American battle and non-battle casualties in Korea have now reached 141,955, according to Gen. Bradley. Bradley lists battle casualties at 69,276—non-battle casualties at 72,679. The non-battle classification consists of "anything other than the result of battle action," as defined by the General. The "missing in action" total is put at 13,349.

**DSR cuts staff** to reduce expenses as hope for peace looks remote. Only 38 persons, including General Manager Leo J. Nowicki, will report for work after tomorrow. For the duration of the strike, DSR property will be solely under the protection of the Police Department.

**Friday, May 25**  
Ricochet was the word that cost Detroit's spelling champion, 13-year-old Beverly Simon, her chance at the National Spelling Bee title. Beverly had successfully spelled half a dozen equally difficult words, when she erred by doubling the first "c" in ricochet.

**The UN "annihilation offensive"** which is flaring all across the 120-mile Korean front, has brought UN forces charging over the 38th parallel in three places today. Chinese truck drivers said to be running down their own troops in haste to elude pursuers.

Empire State Building, reputedly the most profitable single office building in the world, sold to a Detroit syndicate, comprised of Alfred R. Glyancy, Jr., of Grosse Pointe, Roger L. Stevens of Ann Arbor, and Ben Tobin of Florida (a former Detroit). The trio hopes to buy out minority stockholders before the end of the year.

**Relinquishing his role as mediator** yesterday in the DSR strike, Circuit Judge Ira W. Jayne announced that hearings would begin in open court on Monday. The transit strike in its 36th day today has resulted in an estimated gross loss of revenue of \$4,380,000.

**Sunday, May 27**  
RED RESISTANCE virtually collapsed as the Allies swept across the border at six points and up to six miles within the boundaries of North Korea. North Koreans of Chinese and Red numbers were taken prisoner.

**ARBITRATION ASKED** the International Court of Justice by Great Britain and the Anglo-Iranian Oil Co. in the dispute over nationalization of oil. The U. S. fears that the dispute might lead to the intervention of troops from Britain and Russia.

**Monday, May 28**  
DIONNE QUINNS celebrate their 17th birthday today. Papa Dionne reveals that they received a pre-birthday present several weeks ago when their monthly allowances were upped from \$2 to \$5. The girls have an estate held in trust for them valued at more than \$1,000,000.

CIVIL DEFENSE appropriation termed inadequate by Civil Defense Administrator Millard Caldwell. Caldwell asked for \$403,000,000—Congress voted \$31,750,000. Caldwell says that Congress will act further "in time."

### Tonight's Reports to Shed Light on Its Future

This is a picture of Grosse Pointe's War Memorial Center, taken some years ago when it was still Alger Hume, a branch of the Detroit Institute of Arts. The last two years have seen the beautiful property converted into a community center, a living memorial to the heroes of World War II. The building has been reconducted and the grounds and famous gardens restored. Workers in the current campaign to raise funds for the Center will hold a dinner there tonight to report on results of the drive. On these results will depend whether the program being offered for all Pointers will have to be curtailed, or whether the activities can be expanded and further development achieved. It isn't too late to participate. Anyone who hasn't yet given is urged to take a donation to the Center at 32 Lake Shore before tonight.

### Foiled Thief Sent to Jail For 2 Years

Youth Scared Away From Barbour Home by Maid's Screams, Gets Prison Term

Charged with breaking and entering the Edwin C. Barbour home in Lake Shore road on March 31, Robert E. Steele, 21, pleaded guilty in Wayne County Circuit Court and was sentenced by Judge Robert M. Toms on May 21 to a term of from 2 to 5 years in the State Prison of Southern Michigan.

**Scared by Screams**  
Steele was frightened away by the screams of the three maids in the Barbour home, who summoned police. Police picked up the intruder at Edgemere and Lake Shore road.

He was arraigned on April 4 before Judge J. Burgess Book III and committed to the Wayne County jail until the circuit court date.

**Not First Offense**  
Not his first offense, Mr. Steele had served time in California for burglary and carrying a concealed weapon. He was ordered to leave the state following his last offense.

**SMOKE HITS IMPASSE**  
A blocked chimney was found to be the cause of the smoke which billowed out into the kitchen of the William C. Tost home at 79 Cloverly on May 19. Farms firemen remedied the condition by using a brick and a rope to free the chimney and allow the smoke from the incinerator an avenue of escape.

### Skilful Drivers Save Two Youngsters in Accidents

Had it not been for the alertness and skilful maneuvering of two motorists last week, two small youngsters who are today able to run and play, could instead be occupying hospital beds or listed as traffic fatalities.

Little Michael Robbins, 5, of 1736 Hampton road, was following behind a street sweeper noting its operations with great interest when with the unpredictability of a small child, he darted in front of a pick-up truck driven by Clemence A. Kott.

The driver made every effort to stop and the doctor who examined the child said he doubts that the truck touched the child, whom he found to be uninjured.

Mrs. M. S. Duletsky, of 1993 Beaufort, was driving along Mack when a car door opened and Donna Beth Duletsky, 4, fell from the rear seat directly in front of a truck driven by Nick Conte, of 1955 Blaine.

The accident occurred in front of Dr. J. C. Danforth's office at Mack and Norwood. The doctor said the child's injuries resulted from the fall. The driver turned his wheels in such a manner that although she landed directly under the truck, the wheels did not touch her.

### Call Apathy Biggest Threat Confronting Grosse Pointe's Civilian Defense Program

George Elworthy, Director For Three Municipalities and Gratiot Township, Says Groups Are Organized

Citizen apathy, which increases with each favorable news release from Korea, is the greatest threat to the progress of the civilian defense program.

Grosse Pointe is as well prepared as any other locality in event of atomic bombing, reports George Elworthy, OCD director for three of the Pointe municipalities and Gratiot Township. Local groups have been organized and volunteers have been assigned specific duties. The Pointe attacked in the "Mock Bomb Attack" conducted on April 16 by working out a hypothetical problem on paper.

Mr. Elworthy and other Pointers active in the civilian defense program attended the OCD meetings held in the Detroit Veterans Memorial Building on May 21, 22 and 23.

**Served During War**  
Mr. Elworthy served the Pointe during World War II as civil defense director and was again appointed director by the Woods, Farms and City.

There is some indication of a plan afoot to appoint separate directors for each of the municipalities.

At the Park council meeting held on Monday, May 21, Captain Milton R. Wortley was appointed civil defense director for the Park.

**Dedication Held At Bon Secours**  
Committeemen greeted Cardinal Mooney and his retinue at the dedication ceremony held last Saturday of the new, enlarged Bon Secours Hospital in Cadieux road, later forming a guard of honor through which the professional passed.

Rain interrupted the sermon delivered by Right Reverend Monsignor John C. Vismara, D.D., Dean of the Eastern Deanery, causing the group to move indoors. Boy Scouts who assisted with traffic direction, aided in transferring the altar to the lobby of the hospital where the sermon was completed and the benediction given.

Forty girls from the choir of St. Clare de Montefalco Parish also participated in the ceremony.

Women of the Bon Secours Assistance League and Guild officiated as hostesses for the reception held following the dedication ceremony in the basement of the hospital. Refreshments were served at the reception, to which the general public was invited.

### Post Office Still Seeking Pointe Site

Location in Mack-Moross Area Preferred; 22,000 Feet of Space Required

The Post Office is still looking for quarters suitable for a post office site in the Pointe area. It is necessary that this location be near a bus transfer point.

One offer has been received to date on Mack at Moran. Mack at or near Moross would be an ideal location, as economy of operation is a focal consideration, it was stated.

**Tentative Plans**  
Tentative plans for the new station include a staff of 90 foot carriers and 15 post delivery trucks. Parcel Post service has increased 60 per cent in the last year according to Post Office Inspector Martin Thompson.

The present branch at 17140 Maumee was opened on December 1, 1943, as a temporary station, receiving permanent status as a branch of the Detroit Post Office on August 1, 1945.

The area east of Fisher will be covered by the new station including Grosse Pointe Farms, Woods, Shores, Gratiot Township and a portion of Detroit.

**The Requirements**  
The physical requirements of the post office are a floor space of about 22,000 square feet, heat, light, power, water, toilet facilities, plumbing, heating and lighting fixtures, safe and/or vault, and all necessary furniture and equipment for a term of five or ten years from November 18, 1951.

Full information can be obtained by applying at room 213 in the Federal Building. Proposals will be received in the office of Post Office Inspector Martin Thompson, room 213, Federal Building, Detroit 31, Michigan, up to and including June 9, 1951.

### Cigaret Blamed For Fire in Car

The rear seat cushion of a car parked in the Woods Theatre lot was found burning on May 20. The owner, Joseph Rademacher, of 11981 E. Outer Drive, was in the theater at the time. A cigaret caused the fire. Damage to the car is estimated at \$75.

**SAW HORSES LIFTED**  
Four saw horses were reported stolen from a house under construction at 270 Stephens road on May 21.

### Memorial Center's Funds Campaign Terminates Tonight

Reports of Workers to Be Heard at "Victory" Dinner; Those Not Yet Solicited Urged to Send In Contributions

Tonight will tell the story of what the people of Grosse Pointe think of their War Memorial Center. The campaign for funds ends officially today and a "Victory Dinner" has been scheduled for tonight in the Center, when the reports of the workers will be heard.

The immediate goal of the drive was to raise a minimum of \$18,000 to meet a deficit which would be incurred if the present program at the Center was continued this year. The leaders have hoped to raise far more than that amount to permit an expansion of activities and further development of the facilities there.

**Only a Few Gave**  
In previous campaigns contributions have been received from only 3,000 of the Pointe's more than 10,000 families. It is hoped that this drive will indicate that a far greater number are sufficiently interested in the Center to participate in its maintenance.

This campaign has been much more thoroughly conducted than have previous ones. There have been sufficient volunteer workers to make a canvasser practically every house in the Pointe. The Park has been the most backward in this respect.

**Scouts to Rescue**  
Last week-end, when volunteers were still lacking in the area south of Jefferson, Porter Strother's Boy Scout troop came to the rescue and offered to take brochures and pledge cards to every home in the district. This was done Saturday and Sunday.

When other volunteers came forward to say they would follow up by personal calls.

Up to Monday afternoon no complete reports had been made by any of the workers. The Center had received a total of \$2766.50 in contributions mailed in, or turned in as partial returns by a few of the canvassers.

**Tonight Tells Tale**  
It was not expected that anything approaching a complete report would be ready before Wednesday, to be released at the dinner tonight.

All Pointers who have not been personally solicited are asked to take or send their contributions to the Center so they can be included in the reports tonight. One of the chief aims of the drive was to get 100 per cent participation from all Pointe families.

No matter how small the gift, it will be welcomed, as an indication of interest in the Center and a desire to have it continue to grow in importance and service.

**Hits Parked Car But Misses Cat**  
In an effort to avoid hitting a cat, a Detroit motorist struck a car parked in front of 1850 Lochmoor on May 19.

The parked car, owned by Mrs. B. Pellegrino of 1858 Lochmoor, was not damaged.

However, the effort to avoid injuring pussy resulted in about \$40 worth of damage to the other car.

**Bad Brakes, Speed Earn Two Tickets**  
Woods police paced a car on May 19 from Littlestone to Frerick which was being driven at 45 miles an hour in a 25 mile an hour zone. The car turned west on Bournemouth and police stopped it at Linville.

A check revealed that the brakes of the car driven by William G. Kredell, of 5292 French road, were defective.

He was issued two tickets, for excessive speed and for defective brakes, and his new car was impounded.

The brakes were adjusted and the car returned to Mr. Kredell the following day.

### Big Hunt Club Horse Show To Draw Record Entry List

The eyes of the national horse show world will be focused on Grosse Pointe for the long weekend of June 21 through 24. For four days Thursday through Sunday, the Hunt Club's famous Grosse Pointe Horse Show will be staged on the Club grounds at 655 Cook road.

This show is a top-bracket event in the national horse show field. This year it is anticipated that some 400 horses, from 10 to 12 states, will compete in the 82 classes.

The Grosse Pointe show will get under way Thursday, June 21, at 9:30 a.m. in the outdoor show ring. The morning and afternoon events on that day will be devoted exclusively to junior entries, exhibitors under 18 years of age. It is generally agreed that the Pointe's junior show is the largest, coast-to-coast.

Thursday evening, June 21, at 7 p.m., the senior section of the program will open and will carry through Sunday evening, concluding with the always-thrilling \$500 stakes and championships.

This year marks the 40th anniversary of the Hunt Club—and the horse show is the fortieth in the Club's history. It is also an official function of the 250th Birthday Festival. The public is welcome.

### D. M. Ferry Giving Funds For Building

Proceeds From Sale of Murray Sales Home to Be Added For Furnishings

Announcement of the gift to the Grosse Pointe community of a beautiful new central public library was made Monday morning at a special meeting in the Board of Education Building, attended by the full Board of Education, Hawkins Ferry, son of one of the donors; Robert M. Orr, director of public libraries; Marion Kellogg, president of the Friends of the Grosse Pointe Library, Charles Parcells, and the local press.

The following statement regarding the gift was released by the Board of Education.

**Gift of Two Citizens**  
Grosse Pointe is finally going to have a Central Library, according to official word from the Board of Education. This building is made possible by the gifts of two local citizens who visualized Grosse Pointe's lack of adequate public library facilities, and took action towards remedying this need.

The building will be known as the Ferry-Sales Central Library, in honor of the two men whose generosity made it possible. While the public library staff had long pointed to the need, and other suburbs such as Dearborn, Highland Park and Birmingham, high land had beautiful and functional libraries, it was the late Mr. Murray W. Sales who first sparked the idea, and did something about it.

**Donated His Home**  
Some four years ago, Mr. Sales deeded his home to the Board of Education for use by the Public Library, with the provision that it could be sold and the proceeds used toward the erection of a new library building.

When the Memorial Library idea was advanced, Mr. Sales heartily concurred, and expected the same arrangement to be followed. However, when sufficient funds were not raised, the library idea has since been dormant.

With the Board of Education continuing to be confronted with critical school needs, as it has been, the library project seemed at a standstill.

**How Merit Dream Come True**  
However, Mr. D. M. Ferry, Jr., who was a friend of Mr. Sales, has come forward and plans to make this long-felt dream a reality. It is understood that Mr. Ferry will supply funds for the erection of the building and that the furnishings will be provided through the disposal of the Sales home.

Friends of the Public Library have been very active in keeping this project before the eyes of the community, and will undoubtedly play an important part in collecting any funds needed to provide the necessary book collection.

**Committee Enthusiastic**  
The Central Library Committee of the Friends of the Grosse Pointe Public Library has studied the Central Library needs for over a year. This committee, composed of Mr. Marion K. Kellogg, Mrs. Kenneth L. Moore, and Mr. Charles Parcells is enthusiastic about the architect's work, and is confident that the community will take much pride in this new civic building.

The Ferry-Sales Central Library will be located on the site (Continued from Page 2)

### Record of Safety Wins City Award

An award was presented the City of Grosse Pointe by the National Safety Council "in recognition of its accomplishment in completing the year without a fatal traffic accident within the municipal limits."

This marks the second consecutive year the City has received this honor. A bronze tablet hanging in the City police station marks the first year, (1941), that the award was presented the municipality.

A fatal accident at the corner of Cadieux and Jefferson on March 10 will disqualify the City for the 1951 award.

Mrs. Jean Clark, 63, of East Jefferson, was struck and killed by a motorist while crossing Jefferson on March 10.

Most popular age for marriage among Australian men is 23, and among women, 21, according to figures released by the Commonwealth statistician.

### Balmy Weather Too Exhilarating

Last week's balmy weather proved too exhilarating for several motorists whose spirits were undoubtedly dampened by the tickets presented them by City police for stepping too heavily on their accelerators.

John R. Yaworsky, of 6560 Herbert avenue, was issued a ticket for speeding 49 miles an hour on Maumee on May 22.

For speeding 43 miles an hour on Jefferson, from Rivard to Three Mile drive, both George J. Bundy, of 1883 Fleetwood, and Arthur E. Cutler, of 29626 Jefferson, St. Clair Shores, were awarded tickets on May 22.

Mrs. Joan VanderZee, of 218 Provencal, received a ticket for exceeding the speed limit by driving 42 miles an hour on Waterloo.

Driving 40 miles an hour on Kercheval on May 22 resulted in a ticket for Dale Petrosky of Pemberton road.

Fred Tocco, of 3877 Kensington, was given a ticket for speeding 42 miles an hour on Waterloo on May 23. That same day, Patrick H. Firestone, of 1248 Lycaeste, was issued a ticket for speeding 40 miles an hour on Waterloo.

Although not a speedster, James L. Shaw, of 266 Lathrop, fell afoul of the law on May 23 by failing to stop at St. Paul and Fisher.

### Car Grounds Two Unhappy Cyclists

Two sorrowful young men reported to Farms police on Tuesday, May 22, that an automobile had run over their bicycles which were parked between the curb and the sidewalk on Lekeview at Grosse Pointe boulevard.

Roger Jarson, 11, of 385 Bournemouth, reported that the rear fender and wheel of his bike were crushed.

Roger's cycling companion, Peter Roehl, of 442 Roland, found the rear wheel of his bike damaged.

### REVIVED BY RESUSCITATOR

Woods police answered a call from the Bainter home, 19986 Clairview court, on Wednesday, May 23. Samuel Bainter, 73, suffering from a stroke required a resuscitator which was successfully administered.

### Pointe Given New Library

(Continued from Page 1) previously set aside for that purpose by the Board of Education, the southeast corner of Kercheval and Fisher. Preliminary plans have been approved by the Board and donor, and final plans are being rushed to completion so that contracts can be let by Labor Day. It is hoped that a picture of the new building can soon be released.

#### Famed Architect Hired

The building is being planned by an architect of international reputation, Mr. Marcel Breuer of New York City. Mr. Breuer is a native of Hungary, received a graduate degree at the Bauhaus in Weimar, served on the staff of that School, served for 15 years on the staff of Harvard University, and worked for 5 years as a partner of Walter Gropius.

While Mr. Breuer has done much work in modern architecture, he plans a building that will be both beautiful and functional, and that Grosse Pointers can point to with pride. Mr. Robert M. Orr, Director of Public Libraries, and Mr. Charles M. Mohrhardt, Associate Director of the Detroit Public Library, and nationally known as a library building planner, have worked with Mr. Breuer on the building. They are both enthusiastic, and feel that the building will serve as a model for public libraries all over the country.

#### Completes Master Plan

With completion of the Central Library, Grosse Pointe's master plan of public libraries developed by Mr. Joseph K. Wheeler of the Baltimore Public Library, and by Mr. Orr, Grosse Pointe Library Director, will be completed.

With the Ferry-Sales Central Library operating with the Park Branch located in the Pierce Junior High building), serving the South end of the Pointe, and

the Woods Branch, (located in the Parcels Junior High building), serving the North end, Grosse Pointe will have public library facilities equal to that of any community.

#### Board Is Grateful

The Board of Education is very grateful to the donor for making available this building that they have wanted for so long. The public library staff is enthusiastic because it will make possible good library service to the entire community.

### Pointe Colony Plans Guest Day

Grosse Pointe Colony, National Society of New England Women, will hold its annual Guest Day on Tuesday, June 5, in the Silver Cup Room of the Detroit Yacht Club.

Mrs. Jacob J. Lamb will sponsor a 12:30 luncheon. Delegates to the national congress will report on resolutions adopted as national policy.

Installation services will be held for recently elected officers and directors. These include: president, Mrs. Charles B. Warner; 1st vice-president, Mrs. Frank Horton; 2nd vice-president, Mrs. Russell Tripp; chaplain, Mrs. Louis Gascoigne; recording secretary, Mrs. W. Arthur Batten; corresponding secretary, Mrs. Alden M. Burnette; treasurer, Mrs. Albert Pasini; registrar, Mrs. Edward J. Savage; historian, Mrs. Albert E. Stewart; flag custodian, Mrs. Clifford Neville; directors, Mrs. Lloyd DeWitt Smith and Mrs. Harry McQueen.

More United States farms changed hands from 1940 to 1950 than in any other 10-year period in history, says the Bureau of Agricultural Economics.

### To Fete Retiring School Employees

Robert Vernier and Jacob Zimmerman, two retiring employees of the Grosse Pointe Schools plan personnel, will be honored at a party on Saturday, June 2, to be given by the plant personnel social club.

Mr. Vernier has been a custodian at Grosse Pointe High School for 23 years.

Mr. Zimmerman has served the Pointe school system as a carpenter for 11 years.

The party will be held at the home of the social club-president, Klaas Jongens, in Ridgemont road. It is scheduled to begin at 8 p.m.

#### FIRST STEP IS BAD

A jump from the porch of her home resulted in a broken right leg for Ray Ellen Walton, 12, of 1618 Anita. Woods police took her to Cottage Hospital in an ambulance on Thursday, May 24.

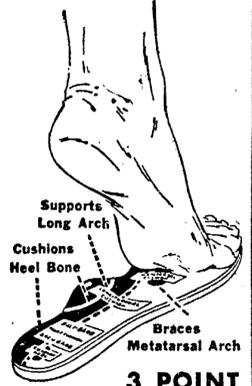

#### LUTHERAN PAGEANT

Over 5,000 Lutheran school children will take part in a

pageant, "They Built a City," which will be presented at the Lutheran Institute for the Deaf

on Sunday, June 10, at 1 p. m. in celebration of Detroit's 250th Anniversary.

## Truck Too Much For Kid Driver

A quarter-ton pick-up truck proved too hot to handle for a youth who took it for a spin on May 19.

The young man was driving west on Beaufait and as he attempted to turn left onto Helen, the truck turned over on its side. He said it slipped on the oiled street as he applied the brakes going around the corner. The truck belonged to the father of the uncensored driver, who was unaware that his son was cruising around in it.

Before the spill, the truck had left the road and run over the curb at 2101 Beaufait.

The young man received a ticket, which will be handled in Juvenile Court.

## Thieves Damage Golf Club Stand

The Lochmoor Club reported to Woods police that someone attempted to break into the refreshment stand at the Sunningdale entrance on May 20.

About \$75 worth of damage was done to the door and an additional amount of about \$25 for screens which had been cut.

A resident of Sunningdale remembered hearing a car with a noisy muffler on the night of the attempted robbery.

## Junior Prom Has Epilogue

The Junior Prom at Grosse Pointe High School ended entirely too soon for many of the prom-goers who were determined to prolong it.

Woods police found about 25 car loads of students on May 20 who had attended the prom, conducting a street dance in Lake Shore lane.

Police disbanded this unscheduled 3 a.m. "street ball."

## Observes Driving Rule Too Rigidly

Although keeping to the right of the road is good motoring practice, Mrs. Carolyn Parcels Lucas, of 430 Rivard boulevard, passed too close to a parked car on Kercheval near Vendome road on Tuesday, May 22.

James Cook, of 1692 Kirkton, Royal Oak, is the owner of the parked car. Mrs. Lucas struck the left rear fender of Mr. Cook's car.

Damaged is estimated at \$30 to each car.

## Reckless Drivers Pay Up in Court

In the Grosse Pointe Park Traffic Court session of Wednesday, May 23, Judge C. Joseph Belanger disposed of the following cases:

Helen Gale Howe, of 731 Grand Marais, paid a fine of \$15 for pulling into moving traffic causing an accident at Mack and Devonshire on April 30.

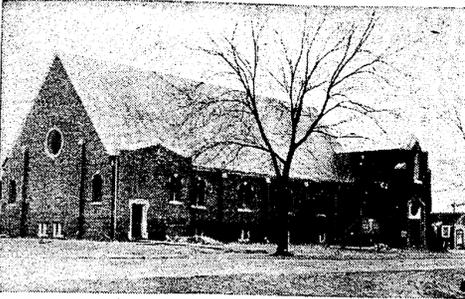

For a stop street accident at Cadieux and Maumee on April 25, George Arnold Culp, of 10829 Peerless, was fined \$25.

## Students Help Librarians Keep Track of 15,000 Books

By Thelma Whiteley  
GPHS Journalism student

If you had 15,000 objects in your house, and everyone coming in hour after hour, to borrow them, imagine what a mess everything would be in. Especially if you were expected to keep track of who had what and where, and maintain the objects in classified order so that people would know where to look for a certain one. You'd need a large family to take care of all those tasks.

Well, that situation exists in Grosse Pointe High School. Only in this case the house is the library; the little objects are the books, and the family is a staff of 26 students.

On the staff for morning duty are Patti Jones, 12A, Bill Miller, 10A, Kurt Ewend, 10A, Ted Johnson, 10A, Dick Naragon, 10A, Karl Donze, 10B, and Skip Clark, 10A. Also Cynthia Hobart, 10A, Janet Kopp, 10A, Bruce Coleman, 11B, Barbara Baro, 11B, Larry Daniels, 11B, and Dave Bouse, 11B.

Carrying on the good work in the afternoon are Marian Thomas, 7A, Barbara Beam, 7A, Susan Miller, 10A, Joyce Ayling, 11B, Nancy Ryan, 10A, Kay Jameson, 11B, John Purvis, 10A, Mable Socia, 9A, Mary Jane Keeler, 9A, Shirley Grant, 12B, and Mary Manning, 10A.

Some of the books have to be repaired from time to time because, needless to say, some of the borrowers aren't exactly careful with the books. Mary Ann Gibson, 12A, takes care of this necessary task.

A Magnificent Gift

The most magnificent single gift the Pointe community has ever received from one of its residents was disclosed Monday morning when it was announced that Dexter M. Ferry, Jr., is donating the funds to build a Central Library. The need for such a building has long been recognized. It was felt so urgent that when the original Study Group of the Grosse Pointe War Memorial Association made its recommendations as to the form the proposed memorial should take, the choice indicated that a new public library would best serve the dual purpose of honoring the dead of World War-II and filling a great need.

The campaign to raise \$525,000 for this memorial library failed and the idea had to be abandoned. Now, what all the residents of the Pointe area could not do, has been accomplished through the generosity of one man.

Mr. Ferry gives much credit to the late Murray Sales for providing the original impetus to the library plan by turning over his property at East Jefferson avenue and Lincoln road to the Board of Education, to be utilized as a library if the Board so desired, after his death.

The residence and location were not deemed suitable for library purposes and Mr. Sales gave his consent to having the property sold, with the funds to be used towards the creation of a library at some future date. This plan will now be followed out and the proceeds from the disposal of the Sales home will be used to buy furnishings for the building being provided by the gift of Mr. Ferry.

Mr. Ferry generously stipulated that the new structure should be called the Ferry-Sales Library.

Mr. Ferry's gift has enabled the dreams of a large number of local residents to come true. The Board of Education has for years advocated the building of a Central Library, but it has been handicapped by the great need for additional classrooms to take care of the ever-increasing number of new students who have come into the district with this area's amazing growth. The taxpayers were not willing to foot the bill for the required new schools and a library at the same time.

The Friends of the Grosse Pointe Library has been a rapidly growing organization which has done much to keep alive the movement for such a building. Its president, Marion Kellogg, and Sigurd Wendin, member of the Board of Education, have worked closely with Hawkins Ferry, son of the donor of the new structure, in correlating the many plans involved in building the groundwork for the new structure. Kenneth L. Moore, a member of the Friends of the Library, has also been very active in working out these plans.

While no pictures of the proposed building are yet available, the Board of Education does have a scale model of the structure, prepared by the celebrated architect, Marcel Breuer, of New York.

The new Central Library will be definitely modern in appearance, although built to conform with the High School, on whose grounds it will be erected. The exterior will be of red brick, matching that of the High School, with a great expanse of glass fronting on Kercheval avenue. The dimensions of the building are 157 by 70 feet, with the entrance on Fisher road.

The design is considered completely functional and the interior will provide all the facilities required in the most modern of libraries. The main reading room, two stories high, will be 90 by 43 feet, and there is a separate children's room with 3,400 square feet of floor space.

The Pointe is greatly indebted to Mr. Ferry, who has made other notable contributions to the community since he first moved here from Detroit in 1915.

It was Mr. Ferry who made possible the creation of the Neighborhood Club by donating the property on which the club was built. He and Mrs. Ferry have long been active in many cultural and civic organizations.

Mr. Ferry has also served his municipality of the City of Grosse Pointe for many years, both as its mayor and a member of its council, important posts that require a great deal of time and effort and ability, all of which is given without any compensation.

"To me, through every season dearest; In every scene, by day, by night, Thou, present to my mind appearest A quenchless star, forever bright; My solitary, sole delight; Where'er I am, by shore, at sea, I think of thee."

(David M. Moir)

This week's column is going to be a treatise on the art of "tipping" . . . brought about by a conversation we had recently with a local gent who had a disagreeable experience in a Washington hotel dining room. Our hero took his wife and daughter there for lunch and the check came to \$12.50. (Probably had platinum sauce on the chicken, etc.) He handed the waiter fifteen dollars . . . and that was the end of the waiter. After about twenty minutes, our man called the Captain and asked about his change. That worthy scurried off and in due course, the waiter ambled back to the table and reluctantly tossed the two-fifty on the table!

We understand this is a practice of waiters in many high class "joints" . . . hoping to intimidate the customer into not making a scene about his change . . . thereby leaving it all to the waiter! Nice work if you can get it. We told our friends that in OUR day of tipping . . . (a delicacy we now leave to our young man, who doesn't discuss it with us), ten percent of the check was considered highly adequate and was usually received with gratitude by parties concerned. However, we are informed that nowadays, FIFTEEN percent is the minimum one dares tip and still show his face in the same place again. How many people ARE there who can figure fifteen percent of a bill, without benefit of pad and pencil? We are not one of them.

But to get back to our subject . . . we think this tipping act has gotten completely out of hand and Americans can thank themselves for it. In the early days, a nickel left on the table made the waiter or waitress feel very special. Then came the era of unions and, of course, higher prices, so tips went up, too. Why, we'll never know. Even in private clubs where it is against the rule to tip . . . many of the members do it anyway, hoping to get better or special service. Consequently, those who abide by the club rules and omit tipping . . . don't get as good service, which is only human nature coming to the fore.

The next era brought in the set ten percent of the bill (originated by we don't know who), and if you didn't pay up that ten percent, you might as well never go back to the place or you might find some foreign matter in your soup. NOW it's fifteen percent.

The same thing holds true with taxi drivers, hat check girls, bell boys, porters, ship stewards and almost anyone else who performs a small service for which they are already being paid. A dandy racket . . . and, as we've already said, brought about by the public themselves . . . who are now squawking about the bite. There was a time when a poor woman could get a porter to carry her two heavy bags to the street for a dime. But so many big shots passed out dollar bills for the same service, that now it is impossible to get a porter even for paper money. You have to telephone and make an appointment . . . if you don't want to lug your own bags. It's a tipping world . . . that's for sure! So if you are planning on a vacation that takes in motoring or training or planing and hotels . . . and you have to stay within a budget . . . you can count half of your budget for tips. Otherwise, you might as well stay home . . . or better still, get a summer job where YOU get the tips!

All this reminds us of an incident we witnessed, lo these many years ago. An apple-cheeked, curly headed, small-potatoes youth from the sticks, came to New York for a visit . . . and since our family had visited his home at one time, he felt called upon to take us (and grandma) to a fancy New York restaurant for dinner. It was one of those Italian places where you don't order . . . you just GET . . . and what you get takes about an hour and a half to serve and eat.

When the meal was over, our hero paid the check . . . and when the waiter returned with the change, the little hayseed layed a DIME on the table! As we rose to our feet and made for the door, the waiter returned with the change, the little hayseed laid a thinner than usual), he said to our friend, "Here, you forgot this!" Nothing daunted, Hector glanced at the dime, waved his hand airily and replied benignly, "Nonsense, my man. That's for YOU!" We'll NEVER forget it!!!

Still on the subject and a much newer tale, has to do with a local man who took his family to New York for a week's fun, recently. His quiet and proper little wife was horrified to see him leaving the train in the morning, wearing around his rotund waist, a conductor's change belt! "Where he got it, she doesn't know . . . but he sprung it on her as they dressed in the morning. He had had his compartments filled with nickels, dimes and quarters and explained to her that if he knew his N. Y., he'd need the belt handy for tips. His wife tells us that by noon of the day they arrived, he had to re-fill most of the compartments again! And thus ends our saga of the tipster, poor guy!

We LOVE this happening, told us by a middle-aged G.P. woman. The other evening, she received a viddy polite telephone call from a viddy polite young lady, who said she was calling for the Arthur Murray Studios . . . and when were Mr. and Mrs. Soandos planning on finishing their dancing course! Madame was completely non-plussed, since it had been years since she and her husband had even THOUGHT about dancing. She concluded, therefore, that the nice young woman had merely reached the wrong Soandos. But NO . . . right there in black and white in the lady's book was a notation of thirty lessons PAID FOR and never resumed. They discussed it for a few minutes and MiLady said she would ponder the thing, consult her husband and call back.

That evening, she and dear husband scratched their almost bald heads and finally remembered that they had indeed taken a course in Rhumba and such from Arthur Murray's quite a few years ago . . . and signed up for another course (which they paid for), AND which husband's war activities caused a halt to. They simply had forgotten all about it . . . but not so the Murray Studio. It took them quite a while to get around to it . . . but you can't say they don't always "get their man!" The woman thought it was danged nice of A.M.S. to remind them of it . . . and so they are turning the lessons over to someone a little younger and a little spryer!

Pointers Receive Special Awards

What Goes on at Your Library

by Jean Taylor

Ever since the inception of library service in Grosse Pointe over 20 years ago there has been one goal . . . a Main Library building. And now Mr. D. M. Ferry by his generous gift has made this dream a reality.

Mr. Ferry has shown a keen interest in our library from its earliest beginnings. The origin and growth of the library may be well-known to the old-timers but we sketch briefly here some of the highlights of this growth to acquaint more recent Pointers of our background.

The Grosse Pointe Public Library was originally a branch of the Wayne County Library under the direction of Mrs. Loleta Dawson Fyan and had the first separate branch building in the County system. This was the cottage at Waterloo and St. Clair—now the thrift shop. This cottage was given for library use by Mr. Ferry and was remodeled and decorated for this purpose by Mr. and Mrs. Edgar Whitcomb.

Miss Florence Severs was appointed librarian when this branch of the County Library was opened in February, 1928. A small station in the Shores Municipal building open one day a week was the only other library service in the Pointe at this time.

Miss Severs lost no time in making the people of Grosse Pointe library-conscious and shortly after her arrival the residents of Grosse Pointe Park requested a library for their community. By December, 1928, a Park Branch was opened in the Park Municipal building on a part time basis. At the same time a library station was opened in the Goodrich Confectionery store in Lochmoor, now Grosse Pointe Woods.

There followed a period of three years when the library was under the joint jurisdiction of the Wayne County Library and the Grosse Pointe Board of Education. During this time service was expanded to provide a staff of six members, including a cataloger and a children's librarian. Headquarters was moved from the small cottage in the Village to the Park Library and a fifth agency was established in the Farms Municipal building. In 1932 the direction of the library was turned over to the Grosse Pointe Board of Education and the Grosse Pointe Public Library was formed with Miss Severs as director.

There followed a period of steady growth. The Village Branch was moved from the small cottage to 700 Cadieux road because of crowded quarters and

later to its present location at 695 Notre Dame.

In 1938 the Lochmoor station was moved into quarters of its own in a rented store in Mack avenue. This was enlarged to double capacity in 1948 and plans were then made for the new Woods Branch which will be opened next Fall.

In 1938 a petition from citizens of Grosse Pointe Park was welcomed by the Board of Education as an expression of the wishes and desires of these residents for better library facilities for the western part of the district. Our present Main Library in the west wing of Pierce School was a direct result of this expression of interest on the part of Park citizens.

It is interesting to note that among the guests attending the opening of this library were Mr. and Mrs. D. M. Ferry, Jr., "who," and I quote from a newspaper of that time, "have for many years been active supporters and contributors to library service throughout the Grosse Pointe communities."

The Friends of the Grosse Pointe Public Library formed in 1946 with Mrs. Lloyd G. Hooker as president, aroused a great deal of interest in library service and has continued under the capable direction of Mr. Marion K. Kellogg to make library needs known to the community.

Mr. Robert M. Orr, succeeding Miss Severs as Director in August, 1949, has left no stone unturned to promote interest in libraries among Grosse Pointe residents and has worked enthusiastically toward securing a central library building.

The story of our proposed new library is told elsewhere in this issue but we wish to express the deep appreciation of our library staff to Mr. D. M. Ferry for his magnificent donation and for his continued interest in our library's welfare over the years.

LETTER BOX

To The Editor:

The Education Committee of the Grosse Pointe Branch of the American Association of University Women wishes to emphasize the importance of the School Board election on Monday, June 11.

Through public schools our children have the opportunities for a fair start in life. The School Board decides whether that start is an excellent one or far below American ideals. Our School Board should represent all of the people of the community, chosen to control a public trust. It should have no time or place for selfish or petty purposes.

This community is building for the future. Millions of taxpayers dollars pass through the School Boards' hands. Today more than ever before it is important that this money be expended wisely.

Reduced to simplest terms, the prime requisites for the individual School Board member are integrity, open-mindedness, human understanding, and common sense. With these in mind

We ask you to consider each candidate carefully and be sure to vote on Monday, June 11.

Grosse Pointe Farms Police answered a total of 231 calls during April according to the monthly report submitted by Police Chief Walter Hoyt.

Complaint calls, 144, constituted the largest single item on the report. There were 19 traffic accidents with damage amounting to \$1,275 and two injuries resulting.

Eight cases of simple larceny were handled with \$101 of the \$195 loss recovered. Four persons reported missing were located and four ambulance runs were completed.

Police issued 155 operator's licenses and 14 chauffeur's licenses during April. Of the 24 persons arrested, nine were adults and 15 juveniles.

The number of dog complaint calls have diminished considerably, according to the report, since the special dog warden was hired in the latter part of April. Fourteen tickets have been issued to residents whose dogs have been running at large and seven canines have been impounded, the report states.

## From Another Pointe of View

by  
Jane Schermerborn

Nine Grosse Pointe mamas have a single question on their minds this evening of June . . .

"When does July come this year?" . . .

It seems so far away . . . because beginning in mid-June theirs will be hectic lives . . . they are the mothers of the debutantes (Mrs. Mark C. Stevens having already brought out Betsy, she can relax) . . .

The starchy-eyed darlings are concentrating on the end of the school year . . . and anyhow they're of an age when such things as lists of assistants . . . houseguests . . . etc. are all dream-like and easily taken in stride.

### Betty Lou First Deb

The household of the David A. Wallace over on Lewiston road . . . awaits June's first debutante . . . their niece, Betty Lou Givens, who gets in on the eleventh from Bradford Junior College . . .

Betty Lou's party will be given the eighteenth of June . . . a garden tea at the Wallace home . . .

The assistants' names are in the cute head of the debutante . . . and Mrs. Wallace won't learn them until Betty Lou arrives home . . .

After the merry month of deb doings, the Wallaces with the debutante and their younger niece, Susie Johnston, will be off to their X-A Branch at Burwill, Nebraska . . . with a constant stream of gay young houseguests arriving for the Western life . . . Ann Hartzell, daughter of Dr. and Mrs. John B. Hartzell, will go out with the Wallaces and the girls . . . and later in the Summer, Ann Woodruff, daughter of the Don M. Woodruffs (who are taking a Western motor trip with Ann, Sally, Janis and Donna), and Peggy Blair of Chicago will be among the houseguests . . .

### Trio of Debs

June 19 belongs to three Pointe debs and a Bloomfield lass (Maryknell Anderson, daughter of the E. J. Andersons whose garden reception debut is slated for that day) . . .

At a dinner in their Bishop road home, Mr. and Mrs. Robert E. McKean will present their deb daughter, Mary Roberts McKean . . .

Following which Mr. and Mrs. Harold Lee Wadsworth of Cloverly road, and Mr. and Mrs. John T. Woodhouse of Lake Shore road are joining as hosts at a ball for their daughters, Lee Wadsworth and Ann Woodhouse . . .

Lee, who goes to Bradford and gets in the Pointe about June 9, expects some of her classmates to come on for her party . . . and Ann, who graduates from Dobbs Ferry on June 6, will come home with her parents . . .

### Receptions, Dinners, Dances

As of this moment, Mrs. Richard Fife Barnum of Yorkshire road, just has a ring around June 20 . . . which will mark the tea and reception at which daughter Barbara bows at the Country Club . . .

All details hinge upon arrival of the young lady herself . . . she gets in from Bradford this Saturday . . .

The day after Barbara's party, June 21, the deb crowd will be found at the Detroit Athletic Club where Dr. and Mrs. Elmer C. Texter of Indian Village are giving a reception for their sprightly miss . . . Pat . . .

A debut dinner and a ball on June 22 promise to be another of the big June evenings for the young set . . . Mr. and Mrs. George O. Johnston will give a large dinner party at their Lothrop road home for their debu-

## Mrs. R. G. Knight Jr. Designs Bridal Gown

Former Mary Jane Sheaffer Designs Own Gown For Marriage to Richard Gambel Knight in Christ Church; Couple Leave for Northern Michigan Honeymoon

Wearing a beautiful gown of ivory satin, which she had designed herself, Mary Jane Sheaffer, daughter of Dr. and Mrs. Marion Sheaffer of Audubon road, was married last Saturday afternoon to Richard Gambel Knight Jr., son of Mr. and Mrs. R. J. Knight of Yorkshire road.

Mary Jane majored in design when she attended University of Michigan and has done commercial art since her graduation.

The gown's simple lines deftly revealed the full beauty of the rich satin. The fitted bodice was finished with tiny, stand-up collar and a full skirt swept into formal train. A fingertip length veil of silk illusion fell from her satin bridal Juliet which was sprinkled with seed pearls. Mary Jane carried a bouquet of white roses and valley lilies.

The ceremony took place at 3:30 o'clock in Christ Church, Grosse Pointe, and the Rev. J. Clemens Kolb officiated.

The bride's attendants were gowned alike in lime green taffeta with overskirts of white organdy. The waltz length frocks had short sleeves and boat necklines. All carried natural straw baskets of lime tinted daisies and ivy and Mrs. Robert Schueler, who was her sister's matron of honor, added purple daisies to her basket of flowers. Garlands of daisies and

ivy were worn in the attendants' hair.

Bridesmaids were Mrs. Robert Ingham, Adelaide Klingbeil, Gretchen Riggs and Helen Hubbard.

Kenneth Franz was Mr. Knight's best man and guests were seated by Richard O'Hara, Leon Alvarez, Robert Ingham, Walter Albrecht, Bruce Paxton.

Mrs. Sheaffer chose for the wedding a floor length gown of lilac crepe, beaded in seed pearls. A matching chapeau and corsage of talisman roses completed the costume. Mrs. Knight's dusty rose frock had bead motif at the neckline and she wore a small, rose toned straw hat and orchids.

When the young couple left on their wedding trip through Northern Michigan, the bride traveled in a navy linen suit with matching chapeau. Upon their return they will make their home in Bedford road.

Among out-of-town guests at the wedding were Miss Frances Roach of Indianapolis, Miss Lillah O'Hara of Flint, Mich., Miss M. T. Knight of Flint and Mr. and Mrs. Wilfred McCorvey of Chatham, Ont.

# Blue Devil Tennis Team's Win Streak Snapped at 59

### Wyandotte Provides Waterloo in Final Match of Season; Pointers Beat Monroe and Highland Park to Clinch Title

The last match of the year for the Grosse Pointe High School tennis team proved its Waterloo. After accumulating a streak of 59 consecutive dual meet victories the team was bowled over, 4-3, by Wyandotte on Friday, May 25.

It was apparent from the beginning of the match that the Pointers were in for tough sledding. Both teams used the same line-up as they had previously when Grosse Pointe had won, 5-2.

**Lost First Match**  
The first doubles team for Grosse Pointe, instead of putting up a long scrap like they had before, went down to defeat in two quick straight sets. Allen and McBride just couldn't match their opponent's pace. The third doubles team of Terris and Lamb then reported in for a point which evened things up.

**Conquer Monroe**  
The Grosse Pointe Blue Devil netters won their 58th victory in a row Wednesday when they defeated Monroe, 5-2. The match was played in a high wind but on a sunny and clear day.

**Doubles Are Different**  
In the doubles it was a different story. Three weeks ago Bruce Allen and George McBride powered their way through the Monroe team to win the No. 1 doubles with ease. It was an exact opposite situation this time, only worse. Bruce and George didn't even get a game.

**Hardies Also Beaten**  
The crucial moment came when Bobb Hardies playing No. 2 singles tied the score at one set and then played his heart out in the third set but just didn't have the carry through to win. This was a heartbreaker but the match still could be saved by the second doubles team. They had won the second set and were nip and tuck in the third.

**Day's Best Match**  
The closest and best match of the day was the No. 3 doubles. Dave Terris and Tom Lamb put up a fighting battle to pull the match out of the fire after losing the first set. Terris's fine cross court and angled returns won repeated points. Many well played points were in evidence with some nice volleying and smashing.

**Beat Highland Park**  
Playing with boys returning for next year's team, Grosse Pointe Blue Devil netters defeated Highland Park on Thursday, 6-1.

**Phenomenal Record**  
The Grosse Pointe High School tennis teams during the past 11 years have established a phenomenal record of prowess—one which is recognized country wide. Due to the fact that Monroe

defeated Wyandotte in a dual match this year the local boys are the undisputed champions of the Border Cities League of the year 1951.

This was a heartbreaker but the match still could be saved by the second doubles team. They had won the second set and were nip and tuck in the third.

**Day's Best Match**  
The closest and best match of the day was the No. 3 doubles. Dave Terris and Tom Lamb put up a fighting battle to pull the match out of the fire after losing the first set. Terris's fine cross court and angled returns won repeated points. Many well played points were in evidence with some nice volleying and smashing.

**Beat Highland Park**  
Playing with boys returning for next year's team, Grosse Pointe Blue Devil netters defeated Highland Park on Thursday, 6-1.

**Phenomenal Record**  
The Grosse Pointe High School tennis teams during the past 11 years have established a phenomenal record of prowess—one which is recognized country wide. Due to the fact that Monroe

defeated Wyandotte in a dual match this year the local boys are the undisputed champions of the Border Cities League of the year 1951.

**Conquer Monroe**  
The Grosse Pointe Blue Devil netters won their 58th victory in a row Wednesday when they defeated Monroe, 5-2. The match was played in a high wind but on a sunny and clear day.

**Doubles Are Different**  
In the doubles it was a different story. Three weeks ago Bruce Allen and George McBride powered their way through the Monroe team to win the No. 1 doubles with ease. It was an exact opposite situation this time, only worse. Bruce and George didn't even get a game.

**Hardies Also Beaten**  
The crucial moment came when Bobb Hardies playing No. 2 singles tied the score at one set and then played his heart out in the third set but just didn't have the carry through to win. This was a heartbreaker but the match still could be saved by the second doubles team. They had won the second set and were nip and tuck in the third.

St. Paul High School's golf team of Captain Harvey Divens, John Huetteman, Dick Gallagher and Tom Jelkey captured the Michigan State High School Class C championship last Saturday, May 26.

Captain Divens annexed medalist honors with an 18 hole 85. He was followed by Huetteman with an 89, Pelkey a 96 and Gallagher a 102 for an aggregate team score of 372.

Five schools competed over the Milan Country Club course, near Kalamazoo, in a driving rainstorm which forced Kego Harbor to forego its bid for the title at the end of nine holes. # Reindel and Allard Place In State Prep Track Meet

### Collect 10 Points Between Them as Grand Rapids Ottawa Hills Annexes Title in Event At East Lansing

**By Fred Runnells**  
Jim Reindel, Grosse Pointe's "fastest human" and the Blue Devils' "strong man" Martin Allard scored all of Grosse Pointe's 10 points in the State high school track meet last Saturday, May 25, held at East Lansing.

Reindel equaled his fastest time in the 100-yard dash in the preliminaries going the distance in 9.9 seconds to qualify for the finals. He was clocked at 10 seconds flat in the finals which was good for fifth place over a track that was made muddy by a down-pour and high winds that prevailed during the meet.

**Gets 3rd in Hurdles**  
Reindel qualified for the 180-yard low hurdles and ran to a third place in the afternoon final topping the timbers in 20.3 seconds. In both events the winner either tied or broke the existing records but officials disallowed the new marks because of the wind which exceeded five miles per hour and often blew 13.

Martin Allard became the first Grosse Pointer to toss the 12-pound shot over fifty feet. Allard's effort gave him a third place in the final with a toss of 50 feet 2 inches. His previous high was 48 feet 6 inches which was made when he won the Regional meet at Monroe a week previous.

Ralph Gray just missed making the finals in the quarter-mile event when he was edged out in the preliminaries. In all the Blue Devils collected 10 points as compared to the new Class A champion, Grand Rapids Ottawa Hills 27 points. It marked the first time in seven years a team outside the Saginaw Valley had won the Class A title.

**Yinger Wins Pair**  
Monroe's great star Tom Yinger was one of the two double winners of the meet. The other boy was Bob Brown who paced Ottawa Hills to the title.

Yinger won the high hurdle event but his most amazing performance came in the 180-yard low hurdles in which he cracked the record by eight-tenths of a second with a blazing 19.6 seconds.

Monroe, as you know, is a member of the Border Cities League and with Yinger, Reindel and Allard turning in brilliant jobs the league made a lasting impression in the 1951 state meet.

### From Another Pointe of View

(Continued from Page 6)

tante, Mary . . . whose plans call for a June 11 homecoming from Briarcliff Junior College studies . . . And later that evening, June 22, Mr. and Mrs. Joseph G. Standart, Jr., of Ridge road, are giving a ball at the Country Club for their daughter, Doreen Booth . . . Doreen is the first of the debs arriving in the Pointe . . . she gets in this Thursday from Sweetbriar . . . and even before luggage is unpacked there'll be a mother-daughter conference and a rehearsal of the list of young people coming from out of town for her party . . .

### Seven Assistants

Seven out-of-town girls will be assistants for Gay Buhl when Mr. and Mrs. Arthur H. Buhl Jr., of Provencal road, introduce her at a ball in the Little Club, June 23 . . . Gay goes to Briarcliff and plans to return to the Pointe June 10 . . .

Three of her Briarcliff classmates . . . Ann Hayes of Cincinnati, Lavona Price of Oklahoma City and Connie Matson of Pelham Manor, N. Y., are to assist the deb . . . And then there'll be Mildred Heffelfinger (a niece of Mr. and Mrs. Samuel H. Bell) . . . of Wayzata, Minn.; Peggy Griffith of Rochester, N. Y.; Patricia Fuller of Dalton, Pa., all of whom were at Madeira when Gay went there . . . and Nancy Spence of Saginaw . . .

### Judy Frost Last Deb

The debut of Judy Frost, daughter of Mr. and Mrs. J. Crawford Frost Jr. on June 26 brings to a close the Summer season . . .

Judy gets in from Vassar on June 8 (post deb Mary Stuart Macdonald is another Pointer arriving from Poughkeepsie that day) . . . and will rush right into the gayety of the Patricia Candler-Robinson Cushman pre-nuptial parties. She'll be a bridesmaid at their June 14 wedding . . .

Her own debut is to be a garden party at the Country Club . . . and like most of the gals Judy hasn't asked assistants yet . . .

Two, however, will come from out of town . . . They are June Garrison of Pittsburgh . . . and Eleanor Kinney of Washington, D. C. . . . both girls made their debuts last Christmas . . .

### Sally Off to Europe

Later in the Summer the Frosts and Judy will vacation in Southern California . . . and the deb will stop off to visit Eleanor Kinney at the LaJolla home of her parents . . .

June is busy, too, for the Frosts who will go to Ann Arbor on the seventeenth to see daughter, Sally, graduate from the University of Michigan . . .

Sally's going to miss the garden party . . . for that very day she sails on the Volendam from Montreal for three months in Europe traveling with a student group . . . Now . . . see why mamas of the debs are wondering when July comes this year? . . .

The Christian Science Monitor reports that not long ago the Associated Press sent out a request over teletype networks to all cities, seeking information as to what was being done in the respective communities about protection against an atomic bomb attack.

They wanted to compile a good story on the subject. In a matter of seconds after the request appeared in newspapers all over the country, a wit in Hattiesburg, Miss. sent the following:

"Re atomic prevention request. Not worried here. We have a Chamber of Commerce which has repelled everything new in the past 40 years."

Cooed the waiter in the gentleman's ear (as the couple were about to order lunch): "The caviar is excellent—if you're a percentage tipper; otherwise, try the cream cheese sandwich."

The wonderful Mary Petty captions her cartoon about the impatient husband watching his wife put on her make-up before leaving for the theater:

"Couldn't you do all that in the cab?"

Mama of the debutante, in another Petty drawing, is shown buying b-i-g palms and green plants with the explanation:

"I need very large ones. They're to hide the musicians."

## Pointer of Interest

MRS. GEORGE M. SLOCUM OF ROSLYN ROAD

For many months this Winter "best sellers" were left untouched on local library tables—on certain nights television was shunned—and some hundred Detroiters could be found pouring over a very special, limited edition entitled, "Around The World Cruise With Mabel Slocum."

The charming diary which kept so many entranced was the solution Mrs. George M. Slocum hit upon last January when she boarded the world's glamor ship, the SS. Caronia, to elegantly girdle the globe.

There were so many friends she wanted to write to, here at home, it would have taken most of her time just for correspondence. So she kept a diary which was sent each week to Detroit, mimeographed and mailed to the list of lucky ones. As a result, those who received the travel diary were completely entranced. It became the topic at dinner parties and we're sure if Mrs. Slocum decided to do a Gunther and write, "Inside the World" she'd be a favorite author overnight.

**VIVID DIARY**  
In chatty, breezy style the diary unfolded the round the world travels until the reader felt as if he actually were making the trip, meeting the personalities Mrs. Slocum described, even tasting the wines and exotic foods prepared for special dinner parties, aboard the Caronia.

The men had fun following the traveler's resolutions about her diet (and then along would come a dinner of blintzes filled with caviar and topped with sour cream, fish poached in white wine, Cerise Jubilee at dessert).

The men found special interest in Haifa having the largest cloth stamping factory in the world . . . new American automobiles traveling on the roads to Mt. Carmel . . . oil refineries . . . road building . . . the road signs in New Zealand . . . the nautical maneuvers required to get a ship as large as the Caronia in and out of ports.

**ONE BETTER**  
The Caronia evidently did everything to make the world travel special in all ways for its fortunate passengers (conducted tours, lectures, movies of the various points). In addition to this, Mrs. Slocum, as publisher of the world circulated Automotive Daily News was wined and dined by officials of the automotive industry who rolled out velvet carpets at every port.

Cars and drivers, hosts and orchids awaited Mrs. Slocum who shared many of the special excursions and parties with her fellow travelers. To them opened up the private clubs, the truly native shops, the drives through parts of villages and cities not generally visited by travelers.

But as wonderful as all this

**MANTOWANING LODGE**

a veritable Beatrice Fairfax. She answered all the letters personally . . . and in long hand since the typewriter remains a mystery to her.

The round the world diary was written in long hand and finally typed by Mrs. Slocum's secretary in Detroit.

Now the world traveler is happy to be home . . . with the same capacity of finding the fascinating at the Pointe as she did all over the world.

And if you happen to notice a rather different trend in visitors this Summer . . . maharajas . . . a Portuguese bride and bridegroom . . . gentlemen with faxes and sultry eyed ladies in sarongs . . . scantily clad islanders with cups of ceremonial wine . . . don't be surprised.

They'll all be on their way to Roslyn road to visit their heroine Mrs. George M. Slocum, whose ability to make friends is enormous and whose boundless charm and wit and friendship must have been found engaging around the world.

### CHICKEN PIE As Cooked By Susan Spencer Watson for The Chisholm Macdonalds

Put a four and a half pound stewing chicken to cook in a small amount of water, adding about three stalks of celery and a medium sized whole onion. Cook till tender and the broth is very low. Cool. Using just the breast, cut the chicken as if to serve in slices and then cut again in bite size chunks. Make a rich cream sauce, using about one-half cup of chicken fat, which has been melted down, one-quarter of a stick of butter, one-half cup of flour, salt to taste, and chicken broth and cream. Reserve half of this to be served over the chicken pie.

Prepare enough pie crust (add about 1/2 teaspoon of baking powder to the pastry to make it lighter) for two nine-inch pyrex pie plates. Line each one and fill with alternate layer of chicken and sauce and a slight grating of onion and celery. Cover with top shell and bake about an hour. The oven should first be heated to 400 degrees and after 10 minutes turned down to 300.
