CENTER DRIVE OFF TO GOOD START

HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, April 22
WHILE A HOLDUP MAN trained a gun on the owner of a food market in Pittsburgh, Pa., two youngsters walked into the store to look around. Seeing the gun in the hands of the robber, the lads "approached him and asked if the gun was real. "Naw," said the bandit, "it's only a toy." Disappointed, the boys turned right around and left. The bandit followed behind them—with \$50 in cash.

Friday, April 23
ROBERT T. STEVENS, Secretary of the Army, charged that Senator McCarthy lied when he stated that he did not seek preferential treatment for Private Schine, the senator's protege, and his accusation was backed by two Army generals. Stevens made his charge in a 25-page statement. He faced McCarthy and called "absolutely false," assertions that the Army tried to blackmail the senator by using the Schine case as an attempt to make the senator drop his investigation of how the Army is handling the Communists within its ranks.

Saturday, April 24
SENATOR MCCARTHY lost his battle to prevent the Senate Investigations Subcommittee from using a recording of his telephone conversation with Secretary of the Army Robert T. Stevens. However, he was successful in bringing about a delay.

The Subcommittee, before it recessed for the weekend, decided to subpoena all records of phone calls in the hot dispute and make public those deemed necessary. McCarthy blocked, at least temporarily, one phone call reading, in which he allegedly suggested weekend leaves for Pvt. G. David Schine, "for the purpose of taking care of Dave's girl friends."

Sunday, April 25
THE LATEST REPORT from Indochina discloses that the French in the battered fortress of Dien Bien Phu, in a pincer pressure applied by Vietminh troops, are on the verge of surrendering. The French high command stated that there were at least 40,000 guerrillas in the jungles ready to sweep into the gap from which the rebels threaten to choke off the vital airlift and overrun the shrinking camp.

U.S. officials said that the Russian and Chinese Governments have stepped up their military aid to the rebels, to the point of near intervention, in an effort to win a decisive victory before the Geneva conference takes place.

Monday, April 26
The Reds are striving harder than ever to capture the fortress before the Geneva conference gets under way. Communist shock troops slashed within 500 yards of Brig. Gen. Christian de Castries' dwindling defenses.

Tuesday, April 27
DIGNITY was temporarily forgotten at the McCarthy-Army hearing in Washington when Secretary of the Army Robert T. Stevens called Senator McCarthy a liar. When Stevens was asked if he promised to direct the McCarthy committee to "dirt" in the Army and Navy, if McCarthy would get "off his back" the secretary said that that was an unequivocal lie.

Ray Jenkins, the senate committee's special counsel, put Stevens through a grilling cross examination. The intention was to try to show that the secretary tried desperately to have McCarthy call off his investigation of the alleged espionage at Fort Monmouth, N.J.

Wednesday, April 28
TEMPERS FLARED during the hearing of the McCarthy-Army dispute, when the Army charged that a picture showing Secretary of the Army Robert T. Stevens and Pvt. G. David Schine together, was "doctored."

Bicycle Safety Campaign to be Conducted in May

This photograph indicates one phase of the Bicycle Inspection program, two young riders receiving an inspection check from a Grosse Pointe Officer. Dollars and cents are not involved, but the constant vigilance by the police of the Pointes to the safety of the child bike riders is of utmost importance. The help of the adults is badly needed in this campaign. Anyone willing to donate toward prizes for the youngsters is asked to contact his local police department.

May 22 to 31 Designated For Clean-Up

Fire Prevention and Rat Control to Be Stressed During Annual Observance

The Farms will join up with the rest of the Pointe communities in the annual Spring Clean-Up Campaign which will be between May 22 and May 31.

"Although we will not get into a program as extensive as last year," stated Farms City Clerk Harry Furton, "we have agreed that the clean-up campaign is good for the community and have set the dates of May 22 through May 31 as clean-up days. The program is identical in each of the communities to the effect that we urge the clean-up to help fire prevention and rat control."

He asked that everyone clean up their own property, stop using vacant lots to dump their rubbish, branches, etc., and to replace worn out containers with approved covered containers.

All refuse is to be placed between the curb and sidewalk for special pickups throughout the campaign.

Men's Chorus Giving Concert

The public is invited to attend the annual concert of the Grosse Pointe Men's Chorus which will be held in the Pierce Auditorium, 15430 Kercheval at Nottingham, Tuesday, May 4, at 8 p.m.

The chorus is under the direction of John E. Finch, musical director in the Grosse Pointe High School. Miss Carol Thome will be the accompanist. There will be no charge for the program which has been arranged to please all who appreciate choral singing.

To Honor Visiting Mayors At Luncheon in Yacht Club

Municipal heads of other Michigan cities who will visit the Pointe on Exchange of Mayors Day, Wednesday, May 5, will be guests of honor at a luncheon to be given in the Grosse Pointe Yacht Club.

The mayors will come here, and local municipal heads will visit other cities on that day, as part of the big Michigan Week celebration. Cities figuring in the exchanges were paired through a drawing made by Governor Williams.

Because the local mayors will be out of town and many of the local councilmen and trustees will be tied up by their private businesses the administrative staffs of the Pointes have taken

Pointe Symphony Orchestra Prepares for Second Concert In Parcels School on May 9

Milton Setzer Will Be Piano Soloist; Residents Urged To Remember Last Sell-out and Get Their Tickets Early

The Grosse Pointe Symphony Orchestra has announced its second concert will be held on Sunday, May 9, at 3 p.m. in the Parcels Junior High School auditorium, Mack and Vernier road.

Wayne Dunlap, conductor, whose studies and experience have included a master's degree from the Eastman School of Music, was former conductor of the University of Michigan Symphony Orchestra, and is present conductor of the Plymouth Symphony Orchestra.

Get Your Seats Early
Under Mr. Dunlap's expert guidance, the Grosse Pointe Symphony has prepared a second concert for the community which will equal the first given on March 7 at Parcels, and enjoyed by a capacity crowd. Those who attended the first offering will recall that many who planned on

Seeking Names Of Korean Vets

The Grosse Pointe War Memorial is anxious to extend its scrolls of honor to include those who served in the Armed Forces in Korea.

Anyone from Grosse Pointe having served in Korea, or any Grosse Pointe family having sons or daughters who were in Korea, are invited to submit names and other pertinent information to the Veterans' Committee, Grosse Pointe War Memorial, 32 Lake Shore, Grosse Pointe 36.

Blanks on which to record this data may be obtained by writing to the above address or by telephoning TUxedo 1-6030. Early cooperation is necessary as negotiations are now under way for the purchase and mounting of the scroll in the War Memorial.

Where to Get Tickets

Tickets may be obtained through the music departments of the schools, and at the following: The Dant's Gift Shop, 88 Kercheval avenue; Hawthorne House, 9 Kercheval avenue; York Jewelers, 17047 Kercheval; Grosse Pointe Book Shop, 19459 Mack Avenue, and The Yarncraft Shop, 343 Fisher road.

Wiltse travelled east on Vernier, then turned off on Sunningdale and was stopped on Lake Shore road.

Taken to the station, when he could not produce his driver's license, he admitted that his license had been revoked for six months on January 4.

Pair Nabbed Abandoning Stolen Car

One Admits Stealing Auto From Turner-Buick Agency Where He Had Worked

Michigan State Police of the Clinton Post arrested two Detroiters charged with stealing a new car from a Grosse Pointe Park dealer on Monday, April 26.

According to information released by Park Police Chief Arthur Louwers, the two men, L. J. Brown, 26, of 3470 Arndt, and John Sylvester, 29, of 419 Columbia, were arrested when they were seen abandoning a new car near Adrian. A passing motorist made the call to the police.

Both men were locked up in the county jail at Adrian and the Park authorities were notified.

Plan to Fight Condemnation

Shores property owners involved in the Village's condemnation suit, in which community officials are seeking to condemn land adjacent to the Shores' municipal park, for recreational expansion, vowed to take their case to the Michigan State Supreme Court if necessary.

During a hearing before Circuit Court Judge Lila Neuenfelt on April 5, property owners maintained that the Village could not condemn their property, because the Village had no plans or funds for its purpose.

Judge Neuenfelt ruled, however, that the community has a right to try to condemn, but has set no date for the case to be heard.

Shores to Hold Public Hearing

The Shores will hold a special public hearing in the Municipal building on Friday, April 30, at 8 p. m.

The meeting was called by the Village Planning Commission for the purpose of creating an amendment to the Shores' master plan.

Men's Garden Club Plans First Anniversary Dinner

The first Thursday of May marks the first anniversary of the Men's Garden Club of Grosse Pointe and in celebration its members and their guests will meet at a dinner on May 6 at 6:30 p.m. in the War Memorial Center.

Officers Elected, Budget Adopted for Civil Defense Area

Executive Committee Holds Sessions in Neighborhood Club to Set Up Organization; Shores Only Pointe Not Participating

An organizational meeting of the Grosse Pointe Area Civil Defense Executive Committee, with the heads of four Pointe communities and Harper Woods participating, was held in the Neighborhood Club on Friday, April 23.

The five community leaders met with Civil Defense Director George Elworthy to formulate plans for an overall defense program for the area in the event of an emergency.

Shores Not a Member
The Shores Village has expressed no desire to join the civil defense program under the present agreement.

Present at the meeting were: Park City Manager Everitt B. Lane; Farms City Clerk Harry A. Furton; Woods City Administrator Ray MacArthur; Grosse Pointe City Clerk Norbert Neff; Grosse Pointe Treasurer Neil Blondell, and Harper Woods City Manager Harry Seitz.

The civil defense agreement has been approved by the councils of the communities represented at the meeting.

The group elected the following officers, Mr. Lane, chairman; Mr. MacArthur, vice-chairman, and Mr. Furton, secretary. All officers are to be changed at two year intervals.

A proposed budget of \$5,000 was also agreed upon and Grosse Pointe Treasurer Blondell was requested to divide the cost of organizational operation among the communities on the basis of their respective 1954 real equalized value.

On this basis, the costs were divided as follows: Farms, \$1,285; Park, \$1,285; Woods, \$1,145; Harper Woods, \$700; and the City, \$605.

Mr. Furton, as secretary, will notify the State and County Civil Defense Authorities of the adoption of the agreement establishing the five-community defense area under one protective arrangement.

Civil Defense Director Elworthy was asked to prepare an up to date report of the present Civil Defense protective organization.

Meetings will be held whenever the Civil Defense director deems it necessary.

Capt. Coulter Dies in Crash

Capt. Marshall G. Coulter, Jr., formerly of 438 Madison, was killed in a crash of a C-119 transport near Granada Hills, Calif., on Tuesday, April 20.

He and six other service men, who were also killed, were en route from Williams Air Force Base, Chandler, Ariz., to Burbank, Calif., when the plane smashed into a fog-shrouded ridge during an instrument landing approach.

Capt. Coulter was a 1942 graduate of Grosse Pointe High School, and was appointed that July to the United States Military Academy at West Point. He was commissioned in the Air Force following his graduation from West Point in 1945.

He is survived by his wife, Elizabeth; two sons, Marshall III, and David; his mother and father, Mr. and Mrs. Marshall G. Coulter of Irish Hills, Onsted, Mich.; a sister, Mrs. Barbara Butterfield of Homer, Mich.

Following military funeral services, he was buried in White Chapel Memorial cemetery on Monday, April 26.

Rotary Club Show's Cast Numbers 150

The Grosse Pointe Rotary Club is sponsoring a musical comedy and members are busy with casting and rehearsals. The two-hour show "You Can't Beat Fun" will have a local cast of 150 persons, from tots to adults. It will be under the direction of Augusta Phelps Monro of New York, and will be presented in the Parcels Junior High School auditorium on Thursday and Friday, May 13 and 14, at 8 p.m.

Casting, although not complete, is listed as follows:
William Wahl as Lucky Samson; Herb Savage as Minnie the Moocher; Murray Smith as Wall St. Sam; Ed Taube as Diamond Lil; Al Herman as Big Bull Moose; James Hamilton as Klondike Kate; Art Louwers as Goodtime Charlie; and Herbert Hamilton as Big Bertha; also Ralph Grassek, John Potter and Jack Osgood.

To Feature Rockettes
The "Rockettes of Grosse Pointe", singing and dancing group, is composed of Grosse Pointe High School majorettes and cheer leaders. They are: Cathy Marick, captain; Jean White Hurst; Martha DeLoer; Mary Jo Giroux; Carole Cumberworth; Judy Huntington; Joan Sluggitt; Linda Mistle; Carolyn Gardner; Beverly O'Dell; Margy Miller; Alice Lyne Martin; Ruth Snell; Connie Mohr and Marcia Murphy.

\$5,000 Given By 350 In First Week

Everyone Asked to Donate to Campaign Which Will End On Memorial Day

The first week of the Grosse Pointe War Memorial Center's annual Family Participation Campaign brought in \$5,000 from 350 contributors, it was announced this week. The goal set for this year is \$30,000, the minimum amount needed to operate and maintain the Center.

The drive will be terminated on Memorial Day. The Memorial Association hopes that the number of givers in this year's campaign will be increased by at least 1,000. Last year 2,100 families contributed a total of \$27,620.

Many New Donors
It was stated that 10 percent of the donations received this year have come from individuals or businesses which had not contributed in previous campaigns. The local businesses are being canvassed this year for the first time.

The first week of last year's campaign produced \$3,971, received from 271 donors.

Everyone Asked to Give
The drive is being carried on by direct-mail solicitation. Every resident is asked to give something, no matter how small the amount might be, to the Center, which provides a program of activities for groups of all ages.

Donations should be sent to the Grosse Pointe War Memorial Association, 32 Lake Shore Road, Grosse Pointe 36.

Red Cross Jrs. Visit Hospital

On Thursday, April 15, 21 members of the Junior Red Cross group from Grosse Pointe High School visited the Northville State Hospital, Harold Bynum, clinical psychologist, Mrs. Lois Mills, occupational therapist, and Mrs. Carolyn Siefert, director of social service, toured the group through the hospital and then met with them for a question and answer period.

Following this, members of the group provided entertainment for 100 patients in one of the hospital's patient care buildings.

While at the hospital the group also had an opportunity to present the special Easter favors they had made. Their project for April was the completion of a "Candy House" for each ward in the hospital. These were used by the wards as the focal point in their holiday decorations.

The boys in the group have been working on a project of their own for the hospital. They have built one, and are finishing a second picnic table for the patients to use this summer for outdoor parties. This project has been under the supervision of M. Alperwitz, shop teacher at Grosse Pointe High.

Mr. Alperwitz also accompanied the group to the hospital, along with Mrs. Alice Sheaffer, Mrs. Harriet Laiter of the ARC Motor Service drove the Red Cross Bus which brought the group to Northville.

Among those who visited the hospital were: Jean Searles, Joy Taylor, Joyce Bushong, Junior Red Cross Chairman, Cindy Buell, Mrs. Alice Sheaffer and Cynthia Laiter. Jane Boyles, Aurelia Varbecke, Janice Heinrich, Nancy Diegel, Sue Mann, Sue Conner and Carolyn Farnol.

Mink Cape Taken From Fur Store

A brick tossing thief must have been thinking of next winter's icy blasts, or perhaps have had a present on his mind, when he threw a brick through the window of a store on Kercheval on Tuesday, April 20.

Park Police Chief Arthur Louwers stated that police cruising in the area of Kercheval, heard a burglar alarm ringing and checked its source. They found that it came from the establishment of the Sullivan Fur Company.

They discovered that a large plate glass window was broken by someone who had tossed a brick through it and stolen a \$1,393 mink cape.

Workmen are busily engaged in pulling up the old Grosse Pointe City pier to make way for the new harbor which is now under construction. The new harbor will be much larger than the old one and will provide a protected swimming area also.

Check Bounces In Supermarket

A large check passed in a Mack avenue food supermarket on Wednesday, April 21, "bounced" according to a Farms police report.

The check, in the amount of \$197.36, from a chemical company was drawn on the National Bank of Detroit and passed in the supermarket, bearing the name and endorsement of a Richard Burns of 10464 Ludlow, Huntington Woods.

The head clerk of the store, informed police that the check was okayed after the person presented a car registration and a license number, ES 8754, made out to the Burns person.

Burns was picked up and taken to the station for questioning. He stated that he had lost his car registration and title about a month ago. He said that he knew no one at the chemical company.

He was released pending further investigation. Later, handwriting comparisons were made, and it was established that the signature on the check was not Burns'.

Exchange of Mayors Day Set As Part of Michigan Week

Mayors and village presidents from most of the 26 Wayne County communities attended a luncheon meeting at Wayne University Monday, April 26, as a "warm-up" for Exchange of Mayors Day, Wednesday, May 5.

The mayors discussed plans for the observance of Michigan Week, May 2-8, and were briefed on the May 5 exchange program, when each of them will visit some other city or town, the mayor of which will visit their city at the same time.

The Monday meeting was called by Louis C. Miriani, acting mayor of Detroit during Mayor Cobo's absence. It is believed to be the first time that all the Wayne County mayors got together.

Wednesday, May 5, Mayor Cobo will visit the little town of Britton in Lenawee County, of about 500 population, and Mayor Robert Wallace, an insurance man, will be Detroit's guest.

There will be a luncheon in Britton, the school band will play and the school children will be given a holiday to welcome Detroit's chief.

Mayor Wallace will be greeted at the City Hall by Mary Beck, president pro tem of the Common Council, given a key to Detroit and shown the sights of the city.

Several Wayne County mayors are due to cover quite a bit of mileage on May 5, when they

exchange visits. Mayor Ernest C. Putnam of Grosse Pointe Shores is to exchange visits with Mayor William Bonk of Suttons Bay, near Traverse City.

Mayor Frederick W. Parker, Jr. of the City of Grosse Pointe will exchange posts with Mayor Robert Weller of Dowagiac.

Mayor Homer Fritsch of Grosse Pointe Park will go to Marquette and Mayor Ever Harrison of that city comes to the park.

Mayor William F. Connolly, Jr. of the Farms will go to Bloomfield Hills and Mayor James A. Berensford of that city will take over here.

Mayor Waid McKnight of the Woods will exchange places with Mayor W. A. Williams of Dundee.

President Clarence B. Hilberry of Wayne University, chairman of the Wayne County committee for Michigan Week, presided at Monday's meeting. "Michigan Week will bring the people of the state closer together. I am confident it will be widely observed and do a great deal of good," he stated.

FIRES COST \$84,821,000

Commissioner Mazer Gives Report on City Departments

City police and fire personnel will work hand in hand from now on, for a better over-all protection of the citizens of the community, a report submitted to City Mayor Frederick Parker, Jr., and the City Council, by City Commissioner of Public Safety John Mazer disclosed.

Mr. Mazer made known that he has made several changes in the police and fire departments to provide safeguards for the security, safety and welfare of the city's residents; to work in cooperation with all the elected officials of the City in order to lay the foundation for and to implement an effective program of Public Safety; and finally to adopt a fair and equitable personnel program with certain well defined standards which will secure a competent and loyal group of City employees.

Hold Informative Meetings
He revealed that he had met with various city managers, chiefs of police and fire departments and directors of public safety, to glean all the best knowledge in the controlling and operating the department for the highest public safety.

He said that in spite of all the meetings attended, he has arrived at several conclusions and one of them is that the real solution to "Our police and fire problems lie within our own hands. No one else can solve those problems but us."

To Instruct Policemen
Effective as of April 1, all police personnel will participate in a complete program of fire prevention and fire instruction, with the fire chief in complete charge of this program. Also all scout cars will henceforth carry fire extinguishers.

In an emergency, all fire personnel will be ordered to duty and must respond when called. Both the fire chief and captain must respond to every fire call.

Mr. Mazer's goal is the standard established and performed by the Detroit Fire Department, one of the finest devised.

Lands Standby Service
He praised the mutual aid and standby service in existence between the City, Park and the Farms. He said that here is an example for those communities who advocate closer cooperation between municipalities. For better service, he recommended to the city officials, consideration of standby service with Detroit.

Antique Show Scheduled For April 30, May 1, 2, 3

In the annual spring staging of Michigan's largest antique show, in Masonic Temple April 30, May 1, 2 and 3, 60 Exhibitors from the Great Lakes States will join Detroit antique dealers in a display of antiques of all kinds valued in excess of \$300,000. Outstanding are six booths featuring Early American Furniture and furnishings.

Other booths will have European china, Victorian era glass, American blown and pressed glass. One large collection of firearms and Indian relics, a large coin and stamp display, mechanical toys and music boxes are other features.

A special feature of this year's show will be the Exhibit of excavated glass objects from 500 to 700 years old. Some of these items are priced as high as \$1,000 each. This display is by Norik Balassan of Tehran, Iran, who took a part in the recent Persepolis archaeological Expedition in Iran which uncovered the Kink Darius Palace. (Featured in Life Magazine last year).

BIRD LISTS AVAILABLE
A list of 148 species of birds observed in Kensington Metropolitan Park from the fall of 1948 through the fall of 1953 has been compiled by the Detroit Audubon Society and is available free in mimeographed form from the Huron-Clinton Metropolitan Authority, 1750 Guardian Building, Detroit 28, or Kensington Park headquarters.

Dedicate New Yacht Club

Flag officers of the St. Clair Yachtsmen, Rear Commodore Brad Pyle, left, Commodore Frank Krembel and Vice Commodore George Brewer, played an important part in the dedication ceremonies Saturday, April 24, of the St. Clair Yachtsmen's new clubhouse, located on the Kean property at the foot of Meadowbrook. All three men have been in the club since its origin in 1946 when six unattached sailors got together and formed the club, which now has 110 members.

Expert to Talk About Greenland

Cecil Houghton, from "Greenland's Ice Mountains" will return to the Pointe for the third time. Twice during the past few months Mr. Houghton has been the assembly speaker at Grosse Pointe High School where he kept the students spell-bound. He will speak at the Grosse Pointe Congregational Church on Friday, April 30, at 8 p.m.

Mr. Houghton is an authority on Greenland and the Eskimos. He lived among them for six years while serving the United States Weather Bureau. He will take his audience to the top of the world and show the people, the country, birds and the animal life of Greenland. They will hear the explosive crack of the dog whip, and take a trip to hunt polar bear and the seal.

"Prince," a real sledge dog will appear in person. The audience will see the Northern Lights and their ethereal fusing colors on the screen.

Proceeds are for the benefit of Olivet College. Tickets may be obtained by phoning the Congregational Church, VA. 4-3075 (days) or VA. 2-7141 (night).

Special Service At St. Michael's

The Church Schools of the East Side Convocation of the Episcopal Diocese of Michigan will hold their annual Lenten Offering Presentation Service at St. Michael's Church, Grosse Pointe Woods, at 4 p. m. on Sunday, May 2.

The children's choirs of 12 parishes and their rectors will form the procession at this service, which will be conducted by the Very Reverend George Merfield, Rector of Grace Church, Mt. Clemens and Dean of the East Side Convocation; the Reverend William T. Smith, Church of the Epiphany, Detroit; Eastside Chairman of Christian Education; and the Reverend

Edgar H. Yeoman.

The Reverend G. Burton Hodgson, Diocesan Director of Christian Education, will preach. A representative from each parish will present the offering collected by the children of the Church School in their Lenten Mite Boxes.

The parishes participating in this service are Church of the Messiah, St. Mary's Church, of Our Saviour, Epiphany, St. Mark's, St. Columba, Church of St. Philip and St. Stephen, all of Detroit; St. Gabriel's, East Detroit; Trinity, St. Clair Shores; Grace Church, Mount Clemens; and Christ Church and St. Michael's, Grosse Pointe.

St. James Guild Giving Dinner

The Women's Guild of St. James Lutheran Church, McMillan at Kercheval, is giving a buffet dinner, Sunday, May 2, in the church fellowship hall. Ham and roast beef will be served, accompanied by favorite dishes prepared by guild members.

Mrs. Alfred T. Wilson and Mrs. Harold Rieth head the committee making arrangements. Tickets may be obtained from Mrs. William Fenske, TU. 5-2040 and Mrs. Harold J. Meinke, TU. 5-0487. Dinner will be served from 4 p. m. till 7:30 p. m.

Lands Big One

JOHN HYDE of 1882 Fleetwood landed this seven foot, six inch sailfish on March 20 at Boynton Beach, Fla. It was the first time he had ever been deep sea fishing.

Mr. and Mrs. Hyde returned to the Pointe on April 1 after spending two months at the southern resort.

Mrs. Hyde took the picture.

Major Wright On Special Duty

Major Robert Wright, son of W. J. Wright of Beaconsfield avenue and the late Mrs. Wright, executive officer of the 175th MP Bn., was sent to Berlin to command the provisional MP company which embraces special security personnel.

The extra personnel were taken from the U. S. Army in Europe to augment regular MP's and help provide proper security at the Allied Control Authority building, the Berlin Comd. Hq. and the private quarters of Secretary of State John Foster Dulles, during the recent minister's conference held in Berlin.

Major Wright is stationed with the 4th Infantry Division Headquarters in Stuttgart, Germany. With him are his wife (formerly Major Alma Littlefield, W.A.C.) and two daughters. He will have served in the army for 14 years this month.

High School's Band Concert Scheduled for Friday Night

By Paul Norris
G.P.H.S. Journalism Student
Something for everyone!
That's what this semester's Grosse Pointe High School band concert will offer at Parcels Junior High School on Friday night, April 30, at 8:15 o'clock.

Mr. Dewey D. Kalember, band director, and his musicians have tried to make their program as varied as possible so everyone will be well pleased.

For pop and modern fans the band will play a modern band novelty, "Johnny Peel," by Little. In this number they will play and sing pop.

For modern fans Ed Vance, clarinetist, will play "Interlude," by Morrissey. Also for modern fans the band will play "Martini-que," a beguine fantasy, by Morrissey.

Those who prefer more classical music will enjoy the band's presentation of "Ballet Parisien," by Offenbach and arranged by Isaac. In this piece the popular can-can music occurs. The number will be conducted by a student, Nicky Treat.

Kids from six to sixty will enjoy the comedy sketch "The Bremen Town Musicians," by Foreman and narrated by Bob Prince. The well known "Mr. Peepers' Theme" by Green and Beeler will be on the program.

The "Cambodian Suite," by Cambodia's present king, His Majesty King Norodom Sihanouk of Cambodia, ought to be of special interest. The peaceful kingdom of Cambodia, located in the Indo-Chinese peninsula appears frequently in the news.

The king's hobby is music and composition. In his spare time he plays in the court band. King Varman presented his "Cambodian Suite" to the United States Air Force Band which played the Suite's premiere performance.

The suite consists of three parts. First, "Berceuse," an introduction and valse; second, "Nostalgia," a languid tone sketch; and third, "Cherie," a colorful, rhapsodized beguine.

For those who enjoy "Deep Purple" and "Autumn Serenade" the band will play "Colorama,"

a fantasy in color which includes "Royal Blue" and "White Orchids".

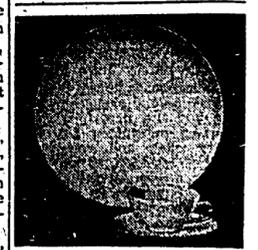

One of the big numbers in the concert will be the finale from "The New World Symphony" by Dvorak and arranged by Leiden. It was this number which in 1942 won the band its first first-division rating in the Regional festival.

The "Santa Cecilia March" will be directed by a student, Kurt Reinsteln, and Carol Gardner, drum majorette will perform with a lighted baton. The piece was written by Radaeill and Brittain.

Beethoven's "Sonata," Opus 17, for horn and piano, will be played by Nicky Treat, French hornist, and Marcia Murphy, pianist. The popular "Saint Louis Blues March" will appear in the program. It will be conducted by a student, Dave Stander. This number was used in the last Tuxis show.

Janet Myers, cornetist, will play "Falcato" by Richards. The admission for the concert

is 50 cents, and 25 cents for children or students with student activity tickets.

Congregational Church Women Busy Preparing for Show, Sale

Everyone in the Women's Association of the Grosse Pointe Congregational Church is getting into the act for the Talent Show and Sale to be held at the church, Lothrop and Chalfonte, on Wednesday, May 19 from 2 to 9 o'clock. Every member is contributing talent or mappower, or both.

Mrs. Franklin Treat, general chairman of the show, reports that samples of the handicrafts and art work are overflowing the storerooms already and the various committees have just started to collect things.

Mrs. Howard J. Emerson in charge of flyers and posters, claims that every member of the community will know by May 19 that the show offers an almost painless way to get one's Christmas shopping done really early. All the talent may be ordered at that time for future delivery.

Mrs. Edward L. Weber's committee is serving tea and cookies to all visitors in the afternoon, and cake and coffee to those who

come in the evening. Decorating for the show will be done by Mrs. Paul Mathewson, Mrs. Clare Sober, Mrs. Stanley Richardson and Mrs. James Cunningham, who have some new and interesting display ideas.

Various divisions of the Talent are: Domestic Handicrafts, under the chairmanship of Mrs. John Bell, including sewing, knitting, and beadwork; Fruit Cellar Produce, headed by Mrs. Donald M. Carson, who promises to have on hand plenty of Watermelon Rind Pickle, Mincemeat and the famous Chili Sauce, as well as dozens of other goodies; Baked Goods for future delivery, under the chairmanship of Mrs. Vern M. Drew. And Mrs. Earl W. Dummage is heading the Arts and Crafts, which includes jewelry, ceramics, watercolors and wood carving.

The Services Division is a brand new idea, where one may engage the services of an interior decorating consultant or an expert bound-buttonholer.

Pointers Have Roles at Liggett

Two little Grosse Pointers will be flower girls for Dolene MacKenzie when she is crowned May Queen of Liggett School at traditional Founders' Day ceremonies May 7.

The little girls who will wear the coveted pink organdy dresses and straw rose petals in the queen's path are Carolyn Ann Kriehoff, daughter of Mr. and Mrs. William T. Kriehoff, of Kenwood court, and Joanne Newson, daughter of Mr. and Mrs. Robert J. Newson, of Lincoln road.

The tenth graders have chosen as their attendant to the Queen another oPinte girl, Peggy Murphy. She is the daughter of Mrs. M. Phipps Murphy, of Meriwether road.

The dance program this year is drawn from operettas: Hansel and Gretel, The Magic Nutcracker, and Pinafore. There will be two performances, at 8:30 and at 11 a.m., to accommodate all the parents, alumnae and friends who wish to attend.

Betrothal Told

Mr. and Mrs. George A. Beauchamp of Vernier road announce the engagement of their daughter, JULIE CLAIRE, to Donald Raymond Goetz, son of Mr. and Mrs. William L. Goetz of West Allis, Wis.

Julie was graduated from St. Mary Academy in Monroe and attended Rosary College in River Forest, Ill. She is personnel manager of the Catholic Youth Organization in Chicago.

Don is attending Marquette University in Milwaukee.

Pointe Colony Plans Election

Mrs. Fred W. Haines, president, will conduct an 11 o'clock board meeting, and the business session at 1 o'clock, at which annual reports of officers and chairmen will be heard.

Assistant hostesses for the 12 o'clock luncheon are: Mrs. Howard B. Zogrette, Mrs. Henry M. Booth, Mrs. William B. Hanford and Mrs. William F. Turnbull.

A new slate of officers will be elected and installed by the chairman, Mrs. Wilfred J. Campbell, of Fisher road, who will also conduct a memorial service for a member lost during the year.

Among officers from this area reporting will be Mrs. C. A. Neville, of Bishop road, second vice-president; Mrs. Ralph R. Ranney, of Fisher road, corresponding secretary; Mrs. Richard W. Allen, of Cranford lane, recording secretary; Mrs. James W. Reid, of East Jefferson avenue, first vice-president; Mrs. Ralph R. Johnston, of Roslyn road, Kurn Hattin chairman.

The annual meeting of Grosse Pointe Colony, National Society of New England Women, will be held Tuesday, May 4, at the home of Mrs. Charles F. H. Crathern, in Oak drive.

Plan to Attend Meeting On Planned Parenthood

The Planned Parenthood Federation of America will hold its Annual Membership Meeting at the Waldorf Astoria in New York City, May 4, 5, and 6.

Delegates from the Detroit League are Mrs. Maurice Klein and Mrs. Virginia W. Stinson. Other local women attending this meeting are Mrs. James McEvoy, a member of the National Board, Mrs. J. Howard Stephenson of Walkerville, Ontario and Mrs. Mayer B. Sulzberger.

Program planning for the coming year is the theme of this meeting.

Frolic Planned By KC Council

The Monsignor James Stapleton Council of the Knights of Columbus will conduct the first post-Lenten social, the Annual Spring Frolic, on Saturday, April 24.

The dance will get under way at 9 p.m. in the Council Hall at 10820 Whittier with music under the direction of Jerry DeClercq.

The Walk-in-the-Water was the first steamboat on the Upper Lakes. Under the command of Captain Job Fish it docked at Detroit on August 27, 1818.

Society News Gathered From All of the Pointes

From Another Pointe of View

By Jane Schermerborn

Grosse Pointe in April: Two signs which point inevitably to how democratic the Pointe is becoming . . . on one of the more elegant boulevards a very smart motor car whizzing along, its two occupants eating bananas en peel . . . and a sign in a Pointe store, "Welfare Checks Cashied Here" . . . The Gold Coast! . . . It's fun to report that vivacious Pointer Mrs. James M. Fisher of Rivard boulevard (remember the Pointer of Interest on her recently . . . when we told how she simply adores a contest?) won an engraved cup for the hat she fashioned of sculptured leather . . . She thought she had missed the deadline for the contest out West . . . She's tickled pink . . . and that was the color of the unusual bonnet she made and has promised us she'll wear in the Pointe this Spring . . .

Florida Vacationers

The William H. Sheppards started out on their leisurely Winter holiday in March and just now are expected to return to their home on McMillan road . . . Their fun began with a visit to Mrs. Sheppard's sister, Mrs. A. G. Baker and her family, in St. Petersburg, Fla. and then the Sheppards were off to explore Florida on their own . . . Lake Wales fascinated them . . . They loved the Cypress Gardens . . . and the Water Show (better in life than in Cinerama!) . . . and the carillon concert at Bok Tower but the biggest thrill and highlight of their whole trip was attending the Black Hills Passion Play in the amphitheatre at Lake Wales . . . "It is truly awe-inspiring," reports Mrs. Sheppard, "The night we saw the play, the sky was studded with stars and the setting was magnificent. The audience sat spell-bound throughout the performance which ran uninterrupted for two hours and twenty minutes. We only observed the lighting of two cigarettes and, after the play, our neighbor remarked that even that small act seemed almost sacrilegious." Before leaving Lake Wales, the Sheppards also viewed Vinal's impressive mosaic, "The Last Supper" . . . and we know it's just because the Sheppards are so nice, and the weather was dreamy for them all the time . . . Glad to have them home again.

Missionaries

Now in another spot on the globe . . . Santa Cruz de Tenerife in the Canary Islands . . . we have word on how former Pointers, Mr. and Mrs. George R. True are faring . . . You'll recall that late last Fall, the Trues, having disposed of all their material possessions here in the Pointe, set out with their young son, Barry, to take up life on the other side of the world (their eventual destination was to be Africa) there to live in their faith as Bahals and to stand ready at all times to answer questions about Bahalism should their new neighbors be interested . . . Before their departure we spent a Sunday afternoon with the Trues and came away from it inspired by their dedication, impressed that a couple who had been part of a sophisticated community such as Grosse Pointe should give up much that must have been dear to them to go as missionaries to a strange land . . . not

April Bride Carries Roses and Hyacinths

Marilee Jaglowicz Chooses Spring Blossoms for Bouquet in Ceremony Uniting Her in Marriage with Richard Rinke; Wedding Held at St. Joan of Arc

Spring flowers, with hyacinths and roses predominating, formed the bridal bouquet of Marilee Jaglowicz who was married to Richard Rinke last Saturday at a nuptial mass in St. Joan of Arc Church.

The Rev. Father Edward J. Majeske officiated at the mass following which Mr. and Mrs. Joseph J. Jaglowicz, of Sunningdale drive entertained the guests at a breakfast and reception in St. Clair Shores Civic Center.

Mr. Rinke is the son of Mr. and Mrs. Norbert F. Rinke who also make their home on Sunningdale drive.

Marilee was dressed in imported Swiss organdie applied in nylon. The organdie was misted over billows of pleated tulle and taffeta. A petal neckline finished the gown's graceful bodice and a scalloped edge distinguished the overskirt.

Nancy Jaglowicz was her sister's maid of honor wearing a classic frock of Wedgewood blue organza. White, hyacinth blossoms formed a bandeau on her head and she carried a bouquet of the same flowers.

In identical costumes were the bridesmaids: Doris Rinke, sister of the bridegroom, and Ann Marie Riner. Another sister of the bride, Judy Ann, was junior attendant.

Joseph Rinke was his brother's best man and seating the guests were another brother, Roger Rinke and James Buechel.

A gown of Italian silk taffeta, in shell pink, was worn by the mother of the bride. A small hat of the same shade completed her costume and she wore an orchid on her handbag.

Mrs. Rinke chose for the occasion, delphinium blue embroidered organza with matching toque and orchids.

The young Rinkes are motoring to the Smoky Mountains and over Skyline Drive on their wedding trip.

Christ Church Fair Preview Tea Slated

Miniature Fair To Be Set Up in Undercroft of Church Next Thursday Afternoon When Visitors May View Samples of Wonder Merchandise Being Sold Next November

Meeting for the first time in three months, the committee for Christ Church, Grosse Pointe's Christmas Fair 1954, gathered in the church's undercroft to make final plans for a preview and tea to which all are invited.

This will take place next Thursday, May 6, from 2 to 6 p. m., also in the undercroft of the church. Mrs. Robert Semple is chairman of the preview.

At this time, many of the wares which will be sold next Nov. 11 at the Fair, will be on view and orders may be placed at the various "shops."

Mrs. Sidney T. Miller and Mrs. L. Rothe Farr of the Antique Booths will have some interesting and valuable furniture and rare pieces for sale at the preview. They have been in Virginia collecting items for this event. Fine china, vases, urns, etc. are included.

In connection with the preview, tea will be served for which there will be a small charge made to visitors.

From the reports made to Fair chairman, Mrs. Harry Finkenstaedt at last week's meeting, although there have been no formal report meetings for three months, chairmen and their committees have not been idle. Even at this session there was a kick at knitting needles and sewing bags were in evidence as members kept industriously at their tasks for the fair.

Mrs. Walter Buhl Ford II, second vice-chairman, Miss Frances Booth, treasurer, and Mrs. W. Warren Sneliden Jr. listened to reports with Mrs. Finkenstaedt.

Among those glimpsed at the meeting were: Mrs. James J. Trudell Jr., chairman of the apron shop (and there evidently will be millions of new and original aprons for all types of wearers from the very serious to the "this is the first time I've worn an apron."); Mrs. Henry Kinzie, who reported on the Tots and Toddlers Shop; Mrs. Edwin J. Mercer and Mrs. Robert J. Grow who are co-chairmen of the Bags and Belt Shop.

Managers of the Paris Shop, that wondrous department where lingerie, blanket covers, bed jackets in such abundance and perfection as you remember from the old Woman's Exchange Days, were at the meeting. They included Mrs. Emory Moran Ford, Mrs. Charles C. Creedon, and Mrs. Harold D. Baker.

Mrs. Douglas Campbell and Mrs. Wood Williams, who will be at the fair's Garden Mart attended the meeting; Mrs. Milton Volkens and Mrs. Hale V. Sat-

Hospital Group Staging Benefit

The Women's Auxiliary to Cottage Hospital is staging its first fund-raising venture on Friday, May 7, when they will conduct a "Bring and Buy Benefit" at the Nurses' Residence, 158 Ridge road, from 10 a.m. until 2 p.m.

Auxiliary members who now number more than 100 have been urged to bring some hand-made article to the place of sale the day before the benefit and then to come and buy on May 7. Articles will include knit goods, pot holders, dish towels, aprons, baby things and many other samples of hand-work, as well as home-made baked goods and preserves.

All friends of the hospital are urged to attend and participate. Coffee tea and cookies will be served during the mid-morning.

The funds raised will go to buy an "isolette" for the hospital. This is the latest type of incubator that provides the maximum environment for premature infants.

The committee in charge of the "Bring and Buy Benefit" includes the Auxiliary President, Mrs. Henry R. Klein; the co-chairmen for the benefit, Mrs. Ralph Fisher and Mrs. Milton Rueger; Mrs. William F. Heyd, vice-chairman of the Auxiliary who is in charge of pricing the donated articles; Mrs. Carl J. Macpherson in charge of refreshments, Mrs. William Krieger, donations committee; and Mrs. Harrison Watson, treasurer of the Auxiliary and finance chairman for the benefit.

Members of the Cottage Hospital Guild will be present to assist with sales and serve refreshments, wearing their cherry red uniforms which symbolize their many hours of volunteer service at the Hospital.

Church Women Plan Meeting

The women of the Grosse Pointe Methodist Church will hold their general society meeting and luncheon on Wednesday, May 5, at the church.

The business meeting will be conducted at 11:30 a.m. by Mrs. Norman J. Mooney, president. Mrs. Cecil Sessions will present the report of the nominations committee, on those proposed as officers for next year, and then elections will be held.

A luncheon will be served by the Susanna Wesley Circle, in charge of Mrs. Walter C. Griffith, after which officers' installations will be held.

Mrs. Hugh C. White will conduct meditations. Organist will be Mrs. R. J. Graham, and Mrs. John Scales will be the soloist.

Mrs. Earl P. Hoppenrath, vice-president of the Detroit District of the Women's Society of Christian Service, will be a special guest and will conduct the installation of officers.

Until 1786, Michigan was part of Canada under the French and British regimes.

Mrs. Robert Joseph Frost

The former MARILYN ELAINE KIRBY was married last Saturday in St. Clare of Montefalco Church. She is the daughter of Mr. and Mrs. Earl G. Kirby of Grayton road and her bridegroom is the son of Mrs. Louise M. Frost of Stansbury avenue.

in fact, knowing how they would earn a living once they reached the end of their journey . . .

Where Camels Graze

And now comes a letter from Mrs. True, "We're still fascinated by the interesting things that happen here daily. There's never a dull moment, but you can imagine my surprise to look next door and find a camel grazing! They are the snootiest looking creatures I've ever seen and there are hundreds on the island. I'm used to seeing goats and sheep pasture almost under my window and when the 175-pound pig gets loose from the hacienda below and comes looking for her playmate, son Barry, I rush over to close the door before she trots right up the front steps and into the house! But a camel next door is something new! Our circle of friends doesn't just grow, it multiplies! Santa Cruz is just a nice size and in one day, having coffee at the sidewalk cafes, we can see about a dozen of our friends in an hour."

Reporters Now

"We are now reporters and agents for the new Spanish-American Courier, which is written in English and just sent out its second edition. Robert Ruark, incidentally, is one of the editors. I'm piping them stories on 'We've Gone Canary' and Mr. True is lining up subscribers and advertisers. All sorts of interesting opportunities are opening up for us, and each day seems to bring us another. We wish we could send some of the beautiful weather and flowers your way. Things grow like crazy here. It is like magic. I stick a cutting in the ground and the next thing I know, it has rooted. I used to struggle and struggle to grow things in the Pointe, with moderate success. But here, I hardly have to look at a plant and it has grown! Please say hello to our friends in the Pointe—Peggy True."

Party to Have Hawaiian Theme

Interest in the Marygrove College Alumnae Association's annual Scholarship Bridge is growing daily as the exciting details of "Travel-rama," the name given to this year's party, are made known. The date is Saturday, May 1; the time, 1 p.m.

Madame Cadillac Hall, on the campus, will be transformed into an island of Hawaii (by Northwest Airlines). Tropical leaves and flowers, fishnets, leis, tapa cloth, wood carvings and hand woven articles from the islands will be prominently displayed.

Marygrove graduates will model authentic Hawaiian costumes flown in especially for the party. Any of the outfits may be specially ordered. Prizes and entertainment will also reflect the travel mood.

Among those from this locality taking an active part in the organization of "Travel-rama" are Mrs. John Young, 1440 Grayton, co-chairman; Mrs. Joseph J. Marshall, 35 Harbor Hill, publicity; Mrs. Thomas V. LoCicero, 1105 Three Mile drive; Mrs. Gerald Kane, 217 McMillan; Mrs. Marshall Bruce, 1334 Devonshire; Miss Barbara Kennedy, 207 McKinley and Mrs. Thomas Black, 1958 Clairview Court.

Despite its gay theme, the Marygrove Alumnae Scholarship Bridge has a serious and worthwhile purpose. Too often the most deserving young women either can't afford to embark on a college education or complete it, once started.

This bridge is annually staged for their special benefit. The greater the attendance, the greater the number of worthy students who will have the opportunity to enjoy the advantages of a Catholic college training.

Madrigal Club To Give Concert

August Maekelberghe, Belgium-born organist, conductor, and composer, will conduct the Madrigal Club of Detroit in its 39th anniversary concert scheduled for Monday, May 3, at the Detroit Institute of Arts' small auditorium.

Residents of this area who will sing in the concert are Mrs. E. F. Adams, 4172 Hereford; Mrs. A. E. Benson, 327 Kerby; Elinor Boyd, 1016 Harvard; Mrs. William Lyons, 615 Newport, and Evelyn Rink, 1055 Yorkshire.

Highlighting the concert will be the premiere of a three-song cycle by Detroit composer Evangelina Lehman. Dedicated to the Madrigal Club, the cycle includes "At Dawn," "At Mid-Day" and "At Dusk," with words and music by Miss Lehman.

Miss Lehman received the French Medal of the Ministry of Foreign Affairs in 1930 for her oratorio "Sainte Therese of the Child Jesus," which was performed with great success at St. Eustache and Rouen. She is also widely known for her "Southland Frolic," which was performed in Detroit by the Metropolitan Opera Company in 1938.

Donation Tea To Aid Hospital

Members of Fontbonne Auxiliary of St. John Hospital met on Monday, April 26, in the home of Mrs. Ray Whyte to discuss plans for a donation tea which will be given in Mrs. Whyte's home, 22 Oxford road, on Thursday, May 13, from 2 until 6 p.m.

Co-chairmen for the "Spring Tea" are Mrs. Arthur E. Fleming and Mrs. Louis A. Brown. Among those attending the morning meeting were Mrs. Arthur D. Kerwin, president; Mrs. Thomas Kramer Fisher, Mrs. Leo F. Fitzpatrick, Mrs. Charles Cullen, who is chairman of table hostesses; Mrs. Frank Fleming, Mrs. James W. Doyle, Mrs. James E. Scripps, Mrs. Arthur E. Fleming and Mrs. Louis A. Brown.

Mothers' Club Party To Have Paris Theme

Annual Event for Scholarship Fund To Be Held in High School on May 14; All Women of Community Asked to Attend

Paris in spring, complete with sidewalk cafe, wine shop, striped pink awnings and French puddles will enchant the guests at the Annual Card and Tea Party of the Mothers' Club of Grosse Pointe High School, planned for Friday, May 14, at the high school, at 1:00 p. m.

This is one of the largest events of its kind in the community. It is the largest source of income for the Scholarship Fund maintained by the Mothers' Club.

The dues from members of the Mothers' Club take care of school program activities, and community participation. The Scholarship Fund could not be carried on without additional sources of income, such as this benefit, according to Mrs. E. E. Roll, president.

Invitations with a French accent are being sent to all mothers of students in the High School, and Mrs. Lyndle R. Martin, chairman of this year's party, urges each mother to use the enclosed ticket to insure the success of this worthwhile project, in addition to being assured of a delightful afternoon.

Assisting Mrs. Martin are the following committee chairmen: Mrs. Maurice Roberts, prizes; Mrs. Paul Moreland, tea; Mrs. D. A. McGinty, decorations; Mrs. Daniel Carne, tickets; Mrs. William Boyer, publicity; Mrs. Hans Walgenbeck, candy; and Mrs. Russell H. Steinfeldt, card tables.

Both High School gymnasiums will be used, and tea will be served in the cafeteria after 2:30. Ticket holders are welcome at

the tea even though they may not wish to play cards. Tickets are \$1.25 and additional tickets may be purchased by calling Mrs. Daniel Carne, TU, 1-9515.

Sons Arrive for Visits With Haldeman Finnie

Mr. and Mrs. Gilbert Patrick O'Connell, of Harcourt road, have announced the marriage of their daughter, Patricia Loren, to Salvador Alvarez Nelto. The wedding took place in Mexico City.

Patricia O'Connell Bride Of Salvador A. Nelto

Mr. and Mrs. Haldeman Finnie, of Ellair place, have been enjoying visits from their sons. This week, David Finnie is with his family. He is a student at Harvard Law School. Last week their son, Bob, was home from Chicago bringing with him Mr. and Mrs. Roby Harrington.

Both High School Gymnasiums Will Be Used, and Tea Will Be Served in the Cafeteria after 2:30. Ticket holders are welcome at

the first steamboat on the Upper Lakes. Under the command of Captain Job Fish it docked at Detroit on August 27, 1818.

Will Represent Voters' League

Mrs. Edgar Hahn of Three Mile drive, and Mrs. Donald Jennings of Oxford road have been chosen to represent the League of Women Voters of Grosse Pointe Park at the 21st national convention of the League of Women Voters of the United States which is being held in Denver, Colorado, April 26-30.

The local delegates join with approximately 1,000 other league members to adopt a national program of work for the next two years, elect national officers, and adopt a budget.

There are over 900 Leagues in 48 states, Alaska, Hawaii and the District of Columbia, and most of them will be represented at the convention. Individual membership totals over 122,000.

Individual liberties and U.S. trade policies are the chief subjects of discussion. The proposed program items in these two areas

read: "(1) Support of the U.S. trade policies that will help solve national and international economic problems," and "(2) Development of understanding of the relationship between individual liberty and the public interest."

Leagues throughout the country have expressed major interest in these two topics for study and action over the next two-year period. These and other subjects are being debated and the decision will be by vote of the delegates.

Best Landscaped Business Properties to Win Honors

The Grosse Pointe and Eastern Michigan Horticultural Society will hold a contest open to all merchants and store owners in the Grosse Pointe area for the best landscaped and maintained property surrounding their place of business.

A committee of professional gardeners made up of members of the Grosse Pointe and Eastern Michigan Horticultural Society will judge these properties during a period from May 15th to September 30th and winners will be awarded a Certificate of Merit. The Society hopes that as a re-

sult of this contest, the Grosse Pointe business property owners will be encouraged to keep the outside appearances of their property maintained and attractive.

All store owners interested, please send your entry to the Secretary, R. Daniel Lutey of the Grosse Pointe and Eastern Michigan Horticultural Society in care of the Neighborhood Club, 17145 Water 190, Grosse Pointe 30, Michigan.

All questions pertaining to the contest or landscaping are welcomed.

Set Traffic Plan For E. Jefferson

With a "left turn only" lane slated for East Jefferson after the street is resurfaced, the Department of Streets and Traffic pointed out today that no vehicle may use the lane except those making left turns and these may not enter it until within one-half block of the corner where the turn will be made.

The ordinance governing "left turn only" lanes specifically provides that a driver wishing to make a left turn may not drive into the lane until at the mid point of the block, the DST explained. It is a violation of the traffic law if a driver enters before that point or uses the lane for through movement.

"This lane provides a haven for pedestrians wishing to cross the street, particularly at non-signalized intersections because traffic cannot move through the lane," a DST spokesman said.

"Left turn only" lanes have been in operation on West Fort and Van Dyke and have been most successful, it was pointed out. They provide a continuous pedestrian refuge since moving traffic is not permitted to use the lane for more than a half block.

Pedestrians were advised that the safest place to cross is at the intersection, whether it is signalized or non-signalized.

"Left turn only" lanes, according to the DST, have proved not only a haven for pedestrians, but they have facilitated the movement of traffic on the streets by removing the left turn obstruction and they have provided more street space for moving traffic.

Fisher Road Parking Agreement Signed

The agreement between the Farms and the City, in which the City will control parking on the west side of Fisher road, between St. Paul and Maumee, was signed and went into effect on Saturday, April 24.

The City will begin installing parking meters on the west side of Fisher road, between St. Paul and Maumee, which is within Farms' territory. The Farms' boundary line extends about 11 feet west, beyond the sidewalk from E. Jefferson straight through to Mack avenue.

City Police Deputy Lt. The agreement stipulates that the two communities stipulates that City police are deputized to issue tickets pertaining to controlling of parking on that side of the street. However, it is pointed out, the City police will issue Farms violation tickets, and the fines for these are to be paid at the Farms' Violations Bureau. The revenue from the parking meters will revert to the City.

The City is also obligated to install and maintain the meters at its own expense, and in the event the agreement should ever be terminated, the costs of their removal will be undertaken by the City.

Three Year Agreement The agreement will stay in effect for three years, after which time it will automatically be renewed, unless either party desires to end it. In this case, the party wishing to terminate the agreement, will meet with the other and present the reason.

Grosse Pointe City Clerk Norbert Neff, disclose that this move and the proposed development of the two new parking lots, one northeast of the Farms Market, and the other southeast of it, are the answer to the demand of the public and the Fisher road merchants, who for years have been seeking parking relief in that area.

Meters To Vary He said that certain meters to be installed for curb parking will be for two hour parking and others will be for one hour.

Sampson Tours Get Publicity

The May issue of the Ford Times carries an illustrated story entitled, "Country Squire Caravan" it is a description of the tours which Chet Sampson and the girls and boys of Grosse Pointe have been taking to the West Coast over the past 18 years.

The pictures are in color and show the group visiting the MGM Studios in Hollywood, and the caravan in Zion National Park.

Reflections

by paul gach
Right now I'm trying to write copy. It's difficult, but this reminds me of a good subject: COPIES. Photographic copies can do a lot to restore a treasured old picture to its original beauty. During the process there are several times when retouching can be done. A battered, torn or faded old print can be slowly and carefully brought back to normal. A good copy job requires much time and skill. Do you have an old portrait of someone very dear to you? It can be copied in time for a Mother's Day gift, Good idea? Have it done. I make copies.

ers will be for one hour. These meters go in this week.

He also released the information that the development of the two parking lots should be underway within two weeks. The present delay is due to the fact that the occupants of the buildings to be removed, have not yet vacated.

However, he said, pending the vacating, all the trees and shrubbery have been removed, and other details towards the development have been taken care of.

To Cost \$15,000 The development of the lots will cost at least \$15,000, and when they are completed, they will have space for 74 cars, the northwest, 48, and the southeast, 26.

The lots will be hard surfaced.

Employees in the area will be permitted to park in the southeast lot at the same rate charged to the public. They will be able to purchase parking tickets which will entitle them to park during business hours.

No Cost To Taxpayers The revenue derived from the parking meters will be used to retire the debt incurred in the developing of the lots, said Mr. Neff. Not one cent of the taxpayers' money will be used for this project.

When the Grosse Pointe High School auditorium-gymnasium is completed later this year, parking space for school faculty and students will be available in the huge parking grounds surrounding the new structure, which will give the public more parking space on the streets.

Along The Road

By Roberta Isley
We've come armed with glad tidings this week. And, as usual, we're ready to whirl them all over town. For example, we found out that every meat dish can be a gourmet's delight... whether you are cooking for two or a dozen. That is if you cook up the large half tenderloins, crown roasts of lamb, New York steak cuts, and squabs, like they offer at the Farms Market, 335 Fisher Rd. . . Really, there is a big difference in beef and the dry grain fed beef is best. If it is aged for tenderness it's doubly tasty. Each roast comes up brown and glistening with the good odor of savory fat and crispy juices. Here, too, is a bird . . . not a squab, or a wood cock, or a quail or a duck, or pheasant or goose or partridge. No, it isn't really gamey . . . and it isn't chicken . . . it's the rock cornish game hen . . . a descendant of the Malaya cock and other fowls. Ummm, ummm, good. Four delivery trucks are on hand today and every day . . . delivering succulent meats to real gourmets in Grosse Pointe. TU. 5-2100.

If you are planning on living it up . . . spending part of this season on wheels . . . we have in anticipation brought along an idea to use before you get on your knees packing that suitcase. It's for your car . . . a spring change over. That means have a complete oil change . . . a good lubrication job . . . and the cooling system drained and flushed. That means have it done at Moir's Service, 335 Fisher Rd., TU. 5-7200.

You're on the prowl for those summer sheers . . . gay flowered cottons for play or cocktails. And you're hepped up about the endless mix and match fashions. Accessories are important, too. We think fashions and eye glass frames should go together. Take "Heiress" a gold metal frame etched with pastel flowers. Take those chic French imports called, "Lido" in slate gray and pink brown. Dr. Meyer's at the Bayne Optical Co. says that the trend is to two-tone ones and they have lots to choose from. And for men the sun specs are as cool as . . . well, as a Boston cooler . . . shades are blue, black, brown and amber. Bayne Optical Co., 407 Fisher Rd.

Holiday preparations should begin about two weeks before going away. That gives you a chance to get a hair styling and permanent and also a shampoo and hair set at least once before your holiday begins. It's an excellent tinting job you want take advantage of the expert use of Helene Curtis' Tru-tone tints, as done by the experienced staff at the Ann-Louise Beauty Salon, 405 Fisher Rd. Interesting, is the fact that the hair conditioner is included right in the tint. Then if you want to be fleet of foot . . . get a pedicure. And be gay . . . match your toe coloring to your finger nails. Miss Ina Rutherford dotes on giving wonderful manicures. Call, TU. 2-7611 for an appointment.

If you're new in the Pointe you'll be interested to know where to take your son or send your husband for a handsome, disciplined haircut. Sam the Barber has been cutting hair in these parts for twenty-six years. What a record. We know first hand that he is ably assisted by Tom and Jim. Remember the address . . . 395 Fisher Rd.

After much deliberation, Francois closed the doors at 383 A Fisher Rd. last week. This does not mean good-bye. Francois' is still a Grosse Pointe institution, inasmuch as Francois' Fireplace is located at Mack and Somerset. The Lemmer's will be happy to greet their old friends and patrons at the Fireplace where they have decided to concentrate their efforts. See you there.

The rock garden . . . the field flower . . . and the Clothesline are up to their Spring magic. You know this Spring in Paris hats are tiny. They are here, too, at the Clothesline. Little more than crushed whirls of white or moss green starchiness, they are topped with rock garden blooms or whimsical field flowers . . . both types are perfectly neutral . . . ideal for afternoon or cocktail gowns . . . not to mention the all important wedding.

Wait a minute, we're not through. Tempting with a tan are the co-ordinated exclusives . . . blouses with shorts to match. The colors are really the big news here. Shocking pink dashed with a gray leaf . . . elephant gray bermuda shorts. Teal with jade . . . pistachio green blends with a darker shade.

Major fashions this year. Newsy, too, co-ordinated belts sparkled with quaint sea shells and fish. All this at the Clothesline, 397 Fisher Rd. . . ample parking in the rear.

If you did not attend the fashion show over at Lochmoor Tuesday, April 20, here is your chance to view the knitted fashions as they were presented by the Yarncraft Shop at 343 Fisher Road. There was a chin chee poodle jacket in beige dashed with white . . . and a knitted suit fashioned of gray sparkled with white. In evidence, was a marvelous merging of materials like linen with knits, too. Purchase them as is . . . or fashion your own. TU. 1-0595.

When it comes to catering and coddling women's furs they go all out. Mondry Cleaners assure you of protection for your furs from moths, heat, fire, theft, in their very own vaults. By their method the natural oils of the furs are preserved; dust and grime is whisked away. At no extra charge they use Lusterway. A method that gives fur an added glow . . . sealing in natural beauty. Your coat will be insured while being stored. Gladly they take care of any repairs that the coat might need. Good cloth coats are also given special care. For safe cleaning and storage drop your furs at 369 Fisher Rd., or call TU. 5-4800 for a pickup.

Community Theatre Putting Final Touches on 'Harvey'

Members of the Grosse Pointe Community Theater are busily polishing up their production of "Harvey," the hilarious comedy built around the adventures of an affable alcohol and an invisible, man-sized rabbit. The play will be presented on May 7 and 8 at Cannon Memorial Recreational Center, East Warren at Cadieux, at 8:30.

Evelyn Greathouse is directing "Harvey." Miss Greathouse's interest in little theater work is backed by an extensive drama background. A graduate of the University of Southern California's school of speech, from which she holds a master's degree, she has taught drama at Beverly Hills and Santa Ana high schools in California and is a member of Phi Beta, the national music and speech fraternity. The visible lead, (Harvey, himself never appears), in this Pulitzer Prize winner, will be played by Dan Buell as Elwood P. Dowd. Other cast members are Mrs. Henry O. Allen, Mr. and Mrs. Clark Wells, Mrs. Adam Cook, Louise Lehotsky, Fred Lieneman, Hervey Parke, Rodney Holdeman, Mrs. Robert E. Koebel and Lloyd Jewell.

Tickets will be available at the Center the nights of the play, or may be obtained by phoning PRescott 5-5320.

In addition to this activity, the Grosse Pointe Community Theater held its annual election of officers last week. Mrs. Roney will serve as president, with Mrs. Cobb as secretary, Dean Erskine as vice-president and Darwin Ley as treasurer.

Jacobson's Store Holds 'Baby Week' Observance

Jacobson's Store has planned to take part in "National Baby Week" April 25 through May 1, for the purpose of showing clothing and devices to assist mothers in caring for their children. The Grosse Pointe Branch of the Wayne County Health Department will take advantage of the opportunity and Nurse Mrs. Alberta Davis will visit the store each afternoon from 2 p.m. to 4 p.m. She will be glad to give consultation service to those who desire it.

Arrested As Reckless Driver

Franklin D. Schrader of 2677 Belmont, Hamtramck, was placed under \$75 bond by Shores police on Thursday, April 15, after he was apprehended for reckless driving on Lake Shore road. He was traveling south, when he was stopped. No court date has been set.

Albion College Grads to Meet

The Detroit Alumni Club of Albion College will hold its annual dinner-dance Friday, May 7, at the Ingleside Club, Woodward and Atkinson.

The meeting will be addressed by Dr. William Whitcomb Whitehouse, president of Albion College, and by Morley Fraser, the new football coach who comes from Lansing Eastern High School. Mr. Fraser will take up his duties in September.

Among alumni members who will speak briefly will be D. Hale Brake, State Treasurer. The club president, Robert Hart of General Motors, will preside.

Specially honored at this dinner will be Dr. F. Dudley Vernor, widely known wherever students yodel in the night as the author of the outstanding ballad of ivy song, "Sweetheart of Sigma Chi." Dr. Vernor, choir director and organist at Metropolitan Methodist Church, and Professor of Organ at the college conservatory, composed this "Sweet Adeline of College Joes" as a student at Albion just 44 years ago this May.

A student pal, Byron Stokes, wrote the words in a joyous, sentimental out-pouring of just being alive, in college, in May, in a fraternity, and with a sweetheart willing and eager to wear his frat pin.

Stokes stuck his deathless verse in front of Vernor, who was noodling around on the piano. Perhaps affected by the same joyous Springtime fever, Vernor set the words to music on the spot.

The song clicked instantly at Albion. Thereupon, Vernor's business-minded brother, Dick, set up the Vernor Publishing Company. Assets—one song that was going places. Soon it was heard on every campus, in all languages and lands, including the Scandinavian.

PEO Sisterhood To Hear Report

Chapter AO of P E O Sisterhood will hold its regular meeting Monday evening, May 3, in the home of Mrs. Marcus Johnson on Balfour road. Mrs. Paul Johnson will be the co-hostess.

A report of the 35th Annual State Convention, which was held in Kellogg Center in East Lansing, Thursday, April 22, through Saturday, April 24, will be given.

Two delegates from each of the 87 chapters were present. The theme of the convention was "Design for Radiant Living." The PEO Sisterhood of more than 115,000 members owns and operates Cotley College in Nevada, Mo. It is a two year accredited Jr. College for girls. A Michigan student has been awarded a scholarship at Cotley for the next year.

A National Education Loan Fund of almost one million dollars is maintained by PEO. Loans were granted to 572 students this year.

The Michigan Chapters have given \$1,500 to the International Peace Scholarship Fund and hope to have a foreign girl in a Michigan college next year. Twenty eight girls from other countries have enrolled in 23 colleges in this country this year on International Peace Scholarships.

Two projects of the State Chapter are a PEO home in Michigan and helping to finance the building of a Chapel at Cotley College.

Mrs. Arthur Smith of Chapter AO was elected state recording secretary.

Mrs. Sheldon Drennan and Mrs. Franklin Dougherty were delegates.

Mrs. William Buchinger and Miss Caroline Ann Smith, Chapter AO members also attended the convention.

Mrs. Drennan also represented this area at the International Supreme Convention held in Vancouver, British Columbia this year.

Marilyn Kirby April Bride

The first Saturday after Easter was chosen by Marilyn Elaine Kirby for her marriage to Robert J. Frost.

The young couple spoke their vows at noon in St. Clare of Montefalco Church following which Mr. and Mrs. Earl G. Kirby, parents of the bride, were hosts at a wedding reception at the Stockholm.

Mr. Frost is the son of Mrs. Louise M. Frost of Stansbury avenue.

Marilyn, who was given in marriage by her father, wore a gown of candlelight satin for her wedding day.

It was designed with Empire neckline, long fitted sleeves and the full skirt swept into cathedral-length train.

She carried a bouquet of stephanotis and freesia.

Margaret Schwelzer as maid of honor wore a floor length gown of yellow tulle, and the bridesmaids Carolyn Hoppenrath and Mrs. Charles Robert Menagh, wore frocks in the same fashion of pastel blue.

They carried arm bouquets of pastel Spring blossoms.

Edward Frost assisted his brother as best man and the groomsmen included J. Robert Kirby brother of the bride; Dr. Howard Brown, Carl Karey and Eber Harwood Rydhalm.

For her daughter's wedding, Mrs. Kirby was gowned in opera length frock of Dior blue silk organza with which she wore a small pink chapeau.

Mrs. Frost's costume for the wedding was rose beige lace with which she chose a matching hat.

Both mothers wore corsages of lavender orchids.

When the newly-married Mr. and Mrs. Frost left on their wedding trip, the bride had changed to a Spring suit of beige silk and wool with small, matching straw hat.

They are motoring in the South and upon their return will make their home in East Eight Mile road.

Fortnighters' Frolic Friday

The Fortnighters of Grosse Pointe Memorial Church have been dividing their time between play rehearsals, poster making, gym decorating and a host of other activities, preparing for the Fourth Annual Dinner Frolic to be held on April 30 at 6:30 p.m. in the gym of the church.

Paul Kelly, president of the group, states that plans are completed under the four chairmen of the event.

They include: Wallace Ehrlich, in charge of entertainment; Mrs. Allan Neef, publicity chairman; Mrs. Paul Kelley, director of dining room activities; and Don West, finance committee chairman.

Mr. West announces that tickets for dinner and play are still available and may be reserved by calling the church office, TUxedo 5-3773.

The Frolic includes a full course dinner, a play entitled "Oriental Intrigue" or, "Who Stole the Bag in Bagdad"; music by the Grunyons, and a male chorus line.

During the installation ceremonies held Wednesday, April 14, in the Michigan League, Alice was also named general chairman of the Junior Girls' Play. The play is student written, played, produced and directed.

RECORD GRAIN YIELDS
Unusually large wheat and corn harvests in Michigan last year brought total farm yields above average levels. Wheat production set a new state record with 44,692,000 bushels and was valued at \$82,680,000 while the corn production of 80,282,000 bushels carried a dollar value of \$116,380,000.

Engaged

Mr. and Mrs. Dale J. Hodges of McKinley avenue, announce the engagement of their daughter, MARY ELIZABETH, to Donn Melvin Coddington, of Peru, Illinois.

Mary is a senior at the University of Michigan where she is affiliated with Alpha Gamma Delta sorority.

Donn is the son of Mrs. Forest Coddington and the late Mr. Coddington. He is a graduate of the University of Michigan where he was a member of Phi Gamma Delta fraternity, and is now a graduate student at the University of Chicago.

An August wedding is planned.

Character will get you places eventually, but it's reputation that gets you on the front page.

Daffodil Show Next Tuesday

The Garden Club of Michigan is giving a Daffodil Show next Tuesday at Grosse Pointe War Memorial and the public is invited.

Doors to the show, in which Garden Club members will exhibit—some of the daffodils are very rare varieties—will open at 4 o'clock.

Earlier in the day members will attend a cocktail party at the home of Mrs. Julius P. Bowen and then will go on to War Memorial Center for luncheon.

Luncheon hostesses are to be Mrs. Raymond K. Dykema, Miss Susan D. Copland, Mrs. Haldeman Finnie, Mrs. H. Lynn Pierson and Mrs. Renville Wheat.

College Group Meets for Tea

Manhattanville alumnae, students and their parents attended a tea at Convent of the Sacred Heart last Sunday. Also invited to the party were eleventh and twelfth grade students from the convent.

Mrs. Frank Werrell and Miss Blanche Hemmert were co-chairmen and among those who assisted at the tea table during the afternoon were Mrs. W. Dean Robinson, Mrs. Sherman J. Fitz-Simons, Mrs. Charles T. Fisher Jr., Mrs. Emmett Tracy, Mrs. Matthew Millenbach, and Mrs. Arthur Godier.

The people crying for help today are the same who attempted to grab everything yesterday.

They're selecting the **BEST USED CAR** you could buy

The couple above might have been snapped yesterday, a year, or two, or three ago, as they were choosing their brand new Chrysler Corporation car. They selected a car in the Chrysler family for one reason: because Chrysler Corporation has consistently put more dollars worth of value, more advance-design features (such as power brakes, full-time power steering and hemispherical combustion chamber engines) into their cars—than any other automotive manufacturer. And when they drove out in this sleek new car—it immediately became the BEST USED CAR you could buy today!

For every late model used Plymouth, Dodge, DeSoto and Chrysler car has the same extra-worth features that made it such a good new car value: weather-proof ignition systems, baked enamel finish that looks young longer, advanced Criflow shock absorbers, self-adjusting rotary door latches, constant speed electric wipers, safety-rim wheels and many others—features of safety, performance and long life that many new cars still do not have! These cars are thoroughly reconditioned and inspected and waiting to give you the greater satisfaction, money's worth and long-term driving enjoyment that can come only from the BEST USED CAR BUYS IN AMERICA! Why not pay him a visit—today!

Newly Enlarged Harris East Side Funeral Home

A large addition to the R. G. & G. R. Harris Funeral Home at 15251 Harper at Lakepointe more than doubles building size and facilities. Largest structure of its kind in Detroit, it has a 144 ft. frontage and adjoining off-street parking space for nearly 100 cars. The additional large chapel will seat over 200 people, bringing total accommodations to over 700. Impressive Georgian Colonial design, spacious interiors and luxurious furnishings enhanced by fine original oil paintings and objet d'art create a restful, homelike atmosphere of distinction. The Harris firm, Detroit's largest, with three locations, was originated 44 years ago and represents three generations of the same family's ownership and personal direction. The public is cordially invited to visit the enlarged Harris East Side Funeral Home—open for inspection every day and evening, 11 a.m. to 9 p.m., through Sunday, May 2nd.

of the American Lutheran Church will hold its annual meeting at St. Paul Ev. Lutheran Church, Chalfonte and Lothrop, next Monday.

The Rev. G. A. Schellhase, Pastor of Truth Church, Lantz and Cardoni, is the president. Dr. Norman A. Menter, president of the Michigan District will make his annual report. About seventy-five ministers will be in attendance.

Monday, May 3:—10, Southern Michigan Conference, here.

It's Full Steam Ahead On GPYC Fun Season

Yacht Club's Entertainment Committee, Headed by William A. Terne Plans a Merry Month of May Mothers and Daughters Luncheon Saturday

Grosse Pointe Yacht Club promises to exude jollity in the month ahead, what with the full schedule of events planned by the entertainment committee of which William A. Terne is chairman.

The fun starts right on the first day of May, this coming Saturday, when GPYC's annual Mothers and Daughters luncheon will be staged in the big lounge at 12:30 o'clock.

Mrs. Paul I. Moreland, chairman of the fête, and Mrs. Edward J. Schoenherr, co-chairman, have devised the decorations in a circus carnival theme.

Mrs. William O'Neill Kronner, the wife of GPYC's vice commodore, will make the welcoming address to the mothers and daughters of all ages.

May 15 will bring the Bowlers' Jamboree. Dr. C. J. Williams, bowling chairman, will be in charge of this dinner and dancing party at which the bowling trophies will be presented.

Also on May 15, there'll be an afternoon wiener roast from 12 to 4 p.m. for all members of the club's swimming team. A highlight will be the election of a team captain.

A bridge luncheon and fashion show is slated for Wednesday, May 19, with fashions by Irving's. Mrs. Robert F. Weber is Mrs. Moreland's co-chairman for this fête.

Fun and frolic will keynote Memorial Day to be celebrated on Sunday, May 30, with the opening of the swimming pool at 10:30 a.m. as a bow to approaching summer. Melvin S. Huffaker, sports committee chairman, will be in charge. A buffet dinner from 5:30 to 8:30 p.m. for members and their guests will climax the day.

Serving on GPYC's entertainment committee in addition to Chairman Terne and Mesdames Moreland, Schoenherr and Weber, are John DeHaves, vice-chairman; George C. Mitchell, Robert F. Weber, John D. Adair, Calvin J. Gauss, Jr., Charles J. Glasgow, Charles E. Monahan, Howard Shaw, Mrs. Paul L. Barker, Mrs. Rex L. Brophy, Mrs. Thomas C. Fox and Mrs. William P. Kinder.

AAUW Establishes Fellowship In Honor of Mrs. Taylor Seeber

The Grosse Pointe Branch of A.A.U.W. announces its first named grant contribution to the National Fellowship Program, to be known as the Marjory Irving Seeber Fellowship Grant, in honor of Mrs. Taylor Seeber.

Almost 75 years ago, the Fellowship Grant was started for the purpose of interesting education to be known as the Marjory Irving Seeber Fellowship Grant, in honor of Mrs. Taylor Seeber.

Since 1951, Mrs. Seeber has been a member of the National Committee on Legislative Program, being the only member to represent the Midwest, and one of three from the entire membership to serve with chairman of subject matter groups to promote the legislative work of the organization. He committee is responsible for charting A.A.U.W.'s course in the legislative field.

Her belief that an informed voter is necessary to good government led Mrs. Seeber to become an early member of the League of Women Voters of Grosse Pointe Park. She was a member of the board for four years, serving as By-Laws Chairman, General Program Director, Resource Chairman, and Chairman of Local Items.

A member of Christ Church for many years, she is also chairman of the Women's Committee in the Detroit Boat Club, and has been interested in many civic and cultural group in the community.

The Seebers live at 213 Merriweather road, and have three sons, John and Robert, who are graduates of the University of Michigan and World War II veterans; and David, who was graduated from Trinity College and is now attending the School of Business Administration at Harvard University.

She soon became a figure in the state organization of A.A.U.W. and for four years was a member of the state board of the Michigan Division. She was State Legislative Chairman under three state presidents, and in this capacity addressed many

News Notes From D. U. S.

The speaker at the weekly assembly program held on Friday, April 16, at the Detroit University School was Mrs. Dorothea Zuber. Hers was one of a series of talks dealing with jewelry, fine watches, and dinner ware. Her subject was "The History of China Ware."

Following her remarks and the showing of some very lovely china, she presented a film describing the complete process involved in the manufacture of china.

Tony Barr of the 11th grade presented the speaker to the assembly.

John Chandler, Jr., Headmaster, Wellington Grimes, his assistant, and John Suter, Jr., supervisor of grades seven and eight, recently attended a conference at Kenyon College, Gambier, O., where a discussion took place as to problems involved in the admission with advanced standing into college of high-school students of superior abilities.

The discussions turned on the best means, in exceptional circumstances, of considering for advanced credit in their first year at college "those students who will have studied during their

last year in secondary school certain experimental courses designed and taught at the college freshman level. Eleven subjects conventionally taught to college freshmen would be given in the senior year of high school in order that able school boys and girls may proceed farther than at present in the standard studies of a liberal education". As a rule the man with push soon overtakes the man with a pull.

Woods Policeman To Go to School

The Woods council approved appropriation of \$150 on Monday, April 19, which will be used to send a Woods patrolman to the Traffic Safety School, which will be held at Michigan State College, May 3 to May 29.

The council approved the appropriation upon request of Director of Public Safety Vern C. Bailey, who revealed that Patrolman Robert Hyde has been selected to attend the school.

Director Bailey has been informed that Patrolman Hyde may be in line for a scholarship to the traffic school session.

Total tuition for the school is \$60. The money appropriated by the council will cover the patrolman's food lodging expenses, during the duration of his stay in Lansing.

Instructors for the traffic school will be staff members of Police Administration; department and college personnel of MSC; police officers who have attended the Traffic Institute of Northwestern University; experienced police officers, who are active in dealing with present day traffic problems; judges, prosecutors and attorneys.

The project is sponsored by the various law enforcement agencies of Michigan.

Hi-Y and Y-Teen Carnival May 1

The annual Hi-Y-Y-Teen carnival will be held on Saturday, May 1, at Grosse Pointe High School.

George Volis, 12A, and Sandy Halford, 11A, are co-chairmen for the carnival and head the planning committee.

The title for this year's carnival is "Karnival Kapers", around which the decorations for both gyms are designed.

The general admission price is 50 cents. Swimming, fortune telling, lots of booths offering prizes, and refreshments will be presented.

New booths have been added to make the carnival different from any previous ones. They will be open from 2 o'clock to 5:30 o'clock in the afternoon and from 7 o'clock to 11 o'clock in the evening.

There will be dancing in the girls' gym from 9 to 12 p.m. Committees working on the carnival are headed by Bill Morrison, 12A, swimming pool; George Volis, 12A, booths; Fran Striker, 11A, dance; Laila Sadf and Susie Slimon, 12A's, dance decorations; Carl Talla and Joal Grundy, 12B's, refreshments; Carl Talla, 12B, and Larry Scoville, 12A, prizes; and Mary Shenefield, 12A, publicity.

Merle Henderson Best Dog Judge

Merle Henderson, 17, of 859 St. Clair was recently awarded a sterling silver trophy for being the best teenager judge in a junior dog judging contest held in the International Amphitheater in Chicago.

The event was the International Kennel Club's annual junior meet, and by mere coincidence, Henderson, at the start of the contest, was given the number "one" which was pinned to his shirt.

He became the second boy in the 12-year history of the contest to win, and his victory broke an eight-year reign by girls. He made a perfect score of 200, only 10 points more than the runner up, Julaune Kirk, 18, of Muncie, Ind.

The Chicago Daily News, which presented the trophy, praised young Henderson as an outstanding talent, showing promise for the ranks of professional bench show judges. Two of the nation's leading judges, Percy Roberts and Walter Reeves, were lavish in their praise of him.

Pointers Steal Opening Ball Game from Fordson Tractors

Grosse Pointe High baseball started on a winning note for the first time in memory when Coach Ed Wernet's alert team took advantage of its opponents' miscues and chalked up a 6 to 5 victory over Fordson on the Tractors' home diamond.

Bob Sealy, who doubles in brass playing first base when not on the mound, took over the opening day mound chores and set down the Tractors with six hits while issuing two walks and striking out six. Sealy, normally a long ball hitter when he plays the initial sack, went 0 for 3 at the plate.

Draws First Blood
Grosse Pointe drew first blood when it scored two runs on no hits in the first inning. Fordson came back in the second inning and took a 3 to 2 lead when it clustered three hits off Sealy. From that point on Sealy batted with two walks netted the Tractors' last two runs in the next three innings.

The Tractors lead was short lived however, when the Pointers took advantage of a weak armed Fordson catcher and Tractor errors to move into a 5 to 3 lead. Sealy moved the top of the third when he grounded out to shortstop. Russell walked, stole second and scored when Dan Follis singled.

Follis Also Steals
Follis then stole second and moved over to third on a fielder's choice which eventually MacMillan perched safely on first. An attempted sacrifice bunt by Christo, which was bobbled by the pitcher, turned out to be a squeeze play that scored Follis from third with MacMillan going to third. Clyma then sacrificed Christo to second and Eugenio belted a long sacrifice fly to the outfield, scoring MacMillan for the third run of the inning.

The Score in Fifth
Fordson chopped away at the Pointers and finally tied the

score in the fifth inning and set the stage for the theft of the century by Johnny "Jessie James" Russell in the Devils' half of the sixth inning.

Russell reached first base when the shortstop bobbled his grounder. Then Russell proceeded to steal second, third and home with the winning run of the game.

The Devils were elated over the fact they had become the first Blue Devil baseball team to win an opening game either at home or away and have set their sights real high. As a matter of fact they are looking at the league title, and honor a Grosse Pointe baseball team has never won since the league was formed many years ago.

Played Errorless Ball
Besides taking advantage of Tractor miscues the Devils played errorless ball while collecting six hits and stealing seven bases. Seven Devils found themselves reaching first base via the base on balls route and there was one hit batsman.

What makes the victory all the more amazing is the fact the Pointers have not had the advantage of working out on their own ball field due to the construction of the new auditorium-gymnasium. The Devils had held only one infield practice on Kerby Field before playing their first game.

Woods Little League Starts Tryouts

The newly organized Grosse Pointe Woods Little League held its first practice at Mason School field, Saturday, April 24, under the direction of President Marvin Boutin and his managers and coaches. Top picture—COACH BILL BECKENHAUER shows one of the groups the proper batting stance as other coaches and managers look on. Bottom left—a half dozen young hopefuls listen to instructions from the team managers as practice gets underway. Left to right the managers are EARL MEYER of the Tigers, DAN O'BRIEN of the Indians, ERNIE CHIELENS of the Red Sox, HOWARD DAVENPORT of the Yankees and Players Agent PAUL SNOW. Bottom right: Vice President ROGER JUDKINS, left, goes over the roster with President MARV BOUTIN as practice gets underway.

Babe Ruth Loop Set for Action

The Babe Ruth League, Grosse Pointe's new hard ball organization for boys 13, 14, and 15 years old, will hold registration and initial try-out Saturday, May 1. All boys who will become thirteen and fourteen years old, and boys who will not have their sixteenth birthday until August 1, are eligible to play.

There are two divisions in the league. Those boys who live in the City of Grosse Pointe and in Grosse Pointe Park will report at Neighborhood Club gymnasium at 10 o'clock Saturday morning, May 1. Boys who live in Grosse Pointe Farms and in Grosse Pointe Shores are to report to Room 106 in Grosse Pointe High School building at 10 o'clock Saturday morning, May 1.

After registrations are taken in the buildings the boys will start the first practice and tryout sessions on Neighborhood Field and the High School diamond. Boys are to bring their baseball mitts, but all other equipment such as bats, balls, catching equipment will be provided by the League.

A letter is being sent to boys who have already indicated their intention to play in the league, but all boys will not receive these letters, as many have not as yet signed up. It is not necessary that a boy receive such a letter, so every boy who wants to play should come out Saturday morning.

The teams in the City-Park Division will be the National League, the Brooklyn Dodgers, the Milwaukee Braves, the Philadelphia Phillies, and the St. Louis Cardinals. The Farm-Shores Division will be the American League, the Chicago White Sox, the New York Yankees, the Boston Red Sox, and Cleveland Indians. The names were picked as the teams who finished in the first division in the regular 1953 big league season. In an effort to avoid too much confusion with the various Little Leagues in the area the standing through the season will refer to each team by its city name, such as Boston, Milwaukee, St. Louis.

Uniforms will be issued to all boys who make teams shortly before the first games, which will be played on May 22, but the only boys who can make a team will be those who come out for practice, so it is important that all boys show up at the High School and Neighborhood Club Saturday morning.

Tryouts, Practice Sessions Keep Woods Leaguers Busy

Mason School playgrounds on Vernier road in the Woods are the scene of intensive activity these days as training is stepped up for the nearly 300 aspirants for positions on the four "major" and eight "minor" Woods Little League teams.

Tryouts and practice sessions during the past ten days have had pitchers and catchers, infielders and outfielders performing in separate groups under the watchful eyes of managers and coaches.

For the present, twice-a-week practice sessions are confined to Mason School, but later on, fields at Parcels, Vernier and Monteth Schools also will be used.

While plans for the Memorial Day opening ceremonies are not yet complete, Ray MacArthur, Woods City Administrator, promises that the leveling of the Little League Stadium portion of Ghesquier Park will be completed in plenty of time for opening day.

Woods Little League officials announced Saturday, May 1, as

the last day for registering for tryouts with room for only a few additional recruits. The four "major" teams will be managed by Howard Davenport, Earl Meyer, Ernie Chielems and Danny O'Brien. Pat Patterson, Burke Fossee, Keith Karr, Art Dlouhy, Stewart Hoffman, Vern Dumas, Marvin Dahnke and Jerome Bullinck will direct the eight "minors."

Church League Honors Champs

By Fred Rannels
Players and dads honored the 1953-54 Junior and Senior basketball champions at the Grosse Pointe Inter-Church League annual dinner held last Wednesday, April 21, at the Grosse Pointe Memorial Church.

The news presented individual "Oscar" to the members of the Senior Division champion Memorial Diesels and the Junior champs, the St. Paul Panthers.

Everyone had something nice to say about the league and League Director Ty Tyson who, incidentally, did a tremendous job of running the league smoother than in any of the five years since its origin, hit the nail on the head when he said "This is a great thing you are doing for the kids and I hope it continues for years to come."

There were old time veterans like Sandy Wiener, Russ Livermore, Eddie Lauer, Paul Ketchum, Jay Newberry, Roland Gray, George Elworthy, George Nelrick and many more on hand. These men helped form the league five long years ago and helped it grow into a great league for youngsters in the Pointe's churches.

The most wonderful thing, and also a little embarrassing, happened to your reporter when Sandy Wiener presented us with two wonderful gifts for the work we did in running the league for three years. We think there are more deserving men who should have received the gifts. There are guys like those we mentioned and one fellow in particular, Bill Beckenhauer, who deserves a multitude of credit for the success of the league.

Blue Devil Netmen Subdue Fordson for First Loop Win

Coach Bud Kurvink's Blue Devil tennis team got off to a winning start in the Border Cities League race last Friday, April 23, when they chalked up an impressive 7 to 0 win over Fordson on the Tractors home courts. What was more impressive was the way in which the Devils completely subdued their opponents. The Tractors didn't win a set as the Pointers swept to the shutout victory.

Alex Stewart and Bill Hotchkiss paced the singles matches with love wins. Stewart topped Bojas and Hotchkiss whipped Sobek in straight sets in the number one and two singles, respectively.

King Patterson Won
King Patterson won the number three singles by beating Lampros 6-4; 6-0. Tom Watson almost joined the select "love" group when he nudged Tomchuck 6-0; 6-1.

In the doubles matches Johnny Taylor and Bill Leonard had no trouble sweeping past Selvia and Gibson in straight sets 6-0; 6-0. Bill Connelly and Jim Linberger downed Kochadorian and Mathews 6-0; 6-3 while Bill Bryant and Larry Scoville almost lost the team shutout when they

were forced to go fourteen games before downing Sotiroff and Mitty in the first set of the number three doubles. They won the second set handily 6-2.

Monroe Match May 3
The date for the cancelled Monroe match, which was supposed to have been the first league contest and to have been played April 20, has been set for May 3 on the local courts. The return match will be played two days later, May 5, on the Trojans' courts.

Coach Kurvink says he has no fears of being upset by the Tractors in the return engagement but has a couple of changes to make in the lineup before he can realize a well-balanced, not powerful, team.

Boat Banter

By Fred Rannels

We pulled a "Boo Boo" last week but actually it was typographical error when this column said Dr. Henry Dunlap bought Susie Fisher Pilot sloop "Old Rarity".

Actually, the good doctor bought Jack Cullen's Pilot sloop "Albacore" and will be giving the boys in cruising C class fits when the local regatta gets underway May 31.

"Old Rarity" has been sold up Alpena way but won't be delivered until the middle of August. That means there will be six Pilots racing here for the greater part of the summer and Susie will have her regular crew back aboard until that time.

Chet Renaud says he expects to go over to Chicago about May 20 to pick up the Pilot he purchased a few weeks ago. It's just the weather that's holding him up now. In the meantime Chet and his crew are readying his Privateer "Maybe" for delivery to her new owner from Rochester, Michigan. The new skipper has indicated the boat will race in the hot Privateer class just as soon as he can join a club and find a mooring spot for his new pride and joy.

There was many a wet eye last week as Paul Smiley's beautiful "Orient" bid farewell to fresh water. It was a sad sight to see the 65 foot cutter with her spar shipped on deck and making her way down the Detroit river. This was the start of a four month trip that will take "Orient" and her new owner down the East coast, into the Caribbean, through the Panama Canal and finally up the West coast to her new home in Seattle, Washington.

Dave "Deacon" Sloss has the right answer to the wise guys who are fearful of Dave's "Kathmar II" tipping over since he shaved a ton of lead off her bottom. Says Dave "I'm going to buy some safety bells for the crew to hold those old guys in the cockpit when we get a breeze of wind. The Deacon is very seriously planning to take in the Mills Trophy race for a shake-down of his ship prior to the Port Huron-Mackinac race despite the fact the Detroit Boat Club regatta falls on June 26 too. Dave says "It isn't that I don't want to sail in the Boat Club race but when you make as many changes in a boat like we have you must get a good long

distance race under your belt and see how the boat performs before going to Mackinac."

That was a wonderful dedication party the St. Clair Yachtmen held last Saturday night, April 24, at their new club on the Keowee property at the foot of Meadowbrook.

Two hundred and fifty six members and their guests enjoyed a dandy buffet supper, dedication ceremonies and danced until the wee hours of the morning. The beautiful bar that past commodore Dick Brand built with his own pinkies got a good workout too.

Surprising Track Team Takes First Meet with Ease

Coach Howard MacAdam's veteran-scarce Blue Devil track team came up with a surprise 63 1/10 to 45 9/10 victory over the Monroe Trojans last Friday, April 23, on the local track.

With only four returning lettermen the power of the 1954 Pointers was a big question mark. But in the Monroe meet the Devils' stock took a sharp rise and league honors appear to be on the horizon barring unforeseen developments.

Some New Stars Sighted
The first meet of the season produced some first year stars who along with veterans Mike Rauth, Tom Barry, Armin Jocz and John Wardle could enable the Pointers to retain their Regional title, which they have won the past two years.

Among the newest stars is Tom Demerest who transferred from California. Demerest, if he continues to perform in future meets as he did in the opener, figures to play a big part in the Blue Devils' future track plans.

Pole Vault is Clincher
The deciding event of the meet was the pole vault which was won by tenth grader Keith Berry, who cleared the bar at 10 feet six inches. Bill Smith, of Monroe, was a top heavy favorite to take this event mainly on his performance of last year when he tied Jerry Goebel for fifth place in the State meet with a leap of 11 feet six inches. The best Smith could do last Friday was 9 feet three inches for second place.

Demerest Wins Two
Tom Demerest became a double winner when he captured both the high and low hurdles. In the 120 high hurdles he beat Adler and Peters from Monroe in that order. In the 180 low hurdles he broke the tape ahead of Estes of Monroe and Lynn Messner of the Blue Devils.

Bob and Bill Smith slammed the 100 yard dash with Bob Bell giving Grosse Pointe a third place. John Wardle turned in a better first meet performance than last year in winning the mile in which he beat Monroe's Eversole and Nelson Sherburne of the Pointers. Armin Jocz, the boy who is so good he can have his choice of events, pounded over the finish line ahead of his teammate Mike Rauth and Monroe's Sherer in the 440.

Win Both Relays
Jim Clemente, Bill Squire, Joe Braden and Hal Bailey turned in a 2-47.7 in winning the three quarter mile relay and Rauth, Bailey, Jocz and Demerest combined efforts to capture the 880 relay for the Devils.

In the field events the Trojans and Devils shared honors. As reported, Keith Berry won the pole vault. Dick Spindle, a senior out

for track for the first time, won the high jump with a leap of 5 feet 2 inches. In this event five boys tied for second place which accounts for the split points in the final results.

Monroe Wins Broad Jump
Monroe's Bob Smith won the broad jump, soaring 19 feet 4 inches, and his teammate H. Smith was second with Spindle taking third. The shot put was won by Stanyak of Monroe with a toss of 48 feet one and one quarter inches. Balk gave the Trojans second place and Jerry Leamon was far back in third place with a toss of 40 feet 10 inches.

Coach MacAdam sees the race for the crown a tight one this year and bases his thought on the first meet performances of the other Border Cities League teams. Highland Park beat Monroe by 8 points and then was beaten by Royal Oak by one point. Fordson walloped Wyandotte in the season opener.

Looking over Grosse Pointe's track records we noticed a record of long standing set by Melvin Braun and way back in 1934 in the mile run. His mark stands at 4:39. John Wardle's time in the first meet was 4:46.3 which leads one to believe Braun's old time mark might be in jeopardy this year.

Motor City Speedway Races Starting May 9

Motor City Speedway—at Eight Mile and Schoenherr—will begin its 1954 racing season Sunday afternoon, May 9, with the popular hard tops being the first to compete on the newly-paved track.

Promoter Andy Barto announced early this week that he would again stage his annual "open house" at the track on Saturday, May 8, if favorable weather continues. The paving of the oval is nearing completion and clear weather next week will see the job finished.

Barto has invited pilots of every type of racing car to try out the track during the open house period which is scheduled from 1:30 until 5 p.m. on Saturday.

CAMERAS CATCH PICTORIAL NEWS OF INTEREST FROM ALL OVER THE WORLD

OUTER SPACE FARMS—The starving world of tomorrow will depend on food provided by man-made moons launched into outer space to move in regular orbits around the earth, according to the story, "Moon Farms to Banish Starvation" in the May issue of *Mechanix Illustrated* magazine. Their principal product will be algae, a new food substitute recently discovered by scientists, which is rich in vitamins A and B¹ and has far greater protein content than meat, fish or fowl. The "moons" probably will be saucer-shaped with growing tubes concentrically arranged on the upper deck; drying and collecting equipment, storage bins, living quarters for the workers and other equipment will be housed in the shallow bowl beneath. A tubular dock in the lower portion of the artificial satellite will allow for docking of the cargo ships that carry produce back to the earth daily.

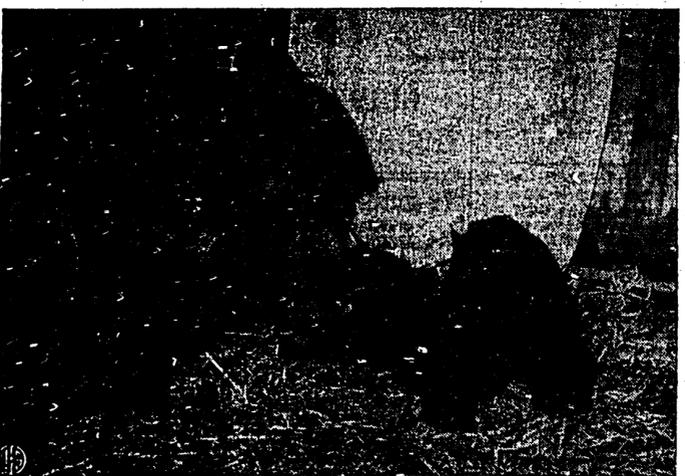

WINS RAYMOND CLAPPER AWARD — Doris Fleeson, Washington correspondent, whose newspaper columns are distributed by United Feature Syndicate, is congratulated by Frank B. Allen, chairman of the committee of Capital Correspondents, after she became the first woman to win the \$500 Raymond Clapper Award. Miss Fleeson was honored for her "exceptionally meritorious work during 1953."

PICTURE PROBLEM — Impressed by the Eiffel Tower but unable to "get it all in," these English schoolboys decided to photograph it in sections, hence the Eiffel-like tower.

SENATOR ON HORSEBACK — The fondest hopes of many an early American pioneer woman could hardly have foreseen the fate of Mrs. Eva Bowring, 62-year-old grandmother, who has been personally operating her late husband's 10,000-acre ranch in Nebraska since his death nine years ago. She has just been appointed Senator by Gov. Robert Crosby to succeed the late Sen. Dwight Griswold. Here, astride her favorite horse, Trinket, she takes a last look at her Hereford cattle before packing up and leaving for Washington.

NEW ARRIVAL—Still too weak to stand, this baby camel, only a few hours old, lies beside its mother to be licked dry. The mother camel arrived only recently at Hamburg's (Germany) Hagenbeck Zoo from Africa.

SOFT ASSIGNMENT—Not only will this face launch a thousand ships but a few thousand feet of Technicolor film, as cameras start to grind in Rome, Italy, on the movie version of "Helen of Troy." Cheerfully reclining on a Greek-embroidered couch, Rossana Podesta—result of a two-year search for the "perfect beauty"—contemplates her film chores in the title role. Millions of potential viewers will probably not care if she confines these chores to . . . cheerfully reclining.

MASK MARVEL—Vasco Natale Lupi, a 57-year-old Milan, Italy, artist who works in the unique medium of straw, is shown as he fashions a new piece. Shunning the standard materials of the sculptor, Lupi, a former student of the American University in Beirut, molds his figures entirely of straw. In 1951 he won a prize for his "portrait" of G. B. Shaw. Eventually, he plans to display his work in Europe and perhaps in the U. S. Surrounding him in his studio are the figures of Stalin (center, bottom); Stan Laurel and Oliver Hardy (center, right); Churchill (top right); and the "Pirate" (top left).

GLAMOROUS GREASEMONKEY—In street clothes (left) or in coveralls, Lucille Pieti is an eye-stopper. The pretty, 27-year-old miss is the only known lady automotive engineer, and holds a B.S.M.E. degree. Normally, Miss Pieti, who is of Finnish extraction, is employed in the engineering division of a Detroit automotive plant, but she is now doubling as a factory authority and demonstrator for an automobile-sponsored television program.

BILLING AND COOING—If you've been wondering how pelicans kiss, here's a real torrid demonstration with compliments of the London Zoo. Even in the spring some young men's fancies are turned down—as unhappily shown by the odd man in the background. See him?

"DIAMONDS ARE . . . etc."—Wearing two-and-one-half-million dollars in diamonds alone, Miss Celeste Seymour of New York is shown as she attended the April in Paris Ball at New York's Waldorf-Astoria Hotel. The third annual gala society affair was held for the benefit of the French Hospital in New York.

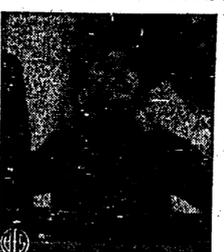

BASKET OF CHARM — Miami Beach has charm by the bushel basket now, as is well illustrated by luscious Kay Duggar.

GUTE REMINDER — Pretty Maria Vernay wears a fur, bathing suit to remind us of the cold weather that is past and the warm weather that's on the way. And she's also reminding us to set our clocks ahead one hour on April 25 when Daylight Saving Time begins.

"SEA" THE FASHIONS—Flashing a wet and bubbly smile, model Dede Adams pirouettes on the bed of Florida's Silver Springs as she is literally driven to the drink for an underwater fashion show. Donnybrook, Ltd., staged the novel show in the clear waters of the southern resort to dramatize the water-resistance of their orlon coats and toppers. Fashion "critics" (right) were provided with diving masks, but models took their air from special pipes "offstage."

ROYAL EXPRESSIONS—As the Royal yacht Britannia sails from Portsmouth bound for Tobruk in Africa, young Prince Charles's expressive face reveals a variety of emotions. He and his sister, Princess Anne, are sailing to be reunited with their parents after the Royal tour of Australia and other points in the British Empire.

WHITE AND RED FOR EVENING—Christel Schack, Miss Germany of 1953, models a striking white cotton evening gown by Berlin designer Ursula Schewe. It is worn with a red coat, lined in white and trimmed with white fur at the sleeves.

ENOUGH PUFF—The pretty puff, absent from the fashion scene since the demise of the puffed sleeve, plays a return engagement on the dramatic skirts of costumes by Battilocchi of Rome. The designer encircles both bodice and skirt of this pink organza gown with rings of sparkling sequins, setting three enormous puffs into the skirt to give his creation a fairy-tale elegance.

Boat Banter
By Fred Runnells

(Continued from Page 20)

Rear Commodore Brad Pyle and Vice Commodore George Brewer beamed at the huge turnout and were conducting two dollar cook tours of the club all evening.

The new club has 110 members now and at present Vice commodore Brewer has thirty future sailors in an instruction class he is conducting.

It certainly is grand to see a bunch of swell fellows like the St. Clair Yachtsmen finally get a break after eight years of struggling. It was back in 1946 that Tom Bowles, George Brewer, Frank Kreml, Karl Ness, Jim Carlin and Maurice De Clercq formed the St. Clair Yachtsmen while sailing out of Paul Hendrickson's St. Clair Club.

The reason these guys formed their own club within a club was the fact they couldn't sail in the local regattas from a commercial sailing club such as Paul's. So they called themselves the St. Clair Yachtsmen and joined the Detroit River Yachting Association and began sailing in the weekly regattas. They did real good too. Once they slammed the club catboat event and one year they won the club catboat championship.

It's guys like that make sailing what it is today. They never give up until they get what they want and once they attain their original goal they set their sights on something bigger.

Did we tell you Grosse Ile Yacht Club picked up that August 28 date for their regatta. That was an open date but Grosse Ile didn't want it when it was offered at the DRYA Spring meeting. They were going to hold their own regatta on August 14 and conflict with Windsor Y.C.

Ed Hoff has been brought home from the Kingston General Hospital, in Kingston, Ontario, where he has been since his unfortunate accident while returning from skiing in the Laurentian Mountains. Ed's receiving his mail at the Ford Hospital now and if you should happen to be up that way drop in and see him. Ed likes company. His good friend Hank Burkard says they have put him in a body cast and he can sit up now and is very optimistic about recovering from the paralysis that plagues him now.

NEW FUEL INDICATOR
Motorists soon may be able to look at a fuel mileage indicator and tell the number of miles achieved to a given gallon of gasoline, the total number of gallons consumed on a certain trip, and the number of gallons used each hour. A newly invented device may give economy-minded motorists the means of figuring fuel consumption at various speeds and with various gasolines. With two gallons of today's gasoline doing the same work that three gallons were needed to do in 1925, motorists can clock better values with every driving mile.

Christ Church Fair Sweater Girls:

(All glimpsed at a meeting for the May Preview)

Mrs. Walter Buhl Ford II... her emerald green cashmere sweater finished down the front with sprigged handkerchief linen which also formed a tiny turn, down collar... worn with blouse of the same printed linen combining gray blue and greens... and a tailored woolen skirt of the soft, lovely blues and greens...

Mrs. Emory Moran Ford... in gray woolen skirt with a gray sweater strikingly cabled in canary yellow...

Mrs. John W. Anderson II... her red, black and white checkered woolen skirt... finished by untrimmed black pullover sweater and pearls...

Just before Saturday's dark skies in the Pointe... the Charles R. Harrisons glimpsed taking candid of their organdie-be-decked angel in front of their Cadieux road home...

Thanks to the A. E. Woltanskis, of Yorkshire at Charlevoix, for the exquisite magnolia tree on their property... It's one of the most beautiful at the Pointe and enjoyed not only by their neighbors but by the motorists who ply Charlevoix to and fro each day...

When the E. Richard Murveys took son Mark to New York last week that young man made the rounds of his favorite TV programs broadcast from Radio City... An opportunity presented itself whereby he was chosen to appear on "Strike It Rich", one of the droolier give-away shows when the victims share their troubles with the listening audience... Dick, frantic for a sob story, toyed with the idea of saying he needed to strike it rich because of his father's income tax... He even mussed up his hair to present a less prosperous appearance... Then the thought of how his dad would take all this struck him... He combed his hair... and declined with thanks the invitation to be televised...

Speaking of TV... Pointer Paul Slocumb has written a new television play, "Chair for a Lady"... You'll be able to catch it this evening (Thursday, April 29) over channel 2... It'll be the Lux Video Theater attraction and will star Angela Lansbury... Nice going for the young playwright...

PILFERINGS

Skimming the last from Rod Arkell's Cream of Wit: The three most faithful friends... a bank account... and I forget the other two...

As soon as civilization becomes accustomed to a luxury, it's a necessity.

An observing bachelor has just defined the history of marriage briefly as follows: giving in, giving up, giving over and giving out.

Never make the mistake of claiming you never made one.

Prohibition will never return to America as long as prunes are stewed, lamps are lit, cabbages are pickled and baby says gaga.

He couldn't carry a tune—even with a Handel.

Never shoot pool with an old-time actor... He knows his cues.

A woman is known by the company she keeps—waiting.

If all the autos in the world were jammed up end to end, that would be Sunday afternoon.

Sign in a tavern: Don't talk about yourself; we'll do it for you after you leave.

MRS. JOHN E. YOUNG OF GRAYTON ROAD

By Jane Schermerhorn

—Fred Rannels Photo

Along about the first of the year the Alumnae Association of Marygrove College named Mrs. John E. Young, of Grayton road, co-chairman of its big Travelrama which takes place at the college this Saturday.

Mrs. Young and Mrs. Thomas J. Burke, with a fast stepping committee, got right to the task which has attracted 3000 women to the college on Six Mile road to play bridge, see a Hawaiian fashion show, be refreshed by Hawaiian dainties at tea time, and thus contribute to the Association's scholarship fund.

As soon as all plans were carefully made and various committees intent upon their work, Mrs. John E. Young became a travel show chairman in earnest. She took a trip arriving home just in time to attend the May 1 party.

Before a private plane and the Youngs took off for five weeks at Acapulco, however, Chairman Young knew that in the artistic hands of Northwest Orient Airlines were all the Hawaiian decorations for the party in Madame Cadillac Hall.

Business First
She knew that the afternoon's guests would be delighted by a parade of Hawaiian fashions—mumum, holomou and holoku costumes—direct from the house of Watanull of Honolulu (they're sending a price list so the gals may order for their Summer wardrobes).

She knew the afternoon's menu would be coconut chips and Hawaiian punch; that 2000 orchids, flown from Hawaii, would arrive the day of the party; that although May 1 is a day when the National Council of Catholic Men attend a special observance in honor of The Blessed Mother at St. Aloysius, they had been alerted to get right home after the service to baby-sit, leaving wives free to attend Travelrama.

Then she was off to Acapulco where she and Mr. Young were guests of their friends, the Fred Richardsons of Detroit. For three months each Winter, the Richardsons lease Casa del Puente situated on a bluff high over the blue Pacific. It is the home of a movie director and unusually luxurious even for the Hollywood standard movie stars have set for the Mexican resort.

Built on four levels, the villa boasts its own swimming pool so it was only Mrs. Young's adventurous nature that tempted her down 221 steps from Casa del Puente's bluff to the sea. She also wanted to take a picture of two little Mexican boys swimming. When she reached the 220th step, they fled.

Coincidence
In her own, "It's a Small World" department she has tucked an experience she had one afternoon when her hosts entertained at cocktails for Mexico's Bing Crosby, Bobby Cappel and his accompanist Mr. Munoz. Mr. Munoz happened to men-

tion that a few years previously he had traveled to Puerto Rico where he had taught the sisters at the convent to use the new organ they just had received. At that time Sister Ellenita, L.H.M., was the music sister at the convent and Sister Ellenita, now returned to Jackson, Mich., is a cousin of Mrs. Young's.

Frank Sinatra was a guest at Las Flamingos Hotel at Acapulco while the Youngs were there. The weather was well into the eighties during the day, and comfortably cool by night. The men in their party got two sail fish while the ladies worried because they saw sharks and whales in the same spot where little Mexican boys had been swimming the day before. No casualties, though.

Ardent Swimmers
Mrs. Young is the mother of three handsome young men: John Jr., 16; Robert, 11 and Jerry, aged nine. They share their mother's keenness for swimming. She grew up in Grosse Pointe where the lake is so near and her Summers were spent at Anchorville.

Summer and Winter, Mrs. Young swims. You can trace the interests of a mermaid in the record of her activities which appears in the current Women's City Club magazine. Naming her as a candidate for the club's board of directors, her activities chart reads: General Chairman of the Christmas Fair 1952-53; Swimming Pool Committee; Co-Chairman of Aqua Follies; Swimming Chairman of Dolphins Club; Program Chairman of the U. of D. Mothers Club; member of the League of Catholic Women; volunteer worker for the Torch Drive; Den Mother in Cub Scouts.

Incidentally, this is her seventh year in "Cubbing". Her cubs are particularly pleased she has earned a senior life saving certificate since it makes possible frequent swim sessions for them at the Park.

Find Busy Person
We admired a collection of English china cups she has in her living room and find she is a hobbyist, once removed. Mr. Young has contributed the entire collection, which Mrs. Young finds enchanting.

When Chairman Young appears at the Travelrama at Marygrove this Saturday, her friends will like the deep sun tan she gathered at Acapulco. She must be an honorary member of the board of commerce down there for she says, "You can get a Florida tan in Acapulco in two days."

She paid tribute to the wonderful workers who have made Travelrama such a success, repeating, "It's true, if you want

a job well-done find a busy person. One mother on our committee has eight children and another has seven to care for. They've found time to do everything they've been asked for Marygrove."

And we suspect that on-her-toes Mrs. Young has a nice way of asking, which helps, too.

Essay Contest Winners Listed

The Veterans of Foreign Wars Auxiliaries sponsor each year an Essay Contest in the various High Schools throughout the United States. This year's essay was written on "Build Through Citizenship."

Alger Post and Auxiliary No. 995; V.F.W. of Grosse Pointe sponsored this essay in the Grosse Pointe High Schools and announce the following winners:

Grosse Pointe High School: 1st—Jim Lineberger; 2nd—Geraldine Beliger; 3rd—Mary Lou McKibbin.

Parcels Junior High School: 1st—Judy Allison; 2nd—Joanne M. DeCenzo; 3rd—Derr Moser.

Pierce Junior High School: 1st—Judy Osgood; 2nd—Pirie M. Gali; 3rd—Peter Cook.

Cash prizes were awarded these students. Jim Lineberger's essay will be forwarded to the State Department and judged again with winning essays submitted by many of Michigan's other cities. Michigan's winning essay will in turn be forwarded to National Headquarters for competition with all other state winners.

A total of 49 essays were submitted and the above winners were chosen by the following judges: Roy Appleman, Past Commander of Alger Post and Chrysler Executive; Mrs. Virginia Leonard, Grosse Pointe Librarian; James Quello, Public Relations and Advertising Director of W.J.R.

RED SNAPPER a la VERA CRUZ

contributed by Mrs. Kay Wardrip

- 3 lbs. red snapper
- butter
- 1 large onion
- 2 large tomatoes
- bay leaves
- olives
- ½ green pepper
- salt, pepper, flour

Spread fish thickly with butter; then pat in a thin coat of flour. Place in baking pan. Over the fish place peeled and sliced tomatoes, sliced onion and the olives which may be chopped or whole; salt, pepper and bay leaves.

Bake for ½ to ¾ of an hour in moderate oven. Serve with fresh lime juice and enjoy one of Vera Cruz's claim to fame.

Two Boys Win Capitol Trip

Two Grosse Pointe boys will represent their schools in a 30,000-boy Safety Patrol Assembly and Parade in Washington, D.C.

They are—Robert Guenzel, 12, of Monteth school and Charles E. Ward, 11, of Lewis E. Maire school, who holds the Auto Club Gold Medal Award for saving a classmate's life.

The boys will leave from Detroit by train Thursday, May 6, as honored guests of Automobile Club of Michigan. They are part of a group of 115 boys chosen for the four-day trip from among 44,000 Michigan AAA patrolers who guarded nearly 700,000 school children last year without a single reported death.

During their honor trip to Washington, the boys will join patrolers from all over the U.S. in the traditional five-mile-long parade down Constitution Avenue. Michigan's delegation will be led by baton-twirling champion Gail Ponte, of Dearborn. The boys will also meet Michigan's senators and representatives at a Friday get-together planned by Auto Club.

Patrolers making the trip will meet in Detroit Thursday afternoon for registration and physical check-up. Then, with their Auto Club Supervisors and registered nurses, they'll board special cars of Baltimore and Ohio's "Ambassador" at 6 p.m. for the overnight trip to the capital. They'll be entertained by TV star Ed Storing, of the Detroit Police Department, and his dog, "Safety Girl."

Friday morning they'll tour downtown Washington and the Capitol building, en route to quarters in the Willard Hotel. They'll spend Friday and part of Saturday seeing the Lincoln and Jefferson Memorials, the Washington Monument, the FBI and other points.

Michigan's five patrol boy heroes, who have received Auto Club gold medals for saving lives of classmates during the past year, will have special places in the reviewing stand at the Saturday parade.

The patrolers will leave Washington Saturday evening and arrive back in Detroit Sunday. They'll be escorted to their homes by the Auto Club staff members.

Pillar Chapter to Hold Rummage Sale on Friday

ALL HUBCAPS STOLEN

John S. Ventrelle of 619 Notre Dame, complained to City police on Friday, April 23, that someone had entered his garage and stole all four hubcaps from his car.

Pointe Counter Points

by Roberts Isley

Languid Island life... pineapple fields... loafing on the beach at Walkiki... observing the rites of tanning and breaker riding... languishing on the long quiet beaches of windward Oahu... that's Hawaii for you. The clothes that were flown over have been up to their ears in ginger blossoms at the Honolulu Airport. And for the occasion of their arrival... just what you'd expect... Jacobson's are doing things up in a b-i-g way. Their Sportswear Department this week is going all out-Hawaiian... even to a hut. They'll be showing shirred sheath cotton bathing suits for a pittance... \$8.95. Gay sun glasses... halter type with boleros around nine and thirteen dollars... combination shorts and halters... treader blouses and shorts... separate skirts... equally reasonable. The colors? Prints of brown... green... blue... reds. The wrapping paper will even be Hawaiian. Especially made for the party is yummy Hawaiian punch. Spiked? We're not sure. This is a whole summer set up to give you more fun in the sun.

A gay cheese cloth umbrella to keep flies and bugs away from food at picnics is available for one buck at Fromm's in the village... cute idea for Mother's Day. And here's another... a plain or checkered fiberglass insulated bag to keep food hot or cold for hours. Three sizes... around four, five and six dollars.

Convertible are in the news... in fashions, hair designs, and automobiles. Nothing delights the heart of a woman more than a costume suit that can be converted into a chic dinner dress merely by removing the jacket and changing the accessories. In hair fashions the CONVERTIBLE IDEA is even more important. The best example of this idea to cross our path is the exciting coiffures designed by Marie Bird's stylists. On recent visits to her inviting salon we saw three excitingly different hair-dos created from one basic styling for one of the Pointe's loveliest young mothers, Marie Bird has aptly named them "SPRITE" (this is a slightly Audrey Hepburnish look), "YOUNG IN HEART" (perfect for the times when you must wear a hat), and "ALICE IN WONDERLAND" (for the wide-eyed look when the hair is held in place by a head band or scarf for a quick game of tennis). Doesn't all this sound interesting? If so call TU. 1-6833 for a hair design that is right for all your varied activities. 117 Kercheval, on the hill.

Now is your chance to capture the personality of your garden or first bloom. It may be a flowering tree... a single fine textured shrub... a simple clump of herbaceous plants with a photograph. It's easy to get your own sparkling colored picture or slide print. The Camera Center, in the village, can help you. It's THE place in Grosse Pointe to get your camera supplies.

This is the way you'll look at the golf club this summer... it's smart... it's a glorious sleeveless cotton. What is missing here, and shouldn't be, is the glorious Technicolor. On the white background is etched the all important word in a golfer's lingo... the pins (flags on the green) that are scattered here and there are red and blue... the belt is navy and white. Navy knit tipping looks good around the neckline and armholes. Wear it with any sweater you own. Headsome... and it's all yours for around thirteen dollars. Margaret Rice, 76 Kercheval, on the hill.

Summer score for men: a BLACK sports coat for summer. It's outstanding because it is new in fashion and new in the Pointe. Denny's Men's Wear, on the hill, has a 100% wool worsted jersey sport coat, with a complete taffeta lining. It's a Scot Aire... and now that men are demanding more and more comfort... this is the ticket... fifty dollars. 82 Kercheval.

Gentle breezes blow... lamb's gambol over green fields... pink blossoms drift through delicate blue skies. Spring is good... and so are these rich medium weight sheer fabrics that hang perfectly in panels or draw drapes. These casement sheers can be custom made for you right in Jacobson's Home Decorative Shop, in the village. One type is white nylon, and because it is shot through with gold, is called Nugget. Pure silk gauze can be used as a curtain or drapery comes in white through champagne colors and shades into darker browns. These materials do not require a lining. We spotted sheer Fiberglas in pastel colors, that require no ironing. Free free to take your window problems to Jacobson's... they'll be glad to assist you in your window planning.

To hear some people talk you'd think there was never anything new for men. That's tommyrot. We've found the most handsome new sun specs for him with demi-amber shells called "Wayfarer"... so comfortable to wear. And with Decoration Day in the offing and you needing sun specs... see first one-style called "Caribbean" in black ivory, blue tartan, white twill, and golden moss... or "Candida" in cocoa, mint green, or ebony with gold trim. All of these can be made up with tinted lens ground to your prescription. There are wonderful ones for those of you who do not use prescription glasses at Johnston Optical Co., on the hill.

Trav here means travel fresh. And most certainly... certain beauty chores must be taken care of before you set off for a vacation. If you are a luxury lover and a practical packer you'll take a box of Trav. It contains twenty envelopes of a safe laundering detergent. It's mild and soft... perfect for bathroom laundering of silks, nylons, woolsens, and dishes... possesses a heavenly fragrance. This practical bon voyage gift was taken from one of many bright going away gifts at Trill's Pharmacy, on the hill.

Young sprouts... we should talk about them, inasmuch as we're smack in the middle of baby week. Let's think of 3-5, fine, baby shoes fashioned of soft calf skin in all sizes thru triple E. Let's think of the ideas that personalized fittings are perfect. Maybe your baby's foot is too big for his shoe. If so, the unbarriered experienced fitters at Clyde Hornung's, on the hill, know that all five toes must rest flat in the vamp... and that the wall area of the shoes must vary as the foot is shallow or thick... and that approximately one half an inch must be allowed from the large toe to the end of the shoe. Ponder all this... then see that your young sprout has a pair of perfectly fitted shoes.

Your graduation was thrilling wasn't it? Just as exciting as a Broadway hit... your first dance... your first love affair. We thought these simple graduation dresses were exciting because they were fashioned of all frosted nylon... full self petticoats... high or low necklines. Choose from pink, white, blue, aqua, navy. They're beautiful and only \$19.95. And we'll toss a special bouquet to the forsy white pique with a glittering neckline and crinoline petticoat for thirty-five dollars. Jacobson's Better Dresses.
