

Shores Is Question Mark

(Continued from Page 1)
 ily furnishes. This was arranged, it is understood, to assure the continuation of the superior supervision of school health which the Pointe has long enjoyed.
 The Shores has already joined in both of these services with the other Pointe communities.

Possible Confusion

One matter that might complicate the Shores transition to City is the existing anomalous situation with respect to village boundaries.

A substantial segment of the village, that which includes the Edsel Ford estate, lies in Macomb county. This was permitted by a special act of the Michigan legislature. The inference is that Mr. Ford desired his residence to be in Grosse Pointe Shores and was able to obtain the passage of a special act which permitted this segment of Macomb to be a part of the Shores village.

Macomb Might Fight

This did not carry this part

over into the Grosse Pointe School District and the Lake township school district in Macomb county has continued to collect a substantial school revenue from this small part.

If there should be any probability of this section remaining in the prospective "city" of Grosse Pointe Shores and depriving the Macomb school district of this revenue doubtless the Macomb people would fight the alienation of this tax productive territory.

Reckless Drivers Pay Up In Court

The following cases were heard in the court of Judge John L. Potter on July 19.

Patrick E. Garman, of 1644 Prestwick, Grosse Pointe Woods, was fined \$5 and paid \$5 in costs for driving without due care and caution resulting in an accident on Beaconsfield on July 5.

A plea of guilty to a charge of not having his car under control on July 9, was entered by Charles Beck of 1251 Devonshire. Beck paid \$20 in fine and costs. Beatrice M. Wallace, of 503 University, pleaded guilty to a charge of entering an intersection without due caution and care, causing an accident on July 2. She paid \$15 in fine and costs. She must also attend two sessions of driving school.

One session of drivers' school was recommended for John R. Hilbert, of 14851 Seven mile road, who was driving the other car involved in the accident at the intersection of Pemberton and Korte, with the Wallace auto. Hilbert was found not guilty of a reckless driving charge.

For disobeying a stop sign at Berkshire and Charlevoix and causing an accident on June 3, Marvin VanLoon, of 4706 Anderson, Detroit, paid a fine of \$20 and \$5 in costs. VanLoon must also attend two sessions of traffic school.

William Merton Nellis, of Rt. 4, Mason, Michigan, was found guilty of failing to stop on Wayburn at Vernor and causing an accident on June 24. Nellis paid a \$20 fine and \$5 costs.

A six month probation period with a no driving stipulation was imposed on John P. Carroll, of 1065 Chalmers, Detroit, as a penalty for speeding 53 miles per hour on Kercheval on June 28. Carroll was fined \$40 and paid \$5 costs. Judge Potter also ruled that Carroll must attend traffic school for three sessions.

The sentence of Clarence Thompson, of 2514 Belvedere, Detroit, charged with failure to give a warning signal, causing an accident on Jefferson and Wayburn on June 30, was suspended. Thompson must attend one session of traffic school.

Harry J. Heilman, of 1424 Newport, Detroit, was found guilty of making an improper left hand turn at Jefferson and Wayburn and causing an accident on June 30. His sentence was suspended.

Barbara H. Boothe, of 984 Nottingham, was found guilty of not having her car under control and causing an accident at St. Paul and Whittier on July 11. She was also driving with a temporary instruction permit without a licensed operator in the car. Sentence was suspended but she must attend two sessions of traffic school.

Max Jerome Plante, of 300 Fiske drive, Detroit, pleaded guilty to not having his car under control and causing an accident at Jefferson and Bedford on July 2. He must attend three sessions of traffic school.

Field Fires Keep Firemen on Jump

The early morning hours of July 21 kept the City fire department on the hop. At 1 a.m. the firemen responded to a call to put out a field fire that was burning behind a grocery store on Fisher. The firemen extinguished the fire and returned to the station only to be rousted out an hour later to answer a similar call. This time the fire was on Kercheval behind a hardware store.

Self confidence is the first requisite to great undertakings. — Samuel Johnson.

Fire Fees

(Continued from Page 1)

burn and Detroit gives the Park free service to the east side of Lakepointe when called on.

The Detroit Commissioners acknowledged that there were extenuating circumstances in the Detroit-Park situation and said they would take the matter under advisement.

Taxpayers Critical

They also told the Park representatives at the same time that Detroit had contracts with 32 nearby municipalities to give this emergency service when called on. They said that taxpayers in Detroit had criticized these arrangements and that they themselves had regarded it as an unwise obligation on their part.

The directors hope there will be a large attendance in order to acquaint the community with the vital work and character of the operation of this organization.

The Grosse Pointe Woods Community Club will hold an open house for all residents of the school district of Grosse Pointe Woods and Grosse Pointe Township to meet with Mrs. Jane Costabile and Edward Wernet, who will discuss the new policy and program for the Community Club.

The meeting will be held at 7:30 p.m. on Wednesday, August 2, in the Grosse Pointe Community Club located at 20883 Mack avenue on the corner of Ridgemoor.

One of the subjects to be discussed will be the need of volunteer group workers over 18 years of age, who are not necessarily experienced but who like boys and girls, and who are willing to give 5 hours a week as adult leaders and advisors in children's club activities. If there are individuals who have special skills, such as crafts, sewing, woodworking, etc., the club officers would particularly like to have them attend this meeting on August 2.

Club Conducting An Open House

State Approves Disposal Method

Merrill Lenox To Preach Here

The State Department of Health has addressed an invitation to the Park to send representatives to Lansing and witness an exhibition that is under way there of the most efficient and scientific way of disposing of garbage and waste materials by using it as a sanitary fill.

This method is employed both to make fills where such are needed and at the same time dispose of unsanitary matter without endangering the public health. The principal of the operation lies in covering the unsanitary matter with prescribed depths of clean earth. Time quickly reduces the fill to an innocuous mass.

SIDESWIPES CAR

Mrs. Hester H. Gilchrist, of 32 Hendrie lane, while driving west on Kercheval on July 20, was sideswiped by a car driven by Oscar R. Kalz, of 3905 Lemay, Detroit, who was making a U turn on Kercheval. Kalz was ticketed by Farms police for not having his car under control.

HOUSEHOLD HINT

A time-honored rule for choice of dressings is to use French dressings for dinner salads which accompany a meal and mayonnaise or cooked dressings for some of the more substantial salads, advise Michigan State College home economists.

Michigan appointed Dr. Lenox to serve on the committee of the Detroit Area Regional Planning Commission.

WOEFUL WASTE

Larry M. Gentile, of 28 Fisher, and Herman A. Ortegren, of 942 Lincoln, called the City police on July 18 to report that the fire hydrants in front of their homes had been turned on. Captain Rivard of the fire department and Officer MacEachern of the police department responded to the call and turned the hydrants off.

Woods Turns Thumbs Down On Sharing Cost of Survey

Refuses to Cooperate in Studying Proposal to Set Up Pointe Authority For Disposal of All Waste Materials

It developed at the Park Council meeting on July 24 that the Woods has refused to go along with the proposal to have a survey made for the collection and disposal of garbage and rubbish on a community wide basis by an authority to be set up for that purpose and administered for the whole Pointe.

The total cost of the survey would be about \$1,200 and was to be prorated among the five municipalities.

Farms Okays Plan

The Farms Council went along at its last meeting but with the understanding that it was contingent on all of the other communities agreeing to pay their

New Methodist Church Nearing Completion

The Grosse Pointe Methodist Church will begin its fall schedule of services on Sunday September 10. Its new building is nearing completion on Moross road near Kercheval. Those who wish to make an inspection tour of the building can call TU. 1-1129 and arrangements will be made.

The Grosse Pointe Methodist Church began holding services on Sunday September 10, 1945 in the old Kerby School. The growth of the church made it necessary to move to the New Kerby School where services have been held for the past year. Hugh C. White is the pastor of the church.

proportionate share. The Farms share was about \$290, and is figured on the basis of 3 cents per capita of population.

Park Optimistic

Whether or not the Woods veto will quash the whole project remains to be seen. The general opinion of the Park Council members was that it would not. They believed the Woods officials would change their mind when they better understood the project in its entirety.

Conduct Drive For Field House

University of Detroit alumni from Grosse Pointe and the East Side area collected a total of \$21,684 in a single day for the current Field House campaign.

Thomas T. Petzold, associate chairman in charge of the East Side Division for the men's group, announced that the amount came in as a result of the city-wide "T-Day" (Titan Day) drive held on Saturday, July 15. Mr. Petzold resides at 861 Edgemont Park.

Working with him was James M. Brennan of 1040 Harvard road. He served as "major" and had over a hundred "workers" canvassing among alumni of the East Side. The individual total for the day raised by his "teams" was \$5,290.

The united effort for the one-day drive netted \$127,875. This brings the total as of last week to \$216,551. The goal of a half million must be reached before ground can be broken for the field house.

Ben Shepherd Dies at 63

Ben O. Shepherd, of 17 Lake Shore, Grosse Pointe Farms, died Thursday, July 20, after a long illness.

Mr. Shepherd has long been recognized as one of the leading lawyers of Michigan, and was a past president of both the Detroit and Michigan State Bar Associations.

He had been a resident of the Detroit area for more than 35 years. He was born in Clinton, Ill., Oct. 20, 1886. He was graduated from the University of Michigan Law School in 1914 and was subsequently awarded an honorary degree by the Detroit College of Law. He was the first president of the Michigan Law Institute.

Mr. Shepherd was long active in Republican politics and served as treasurer of the party's State Central Committee in the Wilkie and first Dewey campaigns.

He is survived by his wife, Dorothy, a daughter, Pamela, and a brother, Wilson E., who lives in Hobart, Oklahoma.

He was a member of Christ Episcopal Church where the funeral services were held on Saturday afternoon. Burial was in Evergreen Cemetery.

SPECTATOR SPORT

At his next baseball game, Ethan Pawsat, 13, of 13337 Bishop, will only be able to participate in the game as a spectator. Ethan's baseball activities will be curtailed for a while this summer because in the last game he played in he broke his third finger on his right hand. The fracture was set at Bon Secours hospital.

Whoever serves his country well has no need of ancestors.

Honored

HAROLD H. SCOTT, resident partner in the accounting firm of Haskins and Sells, was named a National Vice-President of the National Association of Cost Accountants at their annual convention, held recently at the Waldorf-Astoria in New York City.

Scott is a director and past president of the Detroit Chapter, which has a membership of over 1000 industrial and public accountants and financial officers from approximately 300 business organizations. He lives in Maumee avenue, Grosse Pointe.

Sideswipes Car And Rams Pole

Mrs. Rita Antwright, of 857 University place, was making a turn from Kercheval south onto Moross on July 23 and struck a car driven by Andrew Serbie, of 1160 Holcomb who was proceeding north on Moross.

After her car had sideswiped Serbie's it smashed into a light pole in front of 188 Moross. Mrs. Antwright had made too wide a turn onto Moross and as a result struck the other car.

She is a novice driver having only driven a few times before. Farms police issued her a ticket for not having her car under control.

Police Seeking Hit-Run Driver

Mrs. Robert Keogh, of 432 Cadieux, reported a hit and run accident in front of her home on July 21 to the City police.

Sally Lutz, of 1044 Alter had parked her car in front of the Keogh residence while she was visiting Mrs. Keogh. The woman heard a crashing sound a short time later and rushed out of the house in time to see a car turn off its lights and career around the corner of Cadieux and Maumee.

The fleeing car had just sideswiped the Lutz auto. Police in the Pointe area were alerted.

The less people speak of their greatness the more we think of it.

Verheyden's Development Approved by Park Council

Charles Verheyden, who several weeks ago was granted possession of the alley in the rear of his funeral parlors on the southeast corner of Whittier and Mack by process of abandonment by the Park Village, and subsequently asked possession of the alley for additional parking and garage space, appeared before the Park council on Monday afternoon to receive the final answer on his petition.

As Mr. Verheyden owns the land on both sides of the alley and it is not a thoroughfare servicing any other properties, the abandoned alley reverts to him legally.

Mr. Verheyden has plans prepared for a considerable addition to his funeral establishment, including a new chapel.

He also planned to construct an underground garage under the abandoned alley, including the southern ten feet of the alley, which he planned to use in the underground garage. One of the chief arguments advanced for permission to build the subterranean garage was that it would enable him to park seven or eight cars in it which ordinarily are parked on the street by his employees.

The commissioners looked kindly on his intended use of the garage as every effort is being made to do away with street parking. A fly in the ointment however is the fact that a part of the underground garage would lie under that part of the alley which is in a residential zone and such use of the alley, even though under the land surface, would conflict with the restrictions imposed in this subdivision. This led to a protracted but friendly argument which lasted for more than an hour. The ques-

tion was finally compromised by Mr. Verheyden agreeing to build his underground on the eastern end of the property where the question of violating residential restrictions would not intervene.

Certain concessions were also made in the matter of the required square feet of parking space under the zoning ordinance, as proportioned to the square feet of the ground area of the building when the additions are made.

Councils have the authority to do this where hardship would otherwise result and when a public benefit would result, as in this case taking parked cars off the street.

Mr. Verheyden has been given permission to go ahead with his improvements and his possession of the abandoned alley has been confirmed.

Youth's Death Called Accident

The body of Roger W. Van House, 18, was found hanging on a clothes line from a beam in the basement of his home, 2071 Oxford on July 18, by his father, R. W. Van House.

Grosse Pointe Woods Chief of police, Walter J. Goulette said, "I feel sure that the boy's death was accidental." From all appearances the lad was in the basement practicing calisthenics and acrobatic stunts. He accidentally got tangled up in the line.

Roger was a sophomore at Grosse Pointe High School. He was attending summer school classes. Mrs. Van House was away at the time of the fatal accident. She was talking care of her ailing father in South Dakota. Three other children, two boys, 8 and 4, and a daughter, 19, were not at home.

Burial was at Forest Lawn Cemetery.

Speeding Ticket Gets Expensive

Homer Rogers, Jr., of 2526 Antoine St. Detroit, strolled into the City police station on July 19 and stated that he wished to pay for a speeding ticket that was issued to him in June of 1949. A city police released Rogers on a \$50 cash bond. On July 24 Rogers appeared in the court of Judge Joseph P. Uvick where he was fined \$30 and \$10 in costs.

Stone Throwers' Parents to Pay

Elizabeth Long, of 914 Roslyn, was driving east on Vermeer on July 20, and as she approached the corner of Balfour her car was pelted with stones by three young boys who were bombarding cars passing by.

The boys broke the right rear door window of the Long car.

Police from the Park apprehended the youngsters and severely lectured them about throwing stones. Restitution for the broken window will be made by the parents of the boys.

Park Contracts Let by Woods

At the Woods council meeting on July 18 contracts were let for the sewer and water main work in the lakefront park. The sewer job went to the Northeast Construction company and the water main job to the United Contracting company.

The job of constructing the tennis courts in the Mack Avenue Park was awarded to the Thomas Wilson company. The total costs on each job were to be figured by Pate and Hirn, the village engineers.

SPEEDER NABBED

Officer Mauck of the City police, issued a ticket to Raymond C. Case, of 4014 Devonshire, Detroit, for speeding 40 miles per hour on Charlevoix on July 15.

Arguing Drivers Battle It Out

Farms police investigated three youths who were engaging in a slug fest on Lake Shore road on July 23. The trouble started when a car driven by George O. Dyer, Jr., of 22408 Hanson ct., St. Clair Shores, was cut off by Rene A. Verlinde, of 22328 Downing.

The two cars continued west on Lake Shore taking turns at cutting each other off. Finally the boys stopped and started to fight. The police settled the trouble.

Hits Parked Car Then Overtakes

Walter Stritzinger, of 2044 Brys Drive, Grosse Pointe Woods, was driving north on Lorraine on July 19, when he apparently fell asleep and lost control of his car.

It struck a parked car owned by Raymond Naughton, of 751 Lorraine. Stritzinger's Hudson struck the rear and left side of Naughton's car and then flipped over onto its roof. He was not injured. Stritzinger appeared in court on July 24 to answer to a reckless driving charge.

He was found guilty of reckless driving in the court of Judge Joseph P. Uvick and paid \$20 in fine and costs.

To Wed Pointer

Mr. and Mrs. Karl D. Brill of East Grand boulevard announce the engagement of their daughter, NANCY ANN to Thomas W. McDonnell, son of Mr. and Mrs. Raymond F. McDonnell, of Chester avenue. The wedding date has been set for October 28.

Cuts Too Sharp; Rips Off Fender

Leonard S. Stephens, of 1138 Manistique, Detroit, was driving south on Moross on July 22 when another car cut sharply in front of him and tore a fender-off of his car.

The driver of the car who cut so sharply, Julius Boone, of 1599 Corey, Detroit, had his license number noted by observant witnesses.

Farms police notified Boone to come to the station where he was issued a ticket for reckless driving. He was to appear in court on July 26.

ADVICE FOR MERMAIDS

Two-piece bathing suits are usually more becoming for a tall person and one-piece suits for a short person. If you are plump, white or light colors, or a large splashy print will make you look plumper. Dark colors or a small print will have a slenderizing effect, say Michigan State College home economists.

IGNORES STOP SIGN
For failure to obey the stop sign: at Washington and Charlevoix on July 19, Clinton Laurie, of 719 Washington was ticketed by City police.

PROBE PROWLER REPORT
Farms police investigated a neighbor's report that the screen door of the A. G. Reeves's residence had been tampered with on July 18. Police checked the house and found everything to be intact. The Reeves are on vacation.

Church to Hold Boat Excursion

The Grosse Pointe Methodist Church will hold its annual Boat Ride to Port Huron on Sunday morning, July 30. The boat will leave from the foot of Bates Street at 9 on Sunday morning and sail up the river to Port Huron and return to Detroit at 7:30 in the evening.

This trip traverses some of the best scenery to be found anywhere in the lakes region and is considered one of the finest excursion rides in the nation. Tickets may be obtained from Mrs. Kenneth Kimmel, TU. 2-3282. The date, Sunday August 30, is a change from the originally announced date of Saturday, August 29.

Peace Appeals Branded Phony

Detroit's Common Council on Tuesday, July 25, unanimously passed a resolution "challenging and directing our people's attention to the false and misleading propaganda drive of Red Dictatorship as represented by the phony Stockholm 'peace petitions' or 'World Peace Appeal'..."

Introduced by Councilman Charles Oakman, the resolution called on fellow citizens to alert themselves to "... the wolves in sheep's clothing who are calling upon our people and seeking their signatures to this latest Kremlin inspired maneuver."

A gigantic drive throughout Detroit and the state of Michigan and the rest of the nation has been conducted the past few weeks seeking signers to the so-called "Stockholm" peace plan, insisting primarily on diplomatic negotiations to the present world crisis.

The resolution pointed out that the peace petitions have been branded as communist-inspired by the House Un-American Activities Committee and other government officials.

It pointed out that the immediate aim is to lull the people of the United States into a sense of false security by false propaganda and concluded with the request that "we call upon our fellow Americans to repudiate the phony 'peace petitions' and advise the circulator of same of the traitorous nature of his behavior."

Red Cross Set For War Work

Spurred by the declaration of W. Stuart Symington, National Security Resources Board chairman, at the recent national Red Cross convention in Detroit, that the Red Cross would play a major role in civilian defense, Detroit Chapter of the American Red Cross has completed plans for its participation in the civil defense program for Detroit and Wayne County, John M. Sullivan, executive director of the chapter, announced.

This action, Sullivan said, is in accordance with an agreement worked out between the NSRB and the national Red Cross for utilizing "the experience and resources of the Red Cross" acquired through its disaster work and varied community services. The agreement commits the organization "to assist to the extent of its ability in the development and operation of a program of civil defense at national, state and local levels."

Kiwansians See Tiger Contest

Shouting and shouting like excited youngsters about to witness their first ball game, members of the Grosse Pointe Kiwanis Club clambered aboard chartered busses to witness the night baseball game between the Detroit Tigers and the Boston Red Sox on July 25.

The Kiwanians, 120 strong, had a block of tickets in Briggs stadium reserved for the thrilling game.

After the baseball contest the men returned to the woods and enjoyed steak sandwiches that helped to make the outing a smash success.

HURT AT BEACH

Carol Jablonski, of 335 Kerby, slipped and fell on a pipe in the parking lot of the Farms pier on July 23. Police took her to Cottage hospital where she was treated for a cut on her leg.

H. L. O'Malley Has Important War-Time Job

The Air Provost Marshall's representative in Michigan, Northern Ohio, and Canada is a Grosse Pointe, H. L. O'Malley of 838 Neff road. The work handled by this important office is largely of a security nature. The heavily industrialized area

is made safe through the efforts of this branch of the Federal government. Loyalty tests and anti-subversive activity are controlled by the Air Provost Marshall's office. Any leads on espionage or sabo-

tage are followed up by this group and then turned over to the FBI. Mr. O'Malley has been active in government intelligence work since World War I when he served with the Intelligence Corps in France.

Right Spot to Watch Birdie

It's "tree time" for Grosse Pointe girls at the YWCA's Camp Cavell. Left to right, front row, are SANDRA HAL-FORD of 16841 E. Jefferson, MARY JO MACK of 1027 Bishop road, and SANDRA TAYLOR, of 734 Neff road. Second row, left to right, JULIE JONES of 1899 Country Club drive, BEVERLY HUDSON of 1595 Faircourt, and LINDA WORBOYS of 1227 Whittier. Sitting on the limb are left to right, JULIE WATSON of 467 Lincoln road, LINDA CARDEN, of 454 Lincoln road, and JOYCE ZEMPER of 1051 Hawthorne road.

Building Boom Spurred By War

The Korean War appears to have caused a number of Pointers to hurry their plans for building new homes before any government edict is issued which would forbid residential building.

Murray Smith, building inspector of the Farms, said his office has been unusually busy during the last 10 days, and applicants for building permits appear to be especially anxious to get their permits in a hurry.

The Farms office has issued 14 permits in the last 10 days for homes which will cost \$300,000. Several unusually large residences are included, according to Mr. Smith.

21-Year-Olds Urged To Vote

All 21-year-olds who have failed to register since coming of voting age, are reminded by the Provisional League of Women Voters, (non-partisan), that a special opportunity is being afforded them tonight.

Just for their benefit the five Pointe municipal offices are remaining open tonight, Thursday, July 27, from 7 to 9 o'clock, to help them register for the fall elections.

Drivers Blamed For Park Crash

Mrs. Gerry Gardalla Lilly, of 387 Piper, Detroit, driving west on Korte on July 20, smashed into a car being driven by James Hanjaras, who was proceeding south on Pemberton. Mrs. Lilly was ticketed by Park police for failure to give the right of way.

The front end of her car was damaged. Police also ticketed Hanjaras for entering an intersection without due caution and for being limited to the left rear side and the right wheel. Both parties must appear in court on August 23.

Half of Farms Parking Lot Receives New Hard Surface

The Farms finished up two important projects this week with the surfacing of part of the municipal parking lot behind the business district on the north side of Kercheval between Mc-Millan and Muir roads, and the completion of this year's street resurfacing program.

Highway workers spent all Monday smoothing out the surface of the parking lot and rolling it. Then the half nearest Ker-cheval was given a heavy coat of tar and creosote, which was

allowed to cure until Wednesday. Fine stone which had been salvaged from the street repair program was used to surface the half lot, so this portion of the materials cost the city nothing. The council had allowed Engineer Murray Smith only \$600 to do the job. Mr. Smith said Tuesday he figured the job would be completed for a little less than \$500 by using the salvaged stone. The street repair job was finished Wednesday. This year's resurfacing program cost the city \$10,000. Some 90,000 square yards, or the equivalent of 37 to 40 blocks were given a coat of tarvia and spread with new stones.

William Dwyer Fatally Stricken

William A. Dwyer, of 1869 Allard, died of a heart attack on July 23. Efforts by Woods policemen to revive him with a resuscitator were in vain. He had been ill for some time.

Funeral services were held in the Verheyden Funeral Home and St. Paul's Church on Wednesday. He is survived by a sister, Mrs. John Stavish of Olean, New York.

Church Festival This Weekend

Pointers are cordially invited to attend the great festival which will be conducted Saturday and Sunday, July 29 and 30 by Our Lady Queen of Peace Church at Harper and Bournemouth.

Dinner will be served in the Church Hall on Sunday starting at noon. Last year more than 1,500 meals were sold.

There will be games and all manner of fun for children and grownups.

Society News Gathered from All of the Pointes

From Another Pointe of View

by Jane Schermerhorn

A community of sportsmen, that's what we are... And lately we've been talking to Pointers about our old friend...sketch... (when we came in June Joy... Louis Bolton... and Mrs. Sidney R. Small had just invented the sporty shooting)...

Now folks have skeet fields in connection with their homes... like tennis courts... and swimming pools...

The William C. Taggarts who live at Big Rapids, Mich. have such an arrangement...

And to shoot with them... the Addison Holtons... in their new plane... flew up to Big Rapids over the week-end... taking with them Miss Virginia DeVoy... and the Lester Ruwes...

Skeet Shooters

The Fontanalis Club lures the Ruwes too, for week-end skeet shooting...

More famed as a fishing club... we understand Mrs. Russell A. Alger is the envy of the gentler sex who boast of her, "Why she can catch fish in the dark!"...

Mrs. Alger's angling came in for attention down in Florida last Winter, too...

Dude Ranching

Still in the family... Nicky Ruwe is spending the Summer acting as a guide at the Frank P. Book ranch in Montana.

He took his third party out the other day... and during their trip the members caught 90 brook trout!

Also at the Book ranch are Peggy Book... Mrs. Mickey Cochrane and her two daughters...

This feminine party went West in a station wagon complete with a big dog...

Sub Deb Campers

Sub Deb Leslie DeVoy... along with Mitzie Thurber and Mary Fran Tracy...

Is off at Moss Lake Camp located in the Adirondacks at Old Forge, New York...

The girls are spending a very active life... fencing... shooting skeet (there we are again)... and taking riding lessons...

The riding master is a Russian who doesn't believe in using reins for early lessons... let the collar bones fall where they may...

Former Pointer at Leland

Former Pointer Mrs. Russell Riley (Magene Mitchell) with her four tots...

Has built a new house at Leland, Mich. and settled down for a lovely Summer with long week-end visits from the busy Mr. Riley who is internationally demanded as a city planner (their headquarters are in St. Louis)...

There's the baby Ruth Virginia... Phyllis... Ronnie and Donna...

Donna, just 9 years old, gave a piano recital in St. Louis before starting out on Summer vacation...

We understand she played for forty five minutes... and then during an additional quarter hour enchanted the audience with her own compositions which are grouped under a single title, "Mist on The Mountain"...

Gardener Mitchell

Donald R. Mitchell is delighted his daughter and her family agreed with him that there's no place like Leland in the Summertime...

He has a large home on the hill there... and his rock gardens have the reputations of being the loveliest in Northern Michigan...

When Mr. Mitchell isn't spending the Summer right "at" the earth doing his own gardens...

He's a familiar figure at local flower shows... drinking in every little detail...

Short and to the Pointe

Mrs. William Nelson Brock, Jr.

The former JANE ELIZABETH BALDWIN, daughter of Mr. and Mrs. Paul Rollin Baldwin of Whittier road, who was married on July 22 to the son of Mr. and Mrs. William N. Brock of Toledo, Ohio.

MR. and MRS. VINCENT E. BUTTERLY of Hampton road, accompanied by young BENK and CYNTHIA, left Friday for a fortnight's vacation. After a visit in Quebec, they plan to cross into Maine to see MR. and MRS. D. C. WAITE, JR., at Dover-Foxcroft.

"Roney Plaza" at Gratiot Inn sees a good deal of the following guests: the EDWARD C. ROEYS, and MRS. EDWARD C. RONEY, JR., TOM, BOB and PEGGY RONEY, the DAVID RONEYs, MR. and MRS. DAN TINDALL and their daughter, MARY ANN, and a host of others.

The Berkshire Music Festival at Tanglewood, Mass., is calling Pointers again this year. Departing this week are MR. and MRS. CHARLES J. COLLINS of Lochmoor boulevard, MRS. STAN-DISH BACKUS and MRS. JULIAN P. BOWEN, both of Lake Shore road, MRS. JEROME H. REMICK and MRS. INGERSOLL LEWIS. Mrs. Bowen will also spend a few days at East Hampton, L.I., returning about the middle of August.

MR. and MRS. FRED E. HARRIS, JR., of Oxford road and their children, WENDY and FRED III, see to it that they spend a good portion of the summer at the Gratiot Beach home which they share with the senior MR. and MRS. HARRIS.

The Belvedere Hotel in Charlevoix is the vacation choice of MR. WILLIAM B. LOWE of Yorkshire road.

DR. and MRS. E. C. BAUMGARTEN of Windmill Pointe were at Ramona Park last week-end for the Michigan Medical Association's convention.

MRS. STEPHEN STACKPOLE of Lake Shore road stopped over at Hidden Valley near Gaylord last week, en route to Huron Mountain.

MR. and MRS. CHARLES SAAD of Maryland avenue gave a post-nuptial party at the Belle Isle Casino Thursday evening in honor of their son and daughter-in-law, MR. and MRS. JOSEPH G. SAAD. The bride is the former MARGARET SOL-OMON.

Weekend guests of MRS. NORMAN H. F. MCLEOD at her farm in Leland included her son-in-law and daughter, the GILBERT WHELDENS of Lincoln road, MR. and MRS. GEORGE BUSH-NELL, JR., (BETSY WHELDEN), and GILBERT WHELDEN, JR.

The July 19 birth of a son, JONATHON, is announced by MR. and MRS. JOHN EATON GROUT of Vermier road. Mrs. Grout is the former PATRICIA MCKEE.

NOMA HEMMETER will give a dessert and miscellaneous shower on Aug. 10 for BETTE-BURR MEADER, bride-elect of GREENE FENLEY, JR. ANN MEADER will be hostess at the spinster dinner on Aug. 17 in her Lincoln road home, and RICHARD WICKHAM will entertain at the bachelor dinner in his home on Ridge road on the same date.

Summering with her parents, the HAROLD PALMERS, at Manchester-by-the-Sea, Mass., are MRS. WILLIAM J. CROUL of Lincoln road and her children, WINFRED and ELWOOD. MR. CROUL will join his family in August.

The THOMAS T. PETZOLDS of Edgemont Park had as recent guests in their summer home at Rye Beach, N.H., MR. and MRS. GEORGE A. LYONS, of Dearborn township.

MR. and MRS. JOHN WARD DETWILER (Phyllis Mengel) are receiving congratulations on the birth of a son, FREDERIC BRADLEY, born July 22.

MR. and MRS. MARK K. EDGAR of Lincoln road flew east Tuesday to spend a week at The Cabins on Lake Wallenpaupack in the Poconos in Pennsylvania.

Patricia Slowin Exchanges Vows

Patricia Ann Slowin, daughter of Mr. and Mrs. Leonard A. Slowin of Nottingham road, became the bride of Thomas George Emmenecker, son of Mr. and Mrs. George J. Emmenecker of Saginaw, on Saturday, July 22 in a morning ceremony at St. Ambrose Church.

The bride was given in marriage by her father in a double ring ceremony. Her ballerina dress was white springanza with a collar and bodice of Pointe de Lyon lace. She wore mitts trimmed with the same lace. The shoulder length veil was held by a small brimmed lace cap. She carried a white orchid.

Martha Slowin was her sister's only attendant. Her ballerina dress was white embroidered springanza over blue taffeta. Her small colonial bouquet was pink carnations and white larkspur.

Robert Seaman, of Saginaw, was best man, and Francis Snyder, of Saginaw, and James B. Hazen Jr., of Hudson, acted as guests. After the wedding members of the families attended a breakfast at the Whittier Hotel.

Mrs. Slowin was attended in a brown and white printed crepe with brown accessories, while Mr. Emmenecker wore a navy flowered sheer and navy accessories.

When leaving on their wedding trip the bride wore a white rayon suit with a pale blue blouse and white accessories. After a week's honeymoon in Northern Michigan the young couple will make their home in Saginaw.

LUCKY LOSER

Mrs. T. Thompson, of 5583 Bishop, Detroit, found a black purse on Cadieux in the 800 block on July 18. She turned it over to the Park police. From papers and credentials the owner was found to be Mary Elkins of 1096 Beaconsfield. The purse containing \$68 was returned to its owner.

Jacobson's

In town for the evening and early in the day...

Parking Meter Benefits

We cannot agree with arguments set forth against the use of parking meters on Kercheval in the commercial area extending from Fisher to Muir road. (See Letters to Editor.) The use of parking meters is to serve both the citizens and the commercial houses with which they do business.

Meters are not installed as revenue raising devices but to better control automobile parking in the interest of all. Mr. Reuter's charge that they do not make money has no bearing on the question whatever as they were installed by the manufacturers on the basis of being paid for out of the pennies and nickies they collected.

Move Towards Consolidation

In last week's NEWS the Letters to the Editor column carried a letter from Dr. Clifford B. Loranger the Village Clerk of Grosse Pointe Shores commending the suggestion recently advanced by Clarence Blessed, Public Safety Director for Grosse Pointe City, for administering the five Grosse Pointe Fire Departments under a single authority.

This was the basis of the reason why this paper opposed the destruction of the township when that plan began to take form. It was the only remaining governmental authority through which several branches of the public service were carried on for four out of five of the Grosse Pointe municipalities.

In anticipation of the demise of the township the police radio service which had been carried on by the Township was brought under a single authority called the Grosse Pointe Inter-municipal Police Radio System, the Public Health Service, another township function, was turned over to the County, with a little supplementary financial assistance if needed, and now they are seriously looking into the collection and disposal of garbage and waste, which never had been done by the township, but was carried on by each single municipality at unconscionable cost to the taxpayers.

Shins to Kick

It has been the immortal practice of the American people whenever they get themselves into a mess, foreign or domestic, to start to look around for shins to kick. We pyramided ourselves into a fine financial and economic morass during the "Coolidge prosperity" days, and then proceeded to lambast his successor, Herbert Hoover, who had scarcely warmed his seat in the White House

Grosse Exaggerations

A. PRYOR

"The thing that numbs the heart is this: That men cannot devise Some scheme of life to banish fear That lurks in most men's eyes Fear of the lack of shelter, food, And fire for winter's cold; Fear of their children's lacking these This... in a world so old." (James Norman Hall)

Over the weekend we sprained our left hand. (It was probably trying to find out what our right one was doing.) In any case, we had recourse to a small book on home remedies and found it so fascinating, we put away our "Second Oldest Profession" ... which is a book about the newspaper business, in case you didn't know! ... and concentrated on home remedies.

There were several paragraphs that rolled us in the aisles but we'll touch on just a few. First there was the emergency treatment for "dislocated jaw." IT sez: "Wrap your thumb in several thicknesses of cloth to protect them from patient's teeth. Then put your covered thumbs into the injured person's mouth, resting them on his lower teeth well back on each side, while your fingers grasp the jaw under the chin. Press first downward and then backward. As the jaw closes, slip the thumbs off the teeth to the inside of the cheeks, so they will not be caught between the teeth when the jaw springs into place."

All we can say is this stunt should only be tried between two AWFULLY good friends ... the one with the bum jaw had also better have a large mouth to hold those wrapped thumbs.

Another paragraph dealt with how to remove "foreign bodies from eyes" ... an expression we ADORE! This tells us to instruct the patient not to rub his eye ... but to close it gently (?) in hope that tears may wash the foreign body away! !!! (Ever get anything in your eye that a tear would take care of? Neither have we.) It goes on to say that if the eye is VERY painful a soft cloth soaked in cool water should be kept over the eye until the doctor arrives. Nothing like a soft cool cloth to ease the pain when there's a hot cinder in your eye!

We submit the following commercial ... word for word ... heard over the radio. Only the name of the product has been changed.

Joe: (groaning), "This awful indigestion and heart-burn. I can't work today."

Jerry: "You're silly to suffer like that. Why don't you get some Belle Drools? They ALWAYS help me."

Joe: "Belle Drools? THAT'S what my sister-in-law takes and she NEVER suffers from heart-burn the way I do. Thanks Jerry, I'll get some."

The only moral we can get out of this little scene is ... never trust your sister-in-law. Just go on suffering with heart-burn until some stranger tells you what to take for it!

A friend of ours recently returned from Washington, where he took his sub-deb daughter and an equally sub friend, through the Pentagon building. As they walked through one long hall, they noted the names on the closed doors ... all big shot stuff ... General Soandso, General Thisandthat, General Theotherthing and sandwiched in between a door marked "Private." Said the young daughter's friend, "They really ARE democratic in Washington, aren't they? Look at the Private's office here with all these Generals."

Out of the months of babes AND ... ??

The other evening at a small social gathering we witnessed the following domestic scene. Dear wife was busy gabbling with a group and it was obvious that dear husband wished to go home. He said so many times with various under and overtones. Finally, exasperated, he announced that if she didn't wish to leave RIGHT NOW ... he was going home without her.

"Well, go ahead," replied his wife, "But don't wake me up when I come in!"

Apparently, the most recent and snootiest addition to dogdom is the "Weimaraner" ... very few of which there are in Detroit. A local woman who has just acquired one, showed us a copy of the "breeders" book and we were bowled over with some of the ads. One was a half page ad by a couple announcing the birth of a litter of Weimaraners. The point is, they WEREN'T for sale ... it was just that the owners announced their birth ... even as with junior! Pretty fancy we call it.

when the hurricane started to blow. We also lived to honor and respect him for his common sense and courage and in the succeeding years his political opponents saw fit to call upon him many times for his sage advice and service.

When the debonair young statesman from Albany came in with his assurance that the "only thing we had to fear was fear itself" and then, to "restore buying power to the people," he proceeded to dish out twenty billions of the public revenue, vast masses of the people loved him for his "humane" practices and elected him four times to the presidency. To this day he remains to millions as a little tin god on wheels.

His protege and successor, Harry S. Truman, has been pursuing the same political tactics. He believes in and has practiced the plan of bribing vast groups with money which he has taxed out of those who have not or, maybe, just want it.

Mr. Truman has gone farther in the distribution of the public largess than even his daring predecessor dreamed of going. He had promised to do even more than he has done, when suddenly the prospect of a sizeable foreign war arose and there is danger now that Mr. Truman's shins may be due for a kicking.

He opposed expenditures for national defense which his military advisers said were necessary. He did this so he would have more of the public taxes to give away to those who, in many cases, did not need it.

Now he is faced with the imminent possibility that the seventeen year policy of "spending ourselves into prosperity," of which he has been a faithful devotee, may lead to overwhelming humiliation and initial defeats in a foreign adventure which promises to lead us into a major role in another world war.

Mr. Truman's shins may come in for a kicking that will leave permanent black and blue bruises on the presidential political anatomy.

The old cry of "don't swap horses in the middle of the stream" which took his predecessor over two hurdles may not be effective to keep him and his associates in power.

Enough Americans may have made up their minds that, come next November, any change would be for the better, and start the procession which two years hence will replace this country again on the road to sanity, honesty and justice in the National Government.

Meanwhile let Americans keep in mind that this process of kicking shins is going to involve some pretty prominent and respected shins. General Marshall, for whom the Nation has a deep affection and respect, was the apparent scapegoat in an impossible situation in which we had become involved by the asininity of the foreign affairs experts in our government.

The "policing" job in Korea which Mr. Truman so lightly referred to a few days ago is now giving him an anxious moment and the anxiety centers principally around the chart of his political future.

With this there is growing evidence the American people have a diminishing concern.

Letters To The Editor

To the Editor:—

It was with extreme interest that I read your editorial of July 13, 1950, "The No Admittance Sign."

This seems to voice so much more completely the thought that I endeavored to include in a paragraph of my letter to the Council of the Grosse Pointe Farms, regarding parking meters on Kercheval avenue.

I am enclosing a copy of this communication, thinking that possibly it may be of interest to you.

In presenting this data to you, I do not do so necessarily for publication, nor do I wish to be considered, in any way, critical of the gentlemen of the Grosse Pointe Farms Council, as I have the greatest respect for all of them, and feel that they do a fine job for our community.

In this particular instance, I believe an error has been made that injures the residential area, and this is my reason for continuing to keep this matter before the Council.

Very truly yours, ERLAND REUTER, 165 McKinley Road, Grosse Pointe Farms, Michigan.

Editor's Note:—A copy of Mr. Reuter's letter to the Farms Council follows.

June 30, 1950. Gentlemen of the Council, City of Grosse Pointe Farms:

You may recall that on January 23, 1950, I appeared before you gentlemen complaining that the effect of the installation of parking meters on Kercheval avenue, between McMillan and Fisher, was to immediately di-

ORIGIN OF DOME

Because of the religious ardor of a king named Asoka, the dome-type of architecture characteristic of India during the Third Century B. C., was spread nearly half-way round the world.

Asoka felt it his duty to convert all mankind to Buddhism. He sent missionary monks to Burma, Ceylon, Java, Syria, Egypt, and many more lands. The Aryan had made or "stupa" which he had made an emblem of faith, spread to these lands with Buddhism. From it evolved the pagodas seen today in China, Korea, and Japan.

vert parking from Kercheval avenue, a business district, to McKinley road, a residential street. At that time I presented to you a chart showing the receipts from the meters that confirmed this lack of patronization of the meter area.

At that time there was a question as to whether an increase in parking, between McMillan and Fisher, would result from the opening of the new market and stores "on the Hill" and you decided to give further study to this question.

However, there has been no appreciable increase in the use of parking in this area due, no doubt, to the advantageous location of the village parking lot immediately in the rear of these stores, precluding the probability of any shopper walking from the McKinley area to The Hill area.

Since last December I have noted the collections indicated on the registers of the 40 parking meters in this area and am attaching a tabulation showing these results by individual meter and collectively.

You will note that the average for the six weeks from December 20, 1949, to January 22, 1950, was .083 per day.

For the four weeks from January 22, 1950, to February 19, 1950, was .095 per day.

For the four weeks from February 19, 1950, to March 19, 1950, was .082 per day.

For the eight weeks from March 19, 1950, to May 15, 1950, was .097 per day.

For the four weeks from May 15, 1950, to June 11, 1950, was .098 per day.

I do not know what you gentlemen understand the parking meters should collect to prove their necessity, but it would certainly seem that if the collections by these meters are less than 50% of the possible col-

APTITUDE TESTS

enable YOU to learn the kind of work you can best succeed in, or the kind of studies YOU should follow. For men and women, boys and girls.

VOCATIONAL COUNSELING

Daniel L. Beck, Director, 956 Macabees Bldg., TE. 11-35-1 Woodward near Warren

lections, that they are not needed. Twenty of these meters on the basis of ten hours per day could collect 50c, and the other twenty meters 25c, or an average of 37c daily, whereas the collections average less than 10c daily or only 25% of the possible.

I think you will agree that this definitely shows the meters are not necessary in this area and should be removed in the public interest.

It is understood that the cost of these meters installed was approximately \$100.00 each, or \$4,000.00 for 40 meters. In the six months after installation the collection was less than \$700.00, so that three years' collections will be required to amortize this cost.

The whole idea of profit from parking meters also seems remote, when one considers the cost of operations of same; extra police work checking overtime parking, clerical work involved in keeping records of collections, etc. It would not be surprising if the Police Department would

LOITERERS QUIZZED

Ray Malmberg, of 1026 Balfour, reported to Park police that two suspicious men were loitering in front of his home on July 20. The police picked up the pair. They were held by Park police for investigation of a possible breaking and entering attempt.

Ice May Save Your Life

By FRED M. KOPP, R. Ph.

In the last five years ice has been found very effective in treating various injuries. First used in amputations, refrigeration treatment is now applied in cases of burns, frostbite, and advanced stages of cancer. Ice or refrigeration as it is called reduces pain and swelling, arrests infection, and eliminates shock in operation. One of its greatest advantages is that it permits the postponement of an operation until the patient is physically able to safely undergo it.

This is the 32nd of a series of editorial advertisements appearing in this paper each week.

be requesting extra personnel to make up for extra details placed on their department and the salary of one more patrolman would probably not be offset by the collections from all the meters in the Village.

Another factor that possibly should be considered, is that the ticketing of overtime persons tends to alienate the fine feeling of friendliness that has always existed between the residents and the Police Department.

It is my belief that in a residential community such as Grosse Pointe Farms, that we should all work to keep up the quality of the village, that business areas are only permitted as a positive necessity to the residents and that continual vigilance should be exercised to prevent the encroachment of business into or to the detriment of residential neighborhoods or values, and this is my reason for continuing to keep this parking meter matter before you gentlemen.

Very truly yours, ERLAND REUTER, 165 McKinley Road, Grosse Pointe Farms, Michigan.

Anglers Win Prizes for Fine Catches

Gray's Sports Shop Annual Contest Sees Very Close Competition

The third annual fishing contest sponsored by Roland Gray's Sports Shop closed last Saturday with competition keen for the prizes in the various classes.

Entries for the contest varied greatly. There were prizes for both the largest and smallest legal-sized fish in each class. Because there was no limit this year on the minimum size of perch, many babies found themselves entered in the contest. One angler tried to enter some perch eggs, but these were barred as the judges had no means of measuring fish eggs.

No Muskie Entered

An oddity of the contest was that not a single muskie was entered, although many were being caught in Lake St. Clair during the contest.

Louis Reno led the winners by taking top honors in both the perch and bass contests. His perch measured 11 1/2 inches long and won him a glass fishing rod, the fisherman's dream come true. Andy Smith's smallest perch won him a rod and reel. Reno's big bass measured 19 1/2 inches, which brought him his second glass rod.

George Brady and James Riegler tied for honors for the shortest bass. Both will receive casting reels.

Mrs. Kuhn Wins

Mrs. Frank Kuhn, the only woman to enter the contest, walked off with the honors in the pickerel class. Her entry measured 22 inches and won her a lashed reel and plastic utility box. Carl Eyres caught a 21 1/16

Prize Winners

Roy D. Chapin, Jr. of Kenwood road, walked off with both honors in the trout class of the fishing contest conducted by Roland Gray's Sports Shop, entering both the largest and smallest fish of this variety. His first prize entry measured 19 1/2 inches and the baby winner was just legal size. The catches netted Mr. Chapin in a translucent silk tapered line and a magnetic fly box replete with dry flies.

inch pike and carried off a beautiful reel.

Roy D. Chapin, Jr. and John S. Sweeney, Jr. battled it out for honors in the trout class, with Mr. Chapin's 19 1/2 inch beauty winning by a very slight margin. He was awarded a silk tapered line and a magnetic fly box.

The winners gathered at Gray's Wednesday afternoon to receive their prizes and tell their stories about the bigger ones that got away.

Crescent Club Juniors Take District Title

Ronnie Sutton of Moran road and his crew of Lynn Babcock and Don Hill captured the Wakefield District championship last Friday and Saturday, July 21 and 22, at Crescent Sail Y. C.

Sutton scored two first, two seconds and a third in the five race round robin series for 21 1/2 points to finish 3 points ahead of Dave Adkins and his crew from Perryburg Boat Club at Perryburg, Ohio.

The third place honors fell to Ronnie Anderson representing the Jolly Roger Sailing Club of Toledo, Ohio with 16 points. Dave Smith of the Detroit Boat Club finished fourth with 11 points and Robin Hesse of the Detroit Yacht Club had 9 1/2 points.

Along with the sailing competition the five crews competed for the Seamanship award which was won by the Jolly Roger Sailing Club with 173 points. Perryburg (142), Crescent (124), Detroit Boat Club (117) and the Detroit Yacht Club (98) followed in that order.

The Seamanship award is determined on the condition in which the crews leave the ship after completing a race. A committee checks each boat and awards points for the way the sails are furled, lines coiled, etc.

The Crescent crew will travel to Cleveland August 1-3 where it will compete in a six boat round robin for the Wakefield Trophy.

The winner of this series will go to Cohasset, Mass., to vie for the Sears Cup, which is emblematic of the Junior National Sailing Championship.

All elimination series are sailed with Lightning class boats but in the Sears Cup the crews will sail International 210's.

This marks the second consecutive year Crescent sailors have won the district title.

Last year Fred "Skip" Pessel with his crew of Allan Robertson and Lynn Babcock won the Wakefield Trophy and finished fifth in the national series.

Cub Pack Loop Tie is Broken

The second place tie in Cub Pack 290's Indian League was broken last week when the Mohawks edged out the Navajos, 12 to 11, in a softball game at Mason playground.

The Comanches, however, moved closer to the Pack's baseball trophy, chalking up their fifth straight victory by taking a forfeit from the Chippewas.

The 12-game schedule ends this week.

THE STANDINGS

	W	L	Pct.
Comanches	5	0	1.000
Mohawks	3	2	.600
Navajos	2	3	.400
Chippewas	0	5	.000

BETTER TASTE, BETTER TASTE STROH'S

Winning New Honors

GORDON MAITLAND, left, of Washington road, and JIM REINDEL, who will both be seniors at Grosse Pointe High School this fall, are attending Culver Naval Summer School at Culver, Ind. There is a track meet every Saturday at the summer school and the local lads have taken first each week in their special events. Maitland runs the mile and Reindel handles the 100 yard dash. Both were members of the GPHS track team this last spring.

Roland Folk, Harold Love Win Club Tennis Tourney

Roland Folk and Harold Love, both residents of the Pointe but playing under the colors of the Indian Village Tennis Club, annexed the top honors in the Third Annual Grosse Pointe Club Invitational Tennis Tournament last Sunday afternoon. All matches were men's doubles, with 16 teams competing.

Bennie Bazydlo Right on Target

At the annual Michigan State Rifle and Pistol Association's meeting on July 22 and 23, Bennie Bazydlo, of 857 Beaconsfield, added another medal to his present collection of awards for sharpshooting.

Bazydlo placed fourth in the marksmen's contest open to riflemen from all over the country. From a standing position at a distance of 200 yards, he garnered 46 out of a possible 50 points.

This high score for the Pointe sharpshooter is a remarkable feat in itself but doubly so insofar as Bazydlo hasn't participated in any rifle meets during the past three years.

He now has over 60 medals, trophies and plaques that have been won in competitive rifle and pistol tournaments.

Roney Wins State Title In Sail Race

Walter Roney scored two firsts and a second place in a three race series on Lake Penton to win the State Lightning championship July 15 and 16.

This victory qualifies Roney and his crew of Jack Leverniz and Henry De Maeschalck, also of Crescent, to represent the state at the Lightning International to be held at the Buffalo Canoe Club September 7 to 9.

Thirty of the best Lightning sailors in the state competed for the honor.

By capturing the state title Roney has the right to defend his crown on the lake of his choosing and there is no doubt that he will pick Crescent to be the host club for the 1951 State Championship.

POINTE VISITOR DIES

George W. Estabrook, 78, of 3223 Hamilton, Detroit died of a heart attack on July 24 while he was visiting his brother C. U. Estabrook of 900 Roslyn road. Woods' policemen applied a resuscitator but were unable to revive Estabrook.

DRIVER TICKETED

The City police issued a ticket to James M. McAleer, of 4860 Lodewyck, Detroit, for failing to observe the stop street at St. Paul and Notre Dame on July 20.

Pointe's Lifeguards Ready To Tangle in Swim Meet

By Fred Rannels
Henry Collins, chairman of the Grosse Pointe Farms swimming meet, announced that all entries for the Lifeguard swimming meet are in and the teams for each community have been established.

The Lifeguard meet will be held the morning of August 17 and precede the Grosse Pointe Farms swimming meet for residents which will start at 3:30 p.m.

Looking over the rosters of the five community teams the Farms aggregation appears to be the most powerful with such former Grosse Pointe High stars as Burt Spurrier, Ted Mumford and Dick O'Connell. With these three as the nucleus Tom Dewey, Elton Bamford, Alex Bardy, Ralph Beapure, Bill Carruthers and Don Osborn round out the Farms squad.

The Shores team has only one star but what a star he is. Bob Jenks, former State breast stroke champion will lead the Shores team of Charlie Fleck, Jim Hartman, Bob Robertson, Tom Bruce, Pat Martin and Don Schmidt.

The City squad has a lone star in Bob Foscoe but it also has a diving expert in Bill Winkler, who was one of the Blue Devils' foremost point getters last winter. Making up the balance of the City team will be Bill "Jumbo"

Delling, Dick Nightengale and Bob Carver.
Eleven boys compose the Park squad but among those eleven there is not one outstanding power. However, by having the largest squad the Park may emerge the winner of this first inter-city meet by capturing the second and third places in the seven events.

The Park will have Frank Bielman, Thomas Kelly, Don Van Becelare, Jim Marshall, Bill Rogers, Ray Spinke, Gerry Thebe, Harold Mande, Frank Messing, Ray Reardon and Edward Carroll all wearing its colors.

If one were to pick an underdog team it would quite probably be the Woods outfit as it has the second smallest squad and is void of stars. Lee Kanser, Jack Cariden, Don Polace, Chuck Smith, Jim Rex, and Bob Schick will represent the Pointe's newest community.

The winning team will receive a loving cup and the team members will be awarded individual ribbons.

SPEEDER CAUGHT

The City police issued a ticket to Arthur R. Van Steelandt, of 1447 Anita, Grosse Pointe Woods, for speeding 35 miles per hour on Waterloo on July 17.

Sure, easy way to STOP MOISTURE DAMAGE!

FRIGIDAIRE Electric Dehumidifier

This revolutionary new Frigidaire Electric Dehumidifier can stop moisture damage for you—just as it has for thousands of others. Portable—ideal for basements, recreation rooms, workshops, libraries, storage rooms—wherever you have a moisture problem. The Dehumidifier is easy to install—just plug into any standard electric outlet. It takes moisture from air, condenses and collects it—all electrically. No mess—no chemicals. Powered by Frigidaire's thrifty Meter-Miser, which is protected against service expense for 5 years.

Only \$149.75

LOOK AT THESE ACTUAL EXPERIENCES!
"Our Frigidaire Dehumidifier has saved our recreation room. It has been completely dry this summer, even though the weather was warm and humid." D. B. C.
"Last summer our basement was so damp you could sweep water from the floor. Now, with the aid of the Frigidaire Dehumidifier, everything is bone dry." W. E. Z.
"Before I got my Frigidaire Dehumidifier, rust caused me a \$200 loss on merchandise stored in the basement. The summer after I installed it, I sustained no loss whatever." W. O.

FREE 5-DAY TRIAL OFFER!

Prove to yourself that the Frigidaire Dehumidifier can solve your moisture problem. Ask about a Free Trial without obligation for 5 days.

Candidate Richard Durant Blasts Truman's Fumbling

Richard Durant, candidate for the Republican nomination for Congressman from the 14th Congressional District, blasted the Truman Administration for "fumbling this country's foreign policy," at a meeting held Wednesday night, July 26, at the Detroit Boat Club. Durant ripped into the conduct of those officials who, he declared, "got us

into the mess we're in right now." "Here we are," Durant said, "faced with the grim possibility of World War III because of the Russian-sponsored attack in Korea. President Truman very properly has acted firmly to stop this aggression—and I'm glad that he did. But I'm surprised that he did, and so must the Russians be surprised. Because every act of his administration in Asia has been bent on appeasing Russia, and has played right into her hands.

"Who got us into this mess? What made the Russians think they could take Korea like a ripe apple without any trouble?" "At Potsdam, Truman gave Russia North Korea.

"Throughout the loss of China to the Reds, both Truman and Acheson insisted that we should keep our hands off—despite the fact that General Wedemeyer, after a complete survey, urgently recommended that we supply China with supplies, ammunition and advice.

"Last year the State Department announced that the American public should be 'conditioned' to the loss of Formosa; in January of this year, Acheson said, 'We are not going to get involved militarily in any way on Formosa'; Truman said, 'Formosa is strategically unimportant.' "As late as January of this year, in a speech before the National Press Club, Acheson praised his 'hands off' Far East policy, and lashed out at those

who wanted to stop Communism as 'putting the cart before the horse.' "Despite repeated warnings from General MacArthur, Truman and Acheson paid no attention to the trouble in Korea. Less than three weeks before the attack, MacArthur again warned of a storm! And yet Truman was taken by surprise!

"Is it any wonder, after a 'head-in-the-sand' policy like that, that Russia expected to take Korea easily? Is it any wonder that she was willing to take a risk—at all? You cannot prevent a war by appeasement. Have Truman and Acheson learned nothing from history?"

"Here is a government which has been spending to the tune of more than \$40 billion a year, taxing us at the highest peacetime rate in our history. The explanation given by Mr. Truman for most of this has been the threat of an expanding Communist tyranny.

"And at the first armed thrust of Communist forces—and for good measure, in a place where the thrust should have been anticipated—Truman must ask for emergency measures and \$10 billions more!

"What would we think of a county sheriff who has been given ample time and money to build his staff but who must send out a call for help at the first sign of a riot right at the spot where he knew a riot might take place?"

"Is there anyone, who, in the face of the record, thinks the Truman Administration is competent to handle foreign affairs now?"

Durant then went on to point out that we could hardly expect the Administration to be capable of dealing with Communists abroad, when it cannot deal with them at home.

"I don't know the truth about Senator McCarthy's charges of Reds in the State Department; neither does anyone else. But we do know that the investigating committee split in its report, claiming that a thorough investigation had not been made.

"That's as may be. But we do know some things. We know that Truman called the investigation of His 'a red herring'; we know that the present Democratic Congressman from this district, Louis Rabaut, voted against funds for the House committee which uncovered Hiss; we know that Acheson said that he would stand by a convicted spy; we know that Acheson placed in charge of Far Eastern State Department personnel John Service, a man arrested by the FBI for stealing secret documents for the Communist magazine Amerasia; and we know that Acheson's law firm represented the Communist government of Poland on their request for a \$90 million loan which Acheson, himself, as Assistant Secretary of State, was charged with the responsibility of making. P. S.: They got the loan, even though Ambassador Lane pleaded with the State Department not to make it.

Neighborhood Club News

Summer Day Camp..... The Neighborhood Club Day Camp will close this Friday, July 28, with a rodeo being the feature of the day. There will be four ponies available for the children to ride, one for each ranch. There will be square dancing, and a show "Cowboys and Indians" directed by Millicent Vinitsky.

The outstanding Cowboy or Cowgirl of each ranch was presented with an award. They are as follows:

- Bar 20 Ranch—Peter Buccella to 426 Moross.
- Bar 25 Ranch—Bob Finnigan, 15303 Promenade.
- Silver Star Ranch—Agnes Peters, 453 St. Clair.
- Diamond Horseshoe—Carolyn Rable, 5760 Audubon.

Jim Bruzese was awarded a badge for being the best entertainer in the Camp, performing in the Ukulele Club and doing pantomime work for a show and assisting Miss Masak with the P. A. system and the recordings.

There also will be an exhibit of handicraft work of the Day Campers this Friday. Mothers and friends are cordially invited to visit us this Friday.

Michigan Gets Ready for War

The "arsenal of democracy" for World War II is getting ready for World War III.

While hoping that Russia would not precipitate another world conflagration, Michigan government and civilian leaders are taking a practical viewpoint. If war does break out, Michigan can expect aerial attack from the enemy for the first time in the commonwealth's history.

Governor G. Mennen Williams has asked mayors of 45 cities, all over 10,000 population, to appoint civilian defense directors at once. A temporary air raid warning system will be placed into operation by Commissioner Donald Leonard, Michigan State Police. The governor was assured by Rep. Victor Knox, speaker of the House, that the legislature would convene promptly if, in the opinion of the governor, new legislation was needed to prepare Michigan for any emergency. The legislature is now technically in recess.

In Detroit, where munitions were mass-produced during World War II at victorious volume, steps have been taken to notify the public if Russia attempts a sneak attack by air. Sirens have been silenced on police and fire equipment so that the sound of sirens, at any time, will mean just one thing: WAR! Augmenting the police-fire siren warnings will be the whistles of 140 factories.

This Week's News as Told in the Headlines

Church News

(Continued from Page 1)
 The Senate has unanimously approved a bill to freeze in uniform some 193,000 servicemen whose enlistments were to have expired this year.

THE SENATE HOUSE ECONOMIC Committee has proposed an immediate multi-billion-dollar "across the board" boost in Federal taxes. The purpose of the proposed raise in taxes is to stamp out "proftiteering" and put the nation on a pay-as-you-go basis in the Korean crisis. The chairman of the economic committee, Senator O'Mahoney (D., Wyo.), suggested that individual taxes be boosted 10 per cent.

THREE HUNDRED WEARY GIs made their way safely back to American lines after a hazardous 80 mile march through enemy territory after fleeing burning Taejon. The men were on the road for nearly 48 hours. They were part of a group who had been outflanked and then had to fight their way to safety through enemy occupied territory.

Sunday, July 23
 ARMY OFFICIALS in Korea think an all-out counter offensive by United Nations forces participating in the Korean war will be launched within two weeks. The 1st Cavalry Division has begun pounding the North Korean

invasion force with a heavy artillery barrage. Bridges and rail centers were blasted by the Air Force in the first good flying weather of the past four days. American air power has isolated the battlefield. The navy's air arm lashed out at oil storage facilities at the city of Inchon.

W. L. MACKENZIE KING, former Prime Minister of Canada, died of pneumonia in his summer home at Kingsmore Lake, Quebec. He was 75. King served 21 years as Prime Minister of the dominion. Several nieces and nephews were at his bedside when death came. He was a bachelor. King was succeeded as Prime Minister of Canada by Louis St. Laurent.

FOURTEEN GOVERNMENT-built plants in Michigan are eligible for quick conversion to defense production. Included in these industrial plants is the huge Kaiser-Frazer plant at Willow Run. Any firm that purchased or leased a plant for war output would be given the first opportunity to operate them under government contracts. If the demand for military planes exceeds the capacity of the aircraft industry, Willow Run will resume the manufacture of bombers.

PRESIDENT TRUMAN is on the verge of asking Congress for

power to roll back prices to the levels existing before the Communists invaded Korea. Truman will invoke price controls if they are found necessary to prevent war profiteering. Reports have reached the White House from all parts of the nation of mass hoarding and profiteering. The President is still hopeful that housewives and price boosters will show restraint.

Monday, July 24
 ATTACKING NORTH KOREAN Communist forces were hurled back from an assault on the American defense line near Yondong on the Taejon front. This was the second day the attacking force was thrown back by the United States First Cavalry Division. The battle, which may prove to be a decisive one, is still raging. Communist casualties were believed mounting high. Front dispatches indicated the battle on the Taejon front is perhaps the greatest enemy setback of the war.

THIRTY NATIONAL GUARDSMEN and a crew of three perished when an Air Force troop carrier plane crashed into a field on the South Carolina coast. The plane exploded when it hit the ground. The two-engine C-46 apparently developed engine trouble just after it took off from Myrtle Beach with the group of Tennessee Air Guardsmen aboard. The men had been engaged in a two weeks' summer training program. The fire was too hot for rescuers to get near the plane.

MAJ. GEN. WILLIAM F. Dean escaped flaming Taejon unhurt. The General was previously reported as missing in that city. However Dean has disappeared.

GARAGES
 To fit your car and pocketbook. Materials only or we build it for you. We give you a blueprint free if you wish to build it yourself. Lumber for one-car garage as low as \$209. Call us for an estimate or come in. B. A. Chaplow Lumber Co. 8675 E. Seven Mile at E. Outer Dr. TWINBROOK 3-3700

on his way back to the American lines. He was hunting for stragglers among the men of his 24th Division. Hopes are still high for his safe return. Reports that the General was wounded in the fighting in Taejon are false.

AN ATTACK on the island of Formosa is feared at any hour. Four Chinese Communist armies have converged on the Fukien Province invasion coast opposite Formosa. Generalissimo Chiang Kai Shek has alerted the Nationalist air force and navy. President Truman has ordered the United States Seventh Fleet to defend Formosa.

Tuesday, July 25
 NORTH KOREAN Communist forces have penetrated into the rail and highway city of Yondong. American troops defending the city are reported to be holding their own. The American forward elements are under a fierce pounding from Communist artillery and mortar fire. A communique from Gen. Douglas MacArthur's headquarters reports a South Korean Division withdrawing to stronger positions.

CONGRESS has been formally asked by President Truman for \$10,486,976,000 in new military funds to equip an armed force group of more than 2,000,000 men. Expansion of the Marine Corps was revealed after a meeting of the House Armed Services committee. Admiral Forrest P. Sherman, chief of naval operations, is reported to have told the committee that the increase would mean another 57,000 men for the Marines.

IN THE FIRST SUCCESSFUL horizontal flight of a guided missile, the speed was recorded at 2,700 miles per hour. The huge V-2 rocket, carried a smaller missile piggy-back. The performance of the smaller rocket after it was launched in flight from

the V-2 is a military secret. However estimates have been made of the smaller rocket having attained a possible speed of 5,000 miles an hour.

PRESIDENT TRUMAN has called on all Americans to report promptly to the FBI any evidences of spies or saboteurs. The President said that it is essential that investigation of these matters should be conducted on a national basis. A security system for barring Communists and subversives from American ships has been agreed upon by management and unions of the maritime industry.

Wednesday, July 26
 NORTH KOREAN COMMUNISTS are now drafting boys from 13 to 16 for military and forced labor duties according to information interrogators have received from prisoners. The youths are being issued arms and ammunition and then thrown into forward battle positions. Col. Lee Sun Keun, public information officer of the South Korean Army, asserted that the morale of North Korean officers was sinking because of the heavy losses sustained by the invading forces since their initial successes.

CHARLES F. BRANNAN, Secretary of Agriculture has vehemently condemned hoarding. Brannan said that the United States larder is still filled to an overflowing point. The secretary is "seriously concerned" about ever increasing Government stocks of such commodities as butter, cheese, dried eggs and dried milk.

Phineas T. Barnum got his first real start in show business by managing the affairs of a remarkable juggler who had an equally remarkable dislike for soap and water. Once Barnum had prevailed upon the worthy gentleman to take a bath, he had no trouble building him into a popular entertainer.

who, where and whatnot

by uhoosiz

Everyone admires MRS. HARRY FRUEHAUF'S hats... which she buys not singly... but in b-o-x-e-s... She's particularly enamored of "suit hats" and this Summer is wearing a dashing one of beige trimmed in "insect feelers" of brown and white checkered gingham...

The Dressier Hat we've admired most lately was worn by MRS. ADDISON HOLTON... It's a small black velvet, brimmed and finished in a black sen sen dotted veil... on one side of the brim perches a pearl butterfly... We saw her in the hat the other day when she chose a hydrangea blue crepe gown, heavily encrusted at the square neckline and cuffs in appliqued white organdy. A brief Eton jacket, short sleeved, completed the tres chic costume...

PAMELA CURRAN is a blond dazzler who can (and does) wear exotic costumes...

Something veddy Town and Country about Paul H. Deming Jr. who takes to tweeds... in a Duke of Windsor way...

We understand Debs MARY STUART MacDONALD and LYDIA BUHL are to be feted during the Christmas holidays, too...

Bronzed and platinum blondes: The cute very sub deb daughters of the E. D. STAIRS JR....

PILFERINGS

On a radio broadcast Hildegard told Henry Daniell, "You were superb in 'Lady Windemere's Fan'" and he answered, "Oh Hildegard, I bet you tell that to everyone who's superb."

When an agnostic told Woodrow Wilson that the continuing troubles that afflict the world prove that religion has failed, he replied: "Think this over. If men are wicked with religion—what would they be without it?"—Walter Winchell.

The late Ring Lardner was in the habit of handing out sage advice to hopeful short story writers. Some of it went like this:

"A good many young writers make the mistake of enclosing a stamped, self-addressed envelope, big enough for the manuscript to come back in. This is too much of a temptation to the editor.

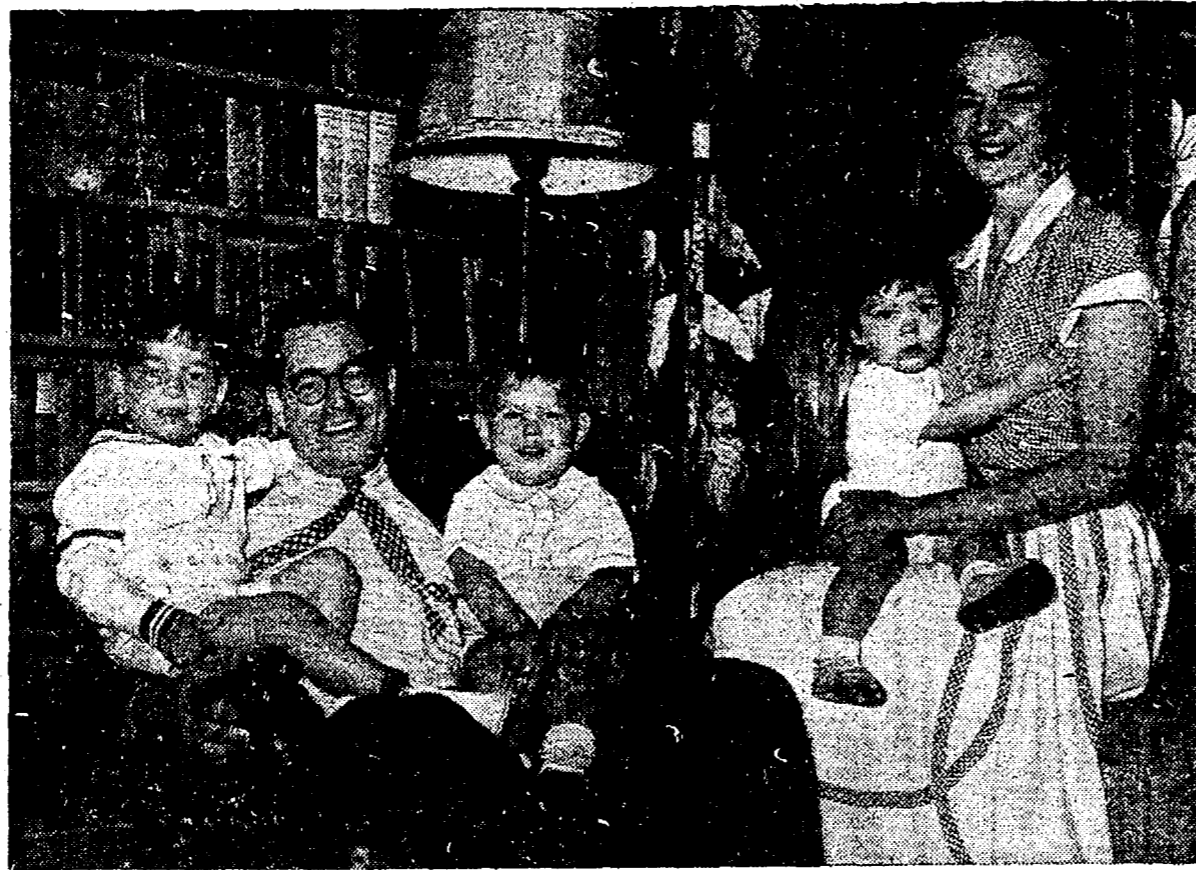

"Personally I have found it a good scheme to not even sign my name to the story, and when I have got it sealed up in its envelope and stamped and addressed, I take it to some town where I don't live and mail it from there. The editor has no idea who wrote the story, so how can he send it back? He is in a quandary."

As long as a woman can look ten years younger than her daughter she is perfectly satisfied.—Oscar Wilde.

Pointer of Interest

RICHARD DURANT AND FAMILY OF LINCOLN ROAD

Because he feels that professional politicians are so intent on being elected that they are afraid to stand up for their own convictions, a Grosse Pointe man has decided to run for Congress and try to get a few important things done. In May, Richard Durant made the decision to be a candidate on the Republican ticket from the 14th Congressional District in the fall election.

Lead Busy Life
Since that time, the Durant household has had few normal hours. Mr. and Mrs. Durant (she's the former Rosemary Heenan, personable daughter of Mrs. Earl I. Heenan of Bishop road) attend neighborhood meetings nightly, mostly at the homes of friends who invite in a few others to meet the congressional candidate. Since this is the first time that Mr. Durant has run for office, he finds himself with much ground to cover, but he is doing the job in a thorough, systematic way.

Mr. Durant attended Berkshire Preparatory School in Sheffield, Mass. When family finances slimmed down, he took a job at the National City Bank of New York and worked his way through night school at Columbia University as an economics major. In 1939 he started his own investment counseling firm in New York, but joined the Army in Sept. 1940.

With 101st Cavalry
He served with the 101st Cavalry, in the Pacific area for some time; until April 1946. He and Mrs. Heenan were married in 1945. They took up residence in the Pointe, and the capable Mr. Durant opened his investment counseling agency in Detroit. Their three lively sons are Richard Jr., Peter and Clark, aged three, two and one respectively.

Learns First Hand
The 32-year-old candidate chuckles whenever he is warned to "have the woman's viewpoint" when speaking before women's clubs nowadays. "We were in the midst of moving when our third child was born," he recalls. "But we hired a woman who was to keep things under control while my wife was in the hospital and I was at work. She had done a capable job for one day when her husband was taken ill.

"The woman was sure she could be back a day later, so I agreed to take charge. Each day she called to report that her spouse was no better, but might improve in time for her to come the next day. So for 20 days I took care of the moving, the kids, housework, meals and laundry, even talked over the back fence. I can safely say that I have the woman's viewpoint!"

On Advisory Councils
Mr. Durant is a member of the Men's Advisory Council for Sophie Wright Settlement House, the Advisory Council of the Economic Club of Detroit and has been on the 14th Congressional District Republican committee for the last four years. Naturally, Mr. Durant is interested in becoming acquainted with as many local people as possible. He will welcome hearing from anyone who wants to know more specifically about his political platform and aspirations. His address is 425 Lincoln road.

BLAMED FOR CRASH
Ruth I. Schaeffer, of 4500 Bishop, Detroit, pulled into moving traffic on St. Paul from Three Mile drive on July 19 and caused an accident. She struck a car being driven by Malcolm McColl who was proceeding west on St. Paul. Miss Schaeffer was ticketed by Park police for causing an accident.

LIMA BEAN RECIPE

Contributed by Mrs. Wilbur J. Rieck
1 lb. lima beans
3/2 c. water
1 t. salt
1/2 c. brown sugar
Cook mixture on high heat until it steams. Turn to low and cook 1 1/2 hours. (Mrs. R. cooks this in a Scotch kettle on her electric stove.)
Then add:
2 small onions, cut fine
6 slices of bacon, cut in small pieces
2 T. butter
1 bottle of catsup
Continue to cook for 3 1/2 hours. This method gives a delicious moist taste to this nutritious vegetable.

City's New Pool Near Completion

The pump and chlorinating machinery for the new wading pool for the youngsters in the City's beachfront park arrived last week and are now being installed.

This will be the first unit of what will eventually be a complete modern swimming pool. The City of Grosse Pointe adopted a policy some months ago of approaching its swimming pool problem by easy stages on the pay-as-you-go plan instead of loading the City with a large sized bond issue for this long needed improvement.

Just what part of the program will be undertaken another year has not been decided, but the little folks will now have a pool in which they will be safe against the periodic summer alarm of polluted or disease breeding water, which the local health authorities have been compelled to issue so often in the past.

The pool will be ready for use in a few days. No water has been let into the pool pending the installation of the chlorinating apparatus.

CARRIER BOY BITTEN

Cliff Jenkins, 12, of 743 Berkshire, was bitten on the calf of his left leg as he was delivering newspapers on Whittier on July 20. The dog that bit Cliff is owned by Mrs. K. R. Beardslee, of 841 Whittier. Mrs. Beardslee said she would keep the animal locked up for a 10-day observation period.

HAS NARROW ESCAPE

While crossing Wayburn from the east to the west side of the street, James Parent, 14, of 12180 Wayburn, Detroit, rode his bicycle into the side of a car being driven by Richard Kitchmer, of 16720 Chandler Park drive on July 19. The boy suffered only a scratched leg. The fender of his bike was damaged.

Pointe Counter Points

Sultry summer days mean no lull to the skilled beauticians at MARIE BIRD'S BEAUTY SALON atop The Hill on Kercheval... far from it... for the cool restful informality of the place (thanks equally to the personable operators and t-h-e air conditioning) makes it a popular haven for moddoms who desire chic and comfort. MARIE BIRD is justly proud of her "top flight" staff... confidentially, when appointments are called in, she's in a quandary to know how to apportion them. Perfection is the keynote here, and every curl or manicured nail that leaves the premises is smartly done.

The petite Miss and Mrs. hereabouts have found a new champion in JACOBSON'S. Autumn styles now coming into the beautiful shop will relieve "les petites femmes" of their customary alteration blues...

Nor would it be right not to warn Pointe ladies of distinction that JACOBSON'S exclusively will carry the beloved Kay Saks suits, renowned for their truly different color tones and soft rich weaves. Superb suits from the skilled hands of Don Norris, famous English designer, and a host of other top names... Amy Linker, Monarch, Carmel, Kraus and more... can be found in the suit salon. Three piece outfits are back this year, and JACOBSON'S fall coats boast many velvet trims. Veddly eastern are the straight standing collars, and cuff detail is highly accentuated.

Play Presented By Small Fry

A summer recreation program was solved, in part last week, by two teen-agers of the 1800 block of Hampton road by presenting a group of small fry, (ages 5 to 9) in a 3 act play "The Sleeping Beauty."

Joanne Hargis, sophomore at Grosse Pointe High and Margaret Furtaw, St. Joan of Arc seventh grader, assisted by De Eite Kissane, diligently coached the group for two weeks and on Thursday, July 20, presented the play to parents and friends. The terrace of the Albert Wilkes

home was the scene of the play. The cast included Grace Schrage, Pat Sellers, Kathy Wilke, Gerry Bem, Mary Elin Schrage, Connie Wilson and Doris Sigouin, Gerrie Roltsch was in charge of tickets.

SKIPS SIGNAL

Officers Deraedt and Keller of the City police issued a ticket to Roy O. Burford, 28, of 217 North Gainsborough, Royal Oak, who failed to observe the stop street on Notre Dame at Waterloo on July 22.
