Painter Dean for Day At Northwestern Univ.

Edgemore R. White, Jr., of 79 Raymond, Grosse Pointe, handled the reins as dean of students at Northwestern University during the "Senior Administration Day" which took place there on Tuesday, April 7. He was selected from a group nominated as "outstanding seniors" by fellow members of the class of 1953. The day was part of senior week activities at Northwestern, and this year 17 high administrative posts were turned over to the senior leaders to give them an opportunity to see what University life looks like from "on top." During the topsy-turvy day, coeds managed the offices of president, athletic director, dean of men, and business manager while one valiant male coped manfully with the duties of the dean of women.

Rotarians Build Up Blood Bank

Members of the Grosse Pointe Rotary Club boast a balance of 81 pints of blood in their Blood Bank.

At a recent meeting, Austin Neeb, summarized the following account: 53 donations by check, to pay for substitute donors 34 personal donations; seven repeat donations, making a total of 94 donations. From this number, 13 withdrawals were recorded, leaving 81 pints balance.

The donations by checks are the voluntary contributions of members who are unable to make an actual donation of blood. Each check is made out for \$15, and is used to buy a pint of blood which will be credited to the Rotary's blood bank.

Farms Police Report Submitted

The month of March produced \$719 from various violations, and saw 19 traffic accidents totaling \$4,137, and five traffic injuries, according to a report submitted by Farms Police Chief Walter R. Hoyt.

The report also showed a \$150 loss from two breaking and entering; simple larceny loss amounted to \$102, with \$50 recovered. An additional sum of \$89 was attributed to destruction of property.

The number of complaints received came to 128, and police answered 232 calls. Driver's licenses issued numbered 323; chauffeur's, 15; and duplicates, only eight.

March saw 17 adults and 19 juveniles arrested, which included the arrest of a 28-year-old man that cleared three larcenies committed in the Farms in recent months.

The report also revealed that a 28-year-old woman was transported to Wayne County General Hospital on a mental case.

Woods to Buy Park Equipment

At a special meeting held Saturday, April 18, the Woods council authorized appropriations totaling \$1,694 for the purchase of playground equipment and shade trees for its lakefront park.

In making ready for the summer season, the Woods will purchase a Jungle Jim Mountain Climber, costing \$211, and a Merry-Go-Round, worth \$297, for the use of the Woods children.

In addition, 36 hard-sugar maple trees, costing \$30 apiece, will be bought, and planted alongside the fence on E. Jefferson. The trees will be at least 20 feet high and will have a spread of about 12 feet.

Natural and artificial shade will also be brought to Sweeney Park. The council voted \$442 to be used for small shade trees and beach umbrellas.

One hundred dollars will be expended for the trees and the rest for 12 umbrellas.

Woods Community Club Starts Another Year

President Marshall Jameson of the Grosse Pointe Woods Community Club discusses plans with reelected board members at the annual meeting of the directors of the Grosse Pointe Woods Community Club. With him are (seated, left to right) MRS. E. A. BENZIN, 762 Lochmoor; MRS. JEAN MYERS, 2008 Anita; MRS. STANLEY A. MCKENZIE, 1688 Lochmoor; (standing) DONALD B. COATS, 2049 Hunt Club, and LEON D. RATCLIFFE, 1080 Oxford.

The Grosse Pointe Woods Community Club, a community service made possible by the Torch Drive, has reelected seven members to three-year terms on its board of directors.

The club also named two new members to fill vacancies on the 21-man board. Officers for the coming year will be named at the May meeting.

Plans for an open house on Sunday, May 17, also were discussed at the annual meeting, April 13, at which the directors were named.

Directors who were reelected at the expiration of their terms were Leon D. Ratcliffe, 1080 N. Oxford; D. J. Goodrow, 20738 Wicks Lane; Mrs. Stanley A. McKenzie, 1688 Lochmoor; Donald B. Coats, 2049 Hunt Club; Mrs. E. A. Benzin, 762 Lochmoor; Mrs. Jean Myers, 2008 Anita; and Charles F. Rodgers, 1858 Kenmore.

Harry Findlay, 1887 Lancaster and Thomas R. Quilter, 998 Hampton Road, were elected to fill vacancies.

Marshall Jameson of 2088 Lancaster is president of the board. The other officers are Gerald P. Kiefer, 20729 Roslyn road, vice president; Mrs. Harry N. Watson, 1512 Roslyn road, secretary; and Mrs. Myers, treasurer.

The clubhouse, at 20883 Mack, was more than doubled in size by an addition built during the past year. Mrs. Jane E. Costabile, director of the club, said that more than 80 organizations had contributed labor, gifts, money, or counsel to make the construction possible. These included groups representing business, industry, civic, and church interests.

A scroll is being prepared, she

said, naming organizations and individuals who helped. Especially important, she said, was the work of Mervyn G. Gaskin, chairman of the board's building committee; Edward Schultz, the building contractor, and Max Luce, the building architect.

Mrs. Costabile reported the yearly cost of the Community club service, exclusive of money provided by the community to construct the new building unit, was \$19,687. Of this amount, she said, \$18,331 was provided by the United Foundation. The city of Grosse Pointe Woods spent about \$900 on jointly-sponsored gym and recreation programs at Parcels and Mason schools.

Jack Byles and Adelaide Din-

woodie of the staff reported on the programs they are conducting at the club. These included three "family nights" during the year, when children entertain their parents and participate in recreational activities with them.

Miss Lotti Brunnschweiler of Zurich, Switzerland, graduate student in the Wayne University School of Social Work on a United Nations fellowship, who is doing field work at the club, was introduced to the directors. She said she was an industrial social worker in her home country and that she had enjoyed coming to know an American community by her work at the club.

City Receives Police Report

City Police Chief Thomas V. Trombly's March report of police activities revealed 281 entries made in the daybook and \$768 collected in Justice Court and Violations Bureau fine.

Fines collected for expired meter violations amounted to \$350; and those collected by the Violations Bureau, came to \$251, and in Justice Court, \$153. Dog impounding fees, were merely \$8, and bicycle license fees totaled slightly more than \$6.

With Justice Court fees of \$53 deducted from the total collected, \$715 was turned over to City Treasurer Theodore Osius.

Included in the 281 entries of the daybook, is a report of issuance of 199 operators' licenses, 12 chauffeurs' licenses; installation of eight stop signs, nine no-parking signs, four street signs and posts, four one-hour parking signs, and the repairing of four traffic lights.

Puts a Good Mark on a Man!

Regardless of where he drives, no man is wholly a stranger to the people about him—if he sits at the wheel of a 1953 Cadillac.

His name may be unknown—and also his occupation—and, likewise, the whereabouts of his home.

But he is not without standing. For his Cadillac marks him as a man of character and substance.

Let him arrive at the door of a distinguished hotel or a famous restaurant—or let him seek the ear of anyone for direction or information... and he has the courtesy that goes with respect. People assume that the man who owns a Cadillac

has earned it through personal achievement.

And let it be said for Cadillac owners that, almost invariably, they respond in kind.

Indeed, the honor which Cadillac does to its owners is the fruit of the honor they have so long bestowed upon Cadillac. When so many wonderful people favor a particular make of car over such a long period of time—the car must inevitably become a mark of distinction.

All of this, of course, comes to its owner as an extra joy and satisfaction.

It comes in addition to the magnificent performance of Cadillac's 210 h.p. engine and improved Hydra-Matic Drive... the

wonderful comfort of Cadillac's new Air Conditioner... the car's soft, easy, relaxing ride... its marvelous balance and handling ease... its long life and dependability... and its truly amazing economy of upkeep and operation.

Put them all together and they spell the grandest satisfaction in all motordom—

—satisfaction so great that, once a person moves up to Cadillac, the odds are overwhelming that he will stay with Cadillac.

Have you seen and driven the 1953 version of the "Car of Cars"?

If not—we should be happy to see you at any time. Why not come in today?

*Optional at extra cost.

To Women who are watching helplessly as their skins dry up and grow old

A new greaseless flowing beauty formula that literally brings dewy moisture to aging or drying-up skin

How often have you hopefully applied night cream only to have your dreams of a dewy, youthful skin shattered by a rude awakening, your face still covered with grease. Now you can stop "buttering" your face. For here is an entirely new concept in beauty—unlike anything you have ever known—anything you have ever used.

What Makes Skin Grow Old?

You have seen fruit grow old in a bin. You have seen your visage dry up while you wore it. And you know what causes this—DEHYDRATION. That's what so often happens to your skin too — DEHYDRATION — and sensitive skin dehydrates sooner.

Jacqueline Cochran Was Determined to Find a Flowing Formula

Impatient with all greasy creams, Jacqueline Cochran, top-flight beauty authority, was determined to find a formula that would give the skin the balanced moisture that it requires. She and her chemists worked indefatigably and through a stroke of genius FLOWING VELVET was created.

For FLOWING VELVET is a three-way flowing formula with three-way action. This unique combination of rich cream, lotion and facial oil, containing a new moisture-giving ingredient, hydrolin, acts on your skin in these three ways:

- It furnishes moisture that actually sinks into your skin.
- It supplies necessary oils for essential lubrication.
- It maintains the normal balance of oils and moisture.

Only FLOWING VELVET can act like FLOWING VELVET. For only FLOWING VELVET contains this new scientific, moisture-giving ingredient, hydrolin. Hydrolin is owned and controlled by Jacqueline Cochran, and this ingredient is the secret of the dewy moisture that flows into the skin — and stays there!

Flowing Velvet is just one of the many outstanding Jacqueline Cochran cosmetics

Beauty Overnight...Beauty All the Day FLOWING VELVET knows no time limits. Use this flowing fluid cream at night. It disappears instantly into the skin, leaving not a trace of grease on your face, on your pillow, on your husband. Use FLOWING VELVET by day. It sinks at once below the surface—with only a cool, moist look to show it was ever there—but oh, the beauty of that dewy, cared-for look! And over it goes your foundation and make-up, while FLOWING VELVET works its magic all the day!

Contains No Hormones!

A little FLOWING VELVET...just a few drops...is all that is required because its ingredients are so rich, so concentrated. But you can use all you want, with complete confidence in its safety. You can wear it all day, every day...all night, every night. For FLOWING VELVET supplies the special moisture and oils your skin needs...safely and naturally. And it contains no hormones.

"If I could afford just one..."

So many women say, "If I could afford just one beauty preparation...it would be FLOWING VELVET. For what else could possibly take its place?"

MAKE THIS TEST!

Come in and see our Jacqueline Cochran representative. She will pour a few drops of FLOWING VELVET on your hand, and you will see yourself how quickly it sinks into your skin, leaving not a single trace of grease.

FLOWING VELVET \$3.00, 5.00 and 8.50 PLUS TAX

U. of D.'s Big Carnival Interests The Pointe

Students at University of Detroit Stage Annual Spring Carnival at Michigan State Fair Grounds May 1, 2; Funds Go to New Activities Building

Ever heard of the Grosse Pointe car pool which daily carries almost a hundred young Pointers to studies at the University of Detroit? At 8 o'clock every school day the U. of D. cars start collecting students, they are student driven and there is a whole fleet leaving every hour up to 1 o'clock.

Well, this carpool is playing a very important part in University of Detroit forthcoming annual Spring Carnival which will be held May 1 and 2 at Michigan State Fairgrounds.

Car poolers will have a booth at the carnival's midway, the Dunk Bozo, featuring a clown, seated in a high chair, who when a target is hit drops obligingly into a pool of water. Various car pool members and student leaders are going to play the part of Bozo all to help raise funds for future construction of an Activities Building at the U. of D.

Edward McGough of Harvard road, freshman in engineering, is chairman of the carpool booth. Some of the members working with him include his brother, Jack; Carol Jatkoe of Lochmoor boulevard; Bob Reid of Whittier; Ann Charbonneau of Kensington road; James Alter of Audubon; Harry Hammond of Hampton road; Mary Margaret Van Damme of Belanger; Jim Houlihan of Hillcrest; Marie Couvreur of Moross; Mary Lou Fisher of Moross; and Gary Dickson of Hillcrest.

General chairman for the Spring Carnival at U. of D. is Charles Rutherford of Detroit. Pointers Jack Saylor and Donna Vitale are, respectively, construction chairman and recording secretary.

This is U. of D.'s fifth annual Spring Carnival. On opening night, Sherman Hayes orchestra, featuring vocalist Patti Page, will be attractions at the big dance. During the evening the students and faculty will present the university's "American of the Year" award to Father James Keller, Maryknoll missionary well known for his work with the Christopher movement and for his books including, "You Can Change the World." This award was inaugurated last year when Arthur

Godfrey was the first to be honored.

The midway is being held both days of the carnival. On the second of May, at 1 o'clock in the afternoon, Cowboy Colt and the Lone Ranger will be among those present at the Big Darby race over the old Fair Grounds race track. It will be an intercollegiate race with Michigan State, Highland Park, Michigan Normal, Central Michigan and U. of D. jockeys riding saddle and plow horses.

Saturday night, there's to be another dance with several local disc jockeys paying a visit to the Spring Carnival.

Now, for some of the Pointe's U. of D. students who hope they will see you at this gala shin-dig, they are:

Vote to Remove Island in Road

The Woods council, Monday, April 20, approved appropriation of \$780, to effect removal of 12 to 15 feet of an island located at Sunningdale and "E" street.

The removal, similar to that recently done to the island at Holiday and Lochmoor, will facilitate left hand turns by motorists.

City Administrator Ray MacArthur and City Attorney Jules Berns were authorized by the council to review amendments to rules and regulations governing use of Lakefront park.

A committee of three, composed by City Manager MacArthur, Councilman Rex Johnston, and Highway Superintendent Fred Hansen, were appointed to study and recommend bids received for a bulldozer-loader for use by the highway department.

An appropriation of \$264 was approved by council members for the installation of outdoor lighting for the playground in the rear of the Community Club. The fund could be financed from the Community Club activities-account in the Parks and Recreation budget.

A request to increase the salaries of Albert Herschberger, assistant highway superintendent, from \$4,800 to \$5,100, and Tony Guaresimo, superintendent of the water department, from \$4,300 to \$4,800, was deferred to the May 4 council meeting.

Center Offering Talk on Roses

Continuing its Wednesday afternoon series of free lectures on practical gardening for members in the attractive Garden room of the Grosse Pointe War Memorial Center, the Grosse Pointe Garden Center will present Frank M. Alexander on April 29 at 2 o'clock. He will speak on "Roses."

This is the time to clean up the rose garden, trim away old wood and replace any dead stock, so it is an ideal time for Mr. Alexander to speak.

The informal Wednesday afternoon series is an innovation introduced this year by Mrs. Wood Williams, president of the Garden Center, and arranged by Mrs. George Duffield and Mrs. Harley Higbie as an educational feature of the Horticulture and Conservation committee.

The series has proved to be very popular with members of the Center. Anyone who wishes to attend may join the Center by paying the annual dues of one dollar at the Garden Center room in the War Memorial Center, open Tuesday, Wednesday and Thursday from 10 to 12 and from 2 to 4 o'clock.

Take things as they come, but don't knock them as they go.

The artists will be Jacqueline Murphy, of Grosse Pointe, lyric soprano and Fred Kendall, tenor, who will sing favorite selections from concert and opera. Both artists are well known in this area in musical circles but this will be their first appearance together in joint concert.

Besides Mrs. Flanigan, the committee includes: Mrs. James J. Russell, Mrs. Joseph H. Hackett, Mrs. R. Paul Bowman, Mrs. Michael J. Swift, Mrs. Harry Rendell, Jr., Mrs. Jack F. Collins, Mrs. Sylvester A. Theisen, Mrs. William S. Riley.

The Madrigal Club of Detroit will present its 38th annual Spring Concert in the large auditorium of the Art Institute on Tuesday, April 28 at 8:30 p.m.

The director for this spring is August Maekelberghe, organist-composer, who has arranged a varied program of songs for the 36 voice women's chorus to sing. They will present a program ranging from folk songs to Brahms and Handel, "something for everyone" in mind.

Mrs. Frank Sladen will accompany them at the piano.

Proceeds from the program are to be used for an established student fund to help promising music students along in their studies.

Grosse Pointe members of the chorus include: Mrs. A. E. Benson, 327 Kerby road; Mrs. E. F. Adams, 4172 Haverford; Nancy 827 McMillan; Elinor Boyd, 1016 Harvard road; and the accompanist, Mrs. Frank Sladen, 16815 E. Jefferson.

A class for beginning square dancers will start on Wednesday, April 29, at the Kerby School at 8:15 p.m. "Wes and Julie" Rea, Grosse Pointe's popular callers, will be the instructors.

This will be the last opportunity for beginners until next fall. If you are interested in old fashioned dancing, now is the time to start. You will then be ready to participate in the fall in the numerous square dances sponsored by Grosse Pointe organizations.

Grosse Pointe undoubtedly has more square dancers per capita than any other area in the state of Michigan. A large majority of these dancers received their original instruction in classes taught by the Reas and sponsored by the Department of Community Services of the Grosse Pointe Board of Education.

The class will meet April 29-May 13 and 20. It will be limited in size. You may make your reservation by calling the Grosse Pointe Board of Education, TU, 5-2000, extension 25.

Fashions Shown Church Women

A crowd of about 220 fashion-conscious women watched a come-alive preview of summer dresses and play clothes in the basement of the Grosse Pointe Woods Presbyterian Church last Friday afternoon.

The room was gaily decorated with spring flowers and a large platform had been built in the center to give everyone an advantageous view of the clothes.

The moderately priced dresses which were shown, all Nelly Dons from the Town 'N Casual Shop on Mack Avenue in a price range from \$8.95 to \$25.00, were received with great enthusiasm and the models, Mrs. Charles Mullen, Mrs. James Alexis, Mrs. Richard W. Kid Bits

By Nancy MacDonald

After the dance, a few of the kids went back to Donna Goodrow's where she and her date, Don Rees, served the kids hamburgers and soft drinks. Some of the ones who enjoyed the "midnight snack" were Jackie Peters and Marty McCormick, Emmy Galbraith and Bob Richardson, Gloria Bopp and Pete Gall, Barbie Coombe and Wendy Birdsall, Jane Condon and Dick Naragon, and Sally Fisher and Bob Berner.

Another group went over to a slumber party at Nancy Thomas' after taking their dates home. Glenna Howell, Anne Lee, Bobbie Williams, Margaret Stapleton and Audrey Sneige "talked up a storm" that night.

A surprise birthday party for Mary Liddle was given in her home Tuesday, April 14, to celebrate her 17th. Presenting her with a sweater were Jo Bredenberg, Mickey Brown, Dorothy Cullers, Jo Garber, Jean Lee, Kay Martin, Paula Mathewson, Carol Roller, Irene Schiele, Nicky Treat, Carol Vestal and Mary Sue Morgan.

Parties Honor Gloria Laughna

These are busy days for Gloria Laughna and her fiancé, James Barker, who are being married April 25 at a noon ceremony in St. Ambrose Church, Grosse Pointe Park.

On Sunday, Sue Schlaff was hostess at a brunch and linen shower at the Grosse Pointe Yacht Club and Monday evening Mrs. John Hildebrand gave a buffet dinner and miscellaneous shower.

Other parties for the couple were a cocktail party given by Mr. and Mrs. Hugh J. Laughna of LaSalle, Michigan; a bar shower and cocktail party given by Ann Leinweber and Chuck Rabaut; a Round the Clock shower given by Mrs. Philip Meathe; a tea and kitchen shower given by Mrs. J. Williams Berns and Mrs. Jahn Millenbach; a dinner party at which honors were shared by Joan Thibodeau and Bob Frear, who were recently married and Ann Leinweber and Chuck Rabaut who will be married June 6.

Mrs. Andrew Michalak and Mrs. Frank Barker entertained at a tea, and a square dance given by Marilyn Meier and Tess Kozlowski was held at the Boat Club. A table top shower was also given by Betty Lou Orth.

Mr. and Mrs. Frank Barker will entertain at the rehearsal dinner in their home on Lake Shore lane on Thursday.

The bride has asked her sister, Mrs. S. W. Spellman of Birmingham, Alabama to be her matron of honor and Marilyn Meier, Tess Kozlowski and Sue Schlaff to be her bridesmaids.

Ned Winkworth will be best man for his brother-in-law and ushers will be Joseph Padelt, Joseph Keane, Charles Rabaut and Hugh Laughna, brother of the bride.

Following the ceremony a breakfast reception will be held at the Detroit Boat Club.

Frolic Planned By Fortnighters

Fun for the entire family will be waiting at the Fortnighters' Third Annual Dinner Frolic on Friday, May 1, at Grosse Pointe Memorial Church house.

The committee, headed by Wilbur Brucker, Jr., promises all who attend a "trip through space". Dinner will be served at 6:30 p.m. and the imaginative theme of the evening will be carried out in the costumes of the waiters and waitresses, wall, ceiling, and table decorations, and in the show itself, an original farce by Wallace Ehrlich.

The Dinner Frolic is open to the public and entire proceeds from the affair will go to the Dodge Community House to aid the summer program for underprivileged children.

Included in the cast of the show are Paul Kelley, Sterling Berry, Russell Vance, Wilber Brucker, Jr., Mrs. Brucker, Darwin Ley, Marion Musolf and Carl Koelsch. Mrs. Wallace Ehrlich is staging the production.

Mrs. Robert Knell heads the dining room committee and Joan Wertz is in charge of the kitchen crew. Other committee chairmen include Joan Ruby, decorations; Wallace Ehrlich, entertainment; Carol Jacobson, costumes; Allen Freiwald, programme, and Carol Sanford, publicity.

Further entertainment during the evening is to be provided by the Grunyons, popular local men's singing group.

Don West, ticket chairman, announces that reservations for the Dinner Frolic may be made by calling the Grosse Pointe Memorial Church office, TUXedo 5-3773. The adult donation is \$1.75 and children will be admitted for \$1.25.

Detroit and Wayne County had 444 deaths from tuberculosis in 1952. Get a chest X-ray regularly and be sure you are safe.

Colored Slides To Be Discussed

Colored slides and what makes them good, will be the main subject of the program of the Grosse Pointe Camera Club at its "special color meeting" on Wednesday evening, April 28.

The club started an extra monthly meeting given over exclusively to color photography as an experiment and John Applegate, president, stated that the interest has been so great that it

will be "continued" each month until the regular sessions are discontinued for the summer.

Members of the club have been asked to submit four of their best slides for judging by an experienced panel of judges. Dr. C. J. Marinus will be the critic for the evening.

The News is grateful to proud husband, Walter, president of the Lake Shore Coach Lines Co. for rushing a print north.

The Miami Fishing Tournament ended on April 19, so Mrs. Schweikart was just under the wire with her entry. Although she has caught a number of sailfish, this is Mrs. Schweikart's first white marlin. They expect to return to the Pointe this week.

Library Friends Discuss Lincoln

The sixth and last meeting in the Great Men and Great Issues series, sponsored by the Friends of the Grosse Pointe Public Library, was held Monday evening in the Meeting Room of the new Central Library. Subject of the evening's discussion was Abraham Lincoln, with special attention on his attitudes on problems which are still contemporary in the nation.

Jay Sarge, program chairman, introduced David Mills, moderator of the discussion, who outlined broadly the pertinent questions which might be examined and argued.

An interesting film presentation of Lincoln's life was shown, and the meeting was thrown open to discussion.

First subject which received attention from the group was the question of the President's powers to deal with emergencies, sometimes even apparently or actually usurping the powers of other branches of the government.

Discussed spiritedly were the related questions of state's rights and racial equality, as Lincoln regarded them, and the stand that he might be expected to take today.

Many viewpoints and shades of opinion were expressed by the group—and while no questions were completely settled, the meeting was stimulating and intensely interesting to the people participating.

Refreshments, served by the Friends, concluded the evening.

To Stage Party At Marygrove

The Marygrove College campus will be decked out in all its finery on Saturday, May 2, when the Springtime Parade takes place. That is the date for the annual scholarship benefit sponsored by the Marygrove College Alumnae Association.

Among those from this area taking an active part in organizing the affair are Mrs. Clement Chagot, 1651 Littlestone; Mrs. R. A. Cruger, 122 Kerby Lane; Mrs. Cyril Desmet, 615 Pemberton; Barbara Kennedy, 207 McKinley; Mrs. Stanley Maxon, 19974 E. Emory court; and Mrs. James J. Shields, 1171 Torrey road.

Springtime Parade activities will include a show of fashions for the women and children of the family. There will be cards, prizes and refreshments at a tea table. Activities begin at 1:30 in Madame Cadillac residence hall. Admission tickets will be available at the door.

The serious note behind the festivities will be "scholarships." Because of the increased cost of education, many families are finding it difficult to send their children to college. Marygrove College alumnae are conscious of the need to help those families.

Through their annual scholarship benefit, they provide scholarship aid to young women entering college and to those already in college who need financial help to continue their education.

Youth Narrowly Escapes Death

A Park youngster missed being crushed to death, Sunday, April 19, by a fraction of an inch, receiving only minor injuries.

Steve Cook, 12, of 1037 Maryland, and two companions, came upon a large water pipe elbow, weighing in the neighborhood of about 640 pounds.

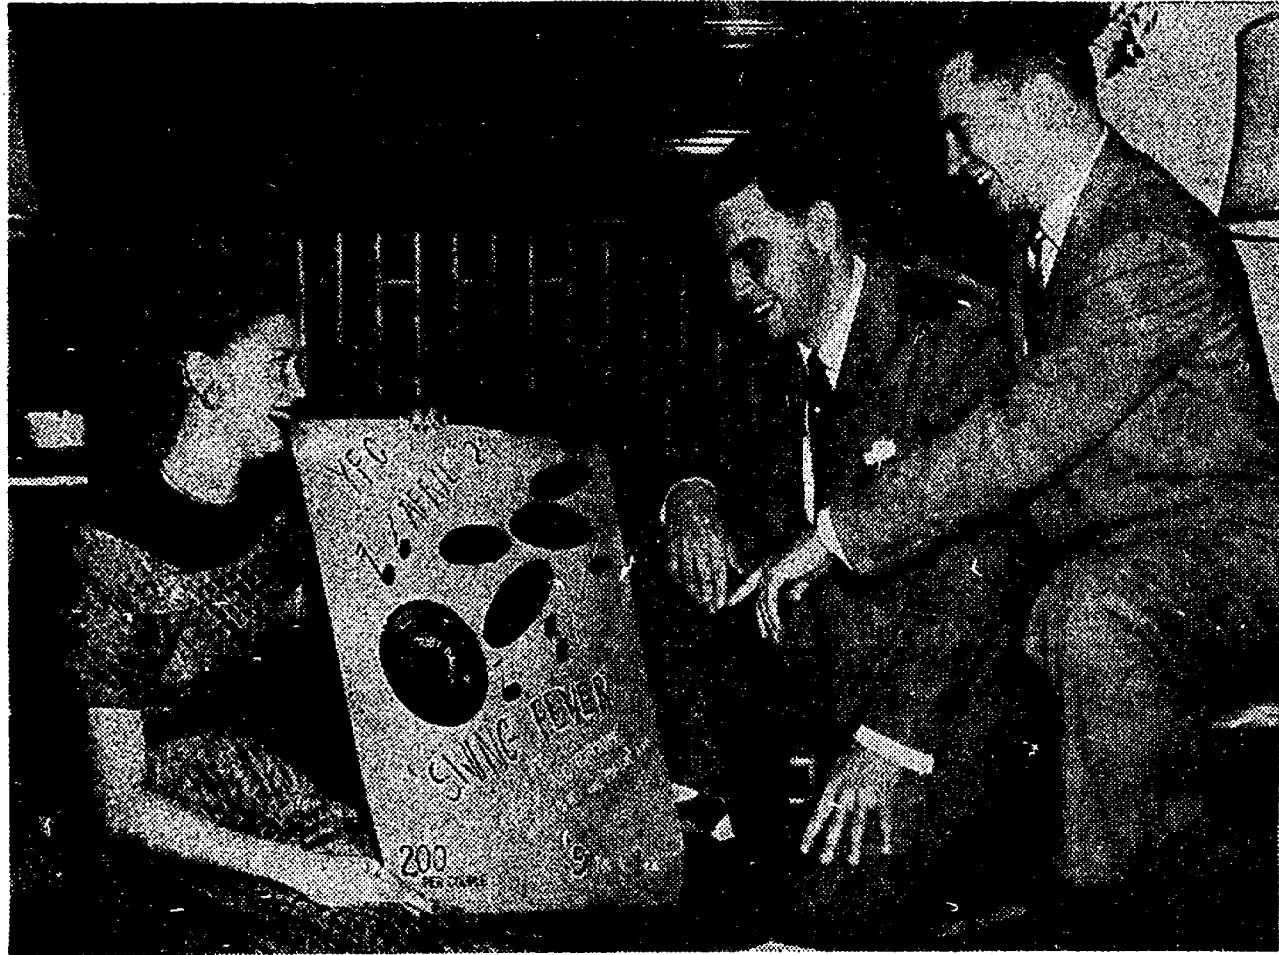

While his two playmates climbed the platform, where the pipe rested, Steve remained on the ground. They attached a rope to the pipe, and while the boys on the elevation pushed, the lad on the ground tugged.

Somehow, the pipe came loose and rolled towards Steve and in falling struck him on the left thigh and knee. He suffered a gash three inches long and a half inch deep on the knee, plus abrasions.

The pipe was 36 inches long and 18 inches in diameter.

Bayard Johnson Recovering Satisfactorily After Crash

C. Bayard Johnson, Jr., one of Grosse Pointe High School's all-time greats as a student and athlete, is recovering satisfactorily from injuries suffered in an automobile accident near Dillon, S. C., on April 8.

Bayard is the son of Mr. and Mrs. C. Bayard Johnson of Merriweather road. He is football captain-elect at Dartmouth College, where he is a junior.

Bayard and a classmate, Stanley Clark, who visited the Johnson family in the Pointe last summer, were returning to Hanover, N. H., to their studies when the accident occurred. Bayard was asleep in the back seat of the car and Clark was driving.

Clark, who was not injured, could not tell whether or not he fell asleep at the wheel. The car left the road and turned over.

Bayard had been in a semi-conscious state in a Dillon hospital for 10 days after the accident, but Mrs. Johnson reported Tuesday that he is now getting along well and will be flown back to the Pointe today or tomorrow. His father, who flew to Dillon the morning following the crash, has been with him constantly and will fly back with him.

Grosse Pointe shares first division honors with the bands from Ann Arbor, Traverse City, Pontiac, Jackson, and Muskegon high schools. The judges also awarded second division ratings to bands from Benton Harbor, Niles, Holland Grand Haven and Muskegon Heights. Third division ratings were awarded to Lansing Eastern and Flint Central High School.

Farms Fire Loss Small in March

A Farms fire department report for the month of March, by Fire Chief William H. Newport, showed 19 calls answered, and only a minimum of damage to property.

Only \$10 was recorded as damage to building property, while resident building fires were nil. An automobile fire was put out without damage to the car.

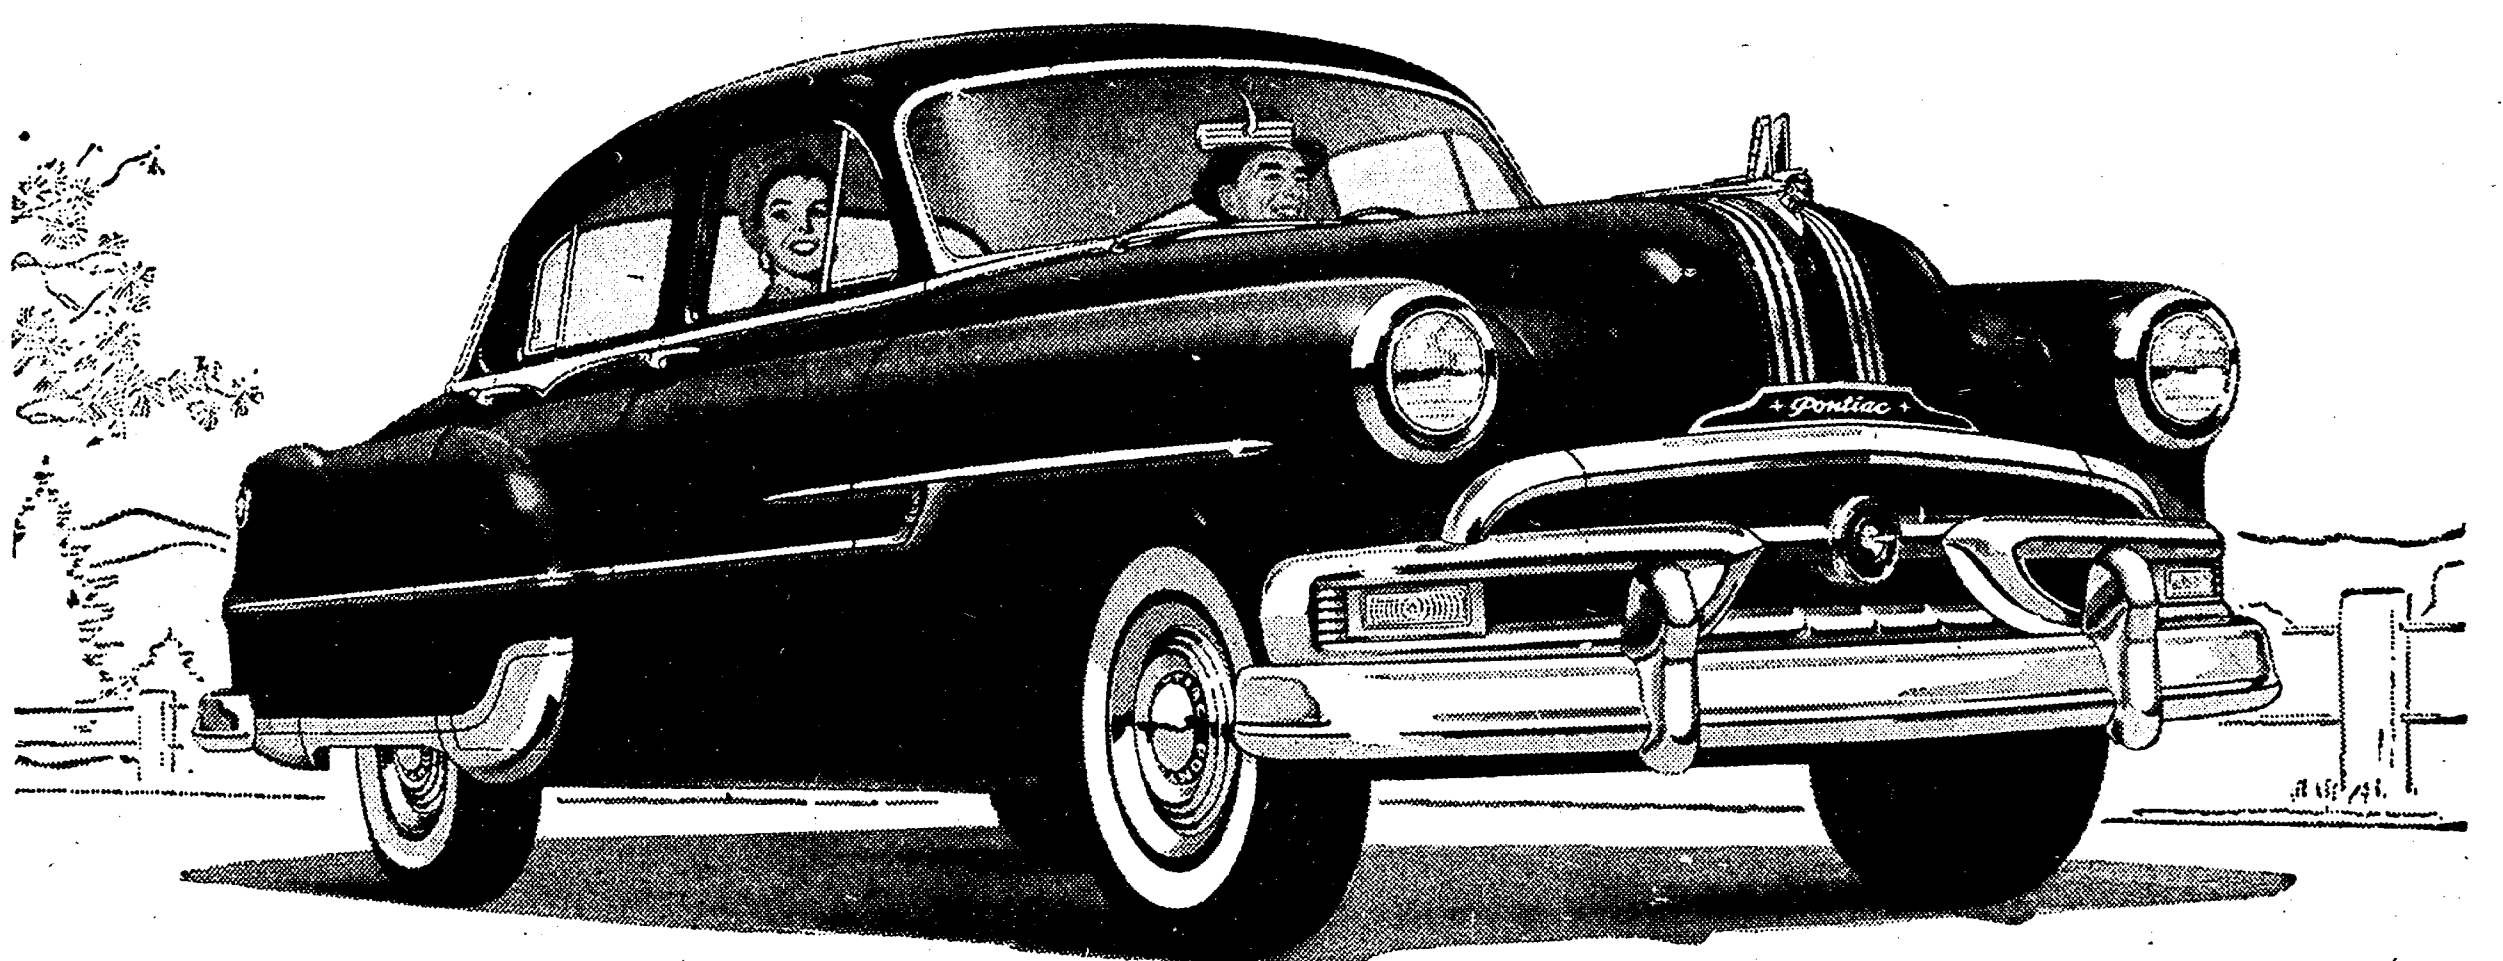

Eight emergency calls were answered with the Ford and seven with the ambulance. There were no false alarms or calls to outside communities.

Sick leave taken came to two days, and vacations, eight.

Pontiac

A GENERAL MOTORS MASTERPIECE

A Very Proud Car—At A Very Modest Price!

According to Webster, one of the important meanings of the word proud is this: "Worthy of admiration; deserving praise."

Obviously, that definition fits the 1953 Pontiac like a glove. Pontiac's distinctive Silver-Streak beauty is certainly worthy of admiration—and gets plenty of it everywhere. Pontiac's big-car roominess, its luxurious Body by Fisher, its smooth, easy-going ride—certainly these, too, are deserving of the praise they get. And when you sit behind the wheel and feel the effortless surge from Pontiac's famous

power plant you'll know that you're driving a mighty proud performer.

As a matter of fact, the only modest thing about a Pontiac is its price—for this wonderful car which gives you the engineering quality and the best features of the costliest cars is priced just above the very lowest!

And when you're figuring price, be sure to remember Pontiac's remarkable re-sale value—the sure test of long-lasting quality. Why not come in and see how easily you, too, can become the proud owner of a new Pontiac?

Girl Scout News

The 20 week swimming program for Girl Scouts has just closed with presentation of Red Cross achievement cards to girls who had completed the requirements. To Mr. William Reaume, instructor, and Miss Alice Minous, his assistant, goes credit for the number of girls who improved their swimming ability or who conquered fear of the water and learned how.

A total of 68 Scouts completed the Beginner's requirements; 53 finished the Intermediate work; 28 received their Advanced Swimmer's cards. After 20 weeks of class work, 10 girls completed their Junior Life Saving; Joyce Andrews, Kathleen Bruce, Lynn Dougherty, Kathleen Eagen, Carolyn Anne Fisher, Valerie Lee Martin, Karen Roeglin, Mary Elizabeth Schulte, Mary Sepic, Nancy Westrick.

Mrs. Mitchell Andrews has been in charge of the swimming program, assisted by Mrs. David Morgan and Mrs. Andrew Henderson. Emphasis was on camping on April 9, when 175 dads escorted their Girl Scout daughters to a dinner held in St. Paul's gymnasium-auditorium. After singing grace and enjoying an excellent dinner, the fathers joined their girls in group singing, with Mrs. F. J. Asmus at the piano.

Senior Scout Shirley Pressel, acting as mistress of ceremonies, introduced the guests at the speakers' table, including Father LaSalle M. Lenk, the spiritual advisor of Scouts at St. Paul's; Mrs. Adam Cook, Chairman of the Grosse Pointe District Committee; Miss Elizabeth Wright, District Director; Mrs. Harry Findlay, chairman of the Grosse Pointe Camp Committee and Miss Muriel Reamore from the Camp Committee; Miss Frances Ash, Camping Coordinator for Girl Scouts of Metropolitan Detroit; and Miss Shirley Anne Hulston, Director of Camp Metamora.

Diversity of Girl Scout camping was emphasized, with two week periods offered at established camp, Metamora; various trips available to Girl Scout seniors; troop camping at both Camp Holly and Metamora for week-ends or full week; and closest to home, our Grosse Pointe Day Camp for Brownies and Intermediates which will be held at the Woods Park this summer under the direction of Mrs. William M. Adams.

A skit showing a typical campfire scene at camp was presented by troops from Mason and Parcels Schools, with the following girls taking part: Kay Eyre, Sharon Burnie, Kathy Vestal, Karen Turner, Karen Lancaster and members of the "Barber Shop Quartette", Donna Kramer, Linda Johnston, Sharon Alledyce and Diane Hakenjos.

Senior Scouts presented a Scouts' Own, a more serious, non-sectarian program of an inspirational nature which is done at camp on Sundays mornings. Girls participating were Corinne Kozell, Jane Pressel, Frances Babcock, Margaret Ann Downie, Kay Silcott, Sue Pressel, Penny Nickels, Peggy Sims and Lois Rexford.

Mrs. John Huettnerman, Jr. acted as general chairman of the dinner assisted by various committees of Scout mothers and troop committees as well as the spur-of-the-moment, efficient group of fathers who stayed after the program and helped put the rooms in order. Hats off to these gallant gentlemen!

said the four billion proposed by Senator Taft would not be enough.

SEVERAL SENATORS in Washington promised a fight to save a 35,000 unit housing program, if the House approves the action of its Appropriations Committee in denying funds for it. Under the program, Federal funds have been used to aid states and cities in providing housing for low income families. The limit is 135,000 units annually, for the next six years.

JAPAN'S Prime Minister Shigeru Yoshida's ruling pro-American Liberal Party, received 136 seats in the 466-seat Diet. The strong lead is an indication that the party may emerge victorious and become the strongest in Japan. About 35 million voters, or about 75 per cent of the electorate, turned out.

Tuesday, April 21
THE SECOND 100 sick and wounded Allied war prisoners, who crossed the line into freedom, were happy and wisecracking, in contrast to solemn Allies who were released the previous day. The UN command turned over to the Communists, a group of 500 sullen and disheveled disabled soldiers. The Americans are scheduled to be flown to the United States this week.

GEN. J. LAWTON COLLINS, Army's chief of staff, told Chairman Margaret Smith (R, Me.) of the Senate Armed Services subcommittee, that the Army was never told not to win the Korean War. The subcommittee was looking into charges made by General James Van Fleet, that there were serious ammunition shortages during the 22 months he commanded the Eighth Army in Korea.

SECRETARY OF STATE John Foster Dulles, at a news conference, said he opposed any idea of a high-level Big Four meeting at this time to settle cold war problems. Statements he made prior to the meeting, made it plain that at Paris he would advocate a long-range European defense plan, designed to combat continuing Soviet threat over a period of 20 to 30 years.

AN ORDER from the Subversive Activities Control Board, called for the registration of all United States Communists as tools of Moscow. The Communist Party in America must list its members and give an accounting of its finances. Party lawyers said they will fight the order on the grounds that it was unconstitutional, and would take it to the U. S. Supreme Court if necessary.

Wednesday, April 22
LIBERATED Allied soldiers related shocking tales of at least three death marches forced on them by their Communist captors. They said as a result, more than 500 captives lost their lives, and one liberated serviceman said that a group of Russian soldiers tried to induce the North Korean guards to kill some of their prisoners. Others told that at least 100 Allied prisoners were allowed to starve to death.

GROUND-BASED UN warplanes smashed Communist positions less than a mile ahead of Allied lines in the Heartbreak and Sniper Ridge sector of Eastern Korea. Striking deep into North Korea, they attacked a Red airfield and supply lines. Only light patrol contacts were reported along the 155-mile long ground front.

ALLIED DIPLOMATIC reports said the Soviet delegation to the east-west trade conference at Geneva, offered to sell oil to the west, in return for certain concessions. The report stated this was the first time Moscow has made such a proposal in years. The Russians made this offer in the hope of purchasing railway equipment, barges and merchant ships on this side of the Iron Curtain.

U. S. AMBASSADOR Charles E. Bohlen, presented his credentials to Russian President Klementi Voroshilov and received prominent display in the Soviet papers. The ambassador told the Russian president that the United States hoped all differences between the two governments could be composed peacefully.

Business Leaders Elect Verheyden

Charles Verheyden, founder and president of Charles Verheyden, Inc., funeral directors, was elected president of the Grosse Pointe Business Men's Association at its annual election dinner meeting Tuesday evening at Harvard House. He will become the group's sixth president and will serve for one year. Matthew M. Goebel, advertising manager of the Grosse Pointe News, was elected vice-president. Four directors were elected. They are: William Dant, of The Dant's; John Hannan, of Jacobson's; C. D. Houston, of Houston Brothers; Raymond

Huettnerman, of the Detroit Bank. William Hosking, the retiring president, also becomes a director. Installation of new officers will take place in May.

BICYCLE STOLEN
Chris Skeen of 1561 Hampton, called Woods police, Monday, April 20, to report his English make bicycle, valued at \$60, was stolen from Parcels schools while he was attending classes.

Boat Banter

By Fred Runnells

With all this cold weather plaguing the local yachtsmen's efforts to get their ships ready for the water we took time out to attend, of all things, an ice boat banquet. It was the annual award dinner of the Detroit Ice Yacht Club last Saturday, April 18, under the direction of Commodore Chuck Grant.

Following a scrumptious steak dinner, Commodore Grant announced the newly elected officers. They are Howard Boston, commodore; Tom Coolman, vice commodore; Jack Moran, rear commodore; Jo Soden, secretary and Elmer Millenbach and Gus Cline, governors.

Doctor Converse presented Howard Boston with the thirteenth gavel, as he has done every year for the past 12 years. Doc has it written in his will that his estate will present the Commodore of the DIYC a gavel each year as long as the DIYC is in existence.

Despite the poor weather and ice conditions the DIYC members were able to compete for five trophies which were awarded as the highlight of the dinner.

Elmer Millenbach was the big winner. He took home the "Cock-of-the-Walk Trophy" and the Wehying Trophy. John Jacobs accepted the Jerry McCarthy Trophy and Bill Sarns' eyes lit up when he was given the huge silver Commodore Marsh Trophy. Skip Boston was a happy kid when he was awarded the Thomas Trophy which is an exact replica of a DN-60 class ice boat in miniature.

Once we were asked "Why do sailors call ships SHE?"

Well, we always thought we knew all the answers, or at least most of them, when it came to boats but this one stumped us. So we started looking through books and asking questions of people who we figured should know. They weren't any smarter than we were so we had to come up with some answers of our own, right or wrong. Take your choice. Ships are called "she", because: She goes to "Buoy's" first thing she does coming into port. There's not a straight line on 'em. They're all curves. She needs a man to handle her. It takes a lot of paint to keep her trim and it was customary for ships to have "figure heads" of beautiful women on their bow. If anyone has any better answers let's hear them.

Was talking to a pretty fair sailor the other night and he came up with a pretty good suggestion for the annual Port Huron-Mackinac race. Said he "You know how the big boats always seem to get into the Straits of Mackinac hours ahead of the smaller boats and have a good wind to finish the race on and then when the little boats get up there they usually sit and bob in a flat calm or come drifting over the finish line on light zephyrs?"

We recalled only too well a couple of years the boat we were in spent the night just a few miles from the finish line, just barely able to hold our own against the current, so urged him to continue.

This far suggested the race committee start the Cruising C class three hours ahead of the Cruising B class and six hours ahead of the Cruising A division. In this way the entire fleet would reach the Straits at about the same time and have the same wind with which to finish the race. Seemed like a good idea to us. Actually, what this procedure would do would be to allow the smaller boats about half of their handicap time at the beginning of the race. We reminded our sailor friend that the judges would be forced to remain at the starting line for six hours or thereabouts. But on the "Mackinac" coast guard ship we don't think it would be too uncomfortable, or would it.

Maybe Bayview Yacht Club's race committee chairman Chuck Richter could give this idea some serious thought and come up with an idea that would give the smaller boats a chance to win overall honors in this annual classic. Almost everyone admits there is room for improvement.

Russ Pouliot, that old ship artist, has got to the point of planking Gerd Schneider's new boat. We took a look at it and it certainly is going to be a beauty. According to Russ she will rate lower than Nick Geib's fabulous "Fleetwood," which has been knocking the stuffing out of the Cruising C division for the past three years and scaring the topsiders off the big boat skippers in the Mackinac races.

Bobby Roadstrum, one of our severest critics and hottest sailing competitors, had a high old time for himself last Saturday, April 18, by providing something novel in the way of a "get acquainted" party. Bobby posted the names of the boats and their owners on the boat cradles in Bayview's boat yard.

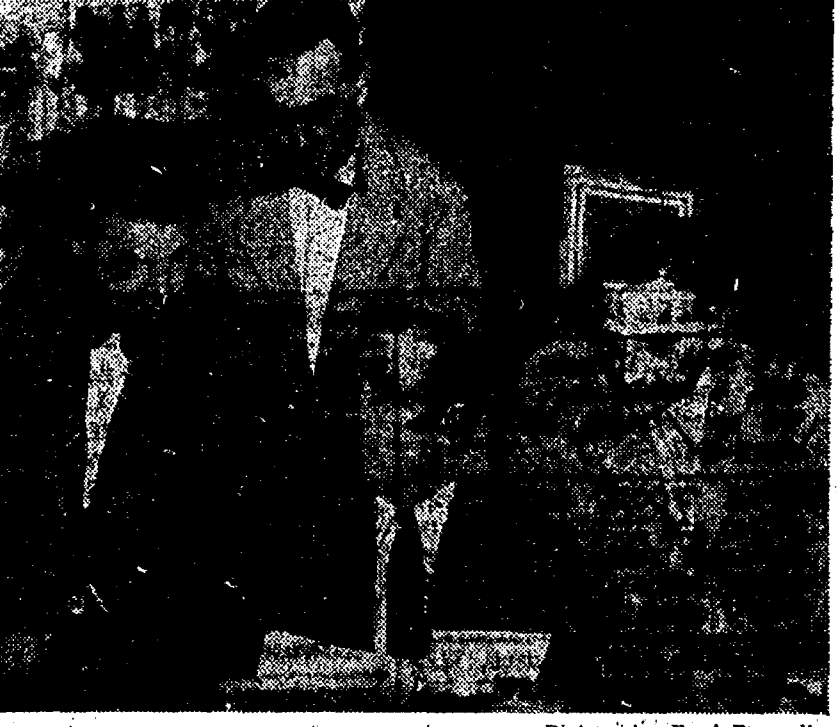

This was just a way to let the other sailors, who were busy fitting out their ships, know who the other guys in the yard were. It was a tremendous success. After a bout with the beverage barrel in the middle of the yard, paint brushes flew like mad. White boats were painted blue and green boats were painted red as the tars rushed to get the tedious task finished before night fall. We are told the party extended into the wee hours of the morning in the club. It was a great idea, we think.

Little League Team Managers

JOHN PINGEL, center, Farms Little League agent, informs three of the four Farms managers which teams they will handle when the 1953 practice sessions get underway Saturday, May 2, at Kerby Field. LOU HUNT, left, will pilot the Grosse Pointe Rotary Red Sox, HANK REYNOLDS, center will head the Tracy Motor Sales Indians and FRANZ VON SCHWARZ heads the Cox and Baker Tigers. Minard Mumaw, absent when picture was taken, drew the fanciest handle of all when he was given the Boutique of Furs by Robert's Yankees. During the regular season the teams will be referred to as the Yankees, Indians, Red Sox, and Tigers for the sake of saving space.

Little League To Start May 2

Little League Baseball gets officially underway on Saturday, May 2, in Grosse Pointe Farms. At 1:30 p.m. on that day any boy living in Grosse Pointe Farms, who is between the ages of 9 and 12 and who wants to play baseball this summer, should report to the athletic field at Kerby road and Chalfonte where the first tryouts for the four Little League Baseball teams in the Farms will be held. John Pingel, players' agent for the Little League organization in the Farms, emphasized that every boy who turns out and who wants to play baseball will be given an opportunity to bat and to field in the position of his choice. Furthermore, Pingel said, every boy who participates regularly in practice sessions will be placed on either one of the four teams or a "farm" team.

Pingel advised all boys who come out for the first practice to wear old clothes and have tennis shoes. No spike shoes will be permitted. Practice sessions will be held each Saturday, May 9, 16, 23 and 30, after the first session on May 2, Pingel said. On May 20, the player auction will be held at which time the boys will be assigned to one of the four teams which will make up the Farms Little League group—The Tigers, Yankees, Red Sox or Indians.

Pingel warned that boys who wish to play must appear at least two of the practice sessions between May 2 and May 30 or they will not be assigned to a team.

It was emphasized that boys who play in the Farms Little League must be residents of the Farms. Furthermore, if their thirteenth birthday occurs before August 1, they are not eligible to play Little League. The doubleheader season opener will take place June 6 at the Kerby-Chalfonte athletic field and the season will run to July 28th.

Pingel said that next week registration cards will be available at the Grosse Pointe Farms City Hall and at schools attended by Farms boys. These cards must be shown, games played and special contests are held—then of course a grand finale of square dancing. The Saturday afternoon Ballet Class is proving to be very popular with the girls, ages 6 to 12. This group is under the direction of Miss Barbara Forkey. For registration, please call Tuxedo 5-4600 or come to the Club at 1745 Waterloo.

Our Old Timers are again meeting every Friday afternoon from 2 to 5 p.m., after having spent a wonderful Florida vacation together with a 4,400-mile trip to their credit. If transportation is needed please call Miss Masak, Tuxedo 5-4600, and arrangements will be made for the trip to and from the Club.
