As Crowd Started to Gather for Annual Mutt Show

This scene has little resemblance to later ones, after the program got under way Saturday at the High School grounds. Taken shortly after the entries started to arrive, it shows the first comers at their stations in the various rings. The judging stand is off to the left, out of the picture which was shot from the roof of the Industrial Arts Building. Half an hour later this whole area was teeming with entrants and spectators and the show was on in a swirl of kids, pooches and sand.

Ends Visit To Pointe in Police Cell

College Youth Here for Weekend Terminates Sojourn By Session in Clink

A Hempstead, L. I. youth who spent a weekend at the Pointe as a guest of a classmate at one of the smaller Michigan colleges, ran afoul of the police and spent the latter part of his sojourn in the Farms clink.

Picked Wrong Car

Police officers La Ponsa and Van Tiem gathered in the pair at 3:10 a.m. on May 7 after their car had almost sidwiped the officers' patrol car while it was parked in front of 81 Kercheval avenue. The Long Island visitor was at the wheel of the car, owned by his host's mother. According to the police he was obviously in no condition to be driving.

They found all kinds of liquid refreshments in the boys' car, including beer, gin and Tom Collins mix. A quantity of all three beverages had been consumed.

Leaves \$50 Bond

Taken to the Farms police station, the Eastern visitor was made as comfortable as possible in the cell block. He rested there until 1:40 o'clock Sunday afternoon when he was released after leaving a check for \$50 as bond for his appearance in police court on May 17.

Proud Puffer Places Pinkie On Police Station Arsonist

Last Thursday morning an elderly gentleman whose lawful errands take him frequently into the various police stations of the Pointe, was comfortably ensconced at the sergeant's desk in the back room of the Park police station when his midday reverie was rudely disturbed by a blazing waste basket in a far corner of the not too spacious room.

The burning basket was removed by Sergeant Conalty Walsh with no further casualty than some singed hair on the back of his hand.

Instantly suspicion was directed at the old gentleman who is known to smoke a cigar now and anon, and the cowardly innuendo was that he had thrown a lighted butt into the basket.

This was a vile slander on the old habitue, First of all he was

Sand Storm Fails to Blast Enthusiasm at Third Annual Grosse Pointe Mutt Show

Crowd Estimated at 1000-1500 See 125 Kids and Pet Pooches Compete for Prizes and Watch Remarkable Exhibitions of Trained Dogs

The third annual Mutt Show attracted a brave and enthusiastic crowd estimated at from 1,000 to 1,500 to the High School grounds Saturday morning. They endured a veritable sand-blasting, as almost constant winds of near-gale force whipped the sand from the school grounds across the show site.

The unpleasant weather conditions didn't appear to dampen the spirits of the big crowd a bit as they applauded the two and a half hour program of 12 events. Staged primarily for the kids of the Pointe, the grownups seem to have more fun at these community events than the youngsters.

Sponsors Grateful

The co-sponsors of the show, Roland Gray's Sport Shop and the Grosse Pointe News, are extremely grateful to all those who made the annual affair possible.

All hats were off (and not from the wind), to Ty Tyson, popular radio and television announcer of WWJ and WWJ-TV, for the wonderful job he did in handling the show at the microphone. He was ably assisted by Lanning Pittman.

Wonderful Judges

The chief judges, Henry Joy, James McMillan and Jake Wardwell, did a remarkable fine job in awarding the prizes in the competitive events. Ned Jewett deserves special praise for the way he directed the men's committee. This committee officiated

and others, it would not have been possible to stage the event.

Thanks To Women

Nor could anything have been done without the wonderful cooperation of the women's committee. Organized by Mrs. Wendell Anderson, Jr. this group took care of sending out the official postcards to the entrants, getting signs and posters prepared, keeping track of all the records, and a million chores during the show. A tedious job which was well handled was the recording of winners in all classes, done by Dottie Bennett, Mrs. Woodruff Crouse and Mrs. Walter Ford. Marie Whelden and Helen and Mary Owen were among the many others who did outstanding work on this committee.

Two Important People

Farms Police Chief Walter (Tex) Hoyt was all over the place, being helpful in all kinds of ways. Fran Lemmer of Francols' Restaurant, who dispensed 800 hot dogs and more than 1000 glasses of ginger ale, was considered by many of the youngsters to be the most important man at the show.

Pooch Poses Problem for Four Pointes

Park Woman Moving to Shores, Thence to Farms, Asks Advice from City

A Park pooch has produced one of the best arguments for consolidation of all Five Pointes that has yet come to light. His mistress, who is about to move temporarily to the Shores while her new home is being built in the Farms, telephoned to (of all places) the City, to find out what she should do about getting a license for him.

Woods May Get In

If the pup wanders over into the Woods while in the temporary residence of the Shores, then all five municipal entities will be in the picture.

The City got the call because Clerk Norbert Neff happened to be a personal friend and he is noted for the advice and counsel he can dispense. Neff called Clerk Harry Furton of the Farms. Furton called in Farms Police Chief Tex Hoyt. He supplied the logical answer.

Wrong in First Place

The dog's Park license expired months ago, so his mistress was at error in not having it renewed promptly on its expiration. As long as the Shores yet, she should buy the license in the Park. Thus declared Chief Hoyt.

Burglars Visit Another School

Some thief or thieves broke into the Defer School during Sunday night or Monday morning, May 7-8. They entered by breaking into the boiler room and then smashing the door of the principal's office. They did a thorough wrecking job of both doors.

Detective Sergeant Arnold Hough says it was definitely not the work of boys. There was no evidence of anything having been taken and the police theory is that something scared them away before they got down to tackling the office safe in which limited sums of money are usually found.

Enumerators Start Annual Job Getting School Census Data

Residents Asked to Cooperate By Having Information Ready; Count Required Every May Under State Laws

The annual school census will be taken in Grosse Pointe beginning today, in accordance with the laws of the State of Michigan, announced L. M. Bartlett, Director of Pupil Personnel for the Grosse Pointe Schools. This census must be taken each year during the last 20 days of May.

Part of the money which the local schools receive from state funds is apportioned on the basis of the number of children residing in the district. This year the amount of money received from the state on this basis amounted to \$385,257.78 or \$43.38 per child between the ages of five and twenty. Information received from the annual school census is also essential for the enforcement of the compulsory education laws.

Important Information

Another important use of the census data is to provide facts relative to the growth of population in the district. This data are summarized in such a way that the total population as well as the number of children of each age from birth to twenty years of age is tabulated for each municipality and each elementary school district in the area. The tabulation also shows the number of children for each age attending no school, public schools and non-public schools.

As a result of such tabulations a year by year picture is obtained which shows the exact growth in each municipality and elementary school district in the school system. In a rapidly growing area such as Grosse Pointe such data are invaluable to the Board of Education and its staff in planning for the educational facilities, needed in the district.

School Drive Nets \$503,930

St. Paul's Parish Now Reports Ground Will Be Broken Soon for Addition

With ground breaking for the new addition to St. Paul's Parish School only a few weeks away, the building fund campaign committee announced that a total of \$503,930.35 has been raised in a drive that was launched in January.

The total, according to Ross Roy and Joseph R. Parker, co-chairmen of the St. Paul School Fund campaign committee, represents contributions from 960 parishioners. A total of \$215,082.29 was in cash, the balance of the pledges to be paid during 1951 and 1952.

No Closing Date

The co-chairmen announced that because many parishioners are still away from their homes and also because contributions can be given over a three-year period, no definite date has been set for closing the drive. This means, they said, that pledges can still be made and due credit given the parishioners.

Because of the fact that nearly half of the total amount pledged has been received in cash, the construction for the new classroom building can be started in the near future. This work is expected to get under way within the next few weeks as soon as preliminary details have been worked out.

Charlevoix-Vernor Traffic To Be One-Way in Detroit

Beginning Monday, May 15, Larned can be used to Mac-Pointe motorists will be able to drive practically all the way between Detroit and Downtown Detroit on one-way streets in either direction, east or west.

Detroit, City Traffic Engineer A. F. Malo informed the News Tuesday afternoon that Charlevoix and Vernor will be converted to one-way streets starting Monday morning. At the same time McDougall between East Jefferson and Charlevoix will become a one-way street for northbound traffic, and Joseph Campau will be one-way for southbound traffic.

This means that Pointers wishing to use the one-way thoroughfares can use Charlevoix going downtown, cut across Joseph Campau, and then Charlevoix east. Coming out from Detroit,

Council Picks June 19 for Election Day

Approval of Conversion Plan Would Leave Shores As Only Separate Village

The Grosse Pointe Woods Council has accepted the recommendation of the City Charter Study Group that the Village convert to city status.

The recommendation was submitted to the Council at its regular meeting on May 2 and at a special meeting called for its consideration two days later, the recommendation was approved and provision made for calling a special election by the voters on Monday, June 19.

To Pick Charter Group

At the same election the voters will elect a Charter Commission of nine members whose duty it will be to prepare the body of the charter, in the event of the people having authorized the conversion at the same election.

If the Woods voters approve the change it will leave but a single municipality in Grosse Pointe not a city, i.e. Grosse Pointe Shores.

The Farms converted to city status last year, the Park has voted to be a city and the Charter Commission there has organized and is already at work, while Grosse Pointe City abandoned its village status about fifteen years ago.

End of Township

Whether the Township will elect to become a city or remain in its present status as an incorporated village is not known, but in any event the old Grosse Pointe township, with its more than a century of existence behind it, will soon pass out of the picture.

Liberty Bell's Replica to Open Bond Drive Here

The U. S. Treasury Department is going to open a special bond drive for the sale of Series "E" bonds on May 16. It will continue until July 4.

The Government has had cast 48 bells which are replicas of the Old Liberty Bell in Independence Hall in Philadelphia, except for the crack. With one bell for each state it is the purpose to display them at strategic points throughout the states. At the end of the campaign each bell will be presented to the state to which it has been allotted and will be placed permanently at some appropriate spot in the state.

Already the suggestion has been advanced that Michigan's bell shall repose in the Greenfield Village museum of historic mementoes.

For the opening of the campaign the bell will be displayed in Grosse Pointe and some ceremony be made of the occasion. In this celebration the bell will be struck by the brother of the Pointe's first casualty in World War II.

George W. Cook, of Grosse Pointe, Deputy Director of the U. S. Treasury Savings Bond Division, is in charge of the introduction of the drive in the Detroit area. The bell can be displayed only briefly in each one of the towns or cities visited and then be moved on to an adjoining Community. This means that it will be seen in Hamtramck, Highland Park and other places briefly and then probably for a longer period in Detroit. Every nook and corner of the state will be visited during the drive.

Charlevoix-Vernor Traffic To Be One-Way in Detroit

A committee is being formed to push the drive in Grosse Pointe which will be composed of the various city clerks, Chiefs of Police and Fire Chiefs, patriotic and veterans groups and possibly some others.

The Mayor and Presidents of the Grosse Pointe municipalities have joined in issuing a common proclamation urging the favorable reception of the drive by the people of Grosse Pointe.

The bond drive will start officially in Grosse Pointe on May 16 with the striking of the Liberty Bell at 10 a.m. on the Memorial Center grounds, where appropriate ceremonies will be held.

The joint proclamation of the heads of the Pointe municipalities will be read.

Richard B. Marsh, the brother of Ben Marsh, who was the first man from Grosse Pointe to die in the war, will strike the bell. Ben Marsh was an officer in the Navy and was killed at his post of duty at Pearl Harbor.

The National Baseball Hall of Fame and Museum opened in 1939 in Cooperstown, N. Y.

Plan Open House On Hospital Day

Cottage Hospital's Open House on Friday, May 12, from 2 to 4 p. m., will commemorate National Hospital Day.

In 1927 a group of civic minded women, some of whom had fostered the first small hospital on Oak Street, met together to form the Cottage Hospital Corporation, which now governs this non-profit institution.

Among that group—the first Board of Trustees—were Mrs. Henry B. Joy, Mrs. John S. Newberry and Mrs. Richard P. Joy, who still serve, actively, on the present Board of Trustees.

With funds contributed by citizens of the community, the present main hospital building on Kercheval avenue was constructed and opened to admit the first patient on November 5, 1928.

He found that one of the men about headquarters who is an inveterate pipe smoker had knocked the supposed heel out of his pipe into the waste basket, either thoughtlessly or with arson intent, where it smoldered until ready to get down to business.

No names are used, but it was significant that a few moments after the fire was "removed," acting desk sergeant Tom Vaughn, said "It was a good thing that old rusty rattletap burned itself out; the office has needed a new one for a long time."

Two Cars Crash On Mack Avenue

Two cars were involved in an accident on Mack avenue at 5 p. m. on May 7 when one of them was alleged to have pulled out of a parking space at the curb into the line of moving traffic.

Carlo Robelli, Jr., of Maple-ridge, Mt. Clemens, told the Farms police he was driving east on Mack when his car was struck on the right side by one driven out from the curb by Judy Richardson of 1620 Prestwick, Grosse Pointe Woods.

Robelli's 1949 Studebaker was damaged to the extent of \$75. The Richardson car suffered \$25 damage. Both were insured and no tickets were issued.

State Directive on Drain Treatments Stirs Up Storm Of Protests, Little Action

Compliance With Order Would Mean Expenditure of Untold Millions By Detroit and Surrounding Communities

At the Park Council meeting on May 8, Commissioner Karl B. Goddard asked Manager Lane whether the Park had already worked out a plan whereunder it could conform to the orders of the Water Resources Board on water pollution.

Mr. Lane replied that so far as the Park's own contribution to water pollution and the figures of mixed storm water overflow and all other related problems were

concerned, his figures were ready and complete. They had no plan, however, and could not have until they knew exactly what the Water Resources Commission demanded, he stated.

The directive passed out by the Resources Board some weeks ago requiring the treatment of even storm water overflow up to a volume occurring in the average maximum storm coming on a yearly basis, has occasioned much protest and questioning from every affected community and it would now appear improbable that it would be practical for the Resources Board to insist on this maximum treatment.

It has been estimated that the problem it would present for Detroit in its Conner Creek outlet alone would call for the treatment of as much as 4,000 cubic feet per second. It would be correspondingly great for all of the other affected communities. Such installations would cost untold millions of dollars.

Mr. Goddard stated that he had noticed that an important meeting was to be held on June 20 at Haven Hill, Milford, and thought the time was growing short for the Pointe to prepare its arguments.

This meeting will doubtless bring in for conference representatives from the Grosse Pointe areas and the whole problem may be further clarified then.

Money Burglar On Prowl Again

Charles L. Jacobson of 809 Berkshire notified the Park police on Saturday morning, May 7, that some time the night before between the hours of 7:15 and 9:30 his house had been entered through a rear storm door and thoroughly ransacked. So far as the family could ascertain nothing had been taken.

Detective Sergeant Arnold Hough, who made a thorough examination of the place, said it was one of the gang that have been operating in the Pointe in recent months, who take only money. This is much safer for the thief as it cannot be identified. That this thief was one of the money hounds was plainly shown by the fact that many articles of high value were left undisturbed.

Win Michigan Scholarships

Dr. John H. Cobane, Chairman of the Scholarship Committee of the University of Michigan Club of Grosse Pointe, announces that he has received word from the University of Michigan that a Regent's Alumni Scholarship, consisting of tuition for one year with a possibility of continuation for future years if high grades are maintained, has been awarded to each of the following seniors of Grosse Pointe High School:

Glenn Elmer Cury, 1061 Maryland; Harry August Eason, 766 Hampton road; Mary Ellen Hienner, 408 Manor; Daniel Patrick Moroney, 763 Rivard; Joseph Franklin Redfield, 416 Cadieux; Diane Lucille Schleicher, 647 Washington road; Donald Sutton Schmitz, 33 Radnor Circle.

Earlier in the year the Scholarship Committee of the University of Michigan Club of Grosse Pointe interviewed nineteen applicants for the scholarships, and the Committee made its recommendations to the University, which also made its own evaluation of the applicants.

The recipients are chosen on the basis of scholarship, need, citizenship, and their aptitude for a university education. This is the largest number of scholarship winners that have heretofore been selected in one year to receive the Regents Alumni scholarships.

The remaining members of the Scholarship Committee of the University of Michigan Club of Grosse Pointe, who assisted in the interviews of the applicants were Mrs. Joseph A. Murphy, Mrs. Arthur Fleming, Mrs. John Lynch, Dr. John Porter and Paul Franseth, President of the Club.

THE SENATE has approved a plan to hike the Social Security benefits of retired workers now receiving \$26 per month to \$49 per month.

Judge Sentences Reckless Drivers

Judge John L. Potter in Park police court on May 3 disposed of seven cases, as follows: William L. Granger of 4102 Brush, for reckless driving at Jefferson and Cadieux on April 14, involving an accident paid a fine and costs of \$10.

Ambrose S. Biondo, 589 Conner, Detroit, for reckless driving, (rearing another car on Jefferson avenue), on April 18, paid costs of \$5, had his license suspended for 60 days and was ordered to attend 2 sessions of the Traffic School. Joseph Noncilovich, of 835 Tennessee, involved in the same case, received a like sentence.

Bernadine VonDette Hinsby, 16044 Fordham, for speeding 40 m.p.h. on Mack between Wayburn and Bedford on April 15, pleaded not guilty but was adjudged guilty and paid a fine and costs of \$10.

Gertrude Mae Lecklider, 848 Berkshire, for failure to yield right of way resulting in an accident at Fairfax and Westchester on March 8, was ordered to attend two sessions of Traffic School. John A. Maxwell of 1321 Cadieux, involved in the same case, received the same sentence.

Sparrow Hawk Eludes Hunters

Robert Ling of 1073 Maryland reported to the police on May 5 that sparrow hawks were frequenting his back yard and getting all of the birds in a ditch. As he was speaking, he said, one was perched on the antenna of his television.

Officers Del Place and Verwache, who are licensed by the wild life commission of the state as legal "shooters" when any wild life has to be destroyed, went down armed with a light rifle. Sir Hawk, however, had flown.

Pension System Report Received

The Fourth Annual Actuarial Report on the Michigan Municipal Employment System was presented at the Park Council meeting on May 8.

It will be recalled that the State of Michigan set up a pattern for the operation of a municipal employees' retirement system some years ago, of which the various municipalities of the state might avail themselves. The Park was one of the communities which adopted this plan which had been scientifically worked out.

The State itself makes no direct contribution to this fund, that comes from the municipality and the benefitting employees, but it does assume the responsibility of the administration of the fund.

The plan has worked most successfully and has been adopted by many municipalities throughout the state.

THE PRESENT BLOCK SYSTEM of traffic control on Grand River will be abolished during off-peak hours beginning June 1.

Ninth Graders To Hold Party

Something new in teen-age parties is planned for this Saturday, May 13, at the War Memorial Center—a "Nifty Niners' Night."

All the students living in Grosse Pointe or attending classes in Pointe schools are invited to spend an evening of games, dancing and cards. The party will last through three and a half hours of fun-making, from 8 o'clock till 11:30.

Bill Miller from Brownell heads the publicity committee. Backing him up are Hal Drinkaus of Pierce, Joan Hock of St. Paul, Peter Kornesfel of DUS, Nancy Maxwell from Country Day, Lynn Hennecke from Sacred Heart, and Jerry Goebel and Karen Teple from Brownell.

Plentiful refreshments will tempt young appetites when Nancy Vanderbush of Pierce, Mary Roll, Sue Orphal, and Audrey Gayer from Brownell, Tom Mackey from DUS, and "Andy" Eachte from Sacred Heart join efforts to present sandwiches and the special Center punch.

John Purvis from Brownell will be in charge of the ticket desk, and admission will be a straight 60c a head—'stag, hag and drag.'

Heading the entertainment committee, which has an evening worked up to present opportunities for every fun-lover, is Robin Beebe of DUS. Helping make provisions for dancing, ping pong, cards and games are Beverly Barrett of Pierce, Sylvia Reuter and David Balfore of Brownell, Bob Barrett of St. Paul, and Star Holland of Country Day School.

A special feature is planned by the committee for 8:30 in the evening, but its nature is a secret carefully kept until the night of the party.

Miss Backman Exchanges Vows

At 10 o'clock on Saturday morning in St. Paul's on the Lake Shore, Mary Ann Backman exchanged vows with Joseph E. Schmitt, Jr., son of Joseph E. Schmitt of University place.

The bride is the daughter of Mr. and Mrs. Alonzo Backman of Lakeview avenue.

Mary Ann's wedding gown was of traditional white satin, fashioned with a neckline of illusion, bertha collar, fitted bodice, long sleeves and a full skirt, ending in a train. A matching satin headpiece trimmed with braid with pearl orange blossom clusters on each side fastened the fingertip veil.

She carried a white prayer book topped with a white orchid. Maid of honor was Dolores Backman, the bride's sister, who wore a springlike gown of aqua dotted Swiss. Mary Lou Gouin and Jane O'Connor were bridesmaids and Beth Backman, Mary Ann's young sister, was flower girl. They wore rose dotted Swiss and all the attendants carried colonial bouquets of roses and carnations.

Thomas A. Jacques, Jr., was Joseph's best man and guests were seated by the bride's brother, Alonzo W. Backman, and her cousin, Ignatius Backman.

The bride donned a window-pane-checked pink and gray suit and navy accessories for the wedding trip to Florida. When they return, the new Mr. and Mrs. Schmitt will live in the Pointe.

Abundance of Expert Help Responds to Police Alarm

Three Grosse Pointe Chiefs of Police and a couple of Army Officers, from Selfridge Field, were on hand to take part in an ordinary ambulance case that occurred in Gratiot township on Thursday a. m. May 4.

Chiefs Trombly of the City, Ingalsbe of the Shores and Golette of the Woods had met in the Woods station preparatory to going on to a meeting of the South Eastern Michigan Police Chiefs' Association when an ambulance call came in, saying a man was down in the middle of Harper near Anita with an epileptic attack.

The three chiefs got into the ambulance, driven by Patrolman Allard, just for the ride.

When they arrived on Harper two Army officers, attracted by the crowd, stopped just for a look and offered a hand.

The victim was landed at Saratoga hospital and quickly recovered from his seizure. The Woods does the police ambulance work for all of Gratiot Township.

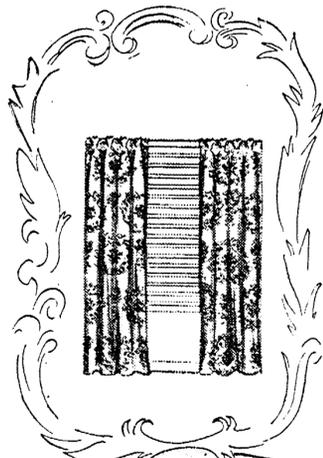

Tell Plans for Hospital Benefit Party

Members of the Grosse Pointe Rotary Club meeting in the War Memorial Center on May 1, heard the plans for the Movie Premiere Benefit Party which will be held in the Woods Theater at 9 p.m. on May 23 to raise funds for the addition being built to Bon Secours Hospital. MRS. CHILTON DRYSDALE, standing, and MRS. C. A. GREINER addressed the club members, extending an invitation to the club and to the whole community to attend the event. A first-run picture is promised for the premiere. JUDGE JOHN POTTER is on Mrs. Greiner's right. CLUB PRESIDENT WILLIAM HURLEY is standing in the rear. Parents Promise To Halt Speeders

Residents in the 1100 block of Grayton complained to the Park police at 7:30 p.m. on May 4 that two boys, 17-18 years old, were having themselves a time racing their old cars around the vicinity.

To make a sure capture the Chief sent four officers around in their cars and they picked up the boys and brought them to police quarters. After entries were made their parents were notified who were charged at the conduct of their boys and also grateful that they had been notified before some accident had resulted.

They promised to attend to the lifting of their licenses themselves and make a positive and long-time job of it. On this assurance the police released the boys.

The police said if they always got such cooperation from parents it would quickly put an end to the hot rod drivers and much improve the general safety in the Pointe.

All too many parents are ready to fly to the instant defense of their wild riding offspring, they stated.

Society News Gathered from All of the Pointes

From Another Pointe of View

by Jane Schermerhorn

The other day at the May meeting of the District Nursing Society, held at the Lake Shore road home of Mrs. Alvan Macauley . . .

A moment came when all those present laid down their work to listen to something they'd been waiting for . . .

Mrs. Wallace S. MacKenzie read the resolution:

"Following the recent death of Miss Rose Osterhout, Mrs. Cameron B. Waterman has suggested that a suitable memorial to her memory be established. It is felt her many friends and associates during her long years of service, will want to share in honoring the memory of this outstanding woman who devoted her life to the educational and charitable interests of the community. Her pupils have gone on to prominence in the business and civic life of Detroit. As a director of Baycourt Camp, her work was outstanding. It is proposed to establish a suitable memorial at Baycourt. Contributions of one dollar or more should be mailed to the Rose Osterhout Fund, care of the Tribute Fund, the Detroit Community Chest, West Warren avenue, Detroit."

Their First Teacher

In the eloquent silence that followed the reading of this resolution, those members of District Nursing Society were traveling back over the years with the swiftness only the mind can achieve.

Many of them had first known this remarkable woman whose memory they want to honor, as the teacher of their children when Country Day School began . . .

Through their children they came to realize that here was a woman who with wisdom and a warm heart believed that charity and the Christian life are instilled in tender years . . . and as their teacher, she tried to teach that lesson in school as mothers teach it at home . . .

Even as very young mothers, they were aware of rare fortune in having their children enjoy such guidance . . .

Director of Baycourt

Then the day came when Miss Osterhout left Country Day to accept directorship of Baycourt, the Summer camp established and maintained by District Nursing Society for the use of less fortunate mothers and their children for Summer vacations.

At Baycourt, Miss Osterhout established the Mothers Club which gained recognition throughout the United States for its signal success in restoring a will to begin again in women who never thought they wanted to . . .

And long ago, right there at Baycourt, Miss Osterhout was giving basic training in Americanism . . .

Rose Osterhout Cottage

You might say she was the representative of secure women whose help is often misunderstood by those who need it . . .

But as their representative . . . Miss Osterhout was successful . . .

These are but a few of the reasons why Mrs. Waterman and members of the District Nursing Society believe the late Miss Osterhout's former pupils . . . perhaps their parents . . . and maybe some others of us who never knew her but who cherish ideals like that . . . will take part in contributing to the fund they hope will erect a Rose Osterhout cottage at Baycourt where other girls and women may be helped in her tradition . . .

Saturday Brides Take Over at the Pointe

Society Deep in Tulle and Orange Blossoms Each Saturday As June Nears; Joyce Bowen Weds Allan A. Rutter Jr. and Natalie Schreck Becomes Mrs. William W. Wilcox

The moon, as sentimental as Cupid, came out Saturday to turn Joyce Bowen's evening wedding into a mellow one as she marched down the aisle of Grosse Pointe Memorial Church to exchange her nuptial vows with Allan Ansel Rutter Jr.

Joyce is the daughter of Mr. and Mrs. Ernest C. Bowen of Lincoln road and her bridegroom is the son of Mr. and Mrs. Allan A. Rutter of University place.

For her wedding the bride wore white satin with fitted bodice and cathedral train. A turn down collar of Breton lace distinguished the bodice which buttoned down the front in white satin discs. Billowing over the satin wedding train was a veil of French illusion which was attached to a seed pearl embroidered bridal bonnet. Joyce carried a white orchid surrounded by stephanotis and white carnations.

A quintet of attendants preceded the bride to the altar. All were gowned in white dotted swiss over yellow taffeta, sashes of the taffeta being used at the waist. They carried bouquets of white and yellow daisies interspersed with blue iris.

The bride's sister, Mrs. Hugh V. Anderson, was honor matron and bridesmaids were Barbara Sicklesteel, Carole Casticum and Frances Hall.

The bridegroom was assisted by John H. Williams as best man and the guests were seated by William R. Wallace, Thomas J. Castner, Bruce F. Laing and William G. Strawbridge.

Mrs. Bowen wore for the wedding, violet alencon lace gown and she carried green orchids. Mrs. Rutter chose a maize crepe costume for the evening.

The young couple left on a Southern motor trip following the wedding reception. They will travel through Virginia and stop in Florida before returning to Detroit where they'll make their home in Huntington Garden Terraces.

For traveling, the new Mrs. Rutter chose a navy blue suit with tweed topcoat and a small navy straw hat.

The Rev. Dr. Frank Fitt officiated at the Bowen-Rutter wedding and earlier on Saturday he performed the double ring marriage ceremony which united Natalie Jean Schreck and William Wendell Wilcox. Miss Schreck, daughter of Mr. and Mrs. George Walter Schreck of Three Mile Drive, was married in her parents' home in the presence of members of the immediate families.

The ceremony took place in front of the fireplace which was banked with ferns with cathedral tapers glowing in tall candleabra.

The bride wore a waltz length gown of imported French lace over tulle and her Juliet illusion cap was touched with poudre blue valley lilies. Her flowers, arranged in colonial bouquet, were valley lilies, stephanotis and white orchids.

Music for the wedding was played on an antique organ which had also pealed the wedding march for the bride's three sisters. Mrs. Keith Schnepf, as matron of honor, and Mary Lou Halde-man, were the bride's only attendants. They wore identical gowns of white organdy over French blue taffeta. Their crownless hats were a matching blue

and they carried bouquets of French violets surrounding sweetheart rose buds.

The bridegroom, son of Mr. and Mrs. Wendell G. Wilcox of East Jefferson avenue, had his brother George B. Schreck, as best man.

Mrs. Schreck affected navy blue sheer with white orchids for the home wedding and Mrs. Wilcox was dressed in water lily green crepe with corsage of matching orchids.

After their wedding reception, the young couple, who'll move into a new apartment in Allen Court upon their return, left for their wedding trip to Williamsburg, Va.

Young Couple Motor East

The James Scully Connollys are motoring in the east today following their marriage last Saturday morning in SS Peter and Paul Jesuit Church when the bride's uncle, the Rt. Rev. Msgr. Henry Donnelly officiated at the ceremony.

The bride, who was the former Marilyn Faber, daughter of Mr. and Mrs. William S. Faber of Kensington, had worn a gown of glistening white satin for her wedding.

Fashioned on classic lines, the wedding dress had high, turn down collar, fitted bodice with long, tight sleeves and a full circular train falling from a peplum effect at the back. An heirloom lace cap held her illusion veil in place and she carried white lilies with a bridal orchid.

Janet Faber was her sister's maid of honor and the bridesmaids were Suzanne Sutherland, Patricia Kearns, Barbara Foster of Milwaukee, Wisc. and Mary Jo Holly.

They were gowned alike in saffron organza frocks accented in deep green, the latter shade repeated in snug Juliet caps. They carried bouquets of lilies.

Bridesmen were William S. and Michael Faber, Marilyn's brothers; and Edward Wilberding, Richard Guilford of Cadillac, and William Underdown, George Cavanaugh Jr. was Mr. Connolly's best man.

Mrs. Faber wore an orchid corsage with her mauve crepe gown with which she affected a matching nylon chapeau. The bridegroom's mother (he is the son of the Bertrand D. Connollys of Van Dyke avenue) was in French green lace with matching hat and orchids.

Following their reception at the Detroit Yacht Club, the young Connollys left for an Eastern motor trip.

Week-end Brings Engagement News of Gloria Rickel and L. H. McCormick-Goodheart; Eileen Hickey and John Lane King; Miss Church to Wed Dan Chapin

A trio of names was added to the long list of Pointe brides-elect this past week-end, one announcement coming from the East and the others being told at parties in the Pointe.

Gloria Suzanne Rickel, daughter of Mr. and Mrs. Armin Rickel of Edgemont Park, is engaged to Leander Hamilton McCormick-Goodheart, son of Mrs. Gladys McCormick-Goodheart of University Place and the late Frederick Hamilton McCormick-Goodheart.

The announcement was made at a family dinner party at the Rickel home on Saturday evening when the little bride-elect made two significant statements: first, she's not even thinking about her own wedding plans till after the June 17 marriage of her sister, Lorone, and William Clann Porter . . . second, her fiance's nickname is "Mac".

Gloria is a graduate of Grosse Pointe Country Day and of Bradford Junior College. She has studied at Cranbrook Academy of Art and is a member of the Junior League and Tau Beta. She was presented to Detroit society at a reception and tea in June, 1946.

Following their marriage, Gloria and Mac will live in Alexandria, Va., for the young man practices law in the nation's capital.

Edgemont Park had an edge on the romantic news last week-end when Mr. and Mrs. Joseph Lincoln Hickey entertained a small group of friends Sunday afternoon in their home there to tell of daughter Eileen's engagement to John Lane King, son of Mr.

and Mrs. John C. King of Springfield, O.

Eileen and John are planning a Fall wedding, the guests learned.

Eileen, who was graduated last June from the University of Michigan, also is an alumna of Grosse Pointe Convent of the Sacred Heart. She attended Georgetown Visitation Convent in Washington before going to Ann Arbor. Her sorority is Pi Beta Phi.

The bridegroom-elect is a graduate of Ohio State University and this June will receive his law degree from Michigan. He is an Alpha Delta Phi.

Eileen and John had two announcement parties, the first taking place last Friday in Ann Arbor when the news was told to their college friends at the annual ball given by U. of M. law students.

The third announcement comes from Riverside, Conn., home of Mrs. Eben S. Church whose daughter, Wanda Rose, will be married in June to Daniel Chapin, son of Mrs. Roy D. Chapin of Lake Shore road and the late Mr. Chapin.

Wanda is the daughter of the late Eben Skillman Church of Bedford Hills, N. Y.

Her schools include Rosemary Hall, Greenwich, Conn., and Pace College, New York, and she made her debut in 1945.

Dan, who is in his senior year at Yale, previously attended St. Paul's School.

Pointers Have Wide Choice in Selecting Plants for Shady Areas of Garden

By VINCENT DE PETRIS
A problem which must be faced and resolved by most owners of suburban property is that of finding proper plants which will thrive in shady corners of the home garden.

When the grounds are first planted, shady nooks may be more or less non-existent, but there will undoubtedly come a time when the matured trees and shrubs will have attained a sufficient height to cast shadows upon the surrounding plant material, thus affecting their normal growth.

Some Like Shade Best
Nature's assortment of plant types have evolved in accordance with their environment. Thus we are able to select plants which will not only tolerate shade but which thrive better in shady locations than they would in open ground.

Before proceeding further we should clarify what is meant by the term "shade." This seems like a needless waste of time. Yet it must be made plain that shady nooks do not infer an almost complete lack of light. Even plants which are described as doing well in full shade will do better if an ample amount of light is provided them indirectly throughout the greater part of the day.

Moreover, plants in shaded areas generally will thrive much better if the soil is properly drained and not swampy with excessive accumulation of water.

Need Extra Food
Another important point to remember is: Where plants are shaded by close proximity to large trees, we should remember that extra quotas of plant foods as well as moisture are needed to compensate for the nutrients and water which are constantly being absorbed by the extensive root systems of these large trees.

Evergreens for Shade
There are a few evergreens suitable for this area which will thrive very well in partial shade. The following are recommended.

Taxus—The Yews, particularly the Canadian ground hemlock *Taxus canadensis*.
Rhododendrons do very well in partial shade provided the soil is specially prepared with acid forming peat, well decayed manure and leaf soil.

Eunonymus, which is a prostrate or climbing evergreen shrub, will also do very well in the shade. This plant will thrive in any soil which is fairly rich.

For ground cover the following evergreen or semi-evergreen plants are best for our region. *Baltic Ivy*, *Vinca minor* (*Myrtle*) and *Pachysandra* or Japanese spurge. All of these plants will carpet the ground in time. *Vinca* will be found very attractive when in flower. Its blooms are a vivid sky blue. As a matter of fact, for those of you who are conversant with color nomenclature, the term "Periwinkle Blue" was coined from the blossoms of the *Vinca minor* which is also known commonly as the Periwinkle.

Shrubs for Shade
The following deciduous shrubs will be found to thrive in deep or partial shade. *Aronia*—Chokeberry. *Calycanthus* Sweetshrub. *Hydrangea Quercifolia*—Oakleaf Hydrangea. *Kerria Japonica*. *Ligustrum Regelianum* and other Privets. *Lonicera*—Bush Honey-suckle. *Symphoricarpos racemosus*—Snow berry. *Symphoricarpos vulgaris*—Indian Currant or Coralberry. *Viburnum*—Species including the varieties *Dentatum*, *Lentago* *Prunifolium* and *Lantana*.

Finally one of the best shrubs for shade which does not grow much taller than three feet in height in our region is the *Yellow Root* or *Zanthoxyla apiifolia*. This plant is little known in this part of the country because it is presumed to be somewhat tender. Yet I have planted it and grown it successfully in Grosse Pointe. It has withstood our cold winters very well. It thrives in dense shade. Does not succumb to insect pests and grows very uniformly.

Its botanical name, incidentally, is derived from the ancient Greek "Zantho," denoting yellow, and "rhiza," denoting root. This other part of its long name is from the Latin "apio," meaning celery, and "folia," meaning leaf. Its leaves resembling those of the celery plant.

We are fortunate in having an extensive list of perennial plants which will grow and flower in shady nooks of the garden. Among the taller growing perennials the following plants are recommended: *Aconitum*—Monks-hood. *Anemone*. *Canadensis*—Wind Flower. *Astilbe*—Japanese Spirea. *Companula* *Carpatica*—Harebell. *Clematis*—Bugbane. *Dicentra*—Bleeding Heart. *Digitalis*—Fox glove. *Doronicum*—Leopards Bone. *Eupatorium*—Blue Mist Flower. *Helianthus*—Hellebore. *Hosta* or *Funkia*—Plaintain Lily. *Iris germanica*—German Iris. *Mertensia*—Cow slip. *Polemonium*—Jacobs Ladder. *Sedum*. *Thalictrum*—Meadow Rue. *Trillium*—Wake Robin.

Low growing perennials for shade include the following: *Ajuga reptans*—Blue Bugle. *Convolvulus*—Lily of the Valley. *Lysimachia nummularia*—Creeping Myosotis—Forget-Me-Not. *Jenny*. *Primula* *ovata*—English Primrose. *Viola*—Violet.

Besides the above, mention must be made of several species of ferns which will do exceedingly well in the shade. As a matter of fact these shade loving ferns will not tolerate a sunny exposure.

The four best ferns for shade are: *Adiantum pedatum*—Maiden Hair Fern. *Aspidium*—Wood Fern. *Asplenium*—Lady Fern. *Osmunda*—Royal Fern.

The last named is the royal fern and makes a handsome clump up to four or five feet.

One species of plant which grows extremely well anywhere but which has been deliberately not mentioned above, is the *Gout weed*, or more commonly, the *Gout fern*, which is botanically *Aegopodium podagraria*.

Make Attractive Mat
This plant has creeping root stalks and compound leaves which are green or variegated. It makes an attractive mat of foliage, carpeting the ground completely to a height of 12 to 14 inches. It is a good tough plant to have where nothing else seems to grow and is extremely hardy.

Its objectionable qualities are merely that it is so tough that once it has become established it is extremely difficult to control or eradicate. For this reason it is not recommended for cultivated areas where it can encroach on other plants.

Some time ago a well known resident of Grosse Pointe who has purchased a residence on Lake Shore road brought this plant to me for identification.

The party stated that it had overrun the place in spite of everything that he had done to destroy it, the ground cover plant continued to come up and spread. The name of this ground cover again is *Aegopodium* or *gout fern*. It is wonderful for waste or

barren areas but beware of it in the garden!

It has not been possible in this brief article to describe the plants named in detail nor give any cultural hints about them. However, the list includes the best plants suitable for shade. In general, the soil for most of them should contain ample amounts of decayed vegetable matter or humus, and of course they should be in well drained soil. If these two pre-requisites are observed there will be no difficulty encountered in making shady areas luxuriously beautiful.

Volunteers Staff Garden Center

The Grosse Pointe Garden Center Room in the War Memorial Center is kept open through volunteer staffing by members from the various garden organizations throughout the Pointe.

The Grosse Pointe Garden Club under its president, Mrs. George Villerot, has taken over all of Monday. Hours are 10-12 and 2-4.

Mrs. David Roney and Mrs. Alfred J. Mayer report on Tuesday.

On Wednesday Mrs. Neil McMillan, Jr., of the Garden Club of Michigan serves. The Grosse Pointe Farm and Garden Club will take over on June 1. Mrs. Frederick J. Schumann, president of the Grosse Pointe Park Garden Club, is making arrangements for the afternoon.

The room is closed on Thursdays.

The Pointe Garden Club, Mrs. Clarence L. Fox, president, staffs the room on Friday mornings.

On Saturday the Grosse Pointe Woods Garden Club under Mrs. Paul Rowe, and the Grosse Pointe Shores Garden Club under Mrs. Clarence Maguire, handle the volunteers.

The Junior League and the Ixex Club have both been doing volunteer work, but their garden groups are small and inactive now. Volunteers are needed for Tuesday mornings and Friday afternoons.

Two Volumes Missing From Garden Center

The Grosse Pointe Public Library is being very helpful in assisting the Garden Center in the War Memorial Building in cataloging the garden books contributed by generous friends and groups.

The Center announces two gift books have already disappeared and it is earnestly hoped they will be returned in the very near future. The missing volumes are "The Art of Japanese Flower Arranging", by Koehn, contributed by Mrs. John Newberry; and "The Woman's Home Companion Garden Book", donated by Vincent DePetris.

Celery Growers Shift Plantings To Green Types

Changing consumer preference in Michigan for green celery has resulted in a shifting of growers' plantings to more and more of the Pascal (green) types, say Michigan State College horticulturists and soil scientists.

Several varieties of green celery performed well in the experimental trials on the college muck farm in 1949.

Varieties outstanding in yield, storage quality, and blight resistance were Utah 15 and a local selection distributed by Vande Bunte Brothers in Hudsonville, Michigan.

Utah 10-B and a similar selection called Superior Pascal showed excellent keeping quality, gave high yields, and had the best stalk length and heart development of all varieties. However, both were very susceptible to leaf blight injuries. Summer Pascal types showed considerable resistance to blight, but had poor storage quality and short stalks.

Tests indicated that spacings between individual plants in the row should not exceed six inches. By spacing plants in the row nine inches apart, the percentage of marketable stalks was reduced 31 percent, and many plants showed a flat, busy type of growth with no heart development.

The 1949 tests suggested that excellent green (Pascal type) celery, equal in quality and appearance to that shipped in from western states, could be grown on the muck soils in Michigan.

For good quality, however, it is necessary that harvesting be delayed sufficiently long for the crop to be exposed to several weeks of cool night temperatures.

Mrs. Terah Cowert-Smith Addresses Pointe Baha'is

"We are one world, and have been for centuries, but we have not changed our pattern of thinking to live in it," said Mrs. Terah Cowert-Smith of New York, guest speaker at a gathering of the Baha'is of Grosse Pointe and their friends at the home of Mr. and Mrs. Floyd H. Munson on Friday evening, May 5.

International champion "Win-were's Pamela," wirehaired fox terrier. Best in show many times. Owned by Mr. and Mrs. E. A. Kraft of Birmingham, Michigan.

International Champion "Lulabel," miniature pinscher. Has won 7 best in show, 65 toy groups, 99 best of breed, and best in toy 94 times. "Lulabel" is owned by Dr. and Mrs. Frank Hartman of LaSalle Blvd., Detroit.

International champion "Lorne von Liebestraum" a German shepherd, many times best of breed. Owned by Mr. and Mrs. Grant E. Mann of Lahser Road, Detroit. This is one of the outstanding German Shepherds in America.

International champion Boston terrier owned by Joe Faigel of Apollonia, Detroit.

Champion beagle hound "Par Point Panel," consistent winner at New York and Morrison Essex, owned by Gordon Parham of 6 Mile road, Detroit.

Obedience Exhibition
Joseph McQuillen directed an exhibition of dog obedience staged by three owners of animals who have earned their Companion Dog degree. Marion Kellogg exhibited his Weimaraner; Fred Jackson appeared with his international champion springer spaniel, "Frejax Royal Salute," and Charles Liddle performed with his giant collie.

"Safety Girl," owned by Officer Edson Storing of the Detroit Police Department, was an outstanding bit of the show. She did everything but talk during her 20-minute exhibition of stunts

ending by balancing on a cane held on the shoulders of Officer Storing and Benson Ford, then rising to a sitting position on the cane while holding two American flags in her mouth. "Safety Girl" will soon be seen on Ed Sullivan's "Toast of the Town" television show.

Leader Dogs Appear
Another outstanding exhibit was given by a German Shepherd and a Boxer trained as Leader Dogs to work with the blind. The Leader Dog League is greatly in need of dogs to train. German shepherds, Boxers and Labradors are sought for this important work. Mrs. William Kerber exhibited her Pointer, "Lucky," who has many tricks taught by his mistress.

Some 125 pooches owned by Pointe kids 14 and under, vied for the honors in the competitive classes. Thanks are due the many parents who accompanied their offspring to see that the pets were kept under control. All dogs were leashed and for the third consecutive year the committees heaved sighs of relief as the events came to an end without a single fight or a single child being nipped.

Young Set Dance at DAC

Emmet E. Tracy, Jr., of Kerby Road, celebrated his seventeenth birthday anniversary by inviting 15 close friends to a dinner and dancing party at the D.A.C. last Friday evening, May 5.

The fete was especially gala because, besides marking the young host's anniversary which actually fell on May 1, it also celebrated the success of U. of D. High School's recent production of "The Student Prince" in which Emmet and Bob Roney both had roles.

Peggy Jeakle was Emmet's date at the party and Mary Jane Braun came with Bob. The other guests were Frank Brinkman, Patricia O'Connell, Sigrid Nelson, Bob Cole, Bill Ensign, June Dwyer, Pat Long, Willy Cavanaugh, Danny Curran, Mary Lou Keating, Tom James and Mary Ann McManus.

Play Attracting Many Pointers

First nighters at the long awaited production of Noel Coward's "I'll Leave It to You" by the Grosse Pointe Theatre included Charter Members Mrs. Henry B. Joy, Mr. and Mrs. John S. Sweeney, Jr. and Mr. and Mrs. Renville Wheat.

Mr. and Mrs. Ralph Genter entertained thirty friends at dinner before the performance.

Members of the Optimist Club secured a block of tickets to insure their seeing their past president, Dr. Walter Tuttle, perform in the starring role of Uncle Daniel.

Blocks of tickets were also secured by the Lions Club and by the Defer P. T. A. which through the cooperation of Mrs. A. J. Rueggseggar has been very generous in its support of Grosse Pointe's only community theatre.

Tickets for the final performance tonight are still available at the box office.

May 17 to Be Grosse Pointe Day For The Garden Club of America

Wednesday, May 17, is earmarked as Grosse Pointe Day for the 37th annual meeting of the Garden Club of America, scheduled for May 15-18 inclusive. The delegates will spend all day visiting Pointe private gardens and the War Memorial Center and luncheon as guests of many Pointe hostesses.

Buses will leave Hotel Staller at 9:30 a. m. to bring the delegates to the Pointe. The morning will be spent visiting gardens here and witnessing a Parade of Antique Automobiles by the Veteran Motor Car Club of America, at the Country Club.

Following luncheons in many Pointe homes, more local gardens will be viewed by the delegates. They will be taken back to their hotels, only to return to the Pointe again that evening, to attend many dinners being given by Pointe hostesses.

Legion Auxiliary News

Just a reminder that May 15 is the date for you to bring that white elephant for our birthday celebration after the meeting. After checking with Chairman Alice Marrs, sounds like a good time will be held by all. The sooner you get there, the faster we can get to the fun part of the evening, so won't you try to be there at 8 p.m. sharp!

Filling orders for 35 million memorial poppies, to be worn in honor of their fallen comrades on Poppy Day on May 25, is providing employment for thousands of disabled war veterans in hospitals and convalescent workrooms throughout the country. Elva Nielson Poppy Chairman has announced. "Millions of the little crepe paper flowers already have been made and millions more are coming from the busy hands of the disabled veterans of both wars who are being employed by the Auxiliary in the work," said Elva.

"The veterans enjoy the work and draw encouragement from the experience of earning money again. Most of the earnings go to help families at home. Their wages, it is estimated, will exceed \$350,000 this year, with physical and mental benefits beyond estimation."

Sure hope you ladies are planning to help Elva by volunteering to sell poppies on May 25. There should be no person without a poppy as it is a most worthwhile cause.

Police Ground Model Airplanes

One day last week a resident living near the Defer School phoned to the police department that two young men were flying midget airplanes on the school grounds, which apparently menaced the safety of the school children who were standing about fascinated by the noise and gyrations of the models.

It is against the local laws to fly midget planes without the permission of the police authorities, who judge the time and place of such exhibits.

In this case they compelled the young men, who were 21 each, to stop their fun for the day and not to try it again anywhere until they had received permission.

Marinus to Talk To Camera Club

"Pictures—Just Pictures," will be the subject of a lecture by Dr. C. J. Marinus before the Grosse Pointe Camera Club at its meeting on Tuesday evening, May 16.

Dr. Marinus, who has been the author of many photographic articles appearing in magazines throughout the nation, and also platform lecturer before various meetings of photographers, has prepared his program on the basis of the simplicity of taking and making pictures. He has arranged to illustrate his remarks with many salon prints.

Vincent Ayres, president of the club, has also announced that the members of the club will exchange negatives that evening for the purpose of seeing if the other members can make a better print from the negative than did the original maker.

The meeting will be held at the Neighborhood Club and the public is invited to attend.

Charter Building

The framing of a charter for the government of a City is one of the most important duties a citizen can be called upon to perform for his home municipality.

This is the duty that has fallen to the nine able citizens of Grosse Pointe Park who were recently elected by the Park residents for this task.

It is to be hoped that the people of the Park will be kept well informed on this work as it progresses. Unless such a policy is adopted the citizens will have no knowledge of the coming basis of their city government until they read in the papers the completed instrument shortly before they are to vote upon it.

When they do vote it will be a one-package document on which they will vote yes or no, on the acceptance or rejection of the charter as a whole with no opportunity to express their approval or disapproval of any of its separate features.

The individual citizen should be kept sufficiently informed, currently with the formulation of the charter, so that he can express himself on its different provisions and not have to wait until the final day of judgment and then be limited to voting in toto on the measure.

Provision should be made early in the consideration of this subject to enable the citizens to be kept fully abreast of charter development. They will not relish being kept in ignorance until the last minute and then having the whole bundle thrown at their heads with a take it or leave it order.

They want a chance to talk this matter over with each other and with the members of the charter commission while the instrument is still in a formative state. This is their right.

Bonds to Spend

The receipts from the sale of Government Savings Bonds have not been coming in fast enough in recent months and the Government is about to pep up the sales by putting on a special campaign which it calls the United States Savings Bonds Independence Drive.

Probably such a campaign is necessary in the face of the enormous commitments which the Government has built for itself. Despite the fact that the balance sheet which is already shown the taxpayers is badly in the red and enough to wreck in advance the securities of any private corporation, United States bonds still remain the best available investment in the world.

Governments do not go broke in the sense that private enterprise does. All Governments can do is to bring on uncontrollable inflation and destroy the whole economic fabric of a nation. This is not to say that this particular bond issue is going to meet with any such tragic aftermath, but it does mean that as long as the Government pursues its policy of the years since the war of deficit spending, paying out more than it takes in by legitimate sustained revenues, it is heading towards this end.

The issuing of bonds to pay the extraordinary expenses of a war for national defense is one thing; to continue issuing them in peace time to stimulate the production of foodstuffs that cannot be absorbed by the legitimate markets of the world is another. The obvious explanation is that the Government in power aims to keep itself there by bribing numerous and influential groups.

The argument of the engineers of this campaign that this bond issue will stimulate the habits of thrift and saving among people is largely monkey moonshine. They want it to spend because they cannot get enough money in hand otherwise to keep their high priced spending wheels in motion.

If the Government will stop bleeding private enterprise white by ceaseless and mounting taxation, the people's money will quickly find its way into gainful pursuits which will build up the common welfare. Private enterprise sometimes burns its candle at one end; the Government has been burning its candle at both ends and up to the present moment has shown no signs of snuffing out even one end.

President Truman stated some months ago that the Government deficit would be about \$5,500,000,000 this year. Since then his financial advisers have had to hike the ante to \$6,700,000,000, but, what the Hell! there are two very important elections coming on; one in 1950 and one in 1952, and the flow of the public largess can't be stayed in midstream.

The Franco Touch

As one of the way stations on the journey towards making the whole world sweet (and safe) for democracy it has been proposed that we "lend" Francisco Franco of Spain the tidy sum of \$50,000,000. Francisco hints quite pointedly that this would be a wise step for us to take.

Before committing ourselves to this program there are two or three pertinent items which do not appear on the red and black sheets of international finance.

Only a half century ago we had a war with the Kingdom of Spain in which the Spaniards came out decidedly second best. It is not unreasonable to presume that the recollection of this incident still lingers in the Latin mind. It had its origin in the dictatorial and brutal acts of one Captain General ("Butcher") Weyler, whose inhuman treatment of the "Reconcentrados" was the forerunner of the prison camps of Germany and Russia, and was topped off by the treacherous blowing up of our battleship Maine, the responsibility for which after a long and patient examination by a U. S. Government Board of Inquiry was laid directly on Spain's doorstep.

During the last war Franco went as far as he dared towards siding with Hitler and was unnecessarily hospitable towards German submarines in his ports.

About the only palliative influence at the moment favorable to the Franco approach is that he hates the Russians with a genuine hatred because they were against him in his successful revolution in 1936. That looks like a good card for Franco in the current cold war.

However, we should keep in mind the fact, of which we

"For all your days prepare,
And meet them ever alike;
When you are the anvil . . . bear . . .
When you are the hammer, strike!"
(Edwin Markham)

With pardonable pride, we should like to refer our readers to one of our columns of last December, when we suggested you all keep your betting eye on Middleground in the Derby! It is one thing to say "we told you so" . . . and quite SOMETHING to be able to prove that we did. We invite the skeptics to look through our files with the same ease that we look into our crystal ball. Tee hee.

Them what wants goldfish can dang well have them. Personally, we aren't speaking to them. Last Fall we housed (in our pal-sized back yard pool), five or six adult goldfish, who promptly presented us with a family of about fifty young! Being conscientious about live stock in any form, we proceeded to move the fish indoors for the winter. It sounds simple, but if you've ever tried to capture fifty half-inch size fish in a pool full of water and soggy leaves . . . you'll know what we mean!

Having finally gotten them in a tank indoors, we telephoned a fish expert to find out what to do next. When he got through with us we had 4 kinds of fish food, plabum, greenery, small rocks and an electric aerator to keep the water fresh and circulating. We fussed over those blankety blank fish all winter . . . and when the first crocus reared its lovely head, we said, "Aha, the fish can now go back to the pool and take care of themselves for a change."

We cleaned out the pool, installed a tub of greens, turned on the water and dumped the fish in. Three days later, we found twenty of them dead! The following day, all remaining except three, were dead. Gathering up the three live ones, we put them back in the indoor tank and called the fish expert, who told us they died from cold weather. We hope this is a lesson to goldfish enthusiasts.

While we are on the subject of live stock . . . a beautiful green parakeet came calling on us the other day. He flew up to our window asking politely if he might come in. Ruffy, the wild cat, gave us a dirty leer as we opened the door and let the little bird light on our finger. He was obviously happy to be indoors . . . but knowing even less about birds than we know about goldfish, we were stymied. Ruffy, having gotten Mr. Charles Dickens to join forces with him, decided us to close the parakeet in a room by himself. Then we called the police and finding the name of the owner, we called, but no one answered!

What a sucker we are for live stock! Ascertaining that the bird had made himself at home by perching on the back of a sofa, we then telephoned a bird store to find out what parakeets ate. Then we telephoned a friend who keeps extra cages around the house and asked if we might borrow one. This done, we hightailed it off in the car to pick up the food and the cage. Back again in a half hour . . . we put the bird in the cage, which he hated . . . so we took him out again and fed him on the back of the sofa. Then we telephoned his mistress intermittently for two hours . . . and she finally came to pick up her little treasure. What a day . . . WHAT a life!

If you haven't read "Seeds of Treason", don't let another minute go by without doing so. As Bing Bang Bingay sez, every red—(if you'll pardon the expression) blooded American should be MADE to read it. It will scare the daylight out of you . . . but it's a mighty healthy kind of scare.

have had many instances in recent years, that dictators of any breed or bent have a disconcerting way of getting together on short notice, and burying past differences.

On the record there is no assurance that the Spanish dictator would stay put if we tried to win him over now. There are various factors to be weighed and balanced before final decision.

The best assurance that he would stay "bought" if we made the deal, lies in the fact that he was materially helped to power by the Roman church and that same power might be effective in keeping him lined up against the Godless rulers of the Communist State.

Expanding Crime

The most alarming phase of the crime situation in this country at the present period has been its expansion through an alliance or working agreement among gangs and criminal groups in widely separated communities throughout the country. This type of organization doubtless existed in a measure before but at last the public is learning now of its expanding field.

The term "cell" has long been applied to the methods by which communism incubates its doctrine. We are seeing now the same process of affiliation between criminal gangs and it is learned that many of our largest cities have criminal groups which are in close working agreements with similar mobs in other cities.

These gangs may specialize in certain activities such as the gambling racket or control, the white slave trade, the narcotics purveyors or others but many of them stand ready to bring aid to others regardless of their specialty.

There is one way, and only one certain and effective way, this evil can be scotched.

The power of public opinion, while often slow to get under way, is a mighty engine of accomplishment. Merciless publicity is a force which keeps the legal protectors of society on their toes and makes more difficult any illicit alliance between them and the elements they are delegated to oppose. It may point suspicion on rare occasions towards innocent persons, but better an innocent person be occasionally under suspicion than that the guilty never be detected.

Fifteen and twenty years back there was a veritable epidemic of kidnapping for ransom. When public opinion was at last awakened this form of crime was stopped effectively. Such cases now are relatively rare. The Lindbergh Law which the Federal Government imposed on interstate kidnapping where violence to the victim was established placed the final kibosh on this form of crime.

Public opinion can and does quickly relegate to obscurity or imprisonment the politician who predicates his power on the quicksand of crime. That is the force none can long face.

Public opinion is the power which lifts or casts down men and movements according to their deserts as it weighs them. The press is the implement by which this force is molded and directed.

The best assurance the country has that this present wave of organized crime will be destroyed is that many of the most influential newspapers of the country are committed to this crusade. But with all this the individual citizen must stand ready to supplement their efforts of public enlightenment as information comes to his attention.

The combination of these agencies make up a force that can and will dissipate these enemies of public order and decency more quickly than many now think possible.

What Goes on at Your Library

by Jean Taylor

Among the thirteen recently announced Pulitzer prizes, we are glad to note that the fiction award goes to A. B. Guthrie for his novel, "THE WAY WEST." This story of the emigrant trek from Missouri to Oregon in the 1840's has been widely read and generally liked. The critics and judges are in accord on this one—a fact not always true. The judges on the Pulitzer awarding board are largely newsmen and rightly so, since a great number of the awards are in the newspaper field. They have, however, frequently clashed with the literary critics and the Pulitzer awards have been the cause of much sharp discussion.

The biography chosen is JOHN QUINCY ADAMS AND THE FOUNDATIONS OF AMERICAN FOREIGN POLICY by Samuel Flagg Bemis; "an exhaustively detailed biography of John Quincy Adams, treating of his career as a diplomat up to his election to the presidency."

O. W. Larkin's ART AND LIFE IN AMERICA wins the history award. "By far the finest general history of the visual arts in America that has yet been written, and one that might very well supersede all other general histories," says the San Francisco Chronicle. The New York Times counters with the comment: "A lack of critical proportion is frequent throughout the book."

These annual awards were set up by the will of Joseph Pulitzer, a Hungarian immigrant, who rose to prominence as an American journalist. The prizes are awarded for the encouragement of public service, American literature and the advancement of education.

Popularity does not indicate merit necessarily, but it is interesting to look back over the list of previous Pulitzer fiction winners, to discover whether or not interest in these titles has stood the test of time. A few have dropped into limbo but a number are still asked for at the library.

Margaret Mitchell's GONE WITH THE WIND, the choice for 1937, has probably had the largest circulation. The library has worn out forty-one copies. Twenty-one copies of Pearl Buck's GOOD EARTH, winner for 1932, have seen circulation. This is one of the few times when the award was given to a book without an American backdrop. In 1934 it was specified that the prize be given preferably to novels dealing with American life by an American author. John Hersey's BELL FOR ADANO, winner in 1945, although laid in Italy, deals with Americans in the locality during the war; a book of timely interest. The choice for 1939,

THE YEARLING, by Marjorie Rawlings, is on the other hand, a timeless book. Seventeen copies have circulated at the library and we predict it will have a moderate circulation for some years to come.

The Friends of the Grosse

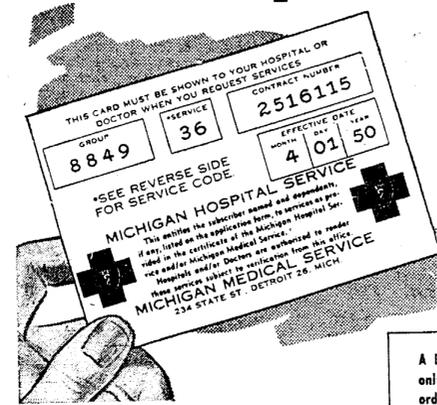

Pointe Public Library are planning a dinner at the Grosse Pointe Yacht Club for their annual meeting Tuesday, May 23, at 6:30 p.m. The speaker will be Dr. Walton E. Cole, rector of the First Congregational Church and a member of the Michigan State Library Board. Reservations may be made at any of the Grosse Pointe Public Libraries. Everyone in our community is invited.

The Grosse Pointe Public Library is glad to cooperate with the committee of the Grosse Pointe Garden Center in setting up a small reference collection of gardening books at the War Memorial Center. Although the initial number of titles will be small, the committee hopes this may be gradually increased to a sizable, useful garden library.

Cranbrook and Royal Oak Both Humbled by Devils

Pile Up 7-0 Victory in Return Match With Bloomfield Boys, Then Repeat Score by Tramping Over Weak League Opponent

Coach Merlin Schultz's Blue Devil tennis team still tramps the unbeaten trail after whipping one non-league opponent and one league foe last week, which ran the Devil victory string to 39.

In a return match with non-league Cranbrook, the Pointers, led by Al Mann, trounced the hosts 7-0 on their own court last Thursday, May 4, for number 38 in the string.

Al Mann Forced Al Mann, playing the number one singles match, encountered a tough customer in Bob Blanchard and was forced to go three sets before emerging the victor by scores of 6-3, 0-6, 7-5.

The number two singles saw Cort Lecklider whip Fred Steinman, 6-3, 6-2, and Bill Whittingham defeat John Colwell 6-2, 6-1. Dick MacKenzie made it a clean sweep of the singles matches when he took the measure of Norm Bouton, 6-2, 6-2 in the number four match.

Doubles Teams Win In the doubles Jim Barker and Bruce Allen edged Dave Milbrand and Ken Wilson in straight sets 6-3, 7-5 and Bruce Terris and Bob Hardies won the number two doubles 8-6, 6-2 over Steve Stubbs and Ted Price.

Tom Lamb and Jack Westphal had a little trouble with Cranbrook's number three doubles team Don Johnson and Ralph Thomas, but won in three sets 4-6, 6-3, 6-4.

The Pointers thirty-ninth victory came at the expense of a weak Royal Oak team that completely folded and bowed to defeat 7 to 0.

Mann Sets Pace The Pointers wasted no time in showing their visitors who was boss and behind the brilliant play of Al Mann, the Devils' number one player, won all matches in straight sets, losing only 18 games in 102 games.

Mann set the pace for his teammates when he blasted Don Doctor in the initial singles match 6-0, 6-0. This is the best performance turned in by a Blue Devil this season.

Ray Leonard was just one game off the sizzling pace of his teammate Mann when he whipped Frank Nau 6-0, 6-1 in the number four singles match.

Also Win in Singles Cort Lecklider and Jim Barker won the other two singles matches to clinch the contest before the doubles got underway.

Bill Whittingham and Bruce Allen teamed up to whip Gil Starks and Hanes Kuehl 6-1, 6-2 and Bill Rossier and Dick MacKenzie notched the number two doubles with a 6-2, 6-0 win over Fritz Lappenplatz and Dick Little.

Bobb Hardies and Bruce Terris clinaxed the contest with a two set win over John Seaton and John Wiese 6-1, 6-0.

This being the first meeting this year between the two schools Coach Schultz took no chances of an upset and put together his strongest lineup. No doubt in the return match with the Acorns, the Pointers reserves will get a work out.

Regional Net Matches Set For May 19

Battle Between Pointers and Hamtramck Should Prove Most Interesting

Again, as has been the practice for the last five years, Grosse Pointe will be the site of one of the nine state regional tournaments which start Friday, May 19.

Five class A schools will vie for regional honors on the local courts, such as they are. Hamtramck, winner by one point over Grosse Pointe in last year's regionals and eventual State Class A champion, heads the list of visitors. Hazel Park, Mount Clemens, Port Huron and Grosse Pointe complete the roster.

State Meet is Goal In the Class C and D regionals University High of Ann Arbor, D.U.S. of Grosse Pointe, St. Stephen of Port Huron, St. Clair and Roosevelt High of Ypsilanti will vie for the right to compete in the State Meet June 2 and 3.

In the Class A bracket it appears to be a two-team battle between Grosse Pointe and Hamtramck. Both teams have played a common opponent, Dearborn, with identical results. Grosse Pointe whipped Dearborn, a weak foe, 7 to 0, as did Hamtramck.

Should Be Interesting The battle between these schools will be an interesting one. The overall score stands at three victories for the local lads to one for Jean Hoxie's charges.

All three of Grosse Pointe's victories came in dual matches before Hamtramck broke off tennis relations with the Blue Devils. Incidentally the three Devil wins spoiled unbeaten seasons for Hamtramck.

In the Class C and D regionals D.U.S., last year's winner, appears to have an even chance to repeat.

How Points Are Scored The regional winner is determined on the point basis with a half point awarded to the winner of each singles match in the first round and one point for all the following matches.

In the doubles, three quarters of a point is awarded to the winner in the first round and a point and a half thereafter.

Each school is allowed to enter three singles players and three doubles teams. Winners of the singles and doubles matches plus the runner-ups are eligible to compete in the State Finals at Kalamazoo.

Individual medals are given to the winners and runner-ups in each class and the school amassing the most points is awarded a team trophy.

The Maces had recently purchased it.

Pal Asks Plug For Bob Olson

By Fred Runnells Recently I received a letter from George Mantho, former Grosse Pointe High athlete and now a student at Hillsdale College, protesting the fact I have not mentioned one of the Pointers' better athletes now participating in college sports.

George writes: "I am very disappointed in your article on Grosse Pointe men in sports at college. You have left out the outstanding college athlete of our clan, Bob Olson. In addition to receiving a varsity award this year at Michigan in basketball and two letters in golf, this year he is the co-captain of the U of M golf team."

A postscript to his letter adds, "I played varsity football at Hillsdale and Kenyon where I received a letter."

Your writer stands corrected for overlooking such an outstanding athlete as Bob Olson, but may I point out that I said in previous articles about local boys in college sports, all my information was received from mutual friends who have a closer contact with the college boys than I do.

Your writer is only too glad to run news of local boys away from college participating in sports. As long as the letters keep coming in the News will pass the information on to the local citizens.

Thanks, George, for pointing out my oversight.

FIRE AT MEMORIAL Farms firemen were called to the War Memorial Center on the afternoon of May 10 to extinguish a chimney fire. Refuse being burned in the incinerator had ignited the chimney. The firemen stood by until the blaze burned itself out.

Highland Park Track Team Hands Blue Devils Defeat

A hopped-up Highland Park track team handed the Grosse Pointe Blue Devils their second league loss in as many starts with a 65 to 44 win.

The Polar Bear squad was far superior to the local lads in all but three events. The highlight of the meet, as far as Highland Park was concerned, was the clean sweep 220 dash event. The Polar Bears stymied the Devil's hopes for victory in this event when Jack Gallimore, Bruno Dattilo and Charles Randal, finished in that order for virtually the clinching points of the meet.

At the time these three stars swept the event the Pointers had an outside chance to snatch a belated win, as they trailed 31 to 19 with the field events still to be run off.

When the Polar Bear slapped the Devils in the face with 9 big points at a crucial spot in the contest all the confidence seemed to ebb from the local lads.

The Pointers three first places came through the efforts of Gordon Maitland, who won the mile run in a respectable 5:01; Martin Padmos clipped the field in the 880 run with a 2:13.2; and Greg Grove topped the pole vault event with a leap of 9 feet 6 inches.

Jim Reindel, the Pointers' most outstanding performer in previous meets this season, was forced to take a second in the 100-yard dash and a third in the 100-yard low hurdles. In the hurdle event Reindel had an excellent chance to cop top honors until he hit the second to last hurdle and broke his stride. First place honors went to Jack Gallimore of Highland Park.

Ben Bray was outstanding in defeat. In the broad jump Bray missed first place by four inches to the Polar Bears' Ed Scott, whose winning leap was 19 feet 6 1/2 inches. In this event Bray had top honors tucked away un-

til Scott made his last jump which was the winning one.

Bray tied for second place with Glenn Coury in the high jump event behind the Bears Bernard Jones. Bray and Coury missed with the bar at 5 feet 6 inches. From all appearances Bray and Coury would have finished in second place regardless of where the bar was placed as Jones got stronger as the event progressed. Jones cleared the bar on his winning jump by six inches.

The Pointers still have three chances to rack up a win before the season is over. Left on the schedule are Royal Oak and Monroe, both postponed meets, and Fordson who is here on Friday, May 12.

The Devils are strictly the underdog in the Fordson meet as Fordson whipped Highland Park by 19 points a week ago.

The season will reach its semi-wrap up on May 20 when the Regional meet is held at Monroe, and will be climaxed with the State meet at Lansing May 27.

If Coach Banach's boys can pull a couple of surprise wins in the remaining meets the school on Fisher road will have a slim margin in the point race for the Sweepstakes trophy for all sports. At present the Devils hold a 10-point lead in this race.

Constant on Hillsdale Board of Publications Harry G. Constant, son of Mr. and Mrs. Dean Constant, 970 Lakepointe, Grosse Pointe, was recently elected to a position on the Hillsdale College publications board.

The publications board is a student-faculty commission which determines the policies of the student publications, the Winona, yearbook, and Collegian, weekly newspaper. Constant's position will take effect at the start of the academic year in September.

St. Paul Track Team Wins Triangular Meet in Style

Power Vanishes When Thinclads Run Up Against Stiff Opposition in Regionals; Weot Scores Lone Victory

Coach Eddie Lauer's fast moving cindermen celebrated May Day with a sweeping victory over St. Rose and St. Catherine in their final triangular track meet Monday afternoon at Belle Isle.

Paul Weot paced the Flyers to their third triangular meet win and their third in four starts this season with victories in the broad jump, the 880 run and a tie for first place in the high jump event.

In Three Events Dave Sherwood came in for a win in the shot put and a couple of runner-up spots in the 100 yard dash and the 220.

The Flyers captured 52 1/2 points to St. Rose's 29 and St. Catherine's 24 1/2 by coming home first in seven events.

Fred Maddock, Bill Huetteman, Al Susulla and Bob Walker combined to win the medley relay. Maddock also scored a victory in the 440.

Bill Murphy captured the mile run.

Power Vanishes Despite the seemingly strong front put up by the Flyers through the regular season their power disappeared in the East-West City Parochial regional meet held at U. of D. Stadium last Sunday, May 7.

Competing against 21 other schools the Flyers scored a total of 9 points.

Paul Weot was the only Flyer entry to notch a first place. He scored a first place in the 880 event, posting the best time of

the East Side finals with a 2:12. This victory was good for five of the Flyers' 9 points.

Relay Team Places In the three quarter mile medley relay, Bill Huetteman, Jim Cronin, Bob Schneider and Bob Berg placed fifth for one point.

Terry Lynch scored a point for the Flyers' cause with a fifth place in the mile run and Jim Cronin, Dave Sherwood, Bob Walker and Bill Huetteman carried the Flyers' colors over the line fourth in the 880 relay for the final 2 points.

It must be pointed out that the Flyers were competing against Class A, B and C schools and still finished in fifteenth place in the overall standings. The only Class B school to beat the local lads was De La Salle, who won the East Side first place honors.

On Friday, May 12, Paul Weot will carry the St. Paul colors into the East-West Parochial finals to be held at U. of D. Stadium.

Henry Kuchta, 5-foot, 8-inch University of Detroit tennis aspirant, is making a Frank Merriwell attempt to win a regular berth on the Titan net team. Last year, Kuchta was student manager of the team.

There's magic in the air—and suppressed excitement too 'cause this Saturday, girls will don their dainty fluffly formals and dance with tux-clad fellas to the tune of Johnny Titus' band—and the theme? That will be the big surprise of the evening—something everyone has been waiting for! See you there—don't miss it!

One of the best things about Prom night will be the relief for all the seniors, (English VIII term papers are due tomorrow). Most of the kids were in hibernation but Miss Karpinske's second hour Spanish IV students took time out Sunday afternoon for a farewell dinner at Miss Karpinske's apartment.

Springtime Lift Offered Menus

Want to give your winter-
weary menus a springtime lift?
Mary Bodwell, agricultural
economics department food spe-
cialist at Michigan State College,
says rhubarb and asparagus are
old reliables for putting that re-
freshing tang and garden-fresh
touch to your meals. They are
among the first locally grown
vegetables to come in season.

Rhubarb, although usually
thought of as a fruit, is really a
vegetable. Both rhubarb and
asparagus differ from most other
vegetables in that we eat neither
their roots or leaves, but rather
the stem or stalk portions. Leaves
of the rhubarb are actually
poisonous, due to the strong
acids they contain.

To get the greatest satisfaction
from these spring vegetables,
Miss Bodwell suggests putting
these hints about rhubarb and
asparagus on your "remember"
list.

RHUBARB — Spring grown
rhubarb is usually in season in
Michigan in May and June.
Green varieties, which usually
appear first, have a distinct tart
flavor. Reddish varieties are
milder in flavor, and require less
sugar in cooking. Fresh hot house
rhubarb is ordinarily found in
the stores anytime between the
middle of January and the na-
tural growing season in the
spring.

Buy rhubarb by the pound if
possible. One pound will make
nearly two cups of cooked sauce.

Rhubarb can be preserved
more satisfactorily by freezing
than by canning. When canned
it loses color and "mushes"
easily. To freeze, simply wash
the stalks, cut in 1-inch chunks
peeling, and pack in air-tight
containers without sugar.

When cooking rhubarb, stick
to enameled pans. Acids in the
"fruit" will eat other utensils
slightly, producing undesirable
flavors.

ASPARAGUS — Asparagus is
a "good buy" at this time of the
year, and an excellent vegetable
for the required daily serving of
green, leafy or yellow vegetables.
May is usually the most plentiful
supply month—the time to can.

In buying, look for stalks that
are green most of the way down,
will stand up straight, and have
no spreading tips. Spreading tips
mean the vegetable is over-
mature or stale. White stalk
bases mean woody waste. To
keep them fresh at home, cut
off stalk ends and set in a shal-
low pan of water or place in a
plastic bag, then keep refriger-
ated.

Pointe High Ball Team Gets First Win Over Royal Oak

Fordson and Monroe Beat Devils in First Two Games;
Rookie Bill Palm Hero of Initial
Victory This Season

By Jim Reindel
Beautiful relief pitching on the part of rookie Bill Palm
gave the victoryless Blue Devil baseball team its first win
of the season in an 11 to 6 slugfest over Royal Oak on the
Acorns' home field last Monday, May 8.

Coach Pat Kaulitz's charges
still looked plenty shaky afield,
making five miscues, which in-
cidentally, spelled defeat for the
Fisher road boys in two previous
contests against Monroe and Ford-
son.

Come to Life
The Devils heretofore dormant
batting power came to life against
the Acorns to produce the largest
total runs scored by a Devil team
in the last two years.

Little Bob Hafer started on
the mound for the Devils and
gave up all six Royal Oak runs
before he was relieved by rookie
Bill Palm after one was out in
the first half of the third inning.

When Palm took up the mound
chances the Acorns had men on
first and second but the untired
rookie registered two strikeouts
to end the inning.

Scatters Four Hits
Palm had the Acorns eating out
of his palm for the remainder of
the games scattering four hits.
The Devils went on a rampage
in the sixth inning, scoring 9 runs
on 8 hits, 5 walks and 2 Acorn
errors.

Royal Oak outhit the Devils 9
to 8, and committed 2 errors to
