City to Hold Open Hearing On Saturday

Will Discuss Amending Zoning Ordinance to Permit New Terrace Construction

A public hearing concerning a request to amend the city zoning ordinance which would permit the construction of terrace buildings between Cadieux and Notre Dame north of the Grosse Pointe Manor Apartments, now fronting St. Paul, will be conducted at 10:30 a. m. in the City of Grosse Pointe municipal building, Saturday, February 16.

A plot layout of the proposed buildings is now on display at the municipal offices on Maumee. The plan envisages a 34 apartment addition to the Grosse Pointe Manor Apartments now being constructed. Eight of the semi-attached buildings will contain four apartments, and a ninth will provide for two.

Plan Parking Strip
At the north end of the proposed project there will be space for single parking on a paved strip that will run between Cadieux and Notre Dame. It will be designated as open to one-way traffic with the entrance on Cadieux. The area will provide space for 24 cars.

A 68-car garage is planned at the south end of the new addition, just north of the garage that will house the automobiles of the residents of the Manor Apartments. It will comply with the ordinance requiring enclosed masonry off-street garaging.

Work on Schedule
The present work on the Manor Apartments is expected to be completed, according to schedule, by June 1. Construction of the additional apartments would not be begun until that date. Because of the vagaries of material restrictions, no date can be set at the moment for their completion. The (Continued on Page 2)

Daughter's Little Social Gathering Leaves Home in Shambles After Hoodlum Party Crashers Run Amok

Parents with teen-age children who have reached the party age, may find a lesson in an experience reported by the Farms police this week. It is not necessary that names be used but both parents and the police are anxious that the happenings be publicized as a guide-post to other parents who might find themselves in the same predicament.

The 16-year-old daughter of the family asked permission to invite a few of her friends in for a social evening. Mother was all in favor of the idea. Father remonstrated but was outvoted, and the innocent little gathering was scheduled for Friday night, February 8.

Early Activity
It so happened that there was a deal of activity for the youngsters going on in the Pointe that night. There were several basketball games and other events to keep the young set occupied during the early hours of the evening.

Word of the small private gathering got around. Casual verbal invitations to "Drop in" were passed about by both the young hostess and her invited guests. The games ended and there was a general converging on the girl's home.

No one seems to know just how many uninvited guests crashed the party. The police say there were well over 100 youngsters in the home. The parents were inclined to agree when they took stock the following morning.

Parents Were Discreet
The parents did not leave the teen-agers in the house alone. But acting in what they considered a discreet and non-stuffy manner, they stayed upstairs and let the kids have their own party. The kids did... each to his or her own taste.

Piecing the story together later, it appears that a mild form of mayhem must have been going on downstairs while the parents took it for granted that the bedlam emanating from the lower regions was simply the natural outburst of healthy youth.

City Police Report Full Year In 1951

Total of 175 Auto Accidents With One Pedestrian Fatality Reported by Chief

In the annual report of the City of Grosse Pointe Police Department, Chief of Police Thomas V. Trombly, revealed a total of 175 automobile accidents during 1951. The number of people injured, including pedestrians, was 22. There was one pedestrian fatality.

Three deaths by accident in the home were recorded. Prowler calls answered by City police totaled 59.

Criminals Busy
101 criminal cases were recorded during the year. The cases ranged from one murder, through 18 major larcenies to one AWOL soldier, returned to the Army.

Crime violations by juveniles ranged from one case of carrying concealed weapons and two liquor violations to 9 cases of malicious destruction of property.

64 arrests of minors were recorded for the year, one of which was an investigation of negligent homicide.

Little Sick Leave
Only 44 days of sick leave were recorded for the department during 1951.

Police watched 897 homes and found 329 doors of business and residential buildings open.

PROWLER TRACKED
Mrs. Henry Ploch of 787 Lincoln road reported on February 9 that she noted footprints in the snow around her house that had presumably been made the previous night. City police found prints in the rear and around the side of the house, and in the yards of neighboring houses, but investigation failed to turn up any positive results.

Map Battle Plans For Fight Against Dutch Elm Disease

Representatives of All Local Municipalities and Experts are Guests of Pointe Property Owners' Association

The battle against Dutch Elm disease entered a second phase this week when representatives of all the Pointe municipalities and the City of Harper Woods and of the Grosse Pointe Garden Council and Garden Center, met with experts on the subject to map out a campaign. The Grosse Pointe Property Owners Association was host at the luncheon meeting held in Francois' Fireside restaurant on Monday.

The meeting was a follow-up to the general mass meeting held the week before in the War Memorial Center and attended by an overflow audience of residents and official representatives of the various Pointes and many local organizations. It had been suggested at that meeting that a concerted effort, participated in jointly by all the municipalities, was probably indicated.

Those Attending
Attending Monday's luncheon meeting were Mrs. Harley Higbie, chairman of the Dutch Elm campaign; Mrs. Harold Bailey, assistant chairman; Mrs. Donald Stevenson, president of the Grosse Pointe Garden Council; Everett B. Lane, city manager of Grosse Pointe Park; Murray Smith, city engineer and public works commissioner of the Farms; Philip Allard, city administrator of the Woods; Norbert Neff, clerk of the City; Thomas J. Jafferis, superintendent of the Shores; W. T. Williamson, city manager of Harper Woods, and Gordon Wood, president of the Grosse Pointe Property Owners' Association.

The Experts
The experts present included Joseph Witwer, Wayne County forester, and his assistant, Frank Vaydek, and Walter Meyers, of the Department of Parks and Recreation of the City of Detroit.

The need for the City action was emphasized. The only known protection against the disease is proper spraying and it is vital that all the elms in the area receive this spraying during March.

Opinion Divided
There was about an even division of opinion as to whether the spraying should be undertaken jointly by the municipalities, or whether each should handle it separately. The Park is the only city which now has its own equipment for this purpose and uses its own employees to do the work.

Some of the other representatives expressed the belief that such an important job should be handled by experts and not by city employees subject to being called off the job to perform other duties.

Seek Official Sanction
The municipal representatives will all report back to their councils and seek immediate decisions on how the program should be handled, financial backing, etc. They are expected to hold an (Continued on Page 2)

Youth Arrested As Peeping Tom
After a report by Mrs. E. C. Gerlach of 892 Beaconsfield, that a prowler had been on the premises at 11 p. m. on February 9, officers of the Grosse Pointe Park Police Department carried out an investigation that resulted in the arrest of a 15-year-old boy.

The police traced the footprints of the prowler to a neighboring home. The arrest cleared up complaints that a "Peeping Tom" had been operating in the area between Beaconsfield and Nottingham, south of Jefferson avenue, for the past month and a half.

School Board Being Asked To Share In Paving Costs
The City Council of Grosse Pointe Woods has prepared figures to be presented to the Grosse Pointe School Board, estimating the Board's share of costs in the project of paving Cook road from Mack avenue to Chalfonte.

The Council is trying to enjoin the School Board's aid to help lift the financial burden that would be placed on residents of the area whose property fronts Cook road. The Board is in no way required to contribute.

The Board has 650 feet of assessable frontage. The Council has determined its share of the costs to be \$5,755. The City will assume a \$10,000 portion of the \$33,000 project.

The costs assessable to the districts benefiting from the project will hinge on whether or not the School Board decides to contribute.

POLICE BALL FEB. 15
This year the Detroit Police Officers have deserted the Shantrock to honor St. Valentine by holding their Annual Police Ball at the Graystone Ballroom on Friday, February 15.

OCD Urges Cooperation Of Residents

Adults Requested to Consult Schedule and Go to School Most Convenient for Them

Grosse Pointe's blood-typing program gets underway next Monday morning, February 18. All residents are urged to cooperate in this project sponsored by the State of Michigan Civil Defense organization and carried on here by the officials of the Grosse Pointe Civil Defense District.

Before a person can receive or give blood it must be determined which of the four types he has, O, A, B, or AB, and the Rh factor. In the event of an emergency such as an atomic bombing, time consumed in determining these might be too great to save the life of the person in need of whole blood.

To Protect All
The typing program is for the protection of all residents. Those typed will receive identification tags which should be carried on the person at all times. They will be mailed to all those typed and the same information will be on file in the Pointe for your doctor, and at the Civil Defense Office.

No Charge
There is no charge for this service. All typing will be done at the local schools. Permission must be given by the parents for typing the students. Adults are urged to study the schedule and go to any of the schools listed at any hour most convenient for them. No appointment is necessary.

Takes Little Time
Very little time is required, as about 40 cases are handled per hour. Next week's schedule appears below. There will be a second week of typing, the schedule for which will be published next week.

Church Service To Honor King
Friday, February 15, being the day of the funeral of His Majesty George VI, there will be a Memorial Service of Holy Communion in Christ Church, at 10:30 a. m.

The celebrant will be the Rev. Dr. J. Clemens Kolb, assisted by the Rev. Henry W. Sherrill, Deacon, O.B.E., Her Britannic Majesty's Consul General, and members of his staff, together with members of the Consular Corps of Detroit will attend. Mr. Storey will deliver a short address.

Narrow Escape Attributed to Ice
Three and a half-year-old William Cook, 1595 Anita; tripped while running down a driveway February 9, and fell into the path of a car driven by Matthew P. Graham of 65 Roslyn, Grosse Pointe Shores.

Mr. Graham had been moving slowly because of the icy condition of the road. Billy received bumps and bruises about the head from light impact with the right front bumper of the automobile.

Do As I Say, Not as I Do
The second session of a 30-hour course of instruction for police officers with less than a year's service in the Grosse Pointe municipalities was conducted February 11 at the Grosse Pointe Park municipal building.

Thirty-five officers received four hours instruction on the Law of Arrest by Anthony Vermeulen, 716 Balfour, practicing criminal attorney.

While arranging a lecture on the instruction of proper issuance of over-time parking tickets, Mr. Vermeulen was ticketed for such a violation in front of the Park police headquarters.

Crash Produces Cut Lip, Ticket
Grosse Pointe Park police received a report of an accident on Charlevoix near Harvard road on the evening of February 7.

George B. Lowrie, 40, of 412 Cadieux, said he was driving east on Charlevoix at 20 miles an hour when he hit an unoccupied car at the curb. The right front fender of Lowrie's car was damaged. The parked car, a 1951 Oldsmobile owned by Joseph B. Shaw of 749 Washington road, received damages on the left rear and side.

Lowrie suffered a lacerated lip and got a ticket for not having his car under control.

and inside the house. Furniture was broken and some of the bolder guests found their way into father's liquor cabinet. Some six quarts were consumed and a number of the youngsters got roaring drunk.

A particularly violent crash sent father scurrying downstairs to investigate. A valuable antique table and pair of candelabra had been upset and smashed. The place was in a shambles.

Guests Ushered Out

After the most objectionable of the uninvited guests had been ushered firmly out of the house and into the three cars in which they had arrived, father called the Farms police. He said he did not want to make a complaint but thought the police should be alerted about the youngsters in the cars, in no condition to drive.

It was later learned that the three carloads of boys had made a specialty of seeking out parties here and crashing them. The police have been looking for them and hope they have discouraged them from further activity along this line.

Further Wreckage Found

The following morning beer and liquor bottles were found scattered over the lawns of three adjoining properties. Ironically, all six bottles of father's were found, empty, neatly placed in a rubbish container.

A bottle had been thrown through a glass window of the door to the garage and glass was sprayed all over the car. Two silver cigarette lighters, presents received this last Christmas, had vanished. Money had been stolen from the purses of some of the girl guests. Some of the family's best cut glass highball glasses had been carried away by the guests. A lamp had been broken.

Agreement Reached

Farms Detective Eugene Boylan called at the home the following morning. Daughter did her best to protect her friends, but the whole story was gradually pieced together. The police and parents agree that it was the "Open house" to end all open houses.

They also agreed that a very worthwhile accomplishment would be to warn other parents lest they be put through the same harrowing experience.

Don't Be Timid

"Don't be afraid of being stuffy," is their advice. "A little proper chaperoning can save a heap of headaches, both for the parents and for the intrepid young hellions who might find their way into the wet goods locker."

Tom Peirce Helps Stage Williams College Play

WILLIAMSTOWN, Mass.—Tom Peirce, son of Mr. and Mrs. R. T. B. Peirce of 582 Lincoln road, Grosse Pointe, has been chosen lighting director for the forthcoming Williams College production of "Pygmalion" which starts a three-day run at the Adams Memorial Theater here on Feb. 14.

Peirce, a junior, is a member of Cap and Bells.

Open Hearing

(Continued from Page 1)

estimated cost of the project is \$340,000.

Objections were raised last July because there was no provision for off-street parking, but that objection has since been waived with the inclusion of facilities for that purpose in the proposed plans.

See Need for Building

The City of Grosse Pointe covers an area of one square mile. Confronted with rising costs, City administrators have recognized the necessity of building within. From the municipality's point of view the site of the proposed apartments would be better used as the plans describe than if a series of two-family dwellings were constructed around that portion of the block.

A conventional row of two-family dwellings would create greater population density and more traffic. If such a situation existed in that area, there would be at least 40 driveways around the block.

Lighten Tax Burdens

Consideration must be given to the fact that projects, such as the one planned, alleviate tax burdens. City officials point out. Maintenance of civic services, such as police, fire, and garbage collection, all of which are necessary, would be facilitated by the plan, and municipal expenses could be cut.

The plan has been in the making for nearly five years. It is hoped now that the advantages will be recognized, and that the project will be moved toward completion, the officials stated.

Music Lecture Series Opened

The first lecture in the series, "Introduction to Music Literature," presented by the University of Michigan Extension Service was enthusiastically received Wednesday evening at the War Memorial Center. In this lecture Professor Glenn D. McGeoch of the University of Michigan School of Music, considered the limitations and possibilities of expression in music through a comparison with other arts.

On February 20, Professor McGeoch's second lecture will be concerned with a discussion of the basic principles found in the construction of Music, revealing through the analysis of a variety of compositions in different styles, fundamentals of musical form. It should be stressed that as the aim of this lecture series is non-technical, no previous knowledge of music is necessary.

The total cost of the four lectures is \$4.00. They are held at the War Memorial Center each Wednesday evening through March 5th at 8 o'clock. For further information call the Center at TUxedo 1-8030.

Single tickets may be purchased for the individual lectures at a price of \$1.25 each. They will be on sale at the door.

other meeting in the very near future to report the decisions of their councils.

It was agreed that one of the most important things to be done now, is to get all the information possible on the disease into the hands of all the residents, so full cooperation will be obtained.

Association Contributes

As one of its contributions, the Property Owners' Association has volunteered to have 40,000 copies of a pamphlet in use in Detroit, printed up. The individual municipalities will undertake the job of distributing them to every home. They will be sent out with water bills, pier permit applications or the first general mailing that goes into every home.

It is also planned to have an over-all census made of all the elms in the area. A census has already been made on all public property in the City of Grosse

Pointe. This shows there are almost 3,000 elms on city-owned property bordering the streets and in the municipal park.

Many Thousands in Area. It is estimated there are about 3,000 elms on every square mile of public property, or about 150 to every linear mile of street borders.

Of course there are additional thousands of private property which must also be sprayed if the defense barrier is to be effective.

The financial loss which would be suffered should the disease spread here is being stressed. In some parts of the country there has been a wholesale destruction of elms. Cleveland has lost more than 1,500.

Irreparable Loss

Should this occur in the Pointe the community would be robbed of one of its most valuable, and loveliest assets. The residents are also urged to remember that all

infected trees must be removed and burned.

The cost of removing a destroyed elm is 10 times that of spraying and protecting it. Replacing it would increase the cost a hundred fold, and it would be impossible to replace the full grown trees of which the Pointe has so many thousands.

Two-Day Garden Symposium To Offer Advice by Experts

Opening the 1952 plans to better serve the community and encourage more people to join, the Grosse Pointe Garden Center will hold a two-day Garden Symposium, offering advice on flower arrangements in the home and planting in the garden.

The Spring Symposium will be held in the Grosse Pointe War Memorial Center on Friday, February 29, and Saturday, March 1.

From 10 a.m. until noon on Friday, Mrs. Zelda Wyatt Schulke, of the Garden Center of Cleveland, Ohio, will give a lecture stressing design in table arrangements and flower arranging.

From 2 p.m. to 4 p.m. Mrs. Schulke will repeat her morning demonstrations. There will also be a display of books, tools and other garden equipment.

Dr. James Tyson, head of Soil Science at Michigan State College, will lecture at 10:30 a.m. Saturday, March 1, on "Planting and Care of Your Lawn." The lecture will be given with the aid of slides. Dr. Tyson will have soil testing equipment with him,

and will test as many samples brought by Grosse Pointe gardeners as time permits.

At 2 p.m. Gilbert Bentley will give a lecture on "Annuals," and will show slides of flowers grown from his company's seeds.

Four well-known landscape architects will be on hand for consultation, including Edward Eichstadt, Edward Laird, Bruce S. Winkworth and Mrs. Eleanor Roche.

All residents of Grosse Pointe are invited to attend. Anyone who is not a member of the Garden Center may join on paying the entrance fee of \$1.00 as dues.

The Center will provide free garden advice to anyone in the community, whether a member or not. But it is planning an additional series of programs for those who join and pay the \$1 annual dues. Membership cards will be available at the Symposium.

The next event of the Garden Center will be a tour of Mrs. Ernest Kanzler's gardens on May 20. The tour will be followed by a brief talk at the Memorial Gardens.

Theater to Give 'The Romancers'

"The Romancers", by Rostand will be presented "in the round" at the February meeting of The Grosse Pointe Community Theatre, which will be held Tuesday evening, February 19 at 8 o'clock in the Grosse Pointe War Memorial Center. This is an open meeting and anyone interested in attending is welcome.

It will be the first time the workshop group has presented a play "in the round," which means, for the uninitiated, doing a play with no scenery and a minimum of props.

Another innovation will be the making up of the cast in front of the audience before the play starts. Ray Barnabas and her make-up class will do the make-up.

Arnim Seielstad will direct the cast, which includes Larry Brennan as Pasquinet, John Eberly as Bergamin, Jack Sinclair as Straforel, Mary Sparr as Sylvette, and Tom Stein as Percinet. Critics will be Lee Yeager and George V. Candler, Jr.

Chairmen of committees are: costumes, Dorothy Ogrey; production, Larry Brennan; program, Edna Findlay; properties, Mary Beaulieu; stage manager, Charlotte Kline.

The 47,000 Scouts at the National Boy Scout Jamboree at Valley Forge, Pa., in July, 1950, was the largest gathering of youth in the Western Hemisphere.

Billings Will Address Churchmen in Woods

The Men's Association of the Grosse Pointe Woods Presbyterian Church will have as guest speaker at its February 20 meeting, B. E. Billings, who is a certified instructor in Dale Carnegie's course of effective leadership. He has chosen as his subject, "Stumbling Blocks and Stepping Stones."

The meeting will be held at 8 p.m. in the club room. All members and their friends are invited to attend.

Banquet Held By Hi-Y Club

Members of the Blue Hi-Y Club of Grosse Pointe High School gave a banquet at the Grosse Pointe Memorial Church on the evening of February 7 for their families and friends.

Following the banquet members and guests gathered in the Women's Parlor to witness the induction of new members and the installation of officers.

Elected to office were Bob Schaller, president; Bill Wuncham, vice-president; Tom Lister, secretary; and Mac McNair, treasurer.

New members inducted at the services are, Ralph Gray, Don Schmitt, Jim Clima, Jim Mueller, Stuey Smith, Earl Lyon and Bob Leacock.

The boys, with assistance from Chet Sampson, prepared a meal of meat-lob, au-gratin potatoes, marshmallow-covered sweet potatoes, pecan rolls, and a variety of salads. For dessert they provided pies ranging from rhubarb to banana cream, and a pineapple upside-down cake.

Kay Jameson, Bill Miller, and David Bouse helped Banquet Chairman Murray McDonald and Chet Sampson, who supervised the proceedings, as vice-chairmen.

On the week-end preceding the banquet, Mr. Sampson took the Hi-Y members to Grayling, for some mid-winter skiing.

Center Offering Musical Treat

In the intimate setting of the War Memorial Center, Grosse Pointe music lovers will have the rare treat of hearing two outstanding young artists. On Tuesday evening, February 26 at 8:30 p.m. John Creighton Murray will present a violin recital assisted by John Sweeney III at the piano.

Mr. Murray and Mr. Sweeney were received most enthusiastically by the Carnegie Hall audience on Friday night, February 8 and it is expected that they will repeat materially the same program for their Grosse Pointe appearance.

Mrs. Frank W. Coolidge and Dr. Hugh Stalker are co-chairman for the concert, assisted by Miss Frances W. Sibley, Mrs. Frank J. Sladden, Jr., and Edgar H. Ailes as vice-chairman. Mrs. John L. Kenower is in charge of ticket sales and George W. Williams is treasurer.

The ticket selling committee includes Miss Marie L. Anderson, Mr. and Mrs. John Dykema, David O. Hamilton, Mrs. Frank P. Lister, Mr. and Mrs. H. Herbert Micou, Mrs. Fred T. Murphy, Mr. and Mrs. Jerome Remick, Jr., Robert H. Tannahill, Mr. and Mrs. Vincent de Godiard, Mr. and Mrs. Wendell C. Godiard, Mr. and Mrs. Waldo K. Greiner, Mr. and Mrs. Earl I. Heenan, Jr., Mr. and Mrs. W. R. McAdow, Mr. and Mrs. Paul I. Moreland, Mr. and Mrs. Ralph B. Netting, Mr. and Mrs. John K. Roney, Mr. and Mrs. William C. Tost, Mr. and Mrs. Renville Wheat, and Mrs. Eva Doty Worcester.

There will be a social hour following the concert with Mrs. Frederick Campbell acting as chairman.

John Creighton Murray, a New Yorker, interrupted his musical career to serve four years as a soldier in the American Army. After being formally discharged from the service two years were spent in a triumphant European concert tour. Then 1948-52 were devoted to concerts in the United States, Canada, and Central America. In the spring Mr. Murray sails to South America for a two year tour of that country.

Noel Straus of the New York Times writes of Mr. Murray, "He plays in the grand manner. There is an unusual degree of imagination in his playing, grace and refinement, and unerring taste."

Those who heard John Sweeney III in his concert at the Memorial Center last March will welcome the opportunity to again hear this brilliant young pianist. John is considered by many to be the best musical talent the Pointe has ever produced.

After serving as a chaplain's assistant in the Navy during World War II he continued his studies under Egan Petri. In 1947 John was invited to play at the Carnegie Hall "Pop" Concerts and in the Hollywood Bowl. He served as pianist with the Detroit Symphony Orchestra under Dr. Karl Kreuger and has played with the Chicago Symphony Orchestra. He has also toured Europe where he gave concerts in both London and Paris.

Tickets for the concert are \$2.50 (including tax). They are on sale at the Grosse Pointe War Memorial Center. Further information may be obtained by calling the center, TU. 1-6030.

Dinner Planned By Church Club

The Men's Club of the Grosse Pointe Methodist Church will hold its regular monthly dinner meeting at the Church in the Community Room at 7 p.m. on Wednesday, February 20.

Professor C. J. Ordon, 246 Beaupre, of the college of Medicine of Wayne University, will present his slide lecture on "A Health Mission to South America."

Professor Ordon, then Major Ordon, spent 4 years in South America with the office of Inter-American Affairs.

The emphasis for all of Detroit Methodism is work in South America. The reservation deadline is Sunday evening, February 17. For reservations call Ken Leipprandt at TU. 2-5809.

Mumps Highlight Health Report

Dr. Thomas S. Davies, Pointe Health Commissioner, reported 89 cases of communicable diseases during the month of January in the Grosse Pointe and Harper Woods area.

Grosse Pointe Woods reported 25 cases, mumps being the most prevalent, while Grosse Pointe Shores reported one case of mumps for the month as the only case of communicable disease.

Mumps was the only disease above normal expectancy in the area. It has not by any means reached epidemic proportions, Dr. Davies said, but 55 cases were reported for January 1952 as compared to 18 cases for January 1951.

Fifteen cases of chicken pox were reported, seven of which were in the Park.

Seven cases of scarlet fever were reported in the Park, Farms, and Woods. The other municipalities reported none.

Two cases of measles were reported in Grosse Pointe Farms.

Two cases of influenza were reported in Grosse Pointe Woods.

Cases of impetigo and ringworm totalled eight for the entire area.

Dr. Davies stated that the communicable disease situation in the Pointes is very satisfactory.

Safety Patrol Kids Rewarded

Seventy Mair School Safety Patrol boys and Service Girls will enjoy an evening of fistic entertainment when they are the guests of Frank Connolly, athletic director of the C.Y.O., at the finals of the Golden Gloves Boxing tournament tonight at the State Fair Coliseum.

Julius DeRaedt, City of Grosse Pointe patrolman, obtained the tickets and the donation of a bus by the Lions Club and two sedans from Tracy Motors, through sales manager William Martin.

Sergeant John Rabaut, of the City police, and Jack Rice, a teacher at the school, escorted the group to and from the fights.

Proved In Use...Finest Automatic Drive Ever Built!

PACKARD ULTRAMATIC

EXCELS ALL OTHERS IN SMOOTH PERFORMANCE AND DEPENDABILITY!

"A NO-SHIFT DRIVE unlike any other!" "Well ahead of anything now available!" "Something to send rival automakers back to their drawing boards!" These were comments of editors and experts who tested Packard Ultramatic, triumph of 16 years' research. Use by thousands of Packard owners proves Ultramatic outperforms all other automatic drives under all conditions!

• • • Packard Ultramatic uses an all-fluid transmission for smooth, surging pickup — then silently switches to solid, direct drive for peak efficiency and for full engine braking power. It can be reversed instantly for easier parking and rocking the car.

• • • Look at one more car. If you plan to spend \$2,500 for a car, invest one hour and see how few dollars more it takes to own a Packard. Packard costs less to buy than you'd think, and the record over the years proves it costs less to own—for "Built like a Packard" means built to last!

KID BITS

By NANCY KASER

On Saturday, February 2, Bill Neeb invited some of the kids over for dancing and a really swell time. Kids who enjoyed themselves there that evening were Joyce, Blashill and Nels Jensen, Don Button and Nancy Hall, Bee Squire and Tom Pfeifle, Jeneane Dial and Carl Rohloff, Shirley Ulrich and Bill Haring, and Rudy, Schuler and Jo Wilbertz, and Audrey Rneasma.

Many Grosse Pointe supporters saw the team lose to Royal Oak the following Friday night. Marilyn Norton, Janet Hotmann, Joannie Smithers, Barb Strauss, Paula Sutton, Sharie Algood, Bob Brown, Bruce Crowley, George Cope, Brown, Parker, Kay Cat-chick, Marlene Climie, Conrad Procter, Erich Schweizer, Bob Hardies, Dale Petroskey, Ray Raetzl, Bill Palm, Shirley Stoup, Carl Ford, Elaine Turell, and Greachen Becker were some of the kids who watched one of the last home games.

All of the kids were then invited to a dance in the girl's gym. Having loads of fun in spite of the disappointment were Ann Watson, Posy Tomicic, Ed Zigas, Mary Schwem, Dave Leach, Dan Webb, John Conner, Bertie Roberts, Peg Lutton, Dick

Scajes, Jerry Davis, Bev. Riley, Norm Lasca, Margaret Weaver, Bob Warner, Joan Carver, Janet Eldew, Gloria Duemlin, Ben Bray, Janie Rowe, Jerry Harden, Jeanne Rydholm, Gary Schroeder, Audrey Gayer, Bill Tyson, Janet Woita, Sean Fraser.

Before leaving for Florida, Rhode Barbour took several of her friends to lunch. Those saying goodbye to her on Saturday afternoon were Mary Lou Stefani, Posy Tomicic, Edna Edens, Beverly Riley, Bert Jacob, Polly Schmidt, Diane Retzlaff, Maggie Koehler, Shirley Giller and Colleen Horrigan.

The evening the Memorial Center held open house for all high schoolers, Phil Russell, Sally Browne, Tom Lister, Gail Sisson, Chuck Sweet, Carol Ford, Gimie Davis, Hank Hubbard, Neil Smith, Donna Hewitt, Ralph Cross, Pat Beaurigard, Nancy Ryan, Ray Eddy, Frank Hagen, Colleen Horrigan, Joe Buel, Mary Dahlen, George Parker, Maggie Koehler, Winnie Likert, Pattie Lee, Dick Saunders, Emo Harding, Norm Lasca, Joyce Blashill, Cecelia Bonbright, Bob Burgee, Clark Bassett, Cynthia Netting, Bob Warner, Pat Smith, Dick Scaves, Molly Murphy, Jerry Davis, Lil Bundesov, Frank Kruger, Don Button enjoyed some of the activities there.

Phil Beach and Maggie Payne gave a party that same night at Phil's for many of their friends. Some of the kids there were Chuck Lamb, Ann Leete, Sandy Forsyth, Bert Shaw, Fritz Bessimer, Ilene Bryant, Clem Martin, Barb Lowe, Marty McCormick, Annette Danna, Dick Gallette, Janet Woita, Dick Anslow, Jim Stapleton, Skip Clark, Terry Kuhn, Steve Staff, Sally Fisher, Dick Naragon, Donna Goodrow, Gerry Goebel, Dee Bruin, Dave McKee, Ann Blashill.

Birthday Guests See Ice Show

Still sparkling-eyed over the birthday party they attended last Sunday are the little guests of Lynn Ann Ternes, a daughter of Mr. and Mrs. William A. Ternes of Three Mile drive. Lynn Ann was 11 years old.

All of Lynn's classmates at Grosse Pointe as well as her little cousins, Diana Maiullo and Toni Barnes, and her younger sisters, Barbara Ann and Patricia Ann Ternes, were invited for dinner at Grosse Pointe Yacht Club.

Before dinner, however, parents took their children to the Ternes' home, where a chartered bus awaited the young guests. They were whisked off to Olympia to attend a performance of the ice show starring Barbara Ann Scott.

Helping the Ternes in chaperoning their young charges were several of their friends.

Among the guests were Molly Hutton, Jean Rossi, Kingsley Roney, Patty Kilpatrick, Beth Hostenstein, Charlotte Ford, Linda Nutting, Bonnie and Judy Willingham, Eileen Cross, Marilyn Verbiest, Freddie Schlaff, Sheila Hobbs, Virginia Petzold, Cathy Coyle, Eileen Kurth, Clair Ann Edwards, Judy Schoenherr, Diane Clifford, Susan Kendall, Lucia Pucci, Ann and Mary Carey, Sue Waggoner, Judy Jordan and Patty Fitzgerald.

Society News Gathered From All of the Pointes

From Another Pointe of View

By Jane Schermerhorn

Some 140 Grosse Pointe Country Day and Detroit University School students aired their hobbies yesterday (Wednesday) . . .

At a combined hobby show . . . held in the gym of Country Day . . .

There were two performances of the dashing display of what's interesting the quite young set . . . one at 2:30 . . . and another at 8:30 when mamas and papas paid a proud visit . . .

And we were fascinated to learn that co-chairmen of this year's Hobby Show . . . both claim they haven't a hobby . . . maybe that's why they had time to organize such a marvelous exhibit! . . .

The co-chairmen . . . Molly Chalmers . . . and Dick Phillips are senior students . . .

Teachers' Hobbies

For many years now . . . faculty sponsor for the Hobby Display has been Mrs. Marie H. Grainger, who's in charge of the lower school at Country Day . . .

Teacher showed her hobby, too . . . an array of minerals. Another faculty member whose hobby was on view . . .

was Miss Susan Duckett (she not only teaches in the lower school but also instructs driving in a dual control motor car for 11th and 12 grade students) . . .

Miss Duckett entered her stamps in the hobby show . . . which helps to raise money for the schools' combined year book . . . the Pericon . . .

Student Hobbyists

Hobbyists from Country Day included:

Ann Fink, with her stamp collection . . . Judy Howard, who's the mama of dozens of beautiful foreign dolls . . . Melissa Bates, who collects toy horses . . . Phyllis Ledyard, whose penchant is for toy dogs . . .

Jennie Hagen showed several examples of her portrait painting . . . Janey Weaver was another who filled her hobby table with foreign dolls . . . Deborah Jenks saves match packets which she collects wherever she goes . . . and Gay Mercer displayed manuscripts of her creative writing . . .

Sea Shells and Coins

Margaret Goodenough is a threat to any beach judging from the wealth of shells that comprised her hobby at the show . . .

Susan Earl was another whose hobby was devoted to figures of dogs . . . Mary Yeager brought her collection of coins for all to see . . .

The doll house Ginny McMillan entered in the show had been furnished entirely with articles she herself made . . . Wendie Good's hobby was art . . .

Meet A Taxidermist

And now for the DUS lads . . .

Nickie Stroh is the busy one . . . for when he's at his hobby he's a taxidermist . . . his handiwork created much interest . . .

Ned Evans goes in for electricity . . . and everything on his table came to life by battery . . .

Bill Turner is the Pointe's Houdini, so you know he exhibited a magic collection . . . and John Ledyard showed stamps . . .

Minerals and arrowheads occupy the interest of young John Fink . . . while Chuck Lord, a true son of the Motor City, turned up with models of automobiles . . .

Butterflies to Bottle Tops

Both Dannie French and Roy Chapin II were represented with soldier collections . . .

And George Monroe IV entered his airplanes . . . Bill Lawrence's table held a small fortune of foreign

Mary Caroline Wade Weds Wyman Barrett

Daughter of Mr. and Mrs. Harry V. Wade of McKinley Road Speaks Vows With Wyman D. Barrett, Jr.; Will Make Home in Harper Woods After Florida Trip

When the young Wyman Douglas Barretts, Jr., left on their wedding trip last Saturday evening, their car whizzed away from the Pointe's blustery weather toward Florida and sunshine.

They were married in the presence of their immediate families at a 4 o'clock ceremony in Christ Church, Grosse Pointe, with the Rev. J. Clemens Kolb officiating.

Mrs. Barrett, the former Mary Carolyn Wade, is the daughter of Mr. and Mrs. Harry V. Wade of McKinley road and the bridegroom is the son of Dr. and Mrs. Wyman D. Barrett of Touraine road.

Springtime colors of gray and white and yellow were used in the costumes of the young bride and her sister, Cecily Wade, who was her only attendant.

Mary Caroline chose a classically simple suit of sheer gray wool, her small chapeau was made of the suit material. Around the crown of the hat, which was banded with material leaves, lilies of the valley blossomed in the shadow of the briefest of veils.

Her tiny and old fashioned bridal bouquet of lilies of the valley was centered with frosty white spray orchids.

Cecily, who is a senior at the University of Michigan this year, was dressed in frock of yellow wool. On her head she draped a filmy yellow face veil at one side of which there was a cluster of golden flowerlets.

The maid of honor's flowers were a cascade arrangement of yellow freesia.

Warren Johnson assisted his brother-in-law as best man at the service.

For her daughter's wedding, Mrs. Wade donned a frock of navy faille with which she wore a small navy straw cloche and white camellias.

The bridegroom's mother wore a suit of soft gray sheer wool

with hat to match and a corsage of crimson camellias.

Mr. and Mrs. Wade invited the wedding guests to a reception in their home following the church ceremony and when the young couple left for Florida (they will headquarter in St. Petersburg), they planned a March 1 return to the Pointe.

At the reception, the wedding cake centered the lace covered refectory table and pink Spring flowers were used on a side table. The young Barretts will occupy one of the Grosse Pointe Gardens terraces in Harper Woods when they get back from their wedding trip.

Clement Furtons Wed 50 Years

Fifty years of married life were completed on February 10 by Mr. and Mrs. Clement D. Furton of Muir road. Members of the immediate family observed the golden wedding anniversary, Sunday at a gathering in the home.

The Furtons came to the Pointe in 1907 and a year later built the home which they have occupied since. Mr. Furton was gardener for the late Murray W. Sales for more than 30 years.

They are the parents of City Clerk Harry Furton of Grosse Pointe Farms, Lieut. James Furton of the Farms police department, Pauline (Mrs. Joseph O'Mara), and of Joseph Furton. There are also nine grandchildren.

Mrs. Furton will be 69 on April 7 and Mr. Furton will be 74 on March 3.

Pointe Invited To Mardi Gras

Youthful Pointers (from post high school right up to young marrieds) are invited to frolic at a Mardi Gras Ball in War Memorial Center on Saturday, February 23. The Young Adult Council is sponsoring the party. The council, a group of about 30 Pointers which each month plans some gala at which the young people of the community may become better acquainted, say costume and masques are optional. However, they stress that costumed guests will really add to the fun.

Barbara Jackson is general chairman of the Mardi Gras Ball which begins at 9 p.m. Clark Williams' Orchestra will play for dancing and at intermission the Dixieland Band, recently seen at the Tuxis Show, will present a capsule minstrel show. Patrons for the ball include Dr. and Mrs. Frank J. Sladen, Mr. and Mrs. Henry D. Shelden, Mr. and Mrs. Remington Purdy, Mr. and Mrs. J. Randolph Kennedy, Mr. and Mrs. David Ballentine Hinchman and Dr. and Mrs. C. G. Brown. Ann Hinchman heads the patrons' committee for the party. Fred Smith, chairman of the decorations committee, is lining up Pointe artists to decorate the walls of the ballroom with Mardi Gras murals and in charge of refreshments will be Myrpa Tuoden. Beating the drums for the party is publicity chairman Bill Cavitt and Joan Ruby has made arrangements for the minstrel show. In the show will be Dixieland Band members Tom Saunders, Neil Smith, Winnie Likert, Dan Webb, Dale Petrosky, Joe Tratzek and the band's leader, Dick Saunders.

Announce New DeSoto Fire Dome Eight

This sparkling new DeSoto Eight is being shown this week. It has a sensational new 160-horsepower V-8 engine, new power steering, tip-toe shift transmission with fluid Torque drive and electric window lifts. The Harry MacKay Motors, Inc., 14801 East Jefferson, at Ashland, is the local DeSoto dealer.

Detroit Edison Open House To Feature Good Lighting

How good home lighting can literally be tape-measured will be the attraction at an Open House at Detroit Edison's Gratiot office, 9980 Gratiot, all day on February 15. The public is invited. Typical home activity centers—kitchen, dining room, study desk—will be displayed. How they can be light conditioned will be shown by actually measuring height of portable lamps, their distance from points of attention, etc. Visitors will be able to study the displays, and will be given a booklet with which they will be able to check their own home lighting to see how it can be improved to meet modern lighting standards. Probably a light-meter is the most accurate means for measuring correct lighting. But a meter is seldom available to the average homeowner. Most homes do have tape-measures and yardstick, and knowing that, a practical, rule-of-thumb method of using these common household tools for judging levels of illumination has been devised. The displays and the booklet will show how to use this measuring method in different rooms and for different tasks. Since good design and construction of portable lamps and permanent fixtures is an important part of light conditioning the home, the Open House displays will also suggest the right types of such units to buy. Many of Detroit's lighting fixture and lamp dealers are cooperating in this program of showing homeowners how to take the guesswork out of home illumination. These retailers have set up their own "Light Conditioning Centers" in which they display fixtures and lamps of good design. They are quickly identified since they usually carry a yellow-and-gray Light Conditioning seal. "Modern life, with its never-ending demands on a person's eyes, and these dark winter days, make it doubly necessary to protect eyes from overstrain. The way to do it is to see to it that the right light—placed so as to be glare-free—is in every room of the house. "We can show anyone a good way to do this, just using a tape measure, in our Light Conditioning Center," was the statement of Daniel M. Hines, Manager of the Gratiot Edison office. "There is, of course, no obligation to buy anything. In fact, Detroit Edison does not sell lighting fixtures or lamps. We are chiefly concerned in helping people conserve eyesight—in helping them make the most efficient use of the electricity they buy from us," Mr. Hines concluded. The Edison Open House at the Gratiot office will continue from 8:30 a. m. to 5 p. m. Edison Home Service Advisors will be ready to talk individual lighting problems with any home-owner who drops in during these hours. There will be free souvenirs for the whole family—Mom, Pop and the Kids. In addition a valuable door prize will be awarded.

Traffic Violators Heard In Court

Presiding Judge Leslie P. Young disposed of four cases at the City of Grosse Pointe Municipal Court session February 11. Two other cases were continued. Livingston Porter Hicks, Jr., 2440, Iroquois, Detroit, was charged \$25 fine and \$5 in costs for reckless driving. Myron L. Sherwood, Jr., 74 Stanton lane, received a fine of \$25 and an additional charge of \$5 costs for reckless driving. George Alfred Burkman, 1028 Maryland, failed to appear in court to answer charges of running a red light. Frank A. Bachman, 99 Owen, was charged with driving while under the influence of alcohol. The defendant was reported sick, however, and his case was postponed until February 25. Otto Herman Sauer, 5344 Seminole, was fined \$10 and charged \$5 in costs for reckless driving. The case against Louie Milford Reeves, 360 McMillan road, was dismissed. He had been charged with reckless driving, causing an accident, but there were no witnesses, and the arresting officer did not see the accident.

Miller to Talk To Camera Club

"Muzz" Miller, well known Chicago amateur photographer and lecturer, will address the Grosse Pointe Camera Club at its meeting on Tuesday evening, February 19, on "My Problems of Making Successful Prints." In addition to the talk, he will illustrate his topics with pictures of his own making. At the annual meeting of the Camera Club, Wayne Donaldson was elected the new president. The other officers chosen were Robert O. Brown, vice-president, Wayne McCarty as secretary and Fred Heinrich, treasurer. President Donaldson announced that following Tuesday's program, there will be a judging of prints submitted by the members. The meeting will be held in the club rooms in the Neighborhood Club. The interested public is invited to attend.
