TRAFFIC JUDGE JOHN D. WATTS and police uncover a traffic court scandal in which a revoked driver's license had been stolen from the court vaults and sold back to the driver for \$25. Watts so infuriated he worked with police until 1 a.m. this morning on an investigation. Accused as the go-between and under arrest is Big Louie Szczepanik, 52, owner of a bar on Junction in Detroit. He denies all charges.

Tribute was paid two retiring councilmen of the City of Grosse Pointe for their years of service to their community, at the last meeting of the council on November 19.

Special recognition was given Dexter M. Ferry, Jr., who has served the old village and the succeeding City of Grosse Pointe since March 18, 1920. He has served in various capacities including that of Mayor of the City.

Resolution Adopted
A resolution was adopted praising him for his nearly third of a century of untiring effort for his community and expressing regret that he found it necessary to sever his official connection with the city.

Mr. Ferry was unanimously voted to the post of Councilman Emeritus, with life tenure of office.

A resolution was also passed thanking Thornton Waterfall for his service. He served as a councilman for seven years. The press of private business would not allow him to seek reelection this fall.

Pointe Hospitality Shown To European Industrialists

Some of the group of 200 leading industrialists of Europe who paid Detroit a visit during the weekend, were treated to Grosse Pointe hospitality on Sunday when they were the guests of Mervyn G. Gaskin of Oxford road.

Following a trip to Greenfield Village and Belle Isle during the afternoon, Mr. Gaskin was host to a dozen or more of the visitors from overseas, at a dinner in the Grosse Pointe Yacht Club.

The industrialists were here for a two-day study of the Motor City's famous mass production "know how." During their stay they were taken on tours of the plants of Ford, Plymouth, Nash-Kelvinator, Burroughs, Briggs,

Driver in Crash Lands in Jail

One driver was jailed for never having obtained an operator's license and another suffered a bump on the head in a two car collision at Kensington and East Jefferson last Monday, November 26.

Eleanor M. Klein of 4881 Kensington, driving a 1948 Chevrolet East on Jefferson made a left turn into the path of Dagle Van's west bound 1940 Dodge. The crash practically demolished the ancient Van vehicle.

Out of the debris only minor injuries were suffered by both drivers. Mrs. Klein received a bump on her head and Van an abrasion on his knee.

Mr. Van, who lives at 1216 Lemay, was locked up at the Park police station after he failed to produce his drivers' license. It was learned Mr. Dagle had never obtained a license. He was released after posting a twenty-five dollar bond for appearance in court. Mrs. Klein was issued a ticket for turning into traffic and causing the accident.

Men's Night In 'Village' December 10

Pointe Males Again to Be
Given Break in Solving
Xmas Shopping Problems

Merchants on "Christmas Street in The Village" have set aside Monday, December 10, for their sixth annual Men's Night. This is the night when the Village goes strictly stag and Pointe men have the complete run of some 30 establishments from 7 p.m. to 10 p.m. to do their Christmas shopping painlessly.

Five years ago the idea was tried and caught on with such great success that it has been reborn each succeeding year by popular request.

Plenty of Reunions
Not only is Men's Night good for shopping but reunions are as thick as ants at a picnic as the males bustle about completing their Yuletide purchases.

Women, except the store employees who have been schooled in the many methods by which they can help the male shopper get his chores done quickly and efficiently, will be barred.

Provide Extra Help
Extra clerks, special gift wrapping facilities and personal shoppers with an abundance of ideas will be on hand to eliminate the customary shopping frustrations of the male customer.

The Pointe male need not worry about wrapping those tricky Christmas packages. All this will be done at the store and all that is necessary is to carry home the bundles and place them under the tree on you know what night.

The merchants have acquired abundant stocks and they challenge Pointe men to find anything on their shopping lists that can't be found right on "Christmas Street in The Village."

Mack Merchants Meeting Today

Mack avenue merchants are meeting at noon today (Thursday) at the Howard Johnson restaurant to complete and approve final plans for the celebration of "Wider Mack Week" from December 3 to 8.

Each member of the organizing group is bringing a neighbor merchant to the luncheon, and representation from the area is expected to be almost 100 per cent.

Now that Wider Mack has expanded into a full-fledged shopping section, part of the celebration will be a concerted drive for a large volume of Christmas business.

Education Leaders Volunteer to Train Air Raid Wardens

Pledge Cooperation at Civil Defense Organization Meeting
In Neighborhood Club; Lieutenant Proo Chief Speaker

At a meeting of Grosse Pointe's Civil Defense organization at the Neighborhood Club last Monday evening, November 26, those in attendance were enlightened on the plans of the organization for the immediate future.

The first thing on the agenda was the announcement of the plan to educate new air raid wardens. James Bushong, superintendent of the Board of Education, John Chandler, Jr., headmaster of the Detroit University School and Grosse Pointe County Day School, and William Yeager, football coach at DUS, cooperated wholeheartedly. Mr. Chandler and Mr. Yeager volunteered as instructors for the program.

Train in Oklahoma
Head Instructor Davis of Detroit stated his aides were in training in Stillwater, Oklahoma, at present and would be back in time to set up a training school in Detroit early in January. Grosse Pointe's volunteers will train at this school.

Inspector Bernard Proo, of the Detroit Police Department, who is the chief air raid warden in Detroit and now on loan to the Civil Defense program, spoke for an hour on how to properly train volunteers. He also told of the mutual agreement between Detroit and Windsor in case of an air raid.

Emergency Area Set Up
Windsor has set up a 50 mile emergency area under the direction of a leader who had considerable experience with air raid defense tactics during the last war in London, England.

Will Enlist Block Wardens
The public will be contacted through district leaders, to fill out the block level.

The next meeting will be held Monday, January 7, at the Neighborhood Club, at which time reports will be made.

Zoning Requests Refused by City

The City of Grosse Pointe has refused a petition to amend the zoning laws in the so-called St. Clair avenue parking district. Council took action on the petition on November 19 and disallowed it.

The petition, dated September 17, requested council to amend the law to allow liberalization through restricted business uses in the area north of Kercheval, up to the southeast corner of Lot 82, to correspond to the zoning category on Notre Dame avenue from Kercheval to Waterloo.

The matter had been referred to the building and zoning committee and its chairman, Councilman Chester F. Carpenter, stated that it was the opinion of his committee that no changes be made at the present time.

At the same meeting Clerk Norbert Neff read a letter dated November 14, addressed to the council by Greta Turne, requesting that she be allowed to use a small house in St. Clair avenue for her beauty salon. She is being forced to move from the quarters she has occupied in the Grosse Pointe Bank building as the bank is enlarging its second floor business quarters.

In view of the decision reached on the St. Clair area, council voted to turn down Miss Turne's request.

Epidemic Of Thefts Reported

Trio Caught After Wild
Chase Denies Any Connection
With House
Burglaries

A wave of burglaries that has swept the Pointe in the last few weeks has caused the police to warn residents to be particularly cautious about keeping their homes and cars locked, and to report any suspicious occurrences immediately.

The police, doubly alerted by the epidemic of thefts, have made a number of arrests, but none of those taken into custody has been identified as "The Cat" burglar who has pulled a number of daring jobs recently.

Bullets Halt Car
Three youths were arrested shortly after midnight Tuesday morning following a 70-mile-per-hour chase through five stop streets and a fusillade of police bullets.

City Patrolmen Onstwedder and Behrend were cruising in their scout car on Maumee at 12:30 a.m. when they saw two youths run away from a car parked in front of 17441 Maumee. They jumped into a 1939 Buick parked nearby and tore away.

Stop Signs Ignored
The police car followed and the chase continued to University place, then across St. Paul, Kercheval, Waterloo, Charlevoix and Goethe. Five warning shots were fired under the speeding car without results. Then three other shots were fired at the car.

Two of them struck the car and Chief Tom Trombly said Tuesday if one of them had been two inches higher it probably would have killed one of the passengers. It struck a cross bar.

Two Run Away
Near Mack, the careening car slammed to a stop and two youths got out and ran. The officers found a third, Robert Stewart, 17, of 10875 Peerless, Detroit, at the wheel.

Taken back to headquarters Stewart implicated Bill Allard, 19, of 11016 Peerless, and Joseph Wellman, 16, of 14950 Corbett, Detroit. They were both arrested in their homes within a short time. All three are locked up in the City police station. They will be charged with attempting to steal a car.

Trying to Start Car
When the police interrupted them, Allard and Wellman were trying to start a 1950 Mercury owned by Mrs. Margaret Merry of the Maumee avenue address. Stewart was waiting in his car nearby.

Allard has a police record in the City of Grosse Pointe, Grafton Township and Detroit. The trio admitted they had tried to steal a Cadillac earlier that night, but gave up when they found it securely locked. All denied having any connection with any of the home burglaries which have been reported recently.

Another Pair Caught
City Officers Behrend and MacEachern arrested two other youths in a stolen car at 6 a.m. on Thanksgiving Day, on East Jefferson near Rivard. The officers are stopping any suspicious cars in their attempt to solve the house robberies.

When taken to the station the pair identified themselves as William Sebastian, 18, of 35909 Jefferson avenue, Mt. Clemens; and Louis Sicken, 18, of 38499 Pineridge, Mt. Clemens. They were driving a Willys station wagon which they admitted they had stolen from the garage of Merlin Desot at 3290 South River road, Mt. Clemens.

Turned Over to Sheriff
This pair also denied any connection with the house burglaries and they were turned over to the Macomb County sheriff.

During the night of November 20, "The Cat" burglar, so named because of the sneaky audaciousness of his activities, entered the home of Dr. Frank Sladen at 360 Lincoln road. He got in through a kitchen window which had been left unlocked.

He entered a bedroom where both Dr. and Mrs. Sladen were sleeping and took \$300 from Dr. Sladen's wallet on the dresser and \$20 from Mrs. Sladen's purse. "The Cat" also entered the

Burglars Steal Television Sets

The House of Television at 20916 Mack avenue was broken into Tuesday, November 20. The thieves took \$1000 worth of television sets and tables between 11:30 p.m. and 7:30 a.m. in the morning.

Entrance was gained through the rear door by forcing it with a crow bar. Officer Donald Sable and Sergeant Wilbert LeDuke of the Woods police answered the call.

Camera Club Meets Dec. 4

"Mexican Women" will be the topic of an illustrated lecture to be given by Isadore Berger, at the Grosse Pointe Camera Club's meeting on Tuesday evening, December 4.

Mr. Berger, who has an international reputation for his photography, made several hundred colored slides while in Mexico a short time ago and was successful in portraying the lives and homes of the Mexican women. He will also address the club on his method of obtaining the pictures and a matter of exposure of the same.

L. E. Longshore, president of the club, has also notified the club members that following the talk, there will be a judging of black and white prints and awards will be made to the ones selected by the judges.

The meeting will be held at the Neighborhood Club.

Receives Ticket Following Crash

William H. Frazier of 1045 Beaconsfield, was driving west on Vernier road Thursday, November 22 and crashed into the rear of a car belonging to William Price of 7031 Lambert, Detroit, making a left hand turn onto Marter road.

Mr. Frazier then drove to a gas station to have his car looked at. Mr. Price called Woods police giving them the license number of Frazier's car. Police found Frazier while he was still at the gas station. He agreed to pay the \$75 damage to Mr. Price's car.

Damage to his car amounted to \$100. Police issued him a ticket for leaving the scene of the accident.

UP AGAIN
 Traffic accidents in Michigan during September cost the lives of 159 persons, two more than last year. Injuries and accidents also were higher, resuming the upward trend which had been halted temporarily in August. According to the State Police monthly statistical report, the traffic toll included 4,558 persons injured in 14,096 accidents. Injuries increased 225, or five per cent, over 4,333 in the same month a year ago and accidents increased 706, or five per cent, over 13,390.

Epidemic of Pointe Thefts Reported

(Continued from Page 1)
 home of Dr. Charles C. Merkel at 17315 East Jefferson, after 6 a.m. on November 19. This time he found a window unlocked in the kitchen. Going upstairs he entered a bedroom and walked by the beds where Dr. and Mrs. Merkel were sleeping and went into a small room beyond, where he took \$120 from a purse.

Wakens Mrs. Merkel
 As he was feeling his way back through the bedroom, Mrs. Merkel awakened and saw his shadow form. She coughed and he pounced out of the room, went down the front stairs and out the front door.

A houseman was laying a fire

downstairs at the time, but he did not see the burglar and Mrs. Merkel said it was so dark in the bedroom all she could see was the man's form.

That same night a thief, presumed to be "The Cat" because his technique was the same, got in the home of Miss Mabel Tennant at 422 Neff. Entrance again was made through an unlocked window, this time in the pantry. He failed to find any money here and went out through the front door.

Wright Home Entered
 At 3:59 a.m. on November 20 the Farms police received a report of a breaking and entering at the home of Charles Wright, 30 Beverly place. In this instance a large doghouse had been pushed alongside the house and the burglar climbed on it to get in through a second floor bedroom window.

The thief took \$70 from Mr. Wright's trousers pocket in the sitting room, and a gold clip. He

also obtained several dollars from Mrs. Wright's handbag, left on the table in her bedroom.

Mrs. Wright was awakened when she heard him in the hall. When she called to ask who was there, he ran down the stairs and out the front door.

**Mail Delivery
Survey Sought**

A survey of mail deliveries in some sections of the Pointe has been requested of the Detroit Post Office by the Grosse Pointe Property Owners' Association, it was revealed this week by Lewis L. Smart, Jr., executive secretary of the association. Mr. Smart said that his office has had a number of requests from members of the association asking for information about their present mail deliveries. Mr. Smart informed the Post Office that it is the understanding of the association that an area qualifies for foot, or door-to-door service if it has continuous sidewalks and is at least 50 percent built up. He said if this correct he believes a survey will disclose several areas which are not now receiving the service to which they are entitled. Mail deliveries are made to those areas which do not qualify for door-to-door service, by automobile, with the mailmen leaving the deliveries in curbside boxes furnished by the residents.

Plan Discussion of Brannan Plan

The Brannan Plan, President Truman's proposed farm program, will be the subject of an open discussion to be held by the Republican Voters Association at the War Memorial Center next Tuesday, December 4th.

Something on the order of a "cracker barrel" debate will be in the offing as Palmer T. Heenan, expert on the subject, leads the discussion of the controversial subject.

Also on the agenda for Tuesday's meeting will be the election of members of R. V. A.'s board of directors.

Farms Pier

(Continued from Page 1)

this December and the other half in January, 1952. However, the community cannot use it unless given the okay by the government.

Armed with the necessary forms and applications and photographs showing the dilapidated condition of the pier after a series of summer storms this year, Mr. Smith goes to Washington to attempt to untangle "red tape."

The CMP claims the steel cannot be used on a recreational project. Mr. Smith claims the steel is not intended to build or expand the present Farms dock but to protect the investment the community already has in the dock.

Mr. McQuillan believed if the applications and forms were delivered personally to the office in Washington the Farms would stand a fair chance of getting approval, mainly because the material is available.

The Farms dock in its present condition will be like the story of the horse that lost a nail in his shoe. "For the want of a nail the shoe was lost, etc."

The dock, for the want of steel sheeting, could very easily be lost or made so rickety, after another severe easterly storm next summer, that it would be closed as unsafe.

Maybe if the government turns down the Farms request it will loan the community the "red tape," that thwarted the project, to tie the dock together for another season.

Richard P.T.A. To Meet Dec. 4

The Richard School will hold its second P-TA meeting for the year on Tuesday evening, December 4, at 8 p.m. The speaker will be James W. Bushong, Superintendent of Schools. He will give an illustrated talk on the "Work of the Grosse Pointe Schools."

Many of the kodachrome slides being used for the discussion have been taken in the Richard School and others are from buildings throughout the system. They show the pupils of Richard at work in their school subjects, their special activities as safety patrol and service squad, dramatic programs, and their play. Wanda Daniel, Curriculum Assistant at the Board offices, will assist Mr. Bushong in the visual part of the program.

The business session will be in charge of President Risk of the P-TA. Mr. and Mrs. Koning are acting in the capacity of hospitality committee. Following the auditorium program a social hour will be held in the lunchroom, where refreshments will be served by a committee of room parents headed by Mrs. Hunter, social hour chairman.

Patrons and friends of the Richard School are very cordially invited to attend this informative P-TA gathering.

OLDEST STORY BOOK

The original papyrus of the oldest known story book in the world is now in the National Museum at Leningrad. The Book House for Children describes it as "an ancient combination of Robinson Crusoe and Sinbad the Sailor." It is called "The Story of the Shipwrecked Sailor" and was recorded in Egypt about the time of the Twelfth Dynasty (2000-1788 B.C.).

Decking The Halls for Christmas Tea

—Picture by Fred Runnells

Making sure that there will be Christmas spirit in the decorations at the annual Yule Tea of the Mothers' Club of Grosse Pointe High School are, left to right, Mrs. Ernest Scherer, chairman of the party, Mrs. Edward A. Hulbert, Mrs. David C. Lowe and Mrs. Bert Wicking. The tea takes place Dec. 6 at the High School and will be preceded by a musical program. The event honors members of the Board of Education, their wives, past presidents and charter members.

ten hours, without any recreational facilities or food.

"The DSO was formed and the United Foundation furnished the first lounge room. We received donations of billiard tables, ping pong tables, cards, and a television set and radio. These groups of women from churches, unions, veterans' organizations, and also the Red Cross Gray Ladies pitched in to make lunches and paid for the food used on the days they worked."

Served 50,000 Lunches

Mrs. Anderson said that nearly 50,000 box lunches have been supplied to boys leaving for army camps in the DSO's less than a year of existence. In addition, some 13,000 pre-induction draftees were served at the snack bar, while a large portion of their relatives and visitors also availed themselves of the refreshments supplied.

Although originally designed as an examining center for only Army inductees, Fort Wayne was recently named AFES—or Armed Forces Examining Station. The only such station in Michigan, recruits for all branches of the Army now pass through there, thus necessitating the current expansion.

Only One Paid Worker

Mrs. Anderson pointed out that in serving nearly 100,000, the DSO has only one paid worker.

"Even including the cost of the original furniture, it has cost the DSO only a few cents per man to maintain a lounge room which has been cited by top army men as 'the outstanding one of its kind in the country.'"

Lauds Volunteers

"Credit for the job should go largely to the volunteers who

have put in long hours and paid for food, to the officers and directors of the DSO, to the United Foundation which furnished the original room and now to the USO which is supplying the furniture for this new lounge room with Torch Drive Funds, allotted to USO from the United Defense Fund budget."

Mrs. Anderson has a broad background in service work, having headed the Sunshine Fund in World War II, which raised more than \$400,000 for hospitalized veterans. She also raised \$250,000 as head of the Santa for Servicemen and in addition to many decorations and honors from veterans' groups and the armed forces, was recipient of the War Department's Distinguished Service Award.

Garden Center To Hear Expert

The Grosse Pointe Garden Center members will hear Mrs. Rhynold Schulke, of Cleveland, lecture and give a demonstration on Christmas arrangements, swags, wreaths, mantel decorations and table settings on Tuesday, December 4, at 2 p.m., at the Grosse Pointe War Memorial.

Mrs. Schulke is closely identified with the Cleveland Garden Center where she teaches classes in flower show practice and arrangements. She has also conducted a flower arrangement program for television besides lecturing extensively in the eastern and central states as far south as Georgia.

An accredited flower show judge and teacher for state flower show schools, Mrs. Schulke speaks with authority.

MACABRE PRANK

A bad joke was played on drivers using Roslyn road Halloween night. Police received calls from tremulous drivers reporting that "some young boys were throwing a life-like dummy under the wheels of passing cars. Police were unable to locate the boys and their dummy."

Thieves Ransack Park Residence

Another breaking and entering case was recorded on the Grosse Pointe Park police book last Friday, November 23.

The residence of ALEX Philos, 1055 Whittier, was broken into and ransacked while the home was unoccupied between the hours of 9 a.m. and 9 p.m. A close check showed nothing had been taken. A small statue was missing but it was nothing a burglar would bother with and it is assumed it was misplaced.

Here's what Michigan doctors prescribe to ease the cost of illness!

They prescribe **BLUE CROSS - BLUE SHIELD** to protect your family against the costs of hospital and surgical care!

These health-care plans, developed by Michigan hospitals and doctors, are known, respected and welcomed in every part of Michigan!

NEARLY 2 1/2 MILLION MEMBERS MEANS GREATER BENEFITS — MORE SECURITY!

● The last to recover from an accident or illness in your family is always your pocketbook! That's why it, too, deserves expert medical help. That's why it gets this kind of help from Michigan hospitals and doctors who pooled their intimate knowledge of your problems to set up and direct the BLUE CROSS - BLUE SHIELD health-care plans.

Benefits as high as \$8,058 have been provided!

BLUE CROSS - BLUE SHIELD have provided hospital and surgical benefits totalling as much as \$8,058 in a single hospital stay. There are hundreds of cases on record in which benefits have amounted to \$2,000 or more.

MICHIGAN BLUE CROSS - BLUE SHIELD have paid out more than 211 million dollars in health-care benefits in the past twelve years. This fact alone is striking evidence of the service rendered by these great plans.

Blue Cross-Blue Shield have millions of friends!

BLUE CROSS - BLUE SHIELD also offer advantages that money alone cannot buy. For one thing, they are Michigan Hospitals' and Doctors' own health-care plans. And there are over 2,400,000 BLUE CROSS - BLUE SHIELD members in the State of Michigan.

All this simply means that BLUE CROSS - BLUE SHIELD are known and accepted in every part of Michigan. A great advantage in times of emergency... a great advantage at any time because it means you can get into and out of a hospital without annoying red tape, without the need for filing any claims. BLUE CROSS - BLUE SHIELD pay hospital and doctor directly.

Here's What These Plans Do!

Blue Cross Comprehensive Group Hospital Plan covers up to 120 days of hospital care in ward or semi-private room, according to the service for which you enroll. Unlike plans that pay fixed amounts for hospital care, this plan covers hospital bills IN FULL for a wide range of certificate benefits when you are admitted to a BLUE CROSS participating hospital. No cash limit for drugs, for operating room, for anesthesia, and for many other hospital services.

Blue Shield Medical-Surgical Plan pays generous stated amounts to your doctor for more than 480 medical-surgical procedures. And it pays towards your doctor's visits to the hospital in non-surgical cases.

Chances are 1 out of 4 that your family will be faced with hospital and medical bills this coming year. And with today's hospital and surgical bills often running into thousands of dollars, it's easy to see how the protection these plans provide is worth many times the little you pay.

The promotion of MAJOR ALICE HAMMOND, Wing Adjutant, to the rank of Lt. Colonel and her appointment to the position of Wing Director of Women's Activities in the Civil Aid Patrol has been announced by Michigan Wing Civil Air Patrol Headquarters.

Colonel Hammond, who has been active in Civil Aid Patrol since its inception in 1941, activated and commanded the largest squadron of women pilots in the Civil Air Patrol during the war and has served as Wing Adjutant since 1948. She was on active duty at Michigan's Civil Aid Patrol anti-submarine base at Pascagoula, Miss., and also performed courier service during World War II.

Concurrent with her Civil Air Patrol activities, Colonel Hammond has been an active member of the Ninety-Nines, an international organization of licensed women pilots, and was recently elected to the presidency of that organization.

Many members of the nineties are serving with the Civil Air Patrol at this time. Colonel Francis Nolde, of Reading, Pa., chairman of the Ninety-Nines Contest Committee, is national Civil Air Patrol Director of Women's Activities on General Lucas V. Beau's staff in Washington. Colonel Hammond is married,

To Give Plays At Pierce High

On Friday, November 30, at 8 p. m., the dramatic classes at Pierce Junior High School will present their semi-annual "Evening of Plays." On the program will be a play and skit given by the seventh grade, a pantomime with a cast of eighth graders, and a play presented by the eighth and ninth grades combined.

The seventh grade play, "Elmer," concerns a likeable teen-age boy who sees to it that his younger sister, always picked on by the rest of the family, finally gets a break.

Included in the cast are David Blecki as Elmer, Angela Rossetti, Lois Carbone, Diane Nau, Penny Tomicic, Chris Johnson, Margi Griffith, Robert Dunlap, Harry Huffaker, and a dog, Poncho.

The skit presented by the same class is entitled "The Villain Persecuted Her." The reader, Joanne Chanterie, tells the hair-raising melodrama while William Ewald, Judy Billingsley, Warren Sauer, Agnes Peters, Penny Eyres, Barbara Brownell, and William Brown depict the action.

A thrilling farce-pantomime, entitled "The Camel and the Vampire," follows. Joan Anton and Elizabeth Schemm play the camel, and Gayla McPhail portrays the vampire. The rest of the characters are played by Tom Purdy, Judy Van Loon, Bruce Rockwell, and Selma Sadi.

The Evening of Plays will close with a one-act play presented by the eighth and ninth grades, "The Laundry Mark."

The plot explains how Win Donovan wins a contest and outwits his family. The large cast is composed of Chuck Wurst as Win, Frances Butterfield, Joan Dasef, Ann Marie Hellstrom, Chuck Norris, Dick Harding, Kip Staiger, Jerry De Meulenaere, Shiela Mac Donnell, Frank Palermo, Joy Yeager, Helen Sloum, Mary Ogden, Margaret Peet, Bradley Randall, Bill McCubbin, and Norman West.

The faculty sponsors for the program are Virginia Hoelzle and Florence Miller.

Proud of Reserve Training Wing

MAJOR GENERAL HARRY A. JOHNSON, commanding general of the Tenth Air Force, inspects the training program for the air reserves of the 929th Reserve Training Wing at Selfridge Air Force Base. With the general are LT. COL. GEORGE L. ROSS, left, commanding officer of the 2242nd Air Force Reserve Training Center, and COL. FELIX VIDAL, right, commanding officer of the 929th Air Base Group. Col. Vidal is a civilian in the active reserves from Grosse Pointe. He dons his uniform once a month for the reserve program.

Michigan's only organized air unit, the 929th Reserve Training Wing, is now the finest within the jurisdiction of the Tenth Air Force, it was announced by Col. Felix Vidal of Grosse Pointe, commanding officer of the 929th Air Base Group.

"During the recent training week-end, men from the southeast corner of the state gathered at Selfridge Air Force Base for on-the-job training in their specialties. Most are veterans, but we are and will continue to train men without prior service," he added.

"Since its adoption in August, the 929th has gradually pulled ahead of the other reserve wings. This is due mainly to the fine response of people interested in the program and some very intense preparation by the parent organization, the 2242nd Air Force Reserve Training Center. We now feel that we have reached the front of the pack and we intend to stay there," concluded Col. Vidal.

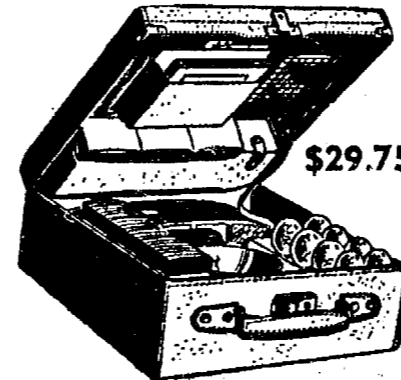

Col. Vidal is the labor relations director for the Hudson Motor Car Company. A former star foot-

baller at West Point, he returned to inactive status following the last World War.

Society News Gathered From All of the Pointes

From Another Pointe of View

by Jane Schermerhorn

While YOU weren't looking . . . Wright Gedge, Jr., slipped off to Flint last August (the 31st) . . . And placed a wedding ring on the finger of the ever so attractive Mrs. Josephine MacCarter Parker of London, England . . . (she has been making her home in Bay City) . . .

The happy announcement was made this week . . . and with it came the news that Wright will bring his bride to live in the Pointe in early December . . .

What's more . . . accompanying them will be her delightful family . . . seven year old twins, Florence and Anthony Parker . . .

The new Mrs. Gedge is the daughter of the late Mr. and Mrs. J. J. MacCarter of Glasgow . . .

And Wright is the son of Mrs. Wright Gedge and the late Mr. Gedge . . .

The Hunters

We got out our little book of proper hunting terms last week and paid a visit to the Grosse Pointe Hunt Club . . . Just because we couldn't stand another minute of hearing about all the fun they're having over there . . . without having a look-see . . .

(The book of proper terms was distributed among society writers by a chagrined Dot Avery . . . the delightful gal who once wrote society for the Free Press . . . and whose Waterloo was hussy reporting from the day she mentioned the horses at old Detroit Fair Grounds were running for the Junior League Steaks) . . .

You see . . . someone happened to tell us that on Thanksgiving day . . . Hunt Club members would be participating in their sixteenth hunt of the season . . .

And sure enough they were . . .

Debs Add New Names To Holiday Calendar

Sally Woodruff, daughter of Donald M. Woodruff of Lewiston Road, Bows at Dinner Dec. 20; Adele Huebner To Be Presented at Tea Dec. 27 by Mrs. Julius F. F. Huebner

At least two Points families didn't dawdle over Thanksgiving dinner this year. There was far too much to be accomplished even on the holiday for both families decided to present their daughters to society during the Christmas season.

The newest Christmas deb is Sally Woodruff, daughter of Mr. and Mrs. Donald M. Woodruff of Lewiston road, and Adele Huebner, daughter of Mrs. Julius F. E. Huebner of East Jefferson avenue.

Popular Sally danced the soles through on her evening slippers at last Summer's deb parties and was as twinkling-eyed when the sun came up on the breakfast crowd as she was when the stagline whirled her over the floor for her first dance.

The deb came home from her studies at Bennett Junior College for Thanksgiving and before she left, Mrs. Woodruff and Miss Sara Burnham had set her "coming out" for Dec. 20.

It will be a dinner party at the Country Club before the ball being given to introduce Pat Touscany.

Characteristic of the breathless holidays ahead, the deb will get in from college a scant evening before her coming out party.

Adele Huebner, lovely blue eyed daughter, Mrs. Julius F. E. Huebner, started Thanksgiving dinner as a college gal

(she's a sophomore at the University of Michigan) but by the time dessert had arrived she was Adele Huebner, debutante.

Dec. 27 is the magic day in Adele's young life. She will bow at an afternoon reception in her mother's home.

Like most of the deb crowd Adele will arrive home in time for that first big day of parties on Dec. 20.

This past summer she spent traveling on the continent with her aunt, Miss Dorothy Pudrith. She was a tireless traveler doing all the art museums, chateaux, attending the concerts and making friends with the natives of each country she visited.

She collected art treasures all over Europe and to make room in her luggage for the new possession, she blithely gave away two elegant frocks and a hat. We understand the gesture was a more instant hit than lend lease!

At Michigan, Adele is a Martha Cook girl. She is definitely a blue stocking and has a reputation for her literary ability. All this, and lovely, too!

Conrad, who now lives in Pompano, Fla., attended Grosse Pointe High School, the University of Miami and Michigan State College. He is a member of Delta Chi and Sigma Delta Chi fraternities.

Also in Florida for the party are Miss French's grandparents, Mr. and Mrs. John H. French of Twin Gates, Lake Shore road, and her aunt and uncle, Mr. and Mrs. James French of Touraine road.

It was a Boston Thanksgiving for MRS. FRANK KUHN of McKinley place and her sub deb daughter, AIRIELLE, who visited Wellesley and Mount Holyoke with a view to the young lady's college next fall. They returned to the Pointe on Sunday to greet Mr. Kuhn, who also arrived home that day after two weeks' hunting at his Huron Mountain lodge near L'Anse in the Upper Peninsula.

Nine months old RICHARD ELBRIDGE HINKS JR., son of MR. and MRS. RICHARD ELBRIDGE HINKS of Lakepointe, was christened Sunday, Nov. 11, in Christ Church Chapel, Grosse Pointe. A PETER BARRANCO of Garden City, N. Y., young Dick's uncle, and MR. and MRS. HOWARD HOLMES of Ann Arbor were godparents. Following the church service, Mr. and Mrs. Hinks entertained 14 guests at a buffet supper in their home.

DORIS ANNE HAMILTON, 4 years old, visited the News office to inform the society editor that she had flown all the way from Sun Valley, California, to spend Christmas with her grandparents, MR. and MRS. JOHN DIESING, JR. of Washington road. She was

Lucie Nauman Weds Walter F. Torrance, Jr.

Daughter of Mr. and Mrs. Arthur P. Nauman of Moran Road Is Married to Easterner at Ceremony in Christ Church, Grosse Pointe; Reception at Country Club

At an evening ceremony in Christ Church, Grosse Pointe, last Saturday, Lucie Nauman, daughter of Mr. and Mrs. Arthur P. Nauman of Moran road, exchanged vows with Walter France Torrance, Jr., son of Mr. and Mrs. Walter F. Torrance of Waterbury, Conn.

The Rev. J. Clemens Kolb officiated at the ceremony, which was followed by a reception given at the Country Club by the bride's parents.

The bride wore white silk satin gown, its bateau neckline deeply applied in heirloom rosepointe lace. The long bodice had long, fitted sleeves and a train distinguished the long, full skirt.

A full length veil of French silk illusion fell from a brief cap of rosepointe lace and Lucie carried an arrangement of white orchids and stephanotis.

The five bridal attendants were gown in softest tones of gray nylon tulle over pink taffeta. Three tiered skirts were designed bouffant, slimming to moulded strapless bodices. Tiny capes of tulle covered shoulders and the girls wore gray veiling chapeaux with twisted pink velvet ribbon edging extending into streamers at back.

They carried pink carnations and ivy, and Constance Nauman, as her sister's maid of honor, carried pink roses with pink carnations.

Bridesmaids included Mrs. George Bradford Palmer Jr. of Tarrytown, N. Y., Mrs. Frederick C. Ford Jr., Elizabeth Archer and Anne Fletcher.

The bridegroom was assisted by his brother, Edwin G. Torrance as best man and bridesmen included David H. Finnie and Peter G. Smith of New York; John A. Coe III, Allen M. Spear-

Airmen's Party To Aid Crippled

"Operation Happiness" is the highly appropriate title of the benefit dance sponsored by the Selfridge Field Airmen, to be held this coming Saturday evening, December 1, at the Civic Center, 65 Broadway, East, in Mount Clemens.

The group of Air Force Men who are looking after details, hope to raise at least \$1,000 with which to purchase toys and other articles for the crippled children at the Sigma Gamma hospital on Ballard road, just south of Mount Clemens. The distribution will be made at the annual Christmas Party given by these men for the children at the hospital.

The event will begin at 8:30 p. m., and will continue "until" the music for this occasion will be furnished by the Tenth Air Force Band of Selfridge Field. There will be refreshments along with the dancing. Needless to say, the public are being cordially welcomed and their response can help to assure the success of the extremely worth-while project.

Novel Bridge Party Held

Something new in bridge parties is taking place today when the Clark School Woman's Club holds a telephone dessert bridge party in six different homes. All the parties take place at the same time and high scorers are established by telephoning scores to a master keeper.

Mrs. Forest Wainscott is chairman of this intricate party which will raise funds for the various philanthropies to which the Clark School Woman's Club contributes. Assisting Mrs. Wainscott will be Mrs. C. Joseph Belanger.

Friends and members of the club have taken tables for the party. The games will be held in the homes of Mrs. Lawrence Walsh on Audubon, Mrs. Grace Robinson on Middlesex, Mrs. Ross Jacobs on Berkley, Mrs. Walter Thomic on Bakfou, Mrs. Milton Yokes on Buckingham, and Mrs. John Thorp on Haverhill.

Center Holding Costume Party

Final preparations are now nearing completion for the Costume Ball to be held at the Grosse Pointe War Memorial Center, for the High School age youth of the Pointes this Saturday night, December 1. Festivities will begin at 9 and continue through until midnight.

Students attending grades 9 through 12 in any of the Grosse Pointe schools are cordially invited to attend. The price will be \$1.50 per couple and no stags will be admitted.

The Memorial Center Youth Council has chosen Bob Ruth's Orchestra to provide the dance music. General chairman of the dance is Cynthia Le Fond, under whom the decorations, refreshments, and publicity committees are operating.

The costumes, which the committee urges be "couple costumes," will be judged for originality at intermission time, and three cash awards will be made to the couples judged best by the committee.

Mr. Walter Seibel, the Youth Council's adult adviser, has requested that any students who have records that they would be willing to donate for use by the Council at future parties should contact the Memorial Center. Through them and breakage the record supply belonging to the Youth Council has diminished considerably.

H. H. Emmons Jr. Leaves To Visit Sister in West

A subscription breakfast followed the morning's activity.

Regular Hunts

We learned that Hunt Club members have been meeting Saturday mornings to hunt . . . later having brunch at the clubhouse . . .

Enthusiasts find time, too, to be at the club on Wednesday afternoons when the hunt begins at 4 o'clock . . . followed by dinner . . .

The club keeps a live fox on hand so that the hounds will get the authentic scent . . . but the actual kill is really meat hung from a tree (now, don't press us any more on this one) . . .

A New Year's Eve Ball

This Saturday evening . . . all Hunt Club members will be on hand . . .

Seymours Have Busy Holiday

With a family as large and active as the B. A. Seymours of Edgemont Park, there is always a lively social calendar. This past Thanksgiving holiday things ran true to form.

Daughters Isabel and Marcella flew in from Trinity College and Dorothy Seymour dropped down from the skies, having boarded her plane at Mary Wood Academy in Green Ridge, Pa.

Two out-of-town guests arrived for the week-end in the persons of Dick Cline of Saginaw and Charles Fahy of Chevy Chase, Md.

They joined the 86 guests attending a buffet supper and open house at which Kathleen Seymour was hostess on Friday evening and later the entire crowd moved on to Grosse Pointe Yacht Club for the dance honoring the Junior and Senior Classes of Convict of the Sacred Heart.

Mrs. Anderson Visits Family

Mrs. McFeely Anderson's arrival in the Pointe from her home at Bedford Hills, N. Y., inspired two parties given by her sons and daughters-in-law during her visit.

Mrs. Anderson spent the Thanksgiving holiday with Mr. and Mrs. John Wendell Anderson II in their Lake Shore road home. On the holiday afternoon, the young Andersons asked a number of friends in for cocktails complimenting his mother.

On Saturday evening, Mr. and Mrs. Wendell W. Anderson Jr. entertained in her honor at a dinner party in their home on Kenwood road.

The visitor left Sunday to return to her home in the East.

Guild to Hold Christmas Party

The St. Joseph's Guild will hold a Christmas Party on Tuesday, December 4, at the St. Joseph Home for Aged, 4800 Cadieux road.

It will open at 11 a. m. with a sale at the following booths: the farm women's exchange, baked goods, fancy work, and religious articles. A chicken pie luncheon will be served at 12:30 followed by the customary card party. Pillow slips will be given for table prizes. Donation for the party will be \$1.50.

Mrs. Glen Burgam, general chairman of the event, urges early reservations because of a limited amount of tables. Reservations may be made by calling Mrs. A. Einheuser at TUxedo 2-1857 or Mrs. A. J. Kluffman at Valley 2-4050.

Bridal Pair to Live In Washington, D. C.

Former Joan Blanchard, Daughter of Mr. and Mrs. Edward U. Blanchard of Oxford Road, and Bridegroom Courtland Stott Wed in CP Memorial Church Nuptials

Weddings in the Pointe last Saturday followed a pattern. Evening ceremonies were favored and the brides, Pointe girls, seemed all to be moving away to homes in other cities.

Washington will be the future home of the former Joan Nella Blanchard, daughter of Mr. and Mrs. Edward Ulland Blanchard of Oxford road.

Joan was married Saturday evening at an 8:30 o'clock ceremony in Grosse Pointe Memorial Church to Courtland Stott, son of Mrs. Otis G. Wiley of Drexel Hill, Pa., and the late Emil Stott.

The tiniest white satin covered buttons were used from neckline to hem on Joan's wedding gown of lustrous satin. A demure and high turned-down neckline finished the fitted bodice which was attached to full skirt. French silk illusion formed the tiny Juliett bridal cap from which fell a fingertip length veil.

The bridal bouquet was composed of ivory roses. Members of the bridal party wore classic picture frocks of satin combined with net. Matching satin crowns were on their heads and the bridesmaids' flowers were pale pink roses.

Gowned in palest blue were the bridesmaids, Nancy Schmidt, Dolores Motter, Carol Chadwick and Eleanor Ryan of Shaker Heights, O.

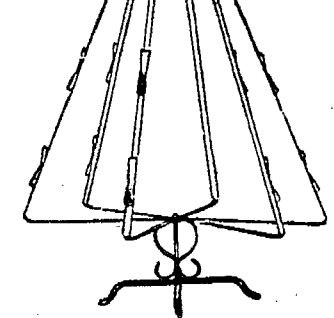

Carolyn Johnston, maid of honor, was in dusty rose satin and net and her flowers were American Beauty roses.

Howard Linton came from Washington, D. C., to be Mr. Stott's best man and seating the guests were the bride's brothers, Robert and Phil Blanchard; Edward Beaver and Jack Waters of Washington.

Mrs. Blanchard's jewel green lace frock was worn with gold accessories and brown orchids. Mr. and Mrs. Blanchard were hosts to the wedding guests at a reception in the Grosse Pointe Yacht Club following the church ceremony.

It will be mid-December before Joan and Courtland arrive at their new Washington home.

Recovered Loot Checked by Farms Chief

FARMS POLICE CHIEF WALTER HOYT checks over the more than \$2,000 worth of stolen goods recovered with the apprehension of the thieves who ransacked the Hearty "Hunk" Anderson residence on Moran road. The stolen articles were found by the police in the homes of Charles Caver and Eli Leggett, young Detroit Negroes who confessed to a number of Pointe house robberies.

Fence Violations Cited by Farms

Two Farms residents who have been cited by the city as violators of its fence ordinance, have been given until the next Farms council meeting, scheduled for December 17, to comply with the law.

Daniel Goodenough, a Farms councilman, one of those cited, is the owner of a rustic fence which has been erected on top of a stone retaining wall along Charlevoix near Mt. Vernon and Merriweather roads.

A number of complaints have been lodged with the council by residents of the area. At a council meeting on November 19, some 20 additional residents were present to complain and they presented a petition signed by more than 100.

The other resident cited is John

McLucas, who has erected a rustic fence around portions of his property at Grosse Pointe boulevard and Vendome road. The council contends that its height violates the city ordinance.

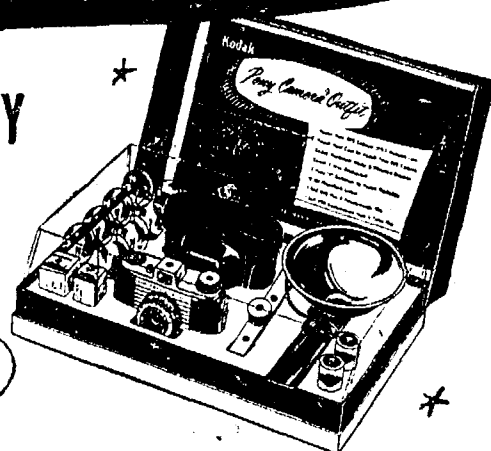

Henry Maurer, city attorney for the Farms, has notified both in writing, of the Farms' determination to make them comply with the ordinance.

Library Friends To Hear Reviews

Friends of the Grosse Pointe Public Library are expecting a record turnout to hear Mrs. Fred K. Hauck discuss outstanding Fall books at their meeting next Tuesday evening, December 4, at 8:30 o'clock at the Public Library, 15430 Kercheval avenue.

Mrs. Hauck first began reviewing in 1934 in connection with her duties as program chairman for the Mothers' Club of Grosse Pointe High School. With an assist from John R. Barnes, former Superintendent of Schools and Principal of Grosse Pointe High.

Mrs. Hauck began reviewing books regularly as a professional reviewer. Since that time she has steadily expanded her activities until she now has nine regular groups, in addition to other reviews given throughout the metropolitan area.

With an excellent group of books coming out this Fall, Mrs. Hauck will have outstanding books to discuss. She also plans to give the group an opportunity for a question and answer period, revolving around current books.

The Friends cordially invite all local residents who are interested in books to come out to hear her. This is the first of a series of programs to be held this winter as a community service of the Friends of the Grosse Pointe Public Library.

Church to Hold Special Service
Hundreds will sing in the Sunday morning service at Christ Church to mark the annual Men and Boys' Sunday, designated by the Episcopal Diocese.

In addition to the regular choirs, the men and boys who have sung in the Christ Church choirs, will return on Sunday, December 2, to emphasize this happy tradition of the Episcopal Churches.

The choir alumni, under the direction of Mr. Robert Hawksley, F.A.G.O., will sing the offertorium. The service begins at 11 o'clock. Everyone is welcome. The Rev. Dr. J. Clemens Kolb, Rector of Christ Church, will preach the sermon.

Twenty Teachers Qualified For Mythical Club at GPHS

By Cynthia Netting

Apologies to Shakespeare: "Upon what meat do these our teachers feed that they remain so young?"

Twenty teachers, who comprise nearly one-fourth of the present teaching staff of Grosse Pointe High School have given more than 20 years of service to the Grosse Pointe Public School system.

One might picture a group of teachers with a score of years in education behind them, as 20 venerable bent old men and women with snow-white hair, carrying the works of Socrates under one arm, and a philosopher's stone under the other. However, this is definitely not the case. Yes, the years may have tinted some hairs grey and deepened a few wrinkles, but otherwise, they appear to be as young as spring chickens—and twice as peppy.

True, there are those among them who remember when Grosse Pointe High School was but a dream in a few men's minds and some marks on a blueprint. They can still picture the school's first teetering steps toward top-standard education in the 1920's, when there was no set course of study, and the first graduating class consisted of 24 students. Then there were the years during the depression when salaries were steadily reduced—and the Bank Holiday, when teachers were paid in potatoes and beans, because the Board of Education could get no money for salaries.

Through the years, each of these teachers has come to know some 6,000 to 8,000 students on a first name basis. Now they occasionally have the children of former pupils in their classes. Is it any wonder that they have so many friends?

Among the teachers entitled to membership in the mythical "Over 20 Club" are:—Mrs. Anne Majneri, Mr. George Lance, Mrs. Bernice Stoltenberg, Mr. Donald Campbell, Mrs. Myrtle Wagner, Mr. John Finch, Mrs. Bell Prom, Mr. Lawrence Westerville, Miss Nelle Messerli, Mr. N. Ray Watling, Mr. S. S. Shoemaker, Miss Hazel Black, Mr. Raymond Kaul-

itz, Mrs. Esther Meldrum, Mr. Frank Banach, and Miss Doris K. Trott.

These teachers have watched Grosse Pointe High School grow from a small uncertain seedling to the strong, high-standard institution of education we know today. Many of the schools' policies bears the marks of their influence.

Through the years they have watched the school grow in tradition. But their hearts have remained young and gay enough to understand the teen-agers with whom they work so successfully.

Fire Department Report Submitted

Grosse Pointe Farms fire department recorded a total of 16 runs during the month of October, of which only two were to fires in residences. A total of \$100 damage was done to the buildings which have an estimated value of \$110,000.

The new ambulance raced to five emergency calls with the emergency pickup truck answering six calls.

THE JOY OF TEAMWORK

Our way of life has led us to devote much of our energy to the winning of personal goals. But we are also a nation that excels in team play—especially in sports.

As individuals, we often look back upon those times when we have been members of a closely-knit, successful TEAM as the most memorable of our lives. Many of the more vexing problems facing our nation will be solved when we have learned to apply our gift for and enjoyment of TEAMWORK to serious ends. What are we waiting for?

MUSIC

After a most satisfying concert last Thursday evening, Detroit bid good-bye to Paul Paray with a standing ovation, saluting not only a charming and delightful individual but also a conductor and musician of tremendous ability. It must have been obvious to all that he has accomplished much with our Detroit orchestra.

The entire program was well played. It opened with a fine rendition of Schubert's "Unfinished" Symphony. Eugene Istomin was the guest artist, and he performed Mozart's Concerto No. 19 for Piano and Orchestra in E Flat, showing a sensitive feeling for the work and technical mastery, though there seemed to be a lack of brilliance in his playing. But this may have been partly accounted for by the piano he was using. Durufle's "Tambourin" found M. Paray at his best, and the playing of Wagner's Prelude and Love Death from "Tristan and Isolde" and "Ride of the Valkyries" could not have been improved upon. We hope M. Paray will return soon.

DRAMA

"Lo and Behold," the new John Patrick comedy which was at the Cass last week, is a frequently hilarious and generally entertaining piece. It has to do with a rich old author and philosopher, Milo Alcott, who dies and stays around to haunt his own house, three other ghosts who join him in this, and the romance between the old man's doctor and young housemaid—still very much alive.

Director Burgess Meredith has done a good job in making the shifts between the two levels of action—living and dead—smooth and unobtrusive, but the play has many weak spots. It needs cutting to quicken the pace, especially in Act I, and major revisions to heighten and strengthen the climax, which as it now stands is most inconsistent and out of key. The play ends happily enough, but the writing here is decidedly weak and inferior.

Leo G. Carroll gives a competent performance as the intellectual and witty Mr. Alcott, and has some pretty funny lines to deliver, although we weren't always able to hear him. Jeffery Lynn was handsome and adequate as the young doctor, while Paul Crabtree's petty racketeer was convincing enough. However, the real stars of the vehicle were Lee Grant, who played the uncultured heroine sympathetically and appealingly, the Ramapo Indian maiden, Minnetonka Smallflower (Doro Merande), whose appearance and lines accounted for much of the hilarity, and the bird-brained Southern belle called Honey (Chile) Wainwright, portrayed amusingly and well by Frances Waller.

We saw "Oklahoma!" at the Shubert Sunday night for the first time, although this is the fifth showing of this sparkling musical in Detroit. And what a sunny and engaging piece it is! The production is fine from start to finish, and was directed by Rouben Mamoulian.

An excellent and polished cast sings the wonderfully bright and tuneful songs of Rodgers and Hammerstein, and executes with enthusiasm Agnes de Mille's witty and imaginative dances. The settings by Lemuel Ayres are effective, and right in keeping with the fresh and cheery atmosphere.

SUN STROKE: As a playwright, Wolcott Gibbs, the captious drama critic of the New Yorker magazine, falls far below the standards he has set for other playwrights. "Season in the Sun"—his play which is now at the Cass for two weeks—has some very funny lines and several choice sequences, but they are too few and far between. And generously scattered in Mr. Gibbs' pedestrian plot are some of the tiredest old chestnuts since Joe Miller. In a somewhat cloudy effort at super-sophistication, he runs the gamut of straight burlesque characters: two girlish homosexuals, a prosperous madam, a salty landlady complete with admiral's cap, a dumb broad with white-blond hair, an ulcerous editor, with many others too numerous and too stock to mention.

"Season in the Sun" might be tagged as summer stock fare at its best or at its worst, depending on one's taste. Often it is remarkably lacking in taste. With the exception of Martin Ashe, who makes a very convincing editor and helps to liven the action, the cast lacks ability. This may be due to weak direction. The program gives dubious credit to Burgess Meredith for this job, but he is acting in the same capacity for a new play now B'way-bound. (See above.)

Guild Sponsors Lecture on Art

Walter Romig, publisher and author, will open the community interest series to be sponsored by the Ecclesiastical Arts Guild with the cooperation of the De-troit Institute of Arts, on Thurs-day, November 29, at 8:15 p.m., in the Institute Lecture Hall.

The lecture will be free. The public is invited to attend and participate in the open forum discussion that will follow.

Mr. Romig, prominent in book circles, edits and publishes the internationally circulated "Catho-lic Periodical Index." His home is at 979 Lakepointe, Grosse Pointe.

For his subject Mr. Romig has chosen "The Integrity of Eric Gill." Gill, England's artist-philosopher, is fascinating to listener and speaker alike be-cause of the wide range of topics he covered in his philosophic writing and the consistency with which he produced top quality art in diverse media.

Franklin Page... no stranger to Pointers... will introduce the speaker on behalf of the Arts Guild, a group of artists and craftsmen organized to further contemporary production in the religious theme and to promote an appreciation for a better type of religious art for church and home.

Among the Pointers who are active artists in the Ecclesiastical Arts Guild are Mrs. Robert Thibodeau, Mrs. John F. Klein, Mrs. Curtis Carmichael, Fred-erick Colby, Jr., Miss Stella Klef-man and Mrs. Robert Ashley Cruger. The work, both secular and religious, of these artists has been exhibited locally at the Grosse Pointe Memorial Center.

The evening's entertainment will be headlined by informal talks given by Hub George of the Free Press, Frank Morris of the Times and Will Muller of the News, whose text will cover such informative subjects as: State and County Elections, the Independ-ent Voter, Recent Results of Brit-ish Elections and the National Picture with regard to Candidates.

Tonight, Thursday, November 29, the 14th Congressional Dis-trict Republican Club will open the doors of Harmony Hall at 8 o'clock, at 11725 Chalmers near Houston to host all Republicans who plan attending.

Cub Scouts Help Cancer Patients

As far as the Cub Scouts are concerned, this is going to be a White Christmas! Nearly 3,000 boys in 321 Cub Scout packs in the Detroit metropolitan area and suburban communities, are plan-ning again this year to collect white cloth for the American Cancer Society.

This annual Good Turn has made it possible for the impor-tant Patient's Aid program of the society to distribute 865,000 can-cer dressings free during the past year.

So badly needed are these White Cloth collections, that Mrs. R. L. Stimson, Salvage Chairman for the past three years, announced, "Without the help of the Cub Scouts, we could not have con-tinued this desperately needed service to the cancer sufferers of this community."

Local Cancer Society Districts will receive their own collected material, so what is collected in this area will go directly to the local District Patient's Aid group.

INVENTED IN CHINA

Paper was invented in China during the reign of the Han Dynasty (206 B. C.—220 A. D.). Under patronage of the brilliant house of Han, new and vital forces began to develop, and books of history, biography, and poetry started to appear in great numbers.

In the fall of October 7, 1813, there was great distress among the citizens of Detroit and vicinity from want of provisions. Dur-ing the following winter 700 of General Harrison's soldiers died of disease.

The final peace treaty fixed the boundary line between United States and Canada on the center of the Great Lakes and the connecting waters on Sep-tember 20, 1783. Red Feather family casework agencies served a total of 12,224 families or individuals in the De-troit area with counseling ser-vice on marital family or person-al problems.

Legion Auxiliary News From Unit 303 By Betty Hoyt

Women of the American Legion Auxiliary still believe in the United Nations but are firmly opposed to any form of world government. Mrs. Gladys Charrier, president of the Grosse Pointe Unit of the Auxiliary, said following receipt of reports from the auxiliary's national convention in Miami last month.

The auxiliary's stand on this issue was expressed in a statement of policy adopted by the Legion's convention, which said: "We still believe that the United Nations can be made an effective world authority, and that a strong United Nations is the best bulwark against the development of a totalitarian world government."

"In our adherence to the principles and the ideals of the United Nations and in our recommendations to strengthen the United Nations, it must be clearly understood that we in no way subscribe to or endorse the participation of the United States in any form of world federation or world government, or an intermediate federative organization, which would in whole or part, involve the sacrifice of sovereignty of the United States. We reiterate our opposition, therefore, to the participation of the United States in any form of world federation, world government or any intermediate federative organization."

The Legion and Auxiliary are urging the strengthening of the United Nations by limitation of the use of the veto in matters of aggression, international control of scientific weapons, and the establishment of an effective international police force. Mrs. Charrier explained.

Proem All Set To Go to Press

By Lynda Gaskill

Proem, semi-annual literary publication of Grosse Pointe High School, is ready to be printed in the school print shop.

Material for the magazine is chosen by a student staff which makes its selections chiefly from manuscripts written for English classes.

All the production work on Proem, except linotyping, is done by the students under the direction of Miss Doris K. Trott, journalism teacher, Mr. Donald Bamberger, printing teacher, and Miss Marion Lampan, art teacher.

The cover for the new issue will be a snow man designed by Harlen Ingram, 10B. Both the cover and the illustrations are linoleum cuts done by students in the advanced art classes.

The magazine, Proem, will be distributed shortly after the Christmas holidays. It will be received by all students holding a Student Association ticket, about 85 percent of the school.

St. Pauloscope

By Mary Margaret Van Damme

St. Paul High School held Class Day on November 21. Each class presented its officers, patron, colors, and song. General chairman of the event were Peter Schummer, Senior president.

The underclassmen gave their accomplishments in the form of speeches while the up and coming Juniors surprised the student body by singing their own praises in poetry. The Seniors carried on their boastful history by way of conversations. Two Seniors discussed each of the successive years spent in high school. Their novel-presentation was climaxed with tributes to the faculty and priests.

On Wednesday night Joyce Zemper was hostess to a group of her friends at a very successful party.

Dancing in the cheerful atmosphere of the Zemper recreation room were Bob Taylor, Barb Wines, Dick Faber, Joan Dirks, Jerry Slater, Barb Unti, Joe Muer, Joan Marks, Gerald Fitzgerald, Marilyn D'Hooghe, Wally Hogue, Joan Heidt, Pat McEachen, and Lynn Van Tiem.

Also enjoying themselves were Marilyn Blondell, Dick Schlaf, Claire Lenz, Mike Sheehan, Nancy Mason, Karl Weifer, and Dick Dowd.

The cold weather of last Saturday afforded an excellent opportunity for a rip-roaring hayride.

Chanting popular songs and vainly trying to keep warm were Rosemary Jankowski and Bob Walker, Skip DuCastel and Tam McLaughlin, Diane Cetlinski and John Huettman, Connie Molitor and Jack Carroll, Donna Mayo and Jack Trombly, Marilyn Sutherland and Glenn Walters, Janet Hock and Pete Schummer, Arlene Froelich and Mickey Endres, and Lou Ann Moxley and Louie Geist. Also oodles more from Dominican and Sacred Heart.

Another hayride took place at Clover Lanes the same night. Having a terrific time even if it was a little chilly were Rita Fincham and Joe Bejin, Pat Westrick and Ed McKernan, Evelyn Piche and Jim McMann, Mary Moxley and Joel Schirella, Rosemary Hanzl and Wally Hogue, Pat Besceglia and John Geyman, Sandy Knack and Gene Reynolds and Barb Healy and Dennis Murphy.

Tomorrow the Juniors are depending on you to support their dance. We'll be there — how about you?

Chance Offered To Play Santa

Its annual appeal for toys, clothing and other gifts for children of handicapped employes has been issued by the Goodwill Industries of Detroit.

The toys and other gifts may be either new articles or used ones which can be reconditioned at the Goodwill workshop. Upwards of 200 children every year look forward to the annual Goodwill Christmas party for the Yuletide toys and other gifts which make a child's Christmas a glad one.

Every year hundreds of families with the Goodwill program in behalf of handicapped workers play Santa Claus to the Goodwill children. While the disabled workers at Goodwill receive wages that meet the necessities of life, the individual income is not sufficient to permit the workers to indulge in many luxuries and non-essentials, including Christmas gifts, to which every child looks forward so eagerly.

Everyone is given an opportunity to help make it a joyous Christmas for the Goodwill children with contributions of gifts or cash.

Presents for the Goodwill children may be left at the main Goodwill building, 6522 Brush Street, or Goodwill will send a truck to pick them up if the donor calls TRinity 3-3600.

All parents and friends of Cub Scouters and the general public as well are invited to attend.

Colored movies of Spain will be shown at Detroit Town Hall by Alfred Wolff, noted world traveler, Wednesday morning, December 5, at 11 o'clock in Fisher Theatre.

The cinema will depict bull fighting and the running of the bulls in the streets of Madrid, colorful gypsy dances and other spectacles typical of Spain.

To prevent rice, spaghetti, macaroni and vegetables from boiling over, just rub a small piece of butter around the edge of pan.

Boat Tax Funds Misdirected Away from Idea of Refuges

By FRED RUNNELLS

Detroit dipped into the State's boat tax till and came up with \$50,000 to enlarge the present Memorial Park yacht basin facilities in 1952.

It was an agreement between the State Waterways Commission and Detroit's Department of Parks and Recreation that brought about this \$50,000 expansion program which will include the dredging of the riverfront and necessary construction work of catwalks for mooring facilities, a service building, roadways and parking areas for the 1952 yachting season.

mer long. They will head for the open water of Lake St. Clair and undoubtedly a good many will wish they had the Memorial Park basin on the shore of Grosse Pointe instead of the Detroit River when they get caught in a storm.

To Build Headquarters
The Memorial Park program also calls for construction of an elaborate building to serve as a regional headquarters for regattas and other aquatic activities.

Only power boat regattas, the Gold and Silver Cup type, are held on the river. All sail boat regattas are held out on Lake St. Clair. The only time the sail boats are in the river is when they are going to or from the weekly Detroit River Yachting Association regattas and on rare occasions when the host club requires the ships to cross the finish line off its docks.

It seems to your reporter a large HARBOR OF REFUGE somewhere in the area between the Grosse Pointe Little Club and Crescent Sail Yacht Club would be exceptionally beneficial to every boat owner in the Detroit area.

Bids Already Taken

The fast moving, alert Detroit recreation department already has received bids on the dredging and construction work with the Dunbar and Sullivan Dredging Company submitting the low offer of \$42,500.

Now all this is fine, FOR DEPTERS, and it is true Detroit is putting up a like amount to match the state's gift.

BUT what we would like to know is HOW COME THE BOAT TAX FUNDS ARE BEING USED FOR A MOORING BASIN?

Need Refuge Harbor

It is your reporter's understanding that when the boat tax was crammed down the yachtsmen's collective throats three years ago the funds were to be used for HARBORS OF REFUGE on the Great Lakes.

I have never seen the time that a yachtsman needed a HARBOR OF REFUGE on the Detroit River that he couldn't put into any one of the several yacht clubs or private boat yards that dot the river and be welcome until the storm blew over. Even the worst storms never make the protected water of the Detroit River too rough to navigate.

There are at least seven places, excluding the present Memorial Park basin, where big boats could seek refuge at the present time—so why is it necessary to expand and elaborate the Memorial Park basin before an honest to gosh HARBOR OF REFUGE is provided on Lake St. Clair?

Lake More Dangerous

Dotting the Grosse Pointe shore line are three municipal docks, the Park, City and Farms, and three private yacht clubs, Grosse Pointe Little Club, Crescent Sail Y. C., and Grosse Pointe Y. C. Of these six places only two, the Little Club and Grosse Pointe Y. C., have the room in their harbors to accept boats seeking refuge during a storm. It is considerably more treacherous on Lake St. Clair than during the same storm on the Detroit River. Even these two clubs do not have adequate dock space for storm tossed boats.

Every one of the six mentioned harbors are loaded to the limit of their facilities with club members or paying residents' boats and have no room for boats seeking refuge.

Fell Down on Job
The waterways commission has fallen down on its job of providing a HARBOR OF REFUGE for Lake St. Clair and in my opinion before it does out any more \$50,000 gifts it would do well to investigate the plight of boat owners on Lake St. Clair.

After all the boat owners who will moor in the expanded Memorial Park basin will not sail up and down the river all sum-

Lynch Captains St. Paul Quintet

By Fred Runnels
 Veteran Eddie Lynch was elected, unanimously, captain of the St. Paul Flyers basketball team for the 1951-52 season.

Last year's captain, Jack Trombly, nominated his successor at the election meeting of the team.

Coach Eddie Lauer figures this switch in captains will benefit the team greatly in as much as Trombly will be able to concentrate on his game and become one of the leading scorers on the team.

The duo of Trombly and Lynch make up one half of the returning veterans around which Coach Lauer will attempt to build a championship contender.

Two Other Veterans

High scoring Glenn "Snooky" Walter and Timmy Champine round out the list of veterans.

John Huetteman, the last of a long list of Huetteman's who have starred for the Flyers in years past, Bob Barrett and Pete Schummer will make a hot three-way battle for the remaining starting berth when the Flyers open their 1951-52 season in a non-league game against D. U. S., on its home court, Friday, December 7.

Captain Injured

Missing from the opening contest will be Captain Lynch who sprained his ankle a week ago and will miss action for at least three weeks.

Students Plan Fashion Show

A Christmas tree and other yuletide decoration will back-ground the holiday fashion show to be presented at Grosse Pointe Day School next Thursday (Dec. 6) afternoon at 4 o'clock.

Seniors and juniors will model the prettiest sub deb frocks in the school auditorium.

Nor are the tinner misses to be forgotten in this lovely parade of fashion. There will be six models (from grades one to six) displaying pig tail set chic.

Fashions will be by the J. L. Hudson Company and the show is being followed by tea for the mothers.

Proceeds from the event will be turned over to the DUS and Country Day Schools' year book, "Pericon."

St. Ambrose Five Getting in Shape

By Fran Furtaw
 The St. Ambrose cagers will open their season Friday, December 14, against St. Catherine on the latter's home court. They will be aiming for the East Side championship and possibly the Parochial League's Second Division Crown. Last year they finished in third place in the East Side race.

Bill McClellan, Neal Breaugh, Dick Weber and Mickey Endres, are the only returning lettermen from last year's squad. However, Vince Pellertto, Don Frisby and Norm Soper saw limited action in varsity games.

Since practice started Monday, November 19, several reserve players have come up to the varsity to help round out the team. Coach George Verdonek's squad is not a team to be disregarded in the title race and will be in there fighting until the end of the season.

Basketball League Start Delayed

The start of the 1951-52 Inter-Church Basketball League will be delayed one week to December 15 in order that all churches may have time to file all of their entries for the coming season.

League officials decided it would be best to delay the start of the season in order to have more time to make up the playing schedule after all teams are officially entered.

A few of the churches have indicated that they may have boys in sufficient numbers to warrant entering two teams.

All managers have received the official rules and regulations along with eligibility certificates. These eligibility certificates should be returned to the team managers promptly. They in turn must mail them along with their team roster to League Director Fred Runnels at 323 Moross road, Grosse Pointe.

It is important that the team rosters be received not later than Wednesday, December 5, so the schedule can be arranged and mailed to the managers one week prior to the December 15 opening date.

All persons concerned are requested to be prompt in their cooperation.

Archery Contest

Norm Archer, of the Grosse Pointe Sports Shop, has announced plans to stage an archery contest for Pointe kids up to 16 years old at his shop on Mack near Oxford road Monday, December 3, at 4 p.m.

Four trophies will be awarded according to high scores in three divisions: 8 to 10, 11 to 13 and 14 to 16 years of age. The fourth trophy will go to the highest overall total score.

Blue Devil Basketball Team Opens Season Friday Night

By Fred Runnels

Coach Ed Wernet's Blue Devil basketball team has its followers wondering these days as the squad continues its blistering practice pace to get ready for its opening game of the 1951-52 season against non-league Hazel Park, tomorrow, November 30.

Year after year Hazel Park has been nothing more than a morale builder for the Blue Devils by occupying the opening date on the schedule. Year after year the Parkers have had their hopes of an unbeaten season wrecked by the Pointers as the Devils sharpened their attack for the important Border Cities League opening date.

May Turn Tables
 This year the tables may be turned. It is reported Hazel Park is considerably stronger than a year ago when Bruce Allen, Grosse Pointe's only All-State player, and company had a field day. In that game Allen racked up 31 points before retiring early in the last quarter.

No Allen in Sight
 Grosse Pointe doesn't have a player to match Allen's ability and the Pointers could be in for a very rough evening.

One thing Blue Devil fans can look for in the 1951-52 Blue Devil squad is surprises.

Lacking in height Coach Wernet is attempting to mold a team with what he has, namely last year's reserve squad.

Another thing the Devil fans will see is a varied style of play, with emphasis on the fast break.

Speed to Burn
 Speed is one thing this year's squad has to burn if pre-season practices mean anything.

Only one senior, Norm Lasca, appears to have one hand on a starting berth in the opening game, but this picture could change before the first game and it is quite possible that Wernet may floor a team consisting of four juniors and a sophomore.

Taylor Makes Jump
 Almost unheard of at Grosse Pointe was the big jump made by John Taylor. He previously had played junior varsity basketball

which is one notch removed from reserve ball in the Pointers' basketball system. Because of his speed and ability Wernet moved Taylor up to varsity and he is proving to be one of the more aggressive players on the squad. His play in practice could very easily land him a starting berth against Hazel Park.

Have Tough Assignment
 Following the Hazel Park contest the Devils will bump into probably the toughest assignment in the Border Cities League. The Pointers open the league season December 7 against a veteran Highland Park quintet which has back this year four of its starting five boys who carried the Polar Bears colors to the runner-up spot in 3 years' Class A championship. Heading the powerhouse Polar Bear team is Charles Duncan who Pointe fans will recall personally defeated Grosse Pointe twice during the regular season and knocked them out of the State tournament in the quarterfinals last year with a last minute basket to break a 41 to 41 tie.

Parker Favorites
 Highland Park is a heavy favorite to repeat as champions of the Border Cities League again this year while the rest of the league scrambles for the other five spots.

All in all coach Ed Wernet and his boys will give this community an interesting season of basketball win, lose or draw.

WAGE BOOST ASKED
 The Farms council has referred to its finance committee a letter received from Local 522, A.F. S.C. and M.E., requesting consideration of a wage adjustment of 17 cents per hour.

CREAMED POTATOES
BISSELL
Contributed by
Mrs. Barbara Wick Henry
This recipe is a favorite of
my mother, Mrs. Henry Wick
of Palm Springs, and could
well be called "Cook Is In The
Parlour Potatoes" because it
can be prepared well in ad-
vance, leaving the cook free
to enjoy her guests even as
the potatoes cook.

Day before, parboil several
new potatoes. Let cool in
jackets. When thoroughly
cooled, remove skins and dice
finely (the size of peanuts),
salt well and place in refrig-
erator until ready for use.

In the top of double boiler,
pour one cup of whipping
cream and about one-fourth
cup of butter. When heated,
add the cold, diced potatoes.
It is important that all the po-
tatoes be submerged in the
cream. Put top on double boiler
and cook gently. They will
thicken themselves and may
cook a half hour, hour or even
two hours and will be perfect.

Dash red paprika and finely
chopped parsley over top
when serving. These are a
wonderful complement for
broiled steak.

'Easy Does It'
Is Good Slogan

"Easy Does It" may be a good
slogan for you this winter, par-
ticularly if you are in the middle
years or older and if you are not
accustomed to strenuous exercise,
Dr. Joseph G. Molner, commis-
sioner of health, advises.

The months of December
through March take the highest
toll of lives from heart disease.
In Detroit, deaths from heart dis-
ease lead all other causes
throughout the year. Approxi-
mately 33.8 per cent of the 5,398
deaths it caused in 1950 occurred
in these four winter months.

In cold weather almost every-
thing you do outdoors requires
faster heart action because it re-
quires more effort. Clothing is
bulkier and heavier to carry
around and so are shoes and rub-
bers. Cold weather makes it
harder to get your breath when
you walk. Even holding yourself
tense against slipping on the ice
adds extra strain and all of these
make your heart beat faster. Do
not exercise to the point where
you become breathless. Breath-
lessness is an indication that you
have done more than you should
so stop before you reach that
stage.

Dr. Molner says icy winds and
snow drifts call for self-restraint,
particularly if you are in the
middle years or older. Every win-
ter needless deaths from heart
attacks occur to hunters and
others who engage in sudden
physical exertion to which their
bodies are not accustomed.

If you are the snow shoveler
for your family, remember that
walks should be kept free from
snow and ice but don't let a de-
sire to finish the job all at once
and be done with it cause you to
do more than you are able. Easy
does it. Before you are overtired,
come indoors, take off your coat
and rubbers, sit down and relax.
Take a full half hour to rest. It
may mean the difference between
continued good health and in-
validism or a fatal heart attack.

Points Take Part
in VMI Ring Figure
ROANOKE, Va., November 24
—Cadet Harold Golla, Jr., of
Grosse Pointe Farms, Mich., was
among the 135 Virginia Military
Institute second classmen who
took part in the colorful VMI Ring
Figure, Friday, November 23. He
escorted Miss Betsy Stevens of
Grosse Pointe Farms, Michigan.
The occasion is one of the high
points in the student life of cadets
at VMI, for it is then that they
receive their class rings. While
hundreds of visitors to the
Thanksgiving dances and the rest
of the cadet corps look on, the
second classmen and their dates
perform an elaborate marching
figure.

The cadets and their dates then
move by individual couples under
an icy covered arch where the
second classman receives his ring
from his girl in exchange for a
kiss.

The ring ceremony and figure
were the highlights of the dance
week-end, which followed the an-
nual football game.

Personal Diary of A Whoozit

This week stored the electric fan and got out the wax snowmen carefully saved from last Christmas. They are loathsome reminders of the few shopping days left. Called Joseph A. Maiullo, of University place, for a point of information and found out that learned gentleman has the MUMPS . . . and ditto beautiful little daughter, Diana . . . everyone sending hilarious messages to Joseph and tender words of get-well-soon to the young lady . . . Incidentally . . . Missie Maiullo has the politest initials in town . . . they always say MAM . . .

The years do not change, we always hear the yachting stories when there is ice over the lake . . . one of the hand-somest crafts at the Pointe set out for the lakes last Summer, bound for restful week-end . . . one lady was carried aboard with shingles which didn't improve . . . the cook, a jewel, became seriously ill and had to be sent to hospital . . . the host almost severed an artery in his hand . . . and a doctor guest had to perform emergency operation with boiled needle and thread . . . new cook was hired and he gratefully accepted carefully written menu instructions from feminine passenger . . . which resulted in boiled roast beef at his first dinner (he couldn't read a stitch) . . . the passenger list is just beginning to see how much fun it all was . . .

Keep remembering how pretty Mrs. Wallace MacKenzie looked at the National Farm and Garden Club's tea earlier in the month at the Little Club. Wore black with soft collar lavished in pearls and payettes . . .

Really the most forthright statement made to us during the year that is now slipping away was uttered at dinner the other night when our companion was the fat seven year old princess . . . who said as she gave her attention to her pot of cocoa, "You know people say I'm exquisite and I am" . . .

The gayest Thanksgiving ball must have been that one given by a Pointe bachelor whose French poodle greeted the guests wearing EARRINGS . . . and so, to press.

PILFERINGS

From the writings of E. B. White . . .

Newsreel

"Most of the nutty things that go on in the world get into the newsreel. From them the newsreel has built a curious philosophy. It sees life today as the thrilling struggle of man to conquer the elements. Announcers refer to this constantly. Usually man is seen battling the elements in some wholly grotesque pose, swinging by his teeth from the underside of a blimp or riding a motorcycle up the Tower of Pisa. Our own feeling, after some study of this concept, is that the struggle between man and the elements is badly in need of a referee. Man already has the elements down and is kicking them in the stomach.

Tiresome Item

New York, March 24.—Driven from his apartment, which was being redecorated, a friend of ours decided to move temporarily into a newly constructed hotel around the corner and instructed his valet to that effect. The servant said he was sorry, but he had never seen any new hotel around the corner. "Well, I'm quite certain I saw them building one there," his master replied. "I'm afraid not, sir," insisted the valet. To make sure, they put on their hats and walked round to find out. There it was, twenty-two stories high.

We record this unimportant and wearisome little incident merely because it could have happened in no other city in the world nor at any other period in history.

Waiters

We can go to any restaurant at all and be made uncomfortable by the waiters, waiters seeming to us to be a breed gifted in making guests ill at ease. They are always older, wearier and wiser than we are; and they have us at a disadvantage because we are sitting down and they are standing up. We should very much like to discover a restaurant where we would be allowed to stand up to our food, and the waiters be compelled to sit down, so that we could lord it over them. Brevoort waiters have us at a disadvantage because they know a few words of French, which embarrasses us; although the fact that we speak better English than they do seems not to disconcert them at all.

Pointer of Interest

ELIZABETH PRESCOTT OF LAKE SHORE ROAD

Two years ago, just about this time of year, five Pointers started out for a drive. It was a drive with a purpose, for they were seeking a site; some place where a book store could be started.

The drive took them to Grosse Pointe's Miracle Mile and the "For Sale" sign in a beauty parlor caught all eyes. Mrs. Joel Prescott, with her daughter, Elizabeth, and Mrs. Benjamin E. Young, with her daughters, Shirley and Joan, walked into the shop, bought it, and as smoothly as that the Grosse Pointe Book Shop came into being.

The three young ladies were the owners and partners of another new Pointe business. This week, we stopped to see how the second birthday was being celebrated and to check up on the first two years.

A lot had transpired since that November day in 1949. Two of the partners married (Shirley became Mrs. Harold Robinson Jr. and Joan became Mrs. William S. Edwards) and found that careers as young matrons precluded a business career as well. They sold out to their partner, Elizabeth Prescott, and now are simply awfully good customers.

The First Day

So it was with Elizabeth we went back to the day the Grosse Pointe Book Shop opened its doors. It was a day filled with friends dropping in, admiring the green and brown tones of walls and bookshelves; complimenting the shelves the girls drew and then had built; and particularly finding commendable the fact that the shop sold books uncluttered by records, soft drinks, potato chips and other flora and fauna which too often distracts for the true book lover.

The next day was the three to earth one when the down young owners tried very hard not to stand in the window to see if a customer might be on the way. Those first customers arrived and although they were actually adored by the shop owners, they were permitted to browse undisturbed, to make their own selections without the big sales talk. You see, the owners also had agreed never to pounce on customers and that early decision has been a tremendous drawing power.

The first trip to the wholesale book dealers was nerve-wracking, Elizabeth remembers. They bought too many mystery and crime stories and a prodigious number of "Chess Readers." One of the girls happened to love chess but it was right there and then she learned how rather remote her hobby was. It was amazing how fast the Chess Reader didn't sell.

Experience

On the second buying trip, the girls were equipped with facts about what the book critics said. They checked best selling lists in the New York papers. They had consumed every word of book buying magazines designed to aid the shop owner.

We looked out into the shop from Elizabeth's office and judged from the brisk business that Elizabeth quickly mastered successful book buying. The shelves are filled with a wide selection of the newest fiction, non-fiction, cook books, children's books, etc.

There is a section devoted to volumes in fine bindings for which the youthful owner makes special trips to New York. Her trip around the world early this year produced a collection of charming Italian

and Austrian water colors for Grosse Pointe Book Shop customers. Also, in England, she made a sentimental journey to Hilltop House, the home of Beatrix Potter, author of animal stories for children. Because she loved these books as a child, Elizabeth was quick to stock the cunning little figurines of the animal characters from the book and today's children, she has found, share her enthusiasm.

The Grosse Pointe Book Shop was bound to be a success because its owner loves everything about books. A trip to London will find her spending hours in the quaint, dusty, musty shops, pouring over old and new editions; her own library at home numbered 5000 volumes until she gave 2000 to Sigma Gamma to distribute among children; she wrote her own first collection of short stories (about animals) when she was seven and has written book reviews for the Junior League Bulletin.

Co-workers

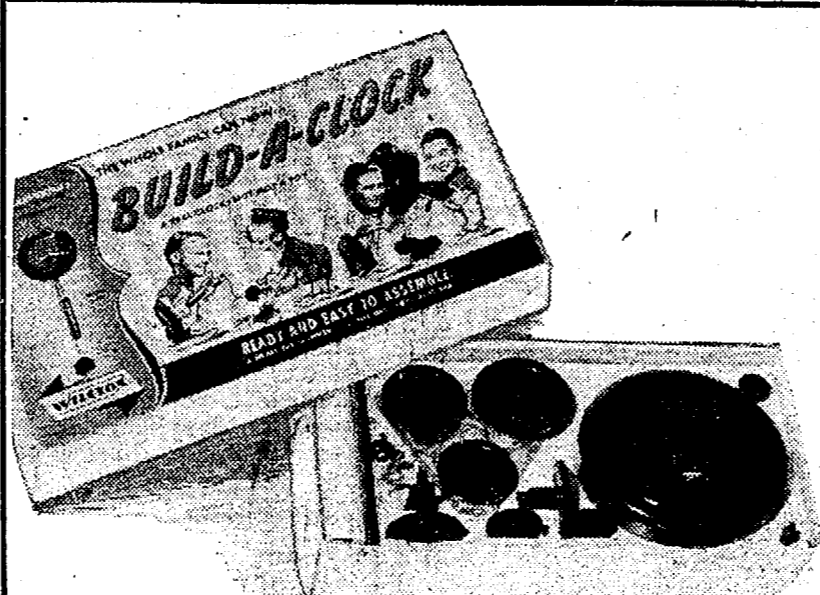

Ann Brown has worked with Elizabeth at the shop since the first year and Jo-Ann DeGree rounds out the staff.

They tell a story, without names, about how once in the early days, they were asked for a book on The Cocktail Party. They produced a book of recipes for cocktails and hope both T. S. Elliot and the customer have long since forgiven them.

A very special member of the

BOOKMAKING ART

The art of bookmaking reached its height in the monasteries of Europe during the Middle Ages. According to The Book House for Children, manuscript work was done in writing rooms, called "scriptoria," where master copyists worked painstakingly "with rich reds and blues and precious bits of thin, heated gold leaf," to illuminate exquisite, hand-lettered manuscripts.

Luncheon Will Brighten Christmas for Homeless

On Thursday, November 29, at 12:30 o'clock in Annunciation Hall, McClellan, one block north of East Jefferson, St. John Bosco Auxiliary to the C.Y.O. Home for homeless boys is giving a luncheon and card party for the boys' Christmas. All proceeds will be used for this purpose.

Those with reservations are served first, the others must wait their turn. Send or call in your reservation to, Mrs. Robert P. Jones, chairman, TU. 1-6274, 9826 Yorkshire avenue; Mrs. Marie McKenzie, 1520 Garland avenue, VA. 1-1424; Mrs. H. E. Davis, 275 Merton road, TO. 5-1647.

Tom Lister, president; Bill Rexford, vice president; Patricia Barrett, secretary, and Bob Schaller, treasurer, were formally inaugurated as the new club officers, as Rev. Paul F. Ketchum presented each with the traditional white rose.

After repeating the Tuxis pledge, the initiates were individually called forward to receive a red rose as token of their pledge.

The Grosse Pointe Memorial Church Senior Choir sang under the direction of Marie Joy Curtiss.

Tom Lister presented the guest speaker, Rev. C. Herbert Rice, who, for many years has been Grosse Pointe Memorial's missionary to India. As former president of Forman Christian College, in Lahore, India, Rev. Rice

spoke to Tuxis on the subject of world-wide brotherhood, using, as an illustration, the Christian work which is being done for Indian youths.

A reception for Tuxis members and their guests was held in the church gymnasium, immediately following the service.
