(Continued from Page 1)  
Cleveland only four hits. Gray coasted to victory behind the booming bats of Hoot Evers and Johnny Ligon. The league leading Tigers are now 3 1/2 games ahead of the second place Yankees.

AN AGREEMENT was reached between Parke Davis & Co. and the United Chemical Workers (CIO) Local 176, on a three year contract which provides workers with a 21 cent hourly package increase. Workers who come into the plant to work on holidays will receive triple time pay. The company has also agreed to pay for life insurance up to \$6,000, as well as health and accident insurance.

A GROUP of convicts seized Governor Williams while he was inspecting Marquette prison and attempted to use him as a hostage in a planned prison break. The trouble in the prison was quelled when Cpl. George Kerr, Michigan State trooper, assigned body guard to the governor, shot one of the prisoners in the abdomen. Williams was not injured.

**THE BODY OF** little Brian Marshall, 2 1/2-year-old boy who had been missing from his home in Port Huron since May 2, was recovered by a fisherman in the St. Clair river. The disappearance of the boy set off a nationwide kidnaping hunt last May. Brian wandered out of his yard and fell into the river where he was drowned.

**THE ROCK ISLAND** railroad was seized by the army under a presidential order. President Truman had appealed to 1,500 switchmen to return to their jobs. The appeal was turned down. Truman directed the army to move in because he said the nation's rail system is "essential" to the national defense and security.

**AMERICAN TROOPS** armed with tanks and heavy artillery began a counter-offensive against the North Korean communists. American advanced headquarters said a "touch and go battle is raging around Chonan." An American battalion had been cut off and isolated in the Chonan area. All efforts are being made to free the battalion.

**Monday, July 10**  
**THE "LOST BATTALION"** of Americans on the Korean front, is lost no more. Fights itself out of trap against 10-1 odds. All reported in good shape after "Bold Operation." American big guns and planes pounding North Koreans and halt advances.

**THE TIGERS** lost their first double header of the season to the Cleveland Indians yesterday at Briggs Stadium. Tigers' lead now cut to three games. Yankees beat Boston to stay in second place. Cleveland now 4 1/2 games behind leaders, with Boston 8 games behind first place.

**FORD LOCAL 600 UAW (CIO)** votes at a stormy meeting to exact Non-Communist pledges from all local officers and representatives. The General Council, policymaking body of the local, voted for the measure, 75-63.

**150 BODIES RECOVERED** after series of violent earthquakes in Columbia which destroyed mountain villages. Hundreds of injured. Shocks also felt throughout Peru, Ecuador and Chile. Quakes said to be caused by Andes settling into earth.

**A FRENCH PASSENGER** plane crashed shortly after the takeoff at Casablanca Airport, killing 21 of the 30 persons aboard. Eight of the survivors critically injured. Flaming wreckage fell on a house, severely burning a mother and her child.

**Tuesday, July 11**  
**UNITED STATES TROOPS** waded into a fierce battle with Communist forces in a sector 15 to 20 miles north of Taejon, temporary South Korean capital. American tanks are leading our ground forces into the battle. The new assault came shortly after the Americans carried out their first successful counter-attack of the war. North Korean jet fighters have been seen over the area for the first time. Communist counter attacks have been beaten

**back under heavy American** artillery fire.

**PRESIDENT TRUMAN'S** proposal for a new department of health, education and security was killed by the House in a vote of 249 against the proposal and only 71 in favor of it.

**THE DEFENSE** department issued a draft call for 20,000 men as requested by the Army. A period of 80 days will elapse before the first draftees will reach training camps. But, according to Maj. Gen. Lewis B. Hershey, 300,000 men will be available for the armed services within a period of 90 days if needed. A military spokesman said that both the Navy and the Air Force are getting enough men from voluntary enlistments. The first men to face the draft will be from the 25-year-old group.

**PRESENT ENLISTMENTS** in the service are now at the highest peak since any time after Pearl Harbor. Many former WAC's and WAVES are also volunteering their services for their country. About 25% of those seeking to enlist are former veterans of World War II.

**Wednesday, July 12**  
**MICHIGAN'S DRAFT** quota has been fixed at 946 men to be sent to induction centers by September 1. Colonel Glenn B. Arnold, state selective service director, said that 380 of Michigan's quota would come from Wayne county. Early in August, local draft boards will call on men to take pre-induction physicals. An order has come from Washington directing all draft boards to "speed up classification" of all registrants.

**THE KOREAN WAR'S** first tank battle found the Americans on the losing side. Communist tanks were numerically superior

and knocked out five of seven of our tanks. American forces are desperately trying to stem the Communist forces who are reaching out in an effort to strike at Taejon, the provisional capital of the South Korea Republic.

**THE DEFENSE** department has plans to reactivate Percy Jones General Hospital at Battle Creek, according to a high government source. Percy Jones and four other hospitals will be used to treat casualties from the Korean War. The state of Michigan had planned to take over the hospital and use it as a mental hospital. Just 12 days ago the last World War II serviceman left the hospital.

## One Accident Invites Another

A car driven by Ronald Leon Dixon, 17, of 13107 Kercheval plowed into the front end of a car that was being towed by a garage truck going west on Lake Shore road on July 9.

The car being hauled by the truck is owned by Gertrude Batani, of 16150 Toepfer, Detroit. Damage to her car was estimated at \$500 and the extent of damage to Dixon's car was placed at \$200. Dixon was given a ticket for not having his car under control.

Meanwhile another car, driven by Clement Uhl, of 3554 Algonquin, Detroit, smashed into the rear of Dixon's car. Uhl was distracted by the accident that had just happened in front of him. He was given a ticket for not having his car under control.

# 3 good reasons why you'll go for MERCURY

**1. You get the right power!**

When you want to go up—you go UP in Mercury! The big, V-type, 8-cylinder, made-only-for-Mercury engine is just right for the high ones! And it puts you right on top with economy, too. One reason why Mercury is "America's No. 1 Economy Car" today!

**2. You get the right riding comfort!**

Six "big ones" can travel comfortably in Mercury. It's that big—that roomy! And so quiet! You can travel more miles a day with ease and comfort—in Mercury! Try it!

**3. You get the right roadability!**

You never felt such a big car handle so easily! This brawny Mercury takes curves... rough roads... as though they didn't exist. And it slips into parking spaces other cars are forced to pass up. Go for a ride—and see what we mean when we say "you'll go for Mercury!"

## Simians Will Present Plays On Memorial Grounds

Rehearsals are now in process for the two Grosse Pointe Simian productions "Dear Brutus" and "Mary of Scotland," which will be produced outdoors at the Grosse Pointe War Memorial Center.

"Dear Brutus," a comedy farce by James M. Barrie, depicts what might happen to a group of "very nice people" when given a chance to live their lives over again. This play will run for three days, Thursday through Saturday, July 27 through July 29.

Starring in the show will be Steve Brown as Mr. Purdie, who is bravely facing the one mistake of his life—that he married the wrong woman; Pat Ford and Carol Grylls, as the women whom he has alternately interested in and married to; John Butterfield, who plays a butler who could have made millions; Sharon Gates, as the Lady Carolyn Laney whose only education beyond her blue blood is a lisp she picked up at finishing school.

Also in the play are Dick Tobin as an artist who has been discouraged by his wife, (Jean Gray), and prefers alcohol to oil; Shirley Forsyth, playing the part of a twelve year old girl; Frank Shelden, as a man who could be happy anywhere, and John Gale as Lob, a Puck who cannot die.

The other play, "Mary of Scot-

land," by Maxwell Anderson, will be produced Tuesday through Friday, August 8 through 11, also at the War Memorial Center.

Reservations for both plays are now being accepted. Price of a season ticket is \$2.50 (which includes admission to both plays), and for a single play, \$1.50. All prices include federal tax. Tickets may be ordered by telephoning Miss Margaret Harrington at VA. 2-9331.

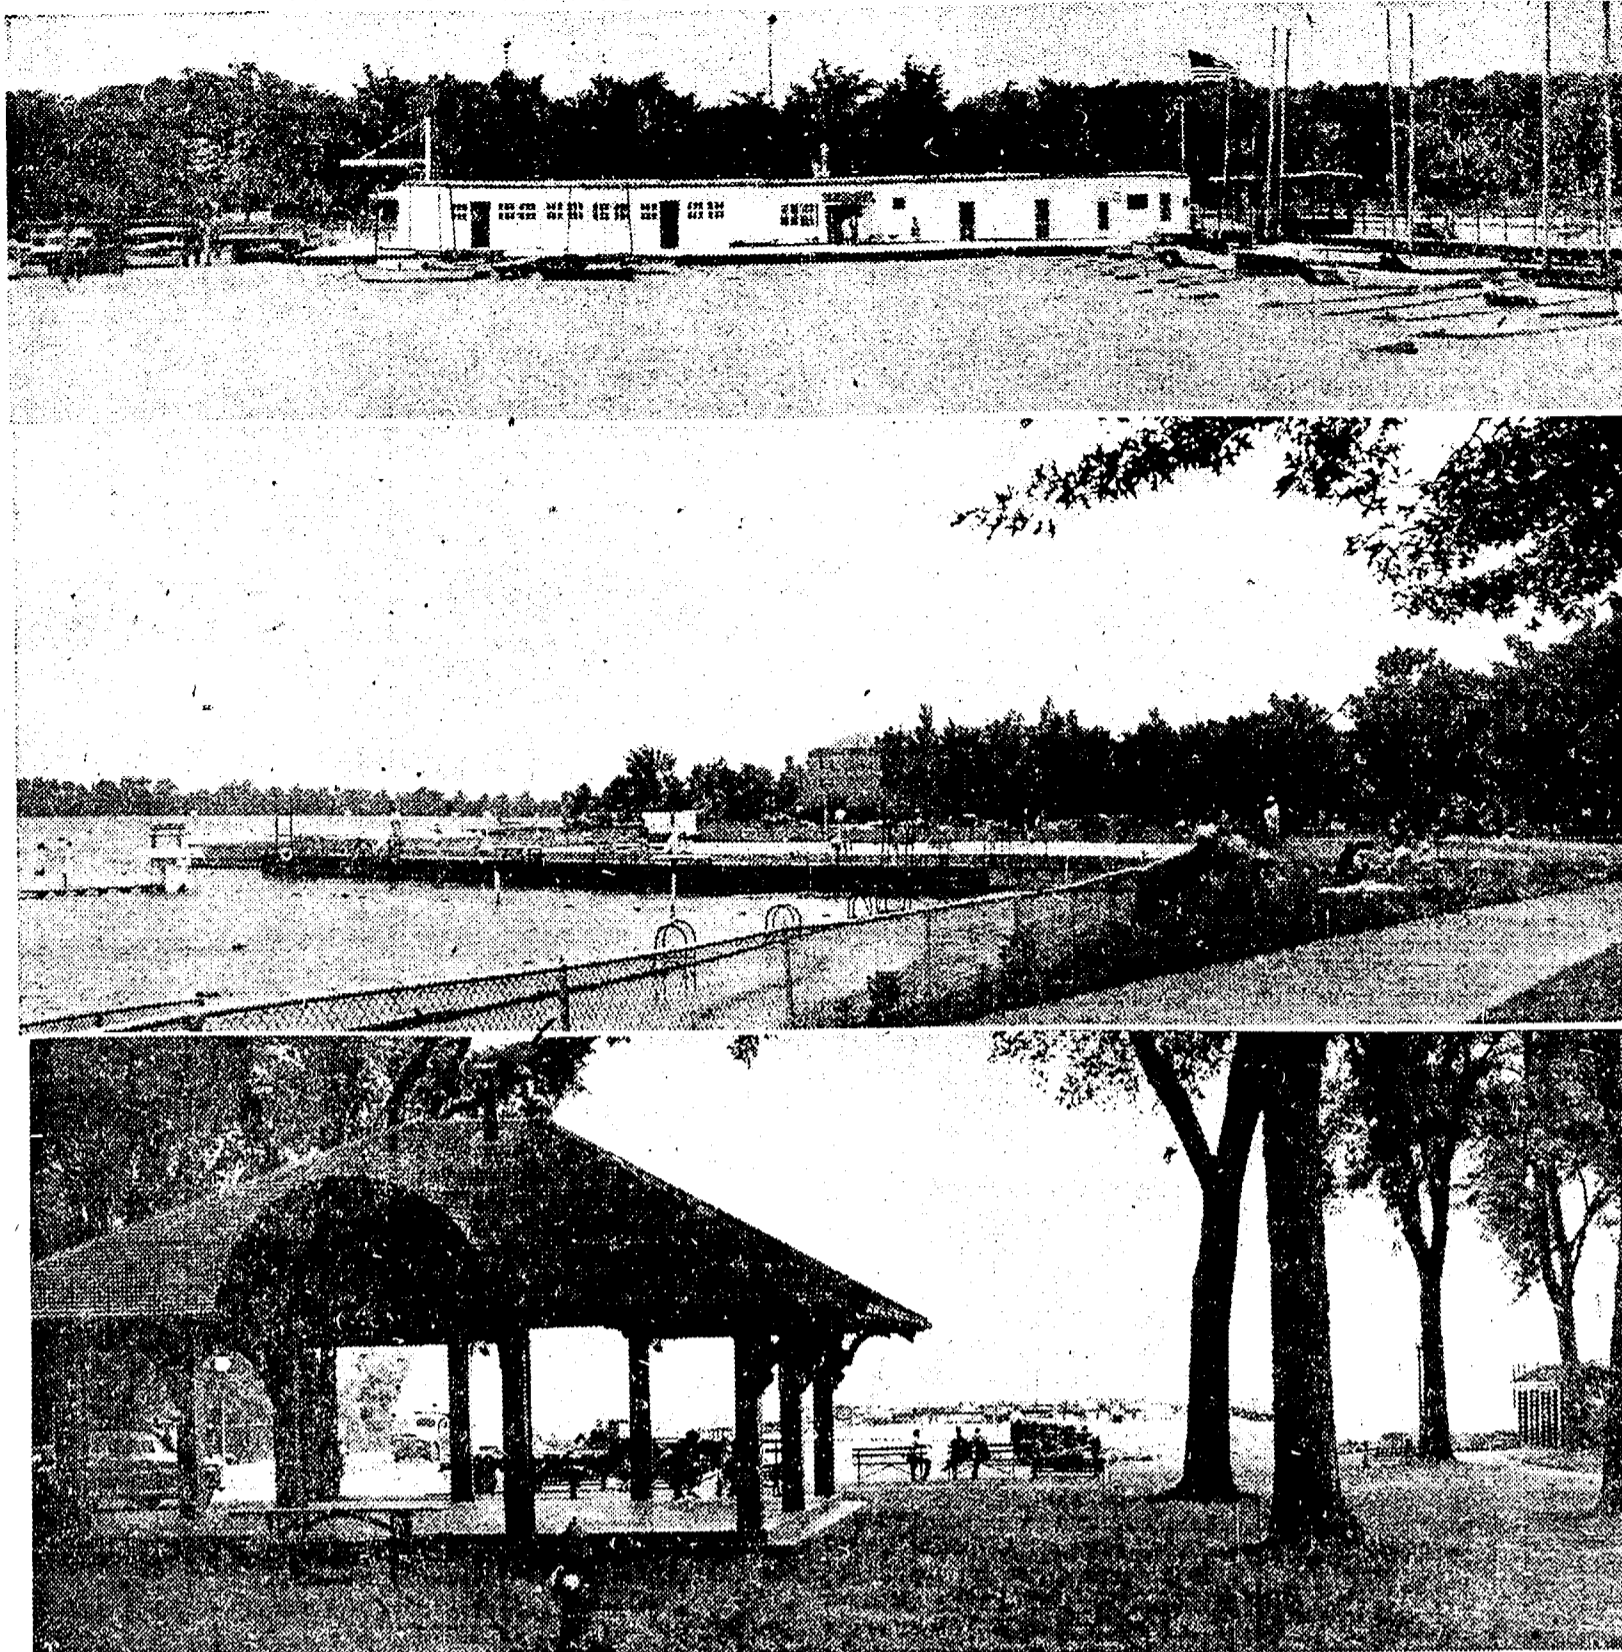

## Woods Presented Diving Platform

Mervyn Gaskin of the Taylor Gaskin Steel company offered the Woods Council a gift of \$290 worth of steel suitable for a diving platform at the Lake front Park. He said if the village desired to pay him the \$290 he would present it to the Woods-Community House.

The village's own employees can put the steel work in place and do the other work necessary for a complete diving stand. The Council accepted the offer with thanks.

## Where Thousands Find Summer Recreation

These pictures of three of the five Grosse Pointe municipally owned lakefront parks show some of the facilities which have been provided for the exclusive use of the residents of the various Pointes. The Farms bath house, check room and office are shown in the top picture, taken from the end of the pier. A portion of the boat well and the new davit for launching and removing boats from the water, are also shown. The swimming beach is off to the right and the picnic grounds are largely hidden behind the bath house building. Grosse Pointe Park's facilities are the most extensive of all. A large enclosed swimming pool is kept pure at all times by chlorination. Tennis courts are behind the spot from which the middle picture was taken. The boat well is in the distance, between the pool and Marine Hospital, shown in the background. There are extensive picnic grounds. The City's park, bottom picture is small and offers fewer facilities than the others. The new wading pool is located against the lake shore.

## Record Crowds Swarm Beaches

The long Fourth of July weekend was anxiously greeted by many Pointers who invaded their parks for a restful interlude. Over 7,000 Fourth of July celebrants were counted enjoying bathing and picnicking facilities at the Park's beach. Grosse Pointe Woods municipal beach reported another attendance record smashed at 4,400 residents lazed away their holiday hours on the Wood's lakefront acreage. Although the water was quite chilly, many of the 400 people who attended the Shores Park on Tuesday went swimming. The Grosse Pointe Farms pier was haven to 4,423 persons who made use of the improved bathing facilities. The City's park had a turnout of over 1,300 residents. All beaches reported that no mishaps or injuries occurred over the four-day holiday period.

The secret powers of nature are generally discovered unsuspected.

## Speeder Caught After Wild Chase

Officers Parsons and Dhaveloose of the Farms police spied a car travelling west on Lake Shore road at a high rate of speed at 4 a.m. on July 7.

The policemen chased the car from Kerby road to the Detroit city limits before they finally could pull the speedster to the curb. Jerry F. McKenna, driver of the car which zoomed along Lake Shore at speeds exceeding 70 miles per hour, had consumed nearly a pint of whiskey.

McKenna, who lives at 1313 Seward, was taken to the station to sober up before he was released by the police. He was given a ticket to appear in court on July 12.

### Memorial Drive Lagging Badly

(Continued from Page 1)  
a point where it would produce enough income to operate the property.

**May Stage Event**  
It was suggested at a meeting of the Memorial Association board of directors Monday night that it may be necessary to stage some special event at the Center in an effort to raise the greatly needed funds. A committee is being appointed to probe the possibilities of such a plan.

**Reneged on Pledges**  
There are probably 250 persons who made pledges in the original campaign several years ago who have never made any payments on their subscriptions. There were between 3,000-4,000 persons who signed up in that campaign and these in the main have faithfully fulfilled their pledges.

Of the original pledges made, \$108,000 was converted into the endowment fund, which now has a present value of more than \$120,000 and the directors insist that this fund is inviolate, so far as its principal goes, against expenditure for operation.

**Friends of Memorial**  
A plan which has been decided upon but not yet put into effect is to build up a group in the community which will pledge to make annual subscriptions to the routine maintenance of the Center. This group will be called Friends of the Memorial Center, or some corresponding title, comparable to the group known as "Friends of the Library." This may be the next move in the

hunt for a workable and adequate plan for the maintenance of the Center on a sound basis. The suggestion advanced at the directors' meeting which met with much approval was that a great fair or carnival be held which would enlist the interest of the whole community and be productive of substantial financial returns.

**Should Be Successful**  
Such enterprises have been generally successful here, even when conducted by single institutions without nearly the general appeal enjoyed by the Memorial Center.

Such a departure in raising funds for this institution, whose value to the community has already been amply proven in the first year of its operation, would appear to be thoroughly practical. The Center has already a magnificent building and grounds for such an enterprise.

**Name Committee**  
Following this discussion a motion was passed directing President Alger Sheldon to name a committee to make a study of this project and other means of establishing the Center on a secure financial basis.

This committee will consist of Ernest Kanzler, Richard Hueglin, Paul I. Moreland, James Lee, William Durbin and John L. Kenover.

**No August Meeting**  
There will be no meeting of the directors of the War Memorial Center during August. The next meeting will be on the second Monday in September.

Interim government of the Center will be administered by the Executive Committee of the Board.

### Center to Stay Open on Sunday

It has been decided to keep the Grosse Pointe War Memorial Center open on Sunday afternoon during the summer time, between the hours of 12 noon and 5 p.m., contrary to a decision previously made.

This is done primarily to permit persons whose only day time leisure falls on Sunday, to enter the building.

The closing of the building itself on recent Sunday afternoons had been criticized in some quarters. The Center will be kept open without any additions to the working staff.

### Seven Punctures

Dr. J. F. Wenzel, of 855 Balfour, told Park police on July 9 that two of his car's tires were punctured while the car was parked in the garage on July 5.

The following evening, July 6, was a repeat performance. Two more tires were punctured. The garage was securely locked on July 7 and no damage was done. But on July 8, Mrs. Wenzel's car was parked in the garage and three of her tires were punctured sometime during the night.

A garage attendant said the punctures looked as though they had been made with an ice pick.

### Young Visitor Fatally Injured

Funeral services were held Wednesday at 2 p.m. for Judith McKee, 2½, from a funeral home in Windsor. Judy was killed Sunday by an automobile backing out of the driveway of her grandparents' home, Mr. and Mrs. Caesar Rogge, of 286 Moran. Judy ran behind the car driven by her uncle, Harry Rogge, of the Moran address. She died in Cottage hospital a few hours after the accident occurred. The McKees, of 4569 Assumption, Windsor, were visiting Mrs. McKee's parents, Mr. and Mrs. Thomas McKee, and a brother Michael, 4.

### Boy's Tip Snares Hit-Run Driver

Bruce J. Harrington, of 15727 Ash East, Detroit, struck a parked car owned by William Kramer of 2064 Hawthorne, on July 9. Harrington failed to stop and report the accident.

A boy saw the crash and gave a description of the hit-run car to the Woods police. An alarm was put out to all the Grosse Pointe Communities to be on the lookout for a yellow jeep.

Farms police spotted the car at Chandler Park drive and Seven mile road. Harrington was turned over to Woods police. He was given a ticket to appear in court on August 1.

### Parked Car Hit On Balfour Road

Marilyn J. Brien, of 3176 Drexel, Detroit, bumped into a parked car while she was driving south on Balfour on June 6. Miss Brien told Park police she was attempting to adjust the heat control knob when the accident occurred.

She was issued a ticket for not having her car under control and causing an accident. The parked car is owned by Edward N. McDonald, of Rochester, Michigan.

### 5 Court Cases Heard in City

The following cases were heard in the court of Judge Joseph P. Uvick on Monday evening, July 10.

Richard M. Wagner, of 417 Cloverly, was found not guilty to a charge of reckless driving. Morris DeBuck, of 1312 Maryland, was found guilty of making an improper right turn which resulted in an accident. He paid

a fine of \$15 and \$10 in costs.

For driving without having his car under control, William Murphy, of 4344 Lakeview, Detroit paid a fine of \$20 fine and costs of \$10. Murphy's operator license will be held by City police until he is fitted with glasses.

Edward L. Cole, of 2581 Canton, Detroit, was found guilty of simple larceny. He was fined

\$10 by Judge Uvick. Cole was driving a truck on University near Mack on June 5. The truck was loaded with burlap bags that belonged to the City of Grosse Pointe.

Judge Leslie P. Young adjourned the case of Ronald Sutton, 412 Moran road, until November 6. Sutton is charged with disorderly conduct. He must report to his probation officer once a month until the final disposition of his case.

### Reckless Drivers Fined in Court

The following cases were heard in the court of Judge John Potter on July 5.

Ray Francis Enstroth, of 22650 Manor, St. Clair Shores, pleaded guilty to a charge of speeding 42 miles per hour on Jefferson on June 7. He paid a fine and costs amounting to \$16.

Two sessions of traffic school and a fine and costs of \$15 were imposed on Felix Frank Portuesi, of 2565 Gray, Detroit, for failure to obey the stop sign at Cadieux and St. Paul, resulting in an accident on June 9.

A fine and costs amounting to \$10 were levied against Vincent F. Zgol, Jr., of 20257 Spencer, Detroit, for reckless driving and damaging a brick wall at Berkshire and Jefferson on June 4.

Loren Theodore Raymond, of 15 Radnor Circle, pleaded guilty to a charge of speeding 40 miles per hour on Kercheval on June 17. He paid \$10 in costs and fine.

For failure to obey a traffic signal resulting in an accident on June 12, Robert C. Cassell, of 1059 Wayburn, lost his privilege to drive a car until he has attended two sessions of Traffic School. He also paid a fine and costs of \$16.10.

Frances Emery, of 51 Lochmoor, failed to appear in court to answer a charge of speeding 40 miles per hour on Jefferson on June 1. She forfeited a bond of \$11.

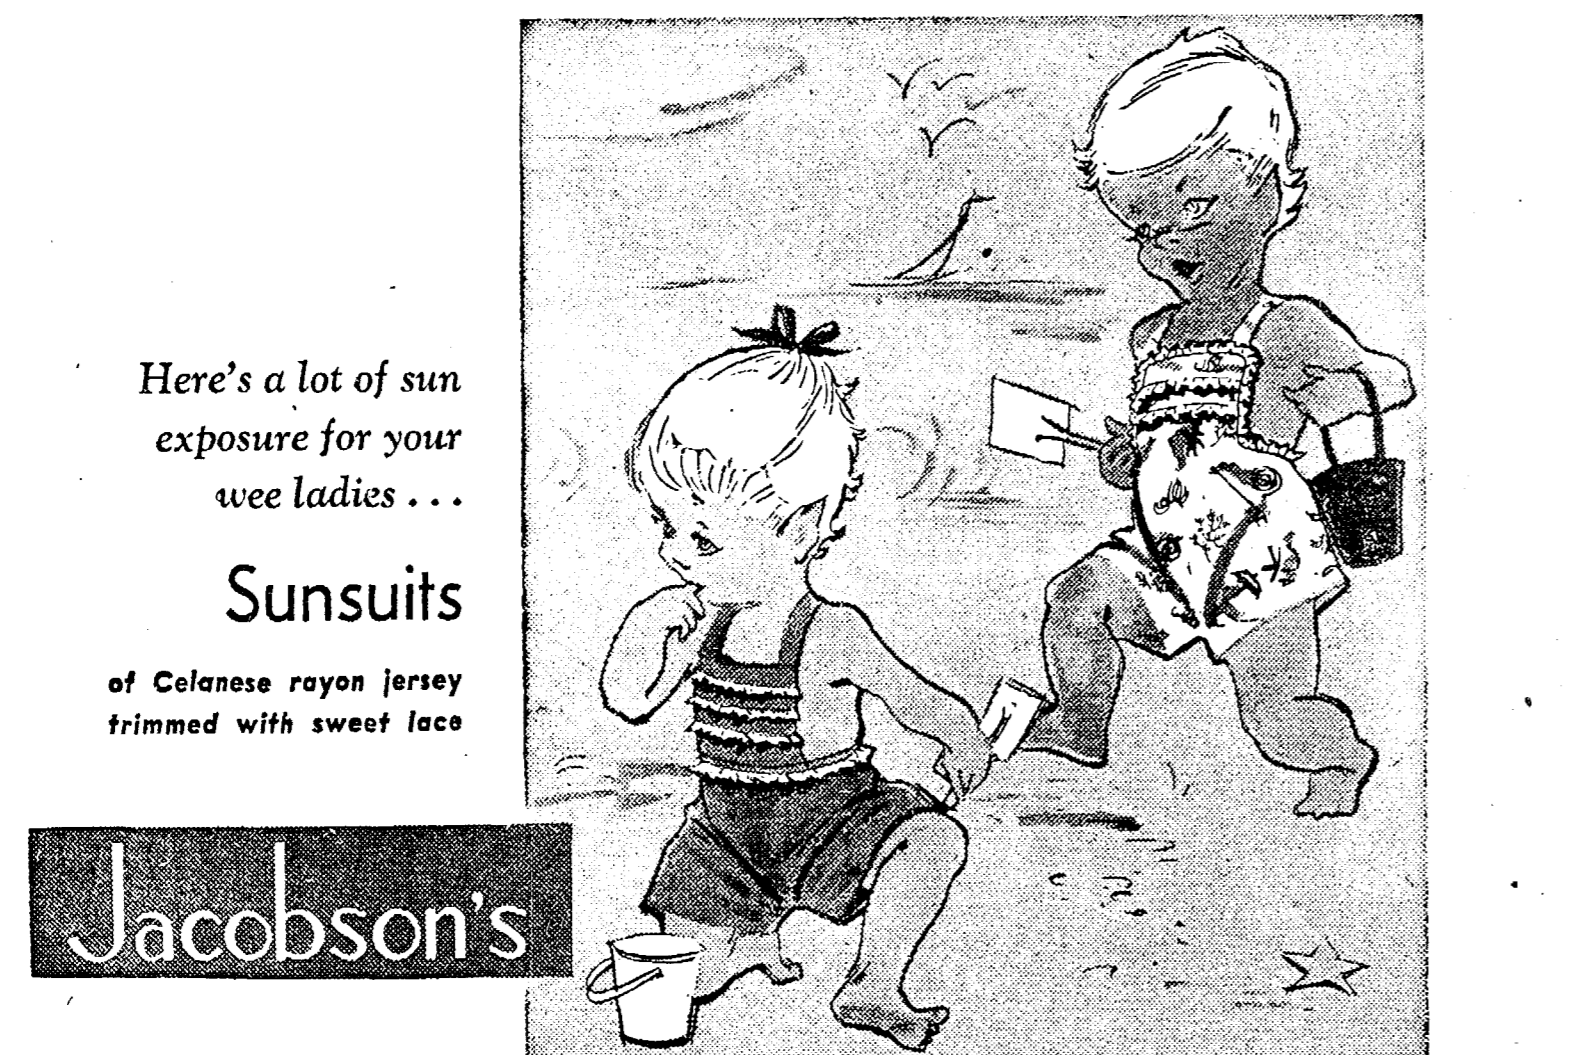

### Burglar Visits Park Residence

R. A. Scudder, of 1390 Bedford, reported on June 11 to Park police that his house had been burglarized while he had been away with his family on vacation.

A postman, William Fagein, of 2931 Arndt, noticed while he was making his mail deliveries on June 5, that the window glass in the front door was broken and the door was ajar. He told Park police, who immediately checked the home.

The police were unable to tell from their investigation if anything had been stolen. Scudder said he would not be able to furnish a full description of the missing articles until his wife returns to town this week-end.

Barry O. Salton, seaman, USN, of 1260 Maryland Avenue, Grosse Pointe, is serving aboard the patrol craft USS 877, which is participating in the summer training exercises being conducted by the Amphibious Force of the Atlantic Fleet.

These summer exercises are designed to pass on to over 8,000 officers and men of the Naval and Marine Corps Reserve new techniques in amphibious warfare. Also receiving instruction at the Naval Amphibious Base, Little Creek, Va., are NROTC midshipmen from 51 colleges and universities and several hundred ground personnel of the Air Force.

The PCEC 677 is employed as an amphibious control vessel for the mock landings being made on beaches near Camp Pendleton, Va.

A hundred years of idleness are not worth one hour well employed.

**Crash Blamed On Lost Address**

Patrick G. Garman, of 1644 Prestwick, while driving north on Beaconsfield on July 5, struck a car parked at the curb. Garman told Park police that a piece of paper with an address on it fluttered out of his hand to the floor of the car and while trying to retrieve the paper he lost control of the car.

The left front fenders of both cars were damaged. The parked car is owned by Charles O. Lambert, of 696 Kitchener, Detroit. Garman was ticketed for driving without due care and caution. He must appear in court on July 19.

**K of F Juniors Hold Auditions**

The active Juniors of the recently organized Knights of Flanders are continuing their auditions for a series of talent shows to be given in the fall.

These auditions are being held in the auditorium of the Cannon Recreation Center.

Anyone interested in participating in these auditions for a scheduled "Talent Show" may contact the K of F by calling VA. 1-7312.

The next regular meeting of the K of F Junior group will be held on Monday, July 17. This meeting will be followed by a dance and is free to all young people who may wish to attend.

**DAC Beavers Hold Outing**

Dr. Sigurd Becker put the Detroit Athletic Club Beavers through their paces on Tuesday, when members of this DAC swimming group joined at the Old Club for their annual stag outing there.

Dr. Becker, outing chairman, and his chief aides, Clarence E. Pinkston, DAC's athletic director, and Oliver Horn, Beavers' president, started activities off with swimming and aquatic stunts, but also had a schedule of tennis and horseshoe tournaments and shuffleboard.

Real competition came with the afternoon softball game. At each yearly Old Club outing, DAC Beavers and Bowlers slug it out for their trophy, an aluminum five-gallon milkcan decorated with figures of a beaver and a bowler.

Among the Grosse Pointers on the outing were E. Richard Holtz, Edward R. Macauley, H. Lynn Pierson, W. Harold Lightbody, J. Alfred Grow, Fred J. Schumann, Herman C. Joos and Arthur Sutherland.

The approximately 160 who attended all met in the early morning at Grosse Pointe Yacht Club where Beaver yacht owners had their boats moored ready to convey the group to Old Club.

Among those who were hosts aboard their yachts for the morning run to the Flats and again for the evening return home were John H. Zimmers, Ray M. Whyte, Clarence Pfaffenberger, Dr. Harold Stubbs, Jervis B. Webb and William Packer. Luncheon and dinner were served at the Old Club.

Colorful souvenir of the day where the ten-gallon hats the Beavers were furnished before the morning take-off from GPYC.

**FALLS OFF LADDER**

Kenneth Burns, of 679 Rivard, toppled off a ladder in his backyard on July 4. City police took Burns to Cottage hospital for medical attention. He suffered a fractured left arm and a bruised left leg.

**SPEEDER TICKETED**

Charles P. Gross, 23, of 11090 St. Patrick, Detroit, was ticketed by Officer Van Tiem of the Farms police on July 4 for speeding 45 miles per hour on Kercheval between Lincoln and St. Clair.

TANGLE BUMPERS

Walter R. Cavanaugh, of 1431 Oxford, accidentally hooked the left rear bumper of his car under the right front fender of a car being driven by Cortland K. Larned, Jr., of 2170 East Jefferson, on July 6 as both cars were proceeding east on Lake Shore road. The damage to both cars was estimated at \$25. Both drivers agreed to settle the matter between themselves.

Robbers Foiled By Double Doors

Mrs. D. G. Cory, of 15000 Mack, operator of a drugstore at that address, reported to Park police that someone was attempting to gain entry to her store on July 7 at 1 a.m.

Park police investigated and found that someone had kicked a plate glass window out of the front entrance to the store but entry was not made because of another locked door.

Investigation by police proved that the same bandit had tried to enter the store by jimmying the rear entrance open.

Paul Boekema and Barbara Craig told police that they saw a car speed away from the drugstore just before the patrol car arrived. Park police are investigating.

U of M Alumni Elect Officers

The University of Michigan Club of Grosse Pointe held its annual meeting and picnic on June 18 at the home of Joseph Parsons of Buckingham road.

Robert Hood was elected president for the coming year and other officers named include Arnold Lungershausen, vice-president; Mrs. William G. Belanger, secretary; and Walter Cleminson, treasurer.

Short Beers Cut Holiday Short

Perhaps Louis Friddle, 38, of Chester, Ark., celebrated the Fourth of July just a little too diligently. Police from the Farms station found him in a parked car on Lake Shore road, sound asleep.

Friddle had borrowed a car from a friend, James A. Barron, also of Chester, to visit a brother in LaSalle, Mich. Before he was in a bedroom he stopped off well on his way he stopped off at the home of Jefferson. By the time he continued his trip, he was well on his way but just didn't realize it.

He got lost and finally pulled over to the curb for a few winks. The Farms police released him the next day after a lengthy warning.

Accident Caused By Sign Ignorer

Failure to stop at Maumee while driving south on Cadieux on July 7, resulted in an accident caused by Robert M. Sheperd, 69, of South Wilson boulevard, Mt. Clemens.

Sheperd's car struck another auto driven by Morgan Sherman, of 93 Meadow lane, who was driving west on Maumee. Sheperd said he would take care of all damages. Both cars are insured. City police ticketed Sheperd for failure to stop at the intersection.

Park Operating Sanitary Patrol

Grosse Pointe Park now has in operation a sanitary patrol which has been doing excellent service for the past few weeks. The outfit consists of a fully equipped car with a trailer behind which is prepared to answer the usual run of complaints.

The outfit maintains a patrol of the courts and alleys inspecting garbage containers, answering rat complaints and picking up wandering dogs.

In the past month it has treated 40 rat rendezvous with cyanide gas, has served 185 notices of inadequate garbage containers and has picked up 88 dogs.

Citizens generally commend the village for making this work a full time job and report the best conditions that have ever existed in the village.

Cruise Planned By Alger Post

The Alger Post and Auxiliary, VFW, are sponsoring a moonlight cruise to Bo-Lo on Friday evening, July 21. The boat leaves from the foot of Woodward avenue at 8:45 p.m.

Tickets are available at \$1.00 each—telephone K. Moore, TU. 2-7247, of J. Kelley, TU. 2-7285.

Annual Scottish Picnic Scheduled for Saturday

The annual United Scottish picnic held under the auspices of the Order of Scottish Clans and the Daughters of Scotia of Metropolitan Detroit will be held on Saturday, July 15, at Bob-Lo Island Park.

This picnic is one of the highlights of the summer season. A full program of sports, games, and a highland dancing competition are planned.

Quorum Absent At Park Meeting

The regular scheduled meeting of the Park Council for 5 o'clock Monday afternoon fizzled out. President Homer Fritsch and Commissioners Keonig, Burgess and Goddard were on hand promptly at 5 but after waiting until 20 minutes to 6 with none of the other three appearing, President Fritsch adjourned the meeting.

The absentees were Commissioners Bloodsworth, McMillan and Ulrich, although Mr. Bloodsworth rushed into the meeting a moment after adjournment.

An attempt will be made to have a brief meeting in the afternoon some day later in the week to clean up pressing business.

Charles Verheyden was present to learn the final verdict on his petition to have the alley in the rear of his place at Whittier and Mack abandoned. This matter has been hanging fire for several weeks but it is now understood that the Board of Commissioners have decided to accede to his request.

Pointer Honored By Federation

Michigan now is represented by six members on the Board of Directors of the General Federation of Women's Clubs. The Board of Directors, numbering 151 members, directs the policy of the General Federation, which has an international membership of eleven million women.

Mrs. Florence E. Pierce, president of the Detroit Federation of Women's Clubs, has been appointed a member of the important Revisions Committee of the General Federation. This committee gives final approval to revisions to be submitted to the Board of Directors and the General Assembly.

Mrs. R. I. C. Prout, of Wakefield, Michigan, was elected treasurer of the General Federation. Mrs. Prout, a former president of the Michigan Federation, has served for many years on the General Federation Board, her last office, being Chairman of the Budget.

Other Michigan women appointed to the Board include, Mrs. C. E. Bickel, of Grosse Pointe, Michigan, appointed chairman of the Division of Press and Publicity. Mrs. Bickel served the General Federation from 1945 through 1947 as Co-chairman of Radio and the Michigan State Federation as Chairman of Radio for the past nine years.

Miss Edith L. Larsen, of Manistee, Michigan, appointed consultant to the Committee on Natural Resources.

Mrs. Joseph Kangery, of Ironwood, Michigan, present president of the Michigan State Federation, serves on the General Federation Board by virtue of the state presidency.

HOT MUSIC

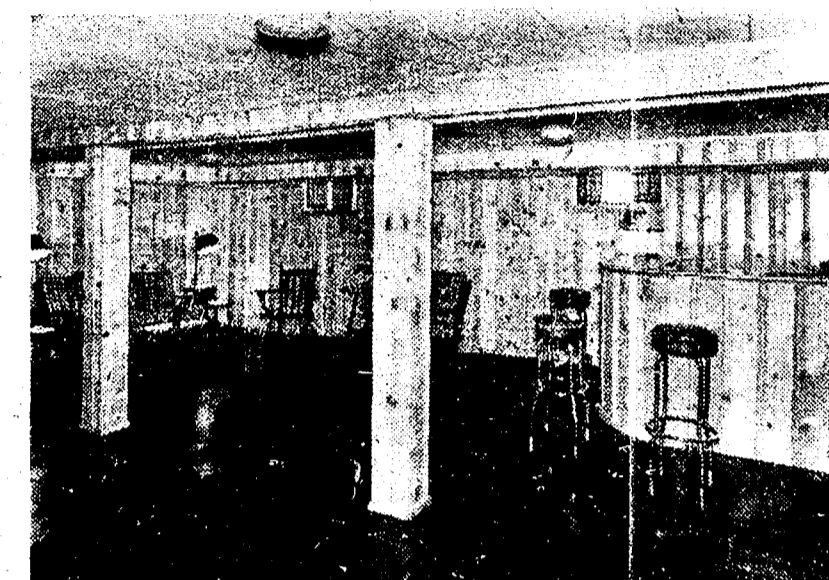

A short circuit in the transformer of a radio in the home of George Mehling, of 1142 Audubon, resulted in a fire on July 5. Park firemen extinguished the flaming radio hood.

Keane to Head Lambda Sigmas

Joseph P. Keane, of 1007 Harvard road, was recently elected president of Lambda Sigma fraternity at the 26th biennial convention of the fraternity at Gratiot Inn, Port Huron.

Keane will fill the position formerly held for eight years by James H. Dingeman, of 110 Hall place.

Dingeman will continue to lend service to his fraternity by acting as head of alumni relations. Lambda Sigma was founded in 1892.

Lakepointe Ave. Park's Hot Spot

Two roof fires occurred on successive days on Lakepointe avenue last week. On July 6 the roof and attic were badly damaged at the home of Frank Barker at 766 Lakepointe caused by a defective spark arrester in an incinerator.

The following day a similar fire started at the A.C. Stewart home at 550 Lakepointe. This fire the firemen say was probably caused by defective electric wiring. The damage to both properties was considerable.

Simplicity is an exact medium between too little and too much. —Sir Joshua Reynolds.
