

# Liquor Fine Follows Fatal Accident

(Continued from Page One) officials who examined the case were satisfied.

**Hardly Touched**  
The pint bottle of liquor on which the Schettler store was convicted by the Liquor Control Commission, had not had more than one small drink taken from it. According to City Detective Jim Flannagan, who had custody of the bottle, "there had not been enough liquor taken from it to affect a baby."

Up to the present time no action has been taken by any authority citing Mike's Bar to the Liquor Control Commission for selling liquor to minors.

**Opinions Differ**  
Chief Ingalsbe of Grosse Pointe Shores says that he called the attention of Chief Champine of St. Clair Shores to the Mike's Bar association with the accident at the time of the tragedy, and again some weeks afterward.

Chief Champine, in a phone talk with the NEWS on Monday acknowledged that he had not cited the Bar to the Control Commission in this case, but maintained that such initiatory action

should be taken by the Chief of the municipality in which the accident occurred. He maintained this was legal procedure. Chief Ingalsbe was told of Chief Champine's stand and said that if that was what he was waiting for, he could be assured that such action would be taken, and quickly.

Impartial opinion is that such action might have been taken with full legal propriety by either of the chiefs.

**Innocent Victim**  
The general police opinion is

that the Schettler store has been an innocent victim in the whole issue. They say that it is not to be expected that every vendor of bottled liquor will demand that every purchaser come equipped with a birth certificate.

Young Weaver was 20 years old when he bought the bottle and could have easily been presumed to have been of age.

The case against Richard Seymour, the driver of the car at the time of the accident, is still pending in Circuit Court.

## Truck Drivers Scoffing at Law

A woman living in the 1000 block on Whittier reported to the Park police at 1:30 p.m. on Aug. 9 that she had counted five trucks within the last two hours which were driving south on Whittier. A police traffic regulation put into effect a year or more ago makes Whittier exclusively a northbound road all the way from Jefferson to Mack.

There is some building operation underway nearby and the trucks are finding it more con-

venient to ignore the traffic regulation. When she had remonstrated with one of the truckers he had told her, she said to "go jump in the lake."

The police assured her if they could catch one of the wrong way truck drivers they would jump him in the cooler.

## GUARD STRENGTH JUMPS

With a strength of 9,619 officers and men at the end of June the Michigan National Guard marked a net gain of 11 per cent in strength during the first six months of 1949, according to a report issued by Brigadier General George C. Moran, The Adjutant General.

# Rotary Club

(Continued from Page One) with two weeks at summer camp.

Supplied monthly food basket to indigent old couple. Donated \$100 toward purchase of artificial limb for local man.

**Youth Services**  
Under the title of Youth Services is mentioned: Supplied funds for kitchen equipment at Girl Scout camp; furnished funds and supervision for community Halloween party for 5,000 school children; supplied funds for prizes for Boy Scout Alaskan games.

Presented local hero of Kenyon College fire with portable typewriter.

Supplied special tutoring for two elementary school boys. Sponsored four high school boys to attend Wolverine Boys State.

Awarded medal to outstanding member of High School band. Supplied funds for two war orphans to attend Americanization Class.

Watch awards given to outstanding High School seniors.

**Editor's Note**  
This statement of the work of the Grosse Pointe Rotary Club is published without the suggestion or knowledge of any member of the Rotary Club, whose policy it is to do its work of this kind without publicity.

It is published for the information of the people of this community that they may have a better knowledge of the service which Rotary and the other service clubs such as Kiwanis, Lions and Optimist clubs do for the Grosse Pointe community at places and times when such service is most needed and most effective.

Wednesday is named after Woden, a deity of the Anglo-Saxons.

Statistics for 1948 show only two unmistakable cases of lynching.

# Census Data

(Continued from Page One) avenue from the Detroit City Line to Kenmore.

**Increase of 125 Per Cent**  
This area shows an increase of 228 children in the age group, birth through four, or 125 per cent for the past two-year period and an increase of 204 children between the ages of 5-11 or 95 per cent for this period. The total number of children in this area this year in the birth through four group was 410 and in the 5-11 group, 418.

**Gratiot Growing Fast**  
The Gratiot Census Zone, which includes the area bounded by the Wayne-Macomb County Line on the north, Rita on the east, Kenmore on the south and Beaconsfield on the west, increased 113 or 78 per cent in the birth through age four group, and 36 or 28 per cent in the 5-11 group in the past two-year period. The total number of children this year in the first age group was 261 and in the second, 257.

For the first six months of 1949, 340 residential building permits were issued. Last year 375 permits were issued during this same period, so in terms of total number, this year shows a slight dropping off in the rate of new home building.

**Woods Permits Drop**  
While there were fewer permits for the Woods for this year than last, both the Farms and Gratiot areas showed more than for the similar period last year. As a result there were 306 permits issued for these three areas this year as compared to 291 last year, which represents an increase for this total "north" or "east" end of the district.

All of the data referred to above shows that the so-called "north" or "east" end of the school district is continuing to grow at a rapid rate. The Grosse Pointe Board of Education, and administrative staff are at present engaged in a careful and thorough analysis of these data.

**Planning Program**  
The Board of Education plans to discuss these and other data relative to school building needs with many groups in Grosse Pointe during the next few months in order to get help in making definite plans for a school building program.

# Visit Crosby

(Continued from Page One) Dennis, (the twins), 14, and Lindsay, 11.

**Like George Kell**  
After the feast everyone sat around the big camp fire and the talk soon turned to baseball. Lindsay's favorite star is George Kell and Bing, co-owner of the Pittsburgh Pirates, is familiar with all the Tiger players.

A musical program soon got under way with the Pointe girls offering a number; then, the Crosbys, then a joint effort. Sally Marshall, Jane Marks and Jean Steyer sang a trio, then Bing had Lindsay play the ukelele and sing a series of duets with him. Gary did several numbers with "Pop" beating out the rhythm with his fingers on the back of the uke.

**Fine Relationship**  
The girls were impressed with the good-natured ribbing between father and sons and the fine relationship between them. Bing and the boys were leaving early the next morning for a vacation.

The boys talked of their work on the ranch each summer, whereby they earn all their spending money. They complained good-naturedly of "Pop" being a slave driver, getting them up at 6:30 each morning and making them work seven days a week.

**Invited to Studio**  
Bing extended an invitation to the girls to be his guests at Paramount Studio when they reached Hollywood. They are in the movie capital now, being feted as were the boys on their trip last month.

Pointe girls taking the trip include: Sue Gorenflo, Mary Williams, Joyce Giller, Mary Stover, Anne Hinchman, Tish Hosmer, Mary and Nancy Hoesch, Sally Ferny, Elaine Cabot, Marilyn Wrobles, Sally Marshall, Jane Marks, Jean Steyer, Mary Lou Drysdale, Jeannette Jacobs, Dolly Hammel, Mary Carey, Betsy Stevens, Janet Zurschmiede, Doty Olson and Sue Mair. The other girls are from Birmingham and Detroit.

Thanksgiving day has been proclaimed every year since Abraham Lincoln began the custom.

# Evidence Points To Planned Theft

Officer Mauck of the City police force, while cruising at 4:35 a.m. on August 11 picked up two 15-year old boys in a '36 Plymouth on Kercheval near St. Clair.

Investigating, Mauck found an empty gas can and a length of hose, which might be used to syphon gas from a car. The boys were alone in the car but said they had driven their girls up to St. Clair Shores. After taking them home they had found their car dangerously short of both gas and oil. They had hoped to find a parked car on the street or at a gas station and replenish both with the aid of the convenient hose.

The boy driving the car had a restricted driver's license, which permits him to drive only with a parent in the car with him. They were taken to the Maumee station and the car taken from them. The parents were notified and the father of one of them appeared at 9:30 a.m. and retrieved both car and hopeful.

**"Thrifty is the word for MERCURY!"**  
THAT'S WHAT OWNERS SAY ABOUT THIS MONEY-SAVING BIG CAR!

ALL over the U.S.A. owners are saying that the handsome new 1949 Mercury is the thriftest big car they've ever driven.

And it IS! Imagine getting 17, 18, 19 miles per gallon—and up! Even more with Overdrive! These Mercury owners do—day after day!

They enjoy all this, too: A powerful new 8-cylinder, V-type engine! Front coil springing! A truly restful "comfort-zone" ride! Easier steering! "Super-safety" brakes! Plus the luxury of foam rubber-upholstered seats!

So—make your next car Mercury—and get the smartest buy there in! Liberal trade-in. Easy terms.

### Construction to Start Soon On Augustinian High School

First Unit of Building to Be Constructed on Fringe of Pointe Will Accommodate 1,000 Students; Total Capacity to Be 1,500

A start will be made in the near future on the building of the High School of the Augustinian Order at Mack and Warren. Rev. Fr. Charles J. Melchior, Provincial of the Midwest Province of the Augustinian Order, who has directed the project since its beginning several years ago, is now receiving bids. As soon as a contract is let construction will begin early this fall.

This project is of immediate concern to Grosse Pointe as it lies on the very edge of this community. Doubtless many of the students who will attend will be residents of the Pointe community.

Plan Later Addition The entire project is not to be completed at this time. The original unit will have a capacity

of 1000. With the additions to be made later there will be accommodations for 500 more.

The school will be built on a site which for many years belonged to the City of Grosse Pointe. It was acquired many years ago as a site for a reduction plant and for sewage disposal work. It has been idle, even as a reduction plant, since the end of the war and for sewage disposal purposes was abandoned many years ago when the arrangement was made with Detroit for the treatment of local sewage in its sewage treatment plant.

The property was a long narrow tract a little more than 200 feet wide and approximately 5000 feet long, extending from Mack avenue to Canyon avenue.

Was Sold To Detroit The property was sold to the City of Detroit for future extension of its park area, and Detroit in turn sold an irregular square-shaped piece of it on the Grosse Pointe end to the Augustinian Order. This deal was fully understood at the time Grosse Pointe City sold the property to Detroit, which paid the City \$35,000 for it.

The school authorities of Grosse Pointe have welcomed the project since it was first proposed. It is recalled that Dr. Paul Essert, who was Superintendent of Grosse Pointe Schools at the time, said that the proposed high school would be a splendid addition to

the educational equipment of the Pointe area.

To Be Most Modern When the whole project is completed it will be one of the most modern and efficient properties of this character in the country. Extensive provisions will be made for athletic activities and all sorts of extra-curricular interests. These, however, will not be attempted with the first development.

### Reckless Drivers Pay Up in Court

In Park Police Court on Aug. 10 Justice C. Joseph Belanger disposed of the following cases:

Jean E. Wild, of 1366 Whittier, for reckless driving causing an accident at 704 Trombly on July 23, paid fine and costs of \$8.10, placed on probation for 30 days and ordered to make restitution for damaged property.

Rose Mary Louwers, 14966 Glenfield, Detroit, for making improper turn at Cadieux and Jefferson on July 12, causing accident, pleaded guilty and was fined \$5.

Reginald G. Sauls of 14522 Glenwood, Detroit, for improper control but less than reckless causing accident at 15780 Mack on July 20, paid fine and costs of \$10.

Joan Flinterman, of 108 Touraine, for failure to give right of way at intersection at Lakepointe and Fairfax, causing accident on July 18 paid fine and costs of \$15.

Anthony Devon of 17675 Stahelin, Detroit, for entering an intersection without due care and caution at Lakepointe and Fairfax on July 18, causing accident, paid fine and costs of \$15.

Dale H. Johnston, 5711 Buckingham, Detroit, for stop law violation at St. Paul and Balfour on July 21, paid fine and costs of \$10.

Michael Joseph Cupolo of 14053 Prent, Detroit, charged with not having car under control and causing an accident in front of 1477 Wayburn, was adjudged not guilty and case was dismissed.

### Pointe Theatre Offers Benefits

Grosse Pointe Theatre will present past-productions for benefit programs for any church group or civic organization, it was announced at the Theatre's Board of Trustees' meeting last Friday.

Hospitals, rest homes and other institutions are also offered; this entertainment which includes one-act plays, skits and "stage-talk" lectures, said Russel Werneken, president.

"These benefit performances are in accord with our non-profit policy which encourages interest in the theatre at a minimum of cost," Werneken explained.

Complete information can be obtained by contacting George R. True, vice-president in charge of production, at 132 Moran road.

### EXPECT 21,000 STUDENTS

Enrollment at the University of Michigan this fall is expected to reach the same figure as last year, approximately 21,000 students. The cost of educating that number of students plus research activities and other University services has been budgeted at \$18,658,637 for the 1949-50 year ending on June 30, 1950.

### World's Record Catch

MRS. HARLEY EARL of Touraine road receives a congratulatory hug from her son, JERRY, after landing his 606 pound Blue Marlin off Bimini in the Bahamas. Mrs. Earl's catch was made on Friday, July 29, while fishing on the "Alberta," captained by John Tass. It took her 608 pound blue marlin off Bimini in the Bahamas. gaff. He measured 12 feet 2 3/4 inches. Mrs. Earl has been notified that she has set a new world's record for women with a 39-thread line. It was her first blue marlin. The fishing trip was a great success for the Earl family. Jerry caught two marlin and Mr. Earl also landed one.

### Traffic Rules Contest Held By Rotarians

Expose Both Knowledge and Ignorance During Entertaining Program

The Rotary Club at its meeting on August 15 had as its entertainment feature a program that developed a lot of information on the traffic problem. It also provided an uproarious good time by exposing the ignorance or knowledge of many of its members on traffic subjects.

Police Chief Arthur E. Louwers of Grosse Pointe Park was the chairman of the day's program. Chief Trombly of the City and Chief Ingalsbe of the Shores were also present.

### Detective Hough Talks

The program opened with a serious talk by Detective Sergeant Hough of the Park on the traffic subject with an explanation of the Traffic School which is maintained by the joint action of the Pointe Chiefs of Police.

Following Hough's talk a quiz school was set up in which Rotarian Frank Parker represented the Woods, Clyde LeMay, the Park, Dick Burr, the City, Dr. O'Neil the Farms and Bert Waldridge the Shores.

### Prizes Awarded

The varying degrees of excellence in their knowledge of traffic rules was evidenced by Parker winning \$3.00 as the first prize; Burr, \$2.00 second prize; LeMay received a fountain pen as third prize; Bud Waldridge, not too good, was given two tickets to the traffic school and a book of rules; Bob O'Neil drew the booby prize, the oil can.

The quiz master, of course did not make the questions too easy and apparently took a deep satisfaction in tangling up his victims.

The members were unanimous in declaring the show one of the best put on in many weeks.

### 4 Cars Figure In Minor Crash

There was a four-car accident at Cadeux and Jefferson at 11:40 a. m. on August 11.

The cars were all proceeding in the same direction when the front one suddenly slowed down for a turn. It was struck by the following car and the same thing happened with the two others in the rear. All of the cars suffered minor front and rear end damage. There was no personal injury.

### Dog Bites Top Health Report

No new cases of the usual children's diseases were reported for Grosse Pointe during the month of July, according to the Grosse Pointe Department of Health. Although no mumps, measles or chicken-pox turned up, there were two cases of polio, one in the Park and one in the City.

Dog bites accounted for the greatest number of hazards to the public health during the month. Five were reported in the Woods, three in the City, and two in the Park. The Woods also reported two cases of cat bites.

One case of impetigo was reported in the City and one in the Woods, while Vincent's infection, or trench mouth, struck one person in the Park.

A total of three cases of tuberculosis were reported, two in the Park and one in the Shores.

The report was submitted by Dr. Thomas S. Davies, Pointe Health Commissioner.

### Falls Off Boat; Drowns in Lake

A drowning in Lake St. Clair between the foot of Moross road and the channel was reported to the Farms police on August 14. The victim was Fred Jones, colored, aged 37, of 6340 Northfield, Detroit.

Talmadge Jones, brother of the victim, also of Northfield, told the police he and a colored woman, name not given, were motor boating with Fred and Fred's wife between 7 and 8 o'clock Saturday night, August 13, when the accident occurred. Fred was riding up on the top of the front of the boat when he is reported to have fallen off.

The Coast Guard was notified and prepared to drag for the body Sunday. However, the lake

was too rough both Sunday and Monday and the dragging had to be postponed.

### Find Stolen Car Parked in Park

A car reported by the Detroit Auto Squad on August 8 as stolen was returned to its rightful owner when Mrs. Robert T. Tapart of 668 Middlesex reported to the Park police at 8:52 p.m. August 10 that a strange car had been parked on Middlesex near Avondale since early morning.

The Detroit Squad was notified and the car gotten into its owners hands within the hour.

### The L. G. Peez Here for Month

Mr. and Mrs. Lawrence G. Peez of Beverly Hills, Calif., have taken a house on Sunningdale until the middle of September.

They are here for the wedding of their daughter, Mary Fran and Don T. Galvin, Jr., Sept. 3.

### Mrs. Kimerly and Family Vacation at Leland Home

The long list of Pointers returning home immediately following Labor Day includes Mrs. Harvey L. Kimerly of Touraine road and her daughter, Avery Lynn, and son, Bill.

Mrs. Kimerly has been spending the season at the summer home of her father, Donald R. Mitchell.

### Interior of Store in Grand Opening Today

Today, Thursday, August 18, marks the occasion of the grand opening of this beautiful new home of Norman Fing Furniture on East Warren, at Kensington road, just 4 blocks east of their original location. The store is Early American in design and is owned by the Norman brothers of Grosse Pointe. Fine furniture of leading Grand Rapids, Jamestown and Rockford manufacturers is featured and General Electric appliances are carried exclusively. The establishment is 10 years old.

### Demings at Hot Springs Till Mid-September

Mr. and Mrs. Paul Harvey Deming of Cherryhurst, Lake Shore road, are vacationing at the Homestead in Hot Springs, Va., until the middle of September.

### Back to Pointe After Holiday

Mr. and Mrs. Ledyard Mitchell will return soon after Labor Day from their summer home, the Dunes, at East Hampton, Long Island.

With the Mitchells this summer have been their granddaughters, Polly and Linda Deming, little daughter of Paul Harvey Deming, Jr., of Lake Shore road.

The first sailing club was established in 1720 in Ireland.

### Mrs. Worcester Visits In East

Mrs. Eva Doty Worcester of Sunningdale is visiting friends in Marblehead and Gloucester at the moment.

She left the Pointe the first of August to attend the Berkshire Music Festival at Stockbridge and then went on to Marblehead. She plans to be in East Gloucester until late September.

### Pointe Chooses Gratiot Inn For Late August Week-ends

Gratiot Inn on Lake Huron continues to be one of Summer's most popular and fashionable resorts. Each week-end finds throngs of Pointers listed on its smart register.

This past week-end, vacationers there included Marilyn and Joan Kaiser of Oxford road; Mr. and Mrs. Nelson A. Butler of Hampton road and Mr. and Mrs. Kenneth E. Chamberlin of Lincoln road with their family.

### Fisher-Robinson Youngsters Arrive Home From Europe

European travelers are arriving daily at the Pointe and one of the latest contingents to get home comprises Mary Elizabeth and Charles T. Fisher III, daughter and son of Mr. and Mrs. Charles T. Fisher, and their cousin, Walter Briggs Robinson, son of Mr. and Mrs. W. Dean Robinson.

They have been traveling with their grandmother, Mrs. Walter O. Briggs, and docked in New York last Friday aboard the Nieuw Amsterdam. They visited England, Scotland, France and Italy.

# Pointers Finish Near Top In State Star Boat Races

Site of Next Year's Championships Is Very Confused Issue Following Michigan Title Races Held At St. Joseph During Weekend

By Fred Runnells

The ninth annual Michigan State Star Class Championship held at St. Joseph, Michigan last week end, August 13 and 14, was won by Bob Cameron in "Lochinvar."

In the winning of the Philip Upton trophy, emblematic of State Champion in the Star Class, Cameron sailed his sleek ship to three straight firsts for a total of 57 points. Cameron was sailing under the St. Joseph fleet burgee.

**Bennett Gets Second**  
Pete Bennett, of the St. Joseph fleet and that fleet's world championship representative, finished second in the final standings with 52 points and won the new Star of Michigan award. He captured fourth in the first race and finished second in the remaining two races.

Bob and Dick Ferguson, 1947 winners of the Upton Trophy,

only three inches from being awash. A fast job on the davit saved "Petrel" from a watery grave in the St. Joseph harbor.

**Spend Light Caulking**  
All afternoon and that night caulking was applied to the stricken ship's seams and she was ready for the last race of the series on Sunday.

**19 Boats Complete**  
Nineteen of the best Star yachts from fleets from all over the state competed in the three race series.

The series was highlighted with the near sinking of "Petrel" which opened her seams in the moderate seas in the first race on Saturday, August 13. "Petrel's" skipper hailed a nearby cruiser and was towed to port as she gradually settled with her decks

his answer to the Gull Lake request until after the World's Championship Series, which will be held in Chicago next week, August 21 to 27. Stearns said: "If a Chicago boat wins the World's Championship this year, Gull Lake will be my first choice on which to defend my title."

**How Things Stand**  
Here is the way the situation stands:  
1—Gull Lake will hold the Great Lakes series if a Chicago boat is successful in the World's Championship series. If not, Gull Lake will hold the Michigan State Championship series.

2—If Gull Lake holds the Great Lakes series, the Michigan State series will come to Detroit.  
3—In view of these facts a representative of the Port Huron Fleet further confused the issue 1939 and Detroit River had it in requesting the honor of staging the Michigan State Series because they have not had it since 1947.

**Everything Confused**  
This ruling threw everything into confusion and the site of next year's series cannot be decided for at least another month.

Under the rules if a member of the host fleet wins the title the choice of the site of the following series passes to the second place boat. In this case it was another boat from the host fleet. As it stands at present Gull Lake has the right to stage next year's event, but here is where things get confusing.

At the Great Lakes Championship series, held at Cleveland two weeks ago, a Gull Lake representative requested permission to stage that event.

Dick Stearns of Wilmette Harbor, Illinois, winner of the Great Lakes Championship, withheld

regardless of which fleet finally gets the nod the Michigan State series will be held for the tenth time in succession.

**Altes Beer Sponsoring Weekly Sports Telecast**  
"Top Views in Sports," a 15-minute film highlighting the sports activities of the previous week, will be telecast every Friday over WWJ-TV, sponsored by the Altes Brewing Co., Detroit.

The program will be viewed from 6:30 to 6:45 p. m. on Fridays until Sept. 30, when it will move back an hour to the period from 7:30 to 7:45 p. m., after the ending of daylight saving time in the East. The first program under Altes sponsorship was scheduled Aug. 12.

This 15-minute all-sports film is produced by United Artists and is their first venture in television. Seventeen camera crews located at strategic points throughout the United States film the sports events which make up the program.

This marks Altes' second television program. The Detroit brewery also sponsors weekly telecasts of the games in the National Football League from Braun Park, Detroit, at 9 p. m. Saturdays over WXYZ-TV.

In AM broadcasting, Altes sponsors the fastest five minutes in radio twice a week with Tony Weitzel over Station WJR, Detroit. The five minute programs are heard from 5:30 p. m. to 5:35 p. m. Tuesdays and Thursdays. Altes also claims the shortest commercial in radio on this program: "And now try ABC-Altes Lager, won't you?"

# Panthers Lead In Playoffs

The league champion Panthers walloped the socks off the Wildcats 14 to 7 in a wild and woolly game last Friday afternoon at the Neighborhood Club.

In the first inning the Wildcats pushed across five runs, which were largely due to pitcher Bob Mercereau's wildness. Bob issued walks to the first three batters to face him and then was tagged for two successive doubles which accounted for four of the five runs. The fifth run was a gift due to Panther's errors.

In the 6 p. m. game the Panthers won their second game of the day and the second straight game in the tournament when they tagged the Tigers with a 5 to 2 defeat and moved to the top of the standings.

Two teams dropped from tournament competition in both games on Monday, August 15.

In the first game the Indians eliminated the St. Clare Cubs to the tune of 7 to 6 in a hard-fought contest.

The Indians played the 6 p. m. game and apparently couldn't stand the strain of two games in one day and lost to the Wildcats, 13 to 9.

Indian errors were mainly responsible for the defeat as they committed six miscues, which were good for five Wildcat runs.

**Playoff Standings**

| Team      | W | L |
|-----------|---|---|
| Panthers  | 2 | 0 |
| Tigers    | 1 | 1 |
| Wildcats  | 2 | 1 |
| Indians   | 1 | 2 |
| St. Clare | 0 | 2 |

(\*Eliminated.)

# St. Clare Group Planning Dance

The St. Clare Athletic Association will wind up its summer sports cavalcade with a pennant dance. Mick Mikula, general chairman, along with the other committee members states the dance will be one of the biggest social events of the summer.

Music will be provided by Costello and his orchestra now finishing their long engagement at the Whittier's Gold Cup room. This gala affair will be held August 26 at 9 p. m. in the St. Clare auditorium.

# Four Softball Teams Defeated

By FRED RUNNELLS

Four teams found the going extra tough in the Neighborhood Club Softball League two-game knockout playoff tournament and dropped by the wayside in the first week of competition.

Omer's Cafe, Bruce A.C., and T.Q.R. Post each lost their first two games while Grosse Pointe Appliance hung around for an extra game before bowing out of the tournament.

Riley Motors dumped Grosse Pointe Appliance 5 to 0, and the Jolly Dutchman dropped Omer's Cafe, 2 to 0. In both games it was a case of the loser dropping from the tournament, as all four teams had lost one game.

On Monday, August 8, Joe Osebold kept Jackie's Bar undefeated in the playoffs when he hurled a perfect no-hit, no run game against Omer's Cafe to win, 7 to 0.

Osebold struck out all 21 batters to face him in the seven inning game.

George Van Wanbebe was on his way to a no-hit game in the second contest on August 8 and was credited with an abbreviated no-hit performance against Bruce A. C., when the game was called

at the end of six innings. At the time the game was called because of darkness, Van Wanbebe had struck out all 18 batters to face him, to give Riley Motors a 6 to 0 decision.

VILLAGE OF **Grosse Pointe Park**  
**NOTICE OF PUBLIC HEARING ZONING AMENDMENT**  
THE VILLAGE COMMISSION of the Village of Grosse Pointe Park will hold a public hearing on  
**MONDAY, SEPTEMBER 12, 1949 AT 5:30 P. M.**  
in the Municipal Building at 15115 Jefferson for the purpose of considering and acting upon a proposal to amend the Building Zone Ordinance so as to provide for a ten foot setback on Jefferson Ave. in the vicinity of the Municipal Building. The proposed text of the amendment is as follows:  
**JEFFERSON SETBACK**—On Jefferson Ave. in the vicinity of the Municipal Building, namely, on the north side of Jefferson from the east line of Wayburn to the west line of Lakepointe, and on the south side of Jefferson from the east line of Barrington to a point 142.3 feet east of the line of Lakepointe (herein called the Civic Center Area), a yard ten feet in depth shall be maintained. In such Civic Center Area no buildings or structures shall be erected or maintained within ten feet of the Jefferson Ave. lot line, building and structures existing on August 8, 1946 and wholly or partially within said ten feet being exempted and considered as lawful non-conforming uses.  
William G. Stamman  
Village Clerk

**Is your car slow on pick-up —fast on gas consumption?**  
Better come in and let us check the carburetor.  
**Fact to remember:** Your car's carburetor is the "heart" of its engine-and-fuel system—supplying the cylinders with constantly varying gas-and-air mixtures.  
**For example:** More gas and less air is required for starting, idling and low engine speeds. As car speeds increase, more and more air in proportion to gas is needed.  
**Tip:** If your car's performance is sluggish—and your gas mileage records are low, our factory-trained servicemen know what to do. With precision equipment—and with factory service recommendations—we're ready to show you how to get all the gas mileage that was built into your car.  
Come in soon. We'll give you a free estimate, in advance, of what your car needs . . . and what the cost will be.

### South Lake Loop Playoffs Start

The Accessory team earned the right to the first round bye in the South Lake Softball playoff tournament which opened Monday, August 15, after having won the regular season championship with 15 victories, 3 losses and one tie.

The first game of the playoffs was an extra inning affair which was won by V.F.W., in eight innings over the fourth-place Heads Tavern team, 1-0.

The second game of the eve-

### Mary Lou Zittel Will Be Bride Of Samuel C. Laux on Saturday

When Mary Lou Zittel and Samuel C. Laux are married this Saturday, August 20, the parties and showers will come to a slight pause until the couple return from their honeymoon, for there are plans for more parties honoring them. Mary Lou is the daughter of Mr. and Mrs. Lyster H. Zittel of Somerset road and Samuel is the son of Mr. and Mrs. Philip J. Laux of Muskoka road.

The ceremony will be performed by the Rev. Paul Ketchum at Grosse Pointe Memorial Church at an 8:30 candlelight service.

Picking up the hostess duties were Sally Reynolds on July 30, at the Beach Grove Country Club for a combination luncheon, swimming party and shower.

August 6 co-hostesses Mrs. Howard Donaldson, Mrs. Howard Maclean and Mrs. Harry J. Lippman entertained at a cocktail party and linen shower for the bride-elect, at the latter's home on Westchester road.

The following day Joan Godson honored the couple with a cocktail party, in her home in Chic avenue.

Mary Ellen Marwede and Esther Bohm entertained for the bride-elect on Wednesday, August 10, at a miscellaneous shower and tea at the latter's home on Berkshire road. This was followed on Thursday by another miscellaneous shower co-hosted by Mrs. Ward Meeker and Mrs. Paul Telesky.

Bridesmaids will be Esther

### Rollins Offers 'Delmanettes'

Exciting news for all well dressed women comes with the announcement of a new Delman shoe called the "Delmanette".

Delman, one of America's foremost designers of women's shoes, took a nationwide survey to learn that 50 per cent of American women buy shoes in the \$13.00 to \$19.95 price group. Regular Delmans are more expensive; so to accommodate those women who wanted Delman quality and Delman shoes, the "Delmanette" was created at their price.

In Detroit you'll find the Delmanette in many styles exclusively at The Rollins Co., 1528 Woodward avenue.

The new Delmanette will in-

clude all the details of fine shoes which have made the name Delman noteworthy to discriminating women all over the country.

William Henry Harrison, died at the end of his first month as president, serving the shortest term on record.

135-HP Packard Eight-Club Sedan (White sidewalls, \$21 extra)

PACKARD PRICES BEGIN AT **\$2,227.00\*** DELIVERED HERE  
\*State and local taxes, if any, extra. Prices may vary slightly in adjoining areas because of transportation charges.

Here's distinctive new beauty—and distinctive everything else! For example:  
Distinctive, 135-HP performance. S-m-o-o-t-h-e-r, quieter than ever. With spectacular "safety-sprint" reserve power... and sensational gas economy!  
Distinctive, "Limousine Ride"—triple-cushioned by Packard's costly "self-controlling" suspension system.  
Distinctive, precision-built quality—safeguarded by 4,287 major inspections per car. Quality note: Of all the Packards built—in the last 50 years—over 50% are still in service!  
And all this distinction is yours at a price that's less than for many lighter-built, lower-powered eight's... less, even than for some of today's sixes!  
The moral, of course, is: Now that you're so close to the price of a Packard—why not own one!
