

City Adopts \$543,813 Budget

(Continued from Page 1)
 branch post office next to the municipal building for use as a council-room, \$8,000 for a parking lot at the lakefront park and sundry improvements, and \$3,000 is unallocated.

Assessment Up 10 Per Cent
 The total assessment of the City is now \$21,225,000, an increase of about 10 per cent over last year.

The following explanatory statement was issued at the time the final budget figures were submitted for the official approval of Mayor Ralph B. Nettling and the City Council:

To the Mayor and Council:

Herewith, we hand you the City budget for the fiscal year of 1953-54. This year's budget was developed only after con-

siderable time and effort was given to present-day problems such as the cost of living and material, considering a request for reduced hours by the uniformed division, and taxation.

The budget was approved by the Mayor and Council at a meeting held March 11, 1953, with the following recommendations:

1. Negotiations for salary adjustment or general increases be deferred to June 1, 1953, when ample opportunity should be given the department heads or their representative to present their requests. (Approved by Mayor and Council.)
2. There should be no change in hours worked during the coming fiscal year. We believe that with proper negotiations a mutual understanding could be agreed upon. (The Clerk and Budget Director were ordered by the Mayor and Council to meet with the Chief of the Police Department and a representative group from that department regarding this matter.)
3. There is a definite need for more room allotted the Police Department. We recommend the use of the east stall in the Fire Station for Police Department expansion. (The Clerk was ordered to develop plans and present as soon as possible.)
4. The administration is requesting an extra girl so detail work now being accomplished in overtime hours by the Clerk and the Budget Director will be divided so these men can give more time to future planning. (Approved by Mayor and Council.)
5. Due to the increasing cost of trucks and travel time to our city dump, a paper baler is being requested by the Public Works Department. By baling the cardboard boxes the bulk will be reduced so only one trip a day will be necessary. This was proven during the Xmas holidays when we burned all the cardboard boxes. (With several complaints by the neighbors.) Further, this would reduce our cost under the new program whereby we pay our share toward the new incinerator on a tonnage basis. (By reducing the tonnage, we reduce the cost for many years in the future.) (This was deleted from the budget.)
6. Our citizens are satisfied that our trees must be protected. We recommend the present program continue. (Approved by Mayor and Council.)
7. Our sidewalk program is something like the tree program; the citizens can actually see improvements. We recommend the continuation of our sidewalk program with an appropriation of \$15,000 for 1953. Because of the sidewalk repair work completed in the previous years and continuing for another year we will be able to reduce the ap-

propriation in the fiscal year of 1954 and 1955. (Approved by Mayor and Council.)

8. We should establish a paving program that will require that expenditure of our entire income received from the Gas and Weight Tax as soon as we can afford it. We can only afford \$12,870 during the next fiscal year for street improvements. This entire amount should be spent on repairing curbs on the streets that will be recapped in 1954. Under Act 51 all monies received from the state must be spent on street improvements in some form. If this policy is followed for the next several years (spending the entire amount received from the Gas and Weight Tax, approximately \$30,000 a year for street improvements) our streets will be in excellent condition, and it will not be necessary to issue any street paving bonds in the future. (Approved by Mayor and Council.)
9. We recommend certain changes in the Employees Hospitalization Fund as developed under separate cover. (To be considered at a later date.)

Taxation
 Because of the Supreme Court decision in the Helin case, the local assessors in the Grosse Pointes, with the approval of the attorneys, reduced valuations on all mansion-type homes. Further, all properties were reappraised by the Bureau of Taxation during the past year for the following reasons:

1. To assess properties uniformly at the county equalization level and thus avoid the necessity for equalization additions.
2. To approach more nearly the true cash value of properties as required by State Law.
3. To adjust the discrepancies that have arisen due to the disallowance of depreciation since 1941.

While this appraisal increased the total valuations generally, it reduced the tax rate for the next fiscal year from \$20.00 to \$18.50 per thousand. Even with this reduction in rate, most taxpayers will pay more, some paying as high as 35 per cent over last year.

We are reasonably sure that with the rezoning south of Maudslayi to the lake, new business on Kercheval and Mack Avenues, and the general building program for the coming year, the total valuation should be increased a million dollars for the fiscal year of 1954 and 1955, "barring unforeseen events."

With kind personal regards, we remain,

Woods Buys New Ambulance

(Continued from Page 1)
 the new emergency conveyance had been placed last October, but due to the closeness of the model changeover, it was decided to wait for the 1953 chassis.

McArthur Happy
 "We are all very pleased with our new ambulance," said Mr. MacArthur. "It is a very good purchase and the taxpayers will get their full value from the money invested. If, because of the purchase of the vehicle, one life is saved, the money will be well spent."

The ambulance is capable of conveying four reclining patients, or two reclining patients and five seated.

Has Full Equipment
 It carries four stretchers, two of which can be strapped to the roof; a resuscitator, complete with oxygen tanks; hand fire extinguishers; acetylene gas torch, for use in removing accident victims trapped in cars; wrecking tools; jacks and about every other equipment needed in split second emergencies.

"The old ambulance was very undependable," said Vern C.

Bailey, Woods Director of Public Safety. "We felt that we could not gamble with human lives any longer. The new ambulance is something the people of the Woods can well be proud of."

Can Take Bumps
 He added that the vehicle is smooth running, and can take bumps without causing discomfort or pain to accident victims or other persons being taken to a hospital. He said that even safety tires and tubes were ordered installed as an added safety measure.

The ambulance is for use of the citizens of Woods, but if it is a matter of saving a life or other extreme emergencies, it will be placed at the disposal of the other Pointe communities.

Inspection Urged
 The public is urged to inspect this latest piece of equipment. Those who are unable to come will have an opportunity to see it while it is taken on trial runs or in actual use.

Some accidents are called unavoidable because a born fool can't avoid driving that way.

Business Men to Be Hosts To Employes at Gala Dinner

Announcement was made early last week that the Grosse Pointe Business Men's Employe-Employer dinner party, an event that is outstanding in the group's annual calendar, is to be held this year at the Frosse Pointe Yacht Club on the evening of May 26. J. Willard Hoskins, president of the Association, made the announcement. Dr. Walter L. Tuttle, one of the organization's most active members was named general chairman of the event.

At a luncheon meeting following his appointment, Chairman Tuttle brought together a number of workers and early plans for entertainment and other outstanding features of the event were perfected. He named past presidents John Hannan and William J. Moir to assist him in

handling the work of the committee, and advised that other members will be named as work on the details of the party advance.

The Association has around 150 local business leaders as members and takes an active part in all civic affairs in all the Grosse Pointes.

Special Service

St. James Lutheran Church, McMillan near Kercheval, will hold a special Good Friday service from 1 to 2 p.m.

The Rev. George Kurz, pastor will have as his theme "The Rent Veil." A Woman's Ensemble from the Senior Choir and the Junior Choir will furnish the musical part of the program.

Nine Cases Heard In Farms Court

Walter L. Hall, 64, of 869 Continental, Detroit, accused of taking indecent liberties with a 7-year-old girl, was arraigned before Justice J. Burgess Book III, in the Farms Justice Court, Wednesday, March 25, and placed on a \$100 bond and referred to the Wayne County Probation department, pending a pre-sentence report.

Hall was arrested by Farms police, Wednesday, March 18, on complaint of the girl's mother. It was charged that he enticed the girl while he was employed in putting plumbing in a house on Mapleton.

Other cases heard in court involved traffic violations and included a \$25 fine for James N. Mabe of 6136 Bellevue, Detroit, charged with reckless driving and causing an accident.

Andrew Aho, of 171 Muir road, was placed on one year probation and fined \$10, for not having his car under control and causing an accident.

Albert Barbara of 5620 French road, and Edward R. Smyth of 5100 Canton, both of Detroit, had their licenses suspended for 30 days and were placed on probation for six months, for reckless driving of their respective vehicles.

Harry Cramer of 48984 James St., New Baltimore, Mich., and Joseph Mork of 22544 Lange, St. Clair Shores, charged with not having their cars under control and causing an accident, were both found not guilty.

Ronald Launs of 356 Kerby

His license was suspended for 60 days.

Scholarships to Be Given By Pointe Private Schools

The annual competition for scholarships at the Grosse Pointe Country Day School and Detroit University School, will be held at the Country Day School at 8:45 o'clock on Saturday morning, April 18.

Purposes and details of the annual competition are described in the following announcement by John Chandler, Jr., headmaster of both schools.

"The Trustees have long subscribed to the policy that C.D.S. and D.U.S. existed to serve the community and that one of the significant ways in which the schools could be of service was through the award of scholarships to qualified boys and girls who would otherwise be financially unable to attend.

"Over a period of years funds would have been subscribed for this purpose until at the present time approximately sixty students out of a total enrollment at the two school of 590, share the available scholarship awards annually.

"Recipients of scholarships are chosen each May after examina-

tion and appearance before the Scholarship Committee, on the basis of their character, general academic promise, scholastic merit, and financial need. Scholarship awards vary from one-quarter to full tuition, depending on the financial situation of the family.

"Renewals of the awards from year to year depend on the continuing high level of the students' performances, both academically and in citizenship, and on continuing financial need.

"Many of the boys and girls now holding scholarships were originally recommended by their principals or counselors in the neighboring schools, and it is of interest to note that several children of teachers in the public schools are presently enrolled on scholarship.

"The competition this year is open to both boys and girls who will be entering the seventh, eighth, ninth or tenth grades in September, 1953. Any boy, or girl, who ranks high in his present grade should consider himself eligible for the competition. Application should be made to the Headmaster, Detroit University School, Cook Road, Grosse Pointe Woods.

"Parents who are interested in discussing the program further with the headmaster or who would like more complete information are cordially invited to visit or telephone the school, TUxedo 5-4040.

Teenagers Make Police See Red

Red is the color usually associated with painting the town, but that is the color five teenagers made the City Police see, literally and figuratively, Thursday, March 26.

On March 25, police received a report that several "No Parking At Any Time" signs were completely covered on both sides with red paint. Puzzled, they went to the east side of Lincoln road, between St. Paul and Kercheval, and sure enough, red signs. They took them down and brought them into the station.

Then several irate car owners called to say that their cars had been sprayed with red colored paint, and the police began to act. After a thorough check, the five boys were taken into custody.

They told the authorities that they had purchased two cans of red paint, a type which must be shaken to create pressure before the paint can be sprayed, from a hardware store on Mack.

Police said this was the same gang, who recently tried to give the Farms a new coat—of blue paint.

Charges of disorderly conduct are being debated and the boys may be referred to the Juvenile Authorities.

Returned Wallet

Mrs. Maria Metes of 1261 Fairholme, is happy that there are some honest people living in this world.

On Thursday, March 26, she reported to the City police that she had lost her wallet containing \$50 and several papers which afforded plenty of identification.

Later she called back to inform police that an unidentified person had returned the wallet, money and papers intact.

Park Council Votes To Close Bishop Rd. South of Jefferson

Three Hour Hassle in Special Meeting Saturday Highlighted by Arguments Over Legal Technicalities

Lawyers were a dime a dozen at a special meeting of the Grosse Pointe Park Council Saturday morning. There were so many legal arguments it began to appear nothing would get accomplished. Two hours after the session convened Mayor Homer Fritsch announced with a good-natured grin: "I believe we have too many lawyers here."

The meeting was held for the purpose of approving a plat prepared for the development of a subdivision on the Stroh estate property on the east side of Bishop road between East Jefferson and the lake. But this business was never gotten around to until nearly three hours after the meeting opened.

Council Reverses Decision
It took that long for the council to reverse itself on a decision reached the previous Monday night, against the closing of that portion of Bishop road between East Jefferson and the lake.

Bishop road will now be vacated by the Park and its 66 foot width will be divided between the Stroh estate and that of Mrs. C. Henry Buhl on the other side of Bishop.

At the Monday night meeting Mrs. Buhl's lawyer, John Stars, had informed the council that while the Buhls were in favor of having Bishop road vacated, they were not willing to bear the expense of landscaping their portion of the vacated property and erecting a fence down the middle. The Buhls are at their winter home in Palm Beach.

Thought Finished Business
The refusal to comply with the Park requirements led the Park Council to vote against the vacating and the matter was considered to be finished business.

However, shortly after Saturday morning's session started, Councilman Peter Koenig made a motion to have the vacating proposal reopened. Petitions had been received from a number of residents asking that further consideration be given to the matter. In addition, a letter had been received from the prospective developer of the Stroh property, Mr. Baker of the firm of Cox and Baker, stating that his company was willing to bear all the expense of landscaping the vacated property.

Heated Objections
Heated objections to reopening the proposal were heard from Arthur J. Schroeder and Victor Wehmeier, who live in the immediate neighborhood. Mr. Wehmeier is a former Park councilman.

They took the stand that the Park couldn't legally reopen the proposal to vacate after its Monday night decisive action, without properly advertising another public hearing and giving all interested parties a chance to appear. They also were dead against the Park parting with any lake-front property, and suggested that the street be cleaned up, lighted and better policed, rather than given away.

Calls Petitions 'Tainted'
Mr. Schroeder charged that

the petitions submitted by those wanting the street vacated, were "tainted", because they were circulated by members of the Park Planning Commission, which has long been in favor of vacating the road.

Most of the legal arguments had to do with rights which might be exercised in the future by the Buhls or successive owners if the vacated property was turned over, and what power the Park would have to protect its interests. There appeared to be varying and contradictory opinions pouring out of each and every one of the many lawyers in attendance.

Planners Take Issue
The legal hassles were punctuated by speeches given by members of the City Planning Commission, defending the validity of the petitions and extolling the integrity of the commission, whose members work without pay for the general good of the whole community.

Councilman Peter D. Burgess finally proposed a motion that the action of the previous Monday night be upheld. Many more speeches and arguments ensued before the motion, seconded by Councilman William C. Oddy, came to a vote. When this ended in a 2-3 tie, nearly everyone present, including the councilmen, threw up their hands.

Much Free Advice
More arguments, this time about parliamentary law and where things stood with the motion neither carried nor defeated. Most of the lawyers present donated their free advice.

When it was suggested it would be in order to vote on a straight motion to vacate Bishop road, it appeared that the meeting was to be plunged once again into a morass of technicalities involving the finer points of the law.

Barricade Agreeable
Then someone pointed out that the Buhls were perfectly willing to have a barricade erected across the present Bishop road entrance. This seemed to clear the air almost instantly. Councilman Koenig, who had made the motion to reopen the whole matter and then had voted with Councilman Burgess and Oddy to uphold the decision of the previous meeting against the closing of the road, said he hadn't been informed of the Buhl's acquiescence to the barricade. This knowledge changed his whole position, he said.

Lost in a Cloud
There was nebulous talk of hot-rod fans using the abandoned street as a garage, but by this time we were too muddled and exhausted to follow the arguments. We gathered that the erection of the barricade would rule out this possibility.

The motion to close Bishop south of Jefferson was proposed and seconded and carried by the necessary two thirds majority. Mr. Burgess and Mr. Oddy held their ground. Mr. Koenig cast the victorious vote for the closing.

Two Elected to Student Council at Ann Arbor
In a recent election in the School of Business Administration at the University of Michigan, Jack Carpenter of Lakeland avenue and Dick Campau of Ridgmont road, were elected to the Student Council.

Both formerly attended the University of Detroit. Dick is a graduate student now attending the university. They are both affiliated with the International fraternity Delta Sigma Pi.

Jack is a member of the Senior Board and also co-chairman of the Senior Publicity Committee.

School Bond Issue Explained

(Continued from Page 1)

\$1.75 will run for a period of from 10 to 15 years and the one mill for operation will expire in 1955.

Effect on Tax Structure
The question has also been raised, said Mr. Wickling, as to our present debt and the effect of this new obligation on the tax structure of the school district and community as a whole. In response to this Mr. Wickling stated that including the proposed issue of \$2,500,000 the total net debt of the school district on June 30, 1953 would be \$5,942,758.06.

With an estimated assessed valuation of \$157,000,000, this is only \$167.63 per capita and it represents a debt ratio in terms of assessed valuation of only 3.79 per cent. Wickling stated that authorities in the field or municipal finance say that the ratio of school district debt to total assessed valuation in a community like Grosse Pointe should not exceed 5 per cent.

Well Below Standards
Consequently, even with the proposed bond issue Grosse Pointe is well below the recommended standards of safety. Investment authorities further state that the overlapping debt of a community such as Grosse Pointe in other words all municipal debt, should not exceed 8 per cent of the total assessed valuation. Including the proposed new school bonds this would only be 5.67 per cent in Grosse Pointe.

According to present conditions the debt of the school district, including that of the proposed bond issue, would be paid off at a very rapid rate, so that by June 30, 1959 the net debt of the district would be down to \$1,687,000.

Credit Rates High
In view of the fine record which the Grosse Pointe School District has been able to establish, the credit of the Grosse Pointe School System is among the top group in Michigan and in the nation as a whole. Bond rating agencies which analyze the credit of communities and school districts as AA. This results in lower taxes because interest costs are lower as demonstrated by the

Serving aboard is Navy Ens. Peter S. Paddock, son of Mr. and Mrs. B. H. Paddock of 83 Vendome road, Grosse Pointe, Mich. The Burdo is operating with naval and land forces of England, France, Italy, Greece and Turkey in "Operation Rendezvous," an eight-day operation ranging from North Africa to the Southern Coast of France, from the coast of Italy to the island of Crete.

The large scale combined operation, involving virtually every phase of offensive and defensive tactics, is a sea and amphibious exercise which will also feature land-based air, submarine, motor-torpedo boat, carrier, cruiser, destroyer, escort and auxiliary units.

The operation will culminate in an amphibious "invasion" of Crete.

An officer at each of the stations has been named to verify the entries and turn them in to the judges.

Runs Through April 18
The contest starts today, April 2, and will continue through April 18. It is planned to have the prizes awarded at the War Memorial Center on Saturday, April 25. There will be individual prizes for each municipality and a grand prize for the one who finds the oldest sidewalk in the entire area.

The Historical Society has also announced that it intends to mark two or three historic locations in the Pointe with bronze tablets during the year.

To Mark Castle Site
One of the spots mentioned is the site of the famous "Grant's Castle" in the section now known as Harbor Hill in Grosse Pointe Farms.

Garden Center Offers Free Lecture Series by Experts

The Horticulture-Conservation committee of the Grosse Pointe Garden Center announces a series of free talks to be given by various experts in gardening subjects each Wednesday at the Garden Center room in the Grosse Pointe War Memorial from 2 to 3 o'clock.

Mrs. Harley Higbie and Mrs. George B. Duffield, co-chairmen of this committee, are in charge of planning this feature for members of the Garden Center.

People who wish to attend may join the Center by paying the one dollar dues per year, if they are not already enrolled. Volunteers in the Garden Center room from 10 to 12 and from 2 to 4 o'clock Tuesday, Wednesday and Thursday each week will answer questions about membership, services offered by the Garden Center and its activities.

Vincent DePetris, whose prestige in professional flower culture, gardening and horticulture is widely recognized, will be the first speaker in the series which will start on April 8 and continue through June 17.

Mr. DePetris will open the season with a talk on "Spring Work in Your Garden," the preparation of soil, fertilization and ground work which lays the

foundation for later development. This is the time to take advantage of expert advice from a man who knows what is needed in his own community to get the best results from a garden.

Following Mr. DePetris, on April 15 Miss Eleanor Roche, landscape architect, will speak on "Landscaping Your Own Grounds."

On April 22, F. W. Winkworth, landscape gardener, will discuss "Flowering Shrubs and Trees."

Frank M. Alexander will speak on "Roses" on April 29. Mrs. William H. Fries, a past president of the Grosse Pointe Farm and Garden Club, will talk on "Lilies" on May 6.

On May 13, Mr. DePetris is scheduled to return for a talk on "Chrysanthemums—Dividing and Planting." "Ground Covers to Grow in Sun and Shade" will be the topic for May 20, and on May 27, Mrs. Howard F. Smith, of the Garden Club of Michigan, will speak on "Tuberous Begonias." Mrs. Richard Webber will discuss "Iris" on June 10 and on June 17, James Farquhar, of Grosse Pointe Florists, will talk on "Bulbs for Fall Planting."

Reckless Drivers Pay Up in Court

Thomas H. Walsh of 22623 Hanson court, St. Clair Shores, arraigned before Park Municipal Judge C. Joseph Belanger, Wednesday, March 25, on a charge of reckless driving, speeding and ignoring a red traffic light, was fined \$100 and placed on a nine months no driving restriction.

Two other heavy fines were imposed on erring motorists; Joseph P. McCluskey of 4183 Bishop, was fined \$60 for reckless driving, and Peter J. Kornfeil of 4001 Three Mile, paid \$37 for speeding and failing to come to a complete stop at a stop street.

William P. Mackowski of 2619 Central, Detroit, was found guilty of causing an accident and assessed a cost of \$15; Leo F. Moriarity of 4486 Yorkshire, Detroit, paid \$12 for speeding, and Casper J. Pelleritto of 3441 Beewick, Detroit, was found guilty and paid a cost of \$10 for causing an accident.

A \$5 fine was paid for causing accidents in different sections of the city, by Anne M. Kleiner of 408 W. Temple, Detroit, and Eva Silverstone of 704 Manistique, Detroit.

Robert McCoy, 8533 Dixie, Fair Haven, forfeited a bond of \$20, for failure to appear on a speeding charge; John H. Koerner of 2951 Field, Detroit, forfeited \$12 for not appearing on a stop street charge; and a \$10 bond was forfeited by Gerald D. Lucey of 2210 Fullerton, when he failed to show up in court on a stop street charge.

Louis M. Lisi of 177 Burke, River Rouge, did not appear in court to answer a charge of excessive speeding, and his report was sent to Lansing.

E. B. Cooper of 1224 Grayton, Detroit, was found not guilty of causing an accident while backing out of his driveway.

The most frequent double play is that from pay window to worker to installment house.

Christ Church Tea Is April 8

Mrs. Erville B. Maynard, wife of the rector of Grosse Pointe Christ Church, will be among the new members of the church who have been sent an invitation to a tea, which will be given by the Women's Auxiliary in Miller Hall, Wednesday, April 8, at 3 p.m.

Receiving with Mrs. Wood Williams, who is general chairman, will be these members of

the auxiliary: Mrs. Henry B. Kinzie, president; Mrs. Charles B. Phelps, Jr., Mrs. Ward A. Detwiler, Mrs. Melvin Kelly, Mrs. William Black, Mrs. Henry Earle and Mrs. Frederick Whitney.

During the year, Mrs. Simpson C. Leonard, chairman of the visiting committee, and her assistant, Mrs. Hugh Ferry, have called on new members.

Plan Service For Children

A special Good Friday Service is being planned for children and youth at the Grosse Pointe's Congregational Church, Chalfonte at Lothrop, on Friday, April 3, at 11 a.m.

Adults are welcome. The children will observe "Good Friday in Jerusalem" as held in the Greek Orthodox Church.

Music of this service will be offered by the Junior Choir, which includes children from the fourth grade to junior high school age, and is under the direction of Mrs. James Sagel.

A lazy man is willing to do all the labor saving for the family.

Special Hubcaps Stolen From Car

Mrs. R. W. Conder of 315 Touraine road, complained to City police that thieves stole four special type hubcaps from her car, Tuesday, March 31.

When the car is not in use, it is parked in the garage. Mrs. Conder told police, and the only time the hubcaps could have been taken was the previous day. She said she had parked the car on the Farms Market parking lot, while she did some shopping.

The caps were not missed until the following morning, when her husband discovered that they were gone.

Annual Mothers' Club Tea Set for April 24

Both Gymnasiums at High School to be Used for Huge Event With Hawaiian Theme; Card Playing Will Start at 1 p.m.

The many wonderful surprises planned for the Annual Spring Card Party and Tea of the Grosse Pointe Mothers' Club will make this event a highlight of the year. The party is to be held Friday, April 24, beginning at 1 p.m.

Table prizes from Jamaica and favors from Hawaii especially for this party will carry out the exotic tropical theme the Tea Committee is working on. Those who have not been to southern climes this winter will have an opportunity to be transported to balmy shores while sipping tea. The mothers of the High School students are busy on the tele-

phone selling tickets and making up special tables. The doors will be open at 1 p.m. for those wishing to play cards, and those wishing to just come for the tea will be served after 2:30. Mrs. Samuel Turner, chairman, wishes to emphasize that all purchasers of tickets are entitled to door prizes whether or not they play cards or are unable to attend.

For the first time, tables for cards will be set up in both the girls' and boys' gyms, with the hope that any feeling of congestion will be eliminated.

Mackinaw Island Fudge has proved so popular that Mrs. Herbert Henchel and her committee will sell it before and during the bridge playing.

Mrs. Robert H. Boyer, chairman of prizes, reports that her committee has been able to obtain over 150 beautiful and useful prizes.

Proceeds from the party are used by the Mothers' Club for their scholarship fund which since its beginning in 1931 has raised \$36,800.00 and awarded scholarships to 107 students. This year the Mothers' Club purchased material and 10 mothers made curtains for the gym. The curtains were needed to cover the wall in the gym at proms and special dances.

Tickets for the event may be purchased through room mothers or through the ticket chairman, Mrs. George E. Parker, Jr., 171 Lewiston, TU. 5-7924.

Barbara will be graduated from Grosse Pointe High School in June.

Sue Spurrier Wins Award

Top honors in the University of Michigan's annual Skit Night went to Pointer Sue Spurrier, daughter of Dr. and Mrs. Bert Spurrier of Kenwood court for her entry entitled, "The Face On the Barroom Floor."

Two hundred skits were submitted in the yearly contest and six were chosen for presentation in Hill Auditorium. Sue's work won the cup for her sorority, Gamma Phi Beta. Another member of the sorority and one from Sigma Phi Epsilon fraternity composed the original musical background for the skit.

Still another Pointer who worked on this student project was Bill Whittingham of Edgemoor road, son of Mr. and Mrs. Harry Whittingham, whose art work embellished the evening's program.

Congregational Group 2 To Hold Bridge Party

The Women's Association, Group 2, of the Grosse Pointe Congregational Church is sponsoring a salad luncheon and bridge party in the social hall on Wednesday, April 8 at 12:30 p.m.

Reservations can be made with Mrs. T. R. Hunt at LA. 1-0086 or Mrs. Stuart McCauley, VA. 2-3860. There will be prizes at each table.

Rose Pointe and Satin Worn by Miss Luft

Gown Worn by Cousins Chosen by Mary Irene Luft for Her Marriage to Leonard Francis Visser; Bride Daughter Of Mr. and Mrs. Max Luft of Washington Road

Mary Irene Luft, who became the bride of Leonard Francis Visser at an afternoon ceremony last Saturday in the Jefferson Avenue Presbyterian Church, wore a sentimental wedding gown of rich ivory satin and rose pointe lace for her marriage.

It was sent from Portland, Oregon, where three of her cousins had worn the gown in their weddings.

Fashioned with full skirt which swept into a slight train, the dress had fitted bodice with deep yoke of the lovely heirloom lace. Sleeves were long and fitted and Mary Irene's short veil of imported silk illusion fell from a satin cap touched with orange blossoms.

Her white prayer book was marked with white orchids.

The bride is the daughter of Mr. and Mrs. Max Luft, of Washington road, and Mr. Visser is the son of Mrs. Arthur J. Visser of Grand Rapids, and the late Mr. Visser.

Jessie Farquhar was maid of honor and the bridesmaids were Cynthia Blean and the bridegroom's sister, Betty Visser of Grand Rapids.

All wore opera length gowns of a soft blue taffeta. Their full-skirted frocks had off-shoulder necklines and they wore tiny matching taffeta Julietts with briefest of eye-veils. Miss Farquhar carried a colonial bouquet of pink roses and the bridesmaids' flowers were deep red roses.

Little Arthur Visser, Jr., nephew of the bridegroom, was ring bearer.

The groomsmen were pretty much a family affair. Dr. John Visser of Holland, Mich., was his brother's best man. Two other brothers, Arthur and Robert Visser, both of Grand Rapids, served as ushers.

An opera length gown of white lace over pink silk was chosen by the bride's mother who completed her costume with a tiny white lace hat embroidered in silver sequins. Her flowers were pink spray orchids.

Mrs. Visser, mother of the bridegroom, also pinned pink spray orchids to her navy blue silk gown which was finished at neckline in rhinestone embroidered rose silk.

A reception for the wedding guests was given in the church parlors by the bride's parents. Assisting through the rooms were Margo Kahl, Sue Zuemer of Holland, Mich., Mrs. Richard Garrett, Mrs. William Thompson, Mrs. Arthur Visser, Mrs. Robert Visser, the bride's aunt, Mrs. Ernest Luft, and Mr. Visser's aunt, Mrs. Leo T. Paske.

For traveling, the new Mrs. Visser changed to a soft pink wool suit with which she wore a small white panama hat trimmed in gray.

Ever since she was a little girl . . . (yesterday) . . . Mrs. John V. Renchard has been going to Casey's Key with her family.

It's off Florida's West coast . . .

And she, with Leslie and Peter, are now back from their Winter holiday . . . Mr. Renchard joined his family for a fortnight . . . and returned to the Pointe ahead of them . . . one of the nasty sides of the business world . . .

Mrs. Renchard is a glamorous deep tan and recovering from the scare young Peter gave her when he tumbled out of a berth on the train coming home . . . managing to require six stitches in that cute blond head of his! . . .

He has recovered completely . . . in fact broke a prized lamp in the Renchard living room this week . . . little lamb.

Home For Easter

When the full Stephen DuBrul family, of Sunningdale drive, is at home . . . there are nine sons and daughters! . . . Three of their boarding school and college set will be with the DuBruls this Easter . . .

They are Mimi . . . who's here from Rosemont College in Pennsylvania . . . Dick who is vacationing from St. Michael's in Toronto . . . and John Galvin, who gets in tomorrow from the University of Michigan . . .

**Patricia Fildew
To Wed in April**

Bride-elect of April 14 is Patricia Anne Fildew, daughter of Mr. and Mrs. Stanley L. Fildew of Harvard road, who'll be married to Carl Martin Kaltwasser Jr. in Christ Church, Grosse Pointe, at an evening ceremony. The wedding reception will take place in the Fildew residence.

Janet Fildew will be her sister's maid of honor and the maids will be Betty Adams and Ann Whittingham.

Mr. Kaltwasser has asked Gerald Davis of Akron, O., to be best man and the ushers are to be Pat's brother, Jim Fildew, Edward Keogh and Roderick Daane of Ann Arbor.

**Party at Center
To Aid Veterans**

Only a few of its 100 tables remain to be sold for Tuesday Musicals' post-Easter card party and luncheon, entire proceeds of which will be added to the ways and means committee's organ fund for Percy Jones hospital patients, all of whom are amputees.

The date is April 9, starting at 12:30 o'clock; the place, Grosse Pointe War Memorial Center. Thus these enterprising committee members, with their equally enterprising chairman, still have a week for late reservations. Incidentally, everybody is thrilled about the variety and quality of the donated prizes.

"We expect to sell every table," said Mrs. Edward A. Baumann, chairman. "If still other friends wish to give the fund a little boost, we shall gladly accept contributions, no matter how small."

The organ is to be for the enjoyment of the patients. There are now about 1200—with new ones arriving by plane every few days from Korean battlefields.

Mrs. Baumann is giving a luncheon next Monday at the Detroit Athletic Club, her guests to be those committee members who have sold three or more tables by the end of this week.

Grosse Pointe women who reserved one or more tables include: Mrs. Fred T. Murphy, Mrs. Winfield S. Jewell, Jr., Mrs. Arnold W. Lungershausen, Mrs. Joseph N. Jennings, Mrs. J. Milton Setzer, Mrs. Adolph Jacobson, Abraham Bodycombe, Mrs. Philip D. Dexter, Mrs. Edward A. Baumann and Mrs. John W. Bauer.

Others are Mrs. H. L. Lipski, Mrs. James R. Geldart, Mrs. Paul Franseth, Mrs. Raymond J. Sitzman, Mrs. John L. Kenower, Mrs. Clarence N. Ronnenberg, Mrs. Mildred Coulter and Mrs. Oscar Teeg.

Still other Grosse Pointers expected are: Mrs. J. Leslie Berry, Mrs. Melvin C. Bergen, Mrs. Walter Burczyk, Miss Josephine Carolin, Mrs. George F. Goodson, Mrs. Albert J. Grundy and Mrs. W. C. Nichols.

**Church Society
To Hold Party**

The Lady's Aid Society of the Peace Lutheran Church is presenting a spring luncheon and card party. It will take place in the church auditorium Wednesday, April 8 at 12:30.

The luncheon will be prepared by the Work Group No. 1, headed by Mrs. Mary Nehls of Shoreham drive.

An afternoon of card games is being planned by the entertainment committee headed by Mrs. Russell Cameron of Nottingham road.

All are invited. Donations will be \$1.25.

To Appear in Concert

MARY ELLEN COOPER who will appear with The Olga Fricker Concert Dance Group at the Detroit Institute of Art Saturday, April 11. Miss Cooper is assistant teacher to Miss Fricker at the Grosse Pointe War Memorial Center and also ballet director of the Baron School of the Dance in Saginaw, Michigan. She is the daughter of Mr. and Mrs. Charles Cooper of Washburn Ave.

Miss Cooper comes from a family renowned in music. Her father has been percussionist with the Detroit Symphony Orchestra since the days of Gabriłowitch, while she holds an Associate in music in the Royal Conservatory of Toronto. She is also one of the few teachers who hold intermediate certificates in the Cecchetti Council of America, a dance organization following in the footsteps of the eminent Enrico Cecchetti.

**Linda Hart in Pointe

Linda Hart, holidaying from Dobbs Ferry, is spending her vacation with her parents, Mr. and Mrs. Frederick P. Hart of Hillcrest road.

**Andrew L. Malotts Return
From California Holiday**

Mr. and Mrs. Andrew L. Malott have returned to their home on Oxford road from a three week's holiday at Pebble Beach, Calif.

**Symphony Fund
Gifts Solicited**

Mrs. David M. Sutter, campaign chairman of the Detroit Symphony's current Maintenance Fund drive, reports \$73,373 toward the \$100,000 goal raised since the campaign opened February 9th. Total future pledges divided over the next three year period total \$37,811. New money raised from people who have never before supported the orchestra totals \$35,562.

Grosse Pointers have contributed this year \$16,288 of which \$8,022 is new money. Co-chairmen in this area are Mesdames J. Rex Queeney and Thomas C. Tilley. With only a short time remaining for the campaign, \$26,627 must still be raised for the orchestra on a three or one year pledge basis. For the convenience of contributors, payment date of pledges can be set for anytime during the year.

The campaign, which is conducted annually by the Women's Association for the Detroit Symphony, is designed to extend the base of active support for the orchestra as widely as possible throughout the community. The people of the city are asked to contribute only one-fifth of the actual amount required each year to operate the Detroit Symphony.

Corporate support provides the major portion of funds needed. City government support, in the form of purchased concerts for the children of Detroit's School System, is also a part of the three-year Detroit Plan, as applied to the orchestra. Both sources look to the people and their willingness to share in the responsibility of the orchestra's support to justify continued

pledges. From campaign headquarters at the Symphony office, Mrs. Sutter urges those who have not been contacted personally for contributions to make their pledges directly to her at TEmple 1-3900.

Lions Club Basketball Five Wins Midget League Title

In a low scoring, hard fought championship game at the Neighborhood Club last Monday, March 30, the Grosse Pointe Lions Club basketball team nipped a determined Post 303 aggregation, 15 to 11, to capture the Midget League championship before a large enthusiastic crowd of parents and youngsters.

This was the rubber game between these two teams who had met twice before in the two game knock-out playoffs with the Lions taking the first one 27 to 23 and Post 303 taking the second contest on Saturday, March 28, in an overtime thriller, 18 to 14.

Headlines of the Week

(Continued from Page 1)
voted for Bohlen, though reluctantly.

AMERICAN MARINES, battling with bayonets and hand grenades, recaptured Vegas Hill after a bloody eight-hour fight. The victory restored the western defense line guarding the shortest route to Seoul, except for outpost Reno, one of 10 advance positions hit by the Reds' 3,500-man mass attacks two days previously. However, Chinese Reds still clung stubbornly to Old Baldy, 28 miles to the east.

AMERICA'S UN DELEGAT

Ernest A. Gross, in opening a campaign to beat down Red charges that the United States is guilty of bacteriological warfare, threw down the gauntlet to the accusers. He challenged Red China and North Korea to send all American military personnel who have allegedly confessed to waging germ warfare to a neutral area for questioning by United Nations representatives.

THE ARMY announced that anti-aircraft battalions, equipped with conventional guns have been training in the use of guided missiles. Starting this summer, they will ring the nation's cities with guided missile weapons capable of knocking down enemy aircraft traveling faster than sound. The new weapons will replace the old heavy-gun batteries.

Sunday, March 29
A WARNING from President Eisenhower and French Premier Rene Mayer told Red China not to take advantage of any armistice in Korea to wage aggressive war in Indochina, or elsewhere in the Far East. The warning was issued at the conclusion of talks between American and French officials in Washington, D.C. Representatives of both countries said that aggressive warfare elsewhere will have a bearing on the understanding of any truce talks in Korea.

GEN. MARK CLARK announced that if Communists are serious about exchanging sick and wounded prisoners before the war's end, his United Nations Command would favor reopening of the Korean truce talks. At Panmunjom, the Reds handed over a note accepting Clark's February 22 proposal for such an exchange. The note also made acceptance of a request for resumption of truce talks.

A 107-CAR freight train on the Chicago, Milwaukee, St. Paul and Pacific lines, carrying ammunition to a government depot, jumped its rails in Lewis, Ind., caught fire and exploded. The force of the explosion demolished buildings in the town, and set many structures on fire. A tremendous series of explosions lasted for more than an hour.

WEST GERMAN border officials said the Communists had opened a key bridge on the 110-mile superhighway linking Berlin with Free Europe. The reopening lifted a ban on trucks heavier than 12 tons, and permitted 126 backlogged trucks to proceed toward Berlin along the lifeline highway.

Monday, March 30
TO MANY American officials, Peiping's offer to exchange sick and wounded prisoners appears to look like a shrewd move which could put United Nations leaders in a difficult position while leaving the Reds free to move at will. Washington officials wonder if the several thousand American prisoners have become pawns in a deadly game.

Division fighters, back firmly atop Vegas Hill, beat off 700 Chinese attacking from three directions. The Red thrust was made after Red gunners laid out a barrage for 15 minutes. In the air, Sabre jet pilots reported shooting down four MIG-5 jets and damaging a fifth. The Communist drive wound out a week of bloody fighting.

TO PREVENT further air incidents over Germany, Britain accepted a Russian proposal to sit at a conference table in Berlin. A government statement said that the proposal was made by Gen. Vassily I. Chuikov, Soviet commander-in-chief in Germany. Some regard the Soviet move as another step in the Kremlin "peace offensive."

LANDSTUHL, GERMANY, key United States Air Force base behind the Rhine, is preparing a welcome for 25 Sabrejets due from the United States. They will take up patrol duty along the Iron Curtain. A detachment of Sabres already is patrolling the skies along West Germany's border with Communist Czechoslovakia. The Sabres will replace the slower, outmoded F-84 Thunderjets.

Tuesday, March 31
MUTUAL SECURITY DIRECTOR Harold E. Stassen accused Senator McCarthy (R., Wis.) of meddling in the nation's foreign policy. He asserted that the senator negotiated an agreement with Greek ship owners to halt trade with China and North Korea. Unabashed, McCarthy is making further plans to sign an agreement with Greek owners of ships flying the British flag.

RED CHINESE PREMIER Chou En Lai, in a proposal over the Peiping Radio, suggested that the 35-month-old Korean War be ended by a compromise of the thorny prisoner-of-war issue. The United Nations command, as did the State Department in Washington, said they will have to see that on paper. "Immediate and careful consideration" has been promised by Gen. Mark Clark, if the proposal is sincere.

IN A SPECIAL MESSAGE to Congress, President Eisenhower asked that a commission be created to facilitate sounder relationship between Federal, state and local governments. A major problem to be solved is the overlapping of taxes. The president said it was time to relieve the people of the need to pay taxes on taxes.

A NEW Cabinet department of health, education and welfare, planned by President Eisenhower, received final Congressional approval. The new department can come into being within 10 days after the president signs the bill. Mrs. Oveta Culp Hobby, now in charge of the Federal Security Agency, will be nominated as secretary of the new department.

Wednesday, April 1
IN THE WAKE of bloody fighting on the Western Front in Korea, a mere handful of Communist patrols probed Allied lines. A 15-car Communist ammunition train, caught out in the open, was bombed by an American plane and demolished. No activities were reported on bloody Vegas Hill.

Two Promoted By U. S. Rubber

H. E. Weigold, of 1842 Norwood drive, who has been assistant factory manager of U. S. Rubber Company's Detroit plant since 1947, has been promoted to the position of factory manager in charge of the company's Fisk Tire plant at Chicopee Falls, Mass. The appointment became effective April 1, according to H. N. Hawkes, vice president and general manager of U. S. Rubber's Tire Division.

Weigold, a native of Tolland, Conn., joined the U. S. Rubber in August of 1919 as a trainee at the Detroit plant. Other positions he has held in Detroit include general foreman of the millroom and fabric solutioning department and assistant factory manager. He has also served as division superintendent of primers of the company's munitions plant in Des Moines; superintendent and assistant factory manager of the U. S. Rubber plant in Eau Claire, Wis., and assistant factory manager at the company's 40 M.M. shell loading plant at Charlotte, N. C.

Weigold received his degree in Chemical Engineering from Carnegie Tech and is a member of

Tau Delta Tau.

H. W. McTavish, of 1426 Hampton road, succeeds Weigold as assistant factory manager at U. S. Rubber in Detroit.

McTavish started at the Detroit tire plant as a tire builder in October of 1924. He moved through various supervisory positions and in 1929 was made assistant night superintendent and a year later he moved up to the position of night superintendent. From 1933 to 1939 McTavish was foreman of tire building when he was promoted to general foreman.

In 1942 he was made manager of the Tire Production Division of the plant. In December of 1945 McTavish transferred to the Export Division and served as plant manager at the company's North British plant in Edinburgh, Scotland. He returned to the Detroit plant in December of 1946 as assistant general superintendent and in 1950 was made manager of the tire production division. McTavish was born in Hannah, North Dakota and attended the University of Saskatoon.

An attorney for 20 years, admitted to practice before the Supreme Court of the United States.

Attorney for the Department of Justice, Associate Appeal Agent for a Draft Board—all of these without pay. Mr. Potvin also has the distinction of having been admitted to practice before the highest court in the land, the United States Supreme Court.

These are only a few of the many reasons why we believe Fred J. Potvin is an outstanding candidate for the office of Municipal Judge

During his many years of residence in this immediate area, Fred J. Potvin has been active in civic, business, fraternal, and church circles. He is a past president and secretary of the East Warren Business Men's Association; a member of Kiwanis No. 1; a member of the Fourth Degree, Knights of Columbus; and a member of Ste. Claire de Montefalco parish.

We respectfully urge you to cast your vote for Fred J. Potvin for Municipal Judge, in Grosse Pointe Park.

Fred J. Potvin Seeks Election

Friends of Fred J. Potvin, candidate for the Park Municipal Judge bench, are conducting a vigorous campaign in his behalf, in the few remaining days before the April 6 election.

Potvin, whose right to remain on the Park ballot as candidate for the office was upheld by the Wayne County Circuit Court, has been a practicing attorney in the Ford Building for the past 20 years. He is a member of the Detroit Bar, Michigan Bar and the American Bar Associations.

During his years of residence in this area, he has been active in civic, business, fraternal and church circles.

He served as a member of the U. S. Rating Board for four years, as a special United States Attorney for the Department of Justice, and Draft Board Associate Appeal Agent, all without pay. He has been admitted to practice before the United States Supreme Court.

Bashara Thinks Overage Judges Should Retire

"I believe the 'designation' of incumbent judges and appointees is most unfair. Since the Amendment to the Constitution for the non-partisan election of judges, the incumbents and appointees have been able to perpetuate themselves in office by this designation every election, irrespective of their worth or qualification, and have actually deprived the people of the real right to elect their Judges."

This is the message to the voters of Wayne County from George Bashara, prominent Detroit attorney, of 711 Balfour road Grosse Pointe Park, and candidate for Circuit Judge at the election next Monday, April 6. "Ten of the eighteen Circuit Judges ranging in age from 68 to 81 years are eligible for retirement at a pension of \$7200 per year for life. Five of them have an average age of 75 years" continues Bashara. "They are not as physically and mentally alert as when they were younger. These men must retire in 1956 or lose their pension. Actually, therefore, they are retiring for only a two year period after which time some Governor—now unknown—will appoint someone to take their place. The appointee will be entitled to the 'designation' on the ballot and the vicious circle will continue."

Bashara, a graduate of U. of M. Law School, has practiced continuously in Detroit since 1923 as a trial lawyer. He is a member of the Governor's Americanism Commission. He is 51 years old.

Carson Candidate For Farms Post

Harry A. Carson, candidate for councilman in Grosse Pointe Farms, is associated with the law firm of Goddard, McClintock, Fulton and Donovan in the Ford Building.

He is a member of the American Bar Association, Michigan State Bar, Detroit Bar Association and the bar of the United States Supreme Court.

He has served on various committees of the Michigan State and the Detroit Bar Associations and is on the boards of directors of several manufacturing companies.

During the war he put in a 21 month stint on the staff of Commander Aircraft Seventh Fleet, aboard an aircraft tender in the southwest Pacific. Back from overseas, he was assigned to the General Counsel's office in the Navy Department at Washington. As assistant counsel he worked in the renegotiation section. He was also appointed to a top-level wartime policy making committee as the representative of the Navy Department.

He married Cynthia Davis of Goshen, Indiana in 1945 and is the father of two children, Lisbeth, 6 and Bill, 3. He built his present home at 88 Cambridge road in 1950 and since that time has taken part in various community activities, including Red Cross and Polio Drives, P.T.A., Blood Bank, etc. He attends Christ Church.

Carson is 39 years old, a graduate of Wayne University and University of Michigan Law School. His home, he keeps and his sailboat which he gardens at the Farms pier, are his hobbies.

Newsboy Bitten By Dog on Leash

Thomas Finch, 12, of 842 Cadieux road, was bitten on the lower part of his stomach, by a Collie dog, Thursday, March 26, according to a complaint signed by his father.

John Finch told City police that his son, a Detroit newspaper carrier, was delivering paper on Lincoln road, between St. Paul and Maumee, when a dog, held on a leash by a 9-year-old boy, sprang at him and bit him on the lower right side of his stomach.

Although the bite did not draw blood, police ordered Mrs. Donald Wright, owner of the dog, to keep the animal under observation for the required number of days.

The father of the bitten boy was advised to have his son checked by a doctor.

Circuit Court Reform Called for by Salowich

"I propose, if elected Circuit Judge, to help clean up the dockets, now 16,000 cases behind, through assignment to each Judge of an equal number of cases, thus fixing responsibility individually as in Federal Court."

"Under this plan, new cases can be tried from four to six months from the date they become ready for trial. I further propose a Domestic Relations Division of Circuit Court be formed to handle divorce cases only. Judges so specializing can effect more reconciliations, save more families, thus greatly curbing the delinquency resulting from broken homes."

So declares Nicholas Salowich, 30 years a successful Detroit attorney who is a candidate for Circuit Judge, at the April 6 election.

Salowich served as an officer in France in World War I and was twice elected National Commander of the Tank Corps Veterans, and served as Commander of George Washington Post, American Legion.
