Center Plans Xmas Tree Ceremonies

Carillon Music and Carol Singing to Feature Program Arranged for Dec. 23

Community Christmas tree lighting ceremonies will be held at the War Memorial Center, 32 Lake Shore road, at 7:30 p.m. on Tuesday, December 23. The program is being sponsored by the various service organizations in the Pointe.

The carillon of the Grosse Pointe Memorial Church will play, and members of the Tuxis Club will lead the singing of carols. Religious leaders of both Protestant and Catholic churches will officiate.

Santa Claus will be present to give candy canes to the youngsters. All residents of the Pointe are invited to attend with their families.

Get \$1,000 Loot In Gas Station

Thieves broke into Joseph's gas station, at 15200 Kercheval, early in the morning of December 4, and made off with cash and other items valued at about \$1,000.

Station attendant Sam Parker, who sleeps at the station, told Park police that he was awakened by the sound of breaking glass. He said he heard two or three voices and because he had no defense and could not get to a telephone, he waited until the looters had left before reporting the incident.

Taken were about \$255 in cash, 16 watches, a ring, tool box and electric drill.

Memorial Center to Hold Party for New Residents

Grosse Pointe's War Memorial Center will hold a big reception for new residents of the community. It was disclosed at a meeting of the Center board Monday night. The event will be held from 3 to 6 p.m. on Sunday, January 4, before the holiday season comes to a close.

The idea of the reception was conceived by John Lake, executive director of the Center. It was given hearty approval by the board members. Mr. Lake says he has compiled a list of 500 new families who have become residents of the Pointe since June.

It is the hope of the directors that the event will be a family affair. They hope to provide a means of letting the new residents become acquainted with each other and to meet a number of older residents, as well as learn about the facilities the Center has to offer.

Goodfellows to Hold Annual Newspaper Sale Monday To Carry on Charitable Work

Goal of \$10,000 Set to Bring Christmas Cheer Into Needy Homes and Provide Help For Worthy Throughout Year

The Grosse Pointe Lions Club, ably aided and abetted by all the firemen and policemen of the five Pointes will carry on their 28th annual Goodfellows' Day newspaper sale next Monday morning, December 15. The Goodfellows will be selling copies of the NEWS to raise their quota of \$10,000 to carry on their program during the coming year.

James N. McNally, former Wayne County Prosecutor, and David Nagel, both members of the Lions Club, are co-chairmen of this year's sale.

The money raised will be used to insure that no Pointe child shall be without a Christmas. Even a community like the Pointe has its needy families and individuals. Christmas baskets will be supplied. Toys will be purchased and distributed to the children, and throughout the year the needs of these people will be filled through the thoughtful giving which will be made on Monday.

Has Many Projects
The Lions Club has many charitable projects. It spends its Good-fellow funds in the Pointe area in many ways. It provides Leader Dogs for blind persons in the Pointe. In addition to making Christmas Day cheerful, it supplies many necessities throughout the whole year. Coal, clothing, shoes are bought and medical and optical bills are paid.

Anyone who knows of a person or family who may be forgotten on Christmas Day is urged to call George Elworthy, Grosse Pointe Welfare Commissioner and chairman of the welfare committee of the Lions Club, at TUxedo 5-4600.

On Every Corner
The police and firemen will be stationed at every principal corner in the Pointe Monday morning, from dawn until noon. When one stops you, don't be afraid of a traffic ticket. Dig deep and give cheerfully. The cause is one of the best.

This is the only fund-raising campaign the Lions conduct during the year.

Give Hospital \$5,000
In 1950 the club donated \$5,000 to Bon Secours Hospital for its addition.

All expenditures by the club result in a saving to the Grosse Pointe Welfare Fund, and so lift a tax burden from the residents of the community.

Everyone can be a Goodfellow next Monday, and each donation will help make the whole year a merrier one for the recipients of the gifts provided through the annual paper sale.

76-Foot Skid Ends in Crash

Park police ticketed both John Fiscelli, 588 Harding, Detroit, and Jerusha Morrison, of 780 Grand Marais, for entering the intersection at Balfour and Fairfax without proper caution, December 5.

The cars collided with damages resulting to the Fiscelli car estimated at \$75; and to the Morrison car, approximately \$150.

Fiscelli told the police that he saw the other automobile and applied his brakes to avoid an accident. He skidded for 76 feet. Morrison said that he had seen Fiscelli approaching but thought he could get across the intersection in time. Neither person was injured.

Two Girls Hurt As Car Hits Pole

Two 16-year-old girls were treated for minor injuries at Bon Secours Hospital, December 6, after their car crashed into a telephone pole on Fisher road. The driver explained to Farms police that she had been trying to close the door on her side of the car when she lost control of the wheel.

Pierce Yule Vespers Set For Sunday

Christmas Program for Community to Be Conducted for 14th Straight Year

The traditional Christmas Vespers Program will be staged for the fourteenth year at the Pierce Junior High School Auditorium, next Sunday afternoon, December 14, at 4 p.m.

The glee clubs, the choruses and grade classes comprising 200 voices will sing the seasonal selections under the direction of Miss Gwendolyn Brockmiller and accompanied on the organ by Naomi Donaldson.

Joyce Bushong Narrator
Joyce Bushong will serve as the narrator for the program. The students taking part in the tableaux will be: Mary, Mary Langel; Joseph, Kip Staiger; Innkeeper, George Swindlehurst; Shepherds, Ronny Fine, Peter Smith and Ray DeRyck; Kings, James Arnold, Kelsey Stewart and Larry Fitzpatrick; Angels, Susie Langs, Sandie Hoffman and Chloe Irvin.

Those carrying solo parts are: Bill Bryant, Marie Lee, Ed Nicholson, Daniel Craig, Jim Wyse, Carol Surbrook, Joy Nickels, Kaarina Waskinen, Carolyn Taylor, Betty Wentz, Virginia Homeier, Janet Wesner and Penny Eyres.

Public Invited
The public is cordially invited to attend this beautiful and impressive performance. This is the expression of Christmas Greetings by the students and faculty of Pierce School to the Grosse Pointe Community. There will be no admission charge.

Burglars Visit Service Station

Investigation of a burglary at Moir's service station, 335 Fisher road, developed into a chain reaction that led City police to the discovery of two other attempts on nearby stores.

Taken from Moir's building some time during the night, December 6, were a number of auto parts and about \$85 in cash.

Investigation conducted by Sgt. Andy Teetaert also revealed that entry had been attempted at Schettler's drug store, 337 Fisher, and Blanche and Cyril's, at 339 Fisher. In the latter two instances, entry had been tried through the sky-lights over the stores.

The police were unable to offer more details at this time. Further investigation is pending.

Woods Community Club Leaders Ask Help of Residents

Big New Addition Nearing Completion; Equipment, Furniture, Toys, Records, Books and Volunteer Workers Needed Badly

The handsome new grey brick structure that grows by leaps and bounds on Mack Avenue, corner of Ridgmont, has caused much comment in the neighborhood. While workmen build round and round in this big addition to the Grosse Pointe Woods Community Club, Woods residents wonder what has become of the nucleus staff and organized groups of boys and girls, for so many years a part of the community. Where are they?

"Well, folks, we're right here!" says Mrs. Jane Costabile, Director, "where we've always been... in the center of things! Equipment gets pushed hither and yon, old plaster begins and, next week, plastering remains in the four spacious club rooms, as well as in our workshop. Pretty soon 'Open House!' Then come and see us, but everybody!"

Hope for Donations
Leaving the "menace of the mortar" and weaving in and out among two by four supports, to find her desk, Miss Adelaide Dinwoode, professional Girls' Worker, remarked, "The new building is fine, terrific! But now the furnishing! How we'd like to find some top-notch equipment under our Christmas tree! (Kiwanians, Lions, Rotary, Church and Civic Clubs, millionaires, businessmen, Everybody... Are you list'nin?)"

Many Things Needed
"To open activities for our youngsters here, we need so many, many things. Individuals could give us toys, sports equipment, books, games of all kinds, small chairs, cooking utensils, good records for all ages, large sets of building blocks, tools for our new workshop, and Time... that most precious commodity!"

"Three adult volunteers are needed right now: One woman to take a girls' club of 10 year olds; one man, free at 3:30 p.m., for a boys' club of 8 and 9 year olds; and one woman for 4 and 5 year olds. Others will be added as soon as facilities permit.

Many Groups Meeting
"Six groups of boys and girls meet here, and three recreation groups in Parcels and Mason Gyms. Other important club groups to take care of the increasing numbers of teen-agers are forming. Additional staff members in charge of the above are: Mr. Jack Byles, Mr. Robert Curvink, Mr. Fred Stegath, Mr. Edward Burnett, and Wayne students, Miss Crownie Curian and Mr. Clarence Lipschutz."

"Don't Fail the Kids"
"So, folks! If you have something for our Christmas stocking, call the new Grosse Pointe Woods Community Club, (A Red Feather Agency) TU. 1-7970! We're here and waiting! Don't fail our wonderful kids!"

Two Cars Tangle On Mack Avenue

Total damages estimated at \$75 resulted from a two-car accident on Mack Avenue near Van Steen's Market December 8. Involved were John S. Byrwa, of 41 Lexington, and Harold O. Diener, 4432 Drexel, Detroit.

Police said Diener had started to pull away from the curb and struck the right rear fender of Byrwa's car as he drove east along Mack. Byrwa's 1953 Chrysler bore the brunt of the damages, \$50. The Farms police ticketed Diener.

Annual Men's Night Proves Most Successful in History

Mr. Santa went on a shopping spree Monday at the Seventh Annual Men's Night in Grosse Pointe stores.

Encouraged by special favors and holiday music, he bought gifts for members of the family and friends.

Usually red faced at such counter activity, he did not quaver an eyelash as he asked for slippers, panties and brassieres.

John Hannan, of Jacobson's, and some 25 other merchants described the night as the most successful since the "Stag Night" idea was conceived seven years ago by The Grosse Pointe News.

Since then the event has snowballed into popularity among the Grosse Pointe males.

About 6,000 of them did their Christmas shopping Monday in an atmosphere that reminded one of a college alumni reunion.

Old pals met and talked, smoked and shopped. Typical of the male shopper was Harry Turner. "I get most of my shopping done in two or three hours," he said as he was looking over some ladies hankies. "Besides this is convenient and fun."

Just then he turned around to say hello to Charley Manos, who was shopping for a lady's hat. Courteous salesgirls and beautiful Powers models made the evening complete.

Here's what the salesgirls had to say about men shoppers. "They are easier to deal with than women. The men come prepared. They know what they want. They know the sizes."

School Board Would Close McMillan Rd.

Educators Want Concessions If They Agree to Sell Portion Of Richard Playground

Additional parking space to serve the Grosse Pointe Farms business area on Kercheval avenue between Muir and McMillan roads was the subject of two discussions last week. The matter was first brought up at the Wednesday night meeting of the Board of Education.

The Farms made an offer to pay the Board \$10,000 for a portion of the Richard School playground adjoining its present municipal parking lot north of the alley on the north side of Kercheval. The plot requested would be about equal in size to the present lot.

Ask Special Meeting
The Board of Education then requested that a special meeting be called for last Saturday morning, in the Board of Education Building in St. Clair avenue, to continue the discussion. This session was attended by the full Board and other school officials, Mayor William Connolly of the Farms, Councilmen William Kirby, Richard Maxon and Daniel Gooenough, Farms Clerk Harry Furton and Engineer Murray Smith. School Board President Bert H. Wicking presided.

The School Board acknowledges that it has more playground room than it needs and indicates a willingness to cooperate in solving the Farms problem. However, it was evident that the Board of Education wants a concession in return.

Want Playgrounds Joined
The educators said they are most anxious to have the two playgrounds of the school, now separated by McMillan road, thrown together to make a single fenced-in area. They would like to have McMillan road closed beyond the St. James Lutheran Church, so the children would not have to cross through traffic to the larger playground east of McMillan.

The Farms officials argue that McMillan is an important traffic artery and is heavily used by shoppers to get to the Kercheval business area. It was suggested that a tunnel beneath the street might answer the safety problem, but the educators are reported not to be interested in this kind of a solution.

Want McMillan Re-Routed
Instead, the Board suggested that the portion of McMillan beyond the church might be re-routed diagonally across the playground to join Ridge, or continue in the form of a "U" around the playground area to go back and rejoin the street at McMillan and Ridge. The Farms officials were able to evince little interest in this suggestion.

The Board of Education then suggested that an impartial expert be hired to make a study of the requirements and to recommend methods of solving the problem of both the school and the Farms. It was reported the School Board is not willing to share the cost of such a study.

Farms Council To Decide
It is indicated that the Farms Council will take up the matter again at its next regular meeting next Monday night and decide whether it should go ahead with the hiring of an engineer to make the survey.

The Farms has been petitioned by the majority of the businessmen in the Kercheval avenue center to provide more parking space. The big municipal lot and all of the individual spaces behind the stores are already crowded beyond capacity on busy shopping days. The logical solution is the acquisition of a portion of the Richard School playground which could be tied right into the present lot, the Farms officials said.

Pedestrian Hit By Car on Mack

Shirley J. Seyfert, 28, of 3890 Grayton, Detroit, was struck by an auto as she attempted to cross Mack Avenue in mid-block, between Grayton and Bishop, on the evening of December 4.

Driver of the car, Cyril A. Grobbel, Jr., 4324 Grayton, told Park police that he failed to see Miss Seyfert until he was about 15 feet away. It was raining at the time.

Police took Miss Seyfert to Bon Secours Hospital for treatment of a bruised hip. Grobbel, they said, had been traveling at about 15 miles an hour.

Pointe Theatre
To Present Play

Grosse Pointe Community Theatre is doing W. W. Jacobs' "Monkey's Paw" "in the round" on Tuesday evening, December 16, at the Grosse Pointe War Memorial. This will be the regular monthly meeting of the group to which all those interested in the theatre are cordially invited. The meeting starts at 8:15 o'clock.

Directed by the theatre's president, Jack Sinclair, the cast includes some of the group's most outstanding players, and as an added filip, the president of the Simians, Dick Tobin, Luella Wertz, Dan Buell, Jim Daoust and Jack Robinson, complete the cast of this hair-raising thriller, under the production of Dean Erskine.

After the play there will be an informal get-together and discussion of the production. Official critic of the play will be the director of the group's October play, Hervey Parke.

Uniform Police
Law to Be Aired

Officials of Grosse Pointe Woods will meet on December 12, with a representative of the Michigan State Safety Commission to consider adoption of a uniform police enforcement and court policy recommended by the Commission and already in effect in 127 other Michigan cities.

Heading the session will be Maxwell Halsey, executive secretary of the Commission. He will outline a specific training program to familiarize the municipality's law enforcement officers with the system.

Important to effective administration of the system are policies of penalization and uniform fine schedules for traffic violators. The importance of close cooperation between the police and courts in maintaining the system will also be discussed.

Scouts Conduct
Big Paper Drive

Boy Scouts of Troop 548, Grosse Pointe Woods Presbyterian Church, collected close to four tons of scrap paper on Saturday, December 6.

Handling the drive were Edwin Gauss, Assistant Scoutmaster, Committee men, Jack Refior and John Telep, and Junior Assistant Scoutmaster, Conrad Istock.

In order to realize a higher return for the Troop financially, each boy collected, rolled and stored his newspapers at his home, until the day of "Operation Pick-up".

Proceeds from the paper collection and from Troop 548's annual Christmas wreath sale are devoted to service projects, as well as individual and group Scout equipment.

A Christmas Party is planned for December 18 and a three day winter camp-out at Metamora Scout Ranch, January 2, 3 and 4.

Champines Insure Against Meat Shortage

GEORGE CHAMPINE, right, retired Farms police officer, and his son, DICK, measure the span across the antlers of the 175 pound buck he bagged near Oswego. From point to point the rack measured seventeen and one-half inches. Hunters in the vicinity said it was the biggest pair of antlers to be taken out of Oswego. Dick didn't come home empty handed either. At the same time his dad got his buck he dropped a 140 pound doe. No doubt the Champines' friends will enjoy a few venison dinners.

Faces Assault
Charge in Park

Rufus H. Shepherd, 45, of 415 Burns avenue, Detroit, was scheduled to appear before Park Municipal Court Judge C. Joseph Belanger on Wednesday, December 10 to answer a charge of assault and battery.

Complainant John Martone, of 1763 Iroquois, parking lot attendant at Al Green's restaurant, told Park police that Shepherd had pulled his car to the curb in front of the restaurant, expecting the car to be parked, and threw his keys on the sidewalk.

After an exchange of words, Shepherd got into his car and drove off. He returned a few minutes later, however, and threatened Martone. He then kicked him in the stomach.

Patrolmen in a Park scout car witnessed the assault and arrested Shepherd.

Mark Holiday With Pageant

Pointers joined Tuesday Musicals members and their guests Tuesday morning in Detroit Institute of Arts Auditorium for a "Christmas Festival of Nations." The Christmas moods of many lands were depicted in costume with music, pageantry and poetry. Over 50 costumed marchers took part in a procession which continued at intervals throughout the program.

Thirty members of Tuesday Musicals keynoted such scenes as "Everywhere, Everywhere Christmas Tonight" . . . "Christmas in the Land of the Fir Tree and Pine" . . . "Christmas in the Land of the Palm Tree and Vine" . . . "Christmas Where Snow Peaks Stand Solemn and White" . . . "Christmas Where Children are Happy and Gay" . . . "Christ's Love of the Light."

Mrs. Elwin C. Greer was chairman of the day and Mrs. Lloyd

V. Jewell directed the choral ensemble.

Grosse Pointers taking part in the program included Mrs. J. N. Jennings, organist; Mrs. A. Bodycombe, incidental music; Mrs. Charles C. Hicks, staging; Mrs. Arnold W. Lungershausen, properties.

Mrs. George M. Anderson, Mrs. Harry J. Sainsbury and Mrs. L. H. Wilson were members of the choral ensemble.

Mrs. Anderson and Mrs. M. D. Stroecker of Somerset road were the only two members of the original ensemble (organized in 1938) who sang in the program.

After the program, members and guests gathered in the ballroom of the Park-Sheraton Hotel for subscription luncheon.

Holiday decorations in green, red and silver added to the occasion.

Mrs. Allyne Litchfield To Hostess Garden Club

Members of the Grosse Pointe Park Garden Club will be luncheon guests of Mrs. Allyne Litchfield in her Harvard road home on Monday, December 15.

This year, in carrying out the custom for the December meeting, the group will spend the afternoon making Christmas Day favors for the St. Joseph's Home for the Aged.

Colleen McMahon's Hostess To Schoolmates at Luncheon

Mr. and Mrs. Richard P. McMahon will entertain Dec. 17 at a luncheon in the Grosse Pointe Hunt Club for their daughter, Colleen, and her ninth grade classmates at Country Day School.

Tea Is Planned By Seton Guild

Pointers are invited to Seton Guild's Christmas Party next Sunday from 2 until 6 p.m. in St. Vincent-Sarah Fisher Children's Home, Twelve Mile and Inkster roads.

Donations from the annual party provide children at the home with special Christmas joys. Each cottage is provided with a Christmas tree and there are special gifts for every child on Christmas morning.

Mrs. Jerry T. Flanigan, Guild president, this year has announced that the sun porch for babies at the home will share in the proceeds. When the porch is completed the toddlers will be able to romp in a room with radiant heat, play pens, teeter babes and walkers.

Mrs. Thomas G. Sennett is chairman of the party with Mrs. Albert F. Boening and Mrs. Eugene I. Van Antwerp co-chairmen.

Mrs. Hugh Dean and Mrs. Daniel C. Fisher are co-chairmen of the reception and the tea table is being arranged by Mrs. Edward Charron.

Serving will be directed by Mrs. August Straus and Mrs. Michael J. Swift.

While the grown-ups are attending the donation-tea, the children of the home will be having a party with a tea table all their own.

They'll have an early visit from Santa Claus and receive presents. Mrs. Burnett Reamer, Mrs. Louis Jaenck and Mrs. H. Garvey Rice are in charge of the children's party.

Pointe members of the Guild include Mrs. William LaVigne, Mrs. Harold Groff, Mrs. L. Verne Ansel and Mrs. Harold Frear.

Neighbors' Club To Meet Dec. 17

The Neighbors' Club of the Grosse Pointe War Memorial Center will hold its monthly meeting Wednesday, December 17, at 1:00 o'clock at the Center.

Tea will be served preceding the program by Mrs. Daniel Schaitberger, hostess, and her committee, Mrs. E. B. Erickson, Mrs. Frank De Cabotte, Mrs. Harold Gorry, Mrs. John T. Condon and Mrs. John Howard.

The program chairman, Mrs. E. L. Wayman, Jr., will introduce Mrs. Betty Roberts, well known lecturer who will tell a Christmas story based on an old Serbian folk tale. The program will be given by candlelight.

Mrs. Roberts was a pioneer in radio entertainment and for the past 15 years she has been giving travel lectures throughout Michigan and Ohio. During recent years she has been compiling a collection of Christmas stories and the story for the program is drawn from this collection.

The Neighbors' Club is one of many groups sponsored by the Grosse Pointe Memorial Center and membership is open to all new women residents of the Grosse Pointe communities.

Betrothal Told

—Picture by Moffett Studio

At a family dinner in the Detroit Athletic Club, on December 6, Dr. and Mrs. Elden C. Baumgarten, of Lochmoor boulevard, announced the engagement of their daughter, PATRICIA ANN, to William Webster, son of Mr. and Mrs. Norwood Webster, of Chicago, formerly of Waterbury, Conn.

Patricia and William are both graduates of the University of Michigan, where Patricia took her Masters Degree in Music. She was a member of Delta Gamma, while Williams fraternity was Alpha Delta Phi.

An April 4 wedding is planned.

Piper-Campbell Betrothal Told

Mr. and Mrs. Willis Taylor Campbell of Griffin, Georgia, announced the engagement of their daughter, Evelyn Geneve, to Louis William Piper, son of Mr. and Mrs. Louis A. Piper of Hillcrest road.

Miss Campbell is a graduate of Chevy Chase Junior College in Washington, D.C., and of Wesleyan College in Macon, Ga.

She is a niece of Dr. and Mrs. David Harris of Berkshire road, with whom she spent last year in the Pointe. She has been their guest for the last two weeks and is leaving for her home this weekend.

An early spring wedding is being planned.

Boat Club to Hold Yule Dance

The Detroit Boat Club is planning a square dance on Friday evening, December 12, called Jingle Bells Squares.

Mr. and Mrs. Sheldon Drennan are party chairmen. Committee members Mr. and Mrs. Ellsworth Allison, Mr. and Mrs. Paul Nagel, Dr. and Mrs. Carlisle Rueger, and Mr. and Mrs. O. A. Schmidt are planning a dinner at the club before the dance with Wes and Julie Rea, callers.

The ballroom will be decorated with large Christmas bells and greens.

Mrs. Ellsworth Allison will lead carols after a midnight snack of sandwiches and coffee.

Patience is of no advantage if we cannot find it when needed.

Center Events Attract Many

Total attendance at the Grosse Pointe War Memorial Center from October 26 to November 24 was 4083 in 48 different groups. The figures were revealed Monday night at the meeting of the Center's board of directors, by Mrs. Frederick C. Ford, program chairman.

A breakdown of the report shows that 1784 attended events given by groups which pay for the use of the Center. There were 338 attending affairs given by six non-paying groups.

Center-sponsored programs attracted 1009. The Junior Division held events which drew 797. Seven committees met with a total attendance of 155.

Auxiliary Holds Anniversary Tea

The Fifth Anniversary tea of the Fontbonne Auxiliary of Saint John Hospital on Wednesday, December 3, marked an important milestone in the history of that organization.

Fontbonne already is the second largest hospital auxiliary in the United States and its size is matched by its achievements.

Mrs. Harold J. Knack was general chairman of the tea and acting as hostesses with her were Mrs. A. J. Fisher, Jr., Mrs. John Pringle and Mrs. Arthur D. Kerwin.

Christmas greens, tall silver candelabra with red candles and white lilies made the tea table in the board of directors room a lovely sight. Members who were guests at the tea received gold, purse-size picture cases as favors.

In Junior League Play

The Children's Theatre of the Junior League of Detroit, will give the premiere of its new play, "Simple Simon," by Aurand Harris, in Grosse Pointe High School auditorium at 10:30 a. m. Saturday, December 13. A second performance will be given at 3:30 p. m. Among the players are, left to right: MRS. MITCHELL JUSTICE, MRS. GEORGE BUSHNELL, and MRS. EDWARD METZEN. Tickets, priced at 80 cents for adults and 40 cents for children, may be purchased at the Doubleday Book Shop in The Village.

OSU Alumnae Plan Yule Tea

Ohio State University Women's Club of Detroit is having its annual Christmas Program Tea Sunday afternoon, December 14, at the home of Mrs. S. L. Shenefeld of Grand Marais boulevard. Festivities are scheduled to begin at 3 o'clock with Miskel Schaeffer presiding at a short business meeting Mrs. Curran P. Boyer, national president, will bring a report from the Alumnae Council.

Honor guest will be Nancy Dunham, of Columbus, Assistant Alumnae Secretary for Alumnae Projects, who will report on activities at Scholarship house. Among other guests from Columbus will be Miss Lillian Hildebrandt, first recipient of the Lucy-Lelia Scholarship, established by former Grosse Pointers Mr. and Mrs. S. M. Hanley, in honor of their mothers.

Because the Alumnae Scholarship House on the Ohio State campus is a continuing project of the Detroit group, a feature of the Christmas tea will be a shower of decorative and useful gifts to add to the comfort and welfare of the selected honor students who occupy the house. Mrs. Harold Davison, Mrs. Robert Sherwood, and Miss Viola Wolfe are collecting gifts. Mrs. George Harding is in

charge of the program, assisted by Mrs. Robert A. Harley, Mrs. G. R. Koester, Mrs. Robert Myers, Mrs. John Paynter, Mrs. Karl Kuhlen, and Mrs. Schuyler Mohr. Hostesses are Mrs. Clyde T. Oakley, Mrs. W. W. Lindersmith, Mrs. J. Russell Bright, Mrs. Robert C. Thumann, Jr., Mrs. Lawrence E. Ober, Mrs. Edmund Flanders, Mrs. Dan Trivich and Mrs. George Knowles. Mrs. Richard Pellow is taking reservations.

TB Society Seals Will Beautify Gift Packages

Don't tuck those unused Christmas Seals away in your desk drawer and forget about them. You need them to trim your gift packages.

Of course, you are using the double-barred cross Christmas Seals on your holiday cards but the TB and Health Society today pointed out that the Seals make attractive package decorations, too.

"Christmas Seals have been principally used in the past on greeting cards and envelopes. These attractive new ideas for decorating holiday gift packages are being introduced this year so that the people of the community who give so generously will support TB control here may have added practical use for the Seals they buy," Mrs. Virginia

P. Wegmann, Seal Sale Director, stated.

On a package covered with paper bearing a candy cane motif a pipe cleaner is bent into the shape of a candy cane and its length covered with eight Seals. The cane is then attached to the ribbon bow at the top of the curve in the cane and allowed to hang free.

To trim a large flat box, cover with paper in a Christmas tree design. Make a paper chain of 33 strips of paper 3 inches long as is done by kindergarten children.

Paste a Christmas Seal on every fourth link and attach to the box in a gracefully draped swag. The box may be tied with a "cross corner" tie to allow the paper chain effect to stand out. Christmas Seals may be worked

into the design of most every gay holiday paper. They may be used as ornaments of a paper printed in a pine tree design. They may be put into Santa's sack on a design bearing the jolly elf's picture.

On a plain gold paper the green and gold Seals will be attractive if they are sprinkled at random over the top of the box or spaced about to form a star or cross or other Christmas motif.

"The Christmas Seals that fight TB are as much a part of the holiday tradition as holly wreaths and gaily decorated trees," Mrs. Wegmann said. "Their use as package trimming will add more pleasure to the gift because they symbolize your contribution to the health and welfare of the community."

Cocktail Fete Precedes Ball

At the gay Hunt Ball given at Grosse Pointe Hunt Club last Saturday evening, Joseph A. Vance Jr. was one of the many hosts at cocktails before the evening got under way.

His guests included Club president John W. Mulford and Mrs. Mulford, who got in from Colorado just in time for the fun.

Others were Mr. and Mrs. Alfred R. Glancy Jr., Mr. and Mrs. Howard B. Knaggs, Mr. and Mrs. J. J. Marshall, Mr. and Mrs. Herman Petzold, Thomas Sheahan, Mr. and Mrs. John Gordon Hill, Mr. and Mrs. Gilbert T. Jerome, Mr. and Mrs. Hugh Leud, Mr. and Mrs. William W. The Christmas season for the Hopalong Cassidy Set begins this Saturday when the Juniors League Players present two performances of "Simple Simon" in the auditorium of Grosse Pointe High School . . .

With eyes shining like tinsel, youngest Pointers are going to attend either the morning performance (10:30) or the afternoon show (3:30) . . .

And they'll be making a lovely, early Christmas present, too . . . these youthful theater-goers . . .

Because these two paid performances help defray cost and the Junior League is able to troupe the delightful play to hospitals, community houses and schools . . .

"Simple Simon" Saturday

Mrs. Jean F. Mesritz is chairman of the Junior League Players . . .

And members of the cast include: Mrs. Charles B. Johnson, Jr. (as Simple Simon) . . . Mrs. Dan Tindall, Jr. (as the royal executioner) . . . Mrs. Edward Metzner (the washwoman) . . . Mrs. Robert F. Koebel (the bearded king) . . .

There will be several elegant theater parties given by Pointe youngsters . . .

At one, Kit Hoey, daughter of the William H. Hoeyes, will be marking a seventh birthday . . .

And Ruthie and Patty Petzold, daughters of the Tom Petzolds, have also asked friends to enjoy "Simple Simon" with them . . .

Helen Owen Is Bride Of James C. Frye II

Daughter of Mr. and Mrs. John Owen III Wed at Ceremony In Grosse Pointe Memorial Church; Bridegroom Son of The James A. Fries of Chicago; To Live in Pointe

At a fashionable ceremony in Grosse Pointe Memorial Church, last Saturday afternoon, Helen Owen became the bride of James Crawford Frye II.

The bride is the daughter of Mr. and Mrs. John Owen III of Stephens road, and Mr. Frye is the son of Mr. and Mrs. James A. Frye of Chicago, formerly of Detroit.

The Rev. Frank Fitt officiated at the church where the altar was banked with large croft lilies and candelabra were trimmed with smilax.

A Sophie original of antique Italian satin, its bodice touched in heirloom rosepointe lace, was worn by the bride. A shower of tiny pleats below the waistline fell into full skirt ending in a cathedral train.

Helen wore a rosepointe bridal cap with veil of imported French silk illusion and her flowers were white orchids and jasmine with small ivy streamers.

Mary Owen was her twin sister's maid of honor and Mrs. John A. Pidgeon came from Deerfield, Mass., to be matron of honor.

They wore identical gowns of leaf green satin with matching Juliet caps.

Their bouquets were of hybrid orchids and ivy streamers.

Charles Maloney of Bloomfield Hills was Mr. Frye's best man and the bridesmen comprised:

Ernest Kratzel, Jr., Charles A. Dean III, Woodruff B. Crouse and Bradshaw C. McKee.

Mrs. Owen attended the wedding and reception in a waltz length gown of navy satin, with deep open neckline and elbow length sleeves. A small rose petal chapeau completed her costume and she pinned pink Vanda orchids to her purse.

Mrs. Frye's gown of brown satin taffeta was fashioned with sweetheart neckline and afternoon length skirt. She wore a small, matching hat and a corsage of white orchids.

Mr. and Mrs. Owen entertained wedding guests at a reception in their Pointe home after the ceremony.

When the young Fries left on their wedding trip, the bride changed to a gray wool suit with hat of the same material and black accessories.

Wedding Bells Ring For Holiday Brides

Susie Joy Announces Attendants For Her January 3 Rites To Woodson K. Woods of St. Louis; Constance Nauman To Wed Robert L. Hannon Jr. December 27

Just before the season's debs step into a shimmering holiday spotlight, the brides-elect are having a thing or two to say about wedding plans.

There's Susie Joy whose parents, Mr. and Mrs. Richard P. Joy, Jr., of Provincial road, announced her engagement to Woodson K. Woods, Jr., in New York on Thanksgiving day.

Susie returned to the Pointe with her parents and "Woodie" to complete plans for her January 3 wedding in Christ Church, Grosse Pointe, which will be followed by a reception in the Joys' home.

She'll be here now until her wedding and Woodie will spend most of the holidays with the Joys.

Eunice Hefferan, deb of the

Christmas season, will be maid of honor and two other December debs, Pam Sattley and Susan Richardson, will be bridesmaids along with Joan Babcock of Long Island, Fay FitzSimons, Mary Mosby of St. Louis and Daphne Towne of New York.

Susie's brother, Richard P. Joy III, is to be Woodie's best man.

The groomsmen will be Stan Muirhead, James Joy, another of the bride-elect's brothers; David Cudlip, Gordon Ford, Dan Danforth, Joseph White and Richard Bull of St. Louis.

Mrs. Richard P. Joy of Lake Shore road, will give the rehearsal dinner for her grand-

Pointers Dash to DAC To Hear Dinah Shore

Glamorous Singer Packs Madison Avenue Club For Her Five Evening Engagement; Large Subscription Party Has Cocktails at Club Before Dinner and Show

Many Grosse Pointers have been going down to the Detroit Athletic Club this week for the dinner-floor show presenting the glamorous songstress, Dinah Shore, and her supporting TV cast, "The Notables."

The lovely Dinah, who came for the big doings of her sponsor, Chevrolet, in Detroit, has drawn capacity throngs of DAC members to the club each evening, from her opening on Monday. She will conclude her appearances at the club this Friday.

Here for the week with her husband, film star George Montgomery, they will return to the West Coast on Saturday.

Joining at a cocktail party in DAC's big private dining room before going to the main room for Monday's opener were the C. Bayard Johnsons, Mr. and Mrs. Robert J. Byrnes, the George Haggarty and daughter, Ann, the Arnold F. Malows, Dr. and Mrs. D. J. Leithauer, the Reece E. Oberteuffers and the John Veechs.

Their group included Mr. and Mrs. Charles A. Hughes, E. E.

Dale Shaffer, of Miami; the Thomas A. Farrells and the Otto Kerns, of Bloomfield Hills.

Dr. and Mrs. Edward A. Wishropp were guests of the George W. Masons, and the X. L. Kessler's party included the James C. Zeders, of Bloomfield Hills, and the Egerly Austins.

The Kenneth W. Cunninghams, the Reginald Givens and the Charles J. Koebels were a sextet at the opener, and another group included Mr. and Mrs. Henry Forster, Jr., Frederick Cody, M.F. and Mrs. Oscar Olson and the Bernard Powells, of Birmingham.

The Leonard George Hoopers, the Jack W. Hoopers and the Earl Frasers were together.

Among those with reservations for this Thursday evening are the Henry A. Bokrans, the David A. Wallaces, the John T. Corydons, Mrs. Emmet Sheahan, the

KID BITS

By NANCY MacDONALD

A starry, moonlit night — a new formal—a flurry of parties before and after — what else could it be but the night of the Junior Prom?

The 11A's presentation of the Junior Prom was held Saturday night, December 6. The theme was "Orchids In the Moonlight." The decorations featured a 90 foot mural depicting a garden scene which covered the whole end of the dance floor. In front of it was a fountain of gold fish with real orchids floating on the water.

Dancing to the music of Clark Williams were Joyce Logan and Rich Wallace, Emmy Galbraith and Renfru Skudlark, Anne Blashill and Kurt Ewend, Janice Winkler and Ronnie Hopkins, Lois Fenall and Buddy Morse, Nicky Treat and Mark Cudia, Sylvia Reuter and Ovi Smith, Barb Stoekle and Chuck Floer, and Donna Smith and Jack Adams.

Still more who enjoyed Marty Potter's antics as "emcee" and the terrific intermission of singing and dancing by our local talent, were Lou Hribar and Judy Westphal, Terry Snowday and Barb Marco, Penny Londes and Bill Cassel, Dave Belfore and Mariou Koch, Tony Pear and Sally Beardslee, Sally Sharer and Wayne Von Almon, Steve Taylor and Kathryn Mun-

ger, Dave Bouse and Robin Barr, Dick Anslow and Anne Leete, Dave Johnson and Jeannette Cameron, and Chuck Lamb and Carol DeKorse.

As usual, there were loads of parties both before and after the prom Saturday night. One of those who gave a dinner before was Sally Sharer. Some of the kids who went "ape" over the luscious food at Sally's were Dave Carruthers and Sally Rae, Jim Yager and Jean Stunyo, Howie Knages and Judy Fordon, Calk McMahon and Jill Schneider, Larry Daniel and Barb Fisher, Jerry Lorenz and Janet Voita, Don Schmidt and Fran Crowley, and George Cope and Ellen Berard. Sally's date was Wayne von Allmen.

There was pot-luck dinner over at Ann Blashill's too. The kids who contributed were Bruce Crowley and Carole Parnell, Shirley Nelson and Ted Johnson, John Corey and Ginny Halbrook, Barb Stoekle and Chuck Floer, Barb McGrath and Ken Webb, Karen Temple and Jerry Harden, Ann's date was Kurt Ewend.

Cocktails were served before the dance at Janet Ewart's. Some of the kids who dropped in to see her and her date, Al Wood, were Liz Mitchell and Hal Drinkaus, Ann Orebaugh and Pat Watling, Betty Sykes and Rees McFarlane, Donna Smith and Jack Adams, Mary Dahlen and Randy Fitch, Sue Squire and Marty Potter, Judy Wilson and Pete Shauer, Jane Hester and Bob Richardson and Pat Nelson and Bob Brown.

Janet Roberts and her date Ernie Yepsen were host and hostess to a few of their friends at a turkey dinner with all the trimmings. The kids there were Skip Clark and Jane Condon, Terry Keys and Jane Bolsford, Dan Rheaume and Doris Rock, Dick Naragon and Donna Goodrow, and Walter Wilson and Marilyn Walker.

Jack Adams was host at another. Included in his list of guests were Nancy Venderbush and Al Forrester, Sharon Barnes and Bob Lowry, Penny Londes and Bill Cassel, Mary Lou Koch and Dave Belfore, Ann Stevens and Cal Boch, Judy Westphal and Lou Hribar, Bill Thoreson and Pat Marter, Paul Friesema and Penny Schneider, Pete Burger and Judy Wood, and Tom Die-sing and Judy Delaney. Jack's date was Donna Smith.

Bev Hudson, Sue Squire, Dave McCee, Loy Watterworth, Bruce Jaquish, and John Bonbright were some more of the kids who gave parties before the prom.

After the prom, Pat Watling had about 60 of the party-goers over to his home for a buffet breakfast. Besides Pat's date, Ann Orebaugh, we saw Pete Gall and Sandra Dickley, Pete Schauer and Judy Wilson, Durst Thome and Lorrain Schroeder,

David Hulbert and Nancy Seydler (King and Queen of the prom), Randy Fitch and Mary Dahlen, Jack Adams and Donna Smith, Marty Potter and Sue Squire, Bill Thoreson, and Pat Marter, Dan Reaume, and Doris Rock, and Hal Drinkaus and Liz Mitchell.

John Corey was another one of those who had a breakfast. Seen there talking over the events of the prom with his date, Ginny Halbrook, were Skip Clark and Jane Condon, Earl Lyons and Sally Fisher, Carole Parnall and Bruce Crowley, Joan Carvay and Don McCarty, Joan Goodrow and Mike Luberto, Donna Goodrow and Dick Naragon, Ted Johnson and Shirley Nelson, Jerry Harden and Karen Temple, Bill Brabb and Sigrid Olsen, Walter Hoover and Terry Kuhn, Emmy Galbraith and Renfru Skudlark, Nancy Thomas and Chuck Bernois, and Jerry Goebel and Martha Slowin.

Hal Drinkhaus's open house was loads of fun for the kids who went there after the prom. Coke and sandwiches in the "wee hours" tasted good to loads of kids like Nancy Seydler and Dave Hulbert, Sandy Dickley and Pete Gall, Sylvia Reuter and Lou Smith, Nancy Wychoff and Jim Broeckson, Pat Nelson and Bob Brown, Betty Sykes and Rees McFarlane, Mary Dahlen, and Randy Fitch, and Sue Squire and Marty Potter. Hal's date was Liz Mitchell.

Another breakfast was in session over at Barb Lowe's. Coffee, donuts, and coffee cake proved popular with Jane Hester and Bob Richardson, Peggy Guinane and Bob Stockwell, Audrey Gayer and Dave McKee, Barb

McGrath and Ken Webb, Annette Dana and Bill Taylor, Eileen Bryant and Don Sigelman, and Marietta Cashen and Howie Ford. Barb's date was Clem Martin.

Still more post-prom parties kept lots of us out till all hours. Included in them were parties at Marty Potter's, Barb McGrath's, Jane Witte's, Sally Sealby's, Renfru Skudlark's and Johnny Phillips.

The Naumans will give a small wedding breakfast and reception at the Country Club.

In Connie's wedding party will be her sister, Mrs. Walter France Torrance, Jr., of Waterbury, Conn., as matron of honor.

Susan Spain Tower, as maid of honor, will be the only other bridal attendant.

Bob, who is the son of Mr. and Mrs. R. L. Hannon of East Cleveland, will be served by his brother-in-law, R. L. Langer, also of East Cleveland, as best man.

Walter France Torrance, Jr., and Lawrence Verdier will be among those ushering at the wedding.

Mr. and Mrs. James I. McClintock have invited guests to a Dec. 21 breakfast party complimenting Connie and Bob. The party will take place in the Beverly road home of the hosts.

The Hannonos, who are arriving from their Ohio home on Dec. 26, will give the rehearsal dinner at the Country Club that evening.

December 13. The men were entertained at a dinner and dance following the New London concert. Miss Litchfield is the daughter of MR. and MRS. ALLYNE C. LITCHFIELD, of Harvard road, and in her first year at Colby Junior College.

HARRY SISSON, Grosse Pointe boulevard, is among the chorus of 215 Lawrence college students who will present Handel's pre-Christmas oratorio favorite "The Messiah", on the evening of December 7 in Memorial Chapel on the Appleton, Wisconsin campus.

MISS MARJORIE JILLSON, daughter of MR. and MRS. D. B. JILLSON of Pine court, and senior religion major at the College of Wooster, will be a member of the 150-voice Concert Choir when it presents its Christmas program Sunday, December 14, at 8:15 p.m., in the Memorial Chapel.

MISS BARBARA FLOWERS, daughter of MR. and MRS. J. C. FLOWERS of Yorkshire road, has returned home from visiting KEN WALKER of Lakepoint avenue who is a Senior at Kemper Military Academy, in Missouri. The biggest event of the visit was the Homecoming game and dance on Thanksgiving Day.

MRS. HARRY H. WHITTINGHAM, MRS. RICHARD WILLIAMS, and MRS. FRANK J. SLADEN, JR., gave a program of Christmas music for the Pointe Garden Club at a meeting in the

home of MRS. WENDELL WHEELLOCK.

Pointers KARL C. LYSINGER and HARRY V. WADE will leave Friday for Washington to attend the Washington correspondent's annual Gridiron Dinner when the great and near great are lampooned by reporters covering the capitol. The dinner is being held Saturday evening at the Statler Hotel.

DR. and MRS. D. W. HESSELSCHWERDT, of Washington road, announce the birth of a son, WILLIAM DONALD HESSELSCHWERDT on Dec. 8. Mrs. Hesseleschwerdt was JAN PRESCOTT of Hudson Falls, N. Y.

Jeannette Van Becelaere To Marry Richard Kageff

MR. and MRS. ACHIEL VAN BECELAERE of Hawthorne road, announce the engagement of their daughter, JEANNETTE, to RICHARD KAGEFF, son of MR. and MRS. OTTO KAGEFF, of St. Clair Shores. The wedding will take place in early spring.

WAGE SLAVE

Do you sometimes feel you are a slave to your job? Take heart. In the days of Imperial Rome, top jobs were performed by real slaves. They were scribes, accountants, secretaries, and very often physicians, teachers, and writers. Any one of them could be tortured or killed at their master's whim. Today, the modern "wage slave" is usually set free by the hands of the clock.

Party Planned By Fortnighters

The Fortnighters Group of the Grosse Pointe Memorial Church will hold a "Tree Trim Trot," at 8:30 p.m., December 12, at the church. A tree trimming tournament will be followed by dancing and refreshments.

A.W.V.S. Theater Group Plans 1953 Production

The Little Theater Group of the A.W.V.S. met at the home of Mr. and Mrs. Alfred J. Dalton, 17513 Maumee, on Wednesday, December 10.

Plans were started for the 1953 A.W.V.S. production. The play selection committee consisting of Mrs. Ernest Wemp, Mrs. Walter Rochaw, John Neville and Alfred J. Dalton reported activities.

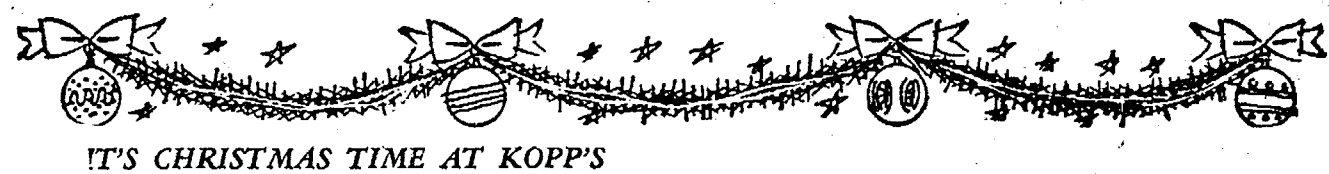

Mrs. Jules Schneider, secretary, assisted Mrs. Dalton in handling the meeting. William R. Cornelius, the publicity chairman, promises a spectacular presentation, which will be directed by Dallas Chapin.

William Moore Joys Plan Housewarming Party Dec. 19

Mr. and Mrs. William Moore Joy, who have moved from their home on Cloverly road to Vendome road, will be hosts at a holiday "house open" party on Dec. 19.

Arts Institute Offers Exhibits

Two exhibitions opened simultaneously on December 2 in the Print Department galleries of the Detroit Institute of Arts and will run through February 15.

The first consists of thirty prints by the dean of contemporary French painters, Henri Matisse, all executed during the past 15 years and which are presented to the museum collection as the gift of John S. Newberry, Jr., the museum's curator of graphic arts.

Employing four different techniques, etching lithography, aquatint and linoleum cut, these prints were issued in a limited edition of 25 impressions each, numbered and signed by the artist. They represent the only complete group now belonging to the American collection.

Among the group, a rare, lithographed Self-Portrait of the artist is the only impression of this print so far to have come to this side of the Atlantic ocean. In subject matter, the prints are chiefly devoted to a series of portrait heads in a variety of graceful attitudes ranging from delicate, small etchings through larger lithographs to bold, monumental aquatints. There are also figure compositions and two characteristically decorative examples of still-life, all betokening the prodigious industry and continuously fresh inventiveness of Matisse now in his eighty-fourth year.

The second exhibition in the Print galleries is a selection of costume and stage designs by Eugene Berman, recently commissioned of him for new productions at the Metropolitan Opera in New York of Verdi "Rigoletto" and for "La Forza del Destino" which opened this year's opera season at the Metropolitan. These were lent by M. Knoedler and Company, New York.

Joseph M. Dodge To Join Family

Joseph M. Dodge, currently in the Pacific with President-elect Dwight D. Eisenhower will join Mrs. Dodge at their Washington road home on Christmas day.

They are expecting their son and daughter-in-law, Mr. and Mrs. Joseph J. Dodge of Glen Falls, N.Y. to spend the holiday with them.

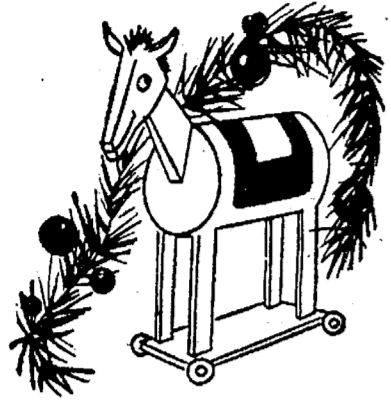

Wayne "Messiah" December 16, 17

Wayne University's combined choral and instrumental organizations will appear in the University's 23rd annual rendition of George F. Handel's oratorio, "The Messiah," at 8:15 p.m., December 16 and 17 in the Masonic Temple auditorium.

Each year the oratorio, Wayne's major musical production of the year, is presented by a chorus of over 500 voices, the University Symphony Orchestra of 75 pieces with organ, and four nationally-known soloists. Associate Professor Harold Tallman is the director. Organist will be Harry Langford, assistant professor of music.

The soloists for this year's performance are Martha Lipton, alto; Thelma von Eisenhauer, soprano; Wesley Dalton, tenor; and Kenneth Smith, baritone.

Another Park Councilman Tenders His Resignation

At the regular council meeting of Grosse Pointe Park, December 8, Mayor Homer Fritsch read a letter of resignation submitted by Councilman William Gillett.

Formerly a resident of Westchester road, Gillett explained that he will move with his family to Grosse Pointe Farms in early spring. He has been a member of the Park council for the past three terms.

To fill his unexpired term, until April, 1953, Mayor Fritsch recommended the appointment of Bruce N. Tappan. The council accepted the recommendation.

Tappan, who lives at 850 Westchester, has served on the Park Board of Review for the past three years. He will take the vacated seat on the council when the council next convenes, December 22.

Gillett's resignation marks the second such move on the Park Council in the past month. A. J.

Bloodworth resigned his post early in November because of a contemplated change of residence. Appointed to his seat was William C. Oddy, a member of the City Plan Commission. Oddy was sworn into office November 10. Bloodworth's unexpired term also ends in April, 1953.

At Monday's meeting Councilman Peter Burgess announced that he would not run for office again in the spring elections. Said Burgess: "Other duties have interfered with my presence at some of the (council) meetings, and I feel that I am not fulfilling my obligation."

OPS Investigates Prices of Milk

The Michigan Office of Price Stabilization has launched a full-scale investigation of all dairies in the state after OPS investigators discovered wide-spread violations of ceiling price regulations in the sale of retail milk at overceiling prices. Sidney H. Woolner, Michigan OPS director, stated that virtually the entire staff of investigators has been assigned to look into evidence of non-compliance to existing regulations on the part of dairies throughout Michigan.

Bus Station Reserve Fund Being Distributed by Park

Under an agreement made, but never formally executed, in 1949 the Park city council moved to distribute a fund of nearly \$3,300 among the five Pointe communities.

The fund, contributed over a period of time by the Lake Shore Coach Lines, was to have been used in conjunction with other monies for a bus waiting station on vacant property across from the Park municipal buildings.

During the war a waiting station had been financed by the Pointe communities on the same site. The station was abandoned at war's end, but a future station was contemplated. The bus company had given the fund to the Park to be held in reserve for the project.

Since no action has been taken, the Park council, following the

terms of the 1949 agreement between bus company officials and representatives of the Pointe, authorized the distribution. It is to be done on a population basis.

Each of the communities will hold portions of the fund in reserve until some plan for its use is arrived at.

Reckless Drivers Pay Up in Court

Three of eight defendants in traffic violation cases failed to appear before Judge C. Joseph Belanger at the Grosse Pointe Park municipal court proceedings on December 1 and 3.

Alfred Wisnowitsch, Jr. of 139 Muir road, and Daniel W. Freuhauf, 8851 Grayton, forfeited bonds of \$20 and \$22.50 respectively. They had been charged with speeding.

Bruno Winkler, of 17149 Minneapolis, charged with running a stop street, forfeited a \$10 bond.

For speeding, Edward G. Jones, 640 Washington, was fined \$10. Francis G. Cameron, of 23518 Grove, St. Clair Shores, was found not guilty of a reckless driving charge.

William D. Dempsey, 485 Continental, received a fine of \$75 and had his license revoked for 6 months on a reckless driving charge.

A \$5 fine was placed against Steve Bero, of Sherman, N. Y., for reckless driving that resulted in an accident.

Jack E. Gotting, 3506 Holcomb, was given a \$20 fine on a speeding charge.

City police ticketed Mabel Sherbrook, 211 Lake Shore drive, for reckless driving on December 3. She had lost control of her car while driving east on Jefferson, hopped the curb and slammed into a light pole near the residence at 17130. No serious injuries resulted.

An optimist is one who thinks the country will survive in spite of everything done by reformers to save it.

Drunk Drivers To Go to Jail

Detroit motorists who drink too much and then drive, can expect the same treatment they have received in past Christmas holidays seasons from police and Traffic Court judges.

The policy, "Drunk Drivers Go to Jail," is still in effect and just as effective, they warn.

To remind Detroiters of this policy, 8,000 posters bearing the policy message will be erected in Detroit and the metropolitan area starting next Monday, December 15. Thirteen hundred will be placed on street-side standards as constant reminders to drivers. The remainder will be posted in bars by Detroit Police Department Precinct Safety Officers. The posters were prepared by the Traffic Safety Association as a part of its continuing educational program.

Detroit's "Drunk Drivers Go to Jail" program has been extremely effective. In 1941, there were 47 persons killed and 1,774 injured by drunk drivers. Since that time the combined education and enforcement program has steadily brought down the toll. Last year there were three fatalities and 140 injury accidents due to this cause. In the past five years 18 persons have been killed by drunk drivers.

Treated for Cuts Following Crash

Peter W. Walczyk, of 19163 Blackmoor, Detroit, was treated at Bon Secours Hospital, December 7, for cuts about the mouth incurred in a three-car accident on Mack avenue near Neff road.

Walczyk, driving east on Mack, ran into the rear of a parked auto owned by Philip J. Mabarak, of 1258 Three Mile drive, jolting the car into the rear of another parked car, owned by William Crothers, of 908 Neff.

Walczyk was ticketed by City police for reckless driving.

Plea to Thoughtless Parkers

Off-street parking areas in the various business centers of the Pointe have been the subject of much study and considerable action on the part of the municipal officials for a long time.

The Christmas season, with its unusually heavy shopping traffic, has emphasized the need for continued progress along this line. The Pointe area is one of the fastest growing in the entire Metropolitan Detroit district.

The de-centralization of shopping facilities was largely brought about by the antagonism of the shoppers to the growing battle against traffic conditions and the lack of parking spaces in the downtown Detroit district.

With parking space at a premium, particularly in this abnormally busy season, we would like to make a plea to the thoughtless drivers who are angle parking addicts.

Give the other driver a break. Don't take up any more room than you need.

Pursuing this subject further, we have been following with great interest the discussion between officials of the Farms and the Board of Education, pertaining to a proposed sale by the School Board to the Farms of a portion of the Richard School playground.

There can be little doubt that this added space for off-street parking is badly needed to serve the Kercheval avenue business district. And, from the excellent view from our office window, it is quite apparent that this piece of school property is far larger than needed for recreation purposes.

If the School Board has more property than it needs, ideally located right next to the present municipal parking lot, and the Farms is willing to pay a fair price for the portion it requires and then to improve it for the public use, no barriers should be raised against a consummation of the project.

If memory serves us right, this big piece of school property was originally Outlot A of the Newberry Radnor Park subdivision. The plan was to reserve this lot for additional business area expansion if the need ever arose after the Kercheval avenue frontage had been built to the saturation point.

But the School Board stepped in and managed to acquire the property. It subsequently sold a piece of the property to the St. James Lutheran Church, which is now reported to be anxious to acquire additional adjoining land.

The School Board, while admitting that it has more land than it needs, wants concessions from the Farms in exchange for agreeing to part with the portion needed for parking.

As we see it, this matter affects not only the Farms and the schools, but the church, the business interests and the public. It is to be hoped everything possible will be done to find an early solution to the problem.

Grosse-Exaggerations

A. PRYOR

"How beautiful is night! A dewy freshness fills the silent air; No mist obscures, nor cloud, nor speck, nor stain, Breaks the serene of Heaven: In full-orbed glory yonder moon divine Rolls through the dark blue depths; Beneath her steady ray the desert circle spreads, Like the round ocean, girdled with the sky. How beautiful is night!" (Robert Southey)

In the midst of our Christmas shopping, it suddenly occurred to us how important this business of buying is to the SHOPS as well as to the people who give presents and receive them.

First of all, the reason so many people shop in the East, either personally or by mail order, is the fact that the big New York stores turn themselves inside out to give good service.

Another example is as follows: A woman ordered a personal telephone book from a downtown store here and requested Ivory color. Without bothering to telephone her, they sent a brown book which she didn't want at all.

Yet another local character tells us she saw a pair of \$5.00 slippers advertised in the paper which she thought would make a nice gift for one of her myriad aunts.

Bringing up the rear, we would like to add that these examples by no means apply to most stores in Detroit or here in the Pointe.

All things are relative, we alluz sez. The other evening we talked with a young college man whose mother wanted to buy him a t-v set for Christmas . . . but he doesn't want one!

On the other hand, the father of a five-year-old youngster told us his small son has been on a long visit with granny in Lansing.

But the School Board stepped in and managed to acquire the property. It subsequently sold a piece of the property to the St. James Lutheran Church, which is now reported to be anxious to acquire additional adjoining land.

The School Board, while admitting that it has more land than it needs, wants concessions from the Farms in exchange for agreeing to part with the portion needed for parking.

As we see it, this matter affects not only the Farms and the schools, but the church, the business interests and the public. It is to be hoped everything possible will be done to find an early solution to the problem.

What Goes on at Your Library

by Jean Taylor

Bombarded at this season by brochures that advise as the perfect gift, everything from a platinum latch-key to a plant container that doubles for a door-stop or a teething ring.

Allegedly, librarians are exponents of books as gifts but do they practice what they preach? With pen in hand we circled our staff to find the answer.

THE GLITTER AND THE GOLD by Consuelo Vanderbilt Balsan (Harper 4.00). This autobiography proved a popular choice because of its general appeal.

THE BIG CHANGE: America Transforms Itself 1900-50. (Harper 3.50). Readers who remember with pleasure Only Yesterday by this author will welcome this book which tells how great changes in this country have affected every one of us.

THE FLIGHT OF THE ARCTIC TERN by Constance and Harmon Helmericks (Little Brown 4.75). An account of the author's flight from Boston to Alaska in their first plane, a two place Cessna.

THE BIBLE: revised standard version (Nelson \$6.00). COSMOPOLITAN WORLD ATLAS (Rand McNally & Co. 12.50). New enlarged and completely revised edition with new U.S. and foreign census.

TRAIL DRIVING DAYS by Dee Brown and Martin Schmitt (Scribner 10.00). The story of the cattle industry in the early west; expertly chosen pictures with well written and frequently witty text.

MIDCENTURY JOURNEY: The western world through its years of conflict (Farrar 3.50). Readers who have found Shirer's interpretations of current history informative over the last 25 years will find his newest book not without some optimism.

DUVEEN by S. N. Behrman (Random 3.50). The story of the greatest of the international art dealers in the greatest period of American art acquisition. Originally appeared in the New Yorker.

THE YEARS THAT WERE FAT by G. N. Kates (Harper 5.00). An American tells of his life in the ancient city of Peking. An excellent written and sympathetic picture of 'pre-war Chinese life.

Don't forget the discussion group meeting on great men and great issues, sponsored by the Friends of the Grosse Pointe Public Library, at the Woods Branch, Monday, December 15 at 8:30 p.m.

At this second meeting the life and times of Thomas Jefferson will furnish the springboard for the discussion of today's problems. Those attending the first meeting reported a stimulating evening with lively discussions.

Calcium is the greatest chemical element present in the normal, healthy body. Ninety-nine per cent of it is found in your bones and the other one per cent is in your blood stream.

A great deficiency of calcium results in poor bone structure which is very evident; not so evident are the minor deficiencies that nevertheless impair health.

News of Girl Scouts in The Pointe

Investitures were held for the new Brownies of Troop 1260 at Monteith School. Those invested were Patricia Blachut, Susan Schumer, Kathie Kirsch, Judith Janssen, Rosemary Nieman, Linda Micklethwaite and Michele Renaud.

The girls were delighted with the cake, ice-cream and milk and the adults were equally pleased

with their coffee. This investiture was planned by Troop 1260's Troop Committee composed of Mrs. William Schumer, Mrs. Eldon Kraft and Mrs. Francis David, and also with the co-operation shown by all of the mothers.

Troop 1260's Thanksgiving project included turkeys made out of colored pipe cleaners, con-

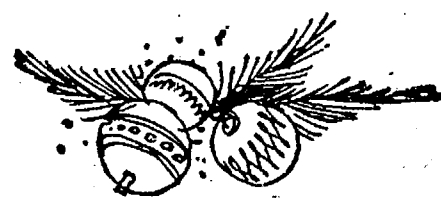

struction paper and Christmas tree cones covered with glitter. The glitter was made out of broken Christmas tree ornaments obtained from a local store (gratis), rolled fine and sifted through a screen.

Last week the Brownies enjoyed covering boxes with wall paper. These boxes will serve as individual chests for the girls to keep their own equipment in place. If there is any Leader interested in obtaining a few sheets of wall paper for her troop, please call TU. 2-6471.

A new Intermediate Troop will be starting in January at the Monteith School under the leadership of Mrs. Stuart Micklethwaite and Mrs. Roy Kirth. Troops 798, 1025 and 1260 wish them the best of luck.

And writing of Brownies and of January activities, tie a string around your finger so you'll remember January 24. The Brownies take over the sale of the tickets for the three performances of "Hansel and Gretel," given by the Wayne University Players at 10 a.m., 12:30 p.m. and 3 p.m. Tickets sell for 60 cents. Pierce auditorium is the place.

This is a big project for the little Brownies as they want to outdo their big sisters, the Scouts, with their ticket sales. The Brownies have 700 tickets to sell. Each Brownie is expected to sell five tickets. A sell-out will boost the sorely pressed Scout budget—and besides the plays are always excellent. All January birthday girls could plan birthday parties around this favorite play.

Brightens Up Life in Korea

V. S. Army Photo

M/SGT. ERNEST C. BAILEY (right) and his constant companion, "PETE KIM YONG KYU, Korean youth whom Bailey hopes to adopt, visit with 1ST LT. GEORGE P. HANEY, of Grosse Pointe, commander of the 7th Infantry Division's Rotation Center in Korea. "Pete," who has been cared for by Americans since the death of his parents more than two years ago, speaks fluent English but is at a loss when addressed in his native tongue.

After talking with little Kim Yong Kyu, it's easy to understand why American soldiers so often become attached to the Korean youth. Kong Kyu, who only answers to "Pete," is the constant companion of M/Sgt. Ernest C. Bailey, whose wife, Alma, lives at 162 W. North st., Akron, Ohio. Sergeant Bailey, supply sergeant for the 809th Engineer Aviation Battalion, intends to adopt the youngster, whom he contends will be a welcome addition to his household, which already includes twin daughters, Mary Ann and Mary Lou, age ten.

Frederick Strong Gets Lincoln-Mercury Post

Appointment of Frederick S. Strong III as manager of the purchase analysis department is announced by C. S. Brown, general purchasing agent, Lincoln-Mercury Division.

Strong joined Ford six years ago in purchase analysis work in the Company's purchasing department. More recently he has been a senior buyer in the purchasing office of the Aircraft Engine Division, Chicago. Prior to that he was manager of the purchase analysis department of that division.

now my wife is quite familiar with Pete, and it was her suggestion that we adopt him. However, it's a tedious process that involves a lot of forms, correspondence, and time. The Red Cross has been extremely helpful and I'll have them to thank if I succeed in taking him home with me.

Nobody seems to know Pete's age, but a good guess would be five. He is undecided between four and five, while Bailey maintains he is six. He is an honorary colonel in the Engineers.

When approached by the photographer with his Speed-Graphic camera, the "Skoshie" one was reluctant to pose. Pointing to the flash attachment and insisting it was a "night camera," Pete opined the picture should be taken that evening.

Pete is currently visiting with the cadre of the 7th Infantry Division's Rotation Center. First Lt. George P. HaneY, whose wife, Vera, lives at 20728 Wicks lane, Grosse Pointe Woods, Mich., Officer in Charge of the Center, spoke for his men when he said, "The little fellow certainly brightens things up around here. His questions keep us in a dither, and his knowledge of our language serves as a source of amazement to all of us."

Legion Ladies Shop for Vets

More than 30,000 members of the Michigan American Legion Auxiliary this week are bringing a Christmas shopping service to 3,500 hospitalized veterans who are unable to go to stores to do their gift hunting for relations and friends back home.

Repeating a service started six years ago, the auxiliary members have set up a shopping center in each of four Veterans Administration hospitals located at Dearborn, Saginaw, Fort Custer, and Iron Mountain, Michigan.

The unique difference between these shopping centers and other stores where Christmas gifts are selected is that veterans don't pay for the gifts they select for members of their families. What they choose is the gift of the auxiliaries. Each veteran is entitled to select three gifts, with a value of \$1.50 to \$3 each.

After the selections are made, volunteer auxiliary members assigned to each hospital wrap them as gifts and then prepare each package for parcel post. Hospital orderlies and nurses bring veterans bound to wheel chairs and stretchers to the shopping centers.

Under the direction of Mrs. Delmar Landon, department rehabilitation chairman, 3993 Bedford, Detroit, and state auxiliary president, Mrs. Jack Collins, Ne-gaunee, the shopping centers this year have received gifts from 450 auxiliary units throughout the state which has exceeded a total cost of \$24,000.

\$50,000 Gift Hailed As Boon To Explorer Scout Program

To help stem the apparent rise in teen-age delinquency by providing a wholesome outlet for youthful energy, a contribution of more than \$50,000 has been given to the Detroit Area Council, Boy Scouts of America, to enable the Council to expand the Explorer Scout program, it was revealed here today. Exploring is a program designed for young men of high school age.

The donor, a successful Detroit business man, son of a coal miner who desires to remain anonymous, has specified that the money must be used within the next five years for expansion of the Explorer Program only, according to Scout Executive Amos R. Shields. The fund cannot be used for the Council's general Boy Scout operating budget, the Scout Executive said.

The gift will enable the Scout Council to employ an Explorer Director who will stimulate the

organization of Explorer Units throughout the Detroit area, particularly in the areas of greatest need. The director will also vigorously promote the four-fold Explorer Program of Outdoor Adventure—cruises, expeditions, orientation flights and athletic and outdoor sports; Social Affairs—coed parties, dramatics, ceremonies, youth conferences; Community Service—preparation for emergencies, civic good turns, informed and participating junior citizens; Vocational Exploration—job advice, vocational sampling, industrial tours and hobbies. Most important will be the Training Courses for Explorer Advisors (adult volunteer leaders) who will serve as counselors and advisors to the Explorer groups.

Mr. Shields said the gift, coming at this time, is the "answer to the prayers" over the years for enough funds to institute a full-time Explorer Program. This

phase of Scouting, insofar as the Detroit area has been concerned, he said, has always been regarded as the "missing link" in the overall Boy Scout program. There are now only 142 Explorer Posts with 1,929 members which compares with 651 Boy Scout Troops.

"This overall Scouting program is divided into three phases—Cubs, Scouts and Explorers," Mr. Shields stated. "We have excellent Cub and Scout programs with a large corps of adult volunteer leaders, men and women, who have and are giving thousands of hours of their time to the boys in Cubbing and Boy Scouting."

"We have long recognized the need for an active Explorer Program in Detroit, as have police officials and other authorities, who like us, have felt that this would be a major contribution in helping curb juvenile delinquency."

"The donor of the gift we are

announcing today was appalled by growing delinquent acts of young fellows who were "just having fun." He asked us why Scouting was not doing more for the teen-age boys. We regretted having to tell him that the Explorer Program for boys 14 and older was available, on a limited basis only, due to budget restrictions. It is apparent that he determined to do something about it; for it was only a short time later, that he made the gift to the Council."

Studied for Years
"The need of emphasizing Exploring, the upper third of Scouting's program has been studied for several years by the Detroit Area Council's executive board," Mr. Shields said. Budgetary restrictions made it possible for the Council to promote this much-needed program. Exploring has always been regarded by the Community Chest and the United Foundation as an "expansion of program" and program expansion has not been possible in budget planning in recent years.

As a result, the normal growth of Exploring which the Council would have experienced over the years, was severely handicapped. Thousands of Scouts reaching the age of 14 years, dropping out of the Boy Scout troop program, were lost to Exploring due to the lack of available Explorer Units and trained advisors.

"Law enforcement officials, educators and Scout Executives recognize that young men of Ex-

plorer age are at the most trying stages of their social, physical, mental and moral development," Mr. Shields stated. "Local juvenile authorities have been urging a more aggressive program of Explorer recruitment and activities in this area. These officials feel that most juveniles who get into trouble become involved only because they seek thrills and excitement. Under the Explorer Program the adventure offered the teen-ager would provide him with a number of wholesome adventures instead of a number on a police docket."

Open to All
Mr. Shields said that at age 14 any young man, Scout or non-Scout, may enter the Exploring Program. Because of the wide variety of interests of these youth, Scouting has provided a choice of three major youth interests and uniforms. The young man who wishes to specialize in aeronautics may wear the blue uniform of the Air Explorers. Perhaps contacts of a nautical nature appeal to him, so there is Sea Exploring and the navy blue uniform. For the Explorer seeking high adventure in advanced camping, canoeing and hiking subjects which take him afield, his choice would be Exploring and the forest green uniform.

Gangs May Be Assets
"A boy's social group is the gang, and boy gangs can become a community asset," said the Scout Executive. "It depends," he said, "upon three things, com-

mon to all social groups, whether an adult service club, bowling team, bridge club, or a boy gang. The three things are the hangout, the program, and the leader." The churches, schools, and civic groups throughout the area have in great numbers adopted Cubbing and Scouting as part of their youth activities. It is certain these same organizations will also sponsor Explorer groups, opening their buildings to their own and neighboring boys, for like Cubbing and Scouting, Exploring will accomplish more if composed of natural neighborhood boy "gangs".

Offers Advanced Programs
To all Explorers are offered advanced technical programs such as the Emergency Service Program which prepares a Scout

for valuable service to his family, neighborhood and community, in times of disaster. Such a program would gear into the overall plan of any community's Civil Defense or Red Cross Chapter as the Explorer would be especially trained in first aid, lifesaving, signaling, messenger duty, ambulance service, and services to the homeless or displaced.

An Explorer Advisory and Operating Committee has been appointed by the Council. The new group includes: C. Allen Harlan, president of Harlan Electric Co., chairman; William G. Lerchen, investment broker and former Scout Council President, honorary chairman; Inspector Ralph Baker, of the Juvenile Division Detroit Police Department; William St. Clair Billups,

a commissioner in Scouting and principal of the Brownson Public School; James V. Votta, executive secretary, Aero Club of Michigan; Thomas Fanning, member of the Mayor's Youth Commission and member of Junior Board of Commerce; Marion A. Macdonald, Sheet Metal Workers, A.F.L.; Captain John E. Teichrow, staff Explorer officer, Selfridge Field, and the following District Representatives:

Clarence Paneitz, Sr., 23069 Sherman, Ferndale; W. Edgar Gore, 452 McKinley, Grosse Pointe; E. G. Watkins, 165 Highland, Highland Park; Roland Pollock, 8100 E. List Patrons for Yale Glee Club Concert

A list of the patrons and proceeds of the Yale Glee Club Concert to be given Saturday, December 20, at 8:30 p.m., at the Music Hall, has been released.

The concert will be followed by a dance to be given under the auspices of the Yale Alumni Association of Michigan at the Detroit Country Club.

The proceeds of both the dance and the Glee Club concert will go to the scholarship fund which the Yale Alumni Association of Michigan has instituted. Since the inauguration of this Scholarship program approximately 35 years ago, dozens of Michigan men have been able to attend

Yale University through the proceeds of this fund.

Today, the Michigan Yale Alumni have established four full scholarships at Yale, allowing for the selection of one new man per year from Michigan to attend the full four year course at the University.

Tickets for both the Glee Club concert and the dance following the concert are now on sale at Grinnell's Woodward avenue store and will also be on sale at the box office of the Music Hall on the night of December 20 and at the door of the Detroit Country Club.

The patron list follows: Mr. and Mrs. Wendell W. Anderson,

Mrs. Harold D. Baker, Mr. and Mrs. Henry E. Bodman, Mr. and Mrs. John Lord Booth, Mr. and Mrs. Warren S. Booth, Mr. and Mrs. C. Henry Buhl, Mr. and Mrs. Lawrence K. Butler, Mr. and Mrs. Wylie W. Social Security Unites Families

Christmas is primarily a family festival—a birthday anniversary "when all of the folks are home." If possible, people cross the continent in order to spend the day at home; it is the most lonely day of the year for the wanderer.

This year, more than a million old couples will be able to enjoy the day together as well as all of their remaining days, thanks to their social security benefits. Half of the 2.5 million retired workers receiving old-age and survivors insurance payments are married. About three-quarters of a million of the wives, having reached their sixty-fifth birthday, are receiving additional benefits. In thousands of cases, these retired workers have a minor child who also receives monthly benefits. Instead of being parted for lack of income, these families will divide about \$64 million in insurance benefits for December and keep up their homes.

Another million orphaned children of insured workers who have died and about one-third million widowed mothers will celebrate the holiday together—at home. That group will receive an estimated \$54 million for December and for many months to come. Their Christmas may be saddened by the absence of the father who made this income possible, but they will have the comfort and happiness of remaining a family and having a home.

A survey of beneficiaries' assets and income was conducted last year by the bureau which indicated that the average beneficiary has little or no income except the social security insurance benefit. The conclusion is clear that without this insurance income, the death or old age of the breadwinner would result in broken homes. If the system brings comfort and companionship to the helpless and provides young Americans with some guarantee of a mother's loving care, society will benefit. This is the Christmas message of your social security office.

Young Democrats Club To See Two Movies

A program of two movies will be shown at 8 p.m. Thursday, December 11, at a meeting of the First 14th Congressional District Young Democratic Club.

Meeting at Local 306 Hall, 11500 Charlevoix, the Young Democratic Club will see the films "The Valley of the Tennessee" and "Whispers". The first film tells the story of TVA, while the second shows what happens when people use the unscrupulous tactics of rumor-mongering in a political campaign.

Problems of Aging Aired As 600 Attend Workshop

How will older people live? How will they play? Find friends? How will their medical needs be fulfilled? Will making them stop work at 65 tend to shorten their lives?

These and many other problems of aging were defined and discussed at the first over-all Workshop on the Aging, conducted by United Community Services of Metropolitan Detroit and leaders from industry, labor, churches, social agencies, doctors, educators and leading citizens from most other fields of endeavor. Dr. Frank J. Sladen, of Lincoln road, medical consultant, Henry Ford Hospital, was general chairman of the Workshop. Mrs. Carl B. Grawn and Mrs. Theodore R. Buttrick, both of the Pointe, served on the panels.

The number of older people in America is increasing rapidly. Today there are 10,000,000 people over 65 years of age in the country. By 1970, according to Dr. William A. Sawyer, medical consultant of Eastman Kodak Company, Rochester, N.Y., it is expected that there will be 16,000,000 in this age group.

Dr. Sawyer, in giving the keynote address to the 600 people attending the Workshop Dec. 3 at the Veterans' Memorial Building, said:

"Twenty-eight per cent of American top business executives are over 65.

"Forty per cent of the United States Senators are 65 and over. "It seems terribly incongruous that we can acknowledge the ability of men over 65 to be our top leaders, but deny the right of those over 65 to do simple clerical or mechanical work."

In the area of physical health, Dr. E. M. Bluestone, former director of Montefiore Hospital,

N.Y., said that his hospital has been treating people at home instead of at the hospital, an idea, which if it is generally accepted, would result in some revolutionary changes in current attitudes towards hospitals.

His plan is based on the belief that a patient can have as good care at home, and may even recover more quickly. As for the cost, it is only one-fourth that of hospital care. In the home, the patient is visited by a team of doctors, nurses and specialists. He pointed out, in answer to a question, that the Blue Cross Hospital Plan in some areas is already covering this type of "home-hospitalization."

Mrs. Lucia Bing, director, Project on Aging, Pittsburgh, Pa., said that three things were necessary: Surveys to find jobs suitable for people past 60, saving these jobs for older people; centers where representatives of various agencies will be available at certain times; and new kinds of old age homes.

Dr. Wilma Donahue of the University of Michigan, leading a panel on housing, urged a study of housing needs and preferences of older people and develop plans to fit. She suggested telling financial institutions the field that exists for home financing for older people and to urge private builders to go into building homes for older people.

The Rev. Russell L. Dicks, Divinity School, Duke University, said that the basis for happiness among older people involves individual effort, friendship visits and continued activity by old people. In the panel it was brought out that older people have seven dreads:

Fears of economic distress, of disease, of loss of vigor, of the problem of where to live, of the need to feel useful, the need for companionship, and the attitude toward change from an existing situation.

In the panel on recreation, Jerome Kaplan of Minneapolis pointed out the value of clubs for older people, while cautioning against an attitude of segregation of older people.

United Community Services, now armed with the most complete local material to date, is preparing to plan for further studies of recommendations coming from the several panels. Of prime importance in further studies is the recommendation expressed in all panels that the attitude toward aging in our culture must change.

Mrs. Bing, in the summary of her panel on counseling said: "Society must accept the presence of the aged not only as inevitable but as desirable."

Chapter AO of P. E. O. To Hold Christmas Fete

Mrs. Jackson Mervin of Shoreham drive will entertain with co-hostesses Mrs. Albert Vossler, Mrs. Fred Asmus and Mrs. Samuel Fittes, at the annual Christmas party of Chapter AO of PEO, at 8 p.m., December 15.

Betrothal Told At Dinner Party

Mr. and Mrs. Allan G. Campbell, of Longacre road, have announced the engagement of their daughter, Florence Jean, to Robert G. Allen, son of Mr. and Mrs. George B. Allen of Lakepointe drive.

The betrothal was told at a family dinner party given by the Campbells in the Detroit Athletic Club.

Florence is a graduate of Mercy College and her fiance received his diploma from the University of Michigan where he was a member of Phi Delta Theta.

Many Improvements Seen In Beautiful New Ford Line

The 1953 Ford—marking the 50th anniversary of the Ford Motor Company—will go on display in 6400 Ford dealerships across the country Friday, December 12. The new models will be introduced without any increase in present prices.

A massive new grille with a center spinner characteristic of recent Ford design and a low road-hugging look, advance the modern Ford styling. And an outstanding improvement in suspension, termed the "miracle ride," heads a list of mechanical improvements.

Much Smoother Riding
L. W. Smead, general sales

Both engines are designed to operate on regular gasoline.

Another new feature of the 1953 Ford is the addition of thick, sound-deadening glass fiber lining under the hood, which adds to driving comfort. Other features include Ford's "hull-tight" body construction which seals out water, dust and drafts; its rubber-cushioned body bolts and joints welded, soldered and plastic-sealed. As in 1952, the clutch and brake pedals are suspended from above to do away with dusty, drafty floor holes, keep the brake cylinder away from road mud and dust, and provide unobstructed floor space for the driver.

Plenty of Visibility
Clear safety glass is standard in the large, one-piece windshield, the curved, car-wide rear window and on the large side windows of the 1953 Ford. As optional equipment at extra cost, Ford's I-REST, soft-green tinted safety glass is available. This

glass effectively cuts glare from the sun's rays and from oncoming headlights.

Additional features offered in the 1953 Ford are: check straps which hold the front doors either two-thirds or wide open; all Mainline sedans and coupes equipped with 6.70x15 tires as standard equipment; new jetting hood ornament and new oblong parking lights; and new one-piece, wrap-around rear windows in the Victorias.

Fills Under License
Ford continues to feature center-fill fueling with the gasoline cap concealed behind the license plate, easier steering, push button door handles and rotary latches and extra large luggage compartment.

Ford front seats have automatic posture control, including non-sag springs covered with a thick foam rubber seat pad and a seat track mechanism for forward and aft adjustment of 4.1 inches. During this adjustment the seat

cushion rises one-half inch while the seat back tilts forward 1.8 inches to properly accommodate shorter drivers in the extreme forward position. Rear seats in all models also are covered with a cushion of foam rubber.

John Van Dagens Home After Service in Germany

John Van Dagens, son of Mr. and Mrs. M. L. Van Dagens, of 1816 Somerset, has returned home after 9 months service with the 28th Infantry Division in Germany. John entered the ROTC program at Michigan State College two years ago.

Has Longer Look
Emphasizing the longer look of the 1953 Ford is a new chrome molding through the center of the rear fenderline and new jet-tube tail lights with a larger signal area more easily seen from the side or rear. A decorative chrome deck lid handle, mounted below the Ford crest, with a concealed, weather protected key-opening and key spring return, has been added to the new model. The new hub caps feature the Ford name in embossed letters.

The 1953 Fords are available in the following models:
Mainline: Tudor and Fordor sedans, business coupe and two-door Ranchwagon; Customline: Tudor and Fordor sedans, club coupe and four-door Country Sedan; Crestline: Victoria, Sunliner convertible and Country Squire four-door station wagon.

Many Colors Available
Included in the three lines are 12 single-tone and 14 two-tone exterior colors. Interior fabrics and trim are new and color-harmonized interiors blend perfectly with the new body colors on all 1953 Fords. The instrument panel has been redesigned with a satin-chrome finish on the mask surrounding the gauge indicators and chrome yokes around the control knobs.

Known as the world's largest builder of V-8 engines, Ford features its Strato-Star V-8 engine as the only V-8 in the high volume field. Its 110 horsepower is the highest in this field. Also available on the 1953 Ford is the Mileage Maker Six—the most modern designed 6 in the industry—with free-turning overhead valves.

Wins High Praise
This 6-cylinder, high compression, low-friction engine is rated at 101 horsepower and was introduced on the 1952 Ford. It has won high praise among Ford owners for its unusual economy and powerful performance.

1953 LINCOLNS SWEEP FIELD IN MEXICAN PAN-AMERICAN RACE

Lincoln for 1953 is the automotive sensation of the world today! 1953 Lincolns in the Mexican Pan-American Race took not just first, not just second, but third and fourth places as well!

In the race participants call "the toughest stock car competition in the world," the winning Lincolns swept ahead of 66 other American production cars representing 11 other makes—and won by a big time advantage.

The first 1953 Lincoln to cross the line was driven over the tortuous 1,938-mile course in a total elapsed time of 21 hours, 15 minutes and 38 seconds. Then, within 10 minutes and 58 seconds, the three other winning Lincolns swept in—with the last one fully 20 minutes ahead of its nearest competitor.

Never before has there been such a record established in this International Contest organized by the A.N.A. (Asociacion Nacional Automovilistica)—a run that includes altitudes ranging higher than 10,000 feet—over roads of every type and condition.

Never before has a great car so clearly demonstrated both its performance superiority and ruggedness in such a competitive test.

The 1953 Lincoln, with its advanced design 205-hp engine—the V-205—is the car to challenge all others this year. So see the 1953 Lincoln—which is powered to leave the past far behind. Try it—drive it—for the performance revelation of a lifetime!

News from Detroit University School

Among the many fathers attending the Father and Son Football Banquet at the Detroit University School on Tuesday, November 25 was W. H. Lawrence of the New York Times. Mr. Lawrence spent some very busy and exciting weeks this fall covering the campaign trains of General Eisenhower and Governor Stevenson.

with poor coordination. Dr. A. D. Ruedemann of Grosse Pointe is in charge of the project, and D.U.S. is one of several schools in which the study is being conducted. Dr. Ruedemann points out that by studying pupils' "vision plus coordination" at an early enough age some clear indication may come as to why some pupils have trouble in succeeding in school.

At the annual Thanksgiving Service held during Monday morning chapel on November 24 Mr. Earl Kimber, teacher of American History, traced the development of Thanksgiving and its meaning. A group of five boys from the Glee Club sang two hymns for the service. The boys were Donald Rentschler, Anthony Barr, Robin Ryan, Herbert Hill and Jock Hoey.

A study is being conducted at the Detroit University School this fall as part of a continuing research project of the Kresge Eye Institute which is seeking to discover to what extent academic difficulties (or school difficulties of any type), may be traced to weak vision combined

From the fund honoring the memory of trustee Steven Stackpole the librarian at D.U.S., Mrs. Blanche Blashill, has been able to purchase many excellent new books this year. The number of books borrowed by students has increased substantially this fall.

At the operetta "Iolanthe" presented by the boys and girls of the 7th and 8th grades at Country Day School and D.U.S. there was a good number of parents and students in attendance. There were two performances, one on Thursday, November 20, the other on Saturday, November 22.

Some of the D.U.S. boys taking part were James Stewart, Paul Brenkert, Steven Sherer, Robert Nester, David Marentette, Edward Evans, Jeffrey Hudson, and Edward Wiener. The show was directed by Mr. Neale Stahl, Miss Marie Sansone, and Miss Molly Niederlander. Country Day girls who had prominent roles were Pat Frederickson and Julie Pierce.

The first Student Council Honor Roll at D.U.S. for the fall term of 1952 follows. It should be noted that this list is based on good citizenship and effort not on academic grades and that the standards have been set by the students themselves.

First Honor Roll
Howbert, Edgar, 10th grade; MacMillian, Francis, 10th grade; Dyan, Robin, 10th grade; Isbell, Robert, 9th grade; Bogle, Peter, 11th grade; Hafford, David, 10th grade; Mogk, Jack, 9th grade.

Second Honor Roll
Hill, Herbert, 10th grade; Glancy, Robin, 9th grade; Erikson, Richard, 10th grade; Wark, David, 11th grade; Wilk, John, 9th grade; Powers, Robert, 7th grade; McGaughey, William, 7th grade; Holland, Henry, 7th grade; Garratt, William, 7th grade; Becherer, Hans, 12th grade; Garbutt, Bruce, 12th grade; Boos, Nick, 12th grade; Rentschler, Donald, 10th grade.

To attain the First Honor Roll, one cannot have more than one S in the total of his effort grades, and his citizenship grade must be an E.

To attain the Second Honor Roll, one must have more E's than S's in the total of one's effort and citizenship grades and he must have an E in citizenship.

On Friday morning, December 5, Mr. Neale Stahl of the Detroit University School music department sponsored an assembly program devoted to the appreciation of symphonic music. Two documentary films showed famed orchestras in action and described the arrangement of the various instrumental sections. Mrs. Daniel Goodenough, 234 Lothrop, was a guest speaker, as was Mr. John E. Ford, Jr., President of the Detroit Symphony Orchestra. Mrs. Goodenough stressed the values of the Young Peoples Concerts, which are to be held on Jan. 10, Feb. 21, and March 7. Mr. Ford praised symphonic music as a source of enjoyment and relaxation and pointed out that one need not play an instrument himself or be deeply versed in music to find much pleasure at a symphony concert.

Paul C. Diggles of the English Department attended the meeting of the National Council of the Teachers of English at Boston last week. The meeting was the occasion also of the Golden Anniversary of the New England Association of the Teachers of English. Speakers at the meeting included Elizabeth Yates, Archibald MacLeish, John Gould, and Jesse Stuart.

Rev. Robert Gibson Will Deliver Sermon

Rev. Robert Gibson, formerly of South Charleston, West Virginia, will deliver the sermon at the 10:45 a.m. service next Sunday morning at St. Paul Ev. Lutheran Church, Chalfonte and Lothrop.

Pastor Gibson will enter the chaplaincy of the United States Army after the first of the year.

The Sunday School will observe a pre-Christmas "Fun Night" on Friday evening at 7:15. A program of songs, games, and entertainment has been arranged. Refreshments will be served. The chairman of the committee is Mr. Vernon Olson, 19986 Holiday. All children of the Sunday School and of the community are welcome.

Zeta Tau Alpha Alumnae Plan Holiday Luncheon

Zeta Tau Alpha Alumnae will hold a holiday luncheon for all members of the fraternity on Saturday, December 27, at 12:30 p.m. at the Veterans Memorial Building.

College members home for the holidays, their mothers, and mothers of other Zetas are especially welcome.

Mrs. Harold Kerr, president of the province will act as toast mistress and chairman. She will be assisted by Mrs. Leland V. Hewitt of Berkshire road, Miss Ann Knight of Chandler Park drive, and Mrs. Kenneth Koppitz of Courville avenue, who will take reservations.

Michigan Movie Series Presenting Dec. 16 Show

"Merry Christmas," a short film featuring the Boys' Choir of Vienna, will close the weekly film program at the Rackham Educational-Memorial at 3:45 and 5:45 p.m. on Tuesday, December 16, it is announced.

Opening with a color film about the U. of M. Marching Band, the program will also include "Ski Holiday," "Winter on the Farm," both in color, and "King Midas and the Golden Touch."

This will be the final program for the fall series, a new series being scheduled to start in late February. The programs are sponsored by the University of Michigan's Extension Service and Audio-Visual Education Cen-

WORTH MORE features:

- New Miracle Ride brings you riding comfort at its level best! Not just softer springs and new shock absorber action, but a smoothly coordinated system of ride control elements that adjusts instantly and automatically to changing road conditions. It's a completely balanced ride... a ride that will give you an entirely new concept of driving comfort on level parkways or rough, rutted byways.
- Shift to Fordomatic... and you'll never shift again. It's the finest, most versatile automatic drive ever. Ford also offers the smooth, thrifty Overdrive.
- Key-Release Deck Lid opens automatically on counterbalancing hinges when you turn key. Note big trunk space! Ford's hood is counterbalanced, too!
- Full-Circle Visibility gives you an unobstructed view of the road... and all the scenery. 1-REST fitted safety glass makes driving easier on your eyes.
- Center-Fill Fueling prevents hose marks on the finish of your car. No gas spill on fenders. Short gas filler pipe gives you trunk space for an extra suitcase.
- Power-Pivot Pedals, suspended from above, operate more easily, eliminate dusty, drafty floor holes, make foot space of the entire floor space.
- Automatic Power Pilot saves you money because it gives you high-compression "Go" with regular gas. An economy feature on both V-8 and Six.

Cruising Club Dinner Tonight

The Cruising Club of Detroit will hold its annual dinner tonight, December 11, at Bayview Y.C., under the direction of Commodore Clare Jacobs, who will turn the Commodore's flag over to Hank Burkhard for the 1953 season during the course of the evening.

The results of the 1952 season will be announced and the trophies and flags will be distributed.

J. Elwood Armstrong, a local and nationally known photographer, will display a photographic exhibit of many of the local boats in action and will also show many of his kodachrome slides taken during the 1952 season. Also colored slides will be shown of the Georgian Bay and Green Bay cruising spots which undoubtedly will "put sand in many a sailor's shoes."

Local tars are cordially invited to attend and do some "winter cruising" with the Cruising Club of Detroit.

Tip to motorists: Don't let cross-traffic cross you up.

New Mercury Offers Finer Performance, Appearance

Styling changes to give a lower, wider appearance, and improved car performance are among the notable achievements in the 1953 Mercury which went on display in dealer showrooms December 10.

In addition, the Mercury for 1953 has a new two-position door check on the doors of all models. This extra door stop position is safer and more convenient, especially in crowded parking areas. With it, doors can be held in half-open position as well as in the standard full-open position.

New Exhaust System

An appreciable improvement in Mercury performance has been brought about by changes in the exhaust system and a new air cleaner. A straight-through muffler replaces the three-pass muffler used on 1952 models, and the tail pipe has been enlarged to two inches. These improvements have decreased back pressure as much as 50 percent, providing a more efficient use of the power developed by the engine.

These changes are responsible for the all-round improved performance of the Mercury—performance which trims more than four seconds off the time in accelerating from a standstill to 80 miles and hour.

Looks Lower and Wider

From the front the new Mercury appears lower and wider due to a newly designed hood ornament, heavier chrome hood lip moulding and new accessory bumper guards.

New chrome side mouldings make the cars look younger, and new chrome "wind splits" on the side add a distinctive touch. Monterey models come with fender shields, chrome rocker panels and chrome drip rail mouldings as standard equipment.

Wider in Rear

Helping to give a wider appearance from the rear is a one-piece back window and a restyled deck lid lock and ornament.

Interiors have been completely restyled with all new and luxurious fabrics. A total of 29 trim combinations gives 15 more than offered in 1952.

A wide selection of exterior colors is available, including five all-new metallics. A total of 13 basic colors includes eight new ones. There are 26 two-tone combinations.

Distinctive Crest

A distinctive gold lettered crest on white background marking the fiftieth anniversary of Ford Motor Company is mounted on the right side of the instrument panel on all models.

There are seven distinctive models in the 1953 Mercury line, all of them destined to stand out on the American road in styling and performance. All come with custom interiors.

New Body Styles

In addition to a four-door sedan and a two-door sedan, Mercury offers a sport coupe with hardtop styling. There are four attractive models in the Mercury Monterey, including a

four-door sedan, a hardtop with all the extra features of Monterey styling, a convertible, and an eight-passenger station wagon. The all-steel body of the station wagon has applied wood mouldings.

A newly developed mechanism raises and lowers the top of the new Mercury Monterey convertible faster and easier. This special ball bearing unit raises the top speedily and guides it into proper position automatically, eliminating any possibility of over-stress at any point.

Rudolf Serkin Plays Tonight

Rudolf Serkin, the world famous pianist who, in the words of Life Magazine, "looks like a scholar and plays like an angel," will be the soloist with the Detroit Symphony, Paul Paray conducting, Thursday, Dec. 11, at 8:30 p.m. in the Masonic Auditorium. He will play the Beethoven Concerto for piano and Orchestra in G Major, No. 4. The orchestra will play Weber's Overture to "Der Freischutz," Schmitt's "Tragedy of Salome," and Falla's excerpts from "El Amor Brujo."

A truly international figure, Serkin began his career at 17 under the sponsorship of Adolf Busch. Between the brilliant young pianist and the elder violinist there was immediate musical and personal sympathy. The result was that Serkin lived with the Busch family and gave a series of sonata recitals with him. In 1933—after the advent of Hitler—he left Germany and settled in Switzerland. Serkin later married Busch's daughter.

Serkin's first visit to the U. S. was to play for a special concert at the Coolidge Festival in Washington, D. C. His public debut as pianist took place in 1936 when Toscanini invited him to be his soloist with the New York Philharmonic-Symphony Orchestra.

The profound impression he made on that occasion was the beginning of an American career which has established him as a unique figure in the concert world.

At the Bach Commemorative Festival in June, 1950, given under the direction of Pablo Casals in the remote French Pyrenees village of Prades, Serkin gave the only concert performed by a single artist. He returned in the summer of 1951 for the second Casals Festival in Perpignan. Reservations for the single appearance in Detroit are available at the Symphony office, Masonic Temple, TE. 1-3900.

Phillip Robertson Plays In All-Star Grid Tourney

Phillip Robertson, a journalist seaman in the U.S. Navy, was a member of the Ninth Naval District All Star football team which won the Commander's Cup in the six man football team tournament held at the Great Lakes Naval Training Center.

Robertson was chosen on the All Star team after competing against several teams throughout the Base as a member of the Fleet Home Town News Center team. Robertson is the son of Mr. and Mrs. Martin R. Robertson of 468 Fisher road.

Boat Banter

By Fred Rannels

One of the grandest commodes we know stepped down from the top job in the Detroit River Yachting Association at an annual meeting held at Bayview Y.C., Friday, December 6. Commodore Edwin Bodkin climaxed one of the best sailing years in the history of the local fleet amid a tremendous ovation given him by the huge gathering that packed every corner of the Bayview club room.

The meeting moved along at a rapid pace under Bodkin's efficient guidance. The speeches were short, the election of officers a matter of formality, the trophies were dispatched with haste and the order of new business was practically nil.

Phillip Phillips and Jack Sutton automatically moved into the commodore and vice-commodore posts and Francis (Frank) Martin, past commodore of Edison Boat Club, was unanimously elected to the rear commodore job.

The Detroit Boat Club won the new Commodore Jack Sutton Perpetual Trophy which will be awarded to the DRYA member club that provides the best Junior Sailing program for its younger members each year. Commodore Frank Reed graciously accepted the award from the donor and in turn announced that his club had awarded 13 year-old Paul Weymeyer the Boat Club Trophy for being the best all-around sailor to come out of the Junior group.

The Boat Club won the award on the basis of having provided sailing instruction every Tuesday and Thursday during the 1952 season. The program produced some winning skippers too. The junior tars brought home two firsts, two seconds and two thirds in the weekly club sponsored regattas.

Altogether Boat Club Juniors earned nine restricted and nine unrestricted sailing cards from the program.

Ledge Mitchell, owner-skipper of the New York 32 "Soubrette" was the big trophy winner. He won the Commodore Art Summerlee and the W.J.R. Trophies for his 1952 winning performance in Cruising A.

Fritz Leydorf, owner-skipper of "Joanne," an Owens cutter that stood the Cruising B division on its ear this year, took home

the Thomas Hardware Trophy and Jimmy Carlin's "Glory Sea II," a Pilot sloop, earned the H. C. McGregor Trophy for being tops in Cruising C in 1952.

Bob Neesley's "Malabar VI" won the Commodore Ray Priebke Trophy as the best in the schooner-ketch class for '52.

Wes Weidrick wasn't on hand to accept the George Cossaboom Trophy from the donor. This award goes annually to the "over-all river champion" in the Lightning class.

Commodore Ken Leipprandt awarded his own trophy to Ed Darling, who was tops in the CKFFA (Club Kat Free-for-all) class.

Secretary Hal Smith handed out the prizes for the DRYA's own regatta held on the Fourth of July. But there were no trophies for the Race Week winners.

Bob Sharron, owner of the eight meter "Thisbe" dropped a hint about a survey being made of three eight meters, one in Italy and two in Sweden. Some local boys are interested and if the surveys work out, next spring we may see three new eight meters added to the local fleet of Shannon's "Thisbe," Milt Cross' "Venture" and Hans Hatschek's "Shamrock." This would be a wonderful thing. There used to be a time when the eight meter was the hottest thing afloat around here.

The Detroit Privateer Association announced its 1952 trophy winners. Bobby Roadstrum's "Cotton Top" carried off the Gregory Marina Long Distance Trophy, Jimmy Trudell's "Gin

Tom" won the Fall Series "Wind Toy Memorial" Trophy and the writers boat "Wind Toy" captured the Thomas Hardware Summer Series award, the Keystone place as Regatta Champion and the newly dedicated Morrill Dunn Memorial Trophy emblematic of the Season Championship.

That tremendous trio of Nagel, Nicol and Desmond won't be battling around Lake St. Clair on their pilot sloop "Balquidder" next summer. Seems Johnny Nicol has started up a new business.

The Hannan Y.M.C.A., 10401 East Jefferson at Garland, is offering for older boys, the opportunity of participating during the Christmas holidays in basketball and handball tournaments.

The Hi-Y Clubs, Gold and Blue of Grosse Pointe High School, Southeastern High School and Miller High School, will each enter a basketball team in a Hi-Y tournament at the Hannan Y.M.C.A. The local winner will play in the city Hi-Y play-offs.

Tournaments will be run in "Three Man Basketball," on two different levels, Junior and Intermediate. Three-Man Basketball is a game designed for half court play by teams of three or more boys with very simple rules.

This is an activity that large number of boys are expected to enjoy. Local winners will play in the city finals.

Also a "Junior Singles Handball" tournament will be played in two divisions: boys under 18 years of age and boys 18 to 21 years of age. The local winners and runners up in each division will be entered in the city-wide finals. This Junior Handball tournament is an annual event sponsored by Larry Rothenberg.

These activities are a part of the city-wide Y.M.C.A. Christmas holiday program. For further information call VA. 2-7200.

Pace Sizzling In Ladies Loop

The Glen Walker Motors bowling team moved into a two-way tie second place with Grosse Pointe Woods Recreation and they both are just one half a point off the pace set by the league leading Kammer Beauty Salon team which has 33 and a half points.

The Walker Motors team grabbed three points to move from fourth place while G. P. Recreation and the Kammer ladies were taking one point last Wednesday, December 3, in the St. Paul Ladies League.

All the teams from the tenth place up to the deadlocked second place teams are within striking distance of the leaders. Silver Crown Ballroom and Square Deal Cleaners are tied with the Lorraine team at 29 points each.

Bernice Lynch posted the high series of the night with a 496. Florence Radtke annexed the high single game with a 197.

Table with 2 columns: Team Name and Points. Includes Kammer Beauty Salon (33 1/2), Glenn Walker Motors (33), G. P. Woods Recreation (33), Woods Florist (32), Groves Buick Inc. St. Ambrose Five Beats St. Martin

Norm Soper, St. Ambrose's great football player, flashed signs of cage greatness last Sunday, December 7, when he whipped in three field goals in the last three minutes of play to defeat a favored St. Martin quintet, 43 to 40, on the Cannon Memorial court.

St. Ambrose had to win the game the hard way after missing 27 free throws. St. Martin was sharp at the foul line, missing only six charity tosses.

It was Don Frisby, another Cavalier football star, who kept the Cavaliers within striking distance until Soper made his game-winning shots in the closing minutes of play. Frisby collected seven field goals and three throws for 17 points. He tied St. Martin's Denny Wade for high point honors.

This was the Cavaliers' opening game in the East Side (second division) Parochial League title chase.

Hometown Athlete Wins Union College Letter

Samuel E. Armstrong, Jr., of 642 Lincoln, was awarded a Block "U" letter for his participation with the Union College varsity football team this fall.

Armstrong, a sophomore, was playing his second year of varsity football at Union. A 6' 1", 185 pound tackle, Armstrong broke into the starting lineup through the season, and action in all of the Dutchmen's games. Sam is expected to return next fall as Union tries to better its 3-5 record of this season.

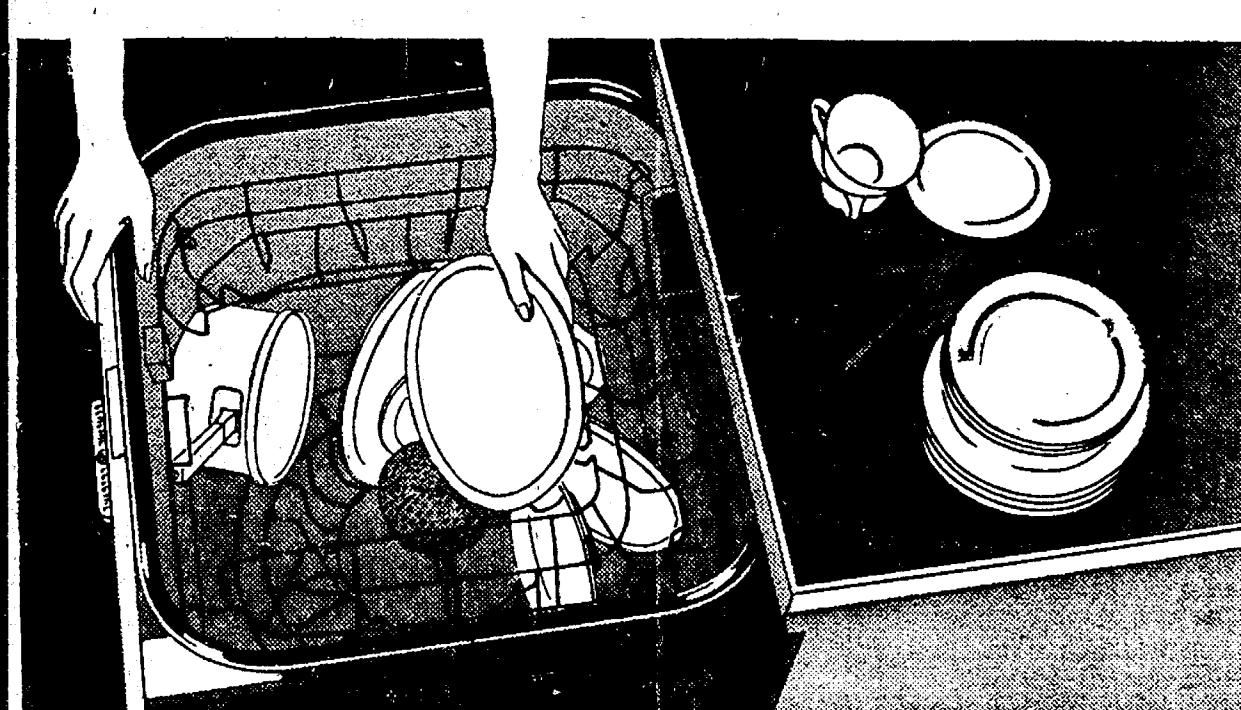

Lead Narrows In Pin League

Boutin's Service lost two points to the Bruce Wigle five last Wednesday night but continued to lead the Grosse Pointe Businessmen's Bowling League. The leader's closest rivals; Testa Cement Co., and Banke's Archt., both lost ground by losing three points each. Kennelly Catering moved up into second place by knocking off four points from Melucci Printing.

Two hundred or better scores were posted by R. Lundberg, 233; Thompson, 227; Gross, 223; Bosco, 219; Genca, 217; Starr, 215; Heise, 208; Kurk, 204; Leahy, 202; Carroll, 201; Engel, 201; Pety, 200; Petz, 200, and W. Kehrner, 200.

GPHS Varsity-Alumni Game Looms as Holiday Highlight

By Fred Runnells
A quick check of our calendar and we notice the annual Grosse Pointe Varsity-Alumni basketball game is only two weeks away and we have yet to receive any word to speak of.

We did get a letter in today's mail from one of our closest friends and severest critics, Joe Fromm, currently studying at Princeton. We can always depend on Joe, the best student manager to graduate from the school on Fisher road, to tell us what's good or bad about the stuff we write.

Joe had some good suggestions on how to improve the Varsity-Alumni game. Joe writes, "The preliminary All-Alumni basketball games in the past have been good, but frankly I think they have been a farce from the spectators' standpoint. They have started so early that people who are arriving for the big varsity game are always walking along the sidelines in our Crackerbox gym and you know how distracting, annoying and fouled up it can get. Also some people who haven't seen their friends for a while want to renew acquaintances and talk over old times, and usually don't pay attention to the preliminary game."

Joe suggests that the "preliminary game start at 8 p.m.," and points out that he doesn't think it would be too late to start the Varsity game at 9:30 p.m. Joe went on to say "I don't think it would be too late for the kids attending the game because they don't have to make any bedtime curfews during the holidays and besides, it would make a complete evening for the spectators and the trouble makers wouldn't have time to look for trouble to complete the evening."

Our friend goes on to suggest, "Keep the people from entering and moving along the sidelines while the game is in progress and advertise what time the game will start and request the spectators be in their seats by that time."

Joe says he saw Bayard Johnson after the Princeton-Dartmouth game this Fall, in which he states, "Johnson played a whole of a game for Dartmouth even though the Big Green did lose." Joe said Bayard was all hopped up about this year's All-Alumni game and promised to be on hand to play in the "tiny gym" where he gained Border Cities League basketball fame a few years back. Joe even promised to be on hand to give youths truly a hand at managing the Alumni squad.

We believe Fromm has some good points and many of them could help to improve the now famous Varsity-Alumni contest from the spectators' standpoint.

St. Paul Five Scores Upset

A supposedly weak St. Paul Flyers' basketball team vaulted into the spotlight of the East Side (second division) Parochial Basketball League with a stunning 45 to 43 triumph over a powerful St. Charles quintet last Friday, December 5, at the Neighborhood Club.

That old master, coach Eddie Laurer, really had his squad up for this one and although the St. Charles quintet was figured to chalk up a lopsided win, the Flyers wouldn't roll over and play dead.

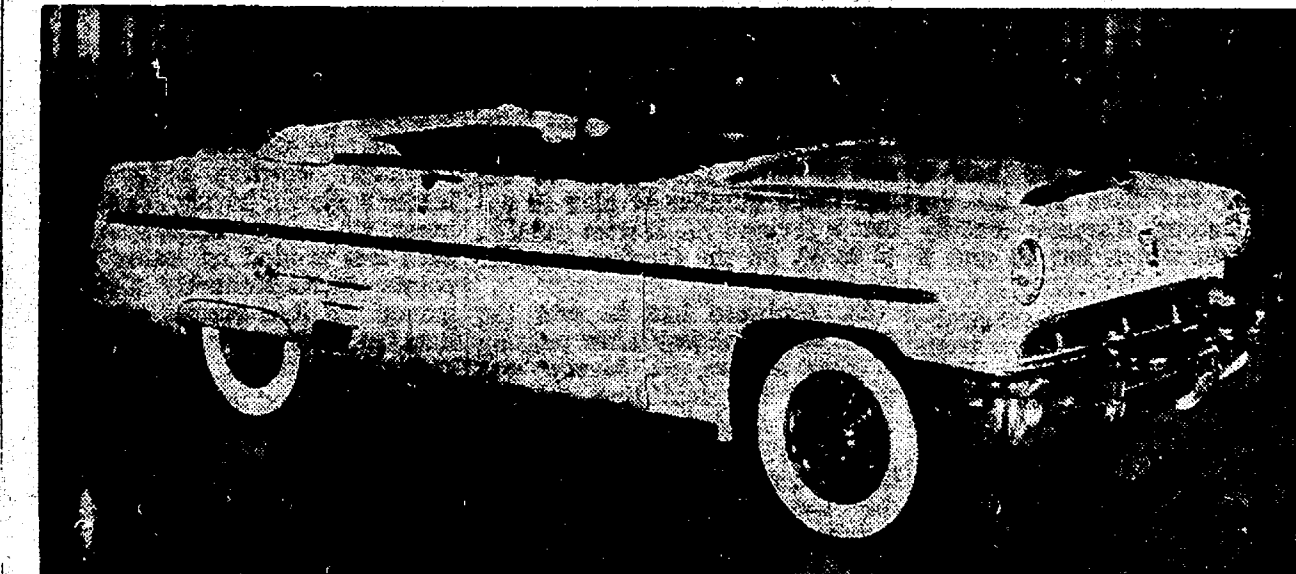

Glenn Wacker flipped in the winning bucket with scant seconds remaining and the "Standing Room Only" crowd screamed wildly.

The real darling of the St. Paul rosters, however, was Little known sophomore, Bob Wright, Wright's monotonous tattoo on the St. Charles basket kept the Flyers within striking distance at all times. The combination of Wright's successful long shots and Walters' close in hook and dog shots kept St. Charles off balance throughout the game. Walters whipped in 15 points to become the individual high point man and Wright was close on his heels with 13 points for second place honors.

What was more remarkable than the score, if that is possible, was the capacity crowd that jammed the Neighborhood Club gym. St. Paul officials didn't expect the underdog quintet to have the same drawing power as its championship team of last season which presented that "terrific trio" of Jack Trombly, Eddie Lynch and Pete Schummer. But the loyal Flyer fans were out in force and now that the present squad thrilled them to the core you won't be able to keep the St. Paul fans away with wild horses. They love this team.

WOMAN'S WHIM
Often, history has been made at a woman's whim. One of Japan's first conquests of the mainland around 200 A.D. was led by a woman, Empress Jingo Kogo. According to 'The Book House for Children, she left the decision whether to start up to the gods. The legendary story is that Jingo went to the seashore and prayed as she dived into the water, "If I am to go may my hair be parted by the waves evenly on either side." When she arose her hair was evenly parted in the middle. Almost immediately, she set sail for a country to the west and came home with eighteen ships full of loot. The plundered land? Korea.

Top Raises Faster on New Mercury

A special mechanism to increase the speed of raising or lowering the top is a new feature of the Mercury Monterey convertible for 1953. This ball bearing unit automatically guides the top into correct position, eliminating any possibility of over-stress at any point. The 1953 convertible is available in 13 body colors, including a startlingly new "bittersweet," and in nine interior trim combinations of all-leather or vinyl and cloth. The new cars may be seen at Tracy Motors, Kercheval at Hall Place.

D.U.S. to Play Short Schedule

Due to the heavy scholastic program at Detroit University School, the long basketball season has been reduced to a minimum of six games, which will give the local lads three games at home and three away.

D.U.S. cagers will have an opportunity to extend their basketball season if they perform well during the regular schedule according to Coach Earl Kimber, who is starting his 24th year as head cage coach at the school.

Kimber says, "If the boys produce in our six games we will enter the State tournament in class D like we did last year."

Last year D.U.S. lost out in the first round of the semi-finals to Spring Harbor, the eventual class D State Champion, after winning their district championship in the Ferndale Regional tourney.

Coach Kimber has only three lettermen from last year's championship squad around which to build another contender. Hans Becherer, Bruce Garbutt and Jerry Jaglowicz, this year's captain of the DUS championship football team and winner of one of the tackle positions on the Class C-D All-State second team.

Missing from this year's squad will be the two high point men, Dave Rentschler and Don Ohmart, who carried the 1951-52 squad to Regional honors and to fourth place in the Southeastern Conference with a record of 8 victories and 7 defeats.

DUS won't compete in the Southeastern Conference this season, which includes Fraser, A. E. Smith of Wyandotte, Detroit Country Day, Harper Woods,

Crawford Door Leading League

The Sutton's Drugs bowling team was the hottest quintet in the St. Michael's Bowling league last Tuesday, December 2, when it romped all over the hapless King Smith quintet for four big points and moved into a two-way tie for seventh place with M and W Manufacturing team.

The league leading Crawford Door outfit lost some ground when it notched only two of four points but still held a 3 and a half point lead over the L and S. Heating team which took four points from Sweitzer Creamery and moved up to second place.

GYPSIES WERE EGYPTIANS
Drifting, happy-go-lucky people are often called Gypsies. This name is not derived from the fact that they wander, however. Research experts say the first ones came to Greece about the end of the fourteenth century, A.D., and were given the name "Gypsies" because they were thought to be Egyptians. Although no one ever knew where they really came from, the name stayed.

The local swim meet and track meet will be held on Saturday, December 27, at the Hannan YMCA, to determine the entries for the city-wide finals. The city-wide track meet finals will be held at Hannan January 3. For further information, call Valley 2-7200.

"Y" Offers Opportunity To Boys on Vacation
The Christmas holidays and the school vacation with it are coming up soon, which means time on their hands for a great number of boys. The Hannan YMCA, 10401 E. Jefferson at Garland, is offering these boys the opportunity of participating among other things, in a track meet and a swim meet.

These activities are a part of the city program for Prep and Junior boys. City-wide finals will be held.

Art Houtteman Heaps Praise On Little League Baseball

Art Houtteman's record of wins this year as a Tiger pitcher may have left something to be desired by Detroit baseball fans, but as far as about 125 Grosse Pointe youngsters are concerned his batting record with them is 1,000 per cent.

It was to these youngsters at the organizational meeting of Little League Baseball in Grosse Pointe Farms, held recently at the High School, that the young Tiger pitcher directed his remarks.

"Is Great Movement" "Little League is a great movement," he said. "I started playing baseball on Detroit's east side when I was barely able to throw the ball from pitcher's box to home plate. I wish I had had the organized training in those days that this program affords young boys of 9 to 12."

Houtteman recalled that his early experiences in organized baseball was with the Fireman's League on the east side which was open to boys a little beyond Little League age. "It was the greatest fun I ever had in my life," he said, "and I credit the experience I had then with having a great deal to do with whatever success I have had in the Big League so far."

Houtteman, who sat through the entire meeting, was particularly complimentary of the Little League film which was shown. "I have never seen the fundamentals of the game explained so clearly," he said. "If we had

done everything last season like these boys do it in the movies—like sliding properly, running the bases, pivoting on double plays, etc.—we might not have lost quite as many games."

Howarth Gnaou, temporary chairman of the Little League group in Grosse Pointe Farms, said that the next meeting of the group would be held Tuesday, January 13, in the High School Auditorium.

"This meeting will be held to elect a permanent organization and to name chairmen of the various committees," Gnaou said. "For that reason we are limiting it to adults only."

Gnaou said that he was most gratified at the return of questionnaires passed out at the first meeting to fathers.

"More than 75 fathers either turned their questionnaires in that night or mailed them to me since that date," he said. "Many of them have offered to take over specific assignments, such as managing a team, umpiring or helping out with securing uniforms and equipment for the boys. It looks to me that we will have a solid group of men enrolled who are willing to devote some time to this activity."

Blue Devil Basketball Team Ends Famine

By Fred Runnells
Grosse Pointe's basketball famine ended with its first non-league game of the 1952-53 season when it annihilated Hazel Park, 70 to 24, on Tuesday, December 2, on the Vikings' home court. The local boys then followed up the initial victory with a stirring 52 to 48 triumph over a powerful Dearborn quintet on Friday, December 5, on the opponents' home floor.

The double victory smashed a nine game losing streak the Devils had built up in its last eight league games and the first Regional contest in the 1951-52 season.

One of Biggest Scores
Under its new coach, Howard MacAdam, the Devils put together one of the biggest scores registered by a Pointe team

since the 1950-51 season, when the Pointers became Regional champions.

Particularly impressive in the Hazel Park game was Jack "Long Jaw" Smith and Jerry Goebel who notched 18 and 16 points respectively. Goebel cheered the hearts of the Blue Devil fans by producing all of his points in the final two

Summary of Proceedings of Adjoined Regular Meeting December 1, 1952

Call to order at 8:00 P.M.
Present on roll call: Mayor William F. Connolly, Jr., Councilmen Daniel W. Goodenough, John M. S. Hutchinson, Richard L. Maxon.
Absent: Councilmen William G. Kirby, Neil S. McEachin, George L. Schlaepfer.

A public hearing was held on the proposed improvements in Special Assessment District No. 4, being the improving of Belanger Avenue opening at Beaure, and a resolution of necessity was adopted.

The Assessor submitted the special assessment roll for the foregoing special assessment district which was received, and a resolution was adopted calling for a public hearing on the proposed division of cost to be held at 8:00 P.M. on Monday, December 15, 1952.

A public hearing was held on the proposed improvements in Special Assessment Dist. No. 5, being the improvement of Lothrop Road west from Ridge Road was adjourned to 8:00 P.M. on Monday, December 15, 1952.

The proposed fence ordinance, laid on the table at the meeting held on October 20, 1952, was removed from the table, considered and adopted by unanimous vote. The ordinance appears in full elsewhere in this publication.

Action on the request of Mr. Ed Pongrazz for a hearing before the Board of Appeals for relief from the zoning ordinance requirement as to off street parking in the local business district was deferred to the December meeting of the Council.

The Clerk was authorized to take bids on proposed new automotive equipment for the Municipal Fire Park to be considered by the Council at the December meeting.

Warrants covering election expense for the election held on November 4, 1952, regular bills paid in October and November 1952, and certain other special bills were approved.

The fees for the Board of Review members were adjusted effective with the 1953 fiscal year.

The Council approved the transfer of Mr. Barney Champagne from the Public Works Department to the Sewer Pumping Station to replace Mr. August Billiet recently retired, and approved new employment in the Public Works Department.

A resolution providing for employees attendance at funerals of City employees was adopted.

The Engineer was instructed to notify Mack Avenue property owners to install sidewalks in accordance with City standards at the earliest possible date.

Approval for the lighting of an additional street light in the local business district was given.

Approval was given to the preparation of plans for the installation of street lights on Mt. Vernon between Charlevoix and Beaure.

The deposit of the Brown Investment Company in connection with subdivisions on Ridgemont Road was permitted reduced to \$875.00, the amount sufficient to secure for uninstalled sidewalks.

The Engineer reported that Mr. Shirley Johnson would cooperate with the City in dedicating Belanger right-of-way and installing sidewalks across the Belanger Avenue frontage of his property.

Reports for the following departments were received and examined:
Building, Police, Fire and Treasurer.

The Clerk reported that the Police Department was presented with a "Certification of Commendation" by the American Automobile Association for "No Pedestrian Accidents for the year 1951."

A communication from the Lake Shore Coach Lines, Inc., notifying the Council that it had filed for an increase in bus fares effective January 1, 1953, was received and it having been reported that no objections to the proposed increase was filed in the matter, after publication of notice of increase in the local papers, the communication was received and ordered filed.

Having heard the favorable report of the Police Department on Mr. Ernest Frank DeWolf, who has requested transfer of a Class "C" license located at 18740 Mack Avenue to his name, instructions were given to notify the Liquor Control Commission that the Council has no objection to the transfer.

A change in personnel classifications of the Public Works Department, recommended by the Engineer, was approved.

The following action was taken on a special report of the Public Safety Committee as a result of the death of Captain Frank T. Brown.

1. Resolution of sympathy adopted and widow authorized to receive earned vacation pay.

2. Vacancy filled by the appointment of Joseph Barton to the position of Captain.

3. New position of Senior Lieutenant created.

4. Lieutenant M. William Mason was promoted to the newly created position of Senior Lieutenant.

5. Fred W. Goosen was promoted to the position of Lieutenant.

6. George E. Green, Jr. was employed as fireman.
Legal counsel was authorized to make an offer of cash for the settlement of damages in connection with the opening of Calvin Avenue across Lot 8 Calvin Park Subdivision.
The meeting adjourned at 11:35 P.M.

Devil Swimmers Defeat Hazel Park

Grosse Pointe's Blue Devil swimming team started off the 1952-53 season with a bang last Tuesday, December 2, by walloping a good Hazel Park team in its own pool, 59 to 25.

Despite the fact Blue Devil Coach Frank Banach kept his better swimmers partially under wraps, the Pointers were not to be denied this opening non-league victory and a chance to start off the season on a winning note.

Merely a Tune-up
Using almost his entire squad Coach Banach could not hold the score to a respectable margin. The Hazel Park meet for years has been a tune-up for the Devils before they dive into the serious business of their Border Cities League campaign. Each year the Devils have sunk the Vikings by lopsided scores almost before the season gets underway.

In only one event did the Vikings produce a winner. This came in the 180 yard individual medley relay which was won by Blaesing followed by the Devils duo of Dan Reaume and Peter Gall.

Set Two Records
The victory was marked by two new pool records established by the Pointers. Walter Clarke posted a new pool standard of

1:10.0 in the 100 yard breast stroke. He was followed by his teammate Dave Hulbert, the other mark came in the 160 yard speed relay when Stuart Smith, Pat Burke, Walter Pear and Henry Gildner splashed to a new mark of 1:19.5.

In the opening event Pat Burke and Bill Morrison finished one-two in the 40 yard free style to give the Pointers an 8 to 1 lead.

Slam Breast Stroke
Walter Clarke and Dave Hulbert slammed the 100 yard breast stroke as did Henry Gildner and Sam Johnson in the 200 yard free style.

Don Adamski and Walter Eversman slammed the 100 yard back stroke event but the Devil's monopoly ended when the judges disqualified Eversman for an improper turn and gave the Vikings Clayton second place. Stuart Smith notched another first place in the 100 yard freestyle but his teammate Bill Cassel missed a slam when the Vikings' Julion splashed in ahead of him for second place.

Crowley Wins Dive
Veteran Bruce Crowley gave

the Pointers first place in the diving event with second place going to Hazel Park's Jedlicki and third place to Blue Devil Jack Adams (no relation to the Red Wings manager).

Don Adamski, Dave Hulbert and John Bayne splashed to first place in the 120 yard medley relay and set the stage for the Pointers' record smashing performance in the final 160 speed relay event.

Royal Oak Tough
The Devils will bump into one of the toughest squads in the Border Cities League when they tackle Royal Oak in its own pool Friday, December 12. The Accorns have practically the same team back that tied Fordson for the league title last year and will be top-heavy favorites to hand the Blue Devils their first defeat in the initial league encounter.

It will be the last meet for the Pointers until after the Christmas holidays.

Mary Anne Youngblood Gets Marine Discharge

The Marine Corps has honorably discharged from active service at the El Toro Corps Air Station, Santa Ana, Calif., Marine Sergeant Mary Anne Youngblood, daughter of Mrs. P. M. Youngblood of 1717 Brys drive, Grosse Pointe Woods.

Before entering the Marine Corps she attended the University of Michigan.

While serving in the Marine Corps, Sergeant Youngblood attended Journalism School in Great Lakes, Ill. During her tour of duty with the Marine Corps, she was a member of the station newspaper staff at El Toro.

There just doesn't seem to be anything the other team in the St. Paul Bowling League can do about stopping those sizzling Gouin keglers. However, Harry Furton's bunch has a secret weapon which Harry says will turn the trick, he hopes.

Gouin and his boys have a surprise in store for them next Thursday, December 11, and the entire league will be watching for the results. No doubt if Furton's secret weapon works it will be borrowed by every other team in the league when it tries to stop Gouin's heading rush to the league title.

Last Thursday, December 4, Gouin and his boys grabbed another three points to increase their league lead to seven points over Tom McLaughlin's outfit.

Tom Trombly's team holds down third place by a lone point over Ed Kramer's team which is deadlocked for fourth place with the Neil McEachin and Eddie Lauer teams.

Eight 200 or better scores were posted with H. Billiet leading the way with a 232. He was followed by Al Gouin with 220, C. Kuypers 216, A. Boglarsky 210, J. Wrubel 204, D. Trombly 203, A. Ruppel 202 and W. Kerby 200.

Inter-Church Basketball League to Open Saturday

By Fred Runnells

The postponed start of the Grosse Pointe Inter-Church Basketball League is all set for Saturday, December 13, with one Junior division and three Senior division contests scheduled.

At 9 a.m. Woods Presbyterian will meet St. James; 10 a.m., Methodist vs. Christ Church Tigers; 11 a.m., St. Paul Midgets vs. Christ Church Lions, and 12 noon, Memorial Seniors vs. St. Paul Flyers.

Due to the fact only three teams have been entered in the Junior division, one of the three teams will draw a bye each week. The Memorial Juniors drew the first bye.

In the Senior division each of the six teams will meet each other twice during the ten week season with the teams that finish first and second in the standings meeting in the championship game at the conclusion of the season.

In the Junior division the three teams will meet each other three times and if a tie exists at the end of the third round of play the two deadlocked teams will

meet for the Junior championship in the preliminary game of the Senior division playoff. If no tie exists the team having the best won and lost record will be awarded the Gray's Sports Shop Perpetual trophy now held by Grosse Pointe Methodist. The Methodist team has been entered in the Senior division this year and will not be able to defend its title won last year.

Team managers and coaches are instructed to have their teams in the Boys gymnasium at Grosse Pointe High early enough to enable them to take the floor on the hour scheduled. Failure to place a full team on the floor 15 minutes past the scheduled starting time will result in forfeit.

After the opening day, December 13, the league will take time out for the Christmas holidays and will resume play on Saturday, January 3.

City of Grosse Pointe Farms OFFICIAL NOTICE OF ORDINANCE ADOPTION Fence Ordinance

(Ordinance No. 93) AN ORDINANCE TO REGULATE FENCES, WALLS, HEDGES, BUSHES, SHRUBS, TREES AND PLANTING, AND TO REPEAL ORDINANCE NUMBER 50

The City of Grosse Pointe Farms ordains: Section 1. No fence or wall shall be erected, maintained or permitted in the City of Grosse Pointe Farms except:

(a) Fences and walls not exceeding 4 feet in height.

(b) Fences and walls exceeding 4 feet in height but not exceeding 8 feet in height, in the rear of the building line permitted under the Zoning Ordinance as from time to time in effect, with the consent of the owner of the adjoining property nearest the fence or wall. Such consent shall be in writing and shall be filed with the City, and shall be irrevocable and binding on succeeding owners of the property with respect to the fence or wall for which it is given.

(c) Fences and walls not exceeding 8 feet in height in business and commercial districts as described in the Zoning Ordinance from time to time in effect, and fences and walls not exceeding 8 feet in height adjacent and parallel to the boundaries of business, commercial and parking districts.

(d) Barriers for parking areas, as required or permitted by the Zoning Ordinance, as from time to time in effect.

(e) Retaining walls, to the extent actually used as a retaining barrier for earth at normal grade line.

(f) Fences or walls not exceeding 8 feet in height protecting or enclosing any City park or other municipal property. Fences or walls not exceeding 8 feet in height protecting or enclosing any church, school, library, memorial center, hospital or other public or private institution, with the consent of the Council. Height shall be determined from the normal grade line at the base of the fence or wall. General alterations of the grade of the property shall not be considered deviations from normal grade line for the purpose of this section.

Section 2. No barbed wire, and no exposed spikes, broken glass or other dangerous devices or materials shall be used on or in connection with any fence or wall, or in connection with any barrier or enclosure in the City of Grosse Pointe Farms.

Section 3. No fences, walls, hedges, bushes, shrubs, trees or planting shall be erected, planted, maintained or permitted near any street intersection or at the entrance to any public or private driveway so as to obstruct the view of operators of vehicles and pedestrians approaching such intersection or entrance, to the impairment of the safe operation of such vehicles and the safety of the general public.

Section 4. Any violation of the provisions of this ordinance shall constitute a public hazard and nuisance.

Section 5. Before any fence or wall shall hereafter be erected on any property in the City of Grosse Pointe Farms, other than property of the City, a written permit therefor shall be obtained from the City upon application in writing. The application shall set forth a description of the fence or wall, and its proposed location, and such other information as the officers of the City may reasonably require. A permit shall be issued upon determination by the administrative officers of the City that the proposed fence or wall complies with the provisions of this ordinance; otherwise the permit shall not be issued. A fee of \$2.00 shall be paid to the City upon the issuance of each such permit.

Section 6. An appeal to the Council may be taken from any action of the administrative officers of the City denying a permit for a fence or wall, or from any action with respect to fences, walls, hedges, bushes, shrubs, trees or planting under Sections 2 and 3 of this ordinance. Appeals must be in writing and must be filed within ten days after the decision appealed from is mailed or otherwise communicated to the appellant. The Council may upon such appeal reverse, modify or affirm the action of the administrative officers. The Council may also, upon any such appeal, and in its discretion, reduce or modify the requirements of this ordinance in individual cases, where it determines that such action will not impair the general effect and intent of this ordinance, (a) in any situation of unusual practical difficulty or unnecessary hardship, or (b) in the general interest of the public safety, comfort, convenience, or the protection of property values.

Section 7. The City Council may order the abatement of any condition which violates the provisions of this ordinance, and if the owner of the property fails to comply with such order within the time for compliance stated therein, may abate such condition and assess the cost thereof against such property in accordance with Section 11.9 of the City Charter. An order of abatement under this Section 7 shall be in addition to and not in lieu of the penalties provided by this ordinance or by law for violation of this ordinance. A copy of the order provided for in this section shall be served on the owner by delivering a copy to such owner personally, or by mailing a copy to him at his last known address by registered mail. If the owner is not readily available for personal service, and no mailing address is readily available, or if the owner is unknown, the order may be served by posting a copy in a conspicuous place on the premises.

Section 8. Every owner, lessee and occupant of property on which a violation of this ordinance exists shall be deemed to have violated this ordinance and shall upon conviction be subject to a fine of not more than \$500.00 or imprisonment for not more than ninety days, or both, in the discretion of the court. Each act of violation and every day upon which such violation shall occur shall constitute a separate offense.

Section 9. This ordinance shall apply to all conditions existing at the date it takes effect as well as to subsequent conditions; as to such pre-existing conditions, the provisions of Section 1 shall apply only to the extent that such conditions were also in violation of ordinance number 50, adopted May 10, 1937, entitled "AN ORDINANCE TO REGULATE THE HEIGHT OF FENCES, WALLS, HEDGES, TREES, PLANTS, BUSHES AND SHRUBS WITHIN THE VILLAGE OF GROSSE POINTE FARMS AND TO REPEAL AN ORDINANCE ADOPTED NOVEMBER 12, 1929, ENTITLED "AN ORDINANCE TO REGULATE THE HEIGHT OF FENCES, HEDGES AND WALLS AND THE LOCATION OF TREES AND SHRUBS WITHIN THE VILLAGE OF GROSSE POINTE FARMS." Said ordinance number 50 is hereby repealed.

Section 10. If any provision of this ordinance or its application to any condition shall be held invalid, the remainder of the ordinance or its application to other conditions shall not be affected thereby.

Section 11. This ordinance shall take effect twenty (20) days after its enactment or upon its publication, whichever it later.

Enacted December 1, 1952

Mrs. Horace E. Dodge zipped down there to her Palm Beach palace, La Playa Riente, aboard a private car attached to the Florida choo choo . . .

Didjuno that Ralph Thomas hails from Big Lick? . . . it's really Roanoke, Va., where his father was known as the city's Paul Revere for his ride in 1881 which brought the Shenandoah Valley Railroad to Roanoke. Missie Thomas' father, the late Edward N. Hines, conceived and built the first mile of concrete highway in America (Woodward avenue between Six and Seven Mile roads). Mr. Hines also invented the white line as a highway safety divider.

And didjuno that a Pointe gal, Mrs. Mortimer Baker (Barbara Kline, daughter of the Earl J. Klines of Rivard boulevard), is Sybil Overton on NBC's "Road of Life" Show? About her own "life," she's the wife of a busy attorney and the mama of a very active 4-year-old son.

That's a pinched nerve giving Mrs. Frederick M. Alger, Jr., all the trouble . . .

Our favorite eight-year-old has grown serious-eyed about Santa Claus but announced to papa and mama she's going to give him one more chance . . . She whispered in his ear the three things she wants most for Christmas . . . and she won't tell what they are to another soul. If they're under the tree Christmas morning she'll know there IS a Santa Claus . . . if not, we can all expect utter disillusion. Maybe you don't think mama and papa are frantic at the moment! . . .

And it was only yesterday that she and her starry-eyed brother was slipping down the early morning stairs on Christmas . . . to open every single gift under the tree before their dotting parents were awake! . . .

CHET SAMPSON OF HARCOURT ROAD

By Jane Schermerhorn

The Pointe's best known Gypsy guesses he came by wanderlust naturally because he was born in Michigan's copper country "where everyone loves the out of doors and the open road."

That Gypsy is Chet Sampson who arrived here some 14 years ago, fresh out of the University of Michigan to serve an "internship" with the Grosse Pointe school system.

At that time the young Chet had seen little but his own state of Michigan (he was born in Hubbell) and today he has seen the world with the exception of Africa and Asia. He'll tend to that within the next several months. On his trips in this country and Mexico for which he is justly famous (you know, The Chet Sampson Tours) he has taken along 2,000 Grosse Pointe students and made 87 cross country station wagon safaris.

That's nice mileage for a young man who was educated on scholarships because of his own fine performance as a student in chemistry and engineering, and trained to teach science and math. It's nice mileage for a young man who, had he followed his intended career, would probably have lived a few blocks from the school where he taught and but for a Summer junket would have had to do his traveling at a Telenevs Theater.

First you should know that your friend Mr. Sampson is a systematic dreamer. When he was a freshman in college he knew he liked people better than engineering (that's why he decided to teach).

Once he proved himself as a teacher, he moved on to his real objective . . . to see the world with people he liked.

He wasn't in the Pointe long before he had organized a Scout troupe at Grosse Pointe High School. His Scouts were 12-year-olds and he beamed their year's activities toward a summertime trip for which they had to earn the entire cost.

Chet had been a Scout himself and while in Ann Arbor organized the first cub scout pack in Southeastern Michigan.

His Pointe scouts sold Christmas trees at a vacant lot across from the high school to earn trip money. It was on the site where Francois' stands today. They set up a tent and camped out all night long.

The proceeds enabled them to rent a truck the next Summer. Twenty Scouts, with Chet the only adult, toured off to Northern Michigan. They went up to Michigan's one national park—Isle Royal Park—slept in blankets at night and cooked their meals over camp fires.

They had a wonderful time. Traded Bicycle . . . In the autumn, the Scout leader . . . his teaching internship over and successful . . . became a regular science instructor at the new Pierce Junior High School. He and his Scouts started to think of "next Summer's trip."

and it was decided that the troop would vote, sending seven who received the most votes, on a trip to the West coast.

They traveled 10,500 miles, covering 19 states at a cost of \$60 each. When they returned to the Pointe they had one cent left apiece! Chet still has that lucky penny.

During this journey the idea really took form. The science teacher decided the whole Scout troop would go to the coast the next Summer. Accordingly, Scouts worked like beavers.

Parents Give Hand . . . Through the boys and their parents (they had an active parents' committee which to this day meets through their Scouts long since have grown up and now have families of their own) others in the Pointe heard about the Sampson trips.

Couldn't their sons make the trip, they wanted to know. Well, why not! Chet now had two station wagons but the growing number of travelers would require three and that was quite a financial hurdle.

His original Scout troop parents' committee, headed by Ted Held, Sr., of Hawthorne road, put up the funds with understanding they'd sell the third station wagon when Summer was over. (Instead, Chet bought it from them.)

And the Summer saw our Pointer of Interest taking 25 Scouts on a five week trip through the Canadian Rockies and the Pacific Northwest. Upon his return he set out with 20 more boys and the three station wagons for California and the Southwest.

In the Fall mamas of teen aged girls clamored for a trip their daughters could enjoy. A fourth station wagon was added to the Sampson stables and off went the girls for a week-end at Niagara Falls.

Joins the Navy . . . Then along came the war and four years of service for the head of the Sampson Tours. He joined the Navy and sold his station wagons.

First he went to Annapolis for naval training, emerging as an ensign in marine engineering. He was sent to Hawaii to aboard a destroyer for the USO, participating in the Aleutian campaign. When he returned to Hawaii on Admiral Tisdale's staff, guess what: he fell in love with Hawaii!

In quick succession he was welfare and recreation officer in the Southwest Pacific with headquarters, Brisbane, Australia; in the Philippines as a recreation officer he organized 70 dances a month for servicemen, conducted the athletic program, provided entertainment for the survivors of Bataan.

When he returned to the states, he became liaison officer between the Navy and the USO and finally in 1945 was discharged. Back in the Pointe he was able to get the first station wagon of the assembly lines, then another, and the trips were resumed.

- 3 Tbsp. butter
- 1 c. milk
- 1 tsp. salt
- 1 Tbsp. lemon juice
- 3 Tbsp. flour
- 1/2 c. oyster liquor
- 1/2 tsp. pepper
- 1 qt. oysters, fresh or canned
- 1 c. buttered crumbs.

Cream butter and flour together over heat. When smooth, add milk and oyster liquor, a little at a time, stirring constantly until it boils. Cook five minutes longer.

Add salt, pepper and lemon juice. Scald and add oysters. Put half of mixture in buttered baking dish. Add one-half the crumbs, another layer of oysters and top with remainder of crumbs.

Bake 15 minutes at 375 degrees. Serves six.

Traded Bicycle
In the autumn, the Scout leader . . . his teaching internship over and successful . . . became a regular science instructor at the new Pierce Junior High School. He and his Scouts started to think of "next Summer's trip."

They gave plays, had paper drives and by the Summer of 1940, Chet traded in his own only means of transportation (a bicycle) and bought his first station wagon.

The boys had earned money

and it was decided that the troop would vote, sending seven who received the most votes, on a trip to the West coast.

They traveled 10,500 miles, covering 19 states at a cost of \$60 each. When they returned to the Pointe they had one cent left apiece! Chet still has that lucky penny.

His original Scout troop parents' committee, headed by Ted Held, Sr., of Hawthorne road, put up the funds with understanding they'd sell the third station wagon when Summer was over. (Instead, Chet bought it from them.)

rugged going, nights in sleeping bags, etc. But their enthusiasm sold him and now the girls make a California trip every Summer just like the boys. He says they're marvelous campers.

There are seven station wagons, each traveler is allotted 20 cubic feet of luggage space (dress-up clothes for the gay times in Hollywood are shipped ahead to the hotel where Sampson travelers stay).

Today Hollywood, the big studios and the stars turn themselves inside out to show the Sampson travelers the time of their young lives.

The girls' trip, for instance, includes 24 hours at the Bing Crosby ranch and Bing and his four sons are always right on hand as hosts. They have a big barbecue and singfest, camp on the grounds overnight and are given the run of the Crosby ranchhouse before their departure next day.

Luncheons, dinner, tours of the studios are part of the boys' tours as well.

(Editor's Note: This is the first of two articles on Pointer of Interest Chet Sampson, the second will be published next week.)
