Little PETER and KATHY WILSON of 438 St. Clair avenue received plenty of cheers and boos but little actual assistance as they struggled to clear the snow off the City ice-skating rink between St. Paul and Kercheval on Notre Dame.

Too Many Sidewalk Superintendents

The Mack Avenue Business Men's Association has again complained to the Park village of the inferior quality of street illumination on that thoroughfare.

City Manager Lane has informed them that the problem of better street illumination on both Mack and Jefferson avenues is now the subject of negotiation between the Detroit Edison Co. and the village.

Solution Suggested
A way may be found to accomplish this by the electric company setting up two separate curbs which would be maintained apart from the rest of the village's lighting system.

The whole question, Mr. Lane says, is involved with the larger plan of rebuilding the entire system.

Major Financing Problem
The rebuilding of the old system is a major financing problem for the municipality and must be carefully considered. It would involve possibly as much as a half million dollars. The present system has so deteriorated, through rotting out of the cables and other mechanical trouble, that its maintenance is costly and inefficient.

The old system is costing the village about \$34,000 annually with an additional cost of approximately \$4,000 annually for servicing the remainder of the bonded debt incurred with its installation many years ago.

Edison Suggest Plan
Among the plans considered is one proposed by the Detroit Edison under which it would undertake the cost of reconversion of the plant to modern efficiency and assume all other items of maintenance for a lump sum of about \$48,000 a year on the number of lights and lumens now agreed upon.

This plan would obviate the necessity of any bond issue by the village for street lighting, as would be the case if the village should provide the new system itself, taking only the current from the electric company or, letting the electric company maintain the system after the village had installed it, as alternately considered.

Recognize Necessity
The genesis of the meeting was the recognized inability of the DSR system to undertake to assume its transportation responsibilities in the fast growing metropolitan area.

Much of the discussion revolved around the development of the Grand River Expressway, the John Lodge Expressway and the Hastings-Mound Road.

The completion of these projects would greatly relieve the transit problem in the area and correspondingly ease the responsibility now resting on the DSR.

Would Create Authority
Concrete suggestions coming out of the meeting were that a Rapid Transit Authority be created to encompass the Detroit Metropolitan area; that the cost of the proposed expressway projects should be financed by the raising of the gasoline tax by 2c per gallon within the area affected; and that in all future expressway planning, provisions should be made for ample malls to best serve the communities affected.

The principal address at the meeting was given by Dr. Thomas Conway, Jr., a traffic expert acting in an advisory capacity to the DSR.

Report to Park
The meeting was attended by Wilcox and Laird, planning consultants retained by Grosse Pointe Park and a brief report of the meeting to Manager Lane of the Park conveyed the information of the proposed withdrawal (Continued on Page 2)

124 Get Diplomas At High School's Winter Graduation

Alumni Rolls Boosted to 5,553; Diane Schleicher and Donald Paquette Named Honor Girl and Boy of Their Class

In its annual mid-winter graduation ceremonies last Thursday night, Grosse Pointe High School added 124 names to its alumni rolls, making a grand total since the first class in June, 1925, of 5553 graduates.

Honor Students
Honor boy of the class and one of the student commencement speakers was Donald Paquette, who was also class president. Diane Schleicher, another commencement speaker, was chosen honor girl. Their names will be engraved upon cups provided by the Mothers' Club to preserve an honor roll of the most outstanding students in each class.

The third student commencement speaker was Lila Binney. Emotional, intellectual and social maturity were described by the three graduates in their addresses.

Hear Special Music
The Grosse Pointe High School Choir sang Robinson's dramatic "Ballad for Americans" and Jane Kurth gave a soprano solo as the commencement music. Invocation and benediction were offered by Rev. Andrew F. Rauth.

John R. Barnes, superintendent of schools, presented the diplomas on behalf of the Board of Education except in the case of Bert H. Wicking, Jr., who received his diploma from the hands of his father, a member and former president of the board.

Honors Announced
In announcing honors earned by the graduates, W. R. Clemenson, principal, said that 23 had achieved a scholastic average of B or better in their senior high school work. They are: Joan Abrash, Sally Anderson, Lorraine Asmus, Jeanne Beyers, Lila Binney, Tosia Chronowski, John Drake, Janet Gregory, Barbara Harling, Mary Ellen Heiner, Virginia Keller, Sue Mair, Joel Margenau, Robert Martin, Arthur Meissner, Marian Ortol, Donald Paquette, Diane Schleicher, Janet Schneider, Albert Switzer, Janet Weinheimer, David Van Oostenburg and Russell White.

Desecrate Walls In New Building

The owner of a house under construction at 621 Middlesex complained to the Park police on Jan. 2 that somebody had marked up practically every wall in the house with black marks and obscene language.

On Jan. 28 Detective Stanley Enders picked up three boys, one 14 and two 16 each, who confessed to the offense. The cost of removing the desecrations will be considerable. The boys' names are withheld but the parents will be called upon to make good the expense.

APPROVE BOND ISSUE
The Grosse Pointe Woods council took official action at the meeting on January 17 endorsing the proposed school bond issue and recommended to the citizens that they vote for the measure. (Continued on Page 2)

Suspicious Police Round Up Boys Driving in Stolen Car

The alertness of City Patrolmen Mauck, Allor and Smith on Monday afternoon resulted in recovering a stolen car without even a license plate number to go by.

Mauck and Allor had noticed a brand new Ford Tudor containing a couple of irresponsible looking youths. Taking a turn around the block they found the same car parked on Washington near Mack. Meanwhile they had radioed a warning to be on the lookout for any unusual appearance of this car, with the result that Officer Smith was also cruising in this neighborhood when they saw the parked car, this time empty. A moment later the two boys returned to the car and were immediately joined by another car with four or five boys in it.

They picked up the two boys for questioning at the police station and there checked its plate number and found that it belonged to another car. Further checking with the Detroit police disclosed that the new car belonged to a Floyd Gough of 16468 Colliingham, Detroit and had been stolen from Manistique and Frankfort on January 25.

The car had been stripped of sun visor, mirror, wipers, seat covers and about all of its movable accessories.

The boys' story was that it had been loaned to them by another boy and they knew nothing about its theft. The boys with the new car were both 16 and their names are withheld. Both live in Detroit. They were turned over to the Probation office in Detroit that afternoon. The car has been returned to the owner. It had been driven 1,000 miles since it was stolen. (Continued on Page 2)

Wendin Cites Reasons for Bond Issue

President of Board of Education Releases Figures on Recent Growth

New evidence of the need for more schools in the Grosse Pointe School District has been released by Sigurd R. Wendin, president of the Grosse Pointe Board of Education. Mr. Wendin pointed out that in the month of January alone 23 new pupils were registered in the Mason School and eight in the Parcels School as compared with one and four for the same period in 1949.

Enrollment Hits Peak
Mr. Wendin stated: "Membership in the Public Schools of Grosse Pointe reached an all time high of 5,613 during the school month of January. This is an increase of 274 pupils over a comparable period of last year and 70 more than were enrolled at the end of the first school month of this school year.

"Most of the increase, both since the beginning of the school year and since January of last year has taken place in the area served by the Mason and Parcels Schools. Since the end of September, Mason School has shown a net increase of 37 pupils and Parcels School has grown by 20 pupils.

Accelerated Growth
"The school month of January showed an accelerated rate of growth over the average for the year. Mason School received 23 new pupils during this period which consisted of 19 days. This is an average of more than one new pupil per school day. During this same time, Parcels School enrolled eight new pupils.

"Of the total increase this year over last year of 274 pupils, 221 are enrolled in the Mason and Parcels Schools. This large increase in this area, is a direct reflection of the new homes which have been built and occupied during the past few years. In the district served by these two schools there have been 1,400 permits issued for new homes in the past three calendar years.

Election February 24
"A bond issue to meet the cost of necessary new school buildings and the authority to levy extra millage taxes for these bonds and the necessary maintenance will be presented for approval of the Grosse Pointe voters on February 24.

"The plan for these new schools," Mr. Wendin pointed out, "has been worked out with the greatest care to make sure no unnecessary expense is being undertaken.

"The proposed new schools have been limited to take care of the needs of children now living in the Grosse Pointe School District. The bond issues will cover these schools alone and when they are paid for, the taxes set to cover these expenses will cease.

How Taxes Are Affected
"Under the arrangement proposed by the School Board, from June 30, 1951 on, school taxes will be less in the Grosse Pointe area than they are now even while the new schools are being financed. For a one year period after the vote, there would be a very slight increase (1 mill excess levy over present rates), to cover the primary interest on the bonds.

"It is also interesting to note," Mr. Wendin stated, "that many different associations and individuals are offering to sponsor and support publicly the School Board's recommendation for these new schools."

Among these are: American Association of University Women, Dads' Club of Grosse Pointe High School, Mothers' Club of Grosse Pointe High School, Baha'i Group, Friends of the Library, Grosse Pointe Kiwanis, Marion K. Kellogg (City), Alger Shelden (Farms), Mrs. Charles B. Lord (Farms), Paul Franses (Farms), E. H. Bower (Farms), Don J. Goodrow (Woods), Edward J. Pongraz (City), Dr. Robert K. Citizens' Association for Conversion

(Continued From Page 1)
by the Township, and again for village taxes by the village assessor.

More Duplication
"Then, more duplication, there are Boards of Review in both governmental units. Certainly, one Assessor and one Board of Review is enough for the taxpayers of the Park, and that is what we get if we become a city. Then one Assessor and one Board of Review would take the place of two, with, of course, a saving in administrative cost. The same simplification and saving applies to the collection of taxes, and to a number of other governmental services now being performed in two separate places, and paid for twice by the Park's homeowners.

"Salaries and expenses of the Township Supervisor, Township Treasurer, and Township Clerk now total \$17,400 a year. What do these officials do for the homeowners of the Park that could not be done under city 'home rule' by the Commission, Manager, Treasurer, and Clerk of the Park? Bear in mind that the Park will now stand more than 57% of the upkeep cost of the Township government unless it eliminates duplicating costs and functions by becoming a city.

Another Argument
"Simplifying of elections, and elimination of the vast confusion that exists about when and where to vote in township and village elections, is given as another important reason for converting to a City. Under the present confusing setup, a voter, to cast his ballot in national, state and township elections, must be registered with the township office and must vote at least once every four years to maintain his right to vote. Likewise, for village elections he must be registered in the village office and must vote at least once every four years in village elections to maintain his franchise. A recent check of the village registration rolls shows that the right to vote has lapsed in the case of a surprising number of village voters who are unaware that this has happened, so confusing is the voting situation described. Under city incorporation, only one registration would be required for national, state, and county and city elections and a ballot cast in any of these elections during any four-year period would protect the voter's right to vote.

Would Simplify Elections
"Present village elections are held in the early spring; township elections in late spring; voting places are different for most voters for the two elections, to add still more to the confusion. City incorporation could easily pave the way for local elections that would coincide with state and national elections, reducing the number of elections for the voters of the Park. This simplification would obviously mean participation in elections by more voters. The need for this is indicated by the fact that of an estimated 3,000 eligible voters in the Park, there are now only about 2,800 registered, and in the last four annual village elections an average of only 566 votes has been cast.

Two Supervisors
"By becoming a City the Park would also have two of its own representatives to fight for its interests on the Wayne County Board of Supervisors. There is now one Supervisor to represent the Township as a whole."

City incorporation should not be confused with consolidation of Grosse Pointe Park with adjoining municipalities, which is not part of this plan, nor should it be confused with bigness sometimes associated with the word city. The suburban atmosphere of the Park can be maintained by vigilance of the voters in electing officials who will protect our zoning laws, and it makes no difference in this respect whether we are called the Village of Grosse Pointe Park or the City of Grosse Pointe Park. Certainly, our

Awarded High Honors At Andover Academy

Two Pointe boys have won honors of the first grade in scholarship at Phillips Academy at Andover, Mass. Both are members of the senior class. An academic average of 88 must be maintained to win first grade honors. This year only 15 students out of 725 achieved this distinction.

The Pointers are George Wood Beatty, son of Mr. and Mrs. Harold A. Beatty of Pine court; and George Alonzo Jacoby, Jr., son of Mr. and Mrs. G. A. Jacoby of Bishop road.

neighbors, the City of Grosse Pointe, have suffered no deterioration in the character of their community as a result of their move, years ago, in freeing themselves of the burden of the Township and running their own community affairs as a City.

Unanimous Endorsement
Endorsement of the Citizens Association of Grosse Pointe Park for the City proposal was voted unanimously by the directors of the Association, who are Bruce N. Tappan, president; Mel H. Collinson, vice-president; Ed H. Zerbe, secretary; Karl G. Behr, treasurer and Kenneth R. Beardslee, Roy W. Gifford, Alfred W. Massnick, William C. Oddy, Victor H. Wehmeier, Ralph G. Sicksels and Allen D. Walter.

The proposal to convert to a City was advanced by a Study Commission appointed by the Village Commission, and headed by William C. Olett.

Dixon Residence Damaged by Fire

Fire which is believed to have started by a leak in the walls of a fireplace on the sun porch of the E. B. Dixon residence at 135 Lewiston road, did damage estimated at more than \$3,000 on January 30.

The Farms fire department answered a call shortly before midnight when smoke was first "nelled" throughout the house. A thorough investigation seemed to indicate smoke was being drawn from the fireplace through the house through the air conditioning system.

Another call was sent in at 2 a.m. Another investigation showed that a fire had started in the wall above the fireplace. Damage to the building was estimated at \$2,500 and to contents by smoke and water at more than \$500.

To clear up the confusion which may yet exist on the right to vote on the project on the election on February 24, from the fact that at the last bond vote in March the voter had to be specially registered to vote on a school election, it is again announced that under an act passed by the State Legislature last June citizens registered for any election may vote at a school election without further registration.

Will Be Notified
A postal card is to be sent out to citizens acquainting them with this fact and also telling them the location of the voting booth at which they will vote.

The provision that only property owners, or the wife or husband of a property owner, can vote on the bond issue itself, still remains. Any duly registered voter, however, may vote on the enabling millage to service the bond issue.

The bond issue proposed is for \$3,185,000.

Transit Plan

of the Pointe area from the transit planning of the future for at least a considerable period of time.

Have Good Reason
The reason for this opinion was easily seen in the fact that Grosse Pointe is an area in which there will be no industrial development for many years to come, if ever; and the fact that it lies in a narrow strip of land along the water course.

The past, present and probable future planning of the Pointe area is only in the direction of maintaining it as a restricted residential area removed within itself from the future development of the industrial life of this part of the state.

Sale to Benefit New Hospital

The Fontbonne Auxiliary is having its second annual rummage sale on March 30, 31 and April 1 at St. Peter and Paul school, E. Larned and St. Antoine streets.

The sale is to benefit the new St. John Hospital, now under actual construction on Moross road at Chandler Park drive, and which will be operated by the Sisters of St. Joseph.

The auxiliary is sending out an appeal for rummage articles such as books, toys, clothing, shoes, furniture, and so forth. Anything you have no use or further need for will be greatly appreciated.

A call to UN. 1-3276 or UN. 3-6591 will assure a prompt pickup.

Graduation

(Continued From Page 1)

American Legion Citizenship Medals and Certificates went to Douglas Michelson and Marian Ortolf.

John Drake was awarded the Bausch & Lomb medal which is given each semester to the graduate whose record in science and mathematics is exceptionally high and who gives the most promise of future distinction in the field of science. John's record shows all A's in four years of mathematics and two years of science.

Outstanding Athlete
As the outstanding athlete in the class Gerald Jenkins was given the Trinity College Alumni Award. He has won two letters in football and three letters in track. His work as an offensive player in football was especially praised.

The class included three boys whose work was completed under special provisions set up by the Board of Education for members of the Armed Forces. They are Thomas J. Hanley, Arthur D. Reno and Roy R. Salton. These boys bring to a total of 244 the number of students to be graduated while or after serving in the Armed Forces.

Club Gives Reception
Following the commencement exercises in the auditorium, the graduates and their guests were entertained at a reception in the girls' gymnasium given by the Mothers' Club. Both auditorium and gymnasium were crowded.

Valentine Luncheon Party At Messiah Parish House

A Valentine Luncheon Party will be given by the Ladies Aid of Messiah Lutheran Church on Wednesday, February 8 at 12:30 p.m. in the Parish House of the church, Lakewood and Kercheval. A card party will follow the luncheon. Mrs. Leonard Oehmke is chairman of the day.

Quill and Scroll Honors Students

Six students at Grosse Pointe graduating class have been honored by being awarded memberships in Quill and Scroll, international high school honor society for journalists.

Those honored include Janet Gregory, editor of the Kid-Bits column in the Grosse Pointe News for the last semester. Another is John Drake, who has been writing for the sports page of the News for some time.

The list includes—Tosia Chronowski, who has worked on Tower, View Pointe, and Proem; John Drake, co-editor of View Pointe and former editor-in-chief of Proem; Janet Gregory, who has been a page editor on both Tower and View Pointe; Virginia Keller, who has served on Tower, View Pointe, and Proem; Joel Margenau, co-editor of View Pointe and former Tower sports editor; and Donald Paquette, editor-in-chief of Proem.

Park's Ordinance On Gas Amended

Five amendments to the Village Gas Burner Ordinance were adopted by the Park council at the meeting on January 13.

They are intended to eliminate duplication of inspections and the overlapping of services attendant on the installation and operation of the gas burner service. The process of conversion to gas heat will be greatly simplified for the citizen.

In addition to this, safety provisions are adopted as suggested by the Michigan Consolidated Gas Company.

League to Hold Drive for Funds

For the fourth successive year, the Planned Parenthood Organizations of the United States are appealing in February for funds to maintain the health services which they provide for families who cannot get sound child-spacing advice from private physicians. It is an appeal to the conscience and the warm heart of the American people.

Because Planned Parenthood was long in the realm of controversy, its program is generally not so well understood as that of other voluntary health agencies. Its philosophy is this:

Each couple should have the right to determine the number of their children in relation to their mental and physical health and ability to provide for them. Planned Parenthood does not seek to influence them. But part of that right is to have reliable medical advice both on spacing babies and in correcting fertility. This is the service Planned Parenthood gives.

Here in Detroit the Planned Parenthood clinic offers to the mothers who have no private physician to advise them, the best of medical service in conception control. Referral service for infertility study for childless couples so that they may have the babies they desire is also given. Consultation and referral service for engaged and young married couples in problems of marriage and parenthood completes the clinic's service.

Fire Sweeps Through Park Residence

This two-family brick veneer dwelling house at 853 Nottingham road caught fire in mid-morning on Monday, January 30, and serious damage was caused in the attic and second floor. The roof was completely destroyed. The fire was caused by embers from a coal burning furnace which set fire to the dry, wood shingle roof.

Gas Conversion, Municipal Garage Approved by Farms

The Farms council held an adjourned meeting Monday night to settle various matters on the agenda which had not been reached in the meetings of the two previous Mondays. Approval of a bid for \$1016 to convert the heating system in the Municipal Building to gas, was voted, subject to a rechecking of the bids the following day. The conversion will take about 15 days.

To Dredge Boat Harbor
Council voted approval to dredge out the entire boat harbor at the municipal pier to a depth of five feet. It was pointed out by Engineer Murray Smith that a marine contractor who has a dragline mounted on a scow is now working near Nine Mile road, and could come in as soon as ice conditions permitted and start the work, saving the city a great deal of money. It is estimated the job will cost between \$1000 and \$1200.

Other improvements at the pier were discussed and Mr. Smith was directed to bring in estimates on the various projects proposed so the council can study them and decide which to undertake first.

Approve Revised Garage
A revised plan of the proposed municipal garage to be built adjoining the sewer pumping station on Chalfonte at Kerby, was submitted. The plans have been revised to reduce the length of the building by 20 feet, to 100 feet, and the estimates have been dropped from approximately

\$130,000 to approximately \$100,000. Considerable time was also devoted to a discussion of repairs on alleys in the rear of Mack avenue. Letters are to be sent to property owners whose land abuts these alleys, advising them of various ways in which the financing for repairs and paving may be handled.

A similar letter is being sent the owners of the Punch and Judy Theater Building property, requesting the paving of the alley in the rear.

Free-For-All Follows Game

Following a basketball game Friday night, Jan. 27, between the St. Charles and St. Ambrose teams, in which altogether too much of the Old School Tie spirit had been developed, five of the boys, four from nearby Detroit and one from the Park, repaired to the Barbecue at Wayburn and Jefferson for a bite to eat.

While there about a dozen of the opposing faction came in and a free-for-all started. The restaurant called for police aid and Sergeant Kesteloot and Patrolmen Gordon and Johnson succeeded in gathering in eight of the youths before the rest escaped. The boys were all in the 16-20 age range.

In Police Court next morning Judge John L. Potter placed all of them on 6-months probation to the Wayne County Circuit Court, with orders to report weekly to the police and be at home before 10 o'clock each night. They were all prohibited from driving a car during the period of their probation.

SHOW WINDOW SMASHED
Somebody threw a heavy iron bolt through one of the large plate glass windows of the Turner Buick establishment on Kercheval around 11 p.m. on January 27. The bolt was found inside on the floor.

Park Increases Gift to Hospital

The Park Council at the meeting on January 23 voted its usual annual donation to Bon Secours Hospital. Instead of the \$600 donation made heretofore for the past several years the amount has been increased to \$700 this year.

This increase was granted in view of the excellent service which the Hospital gives the community in its treatment of emergency accident cases brought to it by the police.

The donation is in no sense a fixed annual commitment of the village and may be altered or entirely omitted at the end of any year.

Garden Center Opens Bureau

Spring is coming, and the Grosse Pointe Garden Center in the War Memorial Building is getting ready for it.

On Tuesday and Friday afternoons through February from 2 p.m. to 4 p.m., assistance will be provided to help the community with its gardening problems. New seed catalogues will be available, also Horticultural magazines.

In March there will be lectures on planning and caring for a garden, and interesting exhibits.

The Garden Center room is open the same hours as the War Memorial Building. Gardeners and garden lovers will be repaid in both knowledge and enjoyment by browsing through the books and magazines that have been

donated to it. Cards are on the desk for writing down questions when no one is present to supply information.

The Garden Center telephone is Tuxedo 1-4594. If no one answers, a message may be left with the Grosse Pointe War Memorial Secretary: Tuxedo 1-6030.

BOMB SCARE

Neighborhood kids confessed to the Farms police that they had placed a note on the J. F. Whitehead's residence front door on January 20, threatening to blow up the house in 15 minutes. They said they had just wanted to scare the small daughter of the household.

Two Cars Crash On Mack Avenue

Two cars figured in a rear end collision on Mack avenue opposite Lannoo on the night of January 26.

Oscar Roetz, of 11391 McKinney, Detroit, stopped his Plymouth to make a left turn off Mack into Lannoo, when he was struck in the rear by a Buick driven by John Alfred Young, Jr., of 2291 Clairwood, St. Clair Shores.

The Roetz car suffered damage estimated at \$100 and the Young car, \$200. Young was given a reckless driving ticket by Officers Kilets and Sylvester.

Mrs. Jack Fraser Injured in Fall

Mrs. Jack Fraser of 505 Lincoln road slipped on the ice on Friday afternoon in front of 16824 Mack avenue and was removed to the Bon Secours Hospital by the City police.

There it was found that she had broken her left leg between the ankle and the knee. Ice had gathered on the sidewalk from some recent window washing. Although salt had been sprinkled on the sidewalk it had remained slippery in spots.

Pointers' Pictures Appear In Magazine "Movie Life"

A recent issue of the movie magazine, "Movie Life," Hollywood's only all-picture magazine, contains a group of pictures of Rory Calhoun, Selznick star now appearing in "Massacre River," entertaining a group of Grosse Pointe boys at a picnic he gave for them at the beach in Hollywood.

The pictures show Rory engaging in a game of leap-frog, competing in a head-standing contest, passing out hamburgers to the boys, and finally sitting down chatting with the group. Shown in the pictures are local boys Bayard Johnson, Butch Edgar, John Weigle, Russ Wallwork, George Preston, Nils Osbeck, Noel Melville, Jim Williams, George Turnbull, Leroy Popinski, Doug Ramsay, Bill Whittingham, and Bill Rossiter.

The pictures were made on one of Chet Sampson's summer trips to California during a five-day stop in Hollywood.

The past few summers have seen a large number of the Hollywood colony entertaining the 46 boys or girls making up

the parties. They seem to be intrigued with the manner in which the group travels, because so far 32 stars have entertained the group, while 24 others have come into contact with them for shorter periods of time.

Probably heading the list would be Bing Crosby who last summer entertained both the boys and girls at his Nevada ranch for two-day periods. Bing and his four boys entertained around campfires, brought the groups cakes, ice cream, hams, and bacon, and generally made them welcome.

For four years in a row, Keenan Wynn has taken the group out to dinner, selecting such famous places as David Chasen's and Billingsley's, when he didn't have them at his own home.

Elizabeth Taylor has had two of the groups for afternoon visits at her home.

Alan Ladd and Sue Carol are more favorites with the group. They too have arranged for tours of Paramount, a luncheon at the studio commissary, visits with them in their new home, and nights at their Hidden Valley ranch.

Robert Stack has opened up his home and swimming pool to the group several times and next year wants the group to stop at his Lake Tahoe lodge.

Bob Hope has had several visits with the groups while working on pictures at Paramount, including "The Paleface," and his next picture, "Fancy Pants." Lucille Ball, his new leading lady, joined in the fun.

Ronald Reagan had the group out to his home last year, though he entertained from a wheelchair, as he was recuperating from a broken leg. Previous years also found him meeting with the groups.

Lizabeth Scott gave last summer's group an ice cream party at her studio.

Burt Lancaster, George Murphy, Joan Leslie, Shirley Temple, Dana Andrews, and Ann Blyth have all arranged for groups to visit studios with them.

Others who have enjoyed their meetings with the group are: Preston Foster, Glenn Ford, James Craig, Dennis O'Keefe, Pat O'Brien, Tim Holt, Audie Murphy, Melvyn Douglas, Diana Lynn, Billy DeWolfe, Lon McCallister, Colleen Townsend, Darryl Hickman, Ann Dvorak, and Frankie Carle.

Others who have come in contact with the group for shorter periods of time are: Gene Kelly, June Haver, Mae MacDonald, Frances Langford, Eve Arden, Vera Vague, Bob Crosby, Abbott & Costello, Margaret Whiting, Joan Davis, Allan Young, Ziggy Elman and Allan Hall.

Pointe Students Win Honors On Many College Campuses

By MARLENE HESSE

In recognition of their superiority in various activities, a full quota of honors are being awarded this year to Grosse Pointe High School alumni in colleges and universities throughout the country.

Many Grosse Pointers have been active in the field of sports. In football, Stuart Ward (January 1949) was one of seven Detroiters named to all-star honors in intra-mural football at the University of Michigan. Ed Isbey (June 1947) scored three touchdowns for the Dartmouth team.

At Cornell University, Jim Kennedy (June 1946) has received two letters in tennis. Jim was also sports editor of the college yearbook.

Formerly a student manager of the high school football team, Joe Fromm (January 1949) was a member of the student manager's squad in football competition at Princeton University.

Among the girls Barbara Brown (June 1949) a freshman at Sullins College in Virginia, received top honors in a badminton tournament.

Two girls had the honor of being chosen to reign as college queens. Pat Martin (January 1949) Harvest Queen at Michigan State College, ruled during National Flower Week in November. Homecoming Week at Valparaiso University in Indiana marked the reign of Hobo Queen, Marilyn Faust.

Pat Hammond and Joan Seabridge (June 1949) both took an active part in the student government at Kalamazoo College. Pat was elected secretary of the freshman class, while Joan was chosen to represent the freshmen in the Student Senate.

Also in the field of government, Philip Clark (June 1947) was elected to the '51 Class Committee, the governing body of the Junior Class at Harvard University.

Scholastic honors were awarded to Lester Bauer (June 1948) and Harry D. Garber (June 1946) and Lester was cited for distinctive scholastic achievement at Dartmouth College for the academic year 1948-49. Harry was named Scholar of Second Rank at Yale University as a result of his scholastic average which was better than 85.

Jim Kennedy became a member of Quill and Dagger, a senior honorary society for men at Cornell University.

Conversion Plan On Park Ballot

The Park Council on January 23 passed a resolution providing for putting on the ballot at the election on March 13 an item providing for incorporation as a city.

The law requires that in providing for the incorporation as a city the municipality concerned shall use the name "City" in its charter, and hence the new city, if decided upon will be called the "City of Grosse Pointe Park."

An accompanying resolution also provided for the election of a Charter Commission at the same time, so that in the event of the conversion being adopted the Charter Commission will be ready set to undertake the drafting of this basic instrument of government.

The charter in turn would have to be approved by a vote of the people.

Joseph Parker Wins Honor

Detroit's "outstanding young man of 1949" is Joseph R. Parker, of 41 Hendrie, Grosse Pointe.

Parker, 34, was named at the 9th Annual Distinguished Service Award dinner of the Detroit Junior Board of Commerce held Thursday night, Jan. 19, at the Hotel Book Cadillac. The award is given annually to the Detroit man, under 35 years of age, who made the greatest contribution to the welfare and progress of the community during the past year.

In last fall's successful United Foundation Torch Drive, which received national recognition as a fund-raising project, Parker was chairman of the Major Commerce and Professional Unit. An active leader throughout the campaign, he also assisted in budget negotiation with the participating agencies and was a member of the Executive Committee.

His community work includes membership on the Board of Directors of the Council of Social Agencies, the Michigan Society for Mental Hygiene, the Detroit Area Council of the Boy Scouts of America, and Junior Achievement, Incorporated. He is a member of the Executive Committee and the Admissions and Budget Committee of the United Health and Welfare Fund, a state-wide organization.

In addition, Parker is a member of the Detroit Junior Board of Commerce, the Board of Commerce, the Michigan State Bar Association, and the Detroit Aviation Commission.

He is a committee chairman of the Economic Club of Detroit and secretary of the Grosse Pointe Farms Charter Commission, which drafted a new city charter for Farms residents. As a co-chairman, he is helping direct the current drive to raise \$600,000 for the St. Paul's School Building Fund in Duluth, Minn.

Born in Grosse Pointe, Parker is a graduate of the University of Minnesota Arts College and Law School and also attended Georgetown University. During World War II, he was a lieutenant in the Naval Reserve. He is married and has two children, Pamela Ann and Joseph.

Principal speaker at the award dinner was Senator Homer Ferguson, member of Congress from Michigan. He spoke on "Communism in Our Marshall Plan Countries" before an audience of 400.

Requests Permit For Parking Lot

Tom Boyd, of the Tom Boyd Sales and Service company, on East Jefferson Avenue, has asked the Park authorities to so arrange their zoning regulations as to enable him to use a plot he owns across Nottingham from his place for parking purposes and to use a part of it for private purposes.

He suggests that if they grant the parking lot privilege, he would use it only in the daytime leaving it open for public use in the evening.

The provision would doubtless be a great convenience for theater goers in that neighborhood, but the matter is so involved with present zoning regulations, etc., that it has been referred to the village attorney for further consideration.

DAR CHAPTER TO MEET
The Elizabeth Cass Chapter of DAR will hold a business meeting at 11 a.m. on February 6 in the Women's City Club.

Spina to Speak To Camera Club

Tony Spina, well known Detroit Free Press photographer, will address the Grosse Pointe Camera Club at its meeting on Tuesday, February 7, on his experiences photographing the characters on "Skid-Row".

Mr. Spina, who has gained international recognition with his photographic works, did outstanding work on his assignment on skid row, succeeding in getting exceptional pictures of the people who live there. During the last World War, he was chief photographer for the Navy. His lecture will be illustrated by many of his pictures taken under adverse conditions.

Following the talk, the Club will hold the election of its officers for the ensuing year.

The meeting will be a social evening, following which there will be refreshments.

Rear End Crash Occurs on Mack

A rear end collision caused damage estimated at \$185 to two cars at Mack and Warren shortly after midnight on January 27. Lawrence Gilineau of 9274 McKinney, Detroit, stopped to pick up a passenger when his car was struck in the rear by another driven by Gladys Erskine of 833 Rivard boulevard.

The tail light and trunk of the Gilineau car suffered \$35 damages, with the front end of the Erskine car taking a considerable beating. Mrs. Erskine agreed to pay for the damage and Farms Patrolmen Beaupre and Roland did not issue any tickets.

DISLodge OPOSSUM
Farms police were asked to get rid of an opossum which had lodged on a window ledge at the Farmer home at 167 Moross road on the night of January 24. Officers Beaupre and Lyford handled the assignment.

Plan May Ground-Breaking For St. Paul School Addition

Ground for the new addition to St. Paul's School will be broken in May if the drive to raise \$600,000 is successfully completed, building fund drive officials said this week.

It is planned that the new building will be ready for occupancy with the opening of the second semester of school in February, 1951, according to Ross Roy, chairman of the building fund drive committee.

Joseph R. Parker, co-chairman of the fund committee, said that although general solicitation did not begin until this week, a total of \$235,260 has been pledged, of which \$114,562 is in cash. Each contributor is being asked to pay at least half of his contribution now in order that the amount necessary to start construction will be available when the drive ends.

Pair Picked Up On Theft Charge

The missing ribbish bag problem continues in the City. At 2 p.m. on Jan. 17 officers Mauch and Allor picked up Farmine Jushua, 40, of 976 Superior street, Detroit, and Rudolph Kelsey, 23, of the same address, who had taken seven bags from between the sidewalk and curb at a house at Mack and Neff. The two men were driving a panel truck.

Kelsey loudly protested that he had never been in Grosse Pointe before with Jushua but both of them were taken around to the Maumee police station where Jushua put up a cash bond of \$35 and Kelsey one for \$15 for a hearing on February 13. In addition to that Jushua was ticketed for using an expired chauffeur's license.

Trace Mystery To Hole in Ice

Fear that foul play or a possible suicide might have occurred in the City beach park on Jan. 24, moved the police to investigation of a report made by Mr. and Mrs. D. D. MacEachin of 745 Lincoln road.

They stated that they had been in the park several hours earlier and had seen a heavy blue overcoat and a pair of gloves lying on the ice near the pier. Returning a few hours later they saw the same articles in the same spot.

Investigation by Patrolman Rabaut and Charles Locke, the Park attendant, disclosed that a fisherman who was fishing through the ice just out of sight had left them there. Why the fisherman chose to divest himself of his overcoat and gloves before he engaged in the non-tropical pastime of ice fishing was not clear.

CHAPTER A.O. TO MEET
Chapter A.O. of P.E.O. will meet at 8 p.m. on Feb. 6 in the home of Mrs. George A. Nicholson in Cadieux road.

Air Rifle Sharpshooter Has His Gun Confiscated

A youthful air rifle sharpshooter in the 1400 block of Lakepointe on Saturday morning, Jan. 28, chose human rather than usual window pane targets and Donald Yerges, a newsboy delivering his morning papers, reported that a youngster was taking pot shots at him with his gun.

The police confiscated the gun, informed the parents and dismissed the boy with a warning.

Fire Fighters Install Officers

The installation of officers of the Grosse Pointe Park Fire Fighters Association, Local No. 533 was held at Lepans Hotel in Windsor, Ontario.

The local was honored by the presence of State President Robert Amsterburgh who was the installing officer. Other state officers and guests were as follows: State Vice President Glen Holmes from Monroe, Mich.; State Secretary-Treasurer George Campbell from Detroit; Elmer Ulrich, Fire Commissioner from Grosse Pointe Park, and John C. Staudt, Civil Service Commissioner from Grosse Pointe Park.

The officers installed who will serve the organization for the next two years are David Taylor, president; Cornelius Fasbender, vice president; Edward Racicot, secretary-treasurer; Frank Roland, guard; Philip Costa, director.

Honorary memberships were bestowed on Walter Zentgrebe, Norman Bohrer, Rubin Myer, Commissioner Elmer Ulrich and Civil Service Commissioner John C. Staudt.

Past President Martin Nielsen, Secretary-Treasurer Henry De Clerck and Alfred Martin, the retiring officers, extended their best wishes and pledged 100 per cent support to the newly elected officers.

The Pollution Problem

The Michigan State Water Resources Commission, one of whose responsibilities is to protect the waters of the state against sewage or other pollutions, has laid an elaborate program on Grosse Pointe's door step.

The Commission instructs the Shores to construct an interceptor sewer in Lake Shore Road capable of collecting and carrying off all sewage discharges up to the volume of flow produced by a one-year storm.

All other Pointe communities are instructed to prepare plans for the treatment of combined sewage from their area on all flows up to those produced by a one-year storm before discharging into Milk River and Lake St. Clair.

The necessity of such drastic directions is seriously questioned by Grosse Pointe engineers. One certain fact is that if the Detroit sewage treatment plant was compelled to provide capacity for treating all of the combined sewage that might come to it...

There is general agreement that all reasonable efforts should be made to keep the local waters pure, but there is also insistence that this problem should be approached sensibly and with reasonable requirements as to time and cost.

Detroit has for some time been attempting to compel Grosse Pointe to assume the major part of the expense of merely by-passing the Fox Creek outlet in time of high water and carrying this flow down to the Conner Creek outlet.

This however is only a minor angle of the general problem which the State Water Resources Commission lays in our lap. One thing certain is that neither the present Detroit sewage facility nor any that we might provide here at our own expense would handle all of the pollution which gets into the lake during these occasional flood periods.

Government vs Private Pensions

The growing demands of wage earners for pensions out of private industry, which has been voiced most insistently in the Detroit area, has set in motion a new train of thought on the whole general subject of old age and survivors insurance.

Two of the principal speakers at this meeting were Alexander R. Heron, of the Crown-Zellerbach Corporation, and Cyrus S. Ching, a former prominent business leader and latterly better known as the head of the Federal Mediation and Conciliation Service.

Some of the high points of agreement between the two, and generally acceded to by the majority of those in attendance were that "only a tax based, mass based Government Pension scheme can offer pension security to American labor."

Many of the executives argued that asking for Federal pension increase is not succumbing to the welfare state idea but only acknowledging the realities of the 20th century industrial civilization. The opinion was common among the management delegates that "if pensions are to be a collective bargaining point, only the Federal Government can provide a sound, long-run pension arrangement."

This thought has been reinforced by the U.S. Supreme Court decision in the 1948 Inland Steel case making pensions bargainable and the 1949 President's Fact Finding Board in the steel situation largely echoed the same thought.

Mr. Ching, long public relations chief for the United States Rubber Company, said that "today's tremendous concentration of industrial workers with no roots are actuated by a fear complex; they are afraid of what will happen when they get old."

He said the American economy is a dynamic one and thus ever changing, and that instead of "abusing those who are trying to preserve American freedoms through provision for worker security the business community must 'stop hollering socialism' and do something constructive about the mid-century challenge."

Mr. Herron spoke at length on the workability of the private pension schemes "now being bargained for on a rapidly increasing scale." These he said are not transferable "and tend to anchor workers on a specific job and destroy the mobility of American labor."

To make private pension schemes worth while, Herron said, a worker in employment must have a minimum span of years left. This limits hiring to those 35-40 years of age.

Mr. Ching emphasized that "some way of integrating private plans with Government plans must be found." It is significant that this discussion arose among representatives of management just as H.R. No. 6000, a House-

Grosse Exaggerations

A. PRYOR

"The fairest things have fleetest end, Their scent survives their close: But the rose's scent is bitterness To him that loved the rose."

(Francis Thompson)

What ever happened to Addison Simms of Seattle, Washington? We should like to take that memory course. Having long associated with people who can quote what Winston Churchill said last week or last year; people who can drop (casually) the name of the Kentucky Derby winner of 1938; and folks who know the exact date the banks of America closed their doors, we are becoming a little squeamish about the things we DO know and ... forget like a shot as soon as the subject is brought up.

We fancy ourselves an omniverous reader of all "worthwhile" newspapers, periodicals, weekly Digest magazines and "white papers". We read and read and say "ah-hah" ... now we know what's cookin' ... but let someone in a group of 10 to 20 bring one of those subjects to light and immediately, we freeze into a Charlie McCarthy without his Bergen! We even listen to the radio ... all day long ... just so we won't miss anything in the way of local or international news ... and wot happen? All we can remember today, that we heard just last week, is that Jack Benny's REAL age is 55! WHAT GOES, ANYWAY? We can remember (only too well) what grandma said to us when we put a doughnut in the fish bowl. We were six years old at the time and it happened at half past three on June 24, in the year 19???. (you don't catch us there, friend!) BUT DON'T ask us what our Editor said to us a half hour ago. We don't REMEMBER!

In the mailbox: A clipping from a Canadian newspaper, (classified section), from a woman who promises to send us more of the same. It reads: "For Sale: Xmas trees 5 cents each. One Mistletoe, never used. One Seagram's 83 empty whiskey bottle. Six empty beer bottles. Call Finger 4761."

Having warned our readers that we are a rabid radio listener, it shouldn't surprise them to learn that we heard a preacher one evening last week ... (station and identity unknown or FORGOTTEN), who was telling his "flock" the following: "Wife and I weren't planning on going to Cuba this year, but we find there is necessary missionary work to be done down there and we have been called. I hereby urge you all to send in your contributions as soon as possible ... and of course, your prayers for this wonderful work." Well now, Mr. Preacher, whoever you are ... we think you have something there. Personally, we would like to go to Palm Beach this year and clean up a few matters ... so if our readers will please contribute to this worthy cause at the first possible moment ... we shall be off. With your blessings, of course!

Among the minor things that fascinate us in life are Western Union operators and Long Distance operators. We never talk to one or the other without getting into some kind of complicated or nonsensical performance, which is probably largely our own fault. Sooooo, we were highly amused the other day when a local gent told us the following crack made by a l.d. operator. It seems our hero had been trying for some days to reach a John Blount Forsyth in Palm Beach. The first time he put the call in, he told the operator he would speak either to the aforementioned OR his brother, Henry Blount Forsyth.

As is often the case, there was a long delay, so he cancelled the call. The following evening, he put the call in again, giving the same instructions. No soap! On the third day, he merely said he would like to speak to John Blount Forsyth ... but was STILL unable to reach him. The fourth day, he called again, told the operator who he wanted to speak to and started to say ... "If he isn't there, I'll ... " when the operator busted in with, "Yes, Yes, I know ... if he isn't there, you'll speak to his brother Henry!" Such a small world.

Remember the old story about the sub-deb who on learning what a sun-dial was, said, "What will they think of next?" Well we just heard a true one that tops that. This is about a very young bride on her honeymoon in Bermuda. Her husband, desirous of having her learn to ride, (he's the "horsey" type), ordered two saddled horses brought to the hotel each day, so he could teach his bride the art of equestrian-ism ... even if there ISN'T such a word.

After about a week of riding lessons with the little woman learning like mad ... the stable groom arrived one morning with the nags in tow, when bride-dear exclaimed to her spouse, "Look, one of those horses is a different one ... not the one we've been using all week." Proud as all get out at his young wife's perspicacity, he said, "Why you're right. But how did you know? They are the same color and look very much alike."

The bride beamed. "I'll tell you how I know. Look at this one," (she pointed at one of the nag's heads), "He has SLANTING eyes! They really positively SLANT!"

The stable boy ... wanting to enter into the spirit of the thing ... and probably being Irish ... said, "That's right Mam. They probably slant because this horse was born in Japan," and he winked slyly at her.

The little bride brightened visibly. "Oh!" she exclaimed, "Then THAT explains it." AND SHE WAS SERIOUS.

passed expansion of social security, comes to the Senate where its supporters hope it will be further expanded.

Police Security

Detroit's new Police Commissioner, George F. Boos, says he can save the taxpayers about \$3,000,000 by dropping the request which Toy had made for 1,000 additional policemen. He is making a survey to learn to what extent civilians can be employed in the department to do work now performed by regular police at proportionately higher cost to the city.

In the days before the automobile, the usual formula set up for police needs in any urban community was one police officer to every 1,000 of the population. The coming of the automobile brought with it the enormous police problem of traffic control and the estimates of police needs underwent a drastic revision upwards.

New York City, for example, today has about one police officer for each 400 of its population. The auto has in turn added both to the efficiency and range of police service and to the mechanics of crime.

In the Grosse Pointe community the proportion of police to population long since exceeded that set down in the old practices. The quality and variety of service which the local forces give to their public however is far and above that received by the citizenry of the average community.

Our local police in their constant attendance on security and the general peace of mind of their people are rendering an unusual service which the people of Grosse Pointe ask for and are willing to pay for. No call for service is too minor not to receive their instant attention, even though they know before they respond that the probabilities are that their services are not needed.

It adds to the sense of security which our people here enjoy and deeply appreciate.

What Goes on at Your Library

By Jean Taylor

This week Miss Melitta Roemer, in charge of the Main Library, comments on Reference Work, one of the most interesting functions of the library.

It is an exciting challenge to attempt to answer the many requests which are a part of our daily routine. Most of them, of necessity, are the usual student queries; but the spice to the daily menu is supplied by our adult clientele.

Our reference collection, supplemented by our circulation book collection, includes the standard tools to enable us to answer the majority of requests. We are handicapped for space in all of our Grosse Pointe libraries and especially at the Main Library, where for efficient service and economy the most complete reference collection is housed.

Thus our reference tools are limited by lack of space, but except for technical questions, which we are not equipped to answer, we make an attempt to supply the questioner. We receive and answer many telephone reference questions but our staff is not large enough to enable us to answer telephone requests from the radio quiz fan or the high school student.

We have had many a chuckle over telephone requests which are often an attempt to settle an argument, such as which is the largest city in the world; the spelling or definition of a word, or the identification of a quotation.

A patron came in for further information to prove to his architect that the pitch of the roof he wished for his proposed colonial home, was correct. That luckily, turned out to be an easy one to solve from our collection of books on architecture and to the patron's delight too since it substantiated his opinion.

Our fine arts collection is one of our most used classification of books, especially those on interior decoration, antiques, and architecture. Our magazine collection and picture collection also supplement our book collection in this field. Requests for built-in furniture, out-door fireplaces,

on heart disease which appeared in the Saturday Evening Post some time ago.

The Library also has available the ratings of motion pictures, taken from Consumers Research Bulletin and Parents' Magazine. A telephone call will tell you if the movie is suitable for children, youths or adults. We were highly amused at the ten year old trying to decide if he were a child or youth when he discovered the movie was suitable for youths but not children.

We don't profess to stump the experts, but are willing to assist you in your reference problems with the tools at our command.

Above and Beyond Call Of Their Ordinary Duty

A minor variation of the multitude of services which the Grosse Pointe police do for the citizens hereabouts was exhibited in a call-to-which they responded at a home in Washington road on Jan. 26.

The lady of the house had called up in considerable alarm that there was a rat caught in a trap in their back yard and she was afraid to go near it. What could she do?

The police furnished the answer by dispatching the rat in about 60 seconds flat.

NOW IN OUR THIRTIETH YEAR

We think we do them best of all!

So Men May Live Longer
By FRED M. KOPP, R. Ph.
Recently it was announced that the medical profession and the drug manufacturers are combining their efforts in a million dollar research project to study the causes of degenerate diseases, such as high blood pressure, hardening of the arteries, arthritis, and heart ailments.

You may not consider this very important to you, feeling that its benefits will come too far in the future. Yes it is possible that such an important medical discovery will be made in time to prolong your life considerably ... providing of course that you have taken care to guard your health from year to year.

See your doctor regularly. Get prescriptions from a reliable pharmacist.

Why Should a Dollar's Worth of Travel Continue to Cost You \$1.15?

IS THIS TRIP NECESSARY? you were asked in 1941, when every inch of space was needed for troops and war supplies. To discourage travel then, a tax was added on your travel dollar, a tax that grew to 15% during the war. The Federal Government collected it through the railroads. The Government still collects it, though your travel need not be rationed now.

Today, the original purpose of this tax is as obsolete as an Air Warden's helmet. But, four years after the war's end, YOU are still paying the Government at the rate of \$250,000,000 a year in travel tax.

And, of the billion and three quarters collected since 1941, over half came out of your pocket after the green light on travel went on again.

You don't have food rationing today ... you don't have gasoline rationing today.

Yet, a very real brake is still being put on travel. On a coach trip from New York to Chicago, for example, YOU are still paying \$4.61 in Federal tax.

And the same with the goods that are shipped to your home community. On every dollar you pay for freight, you pay the Government an extra 3 cents (4¢ a ton on coal). That means YOU are still paying over \$300,000,000 a year — freight tax alone.

This tax should be repealed NOW. There is no longer any reason you should pay \$1.15 for every dollar's worth of travel ... \$1.03 for every dollar of railroad freight.

Woman Jurist To Give Lecture

Camille Kelley, noted juvenile judge of Memphis, will discuss juvenile delinquency and some of the problems concerning sex deviates, with a Detroit Town Hall audience at 11 a. m., Wednesday, Feb. 8, in Fisher Theatre.

Judge Kelley's court has been designated by FBI Chief J. Edgar Hoover as "one of the greatest centers of crime prevention in America."

The dynamic woman jurist has disposed of more than 43,000 cases during 23 years on the bench. She was the first woman juvenile judge south of the Mason-Dixon line, the second in the United States.

9 Traffic Cases Heard in Court

Judge John L. Potter disposed of nine cases in Park Police Court on January 25, as follows:

Steve Trupiano, of 2552 Gladwin, Detroit, for stop law violation involving an accident at Kercheval and Audubon on Dec. 29, paid a fine and costs of \$15.

Donald Walsh of 16484 Eastlawn, Detroit, involved in an accident at Mack and Devonshire on Dec. 24, paid a fine and costs of \$15.

Walter Czark of 14247 Maple-ridge, Detroit, for stop street violation causing an accident at Whittier and Kercheval on January 6, paid a fine and costs of \$25 and was ordered to attend two sessions of Traffic School.

Earl Floyd Mossner of 1168 Buckingham, for making illegal left turn causing an accident at Mack and Nottingham on Dec. 11, paid a fine and costs of \$10 and was ordered to attend two sessions of Traffic School.

Charles M. Trungali, of 18332 Kelly, charged with stop street violation at Kensington and Vernor on Dec. 19, failed to appear and forfeited his cash bond of \$10.

Robert A. Hilgendorf, of 24009 Jefferson, St. Clair Shores, for speeding, 45 m.p.h. on Jefferson on January 7, found guilty and prohibited from driving for 30 days under penalty of 5 days in jail.

For the same offense on Jefferson on Jan. 14 the same sentence was repeated, Evelyn Vardonick, of 1438 Nottingham for making a U turn without proper care, causing an accident at Mack and Devonshire on December 24, pleaded not guilty and was found not guilty and case was dismissed.

Chester R. Czepelowski, of 14210 Wilfred, Detroit, for driving into moving traffic causing accident at Cadioux and St. Paul on Jan. 10, was sentenced to no driving for 30 days and to attend two sessions of Traffic School.

Teen-Agers Eagerly Await Party at Memorial Center

The time for Cupid's Open House at the War Memorial Center is only nine days away—the evening of Saturday, Feb. 11.

The all-Pointe teen-ager party is under the capable co-chairmanship of Larry Reynolds of St. Paul, and Warren Sisman of DUS.

Diane Thompson of the High School heads an Entertainment Committee which will provide a packed evening of fun from 8:30 until midnight. Helping her arrange festivities are Tim Leach, Carolyn Hahn and Don Schmitz.

Students to Do French Operetta

By JOAN WOZNIAK
With the coming of "The Chimes of Normandy," by Robert Planquette, Grosse Pointers will be given an opportunity to see the first operetta to be presented by high school students in 12 years.

Members of the Grosse Pointe High School choir, under the direction of Mr. John Finch, will combine their talents with those of Pointe Players, instructed by Mr. Frederick Nelson, to offer the French operetta at Pierce Auditorium on February 17 for one performance only.

The leading roles will be sung by Paul Lane, who plays the part of Henri, a wealthy count; Richard Yates, as Grenicheux, a sailor; James Schumacker, as Gaspard, a miser; Richard Broquet, as Bailli, the village governor; Betty Scales, as Germaine, and Jane Kurth, as Serpolette.

Diane Wuerker and Sue Kitson will have speaking parts as Gertrude and Manette, two village maidens. Twenty-four choir members will make up a chorus of village maidens, peasants, menservants, coachmen, and maidservants.

"The Chimes of Normandy" takes place in Normandy in the village of Corneville during the reign of Louis XV. Henri, the count of the village, having been in exile since childhood, now returns to visit the old castle of his birth. The castle is said to be haunted and its bells to ring out, when the rightful master returns. Ghostly apparitions, hidden treasure, and old documents make up the mystery of the play.

The stage-setting is the old castle courtyard with a wooded backdrop. Colorful French peasant costumes of the seventeenth century are to be worn.

Two pianos, played by Betty Richter and Janice Kiefer, will provide music for the songs and dancing throughout the production.

Helping to keep the platters full and circulating will be Mary Bohr, Mary McKean, and Sally Woodruff of Country Day.

The party is sponsored by the Youth Council of the War Memorial Board and is open to the 9th through 12th graders and recent alumni of all the Pointe high schools. It's a non-dating affair in order that teenagers from all the schools may mix more freely.

At least three ping-pong tables will be set up for the evening. Card tables will also be available in the sun room. Pat Underwood and Nancy Ramsey of the High School, Mary McGlynn of St. Ambrose, and Betty Lou Givens of Country Day will be on hand to distribute decks of cards and welcome people as they arrive.

Dress requirements for the party are sweaters and skirts for girls and ties and sweaters for boys. General admission is 60c per person, and everything else is "on the house."

Town Hall Books Philip Cummings

Philip Cummings, sociologist, educator and geographer is the speaker to close the Detroit Town Hall's 1949-1950 season at the Cass theatre on Friday morning, February 3, when he will discuss "World Affairs From an American Viewpoint."

Philip Cummings' work as a geographer and sociologist has taken him around the world more than once. He lived for five years in Spain and spent much time in the Mediterranean countries and in Africa. He lived and traveled extensively in Australia and the Southwest Pacific.

Jury Convicts Sex Offender

The jury deliberated but fifteen minutes in Circuit Judge John Maher's Court on Jan. 24 before bringing in a verdict of guilty against John Hardy, aged 43, formerly of 3605 Balfour, charged with indecent exposure.

The case was based on an offense committed in a Grosse Pointe cafe on September 26.

It was developed in the trial that Hardy had served a 5-10 year term for assault with intent to kill and commit murder some years ago. Two cases of indecent exposure had also been charged against him for which he had served a 6 month to 1 year term.

His case has been referred to the Probation Department for investigation and report.

Society News Gathered from All of the Pointes

From Another Pointe of View

by *Jane Schermerhorn*

The Frank W. Goldies are making a leisurely motor trip of their Florida junket this year...

And as you read these lines... should be remarking about what a fine breakfast they had... say, somewhere in Kentucky...

The Goldies will headquarter at the Villas in Palm Beach for three wonderful months... before heading northward again...

And plan visits to Daytona Beach and Miami Beach while they're in Florida...

Music in the Air

Just before their Southern departure... the Goldies had been to Montreal... where they were wined and dined by all their friends in the Canadian Pacific who are hosts par excellence...

And naturally... the dashing golden lady wouldn't have left Grosse Pointe... without knowing that next year's Morning Musicales are all scheduled... three of them—again at the Country Club...

With an even more glamorous artist list than ever... The plans were set at a meeting held last week in the home of Mrs. John S. Newberry on Lake Shore road...

Other "travelers" present included Mrs. Henry B. Joy who is now on her way to Honolulu... and Mrs. Frederick S. Ford... who'll cruise in Florida this year...

Pointers Lunch in Pasadena

Lots of California news this week... Mrs. Hamilton Carhartt (who was Corinne Palms) gave a luncheon in her Pasadena home for a group of old Detroit friends all of whom now make their home on the coast...

There was Mrs. James Harwood (Margarite Sullivan, sister of Mrs. Muir Snow)... Mrs. Walter Gallagher (Louise O'Brien)... Mrs. Ignatius F. O'Brien (Maude Van Dyke)... Mrs. Frederick Warren Richardson (Agnes Van Dyke) and Mrs. Evangeline Griffin (Evangeline Marion)...

These friends all lived within a few blocks of each other on Jefferson avenue in the old days when the beautiful avenue was lined with glorious elm trees...

And what fun they must have together now... reminiscing of the Detroit which has changed so greatly even in their short lifetimes...

Circuitous Route of News

Mrs. Carhartt is looking forward to a visit shortly from her sister... Mrs. A. Ingersoll Lewis of Vendome road... And it took a clipping from the Los Angeles Herald Express to bring us up to date in the Stork Dept.

The Arden Yinkes Jr. (she was Millicent Barham and don't tell us you don't remember the stir she made at the Pointe when her lovely mother, the late Mrs. Guy Farham brought her back to Detroit as a debutante to meet family friends!) became the parents of a baby girl... Susan Goff Yinkes last Christmas Eve...

We read it in the Los Angeles paper... but the Yinkes make their home in Wilton, Conn. now which shows that sometime news travels the long way home, too...

Chocolate Mousse and Golden Manicure

Mrs. Barham is one of our fondest memories... she was not only a beautiful and cultured woman... But had a passion for young people and chocolate mousse...

She named Millicent for Mrs. William Randolph Hearst... who was her best friend... and her only child's godmother...

Mrs. Barham was a Baubie of Detroit... the old French (Continued on Page 10)

Two Pointe Brides Speak Saturday Vows

Lizi Murphy, Daughter of The Charles R. Murphys, Marries Bayard Wilson; Joyce Elaine Middleditch Is Wed To Roy M. Tolleson Jr.

Lizi Murphy, in a cloud of white satin, illusion and rose-pointe lace was married Saturday noon in St. Catherine's Chapel of SS Peter and Paul Church to Bayard Wilson. Lizi is the daughter of Mr. and Mrs. Charles R. Murphy of Balfour road and the bridegroom is the son of Mr. and Mrs. William Robert Wilson of Lakeland avenue.

The Rev. Father Francis F. Van Antwerp performed the marriage ceremony which was followed by a reception in the home of the bride's parents.

Lizi's rosepointe lace tiara was a sentimental touch, familiar to brides in her family since the time it was worn by her great great grandmother. The bride carried stephanotis, gardenias and ivy in her wedding bouquet.

All the bridal attendants wore gowns of pure white faille and lace with ivory wreaths, speckled in red carnations and tied at the back in long red velvet streamers, on their heads, they carried deep red blossoms intermingled with ivy.

Laura Murphy was her sister's maid of honor and the bridesmaids were Jean Turner of Montgomery, Ala., Mrs. Malcolm R. Lovell Jr., Beatrice Wilson and Barbara Allen.

H. Phelps Trix of Grosse Ile was best man and asked by the bridegroom to usher were the bride's brothers, Michael J. II and Charles Murphy, Donald C. Longyear, Edward G. Acob, Richard H. Talcott and Gordon G. Wilson.

Mrs. Murphy wore for the wedding a gown of blue crepe with matching velvet toque and pink carnations. Mrs. Tolleson in moss green crepe with a brown chapeau trimmed in beige feathers. Her flowers were gardenias.

Ruth Henkel Weds William G. Shearman

Rev. Clemens Kolb Officiates At Noon Ceremony Held In Home of Brides' Parents, Mr. and Mrs. Edward Henkel of Berkshire Road; To Live in Jamestown

At a home ceremony held at high noon Saturday, Ruth Henkel, daughter of Mr. and Mrs. Edward Henkel of Berkshire road, became the bride of William Griffin Shearman, son of Frank E. Shearman Jr. of Jamestown, N. Y. and the late Mrs. Shearman. The Rev. J. Clemens Kolb of Christ Church, Grosse Pointe officiated at the wedding.

Ruth met her bridegroom before a calla lily banked fireplace in the Henkels' living room and on the mantel there were cathedral tapers in graduated candleabra.

Proceeding her sister to the improvised altar was the bride's only attendant, Mrs. John Francis De Hayes who wore a Carnegie blue taffeta frock designed with bouffant skirt, off-the-shoulder neckline and short sleeves formed of self-pleating. The same pleating was used in Mrs. DeHayes' matching Juliet cap and she carried an old-fashioned bouquet of sweet-heart roses.

The bride was in a Hartnell wedding gown of candlelight satin which was designed with panels down the front of the skirt and ended at the back in short train. Pearl embroidery finished the neckline of the gown and was repeated in her wedding veil of heirloom candlelight silk tulle, which had been worn by her mother. The veil was attached to a tulle bridal cap and Ruth carried white orchids surrounded by butterfly orchids.

Frank E. Shearman II of Jamestown, was his brother's best man and groomsmen were the bride's two brothers, Milton and Edward Henkel Jr., John H. Schroeder of Wayne, Pa., who is the brother-in-law of the bridegroom; and Charles Mack of Jamestown.

Mrs. Henkel wore for her daughter's wedding, an original Pattulo gown of mauve iridescent taffeta and lace with small match-

ing hat of maline. She pinned pink orchids to her shoulder.

There was a reception following the ceremony and the bride's table, set with lace cloth, was centered by the tiered wedding cake. White bridal flowers in low silver bowl also were used on the table.

The new Mrs. Shearman traveled in a royal blue imported wool dress and jacket with a matching blue baku straw bonnet and black accessories.

The young couple will make their home in Jamestown following their Eastern wedding trip which will include a visit to Vermont for skiing.

Mrs. Beyster Heads District Nursing Group

Many Pointers Named to New Slate of Officers by the District Nursing Society; Mrs. Henry P. Williams, Mrs. Charles Morgana, Vice-Presidents

For over 50 years the Pointe's social leaders have affiliated themselves with prominent Detroit women in that worthy pursuit . . . the District Nursing Society which recently named for its president in 1950, Mrs. Henry E. Beyster of Kensington road.

When it was organized, the Society's purpose was to do all it could to help keep together families who had members being committed to the Lapeer Mental Hospital. It provided a trained case worker to counsel the families if they wanted it, and the women themselves made calls to the unhappy homes to give encouragement and aid.

Today, the purpose leans more to providing layettes and clothes for babies in needy homes and to maintaining Bay Court, the Summer camp near New Baltimore given by Mrs. Tracy McGregor in 1910, for use by poor children and mothers.

Pioneer workers in the District Nursing Society were Miss Clara Sanders who is active today, Mrs. Henry G. Stevens, Mrs. John J. O'Brien, Mrs. William Inglis, Mrs. Chauncy Griggs, Mrs. Henry Newman, Mrs. Albert A. Griffith, Mrs. T. Brook Jackson, Mrs. Harry N. Torrey, Mrs. Joseph B. Schlotman, Mrs. Henry P. Williams and Mrs. Fred T. Murphy.

The Bal Poudre of Old Detroit was the fund raising function given by the society to help carry on its good works.

Joining Mrs. Beyster in this year's slate of officers who look forward to an active Mid-Century year are: Mrs. Henry P. Williams, first vice-president, Mrs. Charles Morgana, second vice president

(Mrs. Morgana has worked unceasingly for DSS for 40 years and at least twice has served as president; she is the retiring president now); Mrs. Mason P. Runney, recording secretary.

Mrs. Maxwell T. Bates, corresponding secretary, Mrs. Vernon Davis, assistant corresponding secretary; Mrs. Greene Penley, treasurer, and Mrs. Bruce Howard, assistant treasurer.

Mrs. Wallace S. MacKenzie, whose long association with District Nursing Society makes her eminently fitted for the job, will be in charge of the group's publicity for the coming year.

Mrs. Wilfred Thompson is Bay Court chairman assisted by Mrs. Joseph M. Dodge.

Lois Volz Tells Wedding Plans

Miss Lois Virginia Volz has completed plans for her marriage to Robert Francis Hill. Lois is the daughter of Mr. and Mrs. Russell George Volz of Yorkshire road. Mr. Hill is the son of Mrs. Arthur Hathaway of Chicago boulevard and the late Mr. Hill.

The wedding is to take place in the Grosse Pointe Congregational Church on March 10, the Silver Anniversary of Miss Volz's parents. The Reverend Charles Scheid will officiate.

Mrs. John Harned has been named as Matron of Honor, with Miss Shirley Remington, Miss Ruth Williams, Miss Irene Blasola and Miss Jean Gratopp as bridesmaids. The brother of the bride, Russell Allen Volz, will serve as best man. The ushers will be Matthew J. Donoghue, Richard Dingle, Robert Van and John Harned.

The reception is slated for the Star Ballroom. The newlyweds will spend their honeymoon in Chicago.

Several showers have been planned. Miss Mary Lou Stockman, Mrs. Fred Stockman, Mrs. John Harned, Mrs. Nelson Welch, Mrs. Fergus Nichols and Mrs. Elmer Dieterle of Keego Harbor are hostesses for parties to be given for the bride-elect.

Mrs. Anderson To Give Dinner

Mrs. John Wendell Anderson will give the rehearsal dinner, Friday evening, for her granddaughter, Lindsay Anderson, and Charles Parker Sagar, who'll be married Feb. 11 in Christ Church Chapel, Grosse Pointe. The dinner will take place in Mrs. Anderson's Lake Shore road home.

Lindsay is the daughter of Wendell W. Anderson of Vendome road and Mrs. McPeely Anderson of Bedford Hills, N. Y. and Mr. Sagar is the son of Mr. and Mrs. George Alfred Sagar of Greenwich, Conn.

Joan Lou Ghesquiere's Engagement Announced

The engagement of Joan Lou Ghesquiere to Robert Van Halteren was announced at a recent tea by the parents of the bride-elect, Mr. and Mrs. Charles Ghesquiere, formerly of the Pointe and now of Rochester, Mich.

The bridegroom-elect is the son of Mr. and Mrs. F. E. Van Halteren of Kensington road.

Miss Ghesquiere is attending the Business Institute and her fiancé is at Michigan State College. No date has been set for the wedding.

Altar Society to Hold Pre-Lenten Card Party

Our Lady Queen of Peace Altar Society is making elaborate plans for a Pre-Lenten Card Party.

February 8 has been selected as the date and the Valentine motif will be employed. Playing will start at 8 o'clock in the new school building in Bournemouth avenue just south of Harper. The general public is cordially invited.

Pointe's Motion Picture Council Hears Mrs. Lardie Talk on UNESCO

American women must face the challenge of promoting peace in the world of turmoil by taking an active interest in international organizations such as UNESCO (United Nations Educational, Social and Cultural Organization). Mrs. Kathleen Lardie told the Grosse Pointe Motion Picture Council.

"Promotion of peace and understanding through the weapon of words is one of the aims of UNESCO," said Mrs. Lardie. "Words naturally mean all forms of communication such as motion pictures, radio programs, and books." She interpreted for the audience of Grosse Pointers how they could make their personal contributions toward this overall goal.

Dr. LaSalle visited Stockholm as a member of the Physical Education Congress and helped with a demonstration of rhythmic dancing for children. She spoke of the physical education in Sweden as the gymnastic type not practiced in the United States.

Mrs. Lardie said she found in this country that the total concept of UNESCO is not understood. "Most people," she said, "don't even understand what the initials UNESCO mean. I once asked a woman in a pre-luncheon conversation how she felt about UNESCO."

The Beirut Conference, she saw an encampment of 70,000 refugees who had fled the war in Israel. Whereas they were being taken care of temporarily by the Red Cross, and being given volunteer shelter by the Lebanese, their permanent resettlement was left to a U. N. Commission.

"Duhing the London, stopoff, the UNESCO delegation presented to the British Museum the original Lewis Carroll manuscript of 'Alice in Wonderland.' This was done as a goodwill gesture to show this country's friendship with Great Britain."

"To show other countries how democracy can work here," Mrs. Lardie concluded, "we must all take an active hand in making it do so."

Health Council Hears Speaker

Dr. Dorothy LaSalle, Associate Professor of Health and Physical Education at Wayne University, spoke to the members of the Grosse Pointe Mothers' Health Education Council on January 24.

Dr. LaSalle spent last summer in these countries and explained that her observations must be taken as that of a visitor observing conditions for a short period of time.

Mrs. Lardie said she found in this country that the total concept of UNESCO is not understood. "Most people," she said, "don't even understand what the initials UNESCO mean."

D.A.C. Bowlers Fete Ladies

When Detroit Athletic Club's Bowlers planned their annual "Ladies' Party" for Jan. 29, everything was arranged to fete the distaff side to the utmost. And when the festivity took place at the D. A. C. last Saturday evening, the feminine contingent voted it one of the best of these yearly social gatherings.

Chairman David J. Hanna, Harold L. Richeson and E. V. Eckwall and a large committee, including Fred A. Rohme, Carson M. Wallace and Clark Swart, started the evening's program with a cocktail hour beginning at six o'clock in the club gymnasium.

From then on, it was an evening of gay fun. Strolling musicians played during the get-together over cocktails and then moved to the second floor where the 250 couples dined in the club's adjoining Pontchartrain, ladies' and private dining rooms. Here flower-decked tables were arranged to group together members of the respective leagues and their partners. Favours for the women were mother-of-pearl cigarette lighters.

A floor show in the gymnasium, followed by dancing continued the party gayety. There was a spot of bowling after 11 o'clock for members of the feminine contingent—and it's only at the Bowlers' annual mixed party that women may ever invade the D. A. C. bowling alleys!

Pointers Hear Mrs. Lamson

Welcome Wagon Hostesses Perpetuate Friendliness, Heritage of Early Days

Visit Newcomers, New Mothers and Area's New Brides

The Welcome Wagon, as generally appreciated today as was its early counterpart in the pioneer days, is maintained in Grosse Pointe by seventeen public-spirited firms, of which the Grosse Pointe News is one, and with the guidance of several hostesses from the National Welcome Wheel Service, whose headquarters are in New York City.

The magic of gifts from the bountiful "basket" of the Welcome Wagon is best attested by the sponsors whose enthusiastic backing goes on year after year. Newcomer-housewarming, weddings, and baby-time are occasions for visits by the official

hostesses, who bring free gifts and a genuine welcome, and answer questions which are seldom asked by new neighbors.

All of the local sponsors receive much praise for the cheerfulness and wholesome friendliness of the hostesses and for the splendid array of gift they convey.

Mrs. Leland Kennedy of Lakepointe avenue, Supervising Hostess and Mrs. Louis Marick, her assistant, say they are received royally by the ladies they call upon. The organization is international. The local telephone number is EDgewater 1-7590.

Mr. Tom Boyd, one of Welcome Wagon's greatest sponsors is seen as he packed a snowball and handed it to the hostess when she reached for the keys, just as this photo was snapped. However, she got the keys all right and service is now better than ever.

St. Martin and Annunciation Latest Victims of St. Paul

Billy Huettelman Paces Locals' Attack in Both Games; Pelkey Belanger Shares Roles and Spends Time Feeding Shots to Teammates

By JOHN DRAKE

The St. Paul Flyers added to their perfect record with two more wins in as many days. They defeated St. Martin and Annunciation on January 25 and 26, both times in the Annunciation gym. St. Martin fell victim to the Flyers, 41 to 30, and Annunciation was defeated 36 to 26.

St. Martin struck first with a pair of baskets that gave them a quick 4-0 lead. Trombly and Pelkey of the Flyers tied the game up with a basket each, and the St. Martin offensive collapsed right there. The Flyer defense proved perfect and they went on to grab a 9-4 first period lead.

Flyers Keep Command

The Flyers continued to command the second and third periods, scoring 15 points in the latter. They held a 16-8 half-time margin.

Up until the last three minutes of play the Flyers held on to their two-to-one edge. They slacked up in the closing period, however, and their only score in the last 180 seconds was Tim Champagne's field basket. St. Martin worked from a 21-point, 39-16 deficit to score 14 points, 10 of them in the last three minutes.

Huettelman Paces Attack

Billy Huettelman paced the Flyers' scoring attack with 8 baskets and a free throw for 13 points. Tom Pelkey made 9 points and was matched by Jack Trombly.

Higgins starred on both offense and defense for the St. Martin five. He led his team with 11 points and prevented an even higher Flyer margin by skillful control of the rebounds.

Bill Huettelman captured scoring honors in the Annunciation contest as well as the St. Martin one. He racked up 12 and was

again followed by Pelkey, this time with 8. Trombly and Marchand both totaled 7.

Belanger Feeds Mates

Previous consistent high-scorer for the Flyers, Pete Belanger, spent most of his court time in the two games as a hand-off man to Pelkey and Trombly. He totaled 6 points in the two encounters.

The first period of the Annunciation contest dragged along and only produced 6 points. St. Paul was on the bottom side of the 4-2 score. The Flyers regained their scoring touch in the second period to out-pounce Annunciation 10 to 4 and hold a 12-8 half-time lead.

Trombly and Huettelman were the only Flyer scorers in the first half. Each put three two-pointers through the hoop.

Get Hot in Third

High period for the Flyers was the third, when they scored 15 points and held Annunciation to 9. The final 8 minutes were a toss-up as far as scoring was concerned, both teams collecting 9.

Coach Bob Van Tiem's reserve squad split their two. They easily rolled over St. Martin 40 to 25 with the help of Glen Walter's 19 points, but fell to the Annunciation five, 3 to 30, in a fast game that saw the Flyers put on steam just too late to catch up.

Blue Devils Gaining State Prep Recognition

GROSSE POINTE HIGH SCHOOL'S BASKETBALL TEAM vaulted into the State prep spotlight last week when it upset the third ranking unbeaten Dearborn Pioneers. Currently the Blue Devils are leading the Border Cities League race with five straight victories. Left to right—front row: NEEB, DAVISSON, HA FER, MANN, PETERSON, PEPLINSKI and LOWERY. Back row: STUDENT MANAGER LEONARD, ALLEN, COUREY, McCULLOUGH, QUIRK, JOHNSON, J. SCHOECK and COACH ED. WERNET.

Devils' Win Over Dearborn Lends Added State Prestige

Grosse Pointe High Basketball Team Topples Pioneers From Ranks of Unbeaten; Bayard Johns Turns In Stellar Performance

By FRED RUNNELLS

Blue Devil basketball fans didn't mind one bit the long, hazardous trip back from Dearborn through rain and fog on Tuesday, January 24. They had seen their favorite cage team score an impressive upset 46 to 39 victory over the highly touted unbeaten Dearborn Pioneers which sent the Devils' State stock soaring.

The win not only moved the Pointers up in the State prep ratings but avenged that one point overtime victory scored by Dearborn last year in the first meeting between the two schools.

Pre-Game Ratings

Prior to game time Dearborn was ranked third and the Devils eighth in the State prep basketball ratings.

Both teams are leading their respective league races. Dearborn heads the Twin Valley loop and holds an eight and one record to date. The Devils are in a comparable position in the Border Cities League and also hold an eight and one record to date.

It wasn't an easy row to hoe for the Devils and at one point early in the first quarter they were behind eight points as the result of the phenomenal shooting of Dave Williams, the Dearborn star, who connected on his first four tries.

Led by their great captain, Bayard Johnson, the Devils fought back savagely to grab a two point 19 to 17 halftime advantage. Johnson racked up 10 of the Pointers first half total, which coupled with his brilliant second half effort, gave him scoring honors with 21 points. He was named the "player of the night."

Daily and weekly sports writers alike marveled at the way John-

son sparked the Devils both on offense and defense. He was everywhere on the court. One moment he would drop in a bucket and the next he would sneak under the opponents' basket to capture a rebound.

On any other night the personal efforts of each and every Blue Devil would have gained for them the spotlight but Johnson's star was riding high that night and he couldn't be denied.

If one were to pick out any other Pointe player for spotlight mention it would be little Bob Hafer. Hafer came through magnificently in the final two periods with timely scores for a total of seven points which gave him the third place Devil scoring honors behind Lanky Bruce Allen who notched ten points.

Spike Quirk, playing his last game for Grosse Pointe, turned in a remarkable job on defense by limiting Dearborn's other star, Mike O'Connell, to a meager 5 points. The Devils will entertain the much beaten Royal Oak Acorns, who last week lost their 30th straight ball game, on the local court Friday, February 3. This game starts the second half of the Border Cities League basketball race in which Grosse Pointe holds a one game advantage over the second place Monroe Trojans.

Rotary Loop Battle Still Hot Affair

Two Teams Tied for Lead With Third But Two Points Behind Pace Setters

Punch & Judy Cocktail Lounge took a four-pointer from Kopp's Pharmacy bowlers to remain in the exciting battle for the league title in the G. P. Rotary Club Classic. Although tied for seventh place, they are only six points out of first.

Cleaners broke even, each winning two points. Ed Taube, Jr. rolled 544, high for this pair of alleys.

Earl Holzbaugh broke their losing streak by winning three from Houston Bros. Inc., who were handicapped by the loss of their regular, Jay June, reported as being seriously ill. It is the wish of all Rotary bowlers that he will be back soon.

Motor City Tires, going good until now, were stopped by Middle Atl. Transp. Co., 3-1. The Middies are only two points out of first but are up against Houston tomorrow night and will be hard pressed all the way.

G. P. Review climbed back into a tie for first by tripping Piches Barber Shop, 3-1. Peplinski, Review "ace," spilled 215-217 and an even 200 for a 632 series, high for the night.

Auto Club, lately an "in and out," had a tough time winning three from Harrison Carpets. Gee VandeVelde hotted a 234 game, high single for the night.

A couple of good matches appear on tomorrow's night's schedule when Houston meets Middle Atl. and the other match we think will be exciting is the Farms-Punch & Judy duel.

Arrangements have been made to entertain the team sponsors immediately after bowling. This is a yearly event and Ed Taube will be in charge as usual.

Memorial Cagers Win First Round Church Loop Laurels

By Fred Runnells

Grosse Pointe Memorial was crowned the champion of the first half of the 1949-50 Inter-Church basketball league season last Saturday, January 28, at the High School when it squeezed by Grosse Pointe Woods Presbyterian 25 to 24.

Forfeit Creates Deadlock Presbyterian created a deadlock for first place in the first round of play when it was awarded its game with Grosse Pointe Methodist via the forfeit route. Methodist showed up with four boys on Wednesday night, January 25, at the High School.

The Presbyterian squad is made up of 10 boys who play basketball at Pierce Junior High. Having 10 boys on the squad, it was the Presbyterian coaches' strategy to use the platoon system and wear Memorial down in the first two periods and go on to build a big score in the final two periods. This strategy backfired and cost Presbyterian the ball game.

Starting Five Did Well The starting Presbyterian quintet did its job well and held an 8 to 6 lead at the end of the first quarter. Then the Presbyterian coach substituted a whole new team at the start of the second period. This outfit was easy pickings for Memorial. It left its two point advantage and left the floor at half time trailing 14 to 15.

The starting team went back into the ball game at the start of the third stanza but never got hot and Memorial moved into a three point 21 to 18 lead going into the last quarter and finally eked out its one point all important league win.

Shooting Below Par Presbyterian had everything to its advantage, experience and height, but was below par on its shooting. Time after time Presbyterian's shots rimmed the hoop but failed to go in.

Bill King led the winners with 12 points for scoring honors. St. Paul had no trouble hand-

ling Methodist its fifth loss in six starts and won going away, 34 to 20. The victory boosted St. Paul into a two-way tie for fourth place with St. Clare.

The five scoring leaders for the first round of play are: Bill King, Memorial, 37; Bob Brown, St. Paul, 34; Bruce Coleman, Memorial, 30; Dave Belfore, St. Paul, 27; Lee Clancy, Christ Church, 25.

This Week's Games

The second round will start Saturday, February 4, and will bring together St. Clare vs. Memorial, Christ Church vs. St. Paul and Presbyterian vs. Methodist.

First game starts at 9:30 a.m. All games will be played at the High School on Saturday mornings unless otherwise specified.

Lauer Team Winner In St. Paul Loop

Quintet Puts on Heat With Chips Down and Grabs First Half Honors

Eddie Lauer's bowling quintet scored a clean four points sweeney on the list night of the first half of the St. Paul's Bowling League season to nip the front running Martin squad and capture the first round championship.

Pete Martin's outfit held a two point advantage going into last Thursday night's matches. January 26, but was able to score only two of a possible four points.

Many 200 Scores Eleven 200-plus scores were posted by L. Reno 223; J. Sweeney 211; E. Rossner, 207; W. Bickel, 207-200; E. Goosen, 205; T. McLaughlin, 202; P. Allard, T. Corbett, G. Walters and substitute D. Van Beclaere 200.

A. Rogge's 247 remains the high single game posted in the first round of competition. The Gurches team holds the high three game series with a 2639 total and L. Donovan's outfit rolled the high team single game score of 946.

Doing the splits last Thursday was Murray Smith making the 5-8-10, Pete Allard the 7-4-10 and Tom Trombly connected on the Double Pinch.

Teams Reach Halfway Mark In Club Basketball League

By Fred Runnels

Scoring decisive victories in the last game of the first round of play in the Neighborhood Club Basketball League Grosse Pointe Valet and Grosse Pointe Optimists retained their leadership in the Major and Junior divisions, respectively, at the halfway mark.

Three Close Games

Three close ball games in the minor division resulted in victories for Tracy Motors and Grosse Pointe Optimists and an upset defeat for the league leading Post 303 quintet which threw the division into a three-way tie for first place.

The fast-climbing Optimists edged Post 303, 26 to 25 on Tuesday, January 24, in an exceptionally exciting ball game which saw the Optimists come from behind to register a hard earned win and set the stage for the three-way tie at the halfway mark of the race.

Patterson Is Star

Don Patterson, Tracy Motors star, paced his team to a one point 33 to 32 upset win over the league leading Metropolitan team with a 12 point individual scoring performance to boost his team up even with the leaders on Monday, January 30 and further complicate the race in the minor division.

On Saturday, January 28 the faltering Jungaleers came to life long enough to squeeze past St. Ambrose, 36 to 33, to create a two-way tie for last place with St. Ambrose. The Jungaleers were paced by Gottle and McMenary who connected for 12 points each to share scoring honors.

Points Valet Undeafated

Racking up two impressive wins last week Grosse Pointe Valet continued to head the Major division standings with a record of 8 wins against no losses. The Valet quintet is the only team in all three divisions that enjoys an unbeaten record to date.

The Valet swamped a hapless St. David aggregation 77 to 46 on Tuesday, January 24, and followed up this lopsided victory

with another overwhelming 74 to 45 win over the last place Ken Brown outfit six days later, Monday, January 30.

Minor Division Games

Other games in the Major division saw St. Clair Shores score a four point, 41 to 38 win over St. David on Monday, January 30, and Riley Motor Clip Manor Bar, 48 to 38 to move into a two-way tie for third place with the vanquished opponent on Tuesday, January 24.

Led by its brilliant scoring star Bill Rossiter the Grosse Pointe Optimists nailed Turner-Buick 40 to 28 on Saturday, January 28 to retain its one game margin over Brownell who remained in second place with a narrow 29 to 28 win over Steiners on Thursday, January 26. The loss dropped Steiner down to seventh place in the standings.

Rossiter Scores 17 Points For Top Honors

The other Junior division game saw Tracy Motors go into a two-way tie with the St. Paul Freshmen with a 28 to 17 win. It was Tracy's height that spilled the difference between the two teams.

Post New High In Ladies Loop

Experts, Planners and Public Officials Discuss Traffic Problems of Conference

Service by Randolph proved to be the victors in the Ladies' St. Paul's Bowling League last Wednesday when they bowled 794 for the high game of the season, taking Kopp's Pharmacy's 769 off the list.

Their three games of 2147 removed Silver Crown Ballroom's 2070 and placed them on top of high series. Lorraine Johnson, captain of Randolph, bowled second high series with 182, 181 and 149 giving her 512.

High scores were plentiful for the night; M. Goosen 202, E. Champagne 193, J. VanSteen 183, L. Johnson 182, E. DeBranbender 180, N. Baxter 177, M. Jacques 176 and R. Rosenbusch 176. High series went to E. Champagne 222, L. Johnson 512, M. Goosen 480, E. DeBranbender 472, J. VanSteel 471, M. Jacques 460 and N. Baxter 457.

Parcells P.T.A. To Meet Feb. 9

Captain Charles R. Schwarz, Chief of Security at the Detroit Arsenal of the United States Army, will be speaker and guest of honor at the meeting of the Parcells Parent-Teachers Association, to be held at the school, Thursday, February 9, at 8:15 p.m. It was announced by Alfred R. Tapert, vice president and program chairman of the Association. The topic of his talk will be "Fire Prevention and Protection."

A resident of St. Clair Shores, Captain Schwarz has spent 17 years in fire prevention and protection work. He recently presented his visual demonstration before the Illinois Senate at Springfield, and a convention of Michigan fire chiefs at Ann Arbor.

Captain Schwarz will be introduced by Village President Alois A. Ghesquire who, with Mrs. Ghesquire, is in charge of the evening's program. Mrs. George W. Gardner is in charge of refreshments.

The usual half-hour visitation period (7:45 to 8:15 p.m.) will precede the meeting, during which parents are invited to visit the teachers of their children.

Davidson's Opens Today

DAVIDSON'S, a name that has meant much in women's apparel in fashionable Birmingham for more than 24 years and more latterly in Detroit, makes its entrance into Grosse Pointe today with the opening of this newly completed home at 88-90 Kercheval in the Kercheval Hill district.

Plans are being made for the Fontbonne Family Frolic to be given by the Fontbonne Auxiliary of St. John hospital. The frolic will include cards, dancing and refreshments for every member of the family, teen-agers and adults. The party will be given Friday, Feb. 17 in Annunciation Hall, Agnes and McClellan, at 8 p.m. Proceeds will be used for the new hospital which is now under construction at Moross road and Chandler Park drive.

Young Adults' Dance Saturday

This coming Saturday evening, February 4, the Grosse Pointe War Memorial Center will be the scene of the community's first date dance for the Young Adult Group (college age through twenties), since the very successful New Year's Eve party.

The Ray Buck Combo will play for dancing from 9:30 until 12:30 p.m. and there will be a special intermission at 10:30 when the Young Adult Council will present a gift to the Center in behalf of all the Pointe's young people. Details of the gift are to be kept secret until the dance.

According to Bill Erne, General Chairman, and his committees, tickets are \$1.50 per couple for this informal dance. Refreshments are included in the price of admission.

To Open Building For Handicapped

Goodwill Industries, Detroit's Workshop for the Handicapped, will celebrate the Grand Opening and Dedication of the newly equipped Goodwill Building, 6522 Brush Street, on Monday, February 6, at 8 p.m. Governor G. Mennen Williams, Mayor Albert E. Cobo and representatives of civic and social groups will be guests of honor.

Rt. Reverend Richard Emrich, Episcopal Bishop will give the principal address and religious dedication. The presentation of a new Hammond organ for the Chapel will be made by the Women's Association of Goodwill in memory of Mrs. Grace B. Taylor, founder of the group.

The program of dedication will set off a week of "Open House" in which Goodwill will open its doors to the public. Tours through the building and luncheon in the beautifully appointed dining room made possible through the efforts of the Junior Goodwill Group will be daily features.

Expansion of Goodwill facilities will enable increased personnel from a long waiting list of handicapped men and women seeking "Not Charity - but a Chance." Three hundred handicapped persons are now employed at Goodwill under a rehabilitation program, supported by the restoration and resale of home discards.

Although ample space is now available to accommodate additional workers, the increased flow of materials will be necessary to keep them busy. Strong public support of the home discard collection program is urgently needed.

Band Presents Winter Concert

The 52 members of the Grosse Pointe High School Senior Band, under the direction of Mr. Dewey Kalember, gave a very creditable performance in their annual Winter Concert on Wednesday, January 18, before a large and appreciative audience.

Eldon Marwede, making his last appearance with the band before his graduation, did an excellent job in his interpretation of the trombone solo, "Atlantic Zephyrs."

Another piece especially well liked by the audience, was the Sibelius "Finlandia," the tone poem which was the Declaration of Independence of the Finnish people and later became their national anthem.

The novelty number, "At the Minstrel Show," was one of the highlights of the concert. This portrayal of an old-fashioned minstrel show was complete even to a soft-shoe dance, a cake-walk, and corny jokes.

The marches, "Emblem of Unity," and John Philip Sousa's "Stars and Stripes Forever" and the selections from "Carousel" were also very well received.

Besides Eldon Marwede, five other seniors played with the band for the last time: Art Meisner, Owen Jeakle, Bob Martin, Terry Thomas and Chris Mansky. Three of the boys, Eldon, Art and Bob, received pins for having been with the band three years and completed the required work.

Gary Cooper of the Grosse Pointe High School dramatics group made an excellent announcer.

This concert climaxed a busy semester, which included marching at all the Grosse Pointe High home games, appearing at Briggs Stadium for a Detroit Lions game, and going to Ann Arbor for the Michigan-Indiana football game.

Next semester the band will compete in the Regional and State Band Festivals, and several members will play in the Solo and Ensemble Festival.

St. Paul Girls' Swamp Nativity

A most decisive victory was gained by the St. Paul girls' varsity team on January 22. They defeated a slow Nativity squad, 25 to 2.

At the half the score stood at a 9 to 1 margin in favor of St. Paul. The only points scored by the Nativity team throughout the entire game were 2 free shots, one swished through in the first quarter, and one made the mark in the fourth quarter.

The entire St. Paul team deserves credit for this win, but to Phyllis Van Beelaere go the high-scoring honors with 9 points.

This added, victory gives the St. Paul girls three wins and no losses in the CYO league.

Farmers Leading Memorial Loop

Only five points separate the top four teams in the Grosse Pointe Memorial Bowling League, with the Farmers holding down No. 1 position. The Taxgatherers and Publicans are tied for second place just two points in the rear.

Art Dannecker, Jr., continues to hold most of the honors in the loop, having top average of 179, high single game of 242 and high series of 624.

Pointe Girl Wed To Easterner

Carrying her grandmother's ivory prayer book, Mary Jane Herdegen, daughter of the Robert T. Herdegens of Kenwood court was married Saturday evening to John Frederick Copeland of Boston. The ceremony took place in the Herdegen home with the Rev. Frank Pitt hearing the vows.

White orchids, stephanotis, ivy and trailing ivory ribbons were used on the prayerbook Mary Jane carried. She wore an ivory satin gown with square neckline, long fitted sleeves, and a full skirt which was finished at the back in bustle effect, two panels extending to form a circular train.

The three bridal attendants were gowned alike in apricot frocks with lace bodices and bouffant net skirts. They wore stoles of matching illusion banded in lace. Mrs. Russell H. Baker of North Attleboro, Mass. was honor matron and the bridesmaids were Elizabeth Ann Herdegen, the bride's sister, and Mrs. Harry J. Gee.

Bill Somerville, cousin of the bridegroom, was best man and ushers were the bride's brother, Robert T. Herdegen Jr. and Jim Monkman of Wilmington, Del.

At the reception which followed for members of the two families and out of town wedding guests those present included the bridegroom's parents, Mr. and Mrs. Stuart B. Copeland of Cloquet, Minn., his sisters, Mrs. Copeland Thudium and Mrs. Copeland Ten Brock; Mr. and Mrs. Cameron Armer of Toronto, Mr. and Mrs. Alex Smith of St. Catherine's, Ont., Miss Ann Kramer of New York, Mr. and Mrs. John Welton Fisher Jr. of Wilmette, Ill. (and aunt an uncle of the bridegroom) and the bride's cousins, Mr. and Mrs. Howard Russell of Evanston.

Following their wedding trip, the new Mr. and Mrs. Copeland will live in Boston.

Colored Movies of Yankee's Cruise Coming February 5

"Yankee's Wander World" will be presented by Commander Irving Johnson on Sunday, February 5, at 3 p.m. in the John D. Pierce Auditorium, sponsored by Grosse Pointe Community Lectures.

A brand new natural color movie, "Yankee's Wander World," is the story of an adventure such as most of us only dream of, a deep sea yarn of the brigantine "Yankee" sailed by her young amateur crew among the romantic islands of the South Seas and on around the world. The Yankee started her cruise from the old fishing port of Gloucester, Massachusetts, and for the next year and a half was home afloat to her crew of twenty-two.

Wanderlust and a desire for excitement led the young Americans to some of the most alluring spots on earth and the picture shows them in Galapagos, the fisherman's paradise where tuna are caught by the ton with rod and line; Easter Island with its hundreds of mysterious stone images; Pitcairn; Rapa; Tahiti and the lovely dancing girls; Pago Pago celebrating its biggest native holiday; Tin Can Island; New Hebrides; Solomon

Islands where Commander Johnson did hydrographic surveys during the fighting on the famous battlefields of Guadalcanal and Munda; New Guinea; Newak; Hollandia, Bjak; Borneo; Siam and the world's most colorful temples; Bali, which came through the war undamaged; Zanzibar and hunting on the mainland of Africa, around the Cape of Good Hope to see old Cape Town in the shelter of Table Mountain, then north via South America and the West Indies to Gloucester.

Tickets will be available at the box office on Sunday or may be reserved by calling the Grosse Pointe Board of Education, TU. 5-2000, Extension 25.

Former Pointe Athlete's Engagement Announced

The engagement of Rosemary Anne Freese, daughter of Rev. and Mrs. Robert M. Freese, and Wood Monroe Geist, son of Mr. and Mrs. Edgar Geist of Columbus avenue, Detroit, was announced at a family dinner in the Detroit Golf Club on January 21.

Both are seniors at the University of Michigan, where the bride-elect is a member of Kappa Kappa Gamma and the bridegroom-elect of Phi Kappa Psi.

Woody is a graduate of Grosse Pointe High School, where he played varsity basketball and tennis and sang in the Glee Club. The Geists formerly lived in McKinley avenue, Grosse Pointe Farms.

the punch cups carried out the Valentine announcement theme.

Patricia wore a Valentine red sheer wool frock with gold embroidery at the wide lapels where she pinned white carnations. Mrs. O'Keefe received the guests in a gray crepe afternoon dress with which she wore an orchid.

The young couple are planning an Autumn wedding. The bride-elect is a graduate of Sacred Heart Convent, Grosse Pointe and Barry College, Miami, Fla. Arthur will graduate this June from University of Detroit. He is the son of Mr. and Mrs. Arthur Francis Rauss of Lannoo road.

Out-of-town guests here for the announcement party included Mr. and Mrs. James Collins of Chicago. Mrs. Collins, the former LaVerne Murphy, and Patricia were classmates at college.

Girl Scouts at St. Clare School Hold Ceremonies

On Sunday evening, January 22, the Girl Scouts and Brownies of St. Clare School, Audubon at Charlevoix, held their first "fly-up" ceremony and also the Investiture ceremony for three new Brownie troops. The girls have only been organized one year and now have six troops, numbering 121 girls, four Brownie Scout Troops and two Intermediate Girl Scout troops.

The three new troops to be invested are under the leadership of the following: Mrs. Edward Hunter and Mrs. Robert Scudder, Brownie Troop number 887; Mrs. Francis Wilmet and Mrs. Gene Prunty, Brownie Troop number 886; Mrs. Richard Kullen and Mrs. William Arpino, Brownie Troop number 888.

Troop Number 819 under the leadership of Mrs. Marshall Bruce and Mrs. N. P. Gleason received their one year pendants. Troop Number 920 received their "Wings" and took part in the "fly-up" ceremony, which is the ceremony where they leave the Brownies behind them and are officially Girl Scouts. They are under the leadership of Mrs. Ruth Shepherd and Mrs. Nelson Walters. Troop No. 821, whose leaders are Mrs. Chas. McKinnon, Mrs. Joseph LaGrasso and Mrs. Louis Steiner, received their one year stars and also their second class badges. The girls have been working all year to earn these badges. Mrs. A. J. Christie, Jr., is Neighborhood chairman.

Father Dussia of the Catholic Youth Organization delivered the sermon to the girls. Father Ambrose Gotsdill of St. Clare parish blessed the pins and flags and performed the Investiture service.

After the Investiture in the church, the girls and guests went

to the auditorium where Henry W. Jones, president of the St. Vincent de Paul Society, presented the troops with a Brownie Troop flag and a Girl Scout Troop flag. A representative group of girls accepted the flags in the name of their troops. Standards for the flags were presented by Dr. and Mrs. T. H. Heenan.

Refreshments were served in the auditorium.

FEBRUARY FACTS AND FANCIES

Looka what Time magazine has to say about that cruise the PREWITT SEMMES, daughter MARY MARTIN, and MRS. FREDERIC SIBLEY are enjoying right this minute:

"With a merry toot at the thought of austerity, the 34,183-ton Cunard liner, Caronia, steamed out of New York harbor on the plushiest pleasure cruise in a decade. Billed as "The Great African Cruise," the trip will take 80 days, cover 21,776 miles, stop at 27 ports in Trinidad, Brazil, Africa, the Near East and Europe. The 556 well-heeled passengers, mostly Americans, have already paid \$2,800,000 in passage money, will shell out many thousands for shore excursions. Most expensive: \$1,150 for a two week air tour of South and East Africa, broken by a three day automobile safari into the Lake Amboseli Game Reserve to watch lions and rhinos at play. Cruise fares on the Caronia ranged from \$2,400 for a half interest in an inside stateroom up to \$20,000 for two super suites. The super-suiters: Manhattan's socialite yachtman HAROLD S. VANDERBILT and Texas Oil Millionaire CHARLES F. URSCHEL.

The deb crowd is still tickled about the titled young Italian who visited the Pointe and declared to his date, **DEB JANIS WOODRUFF**.

"I've always wanted to see an American Country Club because I've heard they are so luxurious."

So Janis took him right out to the Country Club. At the end of the evening, the young Italian had had a wonderful time but wore a very puzzled expression.

He had visited the Country Club the night of the costume tacky party.

There aren't many left, but one Lake Shore road family still dresses for dinner every evening. Black tie and floor touching gowns.

PILFERINGS

MISSPRINTS contributed by readers to the LONDON DAILY OBSERVER:

HMS Androcles, the new 18,000 tin cruiser was launched yesterday afternoon. The shipyards were gaily flogged and the band of the Royal Marines played "Rude Britannia" as the graceful hip glided down the slops. Lady Blank, who with her usual char named the ship, had some difficulty in breaking the customary bottle, but the Admiral gave her some vigorous hell and as a result, the champagne almost literally swamped the cow, while the hundreds of workpeople present cheeped her heartily and a salute of seventeen buns was fired by other ships of the fleet.

Winding up the Commons Debate on economic affairs yesterday, the Chancellor of the Exchequer demanded still greater efforts to counteract our "idle reserve of collars. Some of our most valuable exports, he thought, were suffering severely from the development of bottlenecks, and the shirtages responsible for these must be ironed out. Moreover certain goods were smelling badly abroad, owing to the reluctance of some manufacturers to explore new channels. On being pressed by opposition members, the Chancellor promised to produce examples before the House nose. He concluded with an outline of the Government's fresh drive to stimulate improved marketing conditions, which he thought would be an abject lesson to private enterprise on trading in bunk.

The annual concert in the Parish Room was held on Saturday. We were lucky to have a sour guest artiste Signora Snutti, to whom a big audience gave a hearty welcome. The Boys' Brigade bulgers opened proceedings with a fanfare, and the Male Voice Choir sang "Down Among the Dead Men" accompanied by Miss Toots. There was a solo on the piano from Miss Cook followed by "The Last Roes of Summer" from the Ladies Glee Club. After the interval the Malt Voice Choir obliged with "In Cellar Cool" and other jolly songs, and Miss Toots, in a pretty punk dress, resented the bouquet to Signora Snutti.

First Birthday Observed By Little Linda Whittaker

There was a single candle on the birthday cake around which Linda's grandparents, Dr. and Mrs. Alfred H. Whittaker and Alfred D. Whittaker gathered in the Whittaker home on Oldtown road. Guest of honor was their baby daughter, Linda, who was celebrating her first birthday. Linda's grandparents, Dr. and Mrs. Alfred H. Whittaker and Alfred D. Whittaker were at the party along with the Birthday Girl's aunt and uncle, Jean and Jim Whittaker.

Pointer of Interest

MR. and MRS. HARRY W. SHORT of HARVARD ROAD

The only wall papered kitchen in Grosse Pointe is found in the ranch house of the Harry W. Shorts on Harvard road and what's more it's such a dashing kitchen that it is placed spang in the front part of the house as inviting and attractive as you please.

It was talking to the Shorts the other evening, that made us decide there are more "personally designed" homes in the Pointe than anywhere else we can think of.

It's here folks come to build their dream houses, to at last actually realize the home they've always wanted.

The Shorts both lead active lives. Mr. Short is kept busy at the Detroit Trust Co. and Mrs. Short teaches general art at the Lingeman School but naturally their social life calls for a "home" they wanted one which would be as compact and convenient as an apartment.

YEARS OF PLANNING

It took years to collect the ideas they wanted in their home and just six months to build it after the lot on Harvard road was purchased. Outside, the house is of red glazed face brick with white trim. Just driving by you'll be pleased to notice that the dormer window is exactly centered over the front porch. Mr. Short had it torn out once to make it that way.

On the brass letter slot "Harry W. Short" is engraved and the front door opens into a cheery hall, papered in white and the Williamsburg green that forms the main tone in the home's color decor. To the right is that wonder kitchen. It's the last gasp in all the modern age has done to glamorize "woman's work." The floor has golden linoleum pointed up with green and black border the Shorts designed. Drain boards and working tops are covered with a marbled green linoleum and the woodworks and cupboards are of knotty pine. The wall paper is black with golden mill maids churning.

Only in this kind of a kitchen could the cherry wood drop leaf table fit. And it holds an ornamental lamp and an arrangement of green plants. Up there in the ceiling is a handsome square indirect lighting fixture. Although Mrs. Short speaks warmly of the Dutch door at the side of the kitchen that indirect lighting has seized the master's fancy.

There are 29 electric light switches in this one floor house, he told us touching one near him which sent mellow light glowing into another part of the home. It's very atomic!

from England which show you what perfectionists the Shorts are.

Chatting with them we discovered that to California and England, they added New York, hundreds of out of the way antique shops including a colonial hardware store in Connecticut to get the things they wanted for their home.

DREAM HOUSE

Tile in the bath (peach blush and dove grey) was special ordered and bits of the silver, turquoise and pink powder room were put on paper by the Shorts and brought to life by workmen.

We didn't have to peak into the wardrobe of Mrs. Short to know that the three beautiful gowns she has worn to the last three social functions she attended were her own design.

One of is a misty blue, another a bouffant white creation and the third, Mr. Short's favorite, a heavenly champagne tulle embroidered in golden sequins.

As we left this charming home, Mrs. Short waved to us from the top of the Dutch door and Mr. Short turned several indirect lights off and on like fireflies in farewell. We went out into a snowy night, knowing the warm scene we had left was that of people who've built their dream house.

Surprise Party Fetes Shaws

The open house, to which 300 friends were invited, came to a complete surprise to Mr. and Mrs. Irvin B. Shaw on their twenty fifth wedding anniversary on Saturday, January 21.

The party was planned by the Shaw's family and while the Earl M. Quibels entertained the anniversary couple at a luncheon and matinee of "The Chocolate Soldier," the stage was set in their Rivard boulevard home.

Paszetcki Polskie z Niesen
Contributed by Mrs. Frederick W. Fuger

PASTRY

- 1 egg
- 1/2 c. flour (generous)
- 1/2 c. milk
- 1/8 c. water
- pinch of salt

Mix together in bowl, the milk, salt and flour. When smooth add water and continue beating. This should be on the thick side. Grease a frying skillet (five or six inches in diameter) with lard and into this pour enough batter to thinly cover bottom of pan. Cook till golden and then turn over to cook the same on other side. These are like French pancakes and the recipe makes about eight.

MEAT FILLINGS

Put rounded tablespoon of the following mixture on each pancake. Roll and pinch ends slightly. Dip in beaten raw egg, and then in cracker crumbs and fry in melted butter until golden brown. Just a minute before removing from pan add chopped fresh parsley.

- 1/2 pound round steak ground
- 3/2 Tbsp. butter
- 1 onion
- 1 slice white bread
- 1/4 c. sour cream
- 1 egg
- 2 slices smoked liver sausage
- Several mushrooms
- Salt and pepper.

Mix the two meats and add the bread which has been wet in water and wrung out, the onion and chopped mushroom. Mix well and fry for five minutes then simmer for 10 more minutes. Take from fire and add seasoning, whole egg and sour cream. This mixture must not be too wet!

TO LOOK LIKE A VALENTINE: One of the narcissus fresh Spring chapeaux at WALTON PIERCE GROSSE POINTE BRANCH. Fetching as anything with veils that outline the face... contrast the color of the bonnet... tie in back, Parisian style. An off-white taupe roller with taupe veil tied in matching velvet and the most beguiling tiny velvet bow placed on the veil to seem like a Beauty Spot!... A natural leghorn bonnet with green velvet band at the crown and a profusion of black and red currants at the base of wispy quill. A rough white straw sailor banded in navy velvet with pert straw cockade and a navy veil outlining the face and chin. A saucy red straw affair with matching currants blossoming all over the front and a Cannes pink felt roller, its French veil tied at the back in black velvet. For Valentines Only and all at WALTON PIERCE, GROSSE POINTE BRANCH!

TO GIVE TO A VALENTINE: The most delicious candies in the world boxed in beeg, small or medium hearts (the old fashioned red satin kind or 1950 pastel blue ones!) in the famous brands carried by GROSSE POINTE DRUG CO. in the refrigerated candy case. Whitmans and Russell Stover are two of the confectioners sending these appropriate Valentine greetings for Pointe damosels. Then there are shelves of honest-to-goodness Valentines for sending to your Heart's Delight. Old fashioned lacy ones with stand out effect and pink and gold doves and dashing red hearts. Funny ones, if that's the kind you send and Valentines for the young fry to receive or send. You can just hear hearts beating when you look at the Valentine array at GROSSE POINTE DRUG CO.

TO GIVE TO A VALENTINE: Elegant new handbags at JACOBSON'S and how thrilled you'll be to find Spring 1950 means a shade off in handbag prices! Priced lower than you'd ever dream are the spanking new black plastic patent leather bags to perk up Spring costumes. All styles in this Spring favorite of patent leather: those with handles, pouch bags, snap tops, and shoulder bags! There's a patent pouch get out. The faille bags, elegant, are in navy, black, and brown. Some offy good looking ones are envelope type and others in novelty box shapes. Both faille and patent made fashion news at the Spring showing in New York so one of the smart handbags from JACOBSON'S will be real Valentine News this February 14!

MEMO TO A VALENTINE: Have you just "modified" your hair-do or are you in step with Mid-Century coiffures? If you've had your hair shortened just a trifle then you aren't a 1950 Valentine. The Spring bonnets demand a flattering, youthful short hair cut, your looks deserve the kind of personal hair styling and grooming... we see at ANTHONY'S.

PACKARD

Ultramatic Drive

✓CHECK! There's nothing else like it!

✓New smoothness—no jerking, no clunking... because there's no gear-shifting, either by you or the transmission.

✓New flexibility—instant change from forward to reverse, without clashing. You can rock the car in snow.

✓New economy—because there's no gas-wasting slippage at cruising speeds.

✓New responsiveness—no lag, waiting for gears to shift (because there's no gear-shifting anywhere). For instant bursts of "safety-sprint" acceleration—just tramp down!

Available now at even lower extra cost on all models of the 1950 Packard Line!
