SEVERAL Communist prisoners of war turned over to the Allies in the prisoner exchange were near death, with one South Korean soldier pronounced dead on arrival. The first two groups of prisoners were in much worse condition than those freed the previous day. Senator Potter (R., Mich.) demanded that the Senate conduct a complete investigation of reports from Korea. Indications point to the fact that the Communists held out on the number of prisoners who should have been exchanged in April. In another report, it was revealed that many American GIs have been sentenced to long prison terms by the Communists prior to the signing of the armistice, on trumped up charges.

Friday, August 7

THE UN prisoner of war command stated guards quelled three riots of 12,000 North Korean prisoners. One prisoner was killed and four wounded. None of the Allied guards was injured. Camp officials said the riots were started by die-hard Red prison leaders in an effort to save face and to avoid possible reprisals from their Communist masters for surrendering. The POW command expects demonstrations to continue until repatriation has been completed.

Saturday, August 8

MANY of the repatriated American GIs reported that hundreds of fellow captives were removed from North Korean prison camps and sent to Red China's Manchuria, before that country entered the Korean War. Their stories of mass disappearances—and Mass deaths—gave the UN some indication of what happened to the 2,000 to 3,000 Americans not accounted for by the Communists. A number of American prisoners have swallowed Communist propaganda and have chosen to remain with the Reds, which accounts for a few more not listed by Communists.

Sunday, August 9

GEORGI M. MALENKOV, premier of Russia, told a cheering chamber of deputies that the Soviet Union now has the hydrogen bomb and has broken the United States monopoly of the world's most dreaded weapon. Malenkov's boast was greeted with skepticism by the West. Many scientists said they did not believe him; many statesmen said he may have made the free world alliance by "fear" tactics. There was no reaction from the White House.

Monday, August 10

THE ALLIES have uncovered another trick of the Communists. Official sources stated the Reds are using the prisoner exchange as a smoke screen to infiltrate Red agents into the Western world. The Communists planned the move three years ago. The Allies accused the Reds of putting prisoners through a propaganda mill which was a combination of modern science and psychology. Specially trained counter-intelligence agents have been mixed with the exchanged prisoners to search out the spies among them.

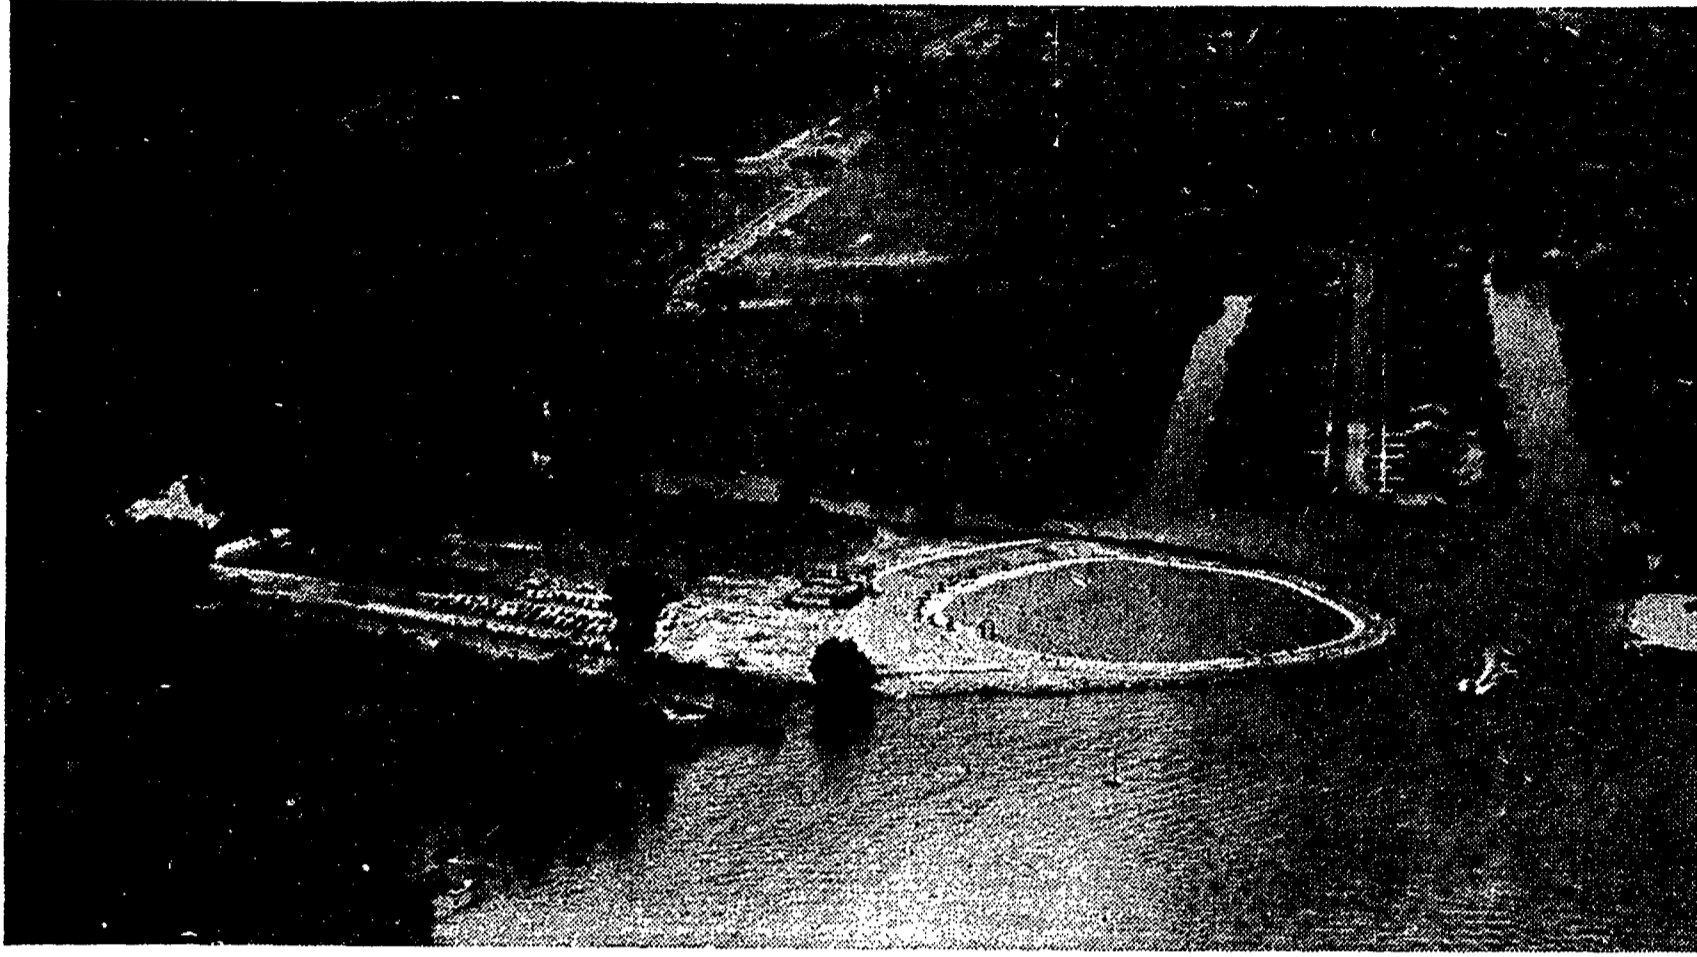

Tuesday, August 11

GEORGE JENNAN, former United States ambassador to Moscow, predicted that before long there will be a revolution in the Soviet Union, and sounded a word of caution against official American interference which might boomerang, bringing about Communist unity. He said that Soviet ideas no longer have a powerful attraction in the Western world. The weakness of the Soviet Union system will catch up with it eventually.

Wednesday, August 12

THE PEIPING RADIO said 1,050 non-Korean prisoners have died while in Red prison camps. The broadcast account fell far short of 8,705 Americans listed as missing by the Defense Department. The Reds said an additional 481 deaths were added to the 569 non-Korean prisoner deaths they had reported in the lists exchanged in December of 1951. The additional list was handed to the Allies in accordance with truce agreements.

How Woods' Lakefront Park Looks from the Air

Another Cab Driver Loses Taxi, Money

Park Police Believe Bandit Same One Who Staged Similar Trick

Park police are on the lookout for a bandit who held up a cab driver late Sunday evening, August 9. He is believed to be the same man who held up another cab driver just two weeks ago. In both cases the pattern of the crime was the same, stated Det. Lt. Arnold Hough.

He revealed that Rue George, 45, of 489 Henry, Detroit, had picked up a fare from downtown Detroit, who asked to be taken to a number in the 700 block on Lakepointe.

When the cab arrived at the destination, the driver snapped on the spot light to search for the number.

While the cab driver's attention was concentrated on the search for the number, the bandit pulled out a small revolver and ordered George out of the cab. After taking \$35, the robber tied the driver hand-and-foot and left him behind some bushes, then drove away in the cab.

The cab driver eventually freed himself and going to the home of Dr. F. M. Townsend, 15231 Windmill Pointe drive, asked that the police be called.

About two weeks ago, William J. Applebee a driver for the Checker Cab company, lost a money changer containing \$7 and his cab, when his fare, also picked up from downtown, asked to be taken to a phone number on Trombley.

Detroit police found the cab abandoned on Vernor and Lemay late Monday afternoon, August 10.

RARE BIBLE FOUND
A rare Bible, 230 years old, has been discovered by a Michigan State College art professor, Dr. Martin S. Soria, an internationally-known authority on 18th century art. Dr. Soria came across the unexpected find in a New York county settled by early Dutch immigrants.

A report on the Dutch elm survey, conducted by the five Pointe communities and the Michigan Department of Agriculture, has been finally submitted and acted upon.

The Park took 15 samples from trees suspected of having the fatal elm disease and sent them to Lansing for an analysis. A report, returned on Wednesday, August 5, revealed that 12 of the trees were found to be infected, two on city property and 10 on private. Removal of the trees was begun immediately, and trees within a quarter-mile radius were sprayed.

A continuation of the survey by the Park showed that seven more of the trees may have the

Expect to Effect \$26,000 Saving by Changing Plans For Farms Piers, Seawalls

Council Approves New Design at Special Meeting; Bids Expected to Be Awarded by August 28

The Farms council, at a special meeting Tuesday evening, August 4, approved the advertising of bids on August 28 for piers and seawalls, to further the improvement being carried out at the Pier Park.

According to Farms Engineer Murray Smith, redesigned plans of the structure as set up by his department, with the aid of Ernest Brater of the University of Michigan and Eugene Kalbfleisch of the U. S. Army engineers. May mean a saving of at least \$26,000 to the city.

Council Approves Plans
Plans and specifications describing the construction of the sea walls and piers were submitted to the council and met with their approval. They showed all the necessary details which will be undertaken by the contractor performing the work.

The revised estimate of the cost of this project has been set at \$200,000, as compared to the January report presented to the council which gave a total estimate for the job of \$226,000.

Design Brings Saving
The saving to the city results primarily from the design of the structure and deck connected with the completion of the large

boat harbor. There, in place of an outside wall of sheet piling, the support for the concrete deck will be steel pipe columns and the existing outer row of steel sheet piling.

All steel sheeting, wales, tie rods and other accessories, ordered from the Bethlehem Steel company and scheduled for August delivery, have been delivered a full month ahead of time, with complete delivery of material set for November.

Ahead of Schedule
Mr. Smith stated that if the work continues to progress as it is now, and the new work is under contract by September 1, the sea walls and piers should be completed by December, or possibly sooner.

The decking of the sea walls and piers will be started in early spring; and when finished, the park improvement will be at least 40 percent completed.

It will require at least another year and a half before the residents of the Farms will see the completed improvement in their municipal park.

To Visit St. Clair
Mr. Smith added that he and other officials will go on a tour of the St. Clair Metropolitan Beach, and as a result may incorporate some of its architectural features.

Ferguson Earns Ike's Gratitude
President Eisenhower has praised Senator Homer Ferguson's "thoroughly outstanding job" in handling the big, \$34.5 billion appropriation bill for the national defense. The President expressed his appreciation to Ferguson after the administration measure had passed the Senate without an amendment.

Senator Ferguson was the floor manager of the bill and chairman of the subcommittee which considered it. The measure provides funds for the operation of the Army, Navy and Air Force and required weeks of intensive preparation and review.

The President's letter follows: The Honorable Homer Ferguson, The United States Senate, Washington, D. C. Dear Homer:

I am much aware of the tremendous effort you expended on the national defense budget, and I also was much impressed by your parliamentary handling of the measure as it proceeded through the Senate.

I think you did a thoroughly outstanding job and want you to know of my personal appreciation to you for it. With kind regards,
Sincerely,
Dwight D. Eisenhower

Con Woman Trapped by News Story

Park Police Warn Ad Answerer Not to Pull Her Racket in Pointe Again

A story in a recent issue of the News was instrumental in alerting a Park housewife to the tactics of a small time confidence woman and resulted in her arrest.

According to Park Police Chief Arthur Louwers, Geraldine Winlow, 41, of 159 Cottage drive, Highland Park, was answering ads of persons seeking a colored domestic.

Recognizes Tactics
During the course of the interview, the Park citizen, who wishes to remain anonymous, recognized the woman's tactics as reported in this paper. She excused herself and left the room to call her husband. While he spoke to the "prospective employee" she called the police.

Chief Louwers told the housewife to keep the woman occupied answering questions until patrolmen reached the house. When they arrived they took the bogus employment seeker into custody.

Find No Complainant
Following a thorough investigation, police sought a complainant against the Winslow woman, but without success. They were forced to let her go, after they took her fingerprints and picture, with a warning that she is not to appear in the Pointe again.

Answering ads in the papers, the woman would call the prospective employer stating she was from Dearborn and if she came down for an interview, she must have return cab fare. The person seeking domestic help would usually readily agree. After the interview, the woman said she would like to think it over and requested \$5 to \$7 for the fare home.

Usually Successful
When the surprised interviewer protested the amount was too much for cab fare to Dearborn, the Winslow woman would state her home is in Fort Dearborn, and in more cases than not, would be given the money.

Police found a black book with a long list of persons she had already "touched" which also included the names of persons she was going to contact. They said their investigations brought out that it was not unusual for the woman to make from six to eight contacts a day.

Center Director Suffers Accident

John Lake, executive director of the Grosse Pointe War Memorial Center, suffered a very severely lacerated finger Tuesday afternoon when it was jammed between a boat and the sea wall in front of the Center property.

In court, Thomas F. Chawke, prominent Detroit attorney, contended the city had no power to forbid this type of roofing, because the State Housing Code

Traffic and Safety Committee Backing Uniform Fine Plan

All Pointe Municipal Judges May Be Asked to Attend Conference on Suggestion in September.

The Grosse Pointe Safety and Traffic Committee at a recent meeting debated the possibility of inviting the various judges of the five Pointe communities to a September conference to discuss the feasibility of developing a uniform traffic fine arrangement, according to Park Police Chief Arthur E. Louwers.

Chief Louwers, who gives the credit for suggesting the meeting for the sought after uniform ticket and traffic fine, to George Measel, a member of the traffic and safety committee, stated the organization is seeking to have all the Pointe communities adopt a uniform violations ticket and fines to match the offenses committed.

Is First Step
"Until this is adopted by the Pointe," stated the chief, "it would be impossible to set up the schedule. Only three Pointe communities have accepted the Michigan uniform traffic violation notice and administer fair fines. They are the Park, Woods and Shores."

Citing an example, Chief Louwers remarked that on a uniform traffic ticket, a list of violations and circumstances, and so forth are listed. If a motorist is ticketed for speeding, the officer places a check mark after the offense, the time of day, heaviness of traffic, rain or shine and all which other data on the notice, which will give the judge a clear visual picture of the offense.

Fines Would Vary
On the subject of fines, there will be a variance, he said. For instance, if a motorist goes through a stop street without stopping, the fine will depend on whether it is day or night; whether the traffic is light or heavy, and so on. In the daylight offense, he added, depending on the circumstances, of course, the motorist may be let off with just a warning rather than forced to pay a fine.

Depends On Conditions
Chief Louwers explained the violation notices do not state the fines to be paid, since this depends on the various conditions and circumstances at the time the violation is committed. Nor do the police officers set the amount of the fine, as this comes under the jurisdiction of the court. Scheduled fines per unit vary in different cities.

Uniform traffic notices and fines are gaining in favor throughout Michigan, he concluded, and at present there are 275 cities making use of this system, which is endorsed by the Michigan State Safety Association, the American Bar Association, and the Safety Association of Michigan Police.

Library Invites Kids To See Ranch Movies
The Public Library Children's Program this week will feature the film "American Cowboy" in color. This visit to a Rocky Mountain ranch provides thrills aplenty.

The film was shown Wednesday at 2 p.m. at the Park Branch, and will be shown Thursday at 2 p.m. at the Woods Branch, and Friday at 2 p.m. at the Central Library.

All Grosse Pointe children are cordially invited to attend these popular programs sponsored by the library.

Bids \$3,600 Lower Than Estimates

Plans for Auditorium-Gymnasium Also Shown and Discussed at Meeting

Total cost of the new Roslyn elementary school building is going to be about \$35,000 less than the estimated \$795,000, it was revealed when bids for the structure were awarded at a special meeting of the Board of Education on Wednesday night, August 5.

Low bids were accepted for all three contracts, general, mechanical and electrical.

C. H. Reisdorf and Sons were awarded the general contract at a figure of \$532,028. The mechanical contract went to Frank Kurrie for his bid of \$117,900. Yauch-Miller were awarded the electrical contract for a bid of \$37,620.

In addition to these contracts there will be architect's fees of six percent, or approximately \$41,000, and the cost of equipment, estimated at \$30,000.

To Cost \$760,000
Adding all of these together the finished product should be about \$760,000, compared with the \$795,000 set aside from the sale of the special bond issue approved by the voters last April.

Some of the material had been moved to the Roslyn road site this week and it was stated ground breaking will take place tomorrow, Friday, at 9:30 a.m. It is expected the new building will be ready for occupancy by the opening of the school term in September 1954.

The structure will contain 15 classrooms, two kindergarten rooms, an all-purpose auditorium-gymnasium, office suite and a number of special rooms.

The meeting of the Board of Education last Wednesday night was attended by a number of interested persons in addition to the members of the board. They were there primarily to see and discuss the architect's plans for the new auditorium-gymnasium which will be built adjoining the High School.

To Cost A Million
Working plans for this structure, which will cost approximately a million dollars, are expected to be ready in time to award contracts by the first part of October.

The main floor of the gymnasium will be large enough to provide a regulation basketball court, with plenty of free room on the sides and ends, and seats for approximately 3,500 spectators.

A movable wall will make it possible to divide this main section in two for separate use by boys and girls. There will also be large locker and shower rooms for both boys and girls and adequate quarters for visiting teams.

The athletic staffs will have ample office space and there will be a large headquarters for the band, a big stage and space for archery, table tennis, fencing and other minor sports.

A large space is also being provided between the High School building and the new structure, which will be roofed over and have a clay or tan bark floor. This will afford room for practice for some track events, baseball pitching and sliding practice, etc.

Two Entrances
There will be entrances with ticket offices at both ends of the building, for those coming in from Grosse Pointe boulevard, or from the Fisher road entrance in the rear of the High School.

It is understood a mutual agreement has been reached with the officials of Christ Church for an inter-change of parking privileges between the large church lot and the new one which will be created on the Country Day School property, which the public school system is purchasing as provided by last spring's bond issue.

The combined facilities of the two parking lots would provide space for a great number of cars.

It is believed that it will be entirely feasible, with the acquisition of the Country Day School property, to build a driveway which would connect the school and church parking lots.

Will Expand Program
It was stated that there are no plans to use the present boys and girls gymnasiums in the High School for anything other than athletic programs. The additional gymnasium space, together with the gym in the Country Day School building will make it possible to expand the intra-mural program.

Await Decision of Judge On Park Shingle Ordinance

The Park council is informed by City Attorney Pierre Hefler on Monday, August 10, that the Godfredson shingle case has been heard in Wayne Circuit Court, and the city will have to await the decision of the judge.

The case, which was heard before Wayne Circuit Judge John V. Brennan on July 27, involved a controversy between the Park and R. B. Godfredson, regarding the installation of Shake wooden shingles on Godfredson's home being built on Whittier.

In court, Thomas F. Chawke, prominent Detroit attorney, contended the city had no power to forbid this type of roofing, because the State Housing Code

made it permissible, and what the state permits, local communities cannot prohibit.

The Park, through City Attorney Hefler, based its case on a city ordinance which prohibits any type of roofing that may constitute a fire hazard.

Farms Building Boom Continues

The Farms building report submitted by City Engineer Murray Smith for the month of July, showed that the value of the building permits for the first seven months of this year has shot over the three and a quarter-million-dollar mark.

Sixteen residential permits, valued at \$463,000, were issued for the month of July, making the total number of permits issued since the first of the year, 115, with an over-all value of \$3,056,000.

No business building permits were issued last month, and only six have been granted since January, their value coming to \$110,000.

Miscellaneous permits came to 13, with the total value reaching \$21,500, bringing these types of permits to 75, with a value of \$132,800.

Welcome to New Teachers

Because of the growth of the Grosse Pointe community and the subsequent increased enrollment in the public schools, the Grosse Pointe School Board has made some 50 appointments to the different faculties.

These appointments have also been made because of the need to replace those teachers leaving the Public School system for reason of transfer or retirement.

By way of introduction to the parents of children who will attend or who are now attending the public schools, the NEWS is publishing weekly short biographies of those whose appointments have been confirmed. During the coming months until school reopens in the fall, the biographies of new teachers will appear in each issue.

ERNEST ALDEN, a native of New Haven, Conn., is a graduate of Detroit schools. He attended the University of Detroit and Wayne University, receiving his BA degree from the latter. He will teach the sixth grade at Montith School.

MISS MARIAN MCCOMB, born and raised in Maine, received her BA degree from Lesley College in Massachusetts. She is expected to marry before the fall opening of school. She will teach the first grade at Richard School.

MISS ROSELYNN YAGGEE is a graduate of Dearborn schools, and has received her BA degree from Western Michigan College of Education. She is a speech correctionist from Niles, Mich. She will have such an assignment in Grosse Pointe schools.

JOHN A. MASON received his BA degree from the University of Wisconsin, and is currently completing his MA degree at Duke University, which he will get this month. He will teach English at Pierce Junior High School.

LIMIT ON LUXURIES
 One solution to the spending problem would be to place a limit on what luxuries the Jones could have and let them set the pace for the neighbors.

Reckless Drivers Pay Up in Court

Kent F. Meldrum of 124 Mapleton, was fined \$65.50 and costs of \$2.20 by Park Judge C. Joseph Belanger on Wednesday, August 5, besides being placed on a six-month no driving probation. He was found guilty of reckless driving on Vernor Highway.

Donald C. Hollister, Jr., of 1004 Beaconsfield, was given five days in the Wayne County Jail, with no alternative fine, for driving while his license was revoked.

Forrest E. Bennett of 234 1/2 Crocker boulevard, Mt. Clemens, was assessed \$10 for reckless driving and causing an accident at Jefferson and Pemberton.

John Wirth Paton of 973 Nottingham, paid \$10 for causing an accident at Nottingham and Mack.

Davis T. Ehlert of 1126 Lakewood, Detroit, was fined \$5 for ignoring a signal light.

James L. Bucklin of 444 Peterboro, Detroit, forfeited a \$10 bond when he failed to appear in court to answer a charge of running a signal light.

Council Okays New Fire Chief

The Park Council approved the appointment of George DeCausin to the rank of acting fire chief, at a regular meeting held on Monday, August 10.

Chief DeCausin was appointed by City Manager Everitt B. Lane, to succeed retired Fire Chief Edward Rector, who left the department on August 1.

With the promotion, Chief DeCausin's salary was upped from \$5,316 to \$6,058.

THINK OF FUTURE TRADE-IN WHEN YOU TRY OUT A CAR!
 Reports Prove Mercury's Trade-In Value Tops Them All in Its Price Class!
 Smart shoppers know the actual cost of a new car isn't found on the price tag. When you buy a car you're making an investment. When you sell or trade in that car, one, two, or more years later—you get back part of your original purchase price. With some cars, this resale value is disappointingly small. But with Mercury—according to four independent, impartial surveys—you get the highest resale value in the entire Mercury price class.
 The reason? Mercury's consistent years-ahead styling, for one thing. Clean, long, low lines that set the style and stay in style. Colorful interiors that keep their smartness for years. And Mercury's proven V-8 performance is another reason. A V-8 engine is the only type ever used in Mercury—and this latest is the best performer we've ever built.
 So—before you buy any car—get the story on Mercury. Find out about Mercury's optional power features—the widest choice in the field—check on Mercury's proven economy. Above all, try a Mercury ride! We feel sure you'll agree no other car will do!

Lane to Attend APWA Parley

Park City Manager Everitt B. Lane rejected an invitation to the City Managers Conference which will be held next month in Los Angeles, to attend another conference in New Orleans.

Mr. Lane, informed the council on Monday, August 10, that he would much rather attend an American Public Works Association Conference which will be held in New Orleans from October 26 to 29.

He said he believed this meeting would be of more benefit to the city, because of the ideas which may be gathered for the betterment of the city as a whole.

The council approved appropriation of funds needed by Mr. Lane to attend the conference.

At the same time, an expense account was approved for Treasurer-Clerk Charles Heise and Herbert Heger, head of the Public Works Department, who will attend the annual Michigan Municipal League Conference at Mackinac Island, September 2-5.

Celebrating 50 Years of Service

Clyde E. Hornung celebrates fifty years of service to Metropolitan Detroit children during the weeks of August 15 to September 15. His unique idea of specializing in the selection of better shoes for children and training of assistants in properly fitting children's feet made him a pioneer in his field.

This service contributed much to the well-being of grown-ups who were his customers during the early years. It's not unusual to hear someone say—"My grandparents bought my mother's shoes from Mr. Hornung, away back when, and all the members of our family have been his customers ever since."

There are now three Hornung Shops for the convenience of future citizens in the Detroit and suburban area, including the one recently opened at 114 Kercheval, Grosse Pointe Farms.

David J. Gleffe is general manager of the three shops. C. Edward Hornung is in charge of the Grosse Pointe Shop. In addition to the basic idea of better shoes, more expertly fitted, which is of great interest to mothers and fathers, Mr. Hornung has introduced many features for moppets. It's safe to say that the Hornung Hobby Horse has been the source of pleasure for more children than any other horse in captivity.

Mr. Clyde E. Hornung was a man with ideas back in 1903. He is a man with ideas in 1953, as everyone who visits his shops during his 50th Anniversary will discover.

Indians Rescue Fishermen Stranded on Doomed Yacht

B. E. Ford of 22 Sunningdale and Anger Armstrong of 617 Rivard, were among seven men rescued by reservation Indians on Monday, August 10, while their yacht was being ground to bits off the Canadian shore of Lake Huron.

The men had chartered the yacht at Amherstburg for a fishing trip to Georgian Bay, and on their return went off course, just before midnight.

Their attempt to escape in the yacht's small boat proved futile, as it was washed away before they could board it. They sent up

distress signals with the yacht's searchlight, which were seen by the reservation Indians.

Indian boatmen threaded through the boiling water and rocks of Kettle Reef, 40 miles northeast of Sarnia, Ont., and took the men off.

Ford is vice-president of the Hiram Walker-Gooderham Worts, Ltd., and Armstrong is president of Hiram Walker and Sons Grain Corp.

The seven men spent eight hours on the boat as it was being pounded to pieces after running aground in the darkness.

There is no question as to cupid being an excellent shot, but he bags some very poor game.

There would be fewer war debts if people were compelled to do the footing before the arm-ing.

Mrs. John S. Newberry's Birthday Celebrated.

Relatives came from out-of-town Saturday to celebrate Mrs. John S. Newberry's birthday at her home on Lake Shore road. Mr. and Mrs. Cammann Newberry arrived from Beverly Hills, Mass., and Mrs. Newberry's niece, Mrs. Brewster Weelock, and granddaughter, Tertia Ousterhoudt, from Minneapolis.

Engaged

—Picture by Paul Gach
Mr. and Mrs. John Wrubel of Mapleton road announce the engagement of their daughter, ROSEMARY to Arthur R. Van Steelandt, son of Mr. and Mrs. Rene Van Steelandt of 1447 Anita avenue. An October wedding is being planned.

Arthur B. Pfeleiderers See Elizabeth Married

Back after two months in Europe are Mr. and Mrs. Arthur B. Pfeleiderer of Lakepointe avenue. They arrived in the States just in time for the July 24 wedding of their daughter, Elizabeth Louise, to David Gabhart, in Buffton, Ind.

The newlyweds, who met while the bride-elect was studying for her masters degree at the University of Michigan, are living in Battle Creek. Mr. and Mrs. Arthur Gabhart, of Akron, O., are the parents of the bridegroom.

During their European tour, the Pfeleiderers visited France, England, Holland, Switzerland, Italy, and East and West Berlin.

Davison Pierson to Wed Sally Bliss of New Haven

In New Haven, Conn., Mr. and Mrs. Earl Byron Roberts have announced the engagement of their daughter, Sally Bliss, to Davison Pierson, son of Mr. and Mrs. H. Lynn Pierson of Voltaire place.

The bride-elect attended Prospect Hill School in New Haven and was graduated from Walnut Hill School, in Natick, Mass. A student at Bennington College, she was presented at the Debutante Assembly in New York on New Year's Day.

After graduating from Governor Dummer Academy, South Byfield, Mass., the prospective bridegroom attended Le Rosey, Rolle, Switzerland. At Williams College, from which he was graduated in June, he was a member of Delta Kappa Epsilon.

Lochmoor Club To Honor Lions

Lochmoor Club will play host to the entire Detroit Lions football team on Monday, August 17. The team will arrive at Lochmoor at 11:45 a.m. after returning from the All Star Football Game in Chicago.

Club members will entertain the Lions at a full day's activities—luncheon and an afternoon of golf, followed by dinner and dancing.

Sports writers, radio and television sports personnel and the Lions' coaching staff will also attend Lions' Day at Lochmoor. Bob Reynolds will deliver his sports broadcast from the club house.

Life on Ranch Lures Pointers

The western states have been calling more than a few localities to outdoor life this summer. The Wendell Andersons of Vendome road have spent a good deal of time on their Big Creek Ranch at Encampment, Wyo., and their list of Pointe visitors goes on and on.

Dr. and Mrs. J. Stewart Hudson of Lothrop road have motored to Big Creek for a fortnight's stay, after which they will move on to the nearby A-Bar-A Ranch where their sons will join them.

Mr. and Mrs. Thomas Paddock of Notre Dame avenue flew to Denver on Friday, where they

rented a car to drive to Big Creek.
Back on Lake Shore road after spending two weeks at the A-

Bar-A are the Benjamin Warrens.
Mr. and Mrs. William C. Emory of St. Clair avenue plan to stop at the 4-K Ranch, near Billings, Mont., for the second year.

Ryan Addresses Democratic Club

Senator Harold Ryan of Michigan was the guest speaker at the meeting of the newly organized Democratic Women's Club of the 14th District, which was

held on August 4 in the Hannan YMCA. He spoke to the new members about the problems confronting the Michigan legislature, and on parliamentary procedure.

Installation of officers included Mrs. Catherine Wagenlander, chairman; Mrs. Ernestine Rosemond, vice-chairman; Mrs. Ann Hilley, secretary; and Mrs. Margaret March, treasurer.

Executive board members are Mrs. Marilyn Bartholomew, Mrs. Hazel Murray, Mrs. Louella Strobbe, and Mrs. Ethel Case.

Democratic women in the 14th District are invited to attend meetings which will be held the first Tuesday of each month in the Hannan YMCA, Jefferson Avenue at Garland.

Hettlers Plan Double Header

Thirty-six young guests will arrive at the Hettler home on Harvard road Saturday afternoon to help Victoria Hettler celebrate her sixth birthday.

While the children have luncheon and party games in the recreation room and outdoors, Vicky's mother, Mrs. M. Ben Hettler will give a separate party for their mothers and other adults. In the evening Mrs. Hettler will hostess another cocktail party and buffet supper for about 40 guests.

Mr. and Mrs. H. F. Devasier will come from Bowling Green, Ky., and Mr. and Mrs. Donald J. Wallace from Cleveland for the evening affair.

Betrothal Told

Mr. and Mrs. George W. Turnbull of Wayburn avenue announce the engagement of their daughter, JANIS LEE, to Thomas L. Pond, son of Mr. and Mrs. Lendorth Pond of Pleasant Ridge.

Both Janis and Tom are graduates of Michigan State College. No date has been set for the wedding.

John Woodhouses Return From Daughter's Wedding

Mr. and Mrs. John T. Woodhouse are back on Lake Shore road, now that the full flurry and commotion of two out-of-town weddings in the family in less than two months has subsided.

Their son, Henry M. Woodhouse, married Joan Neuberger in New York on June 10. Daughter Ann exchanged vows with Pvt. Murray W. Sales III in El Paso, Tex., on July 25.

The Woodhouses saw the newlywed Pvt. and Mrs. Sales settled in their El Paso apartment (the bridegroom is stationed at nearby Fort Bliss), and then spent a few days in Colorado Springs, before returning home.

Winfield S. Jewells, Jr. Entertaining Pickards

Mr. and Mrs. O. W. Pickard, Jr., of Saginaw, are visiting Mrs. Pickard's parents, Mr. and Mrs. Winfield S. Jewell, Jr., of Washington road this week. The visitors are spending part of the time with Mr. Pickard's parents, Dr. and Mrs. O. W. Pickard of Litchfield avenue.

Last week the Jewells and the junior Pickards met in Waterford, halfway mark from Detroit and Saginaw, for a birthday dinner in honor of Mrs. Pickard.

Hearst-Dressel Vows Spoken

Mary Carol Dressel, daughter of Mr. and Mrs. Paul Dressel of Indianapolis, Ind., became the bride of James Eldon Hearst, son of Mr. and Mrs. John E. Hearst of University place.

The wedding ceremony took place in Christ Church on Friday, August 7, at 5 p.m. A small reception followed in the Whittier Hotel.

James left on Tuesday, August 11, for service in the U. S. Army.

London—And now you'll just have to share this traveler's diary . . . for in our European ramblings we've run across precious few Pointers . . .

The Horace Dodges Jr. and Mrs. Florence Sisman were chiefly settled at the Athenee when we left Paris . . . and Mrs. Dodge Sr. is whiling away the Summer at a vast establishment in St. Leonard's just outside of Windsor, here in London . . .

What's London like? . . . Well, just to surprise us, it rains every fifteen minutes, although if the sun were to shine constantly we wouldn't blame the English for carrying their wonderful umbrellas . . . Invariably they're black, long and slender . . . It's been cold enough to make a wrap comfortable in the evening here . . .

English women are more trimly turned out than Parisiennes . . . and in the evening they bloom . . .

And after several days of stumbling with a few French phrases in Paris . . . we drew a long breath thinking, "Now, we can talk again" . . . but confess the English were harder to understand than the French!

The theater begins at 7:30 in the evening . . . and since you've had tea late-ish, (found it looked beautiful but tasted not at all beautiful), you skip dinner . . . by 10, when theater lets out, you are willing to forget all about calories and really have a supper . . . but you can't get it . . .

The early theater hour started during the war . . . when the English hurried to get indoors before the black-out . . . The early hour also initiated the vogue of having coffee or tea during intermissions, (intervals, our English friends call them), served right in your seat by little maids scurrying about with trays . . .

Joan Eleanor Wilson Speaks Nuptial Vows

Becomes Bride of Richard De Spelder in Ceremony in St. Paul's Cathedral; Honeymoon in California

Following their Friday evening marriage in St. Paul's Cathedral, Richard Bardford de Spelder and his bride, the former Joan Eleanor Wilson, left on a three weeks' motor trip to California.

Chantilly lace with nylon net composed the bridal gown of the new Mrs. de Spelder, daughter of Mr. and Mrs. Asa E. Wilson of Stratford road. A bouffant apron of lace extended from the bodice deep into the full skirt. A tiny lace cap secured her short veil of illusion. A white orchid centered her small round bouquet.

Mrs. Richard Alban, matron of honor for her sister, wore a peacock blue ballerina frock with matching jacket and flared skirt. Bridesmaids, Joan Hess, Ruth Henderson, Mary Rea and Mrs. Asa E. Wilson, Jr., wore matching

gowns in a rust color. The five attendants carried gold and brown-toned chrysanthemums.

The bride's niece, Alexis Alban, was dressed in white for her role as flower girl. She carried yellow roses.

Robert de Spelder was best man for his twin brother. They are the sons of Dr. and Mrs. Ray E. de Spelder of Yorkshire road.

Asa Wilson, Jr., Yorkshire Cardinal, Martin Beer and Robert Roy escorted wedding guests to their places.

A reception was held at the Detroit Golf Club.

For traveling, the bride donned a gray suit and black accessories. Upon their return, they will make their home in Birmingham.

Ann Kamper Marries Dr. John M. Lesesne

Wedding in Grosse Pointe Memorial Church Followed by Reception in Green Room at Pointe Yacht Club

Seven attendants, wearing jeweled crowns and princess creations, set the coronation theme for Ann Elizabeth Kamper's wedding, as they preceded the bride up the aisle for her marriage to Dr. John Mitchell Lesesne, Grosse Pointe Memorial Church was the scene of the 8:30 o'clock ceremony on Friday evening.

The bride daughter of Mr. and Mrs. Carroll M. Boutell of Ridge road, wore a white satin princess gown with high waistline and a full cathedral train. Fine white Venetian lace ruffles sprinkled with iridescent paillettes made up the gown's bodice and formed short puff sleeves. A dainty coronet of pearlized orange blossoms held the bride's full length veil of nylon tulle, and she carried a round bouquet of white butterfly orchids.

Identically gowned, the attendants wore white floor length taffeta gowns which swept into great fullness in back, and wide stoles of shocking pink taffeta. Shocking pink forget-me-nots centered with brilliants formed their crowns.

Mrs. Wilbur Boutell and Hillary Whittaker, the honor attendants, carried sprays of white larkspur. Blue larkspur sprays were carried by the bridesmaids, Nancy Chapman, Mrs. Thomas N. Hubbard, Joan Robinson, of Bloomfield Hills, Hester Northrop, of Middlebury, Conn., and Mrs. Bruce Squiers.

The bridegroom, son of Mr. and Mrs. Olney Halston Lesesne, of Charlestown, S. C., had Dr. Duncan Sellers, of San Francisco, for his best man. Ushers included Dr. Harry Foerster, Dr. Jere Bauer and Dr. Jack Folsom, all of Ann Arbor; Owen Chamberlain, Eugene Johnson and Jack Steel, of Charlestown, and Henry Newman, Jr., and Dr. Burney Huff.

A reception followed in the Green Room of the Grosse Pointe Yacht Club. The couple will make their home in Ann Arbor, where Dr. Lesesne is resident physician at the University Hospital.

When the newlyweds left on a wedding trip to Quebec and Mt.

Tremblant, the new Mrs. Lesesne was wearing an accordin pleated skirt and jacket of navy and white sheer, with a white straw hat banded in blue velvet.

Priscilla Engel August Bride

Dr. Louis L. Belk of LeMars, Iowa, officiated at the marriage of his niece, Priscilla Ruth Engel, to Douglas S. Judd Jr., in the Salem Lutheran Church, Saturday, August 8, in an evening ceremony. The Rev. Theodore J. Pretzlaff, pastor of the church also officiated.

Priscilla is the daughter of Mr. and Mrs. Arthur Engel of Harvard road. The bridegroom is the son of Mr. and Mrs. Douglas Judd of Wyandotte.

The bride wore a gown of white nylon and lace over satin. A crown of pearls and sequins held the bridal veil. Her bouquet was a white orchid with stephanotis.

Mrs. Lawrence Healy Jr., sister of the bride, was the matron of honor. Bridesmaids were Mrs. Russell McCloy and Lenore Misch. They were gowned alike in aqua nylon net and carried pink daisies.

Following dinner in the Harvard House, and a reception in the bride's home in Harvard road, the couple left for a trip to Higgins Lake.

Engagement Announced At Family Gathering

Mr. and Mrs. Frank Bastone of Holiday road revealed the betrothal of their daughter, Frances, to Sam Manzella at a family gathering in Port Huron.

The prospective bridegroom's parents are Mr. and Mrs. Nick Manzella of St. Clair avenue.

Parties Honor Engaged Couple

Molly Kerr gave a cocktail party Friday in her Touraine road home to honor Richard Ronald Kuhn and his bride-elect of August 21, Dorothy Ann Wood.

The Country Club was the scene of a Tuesday luncheon and kitchen shower with Joan Dryden as hostess. Pat Tousey of Berkshire road feted the bride-to-be on Wednesday at a luncheon and pottery shower.

Alice Jane Hooker is planning a garden luncheon and linen shower for Friday at her home on University place. Mrs. Francis Peck will entertain on August 18 at the spinster dinner in her Vernier road home. The following day, Mrs. Peck and Nancy Ruedemann will be co-hostesses for a luncheon and shower in the Ruedemann residence on Three Mile drive.

Parents of the couple are Dr. and Mrs. Wilford C. Wood of Seminole avenue, and Mrs. Leo Warren Kuhn of Faircourt road, and the late Mr. Kuhn.

Mrs. Kuhn will give a dinner party at Hawthorne House after the wedding rehearsal. Guests will first attend a cocktail party hosted by Mr. and Mrs. William R. Hamilton III in the Renaud road home of Mr. Hamilton's parents.

Thompson-Bird Wedding Held

An Eastern motor trip followed the Saturday noon marriage of Mary Arline Bird and T. Neale Thompson in Christ Church, Grosse Pointe. A family reception and breakfast at the Detroit Athletic Club immediately followed the ceremony.

The bride, daughter of Mr. and Mrs. Charles Elmore Bird of Sunningdale drive, chose a beige rajah silk suit for her wedding. Her accessories matched the suit and she carried a bouquet of deep red orchids.

Josephine Collins was the only attendant. She wore a rust shantung suit and carried yellow fall flowers.

The bridegroom, son of Mrs. M. Maria Thompson of Wisconsin avenue, asked Robert Schmidt to be his best man. Charles S. Bird, the bride's brother, ushered.

Susan Duckett to Return Soon from South America

The William W. Ducketts of Moran road are awaiting word of the return of their daughter, Susan, who has been in South America for the summer.

In June, Susan took a Norwegian freighter for a leisurely trip to Rio. Next, she flew to Santos, where she was met by her uncle and aunt, Mr. and Mrs. John Fouse. The trio then traveled to the Fouse home at Sao Paolo in the mountains.

Susan will make the return trip via freighter too.

Mrs. Edward Bohoslav

The former PATRICIA ELIZABETH PATTEE, daughter of Mr. and Mrs. Walter Emerson Pattee of Nottingham road, who was married on August 8 to the son of Mr. and Mrs. Edward Bohoslav of Dayton, O.

Dick Hoskins Wed on Coast

Recently returned from a Carlsbad, California, honeymoon are Mr. and Mrs. Richard Emerson Hoskins, whose late June wedding took place in San Diego.

The bride is the former Josephine Marilyn Molina, daughter of Mr. and Mrs. Conrad B. Molina of Yuma, Arizona, and the bridegroom is the son of Mr. and Mrs. William Robert Hoskins of Berkshire road, Grosse Pointe Park.

They were wed June 27 at the United States Naval Training Center Chapel by the Reverend Father Leonard White, and were attended by Miss Geraldine Daugherty, as maid of honor and the bridegroom's brother, Robert, as best man.

Their nuptial mass was said by the Reverend Father White, Naval Chaplain, in an attractive chapel setting of all white decorations and was attended by a small group of family and Arizona and California friends, among whom were Mr. and Mrs. Gordon J. Plourde and family, Mrs. William Graham, Mrs. Joseph Tursky, James Martes, Mrs. John Nichols, Joseph H. Lipscomb, James P. Smith, and Gerald J. Daugherty.

The wedding breakfast, served in the Regency Room of the U. S. Grant Hotel in San Diego, was followed by a reception in the Glenfield road home of Mr. and Mrs. John Nichols.

Mrs. Hoskins attended the University of Arizona and San Diego State College where she majored in Elementary Education. Dick Hoskins, now serving in the Medical Department of the U. S. Navy, was a student in Assumption High School and St. Paul's, Grosse Pointe, and was enrolled at Antioch College when he left to join the Armed Services. He saw Navy service in the South Pacific, before being stationed two years ago at the Naval Hospital and Training Center in San Diego.

The bridegroom's mother and brother vacationed in San Bernardino and Mission Beach before returning home in late July when they brought the news that the young newlyweds plan a Grosse Pointe visit over the Thanksgiving season at the Hoskins' Berkshire road home.

Barbara Rose's Betrothal Told

Barbara Jane Rose is the bride-elect of Brian Van Mols, son of Mr. and Mrs. Pierre M. Mols of Rosedale Park.

The engagement is announced by Barbara's parents, Mr. and Mrs. Howard J. Rose of Mt. Vernon road.

The pair plan an early October wedding at Christ Church, in Grosse Pointe.

Picnic Planned By Garden Club

The Grosse Pointe Woods Garden Club will hold a pot luck picnic on Saturday, August 15, at 4:30 p.m., at the lake front park, to which husbands of members will be honored guests.

The men always look forward to these affairs and believe the women of the Garden Club should also refer to their organization as the Good Cooks Club.

While at the park, members will have an opportunity to view the landscaping being done around the bath house, which is being accomplished under the sponsorship of the club.

Patricia Pattee Bride Of Edward Bohoslav

Ceremony Held in Newport, Ark., Followed by Honeymoon Trip Through Southwest; Couple to Live in Galveston

A double ring ceremony on August 4 united in marriage Patricia Elizabeth Pattee, daughter of Mr. and Mrs. Walter Emerson Pattee of Nottingham road, and Edward Bohoslav, of Galveston, Tex. The First Methodist Church in Newport, Ark., was the scene of the afternoon wedding.

The bride was given in marriage by her father. Her gown was fashioned with Chantilly lace bodice, scoop neckline and Empire waistline. The skirt of voluminous nylon tulle over taffeta extended into a train. A lace Juliet cap held her fingertip veil of illusion and she carried a bouquet of white butterfly orchids.

Violations Drop In Park

The Park Police Department report submitted to the council on Monday, August 10, revealed that during the 1952-53 fiscal year, traffic violations misdemeanors and court cases took a substantial drop.

Traffic violations during the past year numbered 4,842, as compared to the previous year's figure of 5,146. Local court cases dropped from 600 to 495, and state cases, from 29 to 25.

The Detective Bureau reported the handling of 89 felonious cases as compared with 130 of last year. Misdemeanor complaints numbered 127, the same as in 1951-52.

Stolen property recovered in 1951-52 amounted to \$54,924, while in the past fiscal year it was \$43,273, a reduction of \$11,651.

There were 91 adult arrests made, a cut of 63 cases over the previous year. Juvenile cases recorded were reduced 15 percent.

Traffic schools were conducted, lectures and visual traffic school programs were presented in the two Junior High Schools and in the Grosse Pointe High School, twice a month, with an attendance totaling 1,235 persons.

Cadillac

"That Makes 14 New Ones on This Street!"

In one small area in a certain American town, fourteen new Cadillacs were delivered during the early weeks of the recent spring.

One of the new owners gave a party for the other thirteen—presumably to discuss the virtues of their wonderful new cars.

We suspect it was a most congenial gathering—for Cadillac owners have many splendid things in common.

First of all—taking them by and large—they are exceptional people. For the most part, they are men and women who have held to high standards of achievement for many years. They have a common feeling for the finer things in life. And they have a sound sense of values.

But—despite what so many mistakenly believe—they are not necessarily blessed with an abundance of this world's goods.

For a Cadillac is a practical car to own—and is a splendid selection for the family of moderate means.

The following established facts must surely prove this to be true:

- there are twenty-two models of other makes of American motor cars which actually cost more than the lowest-priced Cadillac!
- a Cadillac will travel many more miles on a gallon of gasoline than you could ever logically expect from a car of its size and stature!
- a Cadillac is so dependable and long-lived that it is just about as economical to service and maintain as any car you could buy!
- and, finally—according to authentic used car evaluations—a Cadillac may be expected to return a greater percentage of its cost at the time of resale than any other car built in America.

In view of all this, it is no cause for wonder that fourteen wise and practical people, residing in a single small neighborhood, should have taken delivery of new Cadillacs during the fleeting weeks of a northern spring.

The wonder is that more people don't buy Cadillacs. For when a car combines so much quality and beauty and comfort and practicality—with such outstanding over-all practicality—it is a very wise choice for a very great many people.

Maybe it's the car for you. If you think it is, you are most cordially invited to come in and see us today.

Park Fire Losses Sharply Reduced

Park fire losses showed a marked decline in the last three years, an annual Fire Department report to the council on Monday, August 10, clearly showed. The department responded to 293 alarms in the past fiscal year, as compared with 259 of the previous year. Of these 19 were maliciously false and 21 were unnecessary. Total property and fire losses amounted to \$15,150. Losses in the previous year totaled \$24,000, and in 1951, \$26,000. The total fire loss per capita in 1950-51 was \$1.75; in 1951-52, \$1.60; and last year it was reduced to \$1. New equipment has been purchased, more inspections made, men drilled in up-to-date fire-fighting methods, which resulted in improved conditions and a decrease in fire losses.

Cause to Be Proud

The cool nights and nigh unto frosty mornings which have been with us lately may have something to do with the turning of our thoughts towards the nearness of the opening of another school year. The fact that we attended a meeting of the Board of Education the other night doubtless had much more to do with this awareness of just what a public school system can mean to a community.

The meeting had to do with the awarding of bids for the construction of a new elementary school building in Roslyn road, and the perusal and discussion of plans for the new auditorium-gymnasium which will be erected on the High School campus.

A news report of this meeting may be found on Page One of this issue, but we felt compelled to fill this space with a few of the thoughts engendered by the latest of our ever-pleasant contacts with the officials who are responsible for providing the educational facilities which the Pointe enjoys, and of which it should be most proud.

Pride can often sink its roots into pretty barren soil, but here we have great fertility which has borne many blossoms.

Semi-annually, ever since we started publication some 13 years ago, we have been privileged to put into print the records made by the young students who have been graduated here and have gone on to colleges and universities from coast to coast in search of higher learning. Invariably they have been outstanding, and invariably they have made us a little more impatient with the very infrequent criticisms we have heard of our local system.

If one youngster who had been graduated from Grosse Pointe High School had done something phenomenal at the college of his or her choice, we might put it down to genius and forget it with a polite but unenthusiastic clap of the hands. But when the records show a comparison of performance between large groups from myriad institutions and we find the Pointe students way up on top of the list, we want to shout our congratulations . . . not only to them, but to the whole system which made such records possible. And we want to slap down the few critics who erroneously claim a boy or girl can't get a good foundation for college in the Pointe's public schools.

To us, such a statement simply means that the ranter's son or daughter was either below par in intelligence, or the parents had been lax in their duties. Parents have a definite obligation in this matter, and if, instead of seeing to it that Johnny spends the required amount of time on his homework, they allow him to take the family car and avidly pursue his self-selected social diversions, they shouldn't blame our educators when he flunks a course or two. The faculty can't be responsible for a lack of discipline at home.

The high percentage of honor students at colleges all over the nation, who have gone directly from Grosse Pointe High School, is ample testimony that a fine preparatory foundation in education is available here for all who seriously want to be educated. It is a record that will stand up against that of any other school, public or private, in the entire country.

We are proud of the school officials and teachers, past and present, who have built up this reputation, and who continually strive to better the record.

We are proud of the parents and non-parents who have supported the public school program by voting their approval of bond issues which have enabled the Grosse Pointe school system to keep adding the necessary facilities as increasing population has threatened a deterioration of the established standards.

We are proud of the very active Parent-Teacher associations whose programs augment the teamwork between faculties and families. We are deeply grateful for the Mothers' Club and the Dads' Club and for the inspiration which these organizations provide for the students, both scholastically and in extra-curricular activities.

We are particularly proud of the youngsters themselves. We like the way they avail themselves of the opportunities afforded them and the way they express their gratitude for all that is provided. We like the way they handle themselves on the athletic fields and at their social events. We admire the methods with which they discipline those who get out of line and threaten to besmirch the record which they have compiled.

Put them all together . . . students, faculty, administrators, parents, active supporters and just plain friends . . . and you have a great team. As long as they play together and work together, accepting and studying all of the mutual problems which are constantly presented, the future will remain bright.

Grosse-Exaggerations

A. PRYOR

"I think that to have known one GOOD old man . . . one man who, through the chances and rubs of a long life, has carried his heart in his hand, like a palm branch, waving all discords into peace, helps our faith in God, in ourselves and in each other . . . more than many sermons."

(George William Curtis)

Midsummer Madness: What goes with bugs and insects? Although our house is tightly screened, we are plagued by a cacophony of buzzes, wheezes and whirrs the minute our bedroom light has been turned off. Because of Ruffy the wild cat and Mr. Charles Dickens, we are unable to use those potent bug sprays on the market, but we must admit the cats do their share of taking care of the situation. They act as "spotters" so that we can move in for the kill.

Just like a bird dog, Ruffy will spot a mosquito and defend him with his eyes all over the room. He has often attempted to attack one on the ceiling but he found this didn't work very well! Now he points them out and we go to work with the fly swatter. Last night we bagged two mosquitoes, a hard shelled black bug, a spider and a moth. Not a bad haul for one evening! But we still like to know where they come from. One thing we DO know is that they don't like the kitchen, pantry, livingroom, library nor even the guest room. Just our bedroom.

That's where they gather nightly waiting like jungle beasts for us to fling our tired body into bed and "outen" the light . . . then, sadists that they are . . . they start buzzing about the room . . . gently at first . . . then louder and louder until we are stark raving mad, at which time they decide to attack. It is a sorry business and Pryor is a beaten out, tired sad sack.

Before we leave the bug department we should like to go into the killing of weeds. WAY last spring a gardener friend of ours suggested that the neighbors might be tired of looking at our lawn. Some people look for four leaf clovers and find them. We spent our time looking for blades of grass on the lawn and found very few. So all right, we called a small landscaping outfit and invited them (for a large spend) to rid us of all weeds. They accepted the invitation for the following day.

Ten days later we called to ask where they were and were told their machine had broken down but that they would be on the job in a week. That was two and a half months ago. HOWEVER, now that fur coats and velvet hats are being shown in the shops, the de-weeder company arrived TODAY. They took one look and asked if we didn't want to tear everything up and just start all over. It seems we have everything BUT grass; dandelions, ragweed, chicory, scallions, clover and chives. Here and there one can spot a patch of spinach and some mint . . . but no grass.

The little man allowed as how it would cost a pretty penny to rid us of weeds since that is all we have . . . but we threw caution to the winds and told him to go ahead. Maybe NEXT year we'd have a lawn just like normal folks. They started to work and got about a quarter of the yard done when the machine broke. They piled it in the truck and took it away and that seems to be that. Between weeds and bugs and flies and heat and thunder storms . . . we'll take January, February and March. What we want is lots of snow and ice . . . red noses, hot toddys, fireplaces going full blast and a white mink coat from Robert's.

The "little" people who look at the bigshots and say: "Gee she has just about EVERYTHING" . . . might be surprised to know that quite often, part of the "everything" is borrowed! Also, all the finery doesn't come from Tiffany's! For instance, recently we attended a meeting, (as local correspondent for the great Grosse Pointe News), and present at the gathering were some well-heeled women whose names make news in the society sections. One woman was wearing a most attractive afternoon dress that looked like a million dollars to us. We overheard one of her friends compliment her and ask where she got it. Madame replied, laughingly, that she picked it up in a small shop downtown for \$19.50!!! OUR \$19.50 dresses look like ninety-nine dollars and fifty cents. Maybe it's just who wears em.

Our society reporter tells us she covered a ball some years ago, and in writing up one of the chicly gowned ladies, she commented (to the woman) on her stunning earrings. They were turquoise and matched EXACTLY a flower in the print dress. The woman confided to her that she hunted everyplace to get earrings to match . . . and the ones she was wearing came from the Five and Ten!

Another time, our gal reporter whipped through the receiving line at a wedding, in search of column costume fodder. As she was standing about with all ears flapping, she heard one guest compliment another on her ensemble . . . part of which was a darling natural straw hat trimmed in narrow velvet ribbon and tiny veil. The wearer of the hat announced that she had borrowed it from her upstairs maid because it went with her dress better than any SHE owned herself!

And along the same lines, just last week a rich-as-Croesus local woman told us she borrowed a pair of earrings from her hairdresser to wear to a formal party . . . because they matched her frock better than her diamond jobs!

Letters to the Editor

Dear Sir:

Referring to your recent news report on a meeting to approve widening Fisher road.

"Safety" should be the first consideration in widening and repairing Fisher road.

At present this narrow highway makes it necessary for autos to drive "Wrong Side" of the road continually when passing parked cars, also when using private driveways and particularly when turning corners at "Stop" signs. It was a surprise to me to read from your article that the householders' only complaint seemed to be the appearance of their front lawns after widening the roadway. My understanding is that lawns will not be seriously affected.

Widening Fisher road in the interest of "Safety First" should be acted upon promptly and residents on both sides of the roadway should be canvassed.

Yours truly,
R. E. Fielder,
657 Fisher road,
Householder.

To the Editor:
Each time I attend a town meeting in one of the G. P.'s I wonder why more of my neighbors are not on the job each month listening to what their "rulers" are doing to/for them. This letter could be headed "Tips for Taxpayers" and I could give many. Let's start in G. Pte. Woods:

1. Bigger and better subdivisions but no bigger and better sewers.

2. More paved roads at taxpayers' direct and indirect cost when and where the subdividers want them and regardless often of owner opposition. (Witness the recent E. street debacle. A farce wherein the tyrant aped a democrat. Do 55 opposers out of 77 . . . or 55 against 1 mean anything? Apparently not, because a new development wants to come in!)

3. Did you know all further 2 family or income houses were banned for Grosse Pointe Woods . . . and when? Did you follow the release of land on Vernier-8 Mile this last year on new 2 families? Did you care or weren't you an owner on Lower Vernier who has his zoning changed from 2 to 1 family, to stick?

4. Did you know other subdivisions where lots were income, have a recent ruling changing them, though titles still read income?

Do you know who limits the maintenance fund for cleaning and conditioning your swimming pool as your children use it? What are you doing about it? What did you do for the budget to begin with? Or do you have any say about it?

Did you know that the neighbors who take in boarders are "cheating" in their "single private family zones." Many roomers never use the pool or park or schools, but their presence adds up involvements for water and sewer pumps and quotas, fire and police . . . and the taxpayer at large and the village he builds up has no benefit though the shortcutter has plenty, in his pocket . . . Do you care?

Have you ever been to the . . . station in flood sieges? How good are they and how . . . in the city allot to . . . mums or maintenance.

nearer deeper sewers? Have you thought beyond your neighbor's flooded game room in his good or bad, new or old house?

Do you know about the latest parking wrinkle in the apartments?

Why are certain lots being changed for lot use and so published in the paper? Where are they? Why should this be? Who will benefit?

For Parents Of Adolescents By Fred Kopp, R. Ph. Development during the period of adolescence is rapid and the boy or girl needs ten or more hours sleep each night and often a nap during the day. Posture must be carefully watched. Youngsters who spring up in height quickly have a tendency to slouch and unless corrected may never develop good posture. Parents of the adolescent are constantly faced with problems they are not certain how to solve. Here again your doctor can be of valuable assistance. He understands the physical and mental changes at this age. His counsel will prove most reassuring. Pointe-Harper Woods Area Now Has Four Polio Cases

Polio struck four times in the Grosse Pointe - Harper Woods area last week, according to a report received from Dr. Thomas S. Davies, head of the Grosse Pointe Health Department.

Harper Woods reported three victims, one adult and two children; a 16-month-old baby was stricken in the Woods.

The Woods case is the first reported in the Pointe since last year.

"Members of the family of persons infected with polio are immediately given an injection of gamma globulin," stated Dr. Davies. "So are persons who work for or who have been in contact with the victim at least 24 hours."

However, he added, this does not give permanent immunity. One injection he said, gives im-

unity from four to six weeks. Practically everyone has polio germs, he explained, but the human body is so constructed that it manufactures its own gamma globulin, and when a person reaches the adult stage, he is pretty well immune.

"An injection of gamma globulin creates what is known as passive immunity," Dr. Davies pointed out further, "nevertheless, it is an important step in the prevention of paralysis from polio."

He said that at the present time it is impossible to inject the whole population in this area with the serum, as is being done in some parts of the country, because of the limited supply allocated to Wayne County. The present supply must be given only to victims and those who come in contact with them.

Young Tourists Guests of Stars

Upon the invitation of Rock Hudson and Barbara Rush, the 55 boys now touring the West with Chet Sampson, spent a day last week on location in Moab, Utah. Rock and Barbara are the stars in Universal-International's new movie, "Son of Cochise."

Barbara's husband, Jeff Hunter, who is a star at Twentieth Century Fox studios, helped to entertain the group and served as their guide on the movie sets.

The experience gave the boys a first-hand opportunity to see how a movie is made. The scenes witnessed included many battle scenes with Indians and the military police.

The movie is being made in Arches National Monument, an area of fantastically-eroded red rock featuring many spectacular arches.

The three stars were guests of the group at dinner the first evening and then participated in a campfire program. They have invited the boys to be their guests when they reach Hollywood.

Jeff Hunter was a guest of the girls for four days when Chet's Girls trip visited Yosemite National Park last month. Jeff has now accepted the invitation of the boys and girls to attend their annual reunion to be held in September in Grosse Pointe.

The boys left Grosse Pointe in seven station wagons on August 1. They will visit 14 states and seven national parks before they return on September 6.

BY APPOINTMENT ONLY

Eventually traffic will be so heavy that the only way we can travel on a main highway will be by appointment.

Jacobson's Presenting Fred Block's Fashions

The rapport an artist feels for beauty imbues his creations with an indefinable quality that makes them irresistible and long lasting. Designer Fred Block has that rapport. Through his fine talent for fashion design he manifests his love for beautiful fabrics, artistic line, subtle color harmony and superb taste.

For 30 years the Chicago couturier has been creating distinctive dresses and ensembles for America's discriminating women. Each season he takes time to visit the metropolitan cities and meet the women who are devoted to his designs. This gives the designer a cross-country picture of feminine figure types and their fashion needs.

American Inspiration
When asked if he seeks inspiration in Europe, Mr. Block replied, "It isn't necessary to leave America for inspiration. All the

best fabrics from England, Scotland, France and Italy are imported and those I use are confined to my collection.

"Many of the textiles inspire a design but I never know what will inspire my next idea. It might be the color of a theater program, a sunset through lacy trees, something on the street or even a color of a leaf in a Mexican garden."

Copies Leaf's Colors
Block said he had once carefully tucked a tiny leaf in an envelope and carried it from

Mexico back to his block-long factory in Chicago where his sketcher copied the color and texture so that an exclusive fabric could be made from the sample.

In the advance fall collection which Fred Block will introduce at Jacobson's, on Friday, August 14, from 10:30 a.m. to 4:30 p.m., the elegance theme is especially prominent. He emphasizes Forstmann's wools and imported novelty tweeds and is a specialist in beaded embroideries.

He predicts for the coming fall season — the fitted look, mould-

ing the body, combining styling for the tall as well as the short. A rounded collection appealing to a wide variety of women who love subtle well-tailored lines made in an elegant manner. In round the clock selections—from afternoon to cocktails.

SINGERS TO BE FEATURED
Jacqueline Murphy, lyric soprano and Fred Kendall, popular tenor will be featured in a special program on the evening of Friday, September 4, when the International Platform Association holds its 51st Annual Convention and Chautauqua Week Program at Lakeside-On-Lake Erie, Ohio, August 30 through September 5.

MSC Professor's Book Hailed as "Landmark"

A book by a Michigan State College professor which traces conservative thinking from Burke to Santayana has been hailed by American reviewers as "a landmark."

Author of the important new work is Russell Kirk, a native of Plymouth, Mich., and assistant professor of the history of civilization at M.S.C.

Of "The Conservative Mind," published this summer, Fortune magazine said it is "a landmark. It has appeared at a moment when a kind of political and social conservatism is re-emerging in the U. S."

in-law and sister, MR. and MRS. JOHN BUILDER, of Aniston, Ala. The Builders and their three sons were house guests of Mrs. B's mother, MRS. WILLIAM BRUCE HOWARD of East Jefferson avenue for a fortnight.

From Oceanside, L.I., MR. and MRS. ALFRED ENTENMAN came on Friday to see their new granddaughter, SUZANNE CAROLYN SPEER, who was born July 2 to their son and daughter-in-law, the RICHARD A. SPEERS (MARTHA JOHNSON) of Riverside drive. The Entenman's were houseguests of the baby's other grandparents, MR. and MRS. C. BAYARD JOHNSON of Merriweather road.

DR. and MRS. CHARLES F. DODENHOFF of Vendome road, with JEAN and PETER, have returned after a three-week motor trip through New England, the White Mountains, Quebec, the Soo, and a stopoff at their Bennett Lake cottage.

MR. and MRS. JOHN HERRMANN of Kenwood court and their sons, TONY and EDWARD, will be at their Wawatam beach cottage on the Straits of Mackinac until Labor Day.

MR. and MRS. PAUL DEELEY and their children, LOUISE and FRED, recently returned to again make their home in Grosse Pointe, this time on Vernier. Two years ago the family left their home on Country Club drive to move to Lima, Ohio.

MR. and MRS. GEORGE T. HIGGINS of Somerset road announce the July 16 birth of their daughter, JULIE MARIE. Mrs. Higgins is the former MARILYN REES.

MRS. HENRY P. WILLIAMS stopped briefly at her Provincial road home after vacationing in Glen Arbor, Mich., before taking off again for Toronto to attend a meeting of Associated Country

Women of the World.

The WALLACE S. MacKENZIE of Yorkshire road drove to Glen Dune Lodge Camp, Port Franks, Ont., last weekend to pick up their granddaughter, THAYER MACKENZIE. She is the daughter of DR. and MRS. EDWARD P. MACKENZIE of University place.

MRS. CHARLES H. HODGES, JR., of Cloverly road is visiting this week in Petersham, Mass.

The DAVID C. GILLIS and THOMAS J. LITTLE III families of Meadow lane both have summer homes at Pointe aux Barques. Messrs. Gillis and Little were weekend guests of their sons, BRUCE and TIM, at Camp Nissokone, near Oscoda.

MR. and MRS. CHARLES L. COOKE of Hawthorne road recently returned from a 10-week vacation in Munsokka, Northern Ontario.

DR. and MRS. W. FREDERIC SCHREIBER of Three Mile drive will be at the Huron Mountain Club for the remainder of the month. Their daughter, ANNE, is currently on a tour of Europe.

MR. and MRS. ARNOLD G. BUCHHOLZ who have been guests of MR. and MRS. LLOYD BUCHHOLZ of Hampton road for the past five weeks, have returned to their home in Sioux Falls, South Dakota.

PARK POLICE MATRON GRACE McCRACKEN has returned to work after a two weeks vacation at White Oaks Lodge, Muskoka Lake, Mich. Her two sons, TOM and BILL accompanied her.

ANN Will of Hillcrest road recently left for an extended visit with LILLIAN Betts of Ivor, Virginia. Ann's former roommate at Virginia Intermount Junior College.

MR. and MRS. CHARLES SWENSON, of Norfolk, Va., announce the birth of a son, GREGORY DOUGLAS, on August 5. Mrs. Swenson is the former DOROTHY CUTTLE, of Montreal. MR. and MRS. C. Q. SWENSON of Lincoln road are the infant's grandparents.

Mrs. Cyril J. Edwards Hostess to Pointe Trio

Mrs. W. Dean Robinson of Provincial road and Mrs. Pewett Dwyer of Merriweather road, accompanied by Mrs. Charles C. Crendon, set out for a week's fishing at Georgian Bay on Sunday.

The trio are staying with Mrs. Cyril J. Edwards of Provincial road who has a fishing camp on Kakissowin Island in the bay.

From Another Pointe of View

(Continued from Page 6)

it she pulls such fripperies as island berries to redden her nails and lips... This part of the play is Alice and Wonderland-ish... Loved it...

Then there's been the Agatha Christie thriller, "The Mouse Trap"... Never heard of any of its players but am sure you'd agree they compare with our own Cornells, Hayes, Ahernes etc...

The Pointe doubtless has many Graham Greene fans... His new play, "The Living Room" is written all on the black keys... Serious, tense theater... at times making you wonder if the Irish don't love tragedy more than the Russians...

Palace Peeking

We joined the Palace Peekers at Buckingham with reward of seeing Philip, Duke of Edinburgh, get a lusty cheer from the English crowd as he set out to keep a luncheon date with British business men...

Saw Bonnie Prince Charlie and his golden-haired sister, Princess Anne, take off with two nurses for a drive through St. James Park...

We were dutiful about the Changing of the Guard... and enjoyed tea on the terrace of the House of Commons with Brigadier Christopher Peto and Mrs. Peto, (She up from their home, Kenwith Castle near Bideford, North Devon)... and young John Payton, one of the Queen's counsels...

Breezes from the Thames swept across the terrace as Mrs. Peto, a charmer, poured tea... and the huge English strawberries cuddled in their thick cream, certainly showing off for an American visitor...

We'll always remember our gracious and personally conducted tour with Brig. Peto the distinguished guide. (He's colonel of the Queen's Lancers and Queen Mother Elizabeth is honorary colonel. His grandfather who was a member of Parliament, designed the great Parliament building...)

Saw the young Elizabeth's signature made the day of the Coronation on the document which proclaimed her Queen of England... as well as the signature of England's first Elizabeth... It was a walk with history...

And the beautiful young woman could easily have been seated on the throne she occupies to open Parliament... so vividly did our host tell of the proceeding which he had attended...

Thence solemnly, to Westminster Hall... where King George VI, and this year his mother, Queen Mary, lay in state...

Junior Carleton Club

Our English welcome, as warm as the weather has been cheerless, included luncheon with a young man from Oxford. His is the Junior Carleton Club... standing across the street from its senior counterpart which was bombed out during the war...

Winston Churchill is a member of the senior club; (naturally we dashed to No. 10 Downing Street even though its precious occupant is recuperating at his country place, Chequers)...

Our luncheon was right out of Margery Sharp, E. M. Delafield, P. G. Wodehouse, Angella Thirkell... maybe Trollope or Priestley...

We started with sherry—lush, too... and ended with a digestive biscuit which sounds alarming but proves to be a thin, sweet cookie like arrowroot... The maitre, as all English maitres, wore his war decorations on his livery... makes you misty-eyed and proud for England...

Dutiful Tourist

And just before we take off over the Sea to Holland (from where five hapless Schermehorn brothers set sail for the New World in 1619) we might add we've been dutiful...

Did the Tower of London (They never would have been called Beef-Eaters in modern England... even Simpson's in the Strand cuts the last of its daily joint a half hour after opening! Instead you order Surrey Chicken... or is it Sorry Chicken?)... St. Paul's... Westminster Abbey, closed for dismantling after the Coronation... Many of the decorations in London still up though... Stokes Poge... Windsor Castle... Nell Gwynne's cottage... Old Curiosity Shop (they sell Chinese cloisonne!)... Eton etc...

We hope there'll always be an England... leaving here a more solid Anglophile than ever... the English men are invariably stunning and well-groomed and beautifully mannered... Love their silk hats at mid-day... gray tail coats and gray toppers at 9 a.m... bowlers all over the place...

They're great hearted people... and struggle along today, without whimpering, with little money, few luxuries, hard work...

L'Envoi

But we do wonder WHY all their menus are written in French... In fact, we find the English quite conscious of their over-the-channel neighbors.

One night at dinner we sat next to two very, very English women... It was one of those formal, dimly-lit dining rooms with little fringed pink lamps on every table... One of the old dolls wore a priceless veiled ermine scarf and her hat looked like pink spun sugar decoration on a cake. As they dawdled over coffee, (coffee, did we say?), the younger remarked,

"I say, darling, I like the idea of dining in a hat like the French do, don't you?"

Someday we'd like to tell you all we remember of that conversation... including the young woman's recital of her nightmares. Lucifer appears to her!

But now... there's that date with the windmills.

Meeting at Center Held By Detroit Garden Club

Members of the Detroit Garden Club met yesterday for luncheon at the Grosse Pointe War Memorial. Mrs. Orville O. Tex of Hampton road was hostess.

Assisting the chairman were Mrs. Charles K. Cooper and Mrs. Edsen W. Morrison. Mrs. William J. Yeager spoke on "Flowers from Your Garden."

Huvaeres Attend Reunion Of Artillery Battalion

Mr. and Mrs. Jerry Huvaere and their son, Richard, of Belanger road, have just returned from Jamestown, N. Y., where they attended the third reunion of the 49th Artillery Battalion of the 10th Armored Division. The next reunion will be held in Detroit next July 23-25. Mr. and Mrs. Huvaere will be the hosts.

Bride-Elect Joan Doyle Honored by Judy Huetter

On Saturday afternoon, August 8, Judy Huetter, daughter of the L. C. Huettters of Hawthorne road, entertained 12 of her former classmates of St. Mary's Academy, Monroe, at a luncheon and shower at the Lochmoor Club, honoring Miss Joan Doyle of Chandler Park Drive, who will be married August 22 to John A. Betti of Chicago, at St. Matthew Church.

Pat May of Bronxville Feted on Pointe Visit

Pat May, of Bronxville, N.Y., has been visiting in the Pointe before returning to her hometown. While she was the guest of the Jerome C. Earls in their Cadieux road terrace, Mrs. Earl entertained for her at a dinner party.

Events Planned To Help Opera

The Women's Committee of the Grand Opera Association met last week at the DAC to arrange teas and luncheons to stimulate interest in opera performances this coming season. Committee chairman is Mrs. Frank W. Donovan of East Jefferson avenue.

Vice chairmen serving on the committee include Mrs. John

Lord Booth, Mrs. Miles M. O'Brien and Mrs. Jack E. Schafer. Reuben Ryding has been appointed business manager.

"Madame Butterfly" will open the season on November 10. "Rigoletto," "La Boheme," and "Die Fledermaus" will follow. An innovation this year will be the presentation of two completely modern versions, "The Consul" and "Cinderella." The former is the Menotti drama adopted by the New York City Opera Co., after it had been very well received on Broadway.

quent of stephanotis centered with a white orchid. Honor maid Marjorie Pattee and bridesmaids Linda and Gay Grumbles were identically gowned in pale pink ankle length frocks of nylon tulle with satin sashes. Betty Umsted, junior bridesmaid, and Jeannie Hosley, flower girl, also wore pale pink dresses of matching material. The attendants had crown headpieces of pink tulle and carried bouquets of pink carnations. The bridegroom, whose par-

ents are the Edward Bohoslav, of Dayton, O., asked Paul Bohoslav to be his best man. Usher were Charles Bowman, Milton Umsted, Jr., O. Thomas Beesley and Ernest Voss. A reception in the church parlors immediately followed the wedding. The couple will make their home in Galveston. For traveling, the new Mrs. Bohoslav chose a tailored left green Dacron suit and white accessories. They will honeymoon in the southwestern states, visiting Nevada, Colorado and Texas.

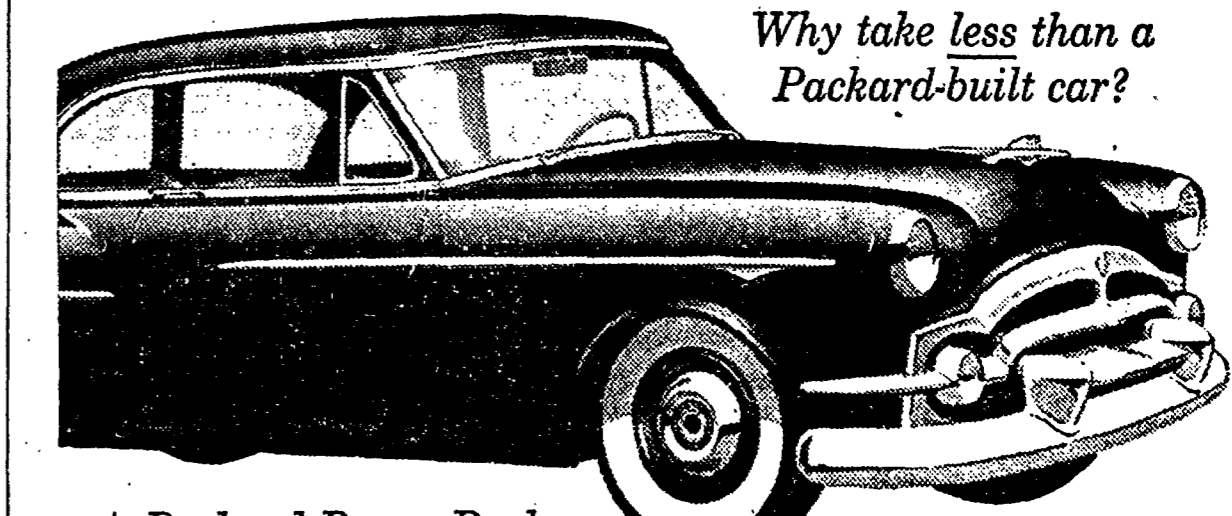

Another Group of Pointe Girls Attends Camp Cavell

Girls from the Grosse Pointe area who arrived at Camp Cavell on Lake Huron on Saturday were: Susan Toepel, 212 Moross; Pamela Smith, 302 Mt. Vernon; Cathy Smith, 283 Merriweather; Barbara Lekich, 1713 Broadstone; Penny Lee, 376 Chalfonte; Judy Jewett, 1723 Hawthorne; Linda Firth, 254 Ridgmont; Marcia Ward, 1445 Devonshire; Diane Martin, 1007 Berkshire; Joan Hamann, 20021 Holiday; Nancy Brady, 910 Lakepointe; Jane Boyles, 1915 Van Antwerp; Nancy Reif, 1001 Torrey road; Kay Kenn, 896 Lincoln; Carol Hutchins, 620 Washington; Barbara Boyles, 1915 Van Antwerp.

Staying over for another camping period and on hand to greet the newcomers were: Gail Kitchen, 301 Roosevelt; Susanne Elington, 2048 Norwood; Lanier Gray, 282 Cloverly; Diane Longyear, 552 Cadieux; and Jean Searies, 17185 E. Jefferson.

MANY DETOURS A reformer claims civilization is under construction—perhaps the reason why we have to detour around it so much.

Gil Pingree's 'Red Head' Wins Its First Yacht Race

The local week-end vikings are saying "Pingree's 'Red Head' finally became a bride". That's the sailors way of saying a yacht won her first race.

It was in the Inter-Lake Yachting Association's 70-mile Deep Water race from Grosse Ile to Put-In-Bay last Saturday, August 8, that Pingree and his crew captured the top honors from Nubby Sarns' "Revelry" by 26 minutes and 22 seconds after the handicap corrections had been figured.

Beats "Revelry"
"Red Head," a 65-foot yawl, slipped across the finish line off Lonz's dock at 10:30:52, which was one hour, twenty-two minutes and fourteen seconds ahead of the 45-foot "Revelry" which was the second boat to finish.

There were only three boats in the Cruising A race but it was a knock-down, drag-out affair all the way with the winner in question right up to the finish. Bob Neesley's re-rigged schooner, "Malabar" challenged "Red Head" all the way down the first leg from the Detroit River light to Southeast Shoals light, in the light following breeze and then turned in a remarkable job on the wind to Kelly Island, which was the second mark of the course.

Hit By Squall
All this time "Revelry" was hanging on doggedly and when she got her break with a peachy dandy squall right on the nose between Kelly and Ballast Islands she moved into contention for first place honors. It was at this same point of the race that "Red Head" got her break too. She chopped through the heavy seas without a tack until she got to Ballast Island and then broad reached to the finish line a mile away. "Revelry" was forced to tack four times to cover the same distance in the variable wind. However, she overtook "Malabar" in the last nine miles to clinch second place. "Malabar" was the fourth boat to finish. Douglas Wake's sloop, "Trig," only starter in Cruising B, crossed the line third, at 12:18:25.

"Meteor" Wins Again
Hank Burkard's mighty mite, "Meteor," topped the Cruising C division in the race directly from the Detroit River light to Lonz's dock, beating Jack Cullen in "Albacore," a Pilot sloop. Carlisle "Doc" Wilson in his borrowed six meter "Bo Ve" (Ernie Hahnemann owns her) was nipped by one second by Dick Sullivan's 30-square meter "Starling," but won the racing division trophy on corrected time.

Harold Mistelet's 22-square meter "Meteor" was the winner in the Cruising D division.

Scots to Hold Annual Picnic

The St. Andrew's Society of Detroit will hold its 104th annual Highland Games and Picnic at Bob-Lo on Thursday, August 20. Boats will leave at 9 and 10 a.m. and at 1 p.m. from the foot of Woodward avenue. Ferrys will operate all day from Amherstburg.

There will be 30 Highland dance and bag pipe competitions. Other special features will be caber and weight throws. The Detroit Police Teams will compete. Races and novelty events will be held for children and women in all ages.

The feature event of the day will be the crowning of the Tartan Queen who will reign at all St. Andrew's events for a year. Judge Ralph W. Liddy is in charge and will be assisted by judges from newspapers and radio.

St. Andrew's Soccer Club is arranging with other clubs for soccer competition.

The Detroit Highlanders Bagpipe Band under the direction of "Scotty" Wood will lead a parade from St. Andrew's Hall, 431 E. Congress to the boat starting at 8:30 a.m. They will play at the boat, on the boat and on the island.

Josephine Mitchell Wed To Thomas Mellon Evans
Josephine Schlotman Mitchell, daughter of Mrs. Joseph E. Schlotmann of Lake Shore road, and the late Mr. Schlotman, and Thomas Mellon Evans, of Sewickley, Pa., exchanged nuptial vows Friday noon. The Rev. Eugene Kinley officiated in the Marble Collegiate Church in New York.

Mr. Evans is the son of the late Mr. and Mrs. Thomas Mellon Evans, of Pittsburgh.

Warning Given To Boat Owners
A special detail of Michigan State Police has spent the last week visiting shoreline areas in the state to give a friendly warning to boat owners to comply with the license tax law before a check-up on delinquents begins Monday, August 10.

It is estimated there are 20,000 boats subject to the tax, but up until July 24 only 5,240 licenses had been issued.

The tax applies to boats 16 or more feet in length. Exempt are boats propelled solely by muscular power or detachable outboard motors and those operated on inland lakes having neither a navigable inlet or outlet.

The check-up is being made by the State Police at the request of the state waterways commission, which receives all of the revenue from the tax for the improvement of navigation facilities.

Failure to have a license is a misdemeanor punishable in justice court by a fine up to \$100 or 30 days in jail.

The licenses are issued in marine areas by branch offices of the secretary of state and some marine dealers.

During the first several days following the announcement enforcement action would start August 10 there were many inquiries, but only a mild increase in sales and most of these were in the Detroit area. Elsewhere in the state not too much concern was being shown, but it was expected sales would show a spurt as the deadline neared.

Charm is easy to acquire—just learn how to make the other fellow feel important and there you are.

Excess Speed Is No. 1 Killer

Michigan's No. 1 traffic killer—too much speed, continues to be the subject of emphasis by the law enforcement agencies throughout the state according to the Grosse Pointe Chiefs of Police.

As the program enters its 6th week more and more drivers who fail to cooperate with the safety program are discovering that there is a speed law in Michigan and that the police are apprehending traffic violators who exceed the posted speed limits or drive too fast for conditions.

Check-Your-Speed, the safety tip posted on signboards is a part of the state-wide program sponsored by the State Safety Commission and the Michigan Association of Chiefs of Police. "Most motorists are cooperating on the program," the Chiefs said.

who, where and whatnot

Handsome luncheon trio: Mrs. J. Milton Setzer, at the Grosse Pointe Yacht Club, looked lovely in a duobonnet cotton sheer, set off by velvet buttons and belt . . . Mrs. Edson W. Ivey wore a white navy-dotted sunback with removable jacket, and Mrs. Cecil J. Rush chose a beautiful white linen frock with black scroll embroidery edging neckline and sleeves . . .

The C. Henry Buhls, who will board the Queen Elizabeth August 17 on the first lap of a European jaunt, are being feted at a round of parties these days . . . Party hosts include Dr. and Mrs. John B. Hartzell, the George Johnston, Mr. and Mrs. C. Hascall Bliss and the Harley Earls . . .

Fanciful theme of the shindig on Saturday night required each guest to wear a headress depicting a song . . . ideas were ingenious and the sky was the limit! . . . Alvan Macauley pasted photostatic copies of some of his bills to a stovepipe hat for "Just My Bill" . . . Another top-hatter, David Rust, had "Libra" lettered to the front of his chapeau . . . That's the zodiac sign for September . . . and of course, his choice was "September Song" . . .

Mr. and Mrs. John Woodhouse selected "Yes, We Have No Bananas" . . . so each had a record atop his head and on the record were apples, celery, scallions and other edibles mentioned in the well-known recording . . . Count Cyril Tolstoi was chic in a beautiful big, white "Sombrero" for the song of the same name . . .

Large cut-out paper owls and question marks adorned the headpiece of Hascall Bliss to indicate "Who?" . . . Mrs. Hartzell made up a cute little wire arrangement spotted here and there with Ritz crackers for "Putting on the Ritz" . . . NOBODY ever did find out what the host's headress represented, so he stood on his constitutional rights and refused to tell them . . . 'twas a beret contraption with pin-wheels fastened to it and a sailor standing in the rear waving two flags???

PILFERINGS

On a radio quiz show over station CFBC in Saint John, Canada, a housewife at home was struggling vainly to answer the telephoned question. The announcer stalled and stalled but finally had to say, "Well I'm sorry . . ." Just then the housewife blurted out the answer.

"Was that a guess?" asked the announcer. "No," she replied. "A perfect stranger just opened my front door and yelled in the answer."

It is the custom among Oklahoma Indian tribes for the baby sitter to keep the child awake during the parents' absence. The child knows then, they reason, that his parents are thinking of him by having someone take care of him.

Local baby-sitters will breathe a sigh of relief that they have no such bargain in their contract to take care of Junior while Mom and Pop step out.

There must be a morbid streak somewhere in our nature because we keep bumping into the FUNNIEST epitaphs. Here's one 17th century gem written for a Puritan locksmith:

"A zealous Lock-Smith dyed of late,
And did arrive at heaven gate,
He stood without and would not knocke,
Because he meant to picke the locke."

The second specimen is more modern but scarcely less humorous:

"This is the grave of Mike O'Day
Who died maintaining his right of way.
His right was clear, his will was strong,
But he's just as dead as if he'd been wrong."

Hotels, despite much ingenuity, have never solved the problem of lost keys. Patrons continually check out without returning their room keys.

The Park Central in New York at one time demanded a one dollar deposit on a key, and gave two dollars when the key was turned in. Even this reward resulted in no appreciable difference in key losses.

All day the weary elevator operator had been patiently answering questions the department store shoppers had thrust upon him.

Just before closing time, a voice from the rear of the crowded car asked, "Suppose the elevator cables broke, would we go up or down?"

Unable to compose himself any longer, the operator snapped, "That, my dear lady, depends entirely upon the kind of life you've been leading."

Pointer of Interest

WALTER HOOVER OF LORAIN ROAD

by Kitty Marriott

Eighteen-year-old Walter Hoover is not only a rowing champion, but he is a gentleman as well. Patiently and politely, he answered endless questions for a reporter who is scarcely on speaking terms with the business end of a pair of oars, much less with the technical aspects of sculling.

California-born Walter, who started rowing at the age of 13 when the family lived in Henderson, Nev., comes naturally by his love of the strenuous sport. The senior Walter Hoover was three-time winner of the national rowing championship and 1922 world champion. He won the coveted Diamond Sculls in competition at Henley, England. For the past two years Mr. Hoover had coached the Detroit Boat Club sculling teams, but settled down this year to just coaching his son.

Plenty of Practice
Young Walter is now in his sixth year of rowing and his third with the Detroit Boat Club. The bronzed lad figures he averages 35 practice hours of rowing per week, about 90 minutes in the morning and three hours in the afternoon. Indeed, when we arrived for this interview at 9 a.m., he had already been at the Boat Club for his morning's workout.

In his first three years of rowing, Walter won two Pacific Coast lightweight championships. A June graduate of Grosse Pointe High School, he is the only one ever to win the national High School Singles Championship for four consecutive years.

Went To Olympics
In 1951, he won the Canadian High School Nationals and the Canadian Junior Singles crown. Possibly the greatest thrill in his long list of achievements was winning the 1952 Olympic doubles trials in Worcester, Mass., with Pat Costello, of Highland Park. The sculling duo then flew to Helsinki, took part in the Olympic events and remained a month to see all of the athletic contests.

With Walter rowing in the singles this year, the Detroit Boat Club won the Governor's Trophy and Senior Day Trophy in the Central States Regatta early in July. At the Nationals in Philadelphia July 18-19 and the Canadian Nationals at St. Catharines, Ont., on July 23, he came off with more honors.

Wins More Honors
He captured the Association Singles title, which is the national senior championship, and the High School Singles for Grosse Pointe High. Rowing bow while Bob Walker stroked for GPHS in the doubles, he won the Canadian doubles championship.

Mrs. Hoover and daughter Joanne, 15, who complete the family circle, are also rowing enthusiasts and the family manages to attend many of Walter's out-of-town rowing events.

Four handsome trophies on the Hoover living room mantel give a fair clue to the family's interest in rowing. Walter has a good-sized collection of award medals, since the club under whose name he sculls generally receives the larger trophies.

Now Choosing College
His fall plans involve college orientation, either at Syracuse University or Florida Southern in Lakeland—both schools, of course, are known in rowing circles.

Asked the perfunctory question about his other interests, Walter gave a sly grin and replied, "There's not much time for anything but rowing."

Great jumpin' catfish! Even a sports-ignorant society reporter should realize that cramming 35 hours of rowing into a week makes it a full-time hobby!

Local Kids Seen In D.A.C. News

The story of Little League baseball in the Pointe is graphically told in story and picture form in the August issue of the D.A.C. News.

An elaborate spread of seven pages has been devoted to the movement which proved so popular in the Pointe this year.

For the convenience of local residents, the Detroit Athletic Club has sent a supply of copies of the magazine of Roland Gray's Racquet and Sports Shop at 108 Kercheval avenue. They sell for 25 cents each.

Judge Goodrow Hears 13 Cases

Cases tried in Municipal Court by Judge Don J. Goodrow on Saturday, August 8, included the following:

Leo Ganci, 1110 S. Renaud road, Grosse Pointe Woods, speeding on Renaud road, was fined \$15.

Thomas S. Piazza, 5210 Coplin, Detroit, speeding on Renaud road, was fined \$15.

William Osbeck of 800 N. Oxford road, Grosse Pointe Woods, speeding on Oxford road, was fined \$15.

Frederick Hofmann of 22010 O'Connor, St. Clair Shores, speeding on Mack avenue, was fined \$15.

Harbin H. Wilks of 6405 Sylvester, Detroit, speeding on Mack avenue, was fined \$19.

William J. Ryan of 22808 Carolina, St. Clair Shores, speeding on Mack avenue, was fined \$27.

Neil A. Greiner of 10619 Lanark, Detroit, speeding on Vernier road, was fined \$20.

Michael D. Abate of 941 Lochmoor, Grosse Pointe Woods, speeding on Vernier road, was fined \$20.

Alan S. McCartney of 917 University, Grosse Pointe, making an improper turn, was fined \$5.

William C. Bartley of 19611 Woodland, Harper Woods, was convicted of reckless driving. He was also charged under a new ordinance wherein it is a misdemeanor for a minor to have possession of alcoholic beverages in a motor vehicle. He paid a fine of \$35 and was sentenced to serve two days in jail.

Charges of causing an accident against Ernestine Piontkowski of 2693 Casmere, Hamtramck, and Robert Rowe of 15054 Cruse, Detroit, were dismissed.

Edwin Lamunyan Murray and William O. Hazlett, both of 1225 Howard street, Detroit, were arrested on Mack avenue at Fleetwood while in charge of a Salvation Army truck. Both pleaded guilty to drunk and disorderly conduct and were sentenced to serve ten days in the Wayne County jail.

Sergeant O'Dell of the Woods police checked with Detroit police and discovered that a man of the same name as Murray, including the odd middle name and answering to the exact description of the prisoner, was wanted by the FBI for draft evasion. His fingerprints were sent to Washington where the FBI will determine if he is the man they are looking for.

MOLDED SHRIMP SALAD

Contributed by Mrs. Bert H. Wicking

1 envelope gelatin
½ c. cold water
1 cake of cream cheese
1 can condensed tomato soup
1 c. mayonnaise
1 c. cucumber, cut in chunks
1 c. celery, chopped fine
½ c. onions, chopped fine
3 c. shrimp

Salt and pepper.
Soak gelatin in cold water. Heat soup and pour over gelatin mixture. Add cream cheese and let cool.

Add other ingredients, breaking shrimp into pieces.
Grease salad bowl or mold with mayonnaise. Put mixture into mold. Place in refrigerator and chill until firm. Garnish with greens before serving.

Martha Noble Wetherbee To Wed on September 12

Mr. and Mrs. R. Noble Wetherbee of Barrington road surprised guests at a birthday luncheon at the University Club Saturday afternoon by revealing the news of their daughter's engagement.

Martha Noble Wetherbee and Alvin Carl Priehs, Jr., son of Mr. and Mrs. Alvin C. Priehs of East Jefferson avenue, are the engaged pair. They will be married on September 12 in Grosse Pointe Congregational Church.

HOUSEHOLD HINTS
If you have rust stains on white fabrics that can be boiled here is a sure trick—add four teaspoons cream of tartar to each pint of water. Boil your rust-stained articles in this solution. Then rinse well. This is the advice of clothing and textiles specialists at Michigan State College.

Women are getting tired of the half-bats which have been so popular in recent seasons. The gals want something more enveloping. Women's hairdos remain short . . . so the need for winter hats that provide covering for the head . . . and yet remain softly flattering. John Fredrichs probably had this in mind when he designed his deep cloche, which he aptly named, "Charmers." The cloche comes in velvet velours . . . crocheted felts. In this collection we noted styles with more height to the crown like pixy and Tyrolean silhouettes. And color is here to stay. There were thistle tones . . . the important pinks . . . a few reds . . . and orange that is so beautiful with all tones of brown. This John Fredrichs collection we saw in Jacobson's Millinery Department.

And because hair-dos remain short a long tassel dangles in front of the ear on each side. Most of the new jewelry is bold and impressive looking. We noted big round beads on double and triple strands . . . possessing large nubby danglers that resemble pendants . . . bulky pieces with an antique look. One of the most outstanding colors to go with your blacks was lee blue. Found in Jacobson's Jewelry.

Pointe Counter Points

She is a lady. She is fashion conscious. She wouldn't dream of wearing her new cocktail gown to market . . . she wouldn't wear her jaunty golf dress to cocktails at the Country Club . . . would she? Let's banish the thought. And here is the goods news . . . SHE doesn't have to wear "kitchen glasses" . . . to market . . . to sports . . . to business . . . to cocktails. Not NOW. For skirt and sweater outfits . . . Johnston's Optical So., on the hill . . . show plaid frames. Or maybe she'd choose . . . straw, yes straw . . . in Lucite. For gala afternoons . . . pink or blue posies, or half designs . . . she might prefer the palest of blue shot through with gold or silver. For enchanted evenings there is a wide choice like amber and gold . . . black and gold . . . or mother-of-pearl highlighted with brilliants of gold and silver . . . depending on her costume.

As far back as 1690 in the ancient city of Quimper, in France, the earliest kilns had their beginnings, by Jean Baptiste Bousquet. Most appealing through the years has been the peasant figures of the Bigoudens of Pont L'Abbe, with their curious high lace coif perched upon elaborately curled hair. The word Bigoudens derives from Bigoudi, the little wire hair-curler around which the Bigoudens, were accustomed to wind their tresses. The traditional simplicity of this famous jaencerie of the old type of Breton figure has stood the test of time and has a charming, old world influence on the user. These exquisite collector items are found on a special table at Jacobson's Home Decorative Shop, in the village.

In harmony with today's architectural and decorative trends are the Coronado bathroom accessories . . . really, they sparkle. There is the towel supply and shelf bar . . . tumbler and toothbrush holder . . . or the ash tray that is removable for use elsewhere, among others, at Frohm's, in the village.

The gloves we saw this week at D. J. Healy's lends further fashion impact to the shortie . . . even during a season that shows signs of a new upsurge in longer gloves. Typical of fresh techniques applied to pigskin, slated for you come fall, are the two-tone pigskin, and knit. They've unpacked two-tone Tyrolean knits from France, too. The color combination are wonderful . . . and too numerous to mention here. The honey-tan pigskin or buckskin; caif carry-all had a smooth soft-textured gleam. The strap is adjustable . . . swings from your shoulder or waist. It's the Spanish influence as it was imported from Valencia. The deep interiors of these bags are genuine leather and retail for around thirty dollars.
