for giving away 27 fine winter dresses, as her ad in this issue of the News shows.

The new home of the Wild Fowl Distributing Company direct representatives of the wild fowl farms of South Dakota, is now located here at 15320 E. Jefferson, (almost opposite Al Green's). They specialize in deep freeze lots and also represent the 100 year old Pinesbridge Farm of smoked turkey fame.

Grosse Pointe Betty Mushro of Trombley avenue is opening her brand new children's wear and linen shop today. Located at 22373 Moross, at Mack, which is the west end of the "Miracle Mile," the shop is replete with everything that goes well with baby talk. There're opening day specials, too! She had 15 years experience before making this venture.

Joseph Roe and Gertrude Ticker, who used to operate the Thomas Jewelers on Mack avenue are opening their new LOCHMOOR JEWELRY and GIFT SHOP today at 22377 Moross, at Mack . . . on the "Miracle Mile." Here old and new friends will find new, fresh stocks as well as a most delightful store. There are

gifts . . . surprises . . . for all! Sunday, June 19, is Father's Day!

## Park Awaits Delivery Of Two New Scout Cars

The Park police department will take delivery in a few days of two new scout cars. These cars will come equipped with the new FM radio equipment.

The three cars purchased last year will also be converted to FM equipment in time for the change-over to the Inter-Municipal police radio service which is scheduled for June 15.

## TO STUDY PARK TAXES

President Homer C. Fritsch of the Park has appointed Commissioners Karl B. Goddard and Peter Burgess as a special tax study committee.

## Color Pictures To Be Exhibited

Color Photography with slide competition will be the high spot in the program of the Grosse Pointe Camera Club at its meeting on Tuesday evening, June 7. Mrs. Marguerite Johnson, well-known color pictorialist, will have charge of the meeting and arrangements have been made for each member of the club to bring eight of their outstanding color slides. These will be shown and subjected to criticisms and judging by a qualified board of judges.

Following the color competition, Dr. Gordon Aldrich, president of the club, has arranged for judging of photographic prints submitted by the members, of pictures taken of Cranbrook Model Dancers.

The public is invited to attend the meeting, which will be held at the Neighborhood Club.

## SINGS WITH GLEE CLUB

David L. Penniman of Washington road is a member of the Northwestern University Glee Club which concluded its year's activities on May 22 by singing at the annual Spring Festival in the Evanston Township High School.

## Reckless Driver Nabbed by Police

As Park Patrolmen Crandall and Slusser were cruising at 1:10 a. m. on May 27, they observed a red '49 Ford making a sharp turn north on Somerset from Jefferson. They followed and saw the car weave from side to side as it approached St. Paul. They arrested the driver, Robert Semmler, aged 281 of 715 Berkshire, with a young man passenger.

Semmler had been drinking. He passed out some vile names directed at the police when they took him to the station and gave him a ticket for reckless driving, returnable June 6, at which time he will also have a hearing on a previous charge of speeding on Berkshire. His car was impounded.

## Martha Armstrong Gets Writing Job at U. of M.

Martha Armstrong, daughter of Mr. and Mrs. Samuel Armstrong of Lincoln road, has been appointed feature writer on "Schools and Colleges", an Ann Arbor publication. Martha is a graduate of Grosse Pointe High and is now a junior at U. of M.

## Poster Contest Prizes Awarded

Winners of the second annual Poster Art Contest were announced at an assembly of students in Grosse Pointe High School on Thursday, May 26. Principal Walter Cleminson, presided and Superintendent John R. Barnes made the presentation of prizes.

A record number of 185 posters were entered in the contest. The prize winning designs are being exhibited at Grosse Pointe High through June 9, and at Pierce

Junior High School from June 10 through June 23. Robert Ward of Hollywood boulevard won the first prize in the senior high school competition. Adele Huebner of 16355 Jefferson was second, and Betty Jean Hoyt of 1150 Lakepointe was third.

Three other prize winners were Nancy Crowe of Nottingham road, Diana Nylund of North Oxford and Alice Ann Reitz of Berkshire. Honorable mention was given Margaret Guy of Rivard

and Eleanor Gerlach of Beaconsfield. In the junior high school contest Carol Ford of McKinley avenue carried off top honors. Robert Williams of Ridgemont was second and Jeane Schade of McMillan avenue, third. There were also six other prize winners: Jeane Leste of Lochmoor; Armin Jocz of Trombley; Diane Demrose of Somerset; H. Taucher, Jr., of Bishop; Roy Kemp of Fleetwood, and Stuart B. Smith of Sunningdale.

### Junior League Announces Gift to Social Agencies

Mrs. Daniel W. Goodenough, president of the Junior League of Detroit, has announced a gift by the League to the Council of Social Agencies of Metropolitan Detroit to assist in study and action on community problems of family and child welfare.

Mrs. Goodenough states that the gift is intended to permit the employment of an additional staff member in the Family Welfare and Child Welfare Divisions of the Council. A two year demonstration period is intended. At present the Council of Social Agencies has one staff member working with both groups.

"The Junior League has been impressed with the need for greater community awareness of the gaps and problems in these fields," Mrs. Goodenough said in announcing the gift. "We know of no better way to aid our com-

munity than to help the agency representatives and citizens who are devoting themselves to fact-finding and analysis of our needs," Mrs. Goodenough added.

In commenting on the gift, Robert H. MacRae, executive vice-president of the Council of Social Agencies, agreed that with its limited staff the Council had been unable to offer sufficient guidance to the community on problems of family and child welfare. He pointed to the fact that studies are under way on matters such as psychiatric and psychological counseling for children and adults, follow-up of early behavior problems as found by the Police Department or courts and emergency care of children who must be removed from their homes because of neglect or illness in their families. Mr. MacRae stated that many of the current activities were a follow-up of recommendations contained in a local community study conducted in the Spring of 1948. He predicted that this additional staff assistance would increase the speed with which specific recommendations would be presented to the community.

The Council of Social Agencies is a Red Feather Service of the Community Chest of Metropolitan Detroit. It provides a common meeting ground for all major health, welfare and recreation agencies for study and action on problems in their fields of work. Support of this project will be obtained by the Junior League from the proceeds of its Country Fair to be held on June 16.

### Joan McGinty's Plans Complete

The wedding of Joan McGinty, daughter of Mr. and Mrs. D. A. McGinty, to John A. King, son of Royal E. King of University place, will take place June 25 at Grosse Pointe Memorial Church. Joan has chosen Jean Collinson for her maid of honor. Other attendants are Judy Harzer, Christine Boomer and Patricia McGinty of Eugene, Oregon. July Jonner will be a flower girl. Assisting the bridegroom will be William Jonner, best man, and Robert Burns, Richard Winkler and John McGinty, ushers.

Kappa Delta sorority in Ann Arbor was the scene of a shower Saturday afternoon given by Miss Woods Wright of Mt. Clemens. Miss Christine Boomer gave a dinner party for Joan and her friends of Helen Newberry on Thursday evening.

Mrs. Galen B. Ohmart succeeded Mrs. Donald Melville as president of the Colony Town Club last week, when board members held their election and luncheon in the Melville home on Edgemont park. Mrs. Joel L. Leete and Mrs. Philip C. Baker were named first and second vice-presidents.

Mrs. Francis H. Phelps will take up the duties of recording secretary, with Miss Helen Gregory as her assistant. Other officers are: Mrs. Adolph F. Marschner, corresponding secretary, and Mrs. Walter E. Simons, assistant; Mrs. Roger V. Walker, treasurer, and Mrs. Sterling S. Richhart, assistant.

### Burglar Visits Kerby School

Farms police are investigating a breaking and entering reported from the Kerby School on May 26.

Frank Duffy, the school engineer, said there were several ways in which entrance could have been gained. An unlocked window was found near the fire escape, and another one next to the coal chute in the basement.

John Warren, the janitor, left the building at 9 p.m. and reported everything was in order at that time.

### Police Radio

The Grosse Pointe Inter-Municipal Police Radio Service expects to be in operation by June 15 or very soon thereafter. In one respect the new system will be an improvement over the present Township radio. It has brought into the Grosse Pointe police communications service the City of Grosse Pointe which has been apart from the Township service for many years. The result has been the City has a little one square mile oasis of police information, sufficient unto itself but woefully divorced from the other four Pointe municipalities.

How the new system will work experience will tell. The proponents are confident that it will work satisfactorily and at considerably reduced expense.

One fault it will have which in some circumstances might have serious results. The present township station at is Vernier Road headquarters maintains a constant day and night monitoring of Detroit police information covering also Oakland, Macomb and the rest of Wayne County. As close and as intimately associated as we are with the great city and the surrounding territory, it would seem the part of wisdom that our local police departments should know constantly what is going on around them. The teletype will give such information, but this is not as quick as the instantly broadcast radio, when seconds might count heavily in our favor.

It is understood that this matter of monitoring outside territory is now being looked into. To do this, however, the local police station charged with the monitoring of any designated area will have to be equipped with the special receiving sets on the channels needed. This in turn may call for additional help in each monitoring police station and such an arrangement might quickly knock out the heavy claims made for economy in the new service.

Whether the local police radio was carried on by the township or in the inter-municipal radio service both would have to be operated on frequency modulation by January 1, 1950 according to orders from the Federal Communications Commission, so this makes no difference to the local taxpayer who must pay the considerable extra expense of conversion anyway.

The new service will be watched with a critical eye by the citizens of the Pointe. This community wants the best of police protection and is willing to pay for it. We already have unusually fine police departments here rendering capable and courteous service to the people. It is right that these men should be backed up with the most efficient radio service that can be devised.

### A Clarifying Breath

One of the most reassuring signs in this jittery old world at the moment is the strong stand that most of the real leaders in organized labor have taken against Communism. Philip Murray of the CIO has practically set a dead line for the leftists in his organization to recant, get out of the red ranks or be fired.

Americans who can view without hysteria the frightfully complex and involved political and economic cross currents that are in motion today would expect such a decision from the better balanced directors of labor, but to the many who are so befogged and confused by the turmoil of the times it comes as a welcome breath of relief.

The working people of America and of the English speaking democracies as a whole have been steeped too long in the tradition of personal liberty and human dignity to be greatly moved by the phony brand of democracy that has been issuing from the Russians for the past 30 years.

They have no relish for the sort of democracy which tolerates but one political party and hence robs the people of the only vehicle available for a diversion of opinion on matters which may intimately affect their welfare. Hitler and his strong-arm boys are of a too recent past to be overlooked in appraising the present problems. The communist oligarchy that now functions out of Moscow is pursuing the identical course in its attitude towards the working people.

What the Russians want or tolerate, is their own business. We want none of it here and the forthright position taken by many of our great labor leaders is assurance that communism will never penetrate deeply into the American social body.

### Case of the Reuther Brothers

The murderous assault on Walter Reuther, President of the UAW-CIO, a year ago excited only such natural horror and indignation as would be aroused by such a crime against any individual, intensified somewhat by the prominence of the man.

When the crime, identical in every essential detail, was perpetrated upon his brother Victor the other day implications set in motion a much wider circle.

As Walter and Victor were both extremely prominent in the CIO one natural speculation is that bitter animosities aroused within the organization led to the assault. The identical method and type of weapon used suggests both crimes were probably committed by the same person. This in turn might mean the determination of a single individual bent on murdering the Reuther brothers for personal revenge or as the agent of a group which dictated their removal.

Regardless of the criminal or the motives, the assault on the two brothers must have been inspired by a common cause and was most likely carried through by the same individual.

Every agency of detection that can be brought into the

*"Justice is the only worship.  
Love is the only priest.  
Ignorance is the only slavery.  
Happiness is the only good.  
The time to be happy is NOW,  
The place to be happy is HERE,  
The WAY to be happy is to make others so."*

(Robert Ingersoll)

You old timers who remember the days, when after breaking your back working in the garden for that first week in Spring, decided to hire a boy (for fifty cents a day), to lend a hand... will like this tale told to us recently by a veddy responsible local gent who owns a small garden. Our hero, being plagued by an eighteen year old neighbor to give him a job helping to weed the garden, finally "gave in" and hired the lad for the tidy sum of thirty six dollars a week. After the lad had been on the job for about ten days, he arrived one morning with a portable battery-radio and proceeded to take it with him wherever he went in the garden. His employer explained to him that that sort of thing wasn't done... that if he wished to bring his radio to work with him, he could park it in the tool shed and listen to it during his lunch hour.

The following day, our friend had to go on an errand, so left the boy to work alone in the garden for a few hours. When he arrived home, he found a note in the tool shed. It read: "I have gone home; I mean, I quit. If I can't play my radio, you can do your own digging!" Shades of grandpa and the old hickory stick!!

No doubt you radio listeners have heard (too many times), the new big hit "Ghost Riders in the Sky." It was originated by Burl Ives, who does it very well... and made popular via recording by Vaughn Monroe, who does it even better.

Our complaint about it is that every singer on the radio has taken a crack at it and most of them do it so badly that we have come to hate the damned thing. Roy Rogers sang it recently and pathetically; "Smiling" Jack Smith murdered it last week and Bill Lockman (Marshall Wells' program) sang it well but since one can barely hear his accompaniment (guitar), it sounded a little queer. "Riders" needs a few male singers in the background and it very definitely needs orchestration in spots.

Speaking of Smiling Jack Smith (who we always feel like booting in the rear)... Arthur Godfrey once said he'd like to hear him (Smith) singing "I Get The Blues When It Rains!" So would WE. In fact anything but "Riders in the Sky"... p-l-e-a-s-e, Mr. Smith!

Ruffy, our wild cat, celebrated his second birthday on Mr. Truman's birth date. We gave him an elegant repast of sardine cake with catnip candles... then let him out in the wilds of our garden to make whoopee. He tip-toed thru the tulips, played leap-frog over the peony plants, scampered up trees and came home exhausted. He passed Mr. Charles Dickens (an old man of six years,) in the hall and very definitely sneered at him. Ruffy has finally reached high school age and he wants every cat to know about it! Mr. Dickens, who has become rather sedate in the past year, spends most of his time looking at television. When he likes a character on the screen, he sidles up to it and tries to paw the object of his affections. One of his favorites is Bert Parks who emcees "Stop the Music." Mr. Dickens never misses Parks' performance and always "pats" the glass window of the screen from which peers Mr. Parks' face.

If you collect "coincidences"... we heard of a dilly this week. A local shop owner, going over his receipts of the day, came across a check that was correctly made out but unsigned. Thinking the Grosse Pointe Bank (on which the check was drawn), might recognize the handwriting and so trace the owner of the check, our hero sent his handy-man over to investigate. At the time the cashier wasn't in the bank, so the little man was asked to come back again on Monday morning, and perhaps they could solve the mystery. Back went our hero on Monday morning and up to the window of the teller he'd spoken to before. The only other customer in the bank at the time was a lone man who was just making his way to the same window. The teller, who obviously knew the young man well, leaned forward and said in a joking tone, "We have a check here made out to the Blank shop that hasn't been signed. It wouldn't be yours by any chance, would it?" The young man asked to see the check... and believe it or not... it WAS his check! He signed it and the deal was closed with dispatch. That's just one of the things we like about living in a small intimate community.

Not being "hep" to all the French phrases, we shall have to describe this performance as best we can in plain old Americanese. At a recent dinner party, the hostess was wearing a veddy bouffant satin evening gown that was obviously "propped" up at each hip by something other than the hostess. (There IS a French name for his contraption, but we don't know what it is.) Suddenly we noticed several men and women in a group around the hostess, looking at the thing and feeling it and discussing whether or not they liked it. The decision must have been that they didn't like it... because, quick as a wink we saw the hostess raise her gown (in the front)... and with a few deft movements that were concealed to our eyes, she suddenly whisked out from under the frock, a gadget that looked like the old time bustle with several strings attached to it. Airily, she handed the thing to her butler (who was standing nearby at the moment), and said, blandly as you please, "Here Jeeves"... Park (this some place." Gee Whiz!

hunt should be employed in running down this would-be assassin. Every citizen regardless of his approval or disapproval of the cause for which the two Reuther brothers labored will hope from the bottom of his heart that this hunt may be successful.

### Marriage Carnival

The whole atmosphere and every implication of the Aly Kahn-Rita Hayworth show was a travesty on the solemn institution of marriage.

The man had already been married and divorced once before; the woman twice. Doubtless either or both of them entered into the civil contract in the little French town last Friday with the mental reservation that if Nos. 2 or 3 didn't turn out to their liking they could easily break away for renewed marital adventures.

About the only thing that set this affair part from the usual run of Hollywood marriages was the greater display of barbaric wealth. This at least served as a carnival for the "peasants" whom the communist mayor insisted should see the "show."

It is difficult for decent men and women to extend the usual felicitations for a happy married life. The scene is too mawkish and the background too unpromising.

### Follow Safe, Certain Diets

By FRED M. KOPF, R. Ph.

The only safe way to diet is under the doctor's watchful eye. The real harm that you can inflict upon yourself by following extreme diets may not come to light for many months. And it is possible to so undermine your good health that you may never be able to restore it entirely.

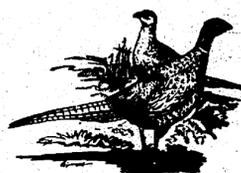

If you feel that you should lose weight see a doctor and let him determine the diet that you can safely follow to achieve the proper weight without endangering your health.

When medicine is recommended by your doctor, procure pure, potent, fresh drugs from a reliable pharmacist.

# Influenza Epidemic of 1918 Gave Pointe First Hospital

(Editor's Note: This is one of a series of "inside views" showing what modern hospital care means to the individual patient and to Grosse Pointe. The Greater Detroit Hospital Fund is beginning a campaign to assemble \$19,720,000 to help enlarge ten existing hospitals and build four new ones in this metropolis. The over-all program includes the addition of a new wing to Cottage Hospital.)

For thirty years Cottage Hospital has been caring for the sick and injured and the mothers and new-born infants of Grosse Pointe. However, its earliest beginnings go back nearly 40 years to 1910 when a Grosse Pointe mother, described in the records of that period as a "bright-eyed, little woman from Oak Street," startled members of the Mutual Aid and Neighborhood Club by announcing that her eight children had been sent home from school because they had scarlet fever.

**Farms and Cottages**  
At that time, Grosse Pointe was bounded on the south by summer houses along the lake and on the north by Mack Ave. a macadam country road along which stretched small farms owned by Belgian and French families. The Neighborhood Club was founded for the benefit of moth-

ers and children who lived along St. Clair, Rivard and Oak streets. At a meeting in the first club house, a rented building on Rivard street, when Mrs. Russell Alger was club president, the bright-eyed little mother made her scarlet-fever announcement and the club decided to add a nurse, Miss Johansen, to the regular staff of the club.

**Club Buys Home**  
There is no record of how long the eight children remained out of school because of scarlet fever, but the Neighborhood Club continued its activities. About 1912 it bought a home. In 1918 the influenza epidemic struck Grosse Pointe, and the Neighborhood Club transformed itself into a make-shift hospital. Cots were set up in the gymnasium of the club and women who had taken first aid and home nursing courses

volunteered to help. An early report of Cottage Hospital, written in 1919, relates that there were nearly 800 cases of influenza in Grosse Pointe at one time and many severe cases had to be neglected because of a shortage of doctors and nurses.

**Start Hospital Drive**  
"The crying need for a small hospital where severe cases could be concentrated was most evident," the report said, "and Baroness von Kettler, who as a Nurse's Aid during the epidemic had had this situation especially before her, initiated the movement to raise a fund to buy and furnish a Cottage Hospital, and she enlisted the help of Mrs. Benjamin Warren, Mrs. John S. Newberry, Mrs. Philip McMillan, Mrs. Murray W. Sales, Mrs. Witter Peabody and Mrs. R. P. Joy, Mr. Frank W. Hubbard acted as trustee of the fund.

"The residents of Grosse Pointe responded generously and a house at 54 Oak street was purchased in January, 1919. It consists of three wards, containing 5 beds for adults, 5 for children, 3 bassinets, with excellent kitchen, pantry and laundry, and heating plant. The upper floor is occupied by the resident nurses and house-keeper."

## From Another Pointe of View

by Jane Schermerhorn

No more important persons this month than the June bride... and the Pointe's social spotlight settles first... on brunette Una Lundberg, second daughter of the Everett E. Lundbergs of Oxford road... who this Friday evening will become the bride of James S. Smith, son of the Herbert W. Smiths of Fisher road...

The silver sixpence Una carried home from London where she visited with her parents a couple of years ago... will nestle in the toe of one white satin slipper tomorrow evening. And true to tradition... the bride will wear a bit of blue in the filmy garter beneath her wedding gown...

### Ladies Of The Garter

That garter is fast acquiring the most romantic background. Worn first by Mrs. William J. Lilly... the garter also took part in the wedding costume of Una's sister, Mrs. Harold L. Bohm...

Tomorrow it becomes "something blue" for Una... And later in June will be worn by Barbara Gardella at her wedding...

Off To California Una and her bridegroom will motor to California following the wedding... It's a favorite of Jim's... and the bride-elect has never visited there... There'll be emphasis on Los Angeles and California... and the route home will be via Colorado...

An apartment in Lake Shore Village is furnished and waiting for the young couple... it's on Marter road with the lake in the distance... And we did manage to learn that the bride's trousseau is generously sprinkled with her favorite shades of blue... and an especial pet is a trig jacket frock toned in the new Skipper's blue...

This evening Jim's parents... are hosts at the rehearsal dinner in Detroit Athletic Club... The wedding reception will be given by the bride's parents tomorrow evening... in Grosse Pointe Yacht Club.

They'll Blow Candles Now the brides and the debutantes may take over the lovely month of June... but there are several birthday girls coming in for their share of attention, too...

Mrs. William G. Curran's birthday will be celebrated next Saturday evening... a cocktail and buffet supper party in the Curran residence on Cadieux... It's the Monday after that (June 6) that four year old Judy Fisher will be surrounded by her little friends for a birthday party at the home of her parents, Mr. and Mrs. A. J. Fisher, Jr., of Renaud road...

And come the first beautifully sunny and really warm day... (and it may have been here before this column reaches you)... Mrs. John C. Holley has planned a wading pool party for her four-year old, Lynn... to mark a birthday... The guest list... waiting patiently for the sun... includes Judy Fisher... Lynn Stroh... Susan Ford... Michael Lynch... Marygaret and Ann Holley... Lee and John Hurd and J. C. Holley...

Travelers On the Wing: Mr. and Mrs. Charles A. Dean, Jr. drove up to Pointe aux Barques over the Memorial Day week-end to ready their Summer place, Yellowleaf, for a season of fun and family and friends... Mrs. Wesson Seyburn left just before the week-end to spend a few days in New York City...

## Marjorie Maas Wed To Laurance Harwood

Ceremony In St. Paul's Church Followed By Reception In Home of Bride; Young Couple To Live At Sylvan Lake Near Pontiac

A wedding trip to New York followed the marriage of Marjorie Mary Maas and Laurance Julian Harwood, Jr. of Pontiac on Saturday, May 28. Father Richard Parrish officiated at the 11 o'clock ceremony in St. Paul's Church on the lakeshore.

Marjorie was married in a dressmaker suit of periwinkle blue sick shantung. Her bonnet-shaped hat of natural straw was veiled and trimmed in periwinkle blue velvet. Her flowers were purple and blue pansies.

Joanne Maas attended as her sister's maid of honor. Her bolero suit of caramel brown silk shantung was set off by a natural straw hat, its visor peak paved with tiny white daisies. She carried a bouquet of white daisies and ivy. They are the daughters of Mr. and Mrs. John B. Maas of Washington road.

Mrs. Maas chose a print jacket dress and flower-trimmed white straw chapeau. Her corsage was of rose bay. Mrs. Harwood wore a navy silk print frock with navy

accessories. Stephanotis formed her corsage.

The bridegroom, son of Mr. and Mrs. Laurance J. Harwood, of South Ben, Ind., asked Thomas G. Kavanagh to be his best man. Maj. John B. Maas, Jr., and William R. Maas, the bride's brothers, escorted wedding guests to their places.

A reception in the Maas home followed the wedding. For their honeymoon trip to New York, the bride selected a navy wool suit, with which she wore a navy hat accented in white. They will make their home at Sylvan Lake, Pontiac, Mich.

Officers Picked By Garden Club Mrs. J. Lawrence Buell, Jr., was elected president of the Grosse Pointe Garden Club at the annual meeting held recently in the Merriweather road home of Mrs. Alan Beebe.

Mrs. Sherwood Reekie is vice-president. Other new officers include Mrs. Harold B. Tyree and Mrs. Mark Stevens, secretaries

Mrs. Elroy O. Jones, corresponding secretary with Mrs. Wilfred Teetzel as her assistant; Mrs. J. Arthur Mullen, treasurer.

Mrs. Wendell Wheelock arranged a flower show program. Mrs. Beebe and Mrs. George Heffernan judged members' entries.

Pointers to Participate In Wedding in New York Mrs. Edward J. Hickey III of Rivard boulevard will be in New York next week to attend as matron of honor at the wedding of her sister, Elizabeth Mary Farley.

Elizabeth, daughter of Mr. and Mrs. James A. Farley of the Waldorf-Astoria Hotel, New York, will marry Glenn Montgomery in Our Lady Chapel of St. Patrick's Cathedral on Thursday, June 9.

Mr. Hickey will be an usher in the wedding party. Mr. and Mrs. Joseph L. Hickey will also go east for the wedding.

## Maria-Waid McKnight To Have Navy Wedding

Will Become Bride of Ensign Thomas Fletcher Lechner in Ceremony At Naval Academy in Annapolis, Md. Tomorrow, June 3

Maria-Waid McKnight, daughter of Mr. and Mrs. Waid H. McKnight of Hawthorne road, will become the bride of Ensign Thomas Fletcher Lechner Friday afternoon, June 3, at a 3:30 o'clock ceremony in St. Andrew's Chapel at the United States Naval Academy, Annapolis, Md. The prospective bridegroom is the son of Dr. and Mrs. Harold M. Lechner of Glendale avenue.

The bride will wear a gown of imported chantilly over white satin, with fitted bodice of lace over satin and satin-cuffed short sleeves. Tiny round standup collar and bouffant skirt falling into a long circular train over a satin underskirt are other features of the bridal gown. Her two-tiered French illusion bonnet will have a full length veil of matching illusion, and she will carry a Colonial bouquet of gardenias and blue forget-me-nots.

Off the shoulder gowns of white marquisette, with fitted bodices and bouffant skirts will be worn by the maid of honor, Winifred Lechner, sister of the bridegroom, and the bridesmaids, Jayne Meier and Jean Martin.

The honor maid will wear a white horsehair picture hat with royal blue streamers, and the other two attendants will have white horsehair bonnets with royal blue streamers. They will carry old-fashioned nosegays of yellow rosebuds and blue bachelor buttons.

For her daughter's wedding, Mrs. McKnight has decided upon a dress of dusty blue crepe, and toast-colored hat. The bridegroom's mother will wear a beige crepe dress and matching chapeau.

Ensign Donald Gairing, of Cleveland, O., will be best man. Ushering will be Ensigns Everett Higgins, of Norfolk, Va., Guy Neely of Washington, D. C., Walter Schriefer, of Oshkosh, Wis., and Midshipman Boyd Johnson, of Miami, Fla.

After a reception at the Naval Academy Alumni Club, the newlyweds will leave for Split Rock Lodge in the Poconos. For traveling, the new Mrs. Lechner plans to wear a navy and white frock with flame red jacket, navy straw hat trimmed in red, and navy accessories.

They will reside in Annapolis, where Ensign Lechner is stationed as an instructor at the Naval Academy.

## Dessert Bridge Planned By Unitarian Alliance

### o Get Degrees At Smith June 6

NORTHAMPTON, Mass. — Six candidates for the degree of Bachelor of Arts this June at Smith College. Commencement exercises will be held at the college on June 6. Robert F. Bradford, former governor of Massachusetts, will give the commencement address.

The girls are: Miss Eleanor Pillsbury Buell, daughter of Mr. and Mrs. J. Lawrence Buell, Jr., Vendome road; Miss Patricia Ann Jerome, daughter of Mr. and Mrs. Gilbert T. Jerome, 40 tenard road; Miss Norma Nones, daughter of Mr. and Mrs. L. W. Jones; Miss Sarah Tiedeman, daughter of Mr. and Mrs. Carsten Tiedeman, 56 Kenwood road; Miss Dorothy Walton, daughter of Mr. and Mrs. Howard R. Walton, 171 Lewiston road; and Miss Lucy Peters Wilson, daughter of Mr. and Mrs. Willard O. Wilson, 1084 Bedford, Grosse Pointe.

Miss Buell prepared for Smith at the Grosse Pointe Country Day School. She majored in mathematics. In her junior year she was a Junior Usher at commencement and this past year has been president of Park House, her dormitory.

Miss Jerome prepared for Smith at the Grosse Pointe High School and the Grosse Pointe Country Day School. She majored in English.

Miss Nones graduated from Ashley Hall, Charleston, S. C. She majored in French and spent her junior year in France, studying at the Sorbonne, the Ecole du Louvre, and at the Institute D'Etudes Politiques. She was active in the Glee Club and in the college athletic association.

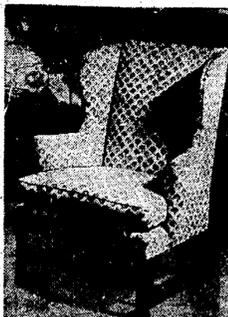

Miss Tiedeman attended the Grosse Pointe Country Day

School and St. Catherine's School in Richmond, Va. Her major was in art. Last spring she was a Junior Usher at commencement, and was elected to the Alpha Society in the field of dance. This past year she was president of Sessions House; her dormitory.

Miss Walton was graduated from the Grosse Pointe High School. She majored in sociology, and this year was business manager of "Outlook," a college literary magazine. She was appointed this year to be head of Indoor Ivy Day, a traditional senior ceremony taking place before graduation.

Miss Wilson attended the Friends Academy, Locust Valley, L. I. and the Northfield School for Girls, East Northfield, Mass. Her major was in history. During her years at Smith she was active in Girl Scout work in Northampton, and this past year was president of the Student Press Board, the student branch of the College News Office.

Among the many women who are taking active part in staging the event scheduled for June 9 to raise funds to build an addition on Bon Secours Hospital, are those pictured above. Left to right are: MRS. H. C. JOOS, MRS. FRANK FEELEY and MRS. RICHARD C. CONNELLY.

Girl Scout News

Troop 579 of St. Paul School had a wonderful experience last month. One day the troop was taken through Fort Street Station and through two trains—one a streamliner—as well as the telegraph office. On the following day, they took the streamliner to Lansing and while there went through the Capitol, went sight-seeing and had lunch at the Olds Hotel. On the return trip, they had a snack on the streamliner.

Senior Troop 299 of Brownell Junior High gave a hayride, wiener roast and dance at Finley's Stables on Saturday evening, May 28. Mr. and Mrs. Carl Georgi and Mrs. Frank Judson were chaperons along with the Watson Fords.

### Mrs. Ford to Entertain Farm and Garden Club

Mrs. Frederick S. Ford will entertain members of the Grosse Pointe Farm and Garden Club at their annual meeting June 13 at her farm near Oxford.

Last week, club members traveled to Ann Arbor for a garden tour. Among those who made the trip were Mrs. Joel Prescott, Mrs. Ward Detwiler, Mrs. Wallace S. MacKenzie, Mrs. Alvan Macaulay, Mrs. William Fries, Mrs. James O. Murfin, Mrs. George Klein, Mrs. Charles F. Navin, Mrs. Alfred LaFerte, Mrs. William R. Kales and Mrs. Henry E. Candler.

### Navy Mothers Club Holds Memorial Day Services

Navy Mothers Club No. 68 observed its annual Memorial Day services at 10 a.m. Monday, May 30, at Gabriel Park, Belle Isle bridge. The club held open house at the Veterans' building, 704 E. Jefferson, following the Memorial services.

The June meeting of Navy Mothers Club No. 68 was advanced to Wednesday, June 1, to allow members to attend a Navy Mothers state picnic to be held at Lansing on Wednesday, June 2.

### Society Offers Girls Vacations

Girls Friendly Society's vacation houses at Pine Lake are being made ready for girls who want a moderate-priced vacation of one or two weeks or more, according to Mrs. George R. Clark, chairman of the Holiday House committee.

Reservations still are available to girls in three age groups, Mrs. Clark points out. Swimming, hikes, boating, crafts and get-togethers at the outdoor fireplace are among activities offered at the charming vacation houses located on a 100-acre property.

"Bird's Nest," the two-story cottage for girls of six to 11 years old, and "Holiday House," for girls of 12 to 20 years, will open July 2 for an eight-week period to August 27, and young vacationists may choose the time they wish to go. Each is staffed with a house mother and experienced counsellors.

"Rest Cottage" is for older girls and employed women desiring a more quiet holiday time. Opened May 28, it will continue to October 22.

Sponsored by the Girls' Friendly Society of Michigan, these vacation houses are on Pine Lake in Oakland County, about nine miles from Pontiac and 25 miles from Detroit, on Middlebelt Road just north of West Long Lake Road.

They are operated on a non-profit basis to provide healthy, happy vacations at a moderate cost.

Information on rates and transportation may be obtained from

## THE MOST MODERN

of America's Fine cars

COSTS \$855 TO \$2302 LESS\*

Nash has built a new kind of automobile for those who want life utmost in luxurious motoring.

It is a big car in every respect, with the maximum of passenger and luggage space.

Its efficiency and its performance are something entirely new in fine cars.

The Nash Ambassador employs the principle of Unitized body and frame, eliminating useless weight, increasing strength and safety, and offering a roadability and ease of handling never before possible with a big car.

Compared with the other three finest American automobiles, the Nash Ambassador, under similar driving conditions, will deliver as much as thirty per cent more

\*Based on prices reported in Automotive News, March 14, 1949

miles on a gallon of gasoline. And you will ride and drive in greater comfort and with less fatigue than in any other automobile in your experience.

The Nash Ambassador is America's most modern automobile in exterior design. It is the only car streamlined from bumper to bumper with uninterrupted fender lines.

And the Nash Ambassador is priced \$855 to \$2302 lower than you would have to pay for any of the other three fine automobiles.

It offers so much more in the fine things you want, that we ask you to compare it with any other car at any price. Nash dealers invite you to drive this most modern car.

### ONLY NASH AMBASSADOR OWNERS ENJOY ALL THESE FINE-CAR FEATURES

The famous Ambassador Engine, America's only high-compression, valve-in-head engine with 7-bearing crankshaft 100% counterbalanced, and UniFlo-Jet carburetion.

Nash alone offers an undivided curved windshield in all models.

Only Nash offers the Weather Eye System that delivers a constant flow of fresh, filtered, dust-free air under pressure, and thermostatically controlled. You can ride in zero weather, front seat or back, without coat or gloves!

Nash is unrivaled for riding smoothness, with all four wheels cushioned on coil springs tuned to human body comfort.

Nash Automatic Overdrive lets your engine loaf at road speeds, gives you 15% to 25% more gas mileage.

Here is the utmost in head-room, leg-room, elbow room, and luggage space—and all in a low-silhouette automobile. It's 9 1/2 feet long inside. Nash Twin Beds let you travel in your

own private sleeping quarters. Cider-built Unitized Body-and-Frame, exclusive with Nash, is one solid, welded unit, stronger, safer, virtually rattle-proof.

### Pointe's Legion Baseball Team Has Standing of 500

On Sunday, May 29, Grosse Pointe Post played Woodrow Wilson Post at Kerby Field and beat them 4 to 2 on 2 hits and three earned runs one of which was a home run.

On Monday, May 30, Grosse Pointe Post played Father Martin's Catholic Central team at Kerby Field, an exhibition game, and was beaten 11 to 13. This game was high-lighted by 4 home runs, of which Grosse Pointe made 3 and the team hitting was the best on record to date due to the turnout of many new faces this season by the boys from high schools.

On both days a double header was played; New York Central beating Faust Post on Sunday and Police Post beating Beaudry Post on Monday. The Sunday games were regular scheduled games. Grosse Pointe Post now stands 2 won and 2 lost with 11 games more to be played in the regular season.

Next Sunday, June 5, Grosse Pointe Post will play Briggs Post at Kerby Field in another regular scheduled game. Play time is set at 1 o'clock. There was an exceptionally good attendance on both days, which should encourage the city fathers to do all in their power to better playing conditions at Kerby Field. A new home plate and set of bases to

replace those new worn out, and more work on the diamond are badly needed.

### Lakepointe Club Opens Officially

The new clubhouse of the Lakepointe Country Club was officially opened on Memorial Day. Brief dedication ceremonies were followed by intra-club golf matches and the new kitchen wing turned out its first buffet.

The club, located at Masonic boulevard and Harper, provided excellent golfing and social facilities for Pointers and residents of St. Clair Shores. It became a member of the Detroit District Golfing Association early this spring.

A new clubhouse in modern ranch style has just been completed and beautifully furnished. Pointers interested in joining should contact the membership committee, Lakepointe Country Club, 1033 Wayne-street, Detroit 26.

### SECOND OFFENDER

Donald Randolph, 17, of 1087 Lochmoor boulevard, was bitten on May 31 by a French poodle owned by James McClintock of 37 Beverly road. Mr. McClintock was notified to appear in Farms police court on Wednesday night, June 1, to answer charges on this case and another one in which one of his two poodles had previously bitten another boy.

Miss Florence Drill of Long Island, N. Y. climaxed a three week's fishing chore May 22, Sunday morning, when she hooked a seven pound, 32-inch Northern Pike off the Grosse Pointe Farms Municipal dock. Said Miss Drill: "I have been fishing here for three weeks without getting a bite, but this tops everything. I caught this beauty with a dead minnow after two minutes of angling." Miss Drill is visiting her brother, Victor Drill, of 319 Moross road.

### 213 Newspapers Used by Altes

Altes Brewing Co. will use 213 newspapers throughout Michigan in its new advertising campaign about ABC Altes Lager beer. The campaign will tell the ABC's of why Altes Lager is made exclusively in closed vats and why beer drinkers should try Altes Lager, identified by its new ABC neck label on each bottle.

Forty-one daily and 172-weekly newspapers throughout the state will carry the Altes advertisements, according to Howard H. Colby, president. Newspapers were chosen for this introductory campaign, according to Colby, in order to reach the greatest number of people and attain the widest coverage of the market. These advertisements coincide with the spring selling season when beer sales are building towards their summer peak.

The Grosse Pointe News has been selected to carry the Altes message in its circulation area. With its recently expanded facilities at Detroit, Altes is in good position to supply the expected demand for its product. Enlarged storage capacity, more refrigeration and bottling facilities, as well as a new brewing laboratory to insure the uniformity and stability of the beer, have kept Altes in the forefront of the Michigan brewing industry.

### BI Takes Over stolen Car Case

A car which was stolen from Country Club parking lot on May 27, was driven over state line and into Indiana, so the S. I. will handle the case from there.

Mrs. Warren Sheldon, 69, of Fairview road reported the loss of her 1947 Ford to the Farmers' office. A message was broadcast on the teletype.

On May 30 the local police received word that the car had been stopped in Peru, Indiana, with four persons in it. They were all arrested.

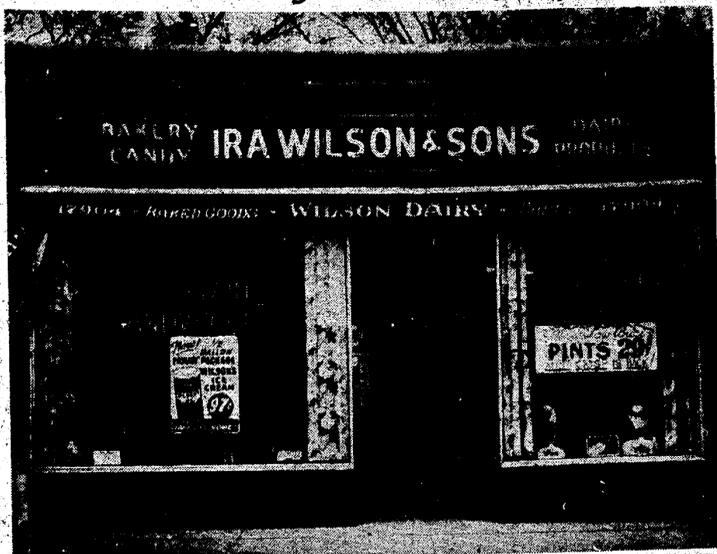

Driving a stolen car over state lines is a violation of the National Motor Vehicle Act and because it is a federal offense, the Department of Justice steps into the case.

### Scout Troop 86 to Hold Spring Court of Honor

Boy Scout Troop 86 will hold its spring Court of Honor in the Trombly School Auditorium at 7:30 p.m. on Thursday, June 2.

In addition to the awards, there will be a showing of the film made of the International Scout Jamboree in Paris.

### Celebrating First Anniversary

One of the newer stores that has struck a happy note and grown week by week in its first year of operation is this IRA WILSON AND SONS dairy products store, 17904 Mack, at Washington Road, which is celebrating its initial birthday today. Light lunches, a complete baked goods and candy department and a soda fountain keep the staff on the go from early till late. Leon Ricelli manages the store.

### Of Interest To Veterans

Two major changes in leave policies affecting veterans training under the G. I. Bill in job-training establishments and in schools below the college level have been announced by the Veterans Administration.

The changes are:

1. Allowing these veterans to apply for 15 days' leave at the end of their period of enrollment, in addition to whatever leave they might have been authorized while in training.

2. Placing full responsibility for granting leaves of absence taken during training—within a limit of 30 days a year—upon schools below college level and job-training establishments. This responsibility does not extend to the 15 days given at the end of an enrollment period.

Leave at the completion of enrollment periods may be obtained only if the veteran has enough remaining entitlement time to cover the requested leave.

Under the new policy, leave taken during training now becomes a matter strictly between the veteran and his school or employer-trainer.

Only absences to be reported to Veterans Administration in the

future are those considered by the school or establishment to be unauthorized, as well as time off in excess of 30 days in a calendar year, exclusive of Saturdays, Sundays and holidays. These reports are necessary so that VA may make appropriate

reductions in veterans' subsistence allowances. VA emphasizes that all schools—including colleges—are to continue to notify VA of all interruptions in training.

QUESTIONS AND ANSWERS Q. Are patients in VA hospitals permitted unlimited participation in competitive sports? A. Patients may participate only with the permission of the doctor in each case. An average of 48,000 veterans per month have been taking part in various sports at hospitals and homes.

### Virginia Anne Wilson

Virginia Anne Wilson became the bride of Jackson Rice Baker in the Presbyterian Church at Church at Milford, Mich., on May 14, the twenty-fifth wedding anniversary of her parents, Mr. and Mrs. Lansing Wilson of Colonial Orchards, Holly, Mich.

### Marries Jackson Baker

formerly of Grosse Pointe. The bridegroom is the son of Earl W. Baker, of Clyde, Mich., and the late Mrs. Baker.

Upon their return from a wedding trip to the Smoky Mountains, the pair will make their home in Pontiac. Mr. Baker is in senior year at General Motors Institute of Technology in Flint.

### Dominican High to Hold Classes This Summer

Summer classes for high school students wishing to advance themselves or to make up lost credits will be held at Dominican High School from June 22 to August 1 inclusive, 8:30 to 12:15 daily. The curriculum includes all academic and commercial subjects, laboratory sciences excepted. One-half unit of credit may be earned in any course pursued. Classes meet for two hours daily, each student being limited to two subjects.

A special reading course designed to help high school students whose achievement in all subjects is lowered because of faulty reading techniques is offered for the first time this summer. Teachers especially trained for this corrective work will be available for the summer session. One-half unit of credit in English may be earned by those who register for the course which is called English Literature—How to Read a Book.

All summer-school registrations must be completed by Saturday, June 18.

### Nancy Clapp Wins Honor At College of Education

Miss Nancy Clapp, senior at the College of Education, College Park, Maryland, has been presented the Alumni Association's annual award at their banquet May 6.

The choice of Miss Clapp as the most prominent senior in her college was based upon her outstanding service in this field.

Miss Clapp is the niece of Dr. and Mrs. Earl G. Kriegel, of Midlesex road and is a former Grosse Pointe High graduate.

In addition to the above honor, Miss Clapp is president of her sorority, Kappa Kappa Gamma this year and also received the Mortar Board. She intends to work with children in Washington, D.C. Nursery School. Her major is Pre-School Education.

### Bruce Kittredge to Go On Cruise on Destroyer

Bruce J. Kittredge, fireman apprentice, USN, son of Mr. and Mrs. Bruce J. Kittredge of 2081 Lancaster, Grosse Pointe Woods, is scheduled to visit ports in England and France aboard the destroyer USS New, one of the ten Midshipmen Practice Cruise Squadron which will sail during July and August.

This annual cruise is designed to provide practical shipboard training to Midshipmen from the Naval Academy, Md., and from Naval Reserve units throughout the country.

PARCELLS SCHOOL The Easter number of "The Golden Arrow", the newspaper edited and published by Miss Harger's Sixth grade English class, was circulated on Thursday, April 14. It included original poems and stories, current sports news and three interesting personal interviews. Mr. Jameson, Principal, was interviewed by Patsy Veit and Jo Anne North, Mrs. Collins, school nurse, by Laurel Vortman, and Officer Harry Duroos of the Woods Police Force, by Paul Shuert and Bob Schueerle. The editorial staff consists of: Marilyn Marr, Editor-in-chief; Nancy Corey, News Editor; Donald Marter, Sports Editor; Jo Anne North, Literary Editor; Bob Schueerle, Art Editor; Diane Rinehart, and Paul Shuert, Fashion Editors. "The Golden Arrow" is published twice a semester.

The music room at the Parcels School looked like a miniature electrical appliance shop, Thursday evening, April 7. The sixth grade science classes of Miss Wolfe and Mrs. Champion, exhibited the electrical projects they had completed in conjunction with their unit on electricity and the 4H Club work. The projects included plastic lamps, molded and wired, lamp shades, extension cords, repaired lamps and cords, assembled toy motors and crystal radio sets. Mr. Ed Scott of the Detroit Edison Company, Mr. Ray Lamb, and Miss Marie Wolfe, representatives of the 4H Club inspected the work and awarded first, second, third ribbons, pins, and certificates.

Flag raising was resumed as a weekly event on Thursday morning, May 5, at the Parcels School. Miss Elvera Rieck, fifth grade had charge of the program. Ronnie Lucia, as master of ceremonies led by Miss Ruth Ernst, sang, "America the Beautiful". Two new features made the program especially interesting. The Parcels School band, under the direction of Mr. William Ferry, played several selections as the children grouped around the flag pole. The band, Sam Lucido and Donald Heidrich, raised the flag, the band played the National Anthem. The other interesting

addition to the program was the first use by the children, of the new microphone and stand, a gift to the school by the Parcels P.T.A.

Miss Marjorie Harger's 5A Group gave an assembly program for the fourth and fifth grades, on Wednesday and Thursday, May 11 and 12. It was a culmination of their study on transportation and communication. Using the microphone and stand, the gift to the school from the Parcels P.T.A., they presented their program as a television-radio broadcast.

The program consisting of reports and graphs, showing progressive stages in the development of transportation and communication, was as follows: Introduction, by Lynne Bennett. Time Line on Water Transportation, by Robert Truscott and Sharon Tobias. The Development of Trains, by Bruce Koth, Bob Tapert, and Fred Watts. The Development of Transportation to Alaska, by Marcia Slocum and Sue Himmelsbaugh. A Time Line of Progress in Communication, by Carolyn Farnol and Wintha Markuz. The Egyptian Alphabet, by Barbara Butler and Kay Mancini. The History of Alphabets, by Bob Strale and John Rogers. Chinese Writing, by Fred Watts and Bob Tapert. The Making of the Telephone, by Gordon Creeger. A History of the Telegraph and the Morse Code, by Byron Kobayashi and Jack Lapsish. Comparisons of Numbers of Radios and Telegraphs in Countries, in Graphs and Charts, by Larry Methner, Violet Newport, Murray Suppanz, and Donna Newton. Conclusion by Lynne Bennett and Bernard McPhillips.

Quite a number of classrooms have small gardens, either in sand tables or in small pots within the rooms, among them being the rooms of Miss Weyrauch, Mrs. Holt, Miss Raynal, Mrs. Drew. The kindergarten children of Mrs. Arends have an outside flower garden on the front lawn. The pupils are enjoying very much and receiving much instructional values from seeing green things grow.

As part of the spring program directed toward bicycle safety, a poster contest was held for the fifth and sixth grade pupils of Richard School. The Safety Patrol initiated the contest and Mrs. Orebaugh, the art teacher, assisted by starting the pupils on

their way in art class and acting as judge when all the posters were in. The captain of the Safety Patrol, Bob Hembel, and the captain of the Service Squad, Marcia Clement, also acted as judges. Mr. Messner, principal, was the fourth judge. The posters were judged on originality, technique, and on the message the work carried.

The names of the artists who produced the prize winning posters were kept a secret until they were introduced in an assembly. Before the awards were presented a march was played by a group of four boys in the 6B class while the pupils entered the assembly and then they played the Star Spangled Banner while the flag was spotlighted. Slides on bicycle safety, which were made by members of the 6B class, were shown to the group. The slides stressed the necessity for obeying all traffic regulations, the danger of riding double, and the best way to ride a bike safely.

The climax of the program came when the winning posters were shown to the children. After the poster was shown on the stage the winner was called forward and presented with the award. First prize was won by Clarke Morrison 6A, second prize by Deanna Bardy 6B, and third prize by Ann Hartzell 6A.

Since the assembly the posters have been on display in the halls of Richard School. The contest was planned by Mr. Hammel, sponsor of the patrol with the boys.

ANOTHER CAR RIFLED Joan Flinterman of Touraine road reported to the Farms police that while she had her father's car parked in the Punch and Judy parking lot on the night of May 25, some one broke a window and got into the glove compartment, stealing her purse with a small amount of cash in it.

PROWLER USES LIGHT Farms police investigated a report that a prowler was peering into windows with the aid of a flashlight at 333 Touraine road on the night of May 26. He had departed before the police arrived.

### NIGHT COACH

By Carolyn Farrell

Outside, the eerie night flies by. Without a star to light the sky. Inside, on high, the ceiling moon shines down in circled yellow gloom. Around me, shadowed figures lie. Wrapped in sleep's torpid mystery. Under their coats, in huddled peace. Their tired bodies find release. One hour I slept upon my spine. One hour sweet Morpheus was mine. For sixty surly moments, he gave me refreshment, grudgingly. Now comes the first-faint beam of light. My back is wrenched, my shoes are tight. And from uncurtained panes, I spy, Young morning open one bleary eye. And tho' I know the night is past, The dawn of day is come at last, Bewildered still, my weary spirit fails. And with the night coach, grinds upon the rails.

### CHILDREN'S HOUR

By Joan W. Hall

It's children's hour, it's children's hour, Hold your hats, it's children's hour. Watch your fingers, watch your toes, Watch your eyes and ears and nose. Mama's darling's on the loose And no defense is any use. So summon up your staying power And brace yourself for children's hour.

First a probing little thumb Pries into your lower gum, Then the index finger goes. Unerringly straight up your nose. Eyes comes next and off with glasses. One by one you lose your lashes. Then he's in your crowning glory He must be taking inventory!

I hate to seem to be a pest But little one, may I suggest The adam's apple not the place To plant your knee, nor is the face; And pounding isn't good for stomachs Yay off, desist, you great big lummock!

I guess I should be very meek And learn to turn the other cheek; They say that even though demanding A child should meet with understanding. I s'pose he too has got his rights. Ouch,—the little stinker bites!

The things one has to do,—oh, brother! Just because one is a mother. It's nip and tuck if I've the power To live through one more children's hour!

### CONQUISTADOR

By Shelley R. Aagesen

So now you think to leave me for a new love. A slender girl with waved and tinted hair. The little spiteful things she says to hurt me Stir me to laughter, dearest,—I don't care!

She bows to me with gracious condescension And wonders why I smile, unconscious that No snorting Spanish bull could be so rabid. As you are when you see a bright red hat.

## Pointer of Interest

CARLOS JAMES MCKINNEY, JR., OF GRAND MARAIS

Young Jimmy McKinney, who will be eleven next month and recently decided that he prefers the dignity of his first name "Carlos," is a gun fancier. His father presented him with many of the pieces in the gun collection which he entered in the Detroit University School hobby show last spring.

An Army 45 is his favorite. Carlos thinks, although he mentions hesitantly that the holster accompanying the firearm prejudices him in its favor. He explained the mechanism of the entire gun.

Another "pride and joy" in young Carlos' collection is one he calls "a Colt police positive '38," the same as policemen carry. He pointed out how the hammer hits each of the six bullets as the cylinder revolves. Recently, Carlos lent various firearms (unloaded, of course) to his playmates, so that his collection is somewhat depleted. However, he has a rare sub-machine gun, one of 25 turned out by a manufacturer before he stopped production on them.

Has Sharpshooter Set Carlos considers the McKinney living room an ideal spot to set up his small sharpshooter set and practice away with his BB target practice guns. A lamp shade is

the best place to attach the target, he admitted.

"Isn't that a little hard on the lamp shade?" we were forced to ask. "No," Carlos stated matter-of-factly. "You don't hit the lamp shade if you're good!"

King-size cap guns and similar toy guns are also included with Carlos' firearms. Like all lads his age, he's an avid baseball player and likes model planes. He plans to take up tap dancing next year, and is now in one of Annie Ward Foster's classes.

Despite his intense devotion to guns, his mother, who was Broadway star Ethel Norris, feels that Carlos is the one of her three children who has a flair for the theater. Perhaps she hopes to direct his talents into more genteel lines, because the McKinney windows and lampshades have undergone a heavy barrage since the advent of the BB gun.

## Marjorie Ebner Holiday Bride

Miss Marjorie Jane Ebner, daughter of Mr. and Mrs. Frank Gannon Ebner, of Barrington road, was married Monday, May 30, at St. Ambrose Church to Mr. Henry John Bailey III, son of Mrs. George Winthrop Cahoon of Pittsburgh, Pennsylvania. The Reverend Francis F. Van Antwerp performed the ceremony. The bride's father gave her in marriage. Her sister, Miss Antoinette Ebner was maid of honor, and her niece, Kathleen Marie Schumar of Downers Grove, Illinois, was flower girl. Edouard Eller of Bronxville, New York, was best man for Mr. Bailey. Ushers were Frank Gannon Ebner, Jr., and Charles Michael Ebner.

A breakfast at the Whittier followed the ceremony. The bride wore ivory satin, an ivory lace Juliet cap and fingertip veil. She carried white orchids and stephanotis. Her maid of honor and flower girl wore embroidered organza.

After a trip through the South and the Smoky Mountains, Mr. and Mrs. Bailey will return to New York to make their home.

This is a purely personal note to you about something equally personal to be found at JACOBSON'S beginning Monday, June 6. An elegant and special selling of three pure silk items . . . slips, gowns and petticoats (half-slips). There are marvelous bargains in exquisite lingerie and ones you'll want to take advantage of for a full Summer's supply. Slips have V necklines, satin applique bownots in the center, fitted midriff and scallop trim at neckline. Of course the petticoat or half slip is a joy to all gals and especially cool for Summer costumes yet shadowing skirts of sheer frocks. The gown has wide shoulder straps and feminine sash at waistline. Pure silk there's no shrinkage in this lingerie! Gowns, slips and petticoats are to be had in a variety of soft tones including white, pink, maize, blue and green. The sizes are 32 to 40 and are such special ones you'll have to hurry, hurry to be among the lucky ones claiming this wonderful lingerie. It's JACOBSON'S for those items close to you this week!
