COMMUNIST POLES and CZECHS ended their boycott of the neutral UN Repatriation Commission. The Reds called a boycott when the commission refused to force 22,400 balky anti-Communist Chinese and North Koreans to listen to Communist pleas at gun point. A meeting with all five neutral nations of the commission went on as usual, but there is no indication that the Poles of Czechs will resume their explanations to the prisoners, who steadfastly refused to listen to Red "explanation" teams about returning home.

ASSERTING he did not want to live with the Communists, Cpl. Edward S. Dickenson of Big Stone Gap, Va., became the first American prisoner of the Reds in Korea, to seek repatriation. He said Communism was not his belief, that he had his own beliefs and all he wanted at the present time was to return home to his father. In Big Stone Gap, his parents and mother said that no one in the community thought hard of their son for what he did, and that when he returns home there will be a community celebration.

THE STATE CORRECTIONS COMMISSION announced that its plans for building a prison camp near Interlochen have been permanently abandoned. The action followed vigorous protests by Dr. Joseph E. Maddy, director of the music camp, and the Federation of Women's Club. On the heels of the announcement concerning the camp, the commission revealed that it has named the first Negro in history, Leonard R. McConnell, 36, of Lansing, to the State Parole Board. The position was created under a law reorganizing the department under a commission.

THE FIRST full-scale atomic energy plant for peaceful use, will be constructed by the United States at either Oak Ridge, Tenn., Paducah, Ky., or Portsmouth, O., will take three years to build and will cost tens of millions of dollars. Thomas Murray, a member of the Atomic Energy Commission, stated that the Westinghouse Electric Corp. has been selected as the contractor and that Rear Adm. Hyman G. Rickover will be in charge of the plant once it is completed. The United States decided to embark on the development to beat the Soviet Union to the punch with an industrial power program.

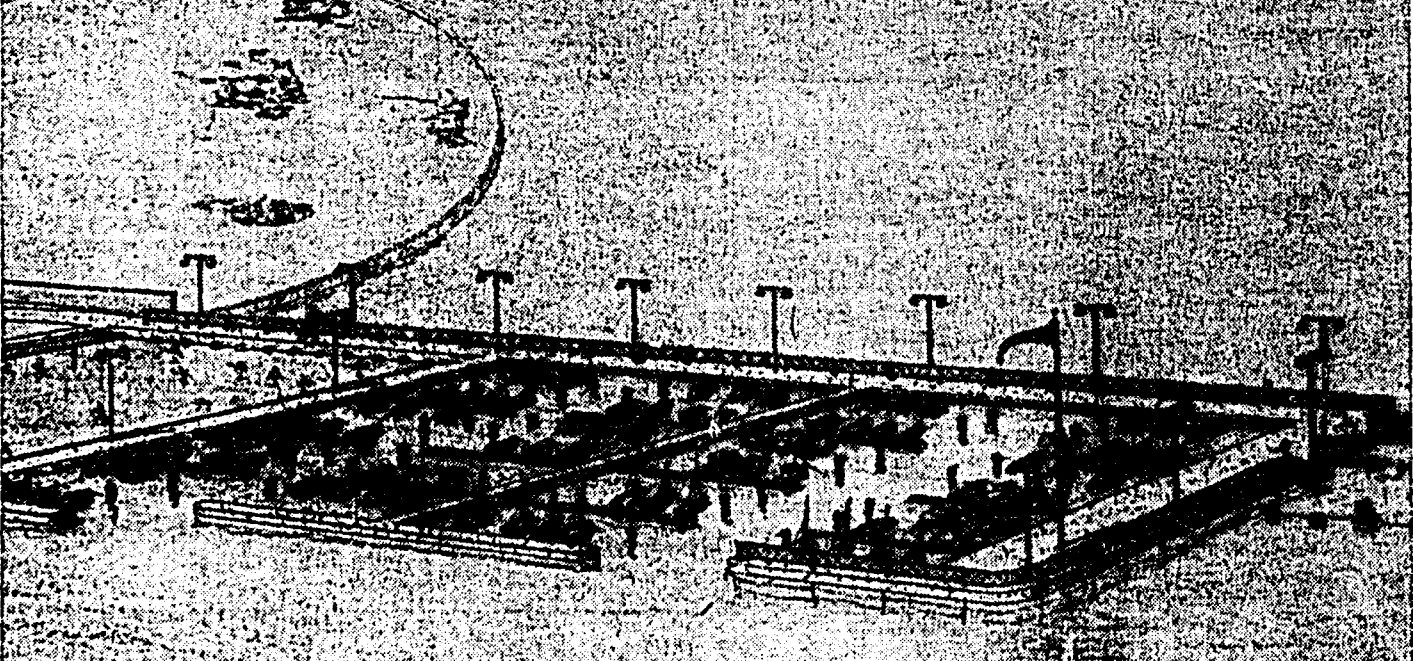

A MIAMI taxpayer was out to save money on his tax bill, even to a half of one cent. He took his bill to the tax assessor's office, complaining it was a half-cent too high. The assessor explained to the citizen, that on a fraction of a cent a full penny was charged. Not to be put off, the taxpayer asserted the county had more money than he and therefore should absorb the half-cent loss. A check of the statement sent showed that the man's total tax bill was 46 cents.

RUSSIA ISSUED ORDERS to all Soviet internal trade organizations to increase, by the end of 1954, domestic consumer goods distribution to about 72 per cent, so that the living standards of the Soviet people will be improved. The decree passed by the Council of Ministers and the Central Committee of the Communist Party, shelved the five year plan drawn up in 1950, which called for a 70 per cent increase by the end of 1955. Forty thousand new stores and 11,000 more restaurants and dining halls were ordered opened between now and 1956.

ONE OF THE LARGEST transactions in the history of the automobile industry, the sale of the Briggs Manufacturing company to the Chrysler corporation for \$35,000,000, was announced by Chrysler President L. L. Colbert. The purchase, which has been rumored off and on for years, will be completed within 60 days, if the Briggs Manufacturing company's stockholders approve. The sale includes all of the principal plants, machinery and equipment of Briggs, except the

Architect's Drawing of Proposed New Pier for City

A special ballot at the Grosse Pointe City election scheduled for Tuesday, November 3, will decide whether or not the City is going to have the new pier pictured above. Approved is being asked of a bond issue of \$235,000 to pay for improvements to the beach park. Since the big storm of March 22, 1952, the City has been without a pier, depriving the residents of adequate swimming and boat mooring facilities. Plans for the new steel and concrete structure have been prepared by Mason Brown's Sons.

\$2230 Cash Taken From Polen Market

Unlatched Door Apparently Made Job Easy One for Thief; Checks Missing

When Woods Police were making a routine check of the rear doors of stores on Mack avenue early Monday morning, October 26, they discovered the back door of the Alexander-Polen Meat Market ajar.

Mr. Alexander was notified and went to the store to lock up. He found out that a steel cabinet in his office had been pried open and \$2230.70 in cash was missing. There were also \$1170 in checks gone. There was \$19 in a desk drawer and 78 cents in a drawer in the cabinet which had not been touched by the thief.

Two throw-bolts which are on the rear door had not been latched, so there was no forced entry. Herman Alexander, owner of the store, requests that all persons who cashed a check at his store in the last week notify him. He states that these checks were stamped for deposit only to account of Alexander-Polen, and therefore are useless to the thief.

These checks will probably be destroyed and if Alexander does not receive duplicate checks he stands to lose the whole amount. Detective Abend, investigating the robbery was unable to find any fingerprints.

Seek \$284,000 For Torch Fund

The Pointe Torch Fund workers have already collected 29.3 percent of the \$284,000 allotted as the Pointe's share in the drive, Mrs. Raymond Brett of Lincoln road, reported at a luncheon held in the War Memorial Center, Tuesday, October 27. The amount collected, it was proudly announced, reached a total of \$83,000.

Store's Costume Jewelry Almost Delivered to Dump

Rubbish collectors of Grosse Pointe City's highway department unknowingly became costume jewelry collectors on Friday, Oct. 23, while in the process of doing their chores. City Assessor Neil Blondell called the police department to report that rubbish collectors had mistakenly picked up a large box of wrapped-up costume jewelry which had been left standing too close to a rubbish pile at the rear of the D. J. Healy Shop on Kercheval avenue.

Proposed Pier for GP City To be Voted on by Taxpayers At Election Next Tuesday

Project Which Was Defeated By Only 19 Votes 14 Months Ago to Be Submitted Again; Bond Issue Lowered to \$235,000

The City's proposed new lake front pier, which will be rebuilt as part of the community's overall improvement to its Municipal Park, provided voters approve a bond issue of \$235,000, will be practically indestructible, Grosse Pointe City Clerk Norbert Neff revealed.

Plans for the project have already been prepared by the engineering firm of Mason L. Brown and Son, which calls for a pier made of concrete and steel, and so constructed that it would withstand the ravages of high waves and the ice of Lake St. Clair. The entire pier would be built of new materials; no parts would be salvaged to be re-used in the project.

Old Pier Destroyed On September 10, 1952, taxpayer-voters were asked to approve a bond issue of \$260,000, whereby a new pier would replace the old one damaged by a storm late in March, 1952, and other improvements could be made. The old pier suffered 75 percent damage in the March 1952 storm, and at that time, Mr. Neff stated that repairs affected would be useless, and that a new one must be constructed in its stead.

The bond issue was defeated by 581 yes votes and 421 noes. The defeat was brought about by the fact that at least three-fifths of the votes cast must be in favor of the bond issue. The proposal lost by 19 votes. Only 1,002 votes were cast out of a possible 2,500.

Warning Issued To Pranksters

John Mazer, the City's newly appointed Commissioner of Public Safety, made it known that anyone, juvenile or otherwise, apprehended for turning in false fire alarms will be punished to the full extent of the law. He stressed that this measure must be taken particularly at Halloween time because pranksters, by turning in false alarms, jeopardize the lives and safety of the residents of the community and endanger their homes.

Seek Boat Ride; Land in Hospital

When four out-of-town men came to Grosse Pointe last Friday night, October 23, for a ride on their employer's boat, they got into trouble on Lake Shore road. Their car, a 1951 Chevrolet, driven by Maxwell Berry of Detroit, careened over the right curb in front of 1040 Lake Shore. Berry, along with passengers, Alton Clark, George Lienerth, and Rudolph Schumm, were taken to Saratoga Hospital by ambulances from the Woods and Shores.

Contractor Wins, Loses Arguments

Amendments to Sign and Rubbish Burning Ordinances Put Teeth in Woods Laws

Woods City Attorney Jules Berns informed the Woods council on Monday, October 26, that a check of state and local laws revealed that Ed Schultz, prominent building contractor, was within his legal rights in using a newly constructed building at 600 Hidden lane, as a temporary business office.

He said that the building at the Hidden lane address could be used as a temporary office, as long as Schultz is constructing homes in that subdivision and the office is restricted to that address.

Rodgers Notified Mr. and Mrs. Robert Rodgers of 621 Lochmoor boulevard, chief complainants against Schultz, have been notified of the findings by Woods City Manager Ray MacArthur.

However, the Rodgers' complaints regarding the too abundant signs on public property, and the burning of rubbish on public property by the contractors, bore fruit.

An amendment to the sign ordinance, prohibits more than two signs to be placed near a home advertised for sale, and signs have been limited to 24x30 inches in size. The signs can only remain on display from 10 a.m. to 9 p.m. daily. If additional signs are needed, a permit must be obtained from the city manager, upon whose discretion will rest the life of the permit.

GP City to Elect New Mayor, Three Councilmen Nov. 3

Polls To Be Open In Central Voting Place in Neighborhood Club From 7 A. M. to 8 P. M.; Four Officials Unopposed

Residents of Grosse Pointe City will cast their ballots for city officials next Tuesday, November 3. The election hours will be 7 a.m. until 8 p.m. at the central polling place, the Neighborhood Club, 17145 Waterloo avenue.

Present councilman Frederick W. Parker, Jr. will seek the office of Mayor, vacated by Ralph Netting present mayor, and in office for the past ten years. Parker's opposition will be D. Robert Colegrove of St. Clair avenue.

Three councilmen are to be elected for a term of four years. In the race is only one incumbent, Alonzo C. Allen of Lincoln road. The three other candidates are newcomers. Edward V. Luss of Lincoln road, Otto W. Pongrace of Neff road, and Leonard W. Montorf of St. Clair avenue, also seek election to the Council.

Councilmen John Kenower and Kenneth Bergmann will remain in office, as their tenure lasts another two years. Others Unopposed Other elective offices will be filled by present incumbents, who are unopposed: Norbert Neff of St. Clair avenue, City clerk; Neil Blondell of Rivard boulevard, assessor; Theodore G. Osius of Rivard boulevard, treasurer; and Charles Locke of Neff road, constable.

Baby Succumbs During His Nap

Ronald Houghton, the three month old son of Mr. and Mrs. Robert Houghton of Neff road, died Friday afternoon, October 23, while his parents were out of town. Ronald was staying with Mrs. Reginald MacArthur of 88 Stanton lane, a close friend of his parents.

Mrs. MacArthur and other members of the family were at home at the time. The baby had been in excellent physical condition and behaved like any normal infant when he was put in his crib for his nap. At 5:30, when he could not be awakened, the police were immediately summoned. Within minutes they were applying a resuscitator but Ronald would not respond. He was taken to Bon Secours Hospital and pronounced dead on arrival. It was determined that the baby died of anaphylaxis.

Ronald was the Houghton's first child. His mother is the former Anne Fletcher, daughter of Mr. and Mrs. Harry Fletcher of Charlevoix avenue.

STATE POLICE ARRESTS The Michigan State Police made 8,987 arrests during September of which 8,133 were for traffic and motor vehicle offenses, according to the department's monthly activity report. In addition, there were 332 juvenile cases.

DUS-CDS Groundbreaking Ceremony Set for Sunday

Ground-breaking ceremonies at 3 o'clock Sunday afternoon will mark the beginning of the big expansion program being undertaken by the Detroit University and Grosse Pointe Country Day combined schools. The ceremony will take place on the Cook road campus. The development project calls for the erection of new buildings which will allow both schools to occupy the same campus. The Board of Education has purchased the present Country Day School site in Grosse Pointe boulevard, and it will be turned over to the public school system as soon as the new quarters for the private institution are ready.

Plans Annual Celebration Of Halloween

Gala Events in Schools Arranged for All Youngsters in Entire Community

Halloween gaiety will reign in Grosse Pointe on Saturday night when parties sponsored by the Grosse Pointe Halloween committee will for the 14th year entertain private, parochial and public school children of the locality.

High School students will celebrate at Grosse Pointe High School, beginning at 7:30 and continuing until midnight. Pierce and Parcels will hold Junior High parties from 7:30 to 11 p.m. Elementary school parties are being held at Defer, Maire, and Trombly schools from 7 until 9 p.m.

Many Volunteers Many interested individuals and organizations have volunteered to make the 1953 parties the most successful to date. Entertainment will be varied to appeal to youth of all ages and interests.

Those who want to dance will find ample opportunity. At the High School, two bands—Al Ross and Fred Crissey—will provide music. Herbie Ross and his band will play at Pierce and Les Shaw will appear at Parcels.

Mr. Forrest Geary announces an extensive program of professional acts in addition to dancing. Puppet acts, marionettes, magicians, a ventriloquist, harmonica players, banjo and guitar acts, acrobatic dog, tap dancers, a cowboy ballad singer, fire dancer, xylophone player and unicycle riders have been obtained to appear at the various parties.

An evening of movies will also be available for movie lovers. At the High School, feature movies will be "Stars and Stripes" and "Retreat Hell." Shorts include "Three Arabian Knights" and "Too Many Wives." Pierce will feature "Back on Broadway" and "Harlem Globe-trotter" and shorts entitled "The Shot in the Escape" and "House Guest."

At Parcels, party goers will see "The Winning Team" and "Look Who's Laughing," and the shorts "Fast and Foolish" and "Baby Sitter Jitters." Assorted cartoons will complete programs at all schools.

Food At Cost Mrs. James Blashill's foods committee announces that food will be provided at cost at Junior and Senior High Schools. The list includes soft drinks, cider, coffee, hot dogs, tuna salad sandwiches, potato chips, doughnuts and dixie cups.

Trees Stolen From Nursery

The Findlay Nursery at Mack avenue and Cook road reports that it has had two trees stolen in recent weeks. Sometime during the evening of Friday, October 16, an Evergreen valued at \$32.50 was taken from the lot. Two weeks before, a Hawthorne tree, valued at \$17.50, was stolen from the back yard of the nursery.

Couple Battling Driveway Edict

Protests against an order issued by the City of Grosse Pointe were heard at the council meeting Monday night. Mr. and Mrs. George Taylor of 1817 Hawthorne are those protesting. They were informed that they must install a concrete or tarmac driveway approach alongside their home. A letter to the council, protested this order, stating that forcing the installation was a violation of constitutional rights and that the city was forcing them to install something that is not needed. City Attorney Jules Berns, acting on order of the council, drafted a letter to the couple which stated that they must comply with the improvement at their own expense and that if they do not, the city will install the driveway and assess them for the material and labor charge.

the city would be permitted to erect municipal buildings, or other structures necessary for the public health, safety convenience and welfare, when approved by the Board of Appeals.

The second amendment pertains to the size and number of advertising signs, in regards to the sale or lease of property. It restricts owners of the land for sale, to placing of one sign, not to exceed 35 square feet in size, on any one parcel of property.

The December 7 hearing is in regards to the vacating of a public alley lying between lots 119 and 120, extending westerly from Mack avenue to the alley lying west of and parallel to Mack avenue.

Arguments

(Continued from Page 1)

willful violation of the ordinance provision will subject the violator to a \$500 fine or 90 days in jail, or both.

Must Get Permits

As for the burning of rubbish by the builders or contractors, a permit must first be obtained from the fire department. A check of materials to be burned, will determine whether a permit will or will not be issued. This is to prevent creation of fire hazards and the smoke from becoming a nuisance. The fee for the permit has been set at \$1, and must be obtained each day material is to be burned.

If the fire department decides that no permit shall be issued, it is up to the builder or contractor to make provisions to have the rubbish removed before the final inspection of the premises are made.

Penalties Stipulated

Violators of this ordinance will be subject to a \$500 fine or 90 days in jail, or both.

City Manager MacArthur has been instructed by the council to send printed copies of the ordinances to the various contractors and realtors now operating in the Woods, to inform them of the change. In the future, those applying for permits to operate or build in the city, will be furnished copies of the laws.

Protest Raised By Architects

The Michigan Board of Registration for Architects sent a letter which was read to the Woods council on Monday, October 26, by City Manager Ray MacArthur.

The letter alleged that the city was in violation of the Michigan Registration Act, because the name of Ray Ponkey of 17415 Mack, not a qualified architect, appeared on plans of a building which the city authorized to be built. The name appeared with that of Severn Danilowicz of Grandville, Detroit.

The matter was straightened out by a letter to the Michigan Board in which it was explained that Ponkey was an employee of Danilowicz, a bona fide architect, and it was his architect's seal, not Ponkey's that was placed on the plans.

The plans in question were of the proposed municipal garage expected to be built at Marter road and Mack.

Prior to the reading of the letter, the council authorized Danilowicz to redraft plans for the garage and at the same time, they extended the time for acceptance of final bids for the project, from November 1 to November 16, at which time all bids will be general.

Crossing Guard Positions Open

Carl Buchbinder, 63, of 1436 Lakepointe, sought a part-time job with the Grosse Pointe Board of Education and is now a school crossing guard for the Park police department.

Buchbinder a resident of the Park for the past 30 years, wanted something useful to do to serve his community, and applied for a job at the Board of Education Building. He was informed there was nothing available, but that the Park police were in need of school crossing guards.

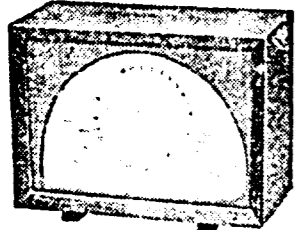

Although the job of a guard is usually assigned to women, there are no specific rules which state this, so Buchbinder was accepted as the first man so employed in the Pointe. He receives \$80 a month for the short time spent at crossings during school day.

Park Police Chief Arthur Louwers stated that the Park is still in need of more guards. Crossing guard uniforms are furnished by the police department and the pay is good. Anyone interested should contact the chief at his office in the Park Municipal Building, Maryland and Jefferson.

Callerys Plan To Leave For Home in Mountain View

Mr. and Mrs. William Callery Jr. of Mountain View, Calif., are the guests of Mrs. Callery's parents, Mr. and Mrs. Charles Wright Jr. of Beverly road. Mr. Callery joined his wife in the Pointe over the week-end for their first visit here in two years and their return is scheduled for this week-end.

The man who tries to dodge his civic duties usually finds the detour rougher than the road.

Woods Presbyterian Church To Hold Bazaar

Members of the Grosse Pointe Woods Presbyterian Church prepare for their annual Holiday Bazaar which will be held at the Church on Friday, November 13. Pausing to admire their handiwork are from left to right: MRS. JACK PEDERSON, toy chairman; MRS. CHARLES MULLIKEN, fair chairman; MRS. PETER ZAMBAS, co-chairman; and MRS. DALE BOYLES.

Brothers Stage Korean Reunion

Two Pointe brothers, both in the Army, who had not seen each other for more than a year, met while thousands of miles away from home, according to a letter received by their parents.

Sgt. Paul F. and Pfc. Anthony Matarak, sons of Mr. and Mrs. Beshara Matarak of 1238 Three Mile, wrote in a joint letter to their parents that they recently met in Seoul, South Korea.

Paul has been in Korea since February of this year, and a month later, Anthony was also sent there. A letter from the parents was sent to Paul stating that his brother was stationed near Seoul.

Paul, who was only a two-hour ride away from Anthony's base, obtained a two-day pass from his superior, and before long the brothers were united. They wrote a joint letter, telling their parents the good news.

Anthony, a graduate of De LaSalle High School, Detroit, has been in the service since July 5, 1952; Paul, a Grosse Pointe High graduate, joined in August 15, 1952.

The East Side Group of Chi Omega will have a dessert meeting on Wednesday, Nov. 4 at 8 o'clock, in the home of Mrs. E. F. Kramer of Colonial Court.

Mrs. Gerald Shartz of Broadstone road is chairman of the meeting. Reservations will be taken by Mrs. Robert Marr of Lakeland Avenue.

The program for the evening will include a speaker from the Franklin House.

Dr. Robert Ward To Give Lecture

Dr. Robert Edward Ward, political science professor of the University of Michigan will speak on Wednesday, November 4, at 7:45 p.m. at the Grosse Pointe War Memorial Center, on "Korea, Formosa and the Recognition of Communist China."

Doctor Ward has specialized in Far Eastern affairs since 1939. His knowledge of the Japanese language and familiarity with Japanese government and politics were useful to his country during World War II—as he served with the United States Navy.

In 1950, Doctor Ward held a Social Science Research Council Travelling Fellowship in Japan and spent this year residing in various rural sections of Japan, studying local government, political attitudes and practices and investigating the impact of the occupation upon the people of Japan.

His publications include "Pearl Harbor—Keystone to East Asia," "Patterns of Stability and Change in Rural Japanese Politics," and a "Guide to Japanese Reference and Research Materials in the field of Political Science."

Mothers' Club Sponsors Play

"Goodbye, My Fancy" will be presented Thursday evening, November 12, at 8:15 o'clock, by the Pointe Players at the High School Auditorium, under the sponsorship of the Mothers' Club of the High School.

The play will be presented Friday and Saturday evenings also, but the Mothers' Club has always underwritten the Thursday evening performance for a dual purpose. It provides an adult audience for the Pointe Players, and the proceeds from the sale of the tickets provides additional money for the Scholarship Fund.

"Goodbye, My Fancy" has been produced successfully in New York and Hollywood, and those attending the local performance will be assured of a highly delightful and entertaining evening. Tickets may be purchased from Home Room Mothers, or by calling Mrs. Gordon Cameron, TU. 2-8223.

Woman's Club To Hold Party

The Grosse Pointe Woman's Club will hold its first monthly bridge party of the 1953-54 season at the War Memorial Center on Wednesday, November 4.

The bridge games will be held regularly throughout the season on the first Wednesday of each month, with play starting promptly at 12:45 p.m. and ending at 4 p.m.

Mrs. E. M. Braden, chairman, announced that prizes will be awarded to winners at each party and at the end of the season, for the highest accumulative scores. All members of the club are invited to participate in this activity. A charge of 75 cents will be made at each party.

U. of M. Pledges To Clean Camp

University of Michigan fraternity pledges are gathering step ladders and paint pails. They will join the sorority pledges in journeying out to the University's Fresh Air Camp for Underprivileged Boys in the first project of their community services program.

For five days (Nov. 2-7), the camp will be a beehive of activity as the pledges clean up the grounds and paint the cabins to do their part in helping underprivileged children.

Another highlight in the fall schedule for the pledges will be a November 12 banquet honoring the 500 new pledges. A trophy honoring high scholarship will be awarded to last year's pledge class with the highest average.

Since 1845, fraternities have been on the U-M campus. Today they number 43 houses with 2,000 active members.

The recently pledged fraternity members from Grosse Pointe include: William J. Adams, 305 University, Sigma Alpha Epsilon; Richard D. Anslow, 286 Kenwood court, Chi Psi; Philip W. Beach, 281 Kenwood court, Beta Theta Pi; Dennis C. Beran, 896 Rivard, Delta Kappa Epsilon; George H. Denison, 188 Kerby road, Delta Theta Pi; Michael Clifton Edward, 21519 Kingsville road, Theta Xi.

Also: Kurt Ewand, 364 Hillcrest, Theta Delta Chi; Henry G. Gildner, 484 Lincoln, Chi Phi; Angus G. Goetz Jr., 121 Lewiston road, Alpha Delta Phi; Geoffrey C. MacGlashan, 395 Rivard, Delta Kappa Epsilon; Robert J. Mahoney, 9200 Lakepointe, Sigma Alpha Epsilon; Walter E. Pear, 267 Lewiston, Delta Kappa Epsilon; Robert W. Dr. Wylie Wins Music Honors

Dr. Ruth S. Wylie, daughter of Mr. and Mrs. C. R. Wylie of Kensington road, has recently been awarded a Fellowship in musical composition by the Huntington Hartford Foundation located at Pacific Falls, California.

Miss Wylie has taken a leave-of-absence from her position on the Faculty of Music of Wayne University and will spend the next six months concentrating on her work in musical composition.

The foundation estate is situated in an extensive canyon 22 miles north of Los Angeles and five miles from the ocean and is surrounded by the Santa Monica mountains.

The resident Fellows include sculptors, painters, writers and other creative artists. Each has his or her own individual cottage designed by Frank Lloyd Wright, the famed architect. Every luxury and comfort has been provided and an atmosphere of peace and serenity is maintained conducive to the fostering of creative art.

Students to Tell Views on Traffic

Neil Hansen and Dale Preston, Grosse Pointe High School 11B's, will discuss traffic problems at the Teen-Age Traffic Safety Conference, sponsored by the Ford Motor Company, on Friday, October 30 at the Edison Institute in Dearborn.

This is the first assembly to be held in the Metropolitan Detroit area for the purpose of solving teen-age traffic problems.

The driver training class chose Neil and Dale to represent Grosse Pointe High School. The conference will be attended by two students from every high school in the metropolitan area.

Each representative will be assigned to one of six panel discussion groups, which will debate six different phases of teen-age traffic safety.

A luncheon will be served, courtesy of the Ford Foundation.

Ferguson to be Speaker On "Meet the Future"

Michigan's Senator Homer Ferguson, Chairman of the Republican Party Policy Committee in the United States Senate, and log-time leader in the drive to develop the St. Lawrence Seaway, will appear on "Meet the Future," over WWJ-TV, Channel 4, at 6:00 p. m., Saturday, October 31.

Sponsored by the Detroit Trust Co., the half-hour television panel will feature five members of Junior Achievement of Southeastern Michigan, Inc., interviewing Senator Ferguson on the Seaway project.

Ferguson, as a member of the Senate Committee on Foreign Relations, helped introduce the St. Lawrence Seaway bill before the Senate in January of this year.

The St. Lawrence Seaway would make possible the development of the Great Lakes area as an international waterway, and provide for power development which would harness the tremendous hydro-electric resources of the St. Lawrence River.

Under terms of the January, 1953 bill, Canada and the United States would participate jointly in developing the seaway, but due to lack of legislative action on the bill in the Senate, Canada is now proceeding with plans for the development without this nation's participation.

New Chrysler Deluxe Has 235 Horsepower

Smart new lines mark the 1954 Chrysler New Yorker DeLuxe series, powered by the new 235 horsepower Fire Power V-8 engine. The models are offered in a choice of six-passenger sedans, club coupes, special Newport club coupes and convertible coupes. They feature Power Flight transmissions and power brakes as standard equipment. Power steering is optional. The new models may be seen at Fisher Record Motor Sales, 15000 Kercheval, and at Wally Auch, 23650 Van Dyke.

Theater's Play Resumes Friday

The Grosse Pointe Community Theatre's, "Chatrand" which drew a large crowd for its first showing, the latter part of last week at the War Memorial Center, is full of mystery and surprise from beginning to end.

William Merrill, director of the Will-O-Way Theater in Broomfield Hills, is the professional director of the Pointe group presentation, and has a wealth of professional experience behind him.

The play which will run again tomorrow, Friday and Saturday, October 29-30-31, is appropriate for this time of year, Halloween. Everyone is invited to attend. Tickets may be purchased at the War Memorial Center.

Two Cars Tangle On Mack Avenue

Charles Robert Gunn of 5252 University, Detroit, was driving his new Plymouth east on Mack avenue on Monday, October 19, when he was cut off by a green Chevrolet sedan.

He was forced to swerve into a lane of parked cars on the south curb, striking the rear of a 1950 Buick owned by Barbara Saunders of Cleverly road.

There was no damage to the Saunders car but an estimated \$300 will be needed to repair the Gunn car.

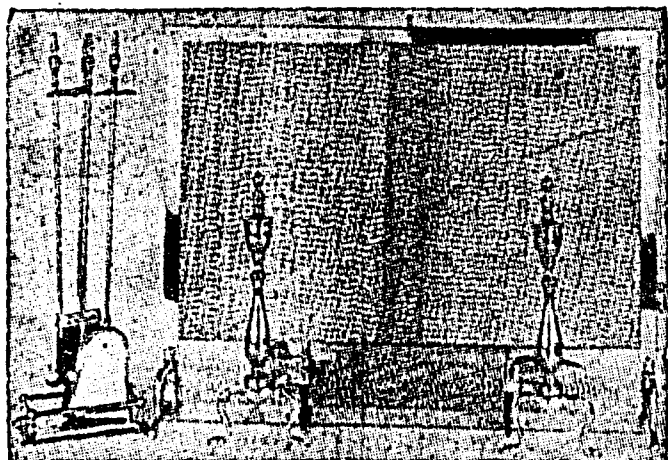

Young Democrats Select Officers

A top office in the Young Democratic Clubs of Michigan went to an East Sider Saturday at the state convention held in Detroit's Fort Wayne convention. Joseph Snyder, 1241 Lakeview, a member of the 14th congressional district Young Dems, was elected state treasurer.

Among the 13-member delegation representing the 14th Congressional District Young Democrats were Grosse Pointers Raymond H. Roche, Jr., 418 Cadieux, and Carl Weideman, Jr., 1706 Bournemouth.

Photographers To Hear Expert

Unless a good print is made, the care that preceded it in taking and making of a photographic negative is wasted. This will be the theme of a talk and demonstration to be given at the Grosse Pointe Camera Club by L. A. Longshore, well known wedding photographer.
Mr. Longshore, who has earned a reputation by his superb prints, will give the club a practical demonstration and lecture on print finishing, spotting those "pesky" dust spots, ferrotyping and mounting. The program will cover all of the difficulties encountered by the photographer in producing good results from his negatives.
The meeting will be open to the public and will be held on Tuesday evening, November 3, at the Neighborhood Club.

Belanger Backs Safety Campaign

Judge C. Joseph Belanger has announced that his court is cooperating with the State Safety Commission on the October-November Safety Campaign to reduce pedestrian accidents. Motorists are expected to take into account the special hazards of the season—more hours of darkness, rain, snow sleet, and more pedestrians shopping.

The death of over 400 pedestrians a year in Michigan is reasonable proof that many motorists have failed to drive as safely as the law and their driver's license requires.

"While there is no separate law in Michigan requiring motorists to slow down when approaching pedestrians, as there is in some

states, the violation of the Michigan basic speed law, running red lights and stop signs, improper turns and dangerous passing frequently endanger the pedestrian," the Judge said.

"This court will make a special point of inquiring of police officers in each case whether or not a pedestrian was endangered and will take this into account in determining the penalty to be assessed against those found guilty," the Judge added.

According to Judge Belanger there is no excuse for motorists failing to slow down and exercise special caution when they see a pedestrian or approach areas where pedestrians are likely to be found.

"Quite aside from the law," the Judge commented, "any motorist driving a ton of steel should display special courtesy for the man on foot who is the under dog in the traffic stream. Witnesses are frequently appalled at the discourteous motorist who scares a pedestrian half to death by just missing him or splashes water or mud on him when it is raining."

In conclusion, Judge Belanger said, "I am displaying in my courtroom the official safety poster which reads, 'Darkness Hides Walkers, Slow Down' as a reminder that the increasing number of hours of darkness which begin in the fall of the year require all motorists to drive more slowly. Those who fail to heed this advice and are found guilty of speeding after dark can expect especially firm treatment from this court."

Clark Women's Club To Hear Mary Beck

The Clark Women's Club will meet on Monday, November 2, at 1:30 p.m. in Christ Methodist Church, 15932 E. Warren avenue, in the Fellowship Hall.

Parties Fete Molly Moll

Hope that's a loose-leaf engagement book bride-elect Molly Moll is keeping to record the parties before her Nov. 28 wedding to William Boeschstein.

This Saturday evening, Mr. and Mrs. Januarius A. Mullen will give a cocktail party for the engaged couple at their home in Washington road, following which guests will go on to the Country Club Halloween party.

On Nov. 22, Mrs. Harry B. Howenstein and her daughter, Jean, are planning a party for both Molly and Bill and two days later, the Charles A. Deans Jr., of Lewiston road, will be hosts at a buffet supper.

A barbecue supper is the Nov. 25 date Bill and Molly have. The party takes place in the cabin on the Country Club grounds and the party-givers will be Mr. and Mrs. Daniel T. Clark of Ypsilanti and Mr. and Mrs. James I. McClintock.

Mr. and Mrs. Edward J. Pesselius Jr. will give an evening party Nov. 28 (Thanksgiving) when guests will be St. Louis families who Summer at Pointe Aux Barques and who'll be in the Pointe for the wedding.

The bridegroom-elect's parents, Mr. and Mrs. Harold Boeschstein of Perrysburg, O., will give the rehearsal dinner for their son and his fiancée at the Grosse Pointe Club on Nov. 27. Molly's parents are Mr. and Mrs. Lester S. Moll of Moross road.

Club Sponsoring Two Cage Loops

The Neighborhood Club will sponsor two basketball teams in the Detroit Recreation League this year, one in the unlimited class and one in Class C for those under 20.

Tryouts and practice for the Class C team will be held this coming Monday and Tuesday, Nov. 2 and Nov. 3, from 9 to 10 p.m. All who are interested should try to be present, or call the club if they cannot come.

Boys who have not yet registered for these leagues should do so as soon as possible. They should get contracts from the club and fill them out so that they can join the teams, which have already begun practicing.

All teams are still accepting registrations.

A word of thanks goes to Ed Lauer and the St. Paul varsity for putting on such a fine demonstration of basketball fundamentals for the Midget and Giant League Clinic this past week. The clinic was a success, with over 100 boys attending, because of the enthusiastic cooperation of the coaches and parents of the boys. These men deserve a great big thank you from the whole community.

An invitation is extended to any other men who would like to help the league become a greater success. Anyone interested should contact Jack Auckland at the Neighborhood Club.

Grandmas See Grandma Film

By Mardge Addams

Mrs. Fred L. Dole, president of the Senior Group of the Grosse Pointe War Memorial Center, invited the members to her home on Lakeland Avenue for morning coffee one day last week.

Pretty early in the day for some of the older ones to get up, but about 40, all "fully clothed and in their bright minds" were there at 10 a.m., to be received by Mrs. Dole and her daughter, Mrs. Albert Thornbrough.

Following the daintiest goodies with refreshing coffee, we were taken to the recreation room to see a film, "Life of Grandma Moses."

Our hostess was allowed to show this film through the kindness of Mrs. Fred Seydler, of Oxford Road, who as a member of the National Motion Picture Council, had recently used it as part of the celebration of the Golden wedding of her parents in Chicago.

Mrs. Lester Elliot came with her projector and showed this portrayal of the woman, who at the age of 77, discovered her ability to paint. The scenes began in her early childhood, on through her interesting, colorful life, and then to the results of her efforts in art.

It was a revelation and inspiration to our group, which is composed of pretty smart oldsters who have achieved success in various ways; but all bowed in humility to Grandma Moses.

We thanked Mrs. Dole for giving us this opportunity to evaluate talent and genius and accepted it as a challenge for us all to strive in more ways to approach a definite goal in our twilight years, to leave to posterity, some evidence of our ambition and ability to be useful.

We were told that this film, in its magnificent colors, would be available in a few months, and we hope many will see and revere the marvels of persistence, desire and ability, of a woman who has proven there is naught to fear in Old Age.

That afternoon the film was returned to the University of Indiana, we hope with the report of the pleasure and inspiration it had been to our group, most of whom are three-score-and-ten.

1954 Chryslers Establish Standards of Power, Luxury

The completely redesigned Chryslers for 1954 introduces new 235-horsepower Fire Power V-8 engine—the most powerful and efficient passenger car engine in America today—plus many major engineering advancements combined with the smartest, most beautiful exteriors

and interiors in Chrysler's 29-year history. "Sales of Chrysler cars are at the highest peak in 29 years and with all the advances offered for 1954 we are proving Chrysler's power of leadership," E. M. Braden, general sales manager, Chrysler Division, Chrysler Corporation, said, in introducing the new models.

"In addition to new Fire Power V-8's and new, colorful styling, outstanding engineering features designed for luxurious performance include the new Power Flite fully-automatic transmission, fully proved by use in 1953 Imperials, a new Airtemp air conditioning unit, full time power steering and power brakes, new anti-roll front suspension and new 'solid feel' ride, all of which add up to a new high in driver control."

The 1954 Chrysler is offered in five models with a total of 20 body styles. The lines this year are the Windsor DeLuxe, New Yorker DeLuxe, all on an 125½ inch wheelbase; Custom Imperial with a wheelbase of 133½ inches and the Crown Im-

perial line with a wheelbase of 145½ inches.

The Windsor DeLuxe is available in six-passenger sedan, club coupe, special Newport hard-top coupe, convertible coupe, Town and Country wagon and 8-passenger sedan models. New Yorker models are available in

Imperial is available in either the 8-passenger sedan or limousine model. New Chrysler exterior styling features a fresh lightness of line beginning with the functionally designed grilles tastefully formed of heavy chromed horizontal bars which impart a road-hugging appearance. Grille treatments vary for all models but retain a family resemblance. New grille medallions, hood crests, massive new bumpers and attractive new chrome trim "eyebrows" above the headlights add to the smart appearance of the cars. The directional lamps are in the chrome frame below the headlights. The lamp lenses feature a different idea in design with arrows set into the plastic lenses for clearer turn signalling.

The solid side trim is designed to high-light the graceful lines of the body. These bright metal trim parts are completely new and their distinctive shapes add a feeling of forward motion. Chrysler's rear bumper and tail lamps are new, as is the one-piece, wrap-around rear window which adds width and lowness to the car. The separate tail, backup, and stop lights are combined into one large, vertical unit, emphasizing maximum visibility. Thick bands of chrome that surround and hold lamp lenses do not block off light.

Fine fabrics and careful color coordination high-light the new interiors and reflect the importance of close color harmony between interiors and exteriors. Each body color has color-related interior trim. Chrysler's comfort-level seats introduce a new automotive styling technique, the bolstered seat design. On the New Yorker DeLuxe, for example, the bolster material is medium-dark contrasting with the pastel-shaded seat cloth. Dark colored welt strips distinctively outline the bolsters and form "box sections" on the seat back. Both front and rear seats on DeLuxe models have reclining center arm rests.

Panhellenic Association Holds Annual Formal Reception Today

The Detroit Panhellenic Association will give its annual formal reception from 3 to 5 o'clock today, Thursday, October 29, for the new president, Mrs. Robert F. Ollger, at the home of Mrs. Donald L. Wartena of Edgemont Park.

Mrs. Ollger has served for seven years in Panhellenic and has been chairman of the Panhellenic Spring Luncheon, and the Bridge and Scholarship Committees. In addition she has served her sorority as the president of the Delta Zeta Alumnae Chapter of Metropolitan Detroit and as regional alumnae director for Delta Zeta.

Invitations have been sent to various national, province and state officers in this area, past presidents of Panhellenic and the presidents and delegates of the twenty-seven N.P.C. sororities in Detroit.

At a tea table covered with a hand stitched ecru linen cloth made by Belgian nuns and centered with a bouquet of mums and red roses the past presidents and national officers from this area will preside.

Among those who will pour will be Mrs. Harold W. Kerr, Zeta Tau Alpha; Mrs. William F. Rossiter, Chi Omega and Mrs. Richard C. Kittridge, Delta Delta Delta.

Other past presidents and national officers attending will be Mrs. Max Tunnicliffe, Kappa Alpha Theta; Mrs. H. W. Babcock, Zeta Tau Alpha; Mrs. Charles Oblinger, Alpha Delta Pi; and Mrs. Edward D. Maire, Kappa Kappa Gamma. General chairman for the day

Mrs. Chisholm Nicholson Macdonald of Grosse Pointe and Petite Pointe, East Hampton, is today announcing the engagement of her daughter, Mary Stuart, to John Fenwick Aird, son of Mr. and Mrs. J. Bryson Aird of East 77th Street, New York City, and Westhampton, Long Island.

Mary Stuart is the daughter of the late Chisholm C. Macdonald and the granddaughter of Mrs. Noble Calhoun Banks of Palm Springs, Calif., formerly of Detroit, and the late Mr. Banks.

She is also the granddaughter of the late Mr. and Mrs. D. W. Ross Macdonald of New Jersey.

The popular post debutante attended Grosse Pointe Country Day School and graduated from Westover School at Middlebury, Conn. She also studied at Vassar.

She was presented to society at a ball in the Country Club during the June season, 1950.

Her clubs are Tau Beta and the Junior League of Detroit, in the latter she is a provisional member.

December Wedding

Mr. Aird, who has been visiting his fiancée and her mother at their Pointe home this week.

Graduated from the Browning School in New York City and attended Columbia University, where he was affiliated with Delta Kappa Epsilon.

He is a member of the Racquet and Tennis Club of New York and has completed his service in the U. S. Marine Corps.

The young couple will be married at a Dec. 5 ceremony in Christ Church, Grosse Pointe, to be followed by a wedding reception at the Country Club.

Lunch With the Countess

Society needed a spotlight in the Pointe this past week to control its chic traffic of countesses . . . visitors . . . fair workers . . . and news reports whizzing by.

The Vicomtesse Antoinette de Bellaigue, formerly tutor to Queen Elizabeth II and the Princess Margaret Rose.

Came to the Detroit Town Hall to name her choices for the world's outstanding women . . . and then lunched at a special session which gathered in the Ponchartrun Room of the Detroit Athletic Club.

Pointers invited to sit at the Countess' table for the luncheon included Mrs. Owen R. Skelton . . . Mrs. Mark K. Edgar . . . H. Roberts . . . Mrs. Frederick C. Stoepel . . . Mrs. J. Bell Moran, Jr. . . . Mrs. George Hall . . .

And the British Consul, who was represented by his wife, Mrs. John Fisher . . . and the new French consul, Jean Deland, who with his wife is getting nicely settled in their home on Fisher road . . .

Later in the afternoon, the Countess came out to the Pointe to spend the evening with Mrs. Mark K. Edgar of Lincoln road . . .

Scarab Club Invites Friends for Exhibit

Collection of Ballet Photographs By Clark David Smith to Be Shown At Private Preview Nov. 4; Members of Sadler's Wells Ballet Company Guests of Honor

Especially glamorous will be the invitational reception and preview next Wednesday evening (Nov. 4) at the Scarab Club, known through the years for its colorful parties.

Members of the Sadler's Wells Ballet Company have accepted the club's invitation, extended by Scarab president Joseph T. Franz, to be its guests of honor for the evening, immediately after the performance of Swan Lake at Masonic Auditorium.

In the club gallery will be hung some 200 ballet photographs, fifty of them in color. The exhibition, which will include shots of several Sadler's Wells dancers, is the work of Clark Drake Smith, a Scarab member who has achieved more than local prominence for his photographic interpretations of the spirit of the ballet.

Selection for the exhibit, which will be open from Nov. 5 through Nov. 9 at the club galleries in 217 Farnsworth, are from Mr. Smith's forthcoming book, "Ballet Alphabet." The artist-author hopes to complete his books within a year.

Patrons of the reception for which 250 invitations have been extended are Gov. and Mrs. G. Mennen Williams, Mayor and Mrs. Albert E. Cobo, British Consul John M. Fisher and Mrs. Fisher, Mr. and Mrs. Joseph T. Franz, Mr. and Mrs. William B. Bachman, Noel Baker, Mr. and Mrs. Truman F. Barbier.

Mr. and Mrs. Wilbur Boutell, Mr. and Mrs. John S. Coleman, Mr. and Mrs. John S. Coppin, Mr. and Mrs. Phillip D. Dexter, Mr. and Mrs. William J. Fors, Roy Gamble, Mr. and Mrs. Robert T. Hughes II (incidentally she was the first American girl ever to dance with the Monte Carlo Ballet Russe), Mrs. Henry B. Joy, Miss Katherine Kay, Mr. and Mrs. James A. Lafer, Mr. and Mrs. William Mulcahy, Mrs. Fred T. Murphy, John S. Newberry Jr., Mr. and Mrs. Elliott Phillips, Dr. and Mrs.

William J. Stapleton, Mrs. Grant B. Sturjis, Mr. and Mrs. David M. Sutter, Robert H. Tannahill, Donald M. D. Thurber and Mr. and Mrs. William C. Tost.

The Scarab Club was founded in 1916 by the late Robert Hopkin, famous marine painter. The late Frank Scott Clark, who had served as its president, was called in his later years the father of the Scarab Club for his never failing effort and interest in its behalf.

Some of the charter members include Clyde Burroughs, Roy Gamble, John A. Morse, Jim Swan, Francis Paulus and Myron Barlow.

Founded primarily for the promotion and advancement of art in Detroit, prominent musicians and art patrons joined, artists and sculptors in membership. Among these were the late Ossip Gabrilowitsch and former director of the Detroit Institute of Arts William R. Valentiner.

Scarabs from the Pointe include Charles W. Beek, Herbert V. Book, Dexter M. Ferry Jr., Charles T. Fisher Jr., Harold DuCharme, Joseph C. Faust, Henry L. Newman, Robert H. Tannahill, John S. Newberry Jr., and Claude R. Trombley.

Foursome Weekend Guests Of Alvin C. Priehs Jr.

The presence of many young Pointe couples in Ann Arbor makes Michigan games more than ever attractive this year for their friends. Last week-end Mr. and Mrs. Alvin Carl Priehs Jr. (she was Martha Wetherbee) who now lives in the college town . . . hosts to Mr. and Mrs. M. Richard Wickham, of Hunt Club drive, and the Robert Treats of Iroquois avenue. The foursome drove up Friday and returned on Sunday.

Memorial Christmas Fair Set For Nov. 19

Hundreds of Pointe Women in Final Preparations for Big Christmas Fair at Grosse Pointe Memorial Church; List Thousands of Articles Being Sold

The good word is that the Christmas Fair at the Grosse Pointe Memorial Church will be open from 10 a. m. to 8 p. m. on Thursday, Nov. 19. All the arts and crafts are represented in the gifts that members of the Women's Association have made for the sale. Proceeds benefit the educational and benevolent work of the Presbyterian church both here and abroad.

For a year the committees have been working, headed by Mrs. Henry L. Newnan, general chairman, and Mrs. James A. Lafer, vice chairman. The executive committee includes Mrs. Merlin A. Cudlip, treasurer, Mrs. Henry T. Bodman, assistant treasurer; and Mrs. W. Hurst Montee, secretary. Mrs. Hansel D. Wilson is president of the women's Association.

The advisory committee, made up of past presidents of the Women's Association on the Fair, consists of Mrs. William F. Arnoldy, Mrs. Frank Pitt, Mrs. Clarence L. Fox, Mrs. Carl B. Grawn, Mrs. Gaylord W. Gillis, Mrs. C. B. Hitt, Mrs. A. G. Herreshoff, Mrs. J. C. Hurley, Mrs. Harry M. Jewett, Mrs. Irving W. Ketchum, Mrs. James A. Lafer, Mrs. Herbert W. Mandel, Mrs. Phelps Newberry and Mrs. Frank J. Wilton.

Mrs. Henry B. Joy, the daughter of the late Mr. and Mrs. John Stoughton Newberry, in whose memory their children gave the Memorial Church, is chairman of the Honorary Hostesses. She has asked Mrs. Edwin Scott Barbour, Mrs. Paul Harvey Deming, Mrs. James H. Flinn, Mrs. William Hayes Fries, Mrs. Gaylord W. Gillis, Mrs. Theodore H. Hinchman, Mrs. Frank W. Hubbard, Mrs. Harry Mulford Jewett, Mrs. Edwin Lodge, Mrs. James Thayer

McMillan, Mrs. Charles Horton Metcalf, Mrs. Fred T. Murphy, Mrs. John Stoughton Newberry, Mrs. John Gaine Rumney, Mrs. Joseph Scholtman, Mrs. William P. Stevens, Mrs. Harry Norton Torrey, Mrs. Harold Fletcher Wardell and Mrs. Cameron Beach Waterman to be on her committee. Mrs. Frank J. Sladen is chairman of the active hostesses.

For the past year Mrs. George Villeroit and the members of her Antique Committee have been scouring the country to collect unusual pieces for their booth. Mrs. George M. Black, Jr. is treasurer. The Bag and Basket committee, headed by Mrs. George B. Duffield, chairman, and Mrs. Louis C. Huck, vice chairman, has also found interesting articles from Hawaii, Nassau and other exotic places. Mrs. Richard McKean is the treasurer for this group.

Through the efforts of Mrs. Carl B. Grawn, as chairman, and Mrs. Joseph E. Bayne, as treasurer, the Baked Goods and Candy table will hold all the best results of the best recipes of the best cooks of the church members.

Already the Book committee, under Mrs. Clarence Fox and Mrs. Edward F. Gehrig, is at work talking orders for best sellers, which is keeping Mrs. Raymond Walk, the treasurer, very busy. (Continued on Page 11)

Party to Honor Pastor, Bride

The Rev. Charles Sandrock, pastor of St. Paul Ev. Lutheran Church, was united in marriage with Miss Marguerite Schey at a private ceremony in the Chapel of St. Paul Lutheran Church of Toledo, Ohio, on Tuesday, October 20, at 4:30 p. m.

Pastor and Mrs. Sandrock will return to Detroit from their two-week honeymoon in the South on Monday. On Wednesday evening, November 4, at 8 p. m., a reception will be held for Pastor Sandrock and his new First Lady of the St. Paul congregation in the Fellowship Hall of the Church.

A special program honoring the new couple is planned. Members of the congregation are cordially invited.

Pointe Musicale Begins Season

Grosse Pointe Musicale will open its eighth season at the Country Club on Thursday morning, Nov. 5.

Mrs. Frank W. Goldie, en route to a visit in Matmore, paused long enough to announce that the guest artist at the opening session will be Lois Marshall, soprano.

Miss Marshall recently was soloist at a Carnegie Hall concert when Leopold Stokowski was conductor.

As usual, luncheon will follow the musical program at the Country Club. The recital begins at 11:30 a. m.

Among Pointers who have been patrons of the Morning Musicale since its beginning are Mrs. Charles A. Dean Jr., Mrs. Frederick S. Ford, Mrs. John S. Newberry, Mrs. Ward A. Detwiler, Mrs. Allan Shelde, Mrs. Henry P. Williams, Mrs. Jerome H. Remick Jr., Mrs. A. Ingersoll Lewis.

Democratic Women's Club Holding Party Tonight

The Democratic Women's Club of the 14th District is holding an apron card party tonight in the Woman's Guild at the Metropolitan Building, 33 John R. street, at 7:30 p. m.

Aprons will be table prizes and donation will be \$1.25 per person. The next regular meeting of the club will be held on Tuesday, November 10 at 7:30 p. m. in the Hannan YMCA, Jefferson at Garland. All members and their friends are urged to attend.

TRIO AT TRINITY

Three Grosse Pointers have enrolled in the freshman class at Trinity College, Hartford, Connecticut. They are: Hans Walter Becherer of Essex road; Frank Holgate Boos of Lewiston road, and Henry Earle of Washington road.

Mrs. Charles Richard Reinowski

At a Nuptial High Mass Saturday morning, in St. Paul on-the-Lake, Martha Washington Fischer and Charles Richard Reinowski exchanged marriage vows. The bride is the daughter of Mr. and Mrs. Herman Fischer, of Fisher road. The bridegroom's parents are Mr. and Mrs. Anthony J. Reinowski of Wilshire drive.

Martha's wedding gown was fashioned with an imported Chantilly lace bodice, and a bouffant tulle skirt of nylon net, over satin. A redingote of matching Chantilly lace fitted over the bridal gown, and extended into a chapel train. A coronet of orange blossoms held her fingertip veil of silk illusion. She carried a bouquet of white Fuji chrysanthemums roses and ivy.

Joyce Daigue, maid of honor, was in turquoise tulle, with matching coronet and cascade of yellow Fuji 'mums, carnations, and ivy.

All the attendants wore identical gowns of turquoise tulle, with tucked bodices and ballerina-flared skirts. Their matching coronets and cascades were of pink shattered carnations, button 'mums, and ivy. Assisting as bridesmaids were Matilda Bacco, and Joann and Hilda Mozer, cousins of the bride.

Anthony Reinowski Jr., was his brother's best man. Robert Asam, William McPherson, and Herman Mozer, cousin of the bride, were ushers.

For her daughter's wedding Mrs. Fischer chose a gown of deep navy lace over silk. Her hat was in mauve-rose trimmed with tiny iridescents. Her flowers were a spray of deep rose cymbidium orchids. Mrs. Reinowski wore mist blue crepe accented with beading at the bracelet length sleeves and neckline. Her hat and accessories were of matching blue, and her corsage was of shell pink cymbidium orchids. A reception and dinner were given at the Whittier. For traveling, the new Mrs. Reinowski chose a navy suit and matching (Continued on Page 11)

Church Women To Aid Refugees

World Community Day will be observed by the United Church Women of Detroit on November 6 at 1:30 p. m. at the Central Methodist Church, Woodward at Adams.

The theme for this meeting is "Building Lasting Peace," and the speaker will be Dr. Allan M. Frew, Minister First Presbyterian Church.

The church has a contribution of its own to make to world peace. It is this contribution which World Community Day is primarily concerned.

"Helps for Homes" offers church women the opportunity of making thousands of refugees more comfortable as they send offerings of blankets, quilts, sheets and pillowcases, towels, curtains, tablecloths, or other articles for the home. Every contribution should be accompanied by eight cents per pound to cover cost of mailing.

Calvary Church Holding Bazaar

The Calvary Lutheran Church on Gateshead road near Mack will hold a church supper and bazaar on Thursday, Nov. 5. The event will start with supper served from 5 p. m. on, which will be served cafeteria style. The committee in charge includes Mrs. Alice Hepper, Mrs. Louis Stepniak and Mrs. William Phillips.

Working on the following projects for the bazaar are: Mrs. Stepniak, apron booth; Mrs. Clara Wilson, pillow cases and fancy work; Mrs. Robert Phillips, bake sale; Mrs. Helen Klenk and Mrs. Marjorie Paddock, candy booth; Mrs. Donald Francis, ribbon booth; Mrs. Hepper, and Mrs. Ida Scharfenberg, parcel post, greeting cards, and book store.

Others are: Mrs. George H. Helm and Mrs. Albert Hoehl, fish pond and white elephants; and Mrs. Chris. Schultz and Mrs. Shirley Nelson will have the care of the little children while their mothers shop.

The entire committee cordially invites all residents to attend the group's 41st annual bazaar and fall supper party.

Grace Hospital Group To Hold Benefit Sale

Auxiliary's Benefit Fund To Receive Profits from Nov. 3 Christmas Sale at Northwest Branch of Grace Hospital; Many Pointers Take Part

Of interest to a large number of Pointers is the Grace Hospital Auxiliary's annual fund-raising Christmas sale, slated to open on Tuesday, Nov. 3, at the Grace Hospital Northwest Branch at 18700 Meyers Road between Six and Seven Mile Roads in Detroit.

Mrs. Reed Zens, Mrs. Lawrence J. Gravelle, Mrs. Stanley Briesmaster, Mrs. William Rochelle and Mrs. Dan W. Myers, all officers of the Auxiliary, will be among those working for the success of this pre-Yuletide project.

Another Pointer, Mrs. Adolph Jacobson, will assist Mrs. Daniel M. Stiefel, chairman, in various capacities during the Christmas sale to take place in the two gift shops operated by the Auxiliary at the Grace Branch hospital.

The first shop was opened in 1948 as a service to patients as well as a fund-raising project. The second and larger one actually will be put into operation on Nov. 3, with the same purposes.

Sale profits will go into the Auxiliary's benefit fund which this year is earmarked for four \$200 student nurse scholarships and to the purchase of special oxygen tents for babies' cribs at both the Grace Hospitals.

Sparking the opening sales day will be the Auxiliary's November meeting, to be held at the Grace (Continued on Page 11)

Liggett Fair Friday

For the fair-minded . . . Liggett School's Story Book Christmas Fair takes place at the school on Burns avenue this Friday . . .

And last week's Rummage Sale was evidently a terrific success . . . other commitments kept us from joining the cue which started to form two hours before the doors to the sale at Christ Church opened . . . but our phone was soon ringing with jolly tidbits of what was happening . . .

For instance: at least one mink coat was sold and for a song . . . an elegant Pointer called us to rave about the earrings she had purchased for a penny . . . and she also reported having seen a Lake Shore resident who wished to be shown the second hand garbage pails . . . Someone else phoned to say Mrs. John H. French, Jr., spent the entire day Thursday counting money . . . it was that raised at the rummage sale . . . and still another reported on the canvas gloves worn by sales chairman Mrs. Allen M. Lomax and her co-chairman, Mrs. Robert Slaymaker . . . Big protecting gloves were a necessary part of the uniform for handling the mountains of rummage . . . Customers came from all over the city.

Golden West Girl

The Pointe has just waved adios to one of its talented daughters . . . Barbara Hallis . . . who's been here from Phoenix, Ariz., visiting her parents, Mr. and Mrs. Bernard O. Hallis of Cranford lane . . .

Barbie, you'll perhaps remember, has been pursuing a radio and television career out there in Phoenix, where she has an apartment with a former Pointer, Jen Kelly, who used to live on Balfour road . . .

In addition to her own teevee program . . . Barbie has joined the Lew King Advertising Agency in Phoenix and now writes copy . . . helps to produce programs . . . acts as talent on TV commercials . . .

Her Tuesday and Thursday program is called "Meet Me on McDowell" . . . which is a great shopping center in Phoenix . . . stores along the avenue have been reproduced in the studio for the show . . . and our Barbie not only shops and tempts her listeners to do likewise . . . but also keeps bumping into celebrities along McDowell and there follows one of her sprightly interviews . . .

Her parents and friends look forward to her next visit to the Pointe in May . . .

of Hollywood, Fla., arrived here by plane to spend three months as a guest of her son-in-law and daughter, MR. and MRS. RUSSELL R. NEEKS of Hampton road. Mrs. Sylvestre, her children and grandson, ROBERT, have taken numerous flights in their private four-place plane to enjoy the beautiful fall scenery. Their latest jaunt was to Lansing for lunch.

SAMUEL E. ARMSTRONG JR., son of MR. and MRS. SAMUEL E. ARMSTRONG of Lincoln road, is registered for the fall term in Union College at Schenectady, New York. A Junior, he is enrolled as a major in Liberal Arts.

MR. and MRS. HENRY BURKHARDT of Trombley road are at home again after spending three weeks with their son, DR. HENRY BURKHARDT and his family at South Hadley, Mass.

Just returned from New York City are LORETTA TAKAS of N. Brys drive, MARGARET LYNCH of Norwood road, and CHARLOTTE BESTE of Manchester road. The three young women from the Woods served a week of their annual holiday for a jaunt to the big city to see some shows.

Richard Gallette of Audubon road, a freshman at Northwestern University, flew home last weekend. Richard, who plans to major in engineering, has been pledged to Alpha Tau Omega fraternity.

Dominican High Mothers To See Students' Show

The regular monthly meeting of the Dominican High Mothers' Club will be held in the school, Wednesday evening, November 4, at 8 o'clock.

The students will present their Talent Show as entertainment, according to Mrs. Bert Towle, chairman.

Refreshments will be served. Mrs. Parker Munger, social chairman, announces the hostess of the evening will be Mrs. Clyde Gleffe, assisted by the Junior mothers.

Mrs. John Nagy, president, will preside at the business meeting.

At this time the club also wishes to announce the Fall Card Party to be given Saturday, October 31, at 1:30 p.m., at the veterans Memorial Building. For reservations please call Mrs. Herman Goodin, TW. 1-0285 or Mrs. Robert Martin, LA. 6-1779.

Church Fair

(Continued from Page 9)

The church membership is enthusiastically responding to the request for goods, salable old books and old prints.

Since all conscientious shoppers are bound to get hungry, Miss Winifred W. Eliason and her vice-chairman, Mrs. Clarence Maguire, have seen to it that there will be a lovely buffet luncheon served from 11 a.m. to 2 p.m., and a three-shift dinner at 4:30, 5:30 and 6:30 p.m.

Also on the less glamorous but equally important side of such a huge undertaking are several other committees. Mrs. Lester M. Elliott is chairman of the Checking Committee; Mrs. Frederick F. Stetekuh of Clean-up; Mrs. J. C. Hurley of Pricing; Mrs. James W. Lee II and Mrs. H. Hunter Williams of Publicity; Mrs. Charles Wright, Jr., Mrs. Benjamin R. Marsh, Mrs. A. G. Herreshoff and Mrs. Neil McMillan of Staging; Mrs. Wendell C. Goddard, assisted by Mrs. Manfred G. Whittingham, of Wrapping and Take Out; and Mrs. Herbert W. Mandel of the Worker's Pool.

The Children's Fair, directed by the Social Service Group, will probably again prove to be the gayest spot at the Fair, and has therefore been assigned the whole primary school floor which will be completely transformed for their entertainment. Mrs. James W. Standart is the chairman, with Mrs. Charles White, vice-chairman, and Mrs. William C. McMillan, treasurer. Most important of the facilities offered will be supervised nursery (with Mrs. Earl Hoyt as chairman) for the children whose mothers really want to concentrate on their shopping. There will be a not-for-sale "Exhibit of Electric Trains" arranged by chairman Mrs. Traver C. Smith. This will enthrall the slightly older boys. For selling purposes there will be a flabbergasting number of exquisite doll houses complete from nursery to kitchen under the chairmanship of Mrs. Harvey L. Kimerly; Miss Bessie Jane Peach and Miss Meta Blair Peach have followed in their mother's footsteps in church work by creating 6 doll houses.

A highlight of this group's work is Mrs. Theodore Frieling's 5x8 ft. "Jelly Bean Farm" which is a complete farm yard with barn, silo and out building. Other church members . . . have built Noah's Arks as well as doll houses. Knowing children, the Fair has also included a counter of presents for parents, and grandparents under the chairmanship of Mrs. Charles B. Gorey; a Midway of games and a fish pond organized by Mrs. Peter Ambery and her committee; some movie cartoons to be shown from 10:30 a.m. till luncheon and from 3 p.m. until dinner, due to the chairmanship of Mrs. Langston S. Thompson; some Christmas ornaments which will include the sale of the large felt Christmas trees that Mrs. William H. Denier has used as wall decoration; small toys for ages two-to-teens, under Mrs. Frank Crum's chairmanship; and most necessary, a Santa's Snack Bar, headed by Mrs. C. G. Bunting, where hot dogs and drinks will be served as quickly as possible!

Since no Christmas Fair is complete without a Santa Claus, his term of residence is to be from 10 a.m. to noon, from 2-6 p.m. and from 7-8 p.m. Mrs. James Gram is chairman of this department. Anyone wishing his (or her) picture taken with Santa, and by the famous Mrs. Viola Washburn, may do so. Mrs. J. Lamar Newberry is chairman of the photo project.

This same Social Service Group has spent months creating outstanding art work. In the Gymnasium will be a booth of Ceramics made under the tutelage of Miss Margaret Gifford, distinguished young sculptress and teacher of ceramics at Kingswood. She has designed lovely depicting Grosse Pointe scenes. Miss Gifford is assisted by Mrs. Bruce Rogers as vice-chairman and Mrs. Howard as treasurer. Mrs. William Savage is the chairman of a group which has hand-decorated all sorts of lovely glass-ware, from piggy-banks to coffee carafes. The tote work under the chairmanship of Mrs. Paul Kelley has made many beautiful trays, reproducing antique designs in bronze stencils, gold and silver leaf, and in floated color.

Lest the grown-ups feel left out of all this Christmas merry-making, Mrs. Henry C. Boyle has set up on the stage of the Gym a most beautiful Christmas tree. It is in the nature of an adult "Grab Bag" and should provide fun for all.

Mrs. James Cope, assisted by Mrs. Edward D. Flinterman, vice-chairman, and Mrs. Frank Reid, treasurer, has amassed lovely green-house cut flowers and hand-made bird feeders of every description and there will be everything from Christmas arrangements and California candle decorations to the most utilitarian articles for our local dirt-daubers.

The Glitter Shop under the chairmanship of Mrs. James E. Gibson and Mrs. Robert Looker

completes all holiday needs. Masses of Christmas tree decorations—over 500 hand decorated by Mrs. John S. Newberry—as well as mantle decorations and beautiful wrappings will be available. Mrs. Alan Beebe and Mrs. Thomas Little III have spent weeks making handsome contemporary hand-made candles, and Mrs. David C. Lowe has worked equally hard decorating others.

The Goodhousekeeper's Shop, which is the apple of Mrs. Harry M. Sisson's eye, will have all the most modern and fanciest gadgets devised. Her treasurer and co-chairman is Mrs. Frank Wilton. Since there's no good having gadgets without something to work on, Mrs. Percival Dodge, Mrs. Richard H. Webber, and Mrs. Henry Hubbard have been traveling to cull all the finest foos from the finest food stores in the country for their Gourmet shop. Their treasurer is Mrs. Burdette E. Ford.

Knitters, under Mrs. Arthur C. Beaumont, chairman, Mrs. George M. Hackman, vice chairman, and Mrs. Everard P. Robertson, treasurer, have creations including evening capes with metallic threads, shoulder sweaters and stoles; children's mittens, caps and sweaters; baby gift sets; and ski caps that are heavily embroidered in the manner of true Swiss models.

Mrs. Ford Ballantyne has arranged the National Cathedral Display in the oriel window of the Women's Lounge. So that no member of the household, two-four-or no-footed should be left out, Mrs. John A. Lang has garnished gifts and accessories for pets.

Mrs. Frank Fitt's Sewing Committee is the backbone of the Fair as her group has met every Tuesday at the church and spent innumerable hours at home creating exquisite articles of needle

work. This group offers aprons of all sorts: maids' aprons and a delightful selection of "mother and daughter" aprons under the chairmanship of Mrs. Herbert J. Macbeth. The Cradle group, headed by Mrs. Allan A. Rutter with Mrs. Edward Apple assisting, offers the very new mobiles that should adorn every nursery, as well as bathinettes that include a terry cloth apron for "mama."

The dolls, for which Mrs. Charles W. Peabody and her vice-chairman, Mrs. William F. Arnoldy, are responsible, are unbelievably beautiful. People come from near and far to get them and sometimes the supply has run out before noon. That is why, this year, the Fair is "specializing in dolls." Many are completely outfitted, but extra clothes for standard size dolls are also available. Their beds are completely furnished from mattress to dainty pillow-case and comforter; their garden aprons contain doll-size gardening tools!

The Jack and Jill department of the sewing group has solved two major problems: number one, a shirt that will "grow" with a boy and therefore last two years;

Cosmetic Revolution from Paris!

Helena Rubinstein's
SKIN SERUM

The furore started in France where this phenomenal beauty treatment was perfected after years of intensive research. The news travelled to America—or, rather Americans travelled to the news and, after using Skin Serum in Paris, asked that it be exported to the United States. Now, here it is—the look-younger skin treatment that's a mile-stone in beauty history.

Skin Serum is unlike anything you've ever used. It's a natural fluid, rich in proteins and lipids, to be patted directly on the skin. It is imported from France and sealed in tiny vials to keep the precious fluid laboratory fresh, and each vial represents a single treatment. The results are immediate—you will see an instant tightening and lubrication; you will not see the invisible film it forms that so effectively hides every tiny line and blemish. Droop and dryness are counteracted—so simply, so neatly. You'll witness a freshness and bloom you never thought possible again—you'll watch your complexion do the fibbing about your age! A single application will tell you what Skin Serum can mean to your looks. Try it today—by tomorrow it will be your lifetime beauty policy!

The 12.50 box contains 10 vials—exactly the number of treatments you need for the first three weeks. The skin responds so marvelously that you need fewer treatments per week after that. The box of 30 treatments is 27.50. Prices plus tax

Study Traffic Safety Problems

A public safety committee under the supervision of Farms Police Chief Walter R. Hoyt, reports that bushes and shrubs are the greatest traffic safety hazards in the Farms area. Particularly at intersections these plantings are a definite obstruction to the driver. Foliage also is the cause of the many blind driveways along Grosse Pointe Boulevard.

A lack of sufficient sidewalks is evident on Westwind lane, on Beaupre between Moross and Kerby, and along Ridge between Moross and Kerby.

An unmarked patrol car will cruise Chalfonte between Moross and Cook road to check on speeders which have used this stretch as a veritable speedway between the two streets. In this there is only one sidewalk, on the north side of the pavement.

There is the ever present parking problem, which will be relieved with the widening of the lot behind the Kercheval Hill business district, and the additional parking facilities promised when the High School completes its expansion program.

A hypocrite is the man who sets good examples only when he has an audience.

Youth Council Entertaining AAA Soldiers

Students from the War Memorial Youth Center are staging a variety show tonight for the soldiers stationed at the Anti-Aircraft Artillery camps on Chalfonte and at the foot of Three Mile drive. The picture shows 1st LIEUT. HAROLD DOIGE welcoming a group at the entrance to the Chalfonte encampment. Left to right, in the car, are—PAT STAHL, SALLY SNOWDAY, RONNIE LUCIA, FRAN STRIKER, MARYLOU BRUNES, DONNA SMITH and SUSIE SLIMON.

The show will assemble at the War Memorial Center and then proceed to the Three Mile camp first.

Mary Potter and Louie Smith are the emcees for the evening. Susie Slimon, and her husky voice will be heard in the show, and for the sentimental touch Mary Lou Bruneau will sing. Tom Saunders and his band, with Ronnie Lucia at the piano, will accompany the singers and the acts.

Pat Stahl will pantomime a popular record. Tap dance routines and chorus lines will conclude the show.

Cookies made by the girls on Youth Council will be served to the soldiers during the show.

After the show the cast will gather at the War Memorial Center. Students from grades 10 through 12 from Grosse Pointe High School are invited to the free Open House to dance and watch a repeat performance of the show put on for the soldiers. The open House will begin at 10 o'clock.

Reckless Drivers Pay Up in Court

Ernest R. Wyatt of 4530 Frankfort court, Detroit, was ordered to pay a fine of \$100 and \$1.10 costs by Park Judge C. Joseph Belanger on Wednesday, October 21, during traffic court session.

Wyatt, accused of violating Michigan's Drunk Motor Law and who was apprehended on Vernor, between Berkshire and Buckingham a few days previous, stood mute and a plea of not guilty was entered for him. He was found guilty and ordered to pay the fine and costs, and in addition his operator's license was revoked for six months.

The second highest fine of the day, \$40, was paid by Herbert C. Hisslam of 29849 Riverside Bay, Mt. Clemens, who, though he pleaded to the contrary, was found guilty of reckless driving on Kercheval, speeding and failing to stop for three stop signs. He paid \$30 towards the fine and was ordered to pay the balance within one week.

Michael DeFucoco of 5248 St. Clair, Detroit, pleaded guilty of making a "U" turn on E. Jefferson without proper observation and causing an accident. He was fined \$15 and given 30 days probation during which time he must make restitution for damages caused.

Peter V. MacLean, Jr., of 1371 Bedford, pleaded guilty to speeding 40 miles on Mack avenue and was fined \$15.

Jack Worley of 672 Drexel, Detroit, pleaded guilty to driving without a license and paid \$10.

James Oatis of 210 Kenilworth, Detroit, pleaded not guilty and was found guilty of making an improper "U" turn on E. Jefferson and was fined \$15.

Robert E. Semmler of 943 Alster road, Detroit, stood mute, but was found guilty of striking a parked car, while driving in front of 820 Berkshire, and paid costs of \$5.

Four others who did not appear in court, forfeited bonds and warrants were issued for their arrests.

Arthur W. Kopp of 712 Balfour, accused of speeding 40 miles on Balfour, a residential street, forfeited \$30; John B. Lamb of 18467 Wisconsin, Detroit, charged with speeding 40 miles an hour on East Jefferson, \$10; Eugene Miller of 22997 Caroline, St. Clair Shores, ignoring a stop street at Balfour and Vernor, \$10; and Gene P. Kemp of 26860 Fernwood, Roseville, charged with driving without lights, \$7.50.

The outing, one of many given to the Patrol Boys, for their faithful service at school crossings, was made possible by the Grosse Pointe Lions Club, which furnished the bus transportation, and tickets to the game presented by a donor who wished to remain anonymous.

The group was composed of members of the Safety Patrol from Maire, Richard, Kerby and St. Paul Schools.

The boys were accompanied by City Det. Sgt. Andrew Teetaert and Patrolman Julius Deraedt and Patrolman Julius Deraedt and Patrolman Julius Deraedt and head of the Safety Patrol unit at Maire School, and Farms Patrolmen Joseph Miller and Joseph Belanger, and Bill Mahen, teacher and head of the Safety Patrol at Richard School.

Plan Services For Lt. Garman

The parents of Harry G. Garman, Jr., have received official notice that their son's body will be returned home.

Harry, a first lieutenant in the Air Corps, was reported killed in Korea in April of 1952.

He was returning from his 56th mission against the Communists.

Lt. Garman was graduated from Grosse Pointe High School in the same class with Ens. Bob Olson, who was killed in a plane crash in Texas in August in his last week of training. Garman enlisted in the Air Corps while attending the University of Detroit and was an F-84 fighter pilot in Korea.

A military funeral will be held from the Verheyden Funeral Home and mass will be read in Our Lady Queen of Peace Church at 9:30 a.m. on Saturday, October 31. Final burial will be in Mt. Olivet Cemetery. The parents live at 1644 Prestwick.

Honor Students Of Journalism

Three Grosse Pointe students received awards at the Eighth Annual High School Journalism Day, held on the Michigan State College campus, Wednesday, October 21.

Winners of the individual awards were Kay Martin, All-State award for editorial writing; Steve Taylor, Honorable Mention award for editorial writing; and Bob Chapman, Outstanding Achievement award for feature writing. All three winners the students of Grosse Pointe High School.

The judging board consisted of the journalism faculty of M.S.C. and awards were presented to the individual winners by Professor A. A. Applegate, head of the department.

Over 2,700 high school journalists attended the gathering sponsored by the college journalism department.

Purse Snatcher Eludes Pursuer

A Mrs. Ackerman of St. Clair Shores was standing at the corner of Mack and Roslyn on Friday evening, Oct. 23. She was accosted by a young man who snatched her purse and ran to a waiting car.

This car, a 1938 green Chevrolet convertible was followed for several blocks by Thomas Beard of Manchester boulevard. It turned left onto Harper and was soon lost in the traffic.

The purse was valued at \$5 and did not have any money in it. The Woods police had no record of Mrs. Ackerman's first name, nor of her address. Narrow-mindedness is the thing that makes one section of America think another is visited by disaster because of its wickedness.

City Election Important

Qualified electors of the City of Grosse Pointe will go to the polls next Tuesday to cast their ballots in a regular city election which, this year, is of particular importance.

In addition to voting for regular officials of the municipality, those electors who own property within the City, and their wives or husbands, will be casting ballots for or against a proposed \$235,000 bond issue to improve the recreational facilities at the lakefront park.

As a taxpayer of the City of Grosse Pointe, we feel free to give complete endorsement to this project. The Pointe's oldest city has long been far too backward in the matter of providing its residents with adequate recreational facilities. The small beach park has lacked many of the improvements which the other four Pointes have enjoyed at their municipally owned lakesites.

The big storm of March 22, 1952, almost totally destroyed the wooden pier which had served in a makeshift manner for many years. Since then, the residents have been without the use of any pier.

An effort was made a year ago last September to pass a bond issue of \$260,000 to remedy these shortcomings. The election was a beleaguered undertaking, with many residents not understanding the issues at stake. Far too few turned out to cast their ballots and the proposed bond issue was defeated by 19 votes.

Since then, the City of Grosse Pointe Farms has approved a bond issue of \$500,000 for the same sort of project, improvement of its beach park. This program is now well under way.

It is believed that since the defeat of the proposal 14 months ago, the residents of the City have been given a far greater appreciation of the real need for this proposed improvement. Details of the planned project have been set forth in news stories for some months, and are reiterated in this issue.

At a very nominal cost to the individual taxpayer, spread out over many years, the City can have a park which its residents will be proud to point to, and happy to use. It should enhance property values and pay big dividends in pleasant living.

Whether or not the bond issue is approved, the City is proceeding with the purchase of adjoining land to greatly enlarge the lake frontage of the park, and is also acquiring much needed parking space to get cars off East Jefferson avenue in that area. This also has been needed for a long time.

Pure luck has been a large contributor to the fact that there have been no fatal accidents in this location, which is subjected to the traffic for the Grosse Pointe Bank, the Unitarian Church and the lakefront park, in addition to the very heavy flow which normally uses East Jefferson to get to and from Detroit.

Next Tuesday's election will also decide who will be the next mayor of the City of Grosse Pointe, and three councilmen will be elected. Mayor Ralph B. Netting, who has served his municipality long and faithfully, will not be a candidate for reelection, due to the press of private business. He has done a fine job and the residents owe him their thanks for his years of devoted and intelligent guidance.

One of the two candidates to succeed Mayor Netting, Frederick W. Parker, Jr., has been known to us for many years, and we feel the City is to be congratulated on the fact that a man of his calibre is willing to offer his services for this important post. He is a present member of the City Council, so is familiar with the problems at hand. His great business experience, acquired while rising to become head of Timken Detroit Axle Division of the Rockwell Spring and Axle Company, should be invaluable in his capacity as mayor.

The only incumbent councilman seeking reelection is Alonzo C. Allen. He, also, is highly deserving of the residents' votes. During his tenure as councilman he has done much to cut red tape and expedite action in council proceedings. As Detroit representative of Blyth and Company, one of the nation's top bond houses, it has been part of his duty to become an expert in the matter of municipal financing. His knowledge and experience contribute much to the city government.

This would also be an appropriate time to pay tribute to Chester F. Carpenter, dean of the council, who is retiring at this time.

Mr. Carpenter has been a member of the council of the former Village of Grosse Pointe and the present city since 1928. His quarter of a century of service has included many special assignments. Since the village changed to a city in 1934 he has represented his municipality on the Wayne County Board of Supervisors, and has been a member of the important Ways and Means and Appropriations committees of that body.

He has served as chairman of the City's Public Works committee and has represented the council on the Employees' Pension Retirement and Hospitalization funds organizations.

The welfare and development of his home town have been ruling passions in the last 25 years for Mr. Carpenter. He has discharged his duties faithfully and given unstintingly of his time and energy.

Now, on the advice of his physician, Mr. Carpenter retires, regrettably. The thanks of his fellow citizens go with him.

By the time this reaches our paying customers, we fervently hope that national affairs will once again be on the front pages of our daily papers instead of the Godfrey-LaRosa feud. SOMETHING has us down this past week. It can't be the heat . . . so it must be the humility . . . the thing LaRosa is accused of not having. Ho-hum.

The performers on the Godfrey show must live in constant fear of the axe. First it was "Mug" . . . then Bill Lawrence . . . then the Chordettes . . . and now Julie boy and Archie Blyer. After reading all the facts we have only one comment. How can a guy so big be so small?

Before we leave radio and television, we should like to take up the case of our local Bill Kennedy. Here is a gent of whom there is no whomier in these two fields. Whether it be newscasting or story-telling . . . he is tops in looks, personality and manner. Yet wot happen? It is rumored that his activities have been so curtailed on t-v, that he is about to leave these parts in search of greener fields. He will be a great loss to t-v viewers as well as to the local stations. If WWJ can't see what they are losing, we are surprised that one of the other stations hasn't the sense to snap him up.

We checked and found that last summer when they took his Hollywood Host program off the air, WWJ received thousands of telephone calls and letters from fans of Kennedy's. What more do they want? If Kennedy DOES leave Detroit, the well wishes of literally thousands of his followers will go with him. We can only hope he will find the deserved success elsewhere that Bill Silbert found.

He was another good guy who got the kiss of death from WWJ. 'Tis sick-making.

The following story was told by the Mayor of Indianapolis to a large gathering (mixed) at a recent luncheon in that city. We shall call the people involved "Smith" . . . and any similarity to THESE Smiths and any others is purely coincidental. Remember that!

Weeelll now, Mr. and Mrs. Smith had two strapping sons that they were very proud of. Big, healthy boys built like football players. Later in life they had another son who was puny at birth and never changed. Thin, pale, quiet and anemic looking, he resembled his brothers not at all.

As the boy grew up, Mr. Smith's suspicions grew with him. He asked his wife repeatedly "Are you sure our last son is a Smith?" She allowed as how he was indeed a Smith. Time marched on and one day Mrs. Smith took ill and was near to dying. Thinking this might be her end, Mr. Smith asked her once again to tell him the truth. WAS their last born boy a Smith? Once again she assured him he was . . . then added: "But I DO have something to confess to you. HE is a Smith, but our other two sons are Joneses!"

Hunters will like this story about the man who bought a hunting dog, had him trained by an expert and could hardly wait to try him out. The first day he took the dog hunting, the animal did a magnificent job of retrieving the birds, but startled the daylight out of his master by WALKING on top of the way instead of swimming out to the birds. He did this repeatedly but worked so well, the man had no reason to complain.

Some weeks later, he loaned the dog to a friend who was going on a hunting trip. On his return he asked the guy who the dog behaved and if he worked well. The man said he HAD . . . but added: "I don't know why you rave so about that dog. He can't even swim!"

We should like to take up the subject of hanging. (Mr. DeGrimme, you can go right back and sit down. This hanging concerns people, not pictures!) We heard a story on the radio recently about a hangman and it made us wonder how a man arrives at taking such a job. True . . . someone has to turn on the gas in the gas chamber, pull the switch for the electric chair and arrange the noose for the gallows, but who WANTS a job like that?

ALL we can think of is the kids Art Linkletter quizzes about their future. They want to be cops, firemen, baseball players, doctors, even President . . . but imagine owning a kid who piped up and said: "I want to be a hangman when I grow up." It would be kinda scary to say the least!

In going over our yearly Christmas brochures we have found something that (to our mind) takes the place of the family "tooth garage" (denture container) of a few years ago. This little dandy is a spaghetti fork. It looks like an ordinary fork but concealed in the handle is a gadget that twists around by the turning of a small handle that sticks out of the end of the fork. You scoop up the spaghetti . . . then wind the crank on the end of the handle . . . and presto! you wind the spaghetti onto the fork! Gee whiz! We can hardly wait!

Wildlife Experts Against Bounties

Wildlife management authorities in 37 states do not favor the bounty system for controlling birds and mammals which prey upon domestic animals, the Wildlife Management Institute reports. This overwhelming condemnation of bounty payments was obtained through a 47-state survey conducted by the North Dakota Game and Fish Department. Answers to the survey questionnaire indicate that support for bounties comes chiefly from ranchers, trappers and persons who operate light aircraft for the purpose of aerial hunting.

The Dominican High School Fathers' Club will hold its next meeting on Wednesday night, November 4, at 8 in the library of the high school at 9740 McKinney avenue.

After the business session the club will join the Mothers' Club in the auditorium to be entertained by the Students' Talent Show.

The Fathers' Club is also completing plans for its annual Fall Stag Party, which will be held on Wednesday night, November 11, at 8 at the Knights of Columbus Hall, 10820 Whittier avenue.

The committee for this affair is composed of Chairman, L. Turck, H. Casper, H. Steilman, C. Simco, R. Keasis and C. Lentz.

A very enjoyable time is promised those men who attend this stag. All fathers of Dominican High students and their friends are invited to attend this fall social.

Pleurisy

By Fred Kopp, R. Ph.

If you have ever experienced that sharp pain in the side which is one of the symptoms of pleurisy you will not soon forget it. And if you wish to avoid a long siege of the illness you will see your doctor as soon as possible.

Pleurisy usually results from subjecting the body to extremes of heat and cold without being properly clothed for these changes.

With prompt medical attention and effective medicine the sick period can often be reduced to a few days. To be effective medicine must be pure, potent, and carefully compounded.

This is the 472nd of a series of Editorial advertisements appearing in this paper each week.

What Goes On at Your Library

By Jean Taylor

If you are faced with a 10 to 30 minute program in an otherwise interesting blank, why not fill the breach with a top-notch film from your library?

George Jones, Film Counsellor, reports the addition of new films—a round dozen to be exact—to the Central Library's collection for the month of November.

The films (all 16mm. sound), are available to any Grosse Pointe resident on presentation of a library card. They may be used in the home, church, school, club—any place where proper projection equipment is available. A wide variety of tastes and age groups are catered to in these films. Animal and bird study are covered in three far separated areas.

"Animals Unlimited" shows, in color, many of the inhabitants of the Kruger National Park, South Africa's largest wild life sanctuary.

"Fine Feathers" catches the wild birds of Australia in their native surroundings, while bird life of the United States' northern neighbor is portrayed in "Birds of Canada." Both of these films are in color.

Two of the films are intended to provoke thought on social questions. "Heritage We Guard," by tracing the damage to soil and wildlife that accompanied the pushing westward of the country's frontier, stresses the value of conservation measures in husbanding the country's resources.

"Boundary Lines," regarded by some critics as one of the most imaginative and creatively sophisticated films ever produced, treats of the high cost of a racial and religious prejudice in a manner appealing to both children and adults.

An outstanding film in experimental technique is Norman McLaren's "Fiddle-De-Dee". Hand-painted bands and spots play in miraculous synchronism across the screen, dancing and scattering to every intricate rhythm of the accompanying music. Only four minutes long, "Fiddle-De-Dee" makes a diverting addition to any film program.

Art as a manifestation of post or rapidly decaying cultures provides the content of two of the new films. "Flight of the Dragon" is a pictorial review of the Royal Ontario Museums; a musical background of Chinese folk music adds to the atmosphere.

"Totems" illustrates in color the ritual and religious carvings of the Indians of the Canadian west coast.

Other films included in the November consignment are "Fabled Mergulles," "Fiestas of the Hills," "Age of the Beaver," and "Junior Rodéo Daredevil." The last named shows children performing all the contests which add excitement to the cowboy's field day—riding bulls and broncos, roping calves, racing horses.

In addition to lending films such as the above, your library is in a position to assist in the securing of special films for group programs. From directories of films and film sources, the Library can offer complete service in film programming for Grosse Pointe groups.

Stewardship Emphasis Week Being Observed

November 2 through the 8 will be Stewardship Emphasis Week for St. Paul Evangelical Church. Rev. George Schultz, Jr., Director of Stewardship and Finance of the American Lutheran Church, whose headquarters are in Columbus, Ohio, will be the guest leader of this emphasis.

During the course of this week church organizations of the various denominations will be invited to assist in the training sessions for the every-member canvass on Sunday, November 8, and also address the Sunday School and preach the morning sermon on that day.

Title Captured By Sword Club

The Grosse Pointe Sword Club crossed Sabers with the Salle de Tuscan team last Sunday, October 25, and after nine matches captured the State Saber championship 5 to 4.

By winning the Saber title the Grosse Pointe Sword Club also added the Michigan State team championship. It was on October 4 the Grosse Pointers beat Salle de Tuscan in the foil matches and on October 18 won the Epee title for a clean sweep of all weapons.

The only sad note in the entire picture was the loss of the women's foil match, which was held on October 11, to the Salle de Tuscan Ladies.

The Grosse Pointe team was made up of such standout performers as Richard Yashenka, James Campoli, Arthur Schankin, Gregory Flynn, Richard Wegert, Al Kunzman, Shirley Stein, Caroline Dornor and Naomi Hill.

Schankin is president of the Amateur Fencers' League of America and Wegert holds vice-presidents' job. Stein is secretary. Barbara DePolo, effervescent publicity chairman of the club, practically bubbled over when she told us of some of the coming events the club has arranged for the coming months. But she said "We will get the entire future program to you in detail shortly and you will be surprised at the matches we have or are arranging."

The Grosse Pointe Sword Club makes the neighborhood club its home.

Modern miracle for dry, lined skin! Helena Rubinstein's New Lanolin-Vitamin Formula

For the first time in beauty history, Helena Rubinstein combines two modern miracle ingredients in her new Lanolin-Vitamin Formula — copies nature's way to help your skin look YOUNGER, SMOOTHER, SOFTER!

VITAMIN A for beauty from without... Vitamin A, recognized by medical science as the Skin Vitamin, works on the surface to melt away and actually prevent dryness and flaking.

BEAUTY FROM WITHIN... Lanolin, the beauty boon most closely resembling natural skin oils, works below the surface for all-important moisture to plump out skin, smooth out wrinkles, revive a younger look.

LANOLIN-VITAMIN FORMULA... is so readily absorbed, so grease-free you'll apply it to your skin daytimes under make-up and overnight without leaving a trace on face or pillow. For speed, for ease, for fabulous results you'll say you've never used anything like it in your life!

NOTE AMBER BOTTLE. It guards high vitamin content against destructive light, preserves effectiveness for you.

The Contemporary Literature of Grosse Pointe Branch of A.A.U.W. will meet in the Friends' Room of the new Grosse Pointe Public Library on Thursday evening, November 5, at 7:45. Mrs. Alfred Taylor will review "Too Late the Phalarope" by Alan Paton, and Mrs. Anthony Glazko will discuss Hasketh Pearson's "The Man, Whistler."

A thrifty person is one whose needs keep his wants in the background.

Judge to Speak

Southeastern Woman's Club will have Judge Martha Griffiths as guest speaker at the meeting on Monday, November 2, in St. Mark's Methodist Church parlors. Following the meeting, tea will be served by Mrs. John D. Peterson and committee.

Luther League to Hold Halloween Party Friday

This Friday evening, October 30, at 8:15, the home of Carolyn Wellman in Country Club drive will take on a weird air.

The Luther League of St. Paul Evangelical Church will have its Halloween party, and although the details must remain a secret, all would seem to indicate that this should be quite a party.

City of Grosse Pointe Woods Notice of Public Hearing

NOTICE IS HEREBY GIVEN in accordance with the provisions of Act No. 207 of the Public Acts of the State of Michigan for the year of 1921 as amended, that a public hearing shall be had at the City Hall in the City of Grosse Pointe Woods, Wayne County, Michigan, on the 16th day of November, 1953, at 7:30 o'clock P.M., Eastern Standard Time, upon a proposed amendment to Ordinance No. 88 of the City of Grosse Pointe Woods, adopted November 3, 1952, which proposed amendment is as follows:

AN ORDINANCE TO AMEND ORDINANCE NO. 88 OF THE CITY OF GROSSE POINTE WOODS, ENTITLED, "AN ORDINANCE TO REGULATE AND RESTRICT THE LOCATION OF TRADES AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNED FOR SPECIFIED USES, TO REGULATE AND LIMIT THE HEIGHT AND BULK OF BUILDINGS HEREAFTER ERRECTED, TO REGULATE AND DETERMINE THE AREA OF YARDS, COURTS, AND OTHER OPEN SPACES, TO LIMIT AND RESTRICT THE MAXIMUM NUMBER OF FAMILIES WHICH MAY BE HOUSED IN DWELLINGS HEREAFTER ERRECTED OR ALTERED, AND FOR SAID PURPOSES DIVIDE THE CITY INTO DISTRICT, TO PROVIDE A METHOD OF ADMINISTRATION, AND TO PRESCRIBE THE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS," adopted on November 3, 1952, also known as Chapter 44 of the "Code of the City of Grosse Pointe Woods of 1953."

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Section 1. That Section 44.4.1 Paragraph (b) and Section 44.7.1 Paragraph (f) of Ordinance No. 88 of the City of Grosse Pointe Woods, adopted November 3, 1952, also known as Chapter 44 of the "Code of the City of Grosse Pointe Woods of 1953," be amended so as to provide as follows:

(a) Section 44.4.1, Paragraph (b). Municipal owned and operated parks and playgrounds. Municipal buildings, structures and uses necessary for the public health, safety, convenience and welfare. Public utility buildings and structures necessary for the public health, safety, convenience and welfare, when approved by the Board of Appeals.

(b) Section 44.7.1, Paragraph (f). Advertising bill boards, and poster boards designed to advertise the sale or lease of property upon which such sign shall be located, provided that not more than one sign shall be permitted on any one parcel of property, nor shall any such sign exceed thirty-five (35) square feet in area, and such sign boards attached to or painted upon the building elevation adjacent to any public street, advertising the business conducted in such building or structure.

Section 2. This ordinance shall take effect 20 days from the date of its enactment.

Ray Mac Arthur
City Clerk

DONATE TO PARTY
The Woods council approved an appropriation of \$50 on Monday, October 28 to be presented to the Grosse Pointe Halloween Committee, as its contribution toward a program for children.

Hunter-Schaefer Betrothal Told

It will be an early spring wedding for Noramae Schaefer and Tom Hunter, who recently revealed their engagement.

Noramae is the daughter of Mrs. Frank Schaefer of Notre Dame avenue and the late Mr. Schaefer.

Tom is the son of Mrs. Andrew D. Hotchkiss of Rivard boulevard and the late T. Worden Hunter.

CLUBS EXCHANGE BANNERS

Robert K. O'Neil, president of the Grosse Pointe Rotary Club, at a recent meeting, presented Cecil Turner of Spalding, England, with a Grosse Pointe Rotary banner, and the Britisher, in turn, presented one to the club from his town.

Cass Chapter Meets Monday

When members of Elizabeth Cass Chapter, D. A. R. of Grosse Pointe Farms meet to celebrate the Chapter's eleventh birthday next Monday, November 2 they will each be reminded by Mrs. John E. Finch of Cadieux road that Tuesday is Election Day and that each member has a responsibility, not only to go to the polls herself, but to see to it that her neighbors and friends do the same.

Mrs. Pond Wyeth has invited members and friends to her Boston Boulevard home in Detroit for a Birthday Buffet at 1 p.m. During the program which will follow the luncheon Frank B. Woodford will be the featured speaker.

Mrs. George B. Neal has sent invitations to attend to the Regents of other chapters in the area.

As in former years, the presents brought to this birthday party will be wrapped in gay Christmas wrappings and will be turned over to Miss Elizabeth Sumner, Chairman of Approved Schools. Miss Sumner's committee has charge of packing and sending the gifts on their way to various mountain schools that have learned to look forward to the help which this group gives Santa in stuffing stockings for their young pupils.

Society Will Observe Mountain Schools Day

The meeting of Gen. Alexander Macomb Chapter, U. S. Daughters of 1812, on Wednesday, November 4, at Newberry House, has been designated "Mountain Schools Day."

Members will take clothing and other useful articles for three Kentucky mountain schools, and one, Crossnore, in North Carolina. Mrs. David Buck, chairman, will be assisted by her daughter, Mrs. James W. Reid, and Mrs. Roy W. Fitch, by her daughter, Mrs. Edward A. Fach, in packing and shipping.

Mrs. Paul J. Wolski, president, will conduct an 11 o'clock board meeting, and the 1 o'clock business session.

As first vice-president and program chairman, Mrs. James W. Reid will introduce as speaker, Mrs. Mary Troxell, who will talk on "Women's Fashions," from her connection with one of the downtown stores.

W. S. Faber, Jr., to Wed Constance Mary Curran.

Mr. and Mrs. George F. Curran of West Bloomfield Hills gave a cocktail party on Sunday, Oct. 25, to announce the engagement of their daughter, Constance Mary, to William S. Faber, Jr.

As guests entered the living room of the Curran home in Middlebelt road, through the picture window they could see in immense letters, the names of Connie and Bill made of a sea shell design on the rolling lawn.

William is the son of Mr. and Mrs. William S. Faber of Kensington road. The couple plan a wedding in February.

Too many people get so interested in what they are going to do tomorrow they don't do anything today.

Young Students Plan Hay-Ride

Brownell Junior High School will give its first party of the year on Saturday evening, November 7. Approximately 125 students of the eighth and ninth grades will participate in a hay-ride, leaving from Knack's Riding Stables on Ten Mile road at 7:30 p.m.

Arrangements are being made by Julia Chadwick and Brenda Brown, and tickets and promotion are under the direction of Bob McAdow, Dennis Hykes, Dick Adams, Allan Keir, Dick Wendin and Rowland Austin.

The refreshments have been planned by Judy Delaney and Cora Palmer, while publicity is in charge of Margaret Roberts and Joan Rogge.

Dr. Ralph L. Steffek and Mrs.

TO ADDRESS ACCOUNTANTS
Harold W. Scott, of 17525 Maumee avenue, will participate in a panel discussion on the subject of "Financial, Cost and Tax Implications of Historical and Replacement Cost" before the sixth and final forum meeting of the Detroit Chapter of the National Association of Cost Accountants, Monday, November 2, at 7:30 p.m. in the Park Shelton Hotel.

Woods Garden Club to Meet

The Grosse Pointe Woods Garden Club will meet at the Memorial Center on Tuesday, November 3, at 2 p.m. Mrs. H. P. Dunlop will speak on Holiday Decorations.

Tea will be served after the meeting. The hostess will be Mrs. Robert G. Hammet and the co-

hostesses, Mrs. Donald Hanna, Mrs. Arthur Hollinger, Mrs. Walter Luckenbocker and Mrs. Cecil Pollard.

Price? Would You Believe It? You Can Own A
Packard CLIPPER FOR

\$2,554* delivered here

From the time it was introduced, the new CLIPPER made news
It made news because of quality—real Packard quality that thousands of buyers instantly recognized as meaning more fine-car features for their dollars. Ask the man who owns one! It made news because of modern contour styling that gives you a better view of the road—ahead, behind, and to each side.
It made news because of the sparkling, smooth-flowing stream of power from its famous Packard engine. Packard has a world reputation as a builder of fine engines. You've heard of Packard engines ever since you took your first car to heart.
No power like this power
It made news because of power shifting. Packard-designed and Packard-built ULTRAMATIC is generally conceded to be the smoothest, sweetest, safest, surest power shifter available today. And it is used on Packard-built cars exclusively. (Optional at extra cost.)
The new CLIPPER made news for many other reasons, too—not the least among them: its spontaneous public acceptance.
Don't let the big type about "best deal in town" fool you. A best buy is another matter, and the best directions we can give you for finding such a buy is to look up your Packard dealer.
Do that, and you're where the "best deal" is!
Do that, and you'll see for yourself how the new CLIPPER gives you more fine car features per dollar because Packard builds it.
*CLUB SEDAN delivered in Grosse Pointe. Plus state and local taxes, if any. Optional equipment, including white sidewall tires, extra. Prices may vary slightly in nearby communities due to shipping charges.

company's beautyware division and four plants identified with it.

IN A SURPRISE development in the Robert Greenlease kidnapping case, the FBI routed taxi driver John Hager out of bed, and at the same time arrested a couple in a hotel, but refused to state whether they were implicated in the crime.

The cab driver was the one who gave the police information resulting in the arrest of Carl Austin Hall, the boy's alleged kidnapper. Hager was recently questioned during a secret inquiry regarding reported discrepancies in officers' accounts of the arrests in the kidnapping case. The couple seized had two

suitcases and an overnight bag with them.
But the FBI refused to comment if they were connected with the case.

ATT. GEN. MILLARD said that at least four officials of the state cosmetology board were involved in irregularities, which covered issuance of beauty operators' licenses and are punishable by removal from office. Gov. Williams said he will not take any action pending a report from the attorney general. He said he has not questioned any of his appointees on the board and does not intend to until the evidence has been presented.

ITALY PROPOSED withdrawal of its Trieste border troops to "normalize" her military situation at her frontier with Yugoslavia. The ambassadors of Italy, Britain and France announced the plan to their respective foreign ministers, provided Yugoslavia removes her troops, too.
It was first intended to keep the Italian step a secret, in hopes that in this way, Marshal Tito would find it easier to accept. The Italian proposal was made public when it was found out that the Yugoslav ruler was getting ready to make such a proposal himself.

A SECRET LIST of 461 American prisoners of war who died in Communist prison camps, was turned over to Army officials by an Army sergeant, Sgt. James

W. Kirk says he wrote the names in a Communist propaganda book in invisible ink, and was innocently permitted by the Reds to take the book with him when he was released from imprisonment.

He said most of the 461 had starved to death, 104 were shot and many froze to death in the wintry wastes of the Yalu River. The Army considered the listing authentic enough to remove the 461 from the missing in action files.

BITTERLY terming himself the victim of "character assassination" Lt. Louis Shoulders, veteran St. Louis police officer, turned in his resignation after 27 years on the force. He was credited with breaking the Greenlease kidnapping case.

In his letter of resignation, he said he was castigated and his character assailed during the heels of performing his duty.

He had been questioned for six hours by a panel of police investigators, regarding the more than \$300,000, part of a \$800,000 ransom paid to Carl Austin Hall for a promised release of slain Robert Greenlease, which was still missing.

Monday, October 26
Italian and Yugoslav troops appear to have been removed from the Trieste frontier, a 50-mile tour along the Yugoslav border by an American guard disclosed.
An Italian proposal that troops of both countries be removed far from the lines to prevent incidents seems to have been carried out. There were no signs of troop concentrations on the Yugoslav side and there was only the normal frontier guard on the Italian side.
However, another report stated that Marshal Tito of Yugoslavia denounced the troop withdrawal proposal as "hypocritical" and indicated his government will reject the idea.

A Red demand that neutrals be permitted to sit on Korean peace talks was expected by the United Nations, when Allied and Communist representatives met to set a time and place for the conference.
Earlier, the commander of the Indian custodial forces blasted the Communist distortions of truth in the stalled Red campaign, to induce anti-Communist prisoners to return home.
At the same time, a third Allied prisoner, a South Korean, followed the example set by an American and another South Korean, and asked to be repatriated.

Winston Churchill, prime minister of England, shelved his plans to hold early talks with Soviet Premier Georgi Malenkov, on persuasion of Foreign Secretary Anthony Eden.
Other factors in the postponement were given as: American opposition, luke-warm support from his members of the Cabinet, and a cold silence from the Kremlin.
Churchill's doctors were also against the proposed meeting, stating that a trip to Moscow might prove a heavy strain on the aging statesman.

Tuesday, October 27
THE UNITED STATES charged that the Russians directed and took part in tortures of American soldiers to force them to confess that this country was engaging in germ warfare against North Korea and China.
Dr. Charles Mayo, Rochester (Minn.) surgeon and American delegate, stated that these tortures continued even after the armistice was signed. However, he added, several of the Americans withstood the torture and refused to sign confessions.
He circulated texts of sworn statements by the former prisoners, repudiating the so-called confessions.

FARMER CHARLES CRACRAFT of Maysville, Ky., found a pipe tobacco mixture that he will never use again. While sitting on the front porch of his house, with a rifle across his knee waiting to shoot a squirrel, he reached into his pocket, pulled out some tobacco and filled his pipe, lit it and was all set to relax.
Then it happened. The heat of the burning weed set off a bullet

investigator studied the possibility that vital U. S. radar secrets were stolen and the probability the secrets were delivered to Russia.
The investigation was broadened when Senate investigators discovered there may be a tie-in between executed atom spy Julius Rosenberg, the Alger Hiss case and the current probe of lax security measures at Fort Monmouth radar laboratories.

One of those to be questioned concerning the spy activities is a man living in Albany, N. Y., who figured prominently in the Hiss case and whose brother is a "big wheel" at Fort Monmouth.
A four-day rain in Italy which caused wide-spread damage to property and had taken 72 lives, threatened to cause the Po River to rip over its banks and flood the country's richest farm lands. The river is swollen from waters of scores of its tributaries. In the Po Delta, where the river empties into the Adriatic Sea, a dike had already broken at Busa di Bastimento, flooding several hamlets.

disposed Iranian Premier Mohammed Mossadegh was responsible for the rupture of relations a year ago. Nothing was mentioned about the return of oil refineries to Britain.
The council will also discuss Syria's complaint that Israel has diverted Jordan River waters illegally to the detriment of her Arab neighbors. Denmark's Maj. Gen. Vaughn Bennike, truce supervisor in Palestine, is scheduled to speak on the problem before the security council.
The United States had already suspended 60 million dollars in economic aid to Israel after that country ignored a UN order to cease work on the Jordan project.

SECRET NEGOTIATIONS, aimed at speedy restoration of diplomatic ties, were opened by Britain and Iran. Iranian Foreign Minister Abdollah Entezam reportedly has shown interest in the proposal made by Foreign Secretary Anthony Eden in which it was broached that the two countries patch up their differences and resume diplomatic relations, thereby getting Iranian oil flowing again.
The UN Security Council slated an extraordinary session to debate the explosive Palestine crisis and study possible ways to prevent further fighting and bloodshed.

The Reformation

October 31 has come to be regarded as the birthday of the Protestant Reformation. It was on that day, in 1517, that Martin Luther nailed his 95 sentences on the door of the Castle Church in Wittenberg.
What was Martin Luther's great discovery? It was the cardinal doctrine of the Bible: "Therefore we conclude that a man is justified by faith, without the deeds of the law." Romans 3:28.
For hundreds of years the established church had taught the Bible taught salvation alone by faith.
"By grace are ye saved through faith; and that not of yourselves; it is the gift of God, not of works, lest any man should boast." Ephesians 2:8. Also Romans 11:6.
It was the Reformation of Martin Luther that once more brought this fundamental Bible doctrine into the light of day. Protestant America will have fallen on evil days, when once it surrenders one jot of this primary doctrine of the Christian faith.

Hribar Stars as Blue Devils Romp Over Highland Park

After suffering two straight league defeats, on successive Saturdays, the Grosse Pointe Blue Devils bounced back with vengeance last Friday night, October 23, and completely subdued the winless Highland Park Polar Bears, 26 to 0, on the Deans' flood lighted gridiron.

Paced by halfback Lou "Toeddie" Duni, Hribar, the Pointers smashed over the Polar Bear goal line for touchdowns in each of the four quarters and were on the verge of scoring their fifth when the game ended.

Scampers 30 Yards
Hribar started off his field day with a 30 yard scamper over his own right tackle in the first quarter and did it the hard way, by eluding two would-be tacklers who shared between him and the goal line. A beautiful side step took care of the first Parker and Hribar Scivedlipped his way out of the grasp of the second tackler on the Parker 15 yard line and scored standing up.

Bob Brown's conversion sailed wide of the uprights and the Devils held a 6 to 0 lead with nine and a half minutes left to play in the first period.

A poor punt by Collins, Highland Park's best player, which went out of bounds on the Polar Bear 21, set up Grosse Pointe's second score halfway through the second period.

21 Yard Run Scores
On the first play from scrimmage Hribar again smashed over his right tackle and romped 21 yards into the end zone. Brown's conversion was good but a 15 yard penalty nullified the play and Brown attempted the extra point from the Parker's 18 yard line.

The Parkers gave the meager Blue Devil crowd a case of jitters on the opening kickoff of the third quarter when Collins punted in Brown's foot on his own 10 and raced through almost the entire Blue Devil team before Jay Hribar brought him down for a punt on the Parker's 47. Hribar scored a Polar Bear touchdown with his timely tackle.

Bill Dow Scores
Hribar Bill Dow racked up 75 yards in the game when he found a hole big enough to drive a truck through at left tackle on the Parker's forward wall and raced 70 yards for the TD with a hand laid on him. It was a brilliant run that brought cheers from both sides of the field. Brown's extra point was good and the Devils led, 19 to 0, with six and a half minutes left in the period.

Minutes later Hribar raced 45 yards for a touchdown, but a 15 yard penalty for illegal use of the hands was assessed against the Pointers. This nullified the play and the officials placed the ball on the Pointers 40.

Moran Makes Long Run
After an exchange of punts which gave the Devils the ball on the Parker 46, Bob Moran took a hand-off from quarterback Lee Clancy and raced 26 yards to the Pointers' 19 for a first down.

This set the stage for Hribar's third touchdown of the night.

It was a 5 yard pass from Clancy to Hribar, who took the

ball on the Parkers' 12 and rumbled into the end zone for the final tally of the evening.

Brown's kick was good and a flood of substitutes got the word from Coach Ed Wernet, who elected to save his first stringers for the game against Fordson next Saturday, October 31, on the local gridiron.

Never Threatened
Although the Polar Bears found a little more success against the second stringers, they still didn't have enough steam to threaten. As a matter of fact the Devil subs capitalized on a bad break when the Parker center passed the ball high over Collins head, who was back to punt on fourth down near the end of the contest. Collins didn't have a chance to get the kick away after picking the ball up on his own 25 and tried to run the ball out of danger and did get back to his 33 before being snowed under by a host of Devil tacklers.

Alex "Crazy Legs" Forrester capitalized on his first chance in the Pointers' lineup, and reeled off 7 yards. Then Clancy lattered to Moran on the next play. He was chased out of bounds on the Parker 2 yard line as the game ended.

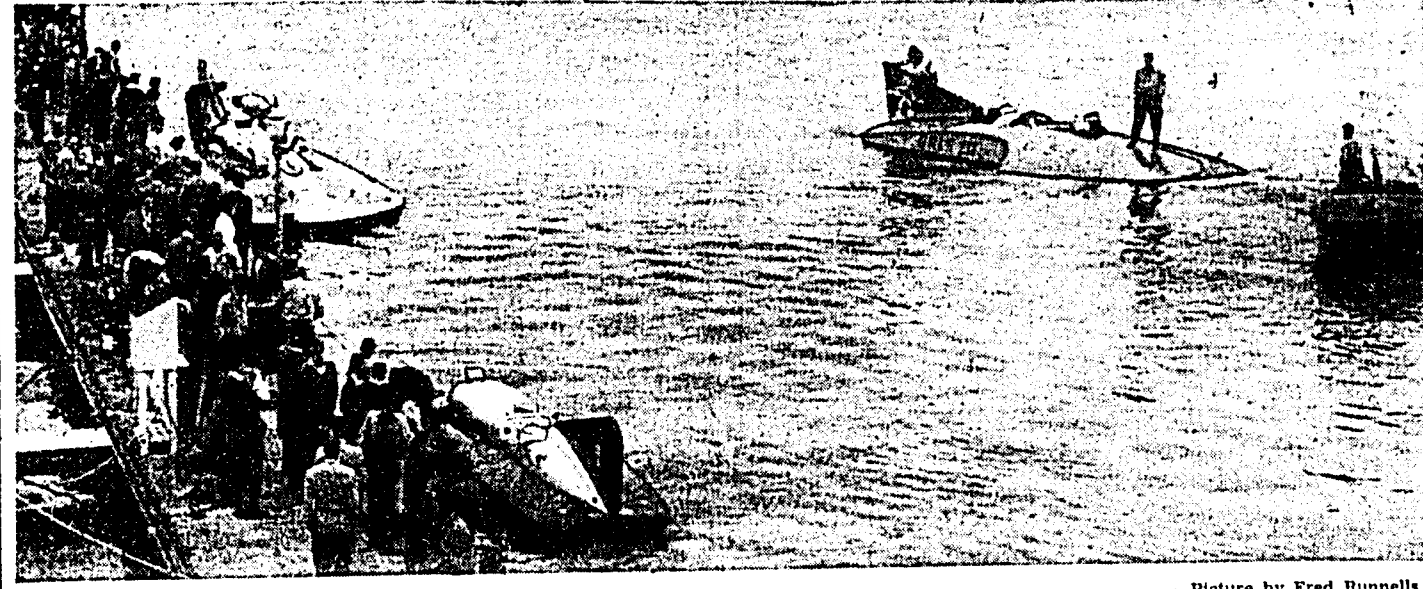

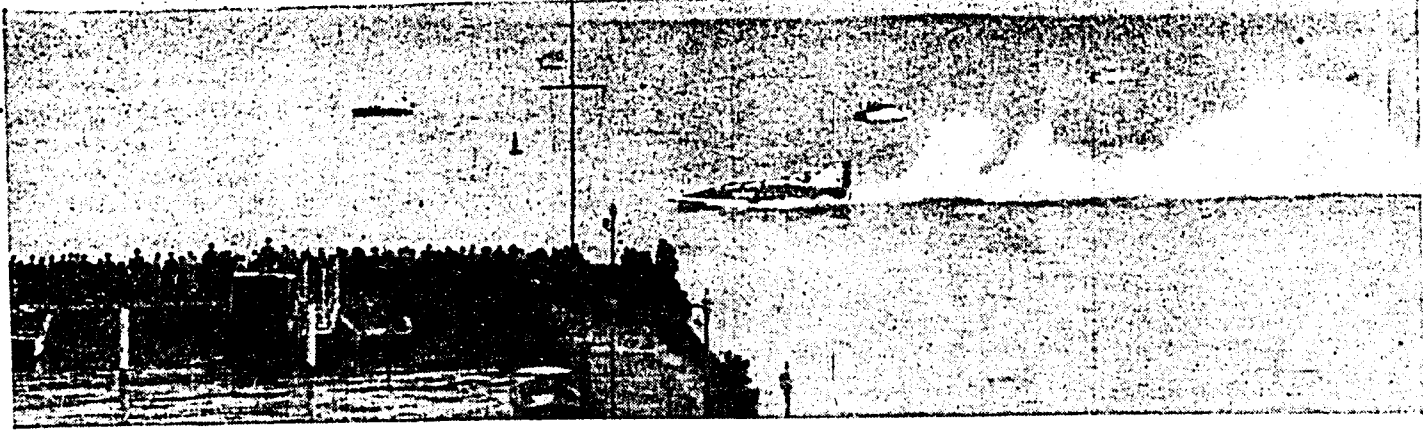

Complete Reversal
In this game the Blue Devils had a complete reversal of form over the week previous when Wyandotte upset them 21 to 0 and knocked them out of the title chase for the BCL crown.

Led by Mike Rauth, the Pointers smallest package of dynamite who, game in and game out, turns in a yeoman performance at his linebacker position, the linemen covered themselves with glory with a sparkling performance both on offense and defense.

If scores mean anything, and they usually don't in this game of football, the Blue Devils should be a one point favorite to beat Fordson next Saturday at the annual Dad's Day game. Fordson turned back Highland Park a week ago, 25 to 0. The Grosse Pointe dad's may be in for the thrill of their lives, because a Grosse Pointe team has never won a Dad's Day game since it started four years ago.

Tied for Second
The Highland Park victory boosted the Pointers into a two-way tie for second place in the Border Cities League standings with Wyandotte, who suffered a 13 to 7 setback at the hands of the Monroe Trojans. Monroe shares the League lead with Royal Oak, who remained in contention for the crown by beating Fordson 19 to 7.

SOMETHING ADDED
Today most Americans feel they are entitled to life, liberty and a brand new automobile in which to pursue happiness.

Below: Most of the activity took place at the dock after "Such Crust III" was towed in with a broken strut and bent propeller shaft after her practice run. Officials, owners and drivers decided to cancel the program after Duby said the water was too rough to attempt run. Lee Schoenith can be seen standing on his new boat, "Gale III," as "Such Crust III," top left, and George Simon's "Miss U.S." get a gander by some of the disappointed crowd who had gathered in hopes of seeing speed boat history made.

Boat Banter

By Fred Runnells

That long, low rumble that was heard last Sunday afternoon, October 25, was not thunder as you might have expected. It was the majority of the almost 4000 speedboat fans who turned out to watch four unlimited class boats try and crack Stan Sayres world record of 178.497 mph.

Scores of cars lining Lake Shore road, thousands of people sat on the breakwall fronting on the measured mile course, approximately 200 spectators craft and four seaplanes anchored along the course in the lake and over 500 persons jammed the Grosse Pointe Y. C. dock to watch the attempts by Jack Schafer's "Such Crust III" and V. Joe Schoenith's new "Gale III" and George Simon's "Miss U. S."

Actually, the record attempts were to have been made the day before, (Saturday), but rain and wind whipped the course into a seething froth and everyone who attended the wonderful breakfast Jack Schafer held for the press, radio, TV men and guests which numbered about 200, at the Grosse Pointe Y. C., easily understood why the speed runs were postponed to the following day.

Sunday's program was supposed to have gotten underway at 2:30 p.m. but it wasn't until after 3 that Roy Duby took "Such Crust III" over the course in a practice run which wasn't officially timed by the APBA officials but it was estimated "SC III" didn't go over 80 m.p.h. over the measured mile before Duby brought it to a quick halt after crossing the line opposite the Grosse Pointe Y. C. dock, with a broken strut and a bent propeller shaft.

In one of the daily papers the scribe said "a THREE FOOT ground swell and unruly waves forced the cancellation."

To the ordinary fan the lake was like a mirror and they could not understand the postponement and went away grumbling something unkind about the advance publicity buildup on the record attempts and the failure of the owners to put their boats through their paces. Of course on the other hand the more ardent fan, although disappointed, understood the adverse conditions which called the whole thing off. One wag took the attitude

Barrett's Leads Business Loop

By Fred Runnells

Barrett's and Kennelly continued to their one-two lead in the Grosse Pointe Business Men's Bowling League last Thursday as they blanked Norman and Beldings for four points.

Art Young's is now a close third as the result of taking four from Kemp.

Pete Moor's also took four from Vermeylen, putting them very close to the leaders.

No new changes have occurred in the high score standing, although there were 14 200 or better games rolled. Members of the 200 Club this week were as follows: Pancotto 203-200, Crechiola 208, Palumbo 201, Carroll 211, Caprini 211, Warren 228, Paterson 210, Petz 203, Higgins 208, DeRidder 220, Cucchi 203, Navitt 216, Olson 203 and O'Toole 207.

Missed Conversion Costs St. Ambrose Crucial Game

By Fred Runnells

Chances for the Big 12 Conference championship went down the drain last Sunday, October 25, for the Cavaliers of St. Ambrose when "Automatic" Tom Brown missed a conversion in the dying seconds of the final quarter of the crucial game with St. Charles.

It wasn't Brown's fault that the Cavaliers dropped their first game in five league contests and dropped from the ranks of the unbeaten. As a matter of fact it wasn't anyone's fault that the Cavaliers wound up on the short end of the 21 to 20 score.

Was Great Game
It was a dandy ball game that could have gone either way but Dame Fortune smiled on St. Charles, as that fickle female has done for the last two years and 21 straight ball games. St. Charles is the defending champion and the victory over the powerful Cavaliers put them in the drivers seat to retain the league crown which has been their for the past two years.

The Cavaliers spotted St. Charles two touchdowns, an extra point and a safety in the first half and then came back to make a ballgame of it.

Take Early Lead
St. Charles bounced into the lead early in the game when Chuck Valade smashed over for the final 5 yards and Buysee kicked the extra point. Then they registered the safety when they trapped quarterback Mary Peeters in his own end zone for two points. Bill Buysee collected St. Charles' second touchdown on an 8-yard run just before the first half ended.

St. Ambrose closed the gap a little when Captain Fred Saad sliced off tackle and raced 39 yards down the sidelines for the Cavaliers' first score of the game. Tom Brown converted and the teams left the field with the Cavaliers trailing 15 to 7.

Almost Tie Score

By Fred Runnells

In the third period St. Ambrose came within an eyelash of tying the count when Tom Brown went 20 yards on fourth down to score. Brown added the extra point to put his team within one point of a tie, 15 to 14, going into the final quarter.

Jim Brassell scored what looked like the clincher for St. Charles with a 12-yard scamper into the end zone. The pass for the extra point failed and Cavalier fans took heart.

St. Ambrose fought back valiantly in the dying minutes of the

Fumbles Help Flyers Beat St. Rose Eleven by 18-6

Fumbles by St. Rose set up two St. Paul touchdowns and helped the Flyers chalk up their third victory in five league starts last Sunday, Oct. 25, over St. Rose, 18 to 6, on the Neighborhood Club field.

Taking advantage of the St. Rose miscues the Flyers struck for touchdowns in the first, third and fourth quarters to gain their margin of victory.

Recover Fumble
Pat McEachin recovered a St. Rose fumble early in the first quarter on the St. Paul 40, and the Flyers put together a 60 yard sustained drive highlighted by the passing of quarterback Ted Monahan. He hit Joe Bajin with

a 10 yard toss and another 10 yard toss to Phil Van Tiem, who climaxed the drive with a 25 yard run after taking the pass for the score. Bene Graham tried to run for the extra point but was stopped.

St. Rose wasted no time getting back in the ball game when Gil Wolfe picked up Bob Louwers' kickoff after the touchdown, on his own 25 and raced 75 yards to knot the count at 6-all. Karl Kiefer kept the score at 6-all when he blocked the attempted conversion kick.

Deadlocked at Half
Both teams battled valiantly through the second quarter but neither was able to dent the others defense and the teams left the field deadlocked at the half-time intermission.

Phil Van Tiem cracked the deadlock with a 25 yard end run in the early stages of the third period. Ted Monahan had connected on passes to Wally Hogue, Joe Bejin and Van Tiem in the 45 yard drive after St. Rose was forced to punt out of danger. Monahan's pass to Jim Ayrault for the extra point was knocked down.

Grabs Another Fumble

Mike Sheehan recovered a St. Rose fumble on the St. Rose 35 and once again passes to Bejin and Van Tiem decided the fate of St. Rose. The payoff punch came on a 10 yard pass to Bejin, who gathered the pigskin in on the St. Rose 13 and scampered the remaining distance for the touchdown.

The Flyers kept their record clean in the point after touchdown department when Graham's boot was blocked. Actually, it didn't make much difference because there wasn't enough time left for St. Rose to catch the high flying Flyers.

Coach Eddie Lauer's outfit walked off the field with an 18 to 6 victory and their eyes set on next Sunday's game, November 1, with the powerful St. Charles, this juggernaut is unbeaten in five straight league contests and riding in second place in the Big 12 Conference standings. St. Charles is forced to settle for second place by virtue of having played one less game than the league leading St. Florian team.

Monahan is Star

Teddy Monahan's passing arm was the most feared weapon in the Flyers' attack which kept St. Rose off balance all afternoon. Ted completed 10 of 14 attempts.

This game has a lot at stake. If the Flyers take the measure of St. Charles on the Inter-Parish field (old Mack Park), on Fairview and Mack they would remain in fourth place in the 12 team league and assure themselves of at least a tie for fourth place in the final standings.

A Flyer victory would also enable St. Ambrose to move into a two-way tie for second place with St. Charles and breathe a breath of life into the Cavaliers' chances for the title.

D.U.S. Remains In Fight For Title

D.U.S. remained in the thick of the title fight in the South-eastern Suburban League with an unimpressive 14 to 6 victory over victoryless Huron Valley last Friday, October 23, on Huron's home gridiron.

The defending champions from Cook road took things easy during the first half of the contest but apparently head coach Yeager

installed the necessary fight into the boys during the halftime intermission and his team came back with a road in the second half with touchdowns by Rob Ryan and Dave Wark. Wark also added the extra point after each score to give the local lads their margin of victory.

Huron Valley collected a token touchdown in the late stages of the final period.

The victory was the second in succession for D.U.S. and tied it with Harper Woods for second place just one game off the pace set by the league-leading A. E. Smith, who is unbeaten but tied once in league competition.

Both D.U.S. and Harper Woods have been forced to play second fiddle to Smith.
The Cook road team points to the fact a combination of one Smith defeat and two D.U.S. victories could keep the title at the school on Cook road. The key game to the title picture is the lone blemish on Smith's record, which was a tie with Country Day earlier in the season. By scoring victories in its final two games Harper Woods could also step into the title picture in the same manner as D.U.S.

Now all this fairy tale would be nice to listen to if D.U.S. and

Harper Woods didn't meet this season. BUT next Friday, October 30, these two teams will engage in a do or die battle on the D.U.S. gridiron. The vanquished will drop by the wayside and the victors' hopes will remain alive at least another week. The scheduled kick off time is 3 p.m.

Starting Girls' Basketball Loop

Girls who like to play basketball are urged to go to the Neighborhood Club on Thursday nights at which time they will have the gym for practice. Anyone interested in getting on a team will be welcome.

There will be two divisions in the League—Junior for girls 15 and under and Senior for girls 15 and over.

Thursday night, November 5, at 8 o'clock there will be a meeting of all captains and coaches of girls' teams interested in entering the annual Grosse Pointe Girls Basketball League, in order to set up rules and regulations. This League is open to all girls teams including Detroit teams.

PILFERINGS

E. B. White many years ago had this to say of Society . . . and he's probably still saying it:

"Over a period of years we have gained the impression that instead of there being a great many debutantes, there is really only one. Every day we see a picture of the debutante in the society pages, and although we used to imagine that the portrait changed from day to day, we now realize that it doesn't: it is the same girl. Her name is either Katrinka Suydam or Janet Stone, or some name like that—we forget. The guests at her party are also the same from day to day. To us the news about her has been extremely meager. Here this girl has had her picture in the paper for years, with the list of guests at her party, and never once has any real news leaked out. Where did she 'come out' from? What is she getting into? What funny or amusing remark did she make during the course of the evening? Does she dance well or badly? What is her favorite book and when did she read it? As for the guests, in naming them tell which had a good time and which were bored. Any little item at all would help. We can't go on like this, living in the dark."

And on the subject of humor, the same author said in 1934:

"We notice that the Mark Twain Association is trying to raise \$200,000 to found a chair of humor, its purpose being to instruct college students in the appreciation of life's funny side, granting it still has one. The addition of another snap course will be welcome news on all camps; nevertheless, we feel that students in 'Appreciation of Humor' should be warned right at the start that humor has no social standing in letters. It should be made clear to any student who might be considering a career of humor that after he has written his arm off, for funnier or for worse, even his best friend will still ask: 'When are you going to do something really important?'"

Pointer of Interest

MR. AND MRS. ROBERT RODGERS OF LOCHMOOR BOULEVARD

By Jane Schermerhorn

When we heard that petite, blue-eyed and blond Mrs. Robert Rodgers had been cast as her husband's young daughter in AWVS's forthcoming play, "Ring Around Elizabeth" (at Players' Playhouse this Friday and Saturday evening), we hurried out to their Lochmoor boulevard home to see what this pretty state of affairs was doing to the principals.

Well, Mrs. Rodgers couldn't have looked prettier. She was wearing an intriguing outfit: deep blue corduroy lounging slacks (pedal pusher length) and a heaven blue corduroy top. On her feet were interesting red slippers, very Frenchie and very high-heeled. On her ears were the very most fascinating earrings we've ever seen—long hoops that twirled around as Mrs. Rodgers grew interested and emphatic in what she was saying.

She plumped herself down in one of the contemporary chairs, the whole house is in this decor and very well done, and confessed she was flattered to be chosen as an eighteen year old girl because some times eighteen seems quite a time back when she looks at her three charming children: Joseph, aged ten, Carol, now nine, and Roberta, who is six.

The casting of his wife as his daughter didn't seem to have affected Mr. Rodgers one iota. He is a quiet kind of man with a genius for transforming anything impossible in a house into just exactly what he and Mrs. Rodgers want. We rather imagine he's been chiefly concerned in memorizing, letter perfect, the long part which he will play.

First Appearances
All told, the Rodgers are excited about "Ring Around Elizabeth" because it's their first play and it has meant a lot of work. They both joined the little theater group of AWVS last Summer and practically ever since have been spending two nights each week and all day Sundays rehearsing with the ten other characters in the play all under

the direction of Dallas Chapin. "It's a psychological comedy-drama . . . lot's of fun . . . and lots of surprises," said the Rodgers.

The two performances at Players' Playhouse will raise funds for a station wagon AWVS hopes to contribute to the Detroit Orthopedic Clinic. Every cent spent on tickets goes to their project and the champagne punch, being served at the Afterglow following the performance has been donated right down to the ice!

Contemporary Decor
When the Rodgers bought the picturesque white Spanish house in which they now live, they waited a full year before moving in. It took that long for the new owners to make all the changes and to transform the interior into what easily could be pages out of House Beautiful of a chic contemporary home.

There are George Nelson sofas . . . Charles Eames chairs . . . Richard Kelly lamps (one beauty which is suspended from the ceiling can be raised and lowered at will). All these names are important to those who know their modern decor.

While Mr. Rodgers enlarges windows (where architects say it's impossible) and builds furniture for the children's room, Mrs. Rodgers whips off to Chicago and the Good Design Show.

Former Pointer Alexander Girard is one of the board of governors for this show which presents over 300 pieces of all that's contemporary with the exception of painting.

Of course Mrs. Rodgers' early training at Detroit Society of Arts and Crafts is no doubt a helpful background for this sort of interest. She no longer paints but her love of paintings and her

interest in artists hasn't decreased a bit.

She led us over to the interesting canvas of the Rodger children. It was done a couple of years ago and shows the youngsters against a background of Punch and Judy like characters.

Its artist was Evelyn Brackett who has had several of her works hung in exhibits at the Detroit Institute of Art. In fact the painting of the Rodger children was shown at an exhibit in Boston before it graced its owners' walls.

Near the grand piano (both Mr. and Mrs. R. are very serious about their music lessons) the man of the house has arranged three ceiling to floor bamboo poles. The biggest, most luxuriant split leaf giant philodendron we've ever seen is growing up those poles just like Jack's bean stalk.

At the entrance to the living room there is a stone planter which Mrs. Rodgers' arrangements cause to seem a constant growing garden. It was a lovely spot of color when we saw it . . . pale yellow roses, tall ruby gladioli, deep pink carnations surrounded by greenery and a beautiful white foliage.

The arranging course which the lady of the house takes at the Detroit Boat Club left its impression on another low crystal bowl filled with Scotch pine, dwarf purple dahlias, and Fuji mums. Still another arrangement we admired was the work of Roberta who can make corsages artistically, too.

The Rodgers love to pursue their hobbies, together. Winter finds them off to Osego in Northern Michigan, with their skis and outdoor togs. Mr. Rodgers' childhood in New York state made him an early devotee of this sport when he flew down the runs at Lake Placid.

It was in the East, too, that he first learned to handle a cat boat and this later caught the fancy of Mrs. Rodgers, who sails in regattas with her husband on the Summer lakes.

Favorite Recipes of People in the Know

BEEF STROGANOFF

Contributed by Chet Sampson
Editors Note: This recipe was prepared by Barbara Rush, star at Universal-International Pictures, for a dinner party honoring Mr. Sampson when he was in Hollywood this past Summer. According to a very recent issue of Photoplay, Barbara is well known for serving Stroganoff at her dinner parties, and she even gave Chet the recipe.

Trim one and a half pounds of sirloin and cut into strips 1/4 inch wide. Dredge in flour and brown in small amount of fat (possibly trimmings from sirloin). Transfer to casserole and add one can of consommé or bouillon to drippings in pan to make gravy. Add gravy to casserole.

Then saute two large onions* and one-half pound of fresh mushrooms and one finely cut garlic clove in four tablespoons of butter. Add these, plus one teaspoon of paprika and one tablespoon Worcestershire sauce to casserole. Stir in one pint of sour cream and bake in 350 degree oven (covered) for 30-45 minutes. May be made day ahead and reheated.

Serve with wild rice or in a rice ring.

*Editor's Note II: Chet's recipe to us read, "Saute two large onions" but we're sure that's just part of all the dazle of opening his new travel agency and are content that you may use onions in the recipe.

One for the money, (the tickets are only \$1.50 including tax), TWO for the show . . . "FASHION FUTURAMA . . . THREE to get ready, yes, your hair and nails must be done by Nov. 3rd, because the next day Marie Bird's will be given, over exclusively to the beautiful models for the Big Event, and FOUR to go . . . to what promises to be THE Fashion and Beauty Show of the year starring Madame Marguerite Buck, of international fame and Detroit's own favorite Mary Morgan, Beauty Editor of radio station CKLW. You will see some of Grosse Pointe's loveliest mothers and children modeling clothes by Irving and Young Clothes. There will be prizes, too . . . among them three ORCHID LEIS, a gift from the Hawaii Visitor's Bureau. The purpose of the show is a good one since all the proceeds from the sale will be donated to the United Foundation Torch Fund Drive. Tickets are now on sale at Marie Bird's Salon, 117 Kercheval, a-top the hill. Remember it's Pierce Auditorium, Wednesday evening, November 4th at 8:00 p.m. . . . the doors will be open at 7:45 p.m. so why not arrive early and be sure of a good seat.

We know a gal that wanted a Paris brewed light coat . . . light colored . . . and she did something about it. She picked a swoop of wool fleece in lush pink . . . rolled collar . . . push-up sleeves . . . with a modified back fullness. It featured Dior's new hem length . . . shorter. It was an original out of the house of Bellocchio. She spotted it first in the October issue of Harper's Bazaar . . . page 73. She could have had a powder blue fitted one . . . the kind that doesn't allow room for an extra olive . . . tulip bodice . . . full skirt . . . push-up sleeves . . . of the same soft, enveloping fleece. She found it in a luxurious collection of coats at Jacobson's for around one hundred and fifty dollars.

There is a lyrical lightness . . . a romantic grace of detail to the ceramic dinner bells that Mr. Gillis . . . he of 403 Fisher Road . . . brought back from his latest jaunt to New York. Some are functional . . . others we dub as plain CHARACTERS. Besides giving your family a dinner call to dinner, they would make an ideal gift for your week-end hostess . . . or a bright Christmas gift for collectors of things ceramic.

Walton-Pierce, as usual, excels in suit fashions. And when you see the variety in every type and style of suit in this collection you'll agree, it's odds you won't look farther. There are John Barr tweeds among wools, checked cashmeres, camel's hair, men's worsteds, fine broadcloths, new silk and wool combinations, imported fabrics, and a few tailored by Davidow. More elegant suits have jewel and bead trim. The size range is good . . . 12 to 40 . . . 7 to 15. Delman has the perfect suit shoes in calf-skin or suede . . . and Delman's are exclusive with Walton-Pierce. Sounds exciting, doesn't it? 17100 Kercheval at St. Clair, in the village.

This is not a season of light toned stockings as the supporters of the nude look would have it, nor a season of all darks as advocated by the opposite field. It is to all purposes, a season of light to dark shades in hosiery. It is not a case of weighing one against the other, since the current fashions dictate the need for both color ranges. What really registers in the D. J. Healy collection of hosiery is a full gamut of light to dark colors. For your blacks . . . your charcoal grays . . . you could choose McCallum's . . . Silver Fox. The burnished hue of Glory (a reddish brown) goes with browns. Shadow-beige is called for in your pastel shades which continue in the spotlight. It is the light shaded hose that spotlights your reds, too. Healy's carry the three perfect proportions . . . not only in McCallum . . . but No-Mend, and Gotham Gold Stripe.

Will the wee ghosts and witches and goblins you see Saturday next be just a memory? If you want the children to have a record of their Halloween fun why not get them a Brownie Camera for seven dollars and twenty cents? The pictures are in black and white or color. A simple flash unit can be brought separately. Camera Center . . . in the village.

Special to spouses. Everything we saw at Denny's Men's Wear, on the hill, Monday, was tailored to a king's taste. For traveling there are lightweight washable robes . . . for lounging at home . . . a robe of all wool flannel in charcoal gray . . . with broad stripes. Gay and mannish are green and white candy stick pajamas. Among the many, many styles and fabrics (they feature ski pajamas, too) we liked the fine broadcloth in multiple red stripes on white ground . . . featuring a short, round collar. We'll solve OUR man problem at Denny's this season.

Who is one of the best known FOOT GODDLERS in the Pointe? You've guessed it already . . . HORNUNG'S . . . on the hill. We went looking for boots this week for more than one member of the family and our jaunt ended right there. There are tall rubber boots . . . short rubber boots . . . fur trimmed and plain boots . . . there are all sizes. Shipments arrive just like clock work. The rain and slush season is with us, but who cares? Clyde Hornung is here in the Pointe, too.

For your relaxing hours there are Bedspecs. They are designed for genuine relaxation and they avoid eye fatigue. Prismatic glasses give you a new right angle vision for reading in bed, in reclining chairs and watching television. In fact television images are strikingly enhanced and improved. You might ask, "Are Bedspecs approved by eye doctors?" Yes, indeed. They have been carefully inspected and completely approved by some of the most eminent ophthalmologists and optometrists in America. They were pronounced not only optically perfect and safe but beneficial. Wear them either with or without regular glasses. If you wear glasses, put your Bedspecs on right over them. Bedspecs do not require professional fitting. For those who have to lie down, for the sick, injured, and elderly . . . and even for those who may be sick or hospitalized only temporarily . . . Bedspecs are a tremendous boon. This superlative, sincerely appreciated gift is featured at Johnston's Optical Co., on the hill.

Woven baskets in the form of Cornucopia . . . wine bottles . . . bread baskets . . . and cake plates are new. So are pie plates and casserole basket holders. They make wonderful centerpiece and serving dishes. Nests of waste baskets are in this collection at Fromm's, in the village.

If dinner doesn't mean a black-tie for grown-ups and early dinner for the children . . . if dinner means family, friends, good conversation, entertaining informally . . . then this is for you. There is a gaiety and vitality about the peasant place mat sets we saw in Jacobson's Home Decorative Shop. The background is darker than natural linen . . . but the ceramic patterns are burgeoning colors. The set consists of four place mats with napkins to match. On your next visit to Jacobson's Home Decorative Shop ask to see the new guest towels . . . cocktail napkins and Yule tablecloths.

Designed to make her eyes pop on the morning of December 25 are doll duds in a chest. They're clothes designed to fit Terry Lee a doll featured Jacobson's Children Department. Included in the chest is a garden-party dress . . . a scotch outfit . . . bridal gown . . . coat and bonnet . . . a gold-lace ballerina costume. It's a FABULOUS wardrobe, and it should be for \$125. Sold separately are western boots . . . gold skates . . . fur (leopard) coat and hat. Elegant, uh?

We're UP in the CLOUDS right now . . .

... but we hope we'll be down to earth when our internationally famous guest, MADAME MARGUERITE BUCK, arrives to star in "FASHION FUTURAMA," Wednesday evening November 4th, at Pierce Junior High School Auditorium. Do plan to attend this exciting event!

Tickets are now on sale at the salon . . . all proceeds will be donated to the United Foundation Torch Fund Drive.
