struction will be on an entirely different schedule and plan of instruction than heretofore followed.

Elementary grade instruction except music will be carried on in three different centers—at Mason School, the High School and Defer School. For further information see the special elementary school (parochial, private, or public school) in Grosse Pointe.

Does Not Promote
Sometimes only a part of the six weeks' session is necessary for elementary pupils. Though the summer school does not promote elementary students from one grade to another, it does use standard achievement tests to measure the progress of each student. Parents are kept informed of the progress of each child.

Under the special music program both beginners and advanced students may receive instruction on the violin, viola, cello, base viol, clarinet, saxophone, cornet, and other instruments. Students must have their own instruments except in the case of drums, tuba, string base, cello and viola.

Courses Offered
The following courses will be offered to secondary school pupils provided enrollment warrants.
COMMERCIAL-TYPING I-IV (open to those who have completed eighth grade or above).

- Violins—Roger Powers and Romalee Williams.
- Clarinets—Stevie Whittlesey, John Later and Howard Gandelot.
- Cornet—Billy Kamischke.
- Trombones—Paul Krogh and Douglas Williams.
- Flute—Sally Stone.

Mr. Douglas Adair's committee concerning better schooling facilities for youngsters of this area will continue to report progress to date. Reckless Drivers Pay Up in Court

Judge C. Joseph Belanger heard six cases at the Grosse Pointe Park municipal session, May 14.

Eric A. Nylm, 904 Berkshire, was found guilty of a reckless driving charge and resulting accident that occurred April 10, on Jefferson avenue. Nylm was charged \$21.10 in fine and costs.

Marcel E. Dewaele, 3584' Wayburn, did not appear in court to answer a speeding charge. A report of his case was sent to Lansing.

For failing to appear Joseph A. Locricchio, 20863 Lochmoor boulevard, forfeited a bond of \$9. He had been charged with speeding, April 11.

A fine of \$5 was placed against Donald L. Weber, 3953 Somerset, for running a stop street, April 11.

Edward B. Youngs, of 810 Pensacola, Pontiac, received a \$25 fine for running a stop street and causing an accident, April 20. The accident occurred at the intersection of Charlevoix and Somerset.

Carl W. Noll, 685 Emerson, Detroit, was fined \$10 for an accident that resulted from reckless driving at Jefferson and Pemberton, May 10. His case was also referred to state police because of his past record.

Pointe Artists' Show at Center

Even with lowering skies which prevailed last Saturday afternoon, the Grosse Pointe War Memorial was a beautiful setting for the preview and tea given by the Grosse Pointe Artists' Association, marking the first day of their annual exhibition. The paintings were hung in four of the rooms on the second floor, and will be on display through June 2.

The show is very diversified, and in general is colorful and strong. There are interesting experiments in technique, and a considerable scope in subject matter. First prize in oil was awarded to Mrs. Earl Dulmage for her symbolic painting called "Seeds of Wisdom."

In water colors, Miss Karen Lynch was given the first prize for her "Whitmore Lake," and also the second prize for "Soft Wind."

Second prize in oil was won by Mrs. Agnes M. Lindemann for "Bouquet." Mrs. Stanley S. Dolega received the third prize in water color with "Hawaiian Easter," and Mrs. Willard Worcester was awarded third prize in oil for her painting "Green Pears."

The President's Award, an innovation this year, was also given to Mrs. Agnes M. Lindemann for her water color, "Fruit." The Lillian M. Pear Award went to Mrs. Clark L. Bassett for her "Harmony," and the Agnes M. Lindemann Award to Mrs. Douglas Smart for her "Chinese Priest." Mrs. W. G. Johnstone received the Popular Award for her portrait "Martha Parker."

Presiding at the tea table were Mrs. Ferris H. Fitch, Mrs. Agnes M. Lindemann, Mrs. John R. Pear and Mrs. R. E. Thibodeau.

Optimist Club Members Give Demonstration of Service

When E. V. (Al) Grider of 260 Mt. Vernon road comes home from the hospital he'll find his house looking a lot better than when he left. Al had built an enclosed porch and had just started to paint when he suffered a heart attack on May 8. When his fellow club members heard of his predicament they organized a crew to finish the job for him. Eleven Optimists were out bright and early Sunday morning. They not only painted the entire exterior of the house, but shelled the interior of the new porch, cut the grass and did various other jobs about the property.

Memorial Church Carillon To Be Dedicated on Sunday

This Sunday a carillon of 39 new memorial bells will ring from the tower of the Grosse Pointe Memorial Church in a dedicatory recital played by Percival Price, carillonneur of the University of Michigan.

The recital will serve as a climax to an idea born in November, 1950, of Norman J. Boehm, then chairman of the church's music committee. With the help of David O. Hamilton, present chairman, the necessary funds were obtained and arrangements made for the purchase of the carillon.

Cast in Aarle Rixtel, Holland, at the Petit Fritsen foundry, the bells were shipped from Rotterdam, April 2. Installation operations were completed two weeks ago. The new carillon supplements eight Croydon bells, of England, in the tower since 1927.

Supervising the installation was August Fritsen, 27, who for the past year has acted as representative for Petit Fritsen in this country. With him were his older brother, Alex, 29, and Henry Meerding, mechanical and electrical engineers, who arrived from Holland May 6.

Petit Fritsen carillons are not new to the United States. Three were installed a few months ago in a seminary in Dearborn. Ten are being added to a carillon of 37 at Michigan State College, and a friendship gift of 45 bells from the people of Holland was presented to the United States when Queen Juliana made her recent visit to this country.

Last week 23 were installed at Notre Dame University, and later this year Christ Church will receive five Petit Fritsen bells. It now has a carillon of 30. Petit Fritsen was established nearly three centuries ago, during the frantic period in which the Dutch Republic was suffering its growing pains. Since that time, carillons cast in their foundry have pealed across Europe, South Africa, Australia, New Zealand, Canada, and the U.S.

A family organization since its formation, the firm is now directed by five brothers, three of whom are in Holland.

PTA at Mason To Meet May 27

The next meeting of the Parent-Teacher Association of Mason School will be held on Tuesday evening, May 27, at 8 o'clock in the auditorium of the school. The business meeting will include election of officers for next year and discussion of a proposal for a shorter elementary school day for children.

The program will consist of several selections of vocal and instrumental music by children in

the upper grades under the direction of their teachers. Mrs. M. Tanner, vocal music teacher, and Mr. W. Ferry, instrumental music teacher.

There will also be a showing of kodachrome slides of activities in the Grosse Pointe elementary and secondary schools. This will be accompanied by a tape recording which will tell about the activities.

Woman Injured As Cars Tangle

Joanna Thomas, of 4342 Chatsworth, was taken to Bon Secours Hospital, May 17, for treatment of a broken rib and possible skull fracture.

Her car had been struck by Peter Cavataio, 4725 John R., when she pulled onto St. Clair from a parking lot driveway, near Mack avenue. Both drivers were ticketed by Grosse Pointe City police for reckless driving.

BOXER HITS JACKPOT
Late one afternoon last week, Grosse Pointe City police received a call that a dog was contentedly devouring a roast on the corner of St. Clair and Kercheval avenue. A search of the area proved futile, so the dog, a Boxer, presumably ate his fill. It is believed the roast was taken from a car parked in the market area.

Drivers Ticketed After Accident
Farms police issued tickets to Gust C. Bakrigan, 4627 Balfour, and Robert S. Tait, of 22619 Harper Lake drive, St. Clair Shores, May 17, after an accident in which both were involved. Bakrigan had made an improper left turn into the cross-over on Mack avenue at Maison, and was struck on the left rear fender by Tait, driving a 1948 Ford. Tait, who had been following Bakrigan, was ticketed for not having his car under control. Damages estimated at \$50 were incurred by both cars.

St. Michael's To Hold Sale
The women of St. Michael's Episcopal Church are busily adding the final touches to their culinary masterpieces, in order to have them ready for the bake sale which is being held at the church on Saturday, May 24, from 10 a.m. to 4 p.m.

Members of St. Anne's Guild who are working particularly hard to make this, their first bake sale, a big success, are Mrs. Alfred J. Houston, Mrs. Harry Q. Smith and Mrs. A. J. Mueller. Everyone is invited to attend. The church is located on Sunningdale drive, in Grosse Pointe Woods.

Trail's Gets Shipment Of Floritan Tan Lotion
The Trail Pharmacy of 121 Kercheval, in the Farms, exclusive outlet in Grosse Pointe for the new sun tan lotion "Floritan," which won glamorous appeal in Florida the past season, announces its first limited shipment.

The lotion, a perfumed, greaseless liquid cream, made many friends among Grosse Pointers who wintered at Miami, Fort Lauderdale and other principal spots in the southland and who are now requesting the product for their comfort in summering in Michigan and Eastern resorts. Mrs. Mabel Trail, in charge of the pharmacy's cosmetic department, says the lotion has as many enthusiastic friends among men as it has with the ladies. "It has a feel that is all its own and, as well as being a beauty and protective aid to the skin, it produces a soft tan that people appreciate," she said.

MISS GLORIA CLYMA, the daughter of Mr. and Mrs. W. Emerson Clyma of Severn road, who was honored by being chosen as the Sweetheart of Sigma Chi at Michigan State College. Her selection was announced at the Sweetheart Ball held on Saturday, May 17.

Car Trunk Yields Plenty of Loot

Mrs. Louis M. Leisinger, 405 McKinley, told Farms police, May 14, that someone had stolen 24 quarts of motor oil, a spare tire and wheel, a camera, and an exposure meter from the trunk of her 1951 Plymouth.

Mrs. Leisinger was not sure when or where the articles had been taken.

Peter J. Shuert, of 2175 Kercheval, told Grosse Pointe Farms police that a wild driver had cut him off last Friday while driving east on Ridge road, and forced him over the curb.

Shuert said he had lost control of his automobile when the other driver swerved in front of him, bounced over the curb, skidded across the lawn of a house at the corner of Lothrop, and swung sideways into a street-light pole. Police measured skid marks on the pavement for 40 feet and across the lawn for 55 feet. Damage to Shuert's car amounted to about \$150.

Harrison Wood to Address Republican Women May 27

Harrison Wood, nationally celebrated war correspondent, author and news commentator, will be the speaker when the Women's Republican Finance Committee for Wayne and Oakland Counties holds a fund-raising luncheon in the ballroom of the Sheraton-Cadillac Hotel Tuesday, May 27.

A ticket to the luncheon will be sent to any woman who donates or raises \$25 for the Republican fund for the local, state and national campaigns. Mrs. Charles A. Dean, Jr., a member of the Republican National Finance Committee and chairman of the organizational committee for the luncheon, anticipates an attendance of approximately 500.

"The Republican club women are showing enthusiasm in this effort," says Mrs. Dean. "Some are making personal donations. Many are raising the money. Some are holding card parties or sponsoring baked goods sales to raise the money. They are all doing their bit, and they are showing a fine spirit of co-operation."

They will hear a memorable speaker. Wood is noted as one of the country's foremost analysts of national and international affairs. He began his career as a correspondent in World War I when he was head of the Paris office of the New York Tribune.

He has been a correspondent for news and press services here and abroad for more than 30 years. He has written three outstanding books on China and the East, and he has been a notably successful commentator on a national radio hookup.

Assisting Mrs. Dean on the organizational committee are Mrs. Stuart G. Baits, Mrs. Merlin A.

Society News Gathered From All of the Pointes

From Another Pointe of View

By Jane Schermerborn

Anyone as creative as the Pointe's Mrs. Harold B. Tyree is bound to be a good reporter . . . And that's why we waited with impatience for her return from France and Germany . . . We knew her twinkling eyes would take in the very things we'd want to see on the continent . . . She traveled overseas to attend the wedding in Paris of Perrine Berthole (daughter of her friends, the Paul Bertholes) and Arthur Terry, Jr., of New Canaan, Conn. . . . And to visit son Tom (USA Lieut. Tyree) at his post in Kitzingen, Germany . . .

Lieut. Tyree Arrives in June

Incidentally that young man is returning to this country . . . and a new assignment at Camp Pickett in Virginia the first of June . . . He'll come to the Pointe to spend a month's leave with his parents at their Provencal road home . . . with a brief week-end in Washington, where on June 14 he's to be an usher in the wedding party of Joanne Holbrook and Captain George S. Patton Jr. . . . Captain Patton and Tom were West Point classmates . . . The bride is the daughter of Gen. and Mrs. Willard Ames Holbrook . . . and the bridegroom is the son of Mrs. George S. Patton and the late General Patton . . .

Flowers For A Bride

Back to Paris . . . Mrs. Tyree found herself caught up in the most enchanting whirl honoring the lovely bride Perrine . . . And she'll never forget the profusion of glorious flowers which greeted guests when they returned to the Berthole's Avenue Foch apartment after the wedding luncheon at the Embassy Inter Allied Club . . . It is a French custom to send flowers to the bride on her wedding day . . . and everywhere through the rooms were arrangements of lilacs and long stemmed pink roses . . . anemones . . . and deep white lilacs . . . The flare for flowers and color are inborn in the French . . . and the Pointer was impressed with the daily sight of girls going home from work . . . with a long, slim loaf of French bread under one arm . . . and in the other a gay bouquet of flowers from the street stalls . . .

"What's Cooking In France"

Mrs. Tyree's hostess in Paris . . . and the mother of the bride . . . also had a cook book published in America just before the wedding . . . One of Paris' outstanding chateaines . . . Louise Berthole . . . collaborated with Simone Beck and Helmut Ripberger (who share her reputation as food experts) on "What's Cooking in France" . . . It's a fascinating and authentic little volume with 48 (Continued on Page 11)

Happy Young Couple Borrow Mama's Car

Mrs. Charles R. Brooks' Automobile Saves The Wedding Trip For Daughter Joanne and Bridegroom, Robert L. Johnston Who Were Married Last Saturday.

A modern young bridegroom found plenty to say in favor of the horse last week. Picture, if you will, that happy young man jumping into his shining new motor car—his bride-to-be at his side—setting out to collect all the pretty bridesmaids for the church rehearsal.

The shiny new car was to play a big part in the post wedding plans of Robert Leslie Johnston and Joanne Margaret Broom. It was to whiz them to New York on a precision schedule in time to make the plane for their Bermuda wedding trip.

And then on the way back to the home of Joanne's parents, that rehearsal evening, the new

car broke down completely. The gloomy wedding party made the rest of the trip back to the Lakepointe avenue home of Dr. and Mrs. Charles R. Brooks on foot.

Delicately put the new car had developed a faulty clutch at the worst possible time. But Mrs. Brooks took a gracious step in to the picture. She offered her car and light hearts and wedding day smiles were restored.

Joanne and Bob, he's the son of Mr. and Mrs. Charles Johnston of Pemberton road, met at the white daisy and stock decked altar of Grosse Pointe Presbyterian church on Saturday evening.

The brunet bride wore a wedding gown of ivory satin, its slim bodice distinguished by bateau décolletage shadowed in silk illusion. The great skirt swept into cathedral train and falling from an orange blossom embroidered illusion bridal cap, was the tri-tiered wedding veil; finger length.

Joanne carried a white orchid on a white wedding bible. Mrs. Howard Polk of Peterboro, Ont., attended Joanne as matron of honor and the bridesmaids included a cousin, Barbara Murray of Toronto; Mrs. Kenard Johnston, Mrs. James Johnston, Janet Eckfield and Virginia Dare.

All wore opera length frocks of silk net over taffeta and carried bouquets of daisies. Miniature daisy pom poms were worn in their hair. The honor matron's costume was in daffodil tones and the maids were dressed in azure blue.

The bridegroom's brother, James, was best man and groomsmen were the bride's cousin, Grant Murray, of Toronto; Howard Polk, Ronald Johnston, David Bourne and Kenard Johnston. Mrs. Brooks chose for the evening a gown of French blue silk shantung with close fitting chapeau of matching blossoms. She pinned pink spray orchids on her evening bag.

Mrs. Johnston wore benedictine lace with small toque in shell pink. Her flowers also were pink spray orchids.

A reception followed in the church parlors where again daisies formed the floral motif. Friends of the bride presided at punch and tea tables at the re-

Parties Fete Bridal Pair

The bride-elect with the bulging engagement book is fair Beth Keegin, daughter of Mr. and Mrs. Curtis W. Keegin of Rivard boulevard who on June 18 will become the bride of Charles T. Fisher III in St. Paul's on the Lake.

Chick is the son of Mr. and Mrs. Charles T. Fisher, Jr., of the Pointe.

Mrs. James Zeder was hostess yesterday (Wednesday) at a luncheon in Bloomfield Hills Country Club in Beth's honor and this Saturday Mary Macauley is giving a tea in the home of her grandmother, Mrs. Alvan Macauley of Lake Shore road.

A cocktail party for Beth and Chick is to be given June 7 by Mr. and Mrs. Januarius A. Mullen of Washington road and the next evening Fred LaFerte will be host at a dinner for the bridal couple.

On June 12 Mrs. Fred Hughes and Mrs. Victor Hughes have planned a closet shower in Beth's honor.

Chick's uncles and aunts will combine that same evening to give a dinner dance at the Detroit Golf Club for the pair. Hosts at this party will be Mr. and Mrs. William K. Fisher, Miss Mary Fisher and Mr. and Mrs. John Drummy.

Mr. and Mrs. W. Gordon Johnston, Mr. and Mrs. Charles Hewitt, Mr. and Mrs. Don Woodruff and Mr. and Mrs. Harry Mack will give a cocktail party

for the June 18 wedding couple following which members of the wedding party will be guests of Bill and David Jansen at a dinner dance in the Detroit Athletic Club.

A scavenger hunt and supper party is scheduled for June 15 with the hostesses, Molly Moll and Jean Howensman.

The wedding party and out of town guests have been invited to the luncheon Mrs. Max Stringer and her daughter, Ann, are giving at the DAC on June 18. That evening, Chick's uncle and aunt, Mr. and Mrs. W. Dean Robinson will be cocktail party hosts.

Mr. and Mrs. Fisher will give the rehearsal dinner for their son and his bride-elect the evening before the wedding.

Following the church service on June 18, the Keegins will be hosts at the wedding reception, in Grosse Pointe Yacht Club.

Country Day Holds May Day Exercises

Karl Behr Is Crowned May Queen at Traditionall Festivities; Reigns With Court Over Program of "Happy Holiday" Dances on Lawns of School

Pretty Karla Behr, who'll be a debutante in June, reigned as Queen over Grosse Pointe Country Day School's annual May Day held Wednesday in the lawns in front of the school.

This honor was given to Karla by the students of the school who voted her right onto the throne.

For her duties, the May Queen wore diaphanous robes of white organdie with flowing train and her crown was fashioned of shattered white carnations and roses.

Parents and friends of the students were guests at the May Day festivities which this year adopted a "Happy Holiday" theme. Faculty members Miss Jane Savery and Miss Barbara Bayne were in charge of the afternoon.

In traditional blue velvet costumes with plumed hats were Marina Tost and Susan Daume, the heralds. Their trappings also included long gold trumpets.

The lovely girls who served as Karla's attendants all wore pastel organdie frocks. Susan Litchfield was maid of honor and the ladies in waiting comprised Wendy Good, Julie Watson, Molly Bowman and Betsy Davidson.

The Queen and her attendants watched gay young subjects in the Happy Holiday dancing program. Red and white costumed Ann (Continued on Page 11)

Probe This Possibility

The enthusiastic attendance at the Town Hall meeting sponsored by the City of Grosse Pointe on Tuesday night, May 13, augurs well for the launching of a concrete program to improve the recreational facilities at the lakefront park. Those present appeared to be predominantly in favor of a bond issue to finance a major improvement project. During the week which has passed since the gathering, there has been a great deal of discussion, and mostly favorable comment about the plans.

The committee which arranged the meeting at the request of council has been compiling a report which should throw a lot more light on the subject. Chiefly because this report was not ready by Monday night, the regularly scheduled council meeting was postponed for a week. It also developed that while a quorum was available, not all of the councilmen could attend, and Mayor Ralph Netting requested the postponement until a full attendance of the councilmen was assured.

It will undoubtedly take some time to obtain bids on proposed improvements and for a decision to be reached on just how extensive the project should be. We would suggest that while this study is being made, the city officials should give serious thought to the idea of enlarging the present park to provide more lake frontage and off-street parking facilities.

It is quite possible that the City might be able to acquire some additional adjoining property which would greatly enhance the value of the park. It would appear that while plans are being laid for a major program, this is the time to probe this possibility.

there's more to cleaning a rug than just washing its face

Rug cleaning is no job for an amateur. A knowledge of every type of rug construction is needed, and how to remove deeply imbedded dirt.

Rugs must be cleaned scientifically ALL THE WAY THROUGH if all the dirt is to be removed—they need gentle handling if you are to get maximum life out of them—they must be dried under perfect temperature control to protect their threads.

Only a rug that has been PROFESSIONALLY cleaned can keep that "like-new" appearance and springy texture month after month. And bright, cheerful, new looking rugs will add freshness and beauty to your home.

Ere slumber's chain has bound me,
Fond memory brings the light

(Thomas Moore)

We can't help wondering if those three ladies on the Board of Education who voted against letting school children have a half holiday to see General MacArthur, will feel the same way about it if and when General Eisenhower visits Detroit. Yes sir, that is something we are mighty curious about.

Strange and wonderful things keep happening to us via the mail. One of the stranger ones is that at least once a month we get not one, but TWO or THREE letters from a couple of magazine editors, offering us wonderful bargains if we will subscribe RIGHT AWAY. The fact that we have been taking the magazines in question for nigh onto 10 years and are paid up for at least another five . . . bothers them not a jot. It must be nice to be so rich that you don't care what your mailing costs are.

The wonderful thing that happened to us this week was receiving a small dividend check in the mail . . . for a nickel's worth of stock we own in a large corporation. Receiving the check was sufficient unto itself . . . but the bang we got was that the envelope in which it was sent . . . was SCENTED!! Whoops, my dear!

A pal of ours who lives in the East, had an elevator installed in her house recently and wrote to tell us of the experience. Toward the completion of the work, she talked to the foreman, asking him to give her the details on how to operate it, how it was to be taken care of, etc., etc. He explained everything very carefully and also added that she shouldn't have any trouble whatsoever with it, and that it should last a lifetime with no repairs.

Facetiously, our heroine remarked, "You mean once you're through and leave here I won't be seeing you again for any further details?" The foreman grinned, shrugged his shoulders and said, "Well, I'd be lying to you lady if I said that. Usually sometime during the first two weeks after installation, we have to come back to do something we've forgotten!"

While nervously twisting the dials on our bedside radio one midnight last week, we happened upon a disc jockey who was talking to someone on the phone. Apparently he was disagreeing with the person about something or other and to our keen ears, he sounded anything but polite. As we continued to listen, we learned they were talking about Bill Silbert! The caller was obviously taking exception to a crack the disc man made about Bill not being good material for a Broadway show. Since we are of the opinion that Silbert is good material for ANYTHING . . . we were dying to get a word in but didn't know where to call.

Don't go away now . . . because we're leading up to something. After having heard all this guff on the air, we began to wonder what Bill was doing back East and if he missed his public as much as they missed him. Well, now . . . the VERY next day, we received a letter from Silbert giving the Grosse Pointe News some "dope" on what will appear shortly in Variety and Billboard. We are more than happy to pass it on and our only regret is that we won't get the program here.

Beginning May 26 thru September . . . dear Willie Silbert will be on T-V station WABD (Dumont Network) from 1:45 to 3 p.m. Mondays through Fridays, on a program called "Silbert's Matinee" . . . emanating from Palisades Park in Cliffside, New Jersey! Bill will do more or less the same thing there as he did here on radio . . . except the lucky guy will be doing it out of doors in "clement" weather and indoors when it rains.

His view from the large windows includes a great expanse of the Hudson River, the George Washington Bridge and the skyline of New York. All this as well as Silbert's handsome face will also be viewed by his television audience. We KNEW he'd make the grade . . . and as far as we are concerned, this is just a beginning. We'd like to predict that he'll go a lot farther than the local jockey who took a swing at him . . . and don't forget . . . WE are the guy who picked the last two derby winners!!!

A local couple (both Republican by "birth"), gave a dinner party last week, to which they invited other rock-bound, dyed-in-the-wool Republicans. It was a veddy fawncy and social gathering with the guests all set to make merry. One stranger in the group was introduced as an old Navy tie of the Host's, who was visiting for the weekend. He looked every inch the gentleman he no doubt IS . . . BUT made his appearance in the drawing room wearing a large TRUMAN button!

The startled albeit polite guests murmured among themselves until several cocktails had been downed, after which a few of the guests began murmuring a little louder to the out-of-towner. Before anything dire could take place, dinner was announced . . . so the political hub-bub was temporarily busted up.

At the dinner table, the guest of honor was seated next to a woman who has three children of whom she is very proud. Making small conversation with her partner, she talked a little about the offspring . . . and allowed as how they were away at Boarding School. Our Truman hero looked at her and said sharply, "So you're the type of mother who shirks her responsibilities by sending her children to an out of town school so she won't have to be bothered with them?" The teary-eyed mother turned back to her soup and never uttered another word. This sort of thing went on most of the evening, with the house guest insulting everyone in sight. Finally, the hosts broke down and told all. The old Navy tie was one of those "professional insulters" . . . like the guy who plays butler parts . . . where he puts his finger in your soup, spills food down your back and generally makes a nuisance of himself. P.S. The guests enjoyed the joke on themselves . . . including the Truman button!

If you are of the school that thinks a woman knows her own mind . . . we can disillusion you very shortly. A friend of ours who is a rabid worker for Taft, had occasion recently to telephone several possible Taft-minded people to ask them to sign a petition. When she got one woman on the phone and asked her question, the woman hemmed and hawed about whether or not she was for Taft or Ike. Finally our friend explained about wanting her to sign the petition so the little woman said, "Just a minute." The next thing the caller heard was the gal yelling to her husband, "J-O-E-Y . . . are WE still for TAFT?" Apparently Joey allowed as how THEY were . . . so the petition was duly signed!

What Goes on at Your Library
by Jean Taylor

Mrs. X, a frequent user of our library, is an avid reader with a generous sprinkling of "who-dun-its" in her reading diet. We have wondered at times, if the mystery reader is ever stimulated to use his analytical mind in real life situations. Yesterday, our question was answered.

Mrs. X returned a book at the library desk with the comment, "I'm weary, I've been robin-sitting most of the night."

"We know all about baby-sitting, but robin-sitting . . . that sounds like an interesting avocation. Tell us more."

Well . . . according to Mrs. X, there is a nest of robins in a tree outside her bedroom window and there is, in the neighborhood, a mean old cat with murderous tendencies.

About 2 o'clock one morning Mrs. X was disturbed by a scrabbling in the branches and the distressed "cheep, cheep" of the mother robin. Hurrying to the window with her flashlight, she could make out a long black form crawling close to the nest. She rushed out as far as she dared, she rustled the leaves, "Shoo, Scat!" The frightened creature scrambled down the tree and away.

Mrs. X lost no time. She dashed downstairs and was back in a flash with a crooked walking stick. The cat had disappeared but our Scotland Yard robin-sitter was not to be turned aside from the line of duty. She sat clutching the mean looking instrument, her eyes glued on the nest. Long minutes of waiting . . . and now, gentle reader, hold on to your hat . . . comes the feline villain slowly, quietly, limb by limb, closer to the innocent brood.

Our heroine, waiting for just the right moment, swung a mighty blow. Down went the evil one, with a sickening thud to the ground. The robins swung peacefully on in their nest.

Even the burliest detective hides a soft heart. Mrs. X hurried down to see whether or not the villain was beyond succor. Legend has it a cat has nine chances. Supporting this theory,

Are You One Of The Million?

By Fred M. Kopp, R. Ph.
It is estimated that over a million people in the United States have diabetes and are not aware of it.
Not until their condition becomes serious will medical advice seem imperative. Then treatment may mean great and difficult changes in habits of living. Whereas, if all cases of diabetes could be recognized in the early stages, control would be an easier matter.
For the diabetic a dependable pharmacy makes self care simpler. Here all requirements in quality drug products are available promptly.

gourmet recipes (that the rankest beginner can master with Parisian flourish so careful are the directions) and important tips on wines...

Cooking Lessons in Paris

Naturally Mrs. Tyree found time for cooking lessons in Paris.

She attended classes and demonstrations at L'Ecole Cordon Bleu and at the very new L'Ecole des Trois Gourmandes.

The latter school would appear a "must" to Americans interested in cooking since lessons are given in English and American materials are used in the true French recipes... French flour and gelatine are, for instance, just two of many ingredients which differ greatly in flavor and quality from those found in America.

With infinite know-how, the teachers at L'Ecole des Trois Gourmandes show how to retain all the French flavor though using American ingredients... overcoming a great stumbling block...

Paris This Spring

The Fruit Bowl came in for its share of the Tyree attention... It is found at the end of so many French meals... The beautiful ripe fruit... is dressed in kirsch flavored with striped orange rind... and will probably appear at her dinner table... to be blessed not only by gourmets but by the gals who count their calories and too often have to pass up the wonder sweet...

If it's fashion that intrigues you... Mrs. Tyree noted the elegant Parisienne wears her skirt at the length which flatters her most... and the Spring clothes are richly simple, depending on line and material for their distinction... If it's a new perfume you're interested in... Paris at the moment is devoted to Ma Griffe by Carven... And the new pet couturier is de Givenche... whose clothes boast heavenly line and are as young as Spring.

The accompanists are Sue Chenoweth and Linda Hepburn.

The Boys' Ensemble will sing "Kentucky Babe" and "Jonah Swallowed the Whale."

RUDE AWAKENING
Grosse Pointe Park police issued a ticket to William M. Mumage, of 223 East Ferry, May 17, for not having his car under control. Mumage fell asleep at the wheel while driving east on Jefferson and missed the turn at Bishop road. The jolt of going over the curb woke him but not in time to avoid hitting the tree. Mumage was uninjured.

Chairmen of the committee are Mr. and Mrs. William Richards of Lochmoor boulevard. They will be assisted by Mr. and Mrs. George Cutler and Mr. and Mrs. Gus Koester, both of Fairway lane; Mr. and Mrs. John Johnson of McKinley road; and Mr. and Mrs. Norman Crawford of Rivard boulevard.

C. R. Menaghs Cocktail Hosts

Mr. and Mrs. Charles Robert Menagh (Fay Pankow of Grosse Pointe) returned from their wed-ding trip and launched their first party when they invited 80 of their friends for cocktails.

The punch bowl was a foun-tain from which refreshments bubbled all evening long. At the base of the bowl the hostess used garlands of formosa and pink carnations.

When the young Johnstons stepped into their borrowed car for the trip to New York, the bride's costume was delphinium blue tailored suit with which she wore navy and white accessories and a small navy straw hat.

Thank You...

for being patient about delivery of your New Ford

It's surprising how many of the new '52 Fords . . . Smartest of all the smart Ford automobiles . . . pass through the Tom Boyd agency for Grosse Pointers. However, often in these early months of the new model, delays in delivery have been unavoidable, since we receive our cars strictly on an allotment basis . . . less in number than in previous years. Deliveries today are nearly normal again. But to those who had to wait (often for many weeks) in these early months of the new model, we want to give our big THANK YOU.

Note:
We invite you to come in and test-drive this fine new automobile, which is so much at home in Grosse Pointe and so smart wherever it goes. You can pay more but you can't buy better.

 The history of the club, from its informal beginning as a neighborhood group of garden enthusiasts to an active federated club, was outlined by Mrs. Fox. Mrs. Wendell K. Wheelock, a member of the Pointe Garden Club, is now director of Region One of the Michigan Federation of Garden Clubs.
 Mrs. Hazel Peckingspugh Dunlap, guest speaker, demonstrated flower arrangements done in tin containers for the "tin" anniversary.

Schaller and Raetzl Pace Devils to Regional Crown

Grosse Pointe captured its third Regional track championship in the history of the school last Saturday, May 17, when the Devil cindermen, under the guidance of their new coach, Howard MacAdam, swept to the title in the Regional Track and Field meet held at Monroe.

Bob Schaller and Ray Raetzl were the Pointers' biggest guns of the meet but the lesser stars were the boys who brought in the valuable place and show points that enabled the Devils to squeeze out a narrow three point margin over second place Fordson.

Schaller Cracks Record
Schaller cracked the only record of the meet when he raced to a new Regional half mile mark and also cracked the Border Cities League mark. Schaller whipped around the cinder oval in 2:01.9. The old Regional mark, set in 1950 by Barr of Royal Oak, stood at 2:03.4 and the League mark, set by Robert Robbins of Wyandotte, was in the record books at 2:03.

Raetzl Double Winner
Ray Raetzl was the Pointers' only double winner. He captured the century dash in 10.2 and easily took the 220 dash in 23.0. Then to complete a busy day he ran one of the legs of the Pointers' 880 relay combination.

The break that actually won the meet for the Blue Devils came in the quarter mile event which was run in two heats because of the large entry. Jim Boardman took the first heat and his teammate Ralph Gray captured the second heat.

Fouls Settle Meet
Hector Colunga of Fordson fouled Boardman on both turns so obviously that he was disqualified immediately by all the judges. If Colunga had been content to settle for second place the Fordson Tractors and the Blue Devils would have been forced to share the 1950 Regional honors.

Noel Berry and Allen Billups picked up points when they tied for third place in the pole vault event. The boys tossed a coin to see which one should get the medal and Billups was lucky.

Pick Up Points
Cal Bock and Dan Webb each added two points to the Devils' winning total when they finished fourth in the 220 dash and the 880 yard run respectively. Grosse Pointe's 880 yard relay team matched the efforts of the median recruit team of Nels Jensen, Tom Donahue, Cal Bock and Jerome LaChapelle, which finished second.

In all, the Pointers qualified 11 boys for the State meet to be held Saturday, May 24, at Ann Arbor. This is the best contingent the Devils have been able to field in a State meet since 1946 when the Pointers won their

Dark Horse Regional Champions Set for State Meet

The Blue Devil track team scored an upset victory in the Regional Track and Field Meet at Monroe, Saturday, May 17 to give Grosse Pointe High its only title of the year. Left to right, back row: STUDENT MANAGER BERNER, BERRY, McFARLANE, FOX, R. SCHALLER, WELCH, SNOWDAY, RIZZO, FRIESEMA, DeGROF, HOWARD MacADAM, coach, and HAROLD FISHER, assistant coach. Middle row: DRINKAUS, WEBB, SWEET, R. RAETZEL, LIETKE, JENSEN, CRAWFORD, DONAHUE, TAYLOR and MILLER. Front row: RAUTH, POTTER, BOCK, BILLUPS, VANDER BRUG, RANNEY, LACHAPPELLE, GRAY, HARTMEYER and PLATH.

D.U.S. Wins Track Title

By Nick Boos
Eighteen members of the Detroit University School track team journeyed to Algona on May 17 for the class C-D regionals. The schools competing in class D were Bloomfield Hills, Dearfield, Edison Institute, A. E. Smith, Grosse Ile, and D.U.S.

The Grosse Pointe trackmen came through in fine shape, gaining a total of 75 1/2 points, while their nearest rival Edison Institute only had 39 points. In the morning Ohmart won the shot-put with Newkirk placing fourth, Ottaway and McKinnell tied for second in the pole vault. In the hundred Phillips, Rentschler, and Wark won in their heats for D.U.S.

With the afternoon events starting D.U.S. piled up points very quickly. The medley relay team won followed by a victory in the high hurdles by Veltan McKinnell.

Then came the finals in the 100 yard dash where D.U.S. finished first, second, and third, followed by the 220 in which the Grosse Pointe boys placed first and third. Meanwhile Becherer took a second in the high jump and followed with a brilliant victory in the 440.

Garbutt won the broad jump, (Rentschler placed second), Cooper took third in the low hurdles and the 880 sprint relay team won.

Eleven of the D.U.S. trackmen qualified for the state meet and promise to give a good showing on Saturday.

Boat Banter

By Fred Runnells

Usually, during the Spring months you hear talks of this boat being sold and that boat changing hands and sometimes the rumors are true and then again it turns out to be bilge wash.

Picked up a true one, though, and can prove it. John Warnke and a crew of nine went down to Fairport, Ohio, last Saturday, May 10, and brought his new boat "Flying Dutchman" up to Grosse Pointe Y. C. She will be berthed there this summer and will fly the G.P.Y.C. burgee in local regattas including the Bayview-Mackinac event July 12. "Flying Dutchman" is an all steel cutter 45 feet over all with a double headsail rig.

She was built in Holland and is rated in Class A. She even has a shower. Warnke is in the welding business so why not a steel boat?

The three G's, Jimmy Grant, Ernie Grates, and Howard Girardin, headed the list of the ten man crew which included Carter Sales, Bill Nusse, Dick Joy, Tom Swegles, Larry Kelly, the owner, and a fugitive from a cat boat, George E. Van.

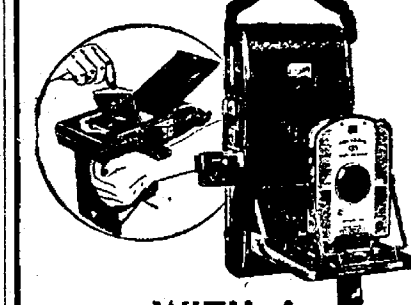

Saw Grosse Pointe's dean of sailors, Joe Snay, in the bank the other day. Joe patted his tummy and said "I'm in training to sail on Clare Jacobs' new New York 32 'Falcon' this summer. I've dropped ten pounds so we should be able to really go in the light weather stuff this year."

Bayview Y. C. lost some of its salty flavor last Wednesday, May 14, when Elizabeth Schaefer

TIRE AND WHEEL STOLEN

Grosse Pointe City police received a report, May 14, that a spare tire and wheel had been stolen from the trunk of the Plymouth convertible belonging to Dr. R. M. Burke, of 580 Washington. Dr. Burke told the police he had discovered the loss that same morning, but that he could not be sure where the theft had taken place.

Blue Devil Tennis Players To Compete In Regionals

By FRED RUNNELLS
Grosse Pointe's on again off again tennis team has a large chore cut out for it this Friday and Saturday, May 23 and 24, when Coach Bill Mikulich sends a nine-man squad into the Class A Regional Tourney at Cranbrook.

Three doubles teams of Bobb Hardies-Mike Bem, Dave Terris-Russ McNair and Joe Buhl-George Nicholson, will begin the Pointers' quest for Regional honors when the doubles matches get underway at 1 p.m. on Friday.

The singles matches will follow immediately after the doubles matches are completed and Pete Wardle, Ken Webb and Bob Brown will carry the Blue and Gold of Grosse Pointe into the fray.

HOXIE'S TEAM FAVORED
Jean Hoxie's fabulous Hamtramck squad is again favored to capture its fourth straight Class A Regional crown but Coach Hoxie sternly insists there is nothing sure in a tennis tourney.

Coach Bill Mikulich is casting an optimistic eye towards his first Regional since taking over the reins from Coach Merlin Schultz, who currently is serving in the Navy. Mikulich feels that the draw is going to be extremely

important in the final results. Said the coach, "If we get any kind of a break in the draw I figure we will have an excellent chance in the finals which will be played on Saturday."

TOUGH COMPETITION
The Pointers will be competing against Hamtramck, Birmingham, Royal Oak and Mount Clemens. Cranbrook is a class B school and will compete in that division.

In the first match of the season Cranbrook topped the Blue Devils, 6-1, for the first time your reporter can remember. However, three days later in a return match the Devils avenged the defeat winning 5 to 2 on the local courts.

WIN OVER DEARBORN
The Devils most recent victory came against Dearborn last Wednesday, May 14. In this match both the varsity and reserve teams saw action, which gave the spectators a combined total of 14 matches to watch. Grosse Pointe allowed Dearborn to take only two of the matches. These were dropped by the varsity as it won, 5-2. The Blue Devil reserves scored a 7-0 shutout over Coach Bob Seigman's aggregation.

To date this season the Blue Devils have an overall record of 6 wins as against 3 defeats. In league competition the Devils boast 4 victories and 2 defeats.

Blue Devil Baseball Team Loser In Two Tough Ones

It was another bad week for the Blue Devil diamondmen as they lost two heart breakers to Monroe and Fordson by the close scores of 8-7 and 1-0 last Wednesday May 14 and Friday.

Timely Double
Center fielder John Diccico came through with a double which cleared the bases. John also scored on an error by the Monroe second baseman. The next three men up grounded out.

Even Up Score
When the sixth inning rolled around the Devils found themselves behind by the score of 7-4. Then they got three more runs to tie up the game. The runs came as a result of a batter being hit by a pitch, two hits, a walk, two errors and a wild pitch.

Score Game-Winner
In the top of the seventh Grosse Pointe went down in order. But Monroe came through with the game winning run. The first man up popped out to second baseman Don Schmidt, but Don Klem-Smith, the Monroe catcher, singled to right on a play which should have been an easy out. He hit a high fly into short right and it dropped safely when the second baseman and right fielder got confused as to who was going to take it. Klem-Smith took second on a wild pitch. Burgee struck out the pitcher, but the game ended when third baseman Bob Woodward hit Burgee's first pitch into center field for a single to score Klem-Smith from second with the winning run.

A Pointe resident, who moved here from the South, where courtesy is a cradle to the grave deal, was crossing Kercheval the other afternoon in a cloudburst. Never had the street seemed so wide, and she glanced from under her umbrella to see a little old lady all dressed in black, aged around 90, whipped by the rain till she was walking with side-way gait. The Southern gal hurried, put the umbrella over her and said, "My, this is an awful day for you to be out!" She was greeted with, "Run along, young woman and leave me alone." "You mean you don't want to share my umbrella," gasped the surprised Girl Scout. "Just leave me be" was the response.

PILFERINGS

From the Introduction of "What's Cooking in France" (See From Another Pointe of View):

"There is a charming story of three French sisters, each of whom could make a marvelous ragout, but that of the eldest was the best. In vain did the sisters, her nieces and nephews, friends, and visitors all beseech her to disclose her secret, but the old lady remained adamant. No one could discover the je ne sais quoi which made her especial dish superior to that of all the others. Finally, as she lay on her death bed at the age of 83, and with what proved to be her final breath, and only when she was certain she could no longer survive and that her precious secret might die with her, she whispered, "I always put in a thin slice of lemon."

As The Small Fry See It, according to the Christian Science Monitor:

Joe, aged nine, is a real baseball fan and had watched many games on television. But when at long last he was taken to the ball park, he sat quietly looking out over the diamond for a moment and then remarked, "Oh, isn't it beautiful in color!"

Cutting strips of wallpaper preparatory to papering the bathroom, a five year was her mother's interested onlooker. She asked, "Where is your paste, mother?"

Mama explained that inasmuch as this was ready-gummed paper, paste wasn't needed.

After a moment's silence, the young one exclaimed: "Mother, are you going to LICK all that paper?"

MISS ADELINE WAGER OF KERBY SCHOOL

—Picture by Fred Runnells

The parents in the Kerby School district dedicated their final PTA meeting on May 20 to Miss Adeline Wager, who is retiring after 43 years of service in Michigan schools. Mrs. Wallace Jensen, PTA leader, introduced Bert H. Wickling, President of the Board of Education, who paid tribute to Miss Wager for her outstanding work for more than a quarter of a century in the Grosse Pointe schools.

In part, Mr. Wickling said: "Miss Wager has probably taught at least three-thousand different children in her many years in the profession. In several instances, she has had pupils whose parents previously attended her Kindergarten classes. It is impossible for us to estimate the good qualities of character and citizenship that she has instilled in children and the important role she has played in the development of the lives of these young people. We do know, however, that her influence has been great."

First Class in 1907

Miss Wager started her teaching career in Michigan's Upper Peninsula in Schoolcraft County. Beginning in 1907, she taught all grades in rural schools for ten years. The school where she taught her first four years was three miles from her home. Most of her pupils walked an average distance of six miles daily to and from school, as did the teacher.

Miss Wager relates that her first day of teaching was a very rainy day and that she was "soaked to the skin" on her arrival at school. She had to borrow dry clothes (several sizes too large) from a neighboring farmer's wife to finish her day. In those times, Miss Wager says there were no substitute teachers—if the teacher didn't get to school, the pupils had a holiday! Often times she had the extra duty of building a fire in the stove to heat the school building.

Horse Stopped By Snow
On one occasion, after a heavy snowfall, she hired a farmer with a horse and sleigh to drive her to school. Half-way to school, the horse floundered in the snow, and the driver turned around and went back home. The teacher walked the remaining distance to the school building. During these years, several of her pupils were almost as old as the teacher. Her pay was forty dollars per month for a six-month school term.

Former School Principal
After a decade of rural school experience, Miss Wager taught Kindergarten and First Grade in McBain, Mich. From this community, she moved to East Jordan, Mich., where her duties not only included lower-grade instruction, but she had the added responsibility of the principalship in the building. Father's Day is just around the corner. On behalf of all fathers, may I make some observations:

Of shirts and ties we have enough,
and loads and loads of other stuff

Given to us at this time of year,
we open the box and conceal our fear.

Wallets are fine but put money inside,
and for hankies our dislike we can't even hide.

Socks and tobacco we buy ourselves,
and slippers and such end up on the shelves.

So why not be different and give us a break,
Hand us your picture that Paul Gach can make.

Brownell High To Give Concert

The Brownell Vocal and Instrumental Concert will be presented on Friday, May 23, in the Grosse Pointe High School auditorium and is scheduled to begin at 8:15 p.m. The Brownell Chorus is combining music, drama and ballet in its offering of *The Nutcracker Suite*. Students from all three Brownell grades are taking part.

School Parent-Teacher Association presented Miss Wager with a silver service. A huge cake with a candle for each year of her teaching experience was the center of decoration for the serving table. Two of her Kindergarten pupils presented orchids to her from her present class sections. The school staff has planned a dinner for her, and the Grosse Pointe Teachers Association will honor Miss Wager before the school term has ended. The Kindergarten teachers in the schools have also planned a luncheon in her honor.

Time for Hobbies
Miss Wager says that she will devote a great deal of her time to her hobbies—ceramics, oil painting, reading, and gardening. She owns a cottage in the Upper Peninsula where she plans to spend her summers. She hopes to travel and probably will live in Florida during the winter.
