From Parents to Graduates to High School

This magnificent colored photograph of the Grosse Pointe High School Building will be given away tonight. The students will then turn it over to the school to be hung in a prominent place in the Fisher road building.

Farms Park Due to Open On June 14

All Facilities Excepting Completed Pier to Be Ready; Swimming Has Started

While the official opening of the Farms beach park and pier will not be held until Saturday, June 14, swimming has been permitted there all this week. Daily tests taken of the water have shown that it is perfectly safe from the purity standpoint. There was also swimming at the City's park on Sunday and each day thereafter.

City Clerk Harry Furton of the Farms stated that although the carpenters' strike held up the work of placing the steel sheeting around the Farms pier, the program has been proceeding very rapidly since this work was resumed last week. It is expected to be completed within the next few weeks.

South Pier Open
In the meantime, swimming will be allowed off the south pier and all facilities are available excepting diving boards. These cannot be put in place until the pier sheeting work is completed.

Mr. Furton assures the residents they are going to be very satisfied with the new improvements at the park. As soon as the sheeting work is done and the sides of the dock tied together with tie-ropes, wooden flooring will be laid. Only the outside of the pier is being enclosed with the steel sheeting at the present time.

Increased Costs
When it was found necessary to use heavier steel than was first purchased for the project, the increased costs made it impossible to carry on the complete program of enclosing both sides and capping the whole pier with concrete. This will have to await the approval of the residents to float

High School Commencement Tonight Will Be Followed By Presentation of Picture

Graduation Exercises to Be Held at 8:15 O'Clock; Blown-Up Color Picture of Building To Be Given Class

A double presentation of an enlarged color photograph of the Grosse Pointe High School building and a portion of the campus, will be a feature of the Graduation Dance in the Memorial Center which will follow tonight's commencement exercises.

The picture is the result of an idea conceived by a committee of parents of the graduates. It was discovered the High School does not possess a good picture of the beautiful building, which has long been one of the focal points of the Pointe community.

Kenn Asked to Help
The problem was taken to Stanley Kenn, a former president of the Grosse Pointe Camera Club. After combing all likely sources for good negatives, Mr. Kenn decided the solution lay in taking a picture himself.

The finished product is a color print which has been blown up to a width of six feet and a height of between three and four feet. It will be used as part of the decoration theme at the dance tonight, then will be presented to the graduating class by the parents' committee.

To Hang in School
Bill Rexford, president of the Class of June, 1952, will in turn present it to Mr. Walter Cleminson, principal of the High School. It will be hung in an appropriate place in the building.

The traditional commencement exercises will be held on the lawn of the High School starting

HOT CONVERSATION

Farms Asks Residents' Help In Passing Fence Ordinance

The Grosse Pointe Farms city council has scheduled a public hearing for June 16, at the Farms City Hall, to establish an acceptable and legal height for fences on properties in the community.

Presently charged with violating the legal maximum height of six feet are two prominent residents, John W. McClucas, whose home is on Vendome at the corner of Grosse Pointe boulevard; and George Rieveschl, 232 Lothrop. Daniel W. Goodenough, of 234 Lothrop, had also previously been cited as a violator.

Published in this issue of the NEWS are two ordinances, one in force in the Farms governing fence height, and a second, proposed for adoption. Farms municipal authorities have requested

that the residents of the community study both, form opinions and express them at the hearing.

No action is to be taken regarding the present violations of the existing fence ordinance until public opinion has been expressed. To date the McClucas and Rieveschl fences still stand. Mr. Goodenough, a member of the Farms council, has taken his fence down in compliance with the ordinance.

He stated at the time that he did not feel he was violating any law, but as a member of council he did not wish to embarrass his fellow members or to remain in a position that might produce criticism.

Vernor-Charlevoix Traffic Dilemma Still Being Studied

Park Council Hears Results of Experiments; Mayor Fritsch Refutes Rumor of Planned Railroad of Ordinance

Last Monday afternoon a resident of Grosse Pointe Park stopped Mayor Homer G. Fritsch on the stairs of the municipal building as he was going up to the council meeting scheduled for 5 o'clock. He accused the mayor and his council of trying to railroad through an ordinance converting Vernor Highway and Charlevoix to one-way traffic streets without public knowledge or consent.

The rumor had gotten around. Nearly 30 Park residents had gathered to protect a principle if not to object wholly to such an ordinance. Instead, they heard Mayor Fritsch explain that the rumor had no basis of fact.

Old Problem Aired
A hearing had been called to air views on the year-and-a-half old problem of traffic control on Vernor and Charlevoix. For months evening traffic had jammed both streets as it streamed out of Detroit. Traffic experts had been called in to study the problem. Their recommendation: signal lights at the intersections of Nottingham, which reduced the hourly volume by 30 per cent.

Speed Still a Problem
Most of the residents voiced agreement that traffic had been reduced, but they said, speed control remained a problem. Admittedly there were speeders. However, Everitt Lane, city manager, cited the results of investigations made by Park police in plain-clothes in civilian cars. A great majority of the traffic moved at lawful (25 m.p.h.) speeds, and only a few exceptions passed at noticeably excessive rates.

Lights Less Dangerous
How could the exceptions be controlled? Police patrols are in operation but apparently inadequate. Some suggested series of stop signs. Traffic studies had proved them to be the best form of control, but they also created more accidents. Experts feel that although signal lights do not cut traffic as much, they present less danger.

Following the other suggested solutions to the problem that did not prove popular, Mayor Fritsch closed the hearing. The traffic problem, still unsolved, will undergo further study.

No Rise Experienced
In past years the water has risen during the late spring and early summer months. Said Lane, "In the past 45 days no rising trends have been experienced."

The indication that the level of Lake St. Clair may be constant in the coming weeks is found in the presently unchanging level of Lake Erie, which is the primary effector of St. Clair fluctuations. The possibility is that the high waters of Lake St. Clair may alleviate further study.

1st Baby Arrives At New Hospital

Of the 60 bassinets in the maternity department of the St. John Hospital, located on Moross road, the first since the opening of the hospital's general medical facilities on May 15, is now in use.

At 2:07 a.m., June 10, Dr. John Eocaccio, staff doctor, delivered a boy, six pounds, twelve ounces, to Mrs. Barbara Joan Stewart (husband, James), of 4540 Beniteau, 20 minutes after her arrival at the hospital.

Local businesses have donated gifts of silver, clothes, blankets to be presented to the first mother and baby. The maternity department opened June 9.

MODEL PLANE CONTEST
The Detroit Metropolitan Model Airplane Contest for 1952 will be staged Saturday and Sunday afternoon, June 21 and 22, at Fairwell Field—located on East Outer Drive—just east of Ryon road.

Bert H. Wicking, president of the Board of Education, was overwhelmingly reelected a director of the board at the annual school election held Monday. Mr. Wicking polled 825 votes while his lone opponent, Joseph L. Henry, received 160. It was the only contest in the election.

As usual, a handful of the nearly 30,000 registered electors turned out. A total of 994 votes were cast, nine of them being thrown out for technicalities.

Bert H. Wicking Reelected; Library Funds Appropriated

The Board of Education held its annual meeting Monday night after the polls closed. Results of the election were certified and the annual library budget was adopted.

The budget for the coming year was passed, with the figure set at \$114,025. The difference between this figure and last year's \$81,665 represents the additional cost which will be incurred in operating and maintaining the new Ferry Central Library, which will be completed this fall.

The Board also passed a motion to allocate \$42,500 for equipping the new library and the purchase of books.

Five Pointes Cooperating On Schedule

Publication Notices Dove-tailed to Avoid Confusion Among Residents

All of the Pointe municipalities have joined forces to insure the largest registration possible for the coming elections. A concerted effort is being made to avoid confusion to people in the Grosse Pointe area.

A plan of publication has been mutually agreed upon and dates of evening registration established to give all residents every chance to become properly registered.

Skipped Some Weeks
It has been the practice of each municipality to publish registration dates and hours twice before each registration deadline. The same has pertained to election date notices. It has happened often in the past that all of the municipalities would publish these legal notices on the same day. This meant there would be some weeks when no notices appeared.

In order that the fullest possible publicity be given these important dates, the five Pointes have agreed to split up their publications so that legal advertisements announcing the dates would appear each week from now until the registration deadline is reached. The same will hold true for the election announcements.

Schedule Announced
Notice of registration will be published in the Grosse Pointe News in accordance with the following schedule:

June 12—Grosse Pointe Woods
June 13—Grosse Pointe Park and Woods
June 26—Grosse Pointe Farms and City of Grosse Pointe

a bond issue to carry on the plan. However, the city officials feel that a very permanent improvement is now under way and the pier is being saved from any chance of being further beaten down by the high waters and storms.

Pranksters Prey On Bantam Car

Pranksters tipped a Crosley station wagon belonging to M. J. Malow onto its side in the driveway of his home at 983 Lincoln, on June 4.

Worry has been defined as putting today's sun behind tomorrow's cloud.

Trombly Scouts Ready for Camp

Summer camping time has arrived again for members of Trombly Scout Troop 86. For the first time in their history, separate camping trips have been planned for scouts and explorers of the unit.

On Saturday, June 14, the Boy Scouts, ages 11-12-13, will depart for a week of camping at Foreman's Greenwood Lodge on the Rife River near Alger, Michigan. This is the site of a similar expedition three years ago.

Under the direction of Scoutmaster Doug Simpson, the scouts will camp in tents, and will share the benefits of an extensive program of boating, swimming, fishing, and development of other scouting skills. Two meals per day will be provided by the lodge. A different meal each day will be prepared by the scouts to give them valuable outdoor cooking experience.

Arrangements for the camping trip have been made by Camping Chairman Porter Strother.

The following week, June 21, the Explorer Scouts, 14 years and older, will leave for Clear Lake, near Mindon, Ontario for a rugged week of scouting adventure, under the direction of Adviser Arthur Lamb.

Made possible through the efforts of Committeeman S. M. Huestis, the trip will feature a trek of several days by canoe and on foot through the back trails. The group will do all of their own cooking. It is anticipated that 50 per cent of the dads will participate in this expedition.

This marks the fifth consecutive year that members of the troop have been offered a week of camping together, a record which is unmatched in the Grosse Pointe area.

A 10 per cent stock dividend on the capital stock of the City Bank was declared June 3 by the board of directors. The action had been approved by City Bank shareholders at a meeting earlier in the day.

President Joseph F. Verhelle said that the issuing of the necessary 12,000 additional shares results in an increase in the City Bank's capital stock account to \$1,320,000 from \$1,200,000. At the same time, the surplus account was increased a like amount to \$1,320,000. The \$240,000 for these increases was transferred from the undivided profits account, he said.

Somebody's Going to be Surprised!

Well, it's Junetime—and the top is down—and his heart is filled with memories... and where do you think he's going?

He's going halfway up the hill, to a spot where a lane strays into the wildwood and he can glimpse the top of a fieldstone chimney above the trees. That's his lane—and he's going home!

It has been a well-guarded secret. Only two people have known about it all these months—himself and his Cadillac dealer.

And just to make doubly sure, he has hinted at almost everything under the sun as a fitting tribute to this wedding anniversary—except a Cadillac car!

Well, it won't be long now. He's getting closer and closer. And now the stones in the driveway crunch under the wheels... he gives the familiar three "toots" on the horn... and then she sees him, with his cap in his hand, bowing and pointing to the driver's seat.

Surprised? Never so much in all her life. And never more thrilled—for it's the "car of cars" for the "day of days"!

And is he happy!

Maybe it has taken him ten years—maybe fifteen—maybe even twenty... to make his dream come true.

But during all this time he never wavered in what he wanted. He wanted to make one anniversary mean something special above all the rest... by the gift of a Cadillac.

Perhaps, as you read this, you are looking forward to some very special anniversary of your own.

If you are—and you're planning on giving the gift of gifts—then you'd better come in and see us soon.

We've kept many and many a secret, for many and many a man—so you may trust us not to tell!

We'd be delighted to see you... at any time you find convenient.

Young Wanderer Has Close Calls

Young Ann Fisher, 2½-year-old daughter of Mr. and Mrs. Edwin Fisher, 404 Washington road, wandered far from home one day last week and nearly met with a fatal accident when she stepped into the street in front of an automobile driven by Arthur Champaign, of 28 Moran road.

Champaign, driving slowly along Kercheval, saw Ann run into the street as he approached Notre Dame, slammed on his brakes, got out of the car to pick her up. She squirmed away from him and was nearly struck by another automobile.

Champaign tried to quiet her with promises of an ice cream cone, finally gave up and turned her over to City police officer Robert Van Tiem, who took her to her home. According to police, it was the third time Ann had been found wandering alone.

When Van Tiem arrived at the Fisher's Washington road home, he found no one at home, left her in the care of the Fisher's gardener.

Two Cars Tangle On Lake Shore

As Elmer A. Perrault, 1265 Manistique, Detroit, was making a left turn from Lake Shore road to Kerby, William C. Harmon, of 21252 Manchester, rammied into the rear of his car.

Harmon told Grosse Pointe Farms police that he had been following too close behind Perrault and had not seen him signal for the turn.

Damages to Harmon's Plymouth amounted to \$80; to Perrault's Willys, \$25.

Big Country Carnival-Fair To Boost Scholarship Fund

Tomorrow, Friday, the thirteenth, is the day for Grosse Pointe's youngsters — and their dads and mothers. It's thrill-packed, fun-loaded Hex Day at the third annual Country Carnival-Fair on the Country Day School grounds, 43 Grosse Pointe boulevard.

For the benefit of scholarship funds at both the Grosse Pointe Country Day School and the Detroit University School, all the excitement of the traditional country fair will be in full swing, according to Mr. and Mrs. Alfred R. Glancy, Jr., general chairmen.

To provide a perfect recipe for this looked-for event that heralds the start of the Pointe's summer season, the following committee heads have gone all out. Their names and committee titles are: Mr. and Mrs. Alexander Wiener and Mr. and Mrs. John H. French, Jr., financial; Mr. and Mrs. Bruce Chalmers, co-chairmen, general arrangements; Mr. and Mrs. Walter B. Ford, II, decoration; Mr. and Mrs. Arthur B. Fuhl, Jr., booths; Mr. and Mrs. John C. Chapin and Mr. and Mrs. H. Gordon Wood, miscellaneous booths; Dr. and Mrs. Julian P. Purvis, white elephant; Mr. and Mrs. Robert Semple, midway; Mrs. Henry Hopkes, hot-dog stand; Mr. and Mrs. Ernest M. Baker and Mr. and Mrs. Joseph G. Standart, Jr., hamburger stand; and Mr. and Mrs. Edwin O. Bodkin, publicity.

There'll be interesting things to see, too. Jack Schafer's new Gold Cup Challenger, the "Such Crust IV" will be on display, a U. S. Coast Guard team will put on a safety drill and exhibit their equipment. In addition, the chief of the Walpole Indian tribe will be on hand in full regalia, to contrast sharply with one of the racing cars from this year's Decoration Day Classic at Indianapolis.

There'll be much to interest teen-agers and fathers and

mothers, too. A big, breezy carnival midway with spieler and every kind of game, a hot dog stand and a special supper hour and evening hamburger barbecue, ready to serve one and all with the traditional gustatorics of a real American country fair. Best of all, when toddlers tire, there'll be a completely organized sitters' facility on the grounds, carried out by the tenth grade girls of the Country Day School under the experienced eyes of Dr. and Mrs. David H. Richards.

Three Defendants Fail to Appear

Of the nine cases scheduled for the Grosse Pointe Park municipal court session June 4, Judge C. Joseph Belanger heard only six.

Three of the defendants failed to appear; consequently reports were sent to Lansing. Cyril Wiebelhaus, 21832 California, St. Clair Shores, had been charged with double parking on Mack avenue; Eleanor M. Shultis, 3936 Oakshire, Berkley, had been driving with an expired operator's license; Irvin J. Davis, 3444 St. Jean, had left his cab unattended. The case against Russell Troup, 336 West Pearl, Hazel Park, was dismissed. He had been charged with reckless driving. However, Troup was returned to Jackson as a parole violator.

A fine of \$16 was placed against Carl M. Weideman, Jr., 1706 Bournemouth, for speeding on Kercheval, May 13.

The case against Carl J. McPhail, 1350 Somerset, was dismissed. He had failed to stop for the signal light at Vernor and Nottingham, May 15. For an accident that occurred April 28, at Buckingham and Kercheval, Sterling A. Harris, 14917 Tuller, received a \$35 fine. Marcel A. Done, 1335 Drexel, was fined \$10 for an accident on Three Mile drive, May 15.

William A. Temple, 3344 Ethel South; Detroit, was fined \$8 for disobeying a signal light on May 7.

Warning Issued By Safety Heads
According to George Measel, chairman of the Grosse Pointe Traffic and Safety Committee, 1,420 children 1 to 15 years of age were killed in pedestrian accidents in 1951 and 90,000 children were injured.
Forty percent of these children were injured and killed during the three vacation months of June, July and August. Child accidents normally increase 50 percent during the month of May with warm weather allowing children more time outdoors for play.
This means that the parents have a very serious responsibility, during this period of the year to make additional effort to protect their children, the Chiefs of Police and committee members warned today, as school patrols, crossing guards and other protection for school children is not available during the summer months.
The most serious increase in child accidents was to children playing in the streets—there was a 27 percent increase in fatal accidents and 3,700 more children were injured playing in the streets in 1951 than in 1950.
The most dangerous hours—when children are struck down by cars are the hours of 5 to 8 p.m. With the above thoughts in mind the Grosse Pointe Safety Committee offered the following suggestions to aid parents in protecting their children:
Parents should make safe walking habits their habits—
Whenever you cross the street stop at the curb and look both ways, keeping in mind that while you walk 12 feet from the curb a car travels 132 feet at 30MPH. Help your child to realize how much space there must be between him and an approaching car before he can safely cross. Teach him to wait for cars to pass and to wait for a break in traffic.
Cross at intersections, as that is where the motorist expects you but watch carefully for turning cars.
Never step into the street from between parked cars and your child should be advised never to run into the street as either of these acts are very dangerous.
Parents must realize too that darkness brings reduced visibility and that extreme care must be taken at night in crossing a street, then pass these rules on to your children.
All the Committee members urged "more careful driving when children are in the vicinity. Further that parents should not send children on errands at night or at any time across heavily traveled streets or highways—until they are old enough to study traffic for a safe crossing.
For toddlers parents should provide back yard play yards or play areas with swings and other play equipment and these should be fenced in if possible. Remember the happiness and safety of your child depends on YOU as traffic is dangerous for pedestrians unless they use care.

Legendary Stone To Be Presented
Formal presentation of the Windmill Point mill stone to the Grosse Pointe Historical Society will be made at 4 p.m., Friday, June 20, at the Grosse Pointe War Memorial Center.
The legendary stone, imported from France more than 200 hundred years ago, was at the Lauhoff Milling Co. located at the foot of Chene, for the past century.
The presentation will be made by Mr. George Lauhoff in the new test gardens on the lake side of the Center. The stone has been placed at the hub of the wagon-wheeled foot paths in the garden.

Tossed Cigaret Burns Car Seat
Grosse Pointe Park firemen answered a call to Nottingham and Mack avenue Thursday, June 5. On arrival they found the back seat cushion burning in a 1951 Ford Victoria.

Students from the Detroit University School pitch in to make scenery and fixtures for the big carnival-fair to be held on the Country Day School grounds tomorrow, Friday, June 13. Left to right are: PAUL BROWN, ALVIN LAPPIN, industrial arts instructor at DUS; FRED DUFFIELD and JOHN STANDISH.

U. of D. Confers Degrees on 1382
The Very Rev. Celestin J. Steiner, S. J., University of Detroit president, conferred degrees on 1382 students who graduated as the class of 1952 on June 11. Since there is no mid-year graduation at the University, 417 of this group receive diplomas for work completed in January.
For the first time in its 75-year history, the University of Detroit holds baccalaureate and commencement exercises on campus using the newly available facilities of the University's Memorial Building which was dedicated May 25. In the main auditorium of the new building, 12,000 seats are available for both ceremonies.

Young Thespians in Annual Show

Each year on Memorial Day, the children of Lochmoor boulevard fete their parents with a performance consisting of original skits, songs and dances. Such an established custom has become that residents of this particular block on Lochmoor wouldn't dream of leaving town on that important week end.

And neighbors who have moved away usually return for the day. Such was the case this year when Mr. and Mrs. S. M. Hanley and their daughter Norma came back to the Pointe from their new home in Cleveland for the performance.

Teen aged Norma was crowned

Queen of the block by the children who fashioned a regal crown of flowers and presented it to her with full ceremony. Children taking part in the skits and their parents who attended included: Lorna Maguire, daughter of Dr. and Mrs. Clarence Maguire; Ruth Ann and Peggy Merrick; daughters of Mrs. Ruth Merrick; Connie Hamman, daughter of Mr. and Mrs. Paul Hamman; Judy Bonahoom, daughter of Mr. and Mrs. Alfred Bonahoom; Lucinda Rogers, daughter of Dr. and Mrs. A. Z. Rogers and Cherie and Artie (he was in charge of props which consisted of mamas' old formal hats etc.) Daughter and son of

Mr. and Mrs. Arthur Kleinschmidt. The performance took place in the Rogers' garden and was followed by cookies and punch. In the evening, the party moved to the Kleinschmidt home where movies of last year's skits were shown. The children start work on this project at Christmastime and manage the entire program by themselves.

Makes Envious Record At Emma Willard School

Miss Sarah Noble Schemm was graduated on Sunday, June 8, from Emma Willard School, Troy, N.Y., at the 138th commencement of the school. Miss Schemm is the daughter of Mr. and Mrs. George A. Schemm of Maumee avenue.

Miss Schemm has attended Emma Willard three years. In her first year she was a member of the dress committee and the Chapel Circle council which is concerned with the religious life of the school. She was secretary of her class in her junior year and at the same time served on the social committee and the welfare committee which guides the philanthropic work of the students.

This past year she has been president of Chapel Circle and a member of School Council, the executive body of the school. This spring Miss Schemm received the two highest honors given at Emma Willard. She was elected to Cum Laude Society for high academic achievement, and was named an E.W. student for outstanding qualities of character and citizenship. She plans to enter Smith College next fall.

Miss Schemm's mother, the former Elizabeth Goodenough, is also an alumna of Emma Willard and has served as vice-president and director of the Emma Willard Alumnae Association.

Pointe's First June Deb

ing his BA degree from the University of Michigan with this year's senior class.

Well, here comes a party where the White Elephants are being called just plain old White Elephants, after all. (Remember, we wondered if the name had been banished from society pages in favor of Attic Booths and Donkey Booths?)
There's to be a White Elephant Sale at Mrs. GERALD W. CHAMBERLAIN'S this Friday afternoon when she opens her Whittier boulevard home and gardens for a tea party to benefit Allied Youth.
Party begins at 2 p.m.
The annual meeting of the Garden Club of Michigan takes place next Wednesday at the

Lake Shore road home of Mrs. JULIAN P. BOWEN.
All the members will take box lunches, arriving at 1 o'clock and the hostess will serve tea and coffee.
What's more, the day includes a competition among members who are asked to bring a peony or a rose from their gardens. These, displayed in milk bottles which are to be marked with name of variety of the blossoms, will be judged for perfection and interest.
MISS SALLY ANN HUBBARD, daughter of Mr. and Mrs. HENRY H. HUBBARD, of Muskoka road, will be granted the bachelor of science degree at Milwaukee-Downer college Monday, June 16, at the annual commencement ceremonies of the college.

Incidentally, the Editor of Grosse Pointe News could very well take a ribbon or two in any garden club's competition with the roses he persuades into bloom at the back of the News office.
One day he rubbed the printer's ink off his thumb and proved it was green.
Ramblers climb the high fences of the News' garden and there's a bed of the most impressive rose bushes which bloom from mid-May till the snow flies.

June 9th was the last day of school at Convent of the Sacred Heart on the Lake Shore and off whizzed MAUREEN FEELY (daughter of THE FRANK J. FEELYS of Neff road) for a month in Houston, Texas.
She'll fly back to the Pointe and pause long enough to pick up her camp togs and then be off again for a few weeks of riding at Whelaway Ranch in Addison, Mich.
While THE WENDELL RODKYS of Port Elizabeth, South Africa were in the Pointe visiting the ROBERT GRAY KALES, they spent much of their time watching approvingly as their hostess schooled her nifty steeds, Guardsman and Brilliant Star for the forthcoming Grosse Pointe Horse Show.
It's June 19-20-21 and 22 and will be held at Grosse Pointe Hunt Club to benefit Girlstown.
Mrs. Rodky and Mrs. Kales rode together as girls in the East.

Home-from-school set participating in the Horse Show will include NANCY LEE RUEDEMAN, DICK FRUEHAUF and JANET ALLEN . . . The Young Married will be represented by Mrs. LEWIS STEVENSON EDWARDS (Gloria Roberts).
We hear that MRS. HAROLD S. ROUNDS and her son-in-law and daughter, THE ED HENKELS JR. are pushing their European itinerary to make it back to the Pointe in time for the Horse Show.

Debut of Molly Kerr Opens Pointe Season

Pointe's First Debutante Molly Kerr Presented to Society At Afternoon Tea on Wednesday by Her Mother, Mrs. Harry W. Kerr of Touraine Road

The Pointe's first debutante of the Summer season stepped into June's spotlight Wednesday afternoon, when Mrs. Harry W. Kerr of Touraine road presented her daughter, Molly, at a home tea.
The brunet deb in a froth of a frock that shaded blue and green silk organza, stood with her mother before the fireplace in their living room to receive the steady line of guests arriving to greet her.
A slim, short sleeved bolero topped the halter neck bodice of Molly's dance length dress, the skirt of which billowed over matching sea taffeta.
The deb carried her grandmother, Mrs. Willard Pope's flowers, a cascade arrangement of deep purple violets and sweet-heart roses.
Gracefully assuming their roles of assistants to the deb were a number of girls who will be presented to society this June. Each wore Molly's gift of shattered yellow carnations arranged in small corsage.
The assistants included:
Elsa Barr, Joan Dryden, Alden Edgar, Elise Hahn, Ann Meder, Mary Kate Worcester and Dorothy Wood.
After traveling the receiving line, guests were served tea and coffee by friends of the deb's mother.
Here yellow Peruvian lilies were combined with other golden flowers in a Steuben container to form the centerpiece.
Mrs. Kerr's assistants were:
Mrs. James B. Angell, Mrs. Kendrick B. Brown, Mrs. Selden S. Dickinson, Mrs. Douglas Donald, Mrs. Selden B. Daume, Mrs. Henry H. Hubbard, Mrs. Wallace M. Jensen and Mrs. Herbert H. Micou.
Mrs. Pope attended her granddaughter's coming of age party in a cool green silk print gown.

Susan Wheelock, daughter of Mr. and Mrs. Wendell K. Wheelock of Cloverly road, will be married June 28 to Charles N. Renfrew. Susan was graduated this month from Vassar and has just returned with her parents who attended the ceremonies.

Parties for both these brides-elect dot the social calendar.

On Saturday, Dorothea will be feted at a luncheon and kitchen shower in Grosse Pointe Yacht Club by two of her bridesmaids: Virginia Stoddard and Catherine Wetzel.

In the evening another bridesmaid, Mary Ann Queen, is giving a cocktail and supper party for Dorothea in her home on Trombley road.

The Frank O. Weirs of Lakepointe avenue were hosts at a cocktails and dinner dance last Saturday evening for Beverly Brown and Willard Pope Kerr whose marriage takes place June 14.

The Weirs gave the party in the Maxon clubhouse, a quaint stablehouse which Mrs. Weir's father, Lou Maxon has converted into a charming and different place for entertaining.

Guests dined at small tables gaily covered with red and white checkered cloths and danced till the wee small hours.

The hostess wore a dancing frock of white chiffon and the bride-elect was in red and tan taffeta cocktail frock with white orchids at her shoulders.

Mr. and Mrs. Salvatore Evola Jr. Motor to Houghton Lake Following Evening Wedding in Faith Lutheran Church; Bride's Parents Hosts at Reception

At an evening ceremony in Faith Lutheran Church last Saturday, Joyce Marie Schreiber spoke her wedding vows with Salvatore Evola, Jr.

The Rev. Charles Lange officiated at the nuptials. It was a double ring ceremony.

Joyce's parents, Mr. and Mrs. Albert Schreiber of Chalfonte avenue, were hosts to the guests at the wedding reception in their home following the church service.

A crescent bouquet of white camellias, stephanotis and ivy was carried by the pretty bride who wore a gown of Chantilly lace and imported silk tulle.

Lace fashioned the gown's slim bodice and the great skirt of white satin was shadowed in tulle embroidered with lace appliques.

The skirt extended into a formal, cathedral train and Joyce's fingertip length bridal veil fell from a Juliet of lace and satin and pearls.

Mrs. Karl Scott Jr. was her sister's matron of honor. She was dressed in strapless gown of coral net, its three-tiered skirt falling floor length. A tiny matching jacket was worn over the petal shaped bodice in church.

Mrs. Scott carried a cascade bouquet of blue delphinium with streamers of ivy and ribbon.

The same costume was worn by the bridesmaids who included

the bride's cousins, Carol Kern and Joan Bobertz of Tuckahoe, N.Y.

Robert McKendrick performed duties of the best man for the bridegroom who is the son of Mr. and Mrs. Salvatore Evola of Edsel Ford court.

The wedding guests were seated by Richard Russell and Charles Piccicken.

For her daughter's wedding, Mrs. Schreiber affected a gown of rose beige chiffon and lace with small matching hat.

The sepior Mrs. Evola chose for the evening a floor length costume of aqua chiffon and lace with tiny blending chapeau.

When the young couple left the wedding reception, the bride donned for traveling a becoming dressmaker suit in soft golden tones.

The newly-married Salvatores are motoring in Northern Michigan on their wedding trip and will headquarter at Houghton Lake.

Upon their return, Joyce and her bridegroom will make their home in Grosse Pointe.

Tomorrow is the day that the thing you didn't put off today will begin to sprout.

Miss Bedford Speaks Vows

The marriage of Ruth Helena Bedford, daughter of Albert F. Bedford of Neff road, and to Walter Lyle Krentler, took place Wednesday, June 4 in Grosse Pointe Memorial Church.

The Rev. Frank Fitt performed the 5 o'clock ceremony.

The bride wore a navy blue faille frock with small hat of cafe au lait lace trimmed in navy velvet. Her flowers were pale pink tea roses.

Mrs. John S. Goodman was her sister's only attendant and Mr. Goodman was best man for Mr. Krentler.

Mrs. Goodman wore navy blue faille dress with white accessories and a corsage of gardenias.

Following the church ceremony, the Goodmans entertained at a family dinner in the Detroit Boat Club for Mr. and Mrs. Krentler.

The guests included Mr. and Mrs. Walter Krentler, Mr. and Mrs. Robert L. Krentler and Mr. and Mrs. Robert S. Anderson.

Flood Situation as Viewed by Golfers

—Picture by Fred Runnells

Milk River has risen very close to the top of its banks at this point on the Lochmoor Club golf course. The City of Grosse Pointe Woods wants to dike the river to prevent any overflow which might spread to other sections of the city. The club would like to dike its north and south boundaries, which would contain the waters on the club property in the event of a flood. If the flood fails to materialize, golfers would not be bothered with the additional hazard of a dike across the fairway. The dike would keep a lot of balls out of the river, but the golfers are too sporting to consider this phase of the argument.

Suggests Neighborhood Club For City's Primary Voting

Due to the inadequacy of municipal property in the City of Grosse Pointe, administrative officials have recommended that the polls for the August 5 primary be set up at the Neighborhood Club, at 17145 Waterloo.

In past elections, booths have been placed in the City fire station. Provisions for only 40 booths were available because of the physical plan of the building. 3,600 people cast their ballots under those circumstances in the last election. Under the new proposal, booths would be placed around the Club gymnasium, allowing more facilities for the voters and alleviating congestion. Also, in the event of bad weather the lobby of the Club could be used as a waiting room.

"The only change under this proposal," stated Norbert Neff, city clerk, "would be in the location of the polls, not the voting districts."

Most of us prefer to profit by the mistakes of others, rather than by our own.

Myron B. Bloys Injured In Crash

Two persons were injured last Saturday in a head-on auto accident on St. Paul near Lakepointe. Treated at Bon Secours Hospital were Mr. and Mrs. Myron B. Bloys, of 1101 Grayton; Mr. Bloys for an injured nose; his wife, Helen, for lacerations of the forehead.

The accident occurred when William H. Grindle, 866 Nottingham, swerved from behind a line of cars along the curb into the Bloys car, approaching from the opposite direction.

Grosse Pointe Park police ticketed Grindle for drunk driving.

Hourihan to Get Doctor's Degree

One of the seven degrees of Doctor of Education to be awarded by Wayne University at the Commencement Exercises on June 12 will be conferred upon Joseph P. Hourihan, Visiting Teacher for the Grosse Pointe Public Schools. The title of his doctoral dissertation is "The Duties and Responsibilities of the Visiting Teacher."

Since 1939 Doctor Hourihan has been employed by the Grosse Pointe Board of Education. He has taught at the Richard, Mason, and Maize Elementary Schools, and has been a Visiting Teacher in the Department of Pupil Personnel since 1948. During World War II he served in the Eleventh Air Force in Alaska and the Aleutian Islands.

Doctor Hourihan was graduated from the New York State College for Teachers at Buffalo in 1939 with a bachelor's degree. He received the Master of Education degree from Wayne University in 1942 and the Master of Science in Social Work degree from Columbia University in 1948.

Doctor Hourihan is a member of Phi Delta Kappa, national honorary education fraternity, Beta Sigma Phi Fellowship of Wayne University, and is the president of the Michigan Association of Visiting Teachers.

Pointe Artists Awarded Prizes

The three prize-winning paintings of the Adult Education Classes in oil and water color were determined in a contest of 35 Pointe artists, May 22, marking the close of class instruction for the year.

Mrs. Thomas K. Jefferies, of Lake Shore drive, Mr. Louis Chaney, of Brys drive, and Miss Janet Crawford, of Maryland, were awarded the prizes, donated by the Notre Dame Pharmacy. The paintings are now on display in the pharmacy, at Kercheval and Notre Dame.

Clifford Wests Sail to Europe

Reckless Drivers Pay Up in Court

Judge Donald J. Goodrow heard six cases at the Grosse Pointe Woods municipal court session last Saturday.

Because the complainants would not press charges, the cases against John H. Shafer, 22778 David, Detroit, and William Imrie, of 1342 Hollywood, were dismissed. Shafer and Imrie had been involved in accidents on Mack avenue on May 14 and 29, respectively.

A \$15 bond was forfeited by A. W. Cytacki, of Hamtramck, when he failed to appear to answer charges of speeding on Marter road, May 9.

Velma D. Smith, of 4911 Whitfield, Detroit, received a fine of

\$20 for speeding on Mack avenue, May 6.

A fine of \$35 was placed against Vito Vic Caruso, 1424 Torrey, for speeding on Mack, January 21.

Albert Van Hull, 943 Vernier, was fined \$10 for speeding on Vernier, April 17.

It Deserves Support

A membership drive which is now being conducted by the Grosse Pointe Property Owners' Association deserves the support of all those who maintain their residences in this most favored community.

The GPPOA is a non-profit organization incorporated for the purpose of maintaining high community standards and protecting property values.

In 1945 it was felt that property owners should have a greater interest in the work of the organization, and those wishing to join were allowed to take out memberships.

In 1951 it was felt that the association could more effectively serve the property owners' interest by representing them exclusively.

Membership in the GPPOA is open to all property owners, builders and realty brokers who build, buy and sell Pointe properties.

The association works constantly in an educational way to promote an understanding of things which might jeopardize the investment of local property owners.

Some examples of the work done since the first of this year should be cited. The association took the lead in the fight against the Dutch Elm disease which threatened property values.

The association has petitioned for lower fire insurance rates, basing its arguments on the low frequency and severity of damage from fires in the Pointe.

The GPPOA has petitioned to have door-to-door delivery of mail by foot carriers started in some of the areas where mail was previously delivered late in the day by car and left in curbstone mail boxes.

The association is checking into a proposed state tax on municipal piers such as those maintained by all five Pointes.

An essay-writing contest on the subject "How to Beautify and Protect the Grosse Pointe Communities," sponsored this spring, attracted a large number of entries and produced many valuable suggestions.

The association has also played a leading role in the campaign for flood protection. A public educational program has been conducted to inform the residents how best to protect their properties and how to combat danger to health from flooded basements.

Assistance in protecting property values is provided by the GPPOA's confidential credit and character investigations of potential and probable purchasers referred to the association by brokers, builders and property sellers.

The association will lead the fight for protective restrictions in new subdivisions and will seek amendments in present zoning laws in order to make them more effective in protecting property values.

Individuals who appear to be more concerned with their own personal gain than in preserving the desirable aspects of the Pointe, are contacted and the aims of the association are explained to them and their cooperation sought.

The organization has many other projects on its calendar, such as a study of lake pollution and the further development of healthful recreational facilities; the establishment of a City Planning Commission to develop an over-all plan for all of the Pointes; inspections of all streets and parks for the purpose of reporting to the individual municipalities on improvements that can be made.

To carry on this extensive program and amplify its service to all property owners, the association needs the support of all of the residents. Membership dues are \$10 per year for those whose property has an assessed valuation of less than \$20,000; \$25 a year for those with property assessed at more than \$20,000; builders, subdividers and other interested in buying and selling Pointe real estate, \$30 per year.

The association maintains offices at 16840 Kercheval avenue, under the direction of an executive secretary, Robert L. Thibodeau, a graduate of the University of Notre Dame. He has also just received his law degree from the University of Detroit. The books and records of the association are open to inspection by members at any time during business hours, 9 a.m. to 5 p.m. The telephone number is TUxedo 1-1990.

H. Gordon Wood is the president of the association, H. Lynn Pierson, vice-president; Frederic B. Besmer, secretary; and James A. Zinn, treasurer. Directors include A. John Bloodsworth, George M. Burgess, David C. Crawford, Louis F. Dahling, Russell M. Harkness, Ray M. Lewis, Paul Maxon, Anthony R. Mutschall, Leonard P. Reaume, Alger Sheldon, John S. Sweeney, Jr., Virgil Walling and Frank Wilton.

Grosse-Exaggerations

"It is not often thus around Our old familiar hearth we're found. Bliss, then, the meeting and the spot; For once be every care forgot; Let gentle Peace assert her power, And kind Affection rule the hour. We're all... all here." (Charles Sprague)

On the occasion of our first visit to the opera, we learned from an old opera-lover the meaning of the word "claque."

A group of fans sit together in the gallery and whenever their hero moves or opens his mouth, they set up a clapping of hands and stamping of feet, causing enough din to make the patrons of la opera want to choke them.

We are beginning to run into just this sort of thing whenever a political candidate opens his mouth and we are getting mighty sick of it. During Eisenhower's first speech from Abilene, a handful of people clapped or hooted at every comma and semicolon...

The same thing happened when General MacArthur spoke in Detroit. We were ashamed of the group of citizens who kept interrupting him with a stupid smattering of applause...

If we were a campaign manager, we'd have one of those emcee guys from radio (like Tony Marvin), who stands on the sidelines with a great placard reading "applause." We would also make it clear that anyone who applauded before that sign was raised, would be thrown out on his ear.

Speaking of Eisenhower, we got a great kick out of the television schedule in the paper on the day of his arrival, which was to be televised at 6 p.m. The schedule for six o'clock read as follows: Channel 2: General Eisenhower Channel 4: General Eisenhower Channel 7: Auntie Dee

We'd like to have taken a Fryor rating at that hour to see how many folks were tuned in on Intrepid Auntie Dee... but we were busy elsewhere!

Parents of the young college set will like this... because it is SO like "junior." A local boy arrived home from college last week, driving his own car, the back of which was piled to the roof with luggage, and boys who lived in the district. Besides everything else in the car, he also managed to tote home his bass drum! After all the luggage had been removed and the drum brought into the house, he proceeded to unscrew the drum top and unpack it! He explained that there wasn't room for everything in his bags, so from the drum he drew forth, (to the amazement of his gaping family), two blankets, a bed pad, (a portable phonograph and thirty-seven albums of records!

We don't want any letters about the following story. We didn't make it up. It was told over the radio, by "Satchmo" one afternoon last week. He sez when he was a wee tot, his mother asked him to go to the well at the back of the house and fetch a pail of water. Like most little boys, he forgot about it and when he returned to the house without it, she said he would have to go back and GIT it.

Satchmo was in no mood for same, so childlike, he said to his mother that he was AFRAID to go to the well for water because there was a big crocodile in the well. His patient mother explained that that was all right because the crocodile was just as afraid of HIM as he was of it. To which Satch replied: "Well, if he's as afraid of me as I am of him, that water won't be fit to drink anyway!"

One of our fancier restaurants sports a small musical group which plays during dinner. One evening last week, one of those good time Charlies came into the place for dinner and spread his "butter and eggs" largess all over the place. After paying his bill, he sauntered over to the orchestra and complimented the violinist on his playing. During the short conversation about music in general, the violinist mentioned that his "fiddle" was a very old one. Charlie slapped him on the back and said, jovially, "Don't you worry about THAT. You play that thing so well, it won't be long before you'll be able to afford a new one!"

Pointe Horses Face Stiff Competition in Big Show

The blue ribbon horses of Grosse Pointe Hunt Club members will have to look to their laurels when they compete against top performers from some of the country's most important out-of-state stables at the Grosse Pointe Benefit Horse Show, June 19 through 22.

Mrs. Robert Gray Kales' three-gaited champion "Guardsman," is consistently in the ribbons around the horse show circuit and is the current Michigan Three-Gaited Amateur Champion. Ridden by Mrs. Kales, "Guardsman" won the Reserve Championship at the recent Buffalo Show. The Kales will also show the five-gaited "Brilliant Star" at Grosse Pointe.

The Ernest C. Putnams hope for big things from their four-year old "Gray Knight" which won the hunter stake as well as the hunter championship at the Jackson County Horse Show this past weekend. Other Putnam hunters entered at Grosse Pointe are "Brown Tower," "Smithfield" and "Paragon."

Miss Jeanne Vance, daughter of Joseph A. Vance Jr., did herself proud with five-gaited "Midnight Express" last season. "Midnight" with Jeanne up, was Reserve Champion at Dayton and won the five-gaited show stake at Fort Wayne. Another Vance entry in the Grosse Pointe saddle division is the three-gaited "Black Symphony."

On a trip to last year's Dublin Horse Show Charles Verheyden purchased a bay gelding "Ballyshannon," which he has entered in Grosse Pointe's Green Hunter Class. Another Irish colt that will vie for ribbons here is Nancy Ruedemann's four-year-old "Balbriggan."

A favorite in Junior Day competition, Thursday, June 19th, is Lauren Edgar's "Briarmint," the PHA show champion at Metamora a couple of seasons ago. Lauren, on this mount, earned the highest number of points this season during the Hunt Club's schooling shows and will have her name engraved on the Arnold E. Hofmann Hunter Seat Challenge Trophy and be awarded a replica of same on Junior Day.

Still other Hunt Club entries are Mrs. Harold S. Well's fine harness beauty, "Countess Hildergarde," Mrs. Mulford's "Gum Drop," Mrs. Gloria Roberts Edwards' "Nuggety But Nice," the John Mulford's "Mr. Kelly," Mrs. Walter V. Stewart's "Carefree," Krystyn Glancy's "Wise Acree," Barbara Fruhauf's "Sienna," Judge Miles Culehan's novice five-gaited "Leland Stonewall's Dream" and Janet Allen's "Politician."

What Goes on at Your Library

by Jean Taylor

The welcome sounds of hammer and saw are heard again at the corner of Fisher road and Kercheval avenue. The carpenters are back on the job and the new Central Library, the beneficent gift of Mr. Dexter M. Ferry Jr. progresses.

Already many interested organizations and citizens have given generously to help provide additional books, equipment and furnishings.

Donations have been received from the American Association of University Women, the Junior League of Detroit, the Grosse Pointe Rotary Club, the Detroit University School and the Grosse Pointe Country Day School, the Auxiliary Alger Post VFW, the William Lyon Phelps Foundation, the Village Homes Company of Grosse Pointe and the Grosse Pointe High School Mothers' Club.

The growing list of individual donors is indicative of the practical interest shown in this community project. These contributors include the widow and four children of the late Charles A. Parcells, Mr. and Mrs. Marion K. Kellogg, Dr. Frank Pitt, Mr. Karl Kuhn, Mr. Alger Sheldon, Mr. and Mrs. Haldeman Finnie, Mr. Edward J. Pongrancz, Mrs. Shirley Snow, Mr. and Mrs. M. H. Purts, Mrs. Russell McLean and three "out-of-towners," Mr. and Mrs. J. Lester Dryden of Charlottesville, Virginia, and Miss Florence Severs of Portland, Oregon, former director of the Grosse Pointe Libraries.

This is a heartening expression of generosity and interest which makes us proud and grateful. Anyone in the community who is interested in forwarding our library program may call Mr. Orr at the Main Library, VA. 2-2536. The Junior League of Detroit has undertaken the no small task of raising funds for the furnishing and equipment of the children's room of our Central Library. To provide money for this purpose the League is sponsoring a benefit performance at the Coronet Theatre, Monday, June 16, at 8:30 p.m. An amusing British film, "Tony Draws a Horse," will be shown. It promises to be an entertaining evening. We'll hope to see you there.

We are sure that our staff is not one of clock-watchers but comes June and some of us have to admit we are guilty of calendar-watching. With vacations coming nearer and nearer, who's to condemn us for an occasional wistful glance at that red letter day which says it's our turn.

Again we suggest that you take advantage of the vacation privilege offered by your library. If you are leaving the City during the summer, be the period short or long, you may take books with you and these need not be returned until October 1. All books except those of very recent vintage are available for this purpose. This is the time to catch up on your reading.

Why take a book on your vacation? We pilfered five reasons from the Boston Globe. 1. You can write postcards on it, if the desks in the post office are crowded. 2. You can wrap it in a towel and use it as a pillow on the beach. 3. If you spread a newspaper over it, you can eat a lobster handily from it on picnics. 4. You can use it as a tray to balance bottles, cigars and candy bars in the sand. 5. If everything else fails and it's raining—you can always read it.

As we have done previously, we are discontinuing the library column during the summer. As we sign off we wish to express our sincere appreciation to Mr. Robert Edgar and his staff for the splendid cooperation they have given us this year. Our red

Youths Engage In Street Fight

Two car-loads of Grosse Pointe and Detroit boys mixed in a short-lived fight Wednesday night, June 4. The words began flying at Mack and Moross and moved to the corner of Harvard and St. Paul where cars were parked and fists began to fly. Grosse Pointe Park police arrived on the scene only to find the group milling about, the fight over. According to the police, no one was hurt, and the only damage was a torn shirt.

Find Stolen Car In Parking Lot

Joseph Kemle, of 324 Hillcrest, reported to Grosse Pointe City police that while his wife had been shopping on Kercheval avenue on June 6, someone had driven away in her 1952 Buick. The car was recovered a short time later in a parking lot nearby, locked up as Mrs. Kemle had left it. Mr. Kemle told the police that he was quite sure the automobile had been driven some distance. But less than 30 minutes had elapsed from the time the car was missing to the time it was recovered.

Accident Rate Drops In Park

Through the end of May of this year, reported Arthur Louwers, Chief of Police of Grosse Pointe Park, the accident rate in the Park has decreased considerably by comparison with the same period of 1951. During the first five months of last year 149 accidents were reported, with 50 injuries and one death. This year 117 accidents have been reported, 28 injured and no deaths.

Fair peace can come only after Communism has been obliterated.

there's more to cleaning a rug than just washing its face

Rug cleaning is no job for an amateur. A knowledge of every type of rug construction is needed, and how to remove deeply imbedded dirt.

Rugs must be cleaned scientifically ALL THE WAY THROUGH if all the dirt is to be removed—they need gentle handling if you are to get maximum life out of them—they must be dried under perfect temperature control to protect their threads.

Only a rug that has been PROFESSIONALLY cleaned can keep that "like-new" appearance and springy texture month after month. And bright, cheerful, new looking rugs will add freshness and beauty to your home.

400th Editorial Printed by Kopp

In this issue of the NEWS there appears the four hundredth editorial advertisement of Fred M. Kopp, Registered Pharmacist, on health care.

For the past seven years and nine months, the editorial page of each issue of the NEWS has carried an ad for Kopp's Pharmacy, which is located on Kercheval in the Village.

If you stood each end to end, as one column, it would reach very nearly half the height of the Statue of Liberty.

City to Conduct Public Hearing

The City of Grosse Pointe will hold a public hearing at 7:30 p.m., June 23, on a proposed zoning change in the Kercheval avenue business district.

The proposal to be presented will concern the extension of a portion of the buildable area in the district, 40 feet toward Waterloo on the north side of Kercheval, to a depth of 150 feet.

The present permissible overall depth on building is 115 feet. The extension would permit enclosed areas for the servicing of the building, such as removal of rubbish.

Norbert Neff, City clerk, stressed the point that no frontage extension east, toward Neff road, is envisaged in the proposal in order to prohibit encroachment into residential zones.

Smiley's 'Orient' Defeated In Old Club Regatta By Foul

By Fred Runnels

Paul Smiley's Hong Kong built 64 foot cutter "Orient" wrapped up her second successive Detroit River Yachting Association regatta victory last Saturday, June 7, when she led the fleet of 32 boats across the finish line in the Old Club Regatta. But the judges snatched the top honors from likeable skipper Smiley by disqualifying the Hong Kong queen for "barging" at the start. From where we sat aboard our Privateer "Wind Toy" we thought Smiley and his crew made a perfect start BUT we weren't as close to the picture as the score of judges were, and in sailing, the judges' word is final.

And on the race committee boat were some of the very best officials in this game of sailing. There were DRYA Commodore Ed Bodkin, Race Committee Chairman Jack Sutton, Rear Commodore Philip Phillips, Murray Knapp, Secretary Hal Smith and Bill Phillips.

'Kandu' Gets First
By disqualifying "Orient" two boats were given a chance to carry home top laurels. Wilfred McGuire's Mackinac sloop "Kandu," sailing in cruising B division, was declared the overall winner by having the best corrected time. Ernie Wagner's 44-foot sloop "Last Straw" topped the Cruising A division which included Johnny Ford's "Royono VII," Toot Gmeiner's "Apache," Gil Pingree's "Red Head," Nubby Sarns "Reverly" and Freddie Marsh's "Sagitta," which finished in that order.

Leydoff Too Anxious
Chuck Leydoff got a little anxious and pushed his "Joanne," a 40-foot Owens cutter, over the line with the Cruising A boats five minutes before the Cruising B start and disqualified himself. It was a shame too, because "Joanne's" crew did a good job of working to weather against the light and variable northeast zephyrs that prevailed throughout the 15-mile race to buoy number 31 which was the finish line. Actually she was 21 seconds ahead of the winner, "Last Straw."

'Tempress' Wins
Walt Kunow's double-ender, "Tempress," got her first winning gun on Lake St. Clair when she edged the Cruising C champion "Marbill," a 32-foot Pilot Class skippered by Bill Hanson and his "boy Friday," Pete "Gin Rummy" Beyer. "Tempress" beat "Marbill" in a dandy boat-for-boat scrap by 42 seconds and this margin became greater when the handicaps were figured. Walt had the good fortune of having George E. Van aboard and anyone will tell you "Van, the man" lives in a charmed circle of winning boats. It seems every time he sets foot on a boat it either wins or is a close contender for top honors.

Hank Burkard's "Meteor," a double ender like "Tempress" with a mixed cruising crew aboard, finished third after working up from last place in the six-

boat fleet. Burkard was 30 minutes and a few seconds behind the winner.

Milt Cross Undefeated
Milt Cross, the grand old man of the active skippers hereabouts, remained undefeated in the 8-meter class by topping "Shamrock" and "Thisbe" in a three-boat race.

Al Thomas bested his only other competitor, Jack Williams, in the Raven class and no Stars showed up. Usually the Stars and Ravens have lots of fun comparing elapsed times to prove one class is better than the other. And incidentally this race was perfect Star weather, light breeze and no waves.

Privateers Absent
When no other Privateers showed up to play we asked for and got permission to start with the L class, which had only four starters out. Freddie Jensen beat Tom Hansen by 10 minutes and we had the race cinched right from the beginning because we had no competition. So it was a nice cruise until the wind went to bed when we were 100 feet from the finish line. The judges watched us try to make the line for a half hour and then decided to move the committee boat down to where we were to fire the winning gun.

Information Lacking
The reason more boats didn't show up was because the Old Club didn't have enough advance notice on the race. Each year it has always been a big question in the sailors' minds whether or not the race is on or off. It seems it depends on the commodore of that year whether the regatta goes on or not. Commodore Kessler is the "man of the hour" this year. He also donated the Kessler trophy which goes to the winner of the class that has the greatest number of boats finish. "Last Straw" and "Tempress" will share the trophy equally. Both Cruising B and C had six accredited finishers.

Send That Check
Next Saturday, June 14, Bayview. If you haven't sent your two bucks to DRYA secretary Hal Smith for your sustaining membership, you won't get a program and you won't know where to sail. And if you do happen to get

Score Upset In Net Meet

Coach Bill Mikulich's Blue Devil tennis team didn't even come close in the State Class A tennis meet last Friday and Saturday, June 6 and 7, but the Devils' doubles team of Mike Bem and Bobb Hardies scored the biggest upset of the two day affair.

Mike and Bobb whipped the second seeded doubles team of Jack and Joe Haskins of Midland, Michigan, in straight sets 6-2, 6-2 to gain the semifinals where the Grosse Pointe pair bowed out of the meet.

On Friday Pete "Perpetual Motion" Wardle found the competition too stiff and bowed out in his first match, losing to Jurgen Diekmann who recently came from Germany and is completing a year of study at Jackson High.

In all the Pointers won two matches to score three points which placed the Devils far down in the standings. Kalamazoo Central won the Class A team laurels with 6 1/2 points with Jean Hoxie's Ham-track netters taking second with 5 1/2 points.

Gordon Maitland Made Co-Captain

Gordon Maitland, formerly one of Grosse Pointe High's better milers, was elected co-captain of the freshman track team at Trinity College, Hartford, Conn.

Gordon was the number one miler on the 1952 team and his dad Doc Maitland, the Blue Devils' unofficial, self appointed trainer for 1952, is popping all the buttons off his vest since receiving the news of his son's success.

You can preach a better sermon with your life than your voice.

A fifth can produce more stumbling talk than any other fraction.

The cost of making history has always been terrific—but never quite what it is now.

around the right course, the judges won't take your time. So wouldn't it be smart to mail that two-dollar check today?

Three Scouts Become Eagles

Boy Scout Troop 74, sponsored by the Richard School P.T.A., honored three of its Scouts with Scouting's highest award, the Eagle Scout Badges, at its Court of Honor June 9.

Lee R. J. Scott, Scout Chairman of District III, was the guest speaker and presented the Eagle Awards to Summers Stevenson, son of Dr. and Mrs. Charles Stevenson, and to Robert and William Hembel, sons of Mr. and Mrs. Daniel Hembel.

The Life Scout Award was presented by Mr. William Adams to Dennis Hykes and Star Scout Awards were given to Madison Morrison, Thomas Hoder and Charles Mihalic.

Al Reuther, Chairman of Troop 74, presented the first Class Scout Award to James Millie; to Robert Vieweg, Robert Hoder, Gordon Strayer, George Duncan, James Courage, Jack Bowman and Jonathan Hartz went Second Class Awards.

Merit Badges covering fields of citizenship, public service and personal development were presented by Advancement Chairman Daniel Hembel to Robert Hembel, Dennis Hykes, Robert Reuther, Robert Rein, Madison Morrison, Thomas Hoder, Judd Emerson, John Savory, Summers Stevenson, John Bennett, Charles Mihalic, Dick Adams and Robert Vieweg.

Scoutmaster Jack Beever welcomed into the Troop as Tenderfoot Scouts, Daniel Book, David Burgess, Robert Hunt, Charles Dobbins, Thomas Eaton, John Eaton and David Gillis.

A reception and refreshments for families and friends of Troop 74 followed the Scouter's Benediction.

Track Champions Honored At Dinner Given By Dads

By Fred Runnels

Fifteen dads put up the cash to make possible a champions' dinner at the Grosse Pointe Memorial Church last Wednesday evening, June 4, which honored Grosse Pointe's Regional championship track team and its coaches, Howard McAdam and Harold Fisher.

The dinner, the second of its kind for the track team in two years, was sparked plugged by Dr. G. R. Maitland, the Blue Devils' self appointed trainer and most ardent fan. It was the Doc that got the idea for a champions banquet last year when his boy Gordon was churning up the cinders for the Blue and Gold in the mile run. However, the Pointers were not champions last year but the dads felt they deserved some sort of a reward and gave it to them. After all, a boy is a champion in his own dad's eyes all of the time.

Murphy Guest Speaker
Your reporter had the honor of introducing the guest speaker, Bob Murphy, sports editor of the Detroit Times, and the many other dignitaries who graced the speakers' table.

Murphy gave the boys a good old "off the cuff" talk on sports in general and then climaxed his part of the program by answering questions on various sports subjects brought up by the boys.

Following Murphy came assistant coach Harold Fisher, Athletic Director Frank Banach, coach Ed Wernet, and head track coach Howard McAdam who

awarded certificates and G. P. monograms to the team members. **Coaches Paid Honor**

Both Fisher and McAdam were given gift certificates and Dr. Maitland a beautiful pair of cuff links by the team.

Dr. Maitland assured us that as long as he had anything to do with the Blue Devil track team there would always be a dinner, whether the Pointers were champions or basement dwellers in their own Border Cities League.

All Should Have Dinner
From where we sit we think every team, win, lose or draw, should be honored by the dads with a dinner at the close of each season. It doesn't cost too much when everyone chips in to defray the expenses and it means so much to the youngsters who give their all for their school.

We would like to see more Grosse Pointe teams honored like the track team. If any dad is interested in doing something like this for any of the other teams you can get all the information on how to go about it from Doc Maitland. How about it? The tennis team and baseball team could use a dinner.

KID BITS

By NANCY MacDONALD

With vacation just around the corner and senior graduation in the offing, just about everyone has been caught in the whirlpool of social events. Seems like every one wants to crowd his social life into the last week of school!

First on the agenda was a picnic and hayride at Lowell Jackson's farm, Friday, June 6. Some of the "would-be-farmers" who made the pilgrimage up to some place near Mt. Clemens were Jeanne Rydholme and Norm Laska, Carol Lundgren and Clark Bassett, Tinsey Netting and Dick Scales, Carol Loveless and George Bashara, Margaret Koehler and George Parker, Patsy Barrett and Danny Webb, Robin Barr and Joe Busell, Ann Leete and Mac McNair, Dorothy Higbee and Ralph Gray, Dianne Retzlaff and Bob Schaller and Nancy Kaser and Joe Murphy. Lowell's date was Carol Ford.

Saturday, the 7th, Nancy Hall played hostess at a desert tea for some of the senior girls. "Tea and Crumpets" were the order of the day for Jeanne Schade, Jane Rowe, Marilyn Stahl, Ann Watson, Lou Ann Borden, Doris Scrine, Elaine Turrell, Carol Messner, Pat Danaher, Joyce Blashill, Bev Riley, and Dianne Retzlaff, who enjoyed the "yum-yum" tea cakes Nancy served.

On the same day Shirley Stoup, Barb Mensing, Greachin Becker, and Marilyn Norton gave a luncheon for some of the senior girls at the Oakland Hills Country Club. Swimming was also included. Laurie Smith, Susan Sneff, Barb Strauss, Janet Hoffman, Mary Edsall, Sharle Algood, Sally Lemon, Joyce Judson, Nancy Kaser, Lee Constans, Paula Sutton, Nancy Gmeiner, Donna Georgi, Gail Sisson, Margaret Weaver, were some of those who enjoyed the wonderful food and the "cool"-ing afternoon.

The "call of the wild" beckoned a group of the 11A's up to Rochester Saturday. Some of the more adventuresome took side-treks to such points as Stoney Lake and thereabouts. Seen blazing new trails in the more rugged parts of Michigan were Dave Johnson, Jerry Goebel, Sandy Porter, Ena Casey, Sally Fisher, Phil Beach, Shirley Pressel, and Dick Anslow, Emmy Galbraith, Karen Temple, Don Herron, Bert Shaw, David Hakim, Don Mc-

Carty, Wayne Slavov, Glenn Howell, Jane Condon, Jerry Harden, Sally Ray, Midge Slag, Dick Galletta, Barb Lower, Clem Martin, Sue Fairchild, Ted Johnson, Mary Hoover, Eddie Rhobus, Chuck Feucht, Mary Roll, Janet Woita and Barb Coombe and many others.

The best things come in small packages, they say. At least this proved true for John Corey when he was presented with a sparkling I. D. bracelet. The occasion was a surprise birthday celebration for his 17th, and some of the kids who helped make it a success were Sandy Porter, Dorothy Vermuelen, Dick Naragon, Wayne Stavov, Dave Terris, Sue Cleminson, Terry Kuhn, Sally Tripp, Phil Beach, Bruce Crowley, Carl DeKorse, Mary Hoover, Ted Johnson, Janie Botsford, Karen Temple, Ann Leete, Jerry Goebel, Bob Berner, Earle Lyon, Janie Hester, Dawn Hafer, Dick Anslow, Carol de Bruin, Dianne Quinlan, Jane Condon, Jerry Harden, Jane Rowe, Wayne Miller, Bertie Roberts, Skip Clark and Kurt Ewend.

On Sunday, June 8, Thelma Whitley and Kay Catchick served tea to some of the graduating girls. Discussing the events of their senior year were Sybil Scottford, Janet Delaney, Donna Albright, Betsy Squire, Hat Spalding, Sally Ayling, Jeneanne Dial, Polly Schmidt, Bertie Jacob, Sherry McArthur, Bertie Roberts, Nancy Kaser and many others.

Gloria Bopp surprised Glenn Thompson Tuesday, June 10, at a going-away party in his honor. Among those who bid him farewell were Carol DeKorse and Fred Jensen, Dorothy Vermuelen and Bob Cook, Jane Botsford and Bob Berner, Ginnie Halbrook and Don Mendelsohn, Joanne Carver and Steve Taylor, and Judy Roach and Doug Robinson.

Grow to Head P-TA at Kerby

Robert Grow of 387 Hillcrest has been selected as president of the Kerby School Parent-Teacher Association for the year 1952-53. Mr. Grow has served as a member of the organization's Board of Directors, as a representative of the school on the Grosse Pointe P.T.A. Council, and he has headed the Traffic and Safety Committee of the P.T.A.

Mr. and Mrs. Grow have a daughter, Eleanor, who will be in 4th grade at Kerby next year. He is the treasurer of Homer Warren and Company. Other officers elected to serve next year are: vice-president, Mrs. Wallace Jensen; secretary, Miss Anne Wallace, and treasurer, Eric Steil.

Members elected to the Board of Directors, in addition to the above officers, include—Charles Haynor, Miss Jayne Meier, Mrs. Robert Redlin, and Don McCornachie. Mr. Haynor, program chairman, has asked the following parents to serve as a program committee: Mr. and Mrs. Albert Klieck, Mr. and Mrs. Malcolm Stirton, Dr. and Mrs. Morgan Johnson, and Mr. and Mrs. Fred Honhart.

Mr. Grow announced that there would be an organization meeting of the board of directors next September 18, and that dates of next year's P.T.A. meetings would be: October 21, December 2, January 20, March 10, and May 5. The newly-elected president has asked that Isabel Jensen serve the P.T.A. in the capacity of extending a welcome to

new parents of Kerby School, to help them become acquainted with the school and its policies, to introduce them to some of their neighbors, and in general, to help them "feel at home" as new residents in the community. He said also that the P.T.A. hoped to increase its parent membership during the ensuing year, that the organization hoped to present outstanding programs to parents, and to become, in every way possible, a cooperative and good influence on the education of school children.

While cruising north on University place in his scout car on June 3, City Patrolman Douglas Alor, attempting to take down a radio call, dropped his day book onto the car floor.

As he reached to pick it up, the patrol car swerved into an auto parked at the curb. The car, a Buick, is owned by William A. Nienetta, 3461 Baldwin, Detroit. The Buick was damaged slightly on the left rear fender. Damages to the Scout car were estimated at \$350.

One Left Turn Proves Costly

As David Erhardt, 587 Fisher, pulled to the left on Chaltonne, on June 8, to pass the car ahead, driven by James H. Dygert, 15203 Evanston, Detroit, Dygert attempted a left turn onto Belanger.

Dygert's 1941 Plymouth was damaged to the extent of \$300. Erhardt's 1949 Ford received damages estimated at \$250. Farms police ticketed both drivers.

who, where and whatnot

by uboozi

The party at the Little Club given by the Bill and Wally Fords was in honor of a birthday girl: Mrs. Edsel Ford. The lady was beautiful as always, this time in full skirted dancing gown of palest pink organdie.

Her white birthday cake had two merry candles, and Lester Lannon's Orchestra flew in from Manhattan to play a tuneful "Happy Birthday."

Mrs. Frank P. Book wears a campaign button big as a June moon. It sez: Taft.

Newest Conversation Piece: The cocktail affair which Mrs. Harold B. Tyree is fashioning of antique wine labels varnished on a big toile tray... tres chic.

Decorative Pointers: Mrs. George E. Schenck in becoming rouge linen frock making her sun tan a rosy bronze... Mrs. William O. Earl in frosted pink sunback dress and a stark white bamboo strip handbag over a sun kissed arm... Mrs. Edwin Fisher in faded navy silk scattered in small white polka dots, a small cloth toque in the same shade of blue... Mrs. Sterling Dockson in severely tailored poudre blue... long sleeved... and worn with knockout navy felt hat trimmed in military mood with gold and scarlet ornament... Mrs. John Huntington in smooth cream clay suit, two piece with a sparkling topaz pin on the Peter Pan collar; worn with rough violet straw cloche and pearls... Mrs. Tom Petzold in elegant print... rouge, black and white with short rouge jacket collared and cuffed in the same print. A wisp of a black velvet chapeau for top chic.

In these harried and troublesome times, the Bill Ternes place air light contour chairs in their gardens and invite their guests to enjoy the blue skies and the vista, made by space and trees.

PILFERINGS

With so many European travelers returning to the Pointe it might be wise to remember the story about the Eastern publicist who adored displaying specimens of his handiwork as an amateur photographer.

He and his wife returned from a vacation to find four of his best friends waiting at his house as he drove up.

"Golly, it's nice of you to come over so soon," he greeted them. "You must have missed me."

"It isn't that," one of his friends cheerfully explained, "We've learned that it's best to visit you before you've had a chance to develop your photographs."

In "Shake Well Before Using," Bennet Cerf tells about a gentleman with an unwieldy box of flowers under his arm who was about to board a Madison avenue bus when Mignon Eberhart, the well known mystery writer, hailed him.

She was sure she recognized him, but for the life of her couldn't recall his name. He looked equally puzzled, but let the bus go by, and shook her hand warmly.

There followed one of those animated, super cordial exchanges of amenities that always feature the meeting of two people who aren't sure of each other's identity. Finally the gentleman said, "It's been fine seeing you again, but I really must run."

Just as he stepped on the bus, Miss Eberhart remembered, in a frightening flash, one, why his face was familiar, and, two, that she never had met him in her life.

It was ex-President Herbert Hoover.

A long time inmate of an insane asylum was pronounced cured by the examining board and came to bid the director good-bye before faring into the outside world. "What are your plans?" asked the director.

"I haven't quite made up my mind," confided the ex-patient, "I may resume my medical practice. I've also been thinking about becoming a newspaper reporter. Then, on the other hand, I may be a tea-kettle."

Pointer of Interest

BILL HART OF HILLCREST ROAD, HIS PAL, MIKE McMULLEN, AND FRIENDS
By Jane Schermerhorn

If data on Bill Hart, this week's Pointer of Interest, at times becomes distracted, you must remember that during the entire interview his pal, Mike McMullen (both lads are 12 years old), sat by dreamily eating rabbit food.

The box of rabbit food was produced to show us what Bill's pets, Harvey and Narvey, like to eat. We looked at the pellets, shaped like fat lighter flints, and then Mike took the box, an experimental mouthful, and munched away to our horror. He said it was delicious.

Of course Bill's pets do not end with Harvey and Narvey. His is almost a private zoo which includes eight snakes (six have escaped and are now at large somewhere in the Pointe, dear); a baby turtle-dove; a Siamese cat; a gray Persian aged 17 when any yet in his right mind will tell you that all nine lives cannot add up to more than 15; a cocker puppy; a dachshund; a parakeet and a bowl of goldfish.

We were a constant visitor to this world of little boys, we should have also met at the Harts', during the past few months: a turtle (inherited from Gary Williams who received it as a gift from his governor father), a lamb, a chameleon, an alligator, and an impressive variety of moths. There was the rooster which rode the handlebars of Bill's bike, too.

Feathered Friend
Most recent addition to the menagerie is the baby dove.

"I found it in a tree with a dead companion," Bill told us. Since he took it home he has been in charge of the care and feeding which calls into novel use his mother's "baster." It is filled with a special formula (advised by the Zoo where Bill is a regular visitor) of pabulum, hard cooked egg and warm milk.

We were treated to a feeding performance and then Bill, with great gentleness, held the baby bird high in the air and let him try his wings on the short flight to earth.

The little bird now perches contentedly on his new master's head. (Dache would steal the idea for a chapeau.) When he is confident of his wings, he will be

released to join his own kind, probably at City Hall.

Catalog Snakes
The snakes, a subject which we would just have soon skipped, were our next lesson.

Bill ordered them out of a Johnson-Smith catalog, a sort of Sears Roebuck volume devoted to everything from houses to "live things." To the quite young it is a wonderland book. Well, look what Bill found in it.

His are Texas snakes. We endured a rather close look at a garter snake and said we'd take Bill's word for the unusual markings of the red bellies, the ring necks and the fox snakes inside the cage.

End of a Snake
Here, Mike stopped chewing the rabbit's food long enough to tell us he thought Mrs. Frederick P. Hart was wonderful to let Bill have snakes. He recalled an experience of his own last autumn.

Wandering in a field he found a good sized snake. He knew his mother's feeling on the subject; so, he removed his shirt, wrapped the snake around his lower neck, put the shirt back on completely concealing the reptile. He went home to dinner.

During the course of that meal, his parents noticed with terror a snake's head emerge from their son's collar.

Mike has only a rabbit now. It's

five inches long (a midget compared to Bill's whooper-sized Harvey and Narvey who must weigh 30 pounds each).

"It's such a wonderful rabbit and can really do better tricks than a magician," proclaimed the proud owner. (We had to drive over to the McMullens on Kerby road to meet this miracle bunny whose name is Cherry Blossom.)

History Upset
Bill carefully names each of his pets. The baby lamb, now in heaven, was Jenny. The Siamese cat is Willow. The cocker (with a dash of terrier) is Jill. The turtle dove is Spike; the blue and gray parakeet is Jules; the Williams' turtle, a new member of the children's zoo on Belle Isle, was Waterbug.

It's an odd grocery order Bill makes up each week: mealy worms, cat food, dog food, fish food, carrots and formula.

Mrs. Hart delights in the happy pandemonium created by her son's animals.

When she was a little girl she remembers she had only a Collie dog. Her efforts to bring home anything fancier were to no avail; so she is reveling now in meeting all the members of Bill's animal family.

As we left, we asked that sparkling-eyed lad if there was anything possibly more he'd like to add to his already vast collection.

He grew real wistful and rounded out our story for us when he said:

"I'd love a collie."

Awarded Certificate by Pasadena Playhouse

Brief interlude in a busy, clock-bound greasestrip schedule came on Sunday, June 8th for Frank David Parker, talented Grosse Pointe drama student when he stepped to the stage of Pasadena Playhouse College of Arts in Theatre from the noted Western drama center.

During the past season Parker, son of Mr. and Mrs. John W. Parker, has appeared on the Playhouse Balcony Theatres in "The First Legion," "Granite," "Out of the Frying Pan" and "Late Harvest."

Besides his stage appearances, he has done video work in the television adaptation of "Skin Deep."

Kenny Foundation Board Elected

At their annual meeting last week, the members of the Sister Kenny Foundation of Michigan elected six new trustees and re-elected four to their board of directors.

Newly elected was Jack Schafer, of Windmill Pointe, president of Schafer's Detroit Bakery.

Mrs. Owen R. Skelton, of Ridge road, re-elected to the board, was among those to receive certificates of merit, voted by the membership for outstanding service to the foundation.

The elections and awards followed a report of medical and administrative progress during the past year at the Sister Kenny Polio Hospital presented by Dr. Frank H. Purcell, of Edgemont road, orthopaedic surgeon and medical director of the foundation in Michigan.

Reflections

by paul gach

Another Friday the 13th tomorrow. That's an anniversary for me. We opened the studio on one of those lucky Fridays. That was back during ration days. There was no film, paper, gasoline, autos, cameras, frames, etc. You name it, we couldn't get any. But people in Grosse Pointe were hungry for quality photography and were anxious to do business with a sincere and ethical studio. With those twin ideals, quality and honesty, we fought through the material shortages; until today we are able to deliver photography and service out of the realm of the ordinary. I am always honored when someone tries to imitate my studio, and will always get a kick out of Friday the 13th.
