

Father James Keller to Lecture Here

(Continued from Page 1)

terested persons. That is the sole unifying contact.

Father Keller was born in Oakland, California, 49 years ago. He was educated at Maryknoll Seminary and Catholic University, Washington, D. C. At present he lives in New York. He has spoken over the United States and in many countries of Europe, telling about the Christopher movement and encouraging men and women in all walks of life to make their influence felt in

the task of changing the world for the better, just as the subversives are working night and day to undermine it.

Demonstrates Belief

In connection with his nationwide talks on platforms and over the radio, Father Keller likes to tell of an incident which happened on the West Coast just after the end of the war and which demonstrates the power of even one individual to make his presence noticed. At a patriotic observance one night in Los Angeles Coliseum where some 100,000 people were gathered, the huge amphitheatre was suddenly plunged into darkness at a signal from the master of ceremonies. While the throng waited in surprise, the voice of the MC was heard over the microphone. "Perhaps you sometimes tell yourself that you're not important," he said, "that your job doesn't count. But you're wrong. Let me show you why..." With that, the speaker struck a match and in the blackness the tiny flame could be seen by everyone.

Each Doing His Part

"Now you can see the importance of one small light," the MC announced. "But suppose we ALL strike a match!" Faster than it takes to tell, 100,000 pinpricks of flame flooded the arena with light—the result of 100,000 individuals, each doing his own part. "That," says Father Keller, "is how the Christopher movement works. No matter who you are, or what you are, or where you may be, you can do something to change the world for the better. You as an individual are important. You count!"

Sensing the urgency of the challenge to our God-given free-

doms, just recently, under Father Keller's direction, the Christophers have begun a program of Career Guidance Schools which will be established in various parts of the country, whose aim is to develop a consciousness of purpose and direction in sound-thinking persons of all faiths.

Now Making Movies

In conjunction with these Schools, the Christophers have under way a motion picture project, illustrating in film form the various courses which will be given in the Guidance Schools. The first film is now in production under the direction of Leo McCarey, who was responsible for such motion picture successes as "Going My Way" and "The Bells of St. Mary's". These films, some 30 in number, will be available for showing in schools and public auditoriums.

Father Keller is the author of the recent best-seller, "You Can Change The World," "Men of Maryknoll," and a new book just published by Doubleday this fall, entitled "Three Minutes A Day." Articles on the Christophers have appeared from time to time in such magazines as Reader's Digest, Omnibook, Time, Newsweek and other national publications.

Fear of Godless

"The one thing that terrifies the godless the world over," Father Keller told an interviewer not long ago, "is the fear that some day all those who believe in Christ will wake up and start acting their beliefs. Once that happens, most of the great problems which plague mankind... and Communism is only one of these... will disappear overnight. If people don't wake up... well, two hundred and fifty years ago William Penn pointed out what will happen, when he said: 'Those people who are not governed by God will be ruled by tyrants.'"

Police are seeking the youngsters who are responsible for causing damage to two houses under construction.

MERCURY WINS AGAIN IN MOBILGAS ECONOMY RUN!

1951 MERCURY WITH OVERDRIVE IS DECLARED "ECONOMY CAR OF ITS CLASS"

THIS year it's the 1951 Mercury with Touch-O-Matic Overdrive* that won first prize in Class "C" in the Mobilgas Economy Run!

Proving its pound-for-pound gasoline economy, this stock Mercury scored amazing 59,868 ton-mile performance over a grueling 840-mile course staked out by the AAA. Virtually every kind of weather and road condition—7,000-foot ice-ridden mountain passes... sweltering, sand-swept roads of Death Valley—put the car to the test. But still, the new 1951 Mercury delivered the best ton-mile gasoline economy of any car in its class.

That's something to think about when you go to buy a 1951 car. It's good to know that the new 1951 Mercury can save you money for years to come—no matter where you drive it!

As if this amazing economy weren't enough, Mercury also offers new styling that's more than just skin deep. New riding comfort that's designed to give you a smoother ride longer. New value that can't be surpassed by any car.

Once again the facts have proved it—the new 1951 Mercury is "the buy of your life!" So drop in at our showroom and get the complete story.

*For "the drive of your life," Mercury offers you a triple choice in transmissions. Merc-O-Matic Drive, the new, simpler, smoother, more efficient automatic transmission—or Touch-O-Matic Overdrive are optional at extra cost. There's also silent-ease synchronized standard transmission.

Don't miss the big television hit, "TOAST OF THE TOWN," with Ed Sullivan. Sunday evening, 8:00 to 9:00 p.m. Station WJBK-TV, channel 2.

Harper Woods Membership In Radio System Approved

The new City of Harper Woods, which was formerly a part of Gratiot Township, has asked for membership in the Grosse Pointe Intermunicipal Police Radio System, and an amendment has been drafted for the approval of the points of its admittance.

All the police chiefs have recommended the inclusion of the new city, stating that it will strengthen the protection of this area and will not over-tax the system.

The Farms council voted Monday night to approve the amendment, which is similar to the one drawn up when the Woods was admitted after the other four Pointes had proceeded to establish the system. The Park council approved the membership at its meeting Monday afternoon.

The City of Grosse Pointe Council, which also met Monday night, agreed to sign the amendment, but asked that some stipulation be made as to just when

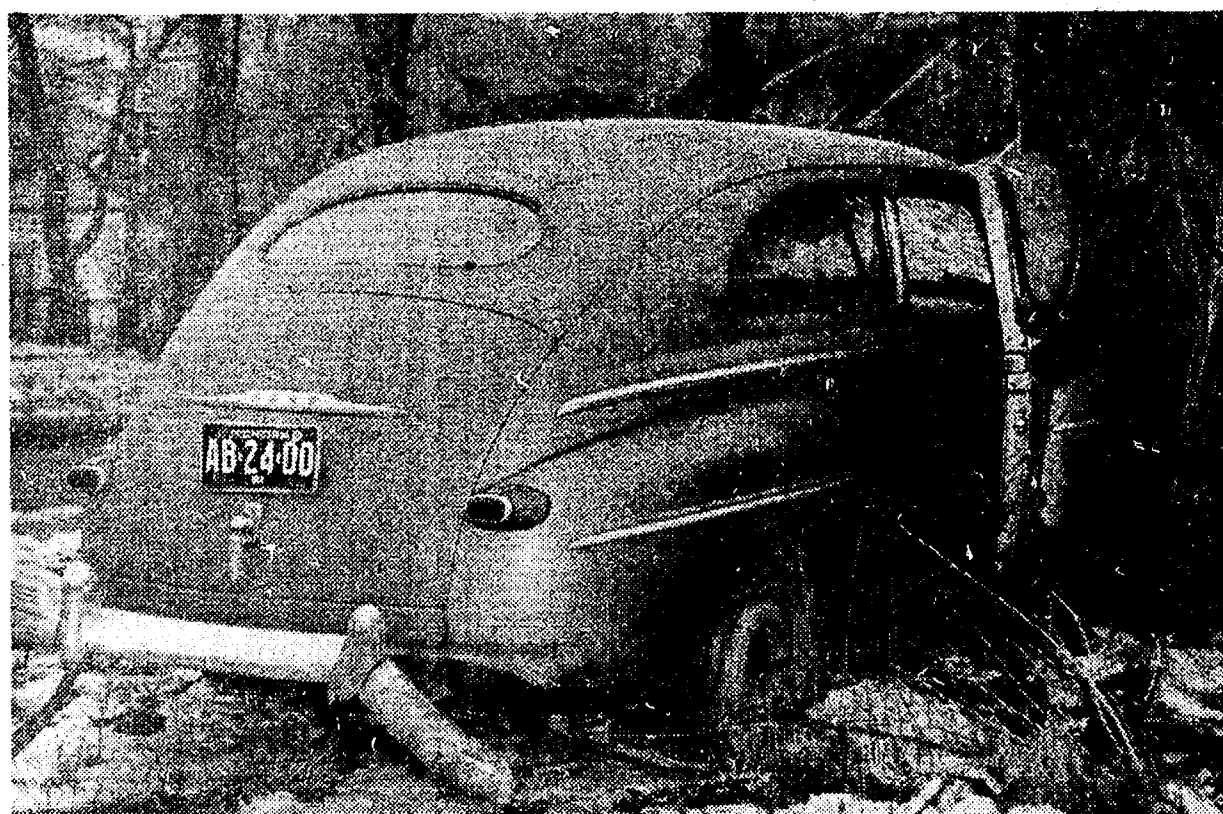

the new city intends to pay its share of the cost of the system. It is understood Harper Woods will have four mobile units in use, but as yet, according to the City's information, the new member of the system will share the costs with the Pointe municipalities, which is expected to cut down the per member expenses. The City of Grosse Pointe would like some assurance as to just when the new member will begin to share the expenses.

Committee chairmen included Harry Hansen of Bishop road, Louis Mitchell of Harvard road, Julian Gosson of Somerset road and Frederick P. Bott of Marlborough avenue.

Dr. Scott cited Health Commissioner Malme's fear that the city would soon have to close down many hospital beds because there will not be enough doctors to care for patients.

"A BURIAL PLACE FOR KINGS" NOW UNDER CONSTRUCTION

The name "mausoleum" was given to a tomb erected to Mausolus, king of Caria in Halicarnassus, a Greek city of Asia Minor, by his widow, Artemisia, in 352 B.C. This great and beautiful structure was one of the seven wonders of the ancient world, and because of its splendor and the fact that it was in honor of a king, the word "mausoleum" came to mean a "burial place for kings."

Even at that ancient date, 352 B.C., this form of burial was not new. It was as old as Abraham, who buried Sarah in a cave in the field of Machpelah, a family tomb which he, too, later occupied. It is as old as the pyramids, the tombs of Egyptian monarchs on the desert border of the Nile.

No, Mausoleums are not new, but for centuries this form of burial was restricted to the great and the rich of earth. But now, here in our own inventive and resourceful America, an America where the best of everything has been made available to the common man, this hitherto royal and exclusive privilege of burial, above ground, in the clean, dry, protected tombs built for eternity, is available to all at prices you can afford, no higher in fact than comparable burial in the earth.

Space in beautiful GETHSEMANE MAUSOLEUM for you and your family can be had at prices and terms that will amaze you, with no interest, no carrying charges, no taxes. When the MAUSOLEUM will be completed these prices will of course be much higher.

THE BOOK MENTIONED BELOW CONTAINS A LARGE COLOR PICTURE OF THE MAUSOLEUM, AS WELL AS INTERIOR VIEWS; ALSO DIFFERENT CRYPT ARRANGEMENTS.

Hospitals Need Nurse's Aides

Detroit hospitals have asked Red Cross to supply additional nurses aides at once, it was reported today by Mrs. Carl B. Grawn, advisory chairman of nurses aide service for Detroit Chapter.

To meet the need, Mrs. Grawn said the chapter is calling on all trained volunteer nurses aides who are now inactive to again report for duty. This is one of the Red Cross services which is being greatly expanded as part of the civil defense program.

"We would like to hear both from those who can work in hospitals now as well as those who would be available in an emergency," said Mrs. Grawn.

Trained nurses who served as teachers in the Red Cross volunteer nurses aide program during World War II also are needed to teach new classes called for by the expanded program. A short refresher course will be given.

Former nurses and aides who are willing to serve again are requested to call WO. 1-3900.

Perrysburg Wedding Inspires Party Whirl

Pointers Armed With Maps to Perrysburg Invited to Round of Parties Complimenting Saturday's Bridal Couple, Sheila Rorick and Jim Robinson

The wedding whose guest list includes not only scores of Pointe young folks but their mamas and papas as well, takes place this Saturday in Toledo, O., followed by a reception in Perrysburg with Sheila Rorick and Frederick James Robinson II as the principals.

In view of the twenty-four attendants who will accompany the young couple to the altar, practically every gala of the wedding week-end has taken on formal ball proportions. The bride is the daughter of Mr. and Mrs. Marvin Rorick of Perrysburg and Jim is the son of Mr. and Mrs. W. Dean Robinson of Grosse Pointe.

All out of town wedding guests, and throngs are arriving from the East and South as well as the Pointe, have been supplied with detailed maps showing how to get to Holy Rosary Cathedral in Toledo (for the 11:45 a.m. ceremony) from Detroit and other points. Distances are carefully included and there's a tiny drawing of the Country Club at Perrysburg where the Roricks will be hosts at the wedding reception.

This evening the wedding week-end festivities begin with the dinner being given by Eugenie Lamb, one of the bridesmaids, at the home of her parents, Mr. and Mrs. J. Clement Lamb in Perrysburg.

Friday, at noon, Mr. and Mrs. John D. Biggers will be hosts at a luncheon for the bridal couple and it will be a sizable party since out of town guests are being included along with the members of the wedding party.

On Friday evening, the rehearsal dinner takes place at Carranor Hunt and Polo Club with hosts including Mr. and Mrs. Ceilan H. Rorick, Mrs. Grace Baker and Mrs. Paul Prudden.

Out of town guests will be

guests of Mr. and Mrs. George Pope MacNichol Jr. for dinner that same evening. The MacNichols dinner is being held in their Perrysburg home.

Nor do the parties end with the wedding reception. Mr. and Mrs. Robinson will be guests of honor at the dinner party that evening when hosts will be Clare J. Hoffman of Dorset Farms, Perrysburg. Again the out of town guests have been asked to attend this party.

And on Sunday, Mr. and Mrs. Sinclair Walbridge are luring the guests to make their stay a bit longer with their invitations for a buffet luncheon at their Perrysburg home.

The Easter week-end sparked with engagement news at the Pointe and at least three announcements were made, two at Saturday afternoon cocktail parties and the third at an Easter Sunday buffet supper.

The Sunday party made Suzanne Stevenson, daughter of Mr. and Mrs. Donald C. Stevenson of Berkshire road, the "newest" bride-elect. Her parents told of her engagement to William A. Knight III, of Evanston, Ill., son of Mr. and Mrs. Abner Richard Knight of Urbana, Ill.

Purple and gold ribbons, dancing from the stems of cocktail glasses, were inscribed with the names of the engaged couple.

Suzanne is a graduate of Walnut Hill School, Natick, Mass., and of the University of Michigan. She also did graduate work at Simmons College in Boston. She is a member of Pi Beta Phi.

Bill graduated from the University of Illinois and received his master's degree in business administration at the University of Chicago. His fraternity is Phi Gamma Delta. Bill is a practicing engineer breaking the family tradition of teaching in this field. His father is professor of engineering at Illinois and his grandfather, William Abner Knight II, is dean emeritus of engineering at Ohio State University.

Suzanne wore a silver gray frock for her announcement party and there were orchids at her shoulder.

An open house and cocktail party was given by Mr. and Mrs. Paul S. Mathewson of Lakeland avenue, to announce the engagement of their daughter, Nancy Lee, to Robert Henry Cooper, son of Mr. and Mrs. James H. Cooper of Grand Marais boulevard.

The bride-elect, who's a member of Sigma Kappa, attended Western Michigan College.

Completing the trio of engaged girls is Carol MacPherson, daughter of Mr. and Mrs. G. Boyd Mac-

Pherson of Seyburn avenue, who will marry J. Sydney O'Brien, son of Mr. and Mrs. S. C. O'Brien of Grayton road this autumn.

Guests at the announcement cocktail party saw the names of the engaged couple etched in the logs of the fireplace when they arrived late Saturday afternoon.

Carol is a graduate of Grosse Pointe Country Day and Ogontz Junior College. The bridegroom-elect's schools were Cranwell Preparatory School, Lenox, Mass., and Michigan State College. He's a member of Psi Upsilon.

Betrothal Told

Mr. and Mrs. Fred L. Day of McKinley rd., announce the engagement of their daughter, PATRICIA JANELLE, to Robert Jenkins, Briarcliff avenue, Detroit.

Announcement is being made this Thursday in Ann Arbor at the Pi Beta Phi house.

Pat will be graduating in June in the School of Education. Bob is a senior in the School of Business Administration, and is affiliated with Delta Upsilon. They are planning a June wedding.

Buffy Wicking Sorosis Head

Buffy Wicking, daughter of Mr. and Mrs. Burt Harrison Wicking of Trombley road this week was elected president of Collegiate Sorosis at the University of Michigan.

This highest honor was accorded her by the vote of the outstanding sorority.

It is added to an already shining social and scholastic record for the young lady who was presented to society at a reception given by her mother two years ago at their Pointe home.

She was graduated cum laude from Grosse Pointe High School before entering University of Michigan, where she is now a junior. She led the grand march of Miss Annie Ward Foster's May party her debutante year.

In addition to these pursuits, Buffy will complete her cadet training with the United States Marine Corps next summer, having been chosen to join the outstanding group of American girls by the service's highly selective screening board.

President Wicking will arrive home April 10 to spend her spring holidays from Michigan with her parents.

Club Will Hear Talk on Gardens

Miss Marie Louise Anderson, president of the Grosse Pointe Garden Center, will be the guest speaker at the monthly meeting of the Neighbors Club on Monday, April 2, at 1:30 o'clock at the Grosse Pointe War Memorial Center.

She will speak on the timely subject of the preparation of the soil for spring garden planting and will conduct an open forum for individual garden problems and questions pertaining to spring gardening.

Miss Anderson is a member of the National Council of the Woman's National Farm and Garden Club.

Mrs. Justus Hattemer and Mrs. Frederick Reynolds head the program committee for this meeting and Mrs. Robert Risk, assisted by her committee, will be in charge of refreshments.

Dartmouth Glee Club To Sing Here April 10

Famous Singing Group, 50 Strong, Arrive for Evening Concert in Grosse Pointe High School Auditorium; Dance at Country Club to Follow

The lads from Dartmouth arrive en masse this Friday for their Spring vacation and during that time Pointers may expect to hear plenty about the forthcoming appearance in Grosse Pointe High School, April 10, of the Dartmouth College Glee Club concert.

The Detroit committee for the famous glee club has been fast at work, however, for several weeks under the chairmanship of Robert J. Grow whose aides have things well in hand at this point.

The 50 members of the glee club arrive in the Pointe the afternoon of the concert, in time for dinner at the Country Club before going on to Grosse Pointe High Auditorium. Then their plans call for a return to the club for the Dartmouth dance. The next day, the lads will spend the morning going through the Ford Motor Co. plant at River Rouge and will be guests of the company at luncheon when their host will be Dartmouth alumnus, William J. Mitchell.

This will be the Glee Club's first appearance in Detroit after a four-year absence and just in case you'd like to get a preview peek at the handsome songsters, we're told they'll be on Kate Smith's television show this Friday (WWJ-TV from 4:45 to 5 p.m.) in brief appearance.

Now for the others on the executive committee. In charge of housing the boys while they're here are Philip K. Watson, Robert W. Sumner and Roger E. Graves. David E. Williams has taken over contacting the Eastern College Alumni groups to be sure they're all invited for the fun.

Ticket sales are the province of Donald A. Williams whose aides include Thomas L. Lott and James D. Tracy. The Country Club dance is under the direction of John J. Brabb and Thomas E. Candler. Earl Brabb heads the undergraduate committee.

Parents of Dartmouth undergraduates are acting as patrons for the Glee Club's Grosse Pointe appearance. They include Mr. and Mrs. C. LeRoy Austin, Dr. and Mrs. W. W. Babcock, Dr. and Mrs. Lester E. Bauer, Mr. and Mrs. John H. Brabb, Mr. and Mrs. William E. Corrigan.

Grosse Pointe Theatre has announced casting call for its final major production, "Jenny Kissed Me," by Jean Kerr. It will be held Friday and Saturday, March 30 and 31, at 7:30 p.m. in Miller Memorial Hall, back of Christ Church on Grosse Pointe boulevard.

The action of the play, a delightful comedy in three acts, centers around the activities of teen-agers and the cast includes parts for two mature women,

seven girls, three men and one or two boys.

"Jenny Kissed Me," which will be directed by John Carrico, assisted by Hester Batchelor, will be given at the Grosse Pointe High School on May 22 and 23, with rehearsals every Tuesday and Thursday evening and Sunday afternoon beginning the middle of April.

The production staff, headed by Clark Wells, assisted by George True, has asked that all members and prospective members interested in collecting props, building sets, lighting, stage managing, dressing the set or just doing some of the hundred and one odd jobs that put a play on the stage, come to casting call.

Ruth Markely is in charge of the sale of block tickets for the productions. Any organization interested in fund raising is offered an excellent opportunity to add to its fund. Call Mrs. Markely, TU. 2-2763 for particulars.

Water Charges Raised in City

It is going to be more expensive for new home owners to get water service in the City of Grosse Pointe in the future.

The council acted Monday night to increase cost of water permits and meters. Meter rates will be left up to the jurisdiction of the council, according to the new ordinance which is being prepared.

It was stated that prices have been raised so much recently, that under the old ordinance meter charges were less than the City has to pay for them.

Exhibit Replicas Of Wild Flowers

A story carried in last week's issue of the NEWS stated that a collection of wild flowers, fashioned of paper and wax, has been presented to the Grosse Pointe Garden Center and is on display at the War Memorial Center.

It has been learned that this collection, made by Mrs. Dexter M. Ferry, Jr., was presented to the Garden Club of Michigan, which in turn has loaned it indefinitely to the Pointe Garden Center.

The beautiful collection, with each variety properly labeled, has been set up in the Memorial Center for the public to enjoy.

Seeking Young Diamond Stars

The Frederick M. Alger Post 86 of the American Legion is now forming its baseball team under the sponsorship of Tom Boyd, local Ford dealer. The hope is that the team can be made up entirely of Pointe youngsters who have not yet reached 17. Interested young players who can qualify are urged to contact either of the above gentlemen, F. L. Rodgers, manager, left, at VA. 1-1000 or VA. 1-6160, or Richard Rydberg, coach, at TU. 5-0514.

The privilege of playing with an American Legion team is one of the most cherished of boyhood dreams. The winning teams play in the All-Star game at Briggs Stadium and have a chance to compete for the national championship.

Games will be played throughout the season at the Belle Isle and Water Works Park diamonds. Practice sessions are expected to be held in the Pointe.

Clarke Serving Historic Outfit

KITZINGEN, GERMANY—1st Lieutenant Frank P. Clarke, son of Mr. and Mrs. Louis Clarke, of 373 St. Clair avenue, Grosse Pointe, has changed his permanent station as the 5th Field Artillery Battalion, of which he is a member, moved from Schwabach Hall, Germany, to Kitzingen, Germany.

Lt. Clarke served as an enlisted man July 1918. He was graduated from West Point Military Academy in June 1949. He has been a student at the Ground General School, Fort Riley, Kansas, and the Artillery School, Fort Sill, Oklahoma.

Kitzingen is a small city with virtually no war damage, pleasantly situated on the lower Franconian plain, in the center of the world-famed Franconian wine industry.

As a member of the 5th Field Artillery Battalion, Clarke is now serving with a unit having one of the finest records in the Army. Its record is in a manner unique in military annals, completely identified with this country's history.

"D" Battery, the oldest organization in the Battalion, is the only unit in the Army which can trace its history without interruption to the Revolutionary War. With 174 years of service "D" Battery is four months older than the nation.

A county-wide search for William Connolly, Jr., 13, son of the Farms mayor, ended virtually in his own backyard.

The boy was reported missing by his parents Tuesday, March 20, at 10:30 a.m.

Unaware that city and county police were looking for him, young Connolly spent the night with a boyfriend in the neighborhood.

He returned home the next morning, police said.

Although several members of the group have been called into the service, the Simians are looking forward to an interesting and successful season.

Some of the boys who have left are Alex Sucek, Bob Inley, Frank Shelden, Dick Tobin and Don Dekeyser. Don Kuhn and Jim Donahue expect to leave in the near future.

Diana Maiullo Is Birthday Girl

The Easter Bunny came to the Pointe a whole day early just to make lovely little Diana Maiullo's seventh birthday perfect.

He left a charming duplicate of himself in the big white Easter basket (in company with fuzzy yellow chicks and thousands of pastel Easter eggs) which centered the birthday party table at Lakepointe Country Club where Diana's mother, Mrs. Joseph A. Maiullo II, invited all her daughter's friends for the afternoon.

The birthday girl looked starry-eyed from out a frothy pink or gandy party dress and Mrs. Maiullo wore for the afternoon a black suit with shiny black straw chapeau crowned in pink lilacs.

There were musical chairs... pin the tail on the donkey... skipping rope games and when birthday cake time came, the piece de resistance was a tri-tiered chocolate cake blooming with such life like morning glories the children were positive they were real.

Most of the guests were comprised of Diana's second grade classmates at the convent of the Sacred Heart including Clare Desmond, Suzanne Dupuis, Karen Sue Evates, Carol Pucci, Susan Gehrick, Ann Schroter, LaGray Greiner, Mary Louisa Mullen, Sharon Barker, Kathy Thompson, Sharon Shaw, Lina Amburgy, Ann Ulrich, Virginia Dirkes, Mary Beth Bicknell and Jamie Markley.

In addition there were her little cousins, Lynn Ann and Barbara Ternes, Toni Maiullo and Mary Beth Bicknell.

Diana's younger brothers, Joseph A. Maiullo III and Anthony Maiullo II, came for a wide-eyed view of the party in time to enjoy ice cream buddies.

Marilyn, a graduate of Wellesley College, spent the past year in New York City affiliated with an advertising firm. Her fiancé was graduated from Oberlin College, Harvard Business School and University of Indiana, and is at present assistant professor of economics at the University of Missouri.

They plan an early June wedding.

Bridge and Luncheon Given By Mrs. Parker

Mrs. Dean H. Parker entertained 20 guests for luncheon and bridge this past Monday afternoon in her home on Lake Shore road.

Lochmoor Tots In Easter Gala

This Friday marks Lochmoor Club's first mixed bridge and dinner since the clubhouse reopened after a two months period during which the kitchens were completely glamorized.

Always winning high praise of the membership, food from the new quarters is expected to be nothing short of ambrosia and there'll be a gay turnout of gals and goddesses for this initial party tomorrow.

The following evening, the Pointe club will hold its regular Saturday night party.

Little sons and daughters of Lochmoor members have already enjoyed a party at the club for on Easter Saturday they took part in an egg hunt when secreted within the club rooms were Easter baskets and fuzzy toys just waiting to be claimed by new owners.

Mrs. Howard R. DeVlieg, chairman of children's events at the club, had a record crowd on hand for the party and some of the juvenile hunters were Julie and Johnny Burton, Nancy and Patty Dull, who brought their guest, Lee Jeffries; John Adair, Patsy, Danny and Gerry DeVlieg, David and Janet Tuffley, Sandy Fritsch.

There were ever so many guests with Margaret Ann and Billy Tappert including Nancy, Walter and Donald Dossin of Grand Rapids and John Kornmeier of Branson, Mo. Jimmy Turner, Julie and Patty Walbridge, Rusty and Leslie Beckenhauer, Nancy and Billy Wallace, Irene and Peter Gallette were others joining in the fun.

Deviled Dishes Depend on Seasoning

Seasoning can make meatless Lenten meals as fascinating as any you've ever concocted. Give a thought to those fine protein foods, fish and eggs, both plentiful and budget-priced this time of year. Deviled fish and egg dishes are among the most practical items. Three basic items on most condiment shelves—salt, dry mustard, and tangy Tabasco—do the trick to give deviled dishes a delicious aroma and flavor that will make them prime favorites with your family.

Deviled Sea Food
1 7-ounce can tuna fish, OR 1 cup flaked fish
2 teaspoons lemon juice
2 tablespoons butter or margarine
2 tablespoons flour
1/2 teaspoon dry mustard
If tuna is used, drain oil and use in place of butter or margarine; flake fish. Add lemon juice to fish. Melt butter and add flour, mustard and salt; stir into a smooth paste. Add milk and cook, stirring constantly, until mixture thickens and comes to a boil. Add eggs and Tabasco. Turn into individual, or one large casserole; sprinkle with bread crumbs which have been tossed lightly in melted butter. Bake in moderate oven (375°F.) 20 to 25 minutes. YIELD: 4 servings.

Deviled Egg Casserole
Make the following substitutions in the recipe for Deviled Sea Food: Omit sea food and lemon juice. Increase butter and flour to 4 tablespoons each, milk to 2 cups, and hard-cooked eggs to 6, sliced instead of chopped. The other ingredients and procedure remain the same as given above.

Teen Fashions For Spring 1951

By Donna Longworth
GPHS Journalism Student

Spring 1951 calls for that costume look which includes such go-togethers as—a dress plus a jacket, a dress plus a coat, a suit plus a coat or a suit plus a stole. Separates are favorites this year as well as those neutral shades that are as new as the spring breeze.

Coat fashions this year are as varied as there are petals on a daisy. The short coat takes top honors this season. It can be worn from Easter until school starts next fall. The short coat, boxy or flared, will fill your every need, whether it comes to your waist or just above the knees.

And there is the pyramid coat with its neat, natural shoulders tapering down to a wide swirling hem line, that is a welcome addition to any girl's wardrobe.

Another joy of the season is the demure and lady-like fitted coat with its nipped-in-waist and swirling skirt.

The silk or taffeta coat with its full back and swishing hem is perfect for that big spring or summer night when you have a date with him.

Checked wool, butter-soft fleeces, nubby tweeds and basket weaves are just a few of the fabrics you'll find in coats this season. Also included are smooth flannels and worsteds.

And the colors, the bright ones and the neutrals, the checks and the subtle patterns, are all as bright and exciting as the Fourth of July.

Pointe Parties Fete Easterer

The presence of Mrs. G. Carlton Riggs of Drexel Hill, Pa., as the houseguest of the Jasper Frank O'Dell of Moran road, has occasioned many social gatherings.

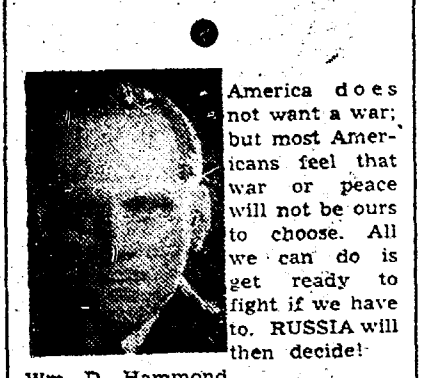

Mrs. O'Dell gave a luncheon at Lochmoor Club yesterday to honor her guest and Mrs. Kay Fruehauf is feting the visitor at luncheon today.

Mr. Riggs will arrive in time for the dinner party which the C. W. Eliasons of University have planned for Saturday night and the cocktail party and buffet supper the O'Dells have scheduled for Sunday.

Record Number Seek Berths On High School's Net Team

With Only Five Lettermen Left, Squad of 62 Reports For First Meeting; Have Lost But One Match in Last 117

The 1951 version of the varsity tennis team of Grosse Pointe High School is on its way. It has quite a record to live up to. Since 1941 the teams have lost but one match while winning 116. The present winning streak is 46.

Last Monday the opening meeting of the season was held with a new record set for candidates for the team. Sixty-two boys reported. Perhaps the knowledge that only five letter men remain from last year's great squad had something to do with it.

The hold-overs from last year are: Dick MacKenzie, Bruce Allen, Cort Lecklider, Bob Hardies, and Tom Lamb. These boys will have a heavy load to carry this year.

At the first meeting the squad picked Dick MacKenzie to captain the 1951 team and Bob Foley was selected by the Coach to be manager.

The cold weather has been holding up practice. Last year the team was out ten days earlier. This means a lot because it is with this early practice that Grosse Pointe has been able to get into shape quicker and have

the advantage of other teams that use clay courts.

The squad this year is fortunate in having presented to it a series of strip films on the Techniques of Tennis made by Cap Leighton a world famous teacher at River Forest Club in Chicago.

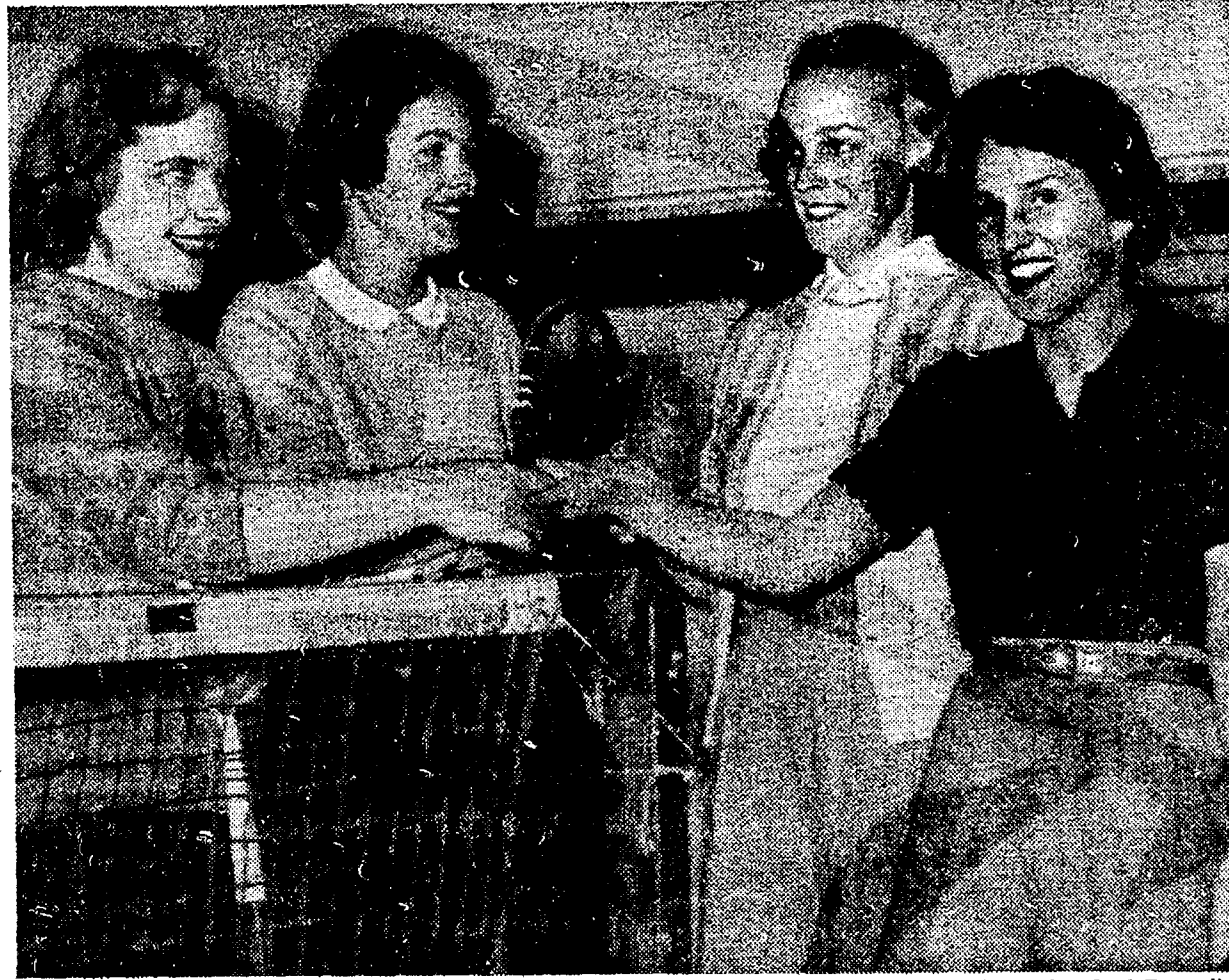

Cap Leighton and Toby Hansen, Country Club and Tennis House professional, are going to be at Cranbrook on April 7 for a Tennis Clinic at which time it is expected that Leighton will bring along some of his talented youngsters to show how youngsters can be taught at an early age the rudiments of a good game.

Coach Schultz talked at a tennis clinic at the University of Michigan last Saturday on the subject "Grosse Pointe High School's Success in Tennis."

Some of the things mentioned as being of real importance in making this possible were: (1) Hard surfaced courts near school. (2) Good equipment available. (3) Fine publicity by local newspapers. (4) Seeing good tennis played. (5) Enthusiasm and loyalty of students. (6) Just plain hard work.

TO BUY RUBBISH BAGS
The City Council has approved the purchase of 1,000 large burlap bags for rubbish collections. The bags will be bought for 38 cents each and will last between four and five months, it was estimated.

Finalist In Tennis House Tournament

From left to right, Mrs. James Brock and Mrs. W. Warren Sheldon receive congratulations from Mrs. Alfred Marks and Mrs. Walter Buhl Ford, II, after winning the final match on Wednesday, March 21. The score was 6-4, 6-4.

In first round matches Mrs. William Curran and Mrs. William Bonbright defeated Mrs. Allan Sheldon, III, and Mrs. John Failing, 6-3, 6-3; Mrs. A. Ingersoll Lewis and Mrs. Frank Donovan lost to Mrs. Marks and Mrs. Ford, 6-2, 6-0; Mrs. Herbert R. Lord and Mrs. Helen Grawn Detwiler defeated Mrs. Alexander Wiener and Mrs. John French, 1-6, 6-4, 8-6; and Mrs. Warren Sheldon and Mrs. Brock drew a bye.

Continue Battle For League Lead

Boutin's Service and Better Made Chips continue to pace the Grosse Pointe Businessmen's Bowling League.

In last Wednesday's matches, Better Made Chips buried Turner Buick, Inc., winning 3 of 4 points while Boutin's was taking the same number from Bruce Wigle Co.

Belding Cleaners moved to within one point of second place by overcoming a deficit of 64 pins amassed by Tom Boyd, Inc. in the first game, to win three points as Lou Steiner of Beldings set the pace for the league with 577. Bill Neagle's 223 for Wigle was the night's individual high game.

In other matches, Kennelly took three from Rustic Cabins, as did Dart In Bar from Revere Cleaners.

Hudson Continues Baseball Climb

Hal C. Hudson of 586 Notre Dame is one Grosse Pointe making good in professional baseball. According to reports from his mother, Hudson is in spring training with the Toronto Maple Leafs of the International Baseball League at Fort Lauderdale, Florida.

This is an important step in Hudson's climb to the big leagues, which started way back when he was 12 years old and playing ball with the Firemen's Midget League 12 years ago.

Hudson is a pitcher and has been picked on the All-Star team of every league he has played

in since being signed by the St. Louis Browns in 1944.

The Browns sent him to their farm club in Newark, Ohio, in Class D. From there Hudson went to Gloversville in the Canadian-American League in 1946; to Muskogee, Oklahoma, in 1947; Elmira in the Eastern League in 1948 and 1949; and moved to San Antonio in the Texas League last season.

Hudson played in the Dixie Series which was won by San Antonio.

The International League is triple A baseball and the next step is to the big leagues.

Hudson will be 24 years old this May.

Norbert Neff Gives Talk To Marine Historians

"Here and There Around Lake St. Clair" was the subject of a talk given Wednesday night, March 28, by Norbert Neff before the Marine Historical Society of Detroit.

Mr. Neff, clerk of the City of Grosse Pointe, is well known as an able historian of this area. In 1945 he gave a paper, "Ships and Shipping Around Mt. Clemens," which was later published in "Inland Seas."

His talk last night was given at a meeting in the Conference Room of the Detroit News building.

Star in Tennis At Kalamazoo

Tom Willson and Hugh Dill, former Blue Devil tennis stars, are two of three lettermen returning to form the nucleus of Kalamazoo College's tennis team which commenced its season with its annual southern trip which started March 17.

The Hornets meet Vanderbilt, Tennessee, Presbyterian, Davidson and North Carolina on their southern jaunt in preparation to opening their defense of the MIAA title April 26.

Another former Border Cities League star on the team is Vic Braden, who played a lot of tennis for Monroe. Braden was sidelined last season with rheumatic fever but is still considered good enough by Coach Dr. Allen B. Stowe to rate the number one singles spot.

The only other letterman returning is Dick Cain.

Leaders Pressed In Ladies Loop

Grosse Pointe Woods Recreation still remains in the lead in the St. Paul Ladies Bowling League.

Hang Onto Lead In Rotary Loop

Ed Taube returned from his sojourn down Florida way to help Farms Market trip Kopp's Pharmacy, 4-0, and thereby stay in the running for top honors in the G.P. Rotary Club Bowling League. It was a 2-point gain for the victors as Middle Atl. Transp. Co. was trying desperately to stave off a blanking by Houston Bros., Inc., who had 2 games under their belt and were gunning for a sweep. The Middies finally came to life, winning the last game and total pinfall to break even.

Mondry Cleaners also were on their way for a sweep over P & J Cocktail Lounge but dropped the last one to get a 3-1 win and break their tie for third place.

Piche's Barber Shop, who usually start to bowl about this time of the season, dumped Wolverine Chips 4 times. Up to this time the barbers were only able to win one point from the "deep fries." Chuck Blay helped the barbers along, inserting a 242 game for a 580 total.

Earl Holzbaugh bowed to Harrison Carpets and were lucky to win their one lonely point against 3-pin Louwers and his carpet layers.

The last match went to Motor City Tires, Auto Club losing three to the tirechangers, who now have Russ Piche in the lead-off position.

THOUGHTS OF AN UNMADE MIND

Why do we always think of MRS. C. HENRY BUHL and TALLULAH BANKHEAD in the same breath...

We are emancipated... have decided never to try to work a ballpoint pen again as long as we live and feel better for having made the decision...

Have been meaning to get this into print the first time the editor wasn't looking... our favorite seven year old miss and four year old mister were having a difficult day recently...

Men are much gabrier than women... especially when they don't know a whoozit is eavesdropping... and talk about jumping from one unrelated subject to another!

PILFERINGS NEW YORKER CARTOONS WE REMEMBER

The two New York cabbies, pulled up side by side and having been at it for some difference of opinion...

The fair, fat and forty dude rancher, replete in cowboy attire, jumping off the ground, waving her 10 gallon hat overhead to greet the stoical Indian guide...

The dizzy young blond, surrounded by thousands of guests at the cocktail party, explaining to her companion, "Anyway, I'm glad I'm not a solitary drinker."

Madame, getting off her garden chaise to scowl at a golf ball driven onto the grounds by a hapless sportsman (who stands now at her side). Says madame to her butler, "James, give this gentleman his ball and tell him to get the hell off the estate."

The two debs discussing their beaux and—only saying, "He's quite sophisticated. He's against Radio City."

Pointer of Interest

It was fifteen years ago, to the minute, that we first started asking Mrs. John S. Newberry of Lake Shore road, to let us write a story about her vases.

We had been recording the blue ribbons and laurels her arrangements claimed wherever she participated, we knew she must have a wondrous collection of flower containers of all sizes, shapes and colors to meet her every artistic fancy.

This week we learned persistence pays for Mrs. Newberry gave us permission to do the story, "But I haven't any vast collection of vases," she warned, "Just a few I particularly like and have kept over the years."

Well, those were the very ones we knew you'd want to know about. If we imagined the vases were all in one room of the Newberry home we were only partly right.

True, there is an "arranging room" in the basement where flowers arrive from the greenhouses in tall metal tube-like affairs. And in this room there are shelves of glass, pottery and metal vases.

But it's in rooms throughout the home you'll find the ones Mrs. Newberry uses for the artistic arrangement in which she excels.

Hand Vases

First we went to her own pastel quarters where mantels, shelves, bookcases, desks and tables are rich in vase lore. Many, here, are hand-shaped, a particular pet of the lady who's name is synonymous with flowers and music to all of Detroit.

In fact, at her country home near Rochester, she has a complete collection of "hand" vases. "I've used these many times," Mrs. Newberry said holding out a pair of small white china vases.

Each vase, held by a graceful pottery hand, was decorated with pastel valley lilies. Next we stopped to admire a pair of old mustard pots, about four inches high, (for Mrs. Newberry always has liked miniature arrangements) and in a beautiful delft blue with brass-toned warrior scenes etched on their bases.

Vases would just seem a natural gift for Mrs. Newberry but oddly enough, most of those we saw she had bought in this country and in Europe. However, a recent Christmas, her son, Cammann, really surprised her with a gift that had to do with flowers.

Many of her prize arrangements have been photographed and preserved in an album. This album disappeared mysteriously around Christmastime she had just mislaid it, and it would turn up again when she opened the gift

from her son, there were a dozen service plates, each with one of the photographs from the album engraved onto its center. He had them done in New York and they are stunning.

Sung Dynasty

For half a second we casually held an interesting looking little black vase and its pedestal. We were even holding it upside down so that we saw a bit of writing, "Sung Dynasty." Our heart trip hammered till we got it back onto its table.

We couldn't help but think of that story about one of the duPonts and a collection of Ming china which the owner was showing to a young couple one day. A vase slipped from the fingers of the girl and smashed into a hundred fragments. She was horrified, "Oh, Mr. duPont, I do hope it wasn't one of the valuable pieces," whereupon he assured her that fortunately, it wasn't valuable at all and she wasn't to worry her pretty head about it. Then he fainted dead away.

A tall, early American green glass pickle jar is another vase Mrs. Newberry likes. She has arranged flowers in the gold mustache cup (its owner must have been a very elegant gentleman). It has raised white grapes as a decorative touch. Standing close to it is another heavenly cup, gold with a raspberry toned crest embossed in more gold.

In the living room (where, as in all the rooms of the home the noble blossoms from the Newberry greenhouses simply abound... orchids, azaleas, anemones, ranunculus, cyclamen like miniature trees in blossoms, narcissus, etc...) a handsome Colbrook Dale vase occupies centerstage on a console table. Standing about 18 creamy inches tall, tiny vases flare from its side and the flowers trimming it were all put on by hand and then painted.

Flower Pitchers Dresden baskets, a collection of lustre pitchers all the way from thimble size to lemonade proportions, Lowestoff beauties, early American and English mugs (many with hunting scenes) in addition to Irish amber glass vases (there's an entire set of this glassware complete with candlesticks a good yard tall) have inspired the arrangements judges all over the country have covered with prize ribbons.

And if you've noticed we haven't described any of the low, flat containers or others particularly adapted to use on luncheon or dinner table...

there's a good reason. Mrs. Newberry never uses flowers on her table. Instead she chooses a bowl of graceful lines or the breathtakingly beautiful Nymphenberg medieval figures (that color of blue Vogue shows this month combined with white and gold) or the Irish amber glass to charm the eye of her guests.

Her flowers go into many Victorian containers, especially a pair of raspberry and gold hued double horns of plenty.

This then is the vase collection of the lady who has a way with flowers and who will not admit to having a favorite flower... but she thinks the cymbidium orchids (the golden beige spray kind) from her own greenhouses are rather special which was just what we were thinking about Mrs. Newberry at the moment. jas.

The Record That Means the Most to You!

Nash Rambler

SETS ALL-TIME RECORD

31.05 MILES PER GALLON

IN 1951 MOBILGAS ECONOMY RUN!

Here is proof positive that the Nash Rambler is the most economical full-size car on the road... official proof that you can expect to go farther on every gallon of gas in a Rambler Airflyte.

In setting this all-time record, the Rambler carried 4 passengers with driver, averaging over 41 miles an hour. The course covered all types of terrain—deserts, mountains, city and highway driving... with snow, rain and head winds. Yet never before had any car in this event gone so far on so little gasoline!

For in America's blue-ribbon stock car event—the 1951 Mobilgas Economy Run from Los Angeles to the Grand Canyon—the Rambler smashed all previous records for the Run... covered the 840.05 miles averaging 31.05 miles per gallon! That's the kind of thrifty performance you've been looking for.

Every Nash Airflyte entrant—Statesman, Ambassador and Rambler—was a trophy winner in its class. Real evidence that Nash is your best bet for the years ahead!
