Health Check Urged
 The local school and Health Department officials again urge parents to have their children given a careful physical examination by their family physician prior to the opening of school. Past experience has proven that this check-up is highly desirable, since in many cases it reveals minor health problems which can be more intelligently dealt with by both parents and teachers if the facts are known when school opens. Such a check-up is particularly desirable for children who have had any serious illness during the summer.

Parents who have questions relative to the school which their children will attend or any others relative to the enrollment of their children are advised to call the Board of Education Offices, 389 St. Clair, TU 5-2000.

Dr. Davies Submits Annual Report on Health of Pointe

Dr. Thomas S. Davies, Health Commissioner for Grosse Pointe, presented his annual report April, 1948, to April, 1949 at the meeting of the Township Health Board on Monday evening, August 22. The report, which is a voluminous document, covers all of Grosse Pointe, as Grosse City, which is not in Township, has a special arrangement with the Board whereunder Dr. Davies acts also as the City's health officer.

and rates. One person was bitten by a pet monkey. The number of babies brought into the baby clinic was 790. X-rays for tuberculosis numbered 1571, of whom 175 were handlers of food. The nurses' report shows that 482 contacts of all descriptions were made.

Examinations of school children, exclusive of eye examinations, totaled 3512; 5483 pairs of school children's eyes were examined. Other examinations included hearing and dental work.

Mass of Detail

The report covers a mass of detail showing the work of the Health Department itemized under the heads of its major activities.

One learns from the report that 1117 cases of contagious diseases were reported, topped by 356 cases of mumps, 353 of measles, 289 of chickenpox and 45 of scarlet fever, down to one each of erysipelas, rheumatic fever and typhoid fever.

98 Animal Bites

There were 98 cases of animal bites, led by 93 dog bites. The others were by cats, squirrels,

All school children's examinations included private and parochial as well as public schools. In addition inspections and examination of an infinite variety were performed.

Pools Praised By Health Head

Dr. Thomas S. Davies, Grosse Pointe Health Commissioner, is pleased with the public interest being shown in providing enclosed public swimming pools. He was especially pleased with the opening of the new Woods pool recently.

He says his lot in being compelled to pass judgment on the safety of beach swimming is not a happy one. His duty is to give orders on swimming according to the condition of the water as shown by the daily tests. This duty on his part is often misunderstood by the swimming public.

He has long been an advocate of the enclosed pool as the only answer to this recurring problem. Pools where the water can be pumped in or out whenever necessary, and where the water can be chlorinated as circumstances dictate, are the only complete answer to the question. He is glad the City is taking this matter up seriously and assumes the Farms and Shores will also before long.

He remarked half humorously the other day, when discussing this matter with the NEWS, "If they don't take serious steps to solve this problem soon in the only way it can be settled for keeps, I think I will take to the tall timbers, or Alaska."

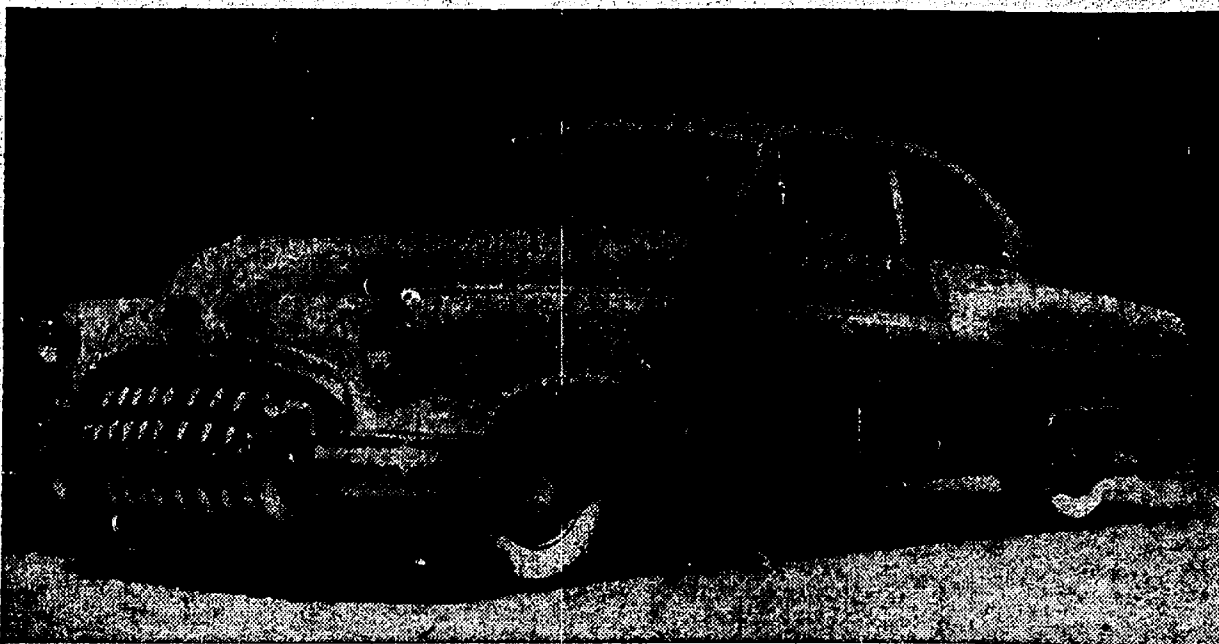

Pointer Sails For Europe

When the SS DeGrasse sailed from New York Wednesday, Pointer Suzanne Stevenson, daughter of the Donald C. Stevensons of Berkshire road, was one of the passengers. Sue was accompanied by her friend Ann Kilcourse of San Francisco.

In Paris, they will meet Sue's brother, Don, who has just completed a course at Oxford University. The trio will then go to England where they will enjoy a motor trip and a visit with former Pointer Rosalie Packard, now Mrs. W. T. S. Digby-Seymour and Mr. Seymour of Northampton.

Ann came on from the West and joined Sue at her Grosse Pointe home before they left for New York (they were accompanied by the latter's parents, who saw them off). Mrs. Howard H. Robinson of Maumee road entertained the voyagers at a luncheon in the Country Club.

Stopped Car Hit On Lake Shore

A minor accident at Lake Shore and Moross roads on the afternoon of August 21 resulted in three persons being taken to Cottage Hospital for treatment for slight injuries.

David F. Pardun of 1400 Chal-chalmers, had stopped his car for the light at Moross. Just as he was about to start up, another

car, driven by Gertrude B. Sprader and owned by George Longenecker of 5889 Montclair, crashed into the rear of the Pardun car.

Ronny Klebba, 10, of 1386 Chalmers, a passenger in the Pardun car, cut his mouth on a window sill. Donald Pardun, 7, bumped his head.

Farms Patrolman Kerbrat, investigating the accident, loaded

the children into his scout car to take them to the hospital for examination. As Mrs. Pardun was getting into the scout car she put her hand on a seat bracket. All were released following treatment. Longenecker accepted all blame for the crash.

Buy Auxiliary Power Unit To Light Woods Beach Park

At the meeting of the Grosse Pointe Township Board on Monday night, Aug. 22, Woods Village Commissioners Rex Johnson and Howard Wolf appeared as a committee from the Council and made an offer of \$100 for the auxiliary power unit now in the Vernier road radio station.

The offer was accepted by the Township Board.

It is the intention of the Woods Village to use this unit in the lighting of the beachfront park.

When the lighting of the park was under consideration by the Woods Council and negotiations were in progress with the Detroit Edison company it was found that the cost now of a Detroit Edison installation would be quite high. The company explained that to reach the park it would be necessary to place several poles on private property, for which the company, and eventually the Woods Village, would have to pay.

A further discouraging factor was that to get into the park proper it would be necessary to cross Milk river and to do so extremely high poles would have to be used. Milk river, it seems, is officially classed by the Government as navigable water, inasmuch as it is treated as an arm of the lake, and in the event of a sailing vessel entering the river any wires crossing it would have to be placed high enough to provide safe clearance for the mast. This too would add to the factor of costs.

The Detroit Edison suggested that the wires be brought into the park through underground cables. This would be very expensive, although it is probable this will eventually be done to avoid the unsightliness of high poles.

The use of the independent auxiliary power unit is a temporary lighting measure, which will eventually be done away with in favor of permanent installation.

Blaze Damages Home in Farms

Fire broke out in the home of Milton E. Stover, at 328 Touraine road early Sunday morning, Aug. 21. A leaky oil burner exploded, causing the blaze.

Farms firemen were called at 6:35 and did not return to the station until 8:20. Damage was estimated at about \$1,000.

Physical Checkups Advised For Children of School Age

"Are your children ready for school—a health standpoint?" This is the question Dr. A. E. Heustis, State Health Commissioner, asks Michigan parents.

"Michigan's second contingent of 'war babies,' 110,000 strong, will enter school for the first time this fall. Every one of them should be in the best of health possible and should be protected against diphtheria, whooping cough, smallpox and lockjaw before he takes his place in the schoolroom," Dr. Heustis advised.

"Many Michigan children received their immunization treatments or booster doses during the statewide immunization campaign in May, but those children who have not had immunization or booster doses should be taken to their physician at once," Dr. Heustis said.

The Michigan Department of Health recommends immunization against diphtheria, whooping cough, smallpox and lockjaw before the child's first birthday, followed by booster doses against all four diseases at age five, before the child enters school.

"The new school situation will place added demands on the

child's energy and morale. He should be in the best health possible to enjoy and adapt himself to the new situation and to get the most from it," Dr. Heustis pointed out.

"If the child who is to enter school this fall has not had a complete physical examination in the past six months he should be taken to a physician for examination now. Where treatment is recommended, the physician's advice should be followed at once to insure optimum health when school opens.

"The child should get plenty of rest before school opens. He should be protected from unnecessary exposure to disease, but his adjustment to school life will be better if he is allowed to play with other children in his own neighborhood.

"Then one other precaution: Show the child the safest route to school, and take him over it, pointing out any hazards which may exist. Present day protection against communicable disease makes accidents the greatest threat to child life in Michigan," the Health Commissioner said.

Reckless Drivers Fined in Court

Jeanette Agnes Christy, of 5222 Devonshire, Detroit, for leaving the scene of an accident in front of 15316 E. Jefferson on July 24, paid fine and costs of \$40.

Bolston Brown Harwood, of 3046 Beals, Detroit, for speeding on St. Paul between Cadieux and Audubon on July 25 paid fine and costs of \$15.

Roland Reilly Hurt, of 2449 Poplar, Detroit, for reckless driving on Jefferson between Berkshire and Wayburn on August 6 paid fine and costs of \$50 and had his license revoked for six months.

Robert E. Christman, of 3076 Chalmers, Detroit, for driving without a license on July 12 and never having had one, was assessed fine and costs of \$20. He was placed on probation to his mother for six months and was ordered to do no driving during that period.

Otto Lee Heady, of 5438 Linwood, Detroit, charged with speeding on Jefferson between Bedford and Balfour on July 2, failed to appear and his cash bond of \$15 was declared forfeit to the Village treasury.

Francis Block, of 2031 Clairmont, Detroit, for violation of Village ordinance 140, Sections 3 & 7, on August 10 relating to gas burner installation, paid fine and costs of \$10.

George Eric Lockhart, of 279 Ashland, Detroit, charged with driving without due care and caution and involved in an accident on Mack at Devonshire on July 23, on examination was adjudged not guilty and case dismissed.

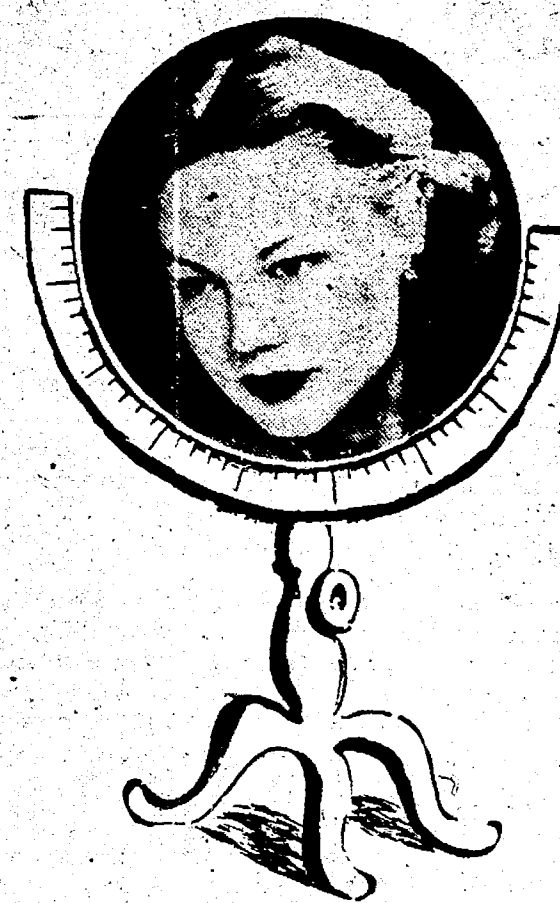

In the case of David E. Staub of 912 Berkshire, charged with entering an intersection at Kercheval and Beaconsfield on August 9, resulting in an accident, the principal witness failed to appear and the case was dismissed.

Richard L. Murphy of 1267 Wayburn charged with disorderly conduct on August 6 paid fine and costs of \$20 or 20 days in jail.

Mrs. James Arthur Masterson

—Picture by Moffett Studios

The former Mary Louella Watson, daughter of Mr. and Mrs. John Gordon Watson of McKinley road, was married on August 20 to the son of Mr. and Mrs. Arthur Hastings Masterson of Grand Rapids. The ceremony was performed in the home of the bride's parents and was followed by a reception there.

The wedding gown was of white taffeta with a fitted bodice and small white buttons running to the Peter Pan collar. It had a full skirt with a small bustle. The veil was of fingertip illusion with a headdress of heirloom Pointe de Venise lace caught with orange blossoms. The bridal bouquet was a cascade arrangement of white roses and baby's breath.

Mrs. Thomas J. Mathieu of St. Joseph, Mich., was matron of honor. She wore a rose taffeta gown with small buttons to the neckline and her full skirt ended

in a fish-tail at the back. She wore an ivy headpiece and carried deep wine-colored gladiolus.

It's a Busy September For Pointe Society

Tau Beta Bazaar, Second Curb Art Fair and Fashionscope Lead List of Events Claiming Attention Next Month Of Grosse Pointe Women

The Summer vacationers, drifting back to town, have a favorite and inevitable question... "Well, what's happening of interest at the Pointe these days?"... and then they settle back in their enviously relaxed state to be told.

The Three Big Dates in Society at the moment are: Sept. 11, the Tau Beta Benefit Bazaar; Sept. 12, the second annual Curb Art Fair; Sept. 27, 28, 29, Fashionscope's terrific performance in Music Hall presented by the J. L. Hudson Co. and sponsored by the National Alumnae Council of the University of Michigan.

Those are the events being chalked up in everyone's engagement book and here's the latest chatter on them:

The Tau Beta Bazaar is going to be held in the gardens of the Hal H. Smith home on McKinley road, Sept. 11. That's a Sunday and the hours are from 2 in the afternoon till 7:30. Susan Wheelock and Isabel Baxter are the co-chairmen for the bazaar, funds from which will be used to repair and paint toys to be distributed among needy children.

A real news item of the bazaar concerns prizes in the form of services. In the first group, the service embraces silver polishing and baby sitting, tasks to be performed by 10 Tau Beta members for those who hold lucky numbers.

The second group will simonize cars or lawn mowers, this to be done by 10 young men (those Tau Beta gals sure have ummmmmph!). Peggy Hughes is in charge of the girls who'll donate their services in this contest... and Betsy

Whelton has the word of the 19 Pointe lads who'll simonize and mow.

Little white cards went out to the Tau Beta membership seeking books, records and white elephants for those booths and Nona Hemmeter beat paths around the Pointe signing up young Tau Beta cooks to provide stock for the Baked Goods booth.

Others who are fast at work on the Bazaar include Bessie Smith, Carroll Grylls, Ann Laferre, Fran Frost, Mimi Baxter and Mary Doelle.

Anyone who chanced to visit the first Curb Art Fair last year (held in the vacant lot at Cadioux and Kercheval) will make it a point to set aside Sept. 12... hours noon to 7 p.m. when the second fair is scheduled.

Mrs. John S. Goodman of St. Clair avenue and Mrs. Douglas Smart of Westchester are the Pointe artists who co-chairman the event.

Talking to Mrs. Goodman the other day we learned that the following artists are already planning to exhibit (and these run the gamut from pastels to ceramics): Edgar Yaeger, Sarkis Sarkisian, Keith Whitmore, Evelyn Brackett, Bernice Carmichael, Agnes Lindeman, Lilian Fear, Bert Rockoff, Hughie Lee Smith, Elsa Goodman, Benjamin Glicker, Helen Boese, Sam Field, Virginia Thibodeau (Mr. Field and Miss Thibodeau will do pastel portraits at the fair), Thomas Braun, Paul Mil-

In Wisconsin, the deGrimmes were guests of Dr. and Mrs. Robert Cowles at their summer place on Egg Harbor. Mrs. Cowles was the former Emily Murphy, a niece of the late Dr. Fred T. Murphy.

ler, secretary; Mary DelBarba, treasurer; Margaret Berfelz, chaplain; Doris Nielsen, historian; Hazel Allom, sergeant-at-arms.

At the meeting Fashionscope Chairman Mrs. Raymond Per-ring announced the Women's City Club will be social headquarters for the event. Guests cards, granting privileges of the club, will be issued to those who request them from any City Club member working on Fashionscope.

This will provide a general meeting place for the many out-of-town Michigan alumnae who are anxious to support Fashionscope and the cause it benefits. As we said earlier, sponsoring group is the National Alumnae Council of the University of Michigan and moneys raised are used for scholarships and other matters pertaining to the Ann Arbor colleges.

MRS. THOMAS F. PADDOCK

Mrs. Schenck Is Surprised

It was a really successful Surprise Party which greeted Mrs. George E. Schenck on her birthday last Sunday. That morning she returned with her three little daughters from a Summer at Nantucket and Mr. Schenck carried out his part beautifully even to being casual when a few close friends stopped in at their home on Lakeland to say "Welcome Home" to Mrs. S.

As guests arrived steadily and the shout of Happy Birthday went up, Mrs. Schenck realized she was the center of a large and gala celebration.

Among those at the surprise supper party were Mrs. Schenck's mother, Mrs. C. Harold Wills, her aunt, Mrs. Frank P. Book, Mr. and Mrs. John T. Woodhouse, Mr. and Mrs. Harley Earl with their houseguest, Zazu Pitts (who left Monday for Chicago); Mr. and Mrs. Al. O'Gara of Chicago who also spent the weekend with the Earls; Mr. and Mrs.

Theodore D. Buhl, Mr. and Mrs. Hale V. Sattley, Chisholm MacDonald, Robert B. Edgar, Mr. and Mrs. George O. Johnston, Mrs. Harold R. Boyer, Mrs. W. Dean Robinson and Dr. and Mrs. John B. Hartzell.

MRS. GEORGE H. VAWTER will return next week to her home in Buckingham road. She is in Pottsville, Pa. where she is visiting her grand-aunt, MRS. REBECCA DEWALD and her cousin, MRS. GEORGE GEIGER.

From Another Point of View

Dog Days were enlivened considerably last week-end by the Foxes and a large group of Pointers who motored out to Bloomfield Hills for the swimming party and steak roast given by Mr. and Mrs. Walter O. Briggs Jr. and Mr. and Mrs. Everell E. Fisher for their nephew and his bride, Mr. and Mrs. W. Dean Robinson Jr. The "do" take place at the Fisher place on Lone Pine Road.

Ted Fordon Family Back

From all points the members of the Ted Fordon family have returned for a brief reunion before school steps in to separate the family again.

Mr. and Mrs. Fordon returned recently from a cruise into Georgian Bay as guests of Mr. and Mrs. Cye Conley of Yorkshire road, aboard their "Pat-Con." In the scenery drifting by, or maybe it was the Pat-Con drifting by, the cruisers visited the Cheneaux, Mackinac, Baie Fine and other points.

Returned to the Fordon residence on Oxford road, Tuesday, were sons of the family, Ted Jr. and Dick who made their first trip West this year. They were at Absarika Lodge at Wapiti, Wyoming where Dick was a counsellor and Ted one of the campers.

Daughter Jane is back from Onaway where she and Dolly Limbrock, with the latter's parents, were the guests of Mr. and Mrs. Lou Maxon at their Black Lake lodge.

And the quiet, sub-deb member of the family, Judy, returned some time ago from her Summer at Camp Cavell.

Emeralds are the softest of all precious stones.

Grab League Championship With 12 Wins and One Loss

Only Defeat Comes in Wild Game That Sees Tigers Pile Up Nine Runs in Final Two Innings; Johnny McSweeney Gets Even in Last Battle

By Fred Runnells

The Panthers won two of their three games last week to win the Neighborhood Club Junior Hardball League championship. The two victories gave the Panthers an enviable season record of 12 wins and one loss. They were undefeated in the regular season play.

First Upped

The Panthers' first loss was dished up by the Tigers on Tuesday, August 16, in a wild and woolly game which saw the Tigers score nine runs in the last two innings to win 13 to 12.

This game was a case of the Panther manager being to sure of victory before the last batter was out.

In the sixth inning the Panthers were coasting along on a comfortable 10 to 4 lead behind the three hit pitching of Bob Marcereau when the manager decided to send Johnny McSweeney to the mound to finish the game.

Sweet Offerings

McSweeney's offerings were just to the taste of the Tigers and before he got the side out the Tigers had taken a 12 to 10 lead. It was strictly McSweeney's fault as he issued six passes and gave up hits to Bylsma, Sherer and Carrier which accounted for eight runs.

On the following day the Panthers tangled in another heavy hitting contest with the Wildcats which saw both teams collect fifteen hits. The Panthers finished on the long end of the 16 to 12 score and eliminated the Wildcats from the two game knockout series.

New League Record

The 30 hits in this game established a new league record.

On Thursday, August 18, Johnny McSweeney redeemed himself when he set the Tigers down with three hits to win the championship, 24 to 2 for the Panthers.

The championship game was one of records with the Panthers getting both of them. The Panthers collected 25 hits for one record and scored 24 runs which made for an impressive finish to a fine season in the first year of Junior League hardball at the Neighborhood Club.

McSweeney Stars at Bat

McSweeney was the batting star of the contest when he banged out five hits in five trips to the plate. His hits included a triple, two doubles and two singles.

Much of the credit for the success of the league in its first year must go to Athletic Director Bill Desrocher and to the many fathers and interested men in this community for their work of coaching, managing and running the teams in the league.

Congratulations fellows for a job well done. Maybe when basketball season rolls around something can be done about organizing a Junior basketball league for these youngsters.

Champs of the Neighborhood Club Junior Hardball League

These are the "PANTHERS," who have just captured the loop title after a playoff series. Left to right, front row: PICHE, WELLS, WILLIAMS and WHITFORD. Second row: MATERNA, INGRAM and MARCERAU. Back row: ALLEMON, JOHNSON, MARSDEN, McSWEENEY and LEINBACH. Bob Keller was not present for the picture.

Resail of July 4th Regatta Announced by Yacht Club

Much-Contested Event Which Was Called No-Contest To Be Re-Run, But Lower Course of DRYA Will Be Used This Time

By Fred Runnells

It is official now. The Grosse Pointe Yacht Club race committee announced Thursday, August 18 that its much-disputed, loudly-protested annual July 4 regatta will be resailed on Saturday, August 27.

You will recall that the Grosse Pointe regatta, which was supposed to be the fourth and final race of the D. R. Y. A. Race Week, was loudly protested by many skippers because of improper starting and finishing lines and drifting race course markers. Following the regatta the officials' stand was stormed by irate sailors.

Called "No Contest"

Race officials immediately called the whole thing "no contest" and became the first club in this area to call off a regatta after finish guns had been given.

For weeks local sailors wondered what the Grosse Pointe Y. C. regatta score was. Now we know. It's nothing-to-nothing and the boys will go to bat again next Saturday to vie for top honors in their respective classes.

Unlike the July 4 regatta the "resail" will be held on the lower DRYA course with the

South Lake Softball League Playoffs Near Completion

In the second round of the play-offs in the South Lake Softball League, Raynals defeated Grosse Pointe, the League leaders, while Smileys beat V.F.W. in a two game knock-out.

In the second round Heads Tavern wrapped up Dean & Glance with Sid Goller chalking up the victory. Giving Heads 5 runs in one inning, Dean & Glance gave up a one run lead to stay behind.

In the second game V.F.W., placing second in regular season failed to get a hit as Larry Runnells, Grosse Pointe's ace moundsman, pitched his third no hitter, striking out 17 V.F.W. hitters.

Meeting Smileys in the first game Friday, Raynals defeated them in a slow contest for their third win in play-off competition. Coming back strong and overcoming a two run gift, Grosse Pointe beat Heads Tavern. Runnells started wild and was relieved by McMin.

With Smileys, a one game loser, playing Raynals, the play-offs can end in one game or be drawn out to 2 Raynals, undefeated.

was to meet Smileys on Wednesday.

Grosse Pointe, regular league winners, were knocked out of the play-offs by Smileys in a 12 inning 1-0 game on Monday. Wally Brown, pitching for Smileys, went the route, allowing 5 hits and no runs while Larry Runnells, opposing pitcher, went 12 for Grosse Pointe, giving up 2 hits and striking out 24 Smiley batsmen.

In the first game under the lights, Maxine Field defeated Masonic in a bloopier ball game. Showing a lot of class and speed on the base paths, the Maxinites crossed the plate 8 times to only 7 for Masonic. A return match is coming up Wednesday.

Car Disappears From Club Lot

Theft of a car from the Country Club parking lot was reported to the Farms police on August 18. Edward E. Butler of 33 Hendrie lane said his 1949 Oldsmobile sedan had been stolen between 7 and 7:50 o'clock that evening.

Assistant Caddie Master Dietz told the police he had seen the car being driven away and was able to furnish a partial description of the thief.

Boat Banter

By Fred Runnells

Local skippers have been hitting the road during the last two weeks of August, to pit their talents against the best sailors throughout the world.

Heading the list are Alex Alardyce who is representing the Detroit River Star Fleet and Bob Reithmiller of the newly formed Belle Isle Star Fleet. These two skippers are vying for World Championship honors in the Star Class Internationals at Chicago from August 21 to 27.

Next come Fred "Skip" Fessel and his crew who will represent this midwestern area in the Wakefield Internationals which will be held on Long Island Sound starting August 29.

Fessel and his crew won the honor of defeating the best skippers under seventeen years-old from Ohio, Indiana, Illinois and Michigan.

Lightning class sloops were used in the elimination series but the boys will be sailing Vineyard Haven sloops in the internationals.

Fessel and his crew have been familiarizing themselves with the Vineyard Havens at the Grosse Pointe Little Club the past two weeks.

Bruce Davenport will take his crew to New Orleans later this month for the Luders Internationals. That series like the Wakefield series is a skippers' series and all out of town representatives will sail boats of the host club.

During the war years the Star Class Internationals was a skippers' series but now each representative takes his boat to the site of the regatta.

Jackie's Bar Still Unbeaten In Club's Softball League

By Fred Runnells

Jackie's Bar softball team continued undefeated in the Neighborhood Club Softball League playoff tournament by defeating Ray Whyte Chevrolet, 2 to 0 on Thursday, August 16.

The victory was Jackie's Bar's third successive win and put it at the top of the standings in the two game knockout tournament. On the other hand it was Ray Whyte's first defeat in three games.

Errors were the important factors in Jackie's Bar victory and let in the only runs in the game. In the second game on August 16 DeFours Insurance and Eastern Heating hooked up in a pitcher's duel with the contest deciding nothing. It was called because of darkness at the end of eight scoreless innings.

Vic Leiger of DeFours was a trifle better than Jack McEvoy of Eastern Heating, allowing two hits and striking out four batters. McEvoy allowed five hits but got 11 batters via the strikeout route.

This game was a do or die affair as both teams had dropped one game and the loser was scheduled to be eliminated from the tournament.

Standings as of August 16. Jackie's Bar 3-0, Ray Whyte Chevrolet 2-1, DeFours Insurance 3-1, Eastern Heating 3-3, Riley Motors 3-1.

Take It Easier These Hot Days

Take it easy these hot summer days, the Michigan Department of Health is warning oldsters. Deaths from heat prostration and sunstroke reach their peak in August. Both result from prolonged exposure of sun or intense heat.

People past their middle years, and those who have high blood pressure, or disease of the heart or kidneys are in more danger than others. Such things as over-exertion, dehydration, over-indulgence in food or drink, worry, fatigue, anger, and lack of sleep add to the danger.

These things will help you to prevent heat prostration and sunstroke and to keep cool, the Department suggested. Avoid prolonged exposure to sun and excessive heat--this includes ball games, tent-shows, fair midways and the like, as well as the beach and garden. Keep the head covered when exposed to direct sunlight.

Wear loose, light, porous clothing, and not too much of that. Stay where there is circulation of air. Avoid over-exertion or fatigue. Take recreation such as a golf, shuffleboard, hiking, swimming and tennis in small doses.

Eat the same protective food you eat the year around--fruits, vegetables, milk, cheese, meat, and eggs, just eat less fried, greasy foods and rich desserts. Have some hot food at every meal. Drink eight to twelve glasses of liquid a day. This includes water, fruit juices, milk, soup, tea and coffee.

Threat Reported By Carrier Boy

The superintendent of carriers for the Detroit Times for the Grosse Pointe district phoned the Park police that one of his boys, a little fellow thirteen years old, had been terrorized by several messages he had received over the phone in a man's voice.

This unknown party had threatened the boy over some matter wholly unintelligible to the boy, saying that he was going "to cut him up," that he just liked to "cut up" boys like him.

The carrier superintendent was worried over the incident and asked the police to do what they could ferret out the unknown caller.

from a headress of the same chantilly lace. She carried a bouquet of white baby mums, trailing stephanotis and ivy, the bouquet was centered with a white orchid.

Irene Franzen, maid of honor, wore white embroidered organdy over aqua taffeta, with a wide organdy sash of white. Her dress also featured an off the shoulder bertha of embroidered organdy with a net yoke. She carried a white basket filled with pink and white baby mums, rubrum lilies with trailing ivy and pink ribbon streamers. In her hair she wore a band of pink button mums.

The bridesmaids included Esther Bohn, Joan Goodson, Sally Reynolds and Mary Ellen Marwede. Their costumes were identical to that of the maid of honor excepting that their dresses were aqua taffeta and carried the same basket with white and pink flower arrangement with bands of white button mums in their hair.

Mrs. Zittel greeted her guests in a gold crepe gown with matching felt hat accented by green accessories and corsage of green orchids. The new Mrs. Laux wore a suit of bamboo beige gabardine with brown accessories for her trip; also the orchid that centered her bridal bouquet. The couple left on an extended trip to Quebec, the White Mountains and down the eastern coast to New York City.

Mary Lou is the daughter of Mr. and Mrs. Lyster H. Zittel and Samuel is the son of Mr. and Mrs. Philip J. Laux. Samuel chose Robert W. Tomb, as his best man and ushers in-

cluded Walter M. Dalley, Jr., Ray Bandemer, Robert E. Curtis, Jr., Leonard Walton, and brother of the bride, Lyster, and Dr. Philip J. Laux, Samuel's brother. After September 20 the couple will make their home on Alter road.
