FORD WILL LAUNCH TORCH DRIVE

When a Miss Was Much Better Than a Mile

—Picture by Fred Runnells

How would you like to have this boulder tossed at your car when you were bowling along the highway at 50 miles per hour? That's just what happened to Ched Swenson of Lincoln road, driving just outside of Kalamazoo with his father as a passenger. But the lethal missile was hurled from between the dual wheels of a passing truck, with far more force than any human could have exerted. The truck driver still doesn't know that his machine caused the freak accident which might have killed both of the Swensons. The rock was dislodged from between the tires of the truck as it was just about abreast of the Swenson car, and apparently let loose at the top of the wheels' revolution, hurling it forward. Ched pulled alongside the road in a cold sweat and walked back a hundred yards to pick up the evidence. It is exhibited by CLYDE HUGHES, of the Whyte Oldsmobile Company, where the car was taken for repairs. Neither of the Swensons was injured. The rock weighed 20 pounds.

SECOND ATOMIC BOMB set off by Russia recently, White House announced yesterday. Associated Press information indicates that the Reds made two recent atomic explosive tests, one of which was a failure. Tests believed to have involved only standard nuclear fission. Explosions proof that Russia is continuing to make atomic weapons despite its pretensions to the contrary.

HEAVILY CENSORED KOREAN War news thought to indicate that a major Allied offensive is in the making. Entire Korean battlefield flared as UN troops drove northward. Flame throwers and hand grenades used by UN tank and infantry forces. Major action reported on the western front.

RED REPLY TO GEN. RIDGWAY'S proposal that the Korean peace talk site be moved from Kaesong to Songhyon, kept confidential. Songhyon is a neutral village located near Kaesong. The Red message was picked up by a UN helicopter at Panmunjom, a Communist checkpoint five miles east of Kaesong. First time a UN liaison officer has flown to the Red sector since Sept. 27.

WILLIAM M. BOYLE, JR., Democratic national chairman, accused of having paid \$1261 to a Reconstruction Finance Corp. official. Charge made by Senator Nixon of California. Nixon said Boyle deducted the money from his 1949 income tax. Senator Nixon demanded that the Senate's permanent investigating committee call H. Turney Gratz, to whom Nixon says the money was paid, to testify.

SENATOR ELAIR MOODY threatened the suspension of three Detroit income tax agents today. Moody's demand laid the groundwork for a public hearing in Detroit on the tax agents' alleged secret deals with taxpayers. Involved are Henry R. Sunball, special agent in charge of the intelligence unit; Joseph J. Weyn, an agent assigned to steel cases, and Frank Cassman, special agent.

AN ESTIMATED 6,200 Hudson Motor Car Co. employees were ruled ineligible for \$1,500,000 in jobs pay by the Michigan Unemployment Compensation Commission. The commission ruled the shutdown of the plant on 47 consecutive work days to have been due to a labor dispute. Therefore, the workers were disqualified for benefits. UAW-CIO had sought benefits on the basis that the company had staged a lockout.

ITALIAN GOVERNMENT DISCLOSED that two fourteenth century Italian paintings hanging in the Detroit Institute of Arts had been stolen from a church. The paintings were purchased in 1929 by a former Director, William R. Valentiner, from a reputable Italian collector for \$2,115, while Dr. Valentiner was on a buying trip abroad. The Italian government, though not naming the culprit, announced that formal court charges had been filed.

CHINESE REDS SUFFERED a major defeat today. A 1,000-man Allied defensive crushed Chinese counterattacks in West Korea and overran four key ridges. One of the ridges dominates a vital railway to Seoul. Air battles raged over Northwest Korea today.

AFFIRMING THAT RUSSIA has "atomic bombs of various caliber," Premier Stalin stated that the Soviets plan no aggression. Stalin, in an interview with Pravda, the official Red newspaper, accused the U.S. of readiness to use the A-bomb against Russia. He stated that Soviet work on atomic weapons is purely defensive.

RAID LATE YESTERDAY on Detroit headquarters of Western Union netted records giving the locations of all handbooks using race track type tickers in Michigan and Indiana. More than half a dozen Detroit bookmakers were reported to have been leasing the service. No arrests were made at the Western Union office. Docks Lashed; Boats Freed; During Storm

City, Farms, Park Most Severely Hit During Sunday Morning Squall

The municipal docks of Grosse Pointe City, Park and Farms were lashed by gigantic waves last Sunday morning which played havoc with their wooden planks and tossed boats moored at the docks about violently.

The storm reached a climax between 4 and 6 a. m. and the wind is reported to have reached a velocity of 50-miles-an-hour. Two boats were torn from their moorings at the Farms dock.

One of the boats was found near the lake shore line opposite Beacon Hill. The other boat crash landed at the Crescent Sail Club. Harry Furton, Farms City Clerk, estimated the cost of repairs to the dock between \$200 and \$300. Repairs will consist of replacing pieces of docking, Mr. Furton said.

The waves undermined sections of the sea wall edging the lake shore and washed out much of the stone filling. Damage was restricted mainly to the dock structure at Grosse Pointe City. Grosse Pointe Shores which has a concrete dock reported no damage.

Both the fishing dock and the boat dock at the Park lake front pier were damaged. The fishing dock has been barricaded while repairs are being made. Repairs will not be made to the boat dock (Continued on Page 17)

Halloween Parties Planned For All Kids in Community

The Twelfth Annual Meeting of the Grosse Pointe Halloween Council was held Monday, October 1, at the Neighborhood Club. Officers of the group were elected, various committee chairmen appointed and plans for this year's Community Halloween parties completed.

The Grosse Pointe Halloween Council consists of representatives from Grosse Pointe civic clubs, PTA organizations, police and fire departments, members of the Grosse Pointe Board of Education and elected student representatives from Grosse Pointe schools. Its purpose is the planning and presentation of safe and sane

Arrests in Pleasant Ridge Clear Up Number of Thefts Perpetrated in Pointe Area

Gerald Schneider Identifies Number of Items Stolen From His University Place Home Last September 1

Gerald Schneider, of 610 University place, whose home was burglarized on September 1, identified his property at the Pleasant Ridge Police Department on September 26. Mr. Schneider's property was among items recovered by Pleasant Ridge police when they arrested four persons on September 26. The thieves were arrested after having pawned articles stolen in Pleasant Ridge, Birmingham, Pontiac and Grosse Pointe.

Car Rolls Over On Ford Curve

The curve at the Edsel Ford estate in Lake Shore road claimed two more accident victims last Thursday, October 4. Richard Edwards, of 10138 W. Jefferson is being held by the Grosse Pointe Shores police pending the recovery of his fellow passenger, Leo Keaton, of 747 Third avenue, Kalamazoo.

Edwards told police they had stopped at a bar on the East Side, then decided to take a ride. Edwards said he approached the curve at a high rate of speed and was unable to slow down. The car hit a light pole and rolled over twice, landing on top of a fire hydrant. Police arrived a few minutes later and took Keaton to the Saratoga hospital.

At the time the News went to press Keaton was still in a critical condition. Police said the car is a complete wreck.

Major Road Jobs Nearing Completion

Mack Widened; Moross Resurfaced; Binder Coat Applied on Jefferson

The Wayne County Road Commission is nearing completion of its operations on Pointe thoroughfares and the City of Grosse Pointe Woods has begun paving two of its streets.

The resurfacing of East Jefferson avenue in Grosse Pointe Park and City is progressing well. Speedy completion of the project is dependent upon favorable weather.

A base coat has been applied on East Jefferson from Westchester road to Cadieux road. A one-inch thick asphaltic concrete topping will be applied over this base coat.

Work on that portion of East Jefferson in the City from Cadieux to Fisher roads, is progressing well, according to City Clerk Norbert P. Neff. The road crew can handle about 600 tons of material per day, it was reported.

The widening of Mack avenue from Severn to Manchester and from Van Antwerp to the Wayne-Macomb County line, has been completed. Philip F. Allard, Woods City Administrator reported.

The concrete was installed last week. After it has been allowed to season sufficiently, motorists will be able to traverse the area. There is still some grading to be done, Mr. Allard said. The center island still requires attention.

Two Streets Excavated Roslyn and Ridgmont roads have been excavated preparatory to paving and paving will likely be completed within the next two weeks, Mr. Allard reported.

Holiday, Hawthorne and Marter are scheduled for paving as soon as sufficient materials to complete the project are assured. Excavation on these streets will be delayed until the materials are obtained, Mr. Allard said.

Equipment on Site Equipment has been placed at the site where the new Vernier road bridge is to be constructed over the Milk River. The Michigan State Highway Department is financing the cost of this project.

Moross road has been resurfaced from Harper to Ridge road. Wayne County's jurisdiction ends at Ridge road.

Flood Relief Plans Showing Progress In Woods, Gratiot

Covers Being Placed On Catch Basins and City and Township Are Cooperating On Constructing Storm Drain

Woods City Administrator Philip Allard told the NEWS on Monday, October 8, that the plan to eliminate flooded basements in the Woods area is now in full swing. After the deluge of protests from irate citizens after the big storm in July that flooded almost every basement in that area, City Engineer Edwin H. Pate worked out a possible solution.

Covering Basins Putting covers over the catch basins will reduce the amount of water running into them. This will leave the water standing on the streets a little longer, thus relieving the strain and reducing the possibility of a backup of the sewers. Mr. Allard stated that the covers will be on the basins within 60 days.

Another plan that is being put into operation is the cutting down of the capacity of catch basins on vacant property by 65 percent.

To Construct Drain The biggest help, Mr. Allard pointed out, is the construction of the Canton drain in Gratiot Township. This is a cooperative drain, with money being put up by the City of Grosse Pointe Woods and Gratiot Township in the amount of \$5,684.03 each.

It is hoped that all the money will not be needed to finish the drain.

The Canton drain will start just east of Harper in Gratiot Township and run on Canton avenue till it reaches Van Antwerp drain, then south on Van Antwerp into the Vernier road drain.

Storm Sewer Only According to Gilbert Jerome of the George Jerome Engineering Corp., the Canton drain will eliminate all the flash flood water that runs in the Woods area during a storm. The Canton drain will be used for a storm sewer only, as it is of the open type and is being covered only at road crossings.

Bids are being accepted by Gratiot Township until Thursday, October 18, for the Canton drain. The completion of the Milk river bridge will also lessen the amount of the deluge by the installation of new and larger culverts. Mr. Allard stated at the August meeting on the flood situation that they were inadequate and not numerous enough to offer any help to the Woods area.

Four Injured As Cars Crash

A car driven by William Cosh of 858 Lawrence avenue, traveling east on Moross road, crashed into the side of one owned by Charles Schwarz, 23803 Little Mack, traveling south on Lake Shore road, on Saturday, October 6.

The passengers in Schwarz's car were injured. Treated for shock was Estell Kriem, 3966 Lillibridge. Edith Goscicki, of 2212 Fairview, was treated for a sprained shoulder. John Puskar, 1531 Defer place, was treated for lacerations to the left knee. Byron Burgess, 12524 E. Jefferson, was treated for injuries to his skull and chest.

Police issued Mr. Cosh a ticket and released him on a \$100 bond, charged with "drinking while driving, to appear in court on October 17. Farms officers William Elworthy and Russell Hildendorff answered the call.

Diesing Off Woods Council Then Right Back on Again

The resignations of two Grosse Pointe Woods councilmen were tendered at a recent council meeting. A letter of resignation was read at the meeting from George W. Gardner.

Mr. Gardner plans to establish permanent residence in Wichita, Kansas. The council voiced appreciation for Mr. Gardner's service and accepted his resignation with regret.

Then a communication was read, dated the night of the meeting, advising of the resignation of Councilman Arnold L. Diesing, to take effect forthwith.

Councilman Wolff made a motion to accept Mr. Diesing's resignation, effective forthwith. The motion was supported and carried.

Admits Theft Of \$1240 at High School

Farms Police Detective Eugene Boylan told the News on Tuesday, October 9, that they have solved the April 9, 1950, theft of \$1,240 from the Grosse Pointe High School and theft of \$150 from the St. Paul Lutheran church, Chalfonte at Lothrop.

Detective Boylan said he questioned Morris Thibodeau, aged 24, of 412 Cambourne, Ferndale, who is being held by Detroit police with his four other companions in connection with over 200 robberies that netted them over \$50,000.

The quintet admitted to Detroit police that it pulled 270 robberies in homes, schools and churches in the Detroit and outstate area. The case was broken when police picked up Richard Joumas, aged 23, of 505 East Woodland avenue, Ferndale. Joumas broke down after police traced the serial number of his revolver that was found in the quintet's hideout in Keego Harbor.

Entered School Window Thibodeau told Boylan that he gained entrance to the school through a window in the rear courtyard and then removed the inside door, gaining entrance to the main hall.

From there he went to the school's main office and ransacked desks and files. Thibodeau related that he removed the rear wall ventilator of the heavy doored safe and crawled in and removed \$1,240 and petty cash.

Empties Church Box Less than a week later he broke into St. Paul's Lutheran church. He told Boylan he opened the community box near the altar and took the contents, \$150. He then pried open cupboards and files, scattering the contents about.

Thibodeau told Woods Police that he also broke into the Grosse Pointe Woods Presbyterian church at Torrey road and Mack, last year.

Face Assault Charge Thibodeau and Joumas are also being charged with assault and battery on a Detroit police officer.

Cyclist Found Lying in Street

Driving west on St. Paul near Fisher on Saturday, October 6, Arch L. Rankin of 589 Neff road, found James Garza, of 65 Merrilweather, lying in the street next to his bicycle.

When police questioned James as to what happened, he said, "Things went black when I got near the street." Police took James home to his parents Mr. and Mrs. James Garza.

Scouts Ready For Race to High School

Head of Motor Empire To Award Prizes and Give Keynote Speech At Rally Tuesday

Henry Ford II will strike the keynote at the opening night rally of the Grosse Pointe United Foundation Drive on October 16. Mr. Ford will summarize the community significance of the annual Fund drive, after awarding prizes to the Boy Scout troops winning the torch-carrying relay race.

Courses Mapped Out Six relay courses, each two miles long, have been mapped out in the Grosse Pointe area by Charles B. Johnson, Jr. Competing troops have been selected by Dr. D. A. McGinty, Scout Commissioner.

All courses will end in front of the High School at the corner of Fisher road and Grosse Pointe boulevard. The anchor man of the winning relay team will have the honor of lighting the giant torch which will remain alight for 23 days. An aerial bomb will signal the start of the race at about 7:30 p.m.

Troops Competing The courses and competing Boy Scout troops are as follows:

Course I, beginning at Berkshire and Kercheval, will feature Troop 86 of Trembley School, under scoutmaster Doug Thompson, and Troop 147 of Defer School under scoutmaster Ben Kushner.

Course II, beginning at Balfour and Jefferson, will feature Troop 86 of Grosse Pointe Memorial Church, under Jim Lowmaster, and Troop 156 of Christ Church, under Ted Franzer.

Course III, beginning at Chalfonte and Moross, will feature Troop 290 of Mason School, under Byron Burchby; and Troop 479 of the Gratiot Township Kiwanis, under Don Martin.

Course IV, beginning at Williams and Moross, will feature Troop 703 of Grosse Pointe Congregational Church, under Bill Edds; and Troop 546 of Grosse Pointe Woods Presbyterian Church, under Ed Defer.

Troop 479 may also be called upon to provide runners for this course.

Course V, beginning at 393 Lakeshore (between Moross and Provençal), will feature Troop 61 of St. Paul's Church, under Ed McKernan; and Troop 74 of Gabriel Richard School, under Jack Beaver.

Course VI, beginning at Audubon and Charlevoix, will feature Troop 399 of St. Clair Church, under Dick Boyle, Jr., and Troop 19 of Maire School, under John Glaser.

Police to Assist Pointe police will patrol the courses, and also take charge of protective arrangements at the huge torch itself, where a large crowd is expected. In addition to Mr. Ford, Van Patrick, well known sports commentator, will greet the crowd around the torch. Aerial fireworks will be set off—either from an airplane or from a pier in Lake St. Clair—to announce to Grosse Pointe residents, far and wide, that the Torch Drive is on.

Woods Council Changes Policy

The Woods City Council voted to adopt a more efficient plan of conducting city council meetings Tuesday, October 2.

The new plan will be the first major change in the council procedure since 1927. The council hopes it will cure the bottleneck that has been plaguing city business.

Anyone with a problem for the Mayor or City Council shall present it in writing to the City Administrator Philip Allard. Mr. Allard will investigate the problem and if possible solve it. If not, he will make a recommendation that it be brought up at the next council meeting.

In the past anyone who had an issue to be brought before the council was given an opportunity to do so at the meeting. This often sent the meetings into late hours and delayed action on many issues. (Continued on Page 4)

Taft to Speak At Big Dinner

Many Pointers will be present next Monday night, October 15, when men and women of the Republican party will gather to hear Ohio Senator Robert Taft give the chief address at the Republicans' United Dinner in Detroit.

The event is in keeping with the policy established some months ago of presenting nationally known Republicans who are being prominently mentioned as possible candidates for the Republican Presidential and Vice-Presidential nominations for 1952.

On similar occasions the County and State Republican groups have been hosts to Senators Dirksen of Illinois, Knowland of California and Duff of Pennsylvania.

Senator Taft is expected to make one of his most important addresses. It will be broadcast and televised and in outstate areas many "house parties" will be held at which groups will hear and see the speaker over their radio and television sets.

Henry E. Bodman of the Pointe is chairman of the Republicans' United Dinner Committee which is sponsoring the event.

ARCHER WOUNDS SELF

While putting hunting tips on some arrows LeRoy McKinney, of 2127 Lennon, cut his right thumb. Seven stitches were required to close the cut on Thursday, October 4. Woods police officers Henry Marchand and Richard Prietz answered Mr. McKinney's call for help.

Efimenco to Give Center Lecture

Nicholas Marbury Efimenco, instructor in Political Science at the University of Michigan, will be the fourth lecturer in the University of Michigan Extension Service lecture series, "Around the World Today," which is being held at the Grosse Pointe War Memorial Center each Wednesday evening through November 14. His topic will be "The Middle East."

Before going to the University, Dr. Efimenco taught International Relations at the University of Minnesota, and was instructor in the Far East Area and Language Studies program for the Army both at Fort Snelling and the University of Minnesota. He received his Ph.D. degree from the University of Minnesota in June, 1948.

Following the War, Dr. Efimenco taught at Lake Forest College. During 1945-46 he was a speaker on the National Committee on Atomic Information at Washington, and also with the Chicago Council of Foreign Relations.

After going to the University of Michigan, he was director of studies for the university's state-wide program on "The United States and World Problems," and the co-ordinator of the Upper Peninsula series.

Dr. Efimenco has been in Iraq since January as a member of the University Expedition to the Near East under the direction of

An evening party is again planned for the 10th, 11th and 12th grades at the Grosse Pointe High School from 7:30 to midnight on October 31. Orchestras will be provided for dancing.

Pierce will be the scene for the frolics of grades 7, 8, and 9 on the same evening from 7:30 to 11 p.m.

Many elementary schools are expected to again hold parties, but their plans are not completed at this time.

Tickets for all of the parties will be available at Grosse Pointe schools, including private and parochial.

Fine professional acts will in-

clude jugglers, magicians, ventriloquists, acrobats, dancers, musicians and animal acts. They will be planned to please the various age levels of children. Therefore, all acts will not be presented at every school. Some good movies will also be furnished.

The Lake Shore Coach Lines are expected to again cooperate with the community project by running special buses where needed to facilitate transportation. Their routes and schedules will be published at a later date.

Porch Furniture Lifted by Thief

The larceny of a lamp and a folding chair from the screened porch of the Clarence E. Day home at 536 Cadieux road, was reported to City police on Sunday, October 7.

The lamp which has a bamboo base is valued at \$40. The aluminum folding chair is valued at \$10, police said.

Mr. Day told police the articles must have been stolen during the night of October 6 or the

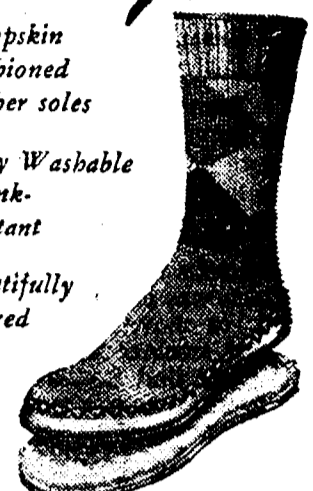

early morning of October 7. Mr. Day said that he heard a noise about 10:30 p.m. on October 6.

Tar on Roof Precipitates International Incident

The report of a strong gas odor in the 800 block of Fisher road on October 3 occasioned a flurry of activity involving the City police, the Michigan Consolidated Gas Co. and the British Consul General.

A representative of the gas company notified police that the company had received a call from a Fisher road resident reporting a strong gas odor in the area. It was thought that the odor was coming from 881 Fisher, the residence of Canadian Consul

James Hurley. As the family was away, police enlisted the aid of William Storey, the British Consul General, who lives at 436 Lakeland.

Omer Mulier, owner of the property, supplied police with a key to the house. After a comprehensive investigation at the house, it was definitely determined that there was no gas leak.

The odor was emanating from the newly tarred roof of the house.

After the Blow Was Over

The Luder 16 sloop "Mischief," owned by Don Droll of 269 Williams, caused plenty of mischief on Sunday, October 7, during the 45 mile an hour gale that lashed the Grosse Pointe shore line causing considerable damage to municipal and private docks. "Mischief" broke her mooring line at the Farms pier and in working her way to open water cut several other mooring lines setting several other boats adrift. Droll's boat was saved from complete destruction by the quick and efficient work of Crescent Sail Y. C. sailors who neatly trussed up the 26 foot sloop against the rocks of the Crescent parking lot. When the storm finally subsided "Mischief" was high and dry in about two feet of water. She draws four feet normally.

City Purchasing New Equipment

The City of Grosse Pointe council approved the purchase of a snow plow attachment and an air compressor at a recent council meeting.

An order has been placed with the R. G. Moeller Co. for the snow plow. The snow plow will cost approximately \$600, according to Norbert Neff, City Clerk.

This plow will be attached to the front of a heavy truck and be operated hydraulically. It will increase the efficiency of the public works department, as present snow equipment has become antiquated, Mr. Neff said.

The air compressor, which will cost approximately \$1,800, has been ordered from the Cyril J. Burke Co. It will be used by the public works department for repair and maintenance projects. It is a unit on two wheels and will be towed behind another vehicle.

Ray MacArthur Hired by Woods

The Woods City Council last week voted unanimously to hire the former St. Clair Shores City Clerk, Ray MacArthur, for the newly created position of City Comptroller.

Mr. MacArthur has been City clerk for three years in St. Clair Shores and before that was with the Monroe Industrial Engineering Co. in the accounting division.

Mr. MacArthur told the NEWS that he is very happy about his future with the Woods and very impressed with the thorough screening he was given by city officials and leading Detroit accountants who interviewed him.

He will begin his new position today, Thursday, October 11.

Four Shoplifters Nabbed by Police

The activities of four women shoplifters, who had been preying on Grosse Pointe City Business places, were recently curbed by City police.

Two of the women were apprehended with stolen goods in their possession. A drug store, food store and clothing store were victimized by the shoplifters.

City police plan to prosecute one of the women. This is the third time police have questioned her for shoplifting. She was convicted on the charge once and released another time because no complaint was signed.

One of the women is a Pointe resident and another of the quartet is employed in the Pointe.

Door Knob Keeps Police on Jump

Finding the knob from the rear door of Henri's Market, 17027 Kercheval avenue, lying in the alley at the rear of the store on Saturday, October 6, City police suspected a breaking and entering attempt.

Officer John Onstwedder and Sergeant Andrew Teetsert, who found the door knob at 3:57 a.m., checked the exterior of the building and found everything in order.

When police telephoned the assistant manager of the market, he mentioned having had trouble with the door knob.

The mystery was solved when Officer Mauck reported that the knob was very loose and had fallen off when he tried the door earlier in the evening.

Public Asked to Take Part In Optimist Club's Revue

The Optimist Club announced that its fourth annual production will be the musical Revue "Gay Nineties" with rehearsals starting tonight, Thursday, October 11, at 8:30 in the Neighborhood Club.

Dr. Walter L. Tuttle, General Program Chairman told the NEWS that they have engaged the services of the nationally recognized John B. Rogers Production Co. of Fostoria, Ohio. ALBERT TOBIN AND MONROE WENDELL, two ex-jury aides, have been linked to the income tax scandal in Detroit's Federal Building. The two private investigators trailed income tax agents who were plaguing officials of the Lafayette Steel Co., according to information given a congressional investigating committee. The steel company allegedly owes more than \$1,000,000 in income taxes and penalties. Senator Blair Moody arrived in Detroit yesterday to lay the groundwork for a Congressional hearing.

food king, died at Leila Hospital in Battle Creek, Michigan, today. Kellogg, virtually blind since 1937, was admitted to the hospital on September 14. His physicians said he was suffering from a circulatory collapse. Kellogg channeled most of the profits from his business into philanthropies that benefited Michigan children and gave aid to educational enterprises.

TEN PERCENT PAY HIKE demanded by Ford Local 600, UAW-CIO, at Ford Motor Co.'s Rouge plant. This pay demand, which would benefit more than 100,000 plant workers, would be in addition to the cost-of-living wage adjustments made every three months. The ten percent proposal is barred under terms of the UAW's contracts with Ford and other auto companies. The Wage Stabilization Board would have to approve this increase first.

County's Special Election On Airport Bonds Cancelled

The special county election called for November 6 has been cancelled, according to a telegram received on Monday, October 8, by City Clerk Norbert P. Neff, advising that the Wayne County Board of Supervisors had adopted a resolution stopping the election.

The telegram was signed by Edgar M. Branigan, Wayne County Clerk. This special election would have affected all municipal units existing within the boundaries of Wayne County. Balloting was to have been on an airport bonding proposition. The proposal was to issue bonds not to exceed eight million dollars for the purpose of defraying part of the cost of proposed additions and improvements to the Detroit-Wayne Major Airport.

Robert E. Miller, president of the Airline Terminal Corporation, which leases and operates Willow Run Airport, told the NEWS last week that seven major passenger and cargo airlines were about to sign a 10-year lease with the owners of Willow Run. The lease will give the airlines an option to cancel on September 30, 1955, should they choose to do so, Mr. Miller said. It had been announced previously that scheduled passenger, traffic and freight airlines had expressed their intention of transferring their operations from Willow Run Airport should certain improvements be made at the Detroit Major Airport.

Detroit-Wayne Major Airport is administered by the Board of County Road Commissioners of Wayne County.
The cancellation of the special election does not affect the municipal election in the City of Grosse Pointe scheduled for November 6.

Ground Broken for New Parish Building

—Eddie McGrath, Jr. Photo

Ground was broken on Sunday, September 30, for the first building of the newly-established St. Philomena Parish. Pictured are the REV. ELMER J. NACY, pastor; the REV. THOMAS BARRY, M.M.; and the REV. WILLIAM DUGAN, C.S.B., surrounded by men of the parish. The new parish will serve that section of the Pointe bounded by Moross road, St. Clair avenue, Chalfonte, Goethe and Charlevoix on the south, and Mack avenue on the north, as well as a large adjoining area in Detroit. The site of the parish buildings is a plot 150 by 900 feet lying between University and Marseilles, north of Mack avenue. The first unit to be built will be an Activities Building, which will accommodate approximately 750 persons for worship services.

Methodist Club to Present Air Force Film on Korea

"Why Korea?" The Men's Club of the Grosse Pointe Methodist Church dips into that problem at its monthly meeting, Wednesday, Oct. 17, and will hear the Air Force's viewpoint from one of its brightest young officers.

Major Philip C. Calhoun, chief of the Aircraft and Guided Missiles Section of Headquarters Air Material Command, will speak and show the Air Force's newly-released movie, "Why Korea?" one of the first times in the Midwest.

The newly-organized Men's Club expects 125 persons or more at this dinner meeting, scheduled for 7 p. m. at the church, I. G. Christensen is program chairman.

Major Calhoun has supervised the planning, programming and execution of the Air Material Command aircraft and missiles programs since July, 1950.

Now stationed at Wright-Patterson Air Force Base at Dayton, O., he was decorated with the Bronze Star and Silver Star during World War II and has the Purple Heart with two oak leaf clusters. He served in Europe.

The Alpha Group of the Women's Society will serve the dinner in the dining room of the church, which was built last year at 211 Moross Road near Kercheval.

The Men's Club launched itself Sept. 17 with a meeting that featured David Strack, freshman basketball coach at the University of Michigan.

The club plans an outing in November. A Men's Club show is planned for late winter.

La Verne E. Cheyney is president; W. F. Horsch, vice-president; Kenneth Leipprandt, secretary; and Theodore George treasurer.

Committee chairmen are: Wallace Brownson, program; Kenneth Leipprandt, ticket; James Rawlinson, membership; John Scales, hospitality; Thomas Munson, plans for November outing; Henry Falconer, group singing; Theodore George, finance; William Horsch, Men's Club show; J. H. Giesecke, visitation.

Guests are welcomed at the "Why Korea?" dinner meeting. Reservations should be made in advance by phoning Ken Leipprandt, TU. 2-5809, or Robert Fleming, TU. 1-4238, before Saturday, Oct. 13. Tickets are \$1.50.

Farms Building Boom Continues

Twenty-nine building permits were issued for the construction of new residences in Grosse Pointe Farms during the month of September, according to a report just issued by Murray Smith, city engineer.

The 29 new residences are valued at \$813,000. During the period from January 1 to September 30, 171 building permits have been issued for new houses in Grosse Pointe Farms, with a total value of \$4,115,000.

Seventeen permits for miscellaneous building were issued during September, with a total value of \$16,700. This brings the total of miscellaneous building permits issued by the Farms for the first nine months of the year to 120. The total value given is \$184,200.

The building permit issued by the Farms for the Ferry-Sales Central Library, brings the total number of non-assessable permits issued so far this year to four. The library was valued at \$250,000, which brings the value for all non-assessable permits to \$358,000.

The Farms has issued 295 permits, with a total value of \$4,657,200 so far this year. No permits have been issued by the Farms this year for new business building.

Utility Pole Knocked Down by Truck Driver

A truck driver knocked over a utility pole in front of 1001 Buckingham road on October 4, when backing into the driveway.

Henry E. Martin, of 1001 Buckingham road, notified Park police, who issued the truck driver a ticket.

Willie L. Gillette, of 1630 La-Belle, Detroit, was the driver of the truck.

TICKETED FOR CRASH

Police were called to Mack and Lancaster on Tuesday, October 2, when Gilbert G. Water of 22425 Revere, St. Clair Shores, backed into the side of a car driven by Joseph Caruso Jr., 21731 Bournemouth road, who was making a turn into the Food Fair Market. Police issued a ticket to Mr. Water.

Center to Hold Teen Age Party

Following through with their plans for the semester, the Youth Advisory Council of the Grosse Pointe War Memorial Center is sponsoring an Open House on Saturday, October 20. The party will be open to all high school age youth of the Pointes, and dates are not encouraged.

Due to their popularity last year, the Open House will again feature dancing, ping-pong, cards, movies, and refreshments. The charge is 50 cents per person, and the hours are from 8 to 11:30 p. m. Working on the refreshments for this party will be Bizzy Buehl, Bill Miller will be in charge of decorations and arrangements. Hann Becherer is in charge of the equipment committee, and Janie Leverenz and Dick Scales are co-chairmen of the publicity. The entire council will constitute the cleanup committee.

Adult advisors of the Council this year are Mr. and Mrs. Walter Seibel of Grosse Pointe.

Sally Hamlin Complimented At Kitchen Shower Today

Bride-elect Sally Hamlin, who will be married Nov. 13 to Thomas Barnum in St. Paul's on The Lake, is guest of honor today (Thursday) at a kitchen shower being given by Lois O'Hara of Muirland avenue. Sally is the daughter of the Otto F. Hamlins of Neff road.

Engaged

At a family dinner Thursday evening, October 4, at The Red Run Golf Club, Mr. and Mrs. Emil M. Schultz of Berkshire road, announced the engagement of their daughter, Virginia Juliann to Ralph B. Ewing of Oxford road, son of the late Mr. and Mrs. Benjamin F. Ewing.

Church Groups Plan Meetings

The afternoon groups of the Grosse Pointe Woods Presbyterian Church will meet on Wednesday, October 17.

Martha, 12:45, hostess, Mrs. A. J. Gatward, 328 Kerby road. Co-hostess Mrs. C. C. Chalfant.

Lydia, 1:00, hostess, Mrs. Geo. Couillard, 4842 Bishop road. Co-hostess, Mrs. Harry Miller.

Esther, 9:30 a.m., meeting at the church.

International Relations Group to Meet Oct. 18

The International Relations division of A.A.U.W. will meet in the home of Mrs. George True, 132 Moran road, on Thursday, October 18, at 1 p. m.

Co-hostesses for the meeting include Mrs. John Foley, Mrs. E. F. Gehrig, Mrs. H. F. Vieweg and Mrs. Raymond Wilcox.

"Problems of Current Interest in International Relations" will be discussed.

Mrs. Edward F. Wright will discuss "Iran and the Middle East," Mrs. R. L. Shepard, "The War Situation Since April," Mrs. A. D. Conkey, "The Western European Scene," and Mrs. George True, "The United Nations."

Receiving Hospital at St. Antoine and Macomb opened on October 12, 1951.

Washington Cathedral Luncheon Expected to Attract Big Crowd

The Country Club will be the setting on Friday, October 19, for a very special meeting of the Michigan Women's Committee of the Washington Cathedral Association.

Mrs. Frederick Clifford Ford, Regional Chairman, feels that the group is greatly honored in having Mrs. Theodore O. Wedel, of Washington, D. C. as guest speaker following the luncheon at 12:30 p. m.

At present Mrs. Wedel is president of the Woman's Auxiliary of the Episcopal Church, Diocese of Washington, and a member of the National Executive Board of the Woman's Auxiliary of the Episcopal Church. She is also a member of the Board of the Washington Council of Church Women, and of the new Department of United Church Women of the National Council of Churches' Commission on the Life and Work of Women in the Church, and attended the first meeting of the Commission in Switzerland last year.

Mrs. Wedel is active in civic affairs, being one of the nine members of the Board of Public Welfare of Washington, D. C. and chairman of its Regulations Committee, which deals with the problems of adoptions. She is chairman of the Health Section of United Community Services, which is the Health Council for the Washington area.

She has been active in the Community Chest, and was for two years chairman of the Women's Division. She is also a member, and former chairman of the board of the Volunteer Bureau of Washington. She is a member of the Advisory Committee to the Juvenile Court, and of the Consumer Advisory Committee to the President's Council of Economic Advisers.

Mrs. Wedel is also a volunteer consultant on the national staff of volunteer services of the American Red Cross, which involves volunteer work in the office, and a considerable amount of traveling and speaking for the Red Cross.

Many committee chairmen have been working enthusiastically for this "Special Event" under the guidance of Mrs. Frederick Campbell, general chairman of the affair.

Mrs. John B. Ford, Jr., assisted by Mrs. Charles B. Crouse, and Miss Marguerite Stroh, have mailed some six hundred invitations. Included in the list are members of the Michigan Cathedral Associations, officers, parish representatives, chairmen of standing committees and the many workers in the annual membership campaign. These active members come from Grosse Pointe, all parts of Detroit, and small and large towns in the state of Michigan.

Mrs. Wood Williams, luncheon chairman, reports that many luncheon reservations have already been received. Any friend of the Cathedral is most welcome, but reservations must be made by October 15. Checks may be sent to Mrs. Williams, 63 Stanton lane, Grosse Pointe 30. Her telephone is TU. 5-0949, and the luncheon will be \$1.75.

Assisting Mrs. Williams on this committee are: Mrs. Harry Pinkenstaedt, Mrs. Sidney T. Miller, Jr., Mrs. Douglas Campbell, Mrs. Joseph Standart, and Mrs. Benjamin Warren.

Mrs. J. Clemens Kolb, chairman of hostesses, has enlisted the services of a large group. Heading the list is Miss Frances Sibley, Honorary Regional Chairman. Among the many others are: Mrs. Alexander Copland, Mrs. John S. Hill, Mrs. Arthur B. McGraw, Mrs. Russell S. Hubbard, Mrs. Richard S. Emrich, Mrs. Henry L. Barton, Mrs. A. W. Sempliner, Mrs. William B. Sperry, Mrs. Donald C. Stevenson, Mrs. C. Stewart Baxter, Mrs. Mrs. Henry W. Sherrill, Mrs. Edgar H. Yoeman.

Mrs. Charles T. Ellis, the Cathedral Association Treasurer, will act as official "ticket-taker."

All Garden Club members know that flowers and Mrs. Frederick Campbell are synonymous so they will not be surprised to learn that she will arrange the autumn-toned table centers.

There will be another surprise committee for autumn floral arrangements however. This group is headed by Mrs. Alexander Wiener and Mrs. Lynn McNaughton. Others assisting are: Mrs. Longyear Palmer, Mrs. William H. Herbert, Mrs. L. Rothe Farr, Mrs. J. Milton Robb, Mrs. John N. Lord, Mrs. John French, Jr., Mrs. Ford Ballantyne, and Mrs. Charles H. Hodges, Jr. Using containers of the beautiful colored Cathedral glass, this group will fashion autumn floral arrangements, which will be on sale.

The list of active association members planning to attend is legion, but to mention a few they would include: Mrs. John Mateer, Mrs. Waldo Grasse, Mrs. Maurice Marr, Mrs. William A. Macks, Mrs. Benjamin H. Paddock, Mrs. William Black, Mrs. John R. Watkins, and Mrs. Jewett Dwyer.

Mrs. Wedel will speak twice in the same week in the Pointe. Besides the Cathedral Luncheon, she will address the Woman's Auxiliary at Christ Church, on Monday, October 15, as part of their program on Adult Christian Education.

There will be a service in the morning, then Mrs. Wedel's talk, followed by luncheon. Visitors are most welcome but as groups are planning to come from Flint, Bay City, Saginaw and Jackson. Reservations must be made beforehand to Christ Church, TU. 5-4841.

Mrs. H. Ray Will is publicity chairman for both these events, assisted by Miss Virginia Paddock and Mrs. N. S. Agesen.

I wonder how many of you girls realize what opportunities there are for office workers in these days of high employment. Unless you have been looking for a new position recently, it is quite possible that you are earning considerably less than you should be. For example, our agency has openings like these almost every day:

- Secys \$300-350
- Stenos 200-250
- Bkklpr 200-250
- Comp. Oprs 175-225
- Typists 175-225

There are openings like these for both experienced help and for beginners, and in all parts of the city with Detroit's finest firms. If you're at all dissatisfied with your present position, you should look into these opportunities. Remember, our services cost you nothing — all fees are paid by the employer.

KID BITS

By NANCY KASER

A lot of fun was had over at Sue Squire's on Friday, Oct. 5. Judy Wilson, Mary Dahlen, Ann Orebaugh, Betty Sykes, Louie Hribar, Randy Fitch, Bob Lowrie, Allen Mendelsohn, Jack Adams, Sandra Dickley, Nancy Evans, Sandra Strehler, Bev Hudson, Donna Smith, Louis Smith, Bill Castle, Maurice McFarlen, Wilson Brice, Pat Hendrich, Nancy Venderbush, Nancy Seydler, Dave Belfore, Pete Gaul, Lee Clancy, Gretchen Schroeder, Carol Volmer, Betty Amazon, Dave Hulbert, Hal Drinkaus and Chuck Floer were among those present.

40-0 was the score that made the Grosse Pointe fans really proud of their school at the football game last Saturday. Jane McGrath, Edna Edens, George Reynolds, Tom Richards, Glenn Thomson, Ernie Nigg, Paula Sutton, Lee Constans, Laurie Smith, John Bonbright, Larry Daniels, Bud Ruthe, Gail Sisson, Pat Barrett, Sal Seaby, Sigrid Olsen, Dave Carruthers, Bob Lambert, Bill Jones, Bob Burgee, Bee Squire, Marlene Clime and Lois Howard are just a few who endured the weather to see the team beat Monroe.

When Peg Lutton invited some

friends over for the evening Saturday night, a wonderful time was in store. Games and singing provided a little different atmosphere for Jean Schade and Dick Anslow, Janet Delaney and Bob Browne, Jeanne Rydholm and Pete Wardle, Kay Catchick and George Reynolds, Shirli Ulrich and Jay Cope, Carol Loveless and George Bashara, Louanne Bordon and Dave Leach and Peg date, Bob Vernier.

The Blue Hi-Y's hayride for the members and dates was one of the biggest events of the weekend. Dave Belfore 'n Cecilia Bonbright, Chuck Schaller 'n Janet Fildew, Dave Bouse 'n Jeanne Newell, Hank Hubbard 'n Jinnie Davis, Neil Smith 'n Tinsey Netting, Ralph Cross 'n Maral Moynaux, Bob Howe and Janie Joachim, Hank Walter 'n Nancy Seydler, Bill Rexford 'n Peggy Moreland, Frank Hagen 'n Colleen Horrigan, Tom Lister 'n Nancy Ramsey, and Don Coory 'n Alice James are a few who started out the evening from Fildew's Riding Stable.

Others who also went back to Miller Hall to dance afterward were Joe Buel 'n Joyce Judson, Robin Hesse 'n Dode Lavo, Winnie Likert 'n Patti Lee, Bruce Crowley 'n Carol Fredericks, Chuck Sweet 'n Carol Ford, Wayne Miller 'n Janet Woita, Gerry Goebel 'n Robin Barr, Chuck Bernois 'n Barb Baro, Greachen Becker 'n Bob Schaller, Dick Eckel 'n Lynn Huntington, Gene Halbrook 'n Ann Watson and Dick Seales 'n Ellie Frizzell.

Detroit Sorosis to Meet In Mrs. M. P. Graham's Home
The next meeting of Detroit Sorosis will be held in the home of Mrs. M. P. Graham, 65 Roslyn road, Grosse Pointe Shores, on October 16.
Assisting for the luncheon meeting will be Mrs. William Stemen, Mrs. B. A. Thomas, and Mrs. E. H. Owen. Mrs. Arthur Hirt will introduce the speaker, Dr. Thelma James, of Wayne University.

Betrothal Told

Mr. and Mrs. Theodore Schroeder, of Anita avenue, were hosts at a family dinner on Sunday, October 7, at which time they announced the engagement of their daughter, JOYCE SCHROEDER, to Allen C. Kroening, son of Mr. and Mrs. Harold E. Kroening of Littlefield avenue, Detroit.

The bride-to-be attended Wayne University and her fiance, the General Motors Institute.

Friends of the young couple were invited to an open house following the dinner.

Will Celebrate Silver Jubilee

The Archconfraternity of St. Clare parish, Mack at Audubon, will celebrate its Silver Jubilee on Wednesday, October 17. There will be High Mass at 9:30 a. m. followed by a luncheon at the Detroit Yacht Club at 11:30 a. m. A program has been arranged to honor all of the past presidents. The program chairman is Mrs. Joseph A. Murphy, assisted by Mrs. Frank Alter, Mrs. William Briggs, Mrs. Michael Chergot, Mrs. Joseph Goncz, Mrs. H. D. Klages, Mrs. Albert Kleffman, Mrs. Charles Kotcher, Mrs. Herman List, Mrs. Edward Lynch, Mrs. Lester McCarren, Mrs. Charles McKinnon, Mrs. Carl Nilson, Mrs. Alois Ptach and Mrs. William Ward.

Friends and members are invited to attend. Reservations can be made by calling Mrs. Edward Lynch, TU. 5-4243 before October 12.

Janet Weinheimer Elected To MSC Activities Board

Janet Weinheimer, Grosse Pointe sophomore at Michigan State College, has been elected to the activities board of Associated Women Students at M.S.C. AWS is the principal governing body of women students and the activities board helps with college residence elections and aids in freshman orientation. Miss Weinheimer will hold the office for the fall term.

Mrs. John E. Herrold of Beaconsfield avenue was the guest soloist at the Denby High School music program on Wednesday, October 10. She is a recent graduate of the University of Michigan, School of Music. She is the former Mary Lou Ewing of 524 University place. Mrs. Herrold was accompanied by Miss Patricia Baumgarten of Windmill Pointe drive. Miss Baumgarten attended the University of Michigan at the same time as Mrs. Herrold.

St. Pauloscope

by MARY MARGARET VAN DAMME

On Tuesday of last week the students and faculty of St. Paul paid tribute to one of their priests and kind friends, Father Richard T. Parrish, who is leaving for Holy Name Church in Birmingham. A program was given in Father's honor, the highlight of which was Father's farewell to all the students. As a parting gift we were given one of the best—a free afternoon.

The Seniors decided to make the most of it and all trooped over to Dee Slater's. Enthralled in the baseball game on TV were Louie Giest, Dee Wise, Tom Tapert, Mary Allor, Tom Nacy, and Maureen O'Brien.

Merrily listening to records and joining in on the choruses were Johnny Huettelman, Diane Cetlinski, Tom McLaughlin, Skip DuCastle, Jack Trombly, Gloria Wancour, Ed Lynch, Connie Molitor, Bob Walker, and Pat O'Kray.

Between drinking cokes and eating everything in sight we heard Pete Schummer, Bev Labadie, Jim Houlihan, Mary Del-Barba, Joe Meier, Dee Chielens, Larry McCarthy, Mary Boomer, Bob Backman, Rosemary Janowski, Jerry Heckendorn, and Janet Oxley making plans for that all important Freshman Dance.

Last Sunday the Seniors donned their caps and gowns for the first time. The occasion was the opening of "The Forty Hours Devotion."

After Mass, Gloria Wancour invited a few of her friends over for a tasty breakfast of ham and eggs topped off with some very delicious homemade coffeecake. Enjoying the repast and talking over the morning's activities were Bev Labadie and Ivan French, Ann Reed and Don Burns and Coble Miller.

Another crowd found its way over to Dee Wise's where they served a breakfast to make anyone's mouth water. Feasting on Mrs. Wise's light crispy waffles which were just floating in maple syrup were Skip DuCastle, Tom McLaughlin, Louie Giest, Lou Ann Moxley, Johnny Huettelman, Diane Cetlinski, Pete Schummer, Janet Hock, and Jack Trombly.

When it was heard that the "Fighting Irish" of Notre Dame were coming to Detroit a group of Paulites decided to be first in acquiring tickets. As a consequence on Friday night Larry McCarthy, Jack Trombly, Dee Wise, Louie Giest, Johnny Huettelman, Jimmy Houlihan, Diane Cetlinski, Tom Tapert, and Louie Gallucci were in the stands cheering the home team on. After hearing the results of the game it didn't seem as if even their cheering did much

good.

As everyone knows the Holy Name Society held its convention in Detroit, and Saturday a huge Candlelight Rally was held at Briggs Stadium. Some of the Junior members of the Society who gave up their usual Saturday night dates to attend were Glenn Walters, Bob Magee, Jim Houlihan, Joe Meier, Tom Tapert, Gerald Fitzgerald, Clifford Jablonski, Jack Trombly, Louie Giest, and John Barton.

See you all at the Senior Dance tomorrow night!

Hospital Guild To Give Party

John T. Woodhouses Celebrate a Silver Date; Alfred Mayers Jr. Home From Trip; Data on Doreen Booth; News of an Election; a Pretty Picture and Travel Talk

THE HIGH POINTS

The John T. Woodhouses gathered their friends last Sunday evening to drink a toast to their twenty-fifth wedding anniversary. Just about this time of year the Woodhouses, along with three other Pointe couples: The Harold R. Boyers, The T. D. Buhs and The George E. Schenks, have long celebrated their wedding anniversaries together.

The Woodhouses gave The Big Party this year because of the silver anniversary. It was held at their Lake Shore road home.

After cocktails, there was supper and then strolling troubadours entertained the ninety some guests until the gay wee hours. Mrs. Woodhouse wore a cocktail frock of crisp black taffeta accented with black velvet collar for the party. Among the guests: Mr. and Mrs. Arthur H. Buhl Jr., Mr. and Mrs. Charles C. Creedon, Mr. and Mrs. Frederick M. Alger Jr., Mr. and Mrs. John Stroh, Mr. and Mrs. William Earl, Mr. and Mrs. George O. Johnston, Mr. and Mrs. C. Henry Buhl, Mr. and Mrs. David Rust, Harry Rust, Mr. and Mrs. Edward S. Evans Jr., Mr. and Mrs. Alvan Maeauley Jr., Mr. and Mrs. William C. Curran, Mr. and Mrs. James J. Phean Jr., Mr. and Mrs. Frank P. Book, Mr. and Mrs. Harold L. Wadsworth, Mr. and Mrs. Edwin W. Baker, Mr. and Mrs. Hale V. Sattley, Robert B. Edgar, Dr. and Mrs. John B. Hartzell, Mr. and Mrs. Carsten Tiedeman, Mr. and Mrs. William K. Muir, Dr. and Mrs. J. Stewart Hudson, Mrs. Gari M. Stroh, Mr. and Mrs. Joseph M. Sherer Jr., Mr. and Mrs. David A. Wallace, Mr. and Mrs. Thomas J. Paddock.

Dr. and Mrs. Charles C. Merket, Mr. and Mrs. Charles H. Symington, Mrs. Jewett Dwyer, Mr. and Mrs. Charles A. Dean Jr., and Mr. Mrs. Benjamin S. Paddock.

The anniversary date was actually Oct. 6 but THAT was the day the duck shooting season opened. The gracious Anniversary Girl set the party up one day so Mr. W. could join the hunters.

The Alfred B. Mayers Jr. are still sparkling-eyed over the wonderful trip they've just had. In Chicago, in between business bouts for Al, they saw South Pacific and their friends, Mr. and Mrs. William J. Hudson of Kenilworth. Missie crammed at a flower arranging course directed by some Great Authority and then they were off to Milwaukee. There was a visit to Missie's cousins, Mr. and Mrs. Douglas Van Dyke of River Hills, and Al's classmate and his wife, the Ernest Clarenbachs Jr. at Beaver Lake, before they headed for their Oxford road home. Missie's parents, the Frederick Warren Richardsons, have just moved into a darling home out there in Hollywood Hills.

Miss Van Loon Wed To William E. Speer

Daughter of Mr. and Mrs. John M. Van Loon of Audubon Road Speaks Vows at St. Clare de Montefalco; Bridegroom Son of Mrs. Ray Burton Bowen

Carrying a white prayer book which held her bridal veil, Margaret Mary Van Loon became the bride of William Errett Speer last Saturday morning at a ceremony in St. Clare de Montefalco Church.

The Rt. Rev. Msgr. Anthony J. Dean of Our Lady Queen of the Holy Rosary Cathedral, Toledo, officiated at the nuptial mass. Assisting at the ceremony were the Rev. Fathers Joseph A. Canaan and Burke O'Neill.

Margaret Mary, daughter of Mr. and Mrs. John M. Van Loon of Audubon road, was gowned in heavy white satin robes, the low slender neckline outlined in lace which also edged long fitted sleeves. The gown's full skirt ended in court train and from her satin cap drifted the full length illusion veil.

Mary Grace Fitzgerald, as maid of honor and four bridesmaids were gowned in Edinburgh blue beaded satin opera length frocks. The dresses had basque waists and skirts poufed over emerald peticoties. Matching blue velvet touched the necklines and sleeves of the dresses and was repeated at the waistline and in tulle caps. All carried American Beauty roses.

The bridesmaids were Nan Eapp, cousin of the bridegroom; Mrs. John M. Van Loon, Jr., Mrs. Sydney Lee Terry and Mrs. Arthur F. Russ, Jr.

Bill, who is the son of Mrs. Ray Burton Bowen of East Jefferson avenue and the late Errett Ruhl Speer, asked his cousin, Robert Rule to be best man and the bridesmen included:

John M. Van Loon, Jr., Pvt. Thomas R. Rule, Oscoda Army Air Base, Paul C. Tully of Wash-

ington and Paul E. Speer of Toledo (formerly the home of the bridegroom's family).

For her daughter's wedding, Mrs. Van Loon donned a gold crepe gown embroidered in gold beads. She pinned an orchid on her handbag.

Mrs. Bowen attended the ceremony in deep brown Chantilly lace over soft rose satin. Her flowers were carnations.

A Nottingham road home awaits the young couple upon return from a Southwestern wedding trip.

Wedding guests motored to the Beach Grove Golf Club at Tecumseh, Ont., for the wedding breakfast and reception.

The new Mrs. Speer chose for traveling a navy blue gabardine suit with small navy hat and red accessories.

Among out of town guests at the wedding were the bridegroom's parents, Dr. and Mrs. Grant William Speer of Toledo.

Church Women to Start Sewing for Red Cross

The Evangelism Committee of St. Paul Ev. Lutheran Church will sponsor the first of a series of monthly meetings for sewing for the Red Cross on Thursday, October 18, at 1:30. Light refreshments will be served.

The committee in charge of arrangements consists of Mrs. Wayne Wellman, Mrs. Fred George and Mrs. Daniel Wurm. Members of the congregation and friends from the community are invited.

Congregational Fair November 2

Mrs. William M. Browne of Lewiston road will serve tea on Tuesday, October 16, to her 22 "Fair Ladies," all members of her committee for the Grosse Pointe Congregational Church "Holiday Fair" which will be held in the church parlors on November 2.

Believing that "all work and no play" is not good, Mrs. Browne has asked her chairmen to her home for an afternoon of relaxation and to talk over final plans.

Mrs. Browne, a veteran bazaar chairman, has Mrs. Lloyd Weed, as vice-chairman. They readied their committees months ago and they include Mrs. Leonard Sloan, aprons; Mrs. Harold Husband, white elephant chairman; old jewelry, Mrs. A. E. Lowery; Mrs. Marcus Kalbfleisch, linens; Mrs. Verne Drew, knitting shop; Mrs. Louis Charvat, flowers and garden committee; Mrs. Robert Kimball, antiques; Mrs. James Cunningham, chairman of decorations, and Mrs. Lyndle R. Martin, publicity.

The Hand Painted and Decorated Shop is being chairmaned by Mrs. L. H. Orebaugh; pine shop by Mrs. Russell Tripp; Mrs. Clara Sober is in charge of the Parcel Post Booth; Christmas cards will be sold by Mrs. Walter Frizzell. Mrs. Edward Shear will make custom made hats.

One booth which has come to be a tradition at the Congregational Fair is the one managed by the lovely ladies of the Senior Sixteen Group. These are the ladies who have been helping with fairs for many a decade and know all the secrets. They will have all manner of interesting merchandise. Mrs. Helene Schaffer will be in charge.

The Doll House is always an exquisite display and this year is planned by Mrs. Edgar Hahn. Mrs. Carl Swanson will be in charge of afternoon tea; Mrs. Edward Schutte, pantry shelf; Mrs. George Smith, candy; Mrs. Howard Emerson, Snack Bar, and Mrs. Robert Hannah, chairman of the nursery.

A new city charter was granted Detroit on October 24, 1815, which extended the city limits to include the Cass farm.

"The Romance of Medicine" Memorial Lecture Subject

Dr. Harvey M. Merker of Parke, Davis & Company, widely known as a speaker who describes dramatic medical advances in easy-to-understand and colorful language, has been selected to deliver the second annual Eldwin R. Witwer Memorial Lecture.

Dr. Merker will speak on "The Romance of Medicine" in the auditorium of Pierce Junior High School Tuesday night, Oct. 30, starting at 8:15 p.m.

The general public is invited to hear the talk commemorating the late Dr. Witwer, nationally-recognized radiologist at Bon Secours Hospital. There will be no charge.

The staff of Bon Secours, headed by Dr. Joseph Kasper, is sponsoring the lectures as a tribute to Dr. Witwer and as a cultural service to the citizens of Grosse Pointe and Detroit. Dr. Witwer opened Bon Secours' X-ray department in November, 1944.

Dr. E. Frederick Lang, who succeeded Dr. Witwer at Bon Secours in 1948, is chairman of the Oct. 30 lecture.

His committee includes these doctors, all of Grosse Pointe: W. George Belanger, Ralph M. Burke, Richard C. Connelly, James E. Coyle, Malcolm J. Kelson and John M. Murphy.

Dr. Lang emphasized that Dr. Merker's talk should be of "great interest to everyone, as it will be not only a non-technical explanation of the latest medical conquests, but also will tell the absorbing personal stories behind some of these events."

He added, "Dr. Merker is superintendent of chemical and pharmaceutical manufacturing at Parke, Davis & Company, one of the world's oldest and largest drug-manufacturing companies. In this capacity, he has watched the development of scores of medical advances, including the discovery of Chloromycetin, one of the antibiotics."

"He will tell in layman language the amazing story of the antibiotics. He will discuss the discoveries of cortisone and ACTH, used so dramatically in the treatment of rheumatoid arthritis and other diseases. Dr. Merker also will describe the discovery of chemicals for treating specific diseases, such as Promin for leprosy, Dilantin for epilepsy and Benadryl for allergies."

Dr. Merker has been very active in numerous cultural and scientific organizations, both local and national. He is a member of the Detroit Public Library Commission and the National Advisory Committee of the University of Michigan Memorial-Phoenix Project. He also is president of the Detroit Institute of Cancer Research.

Dr. Merker believes medicine

is on the threshold of many new startling advances. He was quoted by Dr. Lang as saying:

"Eighty per cent of the modern techniques of medicine have been developed within the last 10 years. Now we are entering a new era where the torch that has been established will grow into a telling march against disease and death."

"It gives promise of prolonging life and making old age comfortable—or restoring color to pallid cheeks and a glint to tired eyes."

"Science today is rolling like a snowball."

Dr. Lang urged those planning to attend to come early in order to get seats in the auditorium at Pierce Junior High School, which accommodates approximately 700 persons.

Church Starts Sunday Forum

The Rev. Paul F. Ketchum, assistant minister of the Grosse Pointe Memorial Church, will be among the speakers to be featured by the Sunday Morning Forum in a three-month experiment of meeting in the Church Sanctuary, instead of the Church house.

The regular church choir and Malcolm MacLean Johns, organist and choirmaster, are providing the music for the new services at 9:30 a.m. each Sunday.

Mr. Ketchum will speak Oct. 28, Nov. 25 and Dec. 30. He also will participate in all other services during the period, together with B. G. Rich, Forum president.

Other speakers already scheduled: Oct. 21—Dr. Bruce M. Raymond, executive director of the Michigan College Foundation, Inc.; Nov. 4—Louis A. Komjathy, lawyer and moderator of the Detroit Presbytery; Nov. 11—Mrs. C. Herbert Rice, former missionary to China; Nov. 18—Dr. Kenneth Neigh, executive secretary for the Presbyterian Synod of Michigan; Dec. 2—Miss Elizabeth S. Sargent, counsellor at Wayne University and former missionary to China; and Dec. 23—Nurses choir from Ford Hospital.

Dr. Frank Fitt, minister of the church, opened the three-month experiment with a review of the book, "The Life We Prize," by Elton C. Trueblood. On Oct. 7, Dr. Pera S. Benjamin of Iran spoke. A Communion service is scheduled for Oct. 14.

Dr. Fitt said, "A special welcome is extended not only to parents of the children in the Church School, but to everyone else who wishes to worship at the earlier hour."

Two cent letter postage began on October 1, 1951.

Orphaned Squirrels Get Loving Care in Foster Home

A storm on Labor Day blew three infant squirrels (only two are pictured because one was camera shy) from their nesting spot in a willow tree in the back yard of the David G. Williams home at 259 Moran road. The Williams family immediately assumed full responsibility for the orphans and made an improvised nest for them from a pale pink sweater of Mrs. Williams. Mrs. Williams called the Detroit Zoo for information on the care and feeding of squirrels and has been preparing a warm milk and pabulum formula for them. The squirrels have been raised as indoor pets and are called Suzie, Tommy and Jerry.

Heads Committee For Torch Drive

Nicholas Kelley, Jr., of 690 Rivard boulevard, secretary of the Chrysler Corporation, has been named head of a committee of 15 top industrialists who will solicit large industries during the third annual Torch Drive.

The Industry unit will attempt to raise \$5,517,352 of the \$11,666,000 Torch Drive goal, during the "give once for all" fund raising campaign, Oct. 16 to Nov. 8.

Other Grosse Pointe residents in the industry unit are David W. Rust, 541 Lincoln road, vice-president, Bundy Tubing Co.; Alfred C. Scott, 1150 Buckingham road, president, George F. Alger Co.; Thomas F. Morrow, 1904 Manchester boulevard, Chrysler Corp., executive; Arnold F. Malow, 520 University place, vice-president, Barton Malow Co.; Howard Maynard, 714 Lakepointe, president, Snyder Tool and Engineering Co.; Lem Bowen, 755 Bedford road, assistant to the president, Burroughs Adding Machine Co.; and Charles A. Skog, 16832 Cranford lane vice-president, Grand Trunk Railroad.

Plan Open House At Pierce School

The annual Open House will be held at Pierce Junior High School at 8 p.m. on Friday, October 12. While the parents of all pupils are invited to attend, special letters of invitation have been sent to the mothers and fathers of students attending Pierce for the first time this semester.

After a short business meeting in the auditorium, the P.T.A. president, Dr. Daniel McGinty, will turn the program over to 7B students Nancy Brown and Gordon Sachs, co-chairmen for the evening, who will welcome the parents to the school.

Chloe Irvin and Jacqueline Gignac will introduce a skit presented by 7B homeroom 226, under the direction of Miss Warren Rhodes, homeroom teacher. The skit, in the form of a homeroom meeting, will explain to the parents the various activities sponsored by the school each year to help the 7B's feel at home.

These activities include, among others, visits to Pierce while the students are still 6A's, the 7B after-school party, and guide service by ninth graders the first days of school.

The 7B vocal music classes, directed by Miss Gwen Brockmiller, will sing two songs, "Oh, God, Our Help in Ages Past" and "Pajarillo," a Latin American folk song.

After the auditorium program, parents are welcome to visit the classrooms and meet the teachers. Mrs. Miles McKee's committee will serve refreshments in the gyms.

Wanted: Local Ethel Barrymore

All applicants are urged to report to Miller Memorial Hall Thursday, October 11 at 8 p.m. for immediate casting in the Grosse Pointe Community Theatre's new production, "The Corn is Green."

The theatre, having cut its teeth on a representative number of shows of a lighter caliber, has now felt the time to be ripe to undertake a more ambitious project, hence "The Corn is Green," to be presented November 23 and 24 at the Grosse Pointe High School.

It was felt that this play, having attracted the best talents of the American theatre, would offer a real opportunity to the community, combining as it does the best elements of comedy and drama, and offering a cast of characters drawn by a master's hand.

Having chosen such a distinguished play, the theatre wishes to make sure that no lead remains undisturbed in making the production equally distinguished.

For this reason it is giving theatre lovers throughout the Pointe a chance at some of the most demanding yet most rewarding roles that have ever been written.

You've probably heard of Miss Moffatt, (Ethel Barrymore played her on the stage, Bette Davis in the movies). She can be loosely labelled a school teacher, but a more sincere, moving character has never been written. Then there's Morgan Evans, the young coal miner whom she tutors to greatness—an immensely satisfying role for an actor; and 12 other such roles offer a wide field for sensitive acting.

"The Corn is Green" is a moving and beautiful play, and the Community Theatre wants to present it to the fullest extent of its ability. Those who love good theatre are asked to join in the talent search. Contact your theatre loving friends and make a date for Thursday night at 8, at Miller Memorial Hall (behind Christ Church).

Those who don't want to read can attend and listen and have a sneak preview of the season's most important coming attraction, the Grosse Pointe Community Theatre's production of "The Corn is Green," starring our own Ethel Barrymore!

Those unable to attend at this time, but who are interested in participating, may contact Mrs. George Hall, assistant director, at TU. 2-6186.

To Study Farms Water System

The water situation in the Farms will be studied by the firm of Drury, McNamee and Porter, consulting engineers of Ann Arbor. The council voted Monday, October 8 to authorize the Water Department to hire the firm.

According to Harry Furlon, city clerk, the firm will study the requirements of future water consumption. They will also report on the water supply for the future, the filtration plant, intake system and the present system of water distribution.

Community Benefactors

An amazing record of diversified philanthropies and community helpfulness is disclosed in a printed report which has been distributed among the membership of the Grosse Pointe Rotary Club. This is a modest organization and the report was not intended for publicity.

The club is getting ready for its annual charity party, which will be held this year on November 17. The report was provided for the members to show them what their efforts had done during the past year, and to spur them on to do a good job again this fall in staging the event which supplies the money to carry on the good work.

For the last three years the Rotary party has netted about \$8,000 each year. Prior to that the events brought in smaller amounts, but a conservative estimate is that the total of 14 parties staged by the club raised more than \$40,000. Every cent of this money has been spent in charitable and community projects in the Pointe area.

This has been accomplished by a club that started 15 years ago with 27 members. Today there are 90.

The list of projects undertaken and completed during the year 1950-51 presents a picture of the scope of the charitable works of the club. The \$8,000 spent went for everything from purchasing school books for a home-ridden boy to donating \$2,500 for an outpatient clinic at the new Bon Secours Hospital.

A hospital bed was furnished for a needy resident. Three scholarships of \$200 each were awarded to high school graduates. The club provided a loaner service for free portable television sets, a hospital bed, invalid wheel chair and crutches.

Once again it donated money for the community Halloween party. The Rotary Club originated the Halloween party idea 11 years ago after a swarm of local youngsters went berserk and did a lot of malicious mischief and got into a pitched battle with the police. The Rotarians figured if they could provide enough good wholesome entertainment for the teen-agers, they wouldn't be interested in hell-raising.

The first year the party was almost 100 percent a Rotary affair. The idea proved so good that other community agencies joined in and helped develop the project to its present level, where a series of parties are staged in the various schools to provide fun for the Pointe kids of all age groups.

To continue with the club's donations during the past year, funds were supplied for "Youth for Understanding" exchange of high school students. Monthly motion pictures were provided for patients in Marine Hospital. Christmas baskets were supplied for a number of local needy families and for indigent persons at the Old Folks Home.

A rug was purchased for the War Memorial Center. The Rotary Club has undertaken the maintenance of a room in the Center, and is refurbishing it. In addition, the club made the first donation to the War Memorial Association, a gift of \$2,500, and its members have been among the most active supporters of this community project.

Funds were given to the Garden Club Council to help stage the successful "Clean-Up Week." The club underwrote the Dental Health Program in Pointe schools. It distributed books and magazines to the patients in Marine Hospital.

A special welfare fund was continued at Pierce Junior High School, and four high school boys were sent to Wolverine Boys' State with Rotary funds. It sponsored an Inter-Service Club community meeting.

A boy was sent to the University of Michigan Fresh Air Camp and a watch was awarded to an outstanding high school graduate. High school boys were entertained throughout the year as guests at the club meetings. A trophy was given an outstanding member of the High School Band.

The Girl Scout Camp was presented with three boats and a dock unit. The club sponsored a community-wide drive for "Crusade for Freedom" signatures, and took an active part in the Torch Drive Rally.

The famous Rotary Tool Library, which was established in the Main Library in Pierce School some years ago, was nearly doubled during the year. The club has spent more than \$500 in supplying tools which may be borrowed by any resident holding a library card.

The Rotarians played a big part in staging the carnival at the War Memorial Center in June. Its members participated in the drive to obtain blood for the wounded in Korea. Special summer tutoring was provided for a crippled-deaf girl. Transportation was provided to enable Safety Patrol Boys to attend a baseball game at Briggs Stadium, and trophies were supplied for several sports events staged in the Pointe.

It is a fine record of service to the community and the residents owe a debt of gratitude to the Rotarians for their continuing program. Thanks may best be shown by support of the club's party which will be held on November 17.

"Every day is fresh beginning, Every morn is the world made new."

The tasks are done and the tears are shed, Yesterday's errors let yesterday cover, Yesterday's wounds, which smarted and bled, Are healed with the healing that night has shed."

(Sarah C. Woolsey)

One of our downtown spies ran into a local BEEEG but tired business man, coming out of the Gaiety Theatre one afternoon around 5 p. m. When the latter saw that our reporter spotted him, his face turned a very pretty claret!

Now that the hunting season is on... the man in our life arrives at our house from time to time, laying at our feet such treasures as wild ducks, wild geese, wild pigeons, wild this and wild that.

Realizing that we are not so fortunate as to live in the days when THE man brought home the golden fleece or the platinum apple or a tooth from the dragon, (to prove his love)... we wish... OH HOW WE WISH... that during hunting season, he would shoot something like spaghetti and meat balls.

We did something one day last week, that we have rarely been guilty of. (We could have written "of which we are rarely guilty"... but we're in a pixy mood today!) To get back to what we DID, we YAWNED loud and long, during a conversation with a vague friend, one afternoon around five.

Our friend, (who secretly listens herself), told us she thought we ought to see a psychiatrist. But we have her fooled. Silbert IS our psychiatrist. Instead of going to one of those gents, we just telephone Silbert every night and say what is on our mind at the time.

This is strictly for them what likes a wee nip now and then... as well as for those who would rather have their head chopped off than forego a cocktail before dinner. It concerns a middle-aged married couple from Grosse Pointe who were spending a short vacation in the South.

They accepted with glee and since they had to rush home from the golf course in order to tear into their dinner clothes and arrive on time... they DIDN'T have the usual drink or two they were accustomed to having while dressing.

When they arrived, the eight or ten other guests were already assembled and our heroes noted with horror that the only drink being served was tomato juice! Mr. Blathington whispered to his wife advising her not to faint... that they were probably going to have excellent wine with dinner.

Dinner over, the group repaired to the living room for bridge. By this time, the Blathingtons were in a mood to commit mayhem, but they dutifully sat at the bridge table (like polite Grosse Pointers), and tried to look pleasant. In about a half hour, Mr. Blathington, whose back was to a large serving table, heard the glorious tinkling of tall glasses and ice!

A Sensible Attitude

Toward Illness

By Fred M. Kopp, R. Ph.

Fear, anxiety, depression complicate illness. True they are natural reactions but fortunately you can set them aside if you make up your mind to do so.

Dispel fear and anxiety by securing the services of a recognized physician. Carry out his orders promptly and accurately. Have faith in his treatment and you will avoid periods of depression and greatly aid your recovery.

Have prescriptions filled by a pharmacist whose policy is accurate and prompt service.

What Goes on at Your Library

by Jean Taylor

"Do you own all these books?" A cherubic four-year-old points a chubby finger at the library shelves. Miss X, who believes it is never too early to foster civic pride, attempts to explain in words of one syllable, the intricate business of taxes and the part played by our cherub's daddy in maintaining the library.

"Hm-mm!" replies the small precocious one. "Did you hear that, Mummy? We own a little bit of the Public Library. We own a lot of General Motors, too, don't we? Pretty nice for us!"

It is amazing how early the small fry begin to think of the library as theirs. A great many are at home there before they enter kindergarten.

As soon as a child is able to write or print his name he may have his own library card. If you drop in at one of our libraries of an October or November morning and find 25 or 30 small future citizens with their teacher, you may well wonder "what goes on at your library?"

It is the goal of the library to have each child in the community own and, better still, use a public library card. To this end we have had the excellent cooperation of the schools, public, parochial and private.

Early in the Fall semester, arrangements are made by which all schools within walking distance of a library send classes for an annual visit. At this time the children learn how to use their library and an effort is made to interest them in books and reading.

When the distance between school and library prohibits these class visits, the children's librarian visits the schools and talks with the children in their classrooms to stimulate an interest in the library and in reading. Said one youngster, presenting himself at the library desk after one of these visits... "Well, here I am. You sure sold me!"

In a brief span of years these children will be adults. They are library minded now. Our job is to keep them so.

THE GROSE POINTE COMMUNITY THEATRE

We recently interviewed John R. Dykema, president of the Grosse Pointe Community Theatre, Inc., and in one short hour, were presented with enough information to fill an entire issue of this newspaper. It was most interesting to learn not only of the great progress this group has made since it was formed in 1948, but also of the plans for the future.

Speaking with enthusiasm and good authority, Mr. Dykema told us of the founding of the G.P. Theatre. Russell Werneken, the organization's first president, conceived the idea of a community theatre group in 1947. With the aid of a number of public-spirited and theatre-minded Grosse Pointers, each of whom gave fifty dollar contributions (thus becoming charter members), the Grosse Pointe Theatre formally came into being the following year.

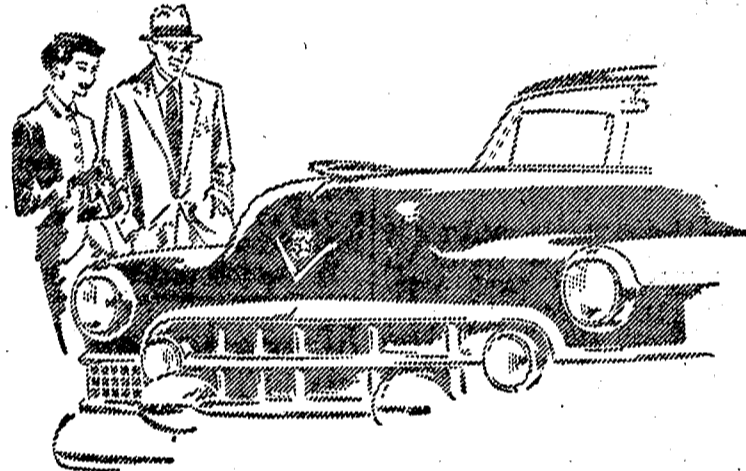

In the G. P. Community Theatre—its official name now—we have a well-organized and extremely active group. It is a non-profit corporation, and welcomes as a member anyone in the community. All one needs to join is five dollars for the initiation fee and two dollars per year for dues.

There is a board of directors which includes the above-mentioned officers, plus Clark Wells, Carl Dumas, Dallas Chapin, Undine Sturdevan, Mrs. Virginia Cassil, Mrs. George True and Mr. Werneken. The board meets once a month.

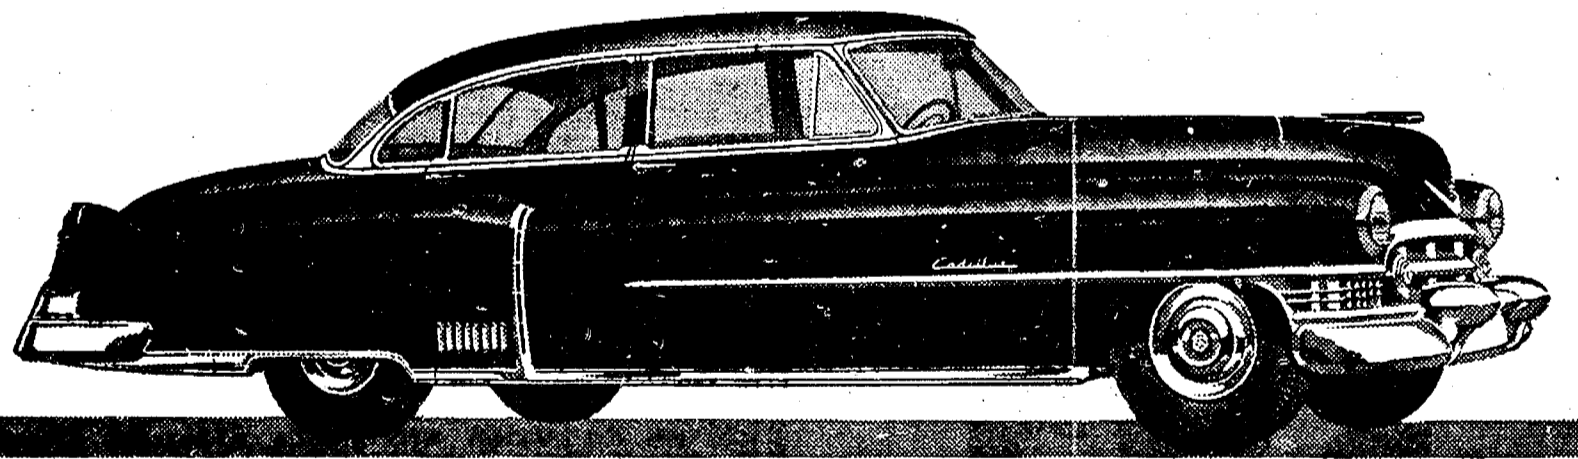

In addition to the officers and directors, who are elected by the membership at the annual meeting every spring, there are a number of standing committees to take care of publicity, ticket sales, production, new membership, etc. There is a Secretarial Committee, which, Mr. Dykema discloses, does a whale of a job.

From September through May each year, the membership meets once a month. Activity at these meetings varies a great deal. Occa-

For the man or woman who wants a Cadillac, there is no satisfactory substitute in the whole wide world!

So, if your heart is set on sitting at the wheel of this great and distinguished motor car—let us talk with you frankly about the matter.

First of all, you should come in and place your order—just as soon as circumstances will permit.

There is now—as there has been for many years—a waiting list of wonderful people who wish to own this distinguished car. And the sooner your name joins this distinguished list—the sooner your hope will be realized.

And once your signature is on an order blank—hold firm to your purpose.

This may not be easy—for temptation is almost certain to assail you!

Cars without number may be had today—almost as soon as you agree to accept them. And, quite naturally,

people who sell these available cars may ask you to shift your preference from Cadillac.

But, again, we urge you to hold firm—for the sake of your own welfare and your own satisfaction.

Remember—it's Cadillac you want.

Cadillac—with its universal and pride-inspiring recognition as the Standard of the World!

Cadillac—with such performance that owners actually think up excuses for taking to the highway!

Cadillac—with such amazing endurance that its full life-span has never yet been measured!

Cadillac—with economy so extraordinary that few cars, at any price, will run farther on a gallon of gasoline!

Yes—if you want a Cadillac, come in and order it. And then stand firm until you get it.

It's far, far better to wait—than be sorry. For, remember, there is nothing that can take its place.

sionally there is a guest speaker. (The group has heard talks on make-up, the art of directing, the current New York stage); there are tryouts for "work-shop" plays, and sometimes a monologue or reading. The work-shop plays are presented for the members only, and offer members with no acting experience an opportunity to try their talents.

At least three plays are planned for this season. They have been chosen by the Play Selection Committee, which is a temporary committee that meets several times during the summer. "The Corn Is Green" is now being cast, and will be presented on the Friday and Saturday following Thanksgiving. Bill Gregory will handle the directorial assignment.

We gather adequate talent has not yet been found to complete the cast of "The Corn Is Green," and its directors are calling an open reading Thursday evening at the Miller Memorial Center. Take heed—one and all—juicy parts need filling!

The two other productions, scheduled for after the first of the year, are "The Willow and I," by John Patrick—with Dallas Chapin as director—and the Helen Hayes vehicle, "Happy Birthday." This one will have Mrs. George Candler directing. Mr. Dykema says they are also thinking of offering the best of the work-shop plays for the general public next spring.

He told us as well of the organization's high hopes for a theatre building of its own some time in the future, though plans and procedures to accomplish this goal remain vague and indefinite. We can only wish them eventual success on that score. In the more immediate future, however, we will look forward to this season's Grosse Pointe Community Theatre presentations, and, along with the community as a whole, lend our support and good wishes.

The King and Queen

It doesn't seem too many years ago that we covered another royal visit . . . that of HRH King George VI and Queen Elizabeth . . .

Then special stands for spectators had been built at a siding at the railroad station . . . and on a small platform the reception committee and guests were received by the King and Queen . . .

It had been pandemonium as everyone jostled to get a place in the stands in front of that platform, we can remember, and we're sure it must have been a courier who gave word that the royal train was about to appear.

At first it was but a tiny dark speck where sky and tracks met . . . and as it became more distinct we saw it was a blue and silver train and that four figures were standing on the back platform . . .

For it was slowly, silently backed into the siding . . .

Long Live the King!

A hush fell over the just noisy crowd . . . and we watched that back platform . . .

Health Council To Conduct Tea

The Mothers' Health Education Council's first meeting of the fall season will be a get-acquainted tea at 1 p. m. on Tuesday, October 16, at the War Memorial Center.

Mrs. Stanley MacKenzie, a past president of the council and the reason for its organization.

Lawrence Westerville, a counselor at Grosse Pointe High School, will also speak to the group. His subject will be "Some Things I Have Learned as a Counselor Which Parents Should Know."

League Salutes The Symphony

This Friday the Junior League will herald the return of the Detroit Symphony Orchestra at a luncheon in the Grand Ballroom of Hotel Statler. Artists who will play at the luncheon include the Pointe's John Scripps Sweeney III, pianist, and sixteen year old Charles Treger, violinist of the Detroit Symphony Orchestra.

Officers of the Detroit Symphony Orchestra and their wives who have been invited to the luncheon include Mr. and Mrs. John B. Ford Jr., Mr. and Mrs. Nate Shapiro, Mr. and Mrs. John S. Sweeney Jr., Mr. and Mrs. Jerome H. Remick Jr., Edgar H. Ailes and Mr. and Mrs. Charles T. Fisher Jr.

Original sponsors of the Symphony who have received invitations are Mr. and Mrs. B. E. Mr. and Mrs. Wendell W. Anderson of Vendome road, have arrived at their home in Bermuda for an autumn visit.

Campfire Girls News

Several Grosse Pointe groups of Campfire girls and Bluebirds took part in the Southeast district's weekend out at Camp Wathana near Holly.

Among the 102 girls and 28 leaders and mothers at camp for Saturday and Sunday, September 29 and 30, were Mrs. Dale Boyle's and Mrs. Robert Muntz's Mason School Campfire girls, including Cathy Menke, Ruth Ann Walter, Barbara Simpson, Barbara Boyle, Kay Kemp, Roberta Muntz, Diane Bonia, Linda Heyd, Ann Van Gothen and Sally Goodson. The girls were glad to cook three of their meals outdoors and pass some of their requirements for fire-makers rank.

Other Grosse Pointe groups enjoying the bright fall weather at Camp Wathana were Mrs. Gladys Baude's and Mrs. Elsie Friedrich's group both from the Woods.

The camp, which was also open for eight two week sessions during the summer, is partially supported by the sale of Campfire cookies. This year Grosse Pointe and the rest of the Southeast district responded more generously than ever before and nearly doubled the usual number of boxes sold.

Mrs. Roger Frerik's group of Campfire girls at St. James Lutheran Church, McMillan road, won a free weekend at Camp by selling an average of 66 boxes per girl.

Impressive Blue Devil "11" Rolls Over Monroe by 40-0

Coach Ed Wernet's sparkling Blue Devils almost hit a new high in scoring last Saturday, October 6, when they trampled the Monroe Trojans, 40 to 0, on the Devils' home gridiron before a hilarious but meager crowd.

Playing under leaden skies and in an on-again-off-again drizzling rain, the rampaging Devils rolled up six touchdowns and added four conversions to set the season's high scoring mark in the Border Cities League.

Mark Set in 1940
However, this was not the highest total ever run up by a Grosse Pointe team. The school's scoring mark was established back in 1940 when Athletic Director Frank Banach steered the Pointers to a 68 to 0 victory over Port Huron on the local field. This has always been a sore spot with the Hurons and has spurred them on to several wins over the Devils since that time. In 1946 the Hurons gained an appreciable revenge when they walloped the Devils, 59 to 0 in a snow storm on the Hurons' concrete-like gridiron.

Held scoreless in the first quarter by the Trojans, the Devils shifted their attack into high gear in the final three quarters, scoring twice in each quarter.

Halbrook Scores First
The Devils' first score came early in the second quarter after they had driven from their own 24 yard line near the end of the first period. Gene Halbrook led the attack, aided by Danny Slowe's off tackle slant for 13 yards but put the ball on the Trojans' 9 yard line. Halbrook charged over his own right tackle into pay dirt. Ed Anderson converted to make the score 7 to 0 in favor of Grosse Pointe.

Penalties dominated the greater portion of the second period until Dale Ewart, playing heads up ball, grabbed an attempted Monroe lateral pass and scampered back 19 yards to the Devils' 49 to stop the first Trojans' threat of the game.

Slowe Makes TD
With Jim Comins and Dan Slowe spearheading the Pointers' steamroller onslaught the Devils rolled to their second touchdown in eight plays with Slowe scrambling 24 yards off tackle to climax the drive. Anderson again converted, giving the Pointers a comfortable 14 to 0 lead at half time.

Quarterback Ewart, calling a beautiful game, engineered the Devils' third tally of the contest 12 plays after the Trojans had kicked off to start the third period.

Jim Comins climaxed the drive by going 36 yards to score. Ray Ratzel and Johnny Dicicco threw the key blocks to pave the way for Comins. Anderson missed the try for the extra point but the Devil spectators weren't too disappointed.

Substitution Plentiful
At this point the game appeared to become a rout for the Devils and Coach Ed Wernet and line coach Harold Fisher began substituting in a wholesale fashion in an attempt to keep the score down. BUT every boy on the Blue Devil squad was fired up and no matter who entered the game, the Pointers' attack carried all the fury of an enraged bull and the Trojans were ground into the turf.

The Devils' fourth touchdown came as the result of a blocked kick by Ed Anderson late in the period.

Punt Blocked
With the ball on their own 23, fourth down and 26 yards to go, the Trojans attempted a fourth down punt. Anderson charged through the Monroe line as if it were tissue paper to block the kick, with the ball rolling to the Trojans' 2 yard line with no less than six Blue Devils in hot pursuit.

It looked like the six boys were taking a vote as to which one would pick the ball up for the score when little Georgie Parker scooped the pigskin up and stepped into the end zone for the Pointers' fourth touchdown. Anderson's conversion was wide again but the Devils were on the long end of a 26 to 0 score.

Snags Another Lateral
In the late stages of the third quarter, Dale Swart again grabbed an attempted Monroe lateral pass off the fingers of Cantrell on the Trojan 41 yard line and raced back to the Monroe 32.

Bill Billups slashed his way for 20 yards to the Trojan 12 but two successive 5 yard penalties pushed the Devils back to the 27 yard line as the third period ended.

Quarterback Don Schmidt flipped a pass to Billups, which was good for 19 yards and on the next play Schmidt pulled a quarterback sneak down to the 2 yard line. Johnny Dicicco just missed his touchdown by inches but two plays later Schmidt hit Leonard Anderson with a spot pass in the end zone for the score. Ed Anderson converted to make the score board read 33 to 0 in favor of the Devils.

Subs Play Hard
Near the end of the ball game the Blue Devil subs literally rushed Monroe off its feet when the Trojans were attempting desperation passes to avert a whitewash. The hard charging of the Pointers forward wall finally cashed in the Pointers' sixth score of the day.

On one of these desperation pass plays the Pointers' line surged through to smother the Trojan passer, causing him to fumble in the end zone and Don Button fell on the ball for the score. Anderson converted to climax the rout.

The Blue Devils are pointing for the next Saturday, October 13, when they meet the first of four strong rivals remaining on their schedule.

Point for Wyandotte
Wyandotte is next on the list and they will be playing in their own back yard and it is no secret the Blue Devils want this ball game more than anything they can think of right at the present time. On the other hand, Wyandotte always was taken great delight in trampling over the "millionaires from Grosse Pointe" in years past and there is no reason to believe the Bears intend to roll over and play dead next Saturday.

Wyandotte barely edged Royal Oak last Saturday, October 6, 20 to 14, scoring two touchdowns in the final ninety seconds after trailing throughout the game. Two weeks ago the Blue Devils chalked up a 13 to 0 win over the Acorns with comparative ease. But it is reported Royal Oak was a much improved ball club against Wyandotte.

Cadet Ronald L. Sutton Assigned to Sea Duty

KINGS POINT, N.Y.—Ronald L. Sutton, a Cadet-Midshipman in the United States Merchant Marine Cadet Corps, has been assigned to the S.S. American Reporter as part of his second year of training, it was announced here. He is the son of Mr. and Mrs. C. R. Sutton of 412 Moran road.

The S.S. American Reporter, a vessel operated by the United States Lines steamship company, is employed in the European trade, calling at such ports as Bordeaux, Havre, and Plymouth. The vessel to which Cadet-Midshipman Sutton has been assigned is one of many types of modern American merchant ships on which Cadet-Midshipmen devote a year of practical training at sea as part of the four-year course at the United States Merchant Marine Academy. The first, third and fourth years are spent at the Academy here. During their year of officer-apprenticeship at sea, they continue with their academic subjects leading to a Bachelor of Science degree.

Cadet Harold Galla, Jr. At Military Institute

Cadet Harold Galla, Jr., son of Mr. and Mrs. Harold Galla, of Hollywood drive, has returned to duty at Virginia Military Institute to begin his third year. Cadet Galla was graduated from Grosse Pointe School in the class of June, 1948.

Cadet Galla, who is enrolled in a liberal arts course, is training to become a regular Marine Corps officer. He won a freshman numeral in wrestling and he has played tennis for the Institute.

East Side Lutheran Baseball League Holds Banquet

The annual banquet of the East Side Lutheran Baseball League culminated another successful season of the circuit, which started last year and consists of eight teams. Left to right are: WILLIAM E. JELNECK, secretary; GERALD "GEE" WALKER, former Tiger outfielder and guest speaker at the banquet; ROYAL WARREN, manager of the Bethlehem team, champions; EARL W. EDMESTON, league president; PASTOR H. C. BERNTHAL, master of ceremonies; HERMAN TAFFS, manager of St. Paul's, champions of Class B; and RODNEY V. MERKLE, league vice-president.

DUS Grid Team Beats A. E. Smith

By Fred Duffield
The D. U. S. football team made it two straight by beating their second opponents of the season, A. E. Smith, 27-6, on the D. U. S. Edsel Ford field.

D. U. S. wasted no time in scoring. They received the kick-off, and it took them only nine plays to cover the remaining 61 yards for their first touchdown. Paydirt was hit by Dave Rentschler, running his own right end for eight yards. He also scored the extra point, which put D. U. S. ahead 7 to 0.

This march of 61 yards was featured by Rentschler and Paul Brown. Rentschler accounted for 44 yards, while Brown picked up 13 more.

Early in the second quarter, Rentschler intercepted a pass on the Smith 31. Don Ohmart then went nine yards over left tackle and Rentschler went the remaining 22 yards over center to paydirt. A pass from Rentschler to Osbeck was good for the extra point.

With about a minute and a half remaining in the third period, D. U. S. took the ball over on their own 49. Two straight passes, each from Rentschler to Garbutt, were good for 16 and 24 yards respectively, which moved the ball to the A. E. Smith 11. Brown then found a hole over right tackle to pick up six more, from where Ohmart powered over center for five yards and the third D. U. S. touchdown. The try for the extra point failed.

A. E. Smith, after receiving the kick-off, threw a beautiful forward pass, which put the Wyandotters on the D. U. S. 22. However, the big end from Smith was really rocked by some fine tackling which produced a fumble, and D. U. S. recovered.

Ohmart then fought his way for twelve over center, which was followed by a pass good for 32 yards from Brown to Stalker. This put the ball on the Smith 34. Rentschler then skirted left end for 26 more, and a nice pass from Brown to Ohmart produced the last D. U. S. touchdown. John Ottaway ran left end for the extra point, and D. U. S. led, 27 to 0.

A. E. Smith was able to score just before the final gun sounded, on several well-executed pass plays, the most notable of which covered 33 yards, and ended on the D. U. S. 42, from where they plunged to paydirt. The try for the extra point was blocked by McKinley, and the final score read D. U. S. 27, A. E. Smith, 6.

Dave Rentschler, without a doubt, was the hero of the day in so far as D. U. S. was concerned. Along with two interceptions and some other evidences of fine defensive play, Dave had a part in every touchdown, setting up two, and scoring twice himself.

ROOTERS DISARMED
Farms police were called Saturday, October 6, to the Grosse Pointe High School football game on a report that four sixteen-year-old boys were carrying concealed weapons. Police confiscated a hunting knife and a soldering iron. The boys said they just happened to be carrying them, for no reason at all.

Torrid Pace Set by Judes

P & J Cocktail Lounge, pitted against Mondry Cleaners last Friday night in the Rotary Bowling League, proved that they will be tough to beat this season. They took four points from Mondry Cleaners, who many thought, would stop these rampaging pinbusters. Don Kammer and Jack Jeakle were away out in front for the Judes. Gene Metz bowled well for the losers.

Auto Club and Kopp's Pharmacy also scored shutouts over their opponents. Auto Club, led by George Vandeveld, outclassed Piche's Barber Shop, captained by Forrest Piche, who, he might mention was elected league president for the season.

Kopp's Scores Upset
Kopp's Pharmacy scored the biggest upset of the evening when they took Farms Market for four. Farms Market was considered the strongest team in the league. Bill Kopp and Irv Schoof were tops for the winner in this match. Steiner Ford gained a 3-1 decision over Wolverine Potato Chips. Peplinski, with a 585 series for Wolverine, received little help from his mates. Cook and Williams sparkled for the winners.

Wine Shop Splits
Village Wine Shop, with Art Lowers in the driver's seat, seemed to be on their way to a four-pointer but were stalled after taking the first two. Motor City Tires put on the brakes by taking the last game and total pinfall. Jim Gallagher can be given credit for holding the "wine-sippers" to a draw.

Earl Holzbaugh Motors also got off to a flying start by whipping last year's champs, Middle Atl. Transp. Co., in the first two. The champs proved their mettle by coming back with a 921 game to take the final game and total pinfall. George Dettloff and his son, Frank, stood out for Holzbaugh, while Chris Robb carried most of the wood for the Middle Atl.

Time Again Near for Xmas Gift Mailing to Servicemen

The time set for mailing of parcel post Christmas packages to members of the Armed Forces serving overseas is October 15 to November 15. Postmaster F. C. Middel announces...

Christmas parcels destined for Army and Air Force personnel serving in Japan, Korea or islands in the Pacific should be mailed as early as possible and not later than November 1.

Weight limit of parcel post packages must not exceed 70 pounds, except parcels destined to A.P.O.'s 124, 125, 147 and 179.

Christmas cards must be sent in sealed envelopes and paid at the letter rate of 3 cents per ounce.

All mail should include the full name and rank of the Armed Forces member, his serial number, branch and organization, and the Army Post Office number.

The deadline for mailing Christmas cards by Air Mail is December 1. The air mail rate on letters and parcels weighing 8 ounces or less is 6 cents per ounce.

On matter addressed to A.P.O.'s or Fleet Post Offices, the rate on parcels weighing in excess of 8 ounces is 80 cents per pound or fraction thereof.

No wine, whiskey, beer, matches, cigarette lighter fluid, either in cans or lighters, or perishable matter may be sent.

A goal of 100 tons of discarded shoes and clothing has been set for the Fall Detroit Public School Clothing Drive which started Tuesday, Oct. 2, and will continue through Oct. 12.

If the 100 ton goal is achieved, sufficient clothing will be available to clothe needy Detroit public school children through the winter and spring months.

The drive is sponsored by the Social Service Committee in cooperation with the Volunteers of America. The volunteers clean and repair articles contributed by the public and give them to needy children certified by the attendance department as absent because their parents cannot afford to buy them clothing.

Contributions should be taken or sent to the nearest Detroit public school. For a pick-up at the home, call the Volunteers at LOrain 7-4900. Clothing found be wrapped in bundles and shoes tied in pairs.

Bad Checks Made Good in City

Restitution has been made, during the past month, for bad checks totalling approximately \$350 passed in the City of Grosse Pointe, Detective James Flannigan reported.

These bad checks had been passed at food stores, a clothing store and a gasoline station, police said.

Bicycle Strays; Boy Stranded

A missing bike is what detained Waland Worden, 8, of 652 Lincoln road, on October 6. His mother reported at 7:30 p. m. that Waland had not returned home from an afternoon movie at the Punch and Judy Theatre.

City police officers Van Tiem and Behrend found the young man near the theatre searching for his bike. Police took Waland to his home and broadcast a description of the missing bike.

Farms police officers Miller and LaPonsa found the bicycle on McKinley just north of Kercheval.

Office of Civil Defense Tells How to Save Lives

(This is the fourth in a series of five articles prepared by the Michigan Office of Civil Defense dealing with emergency action to save lives. Previous articles covered Preventing Death Through Loss of Blood, Emergency Treatment for Burns, and Emergency Treatment for Broken Bones. Readers are urged to save these articles.)

Shock shows itself, for the most part, in the victim's external appearance. Often a victim becomes pale, perspires freely, gains in pulse rate, and in some instances, becomes unconscious.

Deep shock may result from improper care. In shock treatment, the safest assumption to make is that all shock is serious. Use all the treatments you know for whatever kind of wound the victim has. Make him comfortable, and do your best to keep him quiet and at ease.

If the shock patient is able to swallow, give him the solution recommended by the Red Cross. This solution, made from one teaspoon of salt, with one half teaspoon of soda, mixed in a quart of water, should be given only to victims who are still conscious.

Often, shock is accompanied, or preceded by, suffocation. Symptoms of suffocation are easily recognized. Choking, coughing, difficulty in breathing, etc., are danger signs. The best way to care for suffocation victims is to apply Artificial Respiration.

Never try to give this treatment unless you have been trained in doing so. The Red Cross Training Courses, available in any American community, will give a full course on treatment in shock and suffocation, as well as all other phases of First-Aid.

Farms Approves New CD Setup

The Farms voted at a special meeting Monday, October 8, to approve the much discussed Civil Defense Plan for the Grosse Pointe Area.

The Farms appointed Harry Furton, City Clerk, to be representative on the Civil Defense Executive Committee. George E. Worthy will be coordinate for the area including the five Pointes and Gratiot Township.

Councilmen John M. S. Hutchinson and William G. Kirby were appointed to select and recommend a person to act as local Civil Defense Director for the City of Grosse Pointe Farms.

The City of Grosse Pointe has agreed to act as the Fiscal agent under the new plan. Under the new plan any one of the six municipalities may withdraw by giving 30 days notice.

Girl Scout News

Registration for swimming classes for Brownies and Scouts who are at least ten years old will take place on Tuesday, October 16, 7 to 9 p. m., at Grosse Pointe High School in room 114.

Registrars will be Mrs. B. D. O'Neil, Mrs. M. Westrick and Mrs. W. J. Reaume (swimming chairman). The course will continue for ten weeks, with Mr. William J. Reaume as teacher. His assistant will be Mrs. Robert Brandon (Alice Crabb).

This class has been popular and the number to be enrolled is limited, so it is advisable to register early on October 16. Ask your Scout leader for further information.

Troop 843 of Defer School elected the following officers at the first meeting: Bergit Dahlene, secretary; Donna Metry, treasurer; Elizabeth Adjemian, Joyce Andrews and Joyce Robbins, patrol leaders. These girls are starting work on their second class badges.

Parcells' Troop 793 opened the year with a cookout supper at Mrs. Charles Coleman's home, with 13 girls attending. Mrs. Verne Bennett and Mrs. Ward Cornwell assisted the girls.

Troop 302 of Parcells School went troop-camping at Camp Holly on October 5, 6 and 7, with Mrs. Harry Findlay, Mrs. Zolad, Mrs. Kernjock and Mrs. Kellerhalf chaperoning.

Troop 618 of New Kerby School celebrated its first meeting with a mother-daughter luncheon on October 1 at the home of Nancy Nagelkirk. Kathleen Barry, Melinda Bryan, Judy Knaggs and Sharon Monrad were co-hostesses with Nancy. Enthusiastic plans were made for the camping trip to Hilltop House at Camp Metamora on October 25 and 26, under the direction of Mrs. Cecil Lepard.

After the troop went back to school with their new teacher, Mrs. Kenneth Coleman, who had attended the luncheon, the mothers put their heads together to plan ways and means to be helpful to the troop's new leaders, Mrs. Howard Knaggs and Mrs. Oscar Monrad.

City Receives County Check

The City of Grosse Pointe received a check for \$158.81 from the Board of Wayne County Road Commissioners on Monday, October 8.

The board received a total of \$51,803.82 from the State of Michigan to be distributed to the various cities and villages and the unincorporated portion of Wayne County.

This money represents one-half of the 1951 payment being made by the state against the total underpayment of nearly \$400,000 of Wayne County's share of gasoline tax revenues during the years 1940 to 1947 inclusive.

A small portion of the money being distributed represents Wayne County's share of surplus monies in two Intercounty Assessment District Road Funds.

Ruth Carney Opening Dance Studio In Woods

Ruth Carney of 1856 Hampton road is opening her new Dance Studio at 20945 Mack avenue on Monday, October 15. She has been teaching for the past eight years and previously was a professional dancer. Mrs. Carney is an authorized teacher of the Cecchetti method of Classical Ballet and is a former student of Theodore J. Smith.

The Carney Studio will specialize in ballet and tap. Mrs. Carney personally instructs these classes and will have additional faculty for the other dance subjects.

Mrs. Carney is an active member of the Dance Masters of Michigan and the Dance Masters of America.

Miss Darol Welcomed Back to Anthony's Salon

The ladies who depend on Anthony's salon de beauté for their lovely hair-dos, are pleased to see the return of Miss Darol, who has been absent for some weeks with a few broken ribs and a fractured ankle.

While vacationing in Sarasota, Florida, with friends, Miss Darol slipped on a broken pavement as she was leaving a beauty salon! The Pointe ladies welcome her return and are glad to admit that the brace she wears has in no way affected her always efficient work.

Elmwood Cemetery, the city's oldest cemetery corporation, opened on October 8, 1948. Bloody Run Creek still meanders through the grounds.

Deadline Nears For City Filing

Incumbents in the offices of mayor, clerk, treasurer, assessor, constable and justices of the peace, in the City of Grosse Pointe, will run to succeed themselves in the November 6 election, City Clerk Norbert Neff reported.

John L. Kenower, who was appointed to fill the unexpired term of Gerald Miller, whose term expires this year, will run for one of the three council vacancies. Four persons had filed nominating petitions for the council vacancies by Tuesday.

All nominating petitions must be filed in the Clerk's office by noon on Saturday, October 13. Those who still wish to file as candidates, must submit petitions bearing not less than 25 or more than 40 signatures and be qualified, registered electors of the City of Grosse Pointe.

ROTARIANS HEAR HENRY

Dr. David P. Henry, president of Wayne University, was the guest speaker at the regular meeting of the Grosse Pointe Rotary Club in the War Memorial Center on Monday, October 8. His subject was: "Some Glimpses of Wayne University."

Trombly P-TA To Meet Oct. 15

The first meeting of the Trombly P-TA will be held October 15, at 7:45 p. m.

Program chairman, Melville Collinson, has invited James Bushong, Grosse Pointe's Public School Superintendent, to be the guest speaker of the evening.

Immediately following classroom visitation and the talk in the auditorium, a reception will be held in the gymnasium to introduce Mr. and Mrs. Bushong. The new members of the Trombly staff, the art, music, and physical education counselors, the speech correctionist, visiting teacher, and the vocal and instrumental music teachers who work at Trombly School are also to be introduced.

The fifth and sixth grade room mothers, Mrs. Charles Eldridge and Mrs. Miles McKee, will be assisted by Mrs. Stanley Huestis and Mrs. Walter Crow, P-TA social chairmen, with tea table hostesses, Mrs. John Slattery, Mrs. John Malcolm, Mrs. William Gibson.

All parents are cordially invited to attend this year's opening meeting.

Mental Hygiene Conference Held

Dr. Leo Bartemeir of Cloverly road, president of the American Psychiatric Association was one of the speakers at the General Session of the 15th annual conference of the Michigan Society for Mental Hygiene which was held at the Veteran's Memorial Building on Friday, October 5.

Dr. Bartemeir discussed how deprivations during infancy affected personality and the capacity to love and enjoy family life in adulthood.

Grosse Pointe members of the society who attended the conference were Mrs. Daniel W. Goodenough, Mrs. Walter G. Bernard, Joseph Hourihan, Mary P. Kerr, Norbert Laskowski, Genevieve Louisignau, Mrs. Thomas McCormick, Mrs. Elaine Murphy and Mrs. Hugh Dobbins.

Others were Donald R. Campbell, Elsie K. Conkey, Dr. Mary Dickson, Doris E. Forsyth, Josephine S. Freimuth, and Mrs. Ray J. Schrage.

Detroit citizens raised \$25,000 on October 9, 1871 to aid those in need at the time of the Chicago fire. This is an early example of the Community Chest type of activity.

Brownell Junior High Pupils Holding Party

On Friday, October 12, from 7:30 p. m. until 10 p. m., the 7th, 8th and 9th grades of Brownell Junior High School will have an evening of "Fun on the Run."

This will include movies in both gymnasiums, square dancing, swimming, card games, ping pong, a disc jockey, and door prizes.

The student chairman for the evening is John Hammond of 9B, with Martha Hubbard of the 9th grade as chairman. Fran Striker of 9A is chairman of maintenance, and Bill Hemble of the 8th grade, and Mary Wardle of the 7th grade are on the committee for this affair.

Among the women working to make this party a successful one are: Mrs. T. E. Thompson and Mrs. G. Baber, who are handling the refreshments; Mrs. E. M. Braden and Mrs. J. C. Leytwyler, who are planning the games, and Mrs. M. Collins and Mrs. A. C. Limbrock, who will be in charge of the door and check room.

Police and Firemen Solve Lock Problems

Two Rivard boulevard residents who had lock problems, were assisted by Grosse Pointe City police and firemen on October 3.

One resident had locked herself out of the house. Firemen gained entrance to the house through an unlocked upstairs window and admitted her.

The other Rivard resident told police her small daughter was locked in an upstairs bathroom. Firemen rescued the child by entering through the unlocked bathroom window.

The small City fire truck and a scout car were dispatched on each of the calls.

Vets Eligible For Property Tax Rebates

A new amendment to the state tax law entitles eligible veterans and servicemen to property tax rebates. This amendment, Act 169 of the 1951 public acts, took effect September 28.

Existing law grants veterans tax exemption on \$2,000 of the assessment on their homestead property. Many veterans have applied for and obtained this tax relief for their years in service and one year following.

Lacked Authority
However, some failed to get the tax exemption due them because the taxes had been paid and there was no legal authority to refund the money.

Under the new law, veterans or present members of the military services may now apply to the local assessor for refund of taxes so paid, provided they owned no taxable property of a greater value than \$7,500.00. Servicemen away from home or unable to apply in person can apply through their wives or near relatives.

All refunds, whether for county, township, school, city, or village taxes, are paid by the county treasurer who is reimbursed by the State of Michigan.

Refund affidavits can be obtained and signed at the office of the local assessor. Those eligible should go to the office of the assessor in the municipality in which they live.

PILFERINGS

MANNERS OF THE GAY CENTURY

And pilfered from the Detroit Blue Book, circa 1885. Once upon a time there was a language of The Card. The Blue Book declared that the upper right corner turned down (on one's calling card) meant "visit." The lower right corner, "adieu." The upper left corner, "congratulations." The lower left corner, "condolences." The entire left end, "the ladies of the family."

A card upturned meant a card sent. A card turned down, a personal visit.

Gentlemen were never to leave a card for a lady only—if she had a husband. He must also have a card. Otherwise it implied a certain special attention to the lady, and a slight to the husband. This was occasionally done by Americans abroad who were afterwards surprised that no attention was paid to their card.

On the occasion of a reception, it was customary always to drop a card in the vase (over Mandy's dead body) or the card tray, provided in every hall. Declareth the old Blue Book, "In larger cities or in gayer places like Washington, this is the more necessary, as one of the early morning occupations of the society lady is to attend to her cards of the day before, enter in her visiting lists, after the manner of credit and debit, calls received and calls returned and then throw the cards into the waste basket (with the left hand). Such is the business side . . . and unavoidable, routine . . . of the whirl of society."

The finest bad colds of the season 1885 were credited to thoughtless guests who kept the hostess at the door too long. "A certain venerable lady of quality abroad, of the old school, shrewd and sensible, who had suffered by friends beguiling her to the draughty door and keeping her there, ordered a chair, only one, to be placed just at this point. At the commencement of the usual conversational postscript, closing the door she begged the visitor to be seated. One chair, and the hostess left standing? Impossible. The postscript went by default and the ruse was a success."

Pointer of Interest

VIRGINIA SNOW OF NEFF ROAD

Virginia Snow, whose dark eyes sparkle like your grandmother's jet, went to Mexico City intending to spend three months studying Spanish. She came back to the Pointe this autumn, a foreign correspondent.

That trip south of the border took place eight years ago during which time she has done an amazing amount, for a mere if talented gal, in helping to cement goodwill between the two countries. This she has accomplished in her daily column, "The Mexican Parade" in the Laredo (Tex.) Times and through feature articles which appear in a string of Texas newspapers.

In addition to foreign corresponding, Virginia has fallen in love with life in Mexico; settled in a penthouse that looks out to the Palace Chapultepec and the volcanoes of Popocatepeti and Ixtaccihuatl, she raises Lhasa terriers and finds that her fourteen dollar a month maid, Maria (who is in heaven when a dozen unannounced guests arrive for cocktails and dinner) is an irresistible tug in the direction of the Mexican way of life.

It was natural Virginia should turn to journalism. Her mother (one of the beautiful O'Malley girls), Mrs. Kathleen Snow Stringer, was once society editor of The Detroit Free Press, where her father also was a newspaperman. Her sister, Mrs. Frank Eugene Hagan, came out of Ann Arbor to work for The Detroit News and later in the society department of The Chicago Herald-American.

Foreign Correspondent The Pointer of Interest's first job was on the staff of Jack Starr-Hunt, Mexico City correspondent for many American newspapers. Mr. Hunt helped her get her important "working papers" so that she might pursue a career in Mexico. It wasn't long before she found herself working for a short-lived but woman-killing American daily in Mexico City, The Herald.

In the easy going land of the siesta (bad news: the modern Mexican is doing away with that admirable custom) Virginia's newspaper job included writing two pages of society news (Americans vacationing there, etc.), a hotel column, a gossip column and a travel column.

cameraman. (So long, Frankie.) She writes of the home Barbara Hutton is having built at Cuernavaca (favored, too, by Nina Wilcox Putnam, Martha Gellhorn, Ely Culbertson and Robert Wilders).

Rita Hayworth and Ali Khan provided paragraphs for "Mexico On Parade" readers when they were visitors before their marriage. Rita didn't wear make-up and Ali was bad tempered with the press.

Exciting Beats We read some of the columns, "Mexico On Parade" (carefully saved by her dotting mama) while the columnist, embarrassed, tried a new harness on the Lhasa terrier she brought home (by plane) as a gift to her family.

Besides some solid goodwill reporting, Virginia's column makes you want to drop everything, get a time table and head for Mexico. She reports on Modern Mexico and flavors her writing with the lore of ancient Mexico. She is an ardent admirer of the youthful president, Miguel Aleman, and ditto of the American Ambassador to Mexico, William O'Dwyer.

She has covered seven presidential trips with Aleman, reported President Truman's visit to Mexico, accompanied the first automobile caravan on the Pan American Highway besides regularly covering the Embassy and also dashing off the latest gossip of the Hollywood movie stars and the capers of International Society at play in Cuernavaca and the golf resort, Acapulco.

She finds O'Dwyer sincerely loved by the Mexicans who feel he is "sympatic." In turn O'Dwyer is ever friendly and gracious to the Mexicans. He is greatly aided in his career by his beautiful wife who is a charming hostess. The O'Dwyers' daily engagements run into the dozens. They keep them all to the great good credit of the United States, Virginia has observed.

Swan Song On her "celebrity beat" she watched Frank Sinatra write doom to hopes of a friendly press. This happened when his murderous looking bodyguards tore a camera from a photographer's hand. One bodyguard held the camera over a high cliff threatening to drop it unless the plates were turned over. The other bodyguard tried to borrow a gun from passing soldiers to make his contribution to the

Virginia's eyes twinkled as she told us that when she isn't keeping Nina busy that gifted dressmaker is taking time to create costumes for such well known folk as Amparo Iturbil (she makes the complete wardrobe for the artist's concert tours) and she also traveled to California last year to make the trossseau and wedding gown of Amparo's daughter.

DONI'S SHRIMP & RICE

Contributed by Mrs. Alexander L. Wiener Doni cooked for us in Puerto Rico and then came to the Pointe for a while when we returned. Her shrimp and Rice never failed to please.

Clean and boil about two pounds of shrimp (for six persons) and arrange in the center of large platter bordered in rice. Over the shrimp pour Doni's cream sauce, which is prepared by adding to the usual sauce 2 tablespoons of catsup, one-fourth teaspoon of cayenne, salt and pepper and one-half cup of sherry.

Her wonderful way of cooking rice was to place one cup of water and one cup of rice in the top of a double boiler and cook briskly until the rice absorbed all the water. Makes each kernel dry and fluffy.

SOUD FOR A SONG
Would you sell your home for half price?
Certainly not. But wait—the value of many properties has almost doubled in recent years, and if your home is insured at only about half its current worth, fire, tornado, or other causes could take your property today at half price, and you couldn't do a thing about it. Act now. Get a Planalysis that shows your current insurance needs at a glance. It's free. Without obligation, call—
