

Board of Education Cuts Summer School Session

The Board of Education will offer a six-weeks summer school session instead of the former eight-week period so that classes will not interfere with family vacations as has happened in previous years. Classes for elementary and high school students will start June 18 and run through to July 27.

Courses for elementary school pupils will be given at Defer School, Grosse Pointe High School, and Mason School. Further information regarding fees, hours, registration, and curriculum can be procured from the office of any public, private, or parochial school in the Pointe.

Registration for junior and high school students will be held in the high school building. The auditorium will be the scene of registration on Friday, June 15, 2 p.m. to 4 p.m. Registration will be moved to room 114 on Saturday, June 16, from 9 a.m. to 12 noon, and will be in the same room Monday, June 18, 8 a.m. to 4 p.m.

Fees for the courses will be \$8.00 per course for resident students, and \$16.00 per course for non-resident pupils. Classes will begin at 8 a.m. and 10:10 a.m. with a five-minute recess in the middle of class and another five minute pause between periods.

The following courses will be offered: English I-VIII; Mathematics 7B-8A; Algebra I-Trigonometry; History I-IV; Civics III; Economics; French II and IV; Latin II and IV; Spanish II and IV; Consumer Science; Typing I-IV; and Instrumental Music.

Many people are under the impression that summer school is solely for the makeup of subjects failed during the semester. While this is partially correct, the majority of summer school students are taking subjects that they could not work into their regular schedule without putting too great a burden on their shoulders.

Records show that students get better marks during the summer session than they do during the regular semester although the same standards are maintained. Many students say that their grades are better because they have, at most, only two subjects to study and many of their friends are away so that they have fewer social contacts. Consequently, they have more time to do less work.

W. R. Clemenson, principal of Grosse Pointe High School, will also be principal of the summer school. All of the instructors will be regular members of the faculty.

Arts and Crafts Show Is Sunday

Grosse Pointers and their friends are invited to view the first Arts and Crafts Show of the Grosse Pointe Board of Education Adult Activities program on Sunday, June 10, from 1:30 to 6:30 at the Board of Education building, 399 St. Clair.

The instructors, whose students will exhibit work in Water Colors, Oils, Jewelry and Hollow Ware, Leather, Carving, China, Painting, Hooked Rugs, Slipcovers and Upholstery, are widely recognized in their particular fields.

ELECTED TO OFFICE

Geraldine Jacobson, sophomore at Michigan State College, has been elected treasurer of the Michigan State College chapter of Delta Gamma social sorority. She will hold office one year.

Oh, for the Life of a Sailor

The sleek hulls that slip through the water under summer's smiling suns or howling winds, don't get that way by themselves. There is a lot of hard work which goes on behind the scenes before the crafts are ready for another season. But that period is about over now as most of the local boats are in the water and the skippers are set for another season of their favorite sport.

Camp-Out Held By Boy Scouts

A camp-out at Island Lake over the weekend closed the season's activities for members of Boy Scout Troop 96, Grosse Pointe Memorial Church.

Highlighting the program was a Court of Honor which was conducted before a large group of parents and friends of the troop. Scoutmaster W. James Lowmaster presented awards to 30 members of the troop during an impressive campfire ceremony.

First Class badges were presented to Harold Bailey, Bruce Chambers, Richard Douglas, Martin Hutchinson, William Krebs, Stephen Mulliken, Harold Quackenbush, Ronald Rolley, Willard Squire, Bradford Tisdale, Philip Warren, Peter Wells and Donald Worley.

Second Class badges were presented to James Diemin, Joseph Donovan, Tom Evans, John Jakle, George King, Tim Quigley, William Quinlan, John Smith, Peter Smith and Robert Swartz.

Tenderfoot Class requirements were met by Charles Harris, John Hemmeter, Robert Hutchinson, Dennis McDonald, William Standifer and Leland Worden.

Merit badges were presented to Harold Bailey and Jack Hodcus. Leland Bierlein, Park Ranger with the State Board of Parks and Recreation, was a guest speaker at the Court of Honor. He discussed the parks and recreation areas in Michigan and presented interesting facts on the early history of the Island Lake area.

Prior to the award ceremony, the boys reversed the usual procedure and served a complete

dinner to their parents and friends. The dinner followed an inspection tour by the adults.

The various exhibits including a model camp, water purification, food preservation, mapping, lashing, sanitation and other displays, created much interest among the visitors.

High School Grads Do Well Pursuing Higher Learning

Thirty-seven graduates of Grosse Pointe High School who entered college in 1950 earned honors marks in their first-semester college work. As freshmen in 18 different institutions, they attained a scholastic average of B or better. They are:

Albion: Marlene Hesse.
Alma: Stuart Friesema.
Denison: Suzanne Kitson, DuWayne Peterson, and Joan Wozniak.

Detroit Institute of Technology: Lawrence Sullivan.

Harvard: Bruce Terris.

Massachusetts Institute of Technology: Robert Anslow.

Michigan College of Mining & Technology: Alan Robertson.

Michigan State College: Adele Huebner, Joan Rexford, Ford Slater, and Janet Weinheimer.

Michigan State Normal College: Lila Binney and Robert Hafer.

University of Michigan: Carolyn Bauer, John Chase, Glenn Coury, Harry Eason, Carolyn Keith, John Redfield, Kenneth Rice, Susan Riggs, Diane Schleicher, Donald Schmitz, and William Whittingham.

Oberlin: Alice Schlaepfer.

Ohio Wesleyan: Janet Gregory, Betty Scales and Armin Seelstad.

Purdue: Richard Lowery.

Rosary: Catherine Nebel.

Stephens: Elizabeth Huetta.

U. S. Merchant Marine College: Ronald Sutton.

Wayne: Marion Ortoff and Joy Perry.

Yale: Peter Roll.

These 37 honors students were part of the group of 140 recommended graduates who entered 44 different colleges and universities as freshmen in 1950, including 65 boys and 75 girls. The scholastic average for the entire group in their first-semester college work was 1.52 honor points.

This is a little better than midway between a B and a C. This

is the highest average achieved by a beginning group since the number of graduates recommended by Grosse Pointe High School in a single year exceeded one hundred.

Of the marks awarded these 140 recommended graduates almost 50 per cent were A's and B's. Only 1 per cent were E, or failure.

Franklin Hoel Completes Chevrolet School Course

Franklin M. Hoel of the Ray Whyte Chevrolet Company, East Jefferson at Lakepointe, has received a diploma after completing a six weeks' course in Chevrolet's modern merchandising and management school.

The school is the oldest of its kind in the automotive industry and has frequently been cited as a model for training in various phases of modern merchandising.

"Stolen" Motor Found in Lake

A search in the lake, at the suggestion of City police officer Moffat, uncovered a missing outboard motor on Wednesday, May 30.

Dell Page, of 770 Cadieux, reported the motor missing from his rowboat moored at the City park. The motor apparently dropped into the water as the thief was detaching it.

It was fished out of the water and after some renovating will be usable.

MEN'S SHOPS

SECOND AT LOTHROP, DETROIT

Big Rose Show June 10 and 11

Sunday, June 10, and Monday, June 11, are the dates for the Annual Rose Show. It is to be held in the Grand Ballroom of the Statler Hotel in conjunction with the national convention of the Men's Garden Clubs of America. Admission is free from 2 to 10 p.m. Sunday and 9 a.m. to 8 p.m. Monday.

This is the 21st annual show and competition sponsored by the Detroit and American Rose Societies. Amateur rose growers everywhere are invited to compete. Prizes or awards will be given for the best blooms. A very special bronze medal is available for the first time this year for exhibits under the unique English method of judging.

Over 1,000 fragrant blooms grown to near perfection outdoors will be shown. Old fashion and the newer rose varieties will be included. A rose of tomorrow

Harry Whiteley Home For His 21st Birthday

Harry Whiteley, 65 Mapleton, recently returned to Key West, Florida, after visiting his parents, and sister, a student at Grosse Pointe High School. Harry came home for his 21st birthday party, and was home about a week. Harry is a member of squadron ZX-11, of the United States Navy base in Key West, just recently transferred from squadron VX-1. He also just earned his rank of 2nd class petty-officer.

is scheduled to be named in honor of Detroit's 250th Birthday Festival. Hall's potted roses will also be displayed in a completely landscaped exhibit of blooming bushes that can be transplanted any time during the growing year.

There will be classes for children, beginners, and expert exhibitors, and sections of roses in table arrangements and educational exhibits. Entries will come from backyard to estate size gardens. All entries must be in by noon Sunday, June 10. Nationally prominent rosarians, judges and commercial growers will be on hand to demonstrate the easy inexpensive way of growing more beautiful roses that win blue ribbons. Mrs. William J. Yeager, L.U. 1-1200 or WE. 3-1275, is this year's show chairman.

Help Alpha Kappa Psi Conduct Dinner Dance

A number of Painters played an active part in staging the National Founders Day celebration and the spring dance of Alpha Kappa Psi on May 26. Helping with the event which took place in the Tuller hotel were Patrick Costello of Fisher road, Ralph Jones of Nottingham road and Richard Baker of Cadieux road.

CONSERVATORY RECITALS
The Grosse Pointe Conservatory of Music will hold its Annual Series of Public Student Recitals on June 11, 12, and 13 at 8 o'clock in the evening in the auditorium of the Trombley School at 820 Beaconsfield.

Court of Honor Held by Scouts

Bud Reuther of Boy Scout Troop 74 at Richard School received the Eagle Scout Award during Court of Honor Ceremonies on Monday, June 5. The Life Scout Award was given to Summers Stevenson and Star Scout Awards went to Robert and William Hembel.

John Bennett, Tom Hoder, Dennis Hykes and Jimmy Phillips won First Class Badges.

Second Class Badges were earned by Dick Adams, Norman Cassil, Norman Danaher, Frank Girardin, Tony Herman, Charles Mihalik, Jimmy Millies, Robert Rien, and Sandy Smith. Madison Morrison and John Savory became Tenderfoot Scouts. Merit Badges were awarded to Ned Brown, Robert Hembel, Bill Hembel, Michael O'Neill, Bud Reuther, Summers Stevenson, and Tom Watson.

Daniel Hembel, Chairman of Troop 74, presented the "Spark Plug Certificate" from the District III Advancement Committee to Scoutmaster Jack Beever for his excellent record.

Cub Scout Pack 19 Plans Outing At Harrow, Ont.

Cub Scout Pack 19 will hold its annual outing on Saturday, June 9, at the Ravine Hotel in Harrow, Ontario.

The scout pack is affiliated with Mair School and O. A. Aaronson is the cub master. Families of the scouts will accompany them on the picnic.

Choir Awards to Be Made At Memorial Church Sunday

The Junior and Senior Choirs of the Grosse Pointe Memorial Church will hold their Annual Presentation of Choir Awards at the 11 o'clock Service Sunday, June 10.

All Choirs of the Church will participate (Junior, Senior, and Church Choir) in special music under the direction of Marie Joy Curtiss, Director of Youth Choirs, and Malcolm McClean John, Organist and Choirmaster.

The award given for the first full year of loyal, faithful, and cooperative Hymnal with a special inscription on the inside cover and the recipient's name in gold on the outer cover.

Those receiving the Hymnal

Two to Attend RC Conventions

Carol Loveless, a junior at Grosse Pointe High School, has been chosen as one of two representatives from her district to attend the national convention of the Junior Red Cross. The Junior Red Cross will hold its national convention in New York City from June 26 to June 29.

Districts from all over the United States elect and send representatives to this national convention every year. Representatives from many foreign countries will also be present.

All the representatives will get together and discuss problems and solutions, plan new activities, and discuss ways to make club programs better. There will also be panel discussions on many of these subjects. Carol will attend morning meetings of the entire assembly and smaller committee meetings in the afternoons. The entire convention will gather and hear prominent speakers on two evenings, and will attend a formal banquet on the third.

The Junior Red Cross has also planned a sight-seeing trip around New York City for all the delegates to the convention. The Statue of Liberty, Grant's Tomb, Chinatown, and a session of the United Nations are just a few of the things Carol will see on her trip.

Mrs. Marion Sheaffer, treasurer of the Grosse Pointe Board of Education, will act as chaperon on the trip. Mrs. Sheaffer is going to attend the national convention of the senior Red Cross in New York at the same time.

Carol has been very active in her chapter of the Junior Red Cross. She has been a representative to the Detroit chapter since the ninth grade.

Carol has also worked on planning committees for chapter programs, and on the planning committee for the last national convention of the Junior Red Cross, held in Detroit last year. She has also helped revise the old constitution for the Detroit chapter.

Miss Margaret Casteel, a history instructor at Grosse Pointe High School, is the Junior Red Cross sponsor of the Grosse Pointe chapter.

HONORED BY FRATERNITY
Ford Slater, freshman at Michigan State College, has been elected secretary of the Michigan State College chapter of Alpha Chi Sigma social fraternity. He will hold office one year.

New Ambulance Serving Farms

The Farms has just placed a new ambulance in service replacing the patrol type ambulance often referred to as the "black maria" which has served the community for approximately 12 years.

The ambulance will be assigned to the Fire Department for driver and resuscitator work. It is a joint operational project of both the Police and Fire Departments working cooperatively for fast service in case of emergencies.

The ambulance will carry first aid equipment, a resuscitator and two stretchers. It is radio-equipped for constant contact with headquarters.

Girl Athletes Honor Mothers

The Girls' Athletic Association of Grosse Pointe High School held its semi-annual Mother-Daughter Banquet on Thursday, May 24 evening, in the school cafeteria.

The entertainment, consisting of several short skits, a pantomime by Joan Hemme, and an acrobatic

dance by Loa Zay Sheridan, was introduced by the mistress of ceremonies, Joannie Johnson. At the installation of officers, the old officers presented their offices to the newly elected four. Jane Rippe welcomed Carol Fredericks as the new president, while Carol Lunögren did the same for the new vice-president, Emily Harding. The title of Secretary was transferred from Barbara Kolp to newly elected Jane Rowe. The retiring treasurer, Susan Armstrong, presented her money warrants to Elaine Turrel.

Annette Shelden, Brother Receive Diplomas This June

Annette Shelden, daughter of Mr. and Mrs. Henry Shelden of East Jefferson avenue will sail July 6 to spend the Summer traveling in Europe with two of her Vassar classmates. Annette graduates this month from Vassar and her brother, Henry, will graduate from Taft at Watertown, Conn., June 9.

Police Solve Lock Troubles

Two residents of Grosse Pointe City had the same problem on Sunday, May 27, but in reverse. A resident of Cranford lane reported to police that he was locked in his bedroom, due to a jammed lock.

A woman in Notre Dame road reported that she had locked herself out of her home.

Armed with a skeleton key police rescued both citizens.

WINS BASEBALL LETTER

Walter Joachim of the Pointe was awarded his varsity baseball letter at the end of the 1951 season at Wooster College, Wooster, Ohio.

Trio of Drivers Ticketed in City

Failure to stop at Cadieux and Maumee resulted in a violation ticket for Maureen Donnelly, of 506 Lenox, on Friday, May 25.

Angus Kirchner, Jr., of 458 Touraine, received a ticket for driving without lights on Lincoln between Chalfonte and Mack on Sunday, May 27.

City police awarded Mrs. Gerald S. O'Bea, of 302 Manistique, a ticket for reckless driving and excessive speed on Jefferson avenue from Fisher to Bishop on Wednesday, May 30.

Pointers Playing Big Part In Birthday Flower Show

Many Grosse Pointers are working on committees for the 250th Birthday Festival Flower Show taking place today, Thursday, June 7, at the Veterans Memorial Building. Mrs. Fred T. Murphy opened the show at noon yesterday by cutting a flower-decked garland.

Mrs. Henry L. Newnan, horticulture chairman of the festival, has been working on Mrs. Murphy's committee and was on hand to welcome guests. The public is invited to view the show and attend a series of lectures running concurrently in the Polar Bear room under Mrs. Clarence W. Avery's supervision.

Mrs. Frederick C. Ford, who was Virginia Brush to many childhood friends and is descended from Elijah Brush (1772-1813), an important early Detroit, is working with Mrs. Donald B. Smith, of Grosse Ile as co-chairman of this show which is historic in theme, beginning with the earliest period of the city and finishing with contemporary design.

Mrs. Alan Phelps Beebe, chairman of invitational rooms and tables in honor of early Detroiters, made plans for a French, English, Early American and Contemporary room with appropriate furnishings and flower arrangements. Eight tables are set to honor famous people in the city's history such as Madame Cadillac, Henry Ford, J. L. Hudson, Hazen Pingree and others.

Mrs. Walter Buhl Ford II is doing the Early American room with some of her favorite antiques. The English room is being done by The Grosse Pointe Garden Club with Mrs. Frederick W. Campbell as chairman. Assisting are Mrs. Alan P. Beebe, Mrs. George Villorot, Mrs. Burdette Ford, Mrs. Wilfred S. Teetzel, and Mrs. George Hefferan.

Mrs. Rogers I. Marquis, president of the Colonial Dames, who are sponsoring the French room, is being assisted by Mrs. C. Gilbert Waldo and Mrs. L. Rothe Farr. The chairs being used in this room belonged to Mrs. Marquis' grand-grandfather, Lewis Cass, governor of Michigan when the state was still a territory. They were made in Paris for Gov. Cass during the time when he was Ambassador to France. In the room there is a portrait of Isabella Cass for whom Belle Isle was named.

Invitational exhibits also include eight tables in honor of Detroiters of an earlier day. Mrs. Hansel D. Wilson is doing a table in honor of Cadillac, using some exquisite early French provincial pieces, antique pewter, a very old French Bible, an arrangement of fruit and flowers in the style of the period.

Mrs. James McMillan will do a table in the style used in Washington, D.C., when Senator James McMillan figured prominently as leader of the Republican party for several years during his residence there. Mrs. Wilson W. Mills has planned her table in honor of her father, Governor Hazen S. Pingree, and is using her 'mother's china and accessories.

Mrs. Richard W. Jackson, whose husband is a descendant of the Hudson clan, is honoring Mr. J. L. Hudson, whose favorite dinner

flowers were red roses. Mrs. Longyear Palmer's table will honor Jessie Bonstelle, favorite actress and producer of the twenties. Other Garden Club representatives will do tables to honor Mr. and Mrs. Henry Ford and the Macomb family of Grosse Ile.

Although many leaders in the flower and garden world of Metropolitan Detroit are working on committees we are mentioning mainly Grosse Pointers, just a few of whom are: Mrs. Wendell K. Wheelock, hostess chairman; Mrs. Harold Tyree, registration chairman; Mrs. James A. Lafer, publicity chairman; Mrs. Howard F. Smith, Mrs. Longyear Palmer, Mrs. Alexander W. Blain, all on the committee.

Among the hostesses for the event are: Mrs. Allan Shelden, Mrs. Henry P. Williams, Mrs. H. Hunter Williams, Mrs. Thomas J. Little, Mrs. Meredith Randall, Miss Marie Louise Anderson, Mrs. William Rosborough, Miss Elsie DuCharme, Miss Christine Edwards, Mrs. Francis H. Phelps, Mrs. Hansel D. Wilson, Mrs. Watson Beach, Mrs. L. Rother Farr, Mrs. George Villorot and Mrs. Longyear Palmer.

Permits Issued For 18 Homes

Building permits for 18 new residences in Grosse Pointe Farms were issued during May, according to the report of Murray M. Smith, city engineer. Total value of the new homes is placed at \$410,000.

Since the first of the year the Farms has issued permits for 94 new homes, having a total valuation of \$2,288,000.

During May permits were also issued for 20 miscellaneous construction projects, totaling \$24,900 in value, and for three non-assessable buildings valued at \$108,000.

The total value of all 153 permits issued since the first of the year is placed at \$2,484,500.

AT PHARMACISTS' PARLEY

Mr. and Mrs. Russell Volz of the Pointe attended the state convention of the Michigan State Pharmaceutical Association at the Statler Hotel, Detroit, May 22, 23, 24. More than 850 pharmacists met at this 68th Annual Convention and participated in the program devoted to education. "Knowledge Is Power" was the three day convention theme.

Society News Gathered From All of the Pointes

From Another Pointe of View

by Jane Schermerborn

Nothing like contradicting ourselves . . .

The FIRST June debutante is the dashing titan topped Anne Louise Hinchman . . . whose coming out party takes place next Tuesday . . .

When her grandmother, Mrs. Theodore H. Hinchman, presents her at a reception in the Country Club . . .

Anne is the daughter of Mr. and Mrs. David Ballantyne Hinchman of Irvine place . . . and graduated last week from the Katharine Gibbs School in Boston . . . dashing home at the weekend to be whisked into last minute plans for her party . . .

Mrs. Hinchman will join her daughter and mother-in-law in the receiving line . . .

The senior Mrs. Hinchman's assistants will include Mrs. Wallace S. MacKenzie, Mrs. Frederick S. Ford, Mrs. John MacKay, Mrs. William R. Kales and Mrs. Henry L. Barton.

Fun For Anne

On June 15 . . . Anne is honor deb at the luncheon given for her by Mrs. Arthur Maxwell Parker . . . who has chosen the Little Club for the party . . .

And Dr. and Mrs. Wallace S. MacKenzie of Yorkshire road are also planning a dinner for the bud during the June season . . .

Following her formal debut next Tuesday . . . Mrs. Hinchman will entertain at a buffet supper for the deb's assistants and their escorts in the family home on Irvine . . .

Deb Doings

Mrs. Elwood Bayne of Harvard road is another grandmother who will take part in the presentation of a debutante this month . . .

When she and her son-in-law and daughter, Mr. and Mrs. George O. Johnston, introduce lovely Mary Johnston at a dinner party June 22 in the Johnston home on Lothrop road . . .

And add debutante fun:

Mr. and Mrs. C. Henry Buhl . . . who are spending a few days in New York . . . will be hosts at a small dance in the gardens of their East Jefferson avenue home on the evening of June 21 . . .

To compliment Gay Buhl, daughter of Mr. and Mrs. Arthur H. Buhl, Jr. . . .

Gay's formal debut takes place June 23 when her parents will give a ball at the Little Club . . .

Prior to the ball, Mr. and Mrs. Howard Freeman Smith of Provencal road, are giving a dinner party for Gay and members of the debutante set and the deb's out-of-town guests . . .

Judy Bows Last

We were crossed up on the first deb . . . and also the last, since this week Mr. and Mrs. Richard Sherman Gehlert, Jr., of Grayton road . . .

Added to the season's list the name of their daughter . . . Judy . . .

Who bows at a luncheon June 28 . . . in Grosse Pointe Yacht Club . . .

Something New

We were interested to learn of something else that's been added to the deb season this year . . .

For many years now . . . it has been the custom of

(Continued on Page 8)

Short and to the Pointe

Mrs. Lawrence Bruce Mellett

Picture by Paul Gach

At 11 o'clock Saturday morning, June 2, in Saints Peter and Paul Jesuit Church, MARY HELEN CHARBONNEAU and Lawrence Bruce Mellett repeated their marriage vows to the Rev. Cyril J. Carroll, the cousin of the bride.

For her wedding Helen, daughter of Mr. and Mrs. Louis H. Charbonneau of Kensington road, chose a gown of antique ivory satin. It was fashioned with a fitted bodice, square neckline, and long train. The illusion veil was held in place by a headpiece of rose point lace which also trimmed the sleeves of the gown. She carried a bouquet of calla lilies.

The attendants were dressed alike in yellow marquisette with matching caps. The gowns were topped with white capes, and the girls carried ivy leaves.

Ann Charbonneau was her sister's maid of honor; bridesmaids were Mrs. John F. Harrigan, Mrs. William E. Keane, Jr., and Mary Campbell of Howell, Michigan.

OWEN C. FROST of Washington road.

ANN COOK of Kercheval avenue, a senior in the department of home-economics at Wayne University, received a scholarship award from the Wayne Chapter of Phi Upsilon Omicron, a national honorary home economics society.

A tea and musicale to benefit the furnishing fund of the new International Institute Building will be given June 23 in the gardens of MRS. FRED T. MURPHY'S East Jefferson avenue home. MRS. JEFFERSON B. WEBB is chairman for the party.

SHARON SHARKEY, a student at Loretto Heights College, Denver, Colorado, has returned home for the summer vacation. She is the daughter of MR. and MRS. JAMES F. SHARKEY of Blossom lane.

Former Pointers MR. and MRS. CLAY C. MACDONALD, now of Rancho Santa Fe, Calif., have been, visiting MR. and MRS.

MR. and MRS. HAROLD TITUS of Lincoln road returned from a month's visit with the son-in-law and daughter, DR. and MRS. J. J. McCue of Stockton, Cal. Their son, JACK, is also in Stockton where he is being graduated from the College of the Pacific today. He will report to San Diego for reserve service with the Marine Corps.

THE JOSEPH CASKEYS poured cocktails for a group of friends in their new home in Stanton lane before going on to Ixex Club's dance at Hillcrest Country Club. The cocktail party was the first the Caskeys had given in their home since moving in, May 23.

MR. and MRS. JOHN D. BENFIELD have moved from their Lake Shore road home to Neff road.

MR. and MRS. RAYMOND WILCOX of Tucson, Ariz., have arrived for a visit with their son-in-law and daughter, MR. and MRS. ROBERT F. WEBBER of Lake Shore road. The Wilcoxs will go on to their home at Harbor Beach for the Summer months.

JOHN S. NEWBERRY JR. sails this Saturday on the Ile de France for travel in Italy, France and England. He will join his mother, MRS. JOHN S. NEWBERRY, at Lake Terrace on Lake Shore road in mid-September.

MR. and MRS. EDWARD B. CAULKINS of Palm Springs, Calif., are occupying the Sunningdale drive home of MRS. EVA DOTY WORCESTER this Summer. Mrs. Worcester, who is spending several days at the Country Club, is leaving to take a course in painting at the Pennsylvania National Academy. She will paint in Pennsylvania and may include a European trip before her return to the Pointe in October.

Schoolgirl SALLY MITCHELL arrives June 17 from the Ethel Walker School. She's the daughter of THE LEDYARD MITCHELLS JR. of Kenwood road.

CHARLES J. FISHER III, son of MR. and MRS. CHARLES T. FISHER JR. of Lake court, graduate this month from Georgetown University.

Making their home in Guilford, Conn., are MR. and MRS. JORDAN L. MOTT who were married May 26 in New Haven, Conn. Mrs. Mott was IRENE BARBOUR TREBLE, daughter of MR. and MRS. WILLIAM TEFIT BARBOUR of Oldbrook lane. Mr. Mott

(Continued on Page 8)

Tau Beta Celebrates Golden Anniversary

Fifty Golden Years To Be Marked June 15 By Members Of Tau Beta Society and Association; Day Ends With Dinner At War Memorial Center

The Golden Girls of the moment would be members of Tau Beta Society (juniors) and Tau Beta Association (seniors) who are preparing something on the colossal order to mark the organization's fiftieth anniversary this June 15.

But Tau Beta, which started as a little girls' secret society, came of age long ago as one of the distinguished groups in this city doing a magnificent job in settlement work.

There's an impressive fiftieth anniversary planning committee with Mrs. Alger Sheldon as chairman, assisted by Mrs. Ross Wilkins, Jr., as vice-chairman and busy mama of a debutante, Mrs. George O. Johnston, serving as secretary.

A program at the Tau Beta Community House in Hamtramck has as its chairman Mrs. Robert T. B. Peirce (and the initials are honestly Mr. Peirce's).

For the dinner that evening, Mrs. J. Stewart Hudson is chairman with Mrs. John T. Woodhouse, vice-chairman, and the evening's entertainment has Mrs. George M. Black, Jr., as its chairman with her assistant, Mrs. Arthur H. Buhl, Jr.

Mrs. Richard H. Webber's artistic hand will take over on decorations at the dinner.

A fiftieth anniversary booklet (with warm and factual detail of the growth of Tau Beta written by Miss Mildred Plumb) has been headed by Mrs. Louis H. Kean, whose assistant has been Mrs. Frank W. Donovan.

In charge of finance connected with the anniversary is Mrs. James K. Watkins. Mrs. Ernest Kanzler is chairman of hospitality for the non-resident members, many of whom will come home for the occasion, and Mrs. E. Irving Book is luncheon chairman.

The day begins for Tau Beta members when they gather at the community house in Hamtramck (which their efforts built, you know) for an inspection tour. Following luncheon the members will be entertained by a historical panorama, "Tau Beta Grows With Hamtramck," written by Mrs. Edward S. Wunsch with words and music by Marie Joy Sanger. Mrs. Henry H. Campbell III is production manager for the panorama.

Beginning at 3 o'clock garden gates at the homes of Mrs. Ernest Kanzler, on Lake Shore road, and Mrs. Richard H. Webber, also on the Lake Shore, will be opened to the members who have been

invited for cocktails by Mrs. Edsel Ford in her Grosse Pointe home.

Then it's on to Grosse Pointe War Memorial Center, when Mrs. Webber will be hostess at dinner.

Following dinner Tau Beta members will settle back for a Twenty-fifth Anniversary movie and music by the glee club (Ed-die Schick's orchestra is playing that night).

Karla Behr has written a skit, "Tau Beta Today," to be presented by the juniors and members of the entire Harry W. Kerr family joined to write "Tau Beta History," a series of skits. The skits are entitled, "Founders and Jollification," "Doing Good," "Ways and Means," "Red Room" and "Fiftieth Anniversary." Mrs. Kirkland B. Alexander has written an anniversary song for the celebration.

After that . . . Tau Beta will start out on its second fifty years, surely to be filled with as sincere and constructive effort in doing for others as the first have been.

For a few vital statistics the present officers of Tau Beta Association are Mrs. Harry D. Wise, president—Mrs. Earl I. Heenan, Jr., first vice-president—Mrs. Richard Kimbrough, second vice-president—Casmira Czowski, third vice-president—Mrs. Ferdinand Cinielli, recording secretary—Mrs. Harry T. Bodman, treasurer—Mrs. William C. McMillan, assistant treasurer—and Mrs. J. R. Bowers, corresponding secretary.

On the executive board of Tau Beta, Mrs. Charles B. Peabody, Jr., is president; Mrs. John E. Caulkins, vice-president; Mrs. Henry M. Campbell III, secretary; Gail Lovejoy, assistant secretary; Mrs. Alfred L. Marks, treasurer, and Mrs. John W. Grout, assistant treasurer.

Family To Attend Greene Fenley Jr.'s Graduation

Mrs. Greene Fenley III and Mr. and Mrs. Greene Fenley Jr. will motor to Clinton, N. Y. for the graduation from Hamilton College of the former's husband on June 17.

See Yourself in Print at **Walton-Pierce** Women's City Club Park at Elizabeth Grosse Pointe Shop Kercheval at St. Clair.

Betty Roehm Is Bride Of E. S. Cornwell, Jr.

Daughter of Mr. and Mrs. Lawrence S. Roehm of Stephens Road Weds Saginaw Man at Ceremony in Christ Church, Grosse Pointe; Leave For Florida

White orchids and fleur d'amour were on the white prayerbook Caroline Elizabeth Roehm carried last Saturday when she was married at a 4:30 o'clock service to Ernest S. Cornwell Jr., of Saginaw. The marriage took place in Christ Church, Grosse Pointe with Rev. J. Clemens Kolb officiating. The bride, daughter of Mr. and Mrs. Lawrence S. Roehm of Stephens road, was given in white silk taffeta, a fitted bodice distinguished by deep scalloped yoke of hand-run gros pointe de Venise lace which was repeated on the short sleeves and elbow length mitts. The skirt of the gown fell in graceful taffeta folds and she wore a Juliet of lace to which was caught a short veil of French silk illusion.

The bride's three sisters were in the wedding party. Grace Roehm was maid of honor and Mrs. Robert F. Koebel and Mrs. David Harbison were bridesmaids. Also serving as bridesmaids were Mrs. William Shaw of Battle Creek and Mrs. John J. Feldman of Saginaw.

The attendants all wore waltz-length frocks of yellow organdy, fashioned with off the shoulder necklines. Garlands of yellow roses and daisies were in their hair and their arm bouquets were composed of the same flowers.

Best man was John O'Keefe of Saginaw and the bridesmen included Karl B. Zint, Jr., of Covington, Ga., Charles A. Coryell, Jr., of Bay City, and from Saginaw: Lawrence W. Davis, George W. Bruske, Arthur A. Schupp, Jr., and Chandler T. Symons. For her daughter's wedding, Mrs. Roehm wore a white silk gown printed in black and cherry

Skates To Fete Nieces At Dance On June 20

Mr. and Mrs. Edward Askin Skae, of Lake Shore road, will be hosts on June 20 at a dance in their home to compliment their debutante niece, Mary Meade Phelan, and Bobbie Phelan, whose debut will take place next December.

Junior League Dance Friday

The Junior Leaguers have a dinner and dancing date at the Little Club this Friday evening. Object . . . fun.

Mrs. James McMillan is chairman for the dance which will be held on the Lakeside dance floor if the evening is fair. Two orchestras will provide music for the party.

Assisting Mrs. McMillan on party plans have been Mrs. Henry Reynolds, Mrs. Allan Shelden III, Mrs. Darius C. Franche, III, Susan Duckett, Suzanne FitzSimons, Mrs. Berrien Eaton Jr., Mrs. Henry B. Joy Jr., Mrs. Walter Buhl Ford II, Mrs. Alexander L. Wiener, Mrs. John H. French Jr. and Mrs. Edgar L. Fink.

An advisory committee for the dance included husbands of Leaguers: Mr. Ford, Mr. Wiener, Mr. Joy, Mr. French and Mr. McMillan.

Park Gardeners Meeting June 11

Mrs. James T. Huette and Mrs. Frederick E. Gould will entertain the members of the Grosse Pointe Park Garden Club on Monday, June 11 at a luncheon in the home of Mrs. Huette in York-shire road.

The newly-elected president, Mrs. Emil Leidich, will preside at the business session. Other new officers elected recently at the annual meeting are Mrs. Frederick J. Schumann, first vice president; Mrs. William C. Klenk, second vice president; Mrs. Howard Popen, recording secretary; Mrs. Pierre Heffler, corresponding secretary; and Mrs. J. T. Huette, treasurer.

As this will be the last meeting until September, an outline of the program for the coming year will be presented by Mrs. William Klenk, program chairman, assisted by Mrs. Allyne Litchfield.

Richard W. Jacksons Open Cottage At Turtle Lake

Mr. and Mrs. Richard W. Jackson of Merriweather road, will open their cottage at Turtle Lake the end of this month. Spending the Summer there will be Mrs. Jackson and their daughter, Linda, and son, Richard Jr.

shades. The veil of her small white chapeau repeated the deeper tones of her costume and her flowers were white butterfly orchids.

The bridegroom's mother (he is the son of Mr. and Mrs. E. S. Cornwell of Saginaw) chose for the occasion a gown of aquamarine crepe with brown tulle chapeau. Her flowers were bronze orchids.

Mr. and Mrs. Roehm were hosts to the wedding guests at a reception in the Country Club following the church ceremony.

For their wedding trip, the young Cornwells motored to Florida and upon their return will make their home in Saginaw.

The bride traveled in a navy blue frock printed up by a char-trouse boiero. Her small hat was of navy velvet and accessories were also navy.

Michigan Chapter to Meet In G.P. Club on Tuesday

The annual meeting of Michigan Chapter, Daughters of Founders and Patriots of America, will be held Tuesday, June 12, at the Grosse Pointe Club in Berkshire place, convening at 11 o'clock.

Following the business session, a thought-provoking film, "Dust or Destiny," will be presented. Luncheon reservations, accompanied by check, should reach Mrs. Henry B. Joy, honorary national president, by Friday, June 8.

Michael Charles Bolton Arrives In The Pointe

Nursery news: Receiving congratulations on the birth of a son, May 22 are Mr. and Mrs. Charles W. Bolton of Country Club drive. The young man has been named Michael Charles Bolton. Mrs. Bolton was Elizabeth Mutschall.

Mrs. Ernest S. Cornwell, Jr.

The former ELIZABETH CAROLINE ROEHM, daughter of Mr. and Mrs. Lawrence S. Roehm of Stephens road, was married last Saturday to the son of Mr. and Mrs. E. S. Cornwell of Saginaw.

Attend Meeting In Washington

Four prominent Grosse Pointe women have recently returned from Washington, D.C., with enthusiastic reports of the National Cathedral Association annual meeting sessions, which they attended.

Mrs. Frederick Clifford Ford, regional chairman for Michigan, accompanied by Mrs. Alexander Wiener, Mrs. Frederick Campbell, and Mrs. J. Clemens Kolb, besides attending various sessions acted on the publicity committee which met as a separate group to form policies and make recommendations.

Mrs. Ford also gave her report on the successful conclusion of the Annual membership drive for this state.

Mrs. Frederick Campbell, Special Projects Chairman, gave a brief pre-view of the "Little Flower Show" which the Michigan Association will hold in the fall. The flower show will tie in with the glorious colors of the cathedral glass. There will be a speaker and some of the Cathedral films will be shown.

One of the highlights of the Washington trip was the speech given by the Very Rev. Francis B. Sayre, Jr., newly installed Dean of the Washington Cathedral, following a dinner at the Chevy Chase Country Club. Dr. Sayre is a grandson of Woodrow Wilson.

On the first day of their visit, the delegates were greeted by Mrs. Harry S. Truman, wife of the President, in Blair House.

Besides the many delightful social events, the delegates had the opportunity to tour the Cathedral, noting the construction now under way on the South Transept, and to visit the educational institutions on the Cathedral Close, including the St. Albans School for Boys, and the National Cathedral School for Girls.

Paul Callaway, nationally noted musician and choirmaster, also directed a concert by the Chamber Chorus of Washington, especially arranged for, and much appreciated by, the delegates.

Society Plans Picnic At Bay Court Camp

District Nursing Society Members To Hold Final Meeting There June 27; Neighborhood Thrift Shop Elects Mrs. George N. Munro III As Its New Chairman

When June 27 rolls around, the final drop of paint will have dried and be shining on Bay Court Camp out there on Green Lake near Waterford, Michigan.

This pet project of District Nursing Society which offers at unbelievably low rates Summer holidays to mothers and children who wouldn't otherwise be able to afford a vacation, has been undergoing extensive re-decorating this early Summer.

A preview inspection will be enjoyed by members of District Nursing Society come June 27 when they hold their final meeting of the year. Mrs. Lyle A. Devlin and Mrs. Albert A. Griffiths are at the moment deep in plans for the picnic which is to be one of the day's features.

It's on July 2 that Bay Court Camp receives its first holiday guests offering them a full program of fun during their stay. This year's new resident director, Mrs. Lawson A. Wiles, has arranged supervised courses in swimming, nature lore, archery, hiking, cook board, dancing, gypsy trips, shuffle board, ping pong, badminton and volley ball for the sprightly.

Campers may also devote part of their time to music, dramatics, swing, hand and camp craft, woodworking, millinery etc.

Mrs. Henry E. Beyster is president of District Nursing Society and Mrs. Norman D. Anderson and Mrs. Wilfred V. Thompson are co-chairman of Bay Court camp.

Campers have long been interested in both the society and the camp and among the inveterate workers are Mrs. Wallace S. MacKenzie, Mrs. Charles A. Morgana, Mrs. Greene Penley Jr., Mrs. Joseph M. Dodge, Mrs. Harry W. Plaggmeyer, Mrs. Mason P. Runney, Mrs. Vernon Davis, Mrs. Charles B. Phelps, Mrs. Frederick Riddell, Mrs. W. Bruce Howard, Mrs. Herbert B. Trix and a large and active membership.

This is the season of annual meetings, you know and the

Neighborhood Thrift Shop held its last Monday morning at Neighborhood Club

Outgoing chairman, Mrs. Charles B. Warren Jr., presided at the meeting when Mrs. George Nugent Munro III was elected to head the group for the next two years.

Well known to Pointers is the Thrift Shop on Waterloo avenue where workers help swell the maintenance fund of the Neighborhood Club enabling it to carry on its valuable work in the community.

The Thrift has two sources of revenue. One is its sale of articles donated outright to the Thrift Shop and the other is a re-sale department where a small commission is charged for sale of used clothing. This helps Neighborhood Club carry on its excellent athletic program with young people and even helps fill empty coal bins for needy families in the Wintertime and performs other works of that nature.

The new slate of officers going in with Mrs. Munro includes Mrs. Henry Campbell III, vice-chairman, Mrs. John N. Lord, recording secretary, assisted by Mrs. Edwin R. Stroh Jr., Mrs. A. Ingersoll Lewis Jr., treasurer assisted by Mrs. Bruce Chalmers.

Mrs. Russell A. Alger has been honorary chairman of the Neighborhood Thrift Shop since she founded it and the standing committee includes Mrs. Guy Wedt-hoff, Mrs. Herbert Alle, Mrs. Charles B. Warren Jr., Mrs. William Hannan, Mrs. C. H. Kisskadden, Mrs. Albert C. Dickson, Mrs. Bert H. Wicking, Mrs. James J. Phelan Jr., Mrs. George Hefferan, Mrs. Thomas McKean, Mrs. Sherman Mitchell, Mrs. Richard A. Forsyth, Mrs. John C. Chapin, Mrs. Hugh Chalmers Jr., Mrs. James Graves, Mrs. Oscar Buhr, Mrs. John R. Sutton Jr., and Mrs. Cyril J. Edwards.

Artists Market Holds Sale

Detroit Artists Market held its annual Garden Sale Tuesday on the grounds of Mrs. Standish Backus' Lake Shore road home. Wares of the Artist Market were displayed in natural garden galleries.

Assisting Mrs. Backus as hostesses at the sale were Mrs. Harry L. Winston, Mrs. Edgar R. Thom, Mrs. Edward E. Rothman, Mrs. Arch Plant, Mrs. Graham John Graham, Mrs. Martin L. Butzel.

Miss Mary Woodruff, Miss Hope Whitten, Mrs. Richard H. Weber, Mrs. Carsten Tiedeman, Mrs. Bernard Sterne, Miss Dorothy Skewis, Mrs. Howard Freeman Smith, Mrs. Allan Shelden III, Mrs. Wesson Seyburn, Mrs. Edgar P. Richardson, Mrs. William H. Rea, Mrs. H. Lynn Pierson, Miss Greta Paek, Mrs. John J. O'Brien,

Mrs. Alfred L. Marks, Mrs. Trent McMath, Mrs. Ernest Kan-ler, Mrs. George Kamperman, Mrs. Henri Hopkes Jr., Miss Sarah Hendrie, Mrs. N. Frank Hamilton.

Mrs. Julius H. Haass, Mrs. Edsel B. Ford, Mrs. Haldeman Finnie, Mrs. William A. Evans Jr., Mrs. James Dresbach, Mrs. William J. Dennes, Miss Florence Davies, Miss Helen Copley. Mrs. Julian P. Bowen, Mrs. Harold R. Boyer, Mrs. Lem Bowen, Mrs. Robert C. Angell, Mrs. James B. Angell, Mrs. William P. Bonbright II, and Mrs. H. Munroe Campbell.

St. Pauloscope

By Audrey Haley

Next Sunday being graduation day, the senior class has been a very busy group. Last Friday, for instance, the Paulites held their "Torch Night" ceremony. This marked the first time this event was ever held on the Church lawn and the effect was beautiful!

For those of you who do not understand the meaning of "Torch Night," it is the night when each class relinquishes its banner and name to the succeeding class.

Some of the speakers for the evening were Carl Rauen who acted as the chairman for this evening, Dennis Furton, who gave the meaning of the torch, William Murphy, who spoke of the Paulite and his manual.

Some of the other speakers on the program were Arlene Frohlich, Robert Thurtie, Michel Sheean, Diane Zemper, Robert Walker and Connie Molitor. James Keller gave the valedictorian address, and did a marvelous job. The speaker for the evening was Mr. Ross Roy, who addressed the parents and the graduates in a very "eye-opening" talk on our duties to our America.

During the distribution of honors, the terrific rainstorm, we were expecting all day, began and all scamped for shelter. However, the majority of the program was over and all agreed it was our best.

Sunday evening a few of the members of the Senior class got together for a swimming party. Having suffered from the terrific heat of the day these water lovers welcomed this cooling pastime. Patricia Yott, Jerry Froehlich, Barbara Clark, Carolyn Floer, Jerry Marshall, Hans von Bernthol, Jean Sharrow, Thomas Palmer, Mary Ann Toenges, Sally McCarron, Dorothy Marsereau, Ann Martz, Thomas Backman, Larry Hollerbach, Dave Sherwood, Lee Mitchel, and many others were joining in the fun. Following the swim the group went to Jefferson Beach to complete the evening.

There will be very much to tell you in next week's column, about the Senior Picnic, tea and banquet, as well as the Prom, flag day and ivy day.

Mount Vernon Graduates Four From The Pointe

When diplomas are handed out next Tuesday at Mount Vernon Junior College, four will be received by Grosse Pointe girls.

The girl graduates are Sue Sattley, Lois Holtz, Helen Parker and Meredith Stewart.

Awards Given To Cub Scouts

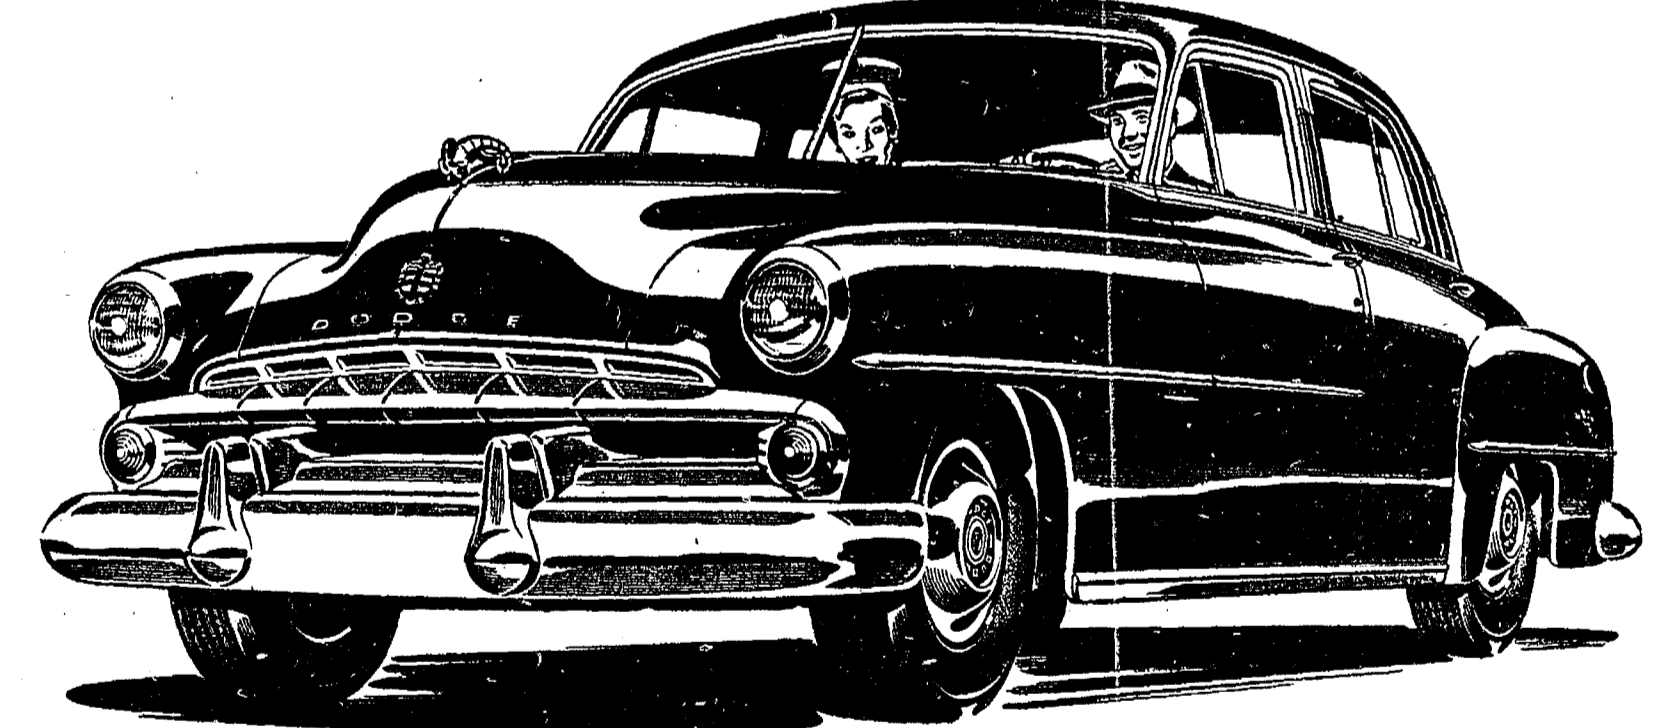

Webelos Arrows, highest awards in Cub Scouting, were presented to three members of Christ Church Cub Pack 156, Boy Scouts of America, at the Pack's final indoor meeting of the year.

The three cubs who received the top awards also were welcomed into the Boy Scouts. They are: Bruce Van Oostenberg, who will enter Boy Scout Troop 703; and Richard Koste and William Denler, who will become members of Troop 96. These awards, as well as many others, were presented by Cub Master A. Colton Park.

William Schwartz, District 3 Neighborhood Commissioner, BSA, presented Pack 156 with its charter for next year. The Pack is a 10-year veteran as a cub organization. The charter was accepted by Donald E. Wright, committee chairman.

The final meeting of the season was held June 4 when Pack 156 conducted a picnic at the Detroit University School grounds on Cook road.

Gifts for the bride

ELECTRIC, of Course

There's no trick to making coffee with an electric percolator. It automatically makes delicious coffee in minutes . . . keeps it hot for hours.

Help her take the wrinkles out of clothes in a jiffy . . . give her an easy-gliding, lightweight electric iron. It'll never take long to get the ironing done.

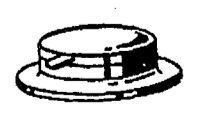

Up pops the toast for a cheery breakfast . . . light, dark, or any shade between. An electric toaster is an ideal gift for that ideal couple.

A fluffy wool electric blanket in soft pastel colors, is sure to take her eye. Automatically maintains selected temperature all through the night.

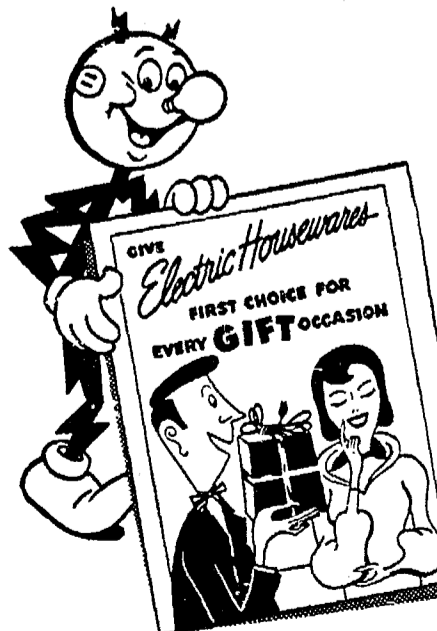

Does she have an electric waffle iron? It's no secret, she'd really like to have one . . . be so proud to serve waffles, golden-brown and delicious, done to a turn.

An electric mixer will be one of her hardest workers . . . whips, beats, stirs, whatever the cooking job calls for. It's a big help in any kitchen.

Dozens of other gift suggestions wherever electrical appliances are sold.

Lois Redmond Speaks Vows

Lois Adele Redmond became the bride of Lt. Robert C. Sheridan in a late afternoon ceremony held Saturday, May 26, in Faith Lutheran Church, the Rev. Charles Lange officiating.

Mr. and Mrs. Thomas Redmond of Balfour road are the bride's parents. Mr. and Mrs. Charles M. Sheridan of Nottingham road are the parents of the bridegroom.

Lois wore a classic gown of ivory satin. A cap of chantilly lace held her fingertip-length veil.

Sally Marshall, honor maid, was gowned in pink net and lace. Her Juliet cap, was of matching lace and she carried a bouquet of sweetheart roses and ivy.

Helene Meyers and Loa Zay Sheridan, bridesmaids, wore pink gowns like the maid of honor's.

Douglas Long officiated as best man and the ushers were Thomas Redmond, Jr., and Richard Redmond.

A grey crepe and lace gown was the choice of Mrs. Redmond for her daughter's wedding. She wore a purple orchid. Mrs. Sheridan chose an azure-blue crepe and lace gown which she complemented with a pink hat and matching orchid.

Following the reception held in the Redmond home, the newlyweds left for a motor trip through the East. They will make their home in Dayton, Ohio. Lt. Sheridan is stationed at Wright-Patterson Air Force Base.

Legion Auxiliary News

From Unit 303
By Doris Nielsen

Guess we're a very lucky Unit, meeting at the War Memorial Center in Grosse Pointe 'cuz—DSR or no DSR, our last meeting was very well attended!

1st Vice-President Gladys Carrier did another very fine job of holding the meeting in the absence of President Elva Nielsen and should be congratulated.

Thanks to Gold Star Chairman Helene Gregory for honoring our Gold Star Mothers, Ethel Loughlin and Margaret Bridges with those beautiful gardenia corsages.

We also celebrated our Unit's birthday by having an extra special good lunch with a beautiful birthday cake. Social Chairman Nell Baldwin prepared our delicious lunch and even donated the cake.

Upon receipt of Historian Viola Farnum's resignation, an election was held and three guesses who your new historian is—you guessed it—Yours Truly. Will be installed at the next meeting I understand but am going to start work immediately. So, won't you officers and chairmen please go to see Mr. Jones at Hudson's and have you picture taken? It's the same place as before but the charge is a little more—but then, what isn't?

Trophies and Awards Chairman Betty Hoyt has purchased two scholastic medals which our Unit will present to a boy and girl from St. Clare Parish School.

Both Unit and Post Poppy Chairman Elva Nielsen and Martin Nielsen extend a most sincere thank you to each and every one who sold poppies this year and want you to know we took in \$1664.24. With all the strikes and what have you, don't think we have anything to complain about. We think it was pretty swell of Rose and Earl Cramer to send their contribution from Lexington, Michigan to our president for their poppies.

We were very pleased to have Margie Stone and Beatrice Vigliotti visit us and certainly hope to have them as members. Also, glad to have Marge Gradler's granddaughter Joyce Ruel with us and hope to see her again.

Understand Grace Shoun is visiting in Kentucky and hope she is having a swell time. Could be the reason we haven't seen her in a while.

Have heard that Past Commander Bill Korte has had a heart attack and is in Cottage Hospital. He can now receive visitors but suggest you call Rose to find out what hospital he is in before making a visit as they're planning to move him to either Marine or Veterans Hospital.

Mrs. Warner Washburn King

The former ANTOINETTE EBNER, daughter of Mr. and Mrs. Frank Gannon Ebner of Barrington road, was married on May 30 in St. Ambrose Church to the son of Dr. Maurice V. King of Sun Valley, Cal., and the late Mrs. King.

Mrs. James Frank Schumar, of Hinsdale, Ill., sister of the bride, was the matron of honor. She wore a yellow net gown with matching wreath in her hair and carried blue delphiniums. Another sister of the bride, Mrs. Henry John Bailey of New York, was bridesmaid and gowned like the matron of honor. Kathleen Schumar was flower girl.

Ralph McCarty of Painesville, O., was best man and the ushers were James Barron of Cleveland and Frank G. Ebner, Jr.

The bride's mother wore a rose-beige floor length crepe gown with royal blue accessories and hat and an orchid corsage.

A breakfast at the Whittier followed the ceremony. When the young couple left for a southern honeymoon the bride wore a coconut brown skirt and jacket, the top of the dress being aqua shantung silk. Her accessories and hat were also of aqua.

They will live in Mentor, Ohio.

Girl Scout News

A new Brownie troop—No. 1047—was invested this spring at Maire School, with Mrs. William M. Adams and Mrs. M. S. David as leaders.

The following girls received their Brownie pins: Elizabeth Adams, Virginia Barnes, Cathy Bicknell, Beverly Butler, Nancy Coulter, Mary Beth Coykendall, Ann David, Julie DuCharme, Alice Gage, Elizabeth Gage, Nina Henderson, Carolyn Hatcher, Susan Kleinschmit, Suzanne Lewis, Catherine Pitts, Judith Pleasants, Lynn Record, Carolyn Rode, Mary Louise Rydick, Gail Scholtenberger, Connie Schroeder, Sharon Sweeney and Leanne Trebilcock.

The Troop Committee for 1047 is as follows: Mrs. C. Grant Barnes, Mrs. Charles DuCharme, Mrs. Frank Coykendall, Mrs. Claudius Gage and Mrs. Andrew Henderson.

The Brownie leaders of the Maire School troops are meeting on Thursday, June 7, at the home of Mrs. Louis Carbone to make their plans for the troops' fall activities.

Dads from Kerby School have been painting out at Camp Metamora to help get the place ready for the Girl Scouts. Even Mr. Vernon Hicks, principal of Kerby School, went along and did a good day's work, to set a good example.

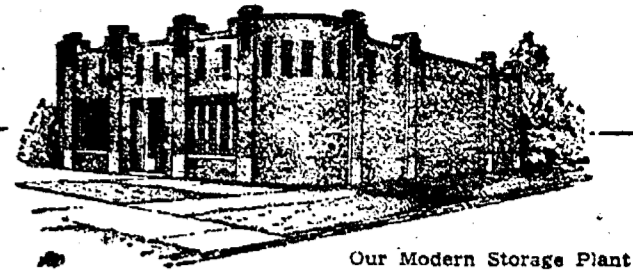

St. Paul's Troop 846 went troop camping May 25 to 27 at Camp Holly and had a grand week-end cooking outdoors, visiting another camping troop and studying wild flowers. Miss Camille Paradzinski was the leader in charge.

The second new Brownie troop to be formed at Maire School this spring held its investiture on May 31.

The leaders, Mrs. Gilbert Butler and Mrs. Alfred Taylor, pinned the Brownie emblems on the following girls: Ann Adams, Donna Addy, Jamela Bankerd, Dian Barnard, Beverly Bliss, Judy Carrier, Dianne Chappas, Penny Distin, Shirleyann Fleming, Anne Hadley, Judy Hattmer, Dorothy Hyne, Joanne Kordos, Suzanne L'Heureux, Sheila Regan, Margaret Sinclair and Ann Marie Yates.

Ice cream and cookies were served under the direction of Mrs. Donald Addy, Troop Committee chairman. Mrs. Henry Barnard and Mrs. Frank Yates assisted.

Newcomers Club To Hold Party

The Grosse Pointe Newcomers will hold their annual spring formal this Saturday to bring to a climax the highly successful current social season. Mr. and Mrs. James Dodge, themselves alumni of the organization, will sponsor the affair at Lochmoor Country Club again this year as they have in the past.

To get the evening under way cocktail parties will be held in the homes of Mr. and Mrs. Irwin M. Kuerth, Dr. and Mrs. Everett Kinsey, Mr. and Mrs. Frederick Reynolds, Mr. and Mrs. George Mensing and Mr. and Mrs. Kenneth Wulff. Dinner will be served at Lochmoor at 8 o'clock and dancing will follow and continue until 1 o'clock.

It is expected that a large group of alumni will be present. Mr. and Mrs. Bennett Burgoon, the founders of the club who presently reside in Latrobe, Pennsylvania, Mr. and Mrs. Lee Witzburg from Cleveland, and Mr. and Mrs. Ketch Moreland of New York are expected to return to Grosse Pointe for the weekend to attend the dance.

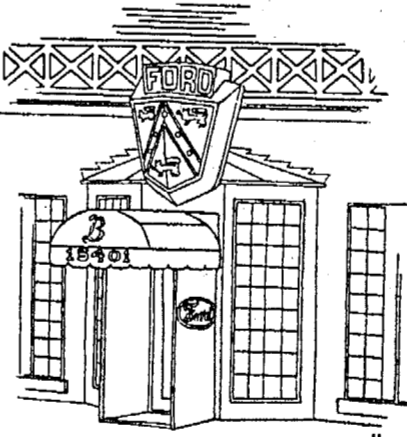

Gallow are in charge of the arrangements and they will be assisted by Mr. and Mrs. Thomas Blackwood, Mr. and Mrs. William Campbell, Mr. and Mrs. Denton Kelble, Mr. and Mrs. Curry Stoup and Mr. and Mrs. Charles Trapp.

Since the family picnic and the annual yachting party are the only events to be scheduled until fall it is not possible to take in new members during the summer months. Well over 30 couples have joined the group in the past year and next fall the club will again do its best to welcome newcomers to the community.

Mrs. Henry and Daughter Return From California

Mrs. Barbara Wick Henry and her daughter, Joan, have returned to their Neff road home after having spent the winter in Palm Springs, Calif. During most of their time on the coast they took an apartment in Palm Springs near the winter home of Mrs. Henry's parents, Mr. and Mrs. Henry Wick.

Entered as second-class matter at the post office, Detroit, Michigan, under the Act of March 3, 1897.

What Is the Answer?

We have recovered from the first shock of angered incredulity that struck us as we heard the returns at the official end of the War Memorial Center drive last Thursday night.

We can have no possible quarrel with the right of any individual to pick his own targets for philanthropy. We can never forget our own indignation when approached by a dowager at a phony society bazaar, for a handout for a convalescent home for overworked trout fishermen.

But we failed to put the War Memorial Center in the general classification of a charity. To us it seemed to carry an appeal that should be universal to every resident of the Pointe. It afforded us an opportunity to pay what seemed a fitting tribute to a very select and honored few who had done for us all that they had in their power to do.

We still think it can't, but it appears it is going to take a little longer now to prove our point. . . and for the Pointe to prove itself. The overwhelming apathy to the opportunity is what leaves us groping.

We have been handed on a silver platter a Memorial Center that is worth many times the amount all the residents of the Pointe put together were able to raise when asked to subscribe to this cause. The moneys collected in that drive have been insufficient to both restore this magnificent property to its original beauty and to set up an endowment fund which would guarantee its maintenance and deserved development.

Any skepticism that existed when the Center was first opened two years ago should have been completely dissipated by now. Its record of service and achievement should stand on its own. But this record has been established by the same small group which made its creation and growth possible.

In the previous drives conducted for the Memorial, it was deplored that out of between 10,000 and 11,000 Pointe families, only 3,000 made any contributions to its maintenance and operation. By the time this drive was inaugurated, some 76 groups and organizations were regularly using its facilities and it had attracted an attendance of more than 50,000 within the last year.

Returns from the drive which were reported last Thursday night revealed that not only were there no additional supporters of the Center, but that the original number of contributors had been cut to less than half.

Whereas some 30 percent of the families had contributed something in the past, this drive indicated that only some 12 percent were willing to continue their support. To make the contrast more discouraging, the previous drives had been conducted to obtain all that any resident could afford to give. This campaign stressed that large gifts were not being solicited, but rather, some supporting contribution of any denomination which would give some indication of how many were interested in this living memorial.

The results are not only discouraging. . . they are utterly baffling. Do they mean that the Pointe doesn't care a hoot about having a War Memorial, even after being given one that is the envy of every community in the country which has heard of its existence? Or do they mean that the majority of Pointe residents want the Memorial Center but are more than willing to continue to let a very small majority support it?

A very small annual contribution by all of the residents would insure the future development of this living memorial. Perhaps, as has been suggested many times, the solution lies in putting its maintenance and operation costs on the tax bills. This can be done, and maybe that is what Pointers want.

It would save a few the terrific headaches of trying to guide its future while attempting to solve its financial problems, and of such discouragements as accompany the manifest apathy of the majority of the residents.

It is a cold answer to a question that should receive a warm and sympathetic answer, but it may be necessary. That the Center will not shrivel up and be converted into a mausoleum which people may visit and view the tablets of honored names, but not utilize for their own pleasure, is a foregone conclusion.

Those who have given of their time and money can be proud that they have a share in this project. It is to be hoped that no one has failed to participate because of a feeling that the gift he could afford to make would be too small. The large gifts of a few have made the development of the Center to date possible.

If every resident gave a dollar each year it would provide enough funds to maintain the Center and allow further expansion of its facilities. The important thing is for everyone to participate.

Grosse Exaggerations

A. PRYOR

"If there's a Heaven upon the earth,
A fellow knows it when
He's been away from home a week,
And then gets back again."

(Will Carleton)

We couldn't believe our eyes when we read that mumbo-jumbo in our last week's column. Some gremlin in the printing end of the paper certainly bolixed up what we like to think of as our "brain child."

Received a vaddy nace note from a "fan" in Fort Lauderdale, concerning our column on sun-bathing. Madame sez we ought to do our sun-bathing down THERE . . . because although trucks and fancy cars whizz by all day, the drivers never bother to look up.

We have been reading Joan Crawford's beauty and health hints . . . (we have also read the Fat Boy's diet), but that's as far as any of it goes with us. . . we just READ it. Anyhoo . . . we like this paragraph on an exercise Miss Crawford suggests.

Sometimes it is just as well, (for our peace of mind), NOT to know how the other half lives. We attended a meeting last week and in the gathering was a little man who sells golf clubs.

After a year had gone by without being paid, the proprietor of the shop became slightly annoyed. He started sending bills to papa's office. . . but still no response, so he finally turned the thing over to his lawyer to collect.

We seldom get a story from a household employe, but the other day, a maid who works in a fancy home, telephoned to tell us this: The phone rang . . . and when she answered it, a woman who sounded as if she had had one too many near-beers, asked to speak to the Lydy-of-the-ouse.

Not that anyone cares . . . but we have been going in for a little amateur gardening this Spring and what we have to say about it would make Webster's International dictionary look like a pocket edition.

We have pruned and pruned until we feel like me . . . and as for ROSES, Oh Brother! Nothing to it! The great mistake we made was to read the list of diseases and bugs that attack rose bushes.

The one dandy thing that happened to us was meeting up with a rose expert who expressed the wish to look at our bushes. He did so and advised us that we had planted them too deep!

The one HAPPY thing we have encountered in this deal . . . is a long-handled "clipper" for general cutting and pruning. No flower grower should be without it . . . especially the sacro-iliacs.

What Goes on at Your Library

by Jean Taylor

Which of today's books for children are worthy of note? The book evaluation committee of the Children's Library Association considers the following titles the most distinguished children's books of 1950.

BENJAMIN FRANKLIN by Ingrid and Edgar d'Aulaire. Illustrated by the authors. "Here is a simple but comprehensive picture story biography of the fun-loving boy who became one of our most versatile statesmen."

DICK WHITTINGTON AND HIS CAT by Marcia Brown. Illustrated by the author. "Marcia Brown has brought to this perennial favorite a new freshness with her excellent retelling and distinguished illustrations."

GHANDI by Jeanette Eaton. "A sincere, well balanced, wholly readable biography of the great spiritual and political leader. Good format and illustrations add to the book's attractiveness."

ABRAHAM LINCOLN by Genevieve Foster. Illustrated by the author. "Although written for younger children, this biography has a dignity and beauty of writing which, together with the illustrations, presents a full portrait of Lincoln."

FARM BOY by Douglas W. Gersline. Illustrated by the author. "A young boy, needing guidance and adjustment to a world in which he does not seem to fit, finds help on a farm under the wise tutelage of his uncle. The plot is convincing and exciting, and the descriptions of the countryside unusually lovely."

BORN TO TROT by Marguerite Henry. Illustrated by Wesley Dennis. "Two true stories are skillfully blended in this absorbing book: the modern one of Gibson White and his record breaking trotter, Rosalind, and the older one of William Rysyk and his ugly champion, Hambletonian."

BETTER KNOWN AS JOHNNY APPELSEED by Mable Leigh Hunt. Illustrated by James Daugherty. "Scholarly research and story telling ability are united in this definitive well-arranged Johnny Appleseed, which successfully distinguishes between fact and fiction."

ABRAHAM LINCOLN by Clara Ingram Judson. "A very human and skillfully narrated biography based on the most up-to-date and accurate sources and illustrated with kodachromes of the Chicago Historical Society Lincoln dioramas."

THE EGG TREE by Katherine Milhous. Illustrated by the author. "Pictures rich in design and color, combined with simple narrative, catch the spirit of the old Pennsylvania Dutch celebration of Easter in the story of a family's making an Easter Egg tree." Caldecott award winner for the best picture book of 1950.

SONG OF THE SEASONS by Addison Webb. Illustrated by Charles L. Ripper. "How the changing seasons affect the lives of the more familiar wild creatures is told with vividness and touches of humor. The beautiful illustrations have the photographic and dramatic qualities that appeal to children."

THIS BOY CODY by Leon Wilson. "Life in the Tennessee mountains is convincingly portrayed in a friendly story of a ten year old boy and his family."

AMOS FORTUNE by Elizabeth Yates. "A dramatic compassionate biography of a little-known figure—a courageous slave who labored to earn the freedom that within his soul he had never lost. An unusual reading experience." Awarded the Newbery medal for the best children's book of 1950.

Good news for the "stay-at-homes." The Grosse Pointe Libraries will be open Saturdays during the summer months, the usual Saturday hours, 10 a.m. to 6 p.m.

LIBRARY DIRECTORY
MAIN Library, 15430 Kercheval, TU. 5-2191. Hours: Monday-Friday, 10 a.m. to 9 p.m.; Saturday, 10 a.m. to 6 p.m.
CITY Branch, 695 Notre Dame, TU. 5-2621. Hours: Monday-Friday, 12:30 p.m. to 9 p.m.; Saturday, 10:30 a.m. to 6 p.m.

Historical Group Planning Exhibit

The Grosse Pointe Historical Society will have an exhibit at the War Memorial Center for the Carnival which will be staged at the Center on Saturday, June 23.

Hawkins Ferry, treasurer of the society, will act as chairman of the exhibit in the absence of Kenneth Moore, who is ill.

Letters To The Editor

To The Editor: "My interest in the Grosse Pointe Board of Education stems from the fact I have three youngsters, two of whom are in elementary school and the third about to enter school."

"It was my knowledge of the high standards of this school system that prompted me to move into the Pointe in 1941 to enable my children to benefit from it. "Since 1942 I have been following the sports program at the high school and have seen some wonderful kids receive their diplomas."

"I believe the present administration has done a grand job over the past three years but I believe new board members should be elected next Monday, June 11, to bring new ideas to light. Academically our present board members have kept pace with the rest of the nation but have failed to balance the scales as far as the arts and recreational programs are concerned."

"With the present world situation the way it is our youngsters should have every opportunity to not only make their minds alert but, their bodies physically fit."

"With our school system being one of the best, academically, we should do our utmost to provide recreational facilities for our children to enable them to make themselves physically fit."

"Not one single boy who will graduate from Grosse Pointe High or any other high school in the nation this June and for possibly years to come, feels he will be spared from military training in some form or another."

"We owe it to our children to give them every chance to ready themselves for those first two or three years after they graduate from high school. "Our nation's colleges are not

ignoring the physical fitness program. On the contrary they are placing recreation high on their list of MUSTS. "If I am fortunate enough to be chosen as a member of the Board of Education June 11 my first thought will be to try and balance the scales between the arts, academic, and recreation in the Grosse Pointe school system." Fred Runnells

To The Editor: On June 11 the citizens of all the Grosse Pointes will have the opportunity of voting for two school board members. This is serious business and the fate of the system depends on the individuals who comprise the board. I believe the best interests of the school district will be served by electing individuals who have a sound educational background and a record of practical business and community experience."

Mr. Shirley T. Johnson has been a school board member for one term and seeks reelection. He is a practicing attorney. He is active in community and church affairs. He has three children in school now. He attended Hillsdale College, the University of Pennsylvania and Harvard Law School and he has lived in Grosse Pointe for 15 years. From personal knowledge and from checking with other school board members I know he has done an outstanding job."

Since not many people may know about Mr. Johnson I thought I would write you in the public interest, urging that his record warrants the votes of your readers for his reelection. Alonzo C. Allen, 656 Lincoln road.

Grosse Pointe Board of Education

NOTICE OF ELECTION

GROSSE POINTE PUBLIC SCHOOLS

to be held on

Monday, June 11, 1951

Notice is hereby given of an election and annual meeting in Rural Agricultural School District No. 1, Grosse Pointe Township, Wayne County, Michigan to be held on MONDAY, the ELEVENTH DAY OF JUNE, A.D. 1951, at the polling places of the several precincts of the District, to wit:

Precinct to include: North, middle of Mack Avenue; east, rear lot line of the east side of Edgemont Park; south, Lake St. Clair; west, rear lot line of the west side of Audubon to Jefferson Avenue and the rear lot line of the east side of Edgemont Park south of Jefferson Avenue.

and that the polls of said election will be open at the polling places in the several precincts of the district from 8 o'clock A.M. to 8 o'clock P.M., Eastern Standard Time, and that at said election there will be

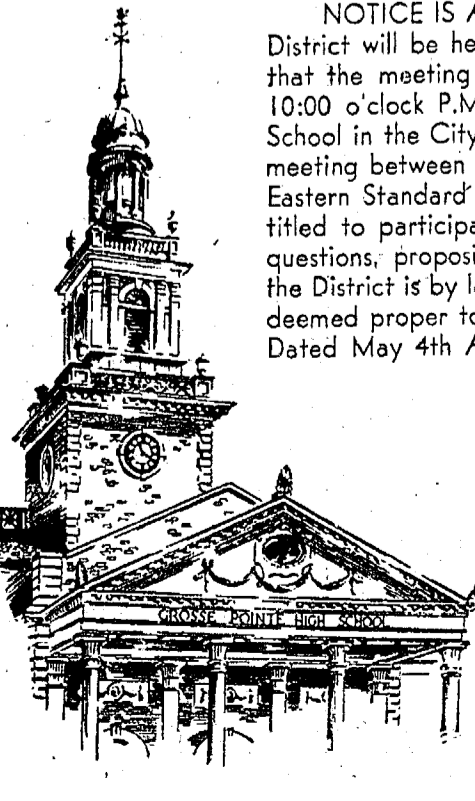

- (a) elected two members of the Board of said District for the term of three years, commencing July 1, 1951, and that RALPH M. CLARK, JOSEPH L. HENRY, SHIRLEY T. JOHNSON, JAMES W. LEE, II, HARRY N. PHILLIPS, FRED RANNELLS, CHET SAMPHSON, ALICE M. SHEAFFER, EDITHA STERBA and ROBERT F. WEBER are candidates for said office,
(b) approval sought of proposed library expenditures for the year 1951-52 in the amount of \$81,665.00, and
(c) consideration of such other questions and propositions, if any, as are required by law to be submitted to the vote of the electors of the District voting in precincts.

NOTICE IS ALSO GIVEN, that the Annual Meeting of Said School District will be held on Monday, the 11th day of June, A.D. 1951, and that the meeting will be opened at 7:00 o'clock A.M., and closed at 10:00 o'clock P.M., Eastern Standard Time, at the Grosse Pointe High School in the City of Grosse Pointe Farms, Michigan; that at said annual meeting between the hours of 8:30 o'clock P.M. and 10:00 o'clock P.M., Eastern Standard Time, there will be submitted to those present and entitled to participate in the business and proceedings of the meeting all questions, propositions and matters upon which action by the voters of the District is by law required, or necessary, or by the Board of Education deemed proper to be submitted to the meeting. Dated May 4th A.D. 1951.

SHIRLEY T. JOHNSON

Secretary, Board of Education Rural Agricultural School District No. 1, Grosse Pointe Township, Wayne County, Michigan.

REGISTRATION MUST BE ON OR BEFORE 8 o'clock P.M., June 2, 1951. Only persons who have registered may vote at the school election.

FOR Grosse Pointe School Board

VOTE FOR

ROBERT F. WEBER

Most heartily endorsed for the important place on the School Board is Robert F. Weber, whose qualifications are many and imposing. . . immediate past Governor of Kiwanis International; Past member Detroit area Council, Boy Scouts of America; chairman Grosse Pointe Shores War Memorial Maintenance Fund Drive; President Goodwill Industries. He has been active in Youth work in Church and Schools. His children attend Grosse Pointe schools. He is a veteran of World War II, and owns and operates his own lumber company and real estate business.

Be Sure to VOTE next Monday, June 11

Discourage the Fear of Cancer

By Fred M. Kopp, R. Ph.

It is hard to believe that fear of cancer is responsible for many cases of the disease, yet it is a fact. Some people are afraid to go to the doctor for fear he may find cancer, and so they permit an unhealthy condition to exist over so long a period that it does eventually become cancerous.

Almost every illness can be controlled or cured if proper medical attention is obtained soon enough. By spreading that doctrine among your friends and family you will help discourage fear of cancer and aid doctors in conquering the disease.

This is the 247th of a series of Editorial Advertisements appearing in this paper each week. Copyright

Youthful Employee Caught Distributing Store's Goods

Woods police met Detroit police at Wrigley's Market on Seven Mile near Mack on Monday, May 28, to investigate a report that someone was passing merchandise out of the rear of the store.

Everything appeared in order and police departed. Shortly afterward Detroit police received another call, this time naming an employee as the alleged thief.

Woods police contacted the

store manager who verified the name given as an employee working on the night crew. The accused employee, questioned by police in the presence of his employer, admitted his guilt.

That evening he had passed two packages of shrimp, 6 chocolate bars and a package of meat containing three steaks through a rear window to three waiting friends.

The 17-year-old admitted taking a case of beer from the store about a month ago which he secreted in a junk shed and picked up after dark.

The boy's parents were notified and the guilty employee released pending further investigation.

Roof Fire Caused By Incinerator

A defective chimney screen was responsible for the roof fire at the William S. Faber home, 1037 Kensington, on Friday, May 25. Park Fire Chief Edward Rector stated.

Sparks from the incinerator ignited the wood shingle roof. The minor blaze was quelled by Park firemen.

To Settle an Estate

Old Sheffield Plate Candelabra, England Circa 1825. Can be made into a single stick. Also 5-light piece (candelabrum). One 4-piece tea service, Dublin, Ireland, 1836, including assembled coffee pot, Dublin, Ireland, 1825. Old Sheffield Plate Epergne with Irish glass bowl, circa 1835.

For detailed information, call TUxedo 1-9560

Fire Department Report Submitted

Seventeen calls were answered by the Grosse Pointe Farms Fire Department during the month of April, according to a report submitted by William H. Newport, fire chief.

The total includes three residence fires with the estimated value of the buildings concerned \$177,000 and the damage estimated at \$1,350.

According to the report, one automobile fire call was answered, six field fire calls and seven emergency calls.

Get Top Judges For Horse Show

R. Edmund Dowling, chairman of the Hunt Club's 40th Annual Grosse Pointe Horse Show, June 21 through 24, announces that two top-ranking authorities have accepted the invitation to judge the various classes.

Christopher Wadsworth of Kenmore, New York, a member of the American Horse Shows Association rules committee on hunters and jumpers, will judge these two categories at the Grosse Pointe event.

Mr. Wadsworth, generally considered tops in his field, has officiated at almost every big national show, handling as many as forty-five and fifty a year. Devon, Madison Square Garden and the Royal Winter Fair have often been on his itinerary. Mr. Wadsworth made two previous appearances in Grosse Pointe, during 1947 and 1949.

L. R. Duncan of Bowling Green, Kentucky, who has agreed to judge the saddle and harness classes, has handled the same assignment at such big-time shows as Louisville, Lexington, Kansas City Royal, World's Fair Horse Show in San Francisco, Devon and the Garden Mr. Duncan, affectionately known throughout the saddle horse world as "Dick", Duncan, is also a member of the American Horse Shows Association rules committee, this time on saddle and harness horses.

The much-sought-after Theodore E. Buell executive secretary of the American Horse Shows Association, will preside at the Grosse Pointe microphone. The very nature of Mr. Buell's position gives him an easy familiarity with horse lore and horse show rules which will be most helpful to the neophyte show-goer.

C. Arthur Searle has been named Ring Master and Ernest C. Putnam will be the steward representing the American Horse Shows Association at the event.

Chairman Dowling is being assisted by the following Hunt Club members: Exhibitors' welfare, Joseph A. Vance, Jr.; house, Dr. Arthur W. Erkfitz; entertainment and program advertising, John W. Mulford; boxes, Frederick Ollison, Jr.; trophies, Mrs. John W. Mulford; printing, Walter Stewart and Jack Wideman.

Let M. Denton and Thomas W. Sheahan are assisting Ernest C. Putnam with stable and grounds; junior activities chairman, Mrs. Curtis R. Andrews, has the help of Mrs. Frederic Ollison and Mrs. R. Edmund Dowling. Mrs. Walter W. Stewart is club news editor and Mrs. Joseph J. Marshall handles publicity. William K. Allen is Hunt Club president.

The public is invited to attend the Grosse Pointe Horse Show, which will be held on the Hunt Club grounds, 655 Cook road, Grosse Pointe Woods. The four-day show will feature afternoon performances, beginning at 1, and evening performances under the lights beginning at 7 o'clock.

Pageant Pictures Displayed

This is one of a group of excellent pictures made of the historical pageant, "The Golden Legend of Detroit," which Christ Church, Detroit, recently presented. The collection is being displayed in the windows of The Camera Center, 17114 Kercheval, in The Village, by M. W. Volkens.

G. P. Students Honored At College Convocation

Three Mercy College students from Grosse Pointe received honors at the fifth annual convocation at the college, 8200 West Outer drive, May 24.

Honored were Prudie Marieanne Minor, 1610 Hollywood, junior class service honors; Dolores Rita Abaldo, 1323 Three Mile drive, and Barbara Ann Boell, 1385 Berkshire, sophomore service honors.

Presentation was made by Sister Mary Patricia, RSM, president of the college.

The tenth annual commencement of Mercy College will be held Thursday, June 7, at 2:30 p.m. in McAuley Auditorium, 8200 West Outer drive. His Eminence, Edward Cardinal Mooney, D.D., Archbishop of Detroit, will confer the honors.

Blaze Damages Home in Rivard

The cause of the fire which started in the second floor bedroom of the Robert Bunselmeier home at 764 Rivard, is unknown.

City firemen who answered the call on Friday, June 1, were able to control the fire, which did not spread beyond the bedroom.

The damage was confined chiefly to smoke damage. There was little structural or water damage.

BEATING THE SEASON
Park police received several reports on Tuesday, May 29, of youths shooting firecrackers, perhaps in anticipation of the holiday on Wednesday, which released them from school.

Shores Police Officer Yacks Breaks Neck

The motor roar of a car traveling at high speed was heard too late by Shores police officer Melvin Yacks, who was patrolling Lake Shore on Sunday, May 27.

The car hit the left curb of Lake Shore near Roslyn, veered and hit the scout car. The car was driven by Edward Thomas Norbut, of 20246 Carrie.

Police took Mr. Norbut and his passenger, George J. Stamat, of 23122 Melrose, East Detroit, to Saratoga General Hospital.

Mr. Norbut whose condition has been critical is now showing improvement. Mr. Stamat was released from the hospital on May 29. Officer Yacks is suffering from a broken neck.

Damage to the scout car is estimated at \$268. Mr. Norbut's car is a total wreck.

Club's Sun Dial Reported Stolen

A bronze sun dial, which has been a landmark of the Lochmoor Club since it was organized, was reported stolen on May 26.

The landmark, a statue of a man playing golf standing on the face of a clock, was mounted on a cement base.

The theft probably occurred either during the winter or early spring.

Two Elected to U. of M. National Honor Society

Barbara Buslepp of McMillan road and Philip McCallister of Roslyn road were among the 298 University of Michigan students who were initiated into Phi Kappa Phi, honor society, at a ceremony held on May 24 in Rackham Lecture Hall in Ann Arbor.

The national society honors those with high scholarship standing. Seniors, some graduate students and a few faculty are elected.

Make Honors List at MSC

Two hundred and eighty-six students will complete work for degrees with honor from Michigan State College at the close of spring term.

These students will take part in commencement exercises in Macklin Field stadium June 3. Nelson A. Rockefeller, chairman of the advisory board for President Truman's Point Four program, will speak to the graduating seniors and their guests on "The Free Citizen's Responsibility to the World Community."

Students who will graduate with high honor maintained a 3.75 scholastic average out of a possible 4.0 during their college

career. Those students graduating with honor maintained a 3.25 all college average. The following Pointers are among the honor group.

Mary Lou Straith will graduate with high honor in education.

Sarah Lee Grylls will graduate with honor in home economics. Alan Jay Howell will graduate with honor in engineering.

TERRIER NIPS TODDLER

The bite inflicted on toddler Paul Swanson, 2, of 160 Beaupre road, by a terrier owned by a Fisher road resident did not break the skin. Police notified the dog's owner to confine him for 10 days.

Grosse Pointe High's Ball Team Whips Fordson by 6-3

Big Fourth Inning Enables Blue Devils to Finish Poor Season With a Victory; Record Stands At 2 Wins and Eight Losses

By Bill Jones

Grosse Pointe High School's baseball team won the last game of the 1951 season by a 6-3 score over a tough Fordson High School team.

The Blue Devil Diamond Men finished the season with a 2-8 record. The poor showing of the ball team can be attributed to two main factors, first the lack of a playing leader and second, a young and inexperienced team.

Hribar Is Masterful

Lou Hribar, Grosse Pointe's rookie pitcher, hurled a masterful three-hit ball game and started the big fourth inning by lining a single to center field.

After Fordson had taken a two-run lead on errors in the first inning and the stealing of home by Hawraney of Fordson in the second inning, Grosse Pointe broke into the scoring column in the second when Captain Willie Winkler, who got three successive hits, doubled to left field.

Hagan Comes Through

Gunder Hagan, Grosse Pointe's clutch hitting right fielder, drilled a hard drive at Carl Vives, Fordson's shortstop, who let the ball go through to left center field and Willie scored Grosse Pointe's first run from second.

Before the Blue Devils put on their big rally in the fourth, they tied it up in the third on successive singles by centerfielder John Dicicco, catcher Coby Martin and shortstop Winkler.

Have Big Fourth

In the big fourth the local boys batted around the lineup and scored four runs on five hits. It all started with two out.

After both left fielder Bill Palm and second baseman Norm Lasca went down on fly outs, pitcher Lou Hribar singled to center field. Lou moved to second when third baseman Lee Clancy came through with a single to right field.

First baseman Jack Smith then drove in both runners with a single to deep center field and Jack proceeded to move all the way to third on some alert base running

when the center fielder let the ball get past him.

Scored by Dicicco

Jack scored a moment later on John Dicicco's second hit. At this point Fordson changed pitchers, sending in Cyeres for starter Ed Greener. When Coby Martin, the next batter, was hit by a pitched ball, John moved to second.

Willie Winkler then came through with his third straight hit. Dicicco scored and Martin held up at second base. Gunder Hagan, the ninth player, to come to bat, grounded out, pitcher to first, to end the inning.

Ronald Sutton Awarded Honors At Kings Point

Cadet-Midshipman Ronald Sutton, son of Mr. and Mrs. C. R. Sutton, of 412 Moran has been awarded the scholastic star for academic honors at the United States Merchant Marine Academy, Kings Point, Long Island, New York.

This award is achieved by maintaining an overall average grade of at least 85% for one semester. The high academic standards of the Academy makes this attainment outstanding.

Cadet-Midshipman Sutton is now privileged to wear the star insignia for the coming semester designating the honor he has attained. In his class of 49 men, Cadet-Midshipman Sutton stands in 4th place.

The Last Shall Be First

Grosse Pointe High School's baseball team finished last in the Border Cities League standings, but its final victory of the season over Fordson forced the Tractors down to fourth place and enabled the Blue Devils to share the coveted All-Sports Trophy with Fordson. Left to right, front row: DiCicco, Wiswedel, Martin and Lasca. Second row: MGR. JOHNSON, CAPT. WINKLER, EWART, HAGEN, OESTER and MGR. EWEND. Back row: VON ALLMEN, SILVESTRI, SMITH, ANDERSON and CLANCY. Missing from picture were Palm and Hribar.

Allardyce Wins First Star Series

Nips Meryl Amo by One Point in Three Race Battle Held During Week-End

By Fred Runnells

Last weekend Alex Allardyce captured the first Star boat sailing series in the Detroit River Star Fleet, winning the three race "A" Series by one point over Meryl Amo.

Allardyce scored a victory in the first race held off Crescent Sail Y. C. Saturday, June 2, and followed up the next day with a third in the second race and a second in the final race.

Amo Finishes Strong

Amo, after a slow start in the first race in which he took a fourth, finished strong getting second in the second race and the winning gun in the final race to finish with 14 points as against Allardyce's 16-point winning total.

Going into the final race, Dick Miller and Allardyce were tied with ten points each. Miller disqualified himself when he port tacked Allardyce at the weather mark the first time around the windward-leeward course.

Use Three-Mile Course

The first two races were sailed over a three-mile triangular course twice around.

Six boats competed, with Miller and Bernie Douglas tying for third place with 10 points. They were followed by Bill Walker with 7 points and Harry Meanwell with 3 points. Walker and Meanwell didn't sail the first race.

FISHER TO GRADUATE

Charles F. Fisher, III, son of Mr. and Mrs. Charles T. Fisher, Jr. of Lake court, will be graduated from Georgetown University in Washington, D. C., on June 11, with the degree of Bachelor of Arts. He has been secretary of the Debating Society and a director of the Georgetown chapter of Pi Gamma Mu, national honorary social science society.

Better Fishing Plan Launched

Three of the Pointe municipalities are participating in the Boy and Girl Better Fishing program which is a national effort sponsored by Better Fishing, Inc.

Grosse Pointe Farms, City and Park have elected chairmen to direct the program in their areas. Roland Gray, owner of Gray's Sport Shop, was appointed chairman for the Farms at the council meeting held on May 21. Dell Page is City Chairman and David Beauvais will officiate as chairman for the Park.

The aim of the national program is to instill a love of fishing in the youth of America as a means for building good health and strong character.

June 11 is the starting date for the program which will conclude on August 25 with the Fishing Rodeo. At this time awards will be presented for the heaviest game fish caught.

Contest rules and enrollment centers will be announced in the NEWS next week.

Meeting Held By Tennis Club

The Grosse Pointe Tennis Club held its first and very successful meeting on June 4, at the Neighborhood Club. Fifteen tennis enthusiasts attended the meeting, including George Elworthy of the Neighborhood Club and Roland Gray of Gray's Racquet and Sport Shop.

Among the issues discussed were dues, age of members, hours of play and tournaments. Another meeting will be held at the Neighborhood Club on Monday, June 18, at the Neighborhood Club.

All persons interested in joining this organization should contact Paul Ameel at TU. 1-5262.

Hamtramck Takes Title

By Fred Runnells

For the third year in a row Grosse Pointe High had to play second fiddle to Coach Jean Hoxie's Hamtramck tennis team, which captured its third straight Class A State High School tennis title at June 2.

In past years the Pointers have finished up close to the top in state competition but this year the Blue Devils were able to score only a half a point for last place behind Kalamazoo Central, 5 1/4 points and Midland and Wyandotte, 3 1/4 points each.

Potter Repeats

The Cosmos scored 7 1/2 points on the winning efforts of John Zoski and Jerry Parchutte in the doubles, and Dick Potter who repeated as the state singles king.

Parchutte has now shared in the State doubles title three years in a row. It was this same Parchutte who wrecked the Pointers chances in the Regional tournament recently.

The disastrous defeat in the state tournament was like rubbing salt in an open wound as far as the Pointers were concerned, as they had seen their consecutive winning streak halted at 59 straight just a few days earlier by Wyandotte, by the score of 5 to 2.

Got All They Needed

Wyandotte's surprise upset can be traced directly to an all-out effort of the Wyandotte school board for the past three years to give their high school a winning tennis team. No horses were spared in giving the Wyandotte netters everything they needed to develop new and better players.

Need More Courts

The first thing that should be done is provide more tennis courts at the high school. Probably the best solution for the present is to resurface the two old courts that front on Fisher road. Both these courts have been practically unplayable for the past three years. Two more courts would enable the Blue Devils to hold the Regional tournament as they did in the past.

Let's not let the parade pass us by. Let's do it now.

OVERLOOKING LAKE HURON

Grosse Pointe Ties Fordson In Race for Coveted Trophy

Championships in Various Sports Are Well Divided Among Members of Border Cities League; Devils Tops in Tennis

By Fred Runnells

With the final tabulations in for the 1950-51 sports year in the Border Cities League, Grosse Pointe and Fordson are listed as co-holders of the famous and much sought after All Sports Trophy.

Both schools won one championship outright, Fordson in football and Grosse Pointe in tennis, and tied for the title in both basketball and track to wind up with 115 points each.

Series of Circumstances

However, it wasn't the championship teams that actually won the league's highest honor as far as Grosse Pointe was concerned. It was a series of circumstances. Going into the last week of the baseball schedule the Blue Devils had to win their last game against Fordson, which they did. And while the Pointers won this game, Highland Park, the school that kept the Pointers from the basketball title last winter, edged the league leading Royal Oak Aces in the final game which gave the Polar Bears a two-way tie on the diamond. That was all the Blue Devils needed to vault into a two-way tie for the trophy.

School	Football	Basketball	Tennis	Track	Tennis B's	Ball	Total
Fordson	30	22 1/2	20	22 1/2	5	15	115
Grosse Pointe	25	22 1/2	30	22 1/2	30	5	115
Royal Oak	17 1/2	15	30	5	12 1/2	27 1/2	107 1/2
Highland Pk.	10	30	15	12 1/2	12 1/2	27 1/2	107 1/2
Monroe	5	7 1/2	25	30	25	10	102 1/2
Wyandotte	17 1/2	7 1/2	5	12 1/2	29	29	82 1/2

The trophy is figured on 30 points for first place, 25 for second, etc.

Dan Slowe New Skeet Champion

By Fred Runnells

Dan Slowe, Blue Devil football and basketball player, last Sunday, June 3, won the Motor State Open Skeet championship at the Detroit Gun Club.

Slowe, who last Fall moved to the Pointe from Washington, shot a perfect score by shattering 100 of a possible 100 clay targets. The event was the first time Dan had fired at the clay pigeons since last summer and the drizzling rain which prevailed during the contest didn't seem to hamper the Blue Devil sharpshooter.

Slowe had to be perfect, as four gunners tied for second place with 99 targets out of a 100.

Park Pay Boosts Being Discussed

The Labor and Public Relations Committee of the Grosse Pointe Park Council met on Wednesday, June 6, to discuss wage increases for hourly and salaried employees. Action on this issue has been delayed due to the change in the fiscal year brought about with the conversion of the Village of Grosse Pointe Park into a City.

Serving on the committee are Robert E. McKean, Peter D. Burgess and Peter J. Koenig. Everitt B. Lane, city manager, attended the meeting as an ex-officio officer.

Mr. Lane expressed the view that some wage adjustment was imminent.

1852, May 22—Pontiac Railroad began to use Brush Street Depot. Previously, the Depot had been on Campus Martius, at present site of Sams.

Places in MSC Beauty Contest

GLORIA CLYMA

Gloria Jean Clyma, Severn road, Grosse Pointe, won third place in "Michigan State's Loveliest Girl" contest.

The choice of this pretty Home Economics freshman, as one of the three winners from a group of 26 of the campus' loveliest women, was officially announced Monday night, May 28, on the stage of East Lansing's Lucon Theater.

Miss Clyma's prize will be a set of three imported cashmere sweaters from Jacobson's store in East Lansing. The living unit she represents, Delta Delta Delta sorority, will be given a 17-inch television set for casting the third largest number of ballots.

The campus-wide contest found every one of the 26 women's living groups on campus sponsoring candidates. The contest drew votes from alumni and friends in Tokyo, Munich, and Lisbon, as well as a company of G. I.'s in Korea.

First prize winner was Jacqueline Sattler, Rt. 1, Berrien Springs, Michigan, whose award was a \$300 college girl's vacation wardrobe. Her living unit, Kappa Delta sorority, will enjoy a twenty-inch television set.

Runner-up in the contest was Jean Wright of Coldwater, Michigan, whose prize was a three-piece set of matching luggage. Her living unit, Delta Gamma sorority, receives a seventeen-inch television set.

Officers Picked By Acraft Club

John P. St. Clair, Detroit representative of Life magazine, was elected President of the Acraft Club of Detroit effective July 1 at a meeting of the Board of Directors held Tuesday evening, May 22.

Other officers named are: First Vice President, Ben R. Donaldson, Director of Advertising and Sales Promotion, Ford Motor Company; Second Vice President, N. F. Lawler, Director of Advertising and Sales Promotion, Nash-Kelvinator Corp.; Treasurer, Robert G. McKown, Business Manager, Brooke, Smith, French & Dorrance, Inc., and Secretary to the Board, Warren D. Devine. Harold M. Hastings continues as Secretary-Manager, a post which he has held for 25 years.

Serving with the above officers are the following Directors: Clayton P. Armitage, Manager Detroit Office, Farm Journal, Inc.; Hil F. Best, publishers' representative, Charles W. Bishop, Assistant to Vice-President, Chrysler Corp.; William I. Denman, Denman & Betteridge, Inc.; Paul L. Penfield, Advertising Manager, The Detroit Edison Company; John W. Southworth, Division Manager, Shell Oil Company; Norman H. Strouse, Vice-President and Detroit Manager, J. Walter Thompson Company, and the retiring President, Henry C. Little, Executive Vice-President, Campbell-Ewald Company.

Elected to the Board to fill vacancies for a one-year term are: Duane A. Jones, Advertising Manager, United Motors Service Division, General Motors Corp., and Lester Laidig, Publicity Director, Peoples Outfitting Company.

The Acraft Club is now in its 46th year with a membership of over 1,100 advertising and sales executives.

Brodhead Is Promoted By Chicago and Southern

Richard T. Brodhead has been named district traffic manager of the Detroit office of Chicago & Southern Air Lines. He succeeds John F. Murphy, who resigned. Brodhead, who was a traffic representative for the airline at the time of his promotion, will have charge of sales promotion and traffic activities in the Detroit and Toledo areas.

Brodhead is the son of the late Capt. and Mrs. R. T. Brodhead, U. S. Navy. He is married to the former Nancy Greene of Detroit. The Brodheads live at 1399 Torrey, Grosse Pointe.

VOTE FOR ROBERT F. WEBER

Most heartily endorsed for the important place on the School Board is Robert F. Weber, whose qualifications are many and imposing. . . immediate past Governor of Kwanis International; Past member, Detroit area Council, Boy Scouts of America; chairman, Grosse Pointe Shores War Memorial Maintenance Fund Drive; President Goodwill Industries; He has been active in Youth work in Church and Schools. His children attend Grosse Pointe schools. He is a veteran of World War II, and owns and operates his own lumber company and real estate business.

Be Sure to VOTE next Monday, June 11

GPHS Concert Set for Friday

The Grosse Pointe High School Vocal Concert will be presented in the Pierce Junior High School auditorium at 8:15 p.m. Friday, June 8, under the direction of John E. Finch.

FOX CREEK MARKET

Dear Friend:

Have you heard the latest news? In case you haven't, it's no secret that Samuel Berk and his son have returned to Fox Creek Market at 14628 E. Jefferson Avenue.

In keeping with our tradition for fine foods, we are featuring premium quality meats, fresh dressed poultry, fresh fish, seafood and game. The finest groceries and dairy products from America and all parts of the world are now as near as your telephone.

Our progress has been further enhanced by the addition of our own sausage plant where daily we produce fresh pork sausages, smoked hickory hams and bacon, vienna sausages, braunschweiger and liverwurst plus 35 other varieties of sausage and lunch meat.

The response to our Grand Opening last week was indeed gratifying. Thank you, friends and loyal customers. Again we feature outstanding values for Thursday, Friday and Saturday, June 7th, 8th and 9th.

Our sausage makers follow favorite old German recipes using only the most selective meats obtainable. These delicacies are sure to please the most fastidious gourmet.

Our Order Department can be reached by phoning VA. 2-6900 for delivery at no additional charge to you. If, however, you prefer to come in to do your shopping, there is ample parking space on the lot in the rear of the store. For your added convenience, we shall be pleased to open a charge account.

We cordially invite you to visit our store.

Sincerely yours,
Samuel Berk

PLEASURE to look at a TREASURE to own

Lyon All-Steel Kitchen Cabinets to Fit Any Kitchen

- Tap-O-Matic Handles
- Will not fade or change color
- Baked Enamel finish
- Rounded corners give smooth modern appearance

Formica Cabinet Work and Sink Tops

- Beautiful bright colors
- Will not rot
- Will not chip
- Easy to clean and easy on your dishes

Armstrong Inlaid Linoleum

Marbelized standard gauge \$1.95 Sq. Yd.
Spatter standard gauge \$2.20 Sq. Yd.
— Complete Installation Service —

Come in or call for a free layout and estimate on a new kitchen, a new linoleum floor or a new Formica sink top. You have up to 30 months to pay.

All material is available without installation.

Christian Science Lecture by WILLIAM L. DAVIS, C. S. B.

Given Under Auspices of Second Church of Christ, Scientist, Detroit, Mich., May 27, 1951

A Lecture on Christian Science

Entitled
Christian Science:

The Way to True Security

by
Will B. Davis, C.S.B.
of Chicago, Ill.

Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

The lecturer spoke substantially as follows:

In this age the human concept of security has been undergoing a radical and revolutionary change. Over the centuries matter in various forms has been regarded as the basis of true security; but in these times ultra-conservative financial investments, material fortresses which were considered impregnable, and the most modern material weapons have been proved to be unreliable and flimsy sources of lasting peace and security for mankind.

Where, then, are we to look for sure protection from disaster and lack? That no material invention will produce a satisfactory answer becomes increasingly evident as eminent material scientists work feverishly to learn more and more about matter. Divine Love, our Father-Mother God, has revealed the solution for human problems to this troubled world, and matter-minded humanity is gradually becoming aware of this fact.

The discovery of Christian Science in 1868 has made available to all mankind the sure and the only possible basis for security; and step by step material scientists are discovering in their way some of the truths which divine Love revealed to Mary Baker Eddy.

Let me read what Mrs. Eddy refers to as her "first plank in the platform of Christian Science." It is "the scientific statement of being" from page 468 of "Science and Health with the Key to the Scriptures." It is as follows: "There is no life, truth, intelligence, nor substance in matter. All is infinite Mind and its infinite manifestation, for God is All-in-all. Spirit is immortal; Truth, matter is mortal; error, Spirit is the key to the matter is the unreal and temporal. Spirit is God, and man is His image and likeness. Therefore man is not material; he is spiritual."

When this radical teaching was first presented, it was ridiculed by materialists, but eventually it will be accepted by everyone; and that that day is approaching is indicated by the statements which have been made by prominent physical scientists in a recent book entitled "The Universe and Dr. Einstein" the author, Lincoln Barnett, makes the following statement: "Thus gradually philosophers and scientists arrived at the startling conclusion that since error is not real, and since error exists only in the mind, the whole objective universe of matter and energy, atoms and stars, does not exist except as a construction of our consciousness, an edifice of conventional symbols shaped by the senses of man."

Explains Today's Major Problem

How grateful we must be that the modern physical scientist is now approaching some of the conclusions which Christian Science has been teaching for a hundred and one century; but the final solution of our problems, individual and collective, cannot come until we acknowledge God, Spirit, divine Mind, as the only true substance and the source of true security. Let us accept the fact that "all is infinite Mind and its infinite manifestation," and then we shall realize that we are looking in the wrong direction when we seek security merely by accumulating material possessions, gold, or atomic bombs. Everyone must learn eventually the futility of laying up treasures "where moth and rust doth corrupt, and where thieves break through and steal" (Matt. 6:19). An awakening from a false sense of security is the major human problem of today.

There is nothing new about this problem. It has been evident throughout all human history. The Psalmist was giving the answer to mankind thousands of years ago when he wrote (81:1-4): "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress; my God will save me from the snare of the fowler, and from the noisome pestilence. He shall cover thee with his feathers, and under his wings shalt thou trust; his truth shall be thy shield and buckler."

We are confronted, then, with the question of understanding this truth which is a sure "shield and buckler"—to dwell "in the secret place of the most High." In other words, how may we so spiritualize our human thinking that we may gain a sure deliverance from "the snare of the fowler, and from the noisome pestilence"—from "what seemeth to be tumultuous and terrifying conditions? Those who have learned through the teachings of Christian Science that this is possible under every conceivable human circumstance are quite naturally profoundly grateful to the Discoverer of this Science. Mrs. Eddy spent most of the first half of her human life in searching for the way to true security, and she unselfishly devoted the last half of her fruitful earthly experience to so clearly elucidating and establishing what she had discovered that anyone who earnestly seeks the healing system of regeneration and health.

Finds Answer in Bible

It was to the inspired writings of the Bible that Mrs. Eddy turned for enlightenment. She knew that the ancient prophets and Jesus, our Redeemer, had revealed to her the fact that no material remedy or human power could cure. For years she had been sure that Jesus must have used fixed rules for healing which, if discovered, would be available today. Her long search was finally rewarded when Mrs. Eddy was able to heal herself. There was no question about the seriousness of her condition. She had had a serious injury as a result of an accident, and a physician had issued the verdict that nothing could be done to save her life. As she studied one of the healings of Jesus, she was able to rise immediately from what seemed to be death. This instantaneous healing in her own experience convinced Mrs. Eddy that it is possible to heal without resorting to medication or surgery, and soon she learned that the same healing others also solely through an understanding of God's all-power.

Divine Love had revealed to Mrs. Eddy's receptive thought the truth in regard to God and the real, spiritual nature of His image and likeness; and those who have studied the Christian Science textbook, and have to some degree at least successfully practiced what it teaches, have become convinced that the Bible contains the final answer for freedom and security from human bondage.

Only a few high lights of the vast subject can be discussed in a short lecture, but I shall be happy if what is said here leads the beginners in this audience to a thorough perusal of Mrs. Eddy's writings. I can assure you that before you have progressed very far in the understanding of the subject you will be helped and healed. In this connection, we find this statement in Science and Health (p. 449): "A grain of Christian Science does wonders for mortals, so omnipotent is Truth," however small it may be. "But more of Christian Science must be gained in order to continue in well doing."

Why is it so important to maintain an uplifted state of consciousness through our study of Christian Science? The answer lies in that old saying of thought determines the harmony, happiness, healthfulness, and success of our present-day human experience. Our correct understanding of God's omnipresent goodness and all-powerful presence were not given to us as a reward for our good deeds, but as a means by which we can reject all illegitimate and unreal. We are consistent in our study of Christian Science; we keep at it persistently, because the consciousness which is healthful, which expresses Soul, the divine Mind, does not respond to erroneous suggestions of evil, sin, sickness, and disaster. To Christ Jesus came those who needed to be healed of blindness, deafness, paralysis, palsy, pain, leprosy, and death. Had he entertained the belief that these evils, which came to him in the guise of many persons, were present in God's kingdom, he would have believed in a kingdom divided against itself. He did not break the First Commandment by accepting as true a creative power opposed to God, a power which could produce sickness and other inharmonious. He manifested the Christ consistently by that the erroneous suggestions coming to him in the guise of individuals were viewed as having no beginning, no continuity, no reality.

It made no difference to Jesus whether the claim to reality was blindness from birth, incapacity for thirty-eight years, or some disorder which was serious. He was able to heal multitudes and all manner of sickness and disease because he knew that the man of God's creating could never be separated from God, his divine Principle, and therefore could not be sick or manifest inharmony of any sort.

Reasoning from Cause to Effect

My friends, all of us have the privilege and opportunity of knowing God as the only creator. Our at-onement with our Father-Mother God needs to be affirmed and maintained through our ever-growing ability to see good everywhere. If we are accepting discord as true in the affairs of the nations, in the experience of a co-worker in business or in church, or in the guise of a sick relative, we are believing in a state of affairs which God never made. To preserve our own harmony, we must learn to unsee mortal mind manifestations of evil, however they present themselves.

To unsee discord does not mean merely to turn away from the thick, false senses are presenting. It means that we are literally forced, under some circumstances, to reason as we are taught in Christian Science. Our reasoning is from cause to effect and never from effect to cause. The usual method of diagnosis is to begin with effect, and for centuries members of the medical profession have endeavored to learn the cause of

diseases by thorough examinations of the anatomy involved. More recently they have come to realize the mental nature of diseases that had been considered wholly physical. Fear, hate, selfishness, frustration, resentment, and the like are being called the cause of such diseases as heart trouble, stomach trouble, common cold, cancer, arthritis, and tuberculosis. From a human standpoint this seems true, but Christian Science teaches us how to eliminate physical inharmony by every name and nature by learning to begin our reasoning with an understanding of God, the one perfect Mind or Cause.

The Christian Science method is clearly stated in these words from page 467 of Science and Health: "Reasoning from cause to effect in the Science of Mind, we begin with Mind, which must be understood through the idea which expresses it and cannot be learned from its opposite, matter. Let us accept the teaching in Genesis that God made all that was made and made it good and that man was made in His likeness. Let us reason that this perfect divine Mind contains no resentment, hate, or fear and know that the actions of the real man could not be influenced by a non-existent, carnal, counterfeit mind. Through such reasoning, through knowing that the man of God's creating has no fearful or hateful mind which could recognize or manifest sickness, what we call a healing will come about through prayer as taught in Christian Science. For true security, we must obey the Scriptural command, "Acquaint now thyself with his will and be at peace: thereby good shall come unto thee" (Job 22:21). When we allow ourselves to say that a friend is dishonest in his dealings, he hates him as his partner, he is resentful about the other fellow's success—no wonder he has stomach trouble, or some other ailment—we are not starting with God as the only cause.

Someone in the audience may be saying, "But my trouble is so serious that I must start by trying to uncover my erroneous state of thought in order to correct it with affirmations of truth." Here let us recall the words of Jesus: "Be ye perfect, as your Father which is in heaven is perfect." Truth uncover and destroy error in God's own way, and let human justice pattern the divine (Science and Health, p. 542). If an uncovering is necessary we can expect that the "divine good" will always bring to light all that we need to know. Mrs. Eddy has written in the Preface of Science and Health (p. xi): "The physical healing of Christian Science results not from Jesus' time, from the operation of divine Principle, before which sin and disease lose their reality in human consciousness and disappear as naturally and as necessarily as darkness gives place to light and sin to reformation." Here we are told plainly that the operation of divine Principle is the source of all healing. We learn to know and to love the law of God that governs each day; and it is the only creator and that there is no power which can produce or maintain discord.

All that power is derived from God as the major premise of the teachings of Christ Jesus. He never even thought of the material source of or to any material source for help or supply. The purpose of his earthly mission was to show that individual salvation and permanent security may be obtained by accepting the truth as revealed in the good. It was the God-power, or Christ, which he expressed that enabled him to overcome all material obstacles for himself and for others. On page 26 of our textbook, Mrs. Eddy declares "This Christ, or divinity of Christ Jesus, was his divine nature, the godliness which animated him. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man."

Denounces Godless Philosophy

In these times there has developed a materialistic philosophy which denies God as the giver of all good and substitutes a central human government to which all are to look for their livelihood and well-being. While such a material, Godless philosophy may seem to succeed for a time, a denial of the presence and power of God could never be the basis of permanent success, and it is actually a false philosophy.

In her address which she delivered in Chicago in 1888, Mrs. Eddy emphasized the fact that the real man could never lose his individuality as a child of God. This address is found in Miscellaneous Writings, beginning on page 98, and I recommend its study to all of you, because a clear understanding of the eternal individuality of man in God's likeness will do much to alleviate the suffering and suffering coming from the teaching which denies individual freedom and self-government. In speaking of Christ Jesus in this Chicago address, Mrs. Eddy said (p. 104): "His unseen individuality, so superior to that which was seen, was not subject to the temptations of the flesh, to laws material, to death, or to the grave. Formed and governed by God, this individuality was safe in the substance of Soul, the substance of Spirit,—yes, the substance of God, the one inclusive good."

Thus we see that spiritual man will always be the expression of Soul, or divine consciousness, and could never lose his at-onement with God. Individuality is maintained eternally.

Every time there is a healing through Christian Science, the individuality and the true identity of man have been proved once again. No political or religious organization can ever change God's divine arrangement. The real man made in God's likeness is indissolubly united to His creative Principle and, therefore, man's identity and true individuality are as permanent as Mind, which has no beginning and no end.

Each day Christian Scientists study the Lesson-Sermon from the Bible and Science and Health which is read in all of our churches the following Sunday. Twice each

year the subject of our Lesson-Sermon is "Doctrine of At-onement," and the truths brought out in this Lesson explain clearly man's inseparability from divine Love and Life. When Jesus raised himself from what seemed to be death, he proved that his individuality was not separated from eternal Life. When Jesus healed blindness, deafness, and the withered hand, he proved the spiritual fact that the man of God's creating could not possibly be separated from God, even momentarily.

Each time we study the Lesson, "Doctrine of At-onement," we learn a little more thoroughly that the very basis of a Christian Science treatment is the realization that man is at one with his Father. Jesus proved that his understanding of man's relationship to God could heal all manner of physical inharmony, but his final triumph over sin and death was in himself, after he had proved, through raising others from the dead, that man cannot possibly be separated from God, or Life, was of course the highest proof he could have given us. But we realize that this that is only demonstrated again what he had proved on innumerable occasions—that is, that man expresses God, divine Life, wholly and always; that an expression of right activity and the consciousness of good because man is the image and likeness of Soul and could never lose his sense of at-onement.

Unnecessary

It is easy to let discouragement come in at times—easy, but not necessary—and the best way to eliminate discouragement is to acknowledge God, divine Principle, as the only source. Mrs. Eddy writes on page 254 of Science and Health: "Imperfect mortals grasp the ultimate of spiritual perfection slowly but their progress is not to be stopped. Their duty is to continue the strife of demonstrating the great problem of being, 'I do much.' Even attending this lecture is a beginning, and to continue our sincere effort, our Leader even told us there must be no learning to begin again and again; but Mrs. Eddy indicates that this continuing may not always be easy, for she refers, to the 'strife of demonstrating the great problem of being.' As we progress in our study, the conviction grows that the victory can always be won.

It is not unusual, when it has seemed necessary to wrestle long over a problem, for the healing to come at the darkest hour. In this connection, it is interesting to think of breaking up a rock by pounding it with a heavy sledge hammer. A dozen or more blows seem to make no apparent progress in shattering the rock is shattered. We realize that it was not the last blow or the first, but that all were required to finish the job. And so it is with every clear, scientific thought in connection with our spiritual problem. It has its effect always, even though there is no visible change; and no matter how obstructive or incurable a difficulty may appear to be, the victory will come through Christian Science treatment, which maintains the radiance of the good. God is the only creator and that there is no power which can produce or maintain discord.

All that power is derived from God as the major premise of the teachings of Christ Jesus. He never even thought of the material source of or to any material source for help or supply. The purpose of his earthly mission was to show that individual salvation and permanent security may be obtained by accepting the truth as revealed in the good. It was the God-power, or Christ, which he expressed that enabled him to overcome all material obstacles for himself and for others. On page 26 of our textbook, Mrs. Eddy declares "This Christ, or divinity of Christ Jesus, was his divine nature, the godliness which animated him. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man."

Denounces Godless Philosophy

In these times there has developed a materialistic philosophy which denies God as the giver of all good and substitutes a central human government to which all are to look for their livelihood and well-being. While such a material, Godless philosophy may seem to succeed for a time, a denial of the presence and power of God could never be the basis of permanent success, and it is actually a false philosophy.

In her address which she delivered in Chicago in 1888, Mrs. Eddy emphasized the fact that the real man could never lose his individuality as a child of God. This address is found in Miscellaneous Writings, beginning on page 98, and I recommend its study to all of you, because a clear understanding of the eternal individuality of man in God's likeness will do much to alleviate the suffering and suffering coming from the teaching which denies individual freedom and self-government. In speaking of Christ Jesus in this Chicago address, Mrs. Eddy said (p. 104): "His unseen individuality, so superior to that which was seen, was not subject to the temptations of the flesh, to laws material, to death, or to the grave. Formed and governed by God, this individuality was safe in the substance of Soul, the substance of Spirit,—yes, the substance of God, the one inclusive good."

Thus we see that spiritual man will always be the expression of Soul, or divine consciousness, and could never lose his at-onement with God. Individuality is maintained eternally.

Every time there is a healing through Christian Science, the individuality and the true identity of man have been proved once again. No political or religious organization can ever change God's divine arrangement. The real man made in God's likeness is indissolubly united to His creative Principle and, therefore, man's identity and true individuality are as permanent as Mind, which has no beginning and no end.

Each day Christian Scientists study the Lesson-Sermon from the Bible and Science and Health which is read in all of our churches the following Sunday. Twice each

year the subject of our Lesson-Sermon is "Doctrine of At-onement," and the truths brought out in this Lesson explain clearly man's inseparability from divine Love and Life. When Jesus raised himself from what seemed to be death, he proved that his individuality was not separated from eternal Life. When Jesus healed blindness, deafness, and the withered hand, he proved the spiritual fact that the man of God's creating could not possibly be separated from God, even momentarily.

Each time we study the Lesson, "Doctrine of At-onement," we learn a little more thoroughly that the very basis of a Christian Science treatment is the realization that man is at one with his Father. Jesus proved that his understanding of man's relationship to God could heal all manner of physical inharmony, but his final triumph over sin and death was in himself, after he had proved, through raising others from the dead, that man cannot possibly be separated from God, or Life, was of course the highest proof he could have given us. But we realize that this that is only demonstrated again what he had proved on innumerable occasions—that is, that man expresses God, divine Life, wholly and always; that an expression of right activity and the consciousness of good because man is the image and likeness of Soul and could never lose his sense of at-onement. In prayer in Christian Science, we realize the realization that man is at one with his Father. Jesus proved that his understanding of man's relationship to God could heal all manner of physical inharmony, but his final triumph over sin and death was in himself, after he had proved, through raising others from the dead, that man cannot possibly be separated from God, or Life, was of course the highest proof he could have given us. But we realize that this that is only demonstrated again what he had proved on innumerable occasions—that is, that man expresses God, divine Life, wholly and always; that an expression of right activity and the consciousness of good because man is the image and likeness of Soul and could never lose his sense of at-onement.

Gives Remedy for Fear

An atheist is defined as one who does not believe there is a God. But it is not the lack of belief in a person who views the beauty of nature and the orderliness of the universe will soon lose his atheistic tendencies. Then he may become an agnostic—that is, he does not believe that there is a God or Supreme Being, but that God cannot be defined or known. When one takes up the study of Christian Science, the explanation of God is found to be in accordance with the truth and so logical and understandable that there no longer remains the slightest doubt about God's ever-present love and goodness.

"I shall not want"

At this point may I read a version of the twenty-third Psalm which is much loved by Christian Scientists. It is on page 578 of Science and Health, and as an introduction to it, Mrs. Eddy writes "In the following Psalm one word shows, though faintly, the light which Christian Science throws on the Scriptures by substituting for the corporeal sense, the incorporeal or spiritual sense of Deity:—"

"PSALM XXIII
[DIVINE LOVE] is my shepherd; I shall not want.
[LOVE] maketh me to lie down in green pastures: [LOVE] leadeth me beside the still waters.
[LOVE] restoreth my soul [spiritual sense]: [LOVE] leadeth me in the paths of righteousness for His name's sake.
Yea though I walk through the valley of the shadow of death, I will fear no evil: for [LOVE] is with me; [LOVE] rod and [LOVE] staff they comfort me.
[LOVE] prepareth a table before me in the presence of mine enemies: [LOVE] anointeth my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house [the consciousness] of [LOVE] for ever."

Most all the discords of human living seem to come to us in the guise of wants. But here it says, "[DIVINE LOVE] is my shepherd; I shall not want." We seem to need better health, more wealth, more harmony abroad, at home, or in church, more peace, more peace, or more intelligence. And how glorious it is to know that divine Love is our Shepherd; that the infinite Giver is imparting to us everything we need every moment.

It may seem to be an indifference or apathy, however, which prevents us from accepting all the good divine Love is so constantly giving. But we are told in this Psalm that Love "maketh us for ever actually to accept the peace and harmony, the 'green pastures' and the 'still waters.'" In fact, the guidance of divine Love constantly leads us by restoring our spiritual sense or divine consciousness, awakening us to the spiritual fact that the man of God's creating is the image and likeness of Soul, divine consciousness.

There is no injustice, no dishonesty, no greed, no fear in God's spiritual kingdom. We may seem to "walk through the valley of the shadow of death." We may seem to encounter stoppage, stagnation—the belief of death—in various guises as we go along in this human experience, but when it comes to a broken friendship, stagnant supply, ill health, or bondage in any other guise, we could not fear evil because God never made evil, and we love him, we would never love evil. Only Love supports our footsteps. "[LOVE] rod and [LOVE] staff they comfort me."

There may be another to be discords of one kind or another which are enemies to health, harmony, and happiness. But the intelligence, the wisdom, and the love have been given to us by our heavenly Father to heal and to eliminate all the illusions of mortal mind. We have spiritual inspiration; we are anointed with the oil of divine Love's enlightenment. We have more abundance of good than we can ever accept. "My cup runneth over."

Does good ever stop? No. It is eternal and infinite. It is impossible to lose the divine consciousness—that consensus which is always at hand, that consciousness which is the expression of Soul, of Life eternal, and therefore never stops. "Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house [the consciousness] of [LOVE] for ever."

Gains Success and Security

I am reminded of a man I know well who had greatly benefited from the teachings of Christian Science. He turned to this Science as a young man for physical healing after other means had failed, and over the years he had received unmistakable proof that lack, sickness, and sorrow yield to a correct understanding of the law of God. After he had received class instruction in Christian Science, he

knew that he wanted more than anything else to become a Christian Science practitioner and help others as he had been helped. He therefore began conducting his affairs as if he would be ready for this step when the time came. Without depriving his family, he was able to save a considerable sum of money which he invested in what were considered to be safe investments; and then, one day he had the positive conviction that the time had come to resign his lucrative business connection and enter the full-time practice of Christian Science. His resignation was to take effect in six months, but before that time had elapsed, a depression which had started only two years before seemed to become much more serious, and the market value of his securities went very low. The elder of his three children was about to enter college. He could have turned back, but he was sure his decision had been divinely inspired, and he had to make a stand for the well-being of his family. He had to serve God. This was proved to be true in his experience, for all that was needed for educational purposes and daily supplies was sufficient always.

Several years later it was found that most of the financial investments which had been made were satisfactory after all. When we look to divine Love for guidance in important decisions, we do not make mistakes. We prove that necessities are always adequately supplied.

When we begin to allow the divine plan of good to unfold in our consciousness and have implicit confidence in God's willingness and ability to supply all His ideas with good, we have thereby brought into our experience that which is sound, imperishable, secure, and real. Thus it becomes evident that abundance, freedom, which is true security, precedes the outward manifestation of abundance.

Let us gain a more fearless sense and a willingness to accept and utilize the bountiful resources of Love which are being supplied in such unlimited profusion—in 'God's measure, pressed down, and shaken together, and running over."

"I shall not want"

At this point may I read a version of the twenty-third Psalm which is much loved by Christian Scientists. It is on page 578 of Science and Health, and as an introduction to it, Mrs. Eddy writes "In the following Psalm one word shows, though faintly, the light which Christian Science throws on the Scriptures by substituting for the corporeal sense, the incorporeal or spiritual sense of Deity:—"

"PSALM XXIII
[DIVINE LOVE] is my shepherd; I shall not want.
[LOVE] maketh me to lie down in green pastures: [LOVE] leadeth me beside the still waters.
[LOVE] restoreth my soul [spiritual sense]: [LOVE] leadeth me in the paths of righteousness for His name's sake.
Yea though I walk through the valley of the shadow of death, I will fear no evil: for [LOVE] is with me; [LOVE] rod and [LOVE] staff they comfort me.
[LOVE] prepareth a table before me in the presence of mine enemies: [LOVE] anointeth my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house [the consciousness] of [LOVE] for ever."

Most all the discords of human living seem to come to us in the guise of wants. But here it says, "[DIVINE LOVE] is my shepherd; I shall not want." We seem to need better health, more wealth, more harmony abroad, at home, or in church, more peace, more peace, or more intelligence. And how glorious it is to know that divine Love is our Shepherd; that the infinite Giver is imparting to us everything we need every moment.

It may seem to be an indifference or apathy, however, which prevents us from accepting all the good divine Love is so constantly giving. But we are told in this Psalm that Love "maketh us for ever actually to accept the peace and harmony, the 'green pastures' and the 'still waters.'" In fact, the guidance of divine Love constantly leads us by restoring our spiritual sense or divine consciousness, awakening us to the spiritual fact that the man of God's creating is the image and likeness of Soul, divine consciousness.

There is no injustice, no dishonesty, no greed, no fear in God's spiritual kingdom. We may seem to "walk through the valley of the shadow of death." We may seem to encounter stoppage, stagnation—the belief of death—in various guises as we go along in this human experience, but when it comes to a broken friendship, stagnant supply, ill health, or bondage in any other guise, we could not fear evil because God never made evil, and we love him, we would never love evil. Only Love supports our footsteps. "[LOVE] rod and [LOVE] staff they comfort me."

There may be another to be discords of one kind or another which are enemies to health, harmony, and happiness. But the intelligence, the wisdom, and the love have been given to us by our heavenly Father to heal and to eliminate all the illusions of mortal mind. We have spiritual inspiration; we are anointed with the oil of divine Love's enlightenment. We have more abundance of good than we can ever accept. "My cup runneth over."

Does good ever stop? No. It is eternal and infinite. It is impossible to lose the divine consciousness—that consensus which is always at hand, that consciousness which is the expression of Soul, of Life eternal, and therefore never stops. "Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house [the consciousness] of [LOVE] for ever."

Neighborhood Club News

After a week of postponements, because of rain the Neighborhood Club's Senior Fastball League got underway with the first full evening's schedule being played on Tuesday, May 29, Eastern Heating, last year's champion opened with a decisive 8 to 3 victory over Onyx Bar.

The Heaters jumped on pitcher Severs to score three runs in the first inning on a pass to Dillon and three straight hits by Morell, McLane and Huvaer. Then they put the game on ice in the fifth inning with another three run barrage that sent Severs to the showers. McLane and Huvaer again lashed out clutch singles.

Last season's runner-up, Hudson A.A., came out on the short end of a 1 to 0 shut-out, as New Brick Inn scored a run in the third inning to chalk up its initial victory of the season. With two out in the third, singles by DeBuck and Argo put runners on first and third and a timely double by Piche scored DeBuck with the only run of the game. That was all that pitcher Doug Sigfried needed as he set Hudson down with three hits.

JUNIOR LEAGUE

The Bloopers Ball League is in full swing at the Club, once again as the six teams of the league played their second game of the season last Thursday evening. Last year's champion Dart Inn Bar got off to a flying start with victories over Turner Buick, 9 to 4, and Continental Aviation, 9 to 1. LaSalle Cafe lashed out 25 hits, including a double, triple and home run by Eddie Albert to trounce Southern Recreation, 19 to 7, for their second victory without defeat.

St. Paul Cubs Given Charter

Newly formed St. Paul Cub Scout Pack 61 was formally presented with its charter at the monthly pack meeting held Tuesday evening, June 5, in St. Paul school gymnasium. Sam Zilly, parish representative, accepted the charter on behalf of the pack. Edwin Groshko, cubmaster, representing Akela, presented bobcat pins and cub insignia to Matthew Kubitsky, Terrance McDonald, Peter Whyte, Louis Zimmerman, Edmund Brady and George Haggarty in an Indian induction ceremony.

Presented with their Wolf badges were Robert Frenzel, David Boyer, Charles Ducastel, Brian Decker and Joseph Thibodeau.

Skits were presented by Dens one, two and three. Taking part from Den one were Joel Groshko, Matthew Kubitsky, Douglas Rem, Laurence Rotole, John Senese, Brian Decker and Jerry Fitzgerald, Den chief. Mike Sheehan, Den

chief, Edward Schulte, Tommy Marantette, Terrance McDonald, Frank and David Boyer represented Den two.

Michael Rahaley, Billy Huntington, Francis McDonald, Tony Fisher, David Bayard, Tony Casaroli, and Tim Trombley, Den chief, performed for Den three.

Frank Boyer, committee chairman, introduced Rev. LaSalle Lenk, who spoke a few words to the cubs in closing the meeting.

Final pack activity of the year will be a family picnic held Saturday, June 9, at the State Pointe Farms pier.

Other members of the committee who have been active in forming the pack include Joseph Rem, assistant cubmaster; John Huntington, treasurer; Mrs. David Marantette, secretary; Joseph Ducastel, awards; Edwin Fisher, registration; and Daniel Hodgman, entertainment.

Mrs. Louis O. Decker, Mrs. Robert Rahaley, Mrs. Ellwood Wichter and Mrs. Francis J. McDonald are the den mothers, assisted by Mrs. Joseph Rotole, Mrs. J. B. Bayard, Mrs. Robert Frenzel, and Mrs. Robert Thibodeau.

GRADUATES TO HEAR BUNCHE

Dr. Ralph J. Bunche, United Nations official and winner of the 1950 Nobel Peace Prize, will deliver the principal address at the Wayne University Commencement exercises in the State Fair Grounds Coliseum at 8:30 p.m., Thursday, June 14.

Prepare Now for Next Spring's Blooms

By Vincent Deths

As we enter the delightful month of June we will discover that the beauty of the early Spring blossoms is fading away only to be followed by the unfolding glory of early Summer flowers.

Among the many floral aristocrats during this season of the year we may mention the Mock Orange, the many species of roses as well as the spectacular peonies and irises.

Worthwhile Work

The beauty and splendor of these June blossoms will have the tendency of making us forget the care and requirements of the early spring plants which have just finished their colorful display for another year.

It so happens that the early Spring flowers for the next season are being developed immediately after the blossoms have faded.

That new growth which you see on so many shrubs and trees after the flowers have fallen will produce that enchanting array of color next year. Since this is the actual fact, then we can readily comprehend the importance of feeding and also of pruning these plants in order that they may better develop into vigorous free flowering plants the following Spring.

Care Is Required

Pruning after flowering should consist of judiciously encouraging the development of the more vigorous stems and eliminating many of the weaker ones. By so doing we shall channel into the selected branches much of the plantfood which would have otherwise been absorbed by weaker stems. These weak stems because of their number, size and location, might never produce blossoms in one season.

Feeding while the growth is being made is equally important. I believe it was Willie Keeler who being asked to explain his stupendous batting average replied, "Hit them where they ain't!"

Feed When They're Hungry

Similarly we must say that the secret of growing good plants is to feed them when they are hungry for food. This period is, of course, the time when plants are sending out luxuriant new growth. At this stage of plant development all available nutrients are utilized by the cells of the rapidly growing plant.

Penthouse Announces Changes in Personnel

Mrs. Nancy Oberhue, owner of the Penthouse Dress Shops, announces the appointment of Mary Schneider Schoch as manager, and Arlene Hotchkiss Kimble as secretary of fashions, in a change in personnel at the Grosse Pointe shop at 18940 Kercheval avenue in The Village.

The shops, recognized for their smart, high-fashion in women's clothes, are very popular with Pointers.

Television Engineering Firm Moves Into Woods

Television Engineering Associates, previously located at 1216 Beaubien, are now in their new location at 21027 Mack avenue, Grosse Pointe Woods.

Arthur H. Membery and Frederick W. Canning, co-partners, are former television service engineers for the Philco distributor in this area. Modern up-to-date equipment and facilities insure quality service on television, radio and auto radio, backed up by 20 years of radio experience.

Berks Again Operating Their Fox Creek Market

The Samuel Berks, former long-time owners of the Fox Creek Market at 14628 East Jefferson avenue, a store that served Pointe families for two decades, are once again its owners and operators.

The store has been greatly modernized. The Berks stress that Pointe deliveries are being made again and the superb quality of meats and groceries which made the establishment a leader in its field, is being maintained.

Feeding in the form of commercial fertilizers should be applied at intervals of approximately three weeks until the growth has terminated. This growing period most usually is over by the end of July. It would therefore require not more than two or at most three feedings for the season.

Bulbs Need Food Too

Bulbs which have finished flowering should likewise be given plant food in order to permit the newly formed buds to develop buds for the coming season. The foliage should not be cut since it is only with the assistance of the leaf that plants are able to manufacture and develop new growth through the process of photosynthesis. One of the very important functions of this marvelous method of plant development is the utilizing of carbon from the air in the form of carbon dioxide in order to build a cell structure in all parts of the growing plant.

Carbon Basic Element

Carbon is one of the basic elements in all plants. All who are acquainted with chemistry will know that such very important foods as sugar and starches contain the three elements of C.H.O. (carbon, hydrogen and oxygen) in varying quantities. We say therefore, that the leaf with its millions of chlorophyll cells is equivalent to the lungs in the animal or human organism, and equally as vital for the plant's vital existence. Obviously then, bulbs should not be taken out of the ground until the growth cycle has been completed, which means that they should not be disturbed until the leaves have died down.

The removal of seed pods from all flowering plants is important. Unless seed is desired, which is very seldom the case, these pods should be removed as soon as they appear. Seed development is one of nature's primary functions. Were this not so we would not have the species nor the many varieties which we enjoy today.

The perpetuation of the plant species is therefore paramount in the natural scheme of things, and nature goes all out in this effort. Much vital plant food is therefore utilized in the development of the seed. If the seed pods are removed most of the nutrients required for seed development will become available to other parts of the plant.

Don't Remove Foliage

On all bulbs the foliage should be allowed to remain until the leaves have turned yellow or brown. This is an indication that the function of the leaves are no longer needed and the growth cycle has been completed.

It should be helpful to remember that nature's procedure with all bulbs is to produce new generations of bulbs each year. The old bulb which has just finished flowering will never produce flowers again but will die. The only survivors are the young bulbs formed around the base of the old mother bulb.

These young bulbs when mature will carry on the functions of producing flowers another year and in turn will die and give way to still another generation of bulblets.

Dissolve Food First

Knowing that plant food is required for all plants in active growth, we must also remember that to become available all plant food must first become dissolved with water. Obviously then water in proper amounts is both essential and necessary. Now as with everything else an excess of anything is harmful so don't overdo it. Keep the soil moist by all means, but don't keep it soggy. An excess of water will do more harm to most plants than a lack of it.

Frequent cultivation resulting in a loose layer of top soil will greatly help to conserve moisture. It will also prevent the growth of weeds and permit oxygen to penetrate through the loose soil particles.

Is Simple Program

Manifestly nature's program of plant development, although appearing complex and somewhat confusing, is actually very simple and logical. Once it is realized that there is a definite plan in all creation then it should not be too

Given Degrees At Marygrove

Three Pointers were among the 150 seniors graduated from Marygrove college in Commencement exercises Wednesday, June 6, in the college auditorium.

Bachelor of arts degrees were awarded Barbara Ann Schuler, Beaupre road, in history, and Beverly Ann Eidt, University place, art. Mary Louise Nebel, Lincoln road, received a bachelor of science degree in chemistry.

Miss Schuler, who received her degree cum laude, also was awarded a Michigan state provisional certificate for teaching. She is a member of Kappa Gamma Pi, national Catholic honor society for women, and Iota Gamma Alpha, Marygrove honor society. She has served as treasurer of her class for the past two years and has been president of the

Richard club for history majors. She is the daughter of Mr. and Mrs. R. J. Schuler.

Miss Nebel has been president of the prism club for science majors and also is a member of the Marygrove athletic club. She is the daughter of Mr. and Mrs. A. J. Nebel.

The daughter of Mr. and Mrs. Herbert F. Eidt, Miss Eidt is a

member of the Marygrove art club. Both she and Miss Schuler were graduated from Dominica high school, and Miss Nebel attended Grosse Pointe high.

HONORED BY SORORITY

Carolyn Johnson, sophomore at Michigan State College, has been elected secretary of the Michigan State College chapter of Zeta Tau Alpha social sorority. She will hold office one year.

(1/2-ton low-side standard pick-up illustrated)

It's easy to buy this DODGE "Job-Rated" PICK-UP

ASK FOR A DEMONSTRATION OF THE "BEST BUY IN TOWN!"

More load space
Big, rugged high-side body, available on Dodge "Job-Rated" 1/2-ton pick-up, has 44.15 cu.-ft. capacity to top of tailgate—biggest load space of any popular truck of comparable wheelbase. Roomy 3/4-ton and 1-ton pick-ups have extra capacity, too.

Biggest seat and windshield
There's plenty of room for three husky men in the comfortable chair-height seat—widest of any popular truck. You get the biggest windshield of any popular truck, too—more than 900 square inches for extra-safe visibility. Dual windshield wipers are standard.

All these extra values, too!
No other pick-up offers you all these proved features! Big 97-horsepower engine! Oriflow shock absorbers for unequalled riding smoothness! Lightweight, 4-ring pistons with top ring chrome-plated for economy and long life! Fully controlled hydraulic brakes with Cyclebond "no rivet" brake linings and independent hand brake! Moistureproof ignition for all-weather dependability!

Once you see... ride in... and drive this great money-saving 1/2-ton pick-up you'll know why owners all over town say they never expected "so much truck for so little money." And with our special credit terms, it's so easy to buy!

You can also get a 3/4- or 1-ton Dodge "Job-Rated" pick-up with high-side or low-side body on equally easy terms.

On all Dodge "Job-Rated" pick-ups you get increased power... higher 7.0 to 1 compression ratio... easier handling... extra-wide running boards for safe, sure footing... all-steel body with load-protecting hardwood floor.

Best of all, the price is so much lower than you'd expect! Buy now and take advantage of low first cost... long, easy terms. See us today!

The Only Pick-up Trucks With **97HP FLUID DRIVE!**

Nothing else like it! Fluid Drive—available on 1/2-, 3/4-, and 1-ton models—makes driving easier, increases truck life. This proved fluid coupling between engine and clutch makes starts smoother, protects your load.

Come in today for a good deal on **A TRUCK THAT FITS YOUR JOB... A DODGE "Job-Rated" TRUCK**

NOTICE OF PUBLIC HEARING ON RENT DECONTROL
CITY OF Grosse Pointe Park

Petition having been filed with the City Council, City of Grosse Pointe Park, seeking termination of Rent Control in said City, the City Council of the City of Grosse Pointe Park will hold a

PUBLIC HEARING on Monday, June 11, 1951, at 8:00 P.M., in the Council Chambers of the Municipal Building at 15115 E. Jefferson Ave.

for the purpose of determining whether there no longer exists in the City of Grosse Pointe Park such a shortage in rental housing accommodation as to require rent control therein, and whether Federal rent control in the City of Grosse Pointe Park should be terminated.

WM. G. STAMMAN,
