

HOME BUILDING RECORDS BROKEN

HEADLINES

of the WEEK

As Compiled by the Grosse Pointe News

Thursday, July 13

AMERICAN AND AUSTRALIAN pilots have reported damaging communist tanks in a "bumper" day of attacks against the enemy. Aussie pilots knocked out eight tanks in one day. American pilots said their five-inch rockets merely glanced off the heavy communist tanks.

MEMBERS OF CONGRESS raised their voices in an effort to spur Americans to greater efforts in the face of the present crisis. Senator Johnson (D. Tex.) demanded a call up of 832,000 reserves and National Guardsmen, in what he considers "a minimum program of action." Senator Brewster (R. Me.) has urged President Truman to authorize General MacArthur, as United Nations commander, to drop an atomic bomb on the aggressors.

Friday, July 14

THE FIRST ATTEMPT to cross the Kum River by North Korea forces met with failure as enemy forces were driven back by a heavy American artillery barrage. Three attempts by two Communist divisions to cross the river in pre-dawn darkness were repulsed by the American defenders. Communists have entrenched themselves on the northern bank of the 200 yard river under heavy artillery fire from American big guns.

WAYNE COUNTY DRAFT BOARDS must be ready to send 2,351 men for physical examinations between July 15 and August 16, according to Col. Glenn B. Arnold, Michigan Selective Service Director. The total pre-induction call for Michigan will be 5,675.

Saturday, July 15

ARMY OFFICIALS in Washington denied that our forces in Korea are facing another "Dunkerque." An Army spokesman told reporters in the Pentagon that we are "going to hold in Korea" and that our case isn't hopeless. He added that the present situation cannot be compared to Bataan.

Sunday, July 16

A THREE WAY SQUEEZE was started on Taejon as North Koreans began two savage attacks to take the city. Communist forces were within 8 to 10 miles from the city at one point along the front. The Communist radio has claimed that American staff officers were abandoning Taejon. In a communique from General MacArthur's headquarters, the Kum River front was termed as "fluid."

Monday, July 17

TAEJON, until recently the south Korean emergency capital, is now under fire by Communist artillery. Thousands of North Korean troops have stormed through the center of the American Kum River defense line. The Taejon airport was abandoned by defense troops as soon as Communist artillery was within range of the air strip. American troops, outnumbered by more than 10 to 1, pulled back in an orderly withdrawal.

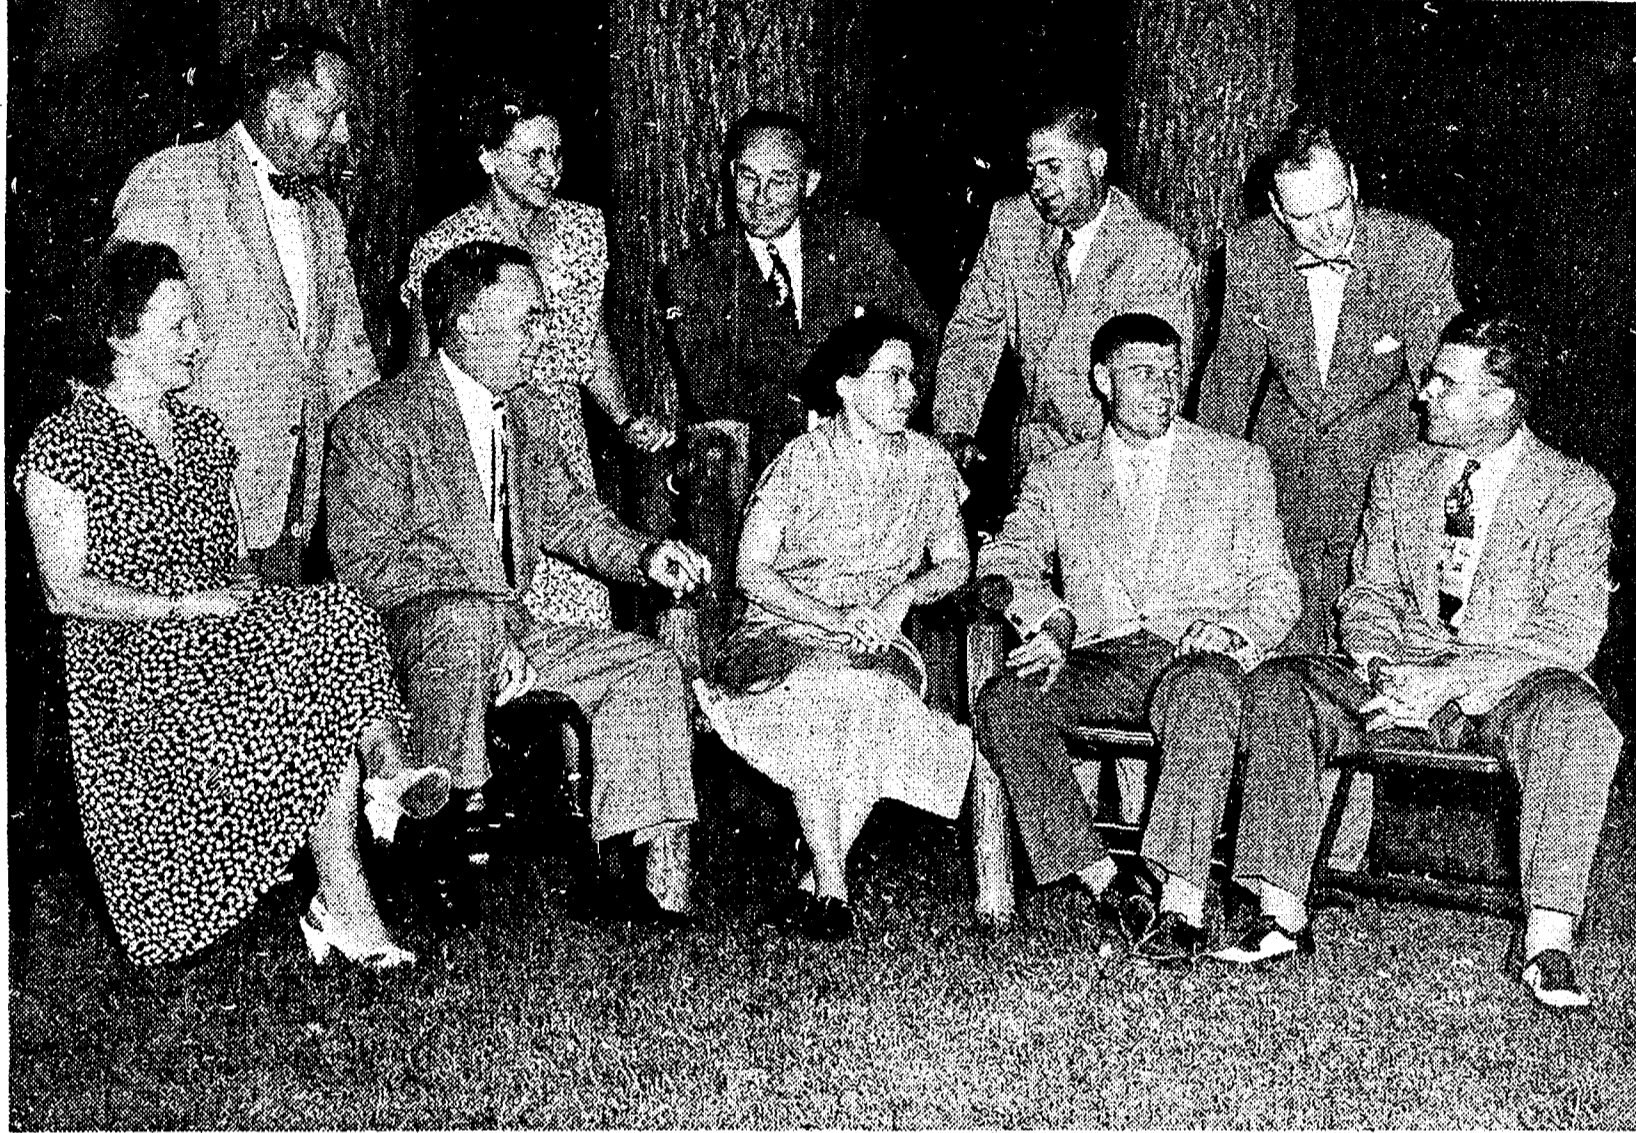

Tuesday, July 18

THE MAIN AMERICAN force has abandoned Taejon. Troops have dropped back to take up more favorable defensive positions. There was no information concerning the new American defensive line, but it is believed that our forces have taken up stronger positions in the mountain range that runs southwest to northeast behind Taejon. General MacArthur has reported that the enemy is now employing new jet fighter planes in the battle.

Wednesday, July 19

THE FBI arrested Julius Rosenberg, 32, of New York, on a charge of conspiracy to commit espionage. He is the fourth American to be linked to United States atom bomb secrets that have been leaking out to the Russians. FBI Director J. Edgar Hoover described Rosenberg as "another important link in the Soviet espionage apparatus." The charges pending against the four Americans carry a maximum penalty of a death sentence if convicted. The men who have been arrested are alleged to have collaborated with Dr. Klaus Fuchs, top British scientist who gave atomic secrets to Russia.

Woods Community Club Welcomes New Director

MRS. JANE COSTABILE, new full-time director of the activities at the Grosse Pointe, Woods Community Club, was guest of honor at a reception at the S. Oxford road home of Mr. and Mrs. Mervyn Gaskin on July 12. Front row, left to right, are MRS. HARRY WATSON, secretary of the club; A. A. GHEQUIERE, MRS. COSTABILE, EDWARD WERNET, club athletic director; MARSHALL JAMESON, club vice-president. Back row, left to right: GEORGE A. BEAUCHAMP, director; MRS. JEAN M. MYERS, treasurer; MR. GASKIN, president; GEORGE W. GARDNER and HOWARD WOLFF.

No Hoarding Reported by Local Stores

Canvass Shows Pointe Buyers Have Not Succumbed to War Hysteria

A check on grocery stores in the Pointe area shows that hoarding has not started to become a problem because of the war in Korea.

Managers of stores in this area have reported just normal purchases on staple foods. There hasn't been a run on coffee or sugar, the two commodities that first feel a surge of buying by people with the intent to hoard. The sugar sales in one supermarket have been a little over normal but the manager said this is easily accounted for because the canning season is rapidly approaching.

Water Purity Hits New High

Engineer Murray Smith of the Farms reported at the Council meeting July 17 that the purity of the water for swimming at the municipal pier had been the best thus far this season of any time in the last three seasons. He said the cooperation of the South Macomb County Sanitary District in keeping all flows out of the lake during the summer was largely responsible for this excellent water condition. This was much appreciated he said by all the Grosse Pointes.

SPEEDER GETS TICKET

A speeding ticket was issued to Stanley Harold Benner, of 5202 Yorkshire, Detroit on July 14. He was driving 35 miles per hour on Waterloo.

Volunteers Giving Center Valuable Historical Data

The compiling and check of the list of names for the permanent bronze panels in the Memorial Center was a project which had to be carried out with most meticulous care.

Norbert P. Neff, one of the Directors of the Center was named chairman of the names committee many months ago and the work was completed and turned over to the bronze caster on March 20.

Most of the detailed work of collecting these names from their varied sources, and their painstaking checking and rechecking was done by Miss Shirley Warner in Mr. Neff's office, assisted by a volunteer committee who spend many days and nights in this laborious work. Many thou-

20th Anniversary Report On Library's Activities Indicates Healthy Growth

All-Time High of 11,142 Registered Users Reached Despite Competition of Television; Has Circulated 2 1/2 Million Books

On July 1 the Grosse Pointe Public Library completed its 20th year of service to this community, according to a report just submitted to John R. Barnes, Superintendent of Schools.

As an activity of the Board of Education, the library has circulated 2 1/2 million books and materials to its readers in all Grosse Pointe communities. Major physical improvements during this period were moving the Park Library from the Municipal building to the new library wing of Pierce Junior High, and moving the Woods Library from the Goodrich Confectionery to the present Store Branch on Mack near Vernies road.

211,021 items loaned. During the past year, the 5 libraries comprising the Grosse Pointe Public Library loaned 199,993 books and magazines for an all-time high, in spite of television and various other kinds of competition. As of July 1, the library also reached a new high of 11,142 registered users. For the past year, 115,534 adult books were borrowed, and 84,369 by children. With circulation of pamphlets, records, pictures, films, and tools, the library loaned a total of 211,021 items for the year.

One of the library's most popular services is the reserving of special books for patrons. During the year, 3,917 books were reserved. They included everything from best-sellers to books on salesmanship. Contrary to popular notion is the fact that non-fiction books

Thief Ransacks Park Residence

Alex Plutinski, of 888 Lakepointe, told Park police that his home had been broken into on July 17. The thief, after attempting to gain entrance to the house through the front door, found a window open in the front of the house and hoisted inside.

Plutinski is currently taking inventory through the house in an effort to determine what may have been stolen. The thief ransacked through both floors of the house.

One Youth Hurt In Street Fight. The arrival of a police car dispersed a group of boys who were brawling in front of a sweetshop at Beaconsfield and Kercheval on July 17. As soon as the boys saw the police they ran off in different directions. One of the boys who was engaged in the fighting, Donald Byrne, 19, of 4871 Lenox, Detroit, was treated for a laceration over the right eye. Byrne told police that he didn't know who the other boys were and that the fight started as a result of a petty argument.

League Urges 21-Year-Olds To Register

Municipalities Cooperating in Campaign to Turn Out Big Vote This Fall

The Provisional League of Women Voters of Grosse Pointe Park, with the cooperation of the clerks of the five Pointes and the Township, is carrying on a campaign to get all local residents who have just reached legal voting age, properly registered to participate in the fall elections.

The League has issued the following notice: "The power to nominate is as important as the power to elect. It is your responsibility as an active citizen to secure the best candidate for the local, state and national offices by voting in the September Primary. To do so, you must be registered as a voter before August 22."

"To make it simple, the Provisional League of Women Voters of Grosse Pointe Park, with the cooperation of Mr. Don Goodrow, Clerk of Grosse Pointe Township, Mr. Norbett Neff, Clerk of Grosse Pointe City, Mr. Harry Furton, Clerk of the City of Grosse Pointe Farms, Mr. Phillip Allard, Clerk of Grosse Pointe Woods, Mr. Tom K. Jefferies, Superintendent of Grosse Pointe Shores, has arranged to have all the municipal buildings open for registration on Thursday evening, July 27, from 7-9 p.m. for your convenience."

"Twenty One Year Olds should take their friends who are not registered on July 27, from 7-9 p.m., and register at the following places: If You Live In Grosse Pointe Shores, register at 795 Lake Shore road. Grosse Pointe Farms, register at 90 Kerby road. Grosse Pointe Woods, register at 20775 Mack avenue. Grosse Pointe City, register at 17150 Maumee. Grosse Pointe Park, register at 15115 East Jefferson.

EXPENSIVE PARKING Edgill C. Brown, of 15574 Belair, while backing into a parking place on Mack on July 10, struck a car being driven by Mrs. Gladys B. Sibley, of 1340 Vernier. Brown did not see the other car. Mrs. Sibley's car was damaged to the amount of \$15. Brown's car was not damaged. Both parties agreed to make a settlement between themselves. No tickets were issued.

Rear End Crash Involves 3 Cars

While going south on Moross on July 14, a car driven by John Penberthy, of 723 Seyburn, Detroit, was struck in the rear left fender by a car driven by Eric Kowalski, of 18481 Alcorny, Detroit. Another car struck Kowalski's in the rear. The third car was being driven by William Wildyk, of 2002 Ridgmont. Both Wildyk and Kowalski were given reckless driving tickets by the Farms police. They were to appear in court July 19.

New Park Charter May Pave Way for Memorial Support

Commission Studying Proposal to Make Provision For Use of Public Funds to Help Maintain Pointe Center

It has been learned that the Park Charter Commission is giving serious consideration to the proposal to incorporate in the charter a provision which will permit the new city to appropriate from its public revenues for the support of the War Memorial Center.

A strong sentiment has been expressed in some quarters in the Commission that this institution is in a very real sense a community-wide project which could be properly supported, in part, at least, out of public revenue.

Would Lay Foundation This proposal is to lay the foundations in the charter to take such action if later deemed advisable.

This is the first official consideration of a plan which has been running in the minds of many persons who have been following the Memorial Center project.

It is assumed that the Park would not take such action except in cooperation with the other Pointe communities.

Precedent Set The precedent has already been set in Grosse Pointe for common financial support for public governmental functions.

The Police Radio Service and the Public Health service are thus carried on, wholly or in part, by which each community pays in its pro rata share of such expense. It is also working on a similar community-wide plan for handling its garbage and waste disposal problem.

Park Employees Get Pay Boost

Hourly wage employees of the Park will get an increase of 5c per hour from July 1 and salaried employees will get \$10 per month increase from the same date.

The action was taken at a morning meeting of Council on July 13, following the postponement of the July 10 meeting for lack of a quorum.

The action was taken on the recommendation of the Labor Committee which has been making a study of the matter for some weeks. The Committee is comprised of Councilmen Burgess, McMillan, Goddard and Manager Lane.

Car In Garage Looted by Thief

A thief entered the unlocked door of a garage owned by George Polosky, of 1080 Beaconsfield, and broke into his locked car on June 12. Entry to the car was made by prying loose the left air vent of the car.

The loot taken by the bandit included a kodak camera, a set of tools, and the spotlight from the car. Park police are investigating the theft.

Sleepy Driver's Car Rams Pole

Robert P. Griffin of 208 Moross, fell asleep while he was driving west on Kercheval on July 16 and his car struck a telephone pole near the corner of Moross. He was taken to Cottage hospital by Farms police.

Griffin suffered a slight cut over the nose. He was treated for shock. Damage to his car was approximately \$500. He was issued a ticket for not having his car under control.

BACKS INTO CAR

Charles Bethel, of 606 Notre Dame, was backing his car out of the driveway of his home on July 11 and struck a car parked at the curb across the street. The left door panel of the parked car was damaged. The car is owned by Elizabeth Carter, of 467 McKinley. Bethel said he would take care of the damage.

Shores Registers Protest Against Detroit Fire Fees

At the Grosse Pointe Shores council meeting on July 10 there was considerable discussion of the demand by the Detroit Fire department that it should be paid a fixed annual fee for a standby fire service in the event of an emergency.

All of the Pointe municipalities have had in force for many years an arrangement whereby the Detroit Fire department would pay the Detroit department a fixed sum for such of its apparatus as came into the Pointe on request of the local fire authorities.

The Shores trustees said that as far as any of them could recall the Shores had never yet called on Detroit for additional apparatus. They did not think it fair for

718 Permits Issued in Six Months

Total Value of New Construction to June 30 Nearly Equal to All of Last Year

All previous records in the rate of home building in the Grosse Pointe School District were shattered during the first six months of this calendar year. This fact is shown in a report just issued by L. M. Bartlett, Director of Pupil Personnel for the Grosse Pointe Public Schools.

Farms Okays Repairs to Parking Lot

Half of Area Behind Kercheval Business District to Get Seal Coat

The Farms is going to put a temporary seal surface on the half of the municipal parking lot next to the alley in the rear of Kercheval between McMillan and Muir roads. The work was authorized by the Council at the meeting on July 17.

Engineer Murray Smith said the proper treatment for this lot would be for the city and the benefitting business places to get together and pro rate the cost for a permanent hard surface, but in the absence of doing this now, he recommended that a temporary surface be provided. He estimated this would cost \$1,000 to \$1,200.

Councilman Maxon suggested that it might be sufficient if the half of the lot nearest the alley was so treated now. There are seldom any cars parked now on the side of the lot beyond the log lateral divider.

This suggestion was adopted and the work will be started in a few days.

No Wasted Money Engineer Smith says the temporary treatment given now will serve as additional foundation when the permanent surfacing has to be done, so the money spent now will not be wasted.

During the recent dry spell there were many complaints about the dust raised by cars parking in the lot.

Bulletin Board Argument Ended

The first hour of the meeting of the Farms City Council on July 17, was consumed sitting as a Board of Appeals to hear the request of the St. Paul Evangelical Church on Chalfonte for permission to erect a larger church bulletin board than the six square foot sign permitted by the ordinance.

The matter had been before council several times before, and the church committee, of which Dr. Albert Seyler is chairman, was anxious for a final answer.

There were five or six residents living near the church present at the meeting to protest the larger sign. They protested largely on the grounds of precedent, saying another church was going up in the same neighborhood and they didn't want the whole landscape cluttered up with big church bulletin boards. The argument was quite spirited at times.

Council finally voted to reject any sign larger than the prescribed six square feet. Councilman Schlaepfer then suggested that Dr. Seyler and his protesting neighbors get together in an adjoining room and come to some mutual agreement. His suggestion was acted on and in a few moments the group returned to the meeting and announced they had agreed on a three by two bulletin board with sufficient frame and ornamental trimming to make it proportionate to the church property.

Peace reigned again in the religious circles of Chalfonte.

PUT OUT FIELD FIRE

Officer Fraser of the Park police spotted a field fire on Somerset road between St. Paul and Jefferson on June 13. The Park fire department was summoned and quickly extinguished the fire.

Library Activities Report

(Continued from Page 1)
and Shores Station, under Miss Woodcock also loaned 5,360 books to 234 users.
2,963 Books Acquired
During the year, 2,963 new books were added to the book

collection, making a total of 38,362 books that are available. The Public Library placed much emphasis on work with the Schools of Grosse Pointe—Public, Parochial, and Private. Under the direction of Miss Taylor, Children's Librarian, Story Hours and Library instruction were given for 198 classes, with 5,042 children, who visited with City, and Woods libraries. In addition, Farms and Shores Libraries gave direct service to Old Kerby and Vernier Schools, plus Parochial children. No phase of the library's work is given more emphasis than children's work.

Publicity Stressed
The report stressed the importance of letting the community know about the library and its services. This involves every staff-member and every phase of library operation. During the year, signs were placed in front of the Main Library and Woods Branch, weekly columns in the NEWS on the library by Miss Taylor received an excellent response, book talks and reviews by staff-members were given.

Three staff appointments were made during the year. Miss Jean Mastin was appointed Woods Branch Librarian, Miss Melitta Roemer Main Librarian, and Miss Joyce Woodcock Station Librarian for Farms and Shores.

Friends Are Active
The Friends of the Library had an active year under Mrs. Lloyd G. Hooker, and ended its year with the annual dinner meeting at which Marion K. Kellogg was elected president; Charles A. Parcels Jr., vice-president; and Fintan L. Henk, treasurer. Miss Roemer was re-elected secretary.

The library staff took an active part in professional activities, local state, and national. Miss Roemer and Miss Taylor served on committees of the Michigan Library Association, and the director was elected to serve as one of the three Michigan representatives on the Council of the American Library Association.

The staff is very much pleased at the increased use by adults and children of the Grosse Pointe libraries during the past year, and during every effort to improve library service, to keep the library alert to changing community needs, and to make the library's influence felt in every phase of community life.

Center Gift

(Continued from Page 1)
and G. P. boulevard. It was the task of the Names Committee of the Memorial Association who carried on to completion.

Mr. Neff has prepared a complete file of all of the correspondence carried on, with the special reports made during the progress of the work, of the articles appearing in the local newspapers and all other written data bearing on the undertaking.

He has had these all bound in an attractive leather binding and the volume, of great historic worth, will be deposited in the Memorial Center as a part of the permanent archives of that institution.

So accurately was this work done that since the names were cast in bronze only two names have cropped up which should have appeared on the panels. Both of these omissions were due to the indifference of the relatives in complying with the request of the committee.

The whole project was highly commended by the directors of the Memorial Association at their meeting on July 10.

The whole volume constitutes a very complete supplement to the more than 3500 names now appearing in the hall of the Center, through which the progress of every name from induction to its appearance in enduring bronze can be traced.

CUTS FOOT AT BEACH
Mary Allor, 16, of 81 Mapleton, was taken to Cottage hospital by Farms police after she had cut the bottom of her left foot while bathing at the Farms pier on July 16.

Special Service To Close School

The Vacation Bible School held at the Grosse Pointe Congregational Church will close following a two weeks session this Friday, July 21, with an evening service for the students, their parents and friends.

The 7:30 p. m. worship service will be held in the sanctuary of the church at 240 Chalfonte. The Call to Worship will be conducted by the children of the fourth grade. The boys and girls of the Junior department will read the Scripture lesson, and the response will be sung by the Primary children. The Kindergarten will make its contribution by singing.

The Rev. Charles W. Scheid will tell the story.
Following the service the 70 children enrolled in the school will have the opportunity of leading their parents on a tour to view the display of articles made by them relative to the theme they have been studying and also an opportunity to meet their teachers.

One point of interest will be the lighted trees which were purchased and planted on the church lawn by the children as their service project to the community.

A community project such as this can be valued best by the reactions of the children attending," said one of the teachers. "It has been a happy experience for every one." Although the school was in session only during the morning, many children expressed the desire to return after lunch. One little six year old said, "I love to worship up in the church, it is so beautiful."

EMPLOY LIFE GUARDS
The Woods village will employ three life guards for service in the lakefront park until the end of the swim season. The park will be kept open from 11 a. m. until 9 p. m. daily and Sunday.

Farms Sees Many Changes During Last Thirty Years

Thirty years brings about a good many changes in a community. Just a little less than a third of a century ago, the population of the Village of Grosse Pointe Farms numbered only 1,750 people. Recent census figures establish the Farms population at 9,365.

In 1920, the average daily water consumption was 707,292 gallons, (including water then being used by Grosse Pointe Village and the Shores, furnished by the Farms). The Twentieth Century midpoint year witnesses 2,150,000 gallons of water being

used daily by Farms residents. The 38 miles of well paved roads in use today, has tripled the number of paved streets available in 1920. Thirty years has seen the growth of the police department from 13 men to 23; the fire department increased in size from 10 to 19 men during the same period. The assessed valuation of the Farms in 1920 was \$13,328,340 as compared with the present valuation of the City of Grosse Pointe Farms which stands at \$34,191,404.

A booklet containing the statistics and many photographs covering the year 1920 was given to all the taxpayers in the Farms at that time. The information was compiled by the Village Council. John L. Gilchrist, of 318 Hillcrest, found the old publication while he was rummaging through his attic, and thought the information contained therein would be of interest to the citizens now residing in the Farms. Gilchrist plans to donate the booklet to the Grosse Pointe Historical Society.

BICYCLE STRIPPED

Mrs. Savory, of 460 Fisher, reported to Farms police that her son David had a headlight and rubber handle grips stolen from his bicycle while he was attending summer school classes on July 6. The boy had his bicycle parked on the High School grounds.

SUSAN SCOTT BITTEN

Mrs. E. R. Scott, of 328 Ridgmont, reported that her daughter Susan was bitten on the left cheek by a dog on July 6. The dog is owned by Mrs. L. Hart, of 342 Ridgmont. Mrs. Hart said she would keep the dog locked up for a 10 day observation period.

SPEEDERS HALTED

David Stuart Long, 19, of 20615 Salisbury, St. Clair Shores, and Albert S. Kredell, 18, of 2087 Ridgmont, were ticketed by Farms police for reckless driving on Mack from Lackland on Oxford, on July 3. The speedsters were to appear in court on July 12 for the disposition of their case.

There is nothing either good or bad but thinking makes it so.

Highland Park Good Partner

At the Farms council meeting on July 17 Engineer Murray Smith spoke in high terms of the cooperation that had prevailed between the Farms and Highland Park in sharing the water of their common intake.

When water pressure had become low in either one of the communities the other had always been agreeable to giving gangway to the other to supplement their immediate water needs. He had found Highland Park a most agreeable partner in this cooperation.

Some of the councilmen thought that official recognition should be made by the Farms council of this agreeable cooperation but Mr. Smith said that this was unnecessary in view of the gentlemen's agreement which was working so satisfactorily.

POLICE NAB SPEEDER
Officers Johnson and Keller of the city police ticketed James Findlay, of 1203 Harding for speeding 44 miles per hour on Mack, on July 10.

A false friend has honey in his mouth, gall in his heart. In avoiding that which is evil I have found that which is good.

Here's why **MERCURY** owners are "having a wonderful time"!

The right power!
No matter where you travel with Mercury—city traffic or mountain trails—you're always way ahead with its livelier get-up-and-go performance! You're way ahead with its amazing economy, too. Sweepstakes Winner of the Mobilgas Grand Canyon Run, Mercury is "America's No. 1 Economy Car"!

The right roadability!
You can drive all day cross-town or cross-country—and scarcely feel it in a beautiful, new Mercury. Rough roads... curves... tight parking spaces are all easy to take with Mercury's "Cushion-Coil" springing and "Stedi-Line" steering!

The right riding comfort!
Two's company, four more are fun in the big, roomy, "built-for-six," new Mercury! There's plenty of leg room, front and rear! It's a car that's built to keep your whole family happy! Take them all for a ride—and see! They'll all enjoy it!

And here's the vacation picture for you!

Don't miss the big television hit, "TOAST OF THE TOWN," with Ed Sullivan. See your local newspaper for time and station.

Go for a ride—and you'll go for **MERCURY**

Youngster Admits Breaking Into One Home Four Times

The Farms police recently received a complaint from a resident on Beacon Hill that some boys were shooting a target pistol in the neighborhood. The boys told police that they had found the pistol in a vacant lot. They were released until the police could check the pistol. Later investigation proved that the pistol was stolen from the home of Mr. and Mrs. Robert C. Valade of 125 Mapleton.

Police picked up the boys on July 14 for further questioning. The youths broke down and one of them admitted to the police that he had broken into the Valade home four times between June 28 and July 4. The Valades were out of town at the time.

Only one boy was responsible for the entry. The youthful thief took a table radio, coin purse, a jewel case containing costume jewelry and a fountain pen. He also took three cigaret lighters, a man's ring and a woman's wedding ring, in addition to the pistol.

The Valades would not sign a complaint charging the youth.

Police Prescribe Switch to Milk

Patrick Scully, of 2542 Grayton, who had his driver's license revoked by City police on June 26 for driving while under the influence of alcohol, was brought into the station on July 13 charged with the same offense.

Scully, a milkman, was seen by City police driving his truck. A nephew, Daniel K. Skully, of 11271 Courville, was a passenger in the milk truck. Daniel told police that his uncle insisted on driving the truck.

Patrick was arraigned before Judge Leslie P. Young. He was fined \$50 and \$5 costs. His operator's license has been revoked for an additional 70 days. The elder Scully has also been placed on probation for one year with a no drinking stipulation.

Drunk Invited To Shun Pointe

A charge of drunkenness and disorderly conduct was placed against Frederick E. Lovelace, 62, of 2589 Third street, Detroit, on July 17.

Lovelace was found at the Grosse Pointe Park Pier, creating a disturbance shortly after 2:30 a.m. Park police locked him up to sleep it off. He was released in the morning and told to stay out of the Pointe area.

with breaking and entering if he were put on probation. The boy has now been placed on probation for eight months to the Juvenile Division of Probate Court. He must be home every night by 9 p. m. and if he is seen on the streets after this hour he will be arrested and locked up in the Juvenile Detention Home for violation of probation.

Because of the age of the boys involved, the News withholds their names.

Vacated Alley Given Verheyden

Mr. Verheyden has pledged to make any relocation of facilities, (storm and sewage disposal system), that may be necessary in the north half of the alley.

An open meeting of the alley vacation petition was held on June 26. Some residents voiced the opinion that it would eventually lead to an encroachment of business enterprises in a residential area.

Verheyden's contention was that he would provide off the street parking facilities for 20 automobiles. He also said that he had in mind an addition to his present establishment. If such an enlargement should be made, Verheyden must provide parking facilities corresponding to 2/3 of the total area of the building.

At the postponed meeting of the Park Council on Thursday morning, July 13, the petition of Charles Verheyden for the abandonment of the alley in the rear of his funeral home at Mack and Whittier was acted upon favorably.

The abandonment of the alley gives Mr. Verheyden the possession of the vacated land as he is the owner of the property on both sides. As the matter stands Mr. Verheyden can use the front ten feet of the alley parallel with Mack for business purposes, while the remaining ten feet of the alley width reverts to residential classification.

It is understood that Mr. Verheyden had in mind to use the abandoned alley for parking purposes and it is believed he will approach Council later for permission to so use it.

ANCIENT PLUMBING

The bathtubs on the Ancient Island of Crete were far more lavish than those of today and decorated with figures of animals and flowers. Before 2,000 B. C., the Cretan civilization had indoor plumbing, running water, and "modern looking buildings with many windows."

Owners Balking On Alley Paving

In his report to the Farms Council on July 17 Engineer Murray Smith made the following statement:

"I contacted a Mr. Goldberg, one of the owners of the Punch and Judy Theater, and also wrote a letter to Mr. Fenton, of the Gadroy management, who own the block of stores on Kercheval avenue between McKinley and Fisher road, and requested them to cooperate with us at this time in paving the alley at the rear of their stores. I told them that this work might be done at a reasonable price within the next two weeks along with other paving work which is being carried on in the city.

"In talking to both gentlemen over the telephone it appeared to me that they would probably not want to proceed with this work unless they were forced to do so under a special assessment district. Due to the press of other work we cannot prepare all the requirements of the special assessment procedure and will probably have to delay these improvements until a later day."

The Council decided to take no action in the matter at this time.

Farms Approves New Ordinance

To provide for an alternate municipal judge in the Farms in the event of the disability, absence or disqualification of the regular judge, the Farms Council passed the ordinance at the meeting on July 17, which Mayor Connolly had prepared and presented two weeks ago.

The ordinance provides that in the absence, disability or disqualification of the incumbent judge the Mayor may appoint any available municipal judge or justice of the peace in Wayne county to act in his stead. The compensation is to be \$25 a week but for no longer than four weeks without the action of the Council.

Work on Cottage Hospital Addition May Start Soon

There is every prospect that within a comparatively short time the Grosse Pointe Cottage Hospital will begin its extensive addition.

The Greater Detroit Hospital Fund drive which started with a goal of \$19,720,000 has now passed the \$17,000,000 mark and will continue on until January 31, 1951. The directors of the Fund are certain the goal will be reached.

The allocations committee of the Fund has earmarked \$750,000 of the completed fund for the Cottage Hospital and officials of the drive have positively assured that Cottage Hospital will get its full \$750,000.

The Cottage hospital board says that the additions in room and equipment which have been planned are the minimum needed to bring the hospital to the level of capacity and efficiency which its work in Grosse Pointe calls for.

The hospital fund has issued an attractive illustrated brochure

descriptive of the additions and improvements to be made.

Without going into the detail of the work therein explained, the chief changes to be made will be a 2-story extension to the hospital in the rear in the form of an inverted T, which will provide 50 more beds, bringing the hospital capacity to 103 beds.

Additional laundry facilities will be provided and a new heating plant installed and an additional operating room.

Mrs. Burdette Ford is chairman of the board of the hospital and Mrs. Carolyn M. Wicks is director of the institution.

Farms Council Receives Medals

The Mayor and each councilman of the Farms was presented with a handsome gold badge by the executive officials of the Farms at the meeting on July 17.

On its face the medal carries the name of the recipient and on the reverse side the words "Commemorating City Incorporation, Dec. 5, 1949."

The significance of the medal is that the holder was a member of council at the time the transition from village to city occurred.

He is not only idle who does nothing, but he is idle who might be better employed.—Socrates.

Elworthy Outlines Progress Being Made on Setting Up, Pointe's Civilian Defense

State Director Donald Leonard Presides Over Meeting in Lansing Attended By Representatives From 62 Cities

At the state conference on civilian defense held in Lansing on July 6, there were representatives from each one of the 62 cities in Michigan containing a population of 10,000 or more.

George Elworthy, manager of the Neighborhood Club, who acted as Chairman of the Grosse Pointe Civilian Defense organization during the last war, attended the meeting as civilian defense director from Grosse Pointe for this period, having been requested to do so by several of the chief executives of the Grosse Pointe communities.

Leonard is Tops

Don S. Leonard, head of the State Police, is the State civilian defense director, having been so named by the Governor. Leonard presided over the meeting and led the discussion.

In reporting on the proceedings to the NEWS last week Mr. Elworthy said that the general purpose of the Lansing assemblage was to go slow in attempting to set up a statewide pattern for civilian defense until the National civilian defense authorities have first created such a pattern for copy by American cities in general.

At Work in Chicago

The Federal authorities are now in process of setting up such a municipal pattern in Chicago,

to be followed immediately by another pattern for west coast cities in Seattle. When the Seattle job is finished Detroit will be the third city to be organized.

Superintendent Leonard is one of the nationally recognized authorities on civilian defense. At the Lansing meeting he said that certain decisions had already been reached which would undoubtedly be incorporated in the national pattern. It would be the intention, he said, to place all civilian defense agencies in time of disaster under the immediate control of the local police in every community, rather than have a miscellaneous mass of men and even women running about carrying on a lot of useless and often annoying errands.

To Marshal Materials

The function of the civilian defense organization in the event of any future war will not be defense in its primary meaning but rather the marshaling of materials for relief in a sudden disaster. This would mean the gathering of information on the availability of supplies, blood plasma, etc., the designation in advance of places where shelter and hospital treatment could be carried on under emergency conditions.

Local Parleys Held

Mr. Elworthy said that he has already had conferences with local municipal officers, such as clerks and engineers, preparing to coordinate their efforts in an emergency. The Memorial Center building and grounds and the Neighborhood Club property have been discussed as suitable rallying points in Grosse Pointe for relief work in disaster.

The exact location of needed supplies is an important function on which civilian defense workers can prepare information in advance of a disaster.

PARAKEET TAKES WING

Mary Hendrie, of 267 Hillcrest, told Farms police that her parakeet was missing on July 14. The bird had uncropped wings.

Children Attend Bible Day Camp

One hundred twenty Grosse Pointe Woods children of several denominations are taking part in the Vacation Bible Day Camp held mornings at Grosse Pointe Woods Presbyterian Church.

This Day Camp, carried on with a staff of 20 trained workers under the leadership of Mrs. Harry Watson, covers crafts, music, games, nature lore and shared experiences in community living, sealed to each age group. Visual education and "learning by doing" highlight each activity. Throughout the project runs the theme, "Jesus and His Friends."

Responsible for the various age groups are Mrs. John Butcher, Mrs. George Goodheart, Mrs. Paul Weamer, Mrs. Olaf Hestad, Marilyn Lang and June Lang, 4 and 5 year olds; Mrs. George Britton, Mrs. William Morris, Mrs. William Bobier, Mrs. Christopher Hill and Mrs. A. M. Addy, 6 and 7 year olds; Mrs. Carl Anderson, Mrs. Albert Lieder, Mrs. Victor Graf and Mrs. Jack Sage, and 8 year olds; Mrs. Clayton Lamonte, Mrs. Joseph Mason and Mrs. William Shaffer, 10 and 11 year olds.

Miss Janet Miles assists Mrs. Watson, the chairman.

Alice Corey Doing Field Work at Camp Wathana

Alice Corey of Grosse Pointe is among 80 students majoring in recreation studies at the University of Wisconsin who are this summer doing their field work at resorts, camps, playgrounds, or beaches scattered across the nation.

Miss Corey is doing her summer fieldwork at the Camp Fire Girls Camp, Camp Wathana, Rose Center, Michigan.

SWIMMERS DISPERSED

While cruising along Windmill Pointe drive, Park police noticed a group of young boys gathered on the sea wall on July 7. From the wistful glances of the youths police thought the boys were just waiting for the most opportune moment to plunge into the water. The police told the boys that swimming from the sea wall was not permitted and sent the boys on their way.

CAR RADIO STOLEN

Albert Thielmans, of 1056 Wayburn, reported to Park police that a radio was stolen from his car on July 15. He said that his car was parked behind a restaurant between 12:30 a.m. and 2:30 a.m. The car was locked but the thief gained entry to the automobile by opening the right side air vent. Thielmans has placed the value of the stolen radio at \$75.

SPEEDER CAPTURED

The City of Grosse Pointe police radioed the Farms police that a convertible car was speeding on Jefferson travelling east on July 12. Farms police arrested Clyde Mack Causey, 40, of 27920 Grant avenue, St. Clair Shores, on a charge of reckless driving. Causey had been drinking, the police said. He was released on a \$50 bond and was to appear in court on July 19 for the disposition of his case.

Reckless Drivers Fined in Court

The following cases were heard in the court of Judge John L. Potter on July 12:

Donald E. Abdo, of 24112 Greater Mack, St. Clair Shores, was charged with speeding 35 miles per hour on Charlevoix on June 12. The defendant failed to appear in court and forfeited a bond of \$15.

For making a right hand turn against a red light at Jefferson and Beaconsfield on June 2, Louis Felix Butler, of 11314 Kercheval, Detroit paid a fine and costs of \$11.

Harold Mark Sadowski, of 1410 Webb, Detroit, pleaded not guilty to a charge of failing to stop at a stop street on Wayburn at Kercheval on June 18, causing an accident. He was found guilty of the violation and paid a fine and costs of \$15. He is also required to attend two sessions of Traffic School.

Because he pulled into moving traffic on Kercheval from Audubon on June 9, Joseph O. Lucier, of 3447 Courville, Detroit, paid a fine and costs of \$10.

William B. Perkins, of 160 Barbara, Mt. Clemens, was found guilty of failing to stop at the intersection of Beaconsfield and Vernor, causing an accident on June 20. He paid a fine and costs of \$15.

A reckless driving charge was placed against Joseph Burak, of 16304 Bringard, Detroit, on May 12. Burak was found guilty of not having his car under control on Charlevoix and Wayburn. He paid \$15 in fine and costs.

James Ventimiglia, of 5032 Fairview, Detroit, failed to appear in court and answer a charge of speeding and running a stop street at Charlevoix and Audubon on May 29. He forfeited a bond of \$20.

Charles Popham, of 13315 Kercheval, Detroit, was found guilty of speeding on Jefferson on June 25. He was driving 40 miles per hour. Popham was also found guilty of driving without an operator's license. He paid \$45 in fines and costs.

George Cheyne, of 634 Ashland, Detroit, pleaded guilty to running through a stop street on Devonshire and Charlevoix on June 23, causing an accident. His sentence was suspended but he must attend one session of Traffic School.

Low Pressure Forces Woods To Enforce Water Ordinance

The residents of Grosse Pointe Woods have been reminded of an ordinance that became effective six years ago, restricting the use of water for grass and gardens between 4 and 11 p. m. Handbills were distributed to home owners requesting their cooperation in successfully coping with the low water pressure problem during these hours.

In some areas of Grosse Pointe Woods, (where the water main travels in a straight line between Mack and Lake Shore), the situation had become so acute that showers must be forsaken, because the water leaves the spout in nothing more than dribbles. A fire fighting hazard has also occurred because of the low pressure.

All residents of the Woods have cooperated in the program so far. Any person who violates the ordinance and waters his lawn or garden during the banned hours will be taken to court.

Next summer the water pressure problem should be greatly

alleviated. The Woods plans to have a new 36" water main (a continuation of the Detroit water main presently under construction), to boost the water pressure.

Fall From Car Fatal to Child

James Simpson, 3, of 2647 Chalmers, Detroit, was killed on July 17 at 9:30 p. m. when he fell from a car that was going south on Lake Shore.

The youngster was in the back seat of the car when the door flew open. The car was driven by Herbert F. Forrester, of Dayton Beach, Florida.

The child was dead upon admittance to the East Side General Hospital.

He who freely magnifies what hath been nobly done, and fears not to declare as freely what might be done better, gives ye the best covenant of his fidelity.

BLAZING BARRICADE

Frank Clark, of 1133 Kensington, called the Park police on July 9 to report a barricade at the Kensington and Maumee intersection was on fire. Patrolmen Vervacke and Cools answered the call and put the fire out. The barricade had been put up around newly poured concrete.

FRIGIDAIRE Electric Dehumidifier

Amazing New Invention Ends Moisture Damage!

Yes, the revolutionary new Frigidaire Electric Dehumidifier can stop moisture damage for you—automatically—with no fuss, no fuss, no messy chemicals. It's easy to install—just plug it in. It draws moisture-laden air over refrigerated coils, where the moisture condenses and drops into a receptacle or drain. Powered by the same thrifty Meter-Miser used in famous Frigidaire Refrigerators. Effective in any closed space up to 25 x 40 x 8 feet, or equivalent. Call your Frigidaire Dealer now—ask about the free 5-day trial offer!

Proved in thousands of installations like these—

"My basement was always damp in summer—until I bought a Frigidaire Electric Dehumidifier. It does a perfect job of removing moisture."
Mr. D. D. E.

"Our parts department is in the basement. We had a serious rust problem until we installed a Frigidaire Electric Dehumidifier. It has completely eliminated rust and mildew."
L. Motor Sales

"My \$3000 worth of power tools were always endangered by high humidity. Chemical dryers gave completely inadequate protection. Then I bought a Frigidaire Dehumidifier and it prevents corrosion. It's amazing!"
Mr. R. B.

Lt. Mason Rumney Returns From Army Duty in Germany

WEIDEN, Germany — 1st Lt. Mason P. Rumney, Jr., Troop Commander of the 15th United States Constabulary Squadron, has left this border squadron for reassignment in the United States after an excellent record here. He will be with a heavy tank battalion at Camp Campbell, Ky.

Lieutenant Rumney is from 249 Hillcrest road, Grosse Pointe, Mich. where his mother, Mrs. Mason P. Rumney, resides. He went to Asheville High School, attended the University of Michigan and was graduated from the United States Military Academy, West Point, N. Y.

He was active in Squadron sports and will be missed in the coming football season as he was a mainstay of the Squadron Musketeer eleven. In tennis he helped make up the team that took second place in the U. S. Constabulary playoffs this year.

Lieutenant Rumney was accompanied home by his wife, Mrs. Mary Rumney and the two boys, Mason P., III, 2½ years old and John Charles, aged 8 months. They have been part of the

American colony here at Weiden. The Grosse Pointe officer was one of the more experienced officers in the Squadron, having come to the Occupation Zone in August 1947. He has led one of troops, basic company-sized units, since that time. Officers experienced in handling Armored Cavalry are a big asset to the 15th Squadron as it has the critical task of patrolling the American Zone of Germany lying alongside the "iron curtain" on the borders of Czecho-Slovakia, and to a shorter distance, the boundaries of the Soviet Zone of Germany embracing part of Thuringia.

Robert M. Orr Attending Librarians' Convention

Robert M. Orr, Director of Public Libraries, is in Cleveland this week attending the annual conference of the American Library Association.

In addition to representing the local Library, Mr. Orr is one of three Michigan representatives to the Council of the Association.

Farms to Share Cost of Survey

The Farms is going along on paying its pro rata cost of having a survey made of the feasibility of handling the garbage and waste of all Grosse Pointe as a single problem, provided the other Pointe municipalities all agree to contribute their share.

The cost of this survey has been figured out on a 3c per capita basis. This would mean for the Park \$390.87, Woods \$312.00, Farms \$280.95, City \$188.97 and Shores \$29.49. The total cost of the survey, which is supposed to bring in all the answers, will be \$1,202.49.

DRIVER TICKETED

Grosse Pointe City Police issued a ticket to Robert Lee Travis, of 2015 Liberty, Lincoln Park, for running through a stop street at Maumee and St. Clair on July 2.

HUBCAPS STOLEN

Harry Fruehauf, of 728 Lakepointe, reported the theft of two hub caps from his car to Park police on July 6. The theft took place between midnight and 7 a.m. on June 29. Fruehauf placed the value of the missing hub caps at \$35.

Pooch Puts Bite On Mail Carrier

John Stone, of 2920 Gladwin, Detroit, was bitten on his right leg just above the ankle as he was delivering mail on his route on July 15.

The owner of the dog, Harry Meilen, of 887 University place, was not home at the time the dog attacked the mailman. Stone was treated for the dog bite at Bon Secours hospital.

The dog was placed in the City of Grosse Pointe's kennels for observation.

Police Separate Battling Couple

Nicholas Christofori, of 19645 Twelve Mile road, Roseville, was arrested by Park police on a charge of drunkenness and disorderly conduct on July 17. He was spotted with his ex-wife in a parking car on Harvard.

Christofori was locked up by the police. He appeared before Judge Joseph C. Belanger on July 18 and was fined \$15 and \$5 costs. He was also placed on probation not to drink any alcoholic beverages during the next six months.

Further terms of probation are that he must stay away from his former wife.

Addition Planned By Woods Church

Construction will start within the next few weeks on an addition to the Grosse Pointe Woods Presbyterian Church on Mack avenue at Torrey road. The congregation has authorized the Board of Trustees of the church to proceed with the building of the first part of a planned church house.

The unit to be built will consist of a basement and first floor attached to the present church. The cost will be about \$45,000. There is \$20,000 in the building fund and the congregation authorized the board to seek a mortgage for the balance.

The addition is badly needed to provide more room for the church school. At present there are more than 750 pupils enrolled, with a staff of 123. All indications are that enrollment will continue to increase steadily.

The board stated the addition will be well built, but of the plainest construction to get the most space possible for every dollar spent. The plan is to furnish and add to the building as additions to the building fund permit.

Members of the building committee include Carl Asmus, Hugh McTavish, A. A. Ghesquiere and Roy Nelson.

Driver Tangles With Dump Truck

Arthur Traver, of 792 Whittier, was ticketed by Park police for changing lanes while driving and moving into the path of flowing traffic.

Traver damaged the right front fender of his car. He struck a Park Village dump truck, driven by Kenneth U. Thompson, of 1040 Beaconsfield, who was proceeding east on Jefferson in the lane of traffic in front of Traver.

Traver must appear in court on August 29.

Farms Repairing Curbs and Walks

The Farms having appropriated an item of \$7,000 in its budget for 1950 for curb and sidewalk repairs, Engineer Murray Smith recently invited bids for the work from nine contractors.

Only two bids were received and these were opened by the council committee on July 14. Floris DeMeulenaere of 18710 Mack avenue was low at \$6,380.

DeMeulenaere was given the contract. The only other bid was for \$8,276.

In commenting on this job Mr. Smith said that it was interesting to note that from a recent survey it would appear that about one more year's program would fairly well clean up the Farms on this type of work.

Police Conduct Rabbit Roundup

Mrs. L. L. Cousins, of 1029 Kensington, called the Park police station and requested an officer to come to her home on July 15, to dispose of a half dozen rabbits that were running about her property.

The policemen caught the six rabbits thereby eliminating the possibility of having to round up dozens of bunnies in the future.

RED FEATHER SERVICE

The 125 Red Feather services of the Community Chest gave 354,661 units of service in family welfare, child care, health and recreation during 1949, figures released by the Council of Social Agencies Research Department show.

Parking Lot Ban Issued by Judge

The Turner-Buick establishment whose place of business is at the northeast corner of Maryland and Kercheval, has been enjoined by Justice John Potter of the Park from using a lot which it owns on Lakepointe north of the alley in its rear for parking purposes.

Complaint was made by a resident on Lakepointe, Mrs. Ann Pritchard of 1221.

Accompanying Justice Potter's order was a probation for six months, within which time Turner-Buick must obtain another place to park its cars, not in a residential area.

POLICE GET SPEEDER
Charles Steiger, of 1040 Lakepointe, received a ticket from the City police for speeding 36 miles per hour on Waterloo on July 15.

Society News Gathered from All of the Pointes

Short and to the Pointe

From Another Pointe of View

by Jane Schermerhorn

Beverly Brown . . . daughter of the Kendrick Browns of Westchester . . . is traveling on the continent at the moment . . .

And probably blessing her family whose bon voyage was "and don't spend time writing long letters, just a card now and then" . . .

So "the family" is being content with happy little postals which proclaim everything "terrific" and "having fun" until their daughter arrives home again in September . . .

Beverly is doing Europe with her three Northwestern fellow graduates (they all received their diplomas in June); Nadine Foss of Detroit and Nancy and Janet Klingstedt of Canton, O. . . .

The girls landed in Rotterdam and spent last week-end in Paris . . .

They'll travel in Italy . . . Switzerland . . . Norway . . . Sweden and England . . . before going back to Rotterdam in September to sail home on the Volendam . . .

Al Green's Opens

Why just think! . . . you don't even have to flick on television anymore to see George Scotti . . . because he's right there in person at the NEW Al Green's which had an elegant opening last week . . .

Everyone loved the all green (no pun intended) decor . . . and applauded the addition of a "stage" where favorite artists will appear from time to time to entertain Pointers . . .

The Henry Fords II were on hand for the opening and we saw: the Alfred J. Fishers Jr. with her mother, Mrs. Walsh Jacobs . . . a party including Mr. and Mrs. Tommy Fisher, Mr. and Mrs. William Petzold Clark, Mr. and Mrs. William Zeder Breer and the C. Bradford Lundys . . .

The Elmer Ulrichs and the William J. Scripps (who forsake us soon for Bloomfield) . . . the C. Henry Buhls . . . and the Ray Whytes who entertained a large group of friends . . .

Mr. and Mrs. Green seemed pleased as punch at the enthusiasm which greeted their re-opening . . .

Trotting at Detroit Track

Some of the same crowd zipped over to the new Detroit Track on Monday evening . . . for the opening of night trotting which was gay as anything . . .

The Elmer Ulrichs, for instance, had dinner in the Tack Room at the clubhouse before the races and entertained Dr. and Mrs. Robert Coleman and Mr. and Mrs. Eric Irvine . . .

The William C. Currans invited a large group of trotting fans to be their guests for dinner and the races . . . with them were: Mr. and Mrs. Harold R. Boyer, Mr. and Mrs. William L. McGiverin . . . Mr. and Mrs. William P. Bonbright, Mr. and Mrs. C. Thorne Murphy, Pamela Curran, Paul H. Deming Jr. and William G. Curran Jr. . . .

Jack Navin squired Suzie Stoepel and Ann Brown was with Bob Burckhalter for the opening of trotting . . . and the (Continued on Page 9)

Not until late September will the Pointe again see MRS. HENRY B. JOY of Lake Shore road. She is spending the remainder of the season at Treasure Hill, her summer home at Watch Hill, R. I.

RUTH G. OGDEN of Balfour road is spending her vacation in Bermuda at the Princess Hotel and Cottage Colony.

Two Pointe Residents In Saturday Weddings

Mary Catherine Paye Married to Andrew J. Bruneel; Wilbert DeYonker Claims Mary Patricia Reinke For His Bride

Pointe residents were featured in two weddings Saturday morning, July 15. Marian Catherine Paye, daughter of Mr. and Mrs. Girard R. Paye of Anita avenue, became the bride of Andrew J. Bruneel. Wilbert K. DeYonker, son of Mrs. Victor C. DeYonker of Wayburn avenue, and the late Mr. DeYonker, claimed Mary Patricia Reinke for his bride.

Mr. and Mrs. Bruneel left for Osceola after their marriage in St. Joan of Arc Church and the reception which followed. The bridegroom's parents are Mr. and Mrs. Edmond Bruneel of Hereford avenue.

Frances Ann Paye attended her sister as honor maid. Mrs. David Tamm, Rita Bruneel and Therese Dirkes were bridesmaids.

Best man was Mr. Bruneel's brother, Omer Bruneel. Gerard Bruneel, Dick Paul and Charles Van Steen seated the guests.

Mary Adele Williams was flower girl and Dicky Diethelm was ring bearer.

Miss Reinke, daughter of the Paul M. Reinkes of Evanston avenue, and Mr. DeYonker repeated their vows in St. Matthew Church.

Agnes Reinke was maid of honor for her sister. Bridesmaids included Mrs. Kenneth Brusate, sister of the bridegroom; Beverly Boyle and Margaret Schweitzer.

The bridegroom asked his brother, Joseph DeYonker, to attend as best man. James Reinke, brother of the bride; George Neutens and Leo Curtis ushered.

After a motor trip to Florida.

Mackinac Race Lures Pointers

The dock at Mackinac Island swarmed with Grosse Pointers Sunday evening, as wives awaited husbands sailing in the Detroit to Mackinac race. When Wendell Anderson's Escapade set a new record by arriving at 2:30 in the afternoon, Mrs. Ted Coggan and Mrs. Harrison Watson hurried on board to greet their sailor spouses.

Mrs. William Robinson, Jr., whose husband was aboard the Shamrock, joined Jane Gilbert, Beth Keegan and Chick Fisher who were expecting the Red Head.

Others on hand for the finish of the annual event included Mr. and Mrs. Ray Whyte, the Robert Scherers, Mr. and Mrs. Arthur Rohde, Mrs. Art Peabody, Mrs. Raymond Priebe, Mrs. William Petzold Clark, Mrs. Thomas Fisher, Mrs. Elmer Wagner, Mrs. Wilfred McGuire, Steve Edwards, Mary Stuart Macdonald and Mrs. Edward Wunsch.

ANGLER SNARES SELF John Francisco, of 12069 Wilfred, Detroit, got a fish hook caught in his hand on July 7. John had been fishing off the pier at the foot of Moross road when the accident occurred. Farms police took him to Cottage hospital for treatment.

ANOTHER DOG BITE

William Breaux, of 215 Ashland, Detroit, reported to the City police that a dog bit him on his left leg, drawing blood, on July 15. The dog is owned by Henry Walker of 16900 Village Lane. The dog, on a leash, was being taken for a walk by Sally Walker. It will be confined for a 10 day observation period.

Pointers to Serve on AWVS Play Committee

Group Selects 'You Can't Take It With You'; Proceeds to Benefit Disabled Veterans

"You Can't Take It With You," three-act comedy by Moss Hart and George S. Kaufman, will be presented by the Little Theater Committee of the AWVS Metropolitan Unit September 29 and 30 to benefit this unit's work among disabled veterans.

Final plans for the production were discussed at a kick-off luncheon at the DAC on Tuesday, July 18, headed by Miss Helen Wallace, chairman of the Little Theater Committee, and her co-chairman, Mrs. Frank H. Whitton, and attended by various sub-chairmen.

The play will be given on two consecutive evenings at the Players Playhouse, 3321 E. Jefferson Ave. Dallas Chapin, of the Players, will direct. Mr. Chapin also directed the group's previous productions, its first having been presented in 1948.

Reading of parts started Monday evening, Miss Wallace reported. The next reading will be on Friday evening, July 21, at 7:30 p.m. at Newberry House, 1363 E. Jefferson Ave. Casting for the play will begin on Monday evening, July 25, at Newberry House, where the rehearsals also are to be held.

Present at the Tuesday luncheon-planning were Mrs. J. R. Applegate, chairman of theater program planning, and her co-chairman, Mrs. E. Wilson War-

John Woodhouse Feted at Party

John T. Woodhouse, of Lake Shore road, was feted Monday at a surprise birthday party given in his honor.

Party hosts were Mr. and Mrs. George Schenck of Lakeland avenue and Harry Rust. Scene of the festivities was the Rust home in East Jefferson avenue.

DOG BITES OWNER

Cottage Hospital reported to the Farms police that Fred Baker, 9, of 71 Stanton lane, received treatment for a dog bite on July 7. The boy had been bitten by his own dog. The dog will be under observation for 10 days.

Dance at Center Saturday Night

"The July Jump," last informal date dance until fall for the college age through twenties young people and their guests will be held this Saturday evening at the War Memorial Center. Johnny Titus' orchestra will play for the dancing from 9:30 until 12:30.

Special intermission entertainment will be provided by six young men whose lively songs have been pleasing Pointers down at the Park beach this summer. Joe Gratzler, Tim Leach, Dick Saunders, Neil Smith, Bert Larkins and Winnie Likert will sing, accompanied by Dick's ukelele.

General chairman of the "July Jump" is Bill Erbe. His committees include: Tickets, Ruth Neff, Charles Daniels, Nancy Voorhees, Ted Laitner, Vince Schoeck and Barbara Otto; refreshments, Fred Curto, Joan Campbell, Nancy Hodges and Phil Clark; publicity, Ann Shenefeld, Carol Sanford, Vince Schoeck and Tom Auch. Others working to make this last dance a big success include Mary Gratzler, Dick Nightingale, Bill Boales and Jim Brown.

Tickets are \$1.50 per couple (no stags), including refreshments. They will be on sale at the door of the Center Saturday night.

A happy sidelight on Mrs. Schneider is her current appearance at the Will-O-Way Playhouse in Bloomfield Hills, where she has the lead role of "Life With Mother." She had the leading female role in the AWVS Little Theater group's first production two years ago, and also had a prominent part in Detroit Civic Light Opera's "Song of Norway" this past season.

Former Pointer Married in Recent Eastern Rites

News of local interest comes from Ogunquit, Me., where Margaret Cook Towar, daughter of former Pointer George Towar and the late Mrs. Towar, was married recently to John O. S. M. Tragard.

The bridegroom is the son of Mrs. John Tragard of Mansfield, Mass.

Margaret's sister, Mrs. Howard Walbridge Muller, was matron of honor and Norman von Rosenring, Danish vice-consul in Boston, acted as best man.

The couple are motoring through eastern Maine and Canada.

BACKS INTO TROUBLE

While backing his car out of his drive, on July 3, Gerald Grimes, of 16923 Village lane, struck a car parked at the curb. Grimes reported the accident to the City police. Damage to the parked car was limited to a small dent in the trunk.

dell; Mrs. Walter Rochow, play reading chairman; Mrs. Jacob Bery, ushers; Ellen Bery, radio and television publicity; Mrs. Charles W. Sellers, patrons; Mrs. Harley Grigg, Afterglow; Virginia Schultz, program advertising, and Mrs. Fred M. Cousins, general chairman of AWVS Metropolitan Unit.

Selection of "You Can't Take It With You," originally produced on Broadway by Sam H. Harris, was made by the play-reading committee including Chairman Mrs. Rochow, Mrs. Frank H. Whitton and Mrs. Jules Schneider.

Proceeds from the two October performances will be used for the AWVS Metropolitan Unit's work for disabled veterans, which includes entertainment games in the tuberculosis ward of Marine Hospital each month from September through May, and similar monthly entertainment at Dearborn Veteran's Hospital.

Mrs. Clare L. Hiles, of Merriweather Road, and Mrs. Philip J. Phillip, of Alter Road, are co-chairmen of the AWVS Metropolitan Unit's hospital committee which also provides variety shows and holiday activities for the disabled veterans.

The recent furnishing of lawn umbrellas, tables and chairs for outdoor use of Marine Hospital patients, and the furnishing of a patio at the Dearborn Veterans Hospital last year have been projects of this unit of AWVS.

Mrs. Franklin Cavanaugh Cox

MISS G. CLAIRE KAHLER, daughter of Mr. and Mrs. Jerry Kahler of St. Clair avenue, Grosse Pointe, became the bride of Dr. Franklin Cavanaugh Cox, son of Mrs. James Pleas Cox of Bradenton, Florida, on Wednesday, July 5, in Atlanta, Georgia. The bride, a graduate of Grosse Pointe High School, attended Southern Seminary in Buena Vista, Virginia. The bridegroom, a graduate of the University of Florida and Emory University in Atlanta, served as Lt. colonel in the Medical Corps, U. S. Army, during World War II.

Greening-Case Nuptials Read

Simplicity was the keynote of the wedding of Louise Lorraine Case and Joseph Wendell Greening on Saturday morning, July 15, at St. Joan of Arc, Grosse Pointe Woods. Father Ferdinand de Cneud officiated at the ceremony and assisting at the nuptial high mass was Father Arthur Fauser, a classmate of the bridegroom.

Lorraine, sister of Mrs. Frederick Macnab of Beaufait road, was formerly of Toronto. Joseph is the son of Mr. and Mrs. Wendell G. Greening of Hawthorne road.

The bride wore a dainty gown of embroidered organdie in a waltz length with gauntlets to match. Her short veil extended from a halo of tulle caught with orange blossoms. She carried a cascade of white daisies and ivy. Gloria Woodcroft of Torrey road was Lorraine's attendant. Her dress was of aqua-organie edged in white pique, with a calot of the latter, making a perfect background for a spray of yellow daisies and ivy.

Maurice Garceau was best man. Ushers were Jack and Paul Greening.

The newly-weds left for a two week stay at Georgian Bay following a family breakfast. They will make their home in Detroit after August 1.

The greater the obstacle the more glory in overcoming it. —Moliere.

Nuptial Vows Spoken By Helen Ruth Briggs

Becomes Bride of Harold Edgar Crosier, Jr. in Ceremony in Grosse Pointe Congregational Church On Saturday

Grosse Pointe Congregational Church was the scene of the ceremony Saturday afternoon at which Helen Ruth Briggs and Harold Edgar Crosier, Jr., were married. The Rev. Charles Scheid read the nuptial rites.

Helen, daughter of Mrs. Ernest Briggs of Washington road, and the late Mr. Briggs, chose white swiss embroidered organdy for her wedding gown. Her fingertip veil was of organdy and illusion, and she carried a cascade bouquet of white roses and lilies of the valley.

Mrs. Melvin Rau attended the bride. Her frock and matching headdress were of pale blue swiss embroidered organdy. Pink roses formed her cascade bouquet.

The bridegroom asked his brother, Howard Crosier, to be his best man. They are the sons of Mr. and Mrs. Harold Crosier, of Shelburne Falls, Mass. Ushers were Frank G. Munger and Charles Dwight Briggs.

For her daughter's wedding and the reception which followed in their home, Mrs. Briggs selected a light blue crepe dress with lace trim and pink accessories. Mrs. Crosier wore an aqua gown trimmed with lace and aqua accessories. When the newlyweds left, the bride was wearing a pale blue linen suit with white accessories. They will make their home in New Jersey after Aug. 1.

New York Visitors Guests at DAC Party

...In town last week from New York City, Mr. and Mrs. Donald Toolin were guests of honor at a dinner party at the DAC given by Brian and Robert O'Keefe of Balfour road. The Toolins are visiting Mr. Toolin's parents, the John M. Toolins of Cloverly road.

Party guests included Brian's fiancée, Rose Ciaramitaro; the hosts' sister, Patricia O'Keefe, and her fiancée, Arthur Raus; Suzanne Giddey, Molly Fochman of Petoskey, Pat Gorrien, another brother, Donald O'Keefe and Mary McGuire of Windsor.

THREE FLOORS IN THE FISHER BUILDING

Vows Exchanged By Gloria Thom

Gloria Raquet Thom of Vernier road, daughter of former Detroiters Mr. and Mrs. Carl Raquet, of Cleveland, and William Vasu exchanged nuptial vows Saturday at Grosse Pointe Congregational Church. Only the immediate families and close friends of the couple attended the rites.

Mr. and Mrs. Raquet were hosts at a reception at the Detroit Athletic Club following the service.

Betty Ellen Castor and Richard A. Connell III were the attendants. After stopping at the Surf and Sand Hotel in Miami, the pair will leave today for Nassau and then Bermuda, where they will stop at the Elbow Beach Hotel. Upon their return, they will reside in Detroit.

Bride Claimed by Former Pointer

A July 8 ceremony in the chapel of St. Patrick's Cathedral, New York City, united two former localities in marriage. Joan Terry, daughter of Mr. and Mrs. Walter F. Terry of New York, formerly of Detroit, and William Richard Wallace exchanged nuptial vows.

The bridegroom is the son of the late Mr. and Mrs. Robert Russell Wallace of Grosse Pointe.

Margaret C. Terry was her sister's sole attendant. Best man was Vincent C. Young of Grosse Pointe. Walter F. Terry, Jr., brother of the bride, and Charles Asbury ushered.

The pair will reside in New York City.

HITS PARKED JEEP

Peter Roth, 11835 Outer Drive, informed Farms police that he struck a jeep parked at the curb at 233 Moross on July 15. The jeep is owned by Fred Keller, of 22313 Edmonton, St. Clair Shores.

Church Festival Next Weekend

Our Lady, Queen of Peace Festival Committee is working mightily hard for the event scheduled for July 29 and 30. The festival grounds are on Bourne-mouth at Harper, (3 blocks north of Moross road.)

There will be dolls, blankets, baby clothes, aprons, fancy-work and miscellaneous, religious articles, gadgets, balloons and refreshments.

The now famous hand-worked pillowcases are prettier than ever this year. Come early for them.

There will be games of skill and fun for everyone, with prizes you will be proud to own.

Dinner will be served beginning at noon on Sunday, July 30, in the Church Hall, 19269 Harper, country style, all you can eat for \$1.00. Children 50 cents.

CONVERTED TO JETS

Michigan's oldest Air Guard unit, the 107th Light Bombardment Squadron, has been reorganized and redesignated as the 107th Fighter Squadron and will be equipped immediately with F-84 "Thunderjets", it has been announced by Brig. General George C. Moran, The Adjutant General.

A Community-Wide Project

The report that the Grosse Pointe Park Charter Commission is considering putting a provision in its new city charter which will permit it to help maintain the Grosse Pointe War Memorial Center out of public revenues, is heartening news to those men and women of the Pointe who have labored earnestly and unselfishly for this magnificent property which is just developing as the center of the patriotic, civic and cultural life of Grosse Pointe.

As the property stands now, with only the development thus far made, it is a project of which all of Grosse Pointe can be proud.

Through the generosity of the Alger family this beautiful property was donated as a memorial to our war dead and to the more than 3,500 Pointe sons and daughters who served their country in World War II. This property as it stands could not be duplicated for less than a million dollars. It is doubtful whether there is a single city in all America which has such an institution comparable to it.

The project which started with no broader purpose than a mere public library has evolved into a great institution serving the community in the varied expressions of its civic life.

The lack of support for this splendid institution however has been a reproach to Grosse Pointe. The original campaign conducted three years ago netted less than half the amount sought which, even if all of it was obtained, would have provided a property of insignificant value and desirability compared to that which the people of Grosse Pointe received for nothing.

A few wealthy citizens gave handsomely, more gave much less than they could have easily afforded, and thousands gave not one cent.

Less than ten percent of the population of Grosse Pointe gave anything.

The center in the first year of its operation, which ends only late this summer, has completely demonstrated its value to the community. On one single day last June more than 8,000 persons flocked to the building and grounds.

Everybody agrees that it is fine and lovely but thousands who have enjoyed it haven't so far given a penny.

The place now belongs to the Grosse Pointe War Memorial Association, a non-profit corporation chartered by the State of Michigan which holds it in trust for the people of Grosse Pointe and the men and women who constitute its board of directors have labored long and earnestly to carry it to its present high plane of acknowledged worth, and they have had meagre support from many who have benefitted most.

Out of the original subscription of less than a quarter of a million raised, the Association has converted \$108,000 into the endowment fund. The only persons who get any money out of it are the hired help who work for modest salaries. The brains and the labor to carry it on, the people of Grosse Pointe have had for nothing.

An effort made to raise money by a letter appeal to those who had thus far given nothing, to add to the endowment fund, was a fizzle.

A special gifts committee has not yet made its report because of the summer vacation period.

The directors are now considering a plan to create a group who will pledge to give a certain sum annually for the operation of the Center but if this is not more fruitful than the other effort, this too would be a failure.

If every person in Grosse Pointe would pledge to give as little as \$1.00 a year each the maintenance of the institution would be handsomely assured.

But according to recent experience this seems problematical.

The proposal coming out of the Park Charter Commission looking to the support of the center out of public taxation, cannot take practical form for some time even though eventually approved by the other four municipalities. This would mean to supplement out of taxation the income from the endowment and from other sources to guarantee the carrying on of the Center. This might be the best way in the long run after all. Then Mr. Tardy Citizen would do his part whether he liked it or not via his tax bill.

But meanwhile the Memorial Center must carry on. It can't wait until this maybe distant day when local government will come to the rescue.

This is a crucial moment for the Center and for the good name of Grosse Pointe. A stranger coming into our midst and seeing these splendid homes and all the evidence of well-being and material wealth and then looking at the War Memorial would ponder the spirit which animates this physically lovely community.

Now is the time for the people of Grosse Pointe to show what they are made of.

Send in your money or pledges NOW.

War Costs . . . Past and Present

By now Americans are pretty well aware that we have got ourselves in a mess over in Korea.

Statesmen at Washington who function in the belief that money will do anything have already rushed, front and center, with the free and easy suggestion that we appropriate \$5 billion immediately to see the thing through.

We may have to do that very thing, regardless of the tragic mistakes our government has apparently made in its conduct of our foreign affairs. The historic determination

Grosse Exaggerations

A. PRYOR

"Each is given a bag of tools,
A shapeless mass,
A book of rules;
And each must make,
Ere life is flown,
A stumbling block
Or a stepping-stone!"

(R. L. Sharpe)

No one enjoys long distance operators more than we do, as we have said here many times before. We like the personal interest they take in our life . . . via the telephone. Last Saturday, ferinstance, we put in a long distance call to Bob May . . . the parent-author of "Rudolph the Red Nosed Reindeer." The circus is playing in Chicago and we wanted to be sure Mr. May arrived early for the performance, so he wouldn't miss the clown burlesque on his famous Rudolph.

It was around noon when we phoned . . . and after being convinced there wasn't going to be any answer, we told the operator to cancel the call. She urged us to let her keep trying and call us back but we explained that if we couldn't reach Mr. May RIGHT THEN . . . it would be too late in any case. The operator then emitted a long-drawn-out and highly sympathetic sounding "AAAAAH." We were most appreciative.

A local teen-age boy, impressed with the saga of the Hilton Hotel chain family, decided to get himself a job as bus-boy at one of the Clubs . . . so he would eventually own a hotel! His first day on the job "back-stage" bewildered him not a little. He was particularly thrown off balance by a short conversation with one of the chefs. Watching the latter mixing a stew-like concoction doused with various pungent herbs, he asked, "What's that you're making?" Without glancing up, the chef asked in hushed tones, "How do I know you're not a fifth columnist?"

Junior very innocently and seriously replied that he CERTAINLY was NOT! "In that case," replied the chef, "I can tell you. It's Hungarian Goulash!"

The other evening we had the extreme pleasure of meeting a gentleman who is seeking the nomination for Congressman from this district. He is RICHARD DURANT . . . and after having visited with him for a half hour, we would have handed him the nomination on a silver platter . . . if only we COULD! He is most attractive looking, (which shows that our feminine emotions are still intact!) but along with that non-essential asset, he has just about everything it takes to make a good sound representative of the people.

We'd like to urge our readers to read every word they can find about this young man before going to the polls in September. You KNOW you can take Aunty Pryor's word on winning Derby horses . . . and she's even better at picking winning men! For our money, Richard Durant is tops . . . and we don't care who knows it.

Incidentally, Mr. Durant, who is a student of economics, told us the following story . . . wherein LIES a story . . . if you know what we mean.

In ancient times there lived a good and kind King who loved the people he ruled and who wanted to do all he could for them. He felt that he didn't understand anything about economics, however, and that if anyone could explain to him in simple language what it meant, it would help him to rule his people in better fashion. Word was spread throughout the Kingdom that anyone able to explain economics to the King would receive the hand of his beautiful daughter in marriage. If they failed, however, they would be banished from the country.

From far and near came the sages, star gazers and counsellors . . . all willing and ready to explain economics . . . but all of them failed. They were unable to explain to the King in simple terms, what the word really meant. Finally, just as the Ruler had about given up all hope . . . an elderly professor arrived at the Palace to say that he could tell the king the meaning of economics in NINE WORDS.

When he was ushered into the presence of HRH and the same query was put to him, the professor replied: "Sire, I can give you a lesson in economics in nine words. They are, 'There is no such thing as a free lunch.'" The King finally understood.

There is a program on the air on Saturday mornings that has something to do with a Child Psychology clinic business . . . where mothers bring their child-problems to Dr. Whoozis and he tells how to handle them. Last week's program dealt with a sixteen year old girl whose mother wondered if she hadn't better explain to her about sex ! ! ! (And if you object to our use of the word here . . . you should have heard the program! It actually uncured our new permanent.)

Reading something like the Kinsey Report is one thing . . . but hearing all that stuff spoken on the air is something else again. Sometimes we think it's a darned good thing that grandma has long since gone to her reward!

Memorial Center Schedule

For Period Thursday, July 20
Through Thursday, July 27
Saturday, July 22, Young Adult
Dance (college age and young
marrieds). Johnny Titus' Or-
chestra. Public invited. \$1.50
per couple, includes refresh-
ments. 9:30-12:30 p.m.
Monday, July 24, Rotary Club
of Grosse Pointe. Luncheon, 12:
(Call Dr. R. K. O'Neil, VA.
2-9707).
Monday, July 24, American
Legion, Post 303, 8 p.m. (Call

Tuesday, July 25, Optimist
Club. Luncheon 12:15 p.m. (Call
Mr. D. H. Livingston, TU. 2-3700).
Wednesday, July 26, Grosse
Pointe Safety and Traffic Com-
mittee. Luncheon meeting, 12:15
p.m. (Call Mr. George Measel,
VA. 1-8000).

of this country to never admit defeat, whatever the cause or the cost of war we have engaged in, will see the U. S. through either in Korea or anywhere else the international fire spreads.

The ready suggestion of five billions as our first ante in the international jackpot points a painful comparison in the monetary side with our past war experiences.

We fought a civil war in this country which persons living can still recall which involved the incorporation of more than 2 1/2 millions in the army on the Northern side and the issue of which was nothing less than the preservation of the Union, at a cost during its progress of probably five to six billion and ended the war with an indebtedness of considerably less than three billion.

When the Spanish-American war was brewing and before it broke out Congress placed at the disposal of President McKinley a fund of \$50, million to spend as he saw fit in getting ready for war and the war was fought and won with an expenditure of about \$250,000,000.

This is less by \$50,000,000 than the expenses of this government for a single day at the height of World War II, less than a half century later.

Letters To The Editor

To the Editor:

Several communities in the United States are now adding fluorides to their water supply for the purpose of preventing tooth decay. The practice was adopted following the discovery that the people in communities with a natural fluoride content in their water supply between 1.0 and 1.50 ppm (parts per million) had considerably fewer dental caries and teeth missing than residents of other communities.

The results of extensive studies have been published, and some were presented in your paper, in an article published a few months ago. Briefly, a natural fluoride content in the water can accomplish a reduction in tooth decay of 70% and a reduction in the number of teeth missing in adults of over 90%. Phenomenal results, but the figures are established and will not be disputed by anyone familiar with these studies.

The question arose, can communities without natural fluorides receive the same beneficial results, by adding fluorides artificially. Experiments were started in 1945 and careful observations have been made since then. Since fluorides will only benefit children beginning with before birth on up to about 10 years of age, it is conceded that it will take at least 10 years before final results can be reported. There is no reason to believe that artificially added fluorides will not accomplish the same results, perhaps even more, due to the advantage of having complete control over the quantity added. Present experiments have all shown trends toward reducing dental caries, some reporting positive reduction up to 30% thus far. There is every reason to believe that more time will improve this figure.

The evidence available has won the enthusiastic support of health officials and dentists all over the country. The state of Wisconsin, already a leader in public health measures, has given the practice its endorsement, resulting in more communities in that state adding fluorides than in any other state. The American Water Works Association has endorsed the practice, and the Council on Public Health and Education of the Detroit District Dental Society has advocated the introduction of fluorides in the Detroit city water and has furnished the writer with much valuable information supporting fluoridation.

The time to act is now; a ten year experiment means another generation without these benefits. There is little consolation in the realization that time lost can never be regained. The cost is negligible, about 10 to 12 cents per person per year. At that rate, the prevention of a single dental carie will pay your fluoridation bill for life.

What is the attitude of our city council (the Farms), on this subject? In general, they are favorably inclined, advocating anything that is for the good of the public as long as it is economically and otherwise feasible. However, as yet, they have received no pressure from the people on this matter. They are our representatives, so if enough people indicate that fluorides are wanted, they will undoubtedly take appropriate action. It is suggested that if you believe in this practice you contact the city council (by mail) and inform them of your desires.

Chester J. Ordon,
246 Beaupre Road,
Associate Professor of
Civil Engineering,
Wayne University.

July 11, 1950

Robert B. Edgar, Editor
Grosse Pointe News

Dear Mr. Edgar:

The letter from Mr. Blessed in the Grosse Pointe News was very interesting and timely. The demise of the Township Government means the loss of a cohesive force binding the communities together and furnishing an available authority for carrying on certain functions which are common to the whole community.

The fire department is not the only service whose efficiency could be improved by a united management.

Would it not be to the best interest of all citizens if a study were made relative to Grosse Pointe becoming a Metropolitan Area, similar, let us say, to New York City, with its environs of Manhattan, Brooklyn and the Bronx? There is considerable feeling in the various communities at present toward retaining their identities and a plan of this nature would probably not evoke as powerful opposition as an outright consolidation.

The School Board might find that a Metropolitan System could be to their advantage, allowing them to drop the cumbersome Rural Agriculture District

TRESPASSER CHASED

Farms police, investigated a parked car on private property just off Lake Shore road on July 3. When police arrived, no one was in the car. The officers checked the property around the car and found Willie Zahner, of 11911 Lansdowne, Detroit, fishing from the sea wall. Zahner said that his wife worked off and on for the people who owned the property where his car was parked. The police warned him about parking on private property and sent him on his way.

rating under which they operate at present.

It is possible that other services could be carried on more satisfactorily under Metropolitan control, namely, the Board of Health, the Police Department and Police Radio; also the sewage problem which is causing so much trouble at this time.

This is only a suggestion; but it would be interesting reading to hear what other citizens think about such a reorganization.

Yours truly,
Clifford B. Loranger, M.D.
Editor's Note—Dr. Loranger is the clerk of the Village of Grosse Pointe Shores.

Motion Picture Council Lists Approved Movies

The Grosse Pointe Motion Picture Council recommends the following pictures for children: Comanche Territory; Cinderella; Kill the Umpire; Gunfighter; Father of the Bride; Rogues of Oz; Shaggy; Red Stallion. The list continues with Big Noise; Down Dakota Way; Cheaper by the Dozen; Colt 45; Ma and Pa Kettle Go To Town; The Reformer and The Redhead and Francis.

Study Preamble For Park Charter

The Grosse Pointe Park City Charter Commission is considering the advisability of starting off its charter with a preamble declaring in effect that whereas the community has been planned and built as a residential area, as distinguished from a mixed industrial and residential community, it is the intent and purpose of the municipality to keep it so.

The idea is presumably to

make an official declaration in the beginning of the charter to emphasize its character as a community primarily of homes, and possibly to explain many provisions subsequently following in the charter to establish the powers to more fully carry out this intent.

Treatment In Epilepsy

By FRED M. KOPP, R.P.H.

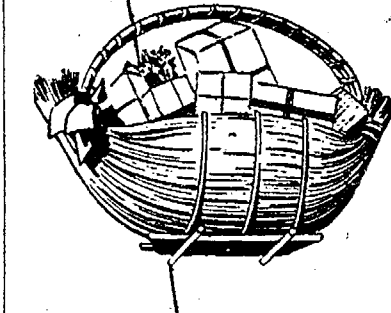

There is greater hope for the epileptic today. In some cases, with medical treatment, the disease eventually disappears entirely. In half of the cases treated, patients are completely free of seizures. Even in severe cases, treatment will reduce the number and intensity of the attacks.

It must be generally understood that epilepsy is an illness that requires a doctor's care just as any other sickness. And with such care epileptics have a chance to lead normal, useful lives.

Drugs are most important in treatment. A doctor's prescription should be entrusted to a pharmacist who can be relied upon to use quality, potent drugs.

This is the 301st of a series of editorial advertisements appearing in this paper each week.

YOUR WELCOME WAGON HOSTESS WANTS TO SEE YOU

A lovely basket of gifts awaits you as an expression of goodwill from public spirited local merchants if you have just become engaged, just moved to the city, are a new Mother, have moved within the city, or just become Sweet Sixteen. There's nothing to buy. No cost or obligation. Arrange to receive these gifts. Call your Welcome Wagon Hostess whose phone is listed below.

Luncheon Fetes Jane Baldwin

A pre-nuptial luncheon party for bride-elect Jane Baldwin was hosted by Jane's cousin, Anne Baldwin, of Fairway drive, at the Detroit Athletic Club last Friday, July 14.

The bride-to-be, daughter of the Paul R. Baldwins of Whittier road will be married July 22 to William Brock.

Guests at the luncheon included some of Jane's former classmates at Grosse Pointe high school and Northwestern University.

Places at the table, decked with yellow and white flowers, were marked for Patricia Rosier, Caryl Waller, Susan Matson, Jean Wilcox, Marion Anderson, Joan Wertz, Mrs. Charles Jordan, Sally Critton, Pat Sibbert, Mary Jane Shaeffer, Mrs. William H. Baldwin, Ann Gehrke and Ann's cousin, Mary Manville, of Hollywood, Fla.

It is sometimes expedient to forget what you know.

Betrothal Told

Mr. and Mrs. Sidney Marsh Cadwell of Grosse Pointe and New York City, announce the engagement of their daughter, Elizabeth Ellen Cadwell, to William Henry O. Dance, son of Dr. and Mrs. Clifton Louis Dance of Brooklyn, New York, and Spring Lake, N. J.

Miss Cadwell was graduated from Grosse Pointe Country Day School, and from Smith College in 1947. She was a debutante of the 1944 season and is a member of the Sigma Gamma Association.

Mr. Dance was graduated from Brooklyn Polytechnic Preparatory Country Day School, and from the University of Michigan in 1944. He is a member of Psi Upsilon, Sphinx and Druids. He was graduated from the University of Michigan Law School in 1949 and is a member of Phi Delta Phi.

He enlisted in the navy in 1943 and served overseas during the war as an ensign. He is a member of the New York Yacht and the New York Athletic Club.

Lakepointe Country Club Plans Ladies' Guest Day

There will be a Mid-Season Ladies' Guest Day on Friday, July 21, out at Lakepointe Country Club. A program of golf, luncheon, cards and a dance exhibition and floor show by Arthur Murray is planned by the entertainment chairman, Mrs. William Bickel.

During luncheon Miss Florence Trombley will entertain the guests with piano and singing numbers.

The hostess list is composed of Mrs. Ernest Liebold and Mrs. James De Nieke, co-chairmen; Mrs. W. A. Bickel, Mrs. Orland Ellis, Mrs. Pat Nolan, Mrs. Robert Grebel, Mrs. James H. Quello, Mrs. Larry McCann, Mrs. Joe Moore, Mrs. Jerome Friesma, Mrs. Leonard Wilson, Mrs. Eugene Kornmeyer, Mrs. John Green and Mrs. Harold Marty.

From Another Pointe of View

(Continued from Page 6)

Forman Johnstons had with them George M. Black and George O. Begg Jr. . . .

Former Pointers Move

Commander and Mrs. Fred Brossy, former Pointers, were in town for the week-end with Mr. and Mrs. Edward T. Barthel of Grosse Pointe boulevard . . .

They have been stationed in Denver . . . and are now on their way to Philadelphia where Commander Brossy will take over his new assignment . . .

Buffy's a Marine

Now that we're getting military . . . let us say we're in a state of complete awe over the magnificent experience post deb Buffy Wicking, daughter of Mr. and Mrs. Bert H. Wicking of Trombley road . . . has been having . . .

She's to arrive home Monday after having completed six weeks at the United States Marine training base at Quantico, Va. . . . where she was one of 70 handpicked college girls invited to take officers training . . .

Next summer, Buff goes back for another six weeks . . . after which she will be commissioned as a second lieutenant in the Marine Reserves . . .

Sally Slocum, daughter of the Frederick Slocums of Bedford road took the same course last Summer . . . so Buffy's interest was keen.

Letters home have been ecstatic and for Buffy the military means the Marines! . . . she has been precision trained in swimming, riding, golfing toward that divine carriage which marks the branch of the service . . .

Pointe Women Members Of New Patriotic Group

Two Pointe women are members and officers of the newly formed Michigan Court of "Women Descendants of the Ancient and Honorable Artillery Company of Massachusetts." The new patriotic society was established at a recent meeting and installation program held in the Grand Mays boulevard home of Mrs. Lloyd DeWitt Smith.

Mrs. Smith was elected librarian for the unit, and Mrs. Henry E. Joy, chaplain and parliamentarian. Mrs. Orville W. Laidlaw, of Tecumseh, is the group's president.

The prospective member must prove her descent from an ancestor who was a member of the artillery company between 1637 and 1774, to be eligible to join the group. National headquarters is Faneuil Hall in Boston.

Mrs. Smith was elected librarian for the unit, and Mrs. Henry E. Joy, chaplain and parliamentarian. Mrs. Orville W. Laidlaw, of Tecumseh, is the group's president.

The prospective member must prove her descent from an ancestor who was a member of the artillery company between 1637 and 1774, to be eligible to join the group. National headquarters is Faneuil Hall in Boston.

Pointe Well Represented At Walloon Lake This Year

The Pointe is well represented at Walloon Lake at this season every year. Mr. and Mrs. George Villerot of Beacon Hill road with George, Jr., and his guest, Robin Ryan have been vacationing there.

Mr. and Mrs. Elroy O. Jones forsake their Renaud road abode regularly for the cool retreat at the lake. The Clarence Boydells of Berkshire road were recently their house guests.

The Alvan Macauleys, Jr., of Kenwood road and Mr. and Mrs. Joseph Sherer and family of Ridge road are other Pointe delegates who can frequently be found at Walloon Lake during the summer months.

Cut in Calories Brings Coolness

"You need just as much meat, eggs, milk, vegetables and fruits in summer as you do in winter, but you probably need less calories. Unless you are particularly active, cut down on your starches and fats—leave off the gravies, rich sauces and pastries."

That's what Mrs. Alice H. Smith, chief nutritionist of the Michigan Department of Health says in an article "Less Calories for Summer Coolness" in the Vacation issue of "Michigan Public Health."

The article recommends three well-balanced meals a day in summer as well as in winter, but it contains suggestions for less cooking, more raw vegetables, more fresh fruits, main dish salads and one warm dish to make the meal more satisfying.

A copy of the Vacation issue of "Michigan Public Health" which contains the article, or a year's subscription to the magazine may be obtained without charge by writing to the Michigan Department of Health, Lansing 4, Michigan.

Couples Recite Wedding Vows

At a recent ceremony in Atlanta, Ga., Claire Kahler, daughter of Mr. and Mrs. Jerry Kahler of St. Clair avenue, became the bride of Dr. Franklin Cavanaugh Cox. The bridegroom is the son of Mrs. James Pleas Cox, of Bradenton, Fla.

Another bridal pair are Mr. and Mrs. Walter Alvan Albrecht, Jr., now honeymooning in Canada following their marriage. Mrs. Albrecht, the former Gretchen Battle, is the daughter of Mr. and Mrs. F. Battle. Mr. and Mrs. Walter Albrecht of Balfour road are the bridegroom's parents.

Nancy Chapman Honored At Commercial College

Nancy Chapman was elected a member of the College Publications Committee of the Detroit Commercial College at the annual meeting recently of the Administrative Board, according to an announcement released by President R. J. Maclean of the college.

Miss Chapman is a graduate of the college in secretarial science, Class of '50. She is the daughter of Mr. and Mrs. Charles G. Chapman, 372 Provincial road.

Pointe Women Chairmen Of Party at Boat Club

Mrs. Arthur L. Evely of Lake Shore road was chairman of the midsummer luncheon and card party which women members held Wednesday afternoon at the Detroit Boat Club.

She was assisted by Mrs. Roy DeHart of Harvard road.

TOO FAST ON TAKEOFF

Howard G. Jancheck, of 785 Fernhill, Detroit, stopped for a red light at Wayburn and Jefferson on July 4. After the light changed to the green signal Jancheck's car lurched ahead and struck the rear fender of a car in front of him being driven by John L. Jacobs, of 1042 Junction, Detroit. Jancheck received a violation ticket from the Park police.

TOMATO BOMBARDMENT

Mrs. Stocking, of 1100 Beaconsfield, reported to City police on July 7, that some boys pulled up alongside while she was driving on Kercheval near Washington and unleashed a barrage of tomatoes at her car. She also said the car containing the tomato hurling youths made an improper turn at Kercheval and St. Clair.

COAT TAKEN FROM CAR

A suit coat was stolen from the car of Charles McCarrons, of 476 Touraine, sometime between 11 p.m. and 2 a.m. on July 7. McCarrons reported the theft to the Farms police on July 11. His car was parked on Mack near Manor when his coat was taken.

FROZEN FOOD HINT
Choosing the right varieties now can make a big difference in the quality of frozen foods you take out of your locker next winter. Be sure you freeze only the recommended varieties of fruits and vegetables this summer.

Anglers Missing Great Opportunity

This is the last chance for anglers to enter the fishing contest being held by Gray's Sports Shop at 106 Kercheval avenue. It closes this Saturday, July 22. Some of the prizes go begging as there have been no entries to date in several of the classes.

Fishermen are reminded there are prizes for both the largest and smallest fish of legal size.

Louis Reno is leading in the class for the largest bass, with a 19 1/2 inch specimen. The lead for the smallest bass is tied between James Riegler and George Brady, with one each 10 1/2 inches long.

L. Johnson's 14 1/2 inch pickarel is the largest entered so far in this class. There have been no entries for the smallest pickarel.

No muskies have been entered in either the largest or smallest classes.

Carl Eyras' 21 1/16 inch pike is the largest entered to date, with no candidates for the prize for the smallest one.

Louis Reno also leads in the largest perch competition with an 11 1/2 inch entry. Carl Eyras brought in a baby 1 1/2 inches long as a candidate for the smallest perch.

Nursing Offers Tops in Careers

Tops among careers to which this year's high school graduates can look forward is nursing, in the opinion of Rhoda F. Reddig, president of the Michigan Nursing Center Association.

Recent surveys of job opportunities bear out her conviction that nursing is an uncrowded field, with a wide variety of openings for qualified men and women.

The best prospects for graduates this year, according to a survey by the New York Times, are nursing, elementary school teaching, pharmacy, health services, and psychology. "A wide-open field" is what Life magazine calls nursing, because the demand for nurses continues far ahead of the supply.

"If half of the 56,500 high school graduates in Michigan this year are girls," recently declared Miss Reddig, who is director of the University of Michigan School of Nursing, "one out of 17 or 18 will find an opening in an approved school of nursing in this state next September. She may prepare in a university school, earning a degree as well as a diploma. She may enter a three-year hospital school of nursing. Or she may decide on the one-year course in practical nursing.

"If she wants to be a professional nurse, she should be in the upper third of her class. She should have had a college preparatory course, or its equivalent. She should have the personal qualities that make a good nurse. If she chooses her school of nursing wisely, she will be ready at graduation for a career that thousands of nurses have found satisfying and rewarding."

A leaflet describing the requirements for becoming a nurse, and listing all approved schools in the state of Michigan, is available to any inquirer. Requests should be sent to the Michigan Nursing Center Association, 750 East Main Street, Lansing 12, Michigan.

CARS IN TANGLE

Joseph Vilkaitis, of 3178 Lockwood, Detroit, was driving east on Jefferson on July 2, when his car was struck by an auto driven by Joseph R. Kurtz, of Rt. 4, Mt. Clemens. The damage was slight. Vilkaitis' car suffered a damaged rear bumper. Both drivers agreed to a settlement between themselves.

OUT OF ORDER

Fred W. Seiter, of 1943 Crane, Detroit, was given a ticket by City police for permitting an unlicensed driver to operate his car on July 15. Another ticket was given to Eugene Gaudette, of 1298 Lyncaste, Detroit, who was driving Seiter's car without having acquired a driver's license.

Comanches Lead Cub Pack League

The Comanches remained at the top of Cub Pack 290's Indian League last week by defeating the Navajos, 25 to 14, in a softball game at Mason playground.

The Mohawks took a 9-0 forfeit from the Chippewas when the Chips showed up with only five players.

Four games this week and next will conclude the 12-game schedule.

The Navajos will play the Chippewas Tuesday, July 25. The Mohawks and the Comanches will tangle in the final game Thursday, July 27.

THE STANDINGS

Comanches	W. L. Pct.
.....	4 0 1.000
Mohawks	2 2 .500
Navajos	2 2 .500
Chippewas	0 4 .000

Bachle to Take Training With Amphibious Forces

Among 850 Naval Reserve Officers Training Corps midshipmen from 52 colleges and universities throughout the nation arriving July 23 at the Naval Amphibious Base, Little Creek, Va., to begin an intensive two-week training course is C. F. Bachle, Jr., of 179 LaSalle place, Grosse Pointe, a third year student this fall at the University of Notre Dame in Indiana.

His training will consist of instructions ashore and afloat in amphibious operations. During the first week, devoted to shore training, he will learn through practical work, lectures and demonstrations, the essentials of preparing a successful amphibious landing.

The following week he will receive instructions in the afloat part of his amphibious education with indoctrination in shipboard routine aboard vessels of the Amphibious Force. He will witness a coordinated sea-and-air-live-fire demonstration attack on an "enemy" island and will participate in a rehearsal landing.

To climax his training he will take part in a full-dress assault landing employing sea-air support and Marine Corps Reserve troops.

Learn to Avoid Ivy Poisoning

Learn to recognize the three-leaved poison ivy and stay away from it, the Michigan Department of Health warned Michigan people today.

No one is immune to ivy poisoning. Exposure to poison ivy may result in serious month-long illness which may require hospitalization.

The poison of the plant, a non-volatile oil, can be carried on dust, on soil, in ashes, in fire smoke, on the fur of pets, on clothing, on garden tools or on wood for the fireplace.

Any person who thinks he may have been exposed to poison ivy should wash thoroughly with strong laundry soap. If blisters appear, he should go to his doctor at once for medication and for shots.

Eradication of the plant is the only real protection from the poison, according to the Department which is especially urging resort and urban areas to see that the plant is eradicated from parks, playgrounds, golf courses, bathing areas, along pathways and walks.

Either an "Ammate" takes five to ten days and 2-4D, about three weeks. If the plants are still green at the end of these periods, they should be sprayed again. Spraying should be repeated each spring until plants no longer appear. The sprays are non-poisonous to man or animals, but care should be used to keep the mist away from valuable cultivated plants.

About three quarters of a pound of "ammate" in a gallon of water will treat a square yard of dense ivy foliage. Spraying is inexpensive compared with the cost of treatment of even a slight case of poisoning, the Department said.

IGNORES STOP SIGN

Because of failure to obey the stop sign at Cadieux and St. Paul, Richard M. Whiting, of 1523 East Jefferson, was given a ticket by City police on July 16.

Wednesday, July 26, 12—Women's Guild visits Wayne County Hospital.
 Thursday, July 27, 8—Brotherhood.

WRONG PLACE FOR PARTY

Shortly after midnight on July 14 Park police were called to investigate a noisy group of boys at Mack and Grayton. The boys told the police they were celebrating one of the boy's birthday. Police told the noise makers that a street corner certainly wasn't any place to celebrate. They were sent on their way.

BLAMED FOR CRASH

A ticket for driving into moving traffic and causing an accident was issued to James Russo of 1014 Whittier, on July 9. Russo was driving north on Whittier and pulled into the path of a car being driven by Frank M. Letarte, of 1428 Helen, Detroit, who was driving west on Kercheval.

How to Preserve Fresh New Peas
 Local crops of fresh peas are available now for table use and for preserving for next winter for your family's enjoyment then. You can preserve their fresh flavor by canning or freezing if you use correct modern methods advises Roberta Hershey, extension foods specialist at Michigan State College.
 If you are canning the peas, cover the shelled and washed peas with boiling water and then bring them to a boil. Pack the hot peas in glass jars but be sure to leave one inch of space at the top of the jar as you cover the peas with boiling water.
 Add one-half teaspoon salt to pints and one teaspoon salt to quarts. Adjust the jar lids and process in a pressure canner at 10 pounds pressure for 40 minutes for pints or quarts. If three or four pints are to be processed in a pressure canner, they should be processed for 60 minutes at 10 pounds pressure. Pressure saucers should not be used for canning unless they are equipped with a pressure control device. As soon as you remove jars from canner, complete seals if they are not self-sealing.
 It is important to use a recommended variety of peas as some may not freeze well. Thomas Laxton, Onieda, and Shasta varieties are suitable for freezing. Avoid over-ripe or immature peas and handle quickly from time of harvest to freezing to preserve quality and flavor.
 Peas should be blanched before packaging for freezing. Place enough for one package in a square of cheesecloth. Blanch in one gallon of boiling water for one and one-half minutes. Cool immediately in running water or in ice water. Pack in moisture-vapor-proof bags leaving space for expansion. Quick freeze immediately.

MIDSUMMER THOUGHTS

We are told that MRS. HARLEY EARL is the world's most efficient traveler and makes up her mind to move about globally in nothing flat . . . She rarely takes luggage but packs a few articles in a straw basket (veddy Schiaparelli, of course) and takes off . . . adding to her luggage when she's reached the far distant places . . .

Her friends all envy the wonderful gift MRS. GEORGE O. JOHNSTON has for fashions . . . with her talented eye and photographic memory of lines and detail . . . she really should be doing a fashion column for some national syndicate . . .

The fan has reappeared as part of milady's Summer costume . . . did you notice dozens of them at church weddings on those warm Saturday afternoons? . . .

The T. D. BUHLS gave their annual Circus Party the other evening . . . and once again lucky Pointers had a wonderful time with the fascinating folk of the Big Top . . . who are probably keener on more subjects unrelated to their profession than any other category we can think of . . .

PILFERINGS

'Tis told that while George Kaufman and Moss Hart were working on "The Man Who Came to Dinner," Hart went to stay with Woolcott to study him at close range. Hart had an insatiable curiosity for reading messages not intended for his eyes. Busy devouring one of Mr. W.'s missives one morning, Hart found that it read: "I'll ask you up here just as soon as I can get rid of that nauseating Moss Hart, who hangs on here like a leech, although he knows how I detest him." Hart was beginning to shake with rage when he came upon the postscript: "Moss, my puss, I trust this will cure you of the habit of reading other people's mail."—Bennet Cerf.

In one of his first prayers before the United States Senate, the Rev. Peter Marshall, new chaplain, said: "Let us not be frightened by the problems that confront us, but rather give Thee thanks that Thou hast matched us with this hour. May we resolve, God helping us, to be part of the answer, and not part of the problem."—Congressional Record.

Not so many years ago, George Bernard Shaw, poking fun at all things American, came out with some unusually caustic comments. A number of newspapers rose to the bait and howled in protest, but one editor held his fire until Mr. Shaw paid his much-publicized visit to Miami.

This editor's paper published a lengthy report of the arrival of Mrs. George Bernard Shaw. Mrs. Shaw went to this dinner, Mrs. Shaw attended that function, Mrs. Shaw said this, and Mrs. Shaw did that. Then at the bottom of the long article was this casual after thought, "Mrs. Shaw was accompanied by her husband, George Bernard Shaw, a writer."—The Christian Science Monitor.

Try praising your wife, even if it frightens her at first—Billy Sunday.

Pointer of Interest

MR. ELMER ULRICH OF BERKSHIRE ROAD

—Picture by Fred Runnells

Elmer F. Ulrich, Commissioner of Fire of Grosse Pointe Park, developed his first spark of interest in fire prevention at the age of nine, when Father Ulrich spanked his son soundly for setting a neighbor's house on fire. "In one minute," says Commissioner Ulrich, "I went from an arsonist to a fire preventionist."

While the firemen must have viewed young Ulrich with suspicion at that tender age, today Chief Edward L. Rector of the Grosse Pointe Park Fire Department, has these words of praise: "Commissioner Elmer F. Ulrich has taken a greater interest in our fire department, both in our fire prevention and firefighting standpoint than any commissioner that Grosse Pointe Park has ever had."

"When possible, he responds to nearly every fire that we have and takes a personal interest in the department and the firemen. . . . Through his efforts our department is one of the best equipped in the state."

Special police radios in both his home and car enable Mr. Ulrich to know when fires break out in the Park. Although a standard fire alarm box is set up in the basement it is not hooked up to the central village system lest his small daughters or their young friends treat it as a plaything.

Born in Detroit just two doors away from the old Engine 9 fire house on Congress Street, the Park fire commissioner also responds to all multiple (from two alarm up) fires in Detroit. The Ulrich firefighting tradition goes farther back too, as a faded old fire helmet in the recreation room testifies. Bearing the inscription "Lafayette 4", it is all of 90 years old and belonged to Elmer Ulrich's grandfather, Ferdinand Ulrich. The senior Mr. Ulrich was a volunteer fireman in old Detroit before 1860, the year when the first paid department of firefighters was organized.

In 1935, Mr. Ulrich was appointed to the Fire Prevention Committee of the Detroit Board of Commerce. Since that time he has consistently served with

Favorite Recipes of People in the Know

PECAN PRALINES

Contributed by Mrs. Alden Matthews Burnett

- 2 c. granulated sugar
- 1 c. brown sugar
- 1 T. white corn syrup
- 1 1/2 c. water
- 1 1/4 t. salt
- 1 t. vanilla
- 2 c. whole pecans

Combine sugar, syrup, water and salt in pan. Stir over low heat until dissolved. Cook to 238° or until it forms a soft ball. Remove from heat, add vanilla and nuts.

Cool to 170°. Stir about a minute. Drop on waxed paper in patties about 1 1/2" in diameter.

Park Approves Street Repairs

At a special meeting of the Park commission on July 13, authorization was given for a street improvement program. The streets to be affected by the improvement program will be Nottingham from Jefferson to Halley place, and Halley place from Nottingham to Beaconsfield.

The surface of the above named streets will receive a double seal coat. The same improvement will take place on Bishop from Jefferson to Kercheval.

Streets to be resurfaced include Vernor from Audubon to Wayburn and Charlevoix from Devonshire to Kinsington. The total cost of the program will be \$35,068.

Pointe Counter Points

There's an eye to cold weather days ahead at JACOBSON'S . . . where buyers have selected heavenly storm coats for every age group. THE original storm coats are in the Youth Center, featuring cavalry twill double breasted coats, fully alpaca lined and with pure mouton collars. Can be had for tots aged 3 to 6 with matching leggings and cap, for 7 to 14 boys and girls, and for teensters in size 10-16 bracket.

The leddies will clap to hear that JACOBSON'S have handsome storm coats for them too . . . Thermostatic stadium coats, insulated for cold yet comfortable in mild weather and with contour belt, approach a glamour tone. Copper-toned teak, taupe, gray, navy and green are color choices.

Pole Terminates Driving Practice

While driving east on St. Paul on July 11, Barbara H. Boothe, 19, of 964 Nottingham, lost control of her car and knocked down a stop sign on the southeast corner of Whittier and St. Paul. She was issued a reckless driving ticket by Park police.

Miss Boothe was driving alone at the time of the accident. She did not have a driver's license but only a temporary instruction permit. Beginning drivers must always be accompanied by a licensed operator of a motor vehicle. Park police have revoked her beginner's permit.

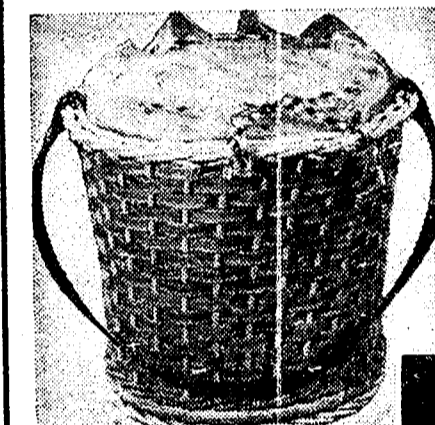

The top of the car over the right door and the right front fender of the car were damaged.

CURTAINS CATCH FIRE

The curtains over the sink caught fire on July 12 in the home of Joseph E. Bayne, of 264 Lewiston. Farms firemen answered the call. The fire was under control when the firefighters arrived.

AIR BASE EXPANSION

An additional grant of \$611,750 by the National Guard Bureau has been received by the Michigan National Guard for the expansion of air base facilities at the Detroit-Wayne Major Airport.
