

City Asks Farms and Park To Sell It Fire Protection

(Continued from Page 1)
 was appointed a year ago to meet with Farms officials and find out if some satisfactory arrangement couldn't be reached that would bring increased fire protection with a reduction in costs. Mr. Carpenter reported no progress and it appeared that the Farms just wasn't interested.

Several weeks ago a new Special Fire Committee was appointed in the City, composed of Councilmen Sidney H. Morgan, Alonzo C. Allen and John L. Kenower. This group arranged a meeting with representatives of the Farms and Park to discuss the situation. It appears that considerable interest has been aroused.

Ask Official Word

The Park and Farms each requested official word from the City Council before further discussion was entered into, and this went out in letters dated February 12. A copy of the one which went to the Park, identical to that sent the Farms excepting for the transposition of the name of the municipality, follows:

February 12, 1952.
 City Council,
 Grosse Pointe Park,
 15115 East Jefferson Avenue,
 Grosse Pointe Park 30, Michigan.
 Gentlemen:

The cost of fire protection in our City, an area of one square mile, has attained such proportions, that it places an undue burden upon our resources. The immediate prospect of additional increase in cost makes it imperative for us to seek a more efficient way to secure such protection. Of course, any alternative method must afford the City fire protection at least equal to that which it now has.

It is the desire of the Mayor and Council that you submit, at your earliest convenience, an estimate of cost for supplying fire protection to the City of Grosse Pointe. It is entirely probable that you will want to explore this jointly with the City of Grosse Pointe Farms. If this seems desirable, you are free to do so.

In order to expedite your investigation and submission of a proposal, either singly or jointly, we wish to assure you the complete cooperation of our administrative officials. We will appreciate your prompt response.

Respectfully submitted,
 City of Grosse Pointe,
 Special Fire Committee.

Might Split Territory
 A possibility seen is that the City would buy protection from the Park and Farms, the two territories to be covered by each. The City would continue to maintain its fire station on Maumee, but with a much smaller force. The Farms and Park might each hire some of the present City firemen, thus increasing their personnel and adding to their own protection, with the City's fees for protection covering the added salaries.

Chief Newport Issues Report

William H. Newport, Grosse Pointe Farms Fire Chief, released a departmental report for the month of January of this year, recording a total of 23 calls. Of this number only one was a residence fire. Damage to the building, valued at \$14,000, was estimated at \$25. There was no damage to the contents.

There were six automobile fires, with a total damage of \$705. No damage resulted from two miscellaneous fire reports. Four emergency calls were answered by ambulance during the month. Only two days of sick leave were taken, and only one false alarm was turned in.

definite decision will be reached. Mrs. Higbie Chairman

The Dutch Elm disease campaign is being sponsored by the Grosse Pointe Garden Council and the Garden Center, with Mrs. Harley Higbie as general chairman. The Grosse Pointe Property Owners' Association is lending its assistance as a community service.

The association is having 40,000 pamphlets printed, giving facts and advice on combating the disease. These will be distributed to every home. It is recognized that to make the campaign successful the complete cooperation of every property owner will be needed.

Residents Interested
 City Clerk Norbert Neff told the council that since publicity has been given the campaign, there has been a great deal of interest shown by the residents. His office has received many calls from residents stating their desire to cooperate.

Scouting's Highest Award Won By Three Pointe Boys

Three Boy Scouts received scouting's highest advancement award, the Eagle badge, at a colorful court of honor staged by Troop 96 at the Grosse Pointe Memorial Church last Monday night, February 18.

The Eagle awards were presented to 14-year-old Jimmy Owens, George Nicholson, 17, and Bob Schaller, 17, by Lee R. J. Scott, representing District 3. This event was last on the program that saw 37 scouts receive awards ranging from merit badges to every advancement step in scouting up to the Eagle grade.

The Eagle awards were the first presented to a scout of Troop 96 since 1944 when Kip Foulds was honored. Two boys, John Nicholson and Richard Pierson, took their first step in scouting when they received their Tenderfoot badges.

A large group, which included Billy Denler, Bob Franseth, Bob Hutchinson, John Knox, Dennis McDonald, Charles Smithells, Stephen Suor, John Thorpe and Jack Whiting, were given their Second Class badge.

Joe Donovan, John Jakle, Bill Quinlan, Bill Reeves and Joey Washburn attained the rank of First Class scout and were presented with the badges of that class.

Seven boys, Charles Harris, Joe Donovan, Bill Krebs, Ron Rolley, Brad Tidale, Phil Warren and Don Worley increased the rank of Star scouts in Troop 96 when they officially were taken into that class.

Bobby Swartz, Bill Squire and Jack Hodges were presented with their Life scout badges which qualified these boys to work towards the Eagle class.

Seventeen merit badges were awarded to 9 scouts. They were Jim Deimen, Richard Douglas, Bill Eger, Jack Hodges, John Jakle, Sandy MacMechan, Edwin Nicholson, Bill Quinlan and Harold Quackenbush.

Philadelphia Orchestra Coming on February 25

The Philadelphia Orchestra, universally acclaimed as one of the greatest of all orchestras, will give a concert in Masonic auditorium at 8:20 p.m. on February 25. No less an authority than Sergei Rachmaninoff hailed it as "the finest orchestra the world has ever known."

The proud history of The Philadelphia Orchestra is characteristically American. It stems from a small orchestral group among the founders of which was Benjamin Franklin. This group gave the first public concert in Philadelphia in 1757. Thus was born a great musical tradition which culminated in 1900 in the formation of a permanent group of professional musicians, the Philadelphia Orchestra.

Holding the post of Music Director of the Philadelphia Orchestra for 15 years is Eugene Ormandy, the brilliant conductor whose extraordinary musicianship and splendidly catholic musical tastes result in performances which are always vital and magnificently satisfying.

Art Institute Receives Magnificent Gift

This masterpiece by the great Flemish painter, Sir Anthony Van Dyck, is a gift to the Detroit Institute of Art from members of the Detroit Museum of Art Founders Society, made possible through their annual dues of \$10 and \$5 over a period of less than two years. Mrs. Julius Haass, left, Founders Society president, cites the major purchase as a notable example of what comparatively small contributions can do for a great museum. Titled "The Children of the Bolingbroke Family," the painting may be seen in the Art Institute's Recent Accessions Gallery.

No Place for a Heavy Foot!

You'd find it out, in a mile or so, even if we failed to tell you. But we think it's best if we tell you now—
—you must treat the accelerator with special respect when you take the wheel of a Golden Anniversary Cadillac!
Down under the hood of this gorgeous car is the most powerful engine ever used in standard American production.
So take it easy—wherever you drive.
Don't use that power to bolt away when the light turns green—and other cars have their ways to make in the traffic lanes beside you. And never use it for unnecessary speed, or for dominating the streets and highways.
Use it, instead, for the thing it was put there for—
—use it to give you that easy, floating, comforting ride which can come only when your engine is "loafing," and most of its power is in luxurious reserve—
—use it to give you that "shot ahead" when an opening shows in the traffic line—or when your safety calls for it—
—use it for a thrilling sense of mastery over car and time, and space—
—use it, in short, for happiness and luxury—and for adding to your satisfaction as you sit at the wheel of your Cadillac!
As you would expect, of course, this amazing performance is but one of the wonderful virtues that have been added to the Golden Anniversary Cadillac.
There is marvelous new beauty—inside and outside. There is a wholly new type of power steering—available as optional equipment at extra cost. And there is a great new Hydra-Matic Drive.
For its "year of years," Cadillac has certainly built its "car of cars."
Come in and see it—whether you feel you are ready for a Cadillac or not. It's an inspiration to inspect it—and it's an experience to drive it.
But if you do drive it, please remember—it's no place for a heavy foot!

SUN OF CANADA CUTS COST OF INSURANCE

Canada's Leading Life Company Again Increases Policyholders' Dividends

With 47% of its assets invested in the United States and announcing a further increase in policy dividends, reducing insurance costs, the Sun Life Assurance Company of Canada has just released its 31st Annual Report revealing the largest volume of new life insurance issued by any Canadian company in 1951—over \$461 million; an all-time high in benefits paid, and an increase in the interest rate earned on the assets last year.

George W. Bourke, President, in announcing 1951 figures for Canada's leading life company, stated that total Sun Life insurance in force now stands at \$4,801,000,000, an increase during the year of \$340 million. Annuities in force provide immediate or future payments to the amount of \$194 million per annum. Group insurance in force now totals \$1,254 million, an increase of \$168 million (15.5%) during 1951. The rate of interest earned on the assets last year was 3.70% as compared with 3.61% in 1950; 3.48% in 1949 and 3.30% in 1948.

The Sun Life, a leading international life company with policyholder service branches from coast to coast, last year paid out to policyholders and beneficiaries the all-time record sum of \$125 million. \$35 million was paid to beneficiaries of deceased policyholders, \$16 million under annuity contracts, \$36 million for maturing endowments, and the balance in dividends to policyholders, disability benefits, etc. Since the first Sun Life policy was issued in 1871, total benefits paid to policyholders and beneficiaries have amounted to \$2,486 million. While the company operates in 20 countries, 90% of the business originates in the United States, Canada and Great Britain.

A copy of the Sun Life's complete 1951 Annual Report to policyholders, including the President's review of the year, may be obtained from 607 Shelby Street, Detroit 26, Mich.

Minor Accident Blamed On Snow

Russell E. Frost, 19974 Holiday, while making a wide left turn into his driveway on February 8, was struck on the left side of his car by Donald E. Schneider, 20075 Berns court. Schneider was unable to stop because of heavy snow-fall and the icy condition of the street. The right front fender of his car was damaged. Damage to both cars was slight and no tickets were issued.

Seeking Wings

Bob Olson, former Blue Devil basketball and golf star and later a member of the University of Michigan varsity basketball and golf teams, was graduated from the United States Naval Pre-Flight School at Pensacola, Florida, Saturday, February 2. He is the son of Mr. and Mrs. Harvey Olson of 261 McKinley.

Bob is now assigned to the U.S. Naval Auxiliary Air Station at Whiting Field, Milton, Florida where he will be engaged in primary flight training. Later he will move to Corpus Christi, Texas, where he will complete his training and receive his gold wings as a naval aviator. He will then be assigned to duty with the fleet. Many of the old alumni of the 1947 graduating class and especially the members of the Blue Devil basketball team that gave the school on Fisher road its first Border Cities League championship in 11 years, will remember Bob for his entertaining stories, told only as Olson could tell them, on those long bus rides going to and from basketball games that winter season of 1947-48. During his fifteen week pre-flight training program at Pensacola Bob made quite a mark for himself on the basketball court while playing for the Pre-Flight Seahawks. He not only led his own team but the entire eight team league in scoring, getting 137 points in seven games. Bob hasn't neglected his golf game either and currently is participating in a tourney near his base of operations.

Edison Boosting Supply of Power

Because of the growth of the community and the subsequent load increase on electrical facilities in Grosse Pointe Farms, the Detroit Edison Co. is installing a new primary circuit from the Grosse Pointe sub-station at Moross and Mack avenue to the Water-works.

Present construction is being done between Chalfonte and Ridge on Kerby road. The line is being laid in conduits under the ground. There are two overhead power lines strung on poles along Kerby at present. The Edison Co. is planning to run them underground along with the line now being installed. But that part of the project must be postponed because of the material shortage and existing prices. There is no plan, as was rumored, for the eventual removal of all overhead installations. Underground installations cost nearly ten times as much, and prices now are almost prohibitive. Edison Co. officials said construction should be completed within a month or two, but that it is primarily dependent on the weather.

He climaxed his recruit training by winning the Marksman medal on the rifle range when he fired a score of 207 out of a possible 250 during his weapons training. He entered the Marine Corps on November 27. He was a recent employe of Chrysler Corp as a surface grinder. His last school attended was Grosse Pointe High School.

Chiffon Dessert Ring Circles Chocolate-Coconut Flavors

Chocolate and coconut, esteemed twosome in the world of confections, increase their circle of friends in a chiffon dessert. Unflavored gelatine which molds the chiffon also gives an airy texture to the custard base.

Two tones of chocolate are featured in this year-around dessert favorite. Unsweetened chocolate is used in the basic mold. Then when the ring is unmolded for serving, it is frosted with whipped cream to which has been added a cocoa mix. Thus a rich and a mild chocolate are savored with the added interest of shredded coconut.

This chiffon dessert may be chilled in a ring or fancy dessert mold. If desired, it may be chilled in sherbet glasses and served without unmolding with the whipped cream as a garnish.

- Chocolate Coconut Chiffon Ring**
- | | |
|---------------------------------|--------------------------------|
| 1 envelope unflavored gelatine | 3 eggs, separated |
| 1 1/4 cups milk | 1 teaspoon vanilla |
| 1/2 cup sugar, divided | 1 1/2 cups coconut |
| 1/4 teaspoon salt | 1/4 cup heavy cream |
| 2 squares unsweetened chocolate | 3 tablespoons 4-in-1 cocoa mix |
- Soften gelatine in milk. Add 1/2 cup sugar, salt and chocolate. Cook over hot water, stirring occasionally, until chocolate melts and gelatine is dissolved. Beat to blend. Beat egg yolks slightly; gradually stir in chocolate mixture; return to double boiler. Cook and stir 3 minutes longer. Remove from heat; add vanilla. Cool or chill until mixture begins to jell. Beat egg whites until stiff; gradually add remaining 1/2 cup sugar and beat until very stiff. Fold into gelatine mixture with 1/2 cup coconut. Turn into 8 cup ring mold; chill until firm. Unmold. Beat cream with cocoa mix. Garnish mold with whipped cream mixture; sprinkle with remaining 1/4 cup coconut. YIELD: 8 servings.

Seal Keyholes With Tape When Washing Your Car

When you wash your car in cold weather, it is a good idea to seal the keyholes with tape, says Jack B. Harrison of 617 Lincoln road, Grosse Pointe, in an article in the February issue of Popular Science Monthly. Knowing a few facts about car locks can save a lot of time and trouble and it's well to remember that it takes only a drop of water to freeze a lock.

When a keyhole does freeze, heat the key with a match or cigarette lighter, insert the key in the lock and leave it there a few minutes. Alcohol squirted in with an oilcan or syringe will also thaw a lock. But be careful to keep alcohol off the car paint. Sketches illustrating Harrison's article show how to clean and lubricate a lock to help prevent future freeze-ups.

Pointers to Play Prominent Part in Opening of New USO

The new Downtown USO Club at 147 West Lafayette, in the basement of the Shubert Theatre, will open officially on Friday, February 22, with a Dedication Ceremony and Open House from 3 to 5 p.m. and a supper for service men and women from 5 p.m. on, followed by two hours of entertainment.

Ben R. Marsh, President of the USO of Metropolitan Detroit, will preside at the Dedication which will commence at 3 p.m. immediately following the annual meeting of the organization.

The 10th Air Force Band from Selfridge Field, with Norris J. Coy conducting, will open the proceedings with the National Anthem. Besides Mr. Marsh, others who will participate with brief speeches will be Mayor Albert E. Cobo, Hon. Prentiss M. Brown, Walker Cislser, Edwin E. Bond, Executive Director of National USO, Reverend Raymond S. Clancy, Public Relations Chairman of USO, Canon Charles W. Hughes, and Rabbi Leon Fram.

After the new Club is officially presented to the members of the Armed Forces, G.I. Joe will accept on behalf of all service personnel.

More than 1,000 invitations to local civic, religious, labor, industrial, and welfare groups have been issued by the USO Board of Directors. Guests are invited to inspect the new quarters, immediately following the dedications, and to enjoy coffee and doughnuts with the service men and women. The 10th Air Force Band will play a variety of selections during the Open House.

The buffet supper, for service men and women only, is being donated and served by Detroit Lutheran Post 406 of the American Legion and Auxiliary. Harold Cischke is Commander of the Post and Mrs. Otto Deiss is President of the Auxiliary. Otto Kamman is Chairman for the occasion.

James G. Gibson, Chairman of the Entertainment Committee, and a member of the USO Executive Committee, announces that the entertainment of military personnel will include a variety of acts employing local amateur talent recently screened by the USO Audition Committee under the Chairmanship of Warren Lammers.

Carol Channing, star of "Gentlemen Prefer Blondes" and members of her cast will make personal appearances in the USO lounge. There will be an orchestra for dancing.

Mrs. Paul E. Krause, Co-ordinating Chairman for Volunteers, has signed up a record number of junior and senior hostesses who have volunteered for the occasion on a "first-come-first-served" basis.

The basement area, which covers 6,500 square feet, has been completely renovated and newly

furnished, according to Herman V. Bauer, Executive Director of the USO. Opening day will see bright green and white paint brightening the lounge and the snack-bar where a natural color brick wall and a green and white striped tin canopy give a patio effect. Work and play area, reading, writing, and music corners will be partitioned by moveable screens. Pianos, radio, TV, record-changers, and piped in music will provide music for dancing.

Establishment of the new Club was made possible through funds raised by the Ed Sullivan benefit show last spring, sponsored by the Lincoln-Mercury Dealers, by the Master Brewers Association of America, Detroit District, who donated a substantial sum, and by the United Foundation, whose funds also provide for maintenance of all USO activities.

All food served at the USO Club will be free and will be provided, as in World War II, by community groups. Mrs. Herbert S. Arbogast, Refreshment Chairman, has already received offers from many of these groups to donate and serve on a regular schedule, but there are still places open for more volunteers. The snack-bar will be open 12 hours a day, seven days a week.

Among the community groups who will donate food and serve at the new Downtown USO Club on a regular weekly schedule are the Junior League of Detroit, the Grosse Pointe Methodist Church, and the Fine Arts Club.

Officers of the USO of Metropolitan Detroit for 1951 were Ben R. Marsh, president; Joseph V. Verhelle, Henry Meyers, and J. Glenn Longworth, vice presidents, Burt R. Shurly, secretary, and Alfred T. Wilson, treasurer. Elections for 1952 will take place at the annual meeting Friday, preceding the Dedication.

Besides Mr. Marsh, Mr. Verhelle, and Mr. Wilson, other Grosse Pointers on the 1952 Board of the USO include: Mrs. Glenn M. Anderson, Wendell W. Anderson, Mrs. E. O. Bodkin, James B. Webber, Jr., William A. Durbin, Homer Fritsch, Richard W. Jackson, R. T. Johnstone, William M. Joy, Peter J. McGovern, George N. Monro III, Mrs. Phelps Newberry, Jerome H. Remick, Jr., Mrs. George A. Schemm, Jean T. Shaefer, and Mrs. Alger Sheldon. Mrs. H. Hunter is publicity director.

George Washington's Birthday Anniversary Prompts Dinner-Dance at Grosse Pointe Club; Cocktail Party at Allen Lomaxes; Junior League Dance at Club

George Washington, a gentleman with a flair for society in his day, is inspiring many celebrations to honor his birthday here in the Pointe.

The Grosse Pointe Club has slated a George Washington's Birthday dinner dance.

Mr. and Mrs. Allen M. Lomax of Maumee avenue have invited a number of their friends for cocktails on Washington's birthday.

And the Junior League is departing from its usual schedule of all work and no play to gather just for fun at the Country Club. Their Washington Day dance will combine a Big Top motif with the great hall's ceiling banked, tent fashion, in gay and patriotic streamers of red and white crepe paper.

Mrs. William C. Porter of Edgemere road, is chairman for the dance at which the guests, sitting at taper centered cabaret tables, will be entertained by "Joe Hannover," clown extraordinaire.

The clown will do circus acts and tell anecdotes of life under the Big Top.

Mrs. Reuben Waterman, of Meadow lane, has arranged the evening's entertainment, while Mrs. Edward B. Caulkins, Jr., of Beverly road, will be in charge of the party's hospitality committee.

The circus-like decorations have been the work of Mrs. David C. Crawford and her committee, including Martha McClintock, Mrs. Henry T. Erwald, Jr., Suzanne Bogle and Mary Lou Cudlip.

A group of Junior Leaguers and their husbands will serve on the hospitality committee, the gentlemen to be identified with

Dr. Lichtwardt To Give Lecture

The Women's Association of the Grosse Pointe Woods Presbyterian Church will have as the guest speaker, Dr. Hartman A. Lichtwardt, M.D., Medical Director of Woman's Hospital, on February 25.

Dr. Lichtwardt is considered one of the best informed people in the city on the Middle East, having spent many years there as a Medical Missionary. At the present time the Middle East is playing such an important role in world affairs, that Dr. Lichtwardt's talk should be most timely and informative.

For 15 years he and Mrs. Lichtwardt, a graduate nurse, were stationed in Meshed, Persia (now Iran), one of the holy shrine cities of the Moslem world, as medical missionaries under the Presbyterian Board of Foreign Missions. Meshed is located near the borders of Afghanistan and Turkistan.

Their hospital at that time was the only one in the province of Khorassan, with a population of

3,000,000. The nearest hospital was 600 miles across desert. Dr. and Mrs. Lichtwardt treated rich and poor, princes and peasants, Turks, Afghans, Russians, Armenians, Assyrians and Iranians, all in the name of the Great Physician.

In Meshed, Dr. Lichtwardt started the first work in Iran for those afflicted with Hansen's disease (leprosy). He was an associate editor of the International Journal of Leprosy and one of the founder members of the International Leprosy Association.

From 1934-1941 the Lichtwardts were stationed in Hamadan, Iran. While in Iran he was greatly interested in public health and wrote numerous pamphlets in Persian for distribution throughout the land.

Dr. Lichtwardt is one of the few surgeons ordained to the ministry. He frequently conducted religious services on the mission field and now often conducts them in this country.

Returning to Detroit in 1942,

Dr. Lichtwardt was on the surgical staff of Henry Ford Hospital for four years. He is a Fellow of the American College of Surgeons and of the American Medical Association, and a member of the Wayne County and Michigan State Medical Societies. He is also a member of the American College of Hospital Administrators.

The Miriam Group will be the hostess group of the meeting which starts at 8:30 p.m. Mrs. George Couillard will give the dedication of the evening.

Minute Women Prexy to Speak

Suzanne Silvercruys Stevenson, noted sculptor, and president of the Minute Women of America, will speak to a Detroit Town Hall audience Wednesday morning, February 27, at 11 o'clock in Fisher Theatre.

The only requirement for membership in the Minute Women is a pledge to vote in all local and national elections, and to support at all times the American way of life.

Recognized as one of the fore-

most platform speakers in the United States, Suzanne Silvercruys toured the country giving her unique lecture-demonstration of sculpturing. Many of her portrait busts of public figures are enshrined in the Metropolitan Museum of Art, and in galleries in Europe.

Just Ten Years Ago This Week...

On February 22, 1942... just ten years ago this week... Verheyden's opened its present home in Grosse Pointe... the largest home of its kind in America built expressly for the high purpose it serves.

And now, at the end of this first decade, we are preparing to make an early announcement of the completion of great additions to our building. The enhancement in size, you may be sure, is carried out in the same soft, rich beauty of Early American architecture and finish as that of the original sections.

The passing of this first decade in Grosse Pointe brings Verheyden's close to a full half a century of service and, indeed, it is a gratifying thing to have merited the kind of acceptance that makes continual growth possible.

So, today, in observing our anniversary we take occasion to express our gratitude to Grosse Pointers.

Varied Events Celebrating Boy Scouts' 42nd Birthday

Corner lot encampments, store window displays, religious awards, Blue-and-Gold Banquets, Old-Timer Reunions, Father-and-son Dinners, Courts of Honor, Scout Sabbath Services and other special programs have highlighted Scouting's 42nd Birthday Anniversary during the last two or three weeks.

Most of the celebrations were held during the official Boy Scout Week period of February 6 to 12. Each of the local Council's 1,148 Units (Cub Packs, Scout Troops or Explorer Posts) planned to hold a birthday party of its own to celebrate the Incorporation of Scouting on February 3, 1910, and the Federal Chartering of Scouting by Congress on June 15, 1916.

Nationally, Scouting's membership is over 2,900,000 Scouts and Leaders, by far the largest of the 47 different countries which endorse Scouting and are members of a World-Wide International Scout Bureau. None of the so-called "iron curtain" countries now has Scouting—as one of the first decrees of any totalitarian power is to banish Scouting and similar democratic and patriotic movements.

Since 1910, more than 19,000,000 American boys and men have been identified with the Boy Scouts of America. The Detroit Area, recognized as the "Arsenal of Democracy," also has the largest Scout Council in the nation. Local membership as of December 31, 1951, included 40,836 Scouts, 12,881 Leaders for a record total of 53,227 registered members. These 12,881 volunteers gave 2,165,320 hours of service to Scouts in this Council during 1951.

Boy Scout Week 1952 witnessed the official announcing of a Three-Year Program known as "Forward on Liberty's Team." Twelve outstanding Eagle Scouts, chosen from across the nation, took part in ceremonies at the

White House on Friday, February 8, when President Truman greeted them to receive a scroll stating the broad objectives of the new Three-Year Program.

Later, these Scouts go to Independence, Hall, Philadelphia, to participate in a nation-wide radio program. Scouting's major National Good Turn during 1952 will be a campaign to "Get-Out-the-Vote." Local Scouts will place on each door knob of Detroit's three-quarter million homes a cardboard hanger in the form of a Liberty Bell.

Locally, during Boy Scout Week, district finance committees were organized for the Council's Annual "Sustaining Member" Campaign. At least 12,000 new adult members are needed to sustain the Council's continuing membership growth and field services to existing chartered institutions and volunteer leaders. All nine District Finance Chairmen have been recruiting team captains and workers since the first of the year.

Flyers Make It 13 Straight By Defeating St. Mary's Five

By Fred Runnells

Coach Eddie Lauer was lifted high on the shoulders of a victorious basketball team and carried from the Neighborhood Club court amid the hilarious cheers of the loyal St. Paul fans who jammed every nook and corner of the local gym last Friday night, February 15, to see their undefeated team subdue St. Mary's of Mount Clements, 52 to 42.

The victory not only gave the Flyers undisputed possession of the East Side Second Division title in the Parochial League but set a new consecutive winning mark of 13 games without defeat and the school's first undefeated season in years.

Fight Off Threats
For 30 minutes and 40 seconds St. Paul's "Iron Men," Glenn "Smookey" Walters, Jack Trombly, Pete Schumm, Ed Lynch and Timmy Champine, fought off the threats of the St. Mary's quintet before Schummer was ejected from the game with five personal fouls. At that time the Flyers had a precarious five point edge and the St. Paul fans nudged a little closer to the front of their seats in anxiety.

Coach Lauer sent in an able replacement in red-headed Bob Barrett for his lost Iron Man and Barrett played a good defensive role for the final few seconds of the contest.

First Quarter Hectic
The contest was a touch and go affair for the first quarter with the lead changing hands five times and being tied on three occasions. The Flyers moved into a two point 13 to 11 advantage as the horn sounded ending a wild initial period.

Walters and Trombly single-handedly whipped the visitors, scoring 46 of the Flyers' 52 points. Walters notched 25 points while Trombly followed close on his heels with 21. This was the greatest two man show we have seen in a good many years.

Walters Really Hot
Walters was the big gun in the Flyers' attack for the final two periods when he caged 19 of his 25 point total. His greatest effort came when the chips were down in the final quarter. The St. Mary's quintet collected a total of 13 points in the final stanza. Walters swished 11 points in the same period.

Although the score sheet shows the Flyers outshot St. Mary's 18 to 17 in the field goal department, actually the true picture of the victory appears in the foul shooting department. St. Paul's made good on 16 of 24 free throws as compared to St. Mary's 10 of 23 charity tosses.

Trombly Best on Fouls
Jack Trombly showed the way for the Flyers from the foul line, sinking 7 of 9 tries. His teammate Walters was just a shade behind him being successful on 7 of 12 free throws. More important, Trombly's foul shots came at crucial points of the contest and on three occasions his free throws put the Flyers in the lead and another time it was his charity toss that deadlocked the game at 11-11 in the first period.

End Brings Bedlam
As the final horn sounded ending the fray the Neighborhood Club became a bedlam of confusion as the happy St. Paul fans pummeled one another and the dejected St. Mary's squad trudged

Reserves Win Over Fordson

The Grosse Pointe reserve basketball team took a 46-41 decision from Fordson in an overtime game on the local court last Friday, February 15. It marked only the second defeat suffered by the Fordson reserves this season.

The score was deadlocked, 11-11, at the end of the first period. In the second quarter, the four baskets by Bill King were not enough to keep the Tractors from taking a 24-21 lead.

The third stanza was an entirely different story as the Blue Devils pulled into a 34-33 lead. The final period was the same story as the first and the two teams emerged in a 41-41 tie at the end of regular play.

The contest then went into a three-minute overtime period in which the Blue Devils clinched the game. The five points gained by Grosse Pointe in overtime, while they held Fordson scoreless, came on a free throw by John Taylor, two by Dick Spindle and a field goal by Bill King.

King tallied 16 points to lead the Pointers in the scoring department. His teammate, John Taylor was second in this department with a total of 14 points on six field goals and two free throws.

Devils Lose To Tractors

By Fran Furtaw

The Grosse Pointe varsity cagers lost a close, 47-42, decision to the Fordson Tractors on the local court last Friday, February 15. The loss marked the second time this season the Blue Devils have bowed to the Tractor quintet from Dearborn.

The Blue Devils started out fast and Fordson could not get organized. The Pointers took the lead 17-10 at the end of the first quarter but faltered and dropped behind 24-25 at halftime.

From then on the going was rough for the local cagers and they were barely able to keep pace with the Tractors. At the end of the third period Fordson held a 39-36 lead and went on to win by a five-point margin.

High scorer of the evening was Bill Scruch, the Tractors' replacement for Bob Greener, who they lost through mid-year graduation. Grosse Pointe was paced in the scoring for the second straight game by Pete Wardle who collected 13 points. His teammate Jack Smith swished in 11.

Potluck Supper Held

Cub Scout Pack 96 of the Grosse Pointe Memorial Church celebrated the 42nd birthday of the Boy Scouts with a pot-luck supper held at the church on February 19.

The families of the Cub members and their friends were invited to attend.

These are the lads who have carried the colors of St. Paul High School through 13 straight basketball games this season without a defeat. Substitutions have been mighty scarce and these boys have played practically every minute of every game. Left to right, back row: JACK TROMBLY and GLENN WALTERS. Front row, left to right: PETE SCHUMMER, CAPT. ED LYNCH and TIM CHAMPINE.

Undefeated Fordson Tankers Defeat Blue Devil Swimmers

By Fred Runnells

Undefeated and title-bound Fordson hung a 49 to 35 defeat on the Grosse Pointe Blue Devils swimming team last Friday, February 15, in the local pool and set itself up for a showdown meet with defending champion Royal Oak* this week.

The Tractors, under the guidance of likeable, blond Gus Stieger, former University of Michigan swimming star, have rolled over every Border Cities League opponent to date but Coach Stieger isn't at all sure his charges can trip up the Acorns in the show down meet.

Fourth Defeat

The defeat was the fourth of the season for coach Frank Banach's squad and firmly lodged the Devils in third place in the BCL race. Coach Banach figures the Devils can finish the season without another defeat as they meet Wyandotte and Highland Park in that order. The Devils hold a decision over Wyandotte and they hope to repeat in their meeting on Friday, February 22, in the Bears' pool.

The Fordson meet was never in doubt although Coach Stieger confessed after the meet that he couldn't control the butterflies in his stomach before or during the meet. That's the penalty a winning coach has to pay I guess.

Only Led Once

The Devils only led once during

the contest and that was made possible when Tony Pear and Stue Smith finished one-three in the opening event, the 40 yard free style.

The only other first places the Devils captured came in the diving event, which was won by Bruce Crowley by 2 and one tenths points and in the final event, the 160 yard speed relay. It was the combination of Pat Burke, Bob Wibleman, Bill Morrison and Stue Smith that turned the trick and gave the capacity crowd of Blue Devil fans something to cheer about.

Repeat Old Score

The victory in the 160 yard relay added a twist to the meet. It enabled the Devils to score the exact number of points in this meet that they scored in the first meeting between the two schools earlier in the season.

Devil fans speculated that if the Devils had had the services of graduated Robin Hesse they could have won this one and really made a rat race of the final meet between Fordson and Royal Oak for the title.

Inter-Church Basketball League in Three-Way Tie

By FRED RINNALLS The Woods Presbyterian basketball team upset the apparent favorite of the Inter-Church basketball league last Saturday, February 16, at the High School, when they dropped the undefeated St. Paul Longhorns quintet, 46 to 41, to create a three-way tie for first place as the eight teams climaxed the first round of the schedule.
