

Community Problems Aired As Municipal Heads Meet

Joint Refuse Disposal Plant, Annual Clean-Up Campaign and Combined Effort for Netherlands Relief are Discussed

The Grosse Pointe-Harper Woods Refuse Disposal Committee and representatives of St. Clair Shores met Tuesday noon at the Grosse Pointe Yacht Club to discuss the disposal and other community problems.

The entire plan for joint disposal of all refuse from the area was discussed. The city attorneys of all the participating communities were authorized to hold a meeting within the next few days to discuss the legal aspects of the articles of incorporation.

To Form Organization
Upon completion of this action and approval by the various councils, the organization will be formed which will permit them to go ahead with plans, specifications and purchase of property. Options are now held on two pieces of property in Macomb county.

The matter of St. Clair Shores becoming a member of the authority will be discussed with the officials of that city at their next regular council meeting.

Several Plans Discussed
The committee aired several plans for disposal, including sanitary land fill, sink grinders, composting and complete incineration. This matter was completed by unanimous vote of the members present, that the authority accept complete incineration as the approved method for all disposals.

The matter of giving aid to the Netherlands also came up. City Manager Everitt B. Lane of Grosse Pointe Park, has received a telegram from the state chairman, Cornelius Vandermeulen of Holland, Mich., requesting that the Park appoint a local chairman and set up a plan with the citizens to collect clothing, gifts and other essentials to be sent to the Netherlands for emergency relief.

To Appoint Chairman
Inasmuch as other community endeavors of this kind have been entered into jointly in the Pointe, this matter was discussed and it was determined that a chairman be appointed to serve the Pointe area, Harper Woods and St. Clair Shores. Notices will appear in the newspaper at a later date regarding the details of collections, dates, etc.

Clean-up Dates Set
The annual Clean-Up Campaign, sponsored by the Grosse Pointe Garden Club Council, was

also discussed. The campaign will be held May 15 to 23. Proposals were presented to each representative attending the meeting requesting that each community enter into the program on a combined basis and appropriate a proposed budget amounting to \$350.

The representatives agreed that the program should be sponsored by the seven municipalities and agreed that they pay a proportionate part of this amount to successfully carry out this campaign.

1952 Full Year For City Police

Chief of Police Thomas V. Trombly of the City of Grosse Pointe, in submitting an annual report to the Council, revealed that his department had recorded 3,316 entries in the Police Day book, for the calendar year 1952.

Included in his report was the total amount of money collected by the police department, \$11,024, derived from various license fees, fines and other sources. This sum represents an increase of \$5,708, over the amount collected in 1951.

Licenses and violation tickets issued reached 5,936; all types of accidents recorded numbered 272; cases involving dogs, 413; criminal cases, 140, of which simple larceny predominated.

Vigilant police watched 695 Grosse Pointe City homes in the absence of owners, and protected 326 business and residential properties where doors were found to be open at night. They also made 39 juvenile arrests, and brought 280 juveniles and minors to the police station for general investigation.

To protect the buying public, law enforcement officers checked 236 weighing scales and 126 gas pumps at least four times during the course of 1952.

Chief Trombly estimated that police scout cars traveled 92,201 miles patrolling the streets of the city. This required 8,344 gallons of gasoline, and 238 quarts of oil. Total collection of the Police Department for the Goodfellow and Grosse Pointe Lions Club, amounted to \$1,064 for 1952.

Library Friends Plan Discussion

The interesting group discussion meetings sponsored by the Friends of the Grosse Pointe Public Library move to the meeting room of the new Central Library next Monday evening, when the fourth in the series will be held.

Richard C. Durant, candidate for Congress from the 14th District in 1950 and 1952, will be the chairman of the program. Subject of next Monday's discussion will be George Washington, his life, his beliefs, and his approach to problems of the nation as they might be related to the problems of the present day.

The meeting will open with an excellent motion picture, prepared under the auspices of the Ford Foundation, on the life and times of the First President.

This is the fourth in a series of six discussion meetings scheduled. The first three, on Franklin, Jefferson, and Hamilton, produced very interesting and enjoyable exchanges of ideas on national and international questions. The meeting next Monday should be even more rewarding to those who attend.

The Friends cordially invite and urge all interested Grosse Pointers to join the discussion group next Monday, February 16, at 8:30 p.m., in the Meeting Room of the new Central Library.

Children From Protestant Home Off for the Circus

Forty-one youngsters from the Protestant Children's Home in Cook road had the time of their young lives last Saturday when they were the guests of Grosse Pointe Post 303 of the American Legion, at the Shrine Circus at the Fair Grounds. The Legion paid all expenses and said it would make the circus an annual event. Those escorting the youngsters, seen in the rear, are, left to right: HOWARD WHITESCARVER, Post Commander; STANLEY WEAVER, Adjutant; GILBERT TURNER, and FARMS POLICE CHIEF WALTER HOYT, member of the Legion post.

Hunted Thieves Nabbed in East

Two brothers, both Detroiters, arrested by New York City police as the two were found breaking into a home early last week, were identified as the men wanted by the Grosse Pointe Park police for the burglarizing of the home of Jacob Sumeracki, Wayne County auditor, November 25, 1952.

A mink coat and several pieces of valuable jewelry taken from the Sumeracki home at 715 Balfour road, Grosse Pointe Park, were still in the possession of the brothers, Sidney and Edward Tunstull, who had apparently taken them to New York to be disposed of.

Detective Sgt. Enders of the Park police left for New York, Friday, February 6, to identify the valuables.

Sidney Tunstull's police record revealed that he had been a parolee from Jackson Prison in 1951, and had been returned there as a parole violator, when he was arrested for investigation of a burglary. He was accused of breaking and entering the home of George Saad, 912 Balfour road, and stealing a watch.

Warrants for the brothers will be obtained by the Grosse Pointe police, Chief Arthur Louwer said.

**Christmas Seal
Sale Successful**

The 1952 sale of double-barred cross Christmas Seals has officially ended and indications are that it will exceed its goal of \$175,000, Richard L. Lea, executive secretary, said Wednesday.

"While we have not yet reached that figure, I am confident that late returns will give us a successful campaign," Lea said.

He pointed out that many people wait until the rush of the holiday season is over to send their contributions to the Tuberculosis and Health Society for its year-round fight against Tuberculosis.

Lea emphasized that it is "never too late to give the gift of health" because the war against tuberculosis will be a continuous one until the disease is licked and, "we can't slacken our vigilance for one minute if we are to win out."

Particularly heartening is the tremendous increase in the number of contributors to the campaign. This year 58,000 people have taken part in the drive thus far.

"As more and more people become aware of the dangers of tuberculosis the easier it will be for the community to cut down both its death rate and its number of cases of TB. This is the way to victory," he said.

The TB and Health Society receives its entire support from the sale of double-barred cross Christmas Seals and with the funds carries on a year-round program designed to acquaint the public with the methods of defeating the disease, promote chest X-ray programs, aid TB patients in Herman Kiefer Hospital and Maybury Sanatorium in their return to a normal, productive life, and promote a blood donor program designed to aid patients who must have surgery before they can return to health.

Devil Reserves Beat Royal Oak

By ALEX FORRESTER

Coach Bob Kurvink's Blue Devil reserve team overpowered Royal Oak last Friday, February 6, by a score of 44 to 27, and kept pace with their big brothers, the varsity.

Hard working Mike Rauth led the way for Grosse Pointe with 12 points. Mike's teammate, John Russel, wasn't far behind with 9 points. Don Barr paced the losers with 8 points.

After a slow first quarter Grosse Pointe really started to click. The Devils almost doubled the score by half time, 21 to 12. The Devils' biggest outburst came in the fourth period when they poured in 14 points.

This was the ninth victory in ten starts for the Reserves, the only loss being at the hands of the Bathers from Mt. Clemens.

Next week the team will travel to Fordson for their second meeting of the season. In their meeting here Fordson was beaten by 10 points.

An Unfortunate Error

An effort to lend some assistance to the soldiers of the Anti-Aircraft Artillery Battalion stationed at the camp in Chalfonte road, went astray last week through one of those queer quirks that sometimes plague the publishing business. A plea was made editorially for donations to help the soldiers furnish a Day Room at their camp. Anyone wishing to donate was asked to call Lieut. Lewis Teeman at the camp. The hitch came in the printing process, when one of the digits in the telephone number was blurred, causing a 2 to look like a 3. A woman whose number is the one which the blurred type resembled called the NEWS office to say she has had a number of calls from persons wanting to help the boys. This isn't going to accomplish anything unless we can get the right contact established. We couldn't be sorrier about the error. The soldiers are trying to make their Day Room a little more comfortable. Army camps can be pretty depressing places, especially in the winter months and especially for those boys who have to remain on their base the great majority of the time. They have a television set which was donated, and they have purchased a radio out of battalion funds. They need chairs, tables, maybe a rug or two, lamps, and anything else that will add cheer to their Day Room. They would be most appreciative for anything that will afford a little more home-like atmosphere. The telephone number is TUxedo 4-0123. Lieutenant Teeman will see that any donations are picked up promptly.

LITERARY FORUM TONIGHT
 The Detroit Circle of the International Federation of Catholic Alumnae will hold its annual Literary Forum February 12, at Providence Hospital Nurses Home at 8 p.m. The evening's Forum will be highlighted by an address by Fr. John Donovan, a Maryknoll priest, who will speak on "The Situation in China." Fr. Donovan recently returned to the United States after 12 years in China where he lived under the Japanese occupation and witnessed the advent of Communism.

What Goes On at Your Library
By Jean Taylor

The opening of the Central Library obviously necessitated several additions to our staff. We want you to know our new personnel.

Three members were added to the professional staff in January, Miss Suzanne W. Souder, Mrs. Betty R. Seifert and Mrs. Mary Gaboda.

Miss Souder came to us from the Toledo Public Library and is to be at Central. She holds a Bachelor of Arts degree from the University of California, a Masters in Library Science from the University of Michigan and has studied for a year at the Sorbonne in Paris.

If you noticed a vivacious young femme on the day of the opening posed in all sorts of precarious positions in order to catch some candid shots, that was Suzanne. She shares this enthusiasm for photography with her father, Mr. C. F. Souder, Jr. Mr. Souder's pictures taken the day of dedication are among the library's most prized possessions.

If you are a homesick D.P. from Minnesota, drop in at the Park Branch. There you will be among friends. Mrs. Betty Seifert hails from Minnesota as does Miss Anne Studnicka, Branch Librarian. Mrs. Jane Grenard, also at this Branch, lived for some time in that state and all share a common enthusiasm. Mrs. Seifert holds a Bachelor of Education degree as well as a Bachelor of Library Science cum laude from the University of Minnesota and she worked for a time in the University Library there.

Mrs. Mary Gaboda is assistant to Miss Mastin at the Woods Branch. Mrs. Gaboda's home was in Sarnia, Ontario. She was graduated from the Mary Manse College, Toledo, with a Bachelor of Arts degree, magna cum laude. She received her Bachelor of Library Science degree from the University of Toronto. Mrs. Gaboda has had several years of public library experience in Canada, and is particularly interested in work with boys and girls.

What does a retired librarian read when she is on vacation? Why...mystery stories, of course. Friends of Miss Florence Severs will remember that, with the prodigious amount of reading she did when she was associated with our library, she always found time for the occasional "whodunit." We are pleased to discover she has not changed. We have been happy to have her here to celebrate with us and are delighted that she promises to come back soon.

Transplanted from California's sunny clime, Mrs. Marcia Gurnick came to Detroit with her husband who is stationed with the anti-aircraft battery on Chalfonte in Grosse Pointe. Mrs. Gurnick is with Mrs. Finster in the Book Processing Department. A little apprehensive at first about Michigan weather, she tells us she doesn't think that the winters here are so bad after all. SHH! We have never even hinted that this year is in any way unusual.

When Mr. Clarke Olney came to Detroit as an engineer with the Fruehauf Company, his attractive wife, Beverly, pulled up roots from Coral Gables, Florida, and shivered her way to Michigan.

Two weeks after her arrival she wandered into our new library to look about, just because she always feels at home in a library. She looked, she saw and fortunate day for us, she remained to work. Mrs. Olney attended the University of Virginia and worked for a time in the University of Miami Library. You will find her at the large teakwood desk where you pause to check in or check out your books. When she rings up a fine on our new cash register, it—as the children put it—your books are "overdoot" that soft southern accent seems to eliminate all sting from the procedure.

Letters to The Editor

February 9, 1953
 My dear Mr. Edgar:
 As a direct result of articles published in your paper and other neighboring ones, more than 80 people joined the new Community Chorus which rehearses on Wednesday evenings at Parcels School.

Once more we take a deep bow to the power of the press, for most of the singers who came said they had read about the new organization in the newspapers!

May I express the deep appreciation of the Board of the chorus which co-sponsors this organization with the Department of Community Services of the Grosse Pointe Board of Education. We can surely predict a wonderful Spring Concert on May 15, after hearing the initial rehearsals of this enthusiastic group.

Most sincerely,
 Florence B. Laffer,
 Publicity chairman.

Pointers Help Win Bonspiel

The Gooderham & Worts Trophy in the Western Ontario Colts Bonspiel was won by a rink from the Detroit Curling Club skipped by Leo O'Reilly of Detroit. The other members of the winning rink were Dr. Leo L'Heureux of Detroit who was vice-skip, Frank Lindemann of Harcourt road, Grosse Pointe Park, who played second, and Municipal Judge Don J. Goodrow of Grosse Pointe Woods, who played lead.

The Western Ontario Colts Bonspiel is open to all curlers with up to seven years of experience and it is comparable to the minor league championship of the curling world, just as the Detroit Curling Club's International Bonspiel is regarded as the major league championship.

Thirty-two teams, mostly from Ontario, started the Bonspiel on Friday morning at nine a.m., with matches being played every three hours on six different sheets of ice through Saturday and Sunday.

Sarnia had nine rinks entered, Hamilton three, London six, Welland one, Detroit six, Forest two, Chatham two, Thedford one, Southhampton one, and Woodstock one. This is the second time in three years that a Detroit Curling Club rink has won this trophy, and on the way to the championship this year, the Grosse Pointers defeated rinks skipped by Wilfred Johnson of Southhampton C.C., Jack Brown of the Sarnia C.C., William Jamieson of the Forest C.C., and in the finals it was William Olmstead and his Hamilton Thistle C.C.

The final match went into extra ends and was won by the local rink in overtime. The trophy, will remain in the possession of the Detroit Curling Club until next year's Bonspiel, which will be held somewhere in Ontario.

Sail Smoothly Through The Changing Years

By FRED M. KOPP, R.F.H.

For most women the early forties bring changes both physical and mental, gradual in the beginning and not always recognized as part of the menopause.

Research into these changes in a woman's life enables doctors to help smooth out this turbulent period through medical treatment and sound advice.

Take advantage of this help at the very beginning, then you will be prepared for the physical changes and their emotional impact. Treatment will minimize the physical discomfort.

Big Increase Reported By Sun Life of Canada

MONTREAL, February 10 — More than five billion dollars of life insurance in force, and new business during 1952 of \$545,581,000—an increase of 18 percent over 1951—are among the outstanding figures appearing in the 32nd Annual Report of the Sun Life Assurance Company of Canada released here today by George W. Bourke, President.

The new business was by far the largest amount sold last year by any Canadian company, much of it secured in the United States where the company has 36 percent of its total business in force, and branches in major cities from coast to coast. Included in the new business figure was \$165,487,000 group insurance in which field the Sun Life of Canada is a pioneer on the entire North American continent.

Lincoln Exhibit At Ford Museum

The bloodstained chair in which Abraham Lincoln was assassinated is included with other materials and documents relating to the Emancipator in a special Lincoln's Birthday exhibit at The Henry Ford Museum.

Another noteworthy item in the display is a rare and valuable letter, written and signed in Lincoln's hand, to Judge Nathan Sargent, who gave the Republican Party its name. Addressed from Springfield, Illinois in 1859, the year before Lincoln's election to the presidency, the letter argues against compromise on the slavery question. It includes a number of characteristic Lincoln misspellings.

An important part of the display is a lifemask of Lincoln made shortly before he became a candidate for President, a death mask taken after his assassination, and plaster casts of his hands made just after he received the Republican nomination. In the cast of the right hand is clenched a piece of broomstick handle, Lincoln's hand was so swollen from shaking hands, so the story goes, that L. W. Volk, the sculptor, asked him to clench something tightly. Lincoln himself saved off the handle.

Another significant Lincoln document is a Confederate Pardon to one Lieutenant William M. Brown exonerating him from his part in a rebel mail extortion plot. Lincoln reasoned that, since he was acting on orders from his commanding officer in the best interests of the Confederate Army of which he was a part and later resigned his commission and moved into Union territory, Lieutenant Brown deserved a full Presidential Pardon.

Among other materials scheduled for exhibit are: a book of notes taken in court in the course of a murder trial, one of Lincoln's few criminal cases, in which he successfully defended one Harrison Quinn.
