TWO PUERTO RICAN nationalists tried to shoot their way into Blair House yesterday afternoon and assassinate President Truman. One, Griselio Torresola of New York, killed by Secret Service guards. Guard Leslie Coffelt fatally wounded by shots from fanatic's German pistol. Two other guards wounded in gun fight. President Truman was resting in an upstairs bedroom. Said he had made arrangements to dispose of his stock long before he was appointed judge by Governor Williams, and blamed his failure to get rid of his interest on the death of one of the other partners.

GEORGE BERNARD SHAW, playwright and master of modern literature who unblushingly ranked himself with Shakespeare, died peacefully in a coma in his home at Shaw's Corners, Ayot St. Lawrence, England. He was 94. He succumbed to the ravages of age and the recent ordeals of a broken thigh and a kidney operation.

Parcells School Addition Begins to Take Shape

Construction is well under way on the big new addition to Parcells School at Mack avenue and Vernier road. A glimpse of the original unit on the right shows how much bigger the new portion will be. The first unit, built when war restrictions still existed, contained only 18 classrooms. The addition will double the number of classrooms and will also provide a much-needed auditorium and gymnasium. Bids for the new portion totaled \$1,725,640, which was \$290,000 under the architects' original estimates. The School Board hopes the building will be completed by the time school opens next September.

Bon Secours Lays Second Cornerstone

Many Attend Ceremonies Sunday Afternoon As New Addition Nears Completion

The cornerstone of the large addition to the Bon Secours Hospital was laid at 2:30 p.m. on Sunday, November 5, and this fine and greatly enlarged institution moved a step nearer its goal of increased service to this community.

The procession of the clergy and altar boys moved to the cornerstone site a few moments prior to the ceremony, which was performed by Rt. Rev. John C. Vismara, D.D.

Spiritual Offering
The Reverend James D. Clark, O.S.A., of St. Clare Parish, preached the sermon following the laying of the stone. The large gathering of friends of the hospital in attendance pronounced it one of the most moving and beautiful spiritual offerings that has been heard in Grosse Pointe in many years.

An altar had been set up in the new addition elaborately banked with a beautiful floral display. The benediction was pronounced by Rt. Rev. Monsignor Edward J. Hickey. Following the ceremonies the Sisters and friends of the hospital served light refreshments.

Bigger Than Original
The new addition to Bon Secours will in reality be the main part of the hospital. It is considerably larger than the old part, but the installation of more operating rooms and all of the administrative provisions which are a necessary accompaniment of a modern hospital will leave the institution with only about double the number of beds. There will now be accommodations for 40 more beds, or a total capacity of 80 beds.

The cornerstone for the first unit of Bon Secours was laid on Pearl Harbor Day, December 7, 1941. Equipped with 32 beds originally, some porches were later closed in to bring the capacity up to 40 beds.

Jail Sentences Handed Out To Two Reckless Drivers

Two persons went to jail and three others received traffic school sentences and fines as Judge John L. Potter enforced Grosse Pointe Park's "get tough policy" against drunk and reckless drivers.

Leslie Earl Scott, 26, of 3575 Lycaste, received ten days Monday for drunk driving and driving after his license had been revoked.

Armistice Day Ceremonies Will Be Held in Memorial Center Saturday Morning

Community Urged to Turn Out to Pay Homage to Pointers Who Gave Their Lives in Service to Country in World War II

Armistice Day exercises will be held at the Grosse Pointe War Memorial Center Saturday morning. The program will get under way at 10:30 o'clock and will be under the direction of American Legion Post 303 and Alger Post 995, Veterans of Foreign Wars. The auxiliaries of both these service organizations will play an important part in the ceremonies.

Just a year ago the Armistice Day exercises were held in the Memorial Center for the first time, but on that occasion the event was more in the form of an Open House. The beautiful Veterans' Room was formally dedicated and the Garden Center Room has been completed, but most of the rest of the building was still in the early development stages.

Different Setting
This year the setting will be far different. The last 12 months have seen amazing progress made in equipping and furnishing the beautiful structure. Many gifts of art works, paintings, tapestries, vases, rugs, antique pieces of furniture and other items have greatly enhanced the beauty of the interior.

Most important of all, the tablets carrying the names of those Pointers who served and those who made the supreme sacrifice, had not been installed last year. They were dedicated this past Memorial Day.

Hope for Big Crowd
Officials of the War Memorial Center hope that all Pointers will make an effort to attend the services Saturday morning and pay homage to the more than 100 men from the community who gave their lives in World War II.

The services will open with the Advancement of the Colors under the direction of Elva Nielsen, president of the auxiliary of Post 303. She will be introduced by Norbert Neff.

The Pledge of Allegiance to the Flag will be led by Jean Poole, president of the auxiliary of Alger Post VFW. Ida Lawrence, pianist from Alger Post, will accompany the singing of the Star Spangled Banner.

Speech Makers
Charles W. Snyder will make the address, followed by speeches by George Evans, Commander of Alger Post, and George Kopsch, Commander of Legion Post 303.

Margaret Berfels, chaplain of Post 303 Auxiliary, will lead the opening prayer and Bertha Haslett, chaplain of VFW Post 995 Auxiliary, will lead the closing prayer. The Retirement of the Colors will make the end of the ceremonies.

Would Like Ph.D. Man
The Board would prefer to get a man with a Ph.D. but the absence of this degree will not be a bar to the engagement of an otherwise promising man.

Rotary Club Help Reaches Many Places

Local Branch of Service Organization Aids Individuals and Organizations

The Grosse Pointe Rotary Club is getting ready for its big annual benefit party which will be held on November 20, as usual in the Neighborhood Club. The money raised will go into the Club's Good Will Fund and from there be distributed to a wide variety of worthy causes during the ensuing year.

Party Supplies Fund
The money which it raises annually from these benefit parties, is the chief source of its income. The other comes from the dues of its members.

Many Seek School Post
The Board of Education is in the midst of its task of selecting a new Superintendent for the Grosse Pointe Public Schools.

When Superintendent John R. Barnes tendered his resignation some weeks ago because of ill health, he said he wished to be relieved of his duties as soon as possible but in any event not later than January 1.

Mr. Barnes' duties in connection with the new school building program, in addition to his routine arduous duties, have made it necessary for him to obtain complete rest for a considerable period.

Seek Far And Wide
The Board, has communicated with the University of Michigan, Harvard, Columbia Teachers College, Ohio State, Northwestern and Illinois, all of which maintain placement bureaus in the educational profession, apprising them of the vacancy in Grosse Pointe and requesting them to make recommendations.

All of these have come forward with such recommendations, in addition to two or three other universities which heard of the vacancy but had not been approached by the local Board of Education.

To Screen Applicants
President Franklin Dougherty says that these applications will be screened and the three to five most promising candidates will be invited to come on here for personal interviews. The interviews will be conducted without any binding commitment on the part of the Board.

Following these interviews it is probable that a committee from the Board will make a trip to the home town or present employment place to check on the candidate's background.

Volunteers Needed To Donate Blood For Men in Korea

Mobile Unit Will Come to War Memorial Center November 17 If 200 Sign Up; Response To Date Disheartening

The offer of the War Memorial Center as a blood collection station for Grosse Pointe has not met with the patriotic response that was hoped for. The enterprise was assumed by the Young Adult and Young Married groups which have figured so largely in the activities of the Center, under the chairmanship of Mrs. Charles B. Lord, who guides the Youth Activities of the Center.

May Go to Our Own
Some of the young men who have figured in some of these past activities of the Center may, in the mutations of the war in Korea, and beyond, become the direct beneficiaries of the blood bank.

It will be necessary that a minimum of 200 donors be signed up by next Monday, to assure the presence of the blood collection mobile unit out here on Friday, November 17, the day that has been set apart for the Grosse Pointe visit.

Not Worth While
Detroit headquarters has stated that any less number of donors than the 200 stipulated would not justify sending the unit out here.

The blood collected is sent direct to Korea as whole blood and is on its way there within 48 hours of its extraction.

Endorsed By Clubs
The Rotary and Optimist Clubs have endorsed the project and have called on their members to make donations. The churches have also endorsed the movement and St. Paul's has circulated its members to that effect. The Teachers' Association of Grosse Pointe is also backing the movement.

The Youth Group, however, remains the principal backers of the enterprise, but Mrs. Lord says that unless there is more interest shown than has developed to date, there is danger that the movement will fail.

Two Previous Visits
During the war two visits of the blood unit were made here and both were quite successful. Those willing to donate are urged to call the Center immediately. The phone number is TU-6030. Individual appointments can be made so no waiting will be necessary.

Public Hearing On Charter Set
Grosse Pointe Park's first public hearing to discuss a proposed city charter will be held in the Municipal Building, Jefferson at Maryland, at 8 p.m. Monday, November 13.

Everitt B. Lane, Park municipal manager, said that tabloids explaining the charter in every detail would be in the hands of residents well before the hearing date.

BURNED BY GREASE
Mrs. Sadie Smith, 41, 1951 Kenmore, suffered three degree burns on her hands and legs when a can of boiling grease splashed on her in the kitchen of her home Thursday, November 2. She was taken to Cottage Hospital by Grosse Pointe Woods Police.

1,155 Permits Issued In Nine Months

Value of Residential Construction In This Period Estimated At \$18,625,524

The rate of new home construction in the Grosse Pointe School District has continued to surpass all previous years, according to the third quarterly report just issued by L. M. Bartlett, Director of Pupil Personnel for the Grosse Pointe Public Schools.

100 Percent Increase
This report shows that a total of 1,155 dwelling permits were issued in the various municipalities comprising the Grosse Pointe School-District during the first nine months of this calendar year. This is almost twice as many permits as were issued last year for the same period of time, and last year's total for the year, of 835, broke all previous records.

It was thought that with the international situation and the placing of restrictions on certain types of building and building materials that there might be a distinct drop in the number of permits issued during this third quarter over the two previous quarters of the year. This was not the case, however.

May Slacken Now
During the first quarter, 253 permits were issued, during the second quarter 465, and during the third 437. Present restrictions and shortages, plus weather conditions will undoubtedly tend to lower the rate of issuance of permits for the remainder of the year. However, it is more than likely that at least 1,400 permits for dwellings will be issued by the close of the year.

Woods Hottest Spot
As for the past several years the greatest growth is still taking place in Grosse Pointe Woods where 482 permits were issued during this first nine month period. The next greatest number of permits, 256, was issued in the Farms. This was followed by 194 permits for the section of Gratiot Township which is located in the Grosse Pointe School District; 161 permits in the Park; 47 in the City of Grosse Pointe, and 15 in the Shores.

Breakdown of Data
A breakdown of the data by elementary school census districts shows that the Monteith District is continuing to grow most rapidly. During this nine month period 285 permits were issued for this district. This is 22.9 percent of the total. The Poupard or Gratiot District showed the next greatest number with 241 permits or 20.8 percent of the total. The remaining elementary districts in order are as follows: Kerby, 174, or 15.1 percent; Torrey Woods, 90 or 7.8 percent; Tromby, 83 or 7.2 percent; Roslyn (Vernier), 70 or 6.1 percent; Maire, 69 or 6.0 percent; Richard, 66 or 5.7 percent; Mason, 63 or 5.5 percent, and Defer, 34 or 2.9 percent.

Five Million Increase
The total valuation of all permits as placed by the officers issuing the permits is \$18,625,524. This is approximately five million dollars more than the total for all of last year.

On the basis of past experience, this building of 1,155 new homes will mean the addition of approximately 600 pupils to the public schools of Grosse Pointe within the next 12 to 18 month period.

Over 6,000 Enrollment
The enrollment in the public schools is now over 6,000, which exceeds the estimate made by the school authorities last year prior to the special election which authorized the construction of the Monteith and Poupard Elementary Schools and the completion of the Parcels and New Kerby Schools.

Contracts for the construction of all of these buildings have been awarded by the Board of Education and both the Board and its staff are doing everything possible to push forward the construction of these projects.

RADIO VANISHES
Miss Irene Hickey reported to the police on November 1 that a table model radio had been taken from her home at 259 Moross road.

New Post Office to Serve Pointe Officially Approved

Frank C. Middel, acting postmaster general of Metropolitan Detroit, announced that plans for a new post office in Grosse Pointe have been approved and bids for land and building would be sought next week.

Middel said he received word of the approval from Federal postal authorities in Washington, Wednesday, October 31.

According to Middel, Walter Meyers, assistant postmaster general of the Bureau of Facilities, will meet with realtors and contractors next week to discuss land and building requirements.

The area near the "Miracle Mile" on Seven Mile and Mack is being considered.

Though Middel said no allocation for the post office has been received, it is estimated that the cost will pass the \$150,000 mark. One plan considered would provide off-street parking for patrons.

Acting on the appeals of Rep. Louis C. Rabaut (14th D.); Norbert Neff, Grosse Pointe City clerk; and countless other Grosse Pointe residents, Federal authorities surveyed postal facilities here in 1947 and 1948.

The inspection was headed by Martin Thompson, Detroit District Postal inspector. After he completed his survey 13 months ago, he recommended a new post office to serve Grosse Pointe and Gratiot Township.

Thompson termed the present branch at 17140 Maumee as unable to cope with the growing need for postal service here.

Farms Building Hits New High

The greatest month in building in the history of Grosse Pointe Farms was recorded in October when permits for houses and buildings valued at \$1,425,800 were issued, Murray Smith, Farms engineer disclosed.

Murray said that October's boom brought to \$5,700,120 the value for building from January 1, to October 31. He said the figure represented an all-time record.

October's building includes \$500,000 for the new Kerby School and \$300,000 for the addition to St. Paul's School. Two \$50,000 homes are included in the 21 permits issued for houses.

Center to Have Advisory Council

The Grosse Pointe War Memorial Association is in process of setting up an Advisory Council. This adjunct to the governmental structure of the Memorial Center was provided for in the original By-Laws but the press of work entailed in getting the Center organized on an operational basis had prevented giving attention to the Advisory Council feature until now.

Following the regular meeting of the Board of Directors on Monday night another meeting was held on Wednesday which was devoted exclusively to the setting up of the council.

The Council will be composed of one representative from each one of the organizations which in the aggregate represent the composite of the civic life of the Pointe community. It is estimated that it will comprise about 80 members.

The Council will meet with the Board of Directors three or four times each year and listen to the detailed report of the conduct of the Center and make suggestions to the directors.

It is the plan that this advisory body will be the liaison between the governing body of the Center and the entire community whose organizations will be kept intimately touch with the Center through the reports of their representatives. This Advisory Council is to be perfected through the coming weeks.

They were Anthony F. Claer, 27, of 5245 Townsend, and Prosper De Caster, 25, of 1954 Stanhope.

Pointe Stores on Blacklist Of Professional Shoplifters

Grosse Pointe once a haven for professional shoplifters, is now very unpopular with these artists. Thanks to the fine work of Grosse Pointe City Police and private store detectives, losses by larceny in the district's shopping center have been cut sharply. Police Chief Tom Trombly and his associates believe in the old adage "an ounce of prevention is worth a pound of cure."

They nab the shoplifter at the front door. This is made possible through the assistance of Detroit Police and an extensive file and pictures of known "handy hands" at large. The exhibit is on display at the City police station where store managers and salesgirls can visit and observe their faces and features.

This also pays off. Just a few days ago, an elderly woman entered a store. She was looking for a coat but not through the over-the-counter channels. But an alert salesgirl recognized her as one of the persons in the police exhibit. She called

police who found her coat laden with special pinhooks and extra large pockets. City Detective Jame Flannigan will tell you that shoplifters are highly ambitious. "And some are very particular about the quality of merchandise they steal," he said. A woman arrested last week had a shopping list prepared with the place where to pick up each garment. Further investigation revealed that she had a carload of shopping bags from virtually every store in Grosse Pointe. Kleptomaniacs also give local police considerable grief. There are several of them in Grosse Pointe, all known to managers and clerks of local stores. Take for instance one wealthy shopper who spends about \$25 each time she visits a super market. But she conceals a pound of butter. The manager does not say anything to her but at the end of the month her husband gets the bill.

Joyce Silvernail, aged 1, suffered a cut chin and forehead and a bumped nose. Arthur Silvernail, aged 50, both of the Ridgmont address, suffered a bruised knee and forehead. Both were treated in Cottage Hospital and later released. The Silvernail car was damaged to the extent of \$150 and the Hunt car, \$75.

It marks the sixth successive year that Schweikart has been chairman of the charity drive. This year's special Goodfellows edition of the Grosse Pointe News will be sold on December 11. On that date, about 50 members of the Lions, assisted by Grosse Pointe police and firemen, will become newsboys again to raise funds to provide a bright Christmas for every needy Pointe boy and girl. Money raised on Goodfellows Day also enables the Lions to carry on a year-around program of public service. The 1950 goal is \$7,500.

Pointe Expected to Reach Its Quota in Torch Drive

Torch Drive officials at the Neighborhood Club headquarters, in reminding residents and businesses in the Pointe that the drive closes Thursday, November 9, point out that if all prospects have been solicited and all donations turned in to headquarters by that time, Grosse Pointe's quota of \$344,000, will probably be realized.

In First Place

Grosse Pointe is already in first place among the eight regions participating in the campaign in a like manner. However, the Pointe cannot go over the top on schedule unless all workers do their part and finish the job.

On Friday of last week the residential group reported donations of \$241,204, or 75% of the total quota for the Grosse Pointes. Businesses reported \$12,086, or 3% of the total quota. This brings Grosse Pointe's pledges to a grand total of \$253,290, or 73% of the \$344,000. With \$90,710 more to go by November 9, it was expected and hoped that donations would flood the already busy volunteers at the Neighborhood where results are checked daily and contributions are sent to United Foundation headquarters in Detroit.

Coming in Steadily

When contacted on Tuesday, Mrs. William Tost, Torch Fund Treasurer, and Mrs. John Kenower, Chairman of the residential group in Grosse Pointe, said that returns had been coming in steadily all day, and every indication was that 75% of the quota would be reached by that evening.

Grosse Pointe was scheduled to report at the last luncheon report meeting at the Book-Cadillac on Wednesday, and to give its final report on Thursday evening at a Victory dinner at the Book-Cadillac. Division chairmen from Grosse Pointe are to attend this affair. They will include Mrs. Kenower, Mrs. J. A. Mullen, Jerome R. Remick, Jr., and Mrs. John J. O'Brien, among others.

Legion Post Asks Support To Promote Youth Program

The Grosse Pointe Post No. 303, American Legion, will hold its annual pre-Thanksgiving party, Friday evening, November 17, at the Roosevelt Hall, 9189 Cadieux road, at 8 p.m.

All the Post's American Legion Junior Baseball team. The players are recruited from Grosse Pointe, St. Paul's and St. Ambrose High School boys, ranging in age from 13 to 17. They won the playoff pennant in their division this year.

The Post team for the 1951 season will be partially sponsored by Post 303, which must depend on individual support for the balance. It needs the backing of all who are interested in helping to equip a squad of 20 players and give them some out-of-town games during the regular playing season which extends over the entire summer vacation period.

The Post pays the entrance fee and premium on an insurance policy to protect players against injury and also manages and coaches the team.

The proceeds from this pre-Thanksgiving party will be a further contribution towards keeping an American Legion Junior Baseball team from Grosse Pointe in the league comprising 24 teams.

There are many families throughout Grosse Pointe whose sons have played on Pointe teams. They testify what has been done for their boys. The Code of Sportsmanship is kept the rules, keep faith with your comrades, keep your temper, keep yourself fit, keep a stout heart in defeat, keep your pride under in victory and keep a sound soul, a clean mind and healthy body.

Regular scheduled games will be played at Kerby Field in 1951; at least a single game on Sunday and Wednesday afternoons and more providing The Farms City Council completes the excellent start it has made for a hard ball diamond and keeps it in good playing condition.

As an indication of the regard in which American Legion Junior Baseball is held by the Major Leagues, Baseball Commissioner Chandler recently said: Of all the many fine baseball programs for boys in the United States, I recommend most strongly American Legion Junior Baseball. I happen to know most about it since my own son, Dan Chandler, plays on a Junior Baseball team sponsored by the Legion Post at Versailles, Kentucky, and because it is co-sponsored by the Major Leagues.

Since 1928, the Major Leagues have contributed \$50,000 each year to American Legion Junior Baseball.

That contribution has been made to American Legion National Headquarters at Indianapolis to defray the expenses of the national playoff involving the top teams from better than 15,000 teams playing in the United States each year.

Grosse Pointe Post No. 303 has appointed its Athletic Chairman, W. R. Pierce, 39 Beverly road, to again conduct this program and he asks that the baseball fans

No Parking Signs Placed on Kerby

"No Parking" signs have been erected on the west side of Kerby road between Kercheval and Chalfonte, and on the east side of Kerby between Chalfonte and Mack, establishing a new fire route.

The Farms police department reported that despite the fact that the signs were erected without any preliminary warning, not a single complaint has been received from any resident.

The signs were switched to the east side of the street between Chalfonte and Mack because of the athletic field there. The change allows residents on the other side of the street to park in front of their own homes.

Pointe Players To Give Thriller

By Joannie Merrill
Grosse Pointe High School Journalism Student

Pointe Players, Grosse Pointe High School dramatic club, will present "Arsenic and Old Lace" on November 16, 17, and 18.

Abbey and Martha Brewster, the two amusingly eccentric aunts, will be played by Cynthia Netting and Gloria Anton.

Teddy Brewster, who believes he is Teddy Roosevelt, will be portrayed by Dick Saunders.

Craft Strohmeier, as Jonathon Brewster, will undertake to present the perfect likeness to Boris Karloff. Mortimer Brewster, a dramatic critic, will be played by Don Coury. His fiance, Elaine Harper, will be portrayed by Nancy Gmeiner.

Others in the cast are Mike Doody, Ray Eddy, Neil Smith, George Bashara, Craig Campbell, Tom Swanson, Gary Cooper, and Bill Haring.

Mr. F. B. Nelson is the faculty director. Marcia Booth, president of the Pointe Players, is the student director for this play.

The Mothers Club of Grosse Pointe High School is sponsoring the ticket sales for Thursday evening, November 16. Tickets can be purchased from any mother of a Grosse Pointe High School or Brownell Junior High School student or in the neighborhood card groups of the High School. They will also be sold at the door.

The price is 74 cents as usual, and the profits from Thursday night go to the Mother's Scholarship Fund. Parents are urged to attend the performance on this night.

Tickets for Friday and Saturday evenings, November 17 and 18, are being sold at Grosse Pointe High School in the Student Council booth. Price for adults is 74 cents.

John J. O'Brien, co-chairman of the Detroit Round Table, will make the presentation of the award to Benson Ford, vice-president of Ford Motor Co., at the 22nd anniversary dinner, November 13 at the Masonic Temple. Both are residents of Grosse Pointe.

Benson Ford has been chosen for this honor because of his active interest and participation in human relation work plus his support of the principles of the National Conference of Christians and Jews.

Pointe Drivers Must Be Good

According to the report of Grosse Pointe Farms traffic court cases heard before Judge J. Burgess Book, III, during October no Grosse Pointe resident was found guilty of any traffic violation.

However, six Detroit motorists, and one from St. Clair Shores, were not as fortunate. They received fines ranging from \$10 to \$30 from Judge Book.

Daniel A. Noyes, of St. Clair Shores, paid \$30 for speeding 55 miles an hour on Lake Shore Road.

Milbern C. Shoemaker and Ruben F. Beck, both of Detroit, were fined \$25 each for speeding 65 miles an hour, also on Lake Shore Road.

The other Detroiters fined were Kenneth W. Washburn, \$10 and 60 days probation for reckless driving; Joseph Steve Nagy, \$5 for reckless driving; Jacob M. Elkind, \$10, failure to stop for stop street and William Eyer, \$10 for no chauffeur's license.

To be once in doubt is once to be resolved.

Directing Plans for Woods Church Fair

The annual fair of the Grosse Pointe Woods Presbyterian Church will be held in the church at Mack avenue and Torrey road on Friday, November 17, from 10 a.m. to 9 p.m. Among those helping arrange the event are, left to right: MRS. MAX SALISBURY, MRS. WILLIAM HILL, MRS. THOMAS GALLOWAY, MRS. HERBERT MATTHEWS, chairman, and MRS. ROBERT GREIG.

Heated Election Turns Out Voters

"May the best man win", remarked Miss Jane McClure, of 1040 Kensington, as she walked out of the election booth.

Miss McClure was typical of the thousands of Grosse Pointe men and women who voted Tuesday in one of the most heated elections in the history of Michigan.

Norbert Neff, City Clerk and a veteran of 30 years in public office, expected a record vote in all of the Grosse Pointe municipalities.

"In our precinct more than 1,200 had voted by 11 a.m.", he said.

The local interest of course was fanned by Governor Williams' Secretary of State, Fred M. Alger's campaign, bid for reelection, and the heated controversy for the 14th District Congressional seat between the incumbent Louis C. Rabaut, (D) and Richard Durant, (R).

Their campaigns were culminated Monday at Belgian-American Hall, 6590 Hurbit before a capacity crowd of 500, with 1000 unable to get in.

Durant established a precedent by appearing at the rally which was strictly for Democrats. In fact the drinks were on Rep. Rabaut.

TRAFFIC TAKES 161 LIVES

Traffic accidents in Michigan during September cost the lives of 161 persons, eight less than were killed during the same month last year. Despite this reduction, total injuries and accidents continued the upward trend, which has prevailed since May.

SMOKE FILLS STORE

Defective wiring was blamed for a small fire at Peck and Peck, 16910 Kercheval, Sunday, Nov. 5, that filled the store with smoke. City firemen extinguished the blaze and the only damage reported was from smoke.

Pointe Theatre's Production Attracts Family Combines

That the Grosse Pointe Theatre's first production, "State of the Union" is a family affair is the conclusion drawn by anyone taking a quick glance at the cast and various working staffs.

The Genter family is one case in point. Mrs. Genter, treasurer of the organization, is the Box Office Chairman while Ralph, Jr. has a part in the show.

The Genter family feel that community theatre is a recreation that every member of the family can enjoy. As Mrs. Genter puts it, "Theatre is an inherent part of America's cultural heritage. It provides healthful and constructive recreation and both technical and character training to all."

Clark Wells, who has the male lead in "State of the Union" and Lou Candler who plays an important role as brother and sister. Lou's husband, George Candler, also gets into the act. Mr. Wells feels that "One of the most important features of the little theatre is the warmth and friendship it generates among those who actively support it."

Dr. and Mrs. Arthur Bull, Mr. and Mrs. Frank Standish and Mr. and Mrs. George True are three more husband and wife combinations who are actively engaged in "State of the Union."

"State of the Union" is being produced on Friday and Saturday, November 24 and 25 at the Grosse Pointe High School auditorium under the direction of Dallas Chopin. One dollar buys any seat in the house.

Tickets are available at Doubleday Doran in the village or call Maryanne Genter, TU. 1-4586.

Pointe Police Chiefs Plead For Pedestrian Protection

"What does the 'dangerous age' mean?" Members of the Traffic and Safety Council asked the question in connection with the State Safety Commission's November program of traffic safety education.

The dangerous age—or ages—in traffic according to the Police Chief of Grosse Pointe are below 15 and over 65, for it is among these two age groups that pedestrian fatalities are greatest.

The November program of traffic safety education has pedestrian protection as its theme. Activities this month are being sponsored by the State Safety Commission, and coordinated with the efforts of the National Safety Council.

"According to the National Safety Council's figures," the chief said, "about 2,000 children under the age of 15 are killed as pedestrians each year. This figure is about 50 per cent higher, as a rule, than the number of 15 to 24-year-olds meeting the same fate."

In actual deaths, pedestrians over 65 years of age have the highest rate. Based on the number of pedestrian injuries and deaths in this over-64 group, it was found in one typical year that one out of every eight of these elderly pedestrians, who were injured while walking, died as a result of the accident.

This, the Police Chiefs pointed out, is even more lopsided than it seems at first glance when one considers the comparatively small percentage of our population falling within this advanced age group.

"The reasons for this overabundance of pedestrian deaths

in these two groups are fairly obvious." "Aged pedestrians are less able to protect themselves in traffic—in many cases their sight, hearing, and reaction time are inadequate for dealing successfully with present-day traffic. When injured they are far less likely to recover.

"On the other hand," he continued, "children under 15 owe their high pedestrian death rate to two major causes, crossing between intersections and playing in the roadway."

While a large part of the blame for the deaths in these two age groups can be laid at the feet of the pedestrians themselves, the State Safety Commission feels that—particularly with these two age groups—the motorists are in large part liable because of the relative helplessness or immaturity of the pedestrians.

Educating the youngsters and elderly people to safer habits will save many lives, but, as the State Safety Commission says, the responsibility is also handed to the motorist as soon as he applies for his driver's license.

Congregational Fair Is Friday

The doors will open at 10 o'clock on Friday, November 10, at the Grosse Pointe Congregational Church, 240 Chalfonte avenue, for the annual Holiday Fair.

This is the first fair to be held in the new church building. The committee on decorations started early in the week to transform the social hall into a market place with a Pennsylvania Dutch atmosphere.

Each group has outdone itself this year to produce a larger variety than ever of beautiful hand-made articles. There is something to attract every age group and every interest. There will be new items this year in addition to the old favorites; aprons, food, plants, dolls and doll clothes, antiques, white elephants, gifts, books, prints, cards and wrappings. An antique organ will go to the highest closed bid received.

Mrs. Robert Hanna is in charge of a play room where small children will be entertained while the mothers are enjoying the fair. The snack bar will be open all day. Afternoon tea will be served from 2 to 5.

The Children's Fair on Saturday, November 11, is planned for the convenience and entertainment of the young people. There they can meet their friends and have fun and do their holiday shopping too, if they so desire.

Mrs. Carl Shaltenbrand is chairman of the fair, with Mrs. James Evans as her co-chairman and Mrs. Samuel Fitzpatrick, Jr., Mrs. W. F. Lueckhoff, Mrs. A. E. Truby, Miss Carolyn Wicks, Mrs. Paul Blackburn and Mrs. Elton Nold as committee women.

St. Joan of Arc Party Tonight

The annual pantry shower and dessert bridge will be sponsored at 8 o'clock this evening by the members of the St. Joan of Arc Mothers Club in the school auditorium.

Guests will bring gifts for the pantry as the price of admission and proceeds will go to the Sisters of St. Joseph.

Chairman is Mrs. F. Bourgeois. Working with her have been Mrs. William Marks, Mrs. E. Farrell, Mrs. J. Pettit and Mrs. G. Loersch.

Refreshments will be served by the sixth grade room mothers. Mrs. J. Broughton, Mrs. E. Witchger, Mrs. W. McClelland, Mrs. L. York and all the sixth grade mothers.

Forecast is better than hard work.

"I WOULDN'T WEAR THAT TO A DOG FIGHT."

Well . . . maybe you will feel that way about one or two dresses in this lot . . . but they are the exception rather than the rule. You are more likely to say, "THAT'S JUST THE HOLIDAY DRESS FOR ME."

What are we talking about? Why this big RE-ORGANIZATION SALE at Ordway's Dress Shop; of course. That's right! The store is under new management.

We talked it over and decided we could best get acquainted with you by making some drastic reductions in our prices. Besides, we're so overstocked we can't turn-around unless we go outside to do it. Once started on the price-cutting rampage, we got carried away. We ended up reducing everything . . . dresses . . . sweaters . . . blouses . . . stockings . . . lingerie.

Dresses that should sell for \$29.95 have been marked down to \$17.00 . . . dresses previously priced at \$14.95 have been reduced to \$5.00. And the same is true of all the other merchandise, too.

It's a good chance to get the casual wear dress you've been wanting . . . or a dressy holiday number. And don't forget . . . Christmas is coming and we've got gifts galore.

Blue Devil Gridders Defeat Port Huron in Muddy Battle

GPHS Football Team Wins Last Game on Schedule and in Vile Weather to Break an Ancient Jinx

A-a-a-choo! I stood in the rain and snow last Saturday, November 4, with a handful of sturdy Blue Devil football fans who braved the blustery winter weather to watch an inspired and angry Grosse Pointe High team whip a favored Port Huron team 12 to 6 on the local gridiron swamp.

Not more than a hundred and fifty people saw the precedent setting game which was packed full of thrills, chills and surprises. The Blue Devil victory was the first time in the last nine years that the Pointers had won their last game of the season and the first time in the memory of Athletic Director Frank Banach that a Pointe team had won a game in inclement weather. Banach has been at Grosse Pointe High 20 years.

Has Everything
This game had everything; blocked kicks recovered by the kicker, passing with a slippery, soggy pigskin.

The Devils wasted no time in gaining the upper hand in the contest when they scored the second time they had their hands on the ball.

Quarterback Bill Winkler cut loose a 36 yard third down pass to Lecklider, who took the ball on the Port Huron 19 yard line on a dead run after getting behind the Hurons secondary, and went over standing up.

Out In Front
Anderson's conversion of the soggy ball was low and wide but the Pointers were out in front 6 to 0 with less than half the first quarter gone.

Early in the second period the Devils were forced to punt from their own 20 yard line.

Limberg, standing on his own 10 yard line tried to boot the ball out of danger. The Hurons partially blocked the attempt Limberg snatched the ball out of the air and ran it up to his own 30 yard line to give the Pointers a first down and a new lease on life.

Partly Blocked Again
After three unsuccessful line plays Limberg was called on to kick the slippery ball out of danger. Once again the Hurons partially blocked the kick which was recovered by the Devil Metry on the Pointers' 48 yard line.

Port Huron took over at this point and in nine plays, most of which were running plays, the Hurons tied the score with a pass from Jim Dickinson to Chuck Trend who was standing in the

end zone all alone. Dickinson almost didn't get his third down pass away as Bud McCullough, the Pointers' 6 feet 6 inch end, came charging in to narrowly miss blocking the toss.

Just The Ticket
Dickinson was forced to flip a towering pass to avoid interception by McCullough. However, this may have been just what the doctor ordered as the looping pass gave Trend enough time to get down into the end zone to receive it.

Chuck Winkelman's conversion kick suffered the same fate as Anderson's boot and fell wide of the uprights and the game was all tied up with seconds remaining to half time.

Stage Aerial Circus
To start the third quarter the Devils staged an amazing aerial circus with Winkler tossing the heavy ball with uncanny accuracy. Five plays carried the Pointers down to the Hurons 1 yard line but at this point a 15 yard unnecessary roughing penalty halted the threat.

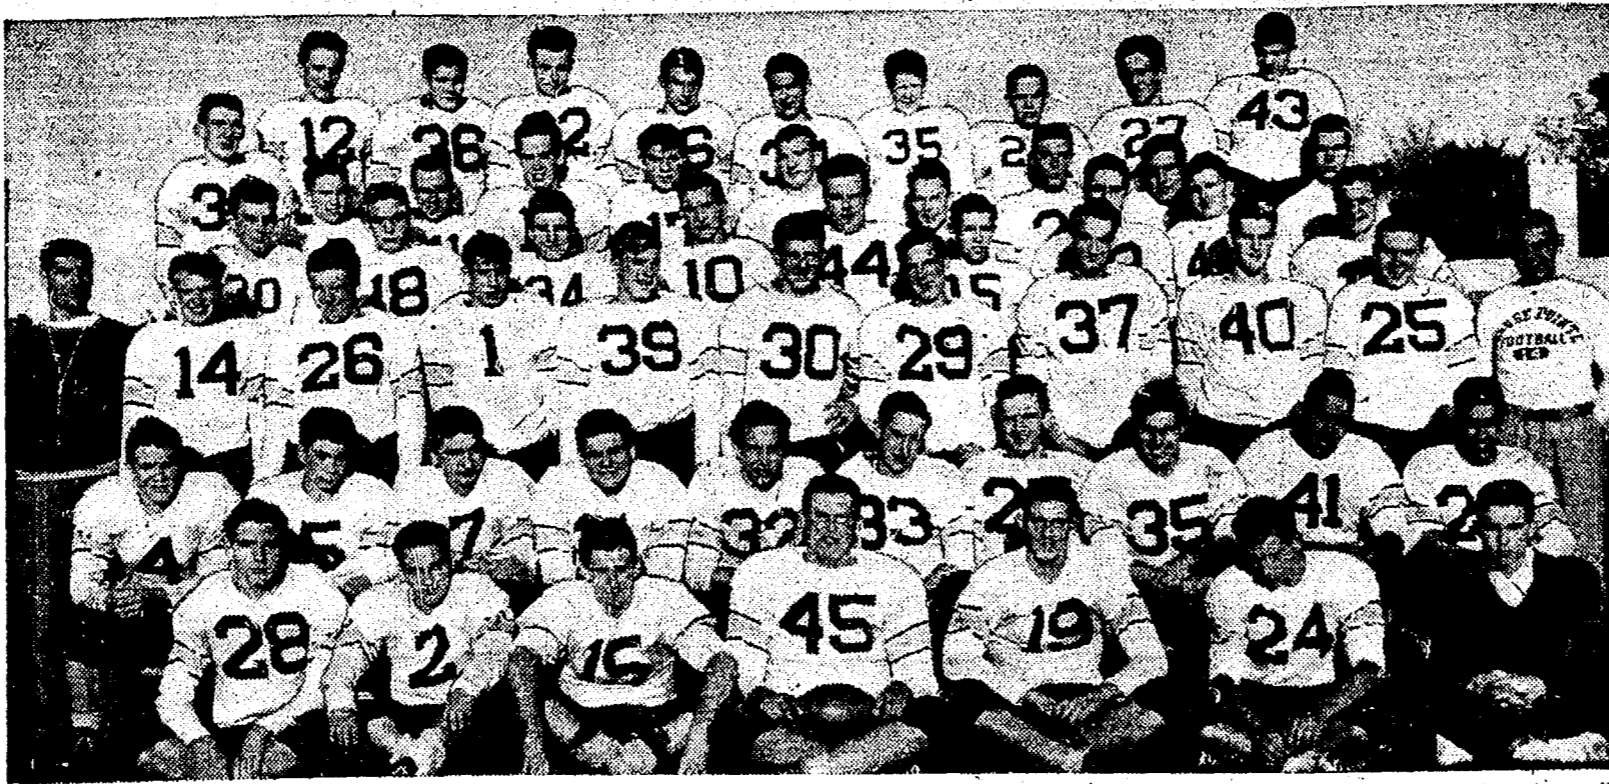

Two Huron penalties aided the Devils touchdown march which started on the Hurons 47 yard line when they failed on a fourth down gamble with one yard to go for a first down. Also a pass interference penalty played an important part in the Pointers' march.

The Devils had the ball on the Hurons 28 yard line as the third period ended.

Pass Clicks
To open the fourth quarter Winkler hit McCullough with a beautiful jump pass over center to put the ball on the 11 yard line and four plays later gathered in a Winkler pass but was stopped one yard short of the last chalk mark. Then Winkler crossed up the Hurons' defense with his quarterback sneak.

DRIVER TICKETED
Miss Mary V. Roach, of 150 Glynna court, was ticketed for not having her car under control by Grosse Pointe Woods Police. Her car struck one driven by Miss Eydye Hight, of 967 Hawthorne at Vernier and Mack on Sunday, November 5.

DUS Jr. Varsity Has Good Season

The Detroit University School Junior Varsity Football team is aiming for an undefeated season. The team is preparing for its remaining game with Bloomfield with a three-win-one tie record.

Highlighting the season have been Tom Hartzell and Jack Butler, who were stars of the home-and-home games against South Lake. Winning 19-7, Hartzell ripped off points of 40 and 42 yards to score for D.U.S. A 19-0 success in the second game was due to three brilliant 55 yard runs by Butler.

John Ottaway brought his D.U.S. JV's into the 6-5 tie with Bloomfield by scampering 40 yards to pay dirt.

Last Wednesday DUS ran up a 34-0 score against their rival Detroit Country Day School. Bob Axley and Gordon Birgbauer, who scored twice, joined John Ottaway and Tom Hartzell for 5 tallies.

Norman Paltine, coach of the JV team, gave praise to Peter Korneffel for his passing display and Tom Cooper for strategic downfield blocking.

Advice after mischief is like medicine after death.

Cleaners' Team Continues To Sweep Clean on Alleys

The Imperial Cleaners team has won 15 straight games in the Grosse Pointe and Businessmen's Bowling League and is leading that loop with a three-point margin over Turner Buick.

The Cleaners' latest victim was the Bruce Wigle team, while the Buick boys were taking three games from Better Chips.

Andy Carroll's 393 was the best individual total for the night while Belmont Holstin's 232 won high single game honors.

Teams winning four were: Boutin's Service, from Pointe Ins. Agency; Turner Buick, Inc., from Dart In Bar; Rustic Cabins, from Belding Cleaners.

Teams winning three were: Testa Cement Co., from Hall-Dodds Inc.; Revere Cleaners, from Schulte Hardware; and Kennelly Catering, from Cramer Elec. Co.

Pointe Athletes Make AllStars

The Border Cities League has announced its selection of All-Star teams in baseball, tennis, and track.

The Border Cities League is composed of Fordson, Monroe, Royal Oak, Highland Park, Wyandotte, and Grosse Pointe.

Representatives recently met at Wyandotte and George Beauchamp, league secretary, announced that the following athletes were named from Grosse Pointe:

Bob Hafer and Bayard Johnson were placed on the baseball team at centerfield and catcher respectively. Al Mann, Skip Pessl, and Jim Barker were selected for the tennis team. The medley relay team—composed of Dick Higgs, Ben Bray, Dick Lowery, and Jim Reindel—was selected on the track team.

Monroe beat the Pointers. Twice inside the 10-yard line the Devil reserves were unable to break the barrier.

The Monroe team scored first and making the extra point they led 7-0. Then Dicicco scored for the Blue Devils on a 60-yard run. The try for the extra point was missed.

Devil Reserves Lose to Monroe

The Monroe reserves were host to the Blue Devil reserves at Monroe last Thursday. Playing most of the game under the lights the reserves, unbeaten and unscored on in the last four games, were nosed out by Monroe 7-0.

The reserves played a slow first half but caught on fire in the second half and only stalled in the last few minutes of the game.

Gridders Start Young at D.U.S.

Unique in the Lower School at Detroit University School is the football competition afforded promising athletes. Playing five games to date, the team of fourth, fifth, and sixth graders have three wins to two defeats.

DUS has an even split with Bloomfield, 7-0 and 12-20, and a win over Detroit Country Day School 19-0. Losing to South Lake last Thursday meant a break-even record with them, 14-6 and 7-19.

Junior, J. V., and Varsity coaches have watched Robert Johnson, star halfback, score in every game. James Satterfield, Howard Bonbright, Paul Brenkert, Ned Evans, Ronald Olson, and Lloyd Semple have proved themselves valuable in the backfield. The quarterbacking has been ably handled by Mackie Wiener, Jeffrey Hudson, and Dan Goodenough.

Brownell '11' Defeats Pierce

By B. S. Rich
Finishing the season with one of the best records in many a year the Brownell heavyweights conquered the Pierce heavyweights on the high school gridiron October 31 by the score of 19-0. By winning this game they were able to compile a season's record of 2 wins against 1 loss.

On the first play from scrimmage Brownells' Hulbert ran 20 yards through the center of the Pierce line, untouched, to score. The try for the extra point was good but Brownell was off side and they had to kick over. This kick was wide.

Lee Clancy scored the second touchdown on a 55 yard end run. Again the try for the extra point was no good and Brownell led 12-0.

Floer then scored the third touchdown on an off tackle play to give Brownell a three touchdown lead. The try for the extra point was good and the final score was 19-0.

The standout performers on defense were Gall, Lambrecht and McFarland, all from Brownell.

Woods to Hold Public Hearing

A city charter plan for Grosse Pointe Woods which calls for a council-manager administration will be discussed at a public hearing at 8 p.m. Monday, November 13 at Mason School, 1840 Vernier near Mack.

The proposed charter would transfer administrative duties to City Administrator to be appointed by the Council. The plan would have a council of seven elected members, one to be designated by them as mayor, who will have only an equal voice and vote and no veto power.

The City Administrator would be responsible to the Council for the efficient management of all departments except those headed by the clerk, treasurer and assessor.

Currently, city business is conducted by the president and a six-man council on a part-time basis.

Under the proposed charter, the Council would also appoint a clerk, a treasurer, an assessor, and an attorney.

A municipal judge would be elected. A special election will be held Monday, December 11 on the proposal and to fill the elective offices.

Family Counsel Service Offered

The East Office of the Family Service Society, a Torch Drive agency, offers a counselling service throughout the year to residents of this area.

During the coming year hundreds of people in this community will face problems which will threaten the future of their families. The problem will probably not be concrete and clearly defined. Perhaps the husband or wife will be worried about the lack of harmony in the marriage. Maybe the children's unruly behavior at home or at school will be the indication that something is amiss. Or a teen-age son or daughter may be the cause of concern to the family.

The Family Service Society is willing to help families work out solutions to these and similar problems. A district office is located at 11063 Gratiot. Families who use the service pay a nominal fee in accordance with their income.

Earl Saloman Promoted By The Michigan Bank

Schubert's Love

DEANNE CARROLL

Now on a coast-to-coast tour commemorating its twenty-ninth anniversary, "Blossom Time," with Melton Moore as Franz Schubert, comes to the Shubert Theatre beginning Sunday Matinee, November 12 for a two week engagement with matinees on Saturday, Sunday, and Thanksgiving.

Moore heads an exceptionally capable cast, especially chosen for this year's anniversary presentation, which includes Deanne Carroll, Franklyn Syme, Anthony Blair, Marjorie Wallack, Zella Russell and Harry K. Morton. "Blossom Time" is the story of the life of Franz Schubert, and of the love that inspired him to write some of the loveliest songs the world has ever known.

In the operetta, his beloved is Mitzi, attractive daughter of Christian Kranz, the court jeweler. The poignant story of their fateful relationship is beautifully handled in the libretto prepared by Dorothy Donnelly, who also wrote the libretto of "The Student Prince."

Motion Picture Council Lists Approved Movies

The Grosse Pointe Motion Picture Council recommends the following pictures for the month of November:

- For Children: "Rocket Ship XM," "Summer Stock," "The Fireball," "Caribou Trail," "Three Little Words," "Saddle Tramp," "Fancy Pants," "Broken Arrow," "The Great Plane Robbery," "When You're Smiling," "Treasure Island," "Rock Island Trail," "Trigger Jr."
- For Teen-agers: "White Tower," "Golden Gloves."

Commercial Art To Be Exhibited

The Advertising Artists of Detroit will hold their Eighth Annual Exhibition of their creations at the Scarab Club, 217 Farnsworth avenue, Friday, November 17, through Friday, December 8.

Originality, courageous unorthodoxy, freshness of approach will be the tenor of the exhibition.

The principle purpose of the display will be to acquaint the art director and art purchaser with the talent available in Detroit.

The committee in charge of this exhibition is convinced that many an original talent is hidden under a local bushel, and that such a display will give an opportunity for such ability to be recognized by a prospective purchaser.

The exhibition will be opened with an invitational showing for the Detroit Art Directors, after which time the gallery will be open to the public, and it is hoped that everyone interested in commercial art and illustration will attend sometime during the three weeks of the display.

Hanson Elected

Robert Hanson, representing Grosse Pointe High, was one of eight members elected to the board of directors of the Michigan Councilors Association at the conclusion of the group's annual conference on November 1 at Michigan State College.

Vegetable Cheese Treat

Bright idea for a fall main dish is corned beef and cauliflower in mellow cheese sauce served piping hot in individual casseroles. These three "G's"—cauliflower, corned beef and cheese sauce—are a texture and flavor trio superb, and make imaginative use of one of fall's most dramatic vegetables—with delicious, nutritious cheese.

Make this hearty main dish now, while cheese is so abundant and so reasonable.

- Cauliflower Scallop**
- 1 cauliflower
 - 1 cup coarsely chopped cooked corned beef
 - 2 tablespoons butter or margarine
 - 3 tablespoons flour
 - 1 1/2 cups milk
 - Salt, pepper
 - 1/2 pound mild flavored pasteurized process cheese, shredded
 - Buttered crumbs
- Break the cauliflower into flowerets and cook in boiling salted water until tender. Drain well, and arrange in 3 or 4 individual casseroles. Sprinkle the cauliflower with the chopped corned beef. Make a cream sauce with the butter or margarine, flour, milk and seasonings. When thick and smooth, add three-fourths of the shredded cheese, and stir until it is melted. Pour this cheese sauce over the cauliflower and corned beef in the casseroles, bake 10 minutes in a moderate oven, 350 degrees F., sprinkle with the crumbs and the remaining cheese and bake 10 more minutes.

Lunch Box Meals Most Important

Giving special attention to packing noon lunches for school or work is one of the best ways to keep the family healthy, says Mary Bodwell, agricultural economics department food specialist.

Miss Bodwell believes packing the noon lunch is just as important as cooking any meal. We can't make up for slighted lunches at breakfast or dinner.

An ideal lunch is packed in a good lunch box, not a paper bag or shoe box. It provides, for the average person, at least one-third of the day's food needs. It has variety and eye and taste appeal.

To accomplish this the homemaker must plan lunch box menus ahead, allow enough time for preparing the lunch, and try to keep the daily packing operation from becoming a chore.

What does it take to make up an enjoyable and nutritious lunch? Here's a "lunch guide" suggested by Miss Bodwell:

1. One or more sandwiches, filled with meats, eggs, cheese, peanut butter, vegetables or preserves.
 2. At least one raw vegetable or fruit.
 3. A beverage, preferably milk, cocoa, buttermilk or fruit juice.
 4. A hot dish, such as buttered vegetables, soup, stew, scalloped or creamed dishes.
 5. One sweet such as cake, custard, pudding, canned fruit or any other dessert.
- Variety in the hot dish, of course, will depend on whether the school, factory or office provides a place for warming foods. Foods not adapted to packing, in thermos bottles can be carried in small jars which could be warmed easily in a pan of hot water.
- In following this lunch guide, careful attention should be given to the needs of the person. These needs depend on age, type of work, and other individual conditions.
- Physical labor requires a good share of protein foods which "stick to the ribs." Office workers need a lighter lunch, more fruits and vegetables. School children especially need minerals and vitamins in addition to adequate protein... plenty of fruits, vegetables, milk, eggs and green foods.
- Remember, too, that an adequate lunch needs more than nutritious foods: It should be attractive and tempting. Keep the lunch box clean and try to wrap each food separately. Vegetables should be crisp, fruits firm and ripe, and sandwiches moist but not soggy. Include a touch of gay color and an occasional surprise and your "customers" will have few complaints.

Cheer Leaders To Attend Clinic

ANN ARBOR—High school cheer leaders from all over the state of Michigan will attend a clinic at the University of Michigan on Saturday, November 11.

More than 1,700 cheer leaders from 230 schools already have made reservations and it is possible that there will be 2,000 present when the event is held. In addition to attending the clinic on Saturday morning, all of the cheer leaders will appear with the University of Michigan Marching Band at the Michigan-Indiana football game.

"The clinic is a result of the interest and need which was shown through the area clinics staged by the University last year," L. E. Vredevoe, director of the Bureau of School Services, says. "The purpose of these clinics, in addition to reviewing the techniques of cheerleading, is to help cheer leaders recognize their responsibility and opportunity to serve as leaders in their schools in developing good sportsmanship, citizenship and school spirit."

A count of the advance reservations early this week showed 1,728 cheer leaders and 399 faculty advisers from 230 schools plan to attend with additional reservations still arriving.

Grosse Pointe High School is sending 12 cheer leaders and three faculty advisers. Grosse Pointe Country Day School is sending eight cheer leaders and two faculty advisers.

C.D.S. Alumnae Defeat Varsity. Country Day School's varsity hockey team faced Dominican High School on D. U. S. soil on November 2 to play their game which was postponed early in October. Joan Dryden's two goals gave C. D. S. a 2-1 victory.

The localities were also on the winning end of the reserve game. C. D. S. captain Ann Meader scored the only goal to give her team a 1-0 victory.

Sunday, November 5 the C. D. S. alumnae again challenged the varsity to a hockey game. The teams met at D. U. S. and in the first quarter each team scored.

The first goal came as the result of a penalty bully. (The goalie bulled with any member of the opposition in front of her cage).

Students Play Part in Campaign. On Monday, November 6, fifteen juniors of Grosse Pointe High School were out ringing door bells urging local citizens to vote "Yes" on Proposal No. 2 (the proposed \$65,000,000 bond issue to build and staff mental and tuberculosis hospitals).

Their keen enthusiasm "to do something about it" was aroused through their study of mental health conditions and poor facilities as reported in newspapers recently.

The group chose mental health for their English class. Ralph Stefek, instructor, helped the students organize into teams to cover various parts of the Pointes.

Participating were, south team: Bud Ruether, captain; Ted Sichter, Bill Matther and Otto Heitacker; north team: Donna Albright, captain; Lee Johnston and Bob Sump; east team: Dave McQuire, captain; Mary Edsall and Robert Jackson; west team: Raimo Sountakanen, captain; Jean Schade, Joyce Blashill and Elaine Turrell.

It makes us dizzy to think of all the talents claimed by MRS. FRANK W. COOLIDGE . . . she's bridge expert . . . musician . . . playwright . . . actress . . . and a sparkler . . .

One of the charm schools will have to hurry up and do something about Television Presence! We are still aching for the grand dame who stumbled, in full view of the TV cameras, as she thought Igor Cassini, Mr. Society of N. Y., did a bit of stumbling too, trying to find someone among the arriving celebrities he could recognize! . . . Of course, he may have been being selective . . . we couldn't tell . . .

MRS. JOHN S. GOODMAN . . . who has a natural eye for beauty . . . has gone in for Grosse Pointe real estate . . .

What Pointe man has stored her handsome red china for the duration? . . .

New Yawk society writers dote on . . . MOLLY MOLL, who wishes, however, they would . . . rumor her engagement to every casual dinner date . . .

PILFERINGS

A distinguished commentator is one whose predictions are forgotten by the time circumstances prove them to be wrong.

A group of sightseers visiting southern battlefields listened stoically to the comments of their native guide.

"Here a handful of our southern boys routed 30,000 Yanks. Here one fine battalion from Georgia annihilated a corps of Yankee troops. Here two brave Virginia boys captured an entire regiment of Northerners."

Finally, one woman in the party spoke up with an unmistakable New England twang. "Didn't the North ever win a single victory?" she asked.

"No, ma'am," said the guide politely, "and they never will, as long as I'm running this bus."

—Saturday Evening Post.

"Can you read the third line?" an oculist asked his patient. "Sure," answered the man. "CWDK. I'm no good at pronouncing it, but I think he was left tackle at Notre Dame last year."

After Oliver Wendell Holmes retired, he was slowly and feebly walking down a street in Washington, when an old friend accosted him and, shaking his trembling hand, asked, "And how is Oliver Wendell Holmes today?"

"Thank you," said the great jurist. "Oliver Wendell Holmes is well, quite well, I thank you. But the house in which he lives at present is becoming quite dilapidated. It is tottering upon its foundations. Time and the seasons have nearly destroyed it. Its roof is prissy well worn out. Its walls are much shattered, and it trembles with every wind. The old tenement is becoming almost uninhabitable, and I think Oliver Wendell Holmes will have to move out of it soon. But he himself is quite well, quite well."

When somebody phoned Mike Romanoff's restaurant in Hollywood and asked, "How much is dinner?" Joe, the maitre d'hôtel, replied with sympathy in his voice: "If you have to ask, believe me, you can't afford it."

—Hollywood Merry-go-round.

MISS JACQUELINE MURPHY OF BALFOUR ROAD

Jacqueline Murphy, a lyric soprano well known in Detroit and New York music circles, will give a concert here to benefit Bon Secours Hospital when she returns to the Pointe for the Thanksgiving holidays from New York City. The concert will be held on Nov. 25, the Saturday evening after Thanksgiving, in the lecture hall of the Detroit Institute of Arts. It will be sponsored by the Bon Secours Assistance League, of which the young singer's mother is a member.

Sang With Symphony

Jackie, who has been studying voice in New York but maintains residence with her parents, Mr. and Mrs. Reginald T. Murphy of Balfour road, appeared as guest soloist this past summer with the Detroit Symphony Orchestra under the direction of Valter Poole at the State Fair Grounds. Her accompanist for the benefit concert is to be Marcella LaFave, who was also a symphony guest.

The Pointe miss began her musical career when she won top honors in a national vocal competition during high school. She was graduated in music from Marygrove College and did post-graduate work at the Juilliard School of Music in New York. She has appeared with the Buffalo Symphony Orchestra, and was the first young singer to appear in concert with the Buffalo Civic Orchestra.

Radio and TV

Jackie has also taken bows in Town Hall on a program featuring talented young artists, on radio shows in Buffalo, Niagara Falls, New York and New Jersey, on television shows and in commercial movies. She is the featured singer in a commercial motion picture recently released to combat Communism.

Besides spending two summer seasons with the Chautauqua Opera Company, Jackie has served with the American Theatre Wing entertaining in Veterans' Hospitals. In addition to her concert activities, she is music and dramatics director of Goddard House, a recreational center in New York.

Sang for Settlement

Last spring Jackie gave a performance at the Waldorf to benefit Colony House, a settlement house in Brooklyn. More recently, she was soloist at the annual A.C. Spark Plug Co. concert in Flint.

Surprise Duet

Fortunately, Jackie enjoys cooking and sewing as well as her music. Working as music and drama director of a pageant at one of the settlement houses this past year, she found herself dou-

bling as script writer and costume designer, too.

One of her most unique experiences occurred right here in the Pointe when she was home last summer. Seated at the piano in the Murphy living room one morning for her daily practice session, Jackie began to sing in Italian an unfamiliar air from "Il Traviata." Halfway through, she heard a male voice accompanying her and looked up, startled to find the Italian vegetable man singing at her side. Selling his wares in the kitchen, he had been so pleased to hear the song in his native tongue that he had marched in to join in the singing. Needless to say, he is still one of her devoted fans.

Whole Family Musical

The Murphys are quite a musical family. Second daughter, Marion, who is a kindergarten teacher, plays the violin in the Detroit Women's Symphony. Lois, in her junior year at Sacred Heart Convent, plays the piano. They have been Pointe residents for two years.

Richard H. Hutchinson
To Marry Ann Hackett

The betrothal of Ann Heywood Hackett to Richard Hemenway Hutchinson is announced by the bride-elect's parents, Mr. and Mrs. William H. Y. Hackett, of Dedham, Mass.

Ann was graduated from the Milton Academy Girls' School and is in her junior year at Vassar. A member of the Vincent Club, she made her debut in the '48-'49 season.

Dick, son of Mr. and Mrs. B. E. Hutchinson of Lakeland avenue, attended Milton Academy. He is a senior at the University of Vermont.

They plan a winter wedding.

Reflections

by paul gach

Picture framing is not as simple as it seems. Certain pictures require different frames from others. There are narrow and wide moldings, wood or metal frames with or without matts, gold, silver, or toned finishes, some for hanging and others with easels. On top of all this there is an untold variety of sizes in a complete stock. The frame can enhance a photograph or spoil it. A fine portrait in the wrong frame is worthless, but properly situated, it becomes a thing of beauty. Therefore I make it part of my business to supply a complete variety of custom framing in both metal and wood.

Woods Church To Hold Fair

The Fair of the Grosse Pointe Woods Presbyterian Church, Mack at Torrey road, will be held all day Friday, November 17, from 10 a.m. to 9 p.m.

venile; Mrs. J. Alexis and Mrs. C. W. Marema, Apron Booth; Mrs. A. Kuechenmeister, Gift Booth; Mrs. T. Galloway, Fish Pond; Mrs. L. Gilmour, Parcel Post.

A delicious home cooked dinner will be served from 5 p.m. to 8 p.m. for only \$1.50—Children (10 years and under) 75c. Mrs. M. Salisbury and Mrs. M. McDonald are in charge of the preparation and serving of the dinner.

Mrs. Herbert Matthews is chairman of the Fair and Mrs. Carl Asmus and John Kolpacky are serving as co-chairmen.
