ONE FOR THE BIRDS. In Oakland, Calif., a pigeon owner attempted to place one of her prize male pigeons in a mating cage, but the bird flew from her hand and roosted in the nearest tree. Its owner stated that she tried every means to entice the bird down, even to sending up all the best females, but no dice. She withheld the bird's registration number because she did not want to hurt his reputation.

IN THE MIDST of a discussion of a routine legislation, French Premier Laniel announced the fall of the besieged French fortress of Dien Bien Phu. The fortress fell to the Communist-led Vietminh troops after standing for 57 days. The last massive wave of rebels outnumbered the estimated 12,000 to 15,000 defenders by at least 6-to-1, which proved too much.

Brig. Gen. Christian de Castries, commanding Dien Bien Phu, ordered French artillery emplaced at Isabelle, three miles southward, to fire on his own headquarters if necessary, and to keep firing. The fate of the general and his men is yet unknown.

IN A REPORT given to the nation, Secretary of State John Foster Dulles ruled out the use of American troops in Indochina, at least for the present. However, he declared the saving of Southeast Asia may yet demand military commitments by the free nations of the world.

He stated that free people will never remain free unless they are willing to fight for their vital interests. He said that the fall of the heroic fortress of Dien Bien Phu will strengthen, not weaken, "our purpose to stay free."

Sunday, May 9

GEORGE BIDAULT, French Foreign Minister, put forth a peace plan that calls for a cease-fire in Indochina and an armistice guaranteed by the Western Powers, Soviet Russia and Red China. The plan would require the Reds to withdraw their troops from key areas including the Indochinese states of Laos and Cambodia, bordering war-torn Vietnam.

The Communist Vietminh rebels, backed by Russia and Red China placed an obstacle during the talks, demanding that the Red rebel regimes of Laos and Cambodia be represented. A Communist Chinese spokesman made it clear that the Communist bloc will reject Bidault's plan.

TWO FRENCH OUTPOSTS fell in the wake of the collapse of defenses of Dien Bien Phu, the French high command announced. The outposts fell to strong Communist forces, in the Red River delta, strategic points in the rice-rich area of Indochina.

The rebels are estimated to have at least 100,000 troops in the delta area. The new attacks may be the start of a Red offensive against this vital spot and Hanoi itself. The French high command ordered a tightening of the Red River area defenses.

THREE MEMBERS of the University of Michigan faculty were suspended from their jobs because they refused to answer questions put to them by the House Un-American Activities Subcommittee when it was in Detroit. One professor and two graduate students were also warned that they were in contempt of Congress.

The River Rouge Board of Education fired Mrs. Blanche Northrup, because she also refused to answer questions. Dr. Harlan H. Hatcher, U-M president, suspended the three professors without pay immediately.

ROBERT BYROM of Framingham, Mass., on hearing that a tornado was in the offing, made a bee-line for a neighbor's house to borrow a rake. The surprised neighbor asked Byrom if he intended to rake his lawn during the storm. To which the borrower replied, "I'm not going to rake outside. I just want to clean up the cellar in case the house blows away."

Fur Robbers Awaiting Trial After May 10 Arraignment

The two fur robbers who threw a brick through the window of Furs by Robert and stole valuable pieces of furs on April 29, were arraigned before Wayne Circuit Court Judge Ira Jayne on Monday, May 10, but no trial date has been set.

Arraigned in circuit court were James Dawkins, 43, of 5609 Thirty-third street, Detroit, and Elinor Shananaquet, 26, who also gave the Detroit address.

According to Farms Det. Sgt. Harry Seelow and Farms Det. Harry Beaupre, the bond of \$10,000 imposed on Dawkins by Farms Judge Grant E. Armstrong, was lowered to \$1,000 by Judge Jayne, on petition of Dawkins' lawyer, whereas, the woman's bond of \$7,500 was retained until the court could appoint a lawyer for her.

Park Police Demand Action On Long List of Grievances; Petitions Now Being Studied

City Manager Lane and Chief Arthur Louwers Inform Council They Will Make Thorough Investigation and Recommendations

A petition listing 10 grievances and signed by all the patrolmen in the Park, was presented to Park City Manager Everett B. Lane, Park Police Chief Arthur Louwers, Park Mayor Homer Fritsch and to each member of the council last week, it was brought out at a council meeting held on Monday, May 10.

Mr. Lane, when the subject was brought up at the meeting, informed council members that he will not act on any of the grievances until he receives a report from Chief Louwers and a complete investigation of the alleged existing conditions has been made.

Signed By All 20 The 20 patrolmen of the Park, following a meeting held April 19, drew up the following grievances, which every one of them signed and of which a copy was given to the city officials.

The patrolmen listed first that they were insufficiently paid (their top pay is \$4,620 a year), and asked for a 12 percent increase of their total annual pay. Also listed, was the city's failure to provide uniform allowances, and they asked that \$100 per man per year be granted for uniforms. They also ask that two men be added to the department; and request that their winter furloughs of six days be restored, plus their regular leave days before and after these six days.

More Pay Hikes Asked They insist that the city grant an increase in pay to patrolmen for years of faithful service, a substantial sum for those who have served for 10 years, and an additional increase be given every five years thereafter; that uniformed patrolmen given special duties, usually performed by an officer of higher rank, be given the higher rank after a reasonable probationary period with the pay for which this rank calls.

They complained of defective police equipment, primarily consisting of automobiles fitted out with special devices, which are not in proper working order and ask that this equipment be given a thorough periodical check.

Claim Refuted by Chief Both Mr. Lane and Chief Louwers insisted that police equipment in the Park is among the best in the State, and that the

Deadline Tomorrow For Candidates for School Board Posts

Two Directors To Be Selected and Proposed \$1,225,000 Bond Issue Will Also Be Submitted to Voters

Friday, May 14, is the last date that persons wishing to run for election to the Board of Education may file their petitions. According to information received from Dr. L. M. Bartlett, Director of Pupil Personnel for the Grosse Pointe Public Schools, two members are to be elected to the Board for three year terms at the annual School Election to be held June 14.

The two members whose terms expire this June are Mrs. Alice Moody Sheaffer and Chet Sampson. Petitions indicating the desire to run for the Board may be obtained at the Board of Education Offices.

To Vote on Bond Issue In addition to the election of two members of the Board of Education, the June 14 election will include three propositions relating to additional classroom facilities and additional millage for the operation of the schools. These propositions in brief are as follows:

1. Shall the Board of Education be given the authority to borrow \$1,225,000 and issue bonds therefor for the purpose of (1) building and equipping an elementary school on the Torrey Woods site, (2) building and equipping a fourteen room addition to the Poplard School, and (3) building and equipping a two room addition to the Kerby School.

2. Shall the Board of Education be given the authority to increase the tax levy \$107 a mill per \$100 (\$80 per \$1,000) of assessed valuation for a period not to exceed twenty years to repay the money borrowed for the above stated purposes.

3. Shall the Board of Education be given the authority to increase the millage for operation two additional mills (\$2.00 per \$1,000) of assessed valuation, thereby making the total excess operational millage five mills—this total of five mills to be authorized for a five year period (1954-58 inclusive).

Who May Vote According to a manual issued by the Board of Education, all registered voters of the school district may vote on the propositions authorizing the increase in the tax levy, i.e., Propositions 2 and 3, and for School Board Members. Only taxpayers and their husband or wife may vote on Proposition 1, the authorization for borrowing money and the issuing of bonds.

Under the existing school election laws all persons who are registered for local, state and/or national elections are also registered for school elections. Thus, anyone who has voted in local, state or national elections and has not moved since last voting is also registered for school elections.

Can Register to June 4 Any person not registered, who is a citizen of the United States, 21 years of age or over, who has lived in the State of Michigan for six months and in the school district for 30 days prior to June 14, may register with the clerk of the city or township in which he resides during regular office hours up to and including Friday, June 4, 1954.

The polls will be open from 7 a.m. to 8 p.m. on June 14 and persons will vote in the public election. (Continued on Page 2)

One Day a Week Is Enough For Good House Cleaning

Bette Mae Harris, 28, of 2839 Elmwood, Detroit, was brought before Farms Judge Grant E. Armstrong on Monday, May 10, on the charge that she committed simple larceny from a dwelling. She pleaded guilty.

Farms police picked up Miss Harris on the complaint of Mrs. Irene Parnell of 439 Lexington, for whom Miss Harris worked as a cleaning woman, one day a week.

According to Mrs. Parnell's complaint, she first missed \$60 of her own money, and her son's wallet, which contained about \$20, sometime in March. On April 23, another \$20 was missed, and on April 30, \$40, several blouses, a gold wrist watch, a girl's heart shaped locket and chain, a girl's gold cross and chain, and a lady's terry cloth robe.

Need \$16,300 In Remaining Two Weeks

Contributions Down After Impressive Returns During First Two Weeks

Following a two week beginning that brought in \$10,000, the returns in the third week of the Memorial Center's Annual Family Participation Campaign were disappointing. As of May 10, this year's drive has netted \$2,500 less than last year, while the needed goal this spring is \$30,000-\$50,000 more than last year.

In 1953, the War Memorial Association was able to announce on Memorial Day that it had achieved its goal. It will be necessary for \$16,300 to come in, in the next two weeks to be able to make a similar statement this year.

Many New Donors An encouraging feature of this year's campaign is the fact that nearly 20 percent of the donors so far are new givers. To remind the previous contributors as well as to encourage still more new givers, a follow-up letter has been mailed this week to every Grosse Pointe family whose donation had not been received at the end of the Campaign's third week.

The Center served 62,000 people in 1,400 groups during the past year—more than 11,000 more than in the previous season. It is now open seven days a week, 12 months of the year. It is indeed a rare night when something is not scheduled at the Memorial.

Caters to Everyone Besides being widely used by nearly all community groups, the Center sponsors a program of its own designed to offer something to every age group and to satisfy a multitude of special interests ranging from ballet to gun collecting.

The men and women who give their time, and efforts serving of the Memorial's Board, hope you will express confidence in them by sending your check in right away to 32 Lake Shore Road.

New List of Donors Contributors listed since the second report was published last week include the following:

She also stated that Dawkins was the one who threw the brick through the Roberts Fur store window and took the furs. She said that she was sitting on the furs and that they were not under her coat as the arresting officers implied.

Arraigned on Friday, April 30 before Judge Armstrong, Dawkins stood mute and Miss Shananquet pleaded innocent to the charge of breaking and entering in the night time for the purpose of committing larceny.

Dawkins stood mute before Circuit Judge Jayne and the woman stuck to her plea of innocent.

Farms Police Chief Walter Hoyt, disclosed that with the arrest of the man and woman, other arrests have been made by Detroit police, and that it was possible that a fur theft ring had been smashed.

ber 1942, first as executive officer, later in command.

He was ordered to duty on the staff of Commander Service Force, Atlantic Fleet, as assistant engineer and assistant material officer.

"For meritorious service, in that capacity, and subsequently as engineering and material officer on the staff of Commander Service Force Atlantic Fleet, from September 1942 to September 1945," he was awarded the Bronze Star Medal.

The citation states that he "rendered invaluable service in overhauling and readying ships of all types, including foreign vessels, for the assault operations in Africa, Europe, and the Pacific Theater... and materially aided in preparing ships and maintaining them at a high level of operating readiness, thereby contributing to the success of many combat operations."

In addition to the Bronze Medal, Admiral Jacoby has the Victory Medal (World War I); the American Defense Service Medal; the American Campaign Medal; the World War II Victory Medal and the Naval Reserve Medal with Star (for 20 years' service).

In 1946 Admiral Jacoby was appointed Commander, Naval Reserve, Detroit, and in 1947 he was also appointed Commander, Michigan Naval Force. His untiring efforts in re-activating the Naval Reserve and Naval Force following World War II, are credited with bringing those units to their high state of efficiency during the period of 1946 to 1949, at which time it was mandatory to turn over command of the Naval Reserve. Admiral Jacoby remains Commander, Michigan Naval Force.

Admiral Jacoby's wife is the former deVemon, Ramsay of Shreveport, La. They have two sons, Leon J. Jr., and G. K. Jacoby, both of whom are Naval Reservists. The family residence is at 729 Fisher road, Grosse Pointe Farms.

cars are traded in for new ones every year.

The patrolmen also revealed that they desire to meet with their superiors, periodically, in order to create a better understanding between the higher officials and the personnel. Chief Louwers stated he was willing to meet with his men any time they chose.

They demand that whenever possible, two men, rather than one, be assigned to a scout car, for the better protection of the patrolmen, the community and its citizens.

Will Continue Policy

Chief Louwers stated that it is the policy of his department to assign one man to a patrol car

during the day, and two during the night, and that this practice will continue in force.

The patrolmen's final complaint pertains to the transporting of sick children from the schools of the Grosse Pointe area to their homes. They insisted that this was dangerous to the health of the officers and to their families and requested that measures be taken to stop this service.

They stated that this type of service is the responsibility of the Grosse Pointe Board of Education and the Grosse Pointe Board of Health and not that of the police department.

Will Complete Study

Mr. Lane informed the members of the council that the investigation will be conducted and completed as soon as possible and if the matter could not be settled through the administrative branch of the city government, which is the proper one to handle this, the case will be given to the city council.

Given New Job For Torch Drive

R. T. Johnstone of Meadow lane has been named co-chairman of the 1954 Torch Drive and head of a new committee, the executive gifts promotion committee, which will have as its responsibility the increase of contributions from executives.

Johnstone was co-chairman of the 1953 Torch Drive, in charge of organization. A record-breaking \$13,535,000 was raised in that drive for 150 health and community services.

Formation of the new committee headed by Johnstone was announced by Don E. Ahrens, general campaign chairman for the 1954 Torch Drive, to be held Oct. 19 to Nov. 11.

Ahrens said that Johnstone's new committee will be made up of 15 top corporate executives. They will do soliciting but will present the Torch Drive story to executives of a few large corporations and discuss with them formulas for giving.

Johnstone is a vice-president of the United Foundation and served as a team captain and then a unit chairman before being named co-chairman a year ago.

"Johnstone's work in this new post is certain to equal the success he has enjoyed in other positions," Ahrens said, in announcing Johnstone's appointment to head the new committee.

The combined Grosse Pointes and Harper Woods played host last Wednesday to the heads of four other Michigan municipalities as part of the observance of Michigan Week, Wednesday was "Exchange of Mayors Day."

Thirty-four attended the luncheon. The City of Grosse Pointe was represented by Clerk Norbert Neff and Councilman Emeritus Chester Carpenter.

The Farms sent Mayor William Connolly, Councilman Richard Maxon, Clerk Harry Furtan and City Engineer Murray Smith.

Grosse Pointe Shores, in which the club is located, played host, with Trustee Robert Weber at the head of the table. Also present were trustee James Lafer and Village Superintendent Thomas Jefferis.

The Woods was represented by former Mayor Paul Rowe, Councilmen Rex Johnson and Kenneth McLeod, and Councilwoman Elsie Friedrich and Administrator Ray MacArthur.

Harper Woods sent Councilman and Mrs. H. J. Gorman and Councilman and Mrs. V. Van Holle, City Manager H. C. Seitz and Superintendent of Schools Joseph Gregory.

The Grosse Pointe Board of Education was represented by President Bert Wicking, Superintendent Dr. James Bushong and Library Director Robert Orr.

The honored guests included Mayor James Beresford of Bloomfield Hills, Clarence Otter, treasurer, and Don Graham, member of the Planning Commission of that city; Mayor William Bonek and Trustee Max Morey of Sutton's Bay; President and Mrs. Gus Williams of Dundee; and Mayor and Mrs. Rex Sirmine of St. John's.

Following the luncheon the visitors and their hosts toured the entire area in a cavalcade of police cars furnished by all of the local municipalities.

Measles Feature Health Report

Measles took the limelight in an April health report submitted by Grosse Pointe Health Commissioner Dr. Thomas Davies.

The report revealed that 426 cases of measles were made known in the Grosse Pointe-Harper Woods area. The Woods and Harper Woods tied in the number of cases, each disclosing 142; Farms revealed 98; City, 34; and the Park, 10. The Shores had none.

Chicken pox numbered only 75. Thirty-two were in the Woods; 18 in Harper Woods; 15 in the Farms; six in the City; three in the Shores; one in the Park.

Mumps cases totaled 34, with the Woods reporting 15; Harper Woods, 10; City, five; Farms, three; and Park, one. The Shores was clear.

The City reported the only case of German measles and the only case of polio.

Harper Woods reported two cases of rheumatic fever, the only community to disclose this disease. It also reported the only three cases of whooping cough during the month.

Scarlet fever cases came to six; three from the Woods; two from Harper Woods; and one from the Park.

Animal bites for the month of April was given at 35, of which 14 came from the Farms. Harper Woods reported the second largest number, 12. Four were made known by the Woods; three by the City and two by the Park.

Dr. Davies stated that measles cases reached a peak in mid-April and have since been declining.

To Judge Rose Gardens June 10

The Grosse Pointe Memorial Garden Committee is sponsoring a competition of roses. It will be judged in two classes. Class A: fewer than 50 rose plants; Class B: more than 50 rose plants.

Each class will be judged on the basis (1) roses grown with the aid of professional help; and (2) without professional help.

Entry blanks may be obtained in the Garden Center of the War Memorial and must be returned to Mrs. F. H. Curtis, 1122 Yorkshire road, Grosse Pointe 30, not later than June 10. Judging will take place on June 12.

Only Grosse Pointe residents are eligible for the competition. First prize in each class will be three rose plants, the winner to make his own selection at Hall's Nursery.

Naturally building a reputation is a hard job, but at least it saves the trouble of thinking up excuses.

College Honors Go to Pointers

Have You Done Your Part?

For some unexplainable reason, the annual Family Participation Drive for funds being conducted by the Grosse Pointe War Memorial Association has slowed down considerably after getting off to a healthy start.

The campaign officially ends on Memorial Day and at last reports, some \$16,300 is still needed to meet the quota of \$30,000 to make up the annual budget deficiency.

One encouraging feature of this year's drive is the report that of the gifts received so far, 20 per cent have been from residents who have never donated previously. In previous years it has been discouragingly true that a very small proportion of the community's population has been supporting the Center.

One important aim of the annual drives is to get more people interested in the Center to the extent of lending their support. The program offered is so varied that there are activities for every age group and it is the hope that ultimately every family in the Pointe will join the list which donates annually.

Last year there were some 2100 contributors, and it was expected that this year at least another thousand new givers would be added to the list. This expectation may of course still be realized, but there will have to be a lot of action on the part of those who have not yet mailed in their gifts.

The slowness of the response also increases the cost of carrying on such a campaign. It is necessary to send out additional reminders and appeals to those not yet heard from. In a report submitted at the April 12 meeting of the directors of the association, it was disclosed that campaign expenses for the first eight months of the fiscal year totaled \$3,333.

It should not be that expensive to carry on a campaign of this type. The Center has filled so many needs in the community that all residents should be aware of its importance. Everyone should be willing and eager to make some contribution, no matter how small. It should not be necessary to have to carry on a dunning campaign to get the amount needed.

A few wealthy families are now donating \$500 each, per year, to help maintain and operate this beautiful lakefront property which was given to all the people, for their use as a living memorial honoring the men and women who served in the armed forces during World War II. Lists are now being compiled to fill an additional bronze tablet with the names of those who served during the Korean War.

Aside from the significance of the memorial aspect, the Center has provided magnificent quarters which are open to all residents. Many organizations hold their regular meetings there, in addition to the myriad classes and larger events on the program, covering all phases of the educational, social, cultural and patriotic life of the Pointe community.

With more than 50,000 residents and some 12,000 families now living here, it should be a lead-pipe cinch to raise this \$30,000 which is so badly needed. If the majority of the residents gave but a dollar or two apiece the drive would be over the top in a hurry.

This year, for the first time, the business establishments of the Pointe have also been solicited for contributions. It is most fitting that this should be done. Many of these merchants benefit directly from the activities which are held there. The Center brings many non-residents into the community, and not a few of these patronize local businesses while they are here.

Let's all get behind this worthwhile project and get our donations in now. It would be a sad commentary on the Pointe if, when Memorial Day arrives and the traditional ceremonies are held at the Center, it could not be announced that this year's campaign has gone over the top.

Send your donation to the War Memorial Association, 32 Lake Shore road, Grosse Pointe 36. All donations are tax deductible.

Trombly P.T.A. To Honor Dads

Monday, May 17, will be Dad's Night at the Trombly School Parent Teachers Association meeting. Prior to the program meeting in the auditorium, members will be welcomed in the classrooms by the Room Fathers.

With special interest for fathers, the P.T.A. has arranged to show an Earl Brink film of timely nature. Mr. Brink, well known Detroit photographer and world traveler who has filmed his travels in 104 countries, was sent by our government to China and Japan and while there filmed highlights of these countries.

Robert M. Clark, who accompanied Mr. Brink on this trip, will narrate the film presentation. Following the auditorium program, Room Fathers and male members of the P.T.A. Executive Board will be hosts for the evening in serving refreshments to friends and guests.

Mrs. Suzanne McCray and Mrs. Albert Frost, social co-chairmen, together with room mothers Mrs. Woodward Warrick, Mrs. Lem Bowen, Mrs. Paul Dumke, Mrs. James Miller, Mrs. Willard Solenberger, and Mrs. Heywood

Knighon are planning the refreshments as a surprise treat that is sure to meet the male approval.

Since this is the last meeting of the year, parents and teachers wish to express their appreciation to the outgoing officers for their loyal and devoted work.

The association's deserved thanks go to Harold Marsh, president; Mrs. John McIlhargie, first vice president; Mrs. Anthony Collett, membership co-chairman; Mrs. Marlys Craig, second vice president; Mr. Howard Poppen, program chairman; Mrs. Delmar Hurd, recording secretary; Mrs. Hugo Horny, corresponding secretary; Dr. Harold Rezanka, treasurer; Mrs. Suzanne McCray and Mrs. Albert Frost, social co-chairmen; Mrs. Donald Hughes and Mrs. John Malcolm, ways and means co-chairmen; Oscar Marx and Mrs. Miles McKee, P.T.A. council representatives; Mrs. Albert Law, Mrs. Harold Finn, and Mrs. Edward Thomas, Grosse Pointe Mothers' Health Council representatives; and Mrs. Leigh Virgil and Mrs. Warren Kendall, Grosse Pointe Motion Picture Council representatives.

Second Symphony Concert Heard by Large Audience

By Robert Havksley
A large audience was surprised and overjoyed at hearing such splendid music played so well by their friends and neighbors on Sunday afternoon at the Charles A. Parcels School Auditorium. Wayne Dunlap, conductor, deserves much credit for continuing to develop this fine group of 60 musicians into the orchestra we have all hoped for and dreamed of for so long in this community.

Mr. Dunlap conducts with fine sensitivity and understanding. He is a musician of high caliber and uncompromising standards, ever encouraging and inspiring his players on toward his ultimate goal. His tempi were extremely well chosen, again demonstrating his fine taste.

The well-worn but ever-loved Suite from the "Water Music" by Handel was brought to life and interpreted with such charm and tenderness that the audience seemed to be transported into an intimate 18th Century atmosphere.

Setzer Starred
The main work of the afternoon was the Concerto No. 5 in E flat, the "Emperor", by Beethoven. Milton Setzer, one of Grosse Pointe's brilliant young pianists, played with an amazing amount of maturity. His Beethoven is straightforward and clean, as it must be, and dynamic without ever losing control.

Mr. Setzer began his studies at an early age with Rose Morris Saper, continuing later with Misha Kottler. He is now attending Wayne University where he is music critic for the University paper, "The Collegian," and is director of the Wayne University radio station, WDET, an FM station.

Heard Toy Symphony
Following the intermission, a little galaxy of stars, seven, fifth and sixth grade students of Gabriel Richard Schol, were heard as guest soloists with the Symphony, playing the Toy Symphony by Haydn. They were taught admirably by Miss Patricia Arenz.

Their own pride and enthusiasm was topped only by that of their parents and friends. Their precision was accurate even down to their formal bows.

The young musicians were Carole Kenn, David Gnan, George Thorne, Richard Burger, Carolyn Krebs, Beverly Scales, and Susan Hallenbeck playing the nightingale, cuckoo, drum, trumpet, rattle, triangle, and quale respectively.

Dances End Program
The Suite from "Pelleas and Melisande" by Faure was played with warmth and sensitivity. The flute and harp were colorful and effective. Completing the pro-

gram were three dances from "The Bartered Bride" by Smetana. These lively little numbers were a fitting close to a most enjoyable, well-planned and executed concert. We are grateful to all the members of the orchestra whose devotion and diligent practice have made these concerts so successful.

A pleasant reception was given for the orchestra and audience in the gymnasium by the wives of the orchestra members with Mrs. Don Nigro acting as chairman. These kind ladies also provided refreshments for the orchestra following each rehearsal, a service adding much to the pleasure of playing.

Members, Patrons Needed
A real opportunity is offered to have a vital and integral part in fostering a fine cultural activity which exists to serve the people of Grosse Pointe. The expenses of the Symphony are not tremendous, but ticket sales are not adequate to defray them. Those who can help but a little may become active supporting members and those who can do more may become patrons. For information, call Mrs. David M. Sutter, TUxedo 5-4159.

After witnessing such an outstanding development in their first two concerts, we can look forward to their next season with great anticipation.

Pvt. Wilson to Take Part in Operation Hill Top

FORT LEWIS, WASH.—Army Pvt. John R. Wilson, 24, son of Lawrence H. Wilson, 840 Rivard boulevard, Grosse Pointe, Mich., will move to the Yakima (Wash.) Firing Center in May when the 44th Infantry Division participates in Exercise Hill Top.

Private Wilson is a troop information and education specialist in the division's 130th Infantry Regiment stationed at Fort Lewis, Wash. A 1953 graduate of Cleveland Institute of Art, he entered the Army in August of that year.

To the Editor:
I would like to compliment you on your editorial in the Thursday, April 29th, issue of the Grosse Pointe News entitled "Fewer Stops Mean Less Speed." I think your analysis and comments are both timely and constructive.

As Chairman of the Planning Commission of the City of Grosse Pointe Park, I share with you your opinion. We have had all of the experiences to which you have referred.

With kindest regards,
Cordially yours,
Harold S. Ellington

What Goes On at Your Library

By Jean Taylor

Birthdays are traditionally happy occasions and we are looking forward to a gala celebration next Saturday when the Grosse Pointe Public Library will commemorate its twenty-fifth anniversary.

The Friends of the Grosse Pointe Library have planned for their annual meeting, a Birthday dinner, to which everyone in the community is invited. Dr. Samuel M. Brownell, United States Commissioner of Education, will be the speaker.

It was in June of 1929 that the Grosse Pointe Public Library was established as a division of the Board of Education. Dr. Brownell was Superintendent of the Grosse Pointe Schools at that time and from its inception was a staunch friend and supporter of the public library.

Grosse Pointers have followed with pride and interest his activities in the field of education from the time he left Grosse Pointe to become Professor of Educational Administration at Yale to the recent appointment which honors him as a nationally recognized figure.

We are fortunate in securing as a speaker one who is so vitally aware of today's educational trends and needs and so well equipped to discuss this subject. We are fortunate also in having this opportunity to welcome again to Grosse Pointe a friend of long standing.

We remember with warmth three of our early library users, Mrs. Brownell, Dorothy and Richard who combed the little children's corner of the old Village Branch for books to please all three.

We are proud of the fact that the public library of Grosse Pointe has shown a steady growth since those far away days.

Physically speaking we have progressed a great deal. In 1929 we were housed in the basement of the Park Municipal Building and the small cottage, now the Thrift Shop, next to the Neighborhood Club. Today we boast of the beautiful new Central building made possible by Mr. Dexter M. Ferry, Jr. and the late Murray W. Sales, as well as of two well-equipped modern branches in the Park and the Woods.

In 1929-1930 Grosse Pointe Library borrowers numbered 4,071. The circulation was 73,242. Today there are 16,457 library users and the annual circulation is some 270,000.

Mere statistics never tell the complete story. A library is no stronger than its users and we

are always mindful of the fact that any growth is directly or indirectly the result of the interest and loyalty of the people who support it.

Special credit for promoting such loyalty and interest goes to the Friends of Grosse Pointe Public Library. This organization has worked untiringly to develop the library's program, to study its needs and its problems and in turn to interpret these to the community at large.

No backward glance at the library beginnings would be complete without a bow to Florence Severs who was at the helm when the ship was launched. Mr. Robert M. Orr, our present captain, is guiding it each year into larger waters and we look forward to continued growth for another twenty-five years.

We are off for an early vacation this year and this column will be in the capable hands of other members of the library staff until the latter part of June. It will be discontinued through July and August but look for us in the same place the Thursday of Labor Day week. And right here, our thanks to the Grosse Pointe News staff for the excellent cooperation and coverage of library doings. A happy summer to you all.

When money talks it is hardly ever interrupted.

Bone Fractures And Dislocations

By Fred Kopp, R. Ph.

In the spring and summer when there is more outdoor activity fractures and dislocations happen frequently. These injuries are usually very painful and until the doctor arrives the patient should not be moved unless a splint is first applied.

Swellings usually occur in this type of injury. If hot or cold cloths are applied immediately the swelling can be limited considerably.

Even if the fracture or dislocation seems slight consult a doctor at once, you can lose partial use of limbs if they are not set properly.

Let a conscientious pharmacist supply your drug needs.

Fashion Prevue To Benefit S.A.

The Walton-Pierce Company of Grosse Pointe will present a glamorous prevue of summer fashions at the benefit tea which the auxiliary to the Salvation Army is holding the afternoon of Thursday, May 20, at "Meadow Brook Hall", the Rochester home of Mrs. Alfred G. Wilson.

Thirty top-flight models will parade in an unusually varied group of fashions for every hour of the summer day and evening. Many of the outfits are arriving by train and plane from New York this week. Still others, those made-to-order originals for which Walton-Pierce is renowned, are being rushed to completion in the custom workrooms of the shop.

The array of cottons to be shown will run the gamut from town suits to those lingerie-lovely picture-book dresses so important this year. For casual lying, bathing suits, sundresses, south seas prints and patio dresses will be modeled.

Included, too, will be shantung, linens, taffetas, sheers worthy of an afternoon wedding. All phases of the after-five fashion picture will be represented, everything from cocktail dresses to the June ball gown. Sizes for misses, juniors, women and half sizes will be shown.

Mrs. Charles W. Wing is president of the auxiliary to the Salvation Army and Mrs. Fred G. Cutler is general chairman of the event.

Grosse Pointers active on the committee include Mrs. Burt Weyhing of Grand Marais, Mrs. Gordon Bennett of Ridgement, Mrs. George T. Hunter of Berkshire, and Mrs. George W. Cragg of Somerset.

The list of patronesses includes the following Pointers: Mrs. Howard P. Marshall, Mrs. Fred B. Murphy, Mrs. Burt Weyhing, Mrs. George T. Hunter, Mrs. George Fenkell.

A limited number of tickets for the fashion show and tea, scheduled for 2 o'clock in the afternoon, are now available at the Walton-Pierce Shop in the Village.

Auxiliary Planning Tea to Help Dominican Sisters of Sick Poor

Committee members met at the Detroit Boat Club to prepare for mailing 1500 invitations to the Auxiliary's Annual Spring Tea for the Dominican Sisters of the Sick Poor. The tea will take place in the beautiful new home and gardens of the J. William Lavignes in North Renaud road, on Tuesday, May 18, from 2 to 6 o'clock.

The Auxiliary's new president, Mrs. Jerry T. Flanigan, has appointed Mrs. Frank J. Weston chairman and co-chairmen are Mrs. Nelson W. Diebel and Mrs. Elmer J. Gagnier.

Proceeds from the Auxiliary's various activities provide the sister-nurses with funds to carry on their work with the poor of all races and creeds, who are in need of professional nursing care. Voluntary donations are their only source of revenue for providing bedside care of patients

in their own homes. Frequently the sisters supply their patients with medications such as penicillin or help them maintain prescribed diets.

Among the various committee chairmen are Mrs. L. Verne Ansel, invitations; Mrs. Henry W. Jones and Mrs. Frank A. Meir, reception; Mrs. Raymond J. Peters and Mrs. A. P. Read, finance; Misses Josephine and Margaret Fortener, registration; refreshments, Mrs. John M. VanLoon; and Mrs. Jos. F. Nagel.

Misses Margaret Bradford, Jane Doughty and Dorothy Meyers are extending invitations to pour to Mrs. Michael J. Kearns, Mrs. Alfred J. Fisher, Mrs. George Zimmermann, Mrs. Cyril J. Burke, Mrs. William C. Markley, Mrs. Frank C. Kramer, Mrs. Daniel C. Fisher and Mrs. Stephen Bartush.

Chapin-Higbie Wedding Notes: In Sunday's wee hours . . . Sammy Chapin took over the controls of a private plane to fly her new brother-in-law and sister, the Hugo S. Higbies . . . to Chicago on the first lap of their Honolulu wedding trip . . . The blustery weather of the former Marian Chapin's wedding day was forgotten completely by the fashionable and large guest list . . . The reception, at the home of Mrs. Roy D. Chapin, lasted till late, late . . . Among the out of town guests was one paying a very sentimental visit: Jules Glenzer of New York, who was best man at the wedding of the bride's mother and father . . . Sammy Chapin caught her sister's bridal bouquet . . . The wedding cake was heart-shaped in three graduated tiers topped by beautiful bridal posies . . . and reception guests strolled to the recreation room of the Chapin's Lake Shore mansion to behold the dazzle of the wedding gifts displayed on white satin covered tables . . .

Travellers Home

Jack Navin and Bob Burckhalter no sooner were back on American soil than their friends, the R. Alex Wrigleys, of Bishop road, planned cocktails and a supper party honoring them . . . Their European travels (and antique-ing stint) were all the more fun because of their many friends living on the continent . . . In Paris, for instance, Jack kept busy renewing Parisian friendships—couples he hadn't seen since the war . . . In Florence, they visited his cousin, Mrs. Henry Spaulding (Natalie Burke of Detroit) . . . and saw the Count and Countess Piccolomini (the Countess' brother and sister-in-law, the Ferdinand Cinnellis live in the Pointe) . . .

Sign of the Bear

When the Pointers arrived in Rome, they placed themselves in the hands of your friend, Mary Grace "Sis" Donnelly, who works at our Embassy . . . They pay high tribute to Sis and her knowledge of her adopted city . . . At a quaint and lush establishment called, "The Sign of the Bear" they first heard the Italian popular song which has swept not only Europe but also has sold out its recordings in New York, Anima e Cuore (Soul and Heart) . . . The Sign of the Bear takes up its own building, which is not large but very highly styled. On the first floor, aperitifs are served. At dinner time, soigne Romans move to a second floor, done in deep burgundy and stark white and lighted by Venetian crystal chandeliers . . . after dinner and dancing . . . the evening continues on a third floor in cabaret fashion with wonderful music and a really smooth show . . . Sounds like a good address for Pointers who will do Italy this season . . .

Speaks Vows at Fashionable Ceremony Held in Christ Church, Grosse Pointe; Mrs. Roy D. Chapin Entertains at Reception in Lake Shore Road Home

Marian Chapin, daughter of Mrs. Roy Dikeman Chapin of Lake Shore road and the late Mr. Chapin, one of Michigan's motor pioneers and Secretary of Commerce in the cabinet of Herbert Hoover, became the bride of Hugo Scherer Higbie at a ceremony Saturday afternoon in Christ Church, Grosse Pointe.

Officiating at the ceremony were the Right Rev. Richard S. Emrich, Bishop of the Diocese of Michigan, assisted by the Rev. Mr. Erville B. Maynard, pastor of Christ Church.

Following the church ceremony, Mrs. Chapin entertained the wedding guests at a reception in her home.

For her wedding, Marian was gowned in ivory silk taffeta, fashioned with cap sleeves and fitted bodice. Rose point lace finished the deep, round neckline of the gown and was used at the sleeves. A voluminous skirt was arranged in bustle effect at the back and swept into a full train.

Her rose point lace cap, exquisite in its simplicity, held the billowing veil of French illusion tulle.

The bride carried a bouquet of gardenias.

Mrs. William E. Hutton of Westbury, Long Island was matron of honor and Sally (Sammy) Chapin served as her sister's maid of honor.

Their gowns set the mode for six bridesmaids. All wore waltz length pale blue silk shantung with molded bodices and full skirts. Tailored bows of matching gros grain ribbon were worn on their heads and they carried cascade arrangements of brilliant anemones.

Bridesmaids were Mrs. William W. Boeschstein, Mrs. Bradshaw C. McKee, Mrs. H. Hudson Mead, all of Grosse Pointe.

Visitors Honor 45 Volunteers

Mrs. Thomas B. McDonald, 1380 Lakepointe, was among 45 volunteers honored at the fourteenth annual meeting of Friendly Visitors Wednesday, May 5, in Ledyard Hall, Christ Church.

Mrs. McDonald received special recognition for five years' service to Detroit's older citizens, with whom she and other Friendly Visitors work on a voluntary basis.

Speakers were Edward T. Gushce, president, of United Community Services of Metropolitan Detroit, and Walter Crow, chairman, Metropolitan Detroit Committee on Aging.

Mr. Crow "credited" Friendly Visitors with helping organize the Committee on Aging. In bringing them up to date on the committee's progress, he said:

"We have enlisted 50 persons from the medical field, education, business, unions, public utilities, churches, civic organizations and government."

He said the committee has been divided into four sub-committees to function as follows:

- 1—Seek information regarding the needs of older persons in the community.
- 2—Determine how the needs can be met.
- 3—Consider the need for housing.
4. Look into the need for employment.

A play, "The Room Upstairs," which depicts problems of the aging, was presented following Mr. Crow's talk.

Friendly Visiting is a program sponsored by United Community Services for the aged in Detroit's institutions and homes.

Appoint Watson Defense Warden

The City has taken another step in its attempt to be the first community in the Grosse Pointe-Harper Woods Civil Defense area to complete its civil defense program, by appointing Harrison T. Watson of 467 Lincoln road, an attorney, chief air raid and disaster warden.

The recent appointment was made known by Grosse Pointe City Clerk Norbert Jeff, who also stated that Watson has already tackled the job and is selecting his deputies and area wardens.

Once his staff is built, Watson will call a meeting to further discuss defense and disaster plans. Mr. Neff said that he expects other citizens to volunteer and further the program.

Parking Fines Made Rougher

Park Judge C. Joseph Belanger announced a new and sterner policy, regarding parking violations, which become effective May 1.

Henceforth, a fine of \$5 will be imposed for double parking; parking in prohibited zones will cost \$4; and where there are meter or limited parking violations, the fine will be \$2.

If paid before court date, the fine for double parking will be \$3; that for prohibited parking will cost \$2; and meter and limited parking will cost only \$1.

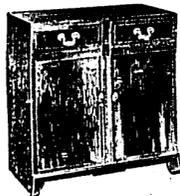

Two can live more cheaply than one—and with living costs what they are today, a lot more cheaply.

Some people wouldn't have to live in such cramped quarters if they weren't all wrapped up in themselves.

It pays to keep an eye on the future—but some folks plan so far ahead the future is gone by the time they arrive.

The "Stranger" Everyone Knows!

The big car eases out from the boulevard and comes to a soft, silent stop. A man steps out from behind the wheel and heads for his destination.

The license plate reveals him to be a person from another state—a "stranger," so to speak.

But the golden crest on the hood of his motor car tells everyone something about him. For it is the famous crest of Cadillac—and no man is wholly a stranger, wherever he might be, when he drives this distinguished car.

Any owner can tell you, out of his own personal experience, that a Cadillac is a

virtual "letter of introduction" for the man who sits at its wheel.

He becomes, in a sense, the "stranger" everyone knows—a member of the most distinguished motoring fraternity in all the world.

This priceless aspect of Cadillac ownership is but one of the many rewards which come to the owners of Cadillac cars.

In fact, it might even be considered an extra dividend—for it comes in addition to the car's great and distinguishing beauty... its brilliant and inspiring performance... its magnificent comfort and luxury... and its remarkable economy of operation.

As a matter of fact, it would be a formidable task to recite even a basic portion of Cadillac's cardinal virtues for 1954—for the car is superlative in every respect and has been markedly advanced in every phase of appearance and operation.

Of course, it would take only an hour on the highway to understand what it all means in terms of pleasure and satisfaction—and what's why we suggest that you come in and see us—soon.

There is, literally, no motoring experience to match a demonstration drive in a 1954 Cadillac. It is both a thrill and an education.

Why not make it today?

Mothers' Club Party Set for Tomorrow

Tomorrow, Friday, May 14, the scholarly air of the Grosse Pointe High School will give way to the gay accents of Paris in the Spring. It will be the annual Spring Bridge and Tea Benefit given by the Mothers' Club to raise money for the Scholarship Fund. The party begins at 1 p.m. and tea will be served in the cafeteria after 2:30.

Many attractive prizes have been donated by the local merchants. Mrs. George W. Hoffman is prize chairman, assisted by Mrs. Lyman Moody.

Mackinaw Candy has always been a popular item at the party. Mrs. Hans Walgenbach is chairman of the candy sales. The following women are on her committee:

Mrs. Robert Winter, Mrs. Edward Pongracz, and Mrs. Frederick Reinstein. For those who do not wish to interrupt their card playing, Alpha Teens will circulate among the tables selling candy.

In order to adequately serve the hundreds of women who will be at the party, Mrs. Paul Moreland, tea chairman, has had to enlist a large corps of volunteers. Among the women who will assist Mrs. Moreland are: Mrs. Miles McKee, Mrs. Marvin Ortwein, Mrs. Martin Hutchinson, Mrs. Stanley L. Smith, Mrs. Clarence Maguire, Mrs. Frank Lister, Mrs. Calvin Sutton, Mrs. Ben Cooper, Mrs. Vincent Leach, Mrs. L. E. Allen, Mrs. Donald Waite and Mrs. Earle Zuehlke.

Plan Luncheon At Boat Club

"Symphony of Spring" is the theme for the Women's Bridge Luncheon on Wednesday, May 19, at the Detroit Boat Club.

The decorations on the large oval table in the lobby will depict a spring scene with elves, flowers, small animals, trees and musical notes.

The individual luncheon tables will be decorated with musical notes in arrangements of spring flowers.

Mrs. William G. Buchinger is chairman of this party. She will be assisted by Mrs. Audrey O. Brown, Mrs. William J. Pinkerton, Mrs. Wesley R. Small and Mrs. W. Edward Wilson.

Voters' League Units to Meet

"Your League in Action on a National Level" will be the subject of discussion at the May unit meetings of the League of Women Voters.

Mrs. Edgar Hahn, newly elected president, and Mrs. Donald Jennings, program chairman, will relate their experiences as delegates to the national convention in Denver April 25-30.

They will give first-hand accounts of proceedings in organizing and developing a national program and will illustrate how the work of the local League is integrated to become a vital part of the whole program.

Members and guests are invited to attend any of the following meetings:

MICHIGAN BANKS

Blue Cross - Blue Shield

Blue Cross - Blue Shield gained 238,174 new members in 1953 . . . now cover over 3,000,000 in Michigan.

Largest medical bill payment ever made for Michigan people!

Blue Cross - Blue Shield pay out more dollars for hospital and doctor care, provide worry-free protection for more people in Michigan than all other kinds of medical bill protection combined.

Your Michigan Blue Cross - Blue Shield paid out \$91,299,797 for subscribers in 1953. As of today the total paid out for hospital and doctor bills during the last 15 years is more than \$400 million.

The most successful protection against hospital bills

Blue Cross is the most successful idea ever devised for protection against hospital bills. Non-profit, it is the only organization for hospital care officially approved by the American Hospital Association. Over 3,000,000 Michigan people have Blue Cross. Chances are, your neighbor has it. Talk it over with him—and see if he doesn't agree that there is no finer protection at any price!

Hospital Service Protection . . . the Blue Cross way

Blue Cross differs from other kinds of hospital protection, because it supplies service protection. This is important since you rarely know in advance how much a hospital bill will cost you. So you can't feel really safe with protection that limits you to \$10, \$15 or some other set amount per day.

When you become a member of a Blue Cross Group it is like becoming the "owner" of a wide range of hospital services in advance of need. Then, when you need hospital services . . . such as bed and board, expensive extra like oxygen, drugs and medicines, operating room, and others . . . these

services are automatically yours. And this same protection holds for every enrolled member in your family. Blue Cross hospital service benefits are available in more than 200 Blue Cross participating hospitals in Michigan alone.

Doctor Bill Protection . . . the Blue Shield way

Paying doctor bills is different from paying hospital bills, because in almost every case, your doctor can tell you beforehand what his charge will be. The thing he can't tell you, however, is when you are going to need his services. So, against that need, Blue Shield offers a smart way to safeguard your savings . . . to take doctor bills in your stride.

Blue Shield offers two basic plans—one, a straight surgical plan, the other, a medical-surgical plan. Under either plan, Blue Shield pays generous, specific amounts directly to your doctor for thousands of surgical procedures, including maternity care. And in non-surgical cases, under the medical-surgical plan, Blue Shield also pays liberal amounts for your doctor's visits to you in the hospital. Often the doctor's full bill is covered.

The cost is low

For only pennies per day, Blue Cross - Blue Shield provide you with the most complete protection against hospital and medical bills it is possible to obtain. To help keep cost low, Blue Cross - Blue Shield do not pay for purely diagnostic treatment—or for procedures which can properly be done in a doctor's office . . . except emergency treatment as covered in the contracts. You, too, can help keep cost low by using Blue Cross - Blue Shield only when necessary.

There's no red tape!

When you have to use Blue Cross - Blue Shield, there are no claims to make . . . no long waits for payment. All you do is present your Identification Card to your hospital or doctor . . . and Blue Cross - Blue Shield pay them directly.

How to get Blue Cross - Blue Shield

Ask your employer or your union representative how you can get low-cost Group Enrollment. A company with as few as 5 employees may qualify as a group. Check your Farm Bureau or Grange. Write or phone your nearest Blue Cross-Blue Shield office.

Amazing Blue Devil Nine Still Keeps Perfect Record

Grosse Pointe Blue Devil baseball fans are singing "Happy Days Are Here Again" and doing so in a dazed manner after the way Coach Ed Wernet's baseball team has swept through its first four Border Cities League games with a perfect record in as many starts.

Currently, the Devils are riding at the top of the heap. Local fans are visualizing the pennant raising ceremonies that could take place if the Devils continue their hot pace for the balance of the season and take the league title. This is something that has never been realized since the Pointers have completed in the Border Cities Baseball League.

Has Developed Contender
In his second year at the helm of the Blue Devils' baseball fortunes, Coach Ed Wernet has developed a serious contender just as he has done for football at the school on Fisher road.

The present team is a hustling bunch of lads who like to win and have the spirit of champions, which appears to be a trait of all Wernet-coached teams.

Coach Wernet isn't quite as optimistic as the local fans about copping the League bunting. He is quick to point out that where the weather has worked for the Blue Devils' advantage so far, it could very well be the Pointers' undoing in the fading weeks of the season.

Unseasonal weather has allowed Wernet to use his top pitcher Bob Sealy in all but one of the four games played to date, but with the canceled games jamming the next few weeks of the schedule it will be impossible for Sealy to take the hill in all of them.

Up to Pitchers
This predicament places the Devils' fortunes squarely on the shoulders of the reserve hurlers

Ken Steil, Bill Ross and Art Wible.

The Pointers' most recent victory came over Monroe on the Trojans' home diamond, when Bob Sealy scattered 7 hits while his teammates were carving out a 6 to 1 victory. Sealy struck out 5 and walked one.

Dow Gets Triple
The Pointers collected two more runs in the third inning when Dow opened with a triple. Mocerri was safe when the shortstop bobbled his grounder, on which Dow scored. Sealy grounded out and Christo singled scoring Mocerri. Ellis and Eugenio struck out to end the rally.

The Devils scored twice more in the fourth inning and polished off a workmanlike job with their final run in the sixth.

To date all five of the other Border Cities League teams have lost two ball games except Highland Park which has lost one and played a tie with Fordson. The tie game will not be played off unless it has some bearing on the final league standings.

D.U.S. Students Buy Food for St. Peter's Home for Boys

St. Peter's Home for Boys will receive one hundred dollars worth of food with money earned by the 23 active members of Omega Eta Tau Fraternity who attend Detroit University School. An annual event, the members sell Christmas Wreaths to raise money for the purchase. This year they are able, with extra contributions, to give sports equipment to the boys as well. Shown buying canned food are: left to right, TONY BARR, fraternity treasurer; and JACK HOEY, president, from FRED HERSCHELMAN, A & P manager in the Village, who also made a contribution.

Little Leaguers Get Good News

In a move which bids fair to gladden the hearts of everyone of the 300 Grosse Pointe Woods Little Leaguers, the league governors announced Monday night their intention of placing on a ball team every one of the boys presently trying out for team selection.

"If necessary, we'll form more teams, or at least try our best to do so," said Marvin R. Boutin, president of the League. At the present time the League consists of 12 teams, four in the "America" group and eight in the "Internationals".

The International teams will be known as the Athletics, Bisons, Chiefs, Cubans, Maple Leafs, Red Wings, Royals, and Virginians.

That Grosse Pointe Woods stands squarely behind its Little League was evidenced at Monday night's council meeting (May 3), which saw Mayor Waid McKnight and council members take steps to allot all the funds necessary for completion of the Little League playing field at Ghesquiere Park.

A humorous note was injected into the council meeting when President Boutin's plea for return of the sketch of the proposed Woods Little League stadium failed to disclose its whereabouts.

Apparently someone liked the sketch so well they've used it to beautify their home. However, President Boutin would like it returned... no questions asked.

Boat Banter

By Fred Runnells

With the first regatta just 18 days away, the windwagon boys are beginning to wonder if the weather is going to break long enough for them to get their yachts ready to answer Detroit Yacht Club race chairman Art Summerlee's starting gun on May 31.

Already the local tars are about two weeks behind schedule as compared to last year at this time and a good share of the boats are still on the ways in yards along the river front.

Only the little boat boys, those guys who take their ships home with them and work on them in the comparative warmth of a garage, are ready and waiting.

Only the more hardy of this breed have placed their boats in the water.

Guys like Warren Jones, 1953 Presidents Cup winner, Wes Weidrick 1953 Lightning River Champion and Bill Miller, winner of nothing, but a good competitor, have been sailing already to tune their crafts up for the DYC Memorial Day regatta.

Incidentally, this will not be sailed on Memorial Day but the day after. This was Art Summerlee's forethought that gave the sailors an extra day to get their boats ready.

The St. Clair Yachtsmen are getting ready for their club racing, which is due to get underway on Saturday, May 22, and will be preceded by a Fitting Out Party at the new club on Saturday, May 15, according to past commodore Dick Branding.

The Detroit Raven fleet, headed by Boyd Benkert, will get their Spring three race series underway on Saturday, May 22, with two races and hold the final on following day off of Bayview Y. C.

Incidentally, Boyd has his 24 foot sloop looking mighty sharp with her light blue topsides and blushing pink deck. Boyd says the local lads will have some out of town competition in Russ Luchtenberg of Buckeye Lake, Ohio and John Russell of Sandusky, Ohio, who have promised to trail their boats up for the event just to see how good the eight boat Detroit fleet is this year.

The Grosse Pointe Power Squadron will hold its annual Spring Dinner-Dance on Friday, May 14, according to entertainment chairman George Funk. He says the idea of the get-together is "designed to introduce new members and their wives to the social functions of the Squadron and to get acquainted with the old members." Where is it going to be held? At Grosse Pointe Yacht Club, naturally.

Johnny and Phyllis Detwiler have taken off for the East to pick up their new Bounty sloop. They will sail it back with the help of Bryant Bredin.

Members of the Port Huron Power Squadron came down Tuesday, May 4, and met with the Bayview Yacht Club race committee to discuss plans for the 1954 Port Huron-Mackinac race. In the quartet were Otto

Nicholes, commander of the PHPS, Irvin Falk, Sherman Lee and Sam Sullivan.

Sam tells us they are installing 400 more feet of steel spilling along the Black River where the Mackinac fleet ties up before the race. He says the facilities will be vastly improved over last year, which were a great improvement over 1952.

Actually, the PHPS guys are a hard working lot and without them Bayview would be hard pressed in running the annual classic. Not so long ago, before the PHPS got into the act, the fleet used to anchor in the St. Clair river in front of the St. Clair Inn. But then the people at St. Clair Inn thought the sailors got too boisterous and didn't invite them back.

That's when Port Huron invited the lads to use the Black River and their town prior to the race. In those first few years that the fleet tied up in the Black River there was something to be desired. It was like docking your boat in a sewer. But all that has been changed, thanks to the Port Huron Power Squadron and its insistence that the Black River be classed as a harbor of refuge which enabled the town to get funds from the Michigan Waterway Commission to improve the harbor facilities. That's where some of our annual boat tax is going and personally I like it.

The townspeople like to have the Mackinac fleet there too, for it gives the town a chance to stage a three day celebration called the Blue Water Festival.

Sam Sullivan informed us the paper mill that used to dump acid into the Black River has halted this procedure and the water is a lot cleaner now and won't damage those slick painted bottoms the crews work so hard on to get in shape for the race.

You have often heard it said "There will always be an England." Well, so will there always be a Bayview-Port Huron-Mackinac race—that is as long as men go down to the sea in ships.

We believe the best statement we have heard about this terrible weather was made by Bill Nagel as he watched the boys trying to get some paint on their boats during a rain storm recently. Said Nagel, "We're a stupid lot, we should change our hobby. You never saw a golfer go out and cut the greens before he played a game did you?"

Wednesday, May 19, is going to be a big night at the Detroit Boat Club when the sailors get together with Commodore Bill Mullen, vice commodore Harold Waldo and rear commodore Rager Vanderkar at the annual spring dinner.

The dinner will be highlighted with the showing of the 1953 Rochester race taken aboard Wendel Anderson's "Escapade".

Clarke Swart, number one boy aboard the "blue pig" in that race will narrate the film and be assisted by Bruce Tappan, DYRA rear commodore, and Bobby Roadstrum of Bayview Yacht Club.

There will also be a showing of Machinac race pictures that date back as far as to its beginning.

St. Paul Nine Loses Tough One to Nativity Ball Team

By Lynn Van Tiem

In the biting cold of an unseasonable 40 degree temperature, Coach Eddie Lauer's St. Paul Flyers dropped a heartbreaking decision to Nativity, 4 to 3, on Tuesday, May 4, for their first league loss of the season.

The Flyers' feeble attack, which netted four hits, a double by Teddy Monahan and singles by Karl Kiefer, Bob Wright and Bob Keller, produced the St. Paul runs.

Unearned Home Run
Nativity jumped into a one run lead in the first inning when Mattackione belted a screacher to the outfield. It took a bad bounce on the hard ground and rolled to the centerfield fence for a home run.

The Flyers bounced back in the top of the fifth inning with two runs on a single hit to take over the lead 2 to 1. Bejin led off with a base on balls and promptly stole second and scored from there on Kiefer's single.

Keller sacrificed Kiefer to second and Reid was safe at first on a fielder's choice when Nativity threw Kiefer out sliding into third. Ted Monahan walked and Reid stole third, from where he scored on a passed ball. Wernhoff ended the Flyer rally by striking out.

Grab Lead Again
Nativity once again took over the lead in its half of the fifth when they scored twice on two hits. Gillis singled, June singled

and Sly was safe on an error on which Gillis crossed the plate with the tying run. June tried to score on an infield grounder but was thrown out at the plate, Keller to Monahan. Mattackione was given an intentional pass. Schuld hit a sharp grounder, which sent Sly streaking for the plate from third. Sly was safe when the catcher dropped the ball. Schornak ended the inning flying to left.

Pitcher Bobby Wright almost won his own game when he singled in the sixth with two out and scored on a wild throw to first after he had stolen second, to tie up the game at 3 all.

Lahey Sees It Up
Nativity would not be denied and Lahey belted a home run to wrap up the game and put St. Paul on the short end of a 4 to 3 score for the first time this year.

The Flyers, having lost only one game in league play, are still rated one of the top favorites for the divisional bunting, but have such teams as St. Charles, St. Martin and St. Thomas, all tough opponents, standing in their path to league honors.

Wyandotte Coach Killed by Drunk

Border Cities League coaches were saddened at the news of the death of one of their close friends, Leonard Sweet, a coach at Wyandotte High School, last Sunday, May 9.

Sweet was returning from the football clinic held at Michigan State College, last Friday and Saturday, when the car in which he was riding was struck by 21-year-old Angelo Certo, of Lansing.

Police said Sweet suffered a skull injury, broken jaw and multiple cuts and abrasions which caused his untimely death.

Certo was sentenced to 30 days in the County jail after pleading guilty to a drunk driving charge.

Blue Devil Cindermen Take Beating from Royal Oak

Grosse Pointe's track team suffered its second setback of the season on Tuesday, May 4, when the Royal Oak Acorns ran wild in both the track and field events to score a lopsided 71 to 38 victory on its own track.

The Pointers' first loss was administered by Highland Park on the local track in which the Polar Bears barely squeaked past the Blue Devils, 55 to 54.

Some Consolation
The only consolation the Pointers had was the individual performances of Tom Demore, who remained unbeaten in the high and low hurdles, Armin Jocz and Mike Rauth's one-two finish in the 440, Johnny Wardle's victory in the mile and Keith Berry's victory in the pole vault. Demore was the only double winner of the meet.

The Acorns slammed the 220 with Ojero, Eckle and Rice breaking the tape in that order, slammed the broad jump with Sides, Brenager, and Forbes besting the best the Devils could field, and then captured both the 3/4 mile medley relay and the 880 relay.

Pick Up Places
Dave Whittingham and Denny McGinty finished second and third in the 880 behind Royal Oak's Stomard and Jerry DeGroff took second in the shot put, which was won by Bartz with a toss of 44 feet 7 inches.

Dick Spindle again tied for second place in the high jump event, which was won by Kerr with a leap of 5 feet 6 inches. Spindle and Ellington cleared 5 feet 5 inches but failed at the higher mark. Len Messner picked up a point in the 180 low hurdles when he finished third.

The Pointers will travel to Monroe next Saturday to defend

their Regional crown won last year. Although there are other schools rated a better chance to win the Monroe Regional, Blue Devil fans aren't selling their team short yet. After all they are still the champs until a new one is crowned.

Grosse Pointe High Netters Beat Monroe Second Time

Coach Bud Kurvink's Blue Devil tennis team is still rolling merrily along toward the Border Cities League title after turning back the Monroe Trojans 5 to 2 last Wednesday, May 5, on the Trojans' home court. This was exactly the same score the Pointers won by when they met the Trojans the first time on May 3 on the local courts.

Monroe coach Cleo Winchell tried a bit of strategy to turn the tables on the Pointers in the second meeting. He pulled his number two singles player, F. Hoffman out of the singles and placed him in the number two doubles match.

Hoffman teamed with Hayter to win the number two doubles from Tom Watson and King Patterson, 9-7 6-1, but the support-

ing cast faltered and the Trojans dropped the decision, 5-2. What Coach Winchell had hoped for was a victory in the singles and a sweep of the doubles for a 4 to 3 victory.

But Johnny Taylor and Bill Leonard (6-3; 9-7) in the number one doubles and Jim Lineberger and Bill Bryant (6-2; 6-4) upset the Trojan applicant.

As expected by the Trojans coach, Lidt won the number one singles (6-8; 6-2; 6-4) from Bill Connolly who put up a good fight.

Alex Stuart Wins
Alex Stuart beat Goets in the number two singles, 6-0; 6-0, and Bill Hotchkiss, one of the top Blue Devil players this season, turned back Boos in the number three singles 6-1; 6-0.

Jim Stark made it a sweep of the singles matches when he went three sets before downing Loop 6-1; 3-6; 6-2.

HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Speeder Nabbed After Wild Chase

Shores police apprehended a reckless driver well into Detroit on Sunday, May 9, after the driver evaded a Park police road block set up to stop him. According to Shores Police Chief Fred Duemling, Eugene Dunn, 24, of 3785 Holbrook, Detroit, was noticed by Shores patrolmen Jack Lietke and William Weiss, while he was traveling at too fast a speed, and they took off after him. The chase began at Vernier and Lake Shore roads, near the Village's municipal building, which also houses the Shores police station. The patrolmen reported that they pursued Dunn at speeds up to 80 miles an hour. They called ahead to the Park police, who placed a blockade at Maryland and E. Jefferson, but Dunn, still traveling at high speed, drove to one side and evaded the waiting police. The Shores policemen finally stopped Dunn at Dickerson and E. Jefferson in Detroit. Dunn will be tried before Shores Judge Victor DeBaek on with driving without a license Tuesday, May 25.

Young Hero Gets Award from President

PRESIDENT EISENHOWER took time from his busy schedule Friday (May 7) to present Grosse Pointer CHARLES E. WARD with the AAA Gold Life Saving Medal. Ward, son of Mrs. Betty C. Ward of 1224 Grayton road, won the medal for saving the lives of two school mates at Lewis E. Maire school. He was the guest of Automobile Club of Michigan on the trip to the Capital. Chuck also appeared on the Ed Sullivan "Toast of the Town" television show in New York City Sunday night.

Park Council Donates \$1000 To Promote Little League

Little League Baseball was given a boost in the Park, when the Park council, at its regular meeting on Monday, May 10, approved appropriation of \$1,000 towards improving a ball diamond and the purchase of baseball equipment. After studying the request of Little League officials, who sought city sanction and possible financial aid from the community, Park City Attorney Pierre Hefler, stated that according to the city's charter, public funds could not be donated outright, but funds could be used for such purposes if the council sees fit. However, he added, equipment purchased remains the exclusive property of the city. The Park can appropriate money from time to time to maintain and replace equipment as it wears out. The money voted Monday will be used to improve the baseball diamond at the Defer School and to purchase as many uniforms, bats, balls and so on, as possible. The council was informed that it would require at least \$2,300 to start the Little League in their community. The balance of the funds will be donated by civic-minded Park business men.

Found Guilty Of Boy's Death

Donald A. DeSloover, 24, of 21543 Bouremouth, Harper Woods, was found guilty of negligent homicide by Circuit Judge George B. Murphy on Thursday, May 6, in the death of a boy killed at Bournemouth and Raymond on December 12, 1953. The victim, Carmen Visconti, 16, of 19234 Eastburne, Harper Woods, was cycling when he was struck by a car driven by DeSloover. The boy was rushed to Saratoga Hospital with a fractured skull. He died a few hours later, never regaining consciousness. It was the first fatality for the Woods in 10 years. Judge Murphy referred DeSloover's case to the probation department before passing sentence.

who, where and whatnot

by uboozit

Mrs. David B. Moreing is a tried and true Pointer now . . . It's NEWS when she goes into downtown Detroit . . . Only the one man show of Mr. Moreing's stunning canvases could have coaxed her way down to the Women's City Club at lunchtime . . . Her luncheon guests the day the show opened (it continues all the month of May and this is a fine chance for us to admire the paintings since Mr. Moreing usually exhibits only in New York) included Mrs. William H. Hoey, Mrs. Jesse L. Woods and Mrs. Frederick H. Cole.

Incidentally, the Mornings' exquisite pink tulip trees were protected against last week's trying temperatures by hastily erected tents that completely enveloped them . . .

If there's a growing appreciation of art in Grosse Pointe perhaps it might be traced to the enchanting galleries on Kercheval avenue of Joseph deGrimme and to the art connoisseur himself. To prove our point there is the story of the afternoon, several years ago, when a spirited lad strolled into the galleries (on a dare from his comic book addicted buddies) to scoff at art. It was at least two hours later when he emerged from the galleries. During that time Mr. deGrimme had taken the young man firmly by the hand while he gave him biographical sketches of the great artists and caused him to stand in study before some of the fine canvases. Instead of suffering, the boy started to enjoy his privately conducted tour. He even envied some of his pals to go back another day and ask Mr. deGrimme for a lecture on art. From then on it became an enjoyable habit. And long ago, Mr. deGrimme received telephone calls from grateful mamas.

Talk of die-hard! Mrs. Harry Esling and Pat French, ardent golfers, played their game, a recent rainy afternoon at Lakepointe, complete with bathing caps to protect their hair-dos! . . .

PILFERINGS

For the first six years of his life, columnist Franklin P. Adams thought the name of our national anthem was "Osage Kansas City."

It happened at The Colony in New York. Dorothy Kilgallen was interviewing Michael Arlen. Miss Kilgallen protested that he hadn't written a novel for a long time.

Said Mr. Arlen, "You know those charming people I used to write about? I can't stand them anymore."

H. G. Wells spoke in Boston one evening and later attended a party at the home of the mayor. It wasn't until he had reached another city that he realized he had taken the mayor's hat by mistake. At first he was going to send it back but he liked the way he looked in it. So he sent this message, "Dear Mr. Mayor, I'm afraid I've got your hat. I like it so much that I propose to keep it. I shall long remember you, your madeira, and your fine, hospitable city. I take off your hat to you, sir. Sincerely, H. G. Wells."

A lady in Barker, Me., says Mr. B. Cerf, called up a relative in Miami to report a whooping blizzard in progress. "I'll mail you some snow in a letter," she proposed. "It will be gone long before it gets to Florida," the relative pointed out. "Don't be silly," said the lady. "Who'd be mean enough to steal a little snow out of an envelope?"

Pointer of Interest

MRS. BERRIEN EATON JR. OF ST. PAUL AVENUE

By Jane Schermerhorn

Have you ever noticed how they always hang preposterous nicknames on beautiful gals? There was once a belle fatale, . . . guess that's what you call them in Virginia . . . known as Bugs. The most ravishing debs have swept into society as Weezies, Buddas, Winkles, Slims, Beezies and Butches.

An then there's the Gussie Eaton or Mrs. Berrien Eaton Jr. Brunet, slender and elegant she suggests a Leslie, a Daphne, or a Sidney. But her best friends call this charmer Gussie.

Right now she's all involved doing what she refers to as "her first big job" for the Junior League. As co-chairman of the all important talent committee on the forthcoming Junior League Follies, she and co-chairman Mrs. Henry B. Kenzie planned the gay talent party held recently at the Little Club.

At that time many of the Leaguers and their husbands sang songs, enacted skits to try-out for the Follies. Mrs. Eaton turned in a neat performance as a singer. She had wanted to sing *Waltzing Matilda* but the musicians didn't have the music that night.

Australian Data It was especially appropriate that our Pointer of Interest should have chosen *Waltzing Matilda*, favorite of G.I.'s in Australia. She was born in Australia.

She has some pretty keen facts about that country right at her fingertips. Did you know, for instance, that Australia, geographically is the same size as the United States but that it's population equals that of New York? That two thirds of the world's wool comes from Australia?

As a child she lived on the sheep station her family owned in Northwest Queensland.

Sheep stations must be a thorn in the soul of Texans . . . they are so huge—rolling over thousands of acres.

Goes to War

Her boarding school days started when she was very young. For the long winters she was trundled off to Negs (New England Girls School), situated in a little town called Armidale in New South Wales.

A year before Australia entered the war, Mrs. Eaton left school to join her family which by that time had moved to Brisbane. Like most of her school friends, she turned to work that would help her country at war.

She entered Australian Army Engineer Intelligence as a civilian worker. That was the glamor job with its promise of seeing the world.

As a matter of fact she did get around a good deal. For ten months she worked with General MacArthur's staff in the Philippines. It was while she was so occupied that she renewed her acquaintance with Mr. Eaton, who was serving with the 1st Cavalry Division of the U.S. Army, 32nd Field Artillery.

They had first met through friends in Australia and then the war checkerboarded them about so that it was several months later this second meeting took place.

General MacArthur's staff sounds like very heady fare but Mrs. Eaton declares hers was the

most formal, bowing acquaintance with the picturesque general.

She kept her pretty nose glued to the maps she drew, work on spot reports, and the gathering and screening of information for the army.

At Home Here

In 1945, the young Australian girl boarded a freighter for the United States. She came to the Pointe to visit her fiancé's parents, and then on January 12, 1946 they were married in Chicago.

She fits so comfortably and attractively into the Grosse Pointe picture, it's difficult to think we won her from such a distance.

Now her days are filled with Theodore H. Eaton IV, a handsome and active young man of four.

You'll find her name high on the list of many of the city's organizations.

She has been a member of Sigma Gamma Association since January and formerly edited its Bulletin.

She is a member of the planning committee for the organization's fiftieth birthday being celebrated this year with festivities due to burst into full bloom just after her Junior League Follies dates are over.

She's a member of the Junior League of Detroit and as we've already mentioned, co-chairman of the Follies Talent Committee.

She has taken part in Red Cross and Torch Drive Fund drives and is a member of the board of directors of the Neighborhood Club in the Pointe.

A Follies Girl

Hobbies? Well, she really hasn't any unless it's board meetings. Eaton collects and hopes that Summer will settle down somehow, after this busy Spring, so she will be able to play a little tennis.

She's rehearsing three times a week for the Follies which are being held at the Cass Theater on June 2, 3, 4 and 5 which are being given to raise funds to carry on the League's work at its new Senior Center.

At this Center, located in Indian Village, a very older generation is finding, thanks to the Junior League, companionship and interests to brighten what heretofore were long and solemn hours.

Photographers To Hear Expert

The ambition of the average amateur photographer is to be able to take good pictures at their friends' wedding so Fred Heinrich, president of the Grosse Pointe Camera Club, has arranged to have L. A. Longshore appear at the club's meeting on Tuesday, May 18 and tell how it can be done.

Mr. Longshore has long been noted for his excellent work in the field of wedding photography and especially in and about the church. He promises to tell his trade secrets of his successful shots and will illustrate his talk with enlargements.

The speaker will also dwell on the best type of film, paper and development for best results.

The meeting will be held at the Neighborhood Club commencing at 8 o'clock. The interested public has been invited to attend.

Capt. Trombley Gets New Post

MITCHEL AIR FORCE BASE, N. Y.—Capt. Eugene R. Trombley, formerly of Cadieux road, Grosse Pointe, has been appointed director of Public Information of the Continental Air Command here.

A brother of Mrs. Marie Liston, Mrs. Adlene Werner and Mrs. Kathryn Dondero of Grosse Pointe, Trombley attended Eastern High School and the University of Detroit.

During World War II Trombley piloted B-17 Flying Fortresses and B-24 Liberators from bases at Kwajalein, Johnson Island and Guam. Toward the war's close he flew C-54's for the old Air Transport Command, now the Military Air Transport Service.

Following his Air Force discharge in 1946 he settled in Honolulu where he became Assistant Manager of the Royal Hawaiian Hotel. He was later with Pan American Airways Public Relations and Sales Office there.

An Air Reservist Trombley was recalled to active duty in Nov., 1950. Following service with the Military Air Transport Service's Reserve Section he was appointed Administrative Assistant to the Deputy Commander of NATS' Pacific Division at Hickam Air Force Base, Honolulu. He was assigned to Mitchel here early last year.

The Captain is married to the former Jean Kathryn Reiter, of San Francisco, whom he wed in the Royal Hawaiian Hotel in Honolulu. The Trombleys now reside at 16 Radnor Court in Hicksville, Long Island, N. Y. They have one daughter, Mrs. Jean Noel Mahoney, a language student at the University of Buffalo, N. Y.

The man of the hour learned early in life how to get the most out of every minute.

When it comes to Protection . . . it pays to have the BEST

Life rafts can be very handy at times—but there's no chance to get another if the one you have fails to float. Dependable insurance is like that, too. It's one thing you can't get when you need it most. After an accident or loss has occurred, it's too late to buy better insurance if the policy you have proves unsatisfactory. So don't gamble with "cheap" insurance. Buy only the BEST—and buy it today.

The New Yorker has been running a series of cartoons. They tell a story. It goes something like this. There is a man in one cartoon, he has three telephones . . . an efficient secretary . . . a shoe shine boy who polishes while the man works. Then there is a lady. She has two poodle dogs . . . two maids . . . twenty-three pairs of shoes . . . umpteen dresses. But that same man and woman have just ONE pair of glasses. After this series, we'll wager Johnston's Optical Co., on the hill, will interest monsieur et madame in more than one pair from now on, because they have such a gala collection.

The stuff on the push cart at The Dants this week is terrific. Here is a master merger of plums, raspberries . . . and straw. What we see are gay basket bags . . . the kind you'll wear now and on thru the good old summer time. You plunk down just two hundred and fifty pennies. The zaniest hat and bag combination in fine red straw runs a little more. The Dants, 88 Kercheval, on the hill.

Last Thursday a Grosse Pointer asked us, "Where, oh where, can we buy good-looking size 38 dresses?" We didn't know. But we didn't waste any time finding out. We visited Walton-Pierce. And the result was enlightening. The size 38 dress variety, for instance, revealed: silk prints with matching jackets (so right for graduations, teas, weddings, church affairs), smart dark dresses for town and prints of remarkable freshness . . . fashioned of Bemberg sheers . . . pastel linens. Each one was sparked with unusual decorative touches like cut-outs, heading, and embroidery. Cocktail dresses, dinner dresses and evening gowns (the latter two either short or floor length) were in evidence. At Walton-Pierce the size range is complete . . . 38 to 44 . . . 12 1/2 to 20 1/2. There are petite sizes for the shorter waisted figure. The reason for this is the fact that for more than a quarter of a century Walton-Pierce has had its finger on the pulse of women's fashion needs . . . and the buying staff makes a real effort to maintain a variety of youthful clothes in all sizes . . . EVERY season of the year. Walton-Pierce, Kercheval at the corner of St. Clair, Grosse Pointe, in the village.

Shhhh! They walk so softly . . . tread so lightly you'll never hear them coming. The sunny Mediterranean countries have inspired lots of fashions . . . and these Hi-Gal oxfords . . . with duck tops and rubber moulded soles are no exceptions. Drenched in color . . . they come in red, navy, blue denim and wheat. Other by the styles in wedgies are Naples and Bel Aire in soft cushioning . . . that will make you want to walk around the world. Clyde Hornung's, on the hill, 114 Kercheval.

"Somewhere Over the Rainbow" . . . that's wherever you take your vacation . . . smiles, laughter and lively action will be the order of the day. So will snapping pictures for your memory book. And you'll want to be organized. Maybe your camera needs a good going over . . . a cleaning. Maybe you want a new camera . . . but don't wait until you are packing your bags. The Camera Center, in the village, cleans and inspects cameras AND sells new ones.

If, this summer, you plan on riding the waves . . . or just strolling the beach . . . you might be interested in the fact that a Rose Marie Reid representative will be on hand this Friday to help you select the right type of bathing suit. These jewels of the sea are fashioned of Lastex . . . the miracle yarn that makes things fit . . . especially bathing suits. They have some models made of gay cotton prints . . . an attractive dressmaker type was white with brown piping . . . or white with navy piping. Piping emphasizes a trim neat figure. Some were shirred glamour sheaths . . . and all have built-in uplift bras and side boning. Prices range from ten ninety-five, to thirty-five dollars. Come in . . . the water's wonderful. But visit Jacobson's Sportswear Dept. . . main floor . . . first.

The next best thing to air-conditioning is a pair of Jamaica shorts . . . they're a wee bit shorter than Bermuda's . . . a bit longer than short ones. These are fashioned by Diva in tattersall checks. Red and black on white . . . toast and black on white . . . and blue and black on white. Then pick a frosty white sleeveless blouse in white piping . . . gay as a garden cotton or silk. Margaret Rice, 76 Kercheval, on the hill.

As good as a maid . . . well, almost, is an automatic skirt or blouse mistress. They practically hand your skirts to you. The gleaming chrome finished steel leaves no marks on the fabric . . . lets the skirts and blouse hang wrinkle free to save pressing bills. The blouse mistress hangs six skirts beautifully. This is your chance to give your closets some breathing space . . . to save wear and tear on your blouses . . . and skirts. Just the thought makes us want to dash madly and get one for every closet in the house. Jacobson's Home Decorative Shop, in the village. P.S. Forget to mention hat racks . . . trouser valets . . . master garment valets . . . shoe racks.

"Lookie, lookie, here comes cookie" . . . remember the song? The Looky's we saw this week reminded us of the tune. But Looky here means relief for tired eyes. They're easy to use. Simply dip Looky's in warm water. Press out excess moisture. Place on eyes for ten or fifteen minutes. Just watch wrinkles and pouchiness diminish. This is a formula of imported Camomille rose petals and boric acid. It brings back their natural sparkle. And Looky's can be used several times over with maximum effectiveness. Trall's Pharmacy, on the hill.

The terrace furniture has been dusted off . . . the lawn's been scissored and shaped. By golly, it's May . . . and you want everything sparkling and white. Maybe that's why Fromm's have a special on Truxon house paint . . . white only. It's four dollars and fifty-six cents a gallon. Fromm's in the village.

There's a department in the Pointe that caters to, our lazy ways. It's the lingerie department in Jacobson's. There are gay cookie coats that could be worn as dresses. They're versatile madame. A plisse one . . . the no-iron kind . . . bad tricky bows at the shoulder . . . sleeveless . . . zipper front . . . two big pockets. The duster, in garden colors, make good use of belts. Another was sleeveless plisse . . . lemon tinted. These particular ones were around six dollars.

The whole gang . . . the lollypop set, that is . . . is wearing the gayest plaid and striped seersucker two-piece play outfits. The boxer shorts plus the sleeveless blouses with Peter Pan collars. They require no ironing. In this happiest of hunting grounds for Mothers, Young Clothes, Inc., they have a complete size range . . . 3 to 6x . . . 7 to 14. Little prices . . . like \$2.25 each piece. Other styles of sun suits and sun dresses, too. 110 Kercheval, on the hill.

Everything about Denny's new shirts is wonderful. And you can see that everything was planned right from the drawing board stage to put more air and less shirt on your back come sweltering summer months. They're tough as tigers and absorbent, too. Long and short sleeves . . . and so many patterns . . . both gay and conservative. Denny's Men's Wear, 92 Kercheval, on the hill.
