The purpose of the code is "co-operatively to maintain a level of television programming which gives full consideration to the educational, informational, cultural, economic, moral and entertainment needs of the American public to the end that more and more people will be served."

To Cite Obligations Mr. Walbridge will discuss how the television broadcaster can best fulfill his obligations "to bring his positive responsibility for excellence and good taste in programming to bear upon all who have a hand in the production of programs."

The members of the Motion Picture Council and interested citizens feel that they, too, have a responsibility to voice their criticism to representatives of the industry. At the meeting the needs, interests and reactions of the public will be presented.

Those interested and who wish to attend may phone Mrs. Frank Seydler, TUxedo 2-7413, for reservations. Since the seating capacity of the Trombly auditorium is limited, requests will be filled in the order they are received. There is no charge.

\$200 Contest Announced By Property Owners Group

The Grosse Pointe Property Owners Association announces a contest open to all Grosse Pointe residents, 12 years of age and over. The association is asking for suggestions on "How to Beautify and Protect the Grosse Pointe Communities." These are to be set forth in 300 words or less, with brevity being a factor of the contestant.

The essays will be judged by a committee comprised of a number of the board of directors of the association. All constructive and worthy suggestions will be filed in the association's office and an attempt will be made to carry these suggestions as time permits.

"It is believed that the best way to make living in Grosse Pointe more enjoyable for you, is to have you tell us, what can be done on a community basis to further that common objective," say association officials.

Rules governing the contest will be available in shopping centers and common meeting places throughout Grosse Pointe.

In this issue of the Grosse Pointe News, there is an advertisement announcing the contest.

and more information regarding participation. There will be prizes totaling \$200.00 awarded to 24 winners; \$50.00—1st prize, \$25.00—2nd prize, \$15.00—3rd prize, \$10.00—4th prize. This contest will run from April 17 through May 18.

Good luck to you in this contest.

publicize this worthy project and to watch Grosse Pointe newspapers for further details and announcements.

Letters have also gone to Kiwanis Club, Lions, Optimists, Rotary, Grosse Pointe Business Men's Association, Grosse Pointe Real Estate Association, Grosse Pointe Community Council and Grosse Pointe Property Owners' Association, stating the same facts and asking for financial support.

The Board of Education has been approached for its support and posters arranged for. The Boy Scouts and Hi-Y's will again cooperate. The Goodwill Industries will be ready for any pickups.

Arm bands will be worn by Scouts, and citations given to all participating.

Grosse Pointe has coordinated its dates for the drive with the City of Detroit. The Cities of Harper Woods and St. Clair Shores have been asked to participate and have agreed.

More than 1,000 sets of the General Motors Driver Education Film Series have been purchased by Chevrolet dealers for donation to high schools. The 1,000th order came from a Rhinelander, Wis., dealer.

Public Asked to Lend Aid to Furnish Library

(Continued from Page 1) commissioned to plan the furnishings. This will give a unity of design that will contribute greatly to the beauty and usefulness of the new library.

Floor plans include a large two-story reading room, a well-equipped reference room, a reading room reserved for adults, a second floor meeting room that will seat 135 people, a conference room for smaller groups, as well as office and work rooms. The building incorporates the most-up-to-date library planning, is arranged for the greatest convenience of its users, and makes exceptionally efficient use of staff personnel. There will also be off-street parking facilities.

Many New Opportunities The Friends of the Library feel that this outstanding addition to the system gives those interested in the Public Library a remarkable opportunity to make Mr. Ferry's magnificent gift of ever increasing service to the community. Through the years, Grosse Pointe library facilities have been so limited that there has been no space for additional books or equipment, and therefore little opportunity for special gifts. The completion of the new central library opens up new opportunities.

The basic furnishing job can be enhanced by gifts which would permit more beautiful and more useful results. Several of the gifts have already been directed toward assuring fulfillment of the magnificent furnishing concept by the building itself.

Need 50,000 Books. Furthermore, it will take 60,000 new books to bring the system up to standard. This can be done with public funds only over a period of many years. These books are needed now. It is hoped that gifts from clubs and individuals will speed this program.

How Citizens Can Help The friends of the Library feel that it is important to keep the community informed of needs,

and to point out how citizens can help. Charles A. Parcells, Jr., of the Friends, has arranged for Friends and library staff members to be available to discuss opportunities for gifts, and asks all interested to call Mr. Orr at the library, Valley 2-2336, for arrangements.

The beautiful new Central Library building will be a realization of 23 years of working and planning to give Grosse Pointe the kind of public library it deserves. With the Park Branch, a wing of the Pierce Junior High School, built in 1939; the Woods Branch, a wing of the Parcells Junior High School dedicated in March of this year; and the Shores Branch, Grosse Pointe residents will have a library system of which all can be justly proud.

have been provided in case of an emergency.

United States engineers have determined 581 feet as the extreme level of protection. All dikes are being built to that level. Lane cited that the waters have maintained a constant level during the past week within tenths of a foot. The elevation recorded Monday was 577.3 feet.

Have Disaster Plan The Park's food disaster plan includes the aid of volunteers, the OCD, and ham radio operators. Already necessary equipment has been inventoried. An appropriation of \$50,000 has been approved for the emergency situation; although it was estimated that an expenditure of only \$4,000 to \$5,000 more may provide adequate protection.

It was warned that aside from the destruction that may come from the lake directly, the main threat exists in the overflow of Fox Creek. On the Park side of the creek, embankments have been elevated to 581 feet. The city of Detroit has undertaken that construction, but many Park residents complained that it was inadequate, that it appeared "amateurish."

Offered City Funds Spokesmen for the city council explained that they had requested permission to do the job. However, that area is not in their jurisdiction. In addition they have offered funds to the city to give better protection.

The normal water elevation over a period of years is assumed to be 573 feet. A maximum of 578.35 has been predicted for this year.

More than 1,000 sets of the General Motors Driver Education Film Series have been purchased by Chevrolet dealers for donation to high schools. The 1,000th order came from a Rhinelander, Wis., dealer.

Although there is probably nothing more typically American than "Yankee Doodle," the music and original words were not of American inspiration. The British composed the song as an expression of their amusement at the awkward-looking American recruits who poured into camp in 1775. Instead of being abashed, the Americans adopted the tune, added their own words, and proceeded to sing it with gusto.

Paul Rowe Takes Over Woods Reins

Expresses Confidence in City In Inaugural Address Before Councilmen

Mayor Paul W. Rowe of Grosse Pointe Woods, elected without opposition on April 7, was inducted at a special council meeting of the City Monday night, April 14. His inaugural address, delivered at this meeting, follows in full.

In opening this new year of city government, I want to point out that our task has been made immeasurably easier by the work of Commissions and Councils, on which most of you were members, who have worked at this council table in the preceding 15 years of our Village and City Government.

Phenomenal Change

Looking over Grosse Pointe Woods and comparing it with Lochmoor of the late 30's, a gradual change has taken place which is phenomenal compared with a number of suburban communities who did not have the desire to, nor take advantage of the opportunity to improve during their period of rapid growth, and are now bogged down in actual mire resulting from their failure to take these necessary steps.

residential street has been paved with the exception of two or three which will soon be in the process. Sanitary and storm drainage has been provided for all. The septic tank problem is eliminated. A new water supply has been provided insuring more adequate water pressure.

Park Nears Completion
The Lake Front Park is now well along the road to completion and is providing a great source of recreation and pleasure for both children and adults.

All of these accomplishments and others too numerous to mention, it is now our duty through our City Administrator to keep in good repair and functioning most efficiently. I don't suppose there is a city anywhere in this country, no matter how well planned, that doesn't have problems of improvement and adjustments facing it, and we have our share.

Cites Sewer Problem
With our geographical position such that our sewers must be below lake level, we have a constant battle to keep the elements out of our basements during flash rainstorms. Although steps are being taken towards the development of a Grosse-Gratiot Drainage System, the same may be several years away, and it is up to us to see that our present storm water pumping system is operated at peak efficiency, and if necessary extra equipment must be added during the interim period.

Wants Park Developed
Seven years ago we purchased a park site West of Mack between Huntington and Kenmore avenues. It was a good investment for this community. However, because of expenditures made at the Lake Front Park Site, we have done very little toward the development of our inland park.

Now that most of the major improvements have been made at the Lake Front Park site, our attention should be turned toward a master plan for our inland park and some action should be taken this year to get the work underway. Due to the rising water level of Lake St. Clair we must carefully guard our investment at the Lake Front Park from damage by storm and high water.

Because of our rapid growth the personnel and equipment of our Police, Fire, and Public

Works Departments should be reviewed and additions prudently made wherever necessary.

Asks for Streamlining
On the operation and functioning of the Council, it has been my observation and I am sure yours, that at times too many routine matters are placed before this body, thus taking away from the time that we should necessarily devote to overall policy.

In view of this, I ask that if it meets your approval, cases of this nature, which cannot be settled by the Administrator, first come before a review board consisting of one member of the Council, the City Administrator and the City Attorney, and that this board submit to us a brief of the pertinent facts so that a decision can be made without any unnecessary delay.

Seeks Cooperation
Unless changed, the conduct of our meetings here will be based on the rules of order used in the past as provided by the Charter and Robert's Rules of Order, and I earnestly solicit your cooperation to the end that they may be carried out with the utmost expediency and decorum.

In the field of City Administration, as you know, the Charter outlines the chain of authority from the Mayor and Council to the City Administrator who is your hired public servant, and thence from the City Administrator to the various department heads who are responsible for the many functions to keep the City efficiently operating.

It is difficult for any man to serve more than one supervisor. In view of this it is necessary that there be the utmost cooperation between the Administrator and the Council, and in turn the same cooperation between the Department Heads and the Administrator.

Must Settle Budget
We have all received a preliminary copy of the budget for the next fiscal year. In the weeks immediately to follow and before May, we must review, hold a public hearing, and adopt a budget which should be adequate to operate the City, make minor capital improvements, and I hope, and trust, not raise the tax above the \$15.00 to \$16.00 average that we have maintained for so many years.

Gentlemen, you are this city's governing body; these are some of our major past accomplishments and our present problems. With your sound ideas blended with those of the Administrator, City Attorney, and Consulting Engineer, I have faith that we will have a successful year.

Thank you.

A. G. Denison Appointed To Post at Parke-Davis

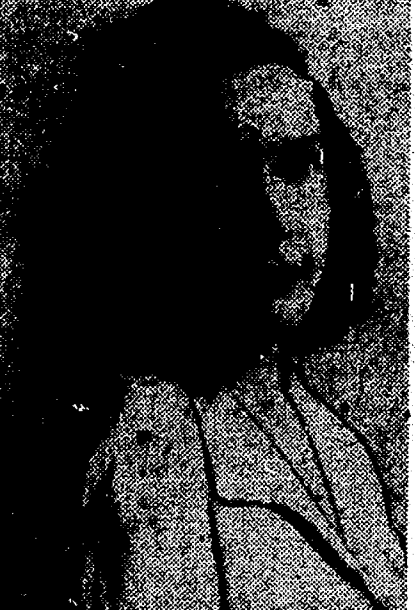

Harold K. Daniels, personnel relations director of Parke, Davis & Company, has announced the appointment of A. G. Denison, 48, as director of labor relations.

Denison, who already has taken over his new responsibilities, came to the pharmaceutical firm after nearly four years with Murray Corporation, where he was director of personnel relations.

Previously, Denison had spent about 18 years with Packard Motor Car Company, winding up as manager of industrial relations and assistant secretary and assistant treasurer.

Born July 27, 1904, at Washington, D.C., Denison lives in Grosse Pointe, is married and has two children, George, 17, and Gerry, 11.

New Teacher

FAITH HALFYARD, aged 29, of Cambridge, Massachusetts, has been appointed by the Grosse Pointe School Board to a teaching position at the Parcells Junior High School. Beginning next fall she will teach English to students of the seventh, eighth, or ninth grades.

Miss Halfyard was graduated from Wellesley in 1945. She later attended Cornell University, and currently she is working toward her MA in Education at Harvard.

She served as graduate assistant in the School of Business Administration at Harvard for the past three years. She also has had two years teaching experience at the Willard Day School in Troy, New York.

Cook Road Pave Costs Divided

The council of the City of Grosse Pointe Woods confirmed the assessment roll for the paving of Cook road from Mack to Chalfonte at the regular meeting Tuesday, April 8.

The council directed the city assessor to prepare the assessment roll on March 17. It was submitted for review on April 8.

The total cost of the project was estimated at \$33,000. A donation of \$5,800 was volunteered by the Rural Agricultural School District No. 1, of Grosse Pointe Township. The Woods will contribute the sum of \$7,758.13, and the balance of the estimated cost, \$19,841.87, is to be raised by special assessment tax.

The city treasurer has been directed to issue his warrant for collection of the first part of the assessment within 90 days after April 8. The remaining nine parts will be collected yearly, after that period, provided that the first installment or more is paid within 60 days, without interest, as of April 8.

The project is expected to be completed by the end of the summer.

Hugh Harris Jose Fatally Injured

Hugh Harris Jose, aged 61, of 12191 East Outer Drive, Detroit, was killed Thursday night, April 10, at 8 p.m., when he stepped off a bus at Bishop road and East Warren and was hit by a passing car. Jose was crossing the street to a florist shop to buy Easter plants. He was dead on admission to Cadieux Hospital.

Funeral services were held April 14 at the Verheygen Funeral Home. Interment was in Forest Lawn Cemetery.

He is survived by a brother, Frederick R. Jose, 421 Cloverly, and two children, Robert Stewart and Donna Marie.

Admits Taking 50 Newspapers

John Klem, of 285 Lothrop, told Grosse Pointe City police that shortly after 5 p.m. on April 10, two boys in a car pulled up to the corner of Charlevoix and University and drove off with a bundle of 50 newspapers that Klem was delivering.

Patrolman Fields of the Grosse Pointe Farms police stopped a car that answered the description given by Klem on Grosse Pointe boulevard near Kerby road.

Three juveniles and 17-year-old James Donovan, of 5562 Lakewood avenue, Detroit, were turned over to the City police. After questioning at the police station, one of the juveniles admitted having jumped out of the car and taking the papers.

As yet there has been no disposition of the case.

St. Clair Shores Drainage Aired

A surface drainage system for St. Clair Shores was the principal topic on the agenda at this month's meeting of the East Side Group, a territorial division of the Builders Association of Metropolitan Detroit, and composed of builders operating on the East Side of Detroit's Metropolitan area.

According to Earl C. Doyle, executive vice president of the Builders Association, definite plans on meeting St. Clair Shores' drainage requirements were made.

Several representatives from St. Clair Shores were on hand at the meeting, including: Milton Sicileste and William Warfield, members of the City Council; Lloyd Lolmlaugh, Building Inspector; Erben Williams, Plumbing Inspector, and John Koepsell, Electrical Inspector. George Koopman, St. Clair Shores' new City Engineer, who took office April 14, also came down from Grand Rapids to attend the meeting.

As outlined by Doyle, good progress was made on the drainage system and evidence of close cooperation existed between the municipal representatives and the East Side members.

Edward W. Pratt, president of the Builders Association, also attended the evening affair and spoke on the responsibility of both builders and municipalities in furthering projects for civic improvement.

The meeting was held at Howard Johnson's in Grosse Pointe. Presiding officer was A. W. King, John Leegstra, chairman of the group's St. Clair Shores Committee, introduced the guest.

Foggy Window Causes Accident

Louis Jacob, 21922 Pleasant avenue, St. Clair Shores, backed his Ford truck away from the curb in front of Penrod's Barber Shop on Mack, April 12, and hit

ing lot. She saw Jacob backing toward her and blew her horn. Jacob told police that he was not able to see anything because the rear window of the truck was fogged. He received a ticket for not having his car under control.

P.E.O. Annual State Convention Attracts Pointers to Saginaw

Delegates from 79 chapters of P. E. O. Sisterhood in Michigan traveled to Saginaw for the thirty-third Annual State Convention being held April 17, 18 and 19 at the Hotel Bancroft. There are 38 chapters represented from Detroit, Chapters I and J of Detroit and Chapter AO of Grosse Pointe are hostess chapters for the convention along with Chapter AS of Saginaw.

The convention theme for this year is "The Symphony of P. E. O.". Mrs. Ray Lancaster, state president, has been busy making convention plans with the convention chairman, Mrs. Arthur Smith of Chapter AO. Mrs. P. F. Morse, Chapter I, Mrs. John Maier, Chapter J, and Mrs. R. A. Hart, Chapter AS, are chairmen of the hostess chapters.

The P. E. O. Sisterhood is an educational philanthropic and social organization comprising over 108,000 members in the United States, Canada and Hawaii. The Sisterhood has grown from a society of seven girls who founded P. E. O. on the campus of Iowa Wesleyan College, Mount Pleasant, Iowa, in 1869.

P. E. O. owns and operates Cottey Junior College in Nevada, Mo. Its Educational Loan Fund has loaned over \$4,000,000 to nearly 10,000 girls. At present the organization has 25 International Scholarship girls furthering their education under its

grants at different colleges and universities.

Thursday evening the convention will hear Mrs. Charles S. Fisher, the first vice-president of the State Chapter, conduct the Educational Hour on Cottey College.

Friday afternoon the convention will assemble to hear Mrs. J. B. Tomhave, first vice president of the Superior Chapter from Montevideo, Minn. She will talk on "This You Can Do."

For the B. I. L. banquet on Friday evening, when the husbands are entertained, the guest speaker will be Mrs. William Rorke of Saginaw, author, lawyer and housewife. She will speak on "The Man of the House."

Other state officers participating in the convention will be Mrs. S. H. Lytle of Saginaw, the second vice president; Mrs. M. H. McCormack of Flint, the state organizer; Mrs. G. E. White of Grand Rapids, the recording secretary; Mrs. M. Easley of Ferris, the corresponding secretary; and Mrs. P. E. Landbeck of Detroit, treasurer.

Public Asked to Open House At Country Day-DU Schools

The Parents' Association of the Grosse Pointe Country Day School and the Detroit University School is sponsoring an Open House at the Schools on Tuesday, April 22, between the hours of 7:30 and 10 p.m.

Everyone is cordially invited to inspect the school and meet the teachers who will be present to greet visitors and explain the program. Outlines of the curriculum, samples of the children's work, and various displays will point up the unique features of the independent school program.

Members of the association will be on hand to act as hostesses and to serve refreshments.

The Parents' Association welcomes the opportunity to open the schools, as they are sure that in this growing community there are many families who are not familiar with them, and some who may not be aware that there are two very fine independent schools in the neighborhood. For this reason they hope that many people will be their guests on this occasion.

While the schools are in separate locations, their students engage in many activities together, and they are administered by one board of trustees. John Chandler, Jr., formerly assistant dean for upper classmen at Yale College, came to the schools as headmaster in 1949. He is responsible to a great extent for the forward progress the schools have made in the past few years, and for their high academic standing.

Mr. Chandler was graduated from Yale University in 1942. He then served with the United States Navy for three and a half years and afterwards returned to Yale as Assistant Dean of Yale College. While serving in that capacity, Mr. Chandler worked toward his Master's degree in Education. It was awarded to him in 1949.

In July of that year, he moved to Grosse Pointe with his wife and three daughters. The girls attend Grosse Pointe Country Day School, ranging from Nursery School to the third grade. The Chandlers now make their home at 51 Grosse Pointe boulevard. Mr. Chandler is 31.

Grosse Pointe Country Day School, 43 Grosse Pointe boulevard, one-half block east of Fishers road, includes the Nursery School for three and four-year-old children, the lower school for boys and girls through the third grade, and grades four through 12 for girls.

The Detroit University School, located at the end of Cook road which runs south from Mack and Eight Mile roads, provides the fourth through 12th grade for boys.

For further information call DUS, TU, 5-4040 or Mrs. Alexander Wiener, TU, 2-8669.

Launch Drive For Cathedral

The beautiful Cathedral that is rising on the highest hill in the Nation's Capital rang with the music of the Washington Cathedral Choir of Men and Boys on Easter morning. Millions of Americans watching their television screens viewed this celebration.

Most appropriately, the following morning, Easter Monday, April 14, marked the opening of the annual membership drive, announced Mrs. Frederick Clifford Ford, of Bishop road, regional chairman of the National Cathedral Association of Eastern Michigan.

The slogan this year is "Every Member-Find-A-Member." Letters have been sent to all current members, asking them to find a new member to join the Cathedral fellowship of friends.

As the unfinished National Cathedral has no supporting congregation, the building and maintenance is accomplished by the generosity of Americans all over the United States. This shrine of beauty and service is visited by thousands of tourists yearly. It is a spiritual home where the doors are open to all people each day of the year, and is the setting for great national services and memorials.

Supporting Mrs. Ford in this year's campaign are the officers and chairmen of the Michigan Association who include: Miss

Frances Sibley, honorary chairman, Mrs. Rothe Farr, Mrs. Harry Finkenstaedt, Mrs. J. Milton Robb, Mrs. C. B. Phelps, Jr., Mrs. Charles Ellis, Mrs. H. Ray Will, Mrs. Frederick Campbell, Mrs. Waldo Granse, Mrs. John G. Mateer and Mrs. John B. Ford, Jr.

Membership is open to all men and women and includes a subscription to the quarterly magazine "The Cathedral Age" which gives current news of the Cathedral as well as excellent articles written by eminent people. These memberships vary from small contributions to large gifts to be used for the purchase of Cathedral Building Stones and arches and bays. Some are given as memorials, some as expressions of Thanksgiving for a special event.

Among the many Grosse Pointers who give generously of their time and talents for this splendid cause are: Mrs. J. Clemens Kolb, Mrs. Truman Brown, Mrs. Alexander Wiener, Mrs. William H. Herbert, Mrs. Ferdinand Cinnell, Mrs. Wood Williams, Mrs. Wendell Wheelock, Mrs. Beresford Palmer and Mrs. Lynn McNaughton.

The "Every Member-Find-A-Member" drive will run into May, at which time Mrs. Ford will be leaving for Washington to attend the three day annual meeting, when reports on the campaign will be given and plans made for the coming year.

Will Attend Conference Of AAUW in Grand Rapids
Traveling to Grand Rapids as Grosse Pointe delegates to the Northeast Central Regional Conference of A. A. U. W. on Friday and Saturday, April 25 and 26, will be Mrs. Edward F. Gehrig, Mrs. James G. Morrison, Mrs. M. L. Van Dagens, and Mrs. H. F. Vieweg.

MRS. PEEK'S DIARY:

One of the youngest reporters on record went out on her first assignment this week.

Eleven-year-old Mary Jo Olp, daughter of Mr. and Mrs. M. Robert Olp, of Harvard road, took an assignment from us and returned with her story in such a short space of time we're afraid the Editor will hear about it and we'll be relegated to numbering the pages.

You'll see the story in a future column... but we wanted to tell you Mary Jo also has reminded us that the pen is mightier than the sword... proving at the same time that she is a writer of stature.

Mary Jo's Mighty Pen

She penned two notes to New York... and within three days presented her mama and papa with tickets to two Broadway shows that have been sell-outs for weeks.

Asked for the formula that could wrest such choice seats from hardened Broadway ticket sellers Mary Jo said she "just wrote, that's all."

However, one sentence, she let drop, might have been part of the magic: "I am just eleven years old and I should like good seats because it's difficult for me to see over big people's heads."

That subtle wording... now we might have said "over people's big heads."

The cutie attended the Detroit Athletic Club father and daughter luncheon with her father last Saturday (Mr. O. coming away with a distinct impression that without exception all daughters look just like their fathers except they aren't bald headed).

Some of the other Pointes who were present for the annual fun were A. D. Macpherson and his daughters, Mrs. Robert Gray and Mrs. Theodore Templeton... David Mitchell and his daughter, Mary... John Langs and his daughter, Patsy... John D. Bayne with his daughter, Angie.

Barbara Boothe Wed At Evening Ceremony

Daughter of Mrs. Morrison Boothe of Nottingham Road Marries George David Armstrong Jr. April 9 in Grosse Pointe Congregational Church; Leave for Eastern Trip

The young George David Armstrongs, Jr., are spending early Spring in the East following their wedding Wednesday (April 9) in Grosse Pointe Congregational Church.

Mrs. Armstrong was Barbara Helen Boothe, daughter of Mrs. Morrison Boothe of Nottingham road, and the bridegroom is the son of George D. Armstrong of Chatsworth avenue.

A reception in the church parlours followed the lovely candlelight ceremony which was performed by the Rev. H. Norman Jackson of the Wy-andotte Congregational Church.

The bride was gowned in gleaming white satin and Chantilly lace. A slim bodice finished with shawl collar appliqued in roses from the lace was attached to full satin skirt which fell ankle length. A tri layer of nylon net billowed over the skirt.

Barbara's fingertip length veil of imported French silk illusion fell from a bridal circlet of lilies of the valley and she carried a bouquet of white roses, camellias and lilies of the valley.

Marcia Boothe was her sister's maid of honor. Her frock of April blue Italian cotton lace over taffeta had full, circular skirt. The halter bodice was concealed by a wispy lace bolero in the soft blue and she wore a Juliet cap of violet velvet leaves. Her flowers were in a Colonial bouquet of violets centered with deep pink roses. White gloves completed the outfit.

The quartet of bridesmaids wore similar frocks carrying bouquets of all violets. They were Carolyn Rathburn of Battle Creek, a cousin of the bride; Patricia Hosmer, Rae Garber and Myrna Troders. A miniature of the "grown up" bridal attendants was three year old flower girl Sandra Lee Smith, daughter of Mr. and Mrs. Dudley Smith of Nottingham

road. Even her bouquet of violets had pink roses like the honor maids.

Robert Armstrong performed the duties of best man for his brother and honor groomsmen was Joseph Middleton. Ushers were Richard Bloom of Saginaw; Edward Stanze and Leonard Seale of Birmingham.

For the evening wedding, Mrs. Boothe donned a Jacques Fath gown of jewel blue tissue taffeta, its simplicity relieved by single deep pink rose. Her chapeau of silk rose petals was fashioned in complementing tone and her flowers were pink roses.

Following the church recep-tion, the Armstrongs left for their wedding trip in the East. The bride traveled in a sheer wool suit toned in benedictine with matching hat which boasted a decorative pink rose. Her blouse was pale pink and she carried a top coat of the same shade wool.

Among out-of-town guests here for the wedding were Mr. and Mrs. C. J. Morrison of South Bend, Ind.; Mr. and Mrs. David Henning Rathburn of Battle Creek; Mrs. Marvin Wilson, Mrs. Irving Hunter, Miss Marilyn Hunter, Mrs. Edward Austin, and the Misses Elinor and Marilyn Armstrong, all of Medina, N. Y.

Easter Lilies Bloom For Pointe Wedding

Barbara Elaine Hall, Daughter of Mr. and Mrs. William Hall, Speaks Vows With Richard David Terepin in Setting Of Easter Lilies at Memorial Church

Cathedral towers were lighted at the Easter Lily banked altar of Grosse Pointe Memorial Church Saturday for the 4 o'clock wedding of Barbara Elaine Hall and Richard David Terepin.

Following the ceremony the bride's parents, Mr. and Mrs. William Barnett Hall of North Renaud road were hosts to the guests at a reception in the church parlors.

The bridegroom is the son of Mrs. Katherine Terepin of Buffalo, N. Y. Barbara's bridal robes were designed of imported candlelight Chantilly lace and net and taffeta.

The molded bodice, which had long fitted sleeves extending in points over the hands, had scalloped sweetheart neckline. A floor length skirt contrived of tri layers of taffeta over silk net over Chantilly lace was parted at the front waist to sweep into a frothy cascade at the back of the gown. The fingertip length veil of French silk illusion was secured by a tiny Chantilly Juliet.

The bridal prayer book of Barbara's sorority (Pi Beta Phi to which she belonged at Michigan State College) was topped with white orchids and stephanotis and "loaned" for the wedding in Pi Phi tradition.

Assisting her sister as maid of honor, Nancy Faye Hall wore a waltz length frock of candlelight and Nile green net over candlelight taffeta. Tiny cap and mits of the net completed her costume and she carried a Colonial bouquet of Pinnocchio (peche touched pink) roses.

The bridemaids were similarly attired and included Janet Eckfeld, Patricia Gilpin and Phyllis Davidoff.

Raymond H. Terepin came from Ithaca, N. Y., to be his brother's best man and the groomsmen included Ralph C. Smith, Charles T. Lanigan and E. Allen Friewald.

Ice blue shantung taffeta in street length mode was chosen by the bride's mother who topped her costume with pink petalled hat touched with ice blue tulle. Her flowers were Pinnocchio roses.

Mrs. Terepin's streetlength navy silk redingote gown had long sleeves and was worn with white straw chapeau banded in tiny white Spring blossoms.

When the young Terepins left on their wedding trip to Washington, D. C., and Williamsburg, Va., the bride donned a two piece soldier blue suit with pale pink straw bonnet, the brim of which was embroidered in tiny matching bugle beads and shells.

When they return they will make their home on Marlborough avenue in Detroit.

Following the reception, Mr. and Mrs. Hall were at home to

Pointe Theatre Planning Party

Grosse Pointe Community Theatre plans to end the 1951-52 season with an informal theatrical evening at the Kerby School on Saturday, May 3 at 8 o'clock. Anyone and everyone interested in any phase of the theatre is invited. Tickets at 60 cents may be obtained from a member of the group, from Mrs. Arthur Bull, TU. 5-7688, or at the door.

Those attending will have a chance to meet the chairmen of the various committees such as production, costume, make-up, and properties, who plan to have an exhibit of the work done by their committees on display.

The hospitality committee for the evening, headed by Dorothy Sinclair, plans to have a corps of hosts and hostesses on hand as well as an abundance of delicious refreshments and two one-act plays will climax the evening.

Rae Bambas is directing the two plays which are "Period House" by Walter Pritchard Eaton, head of the playwright school at Yale University, and "The Man in the Bowler Hat" by A. A. Milne.

Assisting Mrs. Bambas on "Period House" is John Wilson, who will be remembered for his hilarious portrayal of Fred in "John Loves Mary," and his wife Carol. Included in the cast are Jean Reid, Lou Wertz, Clark Wells, Hervey Parke, Jill Erskine, Joanne Karnitz, Donald Genter, Maryanne Genter and Lois Gehrig.

Betty Cook is assisting Mrs. Bambas on "The Man in the Bowler Hat" and included in the cast are Karl Dumas, Jack Sinclair, Dean Erskine, Stan Sharpe, Jean Sandish and Elmas Baldwin, and John Dykema.

Pointe High Mothers Plan Big Bridge Party

Grosse Pointe High School Mothers Club To Give Party In Girls Gym April 25 to Swell Scholarship Fund; Over 200 Door Prizes To Be Awarded

A special sanction for those who take their cards seriously and Mackinac Fudge are just two of the many ideas that have gone into the plans for the big Spring Bridge Party being given April 25 (a Friday) in the Girls' gymnasium of Grosse Pointe High School by the Mothers' Club. Club members believe this will be the best-attended bridge party ever and the doors will open at 1 o'clock party day.

Proceeds from the party are used by the Mother's Club for a scholarship fund which, since its beginning in 1931, has raised \$34,500 and supported 98 students.

With the membership increased by over a hundred new Grosse Pointe High School Mothers, the club, too, has good reason to expect a record crowd.

Mrs. Gordon H. Cameron and her candy committee are going to make the Mackinac Fudge from a special recipe. It will be sold before and during bridge playing.

As we mentioned, the serious card players may have a table in a special room if they prefer more quiet than probably will be found in the fun packed gym. Mothers of Pointe High School students are busy on the telephone selling tickets and making up special tables for the party.

There will be over 200 table prizes and Grosse Pointe merchants have been most generous in adding beautiful and useful prizes to add to the excitement.

The Girl Scouts will assist the afternoon of the party. Directed by Mrs. E. H. Kay, they will (Continued on Page 13)

NROTC Selects Four Pointers

Four Grosse Pointe youths, Donald L. Corey of 278 Kenwood; Henry H. Hubbard, III, of 61 Moskoka; Thomas S. Lister of 861 Loraine; and Richard H. Scales of 926 Washington, have been selected for the Naval Reserve Officers Training Corps (NROTC) college program.

Selection of the 1,800 officer candidates was made by the Bureau of Naval Personnel in Washington, D. C. A group of 450 alternate candidates also was announced.

Choice of the high school graduates or seniors was made from a field of 32,000 applicants. Basis for selection was a Naval College Aptitude Test and personal interview.

The Navy will subsidize the college educations of the successful applicants. Upon graduation, the men will be commissioned as ensigns or second lieutenants in the Naval or Marine Corps Reserves.

CAR STRIPPERS ACTIVE

Frank Oswald, of 1913 Allard, told Woods police that two chrome rings were taken from the headlights of his 1951 Nash during the night of April 8, while parked in the street in front of his home.

Growth Reported By Woods Club

Over 40 representatives of the community, cooperating agencies, and schools gathered at the Grosse Pointe Woods Community Club's annual meeting on April 8 to hear the yearly report of the board of directors, elect four directors and give approval to the expanding of the board from 15 to 21 members.

Reelected for a three-year term in office were Harry Pratt, 19282 Raymond; Marshall J. Jameson, 2008 Lancaster; Mrs. T. H. Stahl, 2134 Hawthorne; and Dewey Williams, 20890 Ridgmont.

Upon recommendation of D. J. Goodrow, chairman of the nominating committee, the assembled group gave approval to the expanding of the board of directors to 21. To insure democratic representation, selection of the new directors will be made in such a way that board members will represent in equal proportions the four geographical areas now served by the Community Club.

In the annual report it was pointed out that since March, 1951, there has been a 60 per cent increase in membership with an attendance count in regularly scheduled groups since October, 1951, of 6,376.

Special emphasis was laid on the role in the community of a private Red Feather agency supported by the United Foundation offering a group work, recreation and informal education service. Examples were presented showing how children through participation in the group activities increased their social responsibility, developed leadership, learned new skills in getting along together, and in general were helped to prepare themselves to become better citizens.

Special recognition was paid to previous board members for their years of devoted service. Former board members present were Mrs. Edgar Hallead, 2168 Roslyn, first president of the organization; and Mrs. William Meecham, 1552 Brys drive.

Organize Mothers' Club's Annual Party

Busy with plans for the annual Spring Bridge Party which will be sponsored by the Grosse Pointe High School Mothers' Club on April 25, are, left to right: Mrs. Clantable Wardle, ticket chairman; Mrs. George True, publicity chairman; Mrs. John Scales, table chairman; and Mrs. Hubert Goebel, club president. Proceeds from the party will go into the scholarship fund to help needy students further their education.

Library Friends To Hear Thurber

Mr. Donald Thurber will speak to the Friends of the Grosse Pointe Public Library next Tuesday evening, April 22, at 8:30 o'clock, at the Woods Branch, located in the Mack Wing of the Parcels Junior High School. He will speak on the subject, "The Narcotics Problem: Fact or Fake."

Mr. Thurber is executive secretary of the Mayor's Committee for the Rehabilitation of Narcotics Addicts. He has been director of the Governor's Commission on Sex Offenders for two years. He has been giving his entire time to the Mayor's Committee.

Mr. Thurber has lived in Grosse Pointe for 25 years. He attended Detroit University School, and was graduated from Harvard University, magna cum laude, in 1940.

He has been in community work since graduation and served on the Detroit Council for Youth Service for three years. He was an executive officer on the

Wayne Chapter of the National Foundation for Infantile Paralysis for seven years. He was given leave of absence to serve on the Mayor's Committee, and will return when the committee concludes its work.

Mr. Thurber's talk is another in the fortnightly discussion meetings sponsored by the Friends, and everyone is cordially invited to attend.

Former Pointer Dies at Age 97

James D. Lock, 2987 Gladwin, died April 10. Services were held at the Watko Funeral Home Saturday, April 12. Mr. Lock was 97.

Mr. Lock came to this country from England in 1882 with his wife, Mary, and their two sons. Until 1890 he was an attendant at the terminal streetcar barns in Detroit.

In 1902 Mr. Lock moved to Grosse Pointe and opened a grocery store on Fisher road at the approximate location where Francois' restaurant now stands. Two years later he became Postmaster for the rural area.

After the death of his wife in 1922, Mr. Lock moved into Detroit. For six or seven years he was employed by Continental Motors. Thereafter, illness confined him to his home until his death.

Mr. Lock is survived by a son, Charles Lock, of 541 Neff road.

Conditions at Army Post Rapped by Park Residents

A large group of Grosse Pointe Park citizens gathered at a meeting of the council Monday night to register complaints about the "misconduct" of the personnel that comprises the Army post at the foot of Three Mile drive, between Bedford and Grand Marais.

Some of the complaints voiced concerned the noise made by the traffic of heavy vehicles, the damage they may do to street pavement, unsanitary conditions that exist on the post, the presence of live ammunition, and, according to one observer, carloads of women have been seen at the gates of the encampment.

City officials explained that the existence of the camp was unavoidable. The Government has the right to request and take over such properties for its own use and any refusal to comply would only result in condemnation proceedings.

No objections were raised to the base being used for defensive purposes, but it was brought out that it is being used as a training area as well.

The Council announced that it has been aware of the situation and has taken preliminary steps to correct it. The prime difficulty in positive remedial action, it cited, was the fact that the post is staffed on a rotation plan, and that new units are not familiar with the ordinances imposed by the municipality.

A citizens' committee, headed by Everitt Lane, City Manager of Grosse Pointe Park, is to be appointed to study the complaints and suggest means of rectifying the situation.

The eighth annual concert of the Detroit Lutheran Bach Choir will be given Wednesday, April 23 at 8:15 p.m. in the auditorium of the Veteran's Memorial Building, West Jefferson and Shelby.

Carl Muzel, organist and choir director of St. James Lutheran Church, is the director of the chorus of 60 members from all sections of Detroit which has been rehearsing weekly for many months for the concert. He has prepared a varied program of Bach Chorals, pre-Bach, and secular music.

Donna Westerberg, a graduate of Detroit Lutheran High School, and now studying music at the University of Michigan will accompany the choir. Tickets may be obtained from Donald E. Ulrich, or at the auditorium the evening of the concert.

Business Group Heads Announced

The Grosse Pointe Business Men's Association announces the newly elected officers for 1952-53 as follows: S. Willard Hosking, president; Charles Verheyden, vice-president; Albert De Riemacker, Lawrence Korte, David McCarron, and Frank Lemmer, members of the Board of Directors.

The officers will be installed at the gala dinner meeting on Monday, May 5.

MAKES IMPROPER TURN

Adam J. Miskovitch, 50 Puritan avenue, Highland Park, attempted a right turn onto Pemberton from the center lane of Jefferson avenue, April 13, and received damages to the right rear fender of his car. He was hit by Peter Oskorip, 3011 Lyncaste, and ticketed by Park police for making an improper turn.

From Another Pointe of View
 (Continued from Page 8)

The Forman Johnstons of Bishop road... and those voices they love on the other end of the line were Forman, Jr., and David.

Who spent their Spring holiday from University of Virginia studies on the sun drenched beaches of Bermuda.

A snappy station wagon pulled up to a red light on Kercheval the other afternoon... to inform us by our first peek at the sun tanned passengers... that Bob Burkhalter and Jack Navin are home from Nassau, Bermuda, Palm Beach and other tony tropical temperature spots.

The Pants Burglar
 The John Lord Booths dashed off to Fort Lauderdale last Winter just when The Cat was skulking at his worst... And felt safe and sound in their oceanside apartment... Then The Pants Burglar entered their lives... The Pants Burglar is the Florida counterpart of the ignoble Pointe Cat... except his visits went on, without interruption for 12 long years... (bet that makes the Pointe police dept. sniff politely!)

True to his name... the Florida thug always carried off a pair of men's trousers, cleaned the pockets and then tossed them on the front lawn... He, too, was interested only in ready cash...

He Visits Pointers In South
 Mrs. Booth told us she could scarcely believe it when many Pointers declared they hadn't heard a thing at the time The Cat visited their homes in the night.

"You just had to wake up when someone came in a room, I thought"... but she slept through the Pants Burglar's visit to their Lauderdale apartment (for which she is eternally grateful).

When he called on the Booths, the burglar took Mrs. Booth's pocketbook... and tossed it on the beach after he had taken of its contents that which interested him most... Thoughtfully, he left the owner's favorite lipstick and compact... which might come from having robbed a fastidious crowd for a dozen years and now knowing how much a girl's favorite lipstick means to her...

Anyhow, rest easy... the Pants Burglar, who had been making his get-away in a collapsible boat when shore life became too hot for comfort... has now been caught and imprisoned.

He was the manager of a successful business... and respected in the community he hoodwinked all those years!

Drivers Warned To Give Signals
 The chiefs of police this week ordered all Grosse Pointe policemen to step up enforcement against drivers who fail to give a signal when they are turning left or right.

They pointed out that the traffic law requires that the driver, before turning, shall drive his car into the proper lane "and before stopping or materially varying the course in which he is proceeding," shall give a warning signal either by extending the arm in an outstretched horizontal position or by using a directional signal device to signify his intentions.

"Failure to signal produces two chief results," they said. "It is a violation of the law which causes a great number of accidents. Secondly, it causes more frayed tempers, which in turn produce accidents, than any other violations."

The chiefs emphasized that this was not to be considered a crackdown. It is merely enforcement of a law, which is too often violated. Failure to signal is probably the chief "gripe" of drivers in our area, they said.

They cited a typical example of how this violation produces bad tempers and tangled nerves. "A driver pulling up to make a left turn fails to signal, thereby holding up the driver behind him," they said. "The driver in the rear starts to blow his horn, more insistently the longer he is held up. The first driver, who should have signalled, is held up

Ben George Bray Wins High Scholastic Honors
 Ben George Bray, son of Mr. and Mrs. Glenn H. Bray, of 1088 Lakeshore, and a student at the University of Michigan at Ann Arbor, Michigan, has attained the greatest scholastic honor a freshman can attain, and has become eligible for membership in Phi-Eta Sigma, the national Scholastic honor society for freshman men.

Only three per cent of the men in the freshman class receive this honor each year.

Ben's father, Mr. Glenn H. Bray, is instructor in Physics at the Grosse-Pointe High School.

Sandhouse Exonerated In Accident in Woods
 Last week the NEWS printed an article, the wording of which implied that William H. Sandhouse, of 733 Hawthorne, was at fault in an accident that involved Julius Joye, 25508 O'Connor, St. Clair Shores.

The accident occurred April 4, when Sandhouse, making a left turn off Hollywood onto the southbound lane of Mack avenue, collided with Joye.

Both parties were issued tickets by Grosse Pointe Woods police. At the Woods municipal court session set for April 5, Sandhouse was exonerated.

ORDINANCE NO. 5
AN ORDINANCE TO PROVIDE PROTECTION AGAINST UNUSUALLY HIGH LAKE LEVELS
THE CITY OF GROSSE POINTE PARK ORDAINS

1. It is hereby found and declared that Lake St. Clair has risen to an unusually high level, that such high water level, in conjunction with storm, has already caused flooding of land, overloading of storm sewers and consequent flooding of basements; that in the light of the foregoing and informed opinion that water levels will continue to rise there is imminent danger that the waters of Lake St. Clair, particularly in periods of storm, may periodically be driven over and on to substantial areas in the City of Grosse Pointe Park flooding the sewer system, and in addition causing property damage, and endangering safety, health and general welfare of the public; and that immediate action is necessary to protect the public interest against the dangers aforesaid.

2. The City Manager is hereby directed to examine the public and private property in the City of Grosse Pointe Park along the shore of Lake St. Clair and to determine the areas wherein, in his judgment, there is danger of overflowing from the waters of Lake St. Clair. On those floodable areas which are publicly owned, the City Manager shall forthwith erect barriers, dikes or other embankments adequate in his opinion to protect against overflow. In the case of floodable areas privately owned, the City Manager shall notify the owner or occupant thereof, if he can be found, to forthwith erect such a barrier, dike or other embankment. If any such owner or occupant cannot be found immediately or when so found fails promptly to provide protection adequate in the opinion of the City Manager, the City Manager is directed to provide an adequate barrier, dike or other embankment, the same to be carried out forthwith if the City Manager, on account of rising levels, storm predictions or the like, considers that danger is imminent. In erecting the structures herein required, the City Manager is hereby authorized to enter upon private property, to move soil, build embankments and in general take any and all measures that may be required in the premises, and such incidental private damage as may thereby be caused to lawns, gardens and the like is hereby declared to be necessarily suffered, on account of the emergency and in the public interest, and the City and those acting under its authority shall not be liable therefor.

3. This ordinance is hereby declared to be an emergency ordinance immediately necessary for the preservation of public peace, health and safety and is hereby given immediate effect.

WM. G. STAMMAN
City Clerk

ORDINANCE NO. 6
AN ORDINANCE REGULATING THE ADMISSION OF MINORS TO THEATERS DURING CERTAIN HOURS
THE CITY OF GROSSE POINTE PARK ORDAINS

Section 1: No minor shall attend or remain in a theater:

- After 7:00 p.m. if under ten years of age unless accompanied by a parent or guardian;
- After 10:30 p.m. if under sixteen years of age unless accompanied by a parent or guardian;
- Between the hours of 2:00 a.m. and 8:00 a.m. if a female under twenty-one years of age or a male under eighteen years of age;
- Between the hours of 8:00 a.m. and 1:00 p.m. if under sixteen years of age, except during vacation periods or on vacation days.

Section 2: As used herein theater means any moving picture house, show house, theater, or other place of amusement. Hours of the day shall be reckoned according to the time then locally prevailing. Guardian includes any responsible person aged eighteen years or more in whose care or custody a parent or legally appointed guardian shall have placed a minor under sixteen.

Section 3: No owner, manager, operator, ticket seller, ticket taker, usher, or other employee of any theater shall permit a minor to attend or remain in a theater contrary to the provisions of Section 1. No person, by furnishing a ticket or otherwise, shall in any way assist a minor to gain admission to a theater when such admission is unlawful under this ordinance. The owner of a theater shall post in a conspicuous place in the lobby of such theater notice of the provisions of this ordinance.

Section 4: This ordinance shall not apply to any theatre while the same is being operated by or for a municipal, school, church or charitable organization.

Section 5: Any violation of this ordinance shall be punishable by a fine not to exceed \$100.00 or by imprisonment for a period not to exceed 90 days, or both such fine and imprisonment in the discretion of the court.

Section 6: This ordinance shall take effect 10 days after its enactment.

WM. G. STAMMAN
City Clerk

ORDINANCE NO. 4

Legion Auxiliary News
From Unit 303
By Betty Hoyt

A list of ten new books, recommended as "block busters" in the war against communism, has been received by Mrs. Bertha Binsfield, Americanism Chairman of Grosse Pointe Unit of the American Legion Auxiliary, from the Auxiliary's national headquarters.

"These books are considered to be the most important and effective books combating subversion to be published since last fall," said Mrs. Binsfield. "The American Legion is recommending that they should be made available through all libraries."

The books are: "The accused," by Alexander Weissberg; "Communism and Christ," by Rev. Charles Lowry; "Brain Washing in Red China," by Edward Hunter; "Communism, Versus the Negro," by Rev. William Nolan; "God and Man at Yale," by William Buckley, Jr.; "I Led Three Lives," by Herbert Philbrick; "Realities of World Power," by Col. Kieffer; "Shanghai Conspiracy," by Gen. Willoughby; "While You Slept," by John Flynn, and "The Yenau Way," by Eudocio Ravines.

Plan Memorial To John Lovett

A new executive office building for the Episcopal Diocese of Michigan may soon be erected as a memorial to John L. Lovett, late executive of the Michigan Manufacturers' Association and active Church layman, whose death occurred March 15.

A state-wide solicitation for memorial funds is being conducted among members of the M.M.A. Sponsors include Edgar R. Ailes, president of the association, George D. Baile, George L. Bortz, Prentiss M. Brown, John S. Coleman, Henry Ford II, Leslie H. Green, E. Hutchinson, Walter S. McLucas, Charles R. Sligh Jr., and C. E. Wilson.

The building will replace the 75-year-old structure at 63 East Hancock, Detroit, formerly the deanery of St. Paul's Cathedral, which now houses the executive offices of the Diocese.

The project has the approval of Mrs. Lovett and the endorsement of the Rt. Rev. Richard E. Emrich, Bishop of Michigan. Mr. Lovett was a member of Christ Church Cranbrook in Bloomfield Hills. It is known he has family and friends that an endeavor such as this would have had his authentic approval and support.

I agree with Rev. Dr. Talmage, that "there are wit, humor, and enduring vivacity among God's people."

Madge Winter To Wed In Fall

The engagement of Madge Pennington Winter, to John F. Gilbert Jr. has been announced by the bride-elect's father, Foster Winter of Berkshire road.

Mr. Gilbert is the son of Mr. and Mrs. John Gilbert of Marblehead, Mass.

Miss Winter will be graduated in June from Endicott Junior College. Her fiancé attended University of Alabama where he was a member of Lambda Chi Alpha. They are planning an autumn wedding.

GET OUT AND GET UNDER—40 YEARS AGO!
By Marguerite Mickelsen

"A goodly turnout of automobiles, their drivers and passengers togged out in linen dusters, caps and goggles, was observed on the autumn-tinted roads in our vicinity Sunday last, most of them laden with picnickers and families out for rides in the "crisp fall air."

So reads an item of local news in a newspaper of nearly 40 years ago. It has a nice sound about it. "The good old days of adventurous motoring," is the way sentimentalists put it. But maybe you've forgotten, if you ever knew, what those days were really like for families with cars.

You started out pretty hopeful, in that open "touring car," trusting that it wouldn't rain, so that you'd get into that finger-twisting, temper-trying business of putting up those isinglass rain curtains—do not mention that hinky top.

Your engine popped along (maybe on four cylinders or less. Your klaxon was a "cow-horn" with rubber bulb. Steering was a job for a man with strong arms, especially on rutted dirt wagon-roads, once you got out of town. If you stopped the engine, only manual spinning with a crank would start it again—and not always that. If it didn't, you were in for a greasy session under the car itself, not under the hood. That's where the song, "Get Out and Get Under" was born.

A puncture meant nightmares of tire changing. It meant getting the tire off the rim and—what was worse—getting it back on after you'd patched it and inflated it with a hand pump. Remember? Maybe these are the "good old days" after all—these days when windshield wipers, self-starters, electrical systems, and the service experts at your new car dealer's are readily available.

Gone are the days when you found yourself stuck in a mud-hole on a country road at night, bearings burned out or your clutch mangled in the effort to shake loose—and facing a long hike to the nearest farm house for a mule team to haul you out, or to a blacksmith who might be able to make some repairs.

These changes are partly attributable to tremendous advances in automobile design and manufacture, of course, as well as the better roads drivers demanded. But even more important has been the fact that—in your own community and every community—the new car dealer has appeared. Now an important community business man, he has brought efficient car maintenance to a point at which you don't have to worry about it. The new car dealer who sold you your car, and whose service staff maintains it for you, is a far cry from the old days of horsestraders and blacksmiths.

80th Birthday Observed
By Mrs. Augusta Irwin

Mrs. Augusta Erwin celebrated her 80th birthday at the home of her daughter, Mrs. Edward Pongraz, of Notre Dame avenue, on Easter Day.

Mrs. Erwin was born in Posen, Germany. As a young woman she married and moved to England, where she resided until 1924, at which time she and her two children came to Detroit.

Grosse Pointers knew of her fine ability as a dressmaker, and she sewed for many of the Grosse Pointe families. Robert Erwin, her son, other members of the family and 30 friends helped observe the occasion.
