THREE PERSONS KILLED and 29 injured at midnight last night when the New York Central's Detroit-Cincinnati train was derailed at Trenton. Split switch blamed for the tragedy. Start investigation to determine if train was traveling at an excessive speed.

JAMES McLAUGHLIN, former Bell Telephone worker called as surprise witness by Kefauver Committee investigating racketeers in New York, links O'Dwyer, former mayor and now ambassador to Mexico, with Irving Sherman, notorious racketeer. Saw the two having dinner together in secret gambling joint.

STRANGE MALADY takes eighth child victim in Muskegon. All eight who have died have been afflicted with severe diarrhea and vomiting. Illnesses have been of short duration.

ARTHUR McCREARY, 53, inflamed by jealousy, shoots and kills his wife, Betty, 43, in the lobby of the Monroe General Hospital. She had been taken there to have treatment for an arm broken in a brawl with her husband. Couple's only child, Charlotte, 14, witness to shooting. Bullet which killed Mrs. McCreary goes through her and breaks leg of Wilma Karian, superintendent of nurses. McCreary was arrested as he started to drive away in his car.

FRIDAY, MARCH 16

FRANK COSTELLO, racket boss, flees Kefauver hearings for second day in row. Refuses to testify on grounds he has laryngitis. Being cited for contempt.

HIGHLIGHT of yesterday's Kefauver hearing was the testimony of Virginia Hill, former girl friend of the late Bugsy Siegel, slain in Los Angeles. Evades direct answers about her fabulous spending and the sources of her money, except to say it was all given her by her boy friends, or won betting on the horses.

PRESIDENT TRUMAN defends the honor of his administrative family, saying all are above reproach. Senator Knowland of California had suggested he cut his Florida vacation short and come back and clean house.

UN FORCES IN KOREA press forward along whole 140 mile battle line. Some of them only 15 miles from 38th Parallel. Staff censorship masks many details.

THE SERIOUS CONDITION of Senator Vandenberg reported unchanged. Greetings and good wishes received from top leaders of Great Britain.

SIX AIR FORCE MEN were snatched from a floating camp site 130 miles north of Alaska in the Arctic ocean, on Monday, it has been revealed. Huge iceberg grinds down on the icepack and threatens lives of men. Taken off by a ski and wheel equipped C-47 transport plane.

To Ask Top Executives To Aid OCD

Director George Elworthy Wants to Form Advisory Committee to Help Program

A Citizens-Advisory Committee, comprised of top-flight executives, will be formed to aid in the Civilian Defense Program here, George Elworthy, Grosse Pointe OCD director, announced.

Could Use Experience
"Grosse Pointe is fortunate in having among its residents many leaders in the automotive, engineering and professional field," he said. "These men have a wealth of experience and knowledge that can be utilized in our OCD work."

Wants Six Members
Elworthy said he hoped to have at least six members on the committee. Meanwhile, the OCD leader was awaiting a report from the state office relative to Grosse Pointe's part in the mock A-bomb attack on April 16.

Fiscal Year Date Changed in Park

Grosse Pointe Park's first fiscal year as a city will begin July 1. Meanwhile the Council will use \$220,557 from its reserve funds to meet budget demands for April, May and June. Under the old village administration, the year ends April 1.

Special Services to Mark Pointe's Easter Observance

Traditional services will mark the observance of Easter in Grosse Pointe. Ten churches in this area will participate in the annual Tre Ore rites on Good Friday at the Woods Theatre, under the auspices of the Detroit Council of Churches. Special sunrise services will be held in many churches on Easter morning. A listing of church rites appears elsewhere in this issue. Grosse Pointe businessmen will close their doors on Good Friday from noon until 3 p.m. The Board of Education announced that the annual Easter vacation was limited to three days this year. Public schools closed Wednesday, March 21, and will open Tuesday, March 27. Parochial school students also

Weather and Illness Join Forces to Keep Snow Plows In Garage Following Storm

Farms Engineer Murray Smith Explains Why City Didn't Furnish Its Usual Prompt Service on Monday

The conspicuous absence of snow plows on the streets and sidewalks of the Farms during and immediately after the big snow of Monday produced a number of inquiries both at the Farms municipal building and the Grosse Pointe News office.

Bad Guessers
The weather prognosticators fouled up the deal in the first place. Predictions were for the snow to turn to rain, which was expected to melt the slush away faster than the plows could accomplish the clearing process. Weather had also entered into the picture before the snow started to fall. The mild temperatures of the last few weeks had pushed all the frost out of the ground, leaving it soft and mushy. Mr. Smith knew that if he sent the plows down the sidewalks, considerable damage to bordering lawns would result and the city would come in for a general condemnation for ruining private property.

Flu Takes Toll
Added to these complications was the fact that out of the 30 employees of the Farms highway and maintenance department, seven of them were ill with the flu. This left the city very short-handed for the usual handling of garbage and rubbish collections. One crew was shaken loose which spent almost the entire day Monday spreading cinders on the slippery streets. When Mr. Smith called Tuesday morning to explain the situation, he said that he was sending some men into the business district to see what could be done about the sidewalks, which had become icy as a result of the unexpected freeze during the night.

Ten More Youths Taken into Army

Ten more Grosse Pointe men are "in the Army now." They were among the youths who were inducted by Draft Board 87 on March 16. The local men are C. B. Thomas, of 1204 Harvard; Myrtle J. Stock, of 1789 Brys; Jack M. Hanson, of 469 Kerby; Robert L. Schmeider, of 842 University and Dominic J. Palazzolo, of 938 Balfour. Also Anthony C. Barrett, of 328 Fisher; Charles R. Leslie, of 354 Rivard; Albert E. deManigold, of 1889 Stanhope; Edward J. Hopton, of 500 Lake Shore, and Jerome A. Bickle, of 1572 N. Renaud.

Icy Streets Send Cars Into Spins

Six Traffic Accidents Reported in Farms Alone In Winter's Last Storm

Monday's winter blast which covered streets with ice and snow was blamed for six traffic accidents in Grosse Pointe Farms. Police said that cars skidded into trucks, tractors, trees and ran over lawns. No one was hurt.

Skids Into Pole
Clarence Seeley, of 343 Kerby, struck a utility pole when his car careened over an icy spot on Kerby near Kercheval. Kenneth Hechinger, of 127 Muir, was given a ticket for reckless driving when his car went over the curb at 590 Mt. Vernon.

Slams Into Tree
He told police he went off the road to avoid an accident. Police said the car caused about \$20 damage to the lawn of Joseph Weber at the Mt. Vernon address.

Car and Trailer Crash
A car driven by Jack Muir, of 9096 Vaughn, collided with a truck-trailer on Mack near Morris. The truck, driven by John E. Holm, of Melvindale, was coming out of a driveway at the new Kroger store when the mishap occurred.

Police Find Four Drinking in Car
Four youths found drinking in a car at Kercheval and Fisher, Thursday, March 15, were taken to City police station for questioning.

Convictions May Have Cost Life of Pointer in Korea
The conviction that the United Nations is an objective worth fighting for may have cost the life of Corporal Alfred E. Lindley, of 859 Barrington road. He has been reported as missing since Feb. 12, in Korea.

Lindley, a veteran of World War II, went back into uniform at 33, forsaking his studies for a Ph. D. degree at Columbia University just after he had begun his thesis. He had taken a two years' leave of absence from Highland Park Junior College, where he was a history teacher, to seek the higher degree. Lindley's father, Adelbert H., a lawyer, said a serious sense of duty sent his son back into service. He was a conscientious ob-

Fluorine Treatment Made Available In Pointe's Schools

Mothers' Health Education Council Accomplishes Goal After Year-long Study By Specially Appointed Committee

Mrs. Byron Chambers, president of the Mother's Health Education Council, has announced that plans are now complete to begin fluorine treatment for school children in the Grosse Pointe Public Schools.

For the past year an appointed committee has been studying the program. Members included L. M. Bartlett, chairman, director of pupil personnel, representing Grosse Pointe Public Schools; Dr. Thomas Davies, Deputy Health Commissioner; Mrs. Lucille Boyle, Wayne County Nursing Supervisor of Grosse Pointe; George Elworthy, representing the Detroit District Dental Society; Fredrick Besimer, representing the P-TA Council; C. J. Messner, principal of Richard School, representing the school principals; Dr. William Quinlan, representing the Grosse Pointe Rotary Club; and the Health Council members, Mrs. Donald Waite, and Mrs. Fredrick Besimer, who acted as secretary for the group.

The committee will be asked to continue in the program in an advisory capacity. Part of Big Program The dental health program is part of an overall plan to prevent tooth decay. Applications of sodium fluoride given early to children help to safeguard the permanent teeth. Treatment has been proven to prevent decay to 40 per cent when properly administered.

Sodium fluoride may be given at any age, but it is agreed by the dental profession that such treatments should be most beneficial should be given at the approximate ages of three, seven, ten and thirteen years when new teeth are appearing. As most children in the second grade are about seven years old, the Council is limiting the treatment to Grade 2.

The program will be under the supervision of local dentists. It is designed to be self-supporting. A fee of \$3.00 will be charged for each child having the complete treatment which consists of cleaning the teeth and making four applications of sodium fluoride to the teeth. The applications to be given from two to seven days apart.

All treatments will be given in the schools. Personnel has been secured and the program will be under way beginning April 2, starting at the Defer and Mason Schools.

Former Farms President Snay Also Forced to Turn Over \$100 to Thugs

Joseph Snay, former Farms President and owner of a bar at 18666 Mack, put the key into the front door of his bistrot Tuesday morning feeling it was pretty much like any other morning. But within fifteen minutes he and an early customer had had guns stuck in their ribs, been robbed and deprived of their trousers.

Plenty of Deploying
Soon after proprietor Snay opened the bar, a man entered and walked to the wash room. He went into it and almost immediately came out, going out the front door. Then entered the second stranger who sat at the bar and ordered a beer. The first visitor then returned whereupon his confederate issued an order to Snay: "This is a stickup. Put your hands at your side and don't move them."

Municipal Heads Face Decisions

Police and Firemen Asking Passage of State Bill For Shorter Hours

Many Pointe police and firemen are reported to be bombarding lawmakers in Lansing with pleas for the support of a bill whose passage might have very far reaching results, it was revealed this week. Local municipal officials are frankly worried and anxious for local residents to understand the problems which must be faced.

The uniformed employees want a law passed that would give them shorter work hours, a 63-hour week for the firemen with one more Kelly Day, and a 40-hour week for the policemen.

Can't Stand Costs
Officials of some local municipalities claim this would mean greatly increased costs, which the municipalities cannot stand. The City of Grosse Pointe alone has estimated it would cost an additional \$20,000 to \$25,000 per year there.

It has been stated that 164 firemen and policemen from the Pointe area have already sent letters to Senators and legislators in Lansing asking support of the bill. The bill may be coming up for study within the next few weeks.

One Against Bill
On the other hand, Senator Christman, believing that the State has no business interfering with the rights of municipalities, has sponsored a bill which would delete state control over pay and regulations governing police and firemen and any other municipal employees.

Local officials have a great deal to say about possible developments if the higher pay and shorter hours are forced upon them. All want it clearly understood that they would like nothing better than to be able to pay all municipal employees higher wages and have them work shorter hours, if such an arrangement could be handled financially. They maintain that it can't.

Face Reduced Taxes
They point to the trend towards reducing assessments on lakefront properties and cite that this means greatly reduced tax collections unless taxes are boosted on residences located inland, or are forthcoming from new assessments on new building.

In such municipalities as the Park and City there is not enough new construction to offset this threatened loss. In the meantime, all costs have gone up, including salaries.

Taxes have been boosted until they are higher than those in Detroit, although it is claimed that much better service and protection are rendered in many lines here.

Pointe Spends Much More
It is said that a survey made showed that whereas Detroit spends a little more than \$200,000 for fire and police protection in an area the size of the Pointe, the Pointe spends more than three quarters of a million dollars for this protection. Many more firemen and policemen are employed here than in a similar area in Detroit.

Detroit approved the 63-hour week for firemen and the 40-hour week for policemen some time ago. It is no secret that the shortening of hours meant hiring many extra men and cost the city a large sum.

Adopted By Park
Grosse Pointe Park has also adopted the same hours. The Woods and Shores have combination police and fire departments. Those municipalities which have felt they cannot afford the new program are going to have to make some drastic decisions. If taxes cannot support the increased costs, some revisions would obviously have to be made.

Various Suggestions
There are various suggestions as to what these changes might be. Some are of the opinion that consolidation of forces would be the only solution. Others feel that departments should be cut by not replacing men when they reach retirement age.

And there is an increasing number who believe that the only way out would be the eventual merging of all the Pointes into a single municipality.

by the Rev. Paul Morrison, D.D., pastor of the Trinity Methodist Church, Highland Park, for the past seven years. Dr. Morrison is also chairman of the Inter-racial Committee of the Detroit Council of Churches, and president of the Detroit Methodist Conference. His subject will be "Broadcast from Calvary."

Music will be supplied by combined choirs of the cooperating churches.

To make it possible for more to attend this service, the Planning Committee has arranged a program for children from 3 through 9 years of age, to be held at the Grosse Pointe Woods Presbyterian Church, 19950 Mack, a few blocks from the theatre. The program will be supervised by trained leaders from the participating churches.

At 10:30, March 23, Good Friday morning, a special service will be given for children and youth at the Grosse Pointe Congregational Church, 240 Chalfonte.

Under the direction of Mrs. James Sagel, "The Youth Choir" will sing "The Holy City" and "The Junior Choir" will sing "O Savior Sweet." Jack Adams, of the senior high, will read the call to worship and Hal Drinkaus will read the scripture.

Denise Carne and Virginia Thompson, of the Junior Depart-

ment will read the candle lighting service as Paul Scheid lights the candles. James Darby, Judd Emerson, Richard Hulswit and John Toepel of the Junior High will act as ushers.

The offering will be sent to "Children to Palestine, Inc.," a project which gives the orphaned, and displaced Jewish and Arab children of Europe and Palestine a chance to have a new home, father and mother, a school, clothes and a chance to learn how to earn a living.

All children and youth of the community are welcome.

James Naughton Succumbs at 63

James J. Naughton of Loraine avenue, veteran real estate dealer, died Wednesday, March 14, of a heart attack. He was 63 years old.

A native of Ireland, he came to Detroit 35 years ago. He was a member of the East Side Detroit Lions Club and the Outer-Harper Businessmen's Association.

Surviving are his wife, Louise; daughters, Mrs. Eileen Prudhomme, Mrs. Nancy DeLaura and Margaret; and sons, Raymond, Thomas and Richard.

Services were held in St. Clare Church.

Many Missing Old Age Benefits

Are you failing to collect old-age and survivors insurance benefits you are eligible for under the new Social Security Act? Francis L. Pendergast, manager of the East Side social security office, warned that people made eligible for benefits on last September 1 by the new social security law must claim them by March 31 if they are to get the full amount payable.

The new law makes it possible to honor many claims that had to be disallowed before. However, those affected must file new claims at his office before any payments can be made.

"Back benefits can be paid for only the six months before the month of application," Pendergast explained, "and people who were made eligible in September but who haven't been in touch with us since then should inquire promptly at our office or by mail."

He listed the following classes as those most likely to be affected:

1. People 65 and over who have worked as much as a year and a half on social security covered jobs. These can get benefits if their earnings under social security do not exceed \$50 monthly.
 2. People 75 and over who have worked as much as a year and a half on covered jobs. These can get benefits though still regularly employed.
 3. Children under 18 of deceased Veterans of World War II. The mothers or others having charge of such children should apply.
 4. Children under 18 of a deceased mother who had worked under social security. Whoever is in charge of the children should apply.
- The East Side office is located at 8720 Mack avenue, Detroit 14, and the staff there will give all necessary information and assistance in connection with claiming benefits.

Bertram Secord Taken by Death

Bertram R. Secord, 66, of Cadiieux road, died suddenly in his home on Sunday, March 11, following a heart attack.

Mr. Secord was at the time of his death associated with the Hudson Motor Car Co. in the capacity of management-labor relations adviser. Prior to this position, he spent 15 years with the Chrysler Corporation.

A native of Ontario, Canada, he came to Detroit in 1908. He was a member of the Grosse Pointe Yacht Club, Society of Automotive Engineers, Lost Lake Wood Club of Alpena, P. & A. M. and Royal Oak Lodge 464.

Survivors include his wife, Elizabeth; three daughters, Mrs. Vera Kelly, Mrs. Olivia Frieling and Mrs. Elizabeth Cook; and a son, Bertram W.

Interment was in White Chapel Memorial Cemetery.

High School Band Honored

A first division rating was awarded the Grosse Pointe High School Band for the third consecutive year in the regional band festival, held on March 10 in Ypsilanti.

Three of the four officiating judges nominated the band for a first division. Among the elements contributing to the band's success as noted by the judges were the band's organ-like tone, its style and spirit, the conducting which demonstrated thorough ensemble training, the attention to dynamics and the trumpet solo played by Marylou Hornberger, 10A.

By virtue of having received a first division rating in the regional festival, the band is eligible to participate in the state band festival to be held on April 21, at the University of Michigan.

Further honors, in the form of a "first" at the state festival, are foreseen by band director Dewey Kalember, if band members maintain their current standard of diligent practice.

Woman Killed In Park Crash

Grosse Pointe Park police said they would seek a warrant for negligent homicide against a truck driver whose alleged negligence resulted in the death of Mrs. Mary P. Purdy, 60, of 1012 Three Mile drive.

Police reported that a truck driven by Eugene Oleksik, 22, of 1857 Rivard, collided with a car driven by Mrs. Purdy, at Trombley and Essex, on Tuesday, March 13.

The impact overturned Mrs. Purdy's car. She was dead on admittance to Bon Secours Hospital.

A witness, Robert Johnson, 48, of 5516 Maryland, told the County Prosecutor that Mrs. Purdy was traveling at a "high speed" on Essex.

Police said that Oleksik also entered the intersection without due care and caution.

Surviving Mrs. Purdy are her husband, Raymond J.; daughters, Mrs. Robert E. Coleman and Mrs. Charles W. Weiler; a son, Raymond J., Jr.; brothers, George, Edward, Nelson, Lawrence, Leslie and Anthony Korte; a sister, Mrs. Jerome Mathieu; and grandchildren, Carolyn and Michael Coleman.

Funeral services were held on Friday, March 16, from the Verheyden Funeral Home and in St. Clare Church.

SUFFER SMOKE DAMAGE
Smoke damage amounting to \$35 at the home of B. E. Bonnell, 1231 Fagel, was caused by a faulty furnace blower, Woods police said on Monday, March 19.

An Old Fire Horse Returns in Disguise

Firemen of the City of Grosse Pointe gather around the department's small hose and ladder truck, which has been absent from the station since last September. The ancient rig suffered a broken axle, along with other mechanical ailments, and rather than scrap the piece of apparatus the council decided to move the body to a new chassis. The six months' transformation process was completed last week. Total cost of the conversion is said to have run less than \$2,000.

State Election Set for April 2

Voters of Grosse Pointe will cast their ballots April 2 for State officials, including the Superintendent of Public Instruction; one member each, for the State Board of Education, the Board of Agriculture, and the Board of Regents; and a Justice of the State Supreme Court.

Pay Hikes Given Woods Employees

Grosse Pointe Woods council announced substantial wage increases for all municipal employees including the combined police and fire department.

The boost, which ranged from \$150 to \$720 more a year, became effective Friday, March 16, according to Philip Allard, acting city administrator.

J. F. Hanson, superintendent of public works, received the top increase of \$720, bringing his annual salary to \$6,000.

Police and fire chief Walter Goulette was given a hike of \$300 to \$5,500 a year.

All lieutenants and sergeants

also received a \$300 a year hike, upping their salaries to \$4,680 and \$4,440 respectively.

The patrolmen's new salary is \$4,175, a hike of \$275 a year.

Allard said that all hourly paid employees got a ten cent an hour boost.

Social Security Amendment Of-Importance to Veterans

Of great importance to veterans, their families or survivors, is a new amendment to the social security law which grants wage credits of \$160.00 for each month of World War II military service.

Since these credits may be given whether or not the veteran died in service or after discharge, survivors in many cases where payments were not possible under the old law, will now be eligible for monthly benefits. Because of these new service-connected wage credits, others may receive substantially increased payments.

For veterans now living, these credits may be used in determining the amount of insurance payments to the veteran and his family when he retires at age 65 or later. Also, they can be used to determine the amount of monthly benefits payable to his survivors in case of his death at any age.

Former legislation did not provide any credit for military service where death occurred in service or more than three years after discharge, or where a pension or compensation was payable by the Veterans Administration.

Here are two examples, taken from actual records, to show how veterans' families will benefit from the new legislation:

1. Henry entered military service in January, 1941, and was killed in action in Germany in August, 1945. His widow was awarded a monthly benefit of \$8.93 and his child a monthly benefit of \$5.95. These benefits were small because Henry's "Average Monthly Wage" was reduced by lack of wage credits for over four years of military service.

When the widow remarried in 1947, her benefit stopped, and the child's benefit was increased to \$10.00, the family minimum at that time. This was automatically increased to \$18.00 monthly when benefit rates were raised in September, 1950, in accordance with

the amended law. However, now that \$160.00 a month can be credited to Henry's wage account for 56 months of service, the child will be eligible to receive \$40.80 a month in addition to any payments being made by the Veterans Administration.

2. A professional man, who was otherwise excluded from coverage under the Social Security Act, spent three years in World War II military service. He died in October, 1950, more than three years after his discharge. Under the old law, the widow and three children could not qualify for any social security payments at all.

Now that he can be credited with \$160.00 a month during his military service, and thus acquires a minimum of six quarters of coverage, he is considered to have died a fully insured individual, and monthly benefits will be payable to his widow and children until the last child reaches age 18.

These wage credits, it is important to note, are not granted for World War II military service if the veteran was a federal employee and his Civil Service benefits include credit for his military service. Nor can these credits be granted to make possible a lump-sum payment or to increase a lump sum which was previously paid, if the veteran died before September 1.

Families of veterans who die—including widows with minor children of veterans who have died in service—should inquire promptly about possible benefits. In most cases, payments are possible even though the veteran had little or no employment in civilian jobs covered by the social security program.

However, benefits cannot be paid unless a claim is filed. The east side office of the Social Security Administration is located at 8720 Mack Avenue, Detroit 14, Michigan, telephone WA. 1-8714.

Dog Bites Two; Owner Ticketed

A six-year-old girl and a 68-year-old man were bitten by a dog Saturday, March 17, owned by R. K. Dykema, City police said.

Police issued a ticket to Mr. Dykema for permitting the dog to run at large.

The animal's victims were Nancy Beauvais, of 523 St. Clair, and Napoleon De Rocher, of 503 St. Clair.

Both Nancy and Mr. DeRocher suffered minor cuts on the left leg.

Schools Request Apartment Permit

A request from the Detroit University School and Grosse Pointe Country Day to construct an apartment at Cook road near Mack is being considered by the Woods Planning Commission.

The apartment would provide housing for members of the faculty of the two schools.

The Woods Council, however, advised school authorities that the present Zoning Ordinance prohibits such usage.

Girl Scout News

Sharyn Allardyce, Diana Eggle and Donna Kramer were invested as Brownie Scouts in Troop 424 at Parcels School recently. Mrs. Samuel Toepel and Mrs. Clayton Lamont have been the new leaders of this troop since November.

Fifteen girls belonging to Brownie Troop 777 of Maire School took a pleasant and informative trip on March 7 to the Village Manor on Kercheval Avenue. Mrs. Richard Lehman conducted the girls all through the entire establishment and explained in detail the many important operations necessary to maintain the excellent cuisine. She then served the troop cookies and hot chocolate before they left.

Library Friends Sponsor Panel

Dr. Alfred H. Whittaker, chairman of the program committee of the Friends of the Grosse Pointe Public Library, announces that the next meeting of the group will feature a panel discussion on "Metropolitan Detroit Meets Crises, Past and Present." The meeting will be held Tuesday, April 10, at the Main Library at 8:30 p.m. Five speakers have been invited to speak on Health, Transportation, Production, Finance, and the Home. The Panel will be under the chairmanship of Dr. Henry D. Brown, director of the Detroit Historical Museum.

The program committee is confident that a large group will turn out for this timely discussion, especially since the student panel at the last meeting was such a tremendous success.

Two Cars Tangle In Head-on Crash

Two motorists were charged with reckless driving after their cars were involved in a head-on collision at Kercheval and Moross, Thursday, March 15.

Both cars were damaged badly. Involved in the mishap were Fred Sisson, of 36 Hawthorne, and Philip Walter, of 21753 McCormick.

One Driver Jailed; Others Pay Fines for Recklessness

Three motorists were fined \$20 each for traffic violations causing accidents, by Judge C. Joseph Belanger in Grosse Pointe Park Traffic Court.

In court sessions held earlier, Judge Belanger sent one person to jail and revoked the license of another. Six others were fined.

Fined \$20 were James H. Cornell, of 1023 N. Pleasant, Royal Oak; James M. Brennan, of 1040 Harvard, and Muriel J. Muncy, of 680 Dickerson.

ton, St. Clair Shores, pleaded guilty to stop street charges causing an accident at Cadieux and St. Paul on Jan. 21. He was fined \$25.

Ronald P. Checkowsky, of 20179 Greeley, paid \$12 for pulling into moving traffic, causing an accident at Buckingham and Charlevoix on Jan. 18.

Uninvited Guest Crashes House

The Joseph Bakemans, of 1850 Vernier, had an unexpected caller Friday, March 16.

He was David McLaughlin, of 16254 Wildemere, who virtually entered the Bakeman living room when his car crashed against the house.

Woods police said McLaughlin lost control of his car at Vernier at Mack. The car careened across the street, hit the embankment and smashed into the Bakeman property.

Police charged McLaughlin with reckless driving. He suffered minor cuts.

Kids on Rampage At Woods School

Teen-agers were blamed for damage at McCormick School, Mack at Hampton, Thursday, March 15.

Police said that tables, desks and chairs were overturned.

Be Neat, or Pay, Builders Warned

In a drive to keep city streets and sidewalks free from debris, Woods police warned builders of 18 houses on Anita and Roslyn to "clean-up or face a fine."

The warning came after police received numerous complaints from residents about scrap building material being left on sidewalks and streets.

Rotary Election Set for April

The following slate of officers has been nominated for the annual elections to be held by the Grosse Pointe Rotary Club next month:

President, Ernest Graham; first vice president, Cyril Paye; second vice president, John Pagel and Murray Smith; secretary, Dr. Robert O'Neil; treasurer, Forrest Geary, Lawrence Hetzelt and William Johnson.

Directors: Gerald Fitzgerald, Arthur Louwers, Frank Parker, John Potter, Glenn Pratt and William G. Wahl.

Eilene Howley Exchanges Vows

Eilene Howley, daughter of Mrs. William O. Howley and the late Mr. Howley, of St. Clair Shores, and Harry Daleburn, Jr., of Chicago, were married at a candlelight service Saturday afternoon, March 17, at Marantha Baptist Church by the Rev. Edward A. Waldeck.

The bride was given in marriage by her uncle, James Leonard Howley, of Akron, Ohio. For her wedding Eilene chose a traditional white satin bridal gown with a finger-tip veil of illusion falling from a half-hat of seed pearls. She carried a colonial bouquet of white Spring flowers. Bridal attendants, Mary Lou Wileman and May Ellen Wileman, wore colonial gowns and bonnets of pink and blue taffeta and carried colonial bouquets of pink and blue carnations.

Serving as best man was William Bailey, of Chicago, and Harold Smoot and Robert Brinck, of Grosse Pointe, were ushers.

Mr. and Mrs. Harry Daleburn, Sr., parents of the bridegroom, were here from Chicago for their son's wedding and Mrs. Daleburn wore a lilac taffeta gown and matching hat, while the bride's mother chose dusty rose with matching accessories.

Following the wedding trip the young couple will make their home in Chicago.

Kid Bits

By Jane Rippe

Servite was the scene of a very disheartening event last Wednesday. Grosse Pointe was eliminated in the quarter finals by one meager basket. However, practically all of Grosse Pointe High was there, cheering and hoping. In the stands we saw Don Schroeder, Dave Carruthers, Slim Lineberger, Joannie Scherer, Jill Read, Christina Hatch, Tony Pear, Terry Snowday, Freddie Albright, Bonnie Reitz, Margaret Ann Joop, Grace Oleret, Bill Tyson, Jack Taylor, Roland Meulenbrook, Joy Chamberlain, Carol Kretschmar, Anne Busby, Twilly Clark, Larry Kennedy, Mac Hatch, Tom Marick, Dick Stuart, Karen Temple, Sue Cleminson, Nancie Rosznagel, Janet Fildew and Sherry Davis.

On Saturday, Carol Larwin gave an appropriate St. Patrick's Day bridge-luncheon. Seen enjoying a delicious lunch and later playing cards were Annie Purdy, Gay Edgar, Jill Read, Elaine Kihen, Margaret Foote, Sally Horn, Nancy Crowe, Bambi Wigton, Barb Westcott, Marcia Boothe and Diana Nylund.

Some of the 10B girls got together last Friday night and surprised Mary Dahlen with a party at Susie Squire's house. Seen dancing and enjoying the birthday cake were Rees McFarlane, Bob Brown, Betty Amason, Lee Clancy, Ann Orebaugh, Glenn Forcier, Dave Belfore, Betty Sykes, Alex Forrester, Carole Volmer, Jake Kiskault, Judy Wilson, Dave Hulbert, Sylvia Reuter, Peter Gall, Judy Goodnow, Randy Fitch, Sandra Dickely, Chuck Florer, Donna Smith, Buddy Morse, Bill Cassell and Steve Taylor.

Not to be outdone, Janie Armstrong gave a surprise party for Sandie Robertson. Helping Sandie to have a happier birthday were Mac Hatch, Barb Fischer, Dick O'Conner, Dave Carruthers, Fred Albright, Ned Lambrecht, Tony Pear, Judy Hagerman, Terry Snowday, Jerry Cope, Jerry Lorenz, Larry Daniels, Calky McMahon, Dee Dee Marick, Max Bates, and John Row Richardson. Also there we saw Don Schroeder, Susie Slimon, Bob Kopf, Elaine Limberg, Larry Kennedy, Jack Taylor, Marilyn Mower, Twilly Clark, Bill Tyson, Bill Adams, Nancy Bryar, Jerry Shiers, Roland Mulbreuck, Lauren Edgar, Bob Jackson and Crol Sober.

After that terrific play, "Stage Door," Alice James gave a wonderful cast and crew party. It was also a special occasion inasmuch as it was the 10th anniversary of the first time that Mr. Nelson, the director, put on "Stage Door" and it was the birthday of both Lee Eskridge and Pat Brogan.

Some of the alumni who were there were Sue Spurrier, Don Striker, Sherb Smith 'n' Nancy Ramsay, Carolyn Smith, Marlene Houchen, Donna Guimond 'n' Don Jones, Barb Boothe 'n' Bob Harbison, Janet Weinheimer and Dick Yates.

Members of the cast and crew were Janie Joachim 'n' Bob Howe, Joannie Johnson, Marcia Boothe,

Jeanne Rydholm, Pat Marx, Judy Rice, Jill Read 'n' Russ Etter, Barb Reed 'n' Doug Nicol, Alice James 'n' Pat Brogan, Lee Eskridge 'n' Eddie Anderson, Marcia Blecki 'n' Ray Eddy, Gitta Gozinski, Joanne Karnatz, Anne Lampman, Marcia Istock, Tom Stein, Janet Holtz, Emil Harding, Joannie Hollister 'n' Ed Bass, Nancy Gmeiner, Don Coury, Kermit Phillips, Barb Drinkaus 'n' Jim Schoeck, Herb Abrash, Pat Spaulding, Nancy Ericksen 'n' George Bashara, Marilyn Howe, Nancy Bruneau, Nancy Hoyt and Joannie Merrill 'n' Neil Smith.

Also following the play, Lillian Bundesen was hostess at a slumber party. Attending were Patti Lee, Judee MacNaughton, Marion Ghesquiere, Janice Gelhar, Emely Harding, Alice Robertson, Nancy Ramsay, Marilyn Reich, Bobbie Davis, Danna Hewitt and Loa Gay Sheridan.

Plan Open House At High School

The semi-annual open house program at Grosse Pointe High School will be held from 8 p.m. to 10 p.m., Friday, March 30.

Sponsored by the GPH Mothers' Club, the open house is held to develop a better understanding among students, teachers and parents.

Parents attending the open house will receive a directory, listing all teachers and the rooms in which they can be found. Students will act as guides.

Special interest will be directed at the various displays arranged by classes demonstrating their current studies.

Due to time limitation, parents will not be able to discuss student's problems in detail. However, an appointment for a longer conference can be made.

Mothers' Club officers urge all parents to attend.

Center Acquires Collection of Wild Flowers

A display of wild flowers, fashioned of paper and wax, has been presented to the Grosse Pointe Garden Center by Mrs. Dexter M. Ferry, Jr., and will be on exhibit for an indefinite period, in the War Memorial Center.

Each variety is properly labeled, enabling viewers to acquaint themselves with the names of flowers to be seen in Michigan woods.

After it has been adequately exhibited, this display will be loaned by the Garden Center for use in Pointe schools and libraries. Requests for use are being handled by Mrs. Thomas Mann, who can be reached by calling TU. 5-3036.

Mrs. Ferry made these replicas herself, for the purpose of acquainting children and adults with the wild flowers of the state.

Flower lovers stress these should never be picked, but be allowed to remain in their native settings where they can delight all who can see them. The Garden Center on Belle Isle is also planning to plant a wild flower garden there this summer in conjunction with the other new gardens which are being laid out as part of the 250th Birthday Festival.

St. Pauloscope

By Audrey Haley

With Easter approaching the Paulites have been looking forward to the long-awaited vacation, which will, no doubt, be filled with many a good time. The last few weeks of school have been busy ones for most of the students as Lent always is a crowded period.

For those students, who are on the year book committee, these weeks have kept their noses to the art boards! They have spent many an hour planning and producing an annual that will attractively hold the treasured memories of this scholastic year. These hard working students include Diane Zemper and Patricia O'Grady on the Press Committee and Leo Kennedy and Jerry Kirsch, Catherine West, Thomas McLaughlin and Beverly Labadie who worked on the art committee. Both groups agree that this yearbook will be the best ever.

The Paulites were honored to have with them on March 15, Sister Mary James of the Medical Missionary Sisters, who spoke to the assembly on the work done by her order all over the world. The students benefitted greatly from Sister Mary James' interesting talk, for they could understand and appreciate better the great and beneficial work done by these grand missionaries.

The St. Paul girls came through again with another close won victory over a great St. Rose team. The competition was strong, for this was one of those all-important play-off games, which mean so much to these hard working girls. But the girls took the game with the score of 26 to 21. Congratulations, girls, and good luck in your future games.

HAPPY EASTER. Bye.

Adele Huebner Spends Spring Holiday Here

Michigan State College Sophomore Adele Huebner arrived home this week to spend her Easter holiday with her mother, Mrs. Julius F. E. Huebner of East Jefferson avenue.

Vacation is over on Monday, when Adele treks back to Lansing.

Prewitt Semmes Schedule May Return to Lake Home

It's a May return for Mr. and Mrs. Prewitt Semmes of Lake Shore road. The Semmes left the Pointe the last of February to spend a month in Chandler, Ariz., and the first of next month they're moving on to Los Angeles for a visit with their son-in-law and daughter, Mr. and Mrs. Harvey M. Smith Jr.

The party is sponsored by the American Legion Auxiliary which annually helps raise funds for veteran charities.

Care Exercised by Parents Can Save Many Kids' Lives

More Michigan children die from accidents than from any disease, the State Department of Health says. More Michigan children are killed in their own homes than are killed in traffic. An adult is responsible either directly or indirectly for almost every childhood accidental death, the Department said.

A child is not safe at home until his home is made safe for him. Home accidents killed 295 of the 608 Michigan children who died by accident in 1949. They injured thousands.

Home fires snuffed out the lives of 107 Michigan children; two-third of them under five years of age. Don't leave your small children at home alone—even "for a minute." Remove the fire hazards which you know exist in your home.

Falls in the home killed 17 children, 14 of them under five years of age. Do your stairs have gates? Are your railings strong? Are your open windows screened?

Poisons stored in the home, drunk by mistake, killed ten children, all of them under five years of age. Can your child reach your medicine cabinet or get into your cleaning fluids? Where is your can of lighter fluid?

Scalding fluids killed eight children under five years of age. Don't leave your child alone in the bath tub; he can turn on the hot water. Don't leave kettles of hot fluids unwatched. Turn pot handles toward the inside of the stove.

Escaping gas killed eight children. Have your gas equipment

checked and teach your child never to touch the gas stove. Firearms around the house killed six others. Have you any loaded guns?

Suffocation was blamed for the deaths of 103 children, 55 of them under a year of age, and all but two under five years of age. Does your baby have his own bed, his own covers and his own pillow?

During 1949, a total of 128 children under fifteen years were killed by automobiles as they walked, ran or played in the streets or drives. Ten others were killed as they rode their bikes. Hundreds of others were maimed or crippled for life. Teach your child why he must not play in the street and why he should cross only at crosswalks and only with the light.

Show him the safest route to school. Then use special caution when you drive in school zones just before or just after school, when you drive near neighborhood stores, theaters, or playgrounds. Keep an eye out for the child who may dart from between parked cars or from behind buses.

Drowning takes the lives of approximately 80 children each year. Give a little thought to water safety and swimming lessons for your children. Fence off dangerous water holes or creeks.

Dr. and Mrs. Edgar James Home from Holiday

Only a bright star brought Dr. and Mrs. Edgar James back to their home in Westchester road ahead of schedule.

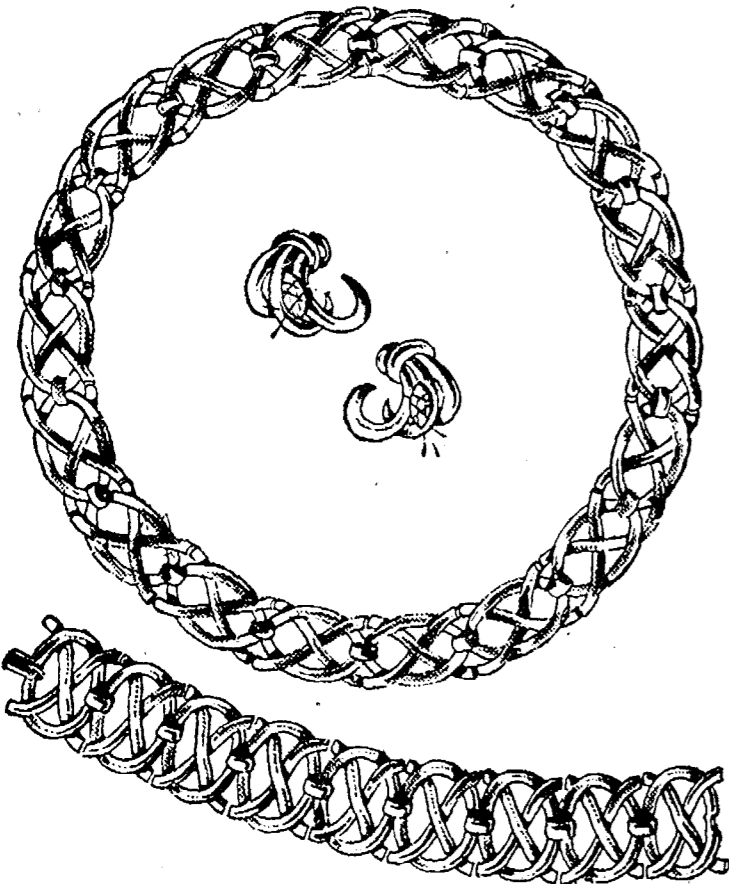

The travelers cut short a West Indies trip to take their places opening night at "Stage Door"

School's Pointe Players. The star was their daughter, Alice James, who played the feminine lead to really thunderous applause.

It is quite evident the Jameses didn't miss anything there was to see during their travels which included visits to Barbados,

St. Lucia, Tobago, Trinidad and Port of Spain. At Port of Spain the Pointers were guests of Mr. and Mrs. Ray Lange (she was the former Florence Pauser of the Pointe) at a wonderful dinner party. Dr. and Mrs. James flew to and from the West Indies.

It looks so much more expensive!

Girl of the Moment Is Spring Bride-Elect

First Sunday After Easter Chosen by Mary Ann Doyle. Marjorie Oberteuffer to Wed April 7 and Suzanne Sutherland Sets April 17 Wedding Date

News about a trio of Pointe brides-elect who are telling their wedding plans today—and with the addition of Mary Ann Doyle's wedding to Paul John Meldrum on March 31, that makes three weddings the first Saturday after Easter Sunday!

Mary Ann, daughter of Mr. and Mrs. Sidney E. Doyle of Bedford road, will be married in St. Agnes Church at 10 o'clock that day to the son of Mr. and Mrs. Frank J. Meldrum of Muir road.

Peggy Deneen will be maid of honor and the quartet of bridesmaids includes the bride-elect's cousin, Helen Ann O'Connor of Jackson, Mich., Marie Meldrum, sister of the bridegroom-elect, Judy Brenner and Margaret Ann Marshall.

David Brideau will be Paul's best man and guests will be seated by his brother, Fred Meldrum, Joseph G. Doyle, Mary Ann's brother, Traver Boucher and Sherman Marsack.

For her April 7 marriage to Douglas F. McClure, Marjorie Oberteuffer, daughter of Mr. and Mrs. Reese B. Oberteuffer of Edgemont Park, has asked Mary Martin Semmes to act as her maid of honor.

The wedding will be in Grosse Pointe Memorial Church. Bridesmaids will be Mrs. Richard Bakewell of Sewickley, Pa., Mrs. Henry Disston of Philadelphia, Nelle Tiedeman, Mrs. F. Clifford Ford Jr., and Elizabeth Archer.

Doug will be assisted by his brother, Dr. Roy D. McClure Jr., as best man and the list of ushers comprises William Scheerer of West Orange, N. J., William Johnson of Westport, Conn., William C. Finkenstaedt, William Clay Ford, Wendell W. Anderson Jr., and James F. McDonnell Jr. Doug is the son of Dr. and Mrs. Roy D. McClure of Iroquois avenue.

St. Paul's Church on The Lake will be the scene of the April 17 wedding of Suzanne Sutherland, daughter of Mr. and Mrs. Arthur D. Sutherland of Oxford road, and Alfred Joseph Jehle, son of Mr. and Mrs. Alfred J. Jehle of Baldwin avenue.

Busy Vacation For Pointe Deb

Mary Stuart Macdonald, daughter of Mr. and Mrs. Chisholm N. Macdonald of Mirabeau place, is looking forward to a spring vacation full of travel and gay social events.

As soon as vacation starts at Vassar College, Mary Stuart will fly to New Orleans to visit Penelope Fox, who was a Pointe visitor last June when Miss Macdonald made her debut at the Country Club.

March 31 will find Mary Stuart in the role of a bridesmaid at the wedding in New York of Miss Catherine Devine and Neil McConnell. Meredith Stewart of the Pointe will also be a bridesmaid at this wedding.

Mary Stuart will be back in the Pointe to spend a few days before returning to her classes at Vassar.

Mrs. George S. Shirk Jr. will act as Suzanne's matron of honor and from New York City will come maid of honor Mollie Uebelacker. Four bridesmaids will be Mrs. James S. Connolly of Chicago, Mrs. William G. Cole, Nancy DeBral and Mrs. Edward W. Wilsberg.

For the bridegroom-elect, Lawrence O. Smith will be best man and groomsmen are to be Howard O'Clock, the bride-elect's brothers, Malcolm John and Arthur D. Sutherland Jr., and Thomas G. Krass.

Wellesley Club To Hold Dinner

The president of Wellesley College, Miss Margaret Clapp, will be guest of honor at a dinner given by the Detroit Wellesley Club Wednesday night, March 28, at the Book Cadillac Hotel.

Miss Clapp is a graduate of Wellesley in the class of 1930. In 1948 she was awarded the Pulitzer prize for biography for her book, "Forgotten First Citizen: John Bigelow."

Mrs. S. R. Wendin is in charge of dinner arrangements and has on her committee Mrs. Henry C. Kohring and Mrs. Francis H. Phelps. Mrs. Phelps has asked the following Grosse Pointe members of the Detroit Wellesley Club to be ushers: Mrs. Henry L. Newman, Jr., Mrs. Edward J. Hickey III, Mrs. John E. Williams Jr., Miss Margot Downing and Mrs. Thomas N. Jones.

Invitations have been sent not only to the members of the Detroit Wellesley Club and their escorts but also, to the parents of girls now attending Wellesley College. These include, in the Grosse Pointe area, Mr. and Mrs. Bertram P. Shover, Mr. and Mrs. Burdette Ford, Mr. and Mrs. Charles B. Kemp, Mr. and Mrs. T. G. Coyle, Mrs. William Livingston, Dr. and Mrs. George L. Walcott.

Also invitations have been sent to Pointe girls who are registered to enter Wellesley College and to their parents: Dr. and Mrs. Edward D. Spalding and Harriet, Mr. and Mrs. Renville Wheat and Elizabeth, Mr. and Mrs. John B. McGrath and Barbara, Mr. and Mrs. Arthur D. Dieckhoff and Jean, Mr. and Mrs. Charles J. April Showers Party Planned By Fontbonne

Auxiliary to Add to Furnishing, Equipment Fund for St. John's Hospital at Luncheon, Fashion Show April 11 In Grosse Pointe Yacht Club

As trains, planes and motor cars head once again back home after winter vacations, one of the first dates being placed promptly in Grosse Pointe engagement books is that of Fontbonne Auxiliary's "April Showers Luncheon and Fashion Show" at Grosse Pointe Yacht Club, April 11.

Of course you know that funds raised by the auxiliary go toward furnishing and equipping the new St. John's Hospital, East Seven Mile road and Chandler Park drive, which is three-fourths finished at this moment.

Mrs. Howard J. Knack is chairman of the April Showers party and Mrs. James Mottschall as her co-chairman and assistants including Mrs. Charles E. Schubert, Mrs. Howard Klein and Mrs. John Pringle.

Honorary chairmen for the day are Mrs. Arthur D. Kerwin, Mrs. Leo Fitzpatrick, Mrs. Ray M. Whyte, Mrs. Alfred J. Fisher Jr. and Mrs. Louis A. Braun.

Mrs. Thomas K. Fisher, in charge of the fashion show, has planned a parade of chic for Summer, Beach and Resort Wear which will be modeled by Fontbonne members and their children.

The afternoon will have a Hawaiian theme and that talented quartet of Pointe lads, Dick Saundef, Joe Gratzon, Neil Smith and Tim Leach, will sing and play songs of the islands. And then Fontbonne member Mrs. Walter Cavanaugh and her daughter, Patricia Ann, will also entertain the guests with a two piano interpretation of Mozart's Sonata in C Major.

Even this early we've been hearing about some of the luncheon parties planned for the day. A group lunching together will include Mrs. Kay Fruehauf, Mrs. Robert Keller, Mrs. Ozzie Olsen, Mrs. Jack O'Dell, Mrs. Ray M. Whyte and Mrs. Leo Fitzpatrick. Many of the members of this party are now in Florida but are timing return for the occasion.

Guests of Mrs. Harold G. Frear of Lincoln road, at the party, will be Mrs. Earl Miller, Mrs. Jerome de Santis, Mrs. John Mitchell, Mrs. Earl Harger and Mrs. John Bauer. Now for additional committees working for the event's success: Mrs. John Drury is chairman of hostesses for the day and she has asked to help her Mrs. Arthur de Santis, Mrs. Adam J. Seibert and Mrs. Ralph Sharp. The special prize committee in-

Travel, Parties For S. N. Louds

Friends of Mr. and Mrs. Stewart N. Loud, who recently moved into a new home on Roosevelt place, gathered for a housewarming last Saturday evening. The Louds will be leaving the middle of April for a stay at the Greenbrier in White Sulphur Springs.

They'll go to Baltimore, where they'll leave their tots, Carol Ann and Bernard, with Mrs. Loud's parents, the John J. Bruns, before arriving at the West Virginia resort.

During their absence former Detroiters, Mrs. Brewster Loud Sr. will come from her home in Oscoda to be with Stevie Loud Jr. during his parents' vacation.

Teas to Benefit St. John Hospital

Bundles! Bundles of Rummage! Your admission fee to attend the Bundle Teas to be given by Mrs. Eugene F. McCafferty, of 1128 Nottingham road, Grosse Pointe, on Tuesday afternoon March 27, from 2 to 4.

The next afternoon, March 28, at the same hours, Mrs. Vernon P. Johnson, 502 Pemberton road, will also sponsor a Bundle Tea. They cordially invite the Community to attend and bring bundles of rummage.

The third unique Rummage Sale of the Fontbonne Auxiliary will be held, April 5, 6, and 7 at 11100 Mack Avenue and Lillibridge near the Mack Avenue Ball Park.

The proceeds are to assist the Sisters of St. Joseph, to purchase the necessary furnishings for the new St. John Hospital which is now making rapid strides toward its completion.

Articles such as clothing, toys, books, shoes, furniture, household items, office supplies, dishes, crystals and miscellaneous items will be greatly appreciated.

If you are unable to attend one of the Bundle Teas, you may call one of the committee members for a pickup: Mrs. E. C. Dunn, WA. 1-4545; Mrs. Martin Bishop, TW. 1-2161; Mrs. Frank Lockman, TU. 5-3539; Mrs. John Madison, WA. 3-1278 or UN. 3-6591.

Sigma Gammas Fashion Baskets

This should be a Happy Easter for junior members of Sigma Gamma who last Saturday met at the home of Mrs. C. Henry Haberkorn III in East Jefferson avenue to make original Easter Baskets for children in Sigma Gamma Hospital School.

A few of the juniors, who are headed by Betsy Chesbrough and Susan Litchfield in the Easter project this year, included Mary Mulford, Jeanne Whittaker, Susan Whitehead and Nancy Brinker.

This Saturday the juniors will give their annual Easter Saturday party for the children at the hospital and present the baskets at that time.

Marygrove Seniors Busy With Commencement Plans

Although graduation is more than three months away, Marygrove College seniors already have begun filling out forms and making appointments in preparation for their big day June 6. Getting routine activities over at the beginning of the semester leaves the end of it for social affairs and more important things, they believe.

Among seniors from this area are: Beverly Eidt, University place; Mary Louise Nebel, Lincoln road, and Barbara Schuler, Beaupre road.

Mrs. Theodore Hughes Walker

Mr. and Mrs. Theodore Hughes Walker were wed in a double ring ceremony in Peace Lutheran Church at 4:30 o'clock on Saturday, March 17. The bride was the former ELIZABETH PESAMOSKA, daughter of Mr. and Mrs. Mathew Pesamoska of Belanger road, Grosse Pointe. The bridegroom is the son of Mr. and Mrs. John Hardt of Haverhill, Detroit.

A strapless net and lace gown was worn by the bride, floor length with a lace jacket. Scattered on the lace of the skirt were small glass pearls. The finger tip veil had clusters of seed pearls on the crown which blended with the colonial type gown. She carried an arm bouquet of baby hyacinths.

The maid of honor was Miss Helen Schenburn, attired in a tangerine taffeta gown. In light blue was the bridesmaid, Miss Patricia Hardt, sister of the bridegroom. The gowns were strapless with bolero jackets and bustle affect in back. Both girls carried an arrangement of spring flowers. Sally Blum, the flower girl, wore a white organdy ballerina length dress with a yellow under-slip and sash. She carried a colonial bouquet.

The best man was Dean Down-

Family Group Follows the Sun

Absent from the Pointe this Easter will be Mr. and Mrs. Joseph B. Schlotman, their daughter, Mrs. W. Ledyard Jr., and her children, Debbie and Mary Mitchell, and the Schlotmans' other granddaughters, Jo Jo and Patsy Joy.

They left last week-end to wend their way toward Florida's sunshine. In New York the group was joined by Sally Mitchell and all proceeded to Sea Island, Ga. Mrs. Mitchell has taken a house for three weeks.

The Joy daughters and the Schlotmans went on to Bellaire, Fla., where Jo Jo and Patsy are remaining with their parents, Mr. and Mrs. William Moore Joy, and little Vicki at the family's winter residence.

The Schlotmans anticipate a visit with Mrs. Schlotman's sister, Mrs. Harry N. Torrey, at her Sea Island home before their return here.

Junket Leads To Naples, Fla.

After attending the opening of the tenth anniversary festivities for the National Gallery of Art this week in Washington, John S. Newberry Jr. headed South to spend Easter with his sister, Mrs. John N. Lord.

Mr. and Mrs. Lord have taken an apartment in Naples, Fla., this season. Later this month Mr. Lord and the children will join her at the resort.

Before coming back to Grosse Pointe Mr. Newberry will spend a few days in New York City.

John W. Fleck to Wed Janet Grace Canada

Their Engagement Announced at Memphis Home of Bride-Elect Last Week-End. Set June 15 Date. Elaine Wallace Is Betrothed to Lieut. Charles W. Turner

Two engagement announcements claimed the interest of the Pointe this week and one of the brides-elect will join the long list of June brides.

The June bride-elect is attractive Janet Grace Canada, daughter of Mrs. Grace Threlkeld Canada of Adam, Okla., and Dr. Ernest A. Canada of Memphis, Tenn., and her engagement was announced this past week-end to John Warren Fleck, son of Mr. and Mrs. Jesse W. Fleck of University place in the Pointe.

The engagement was announced in Memphis where the young couple will be married June 15. Janet is a junior at Southwestern University, Memphis, and is a member of the Delta Delta sorority as well as its social chairman.

She is also affiliated with the Student Council and the Women's Athletic Association and is soloist of the Southwestern Singers Club.

The bridegroom-elect is in his senior year at Michigan State College and belongs to Psi Upsilon. Shortly after his wedding he will receive his commission in the Army Tank Corps and will be assigned to active duty.

Then, here at home, Dr. and Mrs. Silas Willard Wallace of Lincoln road have announced the engagement of their daughter, Elaine, to Lieut. Charles Wedgewood Turner of Washington, D. C.

This brunet bride-elect graduated from Grosse Pointe Country Day School and Vassar. She is a member of Tau Beta and a provisional member of the Junior League of Detroit.

Lieut. Turner is the grandson of Mrs. Charles Warren Turner of Lavern, Ark., and is now on the staff of the Commander of Fleet Activities, Yokosuka, Japan.

The bridegroom-elect graduated from the United States Naval Academy and also from Rensselaer Polytechnic Institute.

During World War II he was

Another Joint Problem

Among the ever-increasing number of matters of great importance which will undoubtedly require the joint attention of the Grosse Pointe municipalities is that of finding a solution for development of idle lakefront property.

The tax burden has made it increasingly difficult to maintain the estate type of properties which long have dominated the Pointe's shore line. It has been demonstrated, that these great mansions which cost a fortune to create, no longer command anywhere near the price it cost to build them.

Many large lakeshore residences have been vacant for a considerable period because of lack of buyers. The Farms has been lucky in having three such large properties purchased and improved by new owners.

All indications are that this trend will continue. Which means that the municipalities fronting on the lake will have a tax problem which will have to be faced. If the large, shore properties are not the sources of the big chunks of tax money which they were in the past, supplemental income will have to be found.

But of all this may be pointing towards a change in zoning laws along some of the lakeshore frontage. This property has always been strictly zoned for residences. The beautiful homes located there have been the chief showplaces of the Pointe. Many of them, such as those located along Lake Shore road in the Farms and Shores, not only have provided a big share of the tax money which runs the municipalities, but the beauty of their grounds has given untold pleasure to the public which can drive past them.

It would be a sad day for the Pointe if these lovely properties vanished. But in the instances where old homes are torn down, or vacant land continues to be unimproved because of taxes, some solution must be found by the municipalities which need the tax money to keep operating.

There are some sections of lake frontage now which would be developed if the zoning restrictions were modified, and the time is fast approaching when particularly the Park, City and Shores must reach a decision as to future development.

It is to be hoped that these municipalities will not attempt to solve this common problem individually, which could well result in botching up great portions of this lake frontage. The question should be tackled by a joint committee, made up of officials and citizens from each of the municipalities affected.

Doubtless the real estate operators, who are banded together in the G.P. Brokers' Association, and always working towards the common goal of protecting the characteristics of the Pointe as a whole, could be most helpful.

It is to be hoped that in some not too distant day, this area which is coming more and more to be considered a single community, will be under a single municipal government. Until that time arrives, it is of the utmost importance that such problems as affect the entire area, should be settled by joint action to the best interests of the entire community.

We'll Be Waiting

Senator Tobey has said it for us: "It stinks to hell." The opinion stated, there follows the question: "What is going to be done?"

We speak, of course, of the Senate Crime Investigation hearings held last week and this in New York City. The findings of this committee have created a stench that can be smelled in every corner of the nation. The implications of the disclosures are so tremendous that ordinary citizens are making them the chief subject of conversation. Most of the witnesses have left the hearings talking to themselves.

The avowed purpose of the investigations is to demonstrate the need for additional legislation which will make it more difficult for racketeers to flourish. If this is to be the only thing accomplished, there are going to be millions of sadly disillusioned people in the country.

Never before has the American public been treated to such a parade of crookedness and corruption, reaching into the high places of government. The presentation of evidence, with millions actually watching the guilty victims squirm as the squalid testimony was extracted from them, carries an impact that is terrific.

Without waiting for the passage of further legislation that will tend to curb the future activities of this odious element, the people of this country will be watching eagerly to see present laws enforced without delay, to mete out the maximum punishment allowed to those who have already convicted themselves on the witness stand.

Grosse Exaggerations

A. PRYOR

"But words are things, and a small drop of ink, falling like dew upon a thought, produces that which makes thousands, perhaps millions, think!" (Lord Byron)

The Kefauver investigation on television has inspired us to quote Byron's sage observation (above) . . . except that NOW we have more than small drops of ink! The "written word" in a newspaper tells us a story. Each reader will put his own interpretation on what he reads; he will use his own inferences, place his own commas and periods where he thinks (rightly or wrongly) they belong. Then he makes up his mind.

This televised program . . . available to anyone who can SEE and HEAR . . . is a definite turning point in the history of American politics. There is only ONE way to interpret a man's statement . . . when you can see and hear him make it . . . and know in your heart that he's lying like mad! The whole procedure should give the public pause for thought, to say nothing of scaring the daylighters out of future office holders who now know that it IS possible for their left hand to KNOW what their right hand is doing!

We commend the people responsible for bringing this investigation to us on television and long may they WAVE! Aside from the entertainment value, thanks to Senator Tobey, Halley, Costello, Virginia Hill and O'Dwyer . . . THIS citizen will think three or four times before voting for the "personality" kid with the sweet talk.

Along with our frustration over seed catalogues, beauty hints, fancy cooking and dressmaking at home . . . we are now bewitched, bothered and bewildered over photographic magazines. For years we have labored over growing an aster . . . JUST ONE PLAIN ASTER that would look anything at all like the pictures in seed catalogues. But no. Surpe's pictures in its mouth-watering color pages? NO! As for tomatoes that are pictured . . . we don't believe it. They MUST paint their's before the picture is taken.

Same thing with luscious looking Easter hams . . . complete with "shine" and cloves. No matter how closely we follow directions, our's always looks just like a plain everyday ham. Dressmaking at home? They tell us any woman can duplicate a Vogue pattern if they will creep step by step according to the rules. What happened to us when we tried that shouldn't happen to a dog? In spite of our bravado . . . we are sure no one ever mistook our home-made job for a three hundred dollar Carnegie . . . in spite of the ads!

As for beauty hints . . . phooey! Lose our double chin, indeed! We've been trying THOSE exercises for two years . . . and all we've got for our pains are TWO double chins instead of the one we were trying to lose.

Now we have camera-itis. Suddenly becoming the proud owner of a Polaroid . . . we have sneaked in and out of people's lives taking candid shots. Have we anything to show for it? No! If the picture is fairly good . . . the subject latches onto it and we never see it again. If the picture is lous-ay, the subject naturally grabs it and tears it up.

But to candid shots to the magazines. We thumb through page after page of candid shots taken by AMATEURS (so they say), but they all have a professional touch. We are advised that it is as simple as rolling off a log if we follow directions (again!). We do. Armed with light meter, flash bulbs, tape measure, two pairs of eyeglasses AND the camera . . . we proceed to follow directions. Wot happen? The subject becomes bored to death, we get nervous indigestion and the picture STILL looks like a dull blob that could be anyone from our old aunt Kate to someone's pet dog. We snigger to think what we'd turn out if we didn't plan, measure, watch the clock, etc. When we see these shots in magazines titled, "I'm proud of this picture" . . . portraying a flash fire or a plane-spill or a plane rolling over or a basketball player about five feet off the ground . . . it makes us wonder PLENTY!

In the letter box: "Dear A. Pryor, undoubtedly you have already discovered this trick . . . but just in case . . . here it is. On nights when there is a dearth of the better TV programs, have you ever tried turning off the sound and merely watching the antics of the 'cornier' comedians and singers? We find it far more amusing than their vocal offerings."

Thank you dear lady. We shall try it as soon as we get Mr. Rudolph Halley out of our system . . . and our poor eyes have a chance to get back to normal. We know what our letter-writer means. Years ago, we attended a dance where the entrance to the dance floor was fraught with glass doors that kept out the sound of the music. The sight of hundreds of people going through the gestures of la dance . . . without benefit of the sound of music, was something we will never forget. They looked so silly, we made decided to become a wallflower!

Our best beau can also attest to the fact that TV is funny without sound effects. On several occasions in front of our TV set . . . his heart has been set on looking at a fight or wrestling match. That's fine with us and very manly of him . . . but since we didn't want any part of it . . . and since we were listening to a play on radio . . . we allowed him to sit quietly looking at his silent fight, while the radio "pleasured" us with a drummer.

What Goes on at Your Library

by Jean Taylor

For some years American Public Libraries have sponsored a list of notable books of the year. Nominations of titles to be included are made by public library staffs in all parts of the country. Selections are made from books published in the United States in 1950, for adult readers and must be in the English language.

Books selected this year are "unusually meritorious in terms of literary excellence, factual correctness, sincerity and honesty of presentation, and value and interest to readers." Books that are solely for diversional reading and those of only transitory interest are excluded. The primary basis of selection is the important role each book could play in promoting enlightened citizenship and enriching personal life."

Space will not permit us to list all 40 chosen titles but here are some of them, all of which are available at your library:

HERE I STAND by Roland H. Banton. "A readable life of Martin Luther which emphasizes the concept of freedom of the spirit."

LONDON JOURNAL by James Boswell. "This major literary discovery is outstanding for its portrayal of the personal life of a man who has influenced English letters since his own times, and for its description of the life and customs of his day."

JOHN ADAMS AND THE AMERICAN REVOLUTION by Catherine D. Bowen. "A study of a great man against a background of a crucial time in our history. Gives the reader an awareness of our precious heritage of freedom."

INDEX OF AMERICAN DESIGN by Erwin O. Christensen. "The most complete record of folk arts and early crafts of America, an important part of American cultural heritage."

GRAND ALLIANCE AND HINGE OF FATE by Winston Churchill. "Personal memoirs of England's great war Prime Minister, which contributes to an understanding of World War II."

OF MEN AND MOUNTAINS by William O. Douglas. "Through his love of the mountains the author shows the effect of nature in the development of man's philosophy and character."

COLLECTED STORIES by William Faulkner. "A collection of short stories by the Nobel Prize winner which shows the wide range of the author's interests."

arship and polished writing in a story of a romantic queen who played an important role in the world affairs of the 12th century."

GREAT AUDIENCE by Gilbert V. Seldes. "Describes and evaluates three media of mass communication—movies, radio, television—and their effect upon our civilization."

Other titles included are JOHN C. CALHOUN by Margaret Coit, THE WALL by John Hersey, KOREA TODAY by George McCune, MAO TSE-TUNG by Robert Payne, THE PEABODY SISTERS OF SALEM by Louise H. Tharp, SHAKESPEARE OF LONDON by Marchette Chute, CAPTAIN SAM GRANT by Lloyd Lewis and JANE MECOM by Carl Van Doren.

NEW DODGE "Job-Rated" TRUCKS

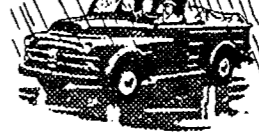

The trucks that do the most for you!

Makes driving extra easy!

New safety on slippery roads!

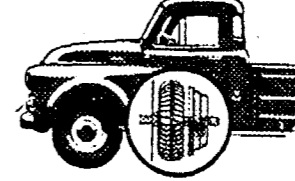

Better load protection!

More convenience on hills!

Lengthens truck life!

Fluid Drive lets you stop on an upgrade and hold your Dodge "Job-Rated" truck in gear, simply by slightly speeding up the engine. And on a downgrade, Fluid Drive gives you effective engine braking. Under all driving conditions, Fluid Drive is easier on both driver and truck.

With Fluid Drive, there's less wheel-spinning, less tendency to skid on wet or icy pavements. You can start in higher gear, apply power gradually and get away smoothly and safely. Traction is applied more efficiently. With less wheel-spinning, tires last longer, too—another money-saving advantage of Fluid Drive!

WHAT "JOB-RATED" MEANS TO YOU A Dodge "Job-Rated" truck is engineered at the factory to fit a particular job . . . save you money . . . last longer.

Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and body—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft and rear axle—is engineered right to meet a particular operating condition.

Board Offers Help on Rent

(Continued from Page 1)

and Northville have de-controlled by local option.

Take No Action

Hundreds of cities have taken no action to de-control rents because of inequitable adjustments not in accordance with the Federal Rent Law. An administration bill now in Congress, which will apparently be passed within the next few days, will directly recontrol all rents established by local de-control or blanket increases, and will establish a new rent ceiling, which will undoubtedly cut all rents not adjusted by the Federal Rent Control Law.

Would Avoid Difficulty

Any adjustments at this time made with the Wayne County Rent Advisory Board will avoid any difficulty in the future if any maladjustments were made. The Rent Advisory Board is offering its services to assist landlords on re-adjustments of rents, equitably and legally. Highland Park and Dearborn have followed the petition plan of adjustment with the Rent Advisory Board, and it is working out very satisfactorily.

Have 1301 Units

In the City of Grosse Pointe Park there are 1301 rental units. Of this number, approximately 900 have made no attempt at adjustment with the Rent Advisory Board. Records show that 87% of the landlords in Wayne County who have made applications for increases have received adjustments.

To Be Open Thursdays

Park City Manager Lane announces that the City of Grosse Pointe Park has made arrangements with the Wayne County Rent Advisory Board to meet landlords and tenants in Grosse Pointe Park for the purpose of examining the cases and making proper adjustments.

An office has been provided on the second floor of the Municipal Building, 15115 E. Jefferson avenue, Grosse Pointe Park, and will open on Thursday, March 22, 1951 at 9 a.m., and at the same time every Thursday thereafter for the following six-week period, the office closing at 5 p.m.

Baha'is Observe Their New Year

The Baha'is of Grosse Pointe met at the home of Mr. and Mrs. Marshall E. Templeton on Wednesday, March 21, the first day of spring, to celebrate their annual New Year.

With the coming of each new Messenger from God, a new calendar appears, such as the Jewish Calendar, the Christian Calendar, the Moslem Calendar, etc.

Thus, in 1844, at the beginning of the Baha' era, a new calendar was instituted.

Memorial Service Held For Miss Clara E. Dyar

Memorial services for the late Miss Clara E. Dyar were held in the Grosse Pointe Memorial Church on Palm Sunday, with the Rev. Dr. Frank Fitt, minister of the church, officiating.

Miss Dyar died in California on February 17. She spent most of her life as a resident of the Pointe and played an important role in the cultural development of the Detroit area.

Told To Doff Pants

Snay and McClellan were ordered into the men's wash room and out of their trousers, (later found in the store room of the

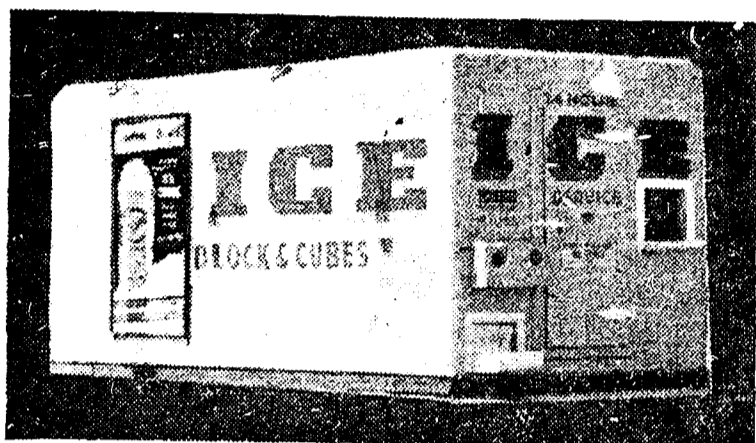

bar). From Snay, the robbers took \$100. They cut the telephone wires before they left.

Grosse Pointe Farms Police were called after a delay required for the two men to find their trousers and get next door to a telephone. Detective Eugene Boylan is working on the robbery. In the meantime bar owner Snay returned to his legitimate customer, Mr. McClellan, the five dollars taken from him by the robbers.

Highland Park Beats Blue Devils in State Tourney

GPHS Basketball Team Loses Out in Quarter Finals by 44-42 Score; Bruce Allen Is Again High Scorer of Game

By Fred Runnells

Border Cities League champion Highland Park registered its third and most important victory of the season over Grosse Pointe before a capacity crowd of 2,000 in the beautiful, spacious Servite gymnasium last Wednesday, March 14. The 44 to 42 victory enabled the Polar Bears to capture the quarterfinal round of the State High School basketball tournament and move into the semi-final round at East Lansing against Flint Central.

More than 1300 Pointe fans saw the well balanced Polar Bear quintet outscore the Blue Devils. Bruce Allen and Bud McCullough combined their efforts for 40 of the Blue Devils' 42 point total. Allen collected 27 points to run his four game tournament total to 104 points. McCullough counted 13 points and Norm Hardin notched the only other Blue Devil basket.

Nip and Tuck Battle
The score changed hands or was tied no less than 23 times, being tied on six occasions and the lead changing hands 17 times. At no time did either team lead by more than five points and Highland Park enjoyed that advantage early in the fourth quarter. Prior to that time the first quarter had ended in a 7 to 7 tie and the two teams left the floor at halftime deadlocked at 19 to 19.

Halfway through the final quarter Allen wiped out the Parkers' five point advantage with three successive field goals to put the Pointers out in front 41 to 40 with 3 minutes and 54 seconds remaining in the contest.

Defense Caught Flat
Little Joe Carlson, a 5 foot 8 inch guard, put the Polar Bears back in the lead 42 to 41, with a court length dash that fooled the Blue Devil defense flat footed. Bud McCullough tied the count at 42 to 42, with one of the Pointers' two successful free throws in 13 attempts, with a minute and 48 seconds remaining. Carlson then whipped in a 20 foot one hand shot with 54 seconds remaining and the Polar Bears successfully stalled out the clock while the huge Blue Devil crowd screamed "get that ball."

Highland Park's joyous crowd swarmed onto the floor and carried their players from the court on their shoulders. There was many a tear stained cheek as the disappointed Pointe crowd fled out into the rain swept street.

True Sportsmen
Although Grosse Pointe's Regional champions were dejected, they accepted the crushing defeat graciously, as our Pointe kids always do.

Probably the greatest display of team loyalty came from Bruce Allen in the deathlike silence of the Blue Devil dressing room after the game, when he was informed he had made the All-State team. Said Allen, "That doesn't matter. I would have rather won this game."

Actually Grosse Pointe lost out in the quarter-final contest at the foul line. The Pointers missed

11 of 13 free throws while Highland Park connected on 8 of 11 charity tosses.

Stars Held In-Check

The final results also proves how well Coach Ed Wernet had schooled his charges to stop the Polar Bears' two high scoring stars, Ray Pogliano and its amazing freshman, baby face, spindley legged George Duncan. Pogliano was held to 9 points and Duncan to 11.

Credit for stopping these two boys must go to guard Jim Davison, who stuck to Pogliano like flypaper, and to McCullough, who throttled the usually high scoring Duncan.

Another prime factor in the Pointers' loss was the failure of its guards to pose a threat from far out on the court with long shots. None of the boys Wernet used in these positions was able to find the range. On the other hand, Highland Park's Doby, Parks and Carlson accounted for 24 of the Parkers' 44 point total.

Joe Doby Stars
If credit is to be given to any one Highland Park boy it should go to guard Joe Doby. He swished in 10 points with five long shots from far out on the court. He didn't get closer than 25 feet from the basket on any one of his shots.

It was this sort of threat the Blue Devils missed most, but the failure at the foul line was the deciding factor regardless.

Despite this crushing defeat, this year's team will go down in Grosse Pointe High's history alongside the names of other great Blue Devil teams.

Bruce Allen First B.C.L. Player to Make All-State

By Fred Runnells
Bruce Allen, Grosse Pointe's greatest cage star, made school and Border Cities League history when he became the first Blue Devil and Border Cities cager to be named on the All State basketball team.

Besides being named to the highest honor a high school cager can attain, Allen also was named on the All Suburban and NEWS Border Cities League quintets.

The selection was the fulfillment of an ambition Allen dreamed of at the beginning of the 1950-51 cage season.

It isn't hard to see why he was selected. Take for instance Allen's performance during the season.

In the first game of the season against Hazel Park Bruce established a new Grosse Pointe High school individual scoring record of 30 points. He later tied his own record against Port Huron in the Regional Tournament held at Pontiac and broke the record

with a 31-point production against De La Salle in the championship game.

Over the 15-game regular season Allen collected 302 points in leading the Blue Devils to a second place tie with Fordson in the Border Cities League race. His season total also established a new scoring record at Grosse Pointe and gave him a game average of slightly over 20 points.

In the quarter-final contest against Highland Park, which the Devils lost 44-42, Allen scored 27 of the Blue Devils' 42 points to run his four-game tournament total to 104 points, which gave him a 26-point game average. This is also another school record.

Coupling Allen's regular season total and tournament total together we come up with an amazing 406 points in 19 games, for a 22.5 game average.

Allen's 104 tournament points ranked him second in the state, trailing only Jim Mills of Brimley, champions of Class D, who notched 113 points in four games for a 28.2 game average.

Frank Tanana of Detroit St. Andrew, Class C champions, had seven games in which to run up 170 points for a 24.2 game average for third place and Ron Jackson of Kalamazoo Central.

Verdonckt Team Wins Crown In Neighborhood Club Loop

Grosse Pointe Valet Takes Second Place by Getting Forfeit From St. Clair Shores Aggregation

The Verdonckt Bakery quintet scored a 41 to 39 victory over third place American-Italian to win the Major Division crown in the Neighborhood Club Basketball League.

Grosse Pointe Valet, defending champion, annexed a 2-0 forfeit from St. Clair Shores on the same night to wind up in second place in the standings.

Metropolitan Club Wins

The third game of the final triple header of the season saw the Metropolitan Club eke out a 27 to 25 victory over Monday Cleaners in the battle for fourth place.

In the Minor Division race Belle Isle T. and A. had a couple of narrow squeaks last week but managed to win its last two games to take the Minor Division title.

On Friday, March 16, Belle Isle edged a surprising St. Clair C.Y.O. quintet 53 to 52 on the last half performances of Bill Bellumono and Joe Howard, who notched 10 points each in the last half to salvage the victory. Belle Isle trailed 27 to 19 at the half time intermission.

Saved By Clock

Three nights later Belle Isle edged third place Tracy Motors, 44 to 42, and in this one the clock saved the Belle Isle team when Tracy closed with a late rally that fell short.

However, Belle Isle had a chance to deadlock the game after the final whistle sounded. Emmett Tracy fouled Joe Landry as the whistle blew but Landry muffed the game tying foul.

Bob Allen of Tracy and Landry of Belle Isle tied for individual honors with 13 points each.

Post 303 grabbed off second place honors in the Minor Division by beating St. Clair C.Y.O. 48 to 45.

PLAYOFFS START

The annual basketball playoffs for both the Major and Minor divisions at the Neighborhood Club got underway last Monday, March 19, with the semi-finals slated for Monday, March 26, and the finals the following night.

In the first round of the "two game and out" playoffs Major Division champion Verdonckt Bakery easily whipped American-Italian, 50 to 32. In the second game second place Grosse Pointe Valet tripped up Metropolitan Club, 68 to 48, with Jim McHale leading the winners with 15 points. Bob Roskopp captured individual scoring honors with 18 points while pacing the Metropolitan Club attack.

Stage Great Battle
The first game of the triple header bill saw a whining-ding battle between Tracy Motors and division champion Belle Isle, which was won in the closing

seconds by Tracy Motors, 35 to 34.

Belle Isle surged to the front early in the final period only to see Tracy Motors tie the count at 34 to 34 with seconds remaining. A little scuffle occurred at this time and Tracy Motors was awarded a technical foul after two players were ejected from the game. Don Patterson made good on the charity toss to give Tracy its winning margin.

"A BURIAL PLACE FOR KINGS"
 NOW UNDER CONSTRUCTION

The name "mausoleum" was given to a tomb erected to Mausolus, king of Caria in Halicarnassus, a Greek city of Asia Minor, by his widow, Artemisia, in 352 B.C. This great and beautiful structure was one of the seven wonders of the ancient world, and because of its splendor and the fact that it was in honor of a king, the word "mausoleum" came to mean a "burial place for kings."

Even at that ancient date, 352 B.C., this form of burial was not new. It was as old as Abraham, who buried Sarah in a cave in the field of Machpelah, a family tomb which he, too, later occupied. It is as old as the pyramids, the tombs of Egyptian monarchs on the desert border of the Nile.

No, Mausoleums are not new, but for centuries this form of burial was restricted to the great and the rich of earth. But now, here in our own inventive and resourceful America, an America where the best of everything has been made available to the common man, this hitherto royal and exclusive privilege of burial, above ground, in the clean, dry, protected tombs built for eternity, is available to all at prices you can afford, no higher in fact than comparable burial in the earth.

Space in beautiful GETHSEMANE MAUSOLEUM for you and your family can be had at prices and terms that will amaze you, with no interest, no carrying charges, no taxes. When the MAUSOLEUM will be completed these prices will of course be much higher.

THE BOOK MENTIONED BELOW CONTAINS A LARGE COLOR PICTURE OF THE MAUSOLEUM, AS WELL AS INTERIOR VIEWS; ALSO DIFFERENT CRYPT ARRANGEMENTS.

minutes . . . held the center of the Foster May party when they danced all by themselves in an exhibition number . . .

And now Lydia is a May Party Queen . . .

The news is announced today by Miss Foster (who's off on one of the Lansing-Battle Creek junkets that bring under her gentle charge the grace and social poise of young people in those towns as well as Detroit and Grosse Pointe) . . .

And that makes public at least two of the Beauty's Spring dates . . .

The end of this month . . . she'll be bridesmaid in the wedding party of Sheila Rorick of Perrysburg, O., and Jimmy Robinson of Grosse Pointe . . .

And she'll lead the grand march on May 11 . . . at the moment she's with her mother at the family's Palm Beach villa . . .

Mrs. Edsel Ford First

Naturally, we can never announce a new May Party Queen without a bit of nostalgic reminiscing . . .

The names of May Party leaders are ones that sparkle in Detroit society . . .

For instance . . . Mrs. Edsel Ford led the first grand march . . . and then returned to take the lead of the Twenty-fifth May Party a few years back . . .

Familiar far outside the Pointe are the girls of other years, including: Mrs. Frederick Sloane Ford . . . Mrs. Alvan Macauley, Jr. . . Mrs. Frederick H. Cole . . . Mrs. George Porter MacMahon . . .

Mrs. Samuel Heffelfinger Bell, now of Chandler, Ariz. . . Mrs. Arthur S. Douglass, Jr., now of New York City . . . Mrs. Guy T. Harden, now of Hong Kong . . .

Mrs. Robert Eden Scripps of "Young Eden Farm," Lake Orion . . . Phoebe Otter of "Apple Towers," Bloomfield Hills . . . Buffy Wicking, dashing Sorosis . . .

They Lead the Grand March

And to continue:

Mrs. John W. Watling, Jr., now of California (Anne Kresge Breckenridge) . . . Mrs. Richard Amerson, now of Battle Creek (the former Mrs. Frances Rumney Gage) . . . Mrs. Marshall E. Templeton . . .

Mrs. Franklin Mitchell, now of "Frammi Farms" near Leland, Mich. . . Dorothy Booth of Bloomfield Hills, who's engaged to Bob Ford of the Pointe . . .

Last year's May Party leader was the stunning Julie Otter, daughter of the Clarence E. Otters of Bloomfield Hills. And now . . . enter Miss Lydia Buhl . . .

To Attend DAR Breakfast In Ann Arbor on March 30

The D.A.R. State convention has invited the C.A.R. senior officers to a Round Table breakfast, March 30, in the dining-room of the Michigan Union Building, at Ann Arbor, to discuss organization of new societies and final arrangements for state and national conventions.

Those attending will include Mrs. Harvey J. Maxwell, State C.A.R. president; Mrs. Henry B. Joy, honorary vice-president National; Mrs. Roger Williams, first vice-president; Mrs. Harold Hastings, Mrs. Sidney Probert, Mrs. Millard T. Toncray, Mrs. Harry S. McQueen, Mrs. Robert Artner and Mrs. Arthur H. Bacon, state promoters; Mrs. Lloyd DeWitt Smith, state chairman for grandmothers.

Mrs. Joy will give a brief message. Mrs. Pomeroy, D.A.R. state president, will give information on growth and membership, as well as training for American citizenship.

READY PARKING LOT
Progress is being made on the preparation of the City's parking lot off St. Clair avenue in the rear of Kercheval. It was hoped to have the concrete poured for the entrance and exit before Easter, but weather held up this part of the development.

It's Palm Beach For the Kuhns

This week's early snows added just that more zest to the travels planned by Mr. and Mrs. Frank Kuhn of McKinley place and daughter, Airelle.

They will leave this Friday by train for their annual holiday in Palm Beach, returning in time for Aerielle to resume her studies as a junior at Grosse Pointe Country Day School.

who, where and whatnot

by whoozit

If you are having any trouble getting into the Easter Bunny mood . . . may we direct you right down Kercheval to Jacobson's . . . where the windows are luring just every-one at the Pointe these days . . . the chic points of your Spring wardrobe are set against pastel Spring rainbow hues . . . and the models, all with svelte lines, have Easter Bunny Faces . . .

As we left these gay Easter windows . . . ran smack into art connoisseur and bon vivant JOSEPH DE GRIMME and we fell to talking about scoundrels . . . of ALL things! . . . Joseph told us the most amazing scoundrel he'd ever known . . . back in his native Vienna . . . the villainous Viennese used the government as a post office . . . He never stamped his letters and so the postal authorities sent them back to the return address . . . which the cunning one always made out in the name of the person he really wished to receive the letter! Prison authorities now carefully inspect his outgoing mail to make sure he gets everything correct these days . . .

We couldn't believe there was anyone left, especially since March 15 . . . who could be found walking about the Pointe with a basketful of cold, hard cash. Yet that's what MRS. MARION M. SHEAFFER did last week. Turned out the money was collected in Grosse Pointe schools by the Junior Red Cross for the 1951 Fund Campaign. Mrs. Sheaffer has headed the Pointe's Red Cross Juniors for thirteen years! . . .

Love the little 12-year-old's explanation of what was ailing one of her favorite adults . . .
"She's in the hospital. Got golf shoes."

Two dashing Pointers glimpsed doing the family marketing. Mama, MRS. MILTON VOLKENS, in an eye-opening red sport coat. Four-year-old MASTER VOLKEN, in a bright red leather frontier jacket (the kind with leather fringe on the cuffs, etc.) and a racoon hat. "It's a Daniel Boone cap," whispered Mrs. Volkens, "but don't call it that. He doesn't like Daniel Boone. Prefers cowboys." Ah, television.

PILFERINGS

Says the MANCHESTER GUARDIAN: In Stuttgart the housewife can now dial 995 and obtain ideas for meals and cookery instructions. Says contributor to the Guardian, F.R.C.C.:

No more the Stuttgart hausfrau wears
That haunted, harassed look;
She dials 995 and hears
Exactly what to cook.
"Dea ex machina" bestows
A recipe to suit;
The youngest bride in Stuttgart knows
Just what to feed the brute.
But wily husbands, too, no doubt,
May dial the exchange,
And from The Golden Voice find out
What's cooking on the range.
So, sometimes, by her laden plate
Poor Liebchen lonely sits;
Her lord and master's working late
Or dining out with Fritz.

In the same issue of the Manchester Guardian, a rare bit of fashion reporting to the dignified journal informs:

"Passengers on London buses will welcome the news that women conductors are to be provided with smarter uniforms. At present 'clippies' are supposed to wear blue striped slacks, a peaked cap, and an overcoat. A large number, however, omit to wear either the coat or the cap, and they tend to look a little shabby in woolen sweaters and open-necked shirts. Their new uniform will consist of orange-piped slacks, a beret (which, one imagines, will be more popular than the peaked cap), and a tailored jacket. The jacket will have orange cuff bands, and a griffin—the London Transport device—will be embroidered in orange on each lapel. A smart waistline will be given by a stitched-in belt."

Pointer of Interest

JAMES W. BUSHONG—NEW SUPERINTENDENT OF PUBLIC SCHOOLS

More important than such externals as geographical location or scenic beauty, are the people who comprise a community—the scope of and the earnestness with which they pursue their hopes and ideals, in the judgment of Mr. James Bushong, the Pointe's new superintendent of schools.

In this vein Mr. Bushong commented that he is pleased that his children will have for playmates and school chums, the alert, wholesome, spirited youngsters who populate the Pointe's school system.

Looking for House

At present his family is living in Winchester, Mass., but with the June recess of school (two of the Bushong children are of school age), Mr. Bushong plans to move the family to the Pointe, provided, that is, that a suitable four bedroom home is located in the interim. The family includes, plus Mr. Bushong's wife, Vicky; daughters, Dorothy Joyce, 12; Willa Janis, 10; Helen Elizabeth (Betsey), 1; and Linda Katherine, who arrived this past St. Valentine's Day. As a tip to their new playmates, the girls are all known by their middle names.

Believes in Fundamentals
A thorough grounding in the 3 R's, plus a cultivation of the ability to think, a problem through and to arrive at a sound plan of action, are what Mr.

Bushong designates as the rudimentary duties of education. He believes that a graduate's diploma should be backed by substantial learning.

An assurance that Mr. Bushong knows whereof he speaks is readily secured by a glance at his distinguished record, which reveals that he was selected as one of five top ranking educators from among over 600 nominees, by Harvard University for a Graduate Fellowship in Education. Mr. Bushong has become a seasoned airlines passenger, commuting as he does between the Pointe and sessions at Harvard.

Knows Teaching Business
Our new superintendent, a native of Oregon, has been a high school teacher and principal as well as superintendent of schools in Bend, Oregon. Early in his teaching career, he taught in a high school having a staff of only four teachers which necessitated his teaching subjects which ranged from English to Manual Training. He was spared only the teaching of homemaking classes.

He regarded as a pleasant task the signing of the personal letters which each of the 511 Grosse Pointe students, making the honor roll last semester, received. This is one task which Mr. Bushong hopes will become even more comprehensive.

A World War II veteran, Mr. Bushong saw service in both the Atlantic and Pacific areas, serving with the Navy, where he attained the rank of lieutenant-commander.

The athletic activities of a school aid in developing school spirit and in integrating the whole personality of the student and are thus ranked of real importance by Mr. Bushong. He has coached baseball and basketball teams in Oregon as well as track, so he will likely be a very interested spectator at coming school athletic events.

Is Fine Golfer
Being a two-handicap golfer, we suspect that Mr. Bushong will spend some of the approaching spring weekends acquainting himself with the golfing facilities hereabouts, and we wish him many par shattering games in the coming season.

FROZEN LEMON PIE

Contributed by Mrs. Raymond J. Schrage, Jr.

Cook in double boiler until thickened:
3 egg yolks
1/4 c. lemon juice
1/2 tsp. grated lemon rind
1/8 tsp. salt
7 Tbsp. sugar.
Beat the egg whites and fold in three tablespoons of sugar. Fold into the cooked mixture and add one half pint of whipped cream. Crush 34 vanilla wafers, using half to cover the bottom of a small square cake pan or a pie pan.
Pour over this the lemon mixture and top with the remaining crumbled vanilla wafers. Place in refrigerator until firm.

The hostesses for the evening will be Dr. Frank J. Sladen, Mr. B. A. McCurdy and Miss Margaret Millin.

FIRE AT REINHOLD HOME

Sparks from the furnace chimney started a roof fire at the Henry C. Reinhold home at 1387 Grayton road on March 13. About a quarter of the roof was burned off, but the flames were confined to the roof and attic.
