 rey Woods census district, which showed a gain of 40.6%.  
**Greatest Growths**  
 The Poupard census district showed the next largest gain with an increase of 31.0%. In the age group 5-19, the greatest gain was in the Poupard census district with an increase of 38.6%. The next largest gains were in the Torrey census district with an increase of 27.1%, Monteith census district, 19.3%, and Rosslyn census district, 14.4%.

According to this report there were 15,134 from birth through 17 years of age. These ages include the pre-school through the senior high school age groups. Of this number, 4,710 or 31.1% were in the pre-school age group, 6,336 or 41.9% were in the elementary age group, 2,089 or 13.8% were in the junior high school age group, and 1,999 or 13.2% in the senior high school age group.

**Show Big Concentration**  
 The facts are particularly significant as they show the great concentration of children at the younger ages who will be moving up through the school system in the next few years.

At the time the census was taken last May there were 14,909 completed residents in the school district. With a population of 50,800, this is an average of 3.41 persons per residence.  
 The latest enrollment figures, as of Thursday, September 11, show a total enrollment in the Public Schools of Grosse Pointe of 7,118. This is an increase of 708 or 11.0% over a comparable period one year ago and 650 or 10.0% over last June. As stated in last week's issue of this paper, this is the largest increase in school enrollment, both in terms of numbers and percentage, at any time in the history of the school district.

### Wet Blanket

 talent was all lined up, the entertainers having expressed their willingness and pleasure when asked to donate their services for the affair. When the unions were called to obtain clearance for the performers, permission was refused.

Mrs. Glenn Anderson of Merriweather road, who became famous for her work with wounded veterans and GIs during the following World War II, talked with Billy Grubbs, president of the Detroit branch of the American Guild of Variety Artists. He said his orders came from New York and the free show was definitely out.

**No Free Music**  
 Edward Werner, president of the Musicians' Union told Mrs. Anderson he could not allow any members of the union to donate their services for the party. He said hospital benefits were all right; but there could be no free camp shows. He did volunteer to furnish a piano player for accompaniment and said the pianist would be paid out of the union's trust fund.

With the flat turn-down by the unions, plans for the show had to be postponed for a week. It will be staged at the camp on Thursday night, September 25. The residents are now lining up new acts with amateurs playing the leading parts.

Radio Station WJR has volunteered to send out some of its talent and also its mobile recording unit if the boys want it.  
 The Merriweather residents are baking cakes and providing coffee and other refreshments for the boys after the show. They hope other groups in the Pointe will follow their example and do something to show the soldiers they are most welcome in the Pointe.

### Reckless Drivers Pay Up In Court

Judge C. Joseph Belanger disposed of seven cases at the Grosse Pointe Park municipal court proceedings September 10.

A report was sent to Lansing in the case of James H. McDaniel, Jr., of 7749 Lambert, when he failed to appear to answer charges of speeding on Jefferson avenue.

A fine of \$15 was placed against Jack Hill, 22712 Stephens, St. Clair Shores, for a speeding charge.

For speeding and not having her operator's license on her person, Lucile Stock, of 107 Moran road, received a \$10 fine.  
 Helen Slocum, 1595 Fort court, forfeited a \$10 bond for parking in a no parking zone.

Robert L. Rader, of 916 East Grand boulevard, was sentenced to 5 days in the Wayne County Jail for running a stop street and driving with a revoked license.

A \$15 fine was placed against Robert D. Dickson, of 369 St. Clair, for causing an accident at the intersection of St. Paul and Devonshire.

Alexander Venettis, 1438 Somerset, was found not guilty of a reckless driving charge. He had been involved in an accident at Berkshire and Kercheval.

### Center Opening Teener Canteen

The War Memorial plans to provide a meeting place and supervised informal activity for all Pointe teens after week-end athletic events or other scheduled school activities. The Youth Council will suggest the dates and hours that the canteen should be open. The schedule will be expanded according to need and usage.

The canteen opens this Friday, 10-12 p.m., with Terry Snowday as chairman. The canteen will be dedicated following Grosse Pointe High's opening football game with Mt. Clemens. Serving on Terry's committee are Pete Wardle, Hal Drinkhaus, Bonny Loranger, Kit Roney, Lucille Carmichel, Bob Warner, Bill Miller, Chuck Shaller, Jean Newell, Marilyn Howe and Robin Bahr.

The canteen is in the basement of the Center. It is reached directly from the parking lot by entering the service courtyard. The canteen includes the recreation room, terrace room and basement kitchen.

 land will be graded approximately 6 to 8 inches below the level of the present park, permitting placement of top soil over the area at a later time. Depending on eroding action during the winter and early spring months, it can be determined whether or not the shoreline of that property extension can be used next summer as a natural sand beach, or whether its use might be limited by the necessity of a retaining wall, committee spokesmen said.

One method of removing iron rust from white materials is to spread the stain over a pan of boiling water and then squeeze lemon juice on it. After a few minutes, rinse and repeat process. This method is slow—but safe, say Michigan State College home economists.

Come On In and Order One... Today!

There are many people in this community who want a Cadillac ever so badly—and who are almost persuaded to order one—but who, for one reason or another, are just holding back and waiting.

To all these people we say: "Come on in and order your Cadillac today!"

Every day you wait is simply postponing, still further, the wonderful time when you can have and enjoy the many delightful things a Cadillac will bring you.

There is, for instance, the deep feeling of pride which comes from owning a car which is universally acknowledged to be the Standard of the World . . .

. . . the great satisfaction that comes from driving a car so quiet you can "whisper and be heard"; so easy to handle that driving is no conscious effort at all; so comfortable and restful that a day at its wheel is the essence of relaxation . . .

. . . the comforting confidence that comes from the knowledge that your car is so soundly-engineered and so beautifully-built that you can keep it and enjoy it over almost any period of years you may care to designate . . .

. . . and, finally, the happy knowledge that you probably paid less for your Cadillac than hundreds of thousands of people who

are driving other makes of cars—for there are numerous models produced by other manufacturers which actually cost more than the lowest-priced Cadillac!

Isn't all this too much to miss for even one needless day?

Owners of Cadillacs will tell you it is—out of their own experience. Time and again, people who have just moved up to Cadillac have said to us—"Why did I wait so long to enjoy all this?"

That's why we urge you to come in today and start down the happy road to Cadillac ownership. You have already missed too much—too long!

### Cottage Hospital \$43,441 Short of Goal in Campaign

Members of the Board of Trustees and the Men's Advisory Committee of the Cottage Hospital are resuming their campaign for funds with renewed vigor as the building progresses. They have raised \$41,559.00 toward their goal of \$85,000.00 to furnish and equip the new wing which will double the capacity of the present hospital. It is hoped that the campaign can be completed before October 1.

Miss Carolyn Wicks, the director, reports that parts of the new wing will be in use before the first of the year and that complete occupancy is practically assured by early spring.

**Many Contributions**  
Funds have been contributed by individuals, business firms and service groups for furnishing all the new private rooms. Some of these have been reserved as memorials. Still needed is money to furnish some semi-private, operating, emergency and delivery rooms, the nursery, serving kitchens and many other parts of the hospital.

The medical staff of the hospital has set its goal at \$13,500, of which they have raised \$8,000.

Contributions of any amount will be most welcome and may be sent directly to the hospital, 159 Kercheval avenue, Grosse Pointe Farms.

Fall activities have begun during the past week beginning with

the first meeting of the Board of Trustees on Wednesday, September 10, with Mrs. Henry H. Hubbard, the president, presiding. It was announced that Mrs. Cameron B. Waterman III had been elected as a trustee to fill the vacancy when Mrs. Truman B. Brown moved away from Grosse Pointe.

Mrs. Carl B. Grawn held her bi-monthly meeting of the Building Committee on Monday, September 15, and Mrs. Richard P. Joy, Jr., is planning the first fall meeting of the Volunteer Group on Thursday, September 25, at 11:30 in the Nurse's Residence. Throughout the entire summer the volunteers, garbed in their cherry red pinafores, have given daily service at the hospital. In fact, since this group was organized last January it has given continuous service to the patients.

### Religious Film to Be Seen By Woods Church Women

The Women's Association of the Grosse Pointe Woods Presbyterian Church will hold its first fall meeting on the Evening of September 22, at 8:15 o'clock.

A film, "Bible on the Table," will be presented. It is the first film to be made around the subject of regular daily family worship and its effect on home and family life.

### Making Plans for Church Fair

—Picture by Fred Runnels

Members of the Women's Association of the Grosse Pointe Woods Presbyterian Church look over some of the articles which will be sold at the church fair to be held November 7. Left to right are MRS. CHARLES MULLIKEN, co-chairman; MRS. THOMAS DEWEY, president of the Association; MRS. ROBERT G. HAMMEL, publicity chairman, and MRS. PAUL WEAMER, chairman of the Fair Committee.

### Fence Ordinance Action Delayed

Last Monday night the Grosse Pointe Farms council once again reviewed the provisions of the proposed fence ordinance that will supersede the ordinance adopted on May 10, 1937.

The dispute that led to preparation of the new ordinance began last January when neighbors of Dr. George Rieveschel and Dan Goodenough, of 232 Lothrop and 234 Lothrop, respectively, and John N. McClucas, of 55 Vendome road, filed petitions with the Farms council, protesting that the fences were unsightly.

Goodenough, a member of the council, made immediate arrangements to have the portions of his fence alleged to have been

in violation of the ordinance removed.

"As well as being applicable to all conditions existing at the date the new ordinance may take effect, and to subsequent conditions, it will also affect conditions in violation of the 1937 ordinance.

Because of certain vagaries yet existing in the ordinance, and because the city attorney was not available for clarification of some of the provisions, the Farms council postponed action until its next regular meeting on October 20.

The worst combination we know of is lots of initiative and an offensive personality.

### Methodists to Celebrate Two Years in New Building

This Sunday, September 21, further Religious Education units as the needs arise.

The property which the church owns comprises a plot of ground 394 feet in width and 517 in depth. Ample parking and recreational facilities are contemplated with each additional unit.

The congregation moved into its new building two years ago, one Sunday after its fifth anniversary Sunday.

When the present pastor, the Rev. Hugh C. White, arrived to conduct the first services in the Kerby school, there was no official board, no Church School, no charter membership, merely the faith of the City Church Extension Society that there should be a church in this section.

The faith of those who, have made this church possible has been fully justified. The Church has grown and prospered and shows signs of continual growth.

The present edifice is the first of three units which will eventually be constructed. The central worship room will seat 750 people and will be located at the Eastern end of the property. Between this and the existing unit will be the parlor units and

Of the total calls answered by the department, two proved to have been false alarms.

### Adopts New Tax Schedule

The proposed revaluation plan for reassessment purposes received consideration at the regular meeting of the Farms city council, September 15. The purpose of the plan is to eliminate the necessity of payment of a county equalization tax.

Prepared by the Wayne County Bureau of Taxation, the plan is currently in effect in the Park and Shores, as well as other areas of the county.

The council approved the plan and recommended that the county assessor begin reassessment proceedings. The last assessment of properties in the Farms was made in 1941. Reassessment to eliminate the equalization tax will not markedly change tax payments, but it will redistribute the individual tax burden, council spokesmen agreed.

The valuation of certain real properties may be reduced because of depreciation in past years and newer properties are likely to receive higher valuations, in order to effect a more equitable tax structure. Adoption of the new schedule would take effect in January 1, 1953.

### TV Venture Planned Here

Plans for an educational television station in the Detroit area are rapidly moving toward realization. Fifteen metropolitan area educational and cultural institutions, both public and private, are cooperating in the venture which is expected to serve as a guide for other cities.

Organizational plans for a non-profit corporation to own and operate the station have already been approved by more than half of the member institutions. Known as the Detroit Educational Television Foundation, the corporation will be controlled by a 15-man board of trustees who will undertake to raise funds from foundations and other donors.

None of the institutions taking part will have financial obligations beyond their program participation which will be determined by the individual agencies. A nine-man operations committee, named by member groups, will have actual control of the programming following approval by the trustees.

The Joint Committee on Educational Television in Washington, composed of national educational groups, has received the articles of incorporation and by-laws for the Foundation with approval. The Committee has asked permission to send copies of the articles throughout the country to show other cities how a single channel can be put to work for multiple educational interests.

The Detroit public schools and Wayne University have received Board of Education approval to participate in the plan. Other groups taking part will be the University of Detroit, Cranbrook Academy of Arts, Cranbrook Institute of Science, Detroit Historical Museum, Detroit Institute of Arts, Detroit Institute of Technology, Detroit Public Library, Edison Institute, Marygrove College, Mercy College, parochial schools of the Archdiocese of Detroit, public nonurban schools of Wayne County, and the Public School Systems in nearby communities.

Stern economic necessity sometimes brings men to their senses.

### History, Purposes Reviewed For Women Voters' League

Team Captains for the League of Women Voters' annual finance drive gathered at Grosse Pointe Memorial Center last Friday and were brought up to date on the history and purposes of the league in a talk by Mrs. Taylor Seeber, of Merriweather road.

Stressing the basic tenet of the League, which is to "promote political responsibility through informed and active participation of citizens in government," Mrs. Seeber pointed out that League activity is by no means confined to its own members, but reaches out into the community to develop the responsibility of all citizens.

The league urges every eligible citizen to vote, and it offers to the public information on voting procedures. Facts are published about candidates for public office, giving their eligibility, educational and civic backgrounds, as well as their opinions on governmental issues and problems.

Thirty odd years ago, the League was founded by Carrie Chapman Catt, when, in a stirring speech to the National American Woman Suffrage Association, she suggested a League of Women Voters to "finish the fight for woman suffrage and to aid in the reconstruction of our nation after the World War."

Thus, in 1920, a group of pioneers pledged themselves to:

1. Set about educating themselves and all the 20,000,000 women who would be given the right to vote.

2. Work for needed legislation in fields which had up to now been grossly neglected, especially as it pertained to women.

3. Awaken the electorate and arouse many citizens to participate in the mechanics of government.

Fighting the apathy of most of these 20,000,000 voters, the League set up workshops on college campuses, out of which developed the principles of the short ballot, city management government, the executive budget, the merit system of government.

"Get-out the Vote" was an early League slogan which gave it wide publicity, and made its Voters' Service work known.

Spending much of its effort in the field of legislation as it pertained to women, the League worked for equal pay for equal work, whether men or women; for wages and hours legislation within the states; supported the establishment of a Woman's Bureau in the Department of Labor, and constitutional amendments to establish minimum labor standards.

The league's action in behalf of the Sheppard-Towner Bill for education in maternal and infant care and legislation to regulate child labor in certain parts of the country brought national recognition.

Broadening its horizons, the league went on to interest itself in foreign policies, especially measures which would strengthen international cooperation as a means of preventing war. In general education, the effort was toward eliminating illiteracy.

Finding too great a diversity of interests unwieldy, the entire league voted in 1934 to concentrate on only two items: the merit system of government, and tax reforms. This step proved practical, giving the organization unity and enthusiasm, and weight to its voice.

At every convention, the program is re-evaluated and changed to conform to existing conditions.

Mrs. Seeber stressed the non-partisan policy of the league, which allows its members to study both sides to every question, and permits the individual to work for better government, unhampered by party politics or pressure groups.

There's a growing group of Pointers who look forward each autumn to the annual visit of the attractive Steve Royces of Pasadena, Calif. They've been here visiting Mr. and Mrs. Harley Higbie on Lake Shore and another California guest at the Higbies has been Mrs. Thomas Williams. Mrs. T. D. Buhl gave a pool house luncheon at her home on Ridge for the visitors Sunday. The golf course, usually a favorite with this crowd, was forgotten as guests spent the afternoon viewing the third-dimensional color pictures the Royces took on a recent Hawaiian junket. Incidentally Missie R. skippered a craft in the California to Hawaii races and sailed off with top honors.

The Pointe's gayest world traveler, Mrs. George M. Slocum, of Roslyn road, has been exploring the broad highways again. This time it was a motor trip around Prince Edward Island, Cape Eretton and the Nova Scotia country of Evangeline. Traveling companions have been Mrs. J. Owens of Washington, D.C., and Mrs. V. Randolph of Texas. Now we're wondering just WHERE it'll be for our round-the-world girl this winter.

Those cuties Pat and Jim Mutschall are all involved in season's opener for the Merry-Go-Rounders, group of young marrieds who plan three or four formal dances each winter-time. "Kick-off" is to be at Grosse Pointe Yacht Club Saturday, Sept. 27. The year's committee includes the Lyle Bassingers, the Stanley Maxons, the Robert Howards, the C. A. Barlows and the Jim Mutschalls.

Author-lecturer Hazel P. Dunlop will whiz into the Pointe this Friday for a date with the gals at Lakepointe Country Club who'll hear her talk on "The Fundamentals of Floral Arrangement." Mrs. Dunlop is presented by the J. L. Hudson Speakers' Bureau for whom she makes some one hundred lectures a year . . . all on the lovely subject of flowers. She contends flowers are as important to the small home as to the mansion and are within reach of the most slender pocketbook.

**Ronald L. Sutton Returns To Kings Point Academy**

Cadet-Midshipman Ronald L. Sutton, son of Mr. and Mrs. Carroll Sutton, of 412 Moran road was among the group of men who recently returned to the United States Merchant Marine Academy, Kings Point, New York, to commence their last two years of study.

The men have just completed their Third Class (sophomore) year of training aboard vessels of the American Merchant Marine. Prior to their sea duty, they spent a year at the Academy obtaining basic training.

During his sea training, Cadet-Midshipman Sutton, using a merchant vessel as a classroom, was required to complete a rigorous set of assignments on various marine subjects, and in addition was required to compile facts and write an extensive thesis on world ports and terminals he visited during the year. This written part of the sea training course, together with the practical experience and training received at sea are the components of a very unique phase of training received by a Kings Point Cadet-Midshipman.

During the year, Cadet Midshipman Sutton sailed on vessels operated by the United States Lines and Moore McCormack company and had the opportunity to visit various ports in England, France, Sweden, Norway, Denmark, Colombia, Ecuador Germany, Spain, Canal Zone, Peru, Chile.

At the Academy as a second classman (junior) and next year as a first classman (senior), he will take up various subjects designed to give him a technical background in the marine field, and a broad, general academic education, as well as to qualify him as a competent, licensed ship's officer.

Upon graduation in August 1954, Cadet-Midshipman Sutton will receive a Bachelor of Science Degree, and concurrent commissions as Ensign, United States Naval Reserve and Ensign, United States Maritime Service.

**KID BITS**

By NANCY MacDONALD

Now that September's here and fall's around the corner, things are almost back to normal. For most of us, the last two weeks have been spent in a flurry of post-vacation parties. By now, high school students are back into the swing of things, and college age students are just taking their last fling before hitting the books.

Some of the college crowd gathered at Ann Glasgow's Friday night, September 12. Bridge and poker were enjoyed by Gordon Maitland, Dick Ryburg, Karon Von Reiss, Tom Lamb and Anne Watson. Some of those seen dancing afterwards were Alice James, Pat Brogan, Peg Moreland, and Bill Winkler.

That same night, the cards were flying at Sandra Dickey's house, too. Sandra gave a bridge party for Anne Stevens, who is going to Kingswood this year. Some of the girls who came to say goodbye to Anne and give her a toy animal to take with her were Sue Squire, Judy Wilson, Nancy Wycoff, Sally Sharer, Pat Nelson, Liz Mitchell, Betty Sykes, Anne Orebaugh, Bev Hudson, Carol Vollmer, Janet Ewart, Sylvia Reuter and Donna Smith.

Next morning, Liz Mitchell woke some of her friends up for a Come-As-You-Are breakfast. Some of the early wakers who came straggling in that morning garbed in pajamas and hair curlers were Mary Dahlen, Nancy Seydler, Sandra Strehler, Betty Skyes, Sandra Dickey and Nancy Wycoff. Nancy Venderbush, Gretchen Schroeder, Gretchen Schaitberger and Marilyn Ratz were some more of those who enjoyed the bacon and waffles served by Liz.

Saturday, September 13, was the night of the Memorial Center dance. Music was furnished by Earle Perkins and his orchestra. Coby Martin played the piano and Neil Smith led the song-fest during intermission. Some of those seen enjoying the punch and cookies there were Tom Cooper and Marylou Koch, Jerry Goebel and Jane Condon, Pete Clemens and Marsha Burns, Skip Clark and Dianne Quinlan, Dick Gallette and Margarette Stapleton, Lee Clancy and Bev Hud-

**son, Don Schroeder and Jean Carter, Caulk MacMahon and Jill Schneider, and Don McCarty and Carol de Bruin.** Still more dancing on the lawn were Bud Norris and Lois Fimmel, Jerry Harnden and Bobbie Williams, Bill Reed and Sally Fisher, Dave McKee and Marylou Hornberger, Dick Naragon and Emmy Galbraith, Dave Johnson and Nancy Wycoff, Mac MacNair and Ann Leete, Dick Anslow and Barb McGrath, Tony Fear and Sally Beardsly, Dave Terris and Mary Hoover, and Don Sigmond and Ilene Bryant.

Before the dance, Bruce Coleman gave a dinner party for some of his classmates. Sally Jo Ritter and Jerry LaChappelle, Nancy Thomas and Chuck Baroniou, Dot Higbee and Ralph Gray, Barb Baro and Ernie Nigg, and Nancy Bruneau and Pat Burke were just a few of those who enjoyed the swell bar-beque dinner at Bruce's. Bruce's date was Joy Arnold.

**SIMPLY CORNY**

Here's a simple and easy way to get your corn off the cob for canning for freezing. Use an angel-food cake pan. Place the ear on the projection in the middle of the pan and with a sharp knife slice the corn from the ear. The kernels will fall into the pan since the hole is filled with the ear.

**Mothers' Club Plans for Tea**

The Board of the Mothers' Club of Grosse Pointe High School met Monday, September 8, at 12 noon for a luncheon meeting at the home of Mrs. David C. Lowe, 71 Merriweather road. Members of the board this year, and their offices are as follows: Mrs. Hubert G. Goebel, president; Mrs. Alfred F. Taylor, first vice-president; Mrs. Frank P. Lister, second vice-president; Mrs. M. G. Whittingham, treasurer; Mrs. Nathan B. Goodnow, recording secretary; Mrs. Robert W. Conder, corresponding secretary; Mrs. Ludwig A. Majneri, auditor; Mrs. Alfred F. Taylor, scholarship chairman; Mrs. Louis Marick, program chairman; Mrs. John A. Whity, membership chairman; Mrs. David C. Lowe, social chairman; Mrs. William H. Boyer, publicity chairman; Mrs. Alex P. Leete, hospitality chairman; Mrs. Fred J. Flom, welfare chairman; Mrs. Gordon N. Cameron, chairman of room mothers; Mrs. W. A. Naragon, chairman of neighborhood groups and Mrs. Robert W. Tesch, junior high co-ordinator.

Plans are being made for a Mixer Tea for 10 B Mothers and mothers of students new to the High School on Tuesday, September 30.

**Betrothal Told At Dinner Party**

Mr. and Mrs. Edward Charles Roney gave a formal dinner party in their home, on Iroquois avenue to announce the engagement of their daughter, Virginia Marie to Robert L. Thibodeau, son of Mr. and Mrs. Leo C. Thibodeau of Grand Marais boulevard.

Virginia was graduated from Sacred Heart Academy and Manhattanville College. Bob was graduated from the University of Notre Dame and University of Detroit Law School. They plan a spring wedding.
