DECLARE WAR ON KILLER OF ELMs

HEADLINES

of the WEEK

As Compiled by the Grosse Pointe News

Thursday, January 24

SENATOR ESTES KEFAUVER announced that he is a candidate for the Democratic nomination for President.

U.S. AND SPAIN review provisions for a grant of base privileges in Spain to American forces in exchange for economic and military aid from the United States.

IMPROVEMENT in Detroit employment situation seen after Air Force decision to spread out aircraft construction during the next few months, providing supplemental allotments of aluminum to auto companies.

FBI AGENTS ARREST Lyle Groves, Jr., alleged rapist-bandit who preyed on Detroit dry cleaning stores. Nabbed in Miami.

THE INTERNATIONAL UAW-CIO ordered wildcat strikers to return to their jobs immediately after four day close-down of the Briggs Manufacturing Co. Mack plant.

HOUSE EXECUTIVE Expenditures Committee endorses Truman's plan to reorganize scandal-ridden Internal Revenue Bureau.

Friday, January 25

SUN OIL CUTS price of its gasoline another cent, lowering regular gasoline to 26.2 cents per gallon. Latest to make first round cuts were makers of Sinclair, Mobilgas, Standard and Speedway.

DESPITE BACK TO WORK order by the International UAW-CIO, the wildcat strike at the Briggs Manufacturing Company spread quickly through six company plants. The dispute began at the Briggs Mack plant when Local 212 charged the company was conducting a speed-up.

DEFENSE PRODUCTION officials say that although rescheduling of aircraft production would release pressure on aluminum supplies, allocations have already been made as far ahead as the first quarter of 1953, and to reallocate for civilian production within the next few months seems unlikely.

TRUMAN HINTS at Senate seat rather than another term as President.

Saturday, January 26

FIFTEEN THOUSAND Egyptian students march on office of Premier Mustafa el Nahas Pasha shouting demands that he declare war on Britain. Political circles relate severance of diplomatic relations between the two countries.

RESIDENTS near Fox Creek resist attempts of DPW to build sandbag dike against rising waters. City threatens court action on the grounds that the opposition is detrimental to the health, welfare and safety of the community.

CHARGE DETROIT fire-repair contractors and insurance adjusters are violating Federal communications laws by intercepting short-wave Fire Department broadcasts and taking advantage of the information.

Sunday, January 27

MARTIAL LAW DECLARED in Cairo and throughout Egypt after day-long rioting by Egyptian mobs, who burned American and British buildings and called for war on Britain.

THE HOUSE of the Michigan Legislature voted 65 to 0 to pass proposed law that a witness be allowed to have his lawyer present while being questioned by the one-man grand jury. Approval by the Senate would kill the law now in effect.

ONE HUNDRED MICHIGAN LEADERS to ask the Federal employment "task force" to recommend permitting the building of at least 1,000,000 cars and 250,000 trucks in the second quarter of this year.

Monday, January 28

FORMER PRESIDENT Herbert Hoover would reduce ground forces "to the force necessary to protect our homeland and our

Farms Dock Employes Measure High Water With Concern

Maintenance men TED BLUMLINE, left, and ED GOOSEN kneel on one of the catwalks in the Grosse Pointe Farms municipal harbor to measure the almost record high ice level that exists in Lake St. Clair this winter. The dock the men are kneeling on is usually two feet above the ice level and at least a foot above the high water level of last summer. The present level is just one inch shy of the all time record set May 26, 1929.

Park Project Rouses Wrath Of Residents

Plan to Create Parking Lot And Bus-Loading Station on Pemberton Battled

Residents of Grosse Pointe Park voiced objections to plans of the proposed Civic Center presented at a public hearing Monday night, January 28. The hearing marked the second time in a year the project has been withdrawn for details.

Residents of the plans were first heard in March of 1951. They were met with disapproval. The original plans were revised and presented again for review in June of last year.

Deluge of Objections A deluge of objections was released by the residents of Pemberton and Lakepointe, who would be most affected by the realization of the plan as it was presented.

As viewed by the Plan Commission, the Center would provide space for future municipal development; it would provide protection for valuable residential sites against business infiltration on the south side of Jefferson at Pemberton; it would provide an off-street bus loading area and a bus station for the lines serving all the Pointes at the north end of Pemberton. It was also set forth by the Plan Commission that a parking lot be built, which would provide some revenue to help defray the cost.

Plan Pumping Station The primary considerations presented in the plan concerned the beautification of the area and the construction of a storm-water

(Continued on Page 2)

Board of Education Plans Establishment of Community Orchestra at High School

Will Be Divided Into Two Divisions With Parents Invited to Play With Their Children in Junior Group

A community orchestra will be started at the Grosse Pointe High School on February 13. This organization will be sponsored by the Community Services Department of the Grosse Pointe Board of Education.

The new orchestra will have two parts. A Junior Division will include children from 10 to 12 inclusive, their playing parents, and those who are interested in helping young children. A Senior Division will include all playing adults, plus Junior and Senior High School students, who have a fair degree of playing ability.

The Community Orchestra is being formed through the efforts of an amateur music group composed of Mrs. Eugene Lewis, 1023 Yorkshire; Mrs. Robert Sherwood of 510 Neff road, and Dr. A. T. Watson of 7 Radnor circle. These playing parents have enjoyed playing with their children and thought others would like the same opportunity.

Miss Martha E. Ream and Fred Broeder have been selected as co-leaders of this new musical organization. Miss Ream has long been known to the community as a strong advocate of active amateur music, with young and old participating.

Plan Beginning Class Mr. Broeder and Miss Ream will offer on Wednesday, February 13, from 7:30-8:15 p.m. a beginning class for adult string players. It is hoped that all Grosse Pointe musical amateurs

will get their instruments out of the attic, polish them and start loosening up their fingers with some good old-fashioned Kreutzer or Kummer exercises.

Two Memberships There are two types of memberships available. Parents and children can join together for the 15 weeks of rehearsals held on Wednesday nights. A family membership will cost eight dollars. A single membership is five dollars per person.

Call the Department of Community Services, TU. 5-2000, Extension 25, for further information.

Publishers Honor G.P. News In State-Wide Competition

The Grosse Pointe News was chosen for Second Place honors in general excellence among weekly newspapers. Metropolitan-urban circulation, by weekly members of the Michigan Press Association at the 84th anniversary convention Friday and Saturday, January 25-26, at East Lansing.

Selection was made by official ballot. The Grosse Pointe News was nominated as a candidate for the contest by a committee of judges. The judges comprise publishers of last year's prize-winning weekly newspapers. Entered and certified have been awarded the following winners for 1952:

Class A (less than 1500 circ.): First, Blissfield Advance; Second, Frankmunth News; Third, East Tawas Joco County News.

Class B (1500 to 3000 circ.): First, Romeo Observer-Press; Second, Bad Axe Huron County Tribune; Third, Brighton Argus.

Class C (3000 to 5000 circ.): First, Alma Record; Second, Plymouth Mail; Third, Petoskey, Northern Michigan Review.

Class D (Over 5000 circ.): First, Lower County Press; Second, Haverly Livingston Co. Press; Third, Ithaca, Gratiot Co. Herald.

Class E (Metropolitan-urban): First, Wyandotte News-Herald; Second, Grosse Pointe News; Third, Birmingham Eccentric.

See Picture Of Proposed Pier for City

Engineers Prepare Drawing of Development Which Would Cost \$220,300

An engineer's drawing of a proposed new pier for Grosse Pointe City's lakefront park was unveiled at a meeting of the city council Monday night. The proposed development would cost an estimated \$220,300.

The drawing was not submitted as a proposal for immediate action, but rather as part of a progress report of the parks and recreation committee. The present dock has long been the subject of much controversy and criticism and it has been generally recognized that it will have to be replaced.

Financial Problem How soon the City can handle such a replacement is part of the municipality's financial problem. Right now the councilmen are wrestling with the difficult matter of preparing the annual budget which must be ready before April 1. Any such major project as the replacement of the pier would undoubtedly have to be taken care of through a bond issue. The structure could be built in units, and the development spread over a period of years.

The drawing was prepared by the firm of Mason Brown Sons, Co., official engineers for the City. The proposed pier would extend 800 feet into Lake St. Clair. It would have a main promenade 20 feet wide, with side catwalks enclosing boat wells and a large swimming area. The boat harbors would be divided to care for varying sized boats up to 60 foot cruisers.

Concrete and Steel The pier would be built of steel sheeting, concrete capped. The main promenade would allow mechanical equipment for maintenance and servicing, ambulances and police cars to drive all the way to the end of the pier when necessary.

The drawing has been hung on the walls of the council hall where it can be studied and provide inspiration for action when the coffers of the City permit such a project.

TWO WITH ONE STONE

Mrs. William Esperti of 244 McKinley told the Farms police someone had thrown a stone through her kitchen window on the afternoon of January 24. She found the stone between the storm and inside windows, both of which had been broken.

RUG FIRE DOUSED Woods Patrolman Henry Marchand investigated a report that smoke was filling the home of Mrs. H. J. Schulte, 1087 Sunningdale. An electric reflector had been left face down on the upstairs bedroom rug, turned on, burning the carpet. Water put out the fire, but the rug was burned through.

Fire Service Plan Studied by Heads Of Civil Defense

Pointe And Harper Woods Would Be Tied In With Detroit Area Under Mutual Benefit Agreement In The Event Of A Bombing Attack

Under the direction of Brigadier General Clyde E. Dougherty, the Wayne County Office of Civil Defense has been studying the possibility and plausibility of a fire service plan based on cooperation among the five Pointes, Harper Woods and the Detroit area. The plan follows the presupposition "that an attack (by a foreign power) on any of the communities in Wayne County will be considered a blow to all communities in the county collectively."

Chief Rector Advisor Park Fire Chief Edward Rector has been acting in an advisory capacity to the Civil Defense office, representing the Pointes and Harper Woods. When the details of the plan have been completed to the immediate satisfaction of those now active in its formation, Chief Rector will advise the Fire Department heads of the other five communities. They, in turn, will present it to their City Councils for approval. Participation in the plan is not demanded.

Mutual Benefit Plan The plan operates on the principle of mutual benefit for all communities engaged. Any stricken area would receive aid by way of men and equipment from member communities, so the burden any one fire department would normally carry, would be lightened.

Sections of Wayne County will be designated as time areas, with the center of the clock, from which the sections receive their designation, near the Ford plant in Hamtramck.

Routes Laid Out Routes have been laid out by which the fire departments in the county may reach any emergency area. Alternate routes have been set up in the event that the primary routes are broken.

All calls that would affect the Pointes and Harper Woods would be received at the Park Fire Department Headquarters and relayed to the others.

The severity of an emergency would be recognized by the number of calls received. On First Call member communities would contribute a given amount of equipment. A second call would signal the need for more, and an established number of vehicles and men would be sent out in addition to the first. Answered and second calls would be answered immediately.

Would Need Outside Help Calls for third and fourth packets would be noted, however, until the State Fire Chief, Roy E. Mottschard, had ordered equipment from neighboring townships or counties. This provision has been made so that no community would be depleted of more than 50 per cent of its equipment.

Under the State Civil Defense Act, the State Fire Chief is empowered to take such action as he deems necessary to protect the public safety.

Choir Takes Part Then the Grosse Pointe High School (Continued on Page 2)

Drinking Driver Pays \$65 Fine

Park Patrolmen Barclay King and Ernest Harry C. King of 5571 Philip, Detroit, at 2:30 a.m., January 26, for violation of the Drunk Motor Law ordinance.

King had been seen driving east on Mack avenue in the center of the street. He made a left turn onto Devonshire and hit the curb. When the officers stopped him, he said that he did not know where he was; that he thought he was on Philip.

He was fined \$65, and it was recommended that his license be revoked for six months.

Snow Cleaners Receive Praise

Letters received by the City of Grosse Pointe Farms council commending the city for the excellent snow cleaning job during the heavy storms, led the council members to adopt a resolution praising the Public Works Department for its accomplishment.

Attention was called to the fact that the Detroit daily papers, the Jamsting Detroit for its laxity in the same emergencies, cited the good job done in the Pointe.

Fluorine Program Expanded By Mothers' Health Council

With the completion of the fluorine treatment in the second and fifth grades in view, the Mothers' Health Education Council is extending its sponsorship of the treatment to students in the eighth grade of all public, private and parochial schools in the Grosse Pointe Area.

Because most children at eighth grade level have all of their permanent teeth, with the exception of the wisdom teeth, dentists believe that this is one of the best ages to have the treatment if they have not had it within the past two years.

Parents will receive letters from the Mothers' Health Council explaining the plan in detail and a follow-up letter enclosing an application blank.

Since the introduction of fluorine in the water in some parts of the Pointe, people may believe that such treatments are unnecessary. However, in order to be effective, children must have fluorine in their drinking water from birth.

Treatments will begin at Brownell and Pierce Junior High Schools during the week of February 11 and at a later date at Parcels Junior High. The Mothers' Health Council appreciates the response it has received from the parents in this project and also the cooperation of the mothers who volunteered their services and helped to make the project so successful.

All Residents Asked to Join In Crusade

Community's Thousands of Lovely Trees Threatened By Dutch Elm Disease

The first round in a fight against Dutch Elm disease, which constitutes a threat to the thousands of beautiful trees in the Pointe, will be staged in the Pointe War Memorial Center Monday night, February 4, at 8 o'clock. All residents are invited to attend and find out what must be done to prevent a serious invasion by the disease during the coming year.

The meeting in the Center has been arranged by the Grosse Pointe Garden Center and the Garden Council. The council is comprised of representatives from each of the 10 local garden clubs. The 10 organizations are co-sponsoring the campaign against the spread of the disease.

Outstanding Speakers Three outstanding speakers on the subject will be present at the meeting. They include C. A. Boyer, chief of the Bureau of Plant Industry of the Michigan Department of Agriculture; Prof. Forrest C. Strong of the Department of Botany and Plant Pathology of Michigan State College; and Walter E. Meyers of the Department of Parks and Recreation of the City of Detroit.

There were more than a dozen trees killed in the Pointe last year by the Dutch Elm disease. Hundreds of cases of carriers were found and unless drastic action is taken, the disease may spread disastrously this year. The concerted action of all the Pointe municipalities and every resident is being urged.

Must Be Sprayed The chief protection against the spread of the disease is through spraying. This spraying must be done during a three week period in March. Monday night's meeting is the first step in the campaign to insure that everything possible will be done to protect the community's beautiful elms.

The disease has killed more than 1500 trees in Cleveland, in Massachusetts, where it was first discovered, it has destroyed more than 6,000 elms. A recent survey revealed there are 2,965 elms on city-owned property in the City of Grosse Pointe alone. This includes only those trees bordering the streets and in the City's lakefront park. None on private property.

Country Will Help Wayne County has already announced it will undertake the spraying of all the trees along East Jefferson avenue and Lake Shore road, from the Park limits to beyond the Edsel Ford estate.

The value of the elms in the Pointe runs into millions of dollars. The cost of removing and burning trees which have been destroyed by the disease is great, and replacements of dead trees is even more expensive. The concerted action of all residents is imperative if the Pointe is to be spared the sickening experience of seeing many of its lovely trees ravished by this killer.

HURT IN FALL Mrs. Mildred Floore of 282 Fisher road suffered a cut on the forehead when she slipped and fell on her front steps on January 23. She was treated in Cottage Hospital.

Subscriber Testifies To Power of Want Ads Testimony that NEWS Want Ads get results was willingly proffered last week when a subscriber called to tell his personal experience.

His wife had spotted an advertisement for a baby christening was for sale and she sent her husband to look at it, on Thursday, the day the paper was published. Satisfied with the article, he told the seller he wanted it and would be back on Saturday to pick it up.

When he returned on Saturday, the woman who was selling the christening said she never dreamed her ad would bring such results. She had had 16 calls.

For quick action, call TUxedo 2-6900, Classified Advertising Department.

NOTICE OF Public Hearing CITY OF GROSSE POINTE

Notice is hereby given of a public hearing to be held at 10:00 o'clock A. M. Saturday, February 16, 1952, at the City Hall, 17150 Maumee Avenue, concerning a request to amend the City Zoning Ordinance so as to permit construction of terrace dwellings on Lots known as "P" and "N", fronting about 250 feet on both Cadieux and Notre Dame Avenues, and next adjacent to the present terrace development upon the area placed in terrace permitted zoning on July 30, 1951.

A plot plan layout of the proposed structures to be erected upon Lots "P" and "N", if such area is amended as to zoning, is on display for public examination during established office hours in the office of the City Clerk.

Norbert F. Neff,
City Clerk
17150 Maumee Avenue TU. 5-5800

Park Project

(Continued from Page 1)
pumping station to prevent storm water pollution from entering the lake.

Grosse Pointe Park pays for the use of the sewage disposal system of the City of Detroit and consequently has certain financial responsibilities to it. The construction of the Park's own pumping station and storm-water treatment plant would be economically advantageous, and release the municipality from any liability to the Detroit sewage disposal system.

Kick at Parking Lot
Residents attending the hearing were in agreement with the Plan Commission in these two respects. But their objections were expressed against the prospect of a bus station and parking lot at the end of Pemberton, which, it was claimed, would reduce the value of nearby residential properties.

Despite the details that remained to be reconsidered, the proposal that the lots be purchased for the beautification of the area and the eventual construction of an underground pumping station was met with approval.

It was declared that there was no way of estimating the cost of the venture at the moment because the objection to certain aspects of the plan as presented resulted in too many unknown factors.

Fire Service

(Continued from Page 1)
powered to call aid from outlying communities as the need arises. Gas Companies Volunteer
Some of the larger gasoline companies have agreed to supply fire trucks with fuel while they are pumping. The fuel trucks would be called in from their deliveries and sent to stricken areas to stand by.

Community highway departments would supply pick-up trucks for the transportation of relief teams and additional equipment.

Learned in Tokyo
A great deal of thought has gone into the creation of the Fire Service Plan. More people were killed in Tokyo than Nagasaki or Hiroshima, because our planes ringed the city with incendiary bombs, tightening the circle until there was nothing. Enemy planes could get through. Radar is not infallible. An A-bomb on Detroit would kill 50,000 persons and there would be an area 3 miles in diameter of "fire storms." Fires could flower out six miles in any direction. The Fire Service Plan is being formed out of persistence and careful study on the basis of one for all and all for one.

High School Graduation Held

(Continued from Page 1)
School Choir under the direction of Mr. John E. Finch offers vocal selections, as a prelude to the commencement addresses. These are always given by members of the graduating class. Speaking for the Class of January, 1952, were Virginia Davis, Henry Hubbard and Alice James. Their general topic was "Reinvesting Our Legacy."

An accomplished musician from the class ranks is next presented as a soloist. For the current group Gayle Ashton sang "Guardian Angels" by Marx.

Diplomas Awarded
Following the formal presentation of the class by Mr. W. R. Cleminson, principal, diplomas are awarded by the superintendent of schools. Mr. James W. Bushong congratulated each graduate individually as the seniors marched across the stage to receive their diplomas.

Then comes the awarding of class honors by the principal. Mr. Cleminson announced the following last Thursday:

Honor Graduates
The honor graduates (those completing their three-year senior high school course with an average of B or better): Barbara Adamski, Lyndon Babcock, Mar-

evening concludes with the informal reception for the graduates, their families, and friends given by the High School Mothers' Club in the girls' gymnasium. The mothers also by long custom arrange the stage and provide for its decoration.

Farms Police Report Issued

The Grosse Pointe Farms Police Department reported a collection of \$766 for traffic violations, which included 49 traffic violations and 132 parking violations, during December, 1951.

Walter R. Hoyt, chief of the Farms police, also revealed that

eight injuries and a total damage of \$8,227 resulted from 35 traffic accidents.

Seven cases of breaking and entering brought a loss of \$1,281 to Farms residents. However, the capture of Ernest Morris, notorious "Cat" burglar, cleared six of these offenses.

Fifteen adults were arrested on charges ranging from enticing to leaving the scene of an accident. Of the 15, two were females.

Four juvenile arrests were made, one of which was a 15-year-old boy on charges of drinking. He was released to his parents.

Property damage in the Farms totaled \$22 on three accounts. Police calls answered in December numbered 195.

The Boy Scouts of America have \$32,650,000 invested in its camps for the boys of the nation.

FEAST your eyes on this, America. Mercury has done it—brought you a really new 1952 car that's far, far ahead . . . that stands as an even greater challenge to the motoring world than last year's Mercury, one of the most popular cars that ever came down the American Road.
Your first look begins to tell you why. For here's something entirely new in car design . . . swift, clean lines that sweep from the new "Jet-scoop" hood (inspired by the smartest European cars) to a strikingly new rear deck design. Here's styling made possible for the first time in automotive history by revolutionary new techniques in metal engineering.
But wait till you feel the stepped-up pace, the steady balance of this beauty. There's more power—125-horsepower high-compression V-8—greater pick-up, and even better efficiency. And that's saying plenty when you think of the prize-winning Mercury performance of recent years.
So hurry on down to our showroom. Be one of the first to see, drive, and own the car with the "future features" today . . . the challenging new 1952 Mercury.
Standard equipment, accessories, and trim illustrated are subject to change without notice. White side wall tires, when available, at extra cost.

Motion Picture of Fishing To Be Shown at High School

The Grosse Pointe Bait and Fly Casting Club has made arrangements with several of the leading manufacturers of fishing equipment for the showing of their outstanding motion pictures on fishing.

The first of the series will be on Tuesday evening, February 12, at the Grosse Pointe High School at 7:45 o'clock with "Flying and Fishing in Canada" and "Fishing Steelhead on the Manistee River."

Some of the places to be seen in the Canada picture after taking off from the seaplane base on the Detroit River will be the St. Clair Flats, Blue Water Bridge and then to northern Ontario in the area of Sudbury

and Little Current. The base camp for the fishing trip is located on Lake Penage at the road end.

All equipment has to be transported by plane to adjacent lakes where collapsible Link boats are used in taking many large and small mouth bass with the occasional great northern pike just for variety.

In the Manistee River picture, which was photographed in the fall of the year, one will see eight to ten pound steelheads testing the ability of the anglers. The film program and question period will last approximately 90 minutes, after which everyone is invited to the Boys' gym where an exhibition of bait casting will be offered by members of the Grosse Pointe Club.

Open Bowling Featured At Twentieth Century

The reopening, last Saturday night, of the Twentieth Century Recreation, 14800 Mack avenue, was well attended by east side bowlers, with Andy Varpapa, famed bowler, giving an exhibition of his skill.

On Saturday night, February 2, Twentieth Century will give away door prizes of Brunswick bowling ball and two bowling bags. The drawing will be made at 10 p.m. No purchase or play is necessary in order to participate.

There will not be a charge for the evening's program, it is being sponsored by the Department of Community Services of the Grosse Pointe Board of Education as a public service. It would be appreciated if those interested would call TU. 5-2000, extension 25, regarding the number of tickets desired or for information about becoming a member of the Casting Club, where beginners are more than welcome.

STOLEN BIKE FOUND Officers Moffat and Van Tiem recovered a Roadmaster bicycle for Lee Worden of 652 Lincoln road. The bike had been reported stolen about 6 p.m., January 25. It was found on Waterloo the following morning.

Reckless Drivers Pay Up in Court

The cases of 15 alleged traffic violators were heard at the Grosse Pointe Park Municipal Court session held January 23.

Stewart Lanier, 1509 Torrey road, was fined \$10 for an accident that took place January 6, on Mack avenue.

Tom S. Taranio, 1045 Maryland, was fined \$10 for an accident that occurred January 8, at the intersection of Maryland and St. Paul.

For an accident at Maumee and Bishop, December 14, Bernard G. Rose, 3020 Eastlawn, was given a fine of \$35.

John E. Kratz, 1329 Maryland, was found not guilty of an accident that occurred in front of 1063 Maryland on December 25.

A. J. Doyle, of 1063 Maryland, received a \$10 fine for the accident in which John E. Kratz was involved in front of the Doyle residence.

William H. Siegfried, 4853 Guilford, was found not guilty of charges placed against him for an accident at Wayburn and Kercheval, December 22.

Costs of \$5 were charged against Neva Saunders, 1481 Garland, for an accident on January 8, at Kercheval and Whittier.

James E. Ashby, 2156 Alter road, was fined \$10 for an accident on December 22, at Wayburn and Kercheval.

Jack Spurgeon, 23851 Wellington, East Detroit, failed to appear in court to answer charges of violating a stop street, December 5. A report was sent to Lansing.

Sylvester Thomas, 2032 19th, Detroit, failed to appear in court. He was charged with driving without an operator's license. A report was sent to Lansing.

A fine of \$10 was placed against Michael J. Keegan, 4885 Buckingham, for an accident at Mack and Balfour, December 15.

Malcolm Sawyer, 4727 Mel-drum, was fined \$50 for failure to obey a signal light and causing an accident at Cadieux and Vernor, December 6.

Dr. Norman Bonney, of 5167 Bishop, was charged \$5 costs for an accident on December 10, at Mack and Balfour.

Philip Frank Greco, 1109 Somerset, was fined \$10 for speeding on Charlevoix, October 18.

Promoted by Marine Corps

JAMES E. CONROY

HUGH W. MCTAVISH, JR.

Hugh W. McTavish Jr., 20-year-old son of Mr. and Mrs. Hugh McTavish, 1426 Hampton road, Grosse Pointe Woods, and James E. Conroy, 21, son of Mr. and Mrs. Russell Conroy of 553 Gateshead, were promoted to the rank of Private First Class on graduation from Marine Corps Boot Camp at Parris Island, South Carolina, January 10.

Field experience and classroom lectures have made both men well versed in such military subjects as precision drill, first aid, hygiene, and field tactics. Their course of training has given them experience and competence in handling the 45 calibre pistol, carbine, the Browning Automatic Rifle, and the Garand Rifle.

McTavish entered the Marine Corps on October 30, 1951. He qualified as an Expert on the rifle range after making a score of 221 out of a possible 250. As a result, he was one of two members of his platoon to be chosen permanent cadre of the Weapons Training Battalion Staff.

Conroy earned the title of Marksman after getting a score of 197. He also entered the Corps on October 30, 1951.

petence in handling the 45 calibre pistol, carbine, the Browning Automatic Rifle, and the Garand Rifle.

Whole Shoreline of Pointe Seriously Threatened by Ice

By Fred Runnells Ice, that terrible slow moving, crunching, crumbling juggernaut of Mother Nature that gouged out enormous mountain valleys during the Ice Age, is moving against Grosse Pointe's shoreline in what could result in incalculable damage.

Due to the almost all time record high of the water level of Lake St. Clair and the rest of the Great Lakes, whose waters bottleneck through Lake St. Clair and the Detroit River continually, ice jams are beginning to huddle the Lake Shore road seawall and dock and harbor installations which dot this community shoreline.

Officials of the U. S. Lakes Survey department attribute the high water to the abnormally heavy rain and snowfall this winter in the Great Lakes drainage basin which reaches north almost to Hudson Bay. They predict the level of Lake St. Clair will rise another 18 inches by spring when the tributaries flowing into the Great Lakes release their spring flood waters.

Checking with Norb Neff, City of Grosse Pointe City Clerk and one of the oldest sailors in this community, with a tremendous knowledge of water lore, your reporter discovered some very fearsome facts regarding ice damage.

Said Neff, "I am very much alarmed over the fact the lake, (St. Clair), level is so high at this time of the year when it usually is at its lowest level. The best thing we can hope for the remainder of the winter is some good stiff freezing weather that will lock the open water up so it cannot be whipped against the dock and harbor installations and our shoreline."

Neff continued, "Under the present situation we would suffer untold damage if we should get a storm from an easterly direction. This would pile huge ice jams against the docks and clubs that dot the shoreline and if it continued it could very conceivably smash existing structures to match wood. "Also the trees along Lake Shore road could be seriously

damaged by the ice as it crawled over the seawall and pushed against or past them. They could be uprooted or debarked, either of which would strip the drive of its beautiful trees.

Neff concluded by saying, "If you think Grosse Pointe could have trouble because of the high water, just think of some of those people out in St. Clair Shores. Some of the streets there are now only six to seven inches above the present water level and if it goes higher, as predicted, there are going to be many homes and streets gripped in a full size flood.

"Also at the present time the sewer outlet in St. Clair Shores is below the water level and if the community becomes flooded it will be forced to bypass the interceptor sewer and dump everything into the lake. If this happens it could make the Grosse Pointe shoreline a trifle undesirable for a while this coming spring and summer."

The high water has also affected the proposed construction of the Farms new municipal dock according to Murray Smith.

"If the government gives us permission to use the steel to carry out our project we will face a problem when we start construction sometime late in February or the first of March," said Smith. "The high water is quite probably going to force us to change our original construction plan. At first we had planned to utilize the usual low water period this winter to install the steel whalers on the outside of the steel sheet wall, but it appears now that we will have to drive our sheeting and pump it out and put the whaler on the inside of the wall." Smith was quick to state this procedure would not appreciably increase the original cost of the project.

At present the level of Lake St. Clair stands at 575.76 feet above sea level and if it stays that high during the summer local yachtsmen with deep draft boats will not have to worry about running aground. That's about the only good thing that can come of the near all time record high water level.

Metropolitan Club Installs

The Grosse Pointe Metropolitan Club, Spirit No. 20, comprised of more than 100 policemen, firefighters and federal employees of Grosse Pointe, recently conducted their annual installation of incoming officers for the coming year.

The members and wives were hosts to a very large gathering of neighboring clubs and their friends. Officers who were installed are: president, M. W. Mason; 1st vice-president, Philip Costa; 2nd vice-president, Foster Mauck; recording secretary, F. L. Baldwin; financial secretary, Richard H. Prietz; treasurer, Robert J. Hyde; sgt.-at-arms, Arthur Charrier; auditors: Arthur Conlan, Robert VanTiem and Victor Hallberg. Martin Nielsen was the retiring president.

City Clerk Norbert Neff added to the pleasure of the evening by acting as toastmaster.

Two national officers, Neil J. McGillis and George Spiegel, administered the baths of office. They spoke on various programs of the Metropolitan Club, and congratulated the Grosse Pointe Club on its achievements, particularly in juvenile athletic activities.

The officers and members of the Metropolitan Club of Grosse Pointe are planning a more extensive program of athletic events for juveniles with tentative plans in the making for a much larger 1952 Field Day than in preceding years.

This will be only one of the many events planned in keeping with the aim of providing diversified recreation for juveniles, with the intent of offering definite events that might have a tendency towards the prevention of juvenile delinquency.

Pointe Theatre Plans Try-Outs

Grosse Pointe Community Theatre is holding try-outs for its next major production, Norman Krasna's "John Loves Mary," at Miller Hall on Friday, February 1, at 7:30 p.m., and on Sunday, February 3, at 2:30 p.m. The play will be presented at the Grosse Pointe High School on Saturday, March 22.

"John Loves Mary" is a sparkling comedy revolving around the marital complications of two GIs and their girls here and abroad. Besides John and Mary the cast includes John's buddy, Mary's mother and father, an ex-acrobatic dancer, an ex-lieutenant in John's outfit, a Red-Cross worker and a general in the regular army. Leonore Marshall will direct the play, assisted by Jean Standish.

Anyone interested in working on the production, on stage or back stage is invited to attend try-outs.

The next regular meeting, which is open to all interested in joining the theater group will be held at the Grosse Pointe War Memorial on Tuesday, February 19.

Youngsters Held As Gas Thieves

Woods police checked a report of a car parked on the night of January 24 in the field at the east end of Nesbit. They found a boy filling the gas tank from a five gallon can of gasoline, and four boys in the back seat of the automobile.

In the car were James E. Miller, 17, of 12606 Charest, Detroit; John Smyth, 19, of 6167 University, Detroit, and two minors. The officers found a seven foot section of garden hose that smelled of gas in the trunk of the car. After questioning, the boys said it had been used to siphon gas from a car parked on Hollywood.

They also found an exhaust deflector that, it was admitted, had been taken from a Ford in the Woods Theatre parking lot. The boys said they thought it was the car of a friend, and it had been done as a joke.

It was later discovered that Smyth had been placed on a year's probation in July of 1949 for larceny of a car in Hillsdale, Michigan, and that one of the three minors had been on probation last year for stealing gas from a car in St. Clair Shores, and another was on probation for car theft and was to have been home at 9 p.m. It was 11:30 at night when the boys were picked up.

One of Many Beautiful New Fords

The new 1952 Ford "Victoria" is a member of the Ford Crestline which also includes the Sunliner convertible and the Country Squire station wagon. The Victoria combines unobstructed side visibility and open-car advantages of a sports vehicle with the all-weather protection of steel sedan top construction. It is available in a wide variety of interior trim, upholstery and solid or two-tone body colors.

Faces Sentence On Morals Charge

Clyde Custer, 33, of 1025 Beaconsfield, was charged with indecent exposure January 23. He pleaded guilty before the Circuit Court, and his case was referred to the probation division for further investigation. He will be sentenced on completion of the report.

Mrs. H. Hubbard Receives Honor

Mrs. Henry H. Hubbard's main interest is seeing that the citizens of metropolitan Detroit have the best of care when they are ill. For her services she has been named Red Feather "Volunteer-of-the-Week" by the Central Volunteer Bureau of the United Community Services.

Mrs. Hubbard is president of the board of trustees of Cottage Hospital and chairman of the advisory committee of the Harper Hospital School of Nursing.

For two years she served on the board of directors of Curative Workshop, a Red Feather service, which helps handicapped persons regain the use of their muscles following illness or accidents.

She is the only non-professional person on the research study on improvement of patient care which is being conducted by local hospitals.

She is also interested in many Red Feather services and serves on the Governing Board of the Women's Committee of United Community Services. As a member of the board she serves on the program committee and as a member of the committee for UCS's Speakers Bureau.

Mrs. Hubbard resides at 61 Muskoka road, Grosse Pointe.

For her services in making the community a better place in which to live, Mrs. Hubbard received a Red Feather lapel pin during the Johnny Davis "Coffee and Cakes" show over WXYZ-TV at 9 a.m. January 22.

Suffers Collapse In Flower Shop

Ralph Stoepel, of 174 Touraine road, suffered an attack and collapsed in the Pasetk Flower Shop in Kercheval avenue on the afternoon of January 25. The Farms rescue car, manned by Firemen Gilchrist and Campbell and Police Officer La Ponsa responded.

Mr. Stoepel was transferred to Jennings Hospital in the rescue car on the orders of his physician, Dr. Edward K. Carmichael. He had been revived with an inhalator by the time they reached the hospital.

Rev. Allan Frew Becomes Pointer

Dr. Allan Frew will be installed in a special service as Pastor of the First Presbyterian Church Sunday, February 3, at 7:30 in the evening.

Dr. Frew moved to Grosse Pointe with his family recently from Ardmore, Pennsylvania, where he had been pastor of the First Presbyterian Church for 17 years. He will make his home at 622 Lincoln road with his wife and two sons, Allan, Jr., and Charles.

Dr. Frew will be the thirteenth pastor of the church, succeeding Dr. Frederick H. Oert, who has been made pastor of the Second Presbyterian Church of Richmond, Virginia.

New Students Well Prepared

By Nancy Eriksen
G.P.H. Journalism Student

Students who are coming to Grosse Pointe High School and Brownell Junior High School this semester have been well prepared to come to a new school.

The Tower, Grosse Pointe High School's weekly publication, is sent to all 6A's who will come to Brownell and to all 9A's in Parcels and Pierce Junior High Schools. So the students can learn first hand of the high school, several representatives from the junior high schools and several 6A's come to the high school to visit for a day. They then report back to their classmates what they have seen and done.

Orientation, the program

planned to help students know their homeroom teachers and the layout of the buildings, is held the day before school actually opens.

Because the 7B's are not used to the rush and bustle of the high school, they are given five extra minutes at the beginning of their lunch hour. Also, all new students are not counted late to their classes for three days at the beginning of the semester.

DOG POISONED

Strychnine poisoning killed the female setter belonging to Mrs. Margaret Mercer of 617 Washington road. There is no knowledge of where the dog might have contracted the poison.

KID BITS

By NANCY KASER

Wednesday, January 23, was the day Gayle Ashton and Betty Hoyt invited several of the graduating girls to a tea in honor of both their 18th birthdays and graduation. Barbara Drinkaus, Carol Fredericks, Janet Holtz, Ann Hoover, Helen Laquere, Dorthe Ostwedder, Dorothy Peterson, Fran Townsend, Janet Fricke, Marcia Blecki, Joann Karnatz and Gretchen Shinn are some who dropped in that afternoon.

Last goodbyes were said to Rip and George Reynolds that evening at a party given for them by Kay Catchick. Some of those seeing them for the last time were Jeanne Rydholm, George Parker, Maggie Koehler, Dan Webb, Clark Bassett, Bee Squire, Tom Pfeifle, Dave Cobb, Jeneane Dial, Bertie Roberts, Joyce Blashill, Nels Jensen, Nancy Hall, Don Button, Tinsey Netting and Carol Loveless.

Many of the graduates celebrated the next night after commencement at a party at the Memorial Center. Janie Joachim 'n' Bob Howe, Nancy Ramsay 'n' Pete Davidson, Janice Gelhaar 'n' Len Bahr, Jinnie Davis 'n' Don Coury, Patti Lee 'n' Winnie Likert, Pat Smith 'n' Ralph Cross, Ann Watson 'n' Gene Halbrook, Pat Barrett 'n' Joe Gratzler, Alice James 'n' Dale Ewart, Janet Holtz 'n' John Fildev, Lillian Bundeson 'n' Hank Hubbard, Carol Fredericks 'n' John Towar, Emo Harding 'n' Dick Saunders, Franie Crowley 'n' Dave Hamilton, and Molly Murphy 'n' Bruce Crowley enjoyed the dinner there. Others dancing there were Jane Leverenz 'n' Jack Grenard, Judae McNaughton 'n' Don Wilkison, Neil Smith 'n' Tinsey Netting, Maral Molyneaux 'n' Skid Smith, Lea Zay Sheridan 'n' Bob McLean, Ann Hoover 'n' Robin Hesse, Donna Hewitt 'n' Dave Cobb.

Sue Sibbert asked the graduates to an open house that night. Donna Georgi 'n' Jim Commins, Pat Savage 'n' Gary Dickson, Barb Drinkaus 'n' Jim Schoeck, Sally Lemen, Lynn Huntington 'n' Dick Eckel, Marietta Cashen 'n' Harvey Fischer, Ellie Frizzell 'n' Bert Larkins, Marie Thornton 'n' Dallas Kitchen, Dusty Irwin 'n' Twilly Clark, Marilyn Reich 'n' Dan Reed, and Betty Hough 'n' Bob Coe and Buddy Wisnitch enjoyed the party there.

After the variety show Saturday night, many of the cast and crew from "Sugar and Spice" went back to Memorial church. Some dancing and listening to music there were Jane Rowe 'n' Jerry Harden, Janet Miles 'n' Ron Beaty, Jerry Goebel, Dick Anslow, Jimmie Davis, Jane McGrath, Tinsey Netting 'n' George Reynolds, Gail Sisson, 'n' Tom Lister, Sally Beardslee 'n' Tony Pear, Joyce Blashill 'n' Norm Lasca, Reta Stright, Tom Richards, Barb Coombe, Shirly Ulrich, Peggy Lutton, Joan Carver, Coby Martin, Tom Pfeifle and Jean Earl.

Laurie Smith and her date, Bill Huettman, asked more back to her house for a party. Mike Dooley 'n' Janet Hofmann, Louie Bordon 'n' Dave Leach, Ellee Frizzell 'n' Dick Scales, Ann Watson 'n' Gene Halbrook, Jeanne Rydholm 'n' Wayne Mille, Peggy Moreland 'n' Twilly Clark, Jeneane Dial and Dan Webb, Greachen Becker 'n' Joe Murphy, and Lil Bundeson 'n' Jerry Davis went there.

Connie Woodall Saturday Bride

Connie Woodall will be married this Saturday afternoon to William Prescott Fisher, at a small, informal wedding in the home of her parents, Mr. and Mrs. Herbert J. Woodall of Oxford road.

A reception for the wedding guests will follow.

Mrs. Warren Weaver Jr. of Albany, N. Y., will be her sister's only attendant and Robert Fisher of New York will be his brother's best man. They are the sons of Dr. and Mrs. Ralph Lee Fisher of Cloverly road.

Wesley Group To Meet Feb. 6

The Susannah Wesley Group of the Women's Society of Christian Service of the Grosse Pointe Methodist Church will have its February meeting on February 6 at the home of Mrs. D. W. Hessel-schwerdt, 932 Washington road, with Mrs. R. H. Davies and Mrs. J. S. Giesecke as her co-hostesses.

The meeting will begin promptly at 8 o'clock, with the program in charge of Mrs. R. J. Brown. The project for the evening will be work on the 300 pads for the American Cancer Society that the group plans to complete as soon as possible.

Good used white material, such as sheets, pillow cases or men's shirts is needed by the society for future work. Members are asked to take materials to this meeting.

St. Joan Mothers To Hold Dance

The second square dance sponsored by the St. Joan of Arc Mothers' Club will be held at the Southlake High School auditorium at Mack and Nine mile road, Saturday, February 2.

Calling the sets, beginning at 9 p.m., will be Wes and Julie Rea.

Committee members for the event are Mrs. George Bidgair, Mrs. Norman Reeber, Mrs. Norman Giraud, Mrs. George Verfaillie, Mrs. Frank Nebolini and Mrs. J. Anglewicz.

Assisting Mrs. Peter Biglin with publicity are Mrs. Jack Steek, Mrs. J. Harold Meech, and Mrs. Clayton Dodge.

The public is cordially invited.

GRACE AUXILIARY TO MEET
The Women's Auxiliary to the Grace Hospital will meet in the Nurses' Home on the hospital at 1:30 p.m. on February 5. Bruce B. Bradshaw will speak on the subject: "Naturalism in American Style Decorating."

Society News Gathered From All of the Pointes

From Another Pointe of View

By Jane Schermerhorn

Mrs. Peek's Diary:
Mr. and Mrs. C. Henry Buhl and their dazzler, Lydia... have reservations for Easter in Madrid with a fortnight in Seville during the Grande Fiesta and bull fights of that haunting city... meanwhile Mr. and Mrs. Buhl will be hosts at dinner and canasta this evening in their East Jefferson avenue home...

The Grand Tour

The Pointe's Favorite Tour this Winter leads over to the new and delightful quarters of the junior Rennie W. Semmlers over there on Cloverly... it's contemporary French and they moved in just before the holidays...

All About the House

Hear that lovely Susie Stoepel is soon to leave for New York where she'll take a course in interior decorating.

Backstage Brevity

Heard recently that Mrs. William P. Harris, mama of the flashing star, Julie Harris, hurried to New York a few years back when Julie made her debut on the New York stage. Critics gave rave notices to Julie but the play was not a success. For the young lady's second venture, Mrs. Harris again was in the first night audience and again, though Julie was wonderful, the play did not last. When "Member of the Wedding" came along, Mrs. Harris decided SHE might be the jinx, so although she went to New York for opening night, she stayed at home. You all know the success story of "Member of the Wedding." So, that's the procedure, now... Mrs. Harris is in town on opening night but doesn't attend the play (Julie's currently winning praise in "I Am A Camera") until the second night.

California Bound

Week after Valentine's Day, the Eddie Peabodys will take to the skies... winging out to Palm Springs to visit his mother... Mrs. Edward B. Caulkins and Mr. Caulkins. The California visit will also include stops in La Jolla to see Eddie's sisters, Mrs. Jonathan Latimer (Ellen Peabody) and Mrs. Robert B. Conway (Jane Peabody).

Tame Jaguar

A brand new French mademoiselle in charge of the four wee misses, Frank and Barbara Saunders are planning a Florida holiday. Barbara will take the plane down to Fort Lauderdale, where Frank will have arrived in that unspeakably chic new Jaguar (black with scarlet upholstery), and they'll go on to Delray for a month in the sun and surf at Sandoways East.

Georgia Junket

The junior William J. Youngs are heading South, too, where at Atlanta, Ga., he'll pause to take a re-fresher course (he's an executive in the company having the same motto, you know). Be away just a few days.

Jeanne Boyle Is Wed To Thomas C. Williams

Many Pointers Travel to Nation's Capitol for Wedding of Miss Boyle and Mrs. Williams: President Harry S. Truman and Family Among Those Present

The president and vice-president of the United States, with their wives, were among wedding guests at the fashionable ceremony in Washington, last Saturday, when Thomas Chase Williams of Grosse Pointe claimed as his bride Jeanne Marie Boyle.

The marriage took place in the Shrine of the Blessed Sacrament and was followed by a reception given by the bride's parents, Mr. and Mrs. William Marshall Boyle, Jr., of Chevy Chase, Md., at the Shoreham Hotel. Mr. Boyle is former chairman of the Democratic National Committee. The bridegroom is the son of Mrs. William K. Williams of Beaupre road and the late Mr. Williams.

In addition to the nation's two first couples, Miss Margaret Truman attended the Williams-Boyle wedding with her parents.

The bride wore chantilly lace and ivory satin and carried white roses, stephanotis and white orchids. The gracefully flowing wedding veil of French silk illusion fell from a Juliet of chantilly.

Bridesmaids, Mrs. Charles Casgrain Williams of Silver Springs, Md., Mrs. William J. Redmond of Kansas City, Mo., Colette LeJeune, Virginia Boyle, Mrs. James V. Moffett and Margaret Sheehan, all of Washington, were gowned alike in costumes of peacock blue taffeta. Their small hats matched their frocks.

Barbara Boyle was her sister's maid of honor in aquamarine taffeta with small matching chapeau. Three-year-old Wannie Williams, niece of the bridegroom, wore a miniature duplicate of the costume for her duties as flower girl.

John Gaylord Williams was his twin brother's best man. The ushers included another brother of the bridegroom, George Hammond Williams; John Bradley and Robert Valade of Grosse Pointe; Ulrich V. Hoffmann of New York City; the bridegroom's brother, Charles Casgrain Williams of Silver Springs, Md., and Robert C. Trumbour of Forest Hills, Long Island.

The mother of the bride chose a floor length rose crepe gown with winter white chapeau and white orchids.

Mrs. Williams wore for the occasion, midnight blue crepe with bois de rose felt hat and pink camellias.

Tom and his bride are traveling in the South on their wedding trip. The new Mrs. Williams wore a beige wool suit with brown accessories.

Among Grosse Pointers who attended the wedding were mem-

Wedding Plans Are Disclosed

Elizabeth Ann Fletcher, daughter of Mr. and Mrs. Charles Henry Fletcher of Vendome road, will be married Feb. 23 to Ronald Waring Houghton, son of Mr. and Mrs. Herbert J. Houghton of Seattle.

The wedding will take place at noon in the Fetters' Vendome road home.

Mrs. Frederick David Pierce, sister of the bride-elect, will be matron of honor and bridesmaids will be Mrs. Walter Frank Torrance of Waterbury, Conn., and Elizabeth Archer.

David A. Wolff will be Mr. Houghton's best man.

Mrs. Theodore G. Fletcher will give the rehearsal dinner for her granddaughter and her fiancé at the Little Club on Feb. 22.

The Rev. J. Clemens Kolb will officiate at the wedding ceremony which is to be followed by a small reception.

Tau Beta Has New Officers

Mrs. Frank W. Donovan of East Jefferson avenue will head Tau Beta as president during 1952.

Other officers for the new year include Mrs. Alexander W. Blain, III, vice president; Mrs. Richard Turner and Miss Kitty Smith, secretaries; Mrs. Alfred L. Marks and Mrs. Charles Wright, III, treasurers.

Tau Beta Association will have as its new president Mrs. Harry D. Wise Jr., whose aides will be Mrs. Richard Kimbrough, Mrs. Charles B. Hull III and Mrs. John Finlayson, vice presidents; Mrs. Ferdinand Cinelli and Mrs. John R. Bowers, secretaries; Mrs. Henry T. Bodman and Mrs. William C. McMillan, treasurers.

Pointers Need Maps For Engagement News

Two Betrothals Involve Hubbard Woods, Ill., New York and Ramey, Puerto Rico as Morris-Mozena and Kalthoff-DuBrul Wedding Plans Are Told

Today's engagement announcements take on the proportions of a travelogue. In Hubbard Woods, Ill., last week-end, Mr. and Mrs. Robert E. Mozena told of the betrothal of their daughter, Jane, to Richard Cabel Morris, son of Mr. and Mrs. Charles Wilson Morris of Yorkshire road.

And the bride-elect of the second announcement, Nancy DuBrul makes her home in New York (while she works for a publishing house) is engaged to Dr. Robert J. Kalthoff, who is, at the moment, stationed in Ramey, Puerto Rico with the U. S. Air Force.

Mr. and Mrs. Mozena made their announcement at a cocktail party for their daughter and Chuck Morris on Sunday afternoon. The Mozenas formerly made their home in Grosse Pointe and the bride-elect studied at Liggett School.

Jane also attended Pasadena Junior College and Lake Forest College. She is a member of Alpha Delta Phi. She is a niece of Mr. and Mrs. George R. Fink of Cloverly road.

Chuck served two years in the Navy and studied at Wayne University.

The young couple plans a June wedding.

Square Dancing Club Has Party

The Grosse Pointe "Balance and Swing" Square Dance Club had its January dance in its new meeting place, the new and beautiful Monteith School.

The weatherman cooperated and enhanced the "winter wonderland" decorations of the spacious gymnasium.

Dave Palmer, Jackson's well-known caller, came to town for the occasion and with his three-piece combination of melody men kept the dancers jumping throughout the evening.

Mr. and Mrs. John Louisgna were assisted by the following committee members: Mr. and Mrs. Leonard Jennings, Mr. and Mrs. Richard Larwin, Mr. and Mrs. Earl Meyer and Dr. and Mrs. Arthur Watson.

Center Offering Dancing Classes

The Grosse Pointe War Memorial Center will open the Spring Series of Dancing Classes for beginners and advanced students in ballroom dancing, Friday evening, February 8.

Classes are now being formed, and an early registration is advisable. This series consists of ten lessons ending with the Spring Cotillion formal party, May 23. Mr. and Mrs. Fred Rivard will continue as the instructors.

For further information, please call the Center, TUxedo 1-6930.

Robert E. Bodycome, Jr. To Wed Rochester Girl

A June wedding has been planned for Ruth DiSalvio and Robert E. Bodycome, Jr., son of Mr. and Mrs. Robert E. Bodycome, 9685 E. Outer Drive, Detroit, formerly of Nottingham road.

The prospective bride, whose parents are Mr. and Mrs. Bernard DiSalvio of Rochester, New York, is a senior at the College of Wooster, Ohio, and a member of Pi Kappa.

Her fiance attended the University of Michigan and was graduated from the College of Wooster. He is a member of Kappa Kappa Kappa and Pi Sigma Alpha.

Elizabeth Cass Chapter To Meet in Marcus Home

The Elizabeth Cass Chapter, Daughters of the American Revolution, Grosse Pointe Farms, will meet at the home of Mrs. Oscar Markus in Ellaire place on February 4.

Mrs. Walter R. Fruit, regent, will preside at the regular monthly business meeting at 1:30 o'clock. Plans for the state conference, to be held March 19 through 21 at the Statler Hotel, will be discussed. Delegates and alternates will be elected. A noon luncheon will precede the meeting.

The afternoon program will present a discussion of American Indian work along with a review of the book, "Indian Agent," by guest speaker, Mrs. Claus Anderson of Dearborn. The book was written by Albert H. Kneale, former government Indian Agent for 30 years.

Mrs. Walter R. Fruit, Mrs. H. H. Marshall, and Mrs. Oscar Markus will represent the Elizabeth Cass Chapter at the National Society DAR Continental Congress in Washington, D. C.

Miss Jane Mozena, former Pointer who is now living in Hubbard Woods, Ill., is to be a June bride.

Picture by J. D. Landfield
Miss J. D. Landfield, former Pointer who is now living in Hubbard Woods, Ill., is to be a June bride.

Museum Fabrics To be Available

A new source for authentic antique fabrics, wallpaper and rug reproductions for home decoration is now available through an exclusive contract with E. Schumacher & Company, New York Fabric House, announced here today by A. K. Mills, Executive Director of the Henry Ford Museum and Greenfield Village, Dearborn.

Under the contract Schumacher, which already makes the Colonial Williamsburg restoration fabrics, will also have exclusive rights to make commemorative fabrics and wallpaper patterns using fabrics from the celebrated multi-million dollar Ford collection as motifs. The material will be distributed to the public through interior decorators and the decorating departments of leading stores.

"There has been a noticeably increased public demand for replicas from the Museum," Mr. Mills said. "This arrangement with F. Schumacher and Company marks the first time in the Museum's twenty-three year history that objects in its collection have been made available through such media as fabrics, wallpaper and rugs."

Mr. Mills is now working with Rene Carrillo, Schumacher Design Director, in the preparation of the first of a continuing series of authentic reproductions, adaptations and commemorations. One print on fine cotton now in production uses some of the interesting harness buttons in the Ford collection as its pattern. Another printed fabric is being designed around the famous Ford collection of hand blown bottles.

The Henry Ford Museum and Greenfield Village principally cover the period extending from 1800 to the present time. The collection represents one of the finest in this country on Early American Folk Art, fabric and wallpaper documents.

The real importance of the collection contained in the Henry Ford Museum is the fact that the American public may see in Dearborn, Michigan, complete displays of the history of the Industrial Revolution in this country as shown in all its phases from locomotives to sewing machines. Particularly interesting is the collection of early carriages and automobiles, the largest in the country.

Neighbors Club To Meet Feb. 4

The Neighbors' Club of the Grosse Pointe War Memorial Center will hold its monthly meeting Monday, February 4, at 1:30 at the Center.

Mrs. Morrison Booth, who is sponsored by the Grosse Pointe Public Library, will speak on "Books and People." She will emphasize current books to be found on the shelves of the public libraries and will also give interesting facts and highlights concerning the authors.

Mrs. Booth obtained her graduate degree in library science at the University of Michigan and is active in the American Association of University Women. She is the present chairman of the Contemporary Literature Group of that organization.

Mrs. Warren Dilloway, program chairman, will introduce Mrs. Booth. Tea will be served preceding the program by Mrs. E. K. Smith, hostess, and her committee: Mrs. Paul Lohr, Mrs. E. M. Braden, Mrs. D. M. Carson, Mrs. L. A. Lotgering, Mrs. Arch Galbraith and Mrs. Waldo Abbott.

Musicale Group Plans St. Valentine Vanities

Members of Tuesday Musicale's Ways and Means Committee to Stage Gala Revue at Detroit Yacht Club on Feb. 13; Evening Begins With Dinner

Come St. Valentine's Eve and you'll find many Grosse Pointers at Detroit Yacht Club, helping to celebrate the Valentine Vanities staged by the Ways and Means Committee of Tuesday Musicale, that estimable organization which once a year steps out of its cultural role to go frivolous.

In a romantic setting of hearts and flowers, members and their guests will assemble for dinner at 7 o'clock. There will be intervals for dancing.

The piece de resistance will be the Gage Nineties Revue floor show presented by a cast of 18 which includes Pointers; Mr. and Mrs. Joseph N. Jennings, Mrs. O. F. Pengelly, Mrs. Arthur E. Benson, J. Leslie Berry will serve as master of ceremonies.

Chairman of the revue committee, Mrs. Mildred Coulter, is being assisted by Mrs. Charles C. Hicks and Mrs. Berry.

Among the members of the Ways and Means committee are still more Pointers comprising: Mrs. Edward A. Bauman, chairman; Mrs. Oscar P. Pengelly, co-chairman; Mrs. Kenneth C. Costley, Mrs. Coulter, Mrs. Philip D. Dexter, Mrs. Albert John Grundy, Mrs. Adolph Jacobson, Mrs. Fred T. Murphy, Mrs. Nelson McBride, Mrs. C. G. Pratt and Mrs. J. Nelson Setzer.

Mrs. Adolph J. Jacobson is the one Grosse Pointe member of the decorations committee for which Mrs. Carl Beutzel is chairman. The unusual decorations will out-valentine good old St. Valentine.

Mrs. Henry E. Bodman, Mrs. A. J. Andre Jr., Mrs. George Roumell, Mrs. John E. Coulter, Mrs. Walter E. Cole, Mrs. Harold S. Knight, Mrs. Albert J. Sillmon, Mrs. W. Bruce Howard, Mrs. Talmadge C. Hughes, Mrs. G. Luce, Mrs. George L. Johnston, Mrs. Edward N. Marcus, Mrs. H. W. Mohr, Mrs. Otto E. Rumpel, Mrs. Reginald T. Murphy, Mrs. John S. Newberry, Mrs. Charles C. Moore, Mrs. Joel H. Prescott, Mrs. George H. Primeau, Mrs. E. F. Wunsch, Mrs. A. A. Widmann, Miss Christine Symington, Mrs. David Sutter and Mrs. Humphreys Springston.

Town Hall Books Carlos Fallon

"Living with Latins" is Carlos Fallon's subject for his lecture at Detroit Town Hall, Wednesday morning, February 6. The witty Latin-American will speak at the Little Theatre at 11 o'clock.

In addition to a light-hearted discussion of present day life in South America, Fallon will give some useful hints on dealing with Latins. In a more serious vein, he will discuss international politics as they affect the Americas.

Descended from colorful and legendary Irish and Castilian forefathers, Fallon was brought up in diplomatic circles. He served for ten years in the Colombian Navy, and represented his country's navy at Panama when the base was established for defense of the Panama Canal.

Dames of Court of Honor To Hold Luncheon Meeting

Mrs. Marvin L. Hoagland, president of Michigan Society, Dames of the Court of Honor, will conduct a luncheon-meeting, Friday, February 8, in the home of the past president, Mrs. Lloyd DeWitt Smith of Grand Marais boulevard, Grosse Pointe. The meeting will observe Lincoln's Birthday.

Mrs. Arthur A. Rubly, of Birmingham, will act as assistant-hostess with Mrs. Smith.

Mrs. Hoagland will preside at a board meeting at 11 o'clock, and the luncheon will be served at 12:30 o'clock.

Mrs. Edward A. Davy will present a paper on National Defense.

Members from all parts of the state are expected to attend. Reservations should reach Mrs. Smith by Wednesday, February 6.

Party Planned By Center Club

The Center Club will hold its monthly party and meeting at the Grosse Pointe War Memorial on Friday, February 1.

Business and professional people of this area are cordially invited. Dancing will start at 8:30 p.m. Refreshments will be served.

Dr. E. R. Stoliker is chairman of the party.

Lydia Buhl Entertains At Dinner and Dancing

Post debutante Lydia Buhl was hostess at dinner and dancing Saturday evening, taking her guests to the Little Club. Before dinner the group gathered for cocktails at the Buhl home on East Jefferson. In the party were Molly Moll, Susan Stoepel, Mr. and Mrs. Reese Evans Howard, Sue O'Leary, Ann Stringer, Bill Bechenstein, Robey Cohn, Bob Palms, Sherman FitzSimons and Ted Watters.

Memorial Church Group Sponsoring Square Dance

The Evening Group of the Women's Association of the Grosse Pointe Memorial Church is sponsoring an evening of square dancing on Friday, February 15, in the church gymnasium.

The dance will begin at 8:30 p.m. Calling will be the Wesley Raes. Ticket reservations may be made by calling Mrs. E. A. Stiegler at Valley 2-1807, or the church office, TUxedo 5-3773.

TO HEAR TALK ON F.B.I.

A special agent from the FBI will speak on the work of that organization before the Twentieth Century Club on Thursday afternoon, February 7, at 2 p.m. in the Women's City Club.

Mrs. Edwin L. Yates is chairman of the afternoon.

From Another Pointe of View

(Continued from Page 8)

Guest In Town

Most attractive guest at the junior Alvan Macauleys on Kenwood road . . . Siggie Saller, whose father owns the Big Lodge at Kitzbuhl, Switzerland. Mrs. Macauley and Mary are among the Pointe's m-o-s-t avid skiers and will probably be off to the alpine country for more of the same before very long.

Sky-Shy

A young, local tycoon (love the word and so rarely get a chance to use it) wistfully admits that though he owns his own plane, he has to be "pushed on" when it comes to traveling in it.

League Names New Officers

At the annual meeting of Detroit League for the Handicapped, last week, re-elected to the board of trustees to serve three year terms were Mrs. Walter O. Briggs Jr., Miss Suzanne Copland, Mrs. James J. Phelan Jr. and Mrs. E. S. Wellock.

Mrs. Guy Chester Smith was named to fill the unexpired board term of Mrs. Robert Keller, who moved to Wilmington, Del., last autumn.

Newly-elected to the board at the meeting were Miss Veramae Adams, Mrs. E. Liwyd Ecclestone, Mrs. Robert Graham Jr. and Mrs. James I. McClintock.

Re-elected to the men's advisory board of the League were Charles Boyd, Glenn Coulter, John Davis, Orville DeVew, Edward P. Gushee, Julian Krolich, James Lee II, J. L. S. Scrymgeour, William C. Tost and Charles Wright III.

George Hooper and Nelson McCormick were also elected to the advisory board.

Officers for 1952 include Mrs. David Wallace, president; Mrs. E. S. Wellock, Miss Eleanor Hutzel, vice presidents; Mrs. Clarence Johnson and Miss Jeanette Nichol, secretaries; Mrs. Robert Budd and Mrs. Ray M. Whyte, treasurers.

A Case of Mistaken Identity

The prospect of an All-Grosse Pointe slate in the gubernatorial elections next fall has been threatened, though we trust not seriously, by the announcement that Lieut. Gov. William Vandenberg aspires to be the chief skipper of Michigan's ship of state.

Governor G. Mennen Williams is expected to have no opposition as a Democratic candidate to succeed himself. Up until Vandenberg's announcement, it seemed that the other native son, Secretary of State Frederick M. Alger, would also be unopposed as the Republican candidate.

Now the dark shades of 1950 appear once again, menacingly on the far horizon. We recall how the Republicans split into factions, with the result that Alger, the state's top vote getter, was defeated for the Republican nomination by former Governor Harry Kelly.

Kelly was defeated by Governor Williams by a narrow margin in a recount that took months. After losing the nomination for the governorship, Alger was enticed into running for reelection as secretary of state and polled a heavier vote than either of the candidates for governor. Many were convinced that had the Republicans nominated Alger for governor in the primaries, he would have won the election.

This paper has nothing personal against Lieut. Gov. Vandenberg. It does feel that he is hurting the chances of the Republican party for a victory in 1952 by entering the race against Secretary of State Alger.

Fred Alger has proven his ability as an administrator during his tenure of office as secretary of state. He has also proven his ability to get votes.

The suspicion persists that many of the votes which elected Vandenberg to the office of lieutenant governor in 1950 were cast by persons who wrongly believed that he was related to the late great Michigan statesman, Arthur H. Vandenberg.

There are names which carry an aura of magic on a ballot and one of these is Vandenberg. Many voters, either too new to the area in which they cast their ballots, or too acquainted with the candidates, or those older, lazier electors who do not bother to determine the qualifications of the candidates, let names be their guide.

This paper believes it would be extremely unfair to Secretary of State Alger to have him lose votes purely because of a misunderstanding such as this. All publicity possible, including repeated statements from Arthur Vandenberg, Jr., should be given the fact that the lieutenant governor now opposing Mr. Alger is no relation whatsoever to the brilliant and beloved senator.

To All of You... Many Thanks

The News is deeply appreciative of the honor bestowed upon it last weekend at the annual convention of the Michigan Press Association. Publishers and editors from all over the state saw fit to select it and two other papers as the outstanding examples of general excellence in their class. The Wyandotte News-Herald was placed first, the Grosse Pointe News second, and the Birmingham Eccentric third.

The fact that the News has been thus honored causes us to be humbly grateful to the thousands of faithful readers and advertisers who have made a steady growth possible since the paper's founding in 1940. It makes us doubly aware of both the opportunity and the duty we have to be of service to this outstanding community.

A Discouraging Example

The City of Grosse Pointe Council Monday night finally approved the Grosse Pointe District Civilian Defense agreement. This makes the fourth of the local municipalities which have given their definite support.

The new city of Harper Woods, which is also included in the district, has indicated that it too will affix its official signature in the immediate future. The Park, Farms and Woods had previously entered the agreement.

All of which leaves the Village of Grosse Pointe Shores to play all the parts of "Orphan in the Storm," should the area ever be subjected to enemy attack. The Shores has refused to have any part of the joint organization which has been set up to prepare the district against such a possible attack. It is to be hoped the crystal gazers who cannot foresee any emergency, have the straight dope. Everyone will concur in that wish.

The lack of cooperation of the Shores, however, must be deplored. Little enough encouragement has been given the men and women who have volunteered their services to lead this movement which so many top minds have believed to be an absolutely necessary precaution. It must be discouraging indeed, to have one municipality hold out when the effort is being made to set up an organization for the benefit of the whole area.

Woods Leaders Observe Jubilee

The luncheon meeting of the business and professional leaders of Grosse Pointe Woods, being held today (Thursday) at the Howard Johnson Restaurant, will mark the twenty-fifth anniversary of the municipality's founding. It is the first of several special events to be held during the Woods groups Jubilee year.

Alois Ghesquiere, who served as village president for many years will be the guest speaker. Those active in arrangements for this initial event include Russ Harkness, chairman; Dr. Clifford Loranger, secretary; and Mrs. Naomi Mitchell, assistant secretary. The luncheon will begin at 1 o'clock.

Grosse Exaggerations

A. PRYOR

"Go little book, and wish to all
Flowers in the garden, meat in the ball,
A bin of wine, a spice of wit,
A house with lawns enclosing it,
A living river by the door,
A nightingale in the sycamore."
(Robert L. Stevenson)

For reasons of our own, we were trying last week to find out how to say "relax" in different languages. (If you must know our reason, we say "relax" to ourselves several times a day... and got bored saying it in English!) Anyway, we finally amassed a group of alien relaxes, including Italian, French, Flemish, Swedish, Hebrew, Dutch and German. In order to find the German word, we telephoned our little painter, who intersperses his English with German at the drop of a paint brush.

When we asked him the German word for "relax" his reply was: "There isn't any!" Since he is always as busy as the proverbial paperhanger with hives... this was very understandable to us... but he went on to explain that in German, you have to use THREE words to say "relax." We have now mastered them and if anyone is interested, just send a self addressed, stamped envelope!

Last Saturday afternoon, we were listening to some very soothing music on the radio... real long-haired stuff... with no interruptions except the smooth-voiced gent who introduced the classical numbers. Suddenly, one of the compositions came to an abrupt halt... and a woman's voice said, "Just a minute cousin Ella. Before you go I want to give you a loaf of my homemade bread." That was all... then the music resumed, without explanation.

Sorry to have to get back to Christmas again but time is fuging too fast for us, so we are living in the past as well as the present. This tale has to do with a happy little family gathering during the holidays, consisting of young married couple, two children, grandpa and grandma. On Christmas morning, both husband and grandpa received identical bathrobes. Making a whimsy, grandpa said to his son-in-law, "Well son, I guess we had better burn our old ones up." Some time later, when the oldsters were engrossed in unwrapping their own gifts, an acrid odor suddenly permeated the house. They all rushed thither and yon to investigate... and found that the children had thrown papa's and grandpa's old bathrobes in the lighted fireplace! As they were smartly being cracked over the knuckles, they exclaimed, "Well you SAID you were going to burn them. We were just doing it for you!" Little pitchers, indeed!

We've heard a new high in elegance... and it comes straight from the horses' mouth, in Palm Beach, Florida. A gent down there has a specially built car that out-snazzes all snazzy cars in sight. He was about to take a friend for a drive in it and was pointing out the various super-coolish features... such as solid silver tip and gold that and platinum the other thing. Everything except real diamonds on the dashboard.

Finally he announced that they would go for a spin and started the car. His companion exclaimed, "Wait a minute Charlie... you aren't wearing your glasses. You know you can't see two yards in front of you without them!" But Charlie proceeded to start the car anyway... a sly and smug smile on his face as he exclaimed, "Take a good look at the windshield. It's made to conform with my lens prescription."

The other story we snapped up from the Southland, concerns a young woman with a million dollar watch. The face is set with precious stones... and when someone asks her the time, she is apt to say, "Two diamonds past a ruby"... or "Six diamonds to an emerald." Her friends have learned to figure out what the time is from this double-talk. Oh well, takes all kinds to make a world.

For some people, life begins at forty... for others, it often begins at seventy, and with a bang! For instance, last Saturday night, a local man was rather startled to hear a banging on his front door at about 2:30 in the morning. He hopped out of bed, turned the lights on, donned a robe and hurried to answer the summons. When he opened the door, he found his 75-year-old mother standing there waving the cane she had used for rapping.

He exclaimed, "Great Scott, Mother... what are YOU doing here. We are all in bed!" She looked at him coolly and announced, "Naturally you were in bed. It's late... but I just finished playing poker at the Soandoss and find I left my key in the apartment and I need your duplicate key." That's all there was to it. She got the key and departed as gaily as she had arrived!

March of Dimes In Final Week

As the 1952 March of Dimes campaign neared its close this week, national and local officials of the National Foundation for Infantile Paralysis joined in predicting that the American people would see to it that the March of Dimes overtakes and keeps pace with the quickening march of polio.

Doubling of the March of Dimes period this year was necessitated by tripled incidence of polio during the last four years. Each year the National Foundation has gone into debt providing for patient care of children and adults stricken with polio—the only epidemic disease still on the increase in America.

Incidence during the last four years has been so high that an entirely new concept of polio has been developed, a concept geared to 30,000 cases a year instead of the ten to twelve thousand cases experienced during the previous decade.

Since scientists say it is likely that accelerated polio incidence will continue until the final answer to the disease is discovered, it seems clear that the only way left open to cope with the challenge of this frightening new concept is to meet it squarely with a new concept of giving.

Only a new and enlarged concept of giving will enable the nation to cope with the three big increases that cloud the polio picture—increased incidence, increased numbers of carry-over cases requiring expensive long-term care, and increased costs of hospitalization, trained personnel and equipment.

Stanley Bagleys Return To Continue Book Review

Mr. and Mrs. Stanley Bagley of Flint will return to the Pointe on Friday, February 1, at 8:15 p.m., to the home of Mr. and Mrs. George R. True, 132 Moran road, to continue their review of the book, "Prescription for Living."

These reviews, which have interested many people in this area, are presented to acquaint the residents of Grosse Pointe with the teachings of Baha'ullah, given to the world over 80 years ago, and now accepted by millions in over 106 countries and territories of the world as essential truths for the troubled times in which we live.

These meetings, held the first Friday of each month, are open to the public without obligation, and anyone interested in knowing about them is cordially invited to attend.

Don't Blot That New Page

This is the time when we start a new page, the beginning of a new year. Will we do better than we did the previous year? Whatever plans you hope to accomplish remember that you will need good health to do it.

You are a year older now and that should merit some consideration. Sickness is costly in time and money. Regular medical care can prevent illness. These are facts that must be acknowledged. So don't blot the year with sieges of illness... consult your doctor now... have his prescription filled by an obliging druggist.

What Goes on at Your Library

by Jean Taylor

"The fault, dear Brutus, is not in our stars,
But in ourselves, that we are underlings."

The long, difficult road back from mental confusion to mental health is pictured interestingly and intelligently in three recent books, A FEW BUTTONS MISSING by James T. Fisher and Lowell S. Hawley, UNDERSTANDING FEARS IN OURSELVES AND OTHERS by Mrs. Harry Overstreet, and FIGHT AGAINST FEARS by Lucy Freeman. The first and second of these books are told from the point of view of the analyst and the teacher. In the third, a patient recounts her experiences during her five years of psychoanalysis and reports gratifying results.

In "A Few Buttons Missing," Dr. Fisher reminisces in a lively informal style, revealing his own psychiatric theories and practices. With a generous sprinkling of patients' stories as illustrations, he discusses in a common sense way, what mental treatment has done and what it may be expected to do.

Mr. and Mrs. Harry Overstreet, generally acknowledged as competent in their field, already have a wide audience. In her recent book, "Understanding Fears in Ourselves and Others," Mrs. Overstreet comments on all types of fears and outlines a common offensive against them.

Lucy Freeman's "Fight Against Fears" is a simply and honestly written book. The author, a young newspaper woman who ran the gamut of illnesses, courageously decides to try psychoanalysis, in the face of considerable ridicule from some of her family and friends, although her father and mother gave her encouragement. The going was rugged but the results made her an analysis convert. Although there is an airy touch to the telling, the book is not superficial.

All three of these books are for the layman interested in this subject and should promote constructive thinking. Overheard at the New Woods Branch Library... "How gay and colorful!" "It certainly is an improvement on the old stand." "What a beautiful window!" "Don't you just love to work here?"

If you have not seen the at-

All Eyes and Ears

by Dorothy Phyllis Hannah

Detroit Symphony Orchestra enthusiasts bade a sad farewell to Jonel Perlea, the temporary conductor, last Thursday evening. It was in this concert that Mr. Perlea together with Jennie Tourel, rose to the heights of artistic interpretation.

Featured work on the program was "Scheherazade" by Rimsky-Korsakov. This suite supplies a wealth of compounded tonal hues in almost bewildering variety and of astonishingly yet strange beauty. It was originally intended as a major orchestral work, rather than as a vocal solo with orchestral accompaniment, and Miss Tourel performed her specific function with great musical intelligence.

Miss Tourel, the orchestra, and John S. Sweeney III at the piano, also presented a fine rendition of Mozart's very tender and extended love passage, "Ch'io mi scordi di te."

Tennessee Williams' new "praise-winning" play, THE ROSE TATTOO, which opened at the Cass last week, has been attracting many Detroiters who were in search of a "picture of life in the raw." It is the story of Serafina della Rosa, an uneducated but intelligent, superstitious and violent Sicilian woman. Her husband was killed by police in the Sicilian settlement near New Orleans, and Serafina is half-crazed with grief over his death.

Her various psychological, and emotional experiences with Alvaro Mangioacavallo, a truck driver (who seemingly has, as she says "the body of my husband and the face of a clown") afford the on-looker with a source of intrigue; an intrigue which is satisfied only when the connotation of "the rose tattoos" is revealed.

Another "first-timer" in Detroit this year was Jose Greco and his Spanish Ballet Company. Actually this ballet company has little in common with either the Wells or the Monte Carlo type—but it is a totally absorbing, and electrifying style of dance which is expressed with chattering castanets, and rhythmic stamping feet.

Each dancer in Greco's company is a virtuoso in his own right—and all have been trained in varied phases of Spanish choreography. The program ranged from wild and sensual Gypsy expressions to elegant classic Spanish dances.

Most of the dances were performed without the use of background scenery. Replacing it was a plain curtain upon which were cast the dancers' intriguing shadow silhouettes. We believe that these "silhouettes" enhanced the beauty of the Spanish dance—as an art form.

This was truly a dynamic dancing show, full of vivid spirit—and we sincerely hope that Jose Greco and his fabulous company will return to Detroit in the near future, to delight eagerly-awaiting audiences.

Warning Issued By SS Officials

Francis L. Pendergast, manager, Social Security Administration, 8720 Mack avenue, Detroit 14, urges all those who have never been assigned a social security number and who will be needing one to apply immediately.

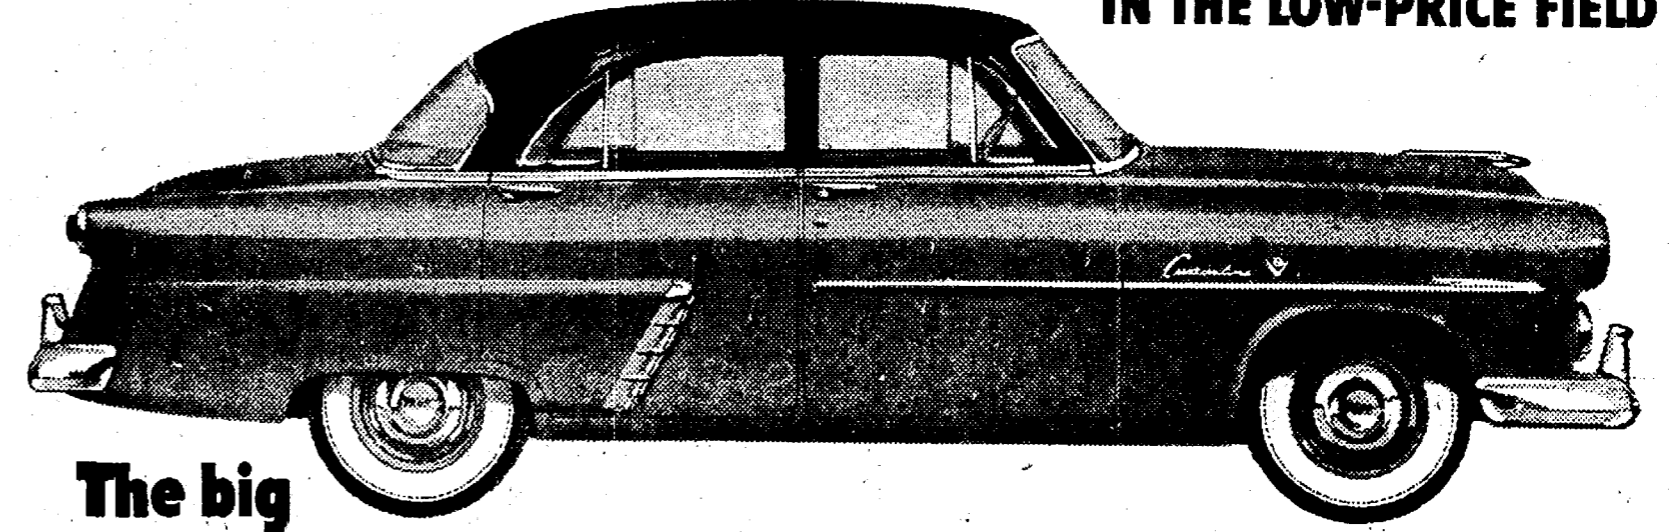

The Social Security number of all persons reporting self-employment income has to appear on Schedule C of the 1951 income tax return due March 15, 1952. Failure to apply for number immediately may result in a late tax return. In most cases the application for an account number has to be screened against the national records before a number is assigned.

Ten days usually elapse between receipt of application and the mailing of account number card to applicant.

Here Friday!

THE GREATEST CAR EVER BUILT

IN THE LOW-PRICE FIELD

The big 1952 FORD

Out-rides them all!

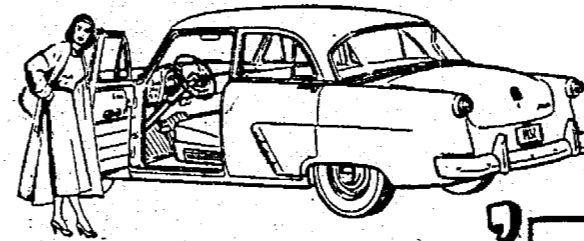

The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Ride Control gives you the smoothest, easiest ride of them all—a level ride on straightaways, an even keel on curves.

Out-sizes them all!

The '52 Ford has longer wheelbase, wider front tread and greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all.

Full-Circle Visibility!

With narrower corner pillars, picture windows all around and a rear window that's 48% larger you have "all-direction" vision that adds to your enjoyment and your safety.

You can pay more but you can't buy newer or better!

15401 East
Jefferson

TOM BOYD, Inc.

Grosse Pointe,
Michigan

Out-performs them all!

Ford's completely new 101-h.p. high-compression, low-friction Six, with free-turning overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

Exclusive Power Pilot Economy!

Both the new Ford Mileage Maker Six and the Strato-Ster V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetion-ignition-combustion system gives you high-compression "go" on "regular" gas.

New Coachcraft Bodies!

Ford's new Coachcraft bodies are longer, stronger... distinctive in their modern beauty. They offer new built-light construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field!

Out-values them all!

With such modern design and engineering features as new Flight-Style Control Panel, new Power-Pilot Clutch and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lid, Ford adds up to more dollars and cents value than any car in its price class!

Fordomatic Drive, Overdrive, white sidewall tires (if available) and two-tone colors on Customline Sedan optional at extra cost. Equipment, accessories and trim subject to change without notice.

'52 Ford

Come in and see it Friday

F.C.A.

Recreation Commission Aim Of League of Women Voters

The League of Women Voters will focus its attention on the necessity and possibility of organizing a Recreation Commission to serve all the Pointes at a general meeting on Friday, February 8, in the Grosse Pointe War Memorial Center, at 1:30 p.m.

William G. Robinson, who two years ago made a survey of Pointe recreational facilities through the efforts of the Family Life Education Committee, will lead a panel discussion on local recreation needs. Mr. Robinson has been a field representative for the National Recreation As-

sociation in Michigan and Ohio for the past 20 years.

Because of the problems created by urban living, the league believes that recreation has been recognized as being equally as important as health, education, and protection. This recognition has in many communities resulted in the establishment of central recreation agencies.

Dearborn, with a population of 85,000, has a recreation division, employing six full-time personnel and 281 on a part time basis. Royal Oak, with a population comparable to Grosse Pointe, employs two full-time recreation coordinators and 44 part-time workers.

Although the report made two years ago by Mr. Robinson received public attention, no action was taken. The league hopes that some plan will be set into motion now. To present the views of those who would benefit by positive action on such a plan, five local boys and girls will sit on the panel.

WILLIAM S. ROBINSON

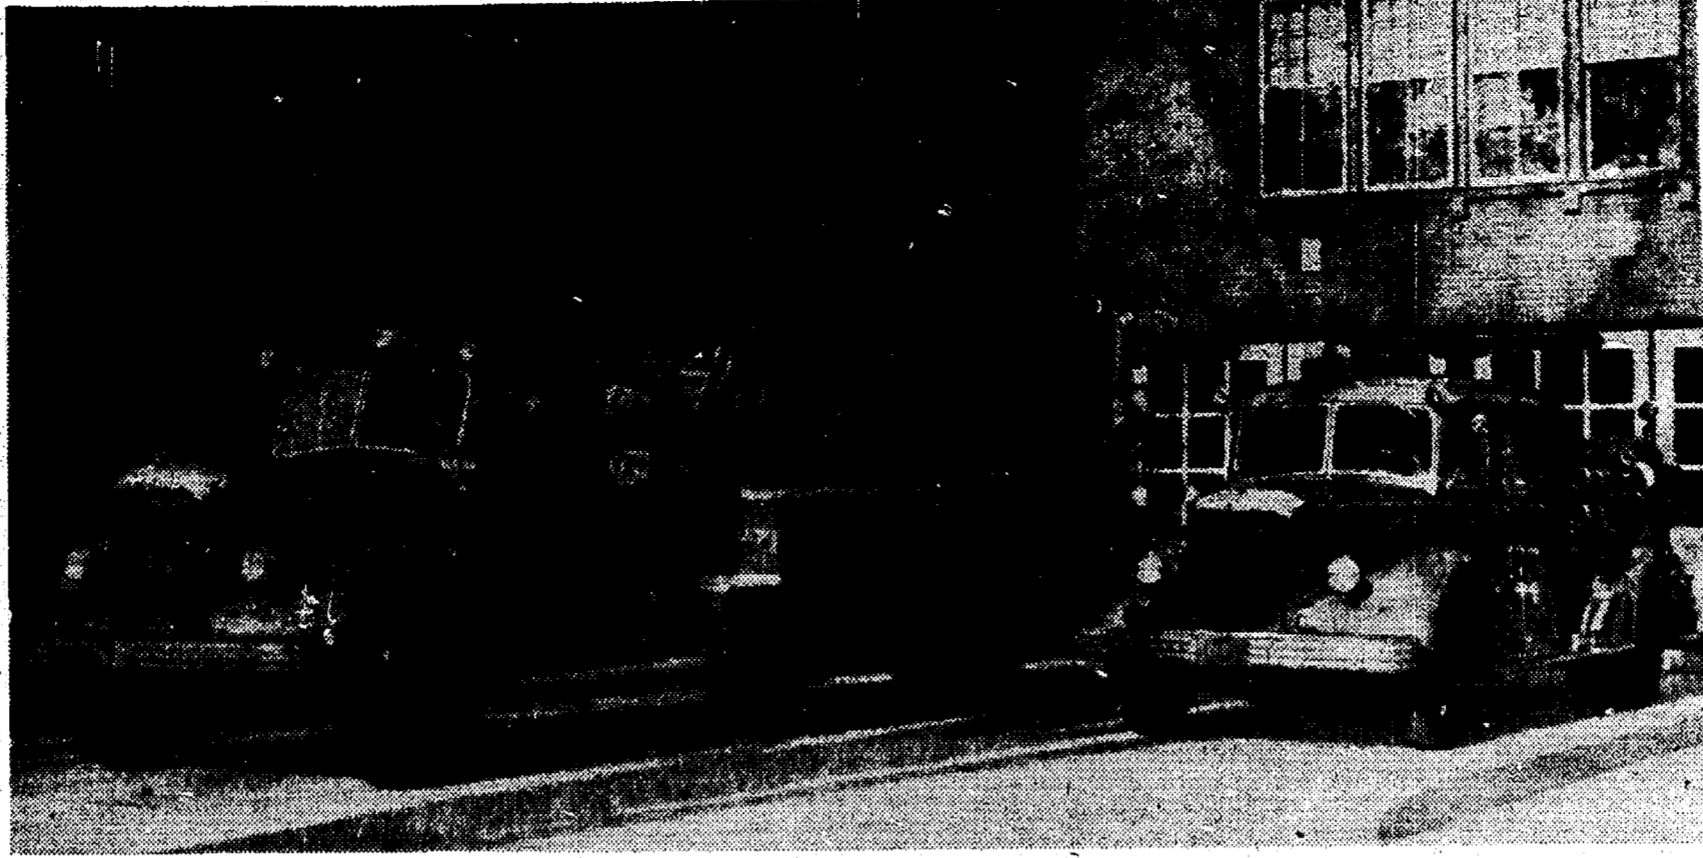

Students participating in a panel discussion includes Cynthia Netting, 657 Lincoln Road, and Dick Seales, 926 Washington road, 12 A's at the High School. John Hammond, 70 Cambridge road, and Mary Tower, 333 Touraine, are 9A's at Brownell. Jane Thompson, 1201 Beaufait, Parcells 9A student, will speak for students at the eastern end of the Pointes, while James Blashill, 1040 Kensington, 9B at Pierce, will represent the west end.

Miss Edith Edwards, coordinator of Leadership Activities for Campfire Girls, Girl Scouts, and Y-Teens, will moderate the discussion.

Mrs. L. E. Bauer, of Bishop road, general chairman of the meeting, urges all interested citizens to attend, since, she believes, greater knowledge of the situation, combined with effective action, will lead to improvement of Pointe recreational facilities.

There are more than five million Boy Scouts and leaders in the 52 nations using the Boy Scout program.

Farms Proud of Fire Fighting Equipment

The City of Grosse Pointe Farms feels that it has the best fire-fighting apparatus of any of the Pointes. Most recently acquired was the huge aerial ladder-pumper truck on the left. Fully equipped it alone represents an investment of more than \$40,000. The pumper truck is also comparatively new. It cost \$20,000, fully equipped. The fire department also operates a small, pickup rig with a ladder and extinguishing equipment which is used to answer calls to field fires and minor emergencies, and to run errands. Jointly operated by the police and fire departments is a brand new rescue car with inhalators and stretchers, used in accident cases. This piece of equipment cost \$3,000 equipped.

—Picture by Fred Runnells

Annual Elections Conducted At Cottage Hospital Meeting

Members of the Corporation, the Board of Trustees, the Medical and Administrative Staffs and friends met at the Nurses' Residence in Ridge road on Wednesday morning, January 30, to hear the reports and elect trustees and officers for the coming year for the Cottage Hospital of Grosse Pointe.

Miss Carolyn Wicks, Director of the hospital, reported an all time high in patient load for the past year and stated that many times it had been physically impossible to take medical and surgical patients because of lack of space, even though beds had been set up in the sun parlors. This, she said, indicates the necessity for the building program now under construction, which will alleviate this condition.

Dr. A. Z. Rogers, Chief of Staff, commented on the Externe-Educational program now underway under the direction of members of the Active Staff and Dr. George Graf, the resident physician at the hospital. He also announced the division appointments for the coming year which had been previously approved by the Board of Trustees: Dr. Edward D. Maire in Internal Medicine, Dr. Carl Shelton in Obstetrics, Dr. Earl Kreig in Surgery and Dr. Clarence Williams in General Practice.

President Reports

The President of the Board, Mrs. Henry H. Hubbard, gave a brief summary of the work of the various committees, and announced that a volunteer messenger service had been started in the hospital with Mrs. Richard P. Joy, Jr., as chairman.

The Corporation members elected nine trustees to serve until January, 1955. These included: Mrs. John Garlinghouse, Mrs. Henry H. Hubbard, Mrs. Richard P. Joy, Mrs. Seaborn Livingstone, Mrs. William K. Muir, Mrs. Richard P. Joy, Jr., Mrs. Joseph B. Schlotman, Mrs. Alexander Weiner, and Mrs. Henry B. Joy, Jr.

Mrs. Hubbard reelected immediately following the Corporation meeting, Mrs. Hubbard was reelected president and the following officers will assist her this coming year. Mrs. Arthur H. Buhl, Jr., as 1st vice-president; Mrs. Lynn McNaughton, 2nd vice-president; Mrs. George Fink and Mrs. James McMilland as recording and assistant recording secretaries; Mrs. Truman Brown as treasurer, with Mrs. Burdette Ford, her assistant; Mrs. R. P. Joy as corresponding secretary,

and her assistant, Mrs. W. K. Muir.

Given Honorary Posts

Mrs. Cameron B. Waterman, who resigned from the Active Board after 33 years of service, was elected for a five-year term to serve on the Honorary Advisory Board, and with her were reelected Mrs. William B. Stevens, Mrs. Edwin S. Barbour, and Mrs. James Holden.

John N. Lord was reelected chairman of the Men's Advisory Committee, and those appointed to serve with him for the coming year included Seaborn R. Livingstone, George R. Fink, Henry B. Joy, Jr., William K. Muir, Burdette Ford, Ernest Kanzler, Henry E. Bodman, James W. Lee II, John McLucas, R. L. Proper, Allen W. Merrell, William DeBaeke, Joseph A. Vance, Jr., William J. Moir, and W. Tom Lur Schmiede.

Drake Is Speaker

Lawrence Drake, Manager of Research and Press Relations for the Michigan Hospital Service, was the speaker and his topic was "Hospital Public Relations." He emphasized the necessity for complete teamwork between the hospital family and the community in making the workings of the hospital of today understood by the people whom it serves.

A buffet luncheon followed the meeting, and those who wished to do so made a tour of the hospital.

Albert Fetter Inducted And Sent to Fort Custer

Albert Fetter, 23, who for the past year and a half had made his home with his wife at 879 Beaconsfield, left Monday, January 21, for the Army.

Until his marriage in the summer of 1950, he lived with his parents on Notre Dame. He was an employe of the Detroit Graphite Co. when inducted.

Mrs. Fetter is now living with her mother, Mrs. Henry Mehring, at 843 Beaconsfield. She has planned visits to Fort Custer, where her husband will be stationed until transfer to one of the basic training camps.

SKIDS THROUGH HEDGE

When his car went into a skid on Provencal road on the night of January 26, Thomas Brandt, of 1771 Burns, ended up in the hedge on the William C. Ford property. Amount of the damage was unknown.

Sara Ann Pascoe Makes MSC's Straight A List

Sixty-seven Michigan State College students received all A's during fall term. This is the highest scholastic honor obtainable. Each term a banquet is given in their honor by President and Mrs. John A. Hannah. The students were feted January 24 in the Union building and Prof. Paul D. Bagwell, head of the written and spoken English department, was the main speaker. Sara Ann Pascoe, Grosse Pointe sophomore, was one of those who received all A's.

**ORDINANCE NO. 75
AN ORDINANCE TO PROVIDE FOR THE CREATION OF A VILLAGE PLANNING COMMISSION AND TO DEFINE ITS POWERS AND DUTIES.
THE VILLAGE OF GROSSE POINTE SHORES ORDAINS:**

Section 1: Creation of a Village Planning Commission: A Village Planning Commission is hereby created.

Section 2: Members, Number, Qualifications, Appointment, Compensation, Term, Removal, Vacancies: The Planning Commission shall consist of Nine members who shall represent, insofar as it is possible, different professions or occupations. Six of said members shall be appointed by the Village President, and confirmed by a majority vote of the members elect of the Village Council. The other three members, who shall serve ex-officio, shall be the Village President, one of the Village Council to be selected by it, and one of the administrative officials of the Village selected by the President. All members of the Village Planning Commission shall serve as such without compensation, and all six appointed members shall hold no other municipal office except that one of such appointed members may be a member of the zoning board of adjustment or appeals. The terms of ex-officio members shall correspond to their respective official tenures, except that the term of the administrative official selected by the President shall terminate with the term of the President selecting him. The term of each appointed member shall be three years, except that two members of the first Village Planning Commission to be so appointed, shall serve for a term of one year, two members for a term of two years, and two members for a term of three years. All members shall hold office until their successors are appointed and have qualified. Members, other than the member selected by the Council, after a public hearing, may be removed by the President of the Village for inefficiency, neglect of duty or malfeasance in office. Council may for like cause remove the member selected by it. Vacancies occurring otherwise than through the expiration of term shall be filled for the unexpired term by the President in the case of members selected or appointed by him, and by the Council in the case of the councilmanic member.

Section 3: Chairmen, Meetings, Rules, Records: The Planning Commission shall elect its own chairman from the members of the Commission and create and fill such other of its offices as it may determine. The term of the Chairman shall be One Year, with eligibility for reelection. The Commission shall hold at least one regular Meeting in each month at the Municipal Building in the Village. It shall adopt rules for the transaction of business and shall keep a record of its resolutions, transactions, findings, and determinations, which record shall be open to public examination. A majority of the Village Planning Commission shall constitute a quorum for the transaction of business.

Section 4: Employees, Contracts

for Special Services, Source, and Limit on Expenditures: The Village Planning Commission may appoint such employees as it may deem necessary for its work, whose appointment, promotion, demotion, and removal shall be under the direction of the Village Planning Commission. The Village Planning Commission may also contract with planners, engineers, architects, and other consultants for such services as it may require. The expenditures of the Village Planning Commission, exclusive of gifts, shall be within the amounts appropriated for that purpose by the Village Council, which shall provide the funds, equipment and accommodations necessary for the Commission's work. No expenditure of any kind shall be made without an appropriation therefor having been first made by the Village Council.

Section 5: Master Planning for Physical Development of the Municipality; Adoption, Contents, Publication and Alterations: It shall be the function and duty of the Village Planning Commission to make and adopt a master plan for the physical development of the Village, including any areas outside of its boundaries which in the Commission's judgment, bear relation to the planning of such municipality. Such plan, with the accompanying maps, plats, charts, descriptive matter, shall show the Planning Commission's recommendations for the development of said territory, including, among other things, the general location, character, and extent of streets, viaducts, subways, bridges, waterways, boulevards, park ways, playgrounds and open spaces, the general location of public buildings and other public property, the general location and extent of public utilities and terminals, whether publicly or privately owned or operated, for water, light, sanitation, transportation, communication, power, and other purposes; also the removal, relocation, widening, narrowing, vacating, abandonment, change of use or extension of any of the foregoing ways, grounds, open spaces, buildings, projects, utilities or terminals; the general location, character, layout and extent of community centers and neighborhood units; and the general character, extent and layout of the replanning and re-development of blighted districts and slum areas; as well as a zoning plan for the control of the height, area, bulk, location and use of buildings and premises. As the work of making the whole master plan progresses, the Planning Commission may, from time to time, adopt and publish a part or parts thereof, any such part to cover one or more major sections or divisions of the Village or one or more of the aforesaid or other functional matters to be included in the plan. The Village Planning Commission may, from time to time, amend, extend or add to the plan.

Section 6: Surveys for Basis, Purposes: In the preparation of any such plan, the Village Planning Commission shall make careful and comprehensive surveys and studies of present conditions and future growth of the Village and with due regard to its relation to the neighboring territory. The plans shall be made with general purpose of guiding and accomplishing a coordinated, adjusted and harmonious development of the Municipality and its environs which will, in accordance with present and future needs, best promote health, safety, morals, order, convenience, prosperity and general welfare, as well as efficiency and economy in the process of development; including, among other things, adequate provisions for fire and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the promotion of good civic design and arrangement of public funds and the adequate provision of public utilities and other public requirements, including the architectural, structural and esthetic appearance of business structures and public buildings.

Section 7: Adoption of Whole or Parts by Resolution of Planning Commission, Hearing, Notice, Approval by Village Council, Certificates to Village Council and Register of Deeds: The Plan-

ning Commission may, after approval thereof by the Village Council, adopt the plan as a whole by a single Resolution or may, by successive Resolutions, adopt successive parts of the plan, such parts corresponding with major geographical sections or divisions of the municipality or with functional subdivisions of the subject matter of the plan; and may adopt any amendment or extension thereof, or addition thereto. Before the adoption of the plan or any such part, amendment, extension, or addition, and before seeking approval thereof by the Village Council, the Planning Commission shall hold at least one public hearing thereon, notice of the time and place of which shall be given not less than 15 days prior to such hearing, by one publication in a newspaper of general circulation in the Village and in the official newspaper, if any, of the Village, and by registered United States mail to each public utility company and to each railroad company owning or operating any public utility or railroad within the geographical sections or divisions of the Village. The adoption of the plan or any such part or amendment or extension or addition shall be by Resolution of the Planning Commission, by resolution spread upon its Minutes, pay the reasonable traveling expenses incident to such attendance. The Planning Commission shall, from time to time, carry out the appropriate public officials programs for public structures and improvements and for the financing thereof. It shall be part of its duties to consult and advise with public officials and agencies, public utility companies, civic, educational, professional, and other organizations, and with citizens with relation to the protecting or carrying out the plan. The Planning Commission shall have the right to accept and use gifts for the exercise of its functions. All public officials shall, upon request, furnish to the Planning Commission, within a reasonable time, such available information as it may require for its work. The Planning Commission, its members, officers, and employees, in the performance of their functions, may enter upon any land and make examinations and surveys and place and maintain necessary monuments and marks thereon. In general, the Planning Commission shall have such powers as may be necessary to enable it to fulfill its functions, promote its municipal planning, or carry out the purposes of this ordinance.

Section 11: Necessity for Approval of Plats; Street System: Whenever the Planning Commission shall have adopted that sort of a master plan relating to the major street system of the territory within its subdivision jurisdiction or part thereof, and shall have filed a certified copy of such plan in the office of the County Register of deeds of the county in which such territory or part is located, then no plat of a subdivision of land within such territory or part shall be filed or recorded until it shall have been approved by such Planning Commission and such approval entered in writing on the Plat by the Chairman or Secretary of the Planning Commission.

Section 12: Regulations Governing Subdivision of Land; Bond to Secure Improvements; Publication of Regulations: Before exercising the powers referred to in Section 12, the Planning Commission shall adopt regulations governing the Subdivision of land within its jurisdiction. Such regulations may provide for the proper arrangement of streets in relation to other existing or planned streets, and to the master plan, for adequate and convenient open spaces for traffic, utilities, access of fire-fighting apparatus, recreation, light and air, and for the avoidance of congestion of population, including minimum width and area of lots. Such regulations may include provision as to the extent to which streets and other ways shall be graded and improved and to which water and sewer and other utility mains, piping, or other facilities shall be installed as a condition precedent to the approval of the plat. The regulations or practice of the Planning Commission may provide for a tentative approval of

whenever the Village Council shall have ordered that proceeding or entitlement for the acquisition or enlargement of any park, playground, playfield, or other public open space, such Resolution shall not be rescinded until after the matter has been referred back to the Village Planning Commission for a report and until after a public hearing shall have been held. The Village Council shall have power to overrule the recommendation of the Village Planning Commission by a vote of not less than two-thirds of its entire membership.

Section 10: Municipal Planning Commission; Publicity and Education. Recommendations, Gifts, Cooperation from Public Officials: The Planning Commission shall have the power to promote public interest in an understanding of the plan and to that end may publish and distribute copies of the plan or of any report and may employ such other means of publicity and education as it may determine. Members of the Planning Commission, when duly authorized by the Planning Commission, may attend Village Planning conferences or meetings of Village Planning Institutes, or hearings upon pending Village Planning Legislation, and the Planning Commission may, by resolution, spread upon its Minutes, pay the reasonable traveling expenses incident to such attendance. The Planning Commission shall, from time to time, carry out the appropriate public officials programs for public structures and improvements and for the financing thereof. It shall be part of its duties to consult and advise with public officials and agencies, public utility companies, civic, educational, professional, and other organizations, and with citizens with relation to the protecting or carrying out the plan. The Planning Commission shall have the right to accept and use gifts for the exercise of its functions. All public officials shall, upon request, furnish to the Planning Commission, within a reasonable time, such available information as it may require for its work. The Planning Commission, its members, officers, and employees, in the performance of their functions, may enter upon any land and make examinations and surveys and place and maintain necessary monuments and marks thereon. In general, the Planning Commission shall have such powers as may be necessary to enable it to fulfill its functions, promote its municipal planning, or carry out the purposes of this ordinance.

Section 13: Approval or Disapproval of Plats, Procedure, Effect: The Planning Commission shall approve, modify or disapprove a plat within sixty (60) days after the submission thereof; to it; otherwise such Plat shall be deemed to have been approved and a Certificate to that effect shall be issued by the Planning Commission on demand; Provided, however, that the applicant for the Planning Commission's approval may waive this requirement and consent to an extension of such period. The ground of disapproval of any Plat shall be stated upon the records of the Planning Commission. Any plat submitted to the Planning Commission shall contain the name and address of a person to whom notice and a hearing shall be sent; and no Plat shall be acted on by the Planning Commission until affording a hearing thereon. Notice shall be sent to the said address by registered mail of the time and place of such hearing not less than Five (5) days before the date fixed therefor. Similar notice shall be mailed to the owners of land immediately adjoining the platted land, as their names appear upon the plats in the County Auditor's office and their addresses appear in the directory of the Village or on the tax records of the Municipality or County. Every Plat approved by the Planning Commission shall, by virtue of such approval, be deemed to be an amendment of or an addition to or a detail of the Municipal Plan and a part thereof. Approval of a Plat shall not be deemed to constitute or effect an acceptance by the public of any street or other open space shown upon the Plat. The Planning Commission may, from time to time, recommend to the Village Council, amendments of the Zoning Ordinance or map or additions thereto, to conform to the Planning Commission's recommendations, for the Zoning Regulation of the territory comprised within approved subdivision, provided such requirements or restrictions do not authorize the violation of the then effective Zoning Ordinance of the Municipality. Such requirements or restrictions shall be stated upon the Plat prior to the approval and recording thereof and shall have the same force of law and be enforceable in the same manner and with the same sanctions and penalties as subject to the same power of amendment or repeal as though set out as a part of the Municipality Ordinance or map of the Municipality.

Section 14: Modifications or Interpretations of Village Zoning Ordinance: All matters affecting modifications or interpretations of the Village Zoning Ordinance shall first be submitted to the Village Planning Commission for investigation and recommendation and the Village Planning Commission shall make such investigations and submit its recommendations in writing within Seven (7) Days from the date of reference and the Zoning Board of Appeals shall take no action within such period, awaiting the recommendations of the Village Planning Commission.

Section 15: Severing Clause: The Sections of this Ordinance shall be deemed to be severable and should any section or provision of this Ordinance be de-

clared by any Court of competent jurisdiction to be unconstitutional or invalid, the same shall not affect the validity of this Ordinance as a whole or any other part thereof, other than the part so declared to be unconstitutional or invalid.

Section 16: All Ordinances or Parts of Ordinances Inconsistent with the Provisions of this Ordinance are hereby expressly repealed.

Section 17: This Ordinance, being for the preservation of the public health and safety, is hereby directed to take immediate effect.

STATE OF MICHIGAN)
) SS.
COUNTY OF WAYNE)
)

WE HEREBY CERTIFY that the foregoing is a true and complete copy of an Ordinance adopted by the Village Council of the Village of Grosse Pointe Shores, Michigan, at a Meeting held on January 25, 1952.

CLIFFORD B. LORANGER,
Village Clerk.
ERNEST C. PUTNAM,
Village President.

P.T.A. to Hear Judge O. Z. Ide

Judge O. Z. Ide will speak on "Juvenile Delinquency, its Cause and Prevention" at a meeting of the Maire P.T.A. on Tuesday evening February 5.

Judge O. Z. Ide is an active member of the Records Court in Detroit and formerly was with the Common Pleas Court. He has been on television and is well known as a speaker on international problems.

He was Judge Advocate General with the Allied Force Headquarters in Africa and Italy with the rank of Colonel. He was noted for his analysis of the problems of the G.I. under combat conditions.

Today his present work brings him in close contact with the problems of Juvenile Delinquency.

H. N. Williams Promoted By Spitz Laboratories

Herbert N. Williams, formerly of 16827 East Jefferson avenue, Grosse Pointe, has been appointed assistant to the president of Spitz Laboratories, Inc., producers of the Spitz Planetarium and other scientific devices. The appointment, effective February 1, was announced by Armand N. Spitz, president of the laboratory.

Williams, a graduate of the University of Michigan, comes to Spitz Laboratories from the educational services department of General Motors, Detroit. He was formerly manager of the Atlanta and Kansas City units of the General Motors traveling exhibit, previews of progress.

Williams will make his new home at 124 S. VanPelt Street, Philadelphia 3, Pa.

Life Photographs To be Exhibited

Memorable Life Photographs will be shown at the Detroit Institute of Arts for two weeks starting Tuesday, February 5, and continuing through February 17. The exhibition will be located in the ground floor galleries.

The largest exhibition so far undertaken by LIFE, the show includes 187 photographs, all of which have been published in the magazine's pages at one time or another in the 15 years of its existence.

The work of some of America's most talented photographers has been selected from many thousands by Edward Steichen, distinguished director of the Museum of Modern Arts Department of Photography. Among the 64 photographers represented are such well-known names as: Henri Cartier-Bresson, Margaret Burke-White, W. Eugene Smith, Alfred-Einstaedt, Fritz Goro, Carly, David Douglas Duncan, Leonard McCombe, Dmitri Kessel and Philippe Halsman.

The collection is dramatically representative of the contribution photographers have made to American journalism. It reflects the history of the period from just before the outbreak of World War II to the present and is assembled in panels of related subjects, making a tremendously forceful essay in pictures to be read and re-read.

City of Grosse Pointe Farms

SUMMARY OF PROCEEDINGS OF REGULAR MEETING JANUARY 21, 1952

Called to order at 8:00 P.M. Present on roll call: Mayor William F. Connolly, Jr., and Councilmen Daniel W. Goodenough, John M. S. Hutchinson, William G. Kirby, Richard L. Maxon, Neil S. McEachin and George L. Schlaepfer.

Minutes of meeting held on December 17, 1951, were approved with minor corrections. Financial report of general fund operations for the five months ending November 30, 1951 was received.

Reports from the Police Chief, Fire Chief, Building Inspector and Treasurer for the month of December were received. The Police Department was commended for its excellent service record for the year 1951.

An audit report on a settlement of the township assets was received and referred to the City Auditors for recommendation. Mr. Paul Fransech was reappointed as a member of the Board of Review for a term expiring January 1955.

The formal plat of the Newberry Place Subdivision was presented and it having been found that the proprietors had complied with the platting ordinance, the Clerk was authorized to execute approval on behalf of the City.

Communications commending the Public Works Department for its snow cleaning work during the past month were received and the Council adopted a resolution also commending the department.

A communication from the Grosse Pointe Garden Council inviting public officials attendance at a meeting to be held February 4, 1952, at the Grosse Pointe War Memorial Center, was read.

Billings were approved. Tentative approval was given to a proposed division of Lot 13 of Kerby's Subdivision, to be known as Busch's Belanger Farms Subdivision #1.

A final report on the Public Works garage construction was examined and approved. The Council considered a Public Works Committee report which recommended disciplinary action against City employees and approved the report.

Marsh Re-elected Scout President

Ben R. Marsh, Chairman of the Board, Michigan Bell Telephone Company, and an outstanding leader in many civic and philanthropic activities, was unanimously re-elected to the Presidency of the Detroit Area Council, Boy Scouts of America, during the Council's Annual Meeting Tuesday noon of this week (January 29) at the Hotel Statler.

The National Council's Gold Honor Medal, highest award for saving life, was presented to Scout George Kingston by Advancement Committee Chairman, Circuit Court Judge Robert M. Toms. Scout Kingston on duty as a Safety Patrol boy at his school, pushed little Kathleen Duffy from the path of a skidding automobile. He was slightly injured in making the rescue.

Newly elected Executive Board Members were Joseph H. Davidson, Vice President-Treasurer, Davidson Brothers; Edward W. Diehl, Secretary-Treasurer, Detroit Gasket Mfg. Company; Louis C. Goad, Ex-Vice President, General Motors Corporation; Theodore Gorenfo, Jr., The Gorenfo Company; Allen C. Harlan, President, Harlan Electric Company; and Merritt D. Hill, Vice President, Dearborn Motors Corporation.

Council Members-at-Large, also newly elected, were Judge George Edwards, Juvenile Court; Dr. David D. Henry, President Wayne University; Dr. G. Merrill Lenox, Detroit Council of Churches; Very Reverend Celestin J. Steiner, S. J., President University of Detroit; and Senior Inspector Sanford W. Shoultz, Detroit Police Department.

A Douglas Jamieson was re-elected Council Commissioner, and Dexter Horton was newly elected as Council Treasurer. Newly elected Council Vice President was John N. Lord, and re-elected Vice Presidents were W. C. Patterson, G. W. Williams and Paul Wilson.

Reports from the 1951 operating committees indicate that the Council again achieved outstanding successes in many phases of the Scouting Program. Membership reached another national all-time high of 53,227 Scouts and Leaders in 1,148 Cub Packs.

Scout Troops and Explorer Units, 12,981 adult leaders gave over two million hours of volunteer service during the year to 40,336 Scouts of this Council.

December Fire Damage Slight. In a report to the City Council, the Grosse Pointe Farms Fire Department revealed that 18 calls were made during the month of December, 1951.

Residence fires numbered three with a total damage to the buildings, valued at \$310,000, of only \$200. There was no damage to the contents, which total value was estimated at \$45,000.

No automobile fires were reported, but there were three miscellaneous fires with total damage estimated at \$50. The department answered one false alarm, and a total of 11 emergency calls.

New Mercury Boasts Many Improvements

The smart new styling of the 1952 cars has enabled Mercury engineers to incorporate design features that greatly add to the comfort and safety of driving. Increased visibility results from the large curved one-piece windshield, rear window and the deeper side window panels.

Boy Scout's 42nd Birthday To be Observed Next Week

The nation's 2,900,000 Cub Scouts, Boy Scouts, Explorers and their adult leaders will observe Boy Scout Week, February 6 to 12, marking the 42nd birthday of their organization by giving the nation a unique birthday present.

The Boy Scouts of America will launch a new three-year program known as "Forward... On Liberty's Team," a program of action designed to help keep America strong and free. The Boy Scout birthday will be observed throughout the United States, its territories and wherever American families live.

Game preserves are maintained on many Boy Scout campsites. Some of this conservation work will also be on display. Scouts will demonstrate the training in first aid, firemanship, life-saving, communications, sanitation, safety and similar skills that prepare for service.

Grosse Pointe Farms Mayor Ralph C. Netting, Grosse Pointe City Mayor Leon T. Ratcliffe, Grosse Pointe Woods President Ernest C. Putnam, Grosse Pointe Shores WHEREAS, February 8, 1952, is the 42nd anniversary of the founding of the Boy Scouts of America, chartered by the Congress of the United States, as a program for all the boys of America, and

WHEREAS, the Boy Scout Program has affected the lives of 19,000,000 American boys and men since 1910, and now has an active enrollment of 2,900,000, and WHEREAS, the Movement is now launching a three-year program, "Forward... Oh Liberty's Team," through which it seeks to even more effectively serve the nation through its youth, and

NOW THEREFORE, we, heads of the Grosse Pointe municipalities, do hereby proclaim the period of February 6 to 12 as "Boy Scout Week" and urge our citizens to recognize the patriotic service being rendered to the members of our community and to express their appreciation to the religious bodies, school organizations, veterans' associations, fraternal groups and service clubs which sponsor our Cub Packs, Boy Scout Troops and Explorer Units.

IN TESTIMONY WHEREAS we have heretofore signed our names officially and caused the Seals of the municipalities to be affixed, this 30th day of January, 1952. (Signed) Mayor Homer C. Fritsch, Mayor, Grosse Pointe Park Mayor William Connolly,

12 to Receive Wayne Degrees

Included in the list of 1,038 candidates for degrees to be conferred at Wayne University's mid-year commencement exercises scheduled for 10 a.m. Thursday, January 31, in the Masonic Temple auditorium, Detroit, are 12 residing in this vicinity.

The local residents and the degrees they will receive are: William V. Hicks, 1906 Fleetwood drive, Doctor of Education. Shirley J. Lewis, 15117 E. Vernon, Master of Education. Fred Parker Atkinson, 2207 Anita, Master of Education.

Mrs. Eva P. Leclair, 1179 Hampton road, Bachelor of Arts. Lee G. Kitchen, 1427 Buckingham, Bachelor of Arts. Amelia D. Hakin, 1162 Devonshire, Bachelor of Science.

Mrs. Agnes M. Donahue, 1324 Balfour, Bachelor of Science. Robert J. Pear, 707 Trembley road, Bachelor of Laws. John G. Prchlik, 1032 Beaconsfield, Bachelor of Laws.

Harry H. Spurrer, 261 Kenwood court, Bachelor of Science. Gerald G. Schepka, 475 Cloverly road, Bachelor of Science. William W. Penoyar, Jr., 319 McKinley road, Bachelor of Arts.

Dr. David D. Henry, president of Wayne, will confer the degrees, and both he and A. Douglas Jamieson, president of the Detroit Board of Education, will present brief remarks. Rabbi B. Benedict Glazer, of Temple Beth El, will offer the Invocation and Benediction. The Wayne University Symphony Orchestra will provide the music.

This is the sixth successive year in which both mid-year and June commencements have been scheduled because of the graduating group's size. The January class represents those completing degree requirements last August and this month. Honorary Doctor of Laws degrees will be granted to Selden B. Daume, of Grosse Pointe, president of the Detroit Trust Company; Dr. Eugene B. Elliott, president of Michigan State Normal College; and Dr. John R. Emens, president of Ball State Teachers College, Muncie, Indiana.

Mr. Daume, president and director of the Detroit Trust Company since 1942, last year held the distinction of being the general chairman and president of the executive board of Detroit's 250th birthday celebration. That year was also his 25th anniversary with the Detroit Trust Company. A native of Calumet, Michigan, he earned his A.B. and LL.B. degrees at the University of Michigan. Daume was admitted to the Michigan Bar in 1920.

Whole New Line Unveiled by Ford

Ford Division of Ford Motor Company has announced three completely new lines of Ford passenger cars for 1952. Featuring Coachcraft bodies and more powerful engines, the new models are scheduled to go on display in Ford dealerships throughout the nation Friday, February 1.

There are a total of 18 models in the three lines—eight in the Mainline series, seven in the Customline series, and three in the Crestline series. "Ford Mainline cars are for buyers chiefly interested in lowest-cost, dependable transportation," explained L. D. Cruse, vice-president of Ford Motor Company and general manager of Ford Division. "The Custom-special refinements and conveniences, and the Crestline series features three luxurious body styles."

"These Fords for 1952—in every respect—are the finest cars we ever have built, and their advanced styling, engineering and quality features establish them as the leaders in the high-volume field," Mr. Cruse said. Among the 1952 models are three completely new utility passenger vehicles, one for each of the three lines of cars. The Ranch Wagon in the Mainline series is a two-door six passenger unit.

Line models incorporate many with all-steel body. In the Customline, there is the Country Sedan, a four-door, eight passenger vehicle with all-steel body, in the Crestline is the Country Squire, another four-door, eight-passenger model, with wood trim over the steel side panels. All three of the utility units are quickly convertible for light hauling tasks. The rear seat of the Ranch Wagon folds into the floor and the rearmost seat is removable.

A range of 10 two-tone exterior body color combinations is available for closed car models, and there are 12 single body colors, all with matching and harmonizing trim and upholstery, adding up to mere than 80 combinations. In addition to Tom Boyd Inc., whose Ford sales and service headquarters are located on East Jefferson at Nottingham, two other dealers also specialize in serving the Pointe area. They are the Steiner Ford Co. on Mack at Grayton and the Earl Holzbaugh Motors, at 2700 East Jefferson.

Blue Devil Basketball Five Beaten by Port Huron, 60-49

The Grosse Pointe Blue Devil cagers had only a long bus ride to and from Port Huron to show for their efforts on the hard wood last Tuesday, January 22.

For the fifth time in eight starts this season, Coach Ed Wernet saw the current edition of Blue Devil cagers go down to defeat. This time it was at their own hands, although the record books show Port Huron won 60 to 49.

Make Many Errors
Throughout the contest the Devils consistently made mechanical errors that cost valuable points while their opponents were fiddling around doing nothing much in the way of producing points for themselves.

The Pointers could only find the hoop when Port Huron found it and the game resembled one of follow the leader. When the Hurons scored, so did the Devils, but once the Hurons scoring machine hit a snag, so did the Devils' and as a result the Pointers trailed throughout the entire conflict.

Fleming High Scorer
Irving Fleming led the Huron attack with 20 points for scoring honors and he was followed by his teammate Frank Moeller who chipped in 19 for runner-up honors.

Blue Devil center Jerry Goebel, although he had a bad case of butterfingers on occasions, led the Pointers with 16 points. John Diccio turned in another good game at guard, offensively, with 12 points.

Fleming Is Fire Horse
Diccio had a tough assignment in stopping the high scoring Fleming, who was a regular firehorse throughout the game. This kid started to run with the opening whistle and didn't stop until the final whistle, giving the fans a remarkable display of endurance.

The game meant nothing more than the loss of face for the Pointers, as it was a non-league affair.

The Devils will get back into league play Friday, February 8, against Royal Oak. This will start the second round of the Border Cities League schedule in which the Devils don't have a Chinaman's chance of finishing any better than third place, if they do that well.

No Signs of Hope
The Pointers lost four of their

STOLEN CAR RECOVERED

A 1948 Plymouth convertible owned by Richard Dossin, of 737 Shoreham, was stolen while parked in front of a Sunningdale drive residence on the evening of January 25.

Woods patrolmen recovered the car the following morning in the Woods Theatre parking lot.

St. Paul Loop Race Is Hot

Lane Donovan's team continues to hang onto the lead in the St. Paul Men's Bowling League. The teams of Al Gouin and Peter Ruprich are tied up, only two points behind.

Elementary School News

MAIRE SCHOOL

The last week at Maire School was a big one for the 6A class. It included such activities as a program for the parents on Tuesday night, a service award assembly, and a dinner party.

The program, "The 6A's Folly," was written, produced, and for the most part, directed by the boys and girls themselves. It included everything from barber shop quartets and female sextets to slapstick comedy and old-time square dancing.

Wednesday afternoon a general assembly of the 5th and 6th grades was held in honor of the graduating Safety Patrol Boys and Service Girls.

Captains Ed Hammer and Julia Chadwick gave short speeches of acknowledgement and then the audience heard an interesting and timely talk on safety by Officer Jules DeRaedt of the Grosse Pointe Police Department.

Friday night the class attended a dinner party and then moved enmasse to Tony Manardo's home where games and dancing followed refreshments, (yes, they ate again), were enjoyed by one and all.

Three members of the class, Julia Chadwick, Mike Huntington and Dick Adams will attend Brownell next semester. The rest of the class will go to Pierce.

Those going to Pierce are Tom Baumister, Jim Bruzese, Bob Colegrove, David Craig, Chuck DuCharm, Walt Dugger, Kin Esington, Alice Grant, Barbara Hammer, Ed Hammer, Lee Ann Ibler, Dick Helms, Joan Linden, Dick Manardo, Joe Moore, Terry Mountford, Bob Mourad, Judy Phelps, Ted Pongracz, Pierre St. Amour, John Regan.

ROBERT POWELL of 795 Lake Shore road, referees. The fights were staged Wednesday night, January 23, as part of the recreational program of the Grosse Pointe Woods Community Club, one of the worthwhile community services made possible by contributions to the recent Torch Drive.

Judies Boost League Lead

Punch and Judy Cocktail Lounge breathed a sigh of relief after their match with Farms Market last Friday night at the G. P. Woods Bowling alleys. The Judies have never been more than one or two points ahead in the league's standing for the last five weeks.

Steiner Ford shut out their arch rival, Earl Holzbaugh Motors, with some classy bowling. Holzbaugh, ahead in the first two games going into the tenth frame of each game and victory virtually assured, lost them both when Aaron Cook, Steiner anchor man, struck out to win both games by the narrowest of margins.

Motor City Tires came up with a 3-1 win over Middle Atl. Transp. Co. Russ Piche toted most of the wood for the winners, T. Volpe most for the losers.

Joe Hupier's 220 opener helped Kopp's Pharmacy down the Auto Club, 3-1. Monday Cleaners, in the cellar most of the season, sure are bowling their heads off now.

They have only lost two points in the last four weeks of bowling, blanking Village Wine and Yachtsmen Enter Ohio Bowling Tournament.

On Saturday, January 26, in Columbus, Ohio, members of the Detroit Yacht Club Bowling League, participated in the Inter-Lake Yachtsman's Bowling Association tournament.

Teams from several Ohio and Michigan Yacht clubs vied in their annual bowling competition.

Six local bowlers, who are members of the Detroit Yacht Club bowling league, made the trip: Dr. Ward G. Gordon, Ashley B. Adams, George J. Jaglowicz, Harry N. Hemenway, Robert D. Herley and E. Gordon Scott, all local residents.

Newly organized this season the St. Joan of Arc Chargers are 6, 7 and 8th graders. Athletic director is Jerry Gernier.

Jerry Rose is coaching the 7 and 8 graders; Babe Price, the 6th grade. The Chargers have two leagues the 6th and 8th which are playing in the Catholic Youth Organization. They will play their next games as follows: The 6th Grade League on February 2 with St. Catherine's, and the 8th Grade League with St. Juliana.

Don Sigouin Star In St. Joan Tilt

St. Joan of Arc Chargers, in their third game of the season, lost to St. Mary's of Mt. Clemens, 34-13. Don Sigouin of the Chargers got 8 points of the 13 in the game which was played at South Lake High School on Thursday, January 24.

Lead Tied Up In Pin Loop

In the Grosse Pointe Business Men's Bowling League the four top teams only managed an even split with their opponents in last Wednesday's bowling at the Maple Lanes alleys and as a result the top positions in the league did not change.

Turner Buick Co. and Testa Cement, tied for the league lead, opposed each other, while Pointe Insurance Agency and Boutin's Service opposed Bruce Wigle and Cramer Electric respectively.

Jack Cross' team handed Barrett's Flowers a drubbing and Doc Tuttle's came to life to sweep the series with Belding Cleaners. Three-point winners for the night were Funston Chevrolet over Tom Boyd and Kennelly Catering over Metter-Made Chips.

"Over-200" scores were as follows: Baker, 215; Bosco, 204; E. Cross, 210; Delbarba, 209; DeSantis, 220; Kramer, 217; Kurk, 207; Ludwig, 213; R. Lundberg, 210, 213; B. Melucci, 231; Nalley, 202; O'Toole, 234; Pety, 204, 209; Troyer, 207, 209, and Warren, 204, 211.

Spina to Talk To Camera Club

Tony Spina, well known news-personality has always made himself a favorite speaker before every group that he has appeared. His subject for the evening will be one of his own choosing and will be announced by him at the beginning of the address.

The activities of the evening will also include the annual election of officers followed by a social and a social evening with refreshments.

This meeting will be confined to the members and their guests. The meeting will be held at the Neighborhood Club.

Mr. Spina is well known through the nation for his excellent work and prizes won in his field of endeavor, and his paper photographer, will address the annual meeting of the Grosse Pointe Camera Club on Tuesday evening, February 5, at 8 p.m.

St. Paul Longhorns Annex Lead In Inter-Church Loop

The St. Paul Longhorns took over the lead all along in the Inter-Church basketball league last Saturday, January 26, but needed a valuable assist from the Christ Church Tigers, who upset the favored, unbeaten Woods Presbyterian quintet.

In the first game of the four game program at the High School, Christ Church Tigers nipped the high flying Presbyterian team, 37 to 33, behind the sharpshooting of Bob Lambrecht, who was playing his last game for the Tigers.

Lambrecht moves into the high school this week and will no longer be eligible for inter-church league competition if he intends to compete for the Blue Devils this winter or spring.

Lambrecht led the Tigers' attack with 15 points but had to be satisfied with runner-up scoring honors behind Tom Barry, who paced the Woods' losing cause with 18 points. This was the highest individual total scored in the four games.

Grosse Pointe Memorial was forced to go into an overtime game edging the fast improving Methodist aggregation, 27 to 25, in one of the most thrilling games played to date in the league.

In the third stanza Memorial was able to hang onto its four point advantage and appeared to be on its way to a win with less than a minute remaining to play. Johnny Ketzler knotted the count at 23-all and threw the game into overtime. Methodist coaches Brown and Knighter

Women Keglers In Close Battle

Winnie Camacho's bowling team clung to a slim one point, 51 to 50, lead in the St. Paul Women's Bowling loop after last Wednesday's, January 23, session.

Tromping close on the Camacho heels is Kopp's Pharmacy, which holds a two point margin over the third place Grosse Pointe Garage aggregation.

Only two 200-plus games were registered, with Cecile Schultz knocking down 204 pins in one game. Blanche Casey posted a 203 game which helped her annex the high three game total for the night with a 525. This was 35 points better than Cecile Schultz's three game total of 490.

OPEN BOWLING FEATURED AT THE NEWLY REOPENED 20th CENTURY RECREATION

practically went into fits of joy. However, their glee was short lived when Bill Hotchkiss swished the winning basket to give Memorial this all-important victory.

Hotchkiss of Memorial and Sherer and Tom Kaser of Methodist tied for scoring honors with 10 points each.

The St. Paul Panthers were beaten by the Longhorns, 48 to 17, and the Christ Church Lions won their first game of the season, beating St. Ambrose in a thriller, 19 to 16. Ned Evans paced the Lions with 13 points for scoring honors.

The schedule for Saturday, February 2, will bring together the Panthers and St. Ambrose in the 9 a.m. game; the Lions and Longhorns in the 10 a.m. contest, and Memorial and the Tigers will tangle in what promises to be the best game of the day at 11 a.m. The final game will pit Presbyterian and Methodist.

Flyers Post Only Unbeaten Record in Pointe

Coach Eddie Lauer's St. Paul Flyers have every reason to smile while posing for their team picture this year. The Flyers have rushed through six contests to date without a setback, something no other Pointe team can boast, and are leading the Second Division of the Parochial League basketball race. Front row, left to right: HOSKINS, WRIGHT, J. HUETTEMAN and GEIST. Second row: T. CHAMPINE, WALTERS, CAPTAIN LYNCH, SCHUMMER and TROMBLY. Back row: COACH ED LAUER, O'CONNOR, BARRETT, BARTON, FABER and Student manager MOXLEY.

Fishing Rodeo Provides Fun For 4,000,000 Youngsters

By Fred Runnells
The Fishing Rodeo, in which Grosse Pointe's small fry participated last summer for the first time and which eventually produced a national angling champion in Mike Collins of Moross road, is a gigantic program and has become the top junior sports-participation event in America since its inauguration three years ago.

Each of the champions also receives a certificate of award from a prominent citizen of his state. Grosse Pointe's national champion, Mike Collins, will be awarded his certificate by Senator Homer Ferguson at some community gathering in the near future. The date will be announced soon.

In view of the fact that 171 Grosse Pointe boys and girls participated in this community's first venture into the BFI's Fish Rodeo contest last August and that one of its contestants carried off the national title of Champion of the Drum family with his catch of a 2 pound 9 ounce sheepshead, there appears to be little doubt that Grosse Pointe will be in the 1952 competition.

This community's first venture could not have been the success it was if it hadn't been for the group of adults who unselfishly gave their time, and a few organizations who not only donated their time but also money to purchase prizes. These were awarded to several of the 171 youngsters whose catches were not large enough to be considered for national recognition but were worthy of some sort of recognition locally.

To attract the nation's youngsters to participate it provides wonderful prizes of expensive rods and reels to the champions of each competing municipality in nine different classifications of fish families. Eight of the titles, for both boys and girls, are for fish caught in fresh water. The ninth title goes to the boy and girl landing, unaided, the largest salt water fish.

Such men as Roland Gray, Dave Beauvais, Del Page, Harry Fuxton, Norb Neff, Forrest Geary, Joe Craig, Jack Reed, Edward Gossen, Al Gouin, Edmund Stanley and last but by no means least, Hank Collins, who did a terrific job in seeing that the kids were protected by the Farms

life guards as they fished on the Lake Shore road seawall between the Farms dock and Crescent Sail Y. C., were responsible for the success of the event.

All were amply repaid for their unselfish donation of time just by seeing the enjoyment the 171 Grosse Pointe youngsters got during this clean, wholesome, recreational competitive event. Also they were proud to have taken part in this nationwide children's program in which 419 municipalities produced four million contestants.

Walter Collins, father of the local and national champion, Mike, stated "The Fishing Rodeo is a wonderful thing for the kids. It has made my boy Mike an enthusiastic fisherman and he is determined to defend his title next year if the community gives him the chance."

It should be pointed out that Mike's dad has been connected with competitive sports all his life and currently is a Michigan High School Association referee. Being closely connected with interscholastic sports the year around and rubbing elbows with schoolboy athletes, he knows the value of organized competition and how it makes better men and women of the youngsters who participate in sports.

As far as your reporter is concerned I believe no stone should be left unturned by Grosse Pointers to provide our youngsters with a chance to compete in the BFI's Fish Rodeo this year and every year thereafter.

I have only one suggestion to make for next summer's rodeo that can insure the event of financial success. Instead of depending on local organizations and businessmen donating funds for the prizes I believe each of the five Pointe councils should set aside money to be given to the event to provide the prizes for the youngsters.

Ad Examination Deadline Feb. 4

Application deadline for the sixth annual examination for advertising has been extended to February 4.

"An unprecedented number of applications has encouraged us to extend the deadline one week so that all young people wanting an opportunity to take the tests may participate," John Bowers, advertising agency executive and examination committee chairman for the Michigan Council of the American Association of Advertising Agencies announced today.

Bowers said that a 1951 survey of people who took the examinations in 1950 showed that 28 per cent had jobs in advertising. "As an added help for top candidates this year," he added, "we are organizing an aggressive campaign to help them get advertising jobs."

Each year the advertising business is faced with thousands of eager young job applicants competing for only a small number of openings. The examinations sift these young people by encouraging those with advertising talents and discouraging the persons with aptitudes for other fields. "In fact, twice as many who were graded excellent got advertising jobs as those rated fair or poor," stated Bowers.

Examinations will be given February 16 at Wayne University. A fee of \$20 covers part of the cost for the tests.

Applications and full information may be obtained by writing A.A.A.A., P. O. Box 286, Detroit 31. College applicants should be in their senior year; however, junior students may apply.

Annual Replaced By View Pointe

By Nancy Eriksen
G.P.H. Journalist Student
View Pointe, Grosse Pointe High School's semi-annual pictorial publication patterned after Life Magazine, is a substitute—and probably a unique one—for the traditional high school annual.

View Pointe doesn't attempt to record the whole year's activities, but tells interesting picture stories about the school program. Because of its structure and coverage of student life, View Pointe has a very wide appeal.

The editors try to see that every grade, group, and club is represented. The Student Association ticket which can be purchased at the beginning of each semester assures each ticket holder that he will receive a copy of View Pointe. Those who do not hold an S. A. ticket may buy a View Pointe for \$1.00. Leather covers for View Pointes may also be purchased.

View Pointe not only has interesting pictures, but also tricky captions and interesting copy. The editor-in-chief of the January issue is Marcia Blecki. The other page-editors are Nancy Hoyt, Barbara Drinkaus, Janet Holtz, Nanch Kaser, Gitta Gozi-Holtz, Nancy Kaser, Gitta Gozi-niak, John Eberely and Jennie Davis. Graham Totzke, Ellee Frizzell, Joyce Judson, Alice James, and Don Freeman complete the list of page editors.

The photographers are Ned Lambrecht, Dean Zeeb, Fred Gareiss and Bill Coulter. Anyone can purchase a View Pointe after January 17 in the High School book store for \$1.00.

Television Debut Made By Pianist Don Blasiola

Don Blasiola, 21-year-old pianist and nephew of Mr. and Mrs. Roy Blasiola of 1417 Buckingham road, made his television debut last Saturday as star of his own weekly program, "Basically Piano," seen from 2 to 2:30 p.m. over WWJ, Channel 4.

Shrine Circus At Fair Grounds

The Big Show—the 45th annual Shrine Circus opened a 14-day engagement on Monday, January 28 with performances twice daily at 2 and 8 p.m. at the State Fair Coliseum. There is ample free parking space for all automobiles. Reserved seats are on sale at the Shrine Club, Masonic Temple or phone Temple 1-0131 for ticket reservations.

Heading the list of tonight's international circus stars, to thrill you are the Reckless Roddy Brothers in mid-air hand-to-hand catches, Pinito del Oro, Spain's queen of the air; Galaso, the man who stands on his forefinger; Albert Rix and his 12 Brainy Bruns that act like men; the Jim Wong troupe of Chinese acrobats; Ely Ardely, glamorous star of the swinging trapeze; the Man in the Moon, sensational new European aerialist; the Antaleks, high perch act; Harry Haag's Educated Dogs and Ponies; Roland Tiebor's marvelous trained sea lions; the Kimris Duo, high-in-the-air thriller; the Chalusid in remarkable new feats: awheel; performing elephants; the Concellos and Comets on the flying trapeze and the cele-

Darts Off Bus In Path of Car

Eight year old Richard Moore was struck by a car January 28, while crossing in front of 1661 Bournemouth. He received lacerations about the head and was rushed to Cottage Hospital.

He had stepped off a school bus and started to cross in front of it to get to his home at 1645 Bournemouth, when the automobile hit him.

The road was icy and the car could not stop. According to a witness the car, owned and driven by Clarence G. Ashbrenner of 21792 Kingsville, Detroit, was moving at a slow rate of speed.

Milk Fund Association Holds Annual Elections

The Milk Fund Association of Providence Hospital held its annual meeting and election of officers on January 8.

Mrs. Hugh Stevenson was elected president; Mrs. Carroll M. Boutell, first vice-president; Mrs. Herman Wecker, second vice-president; Mrs. Francis J. McDonald, recording secretary; Mrs. Edward J. Weeks, corresponding secretary, and Mrs. Robert Taylor, treasurer.

Square Dance Club Plans Party at Columbus School

Members of the Square Dance Club will dance to recorded music in the Columbus School gymnasium at Maple Ridge and Hayes on Wednesday, February 6. The dances are held every second Wednesday from 7:30 to 10:30 in the evening. More than twenty couples regularly attend. For information call LAkeview 6-4131.

Garden Club to Hear Talk By Mrs. Paul W. Rowe

The Grosse Pointe Garden Club will meet on February 5 in the home of Mrs. C. Y. Moffet, at 596 Hawthorne road. Mrs. J. C. McCaughey will be the co-hostess.

Mrs. Paul W. Rowe will speak on "Garden Plot Planning for the Grosse Pointe Woods Park."

Mercury Offers Line for 1952

New body styling, improved engine power and major mechanical changes characterize the 1952 Mercury, which went on display in dealers showrooms Wednesday, January 30.

Available in eight different body styles, with a choice of 22 colors or color combinations, the new Mercury introduces a distinctive new style trend in automobile design.

The new Mercury offers a roomier and more luxurious interior and a smart, "big car" exterior, and at the same time is easier to handle and more economical to operate.

In addition to a two-door and two four-door sedans, the doors of which are hinged from the front, Mercury for 1952 has two sport coupes with "hardtop" styling, plus a convertible and two four-door station wagons.

Completely re-styled, the 1952 Mercury combines smooth flat surfaces with a minimum of curves and extruded projections. A simulated air-scoop on the low flat hood and similar features on the sides add pleasing touches and individuality to the styling.

Fuel for the 1952 Mercury is supplied to the gasoline tank through a filler tube located beneath the rear license plate centered at the rear of the car.

Instruments and controls are grouped compactly in a cluster immediately below the steering wheel on an interceptor-type instrument panel. A large glove compartment, ash tray and radio speaker complete the panel arrangement.

This year for the first time, Mercury cars are equipped with brake and clutch pedals suspended from a bracket between the instrument and dash panel. This unique feature gives more foot room for the driver and eliminates the necessity for access openings in the floor. The master brake cylinder is mounted on the dash panel, where it is completely away from road dirt and icing possibilities and can be easily serviced.

Numerous refinements to the famed Mercury V-8 engine have boosted its power to 125 horsepower. The compression ratio has been increased to 7.2 to 1.

Tracy Motors, Kercheval avenue at Hall place, is Mercury headquarters for the Pointe area.

Farm and Garden Club Plans Valentine Party

Mrs. Joseph M. Dodge will be hostess at the Grosse Pointe Farm and Garden Club February meeting on Tuesday, February 12, at the Country Club, at 2:30 p.m.

Co-hostesses for the Valentine Party will be Mrs. Waldo L. Behr, Mrs. Henry E. Beyster and Mrs. Henry L. Newnan.

Obituaries

JOHN G. WATSON

John G. Watson, 59, of 365 McKinley, died Tuesday, January 22. Surviving are his wife, Laura, his mother, Mrs. John Watson, of Windsor; a daughter, Mrs. James Masterson, of Casper, Wyoming, and two sisters.

Services were held Friday, January 25, from the Verheyden Funeral Home. Burial was in Dresden, Ontario, where Mr. Watson was born.

JACK A. TOTTY

Jack A. Totty, 1883 Hunt Club drive, son of the late Arthur Totty, died Wednesday, January 23. He is survived by his wife, Irene, son, William; daughter, Jill, and mother, Mrs. Laura Totty.

Services were held Saturday, January 26, at the Verheyden Funeral Home.

HENRY P. VROOM

Henry P. Vroom, 75-year-old Michigan trucking pioneer, died Saturday, January 26, at his home, 301 McKinley.

He is survived by his wife, Gertrude; son, Peter; two daughters, Mrs. Ruth Dykstra and Mrs. William Austin; five grandchildren and two great-grandchildren.

Services were held Wednesday, January 30, at the Verheyden Funeral Home, Interment was at Forest Lawn Cemetery.

"Pointer of Interest" Killed in Plane Crash

Dr. G. A. Stevenson, of Harvey, Illinois, "Flying Dentist" and his mother, Mrs. Jeanette Stevenson were killed recently when their plane crashed on a Kentucky farm, nine miles south of Greenville. They were making the third of their annual flights to St. Petersburg, Florida.

No one has been able to determine exactly the cause of the tragedy. The plane is said to have been completely destroyed. Weather conditions in the area of the crash were bad with over-cast skies and a heavy fog greatly limiting visibility.

Mrs. Stevenson had been previously singled out as a "Pointer of Interest" (Grosse Pointe News, July 13, 1950) when she visited her daughter, Mrs. Ralph R. Ranney of Fisher road, by plane. Mrs. Stevenson had begun flying at the age of 20. She and her son, Dr. George Stevenson, had taken flying vacations before, the longest having been to St. Petersburg.

Dr. Stevenson was considered by a number of leading civilian pilots to be a skilled navigator and one of the best civilian aviators in the nation. It is estimated that since 1938, when he first began flying, he had logged almost 2,200 hours in the air.

Albion College Dean's List Includes Pointers

The names of two residents of Grosse Pointe appear on the dean's list just released by Dean Emil Leffler of Albion College for the mid-semester of Albion's fall term. They are: William Casteel, son of Mr. and Mrs. Carl Casteel of 1021 Maryland, senior; and John Stetson, son of Mr. and Mrs. Erle Stetson of 331 McKinley road, junior. The dean's list is a recognition of the high scholastic standing of Albion students.

AAUW Literature Group To Hear Books Reviewed

Mrs. Edward F. Gehrig, 1230 Balfour road, will be hostess for an evening meeting of the literature division of A.A.U.W. on Thursday, February 7, at 7:45 p.m.

The following books will be reviewed and discussed: "Understanding Fear" by Bonaro Overstreet, Mrs. Ritter Newell; "A Few Buttons Missing" by Fisher and Hawley, Mrs. H. W. Merrill.

Pointers Occupy Boxes At Annual Folk Ball

Mrs. Fred T. Murphy, Mr. and Mrs. Bartholomew A. Seymour and Mr. and Mrs. Frederick C. Ford were among boxholders at the International Institute Folk Ball last Saturday in Masonic Temple.

who, where and whatnot

by wboozit

One young hostess told us, this week, that parties have been bogging down with guests who are still tired-out from the holidays. However, one of hers, threatening to die on the vine, got new life when her husband and a gentleman guest made a trip to the basement for firewood and discovered an old trunk filled with fancy costumes his family had collected for years and years. First the two arrived carrying firewood, in costume, and next a couple of other investigators appeared as sultan and Tyrolean lad. Soon the entire party was costumed and it didn't break up till 5 a.m. An idea?

If you have the right telephone number, you may call a Pointe home where Madam answers her calls on a s-o-l-i-d g-o-l-d telephone made especially for her in New York and presented as a Christmas gift.

Bill Young is taking piano lessons and friends DO NOT LAUGH when he sits down to play. He's good.

Did you know that our delicious village boasts a vegetable market where customers must be introduced?

Chit Chat in the Pig Tail Set: That cutie, Paula Kammer, announced to all and sundry, that at the Tuesday Assemblies last week, she paid Susan Merrell five cents for the right to "cut in" and dance with teacher Ed Picard.

In the cook book of favorite recipes of Time Magazine's readers, there's one from Grosse Pointe. It's Mrs. Frank W. Coolidge's "Coolidge Soup," a traditional family soup.

PILFERINGS

Cleveland Amory's "The Proper Bostonians" will make you forget the Pointe's dull weather.

Just a few quotes:
 "Often called the Complete Boston Woman, Mrs. Bell loved coziness—she used to say—and friends, books and music and above all talk. To be a bosom friend of hers was to be as far 'in' in the Society of the day as it was possible to get, and one could be pushed beyond the pale by one barb of her repartee. A notable example of the letter occurred in the case of a young Harvard man much invited about during one winter of the early 1900's. Little by little hostesses began to tire of him and finally one was moved to ask frankly in the Proper Boston manner, 'Does he know anything?' 'Know anything?' shot back Mrs. Bell, 'why he doesn't even suspect!'"

This same delightful Mrs. Bell had little patience with her contemporaries who pretended to l-o-v-e Nature because Emerson loved Nature and Thoreau loved Nature. She refused to have anything to do with gardening and even avoided trips to the country whenever she could. On one occasion, however, driving past a field of asparagus, she commented to a companion how queer it looked. "I always thought," she said, "the cook braided the ends."

Amory recalls how the poet, T. S. Eliot, capsule-commented on a prominent Boston family as "A strange dynasty—with customs but no manners."

He tells of the Bostonian who does not believe he has missed reading an obituary column in the past 10 years, "I guess it's a habit or a hobby. Melancholy is the one passion of my life."

"Drinking at Hunt Balls," writes Mr. Amory, "was on occasion heavy enough to have done justice to one of Ward McAllister's champagne picnics at Newport, but no proper Bostonian would ever tell on another as having been, even for one evening, the worse for wear. Recently a former Hunt Ball patroness, asked if she could not remember an instance when one of the gentlemen present had imbibed too freely, said she recalled only one—when a man crossed the hall on his hands and knees and asked her to dance. 'A visitor,' she explained, 'from out of town.'"

Pointer of Interest

MRS. HAROLD B. TYREE OF PROVENCAL ROAD

When Dione Lucas opens her Cordon Bleu cooking classes in Detroit Feb. 12 (sponsored by the Detroit Committee for the Seven Eastern Women's Colleges), a pupil of some eight years standing will be one of her most eager listeners.

She is Mrs. Harold B. Tyree, of Provencal road, who loves everything about cooking and who considers Mrs. Lucas one of the art's great exponents.

"The rankest amateur," Mrs. Tyree will tell you, "emerges from a single lesson able to turn out a dessert or main dish that will excite the whole family." And the magic belongs to Mrs. Lucas.

We asked our Pointer of Interest to tell us just when it was she first became so interested in cooking. She guessed it happened when she was a child of seven or eight years and she frankly admitted that applause was mixed up with the interest.

First Step
 The scene was Ritzville, Washington (near Spokane) and our child daily listened to the praise with which her banker father always greeted the appearance of their Swedish cook's milk and water bread. The cook happened to be of an encouraging and patient nature, and therefore complied when the little girl asked to be taught to make that bread.

She mastered the recipe and to this day Mrs. Tyree remembers with enchantment how her father applauded the result.

So it was an already willing ear she had some years later as a student at Miss Capen's School in Northampton, Mass., when Miss Sarah B. Whitaker, a member of the faculty, spoke so enthusiastically of home economics and dietetics. Although Mrs. Tyree was preparing to enter Smith College, when she graduated from Miss Capen's she hurried instead to Columbia University where the relatively new science was being taught.

Avid Culinarian
 Here began dual interests which ever since have occupied Mrs. Tyree. In addition to her study at Columbia, she did volunteer war service in the kitchens of Bellevue Hospital.

Most Pointers are aware that Mrs. Tyree has just completed a 10 year stint of volunteer service as Canteen Corps chairman at Detroit Chapter of the American Red Cross. (Her proudest moment of the decade was when one of the Detroit papers announced—on page one—that in the course of one of the city's large fires, the Red Cross Canteen workers arrived ahead of the firemen with coffee and doughnuts.)

As a bride, Mrs. Tyree lived first in the South where cooking has always been considered a culture. Here she mastered hot breads, an early achievement of every real Southern belle. The chefs at the Greenbriar were apt to look up from their ranges to find a pretty, young bride begging to be instructed in "Those wonderful, tiny cornmeal waffles." Because she was so genuinely interested (and we also suspect because she was so pretty) they invariably complied.

Representatives Sell Colleges

By Carol Loveless
 Grosse Pointe High School played host to over 50 college representatives during its fall semester. This makes a total of 99 different colleges in the last two years.

The representatives, who came from colleges all over the country, had a chance to introduce their institutions to interested high school students.

The high school invited any interested student to meet the representatives. The majority of those responding were eleventh and twelfth graders. They filled out blanks for colleges they wanted to learn more about and then were excused from classes when their choices arrived.

They then met with the representatives and had a chance to ask questions about curriculum, extra activities, expenses, scholarships and transportation facilities, and to place their names on the college's mailing list. Often movies or slides of the campus and buildings were shown.

Included among the colleges represented during the semester were: Northwestern University, Evanston, Illinois; Massachusetts Institute of Technology, Cambridge, Massachusetts; Cornell University, Ithaca, New York; Duke University, Durham, North Carolina; Wayne University, Detroit, Michigan; General Motors Institute of Technology; Stephens College, Columbia, Missouri; and Gulf Park, Mississippi.

Eastern women's colleges were represented by Bryn Mawr; Wellesley, and Mount Holyoke.

Harvard, Brown, and Yale were also represented, while Princeton had a special agent in Ted Osium Jr., June '48, who returned to his alma mater as its spokesman.

Michigan State aroused the most interest with 97 students attending its lecture. The University of Michigan was next with 75, giving an indication of the plans of the majority of seniors. Then came Wellesley with a total of 25.

As well as helping undecided students make up their minds about choosing a college, Mrs. Ruth Flom, dean of girls, explained that this program "gives students an opportunity to get first hand information about colleges in which they are interested."

"However," she cautioned, "students must guard against the salesman type of representative whose first and only interest is filling his college's enrollment rather than in considering the individual student's needs."

one, the latter having attracted many Pointe male gourmets.

Mrs. Tyree suggests that we all pay particularly close attention to Mrs. Lucas' remarks as she shows HOW to prepare the recipes. They are highly relevant in adding to one's skill when the recipe is being duplicated at home.

"She garnishes with the hand of a painter," Mrs. Tyree said, "and every minute inspires new and unusual ideas in how to make food more delicious and appealing."

When we left Mrs. Tyree's Provencal road home she was getting ready to go into her own wonder kitchen (it's the envy of all her friends with its stainless steel glamor) and try her hand at Beef Bourguignon, a Lucas lesson. Inasmuch as it holds the secret of how the canny French make the less expensive cuts of beef taste simply beautiful, she confided it was a recipe she was more than anxious to perfect!

CRAB SALAD IN ORANGE SHELLS

Contributed by Jean Beole

- 8 oranges
 - 2 6½-oz. cans crabmeat
 - 1 c. minced celery
 - 1 c. orange segments, diced
 - 1 tsp. grated onion
 - ½ c. mayonnaise
- Select eight fine oranges, cut off blossom ends and snip edges into points. Remove segments, reserve 1 cup nicely diced pieces for salad. Toss crabmeat lightly with celery, orange, onions and mayonnaise. Heap into orange shells. Garnish with orange segment and a fluff of mayonnaise. Serve with shoe string potatoes.

John S. Coleman To Give Speech

John S. Coleman, president of the Burroughs Adding Machine Company, will speak to the Men's Association of the Grosse Pointe Memorial Church at a dinner meeting on Wednesday evening, February 6.
