WOODS INCINERATOR PLAN RAPPED

HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, February 25

A SCHEDULED SHOWDOWN hearing between Senator McCarthy and Secretary of the Army Robert T. Stevens, was cancelled when the secretary suddenly agreed to release a list of all persons involved in promoting and honoring discharging Major Irving Peress of New York, accused as a Communist.

Friday, February 26

GOV. WILLIAMS, entering the growing investigation of alleged frauds in right-of-way purchases on roads throughout the State, demanded information on appraisals made and prices that were paid in the last 10 years. He also demanded that Highway Commissioner Charles M. Zeigler prepare a record of all transactions since 1944.

Saturday, February 27

SENATE REPUBLICAN leaders' investigation into methods of Senate committees will include a check on Senator McCarthy's Communist hunting tactics. The action by the powerful Senate Republican Policy Committee, headed by Michigan's Senator Ferguson, came as McCarthy declared he has "no differences" with Army Secretary Robert T. Stevens or the White House.

Sunday, February 28

A SUNDAY SCHOOL teacher in Memphis, Tenn., wanting to impress the Bible on her pupils, asked that they pick a story from the good Book and draw a picture of it. The results pleased her very much until she noticed one youngster drawing a sports car with three faces looking out. "What Bible story is that?" she asked. "That's the story of the Lord driving Adam and Eve out of the Garden of Eden," was the reply.

Monday, March 1

SYNGMAN RHEE, South Korean president, again threatened to use force to unite his country into a single nation. He made the announcement on the occasion of Korea's 35th anniversary of its declaration of independence from Japan.

Tuesday, March 2

THIRTY-ONE PERSONS were killed in riots sparked by the arrival of Egypt's restored president, Mohamed Najuib. A state of emergency was declared after police fired into a crowd of spear-wielding Sudanese tribesmen, who attempted to invade the British Embassy where Najuib was staying.

Wednesday, March 3

A PUERTO RICAN, Pedro Orozco, 24, was arrested in Hartford, Conn., and held for a Federal Grand Jury on charges that he threatened the life of President Eisenhower. The arrest occurred about the same time that four other Puerto Ricans shot and wounded five congressmen in the House of Representatives in Washington D. C.

They Help the Red Cross the Year 'Round

The annual Red Cross campaign for funds to supplement the amount received from the United Foundation, was launched this week. All Pointe residents who have not previously donated, are urged to make contributions to help this organization carry on its tremendously important work. These three Pointe residents are among many who make the Red Cross their business throughout the whole year, helping at blood banks and carrying out special assignments. Left to right are: MRS. ARTHUR H. BUHL, JR. of Provenal road; MRS. W. DEAN ROBINSON of Provenal road, and MRS. WILLIAM K. MUIR of Ridge road. Mrs. Muir is secretary of the Detroit chapter and a member of the board of directors.

Face Charges Of Breaking Curfew Law

Parents Leave Small Children In Movie While They Bowl Until Past Midnight

Mr. and Mrs. Ray Mathias of 22825 Maxine, will be cited before Woods Judge Don Goodrow on Monday, March 15, for violation of the city's curfew law in connection with their three young children.

According to Woods Director of Public Safety Vern Bailey, the couple had planned a night of bowling on Sunday, February 28. Not able to find a baby sitter for their three small children, James, 7; Arthur, 6; and Glenn Carol, 4; they took them to the Woods Theater at 6:30 p.m. purchased tickets for them and permitted them to enter the theater alone.

About 11 p.m., the manager of the show called Woods police to inform them that the Mathias children were all alone and that no one had called for them.

The children were taken to the Woods station, where the parents called for them at about 12:30 a.m., Monday.

The Woods curfew law states that all children under 10, unless accompanied by an adult or a person of at least 18, must be at home by 7 p.m.

The parents claimed they did not violate the curfew intentionally, but they could not break their evening's engagement and they thought the children could be left in the theater until they called for them.

Five Young Hoodlums Give Pair of Brothers Vicious Beatings; Two Also Robbed

Three of Quintet Are Pointers; Face Serious Charges After Being Arrested by Roseville Police Following Fracas

Three Pointe youths, one a 15-year-old, were among five teenagers rounded up by Mt. Clemens and Macomb County authorities on Thursday, February 25, on a charge of unarmed robbery and viciously beating their victims.

Using beer bottles and a lead bar, the youths attacked Leo and Leon McMillan; brothers, both of 24495 Twenty-six Mile road, New Haven, outside a Mt. Clemens drive-in restaurant, and again at a secluded spot near the city, to which the two brothers were forcibly taken.

Brutally Beaten
The brothers were subjected to 45 minutes of brutal terrorism, and had their wallets taken, before the young hoodlums released them.

Being held by Mt. Clemens police are Martin Allard, 18, of 468 Notre Dame; Merril S. Hodgson, 17, 2085 Ridgemont; Louis G. Steenberg, 17, of 20515 Hollywood, Harper Woods; Remy F. Gamble, 19, of 14642 Glenwood, Detroit; and the 15-year-old, a Woods resident, who was turned over to juvenile authorities.

Chief Assistant Prosecutor Cecil A. Byers of Macomb County, who issued warrants against the boys, called them vicious hoodlums, capable of murder.

Had Past Records
The City, Woods and Detroit police reported knowing the five on the basis of past records ranging from school and traffic complaints on the part of the

15-year-old, to more serious trouble, (including a gang fight) charged against Allard.

Allard seemed to have dominated the assault on the brothers. He was alleged to have held the leaden bar, with which he struck Leon on the side of the head, stunning him.

Allard was also revealed as having gotten behind the wheel of the McMillans car, and driving to an isolated spot, pulled both victims out of the car, before they were set upon by the others.

Kicked While Down
The brothers told police that the five commenced beating them with beer bottles and when they fell to the ground, their assailants repeatedly kicked them.

When Leon attempted to get to the aid of his brother, Allard set upon him. Finally the assailants removed the wallets from their victims' pockets.

Warned Victims
After driving the brothers to Gratiot, Allard warned them not to go to the police on threat of a more severe beating, but when released, the McMillans went to the authorities and reported what had happened. They gave the police the car license number of the teenagers' car.

The five young hoodlums were stopped and arrested by Roseville police who received a description and the license number of the car over a teletype.

Plans Ready For World Prayer Day

Women of 11 Churches in Area to Hear Talk by Dr. Robert M. Frehse

Babe Ruth Baseball League Holding Rally on March 10

The recently formed Babe Ruth League of Grosse Pointe will hold its first big rally at the Grosse Pointe High School Auditorium on Wednesday evening, March 10, at 7:30. All 13, 14, and 15-year old boys and their fathers in the Pointe are cordially asked to attend. At this meeting the boys will register to play in the forthcoming regular season, and their dads will volunteer to do whatever each of them can best offer to help out in this project. A big rally appears in the making.

Ty Tyson, sports announcer, and Michigan State Commissioner of the Babe Ruth Leagues, and Billy Rogell, Detroit city councilman and former player on championship Tiger teams, will be the principal speakers. A baseball, movie and films of the 1953 World Series between the

Dodgers and the Yanks will be shown.

Babe Ruth League baseball for early teen-age boys takes over where Little Leagues ends. It will be played this year in the Pointe in at least two divisions which have already been formed, one for the Park and City; and one division for the Farms and Shores. It is hoped that there will be a big enough turn-out from Grosse Pointe Woods to get a division started in the Woods.

Baseballs will be given out as door prizes on a drawing of forms which the boys will sign at the meeting March 10th, and these forms will be the first registration for playing next summer.

Bill Brown, former big leaguer and a resident of the Park, and Gordon Wood, president of the Babe Ruth League in the Pointe, are making arrangements for the March 10 meeting.

750 Residents Pan Project At Big Rally

Will Circulate Petitions to Prohibit Proposed Erection Of Plant in City

The estimated 750 Woods residents who attended a special meeting in the Parcels Junior High School auditorium on Friday, February 26, to hear city officials outline plans for a proposed municipally-owned incinerator, left at the end of the session, unconvinced of the feasibility of the project.

Despite a detailed, lengthy explanation, presented by Councilman Waid McKnight, following a barrage of questions from the audience, the people, most of whom lived in the Aline road area, near the site of the proposed incinerator, were cold to the idea of the city undertaking such a project. They made it clear they did not want such an edifice near their homes or anywhere else in the city.

Other Officers Present
Representing the city, besides Councilman McKnight, were Councilwoman Elsie Friedrich, Councilman Harry Pratt and City Manager Ray MacArthur. Each spoke on the benefits of a city-owned incinerator, but the brunt of the explanation fell on McKnight, who has been studying the problem for the last three years.

The residents were informed by councilman, that the cost of their garbage and rubbish collection has risen from \$19,000 for the fiscal year 1947-48 to \$80,000 for 1953-54. He made known that the pickups are on a month to month basis, because, at present, the city's rubbish and refuse are being disposed of through Detroit's incinerators.

Has Right to Refuse
He said the month to month basis must prevail, because the larger city reserves the right to refuse to take the Woods' waste materials.

He pointed out that the Woods taxpayers are paying \$6 a ton to Detroit for this service. The cost has risen, he said, but the private contractor, who does the garbage and rubbish collecting for the city, is paying the difference from his own pocket.

Councilman McKnight drew a rough diagram of incinerators that he and City Manager MacArthur had visited in Cleveland and Lakewood, Ohio, several weeks ago. He explained how they operated, and above all, how clean they were inside and out.

He then drew an outline showing where the proposed incinerator would be located at Marter road and the Girard Drain and

Obtain Warrants In Two Arrests

Park police obtained two warrants on Monday, March 1, charging one man with being disorderly and another with uttering and publishing a forged instrument.

Raymond A. Van Kerschaver, 27, of 22505 Raven avenue, was arrested on Sunday, February 28, in front of 998 Nottingham, by Patrolmen Dilloway and Art Conlan, and charged with being drunk and disorderly and using indecent language in the presence of women and children.

The other warrant was obtained on complaint of the manager of Miller's Drug store on Kercheval, Louis Honigman, and against Don Lowry of Kingston, Ont., charging him with uttering and publishing a forged instrument.

Lowry is the "Dr. H. Knock" who victimized seven Pointe druggists, with his glib talk and manner which led the druggists into cashing \$50 checks.

Park Police Chief Louwers, disclosed that one of the victims, the proprietor of Sullivan's Drug store on Kercheval, becoming suspicious, cashed the "doctor's" check by giving him \$25 in cash, and an I. O. U. for the balance.

Lowry was captured in Detroit, and is at present being held by Detroit authorities on uttering and publishing charges.

The Park has a hold order on him, in the event the Detroit police should let him go.

When arrested, Lowry had about \$2,000 in cash on his person, enough to pay back all those who had cashed his checks.

Neighbors Need Your Help To Conduct Red Cross Drive

Mrs. Harold B. Collins, general campaign chairman of the 1954 Red Cross campaign in Detroit and Wayne county during the month of March, has issued an appeal to local residents on behalf of the women who have volunteered to solicit funds and memberships in their home communities.

"Remember that the woman who calls at your door is your neighbor," said Mrs. Collins. "She calls as the representative of a great fellowship of neighbors, founded on the American tradition of people helping people, and she is entitled to the same courtesy you would expect to receive if you were in her place. If you have already contributed to Red Cross through the United Foundation, our volunteer will thank you. If not, this is your opportunity to join this great society of neighbors.

Rowe Drops Out Of Mayor's Race

Mayor Paul Rowe of the City of Grosse Pointe Woods will not be a candidate for reelection on April 5, he announced Monday.

The necessity for him to devote more time to his private business, was the reason given by Mr. Rowe for not running again.

He served as a member of the village commission for eight years before the Woods converted to city status in December of 1950. He ran for mayor at that time, but was defeated by Leon Ratcliffe, who served until April 1952. He was unopposed last year.

Mayor Rowe says he has thoroughly enjoyed his years of service to the village and the city, and will always maintain his deep interest in politics there.

Incinerator Plan Rapped

(Continued from Page 1) The route access to the plant until Eight Mile road can be extended.

This touched off, by residents in that area, the problem that has plagued the Woods for the last several months; heavy traffic which would be a danger to residents and their children.

At this point, Councilman McKnight pointed out that the incinerator might never be built, but the city must look to the future. He revealed that the Woods is still a member of the Grosse Pointe-Harper Woods Refuse and Rubbish Disposal Authority, which under the chairmanship of Park City Manager Everitt B. Lane, is seeking a site for the Authority's proposed incinerator.

Building of the Woods plant, he said, will be a last resort, that is, if the Authority's project falls, or if Detroit refused to accept any more Woods waste materials. That he stressed, is the problem which must be faced now.

A proposal by some residents suggested that the incinerator be built in the Woods' Mack avenue park, but the officials stated this was not advisable.

The residents unconvinced and dissatisfied with the results of the meeting, left the auditorium, some to continue discussion in the hallways, and others remaining for further explanations from McKnight.

Leslie H. Klauer, an attorney, and Karl Standley, both of Aline road, revealed that the large turnout was due to the efforts of 14 women living in their neighborhood. These women, they said, made door to door calls to urge the people to be present, and left leaflets, which they paid for from their own pockets.

Plead for Opposition The leaflets urged that if the people did not want to see a municipal rubbish incinerator on Marter road; or to have their area referred to as the "Woods Dump;" or to see the value of their property lowered, they should attend the special meeting and make their voices heard.

Klauer also made known that 50 people from Aline and vicinity will soon make a house to house canvass throughout the Woods, seeking signatures of registered voters on petitions, to prevent the city from building an incinerator, either at the Marter road site or anywhere else in the community.

He said, that according to law, if the canvassers obtain at least 25 percent of the registered voters' signatures, then the Woods can be stopped from building the plant.

Democratic Club Meets March 10

"The Political Significance" of Senator Wayne Morse's Bolt from the Republican Party" will be the topic of discussion at the Wednesday, March 10, meeting of the 14th Congressional District Young Democratic Club. The discussion will get underway at 8 p.m., at the Northeastern YMCA, Harper at Cadillac.

Al Barbour, 13825 Bringard, secretary-treasurer of the Wayne County CIO council, will be the featured speaker, following the playing of a 30-minute recording of a speech by Morse in which the senator explains why he left the GOP to become the only independent member of the U. S. Senate.

Morse was an early supporter of President Eisenhower for the Republican nomination. He broke with the party and like during the 1952 election campaign, charging that the GOP had been taken over by big business and the special interests. He said domination of party affairs by the Republican extreme right wing made it impossible for a liberal like himself to continue under the GOP label.

Barbour will comment on the effect Morse's decision is having on the national political scene. He will also relate the importance of Morse's action as far as Michigan is concerned and its probable effect on the 1954 and 1956 elections.

The meeting is open to the public, free of charge.

Police Chiefs Warn Motorists

The Grosse Pointe Police Chief stated that all of the Grosse Pointe Departments are stepping up their traffic law enforcement activities in response to a statewide request from the Chairman of the Michigan State Safety Commission, Owen J. Cleary, Secretary of State. This activity is part of the Obey Traffic Laws—Keep Your License emphasis program sponsored by the Commission and supported by all safety groups.

According to the Chiefs of Police as long as traffic accidents continue to increase throughout the state motorists must expect law enforcement to increase. Accidents won't come down until traffic violations come down. And violations can't be decreased until more violators are apprehended.

Each Chief explained that the enforcement activity of his agency will be tightened up in two ways—by gathering more evidence to support more serious charges in violations that threatened to endanger another—and by stopping more motorists for less serious offenses to discourage them from committing more serious ones in the future.

"This business of increasing enforcement because of increasing accidents will naturally result in more motorists having their licenses suspended—because it is the motorist the law enforcement agencies stop and those found guilty by the courts that are cited for license hearings by the department of state."

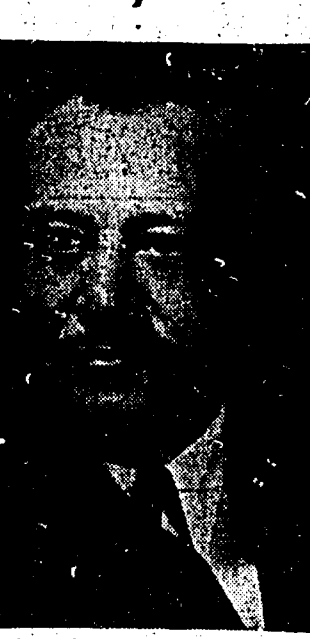

The Chiefs agreed that "Michigan motorists who violate the traffic law must expect to lose their licenses. They have violated the basis on which the privilege of driving was extended to them—a promise to obey the law and drive safely. All law abiding motorists will agree that one extreme violation which caused an accident or threatened to endanger someone, or a serious moving violation are more than ample justification for license suspension," they concluded.

James Kilgore Attends Army Language School

PRESIDIO OF MONTEREY, CALIF.—Pvt. James S. Kilgore, son of Mr. and Mrs. Lester C. Kilgore, 1065 Beaconsfield, Grosse Pointe Park, Mich., is now a student at the Army Language School, Presidio of Monterey, Calif.

He has been enrolled for a concentrated 46-week course in the Czechoslovakian language. Private Kilgore, whose wife, Mary Lou, is living at 414 Larkin street, Monterey, entered the Army last September and served at Fort Devens, Mass., before his present assignment. As a civilian, he attended the College of Wooster, Ohio, and was an advertising copywriter for the Hershey-Paxton Advertising Co. in Detroit.

Rotary Elects

WILLIAM G. WAHL

At a luncheon held in the War Memorial Center on Monday, March 1, members of the Grosse Pointe Rotary elected their officers for the coming year.

Elected to office were: William G. Wahl, president; Glenn M. Pratt, first vice president; David E. McCarron, second vice-president; Robert M. Orr, secretary; Herbert J. Baker, treasurer; and James Alexis, Dr. Austin S. Neeb and Herbert N. Savage, directors.

The newly elected officials will take office on July 1. BITING POOCH VANISHES Robert Veen, 14, of 354 Belanger, reported to Farms police on Thursday, February 25, that he had been bitten on the left shin by a dog. He went with police to the neighborhood where the bite occurred, but was unable to identify which dog bit him.

Kendall to Talk To Republicans

David W. Kendall, Republican National Committeeman from Michigan, will highlight the first 1954 14th District Young Republicans' meeting tonight, Thursday, March 4, at 8 o'clock at the Grosse Pointe War Memorial Center, with his talk, "The Year of Decision."

Launching the new year's program, Mr. Kendall, lawyer from Jackson, Michigan, former president of the School Board and former Judge Advocate of the ROA, will give his views on the role Republicans must play in the November elections.

In conjunction with Mr. Kendall's talk, reports from newly appointed committee chairman will outline the 1954 campaign of the 14th District Young Republicans. More active participation by young people in their government and a membership of 1,000 are the two major aims of the club for this year.

Following the meeting, there will be a social gathering during which members and guests will have an opportunity to meet Mr. Kendall.

At a December meeting, the following people were elected to key offices: James E. Daoust, chairman; J. Thomas Farley, vice-chairman; Lorraine Rogers, recording secretary; Janet Nowosielski, corresponding secretary and Ruth Smith, treasurer.

The Executive Board now includes: Eileen Seeley, Nancy Todaro, Bob Herdegen and John Steinhauer. Appointed as committee chairmen are: Herman Batts, membership; Will Brucker, program; Bob Herdegen, candidacy.

Even the Joneses have a hard time keeping up these days—they also have to be refinanced.

Painter Leaves Dismal Picture

Park police are investigating the theft of a large sum of money taken from a home on Saturday, February 27, during a brief absence of the house owner.

Ed Chapman of 1062 Beaconsfield, reported to police, that he had hired a painter to paint the interior of his home. During the course of the day, he said, he left the house for only a brief time, leaving the painter alone.

When he returned, Chapman stated, he found the man had left and a strong box broken, from which \$425 had been taken. Park authorities, investigating the incident, went to the address given Chapman by the painter, but found that the man had left permanently. His landlord did not know where the alleged thief had gone.

Plan Informative Program For Parcels PTA Meeting

The Parent-Teachers Association of Parcels Junior High School will give an informative program on the subject, "Audio-Visual Aids and the Three R's," at 8 p.m. on March 8. Teachers in various departments will demonstrate modern equipment used in the classroom to aid students in learning fundamentals. The use of records, films, film strips, the opaque projector, tape recorder, bulletin board, chalk board, and felt board will be explained by teachers in relationship to work done in different subjects at different grade levels. In some parts of the program students will participate, recreating typical classroom procedures. In the English Department several phases of the audio-visual program, will be shown. Mr. Roger McCaig and a group of students will study Julius Caesar, part of the 9-A curriculum, with the aid of the record player. Students who will take part are: Warren Appel, Judy Schultz, Vern Newison, Lillian Kellogg, Michael Meagher, Carol Anderson, David Gregory, Judy Grote, and Zoe Zoeckler.

The use of the opaque projector in improving student compositions will be explained by Mr. Edwin Wendt. Mrs. Joanne Miller will use the tape recorder with some General Reading students. These will include: — Peggy Henry, James Koestler, Bruce Olmstead, Lee Kyser and Truce Price. The Mathematics Department will provide examples of two types of audio-visual aids. Mrs. Molly Terres, with the assistance of Tom Blackwood, David Kalmbur, Linda Zeeb and Arthur Cornwell, will show uses of the chalkboard. Mr. Humphrey Jackson will show slides and other supplementary materials. Mrs. Anita Leslie of the Science Department will lead a class discussion based on the 16mm film, "Insects are Interesting." Her students will include: David Borland, Earl Walke, Ken Peters, Steve Keller, Margie Reins, Janet Weber, Rita Snyder and Nancy Reif. Her student projectionist will be Fred Cousino. Mr. Robert Roddevig and Mr. Fred Stegath will explain the use of bulletin boards, filmstrips and feltboards in relation to work in Social Studies. Mr. Vincent Peterson, principal of Parcels, will discuss the purpose of the audio-visual program in the classroom. Miss Wanda Daniels will explain educational research and experiment in this area. The program is under the direction of Mr. Alfred Harris. It is hoped that this will give parents a better understanding of the educational program carried on at Parcels. The meeting will be held in the auditorium of the school. Everyone is invited to attend.

Drinking Driver Hears Sentence

Harry L. France of 2493 Meldrum, Detroit, was fined \$85, had his license revoked for six months, and was placed on probation for three months by Park Judge C. Joseph Belanger on Monday, March 1. He was charged with violating the Drunk Motor Law and leaving the scene of an accident. According to police records, France was detected leaving the scene of an accident at Mack and Balfour, by a motorist who notified police. Police followed France's car south on Wayburn, and noticed it weaving from side to side. As they took up pursuit, the car ran through a stop street onto Charlevoix, and driving on the wrong side of the street, still weaving, continued to Alter road, in Detroit, where it was stopped. France informed the officers who arrested him, that he had lost his way. They took him back to the scene of the accident. A passenger, Clifford Conley of 2481 Meldrum, Detroit, who had also been drinking, stated that he knew France had hit another car, but did not know where. Judge Belanger ordered France to use his three months' probation to make restitution for damages to the other car.

The building is expected to be completed in mid-summer.

Pointe Theatre Experimenting

Cannon Memorial Recreation Center represents a new experiment for the Grosse Pointe Community Theatre. As a little theatre, this group has met with difficulties in finding a home. Cannon Memorial with its charmingly small auditorium may provide the intimacy which is the first requirement for a real rapport with an audience.

"Dangerous Corner," J. B. Priestley's famous play, should provide a fair trial for the new

arrangement. The play itself is about a dangerous experiment, when a little group of intimates tried telling the truth, the whole truth with no holds barred, for an evening. Once started, they couldn't stop and the tensions mounted and mounted until—

The lovely secretary with a secret is played by Colleen Kennedy; the wives by Loretta Takas and Phyllis Cardozo, the lady novelist by Adeline Bull. The men in their lives are played by Richard Robbins, Mark Reeve, and B. Charles Ladendorff.

The play is to be given Friday, March 5 and Saturday, March 6, at 8:30 p.m. Tickets, which are \$1.50, are at the box office or call Mrs. Roney at PRescott 5-5329. Cannon Memorial is the large recreation center at East Warren and Cadieux road.

February Health Report Submitted

Chicken pox, measles and mumps highlighted the February report of Dr. Thomas Davies, head of the Grosse Pointe-Harper Woods Health District. Harper Woods had the bulk of the cases of the first two diseases; with the Woods topping the field in the mumps category.

Of the 60 cases of chicken pox reported, three were in the Park, eight in the City, 17 in the Farms, two in the Woods and 30 in Harper Woods.

There were 36 cases of measles, distributed as follows: Park 1; City 5; Farms 7; Woods 8; Harper Woods 15.

The 33 cases of mumps were spread among: Park 1; Farms 2; Woods 17; and Harper Woods 13.

A total of 17 cases of scarlet fever were reported as follows: Park 1; Farms 4; Woods 3; Harper Woods 9.

One case of vivox malaria was reported in Harper Woods, and the Park and Harper Woods each had one case of whooping cough.

The 11 cases of animal bites were split as follows: Park 3; City 1; Farms 2; Harper Woods 5.

Vernier P.T.A. Holds Meeting

Gerald Schroeder, president, reported an entertaining and educational program for the general business meeting, Tuesday, March 2, of the Vernier P.T.A. The meeting featured Miss Esther L. Middlewood, director of Mental Health Education for the Department of Mental Health, State of Michigan. Miss Middlewood's topic for discussion was, "Mental Health Basic to Learning."

The program included a short business meeting. The final financial report of Mr. and Mrs. Dan Abbey, chairmen of the recent most successful square dance, was given.

Following the program and short business meeting, Mrs. Don Calhoun and her social committee planned a lunch and social hour. During the social hour parents had an opportunity to examine their child's school work and discuss their child's progress with the home room teacher.

City Judge Uvick Hears Five Cases

City Judge Joseph P. Uvick disposed of six traffic violation cases brought before him on Tuesday, February 23, two of which involved teen-agers accused of being in possession of alcoholic beverages.

Robert T. Dorsten, 18, of 2551 Ashland, Detroit, who was charged, with purchasing several bottles of beer and being a disorderly person, was fined \$75 after pleading guilty. His license was revoked for a period of one year.

His companion, Joseph P. Dube, 17, of 4420 Lenox, Detroit, charged with disorderly conduct, pleaded guilty and was assessed a fine of \$10, or the alternative of 10 days in the Wayne County Jail. The fine was paid.

Both were turned over to Detroit police for questioning regarding beer, which was found in their car and which both had been drinking.

A similar fine was given Frank A. Sass of 4824 Orchard, Dearborn, who pleaded not guilty to reckless driving and, was found guilty. He was ordered to pay the fine or serve 20 days in the County Jail. He paid the fine.

Cribbage Players Fling Challenge

Rachel M. Vandenberg of 448 Notre Dame, pleaded not guilty and was found guilty of not having her car under control. She was penalized \$5 or one day in jail. The money was paid.

Marie L. Farley of 5758 Bedford, Detroit, pleaded not guilty and was found not guilty of not having her car under control. Her case was dismissed.

If you have a yen to put square pegs in round holes — if you like friendly competition with the cards and boards, then go on over to the Grosse Pointe War Memorial Center, Monday night at 8 p.m. and meet Bill Leach, John Harrington, Bill McClanahan and Henry Bogle. They are ready to challenge all comers and will arrange games for those they can't take on.

MARCHING IN THE POINTE:

Nothing but green ink is really suitable when we tell you Jack Navin and Bob Burckhalter are off to Europe next Thursday . . . Sailing on the Ile and arriving in Paris on, of all times, St. Patrick's Day . . . Mostly business for these super interior designers who'll be shopping the markets of Europe for furniture, objets d'art for special customers . . . as well as adding to their own fascinating stock at the Studio downtown . . . They're going to Lucerne, on the Orient Express . . . down to Venice, Milan, Florence, Rome . . . and then flying to Nice . . . leaving by the famed Blue Train for Paris again . . . It's very much a hurry-up trip. In the meantime, did you see the wonderful spread Jack and Bob got in the current House Beautiful? . . . Their work is extolled all over the snooty magazine. Although not identified, you'll recognize: a photograph of the R. Alexander Wrigley's foyer at their Bishop road home . . . The avocado and white dining room of the Oscar Olsons' Renaud road home (the walls are done in scenes from the Vatican) . . . and another photo of the Olsen nursery, proud habitat of the very young Christopher . . .

Oriental Touch

Lieut. Robert W. Slade is spending his thirty-day leave from army duties with his parents, the C. Blount Slades of Edgemere road and will return to the Pentagon when he leaves the Pointe . . . Bob was recently graduated from the Chinese Course at the Army Language School in Monterey, Calif. He took a plane from there to make the trip back to the Pointe. He changed planes in San Francisco and, after the take-off, the stewardess asked if by any chance anyone aboard spoke Chinese. Hesitatingly, Bob said he did. He was led to a little Chinese girl, about 15 years old. She was traveling from Hong Kong to New York to join her parents who had a business in New York. The air line had everything under control and was taking excellent care of her. She wasn't allowed off the plane and hadn't been able to talk with anyone for over two days. Naturally she was full of unanswered questions.

Mei-Mei

When Bob spoke to her, the first thing she said was that she had a headache and wanted something for it but hadn't been able to tell anyone about it. Then she asked about her luggage—where they would next stop . . . would Bob be going to New York. She got an aspirin from the stewardess and then, feeling better, she went to sleep. When the plane put down at Denver, she was awakened and talked with Bob for an hour or more. She laughed at what she called Bob's "formal Chinese." Bob didn't catch her name when she first mentioned it, so he called her Mei-Mei . . . "Little Sister." When they changed planes at Chicago, Mei-Mei thanked Bob very politely . . . Said she was sorry he wasn't riding all the way to New York with her and then gave him a little bag of sunflower seeds (eaten like toasted pumpkin seeds).

Hunt Club Junior Hop Sell-Out Last Weekend

Party for Juniors of Hunt Club, Country Club of Detroit, and The Little Club Big Success with the Twelve and Thirteen Year Olds. Many Entertain at Parties

The big news at Grosse Pointe Hunt Club is the wonderful party for the school set which took place last Friday evening.

It was sell-out the minute the invitation arrived in mailboxes of juniors belonging to the Hunt Club, the Country Club of Detroit, and the Little Club.

What cemented the success of the party was the kind of a dinner the juniors adored, a very grown-up punch bowl, plenty of bunny hops when dancing came along and the general air of informality that stamps most Hunt Club galas.

At 7 o'clock the twelve and thirteen-year-olds started arriving at the club on Cook road.

Chris Prewitt arrived at the Hunt Club with three gardenias (for the girls) and three white carnations for the gents in his group.

Dining and dancing with Mary and Tommy Waterman were Susan Sheldon, Peter Lord, Jo-Jo Joy, Sunny White, Jill Duffield, Steve Monro, Frances Bonbright and Christopher Roosevelt.

At a Sunday morning breakfast this week-end, members of Grosse Pointe Yacht Club will get their first view of the newly decorated club dining room and kitchens.

Mary Edsall Recent Bride

Mr. and Mrs. Harold B. Edsall of Rivard boulevard announce the recent marriage of their daughter, Mary Louise, to Louis Fierens.

The bridegroom is the son of Mr. and Mrs. James A. Fierens of Bay City.

Both Mr. and Mrs. Edsall are students at Western Michigan College. Following their marriage they moved to the new Village Apartments recently opened by the school.

Maguires Give Dinner at DAC

Dr. and Mrs. Clarence E. Maguire, of Lochmoor boulevard, entertained at a small dinner at the Detroit Athletic Club last Saturday evening, Feb. 27.

Their guests, all of Birmingham, were Mr. and Mrs. Harold Kennedy, Mr. and Mrs. Ormond Wessels and Dr. and Mrs. Owen Hendren.

St. Patrick's Square Dance

The next in the series of square dances, sponsored by the Grosse Pointe Unitarian Church, will be definitely Irish in character.

While it's a bit early for a real St. Patrick's Day celebration, it's not a bit early to get into the mood and Wes Rea has promised to set up as many dances, as possible to those lovely, lifting Irish tunes all the world hold dear.

So the committee in charge sends out the word, "Box up your sets for Saturday, March 6, and be prepared for a regular McNamara's Ball at Monteth School, Cook road and Chalfonte."

While those attending, and the parties are open to all Pointers, don't have to be expert square dancers, they must have the fundamentals to really have fun.

Mrs. Jewett Dwyer Visits The Gardners in Cuba

Mrs. Jewett Dwyer is en route to Havana to be guest of U.S. Ambassador to Cuba and Mrs. Arthur Gardner at the American Embassy. While she is there she will attend the state dinner at which the Gardners will honor the president of Cuba.

Allan W. Sheldens Plan April Visit to Belleair

Mr. and Mrs. Allan W. Shelden III, of Kerby road, will leave next month for a fortnight's stay at the Bellevue Biltmore Hotel in Belleair, Fla.

When connecting an electric appliance, plug the electric cord into the appliance first, then into the outlet, emphasize household equipment specialists at Michigan State College.

Mrs. John Howard Trapp

The former BARBARA QUIRK, daughter of Dr. and Mrs. Edmund J. Quirk of Fisher Road, was married at St. Paul's on the Lake Church to John Howard Trapp, son of the Otto Trapps of Berkshire Road, at a recent ceremony.

A breakfast at the Parkstone followed, with the Rev. Father Norbert J. Huetter, S. J. giving the blessing. A reception was held in the afternoon in the Quirk home.

The bride wore a gown of antique silk taffeta, with fitted bodice, tapering sleeves and a bouffant skirt extending into a chapel length train.

The attendants were Mrs. John Wilson, and Mary Frances Maas, cousin of the bride. They wore green iridescent taffeta dresses and carried yellow mum bouquets.

Musical Group At Mrs. Berry's

Mrs. J. Leslie Berry of 70 Sunningdale drive, Grosse Pointe Shores opened her home on Tuesday to the Concert Committee of the Detroit Women's Symphony Orchestra.

The members gathered at 2 o'clock for the business meeting inaugurating the sale of tickets for the final concert of the season on Monday April 26, 1954, at 8:00 p.m.

Mrs. Vernon L. Venman, general chairman of the executive board, conducted the meeting and board members assisting her included Mrs. Marshall G. Houghton, secretary; Mrs. Robert B. Haus, treasurer; Mrs. Louis Marino, Sr., ticket distribution; and Mrs. M. A. Jurrjens, orchestra personnel.

A musical interlude followed the business meeting, featuring Mrs. Kurt Keydel, soprano, with Mrs. O. B. Nordstrom, of Grosse Pointe Woods, as accompanist.

Bodycombes Feje Guests At Saturday Dinner Party

Mr. and Mrs. George London and Leo Tau were guests of honor at the dinner party given Saturday evening by Mr. and Mrs. Abraham Bodycombe of Lincoln road. Mr. London, baritone, appeared in a recital at Ann Arbor on Sunday and Mr. Tau was his accompanist.

Mothers' Club Groups Forming

The Mothers' Club of the Grosse Pointe High School is inviting all women who are interested in joining a congenial group of bridge or canasta players or for sewing or just visiting, to become a member of a neighborhood group of the Mothers' Club.

These groups are made up of four, eight, sometimes as many as 16 women, who meet once or twice a month at the homes of members.

The Neighborhood Groups were organized in 1930. Due to transportation problems most groups were made up of women within walking distance of each other, hence the name, but even then some of the members came from greater distances to join with other mothers for a pleasant afternoon.

The Neighborhood Groups today are still functioning for the same dual purpose, that was the reason for their organization over 20 years ago, namely to raise funds for scholarships and to provide fellowship among mothers of the students in the High School.

Anyone wishing to become a member of a Neighborhood Group of the Mothers' Club may do so by calling the Chairman, Mrs. F. L. Wachter, TU, 4-2244 or Mrs. C. D. Wardle, TU, 5-0689.

Alumnae of Pi Beta Phi To Elect New Officers

The Grosse Pointe Alumnae Club of Pi Beta Phi will meet in the home of Mrs. Edwin L. Yates, 1738 Littleton road, at 8 p.m. on March 8. A business meeting and election of officers will be held.

Assisting the hostess for the evening will be Mrs. R. I. Rose, Mrs. Kenneth M. McCall, Mrs. M. U. Scott and Mrs. W. B. Clark.

Ernest S. Kratzets Jr. On Palm Beach Trip

Glenna Morris, of Montreal, and Bridegroom Speak Vows at Wednesday Ceremony; Robert D. Sicklesteel Claims Dorothy Anderson of Marquette as Bride

The popular direction after the wedding is Florida and that was the destination of Mr. and Mrs. Ernest Stephen Kratzet Jr. after their marriage Wednesday, March 3.

The former Glenna Margaret Morris and her bridegroom spoke their vows at an 11 o'clock ceremony in Grosse Pointe Memorial Church.

The Rev. Frank Pitt officiated at the ceremony which was held in the presence of the immediate families.

Mr. and Mrs. Glenn George Morris of Montreal West, Que., are the parents of the bride and Mr. Kratzet, popular member of the Pointe young set, is the son of Mrs. Willard S. Worcester, of Moran road, and Ernest S. Kratzet of Santa Monica, Calif.

A suit of sheer gray wool was chosen by the bride. Navy accessories, a small navy chapeau and corsage of white orchids completed her costume.

Frederick Kratzet assisted his brother as best man. After their Palm Beach honeymoon, the Kratzets will return to the Pointe to make their home in the terraces at St. Clair and Maumee.

The new Mrs. Kratzet is a graduate of Wellesley College while Mr. Kratzet studied at the University of Michigan where he was a member of Psi Upsilon.

Another Pointer claiming an out-of-town bride was Robert Davis Sicklesteel who on Feb. 20 married Dorothy Anderson, daughter of the late John Anderson who made their home in Marquette, Mich.

Their wedding took place in Emmanuel Lutheran Church and was followed by a reception at Lochmoor Club.

The bridegroom is the son of Mr. and Mrs. David T. Sicklesteel of Moran road. Mrs. Charles Schroeder of

Drew Pearson To Give Talk

Drew Pearson, famous columnist, will be the speaker at Detroit Town Hall, Wednesday morning, March 10, at 11 o'clock. In his talk at Fisher Theatre, the controversial newsmen will cover the latest developments behind the scenes in the Capital, and will discuss problems of world-wide interest.

Pearson is noted for his fearless crusading against political, social and legislative privilege as well as for his accurate forecasts of future events. His crusading has made him both hated and feared, yet he remains a newspaperman of the highest standing.

The writer initiated a new era in journalism when he inaugurated the "Washington Merry-Go-Round" column. During World War-I he went to the Balkans for the Red Cross, heading Quaker relief. Since then he has covered most of the outstanding news events in this country and abroad.

Wilson-Clapp Wedding Held

In St. Catherine's Chapel of S. S. Peter and Paul Jesuit Church at noon on Saturday, February 27, Miss Catherine M. Clapp, daughter of the late Mr. and Mrs. William C. Clapp of Detroit, was married to William Robert Wilson of Grosse Pointe. The Rev. Emmet Timmons, S. J., officiated. A reception followed the ceremony.

The bride was given in marriage by her brother, William C. Clapp of Oak Park, Michigan. The matron of honor was Mrs. Betty Quayle of Negaunee, Michigan. The other attendant was the bride's cousin Mary Anne Sweeney of Detroit.

Gordon G. Wilson of Detroit was his father's best man. Seated the guests were Bayard Wilson of Grosse Pointe, son of the bridegroom and Phelps Trix of Grosse Isle, son-in-law of the bridegroom.

After a Southern trip, Mr. and Mrs. Wilson will be at home in Lakeland avenue.

Exchange Club Holding Party

The Grosse Pointe Exchange Club will hold a get-together party tomorrow, March 5, at the Detroit Yacht Club, for its members and their wives.

Arrangements for the party are being handled by Arthur Dannecker.

For reservations for themselves and guests, members are urged to contact Morris DeFour, TU. 1-8970.

Basil Rathbone to Narrate At Young People's Concert

Basil Rathbone, international star of stage, screen, radio and TV, will be featured as narrator in Prokofiev's "Peter and the Wolf" at the fourth and final Young People's Concert by the Detroit Symphony Orchestra on Saturday morning, March 6, at 11 o'clock in the Masonic Auditorium.

Valter Poole will conduct and Laurentine Collins will tell the story of the programmed works. The theme for the final program in "The World of Music" series will be "Orchestra with Soloists." Dorothy Pixley, winner of the Young People's contest, will be presented as piano soloist in Mendelssohn's "Capriccio Brillante" and Beethoven's "Overture to Fidelio" will open the program.

Fresh from his recent success on TV in James Thurber's "The Thirteen Clocks," Mr. Rathbone will demonstrate once again his versatility as narrator with

Brown Alumni To Hold Dinner

Dr. Samuel T. Arnold, provost of Brown University, will be the principal speaker at a dinner March 5 sponsored by the Detroit Brown Club, the majority of whose active members reside in the Grosse Pointe area. The dinner meeting will be held in the War Memorial Center.

Dr. Arnold is chairman of the College Entrance Examination Board and has recently returned from a visit to the University of Puerto Rico where he studied the possibility of inaugurating a graduate program in science and engineering.

Brown graduated in the class of 1913 and recipient of advanced degrees at Brown and numerous honorary degrees from other universities, Dr. Arnold first was a member of the staff of the chemistry department. Subsequently he became department chairman and, simultaneously, acting dean of undergraduates.

He was appointed dean of the college in 1937 and provost in 1949 when the post was created. His capabilities and interests cover the fields of engineering, personnel work, veterans re-employment and rehabilitation, photography, art and sports.

HAPPY BIRTHDAY GIRL SCOUTS

Another year! Another Girl Scout birthday! It doesn't seem possible, but here we are announcing our forty-second birthday. With the world torn apart with dissension, there is one thing which never wavers in the United States and that is the Girl Scout movement because in Girl Scouting the girls make constructive use (with fun) of their leisure-time.

They learn to be good homemakers; train to be good citizens; have an organized plan to help combat juvenile delinquency and prepare the girls to take care of themselves in emergencies, indoors and outdoors.

The citizens of Detroit and Grosse Pointe gave most generously to the United Foundation and gave us money for 88 per cent of our needs in 1953. The basic needs of Girl Scouting are people and money, because if we can get men and women in the organization we can usually get the money, and that basic recognition of the volunteer is of paramount importance.

There are over 26,000 Girl Scouts in this area. This is only part of our story, for thousands of other girls in Metropolitan Detroit want to belong. Additional adult leadership is needed to meet the call of these girls who are ready for Scouting. It takes seven adults to organize and maintain one Girl Scout Troop.

They serve as troop leaders, teach hobbies and work on committees concerned with such subjects as finance, organization of

troops and camping. Any woman who is interested in working with girls will find that Scouting can mean a renewal of her own girlhood, a chance for closer friendship with her daughters and their friends, and the great rewarding contribution to the training of tomorrow's citizens.

Any program which teaches the importance of community service, good government, and international friendship will do a great deal to keep our country strong and healthy, hence build a better world.

Here are just a few facts concerning the Girl Scouts of Metropolitan Detroit:

There are over 400 square miles of territory covered by Girl Scouts and this includes 30 separate city, village and township governments. This means 2,500,000 people of which about 250,800 are girls 7-18 years of age.

The approximate number of girls served in 1954 was 30,870. There are 1,398 troops in the 14 districts covering designated geographical sections in the City of Detroit and suburban areas. Each district has a committee responsible for the Girl Scout program in that area and there are from 25 to 290 troops in each district.

Girls earn badges for skills in many activities. The most popular badge subjects are those in homemaking, arts and crafts, citizenship, out-of-doors and health and safety. In 1953 Girl Scouts received 28,334 badges, 4,551 girls went day camping and 7,889 girls went troop camping, while 688 girls went to established camps and 250 girls went on trip camping.

Like most other things, the cookie business, as it pertains to the Girl Scouts, has come a long way in the last 20 years. The official Girl Scout sandwich cookie which is the most popular at the present time was originated by the Burry Biscuit organization. Each cookie has the Girl Scout Trefoll insignia embossed on the face of it and each package contains half vanilla and half chocolate sandwich cookie.

If one were to calculate the number of Girl Scout cookies consumed each year, the figure would be a staggering amount—250,000,000 individual cookies would not be an exaggeration. Each time a Girl Scout cookie

Center to Offer Big Gun Show

Those attending will get a bang out of the Grosse Pointe War Memorial's Gun Show, Sunday afternoon, March 28, at 3 o'clock.

On display will be some of the wierdest pieces since the invention of fun powder. The Orient, Europe and America will all be covered in displays dating back to the 15th century. They won't be stuck away in cases and the collectors will be on hand to tell you about them and show you how they work.

Tall tales of famous guns and the more famous personalities who owned them will be spun by Carl Brablick and it is hoped Andy Palmer, Jr.

The United States Army will have on hand a crack drill team and a demonstration team to show how the modern soldier uses his weapons. They will present as complete an array of modern small arms as space will permit. Those who have military service coming up, will have a chance for 'up review.'

Admission is free.

STOVE CATCHES FIRE

Farms firemen were called to the home of Mrs. F. H. Kross, 228 Moran, on Saturday, February 27, to put out an electric stove fire. The wire inside the stove was burned off. The stove was disconnected by the firemen.

With a splendid year behind them, the Scouts look forward to a bigger one ahead.

MSC Children's Theater Coming To Pierce School on March 13

Have you spun any straw into gold lately?

If not, children, you can brush up on the technique by going to see "Rumpelstiltskin," to be produced in Grosse Pointe March 13 by the Michigan State College Children's Theater.

This favorite, Grimm's fairy tale will be woven into a fascinating, real-life stage play, one of the most elaborate children's productions to be seen here. Two performances will be given, at 10:30 a. m. and 2 p. m. in the Pierce Junior High School Auditorium. The production is sponsored by the American Association of University Women, Grosse Pointe Branch.

The story centers around a miller's daughter who became a princess not only for her beauty, but because her father boasted, falsely that, among her many talents, was the ability to spin straw into gold.

When the king confronted her with this task, and she was unable to carry it out, a mischievous dwarf (Rumpelstiltskin) appeared. For several successive nights he did the task for her after she had given him rewards of jewelry. Finally he demanded that she guess his name or give up her child. How she succeeds provides the final, breath-taking suspense.

Magical stage and lighting effects and dramatic costumes have been created for this play because it will be presented by the M. S. C. Children's Theater when that group is host to the National Children's Theater Conference in Lansing this summer.

Parents and leaders of children's groups are urged to hurry

Student's Editorial Award Goes to Radio Free Europe

In recognition of its "outstanding achievement in helping to obtain a better of the American way of life in 1953", Grosse Pointe High School's student newspaper, The Tower, has been awarded the George Washington Honor Medal and \$100 in cash by The Freedoms Foundation.

The award was based upon an editorial, "Freedom of Choice Great Privilege," written by Nancy Corey, 11A, which appeared on last October 27.

The Tower staff voted immediately to contribute the \$100 award to "Radio Free Europe", which is partly sponsored by the Freedoms Foundation in its Crusade for Freedom. It has its headquarters in Munich, and broadcasts to countries behind the Iron curtain.

The Honor Medal award winners were announced nationally February 22, in commemoration of George Washington's birthday. Fifty high school newspapers in the United States were honored for editorials explaining the fundamental principles on which the American way of life is based. Freedoms Foundation is organized to promote special programs designed to deepen appreciation for the heritage of freedom.

In co-operation with the Freedoms Foundation, scrolls were circulated in high school home-rooms last week for all student to sign.

These scrolls enroll those who sign as supporters of the Crusade for Freedom, which helps such organizations as the National Committee for a free Europe and Radio Free Europe.

President Eisenhower said of the Crusade for Freedom: "I urge every American to support this independent American enterprise dedicated to strengthening the will-to-freedom overseas."

Nancy's editorial follows:

FREEDOM OF CHOICE GREAT PRIVILEGE

If someone were to ask you, what you consider to be the greatest freedom of all, you would probably be stumped as to answer, it would likely be after thought. Even then you might not be certain your answer was the right one. A question like that would certainly deserve a great deal of thought before an answer was given.

Stop and think a minute. Wasn't the very fact that you were given a choice of some significance? What could be more important than the freedom of choice?

We as Americans have so many privileges and freedoms, that most of us seldom stop to think about what a great privilege we have in being able to make a choice. When thinking of freedom, the majority of us probably think of the freedom of religion, press, speech, ballot, and work. No one tells us what church to go to, or what we can do or say. No one tells us how we must vote, or what vocation we must pick. That is for us to decide. It is our choice.

All of our freedoms are important and essential in the making of a democracy, but the freedom of choice includes so many of the others that we feel certain it must be one of the greatest that we possess.

Campaign Aides Hear 1954 Plans

Planned Parenthood campaign workers were entertained at a tea at the home of Mrs. William C. Tost on Cloverly road, Monday.

Reports on the progress of the campaign to raise the annual budget for operating five clinics in our Detroit hospitals were given.

Following these, Mrs. James McEvoy showed her pictures taken in India at the time of the International Planned Parenthood Conference.

Mrs. Victor A. Rapport, chairman, presented plans for completing the campaign at the close of the meeting.

Do You Belong?

The American Red Cross launched its annual campaign for funds on March 1. The goal set to meet all the extensive responsibilities of this great organization in this country and abroad, is \$85,000,000.

Because of its participation in the United Foundation in the Detroit area, the Red Cross is now only seeking some \$150,000 here to fill out its quota. The balance was subscribed last fall in the annual Torch Drive.

The relatively small amount of money asked now might have a tendency to weaken the appeal. Too many of us might be prone to reason that our help is not needed to put this drive over the top.

The local solicitation is being largely made by women volunteers who are conducting a door-to-door canvass. Those who gave through their business affiliations last fall are not being asked to give again. It affords an easy out for those who are inclined to "Let George do it."

Here is an organization whose outstanding record has stood the test of time. Its accomplishments during its 70-year-old history cover such a range of activities that it would be almost impossible to enumerate them. National disasters, wide-spread tragedies, the collection of vast quantities of blood for those wounded in battle and those ill in hospitals, are taken in stride along with the less spectacular programs of teaching life saving methods, conducting swimming courses, helping families to become reunited, ad infinitum.

This drive is for new members as well as for the money which is needed. One lone dollar will qualify anyone for membership. If all of those who donated nothing to the United Foundation campaign each gave a single dollar to this Red Cross drive, the quota would be over-subscribed many, many times.

Right here in the Pointe, if all of those who have not participated in the blood collection campaigns were to give a dollar each, it would total nearly a third of the \$150,000 goal set for the entire Metropolitan Detroit area.

Let's all show our appreciation for the magnificent record which has been compiled by this great organization. Whether we gave before or not, we could certainly spare another dollar to insure the carrying on of the great work. The big business organizations which contribute so generously to the Torch Drive, did their part last fall. So did most of their employees.

Now it is up to those individuals who weren't contacted before, or who, for one reason or another, did not give at that time. There are so many in this category that if each takes out a membership now in the American Red Cross, the goal of \$150,000 would seem insignificant when compared to the amount raised. And it couldn't happen to a finer cause.

Grosse Exaggerations

A. PRYOR

"I like the lad, who when his father thought To clip his morning nap by backneyed phrase Of vagrant worm by early songstress caught, Cried: 'Served him right! It's not at all surprising; The worm was punished, Sir, for early rising!'" (John G. Saxe)

Among the many things we cannot do, fixing flowers heads the list. If anyone hands us a dozen roses and tells us to put them in a vase, he might as well be asking us to shoe a horse. We can't even put a plant on a table and show it to best advantage. That's why it seemed so hopeless when we read an article recently entitled: "Everyone Can Fix Flowers" . . . and we took them at their word.

We bought all the holders and florist's wax and correct knives and vases exactly according to instructions in the article . . . then we began. We fussed for over two hours with a dozen carnations and some iris and ended up with something that would be appropriate in a Bela Lugosi movie. A friend of ours called soon after our masterpiece was finished and remarked: "What florist made up THAT little horror?"

Even so . . . it hurt our feelings less than the remark we overheard about one of our floral productions a few years ago. Some women we knew prevailed upon us to enter a "piece" in a local flower show because they were desperate for entries. We allowed as how we stunk at fixing flowers . . . but they insisted that anyone could do it and coaxed us to try a "small" decoration. Like the yes-woman we are, we agreed and bought two small white urns in which we placed some anemones. By the time we got them to the exhibit, the flowers had flopped all over the place, so, thinking they were too tall for the little vases, we cut them down, then got them so short the heads were just sticking out of the tops of the urns.

However, the flower show runners left our effort in anyway . . . and as we snuck around listening to the comments, we heard one woman say to another (as she pointed to our entry): "Isn't that sweet. They must have let some child enter just for fun." It was some years before we could look a flower in the calyx.

Well, someone reads this column. Last week we received ten letters and umpteen phone calls from irate women who wanted to know WHO the person or persons is or are, who take longer than ten days to renovate a kitchen!

All the housewife complainers had one thing in common, i.e., they had all had their kitchens remodeled in record time and were wondering if we were casting aspersions on the guy what done THEIR kitchens. They were relieved to know we were NOT . . . but insisted we correct a possible erroneous impression.

Okay . . . so here we go. The man we wrote about was NOT Curtis Mower! Apparently the little women think Mr. Mower is a kitchen and pantry genius and they will hear no ill of him. We are told he whisks out your tired stove and antique refrigerator before you can say "meat grinder" and has the new equipment installed before you can get out of bed the following morning.

So now we hope the little housefraus are happy. As far as we know Mr. Mower is a whiz . . . and the man we referred to is just cold tar. Curtain. Next week, East Lynn.

We had more fun than a picnic last week at a party for a couple celebrating their twenty-fifth anniversary. It was a small gathering, so we all sat around after dinner popping corn, pulling taffy and reminiscing about the good old days. Something came to light about the bride of 25 years ago that had us rolling on the floor. It seems that her maid of honor gave her a very sheer nightie and matching slip for an engagement present. In those days it was no easy matter to find one of these wispy nightgowns with fine lace unless one paid a small fortune for them.

The bride-to-be was delighted with her gift . . . but the maid of honor was FLOORED when she found some months later that the bride had had the set LINED with flanellette before her marriage!

Listening to some hit records the other night, we were surprised that Sinatra's latest is among the top best sellers. Never has a singer slipped as much as he has. Listening to his old recordings one can hardly believe it is the same voice. We can remember when we swooned along with the Bobby-Sockers in the early Sinatra days when he had to hang on to the mike to keep from falling down. Although he gave the impression of sounding like an anemic male Camille . . . there was an appeal in his voice that AINT no more.

We have the impression that he is trying to "ape" someone but we can't figure out who. Like a guy trying to sing louder than the next fellow when he should be singing soft. Well, they come and go. For our money Crosby goes on forever . . . and good old Tony Martin is BETTER than ever.

How's Your Heart?

By FRED M. KOPP, R. Ph.

Suppose you were suddenly stricken by an illness which required an operation. Would your heart be strong enough for such an emergency? Or would the doctor have to postpone the operation while he tried to strengthen your heart?

That is a dangerous situation . . . but you need never be part of it if you take care of your health from year to year. For then your doctor can advise you how to keep your heart in condition . . . ready for any emergency that might occur.

A doctor and a conscientious pharmacist working together can help you maintain good health.

Absent: None.

Mayor William F. Connolly, Jr., presided.

A resolution was adopted complimenting Mr. John Henige retiring after 24 years of service with the City as sewer pumping plant operator.

Minutes of Council meetings held January 18th and February 1st, and of the Zoning Board of Appeals meeting held on January 18th, were approved.

Residents of Country Club Drive protesting the installation of new type street lights on the street were heard.

Financial reports were approved.

The application of Lester and Samuel Gruber for a new SDM license to be operated in conjunction with the Class "C" license at 123 Kercheval Avenue was denied.

The Clerk announced his resignation as a member of the Board of Supervisors and the Council appointed Councilman Kirby to succeed him.

A communication requesting wage considerations in the 1954-55 budget was referred to the Council as a Committee of the Whole.

Permits to hold a fireworks display on July 4th next were granted to the Country Club of Detroit and the Grosse Pointe Club.

The Council received a communication from the Board of Education advising that it could not advance its plan for the parking lot development in connection with the gymnasium-auditorium and building.

A petition concerning parking in the vicinity of the Cottage Hospital was reported by the Police to have been settled to the satisfaction of the petitioners.

The survey requested from Gunderson & Dobelek on the parking needs in the business district was reported completed, and copies were distributed to the members of the Council.

The Council indicated its desire to improve the local business district parking lot this coming spring.

A proposal to allow the settlement of parking meter violations at a lesser amount than that imposed by ordinance, provided payment be made within one hour, was defeated.

The Engineer reported several changes in personnel in the Public Works Department, Sewer Pumping Station and Water Department; all of which were approved.

Action taken by the Engineer in connection with repairs to a water main break on Moran Road was approved.

Bids for spraying City trees for Dutch Elm disease were ordered taken.

Bills were approved.

Reports of the various departments were received and ordered filed.

A change in the Fire Department personnel was approved.

The Police Department was authorized to purchase the necessary tools and materials to manufacture its own target ammunition.

The County was asked to make a survey for the possible need of a traffic light at Moross and Chalfonte.

The penalty for nonpayment of water bills prior to due date was reduced from 10% to 5% effective with the quarterly billing ending April 30, 1954.

The meeting adjourned at 11:15 P.M.

The Grosse Pointe Congregational Youth will be the hosts at Tri-Church, the Grosse Pointe Woods Presbyterian and Congregational, at the Congregational Church, Sunday March 7, at 7:00 o'clock.

The theme "I Beheld His Glory" will be emphasized by the motion picture of the same name.

This motion picture is the most recent out-standing production of the Passion story. It is the story of a Roman Centurian who was an eye-witness to the last hours of Christ.

The film will be followed by a candlelight dedication service with each member of the group having a lighted candle.

Phil Knope, president, and Betty Snell, vice-president of the Woods Presbyterian Thistle Club; Elizabeth Willison; president of the Methodist Youth Group; Judy Huntington, president of the Congregational Youth, will take leading parts in this Tri-Church program.

This gathering of the Tri-Church Senior High Youth is becoming a tradition in the Pointe and its gathering momentum. Following the service the Congregational Young People will serve refreshments.

Resolution by Councilman McKnight

BE IT RESOLVED, that the publication of the proposed charter amendment together with the existing charter provision, proposed to be amended, as required by the statute in such case made and provided, shall be published, in the Grosse Pointe News, a newspaper of general circulation in the City of Grosse Pointe Woods, at least thirty days prior to April 5, 1954, the date of the General City Election at which the proposed charter amendment will be voted upon, and that the form of notice shall be in substantially the following form:

Notice of Election to Vote Upon Charter Amendments City of Grosse Pointe Woods WAYNE COUNTY, MICHIGAN

TO THE QUALIFIED ELECTORS OF THE CITY OF GROSSE POINTE WOODS:

NOTICE IS HEREBY GIVEN that at the general city election to be held in the City of Grosse Pointe Woods, Wayne County, Michigan, on Monday, April 5, 1954, the following proposed amendment to the charter of the City of Grosse Pointe Woods will be submitted to the qualified electors thereof, to-wit:

"AMENDMENT TO CHAPTER 7, SECTION 7.15 OF THE CHARTER OF THE CITY OF GROSSE POINTE WOODS"

Ordinance suspended: Miscellaneous provisions on initiatory and referendary ordinances.

Section 7.15 The presentation to the Council by the Clerk of a valid and sufficient referendary petition, containing a number of signatures equal to twenty-five per cent of the registered electors of the City shall automatically suspend the operation of the ordinance in question pending repeal by the Council or final determination by the electors.

An ordinance adopted by the electorate through initiatory or referendary proceedings shall not be amended or repealed, nor shall an ordinance repealed by the electorate, be reenacted, unless and until the electorate shall have approved any such action. Any ordinance may be adopted, amended or repealed by appropriate referendary or initiatory proceedings instituted in accordance with the provisions of this chapter or upon submission to the electorate by the Council, upon its own motion.

If two or more ordinances adopted at the same election shall have conflicting provisions, the provisions in the ordinance receiving the highest number of affirmative votes shall govern."

"CHAPTER 7, SECTION 7.15 OF THE CHARTER OF THE CITY OF GROSSE POINTE WOODS AT THE PRESENT TIME READS AS FOLLOWS:

Ordinance suspended: Miscellaneous provisions on initiatory and referendary ordinances.

Section 7.15. The presentation to the Council by the Clerk of a valid and sufficient referendary petition containing a number of signatures equal to twenty-five per cent of the registered electors of the city shall automatically suspend the operation of the ordinance in question pending repeal by the Court or final determination by the electors.

An ordinance adopted by the electorate through initiatory proceedings may not be amended or repealed for a period of six months after the date of the election at which it was adopted, and an ordinance repealed by the electorate may not be reenacted for a period of six months after the date of the election at which it was repealed. It is provided, however, that any ordinance may be adopted, amended or repealed at any time by appropriate referendum or initiatory procedure in accordance with the provisions of this chapter or if submitted to the electorate by the Council on its own motion.

If two or more ordinances adopted at the same election shall have conflicting provisions the provisions in the ordinance receiving the highest number of affirmative votes shall govern."

Two Blue Devil Basketball Victories Boost Standing

The fast improving Grosse Pointe Blue Devils chalked up a double cage victory last week in downing non-league Ferndale in overtime, 59 to 57, on Tuesday, February 23. Three nights later the Pointers edged Wyandotte, 47 to 43, on the Bears' home court for their sixth league win.

The victory enabled the Pointers to clinch at least a share of second place in the Border Cities League race regardless of the outcome in the final game against Highland Park, Friday, March 5, on the local court.

Now Tenth in State
The double win gave the Blue Devils a record of 10 victories in 13 starts this season which enabled them to climb into the tenth spot in the State ratings.

Ferndale was a formidable foe and forced the Pointers to go into overtime before the Devils squeaked out their 59 to 57 win on Art Wible's basket with less than 30 seconds remaining.

Grosse Pointe jumped into an early lead and held a 17 to 14 margin at the end of the first quarter, which they built up to an eight point, 30 to 22, advantage at halftime.

Ferndale Fights Back
Ferndale came back with a rush in the last two periods, trailing 40 to 37 at the end of the first period, and tied the count at 53-53 at the end of the regulation time.

Captain Dick Spindle cashed in three fouls and Johnny Russell dumped in a field goal before Wible made himself the hero of the game with his game-winning shot.

On Friday, February 26, it was a slightly different story. Wyandotte jumped into an early lead and held a 14 to 11 advantage and forced the Pointers to come from

behind to score their sixth league win. Grosse Pointe took charge in the second quarter and held a 29 to 24 lead at halftime and built its lead up to nine points, 40 to 31, at the end of the third stanza.

Nearly Tied Score
Wyandotte came back with a rush in the final quarter to all but tie the score before the Devils nailed down the important victory.

In both games Johnny Russell stole the spotlight from Devil captain Dick Spindle. He notched 20 points in the Ferndale game, which gave him runner-up scoring honors behind the Dales' Walt Wilkins who caged 21. Russell and Spindle were the Pointers' one-two punch in the Wyandotte game with Russell getting 15 and Spindle 14 for scoring honors.

Pointe for Parkers
The entire theme around the school on Fisher road this week is "Beat HIGHLAND PARK" and the kids really mean it. The fans, team and coach are a trifle tired of playing second fiddle to the Parkers and are out to wreck the jinx the Parkers have held over them in the last nine games.

Currently, Highland Park is riding a 13 game winning streak, which has vaulted it to the top of the State ratings in Class A. Coach Jim Wink and his boys have no intention of giving up this lofty rating without a fight.

That's just what next Friday's game shapes up as. The nine game streak started four years ago on the Pointers' home floor when George "Baby" Duncan flipped in a mid court shot as the whistle blew to tie the score and then Duncan, playing as a freshman, whipped in the game winning shot in the dying seconds of the overtime.

St. Paul Flyers Five Bidding For District Court Crown

The St. Paul Flyers Big 12 Conference and Parochial League Second Division City Champions, will attempt to add the Harper Woods District title to their already bulging trophy case when they meet the winner of the Lakeshore-St. Gertrude game tonight, March 4, at Harper Woods school.

The luck of the draw gave St. Paul a bye in the first round, which started Wednesday, March 3, and pitted Eastland against New Haven and Lakeshore against St. Gertrude. Fraser was the other school which drew a first round bye.

Last year the Flyers captured the Harper Woods title and on paper, at least, have a good chance of repeating. However, many things have happened to the favored teams in the past in a short tournament and Coach Eddie Lauer says "If the kids play ball the way I know they can, we will have little trouble repeating as champions. On the other hand, however, we just have to have one bad game and our hopes for the title and a chance to play in the State Regional tournament will vanish into thin air."

The champions of the District tournaments qualify for the Regionals, which will get underway next week. Last year the Flyers advanced to the quarter finals before bowing out of competition.

Lakeshore, with a season record of 9 wins and 4 losses, and Eastland, with .500 season record,

appear to be the two teams most likely to stand in the Flyers' path to the crown.

St. Paul's game against the winner of the Lakeshore-St. Gertrude contest will be played at 6:30 p.m. on Thursday. A victory in this game will force the Flyers to play Friday, March 5, at 6:30 p.m. in the semi-finals, with the finals slated for 7:30 p.m. on Saturday, March 6.

To reach the site of the tournament drive out Harper and turn left on Damman. Damman is about six blocks West of 8 Mile road.

MUSEUM RECEIVES GIFT

A pictorial display telling the story of the electric light's 75-year growth was presented to The Henry Ford Museum and Greenfield Village by The Westinghouse Electric Corporation in commemoration of Light's Diamond Jubilee being celebrated this year. The display is made up of 12 watercolor paintings each picturing a scene of American life during one of the historic developments in electric lighting. The exhibit traces light's history from Thomas Edison's invention of the incandescent lamp in his Menlo Park laboratory on October 19, 1879 to the present day color-corrected mercury lamp used in large-scale lighting projects.

St. Paul Girls Win East Side C.Y.O. Cage Crown

For the second year in succession the St. Paul's girls basketball team captured the East Side C.Y.O. cage crown under the direction of coach Mary Allor. Currently the Flyers are battling for honors in the C.Y.O. City playoffs. Front row, left to right: MARILYN D'HOOGHE, CO-CAPTAIN NANCY MASON, COACH MARY ALLOR, CO-CAPTAIN MARILYN BLONDELL and LYNN VAN TIEM. Back row: MARY SUTHERLAND, BARBARA BLESSING, MARY LOU MILLER, BEVERLY CADIEUX, PAT CAVANAUGH and NANCY ZIMMERS.

The girls City tournament is a two game knockout affair and the Flyers are within an ace of being eliminated after losing their first game to Nativity on Sunday, February 21, at the C.Y.O. Center on Mack and Maxwell Avenues.

The Nativity contest was a hair raising overtime thriller which was decided on a free throw with one second left to play in the two minute overtime period.

At the end of the regulation

time the score was all even at 31-31 after the count had been knotted at the end of each of the three preceding quarters.

Actually, St. Paul had a chance to win the game with one second left to play in the fourth quarter when Pat Cavanaugh was fouled.

This particular foul brought howls of protest from the Nativity coach who rushed on the floor and argued for 15 minutes with the referees, who in the course of the long argument changed

their decision three times before finally allowing Cavanaugh her free throw.

The long argument apparently upset pretty Pat and she missed, which threw the game into overtime.

Nativity gained control of the ball to start the overtime period and successfully froze the ball for one minute and fifty five seconds of the two minute period. With five seconds remaining Nancy Zimmer fouled Sandy McGee as she attempted to steal the ball.

McGee made good on the charity toss and that was the ball game, and the Flyers' first loss of the season.

Barrett's Leads Bowling League

Barrett's team in the Business Men's Bowling League had an easy time Thursday night taking four points from Vermeylen, thereby taking first place all alone.

Bankes-Lightbourne and Kennelly are sticking close to the leader, just one point behind, as they took four from Belding's and Adam-Simms respectively.

Other four point winners were Revere over Boutin's and Turner over Kemp's.

High scores Thursday night were rolled by Petz 246-646, Bartalone, 234-638, Dick Borkowski 224-636 and Carroll 233.

Smith Cracks Tank Record As Devils Beat Wyandotte

Stu Smith is a man of his word. At the start of the current Border Cities league swimming season Smith vowed he would crack the Grosse Pointe School record in the 40 yard free style event, of which he was co-holder with Walter Pear.

Smith clipped two tenths of a second off the mark, which stood at 18.8 in the first event in the meet between Wyandotte and Grosse Pointe last Friday, February 28. His victory got the Pointers off to a flying start in their 43 to 38 victory over the Bears in the local pool. Teammate Bill Morrison paddled in second to give the Devils one of their slams.

Two Score Double Wins
Smith also shared the spotlight with his team Walt Eversman when they both scored double victories. The meet enabled the Devils to move into a spot to share second place in the league race, which will be decided in the last league meets next Friday, March 5.

Fordson, defending champion and State Class A champion has the title all locked up for the second year in succession, with Royal Oak, currently, riding, in second place. A Blue Devil victory over Highland Park in the Parkers' pool next Friday and a Royal Oak defeat would create a two-way deadlock for the runner-up spot.

Lose Both Relays
The Pointers scored five first places in seven individual events but dropped both relays.

Grosse Pointe's Norris, Morrison and Guenther won the 180 yard relay but was disqualified by chief starter Bill Reaume when Norris failed to touch out properly.

Wyandotte's Esling, Bill Tims, Modine and Renfer easily captured the 180 yard relay when Coach Frank Banach substituted a couple of tenth graders in the final event.

After Smith and Morrison took the 40 yard free style Modine gave Wyandotte a first in the 100 yard breast stroke with Norris taking second ahead of the Bears Broge.

Eversman and Nicholson finished 1-3 in the 200 yard free style with Cullen giving Wyandotte second place.

Adamski Wins Again
Don Adamski, swimming his last home meet for the Pointers, took the 100 yard back stroke but missed breaking his own record by a second. Guenther added another point to the Devils' score with a third ahead of Powell.

Wyandotte captured first and third in the diving with John Tims taking first ahead of Brad Peabody, who was also competing in his last home meet. Tims' teammate Duncan won third for the Bears.

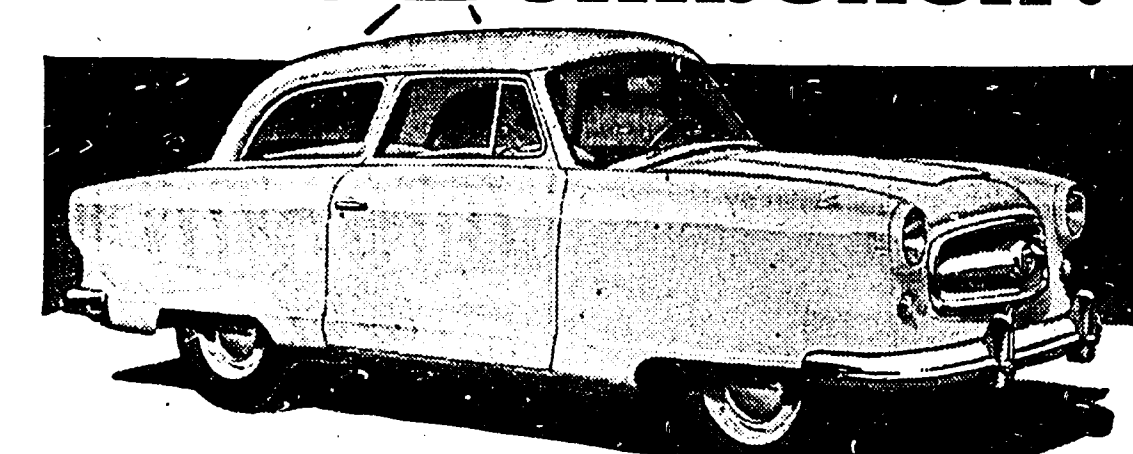

The fans serenaded Walt Eversman with "Happy Birthday to You" after he finished first in the 120 yard individual medley. Powell and Cullen finished second and third and spoiled Dale La Forest's last home meet.

"HOW CHRISTIAN SCIENCE BLESSES THE INDIVIDUAL AND THE FAMILY"

by **Arnold H. Exo, C. S. B.**
of Chicago, Illinois

Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

SIXTH CHURCH OF CHRIST, SCIENTIST
14730 Kercheval Avenue, Detroit

Friday Evening, March 5, 8:00 P. M.

Infants' room will be open for the care of young children during the lecture.
This Lecture will appear in full in the Grosse Pointe News, March 18 issue.

The program will be opened with an invocation and singing of the National Anthem, followed by the presentation of the colors by the Girl Scouts of the school, in commemoration of National Girl Scout Week.

The principal speaker of the evening will be Merland A. Kopka, director of placement services at Wayne University. He is an advocate of planning for life's work at an early age, so this should be a subject of interest to all parents.

Following the talk, there will be classroom visits, the last of the school year, and then a social hour in the school's dining room.

W. A. Crow Heads UCS Committee

A Grosse Pointe will serve as chairman of the newly organized Metropolitan Detroit Committee on Aging.

Walter A. Crow, 784 Berkshire road, has accepted the post. His appointment was announced at an organizational meeting Tuesday, (February 16), in Veterans Memorial Building by Edward T. Gushue, United Community Services president.

Purpose of the new UCS committee will be to define community policy in various fields of service to the aging and to assist in having the policy carried out. Its organization was made possible through a grant from the McGregor Fund.

Following his appointment, Mr. Crow named three chairmen to study needs of Detroit's aging population. The chairmen and their assignments include: Mrs. Elaine Murphy, personal services; Al Barbour, housing, and Thomas M. Melpolder, employment opportunities.

Mrs. Murphy is a director of employee consultation services and Mr. Barbour is secretary-treasurer of Wayne County CIO Council. Mr. Melpolder is medical administrator for Ford Motor Company employees' service department.

Planning executive for the Committee on Aging is Mrs. Ralph G. Guiney.

C. T. Fisher, Jr. On G. M. Board

NEW YORK.—The Board of Directors of General Motors, at the March 1 meeting, elected Charles T. Fisher, Jr. of Lake court, Grosse Pointe, a member of the board.

Mr. Fisher is president and director of the National Bank of Detroit, and a former director of the Reconstruction Finance Corporation.

He is a son of Charles T. Fisher, who with his brother, the late Fred J. Fisher, in 1908 organized the Fisher Body Company, which later became part of General Motors.

Both of these brothers for a long time served as directors of General Motors and were pioneers in the industry.

Charles T. Fisher, Jr. is a nephew of Edward F. Fisher and Lawrence P. Fisher, both of whom have been for many years members of the board of directors of General Motors.

"We were heading for the divorce courts for sure," said Ed, "me and my wife. Once we had loved each other. But later we began to quarrel every day. What fools we were!"

"How did you quit?" Fred inquired.

"Well, they say, 'A little child shall lead them.' It was our children who led us."

"One day our youngsters were getting noisy in the parlor. My wife and I were sitting at the kitchen table, not willing to say a friendly word to one another. My wife shouted:

"Alice, I want you to stop quarreling."

Alice answered, "Mother, we're not quarreling. We're just playing Mother and Daddy."

"That got us. We looked at each other. We smiled at each other for the first time in months. We decided to approach our problems sensibly.

"We'll have to start going to church again, for their sake if not for our own," said she, and I agreed.

I got out our dusty family Bible and we read a chapter together. We asked the Lord in to our home. Oh, yes, we still quarrel sometimes, but not like before. It's really a Christian home, now. We hold our tongues when we are provoked. We forgive one another. We set a better example to the children. It's much more fun to have Christ in your home than to leave Him out."

If you agree with Ed, why not come to Church and learn the things that will help you build up a Christian home for yourselves and your children!

who, where and whatnot by whoozit

When Mrs. David C. Gillis went down to Miami Beach to visit her mother, Mrs. Charles A. Hughes, she left an engagement book for Mr. G., all carefully marked with parties that would come up during her absence. So when Mr. Gillis turned to the book on a recent Saturday and noted he was expected for cocktails at the home of some Pointe friends . . . and later dinner at the Hunt Club . . . he dutifully got into dinner clothes and black tie. He arrived at the party to find ALL the other guests dressed as cotton pickers, some even black-faced for the evening. It was the Cotton Pickin' costume party honoring his brother, Gay and his bride, the former Margaret Keena Jackson.

Pointer Josephine Van Dolzen Pease, who lives in that quaint and picturesque carriage house on Village Lane, keeps busily at her "authoring". She's represented in "The Instructor", nationally circulated teacher's magazine. The story is for kindergarten and primary grades, "The Cow Jumped Over The Moon."

Whoozit had occasion to call an old friend . . . John M. Sullivan, chapter manager of Detroit Red Cross . . . last Saturday and once Mr. Sullivan was on the phone remarked, "Well, I suppose you're all ready to get started." "There are already seven hundred killed and a thousand wounded," said he. It was one of those cross-purpose telephone conversations. Whoozit thinking of March, the traditional month of the Red Cross campaign and Mr. Sullivan when called to the phone, knee deep, in the "bombing" Red Cross was staging at headquarters that day.

Have you heard the story about the distinguished Britisher who wrote to the London Observer that he heartily agreed with the American who was so shocked to read about the effects of cigarette smoking he had given up reading?

Visitor to the Pointe Henry Maday has gone on record with his bet with Whoozit: He contends that by February 1964 (ten years hence) we-Americans will not only be familiar with the whys and wherefores of flying saucers but will count among our friends people from Mars, Venus and other planets. Oh, for the one-hoss shay.

PILFERINGS

An army colonel came to Detroit and was telling a group of businessmen about the G.I.'s in their daily lives and in action. He told of questioning a sergeant who had been selected for promotion if his I.Q. would get him by the test. The non-com was asked this question in oral arithmetic: "You have \$47.38 in your left-hand pants pocket and \$83.47 in your right-hand pants pocket. How much money have you?" Answer: "I must have on one of the other boy's pants."

Texans who served overseas during World War II won the bragging contest over there, too. Americans from other states got a little fed up with the boasting of one Texas boy who helped win the battle of Naples. One of the Northern buddies pointed to the smoking Vesuvius and said, "I suppose that volcano wouldn't amount to much in Texas? You probably have a lot more gigantic fires in your state?" "Well," said the Texan, "we may not have any Vesuvius; but we have a fire department in Dallas that could put it out."

They're telling the story again about the Phi Beta Kappa who was filling out his application for a government job. When it came to the question "Nearest relative?" he wrote, "35 miles."

They credit Ilka Chase with the story about a New England lady who was burying her third husband. The tombstone dealer balked when the widow gave him the date of her late husband's birth, which would have made him only twelve years old.

"You're wrong, there," he said, "Mr. Hartley lived a sight longer than that."

The widow froze him with a glance, "I consider, sir, that Mr. Hartley started to live when he married me."

Ethel Barrymore once described her handsome brother John as "the shortest distance between two pints."

Pointer of Interest

MRS. J. ARTHUR MULLEN OF WASHINGTON ROAD with Mariner Scout Suzanne Newton, left, Girl Scout Barbara Luss and Brownie Scout Marsha Hoffman

On the eve of Girl Scout week (March 7 through 12) we stopped by on Washington road to meet the treasurer of Detroit Girl Scouts, Mrs. J. Arthur Mullen who long has fascinated us for possessing the unusual name—Exilona.

As the conversation progressed we found the Girl Scouts in what seemed quite a girlish situation. Nationally the organization is forty-two years old on March 12. Detroit Girl Scouts are celebrating their THIRTY-NINTH birthday. But it's not just girlishness. The Detroit chapter grant came three years after the national founding.

Girl Scout cookie sale (the girls raise money for Camps Holly and Metamora this way) begins Monday and runs all through the birthday week. Every night there will be Girl Scout birthday dinners and probably dozens of birthday cakes will be baked by Scouts. Jacobson's in the Pointe is devoting a window to Girl Scouts to mark the birthday and if a Girl Scout doesn't happen to sell you a box of cookies, you can buy them at Jacobson's and also the two Wrigley stores (on the Hill and on Mack avenue in the Woods).

The cookie sale will mean more bookkeeping for the attractive treasurer of Girl Scouts but that poses no problem since she loves mathematics.

Global Background Scout talk over, we went on to the name Exilona (Mr. Mullen's given name is Januarius, incidentally) and learned that it was bestowed upon Mrs. Mullen by her mother who was born in Spain, Granada.

Interviewing Mrs. Mullen, you have to apply the brakes often since her personal history is global. For instance you can't be told that a young Mr.

she went on to Columbia to study business. Her debut was made in Washington.

In New York, the young Miss Hamilton and Mr. Mullen were married. He, too, comes from Omaha and they had known each other since childhood.

The Pointer's way with figures has placed her in the position of treasurer for another important organization: The National Farm and Garden Association.

She has always been able to balance her own check book as well as those of the clubs she serves as treasurer and her help is often sought by Scout Troops who need a bit of counseling on how to make debits and credits all come out the way they should.

Paris Flower Stalls Some of the things Mrs. Mullen loved in Europe are part of her life here at the Pointe. There is, for instance, a charming grouping of water colors in her living room. Simply framed in oval bands of gold, the water colors are of various flower stalls in Paris.

In the pine-paneled dining room of the home, the furniture is from the antique shops of Paris. Although the chandelier was in the house before the Mullen's, it too has an old world charm.

Burning only candles, it is fashioned of fruits and prisms in amethyst, amber, chertreuse and green blown glass. It's simply beautiful.

Hobbies? Mrs. Mullen likes her rose garden and scouting. She's proud there are 26,000 Girl Scouts in Grosse Pointe. She likes to spend summer in Charlevoix.

Party to Honor Miss Anderson

Mrs. Jesse W. Shields is honoring Miss Flora Larned Anderson, of Mt. Vernon road, at a Birthday Tea in her home in Neff road, on Sunday, March 7.

Miss Anderson formerly taught English at Wayne University, then went to Southeastern High School to organize the English department; later being made assistant principal of the same school.

The honoree is an active member of the Memorial Presbyterian Church, a member of the Grosse Pointe Womens Club, and the Grosse Pointe Senior Club, and serves on the executive board of the Grosse Pointe Woman's Republican Club.

where the family has its summer home.

The family includes sub daughter, Michael Ann, who attends Convent of the Sacred Heart at Rochester, N. Y.; ten-year-old Mary Luisa, who goes to Grosse Pointe Convent and son, Frank Hamilton Mullen who is a student at Canterbury School in New Milford, Conn.

Pointe Counter Points

by Roberta Isley

Exciting things keep popping up . . . not just snow storms! . . . but crocuses . . . white Corvettes . . . posies on her hat. And right along with Spring . . . and all this . . . Clyde Horning's (all THREE stores, if you please) are celebrating their twenty-fifth year in the Fisher Bldg., March 4 to 13. Excitement is rampant because at this time they offer fifteen per cent discount on all shoes . . . even the new Spring ones . . . patents, soft as glove leathers . . . casuals or dressier models. Here is a chance to FIT the youngest or the b'tweener in choice footwear. 114 Kercheval, on the hill.

Some fashions crop up each year . . . but each time smarter . . . more appealing. Suits do that and so do Deb Fashions. Deb Fashions are priced right for High School gals . . . just thirty-five and thirty-nine ninety-five. Maybe it's the fabric or the styling that destines them to evoke endless flattery. In this group there are flannels trimmed in white pique (some with weskits) . . . double-breasted boxsuits in gray and pastels . . . lots of navy, too . . . in Jacobson's Better Suit Department.

The latest argument for spending a month on the continent this year is Chet Sampson's personally escorted European Tour in April. Come Sunday, April 25, you can tilt your little nose in the air when you pass a store window piled high with phony sands and pictures of faraway places . . . because included in this trip is Edinburgh, London, Amsterdam, Zurich, Lucerne, Venice, Capri, Paris . . . and many, many more faraway places. So if you are a homebound woman, and feel like the Poor Little Match Girl, call Chet Sampson, TU. 5-7510, or stop in at 100 Kercheval, on the hill, for information.

Do you hunt, fish, ski, golf, or just laze in the sand? Then this is for you. For every activity there are special sun glasses. For example . . . skiers, boat-owners and others who take their sport over snow or water like the kind with double-gradient density . . . with graduated metallic coatings at top and bottom of lenses to screen out overhead glare and reduce sharp reflections from snow or water. Golfers . . . frequently all around sportsmen like the regular green lens. Those who wear glasses, or need them can have these Ray-Ban lenses in Orthogon single vision or Orthogon bifocal types ground to your needs by consulting Johnston Optical Co., on the hill. In fact, Johnston's have a Ray-Ban Sun Glass Selector. They would be glad to have you stop in and see it and . . . choose the sun glass that fits YOUR specific needs.

These are more potent signs of Spring than the usual cherry blossoms. Who cares if it's only March 1 . . . and snowing outside? B. H. Wragge, who is practically the father of this country's separates . . . and important names like Sloat and Diva . . . are represented in a collection of golf skirts at Margaret Rice's. Some sport pleats, some flares. Others are full. Just the kind you'll need for active sportswear. So-o-o perfect. Knowing Margaret Rice, you won't have to shop further for a blouse: 76 Kercheval, on the hill.

How would you like a summer suntan 12 months of the year? This modern sun-lamp or heat lamp can produce a sun tan or the infra red pain relieving light when you want it. Use it as a flood light for your work bench or drawing board, too. Around twelve dollars. Fromm's, in the village.

Gayer than Springtime were the adorable five year olds we saw when we visited Marie Bird's last week. One glamour tot needed only an intra-curl to bring out the natural beauty in her hair . . . while the other bright-eyed darling was enjoying every moment of the process that gave her a soft permanent that looked like naturally curly hair. Marie Bird and her staff have a special way with children. It pleases them and their lovely mothers. So if you are six or sixty, call TU. 1-6833 for the TOPS in a new hair style.

Invitation. You are invited to an informal showing of advance Easter millinery, featuring the creative genius of foremost New York and California designers . . . Beatrice Martin, Caspar Davis, G. Howard Hodge, Phil Strann . . . and other famous names. All this takes place Friday, March 5, from 10:00 a.m. to 5:00 p.m. It's a fabulous collection of millinery for the Easter Parade that Jacobson's are showing.

Something new has been added to Spring. Flowered confectations . . . fresh with daisies, lilacs, gardenias, and straw, in the shape of collars, checked into the Pointe's this week. All these along with reversible Peter Pan collars . . . one side waffle pique . . . the other pinwale . . . very sudstable . . . BUT don't forget to have it monogrammed. It's in Jacobson's accessory department you'll find the newest in glitter clothes pins . . . ties for shirts . . . and colorful rope belts.

Reta Terrel's Bath Satin is designed for those whose skin becomes super-sensitive in cold weather. One application is usually enough to relieve itching. Apply it after the bath but before drying, massage well . . . then dry as usual with a towel. It's useful at the office too, where soap causes discomfort. The price is the big news here. The two dollar size is now \$1.25 and the three fifty size is now \$2.00. Of course this is for a limited time only at Trall's Pharmacy, on the hill.

Sometimes fabrics do get away from winter . . . and the ordinary. We found that out this week when we went probing for fabrics suitable for children's rooms. For the youngest we found, "Alice in Wonderland" (white and yellow) . . . "Toys" (blue and gray) . . . "Catsnip" (full of playful furry kittens) and "Hardy-Gurdy". For older boys and girls there were hunting scenes, nautical ones, "N Bar Western", one called "Mobile" is an old fashioned automobile design. Jacobson's Home Decorative Shop, in the village, will be glad to give you estimates and bring samples to your home. And after that . . . fashion them in their custom work room.

And Greta Turne is on Fisher Rd. not 408 but 373. So if you want to change your hair color to blonde or titian . . . brunette or brownette, visit Greta Turne's Beauty Salon. Have your hair clipped and pruned . . . have it brushable, manageable from one appointment to the next. TU. 2-6240.

Last week we told you Chet Sampson was still in the village. But you know he has been settled in his v-e-r-y elegant travel establishment at 100 Kercheval, on the hill, for some time now.
